City cop conflict erupts

BY T.M. SMITH

Internal conflict within Plymouth's Police Department has erupted between the patrol officers and the city's management and administration.

The turmoil began after a critical eight-page report was submitted to the city manager from the police union. This was followed by a request from

the city for advice from its labor attorney and professional consultant.

The memorandum, submitted to City Manager Henry Graper and Police Chief Richard Myers April 6, lists several complaints from the unionized police officers. The report was signed by 10 of the 12 union employees (two are on probation and disallowed in union problems.)

The memorandum alleges that a "total breakdown of communication between the Plymouth Police Officers and the Management of the city" has taken place within the department.

Some of the allegations in the report include:

- Safety of police officers has been placed in jeopardy at times.
- Orders are given to police officers without clarification.
- Equipment is outdated, with new equipment going to management.
- Management has become the "enemy" to the police officers, and lacks the experience and knowledge to run the department properly.

Youths to be tried in Hulbert slaying

BY DAN NESS

Two youths held in connection with the slaying of 13-year-old Mary Anne Hulbert, of Canton, were bound over to trial on charges of open murder Monday in Washtenaw County Juvenile Court.

Judge Judith James Wood ruled that there was probable cause to try both youths on the murder charges. Wood ruled that there was not enough

evidence to try either of the Ypsilanti Township boys on charges of conspiring to murder.

The boys, both 16 years old at the time of the slaying, will now face waiver hearings starting on May 18 to determine whether their juvenile status should be waived in a trial. If Wood rules for the waiver, the juveniles would be tried as adults.

Wood ordered psychological examinations of both youths, with information from the sessions to be used in court.

Hulbert's body was found in Superior Township on Jan. 8, after being reported missing to Canton police on Dec. 30. Washtenaw County Sheriff's officers reported that Hulbert had been shot eight times. Police arrested the two Ypsilanti Township youths the night of Jan. 8.

Wood also ruled that statements taken from one of the youths on the night of Jan. 8 would not be admissible in court, because of the way his interview was handled when he was brought in for questioning. Wood ruled as admissible statements taken from the other youth.

In ruling out the statements of one youth, Wood lambasted the

Washtenaw County Sheriff's detective who handled much of the questioning.

"In my 13 years (in courts) it is the worst investigation that I have ever seen. Det. Lloyd Stamper violated about every constitutional right that can be imagined in this case.

"It is the opinion of this court that it was extremely unfortunate that Det. Stamper was involved in this case at all."

Wood said that Stamper may have altered transcripts of an interview with one of the juveniles. She concluded that Stamper had been involved in other cases with similar results, saying "I hope (this case) is going to be the last."

An attorney for one of the youths said he may appeal Wood's ruling on the admissibility of his clients statements. "I think she's incorrect," said Edward Schwartz. "She apparently did not believe either (the juvenile) or his mom about their request for an attorney" (during questioning on the night of Jan. 8.

Both youths are being held on \$500,000 bond.

Downtown expanded

BY T.M. SMITH

After a long drawn out process, Plymouth's City Commission approved the proposed expansion of the city's Downtown Development Authority boundaries at Monday's commission meeting.

The proposal to expand the DDA had been tabled for several weeks, while the commission studied the issue further with help from the DDA board.

The issue has been before the board since January, and has met with stiff objection from residents at each meeting.

Monday's meeting was no exception, with several residents voicing concern with the proposed expansion. Still, the commission voted 5-1 to allow the expansion to take place.

Commissioner Donald Keller was the lone 'nay' vote.

According to the DDA board, the additional money the expansion will bring will allow the city to complete several important downtown projects, such as the burying of the utilities around the Central Parking Deck.

No injury in flip-over

Last Wednesday a local youth was involved in an accident at Sheldon and Beech in Plymouth, when the car the youth was driving ran up a curb and flipped

over a guide wire from a telephone pole. Witnesses said the youth was unhurt and left the scene. Plymouth police are investigating the accident. (Crier photo)

Board candidates vary in election participation

BY KEN VOYLES

Three of the nine candidates seeking seats on the Plymouth-Canton Community Schools Board of Education have yet to vote in a school election.

According to records obtained through the district administration, Mary P. Dahn, Robert Earl Anderson, Jr., and Chris Robison, have not voted in a local school election despite being registered for as long as three years.

Dahn registered to vote in October, 1986, while Anderson registered in May, 1986. Both would have been able to vote in the Feb. 17, 1987 millage

renewal election, and Anderson could have voted in last June's school board election.

Robison has been registered since January, 1983. There have been seven school votes since 1983.

There have been a total of 28 school elections since 1971, including 17 in the past nine years. This year two board seats are up for grabs. The election is slated for June 8.

All of the other candidates for a board seat have voted at least once since registering in the district.

Barbara G. Graham registered to vote in October, 1979, but has only

voted in three elections. There have been 13 votes since 1979.

Brenda E. Anderson registered in January, 1986, but failed to vote in last year's board election. She did, however, vote in the Feb. 17 millage renewal election.

William Lee Brown first registered in August, 1973, and has voted in 12 elections. There have been a total of 24 school votes since 1973.

Nancy Quinn first registered in December, 1971, and has since voted in 23 elections. There have been 28 votes in the district since 1971.

Incumbent Roland J. Thomas has

been registered since February, 1978, and has voted in 15 elections. There have been 17 school votes since 1978.

Incumbent Dean Swartzwelter has been registered since August, 1977, and has voted in 16 elections. There have been 17 votes since 1978.

In a related note, the Plymouth-Canton League of Women Voters will host a Candidates Night on Tuesday, May 19 at West Middle School. The candidates for school board will be on hand to answer questions related to this year's issues in the district.

The evening starts at 7:30 p.m. in the West Middle School cafeteria.

Participation.

That's what the Canton Country Festival organizers are looking for from the community.

The Festival Board of Directors is looking for groups to participate in the parade on June 13, and in concessions on the festival grounds during the festival itself June 19-21.

"This could be any community group," said Sue Fannin, board member. "We'll accept any sort of meal" to be served during the festival. The Canton Chamber of Commerce will not be holding its BBQ dinner this year, prompting festival organizers to look for other community groups to serve a meal, Fannin said.

Community groups wanting more information about participating in meals or concessions during the festival can call Gina Metzler at 397-8547. Groups wanting more information about participating in the parade can call Jan Hoffman at 455-9424.

Group forms to protect Miller Woods

The Miller Woods Committee, a local volunteer group of Plymouth-Canton Community residents has formed a "Friends of Miller Woods" non-profit organization to ensure the protection of Miller Woods.

Miller Woods is one of the few remaining beech-maple climax forests in the area. The woods, located on Powell Road near Ridge Road in Plymouth Township, has been called a "botanical jewel" because of its rich variety of plants and wildflowers.

Spurred by the rapid growth surrounding Miller Wood, and the continued need for maintenance, the committee believes "Friends of Miller Woods" is essential to the preservation of the fragile forest.

To get involved call the Plymouth-Canton Community Schools Board office at 451-6423.

Man killed on M-14

Michael Clauser, 42, of Rock Hill, SC was killed Thursday when his car struck an abutment in the median of M-14 underneath Beck Road in Plymouth Township in the late afternoon. Witnesses say Clauser was traveling more than 90 miles per hour shortly before the one-car accident. He was pronounced dead at the scene by the Wayne County Medical Examiner, according to State Police. (Crier photo by Dan Ness)

Police officers disgruntled

Continued from page 1

The memorandum was submitted to Graper by the members of the Plymouth Police Officers Association following a meeting between Graper, Myers, officer Bob Henry and local union officials.

That meeting took place after a memo Henry wrote to Myers and Commander Mike Gardner, in which he refused to work overtime for a scheduled "cruise" in March.

"I met with them because of that memo, and the reprimand I received for the memo," Henry said.

Henry and union officials all said that at that meeting attempts were made to settle problems internally that surfaced within the police force.

Graper, however, requested all complaints in writing -- which is the memorandum submitted.

Graper said that after reading the memorandum, the decision was made by him to call in Rod Bartell, of Bartell and Barfell Ltd. a professional consulting group, which did a study on Plymouth's police department several years ago.

The written memorandum and during interviews with Henry, and officers Jerry Vorva, Ed Ochal and Joe Kahanec were all very critical of Myers' management style.

Henry said internal problems have existed in the department for several years, "but the department has always been functional."

During and after last summer's Main Street problems with cruising and youths, however, the "total breakdown" began.

"We were embarrassed publicly by Myers. He has a bad habit of opening his mouth and putting his foot in it. Last summer he came out and said we were going to play 'hard ball,' and then we (the patrol officers) had to pay for it in the streets," Henry said.

Vorva said that "as police officers our hands are tied by the policy of this administration. Policy is wishy-washy and the Main Street problem will get worse this year."

Vorva also said that the police officers attempted several times during the winter months to meet with management and talk "tactics" with the chief about the Main Street problems -- always unsuccessfully.

One of the biggest problems the officers complained about, was the change to all one-man police units.

"We are put in danger everytime we go out on the road. If something was to happen during a 'cruise' a one-man car would never get any backup -- there would be no way to get help to him," Vorva said.

"We were embarrassed publicly by Myers. He had a bad habit of opening his mouth and putting his foot in it. Last summer he came out and said we were going to play 'hard ball,' and then we (the patrol officers) had to pay for it in the streets," Henry said.

Prisoner escapes from Scott

A prisoner escaped Saturday from the Scott Regional Correctional Facility on Five Mile Road in Northville Township, prison officials confirmed Monday afternoon.

The prisoner, classified as a 'minimum security' prisoner walked away from the yard Saturday afternoon around 1:45 p.m., prison spokesperson Rita Johnson said.

