

PARTICIPATE IN MASS POLIO DRIVE

14,565 From Plymouth Get In Line For Sugar Cubes

More than 139,000 in Livonia, Plymouth and Redford Township received their sugar cubes Sunday, tinted with polio vaccine, as residents took advantage of the mass immunization drive.

All told, more than three million persons in the tri-county area, including Wayne, Macomb and Oakland Counties, participated in the campaign sponsored by the Medical Association of the three sections.

It was a tremendous success from all angles with the possible exception of several stations in Detroit where the workers ran out of vaccine and had a delay of as many as three hours in some places.

To take care of this situation and to make sure all in those areas will receive the vaccine, the Wayne County Medical Association is sponsoring several stations all day Thursday.

But in this tri-community sec-

tor, the operation was successful because of the complete cooperation of all in each of the communities.

Livonia's campaign was under the supervision of William Bedell, of the school system. Plymouth's was in charge of Health Commissioner Lee Feldkamp and Redford Township's co-ordinators were Mrs. Florence Stoltz, principal of Mason School, in the South Redford section and Assistant Supt. Paul Shoemaker in Redford Union.

Inasmuch as it has the largest population, Livonia was high in total registrations with 70,009; Redford Union had 29,556; South Redford, 25,411; and Plymouth, 14,565.

And that averages out to about 70 per cent of the population in each community, considerably higher than the number turning out for elections

regardless of the importance.

The campaign officially started at 11 a.m. Sunday but long before that time the lines started forming at the elementary schools selected as stations.

The volunteer workers, including doctors, nurses, pharmacists, boy scouts, police and firemen, and members of the Parent Teacher councils, were on the scene well in advance of the opening and everything was in readiness well in advance of the first customer.

This was the story at every one of the stations in the three communities—from the moment the doors opened until they were closed shortly after 4 p.m., the workers had few idle moments.

And people kept streaming through. Mothers and fathers came with their families. Senior citizens, some on crutches, some in wheelchairs, all well past 60, joined in the procession.

There was Mrs. Ralph Heid, of 14417 Oxford, Plymouth, who checked into Farrand School in the Lakepointe subdivision as the doors opened with her brood of 11 children.

Then she returned to the school a few minutes later in her registered nurse's uniform to assist in handing out the sugar cubes for the remainder of the day.

Mr. and Mrs. Richard Mandl, 14816 Cherry Lane, Plymouth, arrived with their five sons and one daughter.

Mr. and Mrs. Thomas Cruse, 15507 Doris, Livonia, found it easiest to go to Riley Junior High. They gathered up their three daughters and two sons and all seven got in line and swallowed the sugar cubes. Everyone liked the cubes with the exception of five-year-old Steve, who didn't exactly care whether he had the vaccine or not—he did with a bit of persuasion from Papa.

Family groups were common sights everywhere since all parents realized that the Medical Association must know what they are talking about when they sponsored such a big campaign as this.

There was a representative from an area bank at each of the stations, ready to pick-up the donations at the end of the day for overnight deposit.

It was a tremendous co-operative program with nary a slip in this area.

One can't offer anything but praise for the Civil Air Patrol group that manned many of the stations at Riley Junior High, furnishing every possible type of volunteer including men in the parking lot. The CAP gave up a bivouac to volunteer its services.

The breakdown of recipients by schools in each of the districts follows:

LIVONIA — Adams 3132, Cleveland 2376, Coolidge 3470, Cooper 2850, Garfield 2878, Grant 3296, Hayes 1694, Hull 2146, Jackson 4125, Jefferson 2927, Johnson 3380, Lincoln 2200, Madison 1750, Marshall

Could Speed Building Program

College Asks Voters For Bond Authority

There's money to be had from the state and federal governments on a matching basis for construction of new buildings on college campuses and Schoolcraft College officials are of the

opinion that they should take advantage of the situation.

However, the College Board of Trustees is handicapped in that it is authorized to spend only \$250,000 or one-half mill

of its one-mill levy, whichever is less, to repay building and equipment bonds. This was the edict of the voters two years ago.

At the moment it has issued bonds for a 18-year period for the present building program.

But the financial picture has changed considerably in the past year and a half and the Board finds itself with \$300,000 available for the building program of which it can legally use only \$250,000.

Thus the Board will ask the voters of the College district, which includes Livonia, Garden City, Plymouth, Clarenceville and Northville, for permission to issue bonds for the additional \$50,000 per year for 29 years to set up a \$2.8 million building program. It has set an election for Monday, June 8 on the proposition.

Of this amount \$1,250,000 must be raised by the College District by borrowing and issuing bonds and the remaining \$1,550,000 will be secured by matching funds from the state and federal governments.

"This will not increase the millage by as much as a penny," emphasizes Board President Harold Fischer. "The Board isn't interested in increased millage. We are interested in getting as much financing for the college as possible through the matching funds."

"We already have the \$50,000 from the college funds available. If the voters grant permission, then we can go ahead with the bond sale, make the request for the matching monies and advance our building program by several years."

Fischer points out that the college district has an assessed valuation of more than \$600 million now, considerably more than the \$500 million of a year ago.

He cited the addition of Northville to the district as one reason for the increase, and the tremendous growth in the entire area as the other.

"We feel that this valuation will continue to grow," he said. "There's a new multi-million dollar shopping center under construction in Livonia, expansion programs amounting to millions have been announced by General Motors Corp. in Livonia."

(Continued on Page 5)

YUM, YUM, are these pancakes delicious? That seems to be the general idea of three-year-old Alan Corey and his mother, Mrs. Roger Corey, 958 Ross, as they stow it away at the Kiwanis Club annual pancake festival Saturday in the Masonic Temple. They were just two of the hundreds from the community who packed away thousands of the flapjacks.

FACTS and OPINIONS

by Paul Chandler

Good wishes and sympathetic understanding should go out this week from everybody who has ever assisted in a school millage election to a large group of citizens in the South Redford school district.

The group of which we speak next Monday will be participating in an election for millage and at the same time providing the money to pay the expenses of holding said election. It's a situation without precedent in this northwestern part of Wayne County, at least, and maybe it's completely unique in the whole State of Michigan.

Normally the Board of Education pays the cost of any such election, of course. It is being done differently in South Redford because some 2,000 parents signed special petitions imploring the School Board to re-stage an earlier balloting, and promising the Board that it wouldn't draw anything from the general fund of the school district. South Redford School District covers that portion of Redford Township which lies in the south half of Redford Township.

A previous voting saw the millage proposal fail amidst a great campaign uproar and charges of deliberate deceit and misleading of the public by using false data. The jackal newspaper of Michigan, the tabloid published in the old Redford section of Detroit, was the principal communications organ used by opponents of the last proposal. Some of the most active opponents came from the far right and John Birch elements of the community. The same persons—the Birch types and the fascist tabloid—have assailed the South Redford school officials for many years at various times attempting to inflame local passion over "dirty books in the library", "absence of religion in the classroom", "lack of patriotism in the schools", "communist teachings and text books", "lack of discipline by teachers", "secret meetings of the school board", "unauthorized spending of public money", and a few other things. It has been a deliberate, lengthy and calculated plan to destroy the reputations of the incumbent staff and board members and to ruin the public's confidence in their school system.

The 2,000 petitioners apparently believe that false propaganda played a major role in deceiving the public at the last election and, hence, the request for a rematch. This is what will be taking place next Monday.

One part of the ballot request is to renew 10 mills which the school district has been levying for several years and without which the general school program would have to be slashed mortally. There also is a request for four new mills to take care of rising teachers' salaries and all the other higher costs which the recent inflationary years have caused.

There hardly could be a more sincere concern for schools than that demonstrated by people who are willing to dig into their own pocketbooks to pay for a special election. It need hardly be said that Facts and Opinions and thousands of others inside and outside

(Continued on Page 5)

TWO-YEAR-OLD Kathleen Kiefer seems to be objecting to taking the sugar cube vaccine at Farrand School where hundreds of Plymouthites participated in the mass polio immunization drive. Kathy, held by her father Norman Kiefer, 14848 Greenbriar Court, wasn't objecting to the vaccine — she wanted another cube of sugar. That's Nurse Mrs. Holly Pedersen offering assistance.

Stahl-Van Tells Of Expansion

The Plymouth City Council Monday received the good news that Stahl-Van Corp., located on S. Mill Street, will take advantage of the Urban Renewal project to construct an additional building with the prospects that a second addition will be made within 12 months.

James Stahl, general manager of the plant, sought the land where the Stahl Manufacturing plant is now located. Ben Stahl, president of Stahl Manufacturing, informed the council that he has no objection to having the building razed and the property sold under terms of the URA.

Thus, J. Stahl, who is interested in use of that plot, told Council of his plans which were predicated on acquisition of the site.

"We are landlocked at the moment," he said. "If we can get a definite commitment that we will be able to purchase the land, then we will go ahead with our improvements."

The plans call for a building with an area of 12,000 square feet to start at once and a second building within 12 months of 20,000 square feet.

"We will add 45 men to our staff with the first addition," Stahl said. "More will be employed when we finish the second phases. We have men falling over each other at the moment with no place to go — so we have to expand and we want to do it in Plymouth."

Stahl told of his company receiving two large orders recently that forced a need for space with the prospects of additional orders of similar nature in the near future. He received assurance of the Commission, through Mayor (Continued on Page 5)

Plymouth Puts Alley Pickups Back To Normal

Alley pickups of rubbish in the City of Plymouth will go back to the normal schedule effective the week beginning Monday, April 27.

That was the announcement of Supt. Joseph Bida, of the Department of Public Works, Monday as he indicated it will not be necessary to carry rubbish to the curb. The pickup days will be on the regular schedule.

"We have received numerous inquiries about the possibilities of normal rubbish pickups again," said Bida. Inasmuch as the area didn't have the usual spring rains and the frost was lighter than normal, we will be able to change back to the regular schedule now."

Bida pointed out that a check of the alleys showed all are dry and in good condition, making it possible to resume operations on a normal basis.

EIGHT OF A KIND and all with the same thought—receive the sugar cube vaccine—receive the cubes from volunteer nurses at Farrand School. The eight are all members of the Richard Mandl family of 14816 Cherry Lane. They are: (from left) Rusty, 3; Mrs. Kathryn Mandl; Robert, 4; Raymond, 6; Donna, 9; Ronnie, 10; Ricky, 12, and Dad. Nurses Mrs. Diane Stephens (left) and Mrs. Holly Pedersen hand out the vaccine.

125 Jam Township Hall To Protest 90-Foot Lots

Plymouth Township homeowners, especially those residing in the area near the Woodlore subdivision, didn't leave any doubt in the minds of the Township planning commission and developer Sam Stroller, of the J.A.R. Corporation, that they are opposed to 90-foot lots in his proposed development adjacent to Woodlore.

More than 125 jammed every seat and space available at the Township Hall last Wednesday to protest a petition from Stroller to rezone 43.4 acres from country estates district to single dwelling. Officially the change sought is from R-1-E to R-1-S.

Woodlore, which was developed by Stewart Oldford and Sons, has half-acre lots. Stroller is seeking permission for 90-foot sites in his proposed development on the basis of economic feasibility, indicating he couldn't make out money-wise if forced to continue with half-acre plots.

Stroller made a strong plea in the hearing but learned the problems of a subdivider aren't of much interest to a homeowner who has a half-acre lot and feels that all in

his neighborhood should have the same.

Matter of fact Stroller discovered rather quickly that he was a man with a plea but not a backer in the audience.

Harold Niemi, former member of the Plymouth Board of Education, started the ball rolling by presenting a petition with 119 signatures protesting the proposed rezoning.

He told the commission he was concerned with possible degradation of the area in question.

E. D. Mogul, 9355 Beck Road, served as spokesman for the dissenters and told the commission flatly that the group wasn't concerned with Stroller's economy; it was

interested only in the economy of the community and felt the proposal was a threat.

"When a community starts grading down," he said, "it is a matter of record in this part of Michigan that the standards continue to fall and the community will go down and down."

He cited Berkley, Pontiac and Mt. Clemens as cities in which the standards were lowered and each started to go downhill.

Charles Kenney, 8909 Beck Road, attacked the petition on the grounds that a favorable action would open the entire area for rezoning. He decried lowering the standards and indicated

WELCOME HERB, GOODBYE RAY was the theme of a luncheon by the Plymouth Chamber of Commerce Industrial Division in the Hillside Inn. Some 12 members of the division welcomed Herb DeBorde, new general manager of the Burroughs plant, and said goodbye to Ray Stromback, who has transferred to Pasadena, Calif. Participating in the pro-

gram were managers of plants neighboring to Burroughs, all of whom were promoted within the past year. The group: (from left) Lester Johns, Associated Spring Corp.; E. R. Burkhardt, vice president and general manager of Whitman & Barnes; James Conway, vice president and general manager of Evans Products; Stromback and DeBorde.

Chevrolet Appoints Livonia Man To Handle Ohio Plant Project

Appointment of William E. Shuman, of Livonia, as project director in charge of construction of the new Chevrolet and Fisher Body assembly plant at Lordstown, O., was announced by Dale D. Douglass, manager of facilities and production planning for Chevrolet Motor Division.

of all operating facilities. His headquarters will be in the Argonaut Building, Detroit.

Shuman, who is 39, joined Chevrolet in 1952 as a college graduate-in-training at the division's automobile and truck assembly plant at Janesville, Wis.

Following his promotion to foreman at Janesville in 1953 he was transferred to the division's truck assembly plant at Willow Run as general foreman of maintenance in 1955. He was promoted to superintendent-plant engineer there in 1957.

Shuman had key roles in the deactivation of truck assembly operations at Willow Run in 1958 and in construction of the present Chevrolet-Willow Run Corvair and Chevy II assembly plant which began operations in 1959.

Later that year Shuman was named supervisor of the plant engineering section of the division's Facilities and Production Planning Department at Central

Office in Detroit, a position he held until his Lordstown appointment.

A native of Janesville and a graduate of Janesville High School, Shuman served as an aviation radioman with the U.S. Navy in the Pacific during World War II. He received his bachelor's degree in electrical engineering from the University of Wisconsin.

He and his wife, the former Elizabeth F. Ellis of Janesville, have three sons and a daughter: Scott W., age 11; Lynn E., 9; Craig W., 7, and David W., 5. The family resides at 14803 Melvin Drive.

Feed 1,011 At Festival

The Plymouth Kiwanis club had its most successful spring pancake festival in history Saturday when it handled a record total of 1,011 customers, compared to the previous record of 970 a year ago.

And this took quite a doing since they consumed approximately 4,500 pancakes during the 12-hour festival.

Used during the day were: 360 pounds of sausage, 35 pounds of butter, 225 pounds of flour, 30 pounds of coffee, 30 gallons of maple syrup, four gallons of blueberries, 13 quarts of cream, 264 bottles of chocolate milk and 264 bottles of white milk.

Western Electric Sales, Earnings Climb In '63

For Western Electric, 1963 was a year of record output, increasing more stringent process requirements and accelerated innovation in products and services, according to the Company's annual report.

Western Electric is the manufacturing and supply unit of the Bell System and has a plant on Sheldon Road in Plymouth.

Paul A. Gorman, Company president, reported sales to the Bell System of \$2.278 billion, an increase of 5.8 per cent over the previous year's.

Sales to the United States government were \$492 million, compared to the 1962 figure of \$540 million.

The Company's total sales reached a record \$2.833 billion, a 2.6 per cent increase over the previous year's high. Earnings totaled \$140.5 million, compared to \$135.2 million, for 1962. For both years, earnings were equal to 4.9 per cent per dollar of sales.

