

RESPONSE to Plymouth Insurance Broker Charles P. Finlan's proposal to build this four-story office building in downtown Plymouth has been good, with queries coming from firms interested in relocating from Detroit. The \$250,000, high-rise building would be built between the

Penn Theater and the Masonic Temple, Finlan said. It would be the first structure of its type in the Plymouth Community. The proposal will go to the city's planning commission for consideration Wednesday evening. If approved, construction would begin this spring or summer.

### IN BODY CAST:

## Flat on His Back, Second Grader Displays Patience

Instead of being outdoors riding his bike, flying kites playing marbles, tag or other games that small boys love to play, a Smith School second grader will spend the next six weeks flat on his back in bed, encased in a cast that nearly covers him from head to toe.

About five weeks ago, Mark Chiodini, son of Mr. and Mrs. Henry J. Chiodini, 9030 Morrison, was playing tag during recess and fell down fracturing a bone in his thigh. On March 2 he finally came home after spending five weeks in traction at University of Michigan Hospital in Ann Arbor.

Mark's injury according to his mother, might have been much worse than it was if it hadn't been for the quick thinking of Mr. G. Fulton, a janitor at the school. Fulton immediately splinted Mark's leg.

"HE'S SO good and patient. It was kind of a shock to him," Mrs. Chiodini said of her son. She remarked about the tremendous amount of courage that almost all the children in the hospital showed.

While Mark was in University Hospital, Mrs. Chiodini was at the hospital from 7:30 a.m. until 8:30 p.m. everyday. Luckily, she said her mother, Mrs. Hanna Thomas, who lives with them, just took over at home.

Her other son, Matthew, four and one half years old, gained weight while his mother was at the hospital everyday. What does a seven year old boy who is flat on his back in a cast from his armpits clear down to the toes of his left leg do all day long every day?

bed daily to help him with his schoolwork. University Hospital has a school for its patients — if the children can get to the school they go; otherwise school comes to them.

Now that he is home, Mark plays games with his brother, watches television and reads. His father helps him with his arithmetic and his brother boxes with him. He will probably have a visiting teacher until he can go back to school.

TO FURTHER complicate matters, Mark has to go to St. Joseph Mercy Hospital, about April 6 for plastic surgery to improve his speech. — he will still be in his body cast. Then a week later he will be readmitted to University Hospital, hopefully to have his cast removed.

After that fateful day when the cast is removed, the Chiodini's aren't sure what will happen — Mark's leg may have to be placed in another cast or he may have to use crutches for a while.

(Continued from Page 1) possibility of transferring a man from another school building to do the painting. Concerning the overall financial picture, Blunk said tax receipts are at 89 or 90 per cent level at the present time. "We like to have it up around 94 per cent," he noted. Pointing to a fiscal-year-to-date surplus of 2.3 per cent, Blunk termed the financial picture in reasonably good condition at present.

He said textbook orders by elementary principals will probably reduce the surplus to some extent by next month.

UNANIMOUS approval was given the cooperative teacher program proposed between school districts within the Schoolcraft College District, Schoolcraft and Michigan State University.

Under the program, prospective teachers would spend two terms of their junior year student teaching in one of the school systems.

During their senior year, the students would perform intern teaching at the school system where they fulfilled their student teaching requirements.

They would be paid \$3,500 for the internship and an additional \$1,500 would go toward the salary of supervisor, under whom the intern would work.

The consultant would supervise five or six intern teachers within the school system. VOCATIONAL Education committee chairman Ernest Henry told the board a four-man priority committee has been named from the Plymouth High School staff to determine priorities in the staff recommendations made at a joint meeting of the vocational education committee and the school board last Wednesday.

Henry said the priority

### committee includes principal Carvel Bentley, Philip Johnson, William Campbell Mrs. Merle Atchinson. The group will report to the vocational education committee by April 1.

In other action at the Monday night meeting, the school board approved the appointment of three new teachers, Miss Karen Cushman, Miss Nancy Herbig and Miss Sharon Tein. The three, all Hope College students, will start in Sept., 1964.

Resignations of Marguerite Bromley, Miss Barbara Feret and Wayne Dunlap were approved. Music director Dunlap is resigning to take a position as head of Schoolcraft College's music department.

A leave of absence was granted to Elizabeth S. Gibson and science teacher Otis McGuire was granted permission to attend the National Science Teachers' Convention, to be held in Chicago from March 20-24.

The board also gave approval to the proposed 1964-65 school calendar.

## Bakhaus Named Angus Ass'n Secretary

A local farm owner and dairy operator was named secretary-treasurer of the Michigan Angus Association at an annual meeting conducted during the Sixth Annual Futurity Show and Sale held Saturday.

Prices at the auction soared 31 per cent higher than last year's average as two animals consigned by H. W. Bakhaus's Anher Farm went to high bidders at the sale.

