Spirited Contests Loom In Livonia Delegate Races

Contests for precinct delegate posts—last on the ballot, but the real backbone of local political party organizations—will face Livonia voters in each of the community's 40 precincts at the Sept. 1 primary election.

Both Republican and Democratic political aspirants have filed to represent their neighbors as delegates to the parties' county convention in all but a smattering of city precincts.

The biggest action will be on the Democratic side of the ballot, where 21 of the 40 precinct contests have more than one candidate in the normally quiet race. One "non-partisan" City Councilman, Peter A. Ventura, is a Democratic candidate in precinct nine, faces opposition from two others.

On the Republican slate, however, there are only half-a-dozen precincts where there's a contest. In two of them, however, a battle appears to be shaping up, with two veteran campaigners, A. Thomas Daoust and Weldon O. Yeager, facing each other in precinct 30, joined by a third, Mary E. Dumas, and in precinct 10, where former city attorney Rodney Kropp is challenged by Joel P. VerPlank and George J. Sywassink.

Which ever faction captures the majority of precinct delegate posts will easily be able to wrest control of the local party structure.

A list of candidates on both party tickets follows:

DEMOCRATIC PARTY

Livonia Doctor Takes Work In U-M Hospital

Dr. Lawrence Hornsby, of Livonia, is among the 150 new

doctors who joined the University of Michigan Hospital in July to begin a major step in their professional careers.

Entering as interns, the doctors are starting personalized programs of clinical training which may take one to six years to complete. Individual doctors are specializing in everything from allergy to x-ray.

The group brings the total number of doctors at the U-M Medical Center to more than 650. They help maintain Ann Arbor as the nation's first city in the number of doctors relative to the total population.

Bank Reports Hike in Shares

Net operating earnings of Bank of the Commonwealth for the six months ended June 30, 1964 were \$1,319,189 or \$2.20 per share, it was reported by Donald H. Parsons, chairman.

This compares with net operating earnings of \$1,291,609 or \$2.15 per share in the corresponding period of 1963. Last year's total earnings included in addition a net profit on sale of securities of \$194,768.

Parsons said that dividends in the amount of \$528,000 had been paid to stockholders during the first six months of 1964 and \$450,000 had been transferred to a reserve for contingencies.

Total resources of Bank of the Commonwealth aggregated \$569,415,423 at June 30, 1964 and were \$21,425,692 higher than a year ago. Total deposits amounted to \$503,982,841 which is an increase of \$5,930,358. Loans and mortgages at \$224,476,178 were up \$21,480,504.

NW Child Guidance Clinic Waiting To Move

HELEN HUNTER, of Redford Township, as Chairman of the Housing Committee for the Northwest Child Guidance Clinic, has put time and effort into the renovating of the new facilities and she and her committee have plans for its completion. Some of the Colonial atmosphere of the home will remain in the waiting room and first office at the suggestion of Mrs. Hunter.

"THIS OLD HOUSE" will be home to the Northwest Child Guidance Clinic in approximately two weeks, according to David Hoptman, Supervisor of the clinic. In a few weeks following that there will be a dedication of the Clinic for the public's inspection. The sign for the Clinic will be the next item to be placed on the property which is located on Merriman Road just the other side of Ford Road, 6221 Merriman, Garden City.

The Northwest Child Guidance Clinic has growing pains. It has completely outgrown the present facilities at the Wayne County General Hospital—the waiting room and combination office plus two interviewing rooms are hopelessly inadequate.

Since September, 115 cases have been processed by the Clinic which services 19 school districts including Redford Township, Livonia and Plymouth. At present, due to crowded interviewing rooms, there is a waiting list of children to be seen by the Clinic.

Supervisor of the Northwest Child Guidance Clinic, David Hoptman, told The Observer he is hopeful, they will be able to move into the new quarters in two weeks.

There will be a waiting room, conference room, business office and six interviewing rooms. The new space will be used to capacity as soon as the moving is completed.

Although the house is over 100 years old, the foundation is excellent and in general good condition. The floors have been leveled and the walls paneled and rewiring done. The renovating will amount to about \$3500. The home and land was purchased for \$13,900.

Assistance from any service group in the 19-district area will be put to good use, particularly furnishing the "new" Clinic.

ONE OF THE LARGEST checks ever received by the Northwest Child Guidance Clinic was presented by the Soroptimists of Livonia for \$700. The money was raised by a Flea Market held by the members last month on the grounds of the beautiful Ardmore Convalescent Home. The money will be used in readying the new quarters for the clinic, lo-

ated at 6221 Merriman Road. (L-r), Making the presentation is Elsie Wright, Treasurer of Soroptimists; Bette Treweiser, President; Pat Brown, from South Redford Township and Board member of Northwest Child Guidance Clinic; and Marge Miller, Vice President, Livonia Soroptimists.

Senior Citizens Receive Break Under Tax Law

Under the provisions of the new federal tax law persons of 65 or older who sell their homes are allowed a tax-free gain if the adjusted sales price is \$20,000 or less. Paul L. Fisher, president of the Western Wayne-Oakland County Board of Realtors, pointed out.

Adjusted sales price means the sales price less the broker's commission and repair expenses incurred within 90 days preceding sale and paid within 30 days of sale, Fisher said.

"If the sales price is in excess of \$20,000, the gain is tax-exempt in the ratio that \$20,000 is to such price," he explained. "Thus, if the sales price is \$30,000 and the gain is \$12,000, the tax-exempt portion of the gain would be \$8,000—that is, \$20,000 divided

by \$30,000, or two thirds of \$12,000."

Calling attention to new Section 121 of the Internal Revenue Code, Fisher explained that the seller must have owned and used the residence five of the last eight years, and that such exemption is available only once in a taxpayer's lifetime.

He made the explanation, as a public service on the basis of information supplied by the National Association of Real Estate Boards, with which the Western Wayne-Oakland County Board of Realtors is affiliated.

A widow or widower would meet the five-out-of-eight-year test if the deceased spouse, had he lived, would have met the requirement, Fisher said. However, he added, the surviving spouse must be 65 or over for this exclusion to apply. The new section applies to

dispositions made after December 31, 1963, for taxable years ending after that date, Fisher said.

Cooperative apartments qualify as principal residences under this provision. Where only part of the property is used as a principal residence during the five-out-of-eight-year period, only the gain on the residential portion qualifies for the benefits of the new section, he said.

An individual is considered to be married or single according to his status on the date of the sale or exchange, Fisher said. An individual who is separated under a decree of divorce or separate maintenance of the date of the sale or exchange is not considered as married, he said.

Livonia Student Joins Peace Corps Conference

Melvin Dickerson, the son of Mr. and Mrs. William Dickerson of Livonia, is one of seven student leaders from colleges and universities throughout the United States who were invited to participate in the Student Support Groups Conference at the Peace Corps in Washington on July 10 and 11.

The conference, the first of its kind held by the Peace Corps, dealt with the role of the college student in the operation of the Peace Corps. Talks and panel discussions were held on such topics as: "Peace Corps Committees on the Campus," "The Returned Peace Corps Volunteer on Campus," and "Career Opportunities After the Peace Corps."

Speakers for the conference included Peace Corps staff members, returned Volunteers, and several students. Also invited to attend were 20 college students who have been selected to spend the summer as interns at the Peace Corps.

Dickerson, who completed his secondary education at Bentley High School in Livonia, will enter his senior year at Carson-Newman Col-

lege in Tennessee this fall. At Carson-Newman, he is a biology major and a member of Tri Beta fraternity, a national honorary society. In addition, he is president of the college's chapter of Alpha Phi, a national service fraternity, which, among other activities, works with the Peace Corps. After graduation from Carson-Newman, Dickerson is considering joining the Peace Corps.

The Peace Corps, which currently has 6,100 Volunteers overseas, is planning to train over 5,000 volunteers this summer and fall.

Hospital Duty

Airman Third Class James M. Campbell, son of Mr. and Mrs. C. Bruce Campbell of 28995 Sunnyside Ave., Livonia, has graduated from the technical training course for U.S. Air Force medical service specialists at Gunter AFB, Ala. Airman Campbell, who was trained to assist in the care and treatment of patients, is being assigned to the Air Force hospital at Travis AFB, Calif. His unit furnishes medical services in support of the military Air Transport Service mission of providing global airlift of U.S. military forces and equipment.

The airman is a graduate of Bentley High School.

Red Cross Asks Blood for Heart Surgery Cases

"This may be vacation time—but the need for blood takes no holiday," stated Fred Cody, chairman of the Detroit chapter, American Red Cross, in pointing out the need for blood during the summer months ahead.

In urging people to donate blood before they leave for their vacation Cody said, "Blood is today's most amazing medicine. It has become a miracle worker. Blood does more life-saving than any one of our wonder drugs." Typical of the need is the ever-increasing number of heart surgery cases requiring large quantities of blood. In 1962, Red

Cross furnished 2,100 pints of blood for 105 operations; in 1963, 6,720 pints for 336 cases; and to date this year Red Cross has supplied 3,700 pints of blood for 185 cases.

With more people using motor vehicles during the summer months there is an increasing number of accidents where the treatment of injuries requires blood.

Cody urges vacationers to include a stop at the Red Cross to donate blood as a part of their vacation planning. Donors may visit the Red Cross Blood Center at 153 East Elizabeth, Detroit, or a neighborhood bloodmobile. For further information call 961-3900.

Livonian Attends Science Institute

Donald J. Howell, 20355 Parker St., Livonia, is among 88 high school Livonia and mathematics teachers attending an eight-week mathematics and science institute at Clarkson College of Technology, Potsdam, N. Y. from July 6 to August 29.

Sponsored by the National Science Foundation at Clarkson for the eighth consecutive year, the program is designed to present the participants with modern concepts of mathematics, physics and chemistry, dealing with both basic and advanced subject matter.

Howell is a science teacher at North Farmington High School, Farmington.

