

Construction Takes Dip During '60

For the second year in a row, construction in the Plymouth area took a dip, according to a year-end check of building permits in Plymouth Township and City — and the blame can be chiefly placed on the State's clamp-down on new subdivisions in Wayne County.

There were permits issued during 1960 for \$2,944,268 worth of construction. This is over a quarter million dollars less than in 1959 when \$3,172,427 worth of permits were issued.

The big difference lay in the building of new homes. While there were 204 permits issued for homes in 1959, last year there were only 84 issued in the Township and City.

For the past two years, the State Department of Health has not given approval to any new subdivision plats in Wayne County. New interceptor sewers are required before the ban is lifted — and it appears that this will be sometime this spring or summer.

The ban failed to hurt too much in 1959, because several subdivisions were already platted. But with lots gradually being filled, subdividers felt the squeeze this year.

Of the \$2,944,268 in construction, the City claimed \$1,924,378 worth and the Township the remaining \$1,019,890.

Township Building Inspector Howard Holmes reported that permits for 37 new homes were issued valued at \$496,500. This was a huge drop from the 123 issued in 1959.

Eleven permits for commercial buildings totaled \$372,000, with the largest going to the Detroit Bank & Trust Co. which built a \$90,000 facility on Wilcox Road.

There were also alterations and additions costing \$57,065; private garages valued at \$50,222; repairs made for \$28,013; and sign permits costing \$4,290. During the year there were three swimming pools built at a cost of \$6,950 and two barns costing \$4,850.

In the City building department, headed by Charles Thompson, 47 permits were issued for homes last year, compared with 81 in the previous year. Cost of the homes was estimated at \$707,305. There was also one multi-family unit built for \$23,000.

Commercial building permits were unusually high in the City last year. The largest was issued to Detroit Mutual Insurance Co. which is building a \$360,000 structure on Plymouth Rd. The Taubman Co. of Oak Park is erecting a new building on N. Main St. costing \$190,000 that will house Kroger and another business.

There was also some industrial expansion with \$155,100 in permits issued. Anchor Coupling Co. is building a \$72,500 addition while Bathey Manufacturing spent \$30,000 for a new building.

There were also residential additions and alterations made costing \$51,358; residential repairs valued at \$47,680 and garages built costing \$30,145. Additions built at three schools also added another \$144,000.

The all-time high in area building was in 1957 when it hit \$6.5 million, of which the new Western Electric plant was valued at \$2.5 million.

Paul Chandler Candidate For U. of Michigan Regent

Paul M. Chandler, publisher of three community newspapers in northwestern Wayne County, announced today that he is a formal candidate for the Republican nomination as Regent of the University of Michigan.

Chandler is 41 years old and a graduate of the University of Michigan in 1941, with an A.B. in political science. On the campus he was City Editor of The Michigan Daily, and member of the honorary fraternities Sphinx and Michiganama.

The Republicans will nominate two men for the office at the State Convention in Detroit's Cobo Hall on Feb. 4. No incumbents are seeking the office.

Chandler, who lives at 1115 Maple in Plymouth, is owner and publisher of The Plymouth Mail, The Livonian and The Redford Observer, weekly newspapers with a combined circulation of 46,000.

PAUL CHANDLER

An Editorial

Residents of Plymouth Township face a crisis at the polls Tuesday when a vote is to be taken on approving a charter for a "City of Plymouth Heights."

There are many reasons why this proposal should be defeated, most of which have been discussed by The Mail in the past.

For today, we would remind the voters of the biggest reason. It comes from a neutral study of the situation made by the Citizens Research Council of Michigan. The key sentence is:

"The least expensive method of maintaining PRESENT Township service levels is to remain a township!"

Small Turnout Is Biggest Fear In Tuesday's 'Heights' Election

3,356 Eligible Voters Live within Boundaries

There will be 3,356 persons eligible to vote in the City of Plymouth Heights charter election next Tuesday — but how many will bother to go to the polls to vote is worrying opponents of the new city.

Only those registered voters living within the boundary of the City of Plymouth Heights are eligible to vote in the election. Plymouth Heights includes all of that area within Plymouth Township east of McClumpha Rd.

The area west of McClumpha Rd. would remain as Plymouth Township if the charter were approved. There are 563 registered voters in that area.

Township Supervisor Roy Lindsay, who has declared himself an opponent of incorporation "at this time," said that those he has talked with are also opposed. At the Town Hall meeting last Thursday night which had the incorporation issue as its topic, the supervisor declared that complacency was the biggest danger in the election — that since it takes but a simple majority to pass the charter, one vote could mean the difference.

The Town Hall meeting attracted 148 people and drew out some of the questions that had been bothering them most. Nearly all of the questions from the audience

the Plymouth Township government has been retained since the new city could not operate without a charter.

The history of Plymouth Township incorporation moves and battles against annexations is an involved and legally-entwined story. It dates back to 1955 when there was a vote to annex the Roderick Cassady farm to the City of Plymouth and another vote on annexing the entire Township to the City.

The smaller piece was annexed; the entire Township wasn't. Since then there have been other annexation attempts and other incorporation petitions, most of which were declared invalid for one reason or another.

But the current petition was filed in June 1958 when it was learned that the Dearborn Development

(Continued on Page 8)

Bonds Go At Low Interest

Plymouth Township Supervisor Roy Lindsay is in Chicago today signing \$1,100,000 worth of bonds that will be sold to finance the expansion of the Township's water system this year.

First of Michigan Corp. was the low bidder on the bonds with an interest rate of 3.85 percent. The supervisor jubilantly declared that the interest rate was extremely good considering today's bond market.

There were five bidders for the bonds. Some localities have difficulty obtaining even one bid, Supervisor Lindsay added.

After the bonds are signed and returned to Detroit, they will be delivered to First of Michigan Corp. either this Friday or early next week.

After this is accomplished, the Wayne County Road Commission, handling the financing and contracting details for the township, will award the construction contract. The winning bidder was D'Agostini Co. Their bid was \$780,159.06 and they have promised a completion time of 180 days.

The supervisor expects work to start on the system by February. Plymouth Township's water system is now confined to Lake Pointe Village and Wilcox Rd. The expanded system will hook into a Detroit water main at Schoolcraft Rd. and Eckles and will cover much of the eastern side of the Township.

MAYOR VOTE FOR NOT MORE THAN ONE (1)	JOHN D. McEWEN <input type="checkbox"/>
CLERK VOTE FOR NOT MORE THAN ONE (1)	
TREASURER VOTE FOR NOT MORE THAN ONE (1)	
COUNCILMAN VOTE FOR NOT MORE THAN SEVEN (7)	DONALD KING <input type="checkbox"/>
	PETER PAUL TONKOVICH <input type="checkbox"/>
MUNICIPAL JUDGE VOTE FOR NOT MORE THAN ONE (1)	
CONSTABLES VOTE FOR NOT MORE THAN TWO (2)	
PROPOSITION Should the proposed Charter for the City of Plymouth Heights drafted by the Charter Commission started on February 16, 1958 be adopted?	YES <input type="checkbox"/> NO <input type="checkbox"/>

VOTING THE Plymouth Heights ballot shouldn't take electors long next Tuesday. There are 13 positions open but only three have filed nominating positions.

It is possible, however, to write in. The "Proposition" at the bottom presents the question of whether the charter shall be adopted.

Livonia Also Considered

Propose Sites Here For Community College

The Citizens Committee after the six school districts vote on the proposed North-west Wayne County Community College will have Board of Trustees would also be elected. If the Board of Trustees passes, the Board would make the selection from the seven approved sites.

The Committee had a 10-point check list in selecting the possible sites. The sites, which are all located in the Livonia and Plymouth School Districts, have a minimum of 150 acres which will allow for future expansion.

Districts in the college area are Livonia, South Redford, Redford Union, Plymouth, Clarenceville, and Garden City.

The proposed sites are as follows:

(1) Between Six Mile and Curtis, west of Farmington Rd., cost approximately \$4,200 per acre.

(2) North of Six Mile and approximately 200 yards east of Newburg Rd., cost to be \$4,500 per acre, with recommendation to construct ponds to lower fire insurance rate.

(3) South of Six Mile east of Newburg, cost approximately \$4,000 per acre with recommendation for construction of ponds to lower fire insurance rate.

(4) South of Seven Mile Rd., east of Haggerty, cost would be from \$3,000 to \$3,500 per acre with also a suggestion of constructing ponds.

(5) Plymouth School District, located in Plymouth Township bounded on the north by Ann Arbor

Teens Sell Peanuts For Polio Saturday

This Saturday will be the annual Teen Day during which between 40 and 50 local youngsters will be selling peanuts for the New March of Dimes.

Students from the Junior High and Our Lady of Good Council will be on the downtown sidewalks Saturday from 9 a.m. to 4 p.m. with bags of peanuts sacked especially for the dime drive. Any donation will be accepted.

Mrs. Harry Bartel, chairman of the Teen Day, said that any teens wanting to volunteer may call her at GL 3-2708.

Coffee-for-Polio parties are again popular in Plymouth. At these parties, the hostess serves coffee to invited neighbors, who in turn donate any amount they wish to the March of Dimes. Mrs. Charles Olson was the first to give one last week and others are planned. Information about how to stage a party can be secured by phoning Mrs. James Shaw, GL 3-4688.

Adult Education Registration Begins Next Monday

Some Questions, Answers About The Election

Q. Where and When is the election?

A. Tuesday, Jan. 17. Polls are open from 7 a.m. to 8 p.m. Voters will go to their usual precincts to vote. Only those living within the boundary of the proposed City of Plymouth Heights may vote, however. It is not for City of Plymouth residents or Plymouth Township people living west of the center line of McClumpha Rd.

Q. What will be on the ballot?

A. The voting machines will first list the candidates for office. Below this, under the heading "Proposition," will be the question of "Should the proposed Charter for the City of Plymouth Heights drafted by the Charter Commission elected on February 16, 1959, be adopted?" Beside the question are two levers, one for "Yes" and the other for "No."

Q. What will happen if the majority vote in favor of the charter?

A. There will be a new city called the City of Plymouth Heights.

Q. What happens if it is defeated?

A. The present Plymouth Township government will be maintained.

Q. What happens to the candidates if the charter is turned down?

A. They will have no office to hold.

Q. Why are there only three men running for office when there are 13 jobs listed?

A. They were the only three who filed petitions for the positions. It is possible to "write in" names by pushing back the metal slide located at the left on the machine.

Q. What would happen to the portion of Plymouth Township west of McClumpha Rd. if the eastern half becomes a city?

A. This portion would remain a Township. Supervisor Roy Lindsay, asked this question at the Town Hall meeting last week, replied that the new administrators would be meeting every night for a year with auditors and attorneys attempting to divide the assets between Plymouth Heights and Plymouth Township. Property would be divided on a basis of the ratio of valuation in each community.

Many of the assets of the present Township could not be physically divided since some things, like the Township Hall itself, sewer and water mains cannot be moved. This division would be a tremendous task, everyone admits.

Q. What groups are in favor of the charter and which are against?

A. No groups, and very few individuals, have announced support of the charter. Township Hall

(Continued on Page 8)

George-Ann Bauer Weds Donald Golem

George-Ann Bauer was united in marriage to Donald R. Golem at an afternoon wedding Dec. 31 at the First Presbyterian Church. Dr. Henry J. Walsh solemnized the ceremony.

The bride was given in marriage by her father, George Bauer. She wore a white taffeta floor-length gown. The neckline was outlined with lace and embroidered with pearls. Her veil was waist length and topped with a pearl tiara. She carried a cascading bouquet of roses, stephanotis and English ivy.

Maid of honor was the bride's sister, Mary Frances Bauer. Karla Jean Herbold was bridesmaid. They wore red velvet street-length dresses with matching hats, and carried small bouquets of white carnations and ivy.

David Graves sang the solo, "Whither Thou Goest," accompanied by Fred Nelson on the organ.

Best man was Paul Chandler. James Sponseller and Donald Stewart were ushers. The bride's mother wore a green silk dress with matching hat and black accessories and carried a purse corsage of white carnations.

Following the wedding, a reception was held in the church parlors for 120. Guests came from Hastings, Grand Rapids, East Lansing, Yellow Springs, Ohio and Plymouth.

The bride's going-away outfit was a gray suit. With it she wore a green and blue hat and black accessories.

Following the honeymoon trip to New Orleans, the couple will reside at the River-view Apartments in Detroit.

Lt. Spigarelli - JoAnne Gordon Nuptials Held in Chicago

Lt. Raymond F. Spigarelli, 28, took as his bride JoAnne Gordon at a 7 p.m. ceremony at St. John's Lutheran Church in Chicago, Dec. 28. Pastor Henry Blanke united the couple.

The bride was given in marriage by her father, Walter Gordon. She wore a white velvet floor length gown with sweep train. Her pearl crown and fingertip veil completed her outfit.

Mrs. Karen Wood of Aurora, Ill., was matron of honor and Mrs. Carol Norgaard of Chicago was bridesmaid. They wore green satin street-length dresses and carried white fur muffs trimmed with holly.

Alfred Spigarelli was best man and Ralph Spigarelli was groomsmen. The bride's mother wore a two piece blue-green silk dress with chiffon bodice beneath the jacket. The groom's mother wore a two piece beige dress with a chiffon skirt. Both mothers had white flowers.

Christmas trees and wreaths decorated the church and the pews were adorned with ribbon and candles. Green was the predominant color. The reception following the ceremony was held in the church parish hall.

The bride's going-away outfit was a two-piece brown wool dress. The couple honeymooned in the Ozarks on their way to Oklahoma, where they will make their home.

The bride is a graduate of Pasavant School of Nursing in Chicago and attended Michigan State University. The groom graduated from Plymouth High and Michigan State as a distinguished military student.

Engaged

Miss Beverly Wendlandt

Mrs. James Heath, of Farmington Township, announces the engagement of her daughter, Miss Beverly Wendlandt to Mr. David Bratton, son of Mr. and Mrs. Courtney Bratton of Houston, Tex., formerly of Plymouth. Miss Wendlandt is also the daughter of Mr. Clarence Wendlandt of Livonia. A fall wedding is planned.

Zielasko's Repeat Vows on 50th Wedding Anniversary

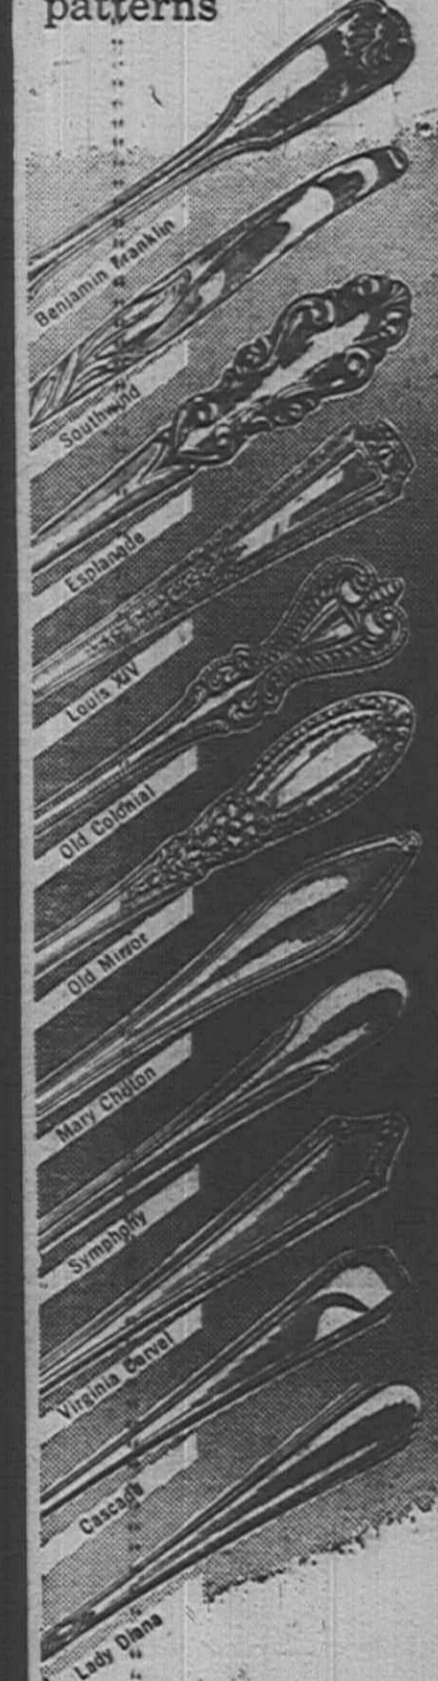

Mr. and Mrs. Anthony F. Zielasko, 7673 Hix Rd., Plymouth, were honored by their children on their 50th wedding anniversary, Thursday, Dec. 29.

