

Parade Set for Tomorrow

by Dan Herriman

Plymouth's Fourth of July Parade begins at 12:15 p.m. tomorrow (Thursday). "Unity in the Community," is the theme for this year's parade, which will proceed from Kroger's on Main Street, down Main past the judge's stand in Kellogg Park to Hartsough, then left to Junior High East.

Floats, bands, and dignitaries will be featured as the parade moves along its route. As of Sunday, nine floats are scheduled to participate in the event. The organizations

entering the floats are: Plymouth Y Indian Guides, Plymouth Family Service, Business and Professional Women, Plymouth Grange 389, 4-H Club, Moore's A&W, Plymouth Theatre Guild, Civitan's Club, and Women's Club of Plymouth. Organizations (business, adult, and youth) may enter the parade through Wednesday evening by contacting John Stow, Parade Chairman, Plymouth Jaycees.

The bands marching in the parade include: Plymouth

Community Band, Chemical Valley Fife and Drum, Tri Club Youth Band from Windsor, Plymouth Fife and Drum, Milford High School Band, Amherstburg Community Band, and the Painesville Cavaliers.

Governor William Milliken, William Faust, Marvin Esch, Carl Pursell, Raymond Smith, Sheriff William Lucas, Dunbar Davis, Mayor McAninch, and British Council General James T. Hyslop and his daughter from England are among the honorable guests riding in the parade.

Registration for a Bike Decorating Contest will begin at 10:30 a.m. on Thursday in Kellogg Park. The contest is for youth through age 14. Three trophies will be awarded for first, second and third place winners.

The end of the Fourth of July festivities will be marked by a fireworks display at Junior High East. The display will begin at 10:00 p.m.

The Fourth of July Carnival opened Monday at Junior High East and will continue through Saturday.

News Briefs

Plymouth Police warn that they will begin to impound bikes left on sidewalks in the downtown sections unless they are placed in the bike racks the city has provided. "The bikes represent a hazard to pedestrians who could easily trip and fall over them," said one officer. The officer added that bikes which are not locked to a secure bike rack are an easy target for bike thieves.

Business and industrial people in the city of Plymouth will be receiving two personal property tax statements; one for inventory and one for non-inventory purposes. The statements may be paid up until August 10 without penalty or interest. They were mailed to city businesses on July 1.

Canton Trustees have approved an ordinance to prohibit hunting in certain areas of the township. Present law states that it is unlawful to hunt 150 yards from a building. But for months residents have complained of buckshot on roofs, porches, and windows. Township board members say the ordinance must first be approved by the state before it will be enforced in the township.

A decision to purchase 7.7 acres of land from the Detroit Edison Company was made by the Canton Board of Trustees at their June 25 meeting. The land, located at the southwest quarter of Section 23 and Palmer Road, was purchased at a cost of \$5,000. Suggested uses for the land include a park site or fire station.

Wakely-Kushner Associates have been chosen by the Plymouth Community School Board to draw up prints and approve specifications for a new bus garage. The garage will service a district fleet of about 40 buses. Board members have not yet approved a definite bus site location.

The Plymouth Canton Recreation Authority came before the Plymouth Township Board of Trustees meeting, June 25, to make recommendations for the Township Recreation site. They are; an underground sprinkler system for the baseball fields, sodding of the infields and seeding of the outfields, erection of a utility building, and a general clean-up. Trustees will make a decision on the recommendations at their next meeting.

Your Crier carrier is now collecting for July. For 50¢ the Plymouth Community Crier will be delivered to your door, plus you receive a 50¢ want ad discount. Remember the Crier is your hometown newspaper, and your Crier carrier is in business for himself.

Thank you

Proposals Solicited for Child Center

The Wayne County Board of Commissioners is soliciting proposals for other public uses of the multi-million dollar Child Development Center in Northville Township.

The property is being offered for other public needs through a special subcommittee that was established by the Board of Commissioners to make best use of the land and buildings.

The Center is due to be closed after all of its children, presently numbering about 85, have been

transferred to appropriate agencies elsewhere.

While no exact date has been set, it is expected to be vacant by the end of the year.

Located at the intersection of Five Mile and Sheldon roads, the Center consists of about 700 acres which include 45 one and two-story buildings.

Although the facility is tax exempt and has not been assessed, it is estimated that the buildings would cost nearly \$12 million to replace.

The land above is considered to be worth more than \$2.5 million.

Commissioner James DeSana, the chairman of the special sub-committee, called the phasing out of the Center "a unique and opportune situation for future tenants."

DeSana (D-Wyandotte) advertised the Center's availability in a letter to all other County departments and agencies, the community colleges and all 43 municipalities in the County. Proposals to buy or lease will be considered, he said.

In the letter DeSana invited the institutions and agencies to consider the Center property "for possible use in part or in whole for the expansion or relocation of your existing

functions or for the accommodation of new programs."

More information on the program is available by contacting the superintendent of the Center at 16000 Sheldon Road, or by calling 453-6500.

The special sub-committee will review and evaluate all proposals submitted by an August 16 deadline, said DeSana.

Other members of the sub-committee are Edgar L. Harris (D-Taylor) and John Lesinski (D-Deerborn). The sub-committee is part of the Commissioners Public Works Committee which also includes Michael E. Murray (D-Detroit), Paul Silver (D-Detroit) and Ervin A. Steiner, Jr., (R-Grosse Pointe).

Dr. James L. Leary Appointed Assistant Superintendent

The Plymouth Community School Board has appointed Dr. James L. Leary to the position of Assistant Superintendent of Instruction. Dr. Leary will begin his position as Assistant Superintendent in August.

Leary is presently serving as Assistant Superintendent in the Clarenceville School District. Since Leary began with the Clarenceville District in 1956, he has served as a math and coaching instructor, and as director of adult education and curriculum. From 1959 to 1963 Dr. Leary worked as a math and curriculum coordinator for the Department of Defense in Madrid, Spain.

His educational background includes an Educational Doctorate, Wayne State University, 1972; Administrative Masters, University of Michigan, 1958; and a Bachelor of Science, Wisconsin State - Eau Claire, 1956.

Dr. Leary presently resides in Farmington, a married and has

five children. He has several professional memberships including Michigan Association of School Administrators, Oakland County Curriculum Council, Association for Childhood Education, Michigan and National Association for Supervision and Curriculum Development, Oakland County Superintendent's Association, and the American Educational Research Association.

This year Dr. Leary was voted president-elect of the Michigan Association for Supervision and Curriculum Development. He will become president in mid-1976.

In recommending Dr. Leary to the Plymouth School Board, Superintendent Hoben stated, "Dr. Leary has been instrumental in developing innovative practices and I'm sure he will add a great deal of experience and dimension to our own program."

The Board appointed Dr. Leary at their June 25 meeting.

Plymouth Community Band Opens 16th Summer Concert Series

by J.F. Foley, III

The music of Cole Porter, and various selections from Sweet Charity, Man of La Mancha, and Mr. Lucky filled the air of downtown Plymouth Thursday evening as the Plymouth Community Band opened its 16th summer concert series in Kellogg Park. The band performed for over an hour to a capacity crowd of about 1,000 people, both young and old.