Name UF Unit Head

Joseph L. Hudson Jr., 1964 Torch Drive co-chairman for Chapter Campaigns, today announced the appointment of Hans Gehrke Jr., president of First Federal Savings of Detroit, to a third year as chairman of the Schools and Government unit of the drive.

Last fall, in his second campaign as unit chairman, Gehrke organized and directed a team of volunteers who obtained a total of \$873,939, against a quota of \$844,177, from employees of the hundred of government and school units in the Macomb, Wayne, and Oakland Counties.

Gehrke is a native Detroit and a graduate of Eastern High School and the University of Michigan School of Architecture. He joined First Federal in 1937 as an appraiser in the mortgage department, becoming president in 1956.

Gehrke is vice chairman of the Federal Home Loan Bank of Indianapolis and a past president of the Detroit Real Estate Board and the Michigan Savings and Loan League.

In addition to his Torch Drive duties, Gehrke serves as a director of the Public Affairs Month Committee, the International Freedom Festival, Brotherhood Week Committee, and the Detroit Urban League.

Gehrke lives with his wife, the former Annamay Muer, and three children, at 45 Deeplands in Grosse Pointe Shores.

Ford Motor Company operates a fleet of five vessels capable of delivering almost five million tons of iron ore, coal and limestone each year to the steel mill unloading docks on the Rouge River in Dearborn, Mich.

Plymouth Township Eyes Fire Administration Bd.

Advisability and legality of establishment of a Fire Administration Board is being studied by the Plymouth Township Board of Trustees.

The Board approved a resolution establishing such a commission in its meeting last week and then referred the matter back to Township Attorney Earl Demel for an opinion on the legality of such action.

The new commission would be composed of five members, appointed by the Township

Board for six year terms.

The resolution defines the duties as:

Prepare the annual Fire Department budget.

Make recommendations for classification of personnel and wage rates.

Make rules and regulations governing the operation and maintenance of all fire equipment.

Make rules and regulations governing the orderly operation and function of the Fire De-

partment, including the manner and method of carrying on the duties of the department. Make inspections of premises, personnel and equipment.

Make preliminary approval for purchase of capital outlay items.

Hear grievances of any and all Fire Department personnel when submitted in writing through the proper channels.

Hold preliminary hearings on all disciplinary cases and assess judgment when feasible or turn said cases over to the Civil Service Commission when Act 78 is applicable.

The first commission, if approved, would be appointed on the following basis: two members for terms expiring June 30, 1966; two for terms expiring June 20, 1968; and one for a term ending June 30, 1970.

Subsequent appointments would be for the full six-year terms.

The new commission would receive no compensation, meet once monthly with a maximum of 30 sessions in a calendar year and the actual and necessary expenses will be paid by the Township Board.

DETROIT EDISON officials will honor Harry Wagenschutz, manager of the customer office in Plymouth, upon his 40th service anniversary. Harry, who joined the company in July, 1924, resides at 341 Beal Ave. in Northville.

Plymouth Kiwanians Hear of 'Archeology'

Members of the Plymouth Kiwanis Club were told of "Archeology" in a talk by Roscoe Wilmeth, former State Archeologist of Kansas and husband of Mrs. Verna Wilmeth, librarian at the Dunning-Hough Library.

Wilmeth, who received his Master's degree from the University of New Mexico and currently is working on his doc-

"E" FLAG and a certificate signed by Secretary of Commerce Luther Hodges is presented to Orville Tungate, 9433 Brookline, Plymouth, regional sales manager of Seaboard World Airlines, by Frank Alter (right) of the Detroit office of the Department of Commerce. The ceremonies took place at a luncheon of the Board of Directors of the Detroit World Trade Club and honored the airline as the first all-cargo service to receive the President's "E" award for excellence in export.

Livonia Firm Names Official

JOHN LEES
Mr. John R. Lees has joined the staff of SCANS Associates, Inc., Livonia, Michigan, to head an International Aircraft-Space sales program.

Mr. V. G. Converse III, president of SCANS, states that Mr. Lees has been instrumental in the design and testing of aircraft jet engine components, and, more recently, has coordinated the design and sale of complete Jet Engine Overhaul Test Facilities.

torate at the University of Michigan, told the Kiwanians of archeology, what it is and what it is trying to do.

"Archeology is a technique for obtaining information about man's past without written records or documents," he said. "It is sometimes referred to as dust and old bones."

He pointed out that large portions of human history predate the written record which in the Far East goes back to 3000 B.C.

"In recent years," Wilmeth stated, "archeology has been used to restore the Teddy Roosevelt ranch buildings. The big problem in the world today is human beings.

"Through the study of anthropology an attempt is being made to discover why one society has friction with another. Through the study of archeology, scientists are also trying to learn something about the weather so that better forecasts can be made.

"We are trying to determine what the weather was like in the past and if rain cycles are predictable. We know that Southern Arizona used to have a much different climate, perhaps like Kansas or Illinois has now."

Roger Turpening will speak on "Shakes and Wiggles in Modern Society" at the July 28 meeting.

Elmer Baldwin was accepted as a new member. He was sponsored by Jim Winterhalter.

The club learned that the repainting of the sign on Plymouth Road at the Kiwanis Girl Scout Cabin has been donated by A. J. Barton of Barton Signs.

The classic 250-mile New Car Race will be held on Sunday, Sept. 6, in front of the Grandstand at the 115th annual Michigan State Fair, which runs from Aug. 28 through Sept. 7.

Township Boom Gains Momentum

Plymouth Township's building boom appears to be gaining momentum instead of slowing down as most experts thought would be the story.

Township Clerk John McEwen reported developers have presented petitions for rezoning of six potential subdivisions in addition to those already underway.

Fred Greenspan, developer and builder of the huge Lakepoint subdivision, presented plans for subs No. 8 and 9. The preliminary drawings for No. 9 list 67 homes and those for No. 8 show 244 for a total of 311.

Preliminary plans were presented for a Cambridge Village development, on what would be the continuation of Eckels Road between Ann Arbor and Joy Roads. The drawings show plans for 206 homes.

Kaufman and Broad Builders have plans for 141 more homes in Arbor Village No. 4 at Haggerty and Ann Arbor Trail.

Loren Gould is seeking rezoning for a development on North Territorial Road and plans also were presented for eight homes in the new Marmion Hills subdivision on Beek Road.

McEwen indicated all proposals will be brought before the planning commission at its August meeting.

Livonia DPR Has Five Horseshoe Courts Read
John Dufour, Superintendent of the Livonia Parks and Recreation Department, announced that five regulation clay horseshoe courts have been erected under the hockey rink lights at the Henry Ford Centennial Field.

They are available for play by Livonia residents from 5:30 p.m. to 11 p.m. seven nights a week. Horseshoe and stakes may be checked out at the concession stand in the park, or participants may furnish their own.

Plymouth Airman

Groups Seek Supplies for Mississippi 'Freedom Schools'

An urgent plea for books and educational supplies to be used in the new Freedom School system in Mississippi this summer went out to suburban area residents this week from leaders of local human relations associations. Organized to provide basic educational skills for both Negro and white youngsters and adults, the Freedom Schools are part of the "Mississippi Summer Project," and are staffed by volunteer civil rights workers from Michigan and other parts of the United States. At least one Livonian

is working on the project. Needed equipment—listed by the Livonia Citizens for Better Human Relations in its current newsletter—include: typewriters, duplicators, tape recorders and tapes, phonographs and records, film projectors, screens and films, blackboards, bulletin boards, papers of all types, folders, envelopes, pencils, crayons, paints, scissors, staplers, sports equipment and arts and crafts supplies. "We need books of all types," leaders of the Detroit Friends of the Student Non-violent Coordinating Committee (SNCC), organizers of the local drive said. "Students need history books, books dealing with careers, descrip-

tions of jobs, books and other aids in teaching reading skills, crafts books, novels, dictionaries, almanacs, and magazines." Describing the schools, SNCC leaders said, "They will supplement the social sciences and the arts, and professional teachers from all over the nation are volunteering to spend their

summer working in these schools. They are being set up by the Council of Federated Organizations, a group composed of Mississippi civil rights groups—NAACP, CORE, the Southern Christian Leadership Conference, and SNCC—and since funds are limited, donations of this equipment are urgently needed.

Materials may be delivered to the SNC office in Detroit, located in the Catholic Students Center Building at Wayne State University, or arrangements can be made for home pickups by telephoning the SNCC office at 875-7344. The drive will continue through July.

State Fair Plans Big Deal for Teens

The spotlight will be on music and fun at the 1964 Teen-Age Fair, a feature of the 115th annual Michigan State Fair, Aug. 28 through Sept. 7.

The \$3 million "fair within a fair" is expected to attract more than 200,000 teen-agers. It will spread across three acres adjoining the midway.

