Girl, 7, First City Traffic Death of '62

Death stalked a seven-year-old Plymouth child Saturday, even as she took part merrily in a Halloween party at the Dunning-Hough library here.

Do You Know Where to Vote?

Do you know where you vote? Residents of Plymouth City and Township which are comprised of nine actual voting precincts, will have only five voting sites in the Nov. 6 general election.

Stores Plan Sale

Several Downtown Plymouth stores will hold three-day "month end" sales this weekend. Included are: Minerva's, Dunning's, Fashion Shoes, Famous Men's Wear, Graham's, and The Photographic Center.

Voters Will Decide on Candidates Tuesday

With "Romney vs. Swainson" heading the ballot, Plymouth's voters — together with those from across the state — will journey to the polls Tuesday to decide on candidates in the 1962 off-year general election.

PRELIMINARY SKETCH of proposed new City Hall here was revealed last week by Mayor Robert Sincock (above). The building will be situated between the Dunning-Hough library and the present site of the Historical Society Museum.

First architectural plans for the new proposed City Hall here were unveiled late last week by Mayor Robert Sincock.

Colonial Theme Set for City Hall

Plymouth's new City Hall — if it becomes a reality — will carry a colonial architectural theme, according to plans unveiled here last week.

Says Speaker at Annual Chamber Dinner

Plymouth Community "Envy of Many"

Plymouth is the kind of community "that has been, and can continue to be, the envy of many," a Detroit Edison Co. vice-president told an audience of 240 persons at the 41st annual Chamber of Commerce banquet here Monday night.

GUEST SPEAKER at the 41st annual banquet of the Plymouth Community Chamber of Commerce Monday evening was Edwin O. George (center), a vice-president of Detroit Edison. He is being welcomed here by John Herb, newly-elected Chamber president. Toastmaster Earl West is at left.

"I think it is very much to your credit," said Edison Co. vice-president Edwin O. George, "that you have been taking a careful and critical look at yourself."

Fund Campaign Appears 'Sure' To Reach Goal

With better than \$41,000 pledged or donated thus far, Plymouth's 1962 Community Fund campaign appeared headed "over the top" shortly.

Democratic Republican

There is a slim chance that gubernatorial candidate George Romney will make a surprise visit to Plymouth on Friday, Nov. 2, according to John Wiltse, chairman of the local Volunteers for Romney.

Swainson to Visit Here Tomorrow

While there was little indication that George Romney would campaign once again in Plymouth prior to Tuesday's election, other candidates — including Gov. Swainson — were scheduling brief appearances here later this week.

Incumbent candidate for governor John Swainson will spend Thursday, Nov. 1, in his home district as part of a busy schedule of last-minute campaigning activities.

Among his appearances, Swainson will be guest of honor at a noon-time luncheon at the Mayflower Hotel here. The event is sponsored by the Plymouth Democratic Club.

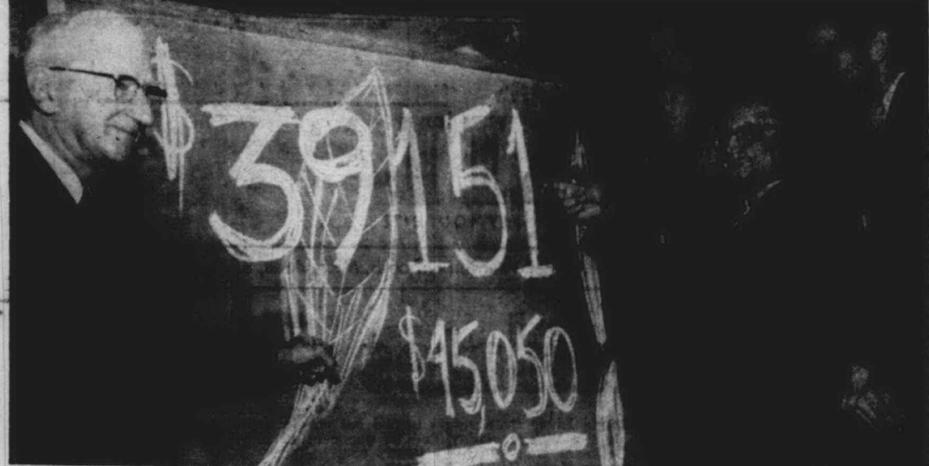

Swainson will be accompanied by Congresswoman Martha Griffiths, along with Democratic nominee for Congressman-at-large Neil Staebler, Auditor General Billie Farnum, and various local Democratic state legislative candidates.

Swainson, whose voting residence is in Plymouth Twp., will begin the day by visiting workers at plant gates in the 17th Congressional District.

He will also appear at a reception at Northland Center, will attend a dinner at Mercy College, will make a brief appearance at a rally at a VFW post at 19136 Joy Road.

He will wind-up his day at a Governor's Day Dance at 4:55 p.m. at Plymouth 3d. in Livonia.

BEAMING SMILES signified the heartening success reported by divisional chairmen of the 1962 Plymouth Community Fund Drive at a luncheon last Thursday. Donations of \$39,151 were reported, but this week the amount had already surpassed the \$41,000 figure and the drive appeared certain of attaining its intended goal of \$45,050. Above, at left, professional di-

vision chairman Sidney Strong points out the drive's ultimate goal, while Campaign general chairman Albert Glassford is indicating the total reported Thursday. George Lawton, manager of the Plymouth Community Credit Union, is at right. The Credit Union sponsored the reports luncheon held in the Mayflower Hotel.

ON SEWER EXTENSION

Twp. Files Application For Federal Assistance

Plymouth Township's application for federal financial assistance on a proposed sanitary sewer system extension here was submitted last week to the Chicago regional director of the Housing and Home Finance Agency. Township Supervisor Roy Lindsay, who mailed the request to Chicago last Thursday and received confirmation of its delivery this week, said he thought the Township would learn of the disposition of the request within two weeks.

The project involves a proposed extension of the sanitary sewer line along Joy Rd. from Sheldon to Beck Rd. The Township plans to install a 24-inch main sewer line there, at a total project cost of approximately \$174,000.

Druggists Gain Technical Victory in Kroger Battle

A group of independent druggists were heartened Tuesday after earlier legal technicalities had slowed their efforts to restrain a chain-store discount drug movement in Michigan. The initial restraining efforts were spearheaded by Plymouth druggist Robert Beyer with legal counsel from local attorney Edward Draugelis.

The Michigan Supreme Court ordered the State Board of Pharmacy to "show cause" why it should not be directed to issue a pharmacy license to Kroger Co. (It is a subsidiary of Kroger Co. — namely, Super-X Drugs — that constitutes the chain-store discount drug movement.)

A conflict of fact between arguments on both sides of the case had created a problem. Tuesday, the independent druggists scored a partial victory when the Michigan Supreme Court referred the case to the Calhoun County Circuit Court.

The store, purchased by Kroger Co., has been in operation since 1913 and thus does not come under a law passed in 1927 requiring that at least 25 per cent of stock in a drug store be owned by a registered pharmacist.

In the circuit court hearing, oral testimony will be taken from both sides in an effort to clear up the "conflict of fact" that had arisen. Michigan Attorney General Frank Kelly had asked for the order moving the matter to the circuit court on behalf of the Board of Pharmacy.

The arguments by the druggists against Kroger Co. are that it is trying to enter the drug business through "subterfuge." Further argument hinges on an accusation that Kroger is striving to circumvent the existing laws pertaining to the operation of the drug business.

It's a partial victory for our side," said attorney Draugelis Tuesday, after being notified of the Supreme Court's decision. "It will help us in getting at the true facts of the case in preparing our

briefs for later use before the Supreme Court. At the time of its "show cause" decision, the Supreme Court directed that legal briefs must be filed by both sides no later than Nov. 12. The circuit court testimony will aid Draugelis in the preparation of briefs arguing in behalf of Beyer and the 900 independent druggists who have cast their support with the Plymouth pharmacists.

Canton Twp. Voters To Decide on Bond Issues

Canton Twp. voters — in Tuesday's general election — will decide on two bond issues totaling \$700,000, which if approved will enable the Township to modernize and expand existing water and sewer facilities.

A \$200,000 bond issue asks that authority be granted the Canton Twp. Board of Trustees to borrow funds to extend and improve existing water lines, which are located mostly along Ford Rd., Canton Center and Lilley rd. It will be re-paid from water department revenue, said Canton Twp. treasurer Phil Dingeldey.

The second bond issue is for \$500,000. If approved, it would enable the Township to extend the existing sewer system. Dingeldey said that repayment of this bond issue would be achieved through special assessment of the property owners.

The amount of tax increase involved is two mills. At the same time, Canton Twp. voters will help to decide a Wayne County proposal that appears on the ballot.

The proposal asks that the County of Wayne be granted permission to convey some 965 acres of land, 200 acres of which is located in Canton, to the Huron-Clinton Metropolitan Authority for use as public park and recreational area.

Specifically, the land is located along the lower Rouge River from Gully Road in the Village of Inkster west almost to Haggerty Rd. in Canton Twp.

Some of it is already developed as park land, while other portions are not developed. Within the same proposal, is another 17 acres located in Huron Twp. It is all one proposal, however.

Canton Twp. authorities Tuesday evening conducted a special public hearing in order to explain the two bond issues to voters.

At an earlier public hearing, a \$90,000 annual budget was approved. Only two residents appeared at the meeting. The budget covers calendar year 1963, which is also Canton's fiscal year.

Smith School PTA Plans Country Fair Saturday

The Smith elementary school PTA will hold its annual Country Fair this Saturday evening at the school from 5:30 to 9 p.m.

The public is invited. Dinner will be served starting at 5:30 and a wide number of events will follow. A country store will be among the features. Numerous home-made baked goods, pastries and candies will be sold there, as well as jams and aprons.

Another feature will be the "game rooms" for children, to include shooting galleries and fish ponds. A new item this year is the Twist Room, where persons may dance to twist music.

A comic photo studio is expected to attract wide attention. Tickets may be purchased at the door. Proceeds from the event will be used by the Smith School PTA for its annual school activities.

The Country Fair is the Smith School's only money-raising event of the year. Chairman of the event is Dr. Frederick Foust.

