

To Women It May Concern

By MYRA COX

When I got the news this week a dear friend was the victim of a bad case of ulcers and was advised practically to retire from everything that makes life savory it set me to reflecting.

Reflecting—I mean worrying. This was always a carefree, "anything goes" type of mother, wife and friend. But now the secret is out. This apparently was always true on the outside, but on the inside apparently much churning, nerves, apprehensions, and frustrations.

Pros say, at the risk of being boring but to save yourself, find SOMEONE to tell it to. Ulcers, they say, are merely nerves, working havoc in your digestive system. Who needs it? Better you unburden yourself, pitch a fit, break a glass, tell it and then forget it. THEY say once a problem is told, rehased and the bees are out of the box, this unleashes the lightning inside than can cause fatal damage. It makes sense.

On this theory Ida Nairn, Dorothy Finney from Plymouth and I were the guests of Jean Campau in her Redford Township home. After talking over the problems of the world through a delicious luncheon, enjoying a tear or two for the good ole days, we all felt better and decided we would never any of us have an ulcer.

Teasing aside, there is a whole movement based on this theory of "talking out" your troubles. It is called "Recovery Incorporated" and is self-therapy. It is based on the doctrine of Dr. Abraham Lowe of Chicago, where "Recovery" started.

The first step is to acknowledge the problem. All of the people involved are recovering or being treated for nervous or mental disorders.

The group meets weekly, uses text books and listens to tapes by Dr. Lowe. They also give testimonies of personal experiences they share. It is not only comforting to know there are others, it is salvation.

Marge Rhinesmith, leader of the Livonia group, says the first meeting is the hardest, but when the person next to you speaks, and you meet others and talk over mutual problems, you quickly get rid of the long-time stigma created by lack of communication and ignorance of nervous disorders.

There is a group in almost every community. They remain fairly anonymous. They welcome all who care to attend. Newcomers do not have to be screened. If you attend, you are welcome. Most all doctors recommend "Recovery Inc."

You may attend any group you find convenient.

In Livonia, they meet on Monday night at 8 p.m. in the Rosedale Gardens Presbyterian Church on 9601 Hubbard Road; in Plymouth the group meets at St. Johns Episcopal Church, 574 S. Sheldon Road. They meet at 8 p.m. Wednesday; and the Redford group meets on Friday at St. Martins Episcopal Church on 24699 Grand River.

You may call the following group leaders for further information: Marge Rhinesmith, LU 4-9141 in Livonia; E. Yanalunos, GA 2-8406 in Plymouth; and R. Dawn, KE 2-4035 in Redford Township.

REPRESENTING LIVONIA at the kick-off tea for the Salk Institute were Mrs. William Brashear and Mrs. Olson Hensley. The two were guests at the home of Mrs. Samuel B. Danto, Chairman of the Drive to hold "silver" teas with proceeds to establish the Salk research center. The first tea was held in Mrs. Danto's home in Huntington Woods. (l-r) Mrs. Danto, Mrs. Brashear, Mrs. Hensley, Mrs. John H. Schneider, Co-Chairman, Pouring Mrs. Sam Zilly. Honored guests for the afternoon were Mrs. B. Wright Furst and the Governor's Lady, Mrs. John Swainson. Anyone wishing to hold a tea for this purpose in Livonia may contact Mrs. Hensley, GA 1-7095.

THE WORLD'S GREATEST Dad (according to Wards of Wonderland contest) **Edmund Morosky** surrounded by his children, Steve, 6; Susan, 8; Paul, 18 months and the young lady who submitted the winning entry, Mary Ann, 4.

Winner of Ward's 'Best Dad' Contest

In a Father's Day Contest, held recently by Wards of Wonderland, Edmund Morosky, 28799 Grandon, Livonia was chosen "World's Greatest Dad." Mr. Morosky won \$50.00 worth of merchandise from the Men's Clothing Department.

Mr. Morosky's youngest daughter MaryAnn (four) submitted the winning entry. Her entry was one of 1,500 received by the store and in the opinion of the judges really "covered the ground" on why her dad is the best father around. Mr. Morosky when informed he had been chosen the "Greatest Dad" said that his wife Arlene had a lot to do with his winning the title.

Nicholas Sisters Appear Ohio Musical Festival

The Philip Nicholas's have returned from a 10-day trip through the southern mountain ranges including the Great Smokies National Park, Alleghenies, the Appalachians, the Cumberlands and the Blue Ridge Mountains. They began their trip June 27 with their first stop at the International Music Festival in Sandusky, Ohio. Their daughters Marsha and Judy Nicholas were entered in the nation-wide accordian contest.

After the Festival's Grand Ball held at the Breakers Hotel, the family continued their trip Southward to Maryland and West Virginia.

They appeared in competition as members of the band "The Accordionaires" and as soloists. Both girls received a rating of "superior," an above excellent rating, in their solo numbers; and the band received a "B" rating and took third place in competition with hundreds of senior bands from all over the country.

The girls each received gold medals for their first entry in the national competition as a result of their solo work. The band received a trophy. Marsha Nicholas took a special prize for perfect posture during a performance and Judy received ad-

DAWNE ELAINE ROHL daughter of Mr. and Mrs. Bob B. Rohl, 30001 MacIntyre, Livonia, graduated from American Airlines Stewardess College in Dallas, Texas. She attended N. Illinois University where she majored in business education, and later was employed by York Pharmacy of Elmhurst, Ill. and Levine Architect, Detroit. Hazel-eyed Miss Rohl also modeled in restaurants and shopping centers in this area.

Wagenschutz Clan Holds 35th Reunion

The 35th Wagenschutz reunion was held at St. Mary Hall, Williamston, Michigan, on Sunday, July 15, with Mrs. Gustie Wagenschutz and Mr. and Mrs. George Rutan and son as hosts.

There were 98 kin present from Kalkaska, Tecumseh, Chelsea, Dearborn, Livonia, Plymouth, Dewitt, Lansing, Williamston, Portage Lake, and Kalamazoo.

Melburn Partridge, Tecumseh, gave the invocation and after a bountiful potluck dinner President Carl Wagenschutz, Livonia, presided over the business meeting.

New officers for 1963 are President, Allen Wagenschutz, Livonia; vice president, Mrs. Thelma Ball, Kalkaska; secretary-treasurer, Robert Wagenschutz, Plymouth.

