

Plymouth Township Takes Dim Look at Planning Authority

Although the Plymouth City Commission approved \$3,000 for its share of the operation cost of the proposed Plymouth Community Planning Authority, the Plymouth Township Board tabled the subject for further study and action at some future date.

Matter of fact, the Board turned the proposal down by a 4-3 vote, with Supervisor Roy Lindsay casting the deciding ballot, when first presented for consideration by Treasurer Mrs. Elizabeth Holmes.

Trustees Dick Lauterbach, Mrs. Holmes and Clerk John McEwen favored the proposal while Trustees C. Veach Sparks, Louis Norman and Ralph Garber voted against. Lindsay provided the tie-breaking 'no' vote.

Mrs. Holmes made a motion that the Township join in the project and authorize a budget of \$5,000 provided all other governmental and school units join in and take proper part on the basis of the proportionate costs suggested by the Citizens Committee three weeks ago.

This involves an annual cost of \$7,500 for the Plymouth Community School Board, \$5,000 each from the City and Township and \$2,500 from Canton Township.

The Citizens Committee, composed of Mrs. Holmes, City Commissioner George Lawton, School Board Member Ernie Henry and former Plymouth Mayor Harold Guenther, made the proposal after months of study.

They pointed out that such a Planning Authority, which would include two members of the official family of each segment plus one member from each selected at large, could play an important role in the future development of the entire area through aid for industry, and presenting a combined thinking in the problems of adequate roads, water, power and etc.

The City Commission quickly realized the importance of such an Authority and voted to go along with the project. However, the Township action is an indication that there will have to be a tremendous sales job and public relations in the near future to get the same reaction from the other units.

Garber opposed immediate action on the grounds that the School Board had instructed its attorney to make a thorough study and secure an opinion as to whether the School Board can legally participate.

Canton Township Supervisor Louis Stein has expressed a desire to co-operate and participate but indicated his Board would have considerable trouble raising \$2,500 now or at any future time—especially since the plans call for the project to continue for a long period of time.

Garber posed the same question to the Plymouth Trustees, asking where they could wiggle \$3,000 from an already tight budget.

The answers to that and as to the future stand of the Township are expected to come in

either the August or September meetings. The Board hopes to have a report on the School Board opinion by that time.

In other actions, the Township Board:

Approved transfer of \$82,000 from various funds to meet the requirements of the Housing and Home Finance Agency for matching funds on the Joy Road sewer project. The project has been approved by the HFFA but the Board must show it has the matching funds available by July 23. On site labor must be employed and on the job by Sept. 23 by provisions of the grant.

Adopted the 1962 supplement

of the National Electrical Code as recommended by the Reciprocal Electrical Council to make the Township electrical ordinance conform with those in other communities in the area.

Tabled for study a recommendation from Donald Keeth for an ordinance covering refrigeration equipment.

Received a petition from 38 Lakepointe Subdivision residents protesting that a shed located in the rear of 41664 Schoolcraft is a health hazard.

Passed a resolution to advertise for bids for a sewer cleaning machine required by DPW Supt. Matt McClellan. The bids will be opened in the August meeting.

Facts, Opinions

(Continued from Page 1)

this correspondent tips his hat with great enthusiasm to Michigan Bell today.

The whole problem hasn't been resolved . . . not yet. It still is possible to make a phone call cheaper from Detroit out than it is from the suburbs in for some reason. Detroiters still pay less on an average for their service than do suburbanites, for reasons difficult to defend. We still quarrel with the idea that the smaller a phone exchange, the smaller the phone bill, and we insist there should be "wholesale discounts" in big exchanges with heavy frequency calling.

But those are problems for the future. For the present, Michigan Bell has voluntarily produced a revolutionary new approach to suburban phone pricing which will be of substantial help to those customers who don't need it.

It is a fantastically complicated maneuver, both in financial analysis and technical electronic change-over, to produce a new service such as "super-extended." Michigan Bell has moved quickly since the first cries were hurled their way.

Hats off.

'The Readers Speak Up'

Dear Editor:

"I appreciate very much the excellent coverage in your newspaper of last week explaining the 1963-1964 budget approved by the Board of Education of the Plymouth Community School District last Monday, July 8, 1963. This information to the public was particularly important in view of the fact that, despite our urgent invitation, only a handful of citizens attended our public meeting. We hope that many more have had sufficient interest to become informed by means of your press coverage.

"I would like to clarify one aspect of our budget planning, however, that was not entirely clear in the press story. The Board has approved a budget that is completely balanced, without use of the cash reserves built up during the past budget year.

As we outlined in our public meeting, the Board and school administration worked diligently to control costs and conserve our tax dollars during the 1962-1963 school year. As a result, the District's cash reserves were increased by approximately \$75,000 over the balance available at the start of the fiscal year. This brings the District's balance to slightly over \$200,000, which is about the normal balance required to operate the District effectively.

"In prior years, it had been necessary to reduce cash reserves somewhat in order to maintain the District's educational programs at reasonable levels. Now, as a result of recent increases in the tax base

and careful budgeting, the District's cash reserves have been rebuilt to a more normal level.

"So far as the new budget for 1963-1964 is concerned, the planned expenditures have been held to the level of expected receipts. Total income from state aid and local tax receipts, with no increase in the tax rate levied by the District, are estimated at \$2,663,000, and planned expenditures have been budgeted at the same level of \$2,663,000. The increases provided for in this budget were considered essential by the Board and were amply covered in your article last week.

Thank you for the opportunity to clarify this aspect of our budget planning for the coming year.

Gerald J. Fischer, President
Board of Education
Plymouth Community
School District

Editor:

As the wife of one of our seemingly ill-fated and as of today impoverished Livonia D.P.W. workers, I have had it.

Today my very discouraged husband came home with this happy little bit of news. "Darling, we are now eight dollars a pay poorer," as if we could get any poorer.

It seems one of our new city officials in trying to prove who knows what decided it would be a great savings to do away with the D.P.W. leaders. For the sake of our readers, this ingenious plan calls for the removal of four leaders (as an example) whose cost to the tax payer is about \$816.00 per year. They will be replaced by two foremen whose cost to the tax payer is about \$13,000.00 per year.

The no-sick-pay hassle is disgusting enough (it has been made known to these men in no uncertain terms, if they ever hope to be anything more than a street cleaner they had better stay healthy).

I sympathize with our Mayor, insofar as he has not been able to live up to his campaign promises and lower taxes, but at the same time I feel he and his cronies should stop trying to make ends meet by placing hardships on our city workers.

While cleaning sewers, etc. may not be the most looked up to job in the world, even our esteemed Mayor would be in a fix if he couldn't flush his toilet.

Now ten cents an hour may not mean much to people like Mr. Moelke, but it pays my milk bill, and when they start taking the food right out of my refrigerator, I say it's time for a change.

My husband (disregarding my feelings, voted for this man. Today he informed he is getting so he is afraid to shave, he has such a terrible urge to cut his own throat.

In closing, I would like to say to those gallant leaders of Local 192: Gentlemen, stop worrying about your standing with the front office, while you still have a standing to worry about.

God speed 1964 and a new city administration.

Unhappy Voter's Wife

Red Cross Asks Help

Mrs. Vincent Keating, 31351 Grandon, Chairman of the Livonia Branch of the Detroit Red Cross Chapter, has issued an urgent appeal for persons with currently valid drivers licenses and good driving records to volunteer to help carry out Motor Service assignments in the northwest part of Wayne County.

Red Cross vehicles are used to transport donors, volunteers and staff to bloodmobiles for the blood center and to expedite other Red Cross services. Volunteers are asked to devote a few hours each week to their assignments. There are occasional evening assignments which provide an opportunity for employed people to give their community service.

Interested people may call Mrs. Keating, GA 1-5204 or call the Chapter's Northwest Regional Office, 33539 Plymouth, Livonia, GA 4-0220, for further information.

'Super Extended' Phone Plan Near

(Continued from Page 1)

poll conducted by Michigan Bell among more than 50,000 telephone customers served by GARFIELD (42), GLENVIEW (45), GREENLEAF (47), FIELDBROOK (34), and (464) telephones.

At the time of the balloting, SEAS was offered as a non-optional service, but under the present proposal customers would have a choice of subscribing for SEAS or retaining their present service, Wilson explained.

"We believe Super Extended Area Service will adequately meet the needs of those customers who make calls each month to downtown and midtown Detroit," Wilson said.

"At the same time, the optional feature of the plan recognizes the needs of those customers whose service requirements are local in nature.

"The new service should be especially useful to Livonia users since 59 per cent of all "message unit and long distance" calls from telephones in the Livonia telephone exchange

fall inside the scope of the new plan.

"This proposal, the first of its kind offered in a metropolitan area anywhere in the country, makes our services flexible and responsive to the various calling patterns of our customers," he added.

Since the new offering makes SEAS a matter of choice with the customers instead of non-optional as proposed on the ballot, the rate will be somewhat higher than indicated on the

questionnaire, Wilson said.

He explained the slight increase over the non-optional plan is necessary because the cost would be spread among fewer, high usage subscribers as indicated by the voting.

Customers who have need and reason to place a larger number of calls to points outside the local exchange, but who feel restricted in doing so with their present service, would gain more in value from the optional SEAS plan. Yet,

Wilson said, each customer would be able to select the service which proves best for him.

The monthly rate for SEAS for private line flat rate residence customers with GARFIELD (42) and 464 telephones would be \$8.10; with GLENVIEW (45) telephones, \$9.50; with GREENLEAF (47) telephones, \$7.75, and with FIELDBROOK (34) telephones, \$9.10.

The monthly rate for one-party business customers with flat rate service with GARFIELD (42) and 464 telephones would be \$20.35; with GLENVIEW (45) telephones, \$19.40; and with FIELDBROOK (34) telephones, \$22.60.

