Twp. nixes city's annexation deal

BY W. EDWARD WENDOVER

The Plymouth Township Board has unanimously rejected an informal offer made by the City of Plymouth to consider discussing a compromise on the three pending annexation cases.

At a special meeting of the township board held last week, the board members discussed — but took no action on — a proposal that if the township board agreed to annexation of the Burroughs Corp. parking lot and the Hillside Inn to the city,

the city commission would then ask the Michigan State Boundary Commission to rule against the pending case seeking annexation of the entire township to the city.

All three pending annexation cases before the boundary commission were exactly a year ago today — the day voters in both the city and township were voting on consolidation of the two governmental units. (In that vote city voters approved consolidation but township

voters overwhelmingly rejected it.)

Annexation is the legal term where one community (generally a township) joins another existing city government, which retains its form of government. Consolidation is the joining of two existing communities (generally one city and one township) into a new city with a new city charter and government.

The informal offer to explore negotiations on the three pending annexation cases was made to Plymouth Township Supervisor J. D. McLaren by Plymouth City Manager Fred L. Yockey.

In explaining his offer, Yockey said, "I feel there's a good chance the boundary commission might look favorably on these two minor

annexations (the Burroughs lot and the Hillside Inn).

"But I guess I felt there was some concern among township people and others on the cost of an election if the boundary commission would OK a total annexation to the city."

The city manager also said, "In an informal discussion we asked, 'Would the township board consider (a compromise)?"

Yockey said he was disappointed the township had not approved the offer informally "if that had been the case, it might open some doors for further discussions towards resolving mutual problems."

Plymouth's mayor, Beverly McAninch, said, "I really did hope it (the offer) would have been considered more positively.

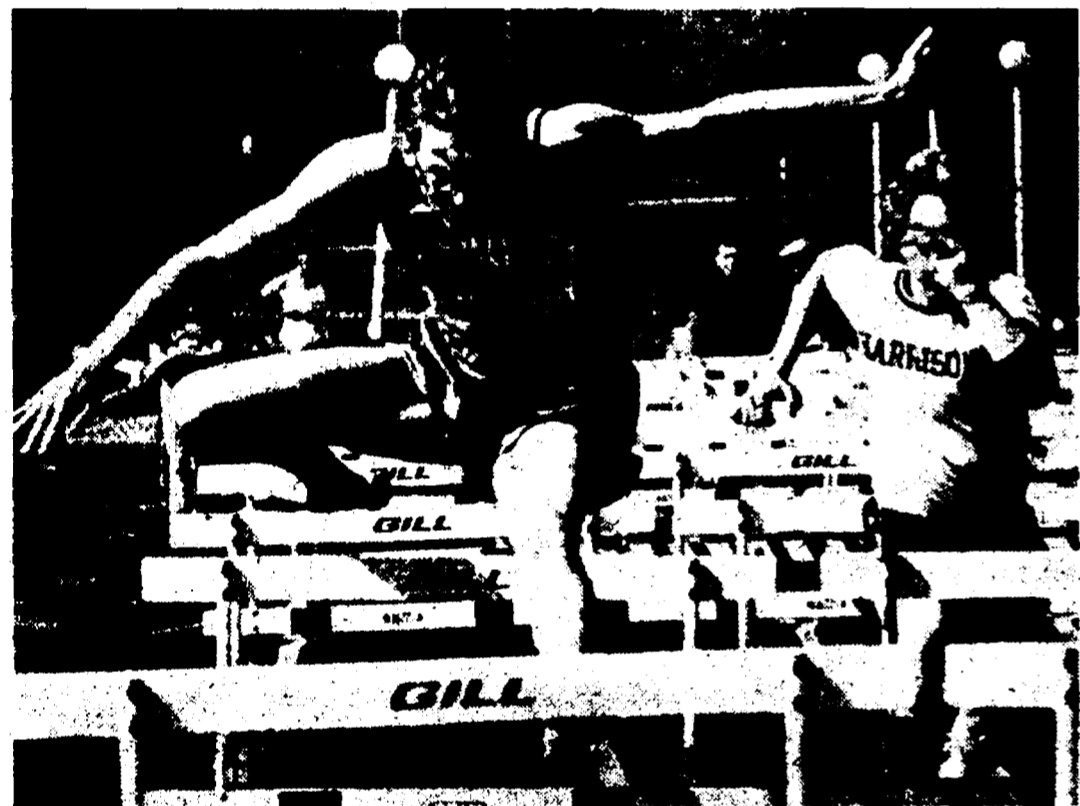

It's too bad the township has rejected it."

Plymouth Township Supervisor McLaren called the offer "an untimely suggestion. There is nothing to be gained from it.

"To sum it up, the boundary commission has not been legally declared a body as yet, and I guess under those circumstances at this time, we don't want to acquiesce."

Helen Richardson, Plymouth Township clerk, said, "At first I really thought J. (D. McLaren) was joking when he first mentioned it (Yockey's offer) to me; I really, honestly did.

"As far as the board's concerned, we're not at a point where we're going to make any deals. We don't want to give away any tax base."

Study says Canton should buy, expand Mettetal

BY KATHY KUENZER

A public hearing is scheduled for 7:30 p.m. Wednesday, May 28 at the Canton Meeting Hall to discuss the possible purchase of Mettetal Airport by the township.

At the hearing officials and township residents will be able to examine the results of a study done by R. Dixon Speas Associates, an aviation consulting firm in Minneapolis.

Speas Associates was asked by the township in July, 1974 to prepare the study "to determine the feasibility of Canton Township purchasing the airport and operating it as a public facility."

Using a 20-year projection, Speas Associates concluded that "Mettetal Airport can and should be purchased and developed by Canton Township as a public use airport."

Further, the report states, "The airport should be developed as a single runway airport serving general aviation aircraft in the basic and general utility categories, i.e., primarily single engine and light multi-engine, as well as turboprop, but not turbo-jet aircraft."

Proposed development would include lengthening of the runway from 2,600 feet to approximately 3,800 feet "to increase safety," and expansion of the airport terminal.

While the Speas report sees little air and ground water

pollution or impact on surrounding wildlife as a result of the development, it does anticipate some noise problems.

Measured as "composite noise rating" (CNR), the projected noise level was 100. A source in the report is quoted as saying that "with a CNR of from 100 to 115, individuals in the zone may complain, perhaps vigorously. Concerted group action is possible."

Members of the Pickwick Village Homeowners Asso. have already expressed concern with the effects of noise on the surrounding community if the airport were expanded.

While possible safety hazards are also a fear of the Pickwick group and others who support them, the Speas report makes no mention of the chance of greater accidents, except to say that provision for an arrangement with Canton Plymouth Township for "crash fire and rescue" would be the "most likely solution."

