FINAL DETAILS are checked by Mrs. Dolly Brenner (left), executive secretary of the Ann Arbor Family Service Bureau, with Mrs. Ethel North, chairman of the Plymouth Community Fund's caseworker selection committee, and Miss Anna Jung (right), the new Plymouth FSA director. Miss Jung started

work on the newly opened Plymouth branch Monday morning in the offices in the Veterans Memorial Building, 173 N. Mill Street. The much needed agency will be open daily, Monday through Friday, to handle all family service type of cases in the community.

Council Approves Concrete Reservoir; Returns Rezoning Proposal to Plan Board

Acting on the recommendations of Melvin Strader, chief engineer for the consulting firm of Johnson and Anderson, Plymouth's City Commission Monday authorized the company to proceed on a design and plans for a two million-gallon concrete reservoir as quickly as possible. At the same time, the Council

told the engineers to set sights on a target date of May 1 for advertising of bids for the reservoir and improvements to the water system under the terms of the recent grants from the federal government.

Phil Hampton, representing J&A, set a Saturday, Feb. 15 meeting with Commissioners Arch Vallier and James Jabara, DPW Superintendent Joseph Bida and City Manager Albert Glassford to go over preliminary plans for the necessary water system internal improvements.

The Commission tabled a proposed zoning change in the Pfeiffer property on Plymouth Road from C-1 to PR-2 and

turned the matter back to the planning commission for more specific recommendations.

The tabling resolution passed by a split 4-3 vote with Commissioners Robert Beyer, Robert Smith, Vallier and Jabara favoring and Commissioners George Lawton, James Houk and Mayor Wernecke dissenting.

The action came after a delegation of 18 homeowners from the area appeared to voice their objections against the proposed rezoning.

Only Mrs. Mildred Bondie, administrator for the Pfeiffer estate, and her attorney spoke in favor. They recommended approval of the change on the basis that the property has been zoned R-1 for more than seven years with no takers and now has a buyer provided it receives a PR-2 rating.

The purchaser, American Redevelopment Corp., plans to erect a two-story, 114-dwelling apartment building. And that has caused quite a bit of consternation in the neighborhood.

GLENN FREEMAN, 158 Plymouth Rd. objected to the proposed change on the grounds that two lots would be PR-2 and the adjoining two would have C-1 classification. He indicated all should be the same.

RICHARD LEE, 103 N. Holbrook, sought information on what the plans are for the lots under discussion. He also objected to the change on the theory that it would be spot zoning which he termed dangerous in any area.

MRS. HARVARD NORGROVE, who owns land on Plymouth Road, objected to the change on the basis that it would kill a proposed sale for her property which adjoins the Pfeiffer acreage.

(It was later rumored that an apartment builder is interested in the land only on the basis of a C-1 rating which requires 2,400 square feet to an apartment. The PR-2 classification requires 3,000 feet. This means the builder would lose several apartments through the change.)

MRS. FLORENCE KRAUSE, who also owns property adjacent to that of Mrs. Norgrove, objected for similar reasons.

After hearing the objections and the statements of the Pfeiffer estate representatives, the Commission passed the resolution presented by Smith and supported by Jabara.

In other actions, the Commission:

- Approved a fee of \$2,500 for Sutherland & Robson for training personnel and installing new accounting equipment and a new system.
- Approved \$1,100 for spraying of Elm trees with a strong recommendation that every possible step be taken to enforce the ordinance and made residents spray trees on private property suspected of being diseased.

Discussed expansion of facilities at the Department of Public Works yard on Arthur and authorized the City to

(Continued on Page 2)

Township Board Gives Projects the "Go" Sign

Another step aimed at opening the west side of the township to development was taken by the Plymouth Township Board of Trustees in a special meeting when it authorized Engineer Herald Hamill to proceed with preliminary plans for an estimated \$700,000 sewer line extension and a \$300,000 water main expansion.

The action was approved after a motion by Trustee John McEwen supported by Trustee Ralph Garber.

The final plans will be contingent on approval of the Board.

The Trustees approved a change in zoning of the southwest corner of Ann Arbor and Lilley Roads from M-1 (light manufacture) to C-2. The change had been recommended by the Planning Commission.

Although no definite announcement had been made, it is rumored the site will be used for construction of facilities for a well-known Plymouth auto agency which is reported planning to move from the downtown section at some future date.

Upon a recommendation of Supervisor Roy Lindsay, the Board approved a request to the Civil Service Commission to set up a promotional examination for the new position of sergeant of the Fire Department.

This is the first step in a proposed plan to reorganize the department. The Board plans to create the position of sergeant as the second officer in command. The salary schedule for the position will be discussed at a future special meeting.

At the present time, Capt. Barney Maas is the lone ranking officer and also holds the post of temporary executive officer.

The new position will create a second in command and give the department an acting executive officer should Capt. Maas not be available for a fire or an emergency.

The Board awarded a contract to Coccia Brothers Excavating Inc. for the Mill Street water project on a low bid of \$18,025. The work calls for installation of 1,705 feet of 12-inch water lines north of Ann Arbor Road to National Concrete Products Co.

Other bids were: Wes Goff Excavating, \$23,592; Gould Development Co., \$22,962; Foma Co., \$21,921; Allard Contracting Co., \$21,720; S. Weissman Excavating Co., \$19,937; P&S

Construction, \$17,855; H. Burrell, \$16,720; and A&J Construction, \$16,474. The contract provides that the work will be completed within 30 days.

FACTS and OPINIONS

by Paul Chandler

With almost every official in the State of Michigan, from Governor through Constable, deploring our high way safety record, it seems certain that some new law will be written soon involving teen-age drivers.

Latest statistics seem to indicate that the percentage of car accidents involving young drivers is on the climb. One figure noted recently is that 20 per cent of all fatal accidents last year involved drivers 25 years old or younger.

With plenty of apprentice car pilots in the suburbs, a bill to watch closely at the moment is one that will take 15 and 16 year olds, holding driver's licenses, out of the juvenile (probate) courts' jurisdiction and turn them over to regular municipal and/or circuit courts.

In the latter they would be "handled the same as adults." More significantly, they would go under the rules of the Michigan "point system," which now is applied only to drivers 17 years and older.

WHILE THE SWITCH sounds useful at first look, and enjoys the support of the Governor, it also has some critics.

Under the juvenile jurisdiction of probate court, many young violators find themselves punished by having their license withdrawn for a period of time—often 30 days, even on first offense. On a repeat, the license might be lifted for 60 or 90 days.

In such cases parents are summoned before the judge along with the youth. And it takes a second trip downtown to get back the license. The process can be a burden and a distress... in other words, a deterrent which makes the teen driver more cautious.

This would disappear, it is argued, if the offenders go to adult courts where there is no power to lift licenses except after repeated arrests and sufficient "points" have been accumulated. Some mighty immature drivers thus could be allowed to roam the streets before they run out the point string and become sidelined.

There is an additional question as to whether the regular courts would have the time and personnel to efficiently handle the new load of juveniles which would be shifted from Probate Court.

Some experts object to dividing juvenile offenses into two types and having them considered by two different types of courts and judges: one for juvenile traffic cases; one for all other juvenile arrests. For all of

Plymouth Kiwanians Get Air Stewardess Story

Qualifications, training and educational background of an airline stewardess were explained to members of the Plymouth Kiwanis Club by Donna Wilcox, a stewardess for American Airlines, in the weekly meeting at Lofy's Arbor-Lil.

Miss Wilcox explained that an applicant must have completed two years of college or have two years of business experience in public relations or a related field before being considered for the training course.

A successful applicant must be between the ages of 20 and 33 and then will spend seven weeks at Fort Worth, Texas for initial training. Students are then sent to one of 12 bases across the nation for six months of advanced training.

Those completing the course have their choice of assignments. Miss Wilcox showed two color films, one of an American Airlines Convair on a

flight from New York City to Los Angeles and the other of a tour of Metropolitan New York.

Nell Davidson, chairman of the hearing aid committee, has requested persons who know of someone who may be aided by a hearing device to contact him at once.

At the same time he asks anyone who has an aid not being used to turn it in to some member of the Kiwanis committee so it can be repaired and put in the hearing aid bank for use.

Guests at the meeting included Bill Johnson, Robert Huppe, Bill Perry, Chubb Hall, Ben Jones, Stan Rynicki Jr. and Relford Hoffman.

Offer Four Scholarships To Bandsmen

Thanks to the co-operation of its sponsor, the Plymouth Community Federal Credit Union, the Plymouth Community Band will offer four half-tuition scholarships to the National Music Camp at Interlochen, Mich.

The money was made available for the purpose by the Credit Union when the Board increased the band's annual allotment by the \$240 needed for the scholarships.

The scholarships for the 1964 summer session will be granted under the following terms:

1—Applicants must audition with Band Director James Griffith and must participate in the community band on a regular basis through the summer concert series.

2—Membership in the band will be accepted on the basis of the instrumental requirements of the band.

3—All resident students of Plymouth are eligible. Non-residents must be sponsored by a parent or an adult presently an active member of the community band.

4—Applications for scholarships must be made to Director Griffith by Feb. 19, 1964.

The community band practices every Wednesday at 8 p.m. in the bandroom at Plymouth High School.

Neva Lovewell, Retired School Teacher, Dies

Plymouth lost one of its most respected senior citizens Monday when Miss Neva Lovewell, 71, a retired high school teacher and well-known in women's club activities throughout the area, died at her home.

Her body was discovered in bed by neighbors at her residence, 365 Pacific, when they became alarmed when she wasn't up and around at her usual early hour. Miss Lovewell had been ailing for several weeks but was still active as always.

She retired from her teaching duties at Plymouth High School almost 10 years ago but had maintained her interest in youth activities and in women's club work. She was one of the founders of the Soroptimist Club in Plymouth and was one of the leaders in organizing chapters in Redford Township and Livonia.

Miss Lovewell was born July 6, 1892 in South Lyon and had resided in the area all her life. She had been a resident of Plymouth for more than 30 years. She was a daughter of Floyd and Ada Robson Lovewell. Miss Lovewell was a member of the Presbyterian Church in Plymouth.

Surviving are: a brother, Dr. Ashton Emery of Waterford; a niece and one nephew.

Services will be conducted Thursday afternoon at 1 in the Schrader Funeral Home in Plymouth in charge of Rev. Henry Walsh. Burial will be in the South Lyon Cemetery.

Rights Commission Backs Plymouth Lecture Series

Plymouth's Human Relations Commission, which includes 13 members from the city and township, endorsed the fine lecture series on Civil Rights, sponsored by the Human Relations Assembly, in its meeting last week.

Chairman Carroll Munshaw indicated Commission was unanimous in its backing of the lectures which are being presented weekly on Thursday nights.

DISPLAYING a few of the articles from their World Fair exhibit at Plymouth Junior High East are members of Mrs. Sally DeRoos' sixth grade class. The youngsters include: (from left) Art Hackett with boots from Spain; Mike Maurer, a traditional sword from the Philippines; Ara Saraf, a native of Tur-

key who had charge of the United States booth; Shelly Sanocki, the Russia booth; Sherry McClure, in a native French tam; Darlene Gatzke, attired in a Greek costume; and Lauren Turnbull, displaying a wood carving from the Congo.

Plymouth 6th Graders Go Around Globe In Own World Fair

There was a time, not so long ago, when people were talking about going "Around the World in 80 Days," but sixth graders at Junior High East, taught by Mrs. Sally DeRoos, cut that time considerably in their world fair exhibit last week.

Matter of fact, one was treated to tidbits, examples of products and manufacturers, and cultures of the world in a personally guided tour around Room 17B.

The 31 youngsters, who came from the Farrand and Starkweather schools, took over the project at the suggestion of Mrs. DeRoos and did such an excellent job that other sixth grade classes in the school were invited to participate and partake of the goodies.

It was unusual from more

than one aspect and typical of sixth graders.

For instance, Don Waters had charge of the Finland exhibit but he came down with the measles a few days in advance of the showing. So, his parents had to tote his Finland displays to the school where his classmates set up the exhibit.

Ara Saraf, who is a native of Turkey and only a few years away from that land, was given the task of arranging a display on the United States.

Name it and the nation or country was included in the exhibit—hardly a language or custom was missing.

The list included: Russia, exhibited by Shelly Sanocki; France, by Sherry McClure attired in a typical French costume; Scotland, Laury Butler; Ireland, Carole Pratt; England, Marcia White; South Af-

(Continued on Page 2)

C of C Lists Membership Luncheon

Planning a crash membership drive instead of a lengthy campaign, the Plymouth Chamber of Commerce will hold a luncheon at the Hillside Inn on Wednesday, March 4 at which members will invite non-members.

Chairman Carl Pursell and his membership committee are making arrangements for an informal but instructive program in which the aims and goals of the Chamber will be explained.

Pursell hopes to boost the membership considerably by the end of the two-hour luncheon-program.

New members welcomed recently include William Fehlig Real Estate and Dr. Donald Davies.

