

'No Connection At All,' Says Supervisor Arch Vallier

Denies Reservoir To Delay Water Expansion

Veiled charges that the City of Plymouth's plans to erect a new reservoir will delay expansion of the Detroit Water System to the Northville-Plymouth section were emphatically denied today by A. E. Vallier, Jr., the City of Plymouth's elected member of the County Board of Supervisors.

"Because there has been incorrect information circulated in regard to the recent decision of the City Commission of Plymouth to build a new water reser-

voir, I would like to put the facts in their proper perspective.

"The building of this new reservoir has no connection whatsoever with the question as to whether the Detroit Water Boards' long range plans are to eventually expand their water system into the northwest corner of Wayne County and whether or not the City of Plymouth will eventually obtain their water from this system. The only reason the two sub-

jects have become connected is because certain persons for political reasons have tried to connect them.

"A. For some time, the engineering firm of Johnson & Anderson has been advising the city officials that some of the existing storage facilities are getting old and should be replaced. Also, their studies indicate new facilities are needed to improve pressures in certain areas of the city.

"B. These plans are being ac-

celerated because under the recently passed Public Works Acceleration Act, federal assistance up to 50% of the total cost of the project can be obtained.

"C. Anticipating the passage of this act the City Manager wrote Dr. Buoniconto, Medical Superintendent of the Wayne County Training School, requesting permission for the City to buy or lease some acreage from the Training School for the reservoir site. Dr. Buoniconto notified the City Manager that his Administrative Board had approved the request and had forwarded it to the County Board of Auditors for final action.

"D. On Sept. 18, the Board of Auditors called a meeting to discuss what effect Plymouth's plans would have on surrounding communities and the expansion plans of the Detroit Water System. Attending this meeting were representatives of the City of Northville, City of

Plymouth, Johnson & Anderson, Northville Township, Plymouth Township and after a considerable delay the Detroit Water department.

"1. The representatives of the City pointed out they could see no reason for the meeting or the delay in granting the city's request as the building of the reservoir was a local question and had no connection with any plans of the Detroit Water Department. They also stated that at the proper time when the

necessary economic and engineering information was available they would be more than glad to discuss the possibility of obtaining water from the Detroit System. It was pointed out that it was purely an economic problem as Plymouth has plenty of water available for any future needs.

"2. The Mayor of Northville stated he could see no reason for the meeting as the building of the reservoir was purely a local problem of the City of

Plymouth. He stated, too, that when the proper engineering information was available, they would be willing to explore the possibility of obtaining water from the Detroit System, as they too have an adequate supply of water.

"3. The Northville Township Supervisor stated he could see no reason for the meeting as the building of the reservoir was a Plymouth problem.

"4. The Plymouth Township (Continued on Page 7)

CHECKING IN with the Evans Products Co. donation to the Plymouth Community Fund Drive is Donald R. Ward (right), assistant to the President, who is shown giving a check for \$1,000 to Elmer Hedlund, chairman of

the Fund's Industrial division. This was the company's contribution and the campaign to enroll all employees of Evans Products will start with the official opening of the drive on Thursday.

Plymouth Opens Community Fund Campaign With \$45,050 Goal

Hundreds of volunteer workers under the supervision and direction of more than 50 team captains Thursday launch the 17th annual Plymouth Community drive with the aim of surpassing the goal of \$45,050. This year's total is \$703 more than collected a year ago but General Chairman Albert Glassford and division and team captains are confident they'll go over the top in the three-week campaign which starts Thursday, Oct. 11 and continues through Friday, Oct. 26.

Eleven local agencies are participating in the fund this year

and 22 agencies on a statewide level will receive 15 per cent of the donations made to the Plymouth campaign.

The drive will be launched by the traditional kickoff luncheon Thursday in the Mayflower Hotel where some 50 division

leaders and team captains will receive final instructions and hear preliminary reports from the advanced gifts committee

and the industrial division.

The latter division, under the direction of Elmer Hedlund of Western Electric Co., has been busy for the past 10 days and is expected to report contributions of more than \$5,000.

The advanced gifts committee, headed by Sterling Eaton, also is expected to report considerable success in its campaign which traditionally starts well in advance of the kickoff.

Following the luncheon the group will move to Kellogg Park for the annual torchlight ceremonies slated to start at 1 p.m.

The program includes: benediction by Rev. Melbourne Johnson; opening remarks by Community Fund President Robert Barbour; presentation of the torchlight by General Chairman Glassford to Mrs. Reva Barber, who will light the torch; and the benediction by Rev. Johnson.

That will officially start the wheels rolling for what Barbour and Glassford predict will be the most intensive community fund drive ever conducted in the City of Plymouth and Plymouth Township.

Actually some of the preliminary work began last week when Boy Scouts from the area delivered Community Fund pamphlets telling of the need, how the funds are used and urging all to give as much as possible to the Red Feather campaign.

The Industrial division, which is expected to raise almost half (Continued on Page 7)

FACTS and OPINIONS

by Paul Chandler

Political campaigning quietly has added a new form in recent seasons, and every local Clerk was stunned by the results during the past 24 hours.

The new emphasis in practical politics is silent slogging to find unregistered voters and then persuade them to get to their proper halls to register. It starts with unpaid party workers pounding the pavements, door to door, to locate the unregistered. It's followed with hundreds of women and men manning the battery of telephones to keep on the heat.

You might call it unrecognized political work in the trenches. But it's what's been happening, to the exclusion of almost everything else, within the formal party machinery in the campaign thus far. The candidates have been posting signs and making speeches; but the workers have been rounding up registrations.

And the deadline to sign up to vote in the November election arrived at 8 p.m. this past Monday.

In every Clerk's office in this area the final day brought the heaviest avalanche of business in any single day in their history; in some places the final couple of hours resembled mob scenes at a department store bargain counter.

Both Plymouth and Plymouth Township Clerk's checked in about 200 new registered voters in the last 12 hours alone. An upcoming liquor by the glass vote caused some of the extra activity in Plymouth.

Livonia, teeming with new residents, handled almost 1,100 on Monday. In Redford Township, Clerk Margaret Peoples calculates that 750 swarmed through the Township Hall on the final day.

One definite result is that this District now has all-time record highs for registered voters.

Livonia's growth is the most awesome—and that community has moved ahead of Redford Township in total registered vote as a result of these most recent developments.

City Clerk Marie Clark's estimate late Monday night was that somewhere between 38,000 and 39,000 voters now are registered in Livonia. Almost 5,000 of these have signed up just since the primary election in August, 1962. Two years ago, in the Presidential election (there were 30,000 voters at the Livonia polls.

Redford Township's current total estimate is 36,000 voters. Approximately 2,500 have been added since this summer's primary.

City of Plymouth's total has risen to approximately 4,500 and Plymouth Township's to 3,900.

Both political parties are working so hard, of course, on the theory that if they can register "known party members" who heretofore have been sitting at home on election day, the addition will be complete "new votes" for their team.

In practice, the game thus became one of the Republicans trying to register more "known party members" than did the Democrats, and vice-versa, and the contest grew very tough indeed, occupying almost all the available time of party workers of all faiths. The "Romney volunteers" also were in on the act separately, to some degree.

Plymouth School Budget \$42,000 Over Estimates

The Plymouth Community School District Board of Education Monday approved a budget of \$2,499,925 for the 1962-3 school year—and that's some \$42,000 more than the amount estimated when the five-mill operating levy was placed before voters for the third time in July.

Part of the increase is due to the unexpected hike in school enrollment which forced the Board to add two fulltime teachers and a teacher's aide to the payroll at a cost of \$14,000.

Estimated transportation costs for the school year are \$89,000 which is \$12,000 more than that listed at the time of the levy. Members of the Board are still studying this item and hope to have a solution and a reduction before the term progresses far.

Capital outlay costs are expected to increase by \$13,000 with additional expenses for science and instructional aids at the senior high school.

Operational costs have jumped an estimated \$4,300 due to the opening of the new Junior High West and the additional expenses incurred there that more than make up for the closing of the two schools in Canton Township.

The costs of the various departments in the 1962-3 budget as approved by the Board are:

Administration	\$ 80,050
Instruction	\$1,753,200
Operation	\$ 365,825
Maintenance	\$ 54,000
Fixed charges	\$ 45,600
Auxiliary services	\$ 126,500
Capital outlay	\$ 59,750
Contingency	\$ 15,000

The contingency fund of \$15,000 and an expenditure of \$4,000 for communications also are additional items to the budget from that proposed prior to the levy.

Then after spending 20 minutes in going over and passing the budget, the Board spent more than an hour haggling over bids for three school bus chassis before awarding the contract to West Brothers Motor, Inc., of Plymouth, on a bid of \$3,100 per chassis with an additional \$498 for automatic transmission for each. Plymouth Chevrolet dealer,

Ernest J. Allison, was awarded the contract for two driver education automobiles on a bid of \$3,867.34 with an allowance of \$250 for two trade-ins for a total of \$3,617.34 for the cars.

Supt. Russell Isbister's recommendation for a double payment in October on the hospital insurance for all employees enrolled received approval of the Board. The action was taken in order to catch up with the 10-month plan of the Board which included September but for which the payment was skipped since the employees didn't have a chance to enroll in the plan.

The Board set a rate of \$345.32 for secondary tuition students, those in the upper six grade, for the 1962-3 school term. That is the maximum allowed by the state and includes \$224 state aid which makes the total \$569.32 per student.

The Plymouth School district has 79 tuition students from four school districts near the Washtenaw County line.

C of C Delays Election In Plymouth

The annual election of officers of the Plymouth Community Chamber of Commerce was postponed Monday for a week because of inability of several members of the Board to attend.

The election is slated for next Monday morning in a meeting at the Chamber offices followed by a session in the Mayflower Hotel.

The Board will meet to replace four directors, whose terms have expired, and a fifth who resigned after moving out of the area. It will also select a president to succeed George Lawton, who has headed the organization for the past year.

Outgoing directors are: Harold Guenther, James Thomas, Charles Stofko, Arnold Johanson and James Sponseller.

AUTOMATIC PINSETTERS are explained to members of the Plymouth Township official family by Findley McQueen, one of the owners of the new Plymouth Bowl which opened last week. The group includes (from left)

William Elzerman, who sold the land to the bowling lanes; Township Treasurer Elizabeth Holmes, Mrs. Roy Lindsay and Township Supervisor Roy Lindsay.

Unique Dedication Set Thursday At Jr. High

The Plymouth Community School District's new \$817,000 Junior High West will be formally dedicated and accepted by the Board of Education in elaborate ceremonies Thursday evening at 8 p. m. in the school gym.

A unique dedication service in which the audience will assist Board President Gerald Fischer with responsive answers will feature the program.

Prior to the start of the formal dedication, Student Council leaders of the Junior High will conduct guided tours through the ultra-modern structure starting at 2 p. m.

"These student leaders have been taking instructions for several days," said Principal William Harding. "They will conduct tours to every part of the building and show parents, friends and visitors what our new building includes and also tell the groups of the plans of the Phase 2 building program that will start next spring."

The tours will continue until 5 p. m. when the students will go home to freshen up for the formal ceremonies in the evening.

Rev. David Davies, pastor of St. John's Episcopal Church, will open the program with invocation.

School Supt. Russell Isbister will greet the audience and then present the seven members of the Board of Education.

Principal William Harding will give the formal welcome address to the parents and visitors and then a member of the architecture firm of Bennett and Straight will give a short talk explaining the architect's views of the new structure.

This will be followed by the unique formal dedication in which Board President Fischer will have the leading role with the responses from the audience.