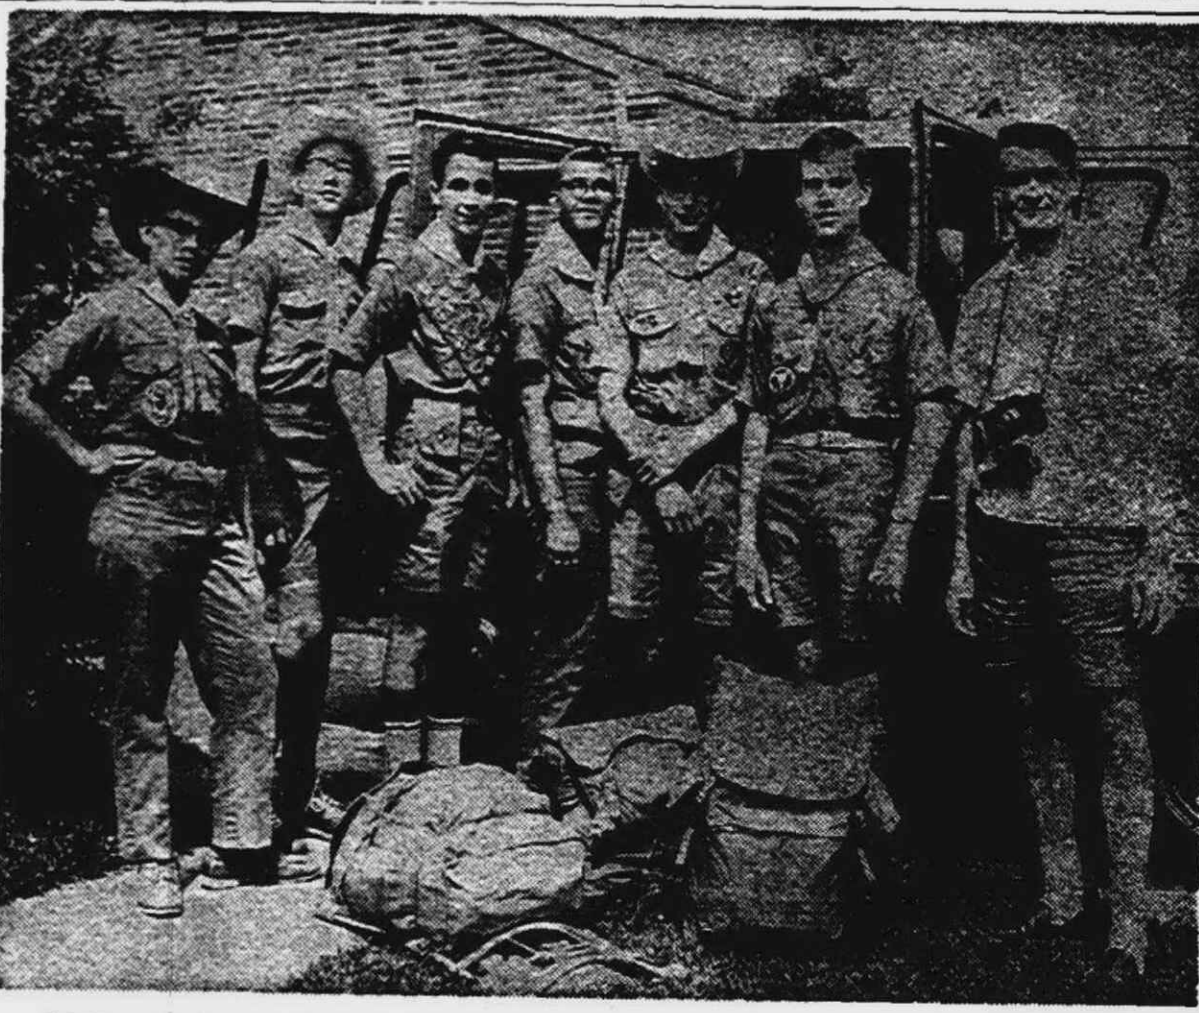

Among the musical features of the Teen-Age Fair:

- A "Non-Stop Record Hop," a 14 hour musical marathon

sponsored by Capitol Records, with guest appearances by recording stars and audience participation games. Among the prizes—a personal phone conversation with the Beatles.

—A continuous "Battle of the Bands," pitting the area's top rock-and-roll combos against each other.

—A daily "Harmony Guitar Hootenanny" for folk music fans.

DESTINATION: Rocky Mountains. These six Livonia Boy Scouts left last week for a 23-day tour of the west, including the Philmont Boy Scout Ranch in New Mexico. Left to right are Steve Leggat, 9890 Seltzer; Alan Jacquemotte, 8936 Merriman; Jerry Rapin, 31120 Westfield; Kent Ebere, 9928 Cavell; Henry Levine, 10015 Camden; and Scott Baldwin, 31132 Minton. Frank Baldwin (at right) is the adult leader of the tour group.

Set Conference on Impending Civil Rights Act

Plans to implement the 1964 Civil Rights Act throughout all parts of Michigan will be formulated at a statewide conference of the National Association of Colored People on July 26 in Flint. Roy Wilkins, executive secretary of the NAACP, will lead the conference, scheduled to begin at 2 p.m. at the I.M.A. Building.

Announcement of the conference — which will bring together representatives of the NAACP's 32 branches in Michigan—was made today by Edgar Holt, state NAACP president.

"This will be an extremely important state conference, for we in the NAACP must now outline plans for bringing to all corners of Michigan the full, complete and immediate compliance with the law of the land," said Holt.

"Because of the need for new plans and renewed freedom actions," Holt continued, "one of the vital points on the agenda will deal with a proposal for statewide fund drives. Naturally, the recent result at the Republican national convention also demands a call to action."

Other items on the agenda

will concern legal defense, job training and employment opportunities, de facto segregation, problems of housing, voter education, political action and voter registration. The state meeting will coincide with a Flint NAACP registration rally to be addressed by major political leaders.

Westward, Ho! Six Start Long Journey

The rugged slopes of the Rocky Mountains are the destination of six Livonia Boy Scouts who left last week on a 23-day western adventure.

Led by Frank Baldwin, 31132 Minton Ave., the six are either Eagle Scouts or Life Scouts in Livonia troops.

Their western jaunt will take them to the Philmont Scout Ranch in Cimarron, New Mexico, which includes 137,000

acres of what the youths described as "rugged western country." There they'll learn cave exploring, archaeology, gold panning, axemanship, backpacking, burro packing and other crafts.

Mountain climbing, Dutch oven cooking, conservation, horseback riding and wildlife studies will also be crammed into the 12 days the boys will spend at the Scout ranch. "The place is rich in deer, elk, coyote, antelope, mountain lion, buffalo, wild turkey and bear, as well as game fish," they said.

Making the excursion are Henry Levine, 10015 Camden; Jerry Rapin, 31120 Westfield; Kent Ebere, 9928 Cavell; Alan Jacquemotte, 8936 Seltzer, and Scott Baldwin, 31132 Minton.

Besides the trip to the ranch, the youths will visit Pueblo Indian ruins at Mesa Verde National Park, the Grand Canyon and the Air Force Academy in Colorado.

They've nicknamed their excursion as 716E, because they arrived at the ranch July 16.

Livonia Civil Defense Workers Hear Report on Tornado Relief

Clem Skiba, Macomb County Civil Defense Director, spoke July 13 to the Civil Defense Advisory Board meeting in Livonia.

Skiba presented a report of the rescue and organization after the May 8 tornado in the Anchor Bay area. He was introduced by Herbert Lees, Michigan Civil Defense Area Coordinator.

The meeting was attended by Civil Defense directors and associates from neighboring communities, including Henry E. Sietz, Wayne County Civil Defense Director; John W. Hall, Trenton; Arthur C. Becker, Southfield; David Laidlaw, Milford; John B. Robinson, Allen Park; A. Stacey, Dearborn; Floyd Neal, Wayne; Police Chief Kenneth Fisher, Plymouth; and Don Grabowski, Redford Township.

Benton Yates, Supt., Livonia Board of Education; James N. Jordan, Livonia Police Department; Marshal F. Perry, Fire Department; and C. Demek, Supt., Department of Public Works, attended and agreed that the report was informative and helpful to them in their Civil Defense capacity; and the actual experiences presented would be of great value should a natural disaster occur in this area.

It's titled, 'You can live better for less with Consumers Power natural gas service!'

Suburban Boys Get Ready for Soap Box Derby Next Saturday

With race day just a few days off, Livonia, Redford Township and Plymouth area boys are getting ready to compete in the annual Soap Box Derby, scheduled to be run July 25 on Derby Hill, E. Outer Drive and Mound Road.

Over 750 area boys are registered to compete in the annual pageant. "By all indications, this should prove to be the largest such race held to date," sponsoring officials said.

The Derby is open to all boys 11 through 15 years of age. Boys 11 and 12 years old will compete in the "B" class and the boys 13 through 15 will race in the "A" class.

Hundreds of prizes will be awarded to local contestants including two \$500 U. S. Savings Bonds, two TV sets, trophies, 12 radios, two wrist watches. In addition, every boy who wins at least one heat in the race will be given a trip to Akron to see the All-American Soap Box Derby with transportation, food and ticket expenses paid.

Again this year a gala Soap Box Derby Parade will be held in downtown Detroit at 11:00 a.m. on Friday, July 24. The parade will start on Woodward south of Vernor and proceed down Woodward to Congress, turn west to Washington Boulevard and disperse. This year's parade will present hundreds of Soap Box Derby boys wearing Soap Box Derby helmets and T-shirts. Also featured will be Derby princesses, floats, bands, majorettes, clowns, marching units and radio and TV stars.

Racing activities on Saturday, July 25, Derby Day, will begin immediately following a Marine color guard flag-raising ceremony at 9:00 a.m. at Derby Hill. Intermission from the racing events will be called at noon. A colorful parade will march down Derby Hill at 1:00 p.m. The Oil Can Derby, comedy portion of the racing events, will start at 1:15 p.m. The featured contestants in this year's race will be Ed Allen, WWJ-TV's physical culture expert; Bozo the Clown, Detroit's favorite children's TV star, and Troy Ruttman, professional race driver and past Indianapolis 500 champion. By 2:00 p.m. the boys will be racing again. Semi-finals and finals will be run between 4:00 and 4:30 p.m. to determine both the Detroit and suburban motor city champions.

The two local champs will be taken for four days to Akron, Ohio along with their parents, for the All-American Soap Box Derby on August 15. These two boys will compete in a field of approximately 240 city champs competing for \$30,000 in college scholarships.

George Romney, Governor of the State of Michigan, will be among the dignitaries present on Derby Day to add encouragement and congratulations to the boys entering the Detroit Area Soap Box Derby.

Again this year on race day, WWJ-TV, Channel 4 will present two live half hour segments of the racing activities at 1:00 to 1:30 p.m. and again for the final heats at 4:00 to 4:30 p.m.

More than a million boys have participated in the Soap Box Derby program since it was inaugurated in 1934. An estimated 50,000 youngsters take part each year.

