Teachers, Workers Get Pay Boost

Wednesday, August +5, 1962

Bd. Hikes Pay Of All But Supt.

Fulfilling a promise of cost ployes if voters approved the 5-mill levy, the Plymouth Community School Board boosted the pay of teachers \$100 and that of other workers, in the special meeting last Wednesday.

The professional group includes all under contracts and the non-professional workers are those in maintenance, clerical. transportation and custodial ranks.

intendent in charge of business night. affairs, and to Carvel Bentley, principal of Plymouth High School

William Harding, who was named supervising principal of the two junior high schools. received a salary adjustment of \$250 in lieu of the additional responsibilities he will assume at the start of the school term.

Harding has been serving as principal of the junior high east.

One girl said, 'we know The members rescinded that we have a leader who has our best interests at heart'."

The Future: "I have become much more optimistic about the state of the world. If these young people are typical of most Soviet youths and if this trend toward surance program for employes, liberalization continues and if these youths keep their present views when they assume leadership in the government here, I think an area of common ground between our two countries will be found."

When Dave departed in June, the editor gave him additional information is reone writing assignment.

The original Livonia is located behind the Iron Curtain, a province near the Baltic. Our suburban city was named after the place in the old country.

Dave was to go to the original Livonia with his long lines to the Park Lane was deemed necessary to spell camera and typewriter and send back a picture story for The Observer.

This week he writes: "Bad news. I can't get to side Drive, was named assistant Livonia. The official explanation is 'tourist facilities are principal of the new junior too crowded' in Riga and the other Baltic cities."

> We're sure our man won't miss the comparison with the U.S., where it's the reporter who makes the decision as to whether facilities are "too crowded."

Gerald Fischer, president of the Plymouth Community School District Board of Education, explained the Board's action in three administrative salaries with a summary from reports of the Metropolitan Detroit Bureau of School Studies.

Before finalizing the administrative salaries, the Board reviewed a comparison of the 1961-2 salaries in Plymouth with the median salaries in all Detroit-area districts of comparable size," he said.

"The Board voted increases for the assistant superintendent, senior high principal and junior high principal but kept the superintendent's salary unchanged from the \$17,000 established in three-year contract just a year ago.

"The comparison of the annual salaries in comparable

The good news came from the Wayne County Drain Commission, who told of a surplus of \$293,000 of which \$275,000 will be distributed to the various communities participating

The Township refund follows close on the heels of a similar The City Commission was told 10 days ago that it was entitled to a \$11,099 refund.

Supervisor Roy Lindsay indicated the money will be used by the Board to further work in the township. The board voted to accept the check and will send a resolution to that affect to the Drain Commission.

A month ago, the Board voted to award a contract to Paul Weidemann Inc., 470 S. Main action in last week's meeting.

Dedicate Jr. High On Oct. 11

Although students will start classes in September, the formal dedication of the new junior high school won't take place until Thursday, Oct. 11.

That was the decision of the Plymouth Community School Board in its special meeting last Wednesday.

The Board decided to wait for an opportune time when it could have the dedication without interfering with daily classwork.

The school will be closed on acceptance of the Park Entrance Thursday and Friday, Oct. 11 and 12 for the annual Teachers Institute and the Board picked the Thursday date for the dedication.

The building will be open for tours in the morning and afternoon and the official dedication ceremonies are slated for the evening.

Fire Losses In Plymouth Hit New Low

Fire losses in the City of Plymouth continue at the lowest rate in years, according to monthly report to the City Commission by Assistant Chief Charles Groth.

The firefighters had 16 calls in July with total damage of \$82 contrasted to \$2,585 for July of 1961. The total fire loss for 1962 to date is only \$8,172 compared to \$60,980 for the first seven months of 1961.

The department answered five calls for emergency or rescue work; three for fires in buildings or dwellings; one for a grass fir; two in business

The total valuation was more

1. Make your own roadside emergency kit and always carry it in your trunk. It could save you a lot of trouble someday. Your kit should include: a spare fan belt, a strong tow rope, a gallon can of water, a flashlight with extra batteries, pliers, screwdriver, and several wrenches.

2. Check both your spare tire and jack. A flat tire is usually more annoying than serious. But it can leave you stranded if your spare is flat or your jack doesn't work. So always have the air pressure in your spare checked at the same time as the rest of your tires. And make sure your jack is in good working order.

3. Find out where your car fuses are located. Your car has fuses that do the same job as the ones in your home. And they're just as easy to replace if you know where to find them. So have your Shell dealer show you where each fuse is. And carry extra fuses in your glove compartment.

4. Hide a spare ignition key in your car. If you've ever lost your keys in the back country, you know how important this is. Be sure that everyone who drives your car knows where the extra key is hidden.