Outlines Actions in Event of Nuclear Attack

(EDITOR'S NOTE: In view of a tense world situation — despite the apparent lessening of the crisis in Cuba — many Plymouth residents have wondered what they should do in the event "The Bomb" struck the metropolitan Detroit area.

The following article, prepared by the City of Plymouth's Civil Defense Director, outlines what actions and preparations should be taken prior to, and during, a nuclear attack.

BY ALBERT GLASSFORD
Civil Defense Director
City of Plymouth

There are three main destructive effects of the nuclear explosion, namely heat, blast and fallout.

Taking heat first, the bomb produces heat of several million degrees, a good deal hotter than the temperature on the surface of the sun. This heat travels at the speed of light. A megaton explosion could kill an unshielded man eight miles from ground zero. A 20-ton megaton explosion will kill an unshielded man 20 miles away. It could blister and cripple unsheltered people well beyond that point.

What you should do: Beyond the five mile radius of total destruction, but still within range of the immediate killing power of the bomb, you have split seconds to save your life. You would have to act with instinctive speed to take cover behind whatever was at hand.

Then there is the blast itself to worry about. The shock waves of blast from a nuclear explosion travel about 900 miles an hour or nine times the force of a major hurricane. Blast could destroy a brick building nine and one-half miles from ground zero.

What you should do: If caught unprotected beyond the five mile circle of total destruction, you could save your life with an instantaneous dive for cover.

Cover is the same for both heat and blast. In open country, it might be a ditch or culvert. Lie face down, cover your head with your hands and arms and stay there until the heat and blast waves have passed.

In the city, it might be a wall, a brick building or even a truck. Indoors it would be the floor (behind furniture or as close to an inside wall as possible). The main purpose is to get behind some type of shelter.

In case of lack of space, sit on the floor, back against a wall, with knees drawn up to the chest and head buried on knees with arms encircled about the head to protect debris and blast.

Following this, we have to worry about fallout.

The danger facing you: The millions of tons of pulverized earth and debris sucked up as high as 15 miles in the fireball of a large nuclear explosion become a deadly, radioactive fallout cloud.

It spreads its lethal radioactivity over wide areas, hundreds of miles downwind from ground zero. Fallout radioactivity cannot be detected by taste or touch. Sometimes, but not always, a fine ash or dust carrying radioactivity is visible.

It fills the atmosphere, the air you breathe, and attacks the vital organs of your body with invisible radiation.

The best protection against fallout radiation is a fallout shelter. Every family should have one. It can be an area in a building of such heavy construction as to afford the required shielding, or a shelter designed to be a unit of a family dwelling.

Several types of fallout shelters are described and illustrated in a booklet entitled, THE FAMILY FALL-OUT SHELTER, MP-15. Copies may be obtained from the city hall or township hall.

The Civil Defense Plan for Plymouth has warnings as follows: "Attack Alert" is a steady blast for three to five minutes. You are to turn on the radio to 640 or 1240 k.c. and follow instructions. In case of "imminent enemy attack," a wailing tone for three minutes or more will sound.

In this case, take cover, turn on the radio to 640 or 1240 and follow instructions. Plan now, before disaster strikes.

You should have on hand: 1. Flashlight and extra batteries.

2. Battery powered portable radio with extra batteries.

3. First aid kits.

4. Stored water or other liquids, 7 gallons per person for two weeks. Water in hot water tanks and toilet tanks and ice cubes in refrigerators can be used as an additional source.

5. A 14 day supply of food, paper plates and napkins.

6. Cooking and heating utensils, measuring cup, can and bottle openers, pocket knife and matches.

7. Special foods for babies and invalids.

8. Large garbage can - 20 gallons.

9. Small can for human waste - 10 gallons.

10. Covered pail for bathroom purposes.

The Plymouth Community Civil Defense Group has a "fanout plan" to fan out information of attack alert or the schools, factories and establishments having a considerable number of people.

Each school and factory or business establishment must plan its own best safety measures to be followed in case of an alert, or in the case of an enemy attack.

The school system has under study a planned program of evacuation and dispersal of students from the schools, the details of which should be given to the parents and students during the next week.

The passing of Ordinance No. 242 in June of 1958, created the Department of Civil Defense for the City of Plymouth, to provide relief in the event of enemy attack or natural disaster. The City Manager is director and the Police Chief is Deputy Director of the Department.

A plan was formulated calling for all city employees to assist in the event of disaster according to the type of work they do for the city.

The Police Department, Fire Department, D.P.W., Health Officer and the administrative services all have their respective responsibilities in Civil Defense.

In addition to the city employees, there are many volunteers including the Plymouth Nurses Association and volunteers for the police and fire departments.

In the past year over 70 persons were trained as Medical Aids under the Health Officer, Dr. Lee Feldkamp. The St. Rockafellow Amateur Radio Society was organized by ham radio operators to help with communications at the City hall and to act as radiological detection teams during a disaster.

Funeral services were held Monday at Our Lady of Good Counsel Church for David James Eastin, of 46315 Warren Rd., Canton Township, who died Oct. 26 in Wayne County General Hospital, at the age of 16.

Born June 18, 1946, in Port Huron, he was the son of Sidney H. and Mary Murdock Eastin.

Name Youth Director At Calvary Baptist Church

Rev. Allen Heron, Jr. has been called to serve at the Calvary Baptist Church as Youth Director and associate to Rev. Patrick J. Clifford. His work began Tuesday, Oct. 16.

He comes with a great interest in and years of experience with youth of varied backgrounds. He was born in St. Clair Shores and attended East Detroit High School where he earned letters in football and baseball. During his two years in the Army Air Corps he traveled state-side and abroad to Japan, Okinawa and Manila.

Three years after the completion of military service in 1949 he met and married Bernice L. Johnson. He was the organizer and president of the Northeast Suburban Youth for Christ of Detroit, which position he held for three years.

He received his call into the ministry while a student at the Detroit Bible College from which place he graduated in 1951 completing his Bible training, and then taking the Seminary course and graduating again in 1953. In addition to this he studied two years at Bethel College of St. Paul, Minnesota, with a special interest in subjects relevant to contemporary problems. In 1951 he accepted the responsibility of pastor to the Grace Baptist Church of Detroit, during which time he led in the organization of the church. On March 3, 1955, he was ordained and continued as pastor while the work grew, necessitating the construction of a new church building and educational unit. He assisted the Juvenile Detention Home of Detroit for two years as instructor of religious classes. Rev. Heron, his wife and two daughters, Doreen, six, and Carol, two, plan on moving to Plymouth soon. Presently he is commuting from Redford.

News from Jr. High East

by Mary Ann Sincok
Student Council members will be on hand, Nov. 7 from 7 to 9 p.m., to take appointments for Conference Day interviews. Steve Stribley and Sue Holland carried the Torch Drive quota \$50 over the top, and will reign as King and Queen at the Nov. 16 all-school dance. The History department received a "grant globe" this week, which will be very valuable to the students. The Band is busy selling assorted chocolates to help with the purchase of uniforms and instruments for Junior High West.

Williams, Davis Attend Convention

Attending the Michigan Baptist Convention in Cadillac last week were Dunbar Davis, of 42728 Ford Rd., local attorney, and Rev. Donald Williams, minister of the First Baptist Church, here. Mr. Davis was elected to a three-year term on the Board of Managers and Rev. Williams was reelected record secretary of the convention.

PHS Band To Sell Candy

Members of the Plymouth High School, wearing their uniforms, will sell one pound boxes of Cherrydale Farm pecan butter crunch candy in the downtown area on Saturday, Nov. 10. Boxes are priced at \$1 each. Proceeds will be used to help finance the band's trip to Interlochen next summer. Throughout the year, the band will sponsor activities to raise funds for the trip.

THE CITY Tuesday took delivery of a giant-sized Ford truck for use on sewer and water emergency calls as well as for ordinary installation and service matters. Here, DPW director Joe Bida (at left) and Paul J. Wiedman, Inc. general sales manager Frank Palmer watch as Mayor Robert Sincok investigates the truck cab. The cab alone cost nearly \$3,500 and the utility body, with an air compressor unit will cost another \$5,000. When the truck body is added, the vehicle will weigh about nine tons. Its use will expedite sewer and water maintenance and emergency calls, Bida explained.

Firemen Donate Toys to Children At State Home

City of Plymouth's fire department, continuing its program to aid youngsters confined to the Plymouth State Home on Sheldon Rd., Tuesday donated a dozen riding toys and several bags of other assorted toys to the children. The riding toys included scooters and tricycles, which may be used to some extent as therapy for the children, many of whom are physically handicapped. Others are blind.

The toys had earlier been collected by the City firemen for this purpose.

"There is a continuing need for toys and other playthings for these youngsters," said deputy fire chief Charles Groth this week. "If other persons are interested in donating items for use by youngsters there, they may contact Mrs. Andrews at the Plymouth State Home."

Earlier, the City firemen had taken a fire truck out to the nearby institution and given approximately 100 youngsters rides on the vehicle, a retired pumper loaned for the occasion by the Plymouth Insurance Agents Assn.

Consumers Employees Observe Safety Mark

Approximately 250 employees of Consumers Power Company were recently treated to an old-fashioned Pancake breakfast in celebration of their accumulation of one million consecutive man-hours without a lost-time accident.

The meal was prepared and served by the supervisors at the Company's Service Center on Farmington Road in Livonia. The employees of the firm have not had a lost-time injury since Nov. 22, 1960, and are presently working toward the two million man-hour mark.

Pictured here is a group of supervisors who sang a congratulatory song to the employees accompanied by Elizabeth Jones at the piano. Left to right are Don Westby,

Second Symphony Concert To Hail Debussy, Stravinsky

Music by Stravinsky and Debussy will be played by the 100-piece Plymouth Symphony Orchestra in the second concert of its 17th season Sunday afternoon, Nov. 18.

The orchestra, under direction of Wayne Dunlap, will play Prelude to "The Afternoon of a Faun" by Debussy and Suite from "Petrouchka" by Stravinsky. The program commemorates the celebration of Stravinsky's 80th birthday and the centennial anniversary of Debussy's birth.