Music will be furnished by the Junior High West chorus group and by the Junior High East band.

Gilbert Pearson, assistant principal in charge of the Junior High West, will give a short talk in which he will outline the faculty's aims and goals for the first year in the new building.

Three service groups will

present flags to the new building as part of the program. The American Legion will present colors for the assembly hall; the DAR for the outside flag pole; and the Veterans of Foreign Wars for each of the 22 rooms.

The flags will be accepted by Assistant Principal Pearson.

Following the dedication, the student leaders will conduct tours through the building and there will be a refreshment period in the gym through the courtesy of the Parent-Teacher-Student Association of the Junior High West.

Plymouth, Livonia Host Meetings

Youngsters Get Vacation, But No Rest For Teachers

Johnny, Susie and Bobby will have a two-day vacation from school duties Thursday and Friday with nothing ahead but fun, games and a chance to enjoy themselves.

But the opposite will be true for teachers in the area who will be attending the annual Teachers' Institute of the Michigan Education Association Thursday in Detroit's Cobo Hall and then sectional meetings in Livonia, Detroit, Plymouth and Wayne on Friday.

It will be two days of fun for the youngsters and two days of work for the teachers who will get special instructions in subjects during the Friday sessions.

More than 4,000 teachers from Region Two, which includes Livonia, Plymouth, Clarenceville, Nankin Township, Garden City and Redford Township as part of its list, will gather for the Friday meetings in Livonia and in Plymouth.

Livonia will have the Biology sessions at Bentley High School, starting at 10 a.m. Friday in charge of co-chairmen Roy Larsen and Ken Allen from the Bentley High faculty.

The meeting devoted to secondary principals is listed at Franklin High School in Livonia, starting at 9 a.m. Friday in charge of Glenn F. McAdam,

Bad Check Nets Term in DeHoCo

Billie Dean Sullivan, 928 Irvin St., Plymouth, entered a plea of guilty and was sentenced to 60 days in Detroit House of Correction by Plymouth Municipal Judge Harry Deyo on a charge of issuing a check with insufficient funds.

How a Shell research team got 168.47 miles per gallon

A Shell research team drove this car to a Mileage Marathon record. They used the same Shell fuel that could be bought at Shell stations.

168 miles per gallon must be a world record. Here's how the record was made—and how a quiet marriage of careful driving and today's Super Shell can help you get better mileage.

- 2. Avoid jackrabbit starts. Fast getaways waste gasoline and power. 3. Drive at moderate speeds. Your car uses about 25 percent more gasoline at 65 mph than at 45 mph. 4. Keep an even speed. Ragged driving uses extra fuel—without taking full advantage of the power it could generate. 5. Pace yourself in traffic. Don't be the fastest or the slowest. You'll just be trapped into wasteful spurts and slowdowns. 6. Keep tires up to their proper pressure. Soft tires can soak up power. 7. Ask your Shell dealer about these checks: Spark timing should be set correctly. Fuel filters and air cleaner should be cleaned regularly. Brakes should be properly adjusted. And your cooling system thermostat must work right.

SOME years ago, a group of Shell scientists had a friendly argument. The gist of it: who could get the most miles from a gallon of gasoline. They decided to find out. And Shell's Mileage Marathon was born. All contestants had to use the same gasoline anybody could buy at a Shell station. Beyond that, the Marathon had few rules. And ingenuity ran wild.

How the record was set Here are some of the things that Dave Berry and Fred Schuette, the winning team, did to set their record.

- None are recommended for informal marathons. But they do offer a few clues on how to get more miles per gallon. • Berry and Schuette removed their engine cooling fan to save power and muffled their radiator to retain heat. • They used tires worn smooth and pumped up to 50 pounds pressure to cut rolling friction to a minimum. • On the road, they accelerated to 20 miles per hour, cut the ignition and rolled until speed dropped to 5 miles per hour. Then they repeated the cycle.

from an old one-cylinder engine. Since "on-and-off" driving is illegal on public roads—and since most Marathon modifications are dangerous for normal use—you may wonder if Shell's Mileage Marathon had any point. Indeed it did. In the months of preparations, every contestant learned a bit more about the care and feeding of automobiles. Knowledge of this sort gets passed along to you in the form of better Shell products for your car.

EXAMPLE: As a result of Shell's research studies, including many mileage tests, one of the 9 ingredients in today's Super Shell is a mileage-booster called Platformate. This ingredient alone can release up to 8 percent more energy per gallon than the finest 100-octane aviation gasoline. Result: extra mileage.

To help boost mileage even more, follow these driving tips from Berry and Schuette.

How you can save gasoline 1. Don't race your engine when standing still. Unnecessary engine speed is pure waste and takes you nowhere.

Democrat Ladies Guests for Coffee

Congresswoman Martha Griffiths, Burnette Staebler, wife of Democratic candidate for Congressman-at-large Neil Staebler, and Mrs. Sanford Brown, wife of Michigan's treasurer, were guests of honor at several coffee hours given in Livonia last Thursday.

Hostesses were Mrs. Lawrence Jackson, 8921 Butwell; Mrs. Alan Walt, 17508 Pershing; Mrs. A. Dawes, 19835 Weyher; and Mrs. Joseph Bye, 27746 Perth.

Similar coffee hours are being scheduled through November 6 by the 17th District Democratic Organization to give women a chance to meet informally with candidates and their wives.

Anyone interested in volunteering to give a coffee hour in Livonia should contact Jean Murley, GL 31787.

CHOOSE LIVONIA GIRL

Arlene Rieker, a 1961 graduate of Bentley High School, now a sophomore at Western Michigan University has been elected junior vice president of the Kappa Rho chapter of Alpha Omicron Pi.

Arlene is working towards a degree in business administration.

WHAT COULD BE more fun than a Hat Fair? The busy Ways and Means committee at Roosevelt School think this is the tops in fun and entertainment. They have planned to have delivered hats of all price and size, shape and color on Oct. 17, from 7 to 9 p.m. Donations which will include desert is 25 cents. Enjoying their work are (l-r) Louise Rice, Eleanor Connell, Ruby Bloomingburg, standing) Chairman, Helen Trailer and Doris Allen.

HARVEST DINNER

St. Elizabeth's Episcopal Church Harvest Dinner will be Thursday, Oct. 11. Call Mrs. Joan Barnes 626-3584 for reservations. The women of St. Elizabeth's are busy preparing for their big Christmas Bazaar to be held Saturday, Dec. 1.

GLORIA LIDDLE

Mr. and Mrs. James Liddle of Livonia announce the engagement of their daughter Gloria to Don Tartoni, son of Mr. and Mrs. Joseph Tartoni of Livonia. A January wedding is planned by the young couple.

Northville Bake Sale Reminds of Freedom

On Friday, Oct. 12, 9:30 a.m. to 7 p.m., the Northville-Plymouth Branch, Women's International League for Peace and Freedom, will hold its annual Bake Sale and World Crafts Bazaar at the Manufacturer's National Bank, Northville. The affair is held annually in October as a fund-raising affair and to call attention to the need for support of the United Nations. Many interesting and colorful gift items from around the world will be available along with a selection of home-baked pies and breads.

The Branch will hold its regular monthly meeting on Tuesday, Oct. 16, at 8 p.m., at the home of Mrs. Sheldon Blackman, 9253 Ball Street, Plymouth, with a panel discussion on "Southeast Asia." Officers for the 1962-63 program year are Mrs. Paul Kauffman, president, and Mrs. Sheldon Blackman, vice-president, both of Plymouth; Mrs. Rodney Grover, secretary, and Mrs. Cy Frid, treasurer, both of Northville.

Publicity Chairmen: Please Take Note...

With many new publicity chairmen just getting warmed up their task ahead, reporting the activities and events of their organizations, The Observer feels it may be helpful to suggest a few steps they can take to help the newspaper give their groups the attention they desire.

- Be sure to give the first name of all persons named, preferably the husband's first name of a married woman.
- When writing in longhand, please print each name carefully (typed releases improve our disposition).
- Write your story the day after the event happens. It will be better when it is fresher to you. Get stories announcing coming events to the paper no later than the Monday preceding our Wednesday edition. Try and get pictures to the office by the Friday preceding the Wednesday edition.
- Double space copy, whether longhand or typewriter.
- Please check facts—we don't like to goof either.
- Be sure your name and telephone number are on the copy you submit.
- Keep your story as brief as possible.
- Remember Names make news! We like them.
- Always try and answer the five W's in the first paragraph. What, When, Where, Who and Why.
- If you have any question call the office GA 2-3160. We are a cheerful and happy staff, glad to answer any questions you have (except Monday, and then we are all impossible).

FRIDAY NIGHT committee decorating for the Saturday Nighters" are Ginny and Fred Elff and Bonnie and Dale Pierce. The foursome pinned up musical notes and sheet music popular in the early 40's for the pleasure of their dance club which met last Saturday at Pandoras on Plymouth Road. The club, which was formed 10 years ago by seven couples, today has a membership of 80 couples. Of the original seven Mr. and Mrs. Thomas Haltom are still members of the fun group.

'SEE YOU THERE'

Livonia Branch of The Woman's National Farm and Garden Association will hold their meeting Tuesday, Oct. 16 at 1 p.m. at St. Andrews Parrish Hall, 16360 Hubbard Road. Flower show slides of the Michigan Division Show at Birmingham, Northville Greens Market; and Wright Kay Show will be shown. Mrs. Emil Schanleris Chairman. Livonia City Womens Club members are to be honored guests. Hostesses will be Mrs. Carl Wikstrom, Mrs. Ivan Lounsbury, Mrs. John McKenna, Mrs. Ray Andrews, Mrs. Arthur Clafin.

Livonia Club Artist will meet Oct. 18th at Olive Harrington, 30690 Hathaway at 8 p.m. The program planned is work shop with a live model. The club has a permanent exhibit at the Carl Sandburg library, changed quarterly.

Don't forget to call Mrs. Squires 453-3030 for the home-made Turkey supper (served family style) to be served at 5, 6 and 7 p.m. on Saturday, Oct. 13 The Plymouth Grange is preparing the pre-Thanksgiving feast to wind up the activities of their day-long Bazaar which begins at 10 a.m. There will be gifts, games and fun for the whole family, so be sure and come early.

Halloween card party, Sat. Oct. 27, 8 p.m. sponsored by the American Legion Myron H. Beals Post #32 and Auxiliary. Table prizes, refreshments and door prizes. American Legion Hall 9318 Newburg Rd., Livonia. For tickets please call 422-6340 or GA 1-6478. Donation \$1.00 per person.

Dr. Margaret Sterne, noted lecturer and author from Wayne State University will speak at the Oct. 15 meeting of the NW Suburban Alumnae Association of Kappa Delta Sorority. The meeting will be held at 8:30 at the home of Mrs. Donald Greenbury, 36559 Lyman Road, Farmington. All alumnae are asked to call Mrs. Robert Girardin at 421-7338 if they are interested in hearing this world scholar. Dr. Sterne, at present an associate professor of history at Wayne, spent last summer in Germany and Italy doing research for Modern European history.

TO WELCOME YOU at their first Open House this week-end will be (l-r) Dottie Conn and Dimple Rikard (sister-partners D-D Hair Salon), Marie McMullen and Claudia Cox. In addition to refreshments, half price on hair-dos, Dottie and Dimple have invited well-known portrait painter Robert McCray to be present to paint customers or members of their family. A special price has been arranged with the artist who has some of his works on display now at D-D Hair Salon at 10585 Main St., Ply. Call GL 3-6540 to answer any questions about the artist or special rate prices during D-D open house.

