Vol. I, No. 17

## Plymouth Memorial Day Parade Huge Success

by Cheryl Nicholas

In memory of the dead of all wars, the Memorial Day parade and program was held last Monday in Plymouth, May 27.

Marching in the parade were members of the Plymouth Centennial Park, Central and Middle school bands joined by the VFW Mayflower Post and Auxiliary 6695, Passage Gayde

Post, auxiliary, and drill team 391 of the American Legion, and boys and girls scouts.

Leading the Parade was this year's Grand Marshall, Robert Sumption. A WW I and WW II veteran, Mr. Sumption is a member of Mayflower Post No. 6695, Veterans of Foreign Wars.

Aide to the Marshall was J. Roger McGonagle, a WW I vet from Passage-Gayde Post No. 391, American Legion. Mr.

James McKindles coordinated the memorial day celebrations.

The parade, which began at Central Middle school parking lot halted temporarily in front of the school. There, the VFW color guard and drill team broke away from the parade to deliver a 3-volley salute to the WW I monument.

After the salute the parade progressed down Main street to Kellogg park where master of ceremonies W.H. Werber opened

the Memorial Day Program.

Featured in the Memorial Day program was Ernest Stratyckuk, past VFW commander of the Dept. of Mich. Disturbed by a society in which he termed that hypocrisy is the order of the day, where people think the ten commandments is only for men and not for government, and where professional criminals have more freedom in the pursuit of their chosen vocation than professional police, Mr.

Stratyckuk called for the acceptance of individual responsibility to preserve freedom. Mr. Stratyckuk's remarks were followed by the selection "Thumbs Up U.S.A." from the West Middle School band.

The end of the Memorial Day celebration was marked by the Memorial Wreath ceremony conducted by Harvey Jones.

(see pictures page 3)

New officers elected at the May 9 meeting of the Plymouth Historical Society are, left to right, Bruce Richard, Mrs. George Smith, Miss Margaret Dunning, Clarence Moore, Irene Walldorf, Miss Irene Kidston and Harold Hamill.

## McDonald's Rezoning Denied Restaurant

by Bruce Phillips

The rezoning petition for a McDonald's Restaurant was unanimously denied by the Canton Planning Commission at the May 21 meeting. The planned sight was located at the north side of Michigan Avenue and west of Walker School. The Wayne Westland School Board, in a letter to the Commission, expressed that they were against the rezoning because of safety to the school children. Larry Bauman, Assistant Planning Consultant, also requested denial of the rezoning because of children's safety and distractions that would occur to the students.

The Commission made a request that the Board of Trustees consider the following

recommendations to the amendments: 1) builders will have to make temporary streets and sidewalks; 2) construction materials be set behind the sidewalks before construction begins. This would make the area accessible in case of fire, and children would have safe and clean walks to get to schools.

The following items were sent on to the Planning Consultant, rezoning petition for 47.56 acres on the east side of Sheldon Road, north of Michigan Avenue from R-1BC to R-1C for a PUD, revision for converting 150 mults. and eight area office to a local shopping center, rehearing on a petition for Ford and Beck Roads and tentative approval of a preliminary plat for Cherry Hills Sub. No. 2.

## Funds Cut in Half for Youth Inc.

by Dan Herriman

A 4-3 vote denied the refunding of \$8,000 for Youth Inc. at the City Commission meeting Tuesday, May 21. Voting against the \$8,000 refunding were Commissioners Sincock, Bida, Batterman, and Cummings. Supporting the refunding were Commissioners Moelhe, Guenther, and Mayor McAnnich.

After the \$8,000 defeat Commissioner Batterman offered a motion to fund Youth Inc. with \$4,000, half the original request. Opposing the \$4,000 refunding were Commissioners Moelhe and Guenther and Mayor McAnnich. Voting for half were Commissioners Sincock, Bida, Batterman, and Cummings. Funding for \$4,000 was passed.

Jack Bologna of Youth Inc. management said, "We cannot operate with that amount (\$4,000). We'll just have to scrap the whole thing."

Chuck Zoot of Our House expressed his disappointment. "I can't imagine Our House without Youth Inc. Youth Inc. works with young people to the extent that they will never reach us at Our House."

Approximately 100 persons were in attendance at the meeting in support of Youth Inc. Several spoke and revealed their feelings and pointed out Youth Inc.'s fine programs and accomplishments with young people.

Gene Stermer, a board member for Youth Inc. for one and a half years, explained to the Commission that Youth Inc. offers recreation and a creative outlook, which he described as development of values, goals of an organization, and individual

objectives.

Arguments opposing the refunding of \$8,000 included Commissioner Joe Bida's decision that Youth Inc. is not only used by the city's youth, but the township's also.

(continued on page 2)

The tug-of-war last Friday between Plymouth-Canton and Plymouth-Salem High Schools turned out to be quite an ordeal for both sides. The event was staged over the creek which runs between the two schools. Here Plymouth-Salem puts forth an all-out effort to end the competition. Needless to say - neither side won. The war ended in a draw.

### Noon Optimists Donate to Dickenson

Career education in Michigan schools will in the future be in every level of schools starting with the elementary students.

Through the efforts of the **Youth Inc.**

(continued from page 1)

"We were told 90 percent (of the youth) were from the city, but only 65 percent was indicated Tuesday night," said Bida afterward. He asked for a show of hands of those present who represented the city and the township at the meeting.

"I do think the township should put up their share. If they put up \$6,000, I'd be the first to say the city should too," emphasized Bida.

Commissioner Harold Guenther said, "I would rather carry the burden of the township than not paying and seeing our people not using the facility." Guenther supported the funding and made the motion to purchase \$8,000 worth of service from Youth Inc.

Commissioner Sincock was disturbed that Youth Inc. has not brought a contract before the City Commission. They were asked to do so months ago, in order to make the funding legal.

"I think Youth Inc. can work with \$4,000. If they show business-like methods and come back with a contract, I'll reconsider," stated Sincock.

"I think they're too dedicated to give up. They needed something to bring them to life. I do think something like this will wake them up," said Sincock.

Commissioner Norm Batterman, who also turned down the \$8,000, said, "I'm strongly in favor of Youth Inc.; however, I must say I am rather disappointed that money was not appropriated for this year. Three years ago when Youth Inc. was given money, they said next year we'll handle it on our own. They've been saying that ever since."

Past Mayor James McKeon shared his views with the Commission. He said, "The job of the City Commission is to know what the needs of the community are, and to reach out and support some of these organizations. I am convinced Youth Inc. serves a segment of our community and I strongly support your refunding of \$8,000 for Youth Inc."

