School Proposal Asks 2 Mill Hike

Governor Kicks Off Michigan Week

Governor John B. Swainson's announcement that he would kick-off Michigan Week festivities in Plymouth on Friday has boosted enthusiasm for a gala Michigan Week celebration here.

Swainson will arrive at approximately 5 p.m. for a reception and dinner at the Round Table Club. The dinner will be given by 40 of Plymouth's leading industrialists and businessmen.

Michigan Week Schedule

- FRIDAY - Governor Swainson Day. Governor cuts ribbon at DSI, 7 p.m.
SUNDAY - Spiritual Foundations Day. Churches are invited to stress church history. Plymouth Historical Society Museum hosts City, Township and school officials from 7:30 to 9:30 p.m.
MONDAY - Our Government Day. Plymouth and Troy mayors will exchange jobs for the day.
TUESDAY - Hospitality Day. Ground will be broken for new RCA facility at 1:30 p.m.
WEDNESDAY - Industrial Day. Business and industrial leaders will have luncheon.
THURSDAY - Education Day. Schools to emphasize Michigan history. Seniors to tour DSI at 3 p.m.
FRIDAY - Our Heritage Day. Historical Museum formally opens to public from 9 a.m. to 6 p.m. A tea at Dunning-Hough Library sponsored by women's groups, 1-5 p.m.
SATURDAY - Our Youth Day. Junior Baseball League season starts with parade through town at noon.

Stab Wound During Fight Takes Life of Resident

A Wayne County Medical Examiner's autopsy report delivered Tuesday afternoon listed the death of Curtis McCowan, 22, of 483 Ann St. as a homicide. The young Plymouthite was stabbed while involved in a gang fight, sheriff's detectives said, outside a Telegraph Rd. tavern early Tuesday morning.

They found a 1961 car had gone off the road, through a hedge and cyclone fence. Kirkland McCowan, the driver, and Burrell were not hurt, but Curtis McCowan appeared to have a side injury. His companions said that Curtis had been stabbed in the fight and they were rushing him for treatment when the accident happened. The injured man was rushed to the hospital by the Dearborn Township rescue ambulance.

They're the Tops!

Convocation Honors 42 Students

Forty-two new members will be inducted into the National Society at Plymouth High School next Tuesday night when the 7th Annual Honors Convocation takes place. Students accepted by the National Honor Society must have obtained an average rating of B or better during their High School years, with no grade lower than C.

Guest speaker during the evening will be the Rev. James Middleton, pastor of First Baptist Church, Ann Arbor. His address will be entitled, "Our Greatest Space Adventure: The Mind." There will also be music provided. Gustav Geoghegan, assistant principal, will preside.

First City Dog Clinic Saturday

This Saturday will be the first of two Dog Clinics in the City of Plymouth. Held at City Hall from 9 a.m. to noon and 1 p.m. to 5 p.m., the clinics will be both this Saturday and next Saturday, May 26. The cost of a license is \$2 and rabies shots are \$3. If the dog received the two-year immunization last year, the immunization slip must be shown to purchase the license this year.

THURSDAY OF next week will be Poppy Day in Plymouth and both the American Legion and VFW are ready to exchange their poppies for donations to help distressed veterans. City Commissioner James Houk is shown buying the first poppies. From left are VFW poppy chairman, Vice-Commander Duane Johnson; VFW Auxiliary poppy chairman Mildred Dely; Commissioner Houk; Legion Auxiliary chairman Phyllis Hower; and Legion poppy chairman, Commander Vernon Miller.

Board of Education Race Attracts Six Candidates

A last-minute flurry of petition-signing brought about by an article in last week's Plymouth Mail stating that there was only one candidate for the Board of Education at the moment, has resulted in a field of six for the June 11 election.

lack of a race, there was a rush to obtain petitions before the 4 p.m. Saturday deadline. Here are the candidates: Mrs. Gustave (Bernice) Foersterling, 1401 Oakview, housewife. Ernest Henry, 383 Pacific, assistant postmaster. Mrs. Leon (Clara) Scharmen, 9101 McClunpha Rd., housewife. Carl Schultheiss, 11705 Amherst Ct., manager of engineering services at Burroughs Corp. Philip Settles, 170 Blunk St., operations examiner, Detroit Bank and Trust Co. Robert Soth, 41430 Warren Rd., technician for International Business Machine Co.

The petitions for Mrs. Scharmen and Soth were filed Friday while the others were filed Saturday, the last day for filing. Soth has served on the Board for the past four years. Wesley Kaiser who was elected to the Board at the same time, is not seeking re-election. Another candidate who may already be known to voters is Ernest Henry, who was a Plymouth City commissioner for several terms.

Midnight Madness Strikes Here Again

Plymouth merchants are declaring to the world today that they've gone mad. Today (Wednesday) is Midnite Madness Day in Plymouth and most of Plymouth's leading stores will open their doors from 8 p.m. to midnight to throngs of shoppers who want to take advantage of the thousands of bargains that will be offered.

The evening's activities will start at 7 p.m. when the Contempos, a musical combo from Plymouth High, gives a "warm-up" concert in Kellogg Park. Searchlights will ply the sky to guide out-of-towners to an evening of family fun.

Snow Removal Melts From City Budget

There will be no free snow removal from all City sidewalks this year. That was the word this week from the City Commission as they adopted a \$618,010 budget Monday night. A \$15,000 appropriation for complete snow removal was completely dropped because it was dropped at the last minute because it could not be fit into the budget.

One of Plymouth's Last Spanish War Vets Dies

One of Plymouth's two surviving Spanish-American War veterans, Col. Edward T. Miller, passed away in his sleep early last Wednesday morning at the age of 91. His home was at 863 Simpson.

Lower Package Includes Some Sacrifices; On Ballot June 11

A 5 1/2 mill proposal - two mills above the present school tax level - will be placed on the ballot Monday, June 11. The Board of Education approved a resolution Monday night calling for the 5 1/2 mill proposal. Of the 5 1/2 mills, 3 1/2 would be a renewal of millage that has expired this year and the remaining 2 mills would represent the increase. The proposal would be for five years.

A 2 mill increase would mean a 9 per cent increase in taxes. The Board resolution, however, was not unanimous. Trustee Peter Zylstra cast a no vote against the resolution, stating that he didn't believe it would pass. He urged that two proposals be placed on the ballot, one asking for a 3 1/2 mill renewal and the other a 2 mill increase.

Chamber Board Endorses School Millage Proposal. The Plymouth Community Chamber of Commerce has given its endorsement to the new Board of Education proposal calling for a two-mill increase. The proposal will be on the ballot Monday, June 11.

Other Board members, however, held firm in their conviction that 5 1/2 mills is needed to maintain the present level of education. "In fact," Board President Harold Niemi stated, "it will less than maintain it."

What We Will Get... Staff and operate new Junior High School West - \$54,000. Salary schedule increments - Teachers, \$41,000; Others, \$4,300. Cost of living increases - Teachers, \$20,600; Others, \$6,100. Payment of one-half of hospitalization up to \$12 per month, \$32,000. Improve building and grounds maintenance, \$12,000. Replace 3 buses, 2 driver education cars, \$23,800. Additional operation, instructional supply expenses, \$9,700.

What We Won't Get... Elimination of in-service Teacher Workshop, \$18,000. Eliminate one elementary art and one elementary music teacher, \$11,500. (No special art or music teachers for first three grades and kindergarten). Close Hough, Canton Center and Cherry Hill Schools, \$5,000. Cut transportation service, \$3,000. Also being cut will be the summer recreation program. There will be seven playgrounds instead of 13 operating. Fees for most recreation activities will be raised to help cover costs.

Says Township Pays Equitable Tax Share

Taxes paid in Plymouth Township are fairly close to the level of those paid in the City of Plymouth, the City's representative to the County Board of Supervisors, Arch Vallier, told an audience Monday night.

Supervisor Vallier, who recently completed a tour of duty on the Equalization Commission of the County Board of Supervisors, had called the public meeting Monday night to explode the myth that Plymouth Township isn't paying its fair share of taxes. "I am no expert but I got a liberal education on this committee. I hope tonight you will do what I had to do - forget your notions and look at the facts."

Can't Believe It!

It's just unbelievable. This 1955 Nash sat in my back yard with a for sale sign on it for weeks then I finally placed an ad in The Mail. I didn't know so many people read the ads, why even a man from Wayne came over and paid me cash in less than ten minutes," said Niel Gears of 194 S. Mill Street about the following classified in last week's paper.

College Film Available. Any Plymouth organization wishing to hear the talk and see the film strip "The One Mill Story" which tells about the need for the Community College and how it will be financed, may call Mrs. Clara Scharmen, GL 3-7352. The Jaycees were the first to view the film Monday night. We'll do the rest

AAUW Studies Millage Plan

May 17 has been designated as Achievement Night for the American Assn. of University Women, Plymouth Branch.

Bridge Club Winners

At the weekly Friday night Bridge Club held at the Plymouth Bridge Club on May 11, the following were winners: North-South 1. Calre Eberole, and Dick Palmer, 2. James McCormick, Jr. and Irene McCormick, 3. T. G. McGavin and G. F. Jessup, 4. Roy L. Phelan and Cencia A. Phelan.

East-West 1. Jack and Cecile Carter, 2. Audrey Turma and Peg Bruckert, 3. Dan and Alice Tibbecky, 4. R. Sherpitis and Ed Drugelis.

Members will meet at 7:45 p.m. in the multi-purpose room of the Plymouth Community Junior High School.

As is customary for this meeting, Branch study groups summarized their accomplishments of the past year. Visual displays, wherever possible, will show members the various types of studies undertaken and their conclusions, if completed. (Many studies are continued throughout the summer and into the next year.) Oral and written summaries will also be presented.

Out-going president Mrs. William Secord will also briefly review AAUW progress. Mrs. Secord will report on the Convention activities recently attended in Detroit by herself and several area members.

A few weeks ago Plymouth voters went to the polls to express their opinions on a millage proposal which was defeated. A new millage will be presented to the voters June 11.

This new proposal has cut

the mill from 7.5 to 5.5 and several other amendments have been made. This proposal will form the basis of the evening's program.

Three AAUW members will be panelists and present various views. Mrs. K. L. Hulsing, member of the Plymouth School Board, will discuss the millage in terms of the public school. Mrs. John W. Moehle, elected member of the College Board of Trustees, discusses the college aspect of the proposal. Mrs. Charles Latter, an informed taxpayer, will serve as moderator and present her views of the proposal in terms of a taxpayer.

Following the panel's report, the members may ask questions concerning the issue. Passage of the millage lies in the understanding of the issues involved and all members are urged to attend. The "Coffee-chat" preceding the meeting will be hosted by Mrs. W. Stirton, chairman; Mrs. Richard Fritz; Mrs. W. H. Bach; Mrs. A. Haer and Mrs. A. F. Read.

ENTERING THEIR 14th year of activity, officers, committee members and guests gathered last Thursday for the Plymouth Historical Society Annual Dinner. Seated at the head table are l. to r. Karl Starkweather, Marcus

Shattuck, guest; Charles Meyers, guest; Mrs. Frank Henderson, Frank Henderson, Sidney Strong, Milla Livingston, Dora Wood, Effie McDougall, Norma Cassidy and Fred Thomas.

Annual Dinner Attended By Host of Members and Friends

"When a community has a museum, it is a sign of civic maturity," said Marcus Shattuck, one of the guest speakers at the Plymouth Historical Society's Annual Dinner held last Thursday.

Then, on May 25 the exhibits may be viewed by the public. Following the splendid dinner, prepared by Ernie Henry and fellow chefs, Sidney Strong and Harry Brown, Charles Meyers of Livonia spoke on the Civil War all-Indian Sharp Shooter Regiment of Michigan.

Mothers Feted At University

Mrs. Foster Calahan of 498 Sunset was among a group of approximately 25 mothers who enjoyed a Mother's Day weekend at Henderson House in Ann Arbor.

Having served two successful terms, retiring president Frank Henderson turned over his gavel to newly-elected president, Sidney Strong. Other 1962-63 officers retained their same positions.

Margaret Todd will assume the duties of curator. She replaces Norma Cassidy, who, after long and dedicated service, resigned.

Family Fun Promised Saturday At Gallimore School Carnival

A full afternoon and evening of fun has been planned for this Saturday when a carnival is held at the Gallimore Elementary School on Sheldon Rd.

Rain or shine, the carnival will take place from 5 to 9 p.m. The usual booths will be on hand—the fish pond, game room, fun house, bake sale, cake walk, country store, handwriting analysis, profile booth, beauty shop, sample booth, post office, candy shop, flowers for the house, and garden and the fun house (no

one knows what the committee has planned for this, only the chairman, Mrs. Grady, and her co-workers).

Clothes will be on hand to keep things lively and there will be a session of movies for those who like to enjoy the newest of cartoons. A door prize will also be awarded. "Everything has been planned so all families can have fun without digging too far into their pockets," the committee said. "There will be all sorts of snacks and food, so join us for the evening."

