A Holiday Message

BY REEDER OLDHAM
Minister, Church of Christ

We are again in the midst of that most delightful season of the year. It is so delightful, I believe, because of that feeling we call "the spirit of Christmas."

Maybe a word should be said about "Christmas" itself. What is it? "Christmas" comes from the words "Christ" and "mass"; "mass" is from the Latin, which means "to send". Hence, "Christmas" literally means "Christ - sent".

The fact that "Christmas was sent" is well known. When he was sent is quite another matter. The Bible does not record the precise day of His birth. There are many contradictory traditions about it. December 25th was observed by the Western church in the fifth century after His advent. This date has never been universally accepted, however.

As was the case with "Easter," "May Day," and "Halloween," "Christmas" antedated the Christian era. All these were originally "seasonal" festivals. Christmas coming as it does on December 25th was the winter feast. The shortest day of the year has just passed. It was a celebration of light. The days are now getting longer.

The well-known solar feast, however, of Natalis Invicti, celebrated on 25 December, has a strong claim on the responsibility for our December date, according to the Catholic encyclopedia.

In the fifth century the Western church ordered the feast to be celebrated on the day of the mithraic rites of the birth of the sun and at the close of the Saturnalia, as no certain knowledge of the day of Christ's birth existed. Among the German and Celtic tribes the winter solstice was considered an important point of the year and to commemorate the return of the sun they held their chief festival of yule, which, like other pagan celebrations, became adapted to Christmas.

Most of the customs now associated with Christmas were not originally Christmas customs but rather were pre-Christian and non-Christian customs taken up by the Christian church, says the encyclopedia.

Is the exact date of Christ's birth the important thing, anyway? Evidently not, or the Lord would have seen to it that we were informed.

The important matters, then, are the fact that Jesus was born and what this great event has meant to the human race. Surely it would be superfluous to take the space to list the evidences that He did come.

Just what is this feeling we call "the spirit of Christmas?" There is no denying that this is the merriest, jolliest and most joyous season of the year. That would seem a bit unusual, too, coming in the winter as it does. Only a little thinking on the matter, however, helps us see at least some of the reasons for this joy.

1. We try to be happy. To a great extent we determine the tone of our own lives. We cannot arrange the events that come upon us, but we can set our attitude toward them. Paul had learned in whatsoever state he found himself to be content because he had learned this principle. He also told us to "Rejoice in the Lord always." At this season we more consciously try to be happy.

2. We try to make others happy. The Lord said, "It is more blessed to give than to receive." At this season when we give most and see the happiness it spreads we see more clearly His meaning. The material gift itself means something, but it is that little piece of ourselves that goes with every present and with every card that makes us happy in the giving and the recipient happier in the receiving. There is a chain reaction of good will. Then, too, thinking of gifts for others makes us more aware of our own blessings. Think how it would improve human relations if the same spirit prevailed all year.

3. Family ties are closer. What parent is not occupied with putting into tangible form his love for his children, wife or husband and his own parents? The children save coins to buy mom and dad something, or work with anxious hands to make them a gift. The getting together of families is traditional at this season. The joy of the season is heightened by such reunions. This brings into focus the importance of family ties and the need to make our homes all that God would have them to be.

4. A religious note is heard in the lives of many which is silent the rest of the year. Any contemplation of the greatness and goodness of God, any meditation on His unbounded mercy and upon His unspeakable Gift to the world is bound to bring joy to the hearts of men. Regardless of whether this is actually the time of year when the Saviour was born, men are now thinking most about it, and thus are more conscious of their blessings because of it. Pictures, displays, programs all depict its scenes. The songs of the time are filled with glory to God in the highest and on earth peace and good will to men. Such religious tone is a contributing factor to the feeling of the season.

Now, may I ask, if we enjoy this season and if, indeed, these factors contribute to its making, then why can we not combine these principles into our lives for every day and make each one as joyful and refreshing as these days? Would such diminish from the joy of the Christmas season? Let's try it and see!

What the coming of Christ has meant to all of us is beautifully summed up in the following anonymous story:

ONE SOLITARY LIFE

"Here is a man who was born in an obscure village, the child of a peasant woman. He grew up in another obscure village. He worked in a carpenter's shop until he was thirty, and then for three years he was an itinerant teacher. He never wrote a book. He never held an office. He never owned a home. He never had a family. He never went to college. He never traveled more than two hundred miles from the place where he was born. He never did one of the things which usually accompany greatness.

"He had no credentials but himself. He had nothing to do with this world except the power of His divine manhood. While still a young man, the tide of popular opinion turned against Him. His friends ran away. One of them denied Him. He was turned over to His enemies. He went through the mockery of a trial. He was nailed upon a cross between two thieves. His executioners gambled for the only piece of property He had on earth while He was dying — His coat. Then He was taken down and laid in a borrowed grave through the love of a friend.

"Nineteen wide centuries have come and gone. Today He is the centerpiece of the human race and the leader of a column of progress. I am far within the mark when I say that all the armies that ever marched, and all the parliaments that ever sat, and all the kings that ever reigned put together, have not affected the life of man upon this earth as powerfully as has that one solitary life."

SANTA CLAUS had no trouble handing out nearly 450 stuffed dolls at First Federal last Friday. Youngsters paraded in all day long to remind their idol what they wanted for Christmas and pick up a doll. Here, Judy Brokas, 2, her sister Debbie, 3, Rosemary Gondek, 10, and Paul Sincock, 6, visit with Santa and pick out their dolls. Mrs. Perry Richwine, wife of First Federal's manager here, made the dolls herself, just as she has done for nearly 10 years now. This was the last time, though, since her husband will retire late next summer.

New Opinion Gives Life To Joint Planning Group

New life was breathed into a proposed community-wide joint planning authority here this week when a legal opinion from Michigan Attorney General Frank Kelley declared that school districts may participate financially in such undertakings.

Last July the Plymouth School Board, acting on a legal opinion from local attorney William Sempliner, refused to support the project in the belief that at that time that it was not legal under Michigan statute.

Since then, the attorney general's office has ruled: "The board of education of a school district may use operating funds to support a regional planning commission created by it in accordance with (Michigan law)." Sempliner, the legal counsel for the Plymouth School District, had issued an opinion last summer at the request of School Board President Gerald Fischer. In it, Sempliner wrote — in essence — that it would be an improper expenditure of school funds for the District to contribute toward a joint planning authority.

The opinion created considerable controversy at that time, since the School District tends to be the largest

beneficiary of a planning authority. Proposed by a small group of interested citizens, the planning authority had as its intended goal the further improvement of the industrial and commercial tax base within the Plymouth School District.

If successful, the planning authority would unquestionably add to the District's overall tax revenue, and thus at least defer a future request from the School Board for a school tax increase here.

The School District last summer had been approached for \$7,500 of a \$20,000 initial budget for the planning group. City of Plymouth had committed \$5,000 to the project and Plymouth Township had agreed to contribute a like amount.

Canton Township had indicated its favor of the project and had given the impression that it would furnish \$2,500 to the effort in its next fiscal budget.

Dies in Crash

Plymouthite Vincent Weisgerber, 49, died Sunday night when his car overturned on US-12 east of Ypsilanti. His home was at 40774 East Ann Arbor Tr.

Funeral services will be held at 1 p.m. Thursday at Schrader Funeral Home and burial will be at Riverside Cemetery.

Mr. Weisgerber is survived by his wife, Georgia; three daughters, Mrs. Lyle Stockwell, of Ypsilanti, Mrs. Kelvin Duragan, of Plymouth, and Mrs. John Duncan, of Tennessee; and a son, John, of Ypsilanti; and a step-son, Farris McIntosh, of Plymouth. Other survivors include a sister, a brother and eight grandchildren.

Livonia Woman Struck by Car

Struck by a car as she was crossing Ann Arbor Tr. in front of the Hotel Mayflower last Friday afternoon, a Livonia housewife was treated at St. Mary Hospital and released that same day.

Police said Mrs. Jules Vandeen, 36, of Livonia, was crossing Ann Arbor Tr. when she was struck by a car driven by Frank Revell, 60, of 957 N. Holbrook. Revell was issued a violation ticket for reckless driving.

Witnesses said Mrs. Vandeen was thrown several feet in the air by the force of the impact.

But Strategy Remains Unclear City Commissioners Agree To Proceed with Reservoir

City Commissioners Monday night voted "to proceed with construction" of the proposed water storage tank and simultaneously agreed to enter into further negotiation with Detroit over the possibility of someday acquiring water from that municipality.

By a 5-2 vote, with Commissioners Robert Smith and Robert Beyer opposing the motion, the City fathers voted to move ahead with plans for a two- or three-million-gallon water reservoir, which probably will be located on Beck Rd. near Six Mile eventually.

If it is built at all. Although five Commissioners agreed to proceeding with the reservoir, it never-the-less appeared to observers that the actual "progress" will encounter further delay for a multitude of reasons.

Chief among these is the fact that not even the Commission itself is altogether sure precisely what size tank would best suit the City's needs.

Some feel that a two-million-gallon tank would be sufficient, while others are of the opinion that only a three-million-gallon structure would serve the purpose.

Ultimate costs undoubtedly will play a large role in determining the final capacity of the reservoir.

City Manager Albert Glassford reported Monday evening that a three-million-gallon tank would cost somewhere in the neighborhood of \$265,000.

Mayor Richard Wernette informed his fellow Commissioners that he had learned additional federal funds are presently available and that the City's year-old request for a federal grant to help build the reservoir is still pending.

One Commissioner suggested a follow-up with the Chicago office of the Housing & Home Finance Agency (which handles grants of this sort), just to remind the federal authorities that City of Plymouth intends to proceed with its reservoir project.

Other factors enter into the situation before physical construction of the reservoir could ever get underway.

City of Plymouth intends to negotiate further with Detroit over the feasibility of acquiring water service from the Detroit Water Board.

As Commissioner Smith put it, during discussion: "It seems to me that it would be wiser to determine the status of the Detroit water situation before we proceed

further with our reservoir here."

The "rider" on the water tank resolution Monday evening declared that City of Plymouth would attempt further negotiations with Detroit, presumably as soon as possible.

In previous attempts to negotiate a mutually agreeable water service contract, the two municipalities have been

unable to reach an understanding.

As Commissioner Arch Vallier pointed out, previous negotiation has been mostly verbal with only a modicum of written exchange.

He promptly urged that any future negotiation be undertaken "only in writing."

Vallier, who is a member of the Wayne County Board of

Burroughs Corp. Tells Of Re-Alignment Plans

Realignments and consolidations affecting a number of the manufacturing and engineering divisions of Burroughs Corporation were announced today.

