*Teachers warned against 'working and striking'*

## Talks go on, PEA plans picketing

### What's going on here!?!?

IF THIS ROOSTER Looks a little bewildered, you can't really blame him. Who would expect to see Main Street closed off for four hours of chicken races? A crowd of 10,000 curiosity seekers, fowl fans and race promoters turned out Sunday for the First Annual Fowl

Festival sponsored by the Plymouth Chamber of Commerce. The zany event attracted national media coverage for the community and raised \$3,000 for Santa's annual visit. Story and pictures on Page 3. (Crier photo by Robert Cameron)

While negotiations between the Plymouth School District and its teachers are continuing, the process is coming out from behind the closed doors of a negotiating room.

Some 500 persons - most of them Plymouth teachers - jammed Monday night's school board meeting as part of "Phase One" of the Plymouth Education Assoc. (PEA, teachers' union) plan to make its feelings known in the community.

In anticipation of the large turnout at the meeting, the schools had prepared a statement on negotiations which was read at the start of the meeting by School Board President Joe Gray.

His statement said:

"We appreciate that the teachers are working without a contract. Any type of disruption of the educational process could have a harmful effect on the progress of negotiations. As evidence of our good faith and confidence in our professional staff, the Oct. 22 payroll will include payment of all salary increments.

"I want to emphasize that the Board of Education has shown flexibility, patience, and perseverance in seeking a contract with the PEA. The board has made six different proposals. Our team has attended 36 formal negotiation sessions and spent over 130 hours at the table. The Board of Education has been in continual contact with our negotiating team. We have participated in considering and making any offers.

"We are united with our negotiators.

"The Board must operate within certain limitations. We must keep faith with the voters who approved additional operation millage on Sept. 2. We must consider the likelihood of governor's cuts again this year. Long range planning, maintenance and repair of buildings, teaching supplies, legal and insurance costs,

transportation, utilities, in-service-all of these must be restored to a reasonable level of expenditure after several years of cutbacks.

"Through all these long weeks of talking, the two negotiation teams have come closer to an

### Schools eye name change

The Plymouth School Board formally went on record Monday night that it is seeking to change the school district's name.

In a unanimous resolution, the board directed school administrators "to study the feasibility of changing the name of the school district to more accurately reflect the composition of the school community."

With the rapid growth of Canton and its role in the school district, the name, "Plymouth-Canton School District" has been suggested. But school officials added they were open to other suggestions from citizens who may call 453-0200 with ideas.

Are you trapped at the tracks?

BY KATHY KUENZER  
 Canton may not legally be able to prevent township board members from taping board meetings.

So says John H. Bauckham, attorney for the Michigan Townships Assoc. in a Sept. 17 letter to Canton Trustee Jim Poole.

"Contrary to the opinion of Attorney (Bert) Burgoyne," Bauckham says, "we do not believe that the township board can prevent either a citizen or

a township board member from making a tape recording of the conversations and actions conducted at public township board meetings.

"By hypothesis, the township board meeting is a public meeting and all actions taken must be open to the public. The only control the township board would have over the matter would be to curb any disturbance that might occur as a result of the recording

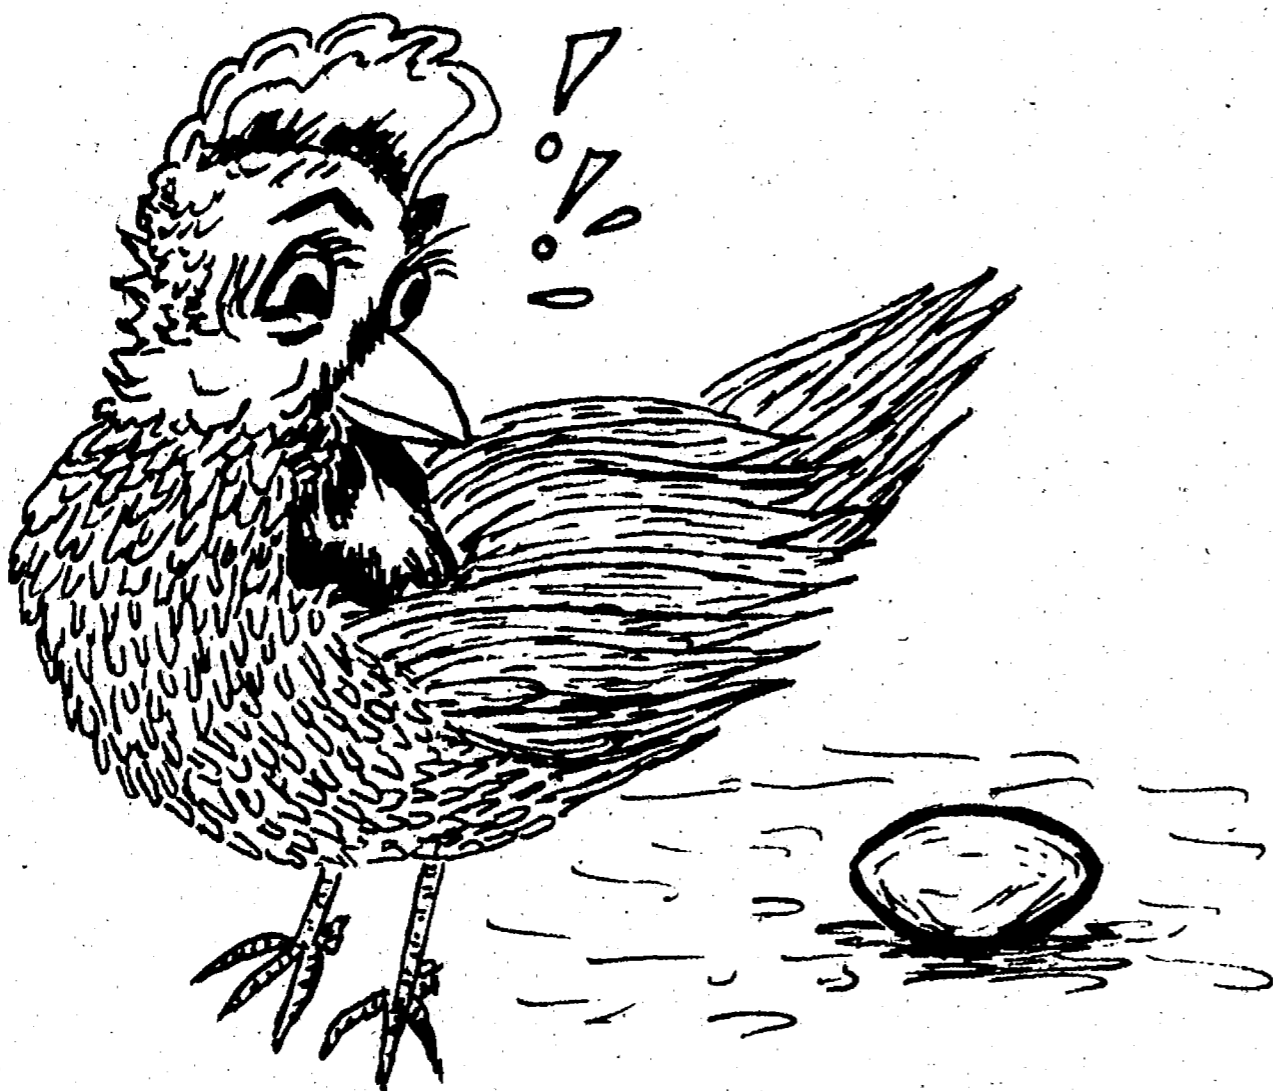

device, such as unreasonable noise.

"Many township clerks use a tape recorder to assist them in drafting more accurate minutes. We believe that any other township board member would have a similar right and that the township board could not curtail such a right."

The Canton board of trustees, on the advice of attorney Burgoyne, last spring voted to disallow taping of the meetings by board members because of the possibility tapes could be used in court against the township by developers or builders.

"Any tape recordings pose some difficulties with regard to their use in evidence in a court of law," says Bauckham. "They must be carefully authenticated and satisfactorily shown not to have been in any manner edited. We do not believe it would make much difference in their production as evidence whether the tape recording device was owned or operated by a township board member as distinguished from a private citizen. This would be especially so if they were not officially authorized by action of the township board," Bauckham concluded.

## Candidates' nights set for next Tues., Wed.

Two "Meet Your Candidates" nights will be held in the Plymouth area the week of Oct. 19.

Sponsored by the League of Women Voters, the American Assoc. of University Women and the Miller School Community Action Council, the two sessions will be held to acquaint voters with the candidates for national, state, county and local legislative offices.

All certified candidates, including major, minor and independent party nominees, will be included.

On Tuesday, Oct. 19, voters will have a chance to meet with the 2nd district congressional candidates and State House of Representatives candidates from the 35th, 36th and 52nd districts at the Plymouth City Council Chambers at 7:30 p.m.

On Wednesday, Oct. 20, candidates for Canton government and from the 15th congressional district, 37th state district and 27th county commission district will appear at a candidates' night at Miller Elementary School on Hanford Road in Canton from 7:30 to 10 p.m.

The format for both meetings will include a short introductory statement by each candidate followed by questions from the audience.

## AA Trail due to close

Drivers who use Ann Arbor Trail between Sheldon Road and Main Street, as well as residents and businesses there, should expect the street to be blocked off during paving there soon.

According to a letter from City Engineer Alan Gove to residents on Ann Arbor Trail, traffic will be blocked off for four days while new asphalt is being laid.

# Fowl fest perches Plymouth on top of the roost

BY W. EDWARD WENDOVER  
It was the zaniest thing imaginable.

Who would have believed three months ago that the chamber of commerce (a generally discreet, inhibited organization) would get the city to block off Main Street for a chicken flying contest or that some 10,000 souls would brave a blah weather day to see that chickens really can't fly very well?

In fact, most of the 90 chickens entered in Sunday's First Annual Fowl Festival didn't fly at all - they fell.

Most of the chicken entries barely got a chance to flap their wings after some encouragement from the working end of a plumber's helper and nosedived straight down into the street.

Some of the birds even registered negative yardage as they fell out of Kirk Lorenz's (patent applied for) launching platform that combined four bushel baskets, an equal number of plungers and a make-shift gate opener. The whole thing looked more like a hangman's rig than a chicken launching pad and apparently the chickens thought so too.

But despite a few technical and organizational difficulties, the day's festivities surprised a lot of folks who thought nothing out of the ordinary ever happened here.

"They're having a what?" inquired one out-of-towner who was passing through and asked what the commotion was all about. Those who did brave the chill to satisfy the curiosity were rewarded by the two impressive flights put in by the winning bird, "Dumb Cluck," entered by Plymouth Boy Scout Troop P-6 which meets at Smith School.

On his first flight, the feisty bantam rooster veered right and flew into the crowd while registering a 45-foot distance - far and away the best distance of the qualifying heats.

Then in the finals, Dumb Cluck seemed like he'd make it all the way to Northville until he

The winning chicken was supplied to the scout troop by Walker - Rafferty, whose own entry also won a heat.

crashed into the front of a Chevy van parked in this flight path on Main Street. But while the scouts may cry, "Foul (or is it fowl)" over the hindrance, the 62-foot final flight was much more than enough to set the day's record, and win \$200.

Second place was won by Lent's Lecher (of Lent's Men's Clothing) which wore a green

Cont. on Pg. 19

**THE CHICKEN RACES** were a mixed bag of events. In far right photo Queen of the Coop Julie Thoman helps Egg Expert Bill McCully load up his bird which won its heat. In photo at left, race watchers shared some popcorn with an entrant. In photos below, the "ins" and "outs" of chicken launching are demonstrated by Mayor Joe Bida and Jamie Lent, whose bird placed second. (Crier photos by Robert Cameron and W. Edward Wendover.)

# Canton budget up 10%, more goes to reserves

BY TED EVANOFF

More money will flow to Canton Township coffers in fiscal year 1977 than did this year, with the bulk coming from a higher assessed valuation for the township.

According to the 1977 budget presented at last week's public budget hearing, an expected \$200,000 revenue increase will finance and upgrade township employee hospitalization program, cover employee salary and wage raises, plus accom-

panying increases in social security and pension funds, and aid purchase of land and equipment.

The 1977 budget totals \$1.75 million, compared to \$1.55 this year.

The budget presented at the public hearing is only an estimate of future costs and still subject to revisions. It reflects three changes over the 1977 "working" budget presented in September.

The biggest change in a \$60,000 increase in the total income, attributed to expectations that \$40,000 more in building permits and \$20,000 more in plumbing permits will be incoming than had been estimated earlier.

Of the \$60,000 increase in expenditures, the police salaries category received \$31,000; \$25,000 went to the purchase of used voting machines, should they become available - with the expectations that six precincts will be added to the township.

and \$4,000 as the township share of the Plymouth-Canton Athletic Assoc. fund.

The second change was to slice \$40,000 from firemen's salaries and apply it to land purchase. With negotiation over, it has been determined that the extra money is not needed.

The third change involved bringing the 1976 budget up to date. The Board of Trustees has approved \$80,000 worth of adjustments.

The township trustees reviewed the 1977 budget last night. At the Oct. 5 public hearing, there was no debate from the seven private citizens who attended. The trustees, in a session which followed the hearing, asked only for minor clarifications on a few items.

The expected \$200,000 revenue increase comes from: - a \$130,000 rise in current taxes, from \$920,095 this year to \$1,049,709 next year. The higher assessed valuation (from 1.07 to 1.12) along with an increase in building caused township valuation to jump \$26,000,000 in 1976 to about \$210 million.

The addition of the single Business Tax which adds \$25,000;

- a \$24,000 rise in the one per cent collection fee from \$87,149 to \$110,933 and

- \$21,000 increase in licenses and permit fees, from \$232,000 to \$253,000, (had the township not revised upward figures for building and plumbing permits

this category for 1977 would be \$193,000.)

The majority of the 1987 revenue increase will aid purchase in seven budget categories. Those items account for \$193,000 of the expected \$200,000 increase. The additional revenue has not funded any new budget items but will be used to supplement or upgrade existing programs. The expenditures include: - A \$20,000 raise for building and ground clerical personnel, from \$40,000 this year in total salaries to \$60,000 in 1977;

- a \$42,000 rise in police fees, from \$6,000 budgeted this year to \$48,000 next year (in earlier budgets submitted for 1977 this category was \$17,000); - a \$43,500 increase in inspectors wages, from \$66,500 to \$110,000,, reflecting the

addition of more personnel; - a \$40,000 addition to land and improvements expected to aid the purchase of land adjacent the meeting hall - fire station on Canton Center Road; from \$147,958 to \$208,375;

- a \$42,000 increase for hospitalization, social security, insurance and pensions; social security costs climbed \$14,000 to \$44,000 for 1977; the hospitalization plan was upgraded to a master medical plan at a \$9,000 cost, bringing the category to \$39,000; general insurance went up \$10,000 and will cost \$25,000 in 1977; life insurance increased \$2,000, to \$9,000; pensions increased \$3,000, to \$75,000; an optical plan was added at \$1,000 cost; and Michigan Employment Security costs are \$3,000.

## Swine flu shots ready

Free swine flu shots for the high risk population will begin Wednesday and Saturday Oct. 20 and 23, at two clinic sites in the Plymouth-Canton area.

In Plymouth, vaccinations will be available at Tonquish Creek Manor, Community Room, 1160 Sheridan. In Canton they will be given at Geneva United Presbyterian Church, 5835 Sheldon Rd. Hours of the clinics will be 10 a.m. to 6 p.m.

High risk are those people over 60 and those of any age over three years suffering from chronic (continuous) diseases

such as heart disease, chronic respiratory disease, chronic kidney disease and diabetes.

The elderly and chronically ill will receive a bivalent vaccine which will protect them against A/Victorian flu as well as swine flu. The shot is estimated to be between 70 and 90 percent effective in preventing flu caused by the swine virus.