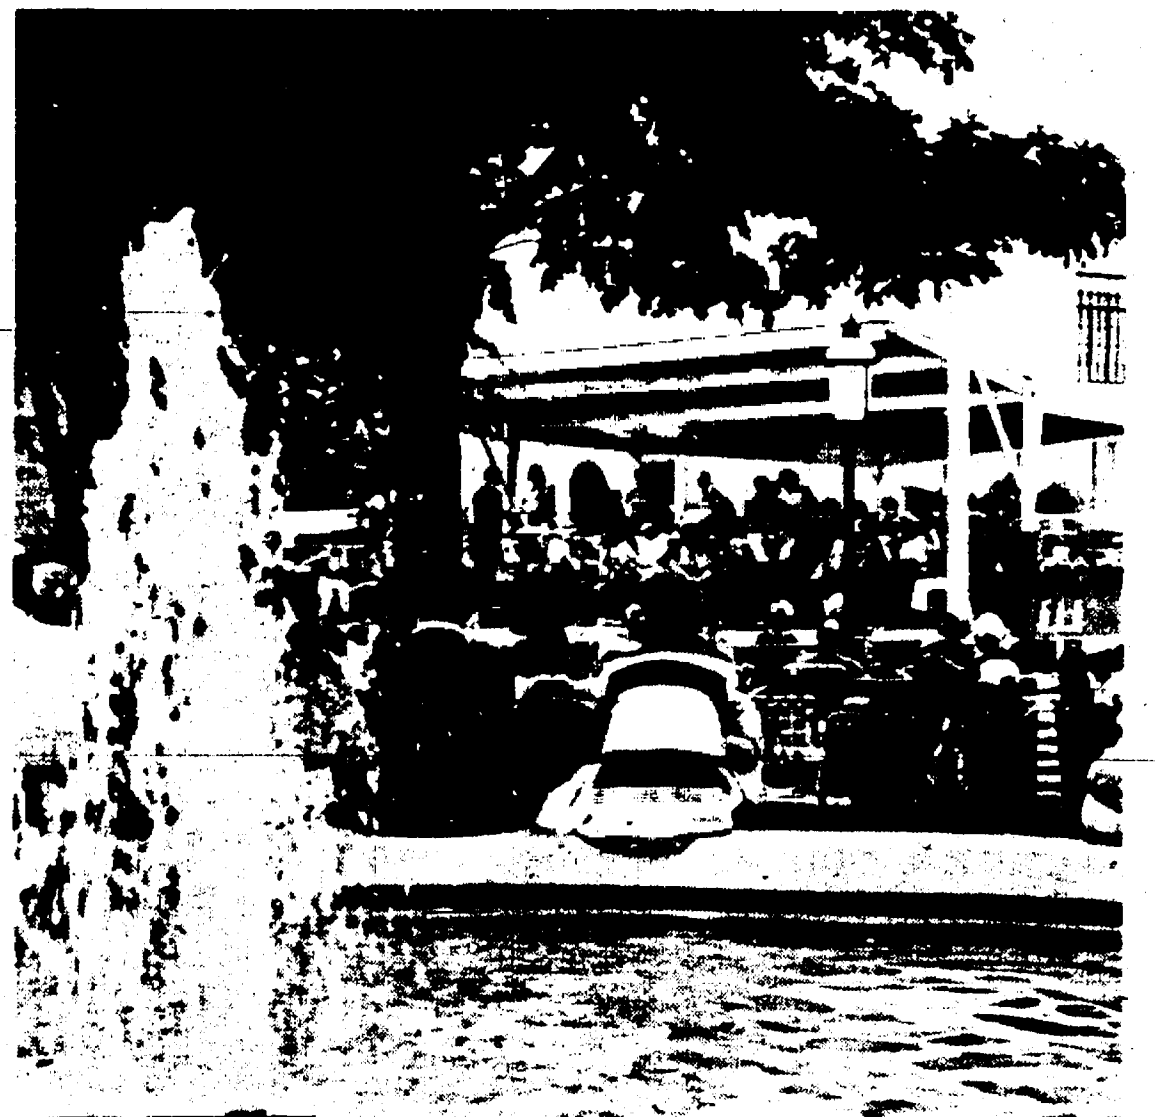

It was a welcome sight to see the town come alive after a long,

cold winter, and almost an uneventful spring. The crowds not only filled the park, but also walked along Main Street, Forest, Ann Arbor Trail and Penniman.

"The financial problems of the Plymouth Community Band have been solved for this year," stated James Griffith, conductor of the band. "We would really like to see a group such as the ladies' auxiliary or the professional women take the

bull by the horns and assist us in raising funds for next year," Griffith added.

The band will perform every Thursday throughout the summer months at 8 p.m. Next Thursday, besides marching in the Fourth of July parade, the band will perform in the park and feature guest piccolo soloist Sharon Foster. Ms. Foster is a music student at the University of Michigan, who played in the Community Band until 1971.

What's Happening

Special Events

Canton Recreation Department DAY CAMP SESSIONS are being held at a cost of \$5.00 per session dating July 1-5; July 8-12; July 15-19; July 22-26; July 29-Aug. 2; Aug. 5-9; and Aug. 12-16. The five-day sessions are being held at the Fiegel and Gallimore Schools. For further information contact the Canton Recreation Department.

SUMMER PROGRAM of LEISURE TIME ACTIVITIES at city playgrounds. Open from 9 a.m. to 4:30 p.m. Monday through Friday. The program is being held at the following locations: HAMILTON PARK (Harding and Joy); AUBURN PARK - (Auburn and Junction); ELM STREET PARK (Elm and Sheldon); SUTHERLAND PARK (Sutherland and Forest). The program, which includes crafts, sports, special events and activities too numerous to mention, is free to all city residents. For non-residents, there is a \$2.00 annual registration fee. Participants are to register at the playground and may join programs at any time of the session. Contact leaders at the playgrounds.

YOUTH INCORPORATED parents are holding a NEWSPAPER DRIVE on July 12, 13 and 14. Papers may be dropped off at a van parked in the Kroger's parking lot in downtown Plymouth between 8 a.m. and 6:00 p.m. Persons unable to deliver papers other days may call 453-4048 on weekdays between 8 a.m. and 5 p.m. On weekends and weekdays after 5, call 453-0209.

A BACKYARD POOL PROGRAM is being sponsored by the Livonia Family Y. Beginner and advanced lessons will run each Tuesday, Wednesday and Thursday for two weeks. Four sessions are planned dated July 8-July 19, July 22-Aug. 2, and Aug. 5-Aug. 16. Fee is \$10. The Y is looking for neighborhood pools. For registration and further information call the Y at 261-2161. Ask for Barb.

There will be a city-sponsored HARBOR SPRINGS TRIP on July 26, 27, 28 and 29. Accommodations are at the famous Harbor Inn, right on Little Traverse Bay. Side trips will be made to Macinkaw City and other points. Details are being worked out with a very nominal cost promised. For information call 455-6620.

The NORTHVILLE COMMUNITY CHAMBER OF COMMERCE invites members at any Chamber of Commerce in Southeast Michigan to attend HARNES RACING at Northville Downs on Thursday, July 11 - Chamber of Commerce Night. Local Chamber members should contact their president or secretary for free tickets. For further information call Mrs. Margaret Zayti, 349-7640.

The Plymouth High School CLASS OF '49 will be holding their 25th class reunion Saturday, September 7. Class members that have not been contacted can call 453-4988.

The Department of Parks and Recreation is sponsoring a PORT HURON and CANADIAN SCENIC TRIP on Thursday, July 18, for senior citizens. Cost is \$6.00 for transportation. Deadline by mail is July 8. For further information call 455-6620.

YOUTH INC. is holding their first \$500.00 RAFFLE. Tickets may be purchased at the Youth Center or from a member of the Parent's Caucus. Drawing to be held July 4. Contact Roger Centofanti, 455-4273 or Harold Kubeshesky, 455-2285 for details.

Schoolcraft Offers

GED Testing

Schoolcraft College is administering the General Educational Development Test (GED) twice monthly at its Instructional Center in Garden City.

The GED test is for persons who have not completed high school and wish to obtain the equivalency diploma. They must be 18 years old and their high school class must have graduated.

