## C of C Elects Wendell Lent New President

Wendell Lent, prominent Plymouth clothier and popular in business circles as the owner of the Davis and Lent men's and boy's wear store, 336 S. Main St., is the new president of the Plymouth Community Chamber of Commerce.

**SUPER SALESMAN** Wendell Lent keeps an eye on the clothing business while he ponders about his new duties as president of the Plymouth Chamber of Commerce. He was elected Monday by the Board of Directors.

The unanimous choice of the nominating committee, Lent was elected Monday morning in a meeting of the Chamber's 12-man Board of Directors.

He succeeds John R. Herb, of the American Hospital Medical Benefit Association, who served for the past year.

Lent and the new slate of officers will be installed next Monday, Nov. 4 in the annual meeting and dinner-dance at Lofy's Arbor-Lil.

Other officers elected for the 1963-64 fiscal year are: Vice President Hazen Wilson, of Michigan Bell; Secretary Douglas Blunk of Blunk's Inc.; and Treasurer Harvey Ziel, of Post, Smythe, Lu, and Ziel, who was the only holdover from the 1962-63 slate.

All officers and the two new directors named recently in a poll of the Chamber members—Doug Blunk and Cecil Sherrard—will participate in next Monday's installation ceremonies.

The other members of the Board are: Herb, Ralph Garber, retired lawyer and Plymouth Township trustee; George Lawton, executive manager and treasurer of the Plymouth Community Credit Union; James Thomas, Consumers Power; Arnold Johansson, Western Electric; John Witte, Plymouth Community Pharmacy; and Edward Draugelis, lawyer City Attorney for Plymouth and legal counsel for Schoolcraft College.

Lent, who has been a Chamber Director for 16 times in the past 20 years, was recently re-elected to the Board. He has been active in Plymouth business circles for more than 30 years and was a charter member of the Plymouth Junior Chamber of Commerce, taking an active part in the early development of that group.

He left the Jaycees when he passed the maximum age limit to join the Chamber of Commerce and has been one of the leaders for the past 20 years.

Wendell has long been one of the outstanding figures in the Retail Merchants Division and has had a leading role in all of the programs of that group since it was first organized.

He and his wife Dorothy reside at 594 Hartough and are the parents of four children and grandparents of two. The children are: Mrs. Linda West of Plymouth; Karen, a teacher in the Santa Fe Springs (Calif.) school system; Julie, a senior at Plymouth High; and Jim, a sophomore at PHS.

They are members of the Methodist Church. In addition, Wendell is a member of the Kiwanis Club, Masonic Lodge and Elks Club.

## House Group Hears Story of Plymouth

The story of how Plymouth succeeded in attracting new industry to the city in the Industrial Park on Plymouth Road and how it filled vacant plants was told the House Committee on Economic Development by City Commissioner George Lawton Monday in the House Chambers in Lansing.

Lawton was invited to tell the Plymouth story by Rep. Gilbert Bursley, chairman of the committee. He was one of many leaders from communities throughout the state to appear before the group in a session that started at 10 a.m. and continued through 5 p.m. with time out for lunch.

Each representative was given 10 minutes to tell of the methods used in his community and how they succeeded.

Lawton, a member of Plymouth's Economic Development Corporation, was selected to represent the city because of his tremendous interest and leadership in the development of the Industrial Park.

The House Committee is seeking suggestions for changes in the present laws or for new legislation that would aid the economic development of communities and the state.

# PCF Officials Confident of Victory With 57 Per Cent Reported by Workers

Although the 1963 drive is still lagging behind the tempo of 1962 with a total of \$37,913.50 at the second report luncheon compared to \$39,151 at the same point a year ago, officials of the Plymouth Community Fund are confident

workers will reach the record goal of \$66,480 when the final tallies are made at Friday's victory dinner in Lofy's Arbor-Lil. President Russell Isbister praised workers for the tremendous showing at last week's

report meeting and predicted the campaign would go over the top—just as it has in 17 previous drives in Plymouth.

"Needless to say, I and the other Board members of the Community Fund were much alarmed after the relatively

poor showing in the initial report meeting," Isbister told the more than 75 workers and captains. "But I know that I express the feelings of all when I say that we are very optimistic now and feel that the drive will go over the top."

"Never once did we think that Plymouth wouldn't be equal to the task even though the goal of \$66,480 is the largest in history. We have succeeded on 17 previous occasions and I'm sure that every person in this audience feels we'll make it 18 successes."

Campaign General Manager Robert Stremich echoed Isbister's words after giving personal thanks to all for their tremendous efforts to date.

"However," he added, "The battle isn't won, we're still only 57 per cent of the way home and that means every single one will have to go all out in the remaining time. We just can't afford to lag and take it easy and wait for the business and industrial groups to carry the ball."

"We all realized from the start that we were facing a big challenge in meeting this year's goal. I think that this report indicates we are well on the way, that everyone is doing his best and I'm sure we'll all have smiles when the reports come in at the victory dinner. I'm confident that it will be exactly what it's intended for—a dinner to celebrate a big victory."

As expected, it was Elmer Hedlund's industrial division and the excellent report from the business division, headed by Frank Palmer, that highlighted the meeting.

Hedlund electrified the group when he reported a total of \$26,530 with the indication that more could be expected at the final meeting.

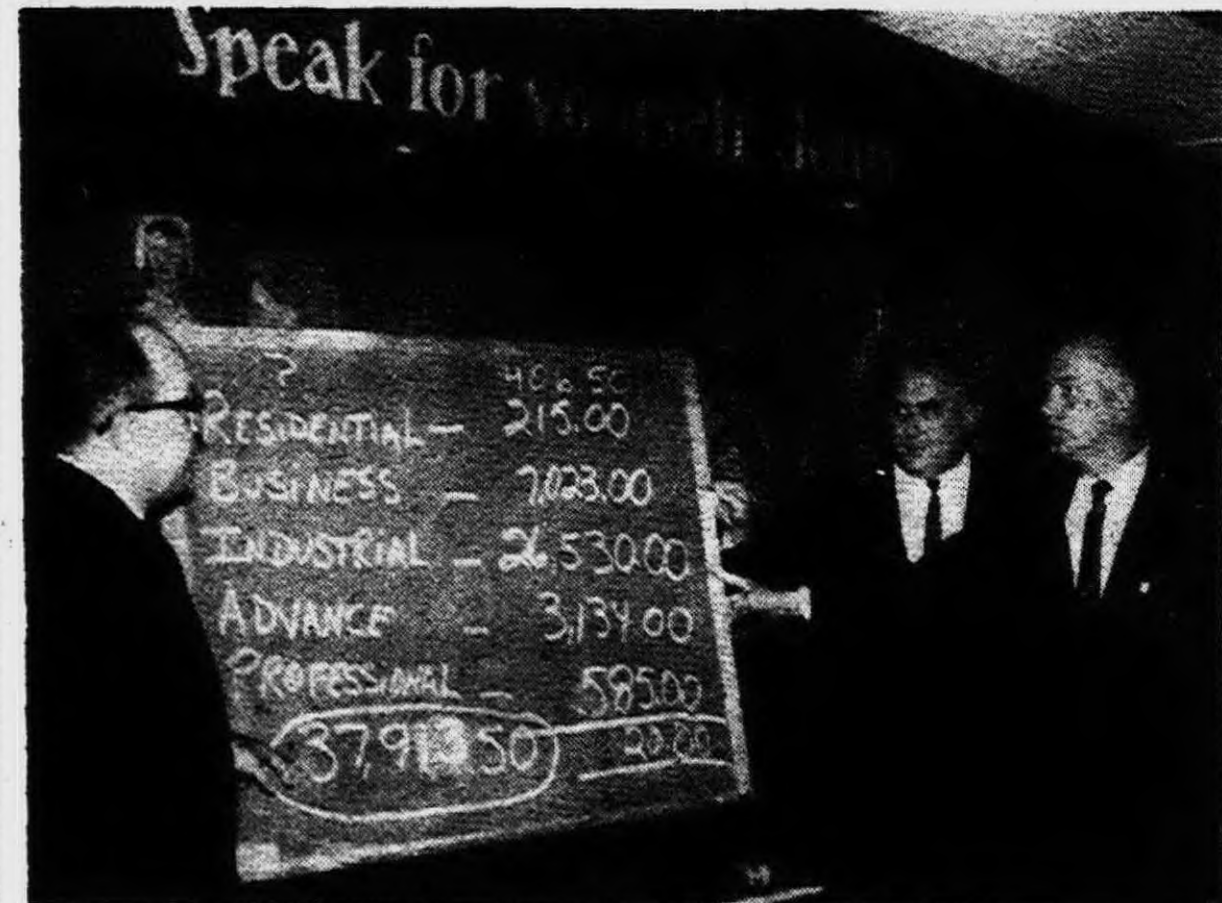

Palmer, who joined with Hugh Jarvis, Richard Waga and Earl Merriman, in adding some zip to the lagging business division, reported \$7,023 in contributions and pledges.

Mrs. Helyn Caplin, reporting in the absence of Sterling Eaton, showed \$3,154 from the advanced gifts division; Sid Strong added \$585 from the professional division; and Isbister recorded a partial total of \$406.50 from the school system.

Mrs. Elizabeth Mather, co-chairman with Mrs. Elizabeth Holmes, reported \$215 from the residential division. This, of course, came at noon of the day that found the women workers beginning their three-day canvass of every home in the community.

Both Mrs. Mather and Mrs. Holmes were looking for a record report from their division at the victory dinner. They indicated an army of women were ready to start ringing doorbells of homes in every section—and expected to get results.

More than 300 are expected to attend the victory dinner at which awards will be made for outstanding performances during the campaign. And Chairman Stremich and President Isbister are keeping in touch with all division leaders daily and hope to have big smiles when the final tally is made on the scoreboard midway through the program.

THOSE FIGURES look good to these three leaders of the Plymouth Community Fund even though the latest report showed slightly more than half the goal with the 10 days remaining in the drive. General Chairman

Robert Stremich (left) points to the total of \$37,913 while Frank Palmer has his finger on the report of the business division, and Elmer Hedlund (right) is proud of the \$26,530 raised by the industrial division workers to date.

## In Solving Vandalism

# PHS French Teacher Asks Aid of Parents

To my students' parents and also to parents of former students:

"I hesitate to approach parents with a problem which is perhaps singularly mine, but it is one which cannot be resolved without your cooperation and support.

"About two weeks ago I opened my classroom door to find it a shambles; expensive maps of France had been torn in two; large, colored posters had been slashed; costly reference books and source materials had been torn up; bulletin board

displays had been ripped from the walls.

"In addition, the closet had been entered and some 42 of the first-year French students' books had been deliberately, maliciously destroyed.

"Speaking dollars and cents, the loss runs beyond \$250. Unfortunately, such a loss cannot be measured entirely in monetary terms. There were personal items which cannot be replaced. Items which were vital to my teaching. Items which had been given to me by students through the years. Souvenirs collected during my trips to France.

"Who the malefactors are, I cannot say, but I can conjecture. It is a fact that my door was locked upon leaving at the end of the week in question. It is a fact that only my room had been entered and vandalized.

"It is a fact that only a student would know the somewhat complicated procedure for getting to my room after hours. And it is also a fact that the Friday night of homecoming saw many of Plymouth's 'old' grads returning for the homecoming celebration.

"This latter statement is significant and requires an explanation. The vandalism which occurred over the homecoming weekend is just another episode in a story which began in the fall of 1960.

"Early in that school year my room was entered for the first time; tests compiled by me over a period of years were stolen and with the loss went unaccountable hours and hours of my labors.

"About a month later, looking for a reference book which had been on my desk, I discovered that not only it, but numerous other books had been taken, in addition to a voice tape. If things had ended here, I could have forgotten, but the vandalism continued.

"So often did I enter by room to find something missing or destroyed that I lost count of the times and I cannot anymore pinpoint the exact dates, but it was about the time of the MEA Conferences that the room was entered for the third time.

"Stolen were approximately 200 color slides, of which the

### FACTS and OPINIONS

by Paul Chandler

"Whatever happened to the Vigilance Tax Committee... the group attempting to block Detroit's income tax?", the lady on the phone asked.

The answer was at hand, because the "Vigilants" met in Livonia just last week and issued a report. The group consists of suburban mayors and local officials who object to Detroit's levying an income tax against those who live elsewhere than Detroit.

The Committee has decided to pick up petitions in Lansing containing 242,000 signatures. It has been ruled that they must be delivered to County Clerks, rather than the secretary of state.

Because they believe the local county clerks will give the petitions a much harder look, a drive is underway again to get 10,000 more signatures on petitions... to offset possible challenges by county clerks.

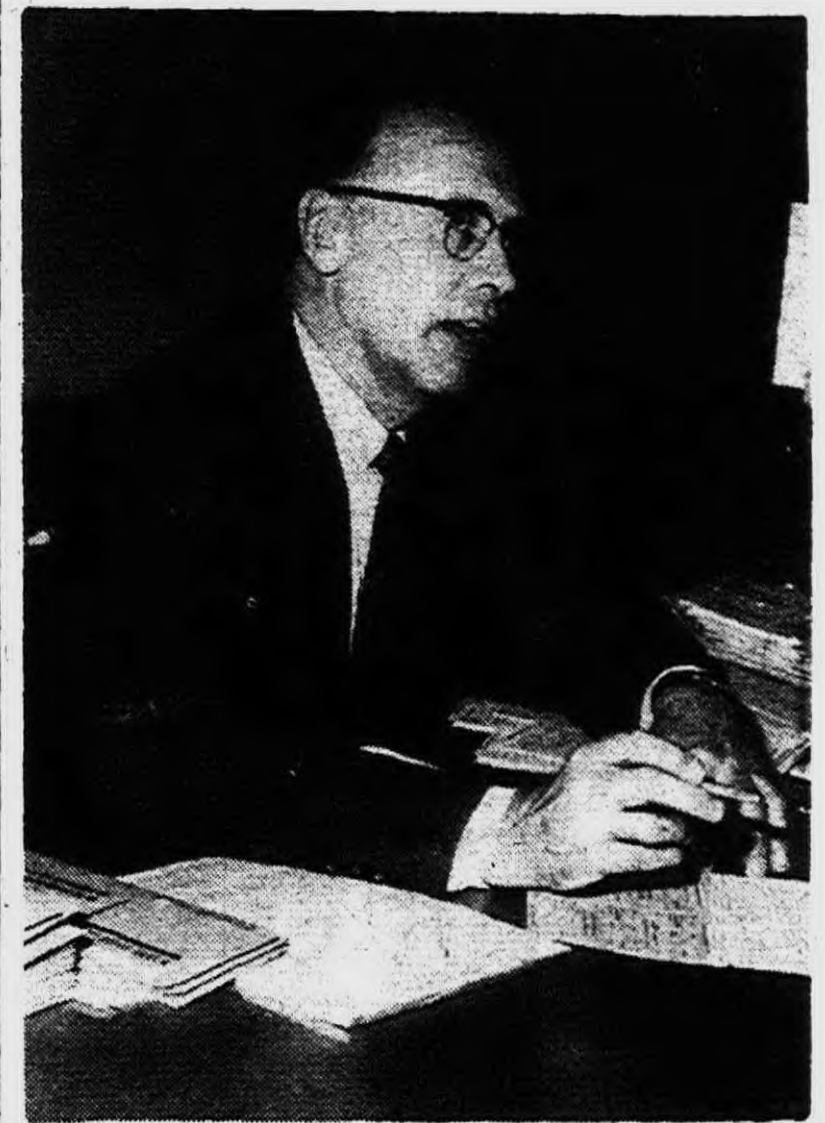

These petitions would require a state-wide election on two counts: (1) One would prohibit any local income tax without a vote of the people; and (2) Would prohibit levying it against non-residents.

The "Vigilants" had a committee which sat down with Governor Romney in Lansing last Wednesday to hash over the general situation.

