## Canton Trustees Reject Mocerri Rezoning Bid

By Bruce Phillips

After two years of controversy over the Mocerri Project, the Canton Township Board of Trustees, at the April 8 meeting, denied approval of rezoning for the Planned Shopping Center. This denial is the final decision, pending a possible appeal to the Wayne County Circuit Court.

James Poole, Canton Trustee, explained that after many public hearings, it was quite apparent that the residents were against the shopping center. Poole then made the motion to deny the rezoning of the southeastern corner of Joy and Sheldon Road. The motion was carried by James Poole, Brian Schwall, John Flodin and opposed by Grant Campbell, and Donald Korte. Members Philip Dingeldy and Robert Griffen were absent due to illness. The decision was met with loud applause from the audience.

The Mocerri Project started back in Dec. of 1971, when the land was purchased by Mocerri Building Co. A short time later, Mocerri and Schostak Brothers Real Estate got together to propose the regional Shopping Center. In March of 1972, the project was submitted to the Canton Planning Commission.

The first strong opposition to the project came at the Jan. of 1973, public hearing. The plan then went to the Wayne County Planning Commission for their recommendations, but was denied due to the inadequacy of the roads to handle the traffic.

The Planning Commission suggested that alterations be made and the plan resubmitted. The new plan was brought to a public hearing in Jan. of 1974, where an estimated 600 people attended — mostly opposing the project. The major concerns of the project were traffic, location near residential and school areas, increased size of Morton Taylor Road and saturation of shopping centers in the area. Despite public opposition at the hearing the Canton Planning Commission unanimously voted to approve the rezoning. The proposal then went back to Wayne County Planning Commission where it was approved.

With the Canton Township Board of Trustees' decision to deny the rezoning application, the project is now dead. Mocerri representatives did not specify whether or not they would appeal the decision to the Wayne County Circuit Court.

## Joe Crissey Walk-a-thon a Success

The Joe Crissey Walk-a-thon, sponsored by the Plymouth merchants last Saturday morning, was hopefully setting its goal to collect \$1,000.

But due to the overwhelming response of the community, for the walkers, pledges totaled an unbelievable \$4,351.17 making the walk-a-thon a tremendous success.

Pledges, which ranged from one cent to \$25 per half mile for the walkers, came from 1,400 different sponsors from all over the state of Michigan and parts of Ohio and Florida.

One hundred and twenty-four people came to walk for Joey. These walkers paraded the five mile course for sums of money ranging from \$1 to \$635.

Bob Catalano, a disc jockey from WSDS radio in Ypsilanti, walked for the \$635 total donated from different sponsors of the station.

Also Cynthia Melnikas, a teacher at Mercy High School of Farmington, represented her school as she walked for \$95 collected from Mercy students who sponsored her.

All the walkers (most of which were junior and senior high school students) were very

enthusiastic throughout the walk, and yet conducted themselves in a businesslike manner as they were quiet and orderly at each check point.

The walk-a-thon started out with a presentation from State Senator Carl Pursell who brought with him a resolution from the state proclaiming the day, April 13, 1974, as "Joey Crissey Day" in the state of Michigan. Senator Pursell presented the glass-framed resolution to Frances O'Connor who was representing the Crissey family.

Senator Pursell also had the honor of cutting the starting line to officially start the walk-a-thon.

The course, which started and finished at Kellogg Park, wound around the west-side of town. The walk lasted a total of two hours and was joyfully ended with ice cold drinks for all the walkers.

A most gracious thank-you goes to Fred Hill, proprietor of John Smith's clothing store, for his time and effort in preparing such an orderly walk-a-thon.

Thanks also go to Dick Wickard, Barb Ames, and the Plymouth Chamber of Commerce for their assistance.

## City Commission Approves Resolutions

by Robert Nicora

The Plymouth City Commission approved five resolutions, set a date for a public hearing on a proposed construction project, and held a public hearing on the vacation of a portion of Penniman Avenue, during the regular city commission meeting, Monday, April 15th.

The vacation of the section of Penniman from the north line of West Ann Arbor Trail, extended to Kellogg Park, to the southeast line of Union Street, extended to Kellogg Park was contested by Jack Wilcox of 676 and 620 Penniman.

Wilcox maintained that since this particular portion of Penniman was closed nearly two years ago, he has not had the use of his front driveway and has had to use a rear driveway that was originally intended for temporary use only.

Wilcox asserted that his property is virtually without access to a major thoroughfare.

After nearly half an hour of discussion, the commissioners voted to hold the vacation of Penniman in abeyance until May 6th and refer the matter concerning Mr. Wilcox's property to the City Manager for further consideration.

The City Commission also approved an action designating certain streets as bicycle routes in the City. The commission stipulated the \$6,000 would be allocated from the city's capital improvement fund in order to set up appropriate signs designating bike routes, publishing a pamphlet covering bike rules and safety, and covering anything else dealing with the bike routes.

Among other resolutions passed during Monday night's commission meeting was one authorizing the implementation of an agreement with the State Highway Department which would prohibit stopping, standing, and parking on part of Highway M-14.

The commission also granted permission for the Veterans of Foreign Wars to hold an Annual Memorial Day program on May 27th.

## Psychologist to Lecture at Schoolcraft College

By Bruce Phillips

A renowned author and practicing psychoanalyst, Dr. Rollo May, will lecture at Schoolcraft College on April 17 at 8 p.m.

Born in Ohio in 1909, Rollo May received his A.B. from Oberlin College in 1930, and M.D., cum laude, from Union Theological Seminary in 1938. That same year he published his first of seven books, entitled Art of Counseling. He received his Ph.D. from Columbia University, summa cum laude, in 1949.

Dr. May served as a teacher at the American College in Saloniki, Greece, from 1930 to 1933. He then went to Michigan State College for two years as a counselor to men students. In 1943 Dr. May went to the College of The City of New York again as a student counselor.

During the 1950's and 1960's Dr. May spent much of his time writing such books as The Meaning of Anxiety, Man's Search for Himself, Existence: A New Dimension in Psychiatry and Psychology, Symbolism in Religion and Literature, Psychology and the Human Dilemma, and Love and Will.

In the recent past, Dr. May has been a visiting professor at Harvard University; fellow of Branford College, Yale University; lecturer with rank of professor, Princetown University; lecturer, New School for Social Research; and visiting professor, Yale University.

