Victorian Fest '94

You didn't need to have a cannon to get into the Northville Victorian Fest, but it helps. This intrepid explorer used his long-gun equipped Bentley to make the scene in downtown Northville this year. Eckles was community's grandmother

BY JOHN HORN

Maybe it was the pies. Or maybe it was the advice and charm of a woman wise into her years.

Regardless, the Plymouth community lost someone special when Helen Eckles died last Wednesday of cancer at the age of 88.

A longtime member of the Plymouth Grange, Helen was also synonymous with the Fall Festival. It was her apple pies, as many as 360 one year, that served as one of her trademarks.

Elaine Yagiela, executive director of New Morning School, located next to the Eckles farm, said she was impressed with Helen's sincerity and individuality.

"She was very tolerant of allowing a school going up next to her," she said. "She was ahead of her time, independent and self-sufficient."

Yagiela said having Eckles next to the school was good for the children and adults alike.

She said she would go over and talk to

Helen at length, picking her brain and receiving advice. The students at New Morning would bring her cookies and sometimes rake her leaves.

Yagiela said Helen was a wealth of information and a valuable asset to an educational community.

"The elderly have so many resources to share that we're not tapping into," she said. "Knowing her was like knowing my own grandmother."

Canton to review water and sewer rate hikes

BY ALEX LUNDBERG

The Canton Township board, in an effort to find ways to overcome a fund imbalance to its water and sewer department, is reviewing the possibility of instituting a water and sewer rate hike.

According to Canton Chief Financial Officer John Spencer, the rates need to be adjusted to make up for a waning fund balance.

"We evaluate rates annually," Spencer said. "Because of increases from Detroit Water and Sewer we have to increase the rates."

The plan would raise the cost of water flow by 10 cents per 1,000 gallons and 15 cents per 1,000 gallons of sewage and would become effective Oct. 1. Overall, if the measure goes into effect, the adjusted difference for residents would be a combined water and sewer cost of \$3.43 per thousand gallons of waste/water.

Spencer said that there was little the township could do to affect the rate changes. He said that Detroit invites the township to their public hearings on the matter, but they have little more than an opinion.

"In the past we and other communities have banded together to sue the City of Detroit over the rate hikes," Spencer said.

One of the other reasons to get the fund balance back on the plus side is to keep the value of water and sewer bonds up so that they can be sold.

"Boards in the past hadn't raised the rates for some time, so eventually the fund started operating on a loss that was covered by interest income and developer fees," Spencer said.

"That makes it harder to sell water bonds."

Part of the cost to the water and sewer system is the new connection for the flow of waste to the Ypsilanti Water and Sewer system.

While Ypsilanti is even more expensive than Detroit's rates, the water is cleaned more thoroughly and is dumped into the Lower Rouge.

Spencer said that the township will be looking at a multi-year plan to get the water and sewer fund balance up to the break-even point.

The board will look at the rate hike again at their next regular meeting.

Standard Federal held up in broad daylight

BY ALEX LUNDBERG

Canton police are still looking for two men in connection with the daylight robbery of Standard Federal Bank in Canton on Sept. 14.

There was an undisclosed amount of money taken from the bank.

According to Canton Police reports, at 2:07 p.m., a beige Mercury Sable pulled up the Standard Federal bank on Ford Rd.

A man wearing a gas mask, baseball hat, surgical gloves and carrying a pistol got out of the car and went into the bank.

The report said that as the first man announced that he was robbing the bank, a second — wearing a t-shirt, gloves, gas mask and carrying a long-barreled rifle — seized the manager of the bank and forced two of the tellers to empty their cash drawers into a plastic garbage bag.

Canton police believe that the Sable headed south on Elmhurst, then to Saltz and from there to Bedford Square

Apartments where the car was found in the manager's parking space.

"We believe that they probably switched cars at that point," said Canton Officer Tammie Colling.

"We are asking if anyone in the complex saw the car or the suspects possibly getting out of one car and into another and for them to call us."

According to the police, a "respirator-type apparatus" was found on Elmhurst St. It is believed to be part of one of the suspect's disguises.

According to the Canton Police, it is their policy not to disclose the amount of money taken in a robbery situation.

The report also said that a beige Mercury Sable was reported carjacked at 1:30 p.m. on the same day in Westland.

According to police reports, the first suspect is described as a black male 6' 4" tall, the second as a black male between 5'6" and 5'8" tall.

Nighttime deer shootings at farm DNR approved

BY ALEX LUNDBERG

Neighbors of the Bunyea farm may have heard a few things that went bump in the night last week. More appropriately, things that went bang in the night.

On the Bunyea farm in Canton Township, residents of the area have heard gunfire in the night.

The Bunyea's have stated their case to the Michigan Department of Natural Resources (DNR) and have been permitted to shoot the deer on their land.

