

# Champ-to-be Hearn trains here for bout

BY W. EDWARD WENDOVER

Thomas Hearn, the Detroit favorite for the middle weight boxing crown, will be training in Plymouth Township for his May 24 fight against Marvelous Marvin Hagler.

According to officials at the Plymouth Hilton Inn, Hearn is expected to set up training camp in the ballroom at that facility this weekend and will be staying through May 15.

Final details were being arranged at press time, said Mike Haggerty, sales director at The Hilton, but almost all of the agreement had been worked out. Hearn's advance man, Bill Kozerski, inspected the hotel Monday and the boxer himself was scheduled to look over arrangements.

Hearn's training camp at The Plymouth Hilton, will focus national media attention here similar to the attention The Plymouth-Canton Community received during the 1980 Republican National Convention.

According to Haggerty, Hearn and his entourage of trainers, staff, and security forces will book half a dozen rooms plus two suites. Additionally, a quarter section of the ballroom will house a complete boxing ring which will be set up Saturday.

Along with Hearn himself, trainer Emanuel Steward, and staffers Prentiss Byrd and Al Hughes will take up residence at the Hilton.

Inquiries from national media staff writers, photographers and camera crews have already started coming in to the hotel as of Crier press time.

Plymouth Police Chief Carl Berry discussed security measures with Hilton

# 7,000 Cantonites get SEV rollbacks

BY DICK BROWN

Seven thousand Canton Township property owners have received or will receive good news in the mail. The Canton Township Board of Review, after fielding 1,400 requests for review of assessments and having 800 of the township taxpayers show up in person over the month of March, have completed the tax review chores and sent on to the Wayne County Equalization Department the revised tax roll.

The Canton review board composed of John Blumenshine, an industrial sales representative; Richard Palmer, farmer; and Jerry Williams, General Motors employe, spent long hours hearing appeals, studying Canton real estate sales records and proposed assessment figures before coming up with those recommended cuts.

Before those assessment figures

become official they will have to pass the test of the Wayne County Equalization Department and the state tax commission.

After Wayne County completes its review, the tax assessment role will come back to the Canton Board of Review for a second check.

The 7,000 taxpayers receiving reductions, had their original assessments dropped anywhere from from four per cent to 12 per cent, according to Blumenshine.

"We can justify every reduction," Blumenshine said. "We studied sales records on a subdivision by subdivision basis."

Members of the board were emphatic in saying that they considered each parcel on its individual merit attempting to reach the state-mandated 50 per cent of true market value.

It was no easy job. The tax review board put in 60 and 70 hour weeks, hearing taxpayers and making the comparison studies.

There are 14,200 assessed pieces of property in the township, of which 95 per cent are residential. The tax review board reported that the reductions covered residential, industrial and commercial property.

THE CURTAIN goes up tonight on "Monterey," the new musical play written by Plymouth's Ed Draugelis and scored by Canton's Andrew Henderson. After this week's group-sponsored previews, the show will be staged at the Marquis Theater in Northville May 5-9, 12-16 and 19-23. For more information on the local production which dreams of Broadway, see the special section inside on pgs. 13-20. Dancing here is Canton's Cynthia Betley as "Margarita." ### Faulty wiring the culprit?

**GUTTED**—Flames erupted Thursday morning in this home on Walnut Ridge in Canton, bringing an estimated \$30,000 in damages. Neighbors spotted smoke coming from the house and called the Canton Fire Department. The residents of the home were away at the time. Investigation of the cause of

the blaze is not complete but Chief Mel Paulun indicated it might have been faulty wiring. The blaze is thought to have started in the basement and worked its way up through the kitchen floor. (Crier photo by Dick Brown)

### For Sunday afternoon

# Old Village Spring Walk set

Plymouth's Old Village welcomes you to "A Touch of Spring", to be held this weekend in the historic city district.

The annual event is sponsored by the Old Village Association, a non-profit organization that works to promote, protect and beautify Old Village. And what better way to show the charm of the district than to sponsor a Spring Walk?

The event begins on Sunday at 1 p.m. and lasts until 6 p.m. Included in the

day's activities will be "Pass the Buck" certificates worth \$1 for every \$10 purchase from participating merchants, cut flowers for the ladies in attendance, rides for the kids, pickpocket clowns who will paint faces, refreshments, a petting farm and a huge array of arts and crafts, antiques and flea market booths.

But that's not all.

There will also be a treasure hunt -- stores will furnish clues pertaining to the

logo or name of Old Village merchants where prizes await. For example, a clue such as "You must be 21" might lead one to suspect 8 plus 8 plus 5, which equals Station 885.

Treasure hunt prizes include a Plymouth Hilton brunch for two, a Station 885 dinner for two, Old Village Sausage Shop wine gift set, Wicker Warehouse \$15 gift certificate, Plymouth Metal Detectors gold nugget necklace, Potter's Wheel \$10 gift certificate, Useful Uniques planter, and Beginnings Bridal ladies and girls gloves.

Entertainment will include Justin Brent, a 9-year-old magician and ventriloquist; magician Bob Schinker; jazz and classical dance exhibitions staged by Dance Unlimited; "Innosinz", a variety rock group headed up by Rob Goudeseune; and a presentation of dance and musical routines from the play "Starting Here, Starting Now."

Old Village merchants are urging everyone to come out for the event on Sunday, but if Mother Nature won't cooperate the rain date is scheduled for May 9.

For more information on the Spring Walk, call Jan at 459-8930.

# Sponsor steps forward to foot fireworks cost

There will be fireworks at the Plymouth Jaycees July Fourth celebration.

Budweiser Brewing Company has come to the rescue. Budweiser, through Central Distributors of Taylor, which handles Budweiser distribution in Plymouth and Canton as well as other western Wayne communities, will pick up the tab for the fireworks display which annually winds up the Plymouth Jaycees big community celebration, according to Fred Eagle, Jaycee chairman of the event.

Bill Ventola, sales representative for Budweiser who lives in Plymouth, was

instrumental in the agreement of Central Distributors to underwrite the \$3,000 cost of the aerial display, scheduled for the evening of Sunday, July 4, at Massey Field.

Spectators will be parking in the Burroughs parking lots at Plymouth and Haggerty Roads.

The Jaycees are still in need of community support to make the all-day event its usual success. Businesses and individuals desiring to make donations to help meet the celebration's expenses should send donations to Plymouth Jaycees, Fourth of July Parade, P.O. Box 279, Plymouth.

# District judges to do part

Voluntary one-week leaves have been accepted by 35th District Court Judges Dunbar Davis and James Garber to help the state's financial crunch.

Although Michigan Chief Justice Mary Coleman asked all judges in the state last week forgo a week's wages during this fiscal year, Davis had already suggested the idea to the state, said 35th District Court Administrator George Wiland.

The 35th District court, which serves the Plymouth-Canton-Northville community, receives most of its judges salaries from the state.

# Study initiated for Canton Catholic school

For the first time in the history of the Archdiocese of Detroit, members of three parishes have united in an attempt to initiate development of a parochial elementary school. This school will be unique as it will be independent of a particular parish. Members of Canton area parishes: St. John Neumann St. Thomas A'Becket and Divine Savior hope to open a K-8 school in the Fall of 1983.

To do so under Archdiocesan guidelines, an outside firm, Anderson-Roethle, will conduct a demographic study of the community. This study is expected to cost approximately \$10,000.

To aid in raising the necessary funds for the study, the Father Victor J. Renuad, Council 3292, of the Plymouth Knights of Columbus, is sponsoring a 50/50 Drawing and a Wine and Cheese Party to be held at the Plymouth K. of C. Hall, 150 Fair Street, Saturday, April 24th from 8:00p.m. until 10:00p.m. at a cost of \$5 per person with tickets at the door.

In a survey conducted by the Canton Community Catholic School last summer of almost 3000 families in the area, nearly 600 indicated that they would send one, or more, children to such a school if it did, in fact, exist.

Dr. Frank DeSantis, Superintendent of Schools Office, for the Archdiocese of Detroit, recently assigned Dr. Carlos Florido, assistant superintendent of schools to aid the Canton Community Catholic School in attaining its goals.

Members of various working committees within this Non-Profit Organization have, during the past year, examined six potential location sites. Rough floor plans include a seventeen classroom structure of modular construction expected to accommodate approximately 500 students.

Final plans, including formulation of school policy, curriculum and staffing procedures, will require many more voluntary working committees interested in securing a parochial education for the younger generation. Anyone interested in supporting the planned-for school with their time, talent or treasure is urged to contact Bill or Sandy at 981-6397

# State Police issue pop can warning

Michigan State Police Lt. Bob Garcia of the Northville State Police has alerted all area party stores and food stores to be on the alert for empty pop and beer cans in big quantities.

On April 20 thieves walked off with 5,000 empty returnable cans from a party store at Seven Mile and Pontiac Trail.

Any suspicious dumping of returnable cans should be reported by calling the Northville post at 348-1505.

## Surplus cheese to be distributed

Plymouth Salvation Army crews will be distributing 3,500 pounds of cheese for the federal government Saturday to an estimated 700 eligible families in the Plymouth-Canton community and Northville area.

Plymouth, Plymouth Township and Northville recipients will be able to pick up their five-pound loaves of surplus cheese Saturday between 10 a.m. and 2 p.m. at the Plymouth Cultural Center.

Canton recipients will be receiving their cheese at the Canton Administration Building during the same hours.

According to Lt. William Harfoot of the Plymouth Salvation Army, the guidelines set by the federal government are based on income.

Households of one must have an annual income under \$5,388; household of two, \$7,113; household of three, \$8,838; household of four, \$10,563; household of five, \$12,288; household of six, \$14,013.

For households over the six the income level has been set at \$1,725 per person.

Recipients must show proof of residence in the form of driver's license, voter registration card or some other valid identification showing residence.

To meet the income requirements recipients must show food stamp card, medicare card, DDS card, social security letter or w-2 form.

Those with questions on the program should call the Salvation Army at 453-5464.

## Students introduced to undersea at DIA

A vivid introduction to life beneath the Atlantic Ocean will be given to students from Allen and Smith schools at the Detroit Institute of Arts this week.

Wendy Waselle, a former Plymouth resident, scuba diver and marine conservationist, will take the students on an "Atlantic Expedition" through film and a modern diving equipment display.

"The Atlantic" is one of a series of programs created by Waselle and presented by the Detroit Theatre of the DIA. Through macrophotography techniques Waselle shows the audience a close-up view of symbiotic relationships of sea creatures, details of color camouflaging and growth patterns on the ocean floor and survival methods of fish, corals, sponges, mollusks and crustaceans.

Students will also help demonstrate scuba diving equipment and will learn international scuba sign language.

## Scholarships offered

Attention students with a green-thumbed talent:

A \$750 scholarship in horticulture and related fields is being offered to students in the Plymouth-Canton district by the Plymouth Women's National Farm and Garden Association.

The scholarship is a continuing one, and is renewable yearly.

Interested students can contact Elaine Pierce at 453-0670 or Helen Hopkins at 453-5114 before May 4.

**HANK RUPERT** retires today after 26 years with the Plymouth-Canton Community Schools. It's been a long career, but he isn't ready for a rocking chair yet -- retirement plans include Florida winters, Pennsylvania summers and Canton Township in between. Rupert is shown here at a Salem basketball game (he still is the Rocks' greatest booster) where he often acted as spotter at the press table. (Crier photo by Robert Cameron)

## Rupert announces retirement

BY DAN BODENE

From a Pennsylvania steel town to Salem High School, Hank Rupert has amassed quite a few memories. Today, his job as plant engineer of Salem becomes another one -- he is retiring after 26 years with the Plymouth-Canton Community Schools.

Born in South Heights, Pa., Rupert moved with his family to Farrell, Pa. when he was very young. He graduated from high school there in 1932, and got a job in a U.S. Steel plant where his father worked in the sheet and tin plate division. In 1938 he became a casualty of the plant closing.

Rupert left Farrell for the big city, and soon got a job in New York City's Mission Bell Winery, bottling wine. He remembers he hated New York because there were so many people, yet no one knew him. The next stop was Detroit and the promise of work in the auto plants.

For the next 15 years Rupert worked as a layout mechanic for Car Wood Industries, but left that job for another interest: working with kids. He was hired by Earl Gibson as plant engineer of the then newly-completed Gallimore School, transferring to West Middle School 10 years later. Finally, he moved to Salem High when it was completed. "I always loved football, basketball and baseball," he says. "Along with all

sports at Salem and supported these sports as much as I could."

Rupert says he loved working with everyone in the Plymouth-Canton Schools, especially in Salem High. Although his retirement is effective June 1, he still has a vacation coming so today will be his last day.

But, he hastens to add, he cannot go without extending his thanks and appreciation to the entire district staff.