PHS Science Student Selected For Visit to A. T. & T.'s Bell Laboratory

A one-day visit to the world-famous Bell Laboratories at Murray Hill, N. J. was awarded to Plymouth High School junior Bruce Hudson and his physics teacher, Donald Helm, this week.

Bruce, the son of Mr. and Mrs. Samuel Hudson of N. Territorial Rd., was one of two Michigan high school students selected for the trip sponsored by Michigan Bell Telephone Co. The teacher and student left for New York Sunday by jet and spent Monday at the Bell lab in nearby Murray Hill.

While there, Bruce and other students from schools across the country heard demonstration

talks, visited laboratories and then heard a motivational talk by an laboratory executive. The students were given a choice of which branch of science they wanted to visit at the lab and Bruce's first choice was the chemistry laboratory.

Bruce and Mr. Helm were guests of honor at a luncheon at the Mayflower Hotel last Thursday where Michigan Bell presented the tickets to the pair. Attending the luncheon were H. C. Bronaugh, manager of customer relations at the Plymouth office; E. E. Morrow, district manager; High School Principal Carvel Bentley; Mayor

Robert Sincock; and Bruce's parents, Mr. and Mrs. Hudson.

The program sponsored by A. T. & T. at their Bell Laboratories is designed to further motivate the interest of top science students. Since the program started a year ago, 106 students and 55 science teachers from 22 states have been guests at the lab during three separate visits. There will be 50 students in Bruce's group from throughout the U.S. The other Michigan student is from Wyandotte.

PLANE TICKETS to New York were presented to PHS student Bruce Hudson and his physics teacher, Donald Helm, by Michigan Bell last week. From left are Helm; Mr. and Mrs. Samuel Hudson and their son Bruce; Mayor Robert Sincock; and H. C. Bronaugh, manager of customer relations for Michigan Bell. The Bell Lab, where the two visited, is the scene of many significant discoveries and inventions.

PWP Plan for Summer Agenda

The PWP's (Parents without Partners) organization of the Plymouth-Livonia area are holding their first regular meeting May 23 in the Rose-dale Gardens United Presbyterian Church located at the corner of Hubbard and Chicago Blvd. at 8 p.m. in Livonia.

All widowed or divorced parents are cordially invited for discussions of interest to them and to meet with others who share a similar position. Social events will be planned for the summer with a picnic scheduled for Memorial Day. Fathers with visitation rights may find others with whom they share the same plight and can meet with them.

The coffee social hours, held Sunday evenings from 7 to 9 p.m., help alleviate the loneliness of weekends, especially those with small children. The next two coffee socials are May 20 and May 27 at the homes of: Ann Osten 7704 Carousal Blvd., Garden City, Mich. and Gwen Jackson, 9800 Hubbard, Livonia, Mich., respectively.

If you are interested, further information may be obtained by calling Betty Mende, 37630 Plymouth Rd., Livonia, at GL 3-7447.

Donald Alsbro Receives Award

Cadet Captain Donald E. Alsbro, 999 Penniman Ave., is one of four cadets at Western Michigan University in Kalamazoo who was awarded Chicago Tribune ROTC medals at the Annual Review, Tuesday, May 15.

The medals are awarded in recognition of scholastic achievement and proficiency in the study of military science.

Alsbro, is a secondary education major and a member of Phi Alpha fraternity.

PTA Year Ends At Farrand May 22

The Farrand School PTA will hold their final meeting of this school year Tuesday, May 22, at 8 p.m. Officers for the new year will be installed. They are: Mr. Charles Childs, president; Mrs. Barbara Spagnola, vice president; Mrs. Shirley Gundersen, secretary; and Mr. Dale Beaumen, treasurer. They will be installed by outgoing president Mr. George Fabbri.

A musical program is planned for the evening under the direction of Miss Bettie Norman and Mr. James Griffith. The fifth and sixth grade chorus will present four numbers. Selections will be played by the fifth and sixth grade string groups. Band students will also participate in the musical program.

Refreshments will be served by the room mothers following the program.

Rainbow Order Appoints Two

Two Plymouth members of the Order of the Rainbow for girls received special appointments at the 34th Annual Grand Assembly of the organization at Grand Rapids May 10-12.

The local members were Carole Loesch, 840 McKinley, who was appointed grand representative to the state of Oregon, and Kay Taylor, 32254 Wisconsin, Livonia, who was appointed grand confidential observer.

GRAHM'S CHATTER

by Millie Rostow
Believe us, we believe in service. No sir, there is nothing like giving the customer what she wants. But at times, we wonder if this cannot be carried too far. In a recent news brief, we read that a new motel in Chicago will include a "frustration room," where guests will be able to toss off their tensions by smashing inexpensive household objects against a brick wall. To us this seems a bit drastic and we would rather suggest that a woman release tension by indulging in a bit of "emotional spending." This plan will work two ways. She will emerge looking so attractive and relaxed, it will soothe the nerves of the whole family and we dare say the cost will be less.

For instance if you feel the need of a complete change... and who doesn't when spring has bloomed forth and summer is on the way... we can help you. The smartest, most wearable garment is a summer suit. This can be made of cord fabric, 75% Arnel Triacetate and 25% cotton, crisp, cool, washable and durable. A slim skirt with kick-pleat in back, halter top for sun-tanning and lined "jacket" which makes it shape-retaining. Available in blue, toast and grey, all with tiny white stripes. The price for the complete three pieces is \$16.99. The two-piece cotton poplin suit comes in luscious colors, sea blue, coral and white. The jacket is cardigan style, button-front and slim skirt. (You can also purchase the Bermuda pants to match). Wear this suit with your favorite sweater, cotton blouse or halter top. Real cool... for only \$14.99. There are many other summer suits from which to choose, priced from \$17.95 to \$59.95. We invite you to see them today, remember the place, Gramh's in the center of Plymouth!

Engaged

The engagement of Peggy Laidal is announced by Mr. and Mrs. Peter Laidal of Spring Lake, Mich., to Bruce D. Campbell, son of Mrs. Heloise Dunstan of Joy Rd. and the late Allan Campbell.

The bride-elect is a graduate of Grand Haven High School and attended Davenport Institute in Grand Rapids. Her fiancé graduated from Plymouth High School in 1954 and attended U of M and Eastern Michigan University. He is presently employed with Ford Motor in Ypsilanti.

A Sept. 1 wedding is being planned by the couple.

4-H'ers Exhibit At County Fair

Mr. Ralph Morrow, extension specialist in animal husbandry, from the state 4-H office at Lansing, visited the Plymouth 4-H Livestock Club at their regular meeting on May 3.

All livestock clubs from Wayne County were invited to attend this meeting and a large group heard Mr. Morrow discuss various phases of 4-H work and he answered many questions for the members and their leaders. Mr. Robert Paulson, 4-H agent from Wayne County, was also a guest at this meeting, and he assisted in the discussion.

On April 5, the Plymouth Club had as their guest speaker, Dr. Clifford McClumpha from the Parkway Veterinary Clinic. He told the members about diseases, the prevention of diseases, vaccination of animals and other hints on the proper care and management of various animals.

Several members of the Plymouth 4-H Club also participated in the County Fair at Greenfield Village on May 10, 11, and 12. Four were chosen on Achievement Day to exhibit their leather work at Greenfield Village and several others exhibited their dairy and beef animals.

Free passes were given to the participants. First, second and third prize ribbons were awarded in all categories and divisions, and an award certificate and gift award will be mailed to the first prize winners.

Harvard University library contains 6 million volumes.

Class of '52 Plan 10 Year Reunion

Plymouth High School Class of 1952 has completed plans for their 10 year reunion to be held June 9 at the Wayne Ford Civic League Hall in Wayne.

There are over 110 reservations at this time and class members are urged to complete their reservations on or before May 15.

A get-acquainted hour will be held at 6:30 p.m. with a dinner and dance to follow. Numerous prizes have been donated by Plymouth merchants to be given throughout the evening.

Checks for reservations at \$5 per person, may be made payable to Derald McKinley, 14657 Bradner Ct., Plymouth. Detroit is the French name for strait—a narrow passage-way of water.

Obituaries

Edmund Burbeck Bradford
Funeral services were held May 12 at the Bultman Mortuary Service in New Orleans, La., for Edmund Burbeck Bradford.

A retired sales manager for Royal Typewriter Co. was born Oct. 27, 1879 in Boston, Mass. Alice (Burbeck) Bradford, nee Theodore Bradford, passed away May 10 at the age of 82 at the Eastlawn Rest Home in Northville.
His wife, Inez A. (Jones) Bradford, preceded him in death.

Surviving him is one daughter, Mrs. Alice Lennox of Plymouth and five grandchildren.

Interment was in Woodlawn Memorial Park.

Curtis McCowan
Funeral services will be held at the Schrader Funeral Home for Curtis McCowan, 22, of 483 Ann St. who died Tuesday morning at Wayne County General Hospital.

A welder by occupation, Mr. McCowan was born April 13, 1940 at Athens, Ala. to William and Irene (Clem) McCowan.

Surviving are his parents; his wife, Karen Lee Campbell McCowan; a daughter, Leona Ann; two brothers, Douglas and Ypsilanti and Kirkland of Plymouth. He moved to Plymouth from Ypsilanti in 1956.

Interment will be at Cadillac Memorial Gardens, Nankin Township. Funeral arrangements can be secured by calling Schrader Funeral Home.

Alumnae Installs Officers May 21

Installation of officers and a lecture concerning "The State of the Theater" by James Limbacher are on the agenda of the May meeting of the Dearborn-West Suburban Alpha Alumnae Chapter.

Mrs. J. O. McCracken, 25250 Cherry Hill, Dearborn, will entertain the group in her home May 21 at 8 p.m. Mrs. John Jacobs and Mrs. H. K. Sperrlich will serve as co-hostesses.

Officers to be installed are: President, Mrs. Dean Stoppel; First Vice Pres., Phyllis Truesdell; Second Vice Pres., Mrs. John Jacobs; Corresponding Secretary, Mrs. James Strang.

Plans for the June dinner-dance will be discussed. Members planning to attend the meeting are asked to call Mrs. J. O. McCracken, LO 2-4488.

Speaker Stresses Physical Fitness

Gene Wiechec, director of public relations of the Chiropractic Society of Michigan, spoke to Plymouth Kiwanians last week about the nationwide program of better physical fitness.

In the period of 1948 to 1955, he said, 52 per cent of the eligible Americans had to be rejected by the armed forces because of physical or mental reasons. The ancient Greeks had a balanced system of education that would be a good model for us to follow, he added.

Their curriculum included both mental and physical education. Easy living such as we have in the United States does not make a vigorous nation capable of properly competing with other nations of the world.
The Kiwanis meeting was held at Lafayette-Lill.

Chips from the ROCK

"A COMMUNITY DOES NOT ENDURE BY THE WORK OF HIRELINGS. A COMMUNITY ENDURES WHEN ITS LEAST AND ITS GREATEST CITIZEN LOVE IT ALIKE AND WILL LIVE AND WORK AND DIE THAT IT MAY BE GLORIOUS."

No one man at present is more deserving of community acclaim than former mayor Harold Guenther. His continued interest in the improvement of the Plymouth Community and his determination to find new industry to improve our tax base and provide jobs for our residents puts him in a class by himself. Almost single-handedly he brought the RCA plant into being here and from what we learn that is only a start.

His interest in forming and promoting the Plymouth Industrial Development Corporation has had and will have far reaching effect on the future of this area. Also entitled to commendation are the local people who have given or pledged the dollars to make these efforts possible.

For local businessmen to pledge \$5,000 in these days for community improvement is quite remarkable but ten local people did, and it was through this original underwriting that the whole program broadened so that now there is much wider participation on the part of our civic-minded residents. I hope the day will come when we can publish on our front page the list of those dedicated people who have interest enough, confidence enough, and charity enough to throw their money into a pot to help this great community in which we earn our living, educate our children and call our home.

There's never any age when it's too late to get more education. Former Plymouthite Charles Brake, now County Superintendent of Schools, will retire in the next few weeks 67 years young... and what does he plan to do in the future? ... why, go to law school of course and get his law degree.

And on the subject of former Plymouthites... last week Richard Kimbrough, former owner of Kimbrough appliance, once located on Ann Arbor Trail about where Kades store is now, then later in the building just north of Stop and Shop, visited Plymouth to get more know-how to add to his fast growing sweet potato business out in Van Buren, Arkansas. Producer of Kim's Candied Yam Patties, a specialized frozen package, for airlines, hotels, institutions, etc., Mr. Kimbrough sought advice about packing frozen pumpkin and fried apples from apple buyer Robert Willoughby and, technical advice from Plymouth Stamping's Clarence Moore on how to build stainless steel stamping presses to make foil containers for his products.

Want a new pet for your kiddies? Joan Simmons over on Micol street has a problem. Elsa, her pet TV lion is getting too big for her house and his 120 pounds brushing against tables and lamps topples them over and makes him rather obnoxious especially when he wants to sit on your lap. Since his claws were removed as a cub, zoos won't have him because he has no way to protect himself and there seemingly is small demand for this kind of a pet. "Between now and fall he's got to go, but I don't know where," says Mrs. Simmons.

