

## Ordinance To Check Peddling

A stiff ordinance regulating the licensing of peddlers and transient merchants will go into effect in 30 days in Plymouth Township.

Approval of the ordinance took place at last week's meeting of the Township Board.

Until recent state legislation was passed, townships had no authorization to regulate peddlers.

According to the new ordinance, a cash or surety company bond of \$1,000 must be filed by the licensee applicant with the Township clerk. The bond would condition prompt payment by the applicant for any judgments rendered against him for any violation of the ordinance or filed by a person for damage growing out of any misrepresentation.

The applicant must also file a document appointing the Township clerk as his agent with power to accept a service of process in any matters connected with business the applicant transacts.

The applicant also must have his fingerprints on file with police.

No licensee shall be entitled to more than one helper on foot for each vehicle used in the business.

Fresh meat cannot be sold upon any street or public place.

No peddler can create a disturbance by using an instrument, horn, bell or device.

They cannot remain in any one place longer than a time necessary to make a sale to a customer or a period of 20 minutes.

He cannot sell food products within 500 feet of a school when the school is in session or permit large numbers of persons, particularly children, to congregate upon the public streets.

The applicant must pay a minimum fee of not less than \$25 for the first month; \$50 for three months and \$100 for six months.

Violation of the ordinance will be punished by a fine of up to \$100 or 60 days imprisonment, or both.

**Plymouth Twp. Holds Line On Millage Rate**

A motion to set the Plymouth Township millage at 3.5 mills for the December tax collection was approved by the Board at its meeting last week.

The figure is the same as last year.

The 3.5 mills will be levied on a state equalized valuation of \$58,179,869. It should yield \$196,830.

The 3.5 mills will be divided this way:

- One mill will go for Township operation. Total, \$56,180.
- Another mill will be used to retire a \$100,000 water bond issue. Total, \$56,180.
- The other 1.5 mill will go toward retiring a \$790,000 sewer construction bond issue. Total \$84,270.

There will be no millage needed for sewer and water department operation for Fire Hall No. 2 or for the Middle Rouge Interceptor sewer—projects and items which required tax support in the past.

**Kiwanis Pays For Band's 'Away' Trips**

It appears that the Plymouth High School Band will be traveling to all out-of-town football games after all—thanks to the Plymouth Kiwanis Club.

Last week, the Band Parents Assn. appeared before the Board of Education to ask if the policy of allowing but one out-of-town trip could be softened for the band. But the Board stood firm.

"It seems to me that the band should be able to go to these games somehow," Ernest Henry, newest member of the Board, declared. So he took the problem to the Kiwanis Club, of which he has been secretary for many years.

Kiwanians decided to provide the \$75 needed to send two school buses to each of the three away games.

**HOW TO APPLY** mouth-to-mouth resuscitation was demonstrated for the first time last week by City fireman by use of Resusci-Anne, a rubberized dummy that reacts to resuscitation methods like a human. Lt. Paul Saunders, right, helps a member of the Senior Citizens learn the technique. Similar demonstrations will be performed before other groups in the future.

## Resusci-Anne Joins Life-Saving Campaign

A new employee has joined the ranks at City Hall.

She is about 16 years old, works for no pay and lives in a trunk.

Her name is Resusci-Anne.

She made her public debut last Thursday before the Plymouth Senior Citizens and before many months pass, she will become acquainted with hundreds of other people.

Resusci-Anne is the property of the City Fire Department and is used to demonstrate methods of resuscitation, including the highly-publicized mouth-to-mouth method.

Made of rubberized fabric, Resusci-Anne comes neatly packed in a small trunk. She is blown up by a small hand pump and looks very real. Unfortunately, her eyes are never open, because Resusci-Anne is the perpetual victim of some type of respiratory malfunction.

Deputy Fire Chief Charles Groth led the discussion last Thursday as Resusci-Anne made her bow before the Senior Citizens at the Fire Station No. 2. Lying out on a table, the life-like form is given closed chest cardiac massage and mouth-to-mouth respiration.

"Pressure inside the dummy is exactly the same as you would encounter if you were attempting to force air into the lungs of a human," Groth explained. A mercury column gage measures the pressure.

Both the head and body feel like skin and the color is similar to that found in a human.

After the demonstrations, the audience is invited to come up to practice mouth-to-mouth resuscitation. A plastic shield is placed over the mouth of the dummy for each person so that the practice is sanitary.

Groth explained that some people would hesitate to use mouth-to-mouth resuscitation on a victim, especially if it was someone they did not know.

"But most people would do anything to revive a member of their own family and this is a chance to

Miss Resusci-Anne

learn," he added.

Resusci-Anne is the creation of a Norwegian doctor, Asmund Lardal. Dr. Lardal had friends whose daughter was the victim of drowning and he felt that knowledge of

**Started with 10 Musicians**

100 Pieces in Rehearsal For Symphony's 17th Year

It was in the spring of 1945 that 10 Plymouth musicians met in a home to organize a strong orchestra.

Next month, that orchestra will begin its 17th concert season and the membership of 10 has now grown to 100.

The Plymouth Symphony Orchestra, under the direction of Wayne Dunlap, will begin its new season with an evening performance on Saturday, Oct. 20 in the Plymouth High School gymnasium. The concert begins at 8:15 p.m.

All other concerts in the six-concert series will take place on the traditional Sunday afternoon hour of 4 o'clock.

As usual, all concerts are free. They are sponsored by the Plymouth Symphony Society.

The string group that formed in 1945 played for church groups, ice cream socials and "for anyone who would listen." Then, in 1946, Paul Wagner came to Plymouth to direct the High School band and he took the stringed group under his direction.

Under the name of Plymouth Symphony Orchestra, it grew to 35 members and gave its first public performance under that name on Sunday, April 20, 1947. When Wagner left Plymouth in 1951, the Society found a replacement in Ann Arbor where Wayne Dunlap was conducting the University Orchestra. He has remained here ever since.

Soloist for the opening performance Oct. 20 will be James Mathis, a highly-talented young pianist who has a Carnegie Hall recital set for later this year. A native of Texas, Mathis has studied with Van Cliburn and is re-

gnized as an outstanding artist.

He will play Piano Concerto No. 1 in D flat, Op. 10 by Prokofiev and Piano Concerto No. 23 in A Major, K. 488 by Mozart.

Conductor Wayne Dunlap finalized arrangements for Mr. Mathis' appearance here when the two met in Europe this summer. Dunlap spent most of the month of August there attending the major music festivals.

The Oct. 20 program also includes Canzon per sonar a 10 - Gabrieli-David, Nocturnes - Debussy and Three Dances from "The Three-Cornered Hat" - De Falla.

Sitter service for children over the age of two years will be provided at the afternoon programs which start at

# To Form Authority For City Hall Construction

## Move Fast to Secure 50% Federal Grant

A motion that set the wheels turning for the formation of a "City of Plymouth Building Authority" to construct a combination city hall and community building was approved by the City Commission at its meeting Monday night.

City Attorney Edward Draugelis was authorized to prepare the articles for the authority. At the same time, authorization was given to invite architects in for interviews next week and the City treasurer was asked to negotiate for several pieces of property.

The sudden rush to make preliminary preparations for constructing a city hall was brought about by the recent passage of the Public Works Acceleration Act by Congress. The act allows \$900 million to local governments for public works to help stimulate employment. Michigan's share will be \$90 million.

City Manager Albert Glassford estimates that a new building that would incorporate enough space for both city offices and for public meeting rooms would cost between \$500,000 and \$600,000.

There is also some hope that an auditorium could also be included, but this may not be financially possible.

The Public Works Acceleration Act would allow 50 percent federal participation in

**FORTY YEARS** ago, Village Manager Sidney Strong rescued this lamp before the Municipal Light Co. gave the rest of them away. Today, the restored lamp is shining brightly in front of the Plymouth Historical Museum. Strong, shown here with the lamp, is now president of the Historical Society.

## Relic of 1880 First Village Street Lamp Shines Again

A street lamp that 80 years ago lighted the way for Plymouthites clomping down the board sidewalks or driving a rig down the dusty streets is again shining brightly.

Erected last week in front of the Plymouth Historical Museum was one of Plymouth's original street lamps.

There is only one notable change from the original — while the lamp was fueled by oil before, it now has been "modernized" with a gas mantle.

Sidney Strong, now president of the Plymouth Historical Society, was the man responsible for rescuing the lamp years ago.

According to his investigation of Village council minutes, the council decided on Jan. 12, 1880 to investigate the possibility of purchasing some street lamps. Minutes of June 30 that same year show that authorization was given to purchase 15 of the oil lamps.

Exactly where the 15 lamps were placed is not known, but Strong learned from some old-timers that they recalled a Mr. Knapp who went around town each evening to light them. He had a one-horse cart and a stepladder upon which he climbed to refuel the lamps and light them.

A number of years later, the Municipal Light Co., located beside the present DSI building, replaced the oil lamps with electric lights.

When Strong was staying as the village's second village manager around 1923, he found the old street lamps stored at the old light plant. He selected one of each kind and took them to the Village Hall.

The remainder of them, he recalls, were taken by Ford and are believed to be among those used around the Dearborn Inn.

Visitors to City Hall recall seeing two antique lamps mounted on posts in the hallway outside the Commission chambers. While one is still there, Strong decided to see if the other could be restored for use at the museum.

He took his problem to James Thomas, 9091 S. Main St., district manager for Consumers Power. Thomas had the lamp re-worked for gas operation. Joe Bida, head of the DPW, then put in the foundation for the post and the lamp was placed in operation.

Extending from the lamp post will be the Historical Museum sign.

## Nov. 6 Election Registration Deadline Near

With both Republicans and Democrats striving to get people registered for the Nov. 6 general election, clerks at City and Township Halls report a brisk business.

Deadline for registering is Monday, Oct. 8, at 8 p.m.

City Clerk Joseph Near reports that City Hall is open each Monday night until 7:30 to receive registrations. In addition, his office will be open on Saturday, Oct. 6 from 9 to 12 p.m. and on the final day until 8 p.m.

Township Clerk Fred Miller said that his office will also be open until 8 p.m. on the final day. There will be no registrations outside the offices of either the Township or City.

## Area Collision Fatal to Driver

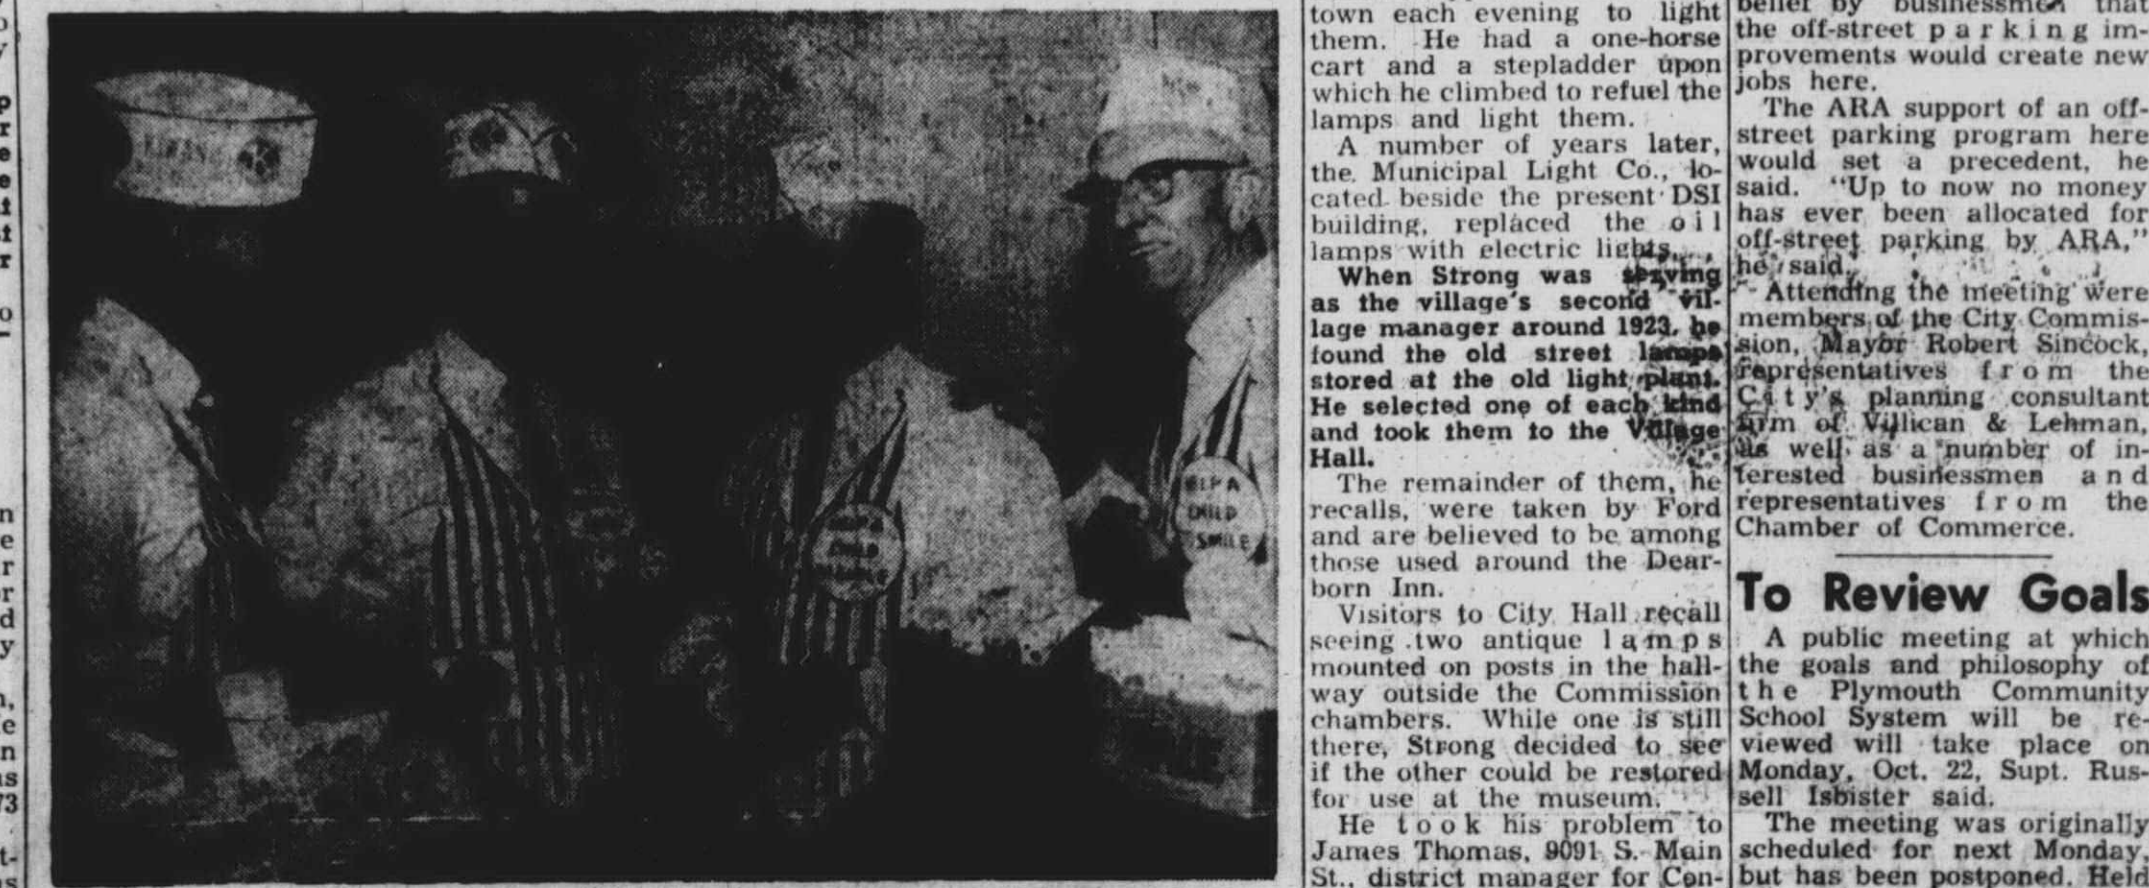

A Redford Township man was killed and a Northville student injured when their cars collided on Ann Arbor Rd., between Plymouth and Ann Arbor, early Sunday morning.