Johnson said the prisoner, Moses McEwan of Detroit was convicted last October of armed robbery and was sentenced to the newly opened Scott Prison.

Johnson said it appeared that the

escape was done alone.

"We don't believe he was helped by anyone, but we still can't tell if he got a ride once he was out."

She said the Michigan State Police are conducting an investigation and searching for the prisoner.

Johnson also said that Scott has its full amount of prisoners in the 'minimum' and 'medium' security cells, but has not opened the 'close' security cells.

She said this is the first escape from Scott, which began accepting prisoners in January of this year.

'Welcome' to Home Tour

"Welcome" is the theme chosen by Symphony League Home Tour chairpersons Judy Morgan and Laurene Vigi for this year's tour, to take place Friday, May 29 from 10 - 5 p.m., and Saturday, May 30 from noon - 5 p.m.

Tickets for the Home Tour are \$10 and may be purchased after May 1 in Plymouth at Beitner Jewelry and me and mr. Jones; and in Canton at Book Break on Ford Road.

Homes included on this year's tour belong to: Linda and Donald Potter; Carol and Martin Eisenstein; Sandie and Tom Bida; Jo Ellen and Bill

Odom; Creon D. Smith's apartment in the Mayflower Hotel; Margaret and Wendell Smith; and Joyce and Tom Bohlander.

Local florists will be providing plants and arrangements to complement the decor of each home. Tickets for the tour will also include 15 per cent discounts on meals at six local restaurants.

The Home Tour is a major fund raiser for the Plymouth Symphony League, which is the major contributor to the Plymouth Symphony. The Home Tour is held every other year.

Reading program honored

A district-wide reading program for middle school students in the Plymouth-Canton Community Schools was recently honored by the Wayne County Reading Council.

The Article 3 program received a "real nice pat on the back," said Nancy Weycker, a reading intervention specialist in the district.

"We were honored as one of the five most commendable and exemplary reading programs in Wayne County," said Weycker.

The first year program ran last summer at Gallimore Elementary School and was directed toward helping fifth through eighth grade students improve their reading abilities.

The Plymouth-Canton Civitans awarded three CEP students cash prizes in The Civitan Citizenship Essay Contest. Clockwise, starting at left, are Minal Hajratwala, first place; Mark Madrilejo, second place; and Janet Turner, third place. The essay theme was "Censorship in Education: Its Impact on Student and Society."

Myers: Many problems are of a personal nature

Continued from page 4

Both in the text of the report and during interviews, it was obvious morale was low and officers were unhappy.

Some of the phrases within the report that point to this include:

•We are positioned like children trying to get permission from one parent and using leverage on the other.

•(They) seemingly are interested only in the political or financial ramifications of their acts or decisions.

•Why can't our superiors give us assistance in fulfilling an order? Are they just happy platitudes or are they meant to stifle and inhibit us?

In response to the memo, both Graper and Myers said they are reviewing the report and will make changes where appropriate.

"Anything that I can take care of immediately, I will. If other things are feasible, I'll take them to the City Commission," Graper said.

He did maintain, however, that these measures did not include changes in his management team.

"I am not going to fire the chief, and I'm not going to fire the commander -- those are things I will not change."

Graper also said that the contract with the police officers offers a

grievance procedure that should be followed.

"They have that procedure set up in their contract, and they should use that. If they want they also have the right to arbitration -- that is what the contract is all about," Graper said.

Myers also agreed that many of the problems seemed to be of a personal nature.

"I view my job differently from my personality. I do my job how I feel it should be done. I don't know what I can do about personality problems, if there are personality issues then that is regrettable," Myers said.

All sides have maintained that police

protection within the city has not suffered from the turmoil.

"I think all of our officers are professionals," Myers said. "They come to work and do their job each and every day."

Henry agreed that the officers still maintain a high degree of professionalism, but some of the "extras" do not get done any more.

"The people of Plymouth are getting the basic protection, but they are not getting a lot of the frills any more from the officers. We used to do a lot of things other departments would not do -- but not anymore. And that is a shame," Henry said.

Padget moved adoption of the following resolution: Whereas, the Planning Commission has recommended the Board of Trustees approve a proposed amendment to the Cherry Hill Planned Unit Development Agreement to provide for conversion of 6.7 acres of land from commercial use to multiple-family use and to additionally provide for 10 acres of open space on property presently designated for single-family dwelling development; and

Whereas, the Board of Trustees believes the concept recommended by the Commission to be prudent and in the best interests of the health, safety and welfare of the immediate vicinity and community as a whole; and,

Whereas, the Board does wish to pursue a final agreement to embody the concept and to further provide for certain density restrictions and other regulations regarding development of the land previously referenced herein; and,

Whereas, the Board wishes to assure the community that the development of these properties shall occur in general compliance with the current regulations of the Township;

Now therefore be it resolved by the Board of Trustees of the Charter Township of Canton that the Board does hereby agree in concept to enter into an agreement with J.A. Bloch and Company to provide for conversion of 6.7 acres of land in the Cherry Hill Planned Unit Development from commercial use to multiple family residential use and conversion of 10 acres of land from single-family residential use to open-space; such agreement to be developed by legal staff and returned for approval; and

Be it further resolved, the agreement shall provide for development of the multiple-family land in accordance with the minimum land area specifications provided for in the Canton Zoning Ordinance in effect as of the fourteenth day of April, 1987. Ten additional multiple family dwelling units, over and above the dwellings provided for based upon the minimum land area requirements, shall be provided on the multiple family site as full compensation to the developer for loss of the development potential of the ten acre open-space area. If the project is built for apartment development then J.A. Bloch and Company will agree to build a clubhouse recreational facility on the 10 acre open space to be maintained in perpetuity by and for the use and enjoyment of the multiple properties which are or may be part of the Planned Unit Development.

RESOLUTION AUTHORIZING ISSUANCE OF CHARTER TOWNSHIP OF CANTON BUILDING AUTHORITY BUILDING AUTHORITY (LIBRARY) BONDS, SERIES 1987

Minutes of a Regular meeting of the Commission of the Charter Township of Canton Building Authority held on the 28th day of March, 1987, at 10:00 a.m., Eastern Standard Time.

PRESENT: Commissioners R. Suggs, K. Long.
ABSENT: Commissioners J. Kearney.

The following preamble and resolution were offered by Commissioner Suggs and supported by Commissioner Long.

WHEREAS, the Charter Township of Canton Building Authority has been duly incorporated by the Charter Township of Canton, a municipal corporation of the State of Michigan, pursuant to the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating and maintaining a building or buildings, automobile parking lots or structures, recreational facilities and the necessary site or sites therefor, together with appurtenant properties and facilities necessary or convenient for the effective use thereof, for use for any legitimate public purpose of the Charter Township of Canton; and

WHEREAS, the Authority, pursuant to said Act 31, as amended, and its Articles of Incorporation, purposes to acquire and improve certain facilities for the use of the Township, as described in plans prepared or to be prepared by Osler/Milling, architects of Ann Arbor, Michigan, all as set out in a certain Limited Tax Full Faith and Credit General Obligation Contract of Lease (the "Contract") between the Township and the Authority, wherein the Township has pledged its limited tax full faith and credit for the payment of amounts due thereunder to retire bonds; and

WHEREAS, the total cost of completing said project is estimated to be the sum of Three Million Eight Hundred Thousand Dollars (\$3,800,000), which will include the costs of acquiring and constructing the improvements and appurtenances as well as related architects' fees, legal and financing costs and contingencies; and

WHEREAS, the Authority proposes, in accordance with the authorization contained in said Act 31, as amended, to provide at this time for the issuance of bonds of the Authority in the aggregate principal sum of Three Million Eight Hundred Thousand Dollars (\$3,800,000) in anticipation of the commitments of the Township under said Contract to finance the cost of said project, with the balance of the cost of said project (to the extent the net proceeds derived from the sale of such bonds are insufficient to pay the same) to be paid from certain moneys to be made available by the Township to the Authority as provided in said Contract; and

WHEREAS, the Authority and the Township have approved, executed and authorized delivery of said Contract, a copy of which has been delivered to and is on file with the Secretary of the Authority and the Township Clerk endorsed with reference to this Resolution and the date of its adoption; and

WHEREAS, a Notice of Intention of Entering into said Contract has been or will shortly be published in accordance with said Act 31 and said Contract will be effective upon the expiration of forty-five (45) days following said publication unless a proper petition for an election on the question of said Contract becoming effective in whole or in part is filed with the Township Clerk within said period of time; and

WHEREAS, all things necessary to the authorization and issuance of said bonds under the provisions of the Constitution and laws of the State of Michigan, and particularly the aforesaid Act 31, as amended, have been done and the Authority is now empowered and desires to authorize the issuance of such bonds;

NOW, THEREFORE, BE IT RESOLVED BY THE CHARTER TOWNSHIP OF CANTON BUILDING AUTHORITY AS FOLLOWS:

Section 1. Definitions. Wherever used in this resolution or in the bonds to be issued hereunder, except where otherwise indicated by the context:

- (a) The term "Act" shall mean Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended.
- (b) The term "Authority" shall mean the Charter Township of Canton Building Authority organized pursuant to the provisions of the Act, or its successor.
- (c) The term "Commission" shall mean the Commission of the Authority, the legislative and governing body of the Authority.
- (d) The term "Contract" shall mean the Limited Tax Full Faith and Credit General Obligation Contract of Lease heretofore made, executed and delivered by the Authority and the Township, as referred to in the preamble hereto, and all amendments thereto hereafter made.
- (e) The term "Township" shall mean the Charter Township of Canton, Michigan, or its successor.

