Rotarians Feed More than 11,000

Fall Festival Cracks All Records

Blessed with perfect weather during the entire four days, the eighth annual Plymouth Fall Festival attracted more than 45,000 to the community in the biggest celebration to date.

It was a success, financially and crowdwise, from the moment the Lion's Club sold the first dish of ice cream and melon Thursday afternoon until the time

the Rotarians handed out the last half-chicken and ear of corn shortly after six p.m. Sunday night.

In order, the Lions reported more than 1,300 participated in their old fashioned ice cream social on Thursday; the Jaycees sold more than 1,500 fish dinners on Friday; the Kiwanians had an all-time high of 2,020 for the pancake festival Saturday; and

the Rotarians—who started the Festival eight years ago—had a record turnout of more than 11,000 for the chicken barbeque.

A year ago the Lions had less than a 1,000; the Jaycees handled 1,200; the Kiwanians had 1,200; and the Rotarians sold 9,700 dinners. Thus every single one of the clubs bettered last year's marks and the

Kiwanis and Rotary Clubs had the biggest turn out in history.

That was the story all the way—the crowds started to gather on Thursday and kept coming for the remaining three days.

Saturday's Pageant of the Drums, sponsored by Mayflower Post 6695 of the Veterans of Foreign Wars, attracted more than 1,500 to the Plymouth High Athletic Field even though it was a bit cold for this time of the year.

Saturday morning's pet show in the central parking lot drew an all-time high of 250 entries as (Continued on Page 2)

Plymouth Lands Fourth New Plant in 4 Months; Parker-Hannifin Purchases Industrial Park Site

Plymouth's fourth new plant in less than five months was assured Monday night when the City Commission approved sale of 3.08 acres in the Industrial

Park on Plymouth Road to the Parker-Hannifin Corp. of Cleveland.

The deal was consummated for a price of \$6,500 per acre

and Parker-Hannifin secured the land adjacent to the RCA Corporation plant, fronting on Plymouth Road.

Thus P-H joins Thermax,

E & E Manufacturing, and Standard Inc. as newcomers to the City of Plymouth's industrial colony. Thermax and E & E have completed their

buildings and Standard Inc. signed a contract last week to complete the deal for its land.

Final arrangements for the

latest sale were made in a meeting of members of the Commission with Ray Powers, Michigan regional sales manager for H-F, in a dinner at the Round Table Club.

Then the Commission went into a special session in the Council Chambers and officially approved the sale. Final details will be ironed out later in the week in a meeting between Powers, City Manager Albert Glassford and City Attorney Edward Dragulis.

Powers indicated the company will start construction of a 2,000-square-foot office and 10,000-square-foot plant within two weeks with a target date of January 1.

"We plan to be in operation by Jan. 1 with a payroll of 15 employees that will be boosted to more than 20 within a relatively short time," said Powers who plans on moving the sales office from Detroit to Plymouth as soon as the building is completed.

The new Plymouth plant will be part of the Hannifin cylinder division, which manufactures hydraulic and pneumatic power cylinders widely used on mobile equipment and in industrial work-handling and transfer systems.

These cylinders provide the "muscle" for moving heavy loads and for positioning and clamping materials. Parker-Hannifin, which has its corporate offices in Cleveland, has plants in 18 cities in eight states, in Canada and overseas.

The corporation has a plant in Otsego and the new Plymouth facility will give it two in Michigan.

Powers indicated the Plymouth building will be patterned after one recently completed in Sebring, O.

P-H has plants in Los Angeles, Cleveland, Huntsville, Ala.; Lexington and Berea, Ky.; Lyons, N. Y.; St. Mary's, Eaton and Sebring in Ohio; Culver City, Calif. and Des Plaines, Ill.

Plymouth Ski Club To Meet

The Plymouth Ski Club will hold its first meeting of the 1964-65 season on Wednesday, Sept. 16, at 8 p.m. in the lobby of the Plymouth Community Federal Credit Union, 500 S. Harvey Street.

All interested persons, whether beginners or intermediate skiers, are encouraged to join in the activities of this newly-formed group by attending the meeting. Consideration will be given to the activities desired to be undertaken during the coming season.

The previous year's calendar included several excursions en masse to local slopes plus a weekend outing in the Caberfae Recreational area.

Break In Main Shuts Off Water In Plymouth

Residents of the City of Plymouth last week learned what it means to be without water—a majority in the north and east sections were minus water for periods ranging from six to nine hours Thursday when a 16-inch water main broke on Goldsmith Street near Lena.

It was a busy two days and nights for workers in the Department of Public Parks who toiled until 3:30 a.m. Thursday working on an old valve at the Mill Street pumping station.

Then, just when the air was starting to clear, D.P.W. Supt. Joseph Bida received word of the break in the 16-inch main on Goldsmith—the one that supplies most of the

water to north and east side customers.

Investigation showed the water main T had broken loose at the leaded joints. This T was in a concrete vault and before it could be repaired, the main had to be shut off and water from the Six Mile Road well field had to be rerouted through Beck Road and over the 10-inch line along Northville Road.

Prior to that, Bida sent a sound truck throughout the city urging homeowners to fill containers with water and warning all of the emergency. However, the warning wasn't heeded in too many quarters since most didn't pay attention, thinking the announcement was about the Fall Festival.

Then Bida and his workers discovered to their dismay that the 10-inch line couldn't handle the pressure and suffered a break at 2:30 p.m. that cut off all water to the two areas.

Bida called the Plymouth Township Water Department and workers there opened the Sheldon Road gate to furnish water to the south end of the city. Township Engineer Herald Hamill reported the Township furnished more than 500,000 gallons in a nine-hour period.

Later in the evening, the City of Plymouth Fire Department pumped water from the Township system into the City mains at the Park Entrance Estates subdivision No. 3.

DPW workers repaired the 16-inch main shortly after midnight and by 1:30 p.m. the water tower on Church Street was starting to fill.

The broken water main was shut off at Beck Road and water was fed from the Six Mile Road well field through the Northville Road line to serve customers in that section.

Early Friday morning the main was dug up and repaired, showing a long split in the 16-inch line.

Most residents in the City had water shortly after midnight but some reported a shortage as late as 9 o'clock Friday morning.

Bida Saturday issued a letter of thanks to all for their patience during such trying times. He also thanked the Plymouth Township officials and Water Department there for their splendid cooperation.

BLOND, CURLYHAired ice cream loving Billy Nelson, 1073 Penniman, Plymouth, didn't have time for anything but cake and his favorite dessert at the old fashioned ice cream and melon so-

cial that opened Plymouth's Fall Festival. Billy accompanied his parents to the affair sponsored by the Lions Club in Kellogg Park.

FISH FOR ALL was the motto of the Plymouth Jaycees in their traditional fish fry Friday to highlight the second day of the four-day Fall Festival celebration. George Spaniel (left), Wendell Smith and Howard Oldford (right) donned chef's hats and took over the cooking chores for the first shift—and everyone pronounced them as excellent. The fish was done to a turn and was very delicious.

Plymouth School Enrollment Hits High of 6,184

The Plymouth School Board learned Monday night that school enrollment was running slightly ahead of the earlier predictions with a total of 6,184 in classes at the end of last Friday's sessions.

School officials had estimated that the enrollment would be an all-time high of 6,050 and were a bit surprised when it ran more than 100 over that figure. The enrollment at the senior high was slightly below the projected 1,300 with 1,292 but many of the other buildings surpassed the predictions.

The Friday figures by schools and the estimates:

Allen	451	464
Bird	590	525
Farrand	590	617
Gallimore	450	433
Smith	500	516
Starkweather	430	432
Truesdell	80	75
Junior High West	385	350
Junior High East	365	380
Senior High	1300	1292

Lapham OKs Annexation to Plymouth

Lapham district in Washtenaw County officially became part of the Plymouth Community School system Monday when electors voted 54-3 for annexation.

The action was expected and the Plymouth School Board had already passed a resolution accepting the district and setting the school tax at 23.71 mills—the same as that for the remainder of the district.

The vote will add 50 students to the Plymouth system, 23 of whom were attending schools on a tuition basis and 27 others in kindergarten to grade five classification.

Those in grades seven to 12 started attending school last week—the 27 in the elementary grades were accepted for classes Tuesday morning and were picked up by the Plymouth buses.

The Plymouth Board was prepared for the affirmative vote. They realized two months ago that the annexation would be approved and had taken steps to take care of the additional students.

Contract for a four-room addition to Allen School was awarded to the firm of Roberts and Orr Inc. of Livonia on a bid of \$76,285. It was the lone bid submitted.

The offering compares to an (Continued on Page 2)

Meador, Vivian To Debate In Plymouth Meeting

Congressman George Meador, of Ann Arbor, Republican nominee for the Second Congressional District, will face Weston E. Vivian, also from Ann Arbor, Democratic candidate from the same district, on Thursday, Sept. 24, at 8:30 p.m.

Each candidate will present his views on the Civil Rights issues in the Plymouth High School auditorium. The program is being presented by the Plymouth Assembly for Equal Opportunity and is open to the general public.

Kenneth Hulsing of Plymouth will be moderator.

WHO'S FOR MORE CHICKEN? Judging from the way Peter Davis, 6, of 1432 Hartsough, is going after that leg at the Plymouth Rotary Club's chicken barbeque—he could be a candidate. Pete even brought his little red wagon along to use as a table. He was just one of the hungry thousands that jammed Kellogg Park Sunday for the finale of the annual four-day Plymouth Fall Festival.

ALL FULL, yawns four-year-old Vera Ann Sundstrom, of 317 Ann Street, after downing her share of the pancake and sausage offering of the Plymouth Kiwanis Club at the Pancake Festival. The Kiwanians fed more than 2,100 Saturday for an all-time record for the Fall Festival.

BEAUTIFULLY DRESSED in a costume of the '90s is Mrs. Norma Cassady, prominent Plymouth business woman, who displays an ancient baby buggy under the auspices of the Plymouth Historical Museum. Mrs. Cassady exhibited the carriage throughout Sunday afternoon to call attention to the fact the Museum was open to visitors.

SWEARING IN the new members of the Plymouth Heights Charter Commission is Mayor DeFacto John McEwen in ceremonies at the Plymouth Township Hall. The commission has 90 days to prepare the charter and present it to the Governor for approval after which it goes to the electors for final approval at the polls. The group includes (from left): John Murawski, secretary; Martin Schomberger, Edward Good, vice chairman; Harlan Hickerson, Sr.; McEwen, Maurice Breen, chairman; Frank Ross and Dan Evans.

Around Plymouth With Ellie

(Call Ellie to report social events in your family, neighborhood)

IMPRESSIONS—Sunday in Kellogg Park

A gay kaleidoscope of moving color — cotton candy — balloons — artists' bright canvases — under the bluest sky, permeated by the smoky scent of the chicken barbecue and popcorn.

Smiling faces, reunions of old friends. Prettiest girls in the park: Delores Hill, Myrilla Schrader and Norma Cassidy, who, with the historical society's wicker baby buggy, was every amateur photographer's favorite model—and Janet Pickard, that auburn-haired young Indian maiden. —The cannon and the Civil War statue with their usual complement of small boys.

Festival Visitors

They came from far and near. From Carmel, Calif. came George Mayer—visiting his children, four grandchildren and

one great-grandchild in the area. From Kentucky was Paratrooper Jim (Ole) Johnson, son of Mr. and Mrs. William Johnson, home on a 15-day leave from Fort Bragg.

From Phoenix, Ariz., Mr. and Mrs. Hal Becker were at the home of his parents, the Byron Beckers of Pennsylvania Avenue.

From Culver, Indiana, an interested festival visitor was Mrs. William Kline, 84-year-old-aunt of Carl Finney of Arthur Street.

One of her family's heirs

looms was on display in Dunning's window, a chair made by her grandfather, Isaac Wallace, about 1846 for his first home in Boone County, Indiana. His cousin, Lew Wallace, will be remembered as the Civil War general who wrote Ben Hur.

The guest register at the Symphony League's Antique Show revealed the amazing range of festival visitors. They came from as far away as Coventry, England and Quebec, Canada. The states of Florida, Washington, Rhode Island, Virginia, Ohio, California, New York and Illinois were all represented.

Overheard "Now if we can just locate Florence, we'll go to the Antique Show."

Welcome Teenagers Last minute registrations for adult education classes will be accepted this week and Director Herb Woolweaver has the welcome sign out for interested teens.

That high school diploma may be acquired through courses specially designed for the high school drop-out. Through close cooperation with Mike Hoben this year's program has attracted more young people than ever before.

Because of lack of interest some courses may have to be dropped. "Charm and Poise," described by Woolweaver as a "Powers-Model-School-type" class is one of these. The fee is low and it would be rewarding as well as fun. Some secretarial schools even demand training of this kind.

Woolweaver indicated two errors in the previously printed schedule—Dr. Walch's philosophy and Poetry Class will be in the public library instead of room 114 and will begin Sept. 29 not Sept. 22. The yoga class fee is \$10 for 10 weeks not \$15 for eight weeks.

The majority of the classes begin the week of Sept. 21.

Something to Look Forward to There is no finer way to spend a Friday evening than up at the High School — watching Mike Hoben's Plymouth Rocks. Attending these games is something like eating peanuts. After the first one or two you just can't resist them.

First thing you know, you'll have the whole family bundled up in the warmest clothing trying to find the Walled Lake or Redford Union football field. Wouldn't miss an out-of-town game for anything.

The Lions and the Wolverines may be fine, but there's something special about seeing your young neighbors in their roles as cheerleaders, football players or marching in James Griffith's band.

Opening night is Friday when Plymouth meets traditional rival Northville on the home field. See you there!

Evans Plans Conversion To Resolve Soot Problem

Evans Products Co. believes it will whip the smoke abatement problem for its plant with the installation of new burners and auxiliary equipment and conversion from coal to gas and oil.

That was the statement of Divisional Controller A. E. McClow Jr. to the Plymouth Township Board in its meeting last week when he detailed the company's plans.

"Our program to ascertain the proper solution to our smoke and ash problem is now completed," he wrote the Board. "We have recommended and received approval from the Evans Board of Directors to proceed with a conversion from coal. As a matter of interest this entire program is expected to exceed \$100,000.

"Conversion will be based on the delivery of burners and auxiliary equipment. We estimate that the first boiler will be converted in mid-November and the second early next year."

Then he personally appeared at the meeting to explain the letter and to assure the Trustees that Evans is prepared to go ahead with the program as promised.

"These facts are documented and Evans won't back off," he said. "We feel the problem will be whipped as far as Evans is concerned when these installations are made. We can't talk for any of the others in this vicinity."

Clow pointed out that Evans will convert the first unit to gas and then study the efficiency of the operation. If it meets the level expected by company officials then the second unit will also be converted to gas, if not then the second unit will be converted to oil.

Mr. and Mrs. Fred Davids, who have been battling the problem for more than 10 years, took issue with Clow that the problem is confined to the summer months.

"We agree that this is a step in the right direction," said Davids. "However, we also realize that there will be a similar condition coming from the use of residual oil and we'll have to wait and see what happens before we decide whether this is the complete answer or not."

The trustees agreed to accept the Evans proposal for now but recommended that a final report be given in November before deciding whether the situation has been resolved or not.

In other actions, the Board: Approved rezoning at the intersection of N. Territorial and Sheldon Roads from R-1-S to Professional Office.

Authorized Township Attorney Earl Demel to initiate condemnation proceedings where necessary to carry out the 1964 water and sewer program.

Informed Parkland Homes Inc. that the present Township ordinance does not require sidewalks along Sheldon Road fronting the subdivision at this time.

Granted permission to the Plymouth Assembly of God Church to install a gravel parking lot with the provision that

it be changed to blacktop in 1965.

Tabled the swimming pool ordinance until a special meeting.

Tabled a resolution regarding establishment of a five-man fire administration board upon request of Demel for additional time to prepare an opinion.

Tabled a request from the

fire department for five more home monitors at an approximate cost of \$134.50 per unit.