We try to keep our eye on the educational scene, to be sure everything is normal there. The following advertisement appeared last week in "The Michigan Daily," student newspaper at the U. of M.—"WANTED: Boy 20-30-40 seeks company of girl 43-30-20. Object: Perfect Square."

In a more serious vein, high schools all over the country at the moment are trying seriously to discourage cigarette smoking, working in organized manner through student agencies. "Be Smart. Don't Start." is the slogan which will become standard in high school corridors in the near future.

All of this is in advance of another report on smoking from the Public Health Service, due any day, and

CHAIRMAN of Plymouth's new Human Relations Commission is Carroll Munshaw, 555 Byron, a professor in the College of Education at Wayne State University. Munshaw accepted the appointment early this week and will head the 13-man Board to be named later. He is well qualified for the position, serving as Superintendent of the Bloomfield Hills and River Rouge Schools and as Deputy Superintendent of the Wayne County Schools prior to accepting the WSU post. The Commission was set up by the Plymouth City Commission and has the approval of the Plymouth Township Board which has agreed to co-operate. Canton Township's Board will meet in two weeks to make a decision on the Commission.

## Township Bd. Told Of Highway Plans

Michigan's Highway Department expects to have an engineering report completed on the proposed location of highway I-275 shortly after the first of the year when the route location office will be able to report how the new highway will affect Plymouth Township.

That was the information relayed to Supervisor Roy Lindsay in a communication from J. F. Negri, director of the Route Location on Division, early this week.

Negri indicated that the second five-year program, which ends on July 1, 1967, has the I-275 route scheduled to be studied and preliminary engineering done on this line only.

Right-of-way purchases necessary for the route in interchange areas will be purchased after that date. Construction of this route will be done prior to June 1, 1972.

Negri said plans for the third five-year program are being compiled — this program will cover the period from July 1, 1967 to July 1, 1972.

Lindsay and the Township Board requested the information in answer to many inquiries from residents as to the plans for the highway, where it would be located and how soon the work would start and be completed.

## 7 STARTERS END CAREERS

# Go Rocks, Beat Lakers

Can Plymouth's Rocks go all the way and wind up with their fourth undefeated football campaign since 1954? More than 1,500 ardent followers of the new champions of the Suburban Six League will trek to Walled Lake Friday night to get the answer.

It should be the game of the season since Walled Lake is unbeaten with a string of seven in a row and the Rocks have only the spectacular 33-33 tie with Belleville to mar an otherwise perfect season.

Those who saw Plymouth turn back Bentley in last Fri-

day's bitter battle, which almost developed into a donnybrook in the second half when a crew of rather inept officials allowed it to get out of hand, are wondering if it was the brightness of the lights that bothered the Rocks.

Time after time a potential pass receiver was in the open only to have the ball bounce off his fingertips. Small wonder after playing so many games under the dim lights of Candlestick Park.

One thing was sure, the fans were able to watch the play closely, in the bright stadium. It must have been a treat for the Plymouth gridders to perform under conditions where they didn't have to tackle shadows and opposing backs as is the story at home.

PLYMOUTH was back on its heels most of the Bentley game, not so much because of poor play but largely due to the total of 135 yards in penalties handed out.

It seems strange that a team, which didn't have more than 50 or 60 yards in penalties per game earlier, should suddenly become so prone to the officials' flags and whistles.

## Ada Murray, Ex-Librarian, Dies At 80

Mrs. Ada Murray, 80, 643 Mill St., Plymouth, long-time librarian at the Plymouth Library and a native of the community, was found dead in her home Saturday morning. She had spent Friday afternoon with friends and it is believed that she may have died shortly after her return to her home.

Mrs. Murray was born May 20, 1883 in Canton Township and had resided in the area all of her life. She was a daughter of Charles and Lucy Brown Smith.

Mrs. Murray was long prominent in Plymouth activities and had been a member of the Order of Eastern Star, Chapter 115 for 58 years. She was a member of the First Presbyterian Church, national and state member of the Button Society; member of the D.A.R., past president of the Woman's Club, past secretary of the Plymouth School Board, a former member of the Board of Review and was a member of the Plymouth Historical Society.

Surviving are: a daughter, Mrs. Sarah Starkweather of Palos Verdes Estates, Calif.; two grandchildren and three great grandchildren.

Services were conducted Monday in the Schrader Funeral Home in charge of Rev. Henry Walch with burial in Riverside Cemetery.

### Employing?

Here's what one satisfied Observer Want-Ad user writes:

Attention—Classified Advertising Gentlemen:

I was very pleased with the manner the first article of our series was set up and would appreciate it if you could set this one up the same. We will be running a total of six articles, and know they will be well read.

Am pleased to report that we are getting rather remarkable results both from employers and employees.

Thank you for your excellent cooperation of placement of the ad.

Sincerely Yours,

### Many Prizes Offered for 'Stay in School' Statement

In connection with its "Stay in School" campaign, the Women's Advertising Club of Detroit is offering students an opportunity to win valuable prizes by entering a contest which closes at midnight, Nov. 10.

Any student attending a high school in the metropolitan area is eligible. Simply complete, in 50 words or less, the opening theme: "I went back to school because . . ."

Contest judges are Benson Beneker, advertising manager of Michigan Bell Telephone; Dr. Clyde Craine, chairman of the English department of the University of Detroit; Philip Meagher, public relations manager of J. L. Hudson Company; William T. Patrick, Detroit Common Councilman and Maurice Tehan, advertising manager of Manufacturers National Bank.

Thirteen big prizes in all—first, second, third and ten honorable mentions, will be awarded to the winning entries.

The "Stay in School" campaign was launched by the Women's Advertising Club, August 13, in co-operation with the Detroit Board of Education.

No entry form is required for the contest. Just tell your story, in 50 words or less, beginning with "I went back to school because . . ." print your name and address, and mail BEFORE MIDNIGHT NOV. 10 to:

## Area Obituaries

**Frank J. Boehmer**  
Services for Frank J. Boehmer, 60, 10685 Laurel Road, Livonia, were conducted Thursday in the Schrader Funeral Home in Plymouth in charge of Rev. Paul Greer. Burial was in Parkview Cemetery in Livonia. Mr. Boehmer died Oct. 22 in University Hospital in Ann Arbor after a six months illness. He was born March 26, 1903 in Michigan, a son of Joseph and Margaret Valarius Boehmer. He had resided in Livonia for 23 years and was a power line operator for Ford Motor Co. Surviving are: his wife, Mrs. Harriet Boehmer; four sisters, Mrs. Catherine Stiglitz, Dearborn; Mrs. Gertrude Horn, Fern-

dale; Mrs. Tracy Davis and Mrs. Ann Koselka of Detroit; and two brothers, Henry of Plymouth and George of Garden City.

**Joseph Pastore**  
Services for Joseph Pastore, 69, 28495 Joy Road, Garden City, were conducted Monday in the Maney-Burrell Funeral Home and at St. Damian's Church with burial in Gaylord, Mich. The services were in charge of Rev. Fr. Pilsowski.

Mr. Pastore died Friday in Martin Place Annex, Detroit, following an illness of several months. He was born Aug. 3, 1896 in Iron Mountain, a son of Albert and Madeline Couzani Pastore. He was a retired tailor.

Surviving are: his wife, Mrs. Leila Pastore; four sons, Charles, Louis, Ernest and Fred; and two daughters, Mrs. Mary Prevost and Mrs. Lena Garaglia.

**Emerick Witkowski**  
Services for Emerick Witkowski, 38, 29657 Grandon, Livonia, were conducted Wednesday by Rev. Fr. Pilarowski in the Maney-Burrell Funeral Home and at St. Damian's Church with burial in Holy Sepulchre Cemetery.

Mr. Witkowski died suddenly of a heart attack in St. Mary Hospital. He was a partner in the Chamberlain Insurance Agency in Detroit. He was born March 31, 1924 in Detroit.

Surviving are: his wife, Mrs. Alva Witkowski; mother, Mrs. Josephine Witkowski; three sons, Dennis, James and Thomas; a daughter, Kathleen; and three brothers, Edwin, Joseph and Florian.

**Carl Gazda**  
Services for Carl Gazda, 53, 35298 W. Chicago, Livonia, were conducted Monday in St. Michael's Catholic Church in charge of Rev. Timothy Sullivan. The Rosary was said Sunday in the Livonia Funeral Home. Burial was in Holy Sepulchre Cemetery.

Mr. Gazda died Thursday in Garden City Osteopathic Hospital after an illness of two weeks. He was born Nov. 19, 1909, a son of John and Caroline Bochenki Gazda. He was employed in the tool and die division of Chevrolet Motor Co. and had resided in Livonia since 1942.

Surviving are: his wife, Mrs. Bernice Gazda; two daughters, Mrs. Ronald Giza and Susan Gazda; and a sister, Mrs. Ann Eggleston.

**Alvin Nulph**  
Services for Alvin Nulph, 62, 14926 Beatrice, Livonia, were conducted Oct. 22 in the Livonia Funeral Home in charge of Rev. Paul Graham with burial in Acacia Park Cemetery.

Mr. Nulph died suddenly at his home Friday. He was born Sept. 24, 1898 in Kentucky. He was a maintenance worker at the Ford Motor Co. and had resided in Livonia for nine years. He was a member of Masonic Lodge 570, Hazel Park F&AM.

Surviving are: wife, Mrs. Dorothy Cox; a daughter, Mrs. Pauline Whitlow; two sons, Robert and Richard Matherly; a brother, Clarence E. Cox; two sisters, Mrs. Ida Grabo and Mrs. Ann McLaughlin; and four grandchildren.

**Mrs. Edna Carmine**  
Services for Mrs. Edna Carmine, 81, 41153 Bruce Street, Plymouth, were conducted Tuesday in the Baptist Church in Green Camp, O., with burial in the Green Camp Cemetery.

Surviving are: her husband, Alery Noble Carmine; two sons, Ivan of Rocky River, O. and Dale of Plymouth; and three sons.

# 2 Clarenceville High Seniors Get NMSC Commendations

Two Clarenceville High School seniors have been honored for their high performance on the National Merit Scholarship Qualifying Test given last spring. Each student, who is endorsed by his school, receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

The Commended students are: Linda Stevenson and William Johnston.

John M. Stalnaker, president of the National Merit Scholarship Corporation, stated:

"About 32,000 students throughout the country are being awarded Letters of Commendation in recognition of their outstanding performance on the qualifying test. Although they did not reach the status of semifinalists in the current Merit Program, they are so capable that we wish to call attention in this way to their achievement and academic promise."

"The semifinalists and commended students together constitute about two per cent of all high school seniors. This certainly signifies noteworthy accomplishment by all of these bright youngsters."

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the NMSQT. The semifinalists group is composed of the highest-scoring students in each state and in U.S. territories. Some 13,000 semifinalists take a second examination to establish further their eligibility to receive Merit Scholarships.

"We hope that the commended students will continue their education," Stalnaker continued. "By doing so they will benefit both themselves and the nation."

"The Letters of Commendation provide tangible recognition of their high ability. We urge the student honored today to make every effort to attend

college, and to develop to the fullest their promise of achievement."

To increase their opportunities to obtain financial assistance if they need it, the Merit

Corporation sends the names, home addresses, and test scores of all Commended students to the two colleges they indicated as their preferred choices at the time they took

the qualifying test.

Other special services are also performed by NMSC in an effort to increase the scholarship opportunities of commended students and semi-

finalists.

The commended students were among the high school juniors in approximately 16,500 schools who took the NMSQT last March. The test is a three-

hour examination that covers five separate areas of educational development. It was the first step in the ninth annual Merit Program.

This year's program will con-

clude about April 3, 1964, with the naming of students who will receive four-year Merit Scholarships to the colleges of their choice.

The commended students and

the semifinalists who do not win Merit Scholarships are considered for certain other scholarships that are offered through the facilities of the National Merit Scholarship Corporation.

### DPW News And Notes In Plymouth

By Supt. Joseph Bida

Plymouth Dept. Public Works The Department was busy last week installing 300 feet of sanitary sewer lines along Junction west of Arthur, removing a water shutoff at 1256 Penniman and used 163 man hours in picking up and removing leaves.

As DPW Superintendent, I believe it may be interesting to water department customers to know more about the water supply.

Following are excerpts from a water report in July, 1929:

"The source of water is situated some three miles north and two miles west of the city. It is within the valley of the south branch of the Middle Rouge River. The city now owns a small tract of about 20 acres upon which are situated the structural elements of the gathering system but the natural area tributary to this system is of course much larger and extends westerly from the city property for some distance.

"The first supply line and reservoir from the gathering ground to the city was built in 1891 and 1892 and consisted of a line of 12-inch cast iron and vitrified clay pipe laid skirting the bluffs on the south side of the south branch of the Middle Rouge River. Part of this was supplemented by a new line in 1904.

"The new line was built of 10-inch cast iron pipe and was laid along a somewhat different route from that of the first.

"For many years until about 1921, the new line carried the supply from the gathering ground to the city by gravity. In 1921, at the time of building the collecting well, the Chipewa pump was installed. This pump delivered the water into the supply line under some pressure, thereby increasing its carrying capacity.

"Later in 1924, the Aurora pump was added for the same purpose. An old uncovered earthen bank reservoir was built in the early years of development on a hilltop about one-quarter mile south of Waterford Road and one-quarter mile west of Plymouth-Northville Road on the line of the old supply line.

"This reservoir was at such an elevation that it filled by gravity through the pipe from the gathering ground and supplied water to the village at pressures then considered satisfactory.

"In 1921, in order to eliminate the structural and sanitary hazards of the old line, a new reinforced concrete reservoir was built in the old excavation."

There'll be more about this subject in future reports of the Department of Public Works activities.

|--------------------------------------|--|--|--|--|--|---|--|

IF YOU WANT to be an early bird this year and pick up some choice Christmas decorations or gifts you may circle Nov. 7 on your calendar. This is the date for "Christmastime" at St. Andrew's Episcopal Church, 16360 Hubbard Road, in Livonia. Looking over some of the attractive gift items are (l-r) Jean Dow, ECW president; Helen Bryan, Dorothy Dluski, Barbara Rouse and Chairman Ellen Shaftoe.

## It's Christmastime in November at St. Andrew's

"It's Christmas Time at St. Andrew's," for it is indeed just that! This is the theme of the third annual bazaar of St. Andrew's Churchwomen of St. Andrew's.

the bazaar is designed to appeal to all ages.

Classrooms will be transformed into small "specialty" shops offering a variety of lovely handmade articles for your shopping pleasure. The Christmas Decoration Shop will have all sorts of lovely things for making the home festive, both indoors and out. The Garden Shop will feature artificial tree and flower arrangements as well as house plants. Bright aprons and hand knits will be found at the Gift Center. And those very popular "Barbi" doll clothes can be seen in the Children's Corner. Games and prizes will entertain the youngsters and there will be a special booth "Just for Children" to purchase gifts. The Bake Shop and the Country Store will have tempting delicacies to please everyone. At the Flea Market and the "Near-New" shop you'll find that certain "thing" you've been looking for and at bargain prices!

Snacks and sandwiches will be served continuously and a spaghetti dinner will be offered beginning at 5 p.m. Free nursery facilities available. Mrs. Robert Shaftoe and Mrs. Kenneth Davidson are co-chairmen. Furnishings for the educational unit that has just been completed, scholarship funds for the church camps and conferences and other charities supported by the Episcopal Churchwomen will share in the proceeds.

The public is cordially invited.

Be careful what you say—it's always easier to float a rumor than to sink it.

MR. AND MRS. EDWARD S. CLEMENTS

### Clements-Steinoff Vows Exchanged In Mississippi

Janelle Steinhoff was joined in holy matrimony with Edward S. Clements, Miami, Florida on Sept. 21 in a double-ring ceremony. Rev. Howard Lipps officiated in the St. Paul's Methodist Church, Ocean Springs, Florida.

