Apartments, Homes Springing Up All Over

Plymouth Sees Biggest Building Boom In History

If tenants are available, and apparently developers and builders think they are, the Plymouth Community is headed for its greatest population growth in history during the next two or three years.

At least that's the indication from the number of single and multiple dwellings either on the drawing board, under construction or nearing completion in the city and township.

And that also means the Plymouth Community School Board, which already is up to its neck in problems of financing and overcrowded facilities, will have to face up to the task of taking care of the anticipated influx of students in the very near future.

All of this expansion came to light during the past six or seven days as a result of hearings and meetings in the City and Township.

It was just a short three years ago—April 1961—that Builder Peter Masi broke the ice for apartment dwellings in Plymouth with the construction of the Francis apartments on N. Territorial Road.

He started with 20 units and then added 18 more, turned the leasing over to J.L. Hudson Co., and found the venture a rather profitable one.

But that was only scratching the surface compared to the developments since that time—Plymouth into an area of multi-dwelling apartments and what oldtimers freely say is the greatest building boom ever in this section.

Since Masi started the move, the city has seen the development of an eight-family unit on Dewey Street (\$60,000); 44 units at the Crestwood Apartments on Sheldon Road with 56 more under construction (\$750,000); seven-family unit at Rose and Mill Streets (\$75,000); and additional units on Plymouth Road adjacent to the Parkway and on S. Mill Street.

Township Plan Board Delays Action On Sheldon Rezoning

Although directly across Sheldon Road from the 100-unit Crestwood Apartments and the proposed 72-unit Plimeth Apartments within the borders of the City of Plymouth, Stewart Oldford & Sons, builders and developers, face a delay of at least one month and possibly two before learning if they have permission to construct apartments at the intersection of Sheldon and Ann Arbor Roads in Plymouth Township.

The Township Planning Commission delayed a decision on a request for rezoning the area from single-dwelling classification to multi-dwelling after the Oldfords presented a second petition for a zoning change in the same action.

Originally, the Oldfords had requested rezoning on that portion 500 feet north of Ann Arbor Road, extending north to the Park Lane subdivision. Then prior to last Wednesday's meeting, the builders petitioned for rezoning of the entire acreage.

Inasmuch as the Commission had held a hearing on the smaller plot, members voted 6-0, with Tivador Balogh abstaining, to delay a decision until a hearing is held on the second petition on March 18.

Judging from the opinions expressed at the meeting from representatives of the Park Lane Civic Association and the Plymouth Community Improvement Association, there is considerable conjecture as to whether the petition will get an affirmative action.

Irving Rozian, president of the Planning Commission, took an unofficial poll of the Board, asking each commissioner to express his feelings.

The opinions were: CARL HARTWICK—"I feel Oldford has made a legitimate request."

C. VEACH SPARKS—"I feel there should be some sort of a buffer to the north and some kind of a commitment in that direction before acting."

City Opens Water Talks With Detroit

Groundwork for the negotiations for a water contract between the City of Plymouth and the Detroit Water Board is the aim of a meeting planned between representatives of the two

Plymouth Mayor Richard Wernette, with the authority of the Commission, last week sent a letter to Louis Schimmel, president of the Water Board, with Plymouth's proposed contract.

Late in the week, Gerald Remus, general manager of the Detroit Water System, contacted Wernette and made arrangements for a meeting.

Remus indicated members of his Board will be on hand and Wernette will be accompanied by Commissioners George Lawton, chairman of the Council's water committee, Robert Smith, James Jabara and Arch Vallier.

However, it is thought that the negotiations will extend over a long period of time since both sides are far apart from any agreement and each entered the meeting with definite ideas of what it wanted.

Housewives Warned Of Rusty Water

Housewives in the City of Plymouth Tuesday were warned to prepare for possible rust in the water for the period starting at midnight Wednesday and extending through Friday morning.

Supt. Joseph Bida, of the Department of Public Works, indicated the city will test the pumps at the Six Mile Road wellfield during that period and there is a probability that rust will appear in the water.

The tests will determine the condition of the water and give city officials some idea of how much water the Six Mile field-pump can produce. The pumps will operate continually for the 36-hour period at 2,800 gallons per minute.

CHAIRMAN IRVING ROZIAN—"I have the same feeling of Park Lane residents. There should be some kind of a buffer to the north, perhaps a half-street. I believe I would vote for an R-3 zoning for the area."

AUSTIN STECKER—"We must continue to protect the rights of the residents of Park-

FACTS and OPINIONS

by Paul Chandler

There's a land-owner in Livonia who owns a nicely-wooded chunk up off Seven Mile near the new Schoolcraft College, and he is trying to do something different with it. Facts and Opinions today wants to tell readers from near and far about the proposal and to wish the man every success.

The objective is to plait these scenic acres into something known to the trade as "Cluster Housing."

Take a piece of ground and instead of running rectangular lines (streets) all over the square, place the streets only as random fingers penetrating from the outside edge part-way toward the center.

Leave the interior center open, as parkland, or a golf course, or a playground with pool. These large common interior centers would belong to all the residents as "open space." (In the specific instance of the Livonia land near the College, the area is thick with beautiful trees, and the open center would be woodland in nature.)

In most cases, an effort is made to avoid the repeated single-house style, house after house. The result is better-sited, better-looking, more interesting kinds of houses; more open, unspoiled land saved from the bulldozer, and a more "natural" environment.

There are fewer people per acre, i.e., "density" control. According to the New York Times, the "Cluster" homes sell more quickly than the others—"... one cluster, Village Green, in Hillsboro, N. J. was completely sold out in six months while conventional houses in the same neighborhood, by the same builders, went begging."

As a general thing, the so-called "front yard" is nothing in a Cluster situation, on the theory that front yards are virtually without use to the home resident, but that the same amount of space added to the backyard is valuable. Individual homes have their own private back yards, where the man of the house can putter with his roses and petunias, in addition to the "common open-space."

In Livonia, the Mayor and City Planner have been pushing for an experiment with "cluster" for months. Now the land owner, Bernard Edelman, has secured the kind of zoning that would allow it. This land is adjacent to the Northville Golf Course and called by the planner "one of the most attractive left in the city."

The Times had some harsh words about the kind of suburban housing in which many of us now live, declaring that many purchasers actually have been moved to buy "built-in stoves and other gadgets" rather than housing per se.

If it won't make the reader too angry, with himself, his builder, or Facts and Opinions, let's pick up some of the Times commentary—"The need for action is clear from coast to coast. Long Island fields and farms have been invaded by regimented hordes of split-levels lined up for miles in close, unlovely rows. Boxes called homes march ruthlessly across the prairies of the Middle West. The orange trees of Orange County, near Los Angeles, have been replaced by houses jammed onto 60-by-120-foot lots, as a 10-year boom has pushed farmland from \$2,000 to \$23,000 an acre.

NATIONALLY KNOWN VIOLINIST Millard Taylor, of the Eastman School of Music in Rochester, N. Y., will be the soloist in Sunday's concert presented by the Plymouth Symphony Orchestra in the high school auditorium. Taylor will play Beethoven's Concerto.

Symphony Presents Fifth '64 Concert Sunday Afternoon

Plymouth community music lovers will have an opportunity to hear one of the nation's top violinists Sunday when the Symphony Orchestra presents the fifth concert of its 1963-64 series in the high school auditorium at 4 p.m.

The program, under the direction of Conductor Wayne Dunlap, will feature a solo by Millard Taylor, of the Eastman School of Music in Rochester, N. Y. Taylor will play Beethoven's Concerto.

The concert will include: The Savannah River Holiday overture, Tombeau de Couperin and Death and Transfiguration.

Taylor, a native of Nebraska, received his early training at Doane College where his father was Dean of Students. Upon graduation from high school, he was awarded a scholarship to the Eastman School of Music to study under Gustave Tiniot, a former professor of violin at the Paris Conservatoire and concertmaster of the New York Symphony under Walter Damrosch.

He was graduated with honors, receiving the Eastman School's artist diploma, the highest award offered by the school for musical performance.

At the age of 25, he became concertmaster of the National Symphony in Washington, D. C., and then transferred to Rochester, N. Y. in 1944 to take over as concertmaster of the Rochester Philharmonic Orchestra and the Eastman Rochester Orchestra. He later joined the artist faculty of the Eastman School of Music.

All concerts of the Plymouth Symphony are free of charge and baby-sitter service for children two and over is provided without cost by Plymouth Girl Scouts.

Attention, BARGAIN HUNTERS!

Specialty Coatings Takes Over Worden Building

Space-age technology has produced a new company in the Plymouth community, filling a vacant plant on Northville Road at the same time.

Specialty Coatings Inc., producer of a light sensitive Diazo duplicating film, has purchased the 25,000-square foot building at 15169 Northville Road, formerly occupied by the defunct Worden Specialty and Machine Co.

Glassford, Lawton Go To Conference

Commissioner George Lawton and City Manager Albert Glassford represented the City of Plymouth at the day-long Governor's conference of city and village officials last Friday.

Gov. George Romney opened the conference with an address of welcome at 10 a.m. and was with the group throughout the morning and afternoon.

The program included discussions on: annexation and incorporation, county home rule, assessment and equalization proposals, relationship of city and village government to the state government and in particular to the State Highway Department and Department of Public Health.

The afternoon was devoted to talks on the topics of: duplication of health services and inspections, problems of juvenile delinquency, programs for the aging, city government and civil rights.

Jr. High Principal To Address Parents

William Harding, principal of Plymouth's two junior highs, will discuss "Motivation of the Adolescent" in a meeting of the Parent Council of Junior High East Wednesday, March 4.

More than 100 parents are expected to attend the session which is scheduled to start at 9 a.m. All parents of students in the Junior High East are invited and urged to attend.

FAVORITE RECIPES of women from the First Methodist Church in Plymouth have the attention of Mrs. Robert Pugh (left), 7904 Thornwood, and Mrs. William McCully, 9352 Marilyn. They are co-chairmen of a Taste and See tea, slated for Wednesday, March 4 at 1 p.m. in the church parlors, when the Cookbook of Favorite Recipes will be unveiled for the first time. The Woman's Society of the Church has a goal of selling 1,000 cookbooks for the benefit of its missionary and general funds. The unique book includes more than 250 recipes from members of the parish.

Easter Seals Give Area Residents Chance To Aid Handicapped

Within the next two weeks over 160,000 letters carrying 1964 Easter Seals with their message of hope for the physically handicapped will be making an appearance in mail boxes throughout Western Wayne County.

Those who will benefit from the appeal, the crippled children and adults relying on one or more of the 13 services offered by the Easter Seal Society of Western Wayne County hope that the response to this year's mailing will be generous.

T. F. Kuckelman, General Chairman of this year's Easter Seal Campaign, points out that while most communities have a sponsoring committee, the task of supporting Easter Seal services is everybody's business.

"This is a truly voluntary effort," he emphasizes, "without payroll deduction plans or large corporate gifts. Each individual can help or not, as he sees fit. Even if he cannot give money, he can help by keeping the Easter Seals and using them to tell the Easter Seal story. He can always offer personal volunteer service in the fund raising effort or in connection with the year-round

service program." Kuckelman lauds volunteers who have given hours of their time to addressing and preparing

the mail appeal. They and many of their friends will remain active through the campaign period, tabulating returns, keep-

ing records of contributions, working on Lily Parades, selling paper lilies made by home-bound handicapped per-

sons, and in some areas calling on their neighbors reminding them to respond to the Easter Seal Appeal.

Kuckelman has special words of praise for Gibraltar, where Rotarians and their wives will deliver Easter Seals to

homes in their community instead of mailing them. "People asking people to help gives personal meaning to Easter Seal

services which are personal," he concludes. The Easter Seal Appeal this year runs from March 1-March 29.

Legion Hosts Township, City Bosses

Senator Lundgren

State Senator Kent Lundgren, of Menominee, will be the principal speaker when Passage-Gayde Post 391 of the American Legion hosts members of the Plymouth Commission and city officials and the Plymouth Township Board Saturday at 6:30 p.m. in the Legion home, 888 Sheldon Road, Plymouth.

The program, first of a series sponsored by the Legion Post on the subject "Why are We...?", is aimed to get the message across to the City and Township officials as to the purpose of the series of weekly programs.

The "Why are We...?" series will encompass almost all of the various civic, fraternal, veterans and service organizations in the community.

Senator Lundgren, holder of the Silver and Bronze Stars for bravery on the beach of Normandy, France during World War II, has held many Legion offices and assignments since 1948.

He has been commander of the Menominee Post and a member of the Legion's state executive committee. In addition, he is a member of the Lutheran Church, the Elks, and is a past president of the Upper Peninsula Pharmaceutical Association.

College OKs Equipment Contracts

The board of trustees of Schoolcraft College has awarded contracts for the College library furniture and equipment in the amount of \$39,409.96.

Contracts were awarded to the Myrtle Desk Company through its local distributor, Fred Randall, representing Michigan School Service, Incorporated, and to Aetna Stack Steel Shelving, also through Randall, representing Michigan School Services.

The equipment for the library includes shelving, catalog reference tables, catalog cases, desks, library tables and chairs, carrels, dictionary stands, and atlas cases. In addition, there are special files for pamphlets, display cases, and bulletin boards. The contract also includes a micro-film storage cabinet.

Library shelving will be installed for 35,000 books, of which 20,000 will be ready for use when the College opens.

Area Men Involved In Shifts At Burroughs Plant

Eight Livonia - Redford - Plymouth area men have been appointed to new managerial positions at Burroughs Corporation's Michigan Manufacturing and Engineering division in Plymouth.

Albert Williamson, who holds a Mechanical Engineering degree from Detroit Institute of Technology, has been named manager of engineering for general manufacturing. He and his wife and three children reside at 29773 Hoy Road.

Dr. Harry Mauthe, a graduate of the College of Medicine at Wayne State University and an employe of Burroughs since 1961, has been appointed division physician. Dr. Mauthe and his wife and four children reside at 16859 Pollyanna Drive.

Robert Pasky Jr. is the division's manager of payroll control. He attended the University of Illinois and Detroit Business Institute. Pasky and his wife and three children live at 8413 Hubbard Drive in Garden City.

John Brown is the division's manager of manufacturing for general business machine products. Brown, who joined Burroughs in 1948, resides at 14830 Flamingo with his wife and two daughters.

The Redford trio includes: William LeWarne, who has been with Burroughs since 1948, is the division's manager of cost analysis. He and his wife and three children live at 17381 Denby, Redford Township.

Carl Wertz, in his 39th year with Burroughs has been named technical assistant to the general manager. A graduate of Drexel Institute of Technology in Philadelphia, Wertz and his wife reside at 14133 Crosley.

Harvey Kraft is the division's manager of accounting. He joined Burroughs in 1937. Kraft, his wife and two children make their home at 19985 Wakenen in Redford Township.

Roy Phelan, who resides at 14230 Shadywood Drive in Plymouth with his wife and four children, has been appointed manager of engineering for general business machine products. He is a graduate of Drexel Institute of Technology.