The grand champion bull paraded out of the auction ring at \$1,025 and was loaded out for R. K. Christman's farm near Caledonia in Kent County.

Another Anher consignment, the reserve grand champion bull, was purchased by E. R. Johnson and Sons of Flint for \$850.

Auctioneer Paul Good hammered out a \$706 average on 48 lots compared to last year's \$539.

"TODAY'S Problems With Youth" will be the subject of Judge James H. Lincoln's talk at the Bird School P.T.A. meeting, Tuesday, March 24, at 7:30 p.m., in the multi-purpose room. Lincoln has been Judge of Juvenile Court of Wayne County since 1960. He is chairman of the Youth Employment Opportunities Committee, chairman of the Traffic Committee for the National Council of Juvenile Court Judges and chairman of the Resolution Committee and vice-chairman of the Juvenile Affairs Committee of the Probate Judges' Association of Michigan. Prior to his appointment to Probate Court, Lincoln served two terms as a councilman for the City of Detroit.

## Training School Students Hear Yankee Pitcher

More than 150 Wayne County Training School students heard former New York Yankee relief pitcher Bob Kuzava speak Tuesday morning and show a film, "How a Tiger Wins His Stripes." The film depicted the efforts of a young ballplayer trying to become a major league and showed The Detroit Tiger's "Tigertown" facilities.

Following the film and talk, Kuzava fielded questions from the audience. A former Wyandotte resident, currently living in Grosse Ile, Kuzava is expected to return to the school for another program later this spring.

The training school serves the needs of nearly 700 students who function at a low academic level. Many of the students, classed as educable etarded, come from deprived environments.

The school is located on Sheldon Road, north of Plymouth.

## Cigarettes Still Taste Like 'Garbage' To Hypnotised Hillside Waitress

A waitress at Hillside Inn who had smoked cigarettes for about 14 years, stopped suddenly several weeks ago after being hypnotized while she was serving for the Plymouth Business and Professional Women's Club's Bosses' Night meeting, Feb. 18.

"I'd never have stopped, without hypnosis," Patricia Johnson exclaimed.

An awful cough was one of the reasons she was willing to allow Tony Rogers, a hypnotist from Birmingham, to hypnotize her to stop smoking, she said. The cough, she

added, is slowly clearing up. Every time she tries to smoke a cigarette now she has to brush her teeth or eat something immediately to get rid of the terrible taste in her mouth." Rogers told her, when she was under hypnosis, that cigarettes would taste like burned rubber or garbage.

"I've been less nervous since I stopped smoking," she exclaimed. She added that she also has been saving money.

Mrs. Fran Booth, of the Chamber of Commerce office,

does not report such good results from the hypnotist. Mrs. Booth, who has been smoking six or seven years, stopped for about a week following the meeting, but has since resumed her old habit. She did explain, however, that the hypnotist was not as thorough with her as he was with Mrs. Johnson.

Mrs. Gene Weaver is Lake Pointe's latest victim of a skiing mishap. While spending the week-end in Manelona, she fell and broke her leg, ruining what would otherwise have been a delightful week-end. Fortunately she did not have to be hospitalized but was able to come home on crutches. However waiting at home was her seven month son, David, who of course has to be carried. So Mrs. Weaver's mother, Mrs. Albert Engle, has been staying with her to help for the last few days.

Plymouth Newcomer's Club is a club open to everyone who hasn't lived in the Plymouth area for more than two years. Some of the newer Lake Pointers who attended the monthly luncheon at Lofy's last Thursday were Mrs. Harold McKelvey of Pennsylvania, and Mrs. Kenneth Zeman, of Indiana. Mrs. Eugene Wingerson was one of the many who enjoyed Mrs. Sharrard's fascinating talk on bathroom accessories. Mrs.

**Lions Club Holds Annual Charter Party**

The month of February was marked by two major events for the Plymouth Lions Club. The 16th annual charter party and the zone meeting hosted by the club here in Plymouth.

More than 70 persons, members, their wives and their guests descended on Lofy's to celebrate the sixteenth anniversary of the Plymouth Lions Club founding. The meeting was highlighted by a panoramic presentation of the history and accomplishments of the club.

Besides honoring the charter members, the club paid special homage to War-Jones, charter president and guiding force in organizing the Lions in Plymouth. Deferred recognition was made for Jones' completion of 31 years of active lionism in November of last year.

Typical of accomplishments cited for the club were provision of eye glasses and examinations for the needy wheel chairs and hospital beds; active support for the Leader Dog School, the Welcome Home For The Blind, A Cub Scout, Boy Scout and a Girl Scout Troop, and community projects and services.

Preparations are currently underway for the annual White Cane Sale to be held in April. The week of April '64 has been designated as White Cane Week for 1964.