The clan was invited to meet next year at the farm home of Charles Wagenschutz and Mr. and Mrs. William Pflum and family near Kalkaska.

Mrs. George Rutan gave a memorial service for the family members who died during the past year. Mrs. Hazel Wagenschutz, Livonia, and Owen Partridge, Tecumseh. There were reported three marriages and five births during the past year.

Livonian Attends Workshop at U-D

Miss Haller, a senior at Ladywood High, will study the principles of copy editing, layout and headline writing under the guidance of instructors Robert Woessner and John Morad. The class project is the publication of an issue of the "Varsity News," U. of D. student newspaper.

3 DI	PASS 4 NT	PASS	PASS
5 DI	PASS 6 DI	PASS	PASS

The above contract was reached by only one pair out of the fourteen tables that played the above hand; however, three found the unmakeable six not trump which made because of guessing the club finesse correctly. Regardless of the opening lead six diamonds is cold and incidentally the pair that reached six diamonds were defeated because the club finesse lost plus the spade ace.

The correct way to play the above contract is win opening lead, take two rounds of trump and knock out the spade ace. On the spade queen discard a club. Play the ace and king of clubs, ruff a club setting up that suit for heart discards. Most players erred because they discarded losing heart instead of establishing the club suit. Study the above hand because this situation is common in the play of the cards. Establishing a long suit is much more profitable than gambling on a 50 per cent finesse.

Last week's winners at Livonia's parks and recreation bridge tournament were as follows:

- N & S**
1. Jack Gordon-Max Obermeyer
 2. L. B. Barbee-Mary Malchie
 3. Irene Groves-Edith Ryan
 4. Herb and Eileen Pyle
 - 5 & 6 Tie
- Jerry Quinn-Dick Drahm**
T. Whittly-Frank Karos
- E & W**
1. Geo. and Francis Schwender
 2. Linda Menz-Ann O'Neill
 3. Ed Dragulis-Bob Black
 4. Jay and Ruth Pettit
 5. Ike Sarason-Vic Ross

At the weekly duplicate bridge held at the Plymouth Bridge Club on July 13, the following were winners:

- NORTH-SOUTH**
1. Connie and Herb Schroeter
 2. Ike Sarason and Earl Demel
 3. Peg and Lloyd Peterson
- EAST-WEST**
1. Val Kolano and Betty Demel
 2. Jack and Sue Neville
 3. James Simpson and Bill Markwardt

Weekly duplicate bridge is held each Friday evening at 8:00 p.m. at the Plymouth Bridge Club located in the Colonial Professional Building, Plymouth, Michigan, in air-conditioned quarters. For further information, call Bill Tullis, Director, GARfield 2-7848.

Mower Vanishes
Dolores Saperstin, 19602 Deering, left her lawnmower in the back yard overnight, she reported to Livonia Police. When she went out in the morning to start mowing, she discovered someone had stolen the mower valued at \$90.

MEMBERS of the Livonia Lions Club served as hosts for exchange students from Madagascar and Marseilles, France, for three days this week as part of the program sponsored by the International Lions Club. The students from the foreign lands visited the United States for a week and students from the U.S. made the exchange complete by touring foreign countries. George George, new president of the Livonia Lions, served as host for Mons. and Madam Deorie and Julie Randasasio of Madagascar. The other students and hosts included: Prof. Edmund Verolet, of France, hosted by Louis Delemeter; Bruno Silbot by James Culbertson; Robert Ducini by Keith McDonald; and Jean Devery by Leonard Lantz. The visitors left the Detroit area for New York State Thursday morning.

Thieves Take Seven Bikes; One Has Tires Slashed

Livonia Police received complaints of seven stolen bicycles and in one in which vandals slashed the tires and tubes last week.

John Burtwell, 14030 Rockland, Livonia, complained that the tires and tubes of his son's bike were slashed while parked in front of Drug Fair, Inkster at Schoolcraft. He estimated the damage at \$10.

Three bicycles were taken while in the lots at the Wonderland shopping center, Plymouth at Middlebelt.

Plymouth License Bureau Is Busy

The license bureau of the Plymouth Police Dept. handled 417 permits during the month of June, 18 more than in the same period a year ago according to a report by Assistant Chief Loren Johnson.

The bureau issued 19 new licenses, renewed 278, handled 52 chauffeurs permits and made 68 changes of addresses.

The June report shows the department issued 76 traffic tickets compared to 117 in 1961 and 152 in May. It has ticketed 543 to date this year compared to 1,067 for the first six months of 1961.

Johnson's report shows the police were busy with 266 miscellaneous complaints during June. They had 235 a year ago and 223 in May.

They included: Robert Davis, 8447 Hubbard, Livonia, valued at \$50; Michael Rich, 12387 Cavell, valued at \$25; and John Hayes, 29841 Robert Drive, valued at \$35.

Cleo Thompson, 29115 W. Chicago, told police his son's bicycle was taken from the rear of the home. It had a value of \$85.

Fred Warner, 10, 9831 Fremont, had his bike parked in the rear of the Sibley Lumber Co., Plymouth at Milburn, and when he returned it had vanished. He valued it at \$35.

William Bedell, 18536 Parkdale, reported his daughter's bicycle was taken from in front of the home. He valued it at \$45.

News Notes From Nankin

By MARGARET GIBSON
GA 7-1289

Vacations are moving right along as more folks come and go. It seems everyone has either gone or will be going some place this summer.

Packing up their belongings for a family camping trip in Northern Michigan recently were Jim and Mary Griffin and children of Randy Drive. This is a family that likes adventure so they are planning each day as it comes and thoroughly enjoying it.

Fred and Helen Smith were guests of honor at a Bon Voyage party recently. The party was held at the home of John and Millicent Chalmers with old and new friends helping make the occasion a gay one. Fred and Helen will enjoy the many things of interest that Europe has to offer for the next month.

Dinner guests at the home of Irwin and Kay Perrie Saturday evening were Mrs. H. S. Dixon from Philadelphia, Mrs. Collier and Marion Allenbaugh.

Chuck and Barbara Orders are the proud parents of an 8-pound 1-ounce baby boy born July 16. The couple have one other child, Brenda, who is five years old.

Congratulations to Steve and Vito Stevens of Flamingo on the birth of their first baby boy.

Making final preparations for their trip to New York are Mrs. Sears and her daughter, Emile. They will be there for about a week.

Sundays are finding the Juntila family enjoying the sunshine and pleasant swimming conditions at a nearby lake.