The remainder of the population, not in the high risk category, can expect to receive their flu shot starting Nov. 8 at 47 community site locations designated in Wayne County,

# Reserve dispatchers' hiring questioned

BY KATHY KUENZER

Were the dispatchers for the Canton Reserve Police Department legally hired?

"No," says Canton Trustee Jim Poole, and he points to a legal opinion that has been in the hands of township officials for three months to support his contention.

"It was probably understood (by the board of trustees) that the dispatchers section would be a part of the reserve force," says Poole. "That means the reserves would man the dispatch section."

But, says Poole, the current reserve dispatchers are either unsuccessful candidates - "flunk outs" - of the reserve training class or women who were not a part of the class at all.

"These people were never appointed by the board to be dispatchers," says Poole.

And, he says, an opinion sent to the township by township Attorney Walter Guth, dated July 15, says it is the function of the township board to create and fill positions in the township.

"It is our opinion that the Township Supervisor may neither create nor fill offices or vacancies within the Township," says Guth, "and that this function is vested solely with the Township Board in its exercise of both legislative and administrative authority by virtue of the constitutional and statutory

powers conferred upon it."

"The board never established a special dispatch section," says Poole. "So if they were established as a separate section, then that too is illegal."

Poole says most of the problem was "probably caused by ignorance and over zealotness" on the part of the township administration.

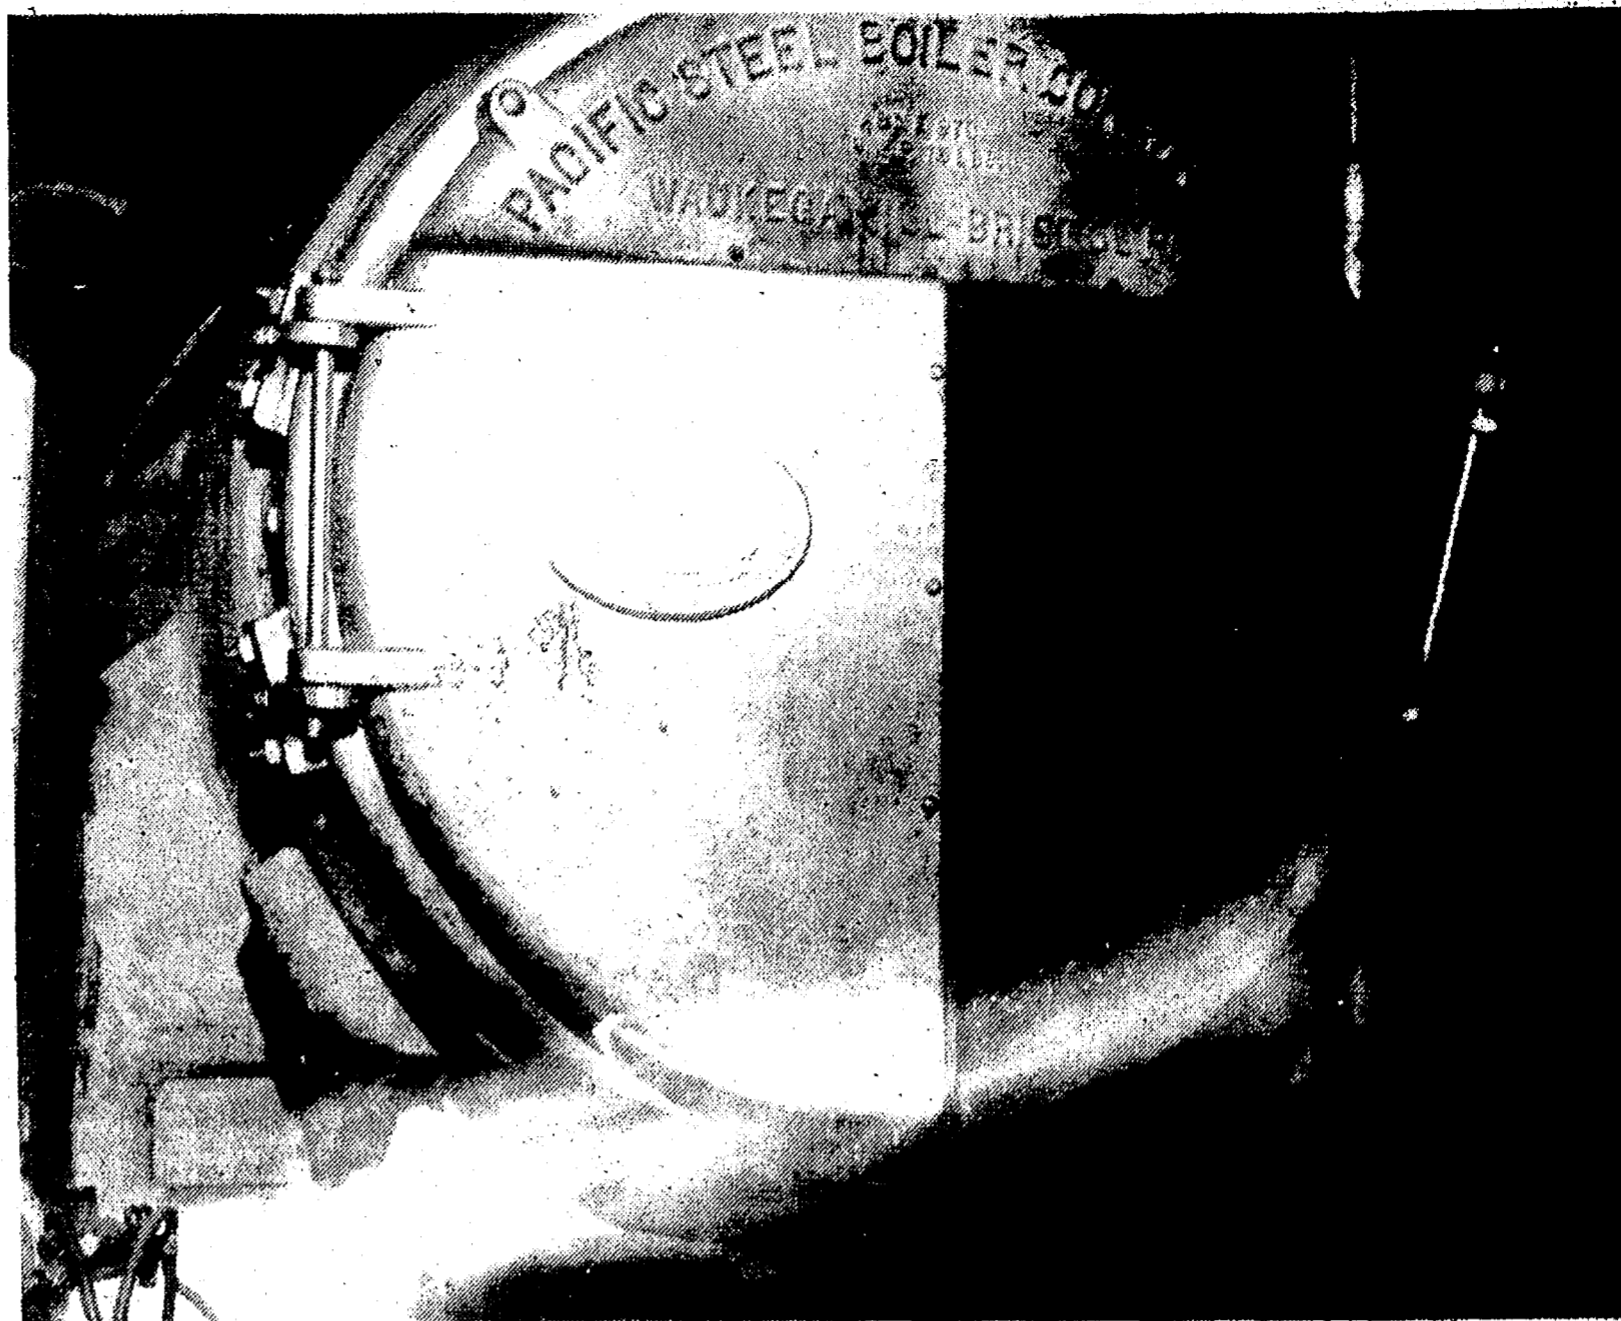

"It's unfortunate, -because most of these people (dispatchers) are conscientious," he said.

## WSDP radio sets program

The Plymouth School District's student-run radio station, WSDP, (89.3 fm) has announced its regular weekly schedule.

On Thursdays at 6 p.m. it's "Classical Music" featuring Debbie Johnson and Kris Koepke as narrators. Fridays from 6 to 7 p.m. "The Comedy Hour" is broadcast followed from 7 to 8 p.m. by "Jazz" with Ken Zonca.

Special broadcasts in the coming week include: play-by-play action between Canton High School and Livonia-Churchill at 8 p.m. on Thursday, Oct. 14; coverage of the girls' basketball game between Salem and Edsel Ford High Schools at 8 p.m. on Tuesday, Oct. 19;

## Disaster nearly hits Mayflower

A BROKEN GASLINE in the boiler room of the Plymouth Mayflower Hotel shot a flame across the room moments before it blew itself out last Wednesday, causing raw natural gas to filter into the hotel rooms above. Dan Smalley, 32, a bellhop at the hotel, was listed in good condition yesterday at the Burn Center in Ann Arbor where he was taken by the first Plymouth firemen arriving at the scene after being burned when the boiler blew up while he was inspecting it. Robert Cameron, Crier photographer, said the flame went out soon after

this picture was taken. Lt. Hank Berghoff of the Plymouth Police Department began evacuation of the hotel immediately. Additional firemen were not immediately available, but after the Consumers Power man determined the level of gas in the boiler room to be a 40 per cent - a highly dangerous level - Fire Chief George Schoenneman arrived on the scene and dispatched more firemen. The gas line was soon shut off and firemen blew the remaining gas fumes from the building with a large fan. (Crier photo by Robert Cameron)

# YOUR FREE CHECKING HAS

# Stick up for your rights, letter writers!

THESE FOLKS from the First Baptist Church spent Saturday cleaning bottles, can, and other rubbish from the Miller Woods on Powell Road. The only climax forest in the area, and at that, and ecological wonder, the woods have been used as a dumping ground by many inconsiderate people. But you might say

the do-gooders were rewarded with a little manna from heaven - while collecting trash they discovered a large apparently-edible puff-ball. The ecology-minded folks are: (from left) Jamie Heller, Jim Hayes, Chapman Burl, Bill Heller, Russell Bjornbak and Chris Garcia. (Crier photo)

## Why is high-rise criticized?

Editor:

We are concerned and disappointed in the two city commissioners we endorsed that have apparently no idea what it means to grow old and what it means to need housing in the downtown area, where older people without transportation and many who soon will be unable to drive could enjoy their last few years of life in fellowship, band concerts, fall festival activities and be in the center of all their needs instead of living out in a pasture and forgotten.

How come so many alternates for providing housing for the elderly after the city has such a wonderful project offered to

them and if not accepted at the election will be given to another city who will be glad to have it?

There is a representative from the "Forest City Dillon" developers at the Grange Hall, 273 Union St. from 11 a.m. to 7 p.m. Monday thru Thursday and on Friday morning from 8:30 a.m. to noon, that will clear the minds of all voters.

Pictures of proposed building and grounds, plans, information on who will be eligible and other information that you might want are available. We wish everyone both for and against this project would please make it their business to get the truth and not listen to rumors.

We have been taxpayers in the city of Plymouth for over 50 years, lived within walking distance of downtown, helped in many ways to educate the younger generations. Due to an accident we have had to sell our home downtown and move into an apartment (fortunately just within the city limits but a great distance from downtown.) We could name many others (former taxpayers of Plymouth) that were unable to maintain their homes and had to sell and move to apartments in the township and elsewhere. These are the people that helped make Plymouth and would move back here if such a project as this one becomes a reality.

We have visited two of the Forest Dillon Senior Citizens Buildings in other cities now in operations, have talked with many of the tenants who are happy and we will be most happy to spend our 60th wedding anniversary in one of these apartments in Plymouth on Nov. 29, 1977.

When one speaks of "High Rise" spoiling the "Image of Plymouth" - it has already been spoiled by letters in the newspapers, actions at the city commission meetings and false information from those opposed to this project. We have nothing but praise for those supporting same and say thanks.

If by chance you are confused by this letter just remember you might need a nice place to live, centrally located when you become 62. We urge you to vote in favor of the referendum that will make this possible.

LLOYD AND MAY, FILLMORE

plus the names of Harold Stein, Ann Bradley and Eugene Daley, Canton candidates.

A perceptive viewer might have scanned a little further in the letter head to the left to see who the officers, chairpersons, trustees, sergeants-at-arms and state central committee were - and found the name of Robert Greenstein under the "Trustees" column.

Can there be two such gentlemen? Or is Greenstein the victim of majority rule in the endorsements of the 15th District?

Never thought we'd see the day.....

KATHY KUENZER

## Greenstein via Dem. party endorses Stein slate?

Do our eyes deceive us? Or does Canton Supervisor - write-in candidate - belong to an organization that is endorsing the Democratic Harold Stein slate in the Nov. 2 election?

There it is in black and white on the missive from 15th District Democratic party Chairman Vincent J. Petitpre to "Voters of Canton Township."

"As the chairman of the 15th Congressional Democratic Party it is my pleasure in behalf of the officers and members to inform you that the following candidates are officially endorsed by the Democratic Party."

There follows the names of three candidates for United States, state and county posts.

Editor:

In the past few years I have noticed that "Letters to the Editor" seem to have decreased.

There were a flurry of letters in the past few months, but many of them were not signed but were marked name withheld.

The letters were well-written and you could tell that the writer had put a great deal of thought into the problem he or she was writing about. But a lot of value is lost unless a person signs their name.

This Bi-Centennial year has made us conscious of our American Heritage. We have the right of "Free Speech" and a letter worth writing is worth signing. I hope Citizens continue to write and express their feelings.

I, for one, admire people who "Stand Up and Fight!"

LORETTA J. OLSON

Page Six

## Community Opinions

THE COMMUNITY CRIER: October 13, 1976

## Candidate says 'get truth from me'

Editor:

Regarding Candice DeGiorgio's letter - first of all, if there is anything of my personal business that you would like to know, you could get it first hand from me.

At least that way you would get the truth, not fabrications from the present administration.

For one thing, I don't feel that I should be, or am exempt, from township ordinances. We have been in the business here for over 20 years.

The one thing I resent is that the only people issued violations to are people who are opposing the present administration, not people allied with it. Our present supervisor does not seem to have the best interest of all of Canton residents foremost in his heart.

If he was concerned about the citizens of Canton and felt there was a problem why didn't he contact these residents in good faith and talk to them as human beings and inform them of the problem instead of sending an ordinance officer who didn't know the difference between useable machinery and junk.

You are badly mistaken if you think I am trying to get out of paying personal property taxes because a protest was filed. This is our right as American citizens, we will pay whatever we are told to pay. You see, we feel the Michigan Tribunal will be fair. We certainly pay our fair share. Do you?

Yes Canton should wake up, especially people who deal in half-truths and insinuations.

ANNE BRADLEY

# Stein says 'develop', Bundarin says 'restrict'

BY KATHY KUENZER

Both Canton supervisor candidates on the Nov. 2 ballot agree the recently-passed Master Land Use Plan should not be scrapped in its entirety, that parts of it could be implemented as they stand.

But neither Harold Stein, the Democrat, nor Peter Bundarin, the Republican, feel the Master Plan is the final word in the regulation of Canton's future growth or development.

"Every city or township should have a plan," says Stein, "but in its present form I find exception that the master plan was passed by the Wayne County Planning Commission with an amendment that equity must be provided - and the present administration hasn't done that."

