

Livonian Joins Staff At WSU

Dr. Gary D. Fenn, 35994 Meadowbrook, Livonia, has been appointed an assistant professor of pharmaceuticals in the College of Pharmacy at Wayne State University.

Dr. Fenn, a graduate of Lansing Sexton High School, received a B.S. degree in pharmacy from Ferris Institute and Master of Science and Ph.D. degrees from Purdue University. He was formerly assistant professor of pharmacy in the College of Pharmacy at the University of Houston.

A registered pharmacist in Michigan, Indiana and Texas, he is a member of the Rho Chi Society, honorary pharmacy society, the Society of the Sigma Xi, honorary science society, and Phi Lambda Upsilon, honorary chemistry society. He also holds membership in Phi Delta Chi, professional pharmacy society, the American Pharmaceutical Association.

Vigilance Tax Group To Meet In Livonia Next

Members of the Vigilance Tax Committee—the group of suburban mayors and elected officials which has opposed Detroit's income tax—will meet in Livonia this Friday (Oct. 18) at the new police building on Farmington road at 8 p.m.

The committee has invited Senator Clyde Geerlings, chairman of the Senate Taxation Committee, to report on the fiscal reform program as it stands in the State Senate.

Michigan's Supreme Court recently ruled against filing petitions directly with the Secretary of State and it appears that the Vigilance Committee must file with the County Clerk of the eighty-three (83) counties. Because of this new development, it is felt that the committee should definitely seek an additional 10,000 names at least, prior to the submission to the county clerks.

"So please continue your efforts and bring to the next meeting any outstanding petitions that you have on hand," said Mayor Moelke of Livonia.

Madonna Caps Seven In Nursing

The first "capping" ceremony at Madonna College for its initial group of student nurses was held at an assembly which also honored members for their scholastic and co-curricular achievement during the past school year.

Seven sophomores were "capped" in DeSales auditorium. The presentation of the nurses' caps was made by Sister M. Calasantia, CSSF director of nursing, after Sisters M. Humilitas and M. Maureen, faculty members, introduced the candidates.

Student nurses concluded the program with the lamp lighting ceremony and taking the Nightingale pledge led by Sister Calasantia.

Members of the first nursing group at Madonna are: Barbara Hopkins, of Livonia; Judith Grahek, Wyandotte; Joan Herr and Ann Marie Mack, Detroit; Mary Karpinski, New Jersey; Ellen Miller-Manistee, and Sally Plamondon, Northville.

Open Botsford School Addition Next Monday

Leo Laruwe, Botsford Elementary School Principal, has been informed by the architects, Tarapata-MacMahon, and by the contractor, Matthew Lalawicz, that certain portions of the addition to the Botsford Elementary School will be ready for occupancy Oct. 21.

Arrangements are being made to notify parents of fifth and sixth grade pupils now being housed at Grandview Elementary School and the Senior High School respectively of the change.

With Teachers' Institute scheduled for Oct. 17-18, it will be possible for the custodial and maintenance staff to move certain furniture and equipment into the six classrooms that will be immediately needed.

Ranks 30th In Sales

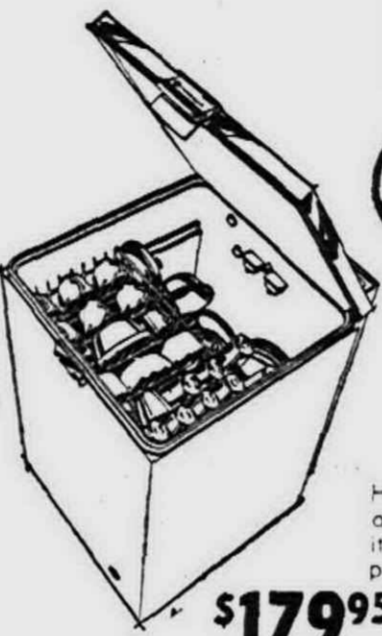

Rita Radziowski, R.N., Director of Nursing at St. Mary's Hospital in Livonia, has been elected to the board of directors of the Detroit and Tri-County League for Nursing.

## Think Now of Plans To Insulate

With cold weather and the costly heating season approaching, and with so many homes in need of insulation, this is a good opportunity for homeowners to insulate their attics.

The new Zonolite vermiculite insulation on sale has a number of advantages to the homeowner. The bags are lightweight and very easy to carry and pour. The material flows freely into hard to reach areas and can be raked into far corners. It pours over old insulation, so there is no need to remove insulation that has settled or deteriorated.

Vermiculite is a mineral form of mica, containing countless tiny air cells and reflective surfaces that make it an effective insulation. It is fireproof and will not rot or decompose.

Estimated savings in fuel costs will pay for the insulation in from three to five years, while providing a more comfortable home in winter and summer in the process.

THESE ARE SOME of the unusual, mounted, stuffed animals on display in the show windows of Ward's at Wonderland Shopping Center. The exhibit is part of that owned by Karl Koeppinger, president of the Koeppinger Bakery Inc. and well-known area sportsman.

## Wards Display Wild Animals

Montgomery Ward's at Wonderland Shopping Center has an unusual window display of mounted, stuffed wild animals which were obtained by Karl Koeppinger, president of Koeppinger Bakery Inc., on three safaris to Africa since 1959.

Koeppinger made trips to Kenya in 1959, Tanganyika in 1960 and the African Sudan a year ago.

The purpose of the safaris was to film the natives residing in the areas and also to obtain specimens of the wild game in the localities.

Koeppinger has shown his films on the George Pierrot Adventure Series on television and also to more than 100,000 persons at various service and church groups throughout the state.

Those interested in viewing unusual animals are urged to attend the exhibit.

Meanwhile, Ray Koeppinger, nephew of the bakery president, will be happy to make arrangements to show the films to any groups or organizations in the area. He can be reached through Ward's at Wonderland.

## Idle Space Can Be Used

If you are like the average homeowner who has lived in the same house for a number of years, you may well be faced with the growing space needs of an expanding family.

Rather than give up your present home and moving to a larger house, possibly in a different neighborhood, why not consider creating additional living space in the home you now occupy?

Almost every home has unused space that could be converted into livable extra rooms. In many instances, such space can be found in an unused attic, a section of the basement, a porch, an attached garage or carport. Or perhaps you could add on to the back or side of your house by knocking out a wall and expanding one of the existing rooms, or adding an entirely new room.

Often the least expensive way to get an extra room is to finish off the attic. Roof and subflooring are already there. The "expansion attic" house, the Cape Cod or many of the other highly gabled types usually can be "stretched" simply by finishing floors and adding walls, heat, light and insulation.

**Basement Conversion**  
Old or new, a house with a basement has built-in room for improvement, presenting practical possibilities for conversion into a recreation room, hobby room, family room, any of

which may provide extra guest sleeping quarters.

Finishing this space for better appearance and greater function can be done with a modest expenditure for materials, such as hardwood or one of the Western Pine region woods.

It isn't necessary to start in the attic or basement in order to end up with a remodeled room. Porch or patio can be enclosed and finished with paneling and built-ins.

Remodeled patios and porches, particularly where adjacent to the kitchen, made wonderful family style dining-living rooms.

Another practical way to create extra living space is to build a carport or extra garage for the car, and convert an attached garage into the extra room you need.

Sliding storm and screen picture windows can be installed where the garage door once hung and side-wall broken through for smaller windows.

**Adding a Wing**  
If you can't go up, down or sideways to find space for conversion into extra rooms, consider adding the necessary living facilities by building onto your house.

You will need expert help for at least part of this job. First, have your land surveyed to locate exact property lines. Next check with your building inspector to find out how far out you can go and still stay within bounds set by the zoning code.

Basic to any remodeling project is careful planning and the advice of experts when and where expert advice is called for. Even if you plan a do-it-yourself remodeling project, you might well decide to have part of the work done by a building contractor. Also, when it comes to the choice of material, your local lumber dealer is the place to go.

# Clarenceville Board Approves Sale of Notes

The Clarenceville Board of Education approved the sale of \$100,000 in state aid notes to the National Bank of Detroit on its low bid of 1.83 per cent.