The bride is the daughter of Mr. and Mrs. Karle Steinhoff, 9213 Newburgh, Livonia. Mr. and Mrs. C. John Clements, Hialeah, Florida are the parents of the groom.

The new Mrs. Clements was graduated from Bentley High School. She was employed for five years as dental assistant for Dr. Fitch and Dr. Evans in Plymouth. Last year she was a teacher for the Julie Adler Dancing School.

Given in marriage by J. N. Randall, the bride was attired in a white street-length suit, accessorized with a whimsy-veil and a white corsage.

Immediately after the ceremony a reception was held at the Broadwater Beach Hotel where the three-tiered wedding cake was cut and served to guests.

Following a wedding trip to Nassau, the newlyweds will be at home at the Bel-Aires, West Beach, Biloxi, Mississippi.

### Kenwood Women Take A Look At "Project Hope"

Kenwood Women's Club of Redford Township have a circled calendar for the month of November.

Nov. 6 will be Friend's Night at the Kenwood Chop House; Nov. 11 members will meet at the Weatherall Hardware on Six Mile to make Christmas arrangements. Mrs. H. Dust, president, will hostess the next Board meeting Nov. 18.

Nov. 21 members will be informed on "Project Hope" presented by Michigan Consolidated Gas Company. To be informed on what is really going on in remote parts of the world and how the United States quietly and efficiently is helping hourly in relieving pain and sickness, members are asked to make a special effort to attend.

The club year for the Kenwood Women's Club started with the Board meeting which was held on Monday, October 14, at the home of Mrs. Axel Gaberson.

The regular meeting was held on Thursday, Oct. 17, at the Lola Valley Masonic Temple. Luncheon hostesses were Mrs. H. Dean and Mrs. C. Sucoe.

### QUEEN OF ALL she surveys is Marilyn Nagano (center). She is the daughter of Mr. and Mrs. George Nagano, Garden City and a graduate of Bentley High School. In the beautiful setting of the Crystal Ballroom of the Sheraton Cadillac Hotel and amid the pomp and glitter Marilyn was crowned Queen Oct. 12, at the annual Japanese-American Citizens League, Detroit Chapter Ball. (l-r) Sarah Shirane, daughter of Mr. and Mrs. Kay Shirane, and Shirley Kinoshita, daughter of Mr. and Mrs. Gus Kinoshita, were selected as princesses. They will reign during the 18th Biennial National Convention of the JACL to be held in Detroit July 1-4, 1964. During intermission a skit taken from Oscar Wilde's "The Importance of Being Earnest" was presented by actors Charles Campbell, vice-president of the Detroit Chapter; his mother, Mrs. Campbell, and JACL member, Mrs. Betsy Tagami from Livonia. An honor graduate of Bentley High School Miss Nagano is now attending Wayne State University.

### Engaged

Mr. and Mrs. John Boata of Kinloch Avenue announce the forthcoming marriage of their daughter Crystal Jean to L. W. McQuiston, AO-2, the son of Mr. and Mrs. Loyal McQuiston of San Jose.

The wedding ceremony will take place Dec. 21st at the Aldersgate Methodist Church. Miss Boata is a Thurston High School graduate and is now employed at the Beckman Instrument Co. of Fullerton, Calif.

The young couple will make their home in Calif. at the China Lake U. S. Naval Air Facilities Base, where the groom to be is now stationed.

Engineering Wives Meet, Sew Toys

The Engineering Society of Detroit Junior Club will meet on Nov. 6, at 8:00 P.M. in the Rackham Building.

This meeting will be conducted by the Community Services committee. They plan to stuff and finish toy animals that will be distributed by the College Women's Volunteer Services in charity hospitals, state institutions, Traveler's Aid, etc. This will be an excellent time to pick up ideas for inexpensive and personal gifts for the coming holiday season. Please don't forget to bring your discarded nylon hose, the committee really needs them to stuff the toy animals.

### 3 Plymouth Seniors Commended For High Scholarship

Three seniors at Plymouth High have been honored for their high performance in the National Merit Scholarship Qualifying Test given last spring. Each will receive a Letter of Commendation signed by Principal Carvel Bentley and the president of the National Merit Scholarship Corporation. Assistant Principal Robert Smith announced the three receiving the commendations. They are: Cynthia Holly, daughter of Mr. and Mrs. Charles Holly, 14061 Robinson; Jane Vallier, daughter of Mr. and Mrs. Archibald Vallier, 338 Penniman Ave.; and Kevin Huntington, son of Mr. and Mrs. Merle Huntington, 302 Sunset. John M. Stalnaker, president of the National Merit Scholarship Corporation, stated: "About 32,000 students throughout the country are being awarded Letters of Commendation in recognition of their outstanding performance on the qualifying test. Although they did not reach the status of semifinalists in the current Merit Program, they are so capable that we wish to call attention to this way to their achievement and academic promise. "The semifinalists and commended students together constitute about two per cent of all high school seniors. This certainly signifies noteworthy accomplishment by all of these bright youngsters."

### Guild Names Jim Blackman Play Director

Theater Guild President Effie Kuisel announced the appointment of James Blackman, 9253 Ball, as the director of the forthcoming children's play, "Jack and The Beanstalk." Tryouts will be held in the Plymouth High School auditorium on Nov. 15 from 7:30 to 9:30 p.m. Director Blackman urges anyone interested in either acting or backstage work should appear at the tryouts. Blackman has had two previous directorial assignments for the Plymouth Theater Guild. Five featured roles (the giant, his wife, Jack, his mother, and the Cow) make up the unusual list of characters for "Jack and The Beanstalk." Four performances will be given at the high school for all the elementary schools in the Plymouth area.

### Plymouth VFW Auxiliary Lists Tasty Menu

Starting at 1 p.m. and lasting throughout the day till 5 p.m. on Sunday, Nov. 10, VFW Ladies Auxiliary 6695 in Plymouth will serve approximately 160 people per hour. This will be their 15th annual Smorgasbord Dinner. Chairman Geraldine Olson and her committee promise a menu of roast beef, ham, Swedish meatballs, au gratin potatoes. Chairman Lucy Johnson, German style green beans; chairman Shirley Kubik, spaghetti; chairman Helen Luttermoser, Mexican corn, potato salad; chairman Marion Skoglund, cole slaw; chairman Jane Diekmann, deviled eggs; chairman Dorothy O'Reilly, molded salads. Chairman Adeline Packer, cranberry relish; chairman Lou Archer, assorted relishes and cheese; chairman Millie Drake, assorted breads and fish; chairman Gertrude Danol, ice cream and cookies; chairman Claudette Krumm, milk, and chairman Beverly Zauha, coffee and tea. Tickets may be purchased or reserved by calling GL 3-7597 or by contacting any member of the auxiliary. The committee assures everyone that there will be as much and as varied a Smorgasbord table at the 5 p.m. serving as there is at the 1 p.m. serving.

### Rebekah Lodge Honors President

Plymouth Rebekah Lodge No. 182 honored its past noble grands at its regular meeting Friday, Oct. 25. Refreshments were served following the meeting and each of the ten past noble grands present was given a lovely plant. Initiation will be held at the next meeting on Friday, Nov. 8, when two candidates will receive the Rebekah Degree which will be exemplified by the South Lyons Rebekah Lodge. All members are urged to attend. Mabel Hunter and Lydia Drews returned home Wednesday, Oct. 23, from Grand Rapids, where they had spent four days as representatives to the Rebekah Assembly of Michigan.

### Forum Group Meets On Your Problems

Plymouth's youth problems and need for a youth center will be discussed in a hearing of the Steering Committee of the Citizens for the Plymouth Community Wednesday night (tonight) at 8 in the library of the Junior High East. The 15-man committee, headed by School Supt. Russell Isbister, has invited representatives of all organizations in the community, including churches, which have youth programs. Each representative has been asked to describe the work of that particular organization in its youth program. The Steering Committee hopes to come out of the hearing with information that may be used to support or discount the need for a youth center in the community.

### IN SOLVING PHS VANDALISM

## Teacher Seeks Parents' Aid

(Continued from Page 1) Intrinsic value was of far more consequence than the cash value. These were slides which chronicled my Army assignment in France. They meant much to me. Among them were pictures of my father—the last taken of him before his untimely death. Poses of friends and events were also among them. These slides were never recovered. "In November, 1960, vandals destroyed various flags which had been student projects. Destroyed also were color posters, books, and a painting brought back from Europe. Each time I locked my door, each time it was unlocked in the morning. "In January, 1961—the time was between semesters and teachers were engaged in grading exams and marking cards—I inadvertently left my suitcase in my room. In less than an hour I returned. The suitcase was missing. Later it was recovered, having been torn, soiled, and trampled. "Some weeks later, the room was entered once more and ad-

ditional damage done. On this occasion, the damage was perpetrated between 8 and 9 o'clock in the morning during the time I was present at a student assembly. In the days that followed, the room was broken into at least twice more, and then for several weeks nothing happened. Practically every remaining item of value was 'locked' in my closet.

"It was during the spring recess that the last destructive act of 1961 occurred. This time, the closet was entered. My record player was broken, eight LP records smashed, hundreds of bulletin board display items were ripped, more books were shredded, and, most sadly of all, a valuable color poster collection totaling over 70 large posters was destroyed. Many of these are now out of print and cannot be replaced at any cost.

"I never received any compensation for these losses—totaling over \$400—and was told that any personal items brought into the classroom were my responsibility. You might wonder why I brought them.

"I believe in my profession. I enjoy my work. I derive much satisfaction working in my field—foreign language—with high school youth. I try to make my classes lively, interesting, and challenging. It is for these reasons that I bring to the classroom more than a textbook and a gradebook. It would be inconceivable for me to do otherwise. Yet, the losses to personal and school property mount, and I'm beginning to have doubts.

"You ask how all this ties in with the recent homecoming celebration. As I mentioned, many of the graduates were there. To me, it seems far more than a coincidence that the vandalism occurred on this particular weekend and not on some other. The act followed exactly the same pattern as those during the 1960-1961 school year.

"It was a known fact that some students openly joked about the vandalism. Names were mentioned. Some were mentioned numerous times. However, even though I'm convinced that students knew the guilty persons, none had the courage at that time to come forth with the names.

"I've never encouraged students to inform on others, but I think the situation has far surpassed the level of the 'practical joke.' Not only are money and personal feelings involved, but the good name and honor of all Plymouth students, as well as, perhaps, the good name of the community.

"I make this appeal to all students, former students, and to their parents. Please contact me with any available information, be it concerning stolen items or possible persons involved. I cannot believe that a large amount of information has not been withheld. I cannot believe that parents and/or former students have not heard mutterings about these acts of destruction and maliciousness.

"Much as I have a great affection for my students and implicit trust in 99 per cent of them, I do not feel I can effectively teach until some light has been brought to bear on this ugly situation and the guilty parties apprehended. Please know that I am not condemning the Plymouth Student Body or today's youth in general. I have never been one to sell students short.

"I am grateful for, and frequently amazed at, their many achievements. I cannot by the current jargon which labels youth 'the lost generation.' However, this good image has been blurred, blurred by the actions of a handful of students who, apparently, still take strange pride in their ability to destroy. "I feel confident that results will be achieved and that these vicious acts will cease. Counting on the support of all parents, students, and former students, I am,

Sincerely,  
John Hopkins  
Teacher of French  
Plymouth High School

STUDYING PLANS for the new Professional Building under construction on Sheldon Road, north of Bird School, are: Plymouth Township Clerk John McEwen, Dr. David McCubrey, Builder Loren Gould, Dr. Walter Hammond, Township Treasurer Mrs. Elizabeth Holmes and Township Supervisor Roy Lindsay. Gould hopes to have the building ready for use within four months and expects to have eight doctor tenants. Dr. McCubrey and Dr. Hammond are the first to sign contracts. The footings are in as the picture shows, and workmen will begin the building shortly.

## Kiwanis Rummage Sale Rescheduled Nov. 8-9

There'll be bargains of all sorts up for grabs when the Plymouth Kiwanis Club sponsors its annual rummage sale in the basement of the Plymouth Community Credit Union on S. Harvey Street next Friday and Saturday, Nov. 8 and 9. That was the announcement of Vice President and Rummage Sale Chairman Marvin Terry at last week's meeting in Lofty's Arbor-Lil.

The sale was originally set two weeks ago but was postponed due to the inability of enough Kiwanians to make arrangements to attend and handle the sale.

Meanwhile, the Kiwanians are seeking articles and urge all interested in making contributions to get in touch with Terry at Terry's Bake Shop on Ann Arbor Trail in the downtown business section or any other member of the club. The Kiwanis rummage traditionally is one of the best of the entire year in the community and Terry and his committee hope to make this renewal the biggest and most successful to date.

Kiwanians heard the story of the Uniform Reciprocal Support Act from Steve Davidson, assistant prosecuting attorney of Wayne County. Davidson said the Act makes it much easier to collect non-support payments for children in Michigan in instances where the father has moved

to another part of the United States. The Act is national and in effect in each of the 50 states, making it impossible to escape prosecution by moving from one state to another.

Joseph Bida, superintendent of the Plymouth Department of Public Works, was introduced as the newest Kiwanian. He was presented with a Kiwanis lapel pin by Bill Lyons.

Both sales and earnings of Packaging Corporation of America, Evanston, Ill., advanced in the company's first fiscal quarter, ended Sept. 30. Sales totaled \$35,730,264, compared to first quarter sales of \$31,207,606 for the same period a year ago.

Net earnings after taxes amounted to \$1,359,564, equivalent to 35 cents per common share, compared to \$205,702 in the first quarter a year ago, which after provision for preferred dividends, was equivalent to 4 cents per share. Results of the immediate previous quarter, ended June 30, the final three months of the prior fiscal year, provide a more realistic comparison. Packaging Corporation of America had sales of \$34,702,665 and total net earnings of \$1,155,661, equivalent to 30 cents per share, for the three months ended June 30.

The Chiefs and youngsters in the Indian Guides will greet visitors to the Nov. 5 program in their Indian regalia and hope to have the largest attendance ever for such a meeting.

Newhouse, who has been interested in youth work since his retirement as a player, will tell of his years in baseball and his World Series experience. He plans to bring along movies of past World Series if available in the area at this time.

Gards of your choice will take up the afternoon program with table prizes. Call 453-3030 for tickets and all planning to attend are urged to get tickets early.

## Plymouth 'Y' Guides to Hear Tiger Great

Harold Newhouse, the great southpaw pitcher who played a major role in two American League championship drives of the Detroit Tigers and still ranks as one of the greatest left-handed hurlers in baseball during his career in the late '30s and '40s, will relate some of his experiences to Indian Guides of the Plymouth YMCA on Tuesday, Nov. 5 in the multipurpose room of the Junior High West. It will start at 7:30 p.m.

The program is one of the most outstanding ever arranged for boys from the ages of five to 12. Program Chairman Ken Leader has issued an open invitation to all fathers and sons in the community to attend. The Indian Guide program, designed as a father-son affair, is geared to have fathers join their sons (ages 5 through 12) in the home centered activities. It is divided into two tribes, the Chippewas under Chief Howard Bloom, and the Ojibways headed by Chief Jay Hannah.

The twice-a-month programs are designed to hold the interest of fathers and sons and include crafts, games and events of a similar nature.

The Chiefs and youngsters in the Indian Guides will greet visitors to the Nov. 5 program in their Indian regalia and hope to have the largest attendance ever for such a meeting.

Newhouse, who has been interested in youth work since his retirement as a player, will tell of his years in baseball and his World Series experience. He plans to bring along movies of past World Series if available in the area at this time.

## Facts, Opinions

(Continued from Page One) again damaging in its assessment of the health hazards of cigarettes.

Regular readers will recall that Facts and Opinions over a long period of time has argued that big bond issues should be used as rarely as possible to finance public improvements.