Currently, Dr. May works as a psychoanalyst in New York and serves as a supervisory and training analyst at the William Alanson White Institute of Psychiatry, Psychology and Psychoanalysis.

The lecture will be held in Schoolcraft's main gymnasium. It is the last Cultural and Public Affairs program for the 1973-74 season. General admission tickets are \$2 and are available in the campus bookstore and will be sold at the door. The campus is located at 18600 Haggerty Road in Livonia. Further information is available at 591-6400, ext. 264.

## Mass Transit and Community Gardens Proposed for Canton

James Poole and John Flodin, Canton Trustees, suggested at the April 8 meeting, that now that the Mocerri Project is over, the residents should stay active and united in their community functions.

James Poole recommended that the people work on a mass transit program for Canton. The Board of Trustees has been meeting with SIMCA, an organization providing mass transit from the suburbs to various key centers, i.e. Ford Glass Bldg., and with busses already running from Ann Arbor and Plymouth, there would be no problem in rerouting the existing service through Canton if there is a desire to do so. The residents should get together and see where they could use this

type of service. Perhaps Ford Road and Sheldon or Lilley Roads would be the place for a stop. Any ideas or movements for mass transit in Canton may be brought or phoned in to the Township Hall.

John Flodin then brought up that if the people of Canton are interested in Community Gardens, arrangements could be made. Land developers not planning to build on their property in the near future are willing to let the public make use of it with garden plots. Residents interested in this idea should get in touch with the Township to locate convenient areas of property.

Both projects are dependent on the community for their support in bringing the plans to reality.

## Cub Scout Activities

Leonard Little of Cub Scout Pack 293 was the big winner at the Pinewood Derby finals at Bird School on March 27. Other winners were Mark Cavisto, Den 2, Jerry Wilse, Den 3, and Steven Stewart, Webelos. Fred Hill was the lucky winner of the Adult Funny Car Award.

The Pack's future activities include a trip to the University of Michigan Museum and Planetarium on Saturday, April 20. All cubs, parents and guests will meet for the trip at Bird School at 12:30 p.m.

The theme of "Communications" will be explored at the April pack meeting to be held on Wednesday, April 24, 7:30 p.m. at Bird School.

Also upcoming is the Seventh Annual Geranium sale which will take place on May 11. The door

to door sale will be in both the city and township between 10:00 a.m. and 2:00 p.m.

## 'Commission'

(continued from page 1)

In keeping with a similar resolution passed by Congress in Washington, the city commission proclaimed April 30, 1974 as a National Day of Humiliation, Fasting, and Prayer.

A resolution was also passed granting permission for the Plymouth Jaycees to conduct their Annual Fourth of July parade.

A date of May 6th was established for a public hearing on the proposed construction of a sidewalk on the north side of West Ann Arbor Road, from South Mill St. to Sheldon Road.

## American Title Opens New Branch

Mr. Stanley M. Fisher, Executive Vice President of the American Title Insurance Company, April 12th announced the opening of a branch office in the City of Plymouth. This office will be located at 498 S. Main Street and will provide complete title services and escrow facilities for the community.

The opening of this branch office represents another addition to several other satellite offices located in the metropolitan area to serve the needs of realtors, builders, attorneys, investors, banks and savings and loans in real estate transactions.

This new branch will be managed by Keith W. Grice, an experienced title man who is well known in this community. American Title is looking forward with great enthusiasm in becoming another business member of the City of Plymouth and hopes to contribute to the continued growth of the area.

## 'Gallerie 12' to Hold Spring Art Exhibit

by Robert Nicora

Gallerie 12, a group of well known area artists, announced last Thursday that they will display their works in an art exhibit, to be held April 20 and 21st at the Colony Farms subdivision and condominiums.

The exhibit, which will be open from 12 noon until 5:00 p.m. on both days, features creations in a variety of art forms.

Among the artists participating in the exhibit are Joyce Hood displaying what she describes as her "unusual techniques" in acrylics, Al Decker and David McIntyre in water colors, Alice Nichols in oil painting, and Caroline Dunphy showing both oil and water color paintings.

Also displaying their artistic talents are Bill Delter, metal sculpture; Louise Noakes, photography; Virginia Barc, pottery; Bob Kaufman, jewelry

and woodcuts; John Groot, hand made pewter; Ed Donahue, serigraphs (a silk screening method), and Charles W. Haubrich, wire sculpture.

The exhibit is sponsored by the owners of the Colony Farms subdivision and condominiums, Stewart Oldford and sons.

The art show will be given in the complex's meeting house, situated in the center of the section of condominiums, located at 48151 W. Ann Arbor Rd., Plymouth Township.

By conducting the exhibit, which is the first of the spring season in the area, the Gallerie 12 group hopes to, as painter David McIntyre states, "stimulate an increase in artistic effort in the area."

As an added attraction, the Colony Farms subdivision's model homes and the condominiums will be open to the public throughout the exhibit.

New Vivian's for 74-75, front row, left to right, Kerry Pattison, Pres.; Mary Byrnes, Vice Pres.; Ruth Banky, R. Sec.; Florence Wright, Corr. Sec.; Corinne Keeler, Treas. Back row, Ethel Bragalowe, Chaplain; Martha Raley, Sgt.-at-Arms.; Jane Powell, Edna Brenner, Jeane Eggenberger, Mem.-at-Large.

## Vivians Elect New Officers

The Vivians Club installation was held Thursday, April 11, at the Plymouth Elks Lodge No. 1780. The evening was planned by the Past Presidents Club, Kathy Israel, Carol Packard, Lois Lane, Marrion Creith, Chris Foster, Betty Cutler, Virginia Fann, Doris Mahalak, Donna Jean O'Connor and Mary Richard.

The Women's Club is an auxiliary of the Elks Lodge. It is a charitable and social club formed in 1952. The Vivians have also donated their time and monies to the Michigan Major

Projects for Handicapped Children. Their other duties are to assist the men's lodge when requested.

The new officers for 1974-75 are Kerry Pattison, president; Mary Byrnes, vice president; Ruth Bankey, recording secretary; Florence Wright, corresponding secretary; Corinne Keeler, treasurer; Martha Raley, sergeant-at-arms; and members at large, Edna Brenner, Jane Powell and Jeane Eggenberger.