Bids were received from the National Bank of Detroit, Detroit Bank and Trust and the Manufacturers National Bank.

The School Board voted to borrow the money against the receipt of state aid due to the fact that the district has considerable expense prior to the receipt of local tax monies.

The Board met with architects and suppliers relative to the track at the athletic field of the junior high school.

It has refused to accept the track on the premise that it doesn't measure up to specifications. The matter was referred back to the architect and contractor.

Approval was given by the Board for the purchase of a bus on the lease purchase plan after listening to details of the plan from John Bro of the McFadden Corporation.

The Board authorized sale of approximately one acre of land at the west end of the present Board of Education office. The deal was turned over to the Ellis Realty Co.

Approval was given for participation in the joint business education day program sponsored by the Livonia Chamber of Commerce on May 13, 1964. The School Board gave two

groups permission to use school facilities. The Y.W.C.A. will be permitted use of the Edgewood Elementary School for teen-age activities. The Brightmoor Church

League was given permission to use the Junior High subject to the rules and regulations of the district and in accordance with previous practice and costs.

The fellow loaded with hot air usually lacks steam.

## DPW News And Notes In Plymouth

By SUPT. JOSEPH BIDA  
Plymouth Dept. Public Works Work is continuing on the repair of the sanitary sewer on Blunk Street and is now completed. All of the streets were swept during the week.

Dye testing has been going on to determine if proper connections are made on Forest, Deer, Kellogg and Joy Streets. Grading and dicing has been going on at Point Park, at Ann Arbor Trail and Ann Arbor Road. This should soon be ready for seeding. Three 3/4" and one 1" water taps were installed.

The creek at Burroughs and Harding Street was flushed and disinfected. Grading, prime, and seal coating of the following streets was completed: Harding, north of Burroughs; Evergreen between Sheridan and Penniman; Blunk, north of Junction; Burroughs-Coolidge to Harding; and Goldsmith-Sheldon to Lena.

Due to so many putting out leaves in the street, the Department of Public Works will start picking up at the north end of the city and work south. This procedure will continue until all are picked up.

The Public Works Department started to put the new chemical into the water at the wells. This is called Warren No. 1004 Multi Prep Water Treatment which is supposed to do the following:

1. Cleans the well, well casing and well screen.
  2. Cleans the pumping unit.
  3. Cleans entire water system.
  4. Dissolves calcium scale and iron in domestic water heaters.
  5. Stops red water, black water and cloudiness in water.
  6. Reduces the detergent hardness of water noticeably.
  7. Increases the efficiency of water softeners and filters.
- The department will keep the public informed as to the progress.

He worked for 10 years before entering the ministry in New York and Hollywood in the field of advertising, public relations, motion pictures and television. The Listening Post Series is sponsored by the Plymouth Branch of AAUW in connection with Detroit Adventure. Series tickets, available in Livonia from Mrs. D. L. Borgia for \$4 per person, include admission to the two remaining lectures, scheduled for Jan. 23 and March 3, 1964.

## 'Curtain Going Up'

By Wally Roberts

Shakespeare's "Much Ado About Nothing" opened last week at the Trueblood Auditorium in Ann Arbor as the first of four classics to be presented by the University of Michigan Professional Theater Program. In the weeks to come new versions of dramatic classics will open until the entire repertory program has been completed by the middle of November.

Shakespeare's comedies with their delicate balance between wit, poetic fantasy, lyricism, low comedy, and general fooling around offer any producer an assortment of headaches not possible in his tragedies. "Much Ado About Nothing" as produced by the APA in Ann Arbor is interesting, but a bit over-the-top. Artistic director Ellis Raab and Director Richard Baldrige should have been curtailed since their unbridled enthusiasm provided a whole loaf when a half would have been ample.

Setting "Much Ado" in Spain with occasional Spanish phrases, clicks of the castanets, and a spirited "Ole" added spice to a Shakespearean script that is not always the finest. The addition of the many Spanish references became a bit much after awhile. One half expected to see Jose Greco come pouncing out to do his famous heel stamping dance or a full fledged bull fight develop in the second act. Mr. Baldrige proved in last year's "Merchant of Venice" that many of these added touches could be handled delicately.

Perhaps if the script had been chopped to the bone, the never-ceasing rain from Spain on the Trueblood stage-plain might have been more sufferable. Old Wally is positive that Shakespeare believed wholly in the "two hour traffic upon the stage." When you rack up three hours and five minutes with one of his comedies, something is a bit awry. Let me point my finger at the two actors that I felt contributed greatly to the slowness of pace all evening long.

Ellis Raab and Nancy Merchant as Benedick and Beatrice were studied and slow in their characterizations. Such lethargic handling of the roles is pure heresy. Margaret Webster, one of the greatest of all Shakespearean directors, has pointed out in her book "Shakespeare Without Tears" (page 149), Beatrice and Benedick must be played with "about all... SPEED." Old Wally adds his "Amen" to mother Webster's admonition.

The rest of the company tried valiantly to make up for this loss of verbal action on the part of the two leads. Richard Woods as Leonato put bounce and ginger into every speech; Sidney Walker did a magnificent job as Don Pedro; Paul Sparer as Don John put spirit and credibility into a role that has always been a stickler in my book; Ed Flanders as Verges was superb (his expressive finger and facial gestures assisted

JAN FARRAND has been assigned a number of roles to be played in the current repertory series of classic offerings. As the lovely, but much-slandered sweetheart in "Much Ado About Nothing," Miss Farrand gives a brilliant performance. The University of Michigan Professional Theater Program is presenting the Association of Producing Artists in a nine week program of repertory.

The exhibition will delight everyone who is moved by the imaginative and masterful use of varied materials to produce objects of beauty.

### Children's Art Show Sponsored by Womens Peace League

Residents of the area are cordially invited to an unusual showing of children's art around the world. Beginning on Friday, Oct. 18, and running through Thursday, Oct. 31, the "Art for World Friendship" exhibit will be on display at the Hartley-Powers Gallery, 116 Main Street, Northville. The exhibit is sponsored by the Northville-Plymouth branch of the Women's International League for Peace and Freedom in celebration of United Nations Week.

Art for World Friendship is an international art exchange project in which children of any age, race or religion may participate. The exchanges are made on a group basis and are sent to the Art for World Friendship headquarters at Media, Pennsylvania, by the teacher or other group leader. The pictures are checked in and sorted by age groups and an equal exchange of pictures by children of the same ages and from other countries is sent to the group leader to be distributed to the participating children. In this way each child receives a picture for his very own, drawn by an "artist" of his own age and of another country.

By such participation and exchange between children of different countries and cultures, the project hopes to develop a climate in which the seeds of peace and international understanding will grow.

An opening reception will be held from 2-9 p.m. on Friday, Oct. 18.

UNICEF Christmas cards will also be on sale at the Gallery during the two-week period. Proceeds from these cards go to support the UN's International Children's Emergency Fund which supplies food, clothing and medical supplies to children in desperate need around the world.

## Your New Local Suburban Station

Keir Dullea seeks help from Howard Da Silva in this scene from the award winning "DAVID and LISA" opening tonight at the State-Wayne Theatre. The unusual love story of two teenagers was produced by Paul M. Heiler and directed by Frank Perry. Eleanor Perry wrote the screenplay and Mark Lawrence composed the original musical score. The Continental Distributing, Inc. release has been named as the Best Film of 1962 by Time Magazine.

**Music Program in Schools Studied**

The Livonia School system will host music educators and any interested persons on Oct. 18th, when Region II of the Michigan Education Association holds its annual music music conference at Franklin High School.

The entire music program from elementary through high school will be investigated through selected workshops and demonstrations of Livonia's special music class for blind students.

The day begins with a coffee-hour at 8:30 a.m., and the general session at 9 a.m. Luncheon will be served at 11:30, followed by a short program and an evaluation discussion. Music will be provided by the Livonia Youth Symphony and the Franklin High School Concert Choir.

Here is an excellent opportunity for citizens to learn more about the advantages available to students in Livonia and surrounding areas. Visitors are more than welcome.