A financial plan suggested for acquiring the airport, one of several the study considers, requires building and renovation financed by revenue bonds at seven and one-half per cent for 20 years and land and pavement by general obligation bonds at seven per cent for 30 years. Total acquisition costs to Canton up to 1980 would be an estimated \$1,175,000, with other costs divided between state and federal sources.

Projected operating costs would run to annual \$38,600 in 1980, with income estimated at \$127,000 for the same year.

Five separate plans were studied in connection with the airport, including:

- Not purchasing
- Purchasing and leaving "as is"
- Purchasing and developing with a 3,800-foot primary runway and a crosswind runway
- Purchasing and developing with a 5,500-foot runway,
- The suggested 3,800-foot single runway plan.

The first four were ruled out because of the impact economically or environmentally on the surrounding community.

Robert Mettetal, who with his brother, Marvin, owns the airport, says he sees the purchase and development of the airport as contributing to the safety of the operation.

"The longer runway will mean safer landings for less proficient pilots using the airport," he said. "Also, the people in Plymouth Township will have less noise from the airport because planes will be taking off from farther south when heading toward Plymouth."

Mettetal said he couldn't understand the projections by some citizens of 11 deaths annually when "we've only had three deaths in the last 20 years of operation — and they were all due to carelessness."

School election deadlines Monday

The deadline for voter registration and for the filing of petitions for school board candidacy is May 12 — next Monday.

Prospective voters must register to vote by 5 p.m. that day to be eligible to vote in the June 9 election.

Candidates for the two school board seats up for election this year must file petitions (with no fewer than 30 signatures and no more than 121) with the school board office at 454 S. Harvey St. by 4 p.m. May 12. The two four-year terms up for election are now held by Tom Yack of Canton and Carl Berry of Plymouth.

In addition to the two board races, Plymouth School District voters will cast ballots on two millage propositions. One is a 5.15 mill operating renewal for a six-year period and the other is a six-year .46 mill item

M-14 widening starts

Work is scheduled to begin this week on the widening of Ann Arbor Road between Haggerty and Sheldon from two to five lanes.

The eastbound lane of the existing thoroughfare will be closed for an expected four to five weeks before widening is completed. Traffic will be routed along the north side of the road. When that side is finished the procedure will be reversed to pave the westbound half.

When work is completed later this summer Ann Arbor Road from Haggerty to Sheldon will span five lanes, two in each direction with a center turning lane.

Proposed airport blasted

A proposed study of the need for a major airport in Salem or Plymouth townships may never get off the ground if the weight of local opinion has any effect.

More than 50 area residents turned out Thursday night in the Plymouth City Commission chambers to let county, state and federal aviation officials know how they felt about construction of a major airport here — and virtually all argued against even a feasibility study for the project.

William Gehman, master planning engineer for the state highway department's Michigan Aeronautics Commission, said the study would likely cost from \$75,000 to \$100,000 and take from 12 to 18 months to complete.

Gehman and Ed Mellman, manager of the commission's

aviation planning staff, said that although the number of private planes was growing in the Detroit metropolitan area, they expected more and more private airports to go out of business, placing an increasing burden on public facilities.

Mellman predicted that nearly half of the 2,500 small aircraft projected for the seven-county metropolitan area in 1980 would be without a home.

Several local residents insisted that Willow Run Airport, which aviation officials admitted was not being used to capacity, be considered for expansion before money is spent for study of a new airport here.

Jerry Trout of the Federal Aviation Agency, who joined a panel which included Gehman, Mellman, Robert Larson of the Wayne County Road Commission, School Board Vice-President Marda Benson, State Rep. Roy Smith (R-Ypsilanti) and State Rep. Tom Brown (D-Westland), said 80 per cent of all general aviation was related to commerce.

"We'd like to see an airport constructed," he said. "There is a high priority need here. Not today, but we must get on with the study."

The Michigan Aeronautics Commission has named the Wayne County Road Commission as "sponsor" of the proposed facility — and the WCRC would have the authority to oversee such a project even though it might be built in eastern Washtenaw or southwestern Oakland counties.

Plymouth Township Trustee Richard Gornick cited that area's dwindling agricultural land.

"Does it make sense to fund an airport through the road commission for a 1,200-member vested interest?" he asked. "Is it most profitable to take the land out of agriculture?"

"The people of Salem Township are adamantly opposed to an airport," said Salem Township Trustee Harvey Barkley. "This is a residential area and it would destroy the value of property over a large area. There would be an additional pollution problem. We need to retain this farmland."

"Industry can be served well by existing airports," he added.

"An out-of-town owner (the Wayne County Road Commission) would not be responsive to the control of local people."

Gehman said two-thirds of the cost of a new airport would come from state and federal funds derived from taxes on the aviation industry, while one-third of the tab would be picked up by the county, which taxes airlines using Metro.

Canton Township Treasurer Carl Parsell said the township had been considering the future of Mettetal Airport and wasn't even informed that the state was looking at the area for another airport.

150 parents turn out for Miller '45-15' meeting

BY KATHY KUENZER

Nearly 150 parents turned out Thursday at Miller School for an informational meeting organized by Concerned Parents of Miller School District in regard to the 45-15 plan.

Chairman Ed Marville told the audience the meeting was "to answer questions parents involved in the 45-15 (year-round) school plan want to ask."

"A group of several Plymouth school officials, including Deputy Supt. Earl Hogan, school board members Gary Mirto, Marcia Borowski and George Lawton and Miller principal Shirley Spaniel and guest speakers Sister Mary Lupton of the Lincoln Park Schools and Jim Bonner, principal of Taylor Township School, were on hand to field questions."

Most of the questions dealt with whether or not the Plymouth School Board would reconsider its vote to place Miller on the 45-15 plan. Mirto said that he felt the board might have acted arbitrarily in its decision, since it was based on a survey taken last year and parents "may have changed their minds since that time."

He added that he thinks the board "wishes to hear the latest survey," but that there might be some reservations as to its validity and whether or not it "illicit an objective opinion" of Miller parents.

Mirto was referring to a post card survey that was to have begun Friday in which all Miller

parents were to be contacted and asked whether or not they favored 45-15.

Lawton said "the board is on record as wanting to implement 45-15 at Miller for 1975-76, starting in July. Parliamentary procedure says a motion to reconsider the decision would have to be voted on unanimously by the entire board."

Ms. Borowski reinforced this, saying, "the school board serves the needs of the entire district. Miller has a critical space problem. I would find the survey interesting but not compelling — a survey doesn't solve the problem of where to send the extra children."