According to DNR District Wildlife Biologist for the Jackson District Ralph Anderson, the shootings were DNR permitted and sanctioned. "The Bunyea's got in contact with us about their deer problem," Anderson said.

"We went out to the farm and saw the problem area and saw that there was a lot

of damage. We agreed with them and issued a deer crop damage permit."

The permit, which runs through Sept. 25, allows deer hunting on the farm.

Anderson advised, for safety's sake, that the Bunyea's get police officers to do the actual shooting of the deer.

"So far they've killed one," Anderson said. "It was given to the St. Louis Boys School."

According to homeowner Pay Bunyea, the loss of crops was significant.

"We lost one-third of the crops around the edges of the land and some crops in the middle," Bunyea said. "The DNR agreed that the problem was significant."

Bunyea said that she approached Canton Township for help but their solution to the problem, sending experienced bowhunters, would not satisfy the DNR.

Bunyea said that the DNR wanted the deer shot and removed from the site immediately.

"They even went so far as to tell us to shine the deer to get them to stand still," Bunyea said.

As a result, Bunyea talked to Plymouth township and secured members of the force that were trained marksmen and could do the job with the minimum of pain to the animals. According to Plymouth Township Police Chief Carl Berry, the officers did the shooting on their own time and not under the direction of his offices.

After Sept. 25, the permit will no longer be needed as the beginning of the hunting season is Oct. 1 (bowhunting), Nov. 15-30 (rifle), Dec. 1 (bowhunting) and then a 10-day muzzleloading season.

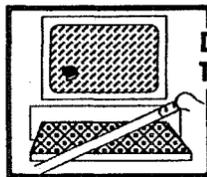

Anderson said that some of the development in Canton was causing the movement of the deer herds.

"Right now, there is home building going on in what used to be cropland for the longest time," Anderson said. "When that happens you get an urban deer problem."

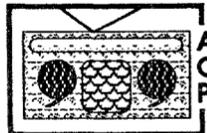

He said that along with shrinking farmlands, deer see the remaining farmland in the area as prime eating grounds.

Unfortunately there are only two things that keep the numbers of deer down, guns and cars. Anderson said that he doubted that there would be many animals shot.

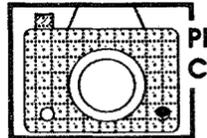

"After they shoot one or two of the deer the others will catch on," Anderson said. "We're hoping that it will force them away."

Community 'grandmother' Helen Eckles dies at 88

Continued from pg. 1

When she wasn't busy mowing her own lawn, Helen was displaying her skill at quilting. Friends said her house was adorned with colorful and intricate hand crafts, an interest she shared with her late husband, Claude.

One of those friends is Julie Jabara, who said the Eckles' farm and talent served to further enhance positive characteristics of Helen's personality.

"As farm people, they had all the sturdiness and strength that comes from farming the good earth," she said. "She was just a super person."

Jabara said that personality was a combination of old-world charm and contemporary wisdom.

"While she was traditional, she should still be considered as a mentor for the modern woman," Jabara said.

In July, Eckles was honored by the

Plymouth Community Council on Aging, as well as officers from the Michigan State Grange for her community contributions.

Helen graduated from Plymouth High School in 1922. She was a member of the First United Methodist Church and the Plymouth Historical Society.

She is survived by her nephews Roger (Florence) and Duane Bordine.

Funeral services were Friday with the Rev. M.W. Seymour. She was buried in Cherry Hill Cemetery in Canton.

The heroes of the Sept. 3 Canton-Plymouth Mettetal crash tell their tale at a Rotarian luncheon in their honor

BY ALEX LUNDBERG

With more than 100 Rotarians, community members and high school students in attendance, the Plymouth Rotary Club welcomed and honored the heroes of the Sept. 3 airplane crash that took the life of pilot Larry Gillean.

Guests of the Rotarians that day were Steve Enders, Darrell Perry and Jim Pyda who pulled the survivors of the crash out of the burning plane.

Pat Gillean, the wife of the pilot of the crashed plane, was also in attendance at the luncheon.

The emotional luncheon meeting was called to honor the heroes of the crash and to have them say in their own words, how they came to give "service above self."

Rotary President Tom Piotrowski explained why the club was honoring the heroes of the crash.

"It this organization, we have themes to inspire Rotarians around the world," Piotrowski said. "Look past yourself, be a friend..."

"We are here to honor four people who were called to look beyond themselves and personified the 80-year-old Rotary motto of 'service above self.'"

Tom Kennedy, a member of the Rotarians and a witness to the crash, explained how he could not have made it to the site on time.

"I thought that I was going to be the first on the scene but when I got there I saw four individuals at the scene of the wreck," Kennedy said.

"They entered the burning cockpit to save the survivors with hoses and chemical extinguishers.

"Seconds after the survivors were free the expanding gas vapors in the cockpit made it inaccessible," Kennedy said.