The program also includes "Concertini for String Orchestra" by Pergolesi and "Symphony No. 1" by Brannms.

The concert begins at 4 p.m. and is free of charge. It will be held in the Plymouth High School auditorium. Sitter service for children over 2 years of age will be provided by a Plymouth Girl Scout Troop.

There are 15 new orchestra members this year including two youngsters from Plymouth — Robin Wideman and Betsy Williams, both recent "graduates" of the Plymouth Junior Symphony.

The assembled instruments in the orchestra are worth over \$75,000.

NEARLY 600 youngsters attended the Dunning-Hough library's annual Halloween party last Saturday noon to see magician Eddie Jaye perform and to take part in other festivities. Most of the youngsters were in costume. Library employees gave out approximately 500 apples. Above, from left, are: Steve Leslie, 7; Linda Dobos, 7; children's librarian Mrs. Joseph Walker; and magician Eddie Jaye. Eleven prizes were awarded to youngsters in various categories within three age groups. The event was termed a "huge success."

New City Hall

(Continued from Page 1)

located on the first floor, with jail and fire department facilities at the rear on the ground level. The parking lot would connect with the present city parking lot that extends behind the library to the rear of the Penn Theatre.

The new building would have a frontage on Main St. of 141 feet and would be 132 feet deep at its deepest point. It would be set back some 50 feet from the pavement edge.

Annually appropriated City budget funds would be used to "lease" the building from the recently-created Municipal

Building Authority. The Building Authority will act as the City's representative to issue revenue bonds to support initial construction costs. Federal assistance will also be necessary.

Once the revenue bonds are paid off, the Building Authority will be dissolved and the outright ownership of the building will be turned over to the City of Plymouth.

The Building Authority was formed for legal reasons, in order to speed the City's application for federal financial assistance. The Authority will serve essentially as "land-lord."

Chamber Banquet

(Continued from page 1)

He said that Plymouth is "a gracious small town in the midst of a great industrial and commercial complex."

As examples of Plymouth's success in building a good community image, he cited the local Symphony Society, the colonial building theme here, and the recent Fall Festival.

He cautioned that too many cities fail to act — or even take a searching look at the problems — until "a crisis shook them out of their complacency."

In business or in community planning, the trap of complacency and resistance to change, is an almost certain sign of coming deterioration and decay, he emphasized.

"It is a wise and progressive community that can identify even the slightest symptoms early, then plan and act accordingly," the Edison vice president said.

He listed "attitude, leadership and realistic analysis" as the three important factors in community image-building and progressive action.

He illustrated his point by citing the three "kinds of communities." He said there are communities that don't know what's happening, those that watch things happen, and those that "make things happen."

He implied that Plymouth can attribute its progress and successful efforts at building a favorable and attractive community image to the fact that it is a community that "makes things happen."

Residents, leaders and businessmen — together with

industrial personnel and all other Plymouthites — must strive to show "Plymouth as it really is," he said. Show the image "of a fine community with a splendid future," he said.

The 1963 board for the Plymouth community Chamber of Commerce is comprised of:

Herb, as president; James Thomas, vice president; Margaret Dunning, secretary; Harvey Ziel, treasurer; and members Robert Barbour, Edward Draugelis, Donald Ward, John Wiltse, Lawton, Wendell Lent, Arnold Johanson and Frank Palmer.

Specialist Holds News Reading Clinic Here

A news reading clinic, designed to increase student comprehension of current events, was conducted at the Plymouth school system earlier this week by a specialist in the field.

Miss Dorothy Waddle, of Wesleyan University, Middletown, Conn., conducted the clinic in the form of demonstrations before students and teachers.

She is from the department of school services and publications of Wesleyan University. She is a specialist in teaching social studies and English, with emphasis on teaching current events.

Miss Waddle demonstrated techniques in the teaching of news reading, citizenship and related areas before four separate groups of public school students.

Involved in the demonstrations were students from the first, second, fifth and 9th grades here.

Approximately half of the elementary teaching staff along with junior and senior high English and social studies instructors observed the demonstrations and later discussed the techniques illustrated with the visiting specialist.

Waiters and waitresses in 1953 received \$450 million in tips.

3 Requests

(Continued from Page 1)

\$200,000 in bonds, providing the City Hall application receives approval.

The bonds on the reservoir and water transmission improvement program would be retired through normal water bill revenue over the coming years.

In the case of the new City Hall, the City will pay the Building Authority an annual "lease-rent" and the Authority, in turn, will use this to retire revenue bonds on the new structure.

In all three cases, the bonding period could extend as long as 40 years. Current interest rate on revenue bonds is approximately 3.5 per cent simple interest.

Sincock said that the City Hall could not be built without federal help.

"But, we should go ahead on the water reservoir project regardless," he said, "because there is a pressing need for additional water storage facilities here right this moment."

Sincock extended public thanks to Near and Draugelis for their careful work and long hours of effort in preparing the three applications.

He also cited the diligence and work of the various City administrative employees who also contributed in preparing the requests.

"We were highly complimented on the way our three applications were prepared and submitted," Sincock said, upon his return from Chicago.

Each application was about three inches thick and intricately catalogued and indexed. They contained numerous reports and statistics, in addition to several photographs illustrating existing conditions in all three projects.

Sincock said that he, Near and Draugelis spent nearly two hours in discussion with an official of the Housing and Home Finance Agency's regional office in Chicago.

They returned home Friday night.

A thankful heart is not only the greatest virtue, but the parent of all the other virtues.

AN APPEAL TO REASON

IF LIQUOR BY THE GLASS PASSES IN PLYMOUTH---

INCREASED REVENUE???

INCREASED COSTS???

The State will allow 6 liquor-by-the-glass licenses in Plymouth. These six, if all were granted, would pay ONLY \$2,550. more in license fees than is now received. But, the City would receive ONLY 85% of this amount, or \$2,167.50. THIS AMOUNTS TO ONLY 25 CENTS PER PERSON PER YEAR! THIS MONEY MUST ONLY BE USED TO ENFORCE LIQUOR LAWS. It cannot be used for any other purpose (according to state law).

The first year (1961-1962) after Ann Arbor passed liquor-by-the-glass, their policemen spent AN EXTRA 1,489 HOURS ON LIQUOR LAW INVESTIGATIONS AND ENFORCEMENT. TOTAL ARRESTS ON THEIR LIQUOR REPORT WERE UP 170%.

The present 3 licensed places in Plymouth would pay ONLY \$1,050 more in license fees than is now received. But the City would receive ONLY 85% of this, or \$892.50 WHICH AMOUNTS TO ONLY 10 CENTS PER PERSON PER YEAR. This revenue could only be used to enforce the liquor laws. It cannot be used for any other purpose (according to state law).

During the first 6 months liquor-by-the-glass was sold in Battle Creek, DRUNK DRIVING ARRESTS INCREASED 50%; DRUNK DRIVING ARRESTS OF WOMEN INCREASED 700%!

Would you call 10 CENTS PER PERSON PER YEAR increased revenue . . . and that can only be used for liquor law enforcement?

In the first full year Flint had liquor-by-the-glass, DRUNK DRIVING ARRESTS ROSE 65%; ARRESTS FOR DRUNKENESS ROSE 47%!

In the first 5 years after Lansing passed liquor-by-the-glass, ARRESTS FOR DRUNKENESS INCREASED 126%!

This means INCREASED COSTS to you, Mr. and Mrs. Citizen of Plymouth!

Girl Dies

(Continued from page 1)

held Wednesday, Nov. 7, at 2 p.m. at St. John's Episcopal Church here.

Mrs. Thoburn's father, Reverend Gerald V. Barry, rector of Christ Church in Riverdale, New York, will officiate. Cremation will take place this week.

Neighbors of the Thoburns this week were making plans to establish a patient benefit fund in memory of the child at the Plymouth State Home & Training School here.

Our thanks should be as fervent for mercies received, as our petitions for mercies sought.

Local Youngsters To Attend Detroit Concert Nov. 17

Some 40 youngsters from the Plymouth area schools will attend the first in a series of Young Peoples' Concerts given by the Detroit Symphony Orchestra Saturday, Nov. 17, in Ford Auditorium.

The children will gather beforehand in the parking lot circle behind the Senior High — by the Methodist Church — at 9:15 a.m. that morning to board buses.

The Symphony Society provides tickets to all four concerts in the Young Peoples' series at the nominal price of 25 cents per child.

Different youngsters attend each concert.

Chairman of the project is Mrs. James Warren, a member of the Plymouth Symphony Society's executive board.

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN MICHIGAN, farmers were harvesting badly needed grain for the Union armies. Michigan was one of the Union's important suppliers during the Civil War. And, after the war, the State's grain farmers found a good market with Michigan's pioneer brewers.

For even then, beer was the traditional beverage of moderation. Beer still provides enjoyment for folks in Michigan and a good living for the many employees and suppliers of the Brewing Industry.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

Chorus Seeks Extra Voices

Plymouth's Community Chorus, a phase of the adult education program here, is seeking additional voices for its coming season. Director Wayne Dunlap, who recently was named to replace Fred Nelson who resigned, has issued a call for additional voices for the group and particularly for male voices.

The Community Chorus is making plans now to accompany the Plymouth Symphony, also directed by Dunlap, at the annual Christmas Concert Dec. 9.

Dunlap said that persons interested in joining the chorus may attend any rehearsal and sign up at that time. The chorus rehearses every Tuesday evening from 7:30 p.m. to 9 p.m. in the Senior High School choral room here.

A pot luck dinner on Oct. 25 was well attended with Captain Charles Groth and his assistant L. Sanders from the Plymouth Fire Dept as dinner guests. Films were shown on fire prevention.

We also had a number of new members join us. A report from the sick committee was heard and we are sorry to hear there are still some members ill at home and in the hospital.

A group of Senior Citizens enjoyed schuffle board at the Bird School Wednesday night. We would like to see more members join us each Wednesday night from 7 to 9.

Cards were again enjoyed by everyone. Our next meeting on Nov. 1 will be a business meeting. Our Hostesses were Sarda Fisher, chairman, Evelyn Fisher, Esther Fisher, Ethel McCol and Addie Storie.