Seen enjoying the many different kinds of sandwiches and cookies at the Plymouth City Pan-Hellenic luncheon last week were Mrs. Roger Zerby who came with Mrs. Fred Sigmon. Among those who listened to Mrs. Thomas Holland explain the plans for the annual spring tea which acquaints high school seniors with college sororities were Mrs. Wendell Smith and Mrs. Robert Petersen.

Every Tuesday morning Mrs. Jack Krieg and several other Lake Pointers can be seen heading towards the library. The reason is a psychology course taught by Mrs. Jean Kerr, a clinical psychologist from Dearborn. ## Buchwald will be Guest Lecturer At Town Hall on Plymouth Day

Featured speaker at the Plymouth Day of the Northville Town Hall Lecture Series on Thursday, March 19, will be syndicated columnist-author Art Buchwald.

ART BUCHWALD

server of the European scene since Mark Twain, and the most successful humorous columnist in the United States by Time magazine, some 180 newspapers around the world carry his syndicated column.

Born in Westchester and raised in Long Island, he left home in 1942 to enlist in the Marines, where he gained his early journalistic experience in the Pacific Theater editing his company newspaper on Eniwetok.

Following association with Variety, a show-business weekly, he joined the New York Herald Tribune in 1949 and by 1952 his column, then called "Europe's Lighter

Side," was syndicated in the American press. Although Paris was his beat, Buchwald would go anywhere and do almost anything, to gather material for his column. He has marched in a May Day parade in East Berlin, chased goats up and down mountains in Yugoslavia, climbed trees to get a better view of the races at Longchamps, traveled to Turkey to get a first-hand impression of a Turkish bath, and on one occasion made a three week trip behind the Iron Curtain in a limousine driven by a uniformed chauffeur, as he wrote in his columns, "show the Communists what a bloated, plutocratic capitalist really looked like."

He has had nine books published, including "I Choose Caviar," "More Caviar," "Don't Forget to Write," "How Much is That in Dollars," and most recently "I Chose Capitol Punishment."

## AAUW Donates \$600 to National Scholarship Fund

The Plymouth Branch of the American Association of University Women announces the presentation of \$600 to the AAUW National Fellowships Fund for 1964. This is the largest gift the local branch has been able to make since its founding in 1952. In 1963 and 1962, \$500 grants were sent to the National Fund, and smaller amounts were sent in previous years.

Branch contributions sent to the National Fellowships Fund are combined and fellowships are granted to deserving American women for studies beyond the Ph.D. in this country or abroad.

The national AAUW also has fellowship programs for women of other countries to study in the United States or elsewhere. Mrs. F. H. Armstrong of Plymouth, Branch Fellowships chairman, explains that the Plymouth branch has chosen to send its gifts to the Fund which is granted to American women only, as yet.

Money for fellowship gifts is raised by several Branch projects which are well supported by the three communities of Plymouth, Northville, and Livonia. The Listening Post Lecture Series, the Spring Used Book Sale, and the sale of calendars all contribute all profits to this fund.

Additional moneys from the Children's Play profits are sometimes used to bring the gift to a higher total. Gifts of \$500 or more can be designated as the Plymouth, Michigan Branch Gift and so the branch receives due credit.

There is still time for Alpha Phis and their friends to order tickets for "Never Too Late," a Broadway situation comedy starring William Bendix and Nancy Carroll.

The four alumnae groups of the Metropolitan Detroit area will attend the March 17 performance at the Fisher Theater. The performance starts at 8:00 p.m. and anyone arriving after that will have to wait for a complete scene change before they will be seated.

The tickets, at \$4.85 each, can be ordered by sending a check to Mrs. R. F. Whitworth, 18822 Warwick, Detroit 19, Michigan. Checks should be made payable to: Alumnae of Alpha Phi. Tickets will be on a first come, first served basis.

Proceeds from the theater party will go to benefit Alpha Phi's annual project at Childrens Hospital. This year the four groups will sponsor the surgical speaker for the second Heart Day, to be held at the hospital in April.

## Child Guidance Clinic To Ask For Funds From Plymouth School Board

The Northwestern Child Guidance Clinic will request almost \$1300 from the Plymouth Community School Board to help meet its operating costs for the coming year. This request will be made in April when the school board sets up its budget for its next fiscal year.

The clinic, located at the Wayne County Health Center, Eloise, is a non-profit organization that provides diagnosis and treatment for children under 18 years old who have behavior problems or personality disorders indicative of emotional disturbances.

The fiscal aid for the Northwestern Child Guidance Clinic, at present, is coming entirely from the local areas that the clinic serves.

The clinic, last year, approached the school boards in the communities it serves and asked them for support.

