Plymouth, Michigan \$4.00 Per Year In Area \$5.00 Elsewhere In U.S.A.

## Election Cost: \$1.50 a Vote

It cost Plymouth City and Township taxpayers almost \$1.50 per vote to open the polls for the Feb. 20 Biennial Spring Primary election, a financial report this week showed.

In the City, it cost \$584 to stage the election and only 381 voters went to the polls. This figures out at nearly \$1.50 per vote, City Clerk Joseph Near announced.

The story was the same in Plymouth Township where Clerk Fred L. Miller listed expenses of \$502. With there being only 361 going to the polls in the Township, the cost per vote was nearly \$1.40 each.

Similar stories were heard throughout the state.

In nearby Livonia, only 845 of the City's 33,000 registered voters came out. It cost around \$4,000 for the election there —

bringing the cost to taxpayers up to \$5 per vote! City Clerk Marie Clark called it "A tragedy."

The Biennial Spring Primary, of course, is required under state law. Its cost is borne by the local governments if there are local races on the ballot. Had there not been a supervisor race in the City of Plymouth, the County would have stood the expense, according to City Clerk Near, because the only other race on the ballot was for County Auditor.

Only 9 per cent of the Township's 4,000 registered voters went to the polls and 8½ per cent of the City's 4,575 voters showed up.

Why does an election cost so much?

The bulk of the expense goes to pay precinct workers. At least two people from each party are stationed at each precinct. For instance, workers were paid \$300; setting up the voting machines cost \$45; ballots were \$67; publishing legal notices cost \$65 and other incidental items were \$25.

The biggest turnout in any of the City's precincts was 104 in Precinct 3 (High School). This meant there were an average of nine voters an hour.

Precinct 5 (Bronson Building) had but 66 voters a 1 1/2 hour long — or slightly over five voters an hour!

It was the lack of interesting candidate races and issues that caused voters to stay home.

Some observers feel that such elections are a needless waste of public funds, that perhaps a State Constitutional Convention, if there is one, should consider having citizens select their nominees at County conventions.

## Planner Notes Area Expansion

Plymouth will have great things in store for it during the 1960's, providing its people have the proper "go" and spirit, according to Paul M. Reid, executive director of the Detroit Metropolitan Area Regional Planning Commission.

In an address here last week before the Optimist Club, Reid outlined the role of Plymouth in the metropolitan area's general growth. Much study, he said, has been given to the Plymouth, Northville and Northwest Wayne County area and he predicted that these areas will greatly progress and expand provided proper cooperation and administration is provided locally.

Using large scale maps and charts in his talk, Reid noted that the ability of a unit of government to provide services for its residents is dependent upon its tax base, rather than upon the number of inhabitants.

A substantial tax base has already been established in Plymouth because of its manufacturing plants, and despite

## Watchdog of the Scales

## From Topsoil to Foot-Longs-- He Keeps Eye on Measure

By JIM SPONELLER

Foot-long hot dogs that are only nine inches long. Bottles that contain only 93 aspirin instead of 100. And parking meters that short motorists of time.

These aren't exactly the types of crimes that gun-slinging Elliot Ness probes each week on TV—but they are the kind that affect every person who considers himself a consumer.

Tracking down such matters in Western Wayne County is Harold Monet, inspector for the Foods and Standards Division of the Michigan Department of Agriculture.

Very few people know that such a governmental division exists, Monet finds. To bring the work to the attention of the public, the week of March 1-7 has been designated as National Weights and Measures Week.

Monet, a former supermarket manager, covers Plymouth, Livonia, Redford Township, Wayne, Northville and other areas in this part of Wayne County. While the great majority of merchants are honest, hard-working people, there is a tiny segment who take advantage of their customers whenever the opportunity arises and these are the ones that Monet and his fellow inspectors are looking for.

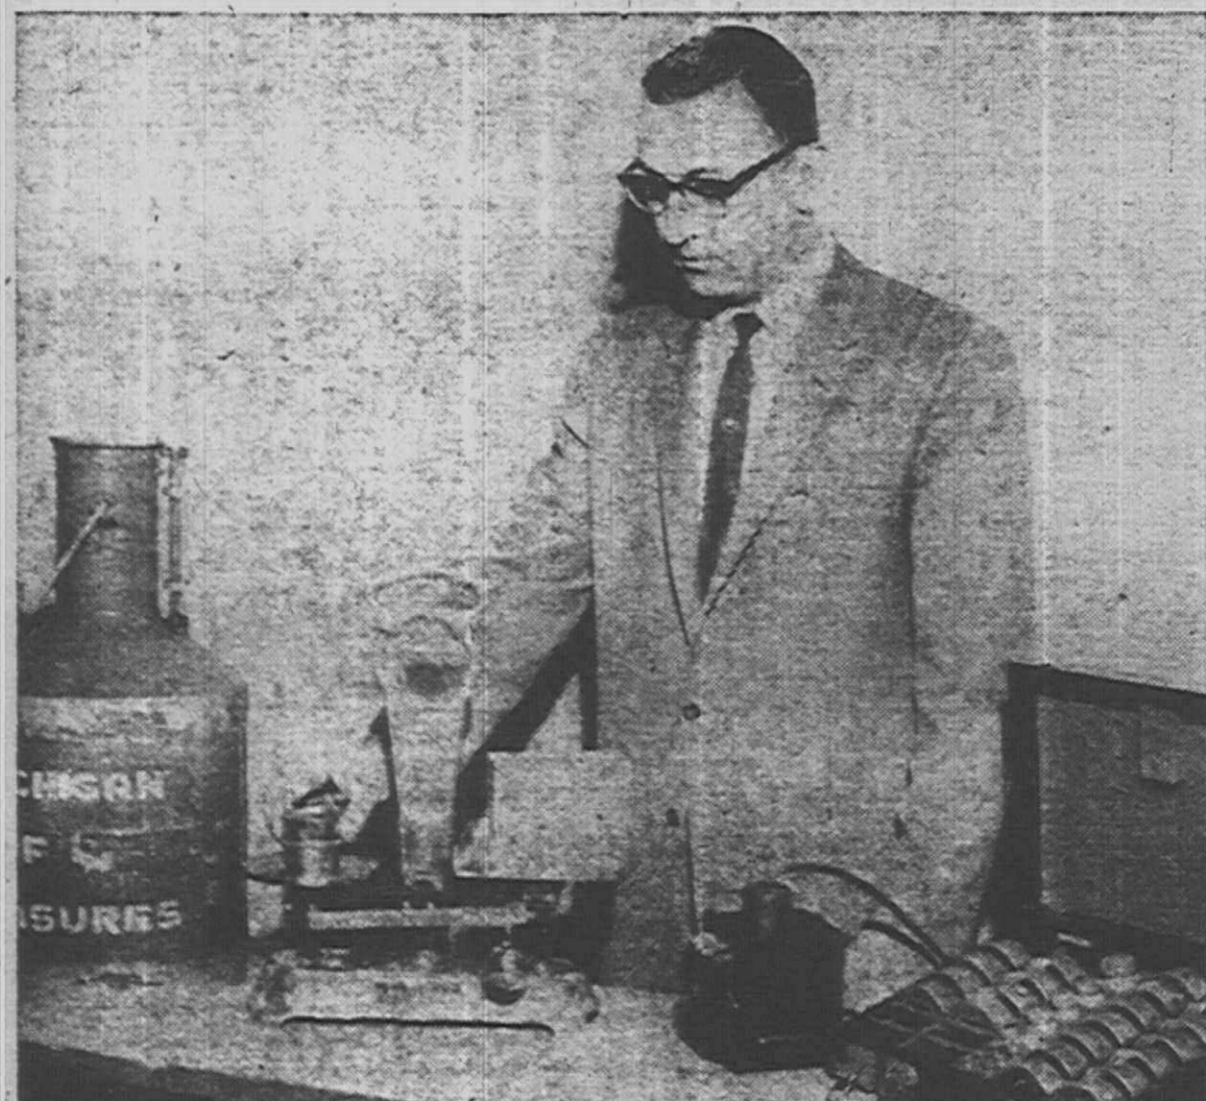

Most shoppers know that the state keeps close tab on

scales, checking them periodically and then placing a seal on them. But this is just one phase of the 60-man Foods and Standards Division.

Probably the most dramatic part of their work comes

when they go on a "shopping tour." During the recent hunting season, Monet had five men from other areas come in to help him on such a tour. Dressed as hunters, some

LONG LINES wound down Liberty St. to the Starkweather Ave. corner Monday and Tuesday as motorists beat today's deadline for getting 1961 tabs and license plates on their vehicles. Five clerks were busy from 9 a.m. to 9 p.m. handling the crowds. Late buyers, though having longer lines, got off 35 cents cheaper

than those buying last week because the extra fee for reflectorized plates (which won't come until next year) was dropped. Manager Doris Root reports that only one tab buyer returned, wanting his money back so he could buy the tabs 35 cents cheaper. But there are no refunds she learned.

## It's Time To Sign Up For Little League

Registration days for boys interested in trying out for Little League teams this coming baseball season are Saturday, March 11 and Sunday, March 12. The time is 10 a.m. until 3 p.m. each day, at the American Legion Hall located at 888 N. Sheldon Road across Sheldon from the Western Electric plant.

Any boy who will attain the age of nine years before August 1 and who will not attain the age of 13 years before August 1 of this year shall be eligible to compete.

Those boys interested in an eligible, complying with the age restrictions, will appear on either of the dates, bringing with them their birth certificate and an old white T-shirt for stenciling a number on. They will also be accompanied by a parent, if possible.

## NEWS BEAT

Every February 22, employees at the License Bureau in Plymouth look forward to wishing a "happy birthday" to George Washington. This George Washington lives at 655 Hix Rd. and for some reason he always bought his license plates on Washington's birthday. This year, however, something went wrong. Washington bought his license tab on Lincoln's birthday.

EARLY EXIT: Salem Township's supervisor for the past 12 years, William Scheel, was apparently the victim of a protest vote against his handling of huge assessment jumps. Beaten in last week's primary, Republican Scheel resigned Thursday and is being temporarily replaced by Sylvester Shear.

The Board of Review expects to meet on Wednesday, March 7, to discuss the equalization job suffered several years ago in Wayne County. Salem is in Washtenaw County.

A WINNER: Sixteen-year-old Nancy Richard, 1257 S. Main, will receive a tetherball kit from The Plymouth Mail's monthly supplement, "Suburbia Today." She was a winner in a contest called "A Contest for Those Who Never Enter Contests."

NEW TOPPER: Inspectors climbed the City's Church St. water tower last Friday and found that a new roof and ladder inside the tank are needed. Otherwise, the tank is in good condition. No complaints were heard about rust anticipated by manual opera-

tion of pumps while the tank was drained.

REBUTTAL: A picture on the front page of this week's "Chessie Nes," publication of the C & O Railroad, shows Edward Ebert, 1029 N. Mill, pointing to a line of three-decked railroad cars loaded with new automobiles in the Plymouth yard. In an accompanying story, Ebert recommends that railroads fight to keep the piggybacks by writing legislators, just as the Teamsters are doing to protect the piggybacks. "Chessie Nes" notes that while Teamsters are concerned about job losses by 15,000 of their men, "would it be in order for the 450,000 rail employees who have lost jobs because of what the trucking industry has done to send condolence cards?"

SLOW GOING: Building permits for new homes in the metropolitan area in 1960 were lowest since 1950, Regional planners declare. As reported earlier this year, The City of Plymouth had 43 permits issued for new dwellings: Plymouth Township, 37; Canton Township had 23; Northville Township, 24; Salem Township, 9; Livonia, 1,198; Nankin Township, 813; Redford Township, 180. Warren led the metropolitan area with 3,247.

NEW GROUP: Plymouth women wanting to get into some worthwhile program might consider attending a meeting Monday, March 6 at the Plymouth State Home and Training School on Sheldon Rd. An auxiliary will be formed at the new institution and this will be the organizational meeting. It starts at 7:45 p.m.

POLICE BEAT: Douglas Brownell of Detroit, charged with selling narcotics (marijuana), waived examination Monday before Municipal Judge Nandino Perlongo and was bound over to circuit court. He was arrested Feb. 10. ... The top of a convertible owned by Sam Battle, Beck Rd., was slashed as it sat in front of 620 Ross St. last weekend. ... And Mrs. Shirley McAllister, 685 Jener, reported that three tires on two bicycles parked in her garage were slashed.

FIRE RUN: City firemen are still investigating the cause of a fire in the garage of Gene Keller, 332 W. Liberty, last Tuesday night (Feb. 21). A boat, the garage and some other contents were all heavily damaged. The fire did not start in the boat, firemen said.

## Local Men Involved

# Arrest Five In School Thefts

Five Plymouth-area men have been arrested as members of a burglary ring which in seven months allegedly looted 26 school safes in four counties—including three in the Plymouth system.

Safes at Allen, Bird and Farrand Elementary Schools were among those hit by the quintet and it is possible that Gallimore School's safe was also among them.

Arrested were: James T. Joyner, 37, of 646 S. Main.

William McCants, 37, of 814 York St.

James Carter, 32, of 921 Sutherland.

Billy Gene Gwynn, 18095 Ridge Rd., Northville Township.

Roger Moss, 44, of 746 Blunk.

Arrested Monday by Justice of the Peace Ralph Foote in Canton Township were Joyner and Carter, who pleaded not guilty, waived examination and were placed under \$5,000 bond.

They were held on a charge signed by Plymouth school officials for breaking into Bird School last June 13 and taking \$187 from the safe. They chopped a hole in the door to gain entrance.

Also appearing Monday were Moss and Joyner, charged with breaking into the Farrand School safe on Sept. 18 and getting around \$18. Moss pleaded not guilty and was held under \$5,000 bond while awaiting examination, Joyner pleaded guilty.

Joyner and McCants, both with prison records, are being held in Washtenaw County jail in Ann Arbor while the other three are held by Wayne County Sheriff's Department.

## Guild Play Requires Record Cast

The largest cast in Plymouth Theatre Guild History is heading into its final week of rehearsal.

Director Bill Moore has revealed that he hopes to place 42 actors before the Plymouth audience, as "Inherit the Wind" opens next week.

The play will run Thursday, Friday, and Saturday nights at 8:15 p.m., with a Sunday matinee at 2:15 p.m. All performances will be held in the Plymouth High School Auditorium. A special service will be a baby-sitting room for the Sunday matinee.

"Handling so many people in a single cast can be a very trying — and sometimes frantic — job," Director Moore said. "But this cast has been most understanding and cooperative. There are no prima donnas. Each one is trying to do just what is required of him, without a lot of fuss and feathers."

Meanwhile, Producer Larry Tillotson has been organizing the back-stage personnel, the props, and set-construction. This week, the semi-stylized set is to receive the finishing touches, under the artistic guidance of Tiv Balogh.

The cast of "Inherit the Wind," nearly completely filled now, has been announced by Director Bill Moore as follows: Henry Drummond, Jim Blackman; Mathew Brady, Bill Pate; C. K. Hornbeck, Hal Young; Bert Cates, Jerry Thaden; Rev. Brown, Matt Fortney; Rachel Brown, Margaret Szakacs Farrant;

Mrs. Brady, Joan Ramo; Melinda, Janet Young; Howard, Harold Burden; Timmy, Tom Webber; Goodfellow, Mark Tillotson; Mayor, C. V. Sparks; Tom Davenport, Merle Heft; Judge, Dick Knopf; Sellers, Bob Hartigan; Mrs. Krebs, Mrs. Alice Woodruff;

Mrs. Loomis, M. J. Cook; Mrs. McLain, Miss Alice Woodruff; Mrs. Blair, Marilyn Wright; Mrs. Platt, Mary Ellen Knopf; Meeker, Ivan Griswold; Bollinger, Cy Cooper; Bannister, John Cannon; Corkin, Bill Kamen; Dunlap, Larry Ordowski.

