

Plymouth Wins District Basket Ball Championship - Moves to Finals Friday at Pontiac.....

Last minute instructions are given to members of Plymouth's fast basketball team by Coach John Sandmann just previous to their final game with Bentley High school which gave them the district championship.

Excellent team work and heads up play, as exemplified here by Gary Sockow, with ball, gave the Plymouth lads a big edge over Garden City and Redford Union the first two teams they eliminated before meeting Bentley.

Plymouth won by the score of 47 to 46 but as the score board shows most of the game they had a much more commanding lead. On Friday night they meet Utica in their first regional play-off.

Victory was sweet for Plymouth's cagers who had their first taste of glory on the court for many years. Their happiness was hard to contain as they are pictured showing their delight immediately after the game.

What I Think and Have A Right to Say

By ELTON R. EATON

THE RIGHT KIND OF ADVICE.

"Soapy" Williams, the fellow who ran around the state two or three years ago in an old car, and blared forth the statement here, there and everywhere that he had had to mortgage his home in order to get enough money to run for governor, when as a matter of fact he had all the cash he needed, and will soon have millions more, has taken it upon himself to try and tell the medical educators of Michigan how to get more doctors for Michigan.

The "Gov." is willing to go so far as to lower the standards of the medical profession in order to induce doctors from other states to come to Michigan to practice—a scheme that any thinking person would oppose.

Michigan has a high type medical profession. We think our doctors are among the best in the country, and while they are busy in caring for the ailments of Michigan people, we think with a little more cooperation on the part of Mr. Williams' state government, we can educate enough doctors to care for our own needs.

We have always been niggardly with our appropriations for the University of Michigan medical school. It has never had sufficient funds upon which to operate. We should make it possible for the University to graduate 200 or 300 more medical students each year. We should make it possible for Wayne University to increase its output of doctors—and Michigan's government so far has done nothing to help this highly important Detroit educational institution.

No, we are not in favor of lowering our standards in order to let some half-baked doctors from other states or so-called displaced persons from foreign countries come into our state and practice their cults. But we are much in favor of giving additional aid to our own medical schools so that they may graduate more students for the medical profession.

AUTO TIRES WEARING OUT?

So you are worried about your automobile tires, are you? Afraid you will not be able to get any more? You have a right to be worried.

Washington says auto tires will soon be rationed because of the shortage of the rubber supply.

And where is our rubber going to?

Direct to Russia and China, of course. You see England buys a big rubber supply, then sells it to our enemies. But this is not all. A large number of war materials find their way directly from the United States to England, then to China or Russia. But that's the way it goes when you have such a mess as we have in Washington—and we can't blame any one for that except ourselves.

WHAT JUSTICE IS THIS?

A Detroit auto driver convicted twice last year of reckless automobile driving, the other day was arrested for the same offense after he sideswiped two other cars, damaging both of them. The kindly judge gives him 15 days in jail. My, how that must hurt the "suffering" prisoner. Meanwhile he will live in the lap of luxury out with Warden Blake Gillies, and probably figure out ways to get back on the streets and crack up some more automobiles of careful drivers.

NAILING PEARSON AGAIN.

Recall all of that blah blah in The Detroit Free Press written by Drew Pearson about how General MacArthur had been relegated in the background—that he was no longer in command of the Korean forces—in fact he had been entirely taken out of this campaign and it had been turned over to another general?

Day after day and week after week that misleading propaganda appeared in Pearson's column.

Apparently some people who ought to know better began to believe it—so, according to a Washington newspaper dispatch President Truman and Gen. Omar N. Bradley have exploded whispered rumors that Gen. Douglas MacArthur's authority in Korea had been sealed down.

The chairman of the joint chiefs of staff said in an interview recently: "Gen. MacArthur is in full command in Korea. He has absolute control over the Korean war operations and Washington has taken over none of the direction."

Bradley made this statement after Mr. Truman indicated at his news conference Thursday that the entire strategy in the Korean war is in MacArthur's hands. The President said any Allied crossing of the 38th parallel by United Nations troops was a strategic matter—and a decision to be made by MacArthur.

A WORTHWHILE IDEA.

State Representative James Gollette of Iron River has come forth with a worthwhile suggestion pertaining to a way to ease the congestion of the state ferry at Mackinac City that is worthy of immediate consideration.

Mr. Gollette proposes that the state highway department establish another ferry line to operate between Frankfort and Manistiquet in the Upper Peninsula.

While this is an eight or ten hour run over Lake Michigan, it is entirely feasible for such a ferry line to be operated by the state. It would not only help to cut down the load that now crosses between Mackinac City and St. Ignace but it would enable those seeking a short cut to the western part of the Upper Peninsula to reduce much of their automobile mileage.

It is safe to predict that if there were three or four trips cut of Frankfort each day, that the boats would be loaded most of the time.

Flu Epidemic Hits Peak In City Last Thursday

Plymouth felt the full impact of the current influenza epidemic during the last week. Almost every business and factory in town found it difficult to do business because many of their employees were home ill with the flu.

The school epidemic hit its peak apparently on Wednesday and Thursday when over 300 children failed to report on those two days and 18 members of the teaching staff were absent. School officials said that over one-third of the school total enrollment was absent due to sickness.

Because there was no school Friday on account of teachers' institute it was impossible to know whether Thursday was actually the worst day in the week or whether the epidemic would spread over the weekend.

Local doctors were most seriously pressed to keep up with the cases that came in through the week. Local doctors were most seriously pressed to keep up with the cases that came in through the week.

Toll Gate Site Will Become Used Car Lot

Another Plymouth landmark will disappear in the near future when the old garage on the south east corner of Plymouth road and Mill street will be removed by Hines and Owen.

Purchase of the property was made by the automobile firm through the Plymouth Real Estate Exchange from Flora Summers, who had owned the property for many years. Hines and Owen expect to grade the corner and build a used car lot across from their present garage where they will have more room to serve their customers.

Township Caucus Draws 60 Voters

The party caucus which has been used by Plymouth Township since its inception to nominate candidates for office will probably soon become a thing of the past. At the caucus held in the high school hall Monday afternoon the township board was presented with a petition signed by over 100 township residents asking that the primary election method be used in the future.

At its next regular board meeting the township board according to reports of Charles H. Rathbun, Jr. will accept the petition and place the question on the ballot for voters to decide the issue on April 2.

Nearly 60 township residents attended the caucus. Monday and nominated the following candidates for office: supervisor, Charles H. Rathbun, Jr., clerk, Norman Miller, treasurer, Sam Spicer, justices of the peace, Henry Root and Arthur Blunk, highway commissioner Robert Holmes and constables Edward Howard, Allen Owens, Harry Miller and Raymond Coon.