The changes, which will take place gradually over the next two years, are the result of several years study and continue a series of major transitions which began several years ago. They reflect the rapidly accelerating emphasis on electronic data processing systems and equipment in business and industry.

Effective January 1, 1964, the Detroit and Plymouth divisions will be consolidated into a single operating unit known as the Michigan Manufacturing and Engineering Division. Production of commercial equipment and parts now being performed in the Detroit plant on Second Avenue will be transferred to the

Plymouth, Mich., plant. This includes fabrication of service elements of the new Burroughs B5000 and B200 electronic data processing system.

Transfers to new work, voluntary quits and retirements over the two-year period are expected to minimize the number of layoffs. About 1,500 jobs will be affected by the changes. One-third of these are attributable to the reduction of work on defense contracts in the Second Avenue plant. Total employment in the Detroit area is between 9,500 and 10,000 persons.

"The nature of our business has changed rapidly in the past 10 years and is expected to change even faster during the next decade," Ray R. Eppert, Burroughs president, said. "These realignments and consolidations will enable us to keep pace with these technological changes and to

meet our competition effectively and efficiently."

Continuing defense contracts in the Detroit division will be moved to the Military Electronic Computer Division plant on Tireman Avenue.

Over the next year, the Detroit division also will gradually phase out of adding machine production. For the past several years, the Detroit plant has been manufacturing adding machines and service parts only from the United States and Canada while Burroughs plants in Scotland, France and Brazil have supplied subsidiaries and distributors in 125 countries overseas. In the future, the overseas plants will supply all of the free world markets, including the United States.

These plants already have the necessary capacity without building additional facilities. High costs of manufacturing (Continued on page 3)

New City Hall 'on Schedule'

Work on Plymouth's new City Hall, one of the largest single municipal construction projects in the community's history, is better than 15 per cent complete, according to architect Byron Becker.

At a total cost of nearly \$600,000, new City Hall will stand ready for its first public inspection late in September of next year, Becker explained.

He said that despite last week's severe cold wave, work has proceeded at a good pace and the

project "is only a few percentage points shy of where it otherwise would have been according to the construction schedule."

Basement work on the exterior is finished and the above-ground steel structure — as much of it as could be done up to this time — was completed late last week.

Becker explained that basement floors were to be poured late last week and early this week. With the temperature hovering around 10 degrees and colder, no masonry work could be undertaken until his Monday morning.

"The temperature has to be in the twenties before we can do any brick-work outside," he said. "It's just been too cold to attempt any brick-work recently."

Masonry men got a quick start Monday, however, when the temperature climbed to nearly 30 degrees.

Although the cold snap hasn't thus far created an undue delay in the project, Becker expressed a degree of concern in the event the exceptionally severe temperatures should return.

"If the real cold weather resumes for any length of time we'll probably be stymied in another few weeks," he

FOR THE SEVENTH year in a row, employees of National Bank of Detroit here have donated presents to the children at Maybury Sanatorium in Northville. Here, Carole Brey, Dorothy Thomas, Judy Phillips and Hazel Ashworth prepare to take some 65 gift packages to the sanatorium late last week. The NBD employees actually answer letters that the Maybury children write to Santa. The gift packages contain many of the items the children asked for in their letters.

Good luck galore in '64! That's our wish for you and yours, as we greet you at the beginning of a glad New Year. We fully realize our own good luck in being honored by your favor and friendship, and we thank you heartily.

Theater Guild Names Jake Rumpf to Board

Theater Guild president Effie Kuisel announced this week that Mr. Jacob Rumpf, of Ann Arbor Rd., had been appointed to the Theater Guild Board of Directors. Mr. Rumpf will assume the recently vacated position of trustee held by Dennis Merchant. Mr. Merchant resigned due to business commitments.

Mr. Rumpf had been a Theater Guild Board member for two years, several seasons ago. While with the Board at that time he was assigned the task of developing the Guild apprentice group.

Coming events for the Theater Guild were stressed at the recent December Board meeting: Tryouts (Jan. 9 and 10) for the Winter play, the second foreign film at the Dunning-Hough library (Jan. 17), and the special cameo dramatization of "Man of All Seasons" (Jan. 27). Tryouts on Jan. 9 and 10 for "The Drunkard," a rousing melodrama, will be held at the Plymouth High School Auditorium. Everyone is invited to participate.

RECEIVING an achievement plaque for educational efforts in the field of fluid power instruction at the secondary teaching level is former Plymouthite William Gayde (left), a 1951 graduate of Plymouth High who now is a teacher at Fitzgerald High in Warren, Mich. Gayde is shown with M. C. Prottengeier, director of vocational education at Fitzgerald High. Gayde was presented the plaque of achievement during a convention recently in Atlantic City, New Jersey.

Calvary Baptist Church Slates Film Dec. 31

"Flight Plan," a dramatic motion picture produced in the rugged mountains of Central America, will be shown New Year's Eve at 8:30 p.m. at Calvary Baptist Church, 496 W. Ann Arbor Trail, Plymouth, Mich.

As the title suggests, "Flight Plan" is a story about flying, and centers around the experiences of a young missionary pilot who helps operate an air ambulance service for communities cut off by the hinterland mountains of their country.

In the course of his aviation assignments, Gil, the pilot, meets Mario, an egotistical young caballer, in a mountain town called Minas del Rio. Mario heightens Gil's concern for the spiritual needs of young people in the area, and subsequently challenges his right to do anything about it.

Gil's quest for Mario's friendship becomes a highlight of the presentation.

Merry Christmas and Happy New Year to All from the members of Plymouth Grange No. 389.

Plymouth Grange held their annual Christmas party at the hall on Union St., Dec. 19. A fine program was presented by the youngsters, most of whom were children or grandchildren of our members. The program was planned and directed by our Youth and Juvenile chairmen, Jim and Eve Farquhar with the able assistance of several other members. The program consisted of recitations, singing and a Christmas pageant.

Our Lecturer, Mary Fillmore, wishes to thank all who helped in any way to make the program a success, including the parents who cooperated in bringing the children out on cold nights to practice.

Following the program Santa Claus made his annual visit with gifts for all the kiddies. The adult gift exchange followed, along with the treats of candy and popcorn balls furnished by the Home Economics committee.

A meeting of Plymouth Grange officers will be held at the hall Friday evening, Dec. 27 at 7:30 p.m. All officers plan to attend.

Welcome

Receives National Award For Fluid Power Teaching

A Plymouth man who for the past eight years has taught in the Warren, Mich., public schools has been presented a national award for "achievements, contributions and leadership in fluid power

education at the secondary school level."

William Gayde, a 1951 graduate of PHS, was presented the award during a convention of the American Vocational Association at Atlantic City, New Jersey.

The award was the first of its kind and the only one presented this year. Over 3,000 teachers attended the convention in Atlantic City.

Gayde is the son of Mrs. Major Taylor, 9410 Marilyn, and the late Peter A. Gayde,

of the United States Navy. He graduated from Michigan State University with a bachelor of science degree in 1955 and this year received his master's degree in education from Wayne State University.

The 30-year-old former Plymouthite now lives in Royal Oak with his wife, Carolyn, and their four children, Peter, Christopher, Julie and Nancy. Gayde's award reads:

"The Industrial Arts Division, American Vocational Association, and the International Council for Fluid Power Education present this 1963 achievement award to William F. Gayde for his achievements, contributions, and leadership in fluid power education at the secondary school level."

Gayde taught for half a year in the Detroit public schools and for the past eight years has been a faculty member at Fitzgerald High in Warren, Mich. For a year he has been a part-time member of the staff at Macomb County Community College and a part-time staff member of the industrial education department at WSU.

He is a member of the Michigan Education Association, National Education Association, Fluid Power Society, International Council for Fluid Power Education, National Education Committee of the Fluid Power Society, American Vocational Association and Michigan Industrial Education Society.

He is a past president of the Oakland-Macomb Industrial Education Association.

16 Classes for High School Credit Now Offered at Night

Sixteen classes for high school credit are included in the 94 various activities being offered during the winter semester of the adult education and recreation program here.

Each of the 16 courses that carry high school credit may be used by non-graduates toward a high school diploma.

Registration for the winter program will be conducted from Jan. 13 to Jan. 17, director Herb Woolweaver has announced. The activities themselves begin Jan. 27, he said.

The recreation and adult education program is a phase of the Plymouth public school program and is ultimately supervised by the Board of Education.

It was the School Board that approved a night school program last August, thus enabling young people who dropped out of high school before receiving their diploma to return to night classes and work toward graduation.

These are the high school credit classes being offered during the winter semester: American history, book-keeping, business English, drafting, business machines, furniture refinishing, government, power mechanics, related English, public speaking, shorthand I and II, typing I and II, welding and woodworking.

During the fall semester only three night classes were offered for high school credit.

All of You

Once a long time ago, there was a wonderful little girl who had waited most anxiously for Christmas Eve. When the moment finally did arrive she went several times to the door to peer out into the wintry night.

Noticing a slight hint of dejection as the child turned back into the room the last time, the girl's mother asked the reason. Sadly, the little girl explained . . . "Mother, you said that when Christmas Eve came the sky would open and the angels would sing, but I don't hear the angels."

It would appear that this instance, in varying fashions, happens a lot to us.

Christmas Eve for us this year has come and gone. And, perhaps, like the little girl, we built ourselves up for something great and when the time came we felt disappointment. Not necessarily at Christmas time might we be inclined to this attitude.

Maybe it's because we try to get too much out of the times. Perhaps we are dwelling too heavily on what will come to us, rather than what we can give to someone else.

The Holiday season, centering around Christmas and the spirit of giving, is a feeling — a very personal and peaceful feeling. The sky won't necessarily open nor will the angels sing. But something sings from within us. And as always there is love in the air, and compassion, and a feeling of fellowship.

And at least at this time of the year there is peace and happiness a-plenty and we shall think that we have more of love and substance to share. And we'll share it . . .

There's nothing to compare to this "Song" that stems from within us. So . . . a merry, merry holiday season to you and happiness a-plenty during the forthcoming year.

Mr. and Mrs. E. T. Galazio and son, Michael, of Evanston, Ill. will arrive today (Tuesday) at the home of her parents, Mr. and Mrs. L. H. Goddard on John Alden. On Christmas Day they will be joined for dinner by Miss Eloise Goddard of Southfield, sister of Mr. Goddard, Mr. and Mrs. Larry Sykes and family of Detroit and Jim, who is home from MSU for the holidays.