Department of Parks and Recreation, Chevrolet Dealers Association, Derby, encourage all residents come out for the gala Derby July 24 at 11:00 a.m. and again July 25 at Derby Hill. Admission The Detroit News, the Detroit Free Press, the Redford Observer, the Livonian Observer, the Plymouth Observer, and the Greater Detroit News are sponsors of the 1964 Soap Box Derby of the greater Detroit area to Downtown Parade on Friday, Derby Day, all day Saturday, and parking is free.

DPW News and Notes

By SUPT. JOSEPH BIDA
Plymouth DPW

The past week found the Department of Public Works installing a 6" sanitary sewer tap at 1122 Ann Arbor Road.

All major paved streets were patched. Mowing grass at Riverside Cemetery was continued. All city parks and playgrounds were cleaned up and mowed.

Work continued in getting or cutting out hanging limbs in trees that were damaged by winds, in city owned trees. Storm sewer was cleaned and flushed out at Farmer west of Starkweather.

Streets in the Central Business Area were swept twice. Work is starting on the new 2-million gallon reservoir. It should be completed in about four months.

The water main project has started and the first one to be installed will be on the west side of Starkweather. The contractor will do Starkweather, Harding York, Liberty between Mill and York, Spring between Amelia and Starkweather, Blanche from Amelia to Starkweather, Amelia-Rose to Mill.

K. of C. Group Plans Tiger Trip

A baseball party has been scheduled June 25 by the Father Lord chapter of Knights of Columbus in Livonia.

The fourth annual such event, the party includes a ticket to the Detroit Tigers vs. New York Yankees baseball game, round trip bus transportation and refreshments. The bus will leave Father Lord Hall at 6:30 p.m., returning to the hall after the game. Ticket information is available by calling Jack Reid, GA 2-5127.

Shoots 49 For Golf Laurels

Marjorie Kantzler shot a 49 to take low-gross honors last Friday in the weekly Livonia women's golf league at Idyl Wyld.

Jessie Enterline with a 51 placed second behind Mrs. Kantzler in the "A" Flight.

Marilyn Carrothers paced Flight B with 58, while Peg Gaymer was second with a 59. Jane Farnan and Beverly Anderson topped Flight C as each shot 71. In Flight D, the top honors went to Lu Nelson with 75. Jean Raab's 77 was next.

In a special competition in which the girls discarded the scores from their best three holes and counted only the other six, Mrs. Kantzler again was best. This time she had a 38.

Jean Weismuller turned in a 42 in Flight B, Mrs. Anderson and Wallie Paas each had 54 in "C" and Lu Nelson 55 in "D."

The boys division play saw Steve Kazmer and Gary Rapp share the low gross with a 38 in the first flight. Other flight leaders:

B—Bob Gomon, 47; M. McDonald, 47;

C—John Krieger, 51; Mike O'Brien, 52.

D—Mike Lasser, 57; Rick Hobbs, 59.

Tennis Deadline Friday

Entries close Friday evening for the Livonia area competition in The Detroit News annual tennis tournament.

The Livonia action will be held at Franklin High, July 28-Aug. 2 with the winners advancing to Detroit to go against the champs from other district competition.

The novice tourney is open only to players:

- Who have not reached the quarterfinals or semifinals of any previous tennis meet.
- Have not won varsity letters either in high school or college for tennis.

There'll be play in Livonia for boys, girls, men and women. The Junior class limits are 15 years of age, while the senior division plays must range from 16-29. If enough players over 29 seek to compete at Livonia, a veteran tourney also will be staged.

The same age specifications prevail for both sexes. A 10-cent enrollment fee will be charged for youngsters. The fee for adults will be 25 cents.

Entries for the Livonia tourney are available either at the Franklin Courts or at the Recreation office on Farmington Road.

The area winners will receive trophies from The Detroit News.

The popular Teen-Age Fair again will be a part of the Michigan State Fair, Aug. 28 through Sept. 7.

Set Plans For 3rd Golf Tourney

Plans for the third annual Livonia Department of Parks and Recreation, Livonia Observer and Idyl Wyld Golf Course men's invitational golf tournament were announced Monday by Supervisor Al Rosko.

The 54-hole medal play tournament will be played on the facilities of the Idyl Wyld golf course on Aug. 8, 9, 15 and 16 with an entry fee of \$15.

Golfers will be required to play 18-hole rounds on three of the four dates. Those desiring choice times and dates should fill out the entry blank on this page as soon as possible and return it to the Department of Parks and Recreation or to the offices at Idyl Wyld Golf Course.

Rosko indicated the tournament will be divided into flights, depending on the net scores for the opening 18 holes.

In addition, the tournament will include a Mulligan driving contest on Aug. 15 and a hole-in-one contest on the third hole on Aug. 16.

Livonia golfers are urged to file entries as soon as possible so that Rosko and his committee may have an idea of the number of entries and make up the schedule accordingly.

Bryant Teacher at Institute

Keith B. Geiger, mathematics and science teacher at Bryant Jr. High School in Livonia is attending a National Science Foundation summer institute at George Peabody College for Teachers in Nashville, Tennessee.

A grant of \$113,700 supports the sequential institute which consists of 80 participants. It is designed to provide teachers of science and mathematics at the junior high or senior high school levels with three summers of intensive study in one of these areas.

Geiger, who lives at 29506 Cambridge in Garden City, is participating in the unitary institute offered there.

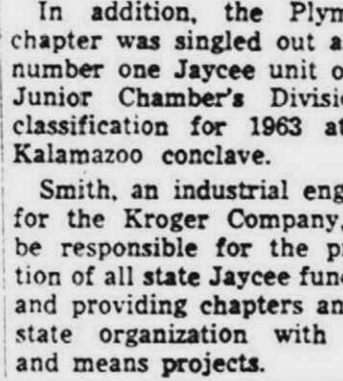

Wendell Smith Honored By State Jaycees

Wendell Smith, 30, immediate past president of the Plymouth Junior Chamber of Commerce, has been appointed to serve as state chairman of the ways and means and public relations committees of the Michigan Jaycees.

Smith, 14302 Shadywood Dr., Plymouth, was selected as one of the five outstanding chapter presidents of the Junior Chamber of Commerce for 1963-64 at the Jaycees' state convention in Kalamazoo in May.

In addition, the Plymouth chapter was singled out as the number one Jaycee unit of the Junior Chamber's Division 3 classification for 1963 at the Kalamazoo conclave.

Smith, an industrial engineer for the Kroger Company, will be responsible for the promotion of all state Jaycee functions and providing chapters and the state organization with ways and means projects.

Livonia Chess Team Defeats Dearborn, 6-5

In the first annual informal chess match, Livonia defeated Dearborn by a score of 6-5.

Winning full points for Livonia were Phil Rathsum, Ted Diamond, Cy Johnson, Art Langowski, and Bob Wiscol. Gathering half points were Joe Blech and Frank Sredensek.

Other members of the Livonia team were: Richard Ott, Bill Gillette, Larry Greene, and Louis Raehsa.

The Livonia Chess Club, sponsored by the Department of Parks and Recreation, meets weekly at the Carl Sandburg Library from 8 to 12 p.m. on Thursdays.

Church Urges Law, Not Panic In Dealing With Civil Rights Cases

In the weeks to come it is said we will witness the most bitter, violent campaign for the office of President of the United States that has ever been staged. The basic reason for this is because one of the issues involved will be Civil Rights and the desire, of some, to upgrade the colored race — and the equal efforts of another group to keep them submerged. Those interested in having the colored race as second class citizens couldn't care less about a violent outbreak — in fact they think it will better emphasize their point. The average citizen, not wanting the image of slavery on his conscience, is glad there are now laws to carry out the country's basic foundation principles. He prays to God the impatient among the negro people will allow the law to carry on his fight from this point. The following article emphasizes the point and was printed in The Michigan Catholic — July 16 issue.

THE COURTROOM PATH
Try suggesting moderation and, good grief, all chaos breaks loose. Charges are leveled of white supremacy, Birchism, Goldwaterism and stay-at-homeism. Mostly by other shut-ins in suburbia.

And yet this is the course of action advocated by the NAACP's Roy Wilkins. The NAACP was a pioneer group in conducting an admirable campaign through the courts for racial justice. For a short time they jumped aboard the extremist bandwagon, but now have returned to the legalistic approach.

Wilkins knows the temper of the South. He also knows that now the law is unmistakably on our side. Voting, use of public facilities and schools are open to a rainbow of American colors by Federal law.

He feels that a path through courtrooms is the sanest way toward equality. We agree. If any civil right is denied any American citizen, that right will be granted in the emotionally safe atmosphere of a courtroom not in a dangerous Southern swamp.

Since police power is largely post factum, there is no adequate protection for civil rights workers in the South. Even honest Southern police forces seldom can move until a crime has been committed.

As long as the present provocative policy continues in the South death will follow. We feel the effort is unwise if a more peaceful, yet effective, road is open.

There are those who feel that 150,000 dead Japanese civilians were a small price to pay for a speedy end to World War II. We think it an extravagant sum since the tragedy might have been avoided altogether.

There are those who feel death and violence inevitable for freedom in the South. We think more lasting results can be achieved through a bloodless enforcement of law.

Christianity does not preclude violence nor shrink from martyrdom, but these are a last resort when all else fails. Christianity endlessly seeks peace and the good order that is fundamental to a lasting brotherly love.

Boy Scouts Join to Burn Campfires

Livonia, Redford Township and Plymouth area Boy Scouts joined Scouts throughout the nation last Saturday, July 18, to burn "American Heritage" campfires in a nationwide observance to kick off the Scouts' Jamboree in Valley Forge, Pennsylvania.

Outstanding American Heritage campfire programs were held in several districts of the Detroit Area Council. They coincided with unit campfires at the National Jamboree, Valley Forge, and at the local council camps — the D-Bar-A Scout Ranch near Metamora, and the Charles Howell Scout Reservation at Brighton.

An elaborate flag ceremony was conducted at 8:55 a.m. on the 18th in front of Independence Hall at Greenfield Village by Scouts of Troop 194, St. Cecilia R. C. Church, Troop 1104 of the First Methodist Church of Dearborn and representatives of several Ambassador Bridge Scout units, all under direction of Major William C. Greany, Scoutmaster of Troop 194. He was assisted by Alvin Conrad, Scoutmaster of Troop 1104.