Girl Scouts Offer Baby-Sitting Nov. 6

Baby sitting services during the general election next Tuesday have been offered by the Plymouth Senior Scout troop No. 74, it was explained this week.

The services will be available at the Veterans Memorial building on Main St. from 3:30 p.m. to 8 p.m., at which time polls close.

The girl scouts are anticipating a large response to their offer.

Crusaders Bow, 20-13, Despite 2 Long Runs

Our Lady of Good Counsel's combined 7th and 8th grade football team dropped a 20-13 decision to St. Suzanne of Detroit on Sunday, despite a stunning individual performance by halfback Art Majors.

Majors broke loose on two extra-long touchdown gaunts, one covering 80 yards and the other 82 yards. Bob Resch kicked one extra point.

OLGC is now 4-2 for the season with one game left on the schedule.

OLGC Plans Banquet For Athletes Nov. 18

Dads' Club of Our Lady of Good Counsel will hold an athletic banquet for all OLGC athletes on Sunday, Nov. 18, it was announced.

Tickets to the event are \$1.25 per person and the public is invited to attend. It is planned that a personality from the sports world will appear as guest speaker.

The grouch is uncertain whom he dislikes the most . . . pedestrians when he rides or motorists when he walks.

Congressional Incumbent Rates 100% With Gus Scholle's Special Interest Group

The incumbent Congresswoman from the 17th district voted 100% for a special interest group during the 87th Congress. She voted Gus Scholle's way everytime a vote was taken. Can anyone who votes 100% for Gus Scholle or any special interest group be providing real representation for all of the people in the 17th District? Vote for O'Neil for Congress. He will vote on the facts! (Paid Political Adv.)

FRED ROGERS, a Plymouthite since 1924, celebrated his 90th birthday last Saturday at his home at 246 West Ann Arbor Tr. Born in North Hamptonshire, England, Oct. 27, 1872, he came to the United States with his parents in 1882 and has lived in Michigan 78 years. For 15 years he was a member of the Plymouth Schools, custodial staff, retiring at 84 in 1956. His formula for longevity: hard work and one bottle of beer every day. He has adhered to the one-beer-a-day formula for the past quarter century. His wife, two daughters and a step-daughter hosted quiet parties for him over the weekend. He is shown here with an earlier photo of himself, taken in 1902.

Howard Town Attends American, European Broadcasters Meeting

Mr. and Mrs. Howard W. Town, of 717 McKinley, attended the first European Broadcasting Union meeting for Latin Affairs, during which actual photographs showing evidence of missile launching sites on Cuba were presented.

The Town's met with U Thant, acting Secretary General of the United Nations, at a cocktail party, given in honor of the broadcasters, just 20 minutes prior to President Kennedy's address to the nation. They listened to the President's address in the International News Correspondents Club, where they watched the UN go into action.

Mr. Town is technical director of the National Educational Television and Radio Center (NET), which has engineering and distribution headquarters in Ann Arbor.

Holy Trinity Church Slates Cornerstone-Laying Nov. 4

Reverend Edwin C. Weber, chairman of the Church Extension Board, will officiate. The structure, newest of the Missouri Synod Churches of Livonia, was organized in January 1961. Initial services were being held as early as November 1961 under the leadership of Reverend Wayne W. Koenig.

Interestingly, the cornerstone-laying service falls on the first anniversary of the congregation in the Lincoln public school.

Cornerstone for the new Holy Trinity Lutheran Church of Livonia — located at Five Mile and Eckles Rds. — will be put in place in a special afternoon service, Sunday, Nov. 4, at 3 p.m., church officials announced recently.

The new structure, cost of which is figured at \$82,000, is scheduled to be completed and open for regular services by next spring.

Several guest pastors will participate in the cornerstone-laying service, with the Reverend Paul Heinecke, executive secretary of the Mission Board of the Michigan District, serving as preacher.

The building, which was designed by Ervin E. Kamp, will provide two separate areas. One is to be a worship area, seating 200 people, while the other will house the Sunday School facilities and administrative offices.

The people of the community, as well as fellow Lutherans throughout the Detroit area, are invited to attend the cornerstone-laying service.

Rotary Sets Foundation Week Salute

Plymouth Rotarians will join with the more than half a million Rotarians in 128 countries next week for a special observance of "The Rotary Foundation Week", it was announced today by Harold Guenther, President of the Rotary Club of Plymouth.

The Rotary Foundation seeks to promote understanding and friendly relations between the peoples of different nations.

Its major activity is granting Rotary Foundation Fellowships to outstanding graduate students for one year of study abroad as Rotary ambassadors of good will.

Since this program was established in 1947, as a memorial to Paul P. Harris, the founder of Rotary, 1,594 young men and women from 71 countries have received Rotary Foundation Fellowships for study in 55 countries, with grants averaging about \$2,600. Total grants by the Rotary Foundation for this activity now exceeds \$4,000,000.

Rotary Fellowships are unique in that, with more than 11,000 Rotary Clubs throughout the world, the student is in direct contact with Rotarians and their families wherever he is studying. He attends their Rotary club meetings, visits in their homes and places of business, and travels as much as possible during his school holidays.

In this way, he sees at first hand how the people in his host country live and he lays the foundation for increased international understanding, which is one of Rotary's principal objectives.

Local Rotarians will highlight their observance of "The Rotary Foundation Week" at their meeting Nov. 9, 1962 in the Mayflower Hotel with a presentation by Michel Valdiqie, a Rotary Foundation Fellow from France, who is studying at the University of Michigan.

He is sponsored through the Rotary Club of Toulouse in southern France. Mr. Michel Valdiqie will study law and political science for this academic year of 1961-1962.

During his stay in this country he will visit other Rotary clubs in this section of the state and would like to meet as many people as possible. He will address the Plymouth Rotary Club on the subject: "The French view point of technical assistance to underdeveloped countries."

Community Fund Officers to Make Church Appearance

The Social Education and Action Committee of the First Presbyterian Church of Plymouth announced today that the president and board members of the Plymouth Community Fund have accepted an invitation to speak at a meeting based on the theme "What do you expect from your Community Fund?"

The meeting will be held in the church dining room on Thursday, Nov. 29, at 8 p.m., and the public at large is invited to attend.

Present at the meeting to answer questions from the audience will be Robert K. Barbour, president of the Plymouth Community Fund, plus members of the Fund's board of directors.

Barbour said that a report will be given at the meeting concerning a study the Fund ordered made to determine the needs of the Plymouth community.

Sam Hudson, chairman of the S.E.A. committee of the Presbyterian Church, said this is an opportunity for citizens of the Plymouth community to have questions answered concerning the Community Fund operation, to express opinions about the use of funds, and to point out to the Board any needs of the community they feel are not being met at this time.

He said that anyone who has an interest in the subject is urged to attend the meeting.

GM 9-Month Sales Set All-Time Mark

General Motors' sales totaled \$2,760 million in the third quarter of 1962 and a record \$10,451 million in the first nine months, Chairman Frederic G. Donner and President John F. Gordon announced today in the Corporation's third quarter report.

Sales amounted to \$1,968 million in the third quarter of 1961 and \$7,780 million in the first nine months. In 1961 a work stoppage in September virtually halted GM's domestic automotive production.

News Briefs

Several Plymouth ladies attended the WCTU convention held in Ypsilanti Wednesday, Thursday and Friday of last week meeting in the Methodist church. There were reports given followed by election of officers. Mrs. Clara Todd of this city, who was director for one year then chosen treasurer of the society, resigned after serving twenty-nine years in the same office. Mrs. Faye Mollan of Columbiaville in Lapeer County, was elected to take her place.

Mrs. Fred Hines, who has been a patient in the St. Mary Hospital on Five Mile Rd. the past three weeks, is slowly improving. She received many cards Saturday in keeping with her birthday which occurred that day.

Mrs. Cora Bourbon returned Saturday from a visit with her daughter and family in Kalamazoo.

Mr. and Mrs. A. E. Vainier and daughters, Jane and Mary, spent the weekend at their summer cottage at Caseville.

Mrs. David Polley, daughter, Jean and sister-in-law, Miss Regina Polley were at Rapid City near Torch Lake on the west coast of Michigan for the weekend spending it at the former's cottage.

Mr. and Mrs. Lyle Hare of Williamston visited her mother, Mrs. Louise Hutton on Ann Arbor Tr., east, Sunday.

Mrs. Marshall F. North, who is president of the Woman's Club of Plymouth, entertained members of her board at a dessert and meeting Monday afternoon in her home on Maple west.

Mrs. Fred T. Schaufele has returned from a two week's visit with her son-in-law and daughter, Dr. and Mrs. Robert L. McFarland in Clarendon, Ill.

Mr. and Mrs. C. H. Goyer were hosts Monday at a noon luncheon in their home on Church St., with fourteen guests present honoring her sister, Mrs. A. J. Allen, of Detroit, on her birthday.

Mrs. Jayson Day of East Detroit and daughter-in-law, Mrs. Jaryn Day and children, Karen and Kasey, of Utica, joined the former's parents, Mr. and Mrs. I. O. Hitt at dinner Saturday in their home on Sheridan Ave.

Mrs. Dorothy Leuty, of Territorial Rd., entered St. Mary Hospital, on Oct. 13. She is reported as recovering nicely.

Mrs. W. B. Erdelyi is visiting her daughter, Mrs. David Hale and family in Libertyville, Ill.

Mr. and Mrs. Bert Krumm were hosts at a family dinner party Sunday honoring their daughter, Mrs. Charles Gow of this city. Others present were Mr. and Mrs. Ernest McBride and son, Terry, and Mrs. C. W. Robertson of Dearborn, Mr. and Mrs. Roy Klepic of Ann Arbor, Charles Gow and son, Robert and Mr. and Mrs. Gerald Krumm and family of Plymouth.

World Community Day Service Set

The United Church Women of Plymouth will sponsor the Annual World Community Day Services on Friday, Nov. 9, at 1:30 p.m. at the First Methodist Church.

Mrs. Robert R. Smith, general chairman of the program announced that speaking on this year's theme, "Deepen the Channels to Peace," will be Rev. Robert E. Willoughby, minister of the Mount Olivet Methodist Church in Dearborn.