The plan to introduce Super Extended Area Service on an experimental basis in the four communities will be submitted for approval in the near future to the Michigan Public Service Commission, Wilson said.

All existing other telephone service plans, including two-party and residence "measured" economy service, will be continued at existing rates.

Youth Employment Service Is Bustling

Youth Employment Service of Livonia (sponsored by Livonia Commission on Children and Youth) has received job offers for many 18 and 19 year youths. These jobs offer opportunities for young persons seeking both part time and full time employment.

The Y.E.S. office is located in Livonia City Hall, open 1 to

5 p.m. weekdays, 9 to 12 Saturdays.

If it can assist in finding employment it must have a registration blank on file with the Y.E.S.

Please call GA 1-2000 EXT. 240 for further information or come in and register in person.

Umps, Managers, Coaches to Clash

The annual vendetta between umpires, managers and coaches of the Redford Township National Little League will take place Saturday (July 20) on the Claude Allison Park diamond at 6:30 p.m. in a softball double-header.

The coaches and umpires will duel in the opener at 6:30 and the winner will take on the managers in the second half of the twin bill.

The managers drew the first round bye as the defending champions of last year's program.

Every Little League player, parent and friend is invited to attend the twin bill which traditionally is one of the most colorful presented in Redford throughout the year. Claude Allison Park is located on Beech-Daly Rd.

3 Big Races Slated at Northville Downs

Three outstanding events are listed at Northville Downs during the latter part of the week (July 17-20), including the \$10,000 Michigan Trotting Derby on Wednesday, an Open trot on Friday and an Open pace on Saturday.

3 Teams Tied for First

Three teams are deadlocked for first place in the second half title camp in Redford Township's Colt Baseball League. The Raiders, Rustics and Rebels all have 3-1 marks. The Raiders took the first half crown with 13 wins and two defeats.

Mark Falkowski slugged a homer and two triples as the Rovers battled the Rockets to a 10-10 tie in a game called because of darkness. Joe Sukof's homer and double helped the Rustics beat the Rangers.

best stars quartered at the Downs in action over a four-night period.

The 13th renewal of the traditional Derby, which is being resumed after a seven year absence, has drawn such speedsters as Dorasong (2:02.3), Mighty Meid (2:02.3), Dubble T (2:02.2), Elaine Key, Nite Shirt, R. R. Scott and Willa Valley.

Friday's trot matches Kintoo Colby, Merrie Clem, Winnie's Pride, Dutch Bardia and Charley Horse.

Then on Saturday, the outstanding pacers clash including Bob Farrington's Honest Choice, winner of his last two; Cliff Abbe, Trotwood Bob, Dave Marcellus, Proclaim, Yankee Gary, Joseale Go Lucky and Nimble Pick.

Boys' Club Gives Awards To Campers

The Redford Township Boys' Club finished its first week of day camp this summer with awards going to a number of local youths.

Following a program of swimming, hiking, crafts and outdoor-related activities, the Council Ring last Friday presented the following awards:

Camper of the week was David Wolf, 12810 Columbia. Other honor campers were Bob Johnston, Ross Smith, Brian Weber and Kim LaDouceur. The honor tribe was Mark Gordon's Apaches.

Receiving an award for telling the best story was Gary Swantek, 19356 Beech. The trophy for catching the biggest fish went to Wendell Boanton, 18867 Norborne.

Swimming awards went to Ray Hobbel, Ron Kafkas, Dan Kluck, Nick Vetraino, Bill Huton, Jim Panzica, Dale LaDouceur, Chris Young, Kim LaDouceur, Lynn Smith, Ross Smith, Greg Matkovich, Allen Knight, Richard Knight, David Butler, Mark LaDouceur, Randy Korossy, Bill Strickland, Mark Gordon, Stuart Skog, Dan Beacom, Bob Johnston, Chris Cheaney, Gary Swantek, Don Hobbel, Chuck Fischback, Ken Hymes, Brian Weber and Len Smith.

The Township Boys' Club transports boys from 7 to 13 to Kensington Park each weekday starting at 8 a.m. and returning at 4 p.m.

BEST BEHAVED was the German Shepherd Dog Lancer Von Schwalm, belonging to Leo McKindles, 9311 Fredreich Drive, Livonia, for highest scoring dog of the show (198½). Trophies were awarded by Judge Clarence Alexander of Indiana (left) and president of the obedience club Marge Friedman (right) at the Detroit German Shepherd Dog Obedience Training Club, Inc., Fifth Annual Obedience Trial. There were 36 German

Shepherds judged at the Taylor Center High School in Taylor, Mich. A new class began July 3 with Boyd Schaeckler in charge. The club is a non-profit organization sponsoring obedience classes for all breeds of dogs. The classes are held on Wednesday nights yearly, at the American Legion Hall in Farmington. Any monetary gains go to the Leader Dog School for training dogs to be used as guides and companions for the blind.

Elsa Sales Show Increase Over '62

To Women It May Concern

By MYRA COX

While we are right in the middle of making history most folks think of it all happening for the very first time—but if we stop to read and recollect we know it all happened once before, another time to another generation.

If it weren't so tragic it would even be a bit humorous. I'm speaking of the reaction of the English, aghast over their present day scandal—as if it misuse of sex by pillars in high places was something new. Goodness, what about the infamous Cleopatra, and, for that matter, Sampson and Delilah. She was nothing but a "call girl" of Biblical days working as a beautiful spy. Then, to become more recent, Mata Hari—and, for that matter, how about Tokyo Rose, with just a sexy voice?

Unfortunately the boy-girl problem is not new—some men and some women are just so darn vain (even in high places) that they are easy prey.

For that matter, problems of integration are not new either. Even the revolutionary war we are now entering has been repeated in history many times. But we nice people in the suburbs find it hard to realize that it's no tea party. It's darn serious and probably will even include bloodshed before its over. We (Plymouth, Redford, Livonia, Suburbia) aren't quite ready for mixed neighborhoods. There are, I'm sure, very few among us who feel we want to wear the tag of "white supremacists" or are ready to wear the hood of the Klu Klux Klan (I know of one of these hate-peddlers). To be anti-British before the American Revolution was considered unstylish among one generation, but certainly not the next.

Understanding, it is said often, brings support—and certainly this is the basis for the successful American Field Service program. Mrs. Maxwell Lenhoff of Clarenceville, can tell us a little of the success of the program. She has been shepherding AFS youth from abroad through the sights of Livonia and area for quite a long while on their "grand" tour of the U.S. before they leave for their own homes. Theresa Porzeczanski of Uruguay took back to her country, for instance, a feeling that she had visited a real city after touring Detroit because of Detroit's combining the tremendous power of industry, with traditions of historical Greenfield Village and the original and varied architecture plus the hospitality of the people. The proximity of Detroit with Canada makes this hospitality an international invitation. We don't know what effect in world peace one girl's convictions might bring as a result of her coming to understand us.

More and more large companies are sending their top men abroad and families, too. The latest I know of to leave is Redford Township Trustee, George Lloyd, off to Greece for Detroit Edison. Claire and their two sons are to accompany him and what an education it will be for all of them!

The Charles Payor family of Donald avenue in Redford Township, are in England and will be for a year. Vera Payor, very active in Township community affairs, I know will become acquainted and bring a little of England back to us.

One country I'm tremendously curious about is Argentina. I understand every person between 18 and 20 must vote unless they are ill or live more than 300 miles from their prescribed voting place. Failure subjects the "voteless one" to fines. Hmmm—course we in America would object to that because our country is based on the principle we are free and thus may choose to not vote if we don't want to. No one can tell us to vote, or how to think, or what to think. This being a free, free people is not always easy.

MARSHA AND JUDY NICHOLAS

Sisters Win Music Honors

Mr. and Mrs. Philip J. Nicholas, 30556 Puritan Ave., attended the 22nd annual International Music League music festival held June 23-28 at Cedar Point on Lake Erie in Ohio.

Their daughters, Marsha Jeanne Nicholas, 14, and Judy Lynne Nicholas, 15, participated in the World Championship Contest held there and entered competition, both as soloists and as a duet.

The affair was held at the Breakers Hotel on Lake Erie. The event also included a formal ball in the Crystal Ballroom of the Breakers Hotel on the evening of June 26, and a huge amusement park, adjacent to the hotel, was an added attraction for the contestants to enjoy themselves.

On Wednesday, June 26, the Misses Nicholas both entered the IML Contest with solos and

each achieved a first place, superior rating in the senior class, AA, accordion contest, with the junior division.

The two won a 100 per cent perfect rating on their duet number, the only group in the entire band with a perfect score.

The final note of victory came in band competition, when their band, the Musell Accordion Symphony, took a First Place rating with several stirring numbers, beautifully done.

The girls will be attending Bentley High School in the fall. Marsha is a sophomore and Judy is a junior. Besides the accordion, the girls also are talented on the violin and piano, and sing, as well.

They have an older sister, Carol Ann, who is attending Valparaiso University in Indiana. She is planning a teaching career, and is a Bentley High School alumni.

Health Guild Seeks Aid for Local Child Clinic

Additional support for a Child Health Clinic program in the Redford Township-Livonia-Plymouth area is being sought by the Health Guild. Support from community organizations helps to finance the project.

For more than 13 years the Wayne County Department of Health has conducted a Child Health Clinic in Livonia which serves those eligible families located in the northwest area

including Plymouth, Northville, Canton, Redford and Livonia. At these clinics babies and children up to five years of age from medically indigent families or those referred by their family physician are given physical examinations, immunizations and health instruction. Because the need was so great, the Health Guild has sponsored a second clinic session in this area since April, 1958. This Child

Health Clinic to date has been financed with private funds donated by various organizations in Redford, Livonia, and Northville.

At these clinics babies and children up to five years of age are given physical examinations and protection against rickets, whooping cough, tetanus, poliomyelitis and smallpox. The qualified pediatrician and public health nurses not only teach the mothers how to care for the baby, but also what to expect of the baby during his various steps of growth and development.

