

## Greenstein, Parsell Sweep Canton

BY HANK MEIJER

According to unofficial returns, Bob Greenstein and his Democratic Club of Canton slate captured every township office they contested in yesterday's election.

In a surprisingly close race Greenstein defeated Republican James Poole 2,575 to 2,002 votes to become Cantons new Supervisor.

Treasurer Candidate Carl Parsell, a member of Greensteins' slate, downed Richard Wolfe Jr., 2,793 to 1,792 votes.

Incumbent Trustee E. Brian Schwall and slate candidate Robert Myers, both Democrats, were handily defeating Republicans William Ryan and Warren Attwood to win four year terms on the township board.

Cantons proposed three-mill police and fire levy was defeated by nearly 400 votes.

Clerk John Flodin and two-year trustee candidate Gerald Cheske, also a member of Greensteins' slate, ran unopposed. Both are Democrats.

The Parsell-Wolfe race was the only contest on yesterday's ballot where observers expected a close vote. Wolfe had been named to the board earlier this year to fill a trustee vacancy.

Greenstein campaigned for more cautious zoning in the township, attacking the incumbent board's willingness to grant approval for construction of multiple-family dwellings. He also called for creation of a township legal department that would be headed by a full-time attorney with an office in

township hall.

Parsell, like his colleagues on the Democratic Club ticket, campaigned for creation of more park space in the township and a moratorium on development.

Democrats made a clean sweep of the trustee races, with E. Brian Schwall and Robert Myers winning four-year terms and Gerald Cheske, who was running unopposed, making official his bid for the two-year seat.

Myers is president of the Michigan Mobile Homeowners

Association and a member of the Consumer Alliance of Michigan. He is a welder and has campaigned for more effective building codes at both the state and local levels.

In the August election the Democratic Club fielded Myers and Joseph DeLauro for the two four-year seats. In a three-way battle DeLauro lost to Myers and Schwall, an English teacher at Plymouth-Canton High School who was appointed to the board to fill a vacancy in March, 1973.

## West, GOP Win in Plymouth Twp.

BY JOHN FOLEY

Joe West, Frank Millington and Richard Gornick were the victors in Plymouth Township Tuesday night.

The proposed three - mill public safety millage for police services was defeated by approximately 900 votes in a moderate voter turnout.

With unofficial returns in, Supervisor J.D. McLaren got 3,994 votes in balloting and Clerk Helen Richardson got 3,999 votes. Both were unopposed. West got 3,296 votes to beat Janet Pierangelino's 1,837 votes.

In the four-way race for two township trustee seats, Millington got 2,938 votes, Gornick got 2,865, Thomas

Sullivan got 2,310 and Orville Tungate got 1,828.

West had to beat three challengers in the Republican primary for treasurer - Tom Notebaert, Weyona Lee Fidge and Anna Milligan.

His August victory put him up against Pierangelino.

Since only two Republicans - Millington and Gornick - and two Democrats - Sullivan and Tungate - filed in the race for the two Plymouth Township trustee seats, there were no primary contests.

Results from the 12-way race for nine Plymouth Heights Charter Commission posts are not expected to be tabulated until later today (Wednesday).

## Deadline Looms for Lagging Fund Drive

With just one week remaining before its "victory luncheon," the Plymouth Community Fund is \$98,000 short of its goal.

"But we are very optimistic," said Don Fleming, general chairman of the Fund drive this year.

Fleming said at Monday's report luncheon for the Fund's area chairmen that several large pledges - particularly in the industrial sector - are yet to come in later this week.

"We are sure the people will rise to the challenge to meet our goal for the people who need (the services supported by the Fund)," he said.

As of Monday, the area chairman reported the following pledges to date (followed in parenthesis by the total goal):

• Education - \$4,527 (\$12,000)

• Governmental - \$1,746 (\$3,000)

• Residential - \$5,801 (\$7,500)

• Professional - \$2,205 (\$9,000)

• Special Clubs and Gifts - \$2,435 (\$4,000)