The Plymouth Council of United Church Women includes the members of the Plymouth Assembly of God, the Evangelical Lutheran Church of the Epiphany,

First Baptist, First United Presbyterian, First Methodist, Reorganized Church of Jesus Christ of Latter Day Saints, Salvation Army, and St. John's Episcopal.

Offerings received on World Community day will be used for the needy women and children in Southeast Asia. Yard goods, children's shorts and T shirts, sewing supplies, and used clothing can also be brought on that day. Baby-sitting service will be available.

Founded in 1855 as the nation's first agricultural college, Michigan State University served as a model for the land grant college system and provided teaching personnel and the philosophy for similar institutions that developed.

SALEM NEWS

By VERA CLAIR — GL 2-2610

On returning home from shopping one day last week Doris Raymond of Salem Rd. found she had an unexpected visitor. A pheasant had flown into the window and through the break proceeded into the house. Trapped and injured the bird caused considerable damage within the house.

Arthur Dahl of Salem Rd. attended the Moslem Shrine initiation at Saginaw on Saturday, Oct. 27.

Raymond Smith of Salem Rd. spent the Oct. 27 weekend in Chicago, Ill., visiting friends.

Raymond Dahl of Albion was in Ann Arbor at the University on Saturday, Oct. 27, for an interview for entrance to Duke University in South Carolina for his fourth year of pre-med school. He also visited with his parents, the Arthur Dahls of Salem Rd.

Mr. and Mrs. Clarence Sherwood of Beaverton, Mich., formerly of Joy Rd., were guests of their daughter and son-in-law, Mr. and Mrs. James Potter of Ford Rd., last week. They called at the Harlow Ingalls of Joy Rd. and met with other friends while here.

Mr. and Mrs. Ralph Wilson of Seven Mile Rd. were in Saline on Sunday, Oct. 28, visiting friends.

Eight ladies gathered at the home of Mrs. Jack Renwick on Angle Rd. on Thursday, Oct. 28, to organize a new hobby club. Mrs. Blaine Hicks was appointed president. A later discussion of plans for the year's activities a social hour and refreshments were enjoyed by the group.

Linda Davis, daughter of Mr. and Mrs. Frank Davis, of Brookville Rd., won the space helmet for taking the largest number of visitors to Sunday school for record-breaking Sunday at the Salem Federated Church on Oct. 28.

Mr. and Mrs. Blaine Hicks, daughter, Sue, and son, Frank, of Seven Mile Rd. were in Battle Creek last weekend visiting relatives.

The time: 9 a.m.; date: Nov. 3; for registration of the Greater Detroit Sunday Association Convention at the Temple Baptist Church on Grand River. Rev. Chip-chase would be pleased to have a nice attendance of teachers and church workers at this convention.

The Federated Church is in need of a three-speed record player. Any one having a player of this kind and would care to donate it to the church please contact the Pastor at FI 9-0674 or Don Lanning at FI 9-3147. It would be greatly appreciated.

How do you spend your time in a hospital? ... Well, between temperature and pulse takings, sweepers, dusters, nurses bringing you pills, and hurried doctor's calls, you listen to the ailments of all the other patients on the floor who are able to wander up and down the halls searching for attentive ears. If you weren't sick when you arrived in your room you will be by the time you've listened to the woes of others.

Also, you listen to the radio and watch TV, if inclined, and are lucky enough to get a set. It was one of these phenomena that inspired the following words.

A listener had written a disc jockey telling about a "chicken fly" she had witnessed in a small Indiana town during a recent visit there and it brought laughable memories of a couple of incidents in our own town of Plymouth to my mind.

We, too, used to have chicken flies. Ambitious young merchants would scale the roof of the new National Bank building with a huge crate of live chickens, each which had a dollar bill wrapped to its legs. When a sufficiently large crowd of Saturday shoppers had gathered during the afternoon the chickens were released one by one from the roof and the shoppers on the street scrambled for the birds. The lucky person who caught a chicken was able to keep both the bird and the dollar.

For several weeks this attracted many shoppers to our town but the project was brought to an end when some of our local matrons complained to the humane society.

The second incident that flashed through my mind at about that time was the visitation of some 50 local businessmen and dignitaries to Lansing to have a surprise dinner for my father who was then in the Legislature.

Through the efforts of Henry Hondorp, then Mayor Stanley Corbett, druggist Stewart Dodge, Abe Goldstein and Harold Finlan, a bus was chartered and a banquet arranged at the Olds Hotel.

Things went fine. The Governor then, and I can't remember whether it was William Comstock or Frank Fitzgerald, dropped into the banquet and made a testimonial speech concerning my dad. The local visitors apparently impressed by the governors message imbibed freely and ate a hearty dinner, after which there was considerable difficulty getting some of the localites out of the hotel and back on the bus. After much effort the planning committee

was able to account for all their charges and the long ride home started near ten o'clock.

Somewhere between Howell and Brighton one of the celebrants became sick and the bus stopped to accommodate this and other of its guests. Several of the party wandered in the fields further than planned, and I am sure from here on you can surmise the rest of the story. It was about three hours later before the bus could again be reloaded and the committee could account for all of its members. They all got back to Plymouth alright, but it was dawn when we unloaded in front of the Mayflower Hotel.

Incidentally, that group presented my dad with a beautifully inscribed Hamilton pocket watch which he treasured and which is now in our safety deposit box awaiting the call of his grandson and namesake.

And the third, and one of the funniest incidents of which I am frequently reminded, concerns hotelman Ralph Lorenz who at that time was a high school student and a clerk in Paul Hayward's Men's store located about where the former Sandy's Drug store was across from the post office.

Hayward's store was a gathering place for many of our businessmen each day; Jake Stremmich, Bill Wood, Harry Lush, Harry Robinson, Frank Rambo, myself and on and on. It was during one of these daily bull sessions that one of Hayward's most annoying customers came into the store. This chap would come in frequently, spend hours looking at various merchandise and seldom make a purchase, thereby wasting a lot of Hayward's and Lorenz's time.

This time the chap wanted a hat and had simmered his selection down to three after about an hour. One for \$5., one for \$7.50 and one for \$10. After much deliberation Lorenz suggested he put three price tags in another hat and let the customer select one of the three, taking of course the one he drew from the hat.

On this they agreed, and the customer drew the \$10. price tag. As he left the store young Lorenz emptied the other two tags from the hat and we found he had merely inserted three \$10. tags in the hat instead of the five and the seven fifty. It was at this time that I predicted a great future for our boy "Gobby", as he was most commonly known then.

This column may make you think I've developed "stir" or hospital craziness, and I may if they keep me here long enough, but I might as well chronicle all of the incidents of early Plymouth as I remember them. There were many, and former Daisy president Charlie Bennett, and used furniture dealer Harry Robinson participated in many and could tell hundreds more. Perhaps if you recall some laughs from early days you, too, might like to pass them on to our readers. If so, just send them to my attention.

Well, GEORGE ROMNEY,

what are you going to do about our STATE FINANCES?

The real question here is not alone one of money—but, mostly, one of serving people. Can a state government which is bankrupt, deeply in debt and poorly managed provide the right kind of services for the people of Michigan? Or can a state with a sound financial structure and which is well-managed provide better services? Under which kind of government will the people of Michigan benefit most?

Better schools. Better mental health facilities. Better employment services. Better social services. All of these services, to be better, must be supported by a sound, well-managed state financial program.

Will you give me a chance to PROVE what a new team in Lansing can do?

George Romney

In the last two years, the Michigan taxes you pay have increased more than \$100,000,000 a year. Yet, despite this added income, we owe more than we did two years ago—with the State's deficit today standing at a whopping \$85,000,000.

Sound financial management for Michigan starts with spending reform. Spending reform does NOT mean the cutting of vital services. It does mean improving the quality of these services by eliminating waste and duplication. Then we need tax reform to make sense out of our present crazy-quilt tax program. A new tax program must reflect the wishes and the ability to pay of all the citizens.

LEADERSHIP in Lansing is necessary to bring all sides together to work for a sound, equitable financial program that will benefit all the people of Michigan. I'd like to put my experience in leading groups of people with diverse ideas to work for you.

A YES VOTE IS important to Plymouth on the question of liquor-by-the-glass

It is acknowledged that the best and most effective control of the use of liquor is the teaching of moderation.

It is further acknowledged that controlled supervision of the dispensing of liquor is the second most effective method of proper restraint.

VOTE YES AT THE POLLS NEXT TUESDAY

Plymouth deserves the removal of the present unfair business restriction which permits the sale of spirits "across the street" on any of our present city limits. You could not honestly restrict our "in city" gas stations from pumping premium gasoline for their customers thereby sending them out of town to supply their demands, could you? Yet, that is exactly what is being done to our three local licensees.

IN TODAY'S COMPETITIVE BUSINESS SITUATION WE THE UNDERSIGNED BELIEVE THIS A MOST UNFAIR AND DETRIMENTAL CONDITION TO OUR GENERAL BUSINESS COMMUNITY AND WE URGE YOU TO MAKE OUR BUSINESSES EQUAL IN POINT OF SERVICE TO THOSE IN THE SURROUNDING AREAS.

WE SINCERELY URGE YOU TO PLEASE **VOTE YES**

Jamaican Dances, Calypso Music, Orchid Leis Will Highlight Travel Centre Party

Jamaica will come to Plymouth, via the Travel Centre, for three days in November. "An evening in Jamaica," to be held at Lofy's Arbor, will feature a native floor show of the top Jamaican entertainment, flown in especially for the event.

Dances to be performed by members of the Harold Edinborough Dance Group, will include the Shango, the Sacrificial dance of Haiti; the Castilian a Creole dance; the Mambo; and the Limbo, the colorful dance of the West Indies. Calypso music will be provided by the Calypsonians.

In addition to the evening parties, Teen parties will be held at 1 and 3 p.m. on Saturday and Sunday afternoon, Nov. 9 and 10, to give teenagers the opportunity to see the dances and hear the calypso music. Tickets for the Teen Parties may also be obtained from the Travel Centre, at \$2 each.