The Plymouth Community School Board did not act on the request for funds for the 1963-1964 year. The Plymouth Community Fund did contribute \$2,000, however, after

their budget had been allocated.

The area that the clinic serves includes Plymouth, Plymouth Township, Canton Township, Northville, Northville Township, Livonia, Wayne, Belleville, Dearborn, Dearborn Heights, Garden City and Inkster. Other areas served are Nankin Township, Redford Township, Romulus and Van Buren Township.

Two of the thirty board members for the Northwestern Child Guidance Clinic are appointed from Plymouth. Mrs. A. E. Vallier is presently the only member of the board from Plymouth because of the recent resignation of Dr. William Covington.

The clinic, a branch of the Children's Center, Detroit, was opened in September 1963.

Mrs. Vallier explained that one of the driving forces behind the establishment of the Northwestern Child Guidance Clinic was the long waiting list at the Children's Center and the difficulty that families in this part of Wayne County had in getting to downtown Detroit appointments and treatment.

The annual meeting, open to the public, will be March 18, at 8 p.m., at Jackson Elementary School, Wayne. Wiljo A. Sankela, assistant clinic administrator for the Michigan Department of Mental Health will speak on "New Concepts in Mental Health."

## League for Peace To Meet Monday

The Northville - Plymouth Branch of the Women's International League for Peace and Freedom will meet at 8 p.m. Monday, March 16, at the home of Mrs. Rodney Grover, 361 Wing Street, Northville.

A discussion of the dilemma facing the United States in the Vietnam conflict will precede a legislative letter-writing session. The League opposes any extension of the war into North Vietnam, and has long urged that action be taken to bring about a constructive settlement by negotiation. The background of the Vietnamese conflict is an intricate and confusing one which is not well known to most Americans. This meeting will attempt to provide sound information on which to base proposals for constructive action.

TREASURES FROM  
**Plymouth Pantries**

**MRS. R. J. LUCCHETTI, 402 Pacific Ave., is this week's Plymouth Pantries' guest cook. She suggested a recipe for pasties, those delicious meatpies that you see advertised in Michigan's Upper Peninsula and in western mining communities.**

Have you driven through Michigan's Upper Peninsula or perhaps through some of the mining regions in the West and seen signs advertising "pastes"? Perhaps you bought one for lunch. They are a dinner all in one piece.

A recipe for making pasties was given to the Plymouth Mail this week by Mrs. R. J. Lucchetti, 402 Pacific Ave., a native of the Upper Peninsula.

Meat, potatoes, turnips, onions, carrots wrapped up in a crust are some of the ingredients to be found in them.

Wives of the miners make pasties for their husbands to carry in their lunch boxes. They may be eaten hot or cold.

Making pasties at the Lucchetti household is a family project, according to Mrs. Lucchetti. She cuts up the meat, potatoes, onions and turnips, and her husband makes the crusts.

Mrs. Lucchetti says her mother gave her the recipe and it is of Cornish origin. The crust is a combination of a pastry crust and pie crust.

The Lucchetti's have lived in Plymouth almost six years now. Mrs. Lucchetti's home originally was in Marquette and her husband's in Chicago.

Mrs. Lucchetti says she has been drawn in on the fringe of the theater because her husband, a chemistry teacher at Bentley High School in Livonia, is very interested in drama and the theater.

She teaches one of the five-year-old classes in the Pre-school Association at Our Lady of Good Counsel, on Sunday mornings. She is also a member of Plymouth Children's Nursery.

The Lucchetti's have two

The occasion gave the new members and their hostesses a chance to become better acquainted and enabled the guests to learn more about the AAUW program.

The new members are: Mrs. David Vincent of Northville; Mrs. Arlan Heino, Mrs. John Lodge, and Mrs. Arthur Domalske of Livonia; Mrs. Leroy Barnett, Mrs. Richard Hagmayer, Mrs. Florence Lathers, Mrs. David Schlick, Mrs. Roger Corey, Mrs. Robert Kehrl, Mrs. Daniel Kelly, Mrs. Helen Pocklington, Miss Rita Salan, Mrs. Judson Spencer, and Mrs. George Spaniel, all of Plymouth.

City manager Albert Glassford called our attention to a most interesting article appearing in the current issue of the Michigan Yearbook. The story, a reprint from the D.A.C. News, is about the Plymouth Symphony Orchestra and its conductor Wayne Dunlap.

A couple of quotes from the story gives an idea of the reputation our orchestra has made throughout the country.

"Isn't it true," a member of the Michigan Orchestra Association asked, "that all Michigan Community orchestras can do very well with anything in the standard orchestral repertory?" "Not necessarily," another member said, "but there is an exception — the Plymouth Symphony."

"There is no point, certainly, in selecting one Michigan community orchestra over the other for the title of 'best', but it is an indisputable fact that none surpasses the Plymouth Symphony orchestra in the enthusiasm of its players, the loyalty and size of its audiences, the unstinting praise of critics and the high level of its programs."