Kennedy also said that the pilot of the plane, Larry Gillean, should be honored for bringing his crippled plane to the

ground with the minimum of casualties.

Darrell Perry of Detroit, who was working in the complex where the plane went down, was one of the first people on the scene.

"I saw the plane as it was coming in and thought it was too low," Perry said. "My first instinct was to call for help then I thought, 'oh no,'"

Steve Enders of Sterling Heights was also at work when Gillean's plane began having problems.

"We came in that day to get some odds and ends done when we heard an engine failure," Enders said.

"We opened the blinds and all we saw was airplane."

Enders said that as he ran out with a fire extinguisher, he saw Perry already trying to get Gillean out of the plane as it began to catch fire.

"I am glad that they are all right,"

Enders said.

Jim Pyda, the third of the men on the scene, was out getting his mail when Gillean's plane hit the ground.

"I saw the plane coming down, cartwheel and tumble to a stop," Pyda said.

"The next thing I knew I was grabbing the nearest fire extinguisher and running for the plane."

It was Pyda who put the term hero in its proper context for the crash.

"This is not about us, it is about helping someone else out," Pyda said. "Whether it's changing a tire or what happened with the plane, we were just helping someone out."

In related news, the Citizen's Advisory Board of Canton-Plymouth Mettetal Airport and the State of Michigan will also be honoring the heroes of the crash at their next meeting, scheduled for 6:30 on Oct. 13.

Marching band claims top place at invitational

Canton's marching band recently took first place in Flight I at the Clinton Marching Band Invitational Saturday.

The band also took first places in "Marching and Maneuvering" and "Winds," earning the highest composite score of all bands competing in the event.

They did it to the rendition of the Broadway musical "Kiss of the Spider Woman."

The marching band will compete Saturday at the Trenton Invitational. On Oct. 1, they go to the MidEast Regionals in Toledo and the Eastern Regionals in Morgantown, WV on Oct. 8.

From there, they will host more than 20 bands at Great Lakes Invitational on Oct. 15 at Canton High School.

The competition does not end there, as the rest of October and into November will have the band working toward the national championship.

Following its own Great Lakes Invitational, they will compete at Lakeland on Oct. 22, the Michigan Marching Band Championship in Ypsilanti on Oct. 29 and at the national championship in Indianapolis the first weekend in November.

Getting down to business

Neighbors in business

Thom Barry has recently joined the R.A. DeMattia Company as Vice President, Sales and Marketing. Barry is a State Licensed Professional Engineer and has been active with local and national construction industry organizations over the past 10 years.

He has served as Director and President of the Detroit Sheet Metal Contractors Association (SMACNA); Chairman of the National Contractors Technical Research and Development.

Maryann Karamon has joined the management staff of PCR (Personal Computer Rentals) in Plymouth as their Marketing Manager. The company rents laptops, printers and other computer goods.

PCR has recently acquired Lansing and Toledo, OH franchises. Karamon will be responsible for covering the new territories.

Come on in to go out

Venture Outdoors makes the outdoor life a snap

Dan Argonis' timing is perfect.

As the summer closes and crisper temperatures approach, the owner of Venture Outdoors couldn't have picked a better time to open his store in downtown Plymouth.

Argonis said his store will offer upscale clothing, backpacks, technical outer wear, camping equipment and cold-weather gear.

"We will eventually offer outdoor travel where you can book camping trips," Argonis said. "There will also be a rental program, where you can rent tents and equipment."

Venture Outdoors is scheduled to open around the second week of October.

Customers can try their new waterproof, top-of-the-line boots on an inclined rock. Argonis said he hopes to have a storm booth and other amenities in place soon.

"By fall, people will be able to try out their water stuff in our storm booth," he said. "They'll be able to soak their boots in water to see how resistant they really

are."

Argonis said the stock will be premium, from Solomon boots to Moonstone sleeping bags, a product he calls "the best of the best." In addition to the sunglasses and hiking computers, the 1984 Salem graduate said some items, like the hand-knit sweaters from Vermont, may be difficult to keep around.

"This stuff is hot and hard to come by," he said. "They've been working on those sweaters all year and once they're gone, that's it."

Argonis said the urge to become a proprietor swelled during his second year at Western Michigan University. With his

degree in Marketing and Merchandising, he went to Arizona with the hopes of opening a store there.

After thinking long and hard, Argonis said he decided to return to Plymouth, taking in the familiarity and environment to which he grew accustomed.

"I've been here all my life, ran track, been to all the Fall Festivals. I'm atypical of the Plymouth community," he said.

According to Argonis, the grand opening is slated for the middle of October, shortly after Venture Outdoors opens its doors. He said he will offer giveaways of a two-night stay at a bed and breakfast in Colorado, backpacks, boots, sleeping bags and other items.

Schoolcraft College

Schoolcraft College is a fully-accredited, public community college serving students and community members in Plymouth-Canton, Northville, Livonia, Garden City, Clarenceville and part of Novi.