The test consists of five separate exams. Individuals work at their own speed, usually completing three parts the first day and the last two parts the second day.

Ten test dates have been scheduled at the Center during the rest of the summer: June 18 and 19, July 9 and 10, July 23 and 24, August 6 and 7 and August 19 and 20. There is a \$5 charge for the test. Applicants may register in person by completing a registration form and paying their fee. The Center is located at 29205 Florence Street in Garden City.

Current plans are to offer GED preparation classes two nights per week at the Center in the fall. The classes assist persons in passing the GED test. The tests may be taken until they are passed, but waiting periods between exams may be shortened by taking the preparation class.

Once an examinee successfully passes the GED test, the State Department of Education issues a high school equivalency certificate. This certificate is recognized by industry, corporations, and institutions of higher education.

During the 1973 calendar year, 10 percent of all high school diplomas awarded nationally were through GED testing.

Further details on GED testing at the Schoolcraft Center are available by calling 425-3380.

PAINT FOR FUN, an informal approach to oil painting, is held 9:30 a.m. - 12 noon, every Friday at the Plymouth Cultural Center.

Our House Sponsors Medical Clinic

A free medical clinic will soon be a new service at our House Crisis Center. The focus of the clinic will be on the diagnosis and treatment of venereal disease. The clinic will also be offering pregnancy tests, birth control alternatives and general medical assistance.

In addition, there will be counseling services for problem

pregnancies and human sexuality.

To date, the center has all the necessary equipment but still lacks an adequate medical staff. For a shared work load, three to four doctors and three to four nurses are required.

Anyone willing to donate time or suggestions should contact Denise Chandler or Mark Tobin at 455-4090.

Schoolcraft College has planned its second community information night to be held July 16.

Designed to acquaint all interested persons with services and courses the College has to offer, the Information Night will be without obligation and free of charge. It will be held from 7:30 to 10 p.m. in the upper level of the Waterman Campus Center.

Featuring a slide presentation, the evening will begin with a general introduction to the College. Individuals will then divide into small groups to meet with representatives from

German American Club

A slide presentation featuring the castles of Bavaria was viewed by members of the German American Club at their last monthly meeting.

While club members gave historical commentary on the slides, viewers munched on homemade blueberry kuchen and other refreshments.

Club members announced several of the upcoming events to be sponsored by area German American Clubs. On Saturday, June 29, the Ann Arbor Club will celebrate the picnic season at the Grove in Pontiac Trail north of Ann Arbor. Prior to leaving the Grove, Plymouth people will gather at the Odd Fellows Hall on Ann Arbor Trail between 4:00 and 4:30 p.m. Since the picnic is always well attended, latecomers may find the food gone. Interested persons are urged to come early.

The German American Cultural Center of Detroit will sponsor "Deutscher" on August 11 at Ryan and 20 Mile Roads. This is the largest gathering of German American Clubs in the area attended by many thousands.

The local Plymouth German American Club is looking forward to their wine and cheese tasting party to be held in the Oddfellows Hall at 8:00 p.m. on July 18. Each member will bring their favorite wine, while cheeses are to be furnished by the club. All interested persons are invited.

admissions, counseling, instruction, community services, and veterans affairs who will disseminate information and answer questions.

Schoolcraft is dedicated, by philosophy, to the people of the College district and their needs. The evening's theme "Schoolcraft College can open doors for you," is planned to demonstrate to area residents how the College serves them.

Students from 18 to 80 can take advantage of classes and services for enjoyment or for academic or vocational programs according to Edward V. McNally, vice president for student affairs. "We would like to show people that coming back to school is relatively easy to do," Mr. McNally added.

Both returning students and new students will want to take advantage of the many programs the College has added in response to community needs. These include the child care center for children of students taking classes, the women's continuum program, the senior adult affairs program, the Sunday health club, the office of veterans affairs, and the

instructional center at Garden City.

Information will also be available about many other Schoolcraft programs which have developed as a result of the College's community philosophy.

Persons wishing further details about Information Night may telephone Mr. McNally's office at 591-6400, extension 222. The College is located at 18600 Haggerty Road between Six and Seven Mile in Livonia.

Letters to the Editor

Community Concern

Dear Editor,

We are living in a time when government officials and politicians are often viewed with skepticism and suspicion, to the extent that some people are choosing not to participate in the electoral process because of the stigma of a few dishonest individuals. I would encourage the people of Plymouth Township not to abandon their concern for their community.

Two years ago, the two-party system was revived in the Township, to the benefit of all its residents. This year, three contests will be decided in the general election, and still others in the primary. It will take the interest and participation of all township residents to keep (and further promote) responsiveness and accountability on the part of the local government: it will take a large voter turnout at the polls.

To be able to vote, however, one must be registered. Although current conditions perhaps make registration less than convenient, it is worth the effort. Residents may register at the Township Hall during normal working hours, and (as required by Michigan Election Law) Saturday, July 6, 1974 from 8 a.m. to 5 p.m. and Monday, July 8, 1974 from 8 a.m. to 8 p.m. (This is the last day to register for the August Primary.)

I would urge all residents to register, vote, and become involved in our community.

Sincerely,
Thomas Sullivan

Teachers Viewpoint

Any time teachers take a stand, be it in July, September, October, whenever, "bad timing" is bound to be the charge. Teachers accept negative public opinion as a way of life and have been fitted with the black hat time and time again and will continue to be the victims of public outcries so long as public education is funded as it is.

Teachers, as any other labor group, are entitled to a fair contract settlement. That is all Plymouth teachers are seeking and have been seeking since April 1, 1974 when formal negotiations began. Teachers in Plymouth were eager for an equitable early settlement with language protection as evidenced by their pledge to arrive at a tentative agreement by June 10th after a marathon bargaining session lasting until 2:30 a.m. on June 6th. Those attempts failed, but we are still hopeful that the

issues can be resolved at the table where they should be.

The PEA has been charged with "untimeliness" as to its pressure on the Board of Education for a Master Agreement prior to the opening of the 45-15 program at Miller Elementary. The PEA would also, no doubt, be charged with "untimeliness" in September or October with a strike threat in order to arrive at a fair contract settlement. Whether thirty, seven, or 537 teachers begin to work in a new school year they have as much right as anyone to a contract that guarantees working conditions and sets a wage that they know will be their salary for meeting their contractual obligations.

The Extended School Year program is supported and endorsed by the PEA, but it is also apparent to teachers that this is a coming thing to Plymouth that will involve more students and teachers each year. The PEA is trying to avert the situation in which Northville finds itself with the Northville Board of Education refusing to negotiate anything more than pilot language affecting 45-15 while each year the number of students and teachers involved grows. A teacher, as any employee, needs to know what specialized duties are required of them in the performance of their jobs. Pilot or experimental language simply states that when a program is fully adopted then formal contract language will be ironed out. Northville is expanding their program and still not considering it to be anything more than experimental. If the 45-15 program is a priority of the Plymouth Board of Education, the Board should now realize that its main obligation as any employer is to meet its contractual obligation with its employees in order for any program to be implemented.

Negotiations is a two-way street. Let it be known that if the 45-15 program is aborted by the School Board the decision is theirs solely and taxpayers and parents can rest blame equally on both sides for not being able to reconcile their differences. By no means can a month before the July 22nd deadline be construed as last minute negotiations when both parties have been at the table since April 1, 1974.

The PEA has forced the Board into making a decision - that being, to abort the 45-15 program or to make a fair settlement indicating not only the 45-15 to be a program of priority, but the entire Plymouth school program

beginning on time or progressing without interruption as being of equal importance. One only has to view the settlements of the three districts contiguous to Plymouth (Northville, Livonia, Van Buren) to see what is in the realm of a fair settlement.

