Alert citizen thwarts B&E

BY W. EDWARD WENDOVER

An alert citizen helped Plymouth Police thwart a burglary from an Old Village business last week.

According to police, a Plymouth woman saw a young man breaking into the Accent Bin shop at 11:24 p.m. Thursday and called police.

She continued with a running report (which police dispatchers broadcast over the police radio frequency) as she watched the youth, police said, enabling them to respond and catch the 16-year-old Plymouth

Township boy with his arms laden with goods from the store.

"We sure appreciate her help," Plymouth Police Chief Timothy C. Ford said. "It's the people who are really in a better position to prevent crime than the police are."

"The people who care for their neighbors are the ones who get involved and when they do, we have a fighting chance to catch the bad guys," Ford said.

"If she hadn't been alert, this would have been just another police report," the chief added.

BY CHAS CHILD

Higher estimated costs may doom a district courtroom planned in Canton, said township Finance director Mike Gorman.

Not only has the expected price of remodeling the old township hall to house the court risen, but the cost of operating the court may be more than the township Board of Trustees want to pay, he said.

The board was scheduled to reconsider the issue at its meeting last night.

In November of last year, Seidman and Seidman, an accounting firm, prepared a cost estimate of housing and operating the court, and the township proceeding with plans to open another courtroom in the 35th District. After remodeling, the old township hall would house the

Col. Davids dies

Col Fred Davids, chairman of the Plymouth Township Planning Commission and former Director of the Michigan State Police, died Tuesday afternoon of an apparent heart attack.

Funeral arrangements were incomplete at press time but are being handled by Schrader Funeral Home in Plymouth.

Davids, who is survived by his wife Kathleen, has had a long history of public service, starting with his joining the State Police on Nov. 1, 1937.

Among his many duties with that department, Davids served as first commander of its racket squad when that was formed in 1951. He was promoted to captain in 1956 and served then at State Police headquarters in East Lansing.

He assumed command of the State Police Second District (now housed at the Northville Post) in 1958.

Davids was appointed to head the State Police in 1965 by Gov. George Romney and held that position until his

COL. FRED DAVIDS

retirement on Oct. 17, 1970.

At that time, Davids helped form the University of Michigan Public Safety Dept. and was at work there, serving as its director, when he suffered the attack Tuesday.

In addition to serving on the Plymouth Township Planning Commission, Davids also sat on the Citizens Committee for United Services as a township representative.

Davids was born Feb. 5, 1914, in Hope, Mich. (See Glimpse at Yesterday on pg. 16.)

Sports complex delayed to seek legal opinion

BY CHAS CHILD

Approval of The Center, a large recreation complex planned in Canton, was delayed for at least three weeks by township officials on Thursday.

The Zoning Board of Appeals, asked by the project's developers for two waivers of the township zoning law, said it needed time to study the legal implications of its decision.

Located on the east side of Haggerty Road, south of Ford Road, the complex will house 72 bowling lanes, four service bars, seven tennis courts, 16 racquetball courts and maybe four theaters.

Ned Apigian, architect and

planner of the Center, wanted approval to build it four feet, eight inches above the current 30-foot limit. He also requested permission to build within 75 feet of residentially zoned property. The current law requires commercial buildings to lie no closer than 150 feet to residential property.

Originally approved by the zoning board on Sept. 7, 1977, the variances to the law expired six months later since construction had not started. This required Apigian to ask board members again for the exceptions.

According to the Township Planner Jim Kosteva, the board has some tricky legalities to

untangle before it makes its decisions on Apigian's requests. First, Kosteva said that the variances should not have been granted by the board last year.

"The special design of the complex makes it necessary for them to ask for the variances," he said. "They should be granted when the property can reasonably be used for the developers' purpose."

However, The Center's backers have spent about \$500,000 on the project since the variances were granted. "Courts have ruled that a community can't revoke the variances after this investment," said the planner.

Ordinance Officer Bruce Phillips said that the township's attorney should be consulted on the matter before the zoning board makes its decision, and the board tabled it until Nov. 30. The meeting at the new Township Hall begins at 7:30.

Canton students score well on college tests

PG.
3

THE COMMUNITY CRIER: November 15, 1978

PUSHING THE HALF-WAY MARK. \$134,853 has been given to the Plymouth Community Fund Drive this year, clinching

47.3 per cent of the drive's financial goal. John Czubaj, fund organizer, said the fund is slightly ahead of last year's support.

Canton High School students interested in going to college scored above the national norms in a standardized entrance exam.

According to Principal Kent Buikema, national norms for males in the verbal section of the SAT are 433, while the female norm is 425.

In comparison, Canton young men scored 446, and young women scored 430.

In the math section of the test, the national norm for men is 494 and females is 444. In Canton, the norm for males was 557 and females was 489.

Although this test cannot be considered representative of the entire student body, Buikema said he was proud of the students' progress, especially in the math area.

Diners to aid library

The Roman Forum restaurant in Canton is offering special dinners on Dec. 4, and all proceeds will be donated to the Canton Library Fund.

Chicken and spaghetti meals will be served from 11:30 a.m. to 11 p.m. at a cost of \$3.75 for adults and \$2.50 for children less than 12 years old.

The Canton Rotary Club is co-sponsoring the benefit with the restaurant located at 41601 Ford Road.

Tickets will be available at the following locations and will also be sold at the door: Country Crafts & Curls, 7361 Lilley Rd.; Wayne Bank, 41652 Ford Rd. and 44520 Michigan Ave.; Canton Chamber of Commerce, 5773 Canton Center Rd.; Palace Restaurant, 41275 Ford Rd.; and Steins Flowers, 42158 Michigan Ave.

For further information, please call Bill at 455-5900.

Canton farm plan is still alive

BY CHAS CHILD

Canton's Farmland Preservation program was defeated at the polls last week, but the plan is by no means dead.

All four newly elected board members expressed support for the program and the small margin of defeat (47 per cent "yes" and 53 per cent "no") indicates that voters may get a second chance to decide the question.

In fact, Supervisor-elect Noel Culbert said he would like to put it on the ballot within six months. "We've been dragging our feet long enough," he said. "I believe the (Plymouth-Canton) schools will ask for bond approval in the spring, so perhaps we can put it on that ballot.

"It's an idea whose time has come," said Trustee-elect Bob Greenstein, who originally proposed the plan three years ago.

The ballot proposal may be altered before it is presented to the voters, however. "We may drop the millage requested to two or three mills," said Culbert. "We might want to go slower and not retain the whole 5,000 acres."

The proposal defeated by the voters last Tuesday would have raised the taxing limit in the township by four mills. Over a 20 year period Canton could have raised about \$16 million to purchase development rights of about 5,000 acres in the western half of the township.

With the development rights belonging to the public, the landowner would still hold title to his acreage. He simply could not develop the property or sell to a developer.

Since the local taxpayers said they won't pay for it, might funding be available from the federal government? "Congress might consider it a

valid pilot project," said Canton Planner Jim Kosteva. "But what they call 'personal' bills are rare. They would have to make it available to the whole country in some form or another."

Although the proposal lost, 47 percent of the residents said "yes," which encourages township officials to keep the plan alive in some form, said the planner.

"It's back to the drawing boards. But instead of being on second base with nobody out, we're back to home plate, two runs down," said Kosteva.

Fast food tabled

The Canton Board of trustees voted to table a request for a Burger Chef Restaurant to be located on the north side of Ford Road between I-275 and Haggerty.

Burger Chef's request for the restaurant included that requirements for a five-foot concrete sidewalk across the south property line on Ford Road be waived until such time that the board deemed it necessary. John Flodin said the waiver on the sidewalk wasn't any problem because "Charlie Thompson (building inspector) can say we need a sidewalk at any time."

The request raised some questions from the audience. "Can Ford Road support another fast food restaurant, and how can we go about stopping them?" Since they weren't questions dealing directly with the request, Trustee Brian Schwall said they would have to be dealt with at another time.

Robert Myers made a motion to table the Burger Chef request until they came back to the board with a traffic survey and sidewalk on the plans. Lynne Goldsmith and Schwall agreed, with Flodin opposing.

Canton sub coming?

A request to open 47 acres west of Canton Center Road was heard by the Canton Planning Commission Monday night.

The Republic Development Corp. wants to rezone about 47 acres bordered by Canton Center Road to the east and Saltz Road on the south to permit 80- and 90-foot home lots on about 42 acres, and commercial use on the remaining five acres.

The whole property is currently zoned for 100-foot home lots.

About two months ago, the commission denied a request by Republic to rezone the 47 acres to 70-foot lots.

The commercial property proposed by Republic will have a 500-foot frontage along Canton Center Road, south of Ford Road. The public hearing will be Jan. 8.

SMOKE BILLOWING through the trees on Saturday afternoon made Canton firefighters think the burning children's fort at Morton-Taylor and Warren roads was actually a house fire, said Captain Vern Rorabacher. At the scene, firefighters extinguished the flames

which had completely destroyed the ground-level structure, said Rorabacher. There were no injuries and no estimate was made on the damage, according to Rorabacher. (Crier photo by Bill Bresler.)

THANK YOU

I am using this means to express my appreciation to all of my friends who worked and voted for me in the campaign for the 35th Judicial District Court Judgeship.

While the campaign was unsuccessful it was indeed heartwarming to learn that I had so many friends that were willing to devote countless hours in support of my campaign and to cast their ballot for my candidacy.

Culbert eyes growth control

BY CHAS CHILD

Canton Supervisor-elect Noel Culbert said the study of growth-control techniques will be part of the "major thrust" of his new administration.

The 32-year-old attorney also said he would like to start public hearings on an ordinance to protect new homeowners from building defects.

"I want to sit down with builders as well as homeowners to work something out," said Culbert.

Other top priorities include a restudy of the Farmland Preservation program, improving recreation in the township, and a library for Canton.

Culbert said he favors putting the farmland proposal before the voters again for their approval, but perhaps in a different form. "We might reduce the millage and save less land," he said.

In addition to this, other growth-control techniques should also be pursued. For

example, the lack of sewer capacity may force the township to ration building permits, he said. This will reduce development pressure and "buy us more time" to devise a new program to preserve the farmland."

Culbert said he wants to make changes in the proposed sign ordinance before it is enacted. "I'm not in favor of billboards along I-275, nor the tall signs near the highway," he said. "We need to discuss it thoroughly."

How to use the third floor and basement of the new Township Hall which are now vacant is another problem to solve, said the supervisor-elect.

Originally designed for a library, the third floor is now unused because voters turned down a one-mill request to fund it in the August primary.

"The open space could be used for senior-citizen pro-

NOEL CULBERT

grams," he said.

Overall, Culbert said he would like to sit down with all the so-called factions in the township to work out problems. "There are supposed to be three factions, but they are not necessarily working against each other.

"A person has to compromise, and we should proceed on the best course after seeing what everyone wants," he added.

Stein may run in 1980

Canton Supervisor Harold Stein, defeated for re-election, said he may run again for the office in 1980.

"It depends on a lot of things, including some personal areas, but I would not rule out running again for supervisor," he said.

Stein lost to Noel Culbert in both the primary and the recent general election.

Also on the political front, Stein denied rumors that he was contemplating a recall campaign against Culbert. "A recall is the farthest thing from my mind," he said. "It's so hypothetical at this point."

Personally, the supervisor said he would probably return to his business career, which was interrupted by his two-year stint as Canton's political leader. "I've had some contacts, but right now I'm concentrating on getting some rest," he said.

Despite his defeat, Stein is still chairman of the township's Economic Development

HAROLD STEIN

Corporation. "I will continue in that capacity and try to bring tax base into the community," said he. "I could be fighting a losing battle, but we can't have a no-growth in Canton."

"The township has to settle down, improve its programs, and avoid petty politics," he said. "But if more people don't get involved, it looks

like more chaos."

Stein said his political organization, the United Democratic Club, was alive and that he would remain a strong member, he said.

The club, Stein and another member, Treasurer Anne Bradley, was recently hit with three \$1 million libel suits filed by their political opponents: Robert Greenstein, James Donahue and Culbert. The trio claimed that their personal and professional reputations were damaged by flyers distributed by the club.

"My lawyers are looking at the suit now," said Stein.

In a related incident, Stein's wife, Norma, has accused the person who served the court process papers of assaulting her, police said. While Gail Meyers, 22, of Dearborn Heights, who served the papers at the Stein residence, has accused Mrs. Stein of assault, according to police.

"The libel suit is just another political tactic," said Stein.

Canton delays school purchase

The possible purchase of a new recreation complex in Canton, Sheldon School on Geddes Road, was tabled by the Board of Trustees last Tuesday.

An elementary school in the Wayne-Westland School District the building has a gym, a kitchen, and is much larger than the township's present recreation building on Sheldon Road at Michigan Ave., less than a mile away.

Maria Falkiewicz charged that Supervisor Harold Stein failed to consider Sheldon School when he proceeded with plans to buy the present recreation facility.

"We were only paying \$200

per month in rent for the building we bought," she said. "There was no hurry to purchase it."

Stein claims that Sheldon School was not available for purchase when he brought the deal to buy the Michigan Avenue building before the board in June. The board bought the building for \$105,000.

In March, four months earlier, the Wayne-Westland Board of Education passed a resolution to close the school at the completion of the school year in June.

However, it wasn't until October that official ads ran

in newspapers notifying the public that the building was for sale.

"Because I have been personally accused of unnecessary spending and purchasing by various factions in the township, and although other people including our Recreation Committee feels Sheldon School would be an asset to the community, I feel the decision to purchase should be made by the new board members," said Stein in a letter to the board last Tuesday.

Four new board members, but not Stein, who was defeated Nov. 7, will take office next week.

Big Boy denied booze

BY PHYLLIS REDFERN
Big Boy Restaurant on Ford Road in Canton was denied a request for a liquor license at last Wednesday's Board of Trustees meeting. The four board members present, Brian Schwall, Lynne Goldsmith, John Flodin and Bob Myers voted unanimously against the request.

Peter Khoury, owner of the restaurant said he was interested in expanding on the back portion of the property. "This would only be feasible should the township grant us a liquor license," said Khoury. He said the new addition would include banquet facilities.

Maria Falkiewicz presented the board with petitions signed by local businessmen and residents, stating they were against the liquor license.

"We feel cocktails, hamburgers and kids don't mix," she said. She also said the board was not protecting the businessmen who have already received liquor licenses.

Robert Greenstein, who will assume a trustee seat on the board Nov. 20, suggested the board go back and write standards for granting liquor licenses.

"How do you say 'no' to him after giving it to other little businesses?" he asked. "You're creating a strip (along Ford Road), what will it be like in 10 to 20 years from now?"

Flodin said the liquor licenses have no value unless they're used. "The township receives 85 per cent of the feedback plus revenues," said Flodin. "I don't think we need any bars as such, but

not all of us can afford a Win Schulers."

In making the motion to deny the liquor license, Gold-

smith said she had received more phone calls over this issue than any other since taking office two years ago.

Vandals damage sign

VANDALS spray-painted a few additional letters to this old village sign. (Crier photo by Bill Bresler.)

Schussers can join ski club

All middle and high school students interested in joining the Plymouth-Canton schools' Ski Club should attend the membership registration meeting on Thursday, Nov. 16, at Canton High School in

the cafeteria from 7:30 to 8:30 p.m.

A free membership will be offered as a door prize to a lucky member. Bring your registration fee of \$30 which pays for three advance tow

tickets and your transportation cost for the entire year. More details can be obtained from your principal's office.

Also, bring any used ski items you would like to sell on your own.

Job confab for disabled planned

Helping handicapped students find jobs after leaving school will be discussed at a meeting for parents at the

Tour Columbia with Kiwanis

Enjoy the legends and adventures of Colombia, South America - a country of lofty Andean ranges, Shangri-la-like villages, and dense tropical forests - in a travelogue program presented by Romain Wilhelmson.

His films and stories will be presented at 8 p.m. on Wednesday, Nov. 15 at the Salem High School auditorium.