At Mass at Our Lady of Good Counsel Church the couple repeated their marriage vows with their original attendants, Mrs. Verna Wallace of Detroit and Mr. Joseph Zielasko of Plymouth, with Rev. Father Francis C. Byrne officiating.

Breakfast at Hillside Inn for the immediate family followed and a buffet-reception was held in the evening at Hillside Inn for relatives and friends with over 100 guests attending.

Mr. and Mrs. Zielasko have lived in the Plymouth area for the past 60 years. They were married at St. Mary's

USE OUR CONVENIENT LAYAWAY OR CHARGE

TONI TODD

George-Ann Bauer, who held down this job on the women's desk of The Plymouth Mail during the latter part of 1960, ended the year on Dec. 31 with a trip to the altar. The bridegroom was Don Golem, advertising director of The Mail's sister publication, The Livonian. Miss Karla Herbold, who subbed as women's editor for several summers during college vacations, was a bridesmaid. And publisher Paul Chandler was best man while ushers were The Mail's advertising director, Don Stewart, and Managing Editor Jim Sponseller. So it was inevitable that someone soon came up with the bright observation that this was the "first all-Mail wedding in history."

We thought it would be nice if the bride, who has written scores of weddings, would do the honor of writing about her own. But alas, during all of the excitement, the newlyweds escaped without the bride even filling in the usual wedding information sheet. With so many journalists in the crowd, however, we managed to piece together the facts without help from the bride and bridegroom, to whom we would like to extend the fairytale finale—"and they lived happily ever after."

Some of the wedding guests offering congratulations and best wishes to the happy couple were: Mr. and Mrs. Kenneth Hulsing, Mr. and Mrs. William V. Clarke, Mr. and Mrs. James Houk, Mr. and Mrs. Joseph Witwer, Mr. and Mrs. Harry Christensen, Mr. and Mrs. Roswell Tanger, Mr. and Mrs. Carl Finney, Mr. and Mrs. William Cox, Mr. and Mrs. James Jimmerson, Mr. and Mrs. James Nairn, Mr. and Mrs. Horton Booth, Mr. and Mrs. S. J. Busetto and Mrs. Eugene Boze to name but a few.

Correspondence from our beauty and fashion writer, Jerry Seibert, informs us that she has had two juvenile biographical books published during the year just ended; "Amelia Earhart: First Lady of the Air" and "Sacajawea: Guide to Lewis and Clark." This many-faceted personality is quite a versatile public speaker, too, and orates before children's and adult groups alike, speaking on a wide range of subjects that covers beauty and fashion, grooming, famous women, and biographical sketches.

Local PTA and club program planning committees who might be interested in having Jerry speak can be put in touch with her through The Mail.

In compliance with the reader interest emanating from last week's interview with Alice Swainson and the query asking if we knew where Michigan's First Lady had her hair done, we didn't, but decided to check, and Mrs. Swainson graciously informed us she goes to Midge's Beauty Salon here in Plymouth.

Speaking of matters concerning the State, we've received an addition to the list of people from the Plymouth area who traveled to Lansing to attend the Inaugural Ball and other ceremonies for Gov. and Mrs. John Swainson. The 17th District took over the Riverside Manor and those from here during the two-day affair not previously listed were: Mr. and Mrs. Howard Munzer of Parkview Dr., Mr. and Mrs. Charles Root, Jr., of Ann St., Mr. and Mrs. Charles Bartolo of East Ann Arbor Trail, Mr. and Mrs. Joseph Haefner of Hartsough and Dr. and Mrs. Albert Kalin of Haggerty Rd., Northville.

BIRTHS

Mr. and Mrs. Ernest Forbing announce the birth of their new baby daughter, Toni Kay born Jan. 4, 1961 at Beyer Hospital, Ypsilanti, and weighed 7 lbs., 11 ozs. Three sisters, Jarelyne, Lori, Connie and brother Ernie, Jr., complete the Forbing family.

Mrs. Forbing is the former Jeri Card of Plymouth.

Seniors Citizens Meet

The Senior Citizens will meet from 1 to 5 Thursday afternoon in the Odd Fellow Hall on Elizabeth St.

Members of the Wayne County Extension Group will be hostess for this meeting. Cards will be played followed by refreshments.

For transportation please call GL 3-1830 or GL 3-7575 by 11 a.m.

Mr. and Mrs. H. W. White of Garden City are parents of a new daughter, Lindy Roxanne, born Jan. 3 at Oakwood Hospital in Dearborn. The baby weighed 6 lbs., 14 ozs. Mrs. White is the former Anne O'Leary of Northville.

The grandparents are Mr. and Mrs. Finbar O'Leary of Northville and Mr. and Mrs. Fred White of Wayne.

VIVIAN NEWS

The Vivians meet this Thursday, Jan. 12 at 8 p.m. at the Elks Lodge. There will be initiation of new members. The program will be "Lie Detector Tests." Think up a good one and come on out.

DAR Celebrates Birthday

Only One Democrat Files in Salem Township

A Very Happy New Year to all. As your reporter was in and Rapids on the Christmas weekend and in Canada on New Year's, we still have some of the holiday happenings to report.

On Christmas Eve, 18 gathered at the Harlow Ingalls home. Christmas Day was spent with their son David at his home. The Bennett family had a family gathering.

Forty-three of the Hardesty's spent Christmas Monday with the parents at their home at Whitmore Lake. The Henry Fallotts of Eight Mile Rd. entertained the Rohrffs of Salem, Dixboro and Ann Arbor.

A New Year's Day dinner will meet Friday evening at the home of Mrs. McIntyre on Seven Mile. Don't forget the Dog Clinic this Saturday, Jan. 14, at the Salem Fire Hall, 2 to 4 p.m. Dog Licenses at the Town Hall:

Motorized Wheelchair Presented Quadriplegic

A motorized wheelchair has been presented by the Plymouth B. & P.O. Elks to James Williams, 41171 Micol Drive, a quadriplegic for the past six years.

Jim was injured in a driving accident at the age of 14. He has spent the past six years hospital-bound or at home. After an extensive period of rehabilitation at the University Hospital, he returned to Plymouth High last fall and maintained above-average grades. Due to his age, however, the High School agreed to provide Jim with a diploma if he could successfully complete a term at the Ferris Institute. Enrollment at Ferris is part of his vocational plan. Exalted Ruler Willard (Hans) Lorenz of the Elks said this week that "it is indeed commendable that Jim is attempting to provide himself an education to allow him to be self-supporting and independent. The Plymouth Elks Lodge is proud that they were able to assist Jim in this program." Attending the presentation were Jim's parents, Mr. and Mrs. Robert (Buford) Finley, Plymouth Lodge officers and several Elks members. The presentation was made by Gregory Sides, co-chairman of the Handicapped Children's Program.

Engaged

Bonnie Lou Truesdell
Mr. Hazel Bessey and Mr. Ellisworth Truesdell announce the engagement of their daughter, Bonnie Lou Truesdell, to Ret. Russell E. Griffin of Wayne. Miss Truesdell is a 1960 graduate of Plymouth High. Ret. Griffin is presently stationed at Fort Leonard Wood, Mo. No wedding date has been set.

FAMILY DAY

RUSK, Tex. (UPI) — The same day William Hofman Folmar and Mrs. Thelma Opal Cavett purchased a marriage license in the county clerk's office, his son, Archie Kindon Folmar, and her daughter, Dorothy Ann Cavett, applied for their marriage license. Justice of the Peace C. A. Protis performed both weddings. State and local governments in the United States borrowed nearly \$7 1/2 billion in 1958 for a record high.

Obituaries

Eliza Felton
Mrs. Eliza Felton passed away after a few days illness Dec. 23, 1960 at the age of 91, at the home of her son, William Bell in Southfield. Mrs. Felton lived in Plymouth over 40 years. Surviving her are her son, son, one granddaughter, Mrs. great grandchildren, Earl and Susan Sharpe. The funeral was held Dec. 27, from the Manley-Bailey Funeral Home in Birmingham. Interment was at Southfield Cemetery.

Thomas E. Shipley
Thomas E. Shipley died suddenly at his Pontiac home Jan. 3, 1961 at the age of 85. He was born Jan. 31, 1875 in Northville. Mr. Shipley left Plymouth to live in the Pontiac area 38 years ago. His wife, Myrtle M. Burden, preceded him in death in September 1956. Surviving him are one daughter, Mrs. Dorothy Earnest of Pontiac and two sons, Howard Shipley of Pontiac and Herbert Shipley of Drayton Plains, 15 grandchildren and 15 great grandchildren, two sisters, Mrs. Jim Rhoades and Mrs. Palmer Rhoades, both of Morgan Hill, Calif. and three brothers: Lee and Charles of Northville and Isaac of Fowlerville. From the Vorhees Siple Funeral Home he was taken to the Pike Street Church of God, Jan. 5, where Rev. Estel D. Moore administered the funeral rites. Place of interment was Perry Mt. Park.

Perry D. Campbell
Perry D. Campbell of 7917 Canton Center Rd., Canton

Township died Jan. 8, 1961 in Henry Ford Hospital after long illness at the age of 68. He was born Feb. 3, 1892. Mr. Campbell came to this community 40 years ago from Redford and was a dairy owner until his retirement three years ago. He had memberships in Plymouth Rock Lodge 47 F. & A. M., Plymouth Chapter 115 O.E.S. and White Shrine of Plymouth, Plymouth Grange and Golden Hour Club. He was a member of the First United Presbyterian Church. Surviving him is his wife, Elsie Simms Campbell, one son, Ivan, two daughters, Mrs. Irene Smith and Mrs. Doris Eaton all of Plymouth. One brother, Aden Campbell of Garden City and one sister, Mrs. Merla Marvin of Pontiac. Funeral services were held Jan. 11 from the Schrader Funeral Home, Jan. 9, 1961. She died Jan. 5 at St. Mary Hospital at the age of 95. She was born April 17, 1865 in Denton, Mich. Mrs. Schnell came to Livonia from Scofield in 1947. She was preceded in death by her husband, Charles, Nov. 25, 1947. She is survived by two daughters, Mrs. Leona LeBar of Livonia and Mrs. Elizabeth Haworth of Walker Lake, two grandchildren and four great grandchildren. Pallbearers were Jesse Ziegler, Wilson Bryce, Henry Mitchell, Frank O'Neill, George Sckenswiller and Dennis LeBar. Interment was at Romulus Cemetery in Romulus.

Mrs. Rose Schnell
Funeral services were held for Mrs. Rose Schnell at the Schrader Funeral Home, Jan. 9, 1961. She died Jan. 5 at St. Mary Hospital at the age of 95. She was born April 17, 1865 in Denton, Mich. Mrs. Schnell came to Livonia from Scofield in 1947. She was preceded in death by her husband, Charles, Nov. 25, 1947. Optimists Hear Safety Director

Kenneth Fisher, director of Public Safety for the City of Plymouth, was the guest speaker at the Plymouth Optimist Club meeting Monday night at Arbor-Lill. The speaker told of the youth program directed by the Police Department. The Junior Police program consists of both rifle and archery shooting. From the ranks of the rifle group have come some sharpshooters who have won state and national honors. Several boys and one girl who have participated in the program told of their experiences.

HEAT IS KILLER
ALEXANDRIA, United Arab Republic (UPI)—Heat is the big health problem for Moslem pilgrims to Mecca and Medina, according to the World Health Organization regional office here. Of the half-million worshippers who made the pilgrim journey to Saudi Arabia this year, 681 died, and 405 of these deaths were attributed to heat prostration.

If you love luxury and hate gas pumps

... then you'll love the Buick Special! You get Buick comfort, ride and go—plus real gas savings to boot!

The Buick Special is 100% Buick—with everything that means Buick go, for example. A new 155-h.p. aluminum V-8 gives you more sizzle than many a big car. And, because aluminum turns deadweight into live action, the miles per gallon figures are most delightful. Then there's Buick comfort—big roomy comfort for heads, hips and legs. There's also Buick's "all-day" ride, Buick's Clean Look of Action and Body by Fisher—all priced less than most models of the low-price field! Come guest-test the Special at your Buick dealer's—but come prepared to lose your heart!

Plymouth High School
By Lester Barison

A spaghetti dinner — the International Relations class' last big effort to raise funds for its study trip to the United Nations in New York City is to take place on Saturday, Jan. 21, in the high school cafeteria. Tickets to the affair are now on sale — only \$1.25 for adults and 75 cents for children from five to ten. Special bonus for families: children under five free!

The prices include a complete meal consisting of the main course with salad, dessert and beverages. The preparation of all the delicious food to be served is being supervised by the parents of the class-members. Tickets may, of course, be purchased at the dinner itself, which will be from 5 to 7 p.m. The class is hoping that this event will be a great success and help it to reach the \$1,200 goal that has been set. Five hundred dollars is still needed and time is getting short for the busy teens as their Feb. 2 departure date draws near.

Seems like a good way for townspeople to enjoy a meal out at a very reasonable price, and at the same time contribute greatly to the success of this ambitious venture.

An all-school production of Gilbert and Sullivan's famous operetta, "The Mikado" has caused excitement and consideration among students interested in the many fields which will be touched upon by its presentation. Besides drama and vocal arts, the band, business, industrial arts, and English departments will cooperate towards its ultimate success.

Tryouts for the nine principal parts — five male and four female — will be held on Jan. 17 through 19. Selections will be made by Mr. Fred Nelson, choral director, Mr. Robert Southgate, speech and English instructor and director of many successful plays, and Mr. James Griffith, band instructor.

Plymouth High seems to have caught the bug for changing constitutions that has made itself known lately in Michigan. A constitutional committee has been formed by the Student Council to consider the changes which will make its constitution more effective and efficient. One of the points of major consideration has been whether to raise the academic average required for eligibility to seek the post of mayor from a "C" to a "B". Some students feel that this should be done, while others maintain that it is an unfair and undemocratic limitation, which excludes too many of the students from hopes of the position. The committee is of the opinion at present that the letter grade should be replaced by a low numerical "B" average. This middle-of-the-road should satisfy both the above groups.

It has also been stated, and will probably be recommended that the qualifications for vice mayor be made the same as those for mayor. This is logical, since a person who might well be called upon to replace the mayor should be just as qualified as he is.

Further, the committee has been contemplating offering students a means of opposing Student Council decisions which would consist of circulation of a petition requiring the signatures of 25 percent of the registered voters and then having the matter voted upon by the students. Another point under consideration is to include a provision that the Council may not contract long term debts.

Certain additions are certain to be made to the constitution so that it will pertain to students who have attended the junior high while in the ninth grade. The committee, which will also be reviewing the constitutions of various clubs, is scheduled to report to the Student Council on Feb. 1. It will be meeting about three times a week in room 21-B until that date, and chairman Janet Graham has stated that anyone who is "very interested" may attend the meetings if he has something to contribute.

Cloverdale, Penniman Win Firsts

Plymouth's recreation basketball Class B Men's League got underway last week as the Penniman Barber Shop and Cloverdale each won opening games.

Penniman defeated Western Electric 62-43, while Cloverdale took Tait's 40-32.

INFORMATION PLEASE
BEAUMONT, Tex. (UPI)—
"How long should I boil crabs?" a voice on the phone asked policeman J. J. Bodine. Bodine forwarded the question to Sgt. John Gilbert, then repeated Gilbert's reply of "about 20 minutes" into the phone. "Thanks," a man said, "my wife said the police would know."

Rocks Start 1961 With Two Wins

Kisabeth Sparks Cagers: .09 Left; Dart Wins It

Plymouth's basketball team traveled to the most distant Suburban Six League school—Trenton—last week to search out a dramatic 57-55 last second victory. Friday they'll be at home, shooting at high-flying Redford Union, currently 3-0 in the league.

The Rocks battled from behind at Trenton to win in the last nine seconds, when substitute guard Jim Dart fired a jump shot from eight feet out to break a 55-55 tie, which he had produced moments before by sinking one of two free throws.

Jim Ralston scored 22 points to lead both teams and went high in the air in the last five seconds to grab a rebound from a Trenton shot. It saved the game, because the speedy Rock then dribbled up the floor until the buzzer sounded.

