

City, Township Launch Voter Registration Drive

Following action by the City of Plymouth's election committee, a proclamation issued by Plymouth Mayor Richard H. Wernette and a resolution by the Plymouth Township Board of Trustees, both local governmental units launched an intensive voter registration drive for next week.

The action followed a May 28 resolution by the Wayne County Board of Supervisors urging all communities to collectively endorse a register-to-vote week for the last week of registration before the primary election on September 1.

Both Plymouth Township and the City of Plymouth will maintain evening registration hours on the night of Monday, Aug. 3 until 8 p.m. In the city, extra registration hours will be held at both the City Hall and at the Fire Station located on Spring St., near Holbrook.

Registration will also be held from 8 a.m. to 12 noon on Saturday, Aug. 1. In addition, both the city and township will maintain normal registration hours. The City Hall is open for voter registration

from 8 a.m. to 5 p.m. daily, according to Clerk Richard Shafer. Township Clerk John D. McEwen said his office would register voters from 9 a.m. to 5 p.m. Monday through Friday and from 9 a.m. until noon Saturday.

Both Shafer and McEwen said they would have personnel available to go to the homes of seriously ill or invalid persons to register them, if necessary. The city's register-to-vote committee consists of members of the City Election Commission. Included are City Clerk Shafer, Mayor Wernette, City Attorney Ed Drauge-

lis, Charles Root, Jr. of the Democratic party and Mrs. Roy Jacobus of the Republican party. THE GROUP set the registration plans for the city at a 9 a.m. Saturday meeting at the City Hall. In his proclamation, Mayor Wernette wrote: "I hereby proclaim the

week of July 28 through August 3, 1964 as Register-to-Vote Week and urge all adults citizens of this community, who are not registered, to make a special effort to register so that we may have the maximum participation by our people in the upcoming County, State and National Elections."

Township Planners See More Construction Ahead

More building boom was the order of the evening as the Township Planning Commission passed quickly through two public hearings (little opposition was voiced), approved a zoning application for 176 apartment units, and took a quick look at proposed building projects that could mean nearly 600 new homes for the township.

The first addition calls for 156 lots and the second includes plans for 67 in the area north of Schoolcraft Road and west of Haggerty. Also submitted by Township Engineer Herald Hamill at last week's meeting were preliminary plans for Cambridge Village Subdivision, to include 206 lots between Joy and Ann Arbor Roads, west of Eckles.

Demel and a 22-lot subdivision to be developed by Plymouth builder-developer Loren (Bud) Gould. Gould's development would be located south of N. Territorial Road and west of Dunn Court.

Finally, at the special meeting, planners will see preliminary plans for Arbor Village No. Four, to be developed by Kaufman and Broad, builders of the Salem Square development. The 141-lot subdivision would be located at the southwest corner of Ann Arbor and Haggerty Roads.

A favorable reception was given by planners to the request of builder-developer Loren (Bud) Gould to rezone a 330 by 300-foot parcel at the northeast corner of Ann Arbor and Haggerty Roads from R-1, single family residential, to P-O, professional office.

Gould proposes to construct seven units, designed to house two professional offices each. It will be identical to his professional-office development on Sheldon Rd. Planning consultant W. C. Johnson of Waring and Johnson approved the move. In a letter to planning commissioners, Johnson wrote: "P-O is a logical transitional use, buffering commercial zoning on the south side of Ann Arbor Road. I recommend favorable consideration." Asked by chairman Rozian for comment, all the commissioners present voiced approval of the

Superintendent; and City Manager Albert Glassford (right). The improvements are being made under a federal grant of \$164,000 from the federal government approved in January.

Name Attorney to Planning Group

A new face was added to Plymouth Township's Planning Commission at the group's meeting last Wednesday evening. Maurice M. Breen of 41121 Greenbrook in Lake Pointe Subdivision took his seat on the commission following his recent appointment by Township Supervisor Roy R. Lindsay. He replaces Commissioner Arthur Haeske who resigned because he was moving out of the township.

BECAUSE OF his legal training and background and the tremendous expansion of the plan act in his work with the road commission, he said. A graduate of Wayne State University with B.A. and L.L.B. degrees in June 1961, he was admitted to the bar in January, 1962.

Breen is vice president of the Lake Pointe Homeowners Association, a group which keeps homeowners informed of developments in the township which may affect property and property values.

Smith suggested, prior to the vote, there were persons within the Plymouth community capable of doing some of the planning done by the consulting firm.

"I WANT to see something practical from the consultants," Commissioner Arch Vallier said. He added if, at the end of two years, they don't come up with something the city can use, he won't vote to retain their services again.

(1) Advisory services to the Planning Commission and City Commission relating to all current planning and zoning problems requiring assistance; (2) Inventory of existing parks and program of improvements for municipal parks and open areas prepared; (3) Survey of physical appearance of both private and public areas and specific suggestions given; (4) Assistance in publicizing the planning program

Vallier Files for Senate Primary

Plymouth City Commissioner and Wayne County Supervisor A. E. Vallier, Jr. of 1338 Penniman filed yesterday (Monday) for a position on the ballot in the Sept. 1 Democratic primary for the nomination for State Senate in the 14th Senatorial District.

Vallier, who last week expressed his determination not to run for the House of Representatives, said his decision was reached after a re-analysis of his position by himself and management at Ford Motor

Company indicated he could run and handle his duties at the auto firm. A Mechanical Engineer, Vallier is on special assignment for the general manager of Ford's metal stamping division. The 50-year-old city commissioner said his past record indicates a sincere interest in government.

will be opposed by James P. McCarthy, of Livonia, a Michigan Bell Telephone Co. supervisor. The winner of the contest will oppose the Republican nominee. Currently a G.O.P. primary fight between Livonia publisher Paul M. Chandler and Fitzhugh Prescott of Farmington seems in the offing. As a member of the Wayne County Board of Supervisors, Vallier heads the Wayne County Training School Commission. (Continued on Page 3)

Maurice M. Breen

His other activities include membership on the Plymouth Community Human Relations Commission to which he was appointed in the spring of this year by Supervisor Lindsay, and active membership in the Plymouth Junior Chamber of Commerce. Breen and his wife, Mary, have two children, a son, Maurice II who will be two in September and a daughter, Melinda, three in October.

Following a lengthy and heated discussion of the township's soot and flyash control problem from local industries at the regular township meeting, July 14, Plymouth Township Supervisor Roy Lindsay said he wanted to do everything he could to settle the situation.

He said the firm needs nine weeks to study the problem and two have elapsed. The improvements can range from \$150,000 to \$500,000 for converting equipment.

The first complaint letter was sent to both Evans Products and Burroughs Corporation by the Fred Davids in March, 1953 Mrs. (Continued on Page 3)

In a Nutshell...

- ★ The 1964 Chamber of Commerce Steer Promotion fell \$404 short of the \$1200 goal, according to Wendell Lent, president. Lent is urging members who have not yet sent in the money for their tickets to do so or send back the tickets. The steer promotion is the one money making affair of the year important for maintaining the Chamber's budget, Lent says.
- ★ Heading up the chef's committee for the Sept. 13 Rotary Chicken Barbecue, Frank Allison this week issued a call for help to all amateur cooks in the Plymouth Community. Those interested in helping at the barbecue during the annual Plymouth Fall Festival are urged to call Allison at GL 3-4600. Work will include preparation of chickens, corn-on-the-cob and other foods.
- ★ Plymouth State Home and Training School has received an Honor Award from "Institutions Magazine" for outstanding design of a food service facility. Food Service Department prepared and submitted the material for the award presented at the Annual Restaurant Convention in Chicago.
- ★ At its meeting held last Tuesday evening, the Plymouth Township Board of Trustees turned down a request from the Northwestern Child Guidance Clinic for five cents per head for establishment and operation of a new clinic for northwestern Wayne County. Trustees said they had no authority to grant the request. In other action, the board tabled discussion of updating the township's swimming pool ordinance.

Canoe Fund Rises, More Gifts Needed

More than \$450 has come in to date from local service clubs, private contributors and children themselves toward the purchase of six canoes to be used for overnight trips for local youngsters under the supervision of Plymouth Y.M.C.A. officials. Included in the total is a donation by 15 boys of half of the funds they earned last week distributing The Plymouth Mail's annual summer clearance shopper.

Eleven Run For Charter Commission

Eleven petitioners have filed at Plymouth Township Hall for election to the Charter Commission for the proposed city of Plymouth Heights. Mayor de facto John McEwen said the 11 included Maurice M. Breen, of 41121 Greenbrook Ln., Daniel Evans, Jr., 41037 Russett Ln., Wilfred A. Gignac, 42410 Parkhurst, Harlan Hickerson, Sr., 9585 Gold Arbor St., Ed Good, 40000

Running

Plymouth Township Planning Commissioner and Human Relations Assembly member Maurice M. Breen announced this week that he has filed as a Democrat for the office of State Representative from the 36th Congressional District. Breen's name will appear on the ballot in the September 1 primary election for the post which includes the City of Plymouth and Plymouth Township, all of Garden City and a small part of Nankin Township. He is employed on the legal staff of the Wayne County Road Commission. Breen becomes the second Plymouth man to announce for the congressional post. W. Wallace Green, Plymouth attorney with offices at 147 S. Main, will run in the Republican primary for the nomination.

Smoke Problem Flares Up Again

Following a lengthy and heated discussion of the township's soot and flyash control problem from local industries at the regular township meeting, July 14, Plymouth Township Supervisor Roy Lindsay said he wanted to do everything he could to settle the situation.