REPORT from LANSING

By PAUL CHANDLER

LANSING—During my campaign two years ago, I promised to do everything possible here in Lansing to resist Detroit's income tax from being levied against non-residents of Detroit. And I have been battling it.

Detroit's Representatives, of course, are equally determined to keep the income tax law exactly as it is. Among their allies are the metropolitan Detroit newspapers.

Those two paragraphs are introduction to explain why your representative got himself conspicuously involved in turning down a Detroit offer of 'hospitality' last week, when it would have been just as easy to quietly spurn the invitation and let those attend who might care so to do.

First, a letter to Mayor Cavanagh:

"Dear Mayor: This is to simply decline the invitation of yourself, Ed Carey, and Ed Connor for members of the Legislature to visit Detroit on April 2, 3, and 4, as a guest of your community."

"Without straining to any precise mathematics, it has occurred to me that if 144 legislators and their wives are housed in a downtown hotel, fed, nourishing downtown food, and provided with occasional stimulating refreshment, there will evolve a total bill of \$6,000 to \$10,000 which must be faced by someone.

"Your letter of February 13 indicates that the community—Detroit, i.e., would be our host. It is improper that a legislator should indulge himself at the expense of Detroit tax money, if that is to be the case.

"There are two other areas of concern to me personally:

"1. At the present time there is much legislation swirling about here in Lansing to restrict Detroit from levying its income tax against non-residents. My constituents in the western suburbs pay this tax, while having no possible chance to participate in the decisions as to its necessity or its amount. Having been steamrollered thus far in their protests of having 'no representation', they are looking hopefully to the State Legislature for rescue. If one of the aims of the April 2 hos-

pitality is to win the votes of our rural and outstate legislators who do not now and never will have to pay the tax—to be combined with those of the Detroit delegation here, then as a suburban representative I must complain in every possible way. And if suburban dollars, collected through the City of Detroit income tax, are to be utilized as part of the 'hospitality' to us legislators in the hotels and dining rooms, with the aim of winning votes for the Detroit income tax, then one sees himself in the position of providing the knife for his own throat cutting.

"2. In the land is prevalent a theory shared by too many people, that the route to having a favorable law written is to provide an under-paid and insecure lawmaker with attractive creature comforts. As a legislator in his freshman season, I believe the idea is over-stressed and that most of these 'comforts' are accepted by intelligent cynics who save their private thoughts for themselves. But even if I am wrong in my confidence in my colleagues, I do not want to lend any encouragement to the idea. The United States of America and the State of Michigan are lost if the code has become that the chosen law makers work in hope of a visit to the Big City they could not otherwise afford.

"Yours sincerely,
"PAUL M. CHANDLER
"State Representative."

And finally, some remarks I made in the House last Monday, after the Detroiters had replied with great sarcasm to my letter—

"Mr. Speaker and Members: 'Recently all members of this House of Representatives received an invitation signed by the Mayor of Detroit to visit his City as 'guests of the community.' I replied with a letter declining the junket for reasons which were important to me. One of them is that there is legislation pending here to curtail Detroit from levying its income tax against non-residents and/or to cut the amount of the tax.

"After sending my letter, most Michigan newspapers carried a comment on it by another member of the House, the

Realtors Honor Trio From Area

Six prominent real-estate brokers, three in Detroit and one each in Farmington, Livonia and Plymouth, have been elected to membership in the Western Wayne-Oakland County Board of Realtors.

They are: James B. Grant, president, H. M. Seldon Company, Detroit; Byron W. Trerice, Sr., president, Byron W. Trerice Company, Detroit; Frank Oppenheimer, Realtor, Detroit; W. Gordon Johnstone, president, Johnstone & Johnstone, Inc., Farmington; Stewart J. Love, president, John Love Real Estate, 31201 Plymouth Road, Livonia; and Patrick J. Finlan, Realtor, 893 West Ann Arbor Trail, Plymouth.

A salesman-member of the Western Wayne-Oakland County Board of Realtors for several years, Love recently purchased the Arrow Real Estate Company in Livonia, and changed its name to John Love Real Estate.

Oppenheimer was formerly associated with Howlett-Barrett-Watson, Inc., Realtors, Detroit.

Finlan, in addition to his brokerage business, now in its second year, is president of Pilgrim Corporation, Plymouth land developers.

Democratic floor leader, where-in he called my letter 'off base' and generally naive.

"When I declined the invitation I was well aware that the cost of the junket probably would not be borne by the City of Detroit's general fund, unless the Mayor was unable to hustle the funds from outside sources. But I believed it important that the special interest groups footing the bill be identified. It might have been the Detroit Council of Churches wanting to talk about the prayer bill. Or a nightclub wanting to discuss the conservation of bunnies. Or the Michigan Tavern Owners on Sunday liquor . . . or the railroads . . . the Windsor tunnel folks . . . the Peach Island developers . . . or who knows? The newspapers now have reported that the money will come from the UAW, the Board of Commerce, and 'private industries', whatever that means.

"I might point out that the cost of this affair will work out to something like \$60 per member of the Legislature. 'None of us are naive as to the methods of persuasion used in this country to attempt to win the attention and sympathy of decision-makers—whether the latter be a U.S. Senator, a purchasing agent, a disc jockey or a State Legislator.

"I, at least, believe it is wrong for an entire Legislature to lay down its work, during regular session, pick up the wives, and take off for a week-end of sight-seeing, while special interest groups deliver up \$10,000 to pay our expenses for hotel rooms, cocktails and food. "It is a dangerous, undignified course for this body to take, the sophisticated explanations of my Detroit friends notwithstanding."

DON'S IS MOVING

Facts And Opinions

(Continued from Page 1)

siding, corny cut-out door and window frames, transform the standardized box into what could be called "Dutch Colonial Ranch," "Cape Cod Split Level," or the glory of development glories, complete with scalloped wood eaves, chalet shutters and tacked-on trellises—the "Hansel and Gretel," as it is known to the trade.

"Inside, the hack house appeals through gadgets. What is sold is not a house, but double wall ovens and dishwashers, built-in blenders, inlaid vinyl floors over concrete slabs of doubtful thickness, glamorous gold plastic in claustrophobic bathrooms, knotty pine veneer. If the gleaming appliances are enshrined in too-small rooms with too-thin walls, if the layout is bad and the plaster cracks, a girl's best friend is still her washer-dryer, and every builder knows it.

"The damage from all this is social, cultural, psychological and emotional, as well as esthetic. The sociologists tell us of the disasters of the one-class community where mass produced developers' housing herds one age group, one economic level and one color into homes alike as their owners."

No Neck Meat or Excess Fat or Gristle in
"Super-Right" Chuck Roasts—Priced Right, Too!

The EAT in the MEAT is so apparent when you see these hearty "Super-Right" chuck roasts. Every one cut from fully matured, grain-fed beef to A&P's strict quality standards—and nary a strand of neck meat in the lot. We've nothing against neck meat mind you—except when it's sold as pot roast. You'll never find that at A&P—we sell neck meat as we feel it should be sold—as soup chuck. But our chuck roasts are sold for roasting—guaranteed to please or your money back. Try one this week—at sale prices—bet you'll be back... for more!

The EAT in the MEAT is guaranteed at A&P... every chop, roast, steak or chicken you buy is sold with a money back pledge of satisfaction. All persons in your A&P meat department know this and they're as determined as we to give the best meat selection in town.

EVERY HOUSEHOLD should have one—a Gaylord Hauser . . . or least one of his books telling the million dollar secrets he shared with the Northville Town Hall Series members last week. It was Livonia day and at the head table at the Celebrity luncheon following the lecture were (l-r) Mrs. Harvey Moelke, Guest Gaylord Hauser, Mrs. Robert Ross, Dr. Paul Johnson from Livonia School District.

Blue-Gold Dinner For Pack 757

Cub Scout Pack 757, sponsored by the Wilson School PTA, held its eighth annual Blue and Gold Banquet Saturday evening, Feb. 22, at the Emerson Junior High Aud.

WEDDING BREAKFAST

for groups up to 50. Delicious and tastefully served. Your important day will be one to long remember with breakfast here! Call for complete information now.

GA 7-0150
32101 Plymouth Road

Awards were presented to many of the Cub Scouts and the Adult Leaders for the past year were given recognition awards by Cubmaster Fred Wark and Committee Chairman Frank Ruddy.

Den Mother Mrs. Chester Kolodziej and Den 7 presented a skit called "Tact and Diplomacy." Den Dads Frank Ruddy and Ray Scarlett gave a pantomime skit entitled "The Astronaut."

The Metropolitan Indian Dancing Association entertained everyone with a spectacular program of colorful and authentic Indian dances.

To Women It May Concern

By MYRA COX

Well, if they had to have a substitute they certainly pulled a miracle out of the hat.

Having never been exposed to Gaylord Hauser by thought, sight or book, he appeared as a delight to me, and thus he has a convert to his way of life—sans, sweets, Martinis, bad thoughts, and white flour.

To the ladies of the Northville Town Hall Series, no doubt he must have looked like a combination of El Cid and Cary Grant. They have been plagued all year with substitutes, and just 24 hours before their newspaper man, Dr. Albert Burke, was supposed to appear, he was stricken with throat trouble.

Gaylord Hauser was in Detroit receiving a check for \$2500 from a worthy group for 50 orphans he has adopted in his beloved Sicily—and thus he accommodated.

All through his revelation of "million-dollar-beauty secrets" I kept wondering how old he was—it seems he was linked romantically with Greta Garbo—and I could remember my mother going the route of black-strap molasses and wheat germ after she had heard him lecture . . .

Finally at lunch, I asked him—and he enjoyed telling me he was 70. After the "no, you're not—yes, I am—no, you're not" routine—well, I became a follower—out with the gin—in with the Swiss Kriss.

A digest of his latest book, "Treasury of Secrets"—is what he gave us—pearls of wisdom.

"Insecurity comes from feeling weak—not from lack of money in the bank—we are weak because we are full of sugar, starch and fats. If in the doldrums we must perk up—get a new interest. Our new lease will reflect in our husbands and children."

We must learn to relax, our mind and body—our body by standing and swinging, arms limp, from side to side—our mind by having our eyes see into the distance—he prefers the mountains or ocean—but if all you have is Livonia City Hall—which, of course, isn't too relaxing, use a fireplace in which you can imagine a mountain or ocean.

We must use vegetable water—we must NOT peel so much. He absolutely guaranteed we would be more beautiful in 30 to 60 days (depending on how far away we are to start with) if once a day we would take a tablespoon of safflower oil.

We must eat cheese, cottage, yellow, swiss, limburger—any kind, but cheese and fish.

A package of Knox gelatin every day (not in orange juice, but in skimmed milk) would add to the beauty—give us truly thick hair and better nails.

Beauty is in our own kitchen, he said.

Oh, and what a good, new use for the ironing board—every day for 1/2 hour slant it 12-15 inches off the ground and lie down on it with head lower than feet. It will drain the blood from our colorful legs—and do wonderful things to the rest of us.

Now—very important—just a few minutes EVERY week we are to take Swiss Kriss (you may find it in drug store)—it is herbs; but a tablespoonful in steaming, boiling water in a bowl—put a towel over head and bowl and steam our poor, ol' tired, lined face for five minutes—next, rinse same in ice cold water—and lo!—we will be looking less lined, more beautiful with each treatment—it is guaranteed and called a facial sauna.

We must chew our food more slowly—relax at meals with the help of music, flowers, and candles.

We must make optimistic sounds to our mates—stop nagging, stop wearing curlers to bed—and stop immediately showing our worst side to the man who brings home the bread—lest he not be inspired tomorrow to bring home the butter to go with it.

All of this is common sense—but who concentrates on it?—unless you have some 70-year-old bachelor with no glasses, stomach, or ulcers—looking happy and romantic, standing up there as a living testimonial to bachelorhood—I mean he gets around to influence men, too, you know.

He mixes one cup of vegetable oil with one pound of butter and says this is terrific for everything, plus it is economical.

To perk up our food and get the right amount of everything (including not too much salt) buy "Spike"—new on the market and maybe only available at a gourmet store.

To perk up our life, he says to walk, spend some planned time on ourselves, think optimistically and, of course, buy his book.

ALPHA XI CHAPTER will give the proceeds from their annual card party Thursday, March 19 to Northville State Hospital. The party, complete with door prizes, table prizes and refreshments, will include a spring style show. The affair will be held at the YWCA on Grand River in Redford Township at 7:30 p.m. Mrs. George Vegella is Chairman with Mrs. John McFeaters as Co-Chairman. (l-r) Mrs. Ira P. Knapp of Alpha Xi, Mrs. M. Horton, Occupational Therapist at the Hospital, Louis Schuldt, Director of Community Relations for Northville State Hospital and Mrs. Fred Perkins, President of Alpha Xi Chapter. For tickets call Mrs. Perkins, GA 5-1845 or Mrs. John Galbavi, KE 3-2674.

'SEE YOU THERE'

Members and friends of Northville V.F.W. Post 4012 are invited to attend at St. Patrick's Day dance on Friday, March 13, at the post hall, 438 S. Main St., Northville. There will be a four-piece band, drinks and a luncheon—all for \$5.00 per couple. The band will play from 8 p.m. until . . . For more information call either GR 4-8139 or GL 3-5565. We'd like reservations in by March 1. Come out and have a ball!!!

Tickets are now on sale by members of Westbrook P.T.A. for a pancake supper to be held on April 8 at Westbrook School. There will be continuous service from 5:30 to 7:30. Children up to 12 years—60c. Adults—\$1.00. A White Elephant Sale will be held at the same time. Members of the P.T.A. hope that everyone interested will purchase their tickets soon and make it a family affair.

"Just For You" luncheon and fashion shows are being held on Wednesday, March 4, at 12:30 p.m. at Thunderbird Inn, 14707 Northville Road, Plymouth, by Marycrest Auxiliary of Marycrest Manor, Livonia. After the luncheon the latest in fashions, hair styles, make up and furs will be shown. Donation—\$3.50. Call KE 3-7507, LO 3-6903 or 533-3632 for reservations.

Tyler PTA Asks Mayor Candidates Some Questions

At 8 p.m. Monday evening, March 2, the Tyler School PTA general meeting will hold its annual election of officers and present the Distinguished Service Award.

The program will be a panel discussion by Mr. William W. Brashear and Mr. Harvey W. Moelke on the topic "Problems and Programs Pertaining to Children and Youth."

In keeping with its policy of providing pertinent community information to Tyler parents, teachers and friends, these issues will be discussed by the participants.

1. Is Livonia moving ahead fast enough in the provision of libraries, parks and recreational facilities?
2. Do you feel the present police force is adequate to deal with youth problems and traffic safety?

3. What is the proper relationship between city and public schools and what are the responsibilities of the city in meeting the problems of public education?
4. Would you, as Mayor, take a public stand on school millage proposals?

Written questions pertaining to the general topic will be accepted from the audience. A coffee hour will follow and the general public is invited.

Retreat At Madonna
This Friday, Feb. 28, marks the beginning of a three-day retreat for young women at Madonna College, 36800 Schoolcraft, Livonia.

