College Site Decision Delayed

FACTS and OPINIONS

by Paul Chandler

Board Is Open For Proposals

Decision as to where to locate the new Community College has been deferred until August 1.

The postponement was decided upon Friday by the Board of Trustees even as it was receiving discouraging engineering advice on sites in Livonia and Canton Township.

Clark Oldenburg of Garden City, chairman of the board's site committee, moved for the delay in decision to "develop all possible further information about the sites being considered and to permit communities or individuals to nominate any other potential sites which might be suitable."

He said the Board had determined that the site must be 100 acres in size and that the budget could not exceed a total of \$250,000, "including all extra costs, such as sewer, water, filling, etc."

Unanimous approval of the motion thus forestalled any action on the three sites which have been considered recently: one in Livonia at Six Mile and Farmington; one in Canton Township at Warren and Lilley; and one in Northville Township, at Bradner and Elk, north of Five Mile.

In Livonia, city officials moved instantly to survey all possible available property in search of a site which could be offered prior to the August 1 deadline. Attending the Friday board meeting were Ed McNamara of the City Council, Ed Milligan of the Planning Commission, Philip Tanguay of the Livonia Chamber of Commerce, and other Livonia citizens.

Land prices in Livonia have been ranging between \$4,000 and \$5,000 an acre recently, which would place the cost far above the \$250,000 "budget" for 100 acres specified—unless some kind of special offer is discovered. One thought suggested has been that developers or businessmen, eager to keep the college in Livonia, would participate in the venture in some way.

The Canton Township site, on the SW corner of Lilley and Warren, has been offered at a price of approximately \$175,000. Eberly Smith Associates, the board's architect, said Friday, however, that the site would require fill which might cost upwards of \$65,000. This was disputed by Canton Township's consulting engineer, Edward M. Orr, who said no fill was necessary as a protection against winter flooding.

The only Livonia site considered thus far is just west of Farmington road on the north side of Six Mile. It was purchased by the Livonia Board of Education several years ago for possible college use and is being offered at "cost."

The site covers only 65 acres, however, and the original cost is more than \$2,500 per acre which the board has "budgeted." Additional property would be needed to the west, and the owner has been quoting a price of \$5,500 per acre for 20 acres.

Seek Approval By Voters

Student Leaders Back 'YES' Movement

Faced with the stark facts that failure of the five mill school levy will end all extra curricular and sports activities, student leaders at Plymouth High School are making plans for an intensive campaign to get the message across to voters of how important it is to vote "Yes" on Monday, July 30.

Led by Student Council President Harley "Buzz" Smith, heads of the various school organizations, captains of the athletic teams and presidents of the four classes have banded together in an effort to make every section of the school district aware of the implications of a failure of the millage proposal.

The movement started as a sort of impromptu affair but developed into a full scale campaign as the full impact of the levy was brought home to the students.

The action of the Board of Education in spelling out exactly what failure of the proposal would mean struck home with tremendous force.

The no sports edict, no activities of any nature in the evenings, no band, no musical programs, no forensic events and the other "nos" listed by the Board brought a realization to the students that school during the next year would evolve into reading, writing and arithmetic and few feel that the voters want anything like that to happen.

"We realize this movement is going to take a lot of work on the part of every student leader at the high school," said Buzz, "but we all have a tremendous stake in this thing and we feel we should do everything possible to make every voter in the school district know exactly what is in store if the millage loses."

Smith plans to call upon all class presidents, heads of all clubs and other school organizations to aid in the drive and especially in a word of mouth campaign.

Dick Schryer, quarterback and captain of the football team, aims to press every captain of a 1962-63 team to contact the members of respective squads to get behind the movement.

Jeri Gulbrandsen, editor of the Plymouth Prints, the school newspaper, indicated she will contact every member of her staff to get out and do their bit in the remaining two weeks.

Those present at the first session called on the spur of the moment by Smith included: Smith, Schryer, Miss Gulbrandsen, Sophomore Class President John Hannula and Junior Class President Tom Blunk.

Others expected to participate are: Craig Newton, co-captain of baseball; Dave Van Ornum, track captain; Gary Gould and Mark Schultheiss, swim co-captains; Carl Zornow, golf captain; Dennis Knapp, cross country captain; and tennis co-captains, Jim Jensen and Line Smith.

The list also includes: Mark Fischer, senior class president; Virginia Fetner, editor of the school annual; Cheryl Wright, band president; Linda Wall, dramatics; and Jane Vallier, forensics.

STUDENT LEADERS at Plymouth High School get together to discuss strategy for a campaign to get the importance of the school millage proposal home to all voters in the community.

Central Parking Lot To Open In Time For Big July Sales

Plymouth's new central parking lot will be thrown open to the public Thursday morning in time for the annual July Clearance sale of the Merchants division of the Chamber of Commerce.

The City Commission received the news at its meeting Monday although it learned that the final blacktop coating will not be laid for a year. It approved a rough coat with the final work slated in 1962 after a thorough test of the lot for depression and deep spots.

'Taxes Lower Here' Says Board Head

Pointing out that it is important that voters in the Plymouth Community School District should be made aware of the fact that school taxes there are lower than in most of the neighboring communities, Board President Gerald Fischer issued a statement explaining the facts of the situation.

"We feel that our voters should know that we have lower school taxes and that this favorable position will continue if the five mill proposal (1 1/2 increase and 3 1/2 mill renewal) is passed on July 30," he said.