Sam Hudson, Evans Products Company representative, told trustees the company has appropriated money to correct their problem and is studying the possibility of converting to gas.

Evans expects to reach a decision on gas conversion before the next township meeting, Hudson said.

"How would anyone like to have to wipe this off lawn furniture," Mrs. Fred Davids, of Plymouth Rd., exclaimed holding up a dust rag black with soot she had collected at her home one day. She charged it came from Evans Products. Evans has been making promises to correct the problem for the past ten years and no action has been taken, yet, she said.

Hudson assured The Plymouth Mail this past week that Evans is working on the problem and not just letting it slip by. He explained that it isn't as simple as it sounds — six or seven companies are giving estimates on cost of converting to gas which then have to be studied by management.

If adjustments are made in present boilers, the company has to wait until inventory to shut them down for men to work on them. He said the company doesn't know when inventory will come because Evans has one of the busiest production schedules in its history.

BLACK. That's the way this dust cloth came away after one pass over lawn furniture at the home of Mrs. Fred Davids on Plymouth Road. Mrs. Davids claims smoke from Evans Products Co. and Burroughs Corp. presents a continual hazard in her neighborhood. She has circulated petitions requesting Plymouth Township to enforce its air pollution ordinance and last week, at the Township Board meeting, appeared to voice criticism of the two industries and the township for inaction.

INTERESTED IN PEOPLE:

Deep South Project Includes Plymouthite

Because he says he is "interested in people," a 21-year-old Plymouth Sociology major at the University of Michigan is involved in a summer-long "Students in Industry" project in the deep south.

Don Conover, son of Mr. and Mrs. George Conover of 279 Blunk and a senior at the university, is working with a group of students sponsored jointly by the Georgia Methodist Student Movement, the Atlanta, Ga. Board of Education, the Board of Christian Social Concerns and the Southeastern Jurisdiction Woman's Society of Christian Service.

Don Conover

He, and other students in the group, were featured in the July 11 issue of The Atlanta Constitution, nationally known Atlanta newspaper.

The purpose of the program was outlined by the director, The Rev. William T. Browne, Rev. Browne said:

"The purpose is to give young people the chance to become involved in the life of the workingman and particularly to raise questions concerning how the church can relate to this group." Concerning his role, Conover commented:

"I'M PLANNING on going into social work after college. I'll probably be working primarily with people of the working class. Yet I had never had much contact with them before this summer."

The Plymouth student is one of 11 who come from areas including Michigan, Minnesota, Iowa and Idaho. The group frankly admitted

that a desire to understand the racial problem in the South had also attracted them to the program.

In addition to holding physically demanding jobs of a semi-skilled or unskilled variety, these students also attend seminars three nights a week.

Two evenings each week are spent discussing industry problems and the third session is devoted to theological topics.

The group learns about methods of work, profits, automation, the implications of women in industry, the problems facing the unskilled, the effect of high school drop

outs on the labor market, the effect of right-to-work laws and the problems of power structures in companies.

Throughout the project, they will explore the question, "What does the church say and do about these things?"

EMPLOYERS are not supposed to give the students any particular consideration, according to Rev. Browne.

"They are supposed to do a good day's work for a good day's pay," he explained. "But we want them to keep their eyes and ears open to what is going on around them."

The boys are digging ditches, working with construction crews, sealing packages — and finding out things they never knew before.

"I spent the night with one of my co-workers, so this gave me the chance to observe the workingman at home as well as on the job," Conover reported.

"Their mores, means of entertainment and some of their political views are really very different from mine. But I haven't found out anything that really surprised me."

A 1963 graduate of Plymouth High School, Conover has two brothers and a sister. He will return to Plymouth about Aug. 20.

HEROISM

Heroic efforts on the part of a 19-year-old pre-medical student at the University of Michigan saved the life of 13-year-old Janice Scouts, niece of several Plymouth residents and frequent visitor here. The Southfield girl, in critical condition at Pontiac General Hospital, was swimming in 15' of water when she tired and was rescued by the Waterford Township student. Her Plymouth relatives include the William Davisons, of Lakeland Ct.; Paul Fishers, of N. Main St.; J. E. Henrys, of Riverside Dr., and Mrs. Joseph (Helen) Schomberger, formerly of Plymouth, now of Hollywood, Fla.

FOR WAYNE COUNTY:

Supervisor Lindsay Backs Tax Increase

In the face of rumors that closing of the Wayne County Training School was imminent, Plymouth Township Supervisor Roy R. Lindsay went on record in support of the proposed one mill tax increase for Wayne County in the Sept. 1 election.

Noting that the county had been running on deficit spending, Lindsay, a member of the County Board of Supervisors, commented:

"If people vote down that one mill, I don't know what we can do. We've got to have it."

Meanwhile, rumors were circulating that W.C.T.S. personnel were receiving termination notices in anticipation of the closing of the school.

School medical superintendent Pasquale Buonicontino, M.D. said the rumors were unfounded.

"In some areas," he told The Plymouth Mail, "people are frightened and asking to be transferred to other county departments because they fear the county may lose the institution." But he denied that anyone had received notice.

HARRY F. WAGENSCHUTZ, manager of Detroit Edison's customer office in Plymouth, will be honored by the company this month upon his 40th Service Anniversary. Wagenschutz, who lives at 341 Beal Avenue, Northville, joined the Edison Company in July, 1924.

Dr. Buonicontino expressed concern about school employees, the payroll situation and the effect on local communities. His primary concern, though, are the 600 youngsters at the institution. He noted that closing of the school would have tremendous impact on the county by throwing the W.C.T.S. caseload elsewhere.

A SPECIAL meeting was set for 10 a.m. today (Tuesday) at the City-County Building in Detroit to discuss the problem with persons interested in the youths at the school.

The Wayne County Training School has an annual budget of \$1,852,300 for personal services, \$84,480 for temporary and overtime services and \$19,740 for professional personnel. The majority of W.C.T.S. workers are drawn from Plymouth, Northville and Livonia.

Supervisor Lindsay emphasized that the school would either have to be closed or curtailed if the tax increase is not forthcoming.

"We might have to close the school anyhow," he said, "even if we do get the one mill." Lindsay noted that the Wayne County General Hospital will take a pretty good chunk of the one mill if it is voted. Employee salaries are down, he said.

"With the rapid growth situation in the county," Lindsay said, "there is an increase in the demand for services. We're headed for bankruptcy." The supervisor said he was surprised the county board didn't ask for two mills.

"One will help, but it will not remedy the situation," he said.

Supervisor A. E. Vallier of Plymouth last week spoke out in favor of the increase.

CONVENTION WORKER

John J. Badalutz of the Plymouth Congregation of Jehovah's Witnesses has been assigned to work in the cafeteria department at the district convention to be held July 23-28 at the Michigan State Fairgrounds in Detroit. Mr. Badalutz has been associated with Jehovah's Witnesses for the past 10 years and serves in the congregation as the assistant congregation servant.

Large Ordinance Compliance for City Refuse Collection

Wonder why your rubbish has left on the street curb after you had hauled it out here? P. W. Superintendent Joseph Bida reminds Plymouthites that a city ordinance regulates pick-up refuse: Brush must be cut up in three foot lengths, bundled and tied. Refuse and rubbish must be kept in 35 gallon or smaller refuse containers with lids.

BUSHEL baskets can be used for leaves and grass, but neither paper boxes nor 55 gallon drums may be used. Rubbish must be put out by 8 a.m. on the day of pick-up and containers must be put away after pick-up.

He also requests persons with a truck load of rubbish to distribute it over several weeks rather than all at once.

"The Public Works Department will start giving out notices to people who do not have proper containers, and after the homeowner has received this notice the contractors will pick-up improper containers," Bida said.

(5.) Re-evaluation of some phases of the Central Business District plan, including a traffic study.

The commission approved a committee of the whole meeting to be held July 27 to consider amending the city's food handling ordinance to allow persons to operate open air farm markets within the city limits. Under the present ordinance anyone selling food must do so within a building having four walls.

DONALD Lightfoot, of 337 Joy Rd., appeared before commissioners to request immediate permission to set up a temporary structure for a farm market at the corner of Ross and Main St. He proposed building a 20 by 40 foot carport type structure with wooden frame and metal roof and added it would be dismantled after the first of next year.

Because the commission would be creating an exception in allowing Lightfoot to open his market at this time, City Attorney Edward Draugelis said he advised against granting permission.

A bid of \$22,932 made by R. Santia and Sons was approved for water services and James F. Roberts bid of 38 cents a square foot for four inch thick sidewalk and 51 cents a square foot for six inch sidewalk was also approved by commissioners.

The city plans to construct approximately \$4,000 worth of sidewalk including along the north and south sides of Kellogg Park, Fourth Park Subdivision playground, on Burroughs St. from Harding to Sycamore Subdivision and on Harding St. from Burroughs St. into Maplecroft Subdivision.

Livonia Moving and Storage Company was awarded the contract for moving the city offices into the newly built city hall. This was the only bid received, but City Manager Albert Glassford told Commissioners it was in line with bids given for Urban Renewal building.

JOSEPH NEAR's resignation from the Municipal Building Authority was accepted with regret by Commissioners and a letter of appreciation voted to him. His reason for resigning was moving from the city.

Commissioners appointed John Moehle, of 1279 Ann Arbor Tr. to replace Near on the Municipal Building Authority.

To certify official results of elections, the Commission appointed two Republicans and two Democrats to the newly-formed Board of Canvassers. Appointed to terms on the Board, initiated under the new Michigan Constitution, expiring December 31, 1965 were Harriette F. Ward, Republican, and Helen Beavers, Democrat.