Hannert Gets Training Post In Simca Sales

Richard D. Hannert, of Livonia, a quality control engineer for International Operations, Chrysler Motors Corporation, has been appointed service development and training representative for U.S. Simca Sales.

Born in Detroit, he attended Michigan State University before spending some time with the Third Army in Europe. Upon his return, he received a Bachelor's degree from Wayne State University.

Hannert resides at 11301 Berwick Ave. with his wife and three children.

COOL SUMMER

John Suski, engineman third class in the U. S. Navy, is serving aboard the icebreaker USS Edisto in the Arctic Ocean. He is the son of Mr. and Mrs. Cass Suski, 9230 Iowa, Livonia.

Jr. High Attendance Area Revision Made

Livonia Board of Education approved the recommendations of the Superintendent and staff, which it has had under advisement for several weeks, for changes in the junior high

school and elementary attendance areas required by crowded conditions for next fall. The only revision made will permit 17 seventh grade students from the west half of Sec-

tion 17 to be assigned to Bryant Junior High School instead of Whittier Junior High School until the opening of the new sixth junior high school sometime in the 1963-64 school year. Parents will be notified of exceptions to attendance area policies during the third week of August when principals return to begin the new school year in the elementary schools. A recodification of policies on teacher leaves of absence was approved as recommended by the Superintendent and staff, with leaves of absence for professional work defined in more detail. Director of Personnel Henry C. Housner said that this policy brought together a number of administrative policies which had been developed over the years.

The Board requested a wording which allowed sick leave allowances to be maintained but not accumulated when teachers are on leave of absence. (The complete list of these policies is available from the Superintendent's office, and a later news release will be written regarding these personnel policies.)

The Board postponed decision on revision of policies on salary credit for previous teaching experience.

Faculty Changes in Livonia System

Livonia's Board of Education approved the resignations of Carl Pursell to enter private business; Theodore Semore to accept a position with the United States Office of Education; Miss Faye Wilkinson to accept a position with the United States Air Force Dependents School; Mr. Eddie Sage; Miss Carol Purigraski; and Miss Julie Ann Swanson.

The following new teachers were approved for the 1962-63 school year: Mrs. Marguerite Abromaitis, M rs. Charlotte Ames, Mrs. Marjory Brown, Mrs. Carol DeGeorgeo, Mrs. Barbara Hannum, Allan Roy Malan, Miss Eva McChesky, Mrs. Elsie Myers, Miss Margaret Nehls, Miss Elaine Patocki, Vincent Pope, Miss Ruth Schoeder, Larry W. Spence, Miss Evelyn Shuput, Mrs. Esther Tolchin, Mrs. Susan VerPlank, Mrs. Elizabeth Crossman, Mrs. Diane Dodge, Mrs. Mary Droisshagen, Miss Carole L. Gray, Mrs. Carolynne Legg, Mrs. Georgianna Mohan, Arno Meumaier, Michael P. Parkis, William J. Parish and Mrs. Joanne Stewart.

The Board requested a wording which allowed sick leave allowances to be maintained but not accumulated when teachers are on leave of absence. (The complete list of these policies is available from the Superintendent's office, and a later news release will be written regarding these personnel policies.)

The Board postponed decision on revision of policies on salary credit for previous teaching experience.

'The Readers Speak Up', Some Quite Severely

Editor:
The man who presently holds the office of Mayor still insists on fighting the "battle of the plaque" in the column devoted to him in your paper. He's had his city attorney prepare a long detailed opinion attempting to prove that he, the Mayor, was right in his actions regarding the much discussed plaque.

I am reminded of a little jingle that goes something like this:
"There lies the body of Timothy Gay.

He died defending his right of way.

He was right, dead right, as he sped along

But he's just as dead as if he'd been wrong."

Ho hum! Think I'll go peel a kumquat.

Sincerely
WALTER M. GRAYSON
15508 Mayfield

Honorable Harvey W. Moelke, Mayor
City of Livonia
Dear Mayor:

Several months have now transpired since the election. I therefore now feel it is proper to submit to you my resignation.

as a member of the Livonia Water and Sewer Board.
Having been appointed to the board on November 1, 1961 serving this fine community for the past eight months has been a wonderful privilege for me.
The people of Livonia are very proud of their great City and friendly community relationship and I am very grateful for the opportunity to have served them on the Water and Sewer Board.
I shall continue to serve on the Water and Sewer Board at your pleasure until such time that you have an opportunity to replace me.

Very truly yours,
Paul W. Kugler

Editor:
I would like to voice some comments about the summer playground program conducted by Livonia's Department of Parks and Recreation. I hope you will be kind enough to print them in The Observer.

Last summer I was employed as a playleader in the Detroit Parks and Recreation program. After moving to Livonia last fall, I was hired as a playleader in Livonia's program for this summer. In all due respect to Detroit's program, I feel that Livonia's program is superior in many ways.

The Livonia personnel and facilities are outstanding. Those working in the program put forth a sincere effort to teach and conduct the many summer activities for the children. The playground locations are large and well equipped to handle the children using them.

There are activities for everyone in the Livonia program, probably some that many citizens do not know about. I will not attempt to list them all here but I would like to name a few that have impressed me. Along with the regular playground activities there are classes in Baton and Dancing; Arts and Crafts and Puppetry. Each playground conducts educational trips to such places as, The Detroit Zoo, Kensington Park, Greenfield Village and The Detroit Metropolitan Airport. The children are taken on a Bob-Lo trip and to Detroit Tiger baseball games. Each week the children are taken swimming to the Lower Huron Metropolitan Park and to baseball practice at Fisher Body. There is a Junior Olympics for boys and girls to compete in track and field events. Every playground conducts two or three special events weekly such as costume parties, record dances and hot dog roasts. There is a theme for the summer. Each playground constructs a display to be shown at the playground and at Wonderland near the end of the season.

The people of Livonia have given their support to the school system and now Livonia has one of the best systems in the state. The parks and recreation program should receive this same support so that the children can be taught to use their leisure time wisely.

The summer is a breeding time for juvenile delinquents. Last week two boys gave a model airplane demonstration at the playground. One of the boys was last year's state champion. After the boys told

pendence of a profession, with all that this implies for the future of public education and American institutions."