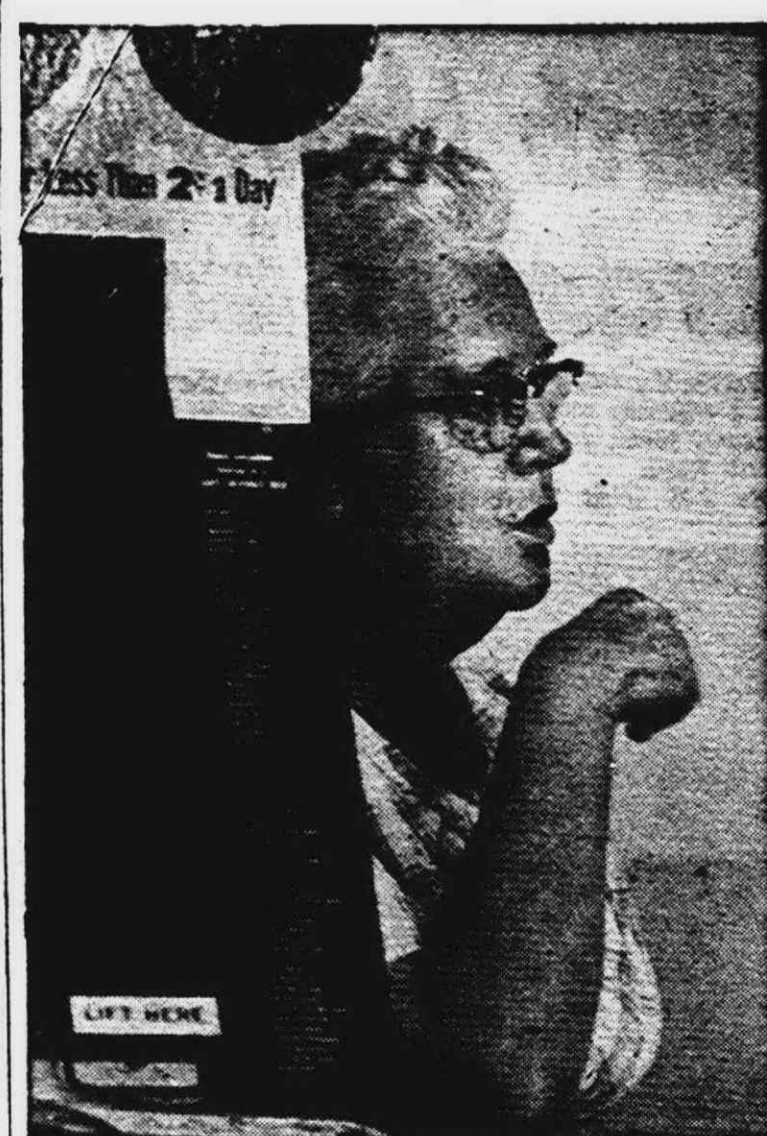

Gave Fireman Ernie Honke permission to attend the 15th annual Michigan Fire Inspector's conference in East Lansing this week.

Set the tax rate at 4.0 mills.

Granted permission to Clerk John McEwen to purchase a new electric typewriter.

Member Federal Deposit Insurance Corporation.

Fall Festival

(Continued from Page 1) youngsters flocked in from all parts of the city and township to show off their pets. Regardless of where one turned, things were happening at a record pace—the popcorn stand had its best year, the concessions handled by the various Plymouth clubs and organizations reported record sales. Everything was at an all-time high.

The entertainment was excellent and reflected the hard work of the executive committee headed by James Thornton and Margaret Wilson.

Perhaps the two most amazing things of the entire four days was the tremendous effort of the Kiwanis and Rotary Clubs.

Each group had things organized so well that never once was there a hitch in the operation although each was heading for the best day ever.

Especially was this true of the Rotary Club "production line" which had chickens, ears of corn and everything else ready for the first customer and was still going strong for the last — somewhere in the neighborhood of the 12,000th.

It was a tremendous job, done in tremendous fashion and was a tremendous display of a community working together for the good of the entire area.

The results show how well the Festival was organized and the huge turnouts for the five major events was evidence of the efficiency of the whole program.

And now already plans are being made for a bigger and better Fall Festival in 1965.

Trustees Approve Initial Steps

Schoolcraft College Sees Accreditation By 1968

First steps in the direction of accreditation by the North Central Association of College and Secondary Schools, by the time classes start for the 1968-69 college year, have been approved by the Schoolcraft College Board of Trustees.

Dr. Eric Bradner, college president, had been instructed by the Trustees to take whatever steps are necessary, working with the staff and faculty, to enable the college to become a candidate for membership in the North

Central Association. Under the candidate for membership application, Schoolcraft College will submit a status study containing a complete statement of the college purpose, a discussion of the lay

problems the institution faces; the types of data to be used in the preparation of a self-study report; and information on how the institution will be organized for undertaking the study. On the basis of this study,

the executive board of the NCA will authorize diagnostic examination of Schoolcraft. This examination is expected to take place this fall. Listing as a candidate for membership indicates to the college profession at large

that Schoolcraft is actively engaged in the process of accreditation.

The college will then be assigned an NCA consultant to assist in the development of the institution and a self-study. Consultants from the NCA will make a minimum of two visits each academic year to Schoolcraft. Dr. Bradner feels that the

self-study will be completed within such a period as to permit accreditation by 1968.

In the meantime, the Michigan Commission for College Accreditation has been requested to visit the campus during the latter part of October. At that time, Schoolcraft expects to apply for accreditation with the Michigan Commission. Dr. Bradner anticipates that this accreditation will be received sometime next year.

Members of the administration, faculty and staff are eager to achieve accreditation for Schoolcraft in the shortest time possible. Meantime, all students who do satisfactory work are assured admission to other colleges without loss of credit.

Madonna Greets 117 Freshmen For Orientation

Madonna College-bound freshmen, 117 in number, arrived Wednesday, Sept. 16 to begin their first collegiate year.

Among these were Laura J. Champagne, Sheila Gallagher, Margaret Kleinert, Christine Hellig, Elaine J. Ofiara, and Marilyn R. Sarna of Livonia and Mary McPeak of Farmington.

Registrar Sister Mary Remigia, CSSF, announced that these young women represent 53 high schools from six states—Michigan, Connecticut, Illinois, Missouri, New Jersey, and Ohio—and two foreign countries—Brazil and Hong Kong.

As the freshmen arrived, members of the student council, acting as guides, met their trains and planes, introduced them to the administration and faculty, toured the campus on

Schoolcraft and Levan with its new residence halls and academic buildings.

Further orientation will continue on Thursday and Friday. A battery of tests will be administered to the freshmen to aid the administration and the faculty in determining the potentialities, aptitudes, and abilities of the incoming student.

The selection of courses and counseling can then be planned and carried out with greater benefit to the freshman.

The newcomers will meet with the registrar, Sister M. Remigia, who will inform them of various academic requirements and registration procedures. The Dean of Students, Sister M. Martina, CSSF, will speak to the freshmen on the subject, "Learning to Live a Full Life at College."

As for entertainment, there will be a wienner roast, a hootenanny, amateur theatricals, card parties, and tours of Livonia, Detroit, and Plymouth to point out places of interest and shopping facilities.

With Monday, Sept. 21 the official school year begins. A Faculty-Student Convocation will serve to make the transition from vacation to school routine somewhat easier.

At that assembly professors and their departments will be introduced, moderators of various clubs and associations will be presented, and the challenge for the year will be set. On that day Madonna College will assume the responsibility for the freshman's intellectual and professional training.

Livonia Pupil Wins Degree

A Master of Science degree in Science Education was received by Michael Dion Collins of 15850 Auburndale Rd., Livonia, who was among the approximately 250 candidates for a degree at Western Reserve University's annual summer convocation Friday afternoon, Sept. 4, in Severance Hall on the WRU campus.

President John S. Millis of Western Reserve University conferred degrees. The candidates represent graduate school and professional divisions. A large number of bachelor's degrees were conferred on Western Reserve University students of the undergraduate divisions: Adelbert, Mather and Cleveland Colleges.

Following the exercises, a reception for graduates and their families was held.

Farnum-Kuhn Launch Campaigns with Debate

Federal aid to education and foreign policy were the two major issues discussed by Congressional candidates Billie S. Farnum and Richard D. Kuhn, before 60 members of the Altar Society of St. Valentine's Catholic Church.

DOLORES WEBBER, Safety Queen of Consumers Power Company, West Wayne Division, gave out the prizes at the "Safety Round-Up" and pot luck dinner Sept. 2. The prizes were for the winners of the Safety Poster Contest. First, Matt Lodge; second, Olga Williams; third, Faye Langert.

stated he was "opposed to federal aid to education on the grounds that such aid is not in the best interests of the citizens of 'merica.'" He further stated that he thought the States could adequately meet all such needs.

In opposing this viewpoint, Farnum noted that this is one of the issues on which the candidates differ. "I believe in additional facilities for our nation's greatest asset, its youth. We must offer them the best facilities to further and improve their education."

Farnum, who is currently the Auditor General of Michigan, also noted that there are Constitutional problems involved, but added that "there are many programs that are consistent with the Constitution. For example bus transportation, which comes under the heading of equal public transportation for all. There are also food and milk subsidies designed to go into the stomachs of hungry children. There should be no barrier to feeding young people."

"I believe that many of these Constitutional problems can be solved by people sitting down and discussing these problems on a common sense basis, and not on an emotional basis."

Kuhn stated that America does not have any real foreign policy under the present leadership, and insisted that "we must have a definite foreign policy. The policy of containment of the Communists is no policy at all." He cited Cuba, Viet-Nam and Panama as examples.

In disputing him Farnum claimed that the Kennedy-Johnson administration has taken the initiative to negotiate for world-wide peace, "and at the time we have been firm and resolute, as is witnessed by our recent actions taken by our military in the waters off Viet-Nam."

The candidates are scheduled to appear together at least three more times before the November election. Last Wednesday's appearance was sponsored by the Livonia League of Women Voters, and was advertised as a first of a series of four face-to-face confrontations of the candidates on why they chose their political party.

Other debates are scheduled for Monday, Oct. 12, and for Tuesday, Oct. 13, before local groups. Both will be open to the public, although final arrangements for a place have not been made.

Bank of Livonia Branch Moves Into Temporary Quarters

The Bank of Livonia moved into new temporary quarters on Seven Mile south of Middlebelt Road, Tuesday, awaiting completion of its new permanent building.

The latest move found the branch moving out of the trailer, that had housed it for several months, into the temporary building 75 yards south of Seven Mile on the east side of Middlebelt.

The branch will be quartered there until the new building, now under construction on the northwest corner of Seven and Middlebelt, is completed.

SEARS LIVONIA MALL joined more than 770 other Sears retail outlets in launching the company's 78th anniversary celebration last Thursday and one of the high spots of the big event was this display of a 1909 Sears car. It is owned by Credit Manager Louis Haitz and will be exhibited throughout the sale. That's Ron Grayson, Sears auto parts sales manager, seated with the mannikin in the car. Ron, also a lover of antique cars, agreed to don the linen duster, cap, gloves and goggles for the initial showing of the car.

PROPOSED I-275 IN WAYNE COUNTY

— PROPOSED I-275
○ PROPOSED ENTRANCE AND EXIT
⊙ PROPOSED BRIDGE

A PUBLIC hearing has been set for Monday, Sept. 21 to discuss details of the proposed route of I-275 which will cut north through Plymouth Township along the Haggerty Road route. The map (left) shows the proposed route of the freeway. Maps and sketches of the freeway will be on display at the meeting scheduled for 8 p.m. in the Wayne Memorial High School auditorium on Glenwood Road in Wayne. Persons interested in learning details of the freeway and its effect on Western Wayne County are urged to attend the hearing which will be conducted by Public Hearings Director John Knecht Jr.

Livonia Golfers Tie For Fifth In State Tourney

Livonia Men's Golf League tied for fifth place in the State R.A.M. tournament at Currie Municipal golf course in Midland.

The Livonians shot a composite of 404. The leader for Livonia was Len Adams who shot 73 and was third low medalist. Bill Lockeman shot a 78 for second; and Pete Ross, third with 80. Jim Partain had 84 and Reginald Harp, 89.

The Livonia squad had an average of 81 and tied with Ypsilanti for fifth place. Winning team was Pontiac with 385.

Mr. Retailer, Do You Make Any Sales on Thursday?

Of course, every retailer in this area knows that Thursday should be One of the Biggest Sales Days (and Evenings) of the week.

But if a retailer advertises, how can he hope to receive any stimulus for his invaluable Thursday business if his advertising message isn't read until the stores have closed on Thursday evening?

When a weekly newspaper doesn't arrive in the home until Thursday, or later, THE ENTIRE ADVERTISING EFFORT IS LOST, AS FAR AS THURSDAY SALES ARE CONCERNED.

That's why every single copy of The Observer is delivered to the doorstep on Wednesday afternoon. It's read Wednesday evenings and Thursday mornings.

Thus Observer advertisers get their full measure of Thursday business.

Do YOU get your full share of Thursday business?

FALL AND FOOTBALL are both in the suburban air these days, and cheerleaders from each of the area's high schools are getting set for this Friday's opening schedule of games. Left to right, from the front, are Barbara Stolliker of Clarenceville High, Kathy Smith from

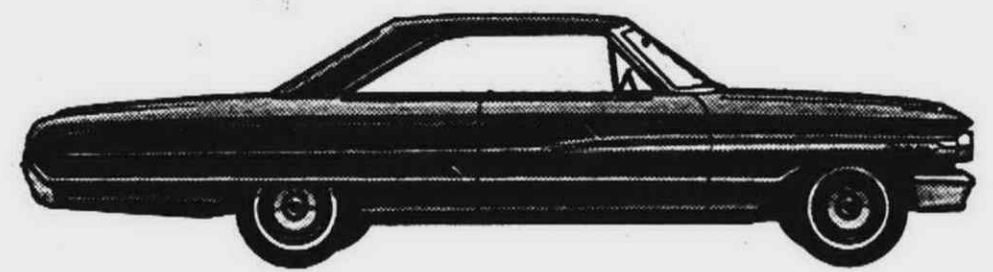

Plymouth High, Thurston High's Diane Glowacki, Marilyn Thorpe of Bentley High, Redford Union High's Karen Vargo, North Farmington High's Clover Emmet, and Franklin High's Marilyn Goehmann.

Professional Gourmet or Amateur Pilot? Fall Adult Education Program Aids Both

Are you a gourmet interested in a gastronomic trip to Mexico, Japan, France, Germany, Greece, or taking a vicarious trip to other countries via film? Meeting nationals of European and Asiatic countries and eating in their restaurants?

If so you should investigate one of six new courses offered this year through Livonia's Adult Education Program. The class, called Geographic Gour-

met Club will meet every two weeks during the fall term.

Among the other new offerings this year are:

A course in Meteorology For Pilots in which hourly signal reports, dual weather maps, air masses, pressure areas, wind circulation, and conditions causing rain, fog, and snow are discussed, charted, and studied. The F.H.H. commercial pilots' examination in meteorology and

the problems covered in that exam are the foundation for this practical how-to-do-it course for pilots.

A course of interest to women who always find that there are too few hours in the day to get everything done is an offering called Streamlined Housekeeping. It deals with effective maintenance of efficient homes and the need for work organization, timing, and pro-

ducent money management.

A brand new course for do-it-yourself artists who want to create "something different" through the magic of new color-tube applicators is a course in Liquid Embroidery. The sponsors of this class believe that it can open the doors toward an easy and fascinating hobby for the entire family.

Another new fine arts course concerned with the dif-

ferent methods of creating pottery will be offered this September. In Pottery Technique the pinch method, the slab method, the ring method, and slip castings will be explained and created. New methods of decorating, of loading and firing the kiln, will all be considered.

The sixth new course of great interest to many persons involved in a growing new pro-

cession is one in Advanced Data Processing. Advanced knowledge of data processing is a pre-requisite and enrollment will be limited. In this course suburban residents will learn computer concepts and programming.

The course also includes numbering systems, block diagramming, computer characteristics, and the study of in-pit and out-pit media. Because of special

needs and interests in many western suburban institutions, special attention will be given to introducing students to programming the 1400 series of I.B.M. computers.

Dr. Albert Goldberg, coordinator of instructional materials, pointed out that this data processing class, as are all other night school classes, is open to residents of nearby communities upon payment of

the usual adult education fees.

Persons living in western suburban communities are urged to make early registrations for these new courses to insure that there will be sufficient enrollments, and in the case of the data processing course, where registrations are limited.

Livonia's Newest Hardware Plans Big Opening Thursday

The American Hardware Co., Livonia's newest and most modern hardware and lumber center at 31245 W. Eight Mile Rd., will hold a grand opening sale for three days starting Thursday, Sept. 17.

That was the announcement of Marvin Kemp, owner-manager who brings 17 years of experience from Jahn's Hardware and the Federal Hardware, into the new operation.

American houses over an acre of display area and a parking lot capable of handling more than 200 cars.

The new project culminates more than 20 years of work for Kemp who finally has achieved his lifetime dream of owning his own hardware store and lumber yard.

He will use a new concept in the hardware field, amalgamating market theory from all areas of business.

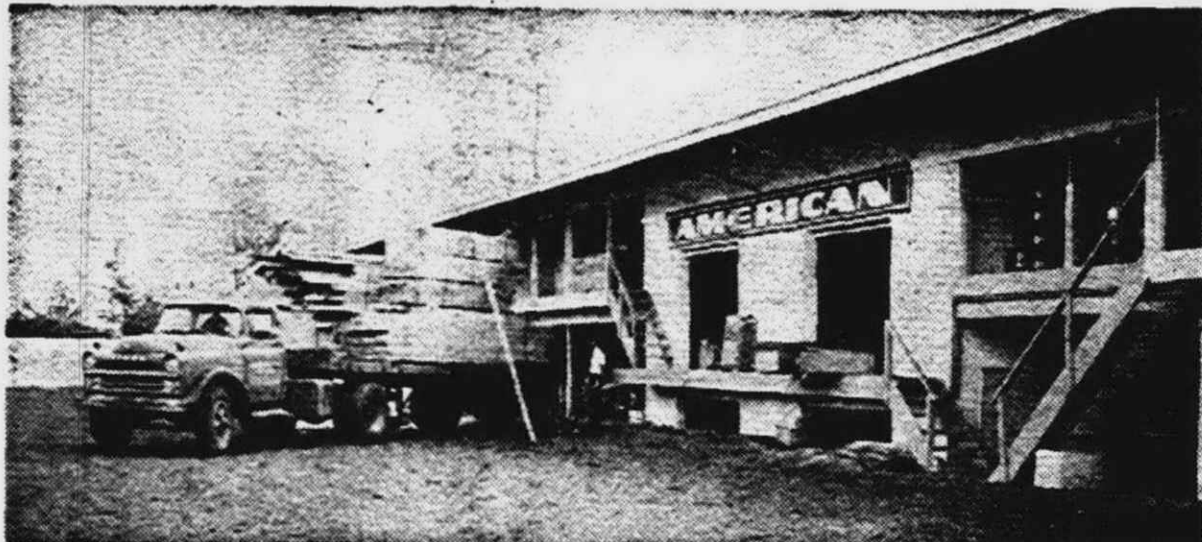

The new store and lumber yard includes a two-story structure for the hardware sales with 5,000 square feet on the second floor for a toyland.