Finally, the PEA must take issue with the attempt by some to intimidate only elected public officials to "see how they vote after being endorsed by PEA." Any elected public officials will make decisions on issues to the best of their ability reflecting their convictions and beliefs. The new Plymouth Board members should feel personal resentment toward any allegation against their credibility before even taking office. Sure their objectivity is now prejudiced for fear of being labeled as "patsies" of the PEA.

Dolly Carter,
Acting-President,
Plymouth Education
Association

Editors Note:
The Plymouth Education Association is the Plymouth teachers union.

Marks of Respect

The National Flag should be flown daily from sunrise to sunset in good weather from public buildings, schools, permanent staffs in the open and near polling places on election days. The flag may be flown at night on special patriotic occasions.

The flag should always be flown on national and state holidays and on those occasions proclaimed by the President. On Memorial Day, the Ensign should be half staffed until noon.

The flag should never be allowed to touch anything beneath it, nor should it ever be carried flat or horizontally - always aloft and free. It should never be used as drapery or decoration, for carrying or holding anything, or stored in such a manner that it will be damaged or soiled.

The flag should never be used for advertising purposes in any manner whatsoever, nor should any picture, drawing, insignia or other decoration be placed upon or attached to the flag, its staff or halyard. The flag should not be embroidered on personal items nor printed on anything designed for temporary use and then discarded.

Based on Public Law 829-77th Congress.

CRIER'S LITE Hats Off to the Jaycees

Tomorrow, (Thursday) this town will come alive in a fashion that is almost obsolete in communities across the country. The Plymouth Jaycees are sponsoring a true Fourth of July parade. At 12:15 p.m., the marching bands, clowns, floats, and majorettes will leave the Kroger parking lot on Main street. The parade will continue past the lined sidewalks toward Kellogg Park. It will end at Junior High West.

The Jaycees sponsor the parade each year, and each year the parade is a greater success. It takes total involvement by the Jaycees, to make the parade the success that it is each year. The organization begins planning the parade in September, and work is constantly being done to

promote, and finance the festivities.

If you're a newcomer to the area, don't miss the parade. If you have lived in the community, nobody has to tell you what a fine job the Jaycees do, or what a fine job the bands and the float participants do.

It's festivities such as the Fourth of July parade, that make the people of the community proud to live here. But it's clubs and organizations such as the Jaycees that make the Plymouth community what it is. With organizations pulling together, planning and promoting projects such as the parade, the theme, "Unity in the Community," can be nothing but successful. Our hats are off to the Plymouth Jaycees.

Delegates Attend Kiwanis Convention in Denver

Robert C. Hayman of 9478 Ivanhoe, and William A. Leonard of 334 Arthur, of the Plymouth Kiwanis Club, attended the 59th annual convention of Kiwanis International, in Denver, Colorado, June 23-26.

As delegates to the convention, they participated in the election of Kiwanis International officers and trustees. They also passed resolutions upon which the organization's 1974-75 community service programs will be built and amended the Kiwanis International Constitution. They represented some 276,000 Kiwanians in 6,315 Kiwanis clubs in 45 countries.

Some 20,000 people attended

the convention. Convention activities included an address by Archbishop Fulton J. Sheen, Kiwanis International President William M. Eagles, M.D., and American humorist Sam Levenson. Personalities such as Miss America 1974, Rebecca Ann King, former Miss America Marilyn Van Derbur, and comedian George Kirby also attended. Other convention activities included various award luncheons and banquets, workshops and clinics, youth tours and dances, special ladies programs, and six forums on contemporary issue forums, a series of intriguing conferences on today's most vital human concerns headed by experts in various socio-economic fields.

Valle Graduates

Joseph A. Valle Jr. graduated with a Doctor of Medicine degree from the University of Michigan, Ann Arbor. He is the son of Mr. and Mrs. J.A. Valle of Plymouth.

He graduated number one in a class of 400 from Jackson High School in 1966. Valle did his pre-medical work at Michigan State University graduating Magna Cum Laude in 1970. He will begin a three-year residency in family practice at Oakwood Hospital in Dearborn, Michigan. He is married to, the former Mary E. Cox of East Lansing, Michigan.

Canton Jaycees Present Awards

Canton Township Jaycees presented their year end awards for outstanding Jaycees a their annual inauguration ceremony, June 3. The ceremonies also featured dinner for all members and their wives and the installation of newly elected officers.

Awards presented by outgoing President John Gregory were: Key Man, Phil Meloche; Jaycee of the Year, Frank H. Lavin; Presidential Award of Honor, Dan Golec, Dave Denhard, Dale Haughton, Drew Rentz, and Phil Meloche.

Merit Award for Publicity, Frank H. Lavin; Merit Award for District Chairmanship of Carnival for Plymouth State Home, Mike Weal.

Fife and Drum Corp Begins Third Session

The Plymouth Fife and Drum Corps is already in the midst of a third busy summer season with presentations in recent weeks at the Jackson Rose Parade, Jackson, Michigan and at the Tippecanoe Rally, Lafayette, Indiana. On July 30 the corp will participate in the Honor America Parade of Rosedale Park, Detroit, Michigan.

After completing their participation in the Northville and Plymouth Parades, the group will begin a four-day tour which will include presentations at

If you like to sing and have time for a hobby, the We-Way-Go Chapter of Sweet Adelines, Inc. is inviting all interested persons to join in the singing of their four part harmony.

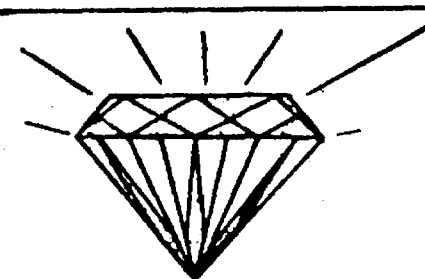

The Club meets Wednesday evenings at 8:00 p.m. in the K. of C. Hall, 150 Fair, in Plymouth, near Ann Arbor Trail and Lilley Roads. For further information call 425-3317 or 363-5682.

"Plymouth High School Class of 1949 will hold a dinner-dance at the Mayflower Meeting House on September 7, 1974. Please call 453-4988 for information."

Midland, Michigan July 5, Vassar, Michigan on July 6, and the Alexander Graham Bell Centennial at Branford, Ontario on Sunday, July 7.

Later summer events include a state meet in Connecticut and the Greenfield Village Muster in August.

The Corps this year has grown to 37 members plus an additional Drum Band of 17 members. The group is attired in uniforms modeled after 1812 sailors suits and features sea songs in addition to the usual 18th Century Martial Music. The Corps rehearses on Monday evenings at 7:00 p.m. at Plymouth Salem High School and is open to persons of all ages from the entire community. The Corps is directed by Mark and Carol Petty of Troy, Michigan. Interested persons may call Mr. Donald Messacar, 453-0769.

Canton Residents Return to Trustees

by Bruce Phillips

Concerned homeowners from Holiday Park Subdivision returned to the Canton Board of Trustees to find out what answers they have to their problems concerning the I-275 overpass and Deer Creek Apartments. John Flodin, Township Clerk, informed the residents that the Township Attorney sent a letter to the judge informing him of the overpass problems. Since that time he has met with overpass and Deer Creek officials and was told that Deer Creek Drive will be opened and the Holly Drive entrance, closed. The passing lane on I-275 overpass will be completed in a few weeks now that the overpass is open and work can begin. The speed survey is being conducted at this time and will be done again when the project is completed.

Residents voiced their opinion that the stop light at the entrance of Holiday Subdivision and Deer Creek Apartments will not be effective in controlling traffic in the area. Residents also expressed concern, stating that no signs have been posted warning of a school in the vicinity of the overpass. The Board and residents discussed the different opinions on a second entrance into Holiday Subdivision. Residents agreed with Township Trustee James Poole that the cost of the road is high but residents said they were promised a road seven years ago.