Many parents from Olde Plymouth subdivision, which has been placed on track A, complained of the unfairness of the vacation schedule.

Their children will begin school July 14 and have the first three-week vacation beginning Sept. 13. The second vacation begins Dec. 13 and ends Jan. 19, which the parents contended was "too long to be confined indoors for everyone concerned."

Mrs. Spaniel, who was rumored to have "many reservations" about 45-15, said her concerns about the program dealt not with the calendar or the value of the plan, but with "assistance for the principal, storage of materials, busing in the summer, hot lunches and community support." She said her children have been in Northville's 45-15 program for

three years and she has seen "no decrease in achievement."

Results of the survey are to be given to Supt. John Hoben, who has agreed to present it to the board, according to survey organizer Judy Utermark, "regardless of the results."

School census to start soon

Volunteer census enumerators will visit certain subdivisions and apartment complexes in the Plymouth School District this month to gather information about population growth and families with youngsters in the district.

Volunteers will be calling on residents of Plymouth Village, the Willows townhouses, Fellows Creek Apartments, Olde Plymouth I and II, Plymouth Mills, Plymouth Pointe, Nottingham Forest, Fordham Green Apartments and part of the Trailwood subdivision.

If no one is home when the census worker calls, a notice will be left asking the resident to call a certain number at which the information can be taken.

Canton census will start too

Plans for the upcoming census to be taken in Canton Township are nearly completed, according to chief enumerator Bruce Phillips, the township's assistant ordinance officer.

"Everything has been completed under the jurisdiction of the secretary of state," said Phillips. "As soon as the wife of the gentleman who is to assist in our training session is out of the hospital — within a week or two — he will be coming to help us."

Phillips said 28 census takers have been hired by the township to begin the survey sometime by the end of May.

"We don't know yet exactly what will be in the questionnaire," Phillips commented. "We have had input from the schools, the Canton Building Department, township planner Mike Manore, parks and recreation and others."

According to Phillips, the census will take from one to two months to complete.

Pops!

THE PLYMOUTH SYMPHONY ORCHESTRA'S annual Pop Concert will be held Saturday, May 10 at 9 p.m. in the East Court at Westland Center. Tickets are on sale at the Bed 'n' Stead Shop in Forest Place Mall for \$3 for adults and \$1.50 for children. Spreading the news of the annual affair are (from left): Sarah Chance, ticket chairman; Jan Quick, poster chairman; and Marge O'Day, general chairman. (Staff photo by W. Edward Wendover.)

Lions & elephants! Circus is coming

The first annual Plymouth Community Chamber of Commerce International Circus will be held in the Cultural Center arena May 17 and 18.

The ice will be removed to give good footing for such stellar animal attractions as Gary Bronke and his African Lions. Gary, at 19, is billed as the

world's youngest wild animal trainer.

Mickey Antalek and his five clever chimpanzees will be on hand, coming direct from a four-year stint with Ringling Bros. Barnum and Bailey. Miss Llona will please children of all ages with her canine revue, while Barbar and the Lovely Llamas of Peru offer more unusual animal entertainment. Winding up the animal department will be Walter King and his Ponderous Performing Pachyderms (elephants).

Aerial acts include Miss Cookie and her high flying trapeze, hung from the top of the top of the girders and the international aerial ballet, featuring Dianne Sisters on long Spanish webs. Back on the ground, comedy will take reign as Al Ross, King of the Klowns, presides over clown alley.

Performances are scheduled for 1, 4 and 8 p.m. at the Cultural Center Saturday, May 17, while the next day, Sunday, May 18, will see performances at 2 and 5 p.m. Reduced rate advance tickets are now on sale at the Plymouth Community Chamber of Commerce at 878 Wing and the Cultural Center box office. Tickets will also be available at some local businesses.

Advance prices are \$1.50 for children, \$2 for adults and \$8 for a special family ticket admitting two adults and three children. There will be no family tickets sold on show days. Circus day tickets will cost \$2 for children and \$3 for adults.

Berry won't run

Incumbent Plymouth School Board Member Carl Berry has told The Community Crier he will not seek reelection to his seat.

Berry, who was elected to a one-year term last June, said, "I feel bad about this; I feel like I'm letting a lot of people down."

AAUW seeks a 'voice' for its '76 movie

Auditions for the voice - over narration for a 30 - minute video tape entitled "Heritage Happenings, Hopes" - a Plymouth - Canton bicentennial salute, will be held Thursday, May 8 at 7 p.m. in the Plymouth Salem High School radio studio.

The competition is open to residents of the City of Plymouth and Canton Townships.

The Plymouth Branch of the American Association of University women (AAUW) is producing the historical videotape in conjunction with Plymouth - Salem High School communications staff and students. Emphasis in the audition competition is on finding a local talent to act as narrator for the tape, since the video production will be a part of a community effort to celebrate the nation's bicentennial.

"I don't feel I'd be an effective board member until people (on the board) stop playing politics and pay attention to education," he said.

Berry also served on the school board for a short term in 1971 after being appointed to fill a vacancy.

Tom Yack, the other incumbent on the Plymouth School Board who was elected to a one-year term last June and whose seat is now up, has said he will seek reelection.

Canton cleanup is Sat.

Members of the Northwest Canton Homeowners Assn. have set aside Saturday, May 10 as their day to clean up northwest Canton Township.

John Cojei, spokesman and supervisor for the effort, said participants in the clean-up project will meet Saturday morning at 8 a.m. at the corner of Ridge and Warren roads.

All equipment will be supplied to the volunteers, who are encouraged to wear bright clothing (for safety along roads), heavy gloves and boots.

"We have enlisted the help of Mrs. Prchlik's class at Our Lady of Good Counsel School and Gary Savage's Boy Scout Troop from Bird School to give us a hand," said Cojei. "We plan to cover the roads west from Canton Center to Napier and north of Ford to Joy."

Cojei said they hoped to be done by noon Saturday.

SCHOLARSHIP WINNERS Victoria Chase of Plymouth-Salem High School and Lynn Leavelster of Plymouth-Canton received their awards from the Women's Club of Plymouth in ceremonies Friday at St. John's Episcopal Church. (Staff photo by Robert Cameron.)

Bands win state honors

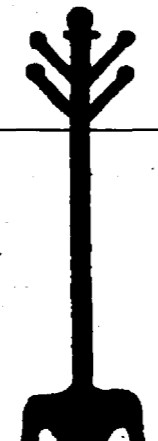

Saturday, April 26 two of Central Middle School's five bands took part in the State Band and Orchestra Festival. Both of Central's bands, the intermediate and advanced,

received honor ratings. The intermediate band received a top Division I, while the advanced band earned a red-ribbon Division II.