The installation officers were Marion Creith and Carol Packard of the Past Presidents Club.

## Joe Crissey News

With the money pledged at the Joey Crissey Walk-a-thon last Saturday afternoon, donations have now reached the \$11,000 mark for little Joe.

The Detroit Tigers got into the spirit (as found out that Joe's favorite sport was baseball) by sending him a yearbook, an autographed baseball of all the Tigers and an autographed picture of Mickey Stanley, (Joe's favorite Tiger).

Don't forget the upcoming benefit shows for Joey.

The Plymouth Theatre Guild's spring production of "Seven Nuns at Las Vegas" will be shown April 25, 26 and 27 at 8 p.m. at the Central Middle

School Auditorium.

Tickets, \$2.50 adults, \$2.00 children, are available at Del's Shoes, Joe Merritt Insurance Agency, Book World in the Forest Place Mall or from members of the Theater Guild. For further information, contact Clemie Cyburt at 453-4140.

Also a talent show, organized by Mike Telekesy, will be presented on April 27 at the Plymouth-Salem auditorium. Tickets are now available at the junior and senior high schools with donations of \$1.50.

Other donations can be sent to Frances O'Connor at 15046 Robinwood or Marianne Heaton at 15895 Marilyn.

## Detroit Diesel Donates Engine to Plymouth-Canton

by Robert Nicora

Representatives of Detroit Diesel Allison, Wednesday, April 10th, presented Plymouth-Canton High School with a 212 cubic-inch diesel engine and an engine dynamometer for use in the school's automotive and industrial mechanics courses.

In accepting the donation from Detroit Diesel's Director of Strategic Planning, Kenneth L. Hulsing, Plymouth-Canton Principal, Kent Buikema, and automotive instructor, Richard Panko, indicated that the equipment would be a valuable asset to the school's industrial arts department.

"This type of engine," stated Detroit Diesel representative, Bruce Goodsite, "has uses in the truck area and in the general construction and industrial field.

"It would be a relatively small engine for a truck," Goodsite explained, "and would go into a medium duty truck or a school bus.

"It would also be used in a lot of construction equipment,

construction machinery, in a lot of generator sets, in work boats, pleasure boats and things of this kind," said Goodsite.

The diesel engine is capable of generating 140 horsepower, has a 21 to 1 compression ratio, and weighs 1190 pounds. The engine dynamometer is used for testing engine performance, is equipped to handle any type of engine up to 800 horsepower, and is capable of producing 4,500 revolutions per minutes.

"It's not a new engine," Goodsite elaborated, "and it normally would have been scrapped. But rather than do that, the division (Detroit Diesel is a division of General Motors) felt that it could be of good use over here.

"It's a good instruction engine," Goodsite stated.

Buikema and Panko plan to put the new equipment into immediate use in teaching a number of students who have expressed interest in a career in

## CRIER'S LITE

Spring was a delight to see these past few days. It seems winter has finally departed. While being slowly nudged out by warmer spring breezes, the season's mark was left everywhere. Unfortunately, this year, as in years past, ol' man winter left his mark on area roads.

The chuckholes seem more plentiful this year, but so far the maintenance crews have been harder to find. A good place to look for them is on Ann Arbor Trail and Mill Street. They're there every year about now, repairing the road that used to be a "trail." When they finish filling all the holes on Ann Arbor Trail, Sheldon Road could be the next area that needs help, but so does Church Street, Ann Arbor Road and a list of others that could keep the patching crews busy every minute around the clock for the next three months.

It seems that each year the orange trucks, with the black asphalt, tour our community patching holes and repairing the soft shoulders that turned into ruins after the thaw.

As time goes on, the roads become patched, and eventually the patches are patched and unfortunately after two or three seasons, the roads are almost impassable.

The solution; it's evident no one has a workable solution. The answer might be summed up in the word "progress." If the country, and the state, would look at the older roads, realize that each year it becomes more inviting to drive on the soft shoulder rather than the road itself, they might possibly start to reconstruct old roads, rather than to build new thoroughfares.

It seems highly impractical that older roads are deteriorating while new roads are becoming partially finished everywhere.

I am sure that people would sooner have an older road fixed, and fixed one time correctly, so it lasts, rather than have newer highways without any decent roads leading to them.

### Letter to the editor

Thank you for your cooperation in printing our league standings and other articles during the past junior basketball season.

We appreciate all the help we can get in spreading the word about our program in this growing community.

Sincerely,  
Gerald H. Triplett  
President, P.C.J.B.A.

Offered by Senator Carl Pursell  
A RESOLUTION OF TRIBUTE TO  
COMMEMORATE "JOE CRISSEY DAY"

WHEREAS, The people of Plymouth, in a demonstration of generosity and compassion characteristic of the highest of American ideals, have proclaimed April 13, 1974 as "Joe Crissey Day"; and

WHEREAS, Joe Crissey, a bright-faced boy of nine years, is the unfortunate victim of a rare disease, dystonia musculorum deformans, and is about to undergo the long and difficult process of cryogenic surgery and subsequent therapy; and

WHEREAS, In a crescendo of human concern, the people of Plymouth have come forth with the amazing display of moral and financial support for the Crissey family. What started as a heartwarming effort by the students of Central Middle School to aid the son of their respected teacher, Mr. Fred Crissey, has become a widely-based community campaign; and

WHEREAS, A wide array of groups and individuals have participated to defray the medical expenses of Joe Crissey's operation. The merchants of Plymouth are conducting a walkathon as their donation to the Joe Crissey Fund. Our Lady of Good Counsel Elementary School collected over \$1,200.00 during their "Joe Crissey Week" and substantially added to that sum by conducting a Dixieland sing-a-long on March 28, 1974. The Plymouth Theater Guild is donating the ticket sales of its next performance to the Joe Crissey Fund and countless individuals have worked tirelessly on behalf of this noble cause; now therefore be it

RESOLVED, That the Michigan Senate commemorate "Joe Crissey Day" and offer tribute to the community of Plymouth for the humanity it has demonstrated; and be it further

RESOLVED, That a copy of this resolution be transmitted to the Crissey family as a testimony to the deep concern felt for Joe Crissey by the members of this legislative body.

Adopted by the Senate, April 11, 1974.