The Health Guild would like to interest other community organizations and groups in sharing the cost of operating the second clinic so that it can continue uninterrupted. At \$22.50 per session, the annual cost would be \$270 which represents the pediatrician's fee for the three-hour session.

For further information please contact Mrs. Joyce Donaldson at KE 1-8317 or Mrs. Peter Fotiu at GA 1-8801.

DEIDRE A. KELLOGG, daughter of Mr. and Mrs. John Kellogg, residents of Buckeye, Ariz., and formerly of Livonia, received the V.F.W. award for outstanding scholar of the year at junior high commencement exercises May 24. Miss Kellogg, granddaughter of Mr. and Mrs. Chester F. Lewis of Livonia, gave the graduation address.

'SEE YOU THERE'

A recovery meeting is held every Monday evening at 8 p.m. at the Village United Presbyterian Church, 25350 W. Six Mile Rd., four blocks east of Beech-Daly in Redford Township. Those in the area having nervous problems are invited to attend the meetings. Further information is available by calling KE 3-9277.

A program of SCUBA diving and skin or lung diving techniques will be presented to visitors at the Parents without Partners meeting Thursday, July 18, at 8 p.m. at the White House in Rouge Park. The organization welcomes parents without partners and their children to membership. More information is available by calling LU 4-5590.

The Doberman Sportsman's Club of Detroit will hold a fun match Sunday, July 21, at Bill Brown's Sales, Inc., 32222 Plymouth Road.

Engaged

An engagement party was held at the home of Mr. and Mrs. Paul B. Sarkisian of Birmingham, announcing the engagement of their daughter, Pauline, to Airman 2/c William Kent Schoeneman, son of Mr. and Mrs. Louis R. Schoeneman, Miss Sarkisian is a graduate of E. W. Seaholm High School, class of 1962.

Mr. Schoeneman is a graduate of Bentley High School, class of 1961. The wedding is planned for June 14, 1964.

JO ANNE BLANCK

Redford Township residents, Mr. and Mrs. George Blanck, have announced the engagement of their daughter, Jo Anne, to Paul Lawrence Grismer, son of Mr. and Mrs. Paul Louis Grismer of Livonia. A September wedding is planned.

DIANE SEVRSON

Mr. and Mrs. Clifford Sevrson, 8450 Dakota, Plymouth, have announced the engagement of their daughter, Diane, to John Guttersohn, son of Mr. and Mrs. Charles Guttersohn, 28408 Cleveland, Livonia. Diane is a 1961 graduate of Bentley High School and John also attended Bentley. A September 28 wedding is planned.

Grace Church Plans School

Vacation Bible School will be held at Grace Lutheran Church, Grand River at Beech-Daly in Redford Township, from July 22 through Aug. 1. Registration will be held on July 22 at 9 a.m.

HUMAN LEECH

The fellow who sponges his way through life will never win a popularity contest—he merely soaks up the fruits of other's labor.

Senior Citizens Plan Exhibit of Crafts

Men and women 50 and over who enjoy hobbies in their leisure time will have an opportunity to display their talents in the 11th Annual Senior Citizens Arts and Crafts Exhibit to be held October 4 through 27 at the Detroit Historical Museum.

Entries in the following categories will be accepted: painting, basket weaving, candlemaking, ceramics, copper and metal crafts, crocheting, jewelry, knitting, leathercrafts, millinery, needlework, needlepoint, photography, novelties, taxidermy, weaving and woodcraft.

There is no entry fee and entrants from southeastern Michigan may submit their work, regardless of religion. Exhibitors must reside in Lapeer, Lenawee, Macomb, Monroe, Oakland, St. Clair, Washtenaw or Wayne County. Food, plants and literature are not acceptable.

The show is sponsored by the Detroit News, the Martin Kundig Guild, Detroit Historical Museum and the Detroit Archdiocesan Council of Catholic Women. The exhibit, one of the outstanding displays in the country, encourages senior citizens to develop their artistic skills by making it possible for them to display their products and sell them if they wish.

No Morning Rush These Days For Mr. Jackson!

The Jacksons got so tired of those bathroom line-ups that they finally decided to add another bath to their home. Who took care of the complete job? Why, HAMILTON HOME IMPROVEMENT, of course. On our Easy Payment Plan, you can add a 7' x 5' bathroom for as little as \$20 a month, materials and labor.

AAUW Delegates Return to Plymouth

Returned from a history-making biennial convention of the American Association of University Women, meeting recently in Denver, Colorado, were Mrs. Richard Fritz and Mrs. Donald Postma of the Plymouth AAUW branch.

Over 2,080 college women attended the convention which for the first time had representation from well over half of its 1,514 branches.

The two-year long study of the Structure Committee recommendations to give a new look and in-depth study approach to the Association's program culminated in an overwhelming acceptance by the convention. By a vote of 1,458 to 273, the delegates adopted the proposal to substitute four topics for the seven subject-matter areas within which the program has been developed. For the next two years, the AAUW program will center on four topics—Bridging Gap Between Science and the

Layman, The American Family in a Changing World, Occident and Orient, and Expectations for Education.

Legislative items adopted by the convention call for support of Federal aid to education, for the U.N., and for liberalized international trade, as well as support of measures in the consumers' interest and those that protect the rights guaranteed to individuals by the Constitution.

Speakers were heard on the population explosion, on medical problems, science and education, John D. Rockefeller, 3d, told delegates that the problems created by the population explosion are greater than the threat of nuclear war. Pointing out that it is not a matter of food alone, he indicated that the question was one of numbers of people versus cultural resources as well as material ones. "People must be informed that safe and effective ways exist to limit family size," he told delegates.

REDFORD SUBURBAN LEAGUE members presented a check to the Plymouth State Home and Training School for the purchase of specialized dental equipment recently. Gift for the school was made possible with profits from the League Theater Guild's recent production, "My Aunt Wears Old Army Boots." Left to right: Bette Hutchins, League president; Henry Knar, D.D.S., receiving a check for Plymouth State Home; Doris Weber, Suburban League Theater Guild chairman; William Boyd, Community Relations Director for the Plymouth Home; and Bernice Mutch, Guild Philanthropic chairman. Other monies went to Happy Horizon Training Center and Redford Union High School.

Shona Davies Wins Appointment

The 35th annual convention of the Order of Rainbow for Girls was held in Traverse City, June 27, 28, 29 and 30. Miss Shona Davies was appointed Grand Representative from Michigan to Australia.

She is the Worthy Associate Advisor of Northville Assembly 329 and was accompanied by the Mother Advisor, Mrs. Edna

Tremor, and 20 other girls from the Assembly.

Included in the group were Judy Green, Kathy Vorgitch, Leslie Fulton, Margaret Green, Marie Steinoff, Dianna Smith, Bonnie Bradford, Laura Hamuliner, Linda Jones, Linda Dickenson, Jammie Hopp, Rita Bradford, Enid Penn, Cindy Smith, Kathy Davies and June Cutright.

She is the daughter of Mr. and Mrs. Robert Davies of 32905 Illinois, Livonia, and is a junior at Franklin High School.

500 Livonia Youngsters Compete In Junior Olympics Thursday

More than 500 Livonia finalists will participate in the annual city-wide junior olympics program beginning at 1:15 p.m. Thursday on the newly developed Henry Ford Centennial Athletic Field.

Contestants in Thursday's physical fitness event represent the 25 Department of Parks and Recreation playground locations.

Boys and girls, ages 10 through 15 years, have competed in such events as softball throw, 50 yard dash, shuttle relay, standing broad jump, running broad jump, running and standing hop, step, and jump and chinning, boys only, to determine playground winners in each of the three age groups.

First place winners in Class A, (14 and 15 yrs), class B, (12 and 13 yrs.) and class C, (10 and 11 years) will compete in the same events in Thursday's city competition.

An integral part of the metropolitan area youth physical fitness recreation programs, Livonia's local junior olympics event is a prelude to the sixth annual Detroit Metropolitan Youth Fitness Program to be held here the following week at 10 a.m. on July 25.

Chairman of the 1963 Youth Fitness Committee for the Detroit Metropolitan program is Livonia's assistant superintendent of recreation, William Zirblis.

Two thousand boys and girls are expected to compete in the event which climaxes "Youth Fitness Week" and an overall metropolitan fitness program

pic event will open with a mass calisthenics demonstration involving all contestants in the city-wide meet. It will be directed by Ray Foster, playground leader at Wilcox playground. All summer playground personnel will assist in the handling of the events. This is the first year girls will participate in the running and standing hop, step and jump events. Last year, Jefferson Playground took top honors in the city event. All Livonia winners will compete in the Detroit Metropolitan Youth Fitness Program, on Thursday, July 25, at the same field.

Township Board OKs M Survey

The Plymouth Township Board has agreed to join in a survey to be conducted by the University of Michigan covering the water needs of the area for the future provided it includes reports from the Detroit Water Board of its plans for the area and provided the Plymouth City Commission agrees to participate.

The initial steps for the survey were taken by the Plymouth Chamber of Commerce which asked the two governmental units to participate and share equally the \$500 costs. The City and Township each put up a third.

Supervisor Roy Lindsay was outspoken against the survey on the grounds that he was told it would be only a rehash of previous surveys and reports made to the City and Township.

"We know what was in the reports," said Lindsay. "We know that we have Detroit water and are very happy with it and that Plymouth has its own wells. There isn't much sense in spending money to get reports of what we already know but if the survey includes the Detroit Water Board plans for this area, then that's something else."

Robert Sharpe, represented the Chamber, in making the request that the Township participate.

Jaycees Name Winners in Horse Show

More than 24 participated in the annual horse show at the Fourth of July celebration program, sponsored by the Plymouth Junior Chamber of Commerce, at the Mill Street grounds, according to Chairman Cal Thomas.