During the next four days of this convention, we heard many speeches by noted leaders of education and also a speech by the Vice-President of the AFL-CIO, Mr. James B. Carey. He promised that labor movements would match dollar for dollar, even if the NEA poured its entire \$8 million annual budget into fighting teacher's unions.

This issue became the great concern of this teacher's con-

vention and I am proud to say that the resolution adopted by the convention on the last day of the conference certainly does not indicate any justifying of "teacher's strikes."

I would like to quote just a few sentences from the resolution on Professional Negotiations. "Under no circumstances should the resolutions of differences between profession associations and boards of education be sought through industrial disputes. The teacher's situation is completely unlike that of an industrial employee. A Board

of Education is not a private employer, and a teacher is not a private employee. Both are public servants."

I was proud that I could voice my vote as one of the delegates to this convention and it gave me a feeling that teachers are often criticized too quickly. A dedicated teacher will remain a public servant, strive to improve his qualifications as a teacher, render the best of services and will not walk out on the students in his charge.

No, dear editor, there are many dedicated professional

servants and accept truths only when they are well substantiated by complete and accurate information.

Deeply Concerned,
Mrs. H. P. Stewart
9043 Hanlon

about the time that it takes to build their planes and the time that they spend flying them, one can easily see that they just don't have time to become juvenile delinquents.

An impressed Livonia citizen
Sincerely,

Editor:
I thought when your Observer first came out in Plymouth you were going to put out an honest and unbiased newspaper. This last issue in regard to the 5 1/2 mills school tax was very biased. Column after column was devoted to one side of the question. You well know that over 50 percent of the people voted it down once. Now they want to present another package deal, take it or leave it. Something smells. Why don't you report why the people voted it down, what they thought was excess baggage?

Another thing about honest reporting. There are petitions being circulated in Plymouth saying the businessmen want saloons or bars selling hard liquor.

The people have a right to know who is behind this and how they propose to gain their end.

Harry H. Newell
Plymouth

Editor:
After reading Facts and Opinions on two occasions now in which you wish to attack teachers in specific locations and then all teachers in general, I feel it is my duty as a teacher to reply to your specific attacks.

Immediately after the last school board election, you stated that it was due to the "teacher's union" that Mr. Brown had not been reelected to the Livonia School Board. I had no knowledge that Livonia had a Teacher's Union. I am proud to say that I am a member of the Livonia Educators Association. I served on the Executive Board of this Association, and know that we had been threatened by the union this past year. I, as well as many other teachers in Livonia received a tremendous amount of literature this past year, sponsored and paid for by union money. Yes, a meeting was scheduled just outside of Livonia, mainly for organization of a union for teachers in Livonia. I am happy to say that the tremendous amount of hours and labor given by the officers of our local teacher's Association strengthened our professional Association to such an extent that the efforts made by labor fell short and a union of teachers in Livonia was averted. Please do not call the teachers organization in Livonia a union. It is still a professional organization of teachers, who by a vote of more than 85 percent accepted to raise the local dues considerably this coming year in order to raise the professional standards of their own professional organization.

Your latest Facts and Opinions stated that a newspaper had reported that "wherein a national convention of teachers was justifying 'teacher's strikes'."

How misinformed you are. I was a delegate to this national convention of teachers held in Denver, Colorado. I regret that you did not attend this convention, for you would have witnessed some democratic procedures which would have made you feel some pride toward the teaching profession in general.

The meetings were long, but teachers were loyal.

William G. Carr, NEA Executive Secretary, in his opening address at the convention stated that we were facing a real crisis when larger cities were receiving considerable money from the AFL-CIO to unionize public school teachers. He stressed that this convention, "must defend or surrender the inde-

Use These Lines Only In Case Of Emergency

Livonia Police and Fire Department officials urge all making calls to follow these instructions. Due to the changeover in the telephone system when the new police station was opened, each department has a separate phone for emergency calls and another for administrative or normal calls.

Persons making emergency calls — those which require police, fire, rescue or ambulance attention in which life, injuries, hold up or major property damage is involved — must dial GA 1-1313 for the fire department.

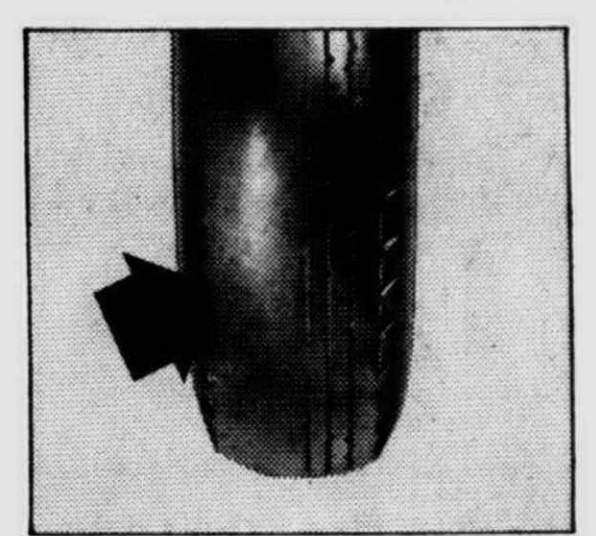

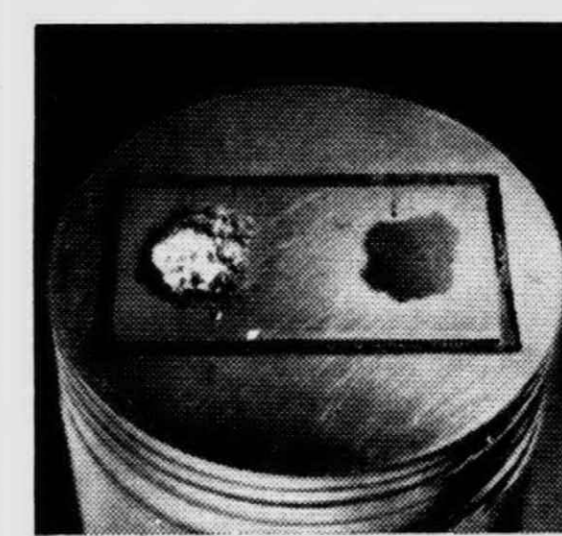

All other calls must be made on the GA 1-2000 line. The department heads notify all Livonia residents to follow the procedure above since all calls other than emergencies will force the person to make a second call to the GA 1-2000 line.