### Pop Concert Time Again

by Sue Bunch

Is it Pop Concert time again? Yes, and the women of the Staccato Group in the Plymouth Symphony League are busy working on decorations for the event.

"An American In Paris" theme will be carried out, with music highlighting George Gershwin's 25th anniversary. A gay Parisian atmosphere will be recaptured with a French cafe' scene, red checkered tablecloths, a garden cart and beautiful, fresh flowers.

The concert will be presented May 11, at 8:30 p.m., at Central Middle School. Tickets go on sale Tuesday, April 16, at the Plymouth Record and Tape Center, located next to the Penn Theater. Tickets are \$3.00 for a table seat and \$1.75 for a bleacher seat.

General chairmen of the event are Mrs. Gary Orthner and Mrs. Drexel Bunch. Chairman of decorations is Mrs. Henry Henley; ticket chairman is Mrs. John Hubbuck; refreshment chairman is Mrs. Thomas Dean; program chairman is Mrs. Paul Borman and publicity chairman is Mrs. William Knapp.

## Women's Continuum Seeks Volunteers

The Women's Continuum Program at Schoolcraft College is calling for volunteers to assist in its program and has set an informational meeting for April 19.

The meeting will be held from 9:30 to 11:30 a.m. in the Conference Room (A520) of the Schoolcraft College Administration Building, 18600 Haggerty Road, Livonia. Parking is available in the Visitor's Parking Lot or North or South student lots. Ms. Nancy Dufour, who heads the program at the College, will conduct the session.

Topics to be covered include: the need for a local Women's Resource Center, the need for volunteers to research information, answer phone calls and counsel women in the community and the need for specific committees to accomplish these tasks.

Potential committees include: the Women's Resource Center planning committee, the Women's Opportunity Fair planning committee and committees to gather information on education, employment and volunteer opportunities, social services and legal rights of women.

All interested women are invited to participate. They may call the Continuum Program Office at 591-6400, Ext. 217, to indicate their interest in attending. Those who cannot make it on April 19, 1974, but are interested in helping are invited to call and add their name to the list for future activities.

## "Harold and Maude"

The Canton Little Theatre's presentation this month will be the 1973 comedy hit "Harold and Maude".

The film will be shown Wednesday, April 24, at 7 and 9 p.m. in the Plymouth - Canton High School Auditorium.

### New TOPS Officers

During an impressive candlelight ceremony the new officers of the Plymouth Chapter of TOPS were installed on April 3rd, 1974. The board for the new club year is as follows:

Leader - Nancy Austin; Co-Leader - Nola Smith; Weight Recorder - Barbara Goudeseune; Secretary - Sharon Neubecker; Treasurer - Joyce Kramer.

With the largest weight loss during the Year 1973 of 49½ pounds, Judy Herndon was crowned Queen for 1973. The theme for the coronation of the Queen was "The Impossible Dream", which Judy Herndon turned into a reality by reaching her goal. In July, Judy will represent our club at the National Convention of TOPS Clubs to be held in Seattle, Washington.

donate more than \$50 worth of personal items to the United Methodist Children's Village. The items donated included soap, toothpaste, deodorant, kleenex and shampoo. On Thursday, April 11, Mrs. Ward Harris, Mrs. Joseph Schmidlein and Mrs. John Auchincloss, three members of the Plymouth First United Methodist Church group, presented these items, along with a few hand knit items and several dozen cookies, to the Children's Village.

The Children's Village serves as a home for 35 children from ages 7 through 17. The goal is to help these children adjust to the problems in their private lives. The Children's Home provides family counseling, foster care programs, and a day care center. Parents are invited to help the children work out family problems at weekly rap sessions.

The Children's Village is supported by donations from local groups, area churches, and by some fees for their services.

## Eye Glasses for the Needy

Tonquish Lodge 32 of the Independent Order of Oddfellows, and Rebekah Lodge 182, will conduct their annual Plymouth area drive to collect old eyeglasses, April 15 to May 15. Lewis Foster, Chairman of the Eyeglasses Committee, stated that all glasses collected will be used for the needy.

Drop boxes will be set up at

these locations: Plymouth Hardware, Detroit Edison (downtown Plymouth), Liberty Upholstering, Bill's Market, Old Village Restaurant, Lord Baltimore Cleaners, A.C.E. Hardware, Great Scott and Wrigley (Sheldon Shopping Center), Sheldon Center Barber Shop (Livonia), Taylor's Liquor Store and Real Cleaners (Seven Mile and Gaylor, Detroit).

# 'Crier' Meets the 'Roadrunner Report'

by Elaine Edford

This often harried editor had the opportunity to meet with the ten busy, yet exuberant editors of a new local newspaper - "The Roadrunner Report" of Gallimore Elementary School in Plymouth.

"The Roadrunner Report" is a monthly school newspaper, written and "published" in its entirety by Gallimore fourth and fifth graders. Except for some typing and final proofreading help by sponsor - teachers Mrs. Clinard and Mrs. Schmidt, the ten editors and their staff of "freelance writers" are completely on their own. According to Mrs. Clinard, the editors and writers meet two or three times a month to "pick up their assignments and be on their way." By the end of the month, the "Roadrunner Report" "goes to press." Editorial decisions are made each week on Friday, when the editors get together and discuss the submitted articles, stories, poems and artwork.

Although primarily a school newspaper which features news around school, "The Roadrunner Report" is by no means limited to this. News from other schools is included along with news and reports on such far-reaching subjects as "Women in Men's Sports" and "The Energy Crisis." Editor Kim Beveridge specializes in feature articles on various rooms in Gallimore and the interesting activities of the classes. When Mrs. Baldwin's room kept a bunny in class, Kim reported on it.

In the sports department, editor Chris Bond compiled a student opinion poll regarding women playing in men's sports. Kevin Wales reports on playground activities and games, and last month reported on school Physical Fitness Tests.

Not only confined to news,

Going like hotcakes are April's "Roadrunner Reports" at Gallimore Elementary School.

"The Roadrunner Report" actually has its greatest volume of copy in the entertainment and fine arts department. Gallimore's writers submit poems, book reviews, original stories, riddles and even drawings.