Dead is Charles Toolanen, 27, of 16711 Rockdale. He was driving toward Ann Arbor while driving east was Chris A. Krauter, 20, of 373 Rayson, Northville.

Chris, a student at Eastern Michigan University, was taken to St. Joseph Mercy Hospital in Ann Arbor with a concussion and other minor injuries. He returned home Monday.

The accident occurred on Ann Arbor Rd. near the Joy Rd. intersection. Chris is the son of Mr. and Mrs. Herman Krauter.

**SEVEN HUNDRED POUNDS** of peanuts will be crunched and munched by Plymouthites this Friday when the Plymouth Kiwanis Club has its annual Kids Day Peanut Sale on the downtown sidewalks. Wearing their colorful red and white vests and caps, Kiwanians will accept any donation in return for a bag of peanuts. ## ARA Funds May Be Key To Parking

The City's hopes for improved off-street parking and further downtown development got a tentative shot-in-the-arm Wednesday noon.

This was the indication that resulted from an informal meeting attended by city officials, various interested individuals and the Michigan field coordinator for the Area Redevelopment Administration (ARA).

"Basically, I feel that Plymouth has a very good possibility of obtaining federal funds through ARA," said field coordinator Don Kohler at the meeting. "But, remember, ARA is trying to create as many permanent jobs as possible and unless we can create jobs, we have nothing at all to talk about," he cautioned.

Kohler described the various methods whereby municipal governments may obtain federal aid in the redevelopment of downtown areas.

The meeting was called primarily with an eye toward the improvement of off-street parking in the "Pennman Ave.-Main St.-Fralick St." area here, but several facts applied to a major business development eyed for the quadrangle of property bounded by Main St., West Ann Arbor Tr. and Kellogg St. as well.

The facts that Kohler presented at the meeting were described as the very latest pertaining to ARA financial assistance. "Plymouth is the first city in the state — and perhaps in the entire nation — to be brought up to date on the vast ARA program," Kohler said.

He himself had gained the most recent developments on the program from the ARA administrator who was in Michigan Tuesday from Washington.

Kohler also explained how ARA could help cities financially in luring new industry to their community.

With regard to the off-street parking proposal, the chief point under discussion at the meeting, Kohler pointed out that there was a possibility that 50 percent of the cost could come from ARA with the remaining 50 percent to be obtained through a special assessment against property owner.

The ARA could, however, grant 25 percent of the costs to the city and loan the city (legally, to a parking authority) another 25 percent at 3 1/2 percent interest over 40 years.

He stressed that only through letters from City businessmen could the ARA program be employed here, however. The letters, which must be directed to City Manager Albert Glassford, should indicate a "good faith" belief by businessmen that the off-street parking improvements would create new jobs here.

The ARA support of an off-street parking program here would set a precedent, he said. "Up to now no money has ever been allocated for off-street parking by ARA," he said.

Attending the meeting were members of the City Commission, Mayor Robert Simcock, representatives from the City's planning consultant firm of Wilkman & Lehman, as well as a number of interested businessmen and representatives from the Chamber of Commerce.

## To Review Goals

A public meeting at which the goals and philosophy of the Plymouth Community School System will be reviewed will take place on Monday, Oct. 22, Supt. Russell Isbister said.

The meeting was originally scheduled for next Monday, but has been postponed. Held in the Junior High School library, the meeting begins at 8 p.m.

Members of the professional staff and Board of Education have drafted the document which is a general statement of education and the role played by the staff, parents and students.

**HUNDREDS OF Plymouthites** will be wasting no time in getting in their reservations for the Pilgrim Shrine's Annual Smorgasbord. Held Saturday, Oct. 6 at the Masonic Temple, dinner will be served at 5, 6 and 7 p.m. Reservations can now be made by calling Mrs. Evelyn Brocklehurst at GL 3-6490 or Mrs. Irene Cook at GL 3-2478 or Mrs. Edith Fetner, GA 2-2414 by Oct. 5. There will be a door prize each hour. Tickets are \$1.75 for adults and 75 cents for children under 12. Shown are some of the women trying out one of their tasty recipes. From left, front row, are Mrs. Evelyn Brocklehurst, Mrs. Fetner, Mrs. Edith Hill and Esther Jacobs. In back row are Carolyn Loesch, Margaret Gill and Margaret Landers.

### O'Neil to Hoof It Down Entire Campaign Trail

James F. O'Neil, Republican candidate for Congress from the 17th District, announced this week he will take a week-long walk across the district to meet people and discuss the issues of the campaign.

The O'Neil Walkathon will start in Northville on Monday, Sept. 24, and end at the eastern district boundary at Plymouth and Meyers Roads on Friday, Sept. 28. He will travel down Plymouth Road from Plymouth to Meyers Road.

"I want to meet the people of the 17th and talk to them about the need for real representation in Washington from this district. During the Walkathon, I'll stop for coffee, meetings and other events in the neighborhoods I pass through," O'Neil said.

The district-wide walk would be over 30 miles if taken on a straight line but O'Neil's numerous side trips for meetings and discussions will stretch it well beyond that total. He will wear a pedometer during the Walkathon so he can get an accurate measurement of the mileage.

Meetings are scheduled for each night of the Walkathon. They will all start at 8:30 and include:

- Monday night - (Sept. 24): Mayflower Hotel, Plymouth.
- Tuesday night - (Sept. 25): Merri-Bowl Lanes, 30950 Five Mile, Livonia.
- Wednesday night - (Sept. 26): meeting in the 10th legislative district - site not yet set.
- Thursday night - (Sept. 27): Thurston High School, 26255 Schoolcraft, Redford Township, in conjunction with a meeting of the Redford Republican League.
- Friday night - (Sept. 28): Site not determined.

On Saturday, Sept. 29, O'Neil will hoof it up Grand River Ave. from the Meyers Rd. intersection northwest to ward Seven Mile and Eight Mile.

Accompanying O'Neil along the route will be members of the League for O'Neil group and other members of the Volunteers for O'Neil group. Co-chairmen of the O'Neil committee for Plymouth, are Mrs. Austin Stecker and Mrs. Kenneth Hulsing.

He joined NBD in 1955 as a management trainee and became senior administrative assistant in 1959. The Thrashers have two children.

### Speaker at Kiwanis Steak & Corn Roast Tells About Trip to Russia

One hundred and eighty-six Kiwanis members and guests enjoyed a meal prepared and served by Kiwanians at the Allen School on Sept. 11. This was the annual steak and corn roast with cake and ice cream for dessert.

**PROGRAM CHAIRMAN** for the evening, President's Bill Davidson, presented a guest speaker, Kurt Thruv, owner of the Travel Centre at 1049 S. Main St. Thruv travels extensively in his business. He may fly 10,000 miles in a weekend and has traveled over 400,000 miles abroad this year.

His most recent trip was to Berlin, Warsaw and Moscow. He was born in Berlin and stated that there certainly is a big change in the city now. The city is completely surrounded by the Russian occupied zone of Germany with a population of approximately four million people.

The city itself is divided into four zones, Great Britain, France, Russia and the United States. The Berlin wall is very real, about eight feet high. It separates East Germany from West Berlin. This wall was erected to stop the flow of the educated professional people from East Germany.

**ADJACENT TO** this wall is a 20 foot no-man's land. He flew to Moscow, Russia, via Stockholm, Sweden. The individual traveling in Russia must prepay his expenses at the rate of \$25 per day at the consulate before entering the country. Your stay is limited to two days in each city, but you may stay in as many cities as you like. In Russia one cent of our money is equal to one Kopek and 90 Kopeks equal to one dollar. "When you arrive at the airport you are 25 miles from Moscow. No one is there to greet you, no one cares that you came or when you go home."

The individual owns nothing, the speaker continued. Everything is paid for by coupons that are issued to you. There is no fun in Russia and almost nothing to enjoy. In Moscow's University there are 19,000 students, many of them are foreign students from all over Europe and Asia.

Daily your guide comes to the hotel to take you sight-seeing. You may go where you want to and no one will follow you. Red Square in Moscow is very important to the Russian people. Many people visit Lenin's tomb, and the day Mr. Thruv was there, the line was about five miles long. There are at least five large churches in Moscow, but only the older people attend them.

**AN ORANGE** will cost about 50 cents and a pound of meat is about five dollars, Thruv related. They have several large department stores, government owned, that are completely stocked. The prices are very high compared with ours. There are no animals around anywhere. The average Russian is very happy because he is better off than ever before. The present ruler eliminated cruelty to the individual Russian citizen and opened the door to western goods and ideas. He even imported American automobiles and other goods.

There is only one radio station in Russia. The Russian citizen is dedicated and willing to sacrifice to achieve the next Soviet goal of landing a man on the moon, no matter what the cost of people or money, the speaker added.

Thruv's next stop was Warsaw. Poland is the most westernized nation in Europe, he said. Every person has a good time and lives for today. Eighty per cent of her population is under 25 years of age.

### March of Dimes Seeks Volunteers Despite Appeal for Drive Merger

Despite a strong indication from the City Commission that they would look with disfavor upon a March of Dimes drive here in January, the Wayne County Chapter is beginning its recruitment of volunteers.

On Monday, Sept. 5, the City Commission tabled a request from the Wayne County Chapter for permission to conduct the house-to-house campaign in January. The year before, the Commission approved the request but said they would not do it the following year because they felt that the drive for money should be combined with the Plymouth Community Fund.

A letter went out to prospective volunteers last week informing them that the March of Dimes drive will be conducted here despite the City Commission's rebuff.

According to City Manager Albert Glassford, the request to the City Commission is a formality and that unless the City has a very good case built up against a fund-raising or charitable group, a permit to conduct a drive cannot be denied.

Glassford wrote last year: "It was determined that this City could not deny your request. However, any soliciting by your organization would be done against the wishes of the Commission."

"The City Commission wishes to point out that it subscribes to the local Plymouth Community Fund policy of collecting once for all..."

Policy of the National Foundation does not allow local chapters to combine their drives with community chests.

In its letter to prospective volunteers, the Wayne County Chapter noted that through the efforts of the National Foundation, two anti-polio vaccines have been developed and not one case of paralytic polio has been reported in Wayne County during 1962.

**THE SENIOR** class sold concessions at last week's game and the junior class will be selling at the homecoming game.

**THE INTERNATIONAL** Relations class has already started preparing for United Nations week and other coming events.

**FOUR TEACHERS** and two librarians have joined the staff at PHS. Mr. Donald R. Chumbley, American history; Mrs. Jessie Judson, art; Miss Mary Carey English; Mr. Carl Scheffler, earth science; and librarians Mr. John Olson and Mrs. Gladys Dahlberg.

**UNDERCLASSEN** pictures will be taken on Sept. 21 and senior pictures the week of Sept. 24.

**LOFY'S ARBOR LILL** was the scene of a real Hawaiian Luau last Friday night when Kurt Thruv, of the Travel Center, gathered 270 world travelers to a reunion celebration. The party featured Hawaiian foods, Hawaiian entertainers and movies taken for Mr. Thruv on the island at a recent visit there. Several members of the group in attendance are planning on visiting Hawaii late in October under Mr. Thruv's direction. Reservations are going fast and there are only a few available for this trip, the energetic travel consultant reported to The Mail Tuesday.

## Residents Complain About Industry

A complaint by neighbors that a new industry on Farmer St. is causing a disturbance was carried before the City Commission Monday night.

Six persons living in the neighborhood near the Transport Containers Corp., located on Farmer St. beside the C & O Railroad, asked the City to do something about the firm.

Their chief complaint was that night welding was being done with doors open and sometimes outside, causing blinding flashes within the homes. They also said that there is considerable yelling

outside the building at night. Safety Director Kenneth Fisher was directed by the Commission to look into the problem and to report back next Monday night.

In other business, the Morton Salt Co. and International Salt Co. were both named as suppliers for rock salt used to melt snow during the winter. Each are to supply half of the city's needs at a cost of \$540 a ton.

Two trucking companies were also approved as haulers of the salt. They were Clemer and Zayti Trucking Companies who will haul salt for \$1.70 a ton. Two firms

were selected because of the difficulty in obtaining salt during peak periods of the winter.

The Commission also gave authorization to advertise for bids for a trailer to haul the

City's bulldozer used at its sanitary land fill in Salem Township. A private firm has been hired in the past to bring the bulldozer into town when it is needed, and as a result is not used as often as it should be. It is needed at the land fill site to cover rubbish several times a week.

## Lightning Strikes Chimney of Home

Lightning and a plumber's torch were the cause of fire runs made during the past week by Plymouth Township and City Fire Departments.

The severe thunderstorm that rumbled across Plymouth early Monday morning brought about two runs by Township firemen.