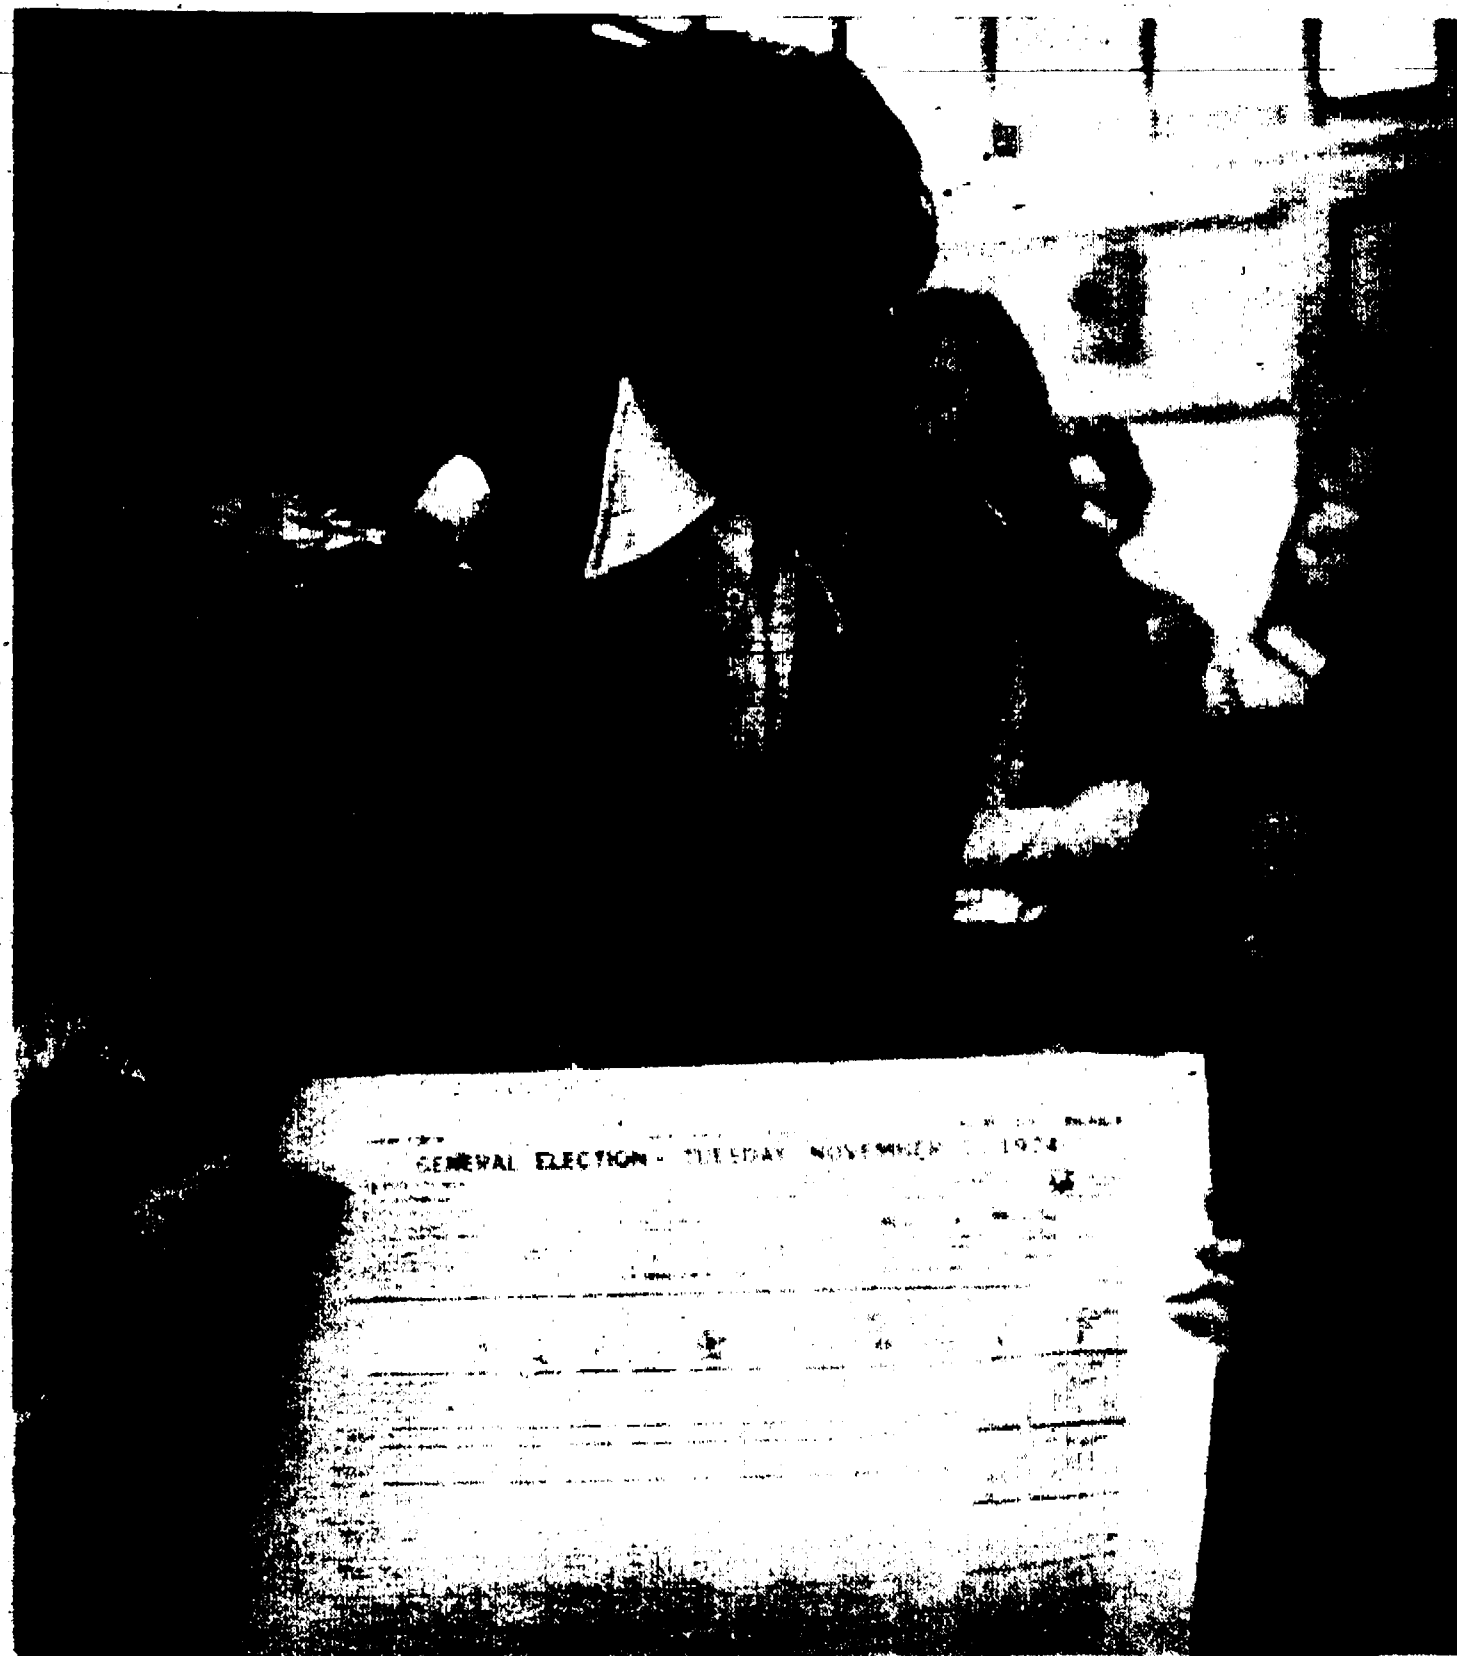

• Business - \$4,394 (\$21,000)

• Industry - \$100,862 (\$163,000)

The total pledged thus far is \$121,970, which amounts to 55 per cent of the \$220,000 total goal for the Fund.

The fund has changed the format of its victory celebration this year to avoid the large expense of the formal "victory dinner" celebration used in the past.

This year the Fund will honor its area chairmen at a luncheon to be hosted by Fleming's company, Western Electric, on Thursday, Nov. 14.

## Greenstein Wins Mock PHS Election

The ballots didn't count, but the returns were remarkably similar to the real thing when Plymouth - Canton High School students voted last week in a mock election at the school using the Canton Township ballot.

A total of 321 students went to the polls at voting machines used again yesterday in the general election. The practical lesson in American civics was organized by Mrs. Audrey Etienne, a Canton government teacher, shown here with precinct workers Kathy Klein (left) and Sandy Heilman.

In local races, although not all the students are Canton residents (many live in Plymouth and Superior Townships) a sizable majority cast votes for victorious Democrat Bob Greenstein for Canton supervisor.

Greenstein defeated James Poole, his GOP

opponent, 163 to 119, while another Democrat, treasurer candidate Carl Parsell, amassed 199 votes to Republican Dick Wolfe's 88. Canton English teacher Brian Schwall topped all trustee hopefuls with his favorite son status as a teacher helping him garner 194 votes to 155 for Robert Myers, 108 for Warren Attwood and 96 for William Ryan.

Incumbent Clerk John Flodin was unopposed and aided by a speech to students about the election process as he led all corners with 230 votes.

At the state level many students split their tickets, giving Democratic challenger Sander Levin a narrow 144-141 edge over Governor William Milliken while providing other Democrats with landslide margins. All four state ballot propositions were

# Record Crowd Attends Chamber's Annual Banquet

BY W. EDWARD WENDOVER

A record crowd attended Saturday's 53rd annual meeting of the Plymouth Chamber of Commerce.

The crowd of 230 persons, representing area businesses, industry and governmental units, feasted on a steak dinner, listened to remarks by chamber officials and then enjoyed the music of The Garter Snappers Plus Five - a group the chamber had last year at its annual banquet.

