

Criticism, Concern Voiced at Thursday JCC Luncheon

Vigorous criticism of Plymouth parking facilities and local business attitudes, and concern over surrounding shopping centers was voiced at a Thursday noon luncheon at Hillside Inn where Plymouth JayCeers unveiled preliminary results of a retail business survey they have been conducting.

Local attorney Edward F. Draugelis expressed agreement with Jarvis. "IT'S NICE to say that there has been cooperation," Draugelis commented, "and on the surface there has been, on questions like the school building program. But there is not the same spirit among the merchants."

ing within the community is insufficient. He urged a definite plan for parking, followed by planning for finances. But the impetus, he said, must come from retail merchants.

among local businessmen was criticized by Plymouth storeowner Cecil B. Sharrard. "I have been here 15 months and have attended six retail promotion planning meetings," Sharrard said. "Only four or five persons attended the meetings."

"WE'VE GOT to get off our dead center and do some promoting. A lot of people in the Plymouth Community don't have any idea what's going on down town."

chants are unaware of the need for facelifting in stores and facilities. The establishment of a strong retail development committee was supported by Plymouth druggist and city commissioner Robert Beyer.

pledged by president Wendell Smith and JayCee member Dr. Robert B. Evans. After asking why Jaycees are so interested in seeing the merchants make changes and improvements, Dr. Evans answered his own question. He said:

flower Hotel Manager, Ralph Lorenz. Lorenz said the hotel had spent \$7,000 resurfacing a parking lot recently. But, he said, a real need exists for additional parking in downtown Plymouth.

WHAT CAN IT DO?

Retail Survey, What Is It?

The JayCee retail survey. How did it start? What is it? What can it do for the Plymouth Community? In mid-summer 1963, the Plymouth Junior Chamber of Commerce was approached by a group of local businessmen and asked to make a survey of vacant retail buildings in the Plymouth Community.

men would use the information to attract needed retail businesses to the Plymouth Community. Such business could be attracted by the formation of a Retail Development Corporation similar to the Industrial Development group used to entice industry to the local area.

Identification Urged in Wake of Bad Checks

In the wake of the sentencing of a Wayne woman after she pleaded guilty to five counts of passing no account checks, Plymouth Police warned local merchants to secure proper identification before cashing checks.

THE TWO other surveys will indicate local attitudes toward various types of retail business. Both in the form of questionnaires, one has been sent to Plymouth Community businessmen.

Parcel Post Rates to Rise On April 1

Domestic parcel post rates in Plymouth and throughout the nation will be increased effective April 1, according to an announcement made by Plymouth Postmaster George Timpona.

The increase, approved by the Interstate Commerce Commission and averaging about 13.1 per cent, would produce about \$75.4 million based on the volume handled in 1962 - the year for which most recent figures are available.

Catalog rates will be increased approximately 13 per cent and would produce added revenue of about \$2.4 million if 1962 volume were maintained. At present, the cost of operating parcel post and catalog service is about \$741 million annually. As estimated for fiscal year 1962, these costs exceeded the revenues by \$146.5 million, or by 24.6 per cent.

The last increase was on Feb. 1, 1960. Postage rates for most other classes of mail were increased Jan. 7, 1963. The higher rates do not affect air parcel post or international parcel post.

Some examples of the increase and the effect it will have on the public are as follows:

The average six-pound parcel for local area delivery will cost 37 cents instead of 32. The same parcel going from east coast to west coast, or Hawaii or Alaska will cost \$1.53 instead of the present \$1.40.

MRS. JOHN EGAN, 1453 Ross St., far left, and Mrs. William Covington, 417 N. Evergreen, right, help Mrs. Ralph Heid, of 1417 Oxford, try on her costume for the Rosary Society's upcoming annual Membership meeting program, entitled "Showboat Shuffle."

Rosary Society Membership Drive Feb. 5

The Rosary Society of Our Lady of Good Counsel Church will entertain all the ladies of the parish Wednesday evening, Feb. 5, at the Annual Membership Meeting in the Church Hall.

The theme of this year's program will be "Showboat Shuffle". The program promises to be most entertaining with talent from the parish performing on the famous "Robert E. Lee" when the curtain goes up and Captain Mrs. Ralph Heid, of 1417 Oxford takes over as master of ceremonies.

Mrs. William Covington of 417 N. Evergreen, is chairman for the evening with Mrs. John Egan of 1453 Ross St. as her co-chairman.

Mrs. Louis Meek will be in charge of refreshments. Mrs. Clayton Lerue will transform the hall as decorating chairman. Mrs. Joseph Brisbois and Mrs. Joseph Voss are hostesses, and Mrs. Jack Fleckenstein is handling publicity.

Mrs. Moehle To Address Woman's Club

Plymouth Woman's Club will meet, Friday, February 7, in the Masonic Temple at 1 p.m. for its regular monthly meeting and program — the former to be conducted by the club president, Mrs. Marshall North; and the latter will be under the direction of Mrs. David Mather.

A quotation from George Peabody "Education is a debt due from the present to the future generation served as a guide in the selection of the program "Progress of Schoolcraft Community College" to be presented by Mrs. John W. Moehle, Trustee of the new institution of higher learning. This is a fine opportunity for club members to learn first-hand the developments of this school so near Plymouth.