Winners of the 10 divisions included:

English equitation — Won by Sue Roberts; 2, Mary Wright; 3, Connie Hayward; 4, Donna Curry.

Men's horsemanship — Won by Don Roberts; 2, Mike Watson; 3, Lash Rice.

Women's horsemanship — Won by Nancy Spigarelli; 2, Diane DiPonio; 3, Mary Wright; 4, Donna Moers.

Riding class — Won by Donna DiPonio; 2, Mary Wright; 3, Mike Watson; 4, Linda Stott.

English leisure — Won by Mary Wright; 2, Sue Roberts; 3, Donna Curry; 4, Connie Hayward.

Men's western pleasure — Won by Lash Rice; 2, Mike Watson; 3, Don Roberts.

Women's western pleasure — Won by Diane DiPonio; 2, Mary Wright; 3, Nancy Spigarelli; 4, Donna Moers.

Ride and lead — Won by Mary Wright; 2, Nancy Spigarelli; 3, Mike Watson; 4, Sara Stout.

Rescue race — Won by Linda Stott; 2, Faye Esper; 3, Mary Wright; 4, Sara Stout.

Barrel race — Won by Mary Wright; 2, Nancy Spigarelli; 3, Linda Stott; 4, Sara Stout.

Attends Institute At Michigan Tech.

HOUGHTON, Mich.—Ronald J. Ladd, 14025 Hillcrest Ave., Livonia, is one of 42 secondary school teachers enrolled in an eight-week Summer Institute in Earth Sciences at Michigan College of Mining and Technology.

Ladd teaches general science and physical science at Whitier Junior High School.

The Institute, sponsored by the National Science Foundation under a \$50,700 grant, is designed to give participants a better background for teaching earth sciences. It is the third such NSF-sponsored Institute at Michigan Tech since 1960.

25 Livonia Playfields Schedule Variety of Activities For Kids

Cheerleading, cake decorating, fashion shows, and bubble gum blowing contests have been added to the list of playground activities for the coming week at the 25 Department of Parks and Recreation summer play centers.

Girls from Wilson playground are awaiting their first cheerleading lesson Friday, July 19.

Cleveland children will hold a bubble gum blowing contest on Tuesday and "Good Ol' Summertime" day on Monday. Their recent penny parade drew a large crowd of youngsters who enjoyed touring the playground in the direction a flipped penny pointed.

Cake decorating classes are favorites for the girls from Stark and Garfield playgrounds. Miss Susan Thurman will again instruct one class each week at each playground.

Grandview has scheduled an old fashioned corn roast Friday at 2 p.m. for all youngsters in the area.

Highlight of the week at Tyler playground is a record hop planned for 3:30 p.m. Friday.

Both boys and girls are planning to enter a fashion show at Garfield next Tuesday. The audience will judge all models for the best and most unusual outfits presented at the show.

Youngsters from the Whitman area are anxious to continue their square dancing lessons, held every Wednesday afternoon. The children have also organized a sing-a-long group which rehearses regularly.

Hull playground will hold a novelty track meet next Tuesday. Contestants will vie for first place honors in such races as the sack race, potato relay, wheelbarrow race, backward race and a four-footed race.

Individual hobbies of the boys and girls from the Lincoln playground will be on display 1 p.m. Friday.

A favorite with all the children, Botsford playground will invite all animals in the area for a social "tete-a-tete" next Tuesday. The pet show will begin at 3:30 p.m. with all children bringing their pets—groomed and dressed for judging—on a

leash or in a cage. Prizes will be awarded to the largest, smallest, prettiest, best trained and most unusual entry.

Girls from Harrison playground enjoyed entering their favorite dolls in the doll show held recently.

Winners included Nancy Lea Phizacklea for the prettiest doll face; Denise Turchanik who brought the best

dressed doll; Sharon Emrich for the best "Barbie" doll. A watermelon feast at Harrison last week found everyone

declared a "winner" since the "specialty of the house" was eaten up in a record four and a half minutes.

Imagination and initiative is all that is necessary to enter the coming bike decorating contest at Wilcox playground. Boys

and girls will compete for the best-dressed bike and then enter their "wheels" in a speed contest.

Plymouth DPW News And Notes

By JOSEPH BIDA
Supt., Plymouth D.P.W.

During the last week the Public Works Department repaired two broken water mains, a 4-inch main at Starkweather and Spring and a 6-inch main at Hartsough and Coolidge.

Boroughs street was cut through, graveled and stabilized.

The Michigan State Forestry Department will have an inspector in the city checking for Dutch Elm Disease trees within a few days. Many trees are losing leaves but this does not necessarily mean they have the disease. Some of this is due to the hot dry weather.

The weed mowing program was started last week and a great deal of territory has been taken care of at this time.

McKinley from Ann Arbor Trail to Sheridan was blacktopped with a test material. Three service lines were replaced and two water taps installed.

Kiwanians Get Story of What Members Sell

Members of the Plymouth Kiwanis Club received an insight into all products sold or manufactured by Kiwanians in a unique "Advertising Night" program arranged by Tom Alexsy.

Each Kiwanian was allowed 30 seconds to explain his product or service. The samples ranged from match books to hand cream for the ladies.

William Hartmann, former Plymouth City Commissioner, was presented with his special Kiwanis badge as one of the high spots of the program. The badge had a diameter of almost five feet.

Kiwanians also learned that they had made a sweep of top honors in the mammoth July Fourth parade sponsored by the Junior Chamber of Commerce. The club and members won first for the best float, and Kiwanian Carl Pursell sponsored Bonnie Gibson who was selected Miss Plymouth of 1963.

Leo Lesperance will discuss "Alaska by Airplane" at the July 23 meeting in Lofy's Arbor-Lil.

Kids Make Plans for Bob-Lo

Children from the 25 Department of Parks and Recreation playground locations are anxiously awaiting their annual trip to Bob-Lo on Wednesday, July 24.

Buses will take the children to the Detroit dock early that morning. Further information may be received from the playground leader at your neighborhood playground.

\$32 Million Real Estate Sales in First 6 Months in Western Wayne-Oakland

Sales of residential properties multi-listed by members of the Western Wayne-Oakland County Board of Realtors, acting through their multi-listing system, the United Northwestern Realty Association, exceeded \$32 million during the

first six months of 1963, according to a report released by Edward J. Dub, chairman of the appraisal and statistical committee for the combined boards. Total sales for the half-year period amounted to 2,378, with a dollar value of \$32,357,822.

Dub reported, down slightly from the all-time record of 2,382 sales for a total dollar value of \$33,291,348 that was rung up during the first six months of 1962. The ratio of sales to listings, however, improved 16 per cent as compared with last year.

Mich. Industry Exhibition in Sept.

First of a series of Michigan Industry Exhibitions will be held at the Michigan State Fair Grounds in Detroit, Sept. 21 to 29. The exhibition will be sponsored by Impetus, Inc., a non-profit organization originated and promoted by the Civic Affairs Committee of the Engineering Society of Detroit to improve Michigan's productive economy.

Michigan Manufacturers as well as NASA and other government agencies. Exhibition officials include Wayne Rd., Livonia, Charles-Livonia. Other State wide Michigan for Industry Exhibition are being planned for the future. Exhibition details can be obtained from Exhibition Headquarters, 15890 James Couzens Hwy., Detroit 38, Michigan.

The nine-day affair is expected to have about 500 exhibits and attracts an attendance from 75,000 to 100,000 businessmen, industrialists, governmental contractors, and the general public. The exhibits will be divided into five main categories: Products and progress from industrial research and development; products and services for every day living; space products of

John R. Young, seaman apprentice, USN, son of Mr. and Mrs. Alexander Young, 9525 Wayne rd., Livonia, is stationed at the Naval Station, Charleston, S.C. He has been assigned to the special services department. Before entering the service in February 1963, Young attended Franklin High School in Livonia.

The member offices are experiencing a brisk market for well located properties with realistic prices. Dub reported. "Brokers and sellers are finding that firm 'rock bottom' prices get action and sales at the listed price." Dub said. "The old theory that you've got to ask a higher price than you expect to settle for seems to be disappearing."

Meet Your Realtor

Ralph Aldenderfer, 670 S. Main, Plymouth, has been in the real estate business in the Plymouth-Livonia-Northville area since 1948 when he first joined the Bert Giles agency on Fralick St.

Since that time he has branched out into his own organization, handling all types of real estate as well as insurance.

Ralph started in the business with Giles and then was a partner with Stewart Aldenderfer for several years before purchasing the property on S. Main in 1962 and starting his own agency.

He moved into the area in 1945 after serving four years with the U. S. Air Force and has been a leader in the community since. Ralph is a native of Pickaway County in Ohio and attended Salter Creek Township High School there. After graduation from high school he went to Capital University in Columbus, Ohio.

He and his wife, Bernice, reside at 8887 Rocker St., in Plymouth. Ralph is a member of the Plymouth Elks and Mayflower Post 6695 of the Veterans of Foreign Wars.

He enjoys hunting and fishing and taking trips throughout the United States and Canada. Ralph is a member of the United Northwestern Realty Association, Michigan Real Estate Association and the National Real Estate Association.

Robert Easdon, son of Mr. and Mrs. John Easdon, 31791 Scone St., Livonia, has completed recruit training at the Naval Training Center in Great Lakes, Ill. During his training, he served as a squad leader for his company.

Obituaries Of Area Residents

Mathias Kostelic
Funeral services for Mathias Kostelic, 63, 21503 Inkster Road, were conducted July 8 in the Harry J. Will Funeral Home, 25450 Plymouth Road, with burial in St. Hedwig cemetery. Services also were held in St. John Bosco Church.

Mr. Kostelic was born Feb. 20, 1900 in Minnesota, a son of Matt and Kathryn Guidover Kostelic. He was a retired factory worker.