The Plymouth Parks and Recreation Dept. is sponsoring a JUNIOR AND SENIOR COMMUNITY BOWLING TOURNAMENT May 17, 18, 24 and 25 at Plaza Lanes. This tournament is open to boys and girls 16 and under and senior men and women 55 and over. Entry blanks may be picked up at either the Parks and Recreation office or at Plaza Lanes.

St. John's Episcopal Church will hold a RUMMAGE SALE Friday, May 9, from 8:30 a.m. to 5:30 p.m. at the Church.

PARENTS WITHOUT PARTNERS will meet Friday, May 9 at 8 p.m. in the American Legion Building, 100 W. Dunlap in Northville.

The May 14 program of the Plymouth Community Chamber of Commerce will be a presentation on MODERN MERCHANDISING METHODS by Harold Hans, vice-president of merchandising for Meijer Thrifty Acres. The meeting is set for the Miles Standish Room in the Mayflower Hotel at 11:30 a.m. May 14. Members have a choice of club steak or chicken. A cash bar will be provided. Call reservations in to the Chamber office at 453-1540. The price for the luncheon is \$5 per person.

The Canton, Northville, Plymouth YMCA is offering a mini-course in HAWAIIAN HULA DANCING for girls and boys age 7 and up. Beginning dance steps as well as hand movements will be taught. Students will master a routine by the end of the course. The mini-course will span four lessons: May 19, May 26, June 16 and June 23 and will meet at Fiegel Elementary School at 4 p.m. in the music room. Class cost is \$4 for members and \$6 for non-members. For more information call the Canton, Northville, Plymouth YMCA at 453-2904.

THE PLYMOUTH CHESS CLUB will meet at 7:30 p.m. Tuesday, May 13 at the Cultural Center, 525 Farmer. Sessions open to novice and experienced players.

PAINT FOR FUN from 1 to 3 p.m. Thursday May 13 at the Plymouth Cultural Center. An informal approach for beginners the course carries no fee. Contact the recreation office at 455 - 6620 or Mr. Prussing at 455 - 8894.

Sessions in OIL PAINTING AND ACRYLICS are open to persons with some experience and there is no fee. Local artists will be on hand to assist. There is a choice of times in the continuous sessions, which are held at the cultural center from 10 a.m. to 1 p.m. Monday, May 12 and from 7:30 to 9 p.m. Tuesday, May 13. Contact the Plymouth Dept of Parks and Recreation at 455 - 6620;

THE PLYMOUTH COMMUNITY CHORUS will meet at 8 p.m. Wednesday, May 14 in the vocal room at Middle East School, 1042 S. Mill St. The group is open to all who enjoy singing. Contact Roger Bogenschutz at 453 - 1679.

THE PATHFINDERS, a group sponsored by the Plymouth Dept. of Parks and Recreation, is open to persons interested in hiking, canoeing, biking and backpacking. To participate in this contact L. Chang at 455 - 5175 or C. Scruggs at 453-5505.

A TRIP TO TOLEDO with a visit enroute to showrooms of Ohio China Company will be held May 13 with a bus leaving at 8:30 a.m. from the Plymouth Cultural Center, 525 Farmer. Cost of the bus is \$5.25. Featured will be a 4 - hour visit to the Toledo Southwick Mall, a complex of over 90 places of business. Seven different movie theaters will offer matinee fare at \$1.00 The trip, sponsored by the City of Plymouth Dept. of Parks and Recreation, is open to all retired persons and any other interested adults. For information or reservations, contact the recreation office at 455 - 6620.

Poison found near Tonquish

Youngsters playing along Tonquish Creek behind Penniman Avenue in Plymouth made an unusual discovery Monday afternoon - bags of rat poisoning lying along the banks.

Ken Vogras, director of the City of Plymouth Dept. of Public Works, said the city fights a rat problem on the banks of the Tonquish by placing packages of poison in spots where rats can get at them but children can't.

He said a couple of bags apparently fell from their hiding places and because they were wet came open.

No one was injured and the DPW workers cautioned neighborhood youngsters to avoid the poison until they could remove it.

Consumer rep to take gripes

Johann Moore, a representative of the Wayne County consumer Protection Agency, will be at Plymouth Township Hall Wednesday, May 14 from 10 a.m. to noon to take complaints from local consumers.

LITTER MARS a stretch of Sheldon Road in Canton Township. Canton officials have proclaimed May "clean-up month" in the township. (Staff photo by Robert Cameron.)

It's spring cleaning time!

Canton Township has officially declared May "Clean Up and Beautify Canton Month" in an attempt to get Cantonites to quit ignoring trash that has become a part of the scenery and start doing something about it.

It's a worthy gesture, but all the official resolutions in the world aren't worth the paper they're written on if something isn't done by citizens to carry out the idea.

While neither the City of Plymouth nor Plymouth Township has set official "clean-up" days, it's time for all of us to give our back yards, our neighborhood streets and the roads we drive some scrutiny.

For starters, pretend you're new in your community and you're observing how much care and pride is taken in the streets and property. Do you like what you see?

Would you say citizens here make an effort to keep trash and litter off streets, away from fences, out of back yards? Would you like to live here if you based your decision on your observations?

Next look in your own back yard and maybe a few feet beyond. Give the kids a bag and start a contest to see who can come up with the most litter.

Then walk or drive down your own street, be it residential or a

country road. If you spot a vacant lot, an alley or a creek that is filled with trash, take the time to enlist the help of a neighborhood organization, a local scout troop or a church youth group.

When everyone helps it's a lot more fun and in no time our community will be a place we'll be proud to call "ours."

This past weekend I saw several men on our block get together to share the expense of renting a power rake to clean up lawns. It was a good example of

how to get a large job done quickly and cheaply through cooperation.

The Northwest Canton Homeowners will be working to clean up their section of Canton this Saturday morning - again, cooperation to turn an overwhelming job into something a team can accomplish.

Too many causes these days tend to divide people into factions. A clean-up campaign can be everybody's project.

Doubts about airport linger after hearing

As chairman of the school district-wide Intergovernmental Committee, School Board Vice-President Marda Benson presided with aplomb over last week's informational meeting on a proposed new airport here.

The complex question of whether the state should launch an expensive study of the need for a general aviation airport in Salem or Plymouth townships was bound to raise emotional responses. Ms. Benson kept the questions in order and every resident who wanted to speak got a chance to say his piece. Even though her own group had gone on record expressing serious doubts about the airport, she allowed state, county and federal aviation officials ample time to explain every possible reason why a study should be undertaken.