(f) The term "Cash Rental" or "Cash Rentals" shall mean the limited tax full faith and credit general obligation Cash Rentals as provided for and defined in Section 3 of the Contract to be paid annually to the Authority by the Township for retirement of the Bonds.

(g) The term "Project" shall be construed to mean the parking structure and site, together with related appurtenances, as described in the Contract, all to be acquired pursuant to the provisions of this Resolution and Contract.

(h) The term "Bonds" shall mean the Building Authority Bonds in the principal amount of Three Million Eight Hundred Thousand Dollars (\$3,800,000) authorized to be issued by this Resolution and any additional bonds authorized to be issued to complete or repair the Project, as authorized by the Contract.

Section 2. Declaration of Necessity. It is hereby determined to be necessary and advisable for the Authority to acquire the Project for the use of the Township, as provided and specified in the Contract.

Section 3. Estimate Cost; Period of Usefulness. The total estimated cost of the Project, including the payment of the incidental expenses specified in Section 4 hereof, which estimated cost is Three Million Eight Hundred Thousand Dollars (\$3,800,000), is hereby approved and confirmed, and the estimated period of usefulness of the Project is determined to be not less than twenty-five (25) years.

Section 4. Authorization of Bonds. For the purpose of paying the cost of acquiring the Project, including the payment of architects' fees, legal and financing fees, and other expenses incidental to the financing, there shall be borrowed, in anticipation of the payment of Cash Rentals by the Township under the Contract the sum of Three Million Eight Hundred Thousand Dollars (\$3,800,000), and that, in evidence thereof, there be issued, in anticipation of such limited tax full faith and credit general obligation Cash Rentals, negotiable Bonds of the Authority in like principal amount.

Section 5. Bond Terms. The Bonds shall be designated BUILDING AUTHORITY (LIBRARY) BONDS, SERIES 1987, shall be payable out of the Cash Rentals, and shall be fully-registered bonds of the denomination of Five Thousand Dollars (\$5,000) each or multiples thereof up to the amount of a single maturity, dated as of June 1, 1987, numbered consecutively in order of transfer upwards, and payable serially on January 1 of each year, as follows:

Year	Amount
1988	\$50,000
1989	100,000
1990	150,000
1991	150,000
1992	200,000

1993	250,000
1994	250,000
1995	300,000
1996	300,000
1997	300,000
1998	350,000
1999	350,000
2000	350,000
2001	350,000
2002	350,000

The Bonds shall bear interest at a rate or rates to be determined on public sale thereof, but in any event not exceeding the maximum rate permitted by law, payable on April 1, 1988, and semiannually thereafter by check or bank draft mailed to the registered owner at the registered address, both as shown on the registration books of the Issuer maintained by the transfer agent. Interest shall be payable to the registered owner of record as of 15 days prior to the payment date for each interest payment. The date of determination of registered owner for purposes of payment of interest as provided in this paragraph may be changed by the Issuer to conform to market practice in the future. Both principal of and interest on said Bonds shall be payable at a bank or trust company to be designated by the Issuer as registrar and transfer agent for this issue.

The Bonds shall be subject or redemption as set forth in the form of the Bond. The Authority may instruct the transfer agent to give notice of redemption in accordance with market practice at the time of such redemption.

The Bonds shall be signed with the facsimile signature of the Chairman of the Authority and countersigned by the facsimile signature of the Secretary of the Authority. The Bonds shall have the corporate seal of the Authority impressed or imprinted thereon. No Bond of this series shall be valid until authenticated by an authorized officer of the transfer agent. After execution, the Bonds shall be delivered to the purchaser thereof by the Treasurer or any deputy upon payment of the purchase price therefor.

Executed blank bonds for registration of transfer shall simultaneously, and from time to time thereafter as necessary, be delivered to the transfer agent for safekeeping. Notwithstanding the foregoing, the first Bond may be delivered to the purchaser as a single fully-registered bond in the full amount of the issue and, if at least one of the signatures of the Authority office is manual, the first Bond need not be authenticated by the transfer agent.

Any Bond may be transferred upon the books required to be kept pursuant to this section by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of the Bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the transfer agent. Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the transfer agent shall authenticate and deliver a new Bond or Bonds, for like aggregate principal amount. The transfer agent shall require the payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer.

The transfer agent shall keep or cause to be kept, at its principal office, sufficient books for the registration and transfer of the bonds, which shall at all times be open to inspection by the Authority; and, upon presentation for such purpose, the transfer agent shall, under such reasonable regulations as it may prescribe, transfer or cause to be transferred, on said books, Bonds as hereinbefore provided.

If any Bond shall become mutilated, the Authority, at the expense of the holder of the Bond, shall execute, and the transfer agent shall authenticate and deliver, a new Bond of like tenor in exchange and substitution for the mutilated Bond, upon surrender to the transfer agent of the mutilated Bond. If any Bond issued under this resolution shall be lost, destroyed or stolen, evidence of the loss, destruction or theft may be submitted to the transfer agent and, if this evidence is satisfactory to both and indemnity satisfactory to the transfer agent shall be given, the Authority, at the expense of the owner, shall execute, and the transfer agent shall thereupon authenticate and deliver, a new Bond of like tenor and bearing the statement required by Act 354, Public Acts of Michigan, 1972, as amended, being section 129.131 to 129.135, inclusive, of the Michigan Compiled Laws, or any applicable law hereafter enacted in lieu of and in substitution for the Bond so lost, destroyed or stolen. If any such Bond shall have matured or shall be about to mature, instead of issuing a substitute Bond the transfer agent may pay the same without surrender thereof.

Section 6. Security for Bonds; Lien. The Bonds shall be issued in anticipation of and payable from the Cash Rentals received by the Authority from the Township pursuant to the Contract, which Cash Rentals are limited tax general obligations of the Township, for the payment of which the Township, in the Contract, has pledged its limited tax full faith and credit pursuant to the provisions of the Act. The Township has further covenanted and agreed that each year it will provide sufficient moneys from its general funds as a first budget obligation to pay such Cash Rentals, and further has acknowledged that it is obligated, if necessary, to levy ad valorem taxes upon all taxable property within its boundaries in amounts which, taking into consideration estimated delinquencies in tax collections, will be sufficient to pay the Cash Rentals under the Contract becoming due before the time of the following year's tax collections. Such taxes, however, must be levied by the Township within existing statutory and constitutional limitations. If at the time of making any annual tax levy there shall be funds on hand earmarked and set aside for the payment of said Cash Rentals becoming due prior to the next tax collection period, then such annual tax levy may be reduced by such amount. To secure the payment of the principal of and interest on the Bonds, all such Cash Rentals are hereby pledged solely and only for the payment of the Bonds and a statutory first lien is hereby established upon and against such Cash Rentals for such purpose.

Section 7. Remedies. The holder or holders of said Bonds, representing in the aggregate not less than twenty percent (20%) of the entire issue then outstanding, may, by suit, action or other proceedings, protect and enforce the aforesaid statutory lien and enforce and compel the performance of all duties of the officials of the Authority, including, but not limited to, compelling the Township, by proceedings in a court of competent jurisdiction or other appropriate forum, to make the Cash Rental payments required to be made by the Contract and requiring the Township to appropriate general funds and to levy and collect appropriate taxes as herein authorized and as may be required by the Contract to be so appropriated, certified, levied and collected by the Township for the payment of Cash Rentals required to be paid by the Contract.

Section 8. Operation of Project. Pursuant to the terms of the Contract, the operation, maintenance and management of the Project and all costs and expenses with respect thereto shall be the obligation of the Township.

Section 9. Operating Year. The Project shall be operated on the basis of a fiscal year corresponding with that of the Township.

Section 10. Cash Rentals. The Cash Rental as provided in Section 3 of the Contract is hereby established and fixed as the Cash Rental authorized by the Act to be charged to the Township for the use of the Project. Said Cash Rental shall be entirely net to the Authority and is estimated to be sufficient to provide for the payment of the interest upon and the principal of all the Bonds as and

when the same become due and payable. Such Cash Rental may be increased by the Authority, as provided in the Contract.

Section 11. Bonds and Interest Redemption Fund. There shall be established and maintained with such bank or trust company where the principal of and interest on the Bonds are primarily payable a separate depository account designated BUILDING AUTHORITY BONDS (Library) BOND AND INTEREST REDEMPTION FUND (hereinafter sometimes called the "Bond and Interest Redemption Fund"). The Cash Rentals paid to the Authority shall be deposited as received into said Bond and Interest Redemption Fund, together with any premium or accrued interest received upon delivery of the Bonds, any advance payments of Cash Rentals made by the Township under the Contract, any unexpended balance of Bond proceeds credited to debt service, AND ANY OTHER MONEYS ATTRIBUTABLE TO Bond payment. All sums held in said Bond and Interest Redemption Fund shall be used solely and only for the payment of the principal of and interest on the Bonds herein authorized.

The Commission may establish such other funds and accounts and provide for deposits thereto as it shall from time to time deem appropriate and necessary.

Section 12. Proceeds of Bond Sale. The proceeds of sale of the Bonds shall be deposited in an account with a bank or trust company to be named by the Commission designated LIBRARY CONSTRUCTION FUND, except that from the proceeds of sale of the Bonds, upon receipt thereof, a sum equal to the accrued interest and any premium on the Bonds shall be deposited into the Bond and Interest Redemption Fund. Said moneys in said Construction Fund shall be used solely and only to pay costs of the Project and any engineering, architectural, legal, financing or other expenses incidental thereto on authorization of the Commission of the Authority, in accordance with the provisions of the Contract. Any unexpended balance of the proceeds of the sale of Bonds remaining after completion of the Project may be used for the improvements or enlargement of the Project or for other projects of the Authority leased to the Township, if such use be approved by the Municipal Finance Commission or any successor thereto, if any, and the Township. Any remaining balance shall be paid into the Bond and Interest Redemption Fund, and the Township shall receive a credit for the amount of such balance against the Cash Rental next due.