Surviving are: his wife, Mrs. Marie Kostelic; a son, James; a daughter, Mrs. Meryl Hija; two sisters, a brother, eight grandchildren and three great grandchildren.

Frank Hamlin
Funeral services for Frank John Hamlin, 22, 13599 Norborne, Redford Township, were conducted in St. John Bosco Church and the Harry J. Will Funeral Home on July 9. Burial was in Holy Sepulchre cemetery.

Mr. Hamlin died July 5 in Henry Ford Hospital following an illness of a year. He was an apprentice dental technician. He was born June 7, 1941 in Detroit, a son of Frank and Clara Ollarin Hamlin.

Surviving are: his parents and one sister, Mrs. Mary Eckman.

stepchildren, Harold, Jeffery and Leslie Pasfield of Detroit; and Mrs. Dorothy Cox of Sherbrook, Quebec; and 12 grandchildren.

Carl Rossow
Funeral services for Carl Rossow, 55, 15567 Wakenden, Redford Township, were conducted July 6 in the Hammond-Haas Funeral Home in charge of Rev. Stanley Kruse. Burial was in Grandlawn Cemetery.

Mr. Rossow died July 3 in Redford Community Hospital. He was born on April 21, 1908 in Redford Township, a son of William and Louise Gersther Rossow. He was employed as a custodian at Redford Union.

Surviving are: his wife, Mrs. Beryl Rossow; two daughters, Mrs. Donald LeDoux of Wayne and Mrs. Joseph Demetro of East Detroit; two sisters, Mrs. Martha LaVeque, Livonia, and Mrs. Elizabeth Hoepfner, Brighton; a brother, Herman of Livonia; and four grandchildren.

Mrs. Helen Cardinal
Funeral services for Mrs. Helen Cardinal, 36, 19313 Centralia, Redford Township, were conducted Wednesday in the Hammond-Haas Funeral Home with burial in Parkview Cemetery in Livonia.

Mrs. Cardinal died suddenly of a heart attack at Martin Place Annex Hospital. She was born Jan. 27, 1927 in Detroit. She was a member of the Southfield United Presbyterian Church and had been employed by J. L. Hudson Co.

a heart ailment. She was born Nov. 30, 1882 in Missouri.

Surviving are: a son, Barney Weaver; two daughters, Mrs. Ruth Casto and Mrs. Ella Stevenson; eight grandchildren and five great grandchildren.

Arthur Mayer
Funeral services for Arthur Mayer, 59, 9342 Appleton, Redford Township, were conducted in the Harry J. Will Funeral Home July 11 with burial in White Chapel.

Mr. Mayer died July 8 in Henry Ford Hospital after a short illness. He was born March 24, 1904 in Michigan, a son of Max and Augusta Kowalski Mordfeld. He was a baker by trade.

Surviving are: his wife, Mrs. Mildred Mayer; his mother, Mrs. Augusta Mayer; a brother, Edward; and three sisters, Mrs. William Rath, Mrs. Martin Hommer and Mrs. Vern Thiek.

Joseph P. O'Brien
Funeral services for Joseph Patrick O'Brien, 80, 15336 Dolphin, Redford Township, were conducted Wednesday in the Hammond-Haas Funeral Home with the funeral mass in St. Christine Church. Burial was in Holy Sepulchre Cemetery.

Mr. O'Brien died Sunday at the Bancroft Nursing Home following a long illness. He was born March 16, 1883 in Ontario, a son of James and Mary Gettry O'Brien. He was a retired machinist for Timken Axle.

Surviving are: a stepdaughter, Mrs. Evelyn Hosler; one grandchild; and three great grandchildren.

Mrs. Agnes Block
Funeral services for Mrs. Agnes Block, 63, 9937 Norborne, Redford Township, were conducted Saturday in the Harry J. Will Funeral Home with the funeral mass in St. Robert Bellarmine Church. Burial was in Woodmere cemetery.

Mrs. Block died July 10 in St. Mary Hospital in Livonia. Surviving are: a daughter, Mrs. Richard Bieser; a brother, John Baronsawik; a sister, Mrs. Joseph Pavolko; and two grandchildren.

Mrs. Anna Bruinekoel
Mrs. Anna Bruinekoel, 83, 6067 Westwood, Detroit, who had resided in Livonia for more than 25 years, died July 10 at the home of her daughter after a lingering illness. Funeral services were conducted in the Caldwell Funeral Home, 29611 Ford Road, Garden City, on Saturday in charge of Rev. Robert Armstrong. Burial was in Parkview Memorial Cemetery.

Mrs. Bruinekoel was born March 3, 1881 in Pella, Ia. Surviving are: a daughter, Mrs. Ralph Briggs, 6067 Westwood; two grandchildren and 10 great grandchildren.

LIVONIA'S NEWEST and most modern funeral home will hold a grand opening Saturday and Sunday when Maney-Burrell open the doors of their new establishment at 9300 Middlebelt Road.

Maney-Burrell Funeral Home To Open Doors On Saturday

Livonia's newest and most modern funeral home owned by some of the oldest names in funeral service in the Detroit area will have its grand opening on Saturday and Sunday, July 20 and 21.

The Maney-Burrell Funeral Home Inc. is located at 9300 Middlebelt Rd., near West Chicago, and the single story colonial designed building is one of the most attractive in that section.

The owners include:

John M. Maney, President, who started the J. W. Maney Funeral Home at the corner of National and Cherry Sts. in

the Corktown area of Detroit in 1897. That site is next to what is now Tiger Stadium.

Harold C. Burrell, Vice President, who opened his first funeral home in 1929 on Fenkell Ave. in Detroit.

John W. Maney III, Secretary-Treasurer, the youngest member of the firm, who has been associated with the funeral service business for more than 20 years. All three owners are World War veterans and John Maney III recently established his residence in Livonia.

The 8,400-square-foot building includes facilities for all

services needed for funerals. It has a powder room, rest rooms, smoking lounge, display room, and arrangement offices.

The design is such that Maney-Burrell will limit services to no more than four families at one time. The owners believe this will eliminate overcrowded conditions in the building and in the parking area.

It will also make possible a closer relationship between the funeral directors and members of the families served.

The building was constructed by Orr Brothers of Livonia, with Charles Vogel as the designing architect.

\$3.8 Million Cost of Farmington Hosp.

Work is underway on a new \$3,800,000 Botsford General Hospital (Osteopathic) in Farmington Township which will be located on a 15-acre site in the Grand River-Eight Mile road area.

Officiating at ground breaking proceedings were Dr. Allen Zieger, director and founder of the Zieger Osteopathic Hospital, and Murray W. Van Wagener, Chairman of the Zieger Hospital board of directors and former Michigan governor. Presentation of the shovel was made by Adolph Roessling, vice president of Smith, Hinchman and Grylls of Detroit, architects for the new hospital. Just as the ground was about to be broken, Dr. Zieger handed the shovel to his 82-year-old father, Gabriel Zieger, to perform the official task.

Providing 200 beds in a five-story tower, Botsford General Hospital will offer complete, modern medical and surgical facilities.

Along with northwest Detroit, the hospital will serve the communities of Farmington,

Livonia, Novi, Walled Lake, Farmington Township, Wixom, Redford Township, Southfield, Brighton, Northville, South Lyon, Milford, New Hudson, Quaker Town, Franklin and Wood Creek Farms.

In March, Botsford General was awarded a Federal aid grant in the amount of \$1,152,585 through the Hill-Burton hospital construction program. The balance of the \$3.5 million construction cost will be provided through mortgage funds, hospital operating funds and loans from staff physicians.

Botsford General Hospital will be operated as a unit of Zieger Osteopathic Hospital which serves Detroit's populous

near-west side. Its operation is directed by a seven-man board of directors headed by former Gov. Van Wagener.

Other board members include Robert G. Surridge, attorney; Joseph Schoenith, president of both W. D. Gale, Inc., electrical contractors, and the Roostertail; Hobart Taylor Jr., former assistant Wayne County prosecutor now serving as chief counsel for the President's Commission for Equal Employment Opportunities; Dr. Ellis Siefert, chairman of Zieger Hospital's department of surgery; Bert Livo, a retired National Bank of Detroit executive, and Dr. Allen Zieger, the hospital's founder and medical director.

Young Republicans To Hear Birchite

John Birch Society organizer, John Powers will speak before a 17th congressional District Young Republican Club rally at

8 p.m., Wednesday, July 17, at Republican Headquarters, 14445 Grand River. His topic will concern the policies, aims and methods of the John Birch Society. The public is invited and Powers is anxious to answer all questions related to his subject.

Powers was born in Detroit 30 years ago and attended Lake Orion High School. He is an industrial designer, trained at the Art Centre in Los Angeles. He was active in the Young Republicans in California and also served on the State Central Committee.

Powers has made many radio and television appearances on behalf of the John Birch Society. He is co-founder of the Coast Cities Freedom Program.

Powers is married and has three sons. He presently resides in Detroit.

Hoben Has Jobs; But No Takers

Mike Hoben, co-ordinator of the Young Adult Employment Service Bureau sponsored by the Plymouth Y.M.C.A. with headquarters in the Plymouth Credit Union building on S. Harvey, is a man with problems these days.

Mike has registered more than 145 job applicants in the 16 to 25-year-old age group but finds himself with jobs and no takers.

Hoben reports success in finding work for one of every three applicants and one of every three jobs is of a permanent nature. At the moment, he has requests from six area employers for workers but none of the registrants is qualified.

"We hope to correct this situation within a few days," he explained, "since more and more in the age group are registering daily. The idea behind the Y.M.C.A. thinking was to solve just such problems as this and to learn if there isn't a large number of unskilled in the young adult group."

Hoben has compiled a list of 25 or more registrants and the type of work they are seeking in a series of ads in this week's Observer classified advertising section. Employers who are interested and can aid these persons in getting employment are urged to check over the ads.