Ten committee chairman for the day is Mrs. J. Ralph Carter and she will be assisted by Mrs. Robert Carson, Mrs. George Grote, Mrs. Horace Cooper, Mrs. Jack Cooper, Mrs. Harold Niemi, and Mrs. Lawrence Parmenter.

AAUW Accredits 286 More Colleges

The Plymouth Branch of the American Association of University Women announces the addition of 286 colleges and universities to the list of AAUW qualified institutions by vote of the Association's Board of Directors in November, 1963. Women graduates of these institutions will now be eligible for membership in the AAUW.

Colleges from this area on the new list are: Siena Heights College - Adrian; Calvin College - Grand Rapids; Hillsdale College - Hillsdale; Mercy College - Detroit; Nazareth College - Kalamazoo; and Bowling Green State University in Ohio.

Mrs. Richard Fritz, of Plymouth, president of the Plymouth Branch, says: "The American Association of University Women offers college women an opportunity to grow intellectually, to help further the advancement of women, and to discharge their social responsibilities. The Branch supports the AAUW Fellowship Fund, which awards about 100 fellowships each year exceeding \$232,000, to women scholars in the United States and abroad for advanced study. The Branch also sponsors a children's play, a lecture ser-

ies, and a book sale each year. Women college graduates interested in taking part in this program may call Mrs. Robert Messerly at GL 3-3805 for membership information.

Travel Centre Plans Another Night in Hawaii

MAKING LAST MINUTE changes and plans for the Theater Guild's upcoming play, "The Drunkard," are, left to right, cast member Pat Dorrian, of Ann Arbor Rd.; Tom Dorset, of Ann Arbor Tr. who is in charge of set construction; producer Mary Ann Nichols, of Evergreen St., and director Bob Wall. The play will be presented at Plymouth High School auditorium on Wednesday, Feb. 13. Tickets are available at Melody House.

"Drunkard" Cast Not New to Stage

Director Bob Wall has selected for "The Drunkard" a professional cast as can be found on the New York lists of Actor's Equity, the official thespian union. All five of the leads have had experiences on the professional stage in either Chicago, New Orleans, or New York. Production 49 ("The Drunkard") promises to be a star-studded Plymouth Theater Guild presentation.

FOLLOWING THEIR SUCCESSFUL donut sale for the March of Dimes, the Cherry Hill 4-H Club will hold another sale Feb. 1. Orders that could not be filled at the Jan. 18 sale will be filled then and proceeds given to the March of Dimes; the proceeds from the other sales Feb. 1 will be used to help pay for the heat for the 4-H community club. Pictured left to right making donuts are Ira Hawk, Doug Hawk, Mrs. Nora Hawk and Mrs. Howard Moyer. During the March of Dimes Sale a total of 380 dozen donuts were sold for a profit of almost \$150. Ted Johnson, who sold the most orders, received a mystery prize.

Nursery To Meet Monday, Feb. 3

The regular meeting of the Plymouth Children's Nursery will be held Monday, Feb. 3 at 8 p.m. at Hough School. The guest speaker on that evening will be Mrs. Nellita Y. Fritan, As the nursery school consultant for the State department of Social Welfare, she was instrumental in improving the school for operation in Plymouth.

She will discuss the purpose for free play in the nursery school, how it should be self directed and how much mothers should supervise it. She will also cover sharing experiences, imagination, discipline, anger and rowdiness. A question and answer period will follow and coffee will be served.

AFTER YEARS OF struggle, Wilhelm and Jacob Grimm, writers of the world-famous fairy tales, are informed that they have been elected to membership in the Berlin Royal Academy. Shown in a scene from the Metro-Goldwyn-Mayer and Cinerama presentation of the George Pal Production, "The Wonderful World of the Brothers Grimm," are Oscar Homolka as the Duke, Karl Boehmas as Jacob Grimm, Laurence Harvey as Wilhelm, Claire Bloom as his wife, Dorthcia, and Walter Slezak as the bookshop proprietor, Stossel. The hit picture, in Metrocolor, is now being shown at the Penn Theatre.

EDITOR'S NOTE: The following excerpts appeared in The Plymouth Mail's "Chips from the Rock" column during the period from Jan., 1962 to Dec., 1963. Compare the statements made at last Thursday's noon luncheon at which Plymouth JayCees presented preliminary results of their retail development survey with these editorial opinions.

JANUARY 3, 1962. "We cannot continue to lose our local merchants . . . What then is the answer?"

"Certainly not a couple of New Year's resolutions . . . but rather a sincere, earnest look by every merchant at his own particular problems . . . Is my store clean? Is my stock arranged for best display, and is my quality better, competitive and properly priced?"

"Next is the attitude of the merchant toward joining hands in an all-out effort with the rest of the retailers in Plymouth to attack and solve such major problems as street cleanliness, parking, access, taxes and the myriad other immediate headaches that are presently confronting them.

"No one group can bring about a solution to any one of these problems . . . no committee, no organization, no person, no newspaper can undertake an effort of this immensity without the 100 per cent cooperation of every single merchant who desires to continue in business in Plymouth . . . and, by this, I mean everyone!"