Democrat Lois Jensen and Republican Mark O. Wehmer were appointed to terms expiring December 31, 1967. All board members hereafter will be appointed to four year terms.

A proposed amendment to the zoning ordinance that would permit parking within ten feet of front property lines in all M-2, general industrial districts, was passed at first reading by commissioners. The present ordinance does not permit parking in front yards.

IN TWO separate motions, commissioners voted to give the City Manager authority to negotiate for the repurchase of the southern four acres of land owned by Wheel-Trueing Company at a price not to exceed the original sale price and also to extend Wheel-Trueing's contract for starting to build to June 1, 1965 instead of August or September, 1965.

In other action, the commission authorized the city attorney to notify Frank Arlen that he has a 30 day deadline for beginning work to make his property at 281 Hamilton St. safe and that all work must be completed within a total of 120 days or condemnation proceedings will be started by the city.

The commission, also:

- (1) Set a public hearing for Sept. 8, at 8 p.m., on vacating an alley and portions of Kellogg and Lena St., in the vicinity of the city garage;
- (2) Authorized the City Manager to issue a permit to Plymouth Community Band for sale of soft drinks during their concerts to raise money for their share of the band shell;
- (3) Approved new street lighting on Church and Dodge St., Kellogg Park and parks and playgrounds and decided to approach Plymouth Township about the possibility of erecting street lights from Burroughs Corporation on Plymouth Rd. to the city limits if the city erects lighting on the industrial park side of Plymouth Rd.;
- (4) Authorized the Detroit Bank and Trust Company to act as paying agent for 1964 Water Revenue Bonds;
- (5) Authorized purchase of a Shoup Voting Machine, for \$1853, identical to other machines; and
- (6) Passed the resolution concerning the city's agreement with Dura-Tainer Corporation for the purchase of Urban Renewal land.

Smoke Problem Flares

(Continued from page 1) and in the spring there is a dirty black greasy film covering the ground, Mrs. Davids explained.

"We don't want anything special," Mrs. Davids said, adding they just want companies to comply with the air pollution ordinance.

Its a community problem, Mrs. John Davids, of Plymouth Rd., told the reporter. She said they just had their trim on their house repainted this past week and already their window sills are covered with soot.

Staebler Blasts Romney At Plymouth Dem Rally

Discarding his prepared text, Congressman-at-Large Neil Staebler blasted Michigan's Romney administration Friday evening before a crowd of local dignitaries and Democratic party leaders.

"Romney," Staebler charged, "has created the greatest set of muddles in Michigan history." Under the new State Constitution, according to the Democratic gubernatorial candidate, there is no assurance that township officials — elected this fall — will be valid officeholders.

In addition, he said, we don't know how to fill court vacancies under the recently approved document. Agreeing that the State had gone from a \$80-million deficit two years ago, to a \$40-million surplus at present, Staebler refused to admit that the present administration deserved credit.

"The same thing would have happened," he claimed, "if we hadn't had any governor at all." The Ann Arbor Democrat attributed the surplus to revenue rise stemming from nuisance taxes passed in the final period of the Swainson administration and to a nationwide economic boom.

"ROMNEY'S ONLY claim," he commented, can be that he cut up a melon which someone else grew." Staebler said the nation is now in the 40th month of an economic boom which has seen the national growth rate rise from 2.7 per cent under the Eisenhower administration to between five and six per cent under the present Democratic administration.

On the subject of property taxes, Staebler pledged, if elected, to urge the legislature to raise State aid to education without property taxes. He said his program includes a long range decrease in property assessments.

Class sizes must be cut in the schools, he said, and teacher salaries and benefits must be improved.

In defense of the recently approved redistricting plan, Staebler said it will provide opportunity to consider problems on a statewide basis.

"Wayne County," he said, "will cease contributing to the rest of the state. We have imposed a burden on Detroit and Detroit is in trouble." The gubernatorial hopeful said he didn't think the City of Detroit should be penalized simply because it is the

Special Meeting Set To Discuss Bank Site

The Michigan Bank's proposal to purchase property at the northwest corner of Sheldon and Ann Arbor Roads will be considered tomorrow (Wednesday) evening at a special meeting of the Plymouth Township Planning Commission at the Township Hall.

A petition, made to the Township Board of Trustees by Stewart Oldford and Sons, Plymouth builder-developers, to rezone the property for apartments was tabled by the board last Tuesday and sent back to the planning commission for consideration.

Planners voted recently to approve rezoning of the southerly 500 feet of the site for apartments and to deny a similar request for the northern 272 feet at the location.

Oldford requested Township Trustees not to take action on the planning commission's recommendation for rezoning because of an offer by the banking firm to purchase the land, contingent upon Commercial zoning.

MICHIGAN BANK Vice President Ed Jones told trustees Tuesday that the bank was considering the site for location of a future branch office. He said the bank had looked at several locations and decided the Ann Arbor and Sheldon Road corner would best meet their needs for a bank office and other commercial units.

Planning commission denial of Oldford's request to rezone the northern 272 feet of the property for apartments apparently kills hopes of further action on that portion for at least a year.

The bank apparently wants to purchase the entire 772 feet for the office project.

Township Planners See

(Continued from page 1) request. They will take action on it at their next regular meeting in August.

No public opposition to the professional development materialized at the meeting.

One dissenting voice was heard to the request of Wilfred Bunea to rezone a 10-acre parcel on the east side of Haggerty Road and 1,400 feet south of Ann Arbor Road from R-1, single family residential, to R-2A, garden apartments.

WILLIAM Brooks of 9210 Haggerty opposed the rezoning. Taking issue with the developer's contention that surrounding residents had been asked to sign a petition backing the change, Brooks said he had never been contacted.

"This is the first time I've heard anything about it," he commented. Brooks said he moved here in 1958 to escape the crowded city. Asked if he felt the proposed rezoning was undesirable, Brooks answered:

"I certainly do."

A representative of United States Homes, developer at the site, told planning commissioners there was no marketability question or building. Asked by commissioner Balogh how builders and developers decided if an area is suited to apartments, the representative said F.H.A. approval was the general criterion used.

Planning consultant Johnson, in a letter, told the commission he felt apartments were "a logical use" for the east side of Haggerty, acting as a buffer between the industrial zoned west side and single family homes.

Architect's drawings for the apartment project will be submitted to the commission before their next meeting.

Dental Program Set for Plymouth State Home

A three-year grant providing \$15,740 during the first year for dental training of dental interns and pedodontic students with the mentally retarded has been awarded to the Plymouth State Home and Training School by the Public Health Service of the U.S. Department of Health, Education and Welfare.

The grant may be renewable subject to annual review and approval according to William H. Boyd, community relations director at the school.

Boyd said many retarded patients have multiple physical handicaps which require specialized techniques if their dental treatment is to be effective.

Many families of the retarded find institutionalization is the only recourse for obtaining required dental treatment, Project Director Dr. Henry L. Kanar said. Dr. Kanar is chief of dental service at Plymouth State Home.

"THIS TRAINING program," he said, "will, hopefully alleviate this condition by developing dentists' knowledge and the skills needed to treat this type of person in their own offices or community-based hospital facilities."

Dental interns participating in the program will come from Wayne County General Hospital and will be rotated on a regular basis.

The Pedodontic Students are in graduate training at the University of Michigan. While at Plymouth State Home and Training School, their training will involve treating a wide range of clinical situations.

Emphasis will be placed on the most effective means of managing these atypical patients and the problems peculiar to them. Original thinking on all phases of examination and treatment, as well as research, will be encouraged.

The project is designed to demonstrate to the trainees the concept that the entire patient, not the teeth and jaws alone, need to be considered to render effective treatment.

The Washtenaw county 4-H Fair will take place August 4-7 at the rural activity center on Saline-Ann Arbor Rd. with all 4-H clubs participating. Some of the highlights of the fair will be: Tuesday, Aug. 4, judging exhibits, gun shoot at 3 p.m., dog show at 7 p.m., and the demonstration contest, all classes except economics at 7:30 p.m. Wed., Aug. 5, horse show, 7 p.m. Thurs., Aug. 6, tractors operators contest at 2 p.m., and all showmanship at 7:30 p.m. Fri., Aug. 7, arena program, comprised of cavalcade of winners and the talent show at 6:30 p.m. At 8 p.m. the market livestock sale will take place with auctioneer Ed Gottschalk of Howell.

Canton Asks State to Save Land from Sale

Canton Township Board of Trustees at their regular meeting, July 14, passed a resolution asking the state Department of Conservation to withhold township land held by the state for delinquent taxes from public auction to give the original owners a chance to reclaim their land.

At a special meeting July 8 the board gave final approval for the sale of an additional \$105,000 worth of water bonds for construction of a water line along Joy Rd. from Ford Rd. This is the eighth special assessment for the water line, according to Louis Stein, township supervisor.

New Law Drops Valuation Here

The recently passed Michigan law exempting tools, jigs and other industrial equipment from taxation has resulted in decreased valuation and tax funds in the city of Plymouth and Plymouth Township.

City tax valuation for the present calendar year has dropped a total of \$23,720, according to City Treasurer Kenneth Way. Under the new law, the city will suffer a \$347.50 tax loss, the county \$200.67, school district, \$695 and Schoolcraft College \$29.18.

Plymouth Township's assessed tax valuation for its 1964-1965 fiscal year will drop more than \$3 million to \$39,986,750 from \$43,587,886. County equalized valuation will decrease to \$48,939.85 from \$52,010,300 and state equalized valuation will drop to \$57,265,720 from \$60,847,610.

The Curriculum Review scheduled with the Administrative Staff on June 22, 1964, was postponed until Monday, August 31, 1964.