In the rear is the large lumber yard which has a two-story building, 200 by 40 feet, for storage, sales and handling of lumber of all sizes and shapes.

He has emphasized the following items in his new operation:

1—A large toyland, complete and up-to-date, stocking only the most dependable and durable names in the industry.

2—A huge lumber yard facility with access from the store, featuring a full line of quality

MODERN LUMBER YARD at the American Hardware store and yard, 31245 W. Eight Mile Road, is equipped to handle the needs for any type of lumber or paneling. The two-story, 200 by 40 foot building is open in the front and has a loading and unloading dock as shown here.

3—An authorized Detroit agency with all of the services including bulb exchange, appliance repair and a bill payment center.

4—A custom-designed fireplace and fireplace accessories division.

5—All plumbing needs.

6—Complete paint and supply division, equipped to handle all needs for the professional as well as the do-it-yourself painter.

7—Full line of all other hardware supplies and merchandise, all well organized and displayed.

The store and yard will be open from 8 a.m. to 6 p.m. Monday through Friday, Saturday from 8 a.m. to 5:30 p.m. and Sunday from 10 a.m. to 10 p.m.

During the grand opening sale, the hours will be 8 a.m. to 9 p.m. Thursday through Saturday and from 10 a.m. to 4 p.m. on Sunday.

READY TO HANDLE customers at the new American Hardware store and lumber yard at 31245 W. Eight Mile Road are (from left) Owner-Manager Marvin Kemp, Cashier Annette Cooper, Bonnie Sparks, Sanford Buchanan, custom fireplace designer; M. A. Barker, shop equipment sales manager; Helen Westfall, Harold Smith, manager lumber department, and William MacArthur.

Opens Dance Programs

Beginning next week, the Livonia Department of Parks and Recreation starts its fall program of square dance classes and clubs. New this season is class in round dancing.

Registration for square dances will be held on the first night of classes, which will begin this week. Fees will be \$10 per couple for a period of ten weeks.

Beginners classes: Wednesday, 8 p.m., Lincoln, Sept. 23 (2nd week); Tuesday, 8 p.m., Roosevelt, Sept. 22; Mondays, 8 p.m., Jefferson, Sept. 21.

Intermediate: Wednesdays, 8 p.m., Harrison, Sept. 23; Mondays, 8 p.m., Hull, Sept. 21.

Advanced: Wednesdays, 8 p.m., McKinley, Sept. 23; second and fourth Mondays, 8 p.m., Coolidge, Sept. 28.

Round dancing: second and fourth Tuesdays, 8 p.m., Harrison, Sept. 22.

Scheduled clubs (for experienced dancers) which have a charge of \$2 per couple for each evening include the following: Tea Cup Chainers, Intermediate, 8:30 p.m. on second and fourth Fridays at Rosedale, beginning Sept. 25; Hi-Intermediate, 8:30 p.m., first and third Saturdays at Stark, beginning Sept. 19; Tuca-Batchee, second and fourth Saturdays, Harrison beginning Sept. 26; Martin Mixers (intermediate) second and fourth Fridays at Hull, beginning Sept. 25.

SC Board To View Plans For Two More Buildings

Preliminary plans for the two buildings to be constructed on the Schoolcraft College campus, Haggerty at W. Seven Mile road in Livonia, will be presented to the board of trustees Wednesday night by the two architectural firms, Eberle M. Smith Associates Inc. and Ralls-Hamill-Becker.

Eberle M. Smith Associates Inc., who designed the four buildings now in use, will present plans for the Campus Center. The building will house a cafeteria, a snack bar, reading rooms, activity offices, publications offices, book store and television studios.

Present plans for the Technical building which will include such features as manufacturing processes, electronics, drafting rooms, facilities for teaching of dental technology, automotive mechanics, welding and other similar technical facilities.

Present plans call for the construction of the new buildings to begin in late winter or early spring.

Harold Fischer, chairman of the Board, received authorization of the Trustees to seed and sod the campus. Fischer, a well-known landscaper from Plymouth, is donating his time to the college with no personal profit so that the amount available for landscaping may be spread over as wide an area as possible.

The Board received bids from three landscaping architects to make plans for the beautification of the landscaping of the campus. The award will be made at the next official meeting.

Livonia Farnum Boosters Plan Testimonial Dinner

"Frankly Farnum" is the theme of the testimonial dinner for Auditor General Billie S. Farnum, scheduled for Roma Hall on September 25. Farnum is the Democratic candidate for Congress in the new 19th District.

that by Billie Farnum, even though we have invited such personalities as Senator Phillip Hart and Neil Staebler."

According to Ed McNamara, chairman of the Farnum Campaign Committee, the purpose of this testimonial dinner is not to raise funds, but to acquaint the community with the programs of Mr. Farnum.

"This is one of the best buys anyone can make," said Livonia City Councilman, John Dooley, chairman of the dinner committee. "For a five dollar bill a guest will get all the beer he can drink, set-ups, pizza pie, and at midnight there will be a free buffet supper."

"In addition, there will be an orchestra for those who like to dance, and only one speech, and

Farmington's Cawley Wins Trip to Olympics

Rounding up the world's sports developments during the past week:

OLYMPIC TRACK
It's on to Tokyo to run for the United States for Rex Caw-

ley, the former Farmington High state hurdle champion. Cawley won his way overseas by setting a world record in the 400-meter high hurdles in the final qualifying action at Los Angeles on Sunday. He was timed in 49.1 seconds, to top the old record of 49.2 which had been set by Glenn Davis of the USA and Salvatore Morale of Italy. In more recent years Davis played for the Detroit Lions.

BASEBALL
The American League flag chase tightened up a little more as the New York Yankees moved into second place just a game behind the Baltimore Orioles. Chicago was in third, a half-game back of the Yanks as the Chisox opened a two-game series against the Detroit Tigers at Tiger Stadium Tuesday night.

The Tigers have been the hottest team in either league in recent weeks, winning six of the last nine and 13 of the last 19 before Tuesday night's game. It now appears certain that Charlie Dressen will receive a new one-year contract as soon as the season is over.

In the National League, the Philadelphia Phillies were sitting pretty with a six-game bulge and boasted in Jim Bunning the top percentage pitcher

in the majors. Bunning on Sunday downed the San Francisco Giants for his 17th win against only four losses.

FOOTBALL
The Lions were off and running in their bid for a Western Division title in the National Football League as they beat the San Francisco 49ers, 26-17. Terry Barr's fine pass receiving and the running of Nick Pietrosante sparked the Lions along with the place-kicking of Wayne Walker, who set a club record by booting four field goals.

Elsewhere in the NFL, Paul Hornung was back and the Green Bay Packers swamped the defending champion Chicago Bears, 23-12. Eastern Division King New York met Saturday night on the coast and the game will be televised on Channel 2 at 10 p.m.

In the AFL, Tobin Rote sparked San Diego to a win over Houston by heaving three touchdown passes. New York clipped Denver before 44,000 fans, an AFL record; Buffalo spanked Kansas City and Denver took care of Oakland.

The collegiate football season

started with UCLA upsetting Pittsburgh, 17-12. This weekend will see many of the top teams in action, including the University of Detroit at Kentucky Saturday. Michigan and Michigan State start a week from Saturday.

BASKETBALL
The Detroit Pistons started training Monday at St. Clair with 15 players on deck. Still no Dave DeBusschere or Joe Caldwell, the latter playing with the U.S. Olympic team.

GOLF
The world series of golf went to Champagne Tony Lema with a 36-hole total of 138. Second was Ken Venturi, third Bobby Nichols and last, but not least, Arnold Palmer. The victory netted Lema \$50,000 and upped his year's earnings to almost \$135,000.

TENNIS
Foreigners carried off the honors in the national championships at Forest Hills. Australian Roy Emerson beat fellow Aussie Fred Stolle in the men's singles and Maria Bueno of Argentina swamped Carole Graeber of Ohio for the women's crown in a match which lasted only 25 minutes. All of which didn't bolster the American tennis picture, especially with the U.S. men getting ready to defend the Davis Cup a week from Friday in Cleveland against Australia.

The America Cup challenge underway off Newport, R.I. United States against Britain's series—best four of seven—is Constellation represents the Sovereign V.

PROMOTED—Arthur D. Domalske of 29738 McIntyre in Livonia, who will assume new responsibilities as principal of the Madison Elementary School this year, is congratulated by School Board Trustee William H. Craft, who lives at 9368 Texas in Livonia, is a teacher in Detroit. Last year Domalske served as an administrative intern at Lincoln Elementary School.

Cites Need For Cinderella Ball

Richard L. Lea, executive-director of the TB and Health Society told a press, radio and television conference that several local situations dictate the need for continuing the fabled Cinderella Ball as a major charitable fund-raising device in Detroit.

Lea's remarks followed the introduction of Cynthia Roby, 17, of 20449 Goddard, Detroit, as the 1964 Cinderella.

Lea said tuberculosis is the first reason for continuing the Ball. He added:

"The 1,400 new cases of this communicable disease discovered this year in Wayne county will require some eight millions of public tax dollars to pay costs of treatment. These same 1,400 cases will impose upon public health nurses and other health department personnel the staggering task of protective services to more than 10,000 persons who are contacts of the new cases or are at high risk of reactivation.

"This task must not fail, else the cycle of newly-discovered cases can reverse and spiral upward.

"Respiratory diseases represent the second major challenge to our Women's Committee—sponsors of The Ball.

"What are these respiratory diseases? Falling in four categories, they include:

"Such acute respiratory infections as the common cold, influenza and pneumonia;

"Chronic respiratory infec-

tions include emphysema, bronchitis, sarcoidosis, bronchiectasis and pneumoconiosis;

"Fungus infections such as histoplasmosis;

"Allergy diseases, usually airborne, include hay fever, asthma and silicosis.

"According to the National Health Survey, acute respiratory infections are the major cause of time lost from school and work, and they account for about 65 per cent of all acute sickness.

"Of the diseases I've mentioned, chronic bronchitis and emphysema caused about 17,000 deaths in 1962. Emphysema victims of recent date were Ted Weems and Sir Cedric Hardwicke.

"Chronic cough and shortness of breath are manifestations of these breath-taking diseases. Early treatment is imperative.

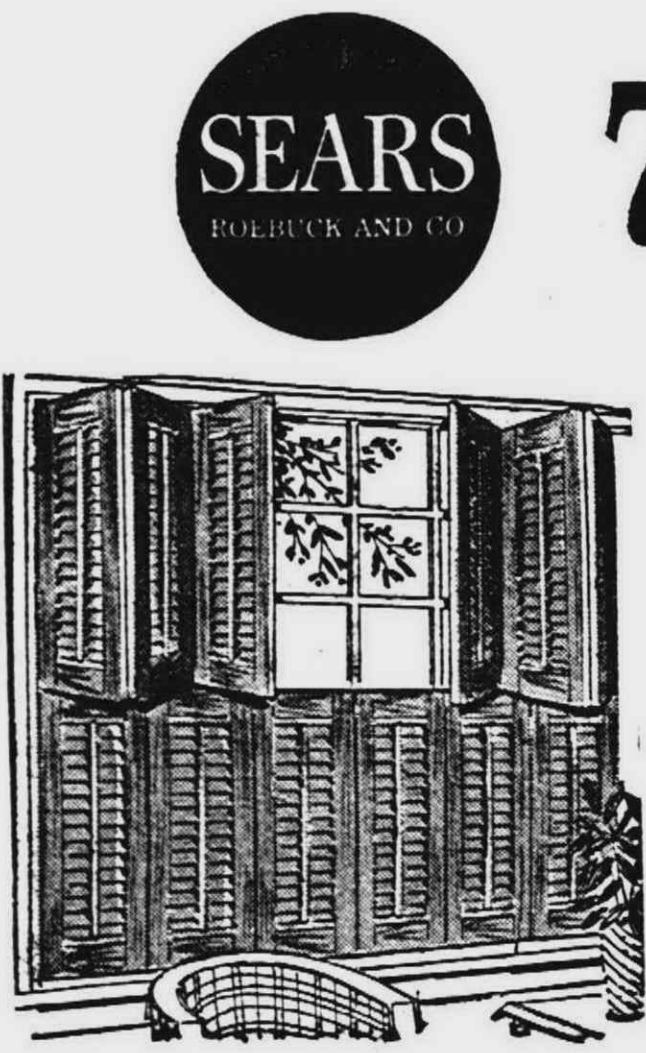

"The Cinderella Ball fund is now making available to home-bound sufferers of respiratory disease two types of equipment designed to aid in breathing. We must remember that many of these people fight for each breath, which imposes a strain on the heart and circulatory system.

"Future use of Cinderella Ball funds to fight respiratory diseases is indicated. Pediatricians of Michigan have pointed up the need for a home for asthmatic children where intensive therapy can be administered.

CHARLES BEEGLE Memorial Trophy, donated by the Plymouth Elks Lodge 1780, is presented to Manager Don Schroeder, of the Indians, by Joseph Bida, president of the Plymouth Junior Baseball League. Schroeder's team won the American League championship and he was honored as manager of the year at the annual season-end program at the Elks Club. More than 250 junior players attended the event last Saturday.

Community Women Plan St. Mary Hospital Benefit Dance

DAR To Hear Talk On Amer. History

Sarah Ann Cochran D.A.R. Drive, Plymouth at noon. Chapter from Plymouth will The speaker for the after- holds its Sept. 21 meeting at noon will be Professor Hayden the home of Mrs. R. D. Wil-Morgan, a retired professor loughby on 14061 Ridgewood from Eastern University.

See You There!

St. Fabian's announces their 5th annual parish dinner dance will be held Nov. 21, 7:30 p.m. to 1:00 a.m. at Roma Hall on Schoolcraft. The affair is a dinner dance. Jim Watt and his "New Notes" orchestra will be back by popular demand. Parishioners and their friends are invited. Tickets for dinner and dancing will be \$10 per couple. Mark this date on your calendar and plan on going. For further information, contact Cliff Burk, GR 4-2681.

The Womans' Health Club of Farmington will meet every Thursday evening, 7:30-10 p.m., in room 106D at Farmington High School. The purpose of this club is weight reduction by group therapy. Do you have 15 pounds or more to lose? Call GR 6-0441 or GR 4-0887 for more information.

The Plymouth Newcomers Club invites its members, guests and new residents of the Plymouth area to attend a Fashion Show-Luncheon to begin at noon on Thursday, Oct. 1, the Meadowbrook Country Club in Northville. Fashions will be presented by Nadon's of Northland. Tickets are \$2.85 each. There will also be a drawing for door prizes. For tickets or further information please call any of the Club's Board members (for which see Newcomer Directory) or Mrs. Michael Del Busse at 453-5187.

The Woman's Society of Christian Service of the First Methodist Church, Plymouth, will serve a luncheon, followed by a hat sale, on Wednesday, Sept. 23, at 12:30 p.m. All hats will be \$3.98. Those who attended the hat sale last Fall know that a wide selection of the latest Fall hats will be available. Donation is one dollar.

"Luncheon with Mrs. Michigan" will be presented by the Woman's Club of Rosedale Gardens Civic Association Sat., Sept. 19, at 12:30 p.m. at the Round Table in Plymouth.

Women of The Moose No. 766 of Farmington will hold their games night Sept. 23, for members and guests; and a special bake sale on Sept. 26 from 10 a.m. to 3 p.m. at 21618 W. Eight Mile Road.

On Wednesday, Sept. 23, Children Unlimited will hold its membership luncheon at Temple Emanu-El, 14450 W. Ten Mile Road at 12 o'clock noon. Mrs. Jack Horowitz is chairman of the luncheon. Those interested in joining Children Unlimited are cordially invited to attend R.S.V.P. Mrs. J. Horowitz, KE 4-7569.

The Women of Kendallwood Farms cordially invites its members and residents of Kendallwood and Westbrooke Manor in Farmington to attend the first meeting of the new season on Tuesday evening, Sept. 22, at 8:00 p.m. at St. Fabian's Social Hall. Mrs. William Pendergrass, chairman of the evening's program, has planned an exciting array of fall fashions for children, teens and women from Hepner's Country Junior and Jenay Trend Shop modeled by members and their daughters. Hair styles will be by Robert and Charles and the commentary will be presented by fashion coordinator, Miss Shirley Gonda.