On Christmas Eve Mr. and Mrs. Robert Beyer will host members of the Beyer family when Mr. and Mrs. T. L. Sullivan and daughter, Glenna, of Fenton, Miss Amelia Gayde and Mr. and Mrs. Carl Hartwick of this city will join them.

Mr. and Mrs. Norman Atchinson of this city, their daughter and husband, Mr. and Mrs. Ted Gerth of Wayne, Mr. and Mrs. Robert Stipe, Ronald and Julie of Ann Arbor, Mr. and Mrs. Louis Stipe and son, John of Howell, Mrs. Lola Alexander

JayVees Trample Panthers to Post Win Number Three

The Junior Varsity Cagers overwhelmed a poor Redford Union reserve squad last Friday by a score of 70-36.

The JayVees were potent from the floor as they hit on 45% of their field goal attempts.

The scoring was split up among 12 players as 19 reserves saw game action.

Even the third and fourth stringers scored heavily as Plymouth averaged 18 points a quarter.

The Junior Rocks started out with a 12 point lead in the first period and doubled Redford's total at half time to leave the floor ahead 35-16.

The second half was the

Plymouth came from behind in the first period and then held on to a slim margin throughout the rest of the game to defeat a fast moving, good rebounding Redford Union team 71-66.

The Rock's big job last week was to hold down 6' 4" Tom DeWitt from Redford Union. DeWitt is not only tall but he is a fine shooter and rebounder which made the defending job even tougher. But Plymouth kept dropping an extra man in front of DeWitt to try and keep the ball away. Although DeWitt scored 22 points, Cal Luibrand from Plymouth dropped in 25 to lead the scores.

In the first quarter Redford Union clearly stated their intentions as they led by 4 or

5 points until early in the second quarter. Plymouth finally caught up and passed the Panthers and held on, to lead 30-25 at half time.

During the third period the Rock's lead was never more than 6 points and most of the time it was tied or Plymouth was ahead by 2 or 3 points. The third quarter ended with Plymouth holding a slim edge, 51-49.

In the last period the game went down to the wire as Redford Union was within 3 points with two minutes to go. But guard Doug Sutherland was fouled and scored 2 free throws to give Plymouth a 5 point buffer.

In the closing minutes Redford Union tried everything to pick up the necessary score but the Rocks held on to wind up with a well deserved 71-66 win over the Panthers.

Balanced scoring seems to be Plymouth's key to success as 4 of Coach Charlie Ketterer's starters scored in double figures.

Plymouth's regular starting guard, Gary Grady was home in bed with the flu and was

replaced by Roy Chappell who had just recovered from the flu himself.

Although Chappell played a fine game in his first starting role. Grady was missed because of his floor leadership and defensive play besides his usual 10 or 12 points.

Luibrand led the scoring with 25 with Dick Egloff following with 15, close behind was Sutherland with 14. The other starter in double figures was Jerry Kisabeth with 12.

Because of the holidays Plymouth is idle this week and will meet Farmington in a non-league game, here Jan. 3.

Box Score	F.G.	F.	Total
Luibrand	10	5	25
Kisabeth	6	0	12
Egloff	7	1	15

Plymouth J.V. Swimmers Wash Out Redford Union

The JayVee tankers set up a tidal wave last week as they dunked Redford Union 75-25.

Coach Tom Workman stated that there was a much better effort this week as the times of almost all swimmers improved.

Plymouth took every first place except in diving, in which the Rocks had no entry, and the 100 yard backstroke.

The JayVee swimmers finished as follows:

- 200 yard medley relay - Skinner, Norman, Wernette and Shirey, 2:05.2.
- 200 yard freestyle - Olson, 2:18.8. Bohl.
- 50 yard freestyle - Saxton, 26.1. Crosby.
- 200 yard ind. medley - Bentley, 2:52.7. Gustafson.
- 100 yard butterfly - Wernette, 1:10.4. Wolfram.
- 100 yard freestyle - Crosby, 59.4. Olson.
- 100 yard backstroke - (R. U.) Skinner, (R. U.) Bentley.
- 400 yard freestyle - Bentley 5:34.8. Bohl.

Pee Wee Players Needed to Build Up Hockey Team

Jim McKindles and Jerry Vettesse are looking for more Pee Wee hockey players.

There are two teams from Plymouth that are entered in the Nankin Hockey League but there is plenty of room for more, according to Vettesse.

If you are under age 12 you are eligible to play.

Any boy interested should meet with Vettesse, Saturday, at the rink behind the Senior High School.

Beyer President Of New Ski Club

Robert Beyer was elected president of the Plymouth Ski Club at its organizational meeting, held in the Plymouth Community Federal Credit Union last Thursday evening.

Hockey Teams Win 3 Games

Four Plymouth Recreation hockey teams went into action last week and three of them came out victors.

The Bantam T-Birds defeated Dearborn Heights 6-1 as Joe Herter scored 3 goals with Tracy Shelley getting 2 and John Gillis scoring 1. Goalie Tom Elias kicked out 15 shots.

The Midget Royals were defeated by Dearborn Heights 7-1 with the lone goal getter being Mike Lockwood.

The Optimist Black Hawks downed Dearborn Heights 8-1. The scoring was divided among 5 players as follows: Jim McKindles 2, Clark Raven 2, Jerry Wyman 2, Dale Tonkovich 1, Terry Cosgrove 1.

Alternate goalies were Dave Troutman and Dennis Tonkovich who combined to make 8 saves.

The senior Blades defeated Jackson in a high scoring game 11-0.

Dick Sharland had 4 goals to lead the scorers. Denny Hanks had 2, Leo Wendt 2, Al Kolak 1, with Stewart and Brandt getting 1, also.

Rocks Drop Panthers For Third Win

Tankers Swamp Redford Union, 69-34

The Varsity swimmers posted their third straight victory and second league win by swamping Redford Union 69-34.

Plymouth came up with 9 first places out of 11 events to dominate the meet, but according to Coach John McFall there were quite a few good races.

McFall moved his swim-

mers around in this meet, entering them in different races than they have competed in before. His strategy worked as the swimmers were able to capture the events by turning in good times.

Plymouth had a double winner as Jeff Hoffman took first in both the 200 yard individual medley and the 400

yard freestyle. Doug Breed took second place behind Hoffman in the 400 yard freestyle.

Plymouth sprinted to an early lead as they won the first four events before Redford Union could take a first in the diving.

The Rocks started out by winning the 200 yard medley relay in a time of 1:49.7. The

medley team is composed of Dan Olson, Dave Agnew, Jim Beglinger and Dick Berry.

Tom Blunk and Doug Jaskierney finished 1, 2 in the 200 yard freestyle. Blunk's winning time was 2:05.

Dick Berry took the 50 yard freestyle in 24.4 with Allen Saxton finishing third.

In diving Burt Quinn and John Herter finished second and third, respectively.

The 100 yard butterfly event was controlled by Plymouth as Jim Beglinger and Rick Malbeouf finished 1, 2. Beglinger's time was 0:60.2.

In the 100 yard freestyle Knapp won in 57 seconds with Saxton finishing second.

Dan Olson and George Collins swept the first two places in the 100 yard backstroke with Olson's time set at 1:01.9.

Dave Agnew finished in second place in the 100 yard breast stroke to salvage 3 points for Plymouth in that event.

The 200 yard freestyle relay team composed of Jim Mattison, Mike Drennan, Malbeouf and Jim Norman finished out the scoring by winning the last event in the time of 1:40.

The tankers next meet will be with Dearborn, here, on Jan. 2.

SENIOR forward, Jerry Kisabeth, had a good night in his team's victory over Redford Union. He was one of four starters who scored in double figures as he dumped in 12 points.

CAL LUIBRAND, 6-foot-2 senior letterman and team captain, sparked the Rocks to their first league victory by scoring 25 points. The picture above was a familiar scene as Luibrand kept his man on the move. Pictured at the right is Junior guard John Daniel.

Yule Skates, Thick Ice Go Together

Shiny new skates under the Christmas tree, added to winter's ice on lakes and streams, means winter fun

for many a youngster — but early season ice can also be a threat to their lives, according to Gordon Traye, Deputy Secretary of State.

"In some areas early winter ice may look thick enough to walk or skate on," Traye said, "but may still be too thin for a youngster's weight."

He urged parents to warn their children about venturing on frozen waters before determining the thickness of the ice. Ice on top of deep bodies of water should be four or more inches thick to be safe.

Traye asked parents to check ice thickness themselves, rather than leaving it to the children.

"Even where ice is judged safe for skating or sliding," Traye said, "provisions should be made for rescue in the event of a breakthrough."

Breaks and weak spots can be caused by pressure cracks or from a flow of water beneath the ice.

Traye also cautioned ice fishermen about using cars for transportation to ice shanties, urging them to wait until well into January before venturing on the ice with any heavy equipment.

Deal with the faults of others as gently as with your own. — Chinese Proverb

During 1962, 12 persons drowned from falling through the ice into Michigan's waters. This year has already seen a few deaths from this cause.

Traye concluded: "Keep your Christmas safe and happy through forethought and the proper advice to your children."

Freshmen Drop Contest 42-22

The freshman basketball team ran into a powerful Willow Run squad and went down in defeat 42-22.

The first half spelled the difference as Willow Run ran up a 19 point lead with Plymouth only scoring 6 points.

Plymouth finally got moving and stayed with Willow Run the second half but couldn't overcome the big lead.

John Davis sparked the team as he scored all of his 9 points in the last two periods.

Coach Bryan Boring was pleased with his squad's performance even though they were defeated.

To round out Plymouth's scoring John Luibrand had 5, Ron Lowe 4, Larry Stoddard 2 and Steve Hulce 2.

Head-On Crash Claims Detrioter
A 26-year-old Detroit motorist died Christmas Eve when his auto swerved across the center-line on Sheldon Rd. in front of the Wayne County Training School and collided head-on with another car.
Dead is John M. Hydorn. The other driver, Donald Newman, 33, of Ypsilanti, was injured in the collision, police say, and was taken to Wayne County General Hospital for examination and treatment. The incident happened at 5:30 p.m. Christmas Eve.

Football star Dick Egloff has made the transition from the gridiron to the basketball floor with no trouble this winter. Egloff, PHS's second all-state gridder in four years, last Friday scored 15 points as the Rocks slipped by Redford Union, 71-66. Here, Egloff tries a one-hand jump shot.

FLAMES NOT SERIOUS
Clothing in the basement of the Paul McAllister home, 467 Roe, caught fire Monday noon but City firemen arrived within minutes to extinguish the flames. Minor damage resulted, firemen said.