Mayor McAnich endorsed Commissioner Guenther's motion by saying, "I'm amazed we even quibble over \$8,000."

Dickenson Jr. High Concerned Parents Group, this need is known to the Noon Optimist

Club. The primary goals of the Noon Optimist Club are to help others, especially youth.

Mr. Michael Bobby of the Noon Optimist Club made the

presentation of \$150.00 to Dickenson Jr. High at the regular meeting of the Concerned Parents Group, Tuesday, May 21. Mr. Bobby is Branch Manager of the Bank of the Commonwealth, Haggerty and Ann Arbor Road Branch.

## Memorial Day

### 1974

Bands played, ex-soldiers marched, and people saluted the waving, red, white and blue under the sunny skies of Plymouth's Memorial Day Parade.

An air of solemnity hung over the crowd as the three volley salute was fired in tribute to the dead of past wars.

As the parade made its way along Main, the large crowd clapped for the familiar songs, 'You're a Grand Old Flag' and, 'America,' while looking anxiously for faces they might know.

# What's Happening

## SPECIAL EVENTS

The Vocal Music Department of PLYMOUTH CANTON HIGH SCHOOL will present a CHORAL CONCERT Wednesday night, May 29, at 8:00 p.m. Admission is free and the concert will be held in the Canton High School Auditorium.

MILLER SCHOOL is planning a FUN FAIR for Saturday, June 1, 12-3 p.m. Games, activities, clowns and lots of fun are promised.

MACLD WORKSHOP MEETING, June 5, 7:30 p.m. at Pioneer Middle School Cafeteria, 46081 W. Ann Arbor Road, Plymouth. Parents and teachers of children with learning disabilities are cordially invited.

The PLYMOUTH JAYCEES will have their AUXILIARY BOARD MEETING June 4. The INAUGURAL BALL will be June 8 at Hawthorne Valley.

1974 SENIOR CLASS PARTY Wednesday, June 12, at the Plymouth Salem High School following commencement exercises, until 3:00 a.m. Music by SALEM WITCHCRAFT, FOOD, ACTIVITIES, DOOR PRIZES and much more to be featured. Tickets sold the week of May 28 in the Lower Commons of Plymouth-Salem and at graduation rehearsal; \$5 each, \$6 at the door. For further info., call Jo Wilson, 453-4158.

PLYMOUTH NEWCOMERS will sponsor a HAWAIIAN LUAU for members and guests, June 15, 7:30 p.m. at the Plymouth Cultural Center. Polynesian menu, music and dancing featured.

## Local Veterans Honored

During the month of May, the American Flag, granted by the United States government to Kurt Erickson, a veteran of the World War II era, flew at the Veterans of Foreign Wars Post Home, on 1426 South Mill Street, in Plymouth. This is our way of displaying a tribute to Kurt Erickson, who honorably served his country.

During the month of June, the American Flag, granted by the United States government to Walter Gribble, a Veteran of the Spanish American era, will fly at the Veterans of Foreign Wars Post Home on 1426 South Mill Street in Plymouth. This is our way of displaying a tribute to Walter Gribble, who honorably served his country.

## Plymouth's Tom Kelly Dies

by Cheryl Nicholas

Thomas "Tom" Kelly, 64, of 1103 Penniman Ave., Plymouth, an electrical engineer noted for his involvement in community affairs, died Tuesday at St. Joseph Mercy Hospital in Ann Arbor. His death came after years of ill health.

During his 23-year residence in Plymouth, Kelly was chairman of the Municipal Building Authority, a member of the Plymouth Housing Commission, the Tonquish Creek Manor and Cultural Center, the Refrigeration Board of Examiners, the Plymouth

Symphony Society Board, and the Building Board of Appeals.

A graduate of Syracuse (N.Y.) University with a degree in engineering, Kelly was employed by Detroit architects Smith, Hinchman, and Gryle.

Described by associates as "blunt" and "outspoken" Kelly was noted for his pointed speech, "He either liked it or he didn't," said one.

Kelly is survived by his wife, Phyllis; a son, Don, of Reading, Pa., and a sister in New Jersey.

Memorial services took place at Schrader Funeral Home on Saturday following cremation last Wednesday.

# Page No. Six

Torn up grass, bent signs and leaning lights illustrate the parking problems at Canton High School.

## CRIER'S LITE

by Dan Herriman

"Students have no respect for property. They just couldn't care less."

Generalizations like these made by parents and adults may pertain to themselves. Anyone with good eyesight can see why by simply taking a look at Plymouth Canton High School's front lawn.

Parents transporting their children to and from the school for evening baseball games, field days, etc., don't seem to find the sense to park in available parking lots and are parking on the side of Canton's main entrance from Canton Center Rd. all the way back to the sidewalk. Torn up grass, mud, ruts, damaged shrubbery, and knocked down light posts are the result.

Orlean Baker, a concerned citizen, brought this to the attention of the Crier.

"The parking lots are always empty in the evening, and even if everyone parked in the lots, there would still be ample space," said Mrs. Baker.

The lot behind Plymouth Salem is also usable. A foot bridge has been constructed over the creek between the two

schools for easy access to the baseball diamonds.

"I've even seen parents drive across the bridge, which was not built for cars and cannot support them," added Mrs. Baker.

"There's also the safety factor of parking in non-designated areas. The fire lane is blocked and a fire truck or rescue squad couldn't get through for anything," said Mrs. Baker.

Last year the parents parked on the grass behind the school. That ground is now barren.

Where, responsible and concerned parents, will you park next year? How about letting your kid ground out to the station wagon at second base?

## Bike-a-thon

The Plymouth Jaycee Auxiliary and the Michigan Diabetes Association will kick off the first annual diabetes BIKE - A - THON on Sunday, June 2 to help underwrite a special camp for diabetic children.

Ronald McDonald will be at checkpoint 2 (McDonalds Restaurant at Ann Arbor Road) to greet route riders and to pass out drink and food coupons.

Entry forms for the event can be obtained at AAA offices, McDonald's Restaurants, Schools, and business locations.

## Letters to the Editor

### For Parents

An Open Letter  
To Parents of  
Children Ages 6-13.  
Dear Mom and Dad,

When was the last time you really looked at your child? Are you able to look beyond the long hair, fading jeans, and rebellion and see an individual person with individual needs?

Have you experienced special successes and failures as a parent that you might share with others? Do you really know what you expect from your child? Do you really know what your child expects from you?