The Gallimore paper began a few months ago as the idea of a few students and sponsors, Mrs. Clinard and Mrs. Schmidt. It wasn't long before the idea became a reality. Plans for the

new paper were announced at Gallimore and interested students began turning in applications for staff positions. The sponsors thought that the students should go about getting jobs with the paper "the way the big people do it." Interested writers had to fill out applications complete with lists of previous experiences, samples of writing and references from parents, teachers and friends. After all the applications were reviewed, "The Roadrunner Report" had a staff of 34 - 10 editors and 24 writers.

Now that the paper is firmly established and even making money (ten dollars profit was made off of last month's issue and donated by the staff to the Joe Crissey Fund), there is no place to go but up. Last month's issue was a sell-out (400 copies

at 5 cents a copy) and April's issue promises to be the same.

"The Roadrunner Report" now totals seven full pages. Editors

John Darling, Kim Beveridge, Janette DeVenny, Anita Horen, Chris Bono, David Callahan, Greg Spencer, Kevin Wales and Craig

Schwartz assured me that next month's issue promises to be even better.

I must admit that I left my interview with these happy editors a little envious - they tell me that all of their writers always get their copy in on time! I'll bet that's nice.

## Mendelssohn's 'Elijah' in Plymouth

The combined Schoolcraft Chorale, Symphonic Choir, and the college orchestra, under the direction of Bradley Bloom, will perform Felix Medelssohn's "Elijah," at 8 p.m., Friday, April 19, in Plymouth Salem High School's Auditorium. Admission is free.

"Elijah," is one of Mendelssohn's greater successes, and exhibits his talent at its full maturity. As an oratorio its success lies in its dramatic scheme enhanced by a powerful and remarkable text.

An Old Testament prophet, Elijah lived in the days of Ahab, kind of Israel.

Mendelssohn presents Elijah, for all his nobleness of character, as an individual with very human qualities. His task is to wrestle with titanic forces: nature, evil, and the frailty of the man in the street.

## Life Styles for Women

The Schoolcraft College Women's Continuum is sponsoring two eight-week workshops on "lifestyle planning for women" starting in late April at two locations.

The first workshop is scheduled for 1 to 3 p.m. on Mondays beginning April 22, in Room B-170 of the Liberal Arts Building on campus. It will continue through June 17. Proposed topics for discussion include: changing lifestyles of men and women, the current status of women, value clarification, the assessment of motivation, strengths in education, employment and volunteer work, job hunting techniques, resume writing, time management and decision-making.

Persons wishing to register for either group or wishing further information should call the Women's Continuum Program at 591-6400, ext. 217.

The first performance of "Elijah" was given August 26, 1846, at Birmingham, England. Mendelssohn's reaction to this performance can be best expressed in his own words:

"Nothing of mine ever went so well as the first performance, or was greeted so enthusiastically by the musicians and the public."

The role of Elijah will be sung by Ronald Teigen, a professor of economics at the University of Michigan, and a frequent recital and oratorio soloist with Michigan symphonies and concert series.

Soloists other than Elijah will be drawn from both choirs. They include Julia Broxholm, Valerie Loiselle, Joan Malkiewicz, and Suzanne Wagenschutz, sopranos; Diane and Margaret Graham, altos; Robert Cassidy and Robbman Morisi, tenors; and Kimble Rose, bass.

## Party Planned for Grads

Plymouth parents held an organizational meeting in late March to begin planning for the 1974 Senior Graduation Party for Plymouth-Salem High School. The party is to be held from 10:30 p.m. to 2:30 a.m. on Wednesday, June 12, at Plymouth-Salem High School.

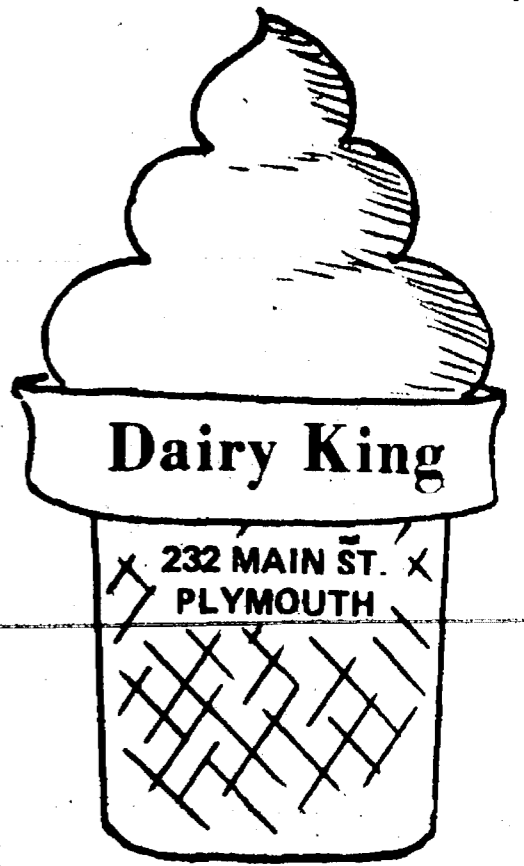

The party is being planned under the auspices of Plymouth-Canton-Northville Y.M.C.A. Plymouth Seniors present at the March meeting requested "Salem Witchcraft" as the band for the evening. Mary Smith, entertainment chairperson, successfully signed the requested, popular group.

In addition to music, door prizes will be given during the party. Anyone who is wondering what to do with those few leftover trading stamp books (TV or S&H) will find eager takers at Plymouth-Salem General Office, Plymouth-Canton General Office, Our Lady of Good Counsel Office