The ceremony included an announcement by the Village Town Crier, flourish by Scout buglers of Troop 194, a short history of each of the flags on

the Flag Mall, the Pledge of Allegiance, and the Scout Oath and Law.

An American Heritage Showcase presented by Northridge District Scouts at 8:00 p.m. in Clawson Municipal Stadium, Custer at Elmwood, included a pageant by Scouts, patriotic music by the Royal Oak Summer Recreation Band, Invocation by

Rev. Father Palmer of the Shrine of the Little Flower, and Benediction by Rev. Stanley Bailey, pastor of Madison Heights Methodist Church.

Congressman Lucien Nedzi addressed parents and Scouts of the State Fair District at 7:30 p.m. in Keworth Stadium, Hamtramck. Secretary of State James M.

Hare addressed other Scouts and parents at an American Heritage campfire at Farwell Field, Outer Drive and Ryan Road, also at 7:30 p.m.

Sauk Trail Scouts and parents attended a rally and Heritage campfire in the rear of the Dearborn Heights City Hall at 8:00 P.M.; Norman Halmich Park, on 13 Mile Road, was the scene of the Michigan District campfire at 7:00 P.M.

Historic Fort Wayne was the locale for a two-day camporee and Heritage program which began Friday, July 17 at 4:00 p.m. Scouts held a local History campfire at 8:30 P.M. on the 17th and joined with all other Scouts in holding a gigantic American Heritage campfire at 8:30 p.m. on the 18th. Their program also included field events and a tour of the fort.

IN THE COURTYARD of Eton College near London are members of the Mercy College of Detroit European Seminar. Left to right are Sharon Nastoff, 32611 Lyndon, Livonia; Dr. James R. Lyndon, assistant principal of Central High School, Dr. Claire C. Irwin, vice-president of Mercy and chairman of the division of arts and sciences, Christyann Zimmer, Detroit; John Roberts (tour guide) and Charlotte Potter, Detroit. The group covered eight European countries, and returned to Detroit July 20.

Plymouth Candidate Opens Headquarters

W. Wallace Green, Plymouth attorney, and Republican candidate for State Representative from the 36th District, has opened campaign headquarters at 147 S. Main in Plymouth.

Jerry French, of Ford Motor Co., will serve Green as campaign manager and Judy Phillips, from the National Bank of Detroit, has been named finance director.

CIVIL AIR PATROL cadets Dick Neibert, 29060 Manchester, and Denise Micallef, 11335 W. Crompton Circle, staffed the exhibit at the Show Train last week.

ON DUTY FOR the Livonia Red Cross Show Train exposition were Mrs. Olsen Hensley and Mrs. Laura Rolan last week.

Michigan's Loveliest Vie For State Fair Crown

More than 50 of Michigan's loveliest will participate this year in the annual Michigan State Fair Beauty Queen Contest. Since the winner will be a "queen of queens," organizations sponsoring beauty contests in the state area reminded that the entry deadline is Friday, Aug. 21.

A contestant must have won a sponsored beauty queen contest in Michigan between Sept. 3, 1963, and Aug. 21, 1964, to be eligible for the State Fair event. All contestants must be unmarried and between the ages of 16 and 25. The contest will be held in the Music Shell on the Fairgrounds at 8 p.m. Monday, Aug.

31, and 8 p.m. Tuesday, Sept. 1. In addition, all entrants are invited to participate in the Grand Opening Parade of the State Fair in Downtown Detroit, starting at 8 p.m. Friday, Aug. 28. The fair runs through Monday, Sept. 7.

Rules and entry blanks may be obtained by writing Cleighton P. Melin, at Beauty Queen Contest Headquarters, Michigan State Fair, Detroit 3, Mich.

William C. Jones, USN, son of Mr. and Mrs. Clayton L. Jones, 30810 Greenland Rd., Livonia, participated in an operation called "Exercise Bird Dog" off the coast of California while aboard the attack aircraft carrier USS Ranger.

The operation, held July 10-17 under simulated battle conditions, is designed to test the Pacific Fleet's combat readiness in strike, anti-aircraft and anti-submarine missions. Both "friendly" and "opposing" forces will have carrier striking forces as well as support forces. Operations of this type are conducted periodically to increase the combat readiness of Pacific Fleet units.

Bentley High Graduate Wins \$6,000 Scholarship

Charles Riley, son of Mr. and Mrs. Charles Riley, 14932 Houghton, Livonia, who was graduated from Bentley High in June, has won a four-year scholarship of \$1,500 per year.

That was the welcome news received by his parents Monday from the Victor Foundation Scholarship committee. The competition is limited to sons and daughters of Victor Comptometer Corp. employees with three scholarships awarded throughout the United States.

Charles participated in the competitive examination and ranked with the top three in the land. He plans on attending the University of Michigan this fall where he will be entered in a pre-medical course. He hopes to become a medical missionary after receiving his M. D. degree.

In announcing the award, President A. C. Muehler, Jr.

wrote. "This scholarship will be made available to you each year for the maximum of four years provided your grades are maintained at a satisfactory level."

A check for \$1,500 to cover the first year of the scholarship was enclosed with the letter.

Charles' father is the area manager for Victor Comptometer Corp. His mother is a teacher in Cleveland School in the Livonia School system.

Playfields Compete For Trophy

Each year Livonia's playgrounds compete for the Mayor's Trophy. Points are tabulated for each center from results in the various city tournaments such as checkers, foul shooting, horseshoes, Jr. Olympics, Table tennis, Volleyball, Softball, Tee Ball, and the Pass Kick and Punt Contest.

Leaders up to this point include the following: Jefferson, 22 points; Lincoln, 18; Wilson, 16; Rosedale, 14; Coolidge, 10; and Webster and McKinley tied with eight points.

The Gay Midway will be bigger and more fun than ever at this year's Michigan State Fair, Aug. 28 through Sept. 7.

HARTSIG TO GUIDE CAGERS AT FRANKLIN:

Bentley, McDonald New Grid Coaches

It's goodbye basketball for Bob Bentley, one of the most able cage mentors the state of Michigan has known for many years.

Thurston schools. To complete the new coaching moves, Franklin high has announced that John Hartsig will come over from Riley Junior High to serve as head basketball and baseball coach.

... and I certainly have enjoyed coaching the sport. "But, a change is good for one ... and I think I'll enjoy this opportunity to direct football."

start of the school 10 years ago until the close of grid operations last fall. McDonald played his collegiate football for two years at Tennessee Tech and one at Morris College in Iowa. His coach at Morris was George Allen, now the defensive coach of the world champion Chicago Bears.

"ALL YOURS" is the comment of Bob Bentley (right), new athletic director and football coach at Franklin High, as he hands a basketball to John Hartsig, formerly of Riley Junior High. Hartsig will become the new head basketball coach at Franklin in the fall, succeeding Bentley.

That's because Clark, who during the school year pitched and slugged the ball for Redford Union, plays for South Redford in the Livonia area Detroit Free Press League. After stopping South Redford on one day, Clark joined his victims on another and proceeded to turn in a 16-4 verdict at the expense of Dearborn Heights. Clark has to rate among the top professional prospects in the state of Michigan these days.

Robby Masson, Curt DeLoye, Kendrick and Turnipseed singled in order. Against Dearborn Heights, Clark worked a shutout and scattered two hits until the sixth before the 92-degree heat got the best of him. Dearborn managed to push over four runs before Arnold Helwig came in to put out the fire.

OBSERVER SPORTS By George Maskin

Salutes to Bob Bentley... William McDonald... Johnny Hartsig. Bentley has given up basketball to coach football at Franklin, while both McDonald and Hartsig are leaving behind junior high posts to take over, respectively, as grid and basketball mentors at Thurston and Franklin.

There'll be no shortage of tournament baseball hereabouts in the next few weeks. Sectional Little League action starts this Thursday at Claude Allison Field in Redford Township. The finals are booked for Saturday afternoon.

Three no-hitters on successive days! This is what happened last week in Redford Township's Colt Baseball League. Lefty Mike McCrumm started the parade of dream efforts when he hurled the Raiders to a 1-0 verdict over the Rovers.

It'll be like old times this weekend at Tiger Stadium. Nope, we don't have any seats for the Tiger-Yankees doubleheaders either on Friday or Sunday.

Where has the summer gone? The Lions are at work and before we know it both the Red Wings and Pistons will commence their operations.

NATION'S TOP SCORERS: Belting Livonia Ties for 1st Spot

The nation's highest scoring senior baseball team! That's the honor which belongs to Livonia's Class A aggregation which swept two games over the weekend to gain a share of first place in the area's top sandlot circuit.

Then Sunday evening, Livonia blanked South Lyon, 9-0 to tie South Lyon for first place. Each team has won seven and lost one. Equally as interesting as far as the Livonians are concerned, they now have scored 137 runs this season in eight games. That figures out to an average of just over 17 tallies per contest.

Little Leaguers to Start Tourney Play Thursday

It's tournament time for Redford Township's Little Leaguers. Beginning on Thursday at Claude Allison Field, the lid springs open on the road which could lead to district, state, regional and ultimately the world's Little League championship to be decided at Williamsport, Pa.

3 No-Hitters In Colt Loop

Three no-hitters on successive days! This is what happened last week in Redford Township's Colt Baseball League.

This, incidentally, marked the second time this year that McCrumm and Pilar had hurled back-to-back no-hitters. They turned in the feat first as members of the reserve team.

Northville Nears End of Best Meet

Moving into the next to last weekend of its record-making 48-night meeting, Northville Downs will match its top pacers in a pair of \$2,500 Open Handicap events on Friday and Saturday.

Redford was to start action on Tuesday against Chippewa Valley. The meet is being conducted on a two-defeat and out basis.

