"We still have a long way to go," was the reminder by general chairman Robert Stremich last week at a report luncheon. The campaign ends Nov. 1. Strengthened by indus-trial division contributions of nearly \$8,000 thus far, the 1963 Plymouth Com-munity Fund drive reach-ed the one-sixth mark last Thursday. The campaign, seeking a record goal of \$66,480, ends Nov. 1. Donations reported at a progress luncheon Thurs-day showed that \$11,335 had been pledged or turn-ed in as of that time. #### **Construction in City** Lags Behind '62 Pace

The City of Plymouth is sued building permits during the month of September for construction valued at nearly \$180,000, almost double the valuation of construction covered by permits issued during August.

But for the fiscal year to date, the City is considerably behind its fiscal 1962 pace.

Since the start of the fiscal year, building permits cover construction valued at ap-proximately \$400,000. During the same span a year ago, permits had been issued for construction valued at \$942,00.

Witness to the crash was 11-year-old Jeri Manler, who said the plane had just taken off from Mettetal airport and was headed towards Plymouth when the pilot veered the plane toward the west in an effort to avoid crashing into houses. THE PLYMOUTH MAIL

SPORTSEEN BY JEROME O'NEIL

There was more than just a hint of weariness in both locker rooms Friday night after Plymouth rallied to preserve its league lead by tying Belleville, 33-33.

And spectators, as they trailed away, were wrung dry, too, by what was at least the most astonishing football contest played on the Plymouth field in a decade.

No script writer could have fashioned a better thriller, and even the pro football teams fail frequently in matching the suspense that was generated here under the arcs at Plymouth grid-iron.

For the record, the Rocks remain in first place in the Suburban Six conference this week, still threatened by second-running Belleville. And Bentley High hosts the Plymouth gridders this Friday evening in a game that carries a "must" label for the Rocks.

They have to win it if they want to be assured of an outright conference crown.

Meanwhile, the standings look like this:

-			w	L	т	1
•	PLYMOUTH		3	0	1	
2	Belleville		2	0	2	
	<b>Redford</b> Union		2	2	0	
+	Trenton		2	2	0	
-	Allen Park		1	3	0	
-	Bentley		0	3	1	
		and the second second				

Among many factors to Belleville's credit last Friday night is the knowledge that it scored more points against Plymouth in 48 minutes than five previous teams had managed to accumulate among themselves this season facing the Rocks.

Northville, Farmington and Redford Union combined to score 31 points against Plymouth. The Rocks' two other wictims, Allen Park and Trenton, failed to score at all.

Along this same order, Plymouth is unbeaten in nine -straight games, dating back to the Bentley clash a year "ago when the Rocks eked out a slender 13-12 win.

Trenton came along next and bowed, 39-7, and the "Rocks burst Walled Lake's bubble, 33-14, in the concluding Dattle of 1962.

Then - this fall - Northville, Farmington, Trenton, Redford Union and Allen Park fell to Plymouth's guns .before Belleville came within a whisker of upsetting the ·Rocks Friday.

The Rocks scored 143 points to their opponents' 102 "during 1962. Thus far this year, they have amassed 161 in six games while permitting only 64 points to be scored against them.

As to the specifics of the Belleville battle, Mike Hoben summed it up with a terse "We were lucky" observation at

TOUCHDOWN, PLYMOUTH! Somewhere under the pile-up here is Plymouth quarterback John Daniel, who has just scored the Rocks fourth touchdown against Belleville on a oneyard sneak. Already, the game official (right) is

signalling the score. Roy Chappel's extra point kick made the score 33-27, with Belleville still leading, and set the stage for a last-ditch 99-yard march by the Rocks to tie the game with just 72 seconds remaining.

On the first play they were spoiler. penalized half the distance to the goal leaving them one and a half yards from their own end zone. All this pressure didn't seem to bother Daniel as he quickly hit Egloff on two pass plays to put Plymouth at the midfield strip.

## Men's Women's **Fitness Classes Have Openings**

Although both a men's physical fitness class and a women's body-conditioning course have gotten underway already this fall, the Recreation Department re-ports that further registrations for the two classes are still being accepted.

Herb Woolweaver, rccreation director, said that each of the two classes have room for further members.

The men's physical fitness class, supervised by Paul Cummings, meets Tuesday nights from 7:30 p.m. to 10 p.m. in the Senior High gymnasium.

Among the various activities offered are calisthenics, volley ball, work-outs on the trampoline, along with basketball and swimming. The class runs until Dec. 17. Fee is \$6 for the balance of the course, Woolweaver said.

The women's body-conditioning class meets from 7:30 p.m. to 8:30 p.m. Tuesday and Wednesday nights at Junior High East. It, too, lasts until Dec. 17 and individual tees for the class are \$6. Lola Alexander is in charge of the course.

Further details on both classes may be obtained from the recreation office.

THE SCARS of battle are evident on Plymouth guard Hal Smith's uniform. He started out the evening in a spotless white uniform. After 48 minutes of action, without relief, the weariness in his expression and the dirt on his uniform are both understandable.

Plymouth must win this Friday to take home the league trophy. If they lose and Belleville wins Plymouth would end up in second place by point count as a tie is usually-considered a half point compared to one point for a