BIRTHDAY PARTY among officials of NW Wayne County Community College last week marked the first year since establishment of the college. Plymouth, Livonia, Garden City and Clarenceville school district voters approved the college on Oct. 24, 1961. Here, College President Eric Bradner cuts the one-candle cake while other college officials and employees look on. At left is Pat Butler, college librarian, second from right is Ken Lindner, business manager, and Lois Waterman, dean of students, is third from right.

Family Announces Marriage Of Louise Hough Archibald

Mr. and Mrs. Francis Magoun Archibald, of Byram Shore Rd., Byram, Conn., announce the marriage of their daughter, Louise Hough to Mr. Melvin Ball Jr., of Indianapolis, on Thursday, Oct. 18.

The twilight ceremony took place in the chapel of the Second Presbyterian Church, Indianapolis, with the pastor Dr. Martin officiating.

Miss Dale McShane, of Byram, and Miss Julia Hollingsworth, of Indianapolis, attended the bride.

Mr. Larry Siska, of Dallas, served as best man, and Mr. Arthur Hunninger and Mr. Fred Smith seated the guests.

A reception was held in the church parlors immediately following the ceremony.

Miss Archibald is a graduate of Greenbrier College and was a student nurse at Greenwich Hospital. Her grandparents are Dr. and Mrs. William Laird Archibald, of Penney Farms, Fla., and the late Mr. and Mrs. Edward C. Hough, of Plymouth.

Mr. Ball is the son of Mr. and Mrs. Melvin Ball, Sr., of Eau Gallie, Fla. He is a graduate of Lizton High School, Lizton, Ind., and spent four years in the U.S. Air Force overseas.

Following a short wedding trip, the couple will make their home in Pittsboro, Ind.

Out-of-town guests attending the wedding were Mr. and Mrs. Melvin Ball, of Eau Gallie, Fla.; Mr. and Mrs. Cass S. Hough and Mr. and Mrs. Robert H. Cowan, of Rogers, Ark.; Mrs. George McShane, of Byram, Conn., and Miss Pauline Peck, of Plymouth.

Presbyterian Village Sets Fair

Presbyterian Village of Detroit, 25300 W. Six Mile Rd., will hold a Fair on Friday, Nov. 9, from 1-9 p.m.

Items on sale, all made by residents of the Village, will include oil paintings, ceramics, silver jewelry, enameled copper aprons, fancy work knitted wear, quilts, Christmas decorations and bird houses.

Proceeds will be donated toward furnishing the medical and nursing care center, soon to be erected.

State Home Unit Holds Coffee Hours

A combined coffee hour and membership drive was held by the Auxiliary of the Plymouth State Home & Training School last week. Purpose of the meeting, in addition to adding new members, was to acquaint people of the area with its work and the areas in which volunteer work is needed.

George Andrews, of Plymouth State Home staff, showed a movie of teenage volunteers from Plymouth High School working at the training school.

TREASURES FROM Plymouth Pantries

Mrs. K. E. Van Antwerp

With the holiday season swiftly approaching, new ideas for special food treats for the family are always welcome and this week's recipe for Apricot Bread, loaned to us by this week's Mail guest cook, Mrs. K. E. Van Antwerp, of 1347 Ann Arbor Tr., should be of special interest. As this bread can be kept in the refrigerator for weeks at a time, and may also be frozen, homemakers can make the bread this week and serve it Thanksgiving or Christmas.

Mrs. Van Antwerp, who likes early American decor and likes to sew, is active in many local groups, including the Antique Club, Plymouth Symphony and the Wednesday Morning Study Club, in addition to serving on the board of Junior High School-East.

She has four daughters, Margo, a sophomore at the University of Kansas, in Lawrence; Janet, a senior at Plymouth High School; Sally, an eighth grader in Junior High-East, and Susan, a seventh grader in Junior High-West.

Apricot Bread

- 1 C. dried Apricots
- 1 egg
- 1 C. sugar
- 2 Tbl. soft butter
- 1/4 C. water
- 1/2 C. orange juice
- 2 C. flour
- 2 tsp. baking powder
- 1/4 tsp. soda
- 1 tsp. salt
- 1/2 C. chopped nuts

Soak dried apricots in warm water in covered pan for 30 minutes. Drain and cut with scissors or chop very fine. Then mix sugar, egg and butter and add water and orange juice. Sift and add flour, baking powder, soda and salt to mixture. Then blend in apricots and nuts. Line greased loaf pan (9 x 5 x 3) with greased paper and pour in batter. Let stand for 20 minutes and then bake 55 to 65 minutes at 350 degrees. Test in center with wooden pick. Remove from pan, take off paper and cool on rack. When cooled, tightly wrap bread in foil and refrigerate or freeze.

Rummage Sale Set

Melody and Bethany Ladies Circles of the Reorganized Church of Jesus Christ of Latter Day Saints, Plymouth, will hold a rummage sale on Saturday, Nov. 3 from 9-4 p.m. Proceeds will be donated toward the church's building fund.

Symphony "Starlight Ball" To Feature Les Shaw Dec. 1

Tickets for the annual Plymouth Symphony "Starlight Ball," went on sale last weekend, a Symphony Society spokesman announced.

Tickets may be obtained from Mrs. Fred Foust (GL 3-2220) or Mrs. Emerson Robinson (GL 3-1641).

"Starlight Ball" will be held Dec. 1 from 9:30 to 12:30 in the multi-purpose room of the Junior High East and will feature the music of Les Shaw's Orchestra.

While Shaw and his orchestra have not previously performed at a Symphony Ball here, many Detroit area events in recent years have featured the popular group.

The orchestra has appeared at the Detroit Yacht Club, Birmingham Country Club and the Grosse Pointe Hunt Club.

Tickets to the affair will be \$4 per couple. The sale of tickets will be limited to 200 again this year, due to space limitations at the Junior High-East.

Various prizes will be awarded. Co-chairmen are Mrs. Gene Gulbransen and Mrs. Donald Graham.

Eta Psi Chapter Holds Mad Hatters Party, Hat Contest

Prospective pledges to the Eta Psi Chapter of Beta Sigma Phi were entertained at a "Mad Hatters" party at the Oct. 17 meeting of the sorority, held in the home of Mrs. Forest Byrd, on 44555 Gov. Bradford.

Activities during the evening included a fashion show and hat competition during which prizes were awarded for the most original hats.

Sorority members Mrs. S. William Baily, Mrs. Craig Stover, Mrs. Robert Probeck and Mrs. Melvin Puelling modeled fashions, including a ball gown, cocktail dress, rainwear, lounging ensemble featuring the "Cleopatra" look, sweaters, and knit ensembles.

Hair styles for the models were compliments of Don Baskins of the Mink Poodle Beauty Salon.

Hold Card Party

The Jay-C-Ettes held a card party in the basement of the Plymouth Community Federal Credit Union last Tuesday evening. Individual door prizes and arrangements of diffenbachia and ornamental pepper plants were used as center pieces on each of the 18 tables.

Chairman and co-chairman for the evening were Mrs. Dennis Hanks and Mrs. Douglas Bunt.

Familiar Faces

Mrs. Zella Collon, of 580 Jener, has been with Dunning's, where she is a buyer and department manager, since the store first opened 15 years ago, originally located on the premises now housing Kresge's.

Born in Gage Town, Mich., Mrs. Collon came to Plymouth in 1923 from Harbor Beach, Mich.

For relaxation, Mrs. Collon, who particularly likes blues, any and all shades, likes to listen to semi-classical and or band music and read biographical novels. Although sewing is one of her favorite pastimes, Mrs. Collon said she finds she has little time to do so.

A member of the First Methodist Church, Plymouth, Mrs. Collon has two children, Laurence Livingston, of Jener Pl., and Mrs. Ronald Lyke, of W. Six Mile Rd.

Felician Sisters Set Holiday Retreat

Plans are being made for a closed retreat at the Felician Sisters Motherhouse, Livonia, during the Thanksgiving recess, Nov. 23-25.

Parochial and public high school senior and junior girls as well as graduates up to 23 years of age are invited to make reservations for the three day event.

Accommodations for the participants will be provided in the Madonna College Angela hall. To defray all expenses, a \$10 payment will be requested.

For reservations and applications contact Sister Mary Hafold at KE 3-1400 or GA 7-3300 no later than Nov. 19.

To Start Nov. 14 First Aid Class

A Red Cross Standard (beginner's) First Aid course will be taught at the City Hall Annex, 187 South Main St., starting Wednesday, Nov. 14, announced City Manager Albert Glassford this week.

The course, which will be conducted from 7 to 9 p.m., will continue each Wednesday for five weeks. Mrs. Jeanne Mettetal, of Plymouth, will be the volunteer instructor in charge of the cost-free class which is open to anyone over 16 years of age.

The course includes discussion, demonstration by the instructor, and opportunity for the students to practise the skills necessary to provide first aid for victims of shock, including heart attacks; broken bones; wounds; foreign bodies in eyes, nose, ears; poisoning; suffocation (including mouth-to-mouth resuscitation).

How to transport victims without additional injury, and how to apply splints and bandages are also included in the course.

To enroll in the course, interested persons are invited to call the City Hall, GL 3-1234, extension 3, or the Red Cross Northwest Regional office, GA 4-0220.

CITY FIREMEN, who earlier had conducted a fire prevention program at Plymouth State Home, last week re-visited the Home... and this time brought along a fire truck. The firemen took some 130 youngsters from the Home for rides on the vehicle. The truck, a pumper, was loaned for the occasion by the Plymouth Insurance Agents Association. City Public Safety Director Ken Fisher and Deputy Fire Chief Charles Groth were on hand. A spokesman for the Plymouth State Home indicated that pleasures such as this can serve as therapy for the children there.

Clerks Offering Help on Machine Voting Operation

In an effort to better familiarize voters with the operation of voting machines, both the City and Township have set up machines for demonstration purposes here.

Township Clerk Fred Miller has positioned a voting machine in the Township Hall on Ann Arbor Rd. and will give instructions on its use to any Township resident who asks.

Similarly, City Clerk Joe Near is giving demonstrations on the use of a voting machine set up in the City's community center building (formerly the K of C hall) at Dodge and Union Sts.

Near asked that City residents interested in voting machine instruction inquire first at his office in the City Hall, since the community center building is normally locked.