MONEY-SAVERS

Answers to 8 questions on car care that Shell dealers often hear

Shell dealers answer thousands of questions every year. Here are 8 that crop up all the time. The answers have helped many motorists save money. They may do the same for you.

- 1 What's that funny noise I hear?** All cars make some noise. But be particularly alert for any squeals, squeaks, clicks, or rattles that crop up suddenly. Could be anything from a sticking valve lifter to a loose wheel lug. Ask your Shell dealer to help you track down any unusual noise. You may save yourself a big repair bill later on.
- 2 How can I get more mileage from my tires?** Rotate all tires, including the spare, every 6,000 miles. Drive at moderate speeds. Tires can wear twice as fast at 70 miles per hour as at 45. Avoid fast cornering, "jackrabbit" starts, sudden stops. Try not to bang tires against curbs. And check your tire pressure frequently.
- 3 Do I really need a lube job every thousand miles?** Yes — unless you have one of the newer models that doesn't require it. But with any car, remember that frequent lubrication offers your serviceman a chance to spot trouble before it costs you a lot of money. That's why Shell dealers give you a bumper-to-bumper inspection with every Shelllubrication.
- 4 Can knock hurt my engine?** Usually it's more annoying than harmful. But persistent knocking hampers performance and can lead to engine damage. That's why Shell scientists are such sticklers about knock. They even listen for it with stethoscopes and insist that Super Shell contain no fewer than three knock-fighting ingredients.
- 5 How can I make my battery last longer?** Here are four suggestions: 1. Let your Shell dealer check your car's electrical system. Worn wires and loose connections can drain power. 2. Always maintain battery water to the proper level. 3. Avoid prolonged idling with radio turned on. 4. Go driving! Long drives help charge your battery.
- 6 What does TCP do?** Shell's unique TCP* is a combustion control additive. The hot piston device above shows one way TCP works. The glowing deposit on the left has not been neutralized with TCP. In your engine, glowing deposits can ignite fuel too soon, wasting fuel and power. Deposit on right has been "fireproofed" by TCP. No glow — no power loss.
- 7 How often should I change oil?** The American Petroleum Institute recommends an oil change every 30 days in winter, every 60 days during summer.
- 8 Why do my tires wear out on just one side?** Most likely cause: wheels out of alignment. Result: your tires drag against the road and wear unevenly. Unbalanced wheels can also cause uneven wear and make your car shake or shimmy. That's why it's a good idea to keep tires balanced and have wheel alignment checked twice a year.

Now a question for you
Is your car giving you top performance? If there's any doubt in your mind, try a tankful of today's Super Shell. It contains 9 ingredients including a gum preventive, three knock-fighters, "cat-cracked" gasoline, a mileage booster, an anti-icer, quick-starting Butane, and Pentane mix for fast warm-ups.

*Trademark for Shell's unique gasoline additive. Gasoline containing TCP is covered by U.S. Patent 2889212.

Redfordites, Livonians Enjoy Good Neighbor Cruise on Aquarama

It rained most of the day, even though the sun did appear for a short time in mid-day, but that didn't dampen the spirits of more than 300 happy, lake cruise lovers from Livonia, Redford Township and Plymouth who enjoyed every moment of the "Good Neighbor"

THESE FOUR BEAUTIES had a good time during the Aquarama trip. They are: (from left) Irene Giannetti, 14444 Brentwood, Livonia; Patricia Coon, 29744 Buckingham, Livonia; Linda Banwart, 23484 W. Chicago, Redford Twp.; and Kathy Leone, an aid in the Redford Township offices.

ENJOYING AQUARAMA outing are: (from left) Redford Twp. Supervisor Jack McDonald's wife, Joyce, Jack, and Gloria Wells, his executive secretary and a Republican candidate for Township Clerk.

bered by all those lucky enough to participate.

Mayor Harvey Moelke, of Livonia, was aboard with his wife, Bette, and three of their five children, including Sue, 13; Jim, 11; and Sharon, 8. Joann was working and Janice decided to visit friends in Detroit—she made a trip on the ship earlier.

From Redford Township came Supervisor Jack McDonald and his wife, Joyce; Electrical Inspector and Mrs. James Barber and his daughter, Mrs. Judy King of Pensacola, Fla.

And the large Redford Twp. delegation included: Dawn Rice, Gloria Wells, James Thomas of the Water Dept.; Sue Easton, of the Supervisor's office; Kathy Leone, administrative assistant to Thomas Bradley; and Dr. and Mrs. John Vos.

Those were just a few of the gang that had a good

time from the moment the liner left the dock and started the northward trip to Port Huron and the return cruise

NEIGHBORLY SPIRIT is reflected on Aquarama cruise when electrical inspectors of Livonia and Redford Twp. get together for a bit of fun. Those in the picture: (from left) Mr. and Mrs. James Barber, of Redford Twp.; Mr. and Mrs. Stanley Markley, of Livonia, and (front) Mrs. Judy King, of Pensacola, Fla., daughter of the Barbers who made a special trip north to make the lake tour.

to the dock at the foot of W. Gand Blvd. in Detroit. There wasn't any dearth of entertainment — the Aquarama

personnel makes sure that there isn't an idle moment from the start to the finish.

There were two sessions of free banjo; puppet shows, a gala stage show, dancing in the afternoon and early evening with the Redford Twp. Supervisor and his lovely wife doing a very sharp tango.

Mom and Dad didn't have to worry about the kids, the crew took care of them throughout most of the day in a specially supervised area.

Then there were movies, television, sun deck seats if you wanted to get wet, a half dozen dining areas on the various decks and also a few spots to wet your whistle.

PROBLEMS OF Livonia and Redford Twp. have the attention of Mayor Harvey Moelke and Township Supervisor Jack McDonald as they chat during a break in the events on the Aquarama cruise. The group includes: (from left) Mrs. Bette Moelke, Mrs. Joyce McDonald, Supervisor McDonald and Mayor Moelke.

LIVONIA'S MAYOR and family get some inside information about the S.S. Aquarama from Chief Engineer Richard Stetson, who resides at 31809 W. Chicago, in Livonia. The group includes: (from right) Jim Moelke, Sue Moelke, Mrs. Harvey Moelke, Sharon Moelke, Mayor Moelke, Stetson, and Mrs. Peggy Miquelon, newly appointed member of the Livonia Library Commission.