This program is the second in a travel and adventure series sponsored by the Plymouth Kiwanis Clubs.

Model Resource Room at Salem High School on Nov. 21.

Sharing information on community resources available to these students will be: Eric Gorman from the Bureau of Vocational Rehabilitation; Paul Chamberlin from Plymouth

Growth Works; Ruthann Walsh, director of the Marygrove Clinics; John Bulmer of the Title IV project staff; and other staff members from the district schools.

The meeting starts at 7 and continues until 9 p.m.

To plant trees

Jobless youth sought

The Young Adult Conservation Corps (YACC), part of the President's program to give young people the opportunity to work in the field of conservation, is seeking unemployed, out-of-school youth (ages 16-23) to work in national parks, forests and other public lands and water.

Participants earn minimum

wage and enroll for a period of one year.

Young people who are legal residents of the United States, capable of performing outdoor conservation work, may obtain further information by contacting the Job Placement Office, Canton High School, 453-3100.

More wasted parking

FIRST THERE WAS "Fort Finlan" — the fenced in parking lot off Forest, now there's "Castle Corey" — a useless parking lot by Forest Place Mall. Negotiations between Ken Corey, who owns a building on Forest, and Forest Place Mall owners Jim Jabara and John Thomas, have stalled, leaving Corey with no access to his parking and Forest Place Mall without through-access between the new and old parking lots, the city reports. The city also tried to intervene but failed to negotiate an agreement. At its last meeting the city planning commission agreed to change the parking arrangement in the new Forest Place Mall lot to allow for two-way access. (Crier photo by Bill Bresler.)

THE COMMUNITY CRIER: November 15, 1978

Dolly says 'thanks'

EDITOR:

This is a tribute to the behind the scenes people who devoted their talents, energy, and time to my campaign.

Since May, 1978, through the November election the committee of "The Friends to Elect Maria (Dolly) Falkiewicz-Treasurer" are well deserving of recognition. Their names are too numerous to mention, however, I extend my sincerest appreciation to each and every one.

A special thank you to Deana Salhaney, my campaign manager; Mike Gorman, Canton's Financial Director; Robert Falkeiwicz, my husband, &

John and Lynda Falkiewicz, my children.

Thank you all very much for your support (especially when times got rough) and your sincere dedication throughout this campaign. It was a real pleasure working with all of you.

Also, I'd like to extend my congratulations to Jim Donahue, our new treasurer and fine opponent. Congratulations to Noel Culbert, Supervisor; Robert Greenstein and Carol Bodenmiller our new trustees. Best wishes for a successful political career.

MARIA FALKIEWICZ

School shop classes need wood to work

EDITOR:

I had the occasion to visit an industrial education classroom at Central Middle School to discuss a project that my child wants to undertake.

I was surprised when I was met by a very disheartened teacher. I couldn't believe that there are no materials available for this man to work with. He has "pieces" of lumber that need to be discarded due to so many knot holes, foot long cracks or they are so rough, some of the bark still remains.

Major materials are not the only thing lacking. If a child is lucky enough to turn out some beautiful object, there is nothing to finish it with, no lacquer, varnish or paint - not even a paint brush with which to apply it.

I understand that the other three middle schools in the Plymouth-Canton community schools not only have a plentiful supply but also have

a variety with which to work. From my own personal experience, I know that East Middle has more materials because two of my children did lovely wood projects while attending that school in the sixth grade.

It makes me very angry that I pay taxes to the Plymouth-Canton community schools just like my neighbor across town, and yet my

child does not reap the same rewards.

I know the stock explanation will be "budget cuts," but there is a limit to everything. I'm afraid Central Middle has been the last on the list for too long. It is about time Central Middle is brought up from the bottom rung of the ladder.

(Name withheld by request)

Bite for books

On Dec. 4, Canton residents can eat a good meal, but more importantly, nurture their children's minds.

How? The Roman Forum restaurant on Ford Road will be offering spaghetti and chicken meals all that day and the proceeds will go to Canton's Library Fund. The Canton Chamber of Commerce is co-sponsoring the effort.

The event is a special opportunity for building something the township needs — books for its youth.

We applaud the organizers and encourage everyone to enjoy a good dinner and help build for the future.

Students have their way

Who is running the schools?

EDITOR:

To Plymouth-Canton School Parents:

I would like to know who is running the school — the students seem to have things their way. Last week, The Crier related the incident of the female busdrivers being threatened and now the students are boycotting the cafeteria. What is wrong and why aren't these incidents stopped?

I have two young adults in high school (Canton) and I asked them about both of these situations. My son said he thought it was crazy and he was still eating the fries.

My daughter told me her side and she said she was just going along with a few friends as it was something different to do. She said the food was OK. I could have tossed her through the kitchen door about that time.

She buys Cokes at school — my son told me you could buy pop outside of the cafeteria.

It's amazing what you learn when you sit down and have a chat with your children! My daughter has turned into the "green monster" — my son said the girls were pretty wild at school.

I told both of my children from here on out, anything I hear about school affairs such as this, they will both be dealt with as if they were the leaders. My husband works too hard to pay school taxes just to have things like this happen.

Now parents, do you enjoy paying school taxes just so

a few "adult students" can get a few "kicks"? That's what it's coming to. Over the week-end, some fine students up-rooted a tree — approximate cost \$75.00. Who pays? Us - the good old tax payers.

The firecrackers last year caused damage. Who is paying that bill?

Wake up Mom and Dad. Ask your high school student a few things. I'm glad I asked but I'll never say to myself again "my little darling wouldn't do that — he or she has been a good child and we always taught him or her right from wrong."

I've gone to school board meetings. Oh parents, I ask — no, I beg you to go. It's a

three-ring circus. I strongly suggest you attend and speak up. Ask what is going to be done about these students running the school.

If you get your chance to speak up fine — if not, go again. Those people are being paid by us to function the schools.

Before this letter goes to print, I plan on going to school with three of my neighbors — maybe I'll write some more — if The Crier will print this.

I really want to see for myself and I hope I don't run into my "green monster" doing something off-color but my eyes will be wide open.

WAW WITH ALICE

TOWARD NONE

By W. Edward WENDOVER

Now that the elections are over, we newspaperfolk are sitting back to contemplate the retiring politicians and the soon-to-be installed new folks.

And since the votes have all been counted, we can now reveal that some of the public servants may actually be counted as among our friends.

We're of course reluctant to mention these things prior to election day since it could mean the kiss of death to an office hopeful.

First let us pay tribute to one of the finest - Helen Richardson, who has hassled with her last election after deciding this year to retire as Plymouth Township clerk.

Helen has commanded Township Hall well. She made enemies, yes, but she got the job done when nobody else was willing to stand up and shoulder the burden. Even her husband, Richie has rendered yeoman service to the township helping Helen through on election nights.

If we were pressed to name

who we will miss most after the new terms start - we'd have to say it will be Helen Richardson.

Also retiring in Plymouth Township is Trustee Frank Millington the board's curmudgeon. Although he sometimes had a sour disposition to those who weren't his "friends," Frank prided himself on keeping the board's attention to details.

And then there's Canton. While pressfolk are often amazed at the ridiculous level to which some Canton politicians stoop, there are those in office there who have remained unsullied by the pettiness.

Among them is Brian Schwall, who chose to retire this year as township trustee.

Community opinions

At one time, Brian was considered to be the shining light and hope for Canton's future. But the constant barrage knocked the wind out of Schwall's sails and left him as less effective than he was originally.

But, despite the onslaught of dirty politics against him, Brian never stooped. For that he'll always be remembered.

There is one cloud, however, which darkens his tenure in office.

A "bribe."

This is a story which has never before appeared in print and we feel it must be done. We've hesitated to bare the facts before because of the political climate in Canton, but we must now come clean.

In 1974 at Brian's victory party, as several politickers and pressfolk were watching returns on his new television, Schwall mentioned that he had gotten the new set to replace an old, beat-up model which he was now trying to sell.

The author of this column, being in need of a new TV, pressed the issue and agreed to purchase the barely working set for the sum of \$1.50 (no extra charge for the Band Aid which held the oft-bent antenna in place).

The purchase fee was never

paid and, therefore, many Canton political detractors would scream that this in effect was a bribe for Brian to get good press.

In both Brian's (and my) defense, however, I should point out that since the television is now on its last legs (the Band Aid fell off long ago), selling such shoddy merchandise to a newsman could yield only BAD press.

Imagine! A \$1.50 television set that only lasted four years. (Brian: I'm not going to pay you - you can have the lousy thing back.)

Another retiring Canton campaigner, Bob Myers, must be counted as a friend by many pressfolk - even though we rarely agreed with his foolishness on the board. If we didn't resort to talking politics, Myers - a proud new papa - was a great one for hoisting a brew and discussing the inside info at Canton Hall.

One of the refreshing new faces we pressfolk are hoping to get to know better is that of Jim Garber, the new judge added to the 35th District bench.

Last Friday, when City Hall was closed for Veteran's Day, Jim and Judge Dunbar Davis were upstairs chatting infor-

mally about how the new court set up will work.

That discussion probably had more bearing on how Plymouth-Canton justice will be administered than any 100 hours of court time.

The Dunbar-Garber team promises a real look at judges as human beings and we pressfolk are eager to see it.

Another "newcomer" this election is actually a retreat. Bob Greenstein is one his second time around having served as Canton Township Supervisor from 1974 to 1976 before being deposed.

Bob has taken a lot of gas from the press.

Of course, he's given off just as much if not more in return.

If you believe everything you read about him, you'd think Greenstein has two heads or at least one large eye in the center of his forehead.

Actually, he's not an ogre. Like Myers (they'll both hate to see their names mentioned together), Greenstein is a fine fellow to hoist a brew with - as long as you don't follow it up with a political discussion.

Such are the politicians. They're all people too.

Even if sometimes it seems like we pressfolk ignore that.

Schools need all the help they can get

Bond approach is honest

The Plymouth-Canton Board of Education admitted last week that it has a problem.

Your kids can attest to the fact the 20 schools in the district are bulging with kids, teachers, books and other learning paraphernalia.

The problem, simply stated, is the estimated influx of more than 3,000 students by 1983-84. So the question becomes: What will be done

with more students?

Two weeks ago, Asst. Supt. for Business Ray Hoedel presented one idea for school board members to ponder. The administration's solution was to place two separate bond issues before voters probably within the next year. Briefly outlined, the \$23 million bond package would be used to renovate present schools and to construct addi-

tional schools.

Last week, the board talked about the initiation of a Bond Advisory Committee to mull over school projection figures and come up with a solution of its own.

School officials are asking seven to nine persons from the community to work on this committee. According to board member Elaine Kirchgatter, the committee is more than tokenism and won't be a "rubber-stamp" for the board's proposals.

Undoubtedly this committee will need grass-roots support to analyze the administration's idea and other solutions to this problem. The work of this committee will depend on the quality of this support and the quality of its commitment.

Fresh solutions are needed. This is an honest approach from the board and deserves community support.

THE COMMUNITY CRIER

Canton likes Crier's palm

EDITOR:

I wish to personally thank you for the lovely palm plant which graced our lobby during our Grand Opening, Saturday, Oct. 28.

It certainly added to the beauty of our new Administration Building.

Again, thank you for your thoughtfulness.

HAROLD STEIN
Supervisor, Canton Township

I'll miss Oscar-King of Penniman

EDITOR:

I was sorry to see that Oscar Huston, "hardware salesman" had died, and that I had missed my chance to pay my respects. Many of us have fond memories of Oscar and his place in the community. He was retarded, but it always seemed incidental.

Oscar didn't beat around the bush. My favorite story was told by a customer who approached him in the hard-

ware store with a request for merchandise he didn't immediately recognize. Thinking a minute, Oscar solved the problem. "Too damn hot," he said; and he turned and walked away. It was generally agreed that he was right.

Oscar's family gave him a chance to be a real person. It probably wasn't easy. But he had many friends, and he always seemed to enjoy it.

Ten local residents have agreed to work on a bond advisory committee to consider the size and distribution of a bond proposal for the school district.

Announced at a Board of Education meeting on Monday night, the members are: Larry Bowerman, Charles W. Heidt, Catherine M. Prince, Leslie C. Cavell, Ned Stirton, Ted Thrasher, Leonard D. Evans, James G. Stebbins, Gary L. Nielsen, and Glenn Schroeder.

According to Board President Tom Yack, these persons bring expertise in finance, land use planning, and building

maintenance to the committee. Furthermore, Yack said the committee will work independently of the board and "seek its own solutions and recommendations" to the expansion problem currently facing the district.

Enrollment projections released from Supt. Mike Hoben's office have shown spiraling figures — adding almost 3,000 students to the district by 1984.

A written recommendation will be sought by the board by mid-February, 1979, said Yack.

Fauri resigns racing job

Fedele Fauri, the Michigan State Racing Commissioner whose offices are located in Plymouth, has submitted his resignation from that position.

In a letter to Gov. William Milliken mailed Thursday, Fauri announced his resignation effective when a replacement can be appointed, but no later than Feb. 28, 1979.

The 69-year-old commissioner was appointed to the post on July 1, 1975, and was responsible for moving the state's horse racing offices to Plymouth.

Turkeys galore since '43

LOYD SHARLAND

BY PATRICIA BARTOLD
The Lloyd Sharland farm on North Territorial Road will be much quieter after Thanksgiving.

On Saturday, Sharland and 10 or 12 hired hands will begin a slaughter that has occurred yearly on the farm since 1943. It's turkey time and 800 turkeys will be squawking on the farm until this weekend.

The Sharland family has been keeping turkeys since Lloyd's cousins won turkeys at a feather party back in 1937. They got a mate for the hens, and have been in the business ever since, said Lloyd.

This year's flock of turkeys are almost all hens with the exception of five or six toms. "I'm just getting too

friends & neighbors

old to handle the toms," said Lloyd explaining that male turkeys are feistier and weigh more than the hens.

Before dressing, a hen may weigh about 18-22 pounds, whereas a tom may weigh 29-30 pounds. When they are sold, the hens are pared down to 15-18 pounds.

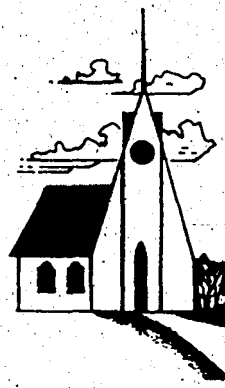

Sharland received this flock of turkeys between May 15, when the eldest was born, and June 6 when the youngest was born. Feeding them a blend of vitamins, minerals and other nutrients, Sharland said it takes about five and one-half to six months for

the birds to mature. After it matures, the bird may gain up to one pound per week, said Sharland.

Sharland estimates this year's flock of birds will take four days to kill, feather, clean and dress for selling. At \$1.20 per pound, he says his turkeys are juicy and good to eat.

But Sharland is 60 years old and plans to retire soon to do the "things I haven't had time to do in the past." Will the turkey farm continue?

"I don't know, it's just hard to say," said Sharland.

FINGERING THE STRINGS and watching the conductor's movements, Marilyn Martin seems to be concentrating intently on getting everything just right.

READYING TO ADD DRAMATIC flair in the background, seems ready to rest for a few measures. Paul Miller on the timpani starts his fingers in motion. Earl Bunge, pictured

Concert-lovers await Sunday's strains

The Plymouth Symphony Orchestra under the direction of Wayne Dunlap, will present its second concert of the season on Sunday, Nov. 19, at 4 p.m., at Salem High School auditorium located at Joy and Canton Center roads.

The guest soloist will be cellist Ross Harbaugh. Harbaugh was born in Minnesota and made his solo debut at the age of 17 with the Toledo Symphony Orchestra. He has since appeared as soloist with the Atlanta and Cincinnati symphonies, as well as the Canadian Chamber Orchestra and numerous civic orchestras throughout the United States.