**Plan On Pop Concert For Fun Entertainment**

Tuneful and light music is on the program for the Redford Civic Symphony's pop concert Saturday night, 8:15 p.m., at the Redford Union High School Auditorium. The event will open the Redford Township Music Society concert season. Admission is free.

John Gajec, conductor, will be soloist when he plays the feature part in the Concerto for Oboe and Strings by Domenico Cimarosa.

The program has been selected to include music pleasing to everyone, according to Mr. Gajec, who will conduct the audience to a better understanding and appreciation of the concert.

The most recent music on the program is a group of selections from "My Fair Lady." The earliest music to be played is Handel's suite from the Water Music, which includes six tuneful parts from Handel's compositions of 1715.

The program will open with the overture to the comic opera "The Secret Marriage," which was composed by Cimarosa at the end of the 18th century.

The well-known Finlandia by Jean Sibelius will conclude the opening half of the program. Following intermission the orchestra will play a Paraphrase on Offenbach's tuneful operetta, "La Perichole." Also offered will be Leroy Anderson's delightful Belle of the Ball Waltz.

David Bonamici will conduct the orchestra in the oboe concerto. He is a member of the orchestra's clarinet section and conductor of the Redford Union High School Band.

Mrs. Datus Moore, president of the Music Society, will welcome the audience and extend an invitation to a tea dance after the concert. Tea tables will be set by the Bulman Mothers Club and MacGowan Par-

ent Faculty Club. Dance music will be played by Datus Moore and his special band.

The Music Society's membership drive is in progress, according to Milton Pollock, membership chairman. Dues will be accepted at the concert.

Music Society members who are making arrangements for Saturday's concert are Mrs. Moore, president; Mr. Pollock, first vice president; Mrs. Burton Stover, second vice president and program chairman; Mrs. Lloyd Locks, recording secretary; Mrs. Robert Maitland, corresponding secretary; and John Ambrose, treasurer.

Also Mrs. Joseph Toth, historian; Mrs. Jack Garden, scholarships; Mrs. Clayton Nordstrom, hospitality; Mrs. John Spaven, refreshments; Mrs. Rhys Lewis, advertising; Mrs. Gerald Reid, revisions; Mrs. Wallace Sloan, courtesy; and Mrs. Robert McKelvey, publicity.

**New Season Opens For Nankin Mills Players**

Friday night marks the opening of the current theater season for the Nankin Mills Players. The players opening production is "Marriage Go-Round" which hit Broadway in 1958 and enjoyed a lengthy run. This situation comedy delightfully follows the mental frustrations of a prominent college professor whose serene home life is upset by the demands of a voluptuous Scandinavian beauty. She wants him to be the father of her "perfect" child. Naturally his wife takes a dim view of the idea and the plot progresses from soft chuckles to wild hilarity.

Larry Whalen of North Nankin plays the harassed professor while Joan Swantko does the harassing in the part of Katrine the Scandinavian beauty. The part of the eyebrow raising wife is played by a charming import from Belleville, Jean Daniels. Rounding out the cast is Bob Walsh. As an old flame of the professor's wife, Bob adds a fourth side to the eternal triangle. Marriage-Go-Round will run Oct. 18th and 19th at the Franklin High School auditorium located on Joy Rd. near Merriman Rd. Curtain time is 8:30 p.m.

BIG REASONS for the tremendous surge of Franklin High as one of the suburban area football powers are these five backs and center. The backs: (from left) Halfback Roger Frayer, Halfback Larry Naifeh; Fullback Larry Yonish; Halfback Sam An-

tonazzo; Quarterback Dennis Wagner (behind the center) and Pivotman Doug Tykocki. Franklin has won its last two games and has shown marked improvement each time out under the direction of Coach Jack Hudnut.

# Rocks, Belleville Oppose In Showdown on Friday

They—meaning the football team of Plymouth High School—may warble the Suburban Six League title song comes 10 p.m. Friday night.

In what shapes up as the conference's "Game of the Year," the Rocks host Belleville starting at 8 o'clock on Friday.

Plymouth goes into the contest with a spotless record—five straight victories—three of them in the league.

Belleville has a mark of two wins and a tie in its three league assignments thus far. If Plymouth rolls on to No. 6, the Rocks would be assured at least a share of the league flag. Only Redford Union, which has a 2-1 league standing, would then have a chance of catching the Rocks.

On the other hand, a triumph for Belleville Friday would put the team from Western Wayne County in the driver's seat as the curtain gets set to drop the following Friday on the league's competition.

For Belleville to stop Plymouth won't be an easy assignment. Coach Mike Hoben has his Rocks really blazing. It was no match last Friday

night as the Rocks socked down Allen Park, 33-0. Just a week before, Allen Park had fallen to Belleville on a last-minute touchdown, 8-2.

Belleville stayed alive last Friday with a 20-14 verdict against Trenton while Redford Union slapped past Bentley, 6-0.

In the past of Plymouth Athletic Director John Sandman:

"Our kids really hit 'em and cracked 'em tonight." Those were Sandman's remarks following the Plymouth gallop against Allen Park.

The game never was in question. Early in the first quarter, Plymouth covered an Allen Park fumble on the latter's 24. In short order with Gary Grady, Roger Tobey and Dave Agnew slamming the Parker line, Plymouth made the scoreboard. Grady wappel booted the extra and Roy Chappel nailed the yard point to give the Rocks a 7-0 command.

A 60-yard march netted Plymouth its second touchdown. Agnew and Tobey handled most the running plays while John Iel flipped a neat 20-yard pass pass to Dick Egloff which carried to the Parker one. From that point Daniel pushed his way across.

Chappel once more converted to make the score 14-0.

The passing of Daniel helped Plymouth fatten its lead. He first clicked on a 30-yarder to Jim Lake. Then came the payoff, a seven-yard touchdown toss to Agnew.

By halftime, Plymouth led, 20-0. A short Allen Park kick gave Plymouth the ball on the Parker 21 in the third period. In five plays, Plymouth had another touchdown. Grady ripped across from the four.

The same Mr. Grady, a sensation all fall for Plymouth, intercepted the scoring when he intercepted an Allen Park pass and went 40 yards to pay land.

Brilliant as the Plymouth offense was, the defense drew a flock of praise from Coach Hoben.

"Look at what our defense did," declared Hoben. Allen Park never seriously threatened. They didn't get inside our 40."

The statistics substantiated Hoben's remarks. Plymouth held a 14-8 edge in first downs. In rushing, the Rocks made 110 yards to Allen Park's 54. Passing it was 72 for the Rocks, 52 for Allen Park.

The defensive standouts included Lake, Terry Clark, Dave Sackett, Kevin Huntington, Hal Smith and Paul Densmore.

Nobody connected with the Plymouth team wants to talk about a championship or a perfect season.

But for the record, it was in 1957 that Plymouth last went through an unblemished season . . . winning six in a row. A flu epidemic cut short the Rocks' schedule that campaign by two games.

After Belleville, the Rocks must visit Bentley and then wind up with Walled Lake.

Just three more games . . . but not a snap in the lot!

## R.U. Clips 2 Reserve Opponents

Redford Union's reserve football team has added two more victims to its list this season.

First it was Allen Park which succumbed by a 34-7 score. Then last week Plymouth was no match for Redford Union. The score was 40-7.

Terry Shirley scored four touchdowns in a game for the second time this season against Allen Park and against won himself a promotion to the R.U. varsity.

Against Plymouth, Doug Shelton scored two touchdowns while singles were fashioned by David West, James MacMillan, Jim Johnston and Larry Iovanni.

## Still Perfect

Plymouth High's football team is one of only three unbeaten-untied Class A schools in the Metropolitan Area.

The other two are Walled Lake, and Lincoln Park.

## MEET NORTH FARMINGTON SATURDAY

# Franklin Shares Lead in Loop; Rips Oak Park With Ease

North Farmington this Saturday . . . Birmingham Groves the following Saturday.

Both games are to be played at Bentley and if Franklin's football team can win 'em both . . . well, the South Livonians would rule as the champions of the Northwest Suburban League in

the loop's very first year of operation.