The reason: for every dollar spent on a bond issue, at least 60 cents must be added in interest charges and debt service. A "dollar" thus spent really is \$1.60 of taxpayer burden.

Now we note that the State of New Jersey is prepared to offer its taxpayers, on the ballot, a chance to approve two huge bond issues: one of \$475,000,000 for highway construction and another of \$275,000,000 for educational institutions.

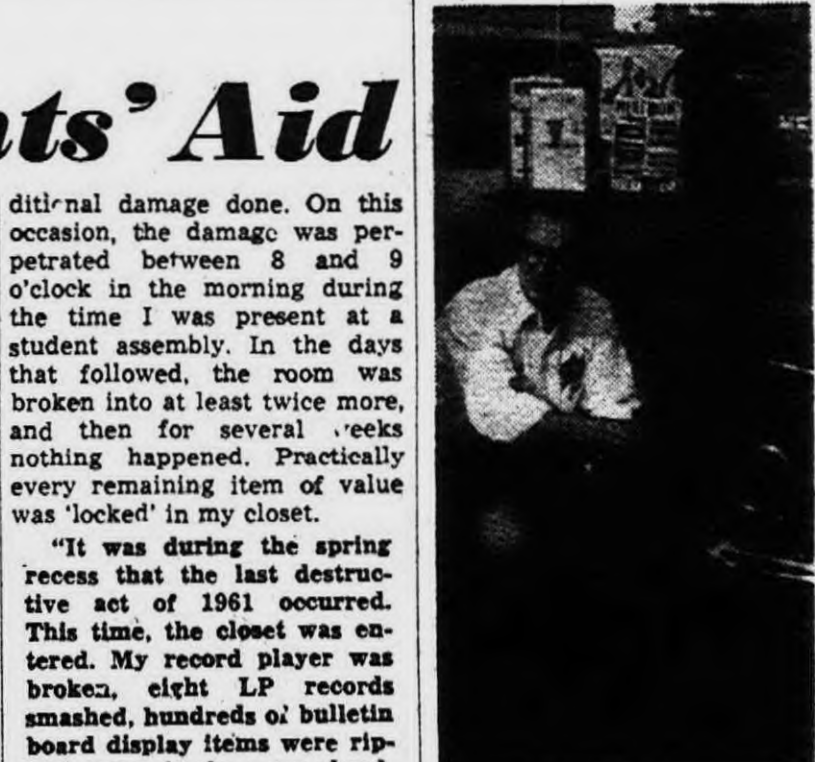

However—on the New Jersey ballot will appear also the information that the interest alone on the bonds will total \$585,000,000!

What would happen if the similar cost-of-interest figure was printed on our local ballots when the school districts go a-bonding for buildings?

Call 453-3030 for tickets and all planning to attend are urged to get tickets early.

CENT A GALLON to the Plymouth Community Fund for all gasoline sold on Wednesday, Thursday, Friday and Saturday of this week is the promise of Merit Williams, operator of the Standard Station, 789 Ann Arbor Trail in the heart of the downtown business section. Merit is shown filling the pump of a customer, something he hopes will be repeated over and over again during the four-day period.

## Rocks

(Continued from Page 1) SEVEN STARTERS and a total of 12 seniors will be making their final appearances for the Rocks in Friday's contest. The starters include: Ends, Capt. Dick Egloff and Terry Clark; tackles, Kevin Huntington and Dave Sackett; guards, Sandy Black and Hal Smith; and fullback Dave Agnew. Other seniors are: Halfback Charles Ruge, guards Dan Hawk and Herm Theeke; tackles, Mike Childs and Ricky Smith.

Tackle Hal Smith knew he was in a hot struggle against Bentley. The scales showed he dropped 19 pounds during the game in mid-summer temperatures.

Walled Lake poses a big problem for the Rocks anyway one looks at the game. In the first place, the Lakers are unbeaten and rank high in the weekly football polls.

In the second place, the offense is built around John Thomas, a senior quarterback who is reported to be one of the finest schoolboy stars in the Lower Peninsula. Thomas, son of Russ, former Detroit Lion star and now a member of the coaching staff, is an excellent passer, better than average ball handler and a tremendous ball carrier.

And that means the Rocks' defense will face their biggest task of the entire season. What a windup, a duel between two undefeated clubs, each the champion of its league and each determined to end the season with a clean slate.

## Rotary Cub Pack Meet At Starkweather

Plymouth Rotary Cub Pack 1533 will meet Wednesday (tonight) at 7:30 in the Starkweather School gym with the program based on the theme of "Make Believe."

New Boats in the Pack include: Kevin Blackmore, Ricky Brown, Alan and Randy Carpenter, Bradley Coyle, Charles Hurella, Jerry Crocker, Arnold and Hillary Hallam, Earl Hard, Lewis James, Cary Jordan, Mark Litzenger, Anthony Loiacono, Thomas McKenzie, James Menard, John and Mike Waldecker and Stephen Young. The next committee meeting is scheduled for Thursday, Nov. 14 at the Lawrence Grimes residence, 450 W. Ann Arbor Trail.

Garden City Tops List

200 File At Schoolcraft

Although opening day is still 10 months away, Schoolcraft College has received more than 200 applications from those interested in attending when classes start in August 1964.

That was the announcement of Registrar Norman Dunn who indicated the applications from the five segments of the college district include: Garden City 109, Livonia 55, Plymouth 10, Northville 9 and Clarenceville

3 with 16 from other sections. College officials plan on accepting 850 fulltime applications for the first semester and indicated that the policy will be to accept those from the college district first until the quota is reached.

Should there be vacancies on May 1, then applications from other districts will be accepted on the basis of the order in which they are re-

ceived. All applications are being dated and timed so that those registering now from out-of-district will be considered in that order. In the 24 months since the forming of the college district, the Board of Trustees has purchased a college site of 137 acres and awarded contracts for four buildings that will be ready for use when the campus opens in August 1964.

General policies have been set for organizing the college. Administrators have been employed to line up a faculty, to plan curricula, to organize business affairs and to develop application procedures. Students and adults have been given details of the college program, and a close working relationship has been formed with the school superintendents, high school principals.

FROM 14 COUNTRIES engineers gathered here for a Seminar sponsored by Kelvinator International Corporation. They were invited to learn of a new insulation material called Polyurethane foam. The coordinator for the Seminar was Joseph Ditzhazy of Elmira, in Livonia. The five-day Seminar included visiting companies and three cities in Michigan. One company visited had the flags of each country represented flying from their building, which was an impressive site to the visitors. (l-r) N. DeLeenew, Grand Rapids; T. Sulphur, Cadillac; L. COLD BEER and POP TO GO!

ANN ARBOR Road at ANN ARBOR Trail

"Young man in a hurry to go places and do things" was present at the Michigan Jaycee's Fall Board meeting at Mt. Clemens. Shown in the center is Richard H. Headlee, 33, National President of the U. S. Junior Chamber of Commerce. He is being greeted by Patrick Duggan (right), president, and Eric Cormack (left), vice president, of the Livonia Jaycees.

## 9th Graders Receive Blast For 'Annoying' 7th Graders

Those ninth graders seem to be at it again — making life wretched for seventh graders. An editorial in the current issue of the school newspaper for Bryant Junior High of Livonia deprecates the state of events. It was written by a ninth grader, Keith Kimble, who said, "most of the seventh graders came to school expecting to be treated decently by decent kids, but we ninth graders haven't come close to meeting their expectations."

(Other ninth graders disagree. "This is normal, you should have seen the pushing around we took when we were seventh graders," one of them told The Observer. "This is what you might call . . . tradition. Seventh graders should expect it.") The Editorial in the Bryant paper by Keith Kimble contended, however: "On Oct. 10, a full page of complaints as to the behavior of some of Bryant's senior students with regard to seventh

graders was brought to the attention of the Student Council by several seventh grade homerooms. "It seems that a few ninth graders (I think we have a fairly good idea as to who they are) have been picking on seventh graders by doing such things as pushing them in the halls, dumping and kicking their books, tripping them in the halls and spitting at them. "In one class alone, one boy's homework was thrown out the window of a moving

bus, a girl was slapped in the face for no apparent reason and another girl was hit with a rubber band, according to the complaints in the letter. Those are only the main complaints, as numerous kids have been bothered in other ways. This didn't start this year; it's probably been going on ever since schools were established. However, many people, including myself and a majority of ninth graders, I think, would like to see a stop put to this.

I hope the Council does form a committee to work on this and see if we can't give Bryant a good name for its citizenship, and I think much can be accomplished in this way this year. The small percentage of kids doing this sort of thing may scold this off and go on doing it anyway, but two years from now, it should be a different story. Today's seventh graders will remember what it feels like and go about their business. Just one more thing to the

wise guys who think that they're getting away with something: remember, next year, you're going to be the ones that are picked on." **Jefferson Students To Hear Naturalist** Students at Jefferson Elementary School in Livonia will hear a lecture on "Michigan Rocks and Soils," and "Nature's Colors" by Richard Mortmore, naturalist for the Huron-Clinton Metropolitan Authority on Monday, Nov. 25.

**PTA NOTES**

**Editor's Note:** The Livonian Observer will print notices in this column and important information concerning all PTAs in the Livonia School District. We render this weekly service in the hope that individual notices may be eliminated and the money and effort of the PTA people diverted to other activities in their school.

**HULL**  
Fundamental but very essential to the pupil, parent, and teacher is the way to describe this month's PTA program. "How to Get the Most From Your Parent-Teacher Conference" is the program to be presented by Hull PTA Tuesday, Nov. 5.  
The program will consist of a film showing a parent-teacher conference followed by a question and answer, period conducted by Robert McCann, Hull School Principal.  
Generally the fathers do not have the opportunity to attend and discover what a parent-teacher conference accomplishes or could accomplish. Therefore, this program will not only try to increase the participation of some parents in the conference, but also seek to enlighten the fathers as to what they may expect.

**HAYES**  
At an emergency meeting on Wednesday, Oct. 23, the board of The Hayes PTA sadly accepted the resignation of their President, William Picek. New President is Clark Terry, former Vice-President; new Vice-President is Mrs. Lloyd Zander, former Treasurer; and the new Treasurer is Donald Wolf, PTA Representative to Livonia School Board Advisory Committee.  
The Nov. 4 meeting will be DADS NIGHT but also fun for all. Mothers are invited to come if they don't own shine Dad in basketball or volleyball. Dress will be informal with Mothers insocks and Dads in something comfortable. The activity starts at 8 p.m. Refreshments will be served.

**JOHNSON**  
Johnson Elementary School PTA meeting will be Nov. 5 at 7:45. There will be a short business meeting followed by grade-level planning sessions, where parents will be able to identify topics or areas pertinent to them. Follow-up activities will take place in February and April when these topics will be looked into thoroughly. Grade level meetings can be very beneficial since areas of interest and importance to parents can be directly focused upon.  
Also at the Nov. 5 meeting parents will be able to register to vote in the event they had not found it convenient to do so previously. Refreshments will be served at the conclusion of the meeting.  
Johnson's October PTA "Open House" was very successful. Mr. Bedford, PTA President, reports that there was a full turnout. Mr. Hoffman, Principal, introduced the teachers, and parents visited the rooms of their children.

**WILSON**  
Next meeting of Wilson School Parent Teachers Association will be at 8 p.m., Monday, Nov. 4. The panel discussion will be interesting to all members of the Wilson area. It is titled "Pupil Personnel Services," a discussion on the service supplied to very special children. There will be audience participation and a panel consisting of V. Wenzel, Coordinator; Mrs. P. Clinton, Speech Correctionist; Mrs. E. Levi, Visiting Teacher; Mrs. I. McLellan, Type "C" Consultant;

and R. Westley, Psychologist.  
Wilson will be having a Christmas Mart Dec. 2. Mrs. Kay Eidt, GA 7-5580 could use all the volunteers that would care to call her, plus their friends.  
Members are asked to circle Feb. 3 well in advance as Judge H. Lincoln, Probate Court, Juvenile Division will come to Wilson PTA meeting and talk on the subject "Your Child and the Juvenile Court."

**GARFIELD**  
The Garfield School P.T.A. is planning a Harvest Holiday carnival to be held on Saturday, Nov. 9, from 11:00 a.m. till 4:00 p.m. There will be a pre-sale of tickets at school on Tuesday, Nov. 5, in the morning and afternoon.  
Take a holiday and come on over and see the Roving Clown, cartoons, Larry Thompson magician, white elephants, cake walk, handicrafts, games of chance a bake sale, and lots of good food. Our local youth groups participating will be: The Avantes, Boy Scouts, Cadette Girl Scouts, and Cub Scouts.

**CLEVELAND**  
Cleveland School P.T.A., General Meeting, Nov. 4, 7:30 to 9:30 on Community Hobbies and Exhibits.  
Parents and children are invited to bring all their hobbies and exhibits to place on display. Their will be a short general meeting, after which, the hobbies and exhibits can be viewed.  
Baby-sitting will be provided for all pre-school children by the Girl Scouts. Refreshments will be served to all adults and children.

**COOLIDGE**  
"Your Child's Health and Physical Fitness" was the title of a talk given by Livonia Schools Physical Education Consultant Marvin Lieberman before a meeting of the Coolidge School PTA Tuesday, Oct. 29.  
Following his talk, a film-strip concerning physical fitness was shown. A short business meeting preceded the program and refreshments were served after the program.

Tuesday's talk continued the current theme of the Coolidge PTA, "The School's Role—Enriching Your Child's Life." This year, PTA meetings will be preceded each month with an Open House at 7:30 p.m. where parents may visit their children's rooms. An attendance plaque is awarded to the room having the highest percentage of parents present at each general meeting.

**Junior Great Books Leaders Needed**

In January the Great Books Foundation will again send an instructor to this area to conduct a Junior Books Leadership Training Course. This course, which trains the potential leader in the art of the Socratic method of questioning, will consist of eight two-hour workshops, held locally once a week. Adults wishing to register may do so by calling Mrs. Rock at GA 1-2087 before Nov. 8.  
Great writers and thinkers of the past, the authors of the Great Books, are the real teachers in Livonia's Junior Great Books Program. This year approximately 125 Livonia youngsters in grades 5 through 12 are the learners, giving and getting ideas by reading, questioning, answering and listening.

These participants meet monthly in small informal groups to discuss readings by such authors as Dickens, Tolstoy, Kipling, and Poe. To help the students understand the major issues found in a great book, two trained adult leaders guide these discussions, not by giving answers but by asking questions that encourage the youngsters to think for themselves.  
"It's exciting to be able to help these eager students to stretch their minds and grasp the timeless ideas that are found in great literature," according to Mrs. I. J. Rock, one of the leaders in the Livonia program. "Leaders have the opportunity to grow in their understanding of young people and in their ability to communicate with them, as well as to develop their own critical powers." she said. "The children learn to read more accurately, express themselves more clearly and listen to the opinions of others with respect," she added.  
Livonia is one of the few communities in the country which has the Junior Great Books Program, now spreading to various cities as leaders become available. If the program is to continue to accommodate all interested children here new leaders must be trained to keep up with the increasing demand.

**'The Reader Speaks Up'**

**Open Letter To Community From Parents Of Armen Warterian:**

We, the parents of Armen Warterian wish from the bottom of our hearts to thank all the friends and neighbors who so willingly donated blood for Armen when he needed it most; even some who did not know him. Also "thank-you" to those who tried to donate but could not.  
We also, with the deepest gratitude, wish to thank the Stark School for the biggest tribute a pupil ever had, to have the flag flying at half-mast. Thank you to the Superintendent of schools for granting permission for the flag to fly at half-mast.