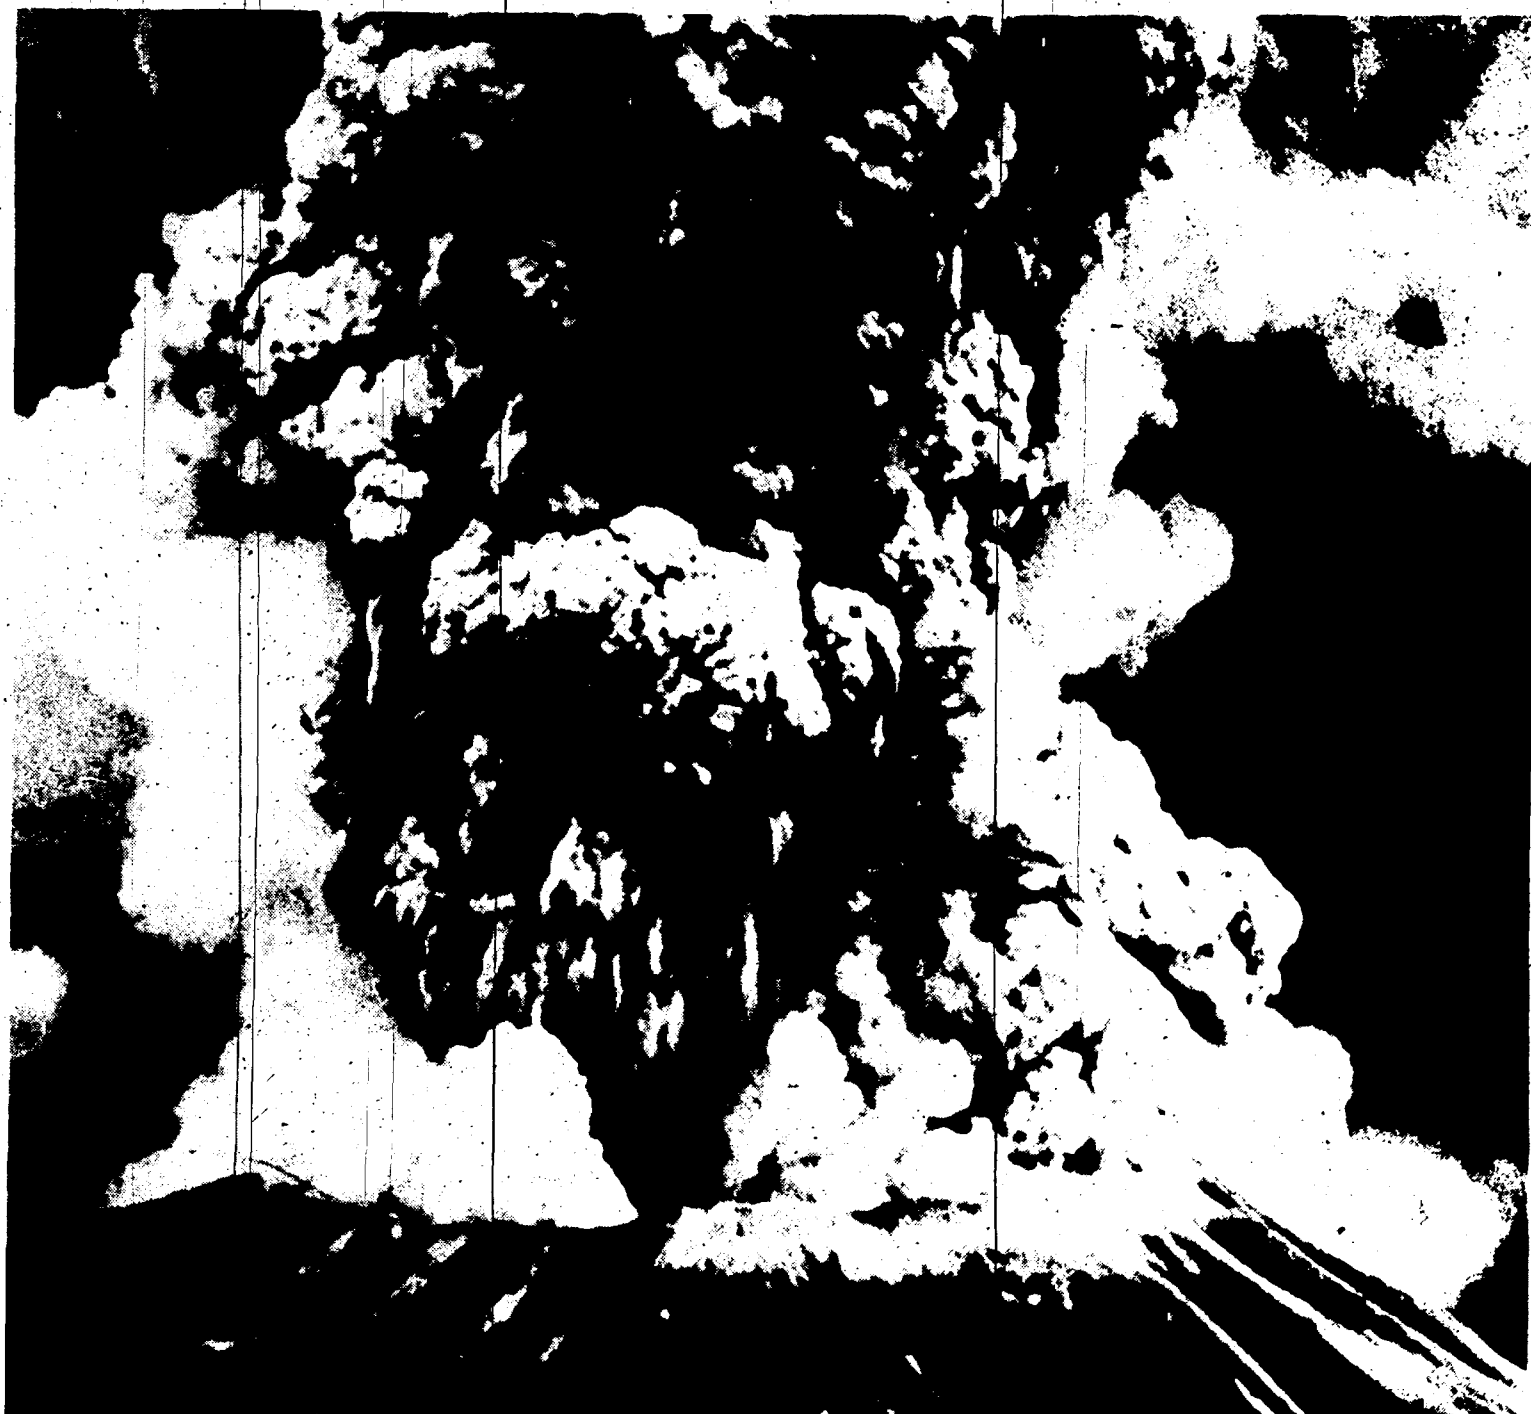

His duties at the high school haven't been his whole life, of course. Married and the father of two daughters, Rupert also points proudly to their accomplishments.

Rupert also has time for many activities, including duties as president of the Melvindale-based Slovene American Club, and chairmanship of the buildings and grounds committee of Camp SNPJ, a recreation facility administered by the Slovene National Benefit Society.

Now that he has more time to devote, Rupert says he will begin to divide his time between Florida (during those long Michigan winters), Camp SNPJ in Pennsylvania, and his Canton home.

In parting, the best sentiment is Rupert's own: "So now on my last day here at Salem High, I want to extend to all of you good health, good luck, and may God Bless each and everyone of you."

And the same to you, Hank.

## WSDP needs your help

Put down this newspaper and go to your radio.

Turn it on and tune in WSDP at 88.1 fm.

Now, when was the last time you saw a newspaper say something like that?

There's a special reason for this though.

Starting at 3 PM today, the third annual WSDP radio-thon auction takes to the air waves. So until 9 pm. each day through Saturday, the absolute best in Plymouth-canton radio can be heard.

With scores of items and services being offered by local businesses and individuals, and with the local response on bidding for the auction items, the annual WSDP auction is far and away the most Plymouth-Canton content on the radio.

And it always carries a few surprises with it.

To find more about the auction (now that you've picked your Crier back up again to get the rest of the local news) see the WSDP auction information on pages 4 and 5 of this edition.

Every bid during the auction helps to keep the student-run, non-profit radio station on th air.

## City DPW shows way

All through the spectrum of government the reality of the bad economic times is striking home.

The days of hire, hire, are gone. The days of expanding bureaucracy at the national, state, county and local levels with accompanying expansion of numbers of government employes is over.

The reality of the situation hasn't impressed many government employe groups who continue to look at the problems selfishly.

The reality did come home to the City of Plymouth Department of Public Works last week and these city employes were up to the hard decision that had to be made.

Plymouth DPW workers unanimously agreed to accept six days of unpaid personal leave per employe in order to save the job of one member of the DPW who would have lost his job because of the budget crunch.

Officials and members of Teamster Local 214 are to be commended for accepting the concession in order to save the job of one of the local's members.

Employe concessions are fast becoming a fact for private business and industry. It must become a fact for the government sector.

Plymouth DPW workers were up to that tough decision. Maybe their action will become contagious and other government employes will follow suit in these tough

## In addition

by Dan Bodene

This week I finished judging my portion of the annual high school journalism contest sponsored by Schoolcraft College, and several weeks ago I also helped judge an essay contest at CEP.

For the most part, the winning entries in each contest were quite good. The top entries in the Schoolcraft competition were particularly good. But for there on down in both contests the examples of writing were symptomatic of a disturbing trend.

I don't intend to point fingers at the students who entered their work in either event. That's not the point, but it led to an underlying situation that bothers me and a whole lot of parents with kids in school.

For quite a while now there has been a growing number of students graduating from school without a grasp of some basic skills. The skills that I'm most familiar with deal with reading and writing.

In fact, I have noticed a trend toward graduating students who can not put together a coherent paragraph, let alone an entire essay.

It is all too easy to point a finger at teachers, or a district schools in general, then at the American system of education. To blame of these individual groups is a serious oversimplification.

The problem, I'm convinced, is something we all share. I can easily start with my own job—one of my duties is to improve editorial quality, but I'm sure readers of The Crier have little trouble finding grammatical errors anyway.

Portions of the blame do lie elsewhere. I'm not sure all teachers have the time or resources to concentrate on teaching the "Three R's" to the degree they should be taught. Why do our high school teachers refuse to attend inservice workshops, however simplified?

I'm not sure district schools in general are devoting the time and resources to making sure essential skills are taught. Is there pressure put on teachers to pass every child in every grade, or risk a less-than-perfect job review?

I'm not sure the American system of education is fulfilling the needs of students and educators alike. Why are teachers "burning out" at such a frightening rate each year?

The problems also come from the most basic levels. I suspect that too many parents are all too happy to use television or Pac Man as a cheap babysitter.

It isn't hard to see right away that all the questions I've raised are oversimplified. In fact, that's what is so frustrating to me—the inability to pinpoint a source of failure.

It's all too easy for me to compose impassioned columns in defense of the good old days when the "Three R's" were all there were to worry about, but rest assured I'll be trying to clean up my own act as best as I can.

## School staff protests Owens loss

**EDITOR:**

We, the many colleagues of Greg Owens, Central Middle School Assistant Principal, feel that the following must be said and heard by those involved in the Plymouth-Canton Community Schools.

It is our feeling that the loss of such a competent, enthusiastic and optimistic administrator would be a great loss to the students, staff and community.

Greg Owens is a person with whom adolescents and adults can relate and communicate easily. Greg Owens has

the heartfelt respect of both students and staff members of Central Middle School. Anyone involved with adolescents and a staff subjected to constant shifts and changes can understand the extreme importances of a person with these qualities.

that Greg Owens has done all that is humanly possible to accomplish this "Mission Impossible".

We feel that, with Greg Owens as our assistant Principal, we have made many steps forward. We are terribly concerned that the removal of our fine administrator would cause us to take frightful steps backward.

## Canton tax board praised

**EDITOR:**

There is plenty of opportunity to castigate local government officials, rightly and wrongly, these trying times.

That is why it is a pleasure to commend Canton Township's Board of

Review for the effort they put into fielding the many complaints over property assessments.

It was a definite surprise to receive in the mail a notice that my property assessment, after first being raised, had indeed been lowered to a more reasonable figure.

It was even more surprising that this action was taken without my having filed an official appeal and request for a hearing.

The Canton Township Board of Review members did what they believed to be right in adjusting tax base figures established by county assessors. Even if the action of the Canton review board is countermanded, I want them to know that I appreciate the effort and so should the many other Canton taxpayers who received adjustment notices.

Your coverage of this event and all others is what keeps our club so active.