During 1963 Western Electric began manufacturing a number of new communications products, including two types of electronic switching systems and the new Touch-Tone telephone.

Electronic switching, which gradually will take the place of electro-mechanical switching in the Bell System, was produced

for both central offices and private branch exchanges.

The Bell System's first commercial central office is being installed in Succasunna, N.J., and is scheduled to go into service in 1965. The first electronic private branch exchange was installed at Cocoa Beach, Florida, and another is scheduled for operation at the New York World's Fair.

Western Electric's plant in Indianapolis produced more than seven million Bell System telephones, including 6,000 Touch-Tone telephones, which have pushbuttons instead of dials.

More than 10 million telephones were reconditioned in the Company's 35 distribution centers, which also store and furnish supplies and equipment to the Bell System operating companies.

Western Electric installers completed 77,300 jobs across the nation, an increase of 2,300 over 1962. This amounted to 2,500,000 lines to the telephone companies.

Western Electric continued to maintain its position as one of the nation's largest shoppers. It paid some 40,000 suppliers in nearly 4,000 cities and towns nearly \$1.2 billion, for goods and services. More than 90 per cent of these suppliers were small businesses, employing less than 500 persons.

HOOTENANNY in German, French or Spanish will come out just the same when South Redford faculty members John Benzmilller, Lynn Peterson and Carol Marsh perform at the Hootenanny-

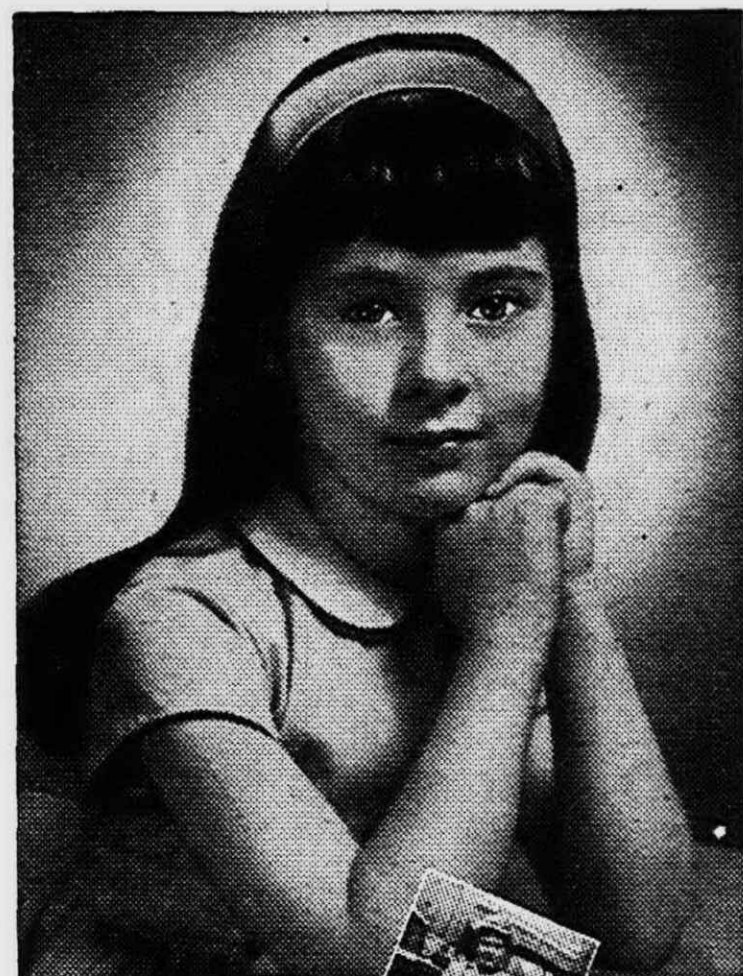

Fish Fry Friday night. Proceeds from the affair will be turned over to the Finance Chairman of the Special Millage election for South Redford School District Monday, April 27.

Men In Service

Robert H. Larsen, 19, son of Mr. and Mrs. William C. Larson, 28511 Elmira, Livonia, has completed basic training at the Naval

Training Center, Great Lakes, Ill. The nine-week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

Enjoy a green lawn from Spring to Fall with Agrico Grass Food

AGRICO GRASS FOOD

That's why you should apply AGRICO GRASS FOOD to your lawn right now. You put down more plant food in a form that feeds better—feeds longer. Nutrient packed, AGRICO supplies the essential elements grass needs for vigorous root development, thick healthy growth and rich, green color. And the 60% organic content of AGRICO GRASS FOOD feeds grass for months. Join the hundreds of happy homeowners who enjoy Agrico fed lawns. A \$4.95 bag of non-burning Agrico feeds 5300 sq. ft. of lawn.

PREVENT CRABGRASS the SAFE, EASY WAY!

Protect your lawn from its worst enemy with

AGRICO Pre-Emergence CRABGRASS CONTROL

Kills crabgrass before you see it... and Agrico

- Guards lawns all season
- Kills other weeds—Goosegrass, Foxtail, Sandbur, Barnyard grass
- Benefits mature grasses
- Eliminates most hand weeding of flower and shrub beds
- Easy to spread—free flowing bag covers 2500 sq. ft.

See your Agrico dealer today... ask for AGRICO CRABGRASS CONTROL

Agrico can be applied any time up to the 2-leaf crabgrass stage, but it is most effective when spread shortly before crabgrass germinates. Your dealer can advise you of the best approximate application date.

Charles Turner

Redford Man Promoted By Chevy

Charles R. Turner, 9096 Centralia, Redford Township, has been appointed administrator of divisional construction purchases for Chevrolet Motor Division, a new position in the division's purchasing department.

Turner, who resides in Redford Township with his wife and two children, is a veteran of 19 years service with Chevrolet, all at the company's central office in the GM building. He has served as coordinator of purchasing research since 1961.

He joined Chevrolet in 1945 as a clerk in the production and material control department. He was promoted to general supervisor in 1954 and two years later was assigned to the purchasing department as a divisional buyer, a post he held until three years ago.

Widening Starts on Middlebelt

Residents on Middlebelt Road between Five- and Eight Mile Roads received letters from Police Chief James Jordan this week notifying them that the Wayne County Road Commission and the City of Livonia will start the work of widening and reconstruction of Middlebelt on May 1.

His letter follows: "This is to advise you that, beginning approximately May 1, and continuing until approximately September 30, the Wayne County Road Commission and the City of Livonia will supervise the reconstruction and widening of Middlebelt Road between Five Mile and Eight Mile Roads.

"Recognizing that, as a resident of Middlebelt Road, this will directly affect you at one time or another and may cause you certain inconveniences, during the construction period, I am taking this opportunity and means to ask your cooperation and advise you that an access will be made available to you at all times, during the construction.

"If you have any questions or complaints regarding this construction program, the Wayne County Road Commission invites you to call them at Parkway 1-2440 or Logan 1-1520.

"The construction will be one-mile increments, starting at Eight Mile Road and working, one mile at a time, toward Five Mile Road. Each section will be completed before another section is started. This is designed to cause and maintain a minimum of inconvenience and confusion to the people working and living on Middlebelt Road.

Sweet Adelines Sing For Competition

The South Oakland County Chapter of Sweet Adelines, Inc., is excited about forthcoming competition scheduled April 24, 25, and 26. The local chapter is hosting the big event this year as are the '63-64 first place regional champions selected last year in Toronto, Ontario, Canada, where the last regional competition was held.

Friday evening at 8:30 p.m., April 24, approximately 28 quartets will compete at the Ford Auditorium, Saturday at 10 o'clock and again at 1 o'clock, April 25, approximately 39 choruses will compete and on Saturday night at 8:30 p.m. the local chapter will put on a "Vaudeville Variety Show" also at the Henry and Edsel Ford Auditorium. In addition to a fast moving musical there will be the international championship quartets, "The Crackerjacks" ('57-58 champions), the "Yankee Misses" ('59-60 champions), and the past regional championship quartet entitled the "Sweet Sioux's."

All local members of Sweet Adelines will have tickets for this event. Participating in this Sweet Adeline convention are

local residents, Charlotte Weigle, Bobbie Bostick, Marion Greene, Lorrie McAllister, Bobbie Reid. For ticket information call Charlotte Weigle, GA 2-2521.

NEW PRESS CHIEF of Junior Achievement of South-eastern Michigan Inc. is William McMaster of Birmingham. His appointment was announced last week. He is a former advertising manager for a weekly newspaper.

2,000 Junior High Musicians Compete At Plymouth

More than 2,000 junior high musicians from 36 schools in the eastern and southeastern region of Michigan will move into Plymouth Saturday for competition in the Region 4 state music festival.

The state was divided into regionals this year due to the unusual number of entries from the numerous junior highs and actually each is classed as a state championship meet.

The Plymouth competition is under the direction of James Griffith, PHS band director, and Laurence Livingston, director of the Junior High East band, co-managers.

The competition will

PHS Band Praised for Rating

Plymouth High's band received an excellent rating in competition at the annual state band and orchestra festival, marking the fifth straight year the musicians have won the high award.

Under the direction of James Griffith, the band annually ranks with the state's best even though in competition against schools with an "A" rating.

Judge Larry Teal, of Detroit, terms the performance of the Rocks as "very well interpreted and a very satisfying performance."

Judge Bert Nelson, assistant director of the band at Northwestern University, congratulated Griffith on "a spirited performance of good and worthwhile music."

The next public appearance of the 67-piece band will be in Kellogg Park on May 22 when the musicians present their first annual "pop" concert in the community band shell.

Civil Service Plans Exams For Fire Post

Competitive examinations for the rank of sergeant in the Plymouth Township Fire Department will be held on May 8 under the supervision of the Civil Service Commission in the Township Hall at 2 p.m.

Commission Secretary Gene Overholt announced the time, date and place of the examination to fill the newly created post.

All fulltime employes with the permanent rank of firefighter will be eligible.

Overholt indicated the Commission will make up an eligibility list for the sergeant's post from those taking the examination.

Livonian Gets WAF Training

GREENVILLE AFB, Miss.—Airman Third Class Emily L. Leece of Livonia, a member of the Women in the Air Force (WAF), is being reassigned to

Selfridge AFB, Mich., following her graduation from the technical training course for personnel specialists here.

Airman Leece, daughter of Mr. and Mrs. Jack Hoffman of 11400 Arden, was trained to prepare and maintain personnel records and reports and to advise airmen on career development problems.

The airman, a graduate of Bentley High School, attended Cleary College, Ypsilanti. She entered the service in November 1963.

Livonia, Taylor Lions To Hear Judge Wise

Circuit Court Judge John Wise will be the principal speaker at a joint meeting of the Livonia and Taylor Township Lions Clubs on April 29 at noon in the Suburban Chop House, 30325 W. Six Mile Road.

begin at 8 a.m. in the senior high and junior high East. There will

be an hour break for lunch and the performances will pick up at 1

and continue throughout the afternoon. The Junior High East

"Rockets" will take over the stage at East Junior at 10:10 a.m.

The Junior High East-ernaires, the school's orchestra, will make its first

appearance in a state festival at 3:35 p.m. in the senior high gym.

The list of entries includes schools from as far north as Midland.

BUT ONLY ON PART OF SITE

Apartments OK'd For Oldford

Plymouth Township's planning commission has placed Stewart Oldford and Sons, builders and developers, in the position where they have permission to build apartments on the southernmost two-thirds of

their proposed multi-dwellings at the northwest corner of Ann Arbor and Sheldon Roads or drop the matter entirely for at least a year.

That was the outcome of a decision handed down by the commission last Wednesday when it rejected Oldford's petition for rezoning of the northernmost 500 feet of the site, adjoining the Park Lane subdivision, but approved a multi-dwelling zoning for the remain-

ing two-thirds. The rules of the commission provide that no new petitions may be filed on the same acreage for a period of at least a year. Thus the Oldfords find them-

selves in a position where they may build, if they desire, on part of the site but only single dwelling homes on the northern portion.

Stewart Oldford, Jr., acting as spokesman for the builders, flatly told the commission that he was interested only in a new zoning for the entire site.

"We feel that it will be economically impractical to build apartments on only two-thirds of the land," he said. "However, we will study the ruling and make a decision in the near future."

The Oldfords' proposal for apartments met with bitter opposition from area homeowners, especially those in the Park Lane subdivision, and they attended two public hearings to voice their opinions.

The Oldfords filed a petition for the northernmost 500 feet of the land in September of last year and then filed a second petition for the remaining acreage in December.

Thus the commission ruled that it had to handle each as a separate item, voting against a decision to combine both into one parcel, and by unanimous acclamation rejected the first petition and approved the second.

125 Fight Request On Rezoning

(Continued from Page 1) such a move would result in cheaper houses with large families and disaster for the school board which would have to plan new schools.

Owen McKenny, 9320 Ivanhoe, charged that Stoller knew of the zoning when he purchased the land, took a gamble anyway and "if he loses, he should be able to take the loss just like any other speculator."

Alice Smith, 9125 Beck Road, stressed that most of the residents in the area moved there because it was a nice place to live and "we think it should be kept that way."

After an hour long hearing, Chairman Irving Rozian ordered it closed and the commission tabled a decision until the regular meeting in May.

George Rubin, of Detroit, who is seeking permission to change the zoning of 8.91 acres at the southwest corner of Ann Arbor Road and Sheldon from single family to commercial, also had a hard way to go.

Rubin talked of plans for an enclosed mall and told of the quality service and convenient shopping his group intended to furnish. He told the commission that the leasing was in the hands of the Byron Terrace Co.

But his arguments met with deaf ears in the audience where several opponents to the rezoning expressed a belief that the rezoning was for one purpose — construction of a service station.

Rubin and a representative of the real estate firm denied the allegations but the idea was still there when Rozian called a halt to the hearing. A decision will be made at the next regular meeting.

Speaking against the petition were: Carlton Lewis, 9440 Sheldon Road; Tom Van Noy, 24607 Ann Arbor Road; Fred Rogers, 44456 Clair Blvd., and others.

In other action, the commission tabled an application from the Ten Mile Lake Building Company, pending receipt of additional information.

Accepted for processing from Suburban Living, Inc. a preliminary plat for subdivision of Cambridge Village No. 1.

Recommended issuance of a building permit for Crest Park Apartments on Wilcox Road.

Advised Andrews and Finkel to present additional information on their request for rezoning of property west of Sheldon Road on N. Territorial from suburban residential to multiple dwelling for apartments.

REDFORD UNION—Stuckey 5195, Volney Smith 3772, Keeler 4200, Roosevelt 4774, Bulman 4600, Westland 2363 and MacGowan 4681.

Plymouth Swim Club Doomed By Zoning Law

Plymouth will not have a private swim club this year—at least not on the site originally sought by promoters of the Plymouth Colony Swim Club on Ann Arbor Trail near Beck Road.

Backers of the venture learned last Wednesday that the proposed recreational facility is classed as a private swim club under the Plymouth Township code and therefore would require a commercial zoning.

Township Planner W. C. Johnson informed the planning commission of the requirements after a lengthy study. Residents of the immediate area indicated they were not

in favor of the club locating in their midst and would fight the zoning in a hearing before the planning commission.

With that kind of a fight facing them, the swim club sponsors indicated they probably would look for a new site and drop the proposition for this year at least.

The petition for a building permit has been turned over to Township Attorney Earl Demel for an official interpretation but it is believed he will back the opinion of Johnson.

Facts and Opinions

(Continued from Page 1) Redford Township will be a silent but ardent cheering section for the South Redford foot soldiers next Monday.

Since last Friday the Editor has been a patient in the custody of St. Mary Hospital, the relatively new one serving this area under the operation of the Felician Sisters at Five Mile and Levan Roads. We made our entrance after being hustled from Lansing in Bob Brooks' fancy new Cadillac ambulance.