"The total school tax rate levied in our district for the 1961-62 school year was 22.25 mills which is approximately 2 1/2 mills less than the average rate levied (on the state equal-

ized valuations) in 18 neighboring school districts.

"Our district ranks seventh lowest in the 18. The 1961-62 rates for our nearest neighbors are: Ann Arbor, 20.17 mills; Farmington, 20.11; Livonia, 26.75; Northville, 25.75; Wayne, 25.65 and Ypsilanti, 21.87.

"Even with the proposed 1 1/2 mill increase, our local rate will still be below the average by about one mill.

"In terms of operating millage alone, our district levy of 14.4 mills in 1962-62 is about four mills and 22 per cent under the average of the 18 neighboring districts.

"The proposed rate of 15.90 mills would be lower than the 1961-62 rate in 14 of the 18 districts.

"It is also important for the local taxpayers to understand the amount of the proposed increase. We have indicated that the increase on the average tax bill would be about \$11 based on the school assessed valuation of slightly under \$6,000 and equalized valuations of approximately \$7,500.

"Since the equalization rates vary between the different taxing units within the school district, the increases on individual tax bills will also vary slightly around this average."

factory Co. for the purchase of an additional four or five acres adjacent to its present property on S. Mill Street. The new land becomes available under the urban development program.

President B. J. Stahl indicated his firm is planning on increasing production by the addition of a new product that will require twice as much space as that used at present.

The firm now employs 30 at peak period and the expansion is expected to triple that when the additional building is completed.

The Commission passed a resolution endorsing the Kennedy Plan for transit. Officials of the C&O Railroad urged the resolution on the grounds it was necessary to aid railroads in all parts of the United States.

The Chamber of Commerce requested permission to use a sound truck in Plymouth for three days, starting Aug. 1, to advertise its annual sidewalk sale and also for the use of the north side of Kellogg Park for display purposes during "the sale on Aug. 3 and 4.

The matter was referred to City Manager Albert Glassford and Director of Public Safety Kenneth Fisher for a final decision.

The Commission authorized the City Manager to enter into a contract with Detroit Edison to install new lighting around the Downtown Business District at a cost of \$6,650.

Archie Vallier, Plymouth's representative on the Wayne County Board of Supervisors, was appointed as the city's representative on the citizen's committee for the Wayne County community renewal program.

tree care, seal coating and construction of the Harding Street culvert.

It approved a grant of \$200 to the Plymouth Community Band to continue its weekly concerts in Kellogg Park and also granted permission to hold ice cream socials on Friday, July 27 and Friday, Aug. 3.

Twp. Board Names Building Inspector

Matt McLellan, 9297 Ball, Plymouth, will add the title and duties of building inspector to his current chores as DPW superintendent for Plymouth Township when Howard "Bud" Holmes submits his resignation—expected in another two weeks.

McLellan was appointed by the Township Board in its monthly meeting last week. He has been serving as acting building inspector and the Board decided to make it permanent when Holmes leaves.

Holmes, the township's fire chief since 1953, was granted a six-months leave of absence from that post. He and his family will move to Florida in the near future for health reasons.

The Board will name an acting chief in the near future. Irving Rozian, 13935 Beck Road, was appointed to fill the unexpired term of Claude Rucker on the planning commission. Rozian is a member of the Engineering College faculty at University of Michigan and a specialist in electrical, chemical and industrial engineering.

Clayton Koch, Russell Ash and Bruce Kolack were named to the planning board for three-year terms.

Tivadar Baloga, a planning commission member, was named to the recently formed Citizens Advisory Committee for Wayne County community renewal programming.

Gets 60 Day Term On Check Charge

Christopher LaBombard, 18, 2306 Brandon, Wayne, will spend the next 60 days in Detroit House of Correction to ponder over some bad checks.

He received the sentence from Livonia Municipal Judge Robert Lorion acting for ailing Judge Harry Dale of Plymouth when found guilty of a charge of uttering and publishing—another way of saying he wrote some bad checks.