Confusion is nothing new to hotel manager Ralph Lorenz but the writer enjoyed seeing confusion unlimited in the Mayflower's kitchen last Saturday morning. Some 150 children and families from St. Michaels and Our Lady of Good Counsel Churches made reservations for breakfast in hotel dining rooms after First Communion services that morning. As some 300 people arrived for breakfast the manager pressed himself into service behind the huge kitchen range and tried to outmaneuver his chefs in the scrambled egg department... well you've never seen anything until you've watched a scene like this... the waiters had as much fun as we did watching, but in spite of it all, the guests enjoyed a sumptuous repast and were none the wiser for the consternation they caused in the kitchen area.

If you see Hugh Jarvis walking around with a newspaper tucked under his arm you'll know it's a copy of the Toledo Blade containing a story and picture of the beautification of back-door parking areas in Adrian, Michigan. What Mr. Jarvis has in mind is the removal of the light poles from the alley directly behind the stores here, cleaning up the lot generally, making some attractive plantings and perhaps adding an attractive canopy across the rear entrances of each of the stores for easy and inviting entrances of patrons from this area. It's an excellent idea and we hope he can generate enough interest and help from other merchants and city fathers to bring about an improvement of this kind.

We can't close these remarks without passing our thanks along to Senator Stanley Novak of Detroit for his kindness to our Ivy infected wife over at the University Hospital. Some people have the impression that all Democrats and all Republicans in office are bitter enemies. This is not true and some of my closest friends, made in Lansing, are members of the opposition party and I respect them highly. "Stash" Novak, labor's solid champion, is one of them and when he heard my wife was occupying a room on his floor at the hospital, where he too was a patient, and that she couldn't get a TV set, he immediately put his powerful 170 pounds and his political prestige to work and within the hour she was enjoying the walls of her favorite soap opera and other such programs as could be squeezed in between commercials.

A VISITOR in Plymouth this past week has been Simandjuntak, an Indonesian public official, who is here to view operations of a small city government. City Safety Director Kenneth Fisher is shown at left with the visitor.

Plymouth High School

Biggest deal on campus right now is ESW the Council-sponsored project designed to put the exchange student program on an all-school level.

Highlighting Exchange Student Week will be a car wash on Friday and Saturday when students — and teachers — will grab hoses, pails, wash rags, brushes and whisk brooms to do a terrific job for just a dollar. Adding to the bargain is a special offer made by Mayor Jim Kropf to polish tachometers on the dashboard at no extra price.

ALL PROCEEDS will help sponsor exchange students coming here through the Michigan Council of Churches Youth for Understanding program. One exchange will become a member of junior Bonnie Gibson's family (the Walter Gibsons of Peniman Avenue). Since the Council hopes to be able to sponsor at least one more student, the community-wide publicity campaign — including radio announcements, posters and letters to service clubs and organizations — is indirectly aimed at stirring up more interest among prospective host families.

The Council of Churches suggests that the exchange be placed in a home with a student his own age and a bed and study a area of his own. Anyone interested in obtaining more information about the program or a host family application should contact Student Council Projects Committee Chairman Janet Graham as soon as possible.

And don't forget to have your car washed before the Annual Spring Band Concert. Along with two other concerts, a chop suey dinner and a peanut brittle sale, this concert will help finance a week at Interlochen for the entire band.

Juniors invited to join the National Honor Society will be received by present members at the annual Honors Convocation next Tuesday, May 22. Convocation speaker will be the Reverend James Middleton of the First Baptist Church in Ann Arbor.

To be scholastically eligible, a student must have a "B" or better average with no grade below a "C" for the first five high school semesters. Each tenth grader in these three categories from at least five teachers, without receiving a "D" or an "E" from any

Indonesian Official Takes Week-Long Look at City

A man who serves as first assistant to the governor of the Province of North Sumatra in the nation of Indonesia completed a week of observation in Plymouth yesterday learning all he could about the operation of a small city.

His name is Parlaktan Simandjuntak, who since last September has been a student at Wayne State University under the auspices of the U.S. Department of State. As part of his field work, he was assigned to visit Plymouth and observe its City officials at work.

Simandjuntak has visited with City Manager Albert Glassford, Treasurer Kenneth Way, Safety Director Kenneth Fisher, City Clerk Joseph Near and DPW Director Joseph Bida during his stay here.

In the Province of North Sumatra, Simandjuntak's job is to give advice to the governor, and refer important cases, attend sessions held by the governor, prepare papers for discussion and accompany the governor in his tours of the province.

The province has 5 million people in 12,000 square miles. What can a man in this position learn from a small town like Plymouth?

"For one thing," Simandjuntak explained in very good English, "I learned from your City manager about the township system. In Indonesia we are having a land reform where we are attempting to divide and measure farms. I think that dividing the land into townships like you have, six miles square, would make the job easier."

Simandjuntak also learned from Plymouth's Fire Department that firemen here not only fight fires, but also are adept in using rescue equipment. A rescuator would only be found in hospitals in Indonesia.

Simandjuntak's job is an appointive one and he is under a program such as our Civil Service. Province governors are appointed by the president who secures three nominations from the province house of representatives. Indonesia itself secured independence from the Dutch in the late 1940's following hostilities.

America is not the way that the visiting official has pictured it. "I had believed that all highways had been built, all buildings had been built and everything would be static in America. But I find that you are still progressing by building more highways

DOG DESTROYS EIGHT RABBITS

A dog destroyed eight rabbits last Saturday night at George Petrowsky's home, 464 S. Lotz Rd., Canton Township.

Teeth marks were found on the hutch. The rabbits had been raised for eating purposes.

Dakota is an Indian word (Sioux) meaning an alliance by building more highways

KEYS TO A new Rambler American were presented to Plymouth area residents, Mr. and Mrs. Chester Henning, 9747 Houghton, by the Mobil Oil Co. when they won first prize in a contest held in conjunction with the Mobil Gas Economy Run which ended in Detroit. Faye Emerson drew the Henning name. The make of car awarded was based upon the make that won the Economy Run.

Supt. Isbister Retires From Presidency of Schoolmasters

Prof. Fred G. Walcott of Literature, Science, and the The University of Michigan was elected president of the Michigan Schoolmasters' Club at its 75th annual meeting at the U-M Friday.

He succeeds Russell Isbister, superintendent of schools at Plymouth.

The new Schoolmasters' president is professor of education and faculty secretary in the U-M School of Education, and professor of English in the University's College of

Who's New in Plymouth

LOOKING AT A Michigan tour guide has been the past-time of the Henry G. Foote family, 41363 Greenbriar Lane, Lake Pointe Village. Moving here in December from Springfield, Mass., the Footes have already taken a trip into the Upper Peninsula and hope to get more acquainted with the "Water Wonderland" this summer. Mr. Foote works in the general office of the Auto-Lite Division of Ford Motor Co. Their five children, from left, are David, 4; Steven, 3; James, 11; Susan, 13; and Charles, 9.

The Professor Sez... by Ed Brown

If we are any kind of a normal parent, we love our children very much. However, there are times when a few parents let this love rule their better judgment in a few situations which may prove detrimental to the child in later life.

I know there are times when a child may have "hug" feelings because the parents' love may dictate doing something against the child's wishes at the time, but "in the long run" may be for the betterment of the child.

Children cannot see the reasoning behind all this until they are much older. Sometimes not until they have children of their own.

I do think that some parents are over-protective of their offspring and defend all their actions in every way possible—even to the point of making excuses for their actions. This is only natural to want to do that. I see this more than most parents do. Once you have made an excuse, or deliberately lied for your child's sake, chances are it will happen again and again, and you will become trapped in endless incidents that become more involved as the child grows older, particularly if you do it more than a few times in the beginning.

Some students actually have their parents "buffaloed" and sort of "con" them into writing excuses to cover up for them when they skip school. I have even had parents tell me that their child has threatened to leave home unless they do "cover up" and alibi for them. Naturally parents dread to see their children in trouble, even though some of these troubles may be minor ones at first, but may develop into major ones as time goes on.

If the family association from childhood has been a good one there is little to fear from teen-age threats. We, who are parents, know that it is not an easy task to raise children to be righteous and well-adjusted young men and women. It is a real challenge and we should devote as much time to it as we do to some of our personal adult problems.

All we can do is what we think is right, and if we do not know, we should read articles, ask qualified people, and try to find an answer to a given problem. I honestly believe that each community should have some kind of a family counselor for parents who have family problems, or a committee composed of teachers, lay citizens, clergymen and others who could be available to help those in need—and there are more parents and children than you think who really want help. I'd like to continue this another day.

WHATSOEVER happened to... That all-around "natural" athlete who marched forth from PHS with his diploma in 1948? He starred in football as a backfield man, a center and forward in basketball, and at the "hot corner" in baseball.

From high school he went on to Western Michigan University to star at third base for the Bronco diamond team and won four letters there.

After graduation from college this young man worked for the Sutherland Paper Company in Kalamazoo, and played baseball on their fine team—one of the best in the country at that time. His baseball career was then interrupted for "stint" in the armed forces. He served with distinction for two years in Korea.

Our mystery man now is employed by McKesson & Robbins in the chemical division. He is an assistant manager of the Detroit office. He married his high school sweetheart, the former Marge Bassett, who was also a pep-spy cheerleader of that era. They have three youngsters—Edward, 6, Gerald, 4, and Janet Ray, 2, and they live at 465 Auburn in Plymouth. The young couple have charge of the one-year olds at the Presbyterian Sunday School.

ANOTHER FORMER PHS track and cross-country star married the above Mr. X's sister. This one graduated from high school in 1950 and also went to Western State, where he won letters in his favorite sport. He was a star dash man on Konrad Moiso's great teams of 1949 and 1950.

While in college he belonged to the original unit of the Aeromotor Transportation Corp. Later he entered the service and was stationed at Fort Benning, Georgia, for two years as a counselor for uneducated personnel. He married his lovely wife, Kay, who taught at Columbus, Ga., while he was in the service there. They have three children—Paula, 3; Robert, 2 and Jack, 1.

Since his service days this lad has been employed by American Airlines and is currently employed in Mesa, Ariz. Who are these former stars? JACK DOBBS and PAUL HARDING.

THOMAS BIDA, right, Allen School safety patroller, made U.S. Senator Philip A. Hart an honorary safety patroller last week when he traveled to Washington to attend the 26th National AAA Patrol Rally. Tom is the son of Mr. and Mrs. Joseph Bida of Hamilton St. Pictured with Senator Hart and Tom is James Vincenza, a Garden City patroller. There were 120 Michigan safety patrol leaders at the rally.

AN AMERICANISM award was presented to Dr. Lee Feldkamp, the City Health officer, by the Veterans of Foreign Wars at a recent ceremony. Dr. Feldkamp was responsible for setting up Civil Defense first aid course. A basic course was held at the Post Home last year and an advance course is now ending at St. Mary Hospital. Dr. Feldkamp has taken part in the instruction. Mrs. Charles Olson, past president of the Auxiliary is shown making the presentation.