It was a happy bunch that lifted Dart to their shoulders for a victory ride from the Trenton floor. The Bentley game was all but forgotten.

Someone in the noise of players that trooped to the dressing room was Mike Kisabeth, another substitute who left the floor relatively unnoticed.

It was Kisabeth who made the difference at Trenton. He played approximately two quarters, but tossed in 11 points, five of them field goals. He was excellent on defense. Most important, however, he gave the Rocks a scrappy lift that boosted the team into an important opening 1961 victory.

Ralston played a terrific game, tossing in most of his points in the first half. A jubilant coach, Jim Doyle, said, "Everyone played a good game."

Plymouth had trailed 19-16 at the end of the first period, but zoomed ahead 34-31 at the half with Ralston scoring 17 points in the first two quarters.

Trenton narrowed the margin to 44-42 at the beginning of the fourth quarter. With one minute and 32 seconds left, Plymouth trailed 55-52.

It was here that Plymouth found itself. With 57 seconds left another sub, Eloy Menchaca, sunk a corner shot to put Plymouth within one point, 55-54. With 32 seconds left, Trenton missed a foul shot and Plymouth got the ball.

Dart sunk one of two free throws at 27 seconds and the game was tied. At this point center Dan Stremick grabbed a rebound to give the Rocks the ball. Ralston called timeout with 25 seconds left.

Coach Doyle set up a play, but it didn't quite work. The Rocks were to slowly bring the ball up court, which they did. Dart was supposed to move into what is called the "base" line and Ralston was to come around, get a pass and drive in.

With the clock ticking away, Dart moved in, but Ralston was unable to get to the spot. Dart simply took off by himself and fired.

Scoring
Plymouth (57)
Ralston 9 4 22
Kisabeth 5 1 11
Stremick 2 3 7
Dart 2 1 5
Menchaca 1 2 4
Schryer 1 0 2
Nelson 1 0 2
Spigarelli 1 0 2
Total 23 11 57

Trenton (55)
Drabant 8 3 19
Fenner 3 1 7
Hart 3 1 7
Dalka 5 0 10
Quessaw 3 2 8
Hursley 2 0 4
Total 24 7 55

It was a brilliant display of coaching as well as some excellent basketball. The Suburban Six League now shows Bentley and Redford Union tied for first with three wins and no losses. Plymouth, Belleville and Allen Park are next with one league win and two losses each. Trenton trails with a 0-3 record.

Trenton, however, has lost three league contests by a total of eight points. It gives you some idea of how well-balanced the league is this year and why Plymouth still has a chance.

Coach Jim Doyle sees a parallel with the Detroit Lions, who rebounded after an unlucky start. We think he may be right. The Rocks are better than their record at the moment and they should be strong for the rest of the season.

The first chance to test this theory is Friday night at 7:30 p.m. We think Redford Union may be in for its first loss in League play.

Swimming Coach John McFall may get his toughest test of the season this Saturday, when Ann Arbor comes to the Plymouth pool at 7:30 p.m.

Ann Arbor was third in state competition last season, although Plymouth defeated Ann Arbor for the first time in dual meet competition at Ann Arbor last year.

The Plymouth pool seats only 300. Better get there early if you want to see this meet. McFall says, "Ann Arbor is always tough." Plymouth will be looking for number 26 in a row, assuming they beat Redford Union on Thursday.

Glancing over the Winter schedule of the Adult Education Dept., there are a few courses that might interest sports page readers. Doug Jetter, a native of Plymouth and now pro at Chemung Hills Country Club at Howell, will have golf classes Mondays and Wednesdays, from 6:30 to 10:30 at the Gallimore Gym. The six-week course costs \$6, a bargain compared with usual pro lessons. He also will have semi-private classes March 13 to March 27.

And for those feeling rather flabby, the Men's gym class will be held each Monday from 7:30 to 10:30 in the High School gym. Paul Cummings will lead this 12-week class at a price of \$6. This includes swimming and other sports.

game was all but forgotten. Someone in the noise of players that trooped to the dressing room was Mike Kisabeth, another substitute who left the floor relatively unnoticed.

ROCKY BEAR, the Plymouth mascot, expresses the glee with which Rock fans have enjoyed 1961 to date with swimming and basketball victories over Trenton. The big question: Will Rocky still be smiling after events with Ann Arbor and Redford Union this weekend?

First Solo, Ensemble Festival Slated Here

The first annual local Solo and Ensemble Festival will be held at the high school on Tuesday, Jan. 17, at 7 p.m. This local festival will be the first step for all high school band members towards reaching the State Solo and Ensemble Contest which will be held in Jackson on March 25. To be eligible for state competition, bandsmen must receive either a first or second division rating at the local level in order to compete at the district festival. Only those who receive a first division at the district will be able to compete at the state level.

There will be a variety of instrumental combinations to hear on Tuesday evening, ranging all the way from flute solos to tuba duets. This will be an opportunity for parents and friends of the participants to hear their favorite instrumentalists perform either as soloists or in a small group.

The four judges for this event will be: Donald Mattran, Belleville High School Band director; Raymond Young, former solo baritone with the University of Michigan Symphony Band and presently band director at Trenton High School; David Van Fleet, former solo trombonist with the Michigan band; and Fred Nelson, choral director at Plymouth High School.

There will be no admission charge for the evening.

AERIAL PLAY HIGH HOPE
BRISTOL, Pa. (UPI)—The spaceman may be the key to taking up the slack if military contracts drop off after 1965, according to the president of Thiokol Chemical Corp.

Joseph Crosby, whose company has a number of contracts in connection with missiles and rockets, says he sees a bright future for the industry in the decade ahead if the number of defense contracts is reduced.

Swimmers Face Ann Arbor Here

A couple of important dual swimming meets loom on the horizon this week for Plymouth High School. The Redford Union meet at Redford Union 7 p.m. Thursday will be a solid Suburban Six League warmup for a tough 7:30 p.m. meet at home Saturday against powerful Ann Arbor.

Schultheiss was second in the 200 yard individual medley and Dick Alford was second. Gretzinger added his second pool and team record of the evening in the 200 yard free style and Ron Daley was second. Gretzinger's time was 1:57.8.

In the free style relay, Warren Smith, Gould, Bill Britcher and Bob Daley combined to win it in 1:38.4. It was good for a team record.

Plymouth's Dick Michaels and Trenton's Bruce Boughner practically produced steam in the pool in the 100 yard backstroke. Boughner, a high-school All-American selection last year was beaten by Michaels' Michaels won in one minute flat, while Boughner was timed in 60.3.

Michaels cut 1.6 seconds off the pool record and 1.8 off the team records. Both records were bettered by Boughner, who had to be content with a second for his efforts.

Bob Daley was first in 4:30.5 and Bill Rossow was second. Jim Lzett set a team record of 24.0 in the 50 yard free style and Gary Gould was second.

Dick Gretzinger chalked up a new pool and team record in the 100 yard butterfly, winning it in 57.6, while Barry Corwin was second.

Phil Bender won the breaststroke and Doug Cash was second. Warren Smith turned in a 55.8 in the 100 free style and Win Schraeder as third.

Nick Herrick won the diving with 60.1 points and Mark

Local Hockey Team Swamps Nankin Squad
One Plymouth hockey team lost and the other won as an area league sanctioned by the American Amateur Hockey Association got underway last Sunday in Nankin Township.

The Plymouth VFW team walked over the Nankin Rams 9-0 Sunday afternoon at the rink located at Ford and Wayne Roads.

That night, the Plymouth Bears took a 9-1 defeat from a Nankin team. After a good showing in the first period in which the Bears scored 1 1/2 goals, the more experienced Nankin squad forged ahead. The Bears are coached by Joe Gates.

In the VFW-Rams game, goalie Butch Thomas scored the shut-out. Center Terry Cosgrove accounted for five of the goals, while one each was credited to left winger Randy Sharland, right winger Jim McKindles, right guard Dick Berry and defensive man David Jordan.

James McKindles coached the VFW team. Next Saturday noon the two Plymouth teams will meet.

HORSE STRIKES BACK

MILLER, S.D. (UPI)—Not all horses, it seems, have become used to the motor car. A frightened horse kicked three dents in the fender of a car driven by Mrs. Richard Moberly, wife of a Methodist minister, as she drove home from church recently.

Donors Invited to Annual Meeting Of Plymouth Community Fund

The annual meeting of the Plymouth Community Fund will take place next Tuesday night in the City Commission Chambers with all persons who donated to the 1960 campaign eligible to attend.

Four directors are to be elected at the meeting and there will be a review of the annual financial report.

Plymouth's Community Fund, which is the only independent united fund drive in the metropolitan Detroit area, was formed 16 years ago to combine all fund drives into one. Today there are 10 local agencies and 22 others on a statewide level sharing in the annual appeal.

Terms of four directors will expire next week. They are Hugh Griffin, president; Carl Shear, vice-president; James Sponseller and Albert Glassford.

The four vacancies will be filled at the meeting and new officers elected. Other directors whose terms continue are Robert B. Barbour, treasurer; Mrs. Carl Caplin, John Pint, Orin Scrimger, Russell Isbister, Frank Palmer and Donald Sutherland.

The 12-member board meets once a month, the second Thursday at the Chamber of Commerce office.

Because the public is especially invited to next Tuesday night's meeting, the site has been moved to the City Commission Chambers at City Hall. It will start at 8 p.m.

Each year an audit is made of Community Fund books by the firm of Sutherland and Robison. The latest audit covers the fiscal year of July 1, 1959 through June 30, 1960.

The auditor's statement declares that the examination is made in accordance with generally accepted accounting

records. "In our opinion," it added, "the accompanying statements of cash receipts and disbursements present fairly the recorded cash transactions of the Plymouth Community Fund for the fiscal year ended June 30, 1960, on a basis consistent with that of the previous year."

More Power For WSU Station

DETROIT — WDET, Wayne State University's FM radio station, has come up in the world—35 floors to be exact.

Not only did the station recently move to a new location on the 15th floor of the Macaebes Building, but it increased its power from 52,000 to 79,000 watts.

The increase in power, coupled with the new and higher antenna, has enlarged WDET's coverage considerably and has given WDET many new listeners throughout the State.

Within the station's new 72-mile signal area from Detroit, there are 4,563,075 residents. Listeners' letters indicate that WDET's 72 hours of programs a week are enjoyed in Ann Arbor, Jackson, East Lansing, Flint, Imlay City, East Tawas, Port Huron and Monroe.

The WDET programs, broadcast at 101.9 megacycles, consist primarily of classical music, Wayne State University concerts and lectures, programs produced by other educational stations throughout the United States, and programs produced by European stations. Students participate in the production of the Wayne offerings.

Registration Opens Mon. for Adult Education

Registration for some 70 courses and activities sponsored by the Plymouth Recreation and Adult Education Department will begin next Monday with 10 new types of courses making their debut.

Director Herbert Woolweaver declared yesterday that registration will open Monday and will end Friday, Jan. 20. Persons can register at the Recreation Office in the High School from 8:30 a.m. to 5 p.m. all through the week and from 7 to 9 p.m. on Monday and Tuesday. They can also register by mail.

Plymouth's Recreation and Adult Education program, one of the outstanding programs offered by small towns in the nation, will have several new courses available during the winter term.

On Tuesday nights, there will be a course in English Grammar and Composition, aimed to improve one's English for business, better jobs and self-satisfaction. Italian

will be offered for the first time and a new contemporary Philosophy course will be available.

New courses scheduled for Wednesdays include the new City Band, Spanish guitar lessons, Interior Decorating taught by a professional from that field, and two liberal arts courses: Shakespeare for Moderns and The Rise of Popular Music in 20th Century America. The Shakespeare course starts tonight at Dunning-Hough Library, while the other will not begin until March 8.

Woolweaver said that Thursday will offer three new courses: Fundamentals of Drawing & Design, Real Estate Fundamentals and a liberal arts course in Understanding and Enjoyment of Music.

There are also two college credit courses offered Thursday: Classroom Problems in Reading (elementary) and Human Development. These courses are taught by Eastern Michigan professors.

The Real Estate Fundamentals course is sponsored by the Western Wayne County Board of the United North-west Realty Assn. and specialists will speak at each course.

These are the courses offered each day:

Monday
 Accordion, Basic Electronics, Community Chorus, Copper Tooling, Golf, International Correspondence School Courses, Leathercraft, Men's Gym, Nature Study and Field Trips, Oil Painting, Reading Improvement, Sew-

ing (beginners), Square Dance (beginners), Symphony, Theatre Guild, Typing (advanced) and beginners, Upholstering, Elementary Welding.

Tuesday
 Accordion, Badminton, Ballroom Dancing, Business Machines, English Grammar & Composition, Gift Wrapping, Great Books, Italian, Millinery, Philosophy, Piano & Organ, Sewing (advanced), Silk Screening, Spanish (beginners and intermediate), Women's Swedish Gym.

Wednesday
 City Band, Men's Basketball, Spanish Guitar, Bridge (beginners and advanced), Golf, Driver Education, Heart in the Home, Interior Decorating, Millinery, Party Cooking & Meal Planning, Sew-

ing (intermediates), Short-Dance (intermediates), Square Dance (intermediates), Tennis (for students), Shakespeare for Moderns, The Rise of Popular Music in 20th Century America.

Thursday
 Barbering, Basketball (boys), Bowling (women), Cake Decorating (beginners and advanced), Dog Obedience, Flower Arranging, Fundamentals of Drawing & Design, Investments, Knitting, Motion Picture Appreciation, Senior Citizens, Shorthand (beginners), Understanding

and Enjoyment of Music, Classroom Problems in Reading, Human Development, Real Estate Fundamentals, Square Dance Club.

Saturday
 Baton Twirling, Bowling Cheerleading (elementary), (students), Basketball (boys). In addition, there is swimming throughout the week. Monday is Family Swimming; Tuesday, Mother & Daughter; Wednesday, Father & Son; Thursday, Open; Saturday, Open. Week-nights the hours are 7:30 to 9 and on Saturday it is 1 to 2:30.

FAS DE TROIS—This modern dance step was only accidental. Three basketball players—left, Ron Olander, Jerry Lucas and Hank Gunter—watch the ball sail out of bounds during the Ohio State-Seton Hall game in New York.

Doubts that Wayne County Will Follow State Order

A memo to Michigan's assessing officers insisting that political subdivisions assess personal property and real estate uniformly will be undoubtedly ignored in Wayne County, Plymouth's City Treasurer-Assessor Kenneth Way declared this week.

The City Commission has been battling two years to assess real estate and personal property uniformly and is currently attempting to appeal its position to the State Supreme Court.

Real estate, which includes lots and buildings, is assessed around 42 per cent in Plymouth. Personal property which includes inventory and machinery of business and industry, has been assessed by the City at 46 per cent.

The Wayne County Board of Taxation, however, says that personal property should be assessed at 75 per cent.

But in Lansing, the Michigan State Tax Commission agrees with Plymouth that personal property should be assessed the same as real estate.

Edward W. Kane, secretary of the Tax Commission, issued a "memo to assessing officers" which now re-emphasizes the Tax Commission's policy—but Treasurer-Assessor Way believes that the memo's wording is not strong enough and he is of the opinion that the Wayne County Bureau of Taxation will continue to ignore the State edict.

Because the City of Plymouth reduced its personal property assessment to 45 per cent last year, the County Bureau of Taxation made up the difference by adding a

percentage to other tax bills. This is called equalization.

In both 1959 and 1960 the City Commission has appealed this practice to the State Tax Commission. It was ruled at both times even though the State Tax Commission agrees with the City theory. Right now, the

STRICTLY FRESH

Latest Martian story going around is about the spaceman who walked into a bar and asked the juke box "What's a nice girl like you doing in a place like this?"

Saddest love story this week concerns the two red cor-puscules who loved in vein.

Next time you hear a man brag about fishing through the ice make sure he isn't talking about fishing for olives.

The magician who saws a woman in half is not nearly so amazed as the husband who keeps his wife from flying to pieces.

A pinch of salt can really be improved by dropping it on a big hunk of steak.

It's a Breeze To Insulate Old House

Thousands of homes across the country will be uncomfortable and costly to heat this winter because their builders skimped on insulation.

Today, thanks to a special process developed by mineral wool engineers, any house, old or new, can be insulated.