The Divine Heart Seminary Club of Detroit has as its members the parents of boys who are being educated by the Order of the Sacred Heart as possible future missionaries. The Club holds an annual affair to help the Divine Heart Seminary.

Mrs. Thomas Celeskey invites all to attend the Fall Fashion Show that the club is sponsoring at St. Monica's Parish Hall, 14501 Heyden at Lydon on Wednesday, Sept. 23, at 8 p.m. Fashions will be presented by the Budget Store of the J. L. Hudson Company. There is a donation of \$1.50.

Ladies! Now is the time to get your new Fall hat at the Plymouth Rebekah Fall Hat Fashion Party on Wednesday, Sept. 23 at 2:30 to 8 p.m. There will be refreshments and free gifts and door prizes at the Odd Fellow Hall, Elizabeth St. in Plymouth.

Lieutenant and Mrs. Herbert Taylor

Mary Bowen Is Bride Of Lt. Herbert Taylor

In a beautiful candlelight ceremony Saturday evening, Aug. 29 at St. Matthew's Church, Mary Anne Bowen, daughter of Mr. and Mrs. Max E. Bowen, became the bride of First Lieutenant Herbert F. Taylor, son of Mr. and Mrs. Herbert Taylor of Whitmore Lake, formerly of Livonia, as the couple exchanged wedding vows when the Rev. John Crenfell performed the double ring ceremony.

The couple motored to Batchawana Bay, Canada for a few days and then to Traverse City to cruise on the "Hamm Bone," a yacht recently acquired by the Bowen families. Upon returning from their honeymoon, the couple will reside in Massachusetts at Westover Air Force Base where the groom is a navigator in the 99th Air Refueling Squadron of the Strategic Air Command.

Given in marriage by her father and mother, the bride chose a floor-length gown of beau de soie covered with delicate lace with a matching veil of the same fabrics. Her bouquet was made up of cypridium orchids trailed with ivy.

Attending the bride were Mrs. Susan Hammersley, sister of the bride, as matron of honor; Mrs. Jacquelyn Bowen, sister-in-law of the bride, as bridesmaid; Miss Carole Taylor, sister of the groom as bridesmaid; and Miss Carla Anne Hammersley, niece of the bride, as flower girl. Bearing the rings was Master Christopher Hammersley, nephew of the bride. The matron of honor and bridesmaids wore floor-length beau de soie accented by trailing floor-length panels. The flower girl wore a floor-length gown similar to the bride's gown.

The groom had as his best man his brother, Donald R. Taylor. The ushers were Edward E. Bowen, Richard L. Hammersley, and Lt. William O. West III.

A reception was held at the patio and poolside of the bride's parents home on Six Mile Road. Old fashioned ice cream chairs and tables with candle hurricane lamps added a lovely glow to the beautiful flowers and greenery of the surrounding garden. Mrs. Edith Glatter and Mrs. Donald Taylor presided at the punch bowls and Mrs. Robert King gathered signatures in the guest book.

Among the out-of-town guests were Lt. and Mrs. William O. West III, of Westover A.F.B., Mass., Mr. and Mrs. Harry Taylor of Chicago; Miss Ruth Bowen, of Lansing; the Don Bowns, of Kalamazoo; Mr. and Mrs. Carl Bowen of Palmetto, Fla.; Mr. and Mrs. Russell Wagner of Fruitport, Michigan; Mr. and Mrs. Jake Kiel, of Hudsonville; Mr. and Mrs. Ted Carlson, of Rockford, Michigan; Mr. and Mrs. Charles Thomas of Phoenix; Mr. and Mrs. John Wheeler, of Pt. Huron; and Mr. and Mrs. Howard Gillette, of Hudsonville.

Lt. Taylor graduated from Bentley High School in 1956.

Open Meeting To All Kappa Deltas

Kappa Deltas of the Northwest Suburban Alumnae Association will start their year's activities with a potluck dinner Sept. 21 at the home of Mrs. Paul Welles at 38482 Richland, Livonia. Reservations will be taken by her through Sept. 18. Co-hosting the dinner meeting which is set for 8 o'clock is Mrs. Robert Williams. A business meeting and a discussion of the year's plans will follow dinner.

1964-65 officers are: President, Mrs. Donald Greenbury; Vice-Pres., Mrs. Paul Welles; Secretary, Mrs. Robert Kirkwood; Treasurer, Mrs. Glenn Hunter; Editor, Mrs. John Reeber; and Delegate at large, Mrs. Ted Morford.

The Kappa Delta group includes members from Livonia, Redford, Farmington, Plymouth, Northville, and Wayne. Meetings are held on the third Monday of the month in the home of members.

An invitation is extended to Kappa Deltas to affiliate with the group. For more information call Mrs. Richard Fritz, GL 3-6072, Mrs. Donald Greenbury 476-5665, or Mrs. Paul Welles, 464-1613.

Play up to the angler and his catch with an almondine sauce. Simply cook sliced or silvered almonds in butter over low heat until golden, then add a generous squeeze of lemon juice and pour immediately over cooked fish.

Guild Members Plan Harvest Moon Ball

St. Mary Hospital Guild hopes to kick-off the Fall social season for the community with their Annual Benefit Dinner Dance at Roma Hall in Livonia Oct. 10. The theme will be the "Harvest Moon Ball".

Well known in swinging circles, and a Livonia resident, Paul Maceri of Ladywood Drive will again provide the music with his 17 piece orchestra.

Robert Abbington of Livonia is chairman of the Dinner Dance. Mrs. Stanley Neid, also of Livonia is her co-chairman. Mrs. Peter Kuchan of Redford Township is general ticket chairman; Mrs. Sylvia Garner of Livonia is dance club chairman; Mrs. R. G. Wetterstrom, Northville, decorations chairman; Mrs. Ernest Cyr of Redford Township is business chairman; Mrs. Louis Oswald of Farmington is publicity chairman.

Monies realized from this benefit dance will be used for the new St. Mary Hospital wing presently under construction.

Tickets for the dance may be obtained by calling the ticket chairman in your community. All admission is by reservation only.

Area ticket chairman are Mrs. Joseph Drost, Livonia GA 2-0208; Mrs. Henry Hepta, Livonia GA 1-5457; Mrs. Peter Kuchan, Redford Township, KE 3-7005; Mrs. Neil Suddendorf, Northville, GA 2-7682; Mrs. Lee Stevens, Farmington, GR 4-5907; Mrs. John Anderson, Plymouth, GA 2-7682.

See you there!

Honey Versatile

So often it takes so little to produce so much. Honey is an excellent case in point. Honey can be put to work in many ways. It doesn't spoil and doesn't need refrigeration. It can be mixed with peanut butter, cream cheese, with butter or margarine, or chopped dried fruits for a tasty sandwich spread.

Apartment Living Reaches New Heights At Brookdale

By JOY STINSON
A little bit of plagiarism, a keen eye for a good idea and acting in accordance to personal wishes is the formula on which Farmington's newest and most luxurious apartment buildings were constructed.

INVITING fireplace area in the main lounge also boasts six barbecue pits to be used at management-sponsored pot luck parties such as the Christmas tree-trimming party already in the planning stage.

COUNTRY LIVING is part of Brookdale Club living because of the delightful surrounding scenery. This view looks from the path at the brink of the ravine to the porch which extends out from the second level community room.

Club developer, builder and owner. "I believe in plagiarism," Duke says. "I don't copy exactly, but I'll always keep a good idea in mind when I see it and later put it to use."

The torches that flare at the Brookdale Club entrance were seen by Duke at the Holiday Inn in Battle Creek. Brilliant golden tweed carpeting that covers the walls of the apartment's community room (as well as being decorative it serves as a sound deadener) admittedly wasn't Duke's original idea. He saw it done once before.

When it comes to building an apartment, the Duke brothers are not conformists to present trends. "When I was a bachelor I lived in an apartment. I often wished it had an indoor swimming pool, convenient washer and dryer, community room where I could get out and meet people in the evenings—and so that is what I have put into Brookdale Club," Thomas Duke said.

"I built the apartments as I would want to live. And, you'd be surprised how the indoor pool and community room have been accepted."

A community room complete with carpeting on the walls, washer and dryer in each apartment, indoor pool and locker rooms, built-in vacuum system and a stream and rustic ravine view right in the midst of town—these probably are all foreign ideas to apartment dwellers but ones that appealed to Thomas Duke for his Brookdale Club project.

Brookdale Club is a 104-unit luxury structure completely air conditioned, located in the heart of Farmington on Grand

River. The site, approximately four acres, includes a heavily wooded ravine area with a rambling stream at the bottom. Across the valley from the stream stretch wooded lots of private residences so that the view will never be marred by commercial construction.

Prospective tenants have their choice of two buildings, both in a quaint Williamsburg architecture. A U-shaped structure overlooks a courtyard centered with a \$1,700 solid bronze sculptured fountain imported from Italy. At night the fountain is tastefully lighted to provide a pleasant view from each of the apartments in this building.

The second building houses the community room and pool with apartments at each end on three different levels. These overlook the wooded ravine and stream area. First level apartments have sliding glass doors which open onto a patio area at the brink of the ravine.

One of the unique features of Brookdale Club is the community room located on the upper level overlooking the ravine. Popular with both young and older tenants, it provides a place to meet, play cards or games, read, watch color television or listen to hi-fi. To carry out its elegance, after 6 p.m. all men must wear suits and ties and women dresses when in the room.

The massive community room—with a two-story beamed ceiling—was decorated by Thomas Duke himself in Early American furniture accented by three large wagon wheel chandeliers. One end of the community room is all glass sliding doors which open onto a porch built out into the air and overlooking the valley and stream.

Using his imagination in decorating and copying the use of carpeting on the walls, Duke has tastefully carried out a brilliant golden yellow color scheme accented with original oil paintings on the walls.

A large brick fireplace is a focal point with six built-in barbecue pits for use at management-sponsored affairs such as a Christmas tree-trimming party already in the planning stage. To further use the community room, the management also hopes to arrange pot-luck dinners for residents three or four times a year.

Other community room eye-catchers are a grand piano and a gold wall unit (storage and bookshelves) which stretches over half the length of the room. Plans are being made to have a piano player on weekends to provide music for dancing or just listening.

The kidney-shaped pool for year-around dips is on the lower level below the community room. The area is complete with locker rooms and bath facilities. A second fireplace and barbecue decorate this room. In addition to the blue lighted pool, red, yellow and green umbrella tables and lounges create a profusion of color against a backdrop of fishnet, anchors and sea shells.

One entire wall is made up of sliding glass doors which open onto an outdoor patio for sunning when weather permits. As for the apartment's themselves, all are one bedroom. They come with brown tweed carpeting and traverse draperies. Each has its own washer and dryer located conveniently in the bathroom and built-in vacuum system

The Observer WOMEN

which cuts down residual dust and eliminates considerable dusting. Lack of storage space—a common complaint of apartment dwellers—has been eliminated at Brookdale Club. The living room boasts a large closet while the bedroom has a walk-in closet with built-in shelves. Locker spaces—located under the courtyard apartments—also eliminate the problem of storing little-used items and seasonal clothing and equipment. By special arrangement, space is available for large items such as pianos. Furnished apartments rent for \$167 per month while unfurnished are \$140. This price includes carpeting and draperies throughout, heat and water. To provide the greatest possible peace and quiet for residents, a silent electric survey picks up trash which is conveniently stored under the stairways. The same multi-purpose cart also cuts the grass. Another additional feature rarely so thoroughly provided for in apartments is the area lighting system. From dusk until dawn 257 lights sparkle so that residents may wander about in complete confidence or come home late without returning to a dark parking area. Picturesque post lanterns wind their way around the buildings and beside the stream. They also light a walk at the ravine edge where barbecue pits are spaced for residents' use.

Madonna Parents Meet

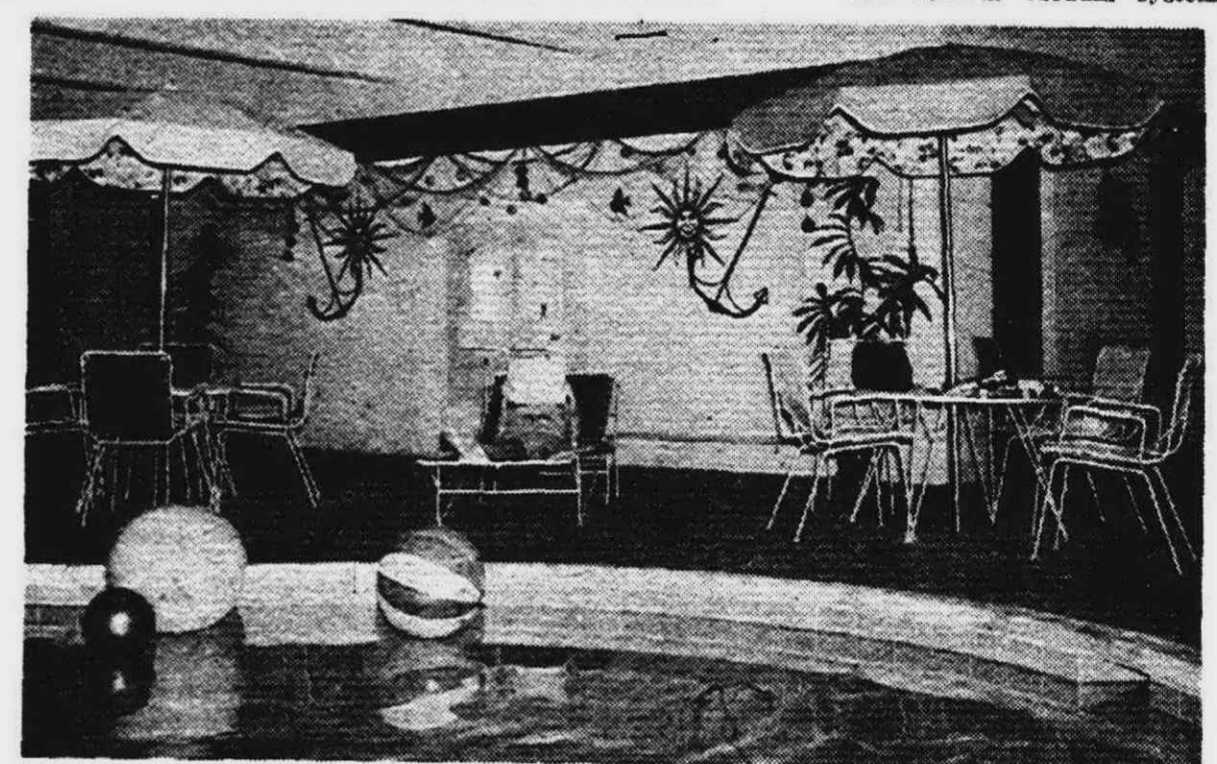

On Sunday, Sept. 20, the Parents Association of Madonna College will hold a reception for the parents and guardians of the incoming students.

This will be an opportunity for the old members of the association to meet the new, not only to become acquainted, but also to find a common ground to work together for the benefit of their daughters. Co-operative effort is essential in the promotion of any enterprise, and even more so, in the meeting of the needs of a small but growing private college. By an active interest in the cultural, creative, and financial enterprises of the college, the Parents Association will be providing themselves with many interesting hours of worthwhile activity and at the same time insuring a better education for their daughters.

One of the features of the evening program is the orientation to college life which will be given by the Faculty of Madonna College.

President Sister Mary Raynelda, CSSF, will speak on "The Objectives of Higher Education"; Registrar Sister Mary Remigia, CSSF, on "The Requirements for Admissions and Good Standing during the College Career"; the Reverend Leon O. Kennedy, on "The Place of Theology and Philosophy in the Curriculum of Madonna College."

The parents will also be introduced to the pre-professional training provided by the college. Sister M. Martina, CSSF will discuss Teacher Education; Sister M. Calasanta, CSSF, Nursing Education; Sister M. Joel, CSSF, Medical Technical; Sister M. Bridget, Home Economics; and Sister M. Dennis, CSSF, Dorm Life as Part of the Curriculum.

DIP IN JANUARY can be assured in their news-making indoor, kidney-shaped swimming pool.

N.W. Red Cross In New Headquarters

The recent move of the Northwest Regional Office of the Detroit Chapter, American Red Cross to 31228 5-Mile Road at Merriman, The Merri-Five Plaza, was planned to bring traditional Red Cross services closer to the population center of the office services.

A key person in making these many services available is Henry J. Maurer, Field Representative assigned to the Northwest Regional Office. Mr. Maurer, a native Detroit, attended Gesu School, the University of Detroit High School and was graduated by the University of Detroit in 1952 with a Bachelor of Philosophy Degree in Sociology. Mr. Maurer joined the Detroit Chapter as a field representative in April, 1960. In the Fall of that year he was assigned to his present position.

Speaking of the moving of the office to the new location Mr. Maurer said, "We are here to render service to the people of this and surrounding communities so we feel free to call on us if we can be of service. Our phone number is 422-2787."

Winter Gardening Told To Roosevelt

Roosevelt Home and Garden Club, Livonia, held their first meeting of the season Wednesday, Sept. 9 in the multipurpose room of Roosevelt School.