Last summer, Mr. Harbaugh took part in the sixth annual International Tchaikovsky competition in Moscow. At present, he is cellist with the New World String Quarter.

Tickets will be available at the door or at Beitners, Heide's Flowers, Book World, Audette Office Supplies and in Canton at Arnoldt Williams Music.

The price is \$3.50 for adults, \$1.75 for senior citizens, and students K-12 are free. Babysitting is available for pre-schoolers. The senior citizens bus pick-up will be at Tonquish Creek at 3:15 p.m.

Shives takes helm at crisis center

BY PATRICIA BARTOLD

Everyone has problems, but not everyone has someone who will listen to their problems. "Communication is more of an art than a science. It's a process between two persons," said Sheila Shives, newly-appointed director of the Our House Crisis Center in Plymouth.

Our House offers 22- volunteers with such listening ears on a rotating schedule from 6:30 to 10 p.m. Mondays through Saturdays.

What happens when a person dials the crisis center hotline?

Many times counselors can direct their clients to organizations or persons who solve specific problems. "Sometimes we put people in touch with one another," said Shives, pointing to three thick books used as referral books.

These books contain lists of organizations and persons who can help solve a wide-range of problems - from wife-beating to unwanted pregnancies to housing problems to the misuse of alcohol.

Other times the counselor simply listens. "It's important to listen to all that's being said," said Shives.

The Crisis Center can help persons from all age groups, but one popular group that met last year involved parents learning how to deal with anger and frustration in living with their children.

"They were a supportive group trying to help each other deal with their emotions constructively rather than hurting their children physically," said Shives.

SHEILA SHIVES

Shives said seeking help in dealing with problems is becoming more acceptable and it no longer bears the stigma it had in the past.

Adding that Our House Crisis Center has helped clients from Ann Arbor, Detroit, Livonia and other areas, she said, "Some persons come here because they fear they'll be recognized in their own communities."

In 1977 volunteers and counselors had 1,869 client contacts and Shives plans to start a new training group of volunteers this winter. The 62-hour course will concentrate on: analyzing and perfecting communication skills using active listening and role-playing exercises; training in cardiopulmonary resuscitation;

and learning how to use the referral books.

"I hope to find skilled persons to teach volunteers in their own special field," said Shives. For example, she wants a nurse or medical assistant to teach volunteers how to identify drugs and how to use the cross references in the medical books.

Shives brings two years experience working in a crisis center and also a master's degree from Southern Illinois University to her new job.

Our House Crisis Center, affiliated with the Growth Works project, is located on Harvey Street in Plymouth.

If you are interested in working at the center, contact Sheila Shives, director.

what's happening

FRUIT CAKE SALE

Don Tripp, president of Plymouth Kiwanis has announced the Kiwanis Club of Plymouth is starting its annual Benson's Fruit Cake Sale. They are offering a three pound fruit cake for \$4.50. Contact a Kiwanis member or call Irene Bida at 425-2600.

INDIAN HERITAGE CENTER

The Indian Heritage Center of the Plymouth-Canton community schools will have its monthly meeting on Monday, Nov. 20, 1978, at 6:30 p.m. in the Indian Heritage Center, portable 401 outside Central Middle School 650 Church St., Plymouth. All parents and teachers of Indian students are encouraged to attend.

OPTOMIST LADIES NIGHT

what's happening

TOTAL PACKAGE LUNCHEON

The Christian Women's Club is featuring a gift-wrapping demonstration during their luncheon on Thursday, Nov. 16 from noon-2 p.m. at the Mayflower Meeting House. Luncheon reservations for \$5.25 can be made by calling Dorothy Mowry at 420-0472.

HOCKEY CLINIC

A hockey instructional clinic will be offered to kids from five to 12 years old at the Plymouth Cultural Center on Saturdays. The session on Nov. 25 will be at 7 a.m. with sessions on the following Saturdays at 9 a.m. Cost is \$2 per session. Call Jack Erps at 453-1763 for more information.

ANNUAL FEATHER PARTY

The Rosary Altar Society of Our Lady of Good Counsel Church will sponsor its annual feather party on Nov. 16 at 7 p.m. Games, cash prizes and baskets will be featured. For more information call 495-0761.

BUSINESS AND PROFESSIONAL WOMEN

The Business and Professional Women's Club of Plymouth will meet Monday, Nov. 20, at the Hillside Inn. Featured speaker will be Noreen Nobriga of First Step, a non-profit corporation serving Northwest Wayne County with assistance to battered wives.

PROGRESSIVE DINNER DANCE

Reserve Saturday, Dec. 9 for a progressive dinner-dance sponsored by the First United Presbyterian Church of Plymouth. Tickets are \$20 per couple or \$10 per single, and must be reserved by Dec. 1. Call Linda Luke at 455-0863 for information.

BEHAVIOR MOD WORKSHOP

The Plymouth-Canton-Northville chapter of the Michigan Association for Children with Learning Disabilities (MACLD) will meet Nov. 15 in Pioneer Middle School's cafeteria at 7:30 p.m. in Plymouth. Guest speakers Harold E. Weiner, Ph.D. and Judith B. Weiner, M.A. will conduct a workshop on behavior modification.

TALK ABOUT LAND USE

Gary Sands, member of the Canton Zoning Board of Appeals, will speak on land use at the next meeting of the League of Women Voters on Nov. 15 at Meads Mill Middle School, corner of Bradner and Six Mile roads at 7:30 p.m.

USED TOY SALE

To help make Christmas merrier for those less fortunate in the area, the First United Presbyterian Church is sponsoring a used-toy sale. The toys will be collected from Nov. 5-26, Monday-Friday, 8:30 a.m. - 5 p.m. and Sunday mornings. The toy sale will be on Saturday, Dec. 2 from 9 a.m. - 3 p.m.

CHRISTMAS ARTS & CRAFTS SHOW

The fifth annual Plymouth Christmas arts & crafts show will take place on Dec. 1, 2 and 3. The hours for this popular show of quality exhibits are Friday and Saturday from 11 a.m. to 9 p.m. and Sunday from 11 a.m. to 5 p.m. at the Plymouth Cultural Center. The public is invited to attend this free holiday show which is sponsored by the Plymouth Department of Parks and Recreation.

ALCOHOL AWARENESS PROGRAM

What are the effects of alcohol on the mind, body and lives of people? A three-session program on alcohol awareness will be held on three consecutive Tuesdays, Nov. 14, 21, and 28 at the second floor of the Plymouth City Hall, 201 S. Main. For more information about this program, call 455-2640.

52ND BIRTHDAY LUNCHEON

The Sarah Ann Cochrane Chapter of the Daughters of the American Revolution will meet for a 52nd birthday luncheon at the Hillside Inn on Mon., Nov. 20.

PLYMOUTH ROCK & MINERAL SOCIETY

The Plymouth Rock and Mineral Society meets on the second Monday of each month at 7:30 p.m. at the Cultural Center.

SQUARE DANCING

Learn to square dance with caller Doug Waldren every Thursday evening from 7:30 p.m. to 10 p.m. at the Plymouth Cultural Center. Cost is \$3 per couple, per night. For further information phone 928-2068.

OLD VILLAGE CHRISTMAS WALK

In preparation for the Christmas holidays, the merchants in Old Village are sponsoring a Christmas Walk on Sunday, Nov. 26. The walk will start with brunch with Santa at the Plymouth Hilton from 10:30 a.m. to noon with the walk following from noon to 5 p.m.

MAYFLOWER GARDEN CLUB

The Mayflower Garden Club will meet Thursday, Nov. 16 at 10 a.m. in the home of Mrs. Owen McKenny on Ivanhoe. Club members will construct jeweled bells for Christmas. The co-hostess is Mrs. Rudolph Norquist.

DISCO DANCE

Growth Works Youth Center is sponsoring a Disco Dance on Saturday, Nov. 18 from 7 to 11 p.m. at 271 S. Main. Admission will be \$1.50. You will have to wear dress jeans or better for admittance. For further information, please call 455-4090.

SCOUT FATHER-SON BAKE-OFF

Boys in Cub Scout Pack No. 854 will try to out-bake their fathers in the father-son bake-off on Nov. 28 at 7:30 p.m. at Miller School.

THE NUTS AND BOLTS OF Thanksgiving. Families of second and third graders at Smith School were urged to fill in the turkeys with paper, cereal, beans, corn, feathers, sequins, buttons, fabric, yarn and anything else that

would stick to cardboard. Displaying their handiwork are: second-grader Dennis Buzuvis; second-grader Brian Fennelly; third-grader Kelly Olds; and third-grader Katrina Karassy. Their teachers are Roxanne Sparkman and Suzanne Steele.

Tom & Fern celebrate

About 35 friends and relatives helped Thomas and Fern Binder celebrate their golden wedding anniversary on Oct. 29 at the Terrace Room of the Plymouth Hilton Inn.

The dinner was given by

their daughters and sons-in-law, Joan and Tom Kirpatrick of Southfield and Gloria and Gene Ehrstien of Livonia.

The Binders live on Sheldon Road in Plymouth.

Bartold promoted to feature editor

Patricia Bartold, reporter for the Plymouth-Canton Community Crier, was recently promoted to feature editor of the newspaper.

Her duties will include producing the popular "Friends and Neighbors" section of The Crier.

A Crier reporter for three months, she will continue covering the Plymouth-Canton Board of Education as her regular beat.

PATRICIA BARTOLD

Meeting for retired changes

The Plymouth/Northville Chapter of the American Association of Retired Persons, Inc. (AARP) meetings are usually held on the fourth Wednesday of each month but the next one will be held on Wednesday, Nov. 29, instead.

The day starts at 10 a.m. with crafts and cards, bring a sack lunch to eat at noon and tea or coffee will be provided.

The place is at the Cultural Center at 525 Farmer St. in Plymouth and after lunch our president, Fred Bradley will hold the meeting.

Join The Family Style Thanksgiving Day Ballroom Buffet.

In the traditional style of old fashion Thanksgiving, this year the trimming and work is on us.

Roast Sliced Turkey with Sausage Dressing, and Giblet Gravy, Sliced Roast Pork Loin, Steamship Rounds of Beef Au Jus, Spiced Apple Sauce, Candied Sweet Potatoes, Whipped Potatoes, Butternut Squash, Broccoli Normandy, Harvest Soup and Cranberry Punch.
Imported & Domestic Cheeses, Assorted Nuts, Large Loaf Black Bread, French Bread, Biscuits and Corn Muffins.
Pickled Beets, Tossed Salad with Dressing, Garbanzo Bean Salad, Cranberry Orange Relish, Corn Relish, Potato Salad, Cole Slaw, Waldorf Salad, Macaroni Salad, Fruited Jello Molds with Cottage Cheese.

Traditional Pumpkin Pie with Whipped Cream, Deep Dish Apple Pie with Cheddar Cheese and Indian Pudding.

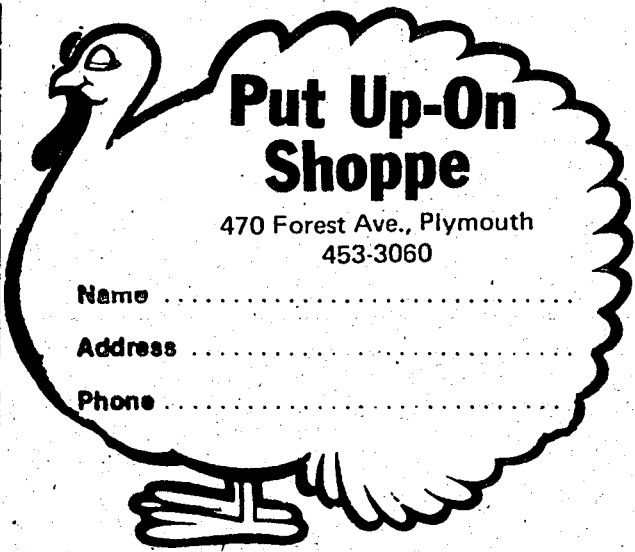

We'll serve from 12:30pm to 5:30pm. The cost is \$8.75 inclusive of tax and gratuity for adults, and children (under 12) \$5.50 inclusive.

In addition the Jolly Miller Lounge will serve its regular delicious menu and a Butcher Block Special of Turkey with Giblet Gravy and trimming for \$7.25 plus tax and gratuity from 4pm to 9pm on Thanksgiving Day.

Arts Council extends deadline for \$250 grants

The Plymouth Community Arts Council (PCAC) has extended its deadline for applications for funds to Plymouth-Canton teachers for use in implementing innovative arts activities which could not take place without financial assistance.

The aim of the Teacher Projects Assistance Program is to encourage teachers to devise arts activities for general curriculum development and to

explore existing resources in the school and community.

Multiple grants of up to \$250 each will be awarded during the first week of January, for projects to take place the first half of 1979. Proposals requesting assistance must be received postmarked by December 1.

Teachers are asked to submit a written proposal of the project, describing the kinds of activities to be developed, and

an estimated budget of how funds will be spent. A supportive letter for the project from the principal or area co-ordinator is part of the application.

Proposals should be sent to Kathy Wood, Teacher Project Assistance Program, Plymouth Community Arts Council, 332 S. Main, Plymouth. Teachers desiring further information can call Mrs. Wood at 455-5260 between 9 a.m. and noon Monday through Thursday.

According to Nancy Sharp, president of the PCAC the Teacher Projects Assistance Program will become a continuing service of the PCAC "if it is well received by the schools."

tell it to
phyllis

Whether you're a Democrat, Republican, or average voter, election night offers excitement, tenseness and droopy eyelids. Everyone is anxious to know the results of the elections as soon as possible.

Election night at the new Canton Township Hall started off quiet with only a few people, but as the precinct results started coming in, more people started drifting into the hall. By midnight it was easy to see who would be victorious in some of the races.

As the last of the regular precincts were counted, the township hall was filled with curious spectators and candidates. With all the regular precincts tabulated, there was no doubt as to who won among the candidates, but the farmland issue was too close to tell which way it would go.

Then came the wait for the absentee ballots. As the clock struck 1 p.m. the crowd had dwindled down to only a few people. By 3 a.m., Clerk John Flodin was upstairs where they were counting the absentee ballots, Secretary Doris Kelley was still awake at her desk, Mike Gorman and a few other township employees were trying to keep busy and awake.

A few people to whom the farmland issue meant a lot were hanging in there trying to find out the final results. Instead of sitting around making small talk, we came up with a deck of cards.

Now who would ever imagine Bob Padgett, Cathy Prince, Bart Berg and myself sitting around township hall playing euchre till four o'clock in the morning? And they said life in the suburbs was dull.

After a game of cards, it looked like it would be 7 or 8 a.m. before the results would be in, so we decided to call it a night.

I think I'd better start brushing up on my card playing before the next election.

As we get farther into November, it's time to start thinking of winter — those white flakes can't be far away.

The American Association of University Women decided to have four fireside meetings in members homes instead of a large meeting in November. The meetings will be held Thursday, November 16 at 7:30 p.m.

One group will be a discussion by Barbara Bergman, who is associated with Counter Points Runaway Shelter. The shelter deals with the problems and care of runaway children between the ages of 12 and 17. The group will also talk about possible revision of the juvenile code.

Ms. Peggy Fitzpatrick, member of the personnel department of Chevrolet Division will be the speaker at the second group. She will talk about skills that are necessary to compete for jobs and what kind of career planning is necessary for a job.

The third group will be presented by artist Mathias Muleme. He is a Ugandan artist and a member of the artist forum. He will demonstrate his technique for copper etching.

The fourth group will be conducted by Marilyn Thams, an R.N., and a member of the infant and preschool special education program. She will give a slide presentation of the program, and explain the purpose, which is to provide services to handicapped children, ages five and under. The local program is conducted in five classrooms in Farrand School.

Readers can browse

Book-lovers can browse through the stacks of reading material on display at Field Elementary School starting today (Wednesday, Nov. 15). The fair will be open for five school days and prices range from 29 cents to \$2.