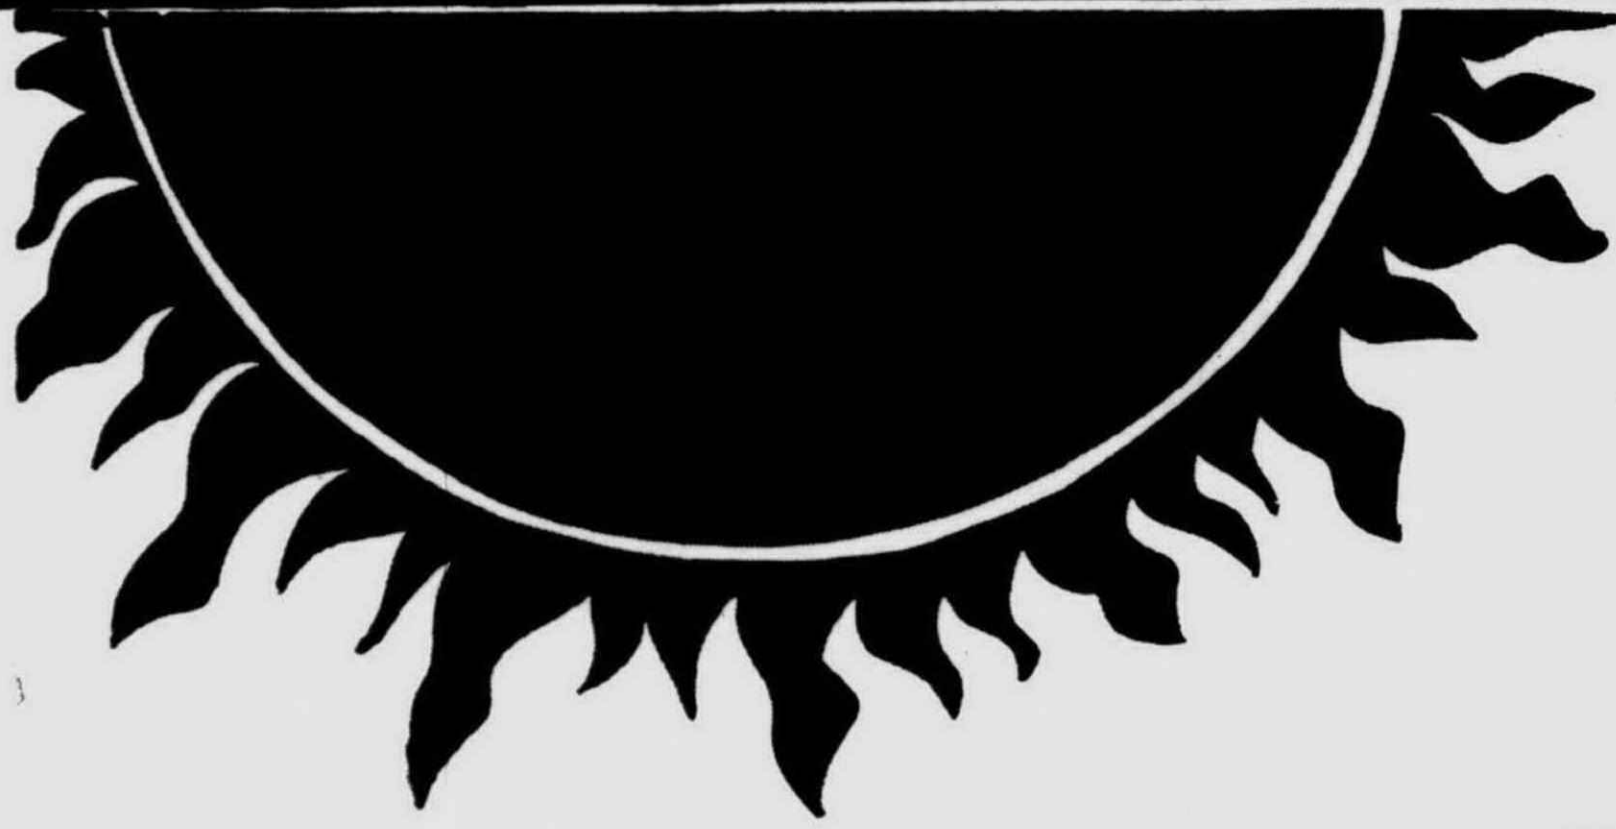

A resolution was approved authorizing Attorney Earl Demel and Building Inspector McLellan to condemn four properties which are considered in an unsafe condition and constitute a public hazard.

The properties are at 44175 Shear Drive, 44203 Shear Drive, 14440 Sheldon Road and 9432 Oakview.

Don't Miss Those Big July Bargains

Plymouth's biggest shopping event of the summer, with bargains galors at every store in the city, opens Thursday with the traditional annual July Clearance. And you can't do anything better than to turn to Pages 4, 5, 16 of this issue to discover the treasures in store when you take advantage of the many unusual offers.

This is the historic, traditional sale sponsored by the Merchants division of the Chamber of Commerce with Wendell Lent as chairman. It is the one time during the summer when all of the merchants cooperate to make it the biggest sales event in the area. Check the bargains now and make sure you're one of the first in line when the doors open Thursday. The sale starts Thursday morning and continues through Aug. 2.

# 'The Reader Speaks Up,' One An Unhappy Candidate

**Editor:**  
As a candidate for U.S. Congress from the 17th District, I recently was subjected to what I believe to be extremely unfair, high-handed treatment by the Republican organization of the Rosedale Park area of Detroit, the latter being a part of the 17th District, along with Livonia and other sectors. I was denied an opportunity

to join other candidates in addressing members of that club at a "candidates' night" meeting on Wednesday, July 11. The meeting was held for the express purpose of "endorsing" candidates.

On June 30 I received from Mr. Weldon Yeager, chairman of the endorsement committee of the club, a form letter in which was an invitation to

right have you or any of us to tell a man he must surrender in his own self interests to others? Altruism is not my moral premise. Why shouldn't doctors and teachers be able to stand on their feet and say—I have a specialized skill and knowledge. If you want this you must trade me for it. My value if it be money then you must pay me in money, etc. Instead of saying as many would have them say—I have a specialized skill and knowledge take as you will, offer me nothing I value in return as I am a public servant.

Who is kidding who? How long will our society last at that rate? Just where are we now? I am glad to see that doctors and teachers are awakening to the fact that they are valuable to us. We need them. They are of worth to society but they have rights also. They have the right to work for themselves first and the public good second. This is a more healthy situation than the unthinking way we have forced on them. Why should they work for the public good as sacrificial animals? Doctors and teachers are needed by us to save our lives and educate our children. They are free to doctor or teach where they are not told who their patients or students must be, under what conditions they must work and even how much money they are to be paid. This is enslavement.