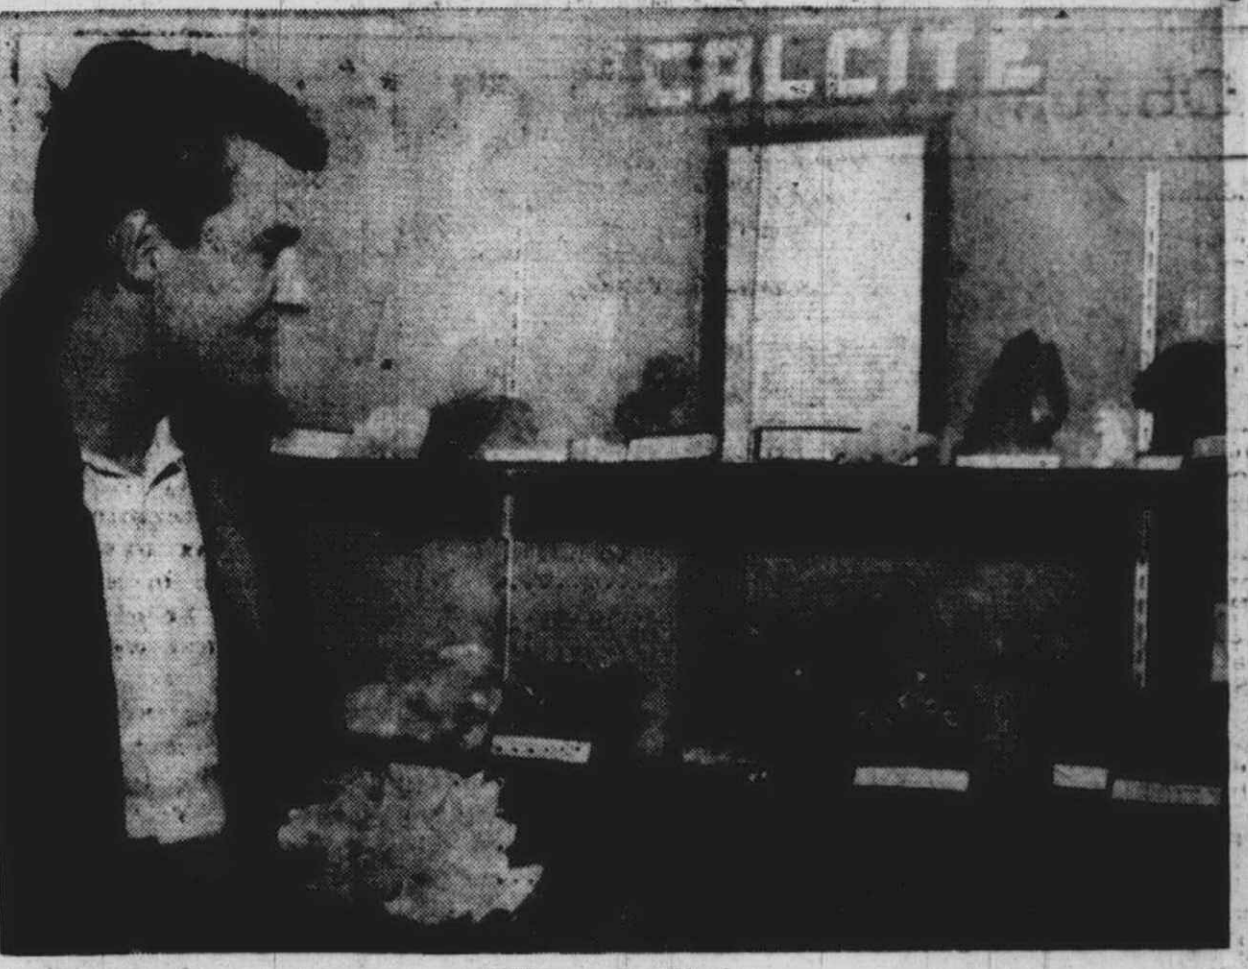

Tells What Community College Curriculum Probably Will Have

The nature of the Community College curriculum has been widely discussed since planning for Northwest Wayne County Community College began five years ago. Many interested and thoughtful citizens have asked questions and made helpful suggestions, according to the president, Dr. Eric Bradner. "By its very nature the community college must serve the needs of this area. The trustees, administration and faculty will be dedicated to that end," he said.

While detailed development of the curriculum will require months of study, residents may look forward to one and two-year programs in such fields as electrical, electronic and industrial technology; in drafting, commercial art, X-ray technology, accounting, general business, secretarial work, retailing, sales and advertising.

An excellent academic program will make it possible to transfer without loss of credit to four year colleges and universities," Dr. Bradner added. "Included will be the first two years of such programs as business administration, engineering, teaching, physical science, social work, medical technology, oc-

William J. Micol

Hobby Intriguing Says Rock Hound

By Jean Campau Bill Micol, of E. Ann Arbor Trail, has been collecting things since he was a mere slip of a lad. "As a child I loved to visit the museums, and see all of the old relics and fossils." Relatives and friends encouraged his interest in Indian lore with birthday contributions, and perfect Sunday School attendance was rewarded with the presentation of arrowheads. Several years ago when some of his Indian artifacts were encased for display at the Dunning-Hough Library, a new acquaintance sparked his interest in mineral formations.

Now, this collection has grown to a thousand pieces gathered from Canada, Ohio, Kansas, Missouri, Michigan and Mexico. His calcite specimens comprise a sizable part. "Anyone who doesn't collect something, hasn't lived," Bill thinks. "And to those searching for a hobby, he points out that mineral and rock collecting are both fascinating and momentarily rewarding. He has sold several of his discoveries to other collectors and museums, including Cranbrook."

From the scientific standpoint, it can offer the opportunity of making a brand new "find." This particular hobby never gets dull, for no two specimens are alike. "Most people go into the field by finding something and wanting to know what they have," says Bill. "The best place to start learning might be the library, where an assortment of books and current periodicals are readily available. Joining a rock club is another way to learn and exchange ideas and information," he suggested.

Usually clubs are found wherever there is a hobby and rock shop. Here in Plymouth it's the Hobby and Novelty Shop on N. Main St. "Collecting rocks is a terrific family hobby," Bill says, "and one that even young children will enjoy sharing. Good starting points in this area are the gravel pits in Northville or along road beds. "You are liable to find anything in Michigan," he continued, "because a sample were left here from all over when glacier drifts of the Ice Age passed over." Engrossed in his favorite subject, he plucked from his pocket what looked like two small gray rocks. "Not rocks," he quickly remarked, "these are fossils of the first vertebral animals on earth, over 350,000,000 years old. They preceded the dinosaur."

He and his fiancée, Dorothy Giroux, also a rock hound, made this find at one of their favorite quarries in northern Ohio. Whether you decide to become a rock hound (adult or a pebble pup (child), you will find his current display of unusual and weirdly shaped formations at the Dunning-Hough Library during the rest of this month.

Holland Special To Stop Here

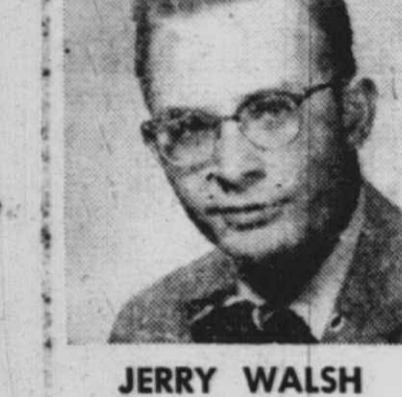

For Plymouthites who enjoy acres of tulips, the clopping of wooden shoes, quaint costumes and picturesque windmills, a special train headed for the Holland Tulip Festival will stop here this Saturday morning.

Sponsor of the trip is the Michigan Railroad Club. Fred Beitner of Plymouth is a member. The annual celebration annually draws people from hundreds of miles and garden enthusiasts from Plymouth attend each year.

Beitner said that the C & O special will stop in Plymouth at 9 a.m. Saturday. It will make chartered bus connections at Grand Rapids at 11:35 a.m. and will arrive at Holland at 12:45 p.m.

The return trip will leave Holland at 5:30 p.m. and will arrive in Plymouth via the C & O special at 9:20 p.m. Tickets can be purchased at the C & O station.

News In Brief

Mr. and Mrs. Walter Schultz of Ann Arbor Trail were guests of Mr. and Mrs. Charles Eich of Tawas City last weekend.

Brownies of Troop 428 planted a blue spruce tree in front of Bird School today (Wednesday).

Randy Lorenz, son of Mr. and Mrs. Ralph Lorenz of W. Ann Arbor Trail, celebrated his fourth birthday on Thursday, May 10. Around the table, decorated in a May Day motif, were Randy's little guests, Debbie Randall, Missy Moon, Susy Moon, Paul Sincock, Rebecca Nichols, Lisa Griffin, Gregory Griffin, Albert Stanwood, Steven Racz, Freddie Reade and Scotty Lorenz.

Mr. and Mrs. Clyde Serna of Byron St. were hosts Saturday evening at cocktails preceding the May Dance Club at LoFy's with the following guests present: Mr. and Mrs. Edward Andrews of Redford, Mr. and Mrs. Jess Edwards of Livonia, Mr. and Mrs. Gerald Fuelling, Mr. and Mrs. Robert Probeck, Mr. and Mrs. Thomas Devereaux and Mr. and Mrs. Richard Fritz and guests of Byron St.

Mrs. Robert Fisher of Southworth is general chairman of a group of about sixteen ladies who gather once a month for an afternoon of pleasure either playing cards, attending the theatre or various other ways of entertainment. On May 23 they will be the guests of Mrs. Phillip Vitale in her home on Marlin in Arbor Village. These ladies were members of the Newcomers Club who wished to continue meeting together.

Mr. and Mrs. Thomas Gardner of Ann Arbor Rd. will be hosts Saturday evening, May 19, to members of the Suburban "500" club for a cooperative dinner and evening of cards.

Mr. and Mrs. Walter Anderson, of this city, and her

Mrs. Karl Starkweather and Mrs. Ada Murray are visiting their families in California for a few weeks. Mr. and Mrs. Eugene Starkweather reside in Palos Verdes, Mr. and Mrs. Arthur Dennis (Beulah Starkweather) in Torrance, Mr. and Mrs. Gilmer Robinson (Jewel Starkweather) in Pasadena.

Mr. and Mrs. Walter Gempierline of North Territorial Rd., visited their friends, Mr. and Mrs. Stanley McGowan in Dayton, O., Friday enroute to Springfield, O., where they enjoyed the Mother's Day weekend with his parents, Mr. and Mrs. J. F. Gempierline.

Mr. and Mrs. Clyde Serna and family plan to leave soon for Beloit, Wis., where the main office of the Gardner Machine Co. is located for which Mr. Serna travels. Their parents, Mr. and Mrs. Clyde Serna, Sr., and Mr. and Mrs. Ernest Rindfleisch reside there and Mrs. Serna and family will visit them while Mr. Serna travels through Japan for the company, first stop being in Tokyo.

While Mr. and Mrs. Earl Russell were in Phoenix, Ariz., for the winter months they had the pleasure of being with former residents of Plymouth, Mr. and Mrs. Richard Olin who now reside in Scottsdale, Ariz., and Mr. and Mrs. William Arscott in Mesa, Ariz.

Mr. and Mrs. Lloyd Clark and son, David, and daughter, Debbie, of Birmingham visited their mother, Mrs. Roy Clark on Union St. and her parents, Mr. and Mrs. Manfred Becker, on Pacific on Mother's Day.

Mr. and Mrs. Robert Fisher recently returned from a month's vacation near Tucson, Ariz., where they stayed at the White Stallion Ranch. Their son, Robert, accompanied them remaining for a week.

Our Lady of Good Counsel's Teen Club is sponsoring a car wash this Saturday, May 19. It will be held between 10 a.m. and 4 p.m. at the church parking lot. The charge will be \$1 per car (25 cents extra for white wall tires).

Lions to Hear State Home Chief

Robert I. Jaslow, M.D., medical superintendent, Plymouth State Home and Training School, will be the speaker at the regular meeting of the Plymouth Lions Club, Thursday evening, May 17. He has chosen as his topic "Special Problems of the Blind Retarded Child."

Dr. Jaslow joined the staff of the Plymouth State Home and Training School in April of 1960 as its Clinical Director. A graduate of the Jefferson Medical College of Philadelphia, Dr. Jaslow is a certified member of the American Board of Pediatrics. Immediately prior to being named Clinical Director of the local institution, Dr. Jaslow held the same position at the Pennhurst State School Annex No. 1, South Mountain, Franklin County, Pennsylvania. He was named Superintendent of the Plymouth State Home and Training School in September of 1961. In addition to a year in private practice, Dr. Jaslow also served two years as post pediatrician at Camp Kilmer, New Jersey.

WHO'S WHO in the Plymouth Community Schools

Mrs. Dorothy MacKenzie

When Mrs. Dorothy MacKenzie began teaching the third grade at Farrand School, she was able to look out over the farmland that had been purchased in 1840 by her grandfather Sly and had remained in the family until her father sold it in 1925.

Also Mrs. MacKenzie is one of four generations of her family that have graduated from the Plymouth High School. In 1887 her mother, Agnes Ewing Sly, was one of the five graduates. Then Mrs. MacKenzie in a class of 53, her two brothers and two sisters were the second generation to graduate. Next, two nieces graduated, and finally in 1960 a grandnephew, Edward Myers, graduated in a class of almost 300.

Her father, Silas Sly, was also a student in the Plymouth schools though he left at the end of the sixth grade to help farm the land just beyond the Farrand playground. (Could it have been that Grandfather Sly was the youngster who attended the Red School House on the J. C. Peterhans farm in the days before the 8 school districts. After graduating from high school, Mrs. MacKenzie attended Eastern Michigan University where she earned a bachelor of science degree. Then she began teaching grades one through six in Dearborn.

After three years, she came back to Plymouth where she has been a faithful member of the teaching staff for 27 years. Beginning first in Central School in grades two and then four, she next moved to Bird School when it was opened to teach a fourth grade class and later helped staff Farrand School when it was opened. In all she has given 30 years of service to the profession.

Mrs. MacKenzie attends the First Presbyterian Church having joined in her high school years and is also a member of the Eastern Star. She belongs to three professional organizations, the P.E.A., M.E.A. and N.E.A.

Her recreation includes swimming, sewing, reading, and traveling throughout Michigan and Wisconsin. In past years her travels have taken her from the Eastern states to the West Coast and back across the lower part of Canada as well as several places of interest in Ontario and Quebec.

Canton Twp. Firemen Host Area Association

By Mrs. Clara Witherby GL 3-7435

On May 3, the Canton Township Fire Department was host to the Tri-County Mutual Aid Firemen's Assn. This association consists of approximately 20 surrounding fire departments. It is an organization composed of firemen of any organized fire department or industrial safety department banded together for the promotion of better fire service to our communities and industrial facilities. Officers of this organization have no power to establish procedure of mutual aid agreements between departments. All decisions of operation relative to actual mutual aid is established by the fire chief and his neighboring chiefs.