Lightning struck a chimney on the Charles Stephenson home, 14438 Robinwood Dr. in Lake Pointe Village at 2:56 a.m. The bolt evidently bounced around inside the home, firemen reported, causing some plaster damage. A hole as big as a fist was melted through the brick chimney, Captain Louis Norman said.

That same night, firemen stood by while Consumers Power Co. workers turned off a valve leading to a vent from a gas well at the eastern end of Shearer Dr. The vent pipe had been struck by lightning and caused the gas to ignite. It did the same thing a few days before.

City firemen sped to the Frances Apartments under construction at N. Territorial Rd. and Sheldon Monday afternoon. Fire started when a plumber was sweating a joint with a torch. The blaze moved up inside a partition. Workmen sawed a hole in the roof and were using a garden hose on the fire when firemen arrived.

## Bid Let For Water Lines

The Iacobelli Construction Co. of Warren was the lowest and winning bidder for a water line contract in Plymouth Township. The decision was made at last week's Plymouth Township Board meeting.

Iacobelli will lay a water main on Sheldon Rd., from Ann Arbor Rd. to a new subdivision now being erected several hundred yards southward. He will also lay a line along Ann Arbor Rd., from Sheldon to McClumpah, and in Green Meadows, in Green Meadows already has City water but the system is being taken over by the Township through mutual agreement of both the City and the Township. Improvements will be made in the system.

There were 11 bids on the job, ranging from Iacobelli's \$51,077 to a high of \$68,935. The job is to be completed in 45 days after the signing of the contract.

Two years before the Pilgrims landed at Plymouth Rock, in 1618 Etienne Brule reached what is now Michigan's Upper Peninsula.

**Kenneth Thomas Wilson**  
Kenneth Thomas Wilson, of 12010 Arcola St., Livonia, died Sept. 15, in St. Mary Hospital, Livonia, at the age of 62.

Born Sept. 19, 1899 in Plymouth, he was the son of Mr. and Mrs. Frank Wilson. An inspector at Ford Motor Co., for 42 years, Mr. Wilson moved to Livonia from Plymouth 14 years ago.

He is survived by three sons, Earl, Norman and Jerry, all of California; one daughter, Mrs. Delores Norfolk, of Maryland; a brother, Harold, of North Carolina; and 11 grandchildren.

Funeral services were held at Schrader Funeral Home on Sept. 18, and interment was in Riverside Cemetery.

## Haller, Inc. To Construct 21,000 Square Foot Addition

Plans were announced last week by Haller, Inc. for the firm's third and largest expansion in two years.

A 21,000 square foot addition will be constructed, according to John Haller, owner, and M. C. Sarnes, general manager. The firm is located on Northville Rd. in

the former Ford Motor Co. building. The \$100,000 addition will house several new presses of 1,000 pound capacity to produce larger parts from powdered metal. Haller is a leader in the production of powdered metal parts.

The addition will also mean a larger work force, Sarnes declared.

Plans call for the addition to be built on the south side of the plant. It will measure 120 by 180 feet. Part of the building will have a mezzanine ceiling 34 feet high. The addition is to be completed by Dec. 15.

Haller purchased the former Ford plant in 1958, moving there from a small building on Plymouth Rd. now occupied by Beglinger Oldsmobile-Cadillac.

Two years ago the firm built a 12,500 square foot addition and last November a 48 by 66 foot addition was added to provide more office space.

Haller, Inc. was a pioneer in the field of fabrication of gears and pumps from powdered metal and it has also designed many of the presses it uses for compressing the powdered metal parts. The process is primarily one of pressing the powder into the shape of the parts and heating it to fuse the particles of metal together.

Haller lives at 18500 Sheldon Rd.

EDWARD EGLOFF, 522 S. Mill St., became the first to sell his property for the City's Urban-Renewal project along Mill St. The transaction took place last Wednesday noon. From left, sitting, are Mayor Robert Sincov presenting the check to Mr. Egloff, with City Attorney Edward Dragulis at right. Standing is Joseph Near, Urban Renewal director. On Thursday, Anna Gustin and Mabel Smith sold their home at 180 S. Mill and on Monday, Edward Wall sold his 502 Mill St. home. Twelve other properties are still in the negotiating stage. The land will be redeveloped for industrial use and most of it has already been spoken for, City officials say.

Mrs. Roy Fisher entertained at luncheon Tuesday of last week members of her club, Mrs. Henry Lentz, Mrs. William Bartel, Sr., Mrs. Ralph J. Lorenz and Mrs. Anna Anderson in her home on Amherst Ct.

Among the many congratulatory calls we received on the weekend on the event of our 75th anniversary, one of the nicest came from Rogers, Arkansas, Monday afternoon. On opening his copy of The Plymouth Mail, and reading of our birthday, Daisy Manufacturing Company president, Cass Hough, couldn't resist putting in a call to add his congratulations on our achievement. We are most appreciative of the friendly call, and equally happy to hear from him that Daisy misses our printing service, our quality and our prices, and that a company representative will be here next week to find out how we can again furnish Daisy and its subsidiaries with printing from our plant. Daisy celebrated its 75th anniversary year in 1961 having been organized in Plymouth one year before The Plymouth Mail came into existence.

It is with regret that we announce the fact that our good friend and our most competent editor, James Sponseller, will this week move on to greener pastures. Jim has accepted a job as general manager of the Rochester Clarion in Rochester, Michigan, where he will broaden his duties from the editorial field into that of management.

After serving this community and The Plymouth Mail for nearly ten years the step is not an easy one for Jim or his family and he is sincerely sorry to sever his many associations throughout this area. We, too, are sorry to see Jim leave because he has been a most sincere and faithful friend and we wish him well in his new undertaking.

He will join Jack Taylor, long an associate of Floyd Kehrl in the banking business here in Plymouth, in making his residence in Rochester. We hope he will enjoy his new association, the community and people of Rochester as much as does Mr. Taylor, and we hope he shall be as successful as the latter has been in his avocation in that city.

Taking over the editorial responsibilities from Mr. Sponseller will be Jerry O'Neil, a vivacious writer and a lifelong Plymouth resident. This responsibility is not new to Mr. O'Neil who has filled this particular slot at various times during the months past.

Members of the Community Chest board and the Chamber of Commerce board held a testimonial dinner party last Thursday evening for Mr. Sponseller which was also attended by Mayor Robert Sincok and city manager Al Glassford. Chamber president Robert Barbour presented Mr. Sponseller an appropriately engraved pen set to grace his desk in his new office.

The Detroit Free Press had a story last week in its sports section regarding the concern of the Detroit Lions in the fall-off of their ticket sales. According to the Free Press, Lions officials attributed the decreasing decline in sales to "bootleg TV." By this they refer to a Lansing station which broadcasts Lions games to people in the Detroit area who have specially built antennas on their sets to pick up these distant telecasts.

This may be a factor in the disinterest of fans in buying Lions tickets, but I have another theory which general manager Edwin Anderson might explore. I am constantly in contact with a wide group of Detroit industrialists who are more than ordinary sports fans and who buy tickets by the hundreds for their customers and friends for all Michigan sporting events.

For the last two or three years I have heard them complain time and time again about the brush off they get when they attempt to buy Lions season tickets. Their general complaint is that it isn't worth the run-around they get when they attempt to get reasonably good seats year in and year out, so as a result, they have finally thrown up their hands and said to heck with it. This could be part of the answer and, at least, in my own case, I'm frank to admit I gave up for this reason several years ago.

About 20 local merchants met at the Chamber of Commerce offices last Thursday afternoon to recap the event of Plymouth's first Fall Festival. First, all agreed that for a first attempt it was a huge success. Secondly, they agreed that plans should be made now to undertake a similar program next year. Third, they discussed ways and means to expand this program, decorations and participation.

Planning now will help in making next years operation smoother and better and we think it an excellent idea. We would like to see other organizations in the community plan functions during this week similar to Rotary's barbeque. We would like to see James Thornton and Margaret Wilson appointed now as co-chairmen of next years event so they may start the work for that undertaking at this time and not a month or so previous to the event. — They did an excellent job and with their experience behind them this year they should find it much easier next time.

Wider participation by our merchants in having their employees dressed for the week, as Dunning's and a few others did this time, is also an idea which could be worked out now. There are so many things that could be done that actually it would take almost a whole year of planning, so why not get started right now. Rotarians are already planning on having food available next year for 10,000 people and there isn't a doubt in our mind, if the weather is right, but what they will need it.

The idea is here, the idea has been started, let's expand it throughout the whole community.

# ORDINANCE NO. 23

## An Ordinance Regulating And Licensing Of Transient and Itinerant Merchants, Itinerant Vendors, Hawkers, Peddlers, And Solicitors In The Township Of Plymouth, And Providing Penalties For Violation Thereof

### THE TOWNSHIP OF PLYMOUTH ORDAINS:

#### SECTION 1.00 PEDDLERS AND TRANSIENT MERCHANTS.

1.01 The term "peddler" as used in this Ordinance shall mean any person who goes about from place to place, selling or offering for sale, goods, wares, merchandise, and all kinds of property, traveling on foot or in vehicles, and selling from house to house or by crying his wares from the street. Such terms shall include "hawkers" and "hucksters."

1.02 The term "transient merchant" as used in this Ordinance shall mean any person, firm or corporation engaged temporarily in a retail sale of goods, wares or merchandise, including Christmas trees, in any place in this Township and who, for the purpose of conducting such business, occupies or uses any lot, building, room, structure of any kind or any vehicle. Such term shall include:

- (a) "itinerant merchants";
- (b) "itinerant vendors";
- (c) persons, firms or corporations who shall be engaged in selling goods, wares, or merchandise at retail in this Township, and who are not on the tax rolls of this Township; and
- (d) Any person, firm or corporation who commences a business of selling goods, wares and merchandise at retail within this Township after the first day in January in any year and who is not assessed on the tax roll for such year.

1.03 The term "solicitors" shall mean and include any persons, firms or corporations who engage in the sale of or solicit subscriptions for books, magazines, periodicals or other items including fund-raising drives within the Township, except religious, charitable, civic, governmental or non-profit organizations.

No person, firm or corporation continuing in the same business shall be required to obtain a second license providing the stock of goods and merchandise has been assessed for taxation by the Township of Plymouth.

The term "transient merchant" shall not include any produce merchants to whom a food handlers license shall have been issued.

1.04 It shall be unlawful for any person, firm or corporation, either as principal or agent, to engage in business as a peddler, solicitor or transient merchant in the Township of Plymouth without having first obtained a license in the manner herein provided.

1.05 No license shall be granted except upon certification of the Township Clerk and approved by the Township Board.

1.06 Before any license, as provided by this Ordinance shall be issued for engaging in the business of a peddler or a transient merchant, the applicant shall file with the Township Clerk the following instruments:

- (a) A cash or surety bond running to the Township of Plymouth in the sum of One Thousand Dollars (\$1,000.00), conditioned on full compliance by applicant with all the provisions of the Ordinance of the Township of Plymouth and the statutes of the State of Michigan, regulating and concerning the sale of goods, wares and merchandise, and further conditioned on prompt payment by applicant of all judgments rendered against applicant for any violation of said Ordinance or statutes, or any of them, together with all judgment and costs that may be recovered against such applicant by any person or persons for damage growing out of any misrepresentations of applicant or of applicant's agents or servants, either at the time of sale or through any character whatsoever.
- (b) An instrument appointing the Township Clerk as the true and lawful agent of applicant with full power and authority to accept service of process for and on behalf of applicant in respect to any matters connected with or arising out of the business transacted under said license and the bond required by this Ordinance, or for the performance or breach of any of the provisions thereof, with the result that service on said agent shall be valid as if personally served on the applicant.

Said instruments shall be in such forms as may be approved by the Township attorney. Action on said bond may be brought in the name of the Township for the use of the aggrieved persons. On receipt of any process, the Township Clerk shall promptly send a copy to applicant, by registered mail directed to the address stated in the application for such license.

1.07 No license to engage in business as a peddler or transient merchant shall be granted to any person unless a complete set of fingerprints of such person and of any person assisting him are on file in the non-criminal identification file of the Police Department of the Township, or the Wayne County Sheriff's Department.

1.08 No license shall be entitled to more than one helper on foot for each vehicle used in said business.

1.09 No person shall sell or peddle fresh meat upon any street, alley, or public place.

1.10 No peddler including street vendors shall create any disturbance by any instrument, horn, bell or device in connection with his operations. No peddler, including street vendors shall stop or remain in any one place upon any street, alley or public place longer than necessary to make a sale for a customer wishing to buy, and in no event shall any peddler or street vendor stop for a period longer than twenty (20) minutes at any time; provided, further, that no licensed peddler or street vendor shall stop for the purpose of selling or offering to sell any food products within a distance of five hundred (500) feet from any public, private or parochial school building or the lands on which such school buildings are located in the Township on any days during which such school is in session or on any days during which the building is being used for educational or recreational purposes. No licensee operating as a peddler or street vendor shall unreasonably interfere with traffic or cause or permit large numbers of persons, particularly children, to congregate upon the public streets of this Township.

Section 2. For each license issued under the provisions of this Ordinance, the applicant shall pay the appropriate fee according to the following schedule: A minimum fee of not less than Twenty-five Dollars (\$25.00) for the first month or part thereof; for three (3) months Fifty Dollars (\$50.00); and for six (6) months One Hundred Dollars (\$100.00).

Section 3. Any person, firm or corporation violating any of the provisions of this Ordinance, shall, upon conviction thereof, be punished by a fine not to exceed One Hundred Dollars (\$100.00) or by imprisonment not to exceed sixty (60) days, or both such fine and imprisonment.

Section 4. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed to the extent necessary to give this Ordinance full force and effect.

Section 5. Should any portion of this Ordinance be held invalid for any reason, such holding shall not be construed as affecting the validity of the remaining portions of this Ordinance.

The foregoing Ordinance was passed at the regular meeting of the Township Board of Plymouth Township held on the 11th day of September, 1962, at 8:00 P.M.

FRED L. MILLER  
Township Clerk

ROY R. LINDSAY  
Supervisor

The foregoing Ordinance was approved by me this 11th day of September, 1962.

**GENERAL ELECTION**  
— for —  
**TUESDAY, NOV. 6, 1962**  
To the Qualified Electors of the  
Township of Salem,  
County of Washtenaw,  
State of Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law", I the undersigned clerk will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said township, not already registered, who may APPLY TO ME PERSONALLY for such registration, provided however that I can receive no names for registration during the time intervening between the 30th day before any regular, special or official primary election and the day of such election.