We cannot enslave our medical and teaching professions and still come out a whole, un-socialized country. If there be any freedom left in this society then let those who are condemned to this social enslavement speak up. Let them do whatever is necessary to remain free. But as laymen we should come to their rescue not censor them for putting values on what they hold valuable.

An Objectivist (Editor's Note: There is much to admire in this note from a disciple of Philosopher Ayn Rand. However, two thoughts: (1) "objectivists" operates as individuals, in registering protest and doing good works, not as packs of assorted types applying pack pressure on society; (2) If they are going to renounce their conflicting altruistic oaths (as in the case of medicine, the Hippocratic oath) let them do it publicly, and keep the record clear.)

At the actual Rosedale Park meeting, not more than 15 or 20 actual persons attended who were eligible to vote.

Endorsements made under such circumstances are unfortunate. They are subject to question, precipitously made, without time for study and inquiry. The most harmful aspect of such endorsements is that, when published, they mislead a large number of innocent voters into believing that a candidate has been endorsed by a very large, respected, group of people. On the contrary, they represent nothing more than the kind of maneuvering I've here described.

James H. Heany

**Editor:**  
You are to be congratulated on the very good articles regarding the Plymouth schools in your recent papers and here is another suggestion. Many readers would like to know what are the salaries of the top officials such as Supt. Isbert, Melvin Blunk, and Herbert Woolweaver because I never have seen them printed or discussed at the town hall meetings. If the pay for these people is what I think it is, I wonder if they need the \$100 cost of living wage increase. And if we are in such bad shape, why the \$23,000 for adult education, which adds up to \$100 a day? Not hay.

Another Plymouth Taxpayer

**Editor:**  
In your "Facts and Opinions" column this week you criticize striking doctors and teachers. You also say that their professions are based on dedication first and salary second. Of if I may change this a little—their professions are based on the public good first and their own good second.

This is ridiculous. By what

right have you or any of us to tell a man he must surrender in his own self interests to others? Altruism is not my moral premise. Why shouldn't doctors and teachers be able to stand on their feet and say—I have a specialized skill and knowledge. If you want this you must trade me for it. My value if it be money then you must pay me in money, etc. Instead of saying as many would have them say—I have a specialized skill and knowledge take as you will, offer me nothing I value in return as I am a public servant.

Who is kidding who? How long will our society last at that rate? Just where are we now? I am glad to see that doctors and teachers are awakening to the fact that they are valuable to us. We need them. They are of worth to society but they have rights also. They have the right to work for themselves first and the public good second. This is a more healthy situation than the unthinking way we have forced on them. Why should they work for the public good as sacrificial animals? Doctors and teachers are needed by us to save our lives and educate our children. They are free to doctor or teach where they are not told who their patients or students must be, under what conditions they must work and even how much money they are to be paid. This is enslavement.

We cannot enslave our medical and teaching professions and still come out a whole, un-socialized country. If there be any freedom left in this society then let those who are condemned to this social enslavement speak up. Let them do whatever is necessary to remain free. But as laymen we should come to their rescue not censor them for putting values on what they hold valuable.

An Objectivist (Editor's Note: There is much to admire in this note from a disciple of Philosopher Ayn Rand. However, two thoughts: (1) "objectivists" operates as individuals, in registering protest and doing good works, not as packs of assorted types applying pack pressure on society; (2) If they are going to renounce their conflicting altruistic oaths (as in the case of medicine, the Hippocratic oath) let them do it publicly, and keep the record clear.)

"Detroit has the right to levy an excise tax," Judge Neal Fitzgerald based on a syllogism.

A minor premise

i.e. "Every virtue is laudable. Kindness is a virtue. Therefore kindness is laudable."

Ergo "'tis a laudable virtue to be thus so taxed", said Pontius Pilate to the Palestinians within the Empire of Roman A.D. 31.

And in our day a decree by the Emperor Hibernias, from the inner citadel, to the outremonts of Wayne was made known to all tribes made up of Allenites, Dearbornites, Hamtramckites, Inksterites, Lincolntonites, Livoniaites, Parkites, Rougeites and sundry other suburbanites, with loot who pleaded in vain to escape the virtuous decree of the Emperor and the findings of his legal mouth piece Judge Fitz What-ever!

(We share this letter with you —so often just the knocks turn up.—Ed. Note.)

For eight years we have been able to share in Livonia's good fortune and celebrate a safe and sane Fourth of July with you good people!

May I, tardily, commend you on your wonderful community spirit and the magnificent fireworks display which each year surpasses the last. We watch the delight of the children; the awe of the young and old; cheer with the crowd; thrill at the spirit of the day; and are grateful to be an American in Livonia—and to have a relative who lives there and each year asks us to share in this wealth!

A loud and sincere Thank You!

# Friday Is Day For Aquarama Cruise!

"Good Neighbor Day". The day when all good neighbors in the area take advantage of a chance to cruise the lakes aboard the luxury liner S.S. Aquarama is just two days away on Friday, July 20.

Residents in Livonia, Plymouth and Redford Township have only Thursday and Friday to secure tickets for what could be one of the biggest days of the entire summer — a cruise aboard the nine-deck passenger ship from 9:30 a.m. until 9:15 p.m.

Tickets are still available to residents of the area at the special prices of \$8.50 for adults and \$4.45 for children

between the ages of 5 and 11.