Stein says he thinks there **Dem Club invites Canton hopefuls**

An "All Candidates" debate, sponsored by the Democratic Club of Canton, will be held on Friday, Oct. 15 at 7 p.m. in the Canton High School cafeteria.

All of the candidates for office in Canton were informed of the debate by registered mail late last week the Dem Club said.

Several, however, including Democratic candidate for supervisor, Harold Stein, Republican candidate for trustee Jim Poole and Republican candidate for treasurer Bart Berg, have said they will not appear.

"Thanks, but no thank you," Berg replied to the Democratic Club.

The Democratic Club is supporting Supervisor Bob Greenstein and his slate members. They were defeated in the August primary and have announced they will run for a write-in campaign.

## local ballot 1976

"could be some parts in the old (1974) plan that could be used. I would not chuck the plan, but the township would be faced with numerous lawsuits in its present form.

"If a new, revised plan is drawn up, it has got to be equitable to everyone in the township."

Bundarin wouldn't scrap the old plan, either he says, but "supplement it with a Growth Control Ordinance."

"Canton will be in real problem without growth control. The budget has shown a surplus

but with increased growth we will need even more services."

Bundarin has often mentioned using the model of the "Petaluma (California) Plan" which restricts the number of building permits issued, as a basis for slowing growth in Canton but says he would modify it to suit Canton's needs.

"The Supreme Court upheld an appellate court's view of the right of a community to control growth under certain defined conditions," says Bundarin in regard to the Petaluma Plan. "Since there are no two communities alike, the change in circumstances wouldn't allow an opening for developers to immediately start litigation on the plan. I would be remiss to think here would be now lawsuits over such a plan in Canton. But a three-to-four year respite for the lawsuits would slow down growth and be cheaper in the long run."

Stein disagrees that a Petaluma-type plan would work in Canton.

"If you talk about growth control you are talking about litigation," he says. "I would rather see growth based on the needs of an expanding population, developing a percentage of residences, business and industry."

"We have got to provide now for future expansion. Which is going to be cheaper, to build now or later? Eventually it will be built, with what is predicted as our future growth, and it's just as cheap to put in 15" sewer pipes as 12" on both sides of Canton Center Road.

"And we've still got the farmers to deal with."

Bundarin's views on commercial and industrial development "should be discussed as separate issues," he says.

"Within the range of growth

control, studies have been done on the optimum square footage of commercial development for the population. I want to protect the businessmen here. I want to attract business, but attract the right business so we can give them the right to earn a living. Adequate surveys need to be done to determine the need for a business to ensure an adequate market for their goods and services."

Both candidates agree that good planning should include setting aside land for recreational use. While Stein doesn't specify what types of lands he would prefer to see used for recreation, Bundarin says the township should buy "more small parcels."

But both agree that more cooperation between the schools and the township over shared recreational use of school property would be to the interest of Canton citizens.

## Real Estate

BY WILLIAM DECKER  
REALTOR

### A BETTER BUY

Sure mortgage interest rates are higher than they were, but so are the market values of homes and land. Please believe me when I say that even at today's inflated prices and interest rates, real estate is a better buy than anything else you can go after with borrowed dollars.

Financing for other purchases often costs twice as much - and these things depreciate while a house usually grows in value. Check the trade-in value of your car when you turn it in for a new one. Also for the past ten years, real estate values have doubled the increase in the Dow Jones average.

In this sense, real estate is the most worth-while investment you can make, and your best protection against inflation. And don't forget the priceless dividends your family will enjoy as you live in your growing investment.

★

If there is anything we can do to help you in the field of real estate, please phone or drop in at **REALTY WORLD**, Wm. Decker, Inc. Realtors, 670 S. Main St. Plymouth. Phone: 455 - 8400. We're here to help!

**Girl Scouts  
train leaders**

Training sessions in "effective leadership" will be offered to Girl Scout troop leaders and committee members on Oct. 18 and Nov. 2 at the First Presbyterian Church, 701 Church St. Plymouth.

The sessions will be held during the day and babysitting will be available.

Session 1 is scheduled for 9:30 a.m. to noon on Monday Oct. 18, and will center around basic philosophy behind Girl Scouting. What the leader does and why girls join will be discussed.

Session 2 is set for 12:30 to 3 p.m. on Oct. 18 and will focus on the details of troop management. Discussion of financial management is included.

Session 3 will be held Monday Nov. 1, from 9:30 to noon and will center around basic philosophy behind Girl Scouting. What the leader does and why girls join will be discussed.

Session 2 is set for 12:30 to 3:30 p.m. and will focus on the details of troop management.

Discussion of financial management is included.

Session 3 will be held Monday Nov. 2, from 9:30 to noon and will center on troop activities and ceremonies. Session participants will learn about age level progression in Girl Scouting and how to plan a typical troop meeting.

Session 3 will be held Nov. 2, from 12:30 to 3 p.m. and will emphasize "putting it all together." This session will summarize previous session and take up the question of making the Girl Scout program worthwhile for participants both leader and troop member. What a girls expects from a leader and how a troop program is evaluated will be included in this session.

The sessions are being sponsored by the Huron Valley Girl Scout Council. Participants are requested to bring a lunch. Call Mrs. Penny Schaw at 455-7775 for more information.

**What's happening**

THE PLYMOUTH FIFE AND DRUM CORPS will hold a DONATION DAY at the A and P located at 42475 W. Seven Mile and Northville Rd. on Monday Oct. 18. Five percent of all expenditures by corps members with identifications cards will be donated to the Fife and Drum Corps. Shopping hours are from 8 a.m. to 9 p.m.

The Sarah Ann Cochrane Chapter, DAUGHTERS OF THE AMERICAN REVOLUTION will meet at the home of Mrs. John C. Burkham, 535 E. Eight Mile Rd. Northville on Monday Oct. 18 at noon. It will be a sandwich lunch. The speaker will be Mrs. Arlen R. Hewellwarth from the Sarah Caswell Angell Chapter of Ann Arbor. Mrs. Hellwarth will discuss the ERA.

# What's happening

JACK MINER'S BIRD SANCTUARY & POINT PELEE TRIP planned for Saturday, Nov. 6 by the Plymouth Pathfinders. Includes a train trip through the park and a visit to the Trading Post, plus dinner. Cost is \$12. For further information please call Dept. of Parks & Recreation - 455-6620. All are welcome.

THE PLYMOUTH THEATRE GUILD, a Plymouth Recreation Department sponsored group, will be presenting the play, "PURSUIT OF HAPPINESS" Oct. 15, 16, and 17 at the Cultural Center for all three evening performances. Tickets are \$3 for adults and \$2.50 for children under 12.

FREE! MOVIES for children will be shown the 4th Saturday of each month beginning Oct. 23 at the Plymouth Community Cultural Center. The movies run from 10 a.m. to noon. Hot dogs and Cokes available for a nominal charge.

HATHA YOGA for adults will be offered once again this fall beginning Tuesday afternoon, Oct. 13, from 1-2:30 p.m. Register at the Cultural Center from 8 a.m. to 5 p.m. The fee is \$15.

THE PLYMOUTH ROCK AND MINERAL SOCIETY meets the second Monday of each month at 7:30 p.m. at the Plymouth Cultural Center.

THE FOLK DANCE CLUB will meet once again on Friday evening sat 8 p.m. at Bird School, 220 Sheldon Rd. This recreation sponsored group is open to junior high students through adults from novice to experienced. Contact Joe Azbill at 455-6163.

PLYMOUTH and SALEM HIGH SCHOOL JUNIORS and SENIORS will join with Novi, Northville and South Lyon High Schools to sponsor a "COLLEGE NIGHT" program on Tuesday, Oct. 26, at 7:30 p.m. at South Lyon High School. Representatives from Michigan colleges and universities will be present to answer questions concerning tuition, costs, academic programs, entrance requirements, athletics and financial aids. Plymouth students should see their counselors for maps and additional information.

EAST MIDDLE SCHOOL 6th graders and their families are invited to a DESSERT POT LUCK on Wednesday, Oct. 13, at 7 p.m. Faculty and PTSO members will be on hand to welcome the new students to the school, and following dessert there will be a brief meeting to explain the outdoor education program.

DELTA ZETA ALUMNAE of WESTERN WAYNE COUNTY will hold their Wednesday, Oct. 13, meeting at 8 p.m. in the home of Mrs. Donald Larson of Farmington Hills. The program for the evening will be given by a representative from Growth Works who will explain their work with young adults. Co-hostesses for the evening will be Mrs. Bruce Coley of Livonia and Mrs. Michael Frederick of Plymouth. Members attending are asked to bring candy for the Northville Training Center.

The ST. KENNETH'S SENIOR CITIZENS will meet at noon on Tuesday, Oct. 19, at the church on Haggerty Road. Bring a bag lunch. Refreshments will be provided at the meeting. The program will be a talk and display of authentic American dolls. Meetings are held the third Tuesday of the month.

The business meeting of the NATIONAL ASSOC. OF RETIRED FEDERAL EMPLOYEES, Chapter 1103, will be held today, Oct. 13, at 1:30 p.m. in the Plymouth Credit Union. All federal civil service employees, their spouses or survivors are invited. This meeting was erroneously announced as being last Wednesday. The NARFE meets regularly on the second Wednesday of the month.

The Plymouth-Northville Chapter of the MICHIGAN ASSOCIATION FOR CHILDREN WITH LEARNING DISABILITIES will meet on Wednesday, Oct. 20 at 7:30 p.m. in Pioneer Middle School. Dr. Sheldon Brenner, pediatrician, will speak on the topic "The Role of the Pediatrician in Detecting and Dealing with Learning Disabilities."

Boys and girls from third grade to 10th grade can still sign up for PCBAA BASKETBALL on Saturday, Oct. 16, from 9 a.m. to 2 p.m. at West Middle School, Ann Arbor Trail and Sheldon. Registration fee is \$7.50. Participants must be accompanied by a parent to register. The program starts Oct. 25 and ends March 5.

The Northville-Plymouth-Canton-Novu LEAGUE OF WOMEN VOTERS will sponsor a discussion program entitled "ELECTION LAWS" on Wednesday, Oct. 13, at 7:30 p.m. at the home of Marth Lyon, 710 W. Main St., Northville. The public is invited to attend. For further information on the program or the LWV call Annalee Mathes at 349-7334.

The Western Wayne County Unit of the AMERICAN DIABETES ASSOCIATION (ADA), Michigan Affiliate, will hold its first meeting on Wednesday, Oct. 13, at 7:30 p.m. at West Middle School, Ann Arbor Trail at Sheldon. Helen Folske, a dietitian at St. Joseph Mercy Hospital, Ann Arbor, will speak on "The Importance of Diet in the Diabetic." She will also answer questions on the new exchange list from the ADA. The public is invited.

The first FALL BAZAAR will be presented by the Philoptochos of the Virgin Mary of NATIVITY OF THE VIRGIN MARY CHURCH, 39851 W. Five Mile, at Haggerty, on Friday and Saturday, Nov. 5 and 6, from 10 a.m. until 5 p.m. Lunch will be served both days continuously from 11:30 a.m. Featured at the bazaar will be Greek delicacies, crafts, imports, plants, Christmas booth and a drawing.

## C of C sets proposal discussion

In an effort to highlight some of the issues of the November election, the Plymouth Chamber of Commerce, in conjunction with the Michigan State Chamber, will present a program entitled the "1976 Voter Road Show."

The program will be given on Tuesday, Oct. 26 at Mayflower Hotel. A cash bar begins at 11:30 a.m. with the luncheon program following at noon.

Discussed will be unemployment compensation plus the three ballot proposals, including tax limitations, "fair share" tax revision and forced deposits on beverage containers.

Through audio-visual presentations and a panel discussion the chamber will attempt to inform participants of the details of each proposal.

Reservations, at \$5 per person, should be made with the Plymouth Community Chamber of Commerce, 878 Wing Street, by Friday, Oct. 22.

The public is invited.

## City seeks poll help

If you can spare a few hours on election day, Nov. 2, and are a registered voter in the city of Plymouth, you may be able to help the election process and earn \$30 besides.

City Clerk Paul Brumfield is looking for more election workers to help administer the polls on election day. Interested city voters may call him at City Hall (453-1234) by noon Friday.

# Leader dog training reaps personal rewards

By CELESTE BEROZA

Steve West has spent at least 20 minutes every day for almost a year training his purebred, yellow Labrador retriever, Kelly, but soon he will be forced to give her up.

The 13-year-old Plymouth Township youth is raising his dog to become a leader dog for the blind in a 4-H affiliated puppy program. Under terms of the program, he is required to return her to the school in another month.

When asked how Steve and his family will feel when Kelly leaves, his mother said, "We try not to think about that, but we would feel terrible if she were rejected from the leader dog school after all our work."

Steve's willingness to take on this responsibility even though

## the Crier's friends & neighbors

he receives nothing from the experience but personal satisfaction attests to his love for animals.

His goal is to build a healthy, happy, self-confident dog. Thus Kelly's training has taken the cooperation of everyone in the West family so she will not become a one-person dog. It is important that a leader dog stay independent, Steve says.

In order that she be exposed

to a wide variety of experiences, the yellow Labrador has been taken on elevators, up open steps, across slippery floors, to a horse ranch and the Fourth of July fireworks.

"She behaved well at each of these places," Steve said, "but she was terribly frightened of thunder at first and since we live near Ann Arbor Road, it is hard to keep her out of the street."

Unlike an ordinary household pet, Kelly cannot be punished except with vocal disapproval. Thus she will not become afraid of people. Also, as a leader dog, she must be accustomed to traffic.

She is also taught simple commands and tricks such as sit, down, stay, and shake. The command "heel," however, is not taught, as a leader dog must lead.

Although Kelly was given to Steve free of charge at the age of eight weeks, he is responsible for all the costs, including veterinary bills, that she incurred during the year.

His mother, Mrs. Terry West, estimates this figure to be \$170, but she says, the family decided that Kelly would be their community service project.

Steve has enjoyed Kelly so much he is already making plans to build a kennel in the backyard and raise another puppy in the spring.

"We think Kelly's been a wonderful dog," Mrs. West said. "In fact, our nickname for her is, 'Super Dog.'"

Further information about the puppy program may be obtained from Mrs. West at 453-6184.

## Donations desired for aged

The Wayne County Office on Aging needs new and used tools to help low-income senior citizens with necessary home repairs.

An appeal is being made by county officials to businesses, community leaders, junior chambers of commerce and concerned citizens to donate a wide variety of tools, equipment and building supplies to be used in a county-wide home repair program for the elderly.

In addition to the tools, the county is seeking donations of building materials such as lumber, paint, plaster and cement.

Businessmen or private individuals who would like to make a tax-free donation to this project are asked to contact the Wayne County Office on Aging at 224-0954.

ENJOYING HIS LAST FEW DAYS with Kelly, a yellow Labrador retriever, Steve West plays with the dog in front of his Plymouth Township home. He has spent almost a year raising Kelly to become a leader dog, and she will be returned to the school next month.

## New school tour highlights change

With an increase of 1,000 students since last year and the addition of three new elementary schools this fall, Plymouth School system is considered the fastest growing school district in the state, according to Florence Beier, community relations director for the Plymouth school district.

She took a group of people from the Chamber of Commerce, the Welcome Wagon and the Community Crier on a tour of several of the school buildings Monday.

"The three new schools Hulsing, Field and Eriksson are basically identical in that they all center around a large, open media center," she said. "Although they opened their doors Sept. 9 they are not completely finished. All the furniture has not arrived yet and playground equipment hasn't been set up."

Kate Otto, principal of the Hulsing school, said the parents have had a very positive attitude toward the school and have been very cooperative in putting up with the inconveniences. The school set-up is a random one without the traditional doors and walls separating classrooms. Instead storage cabinets are used.

"This arrangement is conducive to the 'open' classroom type of teaching," Mrs. Otto said. "But I treat my teachers as individuals allowing them to work in the atmosphere they feel most

comfortable with. This may be an "open" classroom, a traditional classroom, team teaching or a combination of these methods."