A man with a profession gets paid for his reputation as well as the work he performs.

Most successful men live on the theory that life begins each morning of the year.

There are still a few days left to enter the "Sweet 16 Smile" contest. Gladysce Wolff, 16 of Six Mile Road, daughter of Mr. and Mrs. David Wolff is one of a bevy of sweet 16'ers who will be female, 16, have a sweet smile, and you may be chosen to represent 16 year olds all over the Detroit and suburbs. Send a recent photograph accompanied by name, age, address and name of parents to the Observer. Entries must be postmarked by 6 p.m. Thursday, Oct. 11. Pictures will be returned only if accompanied by a self-addressed stamped envelope.

PLYMOUTH STUDENTS 'SEE' NATURE
Students from the Farrand Elementary School in Plymouth visited the Nature Center at Kensington Metropolitan Park near Milford on Friday, Oct. 5.

They viewed exhibits which were explained by Rainer Brocke, naturalist, who also lectured on "Wildlife."

The group was accompanied by Dorothy MacKenzie at the school.

School groups may visit the Nature Center from 10 a.m. to 1 p.m. Tuesday through Friday by contacting the Huron-Clinton Metropolitan Authority, 1750 Guardian Building, Detroit 26 and requesting an appointment in advance. Phone Woodward 1-5865.

CANCER VOLUNTEERS
Michigan Cancer Foundation volunteers from this area will join others from the United States in a three-day leadership training conference to be held on the campus of Michigan State University in East Lansing.

Give George Help To Do It

ELECT PAUL CHANDLER (right) to the State Legislature in Lansing and give George Romney (left) some of the help he needs to put over his program as Governor. Vote November 6.

Lady Minister To Talk Here

Reverend Virginia Shipley head of the Detroit Downtown Unity Center will be the first guest speaker of the Unity of West Suburbia Church. The new church, organized last May, will hear the Reverend Shipley Tuesday, Oct. 16 at 8 p.m. in Room 122 at Bentley High School. Her subject will be "Practicing the Presence".

SANDRA WILBUR

Mr. and Mrs. DeWitt Wilbur announce the engagement of their daughter Sandra to Robert Keene, son of Mr. and Mrs. Jack Keene. Both are from Livonia. Mr. Keene is presently serving in the United States Marines and is stationed at Memphis, Tenn. A February wedding is planned.

Y-Teens Welcome Newcomers to YWCA

Y-Teens, who are 12 to 17-year-old members of the YWCA, will mark October's annual National Y-Teen Roll Call by welcoming new members to the Y-Teen clubs in 89 junior and senior high schools in the metropolitan area.

At their club meetings in schools, at the YWCA and elsewhere, they will show the new girls how their activities provide opportunities for fun, friendship and service, how they plan programs of their own choosing, how they may develop as leaders, exchange ideas and share responsibilities with the adults in the YWCA.

Members of the 11 Y-Teen clubs sponsored by Northwest Branch YW, 25940 Grand River, Redford Township, will hold a Roll Call at that branch Oct. 20 from 2 to 4 p.m. Portraying television characters such as the Flintstone and doctors Casey and Kildare, the girls will compete for awards for the most authentic costumes. Awards will also be presented to the club having the largest attendance and to the club with the largest percentage of members present. Mistress-of-ceremonies will be Nancy Kline, 17133 Wakenden, a member of the Redford Union High School Y-Teen club.

A WARM KISS for their Golden wedding anniversary was given by Albert Owen to his wife Lillian. Their two sons, Kenneth Owen (left) and William Owen (far right) and their wives held a reception Saturday, Oct. 6 at the Clarenceville Methodist Church on Grand River. Congratulating the couple on a half century of wedded bliss were 125 friends and relatives including the couple's seven grand daughters. The senior Owens live at 19987 Mayfield in Livonia and have been residents here for 35 years. Kenneth and his family live in Livonia also; and William on Five Points in Detroit.

459 Livonia Members Signed Up To N.W. 'Y'

Livonia women who have been working all summer to get a meeting between themselves, director of U. F. Metropolitan Board and Dearborn WYCA director relative to transferring the City of Livonia from Dearborn jurisdiction to Northwest Branch, have so far been unsuccessful.

A series of promises and meeting dates have been set, however, cancelled due to Dearborn's unavailability. The request for transfer is popular with hundreds of women in Livonia who are anxious to be YWCA members, and assume responsibility for the growth of the "Y" in fast-growing Livonia.

Homemakers Eye German Foods

"German Foods and Customs" will be the program for the Livonia Homemakers, at their next meeting Monday, Oct. 15, 8:30 p.m.

Mrs. Edward Voss will be hostess for the evening at her home, 22401 Eaton, Detroit.

Mrs. Voss and Co-hostess Mrs. Eugene Wickman will serve preparations from German recipes and will discuss the Foods and Customs of Germany.

The club is also looking forward to the Christmas Workshop, Oct. 18, at the 4H fairgrounds in Belleville.

Their reasons are obvious. The Northwest YWCA is more available to Livonians, the traffic pattern easier to follow. They were made part of Dearborn because years ago there was no Northwest Branch. They feel it is now time for a reevaluation of Livonia boundaries.

On an informal basis the Livonia women have signed up 459 members to the Northwest Branch of the YWCA from Livonia, and this is without a membership drive!

The new members, the old members and this newspaper now feels it is time for the Executive Branches to stop passing the buck, move, and meet on this problem.

ARLENE RICHARDS

Mr. and Mrs. Earl M. Richards of Redford Township announce the engagement of their daughter Arlene to Calvin Reid Bolick, son of Mrs. Florida Bolick, Bear Poplar, North Carolina. Arlene graduated from Redford Union High School, 1961, and is a graduate of Virginia Farrell Hairstyling Academy. Reid was a student at North Carolina State University and served two years in the U.S. Navy. Wedding plans have been announced for Nov. 24th at Village United Presbyterian Church on W. Six Mile Road.

To Women It May Concern

Pour another cup fellow homemaker whilst I shock you with truth stranger than fiction.

While wearing the fourth estate hat this week I ran on to a couple of items that renewed my faith in the fact it is impossible to be bored in this world of ours.

A homemaker, Carolyn Stern, 24, of Livonia who is a wife and mother of two small children fulfilled a life-time desire and parachuted out of a plane last Sunday afternoon (successfully thank goodness). She tied her ambition together with her absolute belief in the product she sells on a part-time basis. She is a Vivian Woodard consultant. Her company wanted to show their cosmetic is for sportswomen and so Carolyn has set out to prove it, starting at the top (so to speak). She was completely made up fresh for her flight into space from 2,500 feet in the air—pictures before and after, of course, prove you too can be elegant to the canaries as you float gracefully groundward. Carolyn alighted without one smudge or shiny nose.

The thought that came to my mind as I was trying to find out if Carolyn was kidding me or serious (she was serious) was applying to my own self—would this miracle cosmetic really cover the pea-green I would sure to be. Carolyn will next test the make up on skis. More of the Perils of Carolyn later.

Incidentally she was given instructions by the wonderfully brave group known as the Sky Divers who do this sort of thing regularly for fun.

A member of this team is Barbara Lush on Marion Avenue in Redford Township.

Another little lady in Romeo made life sparkle for me last week. When she heard that Congress agreed to raise first class postage rates for the second time since 1932 she got mad. I don't blame her—their service is not that good, and for the most part neither is their public relations (two exceptions are Bill Shiek in Redford Township, Doc Timpona, in Plymouth, and Art Jenkins in Livonia) Letters will be a nickel, air mail will be raised to eight cents and postcards to four cents next January.

Our little lady went to Washington to see the President. Course she had to wait (four days) but they couldn't budge her and she really presented him a list of 14 points, whereby if the price of service was going to be increased, how they must increase the service. Observers say he was impressed on one or two points and promised her action. While she was with him (about 10 minutes altogether) she informed him she didn't intend to tell him her politics but she thought the President of the United States should not campaign except in presidential elections—that he cheapened the Office of the President of the United States who was supposed to be our top Statesman—with the best interest of all the people at heart, not just his party. "Once in office young fella you are supposed to forget what party you are, just remember you have the responsibility of the people of the United States in your hands—stay here and worry about that!" she was supposed to have said. True she was elderly—which makes me feel there are compensations indeed for becoming old.

You are then sage, not rude.

50th Wedding Anniversary Celebration In Livonia

Mr. and Mrs. Harry Turner, two daughters and their fam- 38124 Jamison, Livonia, are ilies which include five grand- holding an open house Sunday, children, and six great grand- Oct. 14 to honor Mrs. Turner's children. parents Griffith and Marie Hughes on the occasion of their 50th wedding anniversary.

The Hughes now live at 16807 Joy Road. They were married Oct. 12, 1912 at Holy Redeemer Church in Detroit. They will commemorate this day with a High Mass at 8 a.m. at St. Christopher's Church, Woodmount and Tireman Oct. 12.

Present for this occasion and the open house will be all of the Hughes' friends and neighbors plus their son and family,

R.U. Graduates United Kappas Hear Dr. M. Sterne

Mr. and Mrs. Donald J. Ballard

Wedding vows were exchanged Saturday, Sept. 29 between Carolyn Anne Hutton and Donald Jay Ballard.

Reverend William Whitledge officiated at the 5 p.m. service at St. Paul Presbyterian Church in Livonia.

Following the wedding ceremony friends and relatives gathered at the Hutton residence in Centralia in Redford Township for a reception.

The bride is the daughter of Mr. and Mrs. George T. Hutton and the groom the son of Mrs. Elizabeth Ballard and the late Daniel Ballard of Olympia in Redford Township.

A ballerina-length lace gown was chosen by the new Mrs. Ballard for her wedding.

The young couple are graduates of Redford Union High School.

Dr. Margaret Sterne, noted lecturer and author from Wayne State University will speak at the Oct. 15 meeting of the Northwest Suburban Alumnae Association of Kappa Delta Sorority.

The meeting will be held at 8:30 at the home of Mrs. Donald Greenbury, 36559 Lyman Rd., Farmington. Mrs. Paul Carlson of Redford Township will be co-hostess for the evening.

Dr. Sterne, at present an associate professor of history at Wayne, spent last summer in Germany and Italy doing research for Modern European history. In 1955 and 1959, she traveled in Europe, speaking under the auspices of the United States Foreign Services in Austria and Germany.

Any alumnae living in Redford Township who wish to hear Dr. Sterne should contact Mrs. Carlson at 537-8385.

Antique Lovers Learn To Cane

Mrs. Jeanne Boucher, 29069 Utley Road, Farmington, will hostess the next meeting of the Ossewa Chapter 121 of the Queter Antique Study Club, on Oct. 11.

Mrs. Florence Davis of Livonia will give a demonstration of caning a chair from start to finish. Guests are invited.

At their previous meeting Mary Throgmorton of Redford Township went back through the years showing her collection of old-fashioned calling cards and sentimental valentine-like stickers.

O.E.S. Highlights

The 69th installation of officers for O.E.S. will be held Oct. 16 at the Masonic Hall in Plymouth. The installation will be semi-public. Practice for retiring officers and incoming officers will be held Sunday, Oct. 14, at 12:30 p.m.

Plymouth Chapter No. 115, Order of Eastern Star's regular meeting on Oct. 3, was called to order by Worthy Matron Wanda Durham. The meeting was well attended. A social hour with refreshments, was hosted by a committee of Evelyn Brooks and Carol Dodge and their co-workers.

MARINERS' INN PARTY
Mrs. William Tesen, 9544 Winston, Redford Township as chairman welcomes all women to the annual Women's Guild of Mariners' Inn dessert card party at the Diocesan Cathedral Barth Hall, Friday, Oct. 12 at 12:30.