They are on sale at the Livonian office, 33050 Five Mile Road; Ward's Wonderland (service center at the foot of the escalator); at all Bank of Livonia branches; at Manufacturers National Bank of Redford Twp. on Five Mile Road; and in Plymouth at the Travel Center and the desk of the Hotel Mayflower.

Hundreds from the three communities have made reservations but there is still ample room for all. If you're interested, contact one of the ticket agencies and make your reservations now.

"OLD FASHIONED" ALSO describes the attire of this "barker" who used the "hardsell" technique of disposing of his wares in the Wonderland mall.

MOST OF THE SALES PEOPLE were in costume, many of them in old-fashioned gowns from the '90s, as with this winsome miss, ready to sell bargains from her table at Wonderland.

# 50 Youths Enter Soap Box Derby

Fifty boys from the Livonia-Redford-Plymouth area have entered the Silver Anniversary Soap Box Derby and will get their final practice runs on Derby Hill, Saturday (July 21) as they prepare their cars for the city championship showdown on July 28.

The third and final day of trial spins down the 865-foot Derby Speedway at East Outer Drive and Mound Road will give the youngsters in the 11-to-15 age group their last chance to perfect their home-

made racers for the big test on Derby Day.

A multitude of prizes awaits the competitors in next week's championships, topped by a \$500 United States savings bond for the winner. The Detroit champion also qualifies for competition a week later in the All-American championship at Akron, O., where nine college scholarships totaling \$30,000 will be at stake.

The Detroit Derby is sponsored by the Greater Detroit

Chevrolet Dealers Association, the Department of Parks and Recreation, and the Detroit News.

On Derby Day, competition leading to the crowning of the champion will start at 9 a. m. The finals will be conducted between 4:30 and 5 p. m. and will be televised on WWJ-TV (Channel 4). Admission to the Derby is free.

# Police Get 6 Reports Of Stolen Bicycles

Six bicycle thefts were reported to Livonia Police last week including three from the Wonderland parking lot.

Those stolen from the Wonderland lot included:

Mabel Fisher, 9443 Berwyn, Detroit, valued at \$36; Michael Rich, 12387 Cavell, Livonia, valued at \$25; and John Hayes, 13, 29841 Robert Drive, Livonia, valued at \$35.

Henry Alverson, 15945 Green-

lane, Livonia, complained that thieves took his daughter's bike from the back yard. It was valued at \$25.

Marilyn Egan, 9922 Hillcrest, Livonia, told police her daughter's bicycle was parked on the front lawn when it vanished.

Alphonse Missala, 28115 Clements Circle, Livonia, reported his son's bike was stolen while he was participating in the playground activities at Wilson School. It was valued at \$30.

# Grandview School Hit by Vandals

Grandview School, in Clarenceville, is the latest to feel the wave of vandalism that has hit numerous schools in the area since the doors closed for the summer in June.

Custodian Harold Pletcher told Livonia Police that two plate glass windows in the library were shattered by rocks at a total damage of \$25.

# LOSES TIRE, RIM

Sidney Schare, 19757 Maplewood, Livonia, parked his car in the driveway overnight. He reported to Livonia Police that a tire and rim in the truck were missing when he got ready to drive to work the next morning.

# SOME OF THE LARGEST SHOPPING crowds in the history of Wonderland Center strolled through the malls for a special Sidewalk Sale last week-end.

# Baseball, Bowling On P.W.P. (Parents Without Partners) Agenda

BY BETTY MENDE

The P.W.P.'s of Livonia and the Plymouth, Northville area are holding their third meeting on Wednesday, July 25th, in the Rosedale Gardens United Presbyterian Church located on the corner of W. Chicago Blvd. and Hubbard Roads in Livonia at 8:00 p. m.

on a first come, first served basis since 80 children and eight adults are being admitted free in this organization. The meeting place will be at Wonderland Center Saturday morning.

Coffee social for July 22nd being held at Vera Wilson.

The addresses are in the newsletters and those interested in obtaining these newsletters can also contact Virginia Sanford.

The coffee socials are being cancelled for August because

of vacations so bowling at 7:00 p. m. will be on the program for the first Sunday for those who are interested. You may contact Bill Lauer at KE 8-1268, or Jayne Summerlee at GA 1-4906 if you are interested in bowling.

# Thief Beats Him To Bag of Shirts

Lewis Micham, 11419 Blackburn, Livonia, is minus five shirts and a sweater, according to his complaint to Livonia Police.

He reported his wife placed the articles in a laundry bag for the dry cleaning driver to pick up on the back porch—but someone beat the laundryman to the bag and the shirts.

# Tractor Stolen From Park Lot

Gerald Ryan, 28555 Cleveland, Livonia, left his tractor overnight at 33201 Schoolcraft where he intended doing some grading work for a parking lot.

But, he reported to Livonia Police, when he returned the next morning, the tractor, valued at \$1,500, was gone. Track marks showed where it had been moved to a truck and then carted off, according to the police reports.

**STATE REPRESENTATIVE**

THAT'S OUR POSTMASTER:

# A Whiz Pitcher

Twenty years ago Art Jenkins starred in track up at what then was Michigan State College.

Now two decades later, Jenkins serves as Postmaster of Livonia and he still excels in sports. But instead of track, it's softball in which Jenkins is achieving a considerable amount of success.

The man, who makes sure that Livonians get their mail, pitches for the St. Andrew Episcopal team in the Limited Division of Livonia's softball program.