Men In Service
Marine Private Terry L. Snyder, of 9088 Cardwell, Livonia, has completed recruit training at the Marine Corps Depot, San Diego, Calif.

A 'Giving' Club, The Plymouth Birthday Ladies

By DOROTHY FINNEY
(One of a series highlighting a club or organization in the Plymouth Community)

The Plymouth Birthday Ladies Club came into being soon after the opening of the Northville State Hospital in 1953.

In April, 1953 the Garden Club of Plymouth had as one of its projects the planting of greens in the planter boxes at the hospital. At that time there were 25 patients there and the hospital staff was interested in having some type of service work done for them. However, the Garden Club felt that it was outside the scope of its activities; thus a small group

of interested Plymouth ladies began its work there. The purpose of the club was to give a birthday party each month at the hospital, which at the present time has 2,200 patients.

Among these ladies, who paid all the expenses of the parties, were: Vivian Champion, Ruth Whipple, Helen Teasel, Cora Shear, Mary Beyer, Ivah Pint, Betty Jacobus, all of Plymouth, and Marge Dohman of Detroit. In September, 1953 the group met with Mrs. Paul Wiedman and the club was formally organized, with dues set at \$5 per year. At the present time there are 27 active members.

The club meets each third Tuesday at 12 noon at a member's home to make plans for the party at the hospital on the fourth Tuesday of each month. Each lady brings a sandwich and the hostess and her committee furnish the relishes, coffee and tea. The theme for the next party is planned, birthday gifts are attractively wrapped for each patient who has a birthday that month, and a multitude of small items for prizes in the games and contests are collected. Seven cakes, baked by the members, are needed for the party, which for the past seven years has been for the patients in the N Building. Ice cream and coffee are served with the cake.

The January party, with 95 patients attending, was held on the 28th. It had an international theme with a "trip around the world" quiz. Table decorations featured yellow mums with flags of foreign countries surrounding them, and a model plane stood ready to fly around the world. Sometimes the planned programs are changed for impromptu entertainment, like the hula contest which was inspired by the grass skirt worn by Vivian Champion. Each contestant was given a prize, with the winners given

Questions On NW Child Guidance Clinic Told

(Second in a series of answers to questions on "What Is Northwestern Child Guidance Clinic?" appears below. Questions not answered in this article will be answered if they are sent to NW Child Guidance Clinic, care of The Observer, 33050 Five Mile Road, Livonia.)

Q: Are emotional problems treated in the same way as medical problems?
A: While in some cases medicines are prescribed for the emotionally disturbed child, this is usually not the case. Unlike the usual physical ailments which normally develop rapidly from a germ or organic malfunction, emotional disturbance develops over a period of years and requires different forms of treatment.

Q: How are children referred to the Clinic?
A: Except in isolated instances in which the child may be a ward of the court, the child must be referred by the parent or guardian. Because of their familiarity with the problems of children and with the work of the Clinic, parents may receive suggestions that they seek assistance by family or child care agencies, school personnel, or their family physician.

Q: How does a parent refer a child to the Clinic?
A: The parent, or guardian, must call the Clinic and provide a brief statement of the child's problem as they see it. If a truly emergency situation exists, the child will be seen immediately. Otherwise, an appointment will be made for an intake interview.

Q: What is the nature of these further studies?
A: Since emotional and behavior problems are usually of a complex nature, three steps are taken to assure proper diagnosis and provide direction for treatment. First, the child is given a number of psychological tests. Second, one or more interviews are conducted by a child psychiatrist. Finally, all information is recorded, discussed in a staff conference, and treatment prescribed.

Q: What is the nature of these further studies?

'Now Is The Hour', Theme for 25th Catholic Women Confab

Local Women Active In Program

"Now Is The Hour" is to be the theme of the Archdiocesan Council of Catholic Women at their 25th Annual Convention March 1 and 2 in the Statler Hilton Hotel. Exhibits will be open Sunday evening and all day Monday.

There will be round table discussions, concurrent workshops, informative lectures and fellowship.

The theme is based on the words from Pope Paul's sermon at the Cathedral of Frascati on Sept. 1. They refer to his urgent call to the Catholic laity to plunge into apostolic work immediately. "Come and help us to tell the world where is truth and where is error... this world is so distracted and almost overcome by centrifugal movements. There is need to go to work today, immediately. Tomorrow could be too late. Now is the hour of the laity..."

Members of the court not present were Laura May and James Damron.

Jewish Holiday Of Purim Commemorates Defeat Of An Ancient Adolph Hitler

The defeat of Haman, an ancient forerunner of Hitler, will be celebrated throughout the world with the advent of the holiday of Purim to be celebrated on Wednesday and Thursday evening of this week.

At Temple Beth Am in Livonia, it was observed last week at a Sabbath Family Service conducted by Rabbi David Jessel, followed by a showing of colored slides on the Purim parade and festivities in the land of Israel. On Sunday the children came to Religious School dressed in various types of costumes in accordance with the traditional Purim custom: partook in the eating of "Hamantaschen," a triangular pastry especially baked for the holiday; and observed the performance of a humorous Purim play.

As told in the Biblical Book of Esther, which was read at the service, the Purim story deals with the attempt of Haman, vizier of Persia, to have all men bow down to him. All complied except Mordecai, when faith forbade him to kneel to anyone by Almighty God. The Scriptural narrative continues to relate how Esther, cousin of Mordecai, is chosen queen in a beauty contest and intervenes with King Ahasuerus to save her people, threatened with annihilation by the despotic Haman.

The holiday is marked by gift-giving, mock beauty contests, costume balls, bazaars, and dramatizations of the story.

Purim, which lasts one day, is not considered a major festival requiring abstinence from work or school. The word "Purim" is Hebrew for "lots," referring to the manner in which Haman decided the day on which he had hoped to destroy the Jews.

'Ladywood' Supports Catholic Book Week

Catholic Book Week has rolled around for another year and Ladywood High School is again in full swing preparing to make this year's the best. The theme is new and so are a few of Ladywood's ideas in making CBW a success with "Read and Unite Our Changing World."

Father Fraser To Speak At Temple

In commemoration of Brotherhood Month, and as part of its regular Adult Education Program this Friday evening, Feb. 28, Temple Beth Am will present Father Jerome Fraser of Sacred Heart Seminary, who will speak on the subject, "Recent Developments in Catholic-Jewish Relationships."

Father Fraser, who is the librarian at Sacred Heart, will discuss the implications of recent utterances by the Vatican Council with regard to the Jews, as well as the significance of Pope Paul's recent visit to the Holy Land.

Sabbath Service begins at 8:45 p.m. at the United Hebrew Schools' Cohn Building, northeast corner of Osmus and Seven Mile Road.

ing communities on just what reading has meant to them and how they find the time to read.

Local public libraries are another stem of Ladywood's good will and spirit since they are cooperating by allowing post-

ers to be set up and bookmarks distributed within their establishments.

The prevailing thought is that the public will recognize the true meaning of unity through worthwhile reading.

Unity Minister Spoke In Trinidad

Diane Seaman, minister of Unity of West Suburbia, returns this week from a three week speaking tour in Trinidad, British Guiana, Tobago, Grenada, Jamaica, and Puerto Rico. Mrs. Seaman will speak at two Unity Centers in Trinidad, one in British Guiana, Tobago, Grenada, and one in Jamaica and one in Puerto Rico. Unity of West Suburbia is extremely honored that their minister has been asked to make this tour.

During Mrs. Seaman's absence guest speakers have been taking the Sunday Morning services and Midweek Service. The Sunday Morning Services

were taken by John G. Coulson, Virginia Shipley, and Dick Hughes. All of the Sunday Morning Services are held at the George Bentley High School, 15100 Hubbard, corner of Five Mile Road, in Livonia. The Thursday Night "Lessons in Truth" classes are being taught by Millie Collins. Mrs. Collins is an outstanding and interesting teacher. She has her class at Unity of West Suburbia's newly acquired property at 30025 Curtis Ave., Livonia, between Six and Seven Mile Roads, West of Middlebelt. The class is as 8 p.m.

The men of Unity are at the present time remodeling a building on the new property at 30025 Curtis, to make it into the new home of Unity of West Suburbia. All of the people at Unity are extremely enthusiastic about the new property and are all helping to get the building completed. All services and classes are open to everyone.

Church Honors Founders

The Southfield Community Church, 21122 Indian (between Beech and Inkster, north of Eight Mile) recently honored Mr. and Mrs. Francis Wallace, the founders of the work, at its 40th annual meeting, according to Pastor Raymond Bayne.

It was forty years ago that residents of the sparsely settled John Grace area of Southfield, requested the Scovel Presbyterian Church of Detroit to send out workers to start a Sunday School for the children of the neighborhood. Mr. and Mrs. Francis Wallace were sent and classes were begun in the John Grace School.

About the same time a community association built a community hall next to the school. In 1934 the Sunday School took over this community building and began holding Church Services as well. A Church was organized in 1946 as the Southfield Community Presbyterian Church. Pastor Bayne became the first full-time pastor in January 1948.

In 1955 the church became a Non-Denomination Community Church, ministering to people with many different religious backgrounds. A building program was begun in 1956 with the addition of 3 Sunday School rooms and continued in 1959 with the addition of 3 floors for Sunday School and office space. The original building has been completely remodeled.

Mr. and Mrs. Wallace have continued with the work through all this time, serving as the guiding leaders for 24 years and continuing to serve faithfully, traveling back and forth from Detroit, until this present time. Other original members still attending include Mrs. Lydia Lambert and her daughter Mrs. Robert Sager, Mrs. Walter Kent and her son Mr. Edmund Kent.

Clarenceville, Madonna College To Offer Course To Slow Readers

With the cooperation of seniors from Madonna College, Clarenceville's School Board will offer special tutoring service in reading for students in the junior and senior high school, according to School Supt. Louis Schmidt.

In announcing the project, Schmidt indicated it

was the hope of the Clarenceville Board that it might help alleviate the problem of the "dropout" or help any students at the junior and senior high level with reading problems.

"We are asking parents 'Does your child need help to improve his or her reading?' said Supt.

Schmidt. "If so, and he or she is a student in the junior or senior high school, then the opportunity for help is available through this project.

"It is the hope of the Clarenceville Board and school administration and Madonna officials that parents and

students avail themselves of this chance. It will cost only in time and effort."

Schmidt outlined the following procedure for parents desirous of having their children use the special tutoring services: contact a school counselor at once, describe any

problem area if possible and make the contact no later than March 1.

More than 120 senior students from Madonna have signed to donate one hour each week for tutoring a student on an individual basis from 3 to 5 p.m., Monday through Thursday, at Clarence-

ville High.

The special services will be available through

May and the program will be continued in the 1964-65 school term if success-

ful and if it meets with acceptance by Clarenceville residents.

Henkel Realty Moves Into New Quarters

For only the third time in its 48-year history, the Edward Henkel Realty Co. will move from the Dime Building to new modern offices in the First Na-

tional Building effective March 2, it was announced by Edward Henkel, Jr., President of the mortgage banking and Realtor firm.

Until razed from the new National Bank of Detroit Building, the Company made its offices in the old Hammond Building.

(Continued from Page 1)
 R-3 development on Wilcox Road and the multiple dwellings being constructed in the City of Plymouth.
 "In order that the Planning Commission can be assured that there will be a market for this amount of multiple dwellings, it might be well to request the petitioner to supply a marketability report."

This brought a prompt reply from Stewart Oldford, Jr., that the matter of risk in a project was entirely a matter of the Oldfords and not the Commission since it was the Oldfords who were financing the deal and felt they had a right to take the risk if they desired.
 "We have to get into this type of building now while there is a demand," said young Oldford. "We can't afford to wait another year or two until everyone else has apartments built and occupied. We have to act quickly. We see no need for a marketability survey; certainly there must be a market or there wouldn't be so many apartments planned, under construction or nearing completion in the area."

Township Engineer Herald Hamill added to the situation when he reported to Supervisor Roy Lindsay the need for an

ease through the property under consideration for extension of a sanitary sewer.
 The sewer, which is an extension of the 30" Byron Trunk sanitary line through the City of Plymouth, would run across the property approximately two-thirds of the distance north of Ann Arbor Road.

In other actions, the Planning Commission:
 Tabled a request from Mrs. Virginia Appleby for rezoning 39 acres on the east side of Ridge Road between Powell and Ann Arbor Road from agriculture to single residence estate pending a recommendation for streets in lieu of the unusual topography of the area.
 Denied an application from Frank Mangogna for a permit to remodel, alter and build a new restaurant and cocktail lounge at 47660 Ann Arbor Road. Mangogna specifically

sought a rezoning from single dwelling to commercial.
 Received a communication from Leonard Herman advising the Commission that John Birkelbaw and he are prepared to proceed with their rezoning of property on Plymouth Road, directly behind the Plymouth Bowl lanes, from commercial to multiple - family residence. They are planning on construction of 4 eight-unit apartments.
 Accepted for hearing on March 18, the provisions and requirements, as amended by the planning consultant, for the R2A Garden Apartment Residential districts.
 Denied a building permit to Oldford Builders for a home at 47100 Betty Hill Road.
 Approved a permit to Oldford for a dwelling on the George Burr property on Ann Arbor Road adjoining Salem Square.

Tabled a request for a building permit from S. L. Luvisch for 20.40 acres adjoining Plymouth Hills subdivision pending a special meeting on Feb. 26.
 Accepted a petition for study of a request from J.A.R. Corporation, Detroit, to rezone 43.24 acres on the east side of Beck Road between Joy Road and Woodlore subdivision from single dwelling country estate to single dwelling suburban residential district.

Heard a request from George Rubin, of Detroit, to rezone 8.91 acres at the southwest corner of Sheldon and Ann Arbor Roads from single dwelling to commercial for the purpose of erecting a shopping center consisting of a gasoline station, drug store and a super market at the start with additional stores and businesses as the site develops.

A NEW SERVICE NOW AVAILABLE for GLenview (and 45) telephone customers

Super Extended Area Service adds part of Detroit and Farmington, white to Plymouth's present local calling area, dark.

Want to call Detroit more often and not have to worry about the extra charges? Super Extended Area Service is for you!
 Super Extended Area Service, now available on a trial basis, is designed to make telephoning more economical for GLenview (and 45) telephone customers. It greatly enlarges the area you can call any time of day or night without a toll charge.
 You'd have not only your present local calling area (dark part of map) but also unlimited toll-free phoning to Downtown Detroit, the Midtown-New Center area, the entire westside

of Detroit, and all of the Farmington Zone.
 For a single monthly rate, you can call as often as you like—whenever you like—and talk as long as you like within the Super Extended Area.
 In addition, business customers pay only 4.2 cents (one message unit) for each call to the Detroit portion of the Super Extended Area, regardless of the length of the call.
 To find out more about this economical new service for GLenview (and 45) customers, just call our Telephone Business Office, 551-9900. We'll be glad to explain the details.