Ed Draugelis, Plymouth attorney, was master of ceremonies at the affair which was held at Hawthorne Valley Country Club in Westland because the Thunderbird-Hilton, where it was to originally have been held, went bankrupt.

Following his brief introduction - and gentle ribbing - of the chamber officers, Draugelis introduced Jim McCartney, the newly appointed executive director for both the Plymouth Chamber of

Commerce and the Plymouth Canton Development Commission (PCDC).

McCartney told the chamber members they cannot leave the chamber's affairs strictly for him to attend to, but stressed that he can only help the chamber participants in implementing their desires.

Retiring Chamber of Commerce President Fred Hill reviewed the year's progress at the chamber in what he described as his "state of the chamber address."

Hill recapped the year which has seen many new business ventures in town and a 10 per cent increase in membership at the Chamber of Commerce.

"This past year proves that we're an alive and well community," Hill said. "This isn't just a sleepy town on the road between Detroit and Ann Arbor.

"We're a town on the move."

Following his address, Hill announced the new officers for the Plymouth Chamber's 1975 year.

James McKeon, owner of McKeon - Nolling Real Estate Company and a former mayor of the city, is the new chamber president. He served on the board of directors for the chamber last year.

Elected vice presidents for the coming year were: Julia Thoman and Norman Dietrich. Tim Yoe remains as chamber treasurer again this year. Margaret Wilson was elected secretary.

Newly elected board members for the chamber's 1975 year were: Scott Dodge, Frank Patton, Ed Elliot, Leonard Evans and Leo Calhoun. They will join

remaining board members Doug Blunk and Warren Smith.

Hill and Bill Graham, 1974 vice president, will also serve on the board for the chamber.

Several retiring chamber board of directors members were honored at the banquet. They were: Jim Jabara, Bill Decker, Harold Head, Curt Copeland and John Thomas.

Also honored at Saturday's dinner was Jim Houk, retiring director of the PCDC, who spearheaded the new unified executive directorship of the

PCDC and the Plymouth chamber.

In traditional ceremonies, Plymouth's Passage - Gayde Post of the American Legion honored the businessman and industrialist of the year at the chamber dinner, although both had been previously announced during Michigan Week.

Julie Thoman, a business person, and Harold Guenther, an industrialist, received those awards made by Ernest Koi, service officer of the post, and Buford Finley, post commander.

# Canton Board Bends Law to OK Record Budget

BY HANK MEIJER

The Canton Township Board of Trustees approved a \$1.48 million operating budget for 1975 last week which may be illegal.

The board approved the budget without making copies of the proposed expenditures available to township residents at least seven days prior to the public hearing last Thursday. While the budget was not prepared early enough to provide the requisite study time, Nov. 1 was the deadline, under Michigan township law, by which it had to be approved.

"They let it slip a little farther than they should have," said Herbert Norton of the Michigan Township Association. Norton said, as Greenstein did, that the board can likely call a new hearing now that budget copies are available at township hall and formally pass the budget at that time. He noted that a decision by Association Attorney Jack Bauckham of Kalamazoo could be expected soon and should serve as a guide to township officials, but Bauckham has not yet been advised of the situation.

Greenstein quoted Col. Joseph Parisi of Michigan Township Assn. in calling the board's failure to properly prepare its budget "malfeasance, misfeasance and dereliction of duty."

According to a section of Public Act 359, which governs fiscal procedures in charter townships, "The supervisor... shall prepare a complete itemized budget proposal for the next fiscal year and shall submit it to the township board on or

before the first day of September." According to Canton officials, this was not done.

Section 25 of that public act adds: "a public hearing on the budget shall be held before its final adoption... and notice of such public hearing shall be published at least one week in advance by the township clerk. A copy of the proposed budget shall be on file and available to the public for inspection during office hours at the office of the township clerk for a period of not less than one week prior to such public hearing." According to members of the board, residents were not given the legally - required one-week period to study the proposed budget.

The act goes on to read, however, that the charter township must approve its operating budget by Nov. 1.

Acknowledging the board's violation of the statutes concerning a Sept. 1 budget and a week's notice prior to a hearing, Trustee Brian Schwall moved that the board avoid violation of the Nov. 1 deadline portion of the act by approving the proposed operating budget contingent upon an attorney's opinion.

"You can't fly in the face of the Michigan statutes," Greenstein argued. "You can't avoid one violation by committing another."

"I see us caught in something of a bind," Schwall said. "By not passing the budget we're in conflict with another statute (the Nov. 1 deadline). If the attorney tells us what you say is true this budget will be rescinded."

A SOUTHERN BELLE AND A GREAT PUMPKIN walked away with top honors last week in the parks and recreation department's third annual Halloween Costume and Pumpkin Carving Contest at the cultural center. Holly Brown, 5, of 42616 Hammill, topped all 73 entrants with her red gown and parasol, while six-year-old Scott Magaldi, of 6616 Carriage Hills, took second in the guise of a pumpkin. Tricia Thomas, 10, of 7990 Kaiser, was third. The pumpkin-carving contest was won by Susan Martinez, 8, of 44752 Oregon Trail, followed by Linda Sarafian, 8, of 615 McKinley and Brian Hastings, 10, of 44800 Oregon Trail.

## Is Northville Annexation Approval Prelude to Plymouth's?

BY W. EDWARD WENDOVER

Now that the state has once again approved the annexation of Northville Township to the City of Northville, can Plymouth Township's annexation be far behind?

At last Thursday's adjudicative meeting held in Plymouth's Mayflower Hotel, the State Boundary Commission unanimously approved the annexation of all of Northville Township to the City of Northville.

Residents of the community are expected to petition for a referendum on the question.

The issue was narrowly defeated in May, 1973 but many observers feel the "One Northville" drive may be successful this time.

The Northville annexation drive is similar to what residents of the Plymouth community will see soon.

Once the boundary commission rules on the city's petition to annex the Burroughs' parking lot, the next issue of local importance to come up will

### Analysis

be the city's petition to annex all of Plymouth Township.

It has been the boundary commission's general practice to approve such annexations of entire townships in developed areas.

Of course the matter would most surely be brought to a vote by Plymouth Township residents who likely would defeat the question even more overwhelmingly than they did the consolidation vote last spring.

The timing on the lengthy annexation procedure is uncertain at this time. The boundary commission is several weeks behind schedule and it may be another month before it even rules on the Burroughs' parking lot annexation.

Plymouth city and township residents who attended last month's public hearing on the Burroughs' lot annexation got

what will probably be a taste of things to come.

While no city residents stood up to speak in favor of the move - other than elected and appointed city officials - the township residents described the move as "an attempt at theft."

Al Miller of 12105 Amherst Court said, "We have snowballed this thing all out of proportion."

"It really aggravates me to see people who live together and work together stealing from each other."

Surely the city can expect more of the same at the public hearing on annexing the entire township.

So all eyes in Plymouth City Hall and Plymouth Township Hall are on the "One Northville" move. Once that is settled - if indeed it ever is - the Plymouth - Plymouth Township annexation question comes into the spotlight.