One resident suggested putting in a temporary gravel road all the way through the subdivision.

The final concern voiced by residents was the lack of a buffer zone between the Holiday Subdivision and Deer Creek Apartments. Presently there is a four-foot cyclone fence with some scattered areas with metal slats. The Holiday Park residents said that some foliage was promised with an opaque fence when the apartment complex was started. At that time there was

no effective ordinance concerning buffer zones, only the word of the builder. Brian Schwal and James Poole said that in order to improve the fence, a legal document must be found to prove that a different fence was promised. The Board has been looking in their file trying to find some record concerning the fence without success. Board members say they will continue to look and will place the matter on the next agenda.

Twp. Park Plagued with Vandalism

By Dan Herriman

One without problems is one unknown and the Plymouth Township recreational park is definitely not an unknown. Besides not being ready to put the little league baseball diamonds to use this season as planned, the Township Park has other problems.

The 60 acre park, located on Ann Arbor Trail at McClumpha Road has been vandalized, damaged, and most recently the baseball diamonds have been torn up by motorcycles and dune buggies. The cost of leveling the diamonds alone amounted to \$20,000, and Township Trustee Gerald Burke was afraid to estimate the number of dollars that have been spent for repair for fear of shocking himself.

Burke's withdrawal from that question came after the Plymouth Township meeting, June 25, where township resident Louis Norman requested that the remainder of the park be fenced in; 3,000 feet of fencing would be needed to insure that recreational vehicles would not enter and disturb the grounds anymore. Ruts are created by the R.V.'s, allowing water to follow, resulting in erosion.

The Board of Trustees felt that since no trespassing signs were on order and are expected soon, fencing should not be installed immediately, if at all. It was the reaction of some people in the audience that the signs would not stay up through the day they were placed in the park.

The recreational park was not built for recreational vehicles and the Township is asking R.V. owners in the area to realize this and abide by this guideline. If motorcycles, dune buggies, and whatever else has been tearing up the grading doesn't stop, strict law enforcement will be the next step.

Board Approves New Administrative Salaries

Acting on administrative recommendations the Board of Education last week approved a new administrative salary package for central administration and the hiring of a new Assistant Superintendent for Instruction.

The adjusted salaries for the Central Cabinet administrators represent a 5.8 percent increase for Mr. John Hoben, School Superintendent; 7.1 percent, Dr. Earl Hogan, Deputy Superintendent; 8.5 percent, Mr. Raymond Hoedel, Assistant Superintendent for Business; 15.6 percent, Mr. Norman J. Kee, Administrative Assistant for Personnel.

Board members also gave approval to the new Assistant Superintendent for Instruction, Dr. James Leary. Prior to his appointment in the Plymouth district Leary had served as Assistant Superintendent for the Clarenceville Schools since 1966. He began his career with the Clarenceville district in 1956 as a math and coaching instructor. He presently resides in Farmington, is married, and has five children.

Other business at the meeting

included a proposed resolution to raise the price of elementary and middle school lunches and the tabling of discussion on a revised high school attendance policy to a July 15 workshop session.

Citing skyrocketing prices, higher wages for workers, and the needed replacement of old equipment, Assistant Superintendent Raymond Hodel said the increase was required, "to maintain the lunch program on a self-supporting basis."

Board members, however, refused to grant the proposed five cent hike for elementary, middle school, and adult lunch programs until the administration could give further information showing that the increase was needed.

"I really don't want to raise the price of lunches unless we can determine that it is absolutely necessary," stated Board member

A Whole new world of hair coloring

REDKEN/LAPINAL® takes you there

Step flamboyantly into the breathtaking land of All Blondes. Fly toward the heated vibrance of Natural-Reds. Sail to cozy, warm shades of Believable Browns. Be still, subtile with Precious Pastels.

Redken/Lapinal Custom Creme Colour is your ticket to 43 lands of living color.

It's no wonder that for years Redken/Lapinal hair color formulas have been the choice of many of Hollywood's most famous stars and motion picture stylists.

The exclusive Redken/Lapinal formulas have withstood the most treacherous of hair color tests - the critical lighting and de-

manding perfection of technicolor cinema.

Redken/Lapinal has special hydrolyzed base oils. This means the dye molecules are able to travel deep into the hair shaft. This deep penetration action results in longer lasting, more luscious hair color.

Redken/Lapinal formulas are individually pH controlled for the health and condition of your hair.

Now is your chance to journey to a new, exciting shade of hair color. Let us take you there with Redken/Lapinal Custom Creme Colour.

Mr. and Mrs. Craig Williams

Sara Jane Hone Marries

The Cedar Heights Presbyterian Church of Cedar Falls, Iowa, was chosen by Sara Jane Hone and her bridegroom, Craig Owen Williams, as the setting for their wedding at 2 p.m. June 8.

The new Mrs. Williams is the daughter of Mr. and Mrs. Stanley Hone of 10527 Brookwood, Plymouth. Her husband is the son of Mr. and Mrs. Graff Williams of Cedar Falls, Iowa.

The couple exchanged their own vows in the afternoon ceremony with the Reverend Robert Roof officiating.

The bride wore a long white gown that fell in soft folds to accentuate her long white train. Her fingertip veil fell from a beautifully banded headpiece. She carried her great-grandmother's prayer book which was also carried by her grandmother and mother at their weddings.

Julie Hone, sister of the bride, was maid of honor in a mint green daisy-flocked dress with a white hat. She wore a gold necklace, a gift from the bride, and carried yellow and white daisies.

The bride's roommates, Stephanie Pexa of Cedar Falls, Iowa and Linda Mines of West Des Moines, Iowa, were bridesmaids wearing gowns matching those of the maid of honor.

Greg Cole of Marion, Iowa; Dennis Weathers of Cedar Falls, Iowa and Kirk Irwin and Jeff Bowker of Cedar Falls were ushers. The bride's four-year-old brother was ring bearer.

A reception followed at the Holiday Inn in Cedar Falls.

This fall the couple will take an extended trip through Europe.

Potpuri

By Ginger

The anticipation of the opening of our own community Historical Museum is beyond compare, for we realize the dedication to the minutest details by those of these tireless individuals, who are giving and have been giving of infinite time.

Perhaps now is the time we should all pause for a moment and realize just what this marvelous building will mean to all.

The building itself is unique, for having been built for the purpose of housing these treasures it has added to the beauty of our community design and location. Inside, the treasures of the past can be preserved for many generations to come. We all look to the future when we, our children, and our children's children can observe the past to help us realize that our forefathers faced problems with determination and brought them to the rightful conclusion. It will be a shining reminder that as we go forward, we have our past to build on, and that our faith in our country, our community and ourselves was built on a sturdy foundation. We may be a new nation, but we are a determined one, and we can only be grateful for our future in our community and its relationship to all other communities.

As the days go by each of us will find that our past is helping in our daily lives for as it was several weeks ago when we enjoyed the home arts of the pioneer days at Forest Mall, and now we look forward to the Deerie Days of Old Village. The plans are extensive and we will keep you well aware of all that will be offered to everyone on July 20th.

I took my own make-believe expedition into the past recently by visting the private railroad car of Mr. and Mrs. Boles. This railroad car was built for the President of the Santa Fe Railroad in 1923. It is now one of the 22 small, privately-owned cars, and has traveled many miles in private use.

On entering the railroad car, the lounge, with its extensive windows, provokes fantasies of viewing our nation in another era. The comfort of the seats and the beauty of the oak walls and tables reflects a time past when the craftsmanship of individuals was of personal concern. The light shed from view with brass medallions along the wall, only serves to remind us of the progress of building.