Since the College opened in 1964, enrollment has grown from 2,000 to more than 15,000 students. The faculty and staff are committed to maintaining high quality education and classes averaging 22 students.

The Livonia campus is located at 18600 Haggerty Road between Six and Seven Mile roads. Schoolcraft College-Radcliff is located at 1751 Radcliff Street in Garden City, just south of Ford Road. Classes are also offered at convenient community-based locations in Plymouth-Canton and Livonia. Classes are held throughout the year.

For more information, call (313) 462-4400.

The college is governed by the following board of trustees (expiration dates in parentheses): Mary Breen (1995), 48940 Pine Hill Drive, Plymouth, (313) 453-0909; Treasurer Richard J. DeVries (1997), 18360 Laurel, Livonia, (810) 474-1111; Vice-Chairperson Harry G. Greenleaf (1995), 37721 Bristol, Livonia; Chairperson Stephen C. Madonna University

Now entering its 47th year, Madonna University remains committed to its belief in the spiritual, educational and service-oriented mission of its Franciscan Catholic heritage.

Madonna was founded in 1947 by the Felician Sisters of Livonia, and was renamed a university in 1991, largely due to its expansive programs.

Madonna is the second largest Catholic independent university in Michigan.

With an enrollment of more than 4,400 students, Madonna University attracts men and women of all ages, religious, economic and social backgrounds. A Center for International Studies was recently established and the newly renovated science wing have expanded the university's ability to better serve its students.

Madonna holds classes during fall, winter and spring semesters. For further information call (313) 591-5124.

CURIOSITY

Curiosities

DUNBAR & MARTHA "I shot an arrow into the air, It fell to the earth, I know not where." I've always loved this poem. It's just wacky enough for me. G

ARCHIE BUNCHE-finished your offering before Martha could get out of the second ward.-Tennyson - "A Psalm of Life" Try again! Dunbar is pretty hard to beat. The gentlemen in court could participate too!

Jim & Betty Sonnega- Not even in Hamtramck do they have propellers on their Flamingos.

Uncle Bill-You better Buckle- up when driving that Golf Cart- Justin

Share a tube of Ben Gay!? Mike I need a case! DLA

Does anyone believe Bill Stout's story about driving over himself with a golf cart? Come now Bill- how did it really happen?

Debbie wins but Amy is gaining on her.(whatever that means)

Everyone is moving into new homes-

It must be getting close to the holidays because Jerry turned into a little Christmas Elf All to please his daughter.

Last week was my "one & only" nice curio for Rebbecca. Now the Fun starts.

Boy does Kevin throw great Darts. Maybe next time Jack will be nice enough & let him throw with some one else.

SURE I WILL! It was a great Party for Lisa & the entire Crier staff wish her all the best in her new position.

Jack does not need anyone to keep an eye on him

Jack gets enough abuse without anyone going out of their way to be sure of it.

Paybacks are always better.

Curiosities

JENNY & STEPH LOOK GOOD THROWING DARTS! They don't hit anything but they look good throwing them.

Janet will be flying in this afternoon- Look out Plymouth-

Donna must be all moved in. She is back to wearing her hats. NOT REALLY, I'M JUST HOLDING IN MY SORE HEAD.

Mom says she wasn't trying to walk the dog. She is just starting a flea circus & was auditioning the performers.

EULA CRISPELL-It was nice to hear of you again! Come to see us.

The stained glass window didn't make the move, oh well! Sure would have been pretty in the dining room. But at least we saved the trellis for your garden, Sadie, DIG THIS. Are WE STILL FRIENDS?! MOM PS- Lousy birthday, sorry, hope nothing else broke.

DAVID WENGER- For once, a cookie large enough to share with my grandchildren. Thank you so much.

RYDER TO THE RESCUE. They are number one in my book. Even though the other moving truck fell thru and everyone else had no trucks available.They found us one, gave us lots of little extras, a senior discount, and let us keep it over 2 1/4 days They're friendly and upbeat, even when 3 frantic women entered the store. DLA

DEBBIE PRESTON, Mother's must be made of sterner stuff than they used to be. To drive from Walled Lake with your five-day old son and two and a half year old daughter is beyond my wildest dreams. You did, and it was no fantasy either. There must be a book of records somewhere!

"I ONLY TELL jokes for fun; they're not real."- Eileen (engaged by a blimb) Doyle, 1994. (At the S..S.)

Canton controls Livonia Franklin, 44-13

BY CHARI RICE

Unlucky number 13 haunted the Livonia Franklin Patriots football team Friday as Plymouth Canton had no mercy on them and beat them 44-13.

From the score one would never know that Franklin was in the lead at one point. Senior David Erickson scored in the first quarter.

Canton answered quickly as Brett Elledge handed off to co-captain Lenny Gardner for a 10 yard touchdown run. Senior Jeff Fliss kicked his first of many good kicks of the night to tie up the score 7-7.