The process involves a special mineral wool insulation called

Working from outside the house, workman removes brick and forces mineral wool under air pressure into wall through hole cut in sheathing. Hole is later sealed and brick neatly replaced. Result: warm house.

Pieces of siding are removed at intervals along outside wall so that workman can be certain each and every space is completely filled with insulation. When the job is done, holes in sheathing are sealed and siding is carefully replaced, as it was before.

"blowing wool." An insulation contractor forces the insulation into walls, ceilings and floors by air pressure. The result is a complete seal of insulation that can reduce heating costs by as much as 40 per cent and provides greater comfort winter and summer.

City has filed a leave to appeal before the Supreme Court, which will determine if the court will actually hear the case.

Kane's memo to the State's assessing officers said this: "Over the last several years, the Michigan State Tax Commission has been striving for uniformity of assessment of real estate and personal property and a 150 uniformity within these two general classifications.

"The State Tax Commission held a meeting in Lansing on December 20, 1960 and unanimously agreed upon a firm policy in insisting that assessing officers immediately initiate a program to achieve the announced goal.

"The Commission has, during the past years, made its position known at meetings of assessors, and at schools of instruction for supervisors and assessors. The policy is also set forth in the Assessor's Manual.

"The Commission and staff will continue to advise a individual with assessors as to bringing the program to fruition at future meetings when requested."

According to Way, the letter merely insists that officers "immediately initiate a program" and this could mean a variety of things.

There has been talk in Lansing that even if Wayne County would refuse to lower the personal property assessment, that the Tax Commission would grant appeals such as that from the City of Plymouth.

Wayne County has not followed the Tax Commission's edict in the past because they feel a sudden reduction of the personal property assessment would be a blow to budget of schools and communities.

Kenneth Way said that the City plans to drop its personal property from 46 per cent of true value to 45 per cent this year. Land is valued at 40 per cent and buildings at 43 per cent.

KARACHI, Pakistan (UPI)—The Aga Khan said here that he may do some small-scale racing in Pakistan with his late father Aly Khan's horses.

Prince Karim said he had just taken over the stables and had not formed any firm plans.

AM ME—This Basset hound isn't really as sad as he looks. He is one of 230 puppies entered in the Hoosier Kennel Club's annual puppy match at Indianapolis.

IT WAS this 20 acres of vacant property along Park Entrance Drive, bordering the City on the east, that brought about the current move to form the City of Plymouth Heights. In June 1958 the Garling Construction Co. began circulating a petition to have the land annexed to the City because water could be obtained nowhere else for the proposed subdivision. But a petition to incorporate the new city was filed first, thus delaying Garling's petition for two and a half years. A sign advertising "another new development" is now rusting.

School Board Offers to Buy City Land Behind High School

An offer to purchase 4.766 acres of City-owned land will be made by the Plymouth Community School District. Located between Blanche and Farmer Streets, behind the Senior High School, the land is currently being leased to the district by the City on a year-to-year basis.

Propose Site

(Continued from Page 1) Trail, east by Sheldon Rd., south by Ann Arbor Rd., cost \$3,000 to \$3,500 per acre. This is one of the sites with approximately 240 acres in the package.

(6) Also in Plymouth School District, located in Canton Township area, bounded on the north by Joy Rd., west by Sheldon Rd. This land also runs approximately 240 acres, costs \$3,000 to \$3,500 per acre.

(7) Plymouth Township, bounded by Haggerty on the east, Ann Arbor Rd. on north, Joy Rd. on south and Six Rd. on the east.

Accessibility, environment, elevation, soil, zoning, traffic hazards, cleanliness, water pressure, sewerage facilities, cost per acre, and possible coordination with another favorable public facility, were some of the check-points taken into consideration in selecting the sites.

Gerald Greenwald of Livonia served as chairman of the Site Housing Committee. Committee members are Melvin Kuehn, Clarenceville; Donald Sutherland, Plymouth; Myra Cox, South Redford; William Shaw, Jr., Redford Union; Evelyn Monroe, Garden City; and Russell Wilson, from U. of M. who served as consultant.

BREAKTHROUGH
 SAN ANTONIO, Tex. (UPI) — Edite Montez, president of the Edgewood School District in San Antonio, said the city's first air conditioned public school also will open on repair bills for windows broken by vandals. The school has no windows.

NEWS BEAT

Bartlett School on Canton Center Rd., hit by fire three weeks ago, will be restored and kept in use by the School District. The entire bill for damage to the building, estimated at \$6,868, will be covered by insurance. The Theatre Guild used the frame two-story building for a workshop.

POLICE BEAT: Sarah's grad Alvin Larson has been appointed assistant attorney general for the state of Arizona. He received his law degree from University of Arizona last June and has been practicing law in Phoenix.

MOVES IN: A new office building at 1205 S. Main St. has now been occupied by Attorney William Splimner.

SKATING GOOD: Except for last Friday and Saturday when warm weather turned the ice soft, ice skating has been excellent in the Plymouth area. For weight-watchers, we've learned that a half hour of skating burns up 102 calories. If there would be snow, a half hour of skating uses almost 300 calories. For the indoor type, a half hour of ping-pong requires 123 calories.

ON STATE JOB: Former Plymouth resident and PHS

FLOATING POOL
 DENISON, Tex. (UPI) — A swimming pool that floats as part of the marina facilities on Lake Texoma in Eisenhower State Park. The floating pool is a wooden sidewalk on pontoons that can be floated to various sites on the lake. The walk encloses a swimming pool-sized area of the lake for safe and supervised swimming.

The first airship voyage across the United States was completed Oct. 25, 1924, by the Shenandoah.

An average American drinks seven gallons of beer a year.

Small Turnout
 (Continued from Page 1) Board of Supervisors asking for incorporation of the City of Plymouth Heights. Since this petition was filed before Garling's, it gained precedence and Garling's petition is still pending, the outcome of the charter vote.

Parkview Assn. Elects Officers

Harold Kendall, 800 Parkview Dr., was elected president of the Parkview Circle Association at the January meeting held last Friday night at the home of Mr. and Mrs. Raphael D. Snowden. Other officers elected were: vice-president, John Snowden; secretary, Mrs. Carmelo Crespo; and treasurer, Eldridge Raven. Committees for the new year were elected by the in-

coming president, including the program committee which will present an outline of the programs for 1961 at the February meeting. A report was given by the Christmas committee on the money spent for clothing and toys given to a needy family. Parkview Circle Association, now in its sixth year, is composed of householders living in Parkview and Garling Drives.

FIRST ORDER of business of the new year at Plymouth Kiwanis Club was installation of new officers. Miller Ross, left, is the retiring president while the new president is John Wallace, center, being installed by charter mem-

ber Fred Thomas. Other officers are: first vice-president, Neil Davidson; second vice-president, Walter Gemperline; secretary, Ernest Henry; treasurer, Roland Lutz; and sergeant-at-arms, Robert Utter.

First Dance Of New Club Is Jan. 14

The newly formed Plymouth Dance Club will hold its first dance of the season, Sat., Jan. 14, in the Skyline Room at Loly's Arbor Lill from 9 p.m. to 1 a.m. The current enrollment is limited to 50 couples.

International Group Meets Monday

The Plymouth - Northville Branch of the Women's International League for Peace and Freedom will meet at 1 p.m., Monday, Jan. 16, at the home of Mrs. Paul Kauffman, 720 Parkview Drive. The study session will be devoted to "Problems of Latin America," with emphasis on U. S. Cuban relations.

Alumnae Of Alpha Phi Meet Jan. 16

The Dearborn and West Suburban alumnae chapter of Alpha Phi will meet Jan. 16 at 8 p.m. in the home of Mrs. J. O. McCracken of Dearborn, LO 2-4488. Plans will be completed for a benefit bridge tea which will be a joint project with other Alpha Phi alumnae groups in the area to be held Feb. 2 at the J. L. Hudson Company.

The afternoon festivities will help support Alpha Phi's national philanthropic project - Cardiac aid, and the Alpha Phi Foundation which promotes education through scholarships, fellowships, endowments and research grants.

English yew trees, used centuries ago to make the famous longbows, may grow to be 1,000 years old.

There are now about 40,000 pygmies in the Belgian Congo's Ituri Forest. They stand little more than 1 1/2 feet tall.

Minutes of the Plymouth Township Board

OFFICIAL PROCEEDINGS
TOWNSHIP OF PLYMOUTH
BOARD MINUTES OF REGULAR
MEETING HELD AT
TOWNSHIP HALL
DECEMBER 13, 1966
BOARD MEMBERS PRESENT:
 Roy R. Lindsay, Supervisor, Fred L. Miller, Clerk, Elizabeth Holmes, Treasurer, C. Veach Sparks, Trustee. **ABSENT:** Louis Norman, Trustee.

There being a quorum present the meeting was called to order at 8:06 P.M. by Supervisor Lindsay. The minutes of the meeting of November 9, 1966 were approved as read by the clerk.

A list of bills totaling \$12,328.45 was approved for payment, on a motion by Mr. Sparks, supported by Mr. Miller.

Mr. Miller supported a motion by Mrs. Holmes that the question

of providing a civil service system for Township Firemen be submitted to the voters at the February 20 primary.

The Board declined to act on a request by representatives of Brunswick, Balke, Colender Co., asking for approval of their application for a Class "C" Liquor License in connection with a proposed bowling alley, since it is the policy of the Board that approval must first be obtained from the State Liquor Commission.

A discussion was held regarding the draft of a contract between the County of Wayne and certain Wayne County municipalities, which provides for the issuance of \$18,000,000 in bonds to finance a proposed system of sewage disposal facilities.

It was pointed out that this contract does not provide a time table for the progress of construction nor a tentative completion date. In general, it was felt that this Board is not sufficiently informed at present to determine if the proposed plan will provide the relief to our area within a reasonable time. Mr. Lindsay suggested that a special meeting be arranged with Mr. George R. Bingham, Director of the Wayne County Board of Public Works, to explain more fully the details of this plan.

No further action was taken by the Board.

Mr. Melvin Fuelling presented a

OLD BASILICA FOUND

ATHENS, Greece (UPI)—period, has been discovered. An ancient basilica, dating back to the early Christian the island of Amorgos.

area and to provide an estimate of the cost. He however informed Mr. Fuelling that under present restrictions by the State Board of Health, no connection could be made to the recently constructed sewer in Green Meadows, but that plans now being submitted by the Board of Public Works of Wayne County do provide some hope that the restrictions by the State will be lifted.

Mr. Lindsay read a letter from Wayne County Drain Commission advising of the vacating and abandonment of a portion of Palmer Acres Title Drain and the Egar Title Drain in its entirety.

There being no further business, the meeting was adjourned at 10:05 p.m.

SIGNED: Roy R. Lindsay, Supervisor
SIGNED: Fred L. Miller, Clerk

Some Facts and Fallacies in First Aid

If you saw someone who had accidentally jabbed himself with a nail ... or who was doubled up with the pain of poisoning ... or who had suffered a nasty burn on his arm ... would you know what to do?

Far too many people wouldn't. Over nine million Americans were disabled for more than a day last year because of accidental injuries. Though first aid was required by nearly all these victims — plus uncounted millions of others whose injuries were less serious — ten big mistakes in giving first aid are still very common.

Learning to avoid these common first aid fallacies may one day help you save a life.

1. Mistake: You can cleanse puncture wounds with soap, water and iodine.

Fact: Only a doctor should cleanse a puncture wound such as that made by a nail. Soap, water and iodine merely treat the surface of the wound. More effective cleansing by a doctor — plus a tetanus injection to prevent lockjaw — is wise.

2. Mistake: If someone has suffered a nasty fall, rush over and help him to his feet.

Fact: If a fall victim has broken a bone, trying to help him up may increase his injury or even kill him. In the case of a broken rib, for example, moving the victim may cause the rib to poke his insides like a screwdriver. If the patient starts to get up by himself but shows severe pain, suggest that he remain where he is until a doctor arrives.

3. Mistake: To stop bleeding in an arm or leg, apply a tourniquet.

Fact: Tourniquets are very serious medical measures which may cause serious injury to an arm or leg. Therefore, they should be applied only if the bleeding is so serious that the victim's life is endangered. If you must apply a tourniquet, use a flat and soft material (never anything like a rope or wire) and place it between the wound and the heart, close to the wound without being right at its edge. Tighten it no more than necessary to control the bleeding.

4. Mistake: If you burn yourself in the kitchen, apply butter immediately.

Fact: You'd be better off putting the butter on bread and eating it. On a burn, butter may turn rancid and increase the possibility of infection. Many physicians recommend the use of a non-irritating antibiotic ointment. Mycitracin, an excellent ointment developed in the laboratories of The Upjohn Company, contains three antibiotics: neomycin, bacitracin and polymixin B. Together, these antibiotics form a "Sunday punch" which is highly effective in destroying nearly all the bacteria likely to be present on the skin. The cream does not sting or burn and does not stain clothing.

5. Mistake: If someone who has just been injured becomes unconscious, he has probably "passed out" from the pain.

Fact: The odds are that he is actually in a state of shock. To treat shock, a very serious condition in which the patient's skin becomes cool and pale (the patient may remain conscious), have him lie down with his feet higher than his head. Loosen tight clothing. Place a blanket or coat under him, and another on top if weather conditions suggest it. If he is unconscious, place him face down with his head turned to one side.

6. Mistake: Bandage a wound as soon as possible.

Fact: Bandaging is actually the third step in first aid. First you should stop the bleeding, and second cleanse the wound with soap and running water.

7. Mistake: If an antiseptic stings when applied to a burn, cut or bruise, it means that the disinfectant is doing its work.

Fact: The sting actually has nothing to do with germ-killing. An antibiotic such as Mycitracin, for example, doesn't sting or irritate the skin, nor does it stain clothing — yet it contains three antibiotics, each of which is a highly efficient germ-killer.

8. Mistake: An emetic must always be given in cases of poisoning.

Fact: If the patient has swallowed a corrosive poison (it's probably corrosive if you see burns around his mouth) an emetic may kill him. If he swallowed an acid poison such as cleaning fluid, give him milk of magnesia. If he swallowed an alkali such as ammonia, give him orange or lemon juice. Call the doctor as soon as possible.

9. Mistake: When a victim has stopped breathing, examine him for injuries before starting artificial respiration.

Fact: Artificial respiration must be started at the earliest possible moment. Today many medical authorities agree that mouth to mouth resuscitation is the preferred method of artificial respiration. Hold the victim's nose and blow into his mouth at regular breathing intervals. Blow gently for a child, with more pressure for an adult. When you see the chest begin to rise, permit the patient to exhale.

10. Mistake: When first aid is necessary, ask yourself what a doctor would do, then do it.

Fact: This is one of the most dangerous of all mistakes, for excessive first aid may be far worse than none at all. The important thing, when someone is injured seriously, is to get the help of a doctor as soon as possible. Sensible first aid consists of doing what you can within the limits of your knowledge — until the doctor arrives.

Clinton C. Jaynes Honored on Golden Wedding Anniversary

By Jean Campau

Mr. and Mrs. Clinton Jaynes

To celebrate their golden wedding anniversary, Mr. and Mrs. Clinton C. Jaynes of 14319 Northville Rd., Plymouth, have sent out approximately 90 invitations to friends and relatives to an 'open house' Sunday, Jan. 15.

The Jaynes were married 50 years ago in Detroit at the United Presbyterian Church. Mr. Jaynes was proprietor of a hardware store which he opened Feb. 1, 1901 located on Linwood at Joy Rd. The thoroughfare, at the time, was a plank road from West Grand Blvd. to Farmington. A fee of two cents a mile was charged for each horse that traveled upon the road and four toll gates were located along the route at Grand Blvd., Snyder Road, now called Wyoming, Mill Road, which has since become Southfield, and the last gate at Lahser.

In 1902 Mr. Jaynes exhibited farm implements and horse trappings from his store at the Sand Hill Fair. Sand Hill was later to be known as Redford Township. During the years 1934-35-36 Clinton Jaynes served as Supervisor of Redford Township, when the locality had 1400 registered voters and was 11 1/2 miles in area. Today the population exceeds 64,000. The open spaces and farms of the thirties have been replaced by dozens of housing developments spread throughout the Township.

After living in the Redford area for 25 years the family moved to neighboring Livonia where they lived for 15 years coming here to Plymouth this past November.

Tragedy struck Mr. and Mrs. Jaynes when their oldest daughter died leaving a seven-month old son, whom the couple adopted and raised.