Seventy-five members attended this meeting. After the business meeting, conducted by the president, Capt. Barney Mass of Plymouth Township Fire Department, the Canton Fire Department presented the program. Major W. Rossitta of the Selfridge Air Force Base outlined and discussed the Selfridge Air Force Base plan for coping with off-base military aircraft and nuclear material accidents. Law enforcement and fire fighting agencies of Michigan have agreed to give

Selfridge Air Force Base support during such incidents. A film, "Fire and Nuclear Weapons" also was presented. Assistant Fire Chief Knapp of the Selfridge Air Force Base Fire Department discussed various military aircraft that would be involved in off-base accidents, fire fighting procedures and rescue techniques.

Mr. and Mrs. Philip Dingley of Haggerty Rd. announce the birth of a new granddaughter, Macheille Marie, on April 17, weight 5 lbs. 7 ozs. The parents are George and Bonnie Dingley of Tecumseh. The other grandparents are Mr. and Mrs. Russel Shade of Plymouth.

Mr. and Mrs. Elmer Clark of Cherry Hill Rd. have as guests, their daughter, Barbara and husband David Hendrickson, who have been stationed at El Paso, Tex. They hope to locate in this area.

Mr. and Mrs. Cecil Honeycutt of Beck Rd., proudly announce the birth of a daughter, Lisa Jaye, on April 29, weight, 8 lbs., 7 ozs.

The Mother and Daughter Banquet at the Cherry Hill Methodist Church Thursday, May 10 was a great success, with 150 attending. Mrs. George Gill of Ridge Rd. was the oldest mother present. Representatives of the Guy Cari Beauty School in Wayne gave hair-styling demonstrations with six girls acting as models.

Mr. and Mrs. Julius J. Jay gave a party for their son Jan in celebration of his 11th birthday, with a big family reunion, on May 6. Present were Mr. and Mrs. Zsig Drozdowski and family; Mr. and Mrs. William Dostal and family; Mr. and Mrs. David

Plaskov and family; Mr. and Mrs. Phil Pisto and family, all of Detroit; Mr. and Mrs. William Gielincik and family of Belleville; and Miss Amy Schwartz of Plymouth.

Mr. and Mrs. Rudolf Koppen of Ford Rd. gave a large dinner party Sunday, May 13, honoring Mrs. Koppen's father, Mr. William Wolf, in celebration of the 50th anniversary of his arrival in the United States from Germany. There were guests present from Detroit and Dearborn.

Mr. and Mrs. Robert Simmons of Geddes Rd. announce the birth of their first grandchild, a baby girl, born May 10, Kathrine Brigette, 6 lbs. 13 ozs. The parents are Mr. and Mrs. Clifford Lust of Denmark, Wis. The mother is the former Sally Simmons.

Use your head when you shop for a "new-size" car

The air is filled with claims about the so-called "new-size" cars—the ones that have finally caught up with Rambler Classic's size, but with little else.

Just use your head and you'll discover sizeable differences. Slide into the front seat and you'll find much more headroom in the Rambler Classic (actually more than Cadillac!). Full and ample room for six big and well-padded 6-footers.

You get better performance because Rambler is ahead in both horsepower and passing power. And any

JOIN THE TRADE PARADE TO **RAMBLER**

Rambler owner will tell you how much he saves on gasoline.

Care about quality? Every Rambler has Double-Safety Brakes—of all U. S. cars, only Cadillac has a similar system. Only Rambler gives you Deep-Dip rust-proofing up to the roof. Only Rambler spares you the expense of replacing rusted-out mufflers and tailpipes—Rambler's are Ceramic-Armored.

You can get all the facts at your dealer's. His free car-comparison X-Ray Books make it easy to use your head.

Your Rambler Dealer brings you full news coverage of the second U. S. Min in Orbit. Hear it on ABC, CBS and NBC radio.

Plymouth City Minutes

Monday, April 16, 1962
 A regular meeting of the City Commission was held in the City Hall on Monday, April 16, 1962 at 7:30 p.m.
PRESENT: Comm. Beyer, Hartmann, Houk, Shear, Terry, Wernette and Mayor Sinecock.
MOVED by Comm. Hartmann and supported by Comm. Houk that the minutes of the regular meeting of April 9, 1962 be approved as written.
CARRIED unanimously.
MOVED by Comm. Shear and supported by Comm. Beyer that the bills, in the amount of \$63,367.57, as audited by the auditing committee, be allowed and warrants drawn.
CARRIED unanimously.
 The Clerk presented the following reports for the month of March: Building Safety, D.P.W. Fire, Health, Police, Survey and Treasurer, and the Municipal Court Report for the period January 1, 1962 through March 31, 1962.
MOVED by Comm. Wernette and supported by Comm. Houk that the above reports be accepted and placed on file.
CARRIED unanimously.
 Supervisor Vallier reported that he has been appointed to the Wayne County Board of Supervisor's Tax Equalization Board.
 The Clerk presented a communication from the Municipal Finance Commission inviting those interested to attend a public hearing on the proposed budget for 1963.
MOVED by Comm. Shear and supported by Comm. Beyer that the hearing be held at the City Hall on Monday, May 20, 1962 at 7:30 p.m.
CARRIED unanimously.
 The City Manager presented a communication from the First Federal Savings & Loan, advising that a copy of the plot plan for its proposed building to be erected at the corner of S. Main and Pennin Avenue will be forwarded as soon as it is available. The communication was ordered accepted and filed.
 The following resolution was adopted by Comm. Wernette and supported by Comm. Shear:
WHEREAS, many areas adjacent to streams and rivers in the Livingstone Drainage Basin are subject to intermittent flooding of undetermined frequency, depth, area and location and
WHEREAS, due to steadily increasing use of these flood plain

areas for purposes that are vulnerable to flood damage, there is an urgent need in the Livingstone Drainage Basin for flood plain information study to ascertain the location, severity and frequency of inundation as a basis for planning the use and development of flood plains in a manner that will prevent or reduce flood damages and reduce the future necessity of costly flood control.
WHEREAS, the U. S. Corps of Engineers is authorized to conduct such flood plain information studies upon application by responsible units of government with the assurance of the applicant that it will fully reimburse the cost of such studies, and
WHEREAS, it is the intent and purpose of the City Commission of the City of Plymouth to disseminate any and all information of flood plain studies for the fullest possible benefit of the people,
NOW, THEREFORE, BE IT RESOLVED, that the City Commission of the City of Plymouth hereby endorse the action of the Michigan Metropolitan Area Regional Planning Commission in making application to Corps of Engineers for flood plain information studies in the Livingstone Drainage Basin under authority of Sec. 206, Public Law 86-48, and
BE IT FURTHER RESOLVED, that the City Commission of the City of Plymouth hereby agree to preserve and safeguard to the best of its ability, survey markers, monuments, etc., established in any Federal surveys undertaken for Sec. 206 studies or regular surveys in its jurisdiction as required by the Corps of Engineers.
CARRIED unanimously.
 The Clerk presented a communication from the Jr. Chamber of Commerce requesting permission to use the East Central Parking Lot on Sunday, May 20, 1962 for Road-e-o.
MOVED by Comm. Shear and supported by Comm. Terry that the matter be referred to the City Manager and Director of Public Safety to allow the use of the Road-e-o, subject to their approval.
CARRIED unanimously.
 The Clerk presented a communication from the City of Gibraltar opposing the proposed Cavanagh income tax plan.
MOVED by Comm. Houk and supported by Comm. Beyer that the communication be accepted and filed.
CARRIED unanimously.
 The Clerk presented a letter of thanks from the 9th Grade Class to City Clerk, Near for his time spent instructing the class relative to city government and a parade and program on May 14, 1962.
WHEREAS, due to steadily increasing use of these flood plain

Carried unanimously.
 The City Manager presented a tabulation of bids for miscellaneous improvements, advising the City Commission that the bids received were as follows:
 1. Bid for the installation of water main in the industrial Park site located on Plymouth Road.
CARRIED unanimously.
 Since the tabulation of bids for the installation of water main in the industrial Park site located on Plymouth Road, the City Manager has authorized the City Clerk to advertise for bids for the same.
CARRIED unanimously.
 The Clerk presented a proposed contract for rubbish and a road-e-o collection from Detroit.
MOVED by Comm. Shear and supported by Comm. Hartmann that the contract be accepted and filed.
CARRIED unanimously.
 The Mayor thereupon declared the motion carried and the resolution adopted as introduced and read.
MOVED by Comm. Hartmann and supported by Comm. Beyer that the City Manager be instructed to advertise for bids for the sale of parcels of land, approximately 4.8 acres, in the industrial Park site located on Plymouth Road.
CARRIED unanimously.
Monday, April 23, 1962
 A special meeting of the City Commission was held in the City Hall on Monday, April 23, 1962 at 7:30 p.m.
PRESENT: Comm. Beyer, Hartmann, Shear, Terry, Wernette and Mayor Sinecock.
MOVED by Comm. Wernette and supported by Comm. Houk that the meeting be adjourned.
CARRIED unanimously.
Time of adjournment was 7:23 p.m.

Monday, April 30, 1962
 A special meeting of the City Commission was held in the City Hall on Monday, April 30, 1962 at 7:30 p.m.
PRESENT: Comm. Beyer, Hartmann, Shear, Terry, Wernette and Mayor Sinecock.
MOVED by Comm. Wernette and supported by Comm. Houk that the meeting be adjourned.
CARRIED unanimously.

ADVERTISEMENT FOR BIDS
 The Township of Plymouth, Wayne County, Michigan, is soliciting bids for a 1/2 ton pick-up truck to be purchased in the near future for general and Fire Department use.
 Sealed bids will be received at the Township Hall, 42350 Ann Arbor Road until 8:00 p.m., Tuesday, June 12, 1962, at which time bids will be opened and read aloud.
 Specifications will be on file at the Township Hall, and the Township Board reserves the right to reject any and all bids.
Township of Plymouth Board
 By **FRED L. MILLER, Clerk**
 (5-16-62)

ADVERTISEMENT FOR BIDS
 The City Manager presented a tabulation of bids for the Livingstone curbs, gutters, paving and driveway approaches.
AMOUNT: \$11,199.00
WHEREAS, the City Commission does hereby approve and confirm said special assessment roll, and
BE IT FURTHER RESOLVED, that the City Treasurer be, and he is hereby authorized, to collect the various amounts shown on special assessment roll numbered in the said installment upon the aforesaid roll to be due upon confirmation of the roll, and the installments due annually thereafter until the assessment are fully paid, with interest on all installments from and after 30 days after this confirmation of the assessment roll, at the rate of 6 per cent per annum.
CARRIED unanimously.
 The City Manager was instructed to have a representative of the Michigan Bell Telephone Company present at the meeting of May 7, 1962 to discuss the current rates charged for calls to Detroit.
MOVED by Comm. Terry and supported by Comm. Houk that the matter of the proposed paving contracts be removed from the table.
CARRIED unanimously.
 The City Manager presented a tabulation of bids for the Livingstone paving project, Job No. 2183-L-C, recommending the bid of Ministrell Construction Co., in the total amount of \$11,668.00, as recommended by the Consulting Engineers, Johnson & Anderson.
MOVED by Comm. Terry and supported by Comm. Wernette that the bid of Ministrell Construction Co., in the amount of \$11,668.00, as recommended by the City Manager and Engineers, be accepted and the Mayor and Clerk authorized to enter into a contract with said company.

Shell dealers suggest 15 ways to make your car last longer

Shell scientists dedicate their working lives to the care and feeding of automobiles. They can offer dozens of tips on prolonging the life of what is probably your second biggest investment. Here are some useful samples:

1. Learn to read tail pipe smoke signals. Blue smoke means too much oil is getting into the combustion chambers. Your piston rings may be worn.
2. Check wheel alignment at least twice a year. An out-of-line wheel can increase tire wear as much as 50 percent. Also, keep your wheels balanced. An unbalanced wheel pounds the tire against the pavement, wearing the tread unevenly.
3. Rotate tires every 6,000 miles. Be sure to include your spare. This helps tires wear evenly, last longer. Your Shell dealer can take care of this for you.
4. Avoid high speeds and save your tires. High speeds increase tire wear drastically — by as much as 80% over normal wear.
5. Use your engine to save your brake linings. Try to avoid hard, sudden braking. When you see you'll have to slow down, take your foot off the accelerator early and let the engine's compression do some of the job.
6. Warm up slowly. Racing an engine to warm it up ages it fast. A short warm-up at moderate speed is good for your car even in summer. But never race your cold engine to warm up. It may damage critical working parts before lubrication can be fully established.
7. Have your engine's spark timing set to proper specifications. Spark timing determines whether your plugs fire at the right instant. With incorrect timing, you can lose power and mileage. Also, your car may knock. And chronic knocking can damage your engine.
8. Use a gasoline that controls knock. If your engine persists in knocking, you may need a gasoline with more anti-knock components, for a higher octane rating. Super Shell contains all of the anti-knock ingredients required to help your car deliver knock-free performance.
9. Have your oil checked whenever you fill up with gasoline. Oil does not wear out. But it can be lost through leaks or burning. And it does get dirty. Worse yet, oil can become contaminated by combustion by-products—including acid. Suggestion: use new Shell X-100® Premium Motor Oil. It fights engine acid and four other troubles that can shorten engine life.
10. Change your oil filter element regularly. The filter is designed to catch and hold foreign particles so they can't get into your engine. Replacing the filter element at regular intervals helps your engine last longer.
11. Have your car's cooling system checked in spring and fall. Cooling system rust inhibitors can wear out. Rust, corrosion and sediment may then start to form. In the spring, let your Shell dealer inspect your entire cooling system. When he drains and refills, he'll add a special Cooling System Protector.