President Wendell Lent has announced committees and chairmen to handle the Chamber's objectives for 1964. They are:

Government, chairman Ralph Garber; Education, George Lawton; Community Affairs, Cecil Sharrard; Industrial division, James Thomas; Publicity, Hazel Wilson; Membership, Carl Pursell; Retail, Don Zander and Bernie Morrison, co-chairmen; Finance, Harvey Ziel; Economic Development committee is being established but the chairman won't be announced until later.

Drill Starts Here; Winds Up at Angle

Imagine installing equipment valued at more than \$500,000 on a \$100,000 gamble that may bring absolutely nothing after more than six weeks of work.

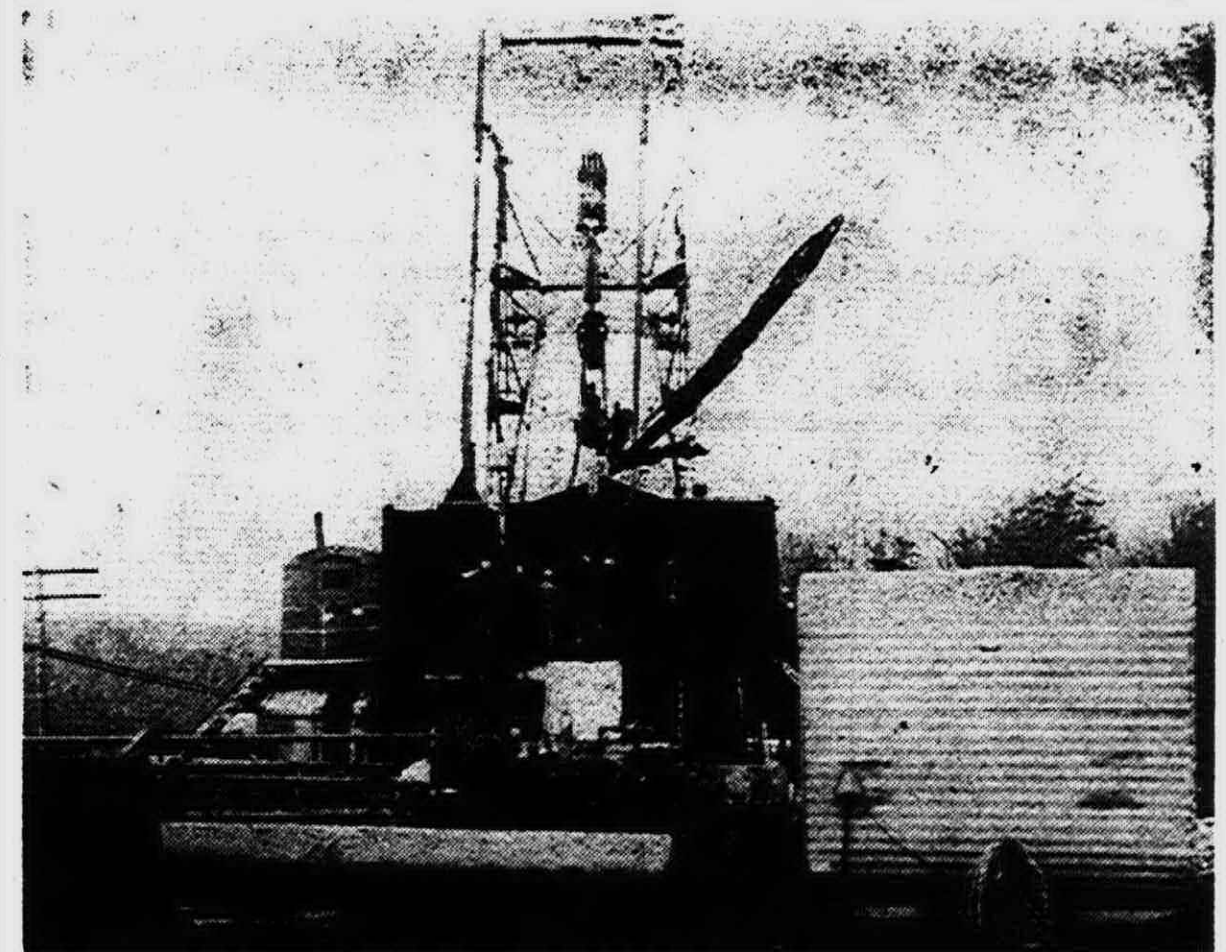

That's what Peake Petroleum Co., a subsidiary of the C&O Railroad, is doing at this exact moment in maneuvering the state's first angle drilling project on Parkview Drive, off Edward Hines Parkway, just outside the easterly limits of Plymouth.

Of course Peake officials aren't exactly thinking in terms of spending that amount of cash and coming up with nothing—they feel they have an excellent chance of landing a gas producing and an oil producing well.

The well, seventh tried by Peake in the area, is the most unusual of all. Work started in a vertical direction to a depth of 1,600 feet when whipstockers went to work and diverted the drills in a southeasterly direction that will carry the operation some 564 feet in a diagonal angle to the nearby park.

It is the first angle drilling project attempted in Michigan and the first of two that Peake plans in Plymouth. The second will start within two weeks but

(Continued on Page 2)

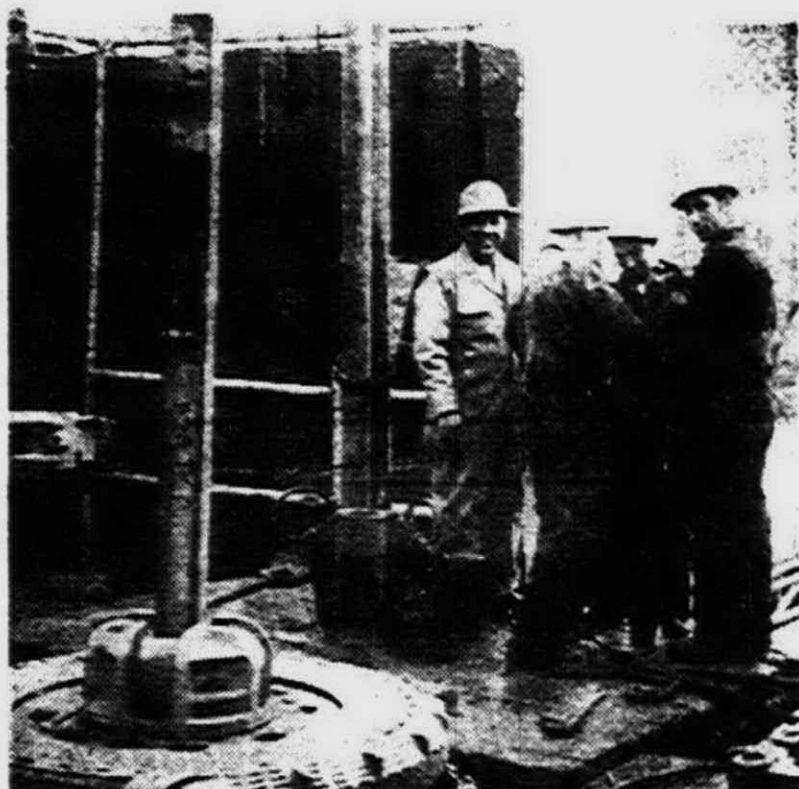

LARGEST OIL RIG ever installed in lower Michigan is being used for the angle drilling operation of the Peake Petroleum Co. in the well on Parkview Drive east of Plymouth. A total of 23

men have been working around the clock on the half-million dollar outfit. The target is a site some 500 feet southeast of the point where the drilling began.

THE X MARKS the drill which has been whirling constantly for more than six weeks under the careful guidance of a complement of 23 men. Driller J. D. Arnold, of Clare, and his three-man roughneck and derrickman crew are shown getting equipment ready to add to the bits which are digging the hole more than 4,000 feet underground.

\$100,000 Gamble

Continued from Page 1
hind the Wilcox yard of the Wayne County Road Commission and go north underneath Wilcox Lake.
To handle this project, Peake has added quite a bit to the area's economy. In the first place the work requires a crew of 23 men, all from out of the area but all living within driving distance of the project.
Perhaps the most interesting is L. G. Byron, a directional engineer from the Eastman Oil Well Survey Co. of Oklahoma City, who is in charge of the whipstocking operation—that's the industry's term for the man who guides the drills in the vertical and then horizontal directions.
Byron terms the Plymouth job as one of the easiest angle drilling projects he has been on.
"We don't hit the extreme hardness here that we encounter in other areas," he points out. "We have varied from speeds of three feet per minute to one foot in 59 minutes. I have been on jobs where we

were lucky to make a foot in a couple of hours."
Drilling started on the park-view site late in December and will be completed within another week or 10 days.
During that time Peake has had two geologists on the job from the Consumers Power; two of its own, including Gene Haney and Don Supcoe of Cleveland; along with Reggie LaPorte, of Plymouth, the production supervisor.
In addition, the crew includes three drillers, each with a crew of two roughnecks and a derrick man. The drillers, who have charge of handling the huge drills, are: J. D. Arnold and L. E. Fetters of Clare; and Fritz Hodges of Evert.
Then there's Grancis Mead who carries the label of tool butcher and hails from Rosewood.
And back of it all is Peake's Chief Engineer and Manager John Rudnicki, who headquarters in Cleveland, and Ralph Dobbs, from Charleston, W. Va., who has been busy with negotiating leases for better than seven months.

Socially Speaking In and Around Plymouth Town

By DOROTHY FINNEY
GL 3-6160

Mrs. John Pulker, chairman of the Allegro group of the Plymouth Symphony League, said last week that there are still tickets available for the League's Theatre Party at the Fisher on Friday, Feb. 28. The Broadway hit "Never Too Late" stars William Bendix and Nancy Carroll.

All tickets not sold by the Symphony League must be returned by February 14. Please call Mrs. Charles Childs, GL 3-0503 or Mrs. Thomas Kelly, GL 3-4329. Seats on the first floor and mezzanine are \$5.50; first balcony, \$4.40.

Mr. and Mrs. Fred Knupp of Morgan St. returned home Jan. 27 from a week's vacation in Columbus, Ga. While the young couple were gone the elder Knupps, Ralph and Bertha, of Wilcox Rd., cared for their three youngsters. Fred is a fireman with the Plymouth Township Fire Dept.

to Girl Scout Troop #626, which is sponsored by the group, by Mrs. Ted Campbell, and accepted by Mrs. Howard Smith, leader of the troop.

The Jaycee-ettes have been busy working on puppets which will be finished by the girls in troop #626 and turned over to a children's ward in a nearby hospital.

They have also worked on cancer pads in the past and are now formulating plans for a campaign in April for the Association for Emotionally Disturbed Children.

WE RECEIVE THANKS

The Plymouth Observer received the following letter from the Hawthorn-Northville Chapter of the Michigan Association for Emotionally Disturbed Children, whose state headquarters are at 668 Pallister Ave. in Detroit.

"My dear friends:
"Using this means, please allow me to thank you for all the publicity you gave us, in trying to make our Christmas Card Campaign a success.
"With your help our educational program became one of joy for many children of the emotionally disturbed mind.
"They have great talent; all they need is help and understanding. Without your help the going would be somewhat rough.
"Once more, thanks for your helping hand."
Lester Lawrence

Minerva's store, which handled the sale of the cards in Plymouth, sold over 100 boxes. Minerva was especially pleased with the attitude of the purchasers who were happy to contribute to such a worthwhile cause.

BENEFIT FASHION SHOW

With spring coming up with a flip of the calendar, and an early Easter (March 29) a special emphasis is being placed on style shows in February. One of the most exciting is the one being chartered by Mrs. William Bournais of Marilyn St. in Arbor Village.

This annual benefit Fashion Show, to be held on Thursday, Feb. 13, is sponsored by the P.T.A. of the Sts. Constantine and Helen Greek Orthodox Church on W. Chicago Blvd., Detroit.

The show will be held at the Raleigh House (near Seven Mile), in Detroit.
Chudik's of Birmingham, who specialize in furs and women's apparel, will furnish all the clothes modeled in the show. Edmond Chudik will do the commenting.

Reservations are still available in groups of five or 10. Tickets are \$5 and reservations can be made by calling Mrs. Bournais at GL 3-9036. Each table will seat 10 guests and one table has already been reserved by neighbors of the Bournais'. All proceeds from the show will be used for the education of the children in the Greek community.

Declares Dividend

Packaging Corporation of America has declared a quarterly dividend of 20 cents per share payable April 1, 1964 to stockholders of record March 10. The corporation has a plant in Plymouth.

WILLIAM NELSON, prominent young Plymouth attorney, member of the City's Housing Commission and the Lions Club, has been named chairman of Plymouth's Michigan Week Activities. Highspot of the week will be Mayor's Exchange Day in which Mayor Richard Wernet will exchange posts with the Mayor of Clawson.

Wimsatt Store Burglarized

A cash register and several TV sets were reported stolen from Wimsatt Appliance Store, 754 S. Main, Plymouth, last Friday night or early Saturday morning.