THIS CARTOON was featured in a flier announcing the boundary commission's public hearing on the annexation of Burroughs' parking lot to the City of Plymouth.

# Budget Approved 'Illegally'

(continued from page 3)

Greenstein warned the board of the possibility of a suit against the trustees themselves by a builder or developer who might claim injury because of the board's failure to act appropriately.

"Now we have a budget that nobody has seen," he said. "The trustees by law are supposed to see the budget for one month, how can they give it the proper study in less than 24 hours?"

The supervisor-elect said that he would have adjourned the Halloween hearing for seven days, then reconvene and approve the budget after it had been available for public inspection the requisite period.

When asked why he, as an attorney who was familiar with the statute, had not informed the board of its approaching budget deadlines, Greenstein said that he assumed that the board had received a tentative budget by the Sept. 1 deadline and that it was the board's responsibility to set the public hearing date and provide copies of the proposed budget at least a week before its adoption.

Legal or not, Canton's \$1.48 million operating budget for 1975 is the biggest one on record — an increase of nearly 25 per cent over last year.

While major portions of the increase include \$119,000 for rubbish pick-up service which was begun last year and increased allocations for capital land improvements, township officials are slated to receive significant salary boosts.

The township clerk's pay will rise from the \$13,600 level, where it's been for the past two

years, to \$18,288, an increase of \$4,688. Similarly, the supervisor's pay will be hiked from \$15,300 by \$4,188 to \$19,488.

Bob Greenstein told the board the salary differential between the supervisor and the clerk should be greater, "I sincerely believe that there should be a larger gap between the two offices," he said. "It's a bad situation for the future to keep the clerk and the supervisor within a \$1,200 spread."

According to the new operating budget, trustees would receive \$40 for each meeting they attend, up to a budgeted estimate of \$1,440 for a year of 36 meetings. (Compared to the \$900 allocated in past years.)

Township officials trimmed their allocation for the planning

consultant from \$21,000 last year to \$16,000 in the new budget. The capital outlay for land and improvements will rise from about \$60,000 in last year's budget to \$230,000 in 1975. Expansion of recreational facilities north of the fire hall will receive priority among these funds.

An increase in building department salaries reflects the addition of two new inspectors to the staff in the past year.

Township officials estimate that Canton's revenues will climb 49 per cent in 1975, with the biggest portion of that gain coming from a 24 per cent jump in property tax revenues from last year's \$514,000.

Last year's budget totaled about \$1.19 million.

IT SEEMED THAT everyone around town was wearing Halloween costumes last week. The employees at Kresge store downtown, including Ethel Francis (left) and Dorothy Hinkle, even got into the act. (Staff photo by Cathy MacDonald)

Have you ever seen so many toilet-papered trees? They have inspired me to jot off the following, which, for obvious reasons, I must send to you anonymously!

Did you think you'd ever see  
A toilet paper covered tree -  
A tree whose loving arms are showered  
With streamers plain and streamers flowered?

When leaves have gone and limbs are bare  
They'll hold some tissue in the air!  
Blowing freely in the breeze,  
Competing with all other trees -

If it rains on their parade  
What a sight this all has made!

## Fund Deserves Your Help

Winston Churchill, known for his ability to consume large amounts of alcoholic beverages, was once addressing a women's temperance union meeting.

When a woman from the audience asked why he was speaking there since it was known that he had consumed enough alcohol to fill half the auditorium, Churchill replied:

"Half the auditorium? Oh dear, so far to go and so little time to do it."

The famous quip can apply to a situation much closer to home - that of the Plymouth Community Fund.

Now in its final week, the Fund has realized only 55 per cent of its goal (although some large pledges are expected soon).

The people of our community have never let the Fund fall short. Perhaps this is because it has been a source of pride to all of us that Plymouth could run its own Fund independent of the larger ones around us.

Of course this year has been one of economic setbacks and uncertainties for us all.

Many face layoffs and a large number are already out of work.

But those of us who are lucky enough not to have to worry about that should put our shoulders to the wheel.

Let's remember those who need the services sponsored by the Plymouth Community Fund. Your generous gift can help make up for those who can't give this year.

- The Community Crier

Mr. Greenstein, it's your turn! For months we have seen your signs, your people, your letters, and your ideas. In a matter of days Canton's "Hour of Crisis" will have ticked away and Mr. Greenstein will have the opportunity to save the township with the majority of vote on the board.

It will almost be like going from Eastern standard time to daylight savings time. One minute you awaken and it's dark out and the next day the sun has risen.

It will be interesting to see how Greenstein, a critic of every move of the past governmental officials, handles himself in office.

The multiples seem to be multiplying, and the characteristics of the Township have virtually been developed.

We hope the new supervisor has the answers for most of the various situations that plague Canton. It will be interesting to see how the new ideas which are needed to totally end the hour of crisis are implemented.

I feel Mr. Greenstein began his act of saving the township by looking at the township budget.

Greenstein, the past administrations major critic, not only reprimanded past supervisor Phill Dingledey for not realizing the rules which constitute budget approval, but also missed the act himself. The budget which was passed illegally according to Greenstein, must now be reviewed by the new Township head.

The new supervisor feels that the present approved increase for supervisor, which raises salaries from \$15,300.00 to \$19,488.00 isn't really enough since Clerk John Flodin's salary is now \$18,288.00 instead of \$13,600.00. Greenstein feels that the township supervisor should make more than just seven percent above the clerks salary.

It seems to me that Mr. Greenstein, who didn't run for the money, but just to "SAVE OUR TOWNSHIP" shouldn't worry about the financial aspect. I realize you feel it's a matter of principal, but I feel it is more important to worry about those items that have become issues over the last five months.

The multiples, the building problems, the roads, fire and police protection problems. The overbuilding of apartments, condominiums, and shopping centers, the building, planning, and development of shopping centers, and strip street stores. The erection of street signs, and other situations that would professionalize the township. The investigation of an adequate cable T.V. company, the development of a downtown area, a new defense against the Mocer project, a full time township attorney, (not

yourself) who will handle all your legal problems at all times. The hiring of a development and planning consultant firm.

All of the above were pertinent issues throughout the campaign.

If you really cared about the Hour of Crisis for the Township, you wouldn't criticize the new budget for the percentage of your pay Bob, you would have worried about the problems

which already are publicized.

It seems to me that there are enough problems of the past rather than to begin to create problems of principle.

Bob, let's get busy with seeing the township through it's hour of crisis, forget the money, get the budget straightened around, and GOOD LUCK, WE'LL BE WATCHING!

## With Malice

## Toward None

"Oh, where; oh, where, has the budget year gone?" sings the Canton Township Board. "Oh, where; oh, where, can it be?"

"With its months so short, and the election's on; oh, where; oh, where, can it be?"

The trouble with three-ring circuses is that you can never watch all three acts at the same time.

In Ring Number Three we have the incumbents. They're so worried about how high the actors in Ring Number Two can juggle India pins, they forget to watch what they're doing themselves.