The Jaynes' other two daughters are Mrs. Charles Beagle of Plymouth and Mrs. Frances Novak of Royal Oak. They have two grandchildren and three great grandchildren.

Tragedy struck Mr. and Mrs. Jaynes when their oldest daughter died leaving a seven-month old son, whom the couple adopted and raised.

The Jaynes' other two daughters are Mrs. Charles Beagle of Plymouth and Mrs. Frances Novak of Royal Oak. They have two grandchildren and three great grandchildren.

OLEAN, N. Y. (UPI) — Maynard Tompkins, 39, was sentenced to three months in the Cattauga County Jail after admitting that he rolled a \$38 power lawnmower from in front of a supply store and took it home by taxi.

Jerry Seibert Says...

FASHION FUTURES — 1961

Once more the time has come for prophets to tear the veil off tomorrow. Along with other seers, Max Factor, pioneer authority on make-up and cosmetics for both theater and everyday living, makes a few predictions regarding feminine fashions. His sources are not tea-leaves or a crystal ball but the world beauty capitals in which his firm operates, and his long awareness of what the trends in these far-flung cities mean to you, fashion-wise.

1. 1961 will see a great emphasis on youth: No crystal ball needed to forecast this. The age of our new President, of his official family, of the First Lady, of a child in the White House hardly older than the New Year.

How will you react to this youthful spirit? Like every other woman: by considering, and trying (we hope) new age-defying make-up techniques and products, as well as youthful (not "girlish," which is very different and quite dreadful) fashions. By doing something about faded, mousey or graying hair; by cutting out every calorie that means loss of pep and figure; by not cutting the daily dozen in half.

2. The 1961 look will be the "Jacqueline Kennedy Look": The First Lady's high-fashion brand of chic will be every woman's goal (regardless of her politics). She will be copied from the tip of her hair-do right through her artless smartly sophisticated, pull-over mode of dressing in simple Balenciaga-Givency-Norman Norell clothes. The type of elegant simplicity that is all line, color and fit. Look for her love of Gauguin-bright colors — Tahitian rose, anemone purple, explosive orange and shouting pinks to route drab winter-grey and trench-coat beiges. Her passion for fresh bright lipsticks will make the pale 1960 tones look much too pale.

3. 1961 will be a year of glamour with a global air: With our U.N. welcome mat out to diplomats' wives from all over the world, and royalty constantly popping in and out of the White House, fashion will have an international flavor. American women will pick up many a useful fashion-trick by observing the way a Ghanaian lady wraps elegance into her wrap-around, and the way visiting Swedish princesses tuck a royal diadem into their curls.

4. American brides will look like Spanish Donnas. From the Balenciaga-designed wedding gown to the dazzling headdress of King Baudouin's bride, every fairy-princess aspect of Dona Fabiola's Spanish beauty will influence American girls who plan 1961 weddings. The velvety-eyed beauty of this Span-

ish bride may even inspire some to use black eye-shadow with her bridal make-up. (For those with exactly the right coloring and fashion sense to carry it off—yes. Others—no!)

5. There will be a revival of legendary comethers: "Camelot," new Broadway hit, is responsible for a revival of man-catchers that hasn't been surpassed since Sir Lancelot was caught—long, velvet, at home gowns, strings of pearls plaited into your hair, huge crested perfume-rings on your index finger, to give your hands a delicate look. Guinevere is also the girl to watch if you love pink. This lovely from King Arthur's court will be responsible for a big U.S. revival of every shade pink from salmon to cerise.

6. 1961 will see more and more women wearing eye make-up: The right eye make-up will make any eyes look brighter and prettier. Even great-grandmothers (considering how extremely young and lovely grandmothers, and great-grandmothers are, today) will be using soft shades in eye-shadow to harmonize with eye and costume colors.

7. 1961 will put beauty and fashion on the gold standard: Gold catches and holds a woman's imagination like a magnet holds steel filings. Beauty and fashion designers are not likely to overlook its potent appeal now that cloth can be woven from untarnishable threads of golden glitter. And beauty has already followed fashion with golden powders, eye-liners, eye shadows, and mascaras as well as golden lipsticks which frost other lip colors with a golden iridescence.

8. 1961 will be happier for you if you try to make the most of own face and figure. Good luck and don't forget that we will be happy to answer your beauty and fashion questions in 1961 as we did in 1960.

Notice to Bidders City of Plymouth, Mich.

The City of Plymouth will receive bids up to 3:00 P.M., E.S.T., Friday, February 3, 1961 for one four door sedan automobile, with 1960 Chevrolet trade-in.

The City Commission reserves the right to accept or reject any or all bids in whole or in part, and to waive any irregularities. Address bids to Joseph F. Near, City Clerk, 167 S. Main Street, Plymouth, Michigan, in a sealed envelope with statement that it contains a bid on a 1961 four door sedan automobile.

Specifications are available at the office of the City Clerk.
Joseph F. Near
City Clerk

J-A Adds Two Executives To Board of Directors

Two local business executives have been added to the board of directors of Junior Achievement of Plymouth. The announcement was made by the president of the local JA board, Hugh M. Griffin. Griffin is supervisor of community relations for Burroughs Corporation's Plymouth division.

The two new members of the JA board are Richard L. McNulty, plant manager, Transmission and Chassis division, Ford Motor Company in Livonia and Jud R. Huntley, district commercial manager, Michigan Bell Telephone Company with offices in Plymouth.

Griffin also announced that the organization which permits teenagers to actually manage and operate small bona-fide companies started operations last month in Aruba, Netherlands Antilles (Dutch West Indies). JA also operates in New Zealand, Canada, Mexico, Finland and Holland.

Huntley McNulty

Veterans of Foreign Wars

Regular meeting of Mayflower Auxiliary 6695 was held on Jan. 3. It was nice to see so many members out and to hear of the many activities being planned for the new year.

First of all, we of the VFW, hope that all our members and many others will take advantage of the wonderful program being planned by the Civil Defense Committee of Plymouth. A series of eight meetings will be held at the Post Home, the first one being tonight, Jan. 11. The classes are under the direction of Dr. Lee E. Feldkamp, City Health Officer. This information will be of vital importance in case of disaster in an atomic attack. May we urge you to attend.

Youth Activities Chairman Shirley Kubik announced that plans for the Luncheon is Served Jan. 26 at 12:30 p.m. are completed. Tickets are available from any auxiliary member or call Shirley at GL 3-3685.

January is March of Dimes month. Have you attended a Coffee for Polio yet? If you haven't, plan on having your neighbors and friends in for coffee. Donations to go towards the Polio Drive. This is a very worthy cause! Let's all get behind it 100 percent.

Our membership drive was very successful, although we didn't quite reach our goal. However, we do have 99 paid-up members and we needed 102 to make our goal of 100 percent paid-up members for 1961. Those who haven't paid are welcome to do so at anytime. We are proud of chairman Betty Krumm and her committee for a job well done.

We are again collecting used Christmas cards to be taken to some hospital. Bring yours to the next meeting or call Jennie Tallmadge at GL 3-4843 for pick-up.

The next regular meeting is Jan. 17, at 8 p.m. See you there!

4—Card of Thanks
 We want to thank the many friends, neighbors and relatives for their kindness and sympathy. Floral offerings and memorials. Also Pastor Winfred Koepfen and the Schrader Funeral Home. We are deeply grateful.
 The family of Charles J. Ash

I would like to thank all who remembered me while in St. Joseph Hospital with beautiful get well cards, letters and flowers. Also the First Methodist Church, the Rotary and the Plymouth Garden Club. May you all have a healthy and prosperous 1961.
 Sincerely,
 Mrs. Carl Shear

The family of Martha Inez Moore wishes to express their thanks to the many friends and neighbors for their kindness and sympathy during our recent bereavement. We especially appreciate the assistance and kindness of the Schrader Funeral Home.
 Earl Moore and family

In loving memory of my mother, Irene Pool, who passed away Jan. 14, 1960. Always loved and missed very much by her daughter, Charlene, and grandchildren, Renee and Tony.

Collaring The Dollar

BY ROSELLA M. BANNISTER
Wayne County Extension Agent, Home Economics

January is the month to look at last year's spending and to make a spending plan for 1961. How much do you expect to earn? What would you like to buy in 1961, and how much do you hope to save?

Budget-making is easier than most people think, especially if you have a record of what you spent last year. In case you didn't keep records last year, now is the time to start recording daily expenses. You can buy an expense record book at most drug and department stores and banks.

Use your record of expenses as a guide in estimating the amount of money you'll need for this year's activities. Some families make the mistake of stopping when they have made their expense record rather than using this record to analyze and improve next year's spending.

"Planning the Use of the Family Dollar," a free Michigan State University booklet, explains one method to use in setting up your spending plan. For your free copy, write to Rosella Bannister, Cooperative Extension Service, Box 552, Wayne Michigan. The booklet explains in detail these basic steps in making your spending plan:

1. Discuss the family spending plan with the entire family. Decide what you want, individually and as a family.

Chamber Tells How to Be Sure Magazine Solicitor is Reputable

Plymouth Community Chamber of Commerce today had some questions for housewives of Plymouth: "Do you often wonder if a magazine solicitor at your door is really a magazine solicitor?"

"Do you wonder if he has a right to sell the magazines he says he's selling or if you'll ever get the magazines you buy?"

If the answer to these questions is "yes," the Chamber advises that there is help on the way.

Many reputable magazine solicitors since Oct. 1 have had credentials which assure that:

1. They are registered as solicitors with Central Registry of Magazine Subscription Solicitors in New York;
2. They are authorized to solicit subscription sales;
3. The subscription agency which authorizes them to sell is bonded with Central Registry to guarantee that your subscription orders will reach the publishers.

The Chamber has been registering traveling magazine crews of subscription agency members of Central Registry as a public service. It reports that a copy of the CR credential card is on file at the office.

According to Central Registry, it will be issued only to those solicitors properly registered with it by its member-agencies. Cards will be re-issued in a different color every 90 days and will be good only for the period in which they are issued. Prior to each re-issue, a check will be made of the solicitor to determine whether he is still authorized by the agency and whether his selling methods are in accordance with the industry code of ethics.

Each credential card bears the solicitor's name and

The Inside Story

Next time you see a truck on the road, picture some of the things you buy right along... or have in your home... or hope to own some day... and you'll have the inside story on what that truck's carrying. For it's a fact that everything you eat, wear or use travels part of all the way to you in trucks. The familiar things that are required to run a household... or a business... they all depend on trucks to get where they're needed. So, you see, the real inside story is that trucks are absolutely essential to your everyday living!

Now is Time to Start Dieting, Says Dr. Molner

Overweight is one of the health problems of many Americans and if you are one who is overweight, Dr. Joseph G. Molner, City-County Health Commissioner, suggests you do something about it beginning with this new year. Now, more than ever, physicians caution against the health hazard of carrying around these extra pounds.

In 1960 diseases of the heart and other parts of the circulatory system were responsible for approximately 40 percent of all deaths in Detroit according to provisional figures. In addition to these, other conditions which are aggravated by overweight include diabetes, kidney disease and high blood pressure. Overweight causes excess fatigue, accidents, lack of poise, shorter life span and reduced working ability.

Trim your figure the safe and easy way. Visit your doctor; he will determine whether or not there is any disturbance associated with your weight problem. When he gives you the go-ahead signal, work with him and stick to it.

Don't forget that it took time to accumulate these excess pounds and it will take time to lose them safely. When you eat more food than your body needs, overweight will result. To cut down on what you eat is the only way to reduce. No advertised reducing pills, fad diets, health foods or exercises alone will do the trick. Don't try to fool yourself.

1. Avoid between meal snacks, including alcoholic beverages, soft drinks, candy, potato chips, pretzels and other similar foods which are very high in calories, but low in food value.
2. Use lemon or vinegar on salads in place of rich salad dressings.
3. Omit adding sugar to your fruit or fruit juices.
4. Omit salad dressing or mayonnaise from sandwiches.
5. Trim the fat off meat.
6. Bake or broil food instead of frying it.
7. Avoid sweet spreads and gravies.
8. Eliminate heavy or whipped cream.
9. If you drink tea or coffee, take it without cream or sugar.
10. Avoid using fat as seasoning when you prepare food.

Jr. High Biology Club Visits Institute

On Saturday, Jan. 7, 21 members of the Jr. High School Biology Club made a bus trip to the museum at Cranbrook Institute of Science. The group was led by the club's president, John Campbell, and the club's sponsor and biology teacher, D. E. Goss. Transportation was provided by one of the school's buses driven by James Harkema.

The Biology Club was in quest of ideas for projects to do with the club. At the same time many displays were seen which illustrated biological principles studied back in the classroom. Interest was strongly expressed in visiting the museums, such as the Museum of Natural History and the Museum of Science and Industry in Chicago.

Mothers' March Moved To a Sunday

The traditional Wayne County Mothers' March, originally scheduled for Tuesday, Jan. 31, has been moved ahead to Sunday, Jan. 29, 1961 from 2:00 to 4:00 p.m. The announcement was made by Anne Campbell Stark, chairman of the event for the March of Dimes.

"The trend across the country to improve the conditions under which the volunteer Mothers' Marchers go from house to house, especially in the Northern sections of the country, gave rise to the change at this time," Mrs. Stark said.

"A golden key will identify county Mothers' March volunteers on the afternoon of Sunday, Jan. 29, to help unlock the mystery surrounding crippling diseases," Mrs. Stark predicted.

Funds gathered by Mothers' March volunteers will help support a far reaching research program, Mrs. Stark said. "This same research program already has produced the Salk and Sabin polio vaccines and two Nobel prizes. We have every reason to hope that it will cast new light on the causes of crippling birth defects and arthritis.

The civic leader said that the Mothers' March for the

New March of Dimes is the greatest single volunteer effort put forth by the women of America for any cause.

Emphasizing the importance of the National Foundation's work to prevent crippling diseases, the Mothers' March chairman urged Wayne County women to volunteer their services for the two hour period on Jan. 29 by telephoning March of Dimes headquarters at WO 4-153.

WOOD FROM WATER

COEUR d'ALENE, Idaho (UPI) Skin divers Robert Stillman and William Graham have been salvaging 9,000 to 12,000 board feet of logs per day from the St. Joe River near here.

The logs are sold to a lumber company. The men use a special barge, sponge rubber diving suits and breathing apparatus to retrieve the logs.

Who's Who in the Plymouth Community Schools

Loren C. Grieves

Loren C. Grieves, mathematics instructor for the past 10 years at Plymouth High School, comes from a family steeped in the military tradi-

tion. His father, originally from Ionia, and now deceased, was Colonel Loren C. Grieves (Senior), a career man in the United States Army. A brother, Colonel William P. Grieves, is currently stationed in Washington D. C. Our Loren Grieves also chose the military life and is a retired major of the United States Army.

Born in Plattsburgh Barracks, N. Y., his early education followed the pattern of many career army children. He attended high school in Geneva, Ill. St. Alban's in Sycamore, Ill. and then went on to Stanton's Preparatory Academy in Cornwall, N. Y. prior to his appointment to the United States Military Academy at West Point. There he received his military training and completed his bachelor of science degree. Further study at Infantry School at Fort Benning preceded Command and General Staff College at Fort Leavenworth, Kansas.

Mr. Grieves' army career lasted from 1934 to 1948, including academy time and European Theater of Operation and Alaska. He emerged with the Purple Heart, the Combat Infantryman's Badge and the rank of major. His tour of duty took him to Europe, Korea, Alaska and nearly every state in the Union.

Upon retirement from the Army, Mr. Grieves' father returned to Ionia where his mother still resides. It was there that Loren Grieves met and married his wife, Isabelle, the chief operator for the Michigan Bell Telephone Co. in Ionia. They are the happy parents of Thomas, 7½, and young Bruce, 6. They reside at 21099 Novi Rd., Northville. Mr. Grieves is an elder in the Presbyterian Church in that community.

Upon retiring from the U. S. Army Mr. Grieves chose teaching as his second career. Holding a master's degree from the University of Michigan, he did his practice teaching at the University High School in Ann Arbor before joining the teaching staff in Plymouth. One of his many extra-curricular activities includes sponsorship of a chess club at the high school.

He is a member of Phi Delta Kappa, honorary society, the National Education Association, the Michigan Education Association, and is a past president and vice-president of our local Plymouth Education Association. This year he is devoting his time to the Professional Problems Committee of that organization.