Section 13. Investment of Funds. Moneys in any funds and accounts of the Authority may be invested by the Authority in United States government obligations, the principal of and interest on which are guaranteed by the United States government, or in interest-bearing time deposits, as shall from time to time be determined by the Commission. In the event such investments are made, the securities representing the same shall be kept on deposit with the depository or depositories of the fund or funds from which such investments are made and such securities and the income therefrom shall become a part of such funds.

Section 14. Covenants of Authority. The Authority covenants and agrees with the successive holders of the Bonds that so long as any of the Bonds remain outstanding and unpaid as to either principal or interest as follows:

(a) The Authority will punctually perform all of its obligations and duties under this Resolution and Contract, and will collect, segregate and apply the Cash Rentals and all other rentals, payments and other funds to be received thereunder in the manner required under this Resolution and Contract.

(b) The Authority will maintain and keep proper books of record and account relating to the operation of the Project and all rentals and payments received therefrom pursuant to the Contract. Not later than three (3) months after the close of each operating year, the Commission will cause to be prepared a statement, in reasonable detail, sworn to by its chief account officer, showing the cash receipts and disbursements during such operating year, the assets and liabilities of the Project at the beginning and close of the operating year, and such other information as may be necessary to enable any taxpayer of the Township or any holder or owner of the Bonds, or anyone acting in their behalf, to be fully informed as to all matters pertaining to the financial operation of the Project during such year. A certified copy of said statement shall be filed with the Township Clerk and a copy shall also be sent to the manager or managers of the account purchasing the Bonds. The Commission shall also cause an annual audit of such books of record and account for the preceding operating year to be made by a recognized independent certified public accountant and shall mail such audit to the manager of the syndicate or account purchasing the Bonds. At the option of the Authority, the aforesaid audit may be submitted in place of the aforesaid statement required above.

(c) The Authority will not sell or otherwise dispose of any substantial portion of the Project in a manner which might impair the security for the Bonds until all of the Bonds have been paid in full both as to principal and interest or until such full payment has been duly provided for, and will not do or suffer to be done any act which would affect the Project in such a way as to impair or affect unfavorably the security of the Bonds.

(d) The Authority (i) shall not invest, reinvest or (d) The Authority (i) shall not invest, reinvest or accumulate any moneys deemed to be proceeds of the Bonds pursuant to the Internal Revenue Code of 1986 (the "Code"), and the applicable regulations thereunder in such a manner as to cause the Bonds to be "arbitrage bonds" within the meaning of said Code and the applicable regulations thereunder, or (ii) fail to take any lawful action which would not cause the Bonds to be exempt from Federal income taxes.

Section 15. Additional Bonds. Nothing contained in this Resolution shall be construed or prevent the Authority from issuing additional bonds pursuant to the Act, in anticipation of either limited tax full faith and credit general obligation contract payments or revenue contract payments, to finance the construction of additions or improvements to the project or any new buildings or projects within the scope of its corporate powers, but said bonds shall be payable out of, and have a first lien on, the rentals or payments contracted for in connection with such new projects, and shall in no way have any lien on or be payable out of any of the Cash Rentals pledged to the payment of the Bonds of this authorized issue or any additional bonds issued to complete, repair or alter the Project in accordance with the authorization provided in the Contract. The Authority shall have power to issue additional bonds to complete, repair or alter the Project as authorized in the Contract.

Section 16. Contract with Bondholders. The provision of this Resolution, together with the Contract herein referred to, shall constitute a contract between the Authority and the holder or holders of the Bonds from time to time, and after the issuance of any of such Bonds, no change, variation or alteration of the provisions of this Resolution or the Contract may be made which would lessen the security for the Bonds. The provisions of this Resolution and the Contract shall be enforceable by appropriate proceedings taken by such holder or holders, either at law or in equity.

Section 17. Bond Form. Said Bonds shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
CHARTER TOWNSHIP OF CANTON BUILDING AUTHORITY
BUILDING AUTHORITY (LIBRARY) BONDS

Interest Rate	Date of Maturity	Date of Original Issue
CUSIP		
Registered Owner:		
Principal Amount:		
Dollars		

KNOW ALL MEN BY THESE PRESENTS that the CHARTER TOWNSHIP OF CANTON BUILDING AUTHORITY, a public corporation of the State of Michigan, (the "Issuer") for value received, hereby promises to pay to the Registered Owner specified above, or registered assigns, the Principal Amount specified above in lawful money of the United States of America on the Date of maturity specified above, with interest thereon from the Date of Original Issue or such later date as to which interest has been paid, until paid at the Interest Rate specified above, first payable on April 1, 1988, and semiannually thereafter. Principal of the bonds is payable at the principal office of _____ or such other transfer agent as the Issuer may hereafter designate by notice mailed to the registered owner not less than 60 days prior to any interest payment date. Interest on this bond is payable to the registration books of the Issuer maintained by the Transfer Agent, by check or draft mailed to the registered owner at the registered address.

The bonds of this issue are issued in anticipation of and are payable from the proceeds of certain cash rentals required to be paid to the Authority by the Charter Township of Canton, Michigan (the "Township") pursuant to a certain Limited Tax Full Faith and Credit General Obligation Contract of Lease dated May 28, 1987, between said Township and said Issuer, whereby said Township has leased certain library facilities for Township use to be acquired by said Issuer in accordance with the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended. Said cash rentals are limited tax full faith and credit first budget general obligations of the Township payable from general funds of the Township including collections of ad valorem taxes which must be levied by the Township if necessary to make such payments, but subject to existing statutory and constitutional limitations. The Issuer has irrevocably pledged to the payment of the bonds and cash rental payable by the Township as set forth in said contract, the total of said cash rental payments being sufficient in amount of pay promptly when due the principal of and interest on the bonds of this issue, and a statutory first lien on such cash rentals has been created by the bond-authorizing resolution for such payment.

The bond is one of total authorized issue of bonds of even date and like tenor, except as to rate of interest, denomination and date of maturity, aggregating the principal sum of \$3,800,000, issued under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, and pursuant to a certain resolution duly adopted by the Commission of the Issuer on March 28, 1987, for the purpose of paying the cost of acquiring and constructing the aforesaid facilities.

Bonds of this issue maturing in the years 1988 to 1997, inclusive, are not subject to redemption prior to maturity.

Bonds or portions of bonds in multiples of \$5,000 of this issue maturing in the years 1998 through 2002, inclusive, shall be subject to redemption, at the option of the Issuer, in such order as the Issuer shall determine and within any maturity by lot, on any interest payment date on or after April 1, 1997, at par and accrued interest to the date fixed for redemption, plus a premium, as follows:

- 2% of the par value of each Bond called for redemption on or after April 1, 1997, but prior to April 1, 2000;
- 1% of the par value of each Bond called for redemption on or after April 1, 2000 but prior to maturity.

In case less than the full amount of an outstanding bond is called for redemption the transfer agent upon presentation of the bond called in part for redemption shall register, authenticate and deliver to the registered owner a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption shall be given to the holders of bonds to be redeemed by mailing of such notice not less than thirty (30) days prior to the date fixed for redemption to the registered owner at the address of the registered owner as shown on the registration books of the Issuer. No further interest payable on Bonds called for redemption shall accrue after the date fixed for redemption, whether presented for redemption or not, provided the Issuer has money available for such redemption.

This bond is transferable only upon the books of the issuer kept for that purpose at the office of the transfer agent by the registered owner hereof in person, or by his attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the transfer agent duly executed by the registered owner or his attorney duly authorized in writing, and thereupon a new registered bond or bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the resolutions authorizing the bonds, and upon the payment of the charges, if any, therein prescribed.

For a complete statement of the funds from which and the conditions under which this bond is payable and the general covenants and provisions pursuant to which this bond is issued, reference is made to the above-described resolution and contract.

This bond is not valid or obligatory for any purpose until the transfer agent's Certificate of Authentication on this bond has been executed by the transfer agent.

It is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this bond and the series of bonds of which this is one have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the Charter Township of Canton Building Authority, by its Commission, has caused this bond to be signed in its name by the facsimile signature of the Chairman and by the facsimile signature of the Secretary of said Commission and its corporate seal to be hereunto imprinted, all as of the first day of June A.D., 1987.

Community groups can rise to the occasion

The Canton Country Festival organizers are gearing up for the annual hoe-down in Canton, but this year they're going to need more help from the community-at-large.

Specifically, the Festival needs community organizations to participate in the concessions stands and in the parade.

It is no small accomplishment to have organized the return of the Country Festival Parade, after a one-year absence. The Country Festival committee should be commended for its work to bring it back.

The parade, which will be held on June 13 on Ford Road, could still use more participants, however. The parade is a perfect opportunity for community groups -- churches, Scout troops, neighborhood associations, craft organizations --

to-show themselves to the rest of the community.

Organizers also are looking for a group or groups to host a meal during the festival, ala the Plymouth Fall Festival. Surely there are service organizations, church groups or student groups in Canton that could offer the time, energy and enthusiasm that their members provide.

More than just another summer event, the Canton Country Festival brings the community together for a down-to-earth good time unique to Canton. But it takes the individuals and groups within the community to pull it off successfully.

Canton groups and organizations: don't let Canton's biggest festival take place without taking part. The community is looking to you to take the lead.

3rd auction a success

EDITOR:

Many thanks.