## Storm Sewer For School Approved

Eight bids were received by the Board of Education for the laying of a storm sewer that will service the new junior high school at Sheldon Rd. and Ann Arbor Trail.

Bids were considered at a special Board meeting Monday night with the contract going to Allard Construction of New Hudson. They submitted the low bid of \$3,994. An 18 day completion date has been set by Allard. It must be completed by March 15 or 21.

The 30-inch storm sewer will run 324 feet from the site, under Ann Arbor Trail and to Tonquish Creek. Construction of the first phase of the new school will start this spring.

The ring worked in various combinations in Livingston, Oakland, Wayne and Washtenaw county schools. Their operation extended from Telegraph Rd. westward to Dexter.

Joyner and McCants were arrested by Washtenaw County deputies when their car was stopped for a traffic violation. The deputies spotted a roll of bills and an axe in the front seat.

Joyner attempted to flee but was caught after a wild, mile-long foot race through tangled underbrush. Money found in the car had been taken from an Ann Arbor junior high school. Both men admitted the theft and later confessed taking part in 26 other school safe jobs during seven months.

In each case the burglars would climb onto the roof of the school and drop inside the building through a skylight or other overhead opening. They never used more than a few pry bars, hammers and screw drivers, officers said.

Joyner and McCants were picked up for break-ins because usually there are no houses close by and "safes in schools are a cakewalk." They claimed to know how much loot they had from their break-ins. Their average haul was between \$150 and \$300.

Blunk said that since the safe crackings, Plymouth's schools keep very little money. "The safes are installed more for keeping records safe from fire," the school official said.

NAMED "OUTSTANDING CITIZEN" by the B.P.O. Elks was Mayor Harold Guenther, left, being presented a plaque by Exalted Ruler Willard Lorenz at last week's ceremony.

## Elks Honor Retiring Mayor Guenther As 'Outstanding Citizen'

Harold E. Guenther, Plymouth's mayor since 1957, who will be leaving the City Commission next month, was presented the "Outstanding Citizen" award by the Plymouth Benevolent and Protective Order of Elks, first such award made by the lodge.

The selection was made by the Social and Community Welfare Committee of the lodge. State Elks President Albert Vernon was present at the meeting and the plaque was presented by the exalted ruler, Willard Lorenz.

Mr. Guenther has served as the mayor of the City of Plymouth since 1957 by the unanimous choice of his fellow commissioners. Before serving in this capacity, he had for one year served as a member of the Personnel Service Appeal Board and for three Elks Lodges across the

### Annual Book Fair Opens At Good Counsel

An annual book fair is underway at Our Lady of Good Counsel school for four days this week. The Holy Name Men's Group sponsors this book sale in the school library, and features this year 418 titles of assorted subjects.

A good majority of books on display are the popular paper-backs, with special attention paid to the Doubleday series of Image books. Doubleday has presently 118 books printed in low cost editions, all reprints of original hard cover books by Catholic authors. Also presented for inspection are a number of books in reference to the Bible, in particular a series of 13 booklets recently published by Collegeville, Minnesota, on the New Testament.

The lately deceased Tom Dooley's works are available at the sale, along with a variety of lives of Christ, patron saints, publications of Popes, and the ever growing series of "Catholic Viewpoints."

The sale began Sunday after each of the seven Sunday Masses, and continues each evening at 7:30 until Wednesday evening.

The Maccabees will meet March 8 at Oddfellows Hall for a 6:30 p.m. potluck supper.

Caida Fisher and Olga Neilson are on the entertainment committee.

We wish to extend our sympathies to Mabel Dicks on the loss of her son, Floyd.

The Hive is hoping for a speedy recovery for Hazel Norgrove's husband, who is ill and in the hospital.

Grace Howard is confined to her bed. A card or call would be appreciated.

AT THEIR annual Boss Night, ladies of the Plymouth Business and Professional Women's Club selected THE boss of the year. Pictured l. to r. are Roy

A. Fisher of the Roy A. Fisher Insurance Agency being "crowned" by his employee, Mary J. Wagenhut.

## Roy Fisher Crowned 'Boss of the Year' Engaged

At the regular meeting of the Plymouth Business and Professional Women's Club, Monday, Feb. 20 at Hillside Inn, members set aside the evening to entertain and honor their bosses. From letters submitted to the Career Advancement Committee, an outstanding Boss was chosen to be feted.

Roy A. Fisher was selected,

on the basis of the letter submitted by his employee of 24 years, Mary J. Wagenhut, which reads:

"In giving the reasons why I believe my Boss is an outstanding Boss and especially fine person to work for, perhaps I should start with the simple fact that he has been my Boss for the past twenty-four years or all of my working life with the exception of the first six months. People just do not work for the same employer that many years, unless he is the type of person who makes working for him a pleasure. He must be the type of employer you can be proud to work for and worthy of your respect and loyalty.

I feel, and know, my Boss is an honest, trustworthy person, always ready to lend a helping hand. He is thoughtful of his employees and his customers. He has never raised his voice in anger to any of his employees. He has never criticized one employee in front of another. He has always been fair about wages, necessary time off, and vacations.

He recognizes his employees are ordinary human beings and capable of human errors and misjudgment. He therefore, never makes an issue of any error which comes to his attention, but rather puts the employees at ease by telling them he understands how the error could easily have been made.

Because of the above mentioned qualifications, I would like to submit the name of my Boss, Mr. Roy A. Fisher of the Roy A. Fisher Insurance Agency, as a candidate for recognition as "Outstanding Boss of the Year."

Yours very truly,  
Mary J. Wagenhut

Brenda Bruce, Mrs. and Mrs. Fred Bruce, 565 W. Ann Arbor Trail, announce the engagement of their daughter, Brenda, to Patrick Roeding, who is the son of Mr. and Mrs. Donald Roeding of 675 Sunset.

Brenda attends Plymouth High. Patrick attended the same school.

No definite date has been set for the wedding.

Mrs. and Mrs. C. E. Fishbeck of 4080 Berry Rd., have announced the engagement of their daughter, Mary Lou, to Eugene L. Huddleston, son of Mr. and Mrs. J. Earl Huddleston of Russell, Ky.

Miss Fishbeck was graduated from the University of Michigan, where she was a member of Kappa Delta sorority.

Mr. Huddleston was graduated from Marshall College and Ohio University and attended Indiana University.

A June wedding is planned.

Even though the official coming of Spring is still 20 days away, there are many signs of the 'glad' season becoming apparent.

Dorothy Finney, of Arthur St., saw a plump and saucy robin from her kitchen window the other day feasting at her bird feeder. Now, surely this is a positive sign that Spring is just around the corner.

Speaking of birds, many are on the move now, winging their way northward for their summer sojourn. And, if they find in your backyard the three essentials necessary for their survival which are cover, food, and water, you may be host to a variety of interesting wildlife during the approaching warm weather.

Esther and Russ Powell of Ann Arbor Rd. have had the pleasure of watching the birds, lot these many seasons.

The purple grackle, who is one of the north's 'early birds', has been stopping at their place for the last seven or eight years; and as many as 500 at a time have stopped to feed and rest during their migratory periods northward and south. The summer tanager, brown thrush and cedar wax-wing, not to mention the more familiar cardinal and blue jays, are also regular customers at the Powells'.

The birds of all seasons have found a haven here as well, for during the lean winter months Mr. and Mrs. Powell have counted upwards of 150 pheasants gathering to feed daily. Quail, ground-doves, snow birds and the nuthatch make this their eating station, too, during the cold weather.

The piney, red and fox squirrel, who Esther says is as large as a cat, frequently scamper onto this busy scene to purloin nuts and bread crusts to cache away for harder days.

The Powells feed their interesting feathered boarders a diet of cracked corn, sunflower seeds, suet, sugar buns, and hard bread.

Just to illustrate how secure and safe the birds feel toward their human benefactors once, during the pheasant season, Russ came home to find two pheasants in his garage. Seeing that one was badly wounded he picked it up and gave him a drink of water, whereupon he put his head on Powell's shoulder and died.

The game birds seem to know instinctively, when the hunter is afoot and large groups of them congregate on the Powell property until the common danger has passed.

While wonderful science has discovered heretofore untold mysteries, the enigma of migration remains as much a riddle today as it did hundreds of years ago. For birds are able to find their way through thousands of miles of space, usually flying at night, without aid of landmarks, and still come back year after year to an appointed place.

Some ornithologists believe that the avian eye is sensitive to infra-red, which enables the bird to orient itself southward toward a region of increasing red rays, or northward toward a region of decreasing infra-red, thereby serving to guide birds in approximate compass directions.

Whatever the explanation might be, they are here to stay, and I, for one, am for the birds.

### Prayer Service Calls 125 Women

Friday afternoon, Feb. 17, 125 women, representing eight Plymouth churches gathered at the First Baptist Church at N. Mill and Spring Sts., to attend the World Day of Prayer Service, which is sponsored by the Plymouth Council of United Church Women.

The general chairman of the program was Mrs. James Tidwell. Mrs. Dunbar Davis introduced the guest speaker, Mrs. Robert Boltwood, who is director of the Christian Friendliness Program of the Michigan Baptist Assn., and also a member of Wayne State University staff working with foreign students. Her subject, "The Enlarged Opportunities," dealt with the opportunities of Christian women to better serve others.

Guest soloist for the program was Mrs. Walter Lake, who chose the hymn "I Walked Today Where Jesus Walked."

A short play entitled "With Tomorrow Yet to Come," portrayed the history of the World Day of Prayer from its very beginning to its present day international scope.

Mrs. Gerald Fitch, president of the Plymouth Council of United Church Women, was narrator for the play and the cast was made up of other members of the Council.

Nursery School Reveals World Of Children Is Fascinating

Hearts and posies, and red and white paper plate chapaus were the order of the day, Feb. 14, when The Mail visited a local day nursery for pre-schoolers. "The world of children is a fascinating place" say Darlene and Tom Hackney, and they are in an excellent position to know for they own and operate Lee's Nursery School in Plymouth located at 303 W. Ann Arbor Trail.

The Play area, Creative and Eating and Imagination units comprise the three zones of specified activity. In the Play area are found large blocks, trucks, a jungle gym and slide. Coloring, painting and do-it-yourself toys and games are components of the Creative room which doubles as the dining room for the variety of well-balanced hot lunches that are served. The Imagination area is perhaps the most stimulating, for here is the miniature kitchen, a mirror and various toys and the moppets can dress up and become whatever their imaginations dictate. One little lad describing his father said lovingly and with pride, "My daddy is ten feet tall and he is six years old."

"Our aim," said Hackney, "is not to take the place of the home, for there is no substitute. We are merely a supplement to the home with a flexible program geared to character building in each individual boy or girl. Our school makes every effort to provide opportunities for successful heterosexual adjustment, looking forward to the day when school officially opens for them. This training makes the transition from home to school smoother."

Cub Pack 781 Holds Potluck

Cub Pack 781, sponsored by Our Lady of Good Counsel School, staged their annual Blue-Gold potluck dinner Sunday afternoon at 3 in the school cafeteria. Joseph Caloia announced his termination as Cubmaster at the gathering, attended by 327 Cubs, their parents, family and guests. Upon the presentation of a large number of awards to individual Cubs, and the reception of a few new boys, Leroy Cripe assumed the role of Cubmaster for the coming months. Pack 781 presently has 63 boys in eight dens. The coming project for the boys is the acquisition of the religious award, Parvuli Dei. This achievement is had when a boy attains Bear rank and has accomplished 12 steps assigned by the church and recorded in a special folder. It takes 50 different types of machinery to construct a jeweled-lever Swiss watch and up to 1,650 hand operations.

### Local Jeweler Furnishes Timers For Swim Meet

Beitner Jewelry of Plymouth is making available the Bulova mechanical timing devices for the Suburban Six League swimming meet being held at Redford Union High School March 3 and 4.

Used in the 1956 Olympic track and field trials, the Bulova one-tenth of a second hand instruments are employed wherever accuracy and precise timing are required, Beitner Jewelry owners, Fred and William Beitner, declared.

In connection with the Suburban Six League meet, the jewelry store will devote their front store window to a display of the timers prior to the meet.

Because of the complexity and delicacy of the timers, Bulova Watch Co. has made only 200 of them in two and a half years. Manufacturing tolerances of four-one millionths of an inch are required in their manufacture. Before they are certified, the timers must not have a variance of more than one second in a complete 2 hour cycle.

Even color schemes have a strong influence in the evolution of the present design. Unique construction enables an official to time two finish places of one race, and, in addition, permits him to record fractional times while the race is still in progress.

### City Manager Speaks Before Senior Citizens

There were 63 Senior Citizens at the luncheon February 23 with City Manager and Mrs. Albert Glassford as guests. Mayor Harold Guenther regretted being unable to attend because of business obligations.

The tables were attractive with paper hatchets made by Mrs. Gilles in keeping with Washington's birthday.