Michigan is the state where they flew bombers straight from the assembly line to the battle line, where they manufacture everything from automobiles to xylophones, where they put you in a bus to tour an industrial plant because it's as big as a city, the state whose shoreline is as long as our Atlantic coast and longer than our Pacific coast.

LEGAL NOTICES

To the Supervisor and Highway Commissioner of the Township of Plymouth, Wayne County, Michigan.
You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on December 12, 1963, decide and determine that the certain streets described in the minutes of said Board should be County roads under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said streets are hereby made a part of this notice, and are as follows:

Opinion

(Continued from Page 1)
participate with one or more local governmental units in the formation of a regional planning commission...
It concluded:
"Therefore, it is the opinion of the Attorney General that the board of education of a school district may use operating funds to support a regional planning commission created by it in accordance with (Michigan law)."
The opinion was signed: "Frank J. Kelley, Attorney General."
With the knowledge that the joint planning authority still has life, City Commissioners Monday evening informally agreed to renew their financial support of \$5,000. Commissioner George Lawton, himself one of the planners of the authority, said there is some chance that the annual requirements of the plan group will be only half of the \$20,000 originally sought. He did not elaborate.

Commissioners Agree

(Continued from Page 1) Supervisors and more familiar with the intricacies of Detroit and County politics, also urged that forth-coming negotiations be taken up with the Detroit Water Board itself and not Gerald Remus, who is the water board's general manager.

Remus has made a couple visits to Plymouth during the course of 1963 and recently observed in a letter to Glassford that future meetings of that sort do not tend to accomplish as much as might be desired.

It was Vallier who submitted the motion "to proceed with construction on the reservoir" and enter into further negotiations with Detroit over a mutually agreeable water contract.

In essence, what the motion tends to do is request the City's consulting engineers to come up with a precise recommendation as to size and exact location of the reservoir.

The "rider" on Vallier's motion serves mainly to indicate that the City has not by any means given up its undeclared thoughts that ultimately City of Plymouth will turn to Detroit for water service.

From the stand-point of the reservoir itself, engineers have advised the City previously that a two-million-gallon tank is adequate if the City never hopes to serve more than its own potential of cus-

tomers, meaning the maximum number of users who someday will inhabit the two-square-mile parcel that comprises the City.

However, if the City should perhaps become the key-stone to a "municipal water authority," which has been suggested off and on during the past 12-month period, a three-million-gallon tank would be required, the engineers say.

It was through a study by a special water committee that Vallier's motion finally saw the light of day. Vallier half a year ago submitted a motion to proceed with plans on the reservoir, only to have the bid die for lack of a parliamentary support from any of his fellow Commissioners.

At any rate, the study committee of Commissioners Vallier, Smith, James Jabara and George Lawton, together with Glassford and D.P.W. boss Joseph Bida, explored the many facets of the water situation here.

The end result was approximately the substance of Vallier's motion Monday night, which this time gained the needed support and favorable vote to become a matter of record.

Vallier's original motion Monday night — and it was eventually altered somewhat before being accepted — urged the City to proceed with "engineering plans" on the reservoir.

However, since the City has included preliminary engineering plans in its grant request to federal authorities, Commissioners felt that the wording of Vallier's first proposed motion should be changed somewhat.

That, in turn, is what prompted the final motion which says "to proceed with construction."

Meanwhile, Glassford has prepared and submitted to the Commission a report explaining the various alternate methods whereby the City can finance the construction of a reservoir.

Commissioners are aware of the fact that the City presently has a \$335,000 bonded indebtedness dating from water expansion programs of 1948 and 1953.

An additional bond issue, Glassford declares, can be achieved without hampering the City's overall financial structure. He has consulted with the City's bonding attorneys.

A safe estimate of the situation as it stands today would be that Commissioners now are mulling over their action of Monday evening to see where it leaves them with regard to future action during 1964.

Teen-Ager Injured

A Plymouth teen-ager was injured when two cars collided at the intersection of Sheldon and Penniman Ave. Monday afternoon. Gerald Adams, 18, of 891 S. Harvey, was treated by a physician and released, police said.

Adams was a passenger in a car driven by Robert Lowing, 18, of 944 Oakview. The Lowing auto collided with one driven by William Otwell, 49, of 1464 W. Ann Arbor Tr. The two drivers told police they were not injured.

DRIVER INJURED

William Weis, 19, of Dearborn Heights, was injured Monday night when his car went out of control on Northville Rd. and struck a bridge abutment at Five Mile Rd. He was taken to St. Mary Hospital, Livonia, for examination and treatment.

DISCUSSING PLANS for the annual Fall dinner of General Motors Girls and Mens Clubs are Marshall North, of Maple Ave., who is personal director of the Chevrolet Gear and Axle and Forge Plants and president of the GM Men's Club (left) and John F. Gordon, president of General Motors.

City Hall 'On Schedule'

(Continued from Page 1) which has approved a grant to the City not to exceed \$255,500.

If everything goes well, total cost of the new City Hall should wind up somewhere in the vicinity of \$586,000, a figure that includes \$72,000 for land acquisition. Cost of the land is not shared by the federal grant.

Also within the \$586,000 total are the architect's fees, plus an \$11,000 contingency fund, and several lesser expenses such as builder's risk insurance, bonding costs and legal fees.

Work on the new City Hall got underway the middle of September, but a formal ground-breaking was not held until early in October. It was attended by innumerable dignitaries, including local, state and federal elected officials.

Under the terms of the federal grant, the project must be finished by Sept. 30, 1964. Becker feels the task will be practically completed by Sept. 1.

Approximately one-half of the construction costs, of course, will be borne by the federal government.

Burger Construction Co., of Plymouth, received the architectural contract for \$318,000. The firm of Norman Nelson, Inc., of Dearborn, won the mechanical contract on a bid of \$89,600. Shaw Electric, of Livonia, was awarded the electrical trades contract for \$51,840.

Riverside Estates

BY FLORENCE STEPHENSON — 453-8918

On Dec. 28th, at 7:30 p.m. Harold and Lorraine Ziegler will be holding an Adult Get Acquainted Party for all the adults in our subdivision. Due to the newness of our subdivision and in order to include everyone, Harold and Lorraine are using this column to invite you. The Ziegler's address is 305 River-oaks Dr. and the house is directly across from Lindsay Dr. on the city side of the subdivision. Please use the door in the garage to enter the house. Here's hoping

many of you will accept this invitation to meet and get acquainted with your neighbors.

Mr. and Mrs. Finn O'Leary are staying with H. W. and Ann White, of Riverside Dr. The O'Leary's are Ann's parents, and will remain at the White's home until their home is ready for occupancy. The O'Leary's will be living in Northville.

A "Happy Birthday" greeting goes to Bob Rew who was eight on Dec. 21st. Susan is the daughter of John and Marlene Heslip of Lindsay Dr. John's birthday was on Dec. 22nd, and father and daughter shared the same celebration. Those attending were: John's parents; Mr. and Mrs. Arthur Heslip of Northville; John's brothers,

Dick, Bob, and Michael; and John's sister, Mary Heslip.

Friday, Dec. 13th, Marlene and John Heslip attended the Junior Women's Club Angel Ball in Saginaw. They were the guests of John and Fran Moran and Dr. and Mr. Mahaney.

And still another "Happy Birthday" greeting goes to Andrew Young who was fourteen on Dec. 23rd. Andrew is the son of Bill and Mildred Young of Lindsay Dr. Andrew's birthday was celebrated with a few friends from school.

Chuck and Shirley Foster, of Lindsay Dr., entertained the following couples on Saturday, December 14th; Milly and Bill Young, Dan and Margaut Detling, and Rodger and Jeanne McGonagle.

On Wednesday, Dec. 18th the Girl Scout Troop No. 376 from Allen School toured the West Trail Nursing Home. About 30 girls were present, those from the subdivision were Cindy Foster, Loree Curok, Carla Saunders, and Debbie James. The troop leader is Mrs. Preuss, and she was assisted by Shirley Foster and Dorothy Curok on this outing.

We want to welcome Smith and Jeanne Horton to our subdivision. The Hortons have moved into 42053 Lindsay with their two sons; Steven, three; and Paul, who is 8 months old. Mr. Horton works in the general office at Ford. The Hortons moved here from Taylor Township.

I want to take this opportunity to wish you and yours a Very Merry Christmas and A Happy New Year.

The University of Michigan was the first University in the West to provide instruction in modern languages, 1864.

WESTERN ELECTRIC employees here skipped exchanging Christmas cards this year and instead put the money toward the purchase of a piano for patients at Northville State Hospital. Here, music therapist Roberta Munn tries out the piano while Western Electric employees James McKindles and Emil Niemchak look on.

Mourns Passing Of 1st Federal's Walter Gehrke

"The community is better for his having lived with us," was Perry Richwine's way of expressing the grief felt by the death of First Federal of Detroit's Board Chairman Walter Gehrke on Dec. 17.

Richwine, a life-long Plymouthite, is a vice-president of First Federal, a national general manager of the Plymouth branch; which only this year moved into new quarters in downtown Plymouth largely as a result of Mr. Gehrke's forward thinking.

A Christmas party to be hosted by First Federal was cancelled this year as a tribute to the memory of the firm's founder.

Mr. Gehrke's nephew, Hans Gehrke, is president of First Federal, one of the largest savings and loan associations in the nation.

First Federal grew from a start of less than \$10,000 to over \$500,000,000 to become the largest Federal Savings in Michigan, Richwine said.

The First Federal has the largest number of first mortgages on homes of any financial institution in Michigan.

Local Builder Seeks Re-Zoning For Apartments

Plymouth Township's planning commission last week agreed to hold a public hearing at 8 p.m. on Wednesday, Jan. 15, to determine if there are any objectors to a proposed re-zoning request.

The zoning change is requested so as to enable Stewart Oldford & Son builders to construct a series of apartment buildings on the west side of Sheldon Rd., north of Ann Arbor Rd.

If the zoning change is granted, it will permit the construction of 12 one-bedroom units.

The change requested is from R-1-S (suburban residential) to R-3 which is multiple family residential. If approved by the planning commission, the Township Board must also pass favorably on the matter before it may take effect.

To Seek

Consumers Power Co. has asked the U.S. Atomic Energy Commission for a permanent license for its Big Rock Point Nuclear Plant, near Charlevoix, on the basis that the plant has proved itself safe and reliable under AEC operating regulations.

The "permanent" license has a life of 40 years, compared with the 18-month provisional license under which Big Rock Point has been operating. It expires March 1.

Big Rock Point is the first nuclear power plant in Michigan to go into service. It achieved its initial electrical output for commercial use on December 8, 1962.