"Of the approximately thirty civic orchestras in Michigan Plymouth's is the largest and interestingly enough the city is the smallest in the state to maintain a civic orchestra."

The article traces the growth of the Symphony Society and pays high tribute to the conductor, Mr. Dunlap, and the residents of the community who have supported the orchestra since its inception.

I took a Saturday afternoon ride around this area thinking about James Lattures' suggestion that more available areas should be provided for future industrial sites. Until you get in your car and just start cruising along our outlying countryside with viewing in mind you fail to realize the growth that is presently underway or planned.

This brought to my mind two other factors equally as important as more industrial locations and they were, namely: there is no doubt but what our school district should immediately find some way to acquire school-sites for the future and we should also be making some determined efforts to secure some large parcels of property to be earmarked for recreational purposes.

There is no doubt but with the availability of sewers and water on our western and southern exposures fast becoming a reality ten years from now there will be little desirable land left for these purposes.

We may never experience the fantastic growth that California is now having but some of their problems will certainly become evident here as the population surge from the city to suburbia encompasses our area.

New legislation in California has granted tax benefits to certain property owners if their lands are used for recreational purposes. This, of course, is to keep areas of golf courses, parks and such out of the hands of developers so that everything doesn't end up in giant housing developments which are so popular today.

Our planners and governmental units might well give this a second thought because of the financial savings today and secondly because of the land availability today. A few years hence it could be most expensive to buy a ten acre site for a school and again they might be mighty hard to find.

We ended our ride out on the Six Mile-Livonia area and chose at this point to explore a new restaurant we had read about earlier that morning in the Triple A's Motor News.

Since it was on Six Mile road and the western side of Detroit and we hadn't had lunch it sounded like a good idea.

Motor News. Len Barnes, mean gourmet in his own right, had described so vividly and temptingly a new authentic copy of a real English Pub that we couldn't resist the challenge.

There is no doubt at this writing of the interesting design and decor of "The Silent Woman" and there is little doubt in our minds about the excellence of their foods. It is a fascinating place and truly an interesting experience if you have never visited a real English Pub.