Member Utter, Chairman of the Employee Relations Committee, noted that the Committee had reviewed the salary situation for the classified employees and the administrative staff and had prepared recommendations for the Board of Education in general. These recommendations included an increase of 7c per hour for the secretarial, clerical, cafeteria and bus driver staffs and for the maintenance-custodial staff to 6c per hour for semi-skilled services and 7c per hour for supervisory personnel. It also included provision for time and one half on Saturday and Sunday for maintenance work approved by the Administration.

It was moved by Member Utter and seconded by Member Henry that the recommendations of the Employee Relations Committee regarding wage adjustments for the classified employees be approved.

During the discussion on the motion, Mr. Ross of International Union of Operating Engineers Local 522, and received recognition from the Board for the purpose of registering a protest on the wage adjustments being proposed for the maintenance-custodial personnel.

It was moved by Member McLaren that the previous motion be tabled in order to provide more time to study the wage proposals. The motion failed for lack of support.

By mutual consent Members Utter and Henry agreed to withdraw the original motion. It was agreed that the Committee of the Whole meet on Wednesday, June 10, 1964, to make a further appraisal of the wage proposals for all classified personnel.

Member Soth, Chairman of the Facilities Committee, noted that the planning for the Industrial Arts-Vocational Addition at the High School was proceeding on schedule.

Member Henry, Chairman of the Vocational Education Committee, called attention to agreements which were reached in regard to the Vocational Education Program.

President Fischer, Chairman of the Finance Committee, noted that preliminary budget figures were under way and that the public review would probably take place during the week of June 22, 1964.

Upon the recommendation of the Superintendent it was moved by Member McLaren and seconded by Member Schultheiss that William C. Harding be appointed Assistant Superintendent for Secondary Education beginning July 1, 1964, at a salary to be determined by the Board of Education.

Ayes: Members Fischer, Henry, McLaren, Schultheiss, Soth and Utter.

Susan Hauk, daughter of Mr. and Mrs. Ira Hauk, of Warren Rd., had a party for 26 of her friends, at the Cherry Hill School, Wednesday evening, July 8.

Mr. and Mrs. Stanley West of Ridge Rd., had as dinner guests, Mr. West's niece and husband, Dr. and Mrs. Ralph Davila and son Ramon, who are visiting here from Humaco, Puerto Rico.

Mr. and Mrs. Algy Kinchen and family, of Beck Rd., spent a long July 4th week-end in Manila, Ark., visiting relatives, and brought their niece, June Walker, back with them for a visit.

The Good, Old Newspaper Man

EDITOR'S NOTE: Last week The Davison Index, weekly newspaper in Davison, Mich., celebrated its 75th anniversary. Included in its 98-page edition were reprints of the first editorials in The Index. Published in July, 1889 and written by Editor A. E. Wallin, the editorial that follows seems to indicate that truth is, indeed, immutable.

"A newspaper man has no business to seek office. It is his business to try and get office for the other fellow; to sound the praises of the candidate and keep quiet his feelings; to whoop-her-up for his man and let his man forget all about him when he is elected; to defend his candidate against the unjust attacks of the opposition, and see whatever favors his candidate has to bestow goes to the

other fellow. It is his business to boom the city for all it is worth month after month, and see \$100 worth of printing go out the city because ten cents can be saved in doing so. It is the business of the newspaper to give every enterprise a frequent "send-off" and then to catch heck because he had failed to record the fact that some prominent citizen had his delivery wagon painted. To subscribe liberally to every public, charitable and church entertainment; advertise them for nothing, pay his own way to everything and then be called prejudiced and mean spirited because a column is devoted to that particular affair. Do you wonder that there are many cranks in the newspaper business? It is bound to make either a crank or a philosopher out of a man."

Romney Has His Work Cut Out

Choosing to disregard the prepared text his press officer had handed out in news release form Friday evening at the Mayflower Hotel, Congressman-at-Large Neil Staebler gave Plymouthites a preview of the sort of gubernatorial campaign he intends to wage in Michigan.

While his news release remarks were aimed broadly at G.O.P. presidential hopeful Barry Goldwater, Staebler sniped at Michigan Governor George Romney for the benefit of local dignitaries and Democratic leaders.

Hitting on a theme that should be dear to the hearts of traditionally Republican Plymouth Township denizens, the Congressman referred to Romney and his sponsorship of Michigan's new Constitution in this manner:

"He has created the greatest set of muddles in Michigan history." Under the new document, according to Staebler, there is no certainty that township officials — elected in November — will be legal officeholders.

Concerning Michigan's transition from an \$80-million deficit two years ago to a \$40-million surplus to date, Staebler said:

"The same thing would have happened if we hadn't had any governor at all." The Ann Arbor Democrat attributed the rise in revenue to nuisance taxes passed in the late hours of the Swanson administration and to

the national economic boom. He accused Romney of "cutting up a melon which someone else grew." All of which leaves us wondering:

Is it possible that Michigan's preponderantly G.O.P. oriented townships could bolt the fold and vote against the former compact king?

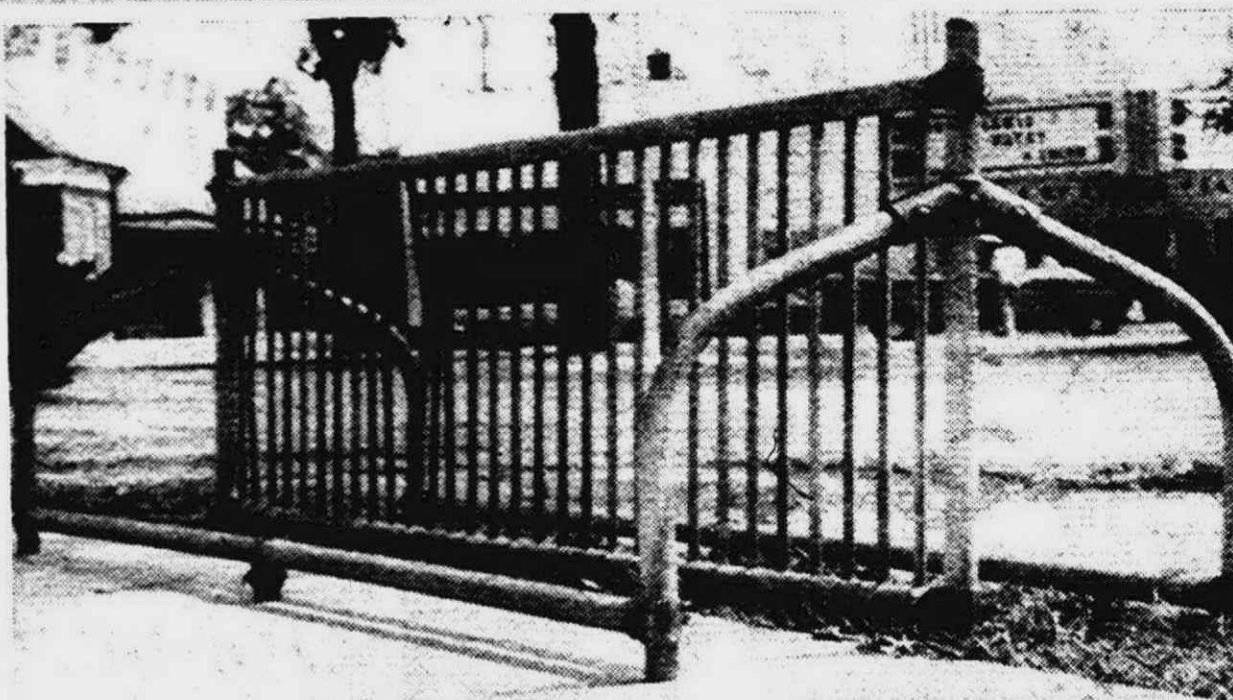

You don't have to spend too much time around township offices here and there before you begin to hear muttered comments about "the Romney clique," remarks about Republican politicians who are "anti-township" and other utterances which point up a general climate of unrest.

On the other hand, the dissatisfaction could take form in a primary victory for Romney's old-guard Republican, Goldwater backing, auto dealer opponent. The townships, whose signature drive to return elections to the control of local officials has failed, are obviously less than happy.

At any rate, either way the ball bounces, we think George Romney his his work cut-out for him. Assuming the he makes it past the primary, the townships could well provide the necessary margin.

Whether that margin is on the plus or minus side depends on how skillfully the Michigan Governor can counter Staebler's obvious overtures to Michigan's Township officials and residents.

PHOTORIAL A PICTURE IS WORTH A THOUSAND WORDS

Kiwanis Hears Archeologist; Accepts Member

"Archeology — What It Is And What It Is Trying To Do was the subject of guest speaker Roscoe Wilmeth at the Plymouth Kiwanis Club meeting July 14th. Wilmeth received his MA degree from the University of New Mexico and is now working on his PhD at the University of Michigan.

He has had experience in South Dakota, Kansas and New Mexico and has been employed as the State Archeologist of Kansas. He and his wife Verna, who is a historian at the Dunning-Hough Plymouth Library, have lived in Plymouth for 3 years.

"Archeology is a technique for obtaining information on man's past without written records or documents and is sometimes referred to as dust and old bones," Wilmeth said. A large part of human history predates the written record, which in the Far East

is 3000 B.C. Controlled excavation, keeping a detailed record of the horizontal and vertical position of each item recovered, is most important, he explained.

THIS DIFFERS from the mass excavation that would be accomplished by a builder digging a house foundation or building a new road. Much information, such as the age of each piece, comes from the objects themselves; however, more important is their relation to one another. A careful note is made of which items come from the bottom and which from succeeding layers toward the top.