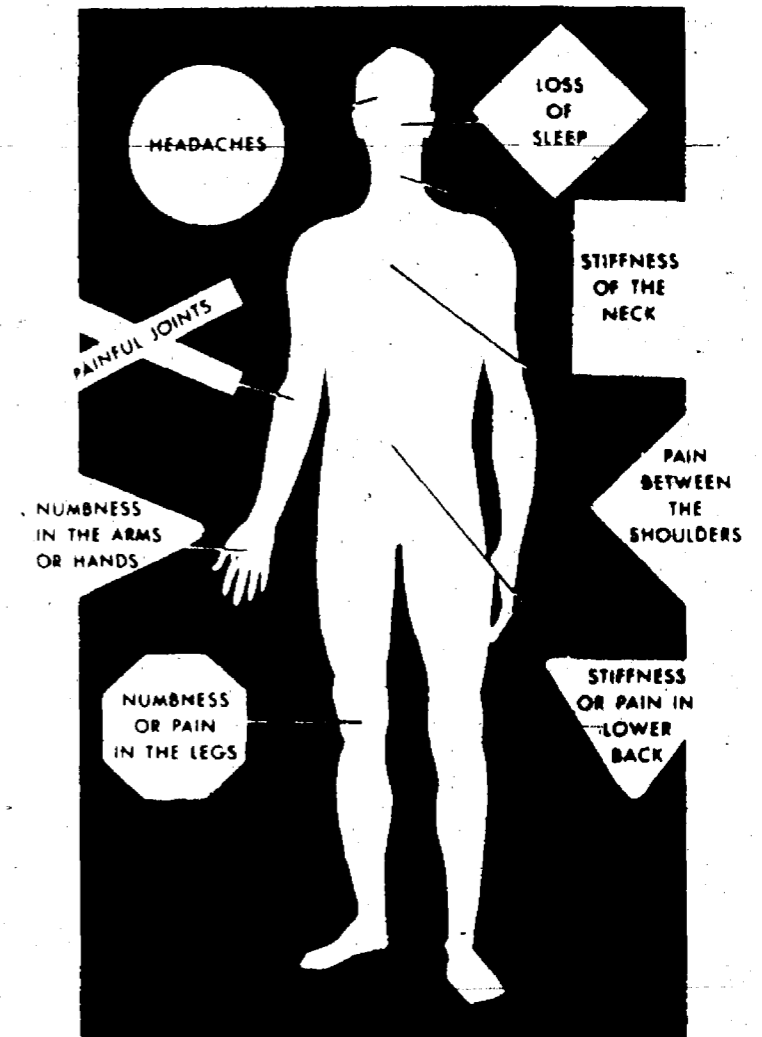

and Plymouth Office Supply. These stamps will be used to obtain door prizes for the party. Prize committee chairperson, Nita Brown, also will be willing and happy to receive other prize donations.

As the party is still in the planning stages, parents interested in serving on one of the committees can call Co-Chairmen Nancy Johnson, 453-5512 or Nan Cooper, 455-0872.

The Plymouth parents promise good entertainment, good music, good food and good friends.

# Canton No-Hits Novi

by Dan Herriman

The Canton Chiefs defeated Novi, 3-0, in a no-hitter Monday at Central. The victory was Canton's fourth consecutive win as Bill Parson pitched the no-hitter for his second win. Parson struck out seven in his four innings on the mound while Chris Martucci pitched three strike-outs in his three.

Coach Fred Crissey is extremely proud of his team as this is their first year in Western Six Competition and the Chiefs are already 4-0.

Crissey said, "The winning factors are our attitude and our defense. If somebody isn't hot one day, someone else is."

Canton looked about as hot as the weather Monday afternoon until Mike Verduce hit one into left field for a single in the fourth inning. Tom Close followed with a double that brought Verduce home for the first run. Close stole third and after two outs Ray Mandel singled to left to bring Close in to make it 2-0.

After two up, two down in the fifth inning, Verduce pulled a walk, Close came through with another double to send Mike Verduce home once again.

The sixth inning was the Chiefs last time at bat as Novi couldn't pull through in the top of the seventh.

Canton faces Farmington Harrison at Central today (Wednesday) at noon for a doubleheader. Chris Martucci and Bill Parson are each expected to pitch their first complete games.

# Willette Hurls No Hitter

After the postponements of Plymouth's first two league games last week (due to the wet weather), the Rocks won their first game of the year as they split a non-league doubleheader with Westland John Glenn, 3-0 and 6-2, last Monday afternoon.

Coach Wayne Sparkman's Rocks are now 1-2 for the year, and have yet to play a league game.

Plymouth's 3-0 win in the first game was highlighted by an excellent no hit pitching performance by junior left hander Tom Willette. Willette, who pitched on the Rocks staff last year as a sophomore, struck out ten while walking only two on way to the no-hit performance. He was also aided by the Rocks fine defense highlighted by catcher Mark Stephens who cut down two Glenn players attempting to steal.

Plymouth scored its first run in the second inning on a single by Danny Moore (who went 2 for 2 in the game), a walk by Doug Tripp, and an RBI single by John Major.

The Rocks scored their other two runs in the fifth as Mark Stephens was safe on an error, Don Bidwell walked, and Tom Davidson singled Stephens home. Moore followed with his second single loading the bases, and Tripp walked to bring Bidwell home with the final run.

In the second game, Plymouth's Bill DenHouter was

the victim of the Rock's poor defensive play as Plymouth committed four errors in the 6-2 loss.

All the scoring occurred in the first three innings as each team collected two unearned runs in the first inning.

Plymouth scored its runs on a leadoff single by John Major. Don Bidwell was safe on a throwing error by Glenn's pitcher Dave McElyea when trying to move Major to second on a sacrifice bunt. Doug Ward moved Major and Bidwell to 2nd and 3rd with a sacrifice. Major scored on a passed ball and Bidwell scored on an RBI double by Darrel Rowe.

Glenn's big inning was the third as they finished their scoring assault with a four-run inning. Jim Kholman had the big blow of the inning socking a two run triple and subsequently scoring on the relay throw to home.

DenHouter suffered the loss, although he pitched a strong game. Dave McElyea went the distance for Glenn (now 3-3 for the year) striking out eight and walking two.

The bright points in the Rocks loss included an eight hit attack, led by Major, Bidwell and Rowe with two hits apiece. The Rocks left eight men on base.

Plymouth's next games are this afternoon against Ypsilanti at "Ypsi," Thursday with a 12:00 doubleheader against Franklin at home, and Tuesday in a league affair at Trenton.

# Chiefs Rout Aggies, 14-2

The Canton Chiefs routed the St. Agatha Aggies by a 14-2 score for their third consecutive victory. Chris Martucci and Tom Close shared the mound chores for Canton. Martucci pitched the first four innings giving up one hit and striking out six, allowing no runs in recording his second victory of the year. Close gave up two hits and fanned three in his three innings.

The Chiefs wasted no time in scoring, with two out in the bottom of the first inning Mike Verduce drew a walk. Martucci lined a sharp single to left sending Verduce to third. Martucci stole second and both he and Verduce scored on Dave Pink's double to right center. Scott Dunagan scored Pink with a single to center and the Chiefs led by three.