Notice is hereby given that I will be at the following places on:

Sept. 24, 1962 to Oct. 8, 1962, daily in my home at 6090 Seven Mile Rd., South Lyon, Mich.  
Tuesday and Thursday evening in the Township Hall, 6 p.m. to 8 p.m.  
and on Monday, Oct. 8, 1962 last day, the 30th day preceding said election, as provided by Section 498, Act No. 116, Public Acts of 1954, from 8 o'clock a.m. until 8 o'clock p.m. on each day for the purpose of reviewing the registration and registering such of the qualified electors in said township as shall properly apply therefore.

The name of no person but an actual resident of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Signed:  
Edward R. Fitzgerald  
Township Clerk

(Sept. 19 and Sept. 26)

**THERE'S NO doubt** about it as far as this picture is concerned. Local beauty, Charles Bartolo, is shown here living it up on one of the beautiful sand beaches of Malta. After 37 years of hard work in America, Mr. Bartolo made his first visit back to his home in Malta where he saw many changes. A story on this page tells of his visit and gives a birdseye impression of his thoughts of the island.

## Resuci-Ann

(Continued from Page 1)  
how to apply mouth-to-mouth resuscitation would save the lives of many loved ones.

In some nations school children are required to learn this method of resuscitation.

Resuci-Ann was purchased last month by the City at a cost of \$200. Firemen plan to take her before local groups for a demonstration.

## Starkweather Will Hold Open House

Open House will be held at Starkweather School on Tuesday evening, Sept. 25, beginning at 7 p.m. Starkweather parents are urged to take advantage of the opportunity to meet their children's teachers.

Following the open house, the first Starkweather BTA meeting of the current school year will be held in the Multipurpose room, beginning at 8 p.m. Representatives from the membership committee will be present to give parents an opportunity to join the group.

## Local Grocer Visits Malta After 37 Years in America

There is no place like home, says Charles Bartolo, after returning to Plymouth from an eight week visit to his old home town of Sliama, Malta.

The day he boarded a huge jet at Metro airport he was thinking there's no place like home and will be glad to get back to Malta which he hadn't visited in 37 years. However, after the thrill of seeing his three sisters and his many, many nieces and nephews and old friends, sleeping a couple of nights in the old Bartolo family castle, taking full afternoon siestas, midnight dips in the blue Atlantic and watching the lazy existence of the Maltese, he had a strong urge to return to the hustle and bustle of the good old U.S.A.

But, on the insistence of his nice wife, Emma, who wrote him each day he was gone and urged him to stay, he extended his visit to nearly two months. Bartolo's Market, located at 4052 W. Ann Arbor Trail, seemed to thrive while he was gone just as if he had never been home, the family stated.

From the urging of Mrs. Bartolo and his elder son Bob, now a senior student in the civil engineering school at Notre Dame University, Mr. Bartolo was pushed into his first real vacation since he came to America in 1925.

These were many changes in his home country, he observed, and the American influence was apparent everywhere. Coca-Cola, Pepsi-Cola were sold on every corner and most of the reconstruction since the war was done in the American style.

Maltese lead a slow sleepy life compared to ours, according to Mr. Bartolo. The day starts late in the morning and ends at noon when most people return to their homes for a long afternoon siesta. Dinner is usually served around seven and then the early evening is spent drinking beer or other beverage with friends in one of the old castles on the island, which are now mostly converted into night clubs similar to those in the United States.

Bedtime is usually preceded by a dip in the surf which is one of the most popular pastimes of the Maltese people. The food is excellent, he says, bearing mainly to the Italian influence, highly seasoned and featuring lots of spaghetti and macaroni. Meats are in abundance, as they are here, and freshly caught fish is also a mainstay of the Maltese diet. Prices for the most part are much lower there than here and beautiful English woolens can be bought for a song.

Almost everyone has a car these now, which they didn't when he left as a young man.

## CARD OF THANKS

We are sincerely grateful to friends, neighbors and the Plymouth Masonic Order for their many kind acts of sympathy during our sad bereavement. Our appreciation cannot be adequately expressed.

The Harry Micol family I wish to thank my friends and neighbors, especially the Reverend Clifford and Schrader Funeral Home for the kindness and sympathy shown me during my husband's illness and death.

Luella Evans

My sincere thanks for the many prayers given, and the cards, letters and flowers sent to me while in the hospital and at home.

Ruth Curtis

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful.

Mrs. Carl Zander and family

**News Briefs**

**EACH YEAR**, members of the Parkview Circle Association hold an outdoor fish fry which begins early in the morning with some of the members traveling to a lake to first catch the fish. Five went perch fishing on a Saturday morning on Lake Erie near Monroe but admittedly had to supplement their catch with a stop at the fishery to feed the 35 neighbors. Men of the association, composed of residents of Parkview and Garling Drives, plan and cook the meal. Chefs Walter Lake and John Battle are serving up another batch from the huge frying pan. The affair was held in the yard of Mrs. Betty Fitzner.

Lake, Black Lake and Kalkaska.

Mr. and Mrs. Lewis Baker of Florida arrived Sunday of last week for a month's visit with her sister, Mrs. John Butler on Starkweather Ave., friends in Ann Arbor, where they formerly lived and other friends in this area. Mrs. Baker was the former Gladys Ryder of this city.

Mr. and Mrs. Lloyd Fillmore entertained the following guests at dinner Monday evening in their home on Union St., Mr. and Mrs. Earl Kenyon, Rev. M. I. Johnson, Mrs. LeRoy Jewell, Mrs. Nellie Fillmore and two sons, Gary and Ricky.

Mr. and Mrs. Edward Gibson, who had been visiting their son-in-law and daughter Mr. and Mrs. Harold Anderson on Union St. for several weeks, returned Wednesday to their home in Clearwater, Fla.

Mr. and Mrs. Charles Tyer of Bellevue were entertained at dinner Monday of last week in the home of Mr. and Mrs. Henry Ehrensberger on Joy Rd. On Tuesday evening they were dinner hosts to Mr. and Mrs. Joseph Kross of Dearborn.

Mrs. Robert Roe invited twelve guests to a baby shower for her sister, Mrs. Eddy Thompson Monday evening at her home at Oak Haven Ct. where games were played and a dainty lunch was served.

Mr. and Mrs. Earl Russell were dinner guests Saturday evening of Mr. and Mrs. Orrin Gulley in Birmingham.

Mr. and Mrs. Carmen Carpenter, of 9458 Corrine St., were feted on their 25th wedding anniversary last Saturday, by their daughters, Theresa and Carolyn, at a dinner at the Covered Wagon Inn. Other guests present were Mr. and Mrs. Brad Carpenter, Mrs. Vella Johnson and Mrs. Marion Myers.

Dr. and Mrs. E. A. Rice, of 747 W. Ann Arbor Tr., have returned home from a two-week trip through Black Hills Park, Yellow Stone National Park and Tetons National Park.

Mr. and Mrs. Kenneth Hirschlieb and children, Judy and Gary, of Livonia, accompanied by Mrs. E. M. Stewart of Jener St., Plymouth, attended the wedding of Mrs. Stewart's granddaughter, Nancy Louise Grandsen, daughter of Mr. and Mrs. Grandsen, formerly of Plymouth, and now of Midland, to Howard A. Vanderbeck, of Royal Oak, on Sept. 8.

Miss Elaine Hunter, daughter of Mr. and Mrs. Harry Hunter, of Maple Ave., entered Western University at Kalamazoo, as a Freshman last Sunday. Miss Hunter was driven to school by her parents and Miss Linda Parks.

Nancy Horn was honored on her eleventh birthday at a pool party at her home on Fair St. Following a dip in the pool, dancing and games the girls enjoyed a picnic supper. The following attended - Sandra Bauman, Linda Lawson, Debbie Zander, Kristine Pugh, Sherry Reder, Phyllis Berry, Sandra Schmidt, Sue Schultz, Sharon Brazelle, Carla Davis, Rose C. C. M., Barbara Krukifis, Barbara Overhalt and Chris Toth. Helping to make the party a success were Miss Germaine Ludwig and Miss Ruth Lindsey.

**VFW NEWS**

The membership drive for '63 will start Oct. 1 and your early remittance would be appreciated. Also a motion was passed on the Post floor that anyone delinquent for more than one year must fill out an application card and be voted on to be reinstated. The number of members attending meetings are a bit higher lately than for some time, but we still have plenty of room for more, come out and fill a chair.

Congratulations go to Jim and Donna McAllister who have a new son.

Our auxiliary cancer chairman Marion Skoglund, would appreciate anyone donating white sheets. You may bring them to any meeting or call her at GA 7-3753 and she will pick them up.

It has been brought to our attention that this year we have a change in our Americanism program. Many people do not realize how many flags are given to Brownies, Girl Scouts, Cubs and Boy Scout troops. Also we give to our schools and churches when they are needed. We shall continue to do this at the request of any of these groups. The change though is that our Americanism chairman is to sell twenty five flags also. So if you know of anyone interested in buying a flag please contact Betty Krumm GL 3-5614 we have all sizes and prices but they come just in red, white and blue. The color will never change in this wonderful country of ours, but look at your flag - 48 stars! - well it's still good but why not fly a 50 star? There are several streets in Plymouth that are pretty well covered when flags are flying. See if you can't help to make your street one of them.

Remember the Juke Box dance Sept. 22. Again it is only twenty five cents per person, come out and bring your friends. Hope we'll see you there.

**Evangelist Begins Nightly Meetings**

Evangelist Ted Lewis will be appearing nightly at the Faith Tabernacle Pentecostal Church of God, 261 E. Spring St., beginning this week and continuing until the end of the month.

His subject will be "Proclaim the Truth of the Gospel of Christ." The nightly meetings at the local church will begin at 7:30 p.m.

An invitation has been extended to all Plymouth residents to attend the meetings.

"We wonder if the fellow who would rather be Red than dead" isn't yellow." - Stanley W. Olson, Winnebago (Minn.) Enterprise.

BY GEORGE SPELVIN

More than 30,000 high school students from all parts of Ontario, New York state, and Michigan are in the process of attending the Stratford Festival to see "The Tempest." Over 800 of the 30,000 are from the Detroit area high schools. Grosse Pointe, Cooley High School, and Cass Tech lead all the other high schools with over 100 students or three buses each making the bus journey to pay homage to the Bard.

How do we shape up in Plymouth?

**OLD GEORGE MUST** hang his head in abject shame. Our local students would rather have their Hamlet smoked or do medium rare over the smoking TV tube. "As You Like It" becomes "As You Don't Like It" in their book. In short, we have a devoted group of 12 students going on this Stratford field trip. Our academic neighbors to the north asked for 60 tickets and were only able to receive 32. The eager Northville students had to draw lots for the tickets. What a difference four miles can make!

Some folks may say, "The trip is too costly." At \$8 for the best seat in the house and a round trip bus ticket to Stratford and back you couldn't find a lower price for such a venture. In fact, if the Detroit and county officials that sponsored this visit to Shakespeare-land come out even, we will be surprised. No, the reason must lie somewhere else. If you have any ideas, drop me a letter.

Robert Southgate, faculty sponsor of the Plymouth High School Thespian Club, reminded me gently that his active thespians, all nine of them, would be attending the Stratford Festival. They earned more than half of the cost of the trip by ranting and raving their way through nine performances of "Big, Bad Freddie." Over 500 people enjoyed the frenetic antics of Doug James, Linda Wall and Earl Collins as they played their roles in true melodramatic style.

**LONG, LEAN** Robert Stenger, who directs the all-school drama productions, has announced the fall play. Changing the usual pattern of offering a hilarious comedy Mr. Stenger has decided to change the pace a bit by doing the crackling courtroom drama, "The Night of January 16th." Old George had the opportunity to do this play over 12 years ago in the nearby town of Brighton. The play was a dramatic smash. We went one step further that the astute Mr. Stenger might consider — take the play to the natural surroundings of an actual courtroom.

In our case we went to the county seat, Howell, and put the show on in the courtroom for two weekends. We had the folks hanging from the proverbial chandeliers.

**WHILE THE HIGH** school students are picking up scripts at tryouts, the Plymouth Theater Guild folks are busy at work on the children's play that premieres on October 6. Four performances are planned for the kiddies on that Saturday. Bill Mandt, the Guild's own Orson Wells has his hands full with the directing, writing, and designing of his own production. Saxie Heft, a Guild veteran (you saw her last in "Curious Savage"), is assiduously rehearsing her

lines as the fisherman's wife. Plymouth moppets are in for some pleasant moments when they view "The Fisherman and His Wife" as Bill has planned a number of entertaining magical effects. Tickets are being handled by the American University Women since this is a Guild-AAUW joint effort.

**Hopes for a Plymouth pageant were kept alive** when Bob Wall met with the Jaycee board last Monday to report on the status of the project. As you recall, the Jaycees have been working with Bob for the past year on the pageant. A script outline has been developed, sketches of stage facilities have been made, and a short trail script has been written. Money for the project as in the case of most theatrical ventures still seems to be the greatest deterrent. Financial solutions were on the agenda last Monday. As soon as they become official, we will give you the latest on the Plymouth pageant which has a working title of "Bless This Land."

**SCENERY AROUND** The Mail office remains the same from week to week. Occasionally the cast of characters changes. Jim Spenser, our versatile leading man, has decided to move his name closer to the top of the marquee. To translate the theatrical lingo: Jim is moving up the newspaper ladder to the position of general manager of the Rochester, Michigan weekly, "Hail and Farewell, Jim... the best of luck as you take center stage in a larger arena. Mr. Eaton, our genial publisher-producer has mentioned to talented Jerry O'Neil to step in from the wings and go into his

Michigan has 21,500,000 acres, second only to Minnesota, under protection from forest fire and has one of the best low-loss records of any state.

## SPOTLIGHT ON PLYMOUTH TEACHERS

Mrs. Florence Lickfeldt

a student has occupied many hours, she has also been employed in other types of work: as a resort waitress at Indian River and as a substitute rural mail carrier in West Branch each for one summer. Then during her "retirement" years when living in Tucson, Ariz., she was a school cafeteria cashier one winter, and a clerk for a dry cleaner another winter.

She is a supporting member of the PEA, MEA, and NEA and has been a member of the Exceptional Child Study Group.

**AROUND HER HOME** at 14267 Wilcox Rd., she loves to indulge in her hobby of nature study which has been the outgrowth of science teaching units. Hiking around the undeveloped area, she has acquired a large collection of nests to display at school with a second collection of feeding stations. This summer she has seen a new bird that she has not identified and heard a new call of an unseen songster.

Vacation trips with the family have taken them to several National Parks, most of the states, the Gaspe Peninsula, Nova Scotia, Winnipeg and other Canadian areas.