After all, can the fans expect the retiring troupers, Phil Dingledey and Grant Campbell, to be really interested in their last performance? They can, and should, of course. But not even the other incumbents are watching Ring Number Three.

Which brings us to Ring Number Two, starring The Challenging New Breed. Not all of the new breed cats are compatible, but in every case, save one, they'll all be locked together in one cage.

Appearing here are: Robert Greenstein, James Poole, Carl Parsell or Dick Wolfe, Brian Schwall, Robert Myers and Jerry Cheske.

Now the fans certainly can't hold the troupers in Ring Number Two to be held accountable when they are intent on politicking to get top billing in Ring Number One - the center ring.

Which brings us to that Center Ring - the act now there features the people of Canton Township and their government.

The elections are over - may transition come more gracefully in the future.

Now the township can pause a brief moment to collect its thoughts, but then it should plunge into the job of getting good government under way.

No longer should Rings Two and Three be sideshows; let's

circus on implementing new ideas in a rational manner - lest the pendulum swing too far the other way.

The "Hour of Crisis," as it was called, has finally ticked away. It is now the "Hour of Reckoning."

Greenstein denied the campaign was a circus. Yet how does he explain the oversight of not adopting the budget in the time limit specified by the township charter?

He blamed it on Wolfe before the election, saying the press should have recognized that Wolfe in the Sheep's Clothing of Financial Wizardry.

And yet neither Greenstein, nor his Anointed Treasurer Expert, saw the budget oversight in time any more than did Wolfe, Campbell, Dingledey, John Flodin, Schwall, Poole or Donald Korte.

Indeed, we should add the press and the people to that list, but it is hard to watch all three rings at one time.

Now that the elections are finally over, Canton needs to focus its attention on Ring Number One - featuring the people of Canton Township and their government.

The people deserve not to have any more "oversights" with the budget or anything else. With a little bit of luck - and the help of all of us - maybe what is now a one-ring circus won't even be a circus any more.

Editor:

I haven't been seeing the Crier since moving to a new apartment in May. A friend has given me her copy and I am pleased to become a subscriber and supporter.

I like the greater local coverage - as compared to the Observer - and I wish you every success in your new set-up.

## City Passes Bad Check Law

The City Commission Monday approved an amendment to the city ordinance which makes bad check passing offenses a violation of city code.

The move brings the crimes, which had previously been violations only of state laws, more closely within the jurisdiction of municipal police.

Fines which the defendant in such cases previously paid to the state may now be paid to the city. Prior to the ordinance amendment, bad check offenders were arrested on a warrant from the 35th District Court in Plymouth and even arraigned before that court, but trials would often take place in

Detroit in circuit court, forcing Plymouth police to lose man-hours when policemen would have to go downtown to testify.

According to Chief Tim Ford, the ordinance change allows the police and the local court to cooperate more closely and more swiftly and effectively deal with cases that involve local offenders.

Ford indicated that many other communities already employ similar localizing statutes and that Plymouth may soon seek to bring other offenses more closely under local jurisdiction.

MR. AND MRS. THOMAS E. FAHLSTROM (ANN MILLS)

### Ann Mills Weds Tom Fahlstrom

Ann Christie Mills, daughter of Mr. and Mrs. Hoyt D. Mills of 5390 Gotfredson, and Thomas E. Fahlstrom of Ann Arbor were married Oct. 12 in First United Methodist Church in Ann Arbor with Rev. Fred Maitland officiating.

The groom is the son of Mr. and Mrs. Thomas R. Fahlstrom of Gaylord.

The bride, who carried cream roses and white carnations, wore a crepe-satin floor length gown with an empire waist. The bride graduated from Plymouth High School in 1966 and attended Central Michigan University. She is a teacher at Little Farm Nursery in Ann Arbor.

The groom, who also attended Central Michigan University, is employed at Charismatic Renewal Services. The couple planned a honeymoon trip to Canada and Maine.

Mrs. Michael Carr of Mount Pleasant was matron of honor. Bridesmaids were Mrs. Dan Faching of Mount Pleasant, Miss Maribeth Mills of Lansing and Miss Karen Fahlstrom of Gaylord.

Daryl Fahlstrom of Jackson was best man. Ushers were Chris Lussier, Marty Jaronskiy, Mike Krafty and Paul Thiefs of Ann Arbor and Michael Carr, Terry Dishneau, Dan Faching and Wayne Hollingsworth of Mount Pleasant.

Gene Firm, Doug Gavrilides and Dan Burns, all of Ann Arbor, were groomsmen.

## STUDY THIS CHART CAREFULLY! . . .

The practice of CHIROPRACTIC is as broad as the nerve system often called "THE MASTER SYSTEM OF THE HUMAN BODY." This MASTER SYSTEM regulates and controls all other systems of the body.

Take time to study this famous "Health Chart of Chiropractic," and you can understand how important YOUR SPINE is in the maintenance of your normal "natural" good health. A misaligned spinal vertebrae can cause disease in ANY PART OF THE BODY. Notice how the nerves go to and energize every organ, tissue and living cell of your body—arms, legs, abdomen, head, etc.

Every health problem has a cause and the cause must be found and corrected before you can get well. Pick up the telephone now and make an appointment with your Doctor of Chiropractic for a chiropractic spine and nerve test.

### YOUR LIFELINE CHART

1. A slight "pinching" of nerves at this point can cause headaches, some eye diseases, ear problems, insomnia, abnormal blood pressure, colds, hay fever, sinus trouble, nervousness, dry or stiff neck, some types of arthritis, colic in babies, glandular trouble, etc.
2. A nerve difficulty in this part of the spine can be the cause of so-called throat trouble, neuralgia, pain in the shoulder and arms, goiter, nervous prostration, etc.
3. In this part of the spine, a "pinched" nerve can cause so-called bronchitis, pain between the shoulder blades, rheumatism and neuritis of the arms, shoulder, or hands, neuritis, etc.
4. A blocked nerve at this point can cause so-called nervous heart or fast heart, asthma, difficult breathing, bronchial congestion, etc.
5. Stomach and liver trouble, pleurisy and a score of other troubles, can be caused by pressure in this part of the spine.
6. Nerve pressure at this point can cause gall bladder problems, dyspepsia or gas of upper bowels, shingles, hiccups, etc.
7. Certain kidney problems or diseases, eruptions and other skin diseases can be caused by nerves being pinched in the spinal openings at this point.
8. Chiropractic adjustments here often help such troubles as so-called lumbago, constipation, colitis, etc.
9. Nerve pressure at this point can cause bladder, prostatic, prostate problems, lower bowel and abdominal pains.
10. A slight slippage of one or both of the hip bones or the sacrum may cause so-called sciatica, leg or knee pains, and many other leg problems.

**NERVES BEEN TESTED?**

A simple, painless and inexpensive spine and nerve test can quickly reveal if you are a chiropractic case. You owe it to yourself and your family to have your nerve system tested and find out for sure. Your health problem has a cause and that cause must be found and corrected before you can get well.