In the second inning the Chiefs batted around, Greg Barnes was safe at first when the Aggies' shortstop bobbled his hard ground ball. Paul Major walked and Keith Randazzo dragged a bunt down third for a base hit. After a strikeout, Mike Verduce walked for the second time and Barnes trotted home. Chris Martucci drove a shot down the third base line as Major scored. Pink grounded out to second and Randazzo scored on the fielder's choice. Scott Dunagan got his second hit with a drag bunt that scored Verduce and when the throw to first was wide Martucci also scored. Barnes lined out to third to end the inning but the score was Chiefs 8, Aggies 0.

The Chiefs added two more in the third on walks to Randazzo and Mike Howell and a double by Bill Parson. In the fifth Canton added four more to conclude their scoring for the game. Mike Verduce lashed a double to left center and scored on Ed Pariseau's single to left. Matt Wiley walked and Greg Barnes and Bill Parson followed with back-to-back singles to bring the Chief's total to 14. The Aggies scored two runs in the seventh, on two walks and two hits but it was too little too late.

## Interview: Curt Funk

by D. J. Martin

"I don't particularly like to run; it's kind of like hitting yourself over the head with a hammer because it feels so good when you stop," said Curt Funk, senior track man for Plymouth-Salem.

This is Curt's first track season for himself and for Salem. Curt is a former varsity cross-country runner from Dearborn, where he ran as a sophomore and junior on Dearborn's tough cross country team. "Being formerly from Dearborn High, I am aware of some of the competition Salem is up against," said Curt. "This is good inasmuch as it provides the impetus I require to run to my fullest potential."

Curt is the type of runner who has the talent to run anything from the 440 to the two-mile. "My goal this year is the two-mile record. The school record for this event is nothing spectacular. It just takes "getting up for" at the beginning of the season." Curt plans on running the half-mile and eventually moving up to the two-mile.

While few half-milers rarely go after a two-mile record, Curt is assured that working up towards the two-mile will build the endurance, speed, and stamina needed to set a new record. Curt credits Coach Dave Martin with the motivation needed to be a top runner. "Coach Dave adds that extra incentive that is needed to work hard."

But not all of Curt's interest lies in track. He is a choir director at Cherry Hill Presbyterian Church and earns extra money playing the organ at weddings and church services, and is also involved in some of the school's musical organizations.

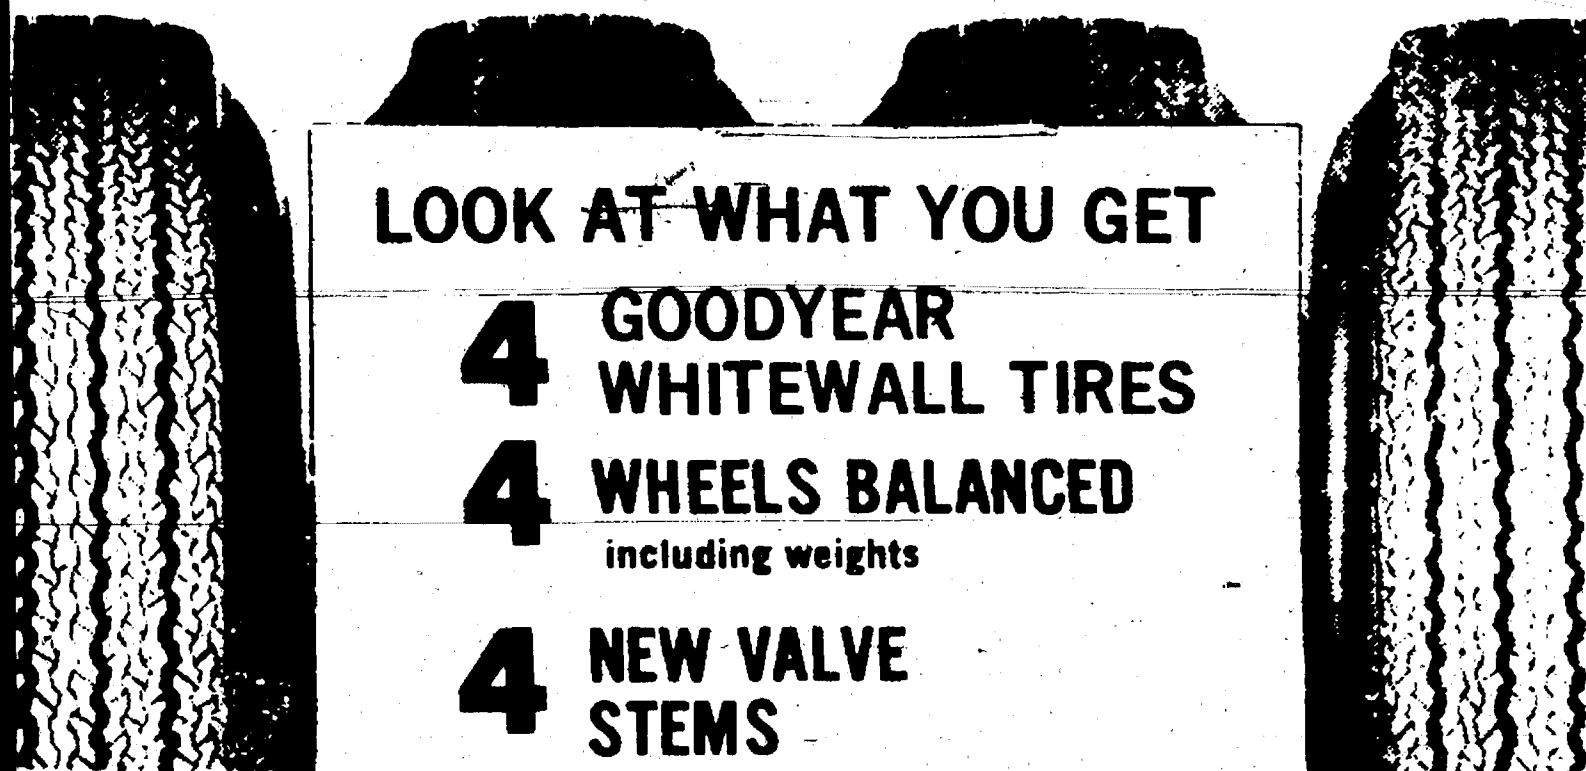

Already accepted at MSU, Curt plans on studying psychology in advertising with a minor in musicology. "Depending on how my track season at Salem goes, I may try to find time for track at MSU." But the way Curt is going now, if he keeps it together, he may have to find the time.