**MRS. LICKFELDT'S** family include her husband, Wilard, the farm and dairy foreman at the Wayne County Training School; a married son, Richard, who with his wife and daughter live nearby; and Brenda, possessor of a ring which along with a watch was received many years ago by Mrs. Lickfeldt's maternal grandfather as payment for Ogemaw County land that he sold. It has become a tradition for the ring to be a 15th birthday gift from mother to daughter.

Later by taking extension courses from Wayne State University and night classes at Eastern Michigan University for several years she earned a BS degree from MSU and 12 additional hours in the areas of interest to her.

**BEGINNING AS** an eighth grade teacher in a rural Ogemaw County school, she later taught 4th and 5th grades for Miss Nellie Bird in the Plymouth Central school before setting her career aside for marriage and family. Eventually she returned to teaching first as a permanent substitute and then full time as a first grade teacher in the Cooper (Livonia) school.

Then she returned again to Plymouth teaching at Starkweather, a second grade class housed in the Baptist Church, and the last six years at Bird.

## Local Truck Gets Historic Plates

A 1924 LaFrance fire engine truck owned by the Plymouth Association of Insurance Agents, 518 Main St., is now a registered "historic vehicle."

This month Secretary of State James M. Hare bestowed license number 47x33 on the 38-year-old fire truck. According to Hare, there are now nearly 4,000 vintage cars carrying these special blue and gold plates. Only vehicles which are 25 or more years old and "owned solely as a collector's item and for participation in club activities, exhibitions, tours, parades, and similar uses" are eligible. They may not be utilized for general transportation, Hare said.

Michigan was the first state to organize school safety patrols, the plan being introduced in rural and small town schools by the Michigan state police.

- A YES vote for Liquor-By-The Glass will**
- Put our City on a Par with Plymouth Township
  - Upgrade the local establishments
  - Remove an "artificial trade barrier"
  - Provide equal service for all citizens
  - Eliminate discrimination between the City and Township — regarding the beverage of a persons choice
  - Increase license and tax revenue to the City

The serving of liquor-on-the-premises actually decreases the number of violations already in existence — in most cases.

**Concrete gives taxpayers riding quality that lasts... the National Road Test confirms it**

Out of the recent 27-million dollar National Road Test comes significant new information on the performance of concrete and asphalt pavements.

Sponsored by the American Association of State Highway Officials, this road test was the most scientific ever conducted. Side by side on 5 loops near Ottawa, Illinois, concrete and asphalt test sections carried the same truck traffic for two years. Each loop carried light, medium or heavy vehicles.

To determine how well test pavements kept their riding quality, a special rating system called the serviceability index was used. Pavement surfaces were rated on a scale from "0" (very poor) to "5" (very good).

After two years of traffic and the impact of more than 1,100,000 loads, the surviving concrete still averaged "very good," while most of the surviving asphalt averaged "fair."

Here is further evidence that concrete performs better and gives taxpayers long-range riding comfort for streets, roads and Interstate highways.

# SALEM NEWS

BY VERA CLAIR — GL 3-2610

Mr. and Mrs. Harold Johnson of Territorial Rd. entertained forty relatives and friends at dinner Sunday, Sept. 9, honoring her parents. Mr. and Mrs. W. M. Richie at their fifty-fifth wedding anniversary. Out of town guests were Mr. Robert Robb of Topinabee, grandnephew and husband of Mrs. Bowrie of Cheboygan, daughter and son-in-law of Mrs. Brown and family from Chelsea. Mrs. Richie's brother Mr. Joynt and sister Mrs. Stoddard of Detroit, Rev. and Mrs. Davis of Plymouth, and many other relatives and friends from the surrounding community. A beautiful oil painting was the gift of Mr. Joynt, who has made painting his hobby and is eighty years young.

Mr. and Mrs. Earl Harrington of S. Salem Rd. had as weekend guests their daughter and son-in-law, the Rev. and Mrs. R. Hocking of Detroit.

Mr. and Mrs. William Wasenaar of Salem attended the races at Flat Rock Sunday, Sept. 9.

Dinner guests at Mrs. Cora Blunk's on Gotfredson Rd., Thursday, Sept. 13, were Mrs. Viva Ray and Thelma Siee of Plymouth.

Mr. and Mrs. Clarence Carter of Phoenix Rd. and Mrs. Violet Graveline of Tower Rd. were in Hillsdale, Mich., on Friday, Sept. 14, visiting friends.

Miss Mable Clinansmith of Curtis Rd. entertained her sewing club on Wednesday evening Sept. 12.

Mrs. Harold Johnson of Territorial with Miss Jean Scheppele of Brookville Rd. as co-hostess entertained the Hobby Club on Tuesday, Sept. 11.

Mrs. William Lemon of W. Seven Mile Rd. was admitted to Annapolis Hospital in Wayne, on Tuesday Sept. 11 for surgery on Wednesday. You will remember Mrs. Lemon as a former owner of the Trading Post on Seven Mile Rd. We all wish you a very quick recovery Mrs. Lemon.

Mr. and Mrs. Ralph Wilson and Mr. and Mrs. Wilford Wilson, and children all of West Seven Mile Rd. attended the Minchert-Helmuth family reunion on Sunday Sept. 9. After a pot luck dinner games were enjoyed by the children and chatting by the rest.

Mrs. Iva Angell of W. Seven Mile Rd. is in St. Joseph Hospital in Ann Arbor with Pneumonia and other complications. She would be pleased to hear from her many friends.

Mr. and Mrs. Manning and children, Mr. and Mrs. Richard Jennette and daughter of Ann Arbor, Sharleen Meyers home from the University, and Mr. and Mrs. Jack Jennette of Hamburg gathered at the Louis Meyers' home on Tower Rd. Sunday, Sept. 16 for a family picnic.

Returning home Friday.

**EVERY ONE WHO IS SICK**

needs this book

to heal him

You can find your way back to health if you will prayerfully follow the instructions contained in Science and Health with Key to the Scriptures by Mary Baker Eddy. In this great book you will find a full explanation of the method of Christian Science healing.

Christian Science holds unwaveringly to the truth in the first chapter of Genesis that "God saw every thing that He had made, and, behold, it was very good." Thus Christian Science restores the invalid to health.

Science and Health may be read or examined, together with the Bible, at any Christian Science Reading Room. Or it may be purchased at \$2.

Sept. 14, from an extended vacation trip was Mr. and Mrs. Arthur Dahl of S. Salem Rd. After a visit with Mr. and Mrs. Gordon Harvey at Roscommon they left for Grand Marais and points in Canada. They also went to Duluth, Minn. where they visited Mr. Dahl's sister Mrs. Mary Wallin, who is ill in Miller Hospital.

Weekend guests of Mrs. Opal Carr of Brookville Rd. were Mr. and Mrs. Fredrick Carr and son and her mother Mrs. F. H. Ellis of Detroit. Mrs. Laura Filbin and Olga Smith of Mt. Clemens were guests at the Carr home this past week.

Many of the people of Salem will be shocked to hear of the sudden passing on Friday, Sept. 14 of John Waterman, better known to his many friends as Alvin. Mr. Waterman was the son of the late Wilber and Georgia Waterman. Alvin was born June 10, 1911 at Wixom, and

later moved with his parents to Seven Mile Rd. in Salem. He married Florence Wood in 1932, and for the past several years, with their three children, made their home in Northville.

Mrs. Lucy Wilson of Seven Mile Rd. celebrating her birthday, Saturday, Sept. 15, was entertained at a family dinner in the home of her sister and brother-in-law, Mr. and Mrs. James Moran of Redford Township. Present for the occasion were Mrs. Wilson's family, her mother, Mrs. V. Clair; and her aunt and uncle, Mr. and Mrs. C. B. Carter.

At a Township Board meeting held in August, Mr. H. Ingall, Salem's supervisor, because of a condition of lameness, handed in his resignation; this to take effect on appointment of a successor. Mr. Ingall's resignation, after consideration, was not

accepted. Help with the assessing by Mr. Fitzgerald, Township clerk and a real estate man, will relieve the supervisor of some of these duties. There will be no expense to the township for Mr. Fitzgerald's services.

Because of the Labor Day holiday the regular monthly meeting of the Salem Township Board was held Sept. 10. Mr. William Renwick brought the following zoning problem to the attention of the Board: "If the frontage, or width, of a piece of land is less than one-fourth of the length thereof, our zoning ordinance forbids the issuance of a permit to build a new home on the property".

A narrow bridge on Napier Rd., about half way between Five Mile and N. Territorial Roads, has been replaced by a large metal culvert. The bridge was picked by country road engineers as most in need of replacement of the many dangerously narrow bridges in the area. Cost to the Township will be one-half of the total, about \$1,300.

The Washtenaw County Republican Ox Roast was held at Delhi Park, Saturday evening, Sept. 15. Sylvester and Al Shear, Mr. and Mrs. Phil Brandon, Mr. and Mrs. Charles Steele and friends from Farmington, Mr. and Mrs. Coda Savery, and Mr. and Mrs. Harlow Ingall from Salem Township attended.

approximately 2,500 diners were served. Mr. Romney and other Republican state candidates and county candidates were present. The Romney delegation presented skits depicting poor use of income by the family to portray the comparable situation in the use of funds by the state.

# The Professor Says ...

By Ed Brown

The recent four-day Fall Festival sponsored by the local Chamber of Commerce, and which ended with the traditional Rotary Club chicken bar-be-cue, was a smashing success.

Early Sunday morning risers looked out into a dreary, murky, drizzly atmosphere, but the sky cleared, and even though it remained overcast, the day turned out to be a pleasant one. That old adage, "rain before seven, stop before eleven" held true—even though there were times in the afternoon I thought the rains would start again.

The important fact of this entire undertaking is that our wonderful little city has started a festival, one which should expand each year, and become one of the best attractions in this section of the country.

Such an adventure will take the cooperation of all segments of our local social structure — clubs and organizations, business and industry, schools, city and township governmental bodies and the local citizenry.

A giant, cooperative effort would create a tremendous interest for everyone; it would be a real stimulus to business; an image for our community, and something everyone could look forward to each year.

Once such a thing gets started it just naturally grows, and, in time will be

### Kiwanians At State Convention

The Plymouth Kiwanis Club was represented at the 1962 convention of the Michigan District of Kiwanis International at Detroit on Sept. 16-18, Club President Neil Davidson announced today. Hosts for the convention were members of the Detroit Kiwanis Club Number 1, the first Kiwanis Club.

Local delegates to the convention were Neil Davidson, Walter Gempelman, and Gerald Fitch. Byron Becker, Gus Worth and Ike Porter were alternate delegates.

James M. Moler, trustee of Kiwanis International and a Charles Town, W. Va., school administrator was a featured speaker at the three-day meeting at the Statler-Hilton hotel. Also on hand were Trustee Robert Weber of Detroit and Walter J. L. Ray of Detroit, Past President of Kiwanis International. George Romney also addressed the convention.

Delegates from 199 clubs representing nearly 9,500 business and professional leaders participated in the various sessions.

for Coach Moisis's teams in the late 1940's. This tall, likeable athlete graduated in 1949, and in his senior year was undefeated in his favorite event when he won the state Class B title with a leap of 6 feet.

After graduation he worked for the local post office half a year, and then entered Eastern Michigan University for one semester.

The next year he transferred to the University of Michigan where he majored

in radio-television production, and acted in many of the U. of M. Hour television productions.

Our mystery guest completed his work at Ann Arbor in 1955, and while there picked up two letters in track

again in the high jump. He then joined the Air Force for two years as an information services officer.

While stationed at Pope Air Base in North Carolina, Mr. X met and married his attractive wife, the former

## Dean Reports on Progress Of College Curriculum Study

The Curriculum Committee of the Board of Trustees met recently with Dean Lois L. Waterman of the Community staff to hear a progress report on the development of curricular plans for the college. The Curriculum Committee consists of Paul Mutnick, chairman; Mrs. Jane K. Moehle and James O'Neil.

In every way possible, as the year progresses, the curriculum of the college will develop so that it can be of the greatest possible service to the residents of the college district.

### Men in Service

Robert Koers

Robert E. Koers, son of Mr. and Mrs. Everett Koers, 48814 Gyde Road, enlisted in the U. S. Navy July 27. He is now in Boot Camp at Great Lakes, Ill., due to graduate in the middle of October. After a leave he will be sent to school for Diesel Engineering. He graduated from Plymouth High School in June 1962.

### Gordon Kisabeth

Gordon W. Kisabeth, airman apprentice, USN, son of Mr. and Mrs. Foster B. Kisabeth of 9301 Haggerty Rd., was graduated July 27 from Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tenn.

Graduates of the school advance to one of several technical schools at the center to prepare them for service with naval aviation units.

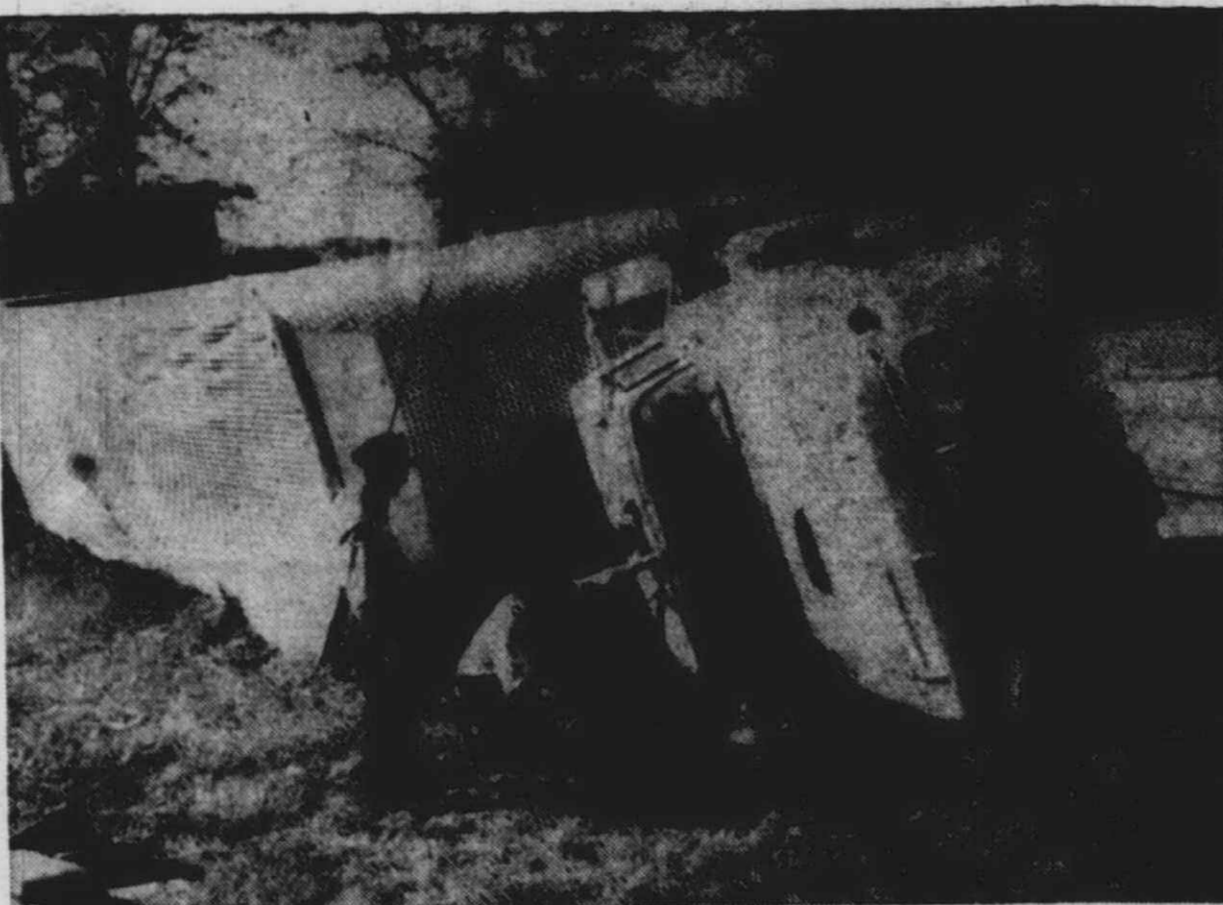

Kisabeth entered the service in September 1961. He is a graduate of Plymouth High School.