Chairperson Brenda Dunford said more than 2,000 books in 60 different categories will be included with puzzles, games, dot-to-dot books, magic slates, flash cards and crayons in the display.

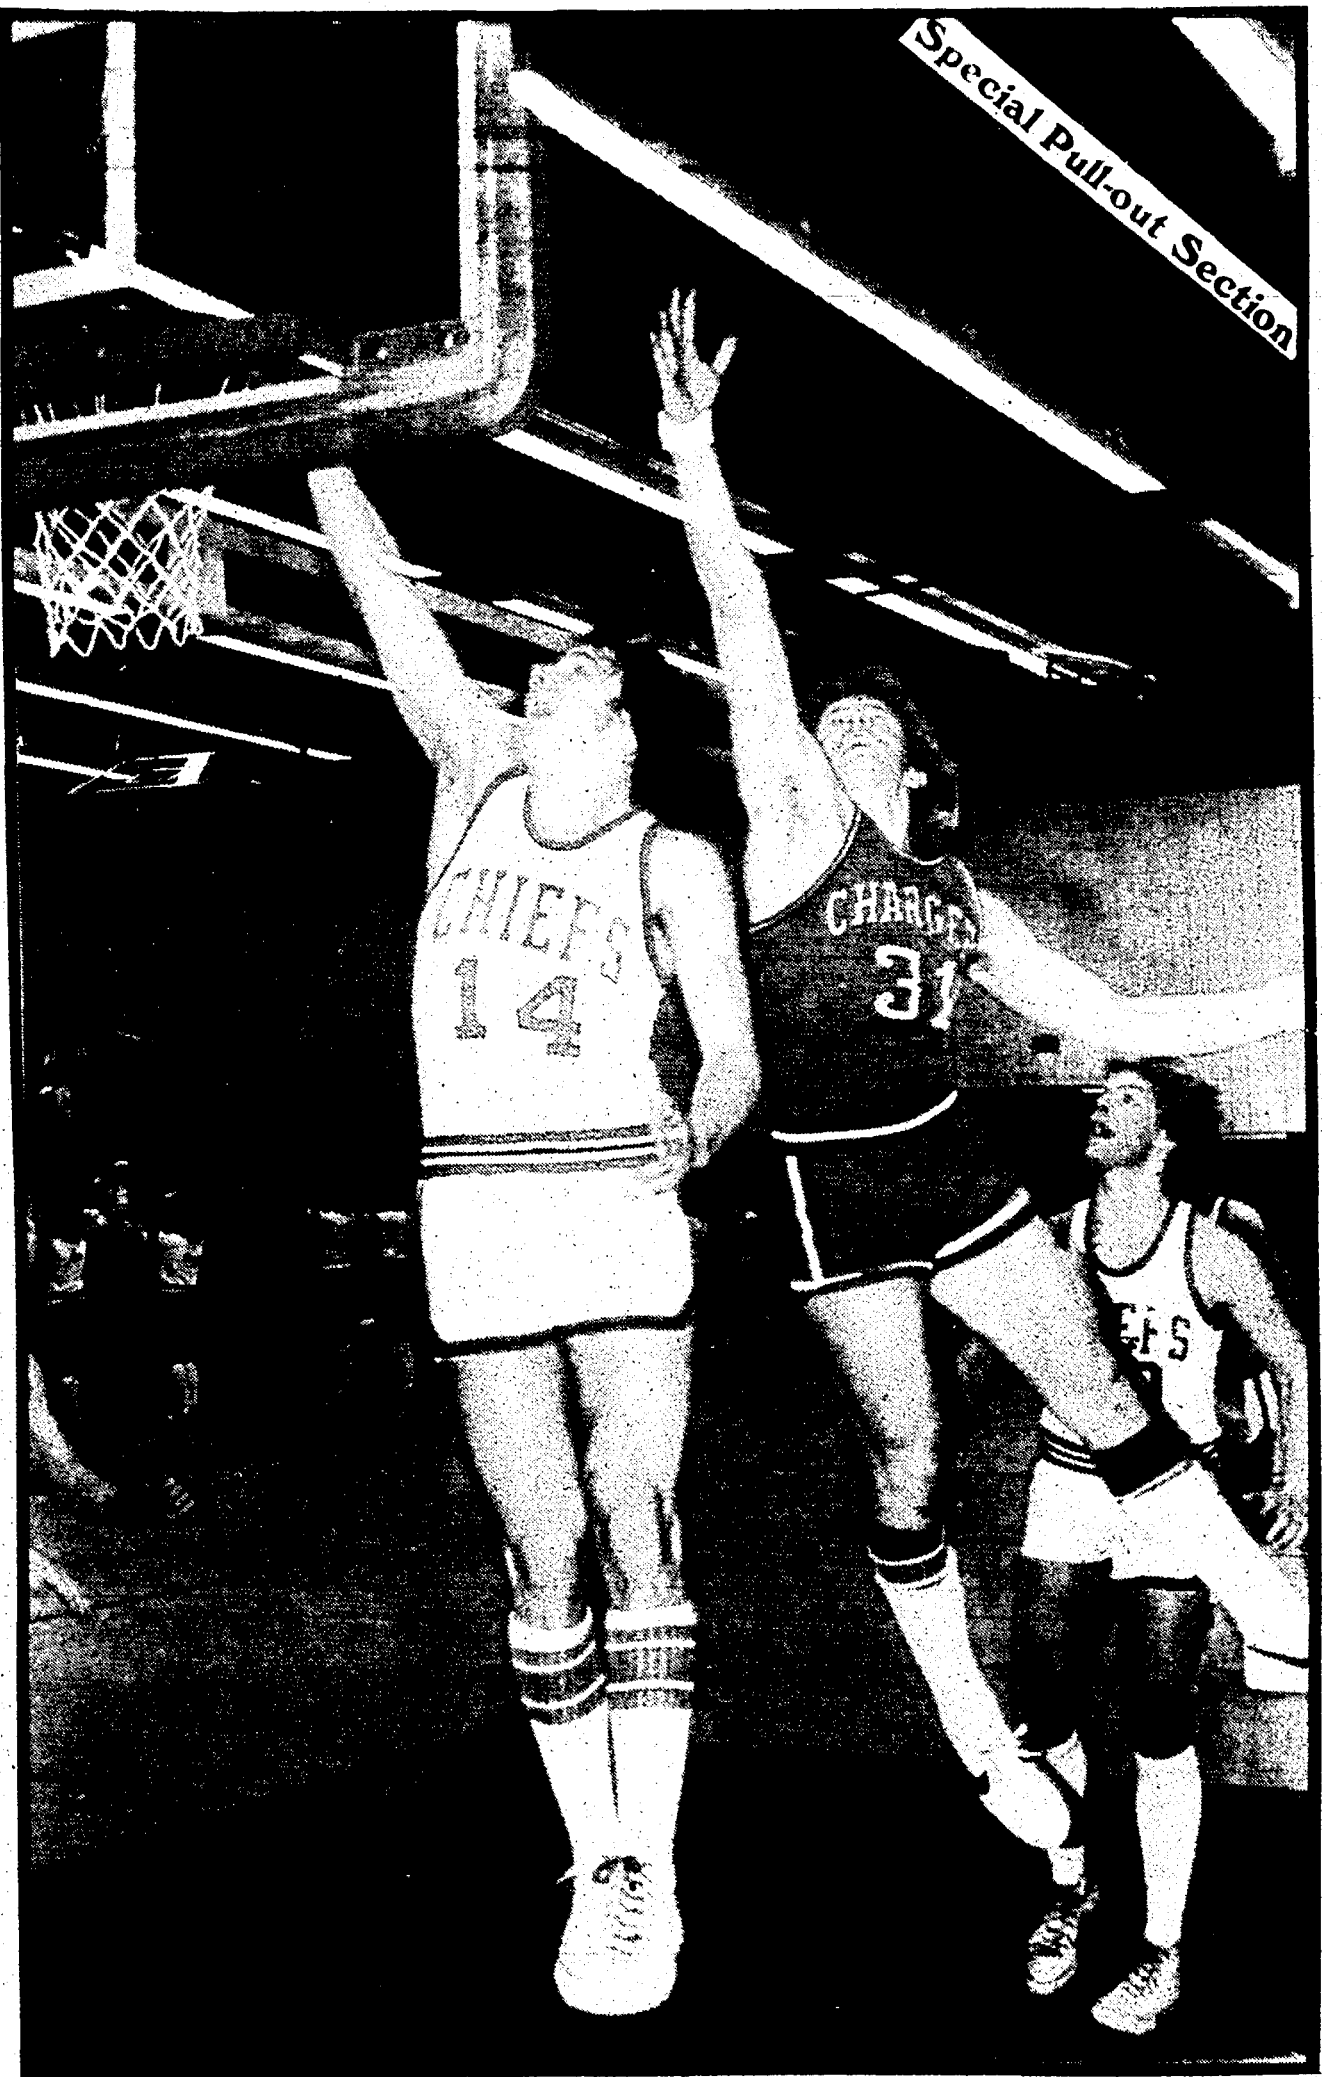

Proceeds from the fair will be used for purchasing books and other library materials.

Welcome, Christy

Christy Ann Myers, six-pound, six-ounce daughter of Elizabeth and Robert Myers was born Thursday. The three live at 51074 Mott Rd., No. 63, in Canton.

IN 1937, FORD MOTOR CO. filmed a documentary of the State Police. Mounting the motorcycle is the late Col. Fred Davids who died yesterday. (State Police photo.)

THE CRIER

Winter 1978 Basketball Preview

Special supplement to THE CRIER

CRAIG BELL, first year Canton basketball coach, conducts a pre-season workout at the Canton gym while Rusty Mandle (No. 35) listens intently. Butch King the Chiefs' all-time leading scorer returns to form the heart of the Canton offensive attack. (Crier photo by Bill Bresler.)

Canton cagers paced by King

BY PATTY RADZIK

With the help of returners Butch King, Canton's all-time leading scorer, and Rusty Mandle, the assist leader and co-leader in total rebounds, the Chiefs are considered the favorite to take the Western Six Crown.

Last year under Coach Casey Cavell, Canton was in the title chase until the end, only to be nosed out by Waterford Mott.

A new coach, Craig Bell, has high hopes to push the Chiefs over the top

to capture the team's first basketball crown in its history.

Bell led the Salem girls junior varisty team to an undefeated season last year.

Besides King and Mandle, Bell also has 6'5" transfer Mike Gollnick, Jay

McKinley and Frank Desoto to anchor the team for the upcoming season.

This year he'll have to contend with the Western Six, and start a quest to better the team's record from last year's 11-9 overall mark, 7-3 mark in the league.

RICH HEWLETT

SALEM BASKETBALL Coach Fred Thomann gives indepth instructions to a player during a break in a workout last week. (Crier photo by Bill Bresler.)

Rocks seek title

BY ERIC OLSON

What do the numbers 20-3, 17-5, 20-2, 22-3, and 21-3 represent?

They represent the last five years of Salem's accomplishments on the basketball court and they also record a sound basketball program at Salem.

Over the past five seasons the Rocks have compiled a 100-16 won-lost record and this season Salem coach Fred Thomann expects to add to that already impressive figure.

"We have a fine team with many fine players," said Thoman, "and I think we will again challenge for the Suburban Eight championship."

Last year the Rocks tied for the Sub-8 crown and won their district championship.

Thomann has two starters returning from last year's 20-3 season and both are guards. Rich Hewlett (6-1) and Matt (5-11) Etienne are back to form the backcourt.

COACH CRAIG BELL

King leads Chiefs

Cont. from pg. 18

Helping to fulfill Bell's wish to make this year a promising one, is his assistant coaching staff. Dave VanWagner and Pat Cunningham will be aiding the Chiefs' dreams of a winning season.

Churchill and Northville will again pose threats to the Chiefs' chances of victory. Both squads beat Canton last year. Farmington Harrison is another one of the tougher teams the Chiefs will face.

Positions on the 1978-79 team will be very competitive. "With the balance

of people I do have trying out, all positions will require a lot of hard work to achieve," Bell said.

"We will be a team with inside height," he continued. "I've got tall guys who can play guard."

In closing Bell added, "there will be changes from past Canton basketball teams. We'll use different offensive sets. We have to build from the success the team has had in the past from Coach Cavell, in order to go on to even a higher level of greatness."

Rock guards set

Cont. from pg. 19

Hewlett was last year's second leading scorer with a 12.3 average and he was second in rebounds with 108. He also paced the team in assists with 124. Etienne averaged 4.3 points a game and dished out 72 assists.

Lost to graduation is Tom Ellinghausen who was the squad's top rebounder and scorer a year ago.

Last season Hewlett was named to the All-Suburban team and the All-Area team and Thomann expects big things from him again.

"He is a great player who is a major college basketball prospect," said Thomann of Hewlett.

Rounding out the backcourt will be 5-10 Paul Dillon and 5-11 Rob Neu a starter on the junior varsity squad last year.

At the forward position there are four newcomers: Kevin Kelliher, Barry Owens, John Van Wagoner, and Jim Anderson. Thomann hopes that they can pick up some of the scoring slack left by Ellinghausen's departure. All but Anderson were on the varsity last year, however, none of the returnees played more than 50 minutes during the entire season.

Bill Thimm (6-3) and Howard Monk (6-4) are the pivotmen with Thimm back from last year and Monk up from the JV. Thimm saw limited action as he played in 16 games and averaged less than a point a game.

The Rocks will once again use a wide-open offense with no set plays and a pressing man-to-man defense.

Thomann describes the offense as a

passing one which uses a lot of motion and screens. "We take what the defense gives us," said Thomann. He added, "our strategy is to get an early lead and make them come out and get us forcing them to come out of their zone and go to a man-to-man defense."

"We'll run the fastbreak when we can, but you can't release until you get the boards," said Thomann.

Thomann stresses the man-to-man defense because it gives a responsibility to the defensive player. "Sometimes players stand around in a zone and say 'he didn't score from my area.' We'll press some half-court and maybe full court," added Thomann.

"A real big man could give us some trouble on defense since we really don't have anyone that is big. We will have to rely on our speed and quickness," concluded Thomann.

Thomann foresees Bentley and Belleville as other strong teams in the Sub-8.

The Rocks' first game is Tuesday, Nov. 28 at Franklin and their first home contest is Friday, Dec. 8 against Allen Park.

League starting

There are eight openings in the Plymouth Men's Recreation Basketball League remaining. All returning and new teams must register before Fri., Nov. 17 at 5 p.m.

Registration fee is \$215 per team plus non-resident fees. One team may have only three non-residents on it and each team may register up to 12 players.

Junior cagers ready to play

With 814 youngsters signed up and ready to play, the Plymouth-Canton Junior Basketball Association (PCJBA) is expecting another fun year of sportsmanlike competition.

In its 15th year, the PCJBA is faced with some new challenges as it prepares for the upcoming season scheduled to begin Dec. 2.

For the first time, the league will be paying the Plymouth-Canton School District for the use of its school gyms to play its games. The schools were forced to charge with the defeat of the millage increase earlier this year.

However, the PCJBA's first woman president, Cindy Merrifield, is busy working on this problem as well as all the organizing required for a successful season.

"It's been hectic but I'm looking forward to a fun year," she said.

The boys and girls in the league are divided into eight divisions:

C girls, third and fourth grades, 40 players.

C boys, third grade, 95 players.

B girls, fifth, sixth and seventh grades, 80 players.

B boys, fourth and fifth grades, 220 players.

A boys, sixth and seventh grades, 175 players.

AA girls, eighth, ninth, 10th, 11th grades, 40 players.

AA boys, eighth, ninth, 10th grades, 98 players.

AAA boys, 11th, 12th grades, 66 players.

Ron Mack, publicity director of the PCJBA, said the league's goal is not to turn out excellent basketball players, rather to give everyone a chance to play.

A league rule states that every youngster shall play at least one quarter of each game, and no more than three quarters.