Previously our practical knowledge of St. Mary had gone little beyond the lobby. This time we are securely tucked into a bed in a room on the fourth floor, our picture window over-looking a wide sweep to the East. It has given the best possible opportunity for close inspection and we simply wanted to report that the immaculate condition of the physical properties and the unusually cheerful and prideful spirit of the personnel, Chiefs and Indians alike, almost makes the sojourn a pleasure, as those things go.

The standards at St. Mary are exceptionally high and the people of this area are mighty fortunate to have such a facility so close at hand.

However, 1200 calories served here without lubrication or seasoning tastes just about the same as they do anywhere else. This is from direct personal research on the subject.

While the details still can't be reported (because the deals themselves haven't been quite advanced to the firm stage) some of the most exciting news for this entire area during the next 12 months will be new industrial developments along the C & O Railroad.

Most of this will occur in western Livonia and in southern Plymouth Township. The projects will range from 50 employee plants to huge ones with payrolls of 3,000 people and upward. As a forecast, Facts and Opinions would venture that there will be more than 15,000 new jobs provided in the Plymouth-Livonia area just in the next 18 months.

This, of course, means a spiral upward in everything . . . retail sales, wider streets, more schools, larger tax base, increased activity everywhere.

This growth situation is one which demands the highest kind of local government leadership. The pressures (and temptations) placed upon local officials are far heavier than almost any citizen realizes.

Plymouth Kiwanis Slate Pin Duel With Rotarians

Mark down May 6 as a must night to attend a bowling match at the Plymouth Bowl on Plymouth Road. That's when the Plymouth Rotarians clash with the Kiwanians in their annual pin duel.

Arrangements haven't been completed but each club plans on having its best bowlers on hand and each is positive that it will be on top when the final scores are tallied.

Circuit Judge Ben Burdick will address the Kiwanians on Tuesday, May 5.

Mrs. Warren Worth, librarian in charge of the Dunning-Hough Library, was the guest speaker at last week's meeting, relating the background of the library and telling of its value to the community.

"Our library is part of the Wayne County system," she said, "which operates as general supervision, and makes books available from any other library in the system as well as from the State Library in Lansing."

"The 40-year-old Dunning-Hough Library was donated for the use and enjoyment of Ply-

mouth citizens. The Dunning family gave the site on S. Main, the City of Plymouth added a brick veneer addition to the frame house included in the gift and then the Hough family provided funds for the razing of the old structure and construction of the present two-story Colonial type building."

Guests for the program included: James Whalen of New York, Harold Langworthy of Wayne and John Alley of South Lyon.

Durable ceramic tile is especially useful in kitchen areas where cuts or scratches from knives or other hard, sharp-edged items can be damaging.

Ceramic tile, with its stain-proof qualities, suffers no lasting marks from cooking oils, spilled beverages or cigaret burns.

Today's stiletto heels, fashionable on the feet but murder on many flooring materials, cannot dent ceramic tile surfaces.

Council

(Continued from Page 1) Richard Wernette, that every possible step would be taken to have the land turned over to Stahl-Van as soon as possible under the provision of the URA.

Council took under advisement a request from the Plymouth Community Real Estate Brokers Committee asking that all industrial property be priced and the local brokers be given an equal chance to make deals with the proper commission.

The committee presented a four-prong proposal for the Commission to study. After considerable discussion, the matter was ordered placed on the agenda for the next regular meeting pending receipt of an opinion from City Attorney Edward Draugelis determining the future policy.

The proposals of the realtors included:

1—The City should enumerate all city property for sale and submit same to the secretary of the brokers group.

2—A definite sale price should be established and adhered to by all parties attempting to sell such property.

3—A definite commission for sale of such property should be agreed to by all parties concerned.

4—The City officials should consider local real estate people to appraise such property to determine a sale price.

In other action, the Commission:

Accepted the City Manager's proposed 1964-5 budget for study.

Approved a proposal to vacate Byron Street.

Approved plans for widening Harvey Street at Ann Arbor Trail.

Decided to use the present telephone switchboard and system in the new City Hall.

Gave permission to Passage Gayde Post 391, American Legion, and Mayflower Post 6695, Veterans of Foreign Wars, for the annual Buddy Poppy sale on Thursday, May 21.

Fireplaces faced with ceramic tile in decorator designs can add distinctive flair to the living room, den, kitchen, family room, dining room or bedroom.

Properly installed, real ceramic tile is practically indestructible and will last the lifetime of a home with little upkeep.

Ceramic tile is stainproof, scratchproof, heat proof, fireproof, fadeproof and dentproof.

City Hall Shift Set For June

Plymouth's official family may move into the new City Hall as early as June 1 if work continues at the present pace.

That was the news relayed to the members of the Municipal Building Authority at its meeting last week by Contractor Ernie Burger.

Burger told the MBA that work is far ahead of anticipations, and barring unforeseen developments, city officials can begin moving into the new building no later than June 1.

Earlier the MBA had made plans for the move early in July with the dedication ceremonies tentatively slated for late August or early September.

Demolition of the City Hall annex, which currently houses the Department of Public Works and Junior Achievement, will start on May 9 and razing of the old City Hall will probably take place about a month later under the present plans.

Meanwhile, members of the MBA are making plans for the cornerstone laying ceremonies on Friday, May 22—the high spot of the city's Michigan Week celebration.

The complete program, which is being arranged by Sid Strong and MBA Chairman Harold Guenther, will be announced within a few days.

The MBA is studying plans for installation of some unusual lighting effects around the cupola-dome on top of the new City Hall that will bring it to the attention of all driving into the city.

GETTING A LINE on the site of the new Thermax Co. building in Plymouth's Industrial Park are: (from left) Chief Engineer Reuben Aho, Plymouth City Commissioner George Lawton, Ben Milt, president and general manager of Thermax; and Plant Manager Earl Opliger. Work has already started and Milt hopes to be in the new plant within 90 days.

Break Ground for New Thermax Plant

Ground was broken and footings laid to start construction of the new Thermax Corp. plant in Plymouth's Industrial Park which is expected to be in operation within 90 days.

At least that's the hope of President and General Manager Ben Milt who plans on shifting his operations from Livonia to Plymouth at that time.

"It will be a gradual move from the present quarters in Livonia," he said. "We'll have workers at both places for a while and then eventually move all of our operations to the new plant."

Most of the workers will be moved from Livonia although Milt indicated some new employees would be added from the Plymouth area.

"Our work is so highly skilled and spread over such a wide area that it is impossible for Thermax to maintain a permanent force at the new plant," Milt said.

He indicated the company may have as many as 100 on the payroll at times but the majority would probably be working in some distant city where the firm has a project at that time.

"We plan on erecting a building with a capacity of 5,000 square feet to start," Milt stated, "but if things continue to improve as they have in the past four years during which our business doubled, then we'll have to make plans for an addition to the new building. That could take place in as short a time as two years."

Music Groups Plan Concert

Vocal and instrumental students at Junior High West will participate in the spring concert, sponsored by the Parent-Student-Teacher Association, Monday, April 27 in the school gym at 7:45 p.m.

The program will include presentations by the Seventh Grade mixed chorus, under the direction of Fred Nelson; the Seventh Grade band, under Laurence Livingston; School Orchestra, under Livingston; and the Girls Glee Club, supervised by William Grimmer.

The Mixed Chorus will sing: Commit Thy Way Unto Him, We Will Thank Thee, O Lord, Czechoslovakian Dance Song, and Puff, The Magic Dragon.

The band will present: Syncopated Clock, American Pioneer, and Selections from Oklahoma.

The Orchestra will offer: On Wings of Song, Tango Trocadero, and March Militaire.

The Glee Club will sing: Green Cathedral, Wynken, Blynken and Nod; Kentucky Babe and a group from Copenhagen.

Patio Fashion Show To Highlight Teen Styles

"This Wonderful Year" will be the theme for the 5th Annual Teen Age Fashion Show at Northwest Branch YWCA, 23940 Grand River, on May 3rd, at 3:00 p.m. Pat Russell, chairman of the Y-Teen Inter-Club-Council has announced.

The fashions will be supplied by "Harvi's Suburban Casuals" of Farmington and will feature their fine lines of teen fashions, materials and coordinates for spring and summer. Emily K. Murphy, YWCA charm teacher, fashion show coordinator and model, will do the commenting for the show.

Models will include members of Y-Teen Clubs from Cody High, Clarenceville Junior High, Farmington High, North Farmington High, Pearson Junior High, Redford High, Redford Union High, Southfield High and Thurston High schools.

A barber shop quartet from Pearson Junior High, directed by Mrs. Patricia Bushong, will begin the show. At this time, styles from the past will be shown featuring clothes loaned by the Farmington Players group. "The Beatles" of Redford High, playing and singing the latest hits, will announce the fashions of '64.

The show is presented for parents who will be interested in '64 styles for teen clothes, which will feature the a.m. to p.m. look including sports wear, casual cottons and the "dressed up" styles.

Tea will follow the show and donations will be accepted to provide a fund for sending Y-Teens to the National YWCA Teen Conference in 1965.

Further information can be acquired by calling Northwest Branch YWCA at KE 7-8500.

To Women It May Concern

By MYRA COX

As apartment dwellers in this area we are two generations behind New York—and for gracious apartment living we are at least that far behind Florida... but we are catching up.

Evidence of this may be viewed in our area right now.

Apartments, or multiple dwellings as they seem to call them are going up like mushrooms (only prettier) in Plymouth—and in Livonia they are off the drawing board and have been approved by the City Council.

Redford Township is not as anxious to see their remaining land go as much for multiple dwellings as they would industry—but they did approve some on Five Mile Road known as the Redford Plaza.

Last Saturday afternoon I got the complete tour, with a friend of mine who decided to be one of Paul Barak's tenants. A widow and businesswoman, she is selling her home in the Township, shedding the worry of weeds, storms, screens, grass cutting, snow shoveling.

Yes, you say, but she gives up her nice garden view and her storage space, and the days of her being a hostess for the group for records, food and dancing are over...

Well, that may be true of those New York cave-dwellers, but not Mr. Borak's apartments in Redford Township.

Each apartment has a delightful picture window that looks (or will according to the plan) out on a landscaped garden complete with fountain. The 64-unit apartment has two floors—and I think the view is even more delightful from the second floor. This is the view from the living room.

There is an elegant kidney-shaped swimming pool—the pool is already in.

Now if my friend is entertaining some friends around the pool and she has a phone call, the caretaker pages her by the pool and she can take the call pool-side... or if it starts to rain while "the girls" are funning, they don't all have to go to their respective homes—or go dripping wet into her apartment. Instead they all troop into the cozy, panelled activity room.

Our hostess here has facilities to serve her guests from behind the snack bar—scoop into the little adjoining kitchen and bring out the potato chips and dip—she can bring out the card table and chairs (not from her own apartment—but rather from the handy-dandy storage spot where they are kept for her use) and have a bridge game... whilst hi-fi music soothes the nerves in the background. If her guests care to change—just inside there is the powder room.

If the ladies lean a little more toward the action-type entertainment—the next room houses the ping-pong table, or if they be sporty—how about a game of pool—it's available too. Well, this just about makes my friend the most popular hostess in the crowd.

In addition this lower level boasts storage area for each apartment for the Christmas tree trimmings, the skis, the off-season clothes, or whatever. Also there are individual laundry areas—each tenant having his own tub laundry tubs.

All of this and I haven't even mentioned the most glamorous, the apartment itself. These happen to be one- and two-bedroom units with living-dining room combinations.

The kitchen is compact and modern with colorful appliances to match the decor and the bath is luxurious and delightfully modern to please even the most avid reader of Better Homes and Gardens.

Some of the apartments are presently being decorated in the more masculine type decor sure to please the bachelor-type Mr. "B" has rented many of his apartments and it sounds like they will all be most comfortable—professional men, young marrieds, retired couples, and widows.

It will take a while probably, but as our children fly the nest and we see our friends acclimating so cozily to this new concept in multiple dwellings, it will be a new trend... I hope those in Plymouth and Livonia will be as attractive and do as much for the community... and I hope there will be enough to go around.

LIVONIA Crusade Day plans are being made by Mrs. Robert Stamps, Public Education Chairman of the Michigan Cancer Foundation, Mrs. John Carpenter, Public Information Chairman, and Mrs. Ben Thomas. A film, "Time Out For Living" will be shown to the public at Bentley High School on Wednesday, April 29 at 8 p.m. This same film will be presented at Redford Union High School on April 23 and at Plymouth High School on April 28 at 8 p.m.

IN THE MONEY as a result of winning \$1,000, the first prize (Class B under 100 members), are the members of the Livonia Junior Chamber of Commerce Auxiliary. Represented by their president (above-left) Mrs. Frank Webster, who may only represent 17 members and be a very young lady, nevertheless she gave a very poised and impressive and surprised acceptance speech. (center-above) Mary G. Ball, who assisted with publicity for the contest, and Mrs. Marcell Fendelet, President of the Women's Society of St. Matthews Church of Livonia. They won Honorable Mention in the Federal Department Store Club Women's Contest to mark their 50th anniversary. The announcements were made at a luncheon for more than 150 club presidents.

Delegates Of Plymouth AAUW Attend Conference

Indianapolis, Indiana will be the destination of four delegates from the Plymouth Branch of the American Association of University Women April 23-25. The occasion is the 18th biennial Northeast Central Regional Conference of AAUW, devoted to the topic: "Change Brings Challenge." At the national conference of the Association in Denver, Colorado, last summer, the organization adopted several changes in structure; this regional meeting will follow the new structure and aid local branches in setting up programs under the new system.

Local members attending are: Mrs. Richard Fritz, branch president, Mrs. John Moehle, president-elect, Mrs. John Haas, and Mrs. D. H. Sutherland, all of Plymouth. Mrs. Fritz will serve on the credentials committee at the conference. Another local member will be represented vicariously: Mrs. J. M. Hopkins of Plymouth, State Membership Committee member, is sending a special membership display. The delegates will also be taking exhibits of local branch projects. Conference headquarters is the Sheraton-Lincoln Hotel. Featured speakers are: Dr. Orr E. Reynolds, of NASA in Washington, D.C.; Adolph Wolter, internationally known artist; and Dr. George John, Air Force physicist. Book displays and exhibits will be included in several browsing rooms.

'M' Alums to Dance

A spring mixer dance will be held May 9 by the University of Michigan Club of Livonia. Rosedale Gardens Civic Ass'n. Building, Hubbard Rd. near W. Chicago, will be the scene of the dance and tickets are \$1 each. Setup refreshments will be served.

Intelligent people seem to know where knowledge ends and ignorance begins.

Local members attending are: Mrs. Richard Fritz, branch president, Mrs. John Moehle, president-elect, Mrs. John Haas, and Mrs. D. H. Sutherland, all of Plymouth. Mrs. Fritz will serve on the credentials committee at the conference. Another local member will be represented vicariously: Mrs. J. M. Hopkins of Plymouth, State Membership Committee member, is sending a special membership display. The delegates will also be taking exhibits of local branch projects.

Women Plan Lansing Trip on Peace Issue

Women from the Livonia, Redford Township and Plymouth areas will join a statewide caravan to Lansing Thursday, April 23, to visit Governor George Romney and state legislators for discussions on the peace issue.

Women will also come from Ann Arbor, Battle Creek, Kalamazoo and other communities. Further information and transportation arrangements may be had by calling Mrs. Barbara Robb, WO 1-8737.

Awards Given Senior Citizens Bowling Champs

The Livonia Senior Citizens Bowling League held its banquet April 16 at the Kenwood Lounge. A buffet dinner was served to 70 people and Karen McAllister entertained at the organ during the evening.