Kresge Appeals Tax Assessment

The City Commission heard an appeal from the S. S. Kresge company concerning the tax assessment of their property last Monday evening.

The City Assessor and the Board of Review ruled that the S. S. Kresge must pay \$19,000 in taxes on buildings which were valued on January 1 at \$31,000.

However, the S. S. Kresge company, represented by John Kilbane, pointed out that they gave notice in September of 1950 that the buildings were to be torn down on January 8, 1951.

At the buildings, judged on their market value would be worthless at the time. The Commission pointed out that the assessment includes county, as well as school taxes.

The Counsel for the S. S. Kresge company closed his remarks with the statement that Plymouth would receive additional revenue and other benefits when the new building is completed.

Red Cross Sets \$2500 as Its Goal For Drive For Funds in Plymouth

The 1951 Red Cross drive for funds is on now. Plymouth's quota is \$2500, said Ernest Henry, Red Cross chairman of the drive.

During the month of March, Red Cross workers will knock at your door asking for funds to support the multiple activities of the Red Cross.

What are these activities? Red Cross workers state that when there is an emergency in the nation, whether it is a flood, fire, explosion, hurricane or train wreck, the Red Cross is there to give aid.

The Red Cross offers shelter, relief, medical assistance, food, and clothing to the needy. Red Cross workers would like to remind Plymouth residents that it can only function as long as it is supported by the community in its mercy missions.

Now especially in the national emergency, the Red Cross is engaged in activities which extend from Korean battlefields to the Civilian Defense program here in Plymouth.

Just one of the Red Cross undertakings is its national blood program. At first, the nationwide blood program established in 1943 was designed to meet civilian needs in emergencies.

But on July 20, 1950 after the Korean war was well under way, the Department of Defense asked the Red Cross to organize a blood procurement program for the wounded men in Korea.

It is only by continued support of Plymouth residents and Americans throughout the country who donate their blood and contribute money and services.

Easter Seal Goal is Set at \$22,000

The 1951 Easter Seal campaign was launched at the earliest date in 36 years according to R. M. Deane, Rotary Easter seal chairman of the Plymouth drive.

Mr. Deane and his co-chairmen mailed 6000 appeal letters last week to Plymouth and the surrounding area.

A goal of \$22,000 is hoped to be raised by the Wayne Out-County chapter of the Michigan Society for Crippled Children and Adults, to enable them to carry on their direct services to the cripples throughout their community.

Plymouth has 33 cases of handicapped individuals registered with the local agency consisting of Orthopedic, Rheumatic Fever, Cardiac and Cerebral Palsy.

Some of the direct services of the Plymouth chapter are transportation to treatment centers, clinics and brace shops. Physical, Occupational, Speech and Hearing Therapy treatments.

Throughout the year the chapter has assumed the responsibility of arranging for, and financing, in part, the home teaching of handicapped children unable to attend the regular schools.

There are no schools of Special Education in the Wayne Out-County area. The nearest schools for the education of handicapped children are in Dearborn, Detroit, Wyandotte and Ypsilanti.

Tank Arsenal May be Built on Ryder and Grimm Farms

If everything works out as planned and if the land is suitable for their building purposes it looks very much like the Ford Motor Company will locate its new tank manufacturing plant on the Ryder and Grimm farms on Plymouth road. Ford was granted a \$195,900,000 tank order by the government on Tuesday of this week.

Much activity has been noted on the property during the last few days and a member of the Ford family spent many hours there last weekend. Although no official word has been given of the actual usage of the property which consists of about 220 acres it is thought that a huge tank arsenal will be erected there by Ford which will be converted after the war period into a tractor manufacturing plant.

The property runs from Plymouth road to the railroad east of LeVan road to a point about 300 feet west of Wayne road. It is composed of the 96 acre Ryder farm owned by Dean, Fay, Lee, and Earl Ryder and Beulah Smith and the 50 acres owned by Ray and Henry Grimm, the Gleason 10 acres, and a possible other 12 acres that options have been taken on by the buyer.

Purchase money has been put in escrow for the seller and if all of the necessary details can be worked out for the big deal will probably be consummated in the next day or two.

Representatives of the buyer asked for water and sewer facilities from the City of Livonia Monday night at the regular council meeting and were given full approval of their program by commission members. Since Wayne county built a 40 inch sewer almost to Plymouth road on Farmington road it will be a simple problem for Livonia to run a sewer down Plymouth road to Stark road thence south to Orangelawn where they could easily cross to the Farmington road connection Livonia officials pointed out. This would give ample sewerage facilities to the Stark and Alden Village areas also.

Although the actual buyer has not been revealed interested parties feel their information is partially correct and that it is Ford and not Packard that is interested in the transaction. There has been some speculation that the Packard Motor Car company might have been interested in the land on which to build a plant for their jet engine contract they recently received from the air corps, but interested parties have every reason to feel the transaction is for Ford.

High School Band Plays Concert for Scholarship Fund

The Plymouth Band Parent Association will present the Plymouth High school band in the first scholarship concert on Wednesday, March 14 at 8:00 p.m. in the high school auditorium.

All proceeds from this concert will be used to finance participation of band students in summer music camps.

In the past, Plymouth has sent about ten students each year, and the Association hopes that this summer, it will be possible to send even a greater number to the music camps. Everyone is invited to attend and help in this project.

The program includes the following musical selections: "N. C. C." march by Biglow; "Dum-dee" march by Alford; "Golden Bear" march by Richards; "Old Settlers on Parade," novelty by Dalbey; "Trumpeters' Three," trumpet trio by Johnson; "Das Pensionat," overture by Von Suppe; "First Swedish Rhapsody" by Linder; "The Walk of Jericho" descriptive overture by Doniston; and "American Folk Rhapsody" by Grimsman.

Soloists on this concert will be David Green, trombone; and Gerald Green, bassoon. The trumpet trio includes Lynn Olson, Betty Becker, Ronald Corey and Ronald Part.

The scholarship committee for the Band Parents Association is headed by Mrs. John Bloxson, chairman.

License Bureau Sets New Record

The license bureau set a new record last Friday, February 23, when 1946 car owners received license plates. Frank Rambo, manager of Plymouth's license plate bureau, said that more license plates were sold on that day than any other time in Plymouth.

In spite of the deadline last Wednesday, February 23, unhappy drivers who were reminded by the police, have been trooping into the bureau to get their plates.

The bureau has also been swamped with telegrams from drivers asking for lost car titles, out-of-state titles, and duplicate titles. Until they get their titles, they can not purchase their plates, said Rambo. The bureau received 125 telegrams in four days last week.

Spring Breezes Whip Flames From Grass Fire

The first Spring grass fire, which got out of hand last Tuesday about noon, was promptly doused by the fire department. The blaze at 173 Union street was fanned by stiff March breezes, but no damage occurred.