She said that children with learning disabilities are not separated from the rest of the class but specialists are integrated into the normal routine so the child does not feel ostracized from the class. This technique is called "mainstreaming."

An innovative structure in the middle of Hulsing school is a two-step platform which was nicknamed "Smoky Mountain" by the children.

"This is a very special place for the students," Mrs. Otto said. "It's a place to listen, to perform, or just curl up with a book."

Media centers are not just limited to the new schools. At Gallimore Elementary, which is 20 years old, a very complete center exists, including cassette tape recordings, film strips and audio visual equipment which the children are taught to operate themselves.

"Actually a media center is an expanded library," Kathy Schmidt, media specialist for the school, said. "We have story time for the younger children and stress book care and reference materials to the older ones."

Gallimore also boasts an outdoor nature center which

# How schools keep pace with growth

Cont. from Pg. 10

parents, teachers and students have spent many hours developing. The outdoor lab is complete with fallen logs, a stream and a marked trail. A sign at the entrance proclaims, "use your head or Mother Nature will be dead."

"Basically all our elementary schools have the same curriculum," Mrs. Beier said. "But each school has developed a distinct personality because of the interest and desires of the parents sending their children to the school."

Pioneer Middle School, opened in 1969, is the newest of the four middle schools, housing grades six through eight. Gerald Elston, principal of the school, explained that Pioneer operates on a time-block system. The day is divided into periods and each block is composed of two periods. Classes are either single block (two periods) or double block (four periods)

"The block system allows for interdisciplinary studies and team teaching," Elston said. "This way something learned in social studies can be applied to science and vice versa."

The school is also equipped for industrial arts, home economics, (now called family living) arts and crafts, chorus, band and orchestra. Elston said all classes are open to both boys and girls.

He also said that intramural sports are stressed because th

students don't get as much exercise as they need simply from a 47-minute gym class. In contrast interscholastic sports are de-emphasized because the staff feels the middle schooler is unable to handle extreme competitiveness at this age.

Plymouth Canton High School is the newest of the two buildings composing the high school campus and soon will be enlarged when an additional complex housing music, gymnastics and swimming facilities will open. "Although Salem and Canton are two separate schools they are also interrelated," Mrs. Beier said. "Their facilities do not overlap so the auto shop, the child-care training center, the radio station and the vocational centers are shared."

The two schools operate on a modular program in which approximately 2/3 of the time is structured into classes and up to 1/3 of the day is elective. The entire school day is divided into 20 minute modules.

"This makes the school seem unorganized to an outsider," Kent Buikema, principal of Canton, said. "Some parents are upset when they first visit because there are so many students in the halls. But actually with classes staggered with traffic is cut down. It would be terrible to have 4,000 students changing classes between the two schools at the end of every hour."

Buikema said modular scheduling also helps to expand the curriculum so that the two schools are able to offer classes like fifth year German to the few students who want it. Between the two schools 200-250 different classes are offered.

"We will explain our program to any parent or visitor that is interested," Buikema said. "We realize that we have problems and that every minute of a stu-

dent's elective time is not spent constructively, but parents have their coffee breaks and students need time off too. Our biggest problem is that everything we do is more visible than a traditional school. We don't hide behind doors."

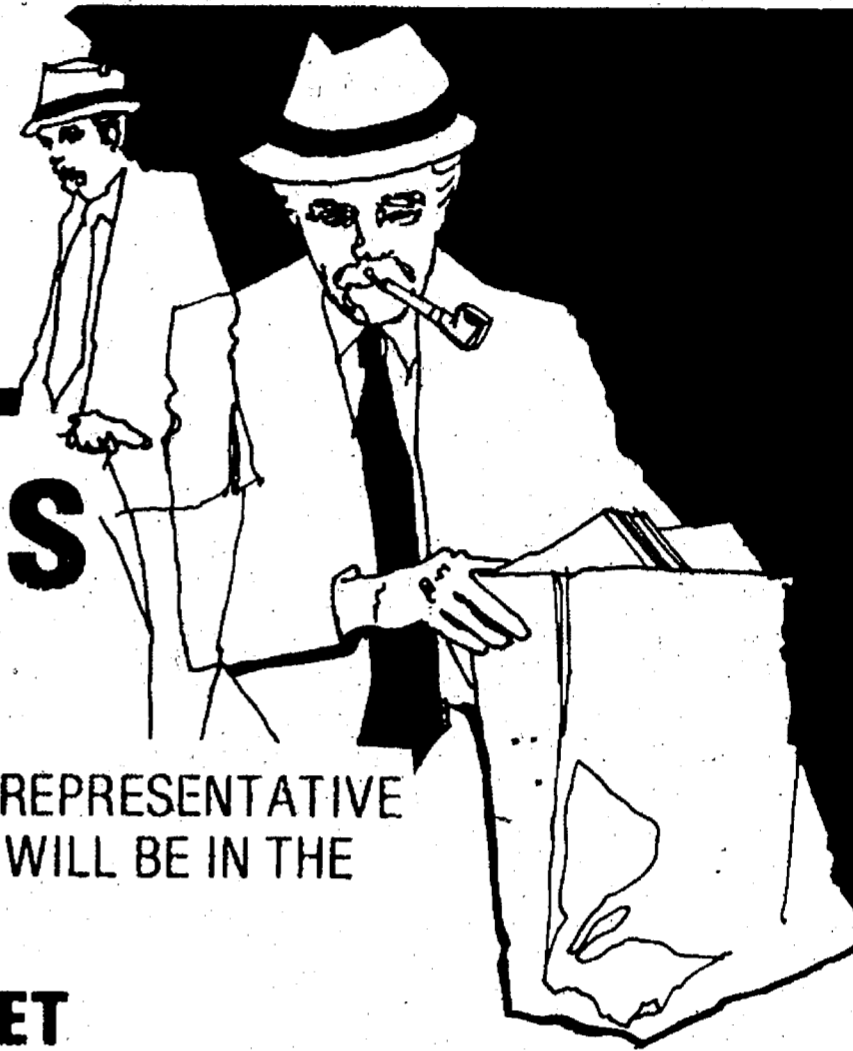

"We are very proud of the Plymouth school system," Mrs. Beier said. "Although the area is expanding extremely rapidly so far we have managed to almost keep up with its growth."

## Lunch with LOMAS

Someone finally bites back!

Pioneer Middle School takes a swing at lunch next week, when an incredible array of "Lomas" entrees will be featured. My favorite is "Lomas Beef and Noodles," though heaven knows, I never had a beef with Pioneer.

I accept the challenge, however, and will lunch at Pioneer one day next week. I won't say which day - I'd rather catch you by surprise, not vice-versa. (Arsenic is too spicy for my system.)

I feel pretty safe anyway. Pizza noodle casserole wasn't listed.

Another exciting item for next week will turn up Friday at Miller. An unusual 'hamburger turnover' (maybe its just upside down) was invented. Do you think it's in the same class as "Lomas Beef and Noodles"? Don't even ask!

**ERIKKSON**

**PLYMOUTH COMMUNITY FUND**

P.O. BOX 356, PLYMOUTH, MICH.

PLEASE NOTE: If contributing to the Plymouth Community Fund where you work, please state your place of employment on reverse side and mail card in.

# Fund at 3% of '76 goal

PRELIMINARY REPORTS from area captains of The Plymouth Community Fund show donations as of Monday to be about three per cent of the Fund's \$244,000 goal for 1977. While many of the sections of the Fund are not expected to produce their share until last in the annual drive (the Ford Motor Co. strike is delaying the donation of that company's employees who generally contribute almost half the Fund's amount), Fund leaders are urging the public to give generously now. This coupon may be used to pledge or donate contributions if the Bellringers have not collected from your door-to-door or if you have not given at your place of employment. Send this completed coupon to: Plymouth Community Fund, PO Box 356, Plymouth, Mich. 48170.

## PCF supports family atmosphere for retarded

From the back yard vegetable garden to the bicycles in the garage, it is a family house.

Not a typical family, however. Plymouth Opportunity Center at 593 Wing St. accommodates 16 mentally retarded adults, living, working and learning together.

Ranging from 19 to 48 years of age, the residents are "moderately" retarded; with supervision they can master many basic tasks and self-care skills.

The spacious brick house on the corner of Wing and Deer was specially designed for them, with a manager's apartment, office

space, and eight individual men's and women's bedroom suites.

But the brightly furnished living room with its high ceiling and brick hearth is a striking contrast to anyone's image of an institution for the handicapped. Even more impressive is its warm family atmosphere.

John Chantos sensed it immediately when he became executive director of Community Opportunity Centers: "The people here really care about one another."

The trend to "mainstream" more of the handicapped out of state institutions and into the community began about 10 years ago under Dr. Gordan Yudaschkin, then director of the Michigan Dept. of Mental Health, Chantos explains.

"Parents and others concerned with the welfare of the handicapped foresaw that not all of these former patients could return to their families, nor could they live in complete independence. They began planning for group homes where the retarded could live more 'normal' lives and make a contribution to the community."

Plymouth is the first of six locations selected for the group homes.

But it isn't easy to adjust from a highly structured, protective institution to a small group setting. That is why Community Opportunity Centers appealed to

GARDENING WAS A REWARDING pastime this summer for the residents of Plymouth's Opportunity Center.

the Plymouth Community Fund for a special grant this year, to employ a part-time social worker to tutor and counsel the house residents.

This year, the PCF will be contributing to the support of 37 organizations, including 14 local organizations and 23 state-wide agencies of the Michigan United Way. Contributions may be made to the Fund at Box 356, Plymouth, or through your place of work. Persons who are employed outside of the city are reminded to designate their payroll deductions for Plymouth.

The Community Fund views the Opportunity Center as a good investment, since the facility costs about one-third as much to operate per person as an institution.

"I've seen enormous changes happen here in the residents' behavior, appearance and self-confidence — changes that you seldom observe in an institution," Chantos says.

"Certainly they realize that they are different from other adults. Perhaps it is through this common denominator that they get along so well together."

**WE'D LIKE YOU TO MEET A NEW MEMBER OF OUR STAFF...**

## Chickens spend a nervous night, but Fowl Ball cures all

It was the night before the big race and all was quiet and dark in the basement of the Mayflower Hotel.

The chickens, Feather Heather a Lorenz's Chicken Ship were cuddled with a white duck who was sharing their cage.

When asked if they would mind being interviewed, Feather Heather, who was suddenly trying to pace the cage, was just too nervous to talk. Lorenz's Chicken Ship, however, was just delighted to talk. She told about leaving the gangs in Detroit to move to the suburbs. Very confident after a 50-foot trial flight, Ms. Chicken Ship told everything but her age. When questioned about that she became very upset and her trainer ended the interview.

The Fowl Ball was a huge success as the losers in the chicken flying contest danced away their sorrows and talked about their entries for next year's race. The losers from Ford were a little concerned about their consolation prizes. One Edsel dealership in Mackinaw Island and a trip to the Bermuda Triangle were offered by the company to any department whose chicken lost. As the evening wore on the 200 folks in attendance were convinced that this year's backward chicks would fly high and straight next year.

The "Top Notch Bowler of the Week" award goes to Fran Anderson who bowled a 201, 248, and 183 last Tuesday night. Keep going Fran, maybe that big 300 is not far away.

Good luck to Margaret and Alan Cross in their new home. we hope to see you back in Plymouth for a visit soon.

Welcome to the Plymouth-Canton community Mrs. Sue Rhea Easley of Marion, Ky. Mrs. Easley is visiting her daughter and son-in-law Jim and Greta Poole.

Congratulations to Thomas and Lola King on the birth of their second son Justin Owen Aug. 18. The proud grandparents are Robert and Shirley Viperman and Thomas and Maxine King.

Blue and pink bows decorated the house of Pat and Mike Lehn on Irongate in Canton Township. The happy occasion was the birth of their twins Jody Jean and Jason Michael on Oct. 3.

## Kavanagh to speak at Rotary

Chief Justice Thomas G. Kavanagh will be guest speaker at the Plymouth Rotary Club on Friday, Oct. 22 at noon. The public is invited to attend at the Mayflower Meeting House.

Chief Justice Kavanagh, of Troy, has been a member of the Michigan Supreme Court since 1968.

The Chief Justice was born August 14, 1917, in Bay City. He is a graduate of the University of Detroit High School, and graduated cum laude with a B.A. degree from the University of Notre Dame in 1938. He received his law degree from the University of Detroit in 1943. In 1964 he was elected to a 10-year term on the Court of Appeals, and four years later elected to the Supreme Court bench.

He is married to the former Mary Mahoney of South Bend, Ind. and they are the parents of four children.

## Community deaths

### Balven

Mabel Pauline Balven, 78, of 9010 Oakview in Plymouth Township, died Oct. 4 at St. Mary Hospital. Services were held in Schrader Funeral Home with The Rev. Charles F. Boerger officiating. Burial was in Riverside Cemetery.

Mrs. Balven is survived by her husband, Clarence; daughters, Emma Burrell of Dearborn, Marie Johnson, Norma Kearns and Marilyn Larabee, all of Plymouth, and Helen Alexander of Tennessee; sons, William Strautz of Plymouth and Robert Strautz of Hamburg; sisters Frances Quaderer of Detroit and Emma Vradenburg of Florida; 27 grandchildren and 17 great-grandchildren.

She had been a production worker at Daisy Manufacturing.

### Hartman

John F. Hartman, 54, of Plymouth Township, died Oct. 4 in William Beaumont Hospital, Royal Oak, after an illness of several months. Services were held in Ross B. Northrop and Sons Funeral Home with the Rev. Dr. Philip Rodgers Magee officiating. Burial was in Oakland Hills Cemetery.

Mr. Hartman is survived by his wife, Mabel; sons, John of Ortonville and Rodger of Plymouth Township; a daughter, Deborah of Plymouth Township and two grandchildren.

He had come to the Plymouth area from Detroit eight years ago and was a member of VFW Wolverine Post No. 171. He was superintendent of qua-

lity control at Burroughs Corp. where he had been employed for the past 28 years.

### Perkowski

Walter Ed Perkowski, 85, of 46050 Maben Rd. in Canton, died Oct. 4 at Wayne County General Hospital. Services were held in Our Lady of Good Counsel Catholic Church with arrangements by the Schrader Funeral Home. Burial was in Knollwood Cemetery.

Mr. Perkowski is survived by his wife Alice; daughters, Joan Chakrabarty of Canton and Nadia Glover of West Bloomfield; sons, Ronald of Plymouth, Robert of Canton, Edward of Garden City and Richard and John both of California; brothers, Frank and Peter, both of Poland; a half-sister, Valeria, also in Poland; 22 grandchildren and 10 great-grandchildren.

He had been a production worker at General Motors.

### Landau

Olga J. Landau, 79, of 674 Maple, Plymouth, died Oct. 7 at St. Mary Hospital. Services were held at Schrader Funeral Home with Pastor Leonard J. Koeniger officiating. Burial was in Livonia Center Cemetery.

Mrs. Landau is survived by a son, Edward of Northville; her daughters, Viola Parmenter of Romulus, Margaret Steingasser of Calif., Alice Rupp of Detroit, Virginia Dyer of Plymouth, and Doris Singleton of Northville; 32 grandchildren and one great, great grandchild.