JANUARY 17, 1962. "Conversations with many of our local businessmen in the past week have revealed many interesting suggestions on finding an approach to the problems confronting our business sections . . .

"One member of one of Plymouth's oldest business firms had this to say . . . If any progress is to be made improving the downtown area, greed and selfishness must be forgotten . . . The city should tax . . . property owners, who bleed their property holdings, so high that they would make immediate improvements or sell to get out from under the load."

"Another had this to say . . . I am appalled by the lack of interest in city problems by the old-timers of Plymouth . . . people who have had roots here for years and years and have big investments in real estate and rental properties . . . I would think they would be the first to come forward to help find a solution to our drift downward . . . after all, as their property values decline so will their income and also the value of their buildings."

FEBRUARY 28, 1962. "What about all the major improvements that were talked about for our business area? Weekly I inquire here and there in hopes I can hear about something being done, or some action planned, that will bring about some activity on these momentous problems and, do you know that at this writing, . . . I have yet to find any movement, any action, or any particular unified effort to bring to reality any of the many excellent suggestions dealing with parking, street lighting, park beautification, traffic etc."

DECEMBER 24, 1963. "Probably no one problem stares us as squarely in the face during the months ahead as that of improving the appearance of our downtown business section and the immediate availability of more parking facilities for the people that remain faithful to our business community.

"If we are to keep them interested in spending their dollars at home it is then imperative we make our stores as attractive as possible, inside and out, and that we offer merchandise competitive price-wise and quality-wise . . .

"Business is driven out of downtown areas because of the lack of parking. It seems to me there is, too, a complacency among downtown property owners who should be losing some sleep thinking about what will happen to their property values if the stores become vacant. These families, as far as I am concerned, should be leading the procession and screaming for parking even to offering financial assistance to save whatever investment they still have in our downtown thoroughfares.

"Unfortunately, their complacency, to this point, may be their eventual undoing and when they awaken one morning to find several of the present downtown tenants making plans to remove their businesses to the fringe areas I am sure then those sleepless nights will occur and all too late . . . Which then is the wisest choice? Sit back and wait for that time to come, and it will, or shell out a few dollars today to protect an income in the future.

"This is a serious problem and one that affects every businessman downtown. He won't have much if he is surrounded by vacant stores. It affects the property owner and it affects the City at large. It affects the tax base of our homeowners, our school district, in fact it affects us all . . .

"It is, in our opinion, probably the major problem that should be for all-out consideration first in 1964. Consideration is fine but it will take ACTION during the New Year to forestall a major calamity during 1965."

DETROIT HOUSE OF CORRECTION: \$2 Million Business Near Plymouth

EDITOR'S NOTE: Nearly all Plymouthites know that the Detroit House of Correction is located on a 1200-acre site on Five Mile Rd., just west of Beck Rd., but few of them seem to know just what DeHoCo is, its purpose and its activities. Last week, two Plymouth Mail Staffers spent a day touring DeHoCo. This is what they saw.

When Superintendent William H. Bannan took over as head of the Detroit House of Correction a year ago, Feb. 1, he found a situation that called for immediate reorganization.

"This place had been here nearly 100 years," Bannan said, "and it was a one-man operation.

"Everything went over the superintendent's desk," Bannan spoke from behind a massive desk in the green-

carpeted office he occupies in the main building of DeHoCo. He said the situation a year ago called for thorough reorganization.

A balding, gray-haired man dressed in a blue business suit, Bannan looks more like a senior business executive than a prison administrator—an impression not as incongruous as it might seem. For DeHoCo is big business, with an annual budget of over \$2 million dollars.

Drawing on his 10 years, six months and 21 days experience at Jackson State Prison ("I count my time like a prisoner"), Bannan detailed his plans in the first meeting with the board.

"A good supervisor," he told DeHoCo board members, "does not have to be firm, nor does he have to be lax, but he must be consistent.

"Therefore, my first objective is to set up an organizational chart that will pinpoint the responsibilities of each department head at this institution.

"The most disastrous situation that can befall any organization is a continuous bickering and fighting between various divisions of the administration.

"This chart will eliminate the possibility of such disorder."

Bannan followed his organizational chart with a detailed set of directives that spelled out clearly the responsibilities and limitations of all DeHoCo personnel.

Last Wednesday, The Plymouth Mail saw the results of Bannan's reorganization.

TOGETHER with Frank Wilkerson, a social services department counselor who worked his way up from a position as guard, The Mail staffers were given a guided tour of the institution.

Wilkerson, they learned, had spent eight years in night school at Wayne State University to achieve his goal.

Inside the gates of the women's division, located across Five Mile Rd. from the men's section, Mrs. Elenore Kent, director of the women's division for more than 18 years, explained some of the problems of the women inmates.

"There is a great need for outside contacts," Mrs. Kent said. She explained that women inmates are often ostracized by their families and, as a result, have no one to turn to.

Possibly, she suggested, Plymouth area individuals or clubs could help by establishing contact, either personally or by letter, with inmates.

Mrs. Kent assigned senior matron Mrs. Helena Pelczynski to guide Wilkerson and the two Mail staffers through the division.