Livonia's Youth Employment Services Place 5,785 Youngsters

Livonia's Youth Employment Service — which continues to find jobs for local teenagers at the rate of 25 to 30 every day — is pacing the nation in this type of community endeavor.

That's the report from Mrs. Miriam King, director of the City's Commission on Youth, who has just returned from two conferences on youth problems which drew delegates from across the United States.

At the conference of the Na-

tional Council of Public Youth Agencies in Boston, Mrs. King reported. "The pioneering effort of Livonia's approach to the problem of youth employment was highlighted as an example of the need for a local community to undertake a program to assist the employment-bound youth.

"The Service, a non-profit, free employment bureau serving youth only, is placing an average of 25 to 30 young people per day in work situations ranging from a part-

time temporary position to full-time permanent positions. Job offers come into the Service faster than they can be filled."

Reporting on the Y.E.S. success thus far, Mrs. King said, "Within 13 months, on a budget of \$5,000, over 5,785 job situations have been filled. Since this program began, seven other projects, patterned after our structure, have been undertaken throughout Michigan."

Ann Carey, State Superintendent of Private Employment

Agencies, reported to Governor Romney that the program is "possibly the greatest contribution to the prevention of juvenile delinquency ever developed by a community," and Congresswoman Martha Griffiths termed the program an "example to the nation."

Mrs. King reported that increasing national attention is being focused on the youth employment problem, as evidenced by the attendance at the recent conferences to which she was a delegate.

Said Mrs. King:

"I have been privileged to attend a number of conferences within recent months dealing with the problems and program related to youth and employment. The sincere concern of educators, businessmen, union and labor, management, local, state and federal government representatives is most impressive. The sincere dedication of these groups to resolving this dilemma has resulted in the initiation and enactment of legislation at all government levels. Community concern and awareness of the seriousness of the

problems of youth and employment is apparent by the measure of newspaper and magazine space devoted to the subject.

"The absence of job opportunities for all youth and for minority youth, in particular; the absence of qualified youth for available jobs; the lack of information about existing opportunities for youth, to the high school guidance counselors and to the parents is creating serious problems. We must establish well defined channels of communication between the 'employer market' and all insti-

tutions serving youth to relate the education-training with the job. We are facing the problem of the unskilled, unemployable; the youth who has no motivation, feels no incentive and has no idea of where he can fit in today's world of work. The discouragement and frustration of competition for even a part-time job and the absence of understanding and sympathy on the part of parents is contributing to the complexity of the situation.

"The disagreement between political groups as to the desir-

ability of federal programs and grants; the difficulty in obtaining the much sought after apprenticeship and delusion of white collar or professional status only has compounded the dilemma.

"The culture of the slum and the attitudes, have deprived thousands and thousands of young people from a normal exposure to the schooling, personal experiences and training which would orient them to develop a point of relationship between themselves and the world of work.

Livonia Housewives' Pennies Add Up to \$480,000 in Monthly Tax Revenue

The four pennies which a Livonia housewife plunks down every time she buys a dollar's worth of food adds up to a mighty sum in sales tax revenues from this city every month.

State Revenue Department collectors took a whopping \$118,000 collection from taxes paid on food in Livonia in May, latest month for which figures are available. Even then, the amount was only

one-quarter of the total sales taxes collected in the month. Livonians paid a grand total of \$484,803.55 in sales taxes during the 30-day period, and another \$30,718.73 in use taxes. On a bigger level, the four

per cent return means that Livonia merchants and businessmen sold \$12,500,000 worth of goods or services during the month of April. Multiplied by 12, that means close to a billion and a half dollars worth of business a year.

A close second to the taxes paid on food was the automobile sales tax, which totaled a healthy \$96,517. General merchandise sales accounted for \$81,785 in taxes, and non-retail taxes totaled \$61,827. Building material sales taxes were \$39,421, apparel totaled \$32,655, miscellaneous retail payments were \$32,976, and furniture sales taxes were \$21,103.

Campaigner Splits with Meader Over Vote on Civil Rights Bill

Michigan Senate Majority Leader Stanley G. Thayer (R-Ann Arbor) today welcomed the active support of Mrs. Stuart M. Gould, Jr. of Ann Arbor in his bid to win the Republican nomination for U.S. Congressman from the Second District, which includes Plymouth and Plymouth Township.

Mrs. Gould resigned from the Republican Congressional Committee of Senator Thayer's opponent Representative Meader with a public criticism of Meader for opposing the Civil Rights Bill. In making public her letter of resignation, Mrs. Gould said she felt it necessary because of her position on the Ann Arbor Human Relations Commission to inform the community of her action.

The letter read in part: "Your negative vote on the civil rights bill was very distressing to me, as it was, I am sure, to many other Republicans who are dedicated to the concept of an equal opportunity society.

"Your reasoning seemed to run contrary not only to the principles of the Republican Party and the voiced opinion of the Republican leadership in Washington, but also it was a refutation of the law of the state of Michigan whose public accommodations act is more comprehensive in coverage than the federal bill and has been functioning well since 1885.

"You will understand that I cannot in conscience align myself with those right-wing extremists who are supporting your candidacy. . . I shall cast my support to Stanley Thayer, who seems to me to represent more closely the mainstream of Republican and American thought in these times."

WHEN LUANNE BELFY, of 10007 Arcola, Livonia (left), and Paula Balhorn, Jackson, visited the World's Fair recently, they were among the first to use one of the new, outdoor, all-weather postage machines at the New York World's Fair. These are the first outdoor stamp machines in the United States which make stamps available at face value. (Most private stamp vending machines sell stamps at from 25 to 33 1/2 percent above government prices.) Presently, the United States Post Office is testing the public reaction to eight stamp machines, which are in operation outside the U.S. Post Office on the Fair grounds.

Four Drivers Have Licences Lifted

Several local drivers had their licenses suspended or revoked for motoring infractions, the Secretary of State's office reported this week. In Livonia, Robert Allen Scherf, 9057 Cardwell, was given a 30-day suspension for what state officials termed an "undesirable driving record." In Redford Township, two drivers were pegged with suspensions for the same reason, and a third had his license suspended for driving under influence of liquor. Richard Lee Herbert, 15489 Chelsea, was given a one-month suspension, and Gerald Frederick Johnson, 19925 Negaunee was given a two-month suspension, both for bad driving records. Moses Roland Bellaire, 14193 Arnold, was cited on the drunk driving charge.

Spotlight On Horses At Fair

The horse shows — among the most popular events at the Michigan State Fair — will be expanded this year. Fifteen shows are scheduled in the Coliseum, with the first on the opening evening of the Fair, Friday, Aug. 28, and the last the final afternoon, Monday, Sept. 7. Last year 12 were held. The horse shows will be free to all State Fair goers — a rare opportunity to see superbly trained horses going through their paces. There'll be parade horses, pleasure horses, working horses, harness horses, quarter horses, saddle horses and ponies. Included will be Arabians, and Morgans, colorful Appaloosas and the giant Clydesdales, Belgians and Percherons. Shetlands and Tennessee Walkers will be on hand, as will Palominos and Ponies of the Americas. The shows will be held each evening of the fair except the final evening, with matinees on Saturday and Sunday, Aug. 29-30; Saturday and Sunday, Sept. 5-6; and Monday, Sept. 7. Adam Ostrowski of Hamtramck is liaison Authority member for the horse shows. C. A. "Bud" Leetch of Fenton is chairman of the horse show advisory committee and superintendent is Charles Roby of New Hudson.

Plymouth Clergyman On Panel

First Catholic International Retreat To Be Held in Detroit

Father John J. Castelot, S.S., Plymouth will share a panel on the "New Look in Theology and Sacred Scriptures." One of the events scheduled in the five-day First International Retreat Congress here July 29 to Aug. 2.

and to provide the means for better understanding of its objectives. It will also afford an opportunity for the exchange of ideas and promotion techniques among the three nation-wide organizations.

Detroit and surrounding suburbs and Windsor will be the host for this first such retreat.

"Interest in Retreats has grown fantastically," said Mrs. James J. Byrnes, convention chairman for the Laywomen's division. "The anxieties of the modern world, nuclear war threats, racial unrest and the pressures of everyday living for men, women and students—people of all ages in every walk of life—make the thought of a Retreat, a periodic withdrawal to a monastery or convent for a few days a welcome oasis for jangled nerves and tired bodies."

More than 2,000 delegates, lay and clerical, will attend the conference sponsored jointly by the National Catholic Laymen's Retreat Conference, the National Laywomen's Retreat Congress and the Canadian Retreat Congress.

"At our Detroit Convention," said John J. Raymond, chair-

man and regional vice president of the NCLRC, "we expect to register delegates from as far west as Saskatchewan and as far east as London, England, so we should have a miniature Ecumenical Council right here in the Motor City. So far 11 bishops and 200 priests, brothers, sisters have signified their intention of participation in the convention."

Highlights of the five-day meet will be Mass celebrated outdoors at Assumption Park, University of Windsor, Saturday, Aug. 1, at 3:30 p.m., and the banquet at Cobo Hall, Saturday, at 7 p.m.

Archbishop John F. Dearden of Detroit will celebrate the Mass and Bishop G. Emmett Carter, London, Ont., will speak at the outdoor Mass.

The Honorable Paul Martin, Canadian Minister of External Affairs and past representative to the United Nations, will address the banquet.

During the five-day international congress, special attention will be devoted to the Alcoholic and the Retreat. Youth Retreats, Retreat techniques in planning week-end, twilight,

family, and businessmen retreats.

On Friday, delegates to the National Laywomen's Retreat Congress and the Canadian National Laymen's Retreat Conference will register.

Archbishop Dearden will celebrate Mass at 5:30 p.m. in St. Aloysius Church, Friday, to formally open the women's retreat movement. Father Robert V. Monticello, will give the sermon.

At 8:30 p.m., Friday, Bishop Wright will address a special session of the lady delegates. General sessions and workshops for the women will be held Saturday morning at the Statler-Hilton Hotel.