Franklin started falling apart in the second quarter as four of Canton's players sacked quarter back Mike Aubochon for an 8 yard loss. That set the tone for the rest of his game. He had a few overthrown passes and ended up throwing an interception into the arms of Rob Johnson with a little over a minute left in the half.

That interception ultimately led to a touchdown. On that offensive drive, Elledge threw Andrew Bahrou a 15 yard touchdown pass.

Canton had the mental advantage of leaving the half with a 7 point lead, the score being 14-7.

The Chiefs came out in the second half ready to score.

Only a minute into the half, with the Elledge took the option to take the ball himself and had a 75 yard touchdown run. The score was now 28-7.

Canton had another strong offensive drive as center Matt Kersten blocked for

Gardner as he ran for 15 yards. On the next play, Elledge threw to David Gay who tossed to Gardner, who ran into the end zone making the score 28-7.

Canton started playing its second string while Franklin wasn't even rotating its players.

Sophomore Rob Johnson took over as quarterback.

score.

In the fourth quarter, junior Ron Hunter had a 52 yard touchdown run straight into the endzone with only the kicker to beat.

With 18 seconds left, Patriot Chad Glaza made a touchdown. Aaron Smith couldn't make the kick. The final score was 44-13 Canton.

Canton, making the score 35-7.

The Chiefs weren't done.

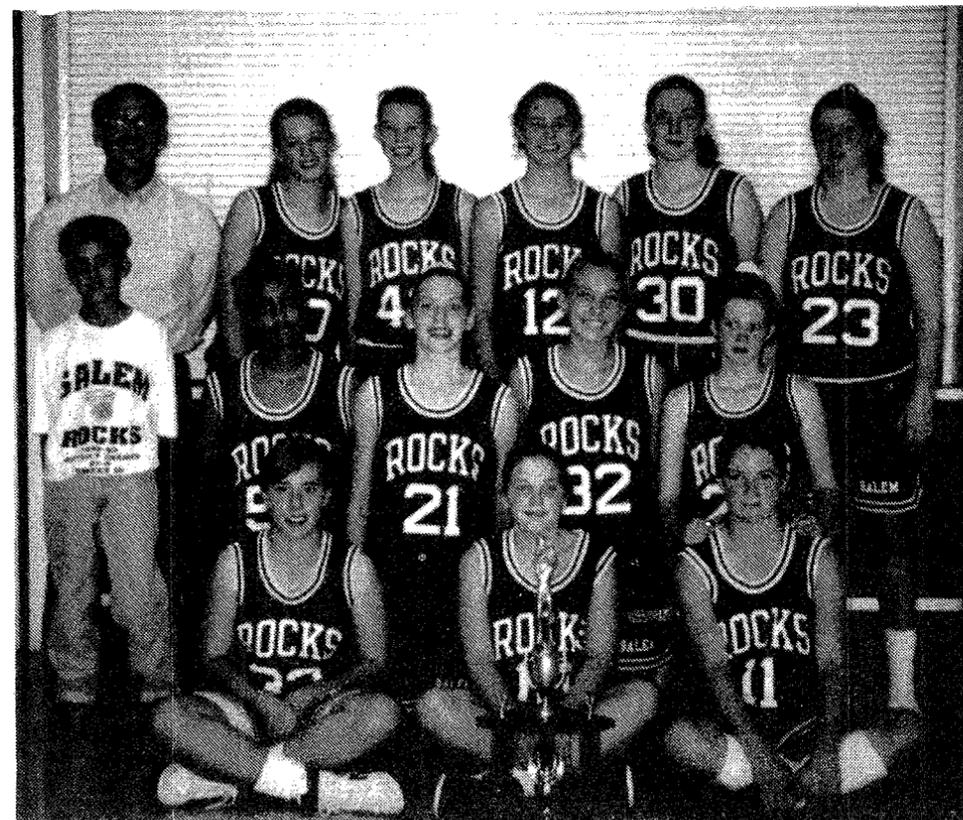

They sacked the new quarterback, David McMullen in the endzone for a safety, adding two points to the chiefs

and had 81 rushing yards. Johnson completed two of four of his passes for eight yards.

Watch for the Chiefs Friday night when they visit Churchill.

Rocks roll at Mercy Hoops

On Sept. 17, the Salem High school freshman girl's basketball team took the top spot at the Mercy Hoops Classic with a score of 51-47 over Farmington Mercy. Pictured left to right here are: Back row; Coach Tom Williams, Karen Prosyk, Melissa Siemienak, Jennifer Trott, Nichole Nauman and Becky Little; Middle row; Manager Ryan Williams, Danielle Bailey, Ellen Stemmer, Julie Stafford and Cara Szymanski. Rocks take Grosse Ile in singles, fall against Stevenson

BY CHARIE RICE

Wednesday, Thursday, Friday and Monday were big days for the Salem girls tennis team.