Those explanations, by the way, weren't satisfactory. We still question whether, particularly in the face of near-unanimous local opposition, such a study makes any sense at all.

'Share your 1976 ideas'

Editor:

"What is being done in Plymouth to celebrate the bicentennial?" "When does the 'official' celebration begin?"

These kinds of questions are being asked from time to time at local gatherings of various sorts. And, we are so glad that you asked!

At the present time, the bicentennial commission is as busy as can be planning a birthday party. As with most birthday parties, someone has to make the necessary arrangements; then, the birthday is commemorated with appropriate festivities; and afterwards, someone has to do the dishes!

Not only can the bicentennial celebration be lots of fun, but it can also provide an opportunity for each of us to contribute our very special gift, and, together, we might accomplish some of the things that we have hoped would happen in the community.

So, if you would like to get in on the planning stage of the celebration, come and bring

your thoughts and ideas to a meeting that has been scheduled for May 21 at 7:30 p.m. at Middle School West (in the multi-purpose room), 44401 W. Ann Arbor Trail, Plymouth.

Several weeks ago, the commission mailed letters to many civic organizations inviting representatives to this meeting. If we overlooked your organization - our apologies. Everyone is invited! Come and share your ideas.

Elizabeth Folger,
Chairperson, Community
Bicentennial Commission

Thank you

Editor:

The PLYMOUTH PAP CLINIC which was conducted in March by the Plymouth Registered Nurses Assn. and the Michigan Cancer Foundation, was very successful, with a total of 757 women being tested.

The PRN Association would like to thank the community for its participation and support of the clinic.

Yack dares hockey vote dissent

School Board Treasurer Tom Yack likes sports as much as the next man - or woman.

Still, his was the lone vote last week against a school board resolution authorizing the expenditure of up to \$36,000 for varsity hockey teams, girls' golf and gymnastics and a broad offering of new intramural activities for school children in all grades.

The first time State Sen. Carl Pursell asked the board to consider adding Canton and Salem hockey teams to the high school athletic schedule the board voted 3-3, with George Lawton abstaining, and the

measure was defeated.

This time around Board Vice-President Marda Benson and member Marcia Borowski switched their votes - now that two new girls' sports and a host of intramural plans had been added to the resolution.

They explained their shift by contending that hockey would have been approved 4-3 had they voted against it, but by voting for it they were able to add activities for girls and youngsters in other grades that were long overdue.

I think they're right, but Yack still deserves credit for his vote.

Where will the money come

from? Ms. Benson said the budget would have to be "re-prioritized." But in a millage or any year we question whether the schools should be able to take as much as \$36,000 from the existing budget without adversely affecting some area of education more critical than what is being added.

Ms. Benson and Ms. Borowski showed smart politics. It's hard to fault them for taking an opportunity when they saw it to strike a blow for badly-needed girls' sports.

Oddly enough, the move will probably be a popular one among district voters, putting hockey parents into the schools' quarter when the June 9 vote comes.

Besides, none of us would oppose the millage just because money was being carved out for these new sports. They'll be nice to have.

It just comes down to the role of board members in the educational process. They are a political body and shouldn't be maligned for making political decisions.

Ms. Benson and Ms. Borowski played the art of compromise expertly.

Was Yack's opposition to hockey and the new girls' sports unrealistic? Perhaps, but it also reflects a professional attitude toward the needs of the school district that is unafraid to place sports in perspective. That view is invaluable.

4 nabbed in heist

Four Livonians have been charged with the theft of a cement mixer motor from a Plymouth Township cement company.

According to the Michigan State Police Plymouth Post reports the four were seen taking the motor from the Clawson Cement Co. on Eckles Road May 1 by an employe of the company who called police.

The four suspects were apprehended 300 yards away from the company with the motor police said.

CHARCOAL GRILLED RED SNAPPER

2 pounds red snapper steaks or other fish steaks, fresh	1/2 teaspoon Worcestershire sauce
1/2 cup melted fat or oil	1/4 teaspoon white pepper
1/4 cup lemon juice	Dash liquid hot pepper sauce
2 teaspoons salt	Paprika

Cut into serving-size portions and place in well-greased, hinged wire grills. Combine remaining ingredients except paprika. Baste fish with sauce and sprinkle with paprika. Cook about 4 inches from moderately hot coals for 8 minutes. Baste with sauce and sprinkle with paprika. Turn and cook for 7 to 10 minutes longer or until fish flakes easily when tested with a fork. Serves 6.

Willette wins no. 6

Rocks maul Belleville 10-0

After suffering through a three-game batting slump, the Plymouth - Salem Rocks broke out in positive fashion, edging non-league opponent Ypsilanti 7-6 and trounced Belleville 10-0 in games played last Thursday and Friday.

These two wins, combined with a 7-1 loss to Dearborn Edsel Ford last Tuesday (April 29), bring the Rocks records to 8-3. Plymouth is currently tied for second in the Suburban Eight League standings with a 5-2 record (not including yesterday's game against Redford Union).

A seven-run first inning plus three more in the third tamed

the Belleville Tigers, as Tom Willette breezed to his sixth win of the year against only one setback. The fireballing lefthander worked five innings and gave up only one hit while striking out 12 batters and walking one. Chuck Thomas worked the last two innings, preserving the shutout.

The explosive initial stanza saw Dan Moore knock in the first two runs, as Brian Wolcott and Tim Dillon scored on his triple to deep right field. Doug Tripp followed with an RBI single that brought home Moore from third. Howard Inch didn't let Tripp wait on base long as he poked a triple into right field,

scoring the Rock outfielder for the fourth run. Inch scored the fifth tally on a wild pitch. After a change of pitchers, Charlie Johnson and Vern Nagel walked and eventually scored when Dave Pierce was safe on an error and Wolcott singled, bringing the total to seven.

Pierce's double in the third brought home Johnson. Wolcott followed by delivering a two-run single to complete the attack.

NC State signs Agardy

Eric Agardy, the six-foot-ten center who led the Plymouth - Salem Rocks to the two most productive seasons in the school's basketball history, signed a letter of intent last week to attend North Carolina State University.

NC State won a recruiting battle for the big man that had narrowed to that school, to the University of Oregon and Wake Forest.

Eric visited the campus two weekends ago and was followed back up to Plymouth by head coach Norm Sloan, who stayed here through Monday night.

In his two-year career with Plymouth, Eric led his team to an overall mark of 43-5, including two Suburban Eight League and district championships. This past season, the big pivot man was the hub of a Plymouth attack which reached the state semifinals. Agardy is the all time leading scorer in Plymouth basketball history, averaging nearly 20 points per game.