The championship team of P. Miller, S. Wilson, A. Buxton, R. Turmquist and K. Harrison received trophies. Special emblem awards were given to H. Windt, C. Hoffman, J. Wagar, T. Galbraith and O. Gruner.

Re-elected to office were M. Barker, president; H. Windt, vice-president; C. Hoffman, treasurer, and A. Jerolamon, secretary.

Children and adults in the area are invited to visit the booths and participate in the games. Refreshments will be served.

Johnson PTA is sponsoring a Fair to be held Saturday, April 25 from 12-5 p.m.

Johnson Elementary School's PTA is sponsoring a Fair to be held Saturday, April 25 from 12-5 p.m.

World's Fair Shown At Redford Heights

Redford Heights Civic Association will hold its second quarterly membership meeting Wednesday, April 29th, in the north cafeteria of Redford Union High School at 8. The program for the evening will include a guest speaker from the Detroit Edison Co., Peter Georges, Manager of the Redford Customer Office.

Mr. Georges will present a film on the 1964-65 New York World's Fair. Since many people will be attending the Fair this year, this should be an interesting program.

The general business meeting will be followed by refreshments. The Redford Heights Civic Association takes in an area from Five Points to Inkster and Seven Mile Rd. to Curtis. All residents of the area are invited to attend and meet their association members.

Ladies! Let's Play Ball

Redford Township Ladies Softball League are looking forward to a fun season with plenty of action, lots of competition, (and slimmer figures too.) All ladies 18 or over, or married, are invited to join the League. There are eight softball teams in Redford Township.

Game time will be on Monday nights at 7 or 8:30 p.m. at Beech—or Claude Allison Field.

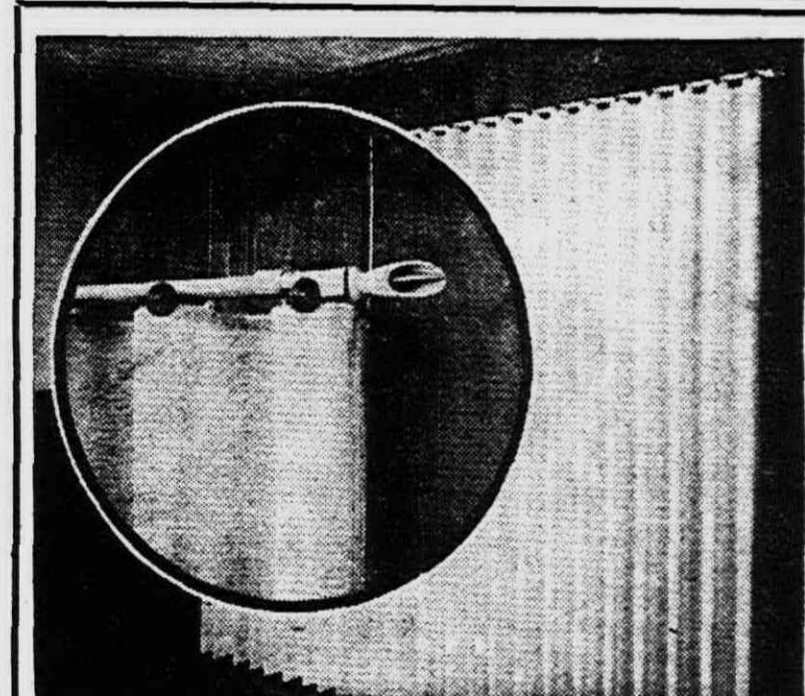

If you are interested or want more information contact Madely Lee, 11706 Eileen, Detroit 39, KE 2-4810.

SPEAKERS AT THE SOROPTIMIST dinner meeting last week both inspired and encouraged the membership into action. Plans are in the making to assist the Chamber in putting Livonia on the map with its huge Show Train effort; membership plans a Spring Flea Market on the grounds of Ardmore Convalescent Home; and they are considering giving some financial support to the Northwest Child Guidance Clinic of which Livonia is a part. (l-r) Dorothy McCollum, from Farmington who runs a successful Flea Market there; Dr. James Oliver, President of the Board of the NW Child Guidance Clinic; Vice President of Soroptimist Marjorie Miller; Phil O. Tranguay, Chamber; Juanita Hillas, Soroptimist Secretary.

SEE YOU THERE

The Children's Entertainment Guild and the Livonia Public Library will bring the Reed Marionettes in the "Emperor's Nightingale" to Bentley High School on Friday, May 15 at 4:15, and 7 p.m. Tickets will be available at the Library or from any Guild member for 30 cents. Tickets are on sale now on a first come, first serve basis.

There are still a few reservations for the Daughters of America annual Linen Games Party at the I.O.O.F. Hall Elizabeth St., Plymouth on Saturday, April 25 at 8 p.m. Call GL 3-6351 for ticket information.

A rummage sale will be held in the parish hall of St. Elizabeth's Episcopal Church, 26431 West Chicago, between Beech-Daly and Inkster, Redford Township, on Saturday, May 2. Time for the sale, which is sponsored by St. Elizabeth's Churchwomen, is from 9 a.m. to 1 p.m., according to Mrs. A. West of the church.

A Livonia League of Women Voters orientation meeting will be held Thursday, April 23, at the home of Mrs. Milton Firestone, 31049 Dorais. A smorgasbord dessert will be served and the meeting begins at 8:15 p.m.

Mayor Harvey Moelke was re-appointed to serve on the Board of Supervisors' Ways and Means Committee along with Mayor Jerome Cavanagh.

Livonia Associates invites you to a Rummage sale to be held on April 24, Friday from 12:00-5:00 and April 25, Saturday from 9:00-5:00 at Woodward Glass Co., 27102 Grand River near Inkster. Rummage for sale will include clothes, household goods, toys, tools, dishes, books, etc. Come and pick up a bargain. All proceeds go to Michigan Christian Jr. College, Rochester, Michigan.

Kimberly Oaks Civic Association will hold their third annual mixer dance at K of C Hall, Schoolcraft and Eckles Road on April 25. Tickets may be purchased from block captains or by calling D. B. McClung, GA 2-2883.

Livonia Rotary Anns will present "Fun in the Sun," May 5 at Thunderbird Inn with fashions by Federals, hair styles by Joseph and door prizes, all for three dollars. The proceeds will benefit crippled children. Frances Rosbitt and Donna Woodward are co-chairladies. Tickets are available at Gowman Pharmacy, GA 2-0404; Delores Funk, GA 7-1948; and Hines Park Motel, GA 7-1300.

Schoolcraft College Gets AAUW Scholarship

A scholarship check for a girl attending Schoolcraft College was presented to the College by the Plymouth Branch of the American Association of University Women on April 9. Miss Lois Waterman, Dean of Students, accepted the check from in-branch president Mrs. Richard Fritz, of Plymouth, and Mrs. John Haas, Chairman of the Listening Post Lecture Series of AAUW. The profits from Listening Post made the gift possible: 25% of the profits this year were given to the local Scholarship. A similar gift was made by the Association in 1963; a more successful Lecture Series this year enabled the Branch to increase the amount from \$99.87 to \$131.18. Mrs. Haas expressed thanks to all those in the community who supported Listening Post so well and made it possible to grant the scholarship a second year.

LIVONIA COOPERATIVE Nursery School will hold its annual fashion show-luncheon Thursday, April 23, at Botsford Inn, Coach House. Talking over final plans are (l-r) Mrs. Bill Philippi, Mrs. Hugh Miller, who will model, and Mrs. Gus Cross, Chairman. Tickets may be obtained from any nursery member or by calling Mrs. Fred Woodward, 422-7787. Models who will be in the show are Mrs. Dick Hammersley, Mrs. Al Stranquist, Mrs. Lyn Fueling, Mrs. Erwin Zagiel and Mrs. Ronald Walter. The Commentator will be Mrs. Clara Jordan.

MRS. RICHARD WICKARD

Matevia-Wickard Vows Exchanged

Carol Ann Matevia and Richard Wickard were united in marriage in a candle light service April 18 in St. Matthew's

Church. Rev. James A. Lange was officiating clergyman.

The bride is the daughter of Mr. and Mrs. Alton Matvia of Middlebelt in Livonia. Mr. and Mrs. Albert Wickard of Rockland, Redford Township are the parents of the groom.

Following the double-ring ceremony the young couple and their parents greeted guests at a reception at Western Golf and Country Club.

A gown of SataPeau, was chosen by the bride, styled with a detachable chapel train from the sheath skirt. It had a beaded cummerbund and neckline. Her chapel veil was held in place with beaded and lore headpiece.

Miss Dottie Davis of Hollywood, Calif., was maid of honor gowned in a floor length pink dress, trimmed in silk linen rose with detachable train. Her headpiece of a rose, bow and veil complimented her ensemble.

Miss Margaret McCarthy of New York and Mrs. Roberta Hirzel of Detroit and Mrs. Susan Wozniak of Livonia, were bridesmaids. Their rose, trimmed-with-pink-gowns were identical to the maid of honor's.

Serving as groomsmen was Ronald Gathesh of Scottsdale, Arizona, Kenneth Harris and John Hirzel of Detroit were ushers along with Leonard Wozniak of Livonia.

Pink lace was chosen by the bride's mother for her daughter's wedding and green peaude-soie by the groom's mother.

Following a motor trip East the young couple will reside in Plymouth, Michigan.

The new Mrs. Wickard attended Ferris State College and Airline School, while her husband attended Henry Ford College. He is now employed by Associates Finance as Assistant Manager.

Barbara Lynch

Mr. and Mrs. Edward J. Lynch announce the engagement of their daughter, Barbara, to Donald Crowther, son of Mr. and Mrs. William Crowther of Plymouth, Michigan. A November wedding is planned.

Card Party to Aid World Fellowship

A Dessert Card Party featuring table and door prizes will be held at the Northwest Branch YWCA, 25940 Grand River, on Monday afternoon May 4 at 1 p.m. Mrs. James Nugent, Co-Chairman of the event has announced.

The party is a benefit with proceeds going to the YWCA World Fellowship fund which helps promote the work of the YWCA in 71 countries throughout the world. The public, as well as YWCA members, is invited to attend the afternoon event.

Tickets may be secured at the YWCA, 25940 Grand River. The YWCA is a torch fund agency.

Dinner Meeting Held by C.A.R.

The Plymouth Corners Society of The Children of the American Revolution under the leadership of Senior President, Mrs. T. H. Benson of Livonia, held a dinner meeting this past Tuesday at the home of Frank and Rick Martin of Northville.

The annual election of officers was held: Susan Entz, Northville, President; Joy Kadey, Northville, Vice-President; Barbara Doyle, Farmington, Treasurer; Betsy Benson, Livonia, Secretary; and Susan Benson, Livonia, Chaplain. They were honored by the presence of Mrs. George Merwin, Senior State President, who formally installed the new officers for their 1964-1965 term.

Robbe Moore of Birmingham gave a very interesting talk and showed a complete display on Indian fighting and hunting equipment. This was the highlight of the evening.

Each member present gave a three minute talk about his or her contribution towards conservation for the present day, i.e., using water without needless waste, cleaning yards, planting new trees, feeding birds, and many up-to-date methods of saving our valuable resources.

At the state conference in Saginaw last month the Plymouth Corners Society was given the highest award for having the most new members of any society in Michigan. There are twelve other societies throughout the state.

It also received the Gold Ribbon Award for the fifth year in a row for its active work during Patriotic Education Week. This society is very faithful to the National C.A.R. Theme "Re-dedication to God and Country." The next meeting is a barbecue at the home of Mrs. Eugene Entz.

Nancy Anne Caldwell

Mr. and Mrs. Clayton Caldwell, Shadywood, Plymouth, announce the engagement of their daughter, Nancy Ann, to Russell T. Sheehan, son of Mr. and Mrs. Thomas Sheehan, Myrna Ave., Livonia. Nancy is a 1961 graduate of Plymouth High School and is employed at Michigan Bell Telephone Company. Russell is a 1960 graduate of Bentley High School and is employed at the R. T. Sheehan Company. A summer wedding is planned.

Seniors in 449 schools have been awarded 805 Regents-Alumni Scholarships to the University of Michigan this year.

PTA NOTES

HAYES PTA

Hayes School PTA presents the "kraziest" event of the year. Come, come, come, from 1 to 4 p.m. on Saturday, April 25 to the Krazy Carnival. Mrs. Walter Sprader, "karnival" chairman, announces that there will be something brewing for everyone, from infants to grandmas and grandpas.

The Carnival will have: a white elephant sale, bake sale and cake walk, make-up booth for boys and girls, dart game, bean bag toss, fish pond, wish well, jewelry pitch, cane toss, hucky buck, bumper derby, and paratrooper shoot. Refreshments to be sold are cotton candy, popcorn, hot dogs, sloppy joes and pop. Tickets are 10 cents each and will be sold at the door. For fun and excitement, don't forget to circle the day — April 25.

Michigan, spring carnival put on for charity by University of Michigan students, has a tradition dating from 1901.

Senior Citizens

BY AGNES ROLLINS
GL 3-1761

The Plymouth Senior Citizens had 94 members present at their weekly meeting last Thursday. Plans are being made for a trip in the near future. Six girls from the Plymouth High School entertained with vocal selections. Some time was spent sewing cancer pads.

College Gives Preference To Residents Until May 1

Residents of the Schoolcraft College district, which includes Livonia, Garden City, Plymouth, Northville and Clarenceville, who anticipate attending classes next fall but haven't filed entrance applications, are advised to make their intentions known to college officials at once.

With more than 1,300 applications on file, President Dr. Eric Bradner Monday urged all residents who have delayed seeking admission, to do so immediately.

"We can't stress this too much at this time," he said. "We will accept applications from all residents up to May 1 when we will begin processing blanks from non-residents."

"This means that residents will have a preference until May 1; then they will have to drop in at the end of the line just the same as any other person seeking admission."

President Bradner stressed that the college has several hundred non-resident applications on file and that

all will be considered after May 1.

Meanwhile, he announced the appointment of John Brinn, of Delta College, to the post of

Dean of Instruction, filling the vacancy created by the resignation of Jerry Mitchell.

The Board of Trustees awarded contracts for sci-

ence equipment, office machines, seating for the library and Office of Student Affairs, and furniture for the conference room in last week's meeting.

E. H. Sheldon Co. received a contract for \$106,946 for science equipment in 25 college areas.

Nine different companies shared in contracts for 71

pieces of office machinery totaling \$29,512. The firms included: Burroughs, Marchant, Friden, Monroe, Audette Office Supply, Marsh Office Supply, A. B.

Dick, Frankel and IBM. Incidental seating for the library and for the Student Affairs area was awarded to Marsh Office Supply and Rayhaven Equipment for a

total of \$2,815. Nine bids were received for a conference room table but that of Diack-Brown Co. of Plymouth won the contract for \$1,075.

DPW News And Notes In Plymouth

By SUPT. JOSEPH BIDA Plymouth D.P.W.

Sanitary sewers were checked and flushed in the north end of the city. On Saturday the sanitary sewer main backed up on Farmer and Starkweather. Sewers were cleaned and flushed on Main Street between Linden and Wing Streets.

Streets were swept in the business section and on residential streets. Cold patching was redone throughout the city.

The department handled one funeral at Riverside Cemetery and the grounds were cleaned at the cemetery. All settled graves were filled in and seeded.

Repair and painting of park benches was completed and all were put out in various city parks. City parks and playgrounds have been cleaned.

Considerable activity took place during the moving of materials at the D.P.W. yard in preparation for the new building which will house the D.P.W. Office, Meter Department and the Sign Shop. This adjustment is being made so that all department functions will be under the direct supervision of the Supt. of Public Works.