## Civitans appreciate help

**EDITOR:**

Once again this year the Plymouth-Canton Civitans were gratified to receive the cooperation and support of several of your staff members in the recently completed Civitan Citizenship Essay Contest sponsored by the Plymouth-Canton Civitans Club.

Special thanks are accorded to Dan Bodene, who served as a judge again

this year, and Bob Cameron, who provided photo coverage of the winners.

Your feature article and recurrent spot announcements were much appreciated. Hopefully, our association will resume again next year.

Again, in behalf of all who participated in the contest, many thanks!

## Help on field appreciated

**EDITOR:**

We just wanted to take this opportunity to personally thank the following people for their assistance in the planning and implementing of our game field refurbishing last weekend: Messers Dan Minghini, William Clark and Harold Booker from the school system, who helped in the operation; Messers Terry Moore and Frank Forier, for their help in procuring the supplies for the otball field [WE HOPE YOUR BACK

IS BETTER, TERRY!]; and the entire group of people from the Plymouth-Canton Junior Football Board of Directors who worked so many hours last Sunday to accomplish this major goal. An all out effort such as re-furbishing a football field once again shows the great team spirit of the PCJFA.

Again, our heartiest thanks to all who helped out!

## Canton supervisor limo was April Fool joke

Supervisor Jim Poole and other Canton officials have been swamped with phone calls since last week's edition of The Crier came out with a printed replica of a township purchase order authorizing the lease-purchase of a \$15,000 white used Lincoln Mark IV for the township supervisor.

It was all an in-house April Fool's Day joke that got out of hand when a copy of the purchase order was included in The Crier press packet two weeks ago, without explanation that it was all in jest.

The people who swamped the Canton Administration Building with calls protesting luxury transportation for the supervisor, if nothing else, proved that The Crier gets read.

From here on out it's a sure bet that April Fool jokes will definitely get labled as such at Township hall.

Sup. Poole has extended an invitation to all those Canton residents who think he has a Mark IV Lincoln furnished by the taxpayers to stop by the Canton Administration Building and take a look at the vehicle which definitely looks like an old-model Chevy.

Plymouth Kiwanians found out Tuesday night that drafting this nation's nuclear warfare policy isn't what could be called an "easy job."

The Tuesday night Kiwanis group wrestled in a table by table workshop which tool up the issue, "Should the United States announce to the world its decision of nuclear disarmament?"

Kiwanis, almost to a man, were as confused as the nation's leaders over the answer. All voiced concern that world nuclear strike power dismantling would be a good thing but almost all expressed concern that all nations of the world would have to agree and that checks and inspections would have to be part of the agreement.

A common concern was the lack of knowledge of the average American over the pitfalls of a nuclear arms race and the possibility of nuclear warfare.

One Kiwanian group reported that they were scared to death that a "Akadafy or a Begin" could trigger a nuclear war.

The feeling was unanimous that the United States should provide world leadership in nuclear disarmament but shouldn't disarm unless whole world goes along. One of the arguments offered was that the have-not nations of the world have less to lose and that nuclear capability is almost unlimited.

Another group insisted in its report that any bargaining on nuclear disarmament "must come from a position of strength."

Another complaint from the Plymouth Kiwanians was that "there is not enough information as to how strong we must be."

Other group statements said, "We should have some form of adequate nuclear defense," and "We do not know with certainty how far behind we are."

Plymouth Kiwanians did reach a consensus that a freeze would be agreeable if verification was possible."

With statements such as these from business and professional people sounding complex and confusing, it is no wonder that nations can't get together to stop nuclear proliferation.

# City DPW staff saves worker's job

"I'm very grateful," says Fred Barrick, low man on the City of Plymouth DPW Dept. seniority list.

Scheduled for a lay off in the face of the city's budget problems, Barrick's job has been rescued, say DPW's union members agreed unanimously to take a week's unpaid leave each rather than see a colleague laid off.

"It's kept me out of a predicament," said Barrick, who joined the department full-time last September. He and his wife have a two-month old baby.

Averting the layoff was an unexpected birthday present for Barrick who turns 31 this Friday.

"Nobody wants to see a guy laid off", said Mike Nowery, local president of Teamsters Local 214 which represents the DPW workers.

"We all work better when we're all working," the union president explained, although he added, "We don't want to be forced on a concession bandwagon either."

City Manager Henry Graper praised the union for suggesting the one-week

leaves as a way to work out the budget crunch seen in the city DPW department.

"I don't want to put anybody on the street if we don't have to," Graper said, but a 35 per cent cut in the state gas and weight taxes has meant the city "is in a position where the general fund is subsidizing DPW much more than ever before."

As a result, Graper said, the city asked the DPW union for concessions which were rejected. Then Barrick was told he'd be laid off and the union filed a grievance complaining that was inappropriate since temporary summer help had been hired at the DPW.

During the grievance hearing, Nowery, after meeting with his business agent and other union officers, suggested going to the members with the week-off idea. "That gave us the concessions--to a degree-- we were looking for," said Graper.

The DPW workers agreed to a man to save Barrick's job and the city, although not realizing the total amount of Barrick's wages, backed the proposal.

FRED BARRICK and wife Diana and 2 month old son Robert are a little happier now that Fred's fellow Plymouth Department of Public Works colleagues volunteered to give up a week's wages to save his job. Barrick's position was slated for elimination until the DPW workers pitched in to help. (Crier photo by Robert Cameron)

## 16 P-C administrators have pink slips recalled

BY DAN BODENE

Members of the Plymouth-Canton Board of Education voted Monday night to finalize administrators' layoff notices, agreeing to retain 16 of 23 personnel they had "pinkslipped" 30 days ago.

Administrators who were notified they will not have their contracts renewed for the fall term include James Burt, Cheryl Clason, Andrew Dale, Janice Hawkins and Karen Zokas, all assistant principals; Harold Weiner, supervisor of the special education program; and Hunt, Reigel, director of the Model Resource Room Project.

Administrators who will be retained include Judith Ireson, assistant principal at Eriksson School; Sam Barresi, principal of Bird School; Joyce Reefer, principal of Callimore School; Maureen Murphy, assistant principal of Lowell Middle School; Greg Owens, assistant principal at Central Middle School; Patricia Patton, area coordinator at Canton High; Cheryl Johnson, coordinator of TAG and staff development; Jeffery Cardinal, coordinator of WSDP radio; David Rodwell, administrative assistant for research and data processing; Thomas Rose, purchasing agent; Shirley Waters, attendance

supervisor at Canton High; Richard Smith, project director, American Indian the poster contest, as well as to other people of the community education; Mark Even, coordinator of media productions at Salem High; Richard Egli, administrative assistant for community relations; John Telford, executive director of secondary education; and Walter Bartnick, assistant for labor relations.

Trustee Flossie Tonda provided the lone dissenting vote, saying, "I feel there should be more cuts in this area, rather than where it will hit the kids."

In a related move, pinkslips will now also be issued to a school psychologist and two social workers in the district.

First notice of impending layoff will be forwarded to psychologist Rosalyn Goldberg and social workers Lois Bass and Susan West.

Edwin Page, executive director of special programs and student services, said he originally requested eight special education teachers receive the layoff notices, but due to an increase in enrollment they will be needed. He added, however, the loss of the three who will be notified "will force a considerable reduction of services for the general education population. The biggest thing is that we will lose the preventative aspect of programs, such as child study and informal intervention."

Page said in the last year the district has lost five of its eight social workers. An alternative to the loss of Goldberg, he suggested, might be to contract for psychology services such as many other districts do.

Trustees voted to approve the notices, with Tonda dissenting.

## Plymouth Twp. okays senior center study

Plymouth Township will spend up to \$3,800 for a site development study of the property on which the Friendship Station senior citizens development is located.

The funds, reallocated from Community Block Grant funds for 1980 and 1981, will be used for a detailed topographic survey of the property as well as an analysis of the site to determine what improvements are necessary, preliminary site plans and a cost estimate for improvements.

Another \$28,827 from the unused Block Grant money will be available for any construction or for possible property acquisition to the east or west of the property on Five Mile Road.

Township trustees passed a resolu-

tion last week approving the use of the funds for the center. Supervisor Maurice Breen said he was a little concerned at using so much money on site plans. "It eats into the total dollars available for possible construction or property," he said.

## Farm Bureau names local essay winners

### Getting the word

**GETTING THE WORD** at the C.E.P. parent conference April 20 are Sylvia and Irving Rozian. They are shown conferring with Dallas Goss, biology teacher, concerning their son, David, and his progress in his sophomore year. The

Rozians have a daughter who graduated last year and is now a sophomore in college. They were high in their praise of the Plymouth-Canton school system. (Photo by Dick Egli)

## But there's an annual solution

# Schools have cash flow problems

BY DAN BODENE

It's bad enough being a little strapped till the next payday, but imagine trying to run a school district for six months with no cash...

That's the position the Plymouth-Canton Community Schools is in each year at this time. And each year, the district is forced to issue tax anticipation notes to solve the cash flow problem.

On Monday night the Board of Education unanimously approved a resolution to apply to the Municipal Finance Commission to sell \$16.8 million in notes, to finance the district operation until the January tax collection revenues come in.

The problem, says Superintendent John Hoben, is that tax revenues received in January fund the district

operation six months behind and six months ahead. "We receive the cash in January and in June we're broke," he explained.

Hoben said last year the district borrowed \$14.5 million in anticipation notes, and paid an interest cost of nearly \$1.3 million. If this year's notes sell at 14 percent, he said, the interest cost will be \$2.3 million.

Ray Hoedel, assistant superintendent for business, said this year the district will have the tax notes rated to increase their marketability. He added the district has a good chance of a favorable rating. "We're not in the red -- we've done well that way."

Bids will now be sought for the notes. The National Bank of Detroit has historically turned in the lowest bid, although others will be sought this year due to the bad market, Hoedel said.

He added that the district will attempt to award the bids by June 14, to receive the funding by July 1.

## Student Artfest plans are progressing fast

Perhaps the only thing that marred last year's Student Artfest was the light drizzle that almost forced the event's cancellation.

This year, the Artfest '82 planning team is taking no chances -- they have an assurance from Plymouth Mayor Eldon Martin that an official proclamation for good weather will be issued well ahead of time.

The planning team is in the final stages of putting together this year's student art exhibit in Kellogg Park, slated for June 5. Artfest '82 will be organized slightly different from last year's inaugural event, with more tents (there will be five instead of three), different hours (from 9 a.m. to 3:30p.m.) and a wider participation by crafts and

entertainment groups.

There are two critical dates for schools who will participate in the event. Performance-demonstration needs forms are due May 1, and student participation forms are due by May 30.

Artfest '82 is being planned under the direction of co-chairpersons Michael Homes and Cathy Sibert, who also headed up last year's edition. So far, Artfest patrons who have contributed to the upcoming exhibition include the Woman's Club of Plymouth, Eldon Martin, Plymouth Community Arts Council, Miller School PTO, Lake Pointe Village Branch of the Woman's National Farm and Garden Association and the West Parent Advisory Council.

For more information on Artfest '82, contact Dick Egli at 453-3100, ext.418.

## Contract dispute goes to mediator

Workers and officials of the 35th District Court are scheduled to meet Thursday with a mediator in efforts to resolve their contract dispute.

The court's employes, represented by the American Federation of State, County and Municipal Employes Local 25, have been working without a contract since Dec. 31, when their last one-year pact expired.

The mediator has met twice with the two sides. The union represents some 13 members at the court which serves the Plymouth-Canton-Northville area.

## School Board okays purchase of new buses

A recurring problem will receive a temporary solution, in the Transportation Department of Plymouth-Canton Community Schools.

On Monday night the Board of Education voted to purchase three 36-passenger buses and one wheelchair bus, to replace aging equipment that is costing too much money to repair.

Transportation Director Dale Goby explained that there is a critical need for the buses in transporting special education students.

Goby said the number of routes remain the same but many more special ed students are being transported and even more are anticipated next year. The new buses are larger and sturdier, he added, and will last longer. In addition, maintenance and repair costs for older buses will have an impact on bus replacement.

According to Goby's estimates, buying the new buses will cost \$14,033 per year. In contrast, not buying the new buses and patching up old ones will cost the district \$29,440.

The total cost of the new buses is \$87,852. Purchasing agent Thomas Rose says the district may never get a better price. "Ford Motor Company gave us some very healthy concessions on the chassis," he explained. "They badly need the production -- if you're going to buy buses, the time to do it is now."

Superintendent John Hoben said he was originally opposed to the purchase, because he thought the cost would come out of the 1982-83 budget. He discovered he added, that the cost will come from the \$100,000 budgeted for the 1981-82 bus replacement fund.

Board president Carol Davis did oppose the move, however. She said that because the Transportation Department has consistently scored 100 per cent on annual State Police bus inspections, that buying new buses was unnecessary at this time.

Treasurer Glenn Schroeder replied, "If we give (the Transportation Department) junk, they're going to spend a lot of money and still end up with junk."