The meeting was chaired by President Jean Murray. Plans are underway for a club cookbook. Program Chairman Bob Yarcho introduced Roy Frost who talked to the group about "ready gardens for winter." He answered questions following his talk.

Sue Taylor was hostess for refreshments—centerpiece of fall yellow and gold mums was made by Robin Schneider.

Culture Comes to Suburban Women Via Lecture Series

AAUW Brings Listening Post Series To Plymouth

The sale of tickets to the Listening Post lecture series will be discussed at the Thursday, Sept. 17 meeting of the Plymouth branch of the Association of University Women.

Wesley H. Maurer, professor of journalism and chairman of the department of journalism at the University of Michigan, will open the lecture series on Wednesday, Oct. 21. Mr. Maurer will speak on "The Meaning of the Conflicts of Our Time."

The director of the Detroit City Planning Commission, Charles A. Blessing will speak on Thursday, Jan. 28. The topic will be "Comprehensive City Planning and Development."

Closing the season on Tuesday, March 2 will be Prof. and Mrs. Ernst Scheyer. The lecture will be "Romanticism and Impressionism: Tradition or Revolution." Prof. Scheyer will lecture and his wife, who is a concert pianist will illustrate with music.

Proceeds from the lecture series will be given to the AAUW Fellowship Fund which supports graduate work for gifted women both here and abroad. A second recipient will be a young woman attending Schoolcraft Community College.

General chairmen for the Listening Post series are Mrs. James Knowles and Mrs. John Haas. Mrs. W. E. Smith is in charge of hospitality and Mrs. Haas is in charge of the programs.

Mrs. Robert Webber, GL 3-3047, is ticket chairman. Her committee members are Mrs. LaVerne Jones, Mrs. C. B. LeVering, Mrs. P. Malboueuf, Mrs. David VanHine, Mrs. F. Lathers, Mrs. J. Spencer and Mrs. F. H. Armstrong.

Enters College

Diane Sharon Stieber has been enrolled as a freshman at Taylor University for the 1964-65 academic year. Diane is the daughter of Mr. and Mrs. Anthony Stieber 29325 Bentley, Livonia.

Ford Wives Plan DRC Party

Ford Wives Club will meet Sept. 22 in the auditorium at Central Office Building at 7:45. New members are asked to come at 7 p.m. and are most welcome. All wives of Ford employees are invited.

Katherine deJersey, noted astrologist, will head the program part of the meeting on "Follow Your Lucky Stars". Ford Wives Club first special event will be held at DRC on Middlebelt in Livonia the afternoon of Oct. 7 at 1:25.

Four dollars includes pre-luncheon cocktails, buffet luncheon, programs and club house seats. All "Ford Wives" and guests are invited to attend. For tickets contact Jackie Laese at 274-4976.

Jeffrey John Colliou Has Great, Great Grandmother

Five generations gathered for the belated birthday party of Mrs. Catherine Jane Rowe (Mrs. James) who is 74 years old.

Mrs. Rowe was born in Ishpeming and is now a great-great-grandmother.

Her children who gathered to her side were Mrs. Minnie Ruth Foreman, (Mrs. William) 55 of Wolverine, Michigan, now living in Highland Park and a great grandmother herself; Mrs. Ruth Wakefield (Mrs. Roy), 39, also of Highland Park and a grandmother at 39; Mrs. Sandra Colliou (Mrs. Harry), 20, now living in Norfolk, Va.; and four-month-old Jeffrey John Colliou born April 9, 1964 also living in Norfolk, Virginia, but a welcome guest to three very proud grandmothers.

Mercy Alumnae To Hear Growing Plans

The Mercy College of Detroit Alumnae Association's Farmington-Livonia Club will open the Fall season with a meeting at the home of Miss Delphine Root, 28439 Bayberry Road, Farmington.

Allan J. Powers, vice-president for development at Mercy, will outline expansion plans for the college.

Agnes Moorehead Opens Season For Northville

Northville Town Hall Series tickets are on sale now for five lectures at 10 dollars for the complete series. All lectures will be at the P & A Theatre in Northville. The Celebrity luncheons following the morning lectures will be held at Meadowbrook Country Club.

Agnes Moorehead opens the third-year series on Oct. 15. Miss Moorehead's experience in the theatre goes back a long way. She has also established herself as a tremendous stage and T.V. performer. Presently Miss Moorehead is appearing in a new production "Come Closer! I'll Give You an Ear Full," in which she does original interpretations and readings from well known authors.

Other speakers will be Baroness VonTrapp (from Sound of Music) on Nov. 19; Norman Garbo, Feb. 4; Commander James Calvert, March 4 and Martha Roundtree, well-known political writer, commentator and TV star, on April 1.

For further information call any of the newly elected officers. Mrs. W. R. Slattery, Chairman; Mrs. Wm. C. Soellner, Vice-Chairman; Mrs. Fred A. Tuck, Recording Secretary; Mrs. Wilson Tyler, Corresponding Secretary; Mrs. Walter Couse, Treasurer.

Agnes Moorehead

South Redford Message From Maryland Wins Bike

Miss Laura McCoy was this year's winner of Redford Township Jaycees balloon contest. The contest is sponsored by the Jaycees as part of the annual July 4th celebration. Miss McCoy's winning card was returned from Snowhill, Maryland.

Jerry Spencer, chairman of the event, presented Miss McCoy with her bicycle at the Jaycees August membership meeting.

Business Women Meet Sept. 17

First meeting of the South Redford Business and Professional Women will be held Thursday, Sept. 17 at the home of President Myrtle Atkinson. Dinner will be catered and members may plan on a swim if the weather permits.

Madam President suggests members and their guests come as early as five p. m. for that late fall dip (if it's a warm day). Call Nadine Freeman, KE 1-0492 for reservations.

KICK-OFF for the Livonia Town Hall Series came this week when Mayor Harvey Moelke presented a proclamation to Town Hall Series Chairman Mrs. Thomas Blacklock calling attention of all citizens of the area to the worthwhile cause of the Town Hall Series, namely, to support financially the American Field Service Program. Oct. 14 Livonia brings its first speaker to "Town Hall," Bennett Cerf.

JMJ Catering Remodeled, Reopens After Fire

Completely remodeled following a fire last July, JMJ Catering Service and Gourmet Bakery opened this week in deluxe style.

Owner and operator Margaret Johnson said she has enlarged her bakery department and is completely staffed and established to efficiently cater everything from a complete wedding dinner to a coffee and doughnut party. She also has a complete line of hors d'oeuvre for the hurried, harried homemaker for her next party.

She has added Scotch pastry to her line of yummys, and also the star of the meat line, Alexander Horning meats.

Mrs. Johnson will continue her policy that has made her one of the most successful catering businesses in this area, of customer money-back if there is not complete satisfaction.

The JMJ Catering Service and Gourmet Bakery is located on Plymouth Road. Newly decorated but same phone number GA 1-7469.

Mothers of Twins Invited To Meet

The September meeting of the Mothers of Twins Club will be held Monday, September 21 at 8 o'clock in the Guarantee Federal Savings and Loan Building, Telegraph at Cherry Hill. Loretta Weller and Barbara Lorin, Directors of the Wendy Ward Charm Course will be featured speakers. They will present an interesting program of Charm and beauty! This will also be a buy and sell night!

Mabel Petersen To Be Honored At Art Show

BY BETTY BALDWIN

Mabel Petersen, dean of arts and culture in Livonia, and surrounding area for many years, will be honored by the selection of her original oil painting entitled "Strings" purchased by the Merchants Association at Wonderland Shopping Center. This lovely contemporary painting can be seen for an entire week at the Civic Room at Wonderland starting Sept. 28th at 10 a.m. through Oct. 3rd. Some lucky person will have the privilege of winning

Mrs. Petersen's exceptional painting through the generosity of the Merchants, simply by signing their name, address and telephone number at the Civic Room throughout the Metropolitan Creative Art Guild's Show to be held all week. The show is to be an outstanding one by many local artists, and paintings will be for sale at very reasonable prices starting from 10 dollars to one hundred dollars.

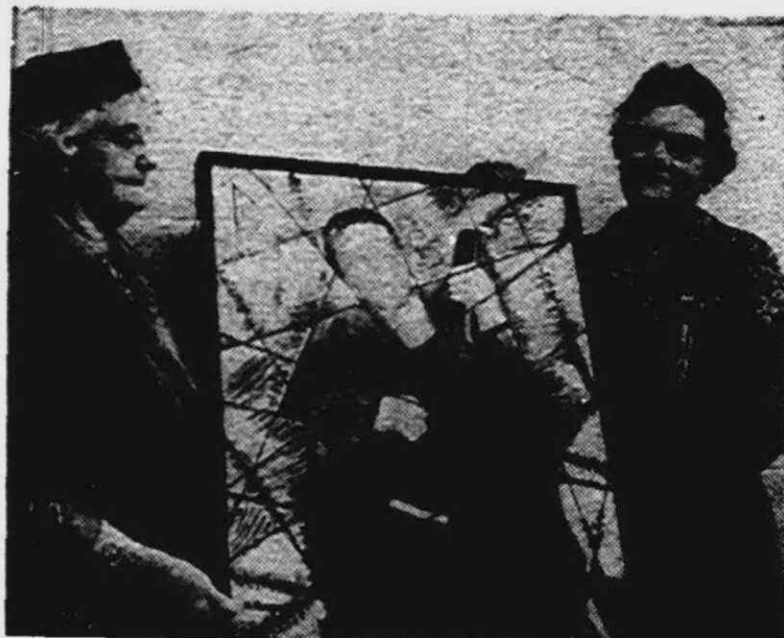

Mabel Petersen is the Founder of the Art Guild which is

now in its 10th year. She is a continual inspiration to all who know her and her contributions to Art and Culture in this area cannot be measured but will have permanence and lasting meaning.

All who know and love Mrs. Petersen are well aware of her versatility. Her talents are varied. She is an excellent flower arranger and has taught this art. She has also taught china painting and ceramics and sculpturing. For many years she has been active in Garden Clubs. She has played the saxophone, trombone, piano, mandolin and banjo and is the most accomplished and well rounded woman of culture and the arts this writer has ever interviewed.

She lives in full measure the spirit of John Keats: "A thing of beauty is a joy forever; Its loveliness increases; It will never pass into nothingness."

Mrs. Petersen is also a member of the International Artist's Guild, headquarters in St. Louis, Missouri, also the Founders Society of Detroit Institute of Art, and the Rosedale Garden Club, Dearborn Arts and Crafts. Her main interest is in the Metropolitan Creative Art Guild in Livonia. This group has members from Plymouth, Dearborn, Redford, Farmington and Livonia. Anyone interested in Art is welcome to join this group and information can be obtained from Mrs. Petersen by calling GA 1-8383.

MRS. MABEL PETERSEN with her picture "Strings" which she painted to hang in the home of some lucky winner in connection with the Metropolitan Creative Art Guild of Livonia show at Wonderland starting Sept. 28. With Mrs. Peterson is show organizer Mrs. Betty Baldwin.

Curtain Going Up . . . by Wally Roberts

Theatrical advertisements for the 1964-65 shows coming to Broadway provide little indication of the long-run status these brave, new productions will attain. From past seasons we know roughly 70 per cent of the attractions opening are certain to have their runs curtailed rather abruptly after the critics spew

forth their barbed caustic comments. Year after year hopes always run high during the fruitful fall months on Broadway. Every show is a winner. "Fiddler On The Roof" still in the process of being re-written will have the dubious distinction of being one of the first musicals of the sea-

son to be lead to the critic's literary "Slaughterhouse." Zero Mostel must be having trouble with the director since he has been missing performances while the show is in Washington, D.C. Usually our "hot line" service indicates whether or not a star is sick. Latest dispatch said nothing about his health. Actors have a way of walking out on a show if it's not to their liking. Madeline Carroll did this last week in a play she was trying out in. If Zero elects to do the same bit, I predict "Fiddler" will be doomed. I'm not so sure that it isn't already in trouble since the show is too narrow in its ethnic approach.

"Golden Boy" remains in a state of script shock. Sammy Davis is working desperately to save this production. William Gibson is re-writing whole scenes and they are throwing the raw material into the show in large chunks. Old Wally feels that it might be better for them to delay the opening in New York. Only thing that will help the show is a complete over-hauling. Musically "Golden Boy" needs some melodic tunes.

The West Coast will send Broadway a satirical revue entitled "The Committee." For the past 18 months "The Committee" has been playing to sellout audiences in San Francisco. Critics have indicated that its brand of humor is twice as devastating and downright funny as "Beyond The Fringe," the English import that played the Fisher last season. Arthur Cantor is bringing this revue into New York on Sept. 16.

Almost as important as the show will be the startling lobby innovation: the Henry Miller theater will have a bar. A new New York law goes into effect on Oct. 1 permitting bars in theaters. Alcoholic drinks will be free to all patrons until the Oct. 1 starting time. Wonder what the limit will be? Two drinks per customer? Of course, how many drinks can you consume during the intermission. In the case of some of the shows depending on their reviews it will be best for the bar to open a couple of hours ahead of the performance. Audiences from now on at the New York theaters are certain to be a bit more convivial.

Brochures from the University theater in our Detroit-Ann Arbor area flow across my desk in a steady stream. More than 30 productions are being planned for the mortar board circuit. James Rodgers at the U of D is working on "Antigone" and three other classics. Leonard Leone is holding meetings with his classic Theater folks looking at all the problems to be found in "Macbeth" and "Taming of the Shrew," two of the five shows that will grace their boards.

University of Michigan plans a full season of seven plays. Richard Burgwin, a former U of D director and head of their drama department, has returned to his alma mater to be a permanent member of the U of M drama staff. "Gideon," "The Imaginary Invalid," and Chekhov's "Uncle Vanya" are three of the four stellar attractions already announced for the new season. Dr. Burgwin will direct "Uncle Vanya."

Professional Theater in Ann Arbor offers eight weeks of top-

flight repertory theater starting Sept. 23. The APA company is presenting a Fall Festival of plays: "War and Peace," "The Hostage," "Judith," and "Man and Superman." Best news of all is that Rosemary Harris is back with the company. Old Wally truly missed her great talent last year. Paul Sparer and Clayton Corzatte, as well as Ellis Rabb, will round out the usually fine APA company.

THE BILLBOARD (Week of Sept. 17-23) Northland Playhouse "SOUND OF MUSIC" Musical was so successful first time round this summer that the management has brought it back for one more week. Don't miss this melodic musical. Ends run on Sept. 28. Fisher Theater "THE MERRY WIDOW" Early Franz Lehar operetta featuring Patricia Munsel. Tunes are delightful even though the book is a bit dated. Music lovers date on Lehar and this musical. Opens Sept. 22 for four weeks. Mendelssohn Theater "WAR AND PEACE" American Premiere of the powerful Tolstoy novel. London critics claimed it is a sweeping epic. You will have an opportunity to judge for yourself as it opens on Sept. 23 to be followed the next week by "THE HOSTAGE." Masque Theater "SEVEN YEAR ITCH" Happy comedy about adultery and its rewards. Playing week-ends at the Hotel Wolverine. Ray Wright directs. Curtain is at 8:30 p.m. Has three more weeks to run.

Combo Artists Invited To A 'Play-Off'

Wonderland Center Offer Cash-Trophies

Plans for the first amateur combo contest ever staged in this area were announced this week by Ernie Epps, promotion director for Wonderland Center. The contest, open to high-school-age band groups in Livonia, Garden City, Redford, Farmington, Plymouth and Northville, will be held in conjunction with the center's fifth anniversary celebration in October.

A \$100 cash prize will go to the musical group selected as the most outstanding. Trophies and other prizes will be awarded to runners-up, Epps said.

The contest will be under the direction of Don Mills, one of Detroit's best-known musicians. Amateur band groups must

register before Sept. 26. Mills' the grand-prize winners will be invited to perform during Wonderland's second annual "Motors and Music" stage show. Mills emphasized that contest

entrants must be non-professional and of high-school age. Application to enter the contest must be in the form of a letter containing name of group, number of musicians and name of school they attend. Auditions will be held at Wonderland on Saturdays.

Contest applications should be mailed to Contest Director, Wonderland Center, 29859 Plymouth road, Livonia.

'Hamlet' Starring Richard Burton Opens At Terrace

Starring Richard Burton, the widely acclaimed John Gielgud production of Shakespeare's "Hamlet" will open here in two weeks at the Terrace Theatre, with four performances scheduled for Sept. 23-24 in the revolutionary new electronic-optical process of Electron Vision Theatrolfilm. There will be two evening and two matinee performances of the Warner Bros. presentation. The local showing of the modern-dress "Hamlet" will be simultaneous with more than 1,000 other engagements throughout the United States and Canada.

"Hamlet," presented on the Broadway stage by Alexander H. Cohen, is the first of a series of Electronvision Theatrolfilm presentations of current stage attractions. Mr. Cohen is executive producer of the "Hamlet" Theatrolfilm, directed by William Coleran and produced by William Sargent and Alfred W. Crown. Starring with Burton in "Hamlet" are Hume Cronyn, Alfred Drake, Eileen Herlie, William Redfield, George Rose and George Voskovec.