Boy Scouts Stage Drive For Paper

Boy Scout Troop P-3 and the explorer group will hold their monthly paper drive on Saturday, March 10. Plymouth residents may place their papers, old magazines, or books outside of their doors, and the scouts will pick them up.

Residents out of the city may have their papers collected if they will call Ferris Mathies, scoutmaster, at 164-W.

The Boy Scouts will use the funds to finance summer camping.

City Joins In British Event

Plymouth will be represented at the festival of Plymouth, England next August with postage of our city and copies of a newspaper, the Plymouth Mail, the City Commissioners received last Monday evening.

In a letter from the Lord Mayor of Plymouth, England, it was requested that the Michigan city, along with 12 other Plymouths, send photographs and its newspaper for a display which will be part of the festival.

The citizens and their good wishes through their Lord Mayor, and stated that their city was now rebuilt after the destruction of World War II.

The Commission carried out Mayor Hough's recommendation that Plymouth cooperate and participate in the festival.

Deadline Nears to Register

Tuesday, March 13, is the last day Plymouth voters may register for the Spring election on April 2. The City Hall is open from 8 a.m. to 5 p.m. and on March 13, voters may register until 3 p.m.

Plymouth voters will elect three City Commissioners, a representative for the Wayne County Board of Supervisors, and a city constable.

Running for the City Commission are George Bauer, Eugene Benson, incumbent Henry Fisher, Ernest Henry, Howard Sharpley, and Clifton Tillotson.

Mrs. Eleanor Hammond, incumbent, will run unopposed for the post on the Wayne County Board of Supervisors.

No petition has been filed for city constable, but a candidate's name may be written on the ballot.

Plymouth voters will help to elect a Wayne County auditor, Republican Albert E. Fry will face Democrat Jacob P. Sumner.

Firemen Dampen Fire of Flaming Heating Pad

No one got a hot seat, but a heap of smoke resulted from the burning of a heating pad at 250 Auburn last Thursday evening.

Firemen quickly put out the fire, which was caused by the electrical wiring of the pad. The house is owned by C. L. Porter.

PTSA Schedules Second Meeting

The newly organized Parent-Teacher-Student Association will hold their second meeting on Wednesday, March 14, at 7:30 p.m. in the Central Grade school gym. All parents of 6th, 7th, and 8th grade students and other parents of Junior High children are invited to attend.

The PTSA recently held its first organization meeting with 30 parents attending.

Fifteen other parents, who were prevented from attending the meeting due to bad weather conditions, indicated their interest in forming a PTSA at the Plymouth Junior High school.

The PTSA is quickly entering the higher level of the Michigan school system. There are five groups in Battle Creek, and Saginaw, Bay City, Midland, and Ferndale also have PTSA groups.

The new organization is also beginning to get a toe-hold into Detroit schools.

The Parent-Teacher-Student Association or organization is an attempt to prepare students for community leadership and to provide a means for closer understanding between the three groups.

While the PTA is an adult group which works for the welfare of the child, the PTSA is an adult and student group where both have equal rights and responsibilities.

Students in junior and senior high schools possess the same membership privileges as their parents and teachers. They may serve and vote on executive boards, committees, and help formulate programs and plans.

Just a few of the projects which other PTSA groups in Michigan have carried out are radio programs, panels, and discussions on problems which crop up in the family, school, and student relationships.

The Parent-Teacher-Student organization received its grass roots last December at the Mid-century White House Conference on Children and Youth.

The representatives all agreed that there must be an agency to help prepare American youth for leadership.

The recommendations which were formulated, stated that the rights and responsibility of students must be recognized and granted.

Students could only receive experience in community leadership if they were allowed to serve on boards and agencies in the community.

Attend Red Cross Kick-off Dinner

The kick-off dinner for the Red Cross 1951 drive for funds, Thursday, March 8, will be held at the Plymouth Hotel. Ernest Henry, Red Cross chairman of the drive in Plymouth, Mrs. H. R. Penhale, chairman of Plymouth's Red Cross chapter, and Mrs. Mowry, chairman of the Junior Red Cross chapter at Plymouth High, Gladys Witt and Patricia Wahn.

Over 300 representatives and workers of the Wayne County chapter attended the dinner at the Book Cadillac hotel in Detroit.

Chairman of the drive in Detroit, Raymond T. Perring, and General Clyde Dougherty, Civilian Defense director of Wayne County and the vicinity, were the main speakers.

General Dougherty told of the importance of the work of the Red Cross and its functions in connection with the Civilian Defense program.

Consider New Road Program

The problem of muddy roads in the Spring and dusty roads in the Summer was considered by the City Commissioners at their meeting, last Monday evening.

Several residents in the Fairgrounds subdivision testified to the bad driving conditions of the unpaved roads, and the sometimes impossible or rather unpalatable situation of their roads.

To alleviate the especially bad conditions at Joy and Virginia roads a covering of gravel was proposed at City Engineer Besse as soon as the weather permitted it.

The City Commissioners authorized advertising for bids for the asphaltic treatment of unpaved streets in order to alleviate the problem of bad roads temporarily.

In a resolution offered by City Manager Glassford, a three year program was considered in which 15 miles of unpaved streets in residential areas would be covered with asphalt.

The estimated cost of the three year program was \$10,000 a year. Glassford stated that other communities have tried the asphaltic treatment of their streets and they indicate that it is very successful.

The finished program would result in streets that can be traveled on during the Spring thaw and rid the roads of dust in the summer.

The program, the Commissioners stressed, would not be a permanent solution, but would at least alleviate the conditions of roads until they can be paved.

To Serve Annual White Breakfast

Maundy Thursday will be observed on March 22 in a beautiful setting of white crosses, candles, and flowers, together with the purple of Good Friday when Mrs. Fredrick C. Olett of the First Presbyterian church in Detroit speaks to the women of the local church and their guests at the traditional White Breakfast at 10 a.m.

The Holy Week will be "The Holy Week" Mrs. Olett has been called one of the best women speakers in the State. Fred Kendall is the soloist for the occasion.

Following the breakfast, Fred Nelson will play sacred organ music at 9:30 a.m. in the sanctuary for all who may wish to attend.

In addition to the program, under the general chairmanship of Mrs. Gregory Clemmons, will consist of an invocation by Mrs. Henry Walsh; greetings by Mrs. William Kaiser, chairman of circle one which serves the Breakfast; and worship by Douglas Shaw; and closing with the benediction by Dr. Henry Walsh.

Those who attended the White Breakfast last year will long remember it as a worship service of the highest order.

Tickets are limited to 200 and these are in the hands of Mrs. Harold Curtis, telephone 332. Mrs. Curtis will also have these at the church on March 11 and 18. None will be sold the morning of the breakfast.