Coach Jack Hudnut of Franklin isn't talking about a title. He doesn't want anything else to. He fears a hex, or something like that.

But the facts are pure and simple.

The N.W. League standings tell the story. Franklin, fielding only its second varsity football team, the school having just opened a year ago, stands in a tie for the league lead with Groves. Each has won two and lost none.

North Farmington and Thurston have 1-2 records. Oak Park, which plays at Groves Friday night, carries an 0-2 mark.

Franklin roared to its third straight win last Friday afternoon by rushing over Oak Park, 20-0. The score easily might have been more one-sided, except that penalties cost Franklin three additional touchdowns.

Alertness paid heavy dividends for Franklin. A recovered fumble paved the way for Franklin's first touchdown. Blocked punts later were turned into another pair of six-pointers.

These were touchdowns made possible by the Thurston defense which turned in another sparkling effort. Oak Park was held to a total of 31 yards—27 rushing and four on only two completed passes.

"Our kids seemed to be able always to come up with the big play," a happy Hudnut said at the conclusion of the festivities.

Hudnut still was burning at the officiating and how Franklin was deprived of three touchdowns . . . all by Sam Antonazzo.

The first "callback" came in the early going. Franklin took the opening kickoff and marched to the Oak Park 20. Antonazzo shot into the clear and hit the end zone.

But a red flag was waving. Franklin was detected for being offside. The ball was set back on the 25. Moments later a fumble on the couple foot-line cost Franklin the pigskin.

Not long after, following a blocked kick, Antonazzo dashed 20 yards apparently for a touchdown. But, the flag was waving again. Franklin was too eager and nailed five yards for offside.

No touchdown! However, after Franklin covered a fumble on the Oak Park 43, there was no stopping the South Livonians. Larry Yonish drilled his way home from a few yards out and with Antonazzo

converting, Franklin had a 7-0 lead.

Len Buckingham cracked through a little later to block a kick. Hugh Vaughn picked up the loose ball on the 29 and dashed unmolested to score.

A four-yard run by Antonazzo capped the Franklin scor-

ing. The march covered 48 yards and came over Bob Varty blocking a kick.

Late in the fourth quarter, Antonazzo snared a pass from Ted Patrick and ran into the end zone. You guessed it.

Franklin was called for offside and the score didn't count.

It didn't.

Franklin picked up 65 yards rushing and 88 yards passing.

On defense, the orchids belonged to Bob Varty, Bill Black, Ron Estep, Buckingham and Tom Wittwer. They led the rush which kept the Oak Parkers in trouble all afternoon.

# R.U. Nips Bentley In Football Thriller

Coach Larry Joiner of Bentley High School's football team shook his head:

"It's next to impossible to figure out how we lost."

Across the field, Coach John Rogers of Redford Union was all smiles.

"We were kind of lucky to win this one," he said. "But what difference does it make . . . we did win."

The scoreboard read: Redford Union 6, Bentley 0. The victory kept Redford Union's hopes alive in the Suburban Six League.

The Townshippers now stand 2-1. If either Belleville or Bentley, or both, can knock off Plymouth, Redford Union could wind up on top again. A year ago R.U. shared the flag with Belleville.

## Kaseta Tops Field In Pass, Punt

Tony Kaseta, 9333 Harrison, was the top contestant in the annual pass, punt and kick competition Saturday at Wonderland Shopping Center with a total of 235 1/5 feet.

The contest is sponsored by Bill Brown Ford and the Livonia Department of Parks and Recreation.

The winners are: 8-year-olds—Robert Blaines, 32912 Hees; Anthony Dattilo, 9165 Harrison; Steven Becker, 12840 Leverage; 9-year-olds—Michael Keller, 32532 Orangelawn; Patrick Trapnell, 8887 Sarasota; Dale McIntosh, 9365 Colorado; 10-year-olds—Tony Kaseta, 9333 Harrison; David Ostler, 32271 Meadowbrook Lane; Daniel Malone, 9375 San Jose; 11-year-olds—Tom Gullfoyle, 14507 Ingram; James Vertin, 17211 Norborne; and Gary May, 14193 Arden.

The setback just about jolted all Bentley hopes. The Livonians in league play have managed only one tie against a pair of setbacks.

For Coach Rogers, the fact that Craig Turnipseed smashed over from a yard out for the lone touchdown naturally was the key individual play of the game.

But Rogers was thrilled more by the defensive play of his warriors.

"Imagine," he cheered, "this marks the third straight year that we have shut out Bentley."

Performers like Russ Hoover, Gene Hamlin, Pat Srock, Carl Spamer and Harry Kendrick drew bouquets from Rogers for their work in stopping Bentley. And stop Bentley did R.U. in some stirring situations.

There was the moment in the fading seconds of the first half. Bentley recovered a fumble, following a punt, deep in R.U. territory. Bill Montroy quickly faded back and passed to Perry Foot, who ran to about the two-foot line as the half ended.

But more heart throbbing . . . for both sides . . . is what happened in the closing minutes of action.

Fighting to get even and possibly win, Bentley put on a march which carried to the Redford Union 15. At this point Kendrick arose to intercept the ball on the Bentley two with just 60 seconds remaining.

It appeared that R.U. was out of the woods. But on the next play, a fumble cost R.U. the ball. Bentley had it on the R.U. 5.

The R.U. defenders met the challenge. On the next play, Bentley was shoved back. The same thing happened on the next thrust. So now the ball was on the 15.

Bentley desperately went to the air. This time Hamlin was waiting for R.U. He snared the ball and ran it to midfield as the time ran out on one of the greatest finishes of any Bentley-R.U. game in history.

The game's only score came

midway in the final period. R.U. put together a 48-yard drive in six plays with Eric Bargo's 18-yard gallop to the one setting up Turnipseed's game-winning TD plunge.

In the statistical column, Bentley had an 11-9 edge in first downs. Yardage favored R.U., 178-153.

R.U.'s strong passing game was held to a mere four completions and 40 yards. Bentley, on the other hand, piled up 115 yards via the air.

Coach Joiner of Bentley hopes to strengthen his team's running game for this Friday's visit to Allen Park. R.U. has a home date with Trenton.

In the R.U. camp, Coach Rogers feels that his charges "finally will come up with a big game." The Townshippers have sputtered against Plymouth and Bentley the last two times out.

# Star Out; Clarenceville Falls in Homecoming

How much does one player mean to a high school football team?

Plenty . . . when the player happens to be Monroe Ashley and the team is Clarenceville.

Big, handsome Ashley has been the spark of the Clarenceville offense. He's also the team's shining light.

Or he was until he suffered an injury 10 days ago and was forced to the sidelines.

Clarenceville had to mark its homecoming last Friday

night against Bloomfield Hills without Ashley. The net result was a sad 37-0 drubbing for the North Livonians who now have lost five in a row, including four straight in Wayne-Oakland League play.

Add the five setbacks to the eight in a row suffered by Clarenceville a year ago and you have "13." Maybe, it will prove Lucky 13 for Clarenceville at Holly Friday.

"It's sure time we won one," says an unhappy Ralph Temby, the Clarenceville coach.

Not but it's likely Ashley may not play this Friday. Doctors fear he may have suffered a hairline fracture in his foot when he was hurt.

"We're geared to play around Monroe on offense," adds Temby. "Without Ashley, we fall flat.

Against Bloomfield Hills, which hadn't won until last Friday night, Clarenceville never staged a serious threat.

Meantime, the Hills forces scored with little trouble and finally looked a little like the league co-champs they were a year ago.

Dick Janz scored twice on runs of 20 and 10 yards for the Hills. Hugh Carney riddled a 15-yard TD pass to Gary Appleby. Jay Shimmick ran over from the one and Pete Vidor scooted 35 yards with an intercepted pass from Bloomfield's other touchdowns.

To add to Clarenceville's frustrations, Bloomfield Hills twice pinned Livonians in the end zone for safeties.

Friday's game at Holly starts at 2 p.m.

Clarenceville will see Thurston marking homecoming. The opposition will be supplied by Lutheran West in a non-league attraction. The kickoff is slated for 2 p.m.