Garmaker To Defend Golf Crown

Defending champion John Garmaker will head the field competing in the annual Livonia Invitational golf tournament which starts this weekend at Idyl Wyld.

The tourney, open to Livonia male residents 15 years of age and over, begins at 10:30 a.m. Saturday. Each player will contest over 54 holes.

Play is scheduled for next Saturday and Sunday and also on July 27-28.

An entry fee of \$10 will cover all green's fees. First round scores will be used to determine the flights in which each individual will be placed.

Those in the 79-under bracket will vie in the champion flight. Those with 80-89 scores will fall in the first flight. The second flight will be for players shooting 90-99 and the third for those scoring 100 or over.

There'll be a trophy and prizes for the top finishers in each division.

Players have until 10:30 a.m. next Sunday to fill their entries.

In addition to Garmaker, other leading entries will include Benton Yates, Al Moreland, W. W. Woods and Dean Matthews. They all finished among the leaders last year.

District Meet Ahead For Legion Players

The hopes of gaining the Detroit League playoffs have melted away for Livonia's Beal Post baseball team in the American Legion league.

Two defeats and a tie last week wrecked the Beal chances. But after the regular season ends this Wednesday when Beal plays East Detroit at Manz Field at 8 p.m., the Livonians will prepare to shoot for district elimination honors at Farmington starting on July 25.

The meet at Farmington serves as the first phase of competition which could lead on to state and national Legion honors.

Beal ran into a pitching tiger against Grosse Pointe in losing a 2-1 decision. Nine of the Beal batters went down on strikes during the game.

Lee Sanders of Beal pitched well enough to win most games, but his mates were able to get him only one run . . . Sanders scoring it himself in the eighth inning. He had singled, moved around on Tom Cannon's single and came in on Dick Schirmir's fly.

Then followed a 3-3 tie for Beal against Larned. The Livonians took a 3-1 lead in the sixth when Roger Frayer walked, Schirmir singled, Rick Elliott walked and Bill

Black singled. A fielder's choice and balk also figured in the inning.

Larned rebounded with two runs in the seventh off Sanders to knot the game, which then was called because of the time limit.

Edison's strong team rolled past Beal, 10-1. The lone Beal run came when Sam Antonozzo and Dave Falzetti walked and Norm Vasquez singled.

Antonozzo and Elliott carried the Beal colors in last Friday night's all-star game in which the Detroit League beat the Downriver League, 3-1.

Elliott grounded out in his only appearance at the plate. Antonozzo never got to hit at Tiger Stadium. The game was called in the seventh inning just before Sam's great moment was to come.

Pitches No-Hit Gem, But Still Loses, 3-0

How unlucky can a baseball player be?

Pitcher Tom Tanner of Redford Township's Champion team must wonder after pitching a no-hitter, but still losing to the Wayne Monarchs, 3-0, last week in a Livonia Class D Recreation League game.

What made matters even worse for Tanner, all three of the Wayne runs came in the first inning after he retired the last 17 batters—10 on strikes—to face him in the game.

Three errors, a wild pitch and a hit batsman helped the Monarchs to their runs before Tanner turned giant killer. But, by then it was too late.

The Champion batters themselves did very little. Singles by Rick Sloane and Rich Harlowe constituted the club's hit production.

In other games during the week, Champion belted Wayne Forge, 14-5, and bowed to Dearborn Heights, 4-3, in Connie Mack action. Jim Sproul held Wayne to three hits while Bill Wooley and Tim Scienski clubbed homers to lead Champion's 15-hit attack. Dave Woloch and Sproul each collected three hits in the encounter.

Against Dearborn, Champion staged a belated rally, counting twice in the sixth inning when Bill Wooley singled across Harlow and Tanner, but a squeeze play later to get in Wooley failed and Champion ended up a run short. Don Walker's brilliant relief pitching went for naught. He fanned six of the last seven Heights batters.

Livonia's DRC team rolled to its sixth straight victory without a defeat in the Mack Division by bowling over the Plymouth Elks, 11-2. Bill Booth from Bentley Hill turned in his seventh consecutive triumph for DRC as he fanned nine and walked four.

Paul Portney and Jerry Allen slugged homers to pace the DRC assault. The two circuit drivers were back to back affairs in the fourth inning when DRC counted three times to put the game out of reach.

The Elks actually led after the first inning when Bob Gotro singled, Jim Edwards walked and Jim Lake delivered a hit. But once the DRC bats exploded, there was no stopping them. Steve Powers, Mike Panci, Booth and Keith Seifert each collected two hits.

The victory was Booth's second of the week in Mack play. Earlier he bested Redford DAV, 5-4, with the winning run being scored in the seventh inning after Rick Clark of DAV had knocked in the tying runs in the sixth with a two-run single.

In the payoff frame, Portney was safe on an error and stole second. After Allen walked, both moved up on a passed ball. Then Steve Powers, who also plays on the DRC Class A team, came through with a blow to admit the winning run. Clark was the victim of the defeat.

Although they played up in Mack play, the DRC players fell victim to the Livonia Bisons by an 8-2 score in a Class D Recreation encounter. Harry Jaksch went the route for the Bisons, giving three hits and fanning nine. Bob Oisen's single and homer led the Bisons.

The DAV team lost both of its other games during the week, by a 3-0 score to Dearborn Heights in Class D and by a 4-3 score to Wayne Monarchs in Connie Mack.

Harry Kendrick and Clyde Ziegler managed the only DAV safeties against Dearborn Heights. Against Wayne, with Clark again the loser despite the fact he fanned 13 and allowed only six hits, DAV rallied to tie the score

in the sixth on Gene Hamlin's single and a pair of errors.

However, a triple and an error in the seventh provided the Monarchs with the winning tally.

The Plymouth Elks, unbeaten pace-setters in the Class D league, picked up victories in other two games during the week.

John Daniels poked a triple and two singles, while Jim Edwards hurled effectively in relief to enable the Elks to down the Bisons, 8-3.

Then, against Wayne Forge, Daniels did the pitching—and brilliant he was. He unfurled a four-hit shutout to gain a 5-0 conquest. Jim Lake slapped a homer and Edwards helped out with two more hits.

Colts Bid For Title In Meet

It's tournament time for Redford Township's Colt League (boys 15-16) baseball team.

A year ago the Redford Colts hailed off the district championship and went on to gain a spot in the sectionals before bowing out.

The 1963 squad, comprised of the best from the circuit which has operated in the Township this summer is considered much stronger than the Township's '62 representatives.

Four teams will make up the district field at Hamtramck when the curtain springs open on the double elimination tournament action next Tuesday.

The Redford Colts will meet Lincoln Park in the opener at 11 a.m. Taylor will face Hamtramck in the second encounter at 2. The two losers will contest at 5 to stave off elimination. The winners will collide the next day.

Champion of the Hamtramck district will move on to the sectionals at Mt. Pleasant the following week in the drive which leads to national honors.

A 15-man team has been named to represent Redford. They'll be managed by Cecil Kerr of the Ranger team.

On the Colt Stars are Jim Sproul, John Page, John Eszes, Ed Madley, Dave Woloch, Jim Johnson, John Rock, Terry Frazer, Bill Koponen, Jim Clause, Mike Bernhardt, Claude McTaggart, George Latvia, Ken Krajewski, and Jim Higginson.

Johnson and Sproul fashioned two of the three no-hitters fashioned in the league during the regular season. The other was posted by Al Bush.

Champion Takes 2 in FP Tourney

Shutout pitching by Tom Tanner and Don Walker shot South Redford's Champion Sporting Goods team into the driver's seat in the Detroit Free Press baseball tournament at Livonia's Riverside Park.

Tanner fanned 15 and allowed one hit as Champion downed Plymouth Elks, 4-0. He walked only one batter. Then Walker gained a 2-0 verdict over Dearborn Heights.

In other action, Livonia DRC trimmed Redford DAV, 6-1, as Bill Black fanned seven and Gary Gearhart led the attack with a single and triple. Gearhart and Booth knocked in first-inning runs which put DRC in front for keeps.

However, the next day saw DRC lose to the Livonia Bisons, who rallied for three runs in the seventh and final inning to win, 8-7. Three walks, a single and fly out turned the trick for the Bisons, who were helped along by eight DRC errors.

Redford DAV rebounded from its opening loss to eliminate the Elks, 8-2. Rich Clark held the losers to four hits, three of them by Jerry Kisabeth.

The title game in the double-elimination tournament is slated for Thursday at Riverside. The champion will face Macomb County at Riverside Saturday at 1 p.m. for the right to advance to the Free Press outstate finals at Ann Arbor.

SPORTS OBSERVER

By George Maskin

If a youngster, representing Livonia's Teen Athletic League, drops around this weekend and asks that you purchase a box of candy . . . waste no time in pulling out your pocketbook.

While we have had no free samples (the chocolates can't do our already expanded waist line any good), we're assured that you'll enjoy every bite of candy. More important, you'll be helping to keep roin gone of Livonia's finest organizations, which is dedicated to youth work.

As we have said here before, there isn't enough that any of us can do for the youngsters, mad as they make us from time to time.

Incidentally, the TAL still has opening on its summer softball program for girls 13 through 17 years of age and boys baseball for those 14-15. The TAL's only request is that you aren't playing on another team this summer.

If you're interested in playing on one of the teams, call TAL officials care of Al Roscoe in Livonia's Recreation department. Or ask your nearest recreation park director.

We've just learned that for the first time in several years, South Redford won't participate in the national Little League baseball eliminations which begin within the next couple of weeks.

North Redford, however, will continue to be represented in the tournament play which leads from area playoffs to the grand world championships at Williamsport, Pa.

From what we understand, the big wheels of the national Little League programs have become more demanding than ever of the lower echelon groups. We're told that the national brass doesn't like a local program to be run by an association like Redford Junior A. A., which has done a terrific job over the years.