CHANGE TO CHANDLER

FOR STATE REPRESENTATIVE

Four Compelling Reasons To Change!

NO. 1. INCOME TAX — Your present "State Representative" didn't have the courage even to vote when the Legislature was trying to override the Income Tax which Detroit has invoked on Suburbanites. YOUR representative "abstained," even though THOUSANDS OF RESIDENTS IN HIS DISTRICT ARE WOUNDED BY THE UNFAIR INCOME TAX! (He "abstained" on direct orders from the Detroit party leaders who control him.) Nobody will control Paul Chandler's vote and he'll always stand up to be counted.

NO. 2. ABSENTEEISM — Whatever your political leanings, would you keep an EMPLOYEE ON YOUR PAYROLL WHO MISSES WORK 26 PERCENT OF THE TIME? The incumbent was absent for 183 ROLL CALLS and was absent from the House for 26 FULL DAYS of the 1962 legislative session!

NO. 3. STRONG VOICE FOR SUBURBS — Not one of the vital metropolitan suburbs has a real voice in Lansing today. All are "represented" by Detroit-controlled party puppets such as the incumbent from this district. So inactive has he been, most local voters DON'T EVEN KNOW THE NAME of their State Representative. Paul Chandler will give the Suburbs a STRONG VOICE in Lansing.

NO. 4. TAX ASSESSMENTS — Despite the incredible mess of the Property Assessment System in our suburbs, the result of ancient state laws, NOT A SINGLE PROPOSAL HAS COME IN FOUR YEARS from our "representative" which would modernize or clean up the assessing process!

WE NEED A REPRESENTATIVE

PAUL M. CHANDLER

**VOTE FOR
CHANDLER
REPUBLICAN
STATE REPRESENTATIVE
NOVEMBER 6**

- the man who will give our suburban area a strong voice and Real Representation in Lansing.
- the man known throughout Michigan for his Courage and Independence as a newspaper publisher and editor.
- the man trained in government and politics, since college, through practical experience and education.

HIS PLATFORM

- Solve Michigan's financial problems by a tax plan based on actual ability to pay. Reduce sales, personal property, punitive, "nuisance" taxes and all other taxes which injure the business climate.
- Have a tough, searching inquiry by the State Public Service commission into the rates being charged in the new suburbs by utility and telephone companies.
- Find a new "state aid" formula for schools which provides special help for exploding population areas, during their most difficult growth years.
- Provide substantial property tax exemptions for retired persons.
- Support the new Constitution, and support George Romney in his drive to revitalize State government.

HIS BACKGROUND

- ★ Editor and Publisher, community newspapers reaching 130,000 readers.
- ★ Graduate, University of Michigan, BA in Political Science.
- ★ U.S. Navy Officer, Bronze Star award.
- ★ 42 Years Old, Resident of Livonia, Formerly of Plymouth.
- ★ Pioneer in successful Community College project.
- ★ Former writer, The Detroit News. Former vice-president, Michigan Racing Association.
- ★ President of his own business; knows business problems and business-like approach to government and management.
(Paid Political Advertisement)

Obituaries From This Area

CHARLES MUSCAT
Funeral services for eight-year-old Charles Muscat, who died of leukemia and pneumonia on Oct. 1 were conducted in the Manns-Ferguson Funeral Home, 17000 Middlebelt Road, Livonia, on Wednesday with the funeral mass at St. Genevieve's Church. Burial was in Holy Cross Cemetery. Charles, a son of Charles and Carmela Muscat, was a student in Roosevelt School. He was born April 28, 1954 in Detroit. Surviving are his parents; and three sisters, Carmen Ann, Margaret and Sandra, all at home.

Mrs. Gladys Sayles
Funeral services for Mrs. Gladys Sayles, 66, 25441 Southwick, Redford Township, were conducted in the Hammond-Haas Funeral Home on Tuesday, Oct. 2, in charge of Rev. Victor Halboth, Jr., of Grace Lutheran Church. Burial was in Grand Lawn Cemetery. Mrs. Sayles died at her home on Sept. 29 after a lingering illness. She was born April 4, 1896 in Michigan.

Surviving are: her husband, Jesse Sayles; three daughters, Mrs. Mary J. Hanson, Mrs. Bete Burke and Mrs. Barbara Tucker; a son, Edmond; a sister, Mrs. Lois Scally; and eight grandchildren.

Gary Conley
Funeral services for Gary Conley, 51, 15420 Leona, Redford Township, who died suddenly while visiting in Van Nuys, Calif., were conducted in the Hammond-Haas funeral home Monday, Oct. 1, by Rev. John Drummond. Burial was in Parkview cemetery. Mr. Conley was born March 29, 1911 in Pennsylvania. He is survived by his wife Violet; a daughter, Sharon; four sisters and four brothers.

Mrs. Marie Barrett
Funeral services for Mrs. Beatrice Barret, 77, 15529 Pomona, Redford Township, were conducted Monday, Oct. 1 in St. Valentine's Church in charge of Father Sadler. Burial was in Holy Sepulchre Cemetery in Southfield. Mrs. Barrett died Sept. 28 in Wayne County General Hospital following a short illness. The body was removed to the Hammond-Haas funeral home. Surviving are: three sisters, Mrs. Antoinette Joly, Mrs. Earl

May, Mrs. Alice Hofer; and two brothers, Henry and Harold Tanguay.

Rollie E. Dunbar
Funeral services for Rollie E. Dunbar, 67, 45400 N. Territorial Rd., Plymouth, a retired executive of American Motors Corp., were conducted in the Schrader Funeral Home Monday morning in charge of Rev. Melbourne Johnson, Graveside services were held Monday afternoon at Riverside Cemetery in Bellevue.

Mr. Dunbar died Friday in University Hospital in Ann Arbor following a short illness. He was born Nov. 3, 1894 in

Bellevue, Mich., a son of Herbert and Mary Stauffer Dunbar. He had resided in Plymouth since 1956 and was past master and a member of Diamondale Lodge 449, F&AM and of the Moslem Temple of Detroit.

Surviving are: his wife, Mrs. Arlene Dunbar; mother, Mrs. Mary Dunbar, Battle Creek; three sons, Gerald, St. Louis, Mo.; Kenneth of Plymouth, Maurice of Kenosha, Wis.; two daughters, Mrs. Edith Nelson of Lansing, and Mrs. Beatrice Scherer, Lakewood, O.; a brother, Myron of Bellevue, Mich.; a sister, Mrs. Opal Reese of Battle Creek; and 11 grandchildren.

CHANGE TO CHANDLER

Plymouth Solons Get Hall Report

Plymouth's City Commission Monday formally approved the master plan for the general development of the City in a special meeting.

The approval was necessary for bonding purposes and the action had to be taken for the City to sell bonds.

The Commission also heard a progress report on plans for the proposed new City Hall from Architect Hi Becker of the firm of Becker and Wheeler, and Harold Pine, who is assisting the firm in the project.

In other actions, the Commission: Named A. E. Vallier, Jr., as the negotiator for the City with the Detroit Water Board.

Approved the blocking of an alley in the area bounded by Holbrook, Union and George Streets and Park Drive.

VICTORS in the Plymouth Businessmen's Golf League proudly display their trophies. Harper Stephens (left) presents team and individual awards to members of the Okerstrom Roofing and Siding team. The group

includes: Stephens, Okie Okerstrom, John McClelland, Jim Watson and Wayne McLaren. Herb Rogers fifth member, was missing at the time the picture was taken.

Raises Curtain In Plymouth

Two one-act plays and some character impressions will be the highlights of the "Curtain Raiser" being presented Saturday at 8 p.m. by the Plymouth Theatre Guild in the auditorium of the Plymouth High School.

The "Curtain Raiser," an "open house" for the Livonia-Plymouth-Northville community, is an innovation for the Guild and something they plan on making an annual event. There will be no admission charge.

Spikes Reservoir Rumors

(Continued from Page 1)

Supervisor stated he was extremely concerned that if Plymouth built the reservoir it might delay the expansion of the Detroit Water System and his community getting more water.

5. After his late arrival, Mr. Remus, the General Manager of the Detroit Water Department stated that he was opposed to the City of Plymouth building the proposed reservoir or doing anything to improve its water system. He also stated that through the County Board of Supervisors he would block the

attempt of the city to obtain County owned land. "The reason for this attitude was that the Detroit Water System had plans at some future date to expand their system in the northwest corner of Wayne County because at the present time they could not adequately supply their existing customers such as Plymouth Township. He also stated that he needed Plymouth as a customer to help defray the costs of this proposed expansion whenever it was decided to proceed with it. In his reasoning he refused to take into consideration that:

"a. Plymouth has adequate water for future needs.

"b. The engineers, Johnson and Anderson, recommend that ade-

quate reservoir capacity is needed even if we eventually purchase water from the Detroit Water System.

"c. That the Detroit Water System can not or has not ever presented to the City any engineering or economic information on which the City could make a decision whether or not it would be economical or practical to consider obtaining water from the Detroit System.

"d. That the Detroit Water Department has no contractual obligation to complete the proposed water system by any certain date and furthermore the City of Plymouth is under no obligation to buy water from the Detroit Water System unless it feels it is economical and practical to do so.

"Mr. Remus stated the information meeting was set for Sept. 19, in his office to go over such information.

"6. A meeting was held on Sept. 19, in the office of the General Manager of the Detroit Water Department and was attended by representatives of the City of Plymouth, Johnson and Anderson, Detroit Water Department, County Board of Auditors and Plymouth Township.

"1. The Plymouth Township Supervisor made his usual comments regarding his concern about any delay in the expansion of the Detroit Water System so his community could get more water.

"2. Mr. Remus again took exception to the engineering proposals and recommendation of Johnson and Anderson.

"3. Mr. Remus and his staff admitted that the engineering information that the City requested and required before considering the possibility of purchasing Detroit water was not available as he had promised. He stated that if the representatives of Johnson and Anderson would work with his staff that this information could be available within a week or 10 days.

"7. At the City Commission meeting of Oct. 1, the representative of Johnson and Anderson reported that in spite of Mr. Remus's promises, the Detroit Water Department had not developed or made available the information needed by the City before it could make a decision whether it was economical or practical to purchase water from the Detroit System.

"Inasmuch as the reservoir is needed now, and would be needed if and when it is practical to purchase Detroit water, they recommended the City immediately proceed with the construction of the reservoir on an alternate site. They also stated that the proposed reservoir could easily be connected with the expanded Detroit System.

"8. In view of the consulting engineers' recommendations and the stalling tactics of the Detroit Water Department, I advised the City Commission that I felt they should immediately proceed with the construction of the new reservoir so that they could take advantage of the Federal Funds before they become exhausted.

Plymouth School Board OKs Gifts For Student Trips

Gifts from the Plymouth Symphony Society and the Plymouth Kiwanis Club to furnish transportation for music students to the Detroit Symphony concerts and for the Plymouth High School Marching band to Allen Park and Belleville, were accepted by the Plymouth Community School District Board of Education Monday night.

The Symphony Society presented a check for \$66 to cover the cost of a bus and driver for trips to the Saturday Morning Young People's Concerts in Detroit on Nov. 17, Dec. 22, Jan. 26 and March 9.

The Kiwanis Club check will be used to defray the costs of transporting the band to the two away-from-home football games. The Board's policy allowed the band only one trip and that was designated as to the Trenton contest.

CC Trustees Set April 1 For Building

Architects, working on plans for the new Northwest Wayne County Community College, have speeded their work so much that the Board of Trustees has set April 1, 1963 as the target date for start of construction.