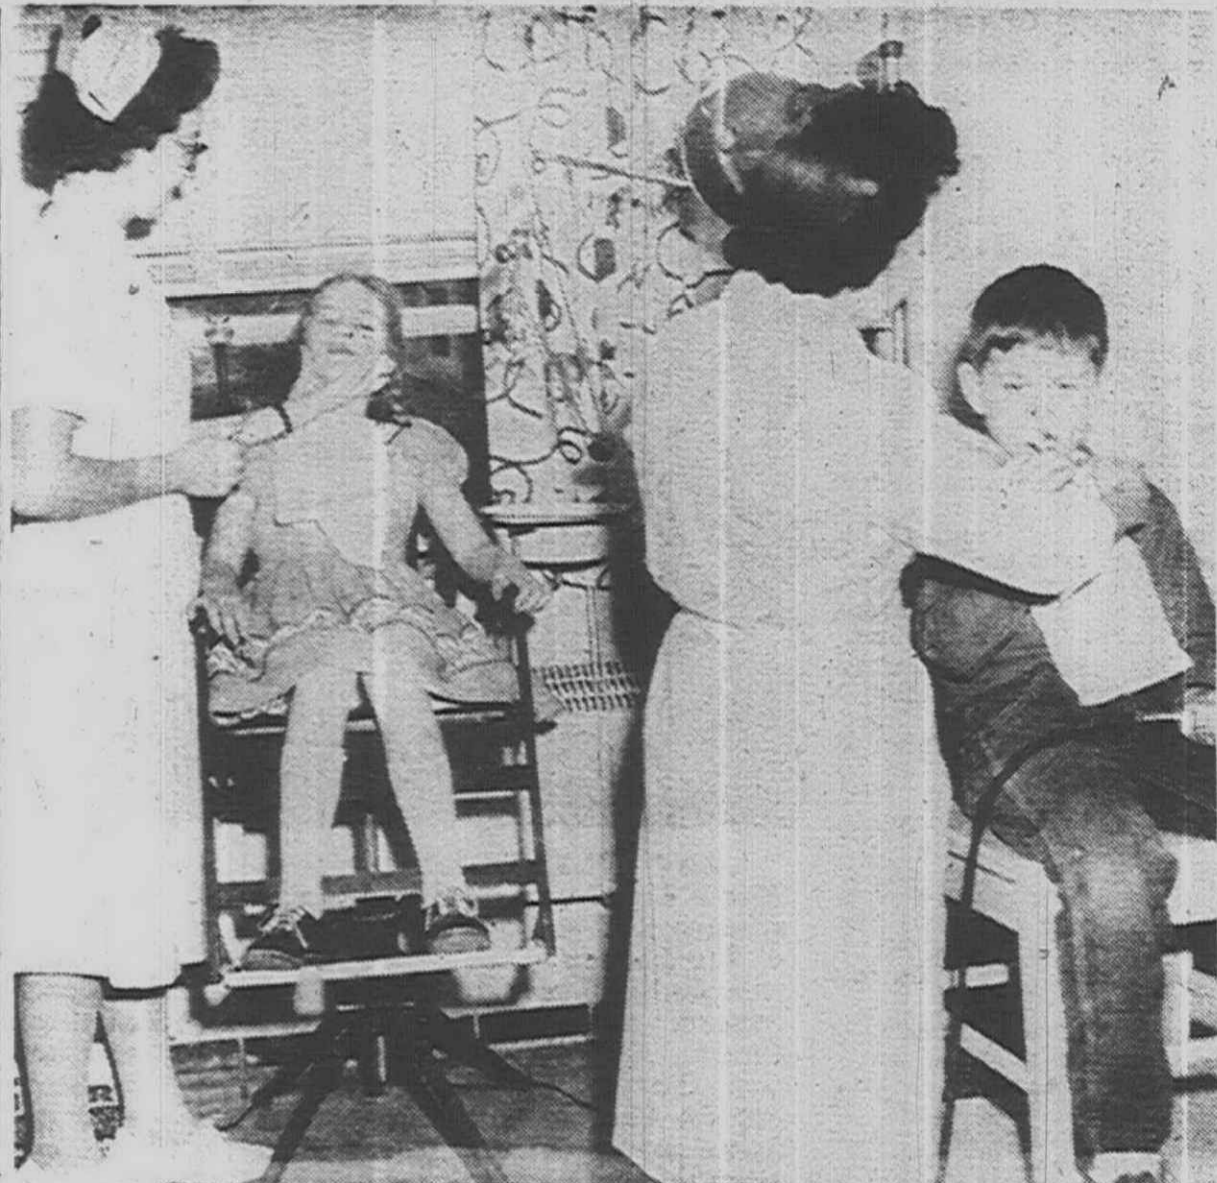

Mr. Gilles introduced City Manager Glassford and he gave an interesting talk relative to three kinds of housing that can be developed especially for Senior Citizens and retired persons.

The two oldest members present were introduced, Sam Spicer who is 85 and Col. Ed Miller, 90, gave a talk on his career as a newspaperman and his service in the Army. He also read a poem, "What I Live For."

On March 2 there will be a speaker from the Social Security Administration. Reservations for the luncheon in Wayne on March 16 must be in on March 2.

Any person 60 years (more or less) is invited to come to the Oddfellow Hall on Elizabeth St. from 1 to 5 any Thursday and get acquainted.

The host and hostess for the next three weeks will be Mr. and Mrs. Paul Nash. The Visitation will be in charge.

MRS. DONNA Snider, dental hygienist, pupil Margaret Johnson, Mrs. Lorraine Thuer, dental assistant, and student Bruce Gilmore are all in position for the

first of four sodium fluoride applications which the children will receive at Bird Elementary School. A fee of \$3.50 per child is levied to defray costs.

### Salem Supervisor Resigns, Sylvester Shear Appointed

By Mrs. H. Famuliner FI 9-0924

Sylvester Shear has been appointed Salem Township supervisor by unanimous vote of the Township Board to fill the vacancy left by the resignation of William Scheel. The appointment was made Thursday, Feb. 23.

Scheel, who has been Salem Township supervisor for the past 12 years, submitted his resignation because of protests against his handling of the Township's assessment problems. He said that he interpreted the election outcome as a protest vote.

Shear has had 30 years' experience working on Township rolls and as a supervisor and with Wayne County. With the first meeting of the Board of Review coming up March 7, he expects his short stay in office to be a tough assignment. The Board of Review meets Tuesday, March 7, and Monday and Tuesday, March 13 and 14, at the Salem Township Hall, from 10 a.m. to 4 p.m.

Don't forget when doing that spring cleaning, the Neys Hudson PTA is holding its School Fair April 22 at the school. Mrs. Richard Cremer is the chairman and she is looking for volunteers. Things are needed for the White Elephants booth. Needle work, including any hand work can be used, as well as old dishes and what have you. Call Mrs. Cremer at GE 7-9494 if you have anything or are willing to help.

The senior class of the South Lyon High School is having a bake sale this Saturday, March 4, at the Ford Garage, Spitzer and Demmer, Inc. Help the kids out.

Mrs. George Kelly and Mrs. James Brummel left by plane Sunday for a trip to Washington D.C., with the State-wide Women's Division of the Farm Bureau.

Mrs. Charles Raymor is visiting friends and relatives in Lowell, Mich.

Mrs. Charles Raymor is visiting friends and relatives in Lowell, Mich.

Mrs. Gerald Raymor (Joe) is ill in St. Joseph Hospital.

Mr. and Mrs. Dean Hardesty and children were Saturday evening dinner guests at the Elmer Bennett home.

Mr. and Mrs. Kenneth Proctor, Sr., of Chelsea, spent Sunday at the Bennett home.

Mrs. Famuliner attended an all day meeting of Mother Advisors of the Order of Rain-

bow for Girls last Monday, which was held in Roseville. The Salem Farmers Club meets Wednesday, March 1, at the home of Mr. and Mrs. Earl Roberts of Chubb Rd. A potluck meal will be served at 12 noon.

Mr. and Mrs. George Carroll of Six Mile Rd. announce the birth of a son on Feb. 14. Robert Lee weighed 9 lbs., 2 ozs.

Remember our neighbors who are ill with a short visit or a card. Mrs. Williams, mother of Louise Dahl and Doris Marshall, is at the Marshall home on Salem Rd. Mrs. Reed, mother of Mrs. Don Lanning, is in St. Joseph Hospital, Ann Arbor. John Borng of Seven Mile has been very ill. Ralph Wilson is home from the hospital. Mr. Newton of Seven Mile is in St. Mary Hospital, Livonia. Mrs. Joe Holman is in St. Joseph's Hospital, Ann Arbor.

Miss Suzie Cort, daughter of Mr. and Mrs. Drayton Cort of W. Six Mile, returned home last Monday evening after being in Kansas City, Mo. at the Poultry and Egg Junior Fact Finding Conference. Some 80 4-H boys and girls and Future Farmers from 24 states participated in the four-

day meet.

The Suburban Farm Bureau met at the home of Mr. and Mrs. Charles Steele of Chubb Rd. on Feb. 17 with 17 members present. The meeting was opened with songs and the saying of the Farm Bureau Creed. Discussion was led by Herbert Conant on "Can Property Taxes be Reduced?" Mrs. Harlow Ingall and Mrs. East reported on the Women's Committee. Mrs. Steele and Mrs. James Brummel served sandwiches, relishes, coffee and tea after the meeting.

Mr. and Mrs. Herbert Famuliner and daughters spent Sunday in Lapeer, where they visited with relatives.

### "Operation Fluoride" Started

Curiosity soon replaced the look of anxiety on the faces of the youngsters as they entered the Health Room at Bird Elementary School, for their first of four sodium fluoride treatments.

The first "visit" includes a surface cleaning of the teeth to remove food particles and differs from adult cleaning in that no tartar is removed, since little or no calcium deposits (tartar) have accumulated.

After the teeth have been cleaned, they are protected with cotton and dried. The surfaces are then treated with the sodium fluoride solution, which constitutes the first of the four spaced treatments.

From careful study, it has been found that more than four applications do not reduce dental decay accordingly.

Fluoriding is not a "cure-all," though it does prevent up to 40 per cent of new cavities. The ideal time to be-

gin treatment would be at age three when all of the primary teeth have erupted. Since this is not practical from the school standpoint, the next best period is at the kindergarten level followed by applications in the second, fifth and eighth grades, giving maximum protection for new permanent teeth coming in at these corresponding ages.

Prior to this year, the fluoride program has been under the direction of the Board of Education. Now, however, under a new ruling by the Attorney General's office, of the Michigan dental law, this must be supervised by either the Wayne County Health Department or a professional dentist.

Preferring to keep it local, the Plymouth Dental Society has offered its services. This constitutes the donation of time of approximately 14 local dentists, who rotate their services, without charge, to supervise the fluoriding in the schools.

The fee of \$3.50 per child goes to pay the salaries of the dental hygienist, Mrs. Donna Snider, and the dental assistant, Mrs. Lorraine Thuer, as well as to defray the costs of supplies and materials used.

In the neighborhood of 60 children will be processed weekly and generally two or three weeks time is to be allowed for completion of the project in each school.

The main objective of "Operation Fluoridization" is to prevent loss of permanent teeth and reduction of dental decay, with the long range view that eventually, through proper care, there will be no need for artificial teeth.

### BIRTHS

Mr. and Mrs. Charles T. Hornbrook of 1863 Oak Park Ave., Muskegon, announce the birth of an 8 lb., 7 oz. son, Charles Scott, in Muskegon Osteopathic Hospital on Feb. 20.

Mrs. Hornbrook is the former Mary Lou Hartwick, daughter of the Carl Hartwicks of Clemons Dr., Plymouth. The Charles F. Hornbrooks of Tallahassee, Fla. are the paternal grandparents.

The Hornbrooks also have a two-year-old daughter, Barbara Ann.

A girl, Rene Marie, was born to Mr. and Mrs. Lyle DeVelle Feb. 1, weighing in at 6 lbs., 3 1/2 ozs.

Another daughter, Michelle, completes the family.

Mr. and Mrs. Lyle DeVelle, Sr., and Mr. and Mrs. Jack Monteith are the grandparents.

Mrs. DeVelle is the former Judy Monteith.

### NOTICE OF MEETINGS OF BOARD OF REVIEW

Notice is hereby given to all persons liable to assessments for taxes in the TOWNSHIP OF CANTON, COUNTY OF WAYNE, STATE OF MICHIGAN That the assessment Roll of said Township as prepared by the undersigned will be subject to inspection at THE CANTON TOWNSHIP HALL at 128 Canton Center Road in said Township on March 7th and 8th 1961, and on the following Monday, March 13th and Tuesday, March 14th, 1961.

At which place, and on each of said days, said Board of Review will be in session at least six hours, beginning at 9 o'clock in the forenoon of each day, and upon request of any person who is assessed on said roll, or of his agent, and upon sufficient cause being shown, said Board of Review will correct the assessment on to such property in such manner as will in their judgment make the valuation thereof relatively just and equal.

After the Board shall complete the review of said roll, a majority of said Board shall endorse thereon, and sign a statement to the effect that the same is the assessment roll of said Township for the year in which it has been prepared and approved by the Board of Review.

# Only 82 Turn Out for Primary Election in Canton Township

By ESTHER SPRENGEL  
GL 3-0194

Just a little side note. As most everyone knows the primary election was held in the Township on Monday, Feb. 20. Although there was only one position to vote for, County Auditor, the total number of voters was 82. In Precinct 1, 39 residents in Precinct 2, 43 in Precinct 3. The coming April 3 election holds a great deal of impor-

tance to the residents and property owners of Canton Township. A large vote is being sought by the Township Board.

Carol Tomczyk, daughter of Mr. and Mrs. Frank Tomczyk of Beck Rd., spent a week's vacation with her friend, Miss Kay Burnett of Plymouth. The girls, on vacation from their jobs at the Michigan Bell Telephone Co.

flew to Orlando, Fla. Winter Haven, for a very wonderful week. Carol is a graduate of Plymouth High and Kay graduated from Bentley High.

Mrs. James Spigarelli was hostess to friends and neighbors at a Stanley party at her home on Beck Rd., Tuesday, Feb. 21. The ladies, already familiar with the products, enjoyed the demonstration by Mrs. Duke.

Mr. and Mrs. Robert Dekarske of Ridge Rd., held a birthday party in honor of Mrs. Dekarske's aunt, Mrs. Henry Boehmer, on Saturday evening, Feb. 18. Ten guests were on hand to wish Mrs. Boehmer many more happy returns. The Boehmers reside in Superior Township. Being familiar with the Boehmers when the and my family resided in Dearborn some years ago, may I add my wishes for many more happy birthdays.

A get well wish is extended to Charles Carvey of Beck Rd. Mr. Carvey is recovering from a recent ailment in St. Joseph Hospital in Ann Arbor.

The Esther Group of the Methodist Ladies Society held their monthly meeting at the home of Mrs. Elinore Buchner of Cherry Hill.

According to reports, the Father and Son Banquet at the Cherry Hill Methodist Church was a success. The master of ceremonies, Dick Crawford, introduced Rev. Panzer, who gave the invocation, followed by a toast to the fathers by Johnny Contario, and a toast to the sons given by James Rice. Following the dinner, the group enjoyed a movie presented by Harold Niemi, entitled "River of No Return." Master of Ceremonies Dick Crawford presented the traditional prizes to the oldest father who was Allen Bordine; the father with the

most sons present, Archie Wells with sons numbering five; and the youngest father, Orville Wells.

In addition to the festivities, Michael West, son of Mr. and Mrs. Stanley West of Ridge Rd., attended the affair with his father and was surprised by the group singing happy birthday to him and having his birthday cake presented at the banquet. Mike is celebrating his fourth birthday. The men were served their meal by some very capable young ladies, Cheryl Bordine, Carol Bosman, Kathy West, Fay Kaiser, Cherry McKim, Mary and Cheryl Wright.

Cub Scouts of Troop 298 held their Blue and Gold Banquet on Thursday, Feb. 23 at the Cherry Hill Methodist Church. The following boys received their badges: Lester Coleman, lion and webelos badge; Roy Tiffin, wolf badge; James Gilbert, gold arrow and three silver arrows; Steven Devine, silver arrow and assistant denner stripes; Larry Roberts, gold arrow and silver arrow; William Cummings, wolf badge, gold arrow and two silver arrows; Mike Kubik, lion badge; Gary Lynn, denner stripes.

The Den Mothers are Mrs. Pat Hopkins of Godfredson Rd. and Mrs. Jean McKim of Cherry Hill Rd. The Cubmaster is John Wiles and his committee is Mr. Lea, institutional representative, George McKim, Fletcher Campbell, James Hopkins and James Gilbert.

A correction was called to our attention. The last supper held during Lent at the Cherry Hill Methodist Church will be on Thursday, March 30. This is Maundy Thursday and the supper consists only of soup, traditional at this time of Lent. Following the supper, the sacrament of Holy Communion will be held. An invitation is extended to all to join the congregation at this service. Although it is not strictly Township news, we thought

THOSE FAMOUS pancakes and sausages served up annually by the Plymouth Kiwanians will be awaiting the public again Saturday, March 11. it worth bringing to the attention of all Township parents. At the March 6 meeting of the P.T.S.A. at the Plymouth Junior High, the French film "Passion for Life" will be shown, followed by a speech by Dr. Clayton Laferty. We understand that this film and speech has been received with great enthusiasm by all groups having the opportunity to see the film and hear Dr. Clayton's speech. An invitation is extended to all parents and guests to attend the March 6 meeting. The meeting will begin at 7:45 p.m.