5. Check for the three troubles that cause nearly half of all breakdowns. The American Automobile Association reports that tires, weak batteries, and faulty electrical systems account for 45 percent of all car breakdowns. So have your Shell dealer check all three frequently.

6. Don't plow through water. Here's a good rule to follow. If there's the slightest

chance that the water is deep enough to reach your tailpipe, turn your car around and look for an alternate route. This may take you a few miles out of your way, but it's better than stalling in water.

EXTREMELY IMPORTANT: Test your brakes after driving through water. Even a few inches of water can cause temporary brake failure. If this happens, drive with extreme caution until the brake linings dry.

7. Don't let your gas tank get below half full in lonely country. Americans ran out of gas more than 2 million times last year. If you know you'll be driving in a remote area, fill up before you get to it. And check your gas gauge regularly in isolated country. It can be a long way between service stations.

8. Try these tips if a stuck wheel nut keeps you from changing a tire.

- a) Make sure you're turning the lug wrench the right way. Some cars have right-hand threads. Others have lefthand threads. And they're not always clearly marked.
- b) Give a stuck nut a few sharp raps with a hammer or rock. (Be careful not to hit any exposed lug threads). Then try the wrench again. If the nut still refuses to budge, try turning the wrench with a sudden snapping motion.

9. Try "rocking out" when you're stuck in mud or sand. Put the car in reverse and apply power gently. As soon as the wheels start to spin, reduce power and shift into forward gear. Ease forward until the wheels

Watch world champion driver Phil Hill demonstrate Super Shell's 9 ingredients on TV.

spin again. With each back and forth rock, your car should go a little further-until you're out of trouble.

10. If "rocking out" doesn't work, build a pathway of sticks. Place sticks or branches in front of and under the rear wheels. Start the car forward slowly, and gradually increase speed. By the time you reach the end of your path, you should have enough momentum to carry you forward.

No matter how pollyanna we may be' in our approach to life-even the most optimistic of us must admit it is a cock-eyed world indeed when we deal with economics.

When we are knee deep in debts, starting a family and making payments on the necessities of life such as a second car, a dishwasher and portable TV, plus buying shoes, shoes, and shoes, glasses for someone of the family, paying fantastically for someone's straight teeth, school books, scout dues, milk bills, new tires, insurance, and the usual-this is the time vacation looms and with it the idea of a cottage on a pleasant, safe lake for young folk.

In the average family, however, only the grandparents, with their children all raised and their days of paying for the above minimized, can afford to pay for the ideal set-up for young children. And who needs it. By and large they would rather stay in the quiet of their home.

I've heard of more grandmas wishing to not have to go to the cottage this weekend, and more young mothers and dads wishing they had one. Sometimes they do manage to meet in the middle before all the kids are in college-families sometimes manage to get ding at The Star of the Sea the cottage before all have left the nest.

The same supply and demand holds true in woman-power if you think about it. There are hosts of women with wit and wisdom sitting home doing petti-pointe, who would love to be in the work-aday world a bit. But gracious, when is the last time you have read an ad for Female Help wanted that didn't limit the age to some ridiculously low, hardly even fully-matured, 30?

In the age bracket where there is the demand 18-30 happens to be the busiest time of a woman's life in the home, the time when she is reproducing and concentrating on raising same.

Today hospitals both public and private, public health organizations, welfare and social agencies and the like are badly understaffed.

A nationally syndicated columnist, Max Lerner, in one of his more wild moments suggested a "draft for girls" to supply this need.

His idea was a form of service for girls at the age of 18 for two years with deferments and exemptions similar to those in practice for men. This is not for Mr. and Mrs. Elmer C. Koenig military purposes, but a Home Corps, to fill the need of 26320 Dow Road in Redford in individual communities. He said this too, might Township, Michigan, announce conceivably postpone the "early-marriage panic now the coming marriage of their characterizing our society."

efta, with re-embroidered Alencon lace, appliqued flowers and seed pearls outlining the portrait neckline, short sleeves and fitted bodice. Her fingertip and blush veils of bridal illusion fell from a diadem of pearls and rhinestones. Wearing elbow length gloves the bride carried a cascade of Amazon lilies, Stephanotis, and trailing ivy.

Patricia Magnusson acting as matron of honor wore a seagreen chrystaline sheath, fashioned with a molded bodice, short sleeves and bell over skirt. A matching headpiece and shoes of sea-green completed her attire. She carried a cascade of yellow centered white Shasta daisies.

Her other attendants were Janet Fox, sister of the groom in willow-green, Charley Samhat, aunt of the bride in willow-green, and Jeanne Pickett in sea-green. Their gowns were fashioned like the honor maids' with matching shoes and headpieces. They too carried yellow centered white Shasta daisies.

Flower girls, Linda Samhat, cousin of the bride and Diana Marinaro, of Denver, Colorado a cousin of the groom, wore white organdy over yellow. daisies in their hair and carried willow baskets strewn with yellow centered white Shasta daisles.