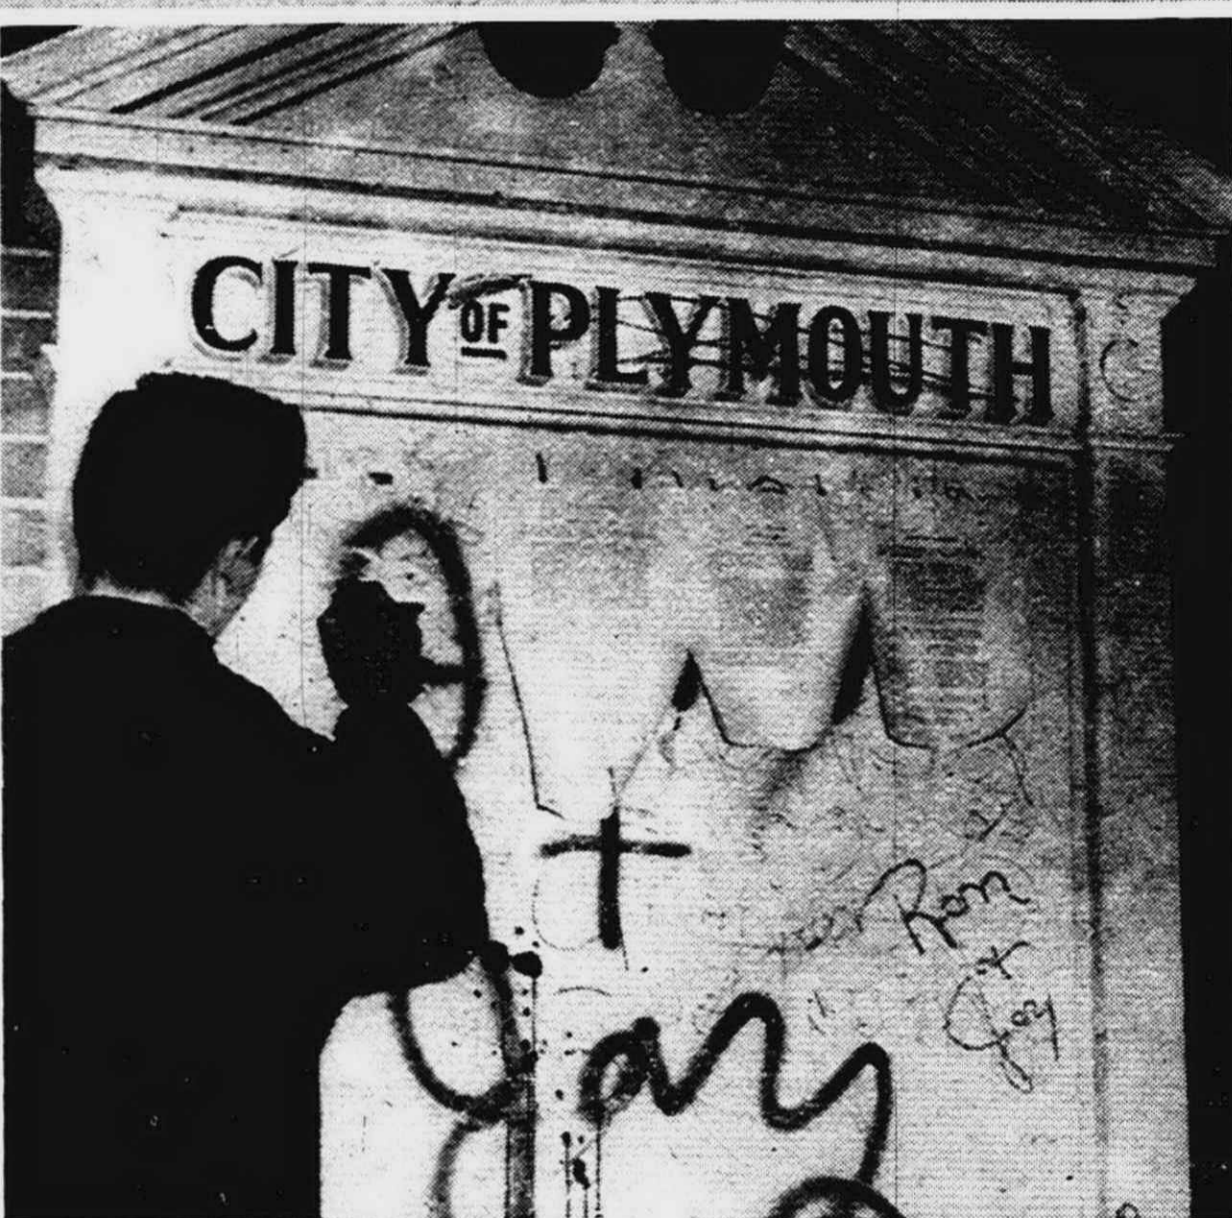

However, Len Barnes probably didn't realize the import and influence of his "Dining Out" column in Motor News. When we arrived in the middle of the afternoon we stood for nearly a half hour waiting for a table, it took us almost another hour to place our order and get service then, after it was over, it took a good 45 minutes to pay our bill.

Quite an experience and what had happened? Well, the hostess, manager, two waitresses and a bartender just couldn't handle the crowds, hundreds were turned away or left in disgust . . . and all because Len Barnes has such a following in his column that his faithfuls took advantage of the spring-like day and descended on the Pub in quantities far exceeding the managements greatest expectations.

Mr. Barnes should be flattered at his demonstration of power of the press but I question the feeling on the part of the five employees who were overwhelmed at the response.

**Plymouth Mail Editor Speaks To Kiwanians**

Program Chairman for the evening Tom Alexy presented guest speaker Dave Wiley, Managing Editor of The Plymouth Mail.

The Plymouth Mail, he said is one of 400 community newspapers in Michigan and one of 11,000 community newspapers in the United States and Canada. The Mail has an important duty to fulfill in this area of reporting local projects and news, election information, news found nowhere else.

He said The Mail feels a responsibility to the community, to be a unifying force and to be of assistance in helping Plymouth change from a rural to an urban area. Too often, he pointed out, community newspapers have been "weakly" press.

This newspaper through its editor and publisher intends to keep its obligation to all parts of this community, school, townships, city and to its own conscience.

Its pages will keep the community informed on personal and political subjects and sincerely hopes to "Comfort the Afflicted and Afflict the Comfortable."

On March 17th the program will be presented by the Boy Scout Troop from Bird School, which is sponsored by the Plymouth Kiwanis Club.

Bill Lyons and his committee are hard at work on a Pancake Festival at the Masonic Temple on Saturday, April 18th.

**Letters To The Editor**

Dear Editor,  
As a mother of four boys, one of whom is to enter tenth grade next year, and also a person very interested in sports for these boys, I am curious as to why Plymouth is the only school in the Suburban Six League, which does not have a wrestling team.

I am originally from Ann Arbor and for many years have been interested in this sport, since my brother won the State championship in wrestling in his division, and my brother-in-law accomplished this same feat a few years later.

I think there are so many advantages to this sport. One main advantage is that all boys can participate regardless of size. The other night in one of the papers mentioned Bentley and Redford Union, each producing three individual champions in the annual Suburban Six League wrestling meet.