The Plymouth Community Family YMCA would like to thank everyone who helped make our 3rd Annual Auction a success.

We especially appreciate the contributions and assistance from:

1. The local merchants and businesses who donated merchandise,
2. The businesses who donated

cash,

3. The individuals who donated time and services,

4. The guests who attended and purchased the hundreds of items.

The sincerest and enthusiastic support of the Plymouth Community Family YMCA was truly inspiring.

Thank you!! All of you!!!

Water - logged

"I THOUGHT I WAS GOING TO DIE," admits Joyce Kallos of Cloverdale Dairy in Plymouth. That's a natural enough reaction to receiving an \$8,859.72 water bill for a three-month period. Said husband George, "You always wonder whether some guy in the back room left the faucet on but..." The bill -- representing a 684 per cent increase over the year before -- was apparently the result of a meter-reading error and was quickly adjusted to \$530.49 by City Hall. Chuckles Joyce: "I was wondering if I could apply the \$500 prompt-pay discount off the first bill to the corrected one." At least Joyce knows her heart is working. "I can laugh about it now."

Community opinions

Is there an attitude problem at City P.O.?

Why wasn't the Plymouth Post Office open late on April 15? Unlike a number of other suburban post offices, the Plymouth mail center -- which handles an increasing number of business mail -- was not canceling mail up until the midnight tax-filing deadline. This seemed unfortunate considering how important The Plymouth-Canton Community really is.

The Plymouth Post Office has been criticized several times in the past. But this instance may be the most indicative of the post office's attitude.

Thanks Artrain patrons

EDITOR:

The Artrain Steering Committee would like to thank everyone in the community who made the 1987 Artrain visit a success. The event would not have been possible without the 66 gallery guides, the teachers who toured the train with over 1,700 students, the merchants who displayed the student art work and window painting, the demonstrating artists, the entertainers, the City of Plymouth employees and the contributing sponsors.

We would also like to give special thanks to the news media for their wonderful coverage. Because of all of you over 4,400 people were able to experience the excitement of Artrain.

Assembling disassembled thoughts

Some disassembled thoughts on an early Monday morning.

•Is it clear by now that these columns with a myriad of different thoughts is just a lazy excuse for writers without anything better to write about.

•How about asking Maurie Breen what he plans to do if his house catches on fire? I know I'll lend him my garden hose and a bucket.

•Maybe we can get a collection going to send the Canton Township board to the Shrine Circus. Pointers and tips from professionals can always improve a good act.

•How many people are tired of hearing about Canton Township?

•Does anybody ever wonder how newspapers make it work so there is exactly enough news in every given week to fill the paper perfectly?

•How about a new catch phrase for this newspaper -- "Crying minds want to know"

•I'm getting very tired of wearing shorts on the weekends and having to scrape snow of my car on Monday morning. It makes for a very bad start to a week.

•Fire up Chips. Come on, there has

to be at least a few Central Michigan University grads out there in The Plymouth-Canton Community, who know I'm not talking about cow chips.

•Ken Vogras called the other day wanting to know if he should plant marigolds or tulips around the city's fire hydrants. I told him it depends on what color those hydrants are painted.

•I think the chamber of commerce looks real spiffy and yuppie-like over in its little office.

•And with a Chippewa running the show...

•Did you ever notice that you can never find a video rental place when you need one? Me either.

•My idea is to combine video rental outlets, tanning salons and convenience stores that sell gargantuan cups of pop all into one large store. That way we could have more room for other useless stores.

•Then again, we should also get rid of all these incredibly stupid columns that reporters write, that nobody reads and other reporters make fun of.

•But if we did that then newspapers could not make the news fit perfectly into each and every issue.

DDA info grudgingly provided by City

EDITOR:

Because The Plymouth City Commission disregarded Michigan state law on open meetings by prohibiting public questions and comments at two recent meetings (one, a DDA meeting presided over by the city manager) of the Downtown Development Authority, there is a need to inform.

Since January, a growing number of Plymouth residents have been concerned with the plans of the city manager to expand the DDA beyond its present jurisdiction to include among other areas, the Moore Farm, presently under development by Commissioner James Jabara. The significance of this effort is that if the DDA is permitted to expand its borders to include the Moore Farm, it will be able to divert and capture the taxes that result from the growth in value of this property over the next 20 years or more. Very conservative estimates forecast a gain in taxes of over \$10 million over a 20-year period.

The DDA expansion proposal is flawed in many respects and should not have been permitted to proceed beyond the informal discussion stage, but it is now within one vote of being approved by the commission.

First, the law is being misapplied. The Legislature in 1976 provided the means for cities with distressed central business districts to establish Downtown Development Authorities in order to divert taxes to obtain monies resulting from the improvement of the central business district to pay for selected infrastructure projects. The law clearly specified that it was directed toward cities with distressed business districts.

The law was also careful to confine the DDAs to central and other major business districts and specified that residential areas were not to be included in a DDA. In addition, the law required the DDAs "to inform and involve governmental units in the decisions" to divert tax monies from the general fund of the City.

All of these intentions of the State

Legislature have been violated by the proposed expansion of the DDA.

The law governing the establishment of DDAs was not renewed when its charter ran out in December 1985, and cities that do not have a DDA cannot establish one. Further, the governor has asked the State Supreme Court for a ruling on the constitutionality of the law since it diverts city revenue intended by vote on millages for schools, parks, libraries etc. to downtown development projects.

With regard to the schools, the city manager has stated that the City already pays more than its share to schools and he supports diverting potential school taxes to downtown development. The school district is now 'in formula' and may not be hurt by the tax diversion now, but the district has closed the Geer School, cancelled the Sixth Grade Camp Program, closed the School Farm and cut back on various enrichment programs in order to stay in formula. Being in formula is not the total picture. There is no guarantee that the

school district will be able to stay 'in formula'.

Since January, concerned citizens have had difficulty speaking to the city commission, but they have insisted on being heard, and more and more information has been grudgingly provided.

It is now clear that the current DDA, without expansion, will provide sufficient funds over the next 10 years to provide monies for the unsafe wiring in the present parking structure, the police foot patrols, the replacement planters and replacement lighting and the repayment of the DDA debt to the general fund. No mention has been made since January about additional parking structures. The DDA can also, under state law, tax itself two mills if it needs more funds. It is clear there is no need to expand the DDA outside the downtown area into a residential area and to divert school and residential tax monies to the DDA.

Lousma to speak at Salvation dinner

Former astronaut Jack Lousma will recount his experiences in space as well as show "home movies" taken on space missions at the annual Plymouth Salvation Army Corps' Community Appreciation Dinner Monday April 27.

The former pilot of the space shuttle Columbia and Skylab will speak following a 6:30 p.m. dinner prepared and served by the Kiwanis Club of Plymouth.

The \$12.50 per person donation will be used to help defray the costs of the

Corps' Summer Day Camp. Tickets can be reserved by calling the Corps office at 453-5464.

Lousma, 50, former colonel in the Marine Corps, was born in Grand Rapids. He attended the University of Michigan.

"Each year many people in the Plymouth-Canton-Northville area support the Salvation Army's good works and this dinner gives us a chance to thank our many Army friends,"

said Russ Hoisington, chairman of the corps' advisory board.

Doors open at 12:30 p.m. with bridal exhibits including photographers, florists, videographers, limousines, live entertainment, deejay's and more.

The fashion show will be presented

by President Tuxedo and Lina's Bridal Imports.

Nearly \$3,000 in door prizes will be given away. The grand prizes are a \$1,000 Florida Honeymoon by American Airlines and Great Lakes Travel Services and a \$350 day of pamper by Jean Clair Cosmetics/L.A. Bodyworks.

Tickets are \$3 with advance reservations or \$5 at the door.

Boat Show in Plymouth

Future Sound and Communications will be displaying the latest in Marine Audio and Electronics at the "Summer Fun" Boat Show in downtown Plymouth on April 24-26.

The show will be held on the upper level of the Central Parking Lot. Show hours are noon to 8 p.m.

From Audio Systems, to Cellular Communications, to Mobile Security Systems, Future Sound custom engineers and installs components to fit specific requirements.

Walter Jenkins of Future Sound will be at the Boat Show to demonstrate and answer questions.

The show is free.

Reilly celebrates law day

Maureen Reilly, Wayne County Circuit Court Judge, will be the speaker as the Suburban Bar Association celebrates Law Day and the Michigan Sesquicentennial on Friday, May 1.

The event, which begins at 6:30 p.m., will be held in the Plymouth

Historical Museum. Dinner will be served at 7 p.m.

It is sponsored by the Plymouth Historical Society and the Suburban Bar Association.

Tickets are \$20 per person.

Judge Reilly's talk will focus on the Sesquicentennial and the Bicentennial of the United States Constitution.

Tell it to Phyllis

By Phyllis Redfern

Could it be the beginning of summer in the middle of April? Well let's not get our hopes up too high, but there's no doubt that the Easter bunny enjoyed a perfect weekend.

Saturday was a great day to run errands, mow the lawn, wash the car or actually it was a great day to do almost anything. Isn't it amazing how you feel like doing so much more when the sun is shining?

As the temperature rose Sunday afternoon, it didn't take long for Easter bonnets and dress clothes to disappear and shorts and play clothes became the dress of the day.

Easter dinner at grandma's house was a little more casual this year with some of the kids eating outside on the picnic table. Once dinner and dishes were out of the way, the kids talked some of us into playing ball. Somehow it ended up with my brothers and I and my six year old niece against the teenagers. You had to be there to get the full enjoyment of it, but when you're laughing as hard as we were at each other, it's hard enough to run let alone try and hit the ball. It didn't take much to convince my sisters-in-law to join our team (it was obvious we needed any and all the help we could get).