If you have answered or asked any of these questions or the hundreds of others facing parents in their relationships with their children we'd like to hear from you.

We invite you to visit us Monday, June 3rd, at 1:00 p.m. at OUR HOUSE CRISIS CENTER. This will be the first of a series of group meetings directed by Mrs. Edie McKnight, MSW and Mrs. Barbara Bargo, RN. The purpose of the meetings will be to explore and share experiences with children. Please call 455-4900 for further information.

Sincerely,  
Denice Chandler  
Special Programs Director,  
Our House Crisis Center.

### Thanks

It is with sincerest appreciation that a lifetime pass to all Plymouth activities is presented to Dr. L.J. Salan.

On behalf of the entire Department of Interscholastic Athletics we wish to say "thanks" to "Doc" for his tremendous support of all our programs. His previous service as our team doctor is especially acknowledged.

All of our athletes and coaches who have had the pleasure of direct contact with "Doc," I'm sure, feel that they acquired a true friend.

I extend my personal best wishes and appreciation to you, "Doc," and will always value your friendship.

John F. Sandmann, Director of Athletics

### Ecology Week

Dear Editor:

During times when many are quick to criticize our teenagers and be critical of many things in society, it was heart warming to see the events of Canton's ecology week.

I especially want to commend the many students and staff members who participated. I also extend my thanks to Whittaker and Gooding Company, Foulker's Nursery, . . . . . Retail Committee.

Mr. Gerald Draheim, Schmidt's Farm Market, and the Canton Township D.P.W. for their donations and cooperation.

Sincerely yours,  
Kent A. Buikema, Principal,  
Plymouth / Canton High School

### City Parking

To: Retailers and Businessmen located on the Central Parking Lot

Currently, city owned parking facilities in Plymouth are operating at a \$23,000 deficit per year.

To offset this deficit the city commission is considering raising the rate of all metered and attended parking to 10 cents per hour. This would, of course, include the Central Lot. In the case of the Central Lot one would still be able to park for one half hour for five cents.

The city has asked the Chamber of Commerce for its opinion and suggestions on this matter. The Chamber board would like to hear your thoughts. If you feel a meeting is necessary, we will arrange it.

Sincerely,  
Fred Hill, President  
Chamber of Commerce

Dodie Kennedy, Chairman

The Plymouth Community Crier is delivered to your home by the Plymouth Junior Athletic Association.

895 Ann Arbor Trail - Plymouth, Michigan

**Engagement**

The engagement of Miss Ann Christine Mills to Thomas Edward Fahlstrom has been announced by the future bride's parents, Mr. and Mrs. Hoyt D. Mills, 5390 Gotfredson Road, Plymouth.

Miss Mills and her fiance, son of Mr. and Mrs. Thomas R. Fahlstrom of Gaylord, Mich., plan an October 12 wedding. The bride-elect is a 1966 graduate of Plymouth High School and attended Central Michigan University. She is a teacher at the Little Farm Nursery School in Ann Arbor. Mr. Fahlstrom attended Central Michigan University and is presently employed by Charismatic Renewal Services in Ann Arbor.

**Girl Scouts to Speak**

As part of the Huron Valley Girl Scout Council's continuing effort to keep the general public aware of what Girl Scouting is accomplishing today, two girls from Cadette Troop 363 of the Plymouth community will be speaking at the June 6 Luncheon of the Plymouth Newcomer's Club.

Newcomer's Club is the sponsoring organization for Cadette Troop 363 and, as such, does more than just provide a nominal financial donation each year. They act as consultants for the troop to assist the girls in their various fields of exploration.

At the June 6 Luncheon, taking place at the Mayflower Meeting House at 12:30 p.m., LeeAnn Maertens of Canton Township and Anita Nickoloff of Plymouth Township will be acting as community representatives. The girls will be thanking the Newcomers for their support and informing them as to the various projects and activities Troop 363 has been engaged in during the past year.

Those interested in attending the luncheon can call Mrs. Ann Nickoloff, 453-1569, or Mrs. Sue Chamberlain, 455-1923.

Kevin Greer, of 600 Ross Avenue, in Plymouth, received his P.F.C. stripes at Howe Military School, in Howe, Ind. Kevin is in the ninth grade.

**Teacher's Council Appoints Local Man**

The National Council of Teachers of English announces the appointment of Anthony Monaster, Plymouth Canton High School, Plymouth, as a regional judge for the 1974 NCTE program, Achievement Awards in Writing. This nationally recognized competition, now in its seventeenth year, cites approximately 850 high school seniors for excellence in writing and recommends them to colleges and universities for admission and for financial aid, if needed. The NCTE also honors teachers and schools that have participated in the training of these young men and women.

Students are nominated for Achievement Awards in Writing by their high school English departments and are chosen for Awards by state judging committees. (Each nominee submits an autobiography, an impromptu theme, and a sample of his or her best writing to be

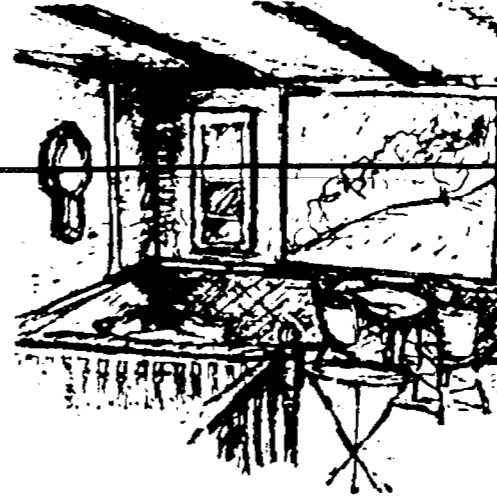

judged). The regional judging committees are composed of both high school and college teachers of English who work under the direction of state coordinators.

The National Council of Teachers of English is a professional organization of individual and institutional members at all levels of instruction. Its goal is to increase the effectiveness of the teaching of English language and literature in the nation's schools and colleges. NCTE furnishes such teaching aids as books and recordings, and publishes several professional journals, among them COLLEGE ENGLISH and ENGLISH JOURNAL.

# M.A.C.L.D. Makes Presentation to School Board

by Cheryl Nicholas

Members of the Plymouth-Northville Chapter of the Michigan Association for Children with Learning Disabilities (MACLD) came before the Plymouth Community School Board recently urging a meaningful expansion of the Special Education Department to include learning disabled children.

The local chapter insisted that the school district must provide specially designed programs and adequate personnel if the learning disabled (LD) child is to receive effective rehabilitation.