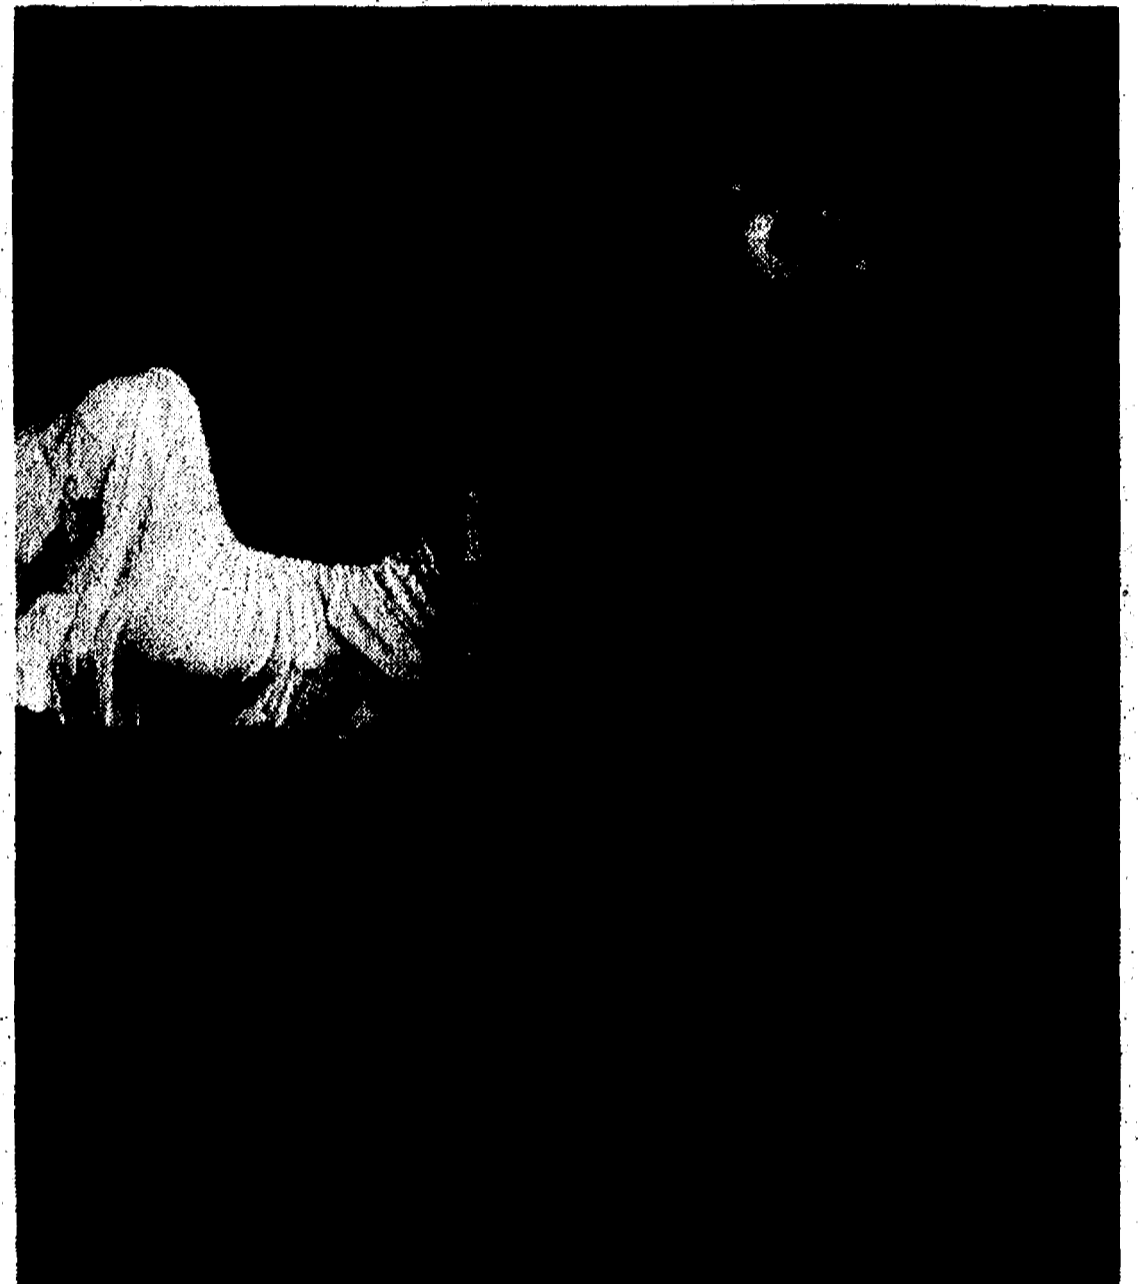

She was a member of St. Peter's Evangelical Lutheran Church.

Applications are now being taken on a tentative basis for senior citizens wishing to live in the proposed high-rise project to be located at Union and Penniman. Polly Brown, representing Forest City Dillon, developers of the project, has set up a temporary office to accept applications and answer questions at the Plymouth Grange Hall, 273 Union St.

She and her staff will be available Mondays through Thursdays from 11 a.m. to 7 p.m. and from 8:30 a.m. to 12:30 p.m. on Fridays.

Mrs. Brown emphasized that the applications are only tentative pending the outcome of the city's Nov. 2 referendum issue on granting tax abatement for the senior citizens project.

More information may also be obtained by calling 459-6555.

NOT ALL REVOLUTIONARY BATTLES were with the British, as shown in this scene from "The Pursuit of Happiness," being presented this weekend by the Plymouth Theatre Guild. Meg Green (played by Cynthia Richards of Plymouth) is confronted by the bespectacled Rev. Mr. Banks (Tom Hinks of Plymouth Township) in the three-act comedy which tells of the problems faced by a young Hessian deserter and the "bundling" custom. Performances will be given Friday and Saturday, Oct. 15 and 16, at 8 p.m. and on Sunday, Oct. 17, at 7 p.m. in the Plymouth Cultural Center. Adult tickets are \$3. Students tickets are \$2. (Crier photo by Robert Cameron.)

## Television phone-in features local panel

A public television special on learning-disabled children will be presented on Detroit's Channel 56 on Tuesday, Oct. 19, at 8 p.m. Entitled "The Puzzle Children," the special will be hosted by Julie Andrews and Bill Bixby and will be followed local-

ly on Channel 56 by a phone-in show on the same topic.

Among those panel members from the Plymouth area who will answer questions are Barbara Leffler, Margo Panko and Clem Bommarito.

# PEA plans pickets

Cont. from Pg. 1  
agreement. Both sides sincerely want a fair settlement, but we differ on how to define what we mean by fair and equitable. Compared to other settled school district, the school board offer would put Plymouth teachers close to the top in Wayne County for salaries and fringe benefits.

"State labor laws restrict release of information about offers on the negotiating table. We hope to maintain direct communication with teachers and not use publicity to create bad feelings. I want to make it clear before any citizen speaks, that the board does not intend to negotiate at a board meeting. Collective bargaining must take place at the negotiating table. Our views are transmitted through our negotiating team," Gray concluded.

Following his presentation, Derald McKinley, chief negotiator for the PEA said the teachers' union negotiating team had "Made every effort ...to come to a fair and equitable settlement."

He said the last time the school board has placed a formal offer on the negotiating table was Sept. 16 although the teachers has made an offer on Sept. 23.

McKinley added that the teachers' offer for a contract "fits within the financial ability of the district and we feel this is a fair and equitable settlement."

He also said in reaction to Gray's statement, that PEA negotiators had been meeting those same hours with school's negotiators.

A parent who spoke next urged the school board to "come to an agreement with our teachers."

"I view our schools as a partnership of parents, teachers, students and administrators," she concluded, being greeted by applause from the crowded auditorium (as was McKinley).

The teacher turnout at the meeting was part of a new plan which, says PEA officials, is designed to show unity among the bargaining teachers.

The first phase of the plan, said PEA President Candi Reece, is an agreement between the PEA members to enter and leave school with the students without participating in other school-related events which could be postponed.

Those event include school open houses, and in-service days.

Norm Kee, chief negotiator for the schools, said teachers could be subject to disciplinary measures if they do not meet regular responsibilities.

In the directive warning of the possibility that disciplinary actions might be taken against teachers, the schools termed the situation, "working and striking at the same time."

PEA officials, aware of Kee's comments, said they planned the actions anyway.

According to Mrs. Reece, McKinley and PEA President elect Al Nurmi, the second phase of the PEA plan begins Monday if no agreement is reached at the negotiating session planned for today.

That phase will include teachers picketing the Plymouth School Board offices after classes are out, no teacher participation in noon hour or bus loading supervision and a community wide door-to-door pamphlet distribution.

McKinley said this plan was developed because PEA members said "we want to do everything possible short of a strike," to settle a fair contract.

Mrs. Reece criticized Gray's statements that salary increments will be included in the Oct. 22 payroll, saying that the schools had also promised last month that those increases would be in the first October payroll.

"That's typical of the kind of things that are happening," Mrs. Reece said.

Kee disagreed with the PEA's understanding that the increments would be passed onto teachers in their checks. "We only said we'd (give out the incremental increases) give the increase if a settlement was not reached by Oct. 1."

## Do you believe it? Chickens rule roost

Cont. from Pg. 3

suit and tie for the occasion. In third place was the Pick-O-The-Wick Chick. They each won \$50.

Even if most of the races didn't produce long flights like those of the winners, all the hoopla connected with entrants measured up to everything the event's media coverage predicted.

Even the New York Times carried a piece on the fowl festival and the Detroit papers and television stations passed on their accounts across the national wires and networks.

The Detroit News, the Detroit Free Press, Channel 7 and Channel 2 even entered the races against The Community Crier and the Observer & Eccentric newspapers. (Although The Crier's "The Community Crower" only flew four feet, eight inches, he crash landed on top of the Detroit News photographer.)

The flight contests were preceded by a procession of specially bally-hoed entries in carriages, armored cars, sulkies, moving vans, semi-tractor trailers, floats and antique autos. One unscheduled arrival by helicopter caused the local constabulary some concern, but otherwise all went well, they said.

Police Chief Tim Ford estimated the peak crowd at the start of the races to be about 5,000 and said another 5,000 came and went during the four-hour period when Plymouth will be said in the future to have taken leave of its senses.

As for co-conspirators Joan Gerigk, Julie Thoman and Kirk Lorenz who instigated the madness, their chickens didn't fare so well either. This assuaged the complaints of some anti-fowl festival folks who claimed the whole idea was a get-rich scheme on the part of its promoters who allegedly had secreted chickens of unusual flying abilities.

A few friendly wagers were exchanged - the Hilton Inn "Blue Angel" lost to the Mayflower Chicken Ship and thereby had to prepare the losing fowl into a dinner for four from the Mayflower.

All in the all, according to most festival goers the event was the craziest thing downtown's seen since the ice storm of 1961 when everyone was sledding down Ann Arbor Trail and Forest for three days.

And say the festival supports, it's all for good cause - the Chamber raised \$3,000 which will help pay for Santa's visit to town this year. (If his reindeer won't fly, no doubt he'll use chickens.)

# Jubilant Rocks whip state-ranked Trenton, 13-0

BY DONNA LOMAS

It was a special kind of victory for the Salem Rocks last Saturday, as the jubilant football team carried their head coach off the field after whipping Sub-8 foe Trenton 13-0.

The Rocks were ready to play and they proved it by holding Trenton at arm's length throughout the game. An indication of their confidence was the superior defensive line and their control of the ball throughout most of the game.

The Rocks battle another Sub-8 foe this Friday at an away afternoon game.

"Edsel Ford will be tough," Moshimer said. "They are a very explosive team. They have good ground and an excellent passing game—they're dangerous anywhere on the field."

After the kickoff, both teams jockeyed the ball back and forth but Salem capitalized on some Trenton penalties and made a series of first downs before losing their first touchdown on a 15-yard holding penalty.

The Rocks lost 10 more yards as Benny Wilcox was tackled behind the line of scrimmage and a punting effort by Doug Maisner wasn't enough to keep the ball for the Rocks.

No matter. The Rocks defensive line wasn't letting Trenton go anywhere, limiting the entire Trojan running game to 78 yards.

Three interceptions by Salem's Curt Lewis, Rich Hewlett and Dick Bradburn thwarted further attempts by Trenton to score.

The Rocks' first touchdown came when co-captain Tim Liley intercepted a Trenton pass for Salem's first down, and one

## the Crier Sports

play later linebacker Doug Maisner ran the ball in. With two minutes to go in the first half, Salem had scored 7, Trenton 0.

Trenton was determined to give the Rocks a fight, but time and time again, the Rocks proved their running game was in as good a shape as their defense. Maisner, Wilcox (quarterback in the second half), Dave Nidzgorski, Doug Rowe and Bob Waite carried the ball a total of 48 times for 182 yard total in the game.

Their offense efforts stymied by the Rock's wishbone option plays, Trenton made crucial mistakes that kept the ball in Salem's hands.

In the second half, an interception by Rich Hewlett and a flag on a Trenton play gave Sa-

lem the ball on their own 25 yard line.

Hewlett passed the ball to Joe Pryzbylski for the Rock's second touchdown with about a minute to go in the game. A flag on the Rock's punt moved them five yards back and the next extra point try was no good.

Salem did it for themselves, though. Victory was sweet and the final score stood Salem 13, Trenton 0.

"We did what we had to do," said Salem head coach Tom Moshimer, "we controlled the ball."

"It was a special thing for us, a matter of pride that we were able to beat Trenton," he continued. "They are one of the top teams in the state."

### Rocks roll with offense

ROCK QUARTERBACK Rich Hewlett (2) intercepts one of three Trenton passes during last Saturday's league game at CEP. Strong defensive playing by Salem and crucial mistakes by Trenton won it for the Rocks 13-0.

(Crier photo by Robert Cameron)

## Netters 2nd in loop

A rebuilding year for the Salem girls tennis team may turn out very well after all, as they presently hold second place in the Sub-Eight League, with a record of 4-1 in the league.

Last year, the Rocks lost their only match against Trenton, when an injury to a player cost the Rocks a close 4-3 loss.

After losing eight of eleven regular players to graduation last year the Rocks were faced with a rebuilding season, but a lot of young talent had signed up. That talent was in evidence Friday as frosh Courtney Warrick won a meet medal for second singles play, and Cathy Horton also won a meet medal for fourth singles flight.

The Rocks won five out of seven Friday, four singles matches and the second doubles team winning.

"It was a good day," said a tired but elated coach Janet Lawson. "I think we should do O.K. against Franklin (yesterday) too."

The Rocks begin regional play this Friday (Oct. 15) and state finals the following week.

# Fired-up Chiefs sacked by Harrison

BY DONNA LOMAS

For a few minutes in the beginning of the game, it looked as if the script would change for the fired-up Canton Chiefs last Friday at CEP field, as they clashed with highly-ranked Farmington Harrison.

But even a spectacular 63-yard touchdown pass during the last seconds of the first half weren't enough to bring the Chiefs out of a deep hole. They lost 47-6 to Harrison.

A gargantuan Harrison tail back, Mike Bowden (6'2", 195) ripped the Chief defensive line apart, as he consistently plowed through their defense, notching 106 yards by himself by the end of the first half.

"We came out and hit them pretty good at the start, but they leaned on us," said Chief head coach Dave Schuele. "They were rushing backside, our offensive line broke down. But we'll get after them. This is it: next year, Harrison will be a red letter day on our calendar."

The Hawks gained 43 yards and a Canton face mask penalty before Bowden ran in the first Harrison touchdown, running over to the right side with four minutes to go in the first quarter. The extra kick was good and Harrison scored 7, Canton 0.

The Chiefs were forced to punt again after receiving the ball on the kickoff, a bad snap from center downed the ball on the

25-yard line, giving Harrison a good field position.

Harrison just wouldn't give the ball up, making a second touchdown with 46 seconds to go in the first quarter. The extra kick was good, and the chagrined Chiefs were behind, 14-0.