Senior Citizens In Plymouth

By AGNES ROLLINS
 GL 3-1761

The Plymouth Senior Citizens held a social meeting Thursday afternoon with 92 members in attendance.
 Jack Cronk, director of the Michigan Housing Development Division, explained housing for the Senior Citizens. A question and answer period followed his talk.
 Members also spent an hour sewing on cancer pads. The members with birthdays in February were honored with cake and coffee.
 Guests were Mr. and Mrs. Stephen Spitz of the Livonia Senior Citizens.
 The next meeting, on February 27, will be pot-luck at 12:30 p.m.

Plymouth Man Felled By Seizure in Lobby of Bank

Grady Thompson, 45, 40328 Joy Road, Plymouth, was rushed to St. Joseph Mercy Hospital in Ann Arbor in serious condition after reportedly suffering a heart attack in the lobby of the National Bank of Detroit branch at the corner of Main and Penniman Ave.
 Thompson, according to reports, had just entered the lobby when he suddenly collapsed.
 The Plymouth Fire Department rescue squad was called and revived him with the use of oxygen. He was taken to the hospital where his condition was regarded as serious.

Franklin, Bentley Offer Identical Programs For Parents, Students

For the benefit of Livonia students and their parents, Franklin and Bentley High Schools will present twin programs devoted to "Educational Information for Your Future" on March 3 and 4 in their respective Lecture Theaters.

Franklin's program will begin at 8 p.m., March 3; Bentley's program will begin at 8 p.m., March 4. The programs are being planned specifically for ninth through twelfth grade students and parents. All other interested individuals are welcome.

The two programs will be identical in format. Each will have six college representatives from different types of colleges on a panel. The types of colleges represented will be a

large state university, a smaller state university, a private college, a business college, a technical college, and a community college. Each college representative will speak for a few minutes about his type of college.

Following these brief descriptions, David Amerman and Dr. Donald Friedrichs will describe typical fictitious case histories. Each panel member will react to these case histories in regard to college admissions, recommended education, and scholarship opportunities.

Counseling departments in the two high schools are sponsoring this program so that students and parents will be kept informed of college admission

Kroger Man Selected For 'Food for Peace'

Mayor Harvey Moelke of Livonia today announced his appointment of Albert Pawlisch to the Michigan "Food For Peace" Council's advisory board.

Governor Romney is Honorary Chairman of the Michigan Food For Peace Council, Inc. and Sanford A. Brown, Michigan State Treasurer, is President. The Michigan Council is made up of representatives of leading Michigan business, farms, labor, religious, educational and social organizations, and is associated with the American Food For Peace Council.

Pawlisch has been a resident of Livonia for two years having come here from Kansas City, Mo. He resides at 31625 Wyoming with his wife and three children. He is employed at the Kroger Company, 12701 Middlebelt Road, where he is Division Controller. He has worked for the Kroger Company for 14 years in the accounting activities of various Divisions.

In requesting today's appointment action by Mayor Moelke, Governor Romney stated: "Our

best information indicates that Michigan last year shipped over \$30,000,000 of our agricultural abundance through Food For Peace channels. I am convinced that this figure should be greatly increased, not only because of its favorable effect upon the economy of Michigan, but more importantly in terms of the contribution that the Food For Peace effort can make as a humanitarian and political force around the world."

Governor Romney made a similar request of the Mayor of every City in Michigan.

In making today's appointment of Mr. Pawlisch to the Advisory Board, Mayor Moelke indicated that this City's representative on the Advisory Board will act as contact person within the community to channel advice and counsel to the Michigan Food For Peace Council from interested individuals and groups, and will also act to channel information pertaining to the Food For Peace effort to local groups and public information media.

SHOWING some of the devices used in detecting violators of the weights and measures code is Sgt. Robert Baumgartner in charge of the General Service Bureau for the Livonia Police Department.

Livonia To Join In W and M Celebration

Starting Monday, Livonia will join most communities in the United States in celebrating Weights and Measures Week, March 1 through March 7.

The dates commemorate the anniversary of the enactment of the first Weights and Measures law by Congress on March 2, 1799.

Sgt. Robert Baumgartner, in charge of the General Service Bureau of the Livonia Police Department, is head of the committee commemorating the week-long celebration.

Essentially, the aim of national Weights and Measures week is to acquaint all segments of the public with the nature of this essential government service which is provided locally for the protection of the public and business interests from incorrect quantity determinations in buying and selling transactions.

Scales and measuring devices do become worn or out of adjustment like any other mechanical device, but unlike other devices they will continue to give quantity determinations, even though incorrect, until they are tested and corrected or replaced.

It is the responsibility of the impartial local weights and measures inspectors to make official tests of commercially used weighing and measuring devices. If incorrect, they are condemned for use until corrected — all in the interest of the buyers

and sellers. Weights and measures is designed to protect both the buyer and seller. There are some 3,000 state and local weights and measures officials in the nation.

The average supermarket today has over 5,000 prepackaged food items on its shelves. The weights and measures inspector must keep a close control on these products to see that the true net contents are contained in the packages, so that the customer receives as much as he pays for.

Serious short-weight violation caused through gross negligence or wilful intent to defraud results in prosecution to those responsible.

Last year 200,000 packages were reweighed; of this amount 24.7 per cent of the packages were short of the contents declared. Last year 4,000 wholesale-type meters were tested; 14.1 per cent were found to be incorrect and condemned for repairs.

Plymouth Rights Group To Meet Sunday

A general meeting of the Plymouth Community Human Relations Assembly has been called for Sunday, March 1, at 8 p.m. in the First Methodist Church in Plymouth.

Members will discuss future policies and guidelines within the framework of the Assembly's purposes.

NAACP Leader To Speak At Rights Meeting

Charles Wells, chairman of the Education Committee of the National Association for the Advancement of Colored People (NAACP) for two years and a member of its Board of Directors, will be the featured speaker Thursday in the series being sponsored by the Plymouth Community Human Relations Assembly.

Wells' lecture, on the subject "Equal Educational Opportunity," is the third in the current series being presented in the Senior High School Annex Auditorium at 8 p.m.

He is a psychiatric social worker at the Outpatient Psychiatric Clinic at Receiving Hospital and currently a member of the Advisory Committee of the State Superintendent of Public Instruction, which counsels the Superintendent on Educational and social issues.

Man In Service

Army Specialist Four Lawrence F. Keeler, son of Mr. and Mrs. Eugene H. Keeler, 15115 Beck Rd., Plymouth, participated in Operation WINTER TRACK, an 8th Infantry Division field training maneuver near Giessen, Germany.

Specialist Keeler entered the Army in March 1962, completed basic training at Fort Jackson, S. C., and arrived overseas the following September. He is a graduate of Plymouth High School. His wife, Alice, is with him in Germany.

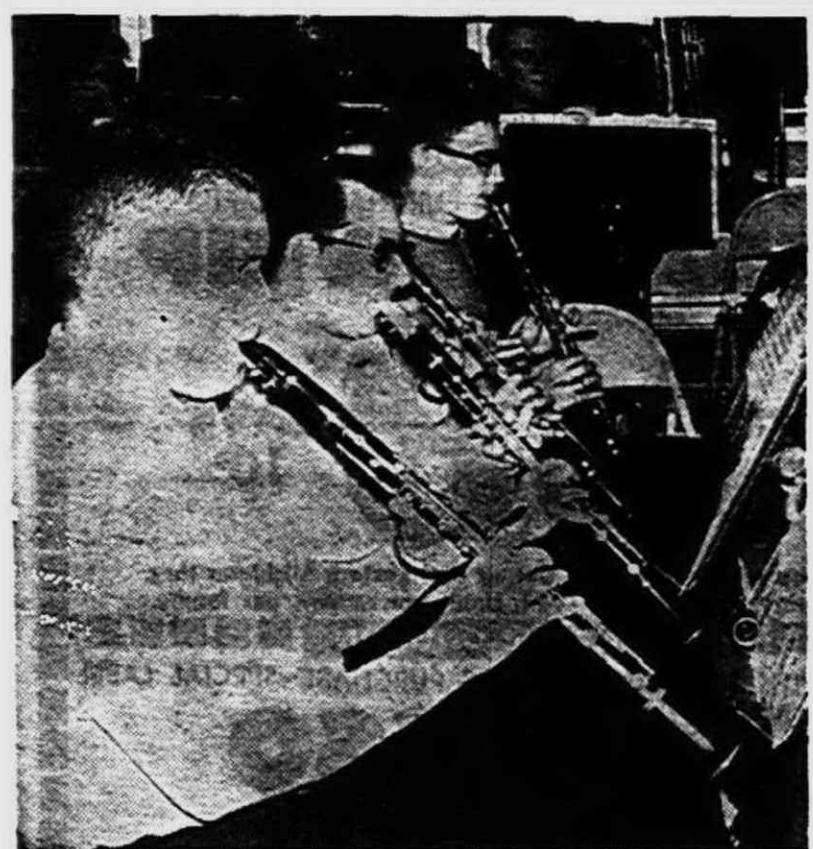

Livonia Band To Play Free Concert Monday

On Tuesday night (March 3rd) at 8 p.m., the Livonia Community Band will present a free concert at Bentley High School. Under the direction of Gene Page, its founder, this highly competent musical group will play a program of 10 numbers, ranging from familiar marches to Richard Rodgers "Victory at Sea."

The Livonia Community Band is one of the many and varied Adult Education opportunities offered by the Livonia Public School system. Organized three and a half years ago with a handful of musicians, the present average attendance at rehearsals is 40. Engineers, salesmen, housewives, business executives and teachers plus a number of interested high

school students play side by side every Monday night at Riley Junior High School.

A pleasant evening of good entertainment is assured. It is hoped that many other musicians whose instruments and/or talents have not been dusted off for years, due to a lack of opportunity for other than a solo effort, will not only come to the concert but will join the band for future rehearsals and concerts. Anyone interested can contact Mr. Page at Riley Junior High School, GA 2-3070; at home GA 2-8855; the Adult Education office GA 2-1200; or just come to rehearsal any Monday night at 7:30 in the school's band room. Some school instruments are available.

BILL BROWN, ARGANTE LARCENSI AND CRAIG SMITH warm-up for a rehearsal of the Livonia Community Band at Riley Junior High School.

Two Area Students Win Homemaker Tests

Two girls from Livonia area high schools are school winners in the 1964 Betty Crocker Search for the American Homemaker of Tomorrow.

The two are: Inez Frances Haff of Clarenceville High, and Mary Buda of Ladywood High.

Each scored highest in her school in a written homemaker examination given senior girls throughout the country Dec. 3 and is now eligible for one of 102 scholarships totaling \$110,000.

Test papers of all school winners in the state will be judged comparatively in coming weeks, and a State Homemaker of Tomorrow will be named. She will receive a \$1,500 scholarship from General Mills, Inc., sponsor of the annual program; her school will be awarded a complete set of the Encyclopaedia Britannica by Encyclopaedia Britannica, Inc.

The second-ranking girl in the state will receive a \$500 educational grant.

Late in April, the first-place winners from each of the 50 states and the District of Columbia, together with school advisors, will gather in Colonial Williamsburg, Va., for an expense-paid educational tour of the East.

The week-long tour, to include also Washington, D.C., and New York City, will culminate with the naming of the 1964 Betty Crocker All-American Homemaker of Tomorrow.

Chosen on the basis of original test score, plus personal observation and interviews during the tour, she will have her scholarship increased to \$5,000. Grants to second-, third-, and fourth-place winners will be raised to \$4,000, \$3,000 and \$2,000, respectively.

Area School Board Members to Meet Thursday at RU High

Board members and educators from schools in Wayne County will attend the meeting of the Wayne County Association of School Boards Thursday at 6:30 p.m. in Redford Union High School.

Principal speaker will be William Shunck, Supt. of the Wayne County Intermediate School District which succeeded the Wayne County School District under the recent changes in state law.

Shunck will show slides and give a talk on "The Services Available for Your School District from the Wayne County Intermediate School District."

The Association will join in a dinner meeting at 6:30 and then adjourn at 8:45 p.m. for a discussion of the budget for the new Intermediate School District.

Mrs. Strela Schreiber, of Livonia, is a member of the Association's executive board.

TYLER SECRETARY HONORED

Tyler School secretary Marian Berlin was honored by the staff at a surprise-farewell baby shower after school on Thursday.

Gifts, refreshments and games provided an hour of sociability richly deserved by the guest of honor who has given outstanding service to the teachers, parents and children of Tyler School since August of 1960.

Man In Service

Army Pvt. Jerrey A. Brennan, son of Mr. and Mrs. Harry A. Brennan, 18515 Perhing, Livonia, recently participated in a Continental Army Command (CONARC) field exercise at Fort Polk, La. Brennan entered the Army in June 1963 and completed basic combat training at Fort Knox, Ky. He attended Clarenceville High School.

Schoolcraft College Assured Schools Will Honor Credits

Students entering Schoolcraft College in August, 1964, can do so in complete confidence that credits will be transferable to four-year colleges and universities.

While it is not possible for a college to be accredited until it is in operation, letters received by Dr. Eric J. Bradner, President, give definite assurance to students who are wondering about transferability of credits.

From the Ann Arbor Campus of the University of Michigan comes the following letter:

"We want to assure you that qualified students from Schoolcraft College will be granted admission to the University of Michigan with full credit for the appropriate courses they have taken with you. Students who enroll with you can do so in the expectation that their credits earned at Schoolcraft will transfer to similar curriculum at the University of Michigan."

The Director of the Dearborn Campus of the University of Michigan states as follows:

"I look forward to the opportunity to accept qualified students from Schoolcraft College on the Dearborn Campus of the University of Michigan."

Similar assurance comes from Michigan State University, for the Admissions Office writes:

"We shall anticipate the transfer of qualified students from Schoolcraft Community College to Michigan State University. Students admitted from Schoolcraft Community College will be granted full credit for appropriate courses satisfactorily completed. Your intensive efforts to establish similar curriculums to those offered at Michigan State University will be of great service to students and will enable them to transfer in a most efficient manner."

Students who hope to transfer to Wayne State University will be interested in the statement

from the Admissions Office of that University:

"I wish to take this opportunity to assure you that Wayne State University will

accept transfer credit from Schoolcraft Community College providing that grades of "C" or above are received in the courses to be transferred

and providing further, the courses are appropriate to the student's program." Eastern Michigan University also has expressed its willingness

to accept Schoolcraft College students. The Dean of Admissions and Student Activities of that University states: "Eastern Michigan University will admit all qualified Schoolcraft College transfers and award full credit for all college level work completed."

It is gratifying to the Board of Trustees and to the Administration of Schoolcraft to know that all of the senior colleges that have been contacted to date

state complete willingness to accept without loss of credit qualified students who do a creditable piece of work at the college.

DPW News And Notes In Plymouth

By SUPT. JOSEPH BIDA
Plymouth Dept. Public Works
A comparatively mild winter—mild in comparison with the snow and generally bad weather of a year ago at the same time—has brought a financial windfall to the Department of Public Works up to this time.

A year ago, for the months of December, January and February, the DPW used 1,293 tons of salt to keep the streets cleared. As of now, including distribution of 56 tons last week, the department has used only 542 tons.

This year's figure is among the lowest on our record books but then we still have some winter ahead and it may be that we'll equal figures of the past before spring arrives.