The car is 80 feet long and ten feet wide, and as you leave the lounge area to go to the formal dining room, you pass by two completely furnished bedrooms, and a master bedroom all with the brass grillwork that makes for decoration and yet provides great use in overhead racks for storage, and medicine cabinets, and holders.

Plymouth Merchants Split Doubleheader

by Dennis O'Connor

"We had to have the second game and the kids came through," commented coach Fred Crissey after the Plymouth Merchants came up with their fifth victory of the year - averaging their only loss of the season in the first game of a doubleheader.

"In that first game we just gave it away with our five errors. The kids played their worst game of the year."

"But we had the turnabout we needed in that second one. Everyone was enthusiastic and hustling. We played the 'heads up' ball we're capable of," continued Crissey.

In that second game, the Chiefs won 9-5 over D.M.I.C. (Bentley), played Saturday afternoon (June 29).

Seven runs in the first five innings won this one for the Chiefs as they put together a ten hit attack. The Chiefs scored their final two runs in the seventh.

Keith Randazoo, Chris Martucci, and Mike Verduce paced the hitting attack with two hits apiece.

Randazoo had four RBIs while Martucci scored three runs.

Ron Lack did an excellent job on the mound for the Chiefs by going the first 5-2/3 innings before giving away to Bill Parson.

Lack, who hasn't played school ball in the past two years, picked up the win in his first outing of the year. He gave up seven hits, struck out four, and walked one.

The Chiefs committed only one error in this game. Tom Close was the defensive star as he played his best all around game behind the plate.

Things weren't so bright in the first game though, as the Chiefs' defensive play left something to be desired.

National Pride (Churchill) beat our Chiefs 7-6 in a hitting spree that included 18 safeties for both sides combined.

Mike Verduce was the only Chief player with two hits.

After Churchill struck for three runs in the second inning, the Chiefs came back with three of their own in their half of the inning.

Dave Pink walked, went to second on Keith Randazoo's single, and scored on Mike Howell's double that hit the centerfield fence on one bounce, 340 feet away.

Bob Ayotte singled Randazoo home and Howell scored on an error.

Things seesawed back and forth the rest of the game with Churchill scoring the winning two runs in the top half of the seventh.

The Chiefs' 5-1 overall record is largely due to the fact that they are batting at a fantastic .350 clip. The record is good enough for a first place finish after the first round of Connie Mack National League play.

Plymouth Merchants' next game is this Saturday night (July 6) at Henry Ford Field. Game time is 8:30 p.m.

Plymouth Bidwell Wins In Extra Innings

A five run eleventh inning rally broke a 2-2 tie with Southfield and gave Plymouth Bidwell their sixth victory of the Adray season last Wednesday (June 26).

Plymouth-Canton's Chris Martucci scored Bidwell's first two runs. Martucci scored in the first on a bases loaded walk to Ken McLean, and again in the second on Kurt Yockey's RBI double.

The second inning run for Bidwell knotted things up at 2-2 as Southfield tallied two opening inning runs.

The game then turned into a pitchers duel between Bidwell's Steve Huss and Southfield's Ron Silberson.

Both pitchers went the first nine innings, hurling excellent ball. Huss struck out ten and walked three.

But the change in pitchers prove more rewarding to Bidwell, as Rick Bylin went the final two innings for the win. Southfield's Ron Dunkel suffered the loss.

Ten men went to the plate in Bidwell's five run game winning inning. Four walks and five hits with a wild pitch thrown in accounted for the runs.

Bidwell couldn't do anything right last Friday (June 28) as they lost to North Farmington 7-1, in a game they just as soon forget.

That loss brought coaches Rod Ferguson's and George Little's squad down to a 6-3-1 mark for the year.

DiPonio Slams Chambertin

DiPonio (Plymouth - Salem) continued to put together great pitching and superb hitting last Friday (June 28) as they hammered Chambertin (Dearborn Fordson) 10-1 in a Mickey Mantle League contest.

Coach Art Gerish's squad now has won four games in a row

after a slow start and stand at a 4-6 record.

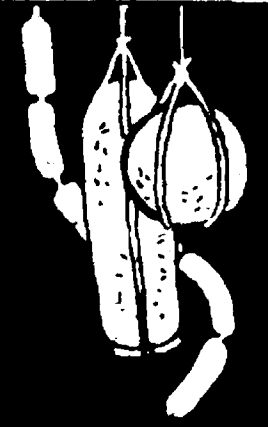

John DenHouter came through with the great performance on the mound as he went the distance and threw a three-hitter. He struck out nine

Plymouth Elks Win Two Games

by Dennis O'Connor

The Plymouth Elks evened their Connie Mack record to 3-3 last Saturday (June 29) with a convincing 8-2 victory over Fancher's Janitor Supplies (Stevenson).

It was Tom Willette who went all the way and picked up the victory, his third against one loss. Willette struck out eight and walked two, giving up seven hits.

After each team scored one run in the first (Plymouth's on an RBI double by third base man Jeff Waller), Plymouth broke loose with six runs in the third to ice the game away.

Brian Wolcott started things by singling. Tom Willette followed with another single moving Wolcott to third. Waller walked to load the bases, and Doug Tripp singled to knock in Wolcott.

Although the bases remained loaded after Tripp's RBI hit, they didn't stay that way very long as Howard Inch cleared the bases with a three-run triple.

But the hitting barrage didn't stop after that as Vern Nagel followed by hitting a two run homer over the centerfield fence. The 350 foot shot was a fly ball that just kept carrying until it cleared the fence.

Plymouth scored its last run on an RBI double off the bat of Brian Wolcott. Plymouth had ten hits in the game.

Tom Willette won his second game of the year last Tuesday (June 25) as coach Wayne Sparkman's squad beat Bentley Crowe 4-2 in an eight inning affair.

The Plymouth ace went the first seven innings with Chuck Thomas finishing up.

The deciding eighth inning runs for Plymouth came when Tim Dillon hit a one out triple to center, Mark Stephens walked and Dave Pierce knocked Dillon home when he sent a line drive single over the second baseman's head and into rightfield.

Stephens went to third on the single and came home on a wild pitch.

Chuck Thomas sent Bentley down one, two, three in their half of the eighth to secure the win.

Jeff Waller was the hitting hero for Plymouth as he picked up four hits.

The only loss of the week for the Rocks came Thursday (June 27) as they suffered a 7-0 beating at the hands of the Thurston Eagles.

Six runs on one hit, plus three walks and two errors blew Plymouth out of this one as Bill DenHouter suffered his second loss of the year.

Bob Bessonson went the distance for Thurston and scattered three singles.

Photo by Bruce Phillips
Gary Nustad practicing for undefeated Westside.

Merchants Win

The Plymouth Merchants (Plymouth Canton) gained their third victory against no defeats last Tuesday (June 25) with a solid 5-1 whipping over Franklin (Birmingham Groves and Brother Rice).

Chris Martucci, who had not pitched in three weeks prior to Tuesday's game, did an excellent job on the mound. Martucci struck out ten and walked five while giving up only two hits. The lone run for Franklin came in the seventh.

The Chiefs did all their scoring in the middle innings as they featured an eight-hit attack.

One Chief run was scored in the third when Scott Dunagan started things off with a single. He was sacrificed to second by Mike Howell and scored on Bob Ayotte's RBI single.