Girl Scouts Hold Birthday Party

Plymouth Girl Scouts invite all of their friends and parents to a birthday party which is being held in honor of Juliette Low, the founder of Girl Scouting in America.

The birthday party and rally will take place Monday, March 12, at 7 p.m. in the Plymouth High auditorium. Throughout the country the Girl Scouts are celebrating the 39th anniversary of their organization.

Songs, skits, and demonstrations of Scout activities will be staged by all the troops belonging to the Plymouth Council.

Of course no birthday party is complete without a birthday cake, and that will be provided by the Girl Scout Council.

Guests will have the opportunity to donate to the Juliette Low World Friendship Fund, which is used to promote Girl Scouting and Girl Guiding throughout the world.

The Girl Scouts are attempting to encourage world peace and good will with material aid, such as food, clothing, equipment, and medicine to needy troops in foreign countries.

"It is our hope this year that the Easter Seal message may be carried to more homes than ever before, thus arousing support from a greater number of our local citizens," said Mr. Daane.

"There are more crippled children every year and the services to help them overcome their handicaps are more expensive just as everything else is. We hope to have larger funds to maintain present services and expand more needed assistance to handicaps."

Fine Two Barbers for Disorderly Conduct

Two barbers from Ann Arbor were convicted of disorderly conduct in Municipal Court last Friday morning.

Neal Bird, 28, and Oliver Jones, 24, were caught by Plymouth police Friday morning trying to steal tire rims from cars in a car lot.

Judge Perlongo fined both young men \$100 each.

Both men, said the Judge, had been drinking.

Police Caution Pedestrians

Did you know that spring fever can be a dangerous disease?

Most people consider spring fever harmless and pleasant, but the Plymouth police department tells us that spring fever can be dangerous if it distracts pedestrians from obeying safe walking rules in traffic.

"If you are watching the budding trees or chirping birds as you cross the street instead of watching for approaching traffic, you may walk into the path of an automobile whose driver isn't able to stop in time to avoid hitting you."

The police's advice to pedestrians and drivers alike is to indulge in spring fever only when in a safe place.

"So, springtime or anytime, keep clear headed and alert crossing streets and obey the old rule—stop, look, and listen."

Twins Pines Beat Teams to Land in Play-Offs

Pack number three of the local Cub Scouts celebrated the anniversary of the Boy Scout movement with a "Blue and Gold" dinner on February 28 at Starkweather School auditorium.

One hundred and thirty persons attended the dinner at which a merit award, to be sewed on the pack flag, was presented on behalf of the Boy Scouts of America National Headquarters.

Several general awards were presented to local cubs by Donald Melow, committee chairman, Glen Cogsdill, assistant cubmaster, and Ed Wingard, cubmaster.

The program included skits by the cubs.

That's Saint Patrick's Day, in honor of the "ould Saint" who ran the snakes out of the Emerald Isle. From the support it gets, we'd say that a lot of folks would choose to be Irish if they had to change nationalities. Certainly they wouldn't make any other choice on St. Pat's Day... at least not out loud.

Cooper PTA Show Education Film

As a parent, do you feel fully equipped to answer all your children's questions? Or have you evaded giving answers until your child doesn't ask questions any more?

In order to provide our children with healthy, wholesome attitudes concerning life, parents must feel their responsibilities keenly enough to keep abreast in family education.

For this purpose the Cooper Parent and Teacher's Association is offering a movie "Human Beginnings" for all parents, for the March 12 meeting at 7:30 p.m.

Mrs. M. A. Martin, the Wayne County Health Educator, will be present to talk about the movie, lead discussion, and inform the parents on what other schools are doing in the way of Family Education. Miss Shale, the school nurse will also be present.

Bring your children for there will be movies and supervision for them. Don't stay home because of the children.

Because of our children's welfare, this meeting is important. The P.T.A. urges all parents to attend.

For the social portion of this program, Mrs. D. Goodman, Mrs. E. Jones, and Mrs. R. Ventura will serve as hostesses.

Our pledge for the "Quarters for Head-Quarters" hasn't been filled as yet, so remember to bring your books you have about the house that you have read.

Announce Legion Speaking Contest

The Pasqua-Gayde Post 391 of the American Legion announces that the National Oratorical Contests sponsored by the American Legion will hold the 17th district contest at the American Legion home in Royal Oak, corner of Main and 5th street, at 8 p.m. March 20.

This contest is open to all students in the junior and senior grades of all public high schools of the United States. Winner of the 17th district will compete in Lansing, March 22, at the zone contest.

State finals will be held in Grand Rapids March 29. Winner of this contest will compete in the National Finals in Richmond, Virginia, April 16. There are four scholarships being offered in the finals, which can be won either by a boy or girl.

Comrades Harold Wilson, Elton Kinney, and Albert Holcomb attended the 17th district meeting Friday evening, March 2, held in the American Legion home in Ferndale. The meeting was highlighted by a speech from an ex-communist leader.

At this time all civic organization of Plymouth are being asked to participate in sponsoring boys from Plymouth High school to Wolverine Boys' State college from June 14 to June 22.

VFW Initiates Essay Contest

The women's auxiliary of the Veterans of Foreign Wars announces that their annual national essay contest is now open.

Each local auxiliary conducts a contest and sends the winner to the state contest, and then winning essays go to the national contest.

The subject for the contest is "Freedom's Open Door." The maximum number of words is 1000, and any student in the public high school is eligible to enter. There is no age limit.

The prizes are first prize, \$10; second prize, \$5; and third prize, a bronze medal. Entry blanks will be available soon at Plymouth High school.

Austin Taxi Remains in Play-Offs Despite Loss

The "D" league play-offs are well under way as the Red Birds jumped on the Austin Taxi team Wednesday, Feb. 28 and dumped them 49-28. On the next day Austin Taxi popped right back and downed the league leading Encines 19-27 to remain in the play-offs.

Due to the Flu attacks to several Encines players, their game scheduled for Monday was postponed until Thursday, March 8.

In Oklahoma City, in a robbery attempt, an armed thug and his helpful black chow dog beat and bit Gas Station Attendant Earl Nossiff.

Mettelals Return from Florida Honeymoon

Mr. and Mrs. Louis Mettetal have returned from their Florida honeymoon and are now residing on Wellington avenue in Dearborn. Mrs. Mettetal is the former Gwendolyn Estella Moore, daughter of Mr. and Mrs. Emerson Moore of Dearborn. Louis is the son of Mr. and Mrs. Raphael Mettetal of Lolley road, Plymouth.

The rites were performed on Saturday evening, January 27, at 8 o'clock by the Rev. Henry Walsh, D.D. in the First Presby-

terian church, Palms and baskets of white glads and snappagons formed a background for the impressive ceremony. Mrs. William Ryan, the bridegroom's sister was the soloist.