### David E. Zimmer

David E. Zimmer, interior communications, electrician second class, United States Navy, son of Mr. and Mrs. Jay J. Zimmer, of 560 Jener, Plymouth, is serving aboard aircraft carrier USS Enterprise, a unit of the Second Fleet and the North Atlantic Treaty Organization striking force which participated in a special exercise "Riptide III," Aug. 17-20 in the Eastern Atlantic.

### Eugene J. Janowski

Pvt. Eugene J. Janowski, son of Mr. and Mrs. Louis S. Janowski, of 8455 Ridge Rd., Plymouth, is currently undergoing advanced training in Company B. (Food Service School) of the 2d Training Brigade's 7th Battalion at Fort Knox, Ky.

A DRIVER FOR the U.S. Partition & Packaging Corp. of Milwaukee was heading east on Joy Rd. early last Wednesday morning and made a turn onto S. Main St. when this resulted. Sheriff's Road Patrol said wheels on one side went off the road and the load inside the trailer shifted, flipping it on its side. The driver kicked out the broken windshield and crawled out unharmed. The truck was loaded with cardboard petitions for beer cases. A 100-ton wrecker was brought from Detroit to upright the truck.

### Yes, Prices Have Gone Up

A scrapbook containing yellow pages and carrying advertisements of the Specialty Feed Products Co. of Plymouth from 25 years ago was delivered to The Plymouth Mail this week by owner Joe Wickins. The scrapbook had been kept by his daughter, Mrs. Marion Russell, now of Pinkney.

If one thinks that the cost of meat has gone up, one might understand by looking at the price of feed.

A 1938 ad for Farm Bureau Mermash to "make hens lay and pay," sold for \$2.10 per 100 pounds then. Now it sells for \$4.45. Scratch feed cost \$1.40 then; costs \$3.70 now. Soybean oil meal was \$1.60 then; now it's \$4.75.

Soybean oil meal off the boxcar was \$29 a ton in 1939. Today it costs \$96. If one bought a hundredweight of salt in 1939, it cost only 90 cents. Today's price is \$2. Dog food has not risen so sharply. It cost \$1.25 for a 25 pound sack in 1939 while now it is \$1.25, Wickens reports.

Specialty Feed, located on Haggerty Rd. along the C & O Railroad, is probably unknown to most urban residents but it still is an important trading post for farmers and others involved in agriculture and animal care.

### Reports on Use of Girl Scout Lodge

The Kiwanis Girl Scout Lodge in Plymouth has been used extensively during the past year, according to a report made to the Kiwanis Club by William Sempliner, chairman of the Girl Scout Lodge Committee.

The lodge is located along the edge of Middle Rouge Park and is reached from a drive off Plymouth Rd., near the Burroughs plant.

According to Sempliner, during the fiscal year ending last April, there were 339 individuals attending day camps, 880 on overnights, making a total of 1,219. The Huron Valley Girl Scout Council has use of the lodge for their activities.

If you buy the vitamins in your house, ask yourself an important question: Are there ingredients missing from your family's vitamins? (ingredients that may be important)

Stop—take a pencil—and find out whether your present brand of vitamins has the formula potency of Rexall Super Plenamins.

Check off the ingredients in the brand you now buy... then add them up. How many do you find? 10? 12? But not 21?

You do get 21 food supplement ingredients in every Super Plenamins tablet: 11 vitamins, including Vitamins A, B1 and C; 10 minerals — iron, calcium, plus 8 more. In short — one Super Plenamins a day gives you more than the minimum daily adult requirements of all vitamins with established minimums!

Don't you think it's time you stopped, if you are paying for missing ingredients—and got Super Plenamins? They come to you factory-fresh — checked 178 times by Quality Control in the famous Rexall Laboratories. And they're America's largest selling vitamin-mineral product!

Susan Campbell, Claude A. Fournel Repeat Nuptial Vows

Miss Susan Elizabeth Campbell became the bride of Claude A. Fournel in a double ring ceremony in Our Lady of Good Counsel church on Saturday, Sept. 15.

The bride is the daughter of Mrs. Girvin Dunstan, of 45110 Joy Rd., and the late Allan W. Campbell. The bridegroom is the son of Mr. and Mrs. Damus Fournel, of Montreal, Canada.

Given in marriage by her brother, Gordon Campbell, the bride wore a floor length gown of white silk organza, featuring long sleeves, chanel train and a French lace portrait neckline and bodice.

Attending the bride as maid of honor was Victoire Fournel, of Montreal, sister of the bridegroom, and Janet West, of Plymouth; Joan Campbell, sister-in-law of the bride, of Plymouth; Joyce Harlow, of Birmingham, and Ghislaine Fournel, of Montreal, sister of the bridegroom, served as bridesmaids.

Following the ceremony a reception was held at the Veterans Memorial Home, Plymouth, for 200 guests from Plymouth, Montreal, Birmingham, Dearborn, Lansing, Ohio and Ontario.

The couple will make their home at 1519 L. Spartan Village, East Lansing, where the bridegroom will complete his senior year in recreation administration at Michigan State University, and the bride will complete her senior year in special education at MSU.

More than 100 members of the American Assn. of University Women (AAUW) and guests are expected to attend the first meeting of the Plymouth branch's fall meeting Thursday at 7:45 p.m. in the multi-purpose room of Plymouth Community Junior High East, on Mill St.

The social period precedes the program with Mrs. Wm. H. Baumgartner as tea hostess. Greeting the members at the club's 'Orientation Fair' will be Mrs. Richard Fritz, President; Mrs. Sidney Cady, vice president and program chairman; Mrs. James Sponseller, corresponding secretary; Mrs. John Haas, recording secretary and Mrs. Arthur Haar, treasurer.

Following a business meeting, a skit entitled "You Are There," will explain the origin of AAUW.

All eligible women in the area are invited to join the AAUW, according to Mrs. J. M. Hopkins membership chairman.

AAUW accepts as members all women who have earned an approved degree from any one of the 506 American Colleges and Universities who have met the AAUW standards.

The AAUW has over 150,000 members in nearly 1,500 branches located in 50 states, the District of Columbia and Guam.

Women college graduates interested in the AAUW program may call Mrs. J. M. Hopkins, Membership Chairman, GL 3-5558 or Plymouth area chairman, Mrs. Robert Messerly GL 3-3605.

Dolores Aldrich, John Vincent Wed in Candlelight Ceremony

Miss Dolores Constance Aldrich, daughter of Mr. and Mrs. Frank B. Aldrich, of 14657 Robinwood, and John Alfred Vincent, son of Mr. and Mrs. Alfred L. Vincent, of Plymouth, exchanged vows in a double ring candlelight service in the First Methodist Church on Friday, Aug. 24.

Given in marriage by her father, the bride wore a floor length gown of imported Chantilly lace with a rose bud design. The gown featured a Sabrina neckline and tiered skirt with a ruffle cascade chapel train.

Attending the bride as maid of honor was Miss Carla Wilkins, of Plymouth, who wore an aqua taffeta dress which was covered with silk organza and featured a velvet interlacing ribbon down the embroidered front and matching accessories.

She carried an old fashioned nosegay of light pink roses and carnations. Serving as bridesmaids were Miss Bonni Aldrich, of Plymouth, cousin of the bride; Mrs. Anne Spencer, of Ann Arbor, sister of the bridegroom; Miss Helen Frew, of Novi, aunt of the bride, and Mrs. Clina Aldrich, of Plymouth, sister-in-law of the bride.

They wore lilac taffeta dresses, covered with silk organza, featuring capped sleeves, scooped necklines and bouffant skirts with matching accessories. They carried old fashioned nosegays of dark pink roses and carnations.

Lyn Hochstadt, of Livonia, who served as flower girl, wore a dress of white organdy with aqua trim and carried a small basket of pink flowers. Steve Vincent, of Plymouth, nephew of the bridegroom, served as ring-bearer.

Serving the bridegroom as best man was his brother, Douglas, of Plymouth, and William Vincent, of Troy, brother of the bridegroom; Judd Spencer, of Ann Arbor, brother-in-law of the bridegroom; Byron Williams, of Plymouth, and Bruce Wood, of Plymouth, were ushers.

For her daughter's wedding, Mrs. Aldrich wore a rosi blue silk chiffon dress and rosi blue and white accessories. Mrs. Vincent wore a rose lace sheath with a jacket and matching accessories.

A reception was held at the VFW Hall following the ceremony for 300 guests. For her wedding trip to northern Ontario, the new Mrs. Vincent wore an aqua knit suit with aqua and white accessories.

The couple will make their home in Dearborn.

J. E. Hadleys Wed 50 Years

Mr. and Mrs. J. E. Hadley, 61 Evergreen, Plymouth, celebrated their golden anniversary yesterday with friends and relatives stopping in throughout the day to offer their congratulations.

Plans for a reception in their honor at the home of Mrs. Harold Underwood, on Priscilla Lane, had to be cancelled after Mrs. Hadley broke her ankle when she slipped in a boat at her cottage at Pepsico Lake about two weeks ago.

The Hadleys who have one son, Rupert Hadley, of S. Harvey St., two grandchildren and two great grandchildren, have lived in Plymouth for the past 40 years, having formerly lived in Rose Township where they were married.

Mr. Hadley retired from the shipping department at Evans Products in 1956.

DOLORES CONSTANCE ALDRICH, daughter of Mr. and Mrs. Frank B. Aldrich, of 14657 Robinwood, and John Alfred Vincent, son of Mr. and Mrs. Alfred L. Vincent, of Plymouth, exchanged vows in a candlelight service in the First Methodist Church, on Friday, Aug. 24.

TREASURES FROM Plymouth Pantries

Mrs. Tom Devereaux

If you have been searching through your files for a both colorful and scrumptious dessert, Mrs. Tom Devereaux, of 42330 Clemons Dr., who agreed to be this week's Mail guest cook, has solved your problem with her recipe for Creme de Menthe Pie, a favorite of her family and friends.

It's a perfect dessert to serve following a heavy meal, she says. An ex-home economics teacher at Bentley High School, Mrs. Devereaux's daytime schedule is now more than occupied with caring for her two-year-old daughter, Julie.

A member of the Plymouth Newcomers Club and the American Assn. of University Women, Mrs. Devereaux lists sewing and cooking as her primary hobbies.

PLYMOUTH telephone lines. By HUGH C. BRONAUGH, Manager. JINGLE! JANGLE! JINGLE!... That's what this year's multi-million-dollar Michigan Bell payroll does to cash registers all over the state. We are the state's fourth largest employer (excepting government), and our employees spend most of their earnings right here at home. They buy all sorts of things vital to Michigan's economy: cars, food, homes, appliances, clothing, recreation—to mention just a few. Michigan Bell jobs help keep cash registers jingling all over the state, adding extra vigor to Michigan's growing economy.

THE COOK'S BEST FRIEND is her kitchen extension phone. When it rings she can answer right where she's cooking—avoid burned steaks and ruined sauces. Besides the convenience of a space-saving Princess or wall phone, the attractive color will add a bright note to any kitchen. The cost? Only pennies a day. Why not include a new extension phone in your Fix-Up-for-Fall program?

A YEAR ON THE PHONE! That does seem like a lot of time. But a recent survey shows that the average person spends 8,760 hours (or 365 days) of his life talking on the phone. When you consider how much longer it would take to do all the many things that need getting done day after day without your telephone, perhaps it doesn't seem so long, after all. Amazing, isn't it, the amount of time, money, inconvenience and worry the phone saves each of us over the years. Put yours to work for you often.

Mrs. Joseph Klockgether

**REBA JEAN O'BRYANT**, daughter of Mr. and Mrs. Moss O'Bryant, of 1454 Shadywood Dr., became the bride of Joseph Anthony Klockgether, Jr., in a double ring ceremony at Our Lady of Good Counsel Church, on Saturday, Aug. 18. Mr. Klockgether is the son of Mr. and Mrs. Joseph Klockgether, Sr., of Wilmerding, Pa.

**Reba J. O'Bryant, Joseph A. Klockgether Exchange Vows**

Following their wedding in Our Lady of Good Counsel Church, Plymouth, on Aug. 18, Mr. and Mrs. Joseph Anthony Klockgether are making their home in La Habra, Cal.

The bride, the former Reba Jean O'Bryant, is the daughter of Mr. and Mrs. Moss O'Bryant, of 1454 Shadywood Dr., Plymouth, and the bridegroom is the son of Mr. and Mrs. Joseph Klockgether, Sr., of Wilmerding, Pa.

Given in marriage by her father, the bride wore a floor length gown of silk organza which featured a shallow neckline and chapel train. Chantilly appliques highlighted the pleated cummerbund and the skirt was accented with panels of Chantilly lace in front and back. Her elbow illusion veil was held in place by a bow headpiece trimmed with seed pearls and sequins. She carried a cascade bouquet of roses and stephanotis.