## At Last! Thurston Posts 1st Victory

Maybe it would help the Thurston High School football team not to start the season until the middle of October.

A year ago, Thurston couldn't get going in September or early October. But in the final weeks of action, Thurston sparked on the gridiron.

Again this fall, Thurston staggered at the onset. For four straight weekends, Thurston finished on the short end of the score.

Now that the season is in the home stretch, it could be that Thurston is ready to go places.

At least Coach Gordie Young's team indicated as much last Friday afternoon by swamping North Farmington, 26-13.

"It was a long time coming," declared Young, "but our kids finally put together a fine all-around effort. They worked very well on offense and did a fine job on defense."

Even if Thurston keeps alive

its late surge, it's too late to do anything about finishing on top in the Northwest Suburban League. With a 1-2 conference record, Thurston finds itself out of the running.

Bob Klunkert scored two of the Thurston touchdowns and Paul Lawson and Steve Dolan one apiece.

Klunkert went some 50 yards on a pass from Quarterback Paul Lawson for the initial Thurston touchdown. Then he tallied again on a pitchout, running over from the 15 yard marker.

The Lawson and Dolan touchdowns came on short bucks of two yards each.

John Bennett, Gary Rock, Gary Nida and Pete Marsalese also distinguished themselves in the Thurston victory.

This Saturday will see Thurston marking homecoming. The opposition will be supplied by Lutheran West in a non-league attraction. The kickoff is slated for 2 p.m.

## SPORTS OBSERVER

By George Maskin

We trust that those who gaze at these words each week will understand if our thoughts this week turn to dads.

We lost our pop last week at the ripe old age of 80. It seems his parts just fell apart and no medical brain yet has discovered how to repair the human machine like one gets his car fixed up at the corner gas station or garage.

Our dad never was an athlete. In fact, the only sport he knew much about was baseball.

He never could quite comprehend what all the running and ball throwing was about in football, or what the athletes were up to in hockey, basketball, golf, etc.

Yet, he always encouraged us to take part in sports. He was delighted back in the early '30's when we told him that our ambition was someday to work for a big newspaper . . . and to write sports.

That ultimately we did naturally thrilled our pop no little.

There was no such craze as Little League football or basketball or baseball in our youthful days. Otherwise, we're certain that our pop would have contributed his time, just as thousands of other fathers are doing today.

We know that we have said here before that what irritates us most about Little Leagues is the intensity so many fathers . . . and mothers . . . put on winning.

The pops will scream at their own boys, forgetting that the youngsters usually aren't more than 11 or 12 years of age. The dads will tear apart umpires or referees, crying that the referees are partial, the umpires stupid and don't know what they're doing. The dads somehow forget that in their regular chores they sometimes make mistakes, too.

But whatever the fallacies of our pops, where would any be without them?

Certainly there'd be no Little League or Babe Ruth or Pony League or Colt League programs for millions of boys one end of the country to the other.

Fathers everywhere give up their free time to work with the boys. It makes no difference whether a dad is a millionaire or on the welfare. You'll find 'em all connected with the kids sports program.

Many dads dig into their pocketbooks to help support kids baseball. They pay the gas to haul the boys . . . they buy the boys extra bats and balls . . . and maybe a pair of spikes for football or sneaker for basketball.

During the winter, when baseball is a distant subject for most of us, you'll find fathers gathered in homes throughout Redford Township, Livonia and Plymouth . . . and elsewhere . . . plotting the program so that when spring comes, everything will be in order to accommodate thousands of eager boys who want to play baseball.

Yep, our dads are something special and maybe there are times when we don't quite appreciate what they mean to us . . . until it's too late.

So, if you'll bear with us, we'd like to take a moment to pause in a salute to our dad . . . as he rests in eternal sleep . . . and to all days everywhere.

Sweller guys there aren't.

**Livonia Angler Wins Plaque For Big Bass**

John Petraszewsky, 15068 Berwick, Livonia, is a member of the unique "Che-Ge-Gon" club of Traverse City. He qualified for membership into the "big fish" organization when he caught a 5-pound, 10-ounce large mouth bass that measured 21 3/4 inches in Perch Lake.

The catch met the qualifications for membership after being measured and weighed by a member of the Traverse City Chapter of the Commerce Conservation committee.

Petraszewsky received a "Che-Ge-Gon" plaque with his name and address and a notarized report of the fish.

# Wonderland Center Opens 10-Day Anniversary Party Thursday

Fifty-seven merchants who comprise Michigan's third-largest regional shopping center are looking forward to a 10-day anniversary party that promises to be on of the liveliest ever staged in this area.

The birthday party, marking the fourth anniversary of Wonderland Center, opens tomorrow. Flushed with the success of four years' steady growth and customer-acceptance, the giant, 57-store shoppers' mecca will open the celebration with a

gala musical revue, a 1964 automobile show and a three-day value demonstration. Through special arrangements with the auto industry, the center will present "Motors and Music," a 45-minute musical and comedy revue. The show, featuring top radio and TV talent,

will be presented in the center's mall on Thursday, Friday and Saturday. Two performances, one at 8:15 and another at 8:45, will be given each night. Stars to appear heading the cast are Jan Wynn, popular WJR songstress, TV comedian Paul Lennon, and

Doug Kerr, rising young recording star. WKMH disc jockey Robin Seymour will act as master of ceremonies for the show, which will also feature appearances by The Top Siders, Don Mills and the Bob Durant orchestra. As an added attraction, the

Franklin High School dance band will appear at the center for the first time on Friday. The stage show has been planned as a dual salute to Wonderland's anniversary and to the Motor City's 1964 line-up of automobiles. In addition to a showing of

nearly all 1964 models Wonderland will present an exhibit of several custom cars including the Thunderbird "Italian," the Chevy Sting Ray and the Ford Cobra. The auto exhibit, which opens Thursday, will continue through October 27. Ernie Epps, promotional di-

rector for the giant center, announced that the second of these color TV sets to be given away during the birthday party will be awarded Saturday, at 8 p.m. Registration blanks, available at the Center's Color TV theatre, in the Civic Room, will be accepted at the Federal Department Store until 7:30, Saturday.

### Expansion Planned

Drawing for the third set, awarded by Montgomery Ward, will be held Saturday, October 26. The color TV theatre is open daily, including Sunday, from noon to 9 p.m. All colorcasts are shown free of charge.

Wonderland came to Livonia in 1959. The multi-million-dollar center occupies some 60 acres at the busy Plymouth Road and Middlebelt intersection. The center is composed of 57 of the nation's best-known retailing outlets and is currently planning further expansion.

This week will see the addition of a new ladies' apparel shop—Burton's Gal. The Lerner Shops, specializing in ladies' and children's apparel, is scheduled to open in mid-November.

Owned and developed by Henry Alper and Abe Green, Wonderland ranks as Livonia's largest taxpayer. The center provides full- and part-time employment for nearly 1,100 persons.

Complete details of the Wonderland anniversary party will be found in a colorful, 24-page supplement of this newspaper.

## 1,500 From 7 Area Schools To Attend College Night

More than 1,500 students and parents from Plymouth and six area high schools are expected to attend the annual district College Night program in Plymouth High School on Thursday, Oct. 24, from 7:30 to 9 p.m. The program is under the

supervision of the Guidance Department of Plymouth High and more than 50 colleges and universities will have representatives on hand.

All students planning on continuing their education beyond high school are urged to partici-

pate. It will be the only opportunity to meet representatives from Michigan colleges, universities, business and technical schools. A few out-of-state schools will have representatives present.

### High schools participating

include: Plymouth, Bentley and Franklin from Livonia; Redford Union and Thurston from Redford Township; Garden City and Clarenceville.

Admission requirements, costs, housing, scholarships and campus life will be covered during the program. It will include three 25-minute sessions, allowing students to visit three choices of colleges.

Counselors in charge recommend that students make their choices ahead of time and list the questions they want answered so that there won't be any undue delays.