The first practice games of the PCJBA's season is scheduled for Nov. 18, while the regular season begins Dec. 2. After the regular competition ends in February, all teams enter a single-game elimination playoff to determine the champions of the respective divisions.

MOTHER NATURE didn't cooperate with the City of Plymouth's leaf-collecting program this fall. City crews were shooting for a late November to clean up fallen leaves, but since

most of them fell in a brief period, the city is about two or three weeks behind, a DPW spokesman said. (Crier photo by Bill Bresler.)

PCJAA keeps kids off streets

"There's nothin' to do" Every parent knows these words, spoken with a shuffle of feet and a whine of despair.

But it just doesn't ring true in Plymouth — thanks to such organizations as the Boy Scouts, the Girl Scouts, the Campfire Gris and the Plymouth-Canton Junior Athletic Association (PCJAA).

Thousands of area boys and girls are actively involved in these programs, due to the efforts of many adult volunteers and the support of the Plymouth Community Fund.

The continued success of these youth activities depends on the success of the annual fundraising efforts of the Plymouth Community Fund. Contributions may be addressed to the Plymouth Fund at

Box 356, Plymouth, or arranged through payroll deductions.

Residents who contribute through payroll deduction in other areas are reminded to designate their contribution to the Plymouth Community Fund.

According to Detroit area District Executive, Mike Thiry, Plymouth Boy Scouts set an outstanding troop camping record as well as earning numerous awards during the past year, with Lawrence Krieg of Troop 1536 earning the coveted Eagle rank.

Adventure, friendship and self-discovery are all goals of the scouting movement in Plymouth. The 39 Brownie, junior, cadette and senior Girl Scout troops enrolled 1,076

girls in 1977, along with an adult membership of 132.

Like the Boy Scouts and Campfire Girls, area Brownies and Girl Scouts perform a wide variety of community services, take trips and experiment with new skills and crafts. By the time they are senior scouts, the girls take an active role in council decision-making and attend national and international events.

While sports and games represent a relatively small part of Plymouth's Campfire and Scouting program, they form the basis of a lively project called the Plymouth Canton Junior Athletic Association (PCJAA).

PCJAA has introduced hundreds of area boys and girls to baseball, basketball, football and hockey. Baseball drew the largest participation this summer, with 1,217 boys and 354 girls on 102 local teams.

Basketball enrolled 635 boys and 190 girls; hockey 306 boys and 4 girls and football, 194 boys and 45 girls. More than 500 adult volunteers participated as coaches.

"These are not just 'something to do' programs," says Jim Sinclair of the PCJAA. "They are highly organized, well-coordinated team sports with competent adult supervision open to all youth between the ages of six and twenty. The purpose isn't just to increase skills and physical fitness, but to promote a spirit of healthy competition and fair play."

Plymouth merchants are invited to the third annual Christmas promotional kick-off, sponsored by the First National Bank of Plymouth on Tuesday, Nov. 21.

A program entitled "Christmas Shop Plymouth," will be unveiled at the continental breakfast at the Mayflower Meeting House at 8 a.m.

The bank will provide area merchants with a packet of supplies including the following: 1., Buttons for sales people to wear reading "Christmas Shop Plymouth"; 2., Counter cards to be displayed in stores; 3., "Christmas Shop Plymouth" door stickers; 4., Decorative posters for windows carrying out the theme; 5., Various sizes of logos reading "Christmas Shop Plymouth".

Lunch Box

BY
 BY W. REFRIED LEFTOVERS

The cooks at our community's largest food chain - the Plymouth-Canton Schools - are preparing Thanksgiving for the kiddies.

Next week's menu features a turkey day at many schools. Of course that'll be followed up by turkey at home on Thanksgiving, so the little gobblers should really be stuffed by week's end.

Despite that holiday trend, the rest of the school menu looks normal - if you can call PB&J sandwiches with chili (at Farrand on Monday) normal.

And don't ask us why Tanger is serving "chocolate milk on lunch trays only" next Tuesday. It seems that glasses or cartons would be more convenient. Slurp, slurp.

THURSDAY & FRIDAY
 No School Thanksgiving vacation.

STARKWEATHER MONDAY
 Grilled cheese sandwich, soup, peaches, cake.

TUESDAY
 Thanksgiving day dinner, turkey, potatoes & gravy, rolls, broccoli, cranberries, cookie.

WEDNESDAY
 Hot dog on bun, sauerkraut, french fries, apple sauce, cookie.

THIS THERMOMETER will appear in The Crier each week during the annual Plymouth Fund drive to mark the drive's progress. The goal for this year's drive is to raise \$285,000 for the services and community agencies supported by local donations.

THE LAST OF THE BIG-TIME SPENDING will start at 8 p.m. Saturday, Nov. 25 when Canton Newcomers gather for a Millionaires Party at the Plymouth Cultural Center. Linda Lupo, Jan Braun, and Lily Gyorko will be looking for the big money. Reservations can be made by calling Judi Thomas by Nov. 17 at 453-6986.

Parked car torched by leaf arsonist

Be careful about where you park your car.

That warning comes from the Plymouth Fire Department which reported a car fire over the weekend which apparently was started in a pile of leaves under the car.

Fire Chief George Schoeneman urged motorists to avoid parking over piles of leaves — which lately in the city have been attracting pranksters' matches.

The chief also urged homeowners to wet down leaves after piling them at the curb. "That keeps them from blowing around and keeps them from catching fire."

City Fire Lt. Bob Degen said firefighters were called to 644 Ann St. at 10:04 p.m.

Saturday for a "fire under a car." The fire spread into the engine compartment of the car and caused some \$1,500 damage before firemen could pry open the hood to extinguish the blaze.

Canton pols to be installed

Canton's newly elected members of the Board of Trustees will be sworn into office on Monday, Nov. 20, 7 p.m. at the Township Hall.

Judge Dunbar Davis will swear in Supervisor Noel Culbert, Treasurer Jim Donahue, and Trustees Robert Greenstein and Carol Bodenmiller.

Refreshments will be served.

Twp. buildings to join

A plan to tie the present Plymouth Township Hall with the recently purchased building next door was scheduled to be presented to the Board of Trustees last night.

A single roof would join the buildings, and the driveway now separating Township Hall with the Teledyne building would become a hallway.

Included in the proposal is remodeling of both facilities and doubling the size of the meeting hall.

Final plans still must be drawn and bids taken before construction can begin, said Supervisor Tom Notebaert. "We hope to be finished within six months," he said.

Boogie in Canton classes

Kids can boogie down and learn beginning disco steps in an eight-week class sponsored by the Canton Township Parks and Recreation Department.

The class begins on Dec. 14

and runs through Feb. 1 on Thursdays from 4:15 to 5:15 p.m. at Eriksson School in Canton. Class fee is \$7 and registration deadline is Dec. 7. For more information call Barb Abdo or Connie Flynn at 397-1000 ext. 212.

MANY FINE JEWELS glistened their way into the hands of area residents attending the Tonquish Creek Manor Bazaar on Saturday. Pearl Truran is overlooking the scene as buyers pick up the stones to examine them.

400 attend bazaar at Tonquish Creek

Combining good friends, a raffle and an old-fashioned bazaar atmosphere, residents of Tonquish Creek Manor in Plymouth raised about \$700 in their Christmas Bazaar Saturday.

About 400 people browsed through the handmade items, flower arrangements, baked goods, white elephants, books, used jewelry and plants at the manor.

The baked goods alone sold out early and accounted for about \$200 of the total profits.

The money raised will go toward an improvement project for the residents at the senior-citizen building.

The winners of the raffle were Rene Meritt and Christina Proctor, who won handmade afghans.

"It was a fun chance for the residents to socialize and raise some money," said Daisy Proctor of the manor.

PINEAPPLE AND SPIDER plants were among those shown off by Margaret Wassell at the Tonquish Creek Manor Bazaar on Saturday, Nov. 11.

Real Estate

BY WILLIAM DECKER

REALTOR

HOW TO HANDLE CONDEMNATION

It's a real shock when you're told that part (or all) of your property will be taken for a new highway, sewer line, high tension line or other public use. It's usually an even greater shock when the representative of the public utility, highway department or government tells you what they propose to pay.

Relax, and react rationally. Your property may be taken if it is really needed for public use but you must be compensated at "fair market value." If the initial offer is unacceptable, make an appointment to discuss it with your attorney. If he

agrees with your position, he'll arrange for one or more Real Estate Appraisers to appraise the condemned property for you. With the facts they give him about "fair market value," he can represent you better in direct negotiation, at a preliminary hearing, or (if necessary) in court action.

One caution - Have a clear understanding of the fees of attorney and appraisers before engaging them.

If there is anything we can do to help you in the field of real estate, please phone or drop in at REALTY WORLD, Wm. Decker, Inc. Realtors, 670 S. Main St. Plymouth. Phone: 455 - 8400. We're here to help!

ELSIE HOHL scrutinizes the handmade articles offered by the residents of Tonquish Creek Manor at its bazaar on Saturday. Rebecca Erdelyn and Hallie Martin seem ready to make the sale.

community deaths

Miller

Kathryn M. Miller, 76, of Plymouth died on Nov. 4 at St. Joseph Hospital in Ann Arbor. Funeral services were held on Thursday, Nov. 9, at Schrader Funeral Home with The Rev. Fr. Robert S. Shank, Jr. officiating. Burial was at Fayette Cemetery in Jonesville.

She is survived by cousins, Mrs. Clara E. Draper of Northville, Mr. George Kirby Culver of Tangier, Morocco and Fla.

She came to the community in 1967 from Chicago and was an executive in insurance sales. She was a member of the Plymouth Grange and the Plymouth Study Club.

Walsh

Francis J. Walsh, 72, of Plymouth and Florida, died Nov. 8 in Royal Oak. Funeral services were held on Saturday, Nov. 11 at Our Lady of Good Counsel Church with The Rev. Kenneth MacKinnon officiating. Burial was at Riverside Cemetery.

He is survived by his wife, Margaret; daughters, Mrs. Joseph (Joanne) Brisbois of Plymouth, Mrs. Gerald (Marilyn) Mitchell of Royal Oak, Mrs. George (Sharon) Seguin of Richmond, and Mrs. James (Judy) Dyer of Plymouth; son, Gerald of Livonia, 19 grandchildren; and, six great-grandchildren.

Mr. Walsh was a furniture salesman who came to the community in 1939 from Royal Oak. He was a member of Our Lady of Good Counsel Church, life member of B.P.O.E. No. 1780, Plymouth K-of-C-No. 3292-Fr. Renaud Council, and past president of the Jr. Chamber of Commerce in Plymouth.

In Florida, he was a member of St. Patrick's Holy Name Society, and president of the Plymouth Sunshine Organization there.

Mass offerings and contributions to the American Cancer Society can be made.

Philip

Emma Mae Philip, 65, of Plymouth, died on Nov. 6 at home. Funeral services were held on Nov. 9 at Schrader Funeral Home with Dr. A.R. Krachenberg officiating.

She is survived by her husband, Earl J.; mother Mrs. Lester (Edith) Moyer of Monroe; son, William L. of Masoñ; daughters, Barbara Kellogg of Sioux Falls, S.D., Mrs. Daniel (Earleen) Bailey of Kerney, Neb.; brother Paul R. Valentine of Paducah, Ky.; ten grandchildren and six great-grandchildren.

Mrs. Philip was affiliated with the Christian Science Church of Plymouth, the Plymouth Women's Club and the League of Women Voters.

Memorial contributions can be made to the Noontide Visiting Nurse Service.

Hoke

Mary Lucille Hoke, 75, of Plymouth Township, died on Nov. 10 at home. Funeral services were held on Monday, Nov. 13 at Our Lady of Good Counsel Church with The Rev. Fr. Robert Kellar officiating. Burial was at Holy Sepulchre Cemetery.

She is survived by her husband, Rex R. Hoke; and dear friend Mrs. Joan Phillips.

She was a kitchen attendant at a child care center and a member of Our Lady of Good Counsel Church.

Zakul

Gertude Julie Zakul, 67, of Plymouth, died on Nov. 10 at Hendry Nursing Home. Funeral services were held at Lambert Funeral Home on Nov. 14 with the Rev. Douglas Brown officiating. Burial was at Knollwood Cemetery at the Farmington Hills Baptist Church.

She is survived by her husband, Walter Charles Zakul; daughters, Mrs. Ralph (An-

toinette) Chapman of Plymouth, and Ijene Zakul of Birmingham; sisters, Mrs. Tracey Bakewell, Mrs. Frances Bushey, Mrs. Anne Dugas; brother, Frank Morley; and grandchildren, Brett, Julie and Gail Butler.

Mrs. Zakul came to the community from Wayne 25 years ago and retired from Burroughs in 1973 where she was an assembly worker.

Dooley

Gertrude Estella Dooley, 58, formerly of Plymouth, was killed in an auto collision in Farwell, Michigan on Nov. 11. Funeral services are Nov. 15 at Schrader Funeral Home with Pastor Carl R. Allen officiating. Burial will be in the Riverside Cemetery.

She is survived by her parents, Mr. and Mrs. Z.L. (Janette) Parks of Lansing; sons, Darryl of Plymouth and Kerry of the US Army; brother, Kenneth Parks of Pasadena, Cal.; sister, Mrs. James (Vicki) Williams of Zionsville, Ind.; and two grandchildren.

She was an executive secretary for Wayne County.

Memorial contributions can be made to the Michigan Heart Association.

Dooley

James Dooley, 70, formerly of Plymouth, was killed in an auto collision in Farwell, Michigan on Nov. 11. Funeral services are on Wednesday, Nov. 15 at the Schrader Funeral Home with Pastor Carl R. Allen officiating. Burial will be at Riverside Cemetery.

He is survived by sons, James of Diamondale, Jack of Phoenix, Ariz., Darryl of Plymouth and Kerry of the US Army; daughter, Mrs. Mort (Betty) Soloman of Detroit; brother, Charles Dooley of Detroit, Mrs. Mable Clark of Vincennes, Ind., and Mrs. Minnie Welton of Vincennes, Ind.; and nine grandchildren.

He was a clerical worker for the Ford Motor Co. and a member of the Plymouth Elks BPOE No. 1780 and Foresters Travel Group.

Rock cagers win Sub-8 shootout

BY PATRICIA BARTOLD

Victory rarely tasted sweeter to Rock fans than when the Salem girls basketball team nailed Livonia Bentley, 56-51, in overtime action on the Bulldog court Thursday night.

The victory stretched the won-loss record to a flawless 16-0, and almost capped their title in the Suburban Eight conference. The championship will be determined this week when the Rocks meet Trenton and Allen Park on the Rock court, but Salem already defeated both teams earlier this season.

The Rocks trailed Bentley throughout the entire game, scoring only five points during the first quarter to the Bulldogs' dominating 10.

During the second quarter the Rocks were unable to move in and at halftime the score was 24-16.

A third quarter rally enabled the Rocks to close the gap to four points, 34-30, going into the fourth quarter.

Commenting on their strategy, Coach Bob Blohm said, "I told the girls to keep the

score close and so when we could, we moved right in."

This turning point occurred when junior Cheryl Sobkow tied up the score at 41-41 with 2:37 left on the clock. Co-captain Nan Horwood moved in to score four points, but with two turnovers, the game was tied again with only 0:27 remaining.

At that point, center Patty Weidman could have won the contest for the Rocks when she was awarded a one-and-one free throw. But her first attempt failed, throwing the game into overtime.

During overtime, the Rocks came on strong to dominate the action. Erin Moore, jumped in to score the first two baskets, then Horwood tossed in one free throw and Weidman netted two points to pull the victory from out of the Bulldogs reach.

Both Bentley and Salem were plagued with foul troubles as Bulldog Krista Pary left the game with three minutes on the clock at the end of the third quarter, and Salem's

BY ERIC OLSON

The Canton girls basketball team exploded for 31 points in the fourth quarter to blow open a tight game against Western Six foe Waterford Mott to win by 31 points, 61-30.