Thank-you to all the teachers and pupils for sending Armen all those cards, letters and gifts which made him so very happy while in the hospital.  
And to thank those that donated towards the books in Stark School as a memorial of Armen Warterian.  
And a special thank-you to all the generous neighbors for their help.  
Ever Grateful,  
Mr. and Mrs. Jack Warterian

**HERBOLDS ENJOY BRIEF VISIT OF DAUGHTER**  
Paying a flying visit to hometown Plymouth this week was Karla Herbold Davies and her husband Stafford. She stayed with her parents Dr. and Mrs. William Herbold of Penniman Avenue while her husband was conducting a seminar in Chicago. They returned the latter part of the week to their home in New York City.

### Police Seek Teen Pair in Purse Grabbing

Livonia Police and officers of the Wayne County Sheriff's Road Patrol are seeking two teenaged purse-snatchers who grabbed a purse from Mrs. Norman Morrell, 9848 Denne Drive, Livonia, at the entrance to the A&P store, Merriman and Joy Roads.

Mrs. Morrell told officers she was almost to the door when the two teenagers jostled her, snatched her purse and took off through the parking lot.

She called for help and the Road Patrol was on hand within minutes but failed to find any trace of the pair. The purse was located near a fence around the parking lot but all contents were gone.

Mrs. Morrell told police the purse contained \$60 in cash and all of her personal identification cards in addition to charge plates, her driver's license and other important papers.

### Demel, Scully Head Board At Madonna

Jerry Scully, of 36060 W. Chicago, Livonia, was elected vice president and member of the Madonna College Advisory Board at a meeting last week.

Earl Demel, attorney and counselor in Plymouth, was elected president.

A resolution of tribute was passed to honor the late Dr. Oscar Rosbalt, of Livonia, who acted as chairman of the Advisory Board.

The president, Sister M. Raynelda, announced the five new members of the Board, including: Judge T. Machrowicz, G. Hawkins, Ed Carry, Anton Jakobs and Dr. Gerard Hassett.

Experience teaches a man that it is easier to count his friends than to count on them.

# Clarenceville School Head Raps Charges of Lower Scholastic Rating

Editor: Letters to the editor are often enlightening. Attached is a letter which is being sent to the writer of one letter.

Sincerely,  
L. E. Schmidt,  
Superintendent,  
Clarenceville Schools

### Livonian Gets Promotion at Steel Firm

Robert Paulsen, Jr., who resides at 30133 Westfield in Livonia with his wife, Lee, and three children, has been appointed general sales representative at the Detroit service center of Joseph T. Ryerson & Son, Inc.

The promotion was announced by Detroit General Manager Vernon Rogers.

Paulsen began his career with Ryerson as clerk in the service department at Detroit in 1949. Since then he has served as dispatcher, claims adjuster and as a member of the inside sales staff.

A native of Detroit, Paulsen attended Wayne State University, Detroit Institute of Technology and Henry Ford College.

has existed for many, many years. In fact, Clarenceville had high school seniors graduating at least eight years before Livonia-Bentley had a graduating class. This community, in effect, provided full secondary education for their youngsters. This was due, in part, to the fact that Livonia, as an individual school system, developed about 1942. Clarenceville consists of the area in the Eight Mile-Grand River portion of metropolitan Detroit in which there had been a community of interest for many years. As a result of the community of interest, schools developed at a more rapid pace than in certain other areas.

I am not interested in belaboring any particular points. I am, however, concerned with soliciting your help in obtaining the documentary evidence by which you indicate that Clarenceville has a much lower scholastic rating than Livonia. Both the Livonia Schools and the Clarenceville Schools are accredited by the University of Michigan. Both have the highest accreditation possible which is a four-year approval. Both Clarenceville and Livonia Schools are members of the North Central Association of Colleges and Secondary Schools. There is no higher accrediting agency to which either of us, at this time, could belong. Both Livonia pupils and Clarenceville pupils, as a result of this membership, are treated alike when entering any type of advanced educational program at any college or university. Both school districts are in the Schoolcraft Community College area. Because of this I am concerned, especially because of the desire of the administration and the Board of Education, in the providing of an adequate program for youngsters that we obtain information when someone has evidence such as you intimate

in the statement "that Clarenceville has a much lower scholastic rating." The Board of Education of the Clarenceville School District meets on Thursday evenings in the Board of Education office. All Board meetings are open meetings and I am sure that the Board of Education would be interested in your attending to receive additional information on the operation of the school district. I have one additional comment, not relative to the schools; however, it is relative to the remarks of the editor, Mr. Paul Chandler. I would like to state the following: I have talked with Mr. Chandler on numerous occasions and I know Mr. Chandler's point of view. Recently Mr. Chandler, the Mayor of the City of Livonia,

Mr. Harvey Moelke, and myself were in conversation relative to the City of Livonia and schools. At that time Mr. Chandler remarked that he did not feel that that portion of the Livonia School District which lies outside of the City of Livonia should be a part of the Livonia School District. In effect, Mr. Chandler would orphan the Nankin group, which is a part of the Livonia School District as well as to orphan the Farmington and Redford sections of the Clarenceville School District. He has every right to his opinion. However, those of us involved in the education of children have come to be more concerned about the education of children than the politics that may be involved in organization.

might be added that for over 20 years there has been continual discussion, generally by new people who move into the area, that the Livonia School District and the Clarenceville School District should combine. However, the Boards of Education could not wait for that to happen but had to continue educating children which they have been doing for years. In the area in which you live, there are three members of the Board of Education of the Clarenceville School District: Dr. Martin Wechsler, who is a professor on the staff of Wayne State University; Mr. Raymond Chaiken, Chief Mechanical Engineer and Plant and Equipment Engineering, Steel Division, Ford Motor Company; and Dr. Herbert Kagen, a professor on the staff of the De-

troit Institute of Technology. Other members of the Board of Education are: Dr. Samuel Prisk, a practicing dentist; Mr. Fred Bailey, who has been in the contracting business for years; Mr. Richard Wood, a graduate of Clarenceville High School, who works in the offices of the Ford Motor Company; and Mr. Thomas Wilson, Supervisor in the Research Laboratories at Hydromation Engineering Co., a plant in the City of Livonia. All but Mr. Wood have youngsters in school at the present time. Mr. Wood's children will be enrolling as soon as they reach the age of enrollment. In closing, may I petition again for your evidence regarding scholastic ratings of Clarenceville Schools and Livonia Schools.

Very truly yours,  
L. E. Schmidt  
Superintendent  
(Editor's Note: The Superintendent puts words in The Editor's mouth, and we object. The Editor believes that there should be only one school district serving a single large city, such as Livonia. He would not "orphan" any areas but would join small, dependent areas to larger districts. But we would not divide up a single city among two or three or four school districts; making it a community where the citizens equally share privileges and responsibilities except for that of education . . . where some pay more, some less, for education which can vary widely in quality among youngsters of the same community.)

## ANOTHER CUT IN PRICES FOR THE LAST 3 DAYS

# DAVIS & LENT

You'll hardly recognize the old Hugh Jarvis Store . . . except that you'll meet the same people, the same friends . . . But why not come see for yourself!

Free Gifts to the Ladies Thursday, Friday and Saturday

852 W. Ann Arbor Trail, Plymouth

Local Teacher Leads State Hearing Group

At the fall business meeting of the Michigan Speech and Hearing Association, held in early September, at Boyne Mountain, William Stephenson, Service Section Chairman, Speech Correction, Livonia Public Schools, was selected as President-Elect by the membership.

FIFTY DOLLARS in pennies was the prize for the monthly promotion of the Livonia Shopping Center (Farmington-Five Mile). James Kennedy was the lucky winner and "never has won anything before". (above) Don Roach, junior and senior of Roaches Rexall Drug Store in the Center, each hand a bag full of 25 dollars in pennies to Kennedy. He is from New York and moved

to Livonia last February on Marshall street with his wife and two children. He is an engineer with Ford Motor Co. Asked what he was going to do with all the pennies, he assured the Roaches he would take them home to his wife and she would manage to dispose of them. Next month the Center will have a drawing for paid expenses in Florida for two.

Costumed Convassers to Seek Aid for Underprivileged Kids

Children in economically-deprived areas throughout the world will be aided in a special Halloween Drive by Jackson School students in Livonia on Halloween.

The youngsters, bearing special bright orange canisters, will be collecting pennies for the United Nations International Children's Emergency Fund (UNICEF). Funds will be distributed by UNICEF to needy youngsters.

The next Jackson PTA meeting will be held Dec. 5.

In another Halloween drive, teenage girls from Franklin High School will collect candy for underprivileged children at Plymouth State Home and Training School.

The drive is being conducted by members of the Future Nurses Association at the school. They will wear special identification badges, according to Jackie Anson of the club.

List Winners In Duplicate Bridge Tourney

Winners of the open pair championship tournament sponsored by the Livonia Duplicate Bridge Club on Thursday, Oct. 24 have been announced by club officers.

The winners included: Madelyn Ebersole-Phyllis Spoker, Mary Cohn-Brooks Hughes, Jim McCune-Jim Smith, Milan Majorov-Dr. Harelik, Al Barnes-Fred Hart, Edith Ryan-Earl Jones, and Hilda Kelly-Bob Quinn.

Section A—North and South: Marty Cohn-Brooks Hughes, Morton Riger-Ray Berk, Marg Paynter-Dorothy Johnson, Peg Hubbard-Bob Slade; East and West: Jim McCune-Jim Smith, Hilda Kelly-Bob Quinn, Lauretta Oskaf-Fern Berlin, Jack and Dorothy Christopher.

Section B—North and South: Cora Mitchell-Marten Thompson, Bob Hall-Bob Watt, Vic Ross-Ike Sarason, Don Weinmuller-Dr. Paul Rosholt, East and West: Milan Majorov-Dr. Harelik, Lois Ursem-Julian King, Eunice Cruesen-Mary Rapin, E. L. Barbee-C. L. Davis.

Section C—North and South: Al Barnes-Fred Hart, Edith Ryan-Earl Jones, Ed Moorhead-Larry Weisman, Elmer and Vic Darling; East and West: Phyllis Spoker-Madelyn Ebersole, Charlene Janke-Dorothy Klipper, Joe Kuny-Dick Backsenato, and Bob McKelvey-Virginia Simon.

Man in Service

Marine Private John P. Neenan, son of Mr. and Mrs. Timothy Neenan, 27871 West Chicago Rd., Livonia, has completed the four-week individual combat training course at the Second Infantry Training Regiment, Marine Corp Base, Camp Pendleton, Calif.

Homemaking Books, Funny and Serious In Livonia Library

In recent years, according to Librarian Skip Rosenthal, publishers have tried to meet the needs of the woman who is keeping house and also working either at a job or in community affairs.

One of the most recent guides to successful homemaking is the revised and enlarged edition of Mary Gillies' "How to Keep House." It discusses such subjects as cleaning tools, cleansers, home management, appliances, household pests, budgets, money handling and a wide range of other household problems. Another excellent guide is the revised "Good Housekeeping's Guide to Successful Homemaking," which covers everything from furniture to food.

A homemaking book which will brighten anybody's day is Peg Bracken's recently published "The I Hate to House-keep Book." It contains a great deal of practical information which will help take the drabness out of housekeeping in addition to being extremely funny.

"Management in the Home," by Lillian Gilbreth, tells the homemaker how the work simplification techniques of industry can be applied to housework.

The Livonia Libraries are open as follows: Monday through Thursday, 12-9; Friday and Saturday, 9-5, South Branch, 33720 Plymouth Road, GA 7-1990; Carl Sandburg Branch, 30100 W. Seven Mile Road, 476-0700.

Civil Rights Guest Speaker

Deputy Attorney General for the State of Michigan, Leon Cohan, will examine the "Civil Rights Provision of the New State Constitution" at the Sunday, Nov. 3 meeting of the Livonia Citizens for Better Human Relations.

Starting at 9 p.m. the session will be held in the United Hebrew School Building, Seven Mile Rd. at Osmus.

The meetings of the Livonia Citizens group are open to all residents who wish to uphold and further the cause of human dignity in present and future members of the community.

Council Sponsors Tour of Schools

Proud of its city and wanting to show it off, the Livonia Council of PTA is sponsoring a "Tour of Livonia and Its School District" on Nov. 23. The tour will give all residents an opportunity to see first hand the growth of the city, the extent of its school system, the cooperation between the city and schools in the multiple use of the schools and school property, and the quality of education offered in Livonia.

The cost of the tour is being underwritten by the PTA Council. Although school buses will be used, tax monies will not be used for this purpose as the Council has assumed the cost.

This tour offers an unusual opportunity for the taxpayers to see first hand how they have helped build a well-planned city and school system, the tremendous growth that has taken place in the last few years, and a look into the future plans for our rapidly growing city and its school system.

Present at the first steering committee meeting were PTA Council representatives, the manager of the Chamber of Commerce, City Planner, Superintendent of Parks and Rec-

reation, Director of Public Works, representatives from the Board of Education and school administration, and a Senior Citizen.

Specific details of this tour will be forthcoming. You are asked to mark your calendar now; remember, November 23—"Tour of Livonia and Its School District."

Bentley Yearbook Wins 3 U.S. Awards

Dr. Donald E. Friedrichs, Bentley High School principal, has announced that Bentley's 1963 yearbook, the "Pioneer," has won three top national awards. The awards, granted annually to member schools of three national school press associations, were received this fall.

Editor-in-chief Lynne Haley, now a freshman at University of Michigan, selected "The Staircase to Maturity" as the theme for the 1963 book. Staff members then carried out the theme throughout the book with art work, photographs, and copy.

Editorial staff for the 1963 book included Sara Roddenberg, academics editor; Janet Hill, activities editor; Ted Peterson, Sports editor; Pam Huzzard and Nancy Schultheis, student business managers; Wilma Wetterstrom and Judy Carr, underclassmen editors; and Bob Dillon, photographer.

Work on the 1964 Pioneer, under the direction of editor-in-chief Wilma Wetterstrom, is

already underway, with printing date set for early May, 1964.

LYNNE HALEY

JOHNNY GINGER, popular television personality, will headline the floor show at the Thunderbird Inn, on Northville Road in Plymouth, on Nov. 7, 8 and 9. Ginger will perform twice nightly during the three-night run.

# BID NOW TO FINISH UNBEATEN CAMPAIGN Rocks Champ 6 Times in 10 Yrs.

One goal accomplished, Plymouth High School's football team Friday night shoots for a complete sweep.

The No. 1 target of the Rocks was to capture the Suburban Six League title. That they did by beating Bentley, 14-6, last Friday evening to give Plymouth a record of four wins and one tie in league action.

Now the Rocks have their eyes glued on an invasion of Walled Lake this Friday evening for what shapes up as one of the classic prep grid games to be played in Michigan this season.

Both teams will take the field with unbeaten records. Plymouth has copped six and tied one overall. Walled Lake has ripped apart seven

straight rivals. Besides an unbeaten campaign, Friday night's winner also will wind up with a prominent spot in the Michigan Class A rankings. Plymouth rated No. 10 a week ago.

The Rocks will be bidding for their fourth season since 1952 in which they haven't lost. In '52, Plymouth finished 9-0. In 1954, the team had seven wins and a tie. In '57, a year which saw the schedule reduced by two games because of a flu scare, Plymouth captured all six of its starts.

In taking the league crown this season, Plymouth racked up No. 4 in the conference in eight years under the coaching of Mike Hoben and No. 6 in 10 years. "This was probably the best-

balanced team we have had around Plymouth in a long, long time," declared Hoben in the locker room as the Rocks celebrated their championship.

"We had a hard-hitting team and one without any particular stars. Each kid gave his very best and this all added up to a wonderful season in the league. But we still have one to go."

The Livonians gave Plymouth a battle . . . and then some.

A couple of breaks made the difference in the final analysis. One was a bounding pass, the second a fumble. Each was turned into a Plymouth touchdown.

The Livonians kicked to the Rocks on their 30 at the outset, Dave Agnew and Roger Tobey carried for a first down on the Rocks' 40.