Mr. Grieves also has membership in the National Council of Teachers of Mathematics and the Association of Graduates of the United States Military Academy.

SEEING YOUR WORDS

TOKYO (UPI)—A voice typewriter, claimed to be without equal in efficiency was unveiled recently before a group of members of the World Acoustic Society visiting Japan.

The new electronic typewriter, developed by scientists at Kyoto University, converted spoken Japanese words into printed form.

Citizens Research Council Looks At Plymouth Heights Incorporation

EDITOR'S NOTE: It was in November that the Citizens Research Council of Michigan completed an analysis of the incorporation of Plymouth Township. The comprehensive report did not determine whether there should or should not be incorporation, but rather attempted to present the factors involved so that citizens could reach their own decision.

The following is a reprint of the Plymouth Mail's summary of this large report as printed in the Nov. 16 issue:

In terms of tax cost, the most expensive of three alternatives would be for Plymouth Township to incorporate as a new city, a report by the Citizens Research Council of Michigan has indicated.

It would be cheaper to remain as a Township, or to merge into a single unit with the existing City of Plymouth, the report's figures claimed.

(Copies of the report are available from Citizens Research Council, 810 Farwell Building, Detroit 26.)

While the report professed to stay away from conclusions as such, its statistics clearly indicated that:

(a) For the present, the most economical course is for Plymouth Township to remain as a Township, and spurn the process of incorporating 8.3 square miles into "Plymouth Heights." Township voters will be given the latter proposal on Jan. 17, 1961.

(b) In future years—5 or 10 years from now after Township residential growth has become important—the most economical choice might be to merge in a common government with the City of Plymouth.

The report presented a series of tables based on the cost of maintaining the "existing level of Township service," the "level of service currently in the City of Plymouth," and the "average level of service" for communities of similar size. It gave figures both for 1961 and for 1965.

The Council said that in 1961 it would cost \$220,270 to maintain the present level of services, if Plymouth Heights incorporates. If it remains part of the Township, the figure is \$172,070. If it were to merge with the City of Plymouth (but maintain only the standard of service now existing in the Township), the Township portion would cost \$104,815.

By 1965 (after growth occurs), the cost as "Plymouth Heights" would be \$297,769; as the existing Township it would be \$204,150; and as part of a merged community, \$263,000.

The report noted, however, that in event of incorporation, the present standard of Township services undoubtedly would not be sufficient to satisfy the residents—they would want certain things identified with "city." This also would be true if there were a merger with the City of Plymouth, it added.

In terms of tax rate, the report said it would take 3.45 mills to maintain the present level of services if the 8.3 square miles remains township. If it incorporates, the figure would be 4.42 mills—the same amount of service—and 6.67, if it attempted to come up to the level of services now being offered in the City of Plymouth.

The report showed that today in the City of Plymouth there is \$4,017 per capita of state equalized property valuation, compared to \$6,091 in Plymouth Township.

In the City of Plymouth, 72 percent of total property taxes are paid by the homeowner, compared to 22 percent in Plymouth Township. Industry bears a much higher percentage in the Township.

It was forecast that population will increase in Plymouth Township (8,294 in 1960) to some 12,400 by 1965, while the population of the City of Plymouth (8,715 in 1960) will rise to 9,600 in the same period.

Two items of cost of major significance if Plymouth Heights should incorporate were said to be police protection and street and highway maintenance. The bulk of both items today is paid for by Wayne County, but the County would withdraw after incorporation.

The report said it would cost an additional \$41,800 a year to provide the police protection which now is obtained from the County Sheriff at no cost to the Township general budget.

As to streets and highways, it was estimated that an incorporated Plymouth Heights would receive \$43,400 in new revenue from Lansing via the motor vehicle tax. However, today Plymouth Township receives a net of \$58,000 in service from Wayne County (which it would then lose) and the report also cautioned:

"The recent experience of other cities establishing a public works department indicates that the new city would have an immediate need for equip-

ment, including a road grader (cost new, \$20,000) and a dump truck (\$4,500).

"Thus, the estimated cost of providing street maintenance at current levels provided by Wayne County would be \$58,000 a year, plus initial equipment purchase costs. To maintain the current level of service in terms of the present per capita expenditure for the service will cost \$87,420 in 1965.

"The Wayne County Road Commission indicates that Wilcox, Main and Bradner Roads within the Township are in need of immediate improvement to bring them up to accepted standards for drainage, dust control, traffic, and safety. These roads are now under county jurisdiction for construction and maintenance but would become the responsibility of the incorporated city following incorporation or the combined City of Plymouth following a merger.

"Main and Wilcox Roads should be widened to 48 feet and re-surfaced, involving a cost exceeding \$200,000. Bradner Road should be paved with concrete 24 feet wide. Including right-of-way acquisition and drainage requirement costs, the improvement represents a total cost of \$61,000.

"Ann Arbor Trail will need bituminous re-surfacing in 12 years which, at 1958 costs, will represent a potential expenditure of \$50,000. These major capital improvements are not included in the cost estimates, but would be the same whether the Township is annexed or incorporated.

"There is a difference, however, should Township status be maintained. The roads, now under county jurisdiction, are now included in a county program of major improvement to be accomplished within the next five to ten years as funds become available. Should the Township incorporate, it will become the responsibility of the new city to finance improvements to roads within the new city as they are removed from county jurisdiction.

"To provide a Plymouth City level of street maintenance in the newly incorporated city would require an expenditure of \$61,790 in 1961 and \$92,580 in 1965."

The Citizens Research Council of Michigan, in operation since 1916, is a private organization financed by industrial donations and funds from foundations. It provided the survey here without cost.

Rainbow Fantasy in the Air for Woman's Club

The Plymouth Woman's Club Annual Benefit service design for this year is to be called Rainbow Fantasy and will take place Feb. 6, 12:30 p.m. at the Knights of Columbus Hall, 3805 Schoolcraft Rd. Ladies will convene for a dessert bridge and style show put on by Harvey's of Farmington featuring Fashion for Spring.

The Woman's Club has one fund raising project a year from which proceeds go to help support such worthy organizations as the Community Chest, Plymouth Symphony, Pennies for Art, Girls Town in Belleville, North- ert Fisher, table prizes, Mrs. Hospital-Ward and Girls Max Brillhart, properties, State, to mention but a few.

Mrs. Eugene Jordan, dessert. Mrs. Arthur Larson, publicity. Mrs. M. F. North of the Woman's Club is sponsor for the affair. Ticket donations are \$1.50 and are available from members of the committee or may be had by calling Mrs. Robinson at GL 3-1641 or Mrs. Bailey GL 3-5363.

Telling its own story...in silence!

Here's a man who's learning the story of the 1961 Cadillac in the best of all possible ways.

He has taken an hour out—put himself in the driver's seat—and he's letting the car tell the story in its own inimitable way.

And what's the report?

Well, that new Cadillac is making the most eloquent statement on quality and goodness in all motordom—the tribute of silence!

Even on the by-lanes, it is virtually impossible to detect the sounds of a Cadillac in motion.

And implicit in that ever-present silence is a story well worth the retelling.

It speaks, first of all, of magnificent craftsmanship . . . of care so intense that it has eliminated vibration as a necessary accompaniment to motoring.

It testifies to extraordinary soundness of engineering—with a precision in performance that keeps even that great new Cadillac engine down to a hushed whisper even at throughway speeds.

And it tells of truly remarkable styling . . . with a sculptured grace of shape and form that tames the rushing wind to a soft lullaby.

Of course, there are some things which a new Cadillac—with becoming modesty—won't tell about itself. There's its wonderful dependability, for instance, and its unrivaled resale value.

But your dealer will be happy to round out the story after your demonstration drive—and to explain how easily the car could be yours.

Shouldn't you lend an ear to a Cadillac—and a Cadillac dealer—soon?

THE GOOD OLD DAYS FROM THE PAGES OF THE MAIL

10 Years Ago

Kroger's new Forest Store opened with a gay carnival touch Tuesday morning. This new Plymouth branch of Kroger marks the fifth store of its type recently built by the grocery company as part of their modernization program.
Dunning's Department Store has taken up temporary quarters in the new building at 505 Forest awaiting completion of its own building across the street. Dunning's vacated their Main St. store last week to make way for the Kresge store, on which construction will start immediately.
In an effort to furnish the Plymouth High School band with much needed instruments and uniforms, the newly organized Plymouth Band and Parents Association will sponsor a dance and carnival, Jan. 19 to raise funds for the project.

25 Years Ago

Flames, Thursday evening, completely destroyed the First Presbyterian Church of Plymouth, despite the fact that every Plymouth fireman fought courageously and daringly for nearly two hours. Fortunately, the historic records of the church were not in the building and Rev. Walter Nichol states that they are all safe.
The offer of Fred B. Schrader for the use of his large funeral chapel for the Sunday services of the Presbyterian Church were gratefully accepted by Rev. Nichol and his church board for Sunday's service.
Wednesday evening, Jan. 15, is going to be an important time for members of the Plymouth Chapter of the I.O.O.F., as it is the date of the installation of the new officers of the organization. The event will take place at the Mayflower Hotel, beginning at 8 o'clock.
Arrangements have been completed for the Townsend mass meeting to be held Monday evening at 7:30 p.m. in the First Baptist Church when Judge Jeffries of Detroit will come to Plymouth to speak.

50 Years Ago

The Wayne County Road Commission has received some valuable information from the Ohio Road Commission on the merit of concrete roads they are building, the Ohio Road Commission, says County Road Commissioner, Edward N. Hines.
The next visit of Goodwill Industries pick-up trucks to Plymouth is scheduled for Monday, Jan. 16. Goodwill trucks collect household discards of clothing, shoes, hats, toys, most types of furniture and other household discards.
To arrange for a Goodwill Industries truck pick-up, call the local Goodwill representative Maybury Men's Club, telephone number FI 9-2682 or ask the operator for toll-free Enterprise 7002.

Four-Day Adventist Council in Lansing

Donald A. Copey, pastor of the Plymouth Seventh-day Adventist Church, will leave Sunday for Lansing where he will attend a statewide, four-day pastoral council.
Purpose of the convocation will be to plan for the 100th anniversary of the founding of the Michigan Conference of Seventh-day Adventists on Oct. 5, 1861. The anniversary celebration will be marked by a year-long program of church revivals and evangelism, and will climax with special services on the founding date in the fall.
Guest speakers at the meeting will include three officers from the International headquarters of the denomination in Washington, D.C. They include, Maynard W. Campbell, general vice-president; Walter Schubert, associate director of the Ministerial Department and Adlai A. Esteban, associate director of the Home Missionary Department.

O.E.S. Highlights

Plymouth Chapter No. 115, Order of Eastern Star held their first regular meeting Jan. 3. The meeting was called to order by Worthy Matron, Juanita Hessler, at 4:30 p.m. Election for Associate Matron was held with June Popp being elected, election for Conductress with Dorothy Bailey being elected and election for Elizabeth Holmes being elected.
Following the meeting a potluck dinner was served and enjoyed by all. At 7:30 a School of Instruction was given by Worthy Grand Matron, Mrs. Mabel Shaw.
Jan. 17 will be East-West night with a potluck dinner at 8:30 p.m. There will be a practice Jan. 15, the Bible Degree are to be present. Time, 12:30 p.m.

Final Date For Grain Price Support Nears

Farmers expecting to apply for price support loans on their 1960 crops wheat, oats, barley, rye, dry edible beans, soybeans, flaxseed or grain sorghums should do so by Jan. 15 according to Donald Korte, chairman of the Wayne County ASC Committee.
The final date for approval of loans and purchase agreements is Jan. 31, however, in the case of farm-stored loans a minimum of two weeks is required for inspection of storage structures and the grain to loan inspectors and the obtaining of a sample of the grain to be forwarded to a grain grading laboratory before the loan documents can be completed.
If the storage structure and the grain are found to be acceptable, the producer will be given an opportunity to complete the loan. The loan and chattel mortgage must be signed and on file in the county ASC office by Jan. 31, 1961.
Price Support may be obtained by the producers of the above commodities through purchase agreements by applying to the county ASC office on or before Jan. 31. Purchase agreements differ from loans in that the producer receives no funds unless or until he delivers the commodity to CCC after the maturity date for the program. These maturity dates vary, depending on the crop, from one to four months after the final availability date of Jan. 31.

Dated Dec. 20, 1960.
CECIL A. BERNARD, Deputy Probate Register (12-23, 1-4, 1-11)

To the Mayor, City Manager, City Clerk and Superintendent of Public Works of the City of Plymouth, Wayne County, Michigan.
Sirs:
You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on December 8, 1960, decide and determine that the certain section of street described in the minutes of said Board should be a county road under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting are hereby made a part of this notice, and are as follows:
"Minutes of the regular meeting of the Board of County Road Commissioners of the County of Wayne, Michigan, held at the County Office on the 7th Floor, City-County Building, Detroit 26, Michigan, at 9:30 A.M., Eastern Standard Time, Thursday, December 8, 1960.
Present: Commissioners Wilson, O'Brien and Kregar.
Commissioner Kregar moved the adoption of the following resolution:
"BE IT RESOLVED that, effective January 1, 1961, the Board of County Road Commissioners of the County of Wayne, Michigan, does hereby take over as a county road and make a part of the county road system of the County of Wayne all the portion of county road described as follows:
Mill Street in Sections 23 and 25, T. 1 S., R. 1 E., City of Plymouth, Wayne County, Michigan, described as beginning at the south line of Plymouth Road, thence northerly along the center line of Mill Street, and adjacent to the N. & S. 1/4 lines of said section 23 and 25, an angle pole, thence N. 43 degrees 47' 30" W., as shown on Assessor's Plymouth Plat No. 17, (L. 86 P. 79), 0.11 mile to an intersection with Northville Road, constituting 0.544 mile of county road.
The motion was supported by Commissioners O'Brien and Kregar, carried by the following vote: Ayes: Commissioners Wilson, O'Brien and Kregar. Nays: None.
THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 223 OF THE PUBLIC ACTS OF 1960, AS AMENDED.
In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 12th day of December, A.D. 1960.
BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN

Religious Growth Found in College

Many religious institutions have not really prepared young people to know what to do about doubt when it comes, suggests C. Grey Austin, University of Michigan assistant co-ordinator of religious affairs.

"Too often a student feels that if he has doubts he really belongs outside the church," Austin explains. "We try to help him see that his own religious institution has the greatest resources for helping him with his problem."

"In many cases, students have not really been educated in their religion beyond the junior high level. This means that when they come to college they haven't had the opportunity to think about religion at the college level. As a result, they are less able to meet religious challenges than challenges in other subject areas."

Austin feels that if a student does lose his faith in college it probably was immature to begin with. "On the other hand," he says, "I think many students do grow up religiously while they are in college and they do this with the help of the churches which put some of their best trained people to work with students."

Austin believes the time when faculty members enjoyed sniping at their students' religion is pretty well over. "Certainly students are challenged in classwork to do some re-thinking but there are not many professors today who enjoy stating an atheistic position just to jar students. For the most part, the challenges are constructive and are meant to be."

A major challenge comes to the student simply because he finds himself in a community made up of people of widely divergent religious backgrounds, he adds. "This is often the student's first experience in meeting people of differing faiths."

"Most students react with a great deal of curiosity about other faiths. Foreign students are often very capable of talking about their religious beliefs. This provides a stimulation not easily found in most communities. With 1,650,000 Americans now living and working abroad, understanding of other faiths becomes increasingly important."

Austin sees growth in the religious process on a campus of many faiths as "one that should not alarm people." The U-M, through its Office of Religious Affairs, "tries to help the churches to work effectively with students and provides students with information about religious groups. Religious counselors help the students over the rough spots within the framework of their own faith," he explains.

In addition, a series of non-credit courses is available to students of Catholic, Protestant and Jewish faiths. These supplement the many U-M courses in the field of religion.

The Gold Coast of West Africa ranks sixth among the world's major gold producing areas

Front Row Center

By GEORGE SPELVIN

Four theatrical offerings spread their gaudy wings this week — all four a short drive away for an adventurous evening's entertainment.

"Season of the Beast," a vigorous study of conflict in a South Carolina family, will be the first major production by the University of Michigan players in their new Arena theater. The Arena Theater is located in the Department of Speech's Frieze Building (the former Ann Arbor High School) a few blocks west of the Lydia Mendelssohn Theater. Curtain at 8 p.m. through Saturday.