Your writer has obtained a book on Chartered Townships. At the back of the book there is a list of the most often asked questions, by persons in other areas being faced with a Charter Township vote. One of the questions most asked is: "Is it necessary that all of the five mills be levied by the Board be automatically levied each year?" Answer: No. Only if the millage is determined by need, by the Township Board, which adopts a resolution doing so.

Question: "May the Charter Township purchase or sell any Township owned property, without a vote of the people?" Answer: Yes. However, if a tax levy is required to do so, then there must be a vote. These are two of the many questions most often asked, but perhaps you have some new questions, so give us a call!

Fire Chief Fred Korte reports steps taken in striving for a more efficient Fire Department. The following promotions were made so as to distribute more duties in all phases and operations of the department. Chief Korte feels this will increase the department's efficiency. Martin Mitchell was promoted to lieutenant. Mitchell is employed by the County in the department of maintenance. He resides with his wife Jan and their three children at 5950 Beck Rd. Melvin Paulun was promoted to lieutenant. Paulun is employed as a tobacco salesman, and resides at 5918 Lilley Rd. with his wife Lilian and children.

Vern Rorabacher was promoted to sergeant. Rorabacher is self-employed as a mink and grain farmer. He resides at 2260 Lilly Rd. with his wife Irene and children.

That does it for another week. Received news of a real old medical book owned by township resident with some weird remedies, think it might be fun to tell you about a few, not to try, but to laugh at next week.

## Local Student to Spend Holidays on Sailing Ship

The 96-foot brigantine "Yankee," one of the most renowned sailing ships in the world, will take on a load of 24 Albion College freshmen next month — including David Rank, son of Mr. and Mrs. Don Rank, 396 Pacific. Seven and a half days will be spent by the group cruising through the Caribbean, visiting such famous ports as Bimini and Nassau.

The Yankee, whose excursions have been featured many times in the National Geographic Magazine, has 7,775 square feet of sail. The ship was German-built and became a British war prize.

Dave and his 23 classmates will drive to Miami in four cars from where they will fly to the island of North Bimini to board the Yankee. Each day the yacht will drop anchor at a different port and the travelers will stay as long as they like.

Aqua lungs will be provided for skin diving and equipment furnished for deep-sea fishing. The first night will include entertainment by the natives of Andros Island.

Every afternoon the American captain, Mike Burke, will instruct the voyagers in navigation and they will have a chance to help the all-British crew in sailing the yacht.

Besides swimming among the coral reefs, the group will take part in the traditional Caribbean "sport" of hanging from a rope tied to the top spar of the yacht and being gracefully ducked in the sea as the boat sways.

Bill Schulling of Grand Rapids is organizer of the trip. He first noticed the cruise in a magazine and mentioned it to his father who got in touch with the fleet.

Schulling then met with his freshmen friends and his father sent a letter to the parents. The trip will cost each freshman about \$200.

If the cruise is successful, the same group plans to make a similar voyage next year.

## Cite Two PHS Students In English Competition

Celeste Arjay and Lester Barton of Plymouth High School have been recognized as two of the nation's outstanding students in high school English. The National Council of Teachers of English has named Celeste a 1960 national winner and Lester as a runner-up in its annual Achievement Awards competition.

Last spring a committee of English teachers from the High School nominated Celeste and Lester to represent Plymouth in the competition. Two tests, three pieces of composition and two supporting letters from high school personnel were the basis used by a committee of state judges for evaluating nominees.

In announcing the winners, James R. Square, executive secretary of NCTE, said that although students receive no direct cash award, finalists previously cited by the Council have often received preference in admission and financial grants from colleges of their choice on the grounds that excellence in English is one of the hallmarks of a potentially capable college student.

The NCTE sends to all winners and runners-up scrolls of recognition, to their high school departments certificates of merit for their effective instructional programs, and to all colleges and universities in the country the list of achieving students with the recommendation that they will be considered for appropriate scholarships. The Council also sends the names of these students to their respective congressmen and governors.

Miss Louise Spence and Patrick Butler have been the winners selected by English instructors at Plymouth High School. Principal Carvel Bentley said, in referring to NCTE findings that awards winners, English instructors at Plymouth High School. CHICAGO (UPI) — Whose idea is it to eat out? On this question, a recent survey (by the General Foods Corp.) showed that 57 percent of the husbands claimed it was their wives' idea.

But only 43 percent of the wives admitted it. Both agreed on one thing: They'd like to eat out more often.

### State Approves Metro Calling for Plymouth

A new residential telephone service permitting customers to dial calls throughout the metropolitan area at a special monthly rate is now being offered in Plymouth by the Michigan Bell Telephone Co.

The new service, which will be tested in Plymouth on a one-year trial basis, will go into effect starting March 1. J. R. Huntley, district commercial manager here for Michigan Bell, said customers may place orders for the new service either by phone or in person at the business office at 454 S. Harvey. The telephone number is GL 3-9900.

Michigan Bell began making preparations to place the new service into effect immediately after it was approved last week by the Michigan Public Service Commission.

Included in the \$9.50 monthly charge for Metro-Calling are the cost of one-party line service and unlimited calling within Plymouth's present local calling area. Plymouth residential customers outside the base rate area also may subscribe to the new service. The special monthly rate for them will be somewhat higher.

Huntley said the metropolitan feature of the plan will provide for four hours of calling per month to telephones in the metropolitan area outside the local calling area. The four hours of calls may be made at any time, a day of the month. The charge for usage in excess of the four-hour allotment will be 30 cents for each additional 15-minute period.

Plymouth customers — like all other suburban customers — now pay additional charges for all calls made to telephones outside their local calling area.

Huntley said Plymouth customers with Metro-Calling Service will be able to dial calls for the special monthly rate to about half the telephones in Michigan.

### Civil Defense Group to Hear Guest Speaker

H. E. Niles, senior accountant of the Michigan Bell Telephone Co., will be the guest speaker for the Civil Defense group next Wednesday, March 8, at the VFW Hall.

Niles has been an employee of Michigan Bell Telephone Co. for 20 years. He has worked in engineering, installation, and repair departments, also central office maintenance, personal department, systems research and development.

He was four years in the United States Army Signal Corps during World War II, also one year on loan to the U.S. government as a technical advisor in Korea.

The topic of Niles' speech will be "Communications and National Defense." The program in three parts is:

1. The speaker presents background information on the Bell System participation in national defense.
2. The speaker places a

telephone call to the North American continent.

3. Audience is encouraged to ask questions. Officer at NORAD or speaker will answer questions to the extent permissible under the present security status.

All baseball teams interested in playing Sundays and

holidays are requested to be represented, or call Earl G. Gray, secretary-treasurer of the league, at GL 3-0477.

Seventy-four communities are located within the calling area for Plymouth customers who subscribe to Metro-Calling Service. Included are all of Detroit, virtually all of Wayne County, and many communities adjacent to the Plymouth local calling area.

Huntley said the new service is expected to be particularly attractive to Plymouth customers who have relatives and friends residing outside the local calling area and wish to call them frequently.

The new service is a step toward simplifying rates and more efficiently meeting the service needs of customers, the telephone company manager said.

As a result of the trial, this plan, a modification of it, or an entirely new one may be developed as a possible service offering to customers in the metropolitan area.

# One-Pointer to Livonians Bentley, RU Share Title

Next stop, Farmington, for the basketball teams of Livonia, Bentley and Redford Union High Schools.

They're going there for Phase One, more familiarly known as the district round in the state prep tournament.

Should a dramatic fortune dictate a head-on collision at Farmington between Bentley and RU — and certainly one is deserved — it's hereby suggested that every fan should get his heart checked before such begins.

Based on the two regular-season duels involving Bentley and RU, only "strong hearted men" will survive.

When Bentley and RU first clashed in January, it was RU by two points on its home court. Last Friday night came the return match at Bentley. This time it was Bentley 46, RU 45, when the final count was posted.

How much closer can two teams get?

What's more, Bentley and RU wound up as co-champs in the Suburban Six League with identical records of nine victories and one defeat.

It marked the fourth straight year that Bentley either has won outright or shared the conference pennant. Going back through the records, one finds Bentley has copped the cage laurels eight of the last 10 years in the league.

RU last reigned as a basketball champ in 1949 and the current resurgence has thrilled the Panther faithful.

A second-period uprising proved the deciding factor last Friday night. After one quarter, RU held an 11-9 edge.

But Ken LaPla, the sensational RU center, ran into some foul trouble. He was whistled down three times for personals in the first period, prompting Coach Dick Nycum to sit him on the bench during most of the

second quarter.

That's when Bentley exploded. By halftime, Bentley led, 23-22, and the Livonians held on the rest of the way. But LaPla and his mate didn't concede anything.

With about a minute to go and Bentley holding a 46-41 command, Curt Johnson of RU sank two free throws. Bentley tried to stall, but couldn't hang onto the ball. Just 12 seconds remained when LaPla fired in his 20th point of the game. Now only a single tally separated the vicious neighborhood foes.

This time Bentley successfully fought off RU ... and the clock.

Enough couldn't be said by either winning Bentley coach Bob Bentley or Coach Nycum of the losers about the play of "RU's LaPla.

"I guess we were lucky the kid ran into foul trouble early and had to miss a quarter," Bentley said. "If he could have played all the way, we probably never could have won. (Imagine a boy scoring 20 points in three quarters! Bentley came up with bal-

JUBILATION WAS supreme on the Livonia Bentley side when the final gun saw Bentley winning a one-point victory over Redford Union Friday night to tie the Panthers for first place in the Suburban Six. The man with sports jacket and back to camera is Coach Bob Bentley. He's hugging Hawkins, one of the Livonia work-horses.

## SPORTS OBSERVER

By George Maskin

### IF ANYBODY ASKED ME:

Bitter rivals like Redford Union and Livonia Bentley wouldn't be tossed into the same district basketball tournaments. Why not send them elsewhere to give the locale a chance to emerge with more than one victor as late as the regional round?

Coaches have hollered for a long time that meeting a foe for the third time frequently has a tendency to backfire, especially when your side has won the first two meetings.

The young athletes figure they can make it three straight. So they don't work themselves into the proper frame of mind.

Net result: A major upset.

### IF YOU WANT MY OPINION:

Officials of Little Leagues now preparing for the season ahead in Livonia, Plymouth, Redford Township and, for that matter, every place else, should set up a rule whereby sons of managers and coaches can't play on the teams their pops handle.

Furthermore, the rules should specify that if Player X performs under Manager Y, can any chance for reciprocal arrangements whereby boys get to play as regularly simply because their dads happen to be a manager or coach ... and not because the young man deserves the honor.

And, while on the subject of Little League or Babe Ruth or Pony League, let the bossman institute a MUST regulation which makes it mandatory for every player on the bench, with the possible exception of pitchers, to perform in some portion of every game.

Too often a young man spends game after game wearing out the seat on his trousers. The mere fact he's not as capable a performer as the next fellow leads to tears and a broken heart.

The motto of Little League is "Let Every Boy Play." Okay, you managers preparing for the 1961 season ... let's make certain every kid plays!

### IF SOMEONE WANTS TO KNOW:

I think more high schools should give a thought to playing baseball games at night.

At present only Madison and Berkley Highs in the suburban area have set up arcs to permit after-dark baseball.

These schools have found night baseball very popular. Not only do more students show up for games, but parents also receive an opportunity to see how good sonny does at bat or in the field.

Baseball suffers the worst treatment of any major sport sponsored by the high schools.

Prep athletic directors argue that the weather forces a delayed start and frequently disrupts schedules. They also contend games don't draw any crowds, hence baseball is a non-paying sport.

But there's a day when football didn't pay either at most schools. That's when school brass got the idea of erecting lights and playing games on Friday nights. Attendances generally tripled.

The same would happen for baseball ... if the sport got a push from the school heads and also men like Charlie Forsythe, the state prep athletic director.

Many schoolboy baseball coaches have advocated for a state tournament in Michigan. They have such meets in baseball in states like Minnesota, Iowa and Wisconsin.

Forsythe has insisted that time and weather and interest all were against a Michigan prep diamond classic.

### IF I HAD MY WAY:

High schools in Michigan could conduct spring football practice.

As matters now stand, a great many prep football coaches employ "illegal" means of drilling grid charges during April and May. They simply arrange to have all their football candidates assigned to the same gym class.

True, the coach can't work his men in regular football gear, but he can go over blocking, passing, play assignments, etc.

Pretty nifty arrangement to beat the law! Huh?

## PHS Cagers Finish Last

A surprising number of Plymouth loyalists turned out last Friday to watch the Rocks wind up a dismal cage season by losing to Allen Park, 62-54.

The defeat left Plymouth with a 2-8 league record and in the Suburban Six League cellar.

Captain Jim Ralston led Plymouth with 17 points, while Larry Nick-

els had 23 for the winners. Dick Schryer contributed 12 to the Rock cause, and Allen Chumita had 12 for Allen Park.

The game had its thrills, even though neither team had much to gain by the outcome. Allen Park led 15-12 at the quarter and moved into a 28-16 lead midway in the second period.

Plymouth cut this margin to 30-27 by the half and early in the third period moved ahead, 31-30. Allen Park nudged to a 46-44 third quarter advantage and never trailed after that, although Plymouth came close early in the final period, closing the gap to 47-46.

## Rock JVs Win Over AP 46-42

Plymouth's junior varsity cage team raced to an early lead against Allen Park and hung on to win, 46-42, last Friday.

Jared Stevens and Dave Gotard each scored 12 points for the Rocks as Plymouth jumped to a 10-3 first quarter lead and a 29-18 halftime margin. Plymouth led 38-26 at the beginning of the fourth quarter.

Plymouth cut this margin to 30-27 by the half and early in the third period moved ahead, 31-30. Allen Park nudged to a 46-44 third quarter advantage and never trailed after that, although Plymouth came close early in the final period, closing the gap to 47-46.

## Thurston 5 Swamped In Cage Finale

Thurston High's basketball team gave Inkster Robichaud (formerly known as Inkster Roosevelt) a battle for one half. But at the end the Inkster charges dominated and easily, 67-59, to wind up as co-champs with Riverview in the Mid-Wayne League.

After lagging by only 31-29 at the halftime break, Thurston wilted in the third period as Robichaud pulled away to a ten-point lead and then held on the rest of the way.

Riverview, meantime, won over Taylor Center, 67-49, to match Robichaud's league record of nine wins and one defeat.

The defeat was Thurston's seventh in 10 league games and resulted in a fifth-place finish in the final league standings. Ron Hawkins scored 15 points and Cass Jankauskas 13 in a losing cause.

Thurston will play in the district state meet at Eastern Michigan University next week.

## Meeting To Discuss State Sports

Bernard Krosteva, president of the Hawthorne Valley Sports Assn., has invited athletic directors, coaches, officials and sports enthusiasts to a meeting Thursday at 8 p.m. in the Hawthorne Valley Country Club.

Allen W. Bush, assistant director of athletics of the Michigan High School Athletic Assn. in Lansing, Mich., will speak on the "Function of the State Athletic Association and its Problems."

## Chance Awaits Clarenceville

A chance to elude the Wayne-Oakland League basement awaits Clarenceville High's basketball team when it wraps up regular play Friday night.

Clarenceville currently stands 4-9, sharing the bottom slot with West Bloomfield and Brighton. But Clarenceville hardly performed like a tailender last Friday in losing to champion Holly, 65-42.

Holly led by 11 points with two minutes to go. But Clarenceville turned on the steam and almost emerged with an upset triumph.

Tony Giacobazzi and Ron Blovet provided the big one-two punch for Clarenceville. They drilled in 24 and 23 points, respectively.