The American Indians lived in various places and do not present the problems that occur in the Far East where many peoples have occupied the same places for centuries, often building new cities on the ruins of older cities.

Through the study of archeology, we are also trying to learn something about the weather so that we can make better predictions on future weather conditions. We are trying to determine what the weather was like in the past and if rain cycles are predictable.

THE UPPER Peninsula of Michigan's Copper Country on Isle Royale has been worked since about 2000 B.C. The cornerstone in a building is an ancient tradition. A slave used to be buried in a cornerstone with the theory that his spirit would hold up the building.

"Occasionally research is referred to as a waste of money and time," Wilmeth said. "Bear in mind, however, that Einstein's work in the early 1900's made possible the Atomic Bomb."

Elmer "Bub" Baldwin was accepted as the newest member of the Kiwanis Club. Baldwin was sponsored by Jim Winterhalter.

The repainting of the sign on Plymouth Road at the Plymouth Kiwanis Girl Scout Cabin has been donated by A. J. Barton of Barton Signs in Plymouth.

Roger Turpening will be the guest speaker on July 28 with the subject "Shakes and Wiggles in Modern Society."

The Grim Pilgrim

By DAVE WILEY

Having been through last week's Plymouth Mail more times than I care to admit—and starved for something to read, I sauntered down to the local newstand over the weekend in search of a magazine upon which I could feast my blood-shot eyes.

Surely, I thought, in a town like Plymouth, I will find an example of the printed word both stimulating and germane to the current scene.

But alas, hot and sweaty, I pawed through a series of news racks while girl-clerks watched me in the convex mirrors designed to discourage would-be shoplifters and I discovered virtually nothing.

Nothing, that is, except mountainous heaps of literary dross that led to one conclusion: We are submerged in an avalanche of cultural obscenity. Now, obscenity is a word fraught with emotion and I hasten to point out that it is used here not in its conventional sense — lest I unleash a horde of frustrated housewives who interpret these sentences as a mandate to "do something about it."

Quite to the contrary, Plymouth newstands are sterile enough, thank you. The mummies have obviously done their work. Nowhere to be seen is a "Playboy," an "Escapade," an undraped bosom. No siree! We're clean! Or are we?

Herewith, a quick view of the average magazine selection:

You will find prominently displayed anywhere from nine to 12 separate publications devoted exclusively to the Beatles. Flanking these gems of mental famine will come magazines about The Rolling Stones (another Beatles-like group) and others of similar genre. These, in turn, are surrounded above and below by examples of publishing puerility with titles like "Teen Scene," and "Teen Splen."

The mish-mash of nothingness degenerates on the right into lines of literature for the gals. Reeking with insinuation and intimation, we have "True Love," "My True Story," "True Lou," "True Sue," and "True You."

On the right, for the 100 per cent red-blooded American fellow, we got "Male" and "Man's Magazine," and "Stag," and "Crag," and "Brag," and "Gag," and pardon me. Nowhere in the bunch is a dirty book. Unavailable to local lechers are photographs that might corrupt.

Instead, for the ladies who follow the confessions pulps, there are yarns about unhappy

young misses who have mistakenly slipped and indulged for a moment in less than legitimate loving. Be they extra-marital, pre-marital or incestuous, these tales all have one redeeming feature. The evil beast always gets his just desserts and our somewhat tarnished heroine, reformed, lives on to rue her ways after her true story.

For us hairy-chested guys, there are all kinds of goodies to choose from. A brightly covered 35-center trumpets, "Those Shocking Housing Development Sex Parties." Gee, just what I should read before I move to Lake Pointe. Going to New York? Grab the one that's headed, "Latest Vice Leopold." The Untouchable Call Girls. Sex-Hostess 'Guides' Who Follow the Fair." Oh, I see — you're staying at home. How about the one with the tender autobiographical account, "I was a Housewife Prostitute."

"Harper's" we don't have it. "The Saturday Review," what's that? "Atlantic Monthly?" No, man, this is the middle west. Sorry, we only get two issues each of "Time," "Newsweek," and "U.S. News and World Report" and we've all sold out. "Playboy?" What are you, some kind of pervert? We only sell CLEAN books. How would you like your daughter to read something FILTHY like that? Phooey!

Let me clue you in. I'd rather have my daughter read "Playboy" than "True Confessions." Better her tender eyes should be assaulted by "Lady Chatterly's Lover" than a Beatles magazine. More fitting she should read "Tropic of Cancer" than "Keen Teen" which interprets the pursuit of happiness to mean the acquisition of the latest platter grooved by The Rolling Stones.

I would have my son read "My Life and Loves" by Frank Harris before "Those Shocking Sex Parties." I fully intend to see that he gets a copy of "Catcher in the Rye" before he starts drooling over "The Untouchable Call Girls."

And I would suggest gals with nothing better

to do than note particularly offensive pages in "Fanny Hill" for the edification of the local pharmacist, rereads their position. Forget about carnal obscenity, doll, and let me introduce you to the intellectual variety.

Stop worrying that an unadorned bosom may corrupt junior and start wondering why the corners of his mouth get moist when he sees a so-called man's magazine replete with detailed accounts of persons tortured, fried, broiled, boiled and eaten alive. Comprehend, if you can, the appeal of the publication that centers around headlines, burnings at the stake and executions.

Forget for a moment, that sister may be irretrievably depraved by Constance Chatterly and take note when she and her chums snigger as they settle down with a confessions magazine. Worry, instead, as she laps up a literary diet of maudlinism and mendacity for two bits a copy. Concern yourself when her younger sister teeters out of the house on high heels, her spindly legs clad in nylons, her undeveloped rib cage wrapped in unadorned decency, and her 12-year-old lips garnished with "kissable me" or whatever-the-heck flavor of lipstick is popular with the pre-teens.

In some ways, the moppets are far more capable of sorting the chaff from the wheat than you think and, in others, far less. Quit bugging the corner drug store owner about what he shouldn't sell and take a more positive approach.

Nag him to stock "The Reporter" and "Cosmopolitan" and, heaven forbid, William F. Buckley's "National Review."

Chances are it would pay off more substantially than telling him what you and your bridge club think he shouldn't sell; and it would be less of an insult to his intelligence. Above all, consider the other guy. While you might think his literary values stink, he may — simultaneously — think yours are a bit less than justified. Remember, in printed matter, as in anything else: Quality tells.

The Good Old Days...

10 YEARS AGO

Plymouth township suffered its biggest fire loss of the year Friday when a combination barn and workshop on the farm of Derward Jewell, 39849 Ann Arbor road, was destroyed.

Resignations from the Plymouth city commission were submitted by Henry Fisher and Floyd Tibbitts at Monday night's meeting of the Legislative body. Fisher, a veteran Plymouth public official, is resigning due to ill health. Tibbitts, the city's mayor during 1951 and 1952, is moving outside the city limits which disqualifies him as a commissioner.

Robert Lorenz was installed as grand knight at a meeting of the Knights of Columbus on July 12, 1954. Others invested at this time were, Larry Zielasko, deputy Grand Knight; Foster Kisabeth, chancellor; Jim McGraw, warden; Barney Bach, Recorder; Gordon Nutty, treasurer; Charles Batts, Advocate; Tom Mathews, Inside Guard; Joe Kirkey, Outside Guard; Jack Gilles, Jr., Trustee.

It was on August 1, 1904 that Dr. Luther Peck, without even a horse to call his own, set up his practice here and began curing the ills of Plymouth residents. Now, 50 years and 2,000 babies later, he's still one of the city's active physicians and expects to continue to be for many years to come.

Little Sandra Reber, daughter of Mr. and Mrs. Edwin Reber Auburn avenue, celebrated her sixth birthday July 14, by having several little friends in for the afternoon.

Mr. and Mrs. James Honey of Adams street and daughter, Doris, as well as Miss Janetta Kemp of Livonia will attend the Watchtower convention in Toronto this week.

Proving that you can "do-it-yourself" is Harold Genthner, 1142 N. Holbrook, builder of an eight-foot catamaran. The craft was launched last Friday at Wilcox lake. Genthner, who is co-owner of E-Z Sew Enterprises, built the boat for his three boys, Peter, 10, Milke, 8, and Torby, 6.

Mrs. B. L. Coverdill and Miss Helen Farrand spent last week visiting friends and relatives in Lansing, Grayling, Indian River and Caro.

Mr. and Mrs. Harry Mumbly were hosts on Sunday at their cottage on Silver Lake to the members of their Suburban Club. Present were Mr. and Mrs. William Grammel, Mr. and Mrs. Tom Gardner, Mr. and Mrs. Arthur Blunk, Mr. and Mrs. George Billings and Mr. and Mrs. Earl Gray.

Mr. and Mrs. Edwin Ash, and family of Haggerty highway, are spending a few days vacation in the Copper country.

Sunday guest of Mr. and Mrs. Everett Burmeister, Williams street, were Mr. and Mrs. Morris Menzies of Amherburg, Ontario.

Mrs. Thelma Cushman is vacationing this week at Osoda, accompanied by her

granddaughter, Debby Cushman of East Lansing.

25 YEARS AGO

Officers of the newly organized Young Republicans club of Plymouth chosen for the ensuing year were Beva Barner, president; Harry Fischer, vice-president; Carol Campbell, secretary; William Schultz, treasurer.

Mrs. Earl Gray was recently awarded a \$5.00 prize given by the Springaire mattress company in their Tulip contest.

Cass S. Hough, Michigan governor of the Sportsmen Pilots association presided over the dinner and meeting held Friday evening at Dearborn Inn.