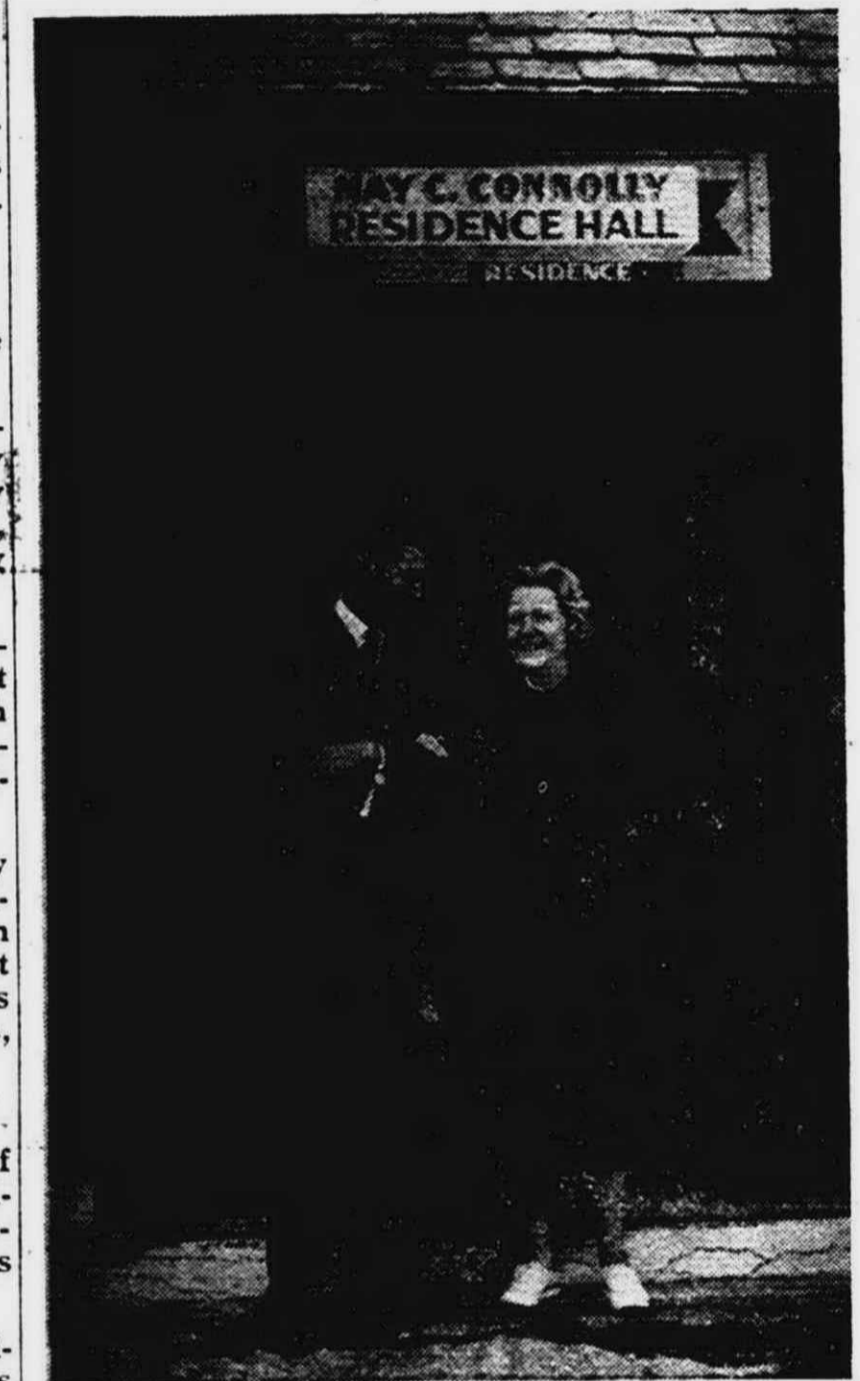

The GROUP walked from the administration building past brick and masonry cottages where inmates are housed to the DeHoCo laundry, an operation that turns out 9,000,000 pounds of finished laundry per year.

The whir of commercial laundry equipment and the hiss of steam presses threatened to overpower conversation as laundry superintendent William Crownover explained the operation.