The bride, given in marriage by her father, wore a gown of candlelight satin and lace trimmed in sweet pearls. She carried a bouquet of white glads and roses centered with an orchid.

Miss Doris Bishop of Meaford, Ontario was Gwendolyn's maid of honor. Her gown was of rose pink satin with a full skirt and mandarin top. The bridesmaids wore Mrs. Vernon Ashby, Mrs. Paul Miller, and Mrs. Francis Karker. Their gowns were identical to that of the maid of honor and in mint green. All carried bouquets of white glads and pink roses.

For his best man, Louis asked his brother, Marvin Mettetal. Another brother, Robert Mettetal, Francis Karker, and Robert Bregley were ushers.

Miss Moore was dressed in Navy blue sheer with lace trim and a blue crepe.

Following the wedding reception for about 100 guests was held in the home of the bride's parents in Dearborn with guests coming from Meaford, Ontario, Toronto, Wyandotte and Plymouth. For her going away the new Mrs. Mettetal wore a suit of Royal blue with matching accessories.

Observe Easter Week With Noonday Services

Easter week will again be celebrated with noonday services during the Holy Week, March 19-23, and the traditional Good Friday Three Hour Services at the Penn Theater.

The Plymouth Ministerial Association will again sponsor noonday services at the Penn Theater on Pennington avenue opposite the Penn in Plymouth. They will begin promptly 12:15 and be finished at 12:50.

Top of the Plymouth Protestant churches are participating in speakers representing four denominations at the services.

These speakers are: The Rev. Charles W. H. Scott, Superintendent of the Michigan District of the Assemblies of God; The Rev. Walter A. Shinn, Pastor of the State Fair church of God in Detroit; Major Roy J. Mahon of the Salvation Army; and Sgt. and the Rev. W. M. McGuire, D. D., District Superintendent of the Michigan District of the Assemblies of God.

William Roberts is the

General chairman of the services, with other local ministers assisting.

The services will of course be open to all, and will make possible a proper preparation for the joyous Easter season.

Appropriate hymns will be directed by the Rev. William O. Wilton and Miss Evelyn Woods will accompany the singing on an organ.

Thinking the week of preparation will be the traditional Good Friday Three Hour service from twelve to three.

This, too, will be held in the theater, and will have meditations on the Seven Last Words of Christ by members of the Ministerial Association.

Solos and other appropriate music with scripture readings and prayer will make up the program.

The time, place, and date again are: Daily, Monday through Thursday, March 19-22, 12:10 to 12:50, and Good Friday, March 23, 12:00 to 3:00 p.m. All services at the Penn theater.

St. John's Choir Offers Cantata

The choir of St. John's Episcopal church will present the well-known DuBuis Cantata, "The Seven Last Words of Christ" on Palm Sunday evening, March 18, at 8:00 p.m.

The performance will take place at the church on Harvey and Maple streets in Plymouth.

Under the direction of Harper Stephens with Miss Marie Branter at the organ, the featured soloists will be Ernest Williams, tenor, and Ross Whithead, baritone.

The twenty voice choir of St. John's church has been rehearsing the Cantata for some time now for this performance.

The public is cordially invited to attend this outstanding musical event. Not only is this one of the better known Cantatas, but it is an especially appropriate one for the Passion Season.

Based upon the traditional seven last words from the cross, the composer has treated them beautifully and effectively and very much in keeping with the theme.

St. John's Guild Holds Meeting and Luncheon
St. John's Guild will hold a meeting Thursday, February 15, at 12:30 p.m. with a cover dish luncheon at St. John's Episcopal church.

Valter Poole Speaks to Symphony Society
The Plymouth Symphony Society's annual dinner meeting will be held March 23 at 6:45 p.m. in the Crystal Room of the Hotel Mayflower. The speaker will be Valtter Poole.

Tickets may be obtained from Norma Cassidy or from any board member.

Mrs. William Scumler, Mr. Henry Rowe, and Mrs. Allan Campbell served lunch to the orchestra following the rehearsal Monday night.

New B.F. Goodrich Tubeless Tire is real "peace-of-mind tire"

— says J. A. Mitchell, of Pittsburgh, Pennsylvania: "10,000 miles with no apparent wear or tear. Look like the day they were put on. Real peace-of-mind tires."

Tubeless Tires have been in use for five years. And thousands of motorists are now driving on them. Yet, we have never heard of a Tubeless Tire blowing out under normal running conditions due to impacts or bruises—the usual causes of blowouts! Here's why B.F. Goodrich Tubeless Tires give you driving peace-of-mind like you've never had before.

- No Tube To Go Flat!
- Safety At High Speeds!
- Seals Punctures While You Drive!
- Costs Less Than Regular Tire and Safety Tube!
- Long Mileage!
- Fits Your Present Rims

Here are a few typical reports from users:

"Sounded tire investment I ever made for riding comfort, trouble-free no less." — G. K. STANFORD, Madison, Utah.

"31,000 miles on police car—have taken out over 40 sharp objects—none removed." — Rev. D. I. DUNCLE, Pipestone, Minn.

"Over 22,000 miles with no flats or blowouts, though many nails have been removed." — Rev. D. I. DUNCLE, Pipestone, Minn.

Big Task Made Easy

R. L. WARNE
Sault Ste. Marie, Mich.

How the telephone and the courteous, efficient work of Sault Ste. Marie switchboard operators saved the day for R. L. Warne, Michigan manager of a Canadian radio station, is told in a letter he wrote to the manager of Michigan Bell's telephone office in the Soo:

"It was 2:30 on Friday afternoon when I received a call from the attendance chairman of our service club, reporting that he was ill and could not contact the members or reservations for our inaugural. This put me on the spot, because of my being chairman of the affair. Something had to be done quickly, because reservations were due at the hotel the next day.

"You see, it was the day of the telephone handy, as if having a dozen helpers at my disposal. Calling 65 members was a big task made easy through the courtesy and efficiency of your people."

It's people who make telephone service good

The Broderick Crawfords shine

with the "Range of the Stars"

... ELECTRIC, of course!

Broderick Crawford starring in "BORN YESTERDAY," a Columbia picture based on the famous stage play.

MIXED GRILL

Broderick Crawford's choice

- 4 lean lamb chops, ea. 1 inch thick
- 2 tomatoes, halved
- 8 small pork sausages
- Melted butter or margarine
- 1 large cooked veal, halved
- Salt and pepper
- 1 table spoon chopped chives

Place chops and sausages on rack of broiler pan; turn switch to broil. Place pan so that surface of meat turn toward broiler unit. Leave oven door open about 4 inches from broiler unit. Leave oven door partly open. Broil 6 to 8 minutes. Turn chops and sausages. Add yams and tomatoes; brush with melted butter; sprinkle with salt and pepper; scatter chives on tomatoes. Broil 6 to 8 minutes longer. Arrange on hot platter. Yield, 4 servings.