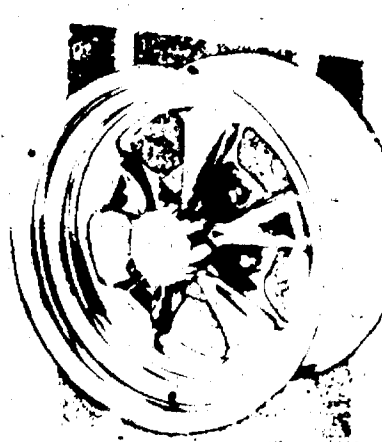

A fourth inning run was knocked in by Dunagan's sacrifice hit with the bases loaded.

Two more runs were tallied in the fifth. Bob Ayotte singled, stole second, and scored on an RBI single, by Tom Close. Close scored on a fielding error later that inning.

The final Chief run was scored by Brian Stemberger who led off with a single. After two were out, Bob Ayotte lined a triple to left center to score the run. It was Ayotte's third hit and second RBI of the game.

The Chiefs were once again superb on the basepaths as they stole four bases in as many tries.

Trading Post Comes Back

The Trading Post Braves (Plymouth - Canton) won in dramatic fashion as they came up with a six run sixth inning to overcome a Catholic Central 2-0 lead and win 6-2.

The big blows of that Tuesday night (June 25) Mickey Mantle victory were Kevin Randazoo's two run double and John O'Connell's two run single.

The Braves sent eleven men to the plate in that inning as they collected six hits.

John Young went all the way for Trading Post, giving up only four hits, striking out eight and walking two. It was Young's first victory of the year against no losses.

The Brave's overall record finished at 3-3 by the end of the week as they lost games to Garden City and Southfield.

In the Garden City 8-0 loss poor defense and no hitting punch cost them the game. Only three of Garden City's eight runs were earned.

A four run sixth inning won the game for Southfield 7-2.

Steve Morman and Steve Hanis scored the two Brave runs as they connected for a double and triple respectively.

Daly Nips A&W

Daly Drive-In strengthened their hold on first place in the Women's Slow-Pitch Softball League with a 5-4 extra inning victory over A & W.

With the score 3-1 in Daly's favor, A & W's pitcher Jo Colligan hit a two run homer in sixth inning to tie things up.

In extra inning play, Daly's took the lead 5-3 in the eighth when Pat Simpson smacked a pop double in right center to score both runs.

Mary Hastings scored the fourth run for A & W in their half of the eighth but it was "one too few" as Daly's finished in triumph.

Two Cadette Scouts Honored

Two members of Cadette Girl Scout Troop 363 from Plymouth were recently honored. Julie Chamberlain was selected to attend the Spotlight Wider Opportunity, to be held August 2-18 in Scranton, Pa., and Sharon Bosche achieved the rank of First Class Scout.

Each year, 20-25 Girl Scout Councils throughout the United States offer a chance for Scouts from 13-18 years of age to attend a two-week camp session that explores, in depth, areas as varied as archeology, problems of handicapped people, Indian history and culture, backpacking, women in government, and folk arts. Spotlight, held in the Endless Mountains of northeastern

Pennsylvania, will offer Miss Chamberlain chances to improve her skills in individual and team sports, as well as career exploration in this field. Ninety girls from all over the nation will attend.

The highest award given in Girl Scouting is First Class Scout and it is similar to the rank of Eagle in Boy Scouting. Unfortunately, many people are not aware of the preparation and work involved in achieving this honor. Sharon Bosche had to

earn badges in six diversified areas: The Arts; Home; Health and Safety; International Friendship; Citizenship; and Out-of-Doors. She also had to complete four Challenges, which are more complex than badges. Miss Bosche completed five Challenges, one more than required: Out-of-Doors, Arts, Social Dependability, Emergency Preparedness, and the Girl Scout Promise. She received First Class at Troop 363's recent Court of Awards.

Fourth Win For Merchants

A late inning rally was the deciding factor in the Plymouth Merchants (Plymouth - Canton) fourth victory of the year.

A team made up of Farmington area players was the victim this time in a 6-5 win played last Thursday (June 27) at Drake Field.

After spotting Farmington a 4-0 advantage after two innings, the Chiefs pecked their way back into the lead 5-4, with a three run fifth inning.

Bob Ayotte walked and went to third on a double by Tom Close. Mike Verduce followed by knocking in both runs with a double. Verduce scored the third run on an infield out.

Farmington came back to tie the game in the sixth, by the Chiefs scored the winner in the seventh.

Dave Pink singled and scored on Chris Martucci's triple. Martucci's hit was a shot into left center that traveled 355 feet.

MICHIGAN MINUTEMAN. Take a minute to tell someone about Michigan. Michigan leads the nation in number of state parks and prepared campsites. Michigan has 78 parks, three national forests, and more than 150 municipal camping parks.

Bill Parson sent Farmington down one, two, three in their half of the seventh to insure the victory. It was Parson's third win of the year and third complete game.

Minutes of the Board of Trustees

TOWNSHIP OF PLYMOUTH
 BOARD OF TRUSTEES - REGULAR MEETING
 JUNE 25, 1974

The meeting was called to order by Supervisor McLaren at 8:00 p.m. All members were present, with the exception of Mr. Overholt who was on vacation.

READING, CORRECTING AND APPROVAL OF MINUTES - Regular Meeting, June 11, 1974. Mr. Burke moved that the minutes of the regular meeting of June 11, 1974, be approved as submitted. Supported by Mr. Ash and carried unanimously.

READING, CORRECTING AND APPROVAL OF BILLS - Mr. Burke moved approval for payment of bills in the amount of \$65,935.68. Supported by Mr. Millington and carried unanimously.

OLD BUSINESS - Donald Morgan, Township Attorney, Re: Revision of the Comprehensive Development Plan and Authority to expend the necessary funds for the Update. Mrs. Richardson moved approval of the Update of the Comprehensive Development Plan and Land Use Map at an expenditure not to exceed \$3,000. Supported by Mr. Ash and carried unanimously. It was further suggested that the update be completed and ready for adoption with the new zoning ordinance within 45 days.

BRENDER-HAMILL AND ASSOCIATES, INC. - Re: Proposal and Estimate of cost for future sanitary sewer program. Mr. Hamill passed maps to each Board member depicting the lines which were proposed to be built, and briefly described the projects involved. Mrs. Holmes asked if Mr. Hamill had an estimate of cost and he stated that he did not at this time. Mr. Millington moved that this item be tabled until the next meeting, July 9, 1974, so that Mr. Hamill could present an estimate of cost. Supported by Mr. Ash and carried unanimously.

LEONARD A. TUROWSKI FUNERAL HOME, INC., Application No. 253 - Re: Requesting a rebate of fees paid for Planning Commission review. Mrs. Richardson stated that Mr. Turowski had called and asked to withdraw his petition on the first night it was to be heard on the Planning Commission and that it was expunged from the agenda. Mr. Ash moved that the Township charge Mr. Turowski the Township charges but rebate the amount the Township collects for the Planner and Engineer. Supported by Mr. Burke and carried unanimously.

LOUIS NORMAN, TOWNSHIP RESIDENT - Re: Fencing the remainder of the Township Recreational Park. Mr. Norman stated that 3000 more feet of fencing was needed plus a gate due to the fact that motorcycles, mini bikes and dunebuggies were tearing up their work. Mrs. Holmes asked if the signs were up. Mr. Norman stated that they were on order. Mrs. Richardson asked if it would be feasible to close off the area where the fence ends now at Glenview Subdivision without fencing the entire area, as the people in the Township are strongly objecting to the fencing. Mr. Norman replied in the negative. Mr. Burke suggested that the Wayne County Sheriff's Department has two helicopters which patrol the parkway and possibly they could be contacted and would be agreeable to policing the Recreational Park for awhile. Mrs. Richardson stated that she felt all avenues should be explored, and the Township should consider sending letters to the home owners in the area asking them for their indulgence and cooperation in controlling their children as to where and how they use their recreational vehicles; also, asking the Observer and the Community Crier for front page coverage on this item. This was agreed to by the members of the Board.