KIWANIS NOTES

By Ken Way

Ray Clark, of Mettetal Airport, spoke to the group on the subject of aviation. Airlines receive practically all the publicity while flying only five percent of the total miles. Almost any person can learn to fly. The cost is from \$12.00 to \$18.00 per hour plus \$5.00 per hour for an instructor. For the average person, this means a cost of between \$700 and \$850. Flying is an interesting hobby for many people, an ideal means of relaxation away from job tensions. When you fly, your eyes, feet and hands are coordinated to operate the plane. All planes must be inspected once a year. The inspection fee for light planes

varies from \$85 to \$200 annually. You may purchase a used plane for as little as \$1000 to \$1500. A beginning pilot generally has about 50 hours of instruction, while the professional airline pilot generally has over 1000 hours of instruction. One instructor said his job is generally hours of boredom interrupted by minutes of sheer terror. The airplane is an essential tool of industry, being used by Ford Motor Company, American Motors, Chrysler Corporation and General Motors, to name only a few. There is an Air Ambulance Service at Willow Run Airport. This is only one of the many services provided by the airplane.

The Pegasus Club from the Mobil Oil Company in Detroit dressed 100 dolls this year for Christmas — 50 for the Redford Kiwanis Club and 50 for the Plymouth Kiwanis Club. Pegasus Club Chairman for this activity was Ann Valasek. Ann, Betty Hutchinson and Robert Smith were guests of the Plymouth Club and participated in their presentation to Brigadier Ernest Janner of the Salvation Army and Paul Sanders of the Goodfellows for distribution to local families along with gifts brought by members of the Kiwanis Club.

Other guests included Bill Tosow, Jr., James Lent, Richard Lea, Phillip Johnson and Stewart C. White. Guest Ira Hauk expressed the thanks of the Cherry Hill 4-H Club for Kiwanis support with the donations of sewing machines, refrigerator, automobile and stove.

The last meeting of this year, on Dec. 30, will be held at Lofy's as usual. Membership pins will be presented at this time.

Top Plymouth Headlines in 1963

A PARTLY-COMPLETED new home in Lake Pointe Village went up in a flash of flames one day last summer and Township firemen had

little chance to halt the roaring inferno. No one was injured.

These events made top headlines in Plymouth during 1963:

January

2. Civic leaders show optimism in their predictions for Plymouth during coming year. Paul Wiedman sells his Ford agency to Leo M. Calhoun. Flurry of last-minute nominating petitions brought to 11 the number of candidates in the City Commission primary race and raised the total to seven candidates in the Township's runoff for Board of Trustee.

9. Detroit Water Board General Manager Gerald Remus makes a surprise visit to City Commission meeting to discuss water problem here. Badly damaged by flames late in December, the 75-year-old picturesque former Hough family home on Main St. is faced by demolition shortly when costs of repairing it are judged too high. Apartment building in City gets swift start in 1963 as three units get Commission approval for Coolidge-Joy-Burroughs St. area.

16. Two new industries, R.C.A. and Willys Jeep Sales, lend further support to City's tax base. Evans Products Co. sells its bike-manufacturing operation here. Seven-year-old Randy Tarrow is struck by car but escapes unhurt. School construction stays on schedule according to School Board report. Fifth-sixth grade choruses to sing at Family Concert. Second election on City of Plymouth Heights' incorporation of Township move to be called before July 25.

23. Major pharmaceutical firm, Chem-Tek Corp., plans to move to Plymouth shortly. Urban Renewal land condemnation proceedings begin. PHS musicians plan fish fry to raise funds to send

themselves to Interlochen in summertime. Community Fund officials consider purchasing a permanent headquarters here.

30. PHS swimmers eye the league crown after one-year lapse. George Lawton accorded 'man-of-the-year' honors for 1962 by JayCeas. Water department cost study opens in City. 1963 Chamber of Commerce budget set at \$11,700. Coldest night of year found temperatures plummeting to 15 degrees below. Industrial Development Corp seeks \$8,000 to sustain program.

13. Lack of interest expected to plague primary election. New zoning for small lots hinted at Canton growth. Trio of school-building projects lumped together for bidding. Cheryl Planck has perfect 4.0 academic record to top PHS Class of 1963. GOP 'split' clouds Salem Township primary. Canton primary centers on GOP trustee race.

20. Election results: Garber, Sparks, Lauterbach win primary race for Trustee seats, are assured of victory at the April 1 vote since Dems offer no opposition. Lawton and Vallier head list of 3 who survive City primary run-off. Salem vote beats 4-man GOP faction. Stein tops all candidates in Salem primary. City's \$1.5 million water system includes a \$335,000 mortgage, special report by The Plymouth Mail shows.

27. Churches make variety of plans in preparation for Lenten season. \$225,000 grant for new City Hall is given approval by federal authorities. Plymouth Nursery sold by Peter Christensen. Testimonial dinner pays tribute to Methodist Minister Melburne I. Johnson who retires June 1.

6. Wood products manufacturer, Superior Sliding Door Frame Co., eyes long-vacant plant here. Rocks vs.

RESIDENTS ON Beck Rd. woke up one morning and spotted "prison zone, no parking" signs in front of their homes. A series of swift complaints to county road commission changed that situation.

6. PHS cagers upset highly-regarded Redford Union, 55-47. Five teenagers charged with vandalism of George Schmeman home on Territorial Rd. Three city officials visit Washington, D.C. to help speed request for City Hall funds. Dimes Mothers' March raises \$2,000 locally. Tait's Cleaners sold to John Addison.

13. Swimmers clinch sixth league crown in seven years by beating Trenton and four other conference schools. Bids on school construction exceed estimate of \$35,000. Finlan Ins. Co. acquires Wm. Wood Agency. Township eyes possibility of establishing a safety director's job. Industrial Development Corp. hopes to raise \$15,000. Grand opening of new First Federal headquarters set for March 22.

20. Election results: Garber, Sparks, Lauterbach win primary race for Trustee seats, are assured of victory at the April 1 vote since Dems offer no opposition. Lawton and Vallier head list of 3 who survive City primary run-off. Salem vote beats 4-man GOP faction. Stein tops all candidates in Salem primary. City's \$1.5 million water system includes a \$335,000 mortgage, special report by The Plymouth Mail shows.

27. Churches make variety of plans in preparation for Lenten season. \$225,000 grant for new City Hall is given approval by federal authorities. Plymouth Nursery sold by Peter Christensen. Testimonial dinner pays tribute to Methodist Minister Melburne I. Johnson who retires June 1.

20. Evans Products makes room at Plymouth plant for expansion program. Labor unrest cited as reason for collapse of Worden Specialty. New plan for Penniman Ave. parking explored. First Federal manager Perry Richwine 'returns home' as his firm settles down on same site where Perry spent his childhood 50 years ago, corner of Main and Penniman.

27. Candidates and voters gear selves for April 1 biennial election. \$41,000 cutback enables awarding of school construction contracts totaling \$855,000. Employees cite financial problems as new reason for failure of Worden Specialty firm. New Auto Club dedication set at \$8,000 surprise arrival at Community Fund offices from Detroit U.F.

April

3. Lawton, Vallier, Jabara, Smith win City Commission race. Republicans gain sweep — as expected — in Township. Stein wins sixth term in Canton. Renwick is pace-setter in Salem. Township budget at \$183,650. New City budget sees first light. Auto Club resplendent in new offices. Warming sweeps ticket brings Tom Belobradich \$140,000 in instant wealth.

10. City budget expected to amount to about \$1.3 million; still under study. Woodlore, a 50-hour project in Township, hits more snags over water. School election set June 10; two seats to be decided. Auto dealer Bill West dies. Michigan Bell announces \$377,000 expansion program.

17. Eight teens trudge 50 miles for youth fitness. School District still 'owed' \$500,000 in tax revenues. Finlan Realty announces plans for 120-acre industrial park in Township. Wernette named mayor of City. Michigan Bell proposes calling revisions, asks local subscribers to vote on their choice. City trying to sell

empty, unused water tank on Byron St.

24. Voters to decide on all 7 college trustee seats at June 10 school election. Turn-of-the-century Conner building at Main St. and Penniman to get major face-lifting, according to new owner and shoe-man James Houk. Wernette to visit Momroe during mayor's exchange day. Commission asks: Should we tear down old City Hall or preserve it for its historical value? First quarter earnings at Evans show big gain.

May

1. Commissioners agree to raze old City Hall once new

structure is completed in mid-1964. July 4th celebration being planned as 'biggest ever'. First Open Forum meeting attracts 100 people who eye Plymouth's future. School Board race June 10 being forecast as wide open affair. City puts up new street lights in downtown area.

15. Conover, Garber, McLaren, Niemi, Schroeder and Schultheiss file for School Board race. Special report shows School District faces financial pinch; special millage election looms; special election election pools later this year. Cassady's mark 10th year amid wide congratulations. Plymouth set for its share of Michigan

Week salute. Stremlich named general campaign chairman for the Community Fund drive.

21. Twenty per cent reduction in City Hall costs ordered and \$109,000 is sliced off initial project expense. Township Board grants water to Woodlore development at Beck and Ann Arbor Rd. City completes purchase of Urban Renewal property. Second open forum called for Sept. 18. Fall Festival hits the drawing boards already.

28. Plymouth has chance at league baseball crown. Golfers win league title. Trackmen finish 9th in state set for its share of Michigan

As the New Year bells ring out, we chime in with glad greetings and best wishes for your pleasure and prosperity in the days ahead. With real sincerity we extend our thanks for your patronage and good will, and hope our friendly association may long continue.

TO THE 1,185,000 FAMILIES SERVED BY DETROIT EDISON

People often ask if Detroit Edison is a part of any other electric company which has "Edison" in its name. The answer is no. Years ago, Thomas Edison licensed a number of newly formed companies to use his patented devices to generate and distribute electric power. In each agreement was a clause—long since expired—which stated that his name be a part of every company name. We are proud to continue this historic tie.

Detroit Edison serves Southeastern Michigan only. This being so, we are always deeply interested in the progress of the area. Edison employes are your neighbors and their concerns, as good citizens, are the same as yours.

About 110,000 individuals and organizations are Detroit Edison shareowners. Their dollars, working for the company, earn dividends at the current rate of about four per cent of the market value of the shares.

Nearly 73,000 Edison shareowners live in Michigan. Of this number, 63,000 are also Detroit Edison customers. So our company is very much a part of Michigan. Many insurance companies and retirement funds own Edison shares too. Thus other Americans, here and elsewhere, are indirect owners of the company.

