To Your Plymouth Community Fund . . .

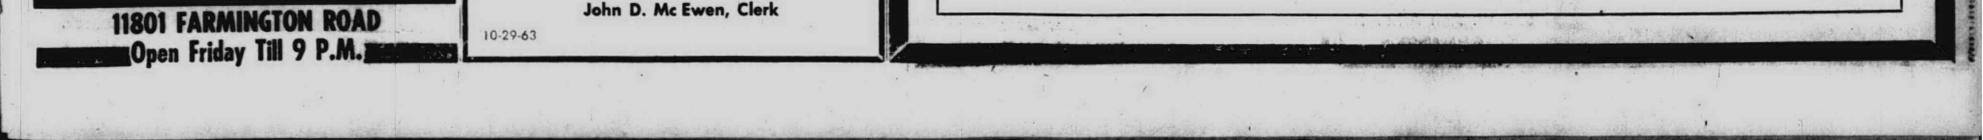

This year there are 12 local agencies participating in the fund - one more than last year. In addition, 22 state-wide agencies will share 15% of your donation.

The Fund is an independent campaign administered in Plymouth by Plymouth volunteers. Some participating agencies are at work helping the distressed when the need arises; others work in a more positive way by making better citizens of our youth or by adding to our cultural environment.

This is the Plymouth Community Fund's 18th annual campaign. Each year the goal has been met. Why not do it again!

ONE-HALF of Plymouth's play-carrying "shuttle service" is guard Sandy Black (63) who alternates with teammate Dan Houk to carry in the plays as they're called off by Coach Mike Hoben at the sidelines. yard line. Then Dick Egloff provided Plymouth with a break as he hit the punt receiver causing him to fumble. Dave Agnew fell on the ball and the Rocks took over on Bentley's 32 yard line. Grady picked up a first down when he dashed to the 18 and set up a pass play from Daniel to E g l o f f who was dropped just short of a touch-down. From here Agnew plunged into the line to score. Roy Chappell kicked his sec-ond point of the night putting Plymouth into a 14 point lead. Bentley didn't seem to be disheartened as they took the kickoff from Plymouth and marched 65 yards down the field to score. They missed the point and trailed 14-6. During the last period both teams started drives down the field but fumbles stopped them each time.

Roger Tobey boosted Plymouth's spirits in the closing minutes with fine display of hard running. And to show everyone the type of ball Ply-mouth plays, Hoben sent in a long pass play on the second to last play of the game instead of running out the clock. The Rock offense wasn't as potent as usual but the defense proved again they're tough to crack as Kevin Huntington, Hal Smith and Egloff provided many of the tackles. This week Plymouth travels to Walled Lake to meet a team that is rated in the top ten, in Class A. In order to make a good showing the Rocks are going to have to pick up the team spirit that seemed to be lacking in Fridays game with

Coaches Mike Hoben, John McFall and Tom Workman should be proud of the job they have done in bringing a "maybe" team through the season as a "championship team

The fans this year should also be applauded for their support of the Rocks. During last week's league games there were two upsets as Redford Union just squeezed by Belleville 26-25. Trenton was also upended as Allen Park dropped them 13-7.

The final league standings follow:

| PLYMOUTH | 4-0-1 |

Belleville scored twice in the first quarter to put the Frosh in a discouraging position.

Throughout the entire first half Plymouth was unable to get things rolling as its offense sputtered continually. In the second half the ninth graders finally started clickings as the linemen shapened up and began to open some

holes. On several occasions Plymouth penetrated deep into Belleville's Territory but were either held by good defense play or lost the ball through a fumble or pass interception.

Belleville threatened seriously only once in the second half but the Frosh held inside their own ten.

Coach Dick Hill's team outplayed the Belleville team as they had the ball most of the second half but the difference was what happened inside the ten yard line. Plymouth just couldn't get that extra push or break it takes to score.

This was the freshmens last game of the season and they ended up with 2 wins against 3 losses.

NO TRICK TO THIS TREAT

A scuffle of smallest feet on the front steps . . . the ring of your doorbell . . . and the an-n u all autumnal ultimatum: "Trick or treat!"