DISCUSSING affairs of the two communities during the S.S. Aquarama cruise are: (from left) Livonia Mayor Harvey Moelke, Florence Glanville, 14984 Sumner, Redford Twp. and Dawn Rice, 15536 Lexington, Redford Twp., who is a Republican candidate for Township Clerk.

Fund For Average Student Is Aim

The Presidents Advisory Council of Livonia, an organization comprised of Livonia's civic group leaders, will present a proposal for the adoption of a "Scholarship Foundation" in Livonia, at their July 25 meeting, (tonight) to be held at 9:00 p.m. at the Rosedale Gardens Club House. (Hubbard and W. Chicago). The scholarship fund will be based on a program initiated by Dr. Irving Fradkin of Fall

River, Mass. It would provide the financial means for the establishment of scholarships to institutions of higher learning for young people of Livonia who have demonstrated mental and technical fitness, but whose available financial resources are inadequate. The scholarships are aimed at helping the average student. "The genius will be looked after. This program will embrace the A, B and C

plus students and give them a chance for higher education."

The young people can choose any college they want to attend and the project includes not only the professions, but technical, vocational, commercial, and nursing scholarships also.

Scholarship winners assume a moral obligation to pay back the money given them, with no interest charged. This makes the fund a revolving one—the old and new money constantly accumulating for the good of the community.

Dr. Fradkin, well known for an article in the March, 1962 issue of The Readers Digest concerning his "Dollars For Scholars" in Fall River, will be the guest speaker at the forthcoming meeting. He will explain the workings of the successful Fall River Plan which has received considerable acclaim. This plan was the beginning of The Citizens' Scholarship Foundation, whose Honorary President is Sam Levenson, TV personality and former school teacher.

Paul Chandler Is Running On the Republican Ticket for Nomination as State Representative, 21st District and Earnestly Solicits Your Vote

PAUL M. CHANDLER

- the man who will give our suburban area a strong voice and Real Representation in Lansing.
- the man known throughout Michigan for his Courage and Independence as a newspaper publisher and editor.
- the man trained in government and politics, since college, through practical experience and education.

HIS PLATFORM

- Solve Michigan's financial problems by a tax plan based on actual ability to pay. Reduce sales, personal property, punitive, "nuisance" taxes and all other taxes which injure the business climate.
- Have a tough, searching inquiry by the State Public Service commission into the rates being charged in the new suburbs by utility and telephone companies.
- Find a new "state aid" formula for schools which provides special help for exploding population areas, during their most difficult growth years.
- Provide substantial property tax exemptions for retired persons.
- Support the new Constitution, and support George Romney in his drive to revitalize State government.

HIS BACKGROUND

- ★ Editor and Publisher, community newspapers reaching 230,000 readers.
- ★ Graduate, University of Michigan, BA in Political Science.
- ★ 42 Years Old, Resident of Livonia, Formerly of Plymouth.
- ★ Pioneer in successful Community College project.
- ★ Former writer, The Detroit News. Former vice-president, Michigan Racing Association.
- ★ President of his own business; knows business problems and business-like approach to government & management.

STATE REPRESENTATIVE

FACTS and OPINIONS

by Paul Chandler

(Continued from Page 1)

Court has guaranteed a complete shambles of the next Senate election.

In the regular primary on August 7, the Senate race won't even appear. Though the ballots are printed, they will be blanked out with pasted sheets of paper.

A "special primary," which costs thousands of dollars in itself, will be held for the Senate seats alone on Sept. 11.

The massive metropolitan votes obviously will elect most of the men, with "organized" party slates being the control.

When the writer of this column decided actively to jump into Republican politics a couple of years ago, after having steered something like an independent course prior to that, the single determining reason was that he had become afraid of the political power of the Michigan labor unions.

One special group has penetrated deeply into local government, County government, State government, the law-enforcing agencies, and the courts. It has "control" in many sensitive places.

In the case of Michigan, the results of this control have been destructive. Our State has shrunk, rather than grown. We have state jitters, rather than confidence. We wrangle rather than expand. Our finances are lousy. Our purposes are confused.

But more than that, the rights of an individual are being weakened... rights which Facts and Opinions, at least, regards as having been given us along with our American birthright.

A "supreme court" which deliberately torpedoes a given primary election so as to turn over a Senate as a package to its labor sponsors, is not the kind of court under which I prefer to live.

The Court's timing was "brazen" and purely political in motive.

This is the ONE election issue from now to November, make no mistake.

Tigers, Angels Clash In Playoff For Title

Thanks to the brilliant pitching of Gene Ammann, the Tennyson Tigers nipped the Angels, 1-0, to win the second half title in the American League of Livonia's Class E baseball league.

With the victory the Tigers also qualified to meet the Angels in a best-of-three series (which was to start Tuesday) for the overall league crown.

The Angels had won the first half title in the league. Ammann fanned 18 and didn't allow a hit until the final inning when rival hurler Bob Mellas clubbed a single.

Mellas deserved a better fate. He gave up only five hits. The only run came when Chris Wendrick walked, stole second, took third on Mellas' throwing error and scored on a ground out.

Meantime, the Jefferson Athletics and the Pierson Cubs were all locked up again in the Class E National League.

The teams had to stage a playoff game to settle the first half crown which went to the Cubs on the strength of a 6-0 win. They ended the second-half race deadlocked and were to meet Tuesday in the playoff.

If the Cubs won, they'd reign as the National champs. A win for the Athletics would force a best-of-three series between the teams.

The American and National League champs will battle for the Livonia city crown and the right to advance into the state tournament.

Livonia's Connie Mack baseball team will fight for survival in the Intercity League playoffs next Saturday.

After winning over Wayne, 6-1, last Saturday in the first round of the playoffs, the Livonians dropped a 7-2 decision two defeats to eliminate a team.

Bill Coleman hurled a five-hitter against Wayne. A five-run second inning in which Dick Gray, Jim Campbell and Steve Pokers singled to go along with three errors and a

walk settled matters. Bill Booth and Lannie Carrier shared the pitching in Sunday's defeat.

One-hit pitching by Dick Kisabeth brought the Plymouth Elks a 2-0 win over Redford DAV in the area Class D baseball league for boys 16-18.

The loss was only the second for the Redford team in nine games and knocked them out of the lead with the Northville Plumbers, who have an 8-1 record.

The Elks now have won five, lost three and tied one. The Wayne Monarchs stand 6-2 in the circuit.

The annual best-of-three series between Livonia's and Wayne's Class E baseball teams gets under way at Riverside Park next Sunday at 1 p.m. Livonia took the series last season.