Trustees then voted to approve the bus purchases, with Davis dissenting.

## Local cooks compete in Great Chili Cook Off

Cecelia Carter, Nancy Macioce, and John Strzalka of Canton will be among the 53 cooks from around Michigan competing in the Great Chili Cook Off at the Farm Council Grounds in Saline Saturday, May 1.

The event is open to the public and is a benefit for the National Kidney Foundation of Michigan. The winner of the Saline competition will be eligible to participate in the \$40,000 International Chili Society World Championship Cook Off this fall in California.

The day long Cook Off will include a

10 kilometer charity running competition, a championship Pinto horse show, live entertainment and the chance to meet Michigans premiere chili cooks and sample their recipes. Last year, more than 8,000 people attended the Cook Off.

Much of the benefit's proceeds come from concession sales according to a benefit spokesperson. Hot dogs, popcorn, soft drinks, chili and beer will be for sale.

Admission to the Cook Off, held the first Saturday in May each year, is \$2 for adults. Children accompanied by a parent are admitted free.

BY PHYLLIS REDFERN

"Monterey", a musical comedy written and produced by Edward Draugelis and Andrew Henderson will make its local debut this week with previews for area service clubs. Groups who are participating include: Michigan Heart Association and Rotary Night, Wednesday, April 28; Community Theater Night (Plymouth Community Arts Council, Plymouth Symphony, Livonia and Redford Theater guild), Thursday, April 29; and Plymouth Chamber of Commerce Night, Friday, April 30.

The play will open to the public on Wednesday, May 5 and run Wednesday through Saturday at 8 p.m. and Sunday at 3 p.m. through May 23 at the Marquis Theater in Northville.

The show is a love story featuring Doug Kerr as the 50-year-old sea captain, Ted, and Julia Broxholm as the 24-year-old marine biologist, Meg. The setting is the Monterey peninsula of California.

Draugelis, a well-known attorney in Plymouth, is the author of the story and lyricist. He spent about two years working on the play. "writing is my passion. I am very excited about sharing this play with the wonderfully supportive people of the Plymouth community," he said.

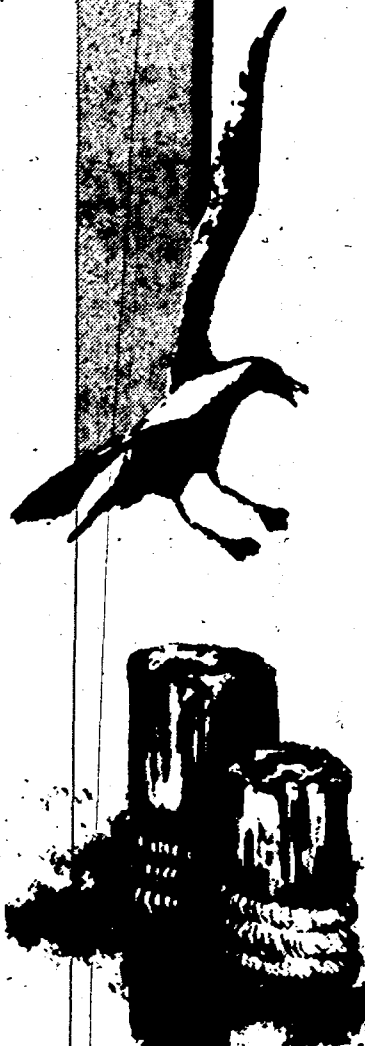

Henderson is the composer of "Monterey" and has been active in producing theater in the Western Wayne County area. A Canton resident, he did the orchestrating for everyone in the play and will conduct the 19-piece orchestra.

Members of the cast from Plymouth and Canton include: Tim Alonzo, Glenn Carlos, Cynthia Betley and Janis Kadela.

With everyone in the community talking about "Monterey", it is a show you won't want to miss. For more information or reservations call 453-3017.

**PABLO AND WHITEY** (also known as Timothy Alonzo of Canton and John Merrifield of Northville) add the comic-philosophic angle to "Monterey" (above). # Thank-you.

We'd like to take this opportunity to express our gratitude to the people of this community for their wonderful support of MONTEREY. For those of you who have not yet purchased tickets, they are now available for the following special performances:

- \*WEDNESDAY, April 28. (Tonight!) Mich. Heart Fund/Rotary Night
- \*THURSDAY, April 29. Community Theater Night
- \*FRIDAY, April 30. Plymouth Chamber of Commerce Night

For more ticket information for all performances, please call: 453-3017.

Thank-you, again.  
Come and enjoy!

Sincerely,

#### BASIC PROGRAMMING I

No previous experience is necessary. Students learn how to program a microcomputer using the BASIC language. Each command is presented with sample programs designed to illustrate its function and syntax.

#### BASIC PROGRAMMING II

The prerequisite for this course is BASIC Programming I or its equivalent. This course is for people already familiar with some Microsoft BASIC commands who wish to improve their skills and increase their knowledge of the BASIC language. Students are taught more advanced BASIC commands, as well as peripheral programming. Variations for different brands of microcomputers are discussed.

#### COMPUTERS FOR TEACHERS

No previous experience is necessary. Students are given instruction on operating a microcomputer, an overview of available educational software and tips for tailoring programs to individual classroom needs. Students are also shown how to set up and schedule a computer lab and how to use the microcomputer for record-keeping.

## Twp. and Canton represented on County council

Canton Township and the City of Plymouth will be represented on the Wayne County Community Development Advisory Council composed of 19 representatives. Canton Supervisor James Poole and Plymouth city commissioner Jack Kenyon will serve on the advisory group which will review proposals from 32 local governmental units seeking a share of \$6 million in federal block grant funds.

The City of Plymouth has a grant request filed for \$80,000 to fund street improvements.

Plymouth Township is seeking \$108,000 for water and sewer facilities.

Canton Township has filed an application for \$154,000 for land acquisition and water and sewer improvements.

The advisory group will meet April 22 to consider the fund applications.

## Career planning evaluations set

On Jan. 16, many students at Centennial Education Park (CEP) took advantage of a Career Planning test to assist in career decision making.

The test results have been returned from the ACT Corporation, says counselor Diane Pomish, and will be distributed to students.

However, Pomish has planned an evening assembly to help students and parents interpret the results of the test. It will be held on April 29 beginning at 7 p.m. in the Salem High cafeteria.

Those interested in attending should RSVP to Joyce Herter at 453-3100, ext. 219.

## Centennial Dancers to present annual recital

The Polish National Alliance Centennial Dancers will present their second Annual Recital Saturday, May 1 at 7 p.m. in the Salem high school auditorium on Joy Road.

New tap and jazz routines will be performed in addition to traditional Polish folk dances. Live music will be provided by the Chris-Jack Orchestra.

Tickets are \$2 for adults and \$1 for children. For more information, call Ron Kardynski at 464-7764.

## Here's the winners!

Local shutterbugs now have several award-winners in their midst. That's because winners of the Plymouth Community Arts Council (PCAC) Photo Contest have been announced.

In the adult category, first place was won by Gary Barber; second place was awarded to Richard Alwood. Caroline Davy and 12-year old Wendy Sobczyk were teen category winners.

The contest was judged by John Gaffield, local professional photographer. The winning photographs all featured winter snow scenes.

## In proposed 1982-83 budget

# City looks toward hard days

BY DICK BROWN

There was almost complete silence at the Monday night city budget public hearing. Only two taxpayers had any questions or comments on the proposed expenditures for the City of Plymouth for 1982-83.

The hearing opened with a budget presentation by City Manager Henry Graper, Jr., charged with preparing the proposed budget for the city commission.

Graper said that he and department heads analyzed the cuts which were made during the current fiscal year and the 1980-81 fiscal year, studied the anticipated increases in costs and the alternatives for meeting those costs.

"The city is in the position whereby future increases in costs must be dealt with by reducing services, doing away with entire departments and/or staff layoffs," he said.

Graper said the proposed budget is based on a 17.25 millage from 16.45 mills.

The budget calls for a freeze on administrative salaries, a freeze on hiring, ban on out-of-state travel, tightening up on utility costs, re-powering equipment instead of making new purchases, curtailing the amount spent for outside legal fees, striving to make programs pay for themselves, raising fees for using the ice surface at the Cultural Center, savings to come from the new self-insurance program, purchasing controls, curtailing non-union merit increases, raising ambulance fees and hiking cemetery fees.

The proposed budget calls for a general fund expenditure of \$4.6 million.

Graper cited some of the increases in the proposed budget, calling attention to increased pension costs for city employees, anticipated hike in utility costs, the increased funding for the library and

district court, the necessity to finance more of the street and road maintenance as state and federal revenues decrease, increased refuse pickup and the uncertainty of labor contracts yet to be negotiated.

It's anticipated that the city commission will consider adoption of the budget at its May 3 meeting. The setting of the millage to cover that budget will come later in the month after Wayne County completes its work on the city assessment roll.

## May is cleanup month for Canton residents

Canton Township is again declaring the month of May as "May Clean Up Month" for all Canton Township residents.

Residents wishing to dispose of debris during May, should take all permitted items to the landfill located at 4751 Lilley, 1/3 mile south of Michigan Avenue on the east side. There will be no permits issued at the DPW like last year.

Residents are required to bring a driver's license to verify that they are a Canton resident.

One load per week will be allowed for each resident. Any excess of this

amount, will require a special permit to be obtained from the DPW Offices, located at 4847 Sheldon Road, 1/3 mile south of Michigan Avenue, between the hours of 7:30 a.m. - 4:00 p.m. - Monday through Friday only.

Any commercial or construction materials will require a special permit. No tree stumps will be allowed. Tires are limited.

All dumping will be done at the landfill this year.

The landfill will be open Monday through Saturday from 8:00 a.m. 4:00 p.m.

## Local safety patroller joins Washington tour

A Plymouth pupil was among 50 Michigan safety patrollers who left April 29 to tour the nation's capital on an expenses-paid, four-day trip as guests of the Automobile Club of Michigan.

Chosen as the area's outstanding patroller for the current school year was

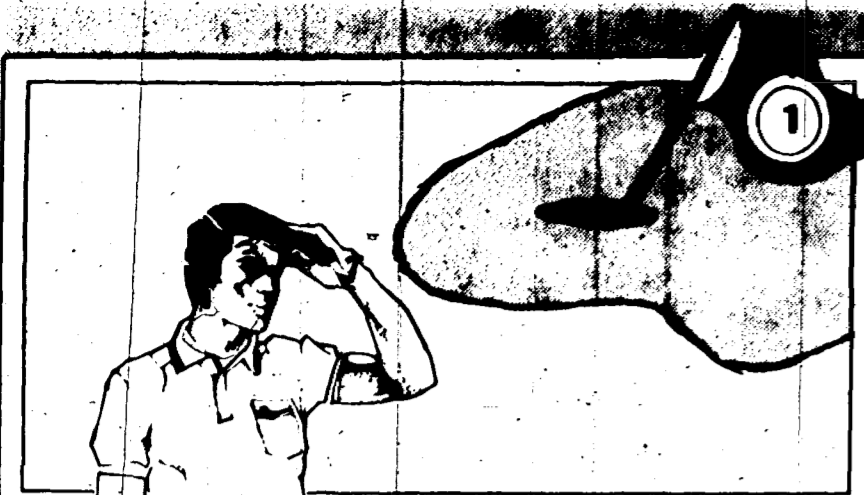

Rachel Whitmore, 12, 4451 Charnwood, a student at Smith School.

All patrollers were chosen to make the 42nd annual Auto Club trip by their school systems. They represent 65,000 Michigan youngsters who each spend nearly 300 hours annually protecting classmates at crosswalks and on buses.

## Participants sought for Canton Country Fest

Plans for the Canton Country Festival are in full gear. The dates for this year are August 6, 7 and 8.

Applications for concessions and meals have been sent out to all known organizations and churches in Canton. Those who have not received an application who would like to participate in the Festival this year should contact Walt McCrea for concessions at 459-8111 and Bill Tesen for meals at 981-5900. The organizations must be non-profit and based in Canton in order to qualify.

Last year the Canton Jaycees, Canton

Rotary Club, Canton Chamber of Commerce and the Canton Fire Fighters provided meals. A number of organizations had concessions selling baked goods, leather craft items, hot dogs, soda pop, penny candy and many other items.

All had fun enjoying the festival atmosphere and increased their treasures at the same time. The Festival Board is looking for even more participants this year, going on the basis of "The More—The Merrier".

## CEP Law Week scheduled, attorneys slated to appear

The 25th Annual Law Day and Law Week will be observed at Plymouth-Canton C.E.P. from Monday, May 3, to Friday, May 7. A full schedule of programs and appearances by law profession resource people has been built into the program.