Local Dealers Make Plymouth Antique Show A Success

If you were unable to find that special treasure at the Plymouth Antique Show this year, sponsored by the Plymouth Symphony League, then it just wasn't available.

There were 27 dealers. From this area there was Clyde Myers of Plymouth; Dodge Drug Co. from Plymouth; Jean Arlen, formerly of Plymouth, now living in Northville; Seraphia O. Moore from Plymouth; Vayle Lorton, Farmington; Monneyham's Antiques from Livonia; Thelma C. Heim, Livonia; Manor Hill, Plymouth. Ladies of DAR, Sarah Ann Cochran Chapter from Plymouth sold candy in conjunction with the sale. Those "George Washington" three-cornered hats about Plymouth and parts east indicated the purchaser had bought a dollar's worth of candy and was thus awarded with a wonderful Early American hat.

PERILS OF HAYLEY—Adventurous Hayley Mills takes a dizzying trip on the arm of a windmill in Walt Disney's Technicolor suspense-mystery, "The Moon-Spinners." Looking on is Peter McEnery, who gives Hayley her first real screen kiss in this picture, now showing exclusively at the Terrace Theatre.

Singletons Invited to Dance

Singletons are inviting all single young adults who are over 18 and under 30 to their Friday, Sept. 18 dance to the sweet sounds of "The Blue Notes" orchestra at Dearborn YMCA, Ford Road between Evergreen and Southfield Roads. Fifty cents for YMCA members, \$1.25 for guests.

'The Flings' to Play for Keeler PTA

Teachers and parents of Keeler School children will meet at the opening meeting of Keeler Mothers Club at 8 p.m. Wednesday, (today) Sept. 16 in the school gym.

Mrs. J. Wortley Montgomery, principal, will introduce the 30 teachers who will teach 6 kindergartens, 25 graded classrooms, and 2 special "A" rooms. She is urging both fathers and mothers to attend the meeting and become acquainted with their children's teachers.

Entertainment for the evening will be "The Flings," a trio from the Melody Mums of Redford Union. The singers are Edythe Blake, Marilou Bradley, and Una Kaiser.

Jean Henegar, President, will introduce the executive board of Keeler Mothers Club. Members are Gloria Kellman, Vice President; Janet McKelvey, Recording Secretary; Betty Richards, Historian; Marilou Harrison, Health; Lola Henry, Jeri Robinson, Noreen Anderson, and Helen Cockrell, Hospitality; Pat Judd and Janet McKelvey, Publicity; Jo Eland, Sunshine, and Barbara Keppen and Marge Benedetti, Movie Parties.

Also Muriel Phillips and Dianne Mienk, Public Relations; Barbara Wood, Art Department; Priscilla Good, Membership; Hilma Garlit and Adaline Litobar, Card Party; Millie Montgomery, Table Decorations; Ann Weyher and Pat Judd, Fashion Show; Lois Shumaker, Room Mothers; Dorothy Kelly, Office Mother; Marilyn Powers, Book Store; Donna Weber and Eleanor Simula, Savings Stamps; Kay Sandelin and Liz Ledford, Fair; Jean Beemer and Sue Jewett, Bazaar, and Gen Parker, Library Assistant.

Refreshments will be served by the board members.

ROY SCICLUNA 25633 Wohlfeil, Taylor Township said Friday that intruders entered his home through a rear door. A radio and movie camera were taken.

The Observer Readers 'Speak Up' About A Variety Of Subjects

Many Spoiled Ballots

Editor: I feel a great deal of confusion and certain inadequacies existed in the Redford Township election, and that these inadequacies should be brought to light. I must first say, we are not blaming these inadequacies for our loss at the polls. The people have made their choice and we support it.

There was, however, a great deal of confusion at the polls; the election officials seemingly did not know how to operate the machines or instruct the people on how to vote the paper ballots. The results of this were an average of 15 paper ballots spoiled with each precinct. That is 735 bad ballots. The election officials did not know how to correctly use the machines for write-ins.

within the 100 foot limit and nothing was done about it. I feel a great deal of revision must be made in the handling of the election by the Township Clerk and that the Township Clerk should be held responsible for the proper instruction of election officials on the use of machines, paper ballots and counting of ballots. My candidate, Ed Jeffrey, and myself wish to thank the people for their support at the polls and we hope that they will put their support behind the elected Democratic ticket.

Thanks from Victor
Editor: May I extend my heartfelt thanks to every citizen and voter who so kindly voted for me in the primary last Sept. 1st. By your action you have enabled me to be on the Republican ticket as the candidate for Wayne County Treasurer at the regular election to be held on November 3. I shall appreciate the help and the support of all citizens of good will regardless of which party they decide to support.

I do wish to include all those who gave of their time and effort to assist me in securing the nomination and am asking for your continued help everywhere in Wayne County. In return I promise to offer the very best in service to our tax-paying public, as well as all others having business with the County Treasurer's office.

To all of you again accept my most sincere thanks; I will do my best to be of service to the public and it will be a job you can all be proud of.

Not Juveniles

Editor: While reading The Observer this week on Wednesday, Sept. 9, I noticed that someone had written an article in the "Facts and Opinions" column about cars chasing the "Fire Trucks." I do not believe this is as true as this person believes. You see, I am a fireman - a volunteer fireman to be exact. When there is a fire, we firemen use our own cars or trucks to go and fight these fires. Does he expect all of us to have a fire truck? How else does he expect us to get to our jobs and the duty of the community?

Unfortunately, all of us are unable to fully equip all our cars with the necessities of a fire truck, although most of us have red flasher lights and a few of us have a siren (if this person would observe). Also, when the firemen behind the truck stop for red lights and stop signs and the roadway is all clear, they may continue on to their destination with the fire truck.

You see, I know 90 per cent of these cars are not juvenile delinquents as this person is trying to make the citizens believe.

I hope you will see fit to print this article on Wednesday. Sincerely,
DONALD C. INGERSOLL,
Fireman
Farmington

Questions From Teen

Editor: Since I am only a teenager, I know nothing about city finances, procedures, or politics, however I am still upset by the tragic accident by a fireman and fire truck on August 15. I would appreciate, therefore, if someone could explain the following to me:

1. Why fire station No. 1, long condemned, was used for so long?
2. If this fire station is closed from where will proper protection come for this section of Livonia? From one of the other stations? Is this proper protection?
3. Why the City did not spend \$400 for widening the doors on station No. 1?
4. Why, instead, the City could afford \$500 to pay umpires for children's baseball.
5. Why, instead, Livonia could afford a half million dollars on a golf course.
6. Why outdated fire fighting equipment was used by a town which prides itself on being second to none? Instead the new equipment was being stored somewhere else.
7. Why Mayor Moelke has shown no visible interest or concern in the condition of a badly maimed fireman?

"Irresponsibility"

Editor: I agree 100 per cent with Mr. and Mrs. Wright whose letter about the fire truck accident appeared last week in this paper. Regardless of the obsolete fire house, wrong size doors and old equipment the fact still remains that the driver did hit the fire truck and what is more appalling he struck the truck in the rear.

What kind of a driver is he that he cannot see a huge truck with sirens and flashers going ahead of him? Heaven help the motorist in a standard-size car if this man is allowed to use the roads.

Wesley Wisner was the victim of a contemptuous irresponsible person and all this talk about old equipment, etc., does not change that fact. Will this driver be exonerated because the fire truck was obsolete? I certainly hope not.

And I hope that every step he takes the rest of his life will

be a reminder of how his irresponsibility tragically changed the whole life of a fireman and his family.

Raps Picture
Editor: I would like to make reference to the subject photograph and assure you that as President of the Parents' Association of North Farmington High School, a considerable number of calls and complaints have been brought to my attention regarding the undesirable publication of this picture.

The inference is that North Farmington High School condones mischievous shenanigans and the razing of Sophomores. As Editor of the new Farmington Observer, we would expect you to use more prudent judgment, knowing full well that such action is definitely not condoned by the school administrators.

Thanks Firemen
Editor: Now that the bulk of the work is completed toward getting my business operating again I would like to take this opportunity to publicly thank the firemen who so promptly responded to the alarm when our store burned over a month ago.

With complete disregard for their own safety, they managed to save much of my equipment and kept the fire from spreading throughout the block. Six of the firemen collapsed from smoke inhalation and some had to be hospitalized.

Livonia Schools Expect 2,250 Suburban Residents to Enroll in Evening Program

Young and older adults will be given opportunities to brush up on old skills or learn new ones in Livonia's evening business education classes this fall.

Evening school classes will be offered in a number of Livonia locations this fall, as shown by this map. However, all registrations will be made at Bentley High School from Tuesday, September 22, through Friday, September 25, from 7:30 to 9 p.m. Classes start the week of September 28. Persons living in Redford Township, Farmington, Plymouth and other western suburban areas are invited to attend Livonia night classes upon payment of the same fees as Livonia residents.

Franklin High Schools.

Registrations for all business education courses will be taken at Bentley from 7:30-9:00 p.m. from Tuesday to Friday next week. Included in the fall program are:

Beginning and Advanced Bookkeeping and Accounting: Fundamentals of double entry bookkeeping. Books and work materials are extra.

Business English: Is your speaking ability helping you to get ahead? Is your writing ability pushing you to the top? Is your spelling and use of words correct? Improve your speaking, writing, and spelling by taking Business English. Correct, effective speech and writing are powerful tools to success. In these classes adult students are taught the right words to use at the right time in both spoken and written English. And before you know it, you'll be heading toward the top!

Business Machines: A course designed to familiarize students with some of the more common business machines. Available in our laboratory are the follow-

ing: Burroughs key-driven calculators (comp); the Marchant, Monroe, and Friden rotary calculators; ten-key and full keyboard adding-listing machines; Burroughs Director accounting machine; Remington-Rand printing calculator; I.B.M. Executive (transcribing) machine; mimeograph and spirit duplicator and I.B.M. key punch machine.

Introduction to Data Processing: An introductory course in the basic principles of I.B.M. data processing, including discussion of the punched card design, machine functions, block diagramming, and electronic computers. (Theory Only).

Advanced Data Processing: Learn computer concepts and programming. Includes numbering systems, block diagramming, computer, characteristics, and in-put, out-put media. Introduction to programming the 1400 series of I.B.M. Computers. Lecture and laboratory sessions are a part of the course. Advance knowledge of data processing necessary. Limited enrollment.

Investment in Stocks: De-

signed to provide information on the function of the stock exchange and how to invest wisely. Offered in the Fall and Winter terms only.

Beginning Gregg Shorthand: Basic principles of Gregg shorthand. For those just learning to read and write shorthand. No dictation. Class meets twice weekly. Text is extra.

Gregg 40-60 Dictation Shorthand: A complete review of basic theory principles. Beginning First Semester book used.

Gregg Refresher 60+ Short: Class meets two nights each week. Text books available first week of class.

Reviews shorthand theory and dictation starting at 60 w.p.m. Class meets one night weekly.

ABC Stenoscrypt Shorthand: This is an ideal course for a great many people. For the college student, or other person wishing to take rapid notes, or for anyone wishing to learn a shorthand system in a limited time. Not a substitute for Gregg Shorthand, but adequate for most situations. Class meets one night weekly. There is an

additional charge for the text book.

Beginning Typing: For those without previous experience. Students gain a good, basic foundation of how to operate the typewriter by the "touch" system. Class meets twice weekly. Text and supplies are extra.

Intermediate Typing: The course is designed for persons who already know how to type, but wish to increase their speed and accuracy, and review such procedures as centering, tabulation, better writing, etc. Work will be done to perfect the techniques and habits of the students who advance at their own rate of speed. Books are available the first week of class at an additional cost.

Electric Advanced Typing: This is an advanced review refresher course with primary emphasis on speed and accuracy on the "electric" typewriter.

Redford Township Firemen extinguished a bedroom fire that started in an upstairs closet at 17515 MacArthur Sept. 12.

Washable Ceilings Rate High

More than 90 per cent of the women interviewed in a recent survey said that they wanted washable ceilings in their next kitchen.

These women explained that washable ceilings simplify cleaning and reduce decorating costs.

One ceiling block on the market today eliminates all future redecorating. This plastic-finished hardboard material, called Marlite, comes in 16" square blocks.

The baked melamine plastic finish on this paneling resists heat, moisture and stains. Even grease stains can be removed with a sudsy cloth.

Marlite ceiling blocks, which are available at local lumber dealers, have tongue-and-groove edges to simplify fitting. This easy-to-handle material can be installed over any solid backing, including old, cracked ceilings.

Attractive as well as practical, this plastic-finished hardboard ceiling block comes in nugget

and gold lace patterns, as well as white and parchment colors.

Predecorated hardboard ceiling blocks can be used to blend or contrast with the overall color theme chosen for the kitchen.

Detailed installation instructions are contained in each carton so that the home handyman can do the work if he desires.

Planning makes a smooth road for the wheels of progress.

Remodel With A Flair

If you're planning to remodel the bathroom, why not shun the conventional decor for a design with an exotic flair? You won't be alone. Leading interior decorators are coming up with exciting designs ranging from the Oriental to stark modern.

There are many places to find ideas on bathroom decorating—books, magazines, brochures and manufacturers' literature. One of the best sources often is overlooked—your local lumber dealer.

Most dealers have a wide range of four-color literature available. Also, they can show you new products that might be incorporated into a bathroom improvement project.

You will find that just a few touches can create a specific decorative theme. One attractive new paneling product—a 5' wide Marlite Mural—provides a visual center on the back wall of the tub-shower area.

This accent panel, which features gold-on-white artwork, helps set the mood for the entire room. Like all Marlite paneling, it is highly-resistant to heat and moisture. This plastic-finished hardboard can be damp-wiped clean; never needs refinishing.

These mural panels come in nine attractive scenes and designs—Aquatic, Desert, Rangoon, South Pacific, Snowflake, Seascape, Fleur de Lis, Oriental, and Catalina. With this wide range of design theme available, it is easy to set your imagination in motion.

These mural panels can be installed over wallboard adhesive right over your old wall. Gold anodized moldings are available for use with this new accent panel.

If you decide to follow a South Pacific or Catalina theme, for instance, you might want to inject vivid color on at least one main wall. One of Marlite's new accent colors, such as Hawaiian coral, would be effective.

A few appropriate accessories—such as a bamboo chair, potted plant or Pacific knick-knack—complete the theme.

Let It Snow, Let It Snow . . .

Weather Won't Bother Family Living In Unique Home Built Underground

Any unsuspecting card-carrying mole is in for a shock if he bumps into one of the most unusual exhibits at the World's Fair. It's an entire 10-room house—with terrace, living flowers and shrubs, and wood-burning fireplace—all entirely underground.

Chances are, most humans who visit this exhibit are in for a shock, too, albeit a pleasant one. The idea of living in a house that's 15 feet below the ground takes a bit of getting used to. But the designer-builder has gone to considerable trouble to help you get used to it and even enjoy life in it.

And this house is designed to be lived in. Texas builder Jay Swayze has lived in one like it for 2 years and so have other families who commissioned him to build similar homes.

The house he now has up (or is it down?) incorporates many features designed to overcome the possible psychological problems of living in this strange atmosphere.

Wood windows, for example, are used generously throughout the house. The owners can sit inside and look out through their windows at the patio and

fountain—just as they would if they had a conventional house.

In the bedrooms, illuminated murals of outdoor scenes are placed outside the windows to give the feeling of space and to add interest. The windows used are double-hung units of ponderosa pine equipped with removable grills. The grills snap out to make washing easy, but in a house that is virtually dirt-free this doesn't have to be done very often.

The Underground Home is equipped with an array of modern appliances. The kitchen includes a high-oven electric range, built-in dishwasher and an electric refrigerator-freezer.

One of the most interesting features of this house is its lighting system—a combination of blue and gold fluorescent lights with dimmer controls. Used together, daytime light is produced. When the gold is dimmed, a night effect is achieved. With only the gold

lights used, brilliant, morning sunlight is simulated. Amber floodlights create a sunset.

The fluorescent lights provide ample energy for growing plants.

Why live underground, anyway? Proponents of underground living list a number of reasons, including a low humidity, a dust and pollen-free atmosphere, maximum security and pleasant weather every day of the year. It costs less since

heating and cooling are negligible, and with no harsh weather, maintenance and major replacement costs are virtually non-existent.

On top of this, they pointed out that an underground-home owner gets double use of his land. The ground above can be used for recreation such as tennis courts or swimming pool, or for a wooded area to be enjoyed when the weather is pleasant.

Rec Room Now First Class Area

The recreation room has come a long way from a time that it was an enclosed section of the basement, consisting of a few hand-me-down chairs grouped around a refreshment counter.

Today builders are including large, well-equipped recreation rooms in many of their new homes. To satisfy the demand, builders are including plenty of built-ins, woodgrained paneling, powder rooms, closets, and in some cases, a small kitchen.

Today's recreation room actually is a self-sufficient living area. Many have furniture that converts to sleeping accommodations.

The builder designing a new home and the homeowner planning a basement improvement project have one thing in common—the room must be built so that it is durable and easy to maintain.

Local lumber dealers, who work with many families in planning a recreation room, note that people do not want to spend money regularly on upkeep. For this reason, buyers are brand name conscious when they choose paneling and floor tile for a recreation room.