Speakers will include Mrs. Philip A. Hart, wife of the junior senator from Michigan; Sister Mary Emil, IHM, president of Marygrove College; Father Thomas J. Welsh, moderator of the NCLRC; Miss Genevieve Knox, national president of NCLRC; Donald Thomson, South Bend, Ind., author and lecturer and Mrs. O. E. Wolford, Jr., president of the Detroit Archdiocesan Council of Catholic Women.

Local Members Prepare For Jehovah's Witnesses District Convention Here

John J. Badalutz of the Plymouth Congregation of Jehovah's Witnesses has received an assignment to work in the cafeteria department at the forthcoming district convention of Jehovah's Witnesses to be held July 23-26 at the Michigan State Fairgrounds in Detroit. Mr. Badalutz has been associated with Jehovah's witnesses for the past 10 years and serves in the congregation as the assistant congregation servant. Mr. Badalutz says that he and his family have been looking forward to this convention since it was announced in the early part of April. "Each year we attend one of the conventions arranged by the Watchtower Bible and Tract Society of Brooklyn, New York, international headquarters for Jehovah's Witnesses," Mr. Badalutz said.

"The Detroit convention is one of 43 to be held in the United States this summer. Many will be held in other countries also," he added. "Our family always serves in some capacity at a convention because all work is done by the Witnesses themselves on a voluntary basis. We really enjoy working together with others at the convention and feel more a part of it. This gives me an opportunity also of renewing old acquaintances from previous conventions and meeting new ones that will be coming from throughout the United States and Canada. Of course, our main reason for attending," Mr. Badalutz said, "is to receive in-

struction on the application of Bible principles in our everyday lives and to improve our ability to preach the good news of God's Kingdom to others. "The theme of the conventions," Mr. Badalutz said, "is 'Fruitage of the Spirit,' based on Galatians 5:22, 23, which shows the good effect on a person's life of applying Bible principles. One of the highlights of the Detroit convention," he added, "will be the presence of Mr. Knorr, president of the Watchtower Bible and Tract Society, who will give the main lecture at 3:00 p.m. Sunday, July 26, entitled 'Peace Among Men of Good Will or Armageddon, Which?'"

Fellowship Awarded Livonian

The Ford Foundation has announced the awarding of a Doctoral Fellowship in Business Administration to Arthur X. Deegan II, 36345 Jamison Drive, Livonia. Sponsored by the University of Detroit where he received his Master's in Business Administration in 1963, Deegan will pursue his Ph.D. studies at the Graduate School of Business Administration, University of Michigan in Ann Arbor.

Fellowships of this type are awarded annually on a competitive basis from among nominees submitted by colleges and universities in fifty states. Previous scholastic achievement as well as plans for future research and study are important considerations.

A newcomer in Livonia since April of this year, Deegan is a native of Boston, Massachusetts. After getting his Bachelor's degree in Philosophy at Marist College, Framingham, Massachusetts, he first came to Michigan as an officer in the Counter Intelligence Corps dur-

ing the Korean conflict. He then took up residence in Detroit as a public relations consultant. His most recent appointment has been as Director of Patient Relations at Mount Carmel Mercy Hospital in Detroit.

After completing his studies at U of M, Deegan plans a career of teaching and research in the field of Industrial Relations.

He is married to a Detroit girl, Patricia (Turner), and has three children: Kathleen, Timothy, and Maureen.

VISITING ACTORS to Livonia Riverside Park Church of God are Don Yanik, Mary Beth Coolidge from Anderson, Indiana and Steve House from Markleville, Indiana. The public is invited July 22 to the Church to see this modern version of the story of the birth of Jesus.

A gala parade in Downtown Detroit will herald the opening of the 115th annual Michigan State Fair Friday evening Aug. 28. The fair runs through Monday, Sept. 7.

A third straight year of million-plus attendance is expected at the Michigan State Fair, which opens Friday, Aug. 28, and runs through Labor Day, Sept. 7.

Travelling Actors Depict Bible Story

Anderson College thespians will present "The People Versus Christ" in Livonia Wednesday, July 22nd, as they observe their 18th season of presenting a religious production before Church of God congregations in various parts of the nation.

According to the Rev. J. Clifford Thor, pastor of the Riverside Park Church of God, Plymouth and Newburgh Rds., which brings the Indiana collegiate group to Livonia, the program will begin at 7 p.m. A free-will offering will be accepted. Visiting five states in early

One of the first plays of its kind to be staged by its kinders players, "The People Versus Christ" is presented in a chancel bare of curtains and scenery with the players in modern dress.

The plot deals with the story of the birth of Jesus, his life and Passion . . . seen both through the eyes of those who lived in His day and people of the Twentieth Century.

St. Robert Bellarmine Commemorates 11th Anniversary With Dance

Waves "Black" Towel Before Township Board

Angry Housewife Displays Sample Of Evans' Soot

Despite a report from Sam Hudson, public relations director of the Transportation Equipment Division of Evans Products Co., that the plant has the money available for installation of fly-ash disposal equipment as soon as feasible, members of the Plymouth Township Board learned in a very realistic fashion that it isn't soon enough for Mrs. Fred Davids, 39627 Plymouth Road.

Mrs. Davids has been the leader in the fight for enforcement of the Township's Smoke Abatement ordinance and has been battling Evans Products and Burroughs for 10 years over the problem. She didn't leave anything to imagination this time. Plainly showing her indignation about the situation, Mrs. Davids produced a black soot-covered towel which she told the Trustees she had wiped across her window sill just

before coming to the meeting. "Is this what we have to put up with?" she asked the Trustees. "Is this what you want housewives in the vicinity of Evans and Burroughs plants to contend with day after day?" "I put clean bed clothes on the beds in my home only yesterday afternoon and woke up this morning with them all covered with a thin film of fly ash. I ask you when are you going to take positive action?"