As it now stands, we are far below the amount allowed in the budget for salt.

The Department had a crew busy during the past week measuring all gate boxes and making up maps that will be used by the contractors who receive the contracts for the proposed water system improvements.

A two-man crew counted and measured all catch basins within the city limits and discovered the City has a total of 918 catch basins.

Workmen raised a fire hydrant at the corner of Maple and Jener streets and cleaned sanitary sewers on Jener from Maple to Linden, on Kellogg, Joy, Coolidge and Harding for a total of 2,840 feet that has been rodded out and flushed.

A crew replaced and rebuilt a broken down catch basin at the intersection of Burroughs and S. Main. Another crew handled one funeral at Riverside Cemetery.

Name Winners In Plymouth Bridge Club

At the weekly duplicate bridge held at the Plymouth Bridge Club on Friday, Feb. 14, the following were winners:

NORTH-SOUTH: Esther Scheppele and Gerry Behler; Erna Wiltse and Mary Wiltse; and Ray Sherpitis and Bill Tullis.

EAST-WEST: Vic Ross and Ike Sarason; Ardie and Dick Mosteller; and Paul and Linda Sabol.

Weekly duplicate bridge is held each Friday evening at 8 p.m. in the Plymouth Bridge Club located at the Colonial Professional Building in Plymouth. For further information call Directors Bill Tullis, GARfield 2-7848, or Margaret Armstrong, KENwood 5-4465.

Makes Dean's List

Paul Portney, son of Mr. and Mrs. Joseph Portney, 30552 Grandon, Livonia, has been placed on the Dean's List at Alma College for the fall semester. Eighty-seven students earned a scholastic average of 3.50 (B plus) or more to qualify for this honor.

Bentley Assured Share of Loop Title—Ditto For Thurston Cagers

Turns Back Allen Park

The chips were down . . . and Bentley High School's basketball team had to come back.

And Bentley did!

So again the Suburban Six League cage title flies over the Five Mile Road school in Livonia.

At the moment, Bentley possesses just a share of the flag, but it could be outright if Coach George Fefles' quintet wins at Plymouth Friday night or Allen Park gets tripped up by Trenton when the regular-season curtain drops.

It was back on Jan. 17 that Bentley fell from the top of the heap in its bid to repeat as league champs. Allen Park had rocked Bentley on the Bentley floor, a week after Redford

Union had jolted the Livonians in a game which saw star Bill Bollin of Bentley suffer a fractured bone in his foot.

The outlook hardly looked cheerful for Bentley. Out was Bollin for at least a month and out, too, was Bentley as far as leading the pack was concerned.

However, Coach Fefles rallied his forces. The comeback started against Plymouth on Jan. 24. Then, in succession, Bentley won over Trenton and Redford Union in the league and also Franklin in a non-leaguer.

With some outside help, Bentley found itself tied with Allen Park for first place going into a head-on action last Friday night in the Parker gym.

All the golden chips rose on the outcome—both for Bentley and Allen Park. The gym was jammed. In fact, many hundreds had to be turned away.

Coach Fefles had Bollin back in uniform, but the big man for Bentley didn't start. Bentley didn't need him early. The Livonians jumped in front, 22-15, at the end of the first quarter and reached the halfway mark with a 36-30 edge.

Matters then began to get tougher. Allen Park wasn't tossing in the towel.

With 4:56 left in the third period, Bollin got the call from Fefles to get into the game. His return to action couldn't have come at a sweeter time.

Bentley with a 42-36 edge in the third period saw it fade to 55-51 by the three-quarter mark. The fourth period was just 3:15 old when Allen Park crawled to within two points (61-59) of a tie. With 3:20 left, Bentley clung feverishly to a 63-60 command.

Suddenly, Bentley showed who was king for the night . . . and who would be king for the season in the league.

Bob Morgan started matters with two free throws. Bollin hit twice from inside and once from 25 feet to make it seven straight points for Bentley. Morgan followed with a charity and Mike O'Hara another basket and what had been an airtight battle now had been turned into a runaway with Bentley leading, 74-60.

O'Hara and Fred Matevia each scored 18 points for the victors. Then came Bollin with 17 and Larry Remer with 10. John Feist had 16 for the losers.

The reserves matched the varsity's win by a 59-55 count. Bob Swift was the big gun with 17 points while Gary Faulkes had 11.

Beating Allen Park, however, had its effects on the Bentley varsity. On Saturday night in their own gym, the Bentley cagers were knocked off by Dearborn, 66-47, in a non-leaguer.

Dearborn never was in much trouble, taking a 31-19 edge at halftime. Matevia paced Bentley with 11 points. Bollin had 10, McIntyre eight and Remer six.

The Bentley reserves again came through winners, this time by a 58-35 score. Swift once more paced the triumph, getting 18 points on nine baskets.

Wayne State Lists 8-Game Grid Card

Wayne State University's 1964 football schedule has been announced by Dr. Richard C. Havel, director of health and physical education.

The Tartars will play eight games, four at home and four away, starting with Allegheny College Sept. 26 at Meadville, Pa., and terminating Nov. 14 against Marietta College in Marietta, O.

The complete schedule: Sept. 26—at Allegheny College. Oct. 3—at John Carroll University. Oct. 10—at Western Reserve University. Oct. 17—at University of Wisconsin. Oct. 24—at Eastern Michigan University. Oct. 31—at Case Tech. Nov. 7—at The College. Nov. 14—at Marietta College.

SEVEN BIG REASONS for the success of Bentley High's basketball team are these seven members of the varsity cheerleading squad. Regardless of how the game goes, these lassies are busy exhorting their schoolmates to greater efforts. The group includes Marilyn Thorpe, Carolyn Francis, Lea Mitchell, Pat Lorion, Capt. Ruth Waterson, Marlene Boyd and Georganne McFall.

Home So Sweet for R. Union

If only Redford Union could arrange to play all its high school basketball games at home!

"We'd be the state champs," says Coach Milo Karhu.

And probably so. The RU cagers have ended their home campaigning for the season and the "cooking there" certainly met all their requirements.

RU hosted eight rivals — and beat them all. The road story has been much different for RU — three wins and five losses.

The finale in the RU gym resulted in a near-record breaking performance by the home team. RU piled up a 95-76 win over Trenton to come within three points of the most ever fashioned by a Union quintet.

By a strange set of circumstances, RU trailed after one quarter, 18-17. Then came a 27-point period barrage which shot RU on top, 44-35, by halftime. In the second half, RU unloaded 51 more points.

Gary DeRoche drilled in 12 points to spark the second-period explosion, while Tom DeWitt had eight to lead the way in the closing period when RU hit the mark for 30 points — tallying almost at a four-minute clip.

Karhu used five guards and they accounted for 56 of the RU total. Ken Maibach led the way with 26 points on nine hopes and eight for eight from the free-throw line.

DeRoche was next with 20 points while Bob Baumgartner and Robby Masson contributed four each from the backline and Bob Bates two.

Center DeWitt stepped in with 15 points. As the forwards Clyde Ziegler had 14 and Mike McCrea ten.

The RU reserves weren't as fortunate as their big brothers, losing to Trenton, 65-44. Doug Mach scored 12 for the losers.

The regular season closes Friday for Redford Union at Belleville. The RU varsity with a 5-4 record in Suburban Six League action can close with no less than a third-place standing.

Wayne State University's "most valuable wrestler" last year was sophomore Chuck Guttherie, a 123-pounder from Warren, Mich.

OBSERVER SPORTS

Don't be surprised if the high schools join with the colleges in protesting the announcement that the National Football League plans to play and televise several Friday night games next fall.

As we all know Friday is the BIG night for the prep gridgers, not only in Michigan but in virtually every other state in the union.

In Michigan alone, schoolboy football attracts upwards of a million and a half fans every Friday evening. If the pros cut in on the preps, the schoolboy attendance is bound to suffer.

This would mean a reduction in the financial "take" for the schools and goodness knows that many schools already are having a tough enough time trying to maintain their athletic programs.

The nearby Detroit system has operated a curtailed sports program all this year and the same prevails in several other Michigan cities.

As matters now stand, income from football helps to carry a goodly share of the prep-program. What the selfish-minded pros seem to forget is that their players are graduates first of the high school and then of the collegiate ranks.

It might be well if the pros were to re-consider any current plans to cut in on the high schools and colleges! Are you listening Mr. Ford?

HERE 'N THERE ON THE SPORTS BEAT:

Nice to note that many youngsters from Livonia, Redford Township and Plymouth have joined our Detroit Pistons Junior Knothole League.

It's pretty simple to receive a membership card, plus an autographed picture of the Pistons and a chance to see the team in one of its remaining games.

Just send your name on a postal card to the Pistons, 1618 Sheraton-Cadillac Hotel, Detroit 26.

Tom Tanner, the young pitcher on Thurston high school who pitched so brilliantly on the sandlots last summer, is waiting for orders to report to the New York Yankees rookie-training camp at Hollywood, Fla.

The word is that Tom is a cinch to remain in the Yankee chain. He'll probably work first in a Class D league.

It'll be state tournament time next week. The drawings for the first round of district basketball meets were to be made yesterday and today. We'll have all the information in next week's editions.

The Plymouth-Thurston swimming meet Saturday night at Thurston shapes up as a classic. Two powerhouses will lock horns in a meet which at the moment shapes up as "a wide open" affair.

Wonder where Ken Wiebeck, Thurston's record-slapper in swimming, will attend college? There are two or three dozen schools camping on his door steps.

If you're thinking about taking in the state basketball finals . . . and are lucky enough to have some tickets . . . just remember the Class B windup starts at 11:30 a.m., the Class D at 3, Class C at 4:45 and the Class A at 8:30.

That makes for a pretty full day of basketball with the annual Michigan Coaches Association dinner and several alumni luncheons and breakfasts for graduates of Western, Central and Eastern Michigan University, along with Wayne State, tossed in for good measure.

Bentley, R. Union Wrestling Champs

Bentley and Redford Union each produced three individual champions in the annual Suburban Six League wrestling meet last Saturday night at Trenton.

Plymouth doesn't field a mat team. Bill James (127 pounds), Jim Daugherty (145) and Don Laurs (154) carried off the laurels for Bentley while Grover (120), Eric Bargo (165) and Mike Shrock (180) emerged as Redford Union.

Here's how other Bentley and RU entries placed among the leaders:

95-pounds: 3—Blankenship (B), 103: 2—Bentley (RU), 3—Wheeler (B), 112: 3—Stevens (B), 127: 3—Coates (RU), 133: 2—Glennie (B), 3—Still (RU), 138: 2—LaVasserur (B), 180: 2—Larsen

N. Farmington Last Foe In Thurston Rise

The team that won only two games last winter today is a champion.

So goes the basketball story at Thurston High School.

By beating Oak Park, 77-64, last Friday night, Thurston clinched at least a share of the Northwest Suburban League title.

To make it outright and undisputed all Thurston must do is beat North Farmington in the Thurston gym Friday night.

While Thurston stands 7-0 in the league, North Farmington is right behind at 6-1.

Coach Mike Pasternak isn't too surprised over the turn of events for his Thurston cagers.

"Remember we used a bunch of underclassmen last year," he says. "We were out there to gain experience and looking to the future. Well, the future is here, and we have done okay."

A fast start paid dividends for Thurston against Oak Park. Thurston jumped in front, 22-13, at the end of the first period and then found the going fairly even the rest of the way.

Jerry Samuelli paced the Thurston assault with 22 points. Then came Bob Venegoni and Paul Lawson, each with 18; John Page 13, and Tom Elston with four.

With the victory Thurston upped its season's record for all action to 12 wins and three losses.

Thurston's reserves dumped Oak Park, 62-49, as Dan Morgan led with 12 and Bob Elsner followed with 10.

Strong Finish Saves Rocks

It matters not what the score is at the end of the first, or second, or third quarters in a basketball game.

The payoff comes on who's ahead at the end of the night's action.

Trojans Beaten by Clarkston

Clarenceville's basketball team ran into one of the mighty last Friday night . . . and the expected happened.

The North Livonians wound up losing to Clarkston, 70-48, as Clarkston remained tied with Bloomfield Hills for first place in the Wayne-Oakland League.

Now Clarkston would like to see Clarenceville knock off the Hills this Friday night. If that happens, Clarkston could take all the cake by winning over Northville.

Clarenceville stayed close to Clarkston until late in the second period. With Clarkston leading, 24-23, the bombardment took place. Clarkston reeled off 10 straight points, reached halftime with a 37-35 edge and the proceedings never were close the rest of the way.

Notwithstanding the defeat, Clarenceville remained above the 500 mark both over all for the season at 8-7 and in the league with 7-6.

The regular season closes Friday and then Clarenceville goes to the state districts at Pontiac Central.

Dave Graves led the losers with 13 points. Gary Gearhart scored 12, Dan Freels nine, Ray Rood and Gary Alder six each and Chris Hawkins two.

The rest of the night's proceedings, plus all the marbles, went to Plymouth. In the last eight minutes, the Rocks outscored Belleville, 23-9, to walk off the floor easy 59-47 winners.

Maybe it was because Coach Charles Ketterer of Plymouth had to employ a changed lineup that it took three quarters before his charges could get going.

Illness kept Jerry Kisabeth sidelined, while Doug Sutherland couldn't play because of a sprained ankle. Then both the team and school lost regular Ray Chappell who moved from the community with his parents to Tennessee on the day of the game.

Ketterer called Johnny Hannula up from the reserves and Johnny made an auspicious debut. He made three points in the closing quarter to join hands with Cal Lulbrand, who scored seven, Dick Egloff six, Gary Gray five and John Daniel two to change the tide in Plymouth's favor.

Belleville was stymied with only three baskets and three free throws in the last period. Egloff topped the winners with 16 points. Dave Hollingsworth had 11 and Gady 10.

Hannula wound up with five points, Daniel and Bill Nelson four apiece and Jim Lake two. Superior free throw shooting helped tremendously in Plymouth. The Rocks fired in 17 of 26 from the charity line to Belleville's seven for 16. In the field goal department, Plymouth notched 21, one more than Belleville.

The Plymouth reserves also came through with a triumph at Belleville, posting a 55-35 conquest to boost their record to 11 wins and three losses for the season. Jim Bruff tossed in 15 for the Rocks.

The regular season for Plymouth ends on a major note this Friday when the Rocks entertain Bentley, bidding to wrap up an undisputed league title. The Rocks will be bidding to square their league record at 5-5. Over-all Plymouth now stands 8-6.

Thurston Loses Match

A crippled Thurston High wrestling team, minus four regulars who were injured in an auto accident, lost to Wayne High in a dual meet, 29-19.

The Thurston results: 55 pounds—Jim Fiedt, winner. 103 pounds—Bruce Belknap, loser. 112 pounds—Mike McCrum, loser. 127 pounds—Jack Provencale, winner. 127 pounds—Paul Christie, pinned rival. 133 pounds—Dave Welch, winner. 138 pounds—Mike McCrum, loser. 145 pounds—Mike Eardle, winner. 145 pounds—Mike Eardle, loser. 180 pounds—John Rock, loser. Heavyweight—Jerry Szostak, tied with rival.