J.D. McLAREN, SUPERVISOR - Re: Approval of Agreement with Township Planner. Mrs. Holmes moved approval of the contract as submitted. Supported by Mrs. Richardson. Mr. Millington objected to the large amount of increases.

Yeas: H. Richardson, E. Holmes, R. Ash, G. Burke, J.D. McLaren.
 No: F. Millington.
 The motion carried.

RICHARD GORNICK, SECRETARY, PLYMOUTH TOWNSHIP PLANNING COMMISSION. - Re: Action taken at their meeting of June 19, 1974: (a) Recommending approval of contract, subdivision rules and restrictions and mylars for Trailwood Subdivision No. 2 (Application 222 and 222A). Mr. Ash stated that the plan was in keeping with what was already approved. One new item was the submission of the contract for the R.U.D. proposal which needs to be approved by the Board. Mr. Ash placed the final plat on the board and briefly described the plan. Mrs. Richardson moved approval of the Open Space Agreement and final Plat Approval of Trailwood Subdivision No. 2 as shown in Applications 222 and 222A, and authorize the Township Clerk to sign the mylars. Supported by Mr. Ash and carried unanimously. Mrs. Richardson signed the mylars and accepted the Letters of Credit and Bonds from Mr. Nadler. (b) REQUESTING FINAL PRELIMINARY PLAT APPROVAL - WALNUT CREEK SUBDIVISION, APPLICATION NO. 233 (Garber Farm, S. side N. Territorial between Ridgewood Drive and McClumpha Roads). Mrs. Richardson moved approval of the Final Preliminary plat for Walnut Creek Subdivision, Application No. 233, known as the Garber Farm, south side of N. Territorial between Ridgewood Drive and McClumpha Road, with the conditions: (a) Sidewalk size be clarified (6 feet); (b) A grading plan be submitted to the Township Building Inspector; (c) A verification of minimum lot area be accomplished, and (d) the excepted portion be properly deeded to limit its uses. Supported by Mrs. Holmes and carried unanimously.

WILLIAM LAMBERT, 15443 Greenfield, Detroit - Re: Requesting consideration for an extension of Sewer from Joy Road approximately 1/2 mile north up McClumpha Road to the proposed building site at Ann Arbor Road. Mrs. Richardson read a letter from Mr. Lambert stating that the Wayne County Board of Health would not permit a septic system at the proposed site and that he had no other course but to ask the Board of Trustees to extend the sewer in order to build a funeral home on this site. Mr. Ash stated that inasmuch as there is going to be a development here, part of the sewer will be furnished, therefore, why should the Board extend the total distance now when the developer will be doing it shortly and the Board would be spending money unnecessarily. Mr. Ash stated that there are three alternatives for Mr. Lambert: (1) to wait for development of the property at Joy and McClumpha; (2) the Township to construct the entire sewer on McClumpha; or (3) the request be denied. Mrs. Richardson moved that the Board take Mr. Lambert's request under advisement and future consideration at the time there is something more concrete on Application No. 257, known as the Macomb Corporation. Supported by Mr. Ash and carried unanimously.

WEB KINCADE, D.P.W. SUPERINTENDENT - Re: Approval of Ordinance Amendment XXI-N to the Utility Ordinance. Mr. Burke moved approval of the amendment to the Ordinance XXI to be known as XXI-N of the Utility Ordinance. Supported by Mr. Ash and carried unanimously.

JOSEPH RUGGIRELLO, PLYMOUTH HILLS MOBILE COURT - Re: Requesting the Board to give serious consideration to bringing the water line across Ridge Road to the Mobile Home Park. Mrs. Richardson moved that the request for the Township of Plymouth to bring the water line to the west side of Ridge Road for the Mobile Home Park be denied, as it would establish a precedent. Supported by Mr. Burke and carried unanimously.

RESOLUTIONS - **LOUIS H. FUNK, WAYNE COUNTY TREASURER.** - Re: Requesting the Department of Conservation to withdraw from Auction Sale the State acquired properties in the municipality and enable the owner of such to apply for a reconveyance under the provisions of Section 131 C, Act 206, Public Acts of 1893, as amended. Mrs. Holmes stated that this Resolution is asking the State to allow delinquent taxpayers 18 months to redeem rather than 12 months, extending the redemption period from May until November in the same year in which the sale would be conducted. Mr. Burke moved adoption of the Resolution from the Wayne County Treasurer. Supported by Mrs. Richardson and carried unanimously. Mr. Ash moved for adjournment. Supported by Mr. Burke. Supervisor McLaren adjourned the meeting at 10:47 p.m.

Respectfully submitted
 Helen Richardson, Clerk

Potpourri

(continued from page 10)

The dining room, with its indirect lighting and complete formal table and chairs, certainly made our imaginary trip delightful. Our host, Mr. Bowles, a gourmet cook, served a delightful repast. The linen cloth and silverware from the Santa Fe Super Chief, one of the all-time great railroads, made for a unique evening. The passing trains reminded us of the days in our childhood when we would wave enthusiastically at the caboose.

Past the specially-built divider wall with room for several sets of china and glassware, you go down a long hallway and at the left is a room for service. Further along is the kitchen.

This completes the tour except for the observation platform at the back of the railroad car - 85 feet of elegant living as convenient and inspiring as what we knew in years past. It was a real treat to have been the guests of such a gracious host.

DiPonio

(continued from page 11)

and walked one.

DenHouter's single in the first inning got DiPonio's scoring started as it knocked in two runs.

DiPonio finished its scoring attack in the sixth as they sent eleven men to the plate and scored eight runs.

Kirk Brannock and Brian Wolcott had the big blows of the inning as each banged out singles worth two RBIs apiece.

John DenHouter and Howard Inch paced DiPonio's hitting attack with two apiece.

 COMMERCIAL AND PROFESSIONAL SUPPLIES & FURNITURE

Fish Market Opening Soon

By Dennis O'Connor

The people of the Plymouth community are getting a type of store that they've always needed.

The Fish Barrel, which is opening Monday, July 15, will be the first fresh fish market in the city of Plymouth.

The store will be located in the Old Village Area at 578 Starkweather (behind Bill's Market).

Dan Herriman and Curtis Hawn will be running the business and hope to make enough money for their college education.

The kinds of fish they will be selling include whitefish, rainbow trout, red snapper, perch, flounder and catfish, just to name a few.

They also will be selling seafoods such as live lobsters, clams, crab, snails, bluepoint oysters, and many other tasty delights.

So, if you've always wanted fresh fish but hated to go out of your way to get it - come to the Fish Barrel and enjoy, enjoy, enjoy.

School Board

(continued from page 9)

Marda Benson in her motion to return the proposed hike to the administration. The motion was passed by a vote of 6-1.

In a similar action, board members voted not to accept a revised high school attendance policy until it had been discussed in a workshop session.

Canton High School principal, Kent Bukima, said the revisions were made in an attempt to streamline the administrative workload for teachers.

Board secretary Gary Mirto objected to the policy charging that, "There are far more substantial changes in this policy that have been entertained here tonight." Mirto said he thought administrators should first notify the board before making what he believed were significant attendance policy changes.

In suggesting that the attendance policy be referred to a workshop session, Marda Benson stated, "My feeling is that the basic problem of attendance goes far beyond administering an attendance policy."

In support of the suggestion made by board member Benson, Marcia Borowski stated, "It is cross purposes to suspend someone in order to get them to attend."

The Board passed a motion by George Lawton to schedule the policy for a July 15 workshop session. Lawton believed that with an earlier date school administrators could have a firm attendance policy by the time school began in September.