Investor ownership is basic to the American way of life and is largely responsible for the economic progress of the nation. Ours is an economic system which, more than any other in the world, supports and enlarges personal freedom. And it is an appropriate time, as an eventful and historic year draws to a close, to pledge ourselves anew to the cause of freedom.

May I, on behalf of my associates and myself, wish you a Happy New Year!

Sincerely,

Walker L. Cisler

Many thanks to all who came to our annual Christmas party and made it such a wonderful success. A special thanks to Santa Schaefer and to Jerry Hoelscher and Bob Richter for providing us with such good music. Dec. 14 was our Penny Party. Our next Penny Party is Saturday, Jan. 11, at 8 p.m. at the Post Home. Come out and win a bag-full.

The next Auxiliary meeting will be Thursday, Jan. 9, at 3 p.m. Post Home. Those who have not paid your dues yet - mail them to Mae Hoelscher, Secretary, 392 S. Harvey or pay her on our meeting night.

Rights Group Set for Fast Start in '64

Having already met once to lay plans for future meetings, the community-wide Human Relations Commission will meet again soon after the first of the year to further pursue its anti-discrimination efforts.

The Human Relations Commission was called jointly by the City and Township of Plymouth and Canton Township. A resolution by City Commissioners nearly three months ago set the wheels in motion and finally led to the recent appointment of members to the rights group.

Carroll Munshaw, 555 Byron, was a unanimous choice for chairman of the newly-formed body. He is a professor at Wayne State University.

Other members represent all segments of the Plymouth Community School District. They are: Rev. John Miller, representing the Plymouth Ministerial Association; Rev. Father Alfred H. Renaud, a Catholic priest; PHS student council member John Campbell; John Herb, of the Chamber of Commerce; Dr. William Covington and Dr. Gerald Fitch, representing the community's many service clubs; Patrick Butler and Paul Kauffman, City of Plymouth members; Raymond Arnold and Maurice Breen, Township of Plymouth representatives; and Wesley Kaiser and Mrs. Donald Sutherland, Canton Township members.

Wins \$50 Bond In Radio Contest

Mrs. Roland Peterson, 772 S. Main St., won a \$50 savings bond last week from radio station WYNZ when her statement was selected as the best among all entries.

It read: "Demand of ourselves the best. 'Don't look for progress from all the rest. The giving of ourselves, though unimportant we may feel. 'Helps to change our community's dream into something that is real.'" Realtor James Latture, from whom Mrs. Peterson obtained her entry blank, said: "Mrs. Peterson's words are consistent with the efforts of the community for many years, the work of the clubs here and the many organizations, and especially true of The Plymouth Mail which for years has been trying to show the people of Plymouth that their participation in community affairs is the means by which things get done." Mrs. Peterson is going to use the money from the savings bond to buy a projector.

We're heading your way with a sleighful of good wishes for the New Year! Our grateful thanks for their many kindnesses go to all those whom it has been our privilege to serve. May the New Year hold much happiness, love and contentment.

SALEM NEWS

By VERA CLAIR — GL 3-2610

Mrs. Irma Shoebridge was retired from the Ford Motor Company in Ypsilanti Dec. 13 with forty years of service. Mrs. Shoebridge started at the Phoenix plant in Plymouth in Nov. 1923 and moved to the Ypsilanti plant in 1948.

A retirement party was given in her honor on Saturday, December 14th, at the home of Dorothy Busch in Northville. The girls from the general store office presented her with an orchid and a regulator with forty silver

dollars. The Phoenix plant group where she started also gave her a purse of money.

The Christian Fellowship Class of the Salem Federated Church went caroling Friday evening and then gathered at the home of Mr. and Mrs. Maurice Alexander on Gotfredson Rd. for refreshments and devotions.

Mr. and Mrs. Maurice Alexander and son Mike of Gotfredson Rd. were the guests of her brother and sister-in-law Mr. and Mrs. Thomas King in Plymouth on Christmas Day.

Spending the Holidays at the Acres are my sister-in-law and brother-in-law Mr. and Mrs. Herman Beck from Staten Island, New York.

Dinner guests at the home of Mr. and Mrs. E. F. Trombley on Napier Rd. Christmas Day were Mrs. Flury and

sons Jimmie and Clarence of Ann Arbor.

The Willard Wilson family entertained at a family dinner on Saturday, her aunt and uncle the Herman Becks from New York, Mr. and Mrs. Clarence B. Carter of Five Mile Rd., and her sister Mrs. Elaine Moran from Detroit, and her mother Mrs. Clair.

December 24th, the Wilson family had their traditional Christmas breakfast with Mrs. Wilson's sister and brother-in-law the James Morans in Detroit. Santa making an early call, the four cousins enjoyed the Moran Christmas tree. Others present were their aunt and uncle Mr. and Mrs. Herman Beck. The entire group returned to the Acres to spend Christmas eve and Christmas Day with their aunt and uncle Mr. and Mrs. Carter and me.

Mr. and Mrs. Joseph Lutchka and family and Mrs. Bliss of Five Mile Rd. enjoyed Christmas Day with Mrs. Lutchka's sister and family Mr. and Mrs. John Matestic in Detroit.

Mrs. Alma Johnson of Napier Rd. is spending the Christmas holidays with her daughter and family Mrs. Holst at Marlette and her granddaughters family at Deckerville.

Gathering at the home of Mr. and Mrs. Charles Marshall on Salem Rd. for Christmas Eve dinner were Mr. and Mrs. Raymond Dahl of Ann Arbor and Mr. and Mrs. Arthur Dahl and Raymond Smith.

Harriet Ingall from New York City arrived Dec. 24th, to spend the holidays with her parents Mr. and Mrs. Harlow Ingall on Joy Rd.

Mr. and Mrs. Frank Davis and family of Brookville Rd. attended a family Christmas party at the home of Mrs. Davis brother and sister-in-law the Charles Wall's in Bellville, Monday evening. Kathy Davis is home from Grand Rapids to spend the holidays with her parents the Frank Davises.

Guests of Mr. and Mrs. Arthur Dahl Christmas Day were their son and daughter-in-law Mr. and Mrs. Raymond Dahl of Ann Arbor, Mr. and Mrs. Charles Marshall and Raymond Smith with his son Micheal and daughter Diana.

Enjoying a family get together at the Lawrence Ingall's on Joy Rd. were Mr. and Mrs. David Ingall and family of Plymouth, Mr. and Mrs. Calvin Ellenwood and family from Monroe, Mrs. Harper Gallup and daughter Janet of Detroit, Mr. and Mrs. Harlow Ingall and Harriet Ingall.

SOME 50 EMPLOYEES of Michigan Bell Telephone Co. who have offices in the Western Electric plant here chose this year to forego exchanging Christmas cards and instead donated the money to the Plymouth State Home to be used toward the purchase of audio-visual equipment to help in treating patients. Here, William Boyd, director of public relations at the Plymouth State Home, accepts a \$120 check from Sharon Grenier and Charlotte Lackey, two of the Michigan Bell employees.

Plymouth City Minutes

Carried unanimously.

The City Manager presented a communication from the Detroit Bank and Trust Company advising a new resolution is needed for the Water Revenue Bond safe keeping account.
The following resolution was offered by Comm. Houk and supported by Comm. Vallier:

RESOLVED:
1. That THE DETROIT BANK & TRUST COMPANY, Detroit, Michigan, hereinafter referred to as the Bank, be and it hereby is designated as a depository of this public Body, and that the Bank be and it hereby is authorized to accept for credit to the account of this public Body and/or for collection, any and all checks, drafts, notes and other instruments for the payment of money when endorsed in the name of this public Body, or otherwise, with or without a title designation of the party making such endorsement;

2. That any and all funds standing to the credit of this public Body with the Bank in any account (except an account specifically covered by another resolution) may be paid out or withdrawn by checks, drafts, notes, receipts, orders or other instruments for the payment of money, when signed in the name of this public Body by and 2 of the following:

Treasurer and Mayor or Clerk and the Bank hereby is authorized to honor, certify, or pay any and all checks, drafts, notes, orders or other instruments for the payment of money so signed, with or without title designation, whether creating an overdraft or not, without inquiry as to the circumstances of issue thereof, whether drawn to the individual order, or tendered in payment of individual obligations, or for the deposit to the individual accounts of the persons signing or other officers of this public Body; or otherwise;

3. That the Bank recognize said signatures for the transaction of any and all business of this public Body;

4. That this public Body does expressly assent to and agrees to be bound by all of the by-laws, rules, regulations, terms and conditions of the Bank pertaining to deposit accounts;

5. That the Clerk certify to said Bank the names, official signatures and titles, if any, of the persons authorized to sign for this public Body and shall from time to time hereafter as changes (including additions and deletions) in the persons authorized to sign are made, immediately certify such changes to the Bank; and said Bank shall be fully protected in relying on such certifications of the Clerk and shall be indemnified and saved harmless from any claims, demands, ex-

penses, loss or damage resulting from, or growing out of, honoring signature of any officer or person so certified, or refusing to honor any signature not so certified.

That the foregoing resolutions shall remain in full force and effect until written notice of their amendment or rescission shall have been received by said Bank, and that receipt of such notice shall not affect any action taken by the Bank prior thereto, and that the Clerk of this public Body is hereby directed and authorized to certify these resolutions to the Bank. Carried unanimously.

Carried unanimously.

The City Manager presented a communication from Public Safety Director Fisher advising that an occupancy permit for the Micro-Tech Company, 555 Forest Avenue, has expired, but due to the fact that its new location will be completed shortly, he recommended that the permit be extended, not to exceed two months.
Moved by Comm. Vallier and supported by Comm. Lawton that the occupancy permit for the Micro-Tech Company be extended for a time not to exceed two months, as recommended by the Director of Public Safety.
Carried unanimously.

The City Manager presented a communication from Public Safety Director Fisher advising that an impounded 1955 Mercury is ready for junking and that a request had been made by the Kiwanis Club to obtain the car to be used by the 4-H Youth Club for study purposes.
Moved by Comm. Beyer and supported by Comm. Vallier that the City Manager be authorized to issue a bill of sale to the Kiwanis Club for a 1955 Mercury, for junk only, and that the impounding charges be requested to be waived.
Carried unanimously.

The City Manager reported that the Municipal Building Authority will be meeting on December 10, 1963 to consider the seating for the commission chamber in the new city hall and invites the city commission to attend the meeting.

Jerry O'Neill inquired as to whether something could be done about the unsightly appearance of a house at the corner of Hamilton and Roe Streets to improve the appearance of the neighborhood. He was advised that as long as it was not a detriment to health or safety,

the city could not use any of its powers to control the appearance of the building.