## 2 Swim Pennants at Stake

Two league championships in which area high school swimming teams have a chance to capture the golden loot will be decided Friday and Saturday.

Redford Union will host Plymouth, Livonia, Bentley and three other teams in the Suburban Six League meet while Thurston rates as one of the favorites in the North Suburban Conference championships scheduled at Pontiac Northern.

Just as during the dual meet season, it'll be Plymouth against the field in the Suburban Six meet. Plymouth posted a 10-0 loop record, compared to Redford Union's 8-2 mark and standards of 5-8 both by Bentley and Trenton.

In the North Central meet, another dogfight looms between Thurston and Southfield. The teams went right down to the wire before Southfield nipped Thurston last Wednesday in a thriller, 55-50, to take the league's dual meet crown with a 6-0 record and bar Thurston from finishing with a perfect record.

Staging of the 400 free style and the preliminaries in the diving will open both meets Friday afternoon. Preliminaries in other events are booked Saturday afternoon with the finals to begin at both pools at 7:30.

Thurston performers distinguished themselves in a losing cause at Southfield. Rick Barringer splashed to a pool record with a 4:31.8 clocking to win the 400 free style. Mike Zinn scored a double, winning the butterfly in 1:02.7 and the 200 free in 2:05.

Tom Robison of Thurston copped the breast stroke in 1:19 and also the individual medley in 2:23. Ron Bramble was a winner in the diving, while Terry Lucas just missed touching out for victory in the 100 free style.

Actually it was the two relays which decided the meet. Southfield won both.

Redford Union ended its league campaign on a winning note by decisioning Redford Union, 62-42. The big gun for RU was Denny Nason who set a varsity record with a 4:39 effort to win the 400 free. He then came back to take the 200-yard free in 2:06.7.

Ken Steiner also produced a double, winning the 100 free in 55.9 and the 200-yard individual in 2:20 flat.

Mort Frischkorn (50 free), Bill Halton (butterfly), Bill Truesdell (breast stroke), Colin Wren (diving) and the medley relay of Dean Schech-

## 15 Schools Vie In Mat Meet At Thurston

Thurston High wrestling team will rate as one of the favorites in the state Class A regional meet to be held in the Thurston gym Friday and Saturday.

The affair will fall under the category of a "four-ring" circus since there'll be simultaneous action on four mats in order to determine the winners among the 350 entries who'll represent 15 schools.

Competition begins Friday at 4 p.m. and will continue until almost midnight. The survivors will resume Saturday morning until champs in the 11 classes are crowned. They'll advance to the state championships next weekend.

Coach Jim Knott, whose Thurston team has won 12, lost one and tied one in dual meet competition, figures Thurston's big headaches will come from Ypsilanti Central, Ann Arbor and Trenton. Ypsilanti placed second in last year's state meet.

"This will be one of the best high school wrestling extravaganzas ever staged in Michigan," Knott predicted today. "I think that at least eight of our winners from the Thurston regional will win state titles."

The standouts include five of Thurston's stalwarts — Dave Post, the defending state Class A 154-pound champ who has pinned 10 of his 11 rivals this season. Bob Phifer (112), Doug Spicer (165), Mike Mitchell (120) and Al Micallef (154).

Ed Gilliam of Ypsi, a 95-pounder, and Dennis Peterson, Redford Union's 112-pounder, are others who must be watched in the two-day carnival.

Thurston employed its second-stringers last Tuesday to beat Oak Park, 38-13. Bill Anderson (105), Bill Devere (112), Jim Martin (120), Tom Reddick (133) and Joe Halconen (16) pinned their foes, while Bill Sproul (138), Lee Spuder (145), Norm Martin (154) and Rick Dahlstrom (180) gained verdicts in the breeze for Thurston.

Livonia Bentley's wrestlers warmed up for the late meet by crushing Redford Union, 32-16. Ron Griffin (120), Ed Davis (127), Gary Meyer (133), John Brown (138), John Hasselbach (145), Mike Prill (154), George Bowling (180) and Boris Dimitroff (heavyweight) triumphed for the Bentley colors.

Tom Cunningham (95), Don Hickman (103), Dennis Peterson (112) and Tom Caimotto (165) triumphed for Redford Union.

**SUBURBAN SIX** champs again? The Rocks have won the League meet eight consecutive times. Left to right (sitting) are: Dewayne Stephenson, Nick Herrick, Ron Peck, Ken Fischer, Mark Schultheiss, Barry Corwin and Jim Izett. Standing: Coach John McFall, Bill Ros-

sow, Bob Crosby, Rick Sweet, Bill Britcher, Doug Cash and John Hoffman. On the board: Dick Alford, Phil Bender, Gary Gould, Dick Gretzinger, and Dick Michaels. Among those not pictured are the Daley twins, Robert and Ronald.

# Unbeaten Rocks Eye Title

Plymouth will make its annual trip to the league meet Saturday with hopes of collecting its ninth consecutive league title. The Rocks have never been less than first in swimming since they started in 1952-53.

The festivities start at 1 p.m. at Redford Union when the preliminaries will begin. The finals start at 7:30 p.m.

Plymouth added a couple of more victories to its long string last week, beating Dearborn, 78-27, on Monday and Allen Park, 69-32, on Thursday. They were the last dual meets of the season and brought Plymouth's unbeaten string to 34 straight.

Against Dearborn the Rocks took every first but one. Bill Rossow won the 400 yard free style in 4:32.4, but Dearborn came right back to win the 50 yard free style. Jim Izett was second for Plymouth and Gary Gould was third.

Dick Gretzinger put the Rocks back on the right track by winning the 100 yard butterfly in 58.9. Barry Corwin was third. Dick Michaels won the backstroke and Tom Hoffman was second.

Phil Bender turned in a winning 1:11.7 in the 100 yard breaststroke and Doug Cash was second. Ron Daley won the 100 yard free style, while Jim Izett placed second. Daley's time was 54.6.

Nick Herrick and Mark Schultheiss were one-two in the diving. Herrick scored 63.9 points and Schultheiss posted 52.7. Gretzinger got his second first in the 200 yard individual medley with a 2:16.8 effort and Michaels was second. Warren Smith won the 200 yard free style and Dick Alford was third.

Hoffman, Bender, Herrick and Bill Britcher took the medley relay and Bob Daley, Win Schrader, Gould and Rossow won the 200 yard free style relay.

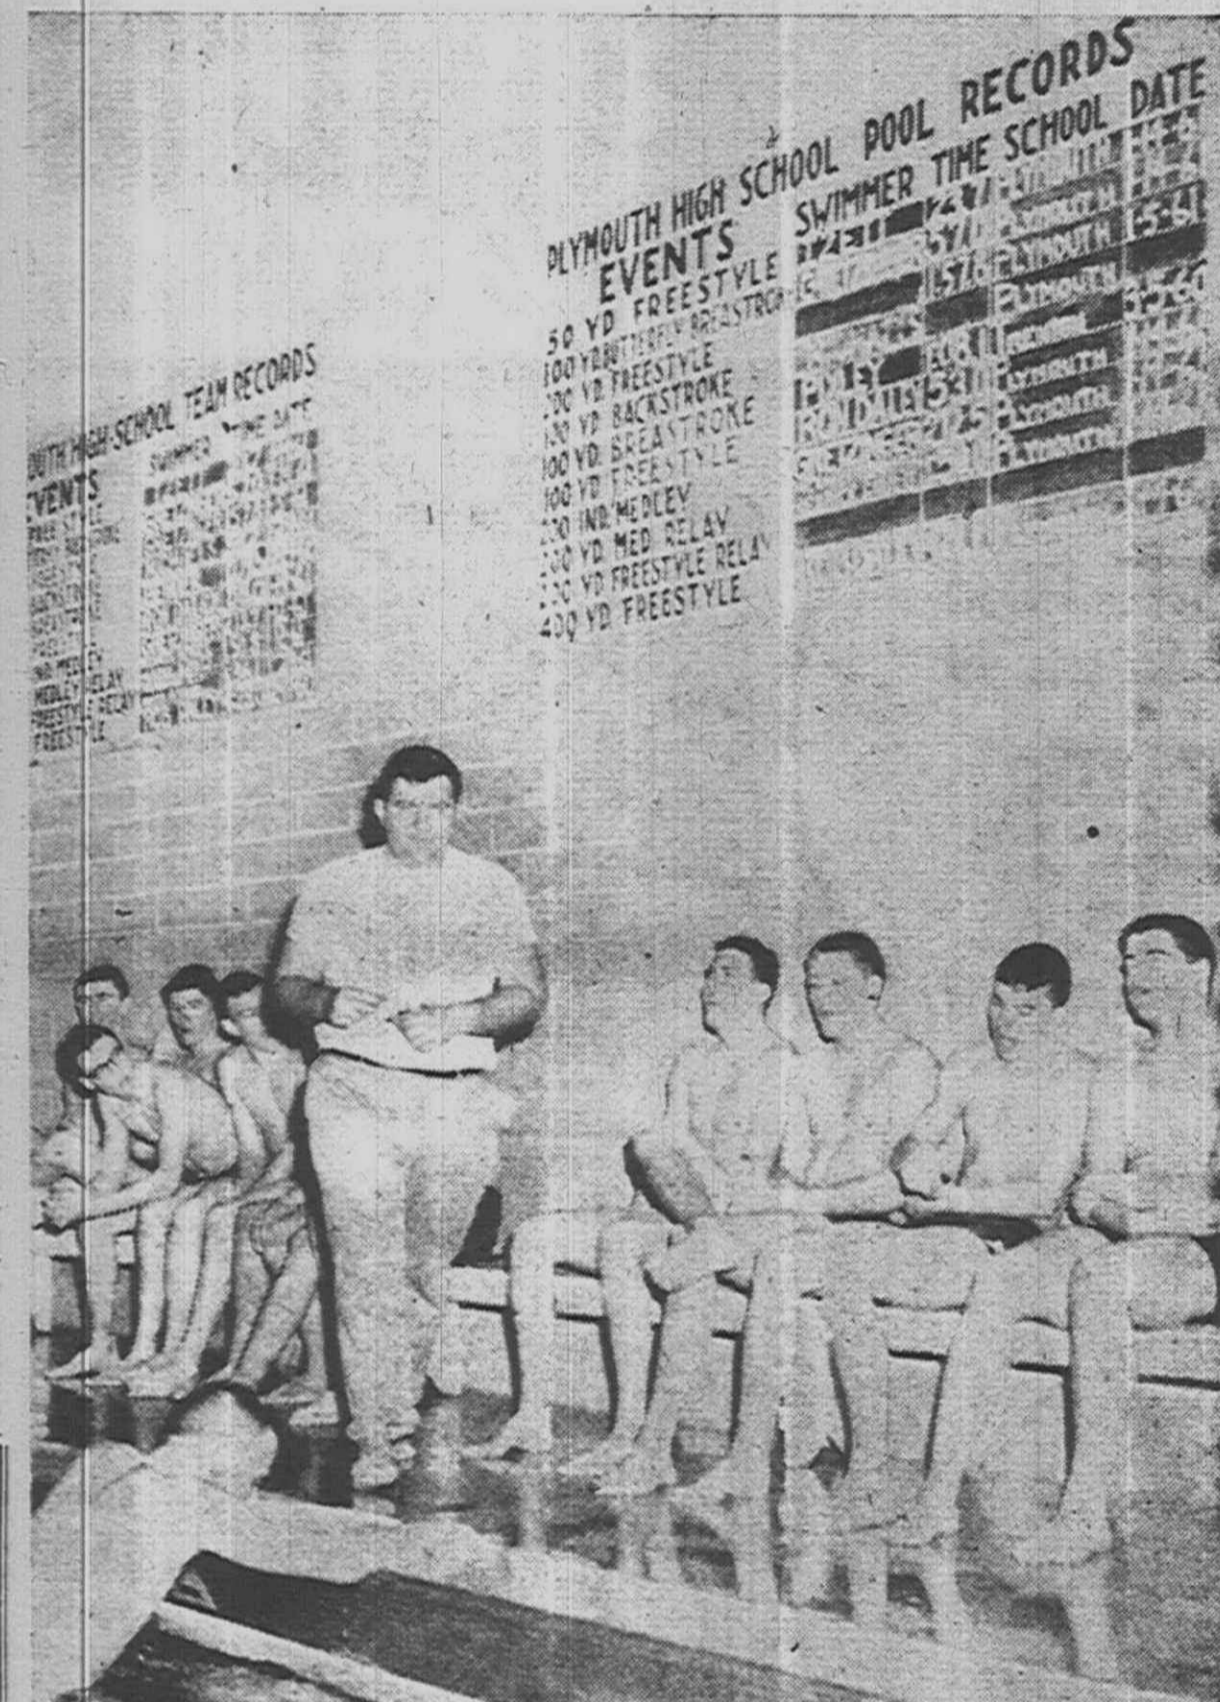

Thursday, the Rocks finished the dual meet season by posting eight records for Allen Park's pool. Allen Park took the 50 yard free style race and also the 200 yard medley relay, when Plymouth was disqualified. The Rocks broke records in every other event but the breaststroke.

Bob Daley's 4:28.3 was a new record in the 400 yard free style. Bill Rossow was second. Allen Park's Lamar-

ed his second pool record of the meet with a 2:13.2 in the 200 yard individual medley. Dick Michaels was second.

Ron Daley was next with a pool record in the 200 yard free style. He was timed at 2:02.7. Warren Smith was second. The last record of the dual meet season for the Rocks came when Bob Daley, Gould, Britcher and Schrader paddled to a 1:37.8 in the 200 yard free style relay.

It seemed a fitting way to end the season.

**PLYMOUTH COACH** John McFall pictured during a Saturday morning practice in the Plymouth pool. Above are the team and pool record charts—

most of the events include entries made by this year's unbeaten team. McFall is in his eighth year as Plymouth coach.

# SPORTSEEN

By Bill Nelson

John McFall didn't do any varsity swimming in college, but was a footballer and boxer at Western Michigan.

For the past eight years he has led the goings-on in the Plymouth High School pool, where he has coached eight consecutive Suburban Six League championship swimming teams.

As might be expected of a former boxer, he carries his head slightly down, chin close to his chest. During practice sessions, his eyes flash over the entire pool activity. The pool is his domain and he stalks it like a hulking bear not quite hibernated.

These days John McFall's encouraging remarks to his team take on an extra edge. The words come a little quicker and the easy temper of prior conversations in the pool give way to three or four conversations at once. It goes like this:

"You have to swim a certain time in a meet to qualify for state competition. No ... you can enter four men in any event in the league meet."

"Straighten up a little in that dive."

"Eight years, I think."

"Two more ... take a couple of more."

"Did you do what I told you ... okay, ten's enough."

"By the way, that state meet is at Michigan State ... you had Ann Arbor in the paper last week."

"That's good ... keep at it."

And so it goes.

There is a little more wrinkle in the brow and a little more concern in the face. His lads have done well this season and the only thing at the moment is to time the development so that the best performances come Saturday in the league meet and especially a week later on Friday and Saturday in East Lansing.

It's the pinnacle test of coaching. To get just a little more effort from the individuals. It's a lesson that the lads will be able to put to good use later in life.

Plymouth has a chance in the State Competition this year, but McFall doesn't like to talk about it. It's in the little attentions to improvements in the pool that he directs his effort.

He still manages his confident tone and straight talk. Somehow you hope he wins the big title.

In the military services there is a form on which to rate officers' performance. One of the questions is "Would you want your son to serve under this man?" It's a kind of surprise on the cold form, because it evokes a thought of human concern.