The list of colleges invited to College Night include:

Adrian, Air Force Academy, Alma, Albion, Antioch, Calvin, Concordia Lutheran, Cranbrook, Central Michigan University, Cleary, Detroit Business Institute, Detroit Institute of Technology, DeVry Technical Institute, Ferris Institute, General Motors Institute.

Flint Community College, Grand Rapids Junior College, Henry Ford Community College, Highland Park Community College, Hillsdale, Hope, Kalamazoo, Lawrence Institute of Technology, Madonna, Marygrove, Michigan College of Mining and Technology, Michigan State U., Northwood Institute, Northern Michigan, NROTC, Oakland U., Olivet, Radio Electronic Television Schools, Rensselaer Polytechnic Institute, Robie Secretarial School, St. Mary Hospital School of Nursing, Schoolcraft College, Society of Arts and Crafts, Spring Arbor, Tri-County League of Nursing, Michigan U. U. of Detroit, Walsh Institute of Accountancy, Wayne State, Western Michigan, Bernard, Bryn Mawr, Mt. Holyoke, Smith, Radcliffe, Wellesley and Vassar.

A BROKEN ankle didn't stop 11-year-old Randy Link, of 15065 Delaware, Redford Township, from participating in a Pass, Punt & Kick Contest held Saturday at Wonderland Center. Randy, son of Mr. and Mrs. Erwin W. Link, told Livonia Recreation Department officials

that he injured his foot while trying to "jump over a hush." More than 200 youngsters took part in the contest which is sponsored by the Ford Motor Company and its Livonia dealer, Bill Brown Sales.

## Raiders Get Split; JV's Trip Hawks

The Redford Raiders split with Southfield Jayhawks in Little League football action on the Thurston High athletic field last Saturday.

The Junior Varsity rolled to a 37-0 triumph over the Southfield jayvees but the varsity ran across a real tartar and dropped a 27-13 verdict.

The Raider Pony team came out on the short end of a 12-0 count against the Dearborn Lions.

John Gast and Kurt August were the big guns for the Raider jayvees. The former tallied four times on end runs and the latter broke loose for 40 yards for his touchdown and then scored later on a short run.

The Jayhawks controlled the ball throughout the first half of the varsity contest, scoring three touchdowns and two extra points for a 20-0 lead.

Ron Barringer brightened the Raider hopes early in the third quarter when he raced 32 yards for a touchdown. Later in the final stanza, Bill Bashara connected on a 27-yard scoring pass to Craig Mutch. But Southfield came back in the closing minutes to make the final score, 27-13.

The Pony team learned the hard way that last week's Dearborn victory wasn't a fluke. The Lions turned the trick again despite some fine play by Steve and Craig Bovak.

The Raiders will be idle next week but travel to East Detroit on Sunday, Oct. 27.

## St. Agatha Wins Biggest Victory

"The greatest victory of my coaching career." So spoke Dave Brazil last Sunday afternoon after his St. Agatha high football team had rallied for a 20-14 victory over Orchard Lake St. Mary's.

Few had given St. Agatha much of a chance against the Lakers.

Hadn't Orchard Lake beaten Royal Oak St. Mary, the defending champ which was favored to repeat as divisional champion?

And how about the fact St. Agatha has only 90 boys in its high school, while up at St. Mary's they can select their football team from 270 young men?

So the odds were stacked against St. Agatha.

But it was Homecoming Day for the Townshippers. The floods were tremendous. The queen, as usual, was an eye-ful.

This was the game St. Agatha wanted to win more than anything else.

It mattered not that Orchard Lake St. Mary's marched 83 yards for a touchdown the first time it got the ball.

Nor did St. Agatha fall flat on its face after St. Mary's had pulled into a 14-13 lead in the third period.

The kids from the Township parish were determined and their determination paid off.

They were spurred on by the fact that their star defensive lineman, Ron Zimmerman, suffered an injury during the week and will be lost for the rest of the season which closes at Pottiac St. Michael next Sunday afternoon at 2:30 o'clock.

They were spurred on, too, by the fact that no St. Agatha grid team in the last few years has lost more than two games in one campaign.

Beating St. Mary's put St. Agatha's record at three wins and two losses. Whatever happens Sunday at Pottiac, St. Agatha now is assured at least a .500 season.

In pulling what Coach Brazil also described "as the biggest upset one of my teams ever has engineered," St. Agatha made the most of a pair of last period fumbles . . . by the opposition.

The first Lakers miscue gave St. Agatha the ball on the Townshippers 45. Gregory Peck, a tremendous runner and kicker last Sunday, quickbooted to the Lakers' 20.

The St. Mary's team started a movement, got 15 yards, then fumbled again. Jim Roose was there to cover the pigskin for St. Agatha.

Three running plays netted St. Agatha three yards. It was fourth down and seven on the Lakers 32.

The next play was a corker. Bob Krupanski spun to his left on a reverse and wasn't touched until he crossed the goal line. Mike Steen converted and St. Agatha had its 20-14 win.

However, it took an interception by Chuck Roemer of a St. Mary's pass on the St. Agatha 35 with three minutes left to seal the triumph.

Orchard Lake went in front early, moving from its own 17 to the St. Agatha four from

where Frank Rompel drove for the TD. With the conversion, St. Mary's led, 7-0.

A few moments later, Steen returned a kick 20 yards to midfield. Peck picked up four, Steen flipped seven yards to Roose and then Steen ran nine more.

With the ball on the St. Mary's 30, Steen dropped back and hoisted a nifty pass to Gregg Brauer for the touchdown. Peck ran the point and the score was tied at 7-7.

St. Agatha picked up a St. Mary's fumble on its own 45 to start another TD drive. Peck ran for 10 and a 15-yard penalty put the ball on the Orchard Lake 30. After Steen scooted 12 yards off tackle, Steen shot an 18-yard TD pass to Krupanski.

The missed try left the score at 13-7.

Orchard Lake went ahead in the third period on a steady march capped by Bernie Stee's four-yard, scoring plunge. When Rompel made the point, St. Agatha lagged, 14-13.

How the Townshippers went on to win already has been detailed.

## Wayne to Battle Reserves Saturday

Hal Willard sends his Tartars of Wayne State University against Western Reserve Saturday (Oct. 19) at Cleveland, and the outcome of this clash may forecast things to come.

Both teams boast a strong crop of sophomores and returning junior lettermen, and it is primarily on them that prospects lie for title finishes the next two years in the Presidents' Athletic Conference.

Last year's Red Cat team included a number of sophomores and a freshman squad that went undefeated. The varsity wound up the season with a 3-3-1 mark and third place finish in conference competition.

## Chess Club Plans Banquet On Oct. 24

The Livonia Chess Club will hold its annual banquet and elections on Thursday, Oct. 24. Awards will be presented to club members.

The club is sponsored by the Department of Parks and Recreation and meets on Thursdays at 8 p.m. in the Carl Sandburg Library.

## Sewer-Water Group To Meet In Plymouth

More than 200 members of the Southeastern Michigan Sewer and Water Association will attend the annual area meeting on Nov. 13 at the Thunderbird Inn on Northville Road in Plymouth Township.

Arrangements for the affair are in charge of Joseph Bida, superintendent of the City of Plymouth DPW, and Northville Township Supervisor R. D. Merriam.

## Bentley High to Lead Parents Through School Day Tuesday

On Tuesday, (Oct. 22), the Bentley High School Faculty will provide a program for parents of all students currently enrolled.

Each parent will follow the daily schedule of his son or daughter meeting the teachers and discussing course objec-

tives, content, and standards. There will be a few minutes at the end of each period to ask questions.

Parents are asked to register from 7 to 7:20 p.m. near their student's home office. Parents of seniors will register in the senior lobby near the auditorium, parents of juniors will register in the junior lobby near the gymnasium, and parents of sophomores will register near the sophomore home office.

Sophomore parents should, use the east wing entrance off Five Mile Road and the parking area immediately adjacent.

Study halls will not be held as scheduled. Parents are invited to spend this period visiting the library, talking with the Student Activities Director, or meeting with the Counselor who is assigned to their son or daughter.