In the "limited" bracket, a team is permitted only three players under 28 years of age. The bulk of the performers thus are in the middle-age or old-age department.

Although definitely in the middle-age classification, Jenkins still can whip the ball plateward in the modified-pitch competition. St. Andrew has won eight in

a row without a loss to wrap up the championship. Jenkins has pitched in each of the victories... picking up the win in each case.

He also has helped himself along with a big bat. With only four games remaining, Jenkins is slugging the ball at a .500 clip.

In the past Jenkins has served as the team's manager. But this year he has passed on the reins to Bill Maier, a salesman by profession.

When Jenkins pitches, his battery-mate behind the plate is Pete Kenyon, remembered as a back on the last University of Michigan football team to make it to the Rose Bowl some 10 years ago. Kenyon now is connected with the public relations department at the Ford plant.

Floyd Collinsworth, an assistant principal at Emerson Junior High School, operates

at first for St. Andrew. The second sacker is Dave Jenkins (no relation to Art) who works for Cadillac.

Charles Johnson and Charles Van Deusen round out the infield at short and third, respectively. The regular outfield has Bernie Bigos in left, Charles Hopps in center and Charles Keller in right.

Keller is not the famed New York Yankee and Detroit slugger of the past. This Keller is an attorney.

Other members of the St. Andrew roster are Palmer Priest, Arne Syverson, Ron Palmer, Dave Baker, Bob Kodes, Cliff Magnusson and Paul Veljkov. Kodes is the "baby" of the team. He's fresh out of Farmington High and remains attached to the Livonia Church from former days when his family resided in the community.

**BATTERYMATES** on the undefeated Church Champions are Catcher Pete Kenyon (left) and Pitcher Art Jenkins, who serves as Livonia's postmaster during the day.

## Two Split Laurels In Gals' Golf

Doris Bevan and Theresa Courtney split honors in last Friday's weekly Livonia women's golf tournament at Idyl Wyld.

Doris shot 55-17—38 for net honors while Theresa turned in a 45 for the low gross score. She had a net of 39 with her six handicap. In third spot in Flight 3 was Millie Hancock with 54-14—40.

Esthre Golden turned in a 59-20—39 to lead Flight B. She was followed by Joan Hornyak at 60-18—42 and Phyllis Robinson with the same count.

In Flight C, Gretchen Holwig recorded 66-23—43 to set the pace. Then came Theresa Galeana 72-23—49 and Marion Larkins 75-26—49.

Flight D honors went to Joan Tobin with 70-32—38. Jean Miller was next with 70-30—40. Third was Beverly Anderson at 82-35—47.

Carol McGill turned in a 70-24—46 to lead the Junior Girls competition. Lannie Miquelon was second with 75-24—51.

In Junior A Boys, Steve Kazmer grabbed first place with 47-11—36. Paul Hebda with 49-10—39 and Tom Baker 45-4—41 followed.

Mike O'Connor garnered Junior Boys B laurels with his 57-24—33. Bill Holwig counted 58-21—37 to tie John Weismuller who had 63-28—37.

Barry Marion, who still has a year to go at Bentley High School, and Dick Schryer, an all-around star at Plymouth high this past year, both are members of the high-stepping Citizens team on the Detroit sandlots.

The Citizens team is leading the Detroit Amateur Federation's Class D and also is on top in the strong Detroit Free Press League. The latter loop is regarded as one of the best teenage amateur circuits in the United States.

Jack Frazer, the former Redford Union ace, is pitching on the Ever 7 team in the Free Press league.

## Last Chance To Enter In Grid Program

Football may not be the topic of conversation for youngsters these days but comes next Tuesday (July 24), South End youngsters in Redford Township will have their final chance to register for next fall's Little League grid program.

Dario Giannetti will be in charge of the registration at the Fisher School starting at 8 p. m. For any information, call Giannetti at KE 3-9684.

# Physical Fitness Finals In Livonia

When it comes to participating in the President's Physical Fitness Program, the City of Livonia stakes no back seat. In fact, Livonia is hailed as one of the most aggressive communities in Michigan on the subject of physical fitness.

If you care to see the results of same, we suggest you wander over to the Bentley high school football field this Thursday starting at 1 p. m.

You'll watch the windup of the Livonia physical fitness extravaganza as the outstanding boys and girls from the various "local" playgrounds battle it out at Bentley for citywide honors.

It's expected that upwards of 500 youngsters will perform in the Livonia finals. They'll be split up in three classes—Class A (boys and girls, 14-15 years old), Class B (boys-girls, 12-13), Class C (boys-girls, 10-11).

The boys will take part in the following events: chinning, softball throw, 50-yard dash, standing and running broad jump, running hop, step and jump, standing hop, step and jump and also the relay.

For the girls the events will include the softball throw, the 50-yard dash, the standing broad jump, the running broad jump and the hurdles. In addition the girls and boys all will participate in a series of calisthenics before engaging in the individual and relay events.

Watching the success of the program in Livonia should hearten the adults of the area in the wake of a report released by President Kennedy a few days back when he pointed out that more than 25 per cent of the nation's youngsters couldn't pass minimum physical fitness tests.

The standout boys and girls in each of the classes in Thursday's Livonia finals will move on to Belle Isle in Detroit on

July 26 for the Greater Detroit Junior Physical Fitness competition. As we said earlier, it should be an interesting afternoon at Bentley high on Thursday.