Wrong Call Costly To Franklin Team

It was a heartbreaker that Franklin high's basketball team lost at Birmingham Groves, 54-53, last Friday night.

Franklin Coach Bob Bentley isn't one who usually yells at the referees. But he did Friday night and he felt with cause.

There was the call in the fourth period at a moment when Franklin trailed by two points. The official called for a jump ball. Moments later a Groves player pushed a man from Franklin and the referee signaled a foul against Groves.

Since the ball was "dead," the rule prescribes the official should have called a technical, not a personal foul. This would have meant that after the try, Franklin received the ball at midcourt.

The official insisted it was a personal foul and Groves got the ball.

"This call made a big difference," said Bentley. "We'd have been one down and had the ball. Instead they got it, scored and we were three down."

According to Bentley, the referee admitted later he could have been wrong . . . that he didn't exactly know what the rule was.

Another item that obviously irritated Bentley was the number of free throws called. Host Groves stepped to the line 20 times and hit on 16. Franklin received only eight chances and made three.

"The fouls weren't that lopsided," declared Bentley later. After falling behind, 18-11, at the end of the first period, Franklin came within a point of Groves at half time and kept even or just behind until late in the fourth period when Larry Duffield hit a basket that put Franklin in front, 52-51.

Groves came back with a basket and free throw before Duffield notched another hoop to leave his mates one point back at the final buzzer.

Rocks, Thurston Clash in Swim Showdown

A classic in every sense of the word. That's the swimming meet scheduled for this Saturday evening when Thurston High entertains Plymouth.

The rivals comprise two of the state's Class A powers. Plymouth at the moment shares first place in the Suburban Six League with Trenton. Each has an 8-1 record. In overall competition, Plymouth stands 10-1.

Thurston already has wrapped up the Northwest Suburban League dual-meet tank title with a 6-0 record and has a 13-1 mark for all competition.

The meet will serve as a tune-up for the league championship meets faced by each team the following week and then the state meet on March 13-14 at the University of Michigan.

Both Thurston and Plymouth roared to easy victories last week. Plymouth rocked Belleville, 75-30, while Thurston disposed of Riverview, 56-49, and then trounced Southfield, 77-28.

Individual honors for the week went to Thurston ace Ken Wiebeck who, in winning the individual medley against Southfield, was clocked in 2:05.8, the fastest time ever recorded by a Michigan prep swimmer for the event.

The present state record for the individual medley stands at

2:06.7. Wiebeck's effort also wiped out the old varsity and pool records at Thurston.

Wiebeck later teamed with Pat Duthie, Bob Lloyd and Ossie Amberg to set a school mark of 1:32.6 in the 200-yard free style.

How Plymouth and Thurston swimmers placed last week:

PLYMOUTH 75, BELLEVILLE 30

Medley relay: 1—Plymouth (Dan Olsen, Dave Agnew, Rick Malboeuf, Mike Drenna) Time: 1:48.3.

200-yard free: 1—Tom Blunk, 2—Jim Norman. Time: 2:00.3.

50-yard free: 1—Dick Barry, 2—Jim Mattison. Time: 23.9 seconds.

Individual medley: 1—Jim Beglinger, 2—John Boswain. Time: 2:13.5.

Diving: 1—Bert Quinn, 2—John Hertz.

Breaststroke: 1—Beglinger, 2—Malboeuf. Time: 59.5 seconds.

100-yard free: 1—Norman, 2—Bob Knapp. Time: 53.7 seconds.

Time: 1:09.1.

400-yard free: 1—Doug Breed, 2—Doug Jaskierne. Time: 4:46.5.

Breaststroke: 2—Bob Williams.

Freestyle relay: 2—Plymouth (John Todd, Jim Haarbauer, Boswain, Agnew).

THURSTON 56, RIVERVIEW 49

Medley relay: 1—Thurston (Jim Girard, Jim Vedder, Ron Smith, Don Mueller). Time: 1:51.1.

200-yard free: 2—Jeff Lach, 3—Bill Zeeb.

50-yard free: 1—Ossie Amberg. Time: 24.3 seconds.

Individual Medley: 1—Pat Duthie, 2—Bill Barringer. Time: 2:13.9.

Diving: 2—Ed Surian.

100-yard free: 1—Ken Wiebeck, 3—Bob Lloyd. Time: 52.8 seconds.

Backstroke: 2—Girard.

400-yard free: 2—Zeeb, 3—Lach.

Breaststroke: 2—Vedder.

Freestyle relay: 1—Thurston

(Wiebeck, Amberg, Lloyd Mueller). Time: 1:35.4.

THURSTON 77, SOUTHFIELD 28

Medley relay: 1—Thurston (Girard, Gordon Niles, Barringer, Mueller). Time: 1:51.8.

200-yard free: 1—Lach, 2—Zeeb. Time: 2:02.8.

50-yard free: 1—Lloyd, 2—Rex Korden. Time: 24.9 seconds.

Individual Medley: 1—Wiebeck, 2—Duthie. Time: 2:05.8. (Varsity and pool record).

Diving: 1—Rick Massoul.

Butterfly: 1—Farringer, 2—Ron Smith. Time: 1:01.1.

100-yard free: 1—Amberg, 3—Mueller. Time: 53.3 seconds.

Backstroke: 1—Girard, 2—Jack Sibal. Time: 1:01.1.

400-yard free: 1—Zeeb, 2—Lach. Time: 4:23.5.

Breaststroke: 2—Dennis Lyon, 3—Niles.

Freestyle relay: 1—Thurston (Duthie, Lloyd, Wiebeck, Amberg). Time: 1:32.6 (varsity and pool record).

Thurston Takes Mat Title

Thurston high's wrestling team roared to the Northwest League championship last Saturday night by rolling up 124 points.

Coach Jim Knotts' matmen finished well ahead of runnerup Franklin, which tallied 91 points. North Farmington was third followed by Birmingham Groves and Oak Park.

Thurston produced six of the individual champions, as follows:

95 pounds: Jim Todd. 103: David Belknap. 127: Paul Christie. 135: David Woloch. 145: Pete Marsalese. Heavyweight: Dave Szostak.

Franklin had three winners: Frazier (138), Moore (154) and Tremonti (165).

Others from the area schools to place were:

95 pounds—Shepher (F); 112—Razus (F), 120—Dawson (F), 138—Walker (T), 145—Vaughn (F), 154—Spikes (T), 165—Rock (T), 18—Scheck (F).

The night's best match was between Marsalese and Vaughn. The latter was beaten for the first time this year.

Many Favor 'New Home Size at Old Address'

Millions of American families, who prefer a "new home at the old address," spent nearly \$20 billion on home modernization last year, according to Home Improvement Council, which represents manufacturers, dealers, contractors and others involved in the home improvement business.

This year, home owners will spend even more for this purpose, Council executives declare, pointing out that there is a growing realization on the part of property owners that remodeling can be a good investment. The home that is well kept and periodically improved will bring a much higher resale price than the owner's total investment in it.

Many families, too, improve their present homes because they do not want to move. They

have made friends in the neighborhood. The children are settled in area schools. The housewife has come to know and have confidence in area retailers. These and a variety of other factors exert a tremendous hold. Living (as millions of families do) in post-war homes built to minimum standards, and with larger families, the happiest solution is often to improve the present dwelling.

Responsive to the needs of the many families embarking upon such projects is the growing number of one-stop home improvement centers, where home owners can obtain all of the materials and arrange for all labor needed for the most ambitious project. Financing can be arranged at the same time. As a result, home improvement projects are almost as easy to buy as a new car.

Families Aim At Up-Dating Bathrooms

One of the most common problems in home improvement concerns the bathroom in the older house. With outdated fixtures and a bad layout, this bathroom can seriously inconvenience the growing family.

Often a family should really have two wash rooms if children and adults are to enjoy the privacy dictated by modern, active living. The answer, of course, is modernization and, where possible, addition of a small bathroom.

Bathroom modernization can vary from just the essential replacement of old fixtures to a complete change, including wall and floor coverings, lighting, and room layout.

In the first instance, there is much improvement to be gained simply by removing old fixtures and installing modern ones.

The old bathtub can be replaced by a modern tub, in color or white, in one of many attractive contemporary styles.

New Lavatories

In choosing a new lavatory, there are a wide variety of possibilities. In the pedestal type, one can choose a model with wide ledgerroom on either side of the bowl which is convenient for grooming and placing toiletries.

Another type of lavatory is the cabinet model. No longer does this kind of installation have to be custom-made. Well-known manufacturers offer such units as part of their standard line.

Where bathroom modernization is more extensive, the homeowner has a wealth of possibilities in considering fixtures and accessories. Consultation with a plumbing contractor will give the home owner an idea of how many variations exist.

Variety of Tubs

Tubs can be recessed or be

corner models; they can be of the luxurious square type, where the tub cavity is on the diagonal and the corners form handy seats.

Instead of one sink, the utility of the bathroom can be upgraded by two pedestal-type sinks, or two drop-in sinks built into a countertop. Another possibility, which presents itself by re-arranging the fixtures, is a much larger sink than was formerly used.

Perhaps, at first review, there seems to be no available space

in the older house which could be converted to a second bathroom. Consultation with a plumbing contractor may prove otherwise. Often hall areas can be diverted, transferring wasted space into a bathroom.

PATCH WORK

Individual squeeze tubes of caulking are ideal for patching cracks around windows or doors. A metal key on bottom edge of tube enables user to squeeze the compound out in a smooth, even bead.

Both Thurston and Plymouth roared to easy victories last week. Plymouth rocked Belleville, 75-30, while Thurston disposed of Riverview, 56-49, and then trounced Southfield, 77-28.

Individual honors for the week went to Thurston ace Ken Wiebeck who, in winning the individual medley against Southfield, was clocked in 2:05.8, the fastest time ever recorded by a Michigan prep swimmer for the event.

The present state record for the individual medley stands at

For centuries the fine hardwoods have been used by man for distinctive cabinetry and architectural decorating.

In some cases the name hardwood is a misnomer, for some of the softwoods are actually harder than some hardwoods. The distinction between these two broad classifications of trees is the difference between broad-leaf and evergreen trees. The hardwoods come from trees that shed their leaves in the winter. The softwoods are the evergreens which retain their needles.

There are 99,000 botanically

Fine Hardwoods Popular

named species of hardwoods throughout the world with some 250 available for use in North America.

The most popular hardwoods seen today are birch, walnut, maple, cherry, mahogany, oak and the exotic woods that include zebra-wood, rosewood, and many others. Often these exotic woods are seen in combination with other woods, acting chiefly as accents.

Various parts of the tree produce different grains and patterns, while all of the most used have their natural texture, color and grain. However the wood is cut, no figures are alike. This unique "fingerprint of nature" in each cut of wood means that every piece of furniture is literally an original.

Mirrors Can Add Spaciousness To Room

One of the newest wall covering materials is, surprisingly, one of the oldest — mirror.

In the past year, top decorators and builders have become remarkably conscious of wall mirror installations because of their versatility and beauty.

As one example, a model house chosen to be erected all over the country for National Home Week 1960 had both bedrooms with ceiling-to-floor, wall-to-wall mirrors, used as sliding closet doors.

Also, in a recent decorators' show in New York, eleven leading American designers showed room settings featuring large areas of mirror—either as completely mirrored walls or in combination with fabric and wallpaper.

One of the reasons for this trend is that mounting construction costs continue to limit room sizes — and strategically placed mirror areas can stretch out walls, make a small foyer seem twice as large, and can lower or raise a ceiling.

Moreover, a wall of mirror gives the impression that a room has twice as much furniture as it really has.

Mirrors can increase, even double, the amount of light in a room. One suggestion is a circle or square of mirror on the ceiling above a chandelier. Wall mirror directly behind a lamp will give more light without glare, and also stress the beauty of the lamp itself.

Designers and architects are now considering mirror as a material useful anywhere in building, like wood or stone. Technical developments plus new production methods are largely responsible for this current trend.

All top quality mirror is now made of twin-ground plate glass, where the glass sheet is placed in a machine which grinds and polishes both surfaces at the same time to eliminate any possibility of distortion.

With these new, perfected types of mirror available, the traditional picture of the small framed looking-glass has begun to give way to areas of mirror found just about anywhere in a house.

Designers suggest, for example, mirroring a linen closet in back of the shelves, so you can see every item in the linen supply department.

Bathrooms are blossoming out in mirror, when once the little mirror on the medicine chest was the only one available for shaving or make-up. Even the medicine chest itself is giving way to long shelves with sliding mirror doors, or even racks of shelves with separate wall mirror covering the area from basin up to the ceiling line.

The one major "don't" with respect to mirrors is to avoid putting them where people will have to stare at themselves for any length of time, as in a dining area against the table.

THIRD BIG WEEK FROM MORNING 'TIL NIGHT! doris day james garner polly bergsen. 'more cover, darling' starring AUDREY HEPBURN GEORGE PEPPARD COLOR

'Curtain Going Up'

'Never Too Late' slipped quietly into the Fisher Theater this week. Old Wally predicts you'll be hearing a great deal about this lively domestic comedy.

William Bendix has the choice role of the elderly male in the family who suddenly discovers late in his marriage that a 'blessed event' is on the way.

You'll laugh and roar at the clever situations in 'Never Too Late.' If you'd like to help the Plymouth Symphony Society, purchase your ticket right away for this coming Friday night.

Dramatics of a more serious nature will fill the stage of the Trueblood Auditorium in Ann Arbor during the week of March 3-8.

The U of M players have changed their bill for the coming week. 'The Firebugs' have been scheduled in place of 'The Affair.'

As civilized as we think we are, there are moments when we discover that man isn't too far removed from his primitive level. Our fight against nature is revealed too often in strange ways and places.

Kiddies Saturday Matinee OPEN 11:45—last complete show 1:45 '5 WEEKS IN A BALLOON' WITH RED BUTTONS PLUS 'WALK TALL' WITH WILLARD PARKER Plus KARTOON KARNIVAL

TWO AFS STUDENTS appearing on International Night program along with a host of others will be (l-r) Patricia Oraline Sullivan and Yrjo Reine Keivulehte. The International Night will be held at Clarenceville High School in the cafeteria, Thursday, Feb. 27 at 8 p.m.

Marshall Band Students Rate In Festival

Saturday, Feb. 22, thirty-four Marshall band students entered solo and ensemble competition at the District Solo and Ensemble Festival at Willow Run High School. The Marshall students played along with students from Ann Arbor Ypsilanti, Dearborn, and Livonia, and won ratings of good, excellent, and superior. Those winning a rating of good were: Jim Yzquierdo, Gary Hund, Linda Johnson, Laura Fitzpatrick, Janet Fairgrieve, and Peg Shaw.

Those winning a rating of excellent were: Ellen Robinson, Edith Schroeder, Randy Haight, Keith Kobet, Muriel McKee, Margaret Worthington, Stuart Pettit, Sally Combs, Shirley Jacob, Marilyn Michelak, Judy Samelson, Linda Hay, Donna Klinkert, Judy Molnar, Kerry Manseau, Cheryl Maynard, Keith White, Gary Lloyd, Paul Meloche, and Richard Eden.