# Canton Chiefs Fall 14-13 as Conversion Bid Fails

**A world of Books for Young and Old**  
**Little Professor Book Center**  
 OF PLYMOUTH  
 1456 SHELDON RD.  
 PLYMOUTH  
 GL3-3300

After losing a Western Six championship bid to state power Farmington Harrison last forthcoming week, the Plymouth-Canton Chiefs suffered another letdown when they lost to Woodhaven by one point, 14-13.

The Friday night setback was their third non-league loss this year in as many games. Canton's record is now 3-5 overall, including an impressive 3-2 Western Six record, good enough for a second place finish.

The first touchdown of the Woodhaven contest was set up by the aggressive Canton defense. After the Chiefs' opening kickoff, Woodhaven fumbled on the Canton 49-yard line. Defensive tackle Scott Nys recovered on the Woodhaven miscue giving the Chiefs' excellent field position for their opening offensive drive.

On the fourth play from scrimmage halfback Jimmy Tiller rambled 45 yards for the score. Riste Maihailovich converted, giving the Chiefs an early 7-0 lead.

Woodhaven struck back in the

second period, capping a pair of drives with four and 11-yard touchdown runs to account for all its scoring.

Woodhaven converted one of a pair of two-point conversion attempts to notch its 14-point total.

The Chiefs cut that 14-7 halftime lead to one point in the third quarter when fullback Mike Verduce bulled his way for six yards and the score. On the extra point try, Canton went for two in hopes of grabbing the lead. A pass from quarterback Tom Close to tight end Rich Thom was caught just over the end line out of bounds. Woodhaven held on to its slim one-point lead, which proved to be the margin of victory.

With 2:30 left to play, Canton threatened to score, moving to the five with first down and goal to go. Costly penalties and a lost fumble ruined the Chiefs hopes of pulling out the win.

Canton closes its season Friday night (Nov. 8) in a non-league encounter with Dearborn. Preceding the game parents of the players will be honored as part of the annual Parents' Night contest. Game time for this last home affair is 8 p.m.

### Loss Jeopardizes Salem Gals' Title Bid

BY BRUCE GERISH

The bubble burst last week for the Salem girls varsity basketball squad as they suffered a 47-35 loss to Trenton.

Both teams went into the game seeking a share of first place honors. Trenton was in second place at 5-2, while Salem was tied with Redford Union at 6-1. Now only a victory against R.U., a team that already whipped the blue and white once, will give the Rocks a share of the title.

Trenton opened an 8-5 lead in a cold first quarter, and when the scoring pace quickened in the second stanza, the Trojans outscored the Rocks 15-9 to give them a 23-14 halftime lead.

After Coach Hatcher exhorted her team during intermission, the Blue and White tore up the Trojans 16-8 in the third quarter. The comeback was in vain, however, as Ms. Hatcher's troops watched their one-point deficit climb to six and finally 12 points.

The 47-35 score did not tell the real story however. Salem was missing its spark plug — sixth woman Dorothy Spitz who was out with tonsillitis. Star rebounder Peggy Moore fouled out. The fourth quarter was the backbreaker for the Rocks as

they out fouled the Trojans 8-1. The big edge for Trenton was in foul shots, which included the result of a questionable technical foul on Salem star Barb Croci.

Croci led the Rocks with 13 points, while Ann Renaver chipped in with nine. Julie Sheaver, playing her finest game, also had nine. Peggy Moore led Salem to a 34-29 rebounding advantage with 11.

The Rocks battle Redford Union in a must game tomorrow (Thursday) in the Salem gym at 7:45 p.m.

### Chiefs Named to All-League Team

Western Six Conference coaches named five Plymouth-Canton football players to the 1974 Western Six all-league squad.

Only conference champion Farmington Harrison placed a larger contingent on the all-star list, with eight selections.

Chief offensive standouts chosen were senior tackle Gregg Burke and junior guard Randy Urban.

Senior defensive back Ray Mandle, senior lineman Dave Edwards and junior end Dave Pink made the defensive roster.

Awarded honorable mention recognition were tackle Jim Moore, linebacker Mike Verduce, backs Scott Dunagan and Kim Hammonds, defensive end Rusty Lindman, end Rick Thom, quarterback Tom Close, back Jim Tiller and John Young.

# Rocks Clinch Title; Showdown Looms

BY DENNIS O'CONNOR

It's been 11 years since the Suburban Eight League football trophy belonged to a Plymouth high school. This long awaited dream finally became a reality for coach Tom Moshimer and his Rocks when Friday they wrapped up the title with a 14-7 victory over an improved Redford Union squad.

This hard-fought win raised Salem's overall record to 8-0 for the season and capped their undefeated (7-0) year of conference play. The only obstacle that lies ahead for the state-rated Rocks is their clash with another state power, Farmington Harrison. The Hawks are also unbeaten in eight contests and should prove to be worthy opposition for Plymouth. This final game of the season will be played Saturday afternoon (Nov. 9) at Harrison. Game time is 2 p.m.

For the fourth time in as many games, Plymouth took the ball on their opening possession Friday night and drove the length of the field to score.

The Rocks started their scoring attack against Redford Union on their own 29-yard line. A pair of four-yard runs by Doug Tripp and Scott Agnew moved the pigskin up to the Salem 37. Joe Hibler, Plymouth's 140-pound halfback, carried the ball into Panther territory on the next play,

rambling for 26 yards. Hibler also rushed on the next three plays, advancing the Rocks to the R.U. 19. Quarterback Tim Dillon scored the touchdown as he danced in from the 19 on a keeper.

Tripp's extra point kick made it 7-0 with only a little more than three minutes gone on the clock.

The quick Plymouth lead didn't seem to bother the Panthers as their offense began moving the ball with authority. Thanks to two bursts into the Rock secondary, R.U. moved inside the Salem 20-yard line, but the drive was quickly stifled as three Panther passes went astray, and a field goal attempt failed.

Plymouth got on the board a second time with seven minutes left in the half. A 76-yard drive in nine plays did the trick as Hibler scored his first touchdown of the season on a one-yard plunge. A key play in the drive was a rare Plymouth pass from Dillon to Mike Telekesy for a 27-yard gain. Tripp's second conversion of the night gave the Rocks a comfortable 14-0 margin.

The Panther offense rallied late in the second stanza as the R.U. quarterback pushed over from the one with two minutes left in the half. The point after was good, making the score 14-7. It was only the third time

this year the Rock defense allowed a touchdown on the ground.