In making their presentation parents, professionals, and friends of education read written testimony relating their concerns, observations, and personal experiences with learning disabled children.

Dr. Henry Gottwold, Eastern Michigan professor of Special Education and an MACLD advisor told board members it was "unconscionable when a district like Plymouth has to be legislated into providing facilities for handicapped children."

Under the provisions of the Michigan mandatory education act each district is required to supply one (LD) teacher for every 10 pupils at any one time in class. These classes are especially designed for the learning disabled.

According to Gottwold, Plymouth falls short in all areas of special education and offers only marginal programs in mental retardation. Speech therapy, he stated, is but adequate.

Following Dr. Gottwold's profile of the Plymouth Community School District, associate professor of Special Education at EMU, Dr. Gary Navarre, set forth the nature and needs of learning disabilities.

Citing National Advisory Council literature, Navarre defined children with learning disabilities as exhibiting "a disorder in one or more of the basic psychological processes involved in understanding or in using spoken or written language."

Frequently, said Navarre, these children may have problems with coordination, memory disorders, over attention to one particular stimulus, or difficulty in terminating an activity once started.

Other symptoms cited by Navarre include extreme hyp-activity or hyper-activity and dyslexia, a reading skill disorder marked by an inability to transfer language to symbols and or symbols to language.

Navarre emphasized that these characteristics may appear in singular or combination form thus making for a complicated diagnostic criteria.

"These children have always been with us" stated Navarre. "In the past they were labeled as

They may have received services under the label of emotionally disturbed, physically handicapped, or some were bootlegged under mentally retarded."

For illustrative purposes, psychologist and EMU assistant professor of Special Education, Sandra McClennen related the extreme case of a hypothetical child, Susan.

Susan at the age of six, has an unrecognized learning disorder. When she cannot perform during reading class, the teacher is baffled since Susan is so good at oral arithmetic, but moves on.

As this process is continually repeated, said Dr. McClennen, Susan learns things outside of the approved curriculum. She learns that something is wrong with her, she is different, and that reading class may be an unpleasant experience.

Ultimately, according to Dr. McClennen, Susan may learn that perhaps no one cares. If she accepts this, she may stop setting goals for herself. Or Dr. McClennen stated, she may fight back by being disruptive.

Dr. McClennen's fictitious account was followed by testimony from an Oakland County parent advisor to MACLD who like two other parents during the evening, related real life experiences as the parents of learning disabled children.

The woman said her son was denied education support until his ego was so damaged by failure that he began to believe at age nine that he was born without a brain. The boy could read and speak quite well but had difficult discriminating sounds, understanding verbal explanation and in following directions.

In hopes that her own experience would demonstrate the reality of the learning disability syndrome, the woman stated: "Learning disabilities are not characterized just by inability to read. Children with reading problems may, or may not, have learning disabilities. While the new Special Education code has a category called "Learning Disabled," you should be aware that this is by no means a neat tidy group of symptoms, and that the code is not intended to encompass each and every child with a learning disability. . ."

The Oakland women also told of how through provisions laid out by the new code parents could participate for the first time in the planning of their child's education. This would be achieved by involvement on the Education Planning and Placement Committee.

The committee, composed of at least one representative from

## Plymouthites to Graduate from Lawrence Institute of Technology

Joseph Staron, Jr. will be a candidate for a Bachelor of Science Degree in Mechanical Engineering to be granted by the Lawrence Institute of Technology during commencement exercises to be held at 3 p.m. Sunday, June 2, in the Ford Auditorium, Detroit.

Staron is a design engineer with Ford Motor Company, Advance Engineering Department. He has been with the company for four years and has participated in a number of research projects including that of a fuel injected engine.

He and his wife, Sharon, live at 43735 Brandywyne, Plymouth. They have two children, Joseph and Jeffrey.

and Gear in Dearborn Heights.

He managed to also participate in intramural sports at L.I.T., playing baseball and football for three years. He was a member of the champion football team last year.

\*\*\*

Wilford T. Yopp will be a candidate for a Bachelor of Science Degree in Electrical Engineering.

Yopp, a graduate of John Glenn High School, Westland, lives with his wife, Bonnie Lynn, at 791 Canterbury, Plymouth.

### Mr. Elliot Graduates

Frank G. Elliot, formerly of Plymouth, graduated with distinction May 17 from Ferris State College with a B.S. degree in Trade Technical Education. He is currently teaching in Saginaw.

Mr. Elliot was in the U.S. Service for 21 years before obtaining his degree at Ferris. His high school requirements were finished through testing at the college. He earned his B.S. degree in three and a half years.

Mr. Elliot is the son of the late George C. Elliot and Helen Wickens, of Plymouth.

Youngest and one of the busiest Lawrence Institute of Technology's 513 graduates is 20-year-old Thomas P. LeBlanc who worked his way through college. He is the son of Mr. and Mrs. Joseph LeBlanc, 13443 Danbury, Plymouth.

Thomas will receive a Bachelor of Science degree in Industrial Management with a major in accounting.

He worked throughout his college career and for the past two-and-a-half years has been a full-time employee on the afternoon shift at Machine Tool

## M.A.C.L.D.

(continued from page 8)

the school's diagnostic, instructional, and administrative staffs plus parents, would: 1) Review all diagnostic and other information gathered on a child and decide whether he/she can be identified as handicapped according to the Special Ed. Code, 2) Evaluate all the educational program service options and, 3) Recommend regular and special educational programs based upon the information that was gathered.

The evening's presentation was concluded by a final appeal for the initiation of an LD program in the district by next fall and suggestions for its implementation.

School Superintendent John Hoben says at this time the district needs an opportunity to make a full investigation, adding that there are still things that need clarification. Hoben said the district is cognizant of areas where improvement has to be made but reminded that no district in the state is in compliance with the Special Ed. code instituted last October.

Ben Klempner, 35-year delicatessen businessman, announced the opening of his new store in the Northville Square Shopping Center. The delicatessen features a luncheon cafeteria and a sit-down dinner. Party trays are available.

# School News

Miller Elementary School in Plymouth will be holding its first "Fun Fair" on Saturday, June 1st, 1974, from 12 noon until 3 p.m. There will be clowns, cotton candy, hot dogs, ice cream, cake, snow cones, the country store and prizes and games for all ages. Bring your friends and come for an afternoon of fun. Miller School is located at 43721 Hanford Road in Plymouth.

## Bike Safety Awards Given

The culmination of a year long program on bicycle safety was marked here recently with an awards presentation held at Pioneer Middle School.