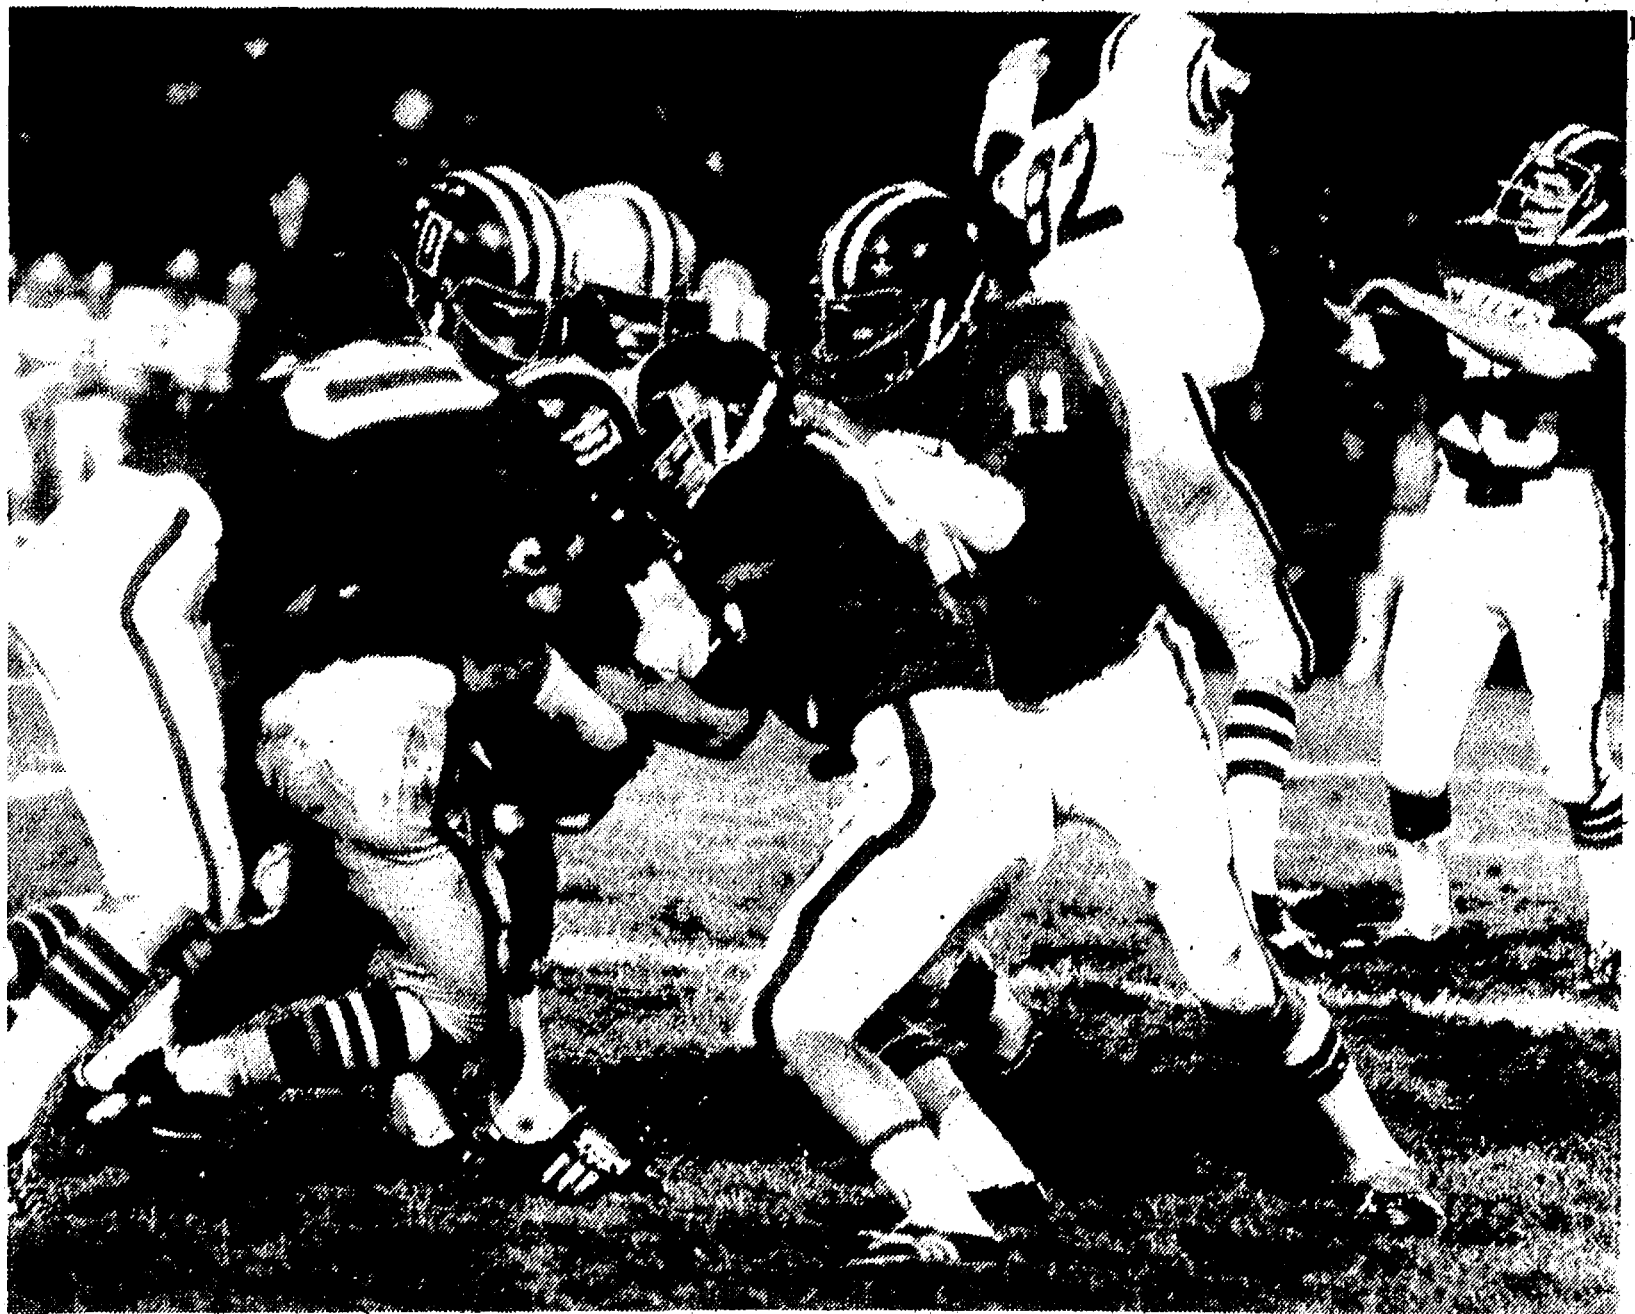

Harrison kept the ball most of the second quarter and made a third touchdown on a slant pass from quarterback Jeff Thorne to Brad Bache, who received the pass in the end zone. The kick was good and with four minutes to go in the first half, the score was Harrison 21, Canton, 0.

A minute later, a Harrison end blocked and recovered a pass in the Chief's endzone to make the score 28-0, Harrison's favor.

The Chiefs started to rally, using an option play that gained them their first first down of the game.

An incredible play by Quarterback Doug Smith surprised everyone, as he faked a pass and ran to the right out of a pocket, throwing the ball to Jim Meadows for a 63-yard touchdown pass with 43 seconds to go in the first half. The extra point was no good, but Canton had started to rally and the score stood 28-6 at halftime.

Stingy Harrison wouldn't give Canton too many chances at the ball in the second half, however, as Canton was able to make only one more first down.

CANTON CHIEFS TACKLE a Harrison Hawk during action at last Friday's game at CEP. The Chiefs couldn't overcome the bigger Harrison team, however, and lost the heartbreaker 47-6. (Crier photo by Robert Cameron)

Tackle Pat Francis and Kyle Heaton made the second down for Canton on a third down, five yards to go. Simons lost three yards as he was tackled behind the line of scrimmage giving the Chiefs 12 yards to go, 3 downs.

Bulldozer Bowden was just too big and too quick for the Chiefs, as he kept racking up yardage and touchdowns for Harrison.

On the fourth down, one yard to go, the Chiefs sent in big defensive back Rick Kollar to help out, but Harrison scored again and the extra point didn't count. Harrison 47-Canton 6 and that's how the Hawks wrapped the game up.

Penalties were still bothering the Chiefs, although not nearly as much as last week, with 55

yards. The Hawks were handed 60 yards in penalties.

Chiefs gained 64 rushing yards, Harrison 287. There were 11 attempted passes by Harrison, eight by Canton.

The Chiefs face Walled Lake Western next Friday at 8 p.m. at an away game.

# Linksters 'in good shape' 12-0

The Salem golf team holds a 12-0 league record so far this season, including four victories last week.

The first match was last Tuesday when the Rocks hosted Bentley on the Brae Burn Golf Course. Tallying an excellent low score of 155, the Rocks beat Bentley, who ended up with 177.

Low score for the match was junior Jim Ross, followed by Ted Kuhns, 38; Mike Wickham 39; and captain Mike Mullens 41.

The Rocks' second upset was Tuesday in a triangular match with Thurston and Canton. Salem totaled 157 strokes, Thurston 160 and Canton 169. The Rocks counted the first five

of their scores because they were the home team.

Jim Ross was first again with a low of 39; followed by Wickham 39; Mullens 39 and Kuhns with a 40.

"It was a major win for us," said Waters. "It was the second time this season we beat an undefeated team."

The Rocks tied things up Friday, winning against Dearborn 165-166. It was the second time Salem beat Dearborn with one stroke.

Mullens and Kuhns were first with a pair of 39's, Wickham and Stevens followed with a pair of 44's.

"We're in pretty good shape right now," said Waters. "Allen Park (played Monday) hasn't beaten Salem in ten years, but we take them one at a time."

A dual meet with Canton will be played Tuesday Oct. 19, following Suburban-Eight meet next Monday.

## Chief netters shut out

Canton girls' tennis team lost to Walled Lake Western last Thursday. The Chiefs were shut out on their league opponents' sweep of all seven matches.

All matches lasted only two sets, and Mary Riffe was easily beat in the first singles match. Teresa Washburn struggled to a second-set tiebreaker before succumbing 3-6, 6-7. Glenda Garney and Stacy Williams were defeated in the other two singles contests.

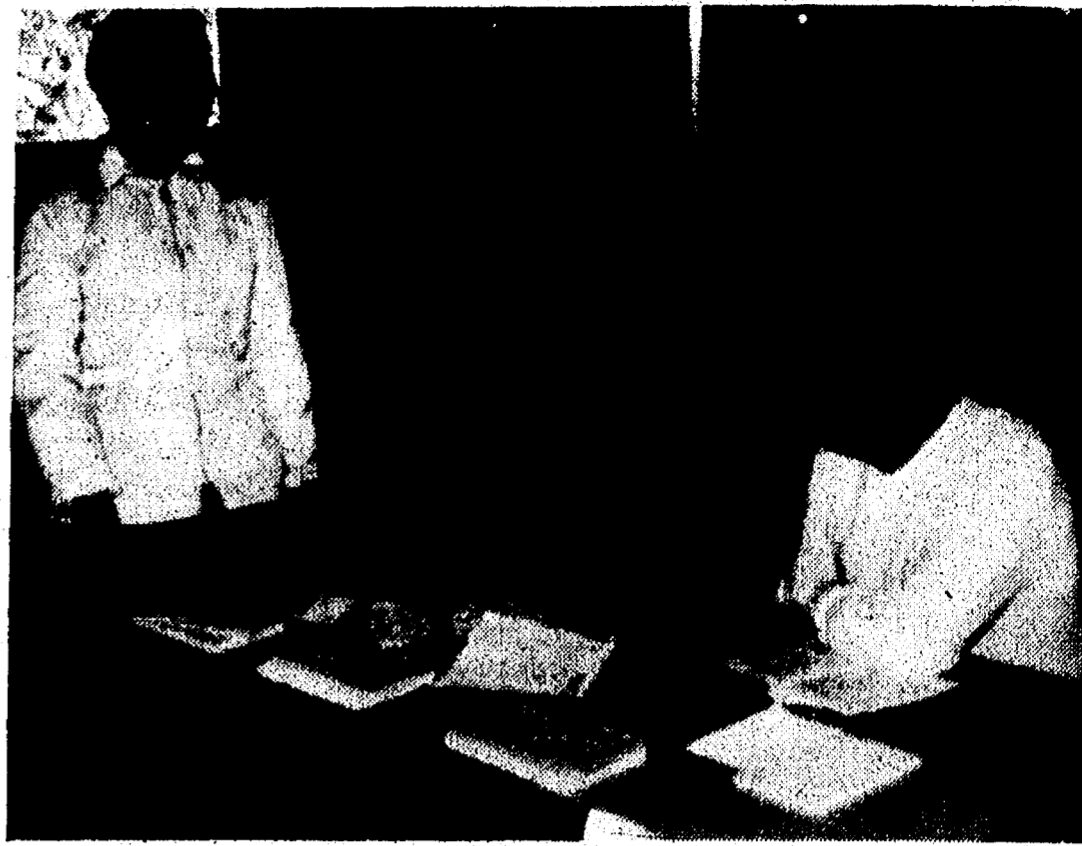

Mindy Starkey and Chris Stylianou lost the first doubles match, as did the pairs of Claudia Williams-Cathy Kidston and Maria Schembri-Sue Kidston.

The loss dropped the netters' record to 1-8 overall, while slumping to 0-3 in league play. The squad played last year's conference champs Farmington Harrison yesterday, and will face several top-ranked teams in the state at Friday's Regional tournament, to be held at Ann Arbor Pioneer High School.

## Chief Harriers place fifth

Canton harriers ran three meets last week, losing a dual meet Thursday, a double dual Tuesday, and finishing fifth in their seven-team division at Saturday's Wayne Invitational.

Last Tuesday (Oct. 5), saw Canton compete with Salem and Franklin runners in a double dual meet, where one race is held, but each team scores

THIS SATURDAY (OCT. 16) will be the last Saturday for boys and girls grades three through 10 to sign up for Plymouth-Canton Junior Basketball leagues. Registration will be held at West Middle School from 9 a.m. to 2 p.m. Registration fee is \$7.50. An adult must accompany youngsters.

## Rocks blast B'ville

Trouncing Dearborn (62-29) and Belleville (82-29) last week put the Salem girls basketball team closer to winning their league championship.

Junior Debbie Pitera was high scorer in Tuesday's game against Dearborn, coming off the bench in the second half to score 14 points for the girls cagers. Starting guard, Donna Goodrich was second with 13, followed by Cathy Dillon with 10.

The Rocks were ahead 29-10 at the half and a tremendous game by Cathy Dillon had six assists and seven steals. High rebounder was Peggy Moore with 13.

Thursday was even better for the Rocks, as they buried Belleville and had a scoring surge by Dillon with 23.

"She's coming into her own," said coach Debbie Hatcher. "It's really good to see her and the team play like that."

Diane Goodrich followed Dillon with 17 points, third highest were Erin and Peggy Moore with 14. Moore had 18 rebounds and Diane Goodrich 18.

At presstime, coach Hatcher said the game Tuesday (yesterday) with Redford Union would be an aggressive one.

"They lost all their starters last year," said Hatcher. "That can't help but hurt them."

"But their coach is good, and they have as much potential to be league champions as we do. So I expect an aggressive game, a good game, even though we have more depth."

## Sign up soon for Waterwaves

The Waterwaves a synchronized swimming club at Canton and Salem high schools, will have tryouts Saturday, Oct. 23 at 2:30 p.m.

A clinic will be held Wednesday Oct. 20 at 7 p.m. at Salem High School. Boys and girls grades nine through 12 may sign

up if they are swimmers with some experience.

According to Mary Uhl, Canton Waterwaves coach, you must know how to swim and the judges will be looking for strength, coordination and correctness of strokes.