Police discovered the robbery on routine check early Saturday morning. The middle of a huge steel door in the rear of the store had been removed. The total amount of merchandise taken is as yet undetermined. Police are checking all possible clues.

Concrete Reservoir OK'd By Commission

Continued from Page 1
hire an architect to draw up plans for the new building which has an estimated cost of \$38,000.

Approved purchase of three new 1964 Police type four-door cars from: Leo Calhoun Ford on a bid of \$1,467; E. J. Allison, Inc., on low bids of \$647 and \$997, including trade-ins.

Gave permission to the Boy Scouts to hold their annual campout in Kellogg Park on Friday and Saturday, Feb. 7 and 8.

Gave permission to the Little League to hold a parade in conjunction with sponsoring a circus on May 9 on the Mill street carnival grounds.

Adopted an amending ordinance to the Water Bond Ordinance.

Passed a resolution authorizing investment of Urban Renewal project monies.

Passed a resolution requesting C&O officials to consider having a morning train from Toledo enroute to Detroit, stop to pickup and discharge passengers in Plymouth.

Passed a resolution adopting proposed water rate rates.

Passed a resolution commending Mrs. Nell Curry for 24 years of unselfish and devoted service to the City of Plymouth as a member of the Appeal Board on Zoning from its beginning in 1939 to 1963 when she resigned.

Adopted an amending ordinance to the Water Bond Ordinance.

Passed a resolution authorizing investment of Urban Renewal project monies.

And adding a musical note to the affair was Doug Hume who kept things humming at the Germany exhibit with tunes from his accordion.

Adults in our middle-sized cities — those with 35,000 to 50,000 people — are reading more and better books each year, according to the American Library Association.

Facts And Opinions

Continued from Page 1
these objections, however, the bet is that the change will become law.

FACTS AND OPINIONS prefers another alternative—no license for driving without an adult in a car will be issued until attaining age 17 and the successful completion of a driver education course.

This has many virtues of its own and, in addition, at age 17 the driver automatically does come under the "point" system. In a general way, it would prohibit solo driving for high school juniors but make it one of the privileges of the senior year.

Such a bill will be introduced by myself in the House of Representatives this year but it isn't likely to get much beyond committee. Many of the legislators from the non-metropolitan areas of Michigan have a different social climate than do we in the suburbs, and they view the problem differently.

They Hailed Livonia Music Director in the Philippines

"Conductor with a future" promised a headline in the Manila Times, Dec. 12, 1963. In Livonia, halfway around the world, these words reverberated with special meaning, because they were written about William Savola, the young director-conductor of orchestra at Livonia's Franklin and Bentley high schools.

Inspiration for the words was Mr. Savola's guest-conducting of the National Philharmonic Orchestra of the Philippines in an all-Sibelius program in Manila. His podium leadership specifically elicited the critic's praise following his single performance. "It was the kind of podium leadership long wanted by the orchestra, a leadership that commands belief, trust, respect, is knowledgeable and aware of traditional interpretations. Mr. Savola brought forth sounds from that orchestra that even the men did not know they possessed."

"With not a wasted movement, Mr. Savola was the effective executive directing the men with dispatch, with certainty, eliciting from them an efficient performance that matched his confidence," the article continued. "The sound was bright, polished, cohesive, and the woodwind and brass choirs never sounded better; in fact, the entire orchestra never sounded better."

A 1962 summer workshop in California provided the background for the invitation which led to this performance. There Mr. Savola met Redentor Romero, regular musical director and conductor of the National Philharmonic Orchestra of the Philippines.

They were two of 12 selected from over 200 applicants to participate in the workshop sponsored jointly by the American Symphony Orchestra League and Rockefeller Foundation. A professional orchestra was brought together to provide these 12 the opportunity for advanced study and experience in conducting.

Savola's invitation to conduct in Manila was a direct result of discussions concerning differences in island-mainland cultural understanding.

Host and hostess for February will be Mr. and Mrs. Glen Derkholz. Mrs. Ruth Gardner was named refreshment chairman for February assisted by Mrs. Clara Mumby, Mrs. Marian LeFever, Mrs. Tammie Roberts and Mrs. Amelia Eschels.

The next business meeting will be Thursday, Feb. 6, at 1 p.m. in the Masonic Temple.

Plymouth Senior Citizens

BY AGNES ROLLINS
GL 3-1761

Ninety-seven members of the Plymouth Senior Citizens enjoyed a pot-luck dinner at the Masonic Temple last Thursday. The Plymouth group was honored to have five ladies from the Northville Senior Citizens join them. The afternoon was spent playing bunco and card games.

Host and hostess for February will be Mr. and Mrs. Glen Derkholz. Mrs. Ruth Gardner was named refreshment chairman for February assisted by Mrs. Clara Mumby, Mrs. Marian LeFever, Mrs. Tammie Roberts and Mrs. Amelia Eschels.

3 Area Reservists To Participate In Training Overseas

Three area Naval Air Reservists are among 48 who will leave Grosse Ile station Feb. 17 for two weeks of combined training and mercy mission work along the southern coast of Spain.

Area reservists include: Lt. Comdr. Lawrence Rosenthal, 31443 Alabama Court, Livonia; Lt. Comdr. Dewey Butt, 318 S. Rogers, Northville; and Chief Photographer James Willis, 30416 Rosslyn, Garden City.

POINTING to the small town in Northern Japan where he teaches school is Kazuo Kato, a visitor to the United States on a six-month International Teachers Development program scholarship, during a tour of Plymouth's Junior High West. He lectured at one of the geography classes taught by Betsy Gibson, Kato, a guest of Plymouth School Supt. and Mrs. Russell Isbister, will be in the Plymouth area for 10 days before rejoining 28 other Japanese teachers in Ann Arbor. He spent three months at the University of Texas before shifting to the University of Michigan and school systems in the area.

Livonia's U-M Club To Hear Dr. Hatcher

Dr. Harlan Hatcher, president of the University of Michigan, will speak at a dinner meeting of the U. of M. Club of Livonia at Lofy's at 6:30 p.m. Thursday, Feb. 20. It was disclosed today by Peter C. Kinyon, club president.

It will be Hatcher's first visit with the Livonia club. Dinner

will be \$3.75 per person—roast beef and chicken—family style. Reservations may be made with Weldon Clark, 11307 Ingram, Livonia, GA 2-3022; or with Dr. Van Barnes, 11040 Ingram, GA 2-2862. Saturday, Feb. 15 is the deadline for reservations. Guests are welcome.

Lions Show Movies Of Belgium

"Amazing Belgium"—Land of the Masters" is the fare for Plymouth Travel and Adventure series enthusiasts Saturday at 8 p.m. in the Plymouth Junior High East gymnasium.

The fourth in the series of six films provided by the Plymouth Lions Club is explored by cameras handled by Russ Potter, a native of Battle Creek.

Potter, a former newspaper reporter, theater manager, radio writer and commentator, recently achieved a national reputation as a script writer for the Laguna Beach (Calif.) Festival of Arts.

He has appeared frequently on radio and television and was the commentator for Walt Disney's album "Great Composers."

Included in his colorful film are visits to Brussels, Ghent, Bruges, Ostend, Antwerp, Mons and Liege. Stops will be made at Guide Houses, museums of Ancient Art with master pieces of paintings, sculpture and tapestry; a boat trip through towns and villages; a seaside vacation on the beaches of Ostend, inter-

riors of the world's greatest diamond-cutting firms and country side scenes of city and farm life.

Also on the agenda are: the scene of Napoleon's final defeat; Ardennes and the memorial to American soldiers; the European headquarters of the Common Market; and the spectacle of Limbourg.

Tickets can be purchased from any member of the Lions' Club or at the door with a price of \$1.25 for adults and 50 cents for students.

LARRY REINARDY is now associated with Jennings Real Estate and will be active in a building program and real estate sales. Reinardy has 18 years background in building, real state and investments and will be managing trades-ins for a complete home service program.

Sunset District Scouts Going After Memberships

The 1964 sustaining member enrollment in Sunset District of the Detroit area Boy Scout Council, got underway this week when several dozen outstanding businessmen and Scout leaders in Livonia, attended a "kick-off" meeting on Monday, Feb. 3.

Chairman John E. MacDonald and Vice-Chairman, Lonnie H. Brashear outlined the urgent needs of Detroit Area Council to supplement its present budget. Approximately 16% of scouting's income comes from sustaining memberships contributed by parents of Scouts, Scout leaders, former Scouts and friends of scouting, who make an additional contribution to scouting above and beyond their Torch Drive donations.

It was pointed out that the enrollment is being conducted by agreement with the United Foundation, who understands that the Torch Drive budget allocations cannot quite meet the

financial needs of a growing youth-serving agency such as scouting. It is noted that some 315 Cub Scout Packs, Boy Scout Troops, and Explorer Posts have been added to the Council totals since 1957, but no additional professional members have been added to the Council staff to provide much needed service and direction to the many thousands of volunteer leaders in our communities.

Community Chairmen who are assisting in the enrollment program include Dr. Paul O. Rosbolt for West Livonia, and Jack Hickox for East Livonia. Team captains include Robert Lorian, Dr. George S. Rovin, Vernie F. Richards, John Zawacki, Leonard Lentz, Peter Ventura, Roderick P. McKay, William R. Brashear, James Brooks, Tom Funk and Charles Allen.

The next meeting for report on progress is scheduled for Feb. 8.

State Board Approves Schoolcraft's Nursing Program

The Michigan State Board of Nursing has given approval to the Practical Nursing program at Schoolcraft College which will open its doors to classes for the first time in September.

The State Board gave tentative approval after reviewing the planning of Mrs. Harriett Sattig, Director of Nursing Education for Schoolcraft.

This approval guarantees that students graduating from the program will be eligible to write the State Board examinations for license as practical nurses.

Mrs. Sattig is now developing plans for the curriculum. After these are completed, final approval is expected from the State Board. Mrs. Sattig is also interviewing students interested in enrolling.

Those who have not made application are urged to call Mrs. Sattig at GA 7-6620 for details.

The new campus at the intersection of Seven Mile and Haggerty Roads in Livonia will include a Nursing Education Laboratory which will be the most modern in Michigan. It was carefully planned not only with the architects but also with directors of various practical nursing programs in the state and surrounding states.

The Schoolcraft program will combine classroom and

hospital experience throughout the entire college year. Students will start to spend time in the hospitals starting with

the third or fourth week of the term. All instructions will be given by the college faculty, in the hospital and on the

campus. Schoolcraft's first Practical Nursing class will be limited to 30 students. There are still open-

ings even though a large number of applications are on file. Mrs. Sattig has not made her final selections of students as

yet. Tuition for the 12-month course is \$101 for both residents and non-residents. Other fees

include uniform, shoes, watches, etc. for a cost of approximately \$119. This adds to a total of \$220.

Final details of the clinical affiliations of the program are still in the making and will be announced within a short time.

DPW News And Notes In Plymouth

By SUPT. JOSEPH BIDA

The Department of Public Works was busy the past week repairing a 6-inch water main at 500 Ross Street. The department is sorry for the inconvenience caused by having to shut off the water but this is the only way to repair a broken main. So at this time we thank the people, who were out of water, for their patience.

The department installed two new catch basins at the southeast and northeast corner of Joy and Fairground streets. Also, a sanitary sewer was replaced at 1325 W. Ann Arbor Trail. Twenty-four man hours were spent at the Salem Refuse Site. Work was done at the Goldsmith Water Control Station.

We received a couple of rusty water complaints the past week. This was caused from the Golden Anderson valve not working properly and therefore causing surges which rise up the water. Measures are being taken to correct this problem.

Parking meters uptown were straightened. Thirty-two man hours were spent cleaning up the Department of Public Works yard area.

Nine leaky meter complaints were handled by the water meter department. Also, 18 other meters were repaired in service, and meters were read.

Rotarians Told Story Of Turkey

Members of the Plymouth Rotary Club received an insight into customs and life in Turkey Friday in a talk by Ceust Kerpisci, a former captain in the Turkish Army who is now working on a Master's Degree at the University of Michigan.

Capt. Kerpisci told of his experiences as an Army officer and then described the differences between customs in Turkey and the United States.

His comments and story of a typical wedding in Turkey and the many events involved—it's an eight-hour deal—kept the Rotarians in stitches.

The program was arranged by the Rotary International Foundation committee headed by Dr. Elmore Carney.

Earl West is the new president, succeeding Robert Beyer in the formal installation ceremonies a week ago. Other officers for 1964 are: Ed Sawusch, vice president; Fred Beitner, treasurer; and John Herb, secretary.

To Women It May Concern

At least two attorneys in our area don't consider us remote from the teen-age violence reported in the metro papers daily.

Justice John Dillon and James Ryan of Redford Township are presently studying a plan to form a teen-age jury.

The thought is to have teenagers, six of them between 16 and 19, serving from local schools as a teen jury.

Both lawmen think the kids will be harder on themselves than the adults have been. What do you think?