Never mind who won the game, but the score was close when our team pooped out. After resting awhile, a few of us tried a game of badmitten. I never realized how much you have to move around in that game. By the end of the day I had to have run off at least half the jelly beans I ate.

Being outside playing games on Sunday made me feel like a kid again. Something drastic happened overnight — by Monday morning I was no longer a kid. My sore, stiff body had suddenly aged many years. It was amazing how one day I could race around the back yard without a problem, and the next day have trouble simply trying to roll out of bed.

If nothing else, I felt better knowing I wasn't the only person moving a little slower Monday morning. The nice weather made a lot of us realize just how bad a shape we are in. Oh no, I think that means it's time for some kind of exercise.

THE WINDY CITY

Is there a popular vacation spot anywhere that could be called "All things to all visitors"? Or at least "Most things to most visitors"? Yes, there is! A bustling, exciting, fascinating, saucy, jumping spot at the southern end of Lake Michigan called Chicago and various other nicknames.

But, wait. Isn't that "Most" statement a little broad? Not really after you've spent a week or two in Chicago. Name any kind of a sport, culture, theatrical, dining, entertainment, or educational activity. Chances are you'll find it in Chicago. Sports, for example, include baseball, hockey, basketball, football, and horse racing.

Theatrically speaking, Chicago is fast becoming a center for play production. These shows not only include the latest hits, but also revivals of classics. There are also many small groups outside of the Loop area that present new and experimental plays. All in all, Chicago can be called the theatre-goers paradise! Plan a trip to the Windy City soon for a really unforgettable vacation!

Over 30 years experience assures you of the finest travel service available. And, best of all, THERE IS NO CHARGE TO YOU FOR OUR SERVICES. We are reimbursed in commission fees by the airlines and hotels, ships and resorts that we book.

One name in central air conditioning is a household word.

In the central air conditioning business, the Whirlpool name has become a household word — a name you know, a name you can trust — for quality, dependability, and service.

Chances are, the Whirlpool name is already an important part of your household. Maybe it helps you cook, wash dishes, or do the laundry.

Millions of American families also depend on Whirlpool to keep their homes cool and comfortable — even on the hottest days of summer. And when you think about it, it makes a lot of sense to trust your family's comfort to the name you've depended on so many times before — Whirlpool.

Women's tees seeing more action

BY KEN VOYLES

Mondays are hectic for Kriss Barbour.

The 59-year-old Plymouth resident is what you might call a golf fanatic.

Barbour plays in four different women's golf leagues, two 18-hole leagues and two nine-hole leagues. And Monday is her day to take to the links for action in the two 18-hole leagues.

"Monday is practically shot," she said. "I'm usually just too tired to do much else after golfing."

But Barbour hasn't missed many Monday golf sessions since she began steady league play back in 1971. Unless, of course, you count vacation trips to play more golf.

She epitomizes the changing golf scene. More and more women are taking to the game, which has traditionally been a man's sport.

Barbour first played the game with her father Elmer Blankenburg when she was 12 and growing up in Detroit. Her mother, however, "didn't like it much."

"Those days are certainly very strong in my memory still," Barbour said. "We used to play in Detroit and Northville back then."

At Detroit Cooley High, Barbour led the school's golf team as captain for two years. She also began dating Hamilton Barbour — "we played a lot of golf when we were dating."

Continued

Kriss Barbour isn't usually able to stand still long enough on Monday for much — let alone a picture. Her two Monday golf leagues usually keep her busy. (Crier photo by Kelly Sauter)

A 'link' of friends

Continued

They were married in 1948 and it wasn't until about 1970 that Barbour had time to play her favorite sport again. She was just too busy raising three girls, none of whom play the game, surprisingly enough.

"There just wasn't time," she said. "The children were never interested in golf and my husband wasn't that crazy about it either."

Today Barbour plays most of her golf with women friends from the various leagues. But she and her husband also travel a lot and have played in Florida, Ohio, North and South Carolina and Indiana.

"We usually take the clubs with us whenever we go somewhere," Barbour said. "My husband enjoys the game a lot more when we travel. He just doesn't seem to get in to it as much at home."

But that's all right for Barbour who has made numerous female friends on the links.

"I think most of my circle of friends are golfers," she said. "We have so much in common. We like to get together and go out for dinner or to take trips. We're more than just golfing partners."

Barbour likes to think of her sport as more than just a hobby. It's also a pastime -- something that means much more than the score on a scorecard.

"Women do enjoy golf a lot more," she said. "They have more free time to play."

"I think women's involvement in golf is something that has grown out of the 1970s," Barbour added. "There weren't many golf leagues for women in the 1960s."

Barbour is also among a local group of women trying to organize a weekly round of golf outside of the formal league setting.

You can guess they won't play on Monday.

Driving ranges: golfers' land

BY DAN NESS

Shanks, pop-ups, slices and hooks, divots taking flight in numbers rivaling the recently-retired robins, the curses in the air, the little white ball not in the air . . . ah, the game of golf in the springtime.

Rusty golfers have two options in the spring. They can slug it out on the courses, with every error in judgment recorded on a scorecard for posterity, or they can go to a local driving range and smack the hell out of the ball with no documentation of ever having taken a bad swing.

Many opt for the latter, according to local golf pros. And though the muscles are stiff and the swing has had all winter to completely fall apart, the golfer looks ahead to the summer with an attitude not unlike that of Sparky Anderson's, according to Dave Wall.

"Optimism beats eternal in the heart of a golfer," Wall says. Wall gets to see more than his share of untethered optimism at Oasis Driving Range in Plymouth, where he serves as a teaching pro.

"Spring has sprung, they've (the untethered golf optimists) been cooped up all winter, they've seen golf on TV . . . everyone just goes wild," Wall explains. In a nutshell, the attitude is there, but the form is not.

Wall says that one of the most common problems of golfers in the spring is their grip on the club. Although there are a variety of ailments that plague the golfer's swing, the grip is one of the most fundamental problem spots.

"Your grip opens up your potential," Wall says. "That and your rhythm. It's important to have some idea of the pattern of your swing. Become familiar with the pattern of your swing and try to develop a sense of control over your body."

And there are other problems.

"Optimism beats eternal in the heart of a golfer"

—Dave Wall local golf pro

"Everyone slices," according to Woody Erickson, teaching pro at Arbor-Joy Driving Range just west of Plymouth. "That's probably the biggest complaint of most golfers, is their slice."

Erickson, as a golf teacher, sees the importance of warming up before hitting the course. "Golf is one of the only sports where you jump out on the first tee and start going."

Those who do warm up before golfing seem to come most often in the spring, before the golf leagues begin, the pros agree. "As soon as the weather breaks, they're here," says Tom Gurney, owner of Arbor-Joy. "You get a lot of people that own their own clubs, but you get quite a range."

Both driving ranges are open seven days a week. Arbor-Joy is open from 9 a.m. to 9 p.m. while Oasis is open from 7 a.m. to 11 p.m. Ground play is available at both, as are lessons from golf pros, which are made by appointment. In addition, golf courses in the community have their own driving ranges and golf pros:

The ranges have clubs for you to use. Bring your optimism, and leave the scorecard at home.

Places to be

It's Miller time

Take a walk with me.

The annual Miller Woods Spring Walks takes place on Saturday, April 25 from 10 a.m. to 1 p.m. and again on Sunday, May 3 from 1-4 p.m.

The woods, located on Powell Road near Ridge Road in Plymouth Township, is a beech-maple climax forest. In such a forest, beech and maple trees dominate the scene because the natural progression of plant growth was left undisturbed by farming and tree harvesting for nearly a 100 years.

During springtime, many wildflowers bloom in Miller Woods including: spring beauty, hepatica, blue cohosh, dutchman's breeches, squirrel corn, wild ginger, trillium, jack-in-the-pulpit and bloodrot.

The woods also contain a variety of trees and shrubs including: ironwood, sweet cherry, American elm, spice bush and black walnut.

The walks are sponsored by the Miller Woods Committee, a volunteer group of Plymouth-Canton Community residents involved in preserving the forest.

Committee members -- Evelyn and Bill Edgar, Herb Conant and Emily Kemnitz -- will lead tours through the woods.

Other committee members -- Beverly McAninch, Charlotte Gaffield, Doris Chatterly, Beverly Dobel, Penny Wright and Jean Kee -- will be on hand to answer question about the newly formed "Friends of Miller Woods" non-profit organization.

Parcells PSO guest

Ramon Parcells, trumpeter, will be the guest artist for the Plymouth Symphony Orchestra Pops Concert, "A Tribute to Arthur Fiedler," on Sunday, May 3 at 3 p.m. in the Salem High auditorium.

The final concert of the season will also be Leon Gregorian's last appearance as Plymouth Symphony Orchestra conductor. He has accepted the position of conductor of the Midland Symphony Orchestra for next season.

RAMON PARCELLS

Parcells is the principal trumpet for the Detroit Symphony Orchestra. He came to Detroit in 1982 from Winnipeg, Canada, where he was principal trumpet of the Winnipeg Symphony.

Parcells holds a Bachelor of Music degree from the New England Conservatory of Music in Boston, where he also free-lanced for the Boston Symphony Orchestra, and performed Haydn's "Trumpet Concerto" with the Boston Pops.

In 1981-82 he was principal trumpet with the Santa Fe Opera. He has taught at the University of Manitoba and presently the University of Michigan.

Tickets for the concert will be available at the box office the Sunday of the concert. They are also on sale in Plymouth at Beitner Jewelry and in Canton at Arnoldt Williams Music.

Concert tickets are \$6 for adults and \$3.50 for senior citizens and full time college students. Students in 12th grade and younger are admitted free.