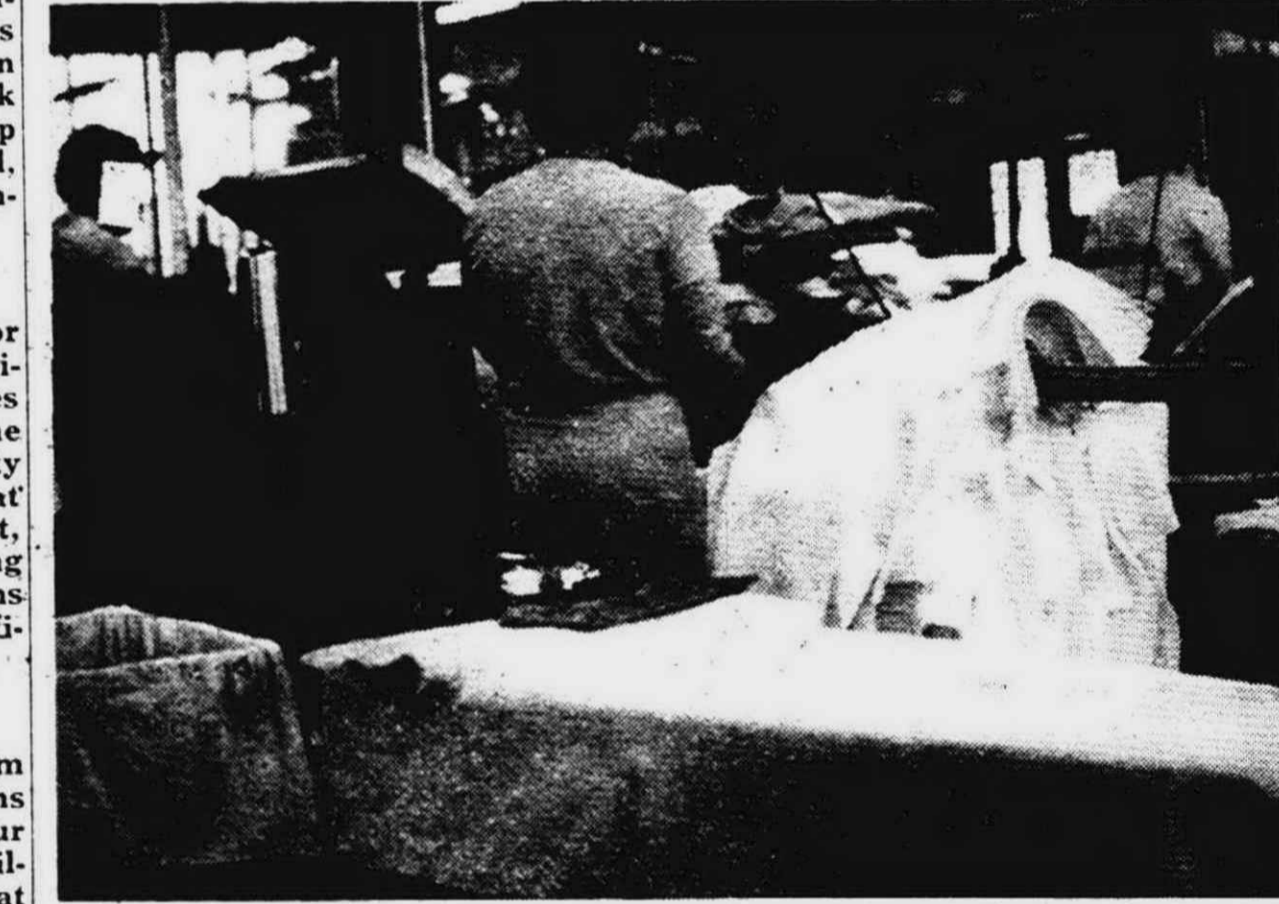

The laundry, Crownover said, turns out work for the Plymouth State Home, Maybury Sanatorium, The Detroit Police and Fire Departments and Receiving and Herman Keifer Hospitals.

Plymouth State Home accounts for 36,000 pounds of laundry in a week's time.

After incoming articles to be washed are weighed and

COUNSELOR Frank Wilkerson and senior matron Mrs. Helena Pelczynski stand in front of one of the residence cottages for women inmates at the Detroit House of Correction. DeHoCo is the only penal institution for women in the State of Michigan. About 200 women inmates are currently at DeHoCo, located on outskirts of Plymouth.

WOMEN inmates at the Detroit House of Correction press clothing and linens from two hospitals and Detroit institutions at DeHoCo laundry. The laundry processes 9,000,000 pounds of wash in a year's time.

LAUNDRY is sorted and moved about in these wheeled containers at the Detroit House of Correction. Faces of inmates have been blocked out to prevent identification. The large, square machine (center, background) is an ironer capable of handling up to 800 bedsheets per hour.

sorted, they are taken to the wash room as needed, Crownover said.

Gigantic washing machines with 400-pound capacities will finish a load in 32 minutes. From the machines, the damp wash is placed in extractors and extracted for 15 minutes.

Following extraction, the wash is ready to be sorted and ironed or dried. Large commercial ironers that handle 800 bedsheets per hour were manned by female inmates. As many as 1,000 sheets have been turned out in an hour's time.

Crownover, Mrs. Pelczynski explained, must maintain rigid standards in the laundry and be able to eradicate bacteria from hospital linen. Chemical treatments are used to maintain the linen bacteria free.

THE COTTAGES, surrounded by garden plots, include a living room, a dining room and sleeping rooms for women inmates, or women coming back to DeHoCo for a second term, go through a one-week orientation program.

The Detroit House of Correction is the only women's penal institution in the State of Michigan. It averages about 300 women inmates, serving terms from 30 days to life imprisonment.

The women have been sentenced for offenses ranging from minor misdemeanors to murder.

KIWANIS NOTES

By Ken Way

Leo Calhoun, local auto dealer, was guest speaker at the Kiwanis Club meeting Tuesday evening, Jan. 21, discussing the effect of the automobile business on the Plymouth community.

The Plymouth area residents annually purchase between 1200 and 1700 vehicles from our local dealers.

Automobiles are an important part of our economy, as illustrated by the fact that in 1940 there were 27 million vehicles in service, 56 million vehicles in 1960, and the projection for the year 2000 is 156 million vehicles.

Results of performance trials at Daytona, Riverside, Monte Carlo, etc., seem to be a great factor in automobile sales. 45 million people annually pay to see auto racing.