I wonder what the sentence would be for a youth stabbing a young girl, another boy over a dime—

Or, in case you think it doesn't happen around the corner—what would they pass on the gang of four in our own local area that jumped an 18 year old at a basketball game at Redford High School last week which resulted in breaking the youth's jaw.

What would their verdict be on the very young hoodlums that broke into the local school in Livonia and ruined all of those musical instruments?

Then there is the incident that happened at Bryant Junior High in Livonia on Tuesday—when one boy "accidentally" stabbed another in a jostling.

School dropouts are still being blamed for a portion of the problem children. Schoolcraft College, in an attempt to do its part, will be offering a vocational program for high school dropouts hoping the more cosmopolitan air of a college campus will draw some of the youth.

Principals from all of the high schools in the Schoolcraft College (which does not include Redford Township) will serve on the Advisory Committee.

Despite the fact residents of Redford Township denied Schoolcraft College twice on the ballot because of the printed lies of a handful of "againsters," citizens of this area will still have to contribute financially to the College—even though they are not in the district, and have none of the privileges.

Schoolcraft College was one of the first to be granted a large sum of federal funds under the President's new plan to encourage the Community College idea—and to assist communities with enough foresight to establish such a media of education.

The federal funds channeled to the college are partially contributed by Redford Township citizens.

There are so many wonderful plans being formulated by Schoolcraft College to upgrade the youth of the community. I am sorry some who need it so desperately in Redford Township will be denied it.

MRS. GERALD LEON LEVIN

United In Marriage In Martha-Mary Chapel

Miss Lassie Marie Slusher became the bride of Gerald Leon Levin of Redford Township in a late afternoon ceremony at Martha-Mary Chapel, Greenfield Village, recently.

The bride is the daughter of Mr. and Mrs. Will H. Slusher, Clinton.

The groom is the son of Mrs. Harry F. Levin and the late Mr. Levin.

The new Mrs. Levin wore a floor-length white deep lustré satin gown, with a molded bodice featuring a jewel neckline and long sleeves, and a cathedral train.

Matron of Honor was Mrs. George Wilson of Clinton, the bride's sister. She, and Miss Fitzpatrick, Clinton; Mrs. Ken Robinson and Mrs. Michael Richardson, Ann Arbor; Miss Sharron Egan (groom's cousin); Franklin; and Miss Susan Levin (groom's sister), Detroit, bridesmaids, wore red floor-length dresses featuring bell skirts

made of mohair, and satin bodices, with red mohair pillbox headpieces.

The bride carried miniature red roses and chrysanthemums, with her wedding party carrying similar flowers.

Best man was Kenneth Balcock of Detroit, Richard Uhrick of Royal Oak; Benjamin Guiney and William Medalis of Detroit; and Richard Blackwell of Birmingham were ushers.

A dinner for 150 guests was held at Clinton Inn in Greenfield Village, following the ceremony.

The couple planned a honeymoon to Nassau and Harbor Island in the Bahamas.

Mr. Levin was a member of Sigma Tau Gamma at Eastern Michigan University where he received his BA degree. He is presently working on his doctorate degree in clinical psychology at the University of Michigan and is employed as a counselor in a residential treatment center for boys in Livonia.

Mrs. Levin received her Bachelor of Arts degree from Eastern January 26, with a secondary education teaching certificate. She is employed as a French and English teacher in the Detroit area.

Rosary Altar Society of St. Genevieve Parish is sponsoring a Telephone Card Party Feb. 11. For tickets and further information call chairman, Lil Thomas 422-1511 or co-chairman Elaine Schremke, 421-7297.

Consumers Plans \$2 Million Expansion For Area

More than \$2 million will be invested by Consumers Power Company in its West Wayne division, headquartered at Livonia, during 1964 on projects to expand and improve the company's natural gas service, James P. Thomas, Jr., division manager, has announced.

Thomas said principal projects include the installation of some 50 miles of new gas distribution mains and related equipment to meet the needs of an anticipated 3,900 new customers the division expects to add during the year.

In addition, parts of the system serving some 300 existing customers will also be either expanded or improved, assuring continued good service in older parts of the division area.

The West Wayne division includes the communities of Wayne, Plymouth, Northville, Farmington, Wixom and Livonia plus many other communities in Lyon, Novi, Bloomfield, Farmington, Nankin, Plymouth and Salem townships.

Projects listed by Thomas include the installation of a new gas regulator station at Main

and Sophia streets in Wayne, augmenting the gas supply facilities serving that city.

In Plymouth, a new regulator station will be

built near Ann Arbor Trail and Mill Street to help boost the supplies of natural gas available in that community.

In Livonia, a new reg-

ulator station will be built at Five Mile and Newburg roads to increase the available gas supplies in that area.

The principal pipe-

line project listed by Thomas is the extension of two miles of 10-inch steel main along Newburg road in Livonia to help carry more

gas for distribution in the area. The West Wayne division projects are part of Consumers Power Company's 1964 expansion

and improvement program, in which the company is investing \$68 million in the 65-county area of Michigan's Lower Peninsula where it pro-

vides electric or natural gas service, or both. He said the division projects will all be completed by the end of this year.

Plymouth Joins Drive For Clothing

Plymouth School Supt. Russell Isbister Monday issued an appeal to residents of the Plymouth community to participate in the 22nd annual Bundle Days used clothing collection of the Save the Child Federation.

With the need of clothing more acute than ever in depressed areas of the United States, the Federation has set the bundle days in Plymouth for Feb. 10 through Feb. 14.

Both summer and winter shoes and garments are needed along with coats, dresses, suits and underwear. The clothing need not be perfect but should be sturdy and in wearable condition. The schools in the Plymouth School district will serve as collection depots.

Isbister indicated the clothing received will be distributed to needy children and adults, in the Southern Mountain area where last winter's flood and economic conditions have made it impossible to satisfy even the most basic living needs.

In many cases, children are unable to attend schools for want of wearing apparel.

Save the Children Federation, with headquarters in Norwalk, Conn., was founded in 1932, and is registered with the United States State Department Advisory Committee on Voluntary Foreign Aid.

The Federation aids American Indian and Southern Appalachian children in this country and other youngsters in 17 foreign lands.

List Winners In Livonia Bridge Club

Winners in the Duplicate Bridge Club, sponsored by the Department of Parks and Recreation on Thursday, at Whitman Junior High School were:

North and South: Ed Moorhead—Jim Krebs; John Augustine — Mrs. Augustine; Cile Carter — Thelma Ruckhaber; and L. B. Barbee — Wally Temple.

East and West: Jerome Nosal — Al Lauzon; Al Barnes—Fred Hartt; Ruth and Bill Breaugh; and Jim Simpson—Bill Markwardt.

R-L Guild 10th Anniversary Has 'Come Blow Your Horn'

On Feb. 6, 7 and 8, the Theatre Guild of Livonia-Redford will bring to the Franklin High School stage, Neil Simon's sophisticated comedy "Come Blow Your Horn." The play which recently was seen as a movie starring Frank Sinatra, is the Guild's second production of the season, following closely on the heels of the successful musical "Destry Rides Again."

"Horn" will star Jim Coburn of 29821 Mason, Livonia, and Margaret Stephenson, 31840 W. Chicago, Livonia. Audiences will remember Coburn for his rubber-faced antics in "Destry" and last season's "Critics Choice." This is Margaret's first appearance with the Guild, and according to Director Edgar A. Guest III, the Guild has gained another talented leading lady.

PAUL WHEELER

MARGE STEPHENSON

JIM COBURN

Also seen in the cast will be Detroit Attorney Bill Barish in his puckish portrayal of the Father and Livonian Jeannette Burke of 17150 Starnich as the frustrated Mother. Betty Cowen plays the sexy Peggy, the girl upstairs who spends most of her time downstairs (in Coburn's apartment). Paul Wheeler, who recreates the role of Buddy, the younger brother, has an extensive theatrical background including radio and TV appearances and Summer Stock experience belying his youthful countenance. Delores Edmunds, in a surprise cameo role, rounds out the cast.

In commemoration of their 10th anniversary season, the theatre guild will host members of the Police and Fire Depts. and teachers of both communities at Thursday night's opening performance.

Producer Howard James and his crew club have been hard at work creating another of the professional-like sets for which the Theatre Guild has become famous. In all, it looks like another hit for the Guild, an organization the entire community can be proud to claim as our very own.

'Curtain Going Up'

By Wally Roberts

Locally, two theatrical events follow each other with a swish of the red velvet. "Come Blow Your Horn" opens at Franklin High School auditorium on Thursday of this week. "The Drunkard," the sturdiest of all American Melodramas, unveils its 15 scenes on the following Thursday in a gaily-decorated Plymouth High auditorium.

"Come Blow Your Horn" is the stage version of the recent Sinatra movie that played the Penn and Terrace. Paul Wheeler and Jim Coburn, both expert stimulators, have the laugh leads as two brothers engaged in sexy misadventures. Bill Barish is relishing in the choice of role of the Father who appears periodically to hurl epithets at his lazy son. Betty Cowen sinks on and off the stage of the siren from upstairs. "Blow Your Horn" is a modern laugh riot, modern laugh riot. The two years on Broadway proved its chuckle content to be long-lasting.

Howard James, "Horn" producer, warned old Wally that "Come Blow Your Horn" will play only one weekend. This change in policy for the Livonia-Redford group who normally run their production two weeks means you'd better make up your mind this is "the week that was" set aside for laugh-filled attendance at the Franklin High auditorium.

And the following week belongs to the Plymouth Theatre Guild. Several cast members from "Horn" will be in the audience of "The Drunkard." Ace Azar has been in many a Livonia-Redford Players production. Many of the L-R groups will be coming over to his "Ace" in his wild role as the unscrupulous, mean, designing lawyer.

ward Middleton who has been termed a wild, reckless collegian.

When you go to the "Drunkard", you will not sit in rows as at the normal production. The Plymouth High Auditorium will be turned into an 1840 music hall with its cozy tables and buckskin chairs. Waiters will serve beer and ale (slightly root-touched and gingerfied). You will be able to smoke (if you haven't already quit), sip your liquid refreshment, chomp on chips, or whatever takes your fancy from the pre-Civil War menu prepared by Elvera French and Joanna Mueller.

Barbershop quartets, the Bowery Nightingale (Louise Byrd) will warble, the Weavers will do a cakewalk, and the audience will sing along with Millie Meadowlark. Mitch Miller has been training Millie for this special engagement on February 13, 14, 15. It's obvious that the Plymouth Theater Guild intends to entertain the public royally with this authentic, nostalgic production of "The Drunkard."

"The Drunkard", a forceful, famous moral domestic melodrama, holds the top spot as the play most produced around the world. "Uncle Tom's Cabin" held position "one" up to a few years ago. With the wave of recent revivals this tempestuous temperance drama put all contenders out of contention. At last count "The Drunkard" had recorded over 23,145 performances in productions since 1844. During the 1940's even Detroit enjoyed a four-year run of the classic melodrama at the Players Club on Jefferson Avenue. The Plymouth Theater Guild is to be commended for including this classic in its 1963-64 season. Producer Mary Ann Nichols reports that ticket sales are brisk. Saturday night's performance is already almost sold out.

Downtown Detroit theaters only hope that business picks up in the next two weeks. Response to Vanguard's "Dream Play" has been disappointing.

'Hansel and Gretel' Feb. 22

Enchantment and magic of the fairy tale Hansel and Gretel will be presented to the small children of the Plymouth, Northville, Livonia area by Plymouth Branch of American Association of University Women (AAUW). The play will be staged presented Feb. 22 at the Plymouth High School auditorium.

This is the fourth annual children's play presented by the AAUW group. "Snow White and Rose Red" was the first play presented in 1961. "Rumpelstiltskin" followed in 1962 and last year "Beauty and the Beast" was presented.

"Hansel and Gretel" was written by Madge Miller and has a cast of nine characters.

Mrs. Charles H. Heiney, Jr. (Peg) is the director with Mrs. James McKeon assisting.

Nearly everyone in the AAUW group will be involved in producing "Hansel and Gretel." As usual there will be two morning and two afternoon performances.

"THE DRUNKARD" CAST members practice their musical numbers on location at Greenfield Village. John Augustine (William Dowton) plays the ancient organ as delicately as possible for his two feminine warblers (Eliska Cowan and daughter Kathy). Hero Edward Middleton is notably absent from this idyllic setting. It is quite possible that he is quaffing a flagon or two of the Demon Rum. "The Drunkard" opens a three-day run at the Plymouth High Auditorium on Thursday, Feb. 13.

The Reader Praises Voting Age Program

Editor:
I see in your column from Lansing you are progressing favorably with the legislation lowering the voting age. Keep plugging; I am sure it is worth the effort.

Your editorial of the previous week, as you say, was most risky. The subject: Women. I have been married to the same woman for 38 years, and while I don't understand them I know the capabilities of a good woman are boundless, and they certainly are nice to come home to.