The Pops Concert is made possible through sponsorship of the Plymouth Symphony League, Michigan Bell and the Michigan Council for the Arts.

Mendelssohn, Strauss, Debussy, Sousa and Prokofiev are among the featured composers.

The Gallery West

 The Gallery West, (formerly The Raven), presents Jeffrey Wilkinson Saturday, April 25 on its stage in Salem. Wilkinson is a gifted young songwriter and musician who views the world with a fresh, discerning eye while carrying on traditional forms of folk music. Using a palette of brilliant poetic imagery, and a voice capable of a wide range of emotion, he paints a landscape in verse and melody of the people and places he has known. Tickets are \$8. Show times are at 7 and 9 p.m. For reservations call 349-6299. The Gallery West is located five miles west of Northville, one block south of Six Mile Road on Dickerson Street in the Village of Salem.

Rocks open season with 3 victories

BY MARTY TUNGATE

Three straight.

That's how Salem's refreshingly aggressive baseball squad opened the season.

The Rocks beat up on North Farmington 12-3 on April 10. Before that they bumped off Farmington Harrison and Livonia Churchill.

The score of the North game was a little misleading because the Rocks trailed the Raiders 3-1 until the fifth inning. That's when Salem's bats started to jump all over the Raider pitching.

Junior Steve Woodard sparked a seven-run rally with two hits in the fifth inning.

"Woodard is doing a fine job for us in the pitch-hitting roll," Salem coach John Gravlin said.

Tim Doud hit two home runs in the contest for the Rocks along with two RBIs.

On Wednesday, April 8, the Rocks hung on to beat Harrison, 6-5.

"It was a tough game. The boys earned the win," Gravlin said.

Todd Marion started for the Rocks. He gave up only four hits in four innings. Shane Smith came in relief for Marion and picked up the win.

Todd Robinson and Todd Henig each tallied two hits for the Rocks. All six of the Rock's run were earned.

On Monday April 6 Salem opened their season, as they dumped Livonia Churchill 9-5.

Salem kickers crush Harrison 16-0

BY MARTY TUNGATE

Salem's girls soccer team continues to roll. The squad exploded for 16 goals to crush Farmington Harrison 16-0 last Wednesday.

"We were quite good in that game," Salem head coach Ken Johnson said. "They're not one of the better teams we will face this year."

Jill Estey, who returned from a bruised knee led all scorers as she had a double hat trick. Estey put in six goals, and added another four assists during the outing.

"Jill was awesome against Harrison. She played a fine game," Johnson said.

Sarah Hayes also had a hat trick for the Rocks, as she slipped three goals by the Harrison goalie.

Terri King put in two goals for Salem and added an assist, while Missy Smith kicked in two goals, and she also added an one assist.

Maria Wordhouse, Michelle Cygan, and Rachel Thiet all booted in a goal a piece.

The Rocks faced North Farmington, on Monday April 13, and shutout the Raiders, 2-0.

The win gave goalie Ellen Schnackel her fifth shutout this season.

"She's doing a great job for us in the net," Johnson added.

Estey, and Michelle Minton knocked in the goals for the Rocks, while Jennifer Belhart and Estey each had one assist.

The Rocks are now 5-1-1 overall, and 5-0-1 in Western Lakes Activities Association (WLAA).

Injuries are now becoming slight problem for the Rocks, but nothing that time won't heal, according to Johnson.

"We have our share of bumps and bruises," Johnson said. "But it's nothing that time won't heal."

Another tie for Canton soccer club

BY MARTY TUNGATE

Yet another tie.

Canton's girls soccer team played to its second tie of the season on Thursday. The Chiefs ended a battle with the Farmington Falcons in a 2-2 deadlock.

Julie Stabnick and Shanon Meath provided the goals for the Chiefs.

Meath's goal tied the contest with only 32 seconds left to play in the game.

Michelle Fortier and Jenny Russel added to the offensive effort for Canton. The pair picked up an assist on the two goals.

Earlier in the week, the Chiefs shutout Walled Lake Western, 6-0.

Jen Saul recorded the shutout in goal for the Chiefs.

"Jen played a fine game, as well did our defense," head coach Don Smith said.

Sabnick led all scorers with two goals, while Russel, Renee Rice, Michelle Longro, and Fortier all

chipped in a goal a piece.

Rice, Molly Menard, and Amy West notched assists in the win for the Chiefs.

"We played a hard game, the girls really worked hard for the win," Smith added.

The Chiefs are now 2-1-2 overall this season, but the "heart" of the season is coming up, according to Smith.

The Chiefs come back from break and play three games in the first week.

Salem boys tracksters win Elks Relays

BY KEN VOYLES

A well-balanced effort, by a well-balanced team like Salem's boys track squad made the difference Saturday as the Rocks won the Elks Relays.

Salem, which hosted the Dearborn Elks sponsored event, took first with 45 points, just edging out Dearborn, which was second with 43.

The relay meet was decided in the final race of the day -- the mile relay -- as Salem won it in 3:29.7. Salem and Dearborn were tied 38-38 going into the race.

"Every point was important," the coach continued. "This victory is a special tribute to the seniors. Their leadership and sacrifice were the reasons we won it."

Salem also opened its dual track season last week with a loss to Wayne Memorial followed by a strong win over Livonia Stevenson.

But more on that later.

Eleven of the 12 teams on hand for the Elks Relays scored, said Balconi. Only Trenton was unable to garner a point.

The quartet of Chris Hill, Shaun Simms, J.P. LaRoche and Brian Neuhardt combined for the one mile relay victory.

"It was a close one," said Salem's veteran coach Gary Balconi. "Everyone showed a lot of courage and sacrifice. It was an unusually hot day that made it even more difficult to double in events."

Finishing third behind Dearborn was Stevenson with 34 points, while Westland John Glenn was fourth with 27 points. Detroit Cody finished with

25 points.

All of the other teams came in with less than 18 points, including Canton with 10 points.

The Rocks won three other relay races besides the one mile event.

Garrett Bowie, Eric Paul, LaMar Crayton and Shawn Hunter teamed up to win the 440 relay in 45.6 seconds, while Hunter, Neuhardt and Crayton teamed for first in the long jump relay.

Jeff Armstrong Mike Park, Hill and Keith Smith won the high hurdle relay race to account for Salem's other relay first place.

The Rocks were also second in the two mile relay in 8:29. The foursome included LaRoche, Simms, Alan Rye and Kevin Jones.

Salem also grabbed three third places and two fifth places Saturday. The Rocks were third in the four mile relay, the discus relay and the shot put relay. The squad finished fifth in both the shot put 440 relay and the low hurdle shuttle relay.

Salem opened its dual season with 74-54 loss to Wayne Memorial but came back to defeat Stevenson 99-34 last Wednesday.

Against the Spartans, Neuhardt captured three firsts in the 100 dash, the 220 run and the 440 race. Neuhardt clocked 10.1 seconds in the 100, 23.2 seconds in the 220 and 51.5 seconds in the 440 run.

Rock girls tracksters drop 1st meet

BY MARTY TUNGATE

It was opening day for the Salem girls track team, but things didn't come together the way coach Fred Thomann would have liked.

The Rocks fell to rival Livonia Stevenson, 90-36.

"We have a young team, and they'll get better as the year rolls along," Thomann said.

The Rocks captured five first places in the meet, as they were lead by Kristen Hostynski.

"Hostynski had a good meet," Thomann added.

Hostynski earned a first place finish in the 100 meter low hurdles, in 17.43 seconds. She also captured first place in the 300 meter hurdles in 51.95 seconds.

Hostynski was also part of the mile relay team, which captured first place. Other members of the winning team included, Tracy Thomas, Jenny Smith, and Heather Harwood. They won the mile relay in 4:23.96.

Other first place winners at the meet included Lee Zelek, who captured first place in the 200 meter dash in a time of 28.29 seconds, while Barbara Krug earned the first place crown in the shot put.

"We had a good showing in this first meet," Thomann said. "I think you'll see nothing but improvements from these girls all year, as they will gain that much needed experience in every meet."

The young Rocks are 0-1 on the season, but there are many meets to come.

Chief boys drop season opener

BY MARTY TUNGATE

The Canton Chiefs boys track team kicked off its season falling to Livonia Churchill, 71-61, last Wednesday.

Despite the loss the Chiefs excelled in many of their relays, according to Canton coach Rob Neu.

"Our relay teams are going to be strong this year. I think they'll improve constantly as the year moves on," Neu said.

The Chiefs captured first place in the 400, 800, and mile relays.

"We had some good times for it being so early in the season," Neu added.

Some of the standouts in the opening meet for the Chiefs were Brian Carney, who anchored the 400 and mile relays.

"Brian had a great meet," Neu said. Carney also won the 200 meter dash in a time of 23.4 seconds.

Tyron Reeves captured first in the 100 meter relay, in a quick 11.5 seconds.

Jay Swiecki had a great meet according to Neu.

"Jay ran real well in the meet," Neu said. "We're looking for big things to come from him this season."

The Chiefs, who are now 0-1 on the year, are still looking to compete for the conference crown.

"We had an outstanding effort this first meet," Neu said, "and I feel we can battle with Westland John Glenn, Livonia Stevenson, and Salem, who is going to be real tough this year."

Canton's girls trackers start season with tie

BY MARTY TUNGATE

Canton's girls track team opened up the 1987 spring season with a tie.

The Chief tracksters tied Livonia Churchill 64-64 last week.

The meet came down to the final race -- the mile relay -- when Angie Miller, Kristi Brogar, Sherry Figurski and Tricia Carney combined for the Chief victory in a time of 4:23.3

Other first place finishes for the Chiefs included the 880 relay in 1:55

flat. The crew included Figurski, Miller, Amy Vanbuhler and Carney.