They played Walled Lake Western, Gross Ile and Stevenson and North Farmington.

The game against Walled Lake Western got cut short because of rain, but they managed to get all their singles, and one doubles in.

Salem swept all four singles beginning with Jenny Clack, who beat Renee Woodgate 6-0, 6-0.

Katie Anderson beat Erica Combs 6-1, 6-1 and junior Jessica Engle defeated Carrie Sargent 6-3, 6-2.

The last singles was between Salem's Christy Moyer and Walled Lake Central's Carly Scissors where Moyer beat Scissors 6-2, 6-2.

The only doubles that got in was Erin Reid and Suzanne Theodore who beat Allyson Bottke and Becky Vollmer 6-0, 6-3.

The same four girls played singles against Grosse Ile on Thursday and they swept them all.

They weren't quite as fortunate in the doubles, however.

Mika Kobayashi and Sara Stanley won their doubles, but Vicki Anderson and Jenny Peterson lost, as did Erin Reid and Suzanne Theodore.

Kathy Clawson and Sonal Shah couldn't quiet do it either.

Salem lost to Stevenson Friday, only winning one of their singles, which was won by Jenny Clack as she defeated Whitney Crosby 6-0, 6-1.

Monday, Salem lost to North Farmington 5-3.

Jenny Clack and Jessica both won their singles, but Katie Anderson and Christy Moyer were both defeated.

The only doubles team who won were Erin Reid and Suzanne Theodore who beat Jenny Yen and Elise Lakritz 6-4, 2-6, 6-4.

The tennis team plays Franklin at 3:30 Friday at home.

On deck

Salem will be playing host to many of the Canton teams this week.

The Salem/Canton rivalry will begin at 3:00 p.m. Friday when the boys golf teams go head to head.

It will continue Thursday as the girls basketball teams play at 5:30 p.m. on Salem's courts, and at 7:00 p.m. when the girls swim teams go against each other.

Monday the girls tennis teams will play at 4:00 p.m. Other Salem games include the girls basketball game against Adrian on Saturday at 5:00 away, and against Ann Arbor Huron at 5:30 p.m. Tuesday. Salem football will host Stevenson Friday at 7:30 p.m. at home.

The girls and boys cross country teams will go on the road twice this week, first Thursday at 4:00 p.m. at Farmington, and again Saturday at the Jackson Invitational at 11:00 a.m. The boys golf team will go against Franklin today at 2:45 p.m. at home.

The boys soccer team plays North Farmington at 7:00 p.m. Wednesday at home, and at 1:00 p.m. Saturday, they will play against Troy away.

Girls tennis will play at 4:00 p.m. Wednesday against Harrison away, and against Franklin at 4:00 p.m. Friday at home.

The Canton boys and girls cross country teams will go against Franklin 4:00 p.m. Thursday at home.

The football team will go to Livonia at 7:30 p.m. Friday night to play Churchill.

The girls basketball team will play at 4:00 p.m. Saturday against Flint Powers at home, and again against Stevenson at 5:30 p.m. Tuesday away.

The boys soccer team will play three times this week first against Farmington at 5:30 p.m. Wednesday away. They will play again at 1:00 p.m. Saturday against Brighton away and on Monday at 7:00 p.m. against Franklin at home.

Two out of three for Canton men's golf

BY CHARIE RICE

Canton boys golf won two out of their last three games. They lost to Harrison on Wednesday 209-226. Friday they defeated Farmington 216-217, and Monday, they were victorious over Franklin 215-239.

Monday's medalist was Kevin Carlson, who shot 37. Contributing to the win were Chuck Newsome, 40; Brian

Carlson, 44; Albert Hamood, 46; and Adam Allen, 48.

The team has two wins and two losses in the conference, but coach Tom Alles is hopeful.

"We have a young team with two wins in a row. We had a rough start but we're enthusiastic," Alles said.

He said the next two games against Churchill and Salem will be tough.

"Those two teams are premier teams in the conference and we'll have to have our best scores of the season to beat either one of these teams," Alles said.

He said they are working on their mental toughness in order to be more competitive. He said they are getting better every week.

"I am very hopeful and very happy," Alles said.

Rock's men's golf takes Harrison, 203-210

BY CHARIE RICE

Medalist Ryan Andrzejewski shot 39 and led the Rocks to a victory over the Harrison golf team Monday with a score 203-210.

Other contributors were Chris Weidman, 40; Mark Weisner, 41; Brian Covington, 41; and Mike Hjelmstad, 42.

"We have eight or nine players who are capable of playing well at the varsity level," said coach Rick Wilson.

Wilson said he only has six spots and it's difficult to juggle all those players in and out.

"I just move them in and out and see how they respond," Wilson said.

He said his team took the loss against North Farmington Friday pretty hard.