The victory lifted the squad's Western Six record to 8-0 and its overall mark to 15-2.

The Chiefs have just two games remaining, Walled Lake Western and Farmington Harrison, before the state tournament begins with district play on Nov. 27.

Canton hit the first six points of the game, all by Vicki Cavallaro, to help it to a 15-6 advantage at the end of the first period.

In the second quarter, Chief coach Mike McCauley started to substitute freely which appeared to break-up Canton's offensive flow as the team

committed many turnovers as they tried to get their fast-break going.

Where the Chief offense failed the defense succeeded as they held Waterford Mott scoreless for the first five minutes of play in the second quarter, but Mott did manage to tally seven points in the stanza.

In the third quarter teams played nearly even, but in the final quarter Canton turned a close game into a rout.

The Chief junior varsity team also won as they racked up their 14th victory of the season.

No skating

There will be no figure skating lessons at the Plymouth Cultural Center during Thanksgiving week, Nov. 20-24. Lessons will resume on Monday, Nov. 27.

Wrestling club starting

The Michigan Wrestling Club has begun its new season with practice each Monday and Tuesday night at 8 p.m. at

Schoolcraft College, 18600 Haggerty Road, Livonia. All former high school and college wrestlers are invited to participate.

Rock tankers unbeaten in Sub-8

BY PATTY RADZIK

The start of the final event was approaching, and Dearborn was ahead by three points. Salem needed a first and third place finish in the freestyle relay in order to win this, its last meet of the season.

True to form, the team of Kelly Brandt, Linda Wochna, Renee Lakatos and Sharon Ross, halfway assured the Rocks of an overall victory, by placing first with a time of 4:13.2.

It was icing on the cake however, when Terri Eudy, Julie Cabadas, Nancy Lazarus and Linda Frazee, pooled forces to grab third place, and give the Rocks a 42-41 triumph over the Pioneers from Dearborn.

It was a battle not only to prove who was better, but it was a fight for both teams to remain undefeated in the Suburban Eight.

In winning, Salem completed its season with a perfect 6-0 mark in the league and a 9-3 overall record.

Natalie McClumphia kept her diving skills polished, as she took first with 185 points.

The medley relay team, consisting of Renee Lakatos, Sue Evens, Sarah Stanwood and Jill McCann, placed second in their race with a 2:03.4 timing.

In the 200 freestyle, Sharon Ross finished first with a time of 2:08.8. Kim Coates placed third in the same race.

Ross also won the butterfly race with 1:07.5 lit up on the scoreboard. Coates came in second swimming the 500 freestyle, with a 6:09 time.

Sarah Stanwood won the 200 IM with a time of 2:21.8, 19.3 seconds ahead of third

place finisher, Laura Perpich. Stanwood also powered her way through to win the 100

freestyle event in 57.3 seconds.

Jill McCann placed second in the 50 freestyle race and

first in the 100 backstroke with a time of 1:07.6.

"Dearborn swam exceptionally well," Coach Chuck Olson commented. This year was the first time that the Pioneers went so far through a season

without a loss.

"They were up," Olson said, speaking of Dearborn.

"It was their last meet, and it was senior night, so they were ready to go."

Tomorrow and on Friday, Salem will be hosting the Suburban Eight League meet. "We're looking to do well," Olson stated. "We have to perform well, and we're in a good position to do so."

Canton swimmers aim for third

Hoping to overcome a tie with Walled Lake Western in the season, the Canton girls swim team whipped Western to clinch a 96-78 victory Thursday night.

This triumph hoists their record to 7-4-1 overall, and Coach Anne Massey considers this record superior to their 8-5 performance last year.

Tomorrow night (Thursday) the Canton team will be primed to swim against the

traditional toughies in the Western Six Conference league meet - Northville and Harrison.

"We're aiming for a third place in that competition," said Massey. She is proud of the team's performance this year, saying, "This is the best team I've ever coached - They've got a good attitude, the parents are supportive, and the team is smaller."

In the Walled Lake Wes-

tern meet, Cindy Shelansky, Browyn Fitzgerald, Mary Reardon, and Kim Massey opened the meet with a good time of 2:11 in the 200-yard medley to take the event with a first place.

In the 100-yard breaststroke, Kim Massey stroked to a new record of 1:17.4. In the 50-yard freestyle, Cindy Shelansky took a first place in the event with 29.2.

Coach Massey was also

pleased with the performances of these swimmers in the following events: 200-yard freestyle, Jenny North, 2:32.6, third place; 100 butterfly, Julie Stratton, 1:21.8, fourth

place; 100 yard freestyle, Debbie Dickinson, 1:08.9, third place; 500 yard freestyle, North, 6:37, third place; and 100-yard backstroke, Robbie Bennett, 1:19.8, fourth place.

Icers tie 3-3

The real estate and trophy salesmen couldn't beat each other in hockey as Plymouth Trophy and Fehlig Real Estate played to a 3-3 tie on Nov. 5. Two Trophy goals were scored by Josh Barrie and Scott Souter scored one goal.

Fehlig Real Estate goals were scored by Tommy Ingle, Jason May and Kevin Kelley.

On Nov. 9, Rebmann Products and Garden City played to a 3-3 tie making both teams tied for first place. Larry Figurski, Mike Doumanian and Eddie Wojtan scored for Rebmann.

De Renzo named AD

Roland (Butch) DeRenzo, Jr. has been appointed Athletic Director of the Plymouth Christian Academy. He will also assume responsibility for coaching the Academy's basketball team.

DeRenzo received a bachelor of science degree in physical education from Grace College in Winona Lake, Indiana.

Salem cagers win in OT, 56-51

Cont. from pg. 30

Erin Moore was out with two minutes left in the fourth quarter.

Blohm was also pleased with the balanced scoring by Rock players. Horwood led with 11 points, Erin Moore put in 10 points, while center Weid-

man and Doris Hoelschner added nine each. Freshman Eileen Moore tapped eight and Cheryl Sobkow scored seven.

Senior Diane Goodrich also strained her knee during the third quarter and sat out for the rest of the game.

This week is senior week

at Salem and the following seniors play basketball for the Rock team: Peggy Somers, Erin Moore, Diane Goodrich, Sarah Marks, Jan Boyd, and Doris Hoelschner.

The next Rock encounter will be Thursday night on the Salem court at 8 p.m.

Cosmos undefeated, 7-0

The Plymouth Cosmos are undefeated in division 3 of the boys 12 and under competition in the Western Suburban Soccer League standings as of Nov. 5. The Cosmos are 7-0.

Also in the boys 12 and under play Plymouth 2 is in first place in div. 4 with a 4-0-3 record.

Jan's Jocks hold down the top spot in div. 1 of the girls 14 and under action with

a 6-1 mark good for 12 points, while in div. 2 Plymouth 2 is in last place with a 0-6-2 mark. In the girls 19 and under action Plymouth 1 is also in last place with a 0-6-1 slate.

Moving to the girls 10 and under standings in div. 1 Plymouth 1 is four points out of the top spot with a 5-2 record and in div. 2 the Blue Strikers are tied for second place with nine points. The Stingers in div. 1 of the girls 12 and under division are in third place with a 3-3-2 mark, while the Demons in div. 2 are a win out of first place with a 6-1 record.

Plymouth 2 in div. 2 of the boys 10 and under play is tied for the second spot with a dozen points and Plymouth 3 is in the fifth position with a 3-3-2 season mark. In div. 5 the Dragons are three points out of first with a 6-1-1 log and in div. 6 Plymouth 4 and 8 are in fourth and fifth places respectively.

The Ruttles in the 16 and under standings are in third place with a 5-3-1 record and in div. B-2 of the boys 14 and under competition Plymouth 2 has a perfect 8-0 record on the season.

Marathon hoop

Have you ever heard of a basketball game just warming up at 3 a.m.?

The junior varsity and varsity boys basketball teams will play for 24-hours in marathon action to raise money for their squads.

The action starts at 8 p.m. on Friday night and will continue throughout the night and on Saturday. According to assistant coach Dave Van Wagner, the 25 participants will be divided into five teams of five players each and each team will play on a rotating half-hour schedule.

The teams have been soliciting pledges from area residents who wish to donate money for each hour played.

The game will continue at the Canton gym until 8 p.m. on Saturday.

Academy needs funds

Athletic boosters of the Plymouth Christian Academy are raising money to buy new uniforms for their middle school basketball team.

During the week of Nov. 13-18, Mr. and Mrs. Ralph Mavin and Mr. and Mrs. Harry Smith will donate 10 per cent of proceeds from their Blue Jean Station in Plymouth to the fund-raiser.

The team's coach is Roland DeRenzo and he has set up a 12-game schedule against area schools.

Canton court doomed?

Cont. from pg. 1

court, the board decided.

But three items were added to the operating costs since the study was made, including: A second judge in the 35th District (authorized by the State Legislature in late May); three clerks at the new site instead of one as originally accounted for; and extra cases

shifted from the Circuit Court, mandated by state law as of July 12.

Whether the board wants to go ahead with the new courtroom and risk losing money on it, is up to the board, said Gorman. "The board may want to authorize a new feasibility study to determine the costs," he said.

Each municipality in the

35th District Court (Northville, Northville Township, Plymouth, Plymouth Township, and Canton Township) pays the court system according to how many cases it generates.

The money returned to the municipalities' treasuries from fees and fines paid to the court may not cover these costs and the price of furnishing the courtroom, said the finance director.

Why weren't the extra costs taken into account by township officials before they awarded the remodeling bid to the architectural firm of Ralls-Hamill? Gorman said that there was no one person overseeing the project. "It snowballed into something nobody expected," he said.

Aside from the yearly operating costs, Gorman said the price of remodeling the old township hall has exceeded original estimates, also.

Revisions recommended by Judge Dunbar Davis in the original floor plan approved by the board may jump the price from about \$45,000 to \$65,000, said the finance director.

Some observers have said that the old township hall, located at Cherry Hill and Canton Center roads, is too small to house the court and have urged the township to switch the site to the new Township Hall.

Gorman said that the switch is up to the board, but the third floor of Township Hall, now vacant, was set aside for a future library, and the unoccupied basement is largely filled with stored articles.

Two teachers resign

The resignation of one teacher and the maternity leave of a second teacher were accepted by the Plymouth-Canton Board of Education at its meeting Monday night.

Michelle LaMirand, Spanish teacher at Salem High School, will begin a maternity leave

of absence on Jan. 23, and Vicki Zingale, French teacher at Canton high school, will resign on Jan. 3.

In related action, a half-time speech pathologist was hired by the board for East Middle and Pioneer schools. She is Roseann Balmas from Eastern Michigan University.

Diane tapped

Diane Williams, from the Plymouth-Canton schools, was recently elected president of the Wayne County Association

of Educational Secretaries.

The organization has about 450 members who represent 36 school districts.

As president, Williams said she hopes to double the membership of the organization. She served as recording secretary for four years and vice-president for one year prior to her election.

Williams is a resident of Canton and executive secretary of research and federal projects program at the administrative offices on Harvey Street.

Cameras stolen

About \$2,400 worth of cameras and related equipment was stolen from the home of Ronald Crain, 8947 Pepperidge Ct., last Tuesday, State Police report.

**CANTON TOWNSHIP PLANNING COMMISSION
CHARTER TOWNSHIP OF CANTON
NOTICE OF PUBLIC HEARING**

PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE CHARTER TOWNSHIP OF CANTON, WAYNE COUNTY, MICHIGAN.
NOTICE IS HEREBY GIVEN pursuant to Act 184 of the Public Acts of Michigan as amended, and pursuant to the Zoning Ordinance of the Charter Township of Canton that the Planning Commission of the Charter Township of Canton will hold a Public Hearing on Monday, December

11, 1978 at the Canton Township Administration Building, 1150 S. Canton Center at 8:00 P.M. on the following proposed amendment to the Zoning Ordinance.
Section 4.24 pertaining to signs.

CHARTER TOWNSHIP OF CANTON
PLANNING COMMISSION
ROBERT PADGET
CHAIRMAN

PROPOSED AMENDMENT TO THE CANTON TOWNSHIP ZONING ORDINANCE

**ARTICLE IV
GENERAL PROVISIONS
SECTION 4.24 SIGNS**

A. STATEMENT OF INTENT & LEGISLATIVE FINDINGS

This section is intended to regulate sign placement, size, setback, intensity of illumination and spacing of such signs to enable the public to locate goods, services, and facilities without confusion, to prevent wasteful use of natural resources in competition among businesses for attention, to prevent hazards to life and property and to assure the continued attractiveness of the community and protect property values.
It recognizes the need to protect the health, safety and welfare of the public, the need for well maintained and attractive appearance in a community, and the need for adequate and effective business identification, advertising and communication. This section recognizes that aesthetics and design quality cannot be satisfactorily regulated, as individual and public opinion vary from one era to another. It is recognized, however, that a great percentage of the unattractive and ineffective signs can be eliminated by sensible quality control, through adequate maintenance and inspection and by reasonable guidelines formulated to minimize visual clutter.

B. DEFINITIONS PERTAINING TO SIGNS

(1) Sign, means a name, identification, image, description, display or illustration which is affixed to, painted or represented directly or indirectly upon a building, structure of parcel of land, and which directs attention to an object, product, place, activity,

facility, service, event, attraction, person, institution, organization or business which is visible from any street, right-of-way, sidewalk, alley, park or other public property. Customary displays of merchandise or objects and material without lettering placed behind a store window are not signs. Sign shall include, but not be limited to, the following:

- (a) Ground Sign. A sign which is supported by one or more poles, uprights, or braces in or upon the ground, which are not part of a building.
- (b) Institutional Bulletin Board. A sign which displays the name of a religious institution, school, library, community center or similar public or quasi-public institution, and an announcement of its services or activities.
- (c) Canopy Sign. A sign attached to, projecting from, and supported by a building, including but not limited to, a canopy or an awning, which extends more than twelve (12) inches from the wall of a building.
- (d) Portable Sign. A sign that is freestanding, not permanently anchored or secured to a building and not having supports or braces permanently secured in the ground, including but not limited to, "sandwich" signs, "A" frame signs, inverted "T" signs, and signs mounted on wheels so as to be capable of being pulled by a motor vehicle.
- (e) Roof Sign. A sign attached to or having any portion thereof erected, constructed or maintained and

extending above the roofline of a building.

- (f) Wall Sign. A sign which is attached directly to or painted on the wall of a building and which extends not more than twelve (12) inches from the wall.
 - (g) Abandoned Sign. A sign which no longer directs a person to or advertises a bona fide business, lessor, owner, product or activity conducted or product available on the premises where such sign is displayed or any sign not repaired or maintained, after notice, pursuant to the terms of this section properly.
 - (h) Billboard. Refers to a non-accessory ground sign erected for the purpose of advertising a product, event, person, or subject not related to the premises on which said sign is located.
- (2) On-Premises Sign, means a sign which advertises only goods, services, facilities, events or attractions available on the premises where located, or identifies the owner or occupant or directs traffic to the premises. All other signs are off-premises signs.
- (3) Premises, means any lot or parcel as otherwise used in this Ordinance.
- (4) Area, means the entire area within a circle, triangle or parallelogram enclosing the extreme limits of writing, representation, emblem or any figure or similar character, together with any frame or other material or color forming

Cont. on pg. 36

Cont. from pg. 35

an integral part of the display or used to differentiate the sign from the background against which it is placed; excluding the necessary supports or uprights on which such sign is placed. Where a sign has two or more faces, the area of all faces shall be included in determining the area of the sign, except that where two such faces are placed back to back and are at no point more than two feet from one another, the area of the sign shall be taken as the area of one face if the two faces are of equal area, or as the area of the larger face if the two faces are of unequal area.