In 1963, for the first time in history, the World market for vehicles surpassed the United States market.

Our local automobile dealers take great interest in our community, participating in such community activities as the Fall Festival.

Calhoun said he was glad to be a part of the growing Plymouth community and hoped to be in business here for at least 42 years, as was his predecessor.

First Vice-President Marv Terry presided at the meeting, welcoming guest Carl Wright from Livonia. John Ward became a member and was properly bibbed by Fred Foust.

Conditioning hay by crushing will reduce field drying time by one-half to two-thirds of the time required for uncrushed hay, New Holland tests show.

A Bouquet . . .

The choice of 34-year-old Jamiel Jabara as a local service club's "Man of the Year" was a decision that few would quibble with.

The youngest member of Plymouth's City Commission was chosen, among other things, for his civic, family and church activities.

A graduate of Mancelona, Michigan High School, Jabara went on to get his B.S. in Civil Engineering from the Michigan College of Mining and Technology at Houghton.

Four years ago, he and his brother purchased the Plymouth Tank and Fabricating Company. Today they are building a new plant in Canton Township.

A member of Plymouth's Kiwanis Club, The First Methodist Church, the Plymouth Symphony Society, the Y.M.C.A. and active in boy scout activities, Jabara has become a stand-out in the Plymouth Community in a relatively short period of time.

With characteristic modesty, Jabara told Plymouth JayCees and their guests a week ago Monday night that he accepted the distinguished service award on behalf of the other 16 nominees for the honor.

The Plymouth Mail extends heartfelt congratulations to him.

We need a few more Jim Jabaras in our community.

...and a brickbat (of sorts)

The grand old diseases of lethargy, apathy and complacency came up for more than a few verbal knocks during the Thursday luncheon at which Plymouth JayCees released initial results of their retail survey. Discussed was:

- Lethargy concerning development of new shopping centers in this area.
- Apathy about Plymouth's soon-to-be-critical parking problems.
- Complacency of the sort that leads the individual merchant to pump profits out of his business without returning sufficient amounts for expansion and remodeling. All of which leads us to this point:

What are we going to do about it?

In past years, this newspaper's publisher has pointed up the problems discussed last Thursday in his "Chips from the Rock" column; and, this week, The Mail reprints excerpts from these columns.

We do this, not from an adolescent desire to say "I told you so," but, rather, because The Plymouth Mail has always felt a deep and abiding sense of responsibility to the community it serves and we wish to reaffirm our feeling of obligation.

The time for action, obviously, is overdue.

The Mail is taking action in the form of a full-page, public service advertisement elsewhere in this week's paper. Included on that page is a consumer questionnaire, vital to the completion of the retail survey.

We urge all readers to complete

the form and turn it in, either at The Mail office or at other designated drop-off places.

But other tangible steps must be made — and, if no one else is willing, this community's young men should take those steps.

Plymouth storeowner Wendell Lent issued a call for a unified effort with an accent on youth at Thursday's meeting.

"We need young guys," he said, "the fellows who don't know things can't be done."

In answer to that call, JayCee President Wendell Smith pledged the continued support of his organization and asked for help from the city, the township and the community's more experienced businessmen.

"It's time to decide what we want," Smith declared.

The Plymouth Mail agrees.

And, having decided, it's time to go out and get it.

While the Plymouth business community is basically good, it can't afford the luxury of treasuring water. To do so would ultimately mean a thorough dunking in a tidal wave of surrounding shopping centers with better promotion and the cold impersonality of a soggy sheet.

It's time to get on the ball and follow the advice offered by local attorney Edward Draugelis last Thursday. He said:

"Let's think of our troublesome future rather than the glorious past."

U. of M. Alumni Association Will Meet Tuesday

The recently combined Plymouth-Northville Alumni Association of the University of Michigan will meet Tuesday, Feb. 4 at 8 p.m. at Allen School, 11100 Haggerty Hwy.

The Director of the Alumni Association's Family Camp, Glen Williams, will discuss the camp and show a color movie of camp activities. The camp has been open for one year.

Color slides of Fairland and of the Dearborn Center Campus will be shown by C. E. Wesley from the Dearborn Center.

The Plymouth and Northville Alumni decided, in December, to combine their

membership in an attempt to strengthen alumni activities. The officers of the club, Peniman Ave.; secretary, William E. Sturton, 8335 Marinette; and treasurer, Mrs. Herbert J. Frogg, Alvin L. Wistert, of Northville; vice-presidents, Don R. Carlson, 1312

Bentley Cagers March Past Plymouth, 49-45

Bentley came from behind to take a much needed victory away from the Plymouth Rock basketball team.

The Bulldogs used a full court press that upset the Rocks enough for Bentley to overcome a 9 point Plymouth advantage and win 49-45.

Meanwhile a round of the league Allen Park took over as undisputed leader in the Suburban Six cage race by defeating Trenton 63-60.

Redford Union kept alive its title hopes with a 71-54 victory over Belleville. The win put the Panthers into a tie for second place with Trenton and Redford.

The Rock offense was cold throughout the evening and ended up only making 16 of 62 shots from the floor. Bentley had better luck as they took fewer shots (35) and hit on more (20).