Mrs. Ron Andrews, of Trenton, who attended the bride, as matron of honor, wore an olive green silk organza over taffeta gown with a full skirt and matching jacket and head piece, and carried a cascade arrangement of yellow fuji mums. Diane and Karen Farmer, cousins of the bride, from

Plymouth, who served as junior bridesmaids, wore identical gowns and carried identical flowers to the matron of honor's.

Justine Farmer, cousin of the bride, from Plymouth, attended the bride as flower girl. She wore a white organza over yellow taffeta dress.

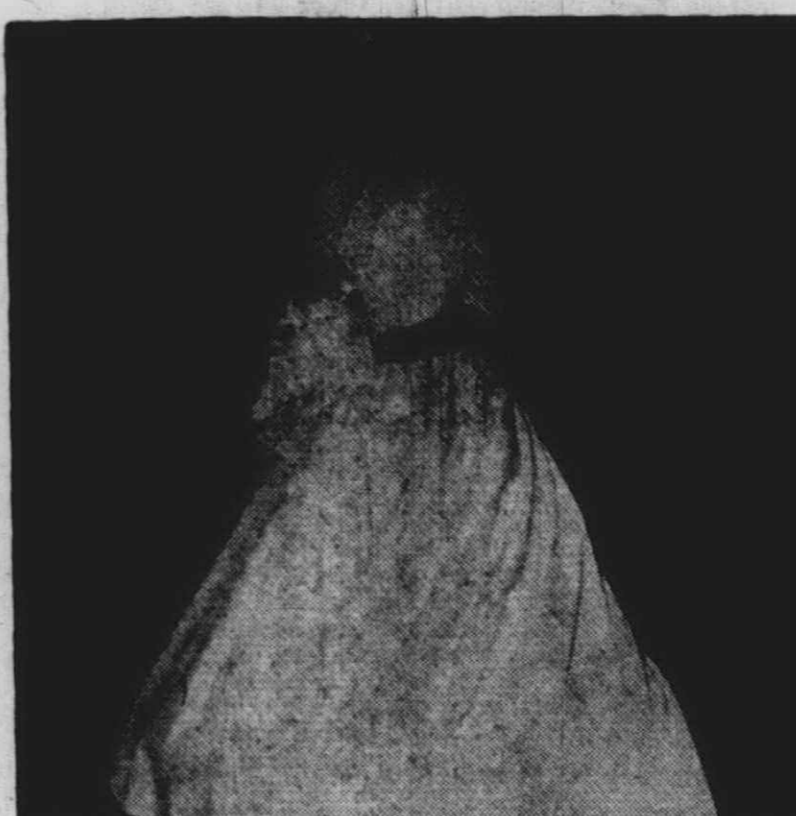

Leo Kirk, of Pomona, Cal., served the bridegroom as best man and Justin Farmer, uncle of the bride, from Plymouth; Phillip Rash, uncle of the bride, from Oakton, Ky., and Ray Pollock, of Dahlgren, Va., seated the guests.

For her daughter's wedding, Mrs. O'Bryant wore a pink lace and pink nylon over taffeta dress with matching accessories. Mrs. Klockgether wore a cocoa beige lace over taffeta dress with matching accessories.

A dinner reception for 250 guests from Michigan, California, Kentucky, Pennsylvania, Virginia, Illinois and New York, was held in the Wayne Ford Civic League Hall, Wayne.

The bride is a graduate of Central Michigan University and the bridegroom is a graduate of Mt. San Antonio College, Pomona, Cal., and California College of Mortuary Science.

Mrs. Kenneth M. Albright

**JUDY KAY CANUP**, daughter of Mr. and Mrs. J. M. Canup, of 5835 Sheldon Rd., became the bride of Kenneth M. Albright, son of Mr. and Mrs. W. F. Albright, of 1320 Junction, in a double ring ceremony at the Plymouth Church of Christ, on Saturday, Aug. 25.

**Judy K. Canup Becomes Bride of Kenneth Albright**

Miss Judy Kay Canup and Kenneth M. Albright exchanged nuptial vows in a double ring candlelight ceremony at the Church of Christ on Saturday, Aug. 25.

The bride is the daughter of Mr. and Mrs. Joe Milton Canup, of 5835 Sheldon Rd., and the bridegroom is the son of Mr. and Mrs. W. F. Albright, of 1320 Junction.

Given in marriage by her father, the bride wore a gown of peau de soie. The bodice was fashioned with a Sabrina neckline, sprinkled with iridescent sequins and tiny seed pearls and elbow length sleeves. The voluminous skirt ended in a chapel train. Her bouffant veil was held in place by a double-tiered crown of crystals and pearls. She carried a bouquet of white roses and orchids.

Miss Jacqueline Simonds, of Plymouth, who attended the bride as maid of honor, wore

a street length canary yellow sheath, featuring a bouffant overskirt and a bow at the back of the waist. A matching crown with a circular veil and matching shoes completed her attire.

She carried a cascade of yellow roses and blue carnations. Bridesmaids Mrs. Carolyn Crockett, of Garden City, and Miss Sally Benney, of Ypsilanti were dressed in powder blue dresses identical to the maid of honor with matching shoes and crowns and they carried cascade arrangements of yellow roses and white carnations. Brenda Thompson, of Plymouth, cousin of the bridegroom, who served as flower girl wore a yellow chiffon over satin floor length dress and carried a basket of yellow roses and daisys. Gary Joe Canup, of South Lyon, nephew of the bride, was ring-bearer.

Attending the bridegroom as best man was his brother, George Thomas, and Brent Canup, brother of the bride, Eugene Kelfer, Gary Heath and Thomas Finley, all from Plymouth, seated the guests.

For her daughter's wedding, Mrs. Canup wore a light green sheath with Kelly green accessories. Mrs. Albright wore a light pink lace dress with white accessories. Immediately following the ceremony, a reception was held at the IOOF Hall for about 300 guests from Plymouth, Detroit, Dearborn, South Lyon, Garden City, Inkster, Ypsilanti, Northville, Livonia, Ann Arbor, Belleville, Wayne, Howell, Lansing and Chicago.

The couple are making their home in Plymouth.

A \$50,000,000 expansion and modernization program being carried out by the United States Army Corps of Engineers, is scheduled for completion this year.

Michigan State University at East Lansing, with 22,600 students, ranks as the ninth largest institution of higher learning in the United States.

**Pulitzer Prize Poet Will Be Second Listening Post Speaker**

William DeWitt Snodgrass recipient of many awards and the 1960 Pulitzer Prize in poetry, will be the second speaker of the Plymouth Listening Post on Jan. 9 at Plymouth High School.

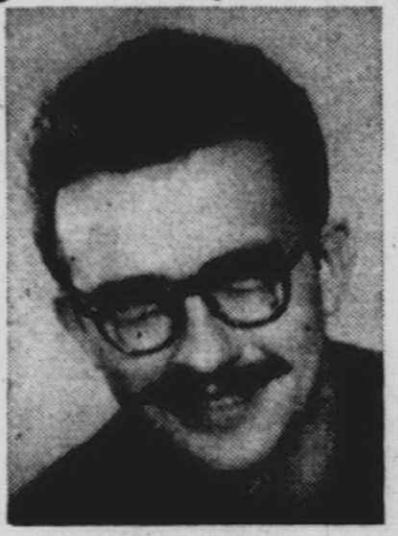

At present a Wayne State University professor, he has been a member of the English Department staff of the University of Rochester and Cornell University and a staff member of the 1955 Morehead Writers' Conference and the 1958 and 1959 Antioch Writers' Conference. Educated at Geneva College in Beaver Falls, Pa., where he spent his childhood and the State University of Iowa, "he flowered," writes Robert Lowell, famed poet-critic, "in the most sterile of sterile places, a post war, cold war mid-western university's poetry workshop for graduate student poets."

Since writing his Pulitzer Prize winning "Heart's Needle," he has spent less and less time writing and more time reading his works at clubs and colleges for, he says, "there's no money in writing poetry. But there is money in reading it." Still, "when I'm in a period of not writing, I'm less than alive," and now he is two thirds of the way through a second volume of poems.

Mr. Snodgrass ("Your name's absurd" he says in one of his poems.) will autograph copies of his book for members of the audience.

The Listening Post has been planned by the American Assn. of University Women to add another cultural offering to the community and to provide an incentive for further study.

Of the limited number of tickets printed only a few are still available at \$4 from members of the association or Mrs. W. E. Stirton, ticket chairman.

Mr. Gutherie is a graduate of Plymouth High School and Albion College, where he was affiliated with Tau Kappa Epsilon fraternity.

The couple is planning an Oct. 12 wedding.

**Tell Public of Education's Progress Speaker Advises Plymouth Teachers**

"Until the public sees the advantages of the new, they are most certain to fight for a retention of the old."

These were among the words spoken recently by Dr. Otis Crosby, director of information services of the Detroit Public Schools, in an address before Plymouth teachers and administrators at the Pre-School Conference.

"The real tragedy of the shortcomings of schools," Dr. Crosby declared, "is a shortcoming of teachers and other school personnel in that they have not gone the second mile."

"They have not taken the trouble to inform the public of what is being done, something of how well it is being done, and a good bit about what school people see by way of improved educational opportunities for youth were schools to have better prepared teachers, more adequate supplies and equipment, a curriculum that is strictly up to date and attuned to the times, and buildings that will accommodate a class size within reason.

"Until the public sees the advantages of the new," the speaker said, "they are most certain to fight for a retention of the old."

Dr. Crosby had begun his address by pointing out that there is evidence that a majority of the public wants and applauds good schools. "They just don't like to be annoyed by the annual billing for their share of the cost of those schools."

He noted that children entering schools for the first time this year will spend more than half of their working life in the 21st century when they will experience such things as 1,000 MPH transportation, excursions to the moon, and a working week of 25 hours.

He cited figures on how education has brought about scientific marvels — how disease and childhood killers have been wiped out. He also noted that 35 per cent of the prisoners in federal prisons never went beyond the fourth grade and 90 per

they receive through their tax bills, the press and neighborhood gossip. The speaker advised face-to-face contacts to tell the public the story of progress and promise in the schools.

"In most instances the story of progress and promise is thrilling and proudfull — for those who are put in contact with that story. But we school folks have surrounded our professional lives with the daily duties of the classroom to the extent that we have failed to strive for greater visibility of the role and accomplishments, as well as the visions of education and educators."

# Sarah Sparks Rocks in Opener, 19-6

Hugh Sarah, a punishing 110-pound fullback, shocked Northville twice Friday night — once in collaboration with quarterback Dick Schryer — as Plymouth posted an impressive 19-6 victory over the visiting Mustangs.

It was the 1962 opener for both clubs.

While he didn't personally account for any of Plymouth's scoring, Sarah played a significant role in the Rocks' first two touchdowns and marked himself indelibly as a potent threat in Plymouth's backfield this fall.

An estimated crowd of more than 3,000 watched the Rocks start the new football season on a winning note under the lights behind the high school here.

Sarah's explosive ground-gaining power brought Plymouth fans to their feet late in the second quarter as he peeled off a 45-yard run that led to the Rocks' first score. In the third period he turned up again in a key role, this time on the receiving end of a spectacular 35-yard roll-out

pass play initiated by Schryer that led to another touchdown.

The first touchdown brought Plymouth up to even terms with Northville by tying the score at 6-6, while the second touchdown excursion placed the Rocks in command to stay.

The game opened on a sour note for Plymouth's attack as Northville took the opening kick-off and struck swiftly, covering 70 yards in 11 plays to go into the lead with less than four minutes elapsed in the contest.

Fullback Ron Rice swept around left end for 22 yards to the touchdown.

It was not until the second quarter that Plymouth's attack got underway. Tackle Dick Sackett started the proceedings by covering a Northville fumble at the Rocks 21.

On the first play from scrimmage, Sarah sliced inside his right tackle and rambled 45 yards down the sideline to the Mustang 34. Sarah, who can run the 100

in 10.6, struggled the last 10 yards with three Northville tacklers on his back.

Two more identical running plays, with Sarah carrying, moved the ball to the Northville 7-yard-line. From that point, sophomore fullback Jim Lake spun and dived through the line for the touchdown. It was the only time Lake had his hands on the ball all night.

In the third quarter with the ball at mid-field, Schryer rolled out to his left and tossed a spectacular pass, hitting Sarah at the Northville 15. Schryer barely got the pass away and Sarah, heavily guarded deep in Northville territory, made a good catch at the sideline and was bumped out of bounds.

The play covered 35 yards. It was Schryer himself who scored moments later on a 1-yard plunge. Gary Grady swept around end for the extra point and Plymouth had all it needed for its first victory of 1962.

Plymouth's final touchdown, simply for insurance,

came late in the fourth period.

Tackle Kevin Huntington pounced on a Northville fumble on the Mustang one and three plays later Schryer passed to Mark Schultheiss in the right flat. Schultheiss crashed over for the score.

Plymouth coach Mike Hoben, inaugurating his eighth season as head coach of the Rocks, seemed pleased in the team's dressing room after the game.

"We had some trouble in the first quarter, but after some adjustments in our line play I think we did a whale of a job out there," was his comment.

Much of Plymouth's success could be attributed to the sharp line play executed by the Rocks during the latter three quarters. Plymouth's excellent physical shape also was telling on Northville. The Mustangs' crisp attack during the first eight minutes of play became decidedly ragged as the game wore on.

Sarah, a senior who played guard on defense in between his offensive duties, gained 79 yards in nine carries. Schryer attempted 11 passes, completed four and had two interceptions. He also gained 18 yards on seven tries.

Grady, a sophomore, gained 14 yards.

Schryer's coolness at quarterback was evident most of the night, as he picked up where he left off a year ago when he directed the Rocks to a league championship and a 6-2 overall record.

Northville quarterback Craig Bell, a converted end, enjoyed good success as a signal caller during the first half but found Plymouth's hard-charging line play tough to adjust to in the last two quarters.

Late in the game the Rocks, leading by two touch-

downs, were giving Bell short pass completions, tacking the clock to continue.

As the contest ended, Northville was frustrated on Plymouth's 38.

Next in line for the Rocks is Farmington High. The game, an afternoon affair, is this Friday at 3:30 p.m. in Farmington.

Following that, Plymouth wades into its league schedule with Redford Union, the first conference opponent here Sept. 28.

The Eskimo portion of Canada's population numbered only 9,773 in the 1951 census.