Salem Church to Honor Past Living Ministers

By C. W. Clair
GL 3-2610

Mr. and Mrs. Earl E. Harrington of 6631 Salem Rd. entertained Mrs. Harrington's parents Sunday May 6, the Reverend and Mrs. R. F. Hocking of Detroit. Reverend Hocking is the pastor of the Saint Matthews Methodist Church at Evergreen and Seven Mile Roads.

Mr. and Mrs. William Wassenaar of 6825 Salem Rd. and children with Mrs. Wassenaar's mother attended a birthday party in Jackson May 6.

There will be a homecoming at the Salem Federated Church May 20 to celebrate its 75th anniversary. The past ministers who are living and able to attend will be there. Services will start in the morning and continue throughout the day and evening. A planned potluck dinner will be served after the Sunday school service and a light supper will be served at night. The Rev. Richard Burgess, Rev. Douglas Couch and Rev. and Mrs. Pennell are planning to be present. I know some of these pastors personally. They are really the ones who have made the Salem Federated Church what it is today and I hope that the people of the township will turn out en masse to greet them.

The Ladies Aid of the Salem Federated Church will meet Thursday, May 17 at the Church for the final planning of the Homecoming Dinner at the church May 20.

Supervisor Harlow Ingall attended the regular meeting of the Washtenaw County Board of Supervisors Tuesday May 8 in Ann Arbor. He said there was nothing taken up regarding our Township at this meeting.

The case of the Conservation Club and the folks on the Napier Road is still pending and has been postponed again by the Circuit Court. The case of Deponio and Cockrum was also postponed.

There is some good news for the people of Salem township regarding the school. I have been told that we are to have a new school in Salem. As it is planned at the present time, it will be a four room school, but, as my informant told me it really ought to be a seven room school because there are enough children in the township for a seven room school. Don't ask me where it is to be built. That is the secret at present. It is quite possible that the people who didn't want their children to go to the little old country school that is still standing in Salem will send them to the new one when it is built. I never believed that our Salem school should have been closed, especially after the township spent so much money to remodel it.

Murray Lyke and his mother, Mrs. M. Lyke of Salem village, attended the Physics Colloquial dedication of the new atomic laboratory on the campus of Eastern Michigan University on Saturday. The principal speaker was from the U of M. This laboratory among other things contains live radioactive materials, contained in barrels of lead. These materials will be returned to Oak Ridge, Tenn. at the end of the semester. The six students who were eligible to take the course are compelled to wear radio active badges when working in the Laboratory. These badges are renewed every two weeks and are sent in to be tested for radio activity. This is a graduate course taught by an instructor from Oak Ridge. Murray plans to continue this course in the Fall.

A friend of ours who lives on the Seven Mile Road was missing gas from her car. She suspected thievery after investigating for leaks. She purchased a gas tank lock and put it on. A few mornings later she discovered that her new lock had been twisted off and broken beyond repair. However the gas was

still there, even though the lock had been broken it was still in the spout. She replaced the lock and to date I haven't heard whether she has had more trouble or not. A short distance from this lady lives a man who went to his garage one morning to get his car to go to work. He had his car on the road and had drove about a quarter of a mile and the car began to bump as though there was a flat tire. He got out to check it and there was no flat tire. What had happened the lugs on one of his rear wheels had been loosened by what he believes was done during the night by someone who was trying to steal the tire from his garage and probably was frightened away. This man was lucky because this could have resulted in a bad accident. Thievery and vandalism seems to be quite prevalent in certain sections of our township.

As most of you folks know I went back to Mount Carmel Hospital Thursday April 26 and stayed there until Wednesday, May 9. I went to emergency at 12:25 Friday a.m. because of no rooms being available. I was in emergency until 10:30 a.m. Friday, when they moved me to my permanent room. (My very good friend Mr. Eaton said that he accounted for four needles in the four days that he spent in University. Well, of course, that's enough, but my first four hours I was in emergency can account for six and two of those were five C Cs or big ones. After that I stopped counting.) I do want to thank you all for the fine cards you sent while I was there. They mean so much to a person who is hospitalized. I am back home again and have promised to obey and do what the doctor tells me.

Raymond Dahl, son of Mr. and Mrs. Arthur Dahl was home from Albion College for Mothers day, returning to Albion Sunday afternoon.

Mrs. Curtis Hamilton has been in the University Hospital for the past three weeks. She will be there for a while getting treatments for her legs.

Mrs. Josephine Lutchka's Go-Getters Club had their second meeting of the summer season May 3 at the Salem Town Hall. They made some changes in their original line up of officers. Sharon Grimes is now their group leader, and Rose Oneil is the health director. After the business meeting, Roland Muirhead led the club in games, then a songfest before refreshments. Various groups got together to discuss their projects. The next meeting will be June 7 at the regular meeting place, the Salem Town Hall. All are invited. I have been asked to announce that at their July 5 meeting, Pauline Buss will show pictures of the Philippines and give a talk about her trip there. All are invited to attend.

In my last write up about the Go Getters Club, I failed to mention Mrs. Josephine Lutchka as being their leader and organizer. My apology.

Melvin Blunk At Seminar

Melvin I. Blunk, assistant superintendent of Plymouth Community Schools, attended the Annual Municipal Finance Seminar in Lansing, Tuesday, May 8.

"The Seminar, the first of its kind in Michigan, provided for municipal officials with a sound and full understanding of the many services the Municipal Finance Commission is equipped to provide local governmental units," according to Attorney General Frank J. Kelley, chairman of the Commission.

Governor John B. Swainson addressed the afternoon session of the Seminar.

The main address, "State Aid to Counties and Municipalities in Debt Service" was delivered by J. Gordon Bennett, State of Virginia Auditor of Public Accounts.

New Jersey is the source for about 25 per cent of clay, zinc and magnetite in the United States.

News of Interest In Our Churches

Editor's note: This column will be open each week for contributions from churches in this area. We welcome news of your coming events and congregational activities. All material must be in the hands of The Plymouth Mail by 10 a.m. on Monday preceding publication to insure its appearance.

St. Peter's Lutheran
The lower grades of St. Peter's Lutheran Day School will sing the anthem, "God Spoke My Child, God Spoke to Thee," for Sunday's Worship Service at 10 a.m. The theme of the sermon by Pastor Norman Berg will be "How We Receive God's Revelation."
This Thursday (May 17) the Lutheran Girl Pioneers will meet at the church for a picnic. On Friday, the Day School pupils will travel to St. Stephens School, Adrian, for the annual Southwestern Michigan Conference Field Day. Boys and girls of Lutheran Schools of this area, plus the Toledo area, will engage in track and field events. Walter Siegert, superintendent, announces the Sunday School Teachers' Picnic for next Sunday afternoon at Camp Killarney in the Irish Hills.

St. John's Women Find CARE Packages Deeply Appreciated

CARE is today a household word. Today a group of women in a Plymouth church know a bit more of people that CARE has reached.

Two years ago, the League of St. John's Episcopal Church directed that money from a flower fund be sent to CARE. From that \$10 contribution has come this. Ten packages were sent to Greece. Letters were received from several of the families and at present three families are being further helped. They are from and around Cerres, which is in the northeastern part of Greece called Macedonia, about 75 miles from Thessalonika and perhaps 25 miles from the Bulgarian border.

The first family to be contacted has had a baby since the League has been assisting them. In the mother's gratitude for help, she asked that the League send a name for their baby, who was duly named John David, for the church and its rector. Since she does not write either Greek or English, she has a friend write for her, but the expressions in the letter are from her heart, of a deep and sincere gratitude that shames us who have really given so little.

Clothes have been carefully selected from rummage sale stocks. One dollar is sent occasionally. Five dollars sent for Christmas was received in time to buy medicines for the four-year-old son who fell against their stove and terribly burned his face. The mother-in-law died of cancer. The children had been sick. But with all this, the mother writes, "We hope and pray our letter reaches before Christmas and finds you in best health. This is our prayer for you. We cannot do anything else for you - our great benefactors and friends - but pray to Almighty for your good health... Two days ago arrived... your new gift of love... Oh! what a wonderful collection of miscellaneous articles for everybody of us! Christian and merciful hands! You have saved us. Words fail me to thank you enough for your new sacrifice and we feel eternally thankful to you kissing your hand respectfully. God may pay in return with a shower of blessings and have a happy life with an abundance for all. You are to us the greatest benefactors and protectors, after God."

Another mother tells of their difficulties during the year and says, "So you understand that your parcel is a great relief for us... May God bless you for your kind heart."

Letters TO THE EDITOR

To Whom it may Concern:
This letter is written to protest the lack of bus service in the City of Plymouth. The City officials are catering to the commuters who never used bus service at any time. Now, all of a sudden they are the only ones who count.

By having only 3 coaches in the morning going to Detroit, and only 3 coming back late in the afternoon at the commuters' convenience it leaves all the other residents stranded. Particularly the south end of the city. We are all taxpayers and residents too, but there is no regard for our wishes.

It seems to me that an important issue such as bus service should be decided upon by all the residents of the City, not just a few who never did use the bus anyway.

The Deluxe Coach Service had 16 coaches a day, 12 of which went all the way to downtown Detroit and should have been convenient enough for all the commuters. Also, they came all the way to Ann Arbor Road to Beyer's Drug Store, then turned back and picked up all the south end passengers who work in Livonia and Detroit. Also local passengers who used the bus service to go shopping in the local business district, at a charge of only 15 cents.

Now we are stranded. The cabs are too expensive, (at least \$1.20 or more both ways). Also the DSR rates are too expensive, \$1.60 both ways, in comparison to \$1.10 with the Deluxe Coaches, which gave very good service for years. I know, because I have used it both locally when I worked in Detroit.

If you wanted the DSR service you should have gone into the matter thoroughly and had a bus once every hour as the Deluxe Bus Service did, up until midnight and also have the DSR come all the way to the south end of town. Many of us do not drive or have extra cars and have to depend on the bus. If the DSR won't give us this service why not get the Deluxe Coaches back?

Golfers Win 2 Meets In Quick Succession

Jerry Scott fired a sparkling 37 at Brae-Burn Golf Club last Wednesday to pace Plymouth to an easy 165-182 victory over Ypsilanti. It was one of two victories the Rocks' golf team enjoyed last week as Plymouth boosted its season record to four wins opposed to three defeats. In other action last week, the Rocks nipped Trenton, 178-186, as Carl Zornow carded a 40 over the par-35 front nine at Brae-Burn, the same place where Scott fired his 37 earlier.

SPORTSEEN

By Jerome O'Neil

More than 300 Plymouth youngsters, between the ages of 8 and 12, are anxiously awaiting the opening day festivities of the Plymouth Community Junior League program here.

The 1962 Junior League season, (known in previous years as Little League) will kick off May 26 when youngsters in both major leagues take part in a local Michigan Week parade, which coincides with Michigan Youth Day.

Following the parade, the boys will march on to the playing field opposite Burroughs Corp., on Plymouth Road and there will inaugurate a two-month season that concludes July 19. Regular season play-offs will follow, culminating in a world series between the champion team from the local American League and the title-holder from the National division.

It's a big thing in Plymouth, and across the nation as well. Plymouth's Junior League will be two years old when the 1962 season gets underway shortly. Originally organized as the local end of the national Little League program, the Junior League provides summer activity for youngsters who otherwise would be playing pick-up ball games on corner lots, and, perhaps, wondering at times just exactly what to do with themselves.

It's adult-supervised, carefully administered and well thought-out. Not only are there two major leagues (each comprised of 12 15-player teams) but in addition there is a corresponding minor league set-up, represented by as many boys as are in the majors.

During the past two seasons, the program was an official adjunct of the national Little League program. This year, however, for financial reasons, the Plymouth program broke away from the national organization and set up a new constitution and new by-laws.

Reason for this, according to Mrs. Ken Fisher, publicity director for the program, was that it had become increasingly difficult to contribute upwards of \$400 annually to the national organization and still pay the seasonal costs of the Plymouth program.

Even with this savings, it still is an expensive undertaking, anyway you look at it. Costs of administering the Junior League program in Plymouth this season will touch close to \$4,000, most of which is derived through donations, contributions and special benefits (e.g. — a candy sale, and a spaghetti dinner).

The Plymouth Junior League program is strengthened only through adult assistance. The matter of obtaining players is of little problem. Youngsters are anxious for try-out sessions in the early spring and generally turn out in numbers far greater than there are openings available.

While the officers of the Junior League program here shoulder much of the responsibilities, down at the "action level" it is only through the efforts of volunteer coaches, player agents, umpires, and managers that the Junior League session can be a true success.