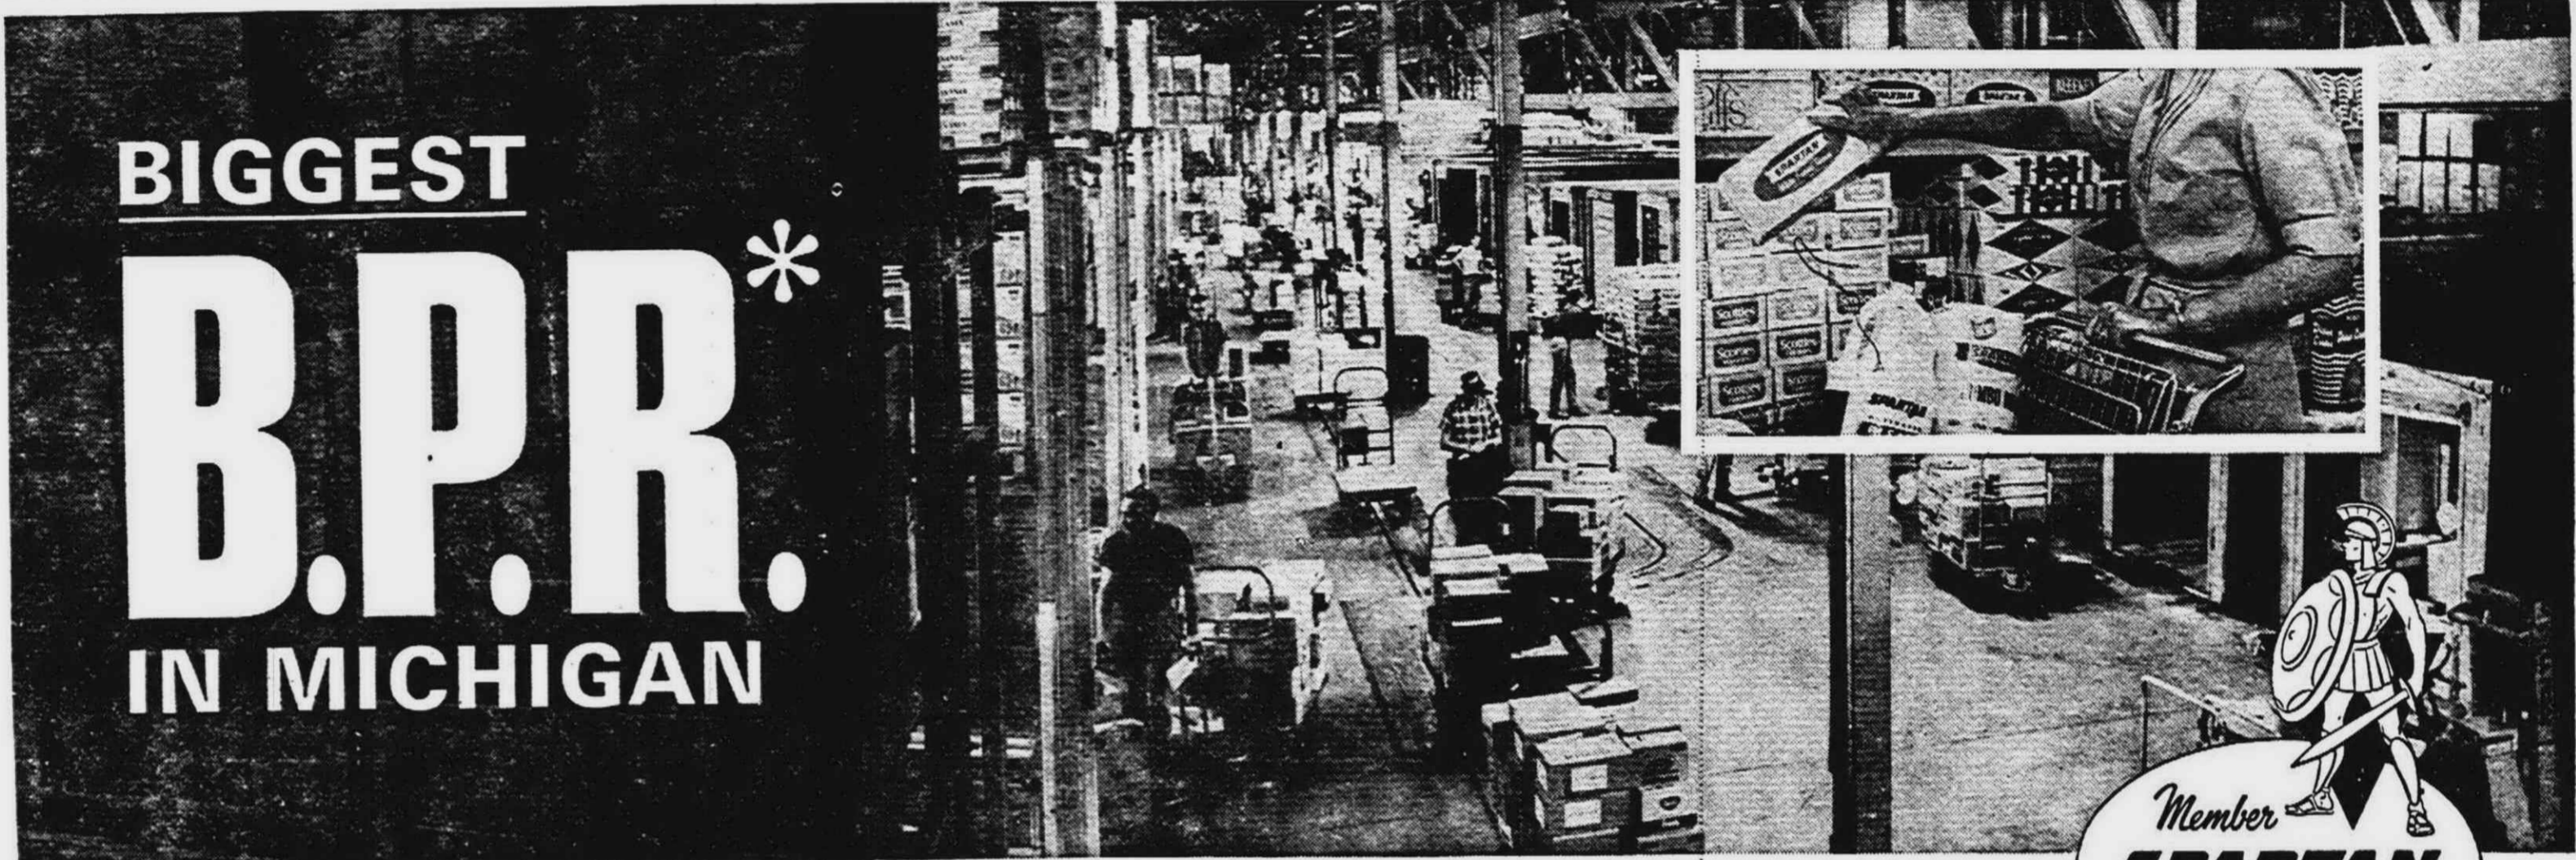

Mrs. Davids charged that Evans and Burroughs have made promises before and didn't keep them. She asked the Trustees if the story was always going to be the same—unkept promises and soot-filled homes in the area. She was almost in tears when she finally sat down after dramatically producing the smudged towel and angrily demanding that the Board take action that will force the two

plants to eliminate the nuisance. Hudson, who had visited the Davids' home a few mornings earlier to inspect the soot damage, told the Board and Mrs. Davids that Evans was trying to move as rapidly as possible. "However," he said, "We can't possibly do anything until our inventory period. At this time Evans is confronted with the heaviest production schedule in years and to make

this installation would force us to curtail production—we don't feel that we can do this in lieu of the heavy program." Hudson indicated Evans has received a study from Consumer's Power on costs of gas installation and also is reviewing cost estimates from several firms for conversion to gas. "All of this takes time and study," he said. "We can't jump into this thing without knowing

exactly what we face in costs. We hope this Board and Mrs. Davids will appreciate our position and our feelings." Supervisor Roy Lindsay spoke for the Board and said he would "have to agree with Mrs. Davids that there has been promises but no action." "We had a letter a year ago from Evans," he recalled, "indicating that officials were considering a change to gas but later learned it had been

dropped because of excessive costs." Lindsay promised the Board would investigate the matter further to see what can be done quickly. "At least," he said, "this Board will try to get the situation better for our homeowners. We'll turn the latest complaint and promises over to our legal counsel to see if they can expedite the problem."

Mr. Retailer:

You Probably Missed A Sale Today!

A buying decision was made . . . but a competitor got the business. Perhaps it wasn't your fault. Many factors influence buying decisions. And you can't do ALL the business.

BUT . . .

Some retailers seem to forget that buying decisions are made when the NEED arises.

This week, without a doubt, somebody has concluded he will buy a new car . . . do over the kitchen . . . buy a new living room suite . . . a new TV set . . . a new suit of clothes or dress.

Others are thinking seriously about definite purchases. . . They're interested in what's available locally . . . Want to learn all they can about the things they're interested in.

They read the OBSERVER weekly . . . and what they see there will influence their decisions as to what to buy, and WHERE TO BUY!

WILL THEY SEE YOUR ADVERTISING?

Some 300 days a year you open your doors and wait for customers to come in.

How many times a year do you advertise to attract people you're hopefully waiting for?

The easy (and inexpensive) way to reach these people is through the pages of the OBSERVER. It is delivered to over 37,000 homes each week in your primary market.

Our files are filled with success stories of other local retailers . . . why not plan now for more profits in 1964. Our experienced advertising staff is eager to HELP YOU!

WE'RE IN THE VOLSWAGEN BUSINESS—That is, the business of ECONOMIC TRANSPORTATION. We get all kinds of cars as trade-ins. Fords, Chevies, Cadillacs as well as VWs. As they come in, each car is put through a rigid performance test. The ones that pass get the works. They're reconditioned, tuned up, tightened up, washed and polished (inside and out). The ones that fail never show up on our lot. Compare the prices of our domestic used cars. We can't afford to sell you anything but the best at the best price. After all, you'll be driving our reputation around with you.

Workshop Study Reveals Community Resources

Suburban businessmen and residents had an opportunity to share with educators the results of a four-week community resources workshop at an Open House in Franklin High School on Thursday evening, July 16. The exhibits, tape recordings, and color film showings, reflected the intensive research and exploration done by 37 teachers representing 30 schools

in nine school districts in the western metropolitan area. According to Mrs. Dona J. Horton, a fifth grade teacher in Jackson Elementary School, the businessmen and civic leaders who helped the workshop group, "had an opportunity to view displays, discuss cooperative projects, and to meet educators and Chamber of Commerce leaders from surrounding communities."

One of the highlights of the evening was the continuous performance of a film strip and tape recordings depicting the opportunities which exist for enjoying and appreciating fine arts in the metropolitan area. The producers of this audio-visual documentary were Mrs. Ruth Gay, a first grade teacher in the Monroe School, Livonia, and Carol Sullivan of the Mac-

Gowan Elementary School in Redford Union. Dr. Paul E. Johnson, assistant superintendent in charge of instruction said that the film was "worthy of being used in elementary school classrooms throughout the Detroit metropolitan area."

"Through cooperative enterprise in workshops of this sort a group of teachers can often create audio-visual materials which, by reflecting the environment in which children live and learn, can often be more meaningful than the most expensive and elaborate commercially produced film," Johnson pointed out.

Another exhibit which caught the interest of the visitors was a collection of vintage photographs of Plymouth and other suburban communi-

JOINING IN the hands-across-the-border International Freedom Festival luncheon were Livonia Community Resources Workshop participants (L. to R.) Don Clark, Lorraine McAllister, John Crosson, and Dona Horton.

Mothers! Warning On New Water Hazard

Mothers — the Michigan Conservation Department urges you give your children extra caution (teen-age, tweens as well as younger folk) in swimming, boating and water skiing. The low inland lake levels pose new, subtle dangers in many parts of the state. With lake levels down, the water's edge has moved closer to drop-offs, meaning that the "safe" zone for children has also shrunk.

The "spot" you have been going to for years may not have the same landmarks of safe boundary you have always used with your children and yourself. Authorities warn children cannot go out as far from shorelines as they did last year before getting into deeper waters.

Boaters are urged to double check for new shallow areas and objects which lie closer to the surface than they did a year ago. Don't zip out until you have checked.

This is particularly true in diving off docks and rafts. The hazard is greatly increased this summer and swimmers should take a good look at water depths before they leap. Already there have been reported several accidents — even crippling and deaths—from diving off docks where water is too shallow.

This new caution is especially important in the southern half of Michigan where some lakes are down a foot from their average levels.

GREETING FORMER Governor G. Mennen Williams, now Assistant Secretary of State for African Affairs, at Cleary Auditorium on Dominion Day were suburban teachers Dona Horton, Corlan Bovee, Lorraine McAllister, Don Clark, and John Crosson.

Livonia Doctor Is Delegate

Dr. Frank J. McDevitt of Livonia, is an alternate delegate in the House of Delegates of the American Osteopathic Association at its annual business meeting, July 19-22, at the Drake Hotel in Chicago.

The 138-member House of Delegates is the policy-making body of the osteopathic profession. While in session the House is studying group medical insurance plans and proposals to expand osteopathic educational and hospital facilities. It will also elect 1964-65 association officers.

The fourth annual conference on health care plans will be held in conjunction with sessions of the House.

Reed Heads SC Night Program

L. Dell Reed, former dean of Chanute, Kans. Junior College as well as principal of the high school there, has been appointed Director of the Evening Division of Schoolcraft College.

His appointment was announced Monday by President Dr. Eric Bradner.

Reed studied in the Graduate School of Michigan State University during the past year under a W. K. Kellogg Foundation fellowship award. He plans to complete his doctorate in Community College Administration.

Reed was a statistician with the Beech Aircraft Corporation for a short period. He has been active in Rotary Club, Chamber of Commerce and Red Cross activities.

He plans to move into the college district with his wife and three sons well in advance of the start of the first year of studies at the college on August 31.

Ford Motor Company, in its 1928 models, was the first automobile manufacturer to use laminated safety glass.