Three 1" water taps were installed, two on Byron Street and one on Industrial Drive. The department also repaired a catch basin at Penniman and Ann Arbor Trail at Kellogg Park.

Library Features Shakespeare

The 400th anniversary of Shakespeare's birth in April will focus international attention on the famous Bard of Avon and the world's most popular playwright.

Numerous books about William Shakespeare and his plays are available at the Livonia Public Library, according to Skip Rosenthal, the Librarian.

Some of the books which tell the story of Shakespeare's life are "William Shakespeare," by Peter Quennell; "A Life of Shakespeare," by Hesketh Pearson; "Shakespeare," by F. E. Halliday; "Shakespeare of London," by Marchette Chute; and "The Living Shakespeare," by Robert Gittings.

An excellent recent book of criticism and interpretation of Shakespeare's plays is Alfred Harbage's "William Shakespeare: A Reader's Guide." The author, a professor of English at Harvard, characterizes Shakespeare's language and dramatic techniques and then comments on his greatest plays scene by scene.

The Shakespeare-Bacon controversy and other authorship theories are discussed in H. N. Gibson's "The Shakespeare Claims."

Other books available about Shakespeare include "A Player's Handbook of Short Scenes from Shakespeare," selected and arranged by Samuel Selden, and the complete works of Shakespeare, both in one volume and in separate editions of various plays.

The Livonia Libraries are open as follows: Monday through Thursday, 12-9; Friday and Saturday, 9-5. Phone numbers are: Carl Sandburg Library, 30100 W. Seven Mile Road, 476-0700, and South Branch Library, 33720 Plymouth Road, GA 7-1990.

Mass production of ceramic tile in the United States dates back to 1876 when a plant was opened in Pittsburgh by an English immigrant.

Congo Missionary Tells Story At Methodist Church

An eyewitness to the recent political upheavals in the Congo is the Rev. Gerald Bates who will be speaking both morning and evening in the Parkway Heights Free Methodist Church on Plymouth Road just east of Telegraph. Services are at 11 a.m. and 7 p.m. April 26. Mr. Bates is a Free Methodist missionary in Usumbura, capital city of Burundi which borders on the Congo.

When many missionaries were forced to flee from the Congo, Mr. Bates assisted in their evacuation and re-entry. However, because of friendly conditions in Burundi, he and other Free Methodist missionaries were

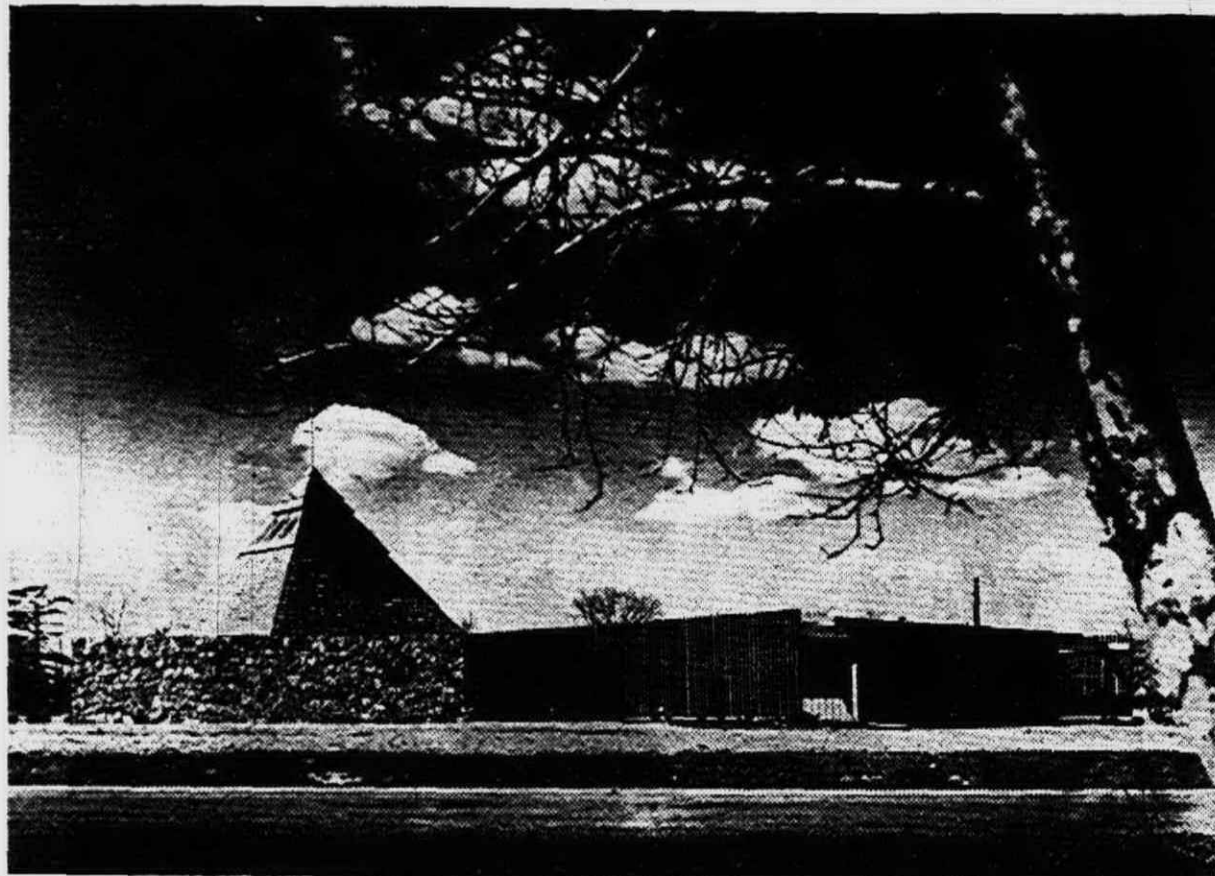

able to carry on their usual activities.

During independence celebrations in Burundi, the official protestant service for the country was held in the Usumbura Free Methodist Church. Since 1961, Mr. Bates has served as legal representative of the Free Methodist mission with the Burundi government. Also, he has gained many valuable contacts in official circles by the opening of evening adult education classes. During 1960, he served on the planning committee for the Billy Graham Crusade in Usumbura.

Concerning the condition of the country, Mr. Bates says this:

"Both the location of the country in central Africa and its newly independent status make our work here particularly strategic at the present time. Missionaries are well received and are able to work effectively. Even amid the predictable preoccupation with politics and 'progress' during this period the church continues to grow steadily."

The public is invited to attend and hear this up-to-date report as Mr. Bates will be speaking about "The Changing Face of Missions in Today's Africa." He brings with him slides and objects depicting African life, customs, and dress.

AWARD WINNING architecture of Church, pictured here, was given an honor award at the Guild's recent conference in Dallas.

Livonia Church Wins Award for Architecture

A striking pyramid-shaped church in Livonia, has been given a coveted Honor Award for outstanding achievement in church design at the 25th National Conference on Church Architecture in Dallas, Texas, April 7-9.

The All Saints Lutheran Church, designed by architects Roy D. Murphy & Associates of Urbana, Ill., was one of only 10 award winners out of several hundred design projects entered by architects throughout the nation.

In making the award, the judges commended the architects for their "use of site, solution of the client's program of needs and overall design excellence."

The design awards program was sponsored jointly by the Church Architectural Guild of America and the Department of Church Buildings and Architecture of the National Council of the Churches of Christ in the U.S.A. The competition was open to religious buildings of all faiths.

All Saints church is a mission church built for a new congregation by the Michigan District of the Lutheran Church, Missouri Synod. It was sponsored by both the Department of Missions and the Church Extension Board of the Michigan District.

Church pastor is the Rev. Dale B. Krueger of Garden City. The award winning church has a unique pyramid shape with its four-sided roof soaring to a spire-like peak. Near the top of the pyramid, an amber skylight provides a dramatic lighting effect for the church interior. The square shape of the nave area permits seating for the congregation on three sides of the altar.

Local field stone and wood are used almost exclusively as building materials and combine to give the church a feeling of great strength and warmth.

To facilitate rapid construction and keep costs down, the architects used a "modular" design technique which permitted the use of pre-built building components. The components were manufactured by Creative Building, Inc. and were shipped by rail to the building site.

The new All Saints Lutheran Church, completed in 1961, is the first phase of a long range, three-part building program and consists of a small sanctuary with capacity of 200 and a fellowship hall that is also used for education.

Eventually the present sanctuary will be used as a chapel and a new sanctuary will be

built to seat 500. Additional church activities will be provided for education and other church activities.

Missionary Rally In Progress At Memorial

"New Testament Christianity Behind the Iron Curtain" will be the theme of a missionary rally to be held at the Memorial Church of Christ (Christian), 24521 Schoolcraft at Fenton, at 7:30 o'clock nightly, April 28-30.

Gene Dulin of the Toronto Christian Mission will be the speaker at the nightly services. Through contact with Russian Christians in Toronto, Mr. Dulin decided to visit Russia and other Iron Curtain countries last summer to learn the status of New Testament Christianity there. His findings will be presented in sermon and slides.

Materials from various mission fields will be displayed at the rally by members of 15 area Churches of Christ and Christian churches. The rally is sponsored by the Greenfield Church of Christ. All interested persons are invited to attend.

Grace Parish Fashion Show

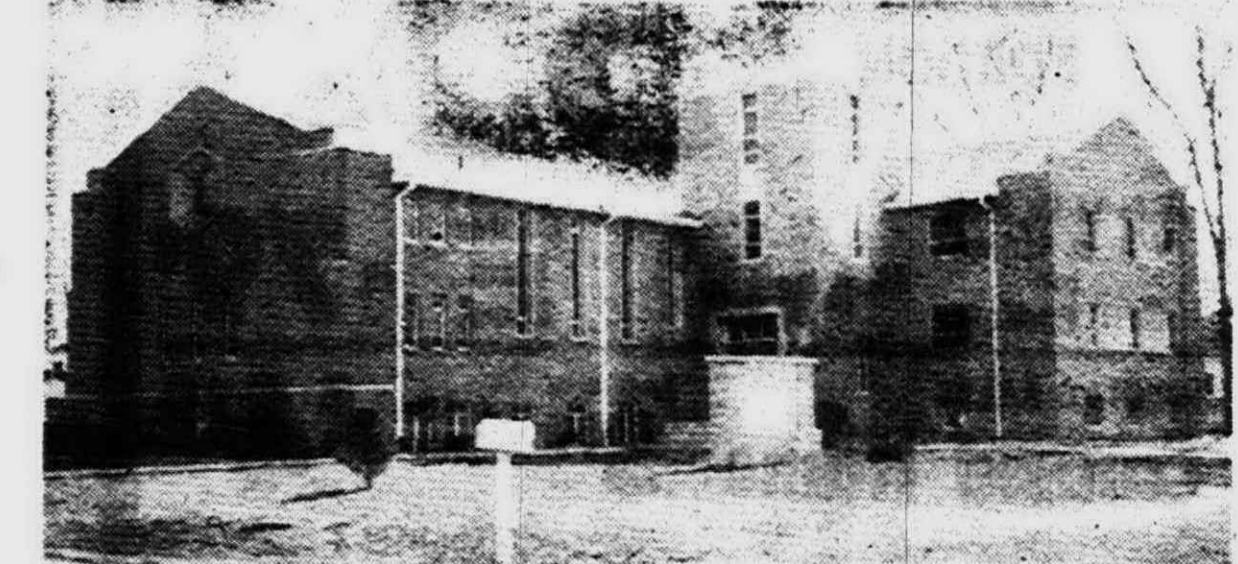

A fashion show, "Fashions, Fads and Fancies" will be held Thursday, May 14, at 8 p.m. at Our Lady of Grace parish auditorium, Riverview at Joy Rd.

Prizes, refreshments and a presentation by E. J. Korvette store, will highlight the evening and tickets are \$1.50, according to Mrs. V. Boyer, ticket chairman for the parish Altar Society, which is sponsoring the event.

HEAR **GONGO** MISSIONARY

GERALD BATES
Parkway Heights
Free Methodist Church
SUNDAY APRIL 26

Mr. Bates will speak at both morning and evening services, 11:00 a.m. and 7:00 p.m. Pictures shown during evening service.

NEW EDUCATIONAL building of Alpha Baptist Church, 28051 W. Chicago, will be dedicated Sunday, April 26, at 11 a.m. in ceremonies conducted by Dr. Selwyn Smith, executive secretary of the Detroit Association of American Baptist Churches. The congregation invites friends to inspect the new facility in the afternoon between 3 and 5 o'clock. Mrs. Bea Bixler will be featured in a sacred concert in the evening service. The new facilities were designed by Lee Butler and provide for more efficient worship centers and classrooms.

Missionary to Muslims Will Speak Here Sunday

Irving W. Sylvia, missionary to Muslim students, will speak at the Southfield Community Church, 21122 Indian (between Beech and Inkster, north of Eight Mile Road) on Sunday evening, April 26 at 7 o'clock according to Pastor Raymond Bayne.

As a new type of foreign

missionary, Sylvia has been able to penetrate lands that hitherto were closed to other Christian missionaries. His unique method of operation is to reach men while they are away from home, then send them back as Christ's Ambassadors to their own people. Then he visits them as a guest, after they have returned to

their homelands.

In addition to the message by Sylvia, there will be special music by the Ladies Trio of the church, the Choir, and Donald Haney.

The church has recently inaugurated a Children's Service for children 4 years old through second grade during the 11 o'clock morning service.

Gifted Musician To Lecture At Timothy Lutheran Church

The congregation of Timothy Church invites the public to an illustrated program on worship and music at the church, 8820 Wayne Road, Livonia on Sunday evening 7 p.m., April 26. Mrs. Emil Jebe of Ann Arbor will discuss the organ, architecture, symbolism, liturgy and church music, all illustrated with colored slides and tape recordings.

The speaker is past dean of the Central Iowa chapter of the American Guild of Organists. She has studied organ with the top musician in this field.

Girl Scout Notes

By Anne Verbeke

The "chug, chug" of the train was music to the ears of Troop 654 as they sped towards Lansing recently. After touring the Capitol Building, the girls were privileged to shake the hand of Governor George Romney.

Later they visited the Michigan Historical Museum and the Police and Civic Building, where they observed various police procedures. After enjoying a snack at the State Office Building cafeteria the girls returned to Livonia. Mrs. W.

Bauer, Troop Leader, along with several mothers, accompanied the group.

Troop 2504 of Clarenceville Neighborhood has been more than active lately. It has just completed its March Service Project, which consisted of Easter baskets for the children at Children's Hospital.

April 17 was the date for the Court of Awards. The girls presented the "Four Levels of Scouting," a puppet play they wrote. They used puppets in the play, which they had made under the direction of Helen Smith of Heritage Neighborhood.

Nankin Brownies and Girl Scouts met at McKee School to give their pennies to the Juliette Lowe World Friendship Fund. Each year Girl Scouts save their money so that Scouts and Guides from other countries can visit the United States and American Scouts can go to other countries. An Ark in London, Cabana in Mexico and a Chalet in Switzerland receive part of their support from this fund.

The program opened with the pledge of allegiance to the flag, followed by Mrs. J. McMichael's, Nankin Neighborhood Chairman, welcome to the girls and their families.

Receiving the pennies were Shirley Beck, Brownie, Linda Burton, Junior, and Peggy McMichael, Cadette. After each presentation, the 20 troops put on a variety of stunts from singing songs to a pantomime of "Little Green" Riding Hood" who carried Girl Scout cookies to her grandma.

Missionary Speaks Sunday

Reverend Edgar M. Louton will be the missionary speaker April 26 at the Livonia Assembly, Assemblies of God Church, 33015 W. Seven Mile.