# Plymouth Canton Drops Meet

by Anne Sullivan

Coach Brian Schwall and the Plymouth-Canton cindersmen lost their second track meet of the season to Class A power Detroit Catholic Central, in a non-league meet by a score of 51-1/6 to 71-5/6. The meet was held April 9 on the Centennial Educational Track.

The meet was very encouraging for the Canton team because they took first place in five events. The mile relay team of Schulte, Kinal, Thom and Potter clocked in at 3:49.5, the 440 relay of McGlinn, Mack, Jablonski and Tiller came in at 51.5. In the high jump event Rick Thom jumped 5'6". And Dennis Van Guilder ran the 100 yard dash in 10.8 and the 220 yd. dash in 25.3.

Right behind Dennis for Canton in second place was Mike Ogden. Mike ran the 100 in 11.0 and the 220 in 25.6.

"The results of the meet are very encouraging. The comparative closeness of the scores as well as our five firsts have given us new goals and have shown that our performances will improve steadily as the season progresses," said Coach Schwall.

# Spring Fair at Lawrence Tech

The public is invited to attend the tenth annual Spring Fair of the Lawrence Institute of Technology to be held Friday, April 26, through Sunday, April 28 on the campus at Northwestern and Ten Mile in Southfield.

The Fair will open at 6 p.m. Friday and at noon on Saturday and Sunday. Closing time is midnight on all days. Admission is free. Parking is 50 cents.

Dennis Dimoff, president, and Patricia Wattenbarger, vice president, of Student Government head the committee planning an event that will be bigger and better than ever.

Exhibits, rides and a large midway will be in operation. The price of rides will be reduced Saturday afternoon to accommodate families.

Entertainment will include a Battle of the Bands Saturday night.

# YMCA Tennis Clinics

The Canton, Northville, Plymouth YMCA will be offering a series of tennis clinics starting Monday, April 29th. There will be many convenient times to choose from. The schedule is as follows:

Class 1	Monday	Wednesday
Class 2	April 29th	May 1st
Class 3	May 6th	May 8th
Class 4	May 13th	May 15th
	May 20th	May 22nd

The times you may choose for the 8 (each 1 hour) classes are: 10:30 - 11:30 a.m.; 2:30 - 3:30 p.m.; 6-7 p.m. Persons must choose Monday and Wednesday and one convenient time. Class size will be limited to 6 - 10 people to insure individual instruction.

This is a beginners course for 16 years and older. The price of the 8 (each 1 hour) classes is \$24.00. Registrations must be in to the YMCA office (670 Church St., Plymouth) by Friday, April 26th.

Please call the YMCA office for more information, 453-2910.

# Snowmobile Reimbursements

LANSING - Twenty-nine Michigan counties have received reimbursements from the Department of Natural Resources totaling more than \$23,300, for administering county snowmobile safety programs.

Counties in the program are reimbursed for 75 percent of their expenditures for snowmobile safety, education and law enforcement.

Top aid payment for budgets approved so far is Montcalm County with \$2,476 paid. Iron County is second with \$2,445 paid.

## COLONY FARMS

*Quiet, Contemporary Living with Warm, Historical Flavor...*

Colony Farms of Plymouth is a planned community designed to casually blend with the beauty of natural environment. It is the first planned residential unit development in Plymouth. To maintain the tone and quality of village pleasantness, Colony Farms rests in a park-like setting which relates to the surrounding abundant, lush greenery. Each homesite in Colony Farms enjoys a generous, virtually uncluttered vista of tall trees, park areas, gently rising hills and grassy glades. Recreation areas, quiet paths and wide, leisurely streets balance Colony Farms inherent country atmosphere. A sleepy, old-fashioned pond ringed with lazy, sun-drenched trees lies in the center of Colony Farms.

Colony Farms is a new and unusual way of living and relaxing. More than anything else it is enjoyably casual and graciously informal, yet it is not an ordinary suburban development. Colony Farms is a cordial and gently dynamic community. It is only moments away from shopping and all city conveniences such as hospitals, schools and entertainment. Equally important, however, is that Colony Farms living is no more than a few freeway miles from major educational centers, airports, manufacturing complexes and such major cities as Detroit, Ann Arbor, Livonia and Dearborn.

Colony Farms is unquestionably a part of Plymouth. And, it is a dramatic extension of the charming heritage of the original village of Plymouth, Michigan, which was founded on the banks of the middle Rouge River in 1825. Today, nearly 150 years later, Plymouth is an urban community with appealing rural quaintness and satisfaction for some 20,000 pleasant residents. Colony Farms is a proud new addition to the character of Plymouth and a bright new chapter in Plymouth history.

You're invited to join us at Colony Farms and to enjoy quiet, contemporary living with a warm, historical flavor.

**SUMMER JOB  
WANT AD  
SPECIAL**

For the next four weeks APRIL 10, 17, 24 and MAY 1, The Crier will be offering a summer job directory. This is how it works.

1. Both students looking for jobs, and merchants looking for summer help can advertise at this special rate.
2. Place one (1) Ad for four (4) consecutive weeks.
3. Each ad (10 words each) only costs \$2.25.
4. The section will be featured in our Classified.
5. Remember local students want local jobs and the P.C.C. is strictly a local paper.
6. The students advertising in this section will be local, and will have access to these local jobs.

## DNR Offers Guide for Boaters

LANSING. - Two revised Department of Natural Resources' publications offer a free wealth of information for Michigan skippers, be their vessels long, sleek Great Lakes cruisers or tiny rowboats.

The "Michigan Harbors Guide" describes, with the aid of aerial photographs, facilities on hand at Michigan's 63 Great Lakes harbors.

Featured in the "Michigan Boat Launching Directory" is a by-county listing - with helpful maps - of this state's nearly 1,000 public launching sites on both inland waterways and Great Lakes.

The boat launching directory is available from DNR district and regional offices, from the Detroit Information Office, and by mail from the DNR Waterways Division, Southland Plaza, Lansing 48926.

Because of a more limited supply, the harbors guide can be obtained only from the Waterways Division in Lansing.