The first party honoring bride-elect Janet Blickenstaff will be given this evening by Mrs. T. Fraser Carmichael with Mrs. Elvin Taylor and Mrs. David Mather as co-hostesses.

Mr. and Mrs. Everd Jolliffe announce the engagement of their daughter, Jean to Robert E. Champe of this city.

Robert Lorenz and Donald Mielbeck are spending two weeks in Traverse City. While there they will attend the cherry festival.

Mr. and Mrs. Elmer Austin announce the arrival of a daughter, Shirley Joyce, on July 17, in Plymouth hospital.

It was rather an unusual occasion last Friday noon at the regular Rotary club meeting when former President Brick Champe had the privilege of presenting to Robert Willoughby a pin signifying ten years of perfect attendance. Interesting to note was the fact that Mr. Willoughby came into the club the year Champe was president and it was through the thoughtfulness of President Floyd Eckles that the incident took place.

Mrs. Paul Wiedman was guest of honor at a luncheon Thursday, when members of her birthday club were guests of Mrs. Josephine Fish.

Mrs. Warren Worth and two children have returned from vacation with her mother in Pennsylvania.

Mrs. Nell Curry and her friend from Newark, New Jersey, are enjoying a Georgian Bay cruise.

50 YEARS AGO

Edward Gayde is the Republican candidate to be voted for at the primaries to be held August 25th for the nomination of Representative in the State Legislature from the third district, of which Plymouth is a part, and filed his nominating petition with the County Clerk last Saturday afternoon. Mr. Gayde is the only Republican candidate to file such a petition for this office, going into the campaign only a few hours before closing time for filing. Mr. Gayde has always been a staunch supporter and worker in the Republican party, and is well qualified for the office which he aspires to. He is one of Plymouth's most prominent and popular young business men, and has a host of friends who would like to see him represent this district in the state legislature.

Last week Friday morning Mrs. Alfred Gust and little son had a narrow escape from what might have been a very serious accident. Little three year old Kenneth was playing with his express wagon on the interurban track which runs in front of their home near Cady's Corners, unmindful of the great danger that might befall him. Mrs. Gust, hearing the whistle of an approaching car, ran to find the child, and seeing him on the track hastened to him. Catching him in her arms she turned to leave just as the car struck her. The little fellow was thrown to the ground, his chin was bruised, and his tongue was so badly cut that several stitches were necessary. Mrs. Gust sustained several bruises and slight injury to her shoulder.

Work on W. H. Hoyt's handsome new residence on Main street is progressing nicely. John Patterson has the contract.

Geo. Hunter has purchased a new Ford touring car.

Geo. Howell and family will leave the first of the week for a two weeks' outing at Sage Lake.

An unusually large crowd was in town last Saturday evening. It was almost impossible to get down the pavement as the street was so filled with rigs and automobiles.

Mrs. Chas. Olds, Mrs. Bert Robinson, Mrs. Albert Trinklhaus, Mrs. Louis Schale and grandson Ralph Merkinson, and the Misses Mabel Merkinson, Ruth Willett and Luch La pham are enjoying a week's camping at Walled Lake.

Little Janette Whipple entertained about twenty-five of her little friends last week Friday afternoon in remembrance of her seventh birthday.

Mrs. Joseph Stanley entertained a number of neighbors at her home in north village last Thursday, the occasion being her birthday. Ice cream and cake was served on the lawn.

Letters To The Editor

BLUE RIBBON

Dear Editor:

Your attitude against sensational reporting stated in your editorial is much appreciated.

It is obvious that instead of being a "yellow journal" you will be a "blue ribbon" paper. Keep up the good work, and you will have the privilege of being able to live with your conscience.

Cordially,

LAUDS CITY

Dear Editor:

We want the City of Plymouth to know how much we appreciate all the time and effort the various departments have extended in our behalf.

Building and moving an industry to a new location is at best a difficult job, but it would have been much more so without your friendliness and cooperation.

Very truly yours,

ORDINANCE NO. 14U

AN ORDINANCE TO AMEND ORDINANCE NO. 14, KNOWN AS THE ZONING ORDINANCE OF THE TOWNSHIP OF PLYMOUTH.

THE TOWNSHIP OF PLYMOUTH ORDAINS:

PART I. That Ordinance No. 14, known as the Zoning Ordinance of the Township of Plymouth and as amended, shall be and hereby is amended by amending Section 3.40 of Article III, to read as follows:

Section 3.40 STORAGE OF VEHICLES. The storage or parking of trucks over one (1) ton capacity, truck tractors, truck trailers, moving vans, automobile trailers, aircraft or passenger cars and trucks, which are wrecked, disabled, abandoned or incapable of movement under their own power in any yard area or on the street or highway, shall not be considered a legal accessory use in any R-1-E, R-1-H, R-1-S, R-1, R-2 or R-3 Districts, except that this shall not prohibit the storage of one (1) unoccupied house trailer or mobile home, or small utility trailer, which is the property of the occupant, when such unoccupied house trailer or mobile home or utility trailer is stored within the garage building or in the rear yard.

PART II. That Ordinance No. 14, known as the Zoning Ordinance of the Township of Plymouth and as amended, by amending the Zoning Ordinance by the addition of a new Section to become and be known as Section 3.41 DANGEROUS AND OBNOXIOUS ANIMALS. The keeping, breeding or boarding of any animal which is dangerous, and may cause injury or be obnoxious because of noise or odor, shall be prohibited from all residential, commercial and industrial districts of the Township of Plymouth.

PART III. CONFLICTING PROVISIONS REPEALED. Any Ordinance or parts of Ordinance in conflict, herewith, are hereby repealed.

PART IV. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take immediate effect and be in force from and after the earliest date allowed by law.

PART V. ADOPTION. This Ordinance was adopted by the Township Board of the Township of Plymouth by Authority of Act 184, of the Public Acts of Michigan, 1943, at a Plymouth Township Board meeting duly called and held on the 14th day of July A.D., 1964, and was ordered to be given publication in the manner prescribed by law.

IN AND AROUND PLYMOUTH

The Sporting Thing

By Bill Nelson

Perhaps its apocryphal, but a columnist (whose name escapes at the moment) is said to have returned to his writing chores after a five year lapse occasioned by the occurrence of World War II with the opening sentence, "As I was saying before I was interrupted" . . .

* * *

Plymouth people always seem to support well organized events for the sporting young, so it wasn't really a surprise last year to see over 250 of them at each of the little league championship games over at the field across from the Burrough's plant.

And the fans saw good, spirited play by the 8 to 13 year old champions. In the three games, the two teams totaled 37 runs and 45 hits plus several errors, which among the young ought to be readily forgiven.

The more powerful Cubs, the National League Champions, scored 20 runs in the three game series to seventeen for the littler Indians, American League champs. The Cubs also outthit the Indians 24-21 in the three game series, but the Indians won the series.

For those who follow the fortunes of these youngsters on the diamond, the result was really typical. The Indians have had to hustle from behind all season. To win the American league championship, it was necessary to put together a final eight-game winning streak to edge the Yankees by one game. The Indians had stumbled off to a mediocre 3-5 start before winning their last eight in a row.

Indian followers were really tested when the Cubs belted them in the first game of the Championship series 11-6, but the Indians came back to win the last two by one run each, 4-3 and 7-6.

Which shows that ballpark statistics are really meaningless in total. Reminds of Woody Allen's remark about the total measurement of a bunch of Miss Universe contestants. Something like 1,483-789-1,623. This kind of figure is really too big to comprehend. Give me the individual ball game, the single statistic.

* * *

Some figures that may be more pertinent are that the Little Leaguers play on a field of 60 foot bases, 46 foot distances from the home plates to the pitchers' mounds and 180 feet to the centerfield fences. It is 175 feet down the foul lines.

The Little League divorced itself from the National organization over four years ago, although they play by national standards. It gives the Plymouth leagues more local control and they are able to reduce some insurance costs and dues.

Money is raised through various events such as a candy sale and a circus. The budget is about \$2500 for uniforms, equipment and miscellaneous.

The three ball diamonds face each other on a plot just north of the city cemetery, west of Hillside Inn and south of the Burroughs Plant. A lot of tall pine trees shade the area and you can get refreshments at a stand on the field.

* * *

One of the most familiar faces around the Little League is Joe Bida, the ex-Marine and DPW head for the City of Plymouth. He has been active in organizing the league, has served as President for three years of five and is probably mostly responsible for the fine facilities constructed at the field for the youngsters.

The last game of this year's championship was the first one played on "Bida Field", which is what the league Board of Directors have named one diamond. They have put up a little green sign which says "Bida Field" on the backstop and it is similar to one that says "Beegle Field" on a second diamond. This was earlier named after the late Charlie Beegle, another active citizen in the promotion of the little league.

Joe Bida was moved by the tribute, saying "It's nice to have something like this done while you're alive". There is another diamond, as yet unnamed.

People interested in having their name put up may apply by years of work on their own time in helping youngsters.

* * *

Where in the world, but in sports? The Optimists last week lost two ball games by a total of 21 runs, 11-0 and 10-0. A report from our correspondent states in part, "The young Optimists may win not many games, but they certainly out hustle every one in the league. If games could be determined by hustle, the Optimists would be the Yankees of the Livonia Class "D" baseball league."

Webster says of optimism, "An inclination to put the most favorable construction upon actions and happenings or anticipate the best possible outcome."

Our correspondent was accurate.

Lutherans Win 6-5 In Tenth

In the closest game last week in Plymouth softball, Men's Lutheran won 6-5 in ten innings over Plymouth Platina. Meanwhile Paragon split two games, winning 17-3 from Bathey and losing 15-6 to Carlings. Carlings also split last week, losing 9-8 to McAllister.