Jonathan Taylor, of the firm of Eberle M. Smith Associates Inc., presented plans for three of the college buildings to the Board last week.

The three include: the instructional building, library and administration building.

Preliminary drawings will be presented for Board approval on Oct. 17 and the final plans will be ready to submit for bids by March 1, 1963.

The plans as they now stand on the new buildings are on display at the College offices on Newburgh Road. The public is invited to stop in and view them at any time during the day.

Plymouth DPW Head Asks Cooperation

Leaf Pickups Start Soon

City of Plymouth residents are urged not to be in any hurry about leaf pickups.

Department of Public Works Supt. Joseph Bida reports the City hasn't had a good frost to date and to pick up leaves this early would be costly and wasteful.

Bida indicated the DPW trucks will start picking up leaves around Oct. 15.

In the meantime, he points out that homeowners may burn leaves in alleys and on dirt sections of roads but not on any blacktop streets. Permission must be received from the Fire Department first, he warns.

Bida says that it is next to impossible for the DPW to set up a schedule for picking up leaves. Once the trucks put in an appearance, the householders get busy and rake up their leaves and dump them into the street.

Thus, there may be only a few piles on the street when

the truck starts work but by leaves or how to dispose of them, call the Department of Public Works office at GI 3-1556 at any time during the day.

Plymouth Eyes \$45,050 In Annual Fund Drive

(Continued from Page 1)

of the goal, has been busy for 10 days: the advanced gifts committee for weeks; and the committee chairman have been meeting weekly since mid-June.

The agencies participating in the Fund with the amounts allotted to each are as follows:

- Boy Scouts \$6,000
- Girl Scouts 4,500
- Salvation Army 8,500
- Visiting Nurses Association 2,500
- Plymouth Dental Fund 2,000
- Police Youth Club 1,500
- Plymouth Symphony 2,000
- Veterans Memorial Center 2,200
- American Red Cross 4,200
- Plymouth Cancer Society 3,683
- Senior Citizens 520

In addition 22 united health and welfare agencies administered through the United Foundation receive \$5,647 from the Plymouth Community Fund.

Women of the community will make a house-to-house canvas for three days and nights, starting Monday, Oct. 15 and continuing through Wednesday, Oct. 17, according to plans announced by

team captain Mrs. Reva Barber.

Mrs. Barber emphasized that it will not be a porchlight campaign since the women volunteers plan to visit the homes in their immediate neighborhood during the afternoons and evenings of the three dates—but not on a specific schedule. Glassford urges all workers, who make pledges at plants either in the Plymouth area or in Detroit, to make sure that the money is allocated to the Plymouth Fund.

"It is a simple matter to make a designation on the back of the pledge card," he said, "but we would also appreciate it if all workers making contributions in this manner, drop a note to the Plymouth Community Fund so that we can make sure that we get all funds to which we are entitled."

Assisting Glassford as division chairman are: industrial, Elmer Hedlund; professional, Sid Singer; business, Thomas Notebaert; advanced gifts, Sterling Eaton; special events, Robert Wall and Dan Olsen; advisors, Russell Isbister, Ethel North, Frank Palmer and Dr. William Covington.

News Reading Courses Set In Plymouth

Demonstrations and conferences in methods of teaching school children how to read newspapers will have the attention of teachers in the Plymouth Community School district on Monday and Tuesday, Oct. 29 and 30.

The unusual courses are part of the in-service training program for teachers and have been arranged by Supt. Russell Isbister and Principal Gerald Elston.

The demonstrations and conferences will be conducted by Mary Waddle, consultant from the Department of School Services at Wesleyan University in Middletown, Conn.

Today, for millions of Americans the newspaper is virtually the sole source of printed information. Therefore, children need to learn how to read a newspaper. That's what Miss Waddle will try to get across during the two-day demonstrations—how teachers can teach pupils to become better readers of newspapers and better understand what they read.

Looking Around Plymouth

George Lawton, President of the Plymouth Chamber of Commerce and manager of the Plymouth Federal Credit Union, has taken a week's vacation in Northern Michigan for partridge huting.

Edwin George, vice-president of the Detroit Edison Co., will be the principal speaker at the annual banquet of the Plymouth Community Chamber of Commerce on Monday, Oct. 29 in Lofy's Arbor-Lill.

The Parent-Teachers-Students Association of Plymouth Junior High East will hold its annual book fair on Nov. 7, 8 and 9 at the school. New officers of the PTSA are: Richard Striling, president; Richard Reade, vice president; Mrs. Fred Foust, secretary; and Warren Smith, treasurer.

College Librarian Asks Help in Finding Books

This is the first of a weekly list of books which the NW Wayne County Community College has been unable to locate. Please contact Patrick Butler, College Librarian, at the College, GA 7-6620, if you have any information which will help in finding these out-of-print books.

1. Calhoun, A. W., A SOCIAL HISTORY of the AMERICAN FAMILY—3 Vols. 1917-1919.
2. Tansill, Charles C., AMERICA GOES to WAR 1938.
3. Warren, Charles, THE MAKING of the CONSTITUTION 1928.
4. Nicolay, J. G., and Hay, John. ABRAHAM LINCOLN: A HISTORY—12 Vols. 1890.

21 Plymouth Grads Are U-M Freshmen

Twenty-one members of the June 1962 graduating class of Plymouth High School have been accepted as freshmen at the University of Michigan and are attending classes in the fall semester.

The list includes:
Richard Alford, 14001 Beck Road; Bonnie Anderson, 11124 Amherst Court; David Bickle, 49100 N. Territorial Road; Helena Billiter, 46455 Saltz Road; Karen Clyde, 1246 Sheridan; Glenda Distler, 11101 Gold Arbor; Gary Dunbar, 42365 Hammill Lane; Bonnie Jo Edgar, 12350 Ridge Road; and Janet Fair, 12044 Amherst Court.

Harold Fischer, Jr., 40875 Plymouth Road; Sylvia Godwin, 43425 Warren; Janet Graham, 595 Ann Street; Paula Guertin, 40505 Ford Road; Thomas Hoffman, 1469 Sheridan; James Kropf, 41218 Marlin Ave.; Leroy Lane, 46501 W. Ann Arbor Trail; Susan Larkin, 315 Pacific; Florence Susan Neal, 676 Burroughs; David Raaflaub, 172 N. Mill St.; Carolyn Scott, 416 Evergreen; and Marianne Shirk, 41395 Wilcox.

Principal Carvel Bentley, of Plymouth High School, also was informed that David Trudell, a 1959 Plymouth High graduate, has enrolled as a freshman after attending DeVry Technical Institute in Chicago for a year.

Plymouth Hires Two Teachers, Needs Two More

Although the Plymouth Community School Board approved the appointment of two teachers to the faculty, the system is still short two teachers at Farrand, Starkweather and Gallimore Schools.

The Board approved the recommendation of Supt. Russell Isbister in hiring two instructors and then learned that he is seeking two additional teachers to fill the vacancies.

Isbister pointed out that the increased school enrollment makes it necessary to add a fulltime teacher to the Farrand School staff and half-day teachers at Starkweather and Gallimore schools.

Patricia Tucker was approved to handle the third grade at Gallimore School and Lucia Reng was hired to teach the second grade at Smith Elementary School.

Mrs. Tucker taught in Madison, Wis. a year ago, is a graduate of Aurora (Ill.) College and a native of Iowa.

Mrs. Reng is a retired Northville teacher who agreed to handle the Smith assignment for one year. She taught for years in the Northville School system before her retirement.

Area Firemen New Officers Of MFI Group

Fire inspectors from Livonia and Plymouth have been elected officers of the Michigan Fire Inspectors Society. The annual election took place at the 13th conference in Kellogg Center at East Lansing.

John Bunk, fire inspector for the Livonia Fire Department who resides at 38550 Ann Arbor Trail, Livonia, was named vice president.

Paul Albright, captain of the Fire Prevention Bureau of the Plymouth Township Fire Department who resides at 9039 Ball St., Plymouth, was elected secretary-treasurer.

Fire Marshall Chesley Miller, of Mt. Clemens, was elected to the presidency for the 1962-63 term.

The purpose of the conference was to exchange ideas in the field of fire prevention, to obtain aid in the solution of local fire inspection problems and to assist in formulating the program for the Michigan Fire Inspectors conference.

Sister Mary Columbine, (above) administrator of St. Mary Hospital, Livonia, has announced the opening of the Physical Therapy Department. The department is under the supervision of Sister Mary Colette, CSSF. The department will render services to all hospital patients as well as to patients in the five communities (Livonia, Plymouth, Northville, Farmington, and Redford Township) on out-patient basis, on the presentation of a doctor's prescription for treatment. Besides physical therapy treatments such as: massage, hydrotherapy, therapeutic exercises, radiation therapy and electro-therapy, muscle strength tests and surveys are also available.

Community College Eyes \$40,000 in State Funds

The Northwest Wayne County Community College, which has the backing of Livonia, Garden City, Clarenceville and Plymouth, anticipates receiving at least \$40,000 by June 1963 from the State Community College Funds.

That's the prediction of Dr. Eric Bradner, College president, after a study of the provisions of the funds.

The college will share in the monies which the Legislature appropriates annually for construction, alterations, refurbishing or remodeling junior and community colleges.

For the fiscal year ending June 1963, the legislature appropriated \$1,281,250. This fund is allocated by the Superintendent of Public Instruction under

a formula worked out in cooperation with the Michigan Junior College Association.

Dr. Bradner points out that NW Wayne County Community College is entitled to \$40,000, the base allowed for all Community Colleges in Michigan. The remainder of the fund is appropriated on the basis of the number of students enrolled.

Since NW Community College has no students, it is not expected to qualify for more than the \$40,000. However, if there are any monies left in the fund at the end of the year, a portion will be available for the new college.

Dr. Bradner indicated that this could go as high as an additional \$40,000 or \$50,000.

Under this formula, no more than \$300,000 may be allocated to any single college. This must be matched with funds from the local district.

This means that if Northwest Wayne County Community had a student body and a construction program of \$100,000, the College would be able to spend the \$100,000 and request the State for one-half of the return.

As time passes and the col-

lege acquires a student body, there will be substantial increases in the "matching funds," according to Dr. Bradner.

The College Board of Trustees has authorized Dr. Bradner to make a request at once for an appropriation from the state's matching funds.

Outdoor Rally for Romney

George Romney, Republican candidate for governor of Michigan, will appear at an "old-fashioned" political rally at the Wonderland Shopping Center in Livonia the evening of Saturday, Oct. 20, it was announced today by Robert Kropf, chairman of the Livonia Romney Volunteers.

Besides an address by Romney, the rally also will feature entertainment by musicians, a barbershop quartet and other professional entertainers yet to be announced.

Austin Grant, Detroit broadcasting personality, will act as master of ceremonies. The program will start at 7:15 p.m.

A hand-shaking tour of the shopping center by Romney will precede the entertainment.

In case of rain, the rally will be held at the Bentley High School gymnasium.