You would be happy to have John McFall as a teacher and coach for your son. He'll bring out the best performance in him and he'll enjoy every minute of it.

Eight years of championships and individual swimmers will testify to it.

# Recreation Leaders Win

The Yellow Jackets continued unbeaten in Plymouth's Class E (15 and Under) recreation basketball league by beating the Indians, 35-22. It was the seventh consecutive win for the Yellow Jackets and the sixth loss against one win for the Indians.

The Indians are tied for last with the Optimists. The Wolverines are second with a 5-2 record. In Class D action (18 and Under) the VFW won its sixth in a row, 55-25, over the Raiders. Jim Freeman and Wayne Wood had 13 points each for the VFW, while Ray Lilmakka led the losers with seven points.

The Shamrocks moved into second place with a 30-20 victory over the Yellow Birds. Jim Griffiths scored 10 points for the winners and his twin brother, Ward, nearly duplicated that effort with eight points.

In the Men's Class B league Penniman Barber Shop continued to dominate everything. The Barbers easily downed Cloverdale, 65-33, for their eighth consecutive win. Ken Kisabeth scored 31 points and Jerry King had 14 for the Barbers, while Paul Woodward and Al Runge had

seven each for the losers. Kisabeth leads the league in scoring with 153 points and Mel Bobclean, also of Penniman, is second with 104 points.

Tait's took Western Electric, 69-54, to break a tie for second place between the two teams. Jerry Kendall scored 29 points for Tait's, while Bud Bell had 18 for the losers. Ron Parrott contributed 13 for Western Electric and Jack Carter added nine for Tait's.

# Favored In Fencing, WSU Seeks 3 Titles

Three Wayne State University winter sports squad will be seeking Presidents' Athletic Conference titles on Friday and Saturday, March 3 and 4, in the last big weekend of activity for the indoor athletes.

The swimming and wrestling teams start off competition on Friday with the tankers in Cleveland, O., and the grapplers in Meadville, Pa. The Tartar fencing squad opens defense of its PAC title Saturday in Cleveland. In addition to the PAC championships, WSU's basketball team closes out its season at home against Central Michigan at the U. of D. Memorial Building.

Last season the Tartar swimmers came on strong to take second place in the Conference behind Allegheny and could do it again. The fencers appear as a shoe-in for their third straight crown, while the wrestling squad doesn't appear strong enough to improve on its sixth place finish of a year ago.

### Don't Fall For Seawater Cure, Chamber Warns

Persons who suffer from arthritis and other ailments should not expect to obtain any relief through adding sea water to their diets, Chamber of Commerce warned today.

Several firms in various sections of the country have advertised concentrated sea water as being beneficial to persons suffering from arthritis, cancer, diabetes, loss of virility, and other conditions. According to the National Better Business Bureau, with which the Chamber is affiliated, several advertisements have claimed that these conditions, as well as baldness and gray hair, may result from a lack of certain trace chemicals which are present in sea water. Such claims are unsupported by medical research, the Bureau reported. "The only disease in man that is known to be associated with any deficiency of soil or water," the Bureau reported, "is simple goitre, due to lack of iodine in the soil in certain areas—a deficiency which may be remedied by the use of iodized salt."

According to the National Better Business Bureau, seawater "is an insignificant source of minerals" for any person whose diet may need supplementation. The Bureau explained that minimum daily requirements (amounts considered essential for prevention of deficiency diseases) have been established by the Food and Drug Administration for four minerals—calcium, phosphorus, iron and iodine. The amounts of these minerals which would be obtained through taking a daily dosage of a teaspoon, or even several tablespoons of sea water, would be infinitesimal. According to our information, mineral constituents found in sea water are no different from mineral constituents present in ordinary foods.

### Plymouth High School

By Lester Barton

A row of white-robed figures not unlike the Druids of old sat bathed in beams of pale blue light. Seven yellow and blue tapers flickered nearby, casting ghostly shadows that danced dimly on the faces of another group assembled further away in the enveloping darkness. Rites to some ancient deity? No... the initiation of the new members of Plymouth's Troupe 1784 of the National Thespian Society.

Even if they weren't priests of some old god, the Thespians nevertheless did journey back through "the misty eons of time," as the ceremony states. Each robed participant related to the candidates a part of the continual and unceasing development of drama—writing, dance, speech and others. After they had been properly instructed not only in the history of drama, but also that of the far-flung Thespian Society itself, the new members dedicated themselves to the furtherance of good drama and all its great traditions.

Those taking the oath were: John Augustine, Jim Hatcher, Hester Keller, Jerry Fischer, Margo Van Antwerp, Bill Graham and Glen Jewell.

After the ceremony Mr. Robert Southgate, club sponsor and director of its many successful plays, showed the group slides of his recent trip to the Hawaiian Islands. Especially interesting and unusual were his views of The Valley of the Lost Tribe, which conveyed much of the mystic, phantasmal quality of the green and shadowy canyon, once inhabited by a lost race of red-haired, light skinned people.

All those interested in joining the Thespian Society should participate in the production of the all-school musical, "The Mikado." It has recently been announced that the various committees for this production—art, construction, make-up, costumes—are signing up members. The Thespian Club awards a certain number of "points" for participation in the dramatic arts, and a student may be admitted to the organization when he accumulates 10 such points. Another initiation is to be held in the spring, after "The Mikado."

### Plymouth Township Minutes

OFFICIAL PROCEEDINGS  
TOWNSHIP OF PLYMOUTH  
BOARD MINUTES OF REGULAR  
TOWNSHIP HALL TUESDAY,  
FEBRUARY 14, 1961

Board members present: Lindsay, Miller, Holmes, Norman, Sparks. Absent: None.

Chairman Lindsay called the meeting to order at 8:00 p.m. The minutes of the last regular meeting held on January 10 were read by the Clerk. There being no corrections, they were declared adopted as read.

Mr. Lindsay read a list of bills for payment amounting to \$12,184.44. Payment was approved, on a motion by Mr. Sparks, supported by Mrs. Holmes.

Mr. Sparks supported a motion by Mr. Norman that the amount of the Petty Cash Fund be increased from \$50.00 to \$100.00, and that this fund hereafter shall be known as the "Petty Cash and Change Fund."

On a motion by Mrs. Holmes, supported by Mr. Norman, a resolution was adopted authorizing the Supervisor and Clerk, on behalf of the Township, to enter into a contract with Wayne County Road Commission for the Township's needs for applying dust palliative to its unpaved streets during the year of 1961.

On a motion by Mr. Sparks, supported by Mr. Miller, the treasurer was directed to transfer \$85,800.85 from the 1960 tax collection account in National Bank of Detroit to the 1958 \$700,000.00 Sewer Debt Retirement Fund at Detroit Bank and Trust Company.

through March 4, at a cost to the Township not to exceed \$135.00. Moved by Mrs. Holmes, supported by Mr. Sparks, that the Township purchase a camera for the purpose of providing a pictorial record of the condition of private property along the route of the water mains now under construction in order to later determine the validity of claims arising from restoration of the site after completion of construction.

A discussion was held regarding the advisability of providing inspection by the Township for the construction of water lines, such as inspection to supplement that provided by the contractor and engineer. Mr. Hamill informed the Board that City of Detroit Water Department will provide such inspection and will prepare detailed prints of the construction which will be available to the Township. Mrs. Holmes supported a motion by Mr. Sparks that no additional inspection be provided by the Township.

A petition bearing 28 signatures of Residents of Arbor Village Subdivision requesting an extension of Sanitary Sewer Lines from Lot 25 through 49, including out lot A, was presented. After discussion it was agreed to request Mr. Hamill to prepare plans and provide an estimate of the cost of such construction. Moved by Mr. Sparks, supported by Mr. Miller, motion carried.

Mr. Hamill presented a letter recommending acceptance of the house sewer connections installed by D'Angela and Pollicelli on Gold Arbor and Southworth Streets under the contract dated November 25, 1959, and further recommended final payment of \$1,323.00. Moved by Mr. Norman that the Township formally accept said sewer house connections and make final payment to Contractor. Supported by Mr. Sparks, motion carried.

On a motion by Mrs. Holmes, supported by Mr. Sparks, a resolution was adopted to pay to Miller, Canfield, Paddock and Stone, the sum of \$5,022.03 for services regarding the preparation and marketing of the 1961 \$1,100,000 water bond issue.

### City Election Commission Sets Policy for Inspector Hiring

Spouses of paid City employees or elected officials will no longer be able to serve as election inspectors, according to a new policy established by the Election Commission.

City Clerk Joseph Near, who is chairman of the Election Commission, said that he had called a meeting of the group to establish a policy concerning the appointment of spouses. Wives of several elected officials and City employees have been serving as election inspectors.

The Election Commission, composed by Near, Mayor Harold Guenther and City Attorney Harry Deyo, passed a motion that states that the spouse of any employee or elected official of the City receiving remuneration therefrom shall not be eligible as an election inspector.

This will not exclude the spouses of those serving on other City boards, such as the Planning Commission, which serves without pay.

Two Republicans and two Democrats must serve at each precinct, but in the November election it was difficult to find Democratic inspectors, Near pointed out.

In other business before the Election Commission, they agreed that voter registration should be completed at City Hall, rather than by individuals or members of political organizations canvassing the City or setting up registration booths downtown.

## Compare Credit Costs

Do you compare price tags when you shop for a new refrigerator or a new dress? Then why not compare the cost of consumer credit?

Credit can be defined as the rent you pay for money. The four major sources of credit are: 1) credit unions, 2) banks, 3) small loan companies, and 4) retail stores.

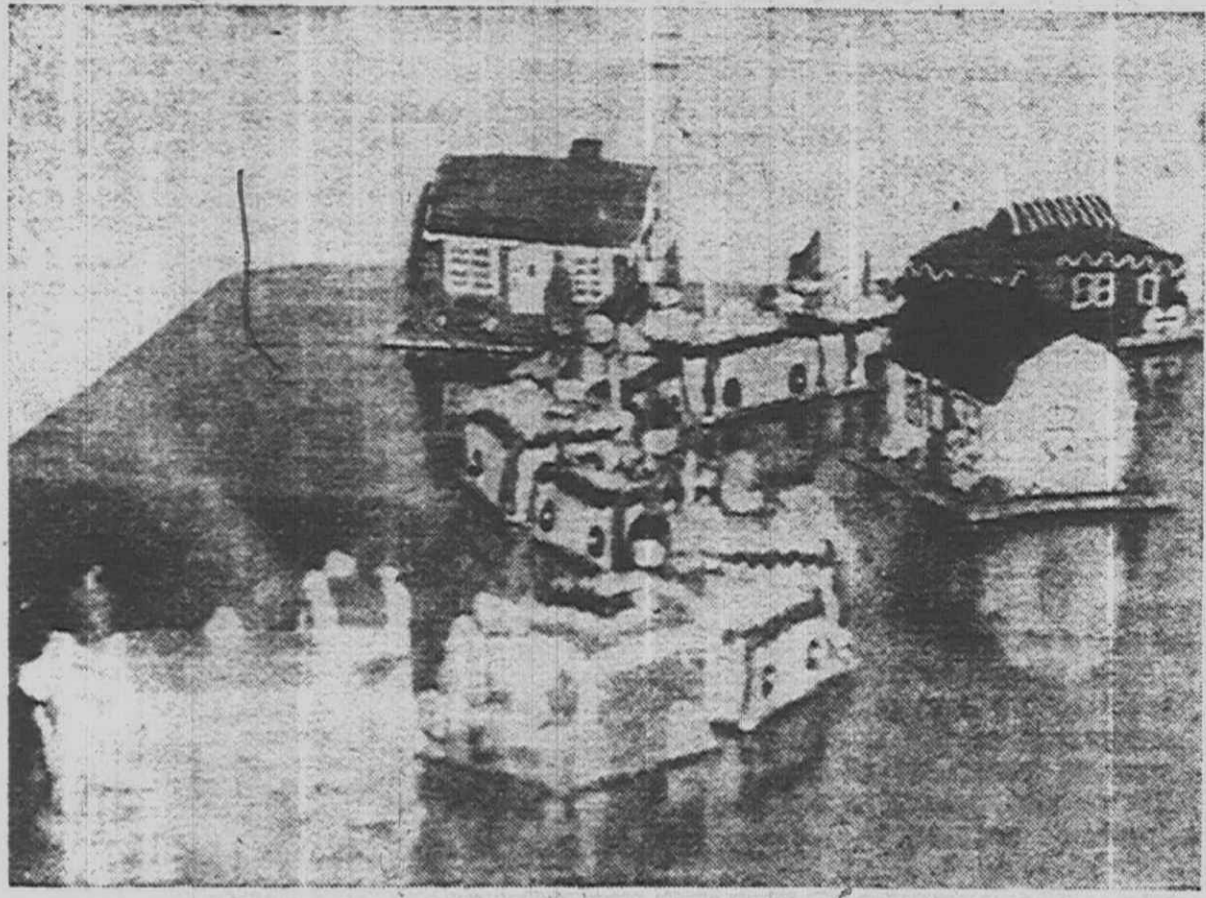

Credit costs vary widely. Before you buy, find out how much you're paying for credit. What is the difference between the cash price and the total price you'll pay if you buy "on time?"

An easy way to figure the dollar cost of credit is to multiply the monthly payment figure by the number of months to pay. Add the down payment, if any, and compare this total with the original price of the merchandise. People often make the mistake of finding out only the down payment and monthly payment figures. They neglect to shop for the best buy in credit.

Michigan laws regulate the amount of lending agencies, such as credit unions, banks and small loan companies, can charge for credit. But there is no such regulation of retail store sales.

Michigan consumers should support legislation toward more regulation of credit costs. They should also support the federal "truth-in-lending" legislation which would simplify and reveal true interest charges on consumer credit.

A generally reliable source of funds is the credit union. By law, credit union interest rates cannot exceed one percent a month on the unpaid balance. This is a true annual interest rate of 12 percent. Another generally reliable source of credit is a bank. Banks usually charge a true annual interest rate of seven percent to 14 percent depending on the loan and the length of time involved. Small loan companies charge an average of 2 percent per month, or 24 percent true annual interest. They are allowed by law to charge up to 36 percent true annual interest on a loan up to \$50. Retail stores may charge as much as the traffic will bear for the use of credit. If a department store adds a carrying charge of 1 1/2 percent per month on the unpaid balance, the true annual interest rate is 18 percent.

ALL aboard for Herterville on the Birthday Express and the birthday celebration of seven-year-old Carl Herter of 466 Arthur. Each year a similar train cake is baked and another flat car added to denote Carl's age.

This cake took Mrs. Herter six hours to complete. The engine and coal tender are carved from a jelly-roll, the seven flat cars from a sheet cake. The cake-house is a replica of the Herter's Plymouth home.

## All About Babies . . .

By Katharine H. K. Hsu, M.D., Pediatrician in Charge, Tuberculosis Division, Jefferson Davis Hospital, Houston, Texas

Babies are not born with tuberculosis, and, in this country, they do not get it from the milk they drink. Yet, more than 2,000 children in the United States under five years of age have active tuberculosis.

How do they get the disease? They get tuberculosis from the air they breathe.

If a young child catches tuberculosis, it is because he has breathed in tubercle bacilli, the germs that cause tuberculosis, that have been expelled into the air by a grown person in close contact with him.

Fortunately, it is easy to test a baby for tuberculosis. This is done by giving a tuberculin test, a remarkably sensitive skin test that causes a reaction if the baby has been infected with tubercle bacilli, even if active disease is not present.