Since each class will be meeting for only 20 minutes, the time available does not permit the teacher to engage in personal conversations regarding the progress of each individual student. Counselors will arrange conferences at times and dates convenient to interested parents.

Refreshments will be served in the cafeteria until 10:15 p.m.

## Human Rights Group To Hear Chandler

State Rep. Paul M. Chandler, speaking on "Civil Rights in Michigan," will address the Livonia Citizens for Better Human Relations group at its next meeting Sunday, Oct. 20 at 9 p.m.

Meeting this time at St. Andrew's Episcopal Church, Hubbard Rd. south of Six Mile Rd., the Citizens of Livonia formed to "promote good will understanding and respect for human dignity as well as respect for the law among present and future members of this community" and now number close to 100 members.

## Duplicate Bridge Club Plans Open Pair Meet

The Duplicate Bridge Club, sponsored by the Livonia Department of Parks and Recreation, will hold an Open Pair Championship on Thursday, Oct. 24 in Whitman Junior High School at 7:45 p.m. entry fee will be \$1.50 per person. Trophies will be awarded.

WINNER OF the first of three color television sets to be awarded during Wonderland Center's fourth anniversary celebration was Mrs. Lester C. Gardner, right, of 9491 Stark Road, Livonia. Mrs. Gardner, whose husband is an Evans Product employee, registered for the prize during a color TV show sponsored by Philco and the Good Housekeeping Shop. She was on hand Monday morning, with her daughter, Barbara, to claim the prize.

THIS HANDSOME couple is Valerie and Bob Wasik, co-chairmen of the "Saturday Nighters". The club, entering their 12th season, will hold their first dance Saturday, Oct. 19, at Western Golf and Country Club on Kinloch in Redford Township. Their six dances for the year will be held at the Western Golf Club to live music. The Wasiks, GA 7-9068, or Pat Smith, 464-8539 will be glad to answer questions about membership in the dance club. Membership is limited.

## NOTICE OF PUBLIC HEARING

A Public Hearing will take place before the City Planning Commission of the City of Livonia on Tuesday, November 5, 1963, at the Livonia City Hall, 33001 Five Mile Road, Livonia, Michigan at 9:30 p.m. on the following item:

# World's Fair Setting For Graham Film

"Billy Graham At Century 21" will be shown Oct. 20 at 7 p.m. at the Parkway Heights Free Methodist Church located on Plymouth Road just east of Telegraph.

"We cannot build the 21st Century with scientific instruments alone. There is another dimension of the Spirit. We must come back to God as a people if we are to go into the 21st Century with the human race intact!"

With these timely words, Evangelist Billy Graham keynotes the sound-color motion picture, "BILLY GRAHAM AT CENTURY 21," filmed by World Wide Pictures, producers of such award-winning motion

pictures as "SHADOW OF THE BOOMERANG," "THE HEART IS A REBEL," "DECADE OF DECISION" and "AFRICA ON THE BRIDGE."

The colorful spectacle that is the Seattle World's Fair, establishes the picture's motif in a photographic montage that is literally a cinematic triumph. Out of this exciting setting emerges the capacity-filled grandstands which eleven years earlier were the site of the Billy Graham Crusade.

REV. FRED C. RENICH will be speaking at the "Missionary Night" dinner to be held at Lofy's on Ann Arbor Rd. October 21, 1963.

The Christian Business Men's Committee of Western Wayne County is sponsoring this dinner and invites you to attend. Tickets may be obtained through your local church or by calling GA 1-6275.

Rev. Renich began his missionary labors in China, but was forced to evacuate because of the Communists' seizure of that land. He, with his family, went to Australia where he engaged in itinerant Bible teaching and evangelistic work throughout the Commonwealth. Mr. Renich later made an extensive tour of mission fields in India and East Africa, followed by a brief period of residence in England and North Ireland. One purpose of his extensive travels in China, Australia, India, Africa and the United Kingdom was to investigate areas of marked spiritual awakening.

# Membership Increases After "Crusade For Christ"

Sixteen new members were received into the fellowship of the Memorial Church of Christ (Christian Church), 24521 Schoolcraft at Fenton, last Sunday as a one-week "Crusade For Christ" began at the church. A total of 266 persons were present for the 9:45 a.m. Bible School and 261 were in attendance at the 11:00 a.m. worship hour.

Harvey Bream, Jr., of Cincinnati, Ohio, is serving as evangelist for the crusade. Mr. Bream is Director of Evangelism for the Christian Restoration, a national evangelistic association which has its offices in Cincinnati. He is also editor of the association's international church publication, the Restoration Herald. He has spent more than 250 weeks in evangelistic

meetings. "Why I Am a Member of the Church of Christ and a Christian Only" will be the sermon topic at 7:30 p.m. Wednesday. At the Thursday evening service Mr. Bream will present a message entitled "Does Morality Save?" The Friday night theme will be "From Bulrushes to a Palace."

Concluding services of the crusade will be held Sunday. At 11:00 a.m. Mr. Bream's sermon topic will be "Danger in Delay." The theme at 3:00 p.m. will be "Talking Back to the Devil."

Song services are being led nightly by James Miller of the Memorial church. A supervised nursery is open throughout the special services.

Max Copeland is minister of the Memorial church.

# Livonia Widow Cuts Ribbon For Nazarene College Chapel

KANKAKEE, Ill.—The dedication of the new interim chapel, Chalfant Hall, was the highlight of this year's Founders Day celebration at Nazarene Nazarene College.

Mrs. Eliza Chalfant of Livonia, widow of the late Dr. Everett O. Chalfant, for whom the building is named, cut the ribbon at 9 a.m., officially opening the chapel.

Following the ribbon cutting ceremony a dedication program was held. The guest speaker for the program was Dr. Hardy

C. Powers, senior general superintendent of the Church of the Nazarene, a long-time friend of the late Dr. Chalfant. Also attending the ceremony were Morris Chalfant, Fred Chalfant, and Betty Wingatt, children of Dr. Chalfant.

The chapel being used for classes and office space as well as for worship services, will fill a gap until a new combination chapel and fine arts building is erected in 1970, according to present plans.

# Rev. and Mrs. Beireis Honored for Anniversary

On Sunday October 6th Christ Lutheran congregation held an open house surprise party for Pastor and Mrs. Beireis. The occasion being the 25th wedding anniversary and the 25th year in the ministry for Pastor Beireis.

Friends and members gathered for the party from 4 p.m. until 6 p.m. to celebrate.

Through an announced Adult Fellowship meeting, Pastor and Mrs. Beireis were totally surprised when they came. Plans for the celebration were laid during the summer months while the family was on vacation. Mrs. Manfred Will and the Church Women's Society together with Mr. Fred Hempel and the men's group and the Church Council, arranged for two large decorated cakes to symbolize both anniversaries. A 25th Anniversary booklet with members' and friends' signatures, together with a silver dollar shower and money tree and a Silver Serving Tray were presented to the Beireises.

Pastor Beireis is the founder of Christ Lutheran Church, 14350 Wormer at Acacia, having started Christ Lutheran Church with services in Thurston High School about 5 years ago until the church building was erected in Redford Township at Wormer and Acacia. The congregation now numbers about 700 baptized members with over 200 families. The Beireises have two daughters, Penny, a Thurston High graduate and now a sophomore at Capital University, Columbus, Ohio and a daughter, Melissa, a student at Marshall Junior High.

A number of former parishioners from Christ Lutheran Church, in Detroit were also present, where the pastor served for 15 years.

# Davis-Lent to Stage Giant Disposal Sale

After 30 years in business, Davis and Lent, 336 S. Main St., Plymouth, will stage the area's greatest stock reduction and cash raising sale in its history starting Thursday, Oct. 17.

"Before the doors close at the end of this great sale, we expect to sell most of our \$175,000 stock," said Owner Wendell Lent in telling of plans for the gigantic merchandising event.

"For a long time we have been planning a sale that would be different from those traditionally offered by our store. We finally decided to go for the biggest event in our entire 30 years — a sale that

would put every item in our \$175,000 stock up for grabs and give every one in the entire area a chance to make purchases at tremendous savings.