On the next play, came the Rocks' No. 1 break. Ace-passer John Daniel slipped back and let the ball go. The pigskin hit a Bentley receiver on the Bentley 45. The ball bounced high . . . and for a moment appeared it might fall to the ground.

But Gary Grady of Plymouth was "Johnny on the Spot." He stuck out his hands, hauled in the ball and set off for the goal line. The speedster made it with no trouble and Plymouth had an early 7-0 advantage when Roy Chappell booted the conversion.

There was no further scoring in the first half. Plymouth bogged down by considerable penalty trouble. In fact, the final statistics showed the Rocks being pushed back 135 yards by the officials to 15 for Bentley.

Seven of the penalties measured 15 yards. Six were five-yarders.

Shortly after the third quarter started, the Rocks punted to Bentley. A fumble cost the Livonians the ball, the Rocks recovering on the Bentley 35.

Tobey and Grady carried to the 15. Then a neat bootleg pass from Daniel to Dick Egloff put the ball on the Bentley two from where Agnew crashed across. When Chappell again converted, Plymouth had a 14-0 advantage and also had completed its scoring for the night.

Plymouth reciprocated in the fumble department. Bentley covered a Rocks' miscue. In short order, Bentley had its only touchdown on a 60 yard march.

A fine run by John Plumley on a fourth-and-nine situation to the Rocks' two put the ball in easy scoring range for Plumley himself to cut over.

The defensive play of Egloff, Hal Smith and Kevin Huntington stood out for Plymouth. Agnew's running up the middle, plus the work of Tobey, Grady, Terry Clark and Daniel marked the Rocks' offensive efforts.

When it came to statistics and ball movement, Plymouth made 149 yards rushing and 83 yards passing along with 15 first downs. Bentley gained 145 yards on the grounds and 35 yards passing. The Livonians

## Two Livonian Dads To Watch Sons Perform For Alma

Saturday is Dad's Day at Alma College when the Scots entertain the Albion College Bulldogs and parents of two Livonian gridgers will be there to cheer for their sons.

Matter of fact, Rev. Richard Dunkelberger, 32501 W. Chicago, and Joseph Portney, 30552 Grandon, will be seated with the players on the Alma bench while their wives enjoy the festivities from the stands.

Rev. Dunkelberger is the father of Michael and Mr. Portney will be rooting for Paul, both members of the Alma varsity squad.

Dads and mothers will join with the players and the coaching staff for the traditional "Dad's Day" dinner following the game.

totalled 12 first downs.

Coach Larry Joiner of Bentley naturally was pleased with his players' showing . . . even in defeat.

"The kids made Plymouth fight all the way. There could be no relaxing for the new champs."

Bentley ends its season this

Friday night, meeting Franklin at Bentley for the first Livonia city championship. It marks the first time Bentley and Franklin have been scheduled for football action.

The series has all the earmarks of developing into one of the best staged annually in these parts.

Bentley has sagged since getting off to a great start. The Livonians won their first two games, then gained a tie. For the last four Fridays, the story has read the same: Defeat.

A win over Franklin Friday night would help soothe some of the Bentley wounds.

**SMILING CHAMPIONS** of the Northwest Suburban League are these members and coach of the Franklin High cross-country team. The harriers won six straight dual meets, after an opening loss, and then romped off with the league crown a week ago. It was the first champion crowned in the loop and the first title for a Franklin team. The group includes: (from left) Co-Captain Eric Dahlberg, Tom Lee, Craig Roberts, Gary Schoeneman, Gary Francis, Rod Krimmel and Coach Dave Juhnke. Co-Captain Dick Burkett missed the picture due to illness.

## Conversion Decides Battle; Thurston Next

### RU Clips Belleville in Thriller

They called it an upset — Redford Union high school beating Belleville in a wild football battle by a 26-25 score at Belleville last Friday night.

Coach John Rogers had to disagree.

"I knew we were ready to explode against somebody," he said afterward. "We exploded all right, but our defense did a little, too. Fortunately, we were saved by an extra point."

The victory gave Redford Union a final 3-2 standing in the Suburban Six League. The title, as reported elsewhere on this page, went to Plymouth.

Belleville closed out with a mark of two wins, a loss (to R. U.) and two ties.

Since in most standing tabulations, two points are awarded for a victory and one for a tie, R. U. and Belleville could be considered as having deadlocked for second for 1963 in the Suburban Six League.

The finish was a comedown for Redford Union. The season previous had seen R. U. share the league flag with Allen Park.

As the score reveals, the R. U.-Belleville encounter belonged to the offense.

Not only did each side score four touchdowns, but Redford Union rolled to 360 yards and 17 first downs while Belleville picked up 352 yards and 13 first downs.

Yet, there were some glittering defensive maneuvers. The biggest for R. U. came in the fading moments when Jim Buck reached up to intercept a Belleville pass and make certain that this game belonged to the gang from Redford Township.

Pat Srock again played well for R. U. on defense. Gene Hamlin was another standout and there were words of praise for Russ Hoover.

In the final analysis, the toe of Jim Higginson spelled the difference between whether R. U. won, tied or lost.

Twice in the first quarter, he tried conversions. Each missed. With the chips really down in the second half, Hig-

ginson came through twice.

Redford Union started in trouble. Before the game was four minutes old, Belleville was on the way to the goal line and quickly punched over a touchdown to lead, 6-0.

This set of circumstances only inspired the Townshipsters. Back they came on the following kickoff. From the R. U. 40, Craig Turnipseed and Eric Bargo started pounding the line.

With the ball moved to the Belleville 20, Harry Kendrick dropped back and hit Mike Fritz on a short pass of five yards. Fritz took the ball in the clear and went the remaining distance to tie the score at 6-6.

The next time R. U. got the ball, the team went in front, 12-6. A nifty 30-yard pass from Kendrick to Clyde Ziegler put the ball a couple yards from the final stripe. Kendrick himself went across.

The lead didn't last very long. Belleville halved the score at 12-12 by match time.

In the third quarter, it was R. U.'s turn to score first. Turnipseed and Buck helped spark a 65-yard movement which was capped by another Kendrick TD pass. This one was a five-footer to Turnipseed who dashed the final 20 yards.

Higginson's conversion put R. U. on top, 19-12, and the Townshipsters still were in front, but just by a point (19-18) after Belleville tallied moments before the third period closed.

Came the final quarter and R. U. was perched on its own 30. Quarterback Kendrick called the signal of Bargo. The halfback responded with a 17-yard run.

So Bargo's number was indicated again. He went 19, then 17 . . . and before long in an almost single-man drive Bargo drove into the end zone, the final play covering just one yard.

"It was a masterful job of running that Bargo staged on the drive," his coach raved at the end of the game. "He sure was a beauty to watch. Naturally, the other boys helped with fine blocking."

Higginson went back and made the point . . . and what a POINT that proved to be. Belle-

ville struck with another touchdown and conversion, but still found itself one down at the final gun.

Now all that's left for Redford Union is their Township battle this Saturday afternoon at Thurston. Here's a game where previous records and form mean nothing.

The game has to shape up as honey all the way. Redford Union goes in with an overall record of four wins and three losses.

## Raider JV's Bowl Over Jets, 14-0

The Redford Raider Jr. Varsity played one of its best games in downing the East Detroit Mid-Jets, Sunday, 14-0.

The first score came in the second quarter after a pass interference call placed the ball on the Mid-Jet 11 yard line. On the second play Gordon Estes went three yards over right tackle for the score and Paul Galea carried for the point.

In the third quarter, the Mid-Jets punted from their own 45 yard line out of bounds on the Raider 10. On the first play the Raiders fumbled, but Jeff Ringer recovered on the seven.

A slight mixup in the Raider backfield, produced an exciting 93 yard run by John Gast for the second TD. Rick Taylor delivered a fine block to break John loose.

Dave Przemyski, Tom Durand and Bob Heiob recovered fumbles. Ken Smith, Mike Page, Tim Gorman and Kurt August played a fine game both ways.

The Mid-Jet Varsity overpowered the Raider Varsity, romping to a 32-7 victory. The lone Raider score came in the fourth quarter on a long end run by Greg Bernhardt.

All the Mid-Jet scores came in the first half. Fumbles by the Raiders gave the ball to the Mid-Jets on many occasions and they made them count.

Craig Mutch and Bill Simescu carried for nice gains but couldn't score. Defensively Bob Brewer and Jim Grad jarred the opposition.

## Redford Union Harriers Annex League Laurels

Redford Union High reigns again as the Suburban Six League's cross country champions.

For the fourth time in eight years under the coaching of Mike Bowerman, The Townshipsters took the honors last Tuesday when they posted 31 points to run away from runner-up and defending champion Bentley, which scored 78 points.

Third place went to Trenton with 87. Then came Allen Park with 91, Plymouth 108 and Belleville 129.

The R. U. Panthers came with seven finishers in the first

14, although only the first five counted in the point standings.

But all seven of the R. U. placers carried off one of the medals awarded to the first 15 in the race held at the West Shore Country Club on Grosse Ile.

Individual honors went to John Daniel of Trenton who was clocked in 9:28 for the two-mile course.

Second was R. U.'s Duane Johnson. Third went to Bob Griffiore of R. U. Steve Sabo of Allen Park and John Boegler of Bentley rounded out the first five.

R. U.'s Rick Clark and Dennis Tierney ran seventh and eighth, respectively. Eleven was Fred Tuerk of the Townshipsters. Teammates Tom McLain and Steve Crane crossed in 12th and 14th spots, respectively.

R. U. won minus one of its stars, Bob Melnick, who was out of action with a broken foot.

Overall during the season, R. U. had captured six of eight dual meets and figured strongly going into the league meet.

Redford Union's reserves placed third in the Northwest Reserve meet last Friday. Milford won with the near perfect score of 16 points. Wayne was second with 48. Redford Union had 122 as Dick Alexander led the R. U. contingent, finishing No. 16.

Elsewhere in cross country, Franklin finished its dual meet schedule with a 6-2 record by beating North Farmington, 21-27. Tom Lee of Franklin was the individual winner in a time of 10:28. Eric Dahlberg of Franklin was third and teammate Dick Burkett fourth.

Thurston and Franklin also came in third and fourth, respectively in last Saturday's regionals at Cass Benton Park.

Birmingham Seaholm took the title with 50 points while Milford had 51. Bill Nelson of Milford was the individual winner in 10:19.

Thurston scored 137 points. Franklin 148. Pontiac Northern 164. Garden City 176. Pontiac Central 229. Walled Lake 248. Redford Union 288 and Bloomfield Hills 300.

Keith Reed of Thurston was fifth in the overall individual field. His teammate, Dick Fleming, placed ninth.

## SPORTS OBSERVER

By George Maskin  
Pick, Pick, Pick.  
That's the way it is as soon as a sports team starts to lose. Maybe it's okay in the professional and collegiate ranks where the money angle is so important.  
But all the complaining one hears around the high school fronts amounts to nothing but a "damn big shame."  
We're thinking at the moment of the yelling emanating from some of the foes of Gordie Young, who coaches at Thurston High School.  
Young has had a tough fall. So have his kids.  
More than one person has come to us and yelled: "Why don't you say something about the way Young is coaching at Thurston?"  
What they want us to say is something derogatory. Well, we won't. We refuse to rap any schoolboy coach, any schoolboy player, any schoolboy fan.  
Those who are shouting around Thurston have forgotten the winning seasons their team has enjoyed in the past under Young. They have forgotten how he righted the team last fall after a disastrous start and brought it home with a respectable record.  
With a break here, or a break there, the story might be a great deal different at Thurston this fall.  
It doesn't take much to spell either a winner or loser in sports. Maybe it's a fumble or a stray pass, like the one Milt

**Prep Schedule**  
GRID SCHEDULE  
FRIDAY  
Franklin at Bentley, 8 p.m.  
Plymouth at Walled Lake, 8 p.m.  
Brighton at Clareville, 8 p.m.  
SATURDAY  
Redford Union at Thurston, 2 p.m.

Plum threw for the Lions against Baltimore 10 days ago. The toss misfired and Baltimore won instead of Detroit.  
From where we sit, parents and other supporters of high school teams should cheer instead of groan. They should appreciate what the coaching staff is trying to accomplish under some pretty difficult odds in this modern, dashing era of the teenager.  
We have no idea what Gordie Young plans to do, or come another football season. He may be right back out there, or he may decide to devote full time to administering the Thurston athletic department.  
Whatever his decision — or the school board's decision — he still must rank as a top coach in our book. It's no cinch coaching a team which doesn't win very often.

Another coach, who has been in the same boat as Young this fall has been Clarenceville's Ralph Temby. The only difference is that the Clarenceville folks haven't screamed.  
They seem to recognize that Clarenceville finds itself in a tough league and may be overmatched against most of its opposition. Enrollment speaking, most schools in the Wayne Oakland League have many more students from which to draw. Several are Class A, while Clarenceville is just Class B.  
Temby is hopeful matters will straighten themselves out in due course.  
Like Young at Thurston, Temby admits to some "general problems." But neither coach will elaborate.  
The 1963 season is fading out. In another week or two, the fall campaign will have become just a bunch of memories.  
There's always next year for the high school . . . just as there's always another season for the Tigers and Lions and Pistons and Red Wings.

**BOUNCING AROUND:** Johnny Rogers, the Redford Union football coach, called his shot.  
He said back in September that Plymouth would win the Suburban Six League football title. Others may have laughed, but Rogers stuck to his guns.  
You know by reading this page, what happened—the Rocks came home the kingpins. So Hat's off to Mike Hoben, who coaches Plymouth, and to Rogers, who knows what he's saying in the prognostication department.  
There's plenty at stake from a local prestige standpoint in both attractions. Both should draw record throngs.  
It's gratifying to see that the neighborhood foes aren't avoiding one another when it comes to sports.

**Heads District For Goldwater**  
Arthur E. Drompp, Detroit, was today named 17th Congressional District Chairman of the Michigan Draft Goldwater Committee. The announcement was made by Creighton D. Holden, State Chairman.  
Drompp, an electrical engineer, received a B.S. degree from Rose Polytechnic Institute, is married, and lives at 14591 Freeland in Detroit.  
He has been active in politics for a number of years, having been precinct delegate and, in 1959, district, state, and national convention delegate. He also served as chairman of the 17th Congressional District Committee.  
He is a member of the IEEE and of Toastmasters International.

**YOU can help PREVENT TRASH FIRES**  
Please use extreme caution in the preparation of burned materials out for pick-up! Ashes placed into cans or buckets recently, due to hot ashes placed out for pick-up in galvanized containers. Dump fires have also resulted!  
**IT IS IMPORTANT**  
If you place burned material out for pick-up, make certain these materials contain NO HOT ASHES! Burned leaves or grass must be completely dry. Ashes should be dampened at last two days before pick-up. PLACE IN BUSHEL BASKETS . . . NOT IN GALVANIZED CONTAINERS!  
**SAVE TAX DOLLARS!**  
A dump fire can be very expensive, burning for weeks and even months. Packer trucks cost thousands of dollars!

### Window Walls Coming of Age

The sixties may become known as the coming of age of the window walls in modern home design.

The wide acceptance of the contemporary home design in all its variations, says one leading western coast home designer, has popularized the window wall more than any other factor.

Homes now have full walls of glass facing inner courtyards, framing mountain and lake views, or facing the street.

The coming of the window wall has posed some structural and design problems, one architect observes, and he points out that the home building industry went through many experimental periods in an effort to get a window frame system for these large areas of glass which would be sturdy and at the same time avoid problems of moisture accumulation, sweating and insulation against heat and cold.

We tried every material, the architect stated, and we tried all sorts of designs, and we finally came back to tried and true wood. We found that ordinary clear grades of 2x4 and 2x6 Douglas fir made the ideal mullion or framing lumber for these large window walls. The wood is strong, gives firm support for the area of glass when subjected to high winds, and best of all will not absorb heat and cold like metal, nor will it sweat like metal.