Lee Schroeder, who coaches the Bisons during the regular season, will be in charge of the Livonians. A mythical trophy is at stake in the series. Schroeder and other managers were to name the Livonia team this week.

Tait's Cleaners with a record of seven wins in nine starts holds a half-game lead over Vico Products (7-3) in the Plymouth Recreation softball league.

Tollhouse and Pursels are deadlocked for third with 6-3 marks. DeHoCo has won five, lost four and tied one.

Other team records: IBM 4-6, Carlings 4-5, McAllister 4-7, Plymouth Plating 3-6, Men's Lutheran 3-5-1 and Box Bar 1-7.

The Police and the Madison playoff slo-pitch teams of Livonia plan a rematch after the men-in-blue engineered a 17-12 victory last Thursday.

Gerald Vorbeck and Bob Mitchell paced the victors while Curt Oger, Rod Burke, Carl Face and Gary Hoffonen turned in fine work for the losers under the guidance of Art Whitefield, the playground director at Madison.

Swimming Loop Unique

Unique is the word which best fits the summer recreation swimming league in which the schools of Plymouth, Redford Union, Thurston, Bentley and Belleville are participating this summer.

Each team is led by the high school swimming of the particular community. John McFall guides Plymouth, Larry Joiner runs Bentley, Joe Mrauna Thurston, Ralph Deetz, Redford Union and Bill Brandel Belleville.

"We all have at least 70-75 youngsters on our teams," declared McFall. "We have the biggest turnout of over 100."

To give as many different youngsters as possible a chance to compete, the first four of the five meets involving the teams were booked on a relay basis. Three of the relay carnivals have gone by the records with the last one this Thursday afternoon at Belleville.

The summer's highlight comes on Thursday, Aug. 2, at Bentley when the youngsters will vie on an individual basis.

Swimmers are broken down according to ages. The youngsters have an age maximum of

'Downs Pits Top Pacers In Handicap

With only nine nights remaining on its 42-night campaign, Northville Downs is looking forward to some of its finest racing as a result of new stables checking in from Chicago, Buffalo and Toledo.

At the moment, the meeting which continues through Saturday, August 4, is almost equal to that of a year ago in betting and attendance and 'Downs officials believe the track has an excellent chance of ending the year slightly ahead of 1961 figures.

Latest reports show the mutual handle is near par with 1961 as a result of a surge in the past two weeks. That surge also has been reflected in the nightly attendance which has shown a steady increase.

Pacers will step into the limelight Friday in a \$2,000 handicap that matches the top stars on the grounds. Heading the list is the double-barreled entry of Royal Worthy and Hodge Podge from the Tommy Winn stable.

The others include; Cliff Abbe, Ronny C. Grattan, Carolyn Grattan, Butch Harmony and Sunny Byrd.

Quarter Horse Race Heads DRC Program

One of horse racing's most hotly contested rivalries will receive another test Saturday when the Detroit Race Course will host the annual visit of the Michigan Quarterhorse Breeders' Association.

Thirteen of the nation's nation's fastest quarterhorses qualified recently for a part in the activities with an even dozen going to the post in a quarter-mile quarterhorse championship race at 1:15 p.m.

Post time for the first thoroughbred race will be 2:00 p.m. but the quarterhorse championship will go at 1:15 p.m.

Youth of Plymouth To View Live Drama

The Plymouth Theatre Guild has announced that during the next season it will work in co-operation with the Plymouth branch of the American Association of University Women in presenting live drama to the children of Plymouth.

In the past week the Guild submitted to the AAUW a script for "The Fisherman and his Wife," the fairy tale by the Brothers Grimm. The script now is in a stage of final revision. The production will be given early in the fall this year.

The AAUW has had great success in presenting children's plays to the community. Last year their production of "Rumpelstiltskin" played to capacity audiences of school children. Ticket sales were handled through the schools and response was so overwhelming that the three originally scheduled performances were expanded to four. The AAUW will present a show of their own in early spring next year.

It is felt the Theatre Guild's entrance into the field of children's theater will increase the quality of their adult productions and enable the Guild to choose plays of a higher caliber than might otherwise be possible. Currently the Guild is giving final consideration to five scripts for next season's plays. Included in the group are two mystery dramas, one straight drama and two comedies, all of which have been popular hits on Broadway in the past few years.

LESTER JOHNS
Johns Named B-G-R Boss In Plymouth

BRISTOL, CONN. — Lester Johns has been appointed general manager of the B-G-R division of Associated Spring Corp. by President Carlyle Barnes.

As general manager of the B-G-R division, Johns is responsible for all marketing and manufacturing interests of the Corporation in the Michigan area, including operation of plants in Plymouth and Ann Arbor.

Since 1959, Johns has been vice president of operations of the Johnson Bronze Co., New Castle, Pa., which he joined as assistant to the controller. In 1948 he became treasurer and in 1954 was promoted to vice president of manufacturing.

Prior to his association with Johnson Bronze he was factory accountant of the Fairchild Aircraft division of Fairchild Engine & Airplane Co. in Hagerstown, Md.

Plymouth 9s Stay Close To Leaders

Fisher Shoes and Kiwanis, both of Plymouth, remain hot on the heels of pace-setting Northville Plumbers in the Western Wayne County Class E boys baseball league. Plumbers has won seven and tied one in eight starts while Fisher has a 6-3 mark. Kiwanis has won five and dropped three, along with the Novi Giants.

Finland Real Estate of Plymouth has a 4-2 mark. Novi Tigers follows at 3-5-1. Bill's 3-5, Northville Recreation 3-7 and Wayne County Training School 1-7.

Football-type scores marked last Thursday's action in the league. Kiwanis piled up a 24-7 win over the Training School as Fisher trounced Northville Recreation 16-6, and Plumbers rocked Bill's, 15-0. The Giants beat the Flyers, 10-2.

United Negro College Fund Hits Midmark

Midpoint total of the 1962 United Negro College Fund drive in Michigan has produced \$106,033.25 or 53 per cent of the total campaign quota, it was announced today by Frank G. Armstrong, vice president of Burroughs Corporation and general chairman for the 1962 drive.

Two major automotive concerns led the 1962 donors. The General Motors Corporation has given \$35,000 to the fund; the Ford Motor Company, \$25,000.