It also mentioned that Plymouth doesn't field a mat team. For a community that is so progressive and up to date, this is beyond my understanding.

Could some light be shed on this and could something possibly be done to get the right people interested in doing something about this? Thank you.

Mrs. Howard Tripp

To the Editor:

After reading your article from "Chips From the Rock," "Our Friendly Little Neighbor on the North," our sentiments as citizens were "touched."

We want to thank you for training our fire department. We think it is a shame that men with up to 25 years experience as firemen found it necessary to resign, and ironic that Chief McGee, one of their major complaints, resigned three weeks after the firemen did, stating he couldn't do justice to both jobs.

(Since a 12-year policeman (sergeant) has now resigned, the policeman now with the highest seniority has approximately six months experience, it looks like we might need Plymouth's assistance training our police department. The rule now states a man must have three years experience to be eligible for Sergeant; could we prevail upon Plymouth's generosity for the loan of a sergeant?)

At the council meeting of March 2, the council members granted an open hearing for the dismissed Northville police sergeant on March 11 at the City Hall. Also the rules of procedure for the hearing were discussed and adopted. One of the rules stated the petitioner must submit a list of witnesses appearing on his behalf at least two days prior to the hearing, because as one of the members mentioned, "we might want to talk to them."

In your article you asked "Who's Next." Due to Northville's troubled situation regarding our fire and police departments, and the above statement, it seems like "Who's Next" should begin with our city management — "A Dribble from the Well" (Names withheld by request)

**'64 Chevy II Super Sport with V8 power**

...and just the place to enjoy it

Find out for yourself what this Chevy II can really do. If there are hills nearby, let it give them a good going-over. Then see it give slow-moving trucks the run-around. With its new extra-cost V8 you need but give the accelerator an inch, and this Super Sport will take a mile. And this great highway performer looks the part it plays so well. A glance at its all-vinyl interior and door-to-door carpeting will tell you that. There's your choice of either the floor-mounted Powerglide or Four-Speed Synchro-Mesh transmission. Both are optional at extra cost, along with a Positraction rear axle, AM-FM radio, and many other accessories. And for all its new power, Chevy II rides so softly it seems to glide along the highway. That's because it has high-mounted independent coil springs in the front and Mono-Plate single-leaf springs in the rear. With everything Chevy II Super Sport has going for it, it's no surprise your Chevrolet dealer is anxious to show you its price tag. Because that's the only thing about it that isn't super.

**In Michigan... after bowling, beer is a natural**

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—skiing, skating, or at your ease in the game room—beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

# Swimmers Swamp Rivals, Win League Crown

**THE VICTORIOUS** Plymouth Blackhawks, winners of the Garden City Juvenile Hockey Title, are shown here after receiving their trophies last Tuesday evening at the Garden City Rink. The Hawks went undefeated in their regular season schedule. Front left; Dave Troutman, Terry Cosgrove, Denny Tonkovich, Gary Wyman, sec. row: Dale Tonkovich, Clark Raven, Denny Hanks, Jim McKindles, Randy Sharland, back row: William Crowther, Bob Crowther, Don Gavigan, Kevin Huntington, Skip Otwell.

Plymouth repeated as league champions by swamping all opposition, leaving the nearest rival, Trenton, 45 points behind.

The Rocks amassed a total of 127 1/2 points, to Trenton's 82 3/4 points, and following were Livonia Bentley with 48 1/2, Redford Union with 47, Allen Park with 46 and Belleville with 32 1/2.

The Suburban Six League meet was held at Belleville's pool last weekend with the preliminaries held on Friday and Saturday afternoon and the finals on Saturday evening.

Each league member was allowed 4 entrants in each event and one team in each relay. Points were then awarded to the first ten finishers in each race.

**PLYMOUTH'S** depth, along with some outstanding individuals, paced the Rocks to victory as all but 4 of those participating for Plymouth scored points.

Leading the victors with first place finishes were co-captain Jim Beglinger in the individual medley with a time of 2:13.2, Dick Berry in the 100 freestyle in 52.6, Dan Olson in the backstroke in 1:01.5, the medley relay team of Olson, Dave Agnew, Rick Malbeouf and Mike Drennan with a time of 1:50.1 and the free style relay team made up of Drennan, Jim Mattison, Alan Saxton and Geoff Burke in a time of 36.3.

The free style relay team also set a league record during the preliminaries with a time of 36.2 seconds.

The top point-getters for the Rocks were Berry, Beglinger and Tom Blunk, who is the other co-captain for Plymouth.

## State Swim Meet This Weekend

The Class 'A' State Swimming meet will be held at the University of Michigan swimming pool this Friday and Saturday. Preliminaries will be held all day Friday and Saturday with the finals starting at 8:00 Saturday evening.