"It was a divisional loss at home. The guys didn't play poorly, but they didn't shoot their averages," he said.

Wilson said he won't deny the loss was disappointing, but they have to put it behind them.

Salem also beat Stevenson last Wednesday 200-219. Look for them this week as they play Franklin and Plymouth Canton.

Canton b-ball beats Salem 57-45

BY CHARIE RICE

Canton and Salem girls basketball met sooner than they expected as they played against each other in the consolation game at the Mercy Hoops tournament where Canton beat Salem 57-45.

"It was a close game from beginning to end," said Canton's coach Bob Blohm.

They play again Thursday, and Salem coach Fred Thomann said it will be a rematch.

"We're hopeful for a victory," Thomann said.

Blohm said Thursday's game is much more important than the game Saturday because the team who wins Thursday will

be one up in the conference.

Canton's team lost to Mercy 40-25 at the tournament Thursday.

Blohm said each game is a new learning experience for them. He said it was tough to lose five seniors from last year.

"Melissa Marzolf starts and she's a freshman," he said,

"And Mary Anderson is a sophomore, so we have a lot of kids getting started at the varsity level."

He said he's pleased with the win against Salem. The top scorer was Amice Crayton with 14 points.

Kristi Fiorenzi and Sarah Warnke both scored 13.

"We have a very dedicated, solid group and I think we'll continue to head in the right direction," Blohm said.

Thomann explained the losses at the Mercy Hoops tournament as "a matter of more preparation."

He said the team is a little young, with only three seniors total.

They lost to Rochester Thursday 54-49 at the tournament.

"With every game we get a little better," Thomann said. "With every game we get more comfortable and more experienced as a group."

Don't miss the match-up between Canton and Salem Thursday night.

Rock freshmen take Mercy title

BY CHARIE RICE

The Salem freshmen basketball team was the crowned winners of the Mercy Hoops competition Saturday with a 51-47 win over Farmington Mercy.

They defeated Rochester 40-26 to get to the finals on Saturday.

"This was a wonderful accomplishment for these young ladies," said coach Tom Williams.

He said it was definitely won because of a "team effort."

The team's record is 5-0. Watch for them Thursday at 3:45 p.m. as they take on Northville at home.

There are some things that they don't teach you

Life is full of lessons learned... and lessons not learned.

LESSONS LEARNED:

Fall Festival responds to the "same old Fest" critics by adding the new Orbitron and Velcro Wall — big hits both.

Fall Fest insiders hiding their "secret" recipe fails when Dan Smith openly smokes his cigar over the chicken, flicking his ashes liberally.

The Fall Fest Pet Contest winner — third year in a row — for the most unusual critter, Jesse Varga, knows the drill. "How does it feel Jesse?" they asked. "Regular," he replies. (Sister Leah took 2nd place.)

Learn that things can always go wrong at Fall Fest! The electric circuits shut down, the Polish Dancers' truck lost its coolant, the Rotary Club's baker ovens quit 40 dozen shy of a load on the rolls, and some Rotary Club members can't operate heavy equipment — like truck doors.

LESSONS NOT LEARNED:

Dolly Marzka must have slept through the "don't lock your keys in the car" lecture; but she didn't know she missed it until she was running the Classic Car Show at Fall Fest. Yup! Never mind "How do you keep this 1947 Ford Coupe so nice?" It was, "How do I jimmy power locks on my Honda?"

State Rep. Deb Whyman, the Canton Republican, missed the first GOP

With malice toward none

By W. EDWARD WENDOVER

Rule: never mention "Watergate" — especially with elections now only 49 days away.

Whyman's Lansing office was "burglarized" according to Whyman's press release. A box of constituent mail and other stuff was missing.

Michigan State Police Lt. Daniel Payne, though, said, "No evidence of a criminal act."

He surmised a hyperactive cleaning crew was the culprit.

But, said Whyman's release, "I thought the days of Watergate-style politics were over."

Obviously she never learned that Watergate was the biggest scandal ever cooked-up by and slithered-out-of by her own Republicans. Don't mention it.

Crier speed limit editorial deserves a closer look

EDITOR:

The Police Officers Association of Plymouth Township would like to commend you on your opinions recently expressed in your editorial "Time to re-examine the speed limits."

Unfortunately, serious accidents are always going to occur. But your article does offer some promising solutions.

If these solutions were implemented, we are confident this would be a start to reducing the frequency of these tragic incidents.

An additional freeway interchange at I-275/Plymouth Road would definitely alleviate much of the Ann Arbor Road traffic congestion. However, it does have its drawbacks.

Such a project would take considerable time and money to accomplish. And, unfortunately, we have seen that freeway access points can bring with them an increase in crime.

Providing a speedy escape route which criminals are all too familiar with.

Your idea of reducing speed limits is also very logical, and something that is easily accomplished when compared to the other alternatives. However, we do not feel this is a sound solution by itself either.