When a child under five has become infected, there is always a risk of serious disease, even of tuberculosis of

the membranes that cover the brain and spinal cord. Thus, precautions must be taken to protect the child from the possible consequences of infection.

Today, most pediatricians advocate prophylactic treatment for the tuberculin positive child. This means administering a drug, isoniazid, for at least a year. Some doctors advise also giving a second drug, PAS, short for para-aminosalicylic acid, lest the tubercle bacilli cease to respond to the action of the first.

Ordinarily isoniazid alone can be relied upon to provide the necessary protection. Studies have shown that this drug, remarkably effective in treating tuberculosis, can prevent the development of serious disease among children already infected with tubercle bacilli.

If a child is tuberculin positive, it is not enough to treat him. He must be safeguarded from continued exposure. Thus, the source of infection must be found. This means examining all relatives, friends or domestics in close contact with the child. Such persons should be given

a tuberculin test and a chest X-ray. When the case of active tuberculosis is found, the individual should be placed under treatment immediately and precautions taken to protect the child from further contact.

It should be remembered that, although tuberculosis is usually thought of as a disease of older people, infants are highly susceptible to it and the disease usually takes a serious course with them. Prudence demands that the child be tested regularly for tuberculosis and, if the test is positive, that prophylactic treatment be initiated at once.

years as a member of the City Commission of Plymouth.

"He brought to the office of mayor a philosophy of government, which to be brief, was that the community of Plymouth could be made a better place to live by the improvement of schools, cultural facilities and activities, and a genuine concern for the well-being, not only of the residential, but also of the business and industrial parts of the community.

"At the time of his selection as mayor, there was a very strained relationship between the City and Township governments, and Mr. Guenther actively promoted meetings between these two governmental bodies and similar meetings, including the School Board, which is the third governing body in our community, to bring about community harmony.

"As mayor, the policy leader of the City, he took the lead in getting the businessmen to open their books to the City assessor in an attempt to equalize taxes within our community, and he has led in the protest against the discrimination which the

officials of the City of Plymouth believe has been exercised by the County Bureau of Taxation.

"Mr. Guenther has worked diligently throughout his term as mayor to attract new industry to our community and retain industry now located here, and in this he has been moderately successful. He has personally conducted a campaign to recognize the value of industry, and the celebration honoring the Burroughs Corp. was a result of these efforts.

"Mr. Guenther has taken an active lead in the persuasion of the administrative personnel of the City to use zoning and building ordinances as forceful tools to keep up the appearance of our community, and to keep out blighting influences. He has taken an active lead in the development of a Central Business District Plan which, though far from completion, is being gradually implemented.

"He has taken an active lead in an Urban Renewal Program, wherein several tenement-type houses will eventually be removed from the Mill St. area to be replaced by a new and modern industrial community.

"He has taken an active lead in the Central Business District parking program, which is gradually being solved through the willingness of the citizens and businessmen to undertake planning and organization of facilities for expansion.

"The mayor is a staunch supporter of the Community Chamber of Commerce, and is now serving as a director of the Chamber. He has personally underwritten many civic projects, of which few are ever known.

"Mr. Guenther is a busy man. Besides running a business of his own in the community and serving in the City government, he finds time for his family and his church, and has served as an officer of the Rotary Club and an officer of the Western Wayne County Easter Seal Society.

"Mr. Guenther's philosophy is "high ideas are attainable" and he has done his best to make this the philosophy of the community."

The citation was read by J. Rustling Cutler, chairman of the Social and Community Welfare Committee. Mayor Guenther is not eligible to seek another term on the Commission since the City charter places a limit of two consecutive terms. The mayor was appointed in 1954 to fill an unexpired term and was elected in 1955 to a two-year term and in 1957 to a four-year term.

From Topsoil to Hot Dogs

(Continued from Page 1)

with beards, they quickly visited 30 stores, six in Livonia, Plymouth and Northville.

They ordered such things as pop, buns and then some meat. Of the 30 stores, six were issued warrants for deliberately selling meat underweight.

Monet calls upon every outlet that sells merchandise by weight at least twice a year, although law requires a minimum of one visit.

Inspectors must be able to quickly determine if the underweight merchandise was sold deliberately or if it was an honest mistake. If there is a deliberate attempt to gyp the customer a warrant is issued and the recipient, if found guilty, is usually fined and sometimes jailed.

Monet declared that 10 per cent of the devices tested are faulty and the weight of around 20 per cent of packaged merchandise is inaccurately stated. Shrinkage is a large factor.

"In supermarkets we just take our scales in and weigh up the merchandise," the inspector pointed out. "But where there are over-the-counter sales we must make a purchase."

Two of the most common means of deceiving the consumer are using heavy wrapping papers to place the meat on and slipping a pencil under the merchandise as it is being weighed.

"In one market near here we found a piece of suet taped to the bottom of the scale, shorting each sale by an ounce," Monet recalled.

False advertising of foods also falls under their jurisdiction. "It may seem funny, but there are lots of places advertising foot-long hot dogs that are only nine inches long. We get out a tape and measure them."

Widely publicized several years ago was the case of a national brand of aspirin in which there were supposed to

have been 100 count, but Michigan agents found an average of only 93. The National Food and Drug department stepped into this case and tied up all the firm's aspirin across the country.

Also part of Monet's job is testing gasoline pumps. One dealer in the area adjusted his pumps so that they were delivering five gallons of gas but charging for six. A special five-gallon measuring can is carried by investigators to accurately measure out pump deliveries. Pumps are tested out at three speeds.

Clinging other cases, Monet recently brought a Dearborn baker into court for short weight bread. The baker paid a \$50 fine and was placed on six months' probation.

A riding stable in this area recently believed that it was being short-weighted on its straw. Monet had a load weighed as it was being delivered and was found to be 11,600 pounds light!

Topsoil deliveries are particularly hard to regulate. The buyer really doesn't know how much is on the truck but if the seller advertises five yards, there should be five yards on the truck. If he merely advertises it by the "load," the buyer can't complain. Truckloads of topsoil are often stopped on the highway and measured.

the loss of Daisy and its 500 jobs, the community will be likely to attract others, Reid said.

"Much will depend upon the available public utilities—water, sewer, gas and power," the planner pointed out. "Schoolcraft Rd. is planned to become a full expressway and will take much heavy traffic away from Plymouth city streets."

While Plymouth, from 1954 through 1958, lost four stores

the retail sales increased \$3,327,000 from \$22,551,000 in 1954 to \$26,878,000 in 1958. The number of employees in these stores has increased from 769 to 779, an increase of 10.

Speaking of per capita sales in Plymouth during this period, Reid noted that it went up from \$2,929 to \$3,066 — a gain of \$137 per person.

A CHECK for \$500 for the Hospital Ambulance Fund was presented last week by the Northville State Hospital Auxiliary. From left are Mrs. Abe Borkstein, Oak Park, past vice-president; Mrs. Byron Champion, 1150

S. Harvey, Plymouth, second vice-president; Mrs. George Brown, Detroit, treasurer; and Mrs. Louie Pearlman, 29809 Hillbrook, Livonia, new president; and Jacob J. Miller, M.D., clinical director of the hospital.

### State Hospital Helpers Add To Ambulance Fund

A tea at Northville State Hospital honoring Mrs. Ira Henderson, 31425 Myrna, Livonia, retiring president of the Northville State Hospital Auxiliary on Feb. 14, was also the occasion of the Auxiliary members presenting a check of \$500 to the Hospital Ambulance Fund. The major source of funds for the Auxiliary is through the operation of the Gift Shop in the lobby of the Hospital.

First contributions totaling \$175 to the Hospital Ambulance Fund were made in February 1960 by members and friends of the Plymouth Birthday Ladies in memory of Mrs. Cecil Packard, a former chairman and active member.

Then a gift of \$1,000 in June of 1960 by Mrs. Minnie Powell, 444 Plymouth Rd., Plymouth, also a member of the Plymouth Birthday Ladies, provided a real gain for the Fund. These contributions will soon make it possible for Northville State Hospital to have an adequate ambulance for its use.

### BARN TO GALLERY

MINNEAPOLIS (UPI) — Six months of work by three suburban women was climaxed by the opening of an art gallery in a remodeled barn. Their plan to promote the work of local artists began in last April and will feature works by 29 Minnesotans in its first exhibit. If the initial effort proves successful, the women plan to try the venture on a summer business basis. It is located in the suburb of Deephaven.

### REELED IN

SPRINGFIELD, Vt. (UPI) — Erik Hansen was fined \$25 for fishing without a license although he told Municipal Court officials that he had merely picked up the fish pole after his daughter dropped it.

### Local Democrats Hear Swainson Tax Program

Governor Swainson's tax program for Michigan was thoroughly and convincingly explained to a large gathering at the Plymouth Democratic Club meeting held in the Plymouth Grange Hall by Mrs. Harriett Phillips, vice-chairman of the State Central Committee of the Democratic Party, and by State Representative Joseph Gillis.

Candidates for Plymouth Township offices were also presented to the group and

the procedure for writing their names in on the voting machines in Monday's Primary Election was explained by Orville Tungate, chairman of the Democratic Club.

A lot of questions and discussion went on after the following points of the tax program were made by the guest speakers:

That the sales tax on drugs and food should be repealed; that the business activities tax should be repealed; that the personal property tax in local communities should be reduced; that the State should assume part of the relief program in effect in cities and counties; that the intangible tax allocation should be increased; that a three per cent income tax should be levied on corporations; and that a three per cent income tax should be levied on individuals.

It was explained further that this program would increase economic growth in Michigan while not necessarily bringing in more income to the State than it now has. The idea stressed was that the tax program was and is based on income rather than on spending, like sales tax and nuisance tax.

The income for the State would increase because the economic growth of the State would increase once the burden for doing business, big and small, was lightened. Personal property taxes on industrial equipment would, by their reduction or elimination, encourage expansion of industrial facilities and bring in more business to Michigan where the potential resources and wealth are tremendous.

Rep. Gillis and Mrs. Phillips answered questions and brought out that the whole idea was to take the tax burden off small business and they could put more purchasing power into Michigan and secure better roads, schools and other services for everybody without increasing the total cost of State government beyond what was necessary to do a good job.

Expressing pleasure with the good turnout for the meeting, Chairman Tungate discussed campaign plans while everyone was enjoying the refreshments.

### Letters TO THE EDITOR

Dear Editor:

I am writing to tell the public of the excellent play given last Saturday (Feb. 11) by the A.A.U.W. Drama Group. It was the most wonderful play for young children I have ever seen. The cast was exceptional.

They were as follows: Story Book Lady, Doris Sponseller. She tied the story into one continuous scene for the children. Her warm personality showed up marvellously. Snow White by Katherine Devereaux was a superb performance. Her acting knowledge shown brilliantly. She also was the one who made all the costumes.

Rose Red by Lois Vetal was another sterling performance. All her poise and awareness were brilliantly displayed. The mother played by Miss Irene Truesdell was vividly accented with realism and delight. The bear was portrayed by Clara Scharmen. Here, too, her sterling acting put an extra special meaning of reality to this story. She also played the part of the wonderful prince.

Mary Fitz played the stirring part of the elf. This was another commendable performance. The director who is responsible for this "masterpiece" was Pam Wisniewski. Offstage help was excellent and harmonious. These people were Ray Wisniewski, Bill Graham, Caroline Gluick, Chuck Scharmen, Mary Ellen Knopf and an unknown makeup man who was very clever and used life-like details.

**Offer Tips On Well Drilling**

Water is vital to the American way of life. The nation's economy can expand only if the water supply grows. These facts point to the importance of the well drilling contractor, says the National Water Well Association.

To the prospective builder of a home on a farm or in a suburb beyond the water mains, the association offers this advice: Select a reputable established well drilling contractor, then have confidence in his judgment and recommendations.

"The well drilling contractor, who enjoys a good reputation, uses good equipment, high quality materials, modern techniques and is proud of his profession," the association says.

"He belongs to his state well drilling contractor association as well as to the National Water Well Assn. He learns through them and their publications, the most modern techniques and methods.

"This type of a well drilling contractor understands and appreciates the need for better and safer wells, and has a technical knowledge of the efficient and proper use of ground water."

The association advises the property owner to insist on a written contract with the well driller and also to insist on full coverage insurance.

Lt. Comdr. Robert J. Brown, 8090 S. Main St., Plymouth, was among the 100 "citizen sailors" at the Jacksonville Naval Air Station for two weeks of annual training duty. Comdr. Brown, naval aviator and executive officer of Maintenance Squadron 731, is shown preparing to enter the cockpit for observation flight over a target area during bombing exercises. The Air Task Group returned to Grosse Ile Sunday.

An all-afternoon session for the commercial vegetable growers of Wayne County will be held, bringing together those persons best qualified to discuss the current topics and current problems of the vegetable grower. Meeting begins sharply at 1:30 and will follow schedule:

1:30 Welcome, introductions — Ed Kidd, Wayne County Extension Agent  
 1:35 Movie, "Black Plastic Mulch for Vegetable Production"  
 2:00 New varieties you should try — Walt Barron, Harris Seeds  
 2:15 Research, 1961 Spray Calendar, Special Insect and Disease Problems in 1961. Dr. John Carew, MSU vegetable specialist.

ERECTED IN 1927 by St. John's Episcopal congregation, this building on Maple St. will soon become the home of the Plymouth Community Federal Credit Union. The Credit Union now occupies the former Christian Science Church on Main St., now owned by the City.

**Credit Union Purchases Former Episcopal Church**

With assets approaching \$1 million, the Plymouth Community Credit Union has announced the purchase of the St. John's Episcopal Church property on Harvey and Maple Streets.

Remodeling of this landmark will begin immediately under the direction of architect Harold Pine. Every effort will be made to retain the colonial theme of their building in preparing it for credit union use.

The Plymouth Credit Union, which took over the Daisy Credit Union in 1958 with assets of \$150,000 has enjoyed a phenomenal growth.

Treasurer-manager George Lawton sees it this way: "Our goal in the Credit Union has been to be an economic friend to the people of Plymouth. "Our fine growth, our 4 per cent dividend and our life insured savings merely reflect the fulfillment of this goal. Relating to our new location, it is only proper that an organization owned by and serving community families locate in a convenient, well appointed location in the heart of the community. This will be the third location we have grown into in as many years and we feel that it will offer facilities that will more adequately serve the Credit Union needs of the community."

**Makes Naphthalene From Petroleum**

The world's first naphthalene produced from petroleum stocks is now a commercial reality.

Five special tank cars are being loaded this week with the new petrochemical at Ashland Oil & Refining Co.'s largest refinery, near Ashland, Ky., for delivery to customers' plants across the country.

The first shipments of naphthalene are being made only seven months after Ashland Oil broke ground for construction of a manufacturing unit utilizing a new refining process to convert petroleum stocks to naphthalene or benzene.

The insulated tank cars each carry approximately 10,000 gallons of molten naphthalene. The initial naphthalene shipment totals almost a half million pounds.

# Road Patrol to Have New Building Year from Now

The Wayne County Sheriff's Road Patrol that serves this part of Wayne County will move into a new home a year from now.

Now located in an old, overcrowded building on Michigan Ave. in Wayne, the Road Patrol headquarters will be moved to a new building being constructed on Henry Ruff Rd., on the eastern edge of the Wayne County General Hospital grounds.

The \$465,624 project will be next to the former Board of Health Building. The former Board of Health Building will have space for the Wayne County prosecutor, the Welfare Dept. and Juvenile Court Division.