Students who won a rating of superior were: Elizabeth Woolf, Gordon Bredesen, Larry Roberts, Keith Kobet, Bob Zeeb, Dave McDonnell, Linda West, Jim Strickland and Marcia Ramsey. The piano accompaniments for the soloists played a major part in the high scores. The accompaniments were played by: Janet Claus, Cathy Cummins, Dick Pinch, Karen Mikeshock, Nancy Greenberg, Kathy Kennedy, Caroline Sproule, Roger Bice and Sharon Ehike. Medals were given to the students who earned a rating of superior or excellent.

What About The B-S-T Folks? - RSL Has Them

When the house lights darken and you take your seats for one of the exciting performances of "Viva La Girls" written, played and produced by members of the Redford Suburban League Theatrical Guild there will be plenty of Blood, Sweat and Tears shed you'll never know about.

To start from scratch, producing a musical comedy (on a volunteer basis) takes a doctor's degree in psychology to do without (b-s-t)—blood sweat and tears. To date none has held such a degree and each has had plenty of b-s-t, particularly the producers.

Usually the thing that cements the group is the "the cause." Redford Suburban League and its actor husbands are not exceptions.

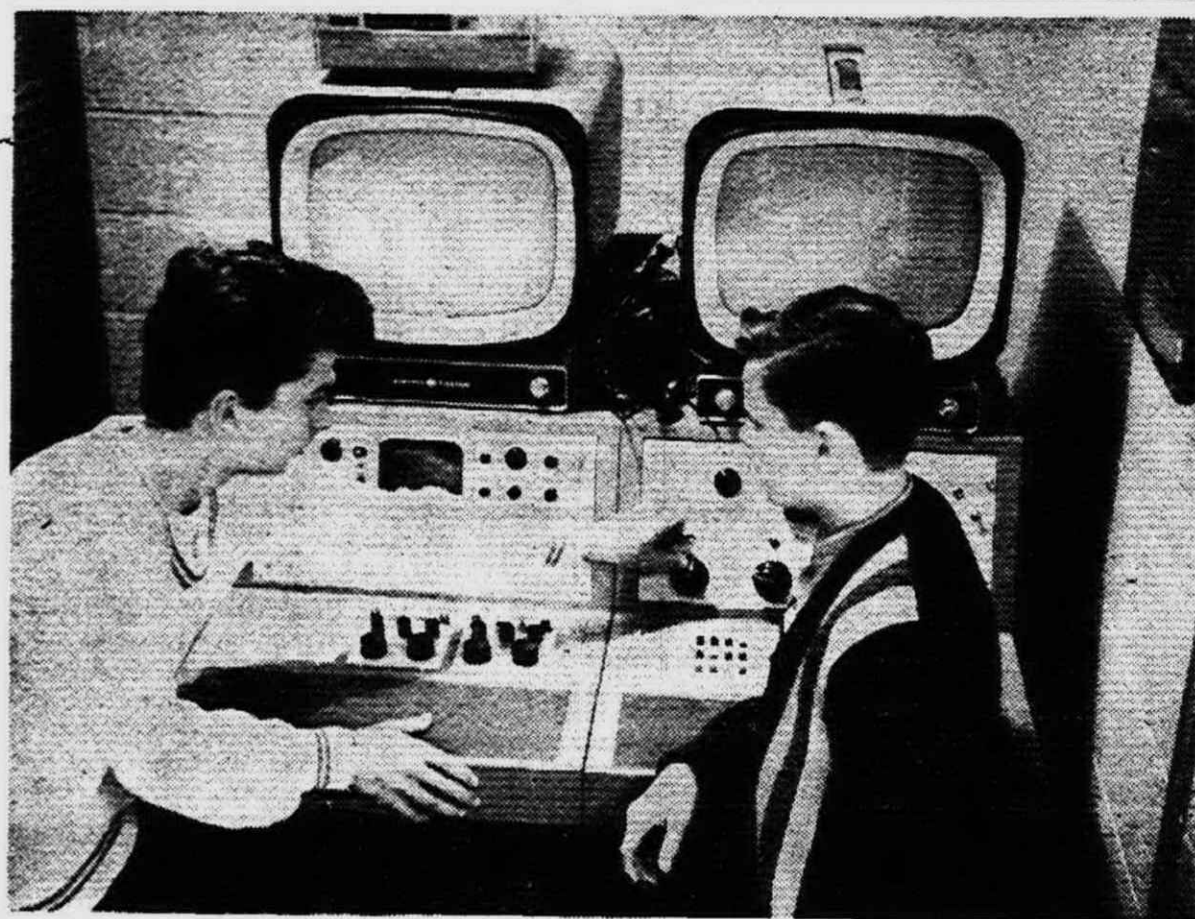

"Viva La Girls" will be held at Redford Union High School, 17711 Kinloch at Curtis, 7:30 p.m. May 21, 26 and 7:30 or 10 p.m. May 22. Tickets will be \$1.75 and 75 cents for students.

Despite the B-S-T, loyal show-biz members come back year after year and give their all.

The show has gone on despite broken heads, hearts and eyes, even legs—the ones to be most admired are the ones that show up each year.

Those who get the "B-S-T" citation this year are Producer, Mary Lou Bradles; assis-

tant and treasurer, Margaret er. Doris Weber; costumes, Minor McArthur; props, Delores Sheldon; publicity Margaret Lewis. All the fur that flies during the next couple of months, will not be known by those sitting with anticipation for the house lights to dim—and be forgotten like last year's labor pains by those in front of the footlights.

FEDERAL AID TO EDUCATION has long been a reality in Livonia. The students pictured above, Jack Moon (left) and Joe Antonishek, are operating a portable television monitor supplied on a matching fund basis by the national government to Livonia's Franklin High School. The monitor is a part of Franklin's closed circuit television teaching program, which will become fully operational some time this week.

Mutual Finance Opens New Branch At Buckingham Center

Mutual Finance Corporation announces the opening of its newest branch office in the Buckingham Shopping Center on Schoolcraft and Inkster Roads in Livonia, managed by Gilles LeBlanc.

Mutual now operates two offices serving the public with consumer finance loans up to \$1,000. Additional offices are to be opened in the near future.

Officers of the Company are: Sam E. Dashow, president; Peter D. Brown, Irving Tyner, vice presidents; Rubin Losh, treasurer; and Samuel S. Silverstein, secretary.

SIX THURSTON musicians took first division honors at District Twelve Band and Orchestra Festival last Saturday at Willow Run High School. (l-r) Jim Keene, alto saxophone; William Zeeb, clarinet; Marcia Harris, Oboe; Wanda Hauswirth, Cello. Also first division but not in picture were Dan King and Bruce Preston, percussion duet.

You Are Welcome To Prove It!

Are Women Who Work Good Cooks?

Proof of this pudding is in the eating, for sure, and women who work have the opportunity to prove their culinary skills during a "Salute to Women Who Work."

The best recipe for a one-dish meal entered in the "Queen of the Kitchen" contest will earn the choice of one of six very best deluxe electric ranges. Second prize is a meal-size electric broiler-rotisserie and the third place award a seven-speed blender.

A feature part of "Women Who Work" week, which will be observed the week of March 29, the contest is open to any woman in Plymouth, Livonia, and Redford Township who is employed full time outside her home. She may be married or unmarried and of any age.

Ten finalists will be judged by the Newspaper and Broadcast Food Editors of Detroit. Judging will be done at a cook-off to be held at the Edison Electric Living Kitchen in Detroit on April 2. Contestants must be present.

Working women are invited to send their favorite recipe for a one-dish meal, along with name, address and place of employment to "Queen of the Kitchen," Edison office, 186 South Main St., Plymouth.

Romance In Coins Told At Meeting

Riverside Coin Club will meet (tonight) Wednesday, Feb. 26 at 7:30 at the Plymouth-Cranston Branch of the National Bank of Detroit, 32203 Plymouth Road. Money talks when it is in the form of rare old coins and this is an opportunity to see the National Bank of Detroit Special Money Museum Exhibit and hear C. Hoskins, Assistant Curator of the Money Museum.

Hear the story of coins that tells of traders and pirates, of merchants and seafarers. See coins of the Holy Land and ancient coins of the Far East. Call Joseph J. Weaver 422-4981 for questions.

You'll be surprised when you see the excellent buys listed in the "Shoppers Specials" column in the Classified Section.

Can you afford a 16% INCREASE IN YOUR PAYROLL TAX?

That is the minimum payroll tax increase all workers earning \$100 or more a week would be forced to pay if the **MEDICARE** bill now before Congress becomes law.

What's more the Medicare plan is morally wrong for it would compel wage-earners, and their employers, to shoulder this new tax load to provide care for millions of the elderly financially able to take care of themselves.

In other words, those least able to pay more taxes would be paying hospital bills for many who are most able to pay their own way.

Everyone agrees that all our elderly should receive all the health care they need when they need it. That's why local, state and federal programs are available now for helping those who need help in paying for health care.

And you are now paying taxes to support these programs.

No need has ever been demonstrated for Medicare, a costly, compulsory Federal Government plan.

If you believe as we do, write your Congressman and your Senators today. Urge them to vote against Medicare (H.R. 3920).

For more information why **MEDICARE** would be **BAD MEDICINE**, ask your family physician.

Your Representative Is:
Mrs. Martha W. Griffiths
Her Address: House Office Bldg.,
Washington, D.C.

Your Senators Are: Philip A. Hart
Patrick V. McNamara
Their Address: Senate Office Bldg.,

U.S. Wastes \$1 Billion On Frauds
EAST LANSING. — Americans wasted \$1 billion on false and fraudulent products in 1963, a Farmers' Week audience learned at Michigan State University.

Discussing "Food Fads and Fallacies," Dr. Dena Cederquist, chairman of the MSU Department of Foods and Nutrition, said that Americans are expected to spend twice that much on frauds in 1964.

She warned Michigan families to be on the lookout for the modern "medicine man" and offered these tips to avoid buying fraudulent food products:

—Suspect anyone who says the American food supply is unsafe or lacking in nutritive value.

—"We have the most active 'policemen' in the whole world guarding our food supply, she pointed out.

—Be suspicious of anyone who attaches magic curing powers to a food.

—Be suspicious of any food product not available in a regular store.

"If it's an acceptable, reputable food, it will be available on the open market," the nutritionist said.

—Suspect any person who makes any unusual claim for food. All food can do, she pointed out, is nourish the body.

NOTICE OF HEARING LIVONIA DRAIN No. 11

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Chapter 20 of Act 40, Public Acts of Michigan, 1956, as amended, a petition was filed with the Drain Commissioner of the County of Wayne, Michigan, by the City of Livonia, Michigan, requesting said Drain Commissioner to construct a County Drain, the location and route thereof to be as follows:

An open drain and an enclosed drain together with necessary appurtenances, the location and route of said drain to be as follows: Beginning in the Bell Creek at the point of beginning of the established Patter Drain, thence an open drain following the route of the established Patter Drain to a point approximately 20 feet North of the center line of Five Mile Road, thence an enclosed drain southerly across Five Mile Road, and southerly adjacent to the West line of Koloif's Greenbriar Meadows Subdivision and Koloif's Greenbriar Meadows Subdivision No. 2 and Koloif's Greenbriar Meadows Subdivision No. 3 a distance of approximately 2800 feet to the center line of said open drain westerly along Lyndon Avenue approximately 400 feet to the established Patter Drain in the City of Livonia, Wayne County, Michigan, T. S. R.S.E.

NOTICE IS FURTHER GIVEN, that the Drainage Board for said Drain has considered the said petition and made a tentative determination that the said petition is sufficient, and that the said project is practicable, has designated the name "Livonia Drain No. 11" as the name of said drainage project, has designated the name "Livonia Drain No. 11 Drainage District" to the drainage district thereof, and has made a tentative determination that the following public corporations should be assessed for the cost of said project, to wit:

COUNTY OF WAYNE, on account of drainage to Wayne County Highways.

CITY OF LIVONIA, Wayne County, Michigan, at large, for benefits to the public health.

NOTICE IS FURTHER GIVEN, that the Drainage Board will meet on the 18th day of March, 1964, at 11:00 o'clock a.m., Eastern Standard Time, in the Council Room in the Livonia City Hall, 35001 Five Mile Road, in the City of Livonia, Wayne County, Michigan, for the purpose of hearing any objections to said project, and for the purpose of assessing any taxpayer thereof, will be entitled to be heard.

This notice is given by order of said Drainage Board.

Henry V. Herrick
Chairman of the Drainage Board

Housewives Warned To Pay SS For Help

wives came from Harry Baltuck, Manager of the Detroit Northwest Social Security Office. According to Baltuck, many housewives do not know that their maids, cooks, gardeners, and other household help are covered by the social security law.

"Some housewives in the Detroit Northwest area have had to pay up back social security taxes, plus interest and a penalty because they failed to make social security reports on time," he said.

Baltuck emphasized that social security coverage for household workers is not optional. "If the worker is paid cash wages of \$50 a quarter by one employer, she's under social security," he said.

He cited the recent case of a cleaning woman who worked only one day a week. Although she worked for one family only, and made only \$4 a day, this was enough to bring her work under social security.

Since there are 13 weeks in a calendar quarter, she was being paid \$52 a quarter. Her employer must make a report to the Internal Revenue Service at the end of each quarter and pay the social security tax on the wages.

Social Security reports for the October, November, December quarter are due by January 31. The reports go to the District Director of Internal Revenue, Detroit, Michigan.

Housewives may get the report forms sent to them after they fill out and mail a postcard form available at the Detroit Northwest social security office, 18500 Grand River, Detroit.

Baltuck pointed out that the tax is shared equally by the housewife and the worker. The tax for each is 3 1/2 percent. The housewife deducts the worker's tax from her pay and sends a check for the total tax with the report.

The Detroit Northwest Social Security Office has a booklet which explains social security coverage for household workers in detail. The booklets are free and include the postcard a housewife needs to mail to get the report from the Internal Revenue Service.

"My Thanks to the 3,807 fine Livonians who affirmed their support for me in the primary election."

Socially Speaking

In and Around Plymouth Town

By DOROTHY FINNEY GL 3-6160

Brownie Troop 380, sponsored by the V. F. W. Auxiliary, celebrated its first birthday Wednesday afternoon at the Hillside Inn.

The February planning meeting of the Plymouth Birthday Ladies was held at noon Monday, Feb. 17 at the home of Mrs. Ruth Burton on Haggerty Road.

The next meeting will be March 18 with Mrs. June Wells of Eckles Rd., when Easter baskets will be filled for each patient in N Building.

APPROXIMATELY 100 members and friends of the Plymouth Grange enjoyed an Open House at the Grange Hall Thursday evening.

The musical program with a Lawrence Welk theme, was presented by the string section of the Junior High School East Orchestra, under the direction of Laurence Livingston.

Other entertainment included folk songs by several singing groups and a medley of ragtime piano music.