First off, as you also noted, we would be targeting an extremely large number of roadways with which to reduce the speed limit. Secondly, a good number of the serious accidents we see are a result of one of the drivers operating at a speed above the posted limit.

So, we have no guarantee that the driver who is speeding is going to slow down solely because of a lower speed limit. Which leads us to our point.

We believe that the most effective way to make our roadways, and community, safer, would be to hire and put more police officers out on patrol.

Everyone must admit that when they see a patrol unit while they are driving, it is almost natural instinct to slow down, and definitely pay closer attention to traffic signals and such.

Not only does this make for safer travel, but an increase in police visibility is also a proven deterrent to crime.

More officers on the street would also enable a quicker response and rendering of aid when those unfortunate accidents occur. As you can see, the benefits are endless.

We must admit that reading your article was refreshing. It is great to see your paper take such important issues to the citizens of our community. Especially when the solutions are at the fingertips of our local leaders.

We would hope that the community would continue to pursue this issue, as will we.

Not because it is a "hot topic" for today, but because it is in the best interest of all around us.

Barbers clip new 'fest guy' from their list of favorites

EDITOR:

After taking a survey in my barber shop concerning the new logo for the Fall Festival, it was almost a 100 per cent against the new logo representing the Fall Festival.

The old logo was the Fall Festival and still should be.

The new logo, which looks almost like an angel's wings, isn't the Plymouth Fall Festival as many remember it. It's too bad things change which are long time tradition.

Government inability source of speed problems

EDITOR:

Speed limits are not the problem with Plymouth-Canton roads. Inability of local government to fix problem spots in a timely manner is evident. Look at Ford Road and anyone can see it needs left turn lanes at Lilley and at Canton Center intersections. Sheldon Road is fine heading south until you hit Joy Road and run into Canton, then it drops to one lane as you travel into a community that has become a glut of houses thrown up only fast enough that developers can take their money and buy more farm land regardless of the problems the new home owners will endure for years later.

Canton officials are only interested in a problem if it fits into their personal agenda. This is apparent to anyone familiar with

Crier stung by poor knowledge of bees/hornets

EDITOR:

I am responding to your article lauding the pest control efforts of Mr. Thompson during the Fall Festival.

What concerns me is your apparent confusion between the insects known as "wasp" and "bee." The aggressive pest disturbing our picnics is usually the "Yellow Jacket," a distinctly yellow and black striped member of the wasp/hornet family.

They can sting repeatedly and are easily agitated. However, in your article, you use the term "bee," which generally refers to the amber and brown "honeybee," which is NOT aggressive, and will only sting under duress - AND are nearly EXTINCT in the wild in Michigan due to the recent proliferation of honeybee mite which has practically wiped them out. I have only seen two honeybees this year, and only one last year.

I bring this to your attention because, as a journalist, I would think you have an interest in accuracy, and are in a position to educate the public.

HOLLY BEAUDOIN

the back-biting, cat-fighting manner in which they conduct business.

No one will ever

travel Ann Arbor Road at 35 mph, let alone everyone. Try Ann Arbor Trail if 45 is too fast for you, it goes to the same place and it's already a 35 mph zone (just be careful at Haggerty Road, southbound traffic is blind to oncoming westbound traffic on Ann Arbor Trail).

I also believe that our police department does a fine job of enforcing limits as they are posted presently and have always been fair in my (unfortunate) encounters with Plymouth and Plymouth Township police.

As for the ramp idea for 275/Plymouth Road, one only needs to look at the rampless, defunct Plymouth Hilton to see that Wayne County Executive Ed McNamara planted the tax base seeds along I-275 so that fruit of funds fell directly into his Livonia home turf and his own pockets. He owns what appears to be a public road in Old Village, across from the Station 885 as well as two adjacent buildings. Time will only tell if he burns Plymouth out of that as well.

The Plymouth Rotary Club wishes to acknowledge ALL of our volunteers at the 39th Annual Chicken Barbeque. Due to the hectic pace of the BBQ, we did not obtain the names of many of our "helpers" and we would like to THANK all of those not mentioned above.

In addition, many thanks to the Residents of Plymouth Opportunity House for their assistance. Thanks, too, to ENGINEERING REPRODUCTIONS CENTER, INC., Plymouth-Salem Wrestling Team, Plymouth-Salem Swim Team and the Plymouth-Canton Swim Team.

Proceeds from the Chicken BBQ and other fundraising income are used by Plymouth Rotary Foundation for Civic & Charitable activities. Some of the foundations past & present projects include:

- Student Loans • Community Projects • Growth Works • Salvation Army •
- Plymouth Opportunity House • Junior Achievement • March of Dimes • Plymouth Community Band •

FOR INFORMATION ON THE PLYMOUTH ROTARY CLUB'S ACTIVITIES OR MEMBERSHIP INFORMATION