The following resolution was offered by Comm. Lawton and supported by Comm. Jabara:

WHEREAS, our Plymouth Community has been enriched in its day to day living by the concern and activities undertaken by JOHN "MIKE" HOBEN, and

WHEREAS, MIKE has inspired teamwork and fair play and a will to win in the Plymouth High School football team over the past nine seasons, and

WHEREAS, by his example and teaching he, also, has inspired our high school students to persist in intellectual achievements, and

WHEREAS, MIKE has demonstrated to this Plymouth Community an effective method by which young adults may be helped to self-sufficiency and has aided many to find employment,

WHEREAS, the Plymouth High School and this Plymouth Community have enjoyed a successful football season, and

WHEREAS, the hearty young men of the Plymouth High School football team who, by their superior intelligence, their stout-hearted resolution to attain their diligence to prescribed training regimen, braved and overcame the onslaughts of the rugged, cunning and formidable rival football teams in the Suburban Six League, are to be lauded and commended for their achievements, and

WHEREAS, this City Commission deems it appropriate to acknowledge the honors which have accrued to this community by the efforts of these fine young men,

NOW THEREFORE, BE IT RESOLVED, that this City Commission, on behalf of the Plymouth Community, publicly acclaim, laud and praise the Plymouth High School football team for its outstanding accomplishments on the football field, and

BE IT FURTHER RESOLVED, that all those persons who participated in the football activities be commended for their individual perseverance and constant, earnest efforts to build a winning team, which brought honor and glory to our Plymouth Community.

BE IT FURTHER RESOLVED, that a copy of this resolution be delivered to the team captain, on the occasion of the Festive 1963 Football Banquet Celebration.
Carried unanimously.

The event of a New Year is a time for reflection and planning for the months ahead . . . the time to be thankful for the blessings bestowed on the members of our families, ourselves, our friends and our businesses.

In this respect, I have much to be thankful for and can probably more sincerely appreciate being here today as much, if not more, than anyone. In the same vein we are grateful for the patrons which has made the closing year so successful a one at The Plymouth Mail.

A survey throughout our business community finds that our merchants and our manufacturers, too, experienced a fruitful year, many showing substantial gains over the year before. In fact, we couldn't find one that didn't do as well as they had before and in one or two instances where gains were not evident there were circumstances beyond the control of the institution itself.

Our municipalities, Township and City, made great strides during 1963 and confidence and interest is at an all time high in their future development and expansion. Certainly our school district was given a vote of confidence by our residents last month when the millage proposal was so warmly received.

The leaders, Supervisor Lindsay, Mayor Wernette and School Superintendent Isbister, should be encompassed in a special holiday warmth knowing the

community interest and approval given them and the members of their Commissions and Boards by the residents of this area.

1963 was a fruitful year for the Plymouth Community and we all have much to be thankful for.

Probably no one problem stares us as squarely in the face during the months ahead as that of improving the appearance of our downtown business section and the immediate availability of more parking facilities for the people that remain faithful to our business community.

If we are to keep them interested in spending their dollars at home it is then imperative we make our stores as attractive as possible, inside and out, and that we offer merchandise competitive price-wise and quality-wise, as they can find elsewhere, besides making it easy for them to almost drive to our doors for their parking convenience.

Parking is a problem that should be tackled immediately not only by the Chamber of Commerce but City fathers as well. Anyone observing the traffic congestion in our parking lots during the last few weeks, particularly at peak times, knows this is one of the major weaknesses facing our future growth.

In the same line of thinking the City must find some way of snow removal in the parking lots before store opening hours in the morning. Only last week from the windows on the second story of Davis and Lent could one appreciate the confusion and improper parking in our Central lot caused by the snow which had fallen the night before. Cars were parked in all directions making it almost impossible for store patrons to get in or out of the lot during the entire day.

Presently under consideration is a retail development encompassing the area south of the Presbyterian Church to the back of the stores on Penniman avenue. Should this become a reality a large area of present municipal parking would be lost and some thought must be given immediately to securing more land for immediate development for parking purposes.

Business is driven out of downtown areas because of the lack of parking. It seems to me there is, too, a complacency among downtown property owners who should be losing some sleep thinking about what will happen to their property values if the stores become vacant. These families, as far as I am concerned, should be leading the procession and screaming for parking even to offering financial assistance to save whatever investment they still have in our downtown thoroughfares.

Unfortunately their complacency, to this point, may be their eventual undoing and when they awaken one morning to find several of the present downtown tenants making plans to remove their businesses to the fringe areas I am sure then those sleepless nights will occur and all too late. After all, an empty store building is a mighty poor investment and a costly one, too. Which then is the wisest choice? Sit back and wait for that time to come, and it will, or shell out a few dollars today to protect an income in the future.

It may be a hard decision for some of our landlords to make but a look at almost any small town U.S.A. which hasn't done some constructive thinking and planning will provide them a mighty quick answer.

As a further example I might suggest some of these landlords take a quick drive down Grand River avenue and see the stores that one day provided family security. Today they are a family expense and many, if not most, will one day be lost for non-payment of taxes.

This is a serious problem and one that affects every businessman downtown. He won't have much if he is surrounded by vacant stores. It affects the property owner and it affects the City at large. It affects the tax base of our home owners, our school district, in fact it affects us all and it is, in our opinion, probably the major problem that should be for all-out consideration first in 1964. Consideration is fine but it will take action during the New Year to forestall a major calamity during 1965.

This Plymouth can't afford. This any community can't afford and, so far, we have been fortunate but we can't trust our luck too far.

Letter to The Editor

An Open Letter To Chamber Members, Friends, and Residents Of the Plymouth Community:

To each and every one of our Chamber members and friends, the Board of Directors wishes you a very Merry Christmas and Happy New Year.

The glorious Christmas Season with all its implications brings us together with families and friends near or far, once more. It is a joyous time when people everywhere are moved by a wonderful spirit of sharing, the thrill of being alive, and a profound sense of belonging to a society that recognizes human values.

The Chamber has had a good year because of its people. You have all provided Plymouth with an important community service and contributed much to its economic growth. Your efforts have not gone unnoticed.

Your 1964 Work Program has already been set up and approved by the Board. It will be passed on to you January 1, 1964, and we are looking forward to the continued growth and performance of our Chamber team in 1964. May your holidays be pleasant ones.

Sincerely,
Wendell Lent,
President

Lake Pointe News

By Carol Hall — GL 3-0062

Guests of Mr. and Mrs. R. J. Nicholas of Russet Lane for the holidays are Mr. and Mrs. Raymond Schaefer and their two daughters, Sandy and Terri, from Valentine, Nebraska.

Mr. and Mrs. Richard Lauterbach of Greenbrook Lane have a new baby girl, named Carrie Sue. She was born Saturday evening, December 14th.

A Jay-C-Ette meeting was held at the home of Carolyn Evans on Russet Lane on Dec. 17th. They made Christmas favors, hat pin cushions

decorated with sprigs of greens and red ribbon. Puppets and cancer pads were distributed to be worked on for the next meeting.

The Lake Pointe Branch of the National Garden Club held a Christmas Walk on December 19th. Among the members' homes that were open were those of Mrs. Howard Motzkus, Mrs. Phillip Truesdell, Mrs. Aldon Holk, and Mrs. Eric McCuaig. Then the members went to the home of Mrs. Al Pertolla on Clemons Drive. A White Elephant Auction was held and the proceeds will go to Horticultural Therapy for the Plymouth State Home and Training School.

Mr. and Mrs. Richard Lickfeldt of Brentwood Lane are expecting a baby on Christmas Day. Diane's parents, Mr. and Mrs. S. Ludekek of Berwyn, Illinois will be visiting them for the Christmas holidays. Also, Diane and Dick will be celebrating their wedding anniversary on Dec. 28th.

The Lake Pointe Home Owners Association had a Christmas party for their children at the Farr and School on Saturday, Dec. 21st. From 2 to 4 o'clock in the afternoon. On Sunday, Dec. 22nd, there was a judging of decorated homes in Lake Pointe and prizes were given for several of these homes.

Mr. and Mrs. Richard G. Ames of Lakewood Rd. gave a Christmas party on December 14th. Guests, Dr. and Mrs. J. W. Knowles, Dr. and Mrs. Robert Petersen, Mr. and Mrs. Hank Albert, Mr. and Mrs. James Hothorn, Mr. and Mrs. Tom Powell, Mr. and Mrs. Charles Feld, and Mr. and Mrs. Larry Schendel enjoyed music on a new stereo, an early surprise Christmas gift to Arlene from her husband.

Arlene's mother, Mrs. John G. Ames, of Gaylord, Michigan was visiting her recently.

Karen Dodds of Robinwood entertained some of her classmates at a Christmas Party on Thursday, December 19th, after school. After refreshments of snowball cakes and hot cocoa, the girls played several games. Karen's guests included Kim Evans, Lorrie and Debbie Bowman, Jill Butler, Lisa Stuart, Susie Bellmore, Leann Howe, Jeanne White, Cindy Bradley, and her sister Kelcey Dodds.

The University of Michigan was the first institution of higher learning in this country to establish a professorship in transportation engineering.

The University of Michigan was the first U.S. University to offer courses in automotive engineering, in 1913.

The University of Michigan was the first U.S. institution to have a full-time professor of science and art of teaching, in 1879.

The University of Michigan was the first University in the U.S. to give a course in sanitary science, in 1883.

WINNING the 'best decorated house' contest in Lake Pointe Village subdivision is nothing new to Lewis C. Smith (left) of 41507 Greenbriar Lane. Smith, whose ranch-styled home was the 'best dressed' last Christmas-time, wound up with identical honors Sunday evening when judges again picked his home as the most beautifully decorated from among the many in Lake Pointe. Smith is shown receiving a plaque from Dick Bailey, president of the Lake Pointe Homeowners' Association which conducted the contest. Smith's home decorations included a shepherd's scene on the garage door and a multi-lighted pathway leading up to the front door. An endless number of bulbs were strung across the front of the home in a colorful, gay pattern. Second place in the contest went to Frank Aldrich, 14657 Robinwood, and third place went to Frank Lennox, 41567 Greenbriar, Aldrich and Lennox each received plaques from the Homeowners' Association, too.

Plymouth Township Minutes

OFFICIAL PROCEEDINGS
TOWNSHIP OF PLYMOUTH
BOARD

MONTHLY MEETING — 8:00 P.M.
TUESDAY, DECEMBER 10, 1963
Supervisor Lindsay called the meeting to order at 8:00 P.M. All Board Members were present.