## Salem JV loses to Trenton

Salem junior varsity lost their first game of the season to Trenton last Thursday, running neck and neck with Trenton until the last minutes of the fourth quarter, finally giving it up 20-12.

Mike Dillon and Chris Keffler scored the two touchdowns for the Rocks.

"It was a good game, evenly played," said JV coach Dick

Barr. "But that last touchdown, (2 minutes to go, 80 yard play) was what knocked us out."

The junior Rocks play Edsel Ford on home territory tomorrow at 4 p.m. Coach Barr thinks Ford "is just as tough (as Trenton) — the game could go either way."

The Salem JV record is 2-1.

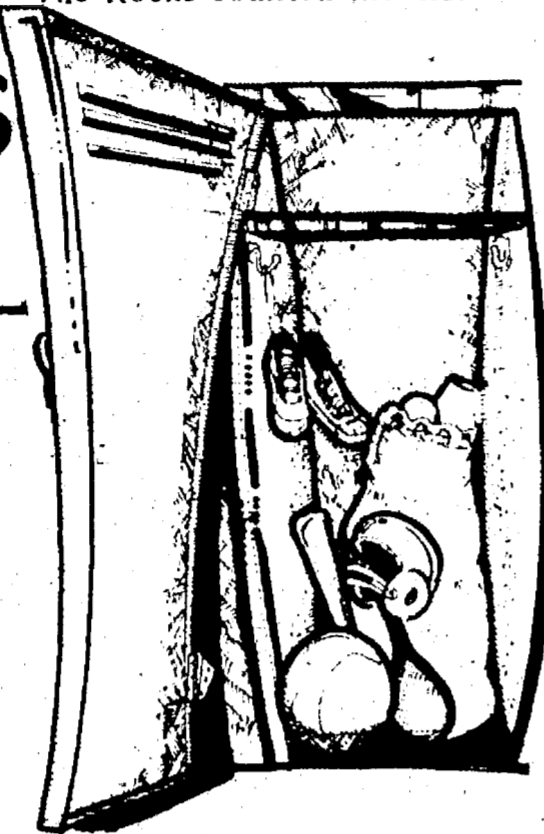

Salem beat Canton 19-40, and Franklin won by a point more, 18-40. The meet was run on Franklin's home course in Edward Hines Park.

In Thursday's league meet, the Northville team downed the Chiefs, 17-44. Murphy was under 17 minutes on the Cass Benton course, and teammates Zydeck, Hennells, Olk, and Spitz turned in their personal best times for Cass Benton, Canton's home course.

Every team member improved his fastest time at the Wayne Invitational Saturday. Murphy ran under 16 minutes for the first time this season on the flat course at Wayne Memorial High School.

Coach Mike Spitz is happy with the cross country team's progress, and is hoping that the league meet at season's end will be the best performance for the young team.

## DONNA'S LOCKER

What a pleasant surprise to return to the "press box" this weekend and find that last summer's dead wasps (and the summers' before) and old spilled soft drinks had been cleaned up.

I also noticed that the "foolish" people up on the roof filming the football games aren't that crazy — iron railings protect them on three sides in case they should fall or try to jump if their favorite team is losing.

But — I missed one thing. A gaping hole on the press box platform is big enough for a skinny 98-pound person to fall

through. And I heard comments about the stability of the box. I'm wearing my parachute next week.

# Rock tankers drown Bentley

Marion Stanwood may have broken the state record for the 200 free last Thursday, swimming a 159.4 at Bentley league meet that the Rocks won, 109-62.

## Kleam sets record

In a cross country meet Monday the Salem harriers placed fifth out of nine, with runners Scott Kleam coming in second with a time of 14:51 and Walt White running time of 15:04 to place fifth.

Kleam's timing puts him as one of the top five runners in the state, said coach Steve Rea, before the harriers meet last night (Tuesday) at Redford Union.

Jeff Magnin was third with a time of 15:28; Jeff Econom fourth with 16:34 and freshman Craig Finley improved his previous time of 18:40 with a 17:05 showing.

Last Thursday the Rocks lost 33-26 to Edsel Ford. Walt White and Scott Kleam were first and second with a time of 15:51, breaking the current school record.

Facing Allen Park Thursday on the Cass Benton home track, coach Steve Rea said Allen Park would be a "toss-up. They have a good team, and we aren't the favored. But we have a good chance."

The Rocks took first place in the medley relay, Jill McCann, Collette Kadas, Iona Schmidt and Madeline Likatos clocking a 208 flat.

The Salem tankers also took honors in diving, Amy McClumpha first with 169.9 and Lisa Lukens second with a 156.75.

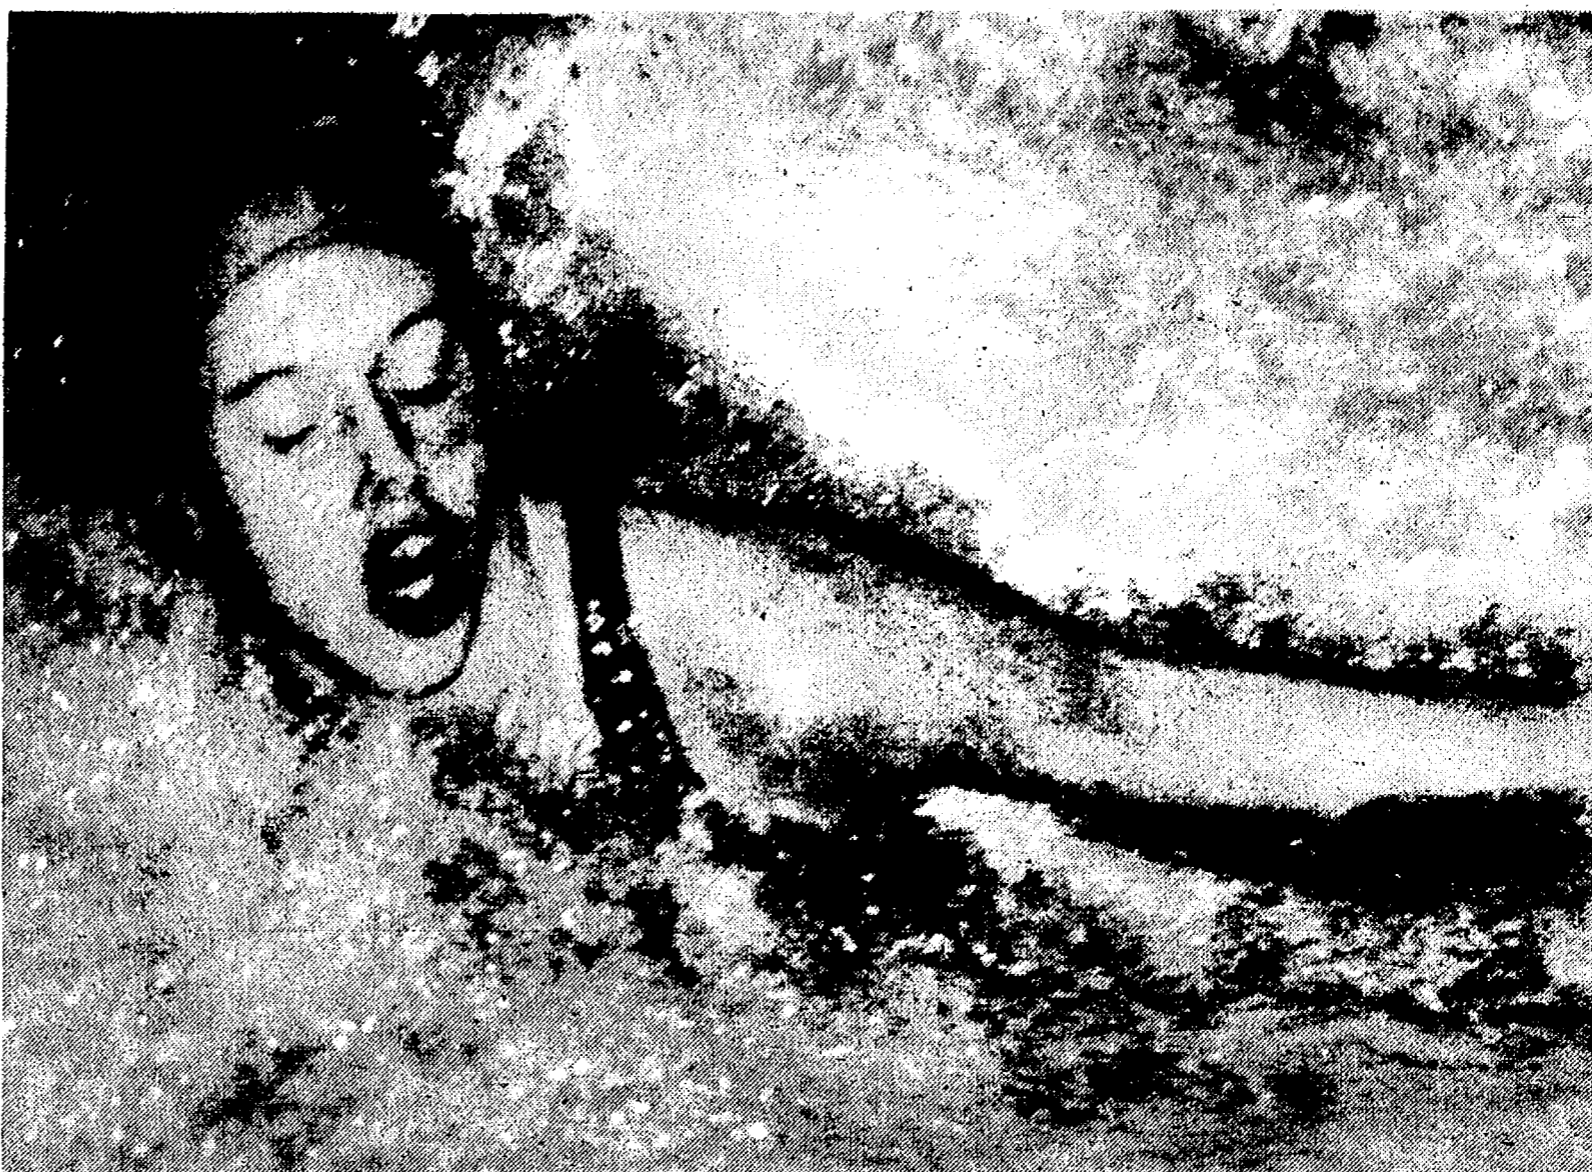

Iona Schmidt took first place in 100 free with a time of 101.9. Jill McCann came in second in the 200 intramural with 234.4, Sue Stanwood was second in the 50 free with 26.9; she was also second in the butterfly with a 106.7.

The Rocks won the 100 backstroke and breaststroke because of Bentley disqualifications. McCann came in first in that event with 108.9 and Sue Evans second with 117.7.

Kadas was first on the breaststroke with 120.5.

"All the girls swam well," said coach Chuck Olson. "Even without those disqualifications, we'd have had enough points to win."

"This is the first time Bentley has lost a meet in about four years and we enjoyed it immensely."

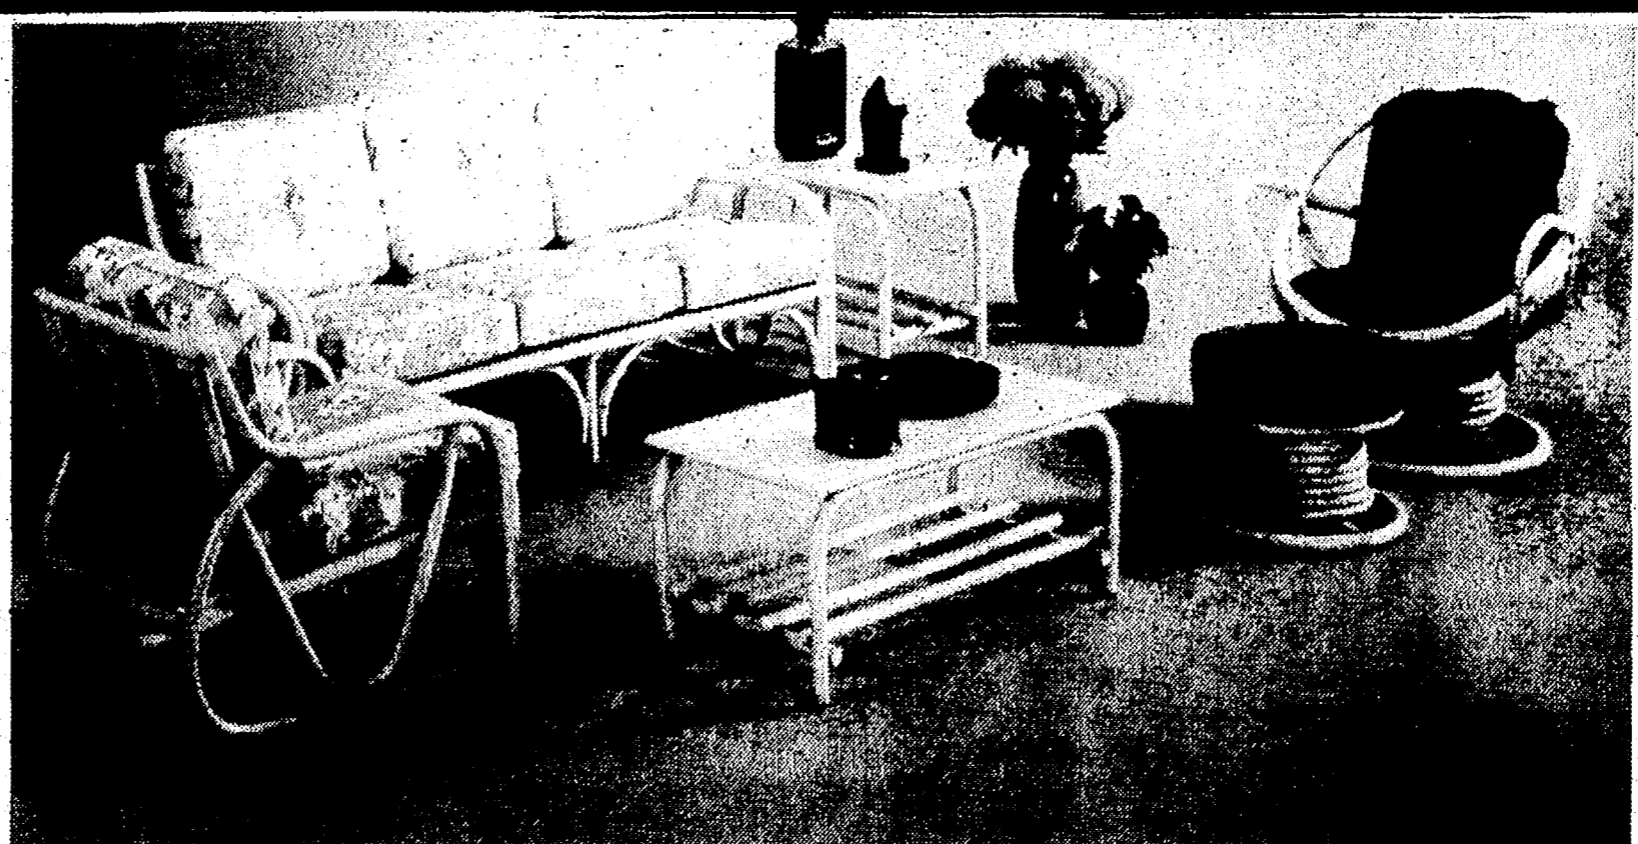

SALEM SWIMMER MARION STANWOOD unofficially broke the state record last week, as she clocked a 159.4 in the 200 free during a meet between the Rocks and Bentley. Churchill and Franklin will be upcoming

non-league meets for the Rocks. "Trenton is our next league meet," said coach Chuck Olson. "I feel it might be between Trenton and us for the league championship."