Now, like every other interested taxpayer, I have been attending a lot of political rallies and I think I have made the rounds. It seems a lot of organizations report their findings so I thought I would report my individual opinion after all my listening and reading. In this report I am using the parlance of the race track because a lot of our money comes from this source. As we all know there are six candidates for Mayor. Two candidates I will have to list together, William A. Schneider and Daniel J. Shay. They have never been to the post so they have no past record on which to evaluate them. I would therefore, have to say at this time PASS, and wait for further experience, in other words, just in the race to split the field. The next candidate Jerry Scully. I term him the rich man's candidate; personally, I can't afford him. Has been to the post on a couple of occasions with little success. I think he is in over his head and does not belong in this fast company—PASS. Next, Sydney B. Bagnall, a veteran campaigner that seems to have run his race and has faded, affected with superiority complex and would not be a good bet in this race. Again I repeat—in over his head. Next we have Harvey W. Moelke the incumbent. A front runner, by a head, the last time out, and while you can't overlook victory I don't believe the staying power is here. This victory seemed to change his temperament, very capricious now and does not seem to be able to get along with his stabilizates which I am sure will end in total chaos. What seemed to be a good bet two years ago has now deteriorated beyond redemption. I

cannot on the strength of present or past performance commend in any way. Next, and I'm sure you have guessed by this time, (my favorite)—the other entry, William W. Bra-shear. A veteran campaigner of many races and the last time out lost by only a neck. Has a sound program as always, and what I think is an unquestionable background. He has been to the post enough to know by this time that you can never be too complacent. His defeat of two years ago has, I believe, sharpened his intellect, and made a front runner of him all the way. From my visits around the city I know a lot of people are laying it all on the line for him—trusting that background, experience and tolerance will pay off with an overwhelming victory in the coming races.

There you are folks—the entries, my evaluations and, I hope, the winner. So pay your money and take your choice and may the best candidate win.

Sincerely,
C. M. McIntyre

Editor:
Today I read a little political item in your paper that makes me wonder, and I wonder how many other voters caught it. I have been a precinct delegate and also a delegate to State Conventions and I know how politicians love to take care of their own. When I was a delegate to the State Convention from the 22nd Ward in Detroit I watched a small group give a man named Paul Chandler a back room shuffle when he tried to be nominated to run for U. of Michigan Regent and then dump him after they had convinced him to try for Wayne State Board. They never gave him a chance although I, along with a number of other delegates, thought he had some good ideas.

Now, I see another group in Livonia is pulling its little gang together. Front page today states "24 election workers bounced." One of the new election workers appointed was a wife of a council candidate. "Mayor Moelke calls special meetings to remove council candidate's wife from the list." He stated if he had known, she

never would have been appointed.

Now turn to page 12 of the Livonian Observer and guess who is sharing an office (election quarters) with the honorable mayor. That's right!!! The council candidate whose wife he appointed as an election worker.

This is politics.
A Livonia Voter.

Editor:
Well, I see where the would-be dictator in the City Hall is still fighting.

His latest sure was a Lulu and it took a fellow election official to put it over. I suspect he is a "buddy" of his.

This makes the count two strikes, one ball now. Two backfired—the police and city clerk mail episode. And this one he got over.

I firmly believe the city clerk is doing a great job in the staffing of election booths. If he paid more attention to his own work and saying, writing, and less to someone else he might be doing some good for the city where it should be done.

The third strike will be put over on him when we vote, I hope.

E.W.H.

Editor:
Writing as a Livonia teenager, I am thoroughly disgusted with the attitude most of the merchants in this city share for teenagers. Though our behavior and conduct may be better than that of many adults, we are subjected to service not suitable for dogs. Picking up a super-market circular, the ugly words, "No specials sold to dealers or minors", meet my eyes. May I ask the owners what is the matter with minors? Is the money we offer any less than that offered by an adult?

In many department stores I have watched salespeople arrange merchandise, and use every possible contrivance to avoid or delay waiting on teenagers. A request for service generally brings a dirty look, and a lecture on "impatient" teenagers. Can you blame us for being impatient?

Restaurants seem to have a bad habit of charging higher prices to keep out the "undesirable" teenagers. If these

businessmen would use some common sense, they would realize that the teenagers are possibly one of the largest single buying forces in this country, and use every possible snare to get them into the store, rather than out. I wonder how long adults would tolerate this kind of service. I'm afraid it wouldn't be as long as we already have.

Sincerely,
Donald Johnson.

Editor:
To the people of Livonia, a statement of principles and policies of "The Unknown Candidate":

The decision to run for the position of Mayor of Livonia was taken after close to a year of serious personal thought and many conversations with individuals at various P.T.A., Scout, and other civic meetings,

where those people expressed the desire to see someone whom they felt was not bound to either the old or the new in Livonia, but rather, would work for the best interests of all.

I am not—and intentionally so—sponsored by or obligated to any group or individual, and I intend to remain in this position.

I believe that the Mayor's office should be a full-time job, and that all decisions should be made with first consideration to the city of Livonia and not to a small-interest group or person—even if that person is the Mayor, himself. I plan, if elected, to resign my present full-time position as treasurer of an east-side corporation, which has no interest in Livonia, and devote my complete interest to the office of Mayor.

My primary concern is with the welfare and development of the young adults of our city, since they will soon be the leaders and policy-makers of tomorrow. Our senior citizens, with their wealth of information and experience, as well as the vitally needed time and, I believe, interest, can assist our youth in self-supporting social facilities and functions.

Cooperation of all city elected officials is mandatory, if Livonia is to grow and progress. I will strive to make this ideal a reality. The news of Livonia should be made worthy of recognition on the front pages of every paper, instead of merely filler in large metropolitan papers.

"Government is big business." As a business manager I hope to bring to the Livonia City Hall a new concept of business management. However, the new

builds on the old. Qualified, responsible, and experienced personnel should, rightfully, remain in their positions, regardless of the change in top management. Their first duty is to Livonia, and not to its elected officials.

What about taxes? I believe that a dollar's value for every dollar spent should provide, with our present tax structure, ample monies to support our needs in Livonia. Tax relief to true hardship cases and to our senior citizens will be a goal of my administration.

Yours truly,
William A. Schneider

The nation's public schools will have a total bill of more than 21 billion dollars this year . . . an increase of nearly one and one-half billions over the costs in 1962-63.

Pair Files Libel Suits For Million

Libel suits seeking a total of \$1 million have been filed in Circuit Court by the two Livonia policemen who answered the \$153,000 robbery call to a branch of the Bank of Livonia in January 1963.

The suits, brought by Patrolman Archie Hewett and former Patrolman Charles Nix, seek \$500,000 each.

Named defendants in the Nix suit are Police Chief James Jordan; Capt. Michael Vorgitch and Public Safety Director Addison Bacon; Official Detective Stories, a Philadelphia monthly; and Peter Oberholzer, a writer for the magazine.

Hewett names only the magazine and Oberholzer.

Fault-finding is one of the world's most unskilled trades.

Youth Inc. Seeks Funds For 3 Summer Centers

With a plan to expand the program for Teen Age Summer Recreation Centers, the adult volunteer group known as Livonia Youth, Inc. will ask the community soon for money donations for 1964, President Edward Schroeder said today.

Schroeder said that a single recreation center at Franklin High in 1963 accommodated 3,000 teen-agers. Professional supervision was present to oversee a wide range of activities in the building.

"Because of the popularity

and value of this rec center program, we want to expand from one center to three centers this year," Schroeder said.

L.Y.I. also sponsored a number of week-end dances, sock hops, and hayrides. It was supported last year by more than 830 adults and teen-agers, backed by many organizations.

Donations and memberships provided \$6,100 last year, of which \$5,600 was spent on activities. Schroeder estimates that the 1964 program will re-

quire \$6,000.

"We feel that LYI has proven the interest of citizens in this program. We intend to increase citizen participation, but a sizeable contribution from the business community not only will assist financially but will provide the psychological incentive to double its own efforts in augmenting wholesome leisure interest which will build character in our youth and businesses' future employees."

Bentley Remains in 2nd as RU Slips

The road ahead remains a rough one for Bentley High School's basketball team in its bid to champion the Suburban Six League champs.

With four weeks left, Bentley still must play "catch-up" as the Livonians with a 4-2 conference record trail front-running Allen Park, which stands 5-1.

And to complicate matters, Bentley has no "soft" touches

left on its league schedule. This Friday the Livonians go to Trenton. Then it's home against Redford Union before missions to Allen Park and Plymouth wrap up the league activities.

"The odds would appear against us," says Coach George Fettes. "But you never know. Our kids have proved themselves very effective in the clutch and

what's more we hope to have Bill Bollin back before too long." Bollin is the big man of the Bentley attack—stands 6-7—and has been sidelined with a fractured foot.

Bentley stayed a game behind Allen Park last Friday by winning at Allen Park, 63-44. The contest was fairly close for one half, Bentley reaching the intermission with a 28-24 edge.

Then in the third quarter, the Bentley machine went to work and outscored Belleville, 22-7. That was the ball game.

Fred Matevia tossed in seven baskets and one free throw for 15 points to top Bentley. Larry Reamer was next with 11. Mike O'Hara collected 10, Bob Morgan eight, Scott McIntyre six and Jim Storm and Harvey Jakisch two each.

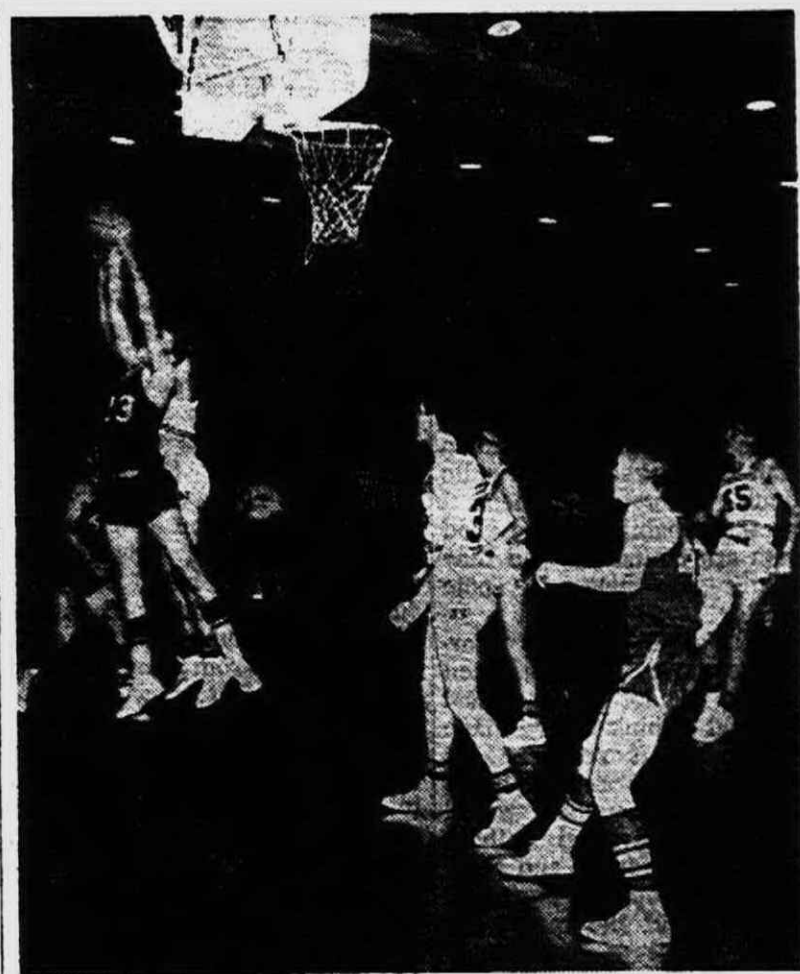

With Bob Swift scoring 13 points, the Bentley reserves also romped, winning 59-37.

Earlier in the week, both the Bentley varsity and reserve teams had turned back neighboring Franklin. The varsity won, 64-43, as Reamer scored 16, O'Hara 14 and Storm 10. Larry Duffield

stood out in a losing cause with 21 points on eight baskets and five free throws.

In the reserve clash, Bentley scored a 56-49 verdict as Scott meshed 22 points and Nick Bonder collected 16. Cal Luttinen had 13 and Fred Kesteva 12 for the Franklin reserves.

Franklin entertains North Farmington this Friday night.

BATTLING for rebound in a losing cause is Redford Union's Tom DeWitt (23) who fights Allen Park's Doug Horuzci for the ball as it bounces off the backboard. Others in the action at Allen Park, when RU took a 74-62 lacing, are: John Long (33), and Mike Sinkey (45), of Allen Park; and Redford's Robbie Masson (43).

Plymouth Swimmers Lose First Time This Season

The mighty finally have fallen.

After winning seven straight meets without a loss, Plymouth High's swimming team ran into a weightier force last Thursday and wound up losing to Trenton, 57-48.

Besides ending the Rocks' winning streak, the setback knocked from Plymouth out of undisputed possession of first place in the Suburban Six League.

The Rocks now share the top slot with Trenton. Each has a 4-1 conference.