PITCHER JOHN DENHOUTER blasted a home run and a triple and hurled his first win of the year Thursday as the Plymouth-Salem Rocks outslugged Ypsilanti 7-6. (Staff photo by Robert Cameron.)

Canton softball gals win 2

After dropping their first two games by only one run, the Plymouth-Canton girl softballers won two one-run games for themselves and followed those up with a 15-5 trouncing of Northville Monday.

The Chiefs are now 3-2 for the season.

A 15-hit attack matched the 15 Canton runs as Ann Dozbush went all the way on the mound in the Northville win. Jan Haarer led the attack with three hits, two of them homers. Kim Zoladz collected four hits as she had a perfect day at the plate.

Cindy Krieg and Judy Freidman added three and two hits respectively.

The Chiefs also beat Walled Lake Western, 13-12, led by Haarer and Krieg collecting three RBIs each. Cathy Verduce added two. Pitcher Dozbush led the hitting attack with three safeties.

Canton also beat Farmington Harrison 10-9. Lori Zeiler was the winning pitcher, walking just two batters. Kathy Sochacki was the hitting hero of the game, smacking two triples, knocking in the winning run and collecting four RBIs.

Chiefs bop Northville

The Plymouth-Canton girls track team won its first dual meet of the season last week, topping the Northville Mustangs 55-50.

The 880-relay team of Ann Matthews, Jill Moorehead, Pam Leith and Veronica Gray and the 440-relay of Meagan Ford, Moorehead, Gray, and Matthews both won.

Ford took a first in the 100 dash and the 110 hurdles. Gray took firsts in the high jump and the 220 dash.

Netters slam 3 foes

The Plymouth-Canton tennis team had an excellent week, winning three of four matches to up its overall record to 4-4.

The Chiefs' only loss came Monday when the Northville Mustangs recorded a 5-2.5 win. Steve Prueter was the only singles winner for Canton, with Steve Moorehead and Curt Hopfner winning the only doubles match.

The Chiefs had no problems with Livonia Bentley in a non-leaguer Friday, dumping the Bulldogs 6-1. Canton won all three doubles matches and three of the four singles.

Steve Prueter and Dave Anderson won singles matches in leading Canton to a 4-3.5 win over Walled Lake Western last Tuesday (April 29). The doubles teams of Steve Moorehead and Curt Hopfner and Mike Haarer and Jerome Roelofs were also winners. Canton topped Waterford Mott 4.5-3 last Wednesday. Prueter was the only singles winner, with all three doubles teams winning.

Results - PLYMOUTH-CANTON VS LIVONIA BENTLEY:
 First singles - Steve Prueter (PC) def. Capellian (LB) 6-3, 6-2; second singles - Dave Anderson (PC) def. Gibson (LB) 4-6, 6-3, 6-3; third singles - Albright (LB) def. Steve Pasley (PC) 6-1, 6-0; fourth singles - Chris Davis (PC) def. Aldehroue (LB) 3-6, 6-3, 6-3.
 First doubles - Bill Schulz and Greg Sweet (PC) def. Seggian and Mortitz (LB) 2-6, 6-1, 6-3; second doubles - Steve Moorehead and Curt Hopfner (PC) def. Horzu and Smith (LB) 6-3, 6-2; third doubles - Mike Haarer and Jerome Roelofs (PC) def. Preston and Karagidean (LB) 6-1, 6-2.

PARENTS!

An Important Message From The "Michigan Chiropractic Council"

The week of May 1-7 has been proclaimed to be "MICHIGAN CHIROPRACTIC SPINAL HEALTH CARE WEEK". The purpose of this special proclamation is to increase public awareness of the vital importance played by correct posture and proper spinal health care in the preservation and maintenance of overall good health.

"As a twig is bent, so grows the tree" could also read, "as the child's spine is bent, so grows the adult". A surprising number of health problems can be traced back to childhood accidents and poor posture habits. In connection with "SPINAL HEALTH CARE WEEK", the Michigan Chiropractic Council is joining with the International Chiropractors Association in asking that all parents take some time to perform a few simple checks of their children's spinal posture. These tests are outlined in detail on the following page. A positive check on any of these tests would indicate that a professional examination of the spine is needed.

As with the old saying, "An ounce of prevention is worth a pound of cure", so could many children be saved untold suffering by early detection and correction of spinal health problems.

Yours in Life & Health,

Charles Ribley, D.C.

Charles E. Ribley, D.C.

Rock girls 6th in relays

The Plymouth-Salem girls track team finished an impressive sixth out of 29 teams Saturday in the West Bloomfield Invitational.

The sprint medley team of Jackie Croci, JoAnn Langkable, Sandy Ezzo and Barb Croci took first with a time of 4:27.6. The same foursome placed second in the mile relay in 4:17.1. Two-milers Sue Finley and Runi Holter had personal best times with a 13:26.8 and a 13:28.6 respectively. These clockings were good enough for seventh and eighth place finishes.

In dual meet action, the Rocks won their first meet, 66-39, over Ypsilanti. They dropped a decision to Livonia Stevenson 61-39. Plymouth had first-place finishers in eight of 13 events in the Ypsilanti meet. Cheri Leveille, Jackie Croci, Runi Holter, JoAnn Langkable and the mile and 880 relay teams all won in the Stevenson loss.

Salem thinclads place in relays

The Plymouth-Salem track team finished in the middle of the 16-team pack at the area relays held Saturday at Redford Union. The Rocks tallied eight points.

The 880 relay team of Kim Woody, Ton Kindree, Chris Ritchey and Mark DeMeritt placed third with a time of 1:34.4. This same foursome took fifth in the sprint medley relay with a 2:31.3 time. The shot put relay of Ted Burton, Rick Gladstone and Mark Manthey placed second. Burton

tossed the shot put more than 51 feet, Gladstone 46 and Manthey 44. The four-mile relay team had the fifth best time with a 19:41.5 clocking. The foursome was Curt Judd, John Harsha, Walt White and Scott Klean.

In a dual meet with Redford Union last Thursday, DeMeritt took firsts in the 220, 440 and 88- in an 80-43 loss.

The Plymouth-Canton boys track team scored five points in the area relays last Saturday at Redford Union.

The Chiefs placed first in the two-mile relay in 8:32.0. The foursome in that event was Steve Sally, Mike Guzman, Mike Potter and Phil Schulte.

In dual meet action, the Chiefs lost to Farmington Harrison 72.5-50.5.

Netters fall

The Plymouth-Salem tennis team lost league matches last week to Dearborn (5-2) and Allen Park (4-3) and a non-leaguer to a tough Ypsilanti team (7-0).

8-2 Chiefs advance in Anders, lose loop test

The Plymouth-Canton baseball team continues to win in the Les Anders tournament, advancing to the semifinals with a 4-3 win over Livonia Franklin Saturday at Cass Benton Park.