## THE COMFORTABLE ONE

We stock rattan from the following well known manufacturers:

- VOGUE
- PACIFIC
- CLARK CASUAL
- FOUR SEASONS
- MODERN REED
- CALIF-ASIA
- HERMOSA-RATTAN

Rattan works to best advantage in informal living rooms, playrooms and dens where casual use requires above normal resistance to wear. And where casual use requires above normal comfort. Rattan... where leisure living is a way of life. We now have a large selection of RATTAN that will fit in perfectly almost anywhere in the home.

## Recreational Vehicle Life

by Earl Rafferty

Many travel vehicles are designed for comfort during excursions covering several months, as well as weekend jaunts. These days, the most exciting travel trailers are well built, well planned, efficient, and still manage to sport some really homey touches. Table lamps to provide very pleasant indirect lighting, cocktail tables, chairs, a sofa, comfortable dining areas, end tables for the sofa, decorator furnishings and shades for the windows - all of these elements go toward making today's RV one of the most exciting, comfortable and inexpensive ways to travel.

Travel comfortably and with no problems with the quality R.V.'s we handle at WALKER-RAFFERTY CO. 25341 Michigan Ave., 562-7661. Serro Scotty Travel Trailers are rugged, basic and beautiful. There are sizes to fit every family, from couples to large families. All trailers meet the Recreation Vehicles Industry Association construction standards and extensive optional equipment is available to make your trailer as comfortable and convenient as you desire.

### RV TIP

A tip for a trailer owner? How about step and door mats to catch excess water or dirt and protect RV floors and carpets.

# Chief girl cagers over Walled Lake, JV's 7-1

Add a Distinctive Touch to your Sales Conferences & Meetings  
**Hillside Inn**  
41661 Plymouth Road - Plymouth -

BY MATT NORRIS  
The Chief girls' cagers split a pair of three-point contests last week. The team defeated Walled Lake Central, but lost the game to Walled Lake Western on Thursday.

## Realty World shuts out Wagenschutz, Stoners blast Machine

Unusual plays marked a recent weekend in the Plymouth Men's Touch Football League.  
Realty World remained unbeaten with a 20-0 shut out victory over winless Wagenschutz.

Coach Mike McCauley said Walled Lake Central was "A good team they were better than (Walled Lake) Western." But balanced scoring and a low number of fouls, combined with a second half comeback,

won it for the Canton squad, 42-39.

Several mistakes cost the cagers their second conference loss in three games, falling 41-38 last Thursday. Turnovers and

The extra point kick was wide to the left.

Late in the game Neu hit Darrel Manzel with a short pass for the final touchdown of the game. The missed extra point

poor freethrow shooting (the team missed twelve charity shots), spelled defeat for the Chiefs. Canton led through the first three quarters.

The junior varsity upped its record to 7-1 overall last week.

resulted in a 20-19 victory for Ex Post Facto.

The finalgame matched Mean Machine and the Stoners.

Final score was Stoners 14 and Mean Machine 6.

## Panthers drub Cubs, Lions lose all 3

Taking a beating from the Wolverines, the Lions team of the Vince Lombardi Football league lost all three games last Sunday.

The freshmen scored 0-12; junior varsity 0-14 and varsity 0-31.

"All defensive lines on all three teams did a super job," said coach Leon Graham. "The Wolverines are high scorers, they scored the least points off us."

The Panthers had better luck however, as the freshmen team

drubbed the Cubs 18-0. The junior varsity tied 0-0 and the varsity lost 0-34.

A dance for the Lions and Panthers will be held on Oct. 23 in Livonia and the banquet is

Nov. 2. For ticket information, call unit directors. Limited tickets are available.

## Chiefs clash on links

BY MATT NORRIS

Chief golfers moved two victories closer to a showdown with Northville last week, taking wins over Farmington, Harrison and Walled Lake Western.

Steve Morman shot a low 37 score against Harrison, and led the linksmen to a 215-223 winning margin. Other scores on Canton's home course were Scott McGlone 43, Jon-Pearson 44, Craig Brass 45, and Doug Bricker with 46.

The six-man squad rests in second place in Western Six competition behind Northville. The team conquered Walled Lake Western Friday to insure at least a tie between the two schools going into the league tournament at the season's end.

Tomorrow's match will pit Canton against Northville, on the Mustangs' home course.

Consistency was the winning factor for the golfers Friday, when Morman, Bricker, and Dave Visser shot 40's. McGlone had a 41, and Brass totalled 45 in the 206-213 squeaker.

Salem won a non-league double dual match Tuesday, defeating Canton and Thurston. Jim Ross, Mike Mullen, Tom Wickham and Ted Kuhns shot a 157 total for the Rocks. Thurston had 160 followed by Canton's top four combination of Bricker, Brass, Morman, and Pearson, who tallied 169 for nine holes.

Canton golfers waylaid the hapless Clarenceville team on Monday (Oct. 4), 211-250.

## Tankers dunked

BY MATT NORRIS

Canton girls' swim team lost two league matches last week, but showed promising overall improvement. The Chiefs were edged by Farmington, Harrison, and came closer than expected in a 95-76 loss to Walled Lake Western.

The tankers won only two events at Walled Lake Western, but tied Warrior swimmers in three other events. The 200 yard medley team took a first, and Jane Anderson won the 50 yard freestyle, the only events in which the Chiefs scored the most team points.

Wendy Gray returned to diving last week after a back injury, setting a school record of 152.6 points against Harrison. The 200 medley relay combination of Shelansky-Sue Knight-Annette Piethe-Tina Dewalt captured first, and Anderson won the 50- and 100-yard freestyle races for the only three firsts on the Canton side. The Chiefs had enough second and third places to give Harrison a scare, but lost by two, 87-85.

## Plymouth Township Board Minutes

### TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES - REGULAR MEETING TUESDAY, SEPTEMBER 28, 1976

The meeting was called to order at 8:00 P.M. by Supervisor McLaren. All members were present. Mr. Millington offered a correction on Page 5, Item 1 under Resolutions to read "... it would be impossible to get nearly \$400,000 Fire Department Budget. ... instead of \$400,00. Mr. Burke moved approval of the minutes of the regular meeting of September 14, 1976 as amended. Supported by Mr. Ash and carried unanimously.

Mr. Millington moved approval for payment of the bills in the total amount of \$101,898.22. Supported by Mr. West. All members voting "Yes".

Plymouth Township Planning Commission. Re: Action taken at their meeting of August 18, 1976 Dr. Howard Parven - Application No. 331. Re: Land Split - to take the R-1-S zoned property on the north side of Wedgewood Condo's away from the R-2-A zoned property. Mr. Morgan stated that the existing language of Section 20.10, Ordinance 47 required the R-1-S parcel to abut a dedicated street or in lieu thereof, to have by means of a recorded easement access to a dedicated street. Mr. Morgan further recommended that the Township request Dr. Parven, or the fee simple owner of the R-1-S parcel if such is not Dr. Parven, to grant an easement to the Township of Plymouth, its successors, agents, employees and assigns, on the premises described in the existing easement (60 feet wide along the south line of the R-1-S parcel) for the purpose of constructing, installing, maintaining, repairing and removing streets, sidewalks and municipal and public utilities and for members of the public to go upon, over and across as a public way.

Mrs. Richardson asked Dr. Parven whether he would have any objection to giving an easement to the Township according to Mr. Morgan's recommendations?

Dr. Parven indicated he would have no objection.

Mr. Gornick moved that the Township grant the land split as requested under Application No. 331 by Dr. Howard Parven to take away the R-1-S zoned property on the north side of Wedgewood Condo's away from the R-2-A zoned property, the granting of the land split to take effect upon the granting of the easement by Dr. Howard Parven, or the Fee Simple owner of the R-1-S parcel. Supported by Mr. West and carried unanimously.

Chester Dasher - Application No. 336. Re: Lot Split - 11637 Butternut Street - Robinson Subdivision. Mr. West moved that the Township Board grant the lot split at 11637 Butternut Street, Robinson Subdivision as requested by Chester Dasher under Application No. 336. Supported by Mr. Burke and carried unanimously.

Plymouth Township Planning Commission. Re: Action taken at their meeting of August 18, 1976, Township of Plymouth Planning Commission - Application No. 334. Re: Addition of Section 2.9 to Ordinance No. 47 known as Flood Plain Amendment. Mr. Gornick moved to approve the addition of Section 2.9 to Ordinance No. 47 known as the Flood Plain Amendment. Supported by Mrs. Richardson and carried unanimously.

Macomb Corporation - Application No. 279 - Re: Approval of R.U.D. Plan for Westbriar Subdivision located on the north side of Joy Road and the west side of McClumpha Road. Mr. Gornick moved approval of the R.U.D. Plan for the northeast 40 acres for Westbriar Subdivision located on the north side of Joy Road and west side of McClumpha Road as requested by Macomb Corporation under Application No. 279 with the inclusion of Mr. Dietrich's recommendations along with those of the homeowners. Supported by Mr. Burke and carried unanimously.

Plymouth Township Planning Commission. Re: Action taken at their meeting of September 15, 1976. Walnut Creek - Application No. 233 - Re: (a) R.U.D. Agreement. Mrs. Richardson moved approval of the RUD Agreement as presented under Application No. 233, Walnut Creek Subdivision and authorize the Supervisor and the Clerk to sign the Residential Unit Development Agreement on behalf of the Township of

Plymouth. Supported by Mr. West and carried unanimously.

(b) Walnut Creek - Final Plat Approval - Application No. 233 - Mr. Gornick moved that Final Plat Approval be granted for Application No. 233 - Walnut Creek Subdivision, subject to the stipulation that a cash deposit will be placed with the Township to be returned as each project is completed, subject to the Final Plat and mylars being corrected to show a 15' easement instead of a 6', and at that time, to authorize the Clerk to sign the mylars on behalf of Plymouth Township. Supported by Mrs. Richardson. The motion carried unanimously.

B. Wm. J. Hurlahe - Application No. 339 - Re: Recommendation for approval for land fill at 49025 No. Territorial Road.

Mr. Gornick moved to approve the Planning Commission recommendation for approval of land fill at 49025 No. Territorial Road as requested by Mr. William J. Hurlahe under Application No. 339 providing that: 1. The entrance and exit to the pond are appropriately provided for to ensure proper drainage. (2) that restoration include feathering to conform with the level of the existing properties. (3) That this application be subject to review after a one year period. Supported by Mr. Millington.

Mrs. Richardson suggested that the engineer and Building Inspector should go out and look over the project after completion. The motion carried unanimously.

Lt. William E. Tomczyk, Post Commander, Michigan State Police, Post 21. Re: Request for CETA Employee. Mr. Ash moved that the Township Board acknowledge the request from Lt. Tomczyk and provide a Dispatcher to replace the one previously provided from the ranks of CETA. Supported by Mr. Burke and carried unanimously.

American Association of University Women. Mr. West moved to grant permission to the American Association of University Women to hold their 1976 UNICEF Collection Drive in the Township of Plymouth on Thursday, October 28, Friday, October 29, Saturday, October 30 and Sunday, October 31, 1976. Supported by Mr. Ash and carried unanimously.

Loren Gould, Gould Development Company. Re: Request to delete sidewalks from Beacon Estates 4 and 5, Subdivision. Mr. Gould commented that he is getting resistance from the Buyers of the proposed homes in the subdivision as they do not want sidewalks. Mr. Gornick pointed out that the school has a site behind this development and when this school is constructed those children will be walking to school rather than being bused and sidewalks will be needed. This project is R-1-S zoning and sidewalks are required. Mr. Burke moved to approve the request of Mr. Gould and eliminate the interior sidewalks of Beacon Estates 4 and 5 and to recommend to the Planning Commission its approval of a variance. Supported by Mr. West.

Mr. Ash indicated that it would be advisable, if the Board wanted to allow this, to amend the Subdivision Ordinance to cover lots of 100 feet or more:

The following roll call vote was taken: Yes, J. West, G. Burke; No, R. Ash, F. Millington, G. Burke, H. Richardson, J.D. McLaren. The motion failed 2-5.

Mr. Ash moved that the Planning Commission be advised of the request made by Loren W. Gould of Gould Development Company for the elimination of sidewalks in Beacon Estates 4 and 5 and that in the interim that the Planning Commission is considering an amendment that Mr. Gould post a suitable bond for the completion of sidewalks should said be required. Supported by Mr. Gornick and carried unanimously.

J. D. McLaren, Richard Gornick and Maurice Breen. Re: Approval to hold Special Meeting and Public Hearing on the new Township Hall and Fire Station Complex on October 5, 1976. Supported by Mr. Burke and carried unanimously.

Helen Richardson, Clerk. Re: Transfer of funds. Mr. Ash moved approval of the Clerk's recommendation for transfer of funds. Supported by Mr. Gornick and carried unanimously.

Helen Richardson, Clerk. Re: Ordinance No. 1 - "Parks and Playgrounds". Mr. Millington moved approval of Ordinance No. 1 on Parks and Playgrounds as submitted by Mrs. Richardson. Supported by Mr. Gornick and carried unanimously.

Mr. Ash moved to adjourn the meeting. Supported by Mr. West.

Supervisor McLaren adjourned the meeting at 11:20 P.M.

Approved, J.D. McLaren, Supervisor  
Respectfully submitted,  
Helen Richardson, Clerk  
These minutes are a synopsis, the original minutes are on file in the office of the Clerk.

### TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES - SPECIAL MEETING AND PUBLIC HEARING OCTOBER 5, 1976

The meeting was called to order at 8:00 P.M. by Supervisor McLaren. All members were present with the exception of Gerald Burke.

Supervisor McLaren explained that the purpose of the meeting was to hold a Public Hearing on a proposed new Township Hall and Fire Station Complex. He then opened the Public Hearing at 8:05 P.M. and introduced Norman L. Dietrich, Township Engineer and Planner who reviewed the site location of the proposed Township Hall and Fire Station complex. Discussion by the members of the board and the audience followed as to the closure of Powell Road, the entrances, exits, etc. to the site. Supervisor McLaren then introduced Mr. Carrigan of Cummins, and Bernard, Architects on the proposed complex who proceeded to show preliminary drawings of the proposed interior office space and its amenities which include a basement level for storage and unplanned area which could possibly be used for a future police department, the first floor to contain the general offices and the second floor to contain the meeting room and unplanned area for a possible future Court and Court offices. Mr. Carrigan did not have an architectural rendering, but did have some levels and views of the various sides of the building and explained the type of materials that he proposed to use. After short discussion, Mr. Ash moved that the Public Hearing on the proposed new Township Hall and Fire Station complex be closed at 8:48 P.M. Supported by Mrs. Richardson and carried unanimously.

Mr. Anulewicz, Planner was present to review the Master Plan for the proposed Recreation-Municipal Complex for Plymouth Township. He explained the major goal was to develop the Township owned properties in the vicinity of Beck Road and Ann Arbor Trail for the purpose of providing municipal buildings and a variety of community oriented recreation activities for the Township residents in a manner which responds to and enhances the existing "natural" attributes of the site while recognizing the residential character of the adjacent properties. He followed with the development objectives and development guidelines which consisted of twenty-one different areas of consideration.

Mr. Millington had presented a three page document covering areas of concern and suggestions towards improving Township Golf Course, known as Hilltop Golf Course. These thoughts were reviewed one by one and the suggestion made that Mr. Ross receive a copy of the submitted document with the request that he peruse the suggestions carefully and return to the board with written recommendation on what items he feels are the most crucial and/or important with his estimate of what each item would cost and at that time, the Board members would consider each item separately as to whether they can supply the labor and/or materials and if monies are available for one or more of the suggested projects. It was so ordered. Mrs. Richardson moved adjournment of the meeting. Supported by Mr. West.

Supervisor McLaren adjourned the meeting at 10:08 P.M.

Respectfully submitted,  
Helen I. Richardson, Clerk  
These minutes are a synopsis, the original minutes are on file in the office of the Clerk.