On Monday Linda Connally will speak on status offenses and juvenile rights, Attorney Cynthia Wisner will speak on problems in the law, and Jim Madsen, a Detroit police officer and instructor at Schoolcraft College, will talk on the security of computer systems.

The Tuesday program calls for Lt. Bob Garcia of the Michigan State Police to talk on State Police activities, Hank Glaspie of the FBI to speak on bureau responsibilities and 35th District Judge James Garber to talk on district

court responsibilities.

Speakers for Wednesday will be Jim Foley of the Wayne County Organized Crime Task Force, Attorney Ron Grossman and Ross Ellis, principal of Phoenix Institute School at Detroit House of Correction.

On the Thursday schedule will be Attorney Mike Pollard, Michigan State Police Crime Lab expert Margaret Hurston and Jo Ann Hart, Salem teacher who taught at Ionia State Reformatory.

Friday will wind up Law Week with talks by a representative of Oakland County investigation unit on child abuse and juvenile rights, Eugene Freedman of Oakland County Prosecutor's Office, Jim Ahktar of the Wayne County Sheriff's office and the showing of a film, "The 12 Angry Men."

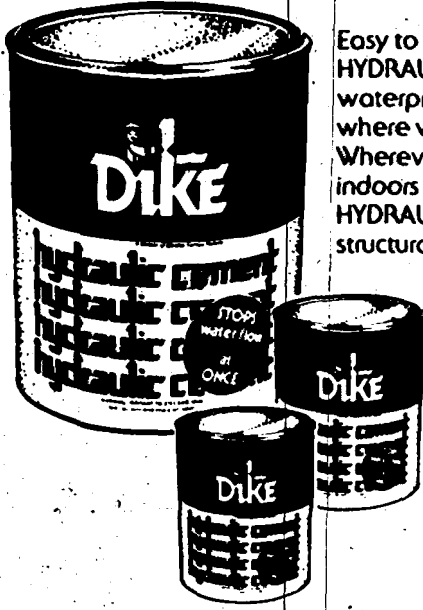

## Clean-Up Week designated for City

Mayor Bud Martin has set May 10 through May 16 as official "Clean-Up, Fix-Up, Paint-Up Week" for the City of Plymouth.

Special arrangements will be made by Superintendent Ken Vogras' DPW crew and Midwest Sanitation for the pickup of items discarded during the clean-up program. During the week pickup crews will be loading trash from curbside on a daily basis, including large items.

## Pageant means more than just appearances

BY DAN BODENE

Even though teens representing The Plymouth-Canton Community just barely missed the finals, an area favorite virtually walked away with the 1982 Miss Michigan National Teenager title.

Carol Kulha of Northville, who was crowned Miss Metro Detroit Teenager last fall, accepted the crown from outgoing Miss Teenager Becky Minges of New Boston at the pageant finals on Saturday.

Kulha's competition from the community included Kathleen Cullen of Canton Maria Psychogios of Plymouth Township and Susan Knight of Plymouth. All participated in the talent competition, speech contest, evening wear display and all the production numbers during the grand finale of the pageant.

State directors George F. and Mary Jo

Scarborough supervised the pageant, which stresses citizenship, scholastic achievement, church and community activities as well as poise, personality and appearance.

In the final evaluation, Kulha stood head and shoulders above the rest of the field—judges said she tallied more than 250 points over the final contestants, a 17 year old senior at Our Lady of Mercy, her list activities and involvement in community organizations alone filled three and a half pages.

As Miss Michigan National Teenager, Kulha will receive an all-expense paid trip to the finals this August, as well as two scholarships, trophies and other prizes.

MISS MICHIGAN NATIONAL TEENAGER Carol Kulha of Northville accepts the 1982 crown from outgoing Miss Michigan Teenager Becky Minges of New Boston. Kulha was far and away the points leader throughout the pageant, according to judges. She was also crowned Miss Metro Detroit Teenager last fall.

PRESENTING the Plymouth Hilton Inn with a plaque for their hospitality during the pageant, State Director George Scarborough (right) calls up an obviously surprised Hilton Director of Sales Mike Haggerty (center) and Manager Ken Windsor.

**COLUMNIST AT WORK** on a warm spring day. Phyllis Redfern escaped the telephone and took to the great outdoors to hammer out this week's column. (Crier photo by Robert Cameron)

# tell it to Phyllis

Trying to write a column on a beautiful spring afternoon is for the birds. Being in a stuffy office looking out at the blue sky and the kids riding by on bikes is almost more than I can handle.

If the beautiful weather isn't enough to carry your thoughts from what you're trying to do, there are plenty of phone calls and people in the office with stupid problems to interrupt or drive you crazy.

After three hours of trying to write the first paragraph, I gave up and found the perfect solution. Sitting out on the picnic table in back of the office was the only place I could enjoy the weather and since no one knew where I was, they couldn't bug me.

It was great. I said hi to the little birds who flew by to see what I was doing. I looked over the garden and got some ideas for this year's ethnic garden. I can't wait to get out the shovel and start digging and planting all kinds of flowers. This year the garden team has some real surprises in store. It will be even better than last year.

I discovered it wasn't too early for bees to come around and haunt me. I think they know I'm allergic to them and purposely try to scare me (unfortunately they do a darn good job of it too.) "Get off my shoulder you nosey thing, its none of your business what I'm doing."

Then there were the people driving by or going in and out of the office who looked at me like I was crazy. Anyone who knows me, knows I'm crazy.

I didn't mind the wind messing up my hair, but blowing my copy down the street was another matter. I managed not to get hit by a car and the neighbors just smiled when they saw me run by.

It didn't take long for someone on the staff to discover where I was. Suddenly there was a photographer armed with a camera. I guess I should know by now, you can't do anything around here without everyone finding out.

# Pardon rou typos!%?!

Due to a changeover in typesetting systems at COMMA, The Community Crier's graphics and printing division, there were a few delays and typographical snafus which affected the newspaper and its job printing clients this past week.

"Most proof ads and regular ads were completed on schedule and the typographical problems with the newspaper were minimal," said Comma Production Manager Nancy Hayes. "Our COMMA customers experienced some slight inconvenience, but deadlines were met."

Most of the COMMA staff -- Gwen Chomin, Kathy Pasek, Karen Sanchez, Cynthia Trevino and Hayes -- put in extra hours to finish things before deadline and were aided in that task by a little extra help from Ruth Sample, Elaine Brown, Rob Hayes, Chris Boyd and others. In addition, Crier editorial and advertising staffers logged extra time helping out.

"Every time we undergo typesetting system changeovers in order to update and expand our equipment capabilities, we seem to find gremlins that keep things from going smoothly," said Crier Publisher W. Edward Wendover.

"That's when the true mettle of our staffers shows through. We hope all our readers, advertisers and job work clients can bear with us until the new system is completely geared up."

EXAMINING maps, brochures and mementos of the CLOSE UP trip to the nation's capital are, from left, Gene Kafila of the Plymouth-Canton Civitans, students Tom

Daratony, Elise Pederson and Tom Neal, and teacher Bill Gretzinger. (Crier photo by Robert Cameron)

## Students get CLOSE UP

Several Plymouth Salem and Canton High School students recently participated in a U.S. government seminar sponsored by the CLOSE UP Foundation in Washington, D.C.

These students attended workshops and seminars in which they discussed current events with executive officials, media personnel, their own representative and with a program instructor. The opportunity for students and teachers to put aside textbooks and pencils and travel to our nation's capital

to experience government first hand, was made possible by contributions from the Plymouth-Canton Civitan Club and by money raised by the students, especially a snack bar for the night school students at Canton High School.

In this venture they raised close to \$700. From this experience, the students will have a better understanding of how their government works and organizers say this will encourage the CLOSE UP students to become better citizens and take an active

interest in community affairs.

In addition to instructors Bill Gretzinger and Bob Thams, the students who participated in this experience were: Jim Armstrong, Lisa Bassett, Julie Bodner, Tom Daratony, Jon Finch, Jackie Camp, Tom Neal, Mike Obradavich, Elise Pedersen, Jim Potter and Mike Radoye.

In the opinion of Bassett, "this experience is one that cannot be duplicated in the classroom". It is anticipated that this opportunity will be offered again next school year.

## WSDP auction will begin tomorrow

It's WSDP radio auction time this week end - the annual fun and games time which raises money to support the C.E.P. student-operated community radio station, WSDP 88.1 FM.

Auction participants will have hundreds of donated items and services to bid on with some high powered guest auctioneers goading them on.

The list of guest auctioneers includes Dick Purton of CKLW, Tom Dean of WCZY, Kitty Underwood of WEMU, Denny Campbell of Omnicom Channel 13, George Baier of WRIF and Paul Sincock.

There are such dream items to bid for as week end packages at the Plymouth Hilton and Mayflower Hotel, a chance to write The Crier Publisher Ed Wendover's personal column, five free weddings by Plymouth Mayor Bud Martin, a date with Plymouth's famous Has Beens dance troupe and two hours in the Plymouth city jail.

There are hundreds of items and services donated by businesses and individuals which will be auctioned off Wednesday and Thursday between 9 am. and 9 pm.

Money raised from the auction will help finance the Plymouth-Canton Community's only radio station. Financing the student-run station is an ever-increasing problem as Plymouth-Canton School District trustees eye cutbacks in funding various school programs.

## Hearns to make camp at Hilton

Cont. from pg. 1

officials Monday and Haggerty said Hearns' staff was preparing for "extremely tight security" at the hotel. Berry said he could "foresee no major problems."

"We're certainly proud to host such a prestigious two-week event," said Plymouth Hilton General Manager Ken Windsor. "This will bring the national spotlight on our community and helps promote our 'hometown' favorite in his quest for the title."

The Hilton general manager said that while there was less time to prepare for the Hearns training camp than for the Massachusetts delegation to the GOP convention, the training camp arrangements - from security to publicity - were handled almost completely by the boxer's staff.

Hearns, 23, has a record of 34 bouts won to his one welter weight loss to Sugar Ray Leonard in September. Since then, Hearns moved up to middle weight and fought Marcos Geraldo on Feb. 27, winning with a TKO in the first round.

Hagler has won 54 of 58 fights, 45 of them with knock-outs.

In his bout May 24, Hearns will attempt to win the middle weight crown from Hagler, who won the World Boxing Association and the World Boxing Council titles in 1980. Just last week Hagler had his name legally changed to add "Marvelous" as his first name.

The Hearns-Hagler fight will be held at the Windsor Arena in Windsor, Ont.

### Stamp bourse a success

A FULL HOUSE marked the annual West Suburban Stamp Club Exhibition and bourse at Central Middle School on Saturday and Sunday. The event, hosted by the Plymouth club, included postal stations from several countries, as well as exhibits from dealers throughout the U.S. (Crier photo by Chris Boyd)

## Plymouth DAR members attend state awards day

Mrs. Bruce Richard, Mrs. Robert Willoughby and Mrs. Harry Deyo represented the Sarah Ann Cochrane Chapter, Daughters of the American Revolution, at the organization's Spring Awards Day on March 31 and April 1.

Held at the Kellogg Center for Continuing Education on the campus of Michigan State University, the event featured award of DAR Good Citizen Contest winners, a tree planting

ceremony, organizational awards, workshops and meetings.

On April 1 at a luncheon, Mrs. Richard presented a historical program entitled, "Highlights From the American Revolution - Stories Our Postage Stamps Tell."

Presiding over the Spring Awards Day was Mrs. Maxwell E. Hunt, State Regent of the Michigan Society DAR.

### Hitting the road

**WEEKLY BICYCLE RUN** of the cycling group of the Plymouth Newcomers Club started its season Friday with 11 cyclists showing up at the Kellogg Park starting point. On hand for the first outing were Barb Richardson, Eileen Graham, Mary Dytinski, Dori Mefford, Mary Waldron, Leona Bar-

genda, Helen Balon, Linda Staly, Judy DeFino and Chris Hales. The group makes a cycling run every Friday through May and June and then again in the early fall. (Crier photo by Dick Brown)

### For For a day in school

## Community leaders get invitation

Plymouth-Canton community leaders are being invited back to school by the Plymouth-Canton Education Assoc. The program, called "I've Been Back to School", is designed to acquaint community leaders with the real world of today's classroom.

Community leaders from various walks of life will be invited to participate in a day-long program that will feature a host teachers working side-by-side with the citizen in classroom activities.

"I've Been Back to School" is scheduled for May 27 as part of the Plymouth-Canton Education Association's ongoing community relations program.

Teachers who will act as hosts are to arrange to be with the leader throughout the school day. Special "lesson plans" will be given to the community leader who will be helping teachers with classroom activities as well as other functions that take place during a typical school day.

PCEA is in the process of contacting industrialists, law enforcement officials, business people, city officials, media management, bankers, religious leaders, and others.

"We believe this project will provide greater citizen involvement in understanding educational needs," says PCEA President Mickey Edell. "It should also provide the Plymouth-Canton public with community leadership views on the schools -- based on actual participation in classroom activities.