If the walls and ceiling are paneled with plastic-finished Marlite, which can be damp-wiped clean and never requires painting or refinishing, periodic decorating is eliminated.

Marlite plank comes in high-fidelity woodgrains, which are popular in recreation rooms, as well as modern colors. A competent home handyman can install the planks by following the instructions contained in each carton of paneling. Matching moldings are also available.

A free plan showing how to build a bar-powder room on either side of a common plumbing wall can be obtained by sending a post card to Handyman Plans, Marsh Wall Products, P.O. Box 250, Dover, Ohio, 44622. Request Plan No. 101.

Livonia Seaman Returns to U.S.
 Daniel R. Guy, fireman apprentice, USN, son of Mrs. Helen Guy, 14829 Merriman, Livonia, was one of 802 crewmen aboard the guided missile cruiser USS Providence to arrive in Long Beach, Calif., following an extended tour of duty in the Western Pacific.

Hits Romney Record: Honor Staebler Tuesday at Dinner in Plymouth

Democratic gubernatorial candidate Neil Staebler charged today that Republican Governor Romney has failed to meet his responsibilities in regard to elementary and secondary educational problems.

"The over-riding fact is that the state's contribution to elementary and secondary education, for all purposes, has dropped steadily, from 52 percent in 1950-51 to 41 percent today. This drop continued during the last two years, a time when national prosperity gave the Governor more money to spend than any governor in the history of Michigan," Staebler said.

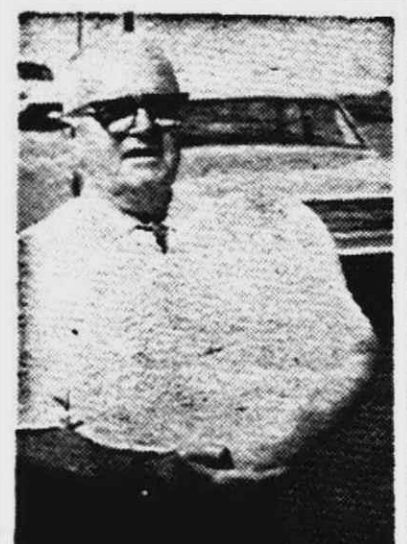

September 22nd. The dinner is being organized by the Western Wayne County Staebler for Governor Steering Committee, which include Livonia, Plymouth, Northville, Redford, Nankin Township, Garden City and West Dearborn.

"This failure has contributed to the rapid increase in our property taxes, which have now reached the point of taxpayer revolt, and we still have inadequate funds for school purposes."

"This shortage of funds is forcing many schools districts to cut back on programs specifically designed to avoid future dependency by our youth," he continued.

Staebler promised that if elected he would take vigorous action to hold the line on school property taxes, increase the general state aid for school districts, and work with the federal government and the schools to see that minimum advantage is taken of the vocational training portions of the President's War on Poverty and other federal programs.

Staebler will be the guest of honor at a \$25 a plate testimonial dinner at the Mayflower Hotel in Plymouth on

GIANT puffball mushroom is held by Harlan Hickerson, Sr., 9595 Gold Arbor, Plymouth, who was recently elected to the City of Plymouth Heights Charter Commission. The big one was 20 inches long, 15 inches across, weighed 8 1/2 pounds and was eight inches thick. And Hickerson reports the mushroom is edible and very delicious.

Area Obituaries

GILBERT LANCASTER, Services for Gilbert Lancaster, 52, of 14739 Harrison, Livonia, were conducted Monday in charge of Rev. Winston Decker with burial in Parkview Memorial Park.

Mr. Lancaster died Thursday in St. Mary Hospital following a short illness. He was born April 11, 1912 in St. Louis. He had resided in Livonia for more than 24 years when he organized the Lancaster Sheet Metal Co. on Five Mile Road. He was a member of the Grace Baptist Church of Livonia.

Surviving are: his wife, Mrs. Ruth Lancaster; three daughters, Mrs. Gloria Jantonsky of Garden City, Sandra and Ruth Ann, at home; his father, Mr. Bessie Snyder; his father, Gilbert Lancaster; and a sister, Mrs. Beulah Williams.

BEVERLY JEAN BRANDENBILH, Services for Miss Brandenbilh, 36, of 32052 Joy Road, Livonia, were conducted Wednesday in the R. G. and G. R. Harris Funeral Home, 15451 Farmington Road, Livonia, in charge of Rev. Walter Ristow. Burial was in Glen Eden Cemetery.

Miss Brandenbilh died Sept. 13 in William Beaumont Hospital following a two day illness. She was born Nov. 15, 1927, in Livonia and was employed as a nurses aide.

Surviving are: her father, Frank Brandenbilh, Sr.; three brothers, Frank Jr., Emery and Alan Brandenbilh.

MRS. BESSIE ROBINSON, Services for Mrs. Robinson, 60, of 1858 Winston, Redford Township, were conducted Monday in charge of Rev. William Van Der Veer with burial in National Memorial Cemetery.

Mrs. Robinson died Friday in Redford Community Hospital following an illness of six weeks. She was born Nov. 18, 1904 in Marquette.

Surviving is her husband, Donald.

MRS. MILDRED FRENCH, Services for Mrs. French, 47, of 16945 Mayfield, Livonia, were conducted Wednesday in the R. G. and G. R. Harris Funeral Home, 15451 Farmington Road, Livonia, in charge of Rev. T. Strubbers Higgins. Burial was in Grandlawn Cemetery.

Mrs. French died Sept. 12 in Northwest Grace Hospital following a two weeks illness. She was born Dec. 14, 1915 in Detroit and was a member of the Greater Friendship Order of the Eastern Star.

Surviving are: her husband, Alvin French; mother, Mrs. Mildred Moore; a daughter, Betty Jane French; and a sister, Mrs. Elizabeth Rouleau.

MRS. JACOBA LUTINK, Services for Mrs. Lutink, 65, of 15893 Lenore, Redford Township, were conducted Sept. 8 in charge of Rev. G. Brasure. Burial was in Evergreen Cemetery.

Mrs. Lutink died Sept. 4 in St. Mary Hospital in Livonia following a short illness. She was born March 23, 1899 in Amsterdam. She was a member of the First Presbyterian Church in Northville.

Surviving are: five children, Johannes, Albert, Hermann, Johannes, Frederic, Marie Cornelia, and Eleanor Victoria; two sisters, Marie and Cornelia; and six grandchildren.

MRS. HELEN LYONS, Services for Mrs. Lyons, 77, of 19 N. Main, Plymouth, were conducted Tuesday in the Schrader Funeral Home in charge of Rev. Henry Walsh with burial in Riverside Cemetery.

Mrs. Lyons died suddenly Sept. 10 in Rogers, Ark., while visiting her daughter. She had resided in Plymouth since 1940 and was member of the D.A.R. and the Rotary Annex.

Surviving are: her daughter, Mrs. Jane Ann Daniels, of Rogers, Ark.; and a sister, Miss Pauline Peck of Plymouth.

DR. GABRIEL BARZYK, Services for Dr. Barzyk, 71, of 24005 Pickett, Farmington, were conducted Sept. 10 in Our Lady of Sorrows Church in charge of Msgr. Beahan. Burial was in Holy Sepulchre Cemetery.

Dr. Barzyk died Sept. 7 in St. Mary Hospital in Livonia following a short illness. He was a medical doctor and was graduated in 1922 from the Detroit College of Medicine and Surgery. He was a graduate of the Harvard Medical School, member of the American Medical Association, Dental Arts Club, Cranbrook Institute of Science, and the American Association for the Advancement of Science.

Surviving are: his wife, Mrs. Josephine Barzyk; a sister, Aurelie D. Hanna; two brothers, Edward and Harry Barzyk.

MRS. LAURA BLANK, Services for Mrs. Blank, 74, of 409 High Street, Northville, were conducted Thursday in the Schrader Funeral Home in Plymouth in charge of Rev. C. Harold Cooney.

Mrs. Blank died Sept. 8 in University Hospital in Ann Arbor. She was born Aug. 11, 1890, in West Virginia. She was a member of Jehovah's Witnesses.

Surviving are several nieces and nephews.

MRS. ALICE McDUGALL, Services for Mrs. McDougall, 76, of 34146 Wood Drive, Livonia, were conducted in the William Hamilton Co., Bell Chapel Birmingham in charge of Rev. Jack Angerman. Burial was in Roseland Park Cemetery in Berkley.

Mrs. McDougall died Sept. 8 in the Gange Convalescent Home in Royal Oak after a long illness. She was born May 26, 1888, in Birkenhead, England.

She was a survivor of the sinking of the Lusitania and was once a guest of the television program "This is Your Life." She designed the capes worn by members of the School Safety Patrol.

Mrs. McDougall belonged to the Floyd Gibbons' Adventurer's Club, the Freedom Guild of London, the American Poets Society and the Red Cross.

Surviving is a son, Hector, of Livonia and three grandchildren.

HERBERT "BILL" PRICE, Services for Mr. Price, 41, of 15679 Sussex, Livonia, were conducted Monday in the St. Pape's Presbyterian Church in charge of Rev. William Whitledge. Burial was in Michigan Memorial Park in Flat Rock. The body lay in state in the Mansa-Ferguson Funeral Home, 1700 Middlebelt Road.

Mr. Price died Sept. 11 in Mt. Carmel Hospital following a long illness. He was born Feb. 23, 1923 in Detroit. He was a salesman for Dexter Chevrolet.

Surviving are: his wife, Mrs. Eleanor Price; three sons, Danny, David and James; two daughters, Penny and Kathleen; his mother, Mrs. Ruth Schmidt; father, Herbert Price Sr.; stepfather, J. W. Schmidt; a sister, Mrs. Donna Sheets, and one stepbrother, Calvin Schmidt.

MRS. CORINNE BURGNER, Services for Mrs. Burgner, 42, of 263 Farmer Street, Plymouth, were conducted Saturday in Our Lady of Good Counsel Church with burial in Holy Sepulchre Cemetery. The body lay in state in the Schrader Funeral Home.

Mrs. Burgner died Thursday at her home. She was a retired social worker and had moved to Plymouth from Spirit Lake, Iowa, a year ago. She was a member of St. Cecilia Catholic Church in Alcona, Iowa, and the Society of St. Jude in Birmingham, Ala.

Michigan AA To Sponsor State Meeting

One of the first 100 persons to join Alcoholics Anonymous will be the speaker at the concluding session of the 12th Michigan State Conference of AA in Detroit Sept. 25-26-27.

Dewey S. (no last name) as used in AA) of San Mateo, Calif., will address the concluding session of the Conference in Ford Auditorium on Sunday afternoon, Sept. 27.

He will tell of his own experiences as a practicing alcoholic and what has happened to him since coming to AA.

Southeastern Michigan General Service of AA, hosting the Conference, announced that a Canadian panel will be featured at 9 p.m. Friday, Sept. 25, to open the sessions in the Sheraton-Cadillac Hotel.

The keynote will be sounded at 9 a.m. Saturday, Sept. 26. Other Saturday activities include: three panels and a skit starting at 1:30; another panel at 3 p.m.; "AA As Seen by the Public"; at 4:15: "The Fellowship Takes Its Own Inventory" and "Life Begins with Sobriety."

The Conference will move to Ford Auditorium at 8 p.m. Saturday to hear Mary B., an Alcoholics Trustee from New York. Delegates then return to the Sheraton-Cadillac Hotel for a dance.

The Sunday morning program at Ford Auditorium will be spiritual. Its theme: "We came to believe."

Integration Is Topic for HR Group

How integration could affect Farmington is the subject of an open meeting scheduled by the Farmington Citizens for Better Human Relations at 8 p.m. Wednesday, Sept. 23, at St. Fabian's church.

The group plans to have present speakers from predominantly white neighborhoods where some integration has taken place.

The meeting is open to the public, vice-chairman Robert Leidlein announced, and all interested persons are urged to attend. The church is located on 12 Mile road between Farmington and Orchard Lake roads.

Continuing its fall membership drive, the group plans to have representatives at major shopping areas to distribute information Saturday, Sept. 19, and pulpits announcements of the drive are planned in all Farmington churches this Sunday.

Those interested in joining the group may contact Mrs. Joanne Smith, 31858 Staman Circle, GR 4-8292. Regular memberships are \$1.

Plymouth Council Asked To Reopen Fire Station

A petition requesting the City north end, will be studied by the City Commission, City Manager Albert Glassford and Director of Public Safety Kenneth

Fisher for a final decision in the near future.

The station was closed when the new City Hall opened in early August.

The petition, bearing 45 names was presented by Loren Goodale, of Shadywood Drive.

After a lengthy discussion, the matter was brought to a head when Commissioner Robert Beyer, who lives in the north end and has a drug store in the area, told the Council, "I live in the north end, I own a store in that section and I haven't received a single complaint from anyone up to the presentation of this petition."

"It is my feeling that the problem isn't near as acute as we have been hearing. I think the addition of a couple more volunteers in the north end will answer the problem very nicely."

That's when the Commission decided to give the matter more study.

Coincident with the petitions, Glassford, acting on the recommendation of Fisher, announced a change in command of the Fire Department.

The post of Deputy Chief has been abolished and Charles Groth now has the rank of Lieutenant with George Shanahan retaining his position as Assistant Chief.

A MOTION providing two work stations for a work training program in the city government regardless of whether or not the state provides financial aid for the program was approved unanimously by the commission.

Previously an amendment limiting the number of work stations to two instead of five called for in the original motion was opposed by Commissioner Robert Smith and Mayor Richard Wernette.

Commissioner George Lawton said that although he approved of the project he felt that the city should alter the program to fit its own needs should the state refuse financial aid.

Youngsters who enrolled in the program who would be school dropouts according to state requirements would be placed in the Department of Public Works. They would receive academic training from the school in addition to their work for the city.

In other action the commission tabled a resolution vacating parts of an alley and Lena and Goldsmith Streets for further study, and approved the first reading on amendments to ordinances which would provide for off-street parking in front yards in M-2, general industrial districts, and rezoning lot 816 on Hamilton St., adjacent to West Trail Nursing Home from R-2, two-family residential, to PR-1, professional residential.

At the public hearing on the resolution vacating the alley and parts of Lena and Goldsmith Streets, Elton Knapp, of Pacific Ave., appeared to speak against closing Goldsmith St. He said trucks in the area are continually applying their air brakes to avoid hitting children.

Also, commissioners granted a tree removal contract for \$2,240 to Heath Tree Service, discussed parking regulations in the central parking lot, and heard a brief report from Johnsonson and Anderson representative Philip Hampton who said the best borings for the water reservoir, were made in the wrong location and the reservoir itself was placed correctly. Commissioners also granted a six month extension for the advertising sign for Plymouth Place apartments to the Campbell Sign Co.

JUST LIKE A GOAT—Sandy Bells won a blue ribbon for Don Eveleth, 9, of 47010 Maben Road, Plymouth, in the pet show that was one of the features of the Fall Festival. But Sandy Bells, voted the cutest of the most unusual competition, wouldn't stand still one moment when the photographer arrived for a picture.

Pet Show Attracts Record 250

More than 250 pets, most ever for the show at the Plymouth Fall Festival, competed in the third annual event Saturday on the central parking lot in the downtown business section.

The program was in charge of Recreation Director Herbert Woolweaver with Mrs. Gordon Andrews serving as recording secretary assisted by Dan Hay. Through the courtesy of Margaret Wilson, owner-manager of the Penn Theater and co-director of the Fall Festival, each contestant received free tickets for matinees on Saturday, Sept. 19 and Sept. 26.

The complete results:

DOGS

GOOD GROOMING — Won by Mark Andrews (Wally); 2, Vern Spayth (Red); 3, Lorna DeMeritt (Pierre).

BEST BEHAVIOR — Won by Lynne Tobin (Boots); 2, Susan Bourret (Champ); 3, Karen Myers (Suste).

MOST FRIENDLY — Won by Barbara Baumgartner (Princess); 2, Sally Feld (Willie); 3, Robin Ketcherside (Pal).

MOST UNUSUAL PETS

CUTEST — Won by Don Eveleth (Sandy Bells, a goat); 2, Stephanie May (Bingo, a rabbit); 3, Debbie Trouteman (Elmer, a rabbit).

CATS

GOOD GROOMING — Won by Sheila May (Fluffy); 2, Martha Crumble (Calamity Jane); 3, Elizabeth Jewell (Barb).

CUTEST — Won by Carol Cavender (McDuff); 2, Kathy Harrington (Shadow); 3, Jocelyn Granger (Creepers).

BEST BEHAVIOR — Won by Sally Post (Cochise); 2, The Bonamics (George); 3, Gayle Schultheis (George).

Suffers Seizure While Driving Past Station

Plymouth Township Fireman, Clerk Act Quickly To Save Stricken Man

Quick, alert work by Plymouth Township Fireman James Gignac and Township Clerk John McEwen is credited with saving the life of

Thomas Gregory, 28456 John Hauk, Garden City, when he was stricken with either a heart or post-operative attack while driving past the Township Hall Thursday afternoon.

Gregory, who apparently realized he was in big trouble, drove into the fire department drive and was attempting to crawl out of the car when Gignac noticed something was wrong.