Recently returned from Basutoland, a British Colony in Southern Africa, Rev. Louton will tell of his missionary work among the Basuto Tribe — people among whom ritual murder is still practiced.

A native of Detroit, Mr. Louton left the United States for Southern Africa in July, 1958, with his wife, formerly Barbara Hughes of Clio. They have two children, both of whom were born in South Africa.

The public is cordially invited to attend this mission service which begins at 11 a.m. Slides, curios, and native costumes will be shown.

Wolverine Raceway Shatters Records In Wave Of Prosperity

Opening dates and an unprecedented driving performance by 29-year-old Joe Marsh, Jr. of Findlay, O., are working wonders with the Wolverine Raceway harness racing meet at the Detroit Race Course.

Marsh is off to the greatest winning streak ever by a driver at a Michigan track, and Wolverine has been hit by a wave of prosperity that is writing new records for attendance and mutual handle.

The first spring dates since 1957 have found Wolverine thrice shattering its all-time high single night betting record of \$433,651 set in 1956.

Bettors poured \$572,709 through the machines on opening night for an all-time Michigan high. They added \$446,469 on the first Saturday and then bettered the previous mark again last Friday with a total of \$453,395.

All of which adds up to wagering of more than \$3 million in the first eight nights for a record average of almost \$400,000.

Meanwhile, Marsh has registered 20 victories in 42 starts to shatter all previous marks by a driver in the Motor City area.

Just to give an idea of his hot start, last fall Don Hall, of Northville, won the driving championship with a total of 23 firsts. Marsh is only three short of that mark after eight nights.

Racing Secretary Bill Connors announced two invitations for the coming weekend

with a \$3,000 trot on Friday and a \$3,000 pace on Saturday. The trot matches the popular Charlie Horse against such speedsters as Charming Valley, Durban Chief, Dutch Bardia, Peerless Pick, Princess Danny

and Nite Shirt. The pace sends Peachadon, one of the fastest Michigan-breds, against Butch Harmony, Jeffrey Western, Adios Gale, Trotwood Bob, Straight A and Amigo Star.

THIS SCENE has become a familiar one at Wolverine Raceway—it shows Driver Joe Marsh, Jr., winning his 20th race in the first eight nights of the 50-night meeting. Marsh is off to the hottest start of any driver in the track's history.

Two Shutout Wins Hoist Clarenceville

You can't lose in baseball when you keep the opposition scoreless.

All of which explains why Clarenceville came up with a pair of Wayne-Oakland League victories last week—a 5-0 verdict over Milford and 2-0 decision against Northville—to wind up with four other teams at the top of the conference standings.

Danny Freels had a big hand in pitching both the shutouts.

Freels held Milford to a single safety on a scratch single in the fourth inning—while fanning seven and walking only one man. Then against Northville, Freels came to the rescue of Greg Fuller with two out in the fourth inning and during the rest of the way, Freels struck out seven and didn't allow a hit.

Since Fuller previously had allowed only one hit and fanned seven, the combined efforts of Fuller and Freels thus netted Clarenceville two one-hit shutout triumphs within a span of three days. In all, 14 Northville batters went down on strikes. Fuller was pulled from the

mound with two out in the fourth after he had yielded a pair of walks. Freels came in, whiffed the next batter to get the side out and then he remained in charge the rest of the way.

A walk to Jim Bedson, a stolen base and Freels' bunt led to Clarenceville's first run against Northville. Joe Niestroy's hit, a ground out and Fred Niel's hit along with a bad throw produced the second run.

A four-run fifth inning settled matters for Clarenceville against Milford. Tom Schlack started matters when he was hit by a pitch. Freels singled and Tim Spencer was safe on an error to load the bases. Mike Nye singled in two runs and a third scored on an error. Then Niestroy knocked Nye across with a single.

Clarenceville hosts Clarkston this Thursday.

SPLIT IN TRACK Clarenceville high had too much track power for Dearborn Hoston in scoring a 75-33 victory in a dual meet last Wednesday.

However, the Trojans succumbed two days later by a 60-49 count to Milford in a Wayne-Oakland League meet.

Dave Graves was the shining light for Clarenceville against Milford. He won the low and high hurdles and the high jump and also took a second in the shot put.

Monroe Ashley took a first in the broad jump and a second in the 100-yard dash, while Gary Gearhart sped to a victory in the 440-yard run and Clarenceville's 880-yard relay triumphed with Jeff Waldman, Jim Donnelly, Jim Bedson and Ashley carrying the baton.

Bentley, R.U. Battle In Track Encounter

It'll be showdown time this Friday when the Bentley High school track team entertains Redford Union starting at 4 p.m.

Bentley's defending Suburban Six League champs started their conference schedule in high gear last Friday by winning at Plymouth, 57-52, while Redford Union swamped Allen Park, 82-27. The RU win followed on the heels of a non-league loss to Farmington, 62-47.

Power in the field events paved the way for Bentley to beat Plymouth. The Livonians scored sweeps in the high jump and shot put and also came up with a double winner in Rick London, who won both the 100 and 220-yard dashes. London is only a sophomore.

Plymouth was helped along with a sweep in the 880-yard run.

Redford Union captured everything except the 220-yard dash in its meet with Allen Park. The RU highlight was provided by Gary DeRoche who soared 12 feet to win the pole vault.

Here are the results of the two league meets:

BENTLEY AT PLYMOUTH 52

HIGH JUMP: 1—Farquhar (B), 2—Bauman (B), 3—Grover (B). Height: 5 feet, 8 inches.

SHOT PUT: 1—Jacobson (B), 2—Sova (B), 3—Jenkins (B). Distance: 47 feet, 9 1/2 inches.

POLE VAULT: 1—Fischer (P), 2—Friederichs (B), 3—Lare (B). Height: 10 feet.

880-YARD RELAY: 1—Bentley, 2—Plymouth. Time: 1:33.

MILE: 1—Doret (P), 2—Bentley (P), 3—Chope (B). Time: 5:07.

HIGH HURDLES: 1—Johnson (P), 2—Acker (B), 3—Scharmen (P). Time: 17.1 seconds.

880-YARD RUN: 1—Ward (P), 2—Bates (P), 3—Eder (P). Time: 2:12.4.

440-YARD RUN: 1—Bowman (P), 2—Houkenberry (B), 3—Pent (B).

Time: 54.8 seconds.

100-YARD DASH: 1—London (B), 2—Tonkovich (P), 3—Mance (B). Time: 10.8 seconds.

LOW HURDLES: 1—Acker (B), 2—Johnson (P), 3—Swift (B). Time: 21.8 seconds.

220-YARD RUN: 1—London (B), 2—Tonkovich (P), 3—Mance (B). Time: 24.2 seconds.

MEDLEY RELAY: 1—Plymouth, 2—Bentley. Time: 3:44.6.

REDFORD UNION 82, ALLEN PARK 27

(RU place finishers only).

POLE VAULT: 1—DeRoche, 2—Coler, 3—Farah. Height: 12 feet.

SHOT PUT: 1—Hamlin. Distance: 43 feet.

HIGH JUMP: 1—McLachlan, 2—Bates. Height: 5 feet, 9 inches.

BROAD JUMP: 1—Bargo, 2—Shirkey. Distance: 19 feet, 8 inches.

880-YARD RELAY: 1—RU (Boles, Bargo, Somers, Tierney). Time: 1:37.

MILE: 1—Johnson, 2—Melnik, 3—Turek. Time: 4:47.

880-YARD RUN: 1—Griffore, 3—Crane. Time: 2:06.

440-YARD RUN: 1—Tierney, 2—Julian, 3—Boes. Time: 52.8 seconds.

100-YARD DASH: 1—Bargo, 2—Shirkey. Time: 11 seconds.

220-YARD DASH: 2—Bargo.

LOW HURDLES: 1—B. Masebach, 2—Day, 3—McLachlan. Time: 21.7 seconds.

HIGH HURDLES: 1—Day, 3—A. Masebach. Time: 16.2 seconds.

MILE RELAY: 1—RU (Lagonna, Griffore, Crane, Somers). Time: 3:39.

Against Farmington, Gene Hamlin (shot put), Dennis Tierney (440), Gary Coler (pole vault) and the mile relay accounted for Redford Union's only first-places.

FRANKLIN LOSES TWICE

Franklin high's track team suffered a double jolt last week. The Livonians were ripped by Wayne, 88-21, and then by Romulus, 70-39.

Jim Silhaney emerged as the Franklin "star of the week." Twice he set new records in the shot put.

He unloaded a toss of 47 feet, 1 1/2 inches for a school and Franklin track record against Wayne. Then he came back to Romulus to create a new school standard with a toss of 49 feet, 7 inches.

Dick Burkett accounted for

Franklin's only other victory in the Wayne meet when he won the mile with Teammate Craig Roberts third. Jack Pelon and Larry Collins placed two-three, respectively in the broad jump and Dick Perkowski third in the high jump.

Burkett also was a winner against Romulus with Roberts right behind him in the half-mile. Franklin slammed the mile with Tom Lee, Dave Thompson and Joe Nizol finishing in the order listed. The Franklin 880-yard relay team of Paul Engle, J. D. Savin, Collins and Pelon registered the Livonians' other first.

Bob Varty was second in the 440, Perkowski second in the high jump and Larry Naifeh third in the shot put.

'Curtain Going Up'

By Wally Roberts

Spring reluctantly arrived this week. Not only were the tulips trying to push through the crusty, somewhat warmed-up earth, but happy, joyful Shakespearean productions were appearing in profusion. Old Wally finally found time to see "As You Like It" at the Wayne State Classical Theater. And I liked it, I liked it.

Reason for my double delight was the carefree, light touch applied to the production by Director Dick Spears, Mr. Spears has been over to Stratford, Ontario and has been hopefully in-

fluenced by what he observed. His movement of the actors was in the "Guthrie" tradition.

To make any classic come alive you must employ great sweeping patterns of movement otherwise the show becomes a mere reading exercise. And of course, you can apply this yardstick to contemporary plays also. Any play is meant to move and be active. You can always stay home and merely read the play. When you go to the theater you expect the excitement of movement, stage effects, and putting yourself into the bustling action found up on the stage.

The Wayne State Classical Theater's verdant approach to "As You Like It" did all that for the audience and more. Light, gay costumes coupled with melodious music and actors that fairly bounced as they came upon the stage... made the Bard's springtime comedy of a love-sick lad Orlando a resounding success. Put this production in your "must see" list.

The Canadian actors have left Stratford, Ontario momentarily for a three week stay in England. They have been invited to play "Timon", "Love's Labour's Lost", and Moliere's "The Well-Behaved Gentleman" at the Chichester Festival Theater, Chichester, England. By May 1 our roving experts in the playing of Shakespeare will be home to continue rehearsals for "King Lear" and "Richard II". Season will open on June 15. Let me remind all of you that it is not too early to send for those hard-to-get tickets, especially if you are planning a weekend visit.

During this quatercentenary (birthday number 400) of the Bard's birth the Stratford Festival will be presenting two of his most popular dramas—"King Lear" and "Richard II". John Colicos, Bruno Gerussi, Martha Henry and other popular favorites will be back for the eleventh season of classic drama in Stratford, Ontario. These two Shakespearean dramas will be seen in repertory with Moliere's "Would-Be Gentleman" and William Wycherley's "The Country Wife". Two operas will be staged in the newly-renovated Avon Theater: "The Marriage of Figaro" and "The Yeoman of the Guard." If you want to get on the Stratford Festival mailing list, send your name in on a postal card for the full schedule.

Meanwhile back in the United States, more specifically right in LIVONIA, the local thespians have started rehearsals on "The Time of the Cuckoo". Shirley Hulet and Tony Mattar have secured the lead roles. Rest of the cast includes such Livonia-Redford favorites as Paul Wheeler, Gwen DeBastos, Ken Slapik, Rayda Warren, Charles Noel, Shirley Otis, Louise DiVitto, and Walt Robinson. Director Kingsley Page has the able assistance of Loreene Brooks during the hectic nights ahead. Old Wally is certain that come May 15 — opening night at Thurston High School—the Livonia-Redford Players Guild will have another successful production ready for drama lovers in the area.

Ed Goodwin and Ace Azar, two active acting Livonia-Redford Guild members, will be appearing in other communities during the next few weeks. Look for Ed in the Wayne, Michigan production of "Hatfull of Rain." Ed has the featured role in this stark drama of narcotic addiction. "Hatfull of Rain" opens on April 17 for a two day run at the Wayne Memorial Auditorium. Ace Azar is involved in two productions, "Anniversary Waltz" and "Guys and Dolls". Ace can be seen in Dearborn on May 7-9 at the Lowery High School or over at Grosse Pointe later in June. Both of these veteran actors always turn in top performances.

The BILLBOARD

SONS." Smash hit on Broadway for two years. Features Albert Dekker of screen TV and stage fame. Will stay for four weeks. Put this on your "must-see" list if thrilling drama is your "cup of tea."

Vanguard Theater "THE FIREBUGS." Max Frisch's controversial play about the middle of the road nature of our great American middle class. You laugh hilariously at the ills of our sick society. Will play until May 8.

Campus Theater "EIGHT AND ONE-HALF." Your last chance to see the Academy Award foreign film. Join the crowds in Ann Arbor that are trying to figure out this cinematic celluloid jigsaw puzzle.

Trueblood Auditorium "HENRY THE EIGHTH." The Bard at his best in the top historical drama penned some 400 years ago. Opens for a four-day run on April 22. Hilberry Classic Theater "ROMEO." "AS YOU LIKE IT." "JULIUS CAESAR." Three plays by the Bard being done in Wayne State's wrap-around theater. "ANTHONY" performances cancelled due to featured actor's illness.

R.U.R. Opens Thursday for 2-Day Livonia Run

"R.U.R.", a twentieth-century melodrama that has caused theater audiences all over the world to chuckle and wonder for the past forty years, will be presented by the Junior Class of Franklin High School, Thursday and Friday evenings, April 23 and 24, in the Lecture Theater.

It is the world of science fiction, a possible world, that is pictured by Czechoslovakian author Karl Capek in his three-act drama concerning robots. With the Czech word "robot," meaning "worker," Capek depicts the world in the late 20th Century, with headquarters for action an island on which is located the central office of Rossum's Universal Robot plant. Here are manufactured the "workers," creatures devoid of feelings or desires but with infinite capacity for work. Both skilled and unskilled are constructed at the factory, with specially-trained workmen available on request.

When Helena Glory, president of the Humanitarian League, arrives on the island to help humanize the creatures, she is im-

THURSTON HOMERS TOO MUCH FOR R. U.:

Franklin Hurler Beat Bentley, 9-0

Brilliant pitching by Ken Bratherton produced a 9-0 victory for Franklin over Bentley last Wednesday in a non-league game.

Bratherton held the rival north-side Livonians to a pair of scratch singles — one by White in the third inning and the other by Sladek in the fifth.

Not once did Bentley hit the ball to the outfield and 13 of the Bentley batters went down swinging. Only one drew a walk as Bratherton faced just 25 batters.

Franklin broke into the scoring in the third inning when Paul Hartge walked, stole sec-

ond and came home on Bernie Carbo's single.

In the fifth inning Franklin broke matters open scoring five runs on three hits, two walks and three errors. Ken Black and Sam Antonazzo each produced two-run hits while Neal Thomas delivered the other safety in the inning.

In the sixth, hits by Bratherton and Carbo along with two walks and an error netted Franklin its final three runs. The defeat was the second in a row for Bentley which had dropped a 4-2 decision on Monday to Dearborn.