Wood mullions, he said, are also clean lined and give character and integrity to a wall when properly used.

### Work Indoors Winter Time

So, you put off that remodeling project all summer and here it is winter again and nothing done. You may be lucky that you delayed, one building expert believes.

The reason: you can get better service from builders and it is easier to get skilled help during the winter months than during the summer rush season.

Any indoor remodeling such as converting a waste attic space into a quiet retreat, a basement into a playroom, or an old style porch into a family room, can all be done during the winter months.

The attic space is sometimes rather easy to convert. The stud walls are generally in place and the floor joists. If the attic is well lighted with dormer windows, remodeling during the winter time can be a cinch. If you have to cut out a space for windows, this can still be done by using heavy plastic sheets around the opening.

Attic remodeling steps are simple. Put down shiplap for a sub flooring because it is easy to handle in a small area. Then put down your floor but be sure to use deadening felt in between the subfloor and the regular floor. West coast hemlock or Douglas fir flooring is ideal for this use and it finishes nicely.

Next step is to finish the walls. If you have exposed studs, then you need to put on some furring strips, in the event you wish to use wood paneling. To create a really elegant small room, you can use tongue and groove wood paneling, random widths, and a good wall can be made of west coast hemlock. This wood is light colored and makes a very light room, especially if there are not too many windows to let in a maximum of natural light.

### Peeling Paint

Often peeling paint is caused by excessive moisture coming from within the house. You should have an expert check. Sometimes vents, strategically placed, will save paint jobs and let moisture out.

### Joist Floors

Wood joist floors take Class A rating as the easier possible floors on the feet. The wood joist has a certain "give" to it which makes it a good walking surface. Douglas fir joists give both strength and resilience.

**Harold Thomas says ... NOW is the time to PLANT SHADE TREES**

OPEN SUNDAYS — No Phone Calls on Sunday PLEASE!

### Want Privacy

If your house is too close to your neighbors and your windows look right into theirs, you can build a friendly screening fence or a section or two. If you build the fence of durable western red cedar you can select a louver pattern which keeps out prying eyes, but lets wind circulate.

### No Stain

A good thing to remember is that you don't have to stain your patio deck boards. If you use either western red cedar or Douglas fir you will find that they will weather in a year to a soft, silvery grey. If you stain, you merely ask for a maintenance problem.

### Pool Gazebo

A useful accessory for swimming pools is a gazebo built along one side. Roofed with an open, trellis style steam of Douglas fir beams, supported on 4x4 posts, the gazebo provides a shady cooling off spot for swimmers and a place for adults to lounge in comfort while watching children. Cool gazebo will prove a favorite spot for summer outdoor living, entertaining and dining.

LJC Hosts At Roma Hall

There's Goin' Be A Hootenanny Sunday

The Livonia Jewish Congregation will present a "Hootenanny" on Sunday, Nov. 3, from 8:30 p.m. to 11:00 p.m., at Roma Hall of Livonia, 27777 Schoolcraft.

Featured will be The Five Jacks, The Coachmen, The Springhill Singers, The Four Plus One, The Tempests, Don and Robin, and eight year old Shannan Patrick. They will be accompanied by The Demensions and the M.C. will be George Williams.

Admission is \$1.00 for students and \$1.25 for adults. For further information call Norman Fellander, KE 7-5192, or Phyllis Lewkowicz, GR 4-8876.

ROCKY AND The Continental Four, a Livonia group, have been displaying their talents far abroad both on radio, stage and for private parties. They have been much in demand and love every minute of it.

Mexican Party Invite Comes In Two Parts

Dr. and Mrs. Milton Kellman hosted their annual party at the El Nibble Nook, Grand River at Middlebelt, taking over the Mexican style eating place for the entire evening on Oct. 23.

It was a Mexican party and many of the guests were attired in Mexican styles for the dinner prepared by the Chef Jose Ylialiturr. Music was furnished by the Mariachis, a Mexican group.

Hostess Mrs. Kellman gave the invited guests something to think about when she sent the invitations in two parts, the first Spanish and the second a translation.

The Livonia guests included: Acting Police Chief and Mrs. Robert Turner, the Joe Drosts, Jerry Brenners, Ellis Bronsteins, Leonard Kerners, Dr. and Mrs. Robert Goldman, Dr. and Mrs. Manny Bleeman, Dr. and Mrs. Bernard Sherman, Mr. and Mrs. Sammy Sofferin, and others from Oak Park, Birmingham and Southfield.

Mrs. Robert Jones, SJWC president, states that proceeds will be used for the club's charitable projects. Club members who are making arrangements for the party are Mrs. James Watt, chairman, Mrs. Donald Bee, tickets, Mrs. Alvar Freden and Mrs. Donald O'Keefe, refreshments, and Mrs. John Kerr and Mrs. Otto Bingesser, door prizes.

Table Prizes Set for Card Party. The "Danielettes" of Fr. Daniel A. Lord Council of the Knights of Columbus will hold a card party Sunday, Nov. 10, at 7:30 p.m. at the Knights of Columbus Hall, 39050 Schoolcraft.

Table and door prizes will be presented and refreshments will be served. Tickets are available by telephoning GA 2-3473 and will also be sold at the door.

The first step is always the hardest, but it pays off if it's in the right direction.

Redford Township Town Hall Tickets On Sale Now For Town Hall Series. The Redford Township Town Hall Series opens the season Nov. 23 at 8 p.m. at Thurston High School with Malcolm W. Dooley, the brother of the late Dr. Tom Dooley of Laos fame.

Nov. 23 at 8 p.m. at Thurston High School with Malcolm W. Dooley, the brother of the late Dr. Tom Dooley of Laos fame. Mr. Dooley will discuss his recent trip to strife-torn Laos as well as describe the work of his late brother. The lecture will be accompanied by films. A biography of Dr. Tom Dooley was written by Malcolm Dooley collaborating with his mother, entitled "Promises to Keep."

Jan. 18 eight young men from University of Michigan known as "Friars" will present a lively and sparkling evening of vocal music.

Feb. 22 Geza de Rosner will present a travogue to what has been called the most controversial corner of the world, the island of Aku-Aku.

March 14 Sgt. Ted Hunt will trace the development of jazz as he and his trumpet sees it.

March 18—winding up the season, Hootenanny star Kay Britten will bring folk music to Redford Township of a different dimension. She has an unusually large repertoire in several languages with particular interest in songs of the British Isles.

Nov. 23 at 8 p.m. at Thurston High School with Malcolm W. Dooley, the brother of the late Dr. Tom Dooley of Laos fame. 'Curtain Going Up'

By Wally Roberts

University of Detroit's third floor theater atop the campus library twinkled and gleamed brightly as poetic flashes of Giraudoux's wit, ably abetted by top actors and actresses, sparked a clever production of "Ondine." Mark White, the knight-errant, handled a difficult leading male role deftly to make the evening one of pure delight.

"Ondine" introduced Mr. Jim Rodgers, new U of D director, to Detroit audience. His staging techniques are most welcome. Old Wally feels he is definite asset to the U of D repertory theater. His use of green lights and tape recordings to introduce some of the less earthbound characters blended beautifully with the constant flow of Gallic wit. Act I and II contain most of the fluff and fun of "Ondine." By the time Act III bounces on the scene Giraudoux calls a halt for some philosophic moments.

The knight-errant is asked about his basic complaint and he answers: "My complaint is the complaint of all mankind. Is it so much after all that God has granted us, these few yards of air between hell and heaven? Is it so attractive after all, this bit of life we have, with these hands that get dirty, these teeth that fall out, this hair that turns gray? Why must these creatures trespass on our little world? I claim the right to be left in peace in a world that is free of these intrusions..."

Giraudoux points out in subsequent speeches that sometimes we are free of all the "intrusions," the troubles of life, and then we really do realize how lonely humanity actually is. Throughout the play the world of nature is held up and pointed to with pride. This is the world that has true love, peace, truth. Everything that should be found in human life, but really isn't. Ondine later on in Act III has this provocative speech: "Among humans you are not unhappy when you suffer. On the contrary. To seek out in a world full of joy the one thing that is certain to give you pain, and to hug that to your bosom with all your strength—that's the greatest human happiness."

# Missed Try Costs Franklin Title Tie

By the narrowest of margins, a conversion try, which sailed a shade wide of the goal post, Franklin High School has missed gaining a share of the Northwestern Suburban League's football title.

Because the attempt failed, Franklin had to settle for a 6-6 dead lock with Birmingham Groves at Bentley last Saturday afternoon.

Franklin had to win the game in order to wind up as co-champs in the league's first year of existence. As a result of the game's outcome, Groves finished conference play with a record of three wins and a tie. Franklin's loop mark closed at two victories, one loss and one tie.

"We made a great try at it," said Coach Jack Hudnut of Franklin afterward.

"I thought we had as good a team as Groves; in fact, even maybe a better club. But that loss a week ago to North Farmington hurt us badly in our championship drive."

Still Hudnut and everybody else around Franklin had reason to take pride in their team's showing in league play . . . and the season still has two games left, including next Friday night's city championship battle with Bentley.

It's to be remembered that it wasn't until 1962 that Franklin fielded its first football team. To moulder a contender in two years . . . and from scratch . . . is a task accomplished by few coaches at new high schools or for that matter in the collegiate or professional ranks.

Franklin found itself in an immediate jam against Groves. The Groves team elected to receive and the initial kickoff went to Ed Kwecki of Birmingham team on his own 12.

He started upfield and behind some fine blocking, he went the entire distance for a touchdown.

That meant with less than 30 seconds played, Franklin was on the short end of a 6-0 score.

During the rest of the first half, play was confined pretty much between the two 30-yard lines. Each team would start momentary spurts, but then would find the opposition leaping up to throttle any more movements.

Late in the third quarter, Franklin finally got moving. The right arm of Bill Black had a great deal to do with

bringing the Livonians even. Black started matters from his own 22. He picked out Bob Varty and Len Buckingham for a couple of passes Black himself did some running and so did Sammy Antonazzo.

When Franklin reached the Groves 32, Black called another pass. This one went to Antonazzo, standing around the Groves 17 just after the final period began. Sammy hauled the ball in and galloped over for the equalizing touchdown.

Then came the missed try . . . and the ultimate windup of the

game with neither side the winner.

The linebacking of Black, the defensive play of Varty and Larry Duffield, the work of Mike Stachurik and the defense of Joe Glynn drew praises from Hudnut.

Glynn made a great bat of a long Groves pass in the end zone in the final moments of action. The lunge saved a touchdown.

Then to make certain that Groves didn't win, Glynn came up with an intercepted pass on the closing play of the game.

# Brighton Last for Tigers

All that's left in 1963 for Clarenceville High School football team is a Friday night encounter with Brighton.

The teams will clash at Clarenceville with the kickoff at 8 p.m.

The indications are that Clarenceville will take the field as underdogs, something which has been happening for a long time around the Middlebelt School.

That's because Clarenceville now has gone through 19 consecutive defeats on the gridiron. The North Livonians and their coach, Ralph Temby, will be able to forget a lot which has transpired heretofore if they can come through with at least a tie Friday.

Another Clarenceville setback would mean the second 0-8 year in a row for the Middlebelt School.

"It's just hard to figure out," says Temby. "We're not as bad as our record shows."

"The kids keep battling. In many of our games we have fought right down to the closing wire. Seldom have we been outclassed."

"One of these nights, it's bound to happen. Things will break right for Clarenceville."

Last Friday night, Clarenceville ran into a one-man show in the person of Skip Miller of Milford. Miller scampered for three touchdowns as Milford won, 27-8.

Twice Miller ran over from the ten. His final score was on a five-yarder. Mike Yeager passed to Ed Sparkman for Milford's other TD.

Clarenceville took to the air for its only touchdown. Dan Freels pegged to Dan Graves for 10 yards in the final period.

# Juggled Lineup Scores Victory for Thurston

When you win only one of six games, you make some changes. That's what football coach Gordon Young of Thurston did last Saturday for the game with Oak Park.

Young benched 13 of the boys who had played regularly for him previously. Many had senior standing in school and on the varsity.

The coach instead decided to turn to its sophomores and juniors.

He didn't say as much, but, as they say around sports:

"When there's no place to go this season, you might as well think about the next one."

What Young saw of his sophomores and juniors, he had to be impressed. Thurston came out strong and finished strong. The final score was 20-7.

"The young fellows really hustled out there," the coach commented in the locker room. "They came to play . . . and that's all important."

"Sure I'll throw them right back against Redford Union this Saturday (at Thurston, 2 p.m.). These boys deserve another starting chance."

Thurston went ahead early when Bob Garcia ran 30 yards for a touchdown. The next touchdown resulted from a two-yard sneak by John Paige. A pass to Mike Shanes produced the extra point.

Page also registered the final Thurston touchdown. This time he went over on a buck from three. Richard Stefani picked up the final conversion.

The victory was the only left Thurston with a 2-2 record in Northwestern Suburban League play. Previously, the Township had upset North Farmington.

Overall, Thurston stands 5-2.

# Thurston Players to Give 'Dino' "In-the-Round"

Theater-in-the-round will come to Redford Township Nov. 13, 14 and 15 when Thurston High School students present the first all-school play of the year, "Dino," in the school gym.

A round stage will be set up in the center of the gym with bleachers surrounding it. Three separate scenes will be used and when one is being used the others will be blacked out.

"Since Dino is adopted from a television production," Miss Ina Rae Stanton, director, said, "it lends itself quite well to this arrangement."

Added Miss Stanton, "Another advantage is that actor and audience are in close contact. For this reason also, it is the best possible training for an actor."

Cast of the drama, which concerns the "rescue" of an explosive juvenile delinquent, includes: Bill Opalicky, Chris Franzer, Carol Siedlarz, Mary Jane Jerlecki, Jenny MacLean, Lynn Clancy, Tom Dorton, Bill Armstrong, Don Bone, Les Proctor, Bob Craus, Jackie Cross, Al Carr and Sandy Brunnell.

# Redford Rangers Sweep 2 Games

The Redford Rangers varsity and jayvee gridders wound up their home campaign on a successful note with victories over the Southfield Jayhawks before a capacity crowd Saturday afternoon at Claude Allison Field.

The varsity downed the invaders, 25-21, in a thriller and the jayvees smothered the Jayhawks, 34-0, with their finest offensive display of the year.

The three Ranger teams will play their final games of the year Saturday, Nov. 2 when they clash with the Redford Raider Farm, jayvee and varsity teams in the annual Jack Lowther Little League Bowl game under the lights at Lola Valley High athletic field, starting at 6 p.m.

Mike Bondie started the jayvees on the victory trail when he broke loose on a 70-yard scoring sprint. Bob Blackmore made the extra point.

Bondie passed to Rickey Bescoe for five yards and a touchdown early in the second quarter. Later Blackmore added another six-pointer on a 48-yard dash. Greg Hurst plunged through guard for the point. Blackmore tallied again before the end of the half and Hurst added the extra point to make it 27-0 at halftime.

That was all of the scoring until the final stanza when the Jayvee made a sustained march that took the ball to the seven where Bondie went over. Hurst made the extra point and the final score was 34-0.

The varsity game was a seesaw affair all the way with Southfield scoring first to take

a 7-0 lead. Norm LeDuc put the Rangers back in the battle when he picked up a fumble and raced in. The fumble came when Perry Churchill and Mark Mitchell knocked the ball out of the hands of a Jayhawk back attempting to punt from near the goal line. Dave Negri knotted the count with a plunge through center, making it 7-7.

Southfield came roaring back to score again and made the extra point to lead, 14-7 as the quarter ended.

The visitors boosted their lead to 21-7 midway through the second period after a long march.

A pass from Negri to Gary McCausland gave Redford its second marker but the try for extra point failed and the team walked off the field at halftime with Southfield ahead, 21-13.

Southfield threatened in the fourth period but was held by a tight Redford defense.