The Ann Arbor Civic Theater players open on Thursday, Jan. 12 with Maxwell Anderson's "Joan of Lorraine." This powerful play about St. Joan done in a different way was a vehicle for Ingrid Bergman in her earlier divorceless days. This version of St. Joan has a company of actors mulling over the philosophy expressed as they supposedly rehearse the show prior to a Broadway opening. A novel approach and was quite successful in its original run. Curtain is at 8 p.m. and you'll find the Ann Arbor Civic Players performing at the Lydia Mendelssohn Theater. You'll discover this group is more than competent and able to handle plays of Anderson's volatile quality.

Sean O'Casey's "Cock-O-Doodle Dandy" breezes into

the Quirk Theater over Ypsilanti way on Thursday night, Jan. 12 also. The Eastern Michigan Players will be giving this provocative play by O'Casey its Midwest premiere. How they ever beat University of Michigan to the punch ... I'll never know. Perhaps I can find out from the director after the performance that I will witness.

Downtown at the Vanguard Theater near the Fox Theater on Woodward Ave. Christopher Fry's "The Lady Not For Burning" is beginning a four week run. Here's a thoughtful-type comedy not too often seen in community theaters or for that matter on the professional stage. Why? It's a tough show to do. New York audiences had an opportunity to see John Gielgud and Pamela Brown essay the main roles. In fact, Broadway pronounced the show a hit. For a literate comedy this was indeed a genuine conquest. I strongly urge all lovers of theatrical fare to call WO 3-3863 and reserve a ticket or two for this brilliant, witty comedy. Let me warn you that you'll come home from the Vanguard smiling and discussing the philosophic points.

As long as we're in the downtown area and talking about the current theaterfare, let's not forget "Once Upon A Mattress." Business hasn't been what it could have been for this innocent, merry musical. In fact, if you look around it's very possible to see this play at a discount. The management has been offering a \$2 discount coupon as a lure. Old George enjoyed the panto work of Buster Keaton and the zany doings of Dody Goodman. The entire cast gives their "all" in providing a pleasant evening at the Shubert Theater. You have only this weekend to visit "Once Upon A Mattress." Final matinee is this Saturday at 2 p.m.

Incidentally, the talented thespians playing at the Shubert are known as the National company of "Once Upon A Mattress." A second company is designated as the bus and truck unit and is out touring the true hinterland with one night stands. Imogene Cocoa and Edward Everett Horton are barnstorming in this version of "Mattress." I'd like to see a combination of the two companies with Imogene combining her talents with Buster Keaton. Just second guessing I'd say that the bus and truck company has the advantage of all the comedy experience. You might bump into that other company of "Mattress" if you're visiting the folks in Keokuk, Iowa. Thought I'd prepare you for all emergencies.

The Shubert Theater has only two attractions left before it gives up the theatrical ghost. Talked with Joe Nederglander last week ... He informed me that after the American Ballet Theater engagement and "At The Drop of A Hat" in February, the Shubert goes permanently dark. All Nederglander's sponsored productions will emanate from the Fisher Theater starting June 1.

About this time of the year most of us are faced with a stack of bills, so a tale about a \$10,000 error at CBS television headquarters might be appropriate. It's always nice to know that the "TV moguls" can have financial headaches also.

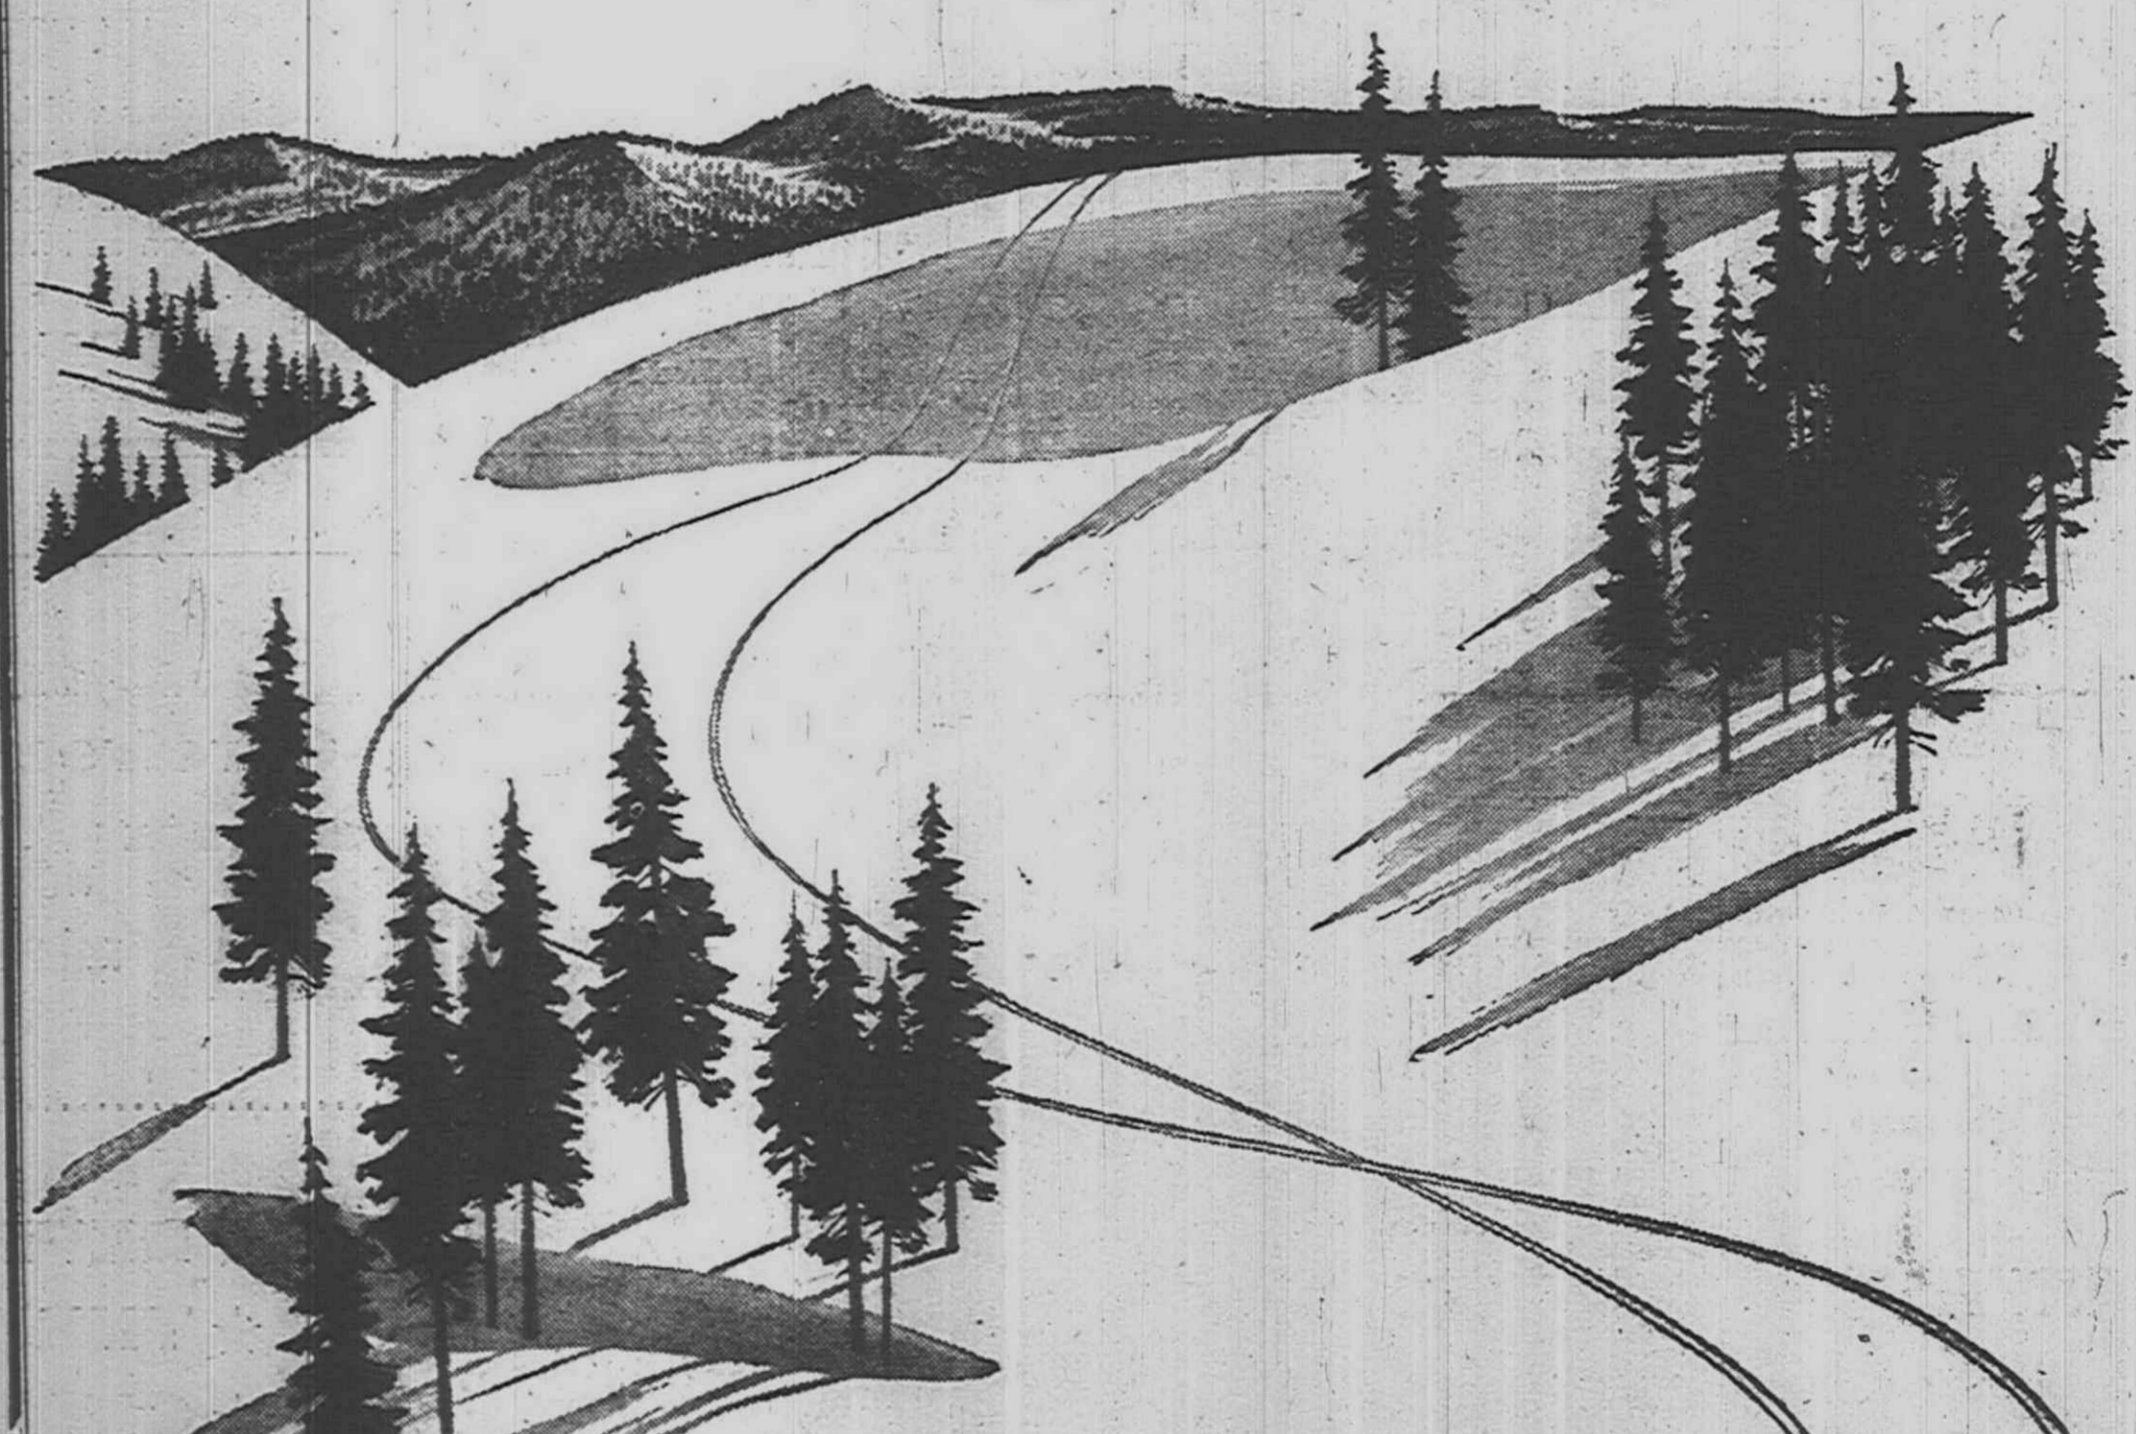

Leland Hayward, producer of "The Gershwin Years" (a forthcoming TV special), had spent hours preparing a special ten minute segment of "Porgy and Bess" on location in the New York area earlier this fall. Last week the time came to split this completed spectacular. Suddenly, to everyone's dismay — \$10,000 worth — was discovered that only half the sequence remained on the tape. A careless video-tape engineer had inadvertently erased half of the ten minute bit. Snow was on the ground. Thus, the original New York location could not be used. Mr. Hayward refused to do the re-make in the studio. Result a full camera crew, four actors, a director, and Mr. Hayward are flying to Key West to re-tape the sequence. When you see "The Gershwin Years" on your tube, remember the poor guy that goofed. I wonder what he's doing these days?

If you get a chance, twist the dial on Tuesday evening to Channel 7 and watch "Expedition" at 7 p.m. It's an interesting realistic travel-adventure series. Couple of weeks ago the TV cameras visited some Brazilian Indians. Their primitive ways held a strange fascination for the TV viewer safe within the confines of his tame surroundings.

And for the FM radio fans, on just second guessing I'd work your dial over to

WDET-FM, 101.9 on that crazy, mixed-up FM medium for some ear-satisfying listening. On Saturday nights at 7:30 p.m. you'll find a program entitled "Showtime" wafting out over the ether. Each week a different musical comedy is featured. "The Boy Friend's" melodic score this week; look for "The Music Man" the following week.

Poetry connoisseurs might desire dipping into a thin, but touching tome with the tempting title, "To Bedlam and Part Way Back" by Anne Sexton. Miss Sexton has a flair for imagery in her writing. To quote the opening line from her poem "The Farmer's Wife" "From the hodge porridge of their country land, their local life in Illinois, where all their acres look like a sprouting broom factory, they name just ten years now that she has been his habit." Her book of poems has only 70 pages, but each page speaks 70 extra pages of meditative moments. Try some poetry for those relaxation periods that occur too infrequently during our frantic lives.

Canton Township News

By ESTHER SPRENGEL
GL 3-0194

Hi! Hope we were missed. Due to illness and the lack of news, my typewriter was silent, but with a little cooperation from all of you out there we are back in business.

On Dec. 30, Dale Hassett took as his bride Betty Willy, at a lovely, simple wedding ceremony, conducted by the Rev. Louie Cain at the Sheldon Methodist Church. The bride, Betty, chose as her maid of honor, Delores Aldrich. Dale was assisted by his best man, John McLennan. The young couple will reside in the Township at their apartment on Saltz Rd.

We want to add our congratulations and wishes for much happiness. Mr. and Mrs. John McLennan and family served as hosts to Mrs. McLennan's sisters and families, Mr. and Mrs. Conroy and their three children, Taylor, and Mrs. Powell of Inkster and two children, and Mrs. Lena Carter, of Inkster, at a Christmas dinner and celebration.

Two of our Township constables, Gerald Cather and John Collins, attended the Michigan Constables' Assn. Seminar at the Kellogg Center in East Lansing on Dec. 17 and 18. The two gentlemen enjoyed the speakers and absorbed the latest information and instruction on the duties of constables. Both Cather and Collins are seeking re-election in our forthcoming Township election. The knowledge they obtained at the seminar is to better prepare them for their duties as constables.