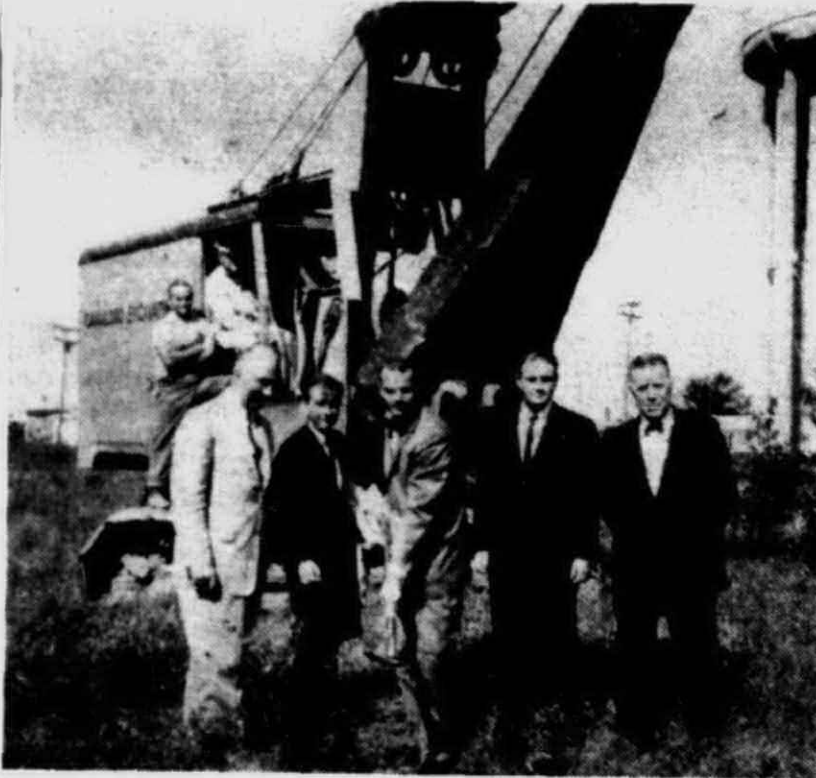

Everyone who is interested in meeting and hearing Romney in person is invited to attend.

Romney Volunteer organizations in Garden City, Redford Township, Dearborn Township, Plymouth, Northville, Nankin Township, and Novi are also sponsoring the rally.

For the Livonia chapter, Al Pepper, 9881 Clements Circle, East, is the general program chairman.

Others on the committee are Gail Nau, 30008 Bentley, entertainment; Les Viland, 30001 Minton, sound truck; George Gannage, 29200 Elmira, stage equipment; Duane Roush, 11027 Blackburn; Ted and Kaye Doman, 32863 Myrna; Pat Graney, 12963 Stark; Marion Williams, 36119 Sherwood Dr.; Dave Armstrong, 14625 Garylane; and Frances Hensley, 11531 Cavell.

Additional assignments for members of the Livonia chapter will be made at a general meeting on Monday, Oct. 15. All members are asked to attend, and any others interested in assisting in the rally are invited to meet with them at the headquarters at 30313 Plymouth Road at 8 p.m.

ANOTHER NEW MEDICAL CLINIC for this area was underway last week with ground-breaking at Schoolcraft and Merriman roads. General contractor is Clarence A. Durbin. Participating were (L to R), Durbin, Gilbert W. Savage (the architect), L. T. Zikowski, M.D.; Richard E. Young, M.D.; Robert J. Hornbeck, M.D.

New Center Opens Oct. 14

Telephone 'Information' To Come From Plymouth

Michigan Bell Telephone company announced this week that it will establish and place into service on Sunday, Oct. 14, an information center in Plymouth that will serve telephone

users in eight communities. Earl E. Morrow, District Commercial Manager here for Michigan Bell, said the center will have a 26-position information board requiring a force of 45 to 50 additional people in

Plymouth, including operators and supervisory personnel.

Besides Plymouth, Morrow said, the center will serve Northville, Belleville, Brighton, Livonia, Farmington, Wayne, and Redford Township.

shift of calls from these locations to Plymouth beginning Oct. 14 until the center is in full operation by Oct. 21.

"Residential and business growth and the resulting increase in telephone usage in these areas has been at such a pace that an overload is threatened on the four information centers now serving these areas" Morrow said.

"Centralizing in Plymouth assures our customers that the standard of good information service will be continued as more demands are placed upon it." Morrow said the calling rate to information from the eight communities averages about 18,000 requests a day.

At present, information calls from the eight communities are sent to four different locations. These locations also handle information calls from other communities nearby, Morrow said there will be a gradual

Burglars Rob Gas Station Safe of \$500

Burglars broke into Middleton's Standard station, 20595 Farmington Rd., Livonia, and removed \$500 from a safe and a set of ties valued at \$40, according to a complaint filed with Livonia Police by William Middleton, 33374 Lynx, Garden City.

The theft was discovered by Livonia police during a routine check when they found a window broken in one of the overhead doors in the rear.

Middleton was called at his home and reported the theft after an examination of the opened safe.

September's Traffic Toll Up 18 Percent in Michigan

September traffic deaths in Michigan totaled 151, an increase of 23, or 18 per cent, over 128 in the same month a year ago, according to State Police provisional figures.

A seven-death two-car collision on the month's closing weekend helped to increase the September toll. This was the fourth month in a row in which there was a gain in deaths compared with the same months last year. Delayed death reports will raise the September count somewhat.

September's average for the last five years of 1957-61 was 135 and for the 29 years since 1933 it was 149. The provisional nine-month toll is 1,142, which is six more than 1,136 in the same period in 1961.

Curriculum Group Plans Talks On Plymouth Aims

The Plymouth Community School District Board of Education will hold two hearings on its proposed basic philosophy and goals in regard to public education in the Plymouth Community during the next two weeks.

Chairman Mrs. Esther Hulsing, who heads the Board's Curriculum Committee, indicated the group will go over the proposed goals in session with representatives of the executive committee of the Plymouth Education Association

next Monday, Oct. 15, in the Junior High East.

Then, the committee plans a public hearing and discussion of the philosophy and goals in a meeting on Monday, Oct. 22 in the Junior High East library to which all citizens are invited.

Mrs. Hulsing said her committee has been studying the matter for more than two months and will use all of the expressions from the various meetings before making a final recommendation to the Board of Education.

U-M to Attract 600 Dentists for Special Courses

ANN ARBOR - About 600 dentists from Michigan and nearby states will enroll this year in postgraduate courses offered by The University of Michigan School of Dentistry, according to Dean William R. Mann.

One of the new registrants will be the 5,000th dentist to enroll since the courses were first offered in 1933.

This year 31 different courses are being presented by the school's W. K. Kellogg Foundation Institute or Graduate and Postgraduate Dentistry.

They include such subjects as oral surgery, diagnostic techniques, X-ray, and the techniques for restoring teeth with different kinds of materials.

RU '11' Storms Over Bentley

They are whooping it up around Redford Union High School these days.

Why not? The footballers, who for a long time in recent years starved by going game after game without a victory, now stand with three wins and a tie at the halfway point of the 1962 campaign.

What is more, Redford Union shares the Suburban Six League lead with Allen Park. Each has a 2-0 mark in the conference.

"It's great," admits Coach John Rogers. "But the worst is still ahead for us."

"We still have three killers left in the league. This Friday we go to Trenton. Then we come home against Belleville, before finishing league play at Allen Park."

That date with Allen Park is

set for Oct. 26. It could very well be a red-letter day for Redford Union.

But while trouble lurks ahead, Redford Union can shout about what's already been recorded in the '62 history books... most fresh being last Friday's 20-0 gallop over Bentley.

Scorewise and statistically, it wasn't much of a battle. Besides its three-touchdown advantage, Redford Union had a 16-6 edge in first downs and outgained Bentley, 285-47.

Bentley wasn't able to do anything against the RU defense, led by Vic Pegg, Rick Coleman, John Snyder, Jim Sturgeon and Mike Caplia.

The Livonians had 65 chances to move the ball. Their net on the ground was 23 yards, in the air 24.

Redford Union made most of its way with its ground attack which piled up 213 yards. But ace passer Chuck Shelton, who made good 16 out of 29 the previous week against Plymouth, fired eight of 21 for 88 yards to keep the Bentley defense moving.

Bentley was on the move early in the game, reaching the RU 35 when a fumble cost the Livonians the ball. RU took over and moved quickly for a touchdown with Pegg running the final 15.

The teams played to a standstill in the scoring column during the second and third periods. RU had the ball a good portion of the time, but Bentley tightened up when it had to.

Capitalizing on a fake punt formation run on a fourth down situation, RU kept alive a drive which started on its own 30 late in the third period and finally paid off with a touchdown when Shelton hit Bob Johnson with a two-yard toss in the fourth period.

Shelton's passing to Mike Srock plus another "fake kick" on fourth down carried RU to the Bentley two from where Craig Turnipseed went over for the game's final touchdown.

Bentley never penetrated the RU 30.

PREPARING FOR ACTION in the Junior Bowling League, sponsored by bowling proprietors in Livonia and the Livonia Department of Parks and Recreation, are: (from left) Steve Dolan, Paul Lawson, William Mazur, who is one of the leaders in youth activities in the community, Bill Zirblis, assistant superintendent of

recreation, Tony Branoff, manager of Cloverlanes, and Janice Kleim. The league, which will attract young bowlers to the four establishments in Livonia — Cloverlanes, Merri-Bowl, Winderland Lanes and Livonia Lanes — is slated to get underway in mid-October.

Down 19 Points, Thurston Rolls on for First Victory

Football Coach Gordie Young was mad. He had told sports writers the 1962 Thurston High football team would be a power in Mid-Wayne League play.

But Thurston had let its coaches down by dropping two straight conference contests — first to Taylor Center, then to Shaffer.

"I told them before we took the field to meet Inkster Robichaud this was their chance to prove themselves," said Young. "And prove themselves these kids did under some of the roughest conditions possible."

Playing at Thurston last Saturday, Robichaud jumped into a 19-0 lead in the first quarter. Thurston made four fumbles in the first frame and Robichaud turned three of them into touchdowns.

"You would have thought that the kids might quit under such circumstances," added Young.

"But these kids had to prove to themselves, to me and the other coaches they were a first-rate football team. So they put on one of the greatest rallies I've ever seen a high school squad stage."

At the finish the score read: Thurston 34, Inkster Robichaud 31.

Young dished out the superlatives all over the Thurston gridiron at the finish. "The quarterbacking of our Keith Spicer was out of this world," declared Young. "He

Trenton Whips Bentley Team

The reserve football team at Bentley High was crushed by Trenton, 18-0, last Thursday. The Livonians didn't threaten seriously in the game.

For Franklin in 33-0 Loss

There Is No Disgrace

When a team is beaten by a 33-0 score there's usually very little in a complimentary way which can be directed in its direction.

Not so was the situation last Friday when Jackson High scalped Franklin's young tenth and eleventh graders by the five-touchdown margin.

At Cotton, the veteran sports editor of the Jackson daily newspaper, was quick to herald Franklin "for a fine showing everything considered."

Added Cotton: "There's a team (meaning Franklin) which should be heard from in a couple years in high school football."

Coach Jack Hudnut of Franklin expressed pride in his team's performance.

"The kids did an excellent job," said Hudnut. "We knew we didn't stand much of a chance against Jackson."

Hudnut talked with a smile in his voice about the Franklin secondary trio of Jim Leamy, Ken Bratherton and Bob White who stopped Jackson's passing attack cold. Bratherton made two interceptions.

Bill Black did a noteworthy job as quarterback for Franklin and he also ran well from a full-back assignment. Ron Eestep, Dennis Wagner, Hugh Vaughn and Larry Yonish also drew the praises of the coach, as well as the veteran Jackson sports editor.

Jackson accounted for all its yardage — 323 — on the ground. Franklin made 78 on the ground and 41 through the air, hitting on three of nine passes.

Jackson scored twice in the

first quarter and once in each of the other three stanzas.