The program was jointly sponsored by the Plymouth Schools, Plymouth Police Department, Optimist Club, the Lions and the National Bank of Detroit.

Mrs. Charlotte Petro coordinated the program.

Awards were presented to elementary, middle-school, and high school students by Mr. Robert Barber, vice president of the National Bank of Detroit.

The winners were Diane Deloy, Isbister; Mike Papay, Our Lady of Good Counsel; Carol Thompson, Starkweather; Margie Wangbichler, Fiegel; Larry Hill, Middle School West; and Carla Kops, Plymouth Canton High.

## Michigan Week Breakfast at Tanger

by Elaine Edford

Tanger Elementary School students hosted a "Michigan Week" breakfast last Friday morning, May 24. Dressed in Indian bonnets and pirate hats, the children put on a breakfast for themselves, featuring foods from Michigan.

Breads and cereals made from Michigan wheat, Michigan milk and juices were prepared and served. As part of the school's preparations for Michigan Week, elementary students learned about how Michigan wheat and food products are grown, processed and delivered to the people.

Each class was responsible for preparing a particular part of the breakfast. Some children made the decorations, others prepared the food, set the tables, and so on.

Tanger teachers were pleased

with all of the hard work their students put into the breakfast. Judging by the smiling faces and bright eyes of the children when breakfast was served, the kids enjoyed the fruits of their work!

## Bluebirds Donate Clothing

A Bluebird group of second grade girls from Canton has just completed a four-week service project called "Starbird" in which the girls will receive a special award. The project involved the girls' collecting clothing and doing repairs if needed and then donating these articles to a worthy cause. They have chosen to donate the clothing to the FISH - an Inter-denominational group who in turn will give aid to anyone who needs help in any kind of emergency.

The girls - Becky Boyd, Kathy Dunn, Kim Harriman, Yvette Kalvenas and Laura

Middleton along with their leader, Mrs. Crystal Boyd and accompanied by Mrs. Garlin Dunn will deliver these articles on Wednesday, May 29th at the First United Methodist Church in Plymouth.

# What's Up in the Garden?

by Bill Saxton

By the calendar it is time to:  
1) Spray lindane on the trunks for the bronze birch borer.

Repeat treatment in 10 days. Apply a systematic insecticide for birch leaf miner.

2) To fertilize trees with a 10-6-4 or 10-10-10 fertilizer at the rate of one pound per inch of trunk diameter. Use an organic formula, if you prefer.

3) Check your lawn for fungus infections. Look at a number of leaf blades. If there is any evidence of spots or lesions on the blades take a sample to your garden supply and obtain the appropriate fungicide.

4) Apply tersan 1991 or copper sprays for sycamore anthracnose which affects the trees later on. It is too late to treat them after you observe the disease on the tree.

5) Continue spraying fruit trees at seven to ten day intervals, particularly during rainy weather to prevent disease and insects.

## Tanger Fun Fair

With the nice weather finally here, and the end of the school year just around the corner, it's no surprise to receive notices of school fairs. On Friday, May 31, Tanger Elementary School will be holding its annual School Fair. Hot dogs, ice cream and games galore will be featured, along with many activities for the whole family to enjoy. Hot wheels, bumper pool, the duck pond and basketball toss are only a few of the many enjoyable plans. Parents, bring your kids, and kids, don't forget your parents, at the Fun Fair, May 31, from 5:30 to 8:30 p.m. at Tanger Elementary School.

Some random thoughts: There is a persistent notion that liming is needed on soils in this area. We have seen the results of many soil tests and have had very few that required lime. It is much more common to need more acidity which requires sulfur or aluminum sulphate. We prefer the sulphur because it is less likely to burn or cause toxic reactions. Cottonseed meal is an acid former in an organic that is mild and safe to use.

We have seen several infestations of oyster shell scale on both shrubs and trees. Whole limbs had been killed by it on a birch tree sample we looked at recently. It is too late for dormant sprays now with the trees in full foliage. The way to control the scale during the growing season is to spray the plants when the scale insect is in the crawler stage. This occurs periodically in either one or several broods during the season. Evonymus scale has been quite prevalent recently also. Malathion or diazinon are very effective on these insects in the crawler stage. Mark your calendar now also to spray them next year in the early spring with a dormant spray. An ounce

of prevention!

One of the worst jobs in the garden is keeping the weeds out.

There are several pre-emergent types of weed killers available for both vegetables and ornamentals that can almost eliminate the problem. The main requirement is to cultivate, till, or pull all existing weeds or grasses from the area. You then spread the weed control and presto - no more weeds from that time on unless you disturb the soil surface again. Mulching with marsh hay can be a good method, too, if you prefer not to use chemical control. These methods can free your time to spend on more productive gardening activities.

Plymouth Canton decides on some strategy at last Wednesday's game.

## Last a Loss for P.C. Chiefs

by Dan Herriman

Plymouth Canton lost their last regular season game toppling to the Northville Mustangs Wednesday, May 22. The Canton Chiefs had a one-run grip on the game at Northville through five innings, but the Mustangs clenched the victory with four runs in the bottom of the fifth. Canton finishes at 5-4 and Northville stands at 6-3 in the Western Six League.

Chris Martucci started for Canton and went for 5-1/3 innings. Bill Parson was at the mound the remainder of the seven innings. Martucci walked one, pitched zero strikeouts, and allowed no runs on six hits, but left the field with bases loaded. Parson also struck out none, walking the same, and allowed one earned run and three others on two hits.

Ed Kritch went the distance for Northville with five strikeouts, two walks, and one allowed run on six hits.

The Mustangs' four-run stampede came with no outs in the bottom of the fifth when Mustang Ed White went to first on an infield single. Tod Eis followed with a single to centerfield, moving White to second and Ron Renault was safe on a fielder's choice. A throw from Martucci to Matt Wiley put White out at third. Ed

## Plymouth

### Canton Track

by Anne Sullivan

The Plymouth Canton track season for 1974 ended Tuesday, May 21 at Livonia Churchill, where the Western Six championships were held. The Chiefs finished in fifth place ahead of Harrison.

The highlights of the season are Jim Mack's regional championship in the Pole Vault at 12'7" and Mike Potter's 1:58.6 in the regional 880 on May 18. And the performance of our mile relay team of Mike Ogden, Tom Kinal, Mike Potter, Phil Schulte at the Western Six Conference meet May 21.