Coordinator for the "I've Been Back to School" program is Lori Manoogian, Isbister Elementary. Manoogian stresses, "We have received the endorsement and cooperation of Supt. Mike Hoben and will be working closely with building principals as the program gets underway. It is our objective to have at least one community leader in each of Plymouth-Canton's 20 buildings."

## American Cancer Society to start fund drive

April is Cancer Control Month and once again Plymouth Township residents will be visiting their neighbors with life-saving information about cancer while asking for contributions to assist in the control of the disease.

The American Cancer Society's annual fund-raising and educational drive will be held April 24 through May 3.

Mrs. Dorothy Wright and Mrs. John

Pertain, Community Chairpersons for Plymouth-Plymouth Township district are spearheading the drive and will coordinate the efforts of 316 volunteers. The goal in the city and township is to raise \$2,800. Last year volunteers raised \$2,307.

Each American Cancer Society volunteer will distribute a new leaflet which tells some of the advances in diagnosis and treatment for cancer, while emphasizing the Seven Warning Signals.

Over-all in the Metropolitan Detroit area, 30,000 American Cancer Society volunteers hope to raise \$400,000 from the door-to-door campaign. These monies, along with the dollars raised through the efforts of other Society fund-raising projects, will fund a variety of research projects, provide service to patients and educational programs for schools, businesses and organizations.

### Consultant to speak

Jeffrey Bruce, an award winning beauty consultant, will speak to the Plymouth Newcomers Wednesday, April 28 at the Plymouth Hilton.

Bruce is a three time Coty Award winner and his clients have included Catherine Deneauve, Ann Margret, Raquel Welch and others.

## Wayne County 4-H seeks host families for Japanese youths

Dyle G. Henning, Wayne County 4-H youth agent, is looking for 35 4-H host families for a home living experience this summer for Japanese members of LABO program.

The Japanese boys and girls between 12 and 18 will be guests in Wayne County between July 20 and Aug. 20. Host families are being sought in rural or semi-rural areas rather than cities.

For further information contact Henning at 721-6576.

# 'A Plymouth Symphony' earns praise

BY REEF MORSE

They came by the hundreds to hear the Plymouth Symphony Orchestra play the premier performances of Robert W. Jones' "A Plymouth Symphony".

Perhaps it was a bit of narcissism. Did they see/hear themselves in a smooth legato phrase or a staccato passage, in a cymbal crash or a drum roll? they came to hear music and learn about themselves. They were not disappointed.

The program opened with Beethoven's "Mass in C Major", a composition of considerable power, beauty, and complexity. It is scored for orchestra, chorus, and four vocal soloists. Under the direction of Marilyn Jones, the performance displayed considerable intensity especially in the first and second movements.

The fourth movement, which was much slower, seemed less polished in the beginning, but soon regained the precision and power characteristic of the rest of the piece.

The vocalists gave very good performances. Linda Mohler, soprano, carried much of the melody. She has a clear, strong voice which was delightful to hear. Claritha Buggs, alto, was also good. Her duets with Mohler were particularly well-balanced.

Similarly, Richard Fracker, tenor, and Douglas Cox, bass, gave good performances. When the quartet sang together, it was exceptionally smooth and balanced. The duets and quartets were certainly high points of the piece.

The Schoolcraft College Community Choir gave its usual excellent performance. This is a versatile, stable, and well-directed group. It is a measure of their abilities that they can handle

Beethoven and Jones in a single concert. They are always a pleasure to hear.

Robert Jones wrote "A Plymouth Symphony" as a tribute to Oliver Wagner, "a good person, a lover of music, and a mentor of the Arts—as it said in the program dedication. Jones was hit rather hard by the death of Wagner, who had been Jones' friend and colleague for many years. Jones was getting ready to write a major work and so wrote the symphony for his friend, "A combination symphony and human portrait" says Jones.

The form of the symphony which is essentially classical, was dictated by the emotions and memories Jones had of Wagner and by Jones' own musical priorities. Since Jones knew the Plymouth Symphony Orchestra well, he then wrote the orchestra, giving solo colorations to individual performers. In this way, says Jones, "The symphony became theirs. It singled (the soloists) out in the orchestra as the orchestra is singled out in the community." Jones wrote the symphony in four months, finishing early this year.

The first movement is written in the form of a French Overture, stately and noble at beginning and end and fugal in the middle. It starts with a crash of cymbals and much percussion. The theme is carried first by brass and winds, then by the strings, then returns

to the brass and winds.

The second movement, the Sicilienne, was languid and flowing. The chorus was used for the first time here and sang without words. This provided a tonal backdrop which emphasized the melodic lines played by the orchestra.

The third movement, a jazz waltz, made liberal use of trap drums and other percussion, then settled down into a theme repeated by various soloists. The musical contrasts were also tonal with low parts played by bass and tuba against high parts played by strings and winds. The movement ended on a series of short, powerful two-note phrases.

The fourth movement, the "farewell" to Wagner, used the text of Requiem sung by the choir. It was very stately and dignified music, into which the oboe, harp, flute and violin had brief solo excursions. The full orchestra developed the theme further with a flowing but powerfully intensity. The choir returned with the Requiem and maintained the contrasting elements of languor and intensity to the end.

The actual performance was excellent. The orchestra and choir obviously took a personal interest in the music and this was transmitted to the audience. It was clear that Jones had provided a work of considerable emotional impact and intimacy; a study of contrasts which marked the life of Wagner and the community of Plymouth.

When the performance was finished, there was a brief moment of silence, and then the audience broke into the loudest and most sustained applause ever given at a Plymouth Symphony concert. Jones was called up on stage and was clearly overwhelmed with the warm and emotional reception of his work.

When asked about the performance later, Jones replied, "It was miraculously wonderful. A lot of different people worked as individuals."

He was obviously thrilled. But he was not alone. The participants and observers reacted in the same way. It was a fitting way to end the season, with a magnificent tribute to Oliver Wagner.

## Youth Symphony seeks World's Fair trip funds

The Livonia Youth Symphony Orchestra, including two youths from Canton, Thurston Matthews, cello, and Judy Wroblewski, clarinet; and two from Plymouth, Jesse Harden, French Horn, and Sandra Lawrence, French horn, will participate in an eight-hour marathon sight reading session at Somerset Mall May 1 as part of the fundraising effort for the symphony's trip to the World's Fair in June.

Donald Lewsader, music director, will conduct the 100 young musicians guests, and volunteers from the Detroit Symphony Orchestra in prepared compositions and sightreading. The total number of players at any given point in

the marathon, between 10 a.m. and 6 p.m., could number as many as 150.

Adult amateur musicians will be invited to play alongside the talented youngsters in music from the great symphonic literature for a donation of \$5 per hour or \$25 for the whole day.

Orchestra members will be taking pledges from their friends and relatives for donations on each hour of their performance. The total goal for the project is \$9,000.

The Livonia Youth Symphony Orchestra has been invited to represent the State of Michigan by performing two concerts at the World's Fair in Knoxville, Tenn., June 19-22.

### For county's talented and gifted students

# Salem to host conference

BY RACHEL FOSTER

A conference for Wayne County gifted and talented students, grades five through eight will be held at Salem High School on Saturday, May 1 from 8:30 a.m. to 2:30 p.m.

The conference, the Interaction of Minds and Energies (TIME) will feature a keynote speaker and two learning sessions for the students.

The speaker will be Sharon Newman, ventriloquist, puppeteer, and TV personality. The first learning session allows the students to share their project in a six minute presentation to other students and the mentor in their field.

Students will meet with an expert in any category of their choice during the second session.

Each of the 250 students involved have been encouraged to submit an original project in any of the specified categories. This will help to demonstrate creativity, originality, divergent thinking, and critical problem solving. Categories which the students may work within are: creative writing, design, engineering, architecture, futuristics, mathematics, performing arts, science, invention, social sciences, visual arts, and miscellaneous.

The conference is designed to give the

students an opportunity to interact with both their peers and an expert mentor. They will also have a chance to share original projects in their own field of expertise, and to broaden their horizons in new areas.

Through TIME, students can begin to understand how a plane flies, the problems a princess faces, and what it is like to build a computer at home. TIME will help to expand the minds of students by exhibiting over 200 examples of artistic or intellectual inventiveness.

Although the conference is open only to registered students, the final hour of the program will be set aside for parents and interested guests to view the projects on display.

TIME is the first conference of its kind for the Wayne county Intermediate School District. It is being held in connection with Gifted Child Education Week which is April 25 through May 1.

## Plymouth Symphony League to present Gershwin concert

Plymouth Symphony League will present 26th annual pops concert, 'Gershwin's Rhapsody 'n Rythm', May 8. The popular pops concert will be held at Pioneer Middle school at 8:30 p.m.

Ticket prices are \$6 for adults, \$3 for senior citizens and students and may be purchased at the Health Shoppe at 930 Ann Arbor Trail.

Featured pianist will be Ruth Burczyk, well known for her appearances with Detroit Symphony and other acclaimed orchestras. She has appeared on radio and television and is a faculty member of the National Music camp at Interlochen.

Soprano Connie Heidt and baritone Dick Schaw are featured vocalists. Plymouth Symphony conductor

Johan van der Mewre will lead the symphony in 'Rhapsody in Blue', and variations of 'I've Got Rhythm.'

Geranium centerpieces will be available for sale after the concert just in time for Mother's Day.

General Chairman for the concert is Shirley Wold. Committee Chairmen are Ann Arendsen, publicity, programs, and posters; decorations; Meg Bonbeck; refreshments, Jan Garish and Janet Brass; tickets, Ruth Judd and Charlotte MacDonald; set-up and clean-up, Mary Bozell and Isabell Gerlock. Blue posters advertising the concert around town showing a caricature of Gershwin were printed by the Plymouth-Salem Graphic arts department headed by Mr. Gallmeier.

### Catherine Morrison gets college post

Catherine Morrison, a Michigan State University sophomore from Plymouth, has been elected vice president of the MSU Residence Halls Association.

Morrison said her goals as vice president include increasing the attractiveness of residence hall living and implementing an alcohol policy acceptable to students and university administrators.

Daughter of Mr. and Mrs. Stuart Morrison, 13151 Drury Lane, Morrison is a sophomore pre-veterinary medicine major and a 1980 graduate of Ladywood High School.

## Salem women thinclads capture Tiger Relays

BY DAVID CALLAHAN

In the first year that women have participated in the event, Salem High's women's track squad captured the Tiger Relays, held at Belleville High School Saturday. The women thinclads scored 83 points, outstanding Cherry Hill High, which had 69, and Belleville, with 35.

"This is the first year that girls have competed," said Salem coach Scott Kurz, "so we were really happy."

Salem teams placed first in five of the relays, starting off with the discus relay, with Karen Tanski, Cheri Muneio, and Sue Remer.

Muneio and Remer, along with Debbie Bahna, were also in on the shotput relay squad that placed sixth.

Dawn Johnson, Kelly Beemus, and Cindy McSurley won the long jump relay with a total distance of 44 feet, eight inches.

In the shuttle hurdle relay, the four-some of Beemus, McSurley, Connie Marciniak, and Carol Lindsay took

first with a clocking of 1:14.6.

The distance relay of Linda Lybarger, Lori Grisson, Shelly Simons, and Lindsay also placed first, with a time of 14:07.

Salem's final winners were the mile relay team of Johnson, Lindsay, Lybarger, and Ann Glomski.

Second places for the Rocks included the two mile relay, the 440-yard relay, the 880-yard relay, and the four mile relay.

In addition, Johnson was named outstanding female athlete of the meet by the coaches.

Earlier in the week, Salem got a four-first place finish out of Johnson to beat Edsel Foed, 69-54. In addition to Johnson, who captured two individual and two relay firsts, the Rocks were led by McSurley, who won the 11-yard and 220-yard hurdles.

Tuesday, the Rocks competed in a dual meet against Trenton High, winning, 64-59. Salem is now 3-0 overall in dual meet action and 2-0 in the Suburban Eight League.

## Chiefs beat Western, 3-2

Strong pitching made up for Canton High's men's baseball team leaving nine runners on base Monday.

The Chiefs picked up their first Western Six League victory, beating Walled Lake Western, 3-2.

"We didn't hit the ball well in the clutch," said Canton coach Fred Crissey, "but we produced runs when we needed them."

Dan Smith picked up his third victory of the season, throwing 10 strikeouts by the Warriors and giving up only six hits in pitching the entire game.

The game was scoreless until the third inning, when the Canton bats heated up. With two outs, Smith lined a double to left field, and was followed by Steve Johnson, who picked up an RBI with a double of his own. Fred Rumberger

was the next batter, and he also doubled, pulling the ball just inside the third base line, and scoring Johnson.