PLYMOUTH'S GRIDDERS, fresh from a 19-6 conquest of Northville in the opening game of 1962, returned to the practice field this week in preparation for Farmington this Friday afternoon. Shown above is a practice scene on the

gridiron behind the high school here. A game-like scrimmage is in progress with coaches ringing the center of action. Head coach Mike Hoben is second from right. Line coach John McFall is at the extreme right.

## WHY NOT Join these skiers in Davos, Switzerland, one of Europe's largest ski resorts, next March? Participants in the "Holiday on Skis" tour will leave Detroit March 9 by jet, for a two-week skiing holiday in Davos-Parsenn, located in south-eastern Switzerland.

## Plan Ski Trip To Davos, Switzerland

Ski enthusiasts, whether you're "snow bunnies," semi-professional, or professional, the opportunity to ski in Switzerland, for two weeks, for only moderate cost, is yours for the asking.

Participants in the "Holiday on Skis" trip will leave Detroit on March 9, by jet, for Zurich, Switzerland, and return March 23. Upon arrival in Zurich the next morning, they will board a train for the ski resort Davos, one of Europe's largest ski resorts.

Hotel reservations have been secured at Hotel Europe, located in the heart of the ski resort, with accommodations in twin-bedded rooms.

Davos-Parsenn, located in south-eastern Switzerland, is a vast area of open alpine country of about 80 square miles which is one of the world's renowned ski fields.

The skiing region offers every type of skiing with over 27 marked downhill runs from two to twelve miles. Davos has the oldest and largest ski school in the world with over 70 instructors.

In addition to skiing facilities Davos offers a 36,000 square yard skating rink, the largest natural sprayed ice rink in the world, and a two-mile-long Schatzalp toboggan run.

The tour price of \$659, based on 25 participating members, includes round-trip air transportation by jet to Zurich; 14 nights at Hotel Europe, two persons to a room; three meals daily while in Davos; round-trip transportation from Zurich to Davos; round-trip transfer from airport to Zurich to the railroad station; transfer from Davos railroad station to the Hotel Europe and return. An additional charge of \$25 is made for hotel rooms with baths.

JIM SCHELL of 875 Williams St. is as avid a fisherman as there is. Some of his prowess was in evidence last week when he brought back two husky large-mouth black bass after a day's excursion at Kent Lake. Schell is shown with Mrs. Leon Merriman, who is helping him display his catch. In Schell's hands is a bass weighing six pounds, two ounces, while the one that Mrs. Merriman holds is slightly less. He caught the bass on lures and has entered them in a Detroit Free Press fishing contest as well as a Field & Stream contest.

## Second Harrier Meet is Friday At Redford Union

Plymouth's 1962 cross-country team open the season this afternoon (Wednesday) on the Rocks' Riverside Park course, hosting a potentially strong Ypsilanti harrier squad.

"Ypsi should prove to be a real good test for us," remarked coach John Sandmann prior to the meet. For the past three years, Ypsilanti has finished no lower than fifth in the state Class A cross-country meet and in 1960 emerged as state champion.

Redford Union is Plymouth's next opponent in a meet scheduled for Friday afternoon at Redford Union. Last Friday, Sandmann conducted his first time trial, sending his 18 candidates over approximately three-quarters of the Rocks' home course in an effort to determine the seven starters for the Ypsilanti contest.

The times turned in were judged by Sandmann as "fair" for this point in the young season.

Dennis Knapp gained the No. 1 starting spot on the Plymouth team. He is the only returning letterman for the league championship team that Plymouth fashioned a year ago. At that time, Knapp ranked alternately between fifth and sixth place in the seven-member starting group.

Skip Otwell, who saw only limited duty a year ago, claimed the No. 2 spot on the current edition, while five newcomers filled out the 1962 team for the clash with Ypsilanti. They include: Bob Steele, John Bowsman, Larry Oldford, Harold Kuisel and Jerry McKindies.

The Plymouth cross-country course, which wanders through Riverside Park, measures slightly more than two miles all told. The course record of 10:47 is held by Byron Latter and was set in 1961.

AMONG 40 early candidates for the Alma College varsity football squad this fall is sophomore Jim Ralston, a 1961 graduate of Plymouth and the son of Mr. and Mrs. James Ralston, 678 Ann St. Ralston was competing for a position as flanker end for the Scots, who take on Bluffton (Ohio) College this Saturday afternoon. Alm opened against Ohio Northern and meets Albion Oct. 6

## Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN... TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

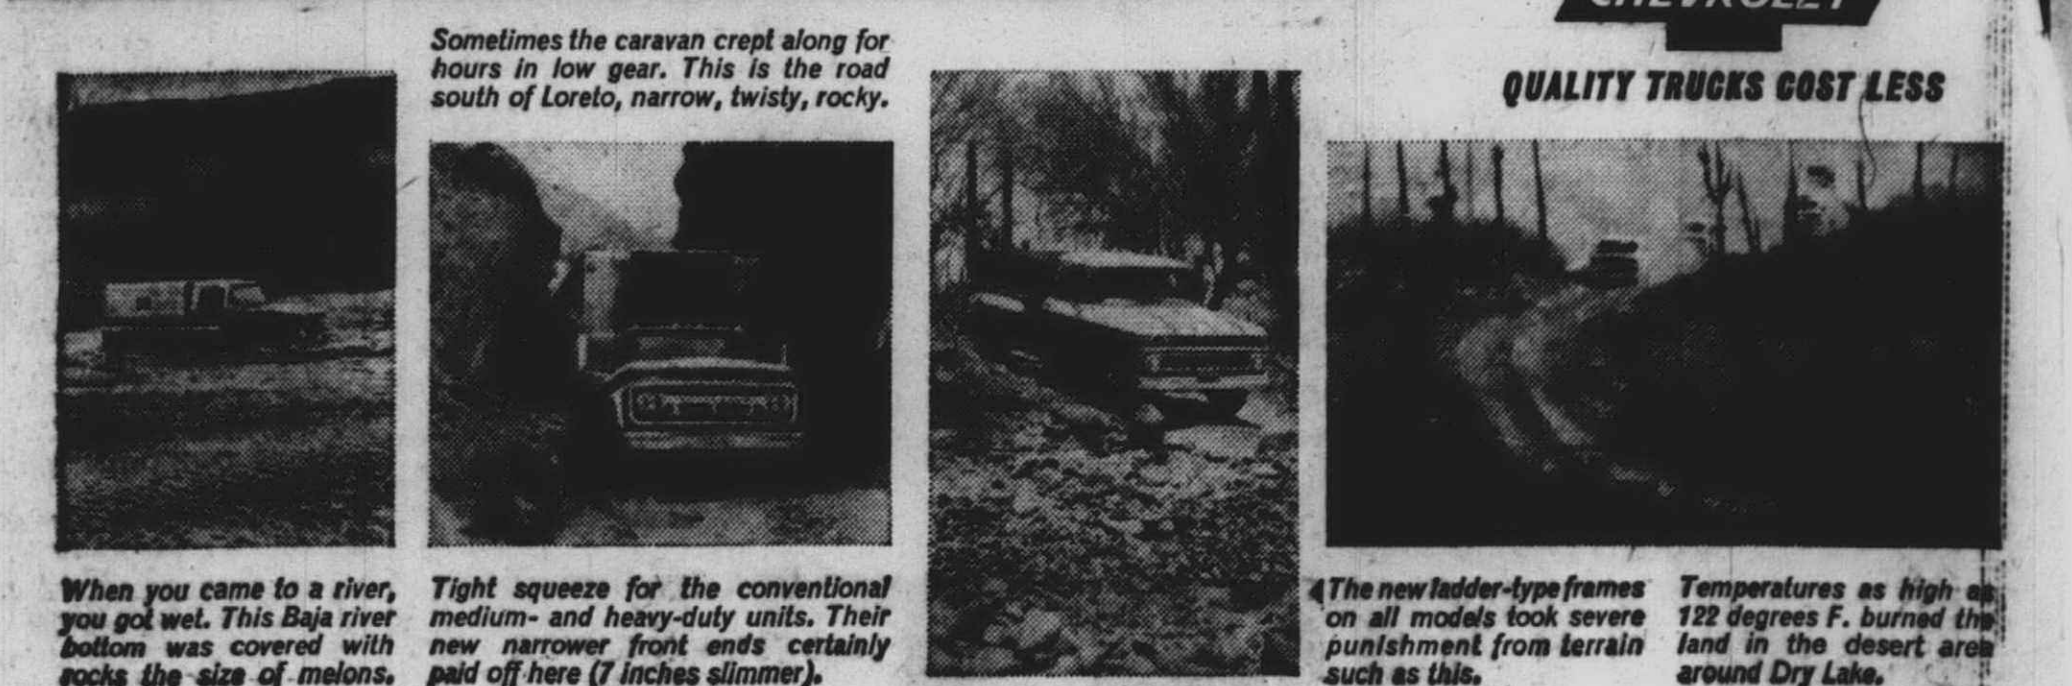

These pictures give you only a bare idea of the place. The road bears no resemblance to the modern highways on the Mexican mainland. It's fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, punch, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet caravan 17 days to go the 1,066 miles. All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

QUALITY TRUCKS COST LESS

When you came to a river, you got wet. This Baja river bottom was covered with rocks the size of melons.

Tight squeeze for the conventional medium- and heavy-duty units. Their new narrower front ends certainly paid off here (7 inches slimmer).

The new ladder-type frames on all models took severe punishment from terrain such as this.

Temperatures as high as 122 degrees F. burned the land in the desert around Dry Lake.

See the "New Reliabilities" now at your Chevrolet dealer's!

# Relaxed Country Dining is Keynote at Fellows Creek Inn

With an authentic mid-Victorian background and an atmosphere keyed to "relaxed country dining," Fellows Creek Inn — in Canton Township — was officially proclaimed to be open for business this week.

Fast gaining in popularity despite its youthfulness, the Inn should prove shortly to be one of the most attractive dining spots in this area.

Quartered in a sprawling brick mansion built in 1884, Fellows Creek Inn is located at 2036 Canton Center Road just south of Ford Road.

Owner and host of the Inn is 47-year-old George Luke Noble, a Detroit, whose experience in the food business dates back a quarter of a century and includes a four-year stay at the highly-ranked Greenbrier Hotel in White Sulphur Springs, W. Va.

"Actually, we've been in operation here serving meals and drinks for nearly three months now," Noble explained. "But we wanted to be sure all the wrinkles had been ironed out before extending a really public invitation to Plymouthites and surrounding residents."

Already, many hundreds of diners have visited Fellows Creek Inn and in each instance, Noble felt confidently, the visitors left with a conclusive belief in the

Inn's apt slogan of "relaxed country dining."

Coupled with the Inn's atmosphere of home-like comfort and relaxation is an intriguing background of pre-1900 America.

Nearing the 80-year-mark in age, the Victorian-styled home occupied by the Inn is an impressive landmark signifying the comfortable mode of living enjoyed by the higher classes years ago.

The wood in the stairway — including hand-turned

bannisters — was imported from France more than three generations ago. The wallpaper on the first floor, put up soon after the turn of the century, has a beautiful linen and gold effect pattern and still looks as good as the day it was installed.

Throughout the Inn, 30-year-old carpeting lends its soft qualities to the overall atmosphere. The 20 acres of land on which the Inn sits is part of a parcel of property homesteaded by Henry J. Chaffee in 1832, five years before Michigan was admitted to the union.

The name "Fellows Creek" is derived from the stream that wanders lazily through that part of Canton Township.

The Inn specializes in authentic Italian Foods along with a full range of American dishes. High on the list of most popular selections are charcoal broiled steaks, and country-style chicken and ham dinners. Sea foods are also offered.

A pair of highly experienced chefs — both Canton Township residents — prepare the meals in the Inn's own kitchens. Head chef is John Del Signore, a native Italian, who was previously head chef at the Ristorante Hotel Continente in Rome.

Assisting him is Gust Theofiel, who for many years was head chef at the Blossom Heath, an elaborate club on Lake St. Clair during the 1920's and into the years of the Depression.

Head bartender is Tom McIntyre. An added attraction at Fellows Creek Inn in the near future will be a Rathskeller-type cocktail lounge in the basement. "Elliot's Ness-t," as it will be named, will be fashioned along the lines of a Depression-day speakeasy.

It will open about the sneaky theme by having a terrazzo-tiled bar in the field-stone foundation in the basement there and extended

HOST AND OWNER of Fellows Creek Inn is George Luke Noble, a 47-year-old former Detroit whose experience in the food business dates back more than a quarter century. He has been associated with a number of well-known dining spots across the nation, including a four-year stay at the Greenbrier Hotel in White Sulphur Springs, W. Va. Noble (above) is shown in front of the Victorian-styled brick mansion that houses Fellows Creek Inn.

ment, a unique seating arrangement and subdued lighting will complete the fixtures. Noble intends to outfit the lounge's bartender and piano player in 1920 fashions.

Fellows Creek Inn is open seven days a week from 11 a.m. to 2 a.m. Noble added that the kitchen will always serve meals. Capable of handling more than 100 persons at once, the Inn also will cater to groups as large as 50 persons. The basement cocktail lounge has room for 50 more people.

On the main floor, the Inn has two dining rooms and a cocktail bar while there are three more dining rooms on the second floor.

The Inn becomes the first establishment to carry the name of a new business community in Canton Township. It is located in an area that within a few years is expected to have a Fellows Creek Shopping Plaza. Already a "Fellows Creek" golf course is in partial operation.

Some highly intriguing history surrounds the old brick home in which Fellows Creek Inn is situated. It is believed that a University of Michigan professor had the house built in 1884.

A man who later became a professor at Princeton was born in the house in the late

1880's. He was Edward Corwin. The Ford family was also entertained at the sprawling mansion many years ago. It's a dining attraction that will be catering to lovers of fine foods carefully blended with an atmosphere of those long-ago years. It's a place you'll have to see to really appreciate.

ENJOYING THEMSELVES at Fellows Creek Inn one noon last week were these four Plymouth women. From left: Mrs. Ansley Osborn, Mrs. Edwin Ash, Mrs. Robert Spayth and Mrs. Howard Salisbury. In addition to an extensive dinner menu, Fellows Creek Inn also has a complete luncheon selection. The Inn, located on Canton Center Rd. west of Ford Rd., is open seven days a week from 11 a.m. to 2 a.m.

A RATHSKELLER-TYPE cocktail lounge will open in the basement of Fellows Creek Inn about Sept. 27. Workmen this week are putting the finishing touches to the remodeling project. The cocktail lounge will be named "Elliot's Ness-t." Here, a workman is sanding the terrazzo-tile bar top. Note the original field-stone foundation against the rear wall and the matching field-stone along the front of the bar itself.