Other major donors include the American Motors Corporation, \$1,500; National Bank of Detroit, \$1,250 and the Bell Broadcasting Company, Burroughs Foundation, Detroit Edison Company, Parke Davis & Company and Shaw-Walker Company of Muskegon have given \$1,000 apiece.

The United Negro College Fund is an annual drive to maintain 32 private, accredited colleges and universities in the southern United States. None of the schools are beneficiaries of government aid, and all must depend substantially upon this annual campaign for maintenance.

Troubles Starting For Detroit

William Ronald Quimet, 11095 Whitmore, Detroit, was fined \$25, placed on six months probation and ordered to make restitution for a bad check in a hearing before Municipal Court Judge Harry Deyo.

Quimet was arrested on a charge of issuing a bad check filed by Carl Peterson of Peterson's Drug Store who charged he had cashed a check for \$10.

However, Quimet's troubles are just starting for Plymouth. Police Chief Kenneth Fisher was notified by Detroit authorities to hold him for violation of probation and other charges.

Plymouth Obituaries

JOSEPH BAILEY

Funeral services for Joseph Bailey, 58, 416 N. Main, Plymouth, were conducted in the Schrader Funeral Home on Friday by Rev. Henry Welch. Burial was in Holy Sepulchre cemetery. Mr. Bailey died on July 18 in Wayne County General Hospital. He was born Aug. 1, 1903 in Springfield, Mass. and was employed by Chrysler Corp.

Surviving are: his wife, Mrs. Lula Mae Bailey; three sons, Theodore of Florida, Robert of Wayne, and Joseph in California; two daughters, Mrs. Josephine McGarry, Plymouth; and Miss Brenda Bailey, Plymouth; three brothers Jack of Livonia; Peter in Massachusetts; William of Northville; and a sister, Julia of Massachusetts.

JOSEPH BARHAM

Funeral services for Joseph Alton Barham, 55, 794 York St., Plymouth, were conducted at the Schrader Funeral Home Monday. Burial was in Glen Eden cemetery in Livonia.

Mr. Barham died suddenly Saturday morning in St. Mary's Hospital in Livonia. He was born March 7, 1909, in Fulton, Ky., a son of Joseph and Susie Malray Barham. He was employed by the C & O railroad.

Surviving are: his wife, Mrs. Maurine Barham; a son, Joseph of Plymouth; two daughters, Nancy of Plymouth and Mrs. Martha Carter, Garden City; three brothers, William and Gus of Fulton, Ky., Calvin of Royal Oak; one sister, Mrs. Estelle Hutchins, Mayfield, Ky.; and four grandchildren.

CONGRATULATIONS UPON completion of 10-year service with the Detroit Diesel Engine Division of General Motors Corp., are given to James Albrecht (left) by Merchandising Manager Edward Bick via telephone while Advertising Manager Don Clymer presents the 10 year award. Albrecht, sales promotion manager for the division resides, at 9924 Norman, Livonia, with his wife and two children.

SCHOLARSHIP WINNERS from Livonia receive congratulations from William Pine, Ford Motor Co. scholarship program director, after announcement of winners at the Ford Rotunda. The company presented awards to 70 sons and daughters of employees. All cover tuition, fees and a major portion of the living expenses. The youngsters from Livonia are: Rosa Naparstek, 19376 Antago, and Thomas Napolitano, 9819 Roseland.

Looking Around Plymouth

Although nobody seems to be talking about it, the Plymouth Chamber of Commerce "offered" the Community College trustees "between \$50,000 and \$100,000" to help buy a site, if the Trustees would pick a location within the Plymouth school district. The money would be raised by "public subscription," a spokesman said. School and city officials in Livonia are pressing hard to have the college placed there.

A year ago the Junior Chamber of Commerce sponsored a raffle and barely broke even in the annual Fourth of July celebration. This year it dropped the raffle and wound up with a net profit of \$600.

The City Commission is studying a request from a nationally known auto manufacturer to build a large warehouse on Plymouth Road, near the site of the new RCA plant. No action has been taken yet but a decision is expected within a short time.

Plymouth's urban renewal program will cost the city around \$70,000 but the city fathers are firm in their belief that the additional tax base will more than take care of the loss within a few years. They haven't had a bit of trouble disposing of the land made available by the program—all to industry for expansion or new developments.

Niemi Named Chairman Of Finance Committee

Harold Niemi, immediate past president of the Plymouth Community School District, will head the all important finance committee for the 1962-63 fiscal year.

Niemi's appointment was announced by Board President Gerald Fischer along with all other key committees.

Aiding Niemi on the finance committee are: Fischer, Ernest Henry and Robert Soth.

Other committees are: curriculum, Esther Hulsing, chairman, Robert Utter, Peter Zylstra and Henry; facility planning, Soth, chairman, Niemi, Utter and Zylstra.

List Top Stars For State Fair Coliseum Shows

Jimmy Dean, the Shirelles and the great Kingston Trio... that's the start of an imposing list of stars announced by General Manager Walter A. Goodman for the Coliseum shows at the Michigan State Fair which opens Friday, Aug. 24—a week earlier this year.

The Coliseum admission price has been reduced this year from \$1.50 to \$1.00 for adults and children 12 and under 50 cents.

As in the past, there will be two distinct shows in the Coliseum on the first and second week-ends. The first week-end, Aug. 24, 25 and 26, features Jimmy Dean, The Shirelles, Shelley Fabares, Roy Orbison and the Casuals with Bobby Beckham and Gary Miles.

Ethel Perkins, Farrand School teacher, turned in her resignation to accept a position in the Ann Arbor School system. The resignation was accepted after Supt. Russell Isbister indicated the new assignment was quite a promotion for Miss Perkins.

Fire Loss Hits \$1,235 in June

The City of Plymouth's fire loss totaled \$1,235 for the month of June according to the monthly consolidated report made to the City Commission.

The fire department had a total of 12 alarms during the month, four for fires and eight for emergencies, investigations and false alarms.

The fire loss for the year totals only \$8,090 compared to \$58,395 for the same period in 1961.

LIT to Offer IM Courses at Night Sessions

The mushrooming need for personnel trained in the scientific aspects of management has brought a revised program of Industrial Management courses at Lawrence Institute of Technology.

And, for the first time, the Industrial Management curriculum will be offered in the Evening Division as well as Day Division at the Ten Mile-Northwestern College.

Applications are now being accepted. Deadline for filing the applications is Aug. 17.