Plymouth JayCees beat Evans 8-3, while Tait's continued unbeaten by beating Vico 11-4.

Optimists Lose Two 11-0 10-0

The Plymouth Optimists dropped two games last week to two Wayne teams by the combined total of 21 runs. Playing in the City of Livonia's Class "D" National League, the Optimists were beaten by the Red Sox 11-0 on a fine two hitter by Ray Madeau. Dave Eisenlord and Gary VanBuren picked up the only hits for Plymouth.

On Thursday, Jim Whittin threw a no-hitter against the Optimists as the Wayne Cubs breezed to a 10-0 win.

Cheerleaders From P. H. S. Get Trophies

Varsity cheerleaders from Plymouth High School returned from "Camps All American" cheerleaders camp at Walden Woods Camp Grounds in Hartland, recently, having walked off with their share of trophies.

The six girls attending included Carol Otwell, Donna Cook, Ruthie Fetner, Cathy Smith, Cathy McIntyre and Pam McAllister.

The Plymouth group received the second place group trophy. They were judged on their friendliness, peppiness and all around behavior.

Individual awards were brought back by Cathy McIntyre, first place, and Cathy Smith, third place.

THE SPORTING THING — in little league competition. Here Indian catcher Chuck Wolf greets Cub Dale Rumberger who has just hit a home run against the Indians in the second game of the Little League Series. Standing by is the Cub's Denny Becker who preceded Rumberger across the plate on the home run, which went over the centerfield fence.

Indians Down Cubs, Win Championship

Fifteen little Indians today are champions of the Plymouth Little League baseball world. The Champions of the American League division of little league, won the big prize last week by taking the final two games of a three game series with the Cubs of the National League, 4-3 and 7-6.

In the first game of the "Plymouth Series", the beehive Cubs, champions of the National division, belted out 12 hits for eleven runs to beat the Indians 11-6. Dave Rumberger was the hitting star for the Cubs with a home run and a single in four tries. He also got on once on an error.

Indian Larry Peruski also hit a home run in this first game.

The second game started like a repeat of the first one, as the Cubs jumped to a 3-0 lead in the first three innings, this time helped by a two run home run by Rumberger.

THE INDIANS, however, got one back in the bottom of third, added another in the fourth and then scored twice in the bottom of the fifth to win, 4-3.

Indian Phil Joyner was the hitting hero with a single and a triple in three tries. He batted in the tying run, when Ken Daly singled him home from third after

his fifth inning three bagger.

The Indian 4-3 win on Wednesday pushed the series to the final game on Friday. The spirited Indians started ominously, scoring three runs in the first inning.

The Cubs got one back in the bottom of the first, another in the third inning and trailed 3-2 when they came to bat in the bottom of the fourth.

NINE CUBS batted in the fourth as they scored three runs to go ahead 5-3. It began to look like the heavier Cubs would repeat Monday's 11-6 performance.

The Indians, however, came right back in the top

of the fifth to get all three runs back, as eight men batted in. When the Cubs came to bat in the bottom of the fifth, they trailed again by one run 6-5.

Singles by Hugh Ableson and Chuck Proschacka produced the tying run for the Cubs and set the stage for the sixth inning, which is the final in little league play.

The Indians went ahead on singles by Joyner and Peruski and a wild throw from the outfield. And when pitcher Gary Sippes set the Cubs down in order in the last inning, the Indians had come from behind again, this time to win the little league championship.

Minor League Standings

DiPonio Wins 2, Heads For Title

With only a month remaining in league play, DiPonio Builders appear ready to nail down the Class "F" Western Wayne County championship.

The Builders last week leveled Finlan Real Estate 10-4 and stopped the Casterline Braves 14-4 to run their unbeaten record to 10-0.

The Ely Oilers and Plymouth Recreation stayed within shouting distance by winning two more games each to remain tied for second. The Oilers beat Finlan 6-3 and Casterline 6-4, while Plymouth Recreation won 7-3 from Loper Firestone

and 19-6 over Wayne County Training School.

In other games last week, Loper Firestone beat the Northville Orioles 6-2, while earlier in the week Northville whipped Wayne County 10-5.

Class F standings through July 20th are:

	W	L	T
DiPonio Builders	10	0	0
Ely Oilers	8	1	1
Plymouth Rec.	8	1	1
Loper Firestone	4	6	0

Fisher and DiPonio in Hot Class "E" Race

Fisher Shoes and DiPonio Builders last week added two victories each to their dead-

locked drive for first place in the Class "E" recreation league race. Each boast 10-1 records for the season.

Fisher Shoes shutout the Novi Flyers 9-0 last week before taking Parly Pantry 8-2, while DiPonio swept past Parly Pantry 10-3 and Bill's Market 4-0.

Spagy T-Birds stayed in hot pursuit of the leaders by taking Wayne County Training School 9-3 and General Filters 5-4. The T-Birds are now 8-3 for the season.

In other action, the Wayne County Training School beat Northville Recreation 14-2 and Bill's Market beat the same team 28-2. The Northville Plumbers and General Filter played to a 2-2 tie, while later the Novi Flyers flew past the Plumbers 12-5.

The standings, as play commenced this week, are:

3 Local Clubs Receive \$100 Cash Awards

Three Plymouth organizations — Plymouth Womans Club, Plymouth Symphony Society and the League of St. John's Episcopal Church — have been awarded checks for \$100 each from the Northville Town Hall Board of Awards committee.

The Womans Club will use the cash award to help pay expenses for Loch Rio Girls Town, a Michigan Federation of Woman's Clubs project.

Plymouth Symphony will use the money for its summer music scholarship program, and the League of St. John's Episcopal Church will use the award to help defray club expenses.

Each year, Town Hall contributes to charities in Plymouth, Farmington, Livonia, or Northville or, all four.

Other groups receiving awards this year were: Northville Historical Society (\$50); Our Lady of Providence School (\$100); Mizpah Circle of the Kings Daughters (\$100); Northville Junior Great Books (\$30); Northville Chamber of Commerce Auxiliary (\$20); Children's Neurological Development Program, Farmington, (\$100), and the Well-Baby Clinic, Livonia, (\$200).

Next year's Town Hall speakers will be Agnes Moorehead, speaking on "Come Closer! I'll Give You an Ear Full," (Oct. 15); Baroness Maria Von Trapp, speaking on "Around the World with the Trapp Family Singers," (Nov. 19); Norman Garbor, speaking on "Pull Up an Easel," (Feb. 4); Commander James Calvert, speaking on "Surface at the Pole," (March 4); and Martha Rountree, speaking on "Rountree's Washington Roundup," (April 1).

Lectures are held, beginning at 11 a.m., at the Northville P & A Theater. Celebrity Luncheons will be held at Meadowbrook Country Club following each of the

lectures, thus giving members a chance to ask the speaker questions. Season tickets, priced at \$10 for the five lectures, are still available, in a limited supply, and may be obtained by contacting Mrs. Harry Wagenschütz, ticket chairman, at FI 9-2976. Tickets cannot be purchased for individual lectures.

THREE PLYMOUTH organizations have received checks for \$100 each from the Northville Town Hall Board of Awards committee. Accepting the checks are, left to right, Mrs. R. R. Barber, for the Plymouth Womans Club; Wayne Dunlap, for the Plymouth Symphony Society; and Mrs. C. C. Teasel, for the League of St. John's Episcopal Church. Each year, proceeds from the Northville Town Hall Lecture Series are contributed to charities in Plymouth, Farmington, Livonia, or Northville. A few tickets for the 1964-'65 Series are still available and may be obtained by calling ticket chairman, Mrs. Harry Wagenschütz at FI 9-2976.

Mr. & Mrs. Joel L. Barnes

DONNA LEE ASH, daughter of Mr. and Mrs. Walter Ash, of 1116 Dewey St., and Joel Lee Barnes, son of the James Barnes, of 8826 Corinne St., were married in an evening ceremony in the St. Paul's Evangelical Lutheran Church, Livonia, on Saturday, July 10.

Donna Lee Ash, Joel L. Barnes Repeat Vows in Evening Service

Wedding vows for Donna Lee Ash and Joel Lee Barnes were read in an evening ceremony in St. Paul's Evangelical Lutheran Church, Livonia, on Friday, July 10.

The bride is the daughter of Mr. and Mrs. Walter Ash, of 1116 Dewey St., and the bridegroom is the son of Mr. and Mrs. James Barnes, of 8826 Corinne St.

For her wedding, the bride, given in marriage by her father, chose a floor-length gown of Chantilly lace. Fashioned with a jewel neckline and long tapered sleeves, the bouffant skirt was accented by softly draped side panels of nylon organza. Tiers of the Chantilly lace gave added interest to the back of the gown. Her bouffant illusion veil was secured in place by a pillbox crown of Chantilly lace. She carried a colonial nosegay of white roses, carnations and stephanotis.

Attending the bride as maid of honor was Miss Katherine Merryfield, of Plymouth, who wore a street-length frock of medium pink organza. Her cabbage rose headpiece matched the cabbage rose attached to the skirt of her gown. She carried a colonial nosegay of deep pink roses and carnations. Wearing a gown, like the maid of honor's, but in a lighter shade of pink, the bridesmaid, Mrs. Margaret Harlow, of Wayne, carried a colonial bouquet of light pink roses and carnations.

Lyle Avery, of Plymouth, served the bridegroom as best man and Ernest Reddeman,

Milton Humphries' Treated to Genuine Lebanese Dinner

A Lebanese dinner, centering around the standard shinkabob, was delivered to the Ross St. home of Mr. and Mrs. Milton C. Humphries and his mother, Mrs. Lila Humphries last Saturday evening.