School Goals Get Approval

"Statements of the Basic Philosophy and Goals regarding Public Education in the Plymouth Community," developed by the teaching staff, administrative staff and members of the Board of Education of the Plymouth Community School District, was accepted with minor changes at a public meeting held at Junior High-East, last week.

About 50 persons were present at the meeting.

Associated Spring Earnings On Rise

Associated Spring Corp., a division of which is located on Plymouth Rd. here, reported from Bristol, Conn., that sales and earnings for the firm are "substantially above" those of last year.

The report was based on the nine-month period ending Sept. 30. A shareholders' report showed that net sales for the period amounted to more than \$39 million compared to \$30 million during the same time a year ago. Earnings after taxes amounted to slightly more than \$1 million, or 98 cents per share. It was an approximate tripling over figures of a year ago.

HOW TO INVEST

Sponsored By
Plymouth Board of Education
and
Merrill Lynch, Pierce, Fenner & Smith Inc.

We are presenting a simple, honest, straightforward course designed to take the mystery out of investing. We cannot make you an expert in two sessions, but you will obtain solid practical help in avoiding the everyday pitfalls of financial planning.

Place: Plymouth High School Room 113
Time: 7:30 to 9:30 p.m.
Here are examples of the material we will cover in everyday, down-to-earth terms:

- Wednesday, November 7:**
- Are you an investor?
 - What are stocks and bonds?
 - What are the risks?
 - What has happened to stocks and the dollar since 1929?

- Wednesday, November 14:**
- How do you find information?
 - How do you interpret the facts?
 - How do you plan your own investment program?
 - What stocks are for you?

Wednesday, November 21:
Optional (At Merrill Lynch, Pierce, Fenner & Smith 208 Fisher Bldg., Detroit 2, Mich.)

— Reading the tape, types of orders, charting, trading suggestions, over-the-counter market, margin, short selling, puts and calls, warrants.

There is no charge for the course, nor for the material you will be given. However, because of space limitations, reservations would be appreciated. They may be made by calling or writing —

Witches scudding across the sky on their brooms aptly forecast the arrival of Halloween with its "trick or treat" and the proverbial grinning pumpkin faces. Yes, 'tis the season to be pleasantly scared. And some of the theatrical producers are experiencing their own brand of frightful hobgoblins.

More specifically, old George is referring to the polished, professional offering now on view at the Fisher Theater. Charles Boyer in "Lord Pengo" does what he can to make the audience chortle with glee.

Letter to the Editor

An open letter
Dear Ministers of Plymouth
May we in all of our many churches have an hour of prayer every evening during this crisis. And to you boys who will be called into the Service, I wish to quote a letter I received from a boy in France just before he was killed in World War II. Dear Mom,
It isn't where you die or how you die, but what you are when you die.
Love, Billy.
And knowing that he was a christian and will be waiting for us when God finally calls us gives me great comfort.
So please boys and girls, know that no matter what happens if you are a christian you will have everlasting life.
God bless our President and all those who advise him and may I add a prayer for our enemies that they will heed the word of God.
Sincerely

College Designated To Administer GED Examinations

Northwest Wayne County Community College has been granted permission by the Michigan Department of Public Instruction to administer the General Educational Development Tests.

The choice of the College as a testing center is of particular interest to adults who have not completed high school but find it important to give evidence of education equivalence at the high school graduation level.

Many employers will accept satisfactory completion of these tests for a position requiring high school graduation. Other employers use satisfactory completion as a step for promotions.

The test results are also used by many college admissions offices as one factor in admission of adults who wish to continue their education at an advanced level.

Ayes: Members Fischer, Henry, Hulsing, Niemi and Soth. Nays: None.

The motion was carried. It was moved by Member Hulsing and seconded by Member Niemi that the following resolution be adopted:

"RESOLVED, By the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, that the Board of Education of the Plymouth Community School District respectfully request the Municipal Finance Commission for permission to transfer \$3,105.18 from the Debt Retirement Fund for the bond issue dated July 1, 1952 to the Debt Retirement Fund dated August 1, 1955, inasmuch as all bonds, interest and premiums have been paid for the bond issue dated July 1, 1952."

Ayes: Members Fischer, Henry, Hulsing, Niemi and Soth. Nays: None.

The motion was carried, resolution adopted. It was moved by Member Niemi and seconded by Member Hulsing that the following resolution be adopted:

"Resolved, By the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, hereby certifies the complete retirement and cancellation of school bonds dated July 1, 1952, and that the millage increase of 2 mills for a period of 20 years, from 1952 to 1971, both inclusive, authorized by the qualified electors on May 29, 1952, is no longer in effect inasmuch as these bonds have been retired and paid in full."

Ayes: Members Fischer, Henry, Hulsing, Niemi and Soth. Nays: None.

The motion was carried, resolution adopted. It was moved by Member Niemi and seconded by Member Hulsing that the following resolution be adopted:

"Resolved, By the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, hereby certifies the complete retirement and cancellation of school bonds dated July 1, 1952, and that the millage increase of 2 mills for a period of 20 years, from 1952 to 1971, both inclusive, authorized by the qualified electors on May 29, 1952, is no longer in effect inasmuch as these bonds have been retired and paid in full."

Ayes: Members Fischer, Henry, Hulsing, Niemi and Soth. Nays: None.

The motion was carried, resolution adopted. Member Niemi, Chairman of the Finance Committee, indicated that the Committee plans to make a complete review of the open items in the budget and report its recommendations to the Board of Education.

Member Soth, Chairman of the Facilities Committee, called a Committee meeting for Monday, September 17, 1962, at 7:00 o'clock p.m.

Mr. Elston, Principal of the Farland School, asked that consideration be given to relieving the crowding in the second grade and to the population growth in the area.

Member Hulsing, Chairman of the Curriculum Committee, outlined the plan of a Review of the Philosophy and Goals of the Plymouth Community Schools.

Mrs. Kuzma, President of the Band Parents Association, speaking for a group of the Parents attending the meeting, urged the Board to modify the transportation policy so that school buses would be provided for the transportation of the Band to all the away football games.

President Fischer outlined a sequence of events leading up to the present transportation policy and noted that any waiver on part of the policy would place the whole policy in jeopardy. It was mutually agreed that the Board would accept the present policy with the actual cost of sending the buses to the extra games not covered in the present policy.

Mr. Mulligan, President of the Plymouth Education Association, urged the Board to make the hospital-surgical payments retroactive to September 1, 1962. Sup. Labister was directed to study this request to determine if it could be administered fairly to all who wish to participate in the program.

It was moved by Member Henry and seconded by Member Fischer that Mr. Herbert Woolweaver's request to attend the National Recreation Congress Convention in Philadelphia be approved.

Ayes: Members Fischer and Henry. Nays: Members Hulsing, Niemi and Soth.

The motion failed. It was moved by Member Niemi and seconded by Member Henry that the Superintendent's recommendations to the Board of the following teachers be approved:

ber 17, 1962, at 7:00 o'clock p.m. Mr. Elston, Principal of the Farland School, asked that consideration be given to relieving the crowding in the second grade and to the population growth in the area.

Member Hulsing, Chairman of the Curriculum Committee, outlined the plan of a Review of the Philosophy and Goals of the Plymouth Community Schools.

Mrs. Kuzma, President of the Band Parents Association, speaking for a group of the Parents attending the meeting, urged the Board to modify the transportation policy so that school buses would be provided for the transportation of the Band to all the away football games.

President Fischer outlined a sequence of events leading up to the present transportation policy and noted that any waiver on part of the policy would place the whole policy in jeopardy. It was mutually agreed that the Board would accept the present policy with the actual cost of sending the buses to the extra games not covered in the present policy.

Mr. Mulligan, President of the Plymouth Education Association, urged the Board to make the hospital-surgical payments retroactive to September 1, 1962. Sup. Labister was directed to study this request to determine if it could be administered fairly to all who wish to participate in the program.

It was moved by Member Henry and seconded by Member Fischer that Mr. Herbert Woolweaver's request to attend the National Recreation Congress Convention in Philadelphia be approved.

Ayes: Members Fischer and Henry. Nays: Members Hulsing, Niemi and Soth.

The motion failed. It was moved by Member Niemi and seconded by Member Henry that the Superintendent's recommendations to the Board of the following teachers be approved:

WINNER OF \$1,000, recently, was Mrs. Peter Miller, 40170 E. Ann Arbor Tr. She was one of the second prize winners in a Proctor & Gamble "Car 54" contest that stressed the use of Mr. Clean, an all-purpose cleaner. Mrs. Miller is shown here with James Wilson (left), a P&G salesman who presented her with the \$1,000 check, and Bill Rucker of Stop & Shop Supermarket where she entered the contest. "Absolutely astounded" when she was notified of her good luck, Mrs. Miller will use the money for a trip with her husband to Ireland and Germany after the holidays.

Mayor Names Nov. 15 - Dec. 15 As Muscular Dystrophy Month

PROCLAMATION
Muscular Dystrophy Month
November 15 to December 15, 1962

WHEREAS Tragedy has been wrought in the homes of many of our citizens through the ravages of a mysterious and dreaded disease - Muscular Dystrophy, and

WHEREAS Muscular Dystrophy has stricken untold numbers of Americans, a majority of them being children, and has doomed them to complete crippling and an untimely death, and

WHEREAS These victims, derive comfort and hope from M.D.A.'s comprehensive program of patient care and research, and

WHEREAS The only hope for defeating this dreaded disease lies in the extensive medical research program being conducted now and financed by the contributions made to the dedicated volunteers as they conduct the annual house-to-house campaign known as the March for Muscular Dystrophy,

NOW THEREFORE, I, Robert J. Sincock, Mayor of Plymouth, do hereby proclaim November 15 - December 15, 1962 to be MUSCULAR DYSTROPHY MONTH in Plymouth, and urge each citizen, as he is able to join with Muscular Dystrophy Associations of America, Inc., in the fight to find the cause and cure of this relentless crippler, hoping all the while that we may not be too late to spare many who have already been afflicted.