Bryan Capnerhurst averted disaster for the Chiefs in the third inning when he pulled down a long fly ball at the warning track with men on first and second to end the inning.

Canton picked up its next run in the fourth, as Don Dombey lined out to the centerfielder, scoring Rumberger, who was on third.

Walled Lake got on the board in the sixth inning, when the Warriors

hit Smith for a single and got an error from the Canton infield to put men on first and second. Smith balked, sending the runners to second and third. Then, *Cont. on pg. 43*

## Central field seeded

Since the re-seeding of the Central Middle School football field, the Plymouth-Canton Junior Football League would like to ask the community's help in giving the new field a chance to grow before the field is used.

The league, which sponsors two teams in the Plymouth-Canton area, the Lions and the Steelers, re-seeded the field on Sunday, April 25th.

## Parks golf tourney

Canton Parks and Recreation Department has scheduled "Thank Goodness it's Spring" golf tournament for Saturday, May 22, at Fellows Creek Golf Course.

The tourney is open to all area golfers and will be an 18-holer with awards given out to the three low gross and three low net finishers. The Callaway scoring system will be used.

Entry fee will be \$10, including green fees and awards.

# Rock coach discovers error, Salem 1st at Belleville

BY DAVID CALLAHAN

Salem High's men's track squad left the Tiger Relays, held Saturday at Belleville High School, thinking that they had finished third, behind Belleville and Ypsilanti Lincoln High.

But Salem coach Gary Balconi, going over the results Sunday, discovered that his team had been shorted by eight points. Balconi called meet officials, who confirmed his suspicion, and awarded the Rocks a tie for Belleville first with Belleville. Both squads had 60 points.

"I thought that we did really well," said Balconi. "I checked my scores several times, and then called the meet officials."

Salem scored two first, second, third, and fourth places, with one fifth and two sixths.

"We really had a team effort," said Balconi, who added that his team scored in 11 of the 12 relays.

The Rocks also won their first two dual meets of the season, beating Edsel Ford at home Thursday, and travelling to Redford Thurston last Tuesday to open their season with a win. The Rocks, now 2-0 in dual meets, travel to the area relays this Saturday. The relays are scheduled to begin at 10 a.m.

"We're defending champions at the meet," said Balconi, "so we hope to do well."

## Canton men tracksters tie with Walled Lake

BY DAVID CALLAHAN

Close, but not quite.

Canton High's men's track team rebounded from a 33-12 deficit Tuesday to save a tie against Walled Lake Western, 66-66, in the squad's first Western Six League dual meet.

Saturday, the Chiefs were among many teams to compete at the Tiger Relays, at Belleville High School. Canton did not place as a team, but did place several relays in the top six.

Canton coach Mike Spitz said of the Western meet, "We've never beat them, so I was really pleased."

Walled Lake jumped out to the lead after the field events, in which Canton took only one first place. Frank Asis won the long jump with a leap of 19 feet, three inches.

Rich Tarr and Rich Place took second and third for Canton in the pole vault. Tarr had a vault of 10 feet for second, while Place leapt 9 feet, six inches, good for third.

Brian Bogden was third in the discus, with a throw of 93 feet, 11 inches, and Anton Ivesaj was third in the shotput, with a throw of 40 feet, 10 inches.

Troy Anger and Butch Steel tied for third in the high jump, with identical leaps of five feet, 10 inches.

Steel and Jim Kim were first and second in the 120-yard high hurdles, Steele with a time of 16.92 seconds, and Kim with a time of 16.96 seconds.

Mark Ritchey and Asis finished first and third in the 100-yard dash, with times of 10.72 and 11.07 seconds,

respectively.

Ritchey, Asis, David Simms, and Light won the 880-yard relay with a clocking of 1:37.57.

Ritchey, Light, Asis, and Jon Hermes captured the 440-yard relay. Simms won the 440-yard dash, 53.4 seconds, while Brian Rodgers was third, 55.8 seconds. Brian's brother, Elijah, won the 880-yard dash, clocking 2:15.4, Ed Hintz was third, 2:15.6.

The mile relay of the Rodgers brothers, Dan Henry, and Simms, also captured a first, with a time of 3:42.9.

Ritchey and Simms were first and second in the 220-yard dash, Ritchey with a time of 24.33 seconds, and Simms with a clocking of 25.27 seconds.

Ralph DiCosty captured second in the 2-mile for the Chiefs, clocking 11:16. Third place finishers for the Chiefs included Steele, with a time of 46.36 seconds in the 330-yard low hurdles, and Dan Henry, with a clocking in the mile run.

At the Tiger Relays, the mile relay team of Simms, asis, and the Rodgers brothers placed fourth, with a time of 3:32.1. The 440-relay team of Ritchey, Asis, simms, and Tommy Harris was fifth, clocking 45.3 seconds.

In the distance relay, Canton's squad of DiCosty, Hintz, Glenn Forgi, and Tom Wygonik finished sixth, 12:12.

"Our sprint times were fast," said Spitz, "but not fast enough."

Canton runs again tomorrow, when the Chiefs take on Livonia Stevenson at Stevenson. The meet is scheduled to begin at 4 p.m.

## Singles play sparks Chief's win

BY DAVID CALLAHAN

The singles are leading the way.

At least that's the way it is for Canton High's men's tennis squad.

Monday, all four of coach Jim Hayes' singles players came through for the team, as the Chiefs picked up a 5-2 victory over Walled Lake Western.

"Our singles play have been very strong," said Hayes. "We're hoping for three of the singles players to win, and then pick up someone else."

Tom Pasley, the team's No. 1 seed, beat Don Peasley 6-3 and 6-0 for his win. At No. 2 doubles, Ron Austen won his match over Western's Chris Smith, 6-1, 5-7, and 8-6.

Ruben Rabillas, the Chief's No. 3 player, beat Karl Buttenmiller, 6-1 and 6-3.

Canton's No. 1 doubles team of Russ Roberts and Mark Sawyer lost their match, a 6-2 and 6-2 decision. Todd Garret and Tim Feldkamp, playing at No. 2 doubles, also lost their match, a 5-7, 6-2, 6-0 loss to Western's Schultz and Peasley.

Canton's No. 3 doubles team beat their Western opponents, as Joe Melican and David Schendel beat Folosom and Rigg, 7-6, 6-4.

Wednesday, Canton opened its season with a 4-3 victory over Livonia Bentley. Pasley, Austen, Rabillas, and Lademan all picked up wins for the Chiefs.

## Salem kickers tie state champs

"Singing all the way home," is what Salem High's women's soccer squad was doing after they tied Livonia Stevenson, 2-2, in a Friday match. Last year, the Stevenson girls were the state champions.

Ken Johnson, the Salem coach, was equally excited over his team's win. Playing with five defense players instead of the usual four, the Salem squad was able to contain the powerful Spartans.

"We played some really good defense," said Johnson. "If we keep up the teamwork and communication, there's no telling who we can beat."

After two games, the Rocks are now 0-0-2. Although Johnson's squad has not won a game, "We're undefeated," he said, "and that's something."

Jaque Merrifield scored first for the Rocks, as she put in a corner kick from Shelly Staszal.

Stevenson fought back, attacking in the Salem end, and tied the game in the 20th minute, sending the game

into a 1-1 tie at the end of the first half of play.

Salem took the lead back, on another Staszal corner kick, when Kathy Prochaka took the kick and put it in the Stevenson goal.

Stevenson then tied the game again in the 18th minute of play in the second half, and then fended off a last-second Salem effort to take the lead. Staszal and Joann Mischler both knocked the ball off of the Stevenson goalie, but failed to knock it in the net.

Salem returns to action today, when they take on Farmington High in a league game. Both teams play in the Gold Division of the Western Suburban Soccer Association.

"I'm hoping to get in the winning column," said Johnson, who will return Brigitte Murphy to the line-up. Murphy was injured before the season began, and should be a valuable asset when she returns to the Salem squad, according to Johnson.

The game is at Salem, and will begin at 4 p.m.

## Softball bats cold, Chiefs lose

Warm weather, cold bats.

Although spring has come, Canton High's women's softball team is still cold, dropping two of its first three games.

Monday, the Chiefs dropped their first Western Six League contest, losing to Walled Lake Western, 3-2.

"We just haven't broke loose yet," said Canton coach Max Sommerville. "We had lots of opportunities, but we didn't cash in on them."

Canton took a 1-0 lead after the first inning, but Walled Lake battled back to tie it in the third. The Warriors went ahead in the sixth, then in the seventh, Cantongot walks to Pearly Cunningham and Rhonda Stoner, then got hits from Marie Krashovetz and Janine Carpenter to tie the game at 2-2.

Canton couldn't hold on to the lead though, as pitcher Cunningham let the lead slip away in the bottom of the seventh. With the loss, Cunningham drops to 0-2.

Earlier in the week, the Chiefs split their two opening games, losing the season opener to Livonia Bentley, 7-5 on Tuesday. Thursday, Canton evened its record at 1-1 with a 15-11 win against Livonia Franklin.

Canton errors cost the squad its first

loss, as Bentley picked up a run in the third inning on two errors, then added three more in the fourth inning to take a 4-0 lead.

The Chiefs fought back, and took the lead away from the Bulldogs in the fifth inning, scoring five runs to take a 5-4 lead.

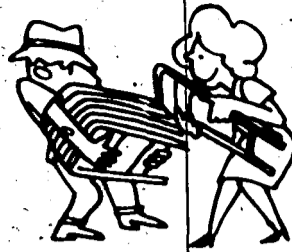

Canton's lead was short-lived, as Bentley scored three in the sixth to wrap up the game. Pearly Cunningham started for the Chiefs and picked up the loss.

In Thursday's game, senior Cindy Sovine picked up the Canton victory by allowing Franklin four runs during the four innings that she pitched.

Canton built a rapid lead of its own in the Franklin contest, scoring two in the first, and fives in the second, to build up a 7-0 lead before the Patriots scored.

Canton seemed to be breezing with a 15-16 lead going into the seventh inning, but Franklin rallied back, scoring five runs before Canton's Missy Aiken, who replaced Sovine, was finally able to get the Patriots out.

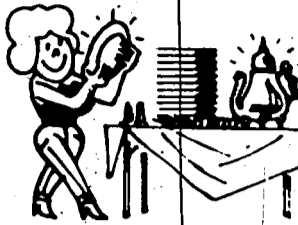

Canton plays its next game today, when the Chiefs face Walled Lake Central at home. Game time is 4 p.m.

## Chief kickers lose, 5-1

"Just one of those things," is how Canton High's women's soccer coach Tony Lonigro described the circumstances that led to the Chiefs' 5-1 loss to Livonia Churchill on Friday. The Chiefs are now 0-1, with one tie.

Churchill was ahead, 2-1, with Canton still well in the game, when a Canton defender accidentally kicked the ball into the Chief net twice, giving Stevenson a 4-1 lead.

Reggie Ruggiero scored the lone Canton goal.

"They didn't look as good as they did

against Salem, said Lonigro, "but we'll have another shot at them. Churchill is a good team, and have been playing together for a long time," he added.

Canton goes back into action today, when they face Farmington Harrison at Harrison. Game time is 3:45 p.m. Friday, Canton faces last year's state champions, Livonia Stevenson, at Stevenson.

Said Lonigro of the games, "We've got a few tough teams to compete with. If we win, it would be great, but it will be good experience even if we don't."

## Rock bats catch fire, Salem wins four

BY DAVID CALLAHAN

As the weather heats up, so heat up the bats of Salem High's men's baseball team.

As a team the Rocks are on a tear, hitting .360. As individuals, Dave Slavin and Jeff Hubert lead the parade of Salem bats. Slavin is hitting .652, with 18 RBI's and three home runs in the Rocks first seven games. Hubert is hitting .428, with 13 RBI's and seven stolen bases.

So far, the Rocks have scored 79 runs in seven games, and have yet to be defeated.

Saturday, the Rocks swept a double-header from Livonia Franklin, winning the first game 17-10, and taking the second 14-12.

Barry McNamara started for the Rocks and picked up the win in the first game. Salem exploded for 10 runs in the fourth inning, two in the fifth, and five more in the sixth to seal the fate of the Patriots. Slavin was four for five, with three RBI's, while Joe Humphries went three for four, with a home run and four RBI's. Pete Staeyert was two for four at the plate, as was Slavin.

Friday, Bill Culver threw a one-hitter

against Dearborn High, in a 3-0 Salem victory. The win was the second of the year for the Salem ace, who is posting an Earned run average of 1.40. Slavin, Hubert, and Mickey Madsen knocked in the Salem runs.

Last Tuesday, the Rocks unleashed another barrage, ripping Dearborn Edsel Ford in a 17-5 victory. Humphries picked up the win, and Slavin and Hubert each drove in four runs.

Salem gets back into action Friday, when the Rocks travel to Allen Park to play a Suburban Eight League contest. Game time is 4 p.m.