In Western Six League play, the Chiefs beat Waterford Mott 5-1 last Wednesday but lost their first league decision at the hands of the Northville Mustangs last Monday, 5-4.

Canton still holds on to first place in the conference with a 4-1 record. The Chiefs' two wins in the past week raised their record to 8-2 (11-2 including contests in Cincinnati) - good

enough for recognition as the third-rated team in the state.

Sophomore Mark Perkins started against the Mustangs and pitched three strong innings before Northville got to him in the fourth to score all five of its runs, four of them unearned. Canton came back in the second half of the fourth to score all four runs. The Chiefs threatened in the fifth and seventh, placing a runner on third in both stanzas, but failed to score.

Brian Stemberger led the Chiefs offensively in the Anders win over Livonia Franklin. The Canton shortstop went two for two from the plate and scored two of the Chiefs' four runs. After Franklin jumped into a 1-0 lead in the first, Canton knotted things up in the second

when Stemberger walked and raced home on Paul Major's double.

Franklin went ahead in the fourth, scoring a single run without the benefit of a hit. The Chiefs came storming back in the fifth as they tallied twice to go ahead 3-2. With Bill Parson on first, Scott Dunagan laid down a beautiful bunt single advancing him to second. In an attempt to throw Dunagan out, Franklin pitcher Chuck White wheeled and threw the ball wildly into right field, allowing Parson to score and Dunagan to move to third. Keith Randazzo followed with a beautiful suicide squeeze bunt that scored

Dunagan with the go-ahead run. Stemberger scored the eventual winning run in the sixth when he put the Chiefs ahead 4-2 with a solo homerun to rightfield.

Canton almost gave the game

away in the final inning as four fielding errors led to one Franklin run and the bases loaded when the game ended.

Parson, in relief of Chris Martucci, was the winning pitcher.

Gymnasts take 3rd in state

The Plymouth gymnastics team finished third in the 15 and over age group recently in state meet competition. Plymouth's team total was 101.07, trailing

Bloomfield Hills and West Bloomfield.

Dana Worsnop took 10th in the floor exercise and 11th all-round Annette Kubiske was ninth on the floor.

Plymouth Township Board Minutes

TOWNSHIP OF PLYMOUTH
BOARD OF TRUSTEES - SPECIAL MEETING
APRIL 29, 1975

The meeting was called to order by Supervisor McLaren at 7:40 P.M. All members were present. Joseph West moved that the request from Daniel J. Ross, d-b-a Hilltop Glen Golf, Inc. and the Township of Plymouth as co-licensees for a new full year Class "C" License to be located at 47000 Powell Road, Plymouth, Michigan 48170, Plymouth Township, Wayne County be considered for approval "above all others". Supported by Richard Gornick and carried unanimously.

Richard Gornick moved that the Clerk prepare a Resolution opposing House Bill No. 4352 which would cut the Firefighters working hours from a 56 hour average work week to a 50.4 hour average work week. Supported by Gerald Burke and carried unanimously.

Gerald Burke moved that the Township approve the opening and maintaining a Deposit Account at the Detroit Bank and Trust Company, to be known as the Golf Course Fund Account. Supported by Mr. Ash and carried unanimously.

Joseph West moved to adjourn the meeting. Supported by Russell Ash. Supervisor McLaren adjourned the meeting at 11:02 P.M.

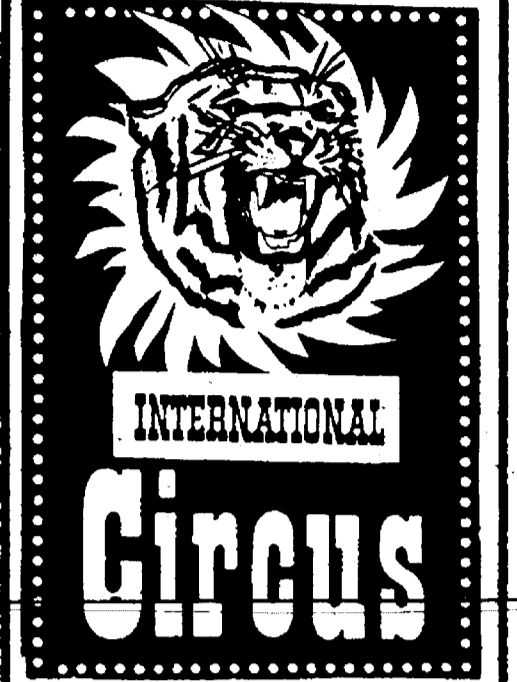

Approved, Respectfully submitted,
J. D. McLaren, Supervisor Helen I. Richardson, Clerk
These minutes are a synopsis. Original minutes are on file in the Clerk's office.

SERVING CANTON & PLYMOUTH

PLYMOUTH COMMUNITY SCHOOL DISTRICT BOARD OF EDUCATION MINUTES

This is a synopsis of minutes of meeting held on April 14, 1975, at Canton High School. Member Lawton was absent from the meeting; about 100 guests attended. Minutes of meetings held on March 22, March 24, March 25 and March 31 were approved as published.

Elden J. Thomas spoke to the Board regarding objections to the 45-15 program to be set up at Miller School, and results of a survey taken among parents in the area which opposed the plan 253 to 78.

ADMINISTRATION ACTION ITEMS: A resolution honoring the Salem Basketball Team in its participation in the State Basketball Tournament was passed. Other resolutions were also approved which would honor the Canton Girls' Volleyball Team, the Centennial Park Orchestra, student Bill Lucas, National Honor Society and Merit Scholar members, and the Centennial Park Jazz Band, all for particular achievements in tournaments and contests.

The resolution from legal counsel regarding the annual election on June 9, 1975, was also approved. Member Borowski and Member Benson were elected as delegate and alternate to the Wayne County Intermediate School District biennial election on June 2.

Progress on 45-15 program implementation was reported, with July 14 as opening date. Board members raised several questions regarding the plan, including how selection process would be carried out, plans being made by Continuing Education and Recreation Departments to serve the schedule, role of building principal, and a listing of matters of concern to Miller School personnel. Administration also indicated there had been no formal decisions made regarding implementation of 45-15 in any of the new

elementary schools at this time. Mr. George Valsa, resident of the area west of Sheldon Road, spoke to the Board in approval of the 45-15 plan. In addition, Dr. Leary felt by implementing 45-15 it would not preclude a modification in course delivery system, and staff would continue to respond to changing needs in curriculum. There was disagreement on the manner in which this discussion had taken place, and a recess was called before further business was transacted. Member Berry was excused.