The Rangers whittled the margin to 21-19 late in the third canto when John Garrett plunged across from the three to end a long drive.

Then with barely three minutes left, the Rangers went on the prowl again and finally took the lead for the final time shortly before the final whistle on a 70-yard pass-run from Negri to McCausland. That made the score 25-21 and it didn't matter that Redford didn't make the extra point for the game ended seconds later.

Those who learn from their own mistakes are learning something new all their lives.

Temple Youth Will Question Rabbi

Temple Beth Am Youth will hold its meeting on Wednesday, Oct. 30 at 8 p.m. in the United Hebrew Schools Building, Seven Mile and Osmus.

In addition to a business meeting, Rabbi David Jessel will attend and lead an "Ask the Rabbi" session with the group. Fellows and girls 12-15 years of age are invited to attend this interesting and enjoyable program.

Cantor Blank Will Conduct LJC Service

Livonia's Conservative Synagogue, Livonia Jewish Congregation will hold Friday night services at 8:30 p.m. at 32970 W. Seven Mile Rd.

Cantor Henry J. Blank will officiate assisted by Mr. Stanley Finklestein.

Mr. Finklestein will give a talk on "The Synagogue, The Center of Jewish Life." An Oneg Shabbat will follow.

Hebrew PTO Hosts Parents

The United Hebrew Schools' Livonia branch will hold its first Parent-Teacher Organization meeting and open house of the 1963-1964 school year on Tuesday, Nov. 5, at 8:30 p.m. at the Maly and Samuel Cohn Building, 31840 W. Seven Mile.

Parents will meet with the school's principal, teachers and officers and board members of the P.T.O. Albert Elazer, United Hebrew Schools' Superintendent, will be the guest speaker and all parents and guests of the school's students have been invited to attend the meeting. Refreshments will be served at a social gathering afterwards.

"Everlasting Punishment" Topic for Science Lesson

The Golden Text at all Christian Science services next Sunday will be this verse from Isaiah (45:17): "Israel shall be saved in the Lord with an everlasting salvation: ye shall not be ashamed nor confounded world without end."

Includes also these lines from the Christian Science textbook: "We acknowledge God's forgiveness of sin in the destruction of sin and the spiritual understanding that casts out evil as unreal (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 497).

WELCOME FROM Newburg Methodist Church members of Livonia was extended this week to a student from Denmark, Bente Andersen, whom the church is sponsoring on a "Youth For Understanding Teen-Age Exchange Program. Bente, from the village of Hesselger on the Island of Fyn, is living with Mr. and Mrs. Albert "Bud" Blaisdell and their family on California Avenue in Livonia. She is attending Frank-

lin High School which she "likes so much," and will be in the community for a year under the Michigan Council of Churches' plan. (l-r) Mrs. Fern Ursa, president Womens' Society for Christian Service (sponsoring group), Mr. Blaisdell, Bente, Mrs. Blaisdell, Janice Blaisdell, Mrs. Greer and Reverend Paul Greer of Newburg Methodist. The host family also has a son David, not in the picture.

Dr. Henry Hitt Crane To Speak To Unitarians

Dr. Henry Hitt Crane, one of Detroit's best-known ministers, will preach at the Universalist-Unitarian Church of Farmington Sunday, Nov. 3, in special services installing Robert Miles Eddy as minister.

Special invitations to the 4 p.m. rites have been sent by leaders of the 110-year-old church to municipal officials of Farmington city and township, Woodcreek Farms and Quakertown.

Participating in the service along with Dr. Crane will be Dr. Martin Gluckstein, church moderator, and two members who also are Universalist ministers, Miss Elizabeth Etz of Northville and Mrs. Frank Adams of Orchard Lake.

Miss Etz will deliver the invocation and Mrs. Adams, 92 years old and widow of the church's minister for 25 years, will pronounce the benediction. A reception under the direction

of Mrs. Mae Loucks will follow the service.

Dr. Crane is minister emeritus of Central Methodist Church in Detroit. He retired from the active ministry in 1958 after 20 years at Central Methodist, but remains an active and out-spoken liberal and pacifist and averages almost a speech a day while traveling all over the nation.

He was one of the first Detroit ministers to preach in favor of racial integration, and during his pastorate at Central Methodist negro members were brought into the church, the oldest Protestant church in Michigan.

As a pacifist, he frequently blasts what he calls the "profit motif of thinking," and asserts that "almost the whole American economy is built on the lie that bombs, missiles and armaments are necessary to existence."

Country Fair Comes To Aldersgate Church

Everyone at Aldersgate Methodist Church is busy planning for the big church fellowship event, which will take place on Saturday, Nov. 2nd from 10:00 a.m.-7:00 p.m.

The theme this year will be a Country Fair. Brunch will be served from 10:00-11:00 a.m.; Lunch from 11:30-2:00 p.m.; A Chop Suey dinner from 4:30 till 6:30, no reservations are needed. This will be a wonderful chance to start your Christmas shopping.

There will be a General Store filled with homemade goodies; Yule Shop with all kinds of decorations for your tree and table; White Elephant Booth; Dry Goods with hand made items; Bake Sale to take home something good for later on. Be sure to come! Bring your friends, neighbors, a kiddieland for the children, lots of good food and shopping. Fair chairman is Evelyn Berry, KE 2-0413.

Youth Of Rosedale Presbyterian Church Join UNICEF Drive

The Junior High Youth Fellowship group of the Rosedale Gardens United Presbyterian Church will be canvassing the Rosedale Gardens area (W. Chicago north to Plymouth Road and Merriman west to Farmington Road) on Wednesday, Oct. 30 from 6:30 to 8:00 p.m. for the United Nations' Children's Fund (UNICEF). The young people will be carrying specially marked milk cartons

and having with them identification slips from the church as well as being accompanied by adults. This program has long been praised by governmental officials from the President of the United States on down the line. Rather than tearing down property or making Halloween a negative thing, UNICEF offers our children and young people an opportunity to be positive through the act of hearing.

"Question Seven" Movie On Communism At Faith Church

In its worship services next Sunday Faith Church will concern itself with the threat of communism. The sermon for the day, "The Church and Communism," will be designed to prepare the Christian to discern the power of evil and dislodge it through the power of Christ.

In the evening at 7:30 p.m., the Senior Walther League, a young peoples' group in the

church, will sponsor the showing of the significant film, "Question Seven," produced by the same makers of the movie, "Martin Luther." It depicts the church's and the youths' struggle against communism in East Germany.

The community is invited to attend. There will be no admission charge, although a free will offering will be gathered.

Formerly Of Aldersgate Methodist, Redford

Rev. Jesse DeWitt To Speak In Plymouth For "Our Mission Today"

The Reverend Jesse R. De Witt will speak this Sunday evening, Nov. 3, at the First Methodist Church of Plymouth at 7:00 o'clock at the second of a series of meetings exploring the subject "Our Mission Today." He is the Executive Secretary of the Detroit Conference Board of Missions of the Methodist Church, a position which highly qualifies him to talk on "The Task of Every Christian."

The Reverend De Witt was born in Detroit, Michigan and graduated from Northwestern High School of that city. He attended Wayne State University and received a B.S. degree from that institution. After having received his local preachers license from Boulevard Temple Methodist Church, Detroit, he entered the Garrett Biblical Institute of Evanston, Illinois, where he received his B.D. degree. During his seminary days he served the Winnebago-Seward charge in the Rockford District of the Rock River Conference.

On his return to the Detroit Conference in 1946, he was

appointed pastor of the Aldersgate Methodist Church. During his pastorate there the congregation built the first unit of its church edifice. The opening service was held in 1949. At the same time he continued his graduate work in sociology at Wayne State University until 1951.

In June 1952, Mr. De Witt was appointed to the newly organized church in Oak Park. Here he served as pastor until his appointment to the position of Executive Secretary of the Board of Missions and Church Extension in 1958. During his pastorate, the first unit of this church was also built.

Pathfinders "Halloween" For Food

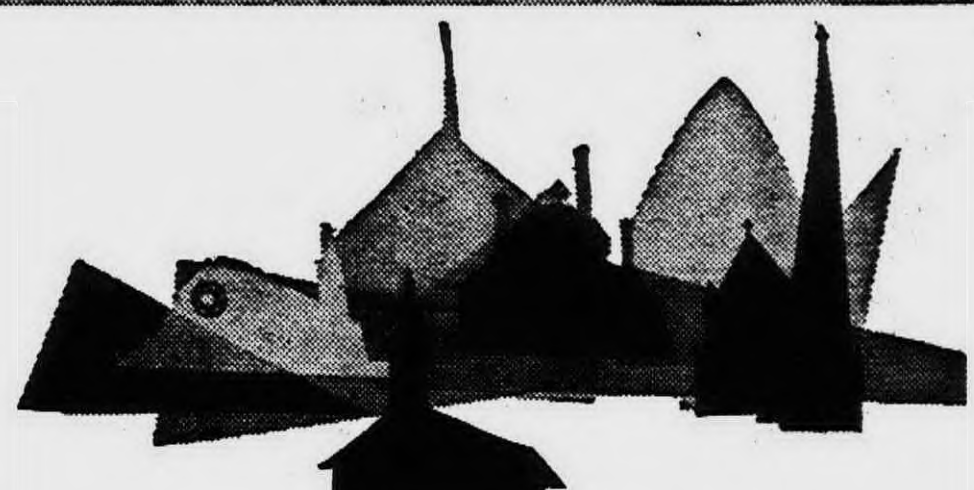

Boys and girls of the Livonia Seventh-day Adventist Church Pathfinder Club will be busy on Halloween. According to Thomas Mino, club director, the activities will be a turn-about from the usual trick or treat.

The youngsters will be collecting canned goods for Thanksgiving baskets for the Livonia area. Last year the local club collected 1000 cans of food for the 25 bushel baskets given to the needy in the area.

Pathfinders participating in this program will be wearing the club's official uniform and will be easily identified on Halloween.

You can lift your life...

Worship this week

CHANGING YOUR JOB AND LEAVING YOUR JOB
Last of a Series from PERSONNEL BY MORGAN
Most of today's business community feels that too many people are changing jobs... for the wrong reasons. Our society is a mobile one, and mobility seems to breed impatience. Employees are eager for advancement, sometimes far in advance of their capabilities and experience, and are changing jobs with a disturbing frequency, with no clear notion as to where they go from here.

LIT Sights 4,000 Total Within Year
Lawrence Institute of Technology, with a record enrollment of 3,615 students, is heading for another milestone.
The suburban college, located at Northwestern and Ten Mile Roads, anticipating 4,000 students within the year, is developing new accommodations.
President E. George Lawrence said the added space now available in the new Library group of buildings will permit greater classroom and teaching facilities starting with the December day school term.
"We are relocating and consolidating our function so that we will be prepared for another large increase both for the December and February, 1964 terms," he said.
The increase in September was 18 percent of an all-time high. A similar increase would raise the enrollment well above the 4,000 mark next year.

NOTICE
Once again the Youth Employment Service of Livonia offers the services of its applicants to the employers in our area.
This service has many applicants who are and will be available for part time and full time work during the weeks preceding the Christmas Holidays. If you are looking for sales, clerical or stock-room help, please contact the Y.E.S. at GA 1-2000, Ext. 240 or GA 3-6546. Our office is open Monday through Friday, 1:00 p.m.-5:00 p.m., Saturday, 9:00 a.m.-12:00 a.m.
Your assistance and cooperation will be greatly appreciated in the endeavor to place more young people in gainful employment.

### Local Delegate Attends Retarded Children's Convention in Capitol

WASHINGTON, D. C.—More than 1,000 delegates throughout the country attending the National Association for Retarded Children's annual convention in the Nation's Capital were praised by President John F. Kennedy for all that the association has done in the field of mental retardation.

The Chief Executive expressed his appreciation at an overflow luncheon meeting in Washington's Mayflower Hotel during the four-day convention.

Attending from Redford Township representing Michigan Association for Retarded Children, was Mrs. G. T. Etheridge of 15102 Fox Rd.

President Kennedy expressed a "very warm welcome" and his appreciation "speaking on behalf of the American people, for all that this association has done."

Highlights of the convention included the keynote address by Gov. Richard J. Hughes of New Jersey, who addressed the delegates Wednesday evening on "The Role of State Government in Implementing the President's Panel Report on Mental Retardation."

Dr. Stafford L. Warren, Special Assistant to the President for Mental Retardation, spoke at the luncheon Thursday and President Kennedy presented The Award of Merit of the National Association for Retarded Children to Dr. Richard L. Masland, Director of the National Institute of Neurological Diseases and Blindness.

### Ex-Supervisor and Tabloid Employee Sued for Alleged Beating in Motel

Suit was filed in Circuit Court last week by a Redford Township motel owner charging physical assault and asking \$15,000 damages against Richard Morell, former Redford Township Supervisor and Republican candidate for Congress, and against an accomplice.

Also charged in the complaint was Jean Moretti, "also known as Jennie Jones." She has been an employee of The MacGriff string of tabloids, and was Morell's secretary when he was supervisor.

The complaint alleges that Mrs. Moretti assisted in the assault by thrashing the plaintiff with her spiked shoe.

Morell now is a lawyer with offices in Detroit.

Complaining is Gus Nedz, owner of the Del Prado motel on Telegraph Rd. He said the assault occurred in the Del Prado in the early morning hours of Sept. 13, 1963. Nedz complaint alleges that after he sought to quiet the noise of a party in a room, the two defendants followed him to the front door and attacked him.

"Plaintiff says that as a direct result of said injuries (incurred in the fight) he has been unable to use his left in a normal manner and that it has been necessary for him to use a crutch and a cane and that in addition thereto, he has had attacks of dizziness and headaches."

### Debaters Ready in S. Redford

Thurston High School's ambitious debaters, days of demanding practice sessions out-of-the-way, are ready for the first official test Nov. 1 as they open the Detroit Metropolitan League competition against Southfield.

On Saturday the Eagles travel to Mt. Clemens for an invitational tournament and next Tuesday go to North Farmington to open the Northwest Suburban season.

"We're ready," says Gene Dustin, Thurston debate coach, as he nominated his lineups:

For Southfield and Mt. Clemens: Affirmative—Connie Ward and John Tyler; Sue Numbers and Jerry Wauters; Negative: Bob Laskowski and George Walkel; Al Shu and Don Heikenen.

### R.U. Board Borrows Funds

The Redford Union Board of Education borrowed \$350,000 on a short-term basis Monday from the Manufacturer's National Bank.

The funds, borrowed on a low interest bid of 1.69 per cent, will be used to carry over Board expenditures until new tax revenue comes in.

### Move For Dinner

The Redford Township Jr. Chamber of Commerce Auxiliary enjoyed a progressive dinner Oct. 14. The cocktail hour was held at the home of Mrs. Ted Tylman, 17030 Kinloch. Salad, turkey, dressing and all the trimmings were served at Mrs. Frank Herndon, 15839 Denby.

The regular general membership meeting followed at the home of Mrs. Karl Gmeiner, 16996 Norborne. Mrs. Glenn Hartsell, district vice president of the Michigan Jr. Chamber of Commerce Auxiliary was the guest of the evening.

# 1700 FREE SOFT DRINKS

October 8, 1963

Mr. Paul Chandler, Publisher  
Observer Newspapers

Dear Mr. Chandler:

I still can't believe it, but over a three-day period last week our new Burger Chef gave away 1,700 soft drinks!

Our grand opening advertisement in your newspaper offered the free soft drink with the purchase of a hamburger and french fries. We didn't run the ad anywhere else, so all the results can be traced right to the Observer doorstep.

As I said, I can hardly believe it. We would have been delighted with 300 or 400 persons coming in to purchase a hamburger, attracted by the free soft drink.

But 1,700!

You can be very proud of your newspapers. Please accept my compliments and thanks.

Yours sincerely,  
*Robert W. Moore*