"The mile relay performance at the championship meet was well worth waiting for through the whole season," said Coach Brian Schwall. The relay race was extremely close, Canton came in second at 3:31.4 just behind Churchill (who took the championship) and just squeezed past the Chiefs' relay team at 3:31.3.

Coach Schwall also said "Our team will all be together next year. We don't lose anyone through graduation. The Pole Vaulters, distance runners and our mile relay team will be very difficult to beat next year."

Jim Mack and Mike Potter have both qualified for the state meet which will be held Saturday, June 1.

## Girls Track

by Dennis O'Connor

The three top teams in the area met in triangular competition at Walled Lake Western last Thursday (May 23).

In regional play WL Western finished on top followed by Livonia Stevenson and Plymouth-Salem. In this triangular meet all three teams ended up the same way.

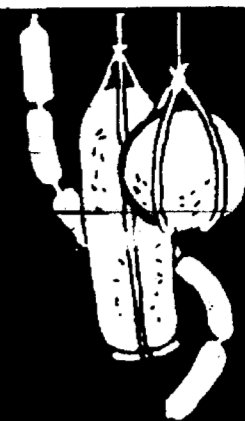

The girls from Plymouth-Salem accounted for three first place victories. Jackie Croci won her specialty, the 440 run. Barb Smith was a winner in the shot.

# Plymouth Nips Trenton

by Dennis O'Connor

Just when it looked like the Plymouth Rocks were making that last ditch effort to win the Suburban-eight League title, their hopes were dashed for good as they dropped league decisions to Allen Park and Edsel Ford.

Coach Wayne Sparkman's Rocks are now 7-13 overall and 5-6 in league play. They encounter Redford Union tomorrow (May 30) at Redford Union and Dearborn next Tuesday (June 4) at home.

Plymouth's week did start out on a happy note, though, as they came out on top of an extra inning ballgame against Trenton. That win was Plymouth's second victory over Trenton, both of which came by the nature of extra innings.

Trenton struck first in the second inning off Plymouth's Bill DenHouter.

Plymouth evened things up in the third inning as Plymouth's lead off hitter Mark Stephens was safe at second on an error. Don Bidwell promptly brought Stephens home with a double to left center.

The game then settled down into a pitchers' duel until the Plymouth half of the tenth inning.

With one gone, pitch hitter Doug Ward walked. He moved to second on an error and scored on Bidwell's RBI single.

Bidwell had three hits in the game to go along with both RBI's. Tom Davison also had three singles for the Rocks.

Both teams had numerous scoring chances as each club picked up nine hits; Plymouth played errorless ball.

DenHouter did a superb job on the mound for the Rocks as he went all the way in picking up his first win of the year. DenHouter scattered Trenton's nine hits while striking out eight and walking two.

A seven run fifth inning off reliever John Chiatialis broke things open in the Allen Park game as Plymouth lost 9-1.

A triple by hot-hitting Don Bidwell followed by a sacrifice fly off the bat of Jeff Waller accounted for Plymouth's only run.

Plymouth didn't get a man past second base in the Edsel Ford loss as Jim Hoehner of the T-Birds threw a three hitter for a 7-0 shutout win.

Plymouth's John Major got to second (after he walked) on Brian Wolcott's single.

Doug Tripp also reached second for the Rocks as he stole a base after being hit by a pitch. Tripp leads the team in stolen bases with seven.

Plymouth's ace Tom Willette suffered his fourth straight loss making his record 6-5 for the year.

# Girls Track

(continued from page 13)

put, and the 880 medley relay team finished first over Stevenson's team.

Plymouth-Canton's squad showed much improvement in their 51-40 loss to Northville.

There were four first place winners for Plymouth-Canton, headed by state candidate Sue

Myrtle who runs the mile.

Other winners included Debbie Wise in the 100 yard dash, Meagen Ford in the running long jump, and the 880 medley relay team. Plymouth-Salem is coached by Fred Thomann while Plymouth-Canton is led by Ann Buie.

## RESULTS

# Plymouth JV Rocks Win Again

by Dennis O'Connor

The Plymouth-Salem JV Rocks avenged their only loss of the year last Tuesday (May 21) as they swamped Allen Park 11-5.

The Rocks followed up this win with another victory over Edsel Ford 4-3 in eight innings.

Coach Brian Gilles' club is now 10-1 for the year and in first place in league play. Plymouth JV can wrap up the title this week with wins over Belleville (played yesterday) and Redford Union (to be played this Thursday).

After spotting Allen Park two runs in the first inning, Plymouth JV came roaring back with three runs in their half of the inning.

Plymouth JV's big inning was the third when they broke the game open with a six-run output.

Walks to freshman Tim Lilley and Howard Inch along with singles by Vern Nagel, John DenHouter and Brian Murphy

## Canton Out Of Districts

Plymouth Canton was defeated by Brighton, 7-5, Saturday at Brighton. The Chiefs won't see District play because of it.

"We made too many mistakes; we beat ourselves," said Coach Fred Crissey, who was tossed out of the game in the second inning over three controversial ball-calls.

Martucci opened for one and a third innings, suffering the loss. He allowed five hits with a total of four runs; two were earned runs. Chris pitched one strikeout.

Parson came in for the remaining four and a third innings. He gave up four hits, allowing three runs. Bill pitched five strikeouts and walked two.

(continued on page 16)

## Cycle Races to Be At Northville

Northville Downs plays host to over 130 AMA professional motorcycle "hot shoes" Saturday night June 1st. The half mile oval is one of the favorite stops for racers who make the Summer circuit.

Entries from fifteen states and Ontario are expected for the \$5,000 event which is highlighted by a \$2,000 Championship Match Race pitting the five fastest motorcycles in the nation against the five fastest from Michigan.

The two five man teams will go 110 mph, every lap, in an effort to get the winning team's share of the pot or \$350 per man. A heavy Harley-Davidson factory effort is planned for Northville as a \$15,000 National Championship takes place the following week at Louisville Downs . . . a carbon copy of Northville.

Dave Sehl from Waterdown, Ontario, the only man to win

twice at the Downs will be out to redeem his loss to Michigan's Corky Keener who broke Sehl's back-to-back winning streak last September.

Rex Beauchamp, Teddy Newton, Jay and Ken Springsteen are all Harley mounted and probe the odds makers with "odds-on" favorite status to be on Team Michigan.

Capacity crowds have witnessed former AMA Grand National Champions: Bart Markel, Gary Nixon and Dick Mann perform at Northville during the past two seasons and more excitement is in store for them in 1974 according to Staton Lorenz of Plymouth who is president of the sponsoring, Half-Mile Cycle Race Corporation.