It seems that those, who boss Little League in Williamsport, feel that it's not right for a league way down the ladder to be part of a program which includes Pony and Colt baseball and also basketball and football. As you know, the RTJAA backs just about everything for kids sports in the Township.

"I guess that the national people think that a group should concentrate everything just on Little League, because if you're handling older boys and other sports, maybe you won't raise enough money for Little League," one South Townshipers said.

"So, we've decided to sit this year out and campaign on our own. We'll look over the situation again next year. We'll decide then if we're to get back into the national program."

It might be noted that Livonia and Plymouth operate very excellent versions of Little League baseball without getting tied up with the national structure.

The temperature might not be what we have when the basketball season rolls around, but there'll be some basketball in the air 10 days hence when the Detroit Pistons open a summer camp and a week of clinics.

Those boys in the area interested in picking up some basketball tips will have several opportunities to take in one of the clinics. They can drop over to River Rouge high school, at 7:30 on Tuesday evening, July 30. Or they can attend an afternoon clinic on July 31 at Catholic Central High in Detroit.

Or they're invited to the grand windup at Cobo Arena at 10:30 a.m. on Saturday, August 3.

No admission will be charged. New Coach Charley Wolf will run the clinics and he'll have several of his veterans on deck . . . among them Ray Scott, Don Ohi, Bob Ferry and Willie Jones.

DRC Cops Fifth, Now Tops Loop

With five straight victories in the bag after losses in its first two starts, the Detroit Race Course senior baseball team of Livonia has soared into first place in the Class A Recreation League.

A 10-2 romp over Ypsilanti enabled DRC to add to its streak last Saturday. A Sunday game with second place South Lyons was rained out and will be made up at the end of the season.

The DRC runs came in two innings. In the fourth six tallies were recorded as Dave Boufford, Bill Black, Mike Bojanczyk and Jerry Allen; Steve Powers walked and Dick Gray unloaded a bases-loaded triple.

In the ninth, Allen's homer, followed by three walks and Ron Hellier's double gave DRC its final four markers.

Bojanczyk posted his second pitching win of the season. He fanned nine and allowed five hits.

DRC is idle this Saturday; then hosts Inkster at Riverside Sunday at 1:30 p.m.

State Fair Lists 250-Mile Race

Iggy Katona will face stiff competition this year in his bid for a third straight championship in the 250-mile Michigan State Fair Classic for new cars.

The race will be run on Sunday, Sept. 1, on the track in front of the Grandstand. It's an annual highlight of the State Fair, which opens this year on Friday evening, August 23, and runs through Labor Day, Monday, September 2.

College Bd. Re-elects Officers

The Board of Trustees of Schoolcraft College held its annual meeting last Wednesday. The two new Board members, Dr. Gordon R. Ferrer from Northville, and Mr. Leroy C. Bennett from Livonia, attended their first official meeting.

In electing officers for 1963-64, the Board re-elected all officers. These include Harold E. Fischer, Chairman; Jane K. Moehle, Vice-Chairman; Charles B. Kirkpatrick, Treasurer, and Paul Mutnick, Secretary.

Annual reports were presented by the Chairman, Treasurer and Secretary. The three reports constituted a survey of the procedures and accomplishments of the Board to date.

The firm of Sutherland and Robson was selected as the College auditor for the 1963-64 year. Two banks were designated as depositories for the coming year. The National Bank of Detroit was designated as a depository for the general fund, the building and site and the debt retirement funds. The Detroit Bank and Trust Company was designated as a depository for the student services, scholarship, and matriculation funds.

Bills in the amount of \$84,000 were approved as the first payments to contractors who are engaged in constructing the College Buildings.

The Board announced that it will not hold its next meeting until August 7.

Jim Fielding Promoted By Cunningham

James J. Fielding, with a background of more than 23 years in the wholesale and retail drug business has been

named vice president and director of marketing for Cunningham Drug Stores Inc., it was announced by President Ray Shapero.

Fielding, 40, had previously accepted the post of sales promotion manager for Cunningham, one of the nation's largest operators of retail chain drug stores.

He began his career in the drug business in 1939 when employed as a part-time IBM operator for McKesson Laboratories in Fairfield, Conn. He served with the company until 1960, with time out for four years in the armed forces as an Air Force pilot, when he joined the Cunningham operation.

Fielding resides in Grosse Pointe Park with his wife, Nancy, and seven children. He is president of the Grosse Pointe Community Theater and has served as director for the All-America Little Football League.

Dog Fanciers to Hold Show

The Doberman Sportsmen's Club of Detroit, Inc. will hold its "fun match—all breed obedience and doberman pinscher conformation only" on Sunday, July 21, at Bill Brown's Sales, Inc., 32222 Plymouth Rd., Livonia.

All judging will be inside. There will be prizes, and trophies for all classes, including the all breed obedience at 11 a.m. Judges are Bill Wells for Novice "A" and "B" and Mrs. Velma Janek for Open "A" and "B", Graduate Novice and Utility.

Conformation only is at 2 p.m. and the judge, Mr. John Connolly.

Entries will be taken for Obedience and Conformation from 10 a.m. until the time of judging.

Mrs. Velma Janek of Muncie, Indiana who owns and handles Rad's Friendly Jest of Summer, U.D. (call name Melody) will also put on a special demonstration with her Doberman Pinscher. Melody has surpassed all other Obedience trained Dobs in a continuous display of excellence. Rad's Friendly Jest of Summer, U.D. is for the second consecutive year the "obedience doberman of the year."

Miami Calls Local Pilot

Eleven members of the Pilot Club of Detroit will attend the 42nd Pilot International Convention, July 15-19 in Miami Beach, according to Miss Joyce VanderPyl, president of the Detroit club for business and professional women.

Theme of the convention will be Pilot International's guiding words for the year, "Leadership Through Service." Mary Louise Downing, 11201 Brookfield, Livonia, is governor of District 15, Pilot International.

Mirrors Brighten All Walls

One of the newest wall covering materials is, surprisingly, one of the oldest—mirror.

In the past year, top decorators and builders have become remarkably conscious of wall mirror installations because of their versatility and beauty.

As one example, a model house chosen to be erected all over the country for National Home Week 1960 had both bedrooms with ceiling-to-floor, wall-to-wall mirrors, used as sliding closet doors.

Also, in a recent decorators' show in New York, eleven leading American designers showed room settings featuring large areas of mirror—either as completely mirrored walls or in combination with fabric and wallpaper.

One of the reasons for this trend is that mounting construction costs continue to limit room sizes—and strategically placed mirror areas can stretch out walls, make a small foyer seem twice as large, and can lower or raise a ceiling.

Moreover, a wall of mirror gives the impression that a room has twice as much furniture as it really has.

Mirrors can increase, even double, the amount of light in a room. One suggestion is a circle or square of mirror on the ceiling above a chandelier. Wall mirror directly behind a lamp will give more light without glare, and also stress the beauty of the lamp itself.

Designers and architects are now considering mirror as a material useful anywhere in building, like wood or stone. Technical developments plus new production methods are largely responsible for this current trend.

All top quality mirror is now made of twin-ground plate glass, where the glass sheet is placed in a machine which grinds and polishes both surfaces at the same time to eliminate any possibility of distortion.

With this new, perfected types of mirror available, the traditional picture of the small framed looking-glass has begun to give way to areas of mirror found just about anywhere in a house.

Designers suggest, for example, mirroring a linen closet in back of the shelves, so you can see every item in the linen supply department.

State Fair Plans Shows For Kiddies

A new free attraction at the 114th annual Michigan State Fair this year will be the Children's Puppet Theater featuring the Dorothy Oden Marionettes in a musical version of "Little Red Riding Hood" plus a puppet variety show.

A special theater for the troupe near the familiar Kiddie Barnyard will seat 500 children.

Shows the first evening of the State Fair—Friday, August 23—will be at 7 and 8 p.m. Thereafter, shows will go on hourly on the hour from noon to 8 p.m. each day until the fair closes, on Monday, Sept. 2.

Realtor Duty Goes 2 Ways

Can a home seeker expect a Realtor to give him information which could dissuade him from buying a house in which he was initially interested? "Yes, if withholding such facts would constitute unfair treatment of the home seeker," explained Richard H. Funk, president of the United Northwestern Realty Association-Western Wayne-Oakland County Board of Realtors, who cited a case today from the new book "Interpretations of the Code of Ethics."

This book, just published by the National Association of Real Estate Boards of which Funk and the board are members, sets forth specific cases to show how the Code of Ethics to which they subscribe is applied for the benefit of the public, clients, and colleagues.

One article of this Code, Funk said, states: "In accepting employment as an agent, the Realtor pledges himself to protect and promote the interests of the client. This obligation of absolute fidelity to the client's interest is primary, but it does not relieve the Realtor from the obligation of dealing fairly with all parties to the transaction."

"One case from the new book dramatically illustrates the obligation of the Realtor to the home seeker," Funk added. "The circumstances were as follows:

"As the exclusive agent of Client A, Realtor B offered a house for sale, advertising it near a bus stop. Prospect C, who explained that his daily schedule made it necessary for

him to have a house near the bus stop, was shown Client A's property, liked it, and made a deposit.

"Two days later, Realtor B read a notice of a rerouting of the bus line under which Client A's house would no longer be near a stop. He informed Prospect C of this circumstance. Prospect C lost interest in the house. Realtor B informed Client A and insisted that Prospect C's deposit should be returned.

"Client A reluctantly complied with Realtor B's request, but complained to the board of Realtors that Realtor B had not faithfully protected and promoted his interests; that after a willingness to buy had been achieved, Realtor B need not have made a disclosure to the prospect that killed the sale, since the point was not of major importance. The new bus route, he showed, would put a stop within six blocks of the property.