An 88-yard march started the ball rolling for Jackson. John Jensen went the final yard. Al Fowler ran over for the second score on a 20-yarder. Then a fumble helped Jackson make it 20-0 at the half.

Franklin made only one

serious threat, moving inside the Jackson 20 in the closing quarter. But the clock expired before Franklin could whip off the "zero" from its side of the scoreboard.

No relaxation lies ahead for Franklin. The team travels to Monroe Catholic Central next Saturday evening.

SPORTS OBSERVER

By George Maskin

What one hears as he wanders about the sports beat in the area. (Naturally the spokesmen prefer to remain anonymous.)

"Watch for Franklin to emerge as the new football power in Livonia. It's not that Bentley doesn't have the coaching or the physical plant. It's simply a case that all the hard-nose kids—or most of them—reside in the Franklin district. These are the kind of kids necessary to bring a school a winner in football. Until Franklin opened, the southenders were going to Bentley and helped make Bentley a tiger on the gridiron. Now it'll be different. Just wait and see."

That will do—wait and see.

"It couldn't have happened to a nicer guy—Ray Herbert winning 20 games for the Chicago White Sox during the recent season. (Herbert, as you perhaps know, lives in Livonia during the off season.) "Ray has had his ups and downs in baseball. He looked like a bright prospect for the Tigers, but just didn't make it. Then he went elsewhere. For a while it appeared Ray was doomed to remain in the minors. But he worked hard, won his way back into the majors via the Kansas City Athletics and now has to rate among the leading pitchers in the American League. It would be great to see Ray back pitching for the Tigers."

Yes, it would—seeing Ray again in a Tiger uniform. This writer would like to join in the salute department to Ray. We've known him since his high school pitching days at Catholic Central in Detroit. He was a great kid. He's just as great as a man.

Don't look for any split up teams in the Suburban Six League. Other are loops you know are breaking up. The Eastern Michigan prep loop, for example, is splitting in half. Nearby Southfield is leaving the Interlake League. Thurston is quitting the Mid-Wayne to go into a new loop which includes Livonia Franklin. The idea is to group rivals close to one another and form a league. This cuts down on travel and expenses. It also makes for sharper rivalries and helps to swell the number of people who show up at the gate. The more fans, the more dollars for already starved school systems. But, getting back to the Suburban Six League (Livonia Bentley, Redford Union and Plymouth comprise half the membership). The members are happy. No squawks about the distance, say between Plymouth and Trenton. No one school dominates the sports scene, which is so important. Everybody seems to cut in on some of the glory during the course of the school year. So you say... the league will stay firm for some time to come."

This very nice news to hear.

"When the subject of the President's Physical Fitness Program arises, it galls me. Actually all the committee handling same is suggested that we adopt the program we had in school systems 20 and 30 years ago in the Detroit area. That's when we made certain that every youngster had at least one period of physical education and health in his school days. This business of talking about tests, etc., is for the bunk. Each youngster is capable of doing only so much. A boy, who may be able to perform only five chin-ups, in the long run may be better off physically than the boy who does 40 chin-ups. Just make sure that every kid gets to swim or play in the gym or get in some physical workouts one period a day. That would help achieve what the President is striving for. The trouble in so many school systems now is that there are so many students, the gym and pool facilities aren't big enough to accommodate all the student body. So many students aren't scheduled for gym or swimming, or the like. And, many don't walk to school any more. Why not ban driving to school for kids?"

We have said so for a long time—when it's come to kids driving themselves to school in convertibles and what have you.

"Unsung heroes. They're the boys who run on cross country teams for the various high schools. Few fans show up to cheer the hill and dalers. They have to be in top physical shape to be able to cover the two-mile course. It's not very easy. But these boys get out there... and sometimes during the fall... it gets pretty chilly just to be wearing a tee shirt and shorts. But these kids don't cry or complain. Even when they sparkle, nobody around school seems to care. To be a third stringer in football and seldom play would appear to rate higher distinction than being the No. 1 star on the school's cross country team."

Very true, very true. Why not a pep rally some day just before the harvest to the mark at Bentley, Franklin, Plymouth, Redford Union Thurston or Clarenceville. It would be different. Eh?

Hockey Men to Visit Godfrey's Pool Parlor

Hockey star Warren Godfrey will be joined by many of his former Red Wing teammates Wednesday, Oct. 17, when he stages the grand opening of his new billiard parlor at 24827 Plymouth, Redford Township.

Not only will many of the Red Wings be on hand to meet their fans from this area, but some of Godfrey's present teammates on the Boston Bruins have also promised to be at the opening. The event is scheduled for 7 p. m. to midnight.

Named Warren Godfrey's "Hall of Balls" the new sports center features 20 tables over 5,000 square feet of space. The facilities include 10 pocket billiard tables, nine snooker tables and one straight billiard table. All of the equipment was designed by the Brunswick Company. Godfrey picked the site of his new building because of his interest in the area. He also makes his home at 10047 Minock, Redford. "I've been debating for some time about building a billiard center. I like living in the Redford area and I know that I won't be playing hockey forever. I've visited the other new billiard centers in this area and I've tried to incorporate the best features of each in the new building."

The new center is completely air conditioned. Open daily from 10 a. m. until 12 midnight, there are ample tables available to permit immediate play. The charge for each table is \$1.50 per hour.

The Brunswick Company has also announced that it will send at least one of its top professionals to stage an exhibition on Monday, Oct. 29.

Partners in the venture with Godfrey are Dr. John J. Ronayne and James Molnar.

Ohioan Wins Motorcycle Race Honors

Ron Rall, Mansfield, O., clinched the Tri-State motorcycle riding crown Sunday in the sixth annual championships at the Detroit Race Course under the auspices of the Metropolitan Club of Livonia.

George Bartles, of Detroit, was second in the expert or championship division and Larry Stone, of Farmington, took the third spot.

John Stuart, of Crystal Lake, Ill., captured the amateur championship with a clocking of 4:59 for the five miles. He led John Miller, Burt, Mich. and Doug Showles, Parma, O., home in that order in the finals.

Ted Heils, Dayton, O., won the novice crown with a time of 5:00.92 in the five-mile championship. Mike Perkins, Toledo, O., was second and Doug Kiger, Lancaster, O., finished third. RU 30.

St. Agatha Ties For Loop Lead

Sports, like life, is full of surprises. And certainly the St. Agatha High School football team is one (a surprise) this fall in the Catholic League.

When the Redford Townshipers found themselves in a revamped Northwest division for the 1962 schedule, many close to the parish grid scene could be heard to say:

"What a tough break for St. Agatha. They'll never stand up against the stronger and bigger rivals."

But with the season now past the halfway mark, it's St. Agatha along with Our Lady of Sorrows of Farmington which shares the sectional lead. Each has a 3-1 record.

Sorrows kayoed St. Agatha in the season's opener. Since then St. Agatha has stormed through three straight foes adding St. Frederick of Pontiac to its list last Sunday, 13-0. Sorrows, after winning its first three, fell to Orchard Lake St. Mary last Sunday.

Incidentally, next Sunday will find St. Agatha playing at Orchard Lake St. Mary starting at 2:30 o'clock.

St. Agatha and St. Frederick battled scoreless through the first half. When Mike Steen, the Townshippers' No. 1 quarterback, was hurt just before the intermission, it appeared the team might be in trouble.

However, Rick Collins came off the bench to lead the team in a second-half thrust which produced two touchdowns and the victory.

Collins' aerial fireworks set up the first St. Agatha score. He hit Bob Dorchy on a third and 12 situation from the St. Agatha 25, then clicked on a 35-yarder to Bob Krupansky to yard St. Agatha on the Pontiac team's 10. Four plays later Dorchy shot over from the 5.

Another spectacular pass, this one covering 60 yards, made it 13-0 for St. Agatha. The toss came the first time St. Agatha got the ball following its initial TD.

Collins faded and hit Jim Rose some 35 yards away. Rose took off and ran 25 yards to pay land. Dick Rigley added the point.

Lose Again in League

Rocks Skid to Last Place

From the top to the bottom. That's the story of the Plymouth high school football team in the Suburban Six League.

In 1961 the Rocks reigned as the circuit champs. Many experts predicted the Rocks would repeat.

However, after two league battles, Plymouth stands 0-2 and only a miracle can now bring the Rocks into at least a share of the pennant.

First it was Redford Union which belted Plymouth in league action. Last Friday, Allen Park ran over the Rocks, 19-0, as the Parkers gained a share of the league lead with Redford Union. Coach Mike Hoben of the

Rocks still isn't ready to throw in the towel.

"I never thought we had a championship contender this season," said Hoben. "I do think we'll still cause some trouble and we'll win in league play a few times."

The Rocks host Belleville (1-1) this Friday at 8 o'clock.

A combination of fumbles, plus a poor running attack hurt Plymouth last Friday night. So did the pile-driving of Allen Park's Mike Suveges.

Suveges carried the pigskin 23 times for a total of 169 yards and two touchdowns. He ran over from seven yards out and then on a one-yard plunge. Bill Baleon went

seven yards for the other score.

In contrast, Plymouth netted only seven yards on the ground in the first half, had the ball for only a single play in the third period (losing the ball on a pass interception) and finished the night with the grand total of 28 yards running.

In the air, Plymouth did better, gaining 100 yards on the tosses of Quarterback Dick Schryer.

Allen Park's first score resulted for a Plymouth fumble inside the Rocks' 20. Two other miscues didn't help the Rocks generate their attack.

Plymouth reached the Allen Park 8-yard stripe as time expired in the first half. The Rocks had another drive going in the final quarter, but again time ran out before they could do anything.

Coach Hoben planned to work on running patterns this week.

"We've got to do a better job on the ground," said the veteran mentor.

Fair to Kickoff Skiing Campaign

Officers of 30 ski clubs in the Metropolitan Detroit Ski Council, Inc., are making big plans for the kickoff of the skiing season, the Ski Fair Friday through Sunday, November 9-11, in the Light Guard Armory, 4400 E. Eight Mile.

The fair will show off equipment, fashions, and food, and will include skiing films and other features of interest to those avid Michigan skiers. On Saturday night, a special feature will be a dance on the lower level of the armory, with Richard Malby's orchestra playing.

Franklin Runners Tople Oak Park

With Dick Burkett leading the way, Franklin High School's cross country team decisively won Oak Park, 43-18, last Thursday. Eric Dahlberg and Mike Stock also placed among the leaders for Franklin.

Despite a winning individual performance by Larry Wehner, Clarenceville high's cross country team suffered a tough loss to Northville last Thursday. The final score showed Northville 26, Clarenceville 27.

Bentley, RU Run To Wins

Bentley high school's cross country team remained unbeaten in Suburban Six League action by posting a perfect score in trimming Allen Park, 49-15, last Friday.

The Livonians, now 2-0 in the loop, grabbed the first six places (only the first five count) against the Parkers. Ron Grant led the field with a 10:24 clocking for the two-mile course.

Then came Wayne Rohde, Bud Ciclarelli, Chuck Timson, Bob Dillon and Jack Hicks.

Earlier in the week, Bentley squeezed past Wayne High, 31-24, on the latter's course. Paul Rieker, Dave Temple, Grant and Rohde all ran under the school record at Wayne. Rieker was timed in 10:11 for second. Temple was third at 10:12 and Grant fourth a second back. Rohde, sixth in the race, was timed in 10:20.

Redford Union's cross country team, paced by speedster Tom Wabeke, picked up two more victories last week to run its record for the season to six wins against only two defeats.

The Townshippers clobbered Trenton, 41-20, in a Suburban Six League meet as Wabeke posted his fifth win in six meets. Bill Driscoll of RU ran second with Dennis Tierney fourth. John Cross and Rich Clark also placed for RU.