- (5) Non-Conforming Sign, means any advertising structure or sign which was lawfully erected and maintained prior to the effective date of this Ordinance, and any amendments thereto, and which fails to conform to all applicable regulations and restrictions of this Ordinance, or a sign for which a special permit was previously issued that does not comply with the provisions of this Ordinance.
- (6) Property Line, means the line separating a piece of property from the street right-of-way and all other lines separating parcels of property under separate ownership, being used for different purposes or classified under this Ordinance for different uses.

C. PERMIT REQUIRED

- (1) Except as otherwise provided in this section, it shall be unlawful for any person to erect, alter, relocate, or maintain within the Township of Canton any sign or advertising structure without first obtaining a sign permit from the Township Building Department. Any sign not expressly permitted by the terms of this Ordinance is prohibited.
- (2) The Township Building Department shall prepare and provide application forms. Such application forms shall require the applicant to provide descriptive material setting forth the height, size, placement location, illumination and intensity. The Building Department may require plans and drawings to enable such department to determine compliance with this and other applicable ordinances of Canton Township.
- (3) A permit fee shall be paid to the Township of Canton at the time the application for a permit is submitted, according to a fee schedule to be adopted by the Township Board. The fee for a permit may vary according to type of sign, and shall take into consideration whether permit is for the erection of a new sign, minor modification of an existing sign or substantial reconstruction of an existing sign. The fee schedule will reflect the reasonable time and cost to the Township for inspection of the sign and review of the application for a permit to verify compliance with this section.
- (4) Every sign permit issued shall become null and void if work is not commenced within one hundred and twenty (120) days from the date the permit is issued. If work authorized by such permit is suspended or abandoned for one hundred and twenty (120) days after work is commenced, a new permit shall be required.
- (5) Any sign that is moved to another location, either on the same or another lot, shall be considered a new sign, and a permit shall be required for any work performed in connection therewith.
- (6) Whenever the face of any sign is changed, a new permit shall be required, unless the sign is designed for periodic change of message.
- (7) As a condition precedent to obtaining a permit, the applicant, at his expense, shall provide a certificate of insurance that shall be kept in force for a period of one year, covering comprehensive general liability insurance for bodily injury and property damage of one hundred thousand dollars for each occurrence. With respect to liability, the Township of Canton shall be named co-insured, and the applicant

shall forever indemnify and hold the Township of Canton harmless for any damage or injury of whatsoever nature, whether to persons or property, for which the Township may be held liable by reason of, or which is occasioned by, the doing of an act or in the exercise of the privilege for which the permit was granted.

- (8) The applicant for a permit to erect a temporary sign shall deposit with the Township sufficient monies, as may be in its sole discretion established by the Township Board, to cover the cost of removing any temporary sign. The deposit will be retained by the Township throughout the life of the temporary sign and will be returned to the owner if and when the sign has been completely removed from the premises at the owner's expense.
- (9) No person shall erect, construct or maintain any sign upon any property of building without the consent of the owner or person entitled to possession of the property or building, or their authorized representative.
- (10) The Township Building Department may, in writing, suspend or revoke a permit issued under the provisions of this Section whenever a permit has been obtained based upon a misrepresentation of fact or fraud. The applicant may appeal in writing any suspended or revoked permit to the Township Board within 15 days of the date of such notice, and the Township shall hear such appeal within 30 days after receipt of such appeal.
- (11) For new construction, additions, conversions or modifications to an existing development for which Township procedures require review and approval of a site plan by the Planning Commission and Township Board under Section 4.31 of this Ordinance, a permit for the erection of a sign shall only be granted after such review and approval of the sign permit by the Planning Commission and Township Board. The review by the Planning Commission and Township Board shall occur at the same time as the overall site plan review process, and such review shall take into consideration compliance with this Ordinance, and the Planning Commission or the Township Board may require any information deemed by them to be necessary or pertinent to the review of the site plan on the application for a sign permit to meet the objectives of this Ordinance.

D. GENERAL REQUIREMENTS

- (1) Underground wiring shall be required for all illuminated signs not attached to a building.
- (2) Any illuminated sign which impairs the vision of a person driving on adjacent highways or interferes with persons residing on adjacent residential properties shall be directed, shaded, or improved by any other necessary action to alleviate such impairment or interference after notification from the Building Department. If such a complaint is received from any person, in addition to the other remedies provided herein, the Township Board may limit the hours of illumination. The Township Board may prohibit the hours of illumination between 11:00 p.m. and 7:00 a.m.
- (3) There shall be no visible angle irons or unsightly supports. All such sign supports shall be an integral part of the sign design.
- (4) Every sign shall be maintained in good structural condition at all times, so as not to subject persons or property to unreasonable risk of personal property or damage. Any sign that is not so maintained shall be subject to the sanctions provided in subsection E in this section. All signs shall be kept neatly painted, including all metal parts and supports.
- (5) The area around an off-premises sign shall be kept clean, neat and free of all brush, tall grass, debris and litter. The area around the sign shall be maintained in this manner, to a distance of at least five feet to the rear and sides of the structure, as well as to the property

line fronting on any street, highway, sidewalk or public right-of-way upon which the public travels. If the sign is located on a corner lot, then the property shall be maintained to both property lines fronting on any such street, highway, sidewalk or public right-of-way.

- (6) The height of all ground signs shall be measured from the finished grade of the public sidewalk of street closest to the sign. The height of wall signs shall be measured from the finished grade of the parking lot directly beneath the proposed sign. In cases where no sidewalks or parking lot improvements are provided, the sign height shall be measured from the average grade of the parcel or lot on which the sign is to be located.
- (7) Signs indicating that land or buildings have been sold must be removed within ten (10) days from the date of sale.

E. REMOVAL AND DISPOSITION OF SIGNS

- (1) The Township shall inspect and cause to be removed, repaired, painted, or altered any sign that is not in conformity with the provisions of this Ordinance, a sign for which no permit has been issued, a sign that has been abandoned, or a sign that endangers the public safety because of the existence of unreasonable risk to persons or property.
- (2) Any sign removed by the Township pursuant to the provisions of this Ordinance shall become the property of the Township and may be disposed of in any manner deemed appropriate by the Township if not claimed by the owners within 30 days. The cost of removal or repairing any such sign by the Township shall be considered a debt owed to the Township by the owner of the sign and/or the owner of the parcel or lot where the sign is located, and may be recovered in an appropriate court action by the Township or by assessment against the property as hereinafter provided. The cost of removal or repairing any such sign shall include any and all incidental expenses incurred by the Township.
- (3) Removal or repair of any sign shall take place only after proper notice by certified mail has been sent to owner or the lot or parcel on which the sign is located. The notice given by the Township shall state: (a) the remedial action that is required of the lot or sign owner; (b) the location of the sign; and (c) that if such action is not taken within 30 days, the Township may repair or remove the sign, and charge the cost of repairing or removing the sign against the property on which the sign is located. Any person having a property interest in the sign or the lot or parcel on which such sign is located may appeal the determination of the Township ordering removal or repair by filing a written notice of appeal with the Zoning Board of Appeals within 30 days after the date of mailing of the notice.
- (4) If it is necessary for the Township to remove or repair a sign pursuant to the provisions hereof, bids shall be taken when the estimated costs exceed \$500.00. When the remedial action is completed, the Building Department shall certify to the Treasurer the legal description of the property upon which the work was done, together with the name of the owner thereof as shown by the tax rolls, together with a statement of work performed, the date of performance and the cost thereof. Upon receipt of such statement, the Treasurer shall mail a notice to the owner of said premises as shown by the tax rolls, at the address shown upon the tax rolls, by certified mail, postage prepaid, notifying such owner that

the work has been performed pursuant to this Ordinance, stating the date of performance of the work, the nature of the work, and demanding payment of the costs. Such notice shall state that if said amount is not paid within thirty (30) days of receipt of the notice it shall become an assessment or a lien against the subject property. If the Treasurer has not received payment within a period of 30 days following the mailing of such notice, the Treasurer shall inform the Township Board of such fact, and the Township Board shall thereupon enact a resolution assessing the whole cost of such work upon the lots or parcels of land from which the sign has been removed or on which the sign is located, if repaired.

- (5) In case of an emergency, when a sign would cause an imminent danger to the public safety, health and welfare, the Township may cause the immediate removal of such sign without advance notice, all costs being assessed as provided in subsection E. of this section. The owner of the sign, the lessor of the sign or the owner of the property on which the sign is located shall claim and remove any sign from the Township's possession within 30 days of the date of mailing of the required notice. If such sign is not claimed within 30 days of the mailing of the notice, the Township shall dispose of it in any manner deemed appropriate by the Township Board.
- (6) For all purposes, in determining the owner of the sign, the owner of the lot or parcel on which the sign is located shall be presumed to be the owner of all signs thereon, unless the contrary shall appear from facts brought to the attention of the Township.

SIGNS PERMITTED IN ALL ZONING DISTRICTS WITHOUT REQUIRING SIGN PERMITS

The following signs are permitted, without a sign permit, in all zoning districts where the principal permitted use to which they are related is a permitted use in that district:

- (1) House numbers, name plates (including apartment units and office suites) identifying the occupant or address of a parcel of land and not exceeding two (2) square feet in area.
- (2) Memorial signs or tablets, not to exceed eight (8) square feet in area, containing the name of the building and date of erection, when cut into any masonry surface or constructed of bronze or other incombustible material and affixed to the exterior wall of the building.
- (3) Signs painted on or permanently attached to legally licensed vehicles which are used upon the highways for the transporting of persons, goods, or equipment.
- (4) Flags bearing the official design of a nation, state, municipality, educational institution, or noncommercial organization.
- (5) Traffic or other municipal signs including, but not limited to, the following: legal notices, street or traffic signs, railroad crossings, danger and other emergency signs as may be approved by the Township Board or any Federal, State or County agency having jurisdiction over the subject matter of the sign.
- (6) Community special event signs approved by the Township Board.
- (7) Gasoline service stations may display the following special signs which are deemed customary and necessary to their respective businesses:
 - (a) Customary lettering or other insignia on a gasoline pump consisting of brand or gasoline sold, lead warning sign, and any other sign required by law and exceeding a total

- of three (3) square feet on each pump.
- (b) One non-illuminated double faced sign not exceeding five (5) square feet in area. may be placed on each gasoline pump island for the purpose of displaying gasoline prices.
- (8) Signs not exceeding three (3) square feet which contain only noncommercial messages including designation of rest rooms, drive entrances and exits, telephone locations and directions to door openings.
- (9) Signs advertising platted lots or buildings for rent, lease or sale, when located on the land or building intended to be rented, leased or sold, not exceeding five (5) square feet in area. One sign per parcel of land shall be permitted along each side of the lot or parcel that fronts on a public street. All such signs shall be removed within ten (10) days of the rental or sale of such land or building.
- (10) Institutional use bulletin board, non-illuminated, not to exceed eighteen (18) square feet in area and not to exceed six (6) feet in height, including the frame and base of such sign, for use by churches, schools or other public entities.
- (11) Signs of primarily decorative nature, not used for any commercial purpose, and commonly associated with any national, local or religious holiday; provided that such signs shall be displayed for a period of not more than 60 consecutive days, nor more than 60 days in any one year.
- (12) Political signs, not to exceed one sign per candidate or issue, and not to exceed five (5) square feet of area per sign, shall be permitted within the front yard setback of all occupied lots, regardless of zoning, provided such sign is located or placed with the permission of the owner of the lot or parcel where such sign is located, and provided that such sign is removed by the owner within two days after the election.
- (13) Model homes within a subdivision shall be permitted one (1) sign per model, which shall not exceed two (2) square feet in area nor four (4) feet in height, including the frame and base of such sign, when located within the front yard setback, for the purpose of identifying the model style.
- (14) Garage sale signs not exceeding five (5) square feet in area and not displayed in excess of three days.
- (15) One sign identifying on-site construction activity, not exceeding thirty-two (32) square feet in area, except in connection with single family residential construction, which sign shall not exceed five (5) square feet in area.

SIGNS PROHIBITED IN ALL ZONING DISTRICTS

The following signs shall not be permitted, erected, or maintained in any zoning district:

- (1) Signs which incorporate in any manner any flashing or moving lights.
- (2) Banners, pennants, spinners, streamers, and flags, except as provided in subsection E. of this section.
- (3) String lights used in connection with commercial premises for commercial purposes, except holiday uses not exceeding five (5) weeks in any calendar year.
- (4) Any sign, except a cloth flag moved only by natural wind, which moves or has any moving or animated parts, or images, whether the movement is caused by any mechanical, electronic or electrical device or wind or otherwise, including swinging signs and strings of flags or streamers. Such a prohibition shall not pertain to public message signs, including time, temperature or stock market quotation signs.
- (5) Any sign or sign structure which (a) is structurally

- unsafe, or (b) constitutes a hazard to the safety or health of persons or property by reason of inadequate design, fabrication, mounting or maintenance, or by abandonment thereof or (c) is not kept in good repair, or (d) is capable of causing electrical shocks to persons that may come in contact with it.
- (6) Any sign which by reason of its size, location, content, coloring, intensity, or manner of illumination constitutes a traffic hazard or a detriment to traffic safety by obstruction of vision of drivers, or by obstructing, partially or totally, the visibility of any traffic sign or control device on any public street or road.
- (7) Any sign which obstructs free ingress or egress from a required door, window, fire escape, driveway or other required access route.
- (8) Signs which make use of words such as "stop", "look", "danger", or any other words, phrases, symbols or characters in such a manner as to interfere with, mislead or confuse drivers of vehicles traveling upon any highway, driveway or parking area.
- (9) Any sign or other advertising structure or display which conveys, suggests, indicates or otherwise implies by pictures, drawings, words, emblems, logos, or other communication methods any of, but not limited to, the following:
 - (a) Human genitalia.
 - (b) Sexual acts as defined in the Disorderly Persons Ordinance, Sections 2-121, 2-122 and 2-123.
 - (c) Adult nude human bodies.
 - (d) Obscene words as defined in Disorderly Person Ordinance, Sections 2-121, 2-122 and 2-123.
- (10) Any sign now or hereafter existing which no longer advertises a bona fide business or product sold on the lot or parcel on which such sign is located.
- (11) Portable signs.
- (12) Any sign, except traffic or other municipal signs, that is located in or projects into or over a public right-of-way or dedicated easement.
- (13) Any sign that exceeds the height limitation for structures in the zoning district in which it is located, or a wall sign that extends beyond or above the structure to which such sign is affixed.
- (14) Roof signs.
- (15) Placards, posters, circulars, showbills, handbills, cards, leaflets or other advertising matter, except as otherwise provided herein, shall not be posted, pasted, nailed, placed, printed, stamped or in any way attached to any fence, wall, post, tree, sidewalk, pavement, platform, pole, tower, curbstone or surface in or upon any public easement, right-of-way or on any public property whatsoever. Provided, however, nothing herein shall prevent official notices of the Township, school districts, County, State or Federal Government for being posted on any public property deemed necessary.
- (16) The parking of a vehicle or trailer on a public right-of-way or public or private property, on a permanent basis, so as to be visible from a public right-of-way, if said vehicle has attached thereto or located thereon any sign or advertising device which has the effect of providing advertisement of products or directing people to a business or activity located on the same or nearby property or any other premises.
- (17) "A" frame or sandwich board sidewalk or curb signs.
- (18) No sign greater than four (4) feet in height shall be suspended by chains or other devices that will allow the sign to swing due to wind action. The Board of Zoning Appeals shall have the power to grant relief from the strict application of this provision when the applicant can show that the intent of this provision will be achieved through alternative means and result in a sign that is more in keeping with architectural character and harmoni-

Cont. from pg. 37

ous with the design of the development it serves and surrounding properties.