He says, "We pioneered the "Team" and the Match Race

concepts last year in a sport that has been traditionally a - winner-take-all sport - now racers and fans alike have something really exciting to cheer about - Team Michigan."

Action begins at 4:00 p.m. when practice gets underway on June 1st. Time trials are at 5:30 and races at 7:00 sharp. Advance tickets are available at all local cycle shops and Hudson's. Children under 12 only \$2.50 - Adults \$4.50 in advance. It's a family sport and close to home - be there.

# YMCA Announces Summer Camp

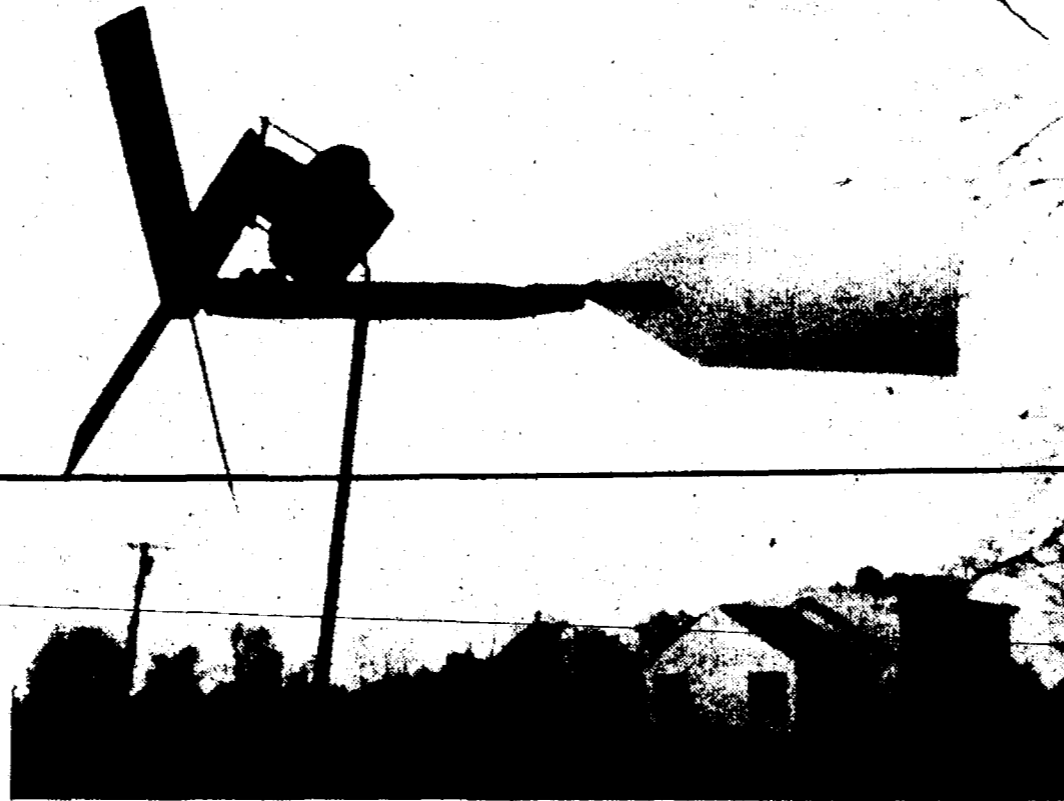

The Canton, Northville, Plymouth YMCA and the Canton Recreation Department will once again provide a day camp for 7-12 year old boys and girls in the Plymouth and Canton areas.

Day Camp Friendly will be held at Fiegel School, 39750 Joy Rd., and Gallimore School, 8375 Sheldon. The two different locations provide a choice of proximity for the day campers, although campers must choose one school or the other for a weekly session.

There will be 8 week sessions, starting June 24th and ending the week of August 12th. The cost is \$5.00 per session. The July 1-5 week will cost \$4.00 due to the July 4th holiday.

The program includes games, trips, crafts, sports, swimming at Central School pool, contests, hikes, etc. Transportation to and from day camp must be provided by parents and/or car pools.

Registration must be received by the YMCA office, 670 Church St., one week prior to the session(s) selected. For more information and registration forms, call the YMCA or the Canton Recreation Dept.

Emerson School for the academically talented in Plymouth has its answer to the energy crisis, a Rube Goldberg invention... a wind generated rock polisher. Persons interested in having instructions on how to build their own wind generated rock polisher may write to Emerson School, P.O. Box 391, Plymouth, Mi. 48170. Be sure to enclose a self addressed, stamped envelope. If you desire further information, please call 455-5850.

## Plymouth Students Become Rock Hounds

Students Steve Rea and John Birk of the Plymouth Centennial Educational Park found a new pastime recently; collecting fossils.

The boys' interest in these rocks motivated a geological expedition to Arkona near Port

Huron. The field trip produced not only fossils but coral and brachiopods as well.

The hobby, says the boys, is inexpensive and provides the opportunity for a learning relationship with one's environment.

## Canton Out

(continued from page 15)

"We were making mistakes we didn't make at the beginning of the season," remarked Crissey, referring to Canton's 4-0 start.

Brighton's Hutton sent nine Chiefs down swinging in his six and a third innings on the mound. Hutton gave up five earned runs on five hits. Mike Hitt pitched two-thirds of the seventh, adding another strike-out.

In the bottom of the sixth, Brighton added two runs to their seven total. A single to left, the next batter safe on a fielder's choice and another single up the middle put runners on first and second with two outs. A passed ball and a wild pitch brought in the first run. On an attempt to cut down a stolen base, the second crossed the late.

In the top of the seventh, Scott Dunagan fanned, Paul Major and Mike Verduce both singled to center. Tom Close hit the pitcher and the ball bounced to left field. Major scored and

Verduce went to third. Parson went down swinging. Dave Pink went to first on an error by the catcher. Ray Mandle grounded to short, Pink was forced at second to end the ball game.

Brighton was up four in the third inning. Canton came off the field, Paul Major popped out to third. Mike Verduce and Tom Close both walked. On two strikes, Bill Parson hit a home run over the right field wall, scoring three.