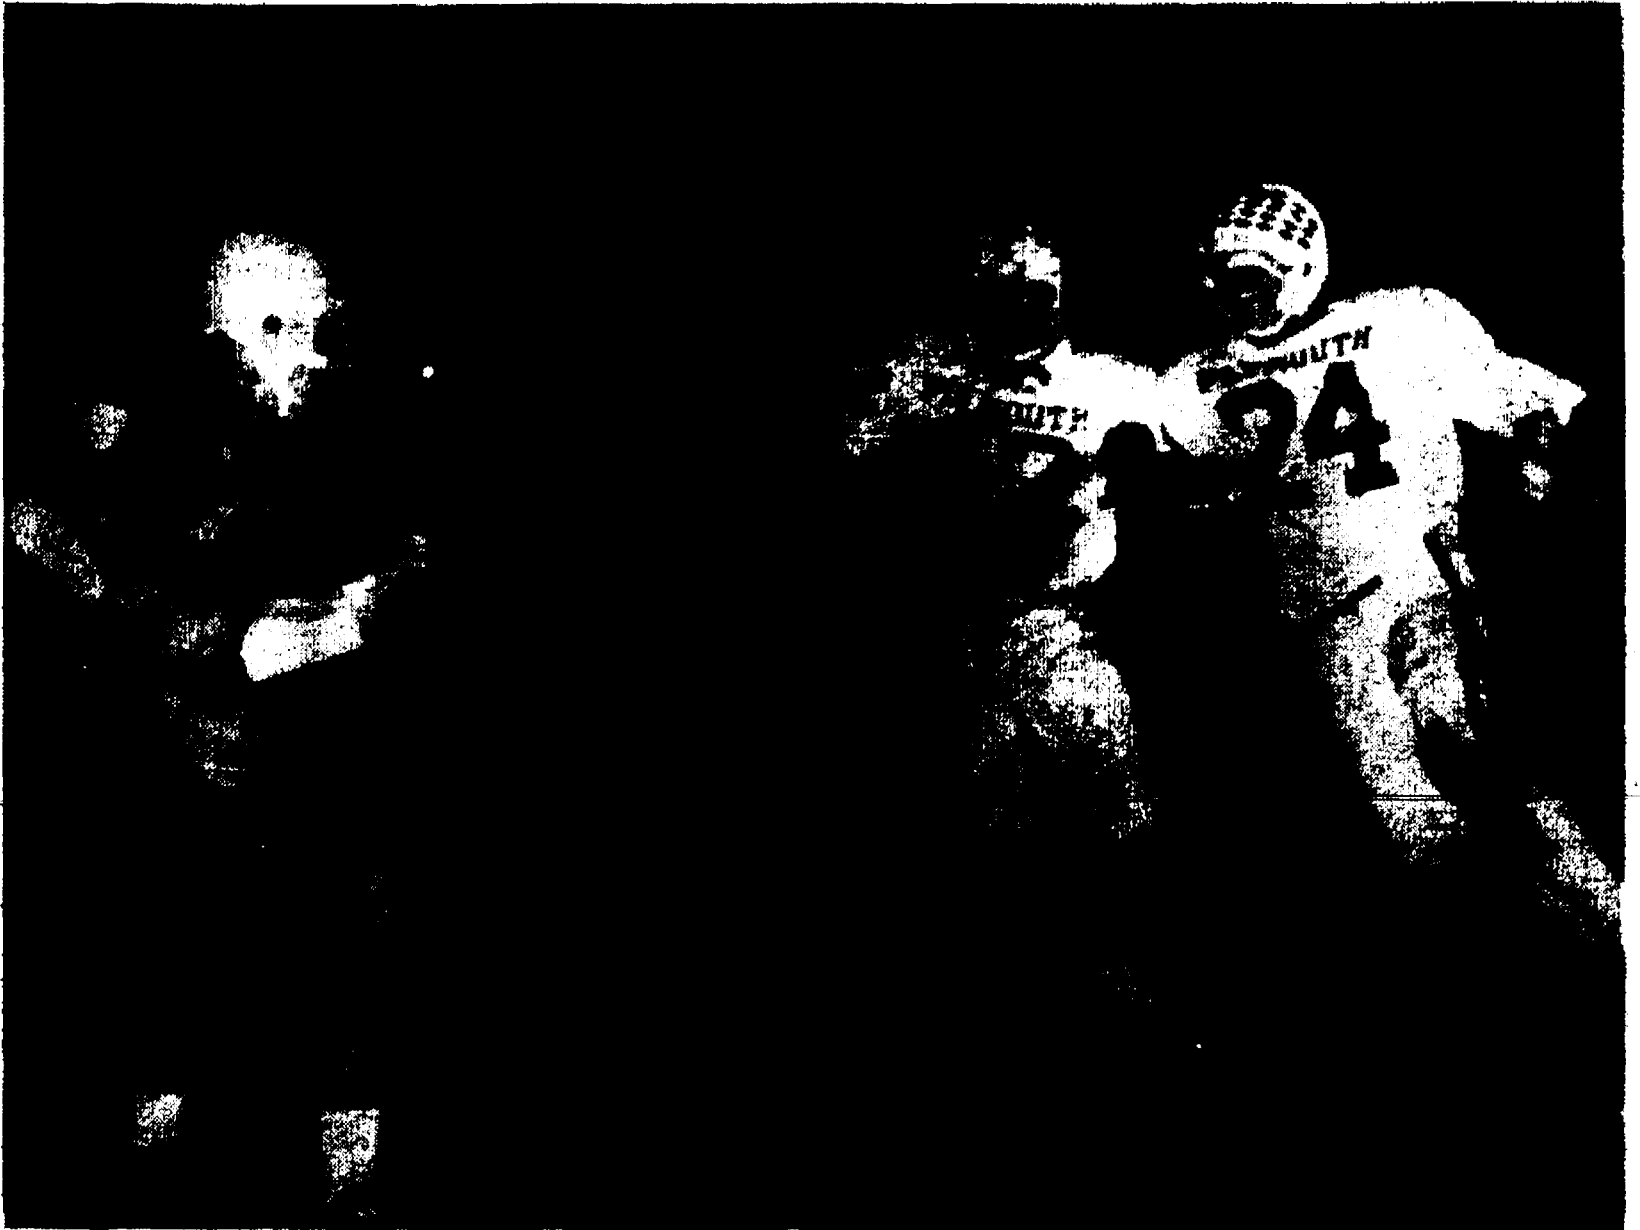

Both teams were scoreless in the second half, although the Plymouth offense did advance the ball well. The Rocks penetrated the R.U. 10 three

times, but costly penalties, a fumble and an interception kept them from scoring again.

Plymouth tightened up defensively and allowed the Panthers only 43 yards rushing in the entire second half, including a last-minute R.U.

drive which might have tied things up.

Defensive end Tripp and linebackers Dan Ross and Agnew were standouts on defense. Secondary men Jim Anderson and Dillon intercepted passes which stopped Panther drives.

THE WINNING MARGIN in Plymouth-Salem's 14-7 win over Redford Union came late in the first half Friday night when Rock quarterback Tim Dillon eluded Panther defenders for the go-ahead touchdown. Fullback Scott Agnew, Rock co-captain with Dillon, provided the blocking escort. (Ralph Evert photo.)

## Doc's Corner

by Dennis O'Connor

Call it similar to a Michigan-Ohio State battle, call it the game of the champions, call it the Suburban Eight against the Western Six, or call it the game of the year. However you describe it, the Plymouth Salem-Farmington Harrison contest is sure to be an exciting game between two very good football teams.