When it comes to successful ventures, Livonia's daily series of baseball clinics each morning at the Fisher playground rates a flock of orchids.

The program is conducted by Al Roscoe and Shell Chambers and attracts at least 50-60 youngsters daily. The other day more than 80 showed up for one clinic.

A feature of the clinics is the automatic pitching machine, a "baby" of Livonia recreation chief Bob Girardin. This is the machine which serves up fast balls and slow ones, curves and slides without the chance of a youngster suffering a sore arm.

Batting and bunting along with fielding are stressed at the clinics.

There is no charge for admission and all boys nine and up may attend. There are once-a-week pickups from each playground in Olympia. All a youngster has to do is check as to the day the bus will stop at the playground nearest his home. Or he can wander over to Fisher Field on his own.

Talking about clinics, it was quite a show the Detroit Pistons put on at Bentley Tuesday morning. Various basketball fundamentals were discussed and pointed out and Livonia youngsters received a chance to "scrimmage" against the pros.

Here's an event you might like to take in. It's coming up Thursday night at the Madison playground in Livonia.

The softball team of the Livonia Police Department has accepted an invitation to take on the softball team comprised of boys 16-18 years of age from the Madison field.

We're told that it wasn't too long ago that the boys around Madison had their troubles with the men in blue. But through hard work between the boys, the police and the parents—the day now has come when the kids have challenged the officers to a game of softball.

The police through Gerald Vorbeck have accepted the challenge. Game time will be 6:30 p. m. There'll be no admission charge.

## 33 Golfers To Play For Livonia Crown

A field of 33, led by Robert McCamant, the champion for the last two years, tees off Saturday in the annual Livonia City Open golf tournament at Idyl Wyld.

Each entry will shoot 54 holes in the meet which continues Sunday and also on July 27-28 at the Livonia course.

The first five finishers will qualify to represent Livonia in the Recreation Association of Michigan (RAM) tournament scheduled at Pontiac in late August or early September.

Other standout entries in the field include Les Anders, the veteran athletic director for Livonia schools; Glen Huovinen, John Grimm, George Dawson, Al Morehead, Reg Harp, John Garmaker and Vincent Burns. The latter, a 16-year-old, is the "baby" of the field.

Two special events will augment the tournament proper. A

driving contest and hole-in-one test will be held on the final day of the tournament.

The teoff times for Saturday's action:

# It's Tourney Time For Redford Teams

It's tournament time again for the Little Leaguers in Redford Township.

They will start the long haul which might lead to the world tournament in area play this Thursday and Friday.

And comes next week the Township Colt and Pony Leaguers will inaugurate their drives which likewise could gain international honors for them.

The Township will send five Little League (boys 12 years of age and under) to the wire in the District Five area competition.

One of the Area meets is slated in the Township at Phoenix and Manning fields. Other area tourneys, all of which will attract Township teams, are booked at the Detroit LL grounds at Eight Mile and Lahser in Southwest Detroit and Fort and Downey Streets.

Eight teams will make up the field at Phoenix and Manning fields.

The tourney on the Township diamonds opens at 3 p. m. this Thursday when Northwest Detroit meet Lincoln Park Central at Phoenix and Hamtramck Americans takes on Nankin Americans at Manning.

In encounters slated for 5 p. m. starts, Garden City Nationals will engage South Redford Phoenix at Phoenix and Southfield Woods will go against North Redford Nationals at Manning.

Winners of the 3 p. m. games will hook up Friday at Manning at 5, while the other Thursday victors clash at Phoenix on Friday at 5. The title game is set for Saturday at Phoenix at 1 p. m.

Meantime, the South Redford Beach League entry goes to Detroit LL along with the North Redford Americans. The latter plays Southfield Woods at 5 p. m. Thursday while the South Redford team waits until Friday to meet Garden City at the same hour.

The South Redford Fisher Little Leaguers team has drawn a first-round bye and will meet the Garden City Americans—South West Detroit winner at Kenney Center (Fort and Downey) Friday.

Each Little League entry, entering tourney action, is comprised of a stand-out members of all teams representing the particular loop during the regular season. The same prevails for Pony and Colt Leaguers.

The four winners of District Five area crowns will meet for the district flag proper next week. Then will come the state tournament at Southgate, the Ohio-Michigan regionals, the midwest regionals and finally the trip to Williamsport, Pa., for the grand world series.

The Township will have two entries in the sectional Pony League (for boys 13-14) at Hamtramck beginning next Tuesday and continuing through Aug. 3.

The Redford American Stars will engage the Hamtramck—Southfield Lathrup winner on Tuesday while the Redford Nationals face North Detroit the same day.

For the Redford Colt League stars (boys 15-16), tourney play begins Tuesday at 1 p. m. in Hamtramck against Southfield Lathrup. If victorious in the first round, the Redford team will oppose the Taylor-Lincoln Park victor at 5 p. m. on Tuesday. Otherwise, Redford will wait until Wednesday before playing again.

In both Pony and Colt tourneys, the double-elimination or two defeat-and-out system will prevail. One setback eliminates a team in Little League.

Here are the stars picked for the various Redford teams which are tournament bound:

## It Takes 2 To Fashion No-Hit Gem

It took two hurriers to turn the trick but the G division of the Little League of Livonia has credit for the first no-hit, no-run game of the season.