"My wife ought to get an Oscar for cooking," says Broderick Crawford. "The way she broils my favorite dish in our Electric Range, she can't be beat!"

"The Electric Range broils everything to perfection," says Mrs. Crawford. "It's the nearest thing to charcoal broiling. Whether you want it rare or well done, an Electric Range will give you just the result you want."

You, too, can enjoy modern electric cooking. It saves money, time and trouble. Stop in and find out how!

Come in and see THE RANGE OF THE STARS ... of course it's ELECTRIC!

Here's How A&P's "Low Price. Low Profit" Policy Helps the Wage-Earner's Pocketbook . . .

Customers' Corner

We have always been proud of the outstanding meat values we offer at A&P.

But we know that value means more than just low prices.

That's why our skilled meat buyers are trained to know quality and insist upon it.

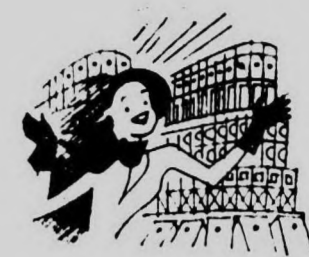

That's why our skilled butchers are trained to cut meat properly, weigh it accurately, wrap it securely . . . in short, to give you the kind of meat and service you want.

If there's anything we can do to make your meat department a better place to shop, please let us know. Please write:

CUSTOMER RELATIONS DEPT.
A&P Food Stores
420 Lexington Ave., New York 17, N. Y.

1. ONLY ONE CENT PROFIT ON YOUR DOLLAR. To make it possible for you to get big values, A&P takes a very small profit . . . only one cent or dollar of sales.

2. STOREWIDE LOW PRICES ON HUNDREDS OF ITEMS EVERY DAY. Instead of just a few "week-end specials," this helps you save on your total food bill any day you shop.

3. ALL ADVERTISED PRICES GUARANTEED FOR A FULL WEEK to protect you against rising prices. This guarantee includes prices of items not subject to price ceilings.

4. PRICES PLAINLY MARKED ON ALL ITEMS. So that you can see at a glance what you're spending while you shop, A&P plainly marks prices on all items . . . not just on the shelves.

5. ITEMIZED CASH REGISTER RECEIPT. To make it easy for you to check your purchases after you get home, A&P gives you a cash register receipt itemizing everything you've bought.

6. MONEY-BACK GUARANTEE OF SATISFACTION. To assure you of complete satisfaction, A&P guarantees to refund the full purchase price of any article that fails to please you.

A&P Believes This "Low Price, Low Profit" Policy Saves the Wage-Earner More Money

All prices shown here (including those of items not subject to price ceilings) are guaranteed—Wednesday, March 7th through Tuesday, March 13th.

25 Years Ago

On Tuesday evening, March 2, the home of Mr. and Mrs. Ernest Vealey was the scene of a very pleasant gathering when the couples named below helped them celebrate the 25th anniversary of their wedding. Mr. and Mrs. Frank Murray, Mr. and Mrs. Norman Miller, Mr. and Mrs. Harry Green, Mr. and Mrs. I. Lewis, Mr. and Mrs. LeRoy Jewell, and Mr. and Mrs. Will Kaiser.

"Old Timers" have been especially invited by Manager Roy E. Crowe of the Plymouth exchange of the Michigan Bell Telephone company, to participate in the local observance of the 50th anniversary of the telephone, the 49th anniversary of the service in Michigan, and the 28th anniversary of service in this community.

Among the "Old Timers" and pioneer users of the service were E. C. Hough, A. A. Talft, William Hoyt, Kate Allen, E. C. Leach, C. H. Rauch, J. R. Rauch, whose names appear in the first list of subscribers to telephone service here.

Little Katherine, youngest child of Mr. and Mrs. Maxwell Moon, was taken to Harper hospital last Friday, and operated upon Saturday for mastoid. Both

she and her sister, undergoing the same treatment, are doing nicely.

Plymouth's request for a federal school aid grant of \$190,000 is the second claim on file from the state of Michigan for increased facilities made necessary by national defense activities. It was learned by George A. Smith, superintendent of Plymouth schools, last Thursday when he was in Washington, D. C., to check on the status of the request filed by the Plymouth board of education in January.

Twelve volunteers in the 210th Coast Artillery unit from the Plymouth district left Tuesday for the First Sergeant Stanley Allen, privates John Nelson, Earl Beckwith, Roy Weston, Elmer Fulton, Fred Drew, Elmer Phillips, Clyde Lasslett, Fred Beck, Gilbert Rohde, Orin Horn, and Norman Jackson.

In keeping with its practice of offering employees all possible advantages, the Wall Wire Products Company has just installed a new pension plan. The plan was negotiated by Harold Curtis, local representative for the Connecticut General Life Insurance company of Hartford.

Two new commercial buildings now under construction in Plymouth will be completed in the near future. The new C. F. Smith store on Penniman avenue is scheduled for completion by March 15, according to Contractor Daniel S. Mills, and the new professional center building on W. Ann Arbor trail will be completed by the end of the month, according to Contractor Richard Widmaier.

with your help

It takes more than our government's fine medical treatment to ease a disabled veteran over the rough spots. Often days seem long, recovery slow, the future hopeless. At such times, a helping hand, an understanding word—knowing that somebody cares—is the best medicine of all. Your Red Cross workers now provide this neighborly interest, this miracle-working medicine for 134,000 hospitalized veterans. For veterans and their families, your Red Cross also gives emergency financial assistance, helps with personal and family problems, engages in recreational and welfare programs. Support these worthwhile activities by giving to your Red Cross. Give now—and give generously!

Roger Babson Says --

Babson Discusses Prices Ten Years Hence

Babson Park, Fla., March 8. This week I am not discussing the immediate effects of inflation which I have already covered. Rather, I am telling you what will happen ten years hence. During the past ten years our dollar has declined in value to about fifty cents. If we should get into World War III, I expect, during the ten post-war years, our dollar will become worth less than twenty-five cents. How can readers protect their hard-earned savings under such conditions?

Health and Education

Cold statistics show that the greatest wealth consists of good health and good judgment. The most wasteful people and the poorest investors are those who sacrifice their health for money, pleasure, or social position. They will ultimately be treated by society as an orange peel is treated after one has sucked out the juice. Hence, wise investors will put health first. The next best investment is to give our children good, practical education and sane, religious ideals. Therefore, storing up physical, mental and spiritual resources is of great importance. These are the best hedges against long-term inflation. The less the dollar becomes worth, the more these reserves will be worth.