## Camp Dearborn fun

The Canton Township Parks and Recreation Department, in conjunction with the City of Dearborn, is offering an exciting and unique opportunity for youngsters eight to 15 to participate in a youth camp program at Camp Dearborn.

The 50-acre Camp Dearborn facility is on a wooded hill with its own lake and river.

Canton youths can sign up for six separate one-week sessions. The cost of one week at the camp will be \$80. For two weeks the cost will be \$150.

Sessions are scheduled June 20-June 26, June 27-July 3, July 4-July 10, July 11-July 17, July 18-July 24 and July 25-July 31.

The two-week session will run from Aug. 1-Aug. 13.

For further information call Canton Recreation Department, 397-1000, ext. 278.

## Adult rec classes

The Community Education department of the Plymouth-Canton Community Schools will be offering several volleyball, exercise, and swim classes for interested people this spring.

Registration began Monday, and will continue until Friday. Interested persons can sign up at Plymouth-Canton High School, in Room 130, from 9 a.m. until 4 p.m.

Classes include a couples volleyball class, to be held at Farrand Elementary School. The class will run from May 3rd until June 14th, and has a registration fee of \$12.

Two women's exercise classes will be held, beginning in the first week of May and lasting 12 weeks. Classes will be held at Gallimore Elementary School and at the Plymouth Cultural Center. Registration fee is \$13 to attend one class per week, or \$24 to attend two.

A volleyball class beginning May 12 is being offered at Gallimore. The cost will be \$16 for one session per week, or \$30 for two.

An eight-week exercise, swimming and volleyball class begins at Central Middle School on April 28. Registration is \$14 per couple.

Two classes will also be offered for couples.

Starting May 7, a couples volleyball class is being held at Central. Registration fee is \$14 per couple.

A couples exercise and volleyball class is starting May 3 at Farrand. Registration fee is \$12 per couple.

Mary Nalepka will be the instructor for all of the classes.

## Canton wins Monday

Cont. from pg. 38  
 a triple off the fence sent both runners home.  
 Smith got Western out in the bottom of the seventh, striking out the final batter.  
 Saturday, Canton swept a doubleheader from Royal Oak Dondero, 12-2 and 11-0.  
 Canton unleashed a barrage of home

runs against Dondero. Dombey led the way with two round trippers. In addition, Smith, Rumberger, and Marty McCarthy each hit one.  
 Jamie Chilcoff picked up the win in the first game, throwing six strikeouts in four innings. Smith won the second game, with help from Bill Hanis, who was two for three with two RBI's.  
 Canton is now 6-2 overall, and 1-0 in the Western Six.

## Parks and Rec women's golf

The Canton Township Parks and Recreation Department is again offering a women's Golf League which will play Friday mornings at Fellows Creek Golf Course starting in the middle of May. Starting time through May will be 9 a.m. and then the rest of the season at 8 a.m.  
 Only Canton residents are eligible

unless the golfer played last year as a non-resident.  
 There will be a \$10 registration fee and green fees of \$5 per round.  
 To sign up for the league call in person or mail to Canton Parks and Recreation Department, 1150 S. Canton Center Road, Canton.  
 Checks should be made payable to Canton Township.

## Guest conductor picked for all-star concert

Anthony Iannaccone, a music composition and theory instructor from Eastern Michigan University, will write and conduct an original composition for an All-Star Middle School Band concert this spring.

The band will be under the combined leadership of Cheryl Waldenmyer from

Central, Linda Mapes Calzone of East and Carl Battishill of Lowell.

Funded by a grant from the Michigan Council for the Arts, the concert will feature a band selected by "blind" tryouts among Plymouth-Canton middle school musicians who are recommended by their directors.

## European travel tour plans are underway

Robert Wesolowski, an instructor at Livonia Churchill High School, is making final arrangements for an adventure-seeking travel experience abroad.

And he says it's not too late to sign up.

The trip is organized by the American Institute for Foreign Study in Greenwich, Conn. Group members will spend three weeks in Cambridge, England; then visit London, Paris, Switzerland and Rome for five weeks. A professional guide-lecturer

will lead sightseeing tours through each city and provide on-site lectures covering history, art and the social fabric of each locale.

The program will also include stopovers and free time for exploring, shopping and relaxing.

Members of youth, civic, church and social groups are welcome to join. Write to R. Wesolowski, 24323 Buchanan Ct., Apt. 1963, Farmington Hills 48018.

## Toastmasters group gets cable TV spots

"Keeping a Positive Thought" was the theme used by more than 30 members of Toastmasters International in a series of 60-second television spots to be aired over Video Services Cable Channel 13.

Members of Toastmasters District no. 28, which includes both Plymouth Toastmaster clubs as well as others from southeastern Michigan and Ohio, taped the positive thought for the day spots.

Video Services general manager Dennis Campbell says the messages will be aired through channel 13 in The Plymouth-Canton Community and also further distributed to other cable networks.

"The idea is to pump some positive vibes into this area," Campbell says, adding that he believes people are tired of large network "glamor personalities" and are ready for messages of good thought from people with whom they can relate.

## 3 receive injuries when Canton firetruck collides with pickup

Two Canton firefighters and a Canton resident were taken to Oakwood Canton Center Thursday evening with minor injuries received in an accident involving a Canton mini-pumper and a pickup truck.

The mini-pumper was on a run to a grass fire near Plymouth Christian Academy on Joy Road.

According to the report Robert Allenbaugh of Canton pulled his pickup truck to the side of the road to allow two Canton fire rigs to pass and then pulled out into Joy again, colliding with the mini-pumper.

Fire Lt. Billy Grady and Firefighter Tom Battistone, along with Allenbaugh were injured in the crash.

Allenbaugh was ticketed for failure to yield to an emergency vehicle.

# OUR PATIENT'S SPEAK OUT!

## HEALTHIER & HAPPIER

I heard about Dr. Mashike through a friend that suggested my health problems could be helped with chiropractic care. When I started my chiropractic care, I had several health problems, **severe back pain, frequent colds, and sinus trouble.**

All of these problems interfered with my daily activities. This was really noticed once I started feeling better. After about three weeks of regular chiropractic adjustments, I was feeling much better. I now feel much more energetic and I also feel healthier and happier. I miss that good feeling if I can't keep an appointment.

My husband is also a patient now, so chiropractic is now a family affair. I've told many people how positive I am that chiropractors are great and I'm glad I found better health through Dr. Mashike.

Eileen Stadalsky

## WE'RE ALL BETTER

A friend of mine had gotten good results and suggested we see Dr. Mashike. I came in first because of **upper back pain radiating into migraine headaches.** Dr. Mashike explained what the problem was and started to correct my spine at the pinched nerves. He said pressure in my upper neck was causing the headaches. Well, in just a short time, I was better.

Seeing the value of this for health, I brought my youngest daughter, Stacy in, who has **allergies** so bad she had to have shots each week. The shots made her **listless.** But, if she missed her shot, she experienced much discomfort.

I noticed significant improvement after only a short period of time. The amazing part is that after 6 weeks, Stacy's condition cleared up and she **no longer has to have any shots.**

With these results, I started the other children. Bryan had frequent **runny noses and congestion** and Robyn had a history of **kidney infections.**

The results are amazing. All of use are better, in the 9 months we have been coming to Dr. Mashike we have not been sick.

## THE TRUTH ABOUT CHIROPRACTIC

I came into the office after seeing Dr. Mashike's sign as I came to work each day. I stopped because of **severe pain and swelling in my right knee,** which at times caused problems with my daily routines.

When I came in I thought the doctor was an M.D. and I asked if he could drain the water on my knee. The doctor (chiropractor) went on to tell me that **chiropractic adjustments of the spine would help my knee.** It was after my first adjustment that I began feeling an improvement with my knee.

I would **definitely recommend chiropractic to others.** It is important that everyone hear the truth about chiropractic and what is being done to **restore health** through the adjustments of the spine. The only thing I knew about chiropractic before was what I heard from street talk and they've never been to a chiropractor before.

## PHARMACEUTICAL SALES REP. SPEAKS OUT

I heard about chiropractic through word of mouth. When I first came to the Mashike Chiropractic Life Center, I was suffering from **lower back pain, neck tension, and headaches.** Being that I am a pharmaceutical sales rep., my job requires me to spend a lot of time sitting in a car and do a great deal of lifting. I had a great deal of **discomfort** performing these duties. I was also limited in my exercise routine, I **couldn't even touch my toes.**

After only a couple of weeks of regular adjustments I was feeling better. I could touch my toes once again. It was easier to exercise and generally I felt better all over. I recommend chiropractic to others, it would be beneficial to them if their health problems could be corrected without the use of drugs.

Chiropractic care has been very beneficial to me personally as I have no tolerance for medication to begin with. When looking for treatment for my back, that was a major consideration. I have found a great relief in the **tension in my neck and lower back** from regular visits to Dr. Mashike's office. This was without any medication what-so-ever. I anticipate even **more relief with continued visits** as well as a better overall health profile in the future.

## NO OPERATIONS FOR ME...

Before going to a chiropractor my health was very poor. From taking so much medication, I became allergic to all of it. I had been in the hospital to have my appendix removed. After the operation, I almost bled to death. The doctors said I was a "bleeder". The same thing happened when I had some teeth removed.

I had a real problem. I was allergic to medication and I was a bleeder. A few years later the doctors said I needed my gall bladder removed. On the way to the hospital I changed my mind. I was also told of a possible blood clot or tumor in my brain. At this point I didn't know what to do.

I had heard of a neighborhood chiropractor and started with him. I was certainly glad afterwards I didn't have those last two operations. In the course of treatment my chronic ear infections never returned. That was 15 years ago.

Just recently I started having severe headaches and lung problems. I had moved away from my old chiropractor, and by chance, I heard of Dr. Mashike from a friend but had no way of getting there. As luck would have it, another lady in my apartment building was going and I started riding with her. She said that her blood pressure was going down since starting with Dr. Mashike. My problems have cleared up now. My headaches are gone, my lungs are clear and my digestion is good.

Chiropractic is the best and safest way to be healthy. I have used it for years. I have sent many people to chiropractors and they have been happy with the results.

## RELIEF AFTER FIRST ADJUSTMENT...

I found out about chiropractic through my cousin. His son suffered from allergies and chronic diarrhea since birth, and it was chiropractic care that eliminated both of these problems.

I had several health problems when I first came to Mashike Chiropractic Life Center, which includes a spastic colon, a chronic sinus problem and pain in the upper back from an injury. These problems did interfere with my daily routine, especially the upper back pain.

After only one adjustment of my spine the back pain felt better. In time chiropractic care improved my sinus problem and spastic colon. I also noticed that the adjustments gave me more energy which is an important factor as an expectant mother. Because of the results I have had I would definitely recommend chiropractic care to others.

Also, I would like to mention that I was two months pregnant at the time of my first adjustment.

Deb Tabor

NOTE: We have taken care of many expectant mothers with great success. Not only have they felt better during their pregnancy, their deliveries were uncomplicated. The reason for this is that nerves of the lower spine are involved in dilation and contraction during delivery. Therefore, if they are free of nerve pressure delivery will be much more natural.

## I FEEL FANTASTIC...

I first went to a chiropractor as a teenager when my parents took me. Recently I moved to Michigan from Ohio, and while trying to move my boat into the garage, I hurt my lower back. The pain in my low back became so severe after a few days that I couldn't bend over or stand without extreme pain.

Since I had been to a chiropractor before, I knew it was the way to correct the cause of the problem. Having just moved here from Ohio and not knowing who to see, an ad of Dr. Mashike's prompted me to come to his office. Almost immediately after my first adjustment there was a reduction in the pain and I was able to continue my daily routine. After about three weeks of chiropractic care the pain was completely gone.

Because of the results I have had with chiropractic, I recommend it to others for their health problems. In my case I feel chiropractic helped me where medical treatment couldn't have cured the problem.

Adjustments are only made after an examination and x-rays are studied to determine the cause of the problem. Chiropractic adjustments are painless, quick and very professional.

I feel fantastic!

## ENTIRE FAMILY HEALTHIER...

We were not sure at first about chiropractic. My mother was going to see Dr. Mashike with some long-standing problems. When she started getting results, we decided to go.

We all had problems of one kind or another. My main problem was low back pain. Carole's was low back pain, sinus, allergies and high blood pressure. Lyn, our oldest, had allergies. Eric had a loss of smell and asthma. Heather, as young as she is, had headaches.

Carole is familiar with medications because she is a registered nurse now working in private practice. She knows of its drawbacks and side effects. None of us like taking drugs, that is why we started with chiropractic care.

Our entire family is better now, and we wanted the chance to tell others. Dr. Mashike has really done wonders with the kids. (Note: Children usually respond very fast to our care.) We definitely think you should give chiropractic a try. You will be surprised at the results.