The Harrison Hawks are the champions of the Western Six Conference. They had little trouble gaining that title. Northville is the only team to give them a fight, with Harrison winning that contest 9-6 in overtime. The Hawks' most noted victories were 37-0 over Churchill, and 28-0 over our own Plymouth-Canton Chiefs two weeks ago.

Plymouth-Salem was picked to be the 'darkhorse' team of Suburban Eight at the beginning of the season. But after an opening non-league win over Bloomfield Hills Andover, the Rocks pulled out stops over Trenton (19-0) and Edsel Ford (15-7). Plymouth continued to show everyone that they were for real as they rolled over the rest of their tough Sub-8 opponents for the conference crown. Their most impressive win was three weeks ago against Allen Park, 34-0.

Both squads seemed to be looking ahead to their encounter with each other as each team won Friday by a narrow one touchdown margin. Plymouth held off winless Redford Union 14-7, while Harrison had its hands full with rival North Farmington, 21-14.

But now there is no looking ahead for either team. It all comes down to this climatic game when they face each other head on.

When it comes to state recognition, everything is on the line for each club, including their undefeated seasons.

Plymouth is currently rated number five in the state and number one in the area by the Detroit News, and number 10 in the state by the Detroit Free Press. Harrison is rated number six in the state by the Detroit News as of Nov. 2.

Whatever the outcome of this 2 p.m. Saturday game at Harrison, I consider both teams champions.

DOC'S PREDICTION - Due to their balanced wishbone running attack, and superb defense against the rush and pass, I rate Plymouth a one touchdown victor over Harrison.

# Salem JV Downs RU 23-6

Coaches Craig Bell and Dick Barr saw their Plymouth-Salem junior varsity team play its best

all-round game of the year last week as the Rocks downed the Redford Union JV 23-6.

The victory raised the young Rocks' season mark to 3-4.

On its second possession from scrimmage, the Salem offense drove 68 yards in 12 plays to score the only touchdown of the half. Runs by fullback Jerry Kachenko and halfbacks John Daratony and Tim Lilley gained the necessary yardage. Lilley ran off right guard for the final 15 yards of the drive to score. On a fake extra point kick, holder Ben Wilcox rolled to his right and hit Daratony in the end zone for two points, making the score 8-0.

In the third quarter, an R.U. pass intercepted by Daratony gave Plymouth the ball on the R.U. 39-yard line. On the very next play Lilley plowed his way into the Panther secondary and scored a second touchdown. His extra point run gave the Rocks a 16-0 lead.

Both teams scored in the final period. Plymouth's touchdown came on a one yard sneak by Wilcox. Lilley kicked the extra point, giving the Rocks their total of 23. The Panther score came on a four-yard run late in the period.

Lilley was the leading ball carrier, rushing for 121 yards. He continues to average over 100 yards a game. Dave Champion and Kachenko were the defensive standouts, leading Plymouth in tackles.

Other players to grab interceptions were Les Hassen and Dick Bradburn.

The Rocks final game of the year will be tomorrow night (Nov. 7) against Andover at Andover. Game time is 7 p.m.

# This Week's Action in Sports

In the game of the year, Plymouth-Salem, Suburban Eight League champs, face the Western Six League victor, Farmington Harrison in a non-league showdown.

Both teams are state-rated and both are unbeaten in eight games. This one is for all the marbles. Game time is 2 p.m. Saturday, Nov. 9, at Harrison.

Plymouth-Canton also wraps up its season Friday night (Nov. 8) in the final home game of the year. The opposition is the Dearborn Pioneers with game time at 8 p.m.

Plymouth-Salem's junior varsity gridders will try to even their 3-4 record tomorrow night (Nov. 7) when they travel to Bloomfield Andover in the season finale. Game time is 7 p.m.

Both girls high school swim teams are active in their respective league meets today and tomorrow (Nov. 6 and 7). Plymouth-Canton competes at Harrison, while Plymouth-Salem is hosted by Redford Union.

Two Sub-8 League girls basketball games are slated for Plymouth-Salem this week.

Thursday's (Nov. 7) is against Redford Union and Tuesday (Nov. 12) the Rocks meet Belleville. Both games are at home. Junior Varsity play starts at 6:30 p.m. with the varsity game scheduled for 8 p.m.

The Plymouth-Canton squad is busy in Western Six action traveling to Churchill tomorrow (Nov. 7) for their only game of the week.

## City Starts Ski Classes

A 10-week ski course, sponsored by the Plymouth Department of Parks and Recreation, will begin 8 p.m. Monday, Nov. 11, at the Plymouth Cultural Center, 525 Farmer St.

The first class will be indoors and will provide orientation to the sport as well as information and registration.

## Girl Swimmers Swamp Foes

The Plymouth-Salem girls swim team, now third in the Suburban Eight League, upped its overall record to 5-2 with a 93-72 dunking of Edsel Ford in the last dual meet of the year.

The 200-yard medley relay team of Sue Finley, Sue Stanwood, Kathy Dillon and Tamie Crespo set a school record with a time of 2:09.5.

Other first place finishers were Marion Stanwood in the 200 free and 500 free, Sue Stanwood in the 100 back, and Denise Ouellette in the 100 breaststroke.

Lisa Lukens and Amy McClumphia finished first and second respectively in the diving competition. Plymouth-Canton swimmers were idle this week.

## City Audit Shows Fund Gain

According to the annual audit report presented to the City Commission Monday, an increase in taxable property and court fee revenues helped the city close the year ended June 30, 1974 with \$75,541 more in its general fund than had been anticipated.

According to Sutherland and Yoe, the city's auditors, the general fund showed total revenues of about \$1,734 million, compared to the previous year's \$1,658 million. The city's assessed valuation was listed at \$77,538,130, which included \$64,516,140 in real property and \$13,021,990 in personal property.

General fund spending was lower than projected. The amended budget predicted general fund appropriations and expenditures of \$1,762,235, compared to actual spending of \$1,725,736.

The cultural center fund shows a loss of nearly \$38,000, down from last year's nearly \$73,000. Anticipated revenues, which might have further reduced the deficit, also fell short by \$70,000.

Revenues at the cultural center totaled only \$305,000 compared to a projected income of \$375,000. Lagging revenues from open skating admission, hockey rentals, instruction fees and the food concession accounted for most of the continued slump.

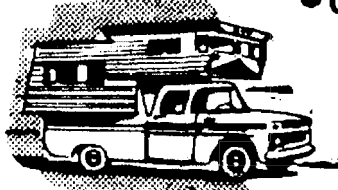

Personal services cost about \$31,000 less than expected. In total, cultural center costs were about \$32,000 lower than planned.

Net loss for the year at the center was about \$38,000 — the difference between revenues of \$305,000 and costs of \$343,000.

A \$23,635 contribution from the city's general fund was the only thing that enabled the parking fund to show an improvement over last year's losses. Although revenues from city parking lots were about \$3,800 less than projected, net income on the properties was

\$9,769 after the general fund center, labor costs were actually boost. As with the cultural lower than anticipated.