The dinner was prepared by the Humphries' neighbor Morris Sheik, formerly of Lebanon, who now makes his home in the Crestwood Apartments.

Assisting him with the preparation and serving of the dinner was his sister, Nazeeha Sheik, who is visiting here until September, and his brother, who is studying to be a chemist at Wayne State University. Miss Sheik is social secretary to the American Embassy in Beirut.

Mrs. Ebert to Exhibit China

A number of hand-painted vases and plaques done by Mrs. Edward Ebert, of N. Mill St., and her daughter, Mrs. Walter Sippel, of Detroit, will be on exhibition at the International China Painting Teachers Organization's convention July 24-26 in Detroit, at Cobo Hall.

On Friday and Saturday, the exhibit, in Hall "D" will be open from 10 a.m. until 9 p.m., and on Sunday from noon until 6 p.m. Work by teachers on display must be painted on porcelain and done within the past two years.

Antique china will also be displayed. Mrs. Ebert will show a punch bowl in this division.

Bertha Anderson, Carl A. Peterson Wed June 20

In the presence of the immediate families Bertha Elizabeth Anderson and Carl A. Peterson repeated their nuptial vows on June 20 in the chapel of the First United Presbyterian Church.

The bride, a resident of Plymouth and Iron River, was given in marriage by her brother, Herbert, of Indianapolis. She chose a light green sheath of lace over taffeta with matching accessories and wore a corsage of white orchids and stephanotis.

Mrs. Russell Leonardson, of East Lansing, was matron of honor. She wore an embroidered beige linen sheath with accessories in a deeper shade. Her corsage was white carnations and pink roses.

Hector Renier, of Detroit, served as best man.

Following a wedding dinner, the couple left on a trip to New York City. They are living at 12049 Amherst Ct.

Mrs. Peterson is a first grade teacher in Smith School. Her husband owns Peterson Drugs.

The bride was honored at several pre-nuptial parties including a personal shower given by Mrs. Russell Leonardson and Mrs. Albert Boyd, of Lansing; a tea given by Mrs. Garnett Rush, Ruth Erickson and Bertha LaMay and a kitchen shower given by Smith Elementary School teachers.

Plymouth Pantries

MIXING one of her family's favorite desserts, "Applesauce Cake," is Mrs. Joseph Fulton, of 40626 Ann Arbor Tr. The recipe is one that her grandmother baked when she was a girl.

Delicious moist "Applesauce Cake" is Mrs. Joseph Fulton's suggestion of a good cake that almost everyone enjoys.

Mrs. Fulton, of 40626 Ann Arbor Tr., has lived in Plymouth most of her life, moving into Detroit for only a short period. She is the former Lillian Welzer.

The mother of three children, Susan 15 years old, Joseph, 13, and Dan 9, Mrs. Fulton's favorite hobbies are bowling and bridge. She also enjoys golf and swimming and is a member of the Wivians of the Elks.

Until 17 years ago, Mrs. Fulton worked in the traffic division of Michigan Bell Telephone Company.

The recipe for the cake is one that Mrs. Fulton's grandmother used to make. She said it took her about ten years to locate the recipe book containing the recipe.

She cautions persons making the cake to be sure to dissolve the baking soda in hot applesauce for the cake to raise properly.

APPLESAUCE CAKE

- 1 1/2 C. sifted flour
 - 1/2 tsp. baking soda dissolved in hot applesauce
 - 1/4 tsp. salt
 - 1/2 tsp. cinnamon
 - 1/2 tsp. cloves
 - 1/2 C. butter
 - 1 C. sugar
 - 2 eggs
 - 1/2 C. raisins
 - 1/2 C. nuts
 - 1 C. hot unsweetened applesauce
 - 1 tsp. vanilla
 - 1 tsp. baking powder
- Cream butter, add sugar, blend well. Add beaten eggs, applesauce. Rub raisins with a little flour, add remaining ingredients. Bake about 1 hour in 325 degree oven.

LUNCHEON

A luncheon honoring Mrs. Milton Laible of New Smyrna Beach, Fla., and Plymouth was held in the home of Mrs. Lila Humphries on Ross St., last Thursday. Attending were Mrs. Ada Watson, Mrs. Henry Grimm, Mrs. Elvin Taylor, Mrs. Edna Allen, Mrs. Nellie Bird, Mrs. E. A. Schrader, and Mrs. Bud Prescott, of W. Palm Beach, Fla.,

who is presently visiting at the home of the E. A. Schradlers, on Park Pl. Interesting sidelight of the luncheon was the fact that Mrs. Laible, Mrs. Grimm, and Mrs. Watson all graduated from Plymouth High School together 48 years ago. Mrs. Prescott was a former music teacher in the Plymouth schools.

Double Ring Ceremony Unites Marcia Strohl, James Blackburn

In a double ring ceremony performed by the bride's grandfather, the Rev. Glenn Strohl, on June 27 in the First Presbyterian Church, Marcia Strohl became the bride of James W. Blackburn.

Parents of the bride are Mr. and Mrs. Max Strohl, of 1285 Lilley Rd., and the bridegroom's parents are Mr. and Mrs. Willie Blackburn, of Northville.

The bride, given in marriage by her father, wore a long-length white dress of organza and chantilly lace. The skirt was covered with a spray of scalloped lace and the bodice, with sweetheart neckline and long tapered sleeves, was covered with sequins. Her Egyptian styled wedding veil was attached to a double crown rimmed with seed pearls. She carried a white prayer book with stephanotis and white orchids.

Maid of honor was Pamela Richards, of Livonia. Karen Trost and Patricia Hann, both of Plymouth, were bridesmaids. They wore pale pink floor length sheaths of peau de soie with high backs and streamers. The maid of honor wore a matching jacket. Their bouquets were made up of roses, carnations and stephanotis.

Flower girl was Lorri Lynn Strohl, the bride's niece. She wore a pink dress with ruffles of lace, carried a basket of white, pink and blue daisies and wore a circlet of daisies in her hair.

Dwain Park was best man. Ushers included Tom Nagy and Fred Strohl, the bride's brother, both of Plymouth. Mrs. Strohl chose a dress of pink crepe and lace with matching hat and shoes and white purse and gloves for her daughter's wedding. The bridegroom's mother wore a blue flowered dress with matching accessories. Their corsages were pink rosebuds and white carnations.

Following a wedding reception and dinner at Hillside Inn, the couple left for a wedding trip in northern Michigan. For her going away outfit the bride chose a dark blue linen sheath with white accessories.

The new Mr. and Mrs. Blackburn are living on S. Lilley Rd. in Plymouth.

The bride, a 1961 Plymouth High School graduate, is a beautician at House of Glamour. Her husband is a 1961 graduate of Northville High School and works at Greene Motor's in Livonia.

Mr. and Mrs. James Blackburn

MARCIA STROHL, daughter of Mr. and Mrs. Max Strohl, of 9235 Lilley Rd., and James W. Blackburn, son of Mr. and Mrs. Willie Blackburn, of Northville, repeated their wedding vows in a double ring ceremony, June 27, in the First Presbyterian Church.

- A Good Deed -

Approximately 15 high school age members of Mariner Girl Scout Troop 1199 of Detroit are spending a portion of their summer conducting a six day camp for girls from Our Lady of Providence home for mentally retarded girls.

Norma Kiefer, daughter of Mr. and Mrs. Norman Kiefer, of Greenbriar Ct., is the Girl Scout Leader for the camp which was in session at Cass Bend Park, July 14-16 and is also meeting today, tomorrow and Thursday.

Mrs. John Saunders, of Greenbriar Ct., is an adult assistant and Troop Advisor Mrs. Philip Wycels, of Detroit, is in charge of the camp. Sister Joanne, faculty member of Our Lady of Providence is also helping.

Miss Kiefer plans camp activities and assigns each Scout four girls to work with.

Camp starts each day with a flag ceremony after which the girls work on projects, play games and sing. They have been making sewing boxes, junk boxes, and decorating cans and jars for trinkets.

In past summers the Scouts have conducted day camps for underprivileged children, but this is their first year working with the mentally retarded, according to Miss Kiefer.

The money they needed to provide transportation for the children and aids for camp supplies was obtained from a Reader's Digest Grant of \$246. The award was one of 23 presented this year by the Digest.

"The Scouts are well organized," Sister Joanne, of Our Lady of Providence, remarked. She added that they have become buddies with the girls.

As preparation for their day camp, each girl spent two days at the school meeting the girls who range in age from 10 to 16.

As a finale to their project, the scouts will take the girls on an overnight camp-out at Arrowhead Lodge, in Kensington Park, on July 24-26.

ON THE TETER-TOTTER at Camp Kon-Tiki, a six day, day camp sponsored by a Detroit Girl Scout Troop, for girls from Our Lady of Providence school, Northville, is Debbie. Looking on is Norma Kiefer, daughter of Mr. and Mrs. Norman Kiefer, of Greenbriar Ct. who is camp leader.

WE'RE IN THE VOLKSWAGEN BUSINESS — That is, the business of ECONOMICAL TRANSPORTATION. We get all kinds of cars as trade-ins. Fords, Chevies, Cadillacs as well as VWs. As they come in, each car is put through a rigid performance test. The ones that pass get the works. They're reconditioned, tuned-up, tightened-up, washed and polished (inside and out). The ones that fail never show up on our lot. Compare the prices of our domestic used cars. We can't afford to sell you anything but the best at the best price. After all, you'll be driving our reputation around with you.