Plymouth's free throwing average was better than the Bulldogs but was far from satisfactory. The Rocks made 9 foul shots out of 19.

ONE STATISTIC that showed up was the fact that Plymouth out-foiled Bentley 11 to 5 which probably was a result of the Bulldogs' press.

Early in the game Plymouth seemed to be in complete control when they built up a 14 to 5 lead during the first period.

Without the services of 6' 7" Bill Bohl, who is out with a broken foot, Bentley was a bit uneasy but kept calm enough to pull within 4 points at the end of the first half.

Through the third period of play the teams were never more than a couple of points

apart and by the beginning of the last eight minutes the Bulldogs had taken over the lead 37-36.

THEN PLYMOUTH hit a last period offensive lag and could only muster up 9 points which ended up 4 points shy of Bentley's 49 points.

Dick Egloff led Plymouth scoring with 14 points on seven field goals. No other Plymouth player could score more than 6 points. The Rocks offense is built around balanced scoring and so far this season without it they have been unable to win but with it they look like champions.

Plymouth has a chance to climb in the standings this Friday when they meet Trenton who won the first en-

counter this year by a slight margin.

If Plymouth can show some hustle and start clicking on offense they may still be able to prove themselves worthwhile challengers.

ALL THE teams are at the halfway mark in their league schedule and will start down the home stretch this Friday.

Plymouth's game will be at home with the reserve game starting at 6:30.

Junior High Cagers Come From Behind

The Eighth and ninth grade basketball squads from Junior High-East sent the rival Belleville teams home with two losses as Plymouth came from behind in both games to win.

The eight graders were playing their first game of the season but this fact didn't seem to hurt them as they easily overcame a 7-0 Belleville lead to go ahead 17-13 at halftime.

The third quarter saw Plymouth score 20 points to Belleville's 9 to put the game out of reach.

The game ended with the eighth graders winning 39-24 with Russ Carlson high man scoring 12 points on 6 field goals.

The freshmen started 13 points behind and fought hard to come within 3 points of Belleville by half time.

THE FROSH then managed to stay close for the rest of the game with Steve Hulce stealing the ball several times to set up Plymouth scores.

Plymouth then went into the lead with a minute and a half remaining and held on to a 3 point edge to win 35-32.

Tom Davis led the victors with 13 points followed by Ron Lowe with 8.

JayVee Cagers Win In Double Overtime

Double overtimes are not too common in basketball but they do occur and Coach Dick Bearup and his JayVee cagers got a good look at one last week and fortunately came out on top 57-55.

The reserve squad played well and deserved to win after fighting off a determined Bentley team throughout the game.

They met Trenton who won the previous encounter by one point. Game time is at 6:30.

PLYMOUTH led for the most part but never by more than six points as the Bulldogs kept within range.

Bentley finally overcame the Rocks in the last minute of play, during the regulation time, only to have the Rocks tie it up.

The Bulldogs missed their next scoring opportunity and Plymouth held the ball for the final shot of the game but missed, sending it into the first overtime.

The score was 51-51 at the beginning of the first overtime and was still tied 53-53 at the end.

In the last overtime Jim Bruff was fouled with the score tied 55-55 and calmly sank his first free throw to give him a bonus shot. He dropped in his second shot and Plymouth held defensively to win 57-55.

The JayVees had two troubles during the ball game, one was named Swift, the other in a c.c.r.c.y. Swift, Bentley's high point man with 27, was brought under control and held to 4 points in the last 4 minutes of play which helped Plymouth's cause considerably.

Substitutes helped solve the Rocks second problem when Bob McCall, Dick Stamper and Chuck Masten poured in some much needed points in the second half.

JIM SCHARMEN played his best game of the year both offensively and defensively and ended up being the Rock scoring leader with 12. John Hannula was runner-up with 11 points.

This week the Junior Rocks hope to avenge one of their two losses of the season when

Plymouth had a bad night but 6' 1" senior Dick Egloff had a good one as he led the Rocks in scoring by dumping in 14 points on seven field goals. Plymouth lost to Bentley 49-45.

Swimmers Win no. 7, Entertain Trenton next

Victory is becoming a habit for the Rock swimmers as they trimmed Bentley 62-39 for their seventh straight win in as many meets.

The Rocks had little trouble from the Bulldogs as once again they piled up an early lead and kept adding to it throughout the meet.

Plymouth took 7 of the 11 first places and would have had another except the 200 yard freestyle relay team of Jim Norman, Tom Blunk, Jim Mattison and Mike Drennan were disqualified. They had won their race by a good margin.

Depth is the Rocks main strength and has proven to be the deciding factor in this meet as well as the previous ones.

The 200 yard medley relay team made up of back stroker Dan Olson, breast stroker Dave Agnew, Rick Malbeouf, who swims the butterfly and

free styler Jim Mattison won their race in the good time of 1:48.9.

TOM BLUNK and Jim Norman then finished 1, 2 in the 200 yard free style with co-captain Blunk finishing in 2:20.5 seconds.

The Rocks had another 1-2 combination in Dick Barry and Geoff Burke who swept the 50 yard free style. In this race Barry tied Plymouth's pool and team record that had set in an earlier meet.

Berry was also Plymouth's only double winner as he swam the 100 yard back stroke in one minute flat.