Tonya Walaskay captured first in the 100 hurdles, in 18.24 seconds, while Carney won the 440 in 1:04.8.

Janet Armstrong leaped to first place in the high jump, clearing four feet, six inches.

"I'm real happy with the team right now," head coach George Przygodski said. "The team was satisfied with the tie, but we'll get them back in the conference meet."

Track invite Saturday

The CEP (Centennial Educational Park) Girls Invitational track meet is slated for this Saturday, April 25.

The four-team event -- featuring Salem, Canton, Livonia Stevenson and Livonia Franklin -- will be held on the CEP track beginning with field events at 11 a.m. Track events will start at 12:30 p.m.

The invitational is free and open to the public.

Golfers win

BY MARTY TUNGATE

Canton's girls golf team dumped Livonia Churchill and Ypsilanti High School recently in a three-way golf outing.

The Chiefs shot a round low 272, while Churchill hit 303 and Ypsilanti hit 318.

Junior Kandel Foresterling led the Chiefs with a 62, but she was closely followed by junior Stacy Brosehay 64.

"I'm real pleased with the team thus far. The girls are playing some real good golf right now," said coach Dan Riggs.

The Chiefs, who are without senior linksters this season, are doing quite well without the leadership of seniors.

"These girls are getting a lot of experience, and the juniors are doing a good job taking on the leadership role," Riggs said.

Country Festival near

host a rodeo, Fannin said. "We're also doing a lot of new things this year," she said.

The Fest will hold a horseshoe tournament, a tug-of-war, a watermelon eating contest, a pet show, a "millionaire's party," bingo, and of course, the Cow Chip Fling.

A new event of special merit has also been added -- a "husband calling contest."

There will also be a "battle of the bands," open for any amateur rock bands in the community. For information regarding the battle, call Dave Bone at 981-2657.

For the athletes out there, there will be a five-mile run on the Saturday morning of the festival, and a golf scramble at Fellows Creek Golf

Course.

The parade, which was cancelled last year, has been revived and will proceed down Ford Road, from Canton Center Road at the Meijer Thrifty Acres parking lot, to the Rose Shores Racquet Club at Haggerty Road.

The parade committee has invited Lt. Gov. Martha Griffith to be the grand marshal, according to Hoffman. "I think we've got good participation already," she said. "It's going to be a good parade."

There will be Shriner clowns and 4-H clowns in the parade, joined by Celtic and Scottish bands and other groups. Hoffman said the parade is wide open for any community group who wants to participate. "They can just march and carry a banner if they want."

The parade starts at 11 a.m.

Civitan's throw party April 29

Its a party.

The 12th Annual Continental Club, sponsored by the Plymouth-Canton Civitan Club, is slated for Wednesday, April 29 at the Mayflower Meeting House.

The evening begins with cocktails and hors d'oeuvres at 7 p.m. followed by dinner at 8 p.m. An open bar will be maintained throughout the evening.

There are only 150 tickets available for the event at \$175 apiece. Ticketholders will be eligible for drawings after dinner.

All 150 tickets will be drawn out one at a time. The owner of the 150th ticket will receive his or her choice of the three grand prizes. Every 10th ticket will receive a prize increasing in value

from \$20 to \$1,500 as the drawing continues.

There are more than \$11,000 in prizes, including grand prizes valued at \$7,000. Tickets and prizes may both be auctioned away to the highest bidder. The Civitan's will retain 10 per cent of all auction sales.

The grand prizes include a Tahitian vacation for two, a 16-foot Sea Ray boat and 120 horsepower motor, or \$6,500 in cash.

Any profits from the Continental Club will be donated to charities by the Civitan's.

For tickets or further information contact Gene Kafila, sales chairperson, at 453-4200.

CEP orchestras earn top honors

The three orchestras in the Plymouth-Canton Community Schools have earned their highest ratings (Division I) at recent district and state orchestra festivals.

The Middle School Orchestra received four Division I ratings -- one from each judge, including sight-

reading on Saturday, March 14 at the District 12 Michigan School Band and Orchestra Association (MSBOA) Orchestra Festival.

The Centennial Educational Park Orchestra received its highest overall Division I rating in years at the high school MSBOA districts on Saturday,

March 21.

All four judges awarded the CEP orchestra the top Division I rating.

Also the 10-member CEP Chamber Orchestra earned a Division I rating at the MSBOA state solo and ensemble festival on Saturday, March 28 at Eastern Michigan University.

The Middle School Orchestra includes 18 members, while the CEP orchestra contains 40 musicians. All of the orchestras are directed by H. Michael Endres, who said he was "very proud" of his students and their "hat trick."

Curiosities

Found: Man's wedding ring, near Daley's. Call 455-2048 after 5 p.m.

MARY TOTH will be missed by her Crier friends and other a-PEAS-ers.

Russ - I love taking walks with you but not in heels, dress, pregnant and in the fields -- that's pushing it!

Bob Riffle will hit the big 40 on April 29. We're holding a "Riffle Raffle" to help pay for the wake -- expense will be minimal 'cause he's so close to Northrop's.

Great Easter Brunch Mom -- as usual Abby wanted pennies not nickels in her Easter eggs.

Poor Meka trying to find a home -- of course she'll go with Mom -- Russ isn't sure.

"I WAS LOST in Meijer Thrifty Acres for TWO hours." -- Janet Burke, 1987

Peggy -- Thanks for lunch -- good to see Sara & Chris -- They sure grow fast!

"IN KINDERGARTEN you used to be able to put your rug out next to whoever you want and take a nap. Somewhere we've lost that along the way -- except in Congress." -- Mary Massa, 1987

Russ -- 9 more days! We haven't been solo since the honeymoon two years ago! What a treat!

Pink -- But the Sun is dangerous. Blue.

Sharon Evans is a Grandma and Stan is a GrandStan.

Happy (belated) Birthday to the Buddha.

Kevin, you may be able to beat me at jarts but I dare you to do a round in fencing with me! k.

Dr. V -- Yes, you. How many cars you gonna collect? Starting your own junkyard? Tell us half the story?

To the greatest set of parents in the whole world. I love you guys! Kelly.

Pink -- O.K. no more Doritos in bed. I wouldn't want to break your will power now, would I? Blue.

Mike Wernmont Rocks WMHO

K -- Nice sculpture. K

I LOVE YOU BABY. LOADS!

LOC -- Good job with the sports (and the Somerville Incident). LOL

I'm so HAPPY HAPPY Baby Love Ua.

Pink -- Save my Reeboks if you can. Blue

Julie, still JAMS!

HEY JOAN -- put the coffee in the filter first! Otherwise it's a little weak.

Well, if you guys hadn't been swearing at me while I was making the coffee I probably would have remembered!

Night and day; day and night. Just to be with you. Zen

Thanks Mom & Dad!
Hotel Middle Lake was once again a paradise retreat.
Love you Joan & Bob

MORTGAGES YOU CAN LIVE WITH.

One of our mortgage rates is sure to make you feel right at home. With our adjustable mortgage loan, you'll pay one point! And with our conventional fixed rate mortgages, you'll get very competitive rates for ten, fifteen or thirty years. Whichever Heritage mortgage loan you choose, we'll help make your home-buying dollars go farther.

ADJUSTABLE MORTGAGE LOAN

30 YEARS **8 1/4%** **9.25% APR***

Adjustable mortgage loan is offered with ONE POINT (Minimum \$425.00). 2% cap per year, 5% cap over mortgage term. Requires 20% down payment.

FIXED RATE CONVENTIONAL MORTGAGES

Term	Rate	APR*
10 years	9%	9.48%
15 years	10%	10.36%
30 years	10 1/4%	10.50%

Requires minimum 20% down payment, 1% commitment fee (minimum \$425.00) at time of application and 1% closing fee, (minimum \$325.00). Rates and terms subject to change.

Look to Heritage for the same low rates to refinance your home. If your current rate is as little as 2% higher than our rates, it makes sense to see us soon. Come in and let us show you how much you'll save. Try a Heritage mortgage loan on for size today...it's one you can live with.

IT'S A HONDA

Powerful Reasons to buy.

There are powerful reasons to buy Honda generators - like dependable power. The Honda generator line starts with a lightweight, quiet portable 650 watt generator, and finishes strong with a 6500 watt liquid-cooled generator.

Another reason Honda generators are popular is because they're powered by reliable Honda 4-stroke engines. And they're all easy to start. Some are equipped with electric start.

If you don't want to get left in the dark, come see the line of Honda generators. You'll find some powerful reasons to buy.

Easy to use, right from the start.

Honda lawn mowers are simple to operate - and easy to use. Thanks to Automatic Decompression and a solid state ignition, they're easy to start - time after time.

Come see the Honda lawn mower line. We've got rear and side discharge models, available in push and self-propelled versions.

Runs quiet. Digs deep.

Honda tillers. Possibly the quietest, strongest tillers on earth. They're driven by powerful, dependable Honda four-stroke engines.

And they've got a low center of gravity for better maneuverability - even when you dig into deep, hard soil.

There's a whole field of Honda tillers, from the small 2.4HP garden tillers to large 7HP rear-tine units with forward and reverse gears. They're all simple to operate - and easy to start.

Won't disturb the peace.

Half the fun of fishing is the peace and quiet. It shouldn't be disturbed by a noisy outboard engine.

That's why Honda outboards are all quiet, durable Honda four-stroke engines.

They whisper while they run. And sip fuel sparingly.

Plus they're loaded to the gills with durability and reliability features, like liquid-cooling* and corrosion resistant coatings.