There is still a need for further adult assistance. Additional information on this aspect may be obtained from John Maxey, president of the Junior League here, or Mrs. Alfred Carlson, head of the Junior League's Women's auxiliary.

Other essential officers of the program include: Don Graham, vice-president; Lee Foster, treasurer; Louis Schomberger, secretary; Al Carlson, player agent for the National division; and Gordon Robinson, player agent for the American League.

In the meantime, more than 300 eight to twelve year olds are waiting impatiently for May 26, the start of another Junior League year in Plymouth.

Thinclads Crush Trenton, Squeak Past Bentley High

Plymouth's track team marched past two more opponents last week to carry an undefeated 3-0 record into this week's competition.

The Rocks crushed Trenton last Tuesday, 78 1/2 to 30 1/2, and followed with a narrow 57-52 victory against Bentley High on Thursday afternoon.

It gave the local thinclads a running start on their 1962 campaign, which features only six dual meets.

This afternoon (Tuesday), the Rocks host Redford Union in the only home dual-meet for Plymouth this season. The Regional meet follows on Saturday at Bentley High with 13 class A schools involved.

Against Trenton last week, Plymouth raced roughshod to the victory. Bob Steele paced the Rocks with two individual blue ribbons, a second place finish and a leg on Plymouth's winning 880-yard relay team.

Dave Fey added 11 1/4 points and Dan Stremick and Tony Hunt each contributed 6 1/4 points to Plymouth's winning effort.

"It was a solid team victory," remarked Plymouth track coach Keith Baughman later. He added similar comment about the win over Bentley two days after the Trenton meet.

Two Plymouth school records were set in the Bentley encounter. Bob Steele paced the Rocks with a 50' 9" shot put record of 50' 7" set in 1953 by Ron Nyhus.

And Byron Latter broke a 10-year-old record in the mile when he won the event in the impressive time of 4:36.7. John Balogh held the old mark of 4:42.5, which he had established in 1952.

Once again Steele was the big scorer. He had 16 1/4 points while Stremick added 10.

Here is how Plymouth defeated Bentley High:

Sarah won the shot put with Jim Ayers third. Steele was first in the broad jump at 20 feet, five and one-half inches, Mark Fischer third.

Dan Stremick won the high jump with a leap of 6-foot-1. Mark Fischer tied for second at 10' 6" in the pole vault.

In the track events, Steele won the 120-yard high hurdles in :15.7.

Plymouth's 880-yard relay team won in 1:34.3. On the team were Bill West, Jeff Fraser, Steele and Dave Fey. Latter won the mile and Bob Winterhalter was third. Bentley High captured first place in the 100-yard dash.

Bob Winterhalter first in 4:51.0, Jim Griffith second and Byron Latter third.

Fey won the 100-yard dash in :10.3 with Ken Fischer second. Hunt won the half mile in 2:03.3 Trenton won the 440, but Dick DePencier was second for the Rocks.

Steele won the 180-yard low hurdles in :20.8 for Plymouth. Fey was first in the 220-yard dash with Ken Fischer finishing second. Plymouth's mile relay team, comprised of West, Fraser, Steele and Fey, won that event in 1:35.6. The Rocks swept the mile run, that event in 3:41.6.

Rocks Split 2 Games, Now 3-2 for Season

Plymouth's team batting average dwindled still lower last week as the Rocks split two games, winning a 5-0 decision from Redford Union Tuesday and dropping a 9-1 encounter to Bentley in eight innings on Thursday.

The Rocks now sport a prime case of batting malnutrition, based on a team average of only .159 with 20 hits in 126 times at bat.

For the season, Plymouth has managed to engineer a three-win, two-loss record despite its faulty performance at the plate and in the field.

The team has committed 15 errors, 14 in two games.

It was an incredible series of miscues, misplays and total ineptness that caused Plymouth to misfire in the eighth inning against Bentley High.

Prior to that moment, the two teams had struggled to a 1-1 deadlock as Plymouth rallied for the tying run in the seventh.

In the eighth, however, Bentley erupted for eight runs on seven hits, the Bulldogs were aided by a pair of errors and one hit batsman.

It was far more than Plymouth could do during any of the previous innings of the game.

Bentley scored first, an unearned run in the third inning. A dropped fly ball, a single and two sacrifice hits produced that run.

Plymouth tied it in the seventh when Brian Gilles reached first base on an error and advanced to second on Jared Stevens' walk. Dick Egloff's infield hit went for a single, leading the bases.

Craig Newton's fourth straight hit, a single, scored Gilles.

Bentley High, in its winning rally in the eighth, turned the game into a comedy of errors.

Dick Schryer, who was relieved mid-way through the inning by Mike Kisabeth, was tagged with the loss, his second. He struck out four.

The Rocks wound up with eight hits, but only one run. Winning pitcher was Bentley's Bruce Merion, who struck out eight and walked five.

Earlier, in the Redford Union game, Plymouth was "on target."

The Rocks got five runs on six hits and committed no errors. Schryer, the winner, picked up his third victory on the strength of a neat three-hitter. He went the distance and struck out nine, walked only two.

Plymouth scored an unearned run in the third to break the ice. Mickey Herter singled and moved to second on a sacrifice and on to third on a wild pitch.

He scored when the catcher's attempt to throw him out at third went into left field.

The Rocks added two more runs in the sixth. Eloy Menchaca walked, but was forced at second on Schryer's infield hit.

Then Jared Stevens hit his first home run of the year, a sizzling drive down the left field line.

Plymouth capped its winning effort in the seventh with two more runs. The Rocks loaded the bases and Menchaca singled in Herter and Wayne Stephenson.

Menchaca Wednesday in practice was struck in the face by a foul ball and missed the Bentley game the next day.

He was scheduled to be back in the lineup Monday when Plymouth visited Belleville. Trenton is here on Thursday, May 17 in other action this week.

Leading batter on the Plymouth squad is Egloff with a .461 average and six hits. Newton is next with a .312 mark as the week ended.

Plymouth, as a team, is 3-and-2 for the season, with a league record of three wins and one loss. Bentley led the Suburban Six baseball conference with a 3-0 record as of last Friday.

Tennis Team Boosts Season Mark to 5-2

For the second time this season Plymouth's tennis team failed in a bid to defeat Trenton High. The Rocks bowed 4-3 to a strong, well-balanced Trenton squad last Tuesday afternoon. But Plymouth came back later in the week with a pair of victories to boost its season tennis record to five wins and only two losses.

The Rocks defeated Bentley High 5-2, on Wednesday and edged previously unbeaten Allen Park, 4-3, Thursday afternoon.

The Trenton match, last Tuesday, went down to the final doubles match before Plymouth bowed out. Two freshmen, Jim Bruff and Clark Raven, almost put Plymouth into the victory column, but Trenton's greater experience was the decisive factor. It was the same way earlier when Trenton also beat Plymouth by a 4-3 score.

Against Bentley on Wednesday, Bob Waters, Dave Tidwell, and Larry Hill won their singles events and the teams of Tom Lock-Dale Livingston and Bruff-Raven won in the doubles to earn Plymouth that decision.

Losses in doubles, however, were Jim Jensen and 'Line' Smith, who had previously strung together a victory streak of seven consecutive wins in doubles play this season.

Allen Park, which had won 10 straight meets prior to Plymouth, was a tough customer. Bob Waters captured the concluding singles match to win the meet for Plymouth. The Rocks lost all of the other three singles events, but swept the doubles action. Lock and Livingston ran their record to 8 - 0 in doubles and Waters won his seventh singles match in eight attempts.

Local Test Alert Planned in June

City and Township Civil Defense planners have designated Wednesday, June 6 as local test-alert day to assay the communications system in case of disaster, natural or man-made.

Doctors, nurses and medical aids will be involved in the trial exercise as will the Stu Rockafellow Radio Club and the police and fire departments.

Using the fan-out system, emanating from the City Hall, all participants will be notified by phone. Within minutes they will deploy to the imaginary target zone, which will be kept secret until the final moment.

It is hoped that from this partial phase of a practice emergency, kinks and loopholes can be discovered and ironed out for future study and eventual efficiency, should a real disaster hit the community.

The Tornado Exercise committee will have one meeting prior to the test on May 16 at 2 p.m. in the Commission Chamber of the City Hall.

Front Row Center

by George Spetina

Red Heusel and John Kales, astute producers of the Ann Arbor Drama Season, are presenting top Broadway plays at the Lydia Mendelssohn Theater. George Montgomery, making his first Ann Arbor appearance, starts the season off with Lillian Hellman's prize-winning "TOYS IN THE ATTIC". George has freed himself of TV and film commitments to appear at Ann Arbor for the week of May 14-19. Charles Hohman of the original Broadway production of "No Time For Sergeants" plays the lead role in a re-creation of "No Time" during the week of May 21-26.

Gloria Swanson, the perennial glamorous film star, comes to Ann Arbor May 28-June 2 in "The Inkwell". And hold your breath for here is the biggest piece of news: Marian Mercer, fresh and still young from "New Faces of 1962", will recreate her role (June 4-9) in the smash musical, "Little Mary Sunshine". "Little Mary Sunshine" is still playing in New York... so save yourself a trip.

To close out a most interesting season of plays, Gloria

Grahame appears in "The Country Girl", a powerful drama by Clifford Odets. Performances are Monday through Saturday at 8:30. Season and single tickets are available. You might call No 8-6300 for complete ticket information.

Final play of the season "HENRY IV, PART II" occupies the Trueblood Auditorium in the Fieze Building over at Ann Arbor this weekend. You don't often have an opportunity to see the second part of this Shakespearean historical drama. Dr. Halstead has directed this production so you may be certain that the Bard's historical drama thunders along at a breathless pace.

Summer season ticket requests can be obtained from the Trueblood box office. On your way in or out of the performance, pick some of the order forms up. A musical comedy ("Boys From Syracuse"), three plays ("Five Finger Exercise", "The Queen and the Rebels", Dylan Thomas "Under Milk Wood"), and an opera yet to be selected are on the bill.

Incidentally, "Five Finger Exercise" will be coming to Detroit shortly in the movie version with Roz Russell. Advance reports indicate that the movie has done their usual "watering-down" of the plot until the audiences are properly confused. Plan to see the stage version over in Ann Arbor for a truly enjoyable, exciting evening in the theater. It's one of the best plays of many seasons.

Ken Schwartz, managing director of Northland, indicates that some \$200,000 will be spent in making the Playhouse even more effective with the start of the present season. He has signed Raymond Burr of Perry Mason TV fame to star in "Critic's Choice," a Broadway comedy that features Henry Fonda a couple of seasons ago. "Music Man," the happy gay musical about that rascally horn salesman, follows for a two week engagement. Mr. Burr opens with "Critic's Choice" on June 12 for a two-week stay.

Thinking About Car Insurance?

LOOK AT THE LEADER

No. 1 of a series. The Insurance Exchange at the Auto Club, with more than half a million policyholders, is the overwhelming favorite of Michigan motorists.

One of the reasons for this demonstrated leadership is that the Exchange was the first insurance organization formed in Michigan with the specific purpose of insuring Michigan's better drivers at lower cost.

If you are a good driver, you should look at the car insurance that leads the way in service, savings and protection.

SINGING THE well-known "Do Re Mi" song from the Broadway hit "Sound of Music" will be this group of seven youngsters and Mrs. Ray Hulce at the Plymouth Symphony's sixth annual Pops Concert May 19. Sitting on floor, from right, are Millie Jewell and Tom Hulce. Sitting are Carla Upton and Mrs. Hulce and standing are Sue Hulce, Jim Warren, Karen McAllister and Barbara Hulce. Bleacher seat tickets are still available.

New Books at the Library

THE BRAVE BULLS — Tom Lea. The tale of Luis Bello, whose profession is bullfighting. A story of bravery, glory, death, fun, graft, blood and lust.

A SPY IN ROME — Peter Tompkins. The true story of Peter Tompkins, a young American, smuggled in to Rome by the OSS at the dangerous climax of the German occupation.

TWIXT THE CUP AND THE LIP — Syd Hoff. Seaside saga of a couple who started with a chanty and ended in a shanty.

THE PROFESSIONAL SOLDIER — Morris Janowitz. A social and political study. Describes and assesses the professional life, organizational setting and leadership of the American military as they have evolved during the first half of the 20th century.

CAPITOL PUNISHMENT — James Avery Joyce. A history and an indictment of capitol punishment.

JOB STRATEGY — Allan Rood. A guide to self-analysis and preparation for a successful career.

NEW PEOPLE AT THE HOLLIES — Josephine Bell. All is not rocking chairs and peaceful meditations in an English home for old folks as the reader soon discovers in this suspenseful story.

UNDER THE SKIN — Dorthea Bennett. A strange group of people mask their real personalities under an outward appearance of gaiety in a Swiss ski resort in this mystery novel.

TERM OF TRIAL — James Barlow. By rejecting the love of one of his pupils, a teacher in an English slum school unwittingly involves himself in a scandalous situation.

THE MOULDING OF COMMUNISTS — Frank S. Meyer. A study of how the professional communist is trained and how he thinks and perceives reality and how his distinctive personality and outlook are created.