Doug Sutton, 10, and Randy Hickerson, 9, divided hurling duties in the seven-inning game and sparked the Cardinals to a 4-0 victory over the Alligators.

Little League rules prohibit a pitcher going more than four frames—thus Doug stood the Alligators on their ears for four innings and Randy completed the task at Fisher Field.

Only three players reached base on walks and the two pitchers registered 10 strikeouts in giving the Cardinals their sixth victory against a single loss.

"Getting To Know You" By Irene Andler Handwriting Analysis

Dear Mrs. Andler: Because I'm a young person, I'm hoping that your analysis of my handwriting will help me to make some of the career decisions I'll be facing soon.

Character traits play a large part in being satisfied with one's job and perhaps my handwriting will expose some of mine. I'm also very curious and would like to find out some of the many things I don't know about myself.

Dear Mrs. Andler: How right you are! In preparing for a career, there will be many fields in which you will do well, but space will not allow a detailed report.

You given any serious thought to any of the arts? You have a strong sense of rhythm and remarkable creative ability. That should be thoroughly investigated before deciding upon any other type of career.

Should you discard the arts (and I hope not), then select a field in which you can utilize your talents and also be in close contact with people. Bear in mind that you prefer to blaze new trails and will be thoroughly frustrated if forced to conform with established customs and procedures.

You could consider advertising as this will provide an outlet for your creative ability. So would certain phases of radio or television. I realize these are what are thought of as "glamour jobs," but they are also the type of work you are cut out to do.

All of these careers require more education than high school so stay with it, my friend, and don't waste your talents because you may be bored with the classroom at this stage of your life!

Dear Mrs. Andler: I read your column weekly and enjoy it very much. I have been told that a person's handwriting reveals your traits and personality.

From this short note, I would appreciate very much if you could inform me on myself by this short note. Thank you.

Miss D.

Dear Miss D.: You are a lonely, pessimistic person who is putting up a terrific front to the world. There is a moderate amount of self-control shown in your writing and I wonder if you aren't making some sort of a half-hearted effort not to over-indulge. You feel that you are not appreciated as you should be and retreat into a world of day-dreaming and over-indulgence.

You see, you claim to be the world that you can do so very much, so very well, but then you fall

The Police Blotter

Robbers Break Into 4 Homes

Sneak thieves entered four Livonia homes in the past few days, taking jewelry, cash, wedding rings and watches and ransacking at least one residence.

Norman Huff, 18556 Filmore, Livonia, reported to Livonia Police that thieves entered through the front door of his home and took \$42 in cash, two rings and a watch valued at \$100.

Arthur Brunica, 16355 Bell Creek, Livonia, came home and discovered that robbers had pushed out a screen in the base-

ment, entered and ransacked four rooms. He told police two containers were looted, one of \$100 in various types of small change and the other containing \$20 in dimes.

Three bedrooms and the kitchen were ransacked and articles thrown around but he was unable to itemize the complete loss until a further check.

Thurston Proctor, 18681 Lath-ers, Livonia, complained that burglars forced the rear door of his home to gain entrance and took two wedding rings and a watch valued at \$56.

Jeanie Tarn, 15502 Angling, Livonia, told Livonia Police she isn't quite sure how it happened but a man's watch valued at \$75 was removed from a mantle in the living room.

7-Year-Old Boy Rides Bike Into Side of Auto

Arlian May, seven, 10005 Berwick, Livonia, escaped with bruises and lacerations when he rode his bicycle into the side of a car operated by Robert Hallett, 9327 Frederick, Livonia, according to Livonia police reports.

Hallett told police he was southbound on Melrose when he noticed the youngster coming down the sidewalk going north. The boy suddenly made an attempt to enter the road without stopping and struck the right rear of the car.

Ruth Baltus, 18, 29071 Sunnysdale, Livonia, should have stayed at home in bed a few days ago instead of taking a drive with her friend, Susan Zaleski, 17, 34061 LaMoynne, Livonia.

Livonia Police reports show Ruth crashed a red light at Plymouth and Middlebelt Roads, struck a car driven by Norman Bergen, 1833 N. Mayburn, Dearborn, turned over on its side and both girls were slightly injured.

And to add insult to injury, Ruth was ticketed for crashing a red light.

Darts in Front of Moving Car Deborah Ann Fisher, 4, 32304 Wisconsin, was seriously injured and rushed to St. Mary's Hospital when she rushed into the street in front of her home and was struck by a car operated by Philip Skender, 9326 Montara, Livonia.

Skender told Livonia Police he was driving west on Wisconsin and had just started past a parked car when the youngster darted from behind the car in front of his. He tried to stop but hit the child first.

Ice Cream Thief Fills Sweet Tooth A thief, with an appetite for some of the sweeter things, broke into an ice cream truck owned by Henry Bergaron, 11950 Cardwell, Livonia, and took items valued at \$6.95.

Bergaron complained to Livonia Police that the truck door had been ripped open and ice cream, ice cream bars, milk, orange drink, butter and eggs taken.

Institute Honors 3 Livonia CPA'S NEW YORK—Three CPAs of Livonia have been elected members of the American Institute of Certified Public Accountants. They are: William Dilworth, Francis N. Hayes, and Marshall Wise.

Dilworth is on the staff of Standard Federal Savings and Loan Association in Detroit. Hayes is with the Detroit office of the accounting firm of Price Waterhouse & Co. Wise is comptroller of Michigan Metal Processing Corporation in Detroit.