THE STUDY CLUB met Wednesday with Mrs. Virginia VonHofe of Ann St. Colored films of the Rose Parade at Pasadena, the Blossom Festival at Benton Harbor, and the Tulip Festival at Holland, were shown by Ray VonHofe.

The next meeting will be at the home of Mrs. Elinor Graham of Ann St. on March 18.

THE FOLLOWING is a paragraph from a letter I received last week from Miss Edna Allen, a former Plymouth High School principal and English teacher and my good friend and former neighbor:

"Did you see Sylvia Porter's line in the Free Press—'A fine leap year campaign, with one woman chasing seven men.' Russell Kirk, a PHS grad of '35, '36 or '37 (I've forgotten which) often has an article on the feature page; he's written several books.

"Sally's letter prays that 1964 will be seeing less of the world's children hungry. Well, the Duke of Wellington thought the world was so bad he hoped he'd die soon—he died in 1852.

"I think Dewey's psychology hurt parents of yesteryear by teaching them they must not inhibit their children in any way. A bit of inhibiting at one or two years, on the fanny, wouldn't hurt."

Miss Allen, who lives at the Presbyterian Village on Six Mile Rd., Detroit, is happy

there although she misses her many friends in Plymouth. She was here recently for a luncheon for Mrs. Ann Nichol's birthday and occasionally attends the A.A.U.W. meetings. She plans to attend the White Breakfast at the Presbyterian Church in Plymouth in March.

She types her many letters with a gooseneck lamp bent over the keys. Other Plymouth ladies at the Village are Clara Todd, Ethel Parmalee, Bertha Warner and Katie Brown.

MR. AND MRS. JAMES VANGIESON of Bruce St., flew to Miami Friday and were joined there on Saturday by the Alan Finneys of Murray Hill Drive. On Tuesday the two couples went by boat to the Bahamas and are staying at the Nassau Beach Hotel for a few days.

Mrs. VanGieson's aunt and uncle, Mr. and Mrs. Hubert Thaxton of Charleston, W. Va., are staying at the VanGieson home to care for their children. Mrs. Stirling Kennedy, of Dallas, Mrs. Finney's mother, is staying with their youngsters.

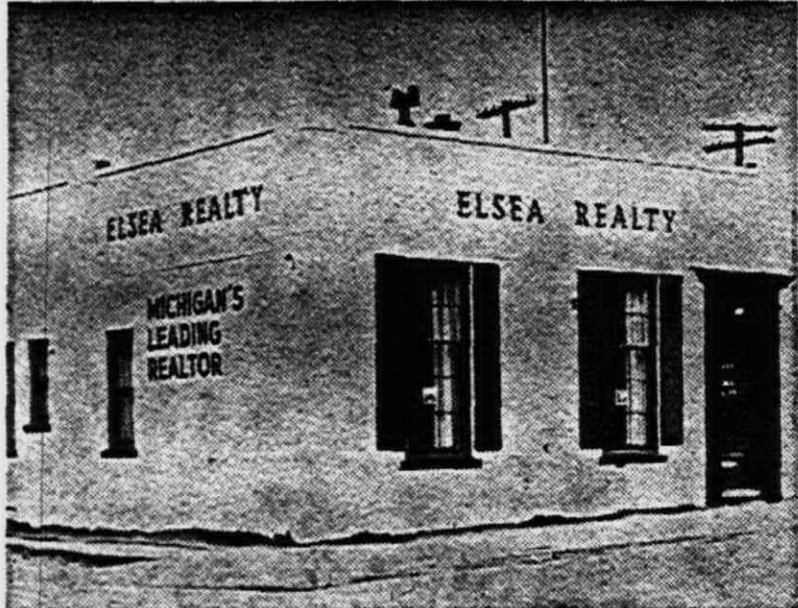

THIS IS YOUR LIFE Mr. and Mrs. Donald Graham and Dr. and Mrs. Ralph Snoko were hosts to 11 couples at a farewell party for Dr. and Mrs. David A. Johnson last Saturday in the Snoko home on Carol St.

Mrs. Johnson, the former Jackie Dalton, and her husband are both natives of Plymouth. They were presented with an album of photos and illustrations depicting events in their lives from kindergarten through high school.

The Johnsons, who lived at 489 Blunk St., have gone to Bay City to make their home. Dr. Johnson had been associated with Dr. Barry Alfred. Their family includes David, Matthew, Margaret and Ann.

Mrs. Johnson has been honored at several morning coffees. Mrs. Charles Ketterer, Mrs. Jay DeMott and Mrs. William Moon were hostesses to 12 guests on Tuesday, Feb. 18 at the Ketterer home on Sheridan Ave. Another coffee was given the week before by Mrs. Joseph Minahan, of Carol St., for a group of Jackie's friends.

TASTE AND SEE The Women's Society of the Christian Service of the First Methodist Church is sponsoring a "Taste and See" from 1 to 3 p.m. on Wednesday, March 4 in the church dining room. The public is invited to sample the recipes which appear in the cook book published by the Women's Society.

OPENING OF A NEW BRANCH OFFICE of Elsea Realty Company to serve the Livonia-Farmington area has been announced by president Staunton M. Elsea. The office is the fifth for the company in the metropolitan area. It is located at 23603 Farmington road, just south of Grand River. Ten people staff it under the direction of Mrs. Lavern Bruce.

Area Obituaries

Mrs. Maritta Cobb Services for Mrs. Maritta Cobb, 80, 14080 Henry Ruff, Livonia, were conducted Feb. 19 in charge of Rev. Richard Dunkelberger with burial in Parkview Cemetery.

Mrs. Cobb died Feb. 16 in St. Mary Hospital following an illness of two months. She was born Sept. 17, 1883 in Ohio, a daughter of William and Emma Bacon Christopher.

Surviving are: three sons, William, Richard and Charles; a daughter, Mrs. Virginia Benoit and 11 grandchildren.

Harvey Rheume Services for Harvey Rheume, 72, 9620 Mayfield, Livonia, were conducted Feb. 17 in charge of Rev. Jay Colton with burial in Grand Lawn Cemetery.

Mr. Rheume died Feb. 13 in Harper Hospital following a stroke. He was born April 23, 1891 in AuSable, Mich., a son of Anthony and Pauline Castanier Rheume. He was a retired bank teller at the Detroit Bank and Trust Co.

Surviving are: his wife, Mrs. Beatrice Rheume; three daughters, Mrs. Evelyn Kesselring, Mrs. Pauline Reed and Mrs. Patricia Hypes; four sisters, Mrs. Beatrice Markham, Mrs. Irene Trepanier, Mrs. Isabelle Metz and Miss Jeanette Rheume; three brothers, Achille, Edmund and Frank; and five grandchildren.

Allister Innes Services for Allister M. Innes, 67, 6955 Tower Road, Salem Township, were conducted Saturday in the Schrader Funeral Home in charge of Rev. E. H. Chipchase with burial in Worden Cemetery.

Mr. Innes died Feb. 19 in St. Joseph Mercy Hospital in Ann Arbor following a lengthy illness. He was born Aug. 14, 1896 in Woodstock, Ontario, a son of John and Jennie Vandercar Innes. He had resided in Salem Township for 30 years and was a farmer.

Surviving are: his wife, Mrs. Constance Innes; two daughters, Mrs. Donna Jones and Mrs. Jenneane Hawkins, of Ann Arbor; a sister, Mrs. Christine Otto, Stratford, Ontario; a brother, John of Stratford, and four grandchildren.

Albert F. Williams Services for Albert F. Williams, 68, of 42180 Clemons, Plymouth, longtime plumbing inspector for the cities of Plymouth and Northville, Plymouth Township and Northville Township, were conducted Friday in the Faith Lutheran Church in Livonia.

Mr. Williams died Tuesday, Feb. 18 in St. Mary Hospital following a short illness. He was born Jan. 7, 1896, a son of James and Rose Reiman Williams.

He was a charter member of the Faith Lutheran Church and

a retired worker at the Ford Motor Co. plant in Northville. Surviving are: his wife, Mrs. Vera Williams; three sons, John, Philip and Albert Jr.; two daughters, Charlotte and Thelma; a stepdaughter, Shirley; one sister, Mrs. Minnie Felsner of Plymouth; 20 grandchildren and five great grandchildren.

Frederick Londo Funeral services were held for Frederick Londo, 19551 Five Points, Redford Township, on Tuesday at 10 a.m. from St. Priscilla's. Father Cushing officiated with interment in Holy Sepulchre.

Mr. Londo, 45, passed away Feb. 22 at Redford Community Hospital. He is survived by his wife Rosemary, children Nancy and Freddie, and parents Mr. and Mrs. Gordon Dawson. He is also survived by brothers Sidney and W. C. Londo.

He was employed by the N. Y. Central Railroad, and was active in the D.A.V. and Little League.

Mrs. Lorena May Friday Funeral services for Mrs. Lorena May Friday, 62, 508 Roe Street, Plymouth, were conducted Tuesday in the Schrader Funeral Home in charge of Rev. U. B. Godman and Rev. Charles Bayless with burial in Riverside Cemetery.

Mrs. Friday died Saturday at her home. She was born Feb. 25, 1901 in Rosebush, Mich., a daughter of Herbert and Jessie Vilas Terry. She had resided in the community for more than 50 years.

Mrs. Friday was a member of the Historical Society of Plymouth, The Book Club of Plymouth and was president of the Plymouth W.C.T.U.

Surviving are: her husband, George I. Friday; a son, Sydney of Sarasota, Fla.; two daughters, Mrs. Leroy Smith, Florida, and Mrs. Jesse Hill of Flint; three brothers, Frank Terry, Plymouth; Harry Terry, Clearwater, Fla. and Leone Terry, Ypsilanti; two sisters, Mrs. Gladys Robinson and Mrs. Ella Gould, Plymouth; and six grandchildren.

Marcus McGraw Services for Marcus McGraw, 72, 371 Auburn, Plymouth, were conducted Wednesday in Our Lady of Good Counsel Church with burial in Holy Sepulchre Cemetery. The body lay in state in the Schrader Funeral Home in Plymouth.

Mr. McGraw died Sunday in Ann Arbor. He was born Sept. 27, 1891, a son of John and Johanna Kain McGraw. He moved to Plymouth in 1926 from Saginaw and was a retired engineer of the C&O Railroad.

Surviving are: his wife, Mrs. Vera McGraw; one daughter, Mrs. Mary Bettis, Lansing; a son, James of Plymouth; a sister, Mrs. Marjorie Lindquist, and a brother, Stafford McGraw, both of Grand Rapids.

Plymouth Musicians Win Honors

Musicians from the Plymouth Junior High instrumental department won 68 first and second place awards at the District 12 Solo and Ensemble Festival at Willow Run High School.

The contest was sponsored by the Michigan School Band and Orchestra Association last Saturday.

Plymouth's entries, under the direction of Laurence Livingston, included 15 soloists and 19 ensembles. The musicians won 37 first place blue ribbons and 31 second place red awards.

First division (superior) ratings in solo were awarded to: Cheryl Drennan and Jane Palmer, violin; Norman Fischer, cello; David McGuire, oboe; Don Burleson, baritone; Cornelia Delaney, flute; Bob Myers, clarinet; and Ed Jones, saxophone.

The following ensembles received first place ratings: Gail Fry, Barbara Ross and Pam Smith, flute trio; Jim Warren, Barbara Boer and Tim Robinson, string trio; Jane Palmer and Cheryl Drennan, violin duet; Marjorie Cogger, Robert Frazier, Edward Jones and Rande Allen, saxophone quartet.

Robert Myers and David Sibbold, clarinet duet; Larry Brown, Brian Foust, Mike Coxford, John Larson, Valerie McMullen and Dale Schultz, brass sextet; Cornelia Delaney, David McGuire, Mark Whitaker, Valerie McMullen and Donna Tate, woodwind quintet; Brian Smith and Donna Tate, clarinet duet; David Sibbold and Brian Smith, clarinet duet.

Excellent or second division ratings went to: Andy Wisniewski, Barbara Boer and Stephanie Sanocki, violin; Steve Weage, trumpet; Jan Moorhead, trombone; Linda Hill, Chris Hoepflich, Gail Fry and Yvonne Williams, woodwind quartet.

Betsy Maurer and Gretchen Steiner, flute duet; Barbara Jones and Stephanie Sanocki, viola-violin duet; Ann Whitesell and Gretchen Steiner, flute duet; Ron Pennington and Sam Callan, cornet duet; Jamie Randall and Brian Foust, trombone duet; Larry Brown, sousaphone solo; Robert Van Meter, Steve Weage, Sam Callan and Ron Pennington, cornet quartet.

Don Burleson and Jamie Randall, baritone-trombone duet; Jennifer Bidwell and Marilyn Miller, clarinet duet; Chris Hoepflich and Linda Hill, clarinet duet; and Ann Whitesell, flute solo.

St. Genevieve Hears Spina

TONY SPINA, Chief Photographer for the Detroit Free Press, will speak at the March 3 meeting of St. Genevieve Altar Society. One of the best known photo-journalists in the world, Spina will show slides on "Pope Paul and the Ecumenical Council." His experiences in Rome have provided him with material for two impressive books, "The Making of a Pope" and "The Pope and the Council."

SMILING AFTER A PLEASANT LUNCH and an interesting discussion concerning "Why I Chose My Political Party" are (l-r) Weldon O. Yeager, Mrs. Kenneth Timmons, Joseph Crafton and L. C. Glueck. Mrs. Timmons represents the League of Women Voters of Livonia who arranged the program, and Glueck is vice-president of the Lions Club who were hosts to the group. Yeager is chairman of the 17th District Republican party, and Democrat Crafton is campaign coordinator for Neil Staebler, gubernatorial candidate. The program, the purpose of which is to urge citizens to join and be active in the political party of their choice, is available to any interested community organization. Contact Mrs. Timmons, GA 2-1894. Already scheduled to hear the 30-minute program are the Civitan International, Jayettes, Eta Tau chapter of Beta Sigma Phi, and the Circle Club of Christ the King Lutheran Church.

Plymouth Kiwanians Hear Bank Executive

Edward Jones, vice president of the Michigan Bank, talked on "Brotherhood" as the highspot of the traditional Brotherhood Week program sponsored by the Plymouth Kiwanis Club.

Celebration of Brotherhood Week was started in 1929 by the Kiwanians and is an annual event during the week of Washington's Birthday.

Jones emphasized that "brotherhood is the answer to the world's problems," and praised the Kiwanians for their efforts as a group of men with varied backgrounds getting together to do good for the community.

An 11-man delegation from the Plymouth Club presented Mr. Auk the traveling vocation trophy, to the South Lyon Club a week ago. John Ward was welcomed as

the newest member of the Plymouth Club by President Jerry Fitch.

Norm Lofy is planning a special program for the March 10 meeting which will mark the third anniversary of the Plymouth club meeting at Arbor-Lil.

Rotary to Celebrate 40th Anniversary

The Plymouth Rotary Club will celebrate its 40th anniversary with a dinner meeting at Lofy's Arbor-Lil on Monday, April 6. More than 400 are expected to attend.