BUSINESS ADMINISTRATION ACTION ITEMS: Bills for payment in the amount of \$5,661,765.82 were approved. The Pedestrian Overpass at Ann Arbor Trail and Sheldon Road was also approved, at a total cost of \$80,384.25, with the Spartan Sign Company, Inc., as contractor. In addition, it was directed that the overpass would be demountable and relocatable, and that the Board should study the future of Central School and the boundary changes proposed, both to be ready for implementation by 1976 if approved. Liability and maintenance costs of overpass were discussed. The Wayne County Tax Allocation Budget for the 1975-76 School Year was approved, for a total amount of \$17,900,000, to be presented to the County Board during week of April 21. School tax refunds as a result of assessment reduction were approved for Clarence D. and Evangeline M. Sparling, \$200.93, and for Kenneth and Esther Hulsing, \$58.33.

PERSONNEL ADMINISTRATION ACTION ITEMS: Four leaves and resignations were approved. Teachers designated on tenure list as No. 1 through No. 66 were recommended to go to a second year of probation, and those designated as No. 67 through No. 73 and also No. 159 were recommended for tenure, having had prior tenure and requiring only one year of probation. Teachers No. 74 through No. 134, with exception of No. 80 and No. 111, were then recommended for tenure upon completion of their second year of probation. Teachers No. 135

through No. 149 were continued at the Probation I level, and No. 150 through No. 157 at the Probation II level since they had not completed full years in the School District at this point. No action was necessary on contract No. 158.

Tenure was denied to teacher No. 111, and administration recommendation to offer a third year of probation was accepted. It was also agreed that teacher No. 80 would not be offered a contract for the coming year, and that charges would be filed pursuant to the Teachers' Tenure Act against tenure teacher No. 600. Administration was directed to notify these three teachers in writing of the decisions of this Board, and also to notify the Michigan Tenure Commission.

A Screening Committee for selection of an "Administrator of Community Services" was approved.

NEW BUSINESS: A request for early graduation was tabled for further information. A plan for a second Board member to review bills for payment along with the Treasurer was approved.

POLICIES: Use of school facilities policies were returned to discussion at a workshop session, with invitation to community groups concerned and to Committee who wrote the original policy being extended to the discussion, as well as to an expert from the field of the Community School program. Mrs. Mimi Settles from the Plymouth YMCA, rose to express concern with the policy as presently written, especially with charges to be made for certain groups. Other objections were raised by Board members.

The Superintendent pointed out that bids would be due on bus radio transmitters on April 28. The meeting was adjourned at 11:00 p.m.

This a synopsis of minutes and complete set may be reviewed in the Board of Education Administrative Offices.

Proposed airport study meets opposition at hearing

(continued from page 2)

"The same night we got the feasibility study (for Mettetal) the state was at another site meeting and we didn't even know about it," he said.

"The supervisor and the board

of Canton Township are unanimously opposed to a new airport."

"You people here are not unique," said Trout of the FAA. "Nobody seems to want an airport anywhere. The chances

are 50-50 Willow Run won't be expanded. It may even be decreased in capacity."

State and Federal officials said they sought only to study the need for another airport here, and that a review team with

representatives from local governments and planning commissions would be named to oversee the course of the study.

Gehman said the study would include six interim reports and three public informational meetings.

"If elected officials take a firm stand that it won't be built here, then the way I see it it won't be," he said.

Gehman said the county road commission would ultimately decide whether to build the

airport, although a negative environmental impact statement could torpedo the project before construction could begin.

"Even though our projections and the state study show the need for the airport, nobody is in favor of the airport in this group tonight," Trout said.

"I'm afraid your minds might be made up ahead of time," said Plymouth Township resident Richard Richardson. "I'm skeptical whether all of our 'nos' are going to have any effect."

Trade fair offers fun for all

Plans are underway for the Belleville-Canton Chamber of Commerce Spring Trade Fair to be held May 16-18 at the Wayne County Fairgrounds in Belleville.

Businesses and industry throughout western Wayne County have been invited to

participate. More than 150 exhibitors will be displaying or selling their products.

Arts and crafts displays by local artists will include oil paintings, glass-blown items, pottery, ceramics, macrame, metal sculpture, wood carvings, tableau art, silver and jade jewelry and china painting.

Entertainment has been scheduled daily for the arena area for the fairgrounds. The Crossmen, a country-gospel group, will perform at 7 p.m. Friday, May 16. A Saturday matinee and evening performance will be presented

by Joe Prater and the Huron Valley Boys, a Michigan award-winning country-western group. On Sunday, May 18 a speed and action horse show will begin at 9 a.m. and continue throughout the day, sponsored by the Mustangs 4-H Club of Belleville and featuring keg-bending, relay races, rescue races, the Calcutta, cloverleaf and other events.

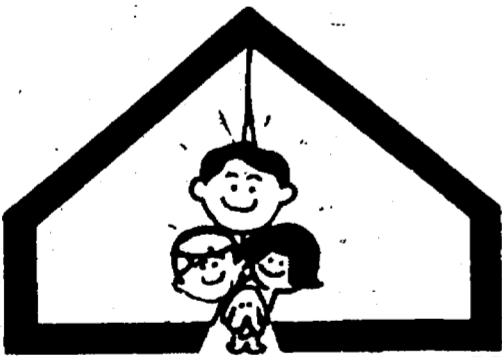

Skaters place

The Southeastern Michigan Freestyle Skating Championships were held at the Garden City Civic Arena recently and Plymouth residents garnered 21 places.

In the tiny tots division, Tina Toth placed second, Susan Moffatt third, and JoJo Bonar fifth. Group one of the 9-10 age class saw Susan Colainni come in fourth and Kerri Bacsanyi eighth. Group two of the 9-10 placed Laura Lundy third, Kathy Donnelly sixth, Christy Smith ninth and Julie Donnan 10th.

The Plymouth 11-12 group was led by Diane Balsley's second. Linda Kaumeyer placed eighth and Patty Larson 10th. The 13-14 age class featured Lisa Agabashian's first. The 15 and over placers were headed by Nancy Cole's fourth and Jeanne Sellman's fifth.

Mixed pairs featured Diane Balsley and Frank Grisa taking a first. The junior ladies pairs placed Diane Balsley and Patty Larson second. Senior ladies pairs saw Nancy Cole and Jeanne Sellman take fifth.

RENT A TENT

Why sit around the house because you don't have the equipment to go camping?

From United Rent-All, you can rent tents, sleeping bags, stoves, lanterns and ice chests. Sorry, you'll have to provide your own fish.

Everything you need for the great outdoors at low weekly rates is yours — from the rental people people like.