If neither falls in the meantime, the championship will hinge on the outcome of the league meet in March.

The Rocks scored only four victories against Trenton. Jim Beglinger took the individual medal, Dick Barry the 100-yard dash and Bert Quinn the diving. The fourth Plymouth triumph was fashioned in the free style relay.

Here's how the scoring went for the Plymouth team, which this Thursday evening hosts Redford Union.

Medley relay: 2—Plymouth (Dan Olsen, Dave Agnew, Rick Malboeuf, Tom Mattson).
200-yard free: 2—Jim Norman, 3—Jim Blunk.
50-yard free: 2—Dick Barry, 3—Jeff Burke.
Individual Medley: 1—Jim Beglinger, 2—Jeff Hoffman. Time: 2:18.

Diving: 1—Bert Quinn, 3—John Herter.
Butterfly: 3—Malboeuf, 100-yard free: 1—Dick Barry, 3—Burke. Time: 32.5 seconds.
Backstroke: 2—George Collins, 400-yard free: 2—Beglinger.
Breaststroke: 1—Agnew.
Freestyle relay: 1—Plymouth (Norman Blunk, Mattison, Mike Norman). Time: 2:37.
Bentley Squares Record
Bentley high school's swimming team squared its season's record at 4-4 by submerging Belleville, 64-41, last Thursday night.

Larry Teehan and Pete Rogisart paced Bentley, each winning two events. Teehan triumphed in the 100 and 200-yard free style sprints while Rogisart was first home in the individual medley and the 100-yard butterfly.

John Thompson and Ken Payton topped the back stroke and breast stroke, respectively, and also swam on the Bentley medley relay team, which placed second.

Bentley faces Trenton at 4 p.m. Thursday in the Bentley pool. Bentley place-finishers against Belleville:
Medley relay: 2—Bentley (John Thompson, Ken Payton, Paul Evans, Jim Sneath). Time: 2:02.8.
50-yard free: 2—Charles Reisdorf, 1—Pete Rogisart, 2—Bob Craver. Time: 2:22.4.
Diving: 1—Rogisart.
Butterfly: 1—Rogisart. Time: 60.8 seconds.
100-yard free: 1—Teehan, 3—Larry Sladek. Time: 54.3 seconds.
Backstroke: 1—Thompson. Time: 1:05.9.
400-yard free: 1—Zabell, 3—Craver. Time: 4:38.9.
Breaststroke: 1—Payton, 3—Neil Reimer. Time: 1:11.8.
Freestyle relay: 1—Bentley (Sladek, Sneath, Jerry Young, Reisdorf). Time: 1:42.8.

RU Wins
Allen Park's swimming team engineered a 61-44 victory over Redford Union in the RU pool last Thursday.

RU jumped off to a strong start by winning the medley relay. However, the Township's could muster only three other wins—Mike Caplia in the diving, Steve Farris in the 400-yard free and Bob Truesdell in the breast stroke.

Truesdell also swam on the winning medley relay along with Dan Harbison, Tom Rice and Farris.

The RU scoring:
Medley relay: —RU (Dan Harbison, ...)

Titans Prepare For Duel With Irish

When the University of Notre Dame 114-104 at South Bend last month it was the first time a Detroit team managed the feat on the Irish home court.

Saturday, the boys from South Bend will visit the Motor City with revenge in their hearts. Game time is 8:30 p.m.

The traditional rivalry between the two schools sets the stage for another hard fought, high-scoring contest. The Titans still rank as the No. 1 team in the nation on offense with a 97 point average per game.

Wins Varsity Award
TROY, N.Y.—Robert Hart, son of Mr. and Mrs. Robert Hart, 27860 Terrence Drive, Livonia, was awarded his first varsity football letter by Rensselaer Polytechnic Institute. The 18-year-old sophomore plays halfback for the Engineers.

CALENDAR OF EVENTS	
WEDNESDAY, FEB. 4	
4 p.m.—Junior Bowling, Cloverlanes.	7 p.m.—Table Tennis Club, Riley Junior High.
8 p.m.—Livonia Women's Chorus, Clarenceville High School.

8:30 p.m.—Tuck-Batchelor Square Dance Club, Advanced, Harrison.	10 p.m.—Baton, Bryant Junior High.
9:30 a.m.—Ski Club, Emerson Junior High.	
MONDAY, FEB. 9	
4 p.m.—Junior Bowling, Livonia Lanes and Wonderland Lanes.	7 p.m.—Table Tennis Club, Riley Junior High.
8 p.m.—Livonia Women's Chorus, Clarenceville High School.	

Rocks Subdue Trenton

Let no one say there's no such item as "defense" in modern basketball.

Coach Charles Ketterer's Plymouth high school team showed some nifty technique when it came to holding down the opposition in scoring a 63-53 triumph over Trenton in a Suburban Six League game in the Rocks' gym Friday night.

The victory lifted Plymouth's loop record to 3-3 . . . the same as Trenton's.

In the first quarter, Plymouth pulled ahead, 12-8 by checking Trenton with only three baskets. Doug Sutherland tossed in four points and Cal Luibrand three to pace the Rocks in the period.

Trenton tightened matters in the second quarter, by outscoring the Rocks, 17-5. That made it 27-25 for Plymouth by intermission time.

Ketterer was charged with a few words for his charges during the break about how their defensive work had sounded.

So when the whistle sounded for the third quarter, the Rocks again stressed defense. This time they held Trenton to just two baskets and three charities for seven points.

Meanwhile, Plymouth notched 13 points of its own to take an eight-point advantage.

Dick Egloff made certain that Trenton never got too close to the Rocks in the final period. Egloff shot in three baskets and five free throws during the stint to finish the game with 19 points and individual game honors.

Luibrand was next for the winners with four baskets and two free throws for ten points. Both Jerry Kisabeth and Gary Grady scored eight, Sutherland seven and Dave Hollingworth five. Dave Tidwell, Roy Chappell and John Daniel closed with two points each.

A poor first half proved costly to the Plymouth reserves. They were outscored by 13 points in the first two periods and it made no difference that the Rocks had a one-point edge for the final two quarters.

The score at the end read: Trenton 64, Plymouth 51.

Bob McCall had 12 points for the losers.

This Friday night finds the Rocks invading Redford Union.

Point Mark Falls

It mattered not that Ben Malbach set a one-game scoring record of 32 points for Redford Union High School last Friday night.

Maibach's brilliant effort eclipsed the former school standard of 31 points set a year ago by Len Plia.

But Malbach would just as soon settled for 15 points or even none if RU could have won from Allen Park on the Parkers' court.

No such good fortune was to come to the RU team. Allen Park finished with a 74-62 command, thereby remaining on top of the Suburban Six League with a 5-1 record.

The defeat jarred RU's hopes to share in the title glory. A victory would have shot the Township into a tie for first with Allen Park and Bentley.

But as matters presently stand, RU has a 3-3 record and it will take a miracle to land Coach Milo Karhu's team in the top position four weeks hence when the league race ends.

Fouls hurt RU badly at Allen Park. The victors received 36 chances to fire from the charity line and made good on 24. Meanwhile, RU made only 10 of 22 from the foul marker.

Even more costly to RU was the fact that star rebounder, Tom DeWitt, picked up three personal in the first four minutes of play and didn't do much thereafter. Gary DeRoche, who also helps on getting the ball off the boards, also was sidelined early with fouls.

RU never led in the game. The Townshipers fell behind by ten and eleven points, but did manage to pull even in the second quarter. Then the Parkers spurred again and stayed comfortably in front until the final buzzer.

In his record effort Maibach meshed 15 from the floor, plus two free throws. DeWitt added 13 points and Clyde Ziegler eight in the losing cause.

Doug Horuzci, a 6-3 center, fired in eight baskets and 12 free throws to lead Allen Park with 28 points. Guard John Feist had seven hoops and six charities for 20 points.

The RU reserves also were beaten. The score was 68-55. Doug Mach had 15 for the losers.

RU returns home this Friday to meet Plymouth. Then on Saturday goes to Thurston.

OBSERVER SPORTS

By George Maskin

So the Detroit Public Schools have revived their spring sports schedule!

Those residing in the area serviced by this newspaper probably register a "ho-hum" and "who cares."

But the mere realization that the Detroit Board of Education did have to curtail its program—they are operating minus swimming this winter—and had taken steps to drop baseball, track, tennis and golf in the spring—should cause folks hereabouts to realize just how fortunate they are.

The "they" being the kids who attend schools in Livonia, Plymouth and Redford Township.

These area schools have carried on super athletic programs for many a year. What's more they haven't restricted their activities simply to the high school level, as is the case in Detroit, even with the restoration of spring sports.

The Detroit junior highs have no varsity competition. Most athletes, attending the public schools in Detroit, don't get a chance to try out for a team before they reach the tenth grade. In many instances they must wait until they enter the eleventh grade.

What a far cry from the situation locally where a boy can represent his school as early as the seventh and eighth grade!

The credit for running such smooth athletic programs naturally must go to a lot of folks. You can start with the parents who foot the tax bills . . . and then the superintendents and the other school officials like the principals who consider sports such an important part of the overall instructional program.

To be able to say "nice things" about kids sports in Livonia, Redford Township and Plymouth delights this typewriter puncher no end.

What's with all the rumors around Franklin high school that Jack Hudnut may toss in the sponge and quit as football coach, athletic head and teacher to try his fortunes at selling insurance?

Hudnut isn't saying much.

His colleagues in the Franklin athletic department doubt that Hudnut will leave . . . claiming he "loves coaching too much."

We're just wondering if, perhaps, Hudnut still is slightly miffed at some of the unkindly remarks fired in his direction last fall before the Franklin gridders started to roll in high gear.

Oh, yes . . . who's to become the football coach at Thurston high school?

The job still is open.

State tournament time is swooping in. Just four more weeks. We hate to say it, but there doesn't appear to be a team in these parts which might make it all the way to the land of gray—up at East Lansing.

It's quite a basketball team Dave Strack has put together at the University of Michigan. They're a delight to behold . . . even when one must settle for a look via television instead of in person.

Free Throws Bring Clarenceville Win

It pays to practice free throws. They usually have a way of proving very important whenever a team wins or loses.

Success from the charity stripe paid off in the form of an upset victory for Clarenceville over Holly by a 53-42 score last Friday night in a Wayne-Oakland League game at Clarenceville.

In posting their fourth loop win in nine starts, Clarenceville canned 25 free throws while being outscored from the field, 10-14.

Sixteen of the charities were dropped home in the final quarter, which has to be some kind of a record for a high school team in the state of Michigan.

In the closing chapter, Clarenceville made only one basket as Holly whittled away at the Trojans with three minutes left moved within one point (43-42) of a tie.

Then Gary Gearhart was fouled and tossed in two points for Clarenceville. During the rest of the period, Dave Graves got seven chances from the foul marker . . . and he made all seven.

Graves again drew the praises of Coach Jim Leary for his stellar play. Besides his 28 points, the six-foot Graves picked off 20 rebounds. He appears a cinch to be considered for all-star honors this season.

The Clarenceville reserves lost, 62-36, as Ray Parker scored 12 points for the losers.

Non-Partisan Club Hosts Candidates, Mid-Winter Frolic

Livonia's Non-Partisan Club will hold their annual Mid-Winter Frolic to welcome ALL candidates running for Feb. 17 primaries.

Invitations to go out to each candidate to attend, with their friends, and enjoy dancing and refreshments.

The affair will be held Friday, Feb. 14, beginning at 9 p.m. at the Local 82 Hall at 35603 Plymouth Road.

President Walter Mahalak promises this eighth annual frolic to be the best. Donation will be \$2.50 per person. Tickets may be reserved by calling Jack Hickox, GA 1-5660 or Sally Drost, GA 2-0208.

Thurston Sprints To 5th Triumph

There's real explosiveness in the Thurston High School basketball team which explains why the Townshipers hold down first place in the Northwest Suburban League with a 5-0 record.

Take last Friday night's game at Birmingham Groves.

For six minutes, Thurston couldn't score a point. By that time Groves had built up an 8-0 lead.

Coach Mike Pasternak decided something had to be done. He called a timeout and directed that his force switch from a two-man high-post offense to a single high post.

The strategy paid big dividends. In what remained of the first quarter, Thurston scored 12 points. In the second period, Thurston outdied Groves, 27-14. The rest was easy for Thurston with the final score showing 78-57 in favor of the gang from the Township's southside.

Paul Lawson knocked in 10 points and Jerry Samuelian and Bob Venegoni eight apiece during the second-period uprising staged by Thurston.

Samuelian closed the evening as high scorer with 22 points. Lawson was close behind with 19 while Venegoni had 17 and John Page tossed in 12.

Rick Stefani, Lou Banwert and Tom Ekland each netted two points with Al Bush and Dave Taylor showing one each in the final scoring.

Forgetting the first six minutes, Thurston scored at a three-point clip the rest of the way to remain one of the powers in the Detroit suburbs.