If your youngsters will be of the burnt-cork-andbedsheet brigade this year, be sure to garner your goblins in pictures for a record you'll treasure in years to come. Get a shot or two of the costuming, the doorbell-ringing, carving the jack-o-lanterns and the exhaustive counting up of the loot at evening's end.

And if your old camera has been giving you more tricks than treats lately, our prescription is the new BROWNIE Auto. 27 Camera, ideal for both indoor and outdoor snapshooting. It's almost impossible to make a mistake with this sure-shot picture-taker. Its electric-eye exposure system automatically adjusts for flash when you open the door of the built-in flash unit. And double exposures are impossible.

Still another feature is the sharp, color-corrected lens; which dials to two plainly marked focus settings that even the inexperienced snapshooter can't mistake -"close-ups" (31/2 to 8 feet) and "beyond 8 ft."

It's a no-fuss, aim-and-shoot camera that will produce crisp, true-to-life photos, whether the subjects be Halloween pranksters or family fun at any time of the year. Stop in — we'll be glad to show you the entire BROWNIE Auto 27 Outfit which includes camera, neck strap, flashguard, flashbulbs, batteries, a roll of Kodak Verichrome pan film and an instruction book.

KIWAN!S NOTES By Ken Way

Guest speaker at last week's regular meeting of the Plymouth Kiwanis Club was Steve Davidson, an assistant prosecuting attorney for Wayne County.

Davidson discussed the uniform reciprocal support act which makes it easier to collect non-support payments for children in Michigan in cases where the father has moved to a distant part of the country.

He explained that the act is federal legislation and is now in effect in all 50 states in the union.

Newest member of the local Kiwanis Club is Joseph Bida, superintendent of the City' DPW. He was introduced to other club members last week by Wendell Miller and then Bill Lyons presented Bida with a Kiwanis lapel pin.

Marvin Terry announced the rummage sale had been postponed until Nov. 8 and Nov. 9.

Sixty Plus News by Mrs. Harry Brown 453-3875

The 60 Plus club met Oct. 14 with a pot luck dinner There were 60 members present. A business meeting followed and plans were made for a trip to Canada to visit the Miner Bird Sanctuary on Oct. 28.

Colored pictures of Upper Michigan were shown Helen Ingram and Gladys Colgan which were taken on their vacation.

Mrs. J. B. Bates out on Betty Hill Drive suggests a pat on the back for the Wayne County Sheriff's office for the help they are giving school children getting home through Glenview subdivision during the hunting season. They deserve a pat on the back for this service as well as their unusual cooperation in trying to help township residents in keeping marauding hunters out of their front yards.

To this writing we have heard complaints of cellar windows broken with bird shot, a bed sheet practically riddled on the line, a shattered car window and the usual cut fences. No doubt there will be others before the season is over.

Episcopalian. In fact, some months ago a near local Tuesday, October 29, 1963 mix-up occurred here when it was announced Rev Willoughby (the Methodist) would speak here in Plymouth. Several friends of the Plymouth Episcopal Willoughbys almost went to the wrong Church to lear the wrong minister, according to Mrs. Robert Willoughby.

Congratulations are certainly in order to Walter Rensel and Douglas Blunk on the event of their tore's fortieth anniversary. Also, they are in order to Hugh Jarvis on the beautiful remodelization iol he has done at his gift shop, as they are to Wesley MacAtee on his enlargement by moving into the two stores on Ann Arbor Trail next to the Mayflower. I hope Blunk's enjoy 40 more years of prosperity and I trust the faith displayed by Jarvis and MacAtec in this area will return their investment many fold.

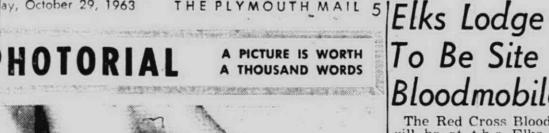

On a more serious note, may I remind local parents to take extra precautions this year with their children on Wednesday and Thursday nights. Hallowe'en brings a lot of children on the streets during the twilight and early evening hours and it would be sad indeed if we had another tragic accident as we did last year. Motorists, too, should exercise extreme care on these two nights to avoid the pos-