THE DEATH OF AHA-SUFRUS — Par Fabian Lagerkvist. This story of symbolism concerns the final deliverance of the "Wandering Jew." For his literary effort, the author was awarded the Nobel Prize.

THE OLD WEST IN FICTION — edited by Irwin R. Blacker. An anthology about the great West. Includes the complete novel "Grant of Kingdom" by Harvey Ferguson and short stories of Zane Grey, John Steinbeck, Stephen Crane, Ernest Haycox and others.

EAST INDIANS IN TRINIDAD — Morton Klass. A community study of a tiny East Indian village, based on the field work carried out in Trinidad from June 1957 to June 1958.

INFERNO AT PETERSBURG — Henry Pleasants. Story of the Petersburg Mine. A Union maneuver to blow up

TANCE — Doris Miles Disney. A Crime Club Mystery. An obituary notice leads a middle-aged widow into a dangerous situation in a small Connecticut town.

BUT THE PATIENT DIED — Fiona Sinclair. In England, a hospital patient survives a dangerous operation, only to die suddenly and under mysteriously suspicious circumstances.

THE QUARRY — Friedrich Durrenmat. A Swiss intellectual thriller stings the mind with its suspenseful narrative of a former police commissioner in a Bernese clinic.

MICHAEL TOREY — Janet Mathewson. At the turn of the century, ambition drives a young man to rise from his modest beginnings to become a magnate of the Pittsburgh steel industry.

TENDER IS THE NIGHT — F. Scott Fitzgerald. A romance, with the author's final revisions.

Letters TO THE EDITOR

Dear Editor:

The following is an open letter to the citizens of Plymouth:

Citizens of Plymouth: Michigan Week is to be celebrated from May 20 to 26, 1962 this year. One of the objects of Michigan Week is to extend our hospitality to non-residents of Plymouth and of the state generally.

The thought occurred to me that many of us would like to see some of our old friends, neighbors and acquaintances whom we haven't seen for some time. During Michigan Week, the floral display will be at its height, the area will be as beautiful as it will be at any time, except in the Fall. We in the city will have our best foot forward that week. Invite your friends to visit you at your home sometime during the week for a good, old fashioned visit. Let them know how great it is to live in Michigan and the true meaning of hospitality.

During Michigan Week, D.S.I. will have open house, we will break the ground for the new industrial building, we will be celebrating the opening of Plymouth's museum and the Library will have open house.

If you entertain your friends during Michigan Week, you will give yourself a lift, you will provide a lift, you will provide a great deal of happiness for your friends and you will boost Michigan in a very real, personal way.

Sincerely yours,
Albert F. Glassford
Hospitality Day Chairman

PLYMOUTH

By HUGH C. BRONAUGH, Manager

NEXT WEEK IS MICHIGAN WEEK
—May 20-26. What better time for each of us to learn more about our great state? Here are a few facts we thought you might find interesting:

"INDUSTRIALLY YOURS" would make an appropriate sign-off for a letter to an out-of-state friend. Nearly all the different types of industrial operations in the country can be found right here in Michigan. Close cooperation among industry, our more than 200 industrial research laboratories, and our outstanding educational institutions has been a key factor in developing this industrial diversification. Working together, they continually explore new products, new ideas and new techniques—providing new opportunities for us all.

"SELF-SUFFICIENT" is the word for Michigan in food production. When it comes to variety of farm products, we're second in the nation. We're first in the production of navy beans, pie cherries and cucumbers for pickling. Michigan's modern farmers are busy farmers; more than 45% of our land area is agricultural. And agriculture is a big factor in Michigan's expanding economy. Our state's annual farm income is currently more than \$750 million!

MICHIGAN IS VACATIONLAND—year round. Our many resort and sport attractions make Michigan one of the leading vacation areas in the nation. There's something for everybody's vacation fun here: water sports at our 11,037 inland and four bordering Great Lakes, snowtime fun at our more than 80 winter sports centers... not to mention hunting and fishing, for which we issue more licenses than any other state. More than \$650 million was spent last year in our tourist, resort and travel business, and the figures should grow in the future.

KEEPING UP WITH OUR GROWING STATE'S communications needs—in industry, for the farm and home, and for our busy tourist trade—keeps us busy at the telephone company, too. But we're proud to have a part in helping our state grow even stronger, as Michigan Marches Forward.

The Good Old Days . . .

10 YEARS AGO

Barring labor disputes, of which there have been a few recently, the new gymnasium and swimming pool at the high school, will be turned over to the Board of Education on Thursday, May 22. Mrs. Austin Stecker was elected president of the Plymouth Branch of the National Farm and Garden Assn., at their annual meeting. She succeeds Mrs. Sidney Strong who completed a most successful two-year term. Mr. and Mrs. Robert Shepard entertained at dinner last Saturday evening in their new home for Mr. and Mrs. Don Herrick and family of Northville Rd. and Mr. and Mrs. Kenneth Hirschlieb and family of Main St. Mr. and Mrs. Eber Readman and daughter, Mary Jane, of Blunk St., have returned from a week's trip through Washington, D. C., Williamsburg, Virginia and other southern cities. Mrs. Harry Wagenschutz of Carol St., Mrs. Jack Courtade of Gold Arbor, Mrs. Ina Mae Frank of Amelia St., and Mrs. Frank Graham of Northville attended the Roller Derby last Saturday at the Olympia. Mr. and Mrs. George Burr and daughter, Margaret, Mr. and Mrs. Daniel McGilvary and Mrs. John Morrow and children entertained at a cooperative dinner on Mother's Day for Mrs. Maud Bennett and daughter, Mrs. John Harmon, who are visiting here from their home in Ligonier, Pa. President George Witkowski of the Plymouth Lions Club has been selected to be the Plymouth representative at the international convention in Mexico City from June 25 to 28.

25 YEARS AGO

The Plymouth United Savings bank this week installed an "after hour depository" for the convenience of the merchants. Henceforth the Plymouth city hall will be closed Saturday afternoons, City Manager Clarence Elliott announced. The Kroger store on Main St., managed by Robert Liddard, has been remodeled and completely modernized this week. The marriage of Roberta Sweeney, daughter of Mrs. Ruth Sweeney, of Plymouth, to Milton Orr, son of Mrs. John E. Orr, also of Plymouth, was quietly solemnized Saturday, May 8, in the Baptist parsonage with the Rev. Loya Sutherland officiating. Mr. and Mrs. W. C. Schoof entertained the latter's parents, Mr. and Mrs. M. M. Willett, and Chase Willett, at dinner Mother's day, at their home on Mill St. Mr. and Mrs. Charles O.

50 YEARS AGO

Ball of Detroit were present at the cornerstone laying of the Presbyterian Church Sunday and dinner guests of Mr. and Mrs. William McAllister. A very lovely dinner party was given Tuesday evening by Mr. and Mrs. Otto Reamer at their home on Junction avenue, in honor of the birthday anniversary of Merle Rorabacher, a brother-in-law. A beautiful cake with lighted tapers made a most attractive centerpiece for the table which had covers laid for 14. The guests were Mrs. Rorabacher and two children, Mr. and Mrs. LeRoy Jewell and son, Durward, and Velma Stitt, of Plymouth, and Mr. and Mrs. George Turner of Grand Ledge. Mr. Rorabacher was the recipient of several useful gifts. A lovely kitchen shower was given for Barbara Bake, Tuesday evening at the home of Mrs. Alice Pierce, on Burroughs avenue when Kay Krausmann joined her in entertaining 24 guests at bridge. George Chute, eldest son of Mr. and Mrs. George M. Chute had the misfortune to break his arm near the shoulder, Saturday, when he collided with another boy riding on a bicycle. If you find a horse browsing around your front lawn any one of these mornings don't hesitate to ask him in and keep him occupied until you have time to call Lt. Cass Kershaw, who is chief of the searching party looking for this animal. It seems a light bay horse belonging to the Cavalry unit located on Joy road, strayed away from the stables last Tuesday and since that time there has been no word of it. Mrs. Donald Ryder, Mrs. Ida Thomas, Mrs. Eugene Thurman and Mrs. Ralph Dews and Mrs. Emma Ryder of Newburg attended an auxiliary luncheon in Pontiac. Twenty-two guests were entertained at the George Richwine home Sunday. Mother's day and two birthdays, that of the daughter, Mrs. Wilfred Wilson of Ann Arbor and of Mr. Richwine's brother, Perry of Plymouth, were celebrated by the family gathering. Claude Root and his grandfather, Frank Truesdell were bitten by a dog last week Thursday. The dog was killed and sent to Ann Arbor for examination, and was found to have rabies. They both went to the hospital Wednesday for treatments. William Conery of Roe street has been quite ill the past two weeks. R. M. Daane, Lisle Alexander and Kenneth Mosher attended a Wayne county bankers' meeting Tuesday night at the Birmingham Country Club. Mr. and Mrs. William Wernett and son, William were dinner guests, Sunday, of the former's mother, Mrs. Helen L. Wernett, in Detroit. They also visited Mrs. Wernett's parents, Mr. and Mrs. Herman Fritz. Mrs. Ralph West and daughter Rosemary and Mrs. J. T. Chapman attended the mother and daughter banquet, Thursday evening of last week, in Northville, the guests of Mrs. Fred Lyke, of that city.

Mrs. Robert Willoughby and Mrs. F. B. Rohseel attended the Pan Hellenic dessert-bridge held Monday afternoon at the home of Mrs. J. Schoolcraft in Detroit.

50 YEARS AGO Stark was again visited by a fire last Wednesday night. Will Maynard's house took fire from a paper laying against the stove-pipe upstairs, but was put out before much damage was done. Willie Hayball had the misfortune Monday to shoot off two of his toes, while fooling with a gun. Our new blacksmith seems to be doing a land office business just now. Special efforts are being made this year to insure an accurate census of the school age children in the state of Michigan. The new law requires those who take the census to make a house-to-house canvass in the fifteen or twenty days before June 1. From the census, apportionments are made. H. C. Robinson, Fred Dibble, Fred Schrader, John Patterson and Dr. Bennett of Wayne expect to leave Monday, May 27, for Indianapolis, where they will attend the automobile races on Decoration Day. They will make the trip in John Patterson's car. Miss Jennie Sayre has resigned her position at Rauch's store and is clerking in Murray's ice cream parlor. Mrs. W. A. Bassett, a 50 year resident of Plymouth, wishes to thank her many friends for the post-card shower honoring her 89th birthday. At the next meeting of the W.C.T.U. the leaders will be Mrs. F. H. Shattuck and Mrs. J. B. Henderson. The subject is "Partnership of Husband and Wife; should the wife have an allowance." A discussion will follow. A party was given for Mrs. Henry Stanley on Saturday, it being her 56th birthday. There were about 20 present and she received many beautiful and useful gifts. A fine luncheon was served and all report a good time.

Michigan, with more than 800 miles of freeway open to traffic is becoming a proving ground for freeway safety Rest Areas. Fifteen Rest Areas are now in use and there will be 26 in operation by July 1, more than in any other state.

Taste the sunny morning flavor of...

Schenley

"Hi, I'm Sunny the Schenley rooster"
Visit your local tavern, where friendship is always on the house!"

BUY BETTER WHISKY

Schenley's a better whisky. Its easy-going flavor is in its 8 year old whiskies—blended in a most amiable way with choice grain neutral spirits. Get acquainted with Schenley Satin, too. Perfect for cocktails because it mixes well. Taste Schenley's sunny morning flavor... today!

Price list for Schenley Reserve and Schenley Satin.

SCHENLEY RESERVE—BLENDED WHISKY, 86 PROOF, 65% GRAIN NEUTRAL SPIRITS. SCHENLEY SATIN—BLENDED WHISKY, 84 PROOF, 67 1/2% GRAIN NEUTRAL SPIRITS. SCHENLEY DISTILLERS CO., N.Y.C.

HOOTI... CALLING ALL... HOOTI... 6-10 P.M. MADNESS NIGHT-OWLS BE SURE TO STOP AT LOPER TIRE MAY 16 FOUR-HOUR TIRE SALE! 6 P.M. TO 10 P.M. WED., MAY 16

On Wednesday Evening, May 16, from 6 p.m. to 10 p.m., Loper Firestone will hold a gigantic Night Sale in conjunction with Midnite Madness... A sale never before equaled in this area.

Firestone needs this book to reassure him

Countless thousands have found freedom from fear in the midst of apparent conflict and chaos when they have prayerfully sought an understanding of God and man as revealed in Science and Health with Key to the Scriptures by Mary Baker Eddy.

Science and Health explains that fear is the cause of much inharmony and that as fear vanishes so does disease and pain and sorrow. And it teaches how to dispel fear effectively and permanently.

Science and Health may be read or examined, together with the Bible, at any Christian Science Reading Room. Or it may be purchased at \$3.

CHRISTIAN SCIENCE READING ROOM

Hours: 11:30 to 5:30 daily Except Sundays and Holidays Friday evening 7 to 9 p.m.

1100 W. Ann Arbor Tr. Plymouth