Comes this Saturday, the Townshipers will bump into one of their major tests as host of their Redford Union in which has the earmarks of a thriller.

The Thurston reserves succumbed to Groves, 52-42, despite a 22-point performance by Bob Elsner who continues to show that he'll be a valued addition to the varsity in another season.

HAMMOND-AIRES PRESENT DUEL

Thelma McConnell, Minock Avenue, Redford Township, Secretary of the Hammond-Aires announced Miss Audrey Benner and Mr. George Kalman will present a program for the meeting of the Hammond-Aires Organ Society to be held in Grinnell Auditorium.

Area Obituaries

Mrs. Laura Bell Tegge
Services for Mrs. Laura Bell Tegge, 78, of 8236 Canton Center Road, Canton Township, were conducted Tuesday in the Schrader Funeral Home in charge of Rev. Herbert Hudnut with burial in Plymouth's Riverside Cemetery.

Mrs. Tegge died Sunday in Crittenton General Hospital. She was born Jan. 29, 1886 in West Lorne, Ontario, a daughter of John and Mary Mahaley Van Loon Spencer. She had resided in the community since 1918.

Surviving are: two daughters, Mrs. Lila Fields and Mrs. Thelma Smith of Plymouth; a sister, Mrs. Florence Sauer, Detroit; three grandchildren and four great-grandchildren.

Mrs. Bertha Joy
Services for Mrs. Bertha Joy, 83, 38620 Plymouth Road, Livonia, were conducted Monday in the Schrader Funeral Home in charge of Rev. Paul Greer with burial in Newburg Cemetery.

Mrs. Joy died Friday in Ridgewood Hospital. She was born March 11, 1880 in Owosso, a daughter of Mr. and Mrs. Waterberry Ostrander. Mrs. Joy had resided in the community since 1900 and was a member of the Newburg Methodist Church and the Farm Bureau.

Surviving are a daughter, Mrs. Fred Geng of Plymouth, and a granddaughter.

Edmon Morgan
Services for Edmon Morgan, 65, 9031 S. Main, Plymouth, were conducted Saturday in the Schrader Funeral Home in charge of Rev. Donald Williams with burial in Parkview Memorial Cemetery.

Mr. Morgan died Thursday in St. Joseph Mercy Hospital in Ann Arbor. He was born Feb. 9, 1898 in Greencastle, Ky., a son of Alex and Saluda Maxey Morgan.

Mr. Morgan was a retired maintenance worker at the Fisher Body plant. He was a member of Eliza Upton, F&AM Lodge 828 of Richardsville, Ky.

Surviving are his wife, Mrs. Ruby Morgan; a son, Maletus of Detroit; a daughter, Mrs. Jacyl Leonard, Wayne; a brother, I. S. Morgan, Detroit; a sister, Mrs. Walter Whalen, Richardsville, Ky.; and seven grandchildren.

Mrs. Aurore G. Smith
Services for Mrs. Aurore G. Smith, 80, of Bellow Falls, Vt., were conducted there Friday with burial in St. Charles Cemetery in Bellow Falls.

Mrs. Smith died Jan. 28 in St. Joseph Mercy Hospital in Ann Arbor after being stricken while visiting a daughter, Mrs. Leona Bonnette in Plymouth. She was born Dec. 14, 1883 in Vermont, a daughter of Joseph and Virginia Clement Grignon.

Surviving are three daughters, Mrs. Bonnette in Plymouth; Mrs. Madeline Ayres, Boston, Mass.; and Mrs. Florence Foster, Manchester, N.H.; a brother, Amedee Grignon, Staten Island, N.Y.; seven grandchildren and 12 great grandchildren.

Mrs. Jane Lee Carwile
Services were conducted on Jan. 22 in Lynchburg, Va. for Mrs. Jane Lee Carwile, 80, mother of Mrs. John Faries, 18639 Shadyside, and grandmother of Mrs. Marvin Hopper, 18596 Shadyside, Livonia.

Mrs. Carwile died Jan. 20 in Lynchburg. Surviving, in addition to Mrs. Faries, are a son, six daughters, 12 grandchildren and 14 great grandchildren.

John S. Dickie
Funeral services were held today (Wednesday), Feb. 5 at 1 p.m. for John S. Dickie, 14102 Centralia, Redford Township. Rev. John O. Hart of Redeemer Episcopal Church officiated at the services from Neely Funeral Home in Detroit. Interment was Grandlawn Cemetery.

Mr. Dickie passed away Feb. 1 following an illness of several months. He was born March 26, 1920 in Detroit. Surviving is his wife Pat Dickey, son William, parents, Mr. and Mrs. Harry Dickie and brothers Donald and James.

He has lived in Redford Township for 12 years and was employed by Burroughs Corporation in the Central Inspection Department.

Richard Thomas
Services for Richard Thomas, 40, 18609 Lathers, Livonia, were conducted Saturday in the Caldwell Funeral Home and the Apostolic United Pentecostal Church in charge of Rev. Paul Leaman. Burial was in Grand Lawn Cemetery.

Mr. Thomas died Thursday in Wayne County General Hospital following a short illness. He was born June 8, 1924 in Harwood, W. Va., and was employed as a gas station attendant.

Surviving are: his wife, Mrs. Mary Lou Thomas; mother, Mrs. Johannah Morrison; three daughters, Rebecca, Joyce and Belinda; one son, David; six sisters, Mrs. Priscilla Gainer, Nankin Twp.; Mrs. Hallie Glover, Royal Oak; Mrs. Rose

Gardner, Dearborn Heights; Mrs. Barbara Veliet, Benton Harbor; Mrs. Ardith Helka, Garden City; and Mrs. Norma Crawford, Lincoln Park; and two brothers, Wilber and Charles Davis, of Dearborn Heights.

Clayton Mayle
Services for Clayton Mayle, 56, 9941 Cavell, Livonia, were conducted Thursday in charge of Rev. M. Clement Parr with burial in Holy Sepulchre Cemetery.

Mr. Mayle died suddenly Jan. 28 of a heart attack. He was born March 27, 1907 in West Virginia and was a self-employed trucker.

Surviving are his wife, Mrs. Helen Mayle, and three children, William, Robert and Carole.

Raymond Wrobel
Services for Raymond Wrobel, 37, 26721 Davison, Redford Township, were conducted Jan. 29 in Aldersgate Methodist Church in charge of Rev. G. Russell Nachtrieb. Burial was in National Memorial Gardens.

Mr. Wrobel died Jan. 25 in University Hospital in Ann Arbor of a heart attack following an illness of three weeks. He was born March 1, 1926 in Detroit, a son of Joseph and Anna Utraovic. He was a mechanical engineer for the U.S. Government and was a member of Aldersgate Methodist Church.

Surviving are: his wife, Mrs. Betty Wrobel; his parents, Mr. and Mrs. Joseph Wrobel; three sons, Gregory, Donald and Gary; one daughter, Denise; and a brother, Richard.

Mrs. Pearl Appleby
Services for Mrs. Pearl Appleby, 79, mother of Paul Appleby, 10032 San Jose, Redford, were conducted Jan. 28 in charge of Rev. Edward Coley with burial in Oakview Cemetery.

Mrs. Appleby died Jan. 26 following a lengthy illness. She was born Sept. 27, 1884 in Iowa.

Surviving are: three sons, Paul, Lyle and Robert Appleby; a daughter, Mrs. Isabelle Nelson; and 10 grandchildren.

Louis Haeffner
Services for Louis C. Haeffner, 73, father of Louis Haeffner, 31736 Hees, Livonia, were conducted Jan. 29 in charge of Rev. Kenneth Larkiner. The body was shipped to Lewiston, Pa., for burial there on Jan. 31.

Mr. Haeffner died Jan. 26 in the Luther Haven Home following an illness of six years.

Surviving are his wife, Mrs. Nancy Haeffner; and one son, Louis.

Mason PTA Hosts School Officials
A special meeting of the Stevens T. Mason PTA was held Jan. 20 for the purpose of informing all interested persons about the forthcoming special millage election in the South Redford School District. President Jean Stiles introduced Mr. Joseph Rzepka, Assistant Superintendent of Schools, and Mr. Harry Haaxma, Trustee on the School Board.

Mr. Rzepka, assisted by Mr. Haaxma, explained the need for an approval of the proposition on Saturday, Feb. 29, in order to maintain the current school program in the district.

PATRICK J. McNALLY

Pat McNally, GOP Leader, Dies at 61

Funeral services were held this morning for a widely-known Republican leader and public servant in the 17th Congressional District.

Patrick McNally, 61, member of the Wayne County Board of Health and Republican candidate for State Senator from this district in 1962, died Sunday in Ford Hospital after a long illness.

McNally lived at 14353 Greenfield, Detroit, and had previously served as president of the Detroit Board of Health.

A supervisor for Michigan Bell Telephone Co., he also had served as a Wayne County supervisor and as member of the City Planning Commission.

McNally was a teacher in Ireland before coming to Detroit in 1921 as a past president of the Northwest Republican Federation.

McNally was a director of the Northwest Civic Federation, was treasurer of the United Irish Societies and Gaelic League and was a member of the American Legion and National Advisory Committee on Chronic Diseases and Health of the Aged.

Surviving are Norma, his wife; Mrs. Donald Brown, and Mrs. Robert F. Keller, his daughters; and two grandchildren.

Funeral services were held at 9 a.m. in St. Mary's of Redford Church. Burial was in Holy Sepulchre Cemetery.

'Keep Working'—Redford Union Committee Warned

Russell Hilbert, Superintendent of Redford Union Schools, stated at the steering committee's meeting Jan. 29, that one year ago the North end district was almost 100% against the millage proposal slated to face voters March 2. Now, according to Hilbert, the "tide is turning" and voter approval appears favorable.

Someone tossed in a storm warning, however, and reminded the committee that Utica recently lost its bond issue by 512 votes and its millage proposal by 194 votes. Such a narrow margin indicated to members that there can be no "laying down on the job."

According to secretary Mary Cassidy, Township Clerk Dawn Rice reported that at voter registration this past week, 11 out of 14 registrants were from the North End.

Liv. Teachers Join Conference On Leadership

LANSING — The whys and hows of professional negotiations for teachers was the theme of the Michigan Education Association's Mid-Year Leaders' Conference, Jan. 31-Feb. 1, at the MEA Camp, Battle Creek.

Six Livonia Educators' Association leaders attended the two-day workshop which opened with registration Friday, Jan. 31. The conference's first general session featured a discussion of "Why Professional Negotiations" by Martha Ware, assistant director of the National Education Association's research division.

Saturday's general session included a panel discussion of the "Strengths and Objectives of the United Profession."

Daniel H. Kruger, assistant director of the department of labor and industrial relations, Michigan State University, addressed the conference's third general session on Saturday. Kruger's topic was "Implementing the Program of Professional Negotiations."

Representatives attending from Livonia were: Richard Kremkow, President (Franklin); Arthur Anderson, Vice-President (Franklin); Lynn Gilmore, Executive Secretary; William Stafford (Hull); Marvin Liberson (Division of Instruction); and Roger Stephon (Garfield).

McNally was a teacher in Ireland before coming to Detroit in 1921 as a past president of the Northwest Republican Federation.

Order Posts Erected at Woodbine - Five Mile

Rows of posts will be erected along Woodbine from Five Mile south toward Graham as part of a two-point solution to the parking problem at the intersection, the Redford Township Board stated Monday.

With still further action anticipated, the Board voted to toss the two-year-old controversy into the joint laps of the State Highway Department and the Wayne County Road Commission for a "final, permanent solution" to the problem which has alienated residents and businessmen in the area.

Residents have complained that the practice of using parking lot attendants for the nearby Kenwood Restaurant in unloading cars of customers on Woodbine has prevented them from using the street.

In Monday's action, the residents won a partial victory, because the post, provided for in a motion by Trustee Eugene Duston and Clerk Dawn Rice, will separate the 30-foot roadway from the Kenwood's parking lot.

But a permanent solution, awaited by some 25 residents of the area Monday night at the Board session, will have to come from the two highway boards, meeting in joint session with a Township Board representative.

Board members also took

unanimous action in calling upon the police department to "strongly enforce present traffic regulations" in the area.

In other Township Board action:

• Re-zoning of a lot on Five Mile east of Aubrey from RIF to RIT (for parking) was given approval, as was a zoning change from C-1 to C-2 on the south side of Plymouth Rd. between Fordson and Berwyn.

• An R-3 restricted multiple-dwelling district for zoning as part of the zoning ordinance was introduced by Trustee

George Lloyd for the Planning Commission.

• A ruling from Township Attorney Randall Kohler, stipulating that all decisions of the Planning Commission must come before the Township Board for approval, was received.

• Transfer of an SDM license to Dot and Bill's Party Store, 23521 Plymouth Rd., and to Tele-Craft Party Store, 13610 Telegraph, was approved.

• Resignation of Al Doherty from the Industrial Development Commission was received.

Idea House Features 'Colovincial' Decor

Do you know what the word "Colovincial" means in interior decorating? It's a new word—a marriage of two distinct periods of decor, Colonial and Provincial periods.