Given under my hand and seal this 12th day of October, A. D., 1962

ROBERT J. SINCOCK, Mayor
City of Plymouth

Plymouth Township Minutes

OFFICIAL PROCEEDINGS
Township of Plymouth
Minutes of Regular Meeting
held at Township Hall
Tuesday, October 9, 1962
Board Members Present: Roy R. Lindsay, Fred L. Miller, Elizabeth Holmes, Louis Norman, C.V. Sparks

There being a quorum present, the meeting was called to order at 8:02 p.m. by Supervisor Lindsay.

The minutes of the regular meeting of September 11 were read by the Clerk, and there being no corrections, they were declared adopted as read.

Mr. Lindsay read a list of bills totaling \$19,835.50, payment of which was approved on a motion by Mr. Miller, supported by Mrs. Holmes, with Mr. Norman abstaining.

AGENDA ITEM NO. 1..... Mrs. Holmes offered the following resolution:

RESOLVED: That one third of the charges billed be set aside quarterly to be used to establish a reserve for the purpose of retiring the annual debt requirement on the Township of Plymouth portion of the Rouge Valley Interceptor, to wit: \$10,000 further, that they shall not exceed \$25,000 in any one fiscal year. Further, that this reserve be established from Sewage Disposal charges billed after June 1, 1962.

Motion for adoption by Mr. Norman and supported by Mr. Sparks. Motion carried.

AGENDA ITEM NO. 2..... The Township Board, acting upon the recommendation of the Planning Commission, approved the Final Plat Plan and Building & Use Restrictions for Woodlure Subdivision. Motion by Mr. Sparks supported by Mrs. Holmes. The vote was unanimous.

AGENDA ITEM NO. 3..... Mr. Lindsay reported by Mr. Lindsay, wherein he stated that the installation and maintenance of thirty 400 watt street lights within Plymouth Township could be provided by Detroit Edison Co. at no cost to the Township and the operating cost for this initial complement to be approximately \$100 per month. Mrs. Holmes presented the following motion:

Moved that the Township Board authorize the Supervisor to proceed with the negotiations necessary to provide thirty 400 watt street lights to be installed at specified intersections in Plymouth Township, that the cost of operating such lights shall be assumed by the Township at large and shall be paid with funds from the General Fund. After support by Mr. Norman, the motion carried unanimously.

AGENDA ITEM NO. 4..... Mr. Lindsay reported that there have been inspections of the plants in the Plymouth Road industrial area to determine the extent of preventative measures taken by these plants to comply with the requirements of the Smoke Abatement Ordinance.

He reported that representatives of the Wayne County Health Department and Detroit City Bureau of Air Pollution have periodically conducted tests after installation of smoke reduction equipment by these plants and have found that the situation has improved and that further steps are planned to control this situation. Meetings with representatives of these plants are held from time to time to discuss complaints and progress of control measures. This situation is always worse during the summer months when the fires in the boilers are low.

It was further stated that it is almost impossible to eliminate air pollution entirely from large plants and that the Wayne County Health Department has ruled that the degree of air pollution from these plants is well within the limits of the maximum permitted.

There being no further business, the meeting was adjourned at 9:30 p.m.

Roy R. Lindsay - Supervisor
Fred L. Miller - Clerk

College Plans Gain Approval of Trustees

The Board of Trustees of an instructional area when also include parking lots, Campus Center is built for driveways, walks, and a landscaped mall, around which the buildings will center.

At its regular meeting on Wednesday, October 17, 1962, the Board met with Jonathan Taylor of the architectural firm of Eberle M. Smith Associates, Inc. and gave approval which will determine the architectural plans for the campus.

The four buildings of the first complex to be built will include a Student Service building, which will house administrative offices, counseling services, and business area.

The Library, the only two-story unit of the complex, will seat 350 and have housing for 40,000 volumes.

A visual education room, a typing room for student use, student carrels, and a faculty study are included. On the second floor are classrooms and a language laboratory.

Architectural plans call for enlargement of the library when the growth of the college demands added facilities. The third building will house academic and technical classrooms. A lecture room, to be known as the Forum, also is included in this building.

The Forum will seat 168 and will be used for many types of visual instruction, lectures, and meetings. The fourth building will include a service area for the College and will house the electrical service panel, receiving facilities, and shop area for maintenance and custodial personnel use.

Another wing will provide temporary facilities for student dining, a bookstore, and a student reading room. This wing eventually will become

Timpona Warns Franksters About Federal Offenses

Plymouth postmaster, George Timpona, this week issued a warning that it is a federal offense to willfully or maliciously injure, tear down or destroy any receptacle used for receipt or delivery of mail.

"Someone is using fire crackers to blow up postal boxes," Timpona said, "and it is a highly serious offense in addition to the fact that personal property is being destroyed."

In the past, he said, most rural mail boxes have been frequent targets of pranksters.

Maximum penalty is a \$1,000 fine or three years imprisonment, under the laws set down in Title 18, U.S. Code, Section 1705.

Stealing, taking or removing mail from any postal receptacle is also a federal offense and could net a \$2,000 fine or five years in jail, or both under Section 1708.

Offenders are turned over to the United States Attorney for criminal prosecution, Timpona said.

A PERFECT safety record during 1961-62 school year earned Starkweather school a "green pennant" safety award last week from The Detroit News. The presentation was made by Assistant City Police Chief Loren Johnson (left, above). Detroit News' photographer Erik Stylander is shown setting up a photograph. From left: Johnson, Public Safety Director Ken Fisher, Starkweather principal Mildred Field, Mrs. Richard Wernette, director of school safety, Kristine Warren, girls' service squad captain, and Manfred Majer, safety patrol captain.

Post Office Delays Remodeling Lobby

Remodeling of the post office lobby here will be delayed until after the holidays, according to Postmaster George Timpona.

The delay was prompted by a lack of bids submitted in sufficient time to complete the job before the rush of Christmas mail began. There was some question, said Timpona, that adequate bids would be received. He said he did not believe any bids had been received in the Chicago regional office up to this time.

The Professor Says ...

By Ed Brown

The first marking period ended recently and some students were "wearing" satisfied smiles, while others had the "long-face" — symbolic of those receiving low grades on their report cards. Then we have those students who always have that blank expression — not particularly interested in what marks they get as long as they pass.

This business of grades presents many problems to both students and teachers. Most of the students are satisfied, since, if they are honest with themselves, they realized the grade received was a measurement of their ability and the effort put forth. However, there are some students who have tried real hard, but who just cannot get the good grades — mainly because they do lack ability even though they have the desire.

I would like to mention something about this last group. Some parents realize that their children work hard, but receive low grades because of lack of ability, while there are others who punish their offspring for not doing well. I have been told by teachers, and students, that there are even parents who "belt" their youngsters around because they bring home low grades even though they tried hard to get them. Other parents "ground" the students for weeks by not letting them have privileges. Hard work and much studying will help improve a child's grades, but without ability, it cannot make a "D" student into an "A" or "B" one.

At times parents are at fault for making a child take certain subjects, even though counselors and test scores

Announces Book Fair Hours

For the third consecutive year the Plymouth Junior High-East PTSA, and the Library Club are sponsoring a Book Fair to be held Nov. 7, 8, and 9 from 9 a.m. to 12 noon and from 1 to 5 p.m., in the school library.

In conjunction with the Book Fair, the Junior High-East PTSA will hold their next regular meeting on Nov. 7, at the school, in order to give members an opportunity to visit the display in the school library and to register for the parent-teacher conference, to be held Nov. 15.

LEADERSHIP

... is a quality requiring foresight, experience, judgment, lack of vacillation, and, above all, freedom from any suspicion that what is done is motivated by politics or any other consideration than devotion to duty.

Al Bentley, said in 1958: "We talk about the Monroe Doctrine, but what are we doing about Communist infiltration and colonization in Latin America?"

Al Bentley repeated this same position in 1960.

On September 18, 1962, Al Bentley wired the President to urge "a sea blockade around Cuba expressly to keep war materials from being shipped to Cuba."

His Democrat opponent branded Al Bentley as "foolhardy" and guilty of "shallow thinking."

Al Bentley's opponent maintained his same position almost to the hour when the President took firm action on the Cuban situation . . . the sea blockade Al Bentley advocated . . . with the statement that "the greatest danger of all would be to do nothing."

Leadership? Who showed leadership?

Al Bentley proved his leadership again. His opponent? You judge.

Michigan needs Al Bentley's leadership in Washington.

Michigan needs Al Bentley's experience as a Congressman and a member for 8 years of the House Foreign Affairs Committee.

Vote Tuesday, November 6 Return AL BENTLEY to Congress as Congressman-at-Large

OF INTEREST TO FARMERS-AT-HEART
BY MELVIN L. WOELL, MGR.
INFORMATION DIVISION MICHIGAN FARM BUREAU

Konstantin Georgiyevich Pysin has come to the United States. Furthermore, he knows exactly why he is here. Konstantin is Commissar of all Russian Agriculture, the U.S.S.R. version of our Secretary of Agriculture.

He came seeking the answer to the repeated Russian farm failures that again has brought embarrassment to the Soviet Union. Furthermore, Pysin has personal reasons — the understandable desire to remain in the good graces of Khrushchev and prevent the same demotion that recently happened to his predecessor.

All this against the backdrop of another crop failure in the Kazakhstan region, the pioneer "virgin" farm lands that supposedly were to be the answer to Russia's food problem.

Unfortunately, Pysin could better have stayed at home. The secret of American farm success he will not be allowed to believe, or to copy if he did understand or believe it. Pysin must believe that Lenin was right, that our Republic is a fading failure, and that our people, are oppressed and lag-ridden by Wall Street.

He must not believe in God. How then can we explain why farmers in America work so hard, and do it for the hope of profit? How to explain that American farmers work even harder to make extra money so they can give some of it to their Church?

Instead, he will believe that our tremendous productivity comes from better soil, or better seed, or better mechanical ideas. This, of course, is not true. The Soviets took our seed, our ideas, and put them to work with their matchless soils and came up with near zero.

How ironic that the very week Pysin came to visit is the week that the Senate passed the 1962 farm bill, containing "compensatory payments" to farmers direct from the federal treasury, — bringing with them greatly strengthened, centralized government authority, the very thing that placed Russian agriculture in chains.