Speaking of Township elections, we could say everyone is happy, for so it would seem. For the first time since 1928, the top three positions in our township, that of Supervisor, Clerk and Treasurer will have no opposition in the election, as no one has submitted petitions for those positions. It appears that the residents of Canton have faith in and feel that our present board is doing a fine job and

want them to continue their work in 1961. We will, however, have some competition for constable and board of review. In the next week we shall give you the names of the persons seeking election and a little background on each.

The Sheldon School PTA, president, John Collins, announced plans for the Jan. 18 meeting. The evening has been titled "International Night" and an exchange student will be invited to speak to the group and show movies. The meeting will begin at 7:30 and the public is invited.

On Jan. 11, the Sheldon Men's Club will meet. Meeting begins at 6:30.

Mr. and Mrs. Stan West and family held Christmas breakfast for 14 guests. Following the breakfast the group attended the Cherry Hill Methodist Church. In the evening, 32 members of the family attended festivities at the home of Mrs. West's father, Mr. May, of Proctor Rd. Quite an honor has been bestowed on Danny West, son of Mr. and Mrs. Stan West of Cherry Hill. Danny will go to the United Nations meeting on Jan. 22 as a representative of the Youth Fellowship group of the Cherry Hill Methodist Church. The meeting is held in New York City, and then on to Washington.

Robert Bowman, son of Mr. and Mrs. Willard Bowman, spent the Christmas and New Year holiday with his parents and brother Dick. Bob was on leave from his duties with the United States Navy, where he is stationed in Chicago.

Mr. and Mrs. John Contarios and son attended Christmas dinner along with 18 other relatives at the home of the Contarios' daughter and family, Mr. and Mrs. Robert L. Rutley of Belleville.

We were very pleased to receive a Christmas card from Mr. and Mrs. Robert Mitchell, former residents of Canton. Mr. and Mrs. Mitchell now reside in Florida and assure us that they are truly enjoying their retirement.

James Magraw, son of Mr. and Mrs. Russell Magraw, was home from his studies at Michigan State for the holidays.

NEW BOOKS At The Wayne County

Adult

THE FAR SANDS by Andrew Garve. A wealthy young Englishman finds he has courted double trouble when he marries an identical twin. **BLACK MARIA** by Charles Samuel Addams. Anecdotes on American wit and humor illustrated in the author's distinctively ghoulish style.

GOD'S ODDING by Jesse Stuart. Sentimentally and affectionately describes rural life in Kentucky from the turn of the century until now. A portrait of the author's family.

HOW TO LIVE EVERY DAY OF YOUR LIFE by Margaret Blair Johnstone. Suggestions and philosophies offered to meet life's daily demands.

THE HEALTH HUCKSTERS by Ralph Lee Smith. Concerns advertising exploits and public misconceptions on food, drugs and cosmetics.

TWINKLE, TWINKLE LITTLE STAR by Ben Barzman. A science fiction-type satire about the current arms race.

written with a humorous and positive note.

IRON MAN, IRON HORSE by James Ketene. A Western tale of Ben Halliday, an Easterner faced with the threat of Apaches, treacherous cattle barons and bankruptcy and his determination to make his railroad a success.

TIPS FOR TEENS

By ELINOR WILLIAMS

Q.—"Dear Elinor: My problem is my parents. Though it sounds funny, I am 15, but I can't go to the movies with a boy, even in the daytime. They don't want me to grow up. Other girls can do things I cannot. What can I do to change this?"

Ans.—Think of the kinds of dates you CAN have instead of the ones you can't. There are other kinds of date fun besides movies, so why not be smart and begin dating gradually in ways your parents approve? Some parents object to movie dates, at first, because they've seen teeners' romantic antics in the back row or balcony and they're afraid your date might have similar ideas... and you'd be too inexperienced, datewise, to know how to handle the situation. Sometimes parents object to

all "solo" (alone) dates at first, but will allow dates with a group or another couple or at home. So try these date-suggestions and wait until you've double-dated a while before mentioning going out alone with a boy or to a movie. Good luck!

Q.—"Dear Miss Williams: I am 14 and have been going with a boy for several months. But I'm mixed up because some friends tell me he doesn't really like me and some tell me that he does. Sometimes we seem to be going together and sometimes we don't talk to each other. Just as we are about to break up, he tells me he cares. We don't know whether we want to end it or not."

Ans.—When you're in doubt—especially this much doubt—don't go steady!

"The only thing wrong with the younger generation is that so many of us don't belong to it."

Weak Car Radio Reception? Try Suggestions

You can improve the reception of your car radio—even under viaducts, tunnels and on country roads—with a few minor adjustments you can do yourself.

Ralph Kerrigan, supervisor of the Radio Laboratory in Chrysler Corporation's Engineering Division, says these minor adjustments, which can improve car radio reception by up to 50 percent, can be made by any car owner. The best reception for car radios in rural as well as metropolitan driving often is not attained because owners have been unaware of the needed minor adjustments, he added.

"You can get the best reception from your radio by adjusting the antenna compensator in the rear of the set. This can increase the quality of the reception by up to 30 percent.

"By raising the antenna to a height of from 50 to 60 inches, you can be assured of obtaining the greatest sensitivity of the set which will result in the best possible reception," Kerrigan said.

The antenna compensator should be adjusted in the following way, he said:

Increase the volume to near maximum. Then turn the tuning dial of your set to around 1600 KC for the weakest possible signal. Within easy reach beneath the instrument panel is the antenna compensator located in the rear of the set. Turn the antenna cable outlet. Turn the compensator until the signal becomes loudest. The best possible reception is thus assured for your car radio.

After the compensator and antenna adjustment, the customer should re-set the push buttons for his favorite radio stations.

The height of the antenna is important and the higher it is raised the better the reception, Kerrigan noted. Although a 50 to 60 inch height is most desirable, certain overhead restrictions such as garage height, low viaducts or trees—might impede the raising of the antenna to this height.

Kerrigan said, "the higher the better."

Arizona Grand Canyon became a national park in 1919.

THE '61 CHEVY BRINGS

JET-SMOOTH TRAVEL DOWN TO EARTH

HERE'S WHAT GIVES CHEVY ITS JET-SMOOTH RIDE—
Full Coil suspension—Chevy's one of the few cars with a coil spring at every wheel. Precision-balanced wheels—For smoother rolling with less vibration. Sound-insulating insulation—Sheet metal is carefully insulated against drumming and vibration. 52 built-in "shock absorbers"—Cushion the chassis against shock and shake. Live rubber body mountings—Extra-large butyl rubber cushions that further isolate the ride from the road.

This is the Impala Sport Coupe—just one of 20 Jet-smooth Chevies!

Better just circle your dealer's block the first time you try a Jet-smooth '61 Chevy. Get anywhere near an open highway and he's liable never to see you again. What we mean, Chevy's ride whips you year to travel. Wins you over with its delightful coil-spring smoothness, its hushed comfort and light steering. You find yourself feeling sorry for people who buy higher priced cars, thinking they have to pay premium prices for a luxury ride.

That may have been true at one time, but not any more. Chevrolet's ride, its roadability, just doesn't take second place to anybody. Drive one soon and see.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

Michigan For Industry

When we look at Michigan, as proud citizens, we admire its verdant forests, its myriad lakes, its miles of smooth highways, its ever-growing tourist attractions.

Michigan has lots of it, as well as an abundance of other resources to fill the needs of industry.

These are the resources imperative in attracting industry here, the resources that assure industrial growth today; the vital ingredient that has made Michigan a dynamic industrial giant for so many years.

Your newspaper, proud to be a Michigan citizen, will publish a series of public service advertisements, the first of which appears today.

This is our contribution toward reminding our readers that "Michigan Is Everything for Industry" — that it has everything industry needs.

If Your Name Is 'Ursula'

By ANN REYNOLDS

This name seems to gain more and more ground in our country; it shows that the literal meaning of a given name rarely exerts an influence on the choice made by parents when picking a moniker for baby.

and the Ursula he had in mind obviously was attractive and graceful. Maybe no one who knew her connected her with little she-bears.

The name "Ursula" spread from Cologne, Germany; St. Ursula is said to have been martyred there. Legend informs us that she lived in the fifth century, and was a British princess.

Under 21

By DAN HALLIGAN

Dear Dan: Without a doubt I've got two of the most wonderful parents in the world. The only thing that troubles me is their lack of interest in my school work.

Dear Dan: I'm only 14, still too young to date but not too young to baby-sit and that's what I do at least two evenings a week.

Outside of their lack of interest, they're wonderful and we get along better than any other family in town.

I don't really mind that but I do mind doing all this sitting for the mother and father for nothing.

Dear Understanding Needed: Your mother and father may be wonderful but they are neglecting some of the basic duties and just as important, they're missing out on some events that will only occur once in their lifetimes for them.

Dear Florence: I hate to put a commercial tag on baby-sitting but as long as the baby-sitting is an evening occurrence, then I think the parents should be expected to pay you.

Perhaps you've never told your parents exactly how you feel. If you haven't talked this over, the beginning of this new year is about as good a time as any to get this settled.

You can't bring up this subject but the parents should eventually realize you shouldn't be made the patsy each and every week.

Handwriting Is Clue About You

Dear Lucille Williams: I have often thought handwriting analysis would prove very interesting and have intended to write you for some time.

good memory. You like details and do not overlook finishing anything you start. You possess tenacity.

Dear M. L. Y.: You're a very determined person, alert, quick thinking and with some persistence.

Dear Don: You are a fluent talker with a love of variation. You like to be active, like rich foods and deep tone colors.

There is some procrastination but not consistent. You're an expressive person with pride but very little sensitiveness.

There is engineering ability and a talent for constructing, building and forming. You have a large imagination, poor memory and some temper.

Dear Miss Williams: Is this sample of my handwriting enough for an analysis? I would like to see what you find in it. Thank you. Mary B.

Dear Mary B.: You get irritated very easily, often resulting in a show of temper.

There's more to change your mind. You have a tendency to decide everything with a yes or no.

Several independent studies conducted elsewhere have shown that intelligence test scores for the same age group — say 18-year-olds — have increased gradually for a long period of time.

Happy New Year everyone. Send your letters to Lucille Williams in care of this newspaper for free handwriting analysis.

Moreover, re-tests of the same individuals over a span of one or two decades have shown that intelligence scores increase with age, at least until the middle 50's.

Behind at least three of them are broom closets.

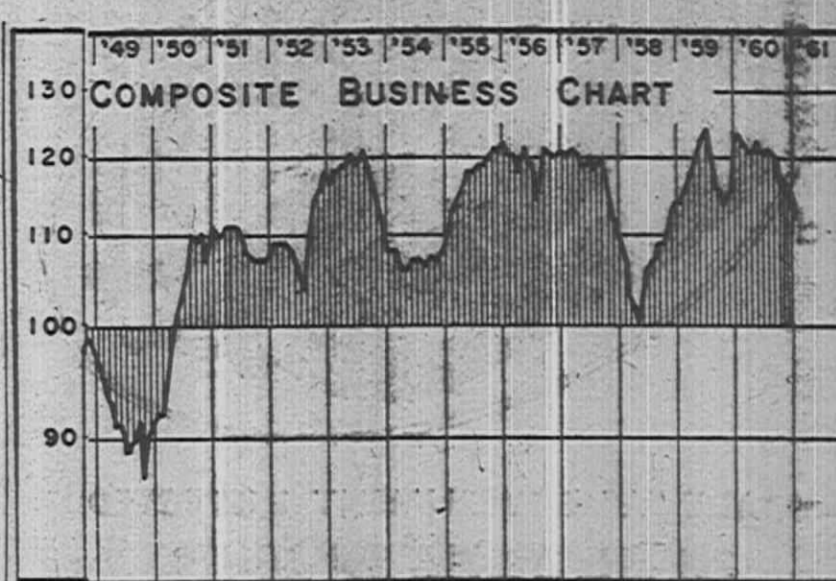

In short, people are getting smarter all the time.

HOW'S BUSINESS?

Economy Dip Continues

By ROGER W. BABSON

Business activity closed out the year 1960 still tightly enmeshed in an inventory adjustment. The Babson Composite Business Chart shown above fell in December to the low point for the year.

THIS SHOWS CURRENT BUSINESS COMPARED WITH THE SAME TIME FOR THE PREVIOUS TWELVE YEARS

Most of the nation's key industries contributed to the deepening slump in business. Auto producers trimmed output as dealers' inventories of unsold cars rose to the million closing months.

U-M Freshman I.Q. Tops U.S. College Average

Today's freshman at the University of Michigan achieves higher scores on standardized intelligence tests than the average U.S. college graduate, studies conducted by the U-M Bureau of Psychological Services indicate.

John Miholland (Ph.D.), chief of the Bureau's Evaluation and Examinations Division, reports a steady upward creep in freshman scores on the American Council on Education's (ACE) psychological examination, a measure of general scholastic aptitude.

In 1953, the average total score on this test was 177 for U-M freshman. Today it's 10 points higher. The shift, is equivalent to an I.Q. change from 125 to 133, somewhat above the national average for those who've completed a college education.

Exceedingly cold and stormy weather over large areas of the nation took a further toll on industrial production. The expected sizeable increase in year-end consumer purchases was dealt a severe blow.

Among U-M students taking the ACE test, average total scores were the same for men and women. The men's advantage on the numerical section of the test was offset by the women's advantage in the linguistic portion.

After holding near peak levels during most of the year, industrial activity

All About BABIES

By Hope F. Lewis
Chairman, Diaper Service Information Bureau

When you're expecting another child, it's wise to prepare junior for the event. Child guidance experts agree that the arrival of a new baby without careful preparation can cause serious emotional upset.

Mothers facing this situation for the first time can benefit by the experience of those who have dealt with it effectively. Baby care counselors employed by the Diaper Service Industry come in daily contact with numerous mothers of young babies. The following are some quotations from mothers who have successfully dealt with the problem of sibling rivalry.

"After I'd told three-year-old Joan she was going to have a baby brother or sister," one mother says, "I saw to it that she spent a lot of time with a neighbor's baby. She watched the mother bathe the baby, feed him and dress him. She was even allowed to hold the baby."

"It was a great experience for her and when our baby came, she seemed to take it in stride. She enjoyed playing 'house' with me and the baby and by being in on the act, showed no resentment whatever of her little brother."

"Although Mary was looking forward to the new baby's arrival," another mother relates, "we were very careful not to make too much fuss about it. My husband carried the baby, so that I was free to concentrate on Mary, to show her how much I had missed her while I was away."

"I gave her a present and I played with her for a while, then I let her help me make our new little houseguest comfortable. She entered right into the spirit of the game."

Here are some other good rules to follow:

Have Daddy greet the first child and spend a little time with him before he asks about the new baby.

If you have to employ a stranger to look after the older child while you're in the hospital, give him plenty of time to become accustomed to the newcomer.

Explain to the older child just what to expect of the baby, what the baby can and cannot do. By emphasizing the baby's helplessness in contrast to the older child's abilities, you build up the latter's self-confidence and promote a protective attitude toward the baby.

If it is necessary to move the older child from his crib to make room for the baby, point out that this is because he's growing up and is through with babyish things.

Winter Giving Break to Deer Herd in Michigan

Michigan's wintering deer herd continued to get a break from the weather as 1960 prepared to give way to the New Year. Conservation Department district game supervisors reported that:

As of Dec. 26, deer were generally active throughout most of their range. Some were yarded in the Lake Superior region where snow depths reached one and one-half feet. Deer had taken to heavy cover for protection from plunging temperatures in some parts of the northern lower peninsula, but there was practically no real yarding.

Temperatures ranged between 12 degrees below zero to 28 above in the upper peninsula last week. In the northern lower peninsula, they ran from 23 below to a high of 35 above. There were only traces of snow in some of the southern areas above the Straits while most of the northern lower peninsula recorded less than a foot.

Normally, deer are forced to start yarding early in December above the Straits and later in the month in the northern lower peninsula. They had been yarding for five weeks in the upper peninsula by this time last winter.

The open type of winter thus far will help deer when they need it the most—just before and during spring breakup—provided the weather runs a fairly normal course from now until then.

With the herd still free to feed over much of its range, deer should generally be in better-than-usual physical condition to meet the challenge of the crucial months. In addition, more winter browse should be available in deer yards when the animals are forced to retreat to these wintering concentration areas.

ALCOHOLISM STUDY

STANFORD, Calif. (UPI)—Mr. and Mrs. William McCord, a husband-and-wife sociologist team of Stanford University, have found that one of the causes of alcoholism may well be the relationships and emotional frustrations of unhappy childhood.