In a 20-47 non-league triumph over Southfield, the Wabeke-Driscoll combination also placed one-two, with Tierney again fourth. Doug Caudell and Duane Johnson rounded out the scoring for RU.

STARTING END on the Wisconsin State College varsity football team at La-Crosse, Wis., is Cliff Wellman, a junior in the physical education division. Cliff is the son of Mrs. Irene Wellman, 20059 Parker St., Livonia, and a graduate of Clarenceville High School.

RU Reserves Cop Thriller From Rocks

Free scoring marked Redford Union High's 23-21 win over Plymouth last Thursday in a reserve football game.

Dennis Davis scored twice for RU, while Rich Berryman and Bill Melton crossed into pay dirt once each. Jim Higginson booted all four extra points.

Roy Chappel ran 35 yards on a pass from John Daniels and then 20 yards for Plymouth's first two touchdowns. Daniels slipped over on a 2-yard sneak for the final Rock TD.

Chappel kicked all three conversions.

Lions' Stars To Hold Clinic At Wonderland

Detroit Lions stars Yale Lary and Gale Cogdill will conduct a football clinic at 2 p.m. on Saturday, at Wonderland Shopping Center.

They will offer tips on punting, passing and kicking as a prelude to the nationwide Punt, Pass & Kick Competition sponsored by the Ford Dealers of America and the National Football League with the cooperation of the Livonia Department of Parks and Recreation and Wonderland Merchants Council.

Livonia's contest will be held Saturday, Nov. 3, at Wonderland. All interested boys, ages 7 through 11 years, can register at Bill Brown, Inc.

Rouge Downs Franklin, 19-6

A 25-yard pass from Bernie Carbo to Ron Frayer saved the Franklin high reserve football team from a white-washing as the Livonians bowed to River Rouge, 19-6, last Thursday. Frayer caught the ball on the Rouge 20 and streaked the rest of the way.

Coat Vanishes While She Goes Dancing

Loss of a raincoat, valued at \$48, while attending a dance at the Club 182, 35603 Plymouth Road, Livonia, was reported to Livonia police by Judith Skekbeil, 24021 Republic, Oak Park. Miss Skekbeil said she left the coat draped over a chair and when she returned after a dance, it had vanished.

Plymouth Harriers Lose, 24-33

The Plymouth high school cross country team dropped a 24-33 meet to Belleville last Friday.

Denny Knapp of the Rocks took individual honors in the meet, but the rest of the Ply-

mouth entry finished well back. Skip Otwell was fifth, Bob Steele sixth, Larry Oldford ninth and Jim McKindles twelfth. Plymouth has won only one of five meets to date.

You Can Work and Collect

Check SS Benefits Now

Are you waiting to retire completely before you file for social security benefits? If so, don't delay, check today. You do not have to retire completely in order to receive some benefits, said Harry Baltuck, Manager of the Northwest Detroit District Office.

There are over a million people, still working, age 65 or over in this country who can receive some social security monthly benefits. The 1961 amendments to the social security law provide that \$1 of the total benefits payable to a family during a year be withheld for every \$2 the worker earns between \$1200 and \$1700. Deductions for earnings in excess of \$1700 will be on a dollar for dollar basis.

Under the law it may be possible for a worker with dependents who are also entitled to social security benefits to earn up to \$4400 in a year and still receive some social security benefits. An example of how the new "retirement test" works will explain it better, said Baltuck.

Let us assume that a 65-year-old worker earns \$3600 a year. He has earned this salary for many years and will continue working at the same salary.

On the basis of the \$3600 a year salary, his social security benefits payments will be \$105 a month. His wife and minor child will each receive \$52.00 monthly—total monthly benefits to the family will amount to \$210.

In this example, if the worker retired and kept his earnings under \$1200 a year, he and his family could receive checks for all 12 months of the year, or \$2520.

However, this worker will not retire and will continue to earn \$3600 a year.

Can this worker receive any social security benefits? Let us apply the "work test" and see.

STEP 1. Since this worker is earning over \$1200 a year, he and his family cannot receive the full yearly benefits of \$2520.

Step 2. For the first \$500 he earns over \$1200, a deduction of \$250 must be made (\$1 for each \$2 earned). Subtracting \$250 from the \$2520 leaves \$2270.

STEP 3. Since his total earnings are \$1900 over the \$1700, an additional \$1900 (dollar for dollar) from the \$2270 remaining from Step 2 must be subtracted. This leaves \$370 in benefits which may still be paid to this worker and his family, even though he has earned \$3600 for the year.

Many workers do not have to stop working completely to receive benefits. Baltuck urged all aged workers who are still employed to see their local social security office at once to avoid the loss of possible benefits.

Baltuck said that workers can figure out whether or not they can receive payments while working by obtaining a copy of leaflet 23C from any social security district office. The chart in the leaflet tells you at a glance how earnings will affect the amount of benefits that a worker and his family can get.

Additional information may be obtained at the social security office serving this area located at 18500 Grand River Avenue, Detroit 23.

HAVE IDENTIFICATION MARKS (AND REGULATIONS) IN MIND BECAUSE OF RESTRICTIONS ON THESE SPECIES

COMPARE WITH DUCKS IN VIEW

BE SURE, BEFORE YOU SHOOT!!

MORE THAN ever before, it will pay hunters to know their ducks this season. Although bag limits on mallards and black ducks have been cut, hunters can actually take two more birds per day than last year—provided they shoot the right combination of targets. Canvasbacks and redhead ducks will be fully protected for the third straight season. Here, several look-alike species will put hunters to the test. Sportsmen who need to "brush up" on telling ducks apart would do well to write the Conservation Department's Publication's Room, Lansing 26, for the 48-page "Michigan Waterfowl Identification Guide" priced at 25 cents per copy, or "Know Your Ducks," a free, pocket-sized folder.

DRIVE IN FOR EXTRA SERVICE

KAR-GARD MUFFLERS

As low as **\$8.88**

FREE... 15 MINUTE INSTALLATION

AS ADVERTISED IN... **LIFE · POST · Reader's Digest**

Kar-Gard mufflers last longer! They're made of thicker steels, zinc-coated for extra life—and are especially engineered to resist corrosion from condensation. So—drive in today and end your muffler troubles once and for all; you save, too, on expensive installation costs—your Kar-Gard muffler is installed free!

SHOCK ABSORBERS INSTALLED FREE

As a part of our regular service, we also inspect your shock absorbers at the same time—at no cost to you. If replacement is necessary, new shocks restore full steering control and boulevard ride—smoother riding everywhere!

Drivers Warned Against Use Of Parking Lights

"Don't go roamin' in the gloamin' with your parking lights on," is the admonition of the State Safety Commission to fall and winter drivers. A law passed in 1961 specifies that when it is dark enough to turn

NEED COPIES?

The Livonian has installed a New, Modern Photo-Copying Machine.

We make crisp, black-and-white copies of manuscripts, documents, and just about anything else at a small cost in a few moments.

For many professional and business-men this service can be a valuable time and money saver.

THE LIVONIAN
33050 FIVE MILE
(Across from City Hall)

on lights they must be the regular driving lights.

The dim and often obscure bulbs provided for parking lights do nothing for the motorist's own visual alertness and provide uncertain warning for other motorists and pedestrians alike.

The parking light is usually located closer to the dust and mud of the highway and the least likely to receive attention either from the driver or serviceman. The parking light is deliberately made low powered to conserve battery energy.

This modest gleam, seen through layers of road grime in the twilight, frequently deceives the passing motorist or crossing pedestrian as to its distance and his percentage of making good on the next move.

Early evening bicycles are a special danger this time of year. Parents should insist that their children know elementary traffic laws before the bike is bought. Most towns and cities have bicycle ordinances which require that bikes be licensed just like Dad's car. This is good because it helps son or daughter to regard it as a vehicle—

which it is under state law. Lights and reflectors are a must in twilight and dark. Unless it is necessary, cycling in

the dark is a dubious activity. There is no armor around a cyclist or a pedestrian. In any contact with an automobile it is no secret who gets the biggest bump.

Shooting out of driveways and parking areas and free coasting on down hill streets are a sure way to head for trouble. Even in good daylight the pedaler must be alert to things on all sides, stay as far to the right as possible while still being wary of persons emerging from the driver's side of parked cars.

Motorists should be prepared for the hundreds of young two-wheelers who ride to and from school everyday saving the taxpayers the cost of school buses and helping to keep physically fit. But parents should also share the responsibility for seeing that their young charges know and obey the common rules for safety.

MORE MOTORCYCLES

During the past ten years motorcycle registrations in Michigan have increased 50 percent. According to James M. Mare, Secretary of State, there are now almost 30,000 motorcycles rolling on State Highways compared with 18,764 in 1952. In 1942 there were only 5,634 and a mere 2,998 in 1932.

U-M Radar Expert Opens AAUW Series

Prof. Fred T. Haddock, member of the University of Michigan faculty, will launch the Plymouth Listening Post series of lectures on Thursday, Oct. 25, at 8:30 p. m. in the Plymouth High School auditorium.

The series is sponsored by the Plymouth AAUW and tickets for the three programs are available for \$4 from any member of the Association or by calling Mrs. W. E. Sturton at GL 3-1811.

Others listed on the series are: W. D. Snodgrass, winner of the 1960 Pulitzer Poetry prize, Jan. 9, 1963; and Dr. Alfred Kelly, Wayne State University history professor, will be one of two speakers debating a current government issue on March 5.

Prof. Haddock, a researcher in the field of radar and radio astronomy and developer and designer of a submarine radar for the United States Navy, is director of the U-M Astronomy project and the Satellite Radio Astronomy project.

Return Address Vital On All Mail, Postmen Say

"An extremely valuable part of our service to the public depends on the sender's furnishing a complete and correct return address on all mail matter," Postmasters R. J. O'Neill of Belleville and George Austin of Romulus, said today.

The following rules must be followed if your return address is to provide the maximum service benefits to you:

1. The proper location is in the upper left corner on envelopes, cards, labels, tags, and wrappers. On second, third, and fourth-class mail of no obvious value, the sender must place "Return requested" below the return address or it will not be returned if undeliverable.

2. The return address should be complete and legible, including the name of the sender, the street address or box number, the city and the state. In the case of multiple dwelling units, the apartment number or unit number should be known. In the case of hotels and office buildings, the room number should be indicated.

If you habitually follow the above simple rules, that important letter or that valuable parcel will be returned to you endorsed to show why it is undeliverable. You will then know with certainty when your mailings have not reached the addressee and you will be able to take whatever corrective action you think essential. In the overwhelming majority of cases,

when your letter or parcel is deliverable, your friend, business associate, or other correspondent will appreciate your courtesy and thoughtfulness in providing the return address in the upper left corner where it is readily accessible. The consistent use of a return address on your mail is the best method of insuring that your correspondents are aware of your correct, current address.

O'Neill and Austin caution mailers not to place the return address in any position other than in the upper left corner of the mailing piece or label. Postal employees are required to process large volumes of mail rapidly; so it is quite possible for them to overlook return addresses placed in unauthorized positions. Mailers may assure prompt, accurate return of undeliverable mail by compliance with these instructions.

3-YEAR BOAT LICENSE

A new three-year registration period for Michigan watercraft owners will begin on January 1, 1963. The license, which will cost \$3 will be valid until December 31, 1965.

NATIONAL DEATH RATE UP
James M. Hare, Chairman of the Michigan State Safety Commission, reports that national highway death rates for the first half of the year were up five percent compared to a decrease in Michigan of a minus nine percent.