Long-Ball Belting
Long-ball hitting helped Thurston high outslug Redford Union 12-8 in the opening baseball game of the season for the rival Township nines last Friday.

With the score deadlocked at 8-8 Rick Harlow slammed a two-run homer in the fourth after Jim Sproul had singled. Then in the fifth a single by Tim Sianski set the stage for Dave Woloch to belt the ball out of the park.

In addition to the clouting Thurston received some excellent relief pitching from veteran Arnold Helwig. He took over for Sproul in the fourth inning and allowed only one hit the rest of the way.

Redford Union jumped into a 2-0 lead in the opening inning on a walk to Robby Masson and back-to-back doubles by Craig Turnipseed and Mike Caplia. In the bottom half of the inning Woloch singled and Sproul homered to tie the score.

A walk to Sianski followed by doubles by Rick Mikiel and Don Svenson made it 4-2 for Thurston in the second. In the third, singles by Harlow and Banwert a two-run double by Terry Roswell, a walk to Glen Knock and a

two-run double by Mikiel lifted the Thurston lead to 8-2.

But RU came back in the top of the fourth on hits by Caplia

and Clyde Ziegler and six Thurston errors to knot the score at 8-8.

Then Harlow and Woloch struck with the payoff blows.

Thurston Subdues Groves

With Sophomore Al Phillips and Skip Klinkert each winning two events, Thurston high track team scored an impressive 62-5/6 - 46-1/6 win over Groves in the opening Northwest Suburban League track meet of the season.

Phillips captured the broad jump with a neat leap of 19 feet, 9 1/4 inches, then came back to win the high jump by clearing five feet, six inches.

Klinkert, a veteran at Thurston, sped to victories in the 100 and 220-yard dashes. He was timed in 10.3 seconds in the shorter event and 22.7 for the fulling.

Jerry Szostack continued his winning ways by taking the shot put with a toss of 48 feet two inches. Robert Adamson's 11-foot effort won the pole vault. Other Thurston victors were Rich Stefani (high hurdles), Keith Reed (mile) and Mike Pakula (440).

Last Saturday, in one of the top track attractions of the season, high-powered Birmingham Seaholm scored 53 points to Detroit Redford's 42 1/2 and Thurston's 38 1/2 in a triangular battle at Thurston.

Despite the rain, a huge crowd turned out to watch three of the strongest Class A teams in the state collide.

Mike Pakula's victory in the 440-yard run in 53.5 seconds highlighted the Thurston performances. Jerry Samuelian came through with a win in the broad jump, leaping 20 feet, 2 inches.

Bob Grimm (pole vault), Skip

3 Changes Made In DRC Staff

The promotion of two veteran Detroit Race Course officers and the appointment of a new General Manager have been announced by E. E. Dale Shaffer, President of the DRC.

In the realignment of the top management staff, William C. McKay, who has been Vice President and Treasurer, was elevated to a newly created post of Executive Vice President and Paul R. Ryder, General Manager for the past seven years, moves into a new position as Vice-President — Operations. McKay will continue to serve as Treasurer.

Ryder will be succeeded as General Manager by Frank J. Liddy, Jr., who is coming to the DRC after serving as Assistant to Executive Vice President Spencer J. Drayton of the Thoroughbred Racing Association, with headquarters in New York.

McKay and Ryder will assume their new duties immediately, while Liddy will join the DRC on June 1.

The promotions and appointment were announced by Shaffer at the annual stockholders and Board of Directors meeting.

Wayne State freshman John Heller shattered the frosh mark for the 1500-meter run last week by running it in 4:04.5, which is 10 seconds better than the varsity mark.

Pair Misses In Doubles By A Pin

Dolores Lane and Pete Fraser, of Hazel Park, did their best but fell one pin short of tying for the top spot in the Observer Newspapers-Merri-Bowl mixed doubles tournament.

They clicked perfectly all the way and seemed well on their way to grab the leadership held by Doris and Don Allen for the past four weeks when they totaled 1329.

Then with the chips down and a crack at the \$2,500 first prize all but in their grasp, the Hazel Parkers failed by a single pin, winding up with a 3028 count.

That was good enough for a second place in a weekend which saw four changes in the top 10 standings including a determined bid by Janet Richter and Charles Meyers, of Detroit, that missed by only four pins.

The Richter-Meyers combine had just as good a chance as the Hazel Park duo but couldn't quite measure up, finishing with 1325.

The standings now show the top six teams with scores of better than 1300.

The other change found two teams tying for ninth place. M. and A. Wilson came in with 1284 that was equalled by the pair of M. and H. Scriner.

The meet has an estimated prize of \$2,500 for first place, \$1,500 for second and \$750 for third. The list is based on a total entry of 1,000 teams.

Firing continues on weekends for the next four weeks and bowlers are urged to file entries quickly in order to secure prime dates and times.

Squads start at 11 a.m. on each Saturday and Sunday and continue through 1 p.m.

Dates remaining are: Saturdays, April 25, May 2, 9, and 16; Sundays—April 26, May 3, 10 and 17.

The Leaders

Doris Allen-Don Allen	1329
Dolores Lane-Pete Fraser	1328
Janet Richter-Charles Meyers	1325
E. Brooks-C. Brooks	1320
Jane Blith-Howard Gall	1310
S. Kunkle-W. Graham	1304
F. and C. Modrzyewski	1291
M. Wilson-A. Wilson	1284
M. Scriner-H. Scriner	1284
Dot Hoag-Ralph Hoag	1281
M. Saunders-A. Nicolai	1281

Women's Golf League Nears Deadline

The Livonia Women's Golf League, sponsored by the Parks and Recreation Department will hold a luncheon meeting Friday, April 24, 1 p.m., in the Idyl Wyld Clubhouse.

This is the deadline for turning in registration and fees. Any Livonia women, wishing to join this nine hole league, are urged to attend the luncheon. Further information may be obtained by calling the Parks and Recreation Department, GA 1-2000.

Frank McBride, former coach of three International Military championship U.S. Army track teams, is in his sixth year as Wayne State's head track mentor.

EXPLAINING LOCATIONS of Schoolcraft College, Livonia schools and outstanding home sites to John Brinn (left), new Dean of Instruction at the college, is Principal Dr. Donald Friedrichs of Bentley High School. Mrs. Brinn and Nancy Brinn listen intently since the group made a special trip to Livonia for the express purpose of finding a new home to move into as soon as the school year ends in Bay City. Brinn was recently named successor to Jerry Mitchell and was touring the college district for the first time.

When and How to Fertilize Flowers, Shrubs and Trees

Michigan State University horticulture specialists say the use of special fertilizers for most flowers and shrubs are not necessary.

A good lawn fertilizer such as 12-6-6 or 10-10-10 will do the job. Just avoid fertilizers too high in nitrogen because they tend to make plants "spindly."

Well-rotted manure is excellent. But, put a mulch of straw over the manure to cut down on weed growth.

MSU authorities add these reminders:

ANNUALS AND PERENNIALS—Should be planted in fertilized ground. Addition of a 5-10-5 or 10-10-10 fertilizer once a year to annuals and perennials will usually be adequate unless the plants show poor growth.

TREES AND SHRUBS—Should be fertilized early in the spring prior to April 20 before growth begins and again June 1 to 15. Avoid late summer or fall applications. Regular lawn fertilizer will do. When trees are growing in the lawn,

additional fertilizer needs to be supplied to the roots at least every two years. As a rule of thumb, add 2 pounds of fertilizer for each inch of the tree trunk's diameter, then spread it as far out as the branches extend. Better yet, bore some holes 12 to 18 inches deep in a circle beneath the tree and put fertilizer in the holes, then flood with water. Fill the holes with peat moss and press sod in the hole afterward.

ROSES—Fertilize roses first when leaves start appearing; second time just as plants are flowering; and third, immediately after flowering. Use 2 to 3 pounds for each 100 square feet of rose bed—a handful to each bush. A well balanced fertilizer like 10-10-10 or 5-10-5 will do the job. But some people prefer special rose fertilizers which are usually more expensive.

Build free-standing wooden screens to define activity areas. Paint the wood in gay colors and use the screens to delineate the children's play area, or around the pool or the game courts.

If the garden theme is Oriental, build a filigree fretwork or Shoji screen to highlight a pebbled walkway or a reflection pool. Flank the pool with a raised platform or engawa.

There's New Fencing for Many Needs

The time has long gone when a picket fence was about the only choice a homeowner had for the yard. Today's interest in outdoor living has outmoded stereotyped ideas about fencing and developed new concepts for their utility.

Fences make for privacy but need not be monotonous and forbidding. A protection fence is one solid and tall enough to keep small children from toddling into the street and tight enough to keep the neighbor's dogs out of the yard.

Privacy can also be attained by placing louvered panels near the area you wish to screen.

Boundary fences can be low and simple, or patterned in a design that complements house and yard, since their main purposes are definition and interest.

By careful placement and design, a slotted, louvered or solid wood fence controls and directs the wind and sun, creating privacy areas for you and your garden. Fence-louvers cast shadows where desired and filter the sun's rays.

A solid lumber fence in Western pine region wood, placed along the windward side, gives protection from eddies and streams of air currents.

Free-standing wood panels or screens perform outdoors the same function as space dividers do indoors. Angle a free-standing screen to block out the portion of a view that keeps the terrace from being private.

Use fence panels of lattice-work or basket-weave design to block off a service area, in a narrow side yard to screen your windows, to direct the view from house into garden instead of street, or to define boundary lines. Local building ordinances on fence heights usually do not apply to screens.

Build free-standing wooden screens to define activity areas. Paint the wood in gay colors and use the screens to delineate the children's play area, or around the pool or the game courts.

If the garden theme is Oriental, build a filigree fretwork or Shoji screen to highlight a pebbled walkway or a reflection pool. Flank the pool with a raised platform or engawa.

Build Safety Into Landscape

EAST LANSING — You want your landscape to be practical, efficient and beautiful. You also want it to be safe.

Joseph T. Cox, specialist in landscape architecture with the Michigan State University Cooperative Extension Service, says safety should be built right into a property layout as it is developed or redeveloped.

You can pinpoint possible safety hazards if you plot the circulation patterns of family members and note where patterns cross.

Movement involving driveways, steps and porches, tree locations and power equipment used in landscape upkeep are the greatest hazards in a home landscape, Cox points out.

Use of the driveway for toys or for basketball and other games and for making deliveries in a limited space can add to the danger of a driveway.

Safety on steps and porches depends largely upon weather conditions, amount of space allowed for the door to open, your speed and whether or not you are carrying things. Step

proportions are vital to safety. Cox says. The riser should be about 6 inches and the tread, 12 to 14 inches.

With trees, Cox says, you need to consider future growth, storm damage, septic tank, sewer stoppage by roots, power lines, foundation walls and heaving of walks.

But Cox points out that the "human element," especially a person's impulsive actions, increases the danger of hazards. For example, he explains that power equipment hazards are usually the results of someone's impulsive actions or of poor operating conditions.

Some safety hazards are produced indirectly. Poor tree locations can cause blind spots near driveways, create more serious storm damage problems or produce utility line interference. Often, Cox notes, trees are placed too close to drain lines. They should be 30 to 40 feet away.

Waterproof, slip-proof and stainproof quarry tile is a decorative and practical material for entryways and foyers.

Wide Variety of Flooring Materials Now Available

The home-owner who is considering the new flooring tiles for one or more rooms in his house, will find a bewildering variety of types of material available.

Each type has its own special properties, and each was designed to meet specific needs. In order to pick the best type for a specific place and purpose, it is well to know all the different kinds and their principal features.

VINYL (tile or sheet) is tough and non-porous, and highly resistant to wear. It comes in clear colors and special effects. The more vinyl content, the higher the price.

VINYL ASBESTOS makes a good all-around, low-cost floor. It is available in a wide variety of colors and designs. It resists stains and wears well.

LINOLEUM (tile or sheet) subdivides as follows: (1) In-laid linoleum, which is durable, long-wearing and easy to clean and (2) embossed linoleum which has texture interest, often resembling masonry.

CORK TILE makes an unusually quiet flooring and affords cushiony comfort under foot. While natural cork will not take the abuse of kitchen traffic, water damage, etc., cork with vinyl or urethane surface is highly resistant to wear, stains and washing.

ASPHALT TILE is lowest in cost of the tile group and is especially popular for use in finished basements and recreation

rooms. It is, however, susceptible to dents and stains. Some types, though, are grease-resistant, and polymer-resin asphalt is also longer-wearing than other asphalt.

RUBBER TILE makes a cushiony, comfortable flooring and is exceptionally quiet. It comes in clear colors. A point to consider is that it requires constant wax care to maintain appearance.

PRINTED FLOOR COVERINGS are available in a wide variety of patterns and colors. They are probably the most expensive of all floor coverings and need no installation, since they unroll like a rug. The vinyl-surfaced types will give the best wear.

TERRAZZO, FLAGSTONE, MARBLE, CERAMIC are good looking masonry materials and make hard, durable floors. "Sealing" makes terrazzo and flagstone easier to clean. The new marble and ceramic tiles need no special protection.

Most of the resilient floor tiles are made in more than one gauge (thickness). Naturally, the thinner gauges cost less and are usually adequate for most home installations. However, if there are slight irregularities in the old floor surface, these may show through. Also, if exceptionally heavy traffic is expected, the heavier gauge material should be used.

Rocks Split On Diamond

The bats of Plymouth high school baseball team sang a merry tune one day, then went silent the next.

As a result the Rocks battered Dearborn Haston, 15-11, then lost to Walled Lake, 3-1. In the victory, the Rocks pounded out 17 safe blows. Against Walled Lake, Plymouth had to settle for three hits with no ball going out of the infield until the sixth inning.

Steve Stribley clouted a homer, triple and single and knocked in five runs for the Rocks against Haston. John Daniel also bagged three hits. The Rocks started with a seven-run uprising in the first inning when Stribley tripled with two aboard. Haston responded with six runs in the bottom of the first, but Plymouth went on to win.

A walk to Bob Goto, a fielder's choice and Jerry Kisabeth's single gave Plymouth its only run against Walled Lake. The Rocks fluffed all kinds of fine chances. They loaded the bases in the fourth and seventh innings but still couldn't score. In the sixth, Plymouth had runners on third and second with none out, but managed just one tally.

The Rocks start their Suburban Six League season next Monday against Allen Park.

SAFE HOLDER

An old coffee can will hold a hot soldering iron safely and keep it at hand. V-shaped notches should be cut in the top rim on opposite sides to prevent iron from rolling off.

RECEIVING CONGRATULATIONS upon accreditation of Franklin High School by the North Central Association of College and Secondary Schools is Principal David Amerman (left) from Ralph Johnson, president of the NCA and principal of Wyandotte High in Kansas City. Franklin was one of 68 schools to receive accreditation from the NCA at the annual conference in Chicago.

Chamber, School Board Join to Sponsor Workshop

Board of Education in sponsoring a five-week Michigan State University summer workshop which will study and assemble for teaching purposes information regarding community resources in suburban western Wayne County. The five-week workshop will begin on June 22.

The workshop will provide an opportunity for teachers and the business community to learn more about the community of Livonia, and the human and material resources available for teaching and learning.

One of the major goals of the workshop will be to develop unit outlines of business and industry activities, lists of demonstration materials, films, filmstrips, and other learning materials which relate to the study of Livonia.

Leaders in Livonia's business and industrial community will meet with public school officials at a luncheon meeting on Tuesday, April 14 to finalize the plans for the cooperative venture. The group will meet at 12 noon at the Suburban Chop House at 30325 West Six Mile Road.