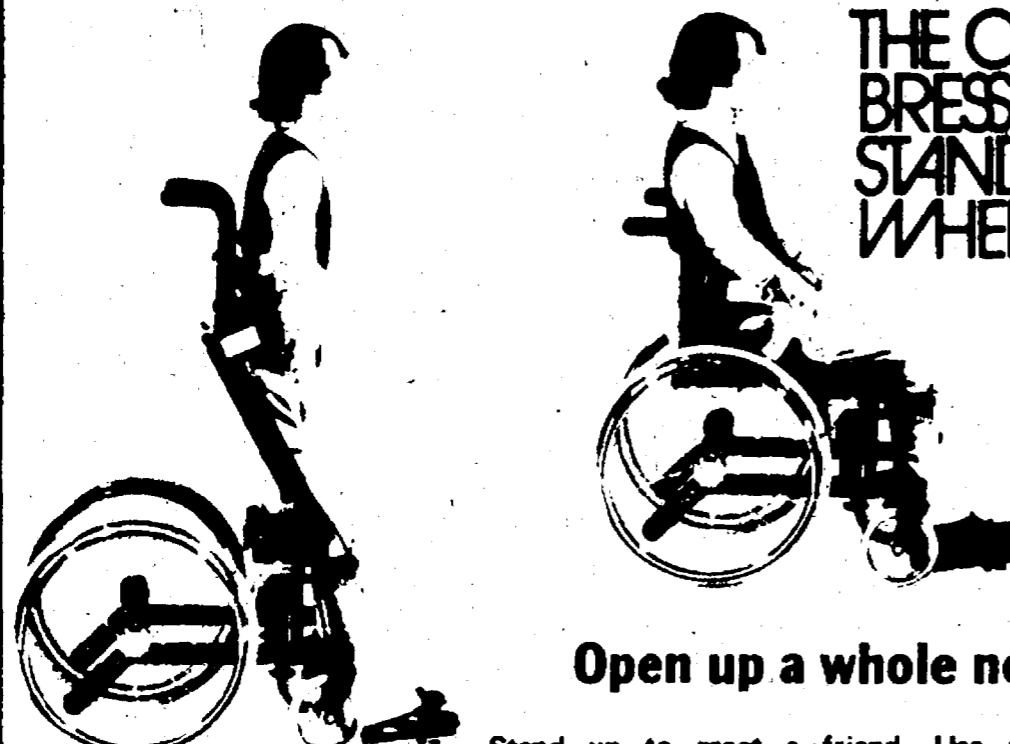

## Judo Classes

Schoolcraft College will offer a course designed to teach basic practical applications of Judo, Karate and Aikido.

It is open to anyone 15 years of age and older. Classes are scheduled on Saturday from 12:30 to 2:30 p.m. Registration will be on Saturday, June 8, and the class will run for 12 weeks. Information may be obtained by calling the Community Service Office, 591-6400, Ext. 264.

## Car Pool for Seniors

The First United Presbyterian Church is interested in starting a car pool service for senior citizens who don't have transportation. The service could be used by the senior citizens of the community who would like rides to and from shopping areas, to doctors, and other events where transportation would be limited. In order to help the church prepare a schedule, and actually find out the needs of the people, please fill in the blank below, and mail it to The First United Presbyterian Church, Church Street, Plymouth, and let them know what your needs are.

### Norman Dietrich Associate Chosen for Huron Planning

The city of Ann Arbor has selected Norman L. Dietrich Associates, P.C., a Plymouth based Planning, Landscape Architectural and Engineering firm, to begin design work for the Argo Pond Park along the Huron River in the City of Ann Arbor, with construction commencing this summer. Mr. Norman L. Dietrich, PE ASLA, President of the firm, said the Argo project will encompass approximately 1.6 miles of river frontage and involve highlighting the recreation potential of this

portion of the Huron River. Mr. Dietrich went on to say that the preliminary design phase will involve establishing walkways, sitting and fishing clusters, pedestrian bridges, lighting, access points for both pedestrians and automobiles and a waterfall feature to be located in the vicinity of the Broadway Street Bridge. The key to this project, Dietrich said, will be to incorporate the various elements while preserving the existing "natural" qualities of the Huron River frontage.

## New Camping Club

The formation of Michigan Active Campers, a new non-profit camping club, is announced by Ed Klim, assistant director in charge of recreation vehicles for the Michigan Mobile Home and Recreational Vehicle Institute which is sponsoring the club.

All those who camp in Michigan - back packers to owners of motor homes - are eligible to join.

A program of year-round activities and benefits has been arranged including a series of rallies with the first scheduled for June 22 and 23 at the Port Austin KOA.

Membership will include a quarterly newsletter, discount coupons for use at Michigan RV dealerships and campgrounds, free seminars on vehicle service and repair and on outdoor cooking, hiking and other activities.

Also included will be free accident insurance for members while camping, hunting and fishing.

A MAC membership decal and card will be provided.

Klim explains this is a fine opportunity to become

acquainted with people who also enjoy the outdoors, and to exchange ideas with concerned campers.

Charter members are now being accepted. The fee is \$10 per year. Additional information is available from Michigan Active Campers, MMH and RVI, 19045 Farmington Road, Livonia 48152. Telephone is (313) 477-3434.

This summer's visitor hours will be shortened somewhat at historic buildings under jurisdiction of the Mackinac Island State Park Commission. The cutback, planned in anticipation of possible lower visitation because of the energy crisis and a consequent revenue loss, was recently announced by the Department of Natural Resources' Mackinac Island State Park Division.

### New Law Firm In Plymouth

The Wayne law firm of Millar, Weinberg, Necker and Johnson has opened a new branch in Plymouth.

Heading the Plymouth branch is Jean F. Wagner, one of five partners in the seven attorney law firm.

The 22 year licensed attorney began her career as a clerk to the Michigan Supreme Court. She is a graduate of the University of Michigan Law School.

Mrs. Wagner, an active participant in civic affairs, is presently serving as Legislative Chairman for the Business and Professional Women's Club.

### Schoolcraft Director Accepts State Post

Schoolcraft's director of technology, Richard G. Holmes, has resigned from the College to accept a position with the Michigan Department of Education.

In his new post as a consultant for post-secondary education, Mr. Holmes will be responsible for technical program development, curriculum development and aspects of funding for Michigan's 29 public community colleges.

DON'T ATTEMPT TO LANDSCAPE UNTIL YOU'VE TALKED TO AN EXPERT  
**RESIDENTIAL • INDUSTRIAL • COMMERCIAL**

No landscaping job is too big or too small... we have landscaped palatial residences, modest homes, industrial sites, churches, schools and professional buildings. Homes always need individual consideration and planning. Our staff knows from training and experience, that the best jobs start with the consultants' plans. We grow most of our own stock on more than 80 acres in Wayne County. Stock is freshly dug and adapted to Michigan's climate and soil.