Sherman Robinson of Denver, Colorado an uncle of the groom performed the duties of best man. Seating the guests were Richard Roark, brother of the bride, Alan Sloan and Ralph Mills, cousin of the groom.

A breakfast was served to the bridal party and immediate family at Knights of Columbus Hall, Livonia. An evening dinner and reception at the same hall honored the newlyweds and about 400 guests.

Mr. and Mrs. Goscinski motored to Denver, Colorado, Las Vegas, Nevada and surrounding areas for their wedding trip. After an extended honeymoon the couple will make their home in Ypsilanti where the bride will begin teaching this fall.

The bride is a Bentley graduate, class of 1958, and attended Eastern Michigan. The groom is a Thurston graduate, class of 1957, attended the University of Colorado and Eastern Michigan.

Among the out of town guests were Mr. and Mrs. William Pachy, Columbus, Ohio, Mr. and Mrs. Willard Drais, Leesburg, Ohio, Mr. and Mrs. Benjamin

Romney Campaigns Here

GEORGE ROMNEY WHIRLED THROUGH our local district for almost nine hours last week, visiting city and township halls, employe congregations, factory gates, stores and politial meetings.

For more than an hour, he greeted employes at the Burroughs corporation plant in Plymouth. Then hen went to Plymouth and bounced in and out of stores down main street.

Prior to that the Republican candidate for governor had been in Redford Township hall, where Supervisor McDonald introduced him among others to Mrs. Virginia Smith, who happens to be the wife

of Sam Smith, 17th district Democratic chairman. They had a pleasant few words during which Romney observed, "if more people would put citizenship above partisanship in this state, we'd have a better place to live."

In Livonia he drew a large crowd of employes at the DPW garage. He said there he was aiming "to put an end to this cold political war which has so hurt Michigan" and noted that he had been able to put disagreeing groups into harmony at American Motors, in a Detroit public school fund drive, and elsewhere.

MAYOR MOELKE OF LIVONIA had a tew serious moments of talk with George Romney at the City Hall. During their conversations Moelke urged

high jinks.

> > Hudnut, for many years a builder of champions at Bentley,

has been moved to Franklin. where he hopes to develop a second gridiron power for Livonia. Joiner has been promoted from the role of assistant to take over the reins at Bentley.

All of the coaches - Jack For this year only, Franklin will play an independent schedule, meeting some of the strongest teams in Southeastern Michigan. Effective with the 1963 campaign, Franklin will enter a new circuit which will include Thurston, which is parting company

First games are scheduled for | with the Mid-Wayne League.

Bentley, Plymouth and Red-Suburban Six League, St. Agatha remains as a member of the Detroit Catholic League.

All of the coaches have sent letters to their candidates, outlining when they are to report to pick up their gear and undergo physical tests.

Most sessions are listed for Friday morning although Joiner has instructed his returning seniors and any new seniors to show up this Thursday.

It is expected that upwards of 100 will report at Bentley and Franklin. Thurston coach Young looks for a turnout which may hit 200. Redford Union and Plymouth should have at least 85 roster probably won't number more than 40.

Except for St. Agatha, the other five high schools will have reserve as well as varsity teams in action.

All of the candidates-varsity and reserve- will work together for at least 10 days before the squads are split for the start of regular play.

Under state high school rules, each school may schedule one pre-season scrimmage against another team. The coaches haven't picked a date as yet, al-Saturday before the season's

Once the first game is played, schools may book as many

SPORTS OBSERVER

By George Maskin-

HITTING IT HIGH AND HITTING LOW:

And are you looking for someplace to enjoy an enjoyable evening with your wife? (We're assuming, of course, that you have a missus)

Why not try the harness races, sponsored by the Wolverine folks, over at the Detroit Race Track at Schoolcraft and Middlebelt

There's something intiguing about dinner under the stars and watching the horses chase by. If your fortunate enough to have a few winners, the night becomes all the more satisfying.

There's a very interesting article dealing with high school football in the current edition of Look Magazine.

The story points out that there were only 1.6 deaths per 100,000 who performed on schoolboy grid teams in the nation last fall. And the number has stayed fairly constant in recent years.

Educators and other learned folks are quoted as saying that high school football pays handsome dividends to those who are properly prepared for prep teams.

Also stressed is the fact that most of the high schools go to great extremes to make certain that the youngsters receive on deck, while the St. Agatha the attention, the coaching, the equipment and everything else which help to keep injuries to a minimum.

> Certainly our six area high schools would fall in this category. So, if you're a pop or mom, don't worry. *

> It'll be a strange sight over at Bentley high school this week without Jack Hudnut around to direct the distribution of football equipment.

> Hudnut became an "institution" at Bentley in the past decade leading the Livonians to a string of championships in the Suburban Six League.