With these blessings you surely will also want a home. If you have none and have the funds, buy one now. When you buy commodities for less than they can be produced, or buy land for less than it can be cleared, or buy a house for less than it can be built, all for your own use, you are sure to make money. Some day people will see the light and switch some of their bank accounts, which may constantly become of less value, into good land and houses. Remember there are over two hundred billion dollars almost idle in bank accounts or disposable government bonds which could be spent for better homes.

What About World War III?
Only Mr. Stalin knows whether World War III will start in 1951. His present policy seems to be to scare us with violent propaganda, to spend hundreds of billions more on armaments and thereby force serious inflation and depression upon us. Russia may believe that the easiest way to beat the capitalistic system is to make it non-profitable. If so, this surely will cause our people to scramble for real estate, commodities (oils, meats, etc.) and the stocks of merchandising companies. They will buy no bonds except "Convertibles."

Some ask who will then have the money to buy farms, houses, and other real resources? My answer is that the farmers, merchants, and even wage-workers who now have over a billion of almost idle funds will then have the money. Not being satisfied with what they now have and hating to pay taxes, I fear they will force the Government to print more paper money and issue more bonds. As a result, if World War III should come, I expect to see, during the post-war years, letter postage at twenty-five cents, hair cuts at \$5.00, and common labor at \$100.00 per day.

Conditions in the United States will be tough for all who are now living on their money; but those with character, education, and energy to work will come through okay. Just as the brains of man overcame the wild beasts, England and Western Europe should overcome the savages of Russia and elsewhere. Their representatives now yelp and howl, like animals, at the sessions of the United Nations; but we have nothing to fear if we continue to build up our health, our intelligence, and put our money into real property instead of depending upon paper profits or perhaps even bank books.

We may temporarily "lose face" by quitting Korea, Indo-China, India, Burma, and China will appear to scare us off. If we avoid fighting war with the Chinese, they will some day quit Russia and come back to us. We should now think of the needs of our children and grandchildren ten or more years from now. This means that we should now spend less on nonessentials, but along with military preparations, we should invest more in good religion, good health, good education, good land, and good houses, which should double in value, war or no war.

Working Women Receive Gains in Social Security

Self-employed women, of whom there are thousands in the National Federation of Business & Professional Women's clubs, will look at brighter financial skies after January 1, 1951, according to Judge Sarah T. Hughes of Dallas, Texas, President of the organization.

"Amendments to the 15-year-old Social Security Act, effective January 1, now make it possible for several categories of women to come under the protection of the social security act," Judge Hughes said.

"Approximately four and 3/4 million self-employed persons whose annual net income is at least \$400 will be covered. The self-employed not eligible are farmers, doctors, lawyers, osteopaths, chiropractors, optometrists, Christian Science practitioners, naturopaths, professional engineers, accountants and funeral directors.

"Seventy-five percent of the 1,000,000 domestic workers covered under the new law are women, and 70 percent of the 600,000 workers in non-profit organizations now eligible for coverage are women.

"Another social security gain for women is found in 1,450,000 state and local government employees who will be eligible for social security benefits. This excludes those now covered by a retirement system.

"A wife of a retired wage-earner who has young children in her care now receives benefits even though she is not yet 65.

"In addition a child of a woman wage-earner who dies will get monthly benefits on her record even though her husband survives; provided she is currently insured.

"These are just a few of the amendments to the Social Security Act. If you were not covered before, check with your nearest Social Security office to make certain of your rights and take advantage of them."

That's the advice Judge Hughes gives to the 160,000 members of her Federation, and to all women who work.

One of the big changes in farming in recent years is that it's easier to go broke in the business than it used to be. The reason, according to agricultural economists, is the big investment required by the modern farmer.

Hold Rites for Mrs. Cherossky

Funeral services were held from the Richardson Funeral home at Walled Lake for Mrs. Minnie D. Cherossky, a former Plymouth resident, who passed away Wednesday, February 28, in her home in Walled Lake.

Mrs. Cherossky was born in Pettigill, Ohio, on September 30, 1890. Interment was in Riverside cemetery, Plymouth, with Reverend Morse of Novi officiating.

Surviving are her husband, Joseph; a daughter, Lorraine Aquino, of Plymouth; two grand-children, Benice and Mary; and a sister, Mrs. Nellie Alleman of Toledo, Ohio.

Mrs. Cherossky was a past Counsellor of the Daughters of America of Plymouth. Pall bearers were Harold Cushman, James Munson, Marino and Charles Aquino, Clifford Rogman and Thomas Humble.

Hints For Plymouth Homemakers

*Suggest Indian Meat Loaf
to Add Spice for Supper*

Meat loaves know no season. But perhaps these March days your combination of ground meat with the spicy condiments favored by the family have a special position on menus.

And perhaps you'll want to give your loaves a varied serving accompanied by a sauce such as hot barbecue, olive or horseradish.

For the finest serving whether it be a beef, veal, lamb or fresh or smoked pork loaf or combination it must be slowly roasted. Recommended temperature for fresh pork or a mixture containing fresh pork is 350 F. All other loaves should be roasted at 300 F.

Of course meat loaf isn't strictly a loaf. The ground meat mixture may be placed in a ring mold or in muffin pans or other individual molds. Your imagination and the occasion can dictate the size and shape.

Still another change in your meat loaf may be the addition of ingredients. Chopped green peppers, pickles, olives, hard-cooked eggs all add a color touch to the finished loaf. Or as in the following recipe, whole kernel or cream-style corn may be the new ingredient.

INDIAN MEAT LOAF
1 pound ground beef
1/2 pound ground pork
1 egg
1/2 cup corn meal
2 teaspoons salt
1/4 teaspoon pepper
1/2 teaspoon sage
1/2 cup chopped onion
1/4 cup chopped green pepper
1/2 cup cream-style corn
1 1/2 cups canned tomatoes

Combine all ingredients, mixing well. Pack into a loaf pan 5 x 9 inches. Bake in a moderate oven (350 F.) for 1 1/2 hours. Six to eight servings.

Shop the easy way. Read our advertisements first, then you will know where to buy, at the price you want to pay.

*Offer Quick
Dinner Menu*

This situation may arise in your home:

It's club day and the homemaker arrives home only a matter of minutes before her hungry family.

To meet the situation, prepare a tempting last minute meal of creamed dried beef and curried rice.

In preparing this easy meal, quick cooking rice, which requires only 12 minutes' preparation time, is used. Curry powder is added to the boiling water and the rice prepared following instructions on the package.

When cooked, the rice is placed in a greased ring mold and allowed to stand for 10 to 15 minutes.

In the meantime, the creamed dried beef is prepared. Butter or margarine is melted in a frying-pan, shredded beef and chopped onion added and the mixture stirred constantly until lightly browned.