"Every single item sold during the 15-day sale will have the same guarantee we always offer. We are marking down everything in the store with the exception of Boy Scout equipment and guns — they are protected by a trade agreement."

The store will remain closed until Thursday when the thousands of bargains will be offered to the public when the doors open at 9 a.m.

Lent has doubled his sales force with 15 to 30 extra salesmen and saleswomen in anticipation of the rush.

Some make a specialty of telling the kind of truth that hurts.

# Two-Engine Plane Crashes At Mettetal; Local Men Safe

Three area men, residents of Livonia, Plymouth and Inkster, narrowly escaped death but came out with minor injuries when their twin-engine Beechcraft plane crashed shortly after takeoff at Mettetal Airport, near Plymouth, and burst into flames.

The trio, who were treated and released at

St. Mary Hospital in Livonia, included: Berger Mathison, 1411 Linden, Plymouth; Luther Smith, 28664 O'Henry, Inkster; and Charles White, 35815 Leon, Livonia.

The spectacular crash and blaze came when the plane, failing to gain altitude after takeoff, smashed into a tree, sheared off a wing, spun

into a vacant field and then burst into flames. The three clawed their way out of the wreckage and were rushed to the hospital.

Mathison was the owner and pilot of the plane. The flames were extinguished by the Plymouth and Canton Township fire departments.

**Livonia Educators Assn. News and Views**

By LYMAN Q. GILMORE Executive Secretary, L.E.A. On Sept. 19, 1963, the Livonia Educators' Association presented its salary recommendations to the Board of Education for adoption by Oct. 17. The Board has been studying the proposal since that time.

The salary recommendations presented to the Board are essentially the same as those which were jointly developed over several months and adopted by the Association and the Board last spring. Implementation of the new salary schedule; however, was contingent upon the passage of millage.

Millage referenda were lost in June and again in August which prevented putting the salary proposal into operation. The initial step of the salary program was raised, however, so that Livonia could compete in the hiring of teachers. This placed the beginning teacher and the second-year teacher at the same salary; the inequity of this situation is obvious as each year of service is recognized as an increment throughout the balance of the schedule.

The Livonia salary program has steadily lost ground with other schools in the immediate area. Last spring, the Livonia Educators' Association research of 20 area school districts which are competitive with Livonia in the teacher market showed that Livonia had dropped from third position to eighteenth position for the minimum salary paid teachers; this has been remedied somewhat by the increase in beginning salaries in Livonia since then. Maximum salaries of Livonia have dropped from fourth position to tenth place in the standings as of the spring of 1963.

Since this research, however, 12 of the 20 school districts have had adjustments in their salary programs. It is reasonable to assume that Livonia has dropped even further in the last six months.

Since the spring of 1960, there has been no major adjustment in the salary schedule of Livonia Schools. Livonia has consistently shown leadership in both the quality of its educational program and the recognition of its professional staff. The L.E.A., in its negotiations with the Board, has consistently shown its interest in the total school program; last spring, the L.E.A. requested its members to sign their contracts and return them, with the understanding that salary negotiations would be continued if the millage failed. In good faith, the teachers have continued in their positions with the Livonia schools.

Through elections and referenda, the citizens of Livonia determine the educational programs of the schools. As the elected school leaders in the community, the Board of Education must make final decisions on the school program. The L.E.A. is encouraging the Board to make a decision for a professional salary program for Livonia; the Livonia Educators' Association is committed to such a program.

## Plymouth Chosen As Home By Newlyweds

Diane Severson, daughter of Mr. and Mrs. Clifford Severson, Plymouth became the bride of John A. Guttersohn, son of Mr. and Mrs. Charles Guttersohn, Livonia at a double ring ceremony Sept. 22 at Nativity Church of Christ, Livonia. Pastor Douglas Alberts officiated.

The bride, given in marriage by her father, wore a white floor length gown of 'peau-de-soie, fashioned with a bell-shaped skirt with chapel train. A silk organza cabbage rose secured her bouffant veil. She carried a bridal bouquet of white rose buds and stephanotis centered by a white orchid.

Maid of honor, Ann Thorpe, and bridesmaids, Mrs. Ronald Severson and Ann Pregitzer, wore identical floor-length gowns of cranberry red with matching veil. Each carried a bouquet of pine pink carnations.

Rhoda Severson, niece of the bride, was flower girl. She carried a basket of rose petals, and was escorted by Randy Severson, nephew of the bride as ring bearer.

The bridegroom was attended by Mac Kirkwood as best man. Tony Adamoquiy and Gordon Littlefield served as ushers.

The bride's mother wore gold brocade sheath with beige accessories. The groom's mother wore turquoise blue chiffon over taffeta with matching accessories. Both had rosebud corsages.

The reception was held at

Woodward Hall, Ford Road for 200 guests.

Mrs. Lillian Severson and Mrs. Alice Kenyon served. Mrs. Maemis Romning assisted by cutting the cake and Mrs. Jeanette was in charge of the guest book.

The newlyweds are presently making their home at Oak Haven Trailer Court on Ridge Road in Plymouth.

A new course of study is to begin at the Oct. 29 meeting where Mrs. Clifford Heller, Mrs. John Scanton, and Mrs. Merle Weiss will present an introduction and course of study to the Bible. ## How Another Unit Was Added To Industrial Area

Details of how a \$20 job order obtained a new industrial firm for Livonia were disclosed today by Daniel Andrew, the City's Industrial Coordinator.

Six months ago, John M. Swain of Swain Industries, Inc., called on Spanish Bonding & Welding Company to have them perform a bonding process.

During Swain's discussion with Jack Spanich, Jr., information developed that Swain Industries was in need of additional manufacturing space to accommodate its expanding business volume. Although the former Detroit firm had been approached by communities surrounding Livonia, none were able to provide a building with the required space for present and future expansion.

Armed with these facts, Jack, Jr., undertook a "selling campaign" to locate Swain in the 12 acre Spanish Industrial Park situated in the Five Mile-Merriman Road area. His persistence produced dividends; the industry leased a building from Spanich which enabled it to increase its manufacturing area to 11,000 sq. ft. and, in addition, provided 10,000 sq. ft. for expansion when required.

"Jack conducted a wonderful selling campaign," said Jack, Sr. "In fact, it was almost too good, because it forced Spanish Bonding & Welding to improve its operations. In order to accommodate Swain, we moved to temporary quarters and stored some of our machinery outside under polyethylene covers. Our permanent plans will be announced in the near future.

Andrew stated that the Spanish Industrial Park is the only one of its kind presently located in Livonia. It has all the available utilities which industry requires plus ample off-street parking facilities and land for expansion.

Besides Swain Industries, Inc., Pat Aluminum Products, Redford Screw Products, Form Seal Corporation, and Glass-tenants of the complex.

## Promoted By Detroit Plant

Michael Milliken, 25420 Graham, Redford Township, has been promoted to assistant to the Chairman of the Board of Goddard and Goddard of Detroit. The announcement was made by Ed Boltz, chief executive officer and Board Chairman.

Milliken has been purchasing agent for the company since 1951. In addition to purchasing, Milliken is in charge of personnel, labor relations, and general administrative offices.

He has been with Goddard and Goddard since 1940 and has been a member of the Purchasing Agents Association of Detroit since 1955.

## Phi Beta Phi Meet At Northwest 'Y'

The Detroit-Dearborn Alumnae Club of Phi Beta Phi held their Fall Get Together, October 14, 8 p.m. at the North West Y.W.C.A., 25940 Grand River in Redford.

Preceding the meeting there was a 6:30 Dinner at Dino's on Seven Mile for the Detroit-Dearborn Executive Board. Both the Dinner and the Fall Get Together honored the Alumnae Province President, Mrs. A. H. Austin from Ontario, Canada. An invitation was also extended to Grand President Mrs. William H. Mansfield of St. Louis, to attend.

W. H. Boyd Publicity Director of the Plymouth State Home showed slides at the meeting and discussed the need for volunteer service. Mrs. Tom Etheridge of Fox Road, Redford Township, brought the members up to date on the November Birthday Party, to be given at the Plymouth State Home, for over 100 children.