Bruce and Bev McAllister of McAllister's House of Decorating in Northville have created this new flair in decorating and their first completely furnished home using this idea will be opened this week-end. The two-story Colonial model is located on Clare Blvd. in Park Lane Estates just off Sheldon Road in Plymouth.

Both the McAllisters are former Plymouth area residents. Mrs. McAllister is the former Beverly Bovee of Plymouth. They have made quite a name for themselves in the interior decorating field and were also chosen to decorate a model in the Shad Brook development in Northville.

Some people carve out life's destinies while others whittle and chisel their way through.

25 Years of Wedded Bliss For Rowlands

Mr. and Mrs. Walter Rowland of 11034 Oxbow, Livonia will celebrate their 25th wedding anniversary Feb. 4. There will be a party given for them Feb. 1, at their home with 40 guests attending.

Mr. and Mrs. Rowland have been residents of Livonia for 11 years. When the Rowlands moved into their residence on Oxbow, there were no large stores near and most of the areas around their home were open fields. Mr. Rowland works at the Ford Transmission Plant in Livonia. Mrs. Rowland is secretary of LARC, an organization formed by the parents of the Mentally Retarded Children of Livonia.

The weekend of Feb. 7, 8 and 9, Mr. and Mrs. Rowland are planning to take a motor trip to Niagara Falls, using the Canadian Route.

Plymouth Township Firemen Proud of Fine Record

Acting on the theory that many residents of the township are unaware of the modern fire fighting equipment available, members of the Plymouth Township fire department have launched a campaign to get their story across to the public.

The township has two stations, one located at the intersection of Ann Arbor and Lilley Roads in conjunction with the township hall and the second

on Schoolcraft adjacent to Lakepointe Village.

The equipment at Station 1 (Ann Arbor-Lilley Roads) includes an American LaFrance pumper with a capacity of 1,000 gallons per minute, a GMC 500-gallon per minute tanker which carries 1,000 gallons and a recently purchased half-ton pickup.

The department has a 500-gallon per minute pumper, a

high pressure fog apparatus and an emergency rescue truck at Station 2. The last mentioned vehicle includes a resuscitator and other emergency equipment.

All vehicles are equipped with mobile radio communication systems.

The Township Fire Department includes five full-time firemen, headed by Captain and acting executive officer

Barney Maas, assisted by 18 volunteers. The volunteers receive calls for all emergencies via fire radio monitors in their homes.

The two stations are manned 24-hours daily, seven days per week.

All firemen participate in drills twice a month and full-time firefighters are constantly attending special courses to maintain a high standard

of efficiency. Members recently took part in an 18-hour course under the supervision and guidance of the University of Michigan Fire Extension services.

Just last week the Township Board took additional steps in plans to reorganize the department when it requested the Civil Service Commission to set up an examination for the post of sergeant.

Ford Gives Equipment To Schools

Ford Motor Company contributed about \$625,000 worth of automotive equipment for educational purposes in 1963, it was announced by Hugh W. Masterson, corporate contributions administrator.

Donations of 952 engines, transmission and axles—nearly double that of 1962—were made by Ford to 456 educational institutions in 45 states and the District of Columbia.

Included were 330 Ford

8-cylinder engines, 61 Ford 6-cylinder engines, 44 Falcon 6-cylinder engines, five Mercury 8-cylinder engines, nine gasoline tractor engines and four diesel tractor engines.

In addition, 372 transmissions—222 automatic and 150 standard—and 127 rear axle assemblies were donated.

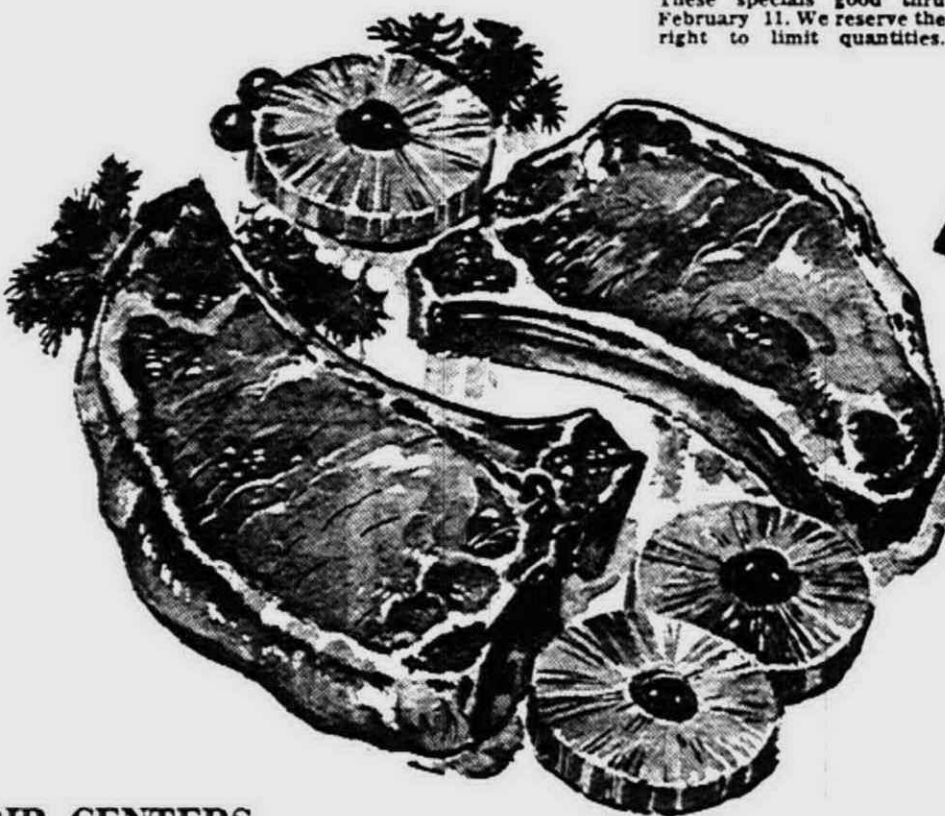

For many years, Ford has donated engines, transmissions and other automotive parts to high schools for use by stu-

dents in shop mechanics courses and to colleges and universities for use in training engineering students.

The aid-to-education contributions are made in cooperation with Ford, Lincoln-Mercury and Ford Tractor dealerships which, in many instances, provide advice and maintenance service for the school receiving the equipment.

BE WISE... MODERNIZE

IMPROVE YOUR HOME THIS YEAR

Vapor Barrier Stops Blisters

Paint blisters and peeling paint are not the fault of the wood siding. Generally, they are caused by poor design of the walls.

For best results properly installed vapor barrier will protect exterior walls and paint from moisture originating within the home.

Such barriers should be carefully applied to provide a complete envelope, preventing moisture from entering enclosed wall spaces where condensation might occur.

The principle of vapor protection is to make the warm side of the wall as vapor-tight as possible, and the cold side permeable enough to permit passage of moisture vapor to the outside.

Where, then, do you place the vapor barrier of sheet metals, metal foils or asphalt laminated papers? You place it just inside the interior wall along the inside stud line.

A cross section of the ideal wall of a home would look like this, reading from the inside

out: First your interior wall, then the vapor barrier, next the studs and between the studs insulating material, then wood sheathing, next a sheathing paper and finally your wood siding. The entire stud space from floor to ceiling should be covered in this manner.

The siding, of course, can be in any pattern or style to suit the home owners' tastes, and it may be in any of the long lasting and durable woods such as western red cedar or Douglas fir, by far the two most widely used in the country.

If this system of design and use of vapor barriers is closely followed, the lumbermen believe that paint blistering will be eliminated.

Window Sills

Check your window sills. If they show evidence of wear from winter weather, you have work to do, and you can do it yourself. Scrape off loose paint and make a smooth surface. Then apply two or more coats of good all-weather paint to match the rest of your trim. The sills thus cared for will last for many extra years.

Home Reborn With New Face

A sound and sturdy older home with old-fashioned lines can be reborn with a bit of face lifting.

The enterprising architect who will accept remodeling jobs is showing the way to create things of beauty from former wall flowers of the home set. He is the plastic surgeon of the home industry, and what he is doing to put a new face on some ugly old jobs, you wouldn't believe.

Most of these homes are sound as a dollar inside, but their chins have slipped. The problem is to prop up the chin, get a new outlook on life, and keep within a reasonable budget.

One of the most startling gimmicks, dormer windows and such, and to substitute a streamlined, modern facade. This is easier to do than it sounds. Oftentimes the front elevation is the most critical, and the use of some new exterior siding, with small windows enlarged to match their neighbors, and a different roof line works wonders.

Some of the best face lifting jobs have been done by simply applying new wood siding, by using rough sawn wood, by detailing cedar screens around some windows. Wood is so flexible, in the hands of a skilled architect, and can be used so effectively that the remodeled house has no resemblance to the old.

What you do with such a remodeling, the lumbermen point out, is to raise the standard of your neighborhood, improve the appearance and thus the resale value of your home, and create something in which you can have pride.

Save Wood

Wood sills which rest on concrete should be at least eight inches above the ground.

ROGER GREER, left is shown receiving the keys to a new Mercury. Greer won this prize in the recent Parnelli Jones Sweepstakes conducted nationally by Montgomery Ward. J. B. McCoy, Livonia Wards Manager, is shown center by the Mercury representative.

Vacation Home Now Becomes Retirement Spot in Future

Planning on retiring in a few years and just looking around now? Millions of older couples are in this same "looking stage," says a western home economist.

About 75,000 families each year are building a vacation home now, with the idea of using it later as a retirement home.

The one big prerequisite is the site. A good dual-purpose, live-now, retire-later home must be close to water and to recreation facilities which the father and mother enjoy.

High on the list of many couples are water sports, which include boating, swimming and fishing. Golf and other games also rank among the most popular with an increasing number of older couples.

These sports are popular with the younger members of the family, who can enjoy them now along with the parents. The parents later see the potential of a year around retreat where the children and grandchildren can come to play during the summer months.

The vacation home can cost as little as \$5,000 or it may turn into a \$40,000 modern dream. The couple contemplating retirement can get shelter to suit their pocketbook, without tying up all their spare cash, while enjoying life in a recreation spot where living is good.

Here in the vacation home the couple can build a two-bedroom home without having to think about resale requirements, for these smaller homes will always sell if the site is right, and if the proper recreation facilities, water and golf courses are nearby.

Good design is essential if and when the home must be sold. A good wood framed home, with a timeless design, will last for generations and will give the greatest satisfaction to the owners. Wood is so flexible and so obviously proper in a rural setting at the seashore, in the mountains, by the lake or golf course. Wood will fit as easily into a small cottage or a mansion. It is the Cinderella material, inexpensive but beautiful. Wood, too, is the perfect foil for the type of furniture and decora-

tions a family will use in the vacation retreat.

Even the smallest summer home should be designed by a competent architect. He will know how to use such popular woods as Douglas fir or western red cedar to get the most beautiful effects and the soundest structure. He will anticipate storage needs, traffic pattern, step saving devices, location of rooms for best indoor and outdoor living, the use of outdoor decks to enlarge the home for better year around living.

You can always pick out the homes which were designed by architects and they will always have the highest resale values.

Soft Touch For Bedroom Halls

There are few ways to make a long hall in a bedroom wing look anything but long. But there are ways to soften the bare look, as one architect has discovered.

He paneled the walls in vertical tongue-and-groove western red cedar narrow boards to give a pattern of verticality to the space. Then, the inspired touch, he painted each bedroom door and door frame a different but lively color.

The effect is dramatic. Each door looks like a brightly colored picture at a distance and the lengthy monotony is admirably broken up.

Large Basement

One family with many hobbies converted their basement into an all-purpose family room by compartmentizing. They used wood cabinets to establish special areas about the basement for stamp sorting, study, hunting trophies, home office, Boy Scouting headquarters.

World's Largest Valentine At Wonderland

A giant, eight-foot box of chocolates, billed as "the world's largest Valentine," will be on display at Wonderland Center, beginning tomorrow.

The king-size heart, filled with an undisclosed amount of Sanders' chocolates, will be exhibited through Valentine's Day, Feb. 14.

A \$25 cash prize will be awarded to the person who comes closest to guessing the total weight of the candy contained in the box, it was announced by Ernie Epps, promotion director for the 57-store shopping center at Plymouth and Middlebelt.

At the conclusion of the contest, boxes of candy will be awarded to runners-up, Epps added.

Official entry blanks for the contest are available at most Wonderland stores. All entries must be made before 7 p.m. February 14.

Approve Vending Plan

Agreements between the Parks Commission and a private vendor, Mr. Agababian, to provide refreshment service at Township-owned parks were approved by the Township Board Monday.

The agreement provides that 25 percent of Agababian's gross receipts will be turned

over to the Township's Parks Maintenance Fund.

Agababian said he would not sell or make arrangements when Little League and other charitable groups were selling in the parks.

Men die today from overwork making those easy payments.