When the new Road Patrol headquarters is completed, it will have 14,881 square feet devoted to administrative offices, a garage, radio room,

detective bureau and personnel quarters.

At present the Road Patrol shares its office with the Road Commission garage, the prosecutor's office is in a rented store in Allen Park and the Juvenile Court and Welfare Division is in a store building in Inkster.

Location of the services on the Wayne County General Hospital grounds will greatly reduce operating costs relative to heating and electrical service. The building will be heated by the Hospital central heating system and electric power will be tied in with the Hospital's generating plant with Detroit Edison as a standby source.

Mecca, sacred to Moslems as the birthplace of Mohammed, is 66 miles east of the Red Sea port of Jiddah.

# Newburg Couple Celebrates Golden Wedding Anniversary

By Mrs. Emil LaPointe  
GL 3-3797

On Sunday, Feb. 19, Mr. and Mrs. Arthur Remy of Newburgh Rd. entertained to honor their daughter, Ann Elizabeth's fourth birthday. A family dinner was enjoyed by Mr. and Mrs. Arthur Remy, Jr., Mr. and Mrs. Dale Bowerman and children Dale Arthur, Dianne and David and Mr. and Mrs. Robert Jefferson, all of Plymouth; Mr. and Mrs. James Remy, Jr. and daughters Roberta and Sharon of Livonia; and Mrs. John Kordon and daughter Gail of Newington, Conn. Ann's brother, Leonard, was also present for the celebration.

Mr. and Mrs. Harold Mackinder and children Paula Sue and Douglas of Hanlon Ave. have returned home after spending two weeks visiting in Florida with the parents of Mr. Mackinder, and

while there, also toured the state to observe its many beauty spots as well as historical spots.

The Sarah Circle of the Women's Society of Christian Service of the Newburgh Methodist Church will meet on Tuesday, March 7, at the home of Mrs. Warren Pittery on Hix Rd. The ladies will meet at 10:30 a.m. for cancer pad sewing, followed by a nose bag lunch at noon and the regular business meeting to follow at about 1 p.m. Ladies planning to attend are advised that there will be a silent auction and are asked to bring an item for this event.

Mrs. John Kordon and daughter, Gail, of Newington, Conn. have been the house guests of Mr. and Mrs. Harry Gilbert of Newburgh Rd. for the past week. Mrs. Kordon is the Gilbert's daughter.

The Joy Road Canasta Club met at the home of Mrs.

Clifford Hocking on Narise Dr., with Mrs. William Kerner as the hostess, on Tuesday, Feb. 21. The gala spent the evening in their usual round of cards followed by refreshments. Those present were Eleanor Rawsky, Florence Peterson, Carol LaPointe, Dorothy Dickie, Margaret Desmond and Edith Gennis. The group has begun a new policy in order to build up their sunshine fund, which evolves around a donation of a mystery prize and anyone wishing may purchase a chance for the prize. The winner of the prize for the evening was Carol LaPointe. The Club will again meet on March 21 with a place set tentatively for Mrs. Harold Mackinder's.

Sympathy of the neighbors and friends of the Newburgh area is extended to Mrs. Stuart Flaherty whose mother, Mrs. Anna Miller, passed away.

The Golden Wedding Anniversary of Mr. and Mrs. Harry Gilbert of Newburgh Rd. was celebrated with a family dinner at the home of Mr. and Mrs. Arthur Remy also of Newburgh Rd. on Sunday, Feb. 26, a few days preceding their wedding day of March 1. Those present for the occasion besides the guests of honor were Mrs. John Kordon and daughter, Gail, of Newington, Conn.; Gilbert Kordon of Albion; Mr. and Mrs. Lewis Gilbert and daughters, Nancy and Janet, of Fraser; Mr. and Mrs. Arthur Remy and children, Leonard and Ann. One daughter, Mrs. D. Narcisso, and family of New Milford, N.J. were unable to attend.

The centerpiece for the table was red roses, snapdragons, chrysanthemums and gold fern which was given to the couple by the ladies of the Sarah Circle of the Women's Society of Christian Service

of the Newburgh Methodist Church. Besides other gifts, Mr. and Mrs. Gilbert received a portable radio from their children. The Gilberts have been residents on Newburgh Rd. for the past 36 years and are members of the Newburgh Methodist Church, where they have been active for many years.

The Good Neighbor Club met on Thursday, Feb. 23 at the home of Mrs. Claude Desmond on Joy Rd. with the following ladies present for an evening of Bunco: Florence Peterson, Stella Hocking, Eleanor Rawsky, Lulu Westlake, Esther Stottmeier, Clarice Nesbitt, Laura Mendel, Eleanor Ruczinski, Dorothy Blanton, Mae Blanton and Johnnie Laveck. This group plans to get together again on Thursday, March 16 at the home of Mrs. Clifford Hocking on Narise Drive.

Don't forget the "Luncheon Is Served" program at the

Newburgh Methodist Church, Ann Arbor Trail and Newburgh Rd., Wednesday, March 8 at 12:30 p.m. Tickets are \$1 and the ladies of the Sarah Circle and Lydia Circle are sharing the proceeds to go toward their budget for the year. There will also be a bake sale in conjunction with the luncheon at which time you may purchase some goodies, as only Newburgh ladies can make. A nursery will be provided for the very young. You may get your ticket reservations by calling Mrs. Delmer Ruehle at GL 3-0094.

It was nice being with you. Don't forget to dial that little old telephone and let me know all about you and yours. See you next week?

by George Spelvin

Seed catalogues display their multi-colored covers for our weary winter-dimmed eyes with the heady promise of the beautiful spring weather waiting in the wings. All is pictured so brilliantly that old George can hardly still the urge to gambol in the garden and turn a few shovels of soil. Everything is on view with the exception of those calluses and back-aches so indigenous to the digging denizens of the back "40."

Packed houses a couple of weeks ago at the Plymouth High School, Bentley High School, and Thurston High School proved that children's theater is here to stay. Livonia topped everyone with a record 1,800 kiddies releasing their pent-up joys of a Saturday over the real-life actors. Of course, the auditorium at Livonia's Bentley High School can comfortably hold 600 students of drama. The Plymouth High School's expanded cloak closet in which they set up chairs was crowded with 300. One of these days the powers-that-be in Plymouth will present the cultural environs of this latter-day Athens with an auditorium.

If your children would like to see yet another live drama, treat them to a Saturday matinee at the Vanguard Playhouse. Every Saturday at 2 p.m. you can enjoy a children's show. Currently, a delightful tale by the brothers Grimm is on view, "Bum-bles." If you're in Detroit shopping, drop the kiddies off at the Vanguard up on 38 E. Columbia near the Fox Theater on Woodward Ave. for the show.

You'll only have this weekend to catch that classic melodrama, "Under the Gaslight." William Feaster as Snorky, the messenger, keeps the audience in a state of instant hysterics. And the hilarious musical numbers between the acts make this an evening of pure delight.

### New York Report

Out New York City way a melodrama, entitled "October," a pre-Civil War thriller, has the Gothamites flocking to the Phoenix Theater. Maybe this is a good year for old-fashioned melodramas. Many of the plays that have been coming into New York have met with steady customer resistance. "All The Way Home," a drama adapted from James Agee's novel, appears to be doomed. "Invitation to a March" gave up after 100 performances and left a \$100,000 loss in its wake. "How To Make a Man" took it on the chin for a \$200,000 loss after trying to attract paying customers for a week.

All the news is not somber from the Great White Way. Next week a couple of shows that appear to be definite winners will open. "Mary, Mary," a domestic comedy by Jean Kerr, has had excellent out-of-town reviews. "The Devil's Advocate," a three act adaptation from Morris West's best-seller, puts Dore Schary in the winner's circle again. Mr. Schary a few seasons ago scored heavily with "Sunrise at Campobello." "Come Blow Your Horn" with Hal March looks like a late season comedy that might blossom out into a hit.

The phone rang a minute ago and Larry Charfoos, the business manager at the Vanguard Theater, called to inform me that "Under the Gaslight" is selling out. Result: the management has decided to extend the run of the show by a week or two. Old George agrees that the production should be extended. The Vanguard players have a hilarious roundelay under way and it would be a shame

to close down anything so successful.

### Plymouth Films

It was my fond wish that the Penn Theatre could have extended the run of "The Sun-downers." Watch for this movie to pick up some Academy Awards come this April. "The Great Imposter" with Tony Curtis playing the part of the incredible Mr. Dam-merra ... opens today at the Penn. As an experiment, the movie booking agents are playing this film in the neighborhood theaters prior to the downtown first-run theaters. If the experiment pays off, we may see more big films prior to the downtown run.

The P & A Theater in Plymouth will have Frank Sinatra and company in the tune-filled "Can-Can" for this weekend. "Can-Can" recently finished a long run at the Madison Theater where "Spartacus" is still running.

### On the Tube

Incidentally, a couple of weeks ago on the late, late movie hour over Channel 9, Stanley Kubrick, director of "Spartacus" was well represented by one of his earlier movies, "The Killing." Although it was possibly his first film for Hollywood, Mr. Kubrick put more suspense and drive into "The Killing" per foot than he did in the turgid, tiring, overly-long spectacular "Spartacus."

Hope you caught W. C. Fields in the oldie, "The Bank Dick." Some of the dialogue had a bit of moss on it, but old W. C. is still the master comic. Watch for "The Cruel Sea" over CKLW-TV this coming Sunday evening. It's a British picture that drew rave reviews in 1956.

### Around About

Here are some last minute entertainment reminders for the coming weekend: "General Della Rovere" at the Campus Theater in Ann Arbor ... a shocking, moving foreign film that will provoke endless hours of thoughtful discussion; "Pellas and Melisande," the big opera of the year at the University of Michigan's Lydia Mendelsohn Theater; Shelly Ber-man at the Cass Theater for three performances ... if you've heard his best-selling records, you may want to visit him and see how they sound in person; ballet lovers will shout with glee for the Ballet Russe will be here for a three day engagement (March 3, 4, 5) at the Masonic Auditorium ... Igor Youkevitch will dance "Swan Lake" and "Gaité Parisienne."

And if you're still looking for a big evening out, buy some ducaats to "Sound of Music" at the Riviera Theater. Florence Henderson was never better and the lilting sound of those Rodgers and Hammerstein tunes would make an evening complete. It's a good way to forget about those seed catalogues that might be staring you in the face.

The Great Seal of the United States is older than the U.S. Constitution. The Great Seal had its beginning in 1776. The U.S. Constitution was completed in 1787.

### Run Down to Your Corner Drugstore

The cover pictures on the paperback books on Plymouth's newsstands indicate that a lot of these books are concerned with the woes of implausibly constructed young ladies wearing what appears to be all manner of trick dresses.

Fortunately, there are also a lot of books for adults.

Even for adults who can read.

We'd like to point out some of the latter. Let's take the novels first.

**The Devil's Advocate** (60 cents) by Morris West, a much-discussed novel, is built around an unusual and fascinating theme: an English priest's efforts to uncover the truth about a strange man who was executed during World War II by the same inhabitants of an Italian village who are now proclaiming him a saint. The priest is sent by the Vatican to gather evidence disproving the man's sanctity; to be, in the church's phrase, "the devil's advocate." **The Devil's Advocate** can be read at two levels: for the story alone or for insights into good and evil. It is not everybody's dish; most readers, though, will enjoy a competent novelist exploring a serious theme — and telling a tremendously readable tale.

Timely as today's headlines, **Flamingo Feather** (50 cents) by Laurens van der Post, is an exciting story set in present-day Africa. The plot is the classic suspense yarn chase, the theme a clash between two types of nationalism in an exploding country. Played out before the brilliantly colored background of Africa's interior which van der Post describes so well, **Flamingo Feather** should interest most men and many women.

A vigorous novel from Wales is Alexander Cordell's **Rape of the Fair Country** (50 cents) which relates the earthy joys and tragedies of the people in a Welsh mining town 130 years ago. The bleak conditions, the oppression of the miners, the sufferings of their families, all tend to make this a tragic picture of humanity desperately bad off. The human spirit being what it is, however, the novel ends on a note of hope with the roaring rebellion of the early British Chartists and the birth of a trade union movement among the miners. It's a vivid and memorable novel.

### Two Men You Love or Hate

Among the biographies affectionately, F.D.R. (75 cents) by James Roosevelt is especially valuable because it gives us the late president as seen by his oldest son. James Roosevelt remembers three fathers: the vigorous, youngish man before polio, the gallant fighter against the crippling effects of his attack, the public man in Albany and Washington. This is one of the most human books about F.D.R. It will be enjoyed by all except those steadfast citizens who still deny that anything connected with That Man could be human.

An actor today without an autobiography is a rare bird. Even rarer is Groucho Marx who not only has an autobiography out but actually wrote it himself. **Groucho and Me** (50 cents) will entertain show business buffs, comedy fanciers and Marxists in general. But it is oddly subdued and kindly coming from the man who spent the best years of his life loping across the screen in frock coat, painted mustache and galloping eyebrows, in made pursuit of the marvelous Mrs. Rittenhouse.

### CHILDREN

**THE MARSH CRONE'S BREW**, ages 5-8, by Ib Spang Olsen. An old Danish folk tale about the marsh boys and girls whose brew brings Spring to the marsh.

**MR. MERGATROID** by Nanda Ward. Adventures of an American boy in London and of his "invisible" companion at large.

**MUSKETS TO M-1** by Carroll B. Colby, ages 6-12. A photo history of our nation's fire-arms from early flintlocks to the modern arms, of today.

**MY DOG IS LOST**, ages 4-8, by Ezra Jack Keats and Pat Cherr. Story of a newly arrived Puerto Rican boy and his discovery that New Yorkers are friendly and helpful, though he doesn't speak a word of English.

**THE FIRST BOOK OF AUSTRALIA**, all ages, by Edna M. Kaula. Describes history, geography, national resources, aborigines, etc., of the land "down under."

**NUMBERS**, ages 5-7, by Leslie Waller. Introduces the beginning reader to the concepts of arithmetic.

## Ladywood Building Fund Boosted by Ford Fund

Sister Mary Benigna, principal of Ladywood High School, reports that the Ford Educational Aid Program has considerably swelled the funds pressingly needed for the development of the existing facilities at Ladywood High School.

The tremendous growth of the six communities which Ladywood High School serves — that is Livonia, Plymouth, Farmington, Redford Township, Northville and Detroit — has increased the demand for admission far beyond the present number of classrooms and facilities. Urgently needed are: eight classrooms, a multi-purpose gymnasium, assembly and meeting rooms, lavatory facilities, cafeteria and storage space, and a development of the present boiler facilities.

The Ford Educational Aid, Assistance and Incentive Donation Program, is part of the company's broad plan for corporate assistance to education. Its objectives are to provide a means by which the company can join with its employees in contributing to colleges, universities and secondary schools, to provide an increased incentive to employees to donate to educational institutions and to encourage these institutions to broaden their individual support programs.

To date, The Ford Motor Company has matched contributions to Ladywood High School to the grand total of \$15,000. "Ladywood High School administration," Sister Mary Benigna says, "is greatly impressed with the generous and prompt action The Ford Motor Co. takes in this enterprise, as each new contribution from its employee reaches the Ladywood High School Building Fund office." She feels the American Educational Programs have every opportunity in the world to become the world's greatest — with its citizens and the executives guiding the nation's important corporations and undertaking projects such as the one sponsored by The Ford Motor Company.