Now Hudnut goes "south" to the new Franklin High School. He will have his work cut out there, working with many boys who have had next to no football experience under their belts.

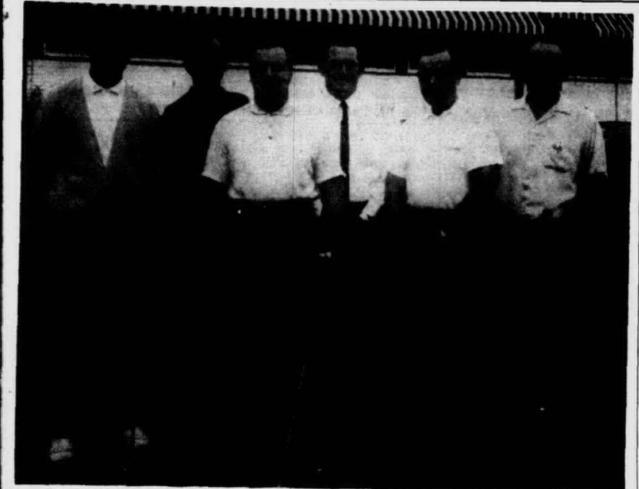

The Diefenbacher twins-Dick (left and Johnwho were stars in the Redford Township summer recreation baseball program. The boys played under Coach Glen Goode, who was a star at the Univeristy of Detroit and a standout this years on the Ivory team in the Detroit Amateur Baseball Federation. Dick and John are 10 years of age and the sons of Mr. and Mrs. Gilbert Diefenbacher who reside on Nathaline Avenue.

Gals Trade Shots For Livonia Crown

The annual Livonia women's Janet O'Connor's 75 led in golf tournament, an invitational Flight D. Walli Paas counted

(PII RII)

GOLFERS, who finished among the top six in the Livonia Parks and Recreation program, are shown making plans to compete in the annual state tournament next month. The group and the position in which each

finished are: (from left) Dean Mathews, fifth; William Woods, fourth; Al Morehead, tie for second; Robert McCamant, tie for fifth; John Garmager, the champion; Benton Yates, second.

Thief Strikes At Golfer's Locker

George Zoumbaris, 20014 Golf Club, 36780 Five Mile turned a few hours later, he Sunbury, Livonia, left his golf Road, while visiting with told Livonia police. He valued the locker room at Idyl Wyld All had vanished when he re- the articles at \$280.

Redford Teams Capture Honors in Tournaments

A double-barrel salute goes, to third, out to Redford DAV and Redford Champion Sporting Goods. the champs and runnerup, respectively, in Livonia's Class D summer baseball league.

Both DAV and Champion stepped out into outstate ccompetition last week and each came up a winner.

DAV, playing in the state district tournament at Jackson, turned back host Jackson, 4-3, to qualify for the state semifinals which were scheduled for this Tuesday.

Champion, playing right up to its name, annexed the Class D Inter-City title by scoring DAV pushed over three runs three straight victories at Dearborn.

The DAV-Jackson battle was a thriller. The DAV team, composed for the most part of Redford Union high school players, pushed over the winning run in the seventh inning on some alert base running by Bull Driscoll.

The inning opened for DAV when Gene Hamlin walked and advanced to second on a sacrifice by Mike Medworth. Driscoll then hit a bouncer on which Hamlin was nailed at third. Rick Clark, who pitched the route for DAV, helped his own cause by singling Driscoll

At this stage Clark was picked off first. But while he was being run down, Driscoll took off from third and crossed the plate before Clark was tagged for the

final out of the inning. Clark then stepped to the rubber, struck out three men and finished with a total of 13 whiffs for the game. He fanned seven of the last men to face him.

It took an uphill battle to Jackson, 7-4.

The hosts grabbed a 2-0 lead in the second and the advanton successive singles by Bob Green, Hamlin, Bedworth, Driscoll and Don Keys.

A single and three stolen bases brought Jackson even again in the fifth and set the stage for the winning splurge by DAV in the seventh. The Champion Sporting

team started its title drive by gaining a 7-1 verdict over Dearborn Township, Don Walker hurled the route for the victors, fanning ten, walking two and allowing only four hits.

A triple and single gave Dearborn an early lead, but Champion got even in the third when Rick Sloane walked,

The advantage quickly faded when Wyandotte tied the score in the bottom of the fifth.

But in the sixth, hits by Black and Sproul, along with an infield out, netted Champion what proved the winning run. Unampion counted an insurance tally in the seventh when Swiss singled. Wooley sacrificed and Sloane singled.

Dance With Beneke

There'll be dancing under the stars to the "big band" music of Tex Beneke at the age held until the fifth when Michigan State Fair August 24-September 3. The Beneke show, "Music Made Famous by Glenn Miller," will be presented free nightly in the Music Shell.