Milk is then added, the mixture thickened with flour and allowed to boil for two to three minutes.

For attractive serving, the rice is unmolded on a large platter and the ring temptingly filled with the creamed dried beef.

A mixed vegetable salad and bread may be included in the menu. To complete this attractive, quick meal, canned or frozen peaches or fruit compote and crunchy cookies are served.

In Bartow, Fla., after an automobile smashed the door and two plate-glass windows of his laundry, undaunted John W. Edwards posted a notice: "Business as usual. Bartow's only drive-in laundry."

Grange Gleanings

Thursday, March 15, is the date of the next Grange meeting. There will be an interesting speaker from Ann Arbor. The meeting will be held at 7:30 p.m. Special music will highlight the program.

Be sure to come to the Grange card party on Saturday evening, March 10, at 8 p.m. Different games will be played with gifts for each table, refreshments served, and a hand-made quilt will be given away at this party.

The meeting of March 1 was well attended. Over 60 members enjoyed the potluck supper and the short program that followed. Everyone enjoyed the old-time dancing to the music of Otto Ernest, violinist, and a piano accompanist.

V.F.W. News

There was a good turn-out of members on the date of the monthly visit to Maybury Sanatorium Sunday, February 18. Hospital chairman, Ann Thompson, expresses her appreciation to those in Plymouth, who contributed jig-saw puzzles and magazines.

There is always a demand for more playing cards, so if you have any used decks that you would like to give to the Veterans, please contact an auxiliary member or leave them at the Veteran's Memorial Center (basement room). The auxiliary girls are now making several dozen pairs of "scuffies" for distribution at the hospital.

One project being sponsored by the auxiliary in connection with its community service program is the serving of coffee and doughnuts to the boys from the Plymouth area, who leave Plymouth by bus for military service.

February 26 was the last date of departure and at that time approximately 70 persons were served, including the families who accompanied the boys. We wish to say a special "thank you" to Mr. Widmayer, manager of the local Kroger store for contributing the doughnuts and to Betty and Norman Marquis for donating the coffee and the use of their restaurant on North Main street.

Quill and Scroll Club Initiates Five Writers

The Edna M. Allen chapter of the Quill and Scroll club of Plymouth High school held a formal initiation for five new members on Thursday, March 1, at 1:30.

The new members are Norma Van Dyke, Jim Brinks, Jerry Corv, Margaret Klingbell, and Dolly Lewis.

The Quill and Scroll club is the International Journalism Honor Society with headquarters at Northwestern University in Chicago.

In order to be eligible for membership a student must be a junior or senior in the upper third of his class, must have 50 inches printed in the school paper, and must be recommended by the advisor to the paper or annual.

These qualifications are also checked by the national executive secretary.

New Varsity Members to be Dinner Guests

The new members of the Varsity club of Plymouth High school will be guests at a dinner to be held at the Wayne County Fraternity school soon. There will also be dancing, bowling, and other games on the program.

These new members have earned varsity letters in either cross country or football.

Library Club Stages Spring Sock Hop Dance

The Library club sponsored a dance entitled the "Spring Sock Hop" which was held in the Plymouth High school gymnasium from 8 to 11 p.m. Friday, March 2.

The committee of the dance was as follows: general chairman, Pat Oulas; chairmen, Barbara Smith, Jeannette, Bruce Foster and A. S. Parkview; assistant chairman, Madeline Jones; publicity, Joyce Smith; tickets, Don Lightfoot; program, June Stumler and the group, Oliver Manly.

The dance was a success and the proceeds will be used for the purchase of duplicate pins for each member of the club.

Dancers from College Perform at Assembly

Dancers from Central Michigan college of Education at Mount Pleasant under the direction of Miss Grace Ryan entertained at an assembly sponsored by the Hesco's on March 6.

Senior High saw the performance at 10:30 and the Junior High at 11:00.

Seventh grade sponsored an assembly on February 26, for the purpose of showing how hockey is played.

Mr. Fred Nelson led the students in singing the "Star Spangled Banner," while Dick Root led the "Pledge of Allegiance."

The N.H.L. Playoffs, a movie on hockey, was shown with Bob Young performing as M. C.

Now Kaiser-Frazer's Henry J

can save you \$179 to \$786

your very first 10,000 miles! Compare these savings against any other full-size car on the road.

<p>save \$104 to \$538 cash</p> <p>Right at the start, you'll have to spend up to \$538 more for other competitive full-size two-door passenger cars in the low price field. And you wouldn't get the smartness or the performance of the Henry J!</p> <p>Initial savings—up to \$538</p>	<p>save \$10 to \$20 on tires!</p> <p>To begin with, you save about \$8 on the price of the Henry J tire—a \$90 against the \$70. Then you save up to \$12 more in less tire wear, for the Henry J has been engineered to give you up to 20% more tire mileage.</p> <p>Tire savings—up to \$20</p>	<p>save \$45 to \$98 on gas</p> <p>With its amazing economy of up to 30 to 35 miles per gallon, the Henry J can save you up to more than 300 gallons of gas over the economy of the average car—every 10,000 miles! That can add up to as much as \$98!</p> <p>Gas savings—up to \$98</p>
<p>\$10 to \$50 less maintenance</p> <p>The Henry J has been economy-engineered! Its Super-silent Engine is simple to adjust. Its body has fewer, less expensive parts, with everything easy to get at. Example: Rear fenders, not welded on, unscrew in minutes for quick tender work.</p> <p>Maintenance savings—up to \$50</p>	<p>save \$10 to \$60 in fees</p> <p>Your savings will vary from state to state; but when you add up your Federal, local and state taxes, interest charges, insurance costs and license fees, you'll find there's considerably less to pay for the Henry J way!</p> <p>Fee savings—up to \$60</p>	<p>as low as \$49 a month!</p> <p>There's another saving to your budget—the low monthly payment possible on your Henry J! If your car is an early postwar model in good condition, for example, your Henry J payments can be as low as \$19 a month!</p> <p>Total savings: cost, tires, gas, maintenance fees—up to \$766!</p>

1950 road taxes paid by this vehicle \$2209.54

Special motor fuel, weight and mileage taxes are paid by every commercial vehicle operating on Michigan highways. The total of special taxes paid by any one vehicle varies according to the amount that unit actually uses the highways. Typical commercial hauling units pay sums ranging from \$1500 to \$2500 per year.

Last year, commercial vehicles paid \$30,000,000 to the state in such special taxes—two and one-half times the state's total bill for maintenance of trunk highways.

Yes, trucks pay their own way on the highways—and more. Besides paying their own way, they deliver promptly the things that provide heat, shelter, food, and clothing for you and yours to your own "back door".