It was moved by Elizabeth Holmes, supported by Ralph Garber, that the minutes as forwarded to the Board Members, be approved. Carried.

Supervisor Lindsay reported a total of \$24,811.62 in current bills, the listing thereof being attached to the agenda. Moved by Dick Lauterbach, supported by C. Veach Sparks, that the bills be allowed and warrants drawn thereon. Carried.

A communication was presented from Captain Paul J. Albright, Plymouth Township Fire Department, dated November 14, 1963, announcing his resignation, effective December 1, 1963. Supervisor Lindsay reluctantly accepted this resignation and thanked him for the many years of loyal and faithful service to Plymouth Township. He further offered, in behalf of the Township Board, best wishes, with success and happiness in his new position.

The City of Plymouth's provisional approval to tap-in on the Sanitary sewer on Sheldon Road, known as Plymouth Township, was referred to the Township Engineer for his information and guidance upon the motion of John D. McEwen, supported by Louis Norman, and carried.

The Calvary Baptist Church, owning land on the South side of Joy Road (Canton Township) requested they be serviced with Township water. The Board approved this request and established the following policy for all requests in receiving water service:

1. Requests will be made in writing to the Board, and each will

be handled as an individual contract.

2. The municipality concerned must give their approval of the requested tap-in.
3. Taps-in and debt fees will be the same as those charges in Plymouth Township and paid in full at time of application the same as Plymouth Township residents.
4. Water rates will be the same as those charged in Plymouth Township.

At this point, Supervisor Lindsay, per Mr. Sifkin of the Reprographic Research Company present and requested to know if he wanted to be heard. Mr. Sifkin stated he was desirous of consummating a real estate purchase of the former Worren Realty and Machine Company's buildings, and being in the paper and microfilm processing business, he wondered if there would be any objection to this type of business coming into the Township. Supervisor Lindsay stated that this location is already zoned M-1, Light Manufacturing, and he knows of no reason why his business would not be welcomed. Members of the Board concurred with the statement of the Supervisor. No further action was taken.

Mr. Louis Norman, acting part-time Fire Chief, requested clarification of the Township for firemen, as established in 1961. Considerable discussion was held relative to the interpretation of the 1961 ruling, and Supervisor Lindsay appointed a study committee to examine and report on the matter at the next monthly meeting. The committee consists of Louis Norman, Ralph Garber and Dick Lauterbach.

Mr. Louis Norman presented a letter to the Supervisor, submitting the same as Acting Part-Time Chief of the Fire Department. He requested that the Board immediately accept the letter, but stated that it was necessary, due to a Prosecuting Attorney's opinion, dated Nov. 27, 1963, that the Fire Department be organized as a Township Police and Township Fire Chief in one person at one and the same time.

Various members of the Board commended Mr. Norman on the excellent job he has done while being in charge of the Fire Department, and Captain Fred Davids of the Michigan State Police, speaking for Childs, also commended Mr. Norman for a job well done. The Board directed the Clerk to draw up a suitable resolution to be presented to Mr. Norman, recognizing his past performance.

It was moved by C. Veach Sparks, and supported by Elizabeth Holmes, that the project be granted the contract for the 1.2 ton pickup truck. Motion carried, with Louis Norman dissenting.

Engineer Herald Hamill was authorized to proceed with plans for a water main running north on Mill Street from Ann Arbor Road to the National Concrete Products property, and that the project be accomplished when the water department had received a contract and full payment for water service in accordance with existing charges.

Supervisor Lindsay then recessed the meeting at 9:35 P.M. for the purpose of the Board meeting with the Civil Service Commission.

The meeting was reconvened at 9:10 P.M., and Supervisor Lindsay immediately appointed Captain Carlos L. Maas as temporary head of the Fire Department for a period of 90 days, thus giving the Civil Service Commission time to prepare for a promotional examination.

A resolution was presented requesting that \$59.53 be released

ALLISON ELIZABETH SCOTT, daughter of Mr. and Mrs. William B. Scott, 416 Evergreen Ave., and Frederick Brown Fisher, II, son of Mr. and Mrs. Frederick B. Fisher, of Adrian, were united in marriage in a double ring ceremony on Saturday, Dec. 21, in St. John's Episcopal church.

Allison Elizabeth Scott is Bride Of Frederick Brown Fisher, II

Allison Elizabeth Scott became the bride of Frederick Brown Fisher, II, in a double ring ceremony in St. John's Episcopal Church on Saturday afternoon, Dec. 21.

The bride is the daughter of Mr. and Mrs. William B. Scott, of 416 Evergreen St. and the bridegroom is the son of Mr. and Mrs. Frederick B. Fisher, of Adrian.

Given in marriage by her father, the bride wore a floor length gown of ivory peau de soie. Styled with the A-line, added interest was given to the waist at the back by a cluster of ivory satin roses. She carried a bouquet of variegated holly and carnations.

Attending her sister as maid of honor was Miss Carolyn Scott. Her frock was fashioned with an ivory brocade skirt and sage green velvet top.

Bridesmaids Caroline Hinkley, of Fort Worth, Tex., and Gale Ahroon, of Colorado Springs, Colo., wore gowns styled with ivory brocade skirts and cranberry red velvet tops. The three attendants wore holly wreaths in their hair and carried bouquets of red and white carnations and variegated holly.

David Fisher, of Nashville, Tenn., served his brother as best man and Richard Coulton, of East Lansing, and Charles Correll, of Canton, O., seated the guests.

For her daughter's wedding Mrs. Scott chose a sage green silk shantung suit. Mrs. Fisher wore a blue and gold brocade suit.

Immediately following the ceremony a reception was held in the church parlors for approximately 200 guests and later that evening a wedding supper was held at the home of the bride's parents for approximately 70 guests.

When the couple left on their wedding trip through Canada, the new Mrs. Fisher

hammer and saw and measuring the strips for each panel. Colored cellophane paper in overlaid colors were stapled to the frames and the whole taped to the windows by the school maintenance department. The cost of materials for the impressive decorations will be borne by the Student Council. It is planned to use them with variations from year to year and at the Christmas assembly program. The project is more than a Christmas decoration. It was a valuable experience in group planning, working and in achievement - a little bit like the association of guilds who built the original windows, though on a much more modest scale. An original way to spend your Christmas money, if you're lucky enough to have some, is to buy original art of some sort. It could be an oil painting, a one-of-a-kind original or it could be a more modest if just as unique water-color, serigraph, or drawing - or in the artisan

department you might enjoy a piece of distinctive jewelry, weaving or ceramics. The trend in ceramics today is away from utility and towards sculptural emphasis on form (shape) and color (glaze) - but sometimes it combines sculpture quality with functional form. In the latest class are casseroles of unusual proportions and hand decoration - candle holders of various combinations and bowls of all styles for holding fruit, candy, or mixing batter in. One way to beat our automated world is to support the artist craftsman.

The nearest spot to do this is at the Hartley-Powers Gallery in Northville. Supported in part by a license plate bureau in the back, this little gallery presents the works of local artisans and of Michigan artists in this area, some of whom are local. The quality is high, the prices really reasonable. It is the haunt of wise shoppers from all around - Dearborn, Wyandotte, Birmingham, Ann Arbor, Wayne who are happy to make the trip for the outstanding values they find. Hours are 12-6 weekdays - 12-9 Fridays, 9-6 on Saturday.

The Three Cities Art Club just finished their annual Christmas sale in the home of Linda Lee Shon. Only modestly successful as far as sales go but very popular with the many people who came in to look - all were disappointed that the display was not to be permanent. Unfortunately not many stores are available for rent free on a permanent basis.

This same group does maintain a permanent exhibit in both the Plymouth and Northville libraries. The works at both places are usually for sale but contact with the individual artists is necessary since the libraries already have enough to do. The present show at Plymouth has work by Franklin York, Jessie Latta, Ann Gentry, Wayne Huber and Jessie Hudson all of Plymouth. Northville has mostly the analogous cubism of Irene Woods of Livonia.

Dunbar Davis' Host Yule Party

Mr. and Mrs. Dunbar Davis, of 1325 W. Ann Arbor Tr., entertained the Fellowship Sunday School Class of First Baptist Church last Saturday evening for their annual Christmas social.

About 36 attended to participate in the evening's activities, including games and Christmas carol singing. Each brought a gift to be given to the Plymouth State Children's Home. Special guests of the evening were Pastor and Mrs. Donald Williams.

Hosts Antique Club Yule Party

Members of the Antique Club met at the home of Mrs. E. VanAntwerp on 1347 W. Ann Arbor Tr., last Thursday for luncheon and their annual Christmas party.

The 18 members heard a special Christmas program by Mrs. Gerald J. Fischer and had a gift exchange of antiques.

St. John's Episcopal Church Scene of Horn-Kossak Rites

Mr. and Mrs. Richard A. Kossak are at home at 802 Sheldon Rd., following a wedding trip to Niagara Falls.

The former Bonitta Rae Horn, daughter of Mr. and Mrs. Ray J. Horn of 42461 Clemons Dr., and Richard Kossak, son of Mr. and Mrs. John Kossak, of Garden City, were married in St. John's Episcopal Church on Saturday, Nov. 30, in a double ring ceremony.

Given in marriage by her father, the bride wore a floor length gown of taupe taffeta, fashioned with a Sabrina neckline, long sleeves and chapel train, edged with lace. Bodice of the dress was accented with chantilly lace, pearls and sequins. Her fingertip veil was secured in place by a crown of crystals and pearls. She carried a crescent shaped bouquet of white fur mums, magnolia leaves, and artificial orange grapes. Beverly Rogers, of Livonia, attended the bride as maid of honor and Janette Kossak of Garden City, Carol Vanata and Jackie Egloff, of Plymouth, were bridesmaids. They wore rust velvet sheaths with floor length bell shaped overskirts of rust satin and carried crescent shaped bouquets of feathered bronze mums and orange grapes.

Lori Agnew was flower girl and Scott Agnew was ring bearer.

Marvin Kossak served his brother as best man and Timothy Walling, of Wayne, Stanley Tanski, of Garden City, and Jimmie Burcha, of Plymouth were ushers.

For her daughter's wedding, Mrs. Horn chose a frock of toast chiffon over taffeta with matching accessories and wore a corsage of tangerine carnations. Mrs.

Kossak wore a green velvet dress with beige accessories and a corsage of tangerine carnations.

Following the ceremony a reception was held in the Knights of Columbus Hall for approximately 300 guests from Mt. Clemens, Romeo, Ypsilanti, Ann Arbor, Belleville, Garden City and Carleton.

When the couple left on their wedding trip the bride wore white and black wool sheath with cranberry accessories.