H. SIGNS PERMITTED BY ZONING DISTRICT AND REQUIRING SIGN PERMITS

PERMITS

(1) All single Family Residential Districts:

(a) A subdivision development with models designed to promote the sale of homes within a subdivision shall be allowed one or more ground signs on a temporary basis for a two year period. Such signs shall be limited to one along each bounding primary or secondary road. The signs, when permitted, shall not exceed one hundred (100) square feet in area nor a height of twelve (12) feet. In addition to the above, one sign shall be permitted to be erected by each home builder within the subdivision, not to exceed sixteen (16) square feet in area and a height of six (6) feet. Such signs shall be located within the subdivision and no closer than fifteen (15) feet from any property line. After the two year period, sign permits may be renewed yearly if vacant lots remain available and new homes remain under construction. Such signs shall be removed upon cessation of new home marketing within the subdivision or when all lots have been sold by the builder.

(b) A subdivision development with model homes is allowed two (2) off premise temporary signs for a two (2) year period which may be renewed yearly if vacant lots remain available and new homes are under construction. Such signs shall be for the purpose of directing traffic to the development's location. Such signs shall be

no larger than sixteen (16) square feet in area, and shall not exceed six (6) feet in height. No more than two signs may be erected at any one street or road intersection, regardless of the number of residential developments in the area. Such signs shall be placed no closer than one hundred (100) feet from any other such sign, and in no case shall they be located closer than fifty (50) feet from any property line. Such signs shall be removed when all lots in the subdivision have been sold by the builder.

(c) Subdivision entranceway structures shall be located on private subdivision property. The entranceway structure shall not exceed four (4) feet in height and thirty-two (32) square feet in area, and shall be located no closer than twenty (20) feet from any property line. It shall be constructed of materials which require a minimum amount of maintenance and all entranceway structures in a subdivision shall be constructed using the same design and materials as any other entranceway contained therein. When the subdivision is completed, the legal name of the subdivision may be placed on this structure by the subdivision's proprietor or homeowners association.

(2) Multiple Family and Mobile Home Districts (RM and RT):

(a) A multiple family or mobile home development with units or lots for sale or rent shall be allowed one or more ground signs on a temporary basis for a two year period. Such signs shall be limited to one along each bounding primary or secondary road. The signs, when permitted, shall not exceed one hundred (100) square feet in area nor a height of twelve (12) feet. Such sign shall be located no closer than fifteen (15) feet from any property line. The sign permit may be renewed yearly if the project is less than 85% occupied.

(b) A multiple family or mobile home development with units or lots for sale or rent is allowed

two (2) off-premises temporary signs for a two (2) year period. The permit for such sign may be renewed yearly if the project is less than 85% occupied. Such signs shall be for the purpose of directing traffic to the development's location, provided that such signs are no larger than sixteen (16) square feet in area and do not exceed six (6) feet in height. No more than two (2) signs may be erected at any one street or road intersection, regardless of the number of such developments located in the area. Such signs shall be placed no closer than one hundred (100) feet to any other such sign, and in no case shall they be located closer than fifty (50) feet from any property line.

(c) Permanent multiple family or mobile home development entranceway structures shall be located entirely on the development's property and shall not exceed four (4) feet in height nor shall it exceed thirty-two (32) square feet in area, and shall be located not closer than twenty (20) feet from any property line or entrance drive. The entranceway structure shall be constructed of materials which require a minimum amount of maintenance. Each entranceway structure will be of harmonious design with the development, and when the project is completed, the legal name of the project may be placed on this structure by the developer.

(d) One wall sign for identification purposes for each such development shall be permitted. Such sign shall not exceed thirty-two (32) square feet in area. The sign shall not extend above the roofline nor shall such sign project from the face of the building more than twelve (12) inches.

(3) Restricted Office District (RO-1):

(a) One ground sign, after building and sign permits have been issued, shall be permitted for each lot or parcel developed for office purposes, if such sign does not exceed eighteen (18) square feet in area and six (6) feet in height. Such sign shall not be located closer than fifteen (15) feet from any property line.

(b) In a development with two (2) or more buildings, each building shall be permitted one (1) wall sign, but such sign shall not exceed six (6) square feet in area.

(c) An office development complex comprised of one or more buildings equaling or exceeding 16,000 square feet of gross floor area and occupying a developed parcel of two (2) acres or more shall be permitted to erect one (1) ground sign after building and sign permits have been issued. The total sign area may be increased beyond the eighteen (18) square foot limit provided herein to a maximum of thirty-two (32) square feet at the rate of three-and-one-half (3-1/2) square feet for each 2,000 square feet of floor area or portion thereof above 16,000 square feet.

(4) All Commercial Districts:

(a) Wall signs. Each commercial development or building shall be permitted one (1) wall sign, except that when more than one business or separately identifiable usage occupies a single parcel of land each such business or usage may have separate wall signs. The total square footage allowed for any one (1) wall sign is determined by multiplying two (2) square feet by the total linear footage of frontage of the building or portion of the building being rented by that particular occupant or user, but such area shall not exceed two hundred (200) square feet. Each side of a structure facing a street, in the case of a corner lot only, may

be computed and signed separately. The sign shall not extend above the roofline nor shall such sign project from the face of the building more than twelve (12) inches.

(b) Window signs. Window copy, painted or otherwise attached to the window surface, shall be limited in area to twenty-five percent (25%) of the total surface of the window to which the sign is affixed. (This type of sign does not require a permit.)

(c) Canopy signs. Canopy signs shall not exceed eight (8) square feet in size and shall not project further than its supports. The minimum clearance shall be ten (10) feet from the average grade of the parcel on which it is located to the bottom of the sign. (This type of sign does not require a permit.)

(d) Grand Opening Signs. Commercial establishments may erect or display temporary grand opening signs, symbols or paraphenalia so as to draw attention to a newly established business for a period of thirty (30) days. Such permission may be granted by the Board of Zoning Appeals if the business proprietor applies to such Board within one (1) year of the issuance of the occupancy permit for the building in which such commercial establishment is located.

(e) A business complex or shopping center development comprised of two or more separately identifiable businesses or occupants leasing space in the same building, lot or parcel will be allowed one ground sign, in accordance with the standards of the zoning district in which it is located as set forth below. An additional fourteen (14) square feet of sign area may be included in the computation of area for such free standing ground sign for each additional and separately identifiable business establishment or occupant leasing or owning a minimum of nine hundred (900) square feet or more of gross floor area, only after building and sign permits have been issued. In commercial districts other than C-1, in connection with business complexes or shopping center development only, the ground sign may be increased in height six hundred twenty-five thousandths (0.625) of a foot for each separately identifiable business establishment or occupant leasing or owning nine hundred (900) square feet or more of gross floor area. Maximum ground sign area, setback and height shall conform, in the case of business complexes or shopping center developments, to the following regulations:

Zoning District	Maximum Area	Maximum Height	From any Property Line	From Residential Boundary
C-1	75 Sq. Ft.	15 Ft.	10 Ft.	75 Ft.
Other Commercial Districts	160 Sq. Ft.	20 Ft.	10 Ft.	100 Ft.

(5) Local Business District (C-1)

One ground sign per commercially developed lot or parcel shall be permitted, after the building and sign permits have been issued, as follows: The sign shall not exceed: (a) twenty-five (25) square feet in area; (b) a height of fifteen (15) feet, nor (c) be closer than ten (10) feet from any property line. (For business complexes and shopping centers, see subsection H(4)(c).)

(6) Other Business Districts (C-2, C-3, CS)

One ground sign per commercial development shall be permitted, after the building and sign permits have been issued, as follows: The sign shall not exceed: (a) fifty (50) square feet in area; (b) a height of fifteen (15) feet from any property line. (For business complexes and shopping centers, see subsection H(4)(c).)

(7) In all commercial and industrial districts (C-1, C-2, C-3, CS, M-1 and M-2) ground signs for single commercial uses may be increased in total sign area by forty percent (40%) of the permitted sign area if in the opinion of the Planning Commission the sign construction materials are composed entirely of natural materials, including, but not limited to wood, stone, or soft textured brick, or all exterior surfaces are natural materials. The Planning Commission shall give consideration to a request under this subsection at the time of site plan review proceedings pursuant to section 4.31 of this Ordinance. In making its determination, the Planning shall consider the architectural compatibility and harmonious relationship between the building being proposed, adjacent properties and the proposed sign.

(8) Industrial Districts (M-1 and M-2)

(a) Each building in an industrial district shall be permitted one wall sign. The area allowed for a wall sign shall be determined by multiplying two (2) square feet by the total linear front footage of the building or portion of the building being rented, but in no case shall the total sign area exceed two hundred (200) square feet. The sign shall not extend above the roofline, nor shall such sign project from the face of the building more than twelve (12) inches.

(b) One ground sign shall be allowed per industrially developed lot or parcel, after building and sign permits have been issued. The sign shall not exceed: (1) fifty (50) square feet in area nor (2) a height of fifteen (15) feet. An additional twenty-five (25) square feet of sign area will be allowed if such industrially developed lot or parcel fronts on a major thoroughfare, state trunkline or interstate freeway with a right-of-way width of 204 feet or greater. Ground signs shall be set back a minimum of one-half the setback required by this Ordinance for industrial lots or parcels.

(c) An industrial complex comprised of two or more buildings used for industrial purposes or an industrial building with more than one tenant located on a lot or parcel of land will be allowed one ground sign not to exceed fifty (50) square feet in area.

An additional twelve (12) square feet of sign area may be included in the computation of area for such ground sign for each additional and separately identifiable legal entity or occupant leasing or owning a minimum of nine hundred (900) square feet of floor space. In no case, however, shall the area of said sign exceed ninety-six (96) square feet or a height of sixteen (16) feet.

(d) In an industrial park, any entranceway structure shall be located entirely on the industrial park property. It shall not exceed the height of four (4) feet nor shall its area exceed thirty-two (32) square feet, and said sign shall be set back a minimum of twenty-five (25) feet from any property line. It shall be constructed of materials that require a minimum amount of maintenance.

(e) Billboards and off-premise signs shall be permitted in the M-2 zoning district, and shall not exceed one hundred sixty (160) square feet in area nor twenty (20) feet in height. The billboard shall have a setback of at least the minimum building setback required in that particular zoning district from any adjacent road right-of-way. However, no billboard shall be erected closer than two thousand (2,000) feet from any

other billboard. The structure of the sign shall be exclusively steel, and no wood or other combustible material shall be permitted. The sign shall not be illuminated during the hours of 11:00 p.m. and 7:00 a.m. Billboards located adjacent to limited access interstate freeways or major thoroughfares with a right-of-way of two hundred four (204) feet or greater must be set back a minimum of six hundred sixty (660) feet from any right-of-way-line.

(9) Agricultural and Open Space Recreation Districts (AG and OR)

(a) Where an approved commercial use is legally operating on a parcel zoned for agricultural or open space recreational uses, each parcel of land shall be permitted one wall sign. The area of such sign shall be computed by multiplying two (2) square feet by the total linear front footage of the building itself, but in no case shall the total sign area exceed two hundred (200) square feet. The sign shall not extend above the roofline nor shall such sign project more than twelve (12) inches from the face of the building.

(b) One ground sign for each legal commercial use shall be permitted after building and sign permits have been issued. The sign shall not exceed: (1) twenty-five (25) square feet in area; (2) fifteen (15) feet in height; nor (3) be setback less than twenty-five (25) feet from any property line.

(10) Temporary signs in all zoning districts.

One temporary non-illuminated sign shall be permitted, advertising land or buildings for rent, lease and/or sale when located on the site of the land or building intended to be rented, leased or sold and shall not exceed (a) thirty-two (32) square feet in area; (b) height of ten (10) feet; nor (c) be setback less than twenty-five (25) feet. This provision shall apply to all Zoning Districts, except to platted lots in Single Family Districts. An additional eighteen (18) square feet of sign area and five (5) feet of height will be allowed if the parcel of land fronts a major thoroughfare, state trunkline or freeway with a right-of-way width of 204 feet or greater.

I. NON-CONFORMING SIGNS

(1) Notification of Non-Conformity. After the enactment of this amendment, a building official shall, as soon as practicable, survey the Township for signs which do not conform to the requirements of this Ordinance. Upon determination that a sign is non-conforming, such building official shall use reasonable efforts to notify, either personally or in writing, the user or owner of the property on which the sign is located of the following: (a) the sign's non-conformity and (b) the location thereof. If after reasonable efforts the building official is unable to determine the owner or user of the sign or the owner of the property on which the sign is located, the notice may be affixed to the face of the sign itself or to the business premises with which the sign is associated.

(2) It is intended to eliminate non-conforming signs, except as otherwise specifically set forth in this subsection as soon as possible. Any lawfully erected sign, which exists on the effective date of this section, which is made unlawful by this Ordinance may continue to exist as such existed at the time when the maintenance thereof became otherwise unlawful under the provisions of this Ordinance.

(3) No non-conforming sign:

- (a) shall be structurally altered in any way, excepting normal maintenance, which tends to prolong the life of the sign or so as to change the shape, size, type or design of the sign;
- (b) shall be relocated (except where a sign relocation

is forced by eminent domain exercised by a governmental agency);

- (c) shall be replaced; or
- (d) shall be changed to another non-conforming sign; other than to change the face of such sign to identify changes in ownership, tenants or business;
- (e) shall be re-established if the activity, business or usage to which the sign relates has been discontinued for 60 days or longer; or
- (f) shall be re-established if said sign is damaged and the estimated expense of reconstruction or repair exceeds 70% of the reproduction cost of said sign.

(4) The Zoning Board of Appeals may permit variances from subsection (3) of this section or variances permitting the erection or maintenance of a non-conforming sign only upon the grounds established by law for the granting of zoning variance will reduce the degree of non-conformance of an existing sign or will result in the removal of one or more lawfully non-conforming signs and replacement by a sign or signs more in keeping with the spirit, purpose and provisions of this Ordinance.

(5) Maintenance and Repair of Non-Conforming Signs.

Nothing in this section shall relieve the owner or user of a legal non-conforming sign or owner of the property on which the legal non-conforming sign is located from the provisions of this ordinance regarding safety, maintenance and repair of signs.

J. SIGNS ADJACENT TO FREEWAYS

An individual business establishment located in a C-2 or C-3 zoning district, not a part of a business complex or shopping center, may erect a ground sign with a greater height and larger area than otherwise permitted, upon review by and approval of the Board of Zoning Appeals, with the subsequent concurrence by Township Board of Trustees. The granting of such request by the Board of Zoning Appeals shall be conditioned upon a finding that all the following conditions exist:

- (1) The business establishment is classified within one or more of the following use groups:
 - (a) Eating establishments,
 - (b) Automobile filling stations for the retail sale and dispensing of fuel or lubricants directly into motor vehicles offering a minimum level of automobile repair services including, but not limited to, battery recharging, chassis lubrication, minor engine repairs, tire repairing and replacing, tune-ups, oil changes, and exhaust system repair or replacement,
 - (c) Hotels and motels; and
- (2) The applicant business establishment is located within 1320 feet of Ford Road (M-153) or Michigan Avenue (US-12) and is located within 1200 feet of the edge of the pavement of the main travel lanes of the I-275 freeway; and
- (3) The granting of the exceptions to the height and area maximums will not result in signs which exceed 32 feet in total height nor 230 square feet in total area. The Board of Zoning Appeals, may, in its discretion, grant smaller exceptions to the height and area limitations or none at all, if in its review of the application said Board finds that the visibility and grade differentials of the applicant's property and surrounding property provide sufficient visibility for the motoring public, if a lesser exception, or none at all, is granted.

It is the intent of this subsection to permit an exception to business establishments that depend upon the traveling public, presumably unfamiliar with the services that may be offered within Canton Township adjacent to the I-275 freeway, for a major portion of their receipts.

K. If any provision of this Ordinance of the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this Ordinance.

COMING NEXT WEEK:

Our Community Christmas

CLUB PUBLICISTS: Next week, The Crier's annual Community Christmas section, will feature stories and photos on the upcoming holiday season. Be sure your club's events are included - send your information to The Crier, 572 S. Harvey or call 453-6900.

ADVERTISERS: The space reservation and copy deadline for our annual full-color Christmas section is rapidly approaching - if you haven't already made arrangements for your ad, call us now at 453-6900