"In a hearing on the matter before the board, Realtor B explained that in advertising Client A's property the fact that a bus stop was only a few feet from the property had been prominently featured. He made the point also that Prospect C, in consulting him, had emphasized that because of a physical disability, he needed a home as near as possible to a bus stop.

"Thus, in his judgment, the change in bus routing materially changed the characteristics of the property in the eyes of the prospective buy-

er, and he felt, under his obligation to give fair treatment to all parties in the transaction, that he should inform Prospect C, and that in so doing he was not violating his obligation to his client.

"The board concluded that Realtor B had acted properly under both the spirit and the letter of the Code of Ethics. He was exonerated and commended."

A Reader Has Praise For Rep. Paul Chandler For His Kindness

Dear Mr. Chandler:

My mother, Mrs. U. R. Sutfin of Plymouth, sent me a copy of the House Concurrent Resolution No. 81 expressing sympathy and compassionate goodwill to the survivors of the passengers lost in the June 3, 1963 air disaster.

Airman First Class Robert Scott, who is assigned to the Squadron I command, lost his wife and four small daughters; Mary and I lost our oldest son, Howard.

Mary and I appreciate your expression of sympathy from the State of Michigan. I am taking the liberty of speaking for Airman Scott when I humbly request that you express our appreciation to the membership of the House of Representatives for their gracious and considerate resolution.

Sincerely yours,
Howard Ebersole
Seattle, Washington

Editor:

For a number of years I have read The Observer each week with sincere enthusiasm. Together with the rest of your readers, I appreciate the paper's complete news coverage of events and activities of our community.

However, there is one feature of your newspaper that has caused me much consternation week after week. Mr. Chandler, I question the validity of the title of your weekly column on page one called "Facts and Opinions." Now I ask you, sir, how can these two nouns possibly be combined to justifiably title your article each week? It would be just as reasonable to ask your readers to eat strawberries and pickles from the same dish; possible, of course, but certainly a distasteful combination.

Webster defines fact as "an actuality" or "possessing qualities of reality;" while the definition of opinion is "a belief or view open to dispute." Are your beliefs so closely related to actuality that you can assign them both to one and the same title?

Well, I for one think they are not that closely related. Assuming I am correct, how then is your reader to differentiate between your statements of opinion or belief, and your statements of fact or actuality? I am not altogether unfamiliar with newspaper procedure and policy as my father was editor and publisher of a weekly newspaper for thirty-five years. It has always been my impression that fact should be reported as such; while the editor's philosophy or opinions belong on an editorial page.

The purpose of this letter is not to dispute any one of your articles in particular, but to recommend that you separate your facts and opinions in order that you may print each of these on an appropriate page of The Observer. Being a red-blooded American editor, you are entitled to an editorial page. I notice that the mayor has his own private "corner" in which to voice his views, couldn't you afford yourself the same consideration?

Your Weekly Reader,
Mrs. Barbara Scane

Editor's Note: Our notion of the job of a personal column is to offer opinions on the subject matter at hand.

Editor:

Why does Mr. J. McIntosh, since he has moved from our neighborhood, (This is between Minton & Westfield Ave., off of Middlebelt in Livonia) plan on going around to get signatures for an injunction to hold off the building of the New Harris Funeral Home???? Formerly the Sharpley residence. The neighbors would like to have the building go up and landscaped rather than look at the unsightly lot and building that is being wrecked by vandalism day after day. So neighbors, let's stick together and refuse to sign, so we can have a decent looking approach to our streets within a short period of time.

Thank you,
Minton & Westfield
Neighbors

Editor:

This letter is in answer to your column of July 10 and in a larger sense to your whole position on the subject of today's teenagers. Your seeming hostility to and continual degradation of them never fails to amaze me. Almost every editorial The Observer carries on young people makes them appear rude, naive, prejudiced and decadent to the point where your "typical teenager" becomes a comic strip character.

ter. Paul Chandler, on the other hand, is slanted to appear as the all-knowing, all-seeing Wise Old Philosopher.

You say, "Go to the movies." Mr. Chandler, they cost a dollar (two if you take a date), plus transportation, and most teenagers don't often have that kind of money. "Get a job," you tell us; if you will read your own paper's want ads you will see that most of those who want jobs can't get them. "Go to the library." The Livonia library is pathetically understocked and most of its good books (including "Catcher in the Rye") are on closed shelf. There are plenty of places to burn up energy in athletics during the day." To be sure; however, this remark is based upon the obviously false assumption that all teenagers like athletics. What of those who don't? You wanted to go camping when you were young. Well, so do a lot of us. Are you willing to donate tents, equipment, and food, or to reimburse our parents (assuming they would let most teens go by themselves)?

Mr. Chandler, if you were honest to yourself you would realize that there are things for younger kids (ages 7-13) to do, and there are things for adults to do, but teenagers are told to act like adults (which they do for the most part), yet are treated almost as if they were these same children, and there is really very little they can call their own. Today's teenagers (if there is a typical one) sees the adult with a Martini in one hand and a cigarette in the other, saying, "I don't know what's come over the kids these days, the way they drink and smoke. They know it's bad for them and illegal, but they do it anyway." This same adult drives home over the speed limit after having four or five drinks, thus creating no end of good impressions on the teenagers who hear, "If you drink, don't drive," and, "Obey the traffic laws." All the things you hold against young people are mere rebellion against the blatant hypocrisy of people like you in particular and today's adults in general. Until something is done to remove this hypocrisy, teenagers will never stop imitating their parents in their fight to grow up.

In closing, I would like to remind you of a small fact you may have overlooked; the teenagers of today are the voters of tomorrow. Most of the teens in your district harbor an active dislike of you. When they go to the polls in a few years, they won't forget you.

Phil Blanton

(Editor's Note: The blows landed upon his elders by today's youthful Reader are valid and much to the point. The Editor is not hostile to teenagers; he is on their side and trying to understand. However, he is critical of some teen behavior patterns; behavior and character are two different things. Where Reader Blanton and The Editor agree entirely, is in believing that there is a

rebellion by youngsters against the values offered them by the example of adults. It is the problem, at its very heart. Incidentally, we strongly believe that the legal age for voting should be reduced to 18.

Sir, I wish to thank you in advance for the privilege of using your space in the Public Letter Box. I am aware that our city fathers, so adept at double-talk, could fill every inch in your fine paper. However, I am moved to write this letter in an attempt perhaps to discover how many other recent residents of Livonia are just as perplexed as I am. Repeated telephone calls and letters to different departments seemingly serve only as reminders among various heads of departments that certain services are urgently needed. Beyond that there seems to be no hope of ever receiving even those services of which we were assured by the builder that they had been paid in advance.

Although I write as an individual person and taxpayer of this so-called "Wayne County's most beautiful city," I am in position to state that the owners of the 25 new homes in my block feel exactly as I do. We have not been able to secure the minimum safety and cleanliness required for our neighborhood. What do the city fathers wait for before action can be taken? Perhaps election time? Too bad really! Election citizens today are as capable of

distinguishing sincere service from double-talk as those seeking the office.

A group of us recently was entertained by the Mayor for two hours in his office listening to countless complaints. The honorable Mayor Moelke could only shrug his shoulders and tell us that the Council tables every conceivable good suggestion ever made. No wonder Councilman Bagnall announces so early that he would be happy to sit in the Mayor's Chair! Sir, we need in the Mayor's chair a true, public-spirited servant not one who aspires to being just the "lord-mayor."

One reads currently in the Mayor's column of the sad plight that has befallen Livonia because some of the departments heads are leaving for better paying positions. Question arises, if some of these departures are not as a result of Livonia being in a deep "mud hole." Witness the mess in Kimberly Oaks Sub. The good city fathers and their expert planners did so well in issuing permits for land development and building of new homes, totally indiscriminately.

From one who is looking for a clean hole in the "Beautiful Livonia."

"Disappointed."

P.S. Paul Chandler's column has been one bright spot in my ten months as resident of Livonia. May God grant Paul the courage to continue the wonderful work in Lansing as well as in Livonia.

Editor:

We have noted the letters written by Mr. Robert L. Steng, president of D & B Equipment Sales Inc., and published in your paper of June 12. Mr. Steng's letter to you was his public protest against the action of the Livonia Board of Education in turning down his low bid for a tractor, after the Board had specifically requested a quotation from him.

Mr. Steng is the Massey-Ferguson Inc. dealer in Farmington, Michigan, and we share his disquiet over the action of the Board of Education. We are also concerned about the misinformation given you by Board officials and which you published as an editorial note to Mr. Steng's letter.

You quoted "Livonia school officials" as saying: "Also, there was some concern about whether Massey-Ferguson parts would be readily available, since it is our understanding the Ferguson tractor is made in England."

We find this comment particularly hard to understand in view of the fact that, in Detroit, less than ten miles from the center of Livonia, Massey-Ferguson Inc. owns and operates a plant that produces approximately 35,000 tractors annually (plus related light industrial equipment) for the United States market. In support of this factory, we own and operate a transmission and

axle plant located at 12345 Kercheval, Detroit. Also in Detroit, Massey-Ferguson has a large engineering research center where the research and development of new products, and constant improvement of existing products is a continuous activity.

It may be of interest also to your readers, and to the Board of Education, to know that Massey-Ferguson, through subsidiary or affiliated companies, has manufactured and sold farm equipment in the United States for more than 50 years.

It is true that Massey-Ferguson does have a large tractor works in Coventry, England, which produces tractors for the United Kingdom and other world markets. However, Massey-Ferguson Inc. does not sell in the United States any tractors manufactured in England.

We are sorry that before arriving at its decision the Board of Education did not check its information about our products either with Mr. Steng or directly with us. We hope that this letter will correct any misunderstandings in your readers' minds caused by the unfortunate comment that you reported.

Sincerely yours
MASSEY-FERGUSON