Corland Bovee, of the Livonia Public Schools, who will direct the Workshop said, "Some of the benefits which will accrue to civic leaders will be teachers' studies of the role business and industry plays in a growing and prospering community like Livonia. Through such research and writing should come a broader understanding on the part of students, parents, and teachers of civic and business problems and goals."

"This workshop should help the Chamber of Commerce build a favorable image of Livonia and what it has to offer investors, home-seekers, industry, and others. The findings of the workshop can have useful national, state and local implications."

Benton Yates, Superintendent of Livonia Schools, said of the Workshop, "We believe that the experiences our teachers have in exploring their Livonia community this summer will not only help to enrich their teaching for years to come but will give them a better understanding of the economic base which supports our fine school system. I trust that the business and industrial leaders who will have a chance to meet educators in this cooperative project will better understand their needs and problems."

Among the school officials who will meet with the Chamber of Commerce at the April 14 meeting will be Yates, Bo-

68 Chosen for Honor Society at Thurston

Thurston High School's chapter of the National Honor Society has inducted 68 new members into the organization which represents the highest levels of achievement open to high school students.

Chosen by the faculty, these students must not only maintain a B average, but they must also display desirable traits in character and leadership while contributing their time and talents to extra-curricular activities and the general life of the school. Sponsor of the group at Thurston is Jack Axelson.

Principal Frank Block and Superintendent M. D. Roe challenged the group to continue to grow in the areas of character, leadership, scholarship, and service in order to become more valuable members of the school and community.

The list of inductees follows: Carolyn Arlen, Janice Armour, Gail Barton, Susanne Bennet, Dan Bergstrom, Barbara Block, Karen Bolz, Marilyn Boonstra, Sandy Brunell, Linda Bucon, Dave, Butler, Leslye Carr, Dave Churchill, Jim Clark, Jim Claus, Marlene Dobbert, Veronica English, Diane Glowacki, Donna Glowacki, Signey Glush, Dave Goode, Tom Hahnawalt, Laurel Hansen, Julie Heinz and Gloria Hills.

Diane Hoover, Kris Hornyak, Wallace Immen, Diane Jarvi, Sandy Johnson, Joan Kizmiller, Judy Kocko, Cheryl Kobe, Joan Krejci, Sally Kuryla, Robert Laskowski, Elaine Matthews, Marie Mavis, Georgia McKee, Pamela McLean, Rich Mikel, Dennis Mollard, Gary Mutch, Carol Nicholson, Judy Nowicki, Martin Parkes (Thurston's exchange student from England), Dale Pelchat, Jackie Pinch, Sharon Popp, Kathy Pouch, Diana Ramsey, Carol Richter, Dan Romanow, Chris Ripicki, and eGrald Samuelian.

Lynn Scheager, Barbara Smahay, Judy Smith, Barbara Sonderman, Rick Stefani, Cathy Trygstad, Joanne Van Wye, Jim Vedder, and Mark Walters.

Full Use of Space Helps Home Grow

The familiar cry "if we only had more room" is becoming louder and louder these days.

Unfortunately, houses don't grow, and with increasing demands on living space and a corresponding increase in building costs, many a homeowner feels he is in the middle of a squeeze play.

But if families would take a look down the basement steps, up into the attic, at their garage or perhaps the little-used porch, they might see that the problem of too-crowded quarters could be solved with imaginative remodeling to transform the wasted area into useful living space.

To Serve Many Functions

The need may be for a study, an extra bedroom, or perhaps a general recreation area that can serve many family functions yet accommodate a crowd for a Sunday night supper.

Whatever the room's location or primary function, it will give years of practical and handsome service when lumber and lumber paneling are used for walls, ceilings and built-ins.

Lumber from the Western pine region has individuality in the range of color and knot formation. Further variation can be achieved through use of clear finishes, wood-tone stains or the new pigmented stains that can make paneling any color you desire without hiding the natural characteristics of the wood.

Built-Ins Give Storage Space

Where to put a family room in a new house is a simple matter, but in an older house space may be a problem. If the attic or basement have been reclaimed for other purposes, perhaps a guest room, dining room or den can be converted, and functions these rooms currently serve can be incorporated into the new family room.

After location has been decided, decor should be considered. If the walls are paneled, for example, use matching wood for built-in units, almost a necessity in a multi-purpose room. Such built-ins might house radio and phonograph equipment, movie projector and screen, games and seasonal sports equipment that was stored in the old basement or attic. Consider adding a sofa-bed to accommodate extra house guests. This might be a built-in bed that matches the paneling. To avoid wasted space, the area under the bed can become a drawer to hold bedding.

Or long, low benches or banquettes along the walls covered with slabs of foam rubber can serve as seats dur-

ing the daytime, and be made into beds at night.

All furniture should be comfortable, informal and sturdy with gaily covered easy-care surfaces. And even if there is another TV set in the house, if there is one in the family room, two viewing areas are available, thus avoiding arguments as to which shows to watch.

Consider Garage

If the family needs a big room for entertaining, but has no basement or attic to be transformed into an extra room, consider utilizing your garage. The garage can be made attractive and additionally useful if solid wood is used for the walls and ceiling and built-ins for storage. Then all you have to do is put the car in the driveway when it's time for the party to start.

Paint the garage floor with a special cement paint and buy a drip pan to go under the car to protect the floor from oil and grease stains. To disguise the cement look, choose a shade of paint that matches or complements your paneling.

Consider the aesthetic as well as the practical problems if the remodeling involves enclosing a porch or a breezeway. Be sure that the addition looks as well from the outside as it works on the inside.

April 28 marks the annual Spring Concert given by the Lee M. Thurston High School's Honor Band. Under the direction of Harper Stephens the band will present as part of their program several ensembles, as well as a trumpet solo. The featured soloist, Tom Mose, pictured above, has many credits in his musical career. The youth has participated and received honors in the Michigan School Band and Orchestra Solo and Ensemble Festivals, and this past summer attended an 8 week session at the Interlochen National Music Camp to further his musical talents.

Under 18-Year-Olds Can't Drive in N.Y.

LANSING—Michigan families motoring to New York for the World's Fair are cautioned that youngsters under 18 years of age are not allowed to drive in New York even though they may be validly licensed drivers in Michigan and other states.

Secretary of State James M. Hare said officials of New York State, in Michigan last week for a Driver Improvement conference, urged him to make the fact known to everyone in Michigan.

Livonia Dad Invited To Father-Daughter College Celebration

Frank Picker, 34044 LaMoyné, Livonia, whose daughter Kathleen is a junior at the College of Mount St. Joseph, has been invited to attend the fifth annual Father-Daughter Weekend at the college, on April 25 and 26.

The College of Mount St. Joseph is located in Suburban Cincinnati and overlooks the Ohio River. It has a total enrollment of 988 full-time students representing 23 states and nine foreign countries.

Men In Service

Roger D. McLean, Jr., machinist's mate fireman, USN, son of Mr. and Mrs. Roger D. McLean, 11533 Deering, Livonia, is serving aboard the destroyer tender USS Sierra which is scheduled to visit the New York World's Fair in conjunction with the Navy's exhibit April 30-May 11.

Area Obituaries

Services for Homer Jewell, 78, of 834 Church Street, Plymouth, were conducted Saturday in the Schrader Funeral Home in charge of Rev. Henry Walch with burial in Riverside Cemetery.

Mr. Jewell died Wednesday at his home. He was a lifelong resident of the community and a barber in Plymouth for 55 years prior to semi-retirement two years ago. He was born Dec. 28, 1887, a son of John and Edna Gates Jewell.

Mr. Jewell was a life member of Plymouth Rock Masonic Lodge 147, F&AM; the Plymouth Historical Society; and a life member of Royal Arch Chapter 55 of Northville.

Surviving are his wife, Mrs. Inah Jewell; a daughter, Mrs. Fred Hadley of Plymouth; and a brother, Glenn Jewell of Me-Costa, Mich.

Services for Mrs. Zades Omar, 80, 37478 Schoolcraft, Livonia, will be conducted Thursday in the Schrader Funeral Home in Plymouth with burial in Parkview Memorial Cemetery in Livonia.

Mrs. Omar died Monday in Wayne County General Hospital. She was born May 3, 1883, a daughter of Everett and Sarah Jane Mallock Glidden. She had resided in Livonia since 1948.

Surviving are: four sons, Carl of Toledo; Floyd of Los Angeles; Arnold of Livonia; and George of Panama City Beach, Fla.

Plan On "Pleasure" For May 7, 8, and 9

"The Pleasure of His Company" is the Plymouth Theatre Guild's last play of the '63-'64 season, and the 50th in a long list of successful productions. May 7, 8, and 9 are the dates on which to attend this comedy at the Plymouth High School Auditorium.

Featured in the cast is Hal Brown of Ann Arbor, who is a young man of many voices and occupations, one of which is an instructor at Hawthorne Center. He has the leading role of "Pogo" Poole, a playboy and globetrotter. The interesting part of Mackenzie Savage is played by the equally interesting Tom Griffin who is a salesman for the Bethlehem Steel Co., and was a former Navy pilot during World War II.

Art Schultz is practically an old-timer now, having participated in one of two previous productions. He is an announcer for Ypsilanti's WYNZ, and is at present located at the Hotel Mayflower.

Wally Green is new to Plymouth as well as to the Theatre Guild. He is an attorney associated with Mr. George Schmeeman of Plymouth. Wally plays the part of Jim Dougherty, and he and his wife Garlin are both busy on the present production.

Tickets are on sale at Melody House on Penniman Ave. in Plymouth. Phone orders will not be accepted. Tickets must be picked up in person. Melody House will give one free reservation ticket for the Thursday night performance to each of the first twenty adult customers who buy an LP record.

Fair, Tea, Luncheon Coming At Bulman

The April meeting of the Bulman Mothers Club featured their home-sewn fashion show as well as hat bar thus giving those present a festive spring evaluation of the new fashions that have been sewn by these talented women.

Mothers picked a chapeau from the Hat Shoppe to complement their outfits. Chairman Lorraine Baer, and Co-Chairman Betty Gordon modeled their own outfits as well as planned the Show.

Tea Sandwiches and Coffee was served after the Fashion Show. In order to acquaint all the Bulman Mothers, the Executive Board presented a little skit about the upcoming "INTERNATIONAL FAIR" which will be put on by the Bulman Mothers, May 8th. Many new features and games are being planned. There's a special surprise attraction—no secrets let out! Chairmen Evelyn Grinnell and Phyllis Anderson are asking all women in the Bulman area of the need for clean used clothing, books and used toys, and white elephants. House-cleaning time is here, and you may wish to send those discards to school.

Man In Service

Richard A. Lorenz, son of Mr. and Mrs. Adam J. Lorenz, 27800 Barkley, Livonia, has completed basic training at the Naval Training Center, San Diego, Calif. The nine-week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

WHO KNOWS?

Funny thing about used cars. Once you decide what you want, what you'll pay, and find that car; you've got to act fast. Before somebody else does. We can't order another one from the factory for you if the one you want is sold. Fact is, we never know from day to day how many '61 Cadillacs, Model "A's", '58 Chevies or even used VW's we'll have for sale. One week we're loaded with factory-clean convertibles. Next week, we may not have a single one traded in that's good enough to sell. So if you're in the used car market, shop around. That's our list up there. Pick out what you want to see and come see it. But don't put it off till tomorrow—or the day after. Chances are, somebody else has his eye on it, too. And may act a little faster. Somebody else may end up driving your car.

Twp. To Act Against Evans

Burroughs To Correct Its Abatement Problem

Burroughs Corporation is making plans to correct its smoke abatement problem in the near future with funds already set aside in the new budget for the Plymouth plant.

Plymouth Township Supervisor Roy Lindsay relayed that news to the Township Board in the monthly meeting last week, indicating it was the contents of a communication from ailing Township Attorney Earl Demel.

Demel advised Lindsay that he had received verbal assurance of Burroughs officials that they were planning to correct the situation in the not too distant future.

Mrs. Fred Davids, a long-time resident of the Township who resides in the vicinity of the Burroughs and Evans Products plants, has been battling the fly ash problem for several years.

She presented a petition to the Trustees several months ago from homeowners in the area protesting the lack of enforcement of the smoke abatement ordinance and asking for immediate action by the Board.

Mrs. Davids was in the audience at the meeting and expressed satisfaction with the communication but indicated she wouldn't have any faith in a verbal promise until she saw

it in writing in a letter to Lindsay.

Lindsay informed her the Board expected to have the letter in a few days.

Demel also informed Lindsay that legal action would be taken against Evans Products to enforce the ordinance.

Herbert DeBorde, recently named general manager of Burroughs' Michigan manufacturing division which includes the plants at Plymouth and in Detroit, told an Ob-

NEW OPERATIONS manager of Ward's Wonderland is Robert Tomlinson who was promoted to the post a week ago. He has been a Ward's employee since 1952, starting in Bevidere, Ill. and has been a department manager of seven different divisions during his lengthy service. Tomlinson resides at 32610 Merritt in Livonia with his wife, Kay, and three children, Bobby, 10; Michelle, 7; and Scott Allen, 15 months.

server reporter that the Corporation had set aside funds for the improvement and would take the necessary steps shortly.

James Conway, vice president and general manager of the Plymouth division of Evans Products, promoted to that post slightly more than a year ago, disclaimed any knowledge of the fly ash complaints.

"If this situation exists, it has not been brought to my attention," he told the Observer reporter. "Naturally, we would make a thorough investigation of the complaints but as of this moment, I'm a bit in the dark about the entire matter."

In other actions, the Trustees: Approved sanitary sewer and water plans for Arbor Village No. 3 subdivision on recommendation of Engineer Herold Hamill.

Heard a report from Hamill on developments of the sewer and water programs for 1964. During the report Hamill told the Board the Township had 30 miles of existing water mains, an increase of 17 miles in a three-year period.

All Umpires Invited To Training Class

Prospective umpires who intend to officiate in the Department of Parks and Recreation baseball program are invited to attend the umpire training class Tuesday, April 28, from 8:30 p.m. to 10 p.m. in room 126 of Bentley High School.

Umpires must furnish their own equipment.

What's Burning

By G. F. THEISEN

Two weeks ago something happened in my neighborhood which I thought might bring home a point to everyone.

In the middle of the night the man of the house suffered what appeared to be a heart attack. Luckily the rest of the family was aroused. Now we all know that Dad is the head of the family. We also know he is the "He-Man," and he has a great deal of pride. He has to show how tough he is. This attitude COULD COST HIM HIS LIFE.

The gentleman in question did not need the Fire Department. He did not need help and he would not ride in an ambulance. His wife finally took him to the hospital in the family car. When he arrived here they put him on oxygen immediately and administered aid. The Fire Department could have given him Oxygen several minutes or possibly a half hour sooner. The Fire Department has a resuscitator, which is a machine to help you breathe, or let your breathe oxygen. The Emergency Truck is also equipped with fire aid materials. We carry all manner of tools and equipment which might be needed in an emergency. This truck is at your "beck and call." Remember "HAVE FIRE ENGINE—WILL TRAVEL. GA 1-1313.

Last week you might have seen fire trucks and aerial ladder working around the Mal-Kai Theater. These are training sessions and the management has given us permission to use the building and area. This training is for your Fire Department to keep up with the latest developments. It is also to train and work as crew or team. Then in emergency we can save minutes or seconds which save lives and property.

Men In Service

GREENVILLE AFB, Miss. — Airman Third Class James Campbell, son of Mr. and Mrs. C. Bruce Campbell, 28995 Sunnydale Ave., Livonia, has graduated from the technical training course for new members of the Air Force Medical Service here.

Airman Campbell was selected for further training in the medical service field at Gunter AFB, Ala. The airman is a graduate of Bentley High School and a former student at Eastern Michigan University.