Two Plymouth individual swimmers, Dick Berry and Jim Beglinger, will be eligible to compete because of the times they have turned in during the regular season meets.

The Rocks will also be able to enter a free style relay team and if time trials this week are good enough may also be able to enter a medley relay team.

Favorites for the State title are Royal Oak Kimbell and Birmingham Seaholm.

The victors were leading 7-1 at the end of the first period but were tied up by the Redbirds at halftime 10-10. The third quarter determined the win as the Commodores outscored the Redbirds 9-2, giving them a 19 to 12 lead. In the last period both teams scored 4 points giving the league leading Commodores the 23-16 victory.

High for the winners was Jim Bruft with 9 points followed by Koepke with 8 points.

Reddin and Williams had 7 and 4 points, respectively, for the Redbirds.

## Rocks Challenge Garden City, Lose In Last Minute, 64-58

The Rock Cagers were within easy striking distance of their Garden City opponents during last week's district play-offs at Livonia Franklin High School but were unable to overcome the definite height advantage that Garden City had and lost.

Plymouth almost matched Garden City to the letter in their field goals and free throw play-offs as the Rocks sank 22 field goals and 14 free throws to Garden City's 23 field goals and 18 free throws but the difference came in the percentages as Plymouth shot 73 times to Garden City's 50 shots.

Because of the height disadvantage, every time the Rocks missed, Garden City would end up with the rebound and a chance to score themselves.

**AS COACH** Charlie Ketterer put it, "they played hard but didn't shoot well enough to overcome Garden City's height advantage." He further commented, "When they (Garden City) took out a player they put one in that was as big or bigger."

All season long Plymouth has had to overcome height in order to win and they almost advanced into the semifinals by doing just that against Garden City.

At the end of the first quarter Plymouth was trailing 15 to 11 and crept up to within 2 points at halftime. By the end of the third period the Rocks were still in contention, trailing by only 2 points, 45-43. A last minute punt put Garden City up by 6 points and gave them a 64-58 victory over the hustling Rocks.

Garden City had good scoring efforts from Kitman, Bowman, Folcik who scored 19, 17 and 15 points, respectively.

Plymouth's scoring came from Jerry Kisabeth and Gary Grady who each scored 13 points. Captain Cal Lui-brand was close behind with 12 points.

This playoff game concluded the action for the year for the varsity cagers.

BOX SCORE	FG	F	P
Lui-brand	4	4	12
Tidwell	0	0	0
Kisabeth	6	1	13
Hollingsworth	1	2	4
Nelson	3	1	7
Egloff	3	0	6

## Auto-Crat Crowned League Champions

Auto-Crat was crowned champion of the Plymouth Men's Recreation Basketball League last Wednesday evening after downing a determined Jay-Cees team 65-53.

The Jay-Cees, who hadn't won all season, were looking for an upset over Auto-Crat, who hadn't lost all season and came close but not close enough to rattle the league leaders.

Dave Racer was the big gun for the champs with 20 points followed by Dan Stremick with 14 points.

Dan Evans was high for the Jay-Cees with 13 points and Jim Dyer was close behind with 12 points.

Defending champion Cloverdale was also almost upset by Sharrard-Jarvis and but for a little luck may have lost their last game of the season.

The game went into overtime and Cloverdale ended up on top 62-51.

Bill Reuhr was high for the winners with 14 points with Gary Wilson and Jim Rungler tied with 10 points for second high man.

Casey Cavell led the losers with 19 points followed by Barry Campbell with 12 points.

## Set Registration For Junior League

Registration for the fifth season of the Plymouth Community Junior Baseball League is held on the following Saturdays: March 14, March 21, and April 4. Boys will register at the American Legion Hall on Sheldon Rd., across from the Western Electric Plant between the hours of 10 a.m. and 2 p.m.

In order to participate, boys must be under 12 years of age prior to Aug. 1, 1964 and reside within the Plymouth Community School District. Any boy who has not registered in prior years must bring a birth certificate. All boys must bring T-shirts, a signed permission slip (slips have been distributed to area schools) and be accompanied by a parent or guardian.

The 1964 season will again have Major and Minor League teams and is to be supported and financed on a voluntary basis by local firms and individuals.

President Joe Bida, at a general meeting held last Saturday, reported that plans to make this the "best year yet for well organized recreation for Plymouth boys" are progressing very well.

Contributions are beginning to come in from various firms, civic organizations and individuals. Plans are being finalized for the benefit circus, which will be held on May 9.

Funds will primarily be used for long overdue new team uniforms, replacement of obsolete equipment and supplies, improvement of facilities and insurance coverage for the boys.

Bida re-emphasized the fact that the baseball program is completely independent of any national or state organization and that managers, coaches, and umpires receive no compensation for their efforts other than the personal satisfaction of helping develop the personality and talents of the youth in the Plymouth community.