Plymouth's other co-captain Jim Beglinger added his contribution to the Rocks' victory by winning the difficult 200 yard medley relay in the fast time 2:17.9. In this event the swimmers have to swim 2 lengths of the pool

using the four different strokes for each 2 lengths. Jeff Hoffman finished third behind Beglinger.

In the diving event Plymouth took charge as divers Burt Quinn and John Herter finished in the top 2 places. Malbeouf and Tim Wernette turned in good performances in the 100 yard butterfly but Malbeouf was edged out and Wernette was a close third to give Plymouth four points toward their seventh win.

THE LAST first place taken by Plymouth during the meet was picked up by Olson as he swam the 100 yard back stroke in one minute flat. George Collins finished in second place to give the Rocks a 58-17 lead.

Hoffman picked up a third place in the 400 yard free style behind two strong long distance swimmers from Bentley.

Dave Agnew then finished second in the 100 yard breast

stroke to pick up Plymouth's last points of the evening.

This Thursday the Rocks will get their second test of the year when Trenton hosts Plymouth in what should be the big meet between the two powers of the Suburban Six league. In their first meeting of the season the Rocks won but appeared to be in better physical shape than the Trojans which may have been the deciding factor.

NEXT TUESDAY Fordsen will be on hand to give Plymouth some more competition in a warm-up for the Redford Union meet Feb. 6.

Easter Seal programs on a national, state and local levels are directed by 30,000 volunteer board committee members. They are counseled by nationally recognized medical and rehabilitation authorities. And they are fortified by the dedicated efforts of 300,000 community volunteers.

Frosh Swimmers Win Second Meet

Plymouth Junior High swimmers were in a close meet last week but held on to a slim lead and added important points near the end of the race to win 53-34 over Pierce Jr. High of Redford Twp.

Bill Wolfe and Tom Bowman sent the swimmers into the lead right off the bat as Wolfe took the 50 yard free style in 29:2 and Bowman won the 50 yard butterfly in 31:7. Brian Smith finished second in the butterfly.

PICKING UP valuable points were Bob Wellman and Pat Gallagher who each finished second in their events, the 50 yard backstroke and

the 50 yard breast stroke. John Norman and Wolfe then finished 2, 3 in the 100 yard free style to give Plymouth a one point edge.

Plymouth then started piling up the points beginning with the diving event which was swept by Guy Carlson and John Larson.

In the individual medley Smith and Mike Malbeouf finished 1, 3 with Smith's winning time set at 1:18.8.

Both relay teams took first place as the free style relay team composed of D. J. Catton, Larson, Bruce Gould and Collins finished up the scoring for Plymouth.

Junior Swimmers Win, 62-43

Plymouth's Junior Varsity swimmers turned in some fine times and, according to Coach Tom Workman, "It was our best meet in way of improvement this season."

The JayVees made their performance count as they dunked Bentley 62-43.

FOR THE first four races it appeared there was going to be a close meet. The Junior Rocks wasted no time in dispelling the fears of Plymouth spectators as they started to pull away leaving the Bulldogs in their wake. Workman cited Bob Shirey,

Gary Bohl, Bob Wolfram, Tom Bordine, Jeff Gustafson and Jamie Lent for improving their times over their previous marks.

THIS WEDNESDAY the JayVees will meet Trenton here at 4:00 in what should be a revenge match for the Reserve swimmers as their only loss of the season was to Trenton 57-48 earlier in the year.

The scoring was as follows: 200 yard medley relay - John Skinner, Don Norman, Tim Wernette, Bob Shirey, 2:10.5.

- 200 yard free style - Chuck Olson, (2).
- 50 yard free style - Rick Ott, 27:0; Gary Bohl.
- 200 yard ind. medley - Don Norman (2), Jeff Gustafson, (3).
- Diving - Dave Cook, Dick Lorenz.
- 100 yard butterfly - Wernette, 1:09.5; Bob Wolfram, (2).
- 100 yard free style - Bohl, 1:03.5; Rick Ott.
- 100 yard back stroke - Shirey, 1:13.4.
- 400 yard free style - Olson, (3).
- 100 yard breast stroke - Jeff Gustafson, (2).
- 200 yard free style relay - Norman, Cook, Wolfram, Lorenz; 1:54.0.

Hawks Drop Inkster, 3-1

The Plymouth Blackhawks held on to first place in the Garden City Juvvile league by defeating a hating Inkster team, 3-1.

Inkster gave the league leaders a battle but balanced scoring power by the Hawks proved to be the difference.

Chuck Raven, Terry Cosgrove and Jim McKindles all scored one goal while goalie

Dave Troutman kept all but one shot out of the Hawk's net.

Auto-Crat Mfg. Cloverdale Win

Auto-Crat Mfg. won their third straight ball game last week by defeating the Jay-Cee's 52-19.

Dan Stremtek had 16 points for the winners and was followed by Jim Dart with 10.

In the second game of the evening Cloverdale won a defensive battle by outlasting Sharrard-Jarvis 45-20.

The game was close until the last few minutes when Cloverdale put on a scoring spurt.

Ken Knipschild and Tony Monte led the winners with 13 and 11 points.

Mac Pierce and Casey Cavell tied for high among the losers with 8 points apiece.