He rushed out to aid the stricken Gregory and called McEwen for help when he saw the man would have to be carried into the station. Gignac, aided by McEwen, administered first aid while a call was made

to Station 2 in the Lakepointe Sub for the rescue truck and an oxygen tank.

After treatment, Gregory was taken to St. Mary Hospital. Later the fireman and McEwen received a call from his son reporting his father

was resting comfortably but was still in serious condition.

He praised both men and the fire department for its fine cooperation and the speed with which his father was handled and taken to the hospital.

FLUFFY didn't win a ribbon despite the efforts of her tiny mistress, six-year-old Diane Bowerman, 563 N. Harvey, to make her look her best in Saturday's pet show in the central parking lot of downtown Plymouth. The show was one of the features of the four-day fall festival.

Winter Swim Rec Program Announced

The winter swimming schedule for the Adult Education Recreation program was announced Monday by Director Herbert Woolweaver.

The pool, at Plymouth High School, will have open swimming on Mondays from 7:30 to 9 p.m.; Tuesdays, Mother and Daughter, 7:30-9 p.m.; Wednesdays, open from 7:30 to 9 p.m.; Thursdays, women (swim instructions), 8 p.m. and 9 p.m.; Saturday, open for one hour sessions, 1 p.m. and 2 p.m.

NOTICE
 State Highway Commissioner John C. Mackie is calling a public hearing at 8:00 p.m. on Monday, September 21, 1964, in the auditorium of the Wayne Memorial High School located on Glenwood Road in the City of Wayne.
 The purpose of this hearing is to explain to interested citizens the proposed location of Interstate Route 275 in Wayne County and is held in accordance with Section 116c of the Federal Aid Highway Act of 1956, Section 128 of Title 23, U. S. Code.
 It is proposed to construct Interstate Route 275 in Wayne County as a divided, limited-access freeway from a point at the Wayne-Monroe County line just east of Grafton Road, north to an intersection with proposed Interstate Route 96 in Plymouth Township near the southwest corner of the city of Livonia.
 This meeting is also held to hear testimony from interested citizens regarding the economic effect of this proposed highway facility upon the area involved.

Three Good Reasons To Buy An Electric Dryer Now
 • Low Initial Cost • Special Installed Price • Edison No-Charge Service

When it comes to buying a clothes dryer, there are more important things to consider than an incomplete claim about a pennies-per-load operating cost. Take dryer service, for example. No matter where you buy your electric dryer, Edison will repair or replace electrical parts with no charge for parts or labor. How do you put a price tag on this extra-special service? One way is to look at what you'd pay for a dryer service policy. Typical charges, in this area, range from \$70 to \$150 over the first five years. This is the kind of money you save when you dry clothes the safe gentle electric way.

Also, model for model, an electric dryer costs less to buy than a flame-type does—some electric dryers are \$20 to \$40 less.
 And now, for a limited time, the price paid for an electric dryer includes its wiring, if any is needed. So you save even more.
 What about cost of operation claims? Just this, an electric dryer costs about 5c-7c per load to operate—and there are no other hidden costs.
 Look at all the facts. **EDISON**
 They add up to electricity.

What's New To Drive In 1965!

Holland, Michigan, has its tulip festival; Romeo, its peach celebration, and Traverse City, its cherry festival. Many other communities in Michigan and elsewhere throughout the nation mark similar special events based upon leading local products or crops.

In the Detroit area, the big occurrence of the year is the introduction of the new automobile models.

Manufacturers go to great lengths to develop new designs and to perfect engineering and styling advances in great secrecy. As the time for the results of their efforts to be revealed each year draws near, an air of excitement pervades the Motor City and its environs.

Some of this feeling of anticipation spills out into other parts of the state and over the United States, for the automobile has become

closely bound with the economic stability and the way of life of virtually every American.

The time for secrecy is past and now the manufacturers and dealers in the automobile world are about to raise the curtain on their greatest annual show—introduction of the 1965 models.

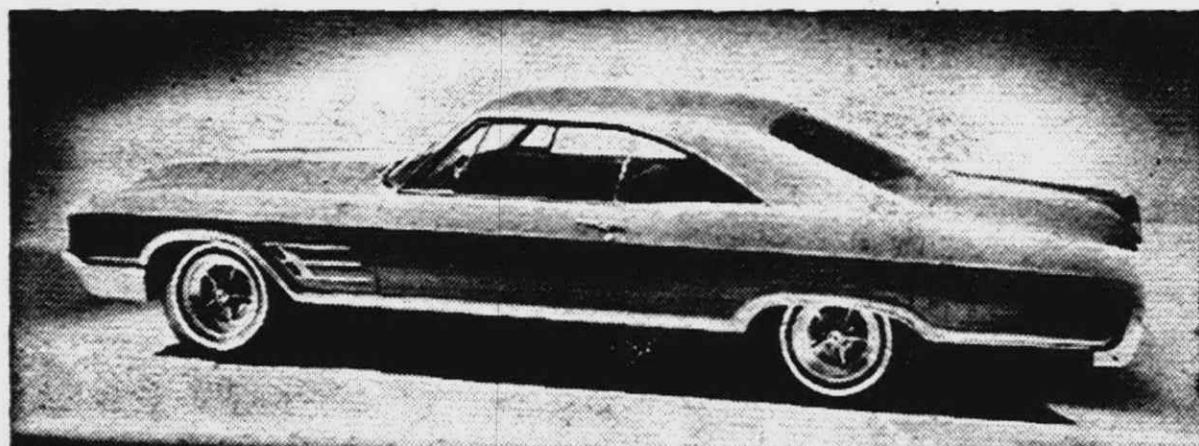

On this page, The Observer Newspapers, as a public service, present photographs of many of

the new models which will be unveiled by the leading manufacturers during the next few days.

Coming on the heels of a banner production year, they mark the opening of a new 12-month output which industry leaders predict will be the greatest in automotive history.

The theme of the introduction is "What's New to Drive in 1965!"

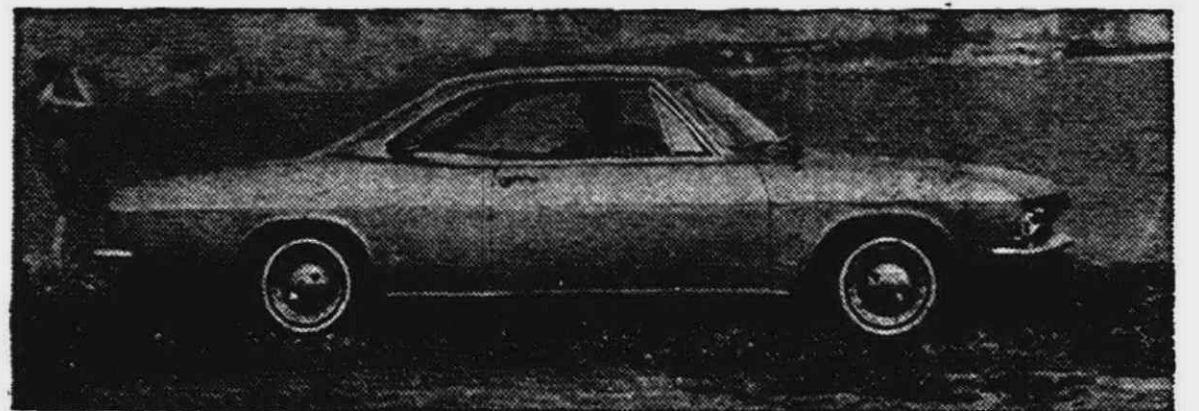

Here is your first opportunity to see and compare them.

BUICK—Shown above is the 1965 Buick Wildcat two-door sedan which features semi-fastback styling and a longer hood; lower, longer roof lines and a short rear deck. The lengthened hood and front fenders were attained by adding three inches to the wheelbase (now 126 inches), although the overall length has been increased less than an inch. Other models include the Electra, LeSabre, Special, Skylark and Riviera. All will be on display September 24 in dealers' showrooms.

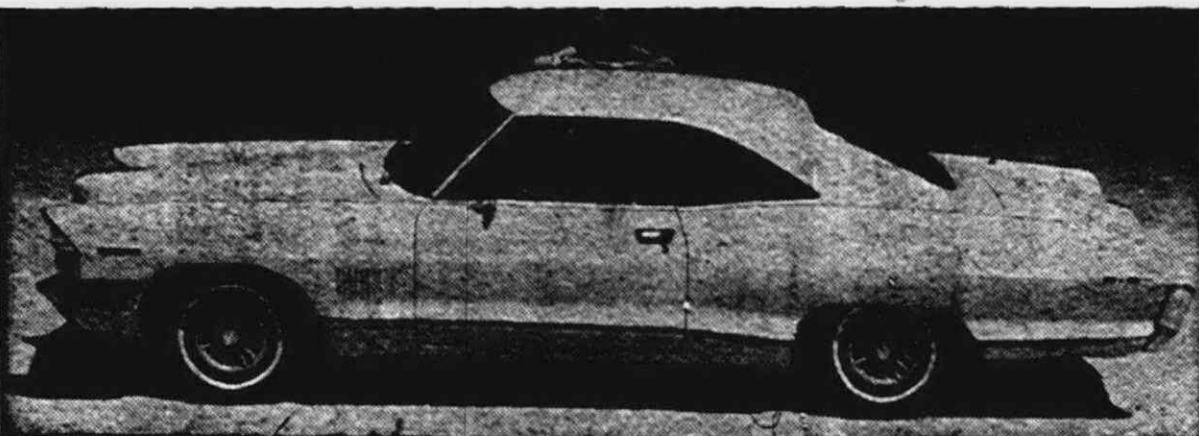

CADILLAC—The 1965 Cadillac, which will be displayed in showrooms of dealers beginning September 24, represents the most extensive design and styling changes in the company's 62-year-history. Shown above is the Fleetwood Sixty special sedan, which is four-inches longer than last year's model. The new Cadillac is offered in three series—the Calais (new this year), the DeVille and the Fleetwood—with 11 models. The Fleetwood has a 133-inch wheelbase and an overall length of 227.5 inches. Most other models have 129.5-inch wheelbases and overall lengths of 224 inches.

CORVAIR—The Chevrolet Corvair for 1965 features the compact car's first major styling change in five years. The Corsa sports coupe, shown above, and the convertible lead the new series. Also to be placed on display September 24 will be the Monza sports coupe, sedan and convertible, and two 500 models. The new Corvair is longer, wider and lower, although retaining the 115-inch wheelbase, and offers more engine power. The engine is mounted in the rear and aircooled. The Corsa has 180 h.p.

LIKE ALL 1965 full-size Oldsmobiles, the 1965 Starfire is completely new, with a roomier body and a distinctive tapering roofline. The Starfire differs from other Oldsmobile models in the design of the front and rear end, and in its side moldings which end in functional dual exhaust outlets. This sports model, on display September 24, is powered by a new 425 cubic inch Starfire engine. Oldsmobile is also introducing for 1965 a companion to the Dynamic 88 series to be known as the Delta 88.

PONTIAC—The Pontiac Catalina sports coupe, shown above, is typical of the new body design offered in the company's 1965 Catalina, Star Chief, Bonneville and Grand Prix models. The new cars will be seen in dealers' showrooms September 24. The Catalina models, the Grand Prix sports coupe and all station wagons have 121-inch wheelbases, while the Star Chief and Bonneville models measure 124 inches (with the exception of the Bonneville Safari). Overall length of the Catalina and Grand Prix is 214.6 inches; the Star Chief and Bonneville, 221.7 inches, and the Safari models, 217.9 inches.

RAMBLER UNVEILED—The Rambler Ambassador, shown here, is the longest and most luxurious of three distinctively different lines of American Motors' cars for 1965. The overall length has been increased by 10 inches on all models except station wagons, and a convertible is offered for the first time in the Classic and Ambassador lines. The Ambassador motors range from the new 155-horsepower six-cylinder to the 270 V-8 motor. The new models will go on display Sept. 23 at local dealerships.

Here They Are . . .
 . . . for the first time—American models unveiled by manufacturers are scheduled to be displayed in showrooms within a three-day period, September 23 through 25. Photographs of the few 1965 automobiles not contained on this page will be published in next week's editions of The Observer Newspapers.

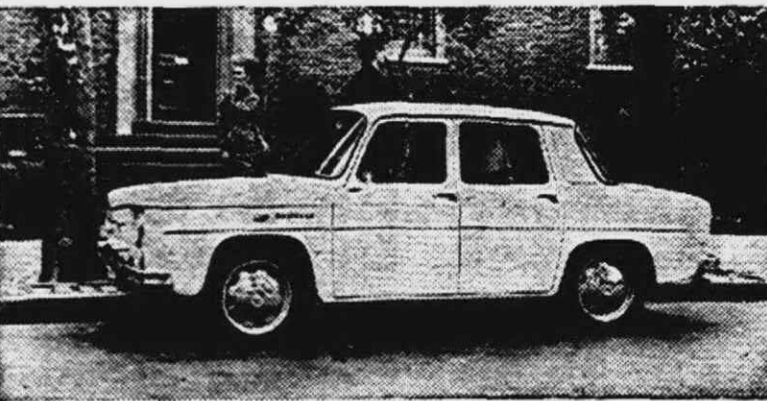

FALCON FUTURA—Increased fuel economy, with savings up to 15 per cent, has been achieved in the tastefully restyled Ford Falcon for 1965. This is the Falcon Futura two-door hardtop, one of 13 new Falcon models to be introduced on September 25 in Ford dealer showrooms. More powerful engines—including a redesigned 200-cubic-inch Six with seven main bearings for added smoothness—combine with three-speed Cruise-O-Matic or three-speed manual transmission for economy and performance improvement.

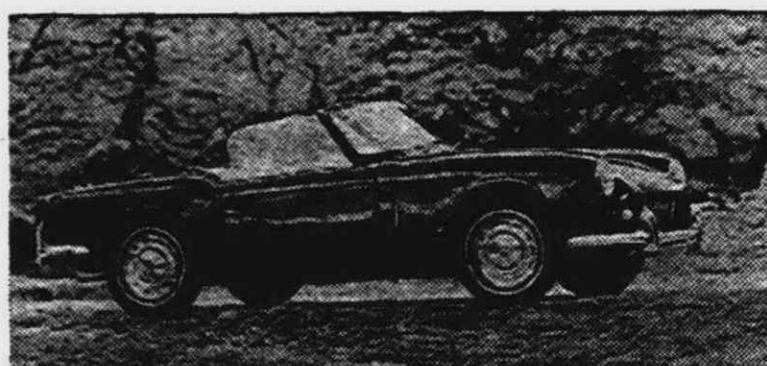

THIRD IN SERIES—A third Mustang model—the "2 + 2" fastback—joins hardtop and convertible Mustangs which were introduced last April as the first of Ford's 1965 cars. The new Mustang provides seating for four. Fold-down rear seats permit added luggage—including skis and other lengthy equipment—to be carried inside the car with driver and passenger. Standard equipment on all Mustangs are bucket seats, molded nylon carpeting, floor-mounted shift, all vinyl interior, padded instrument panel and full wheel covers. The new fastback Mustang will be shown starting September 25 in Ford dealer showrooms.

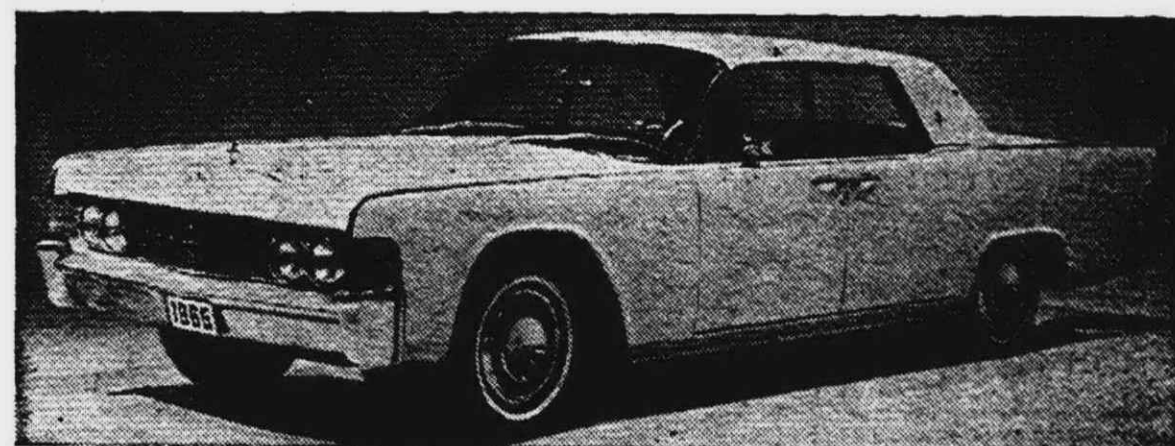

THUNDERBIRD FOR 1965—The classic Thunderbird styling and engineering is combined with such advance features as front-wheel disc brakes, reversible keys which may be inserted into ignition and trunk locks either side up, and sequential turn signals which create a light pattern in the turning direction. The three 1965 Thunderbird models—landau, convertible and hardtop (shown above)—will debut in Ford dealer showrooms on Friday, September 25.

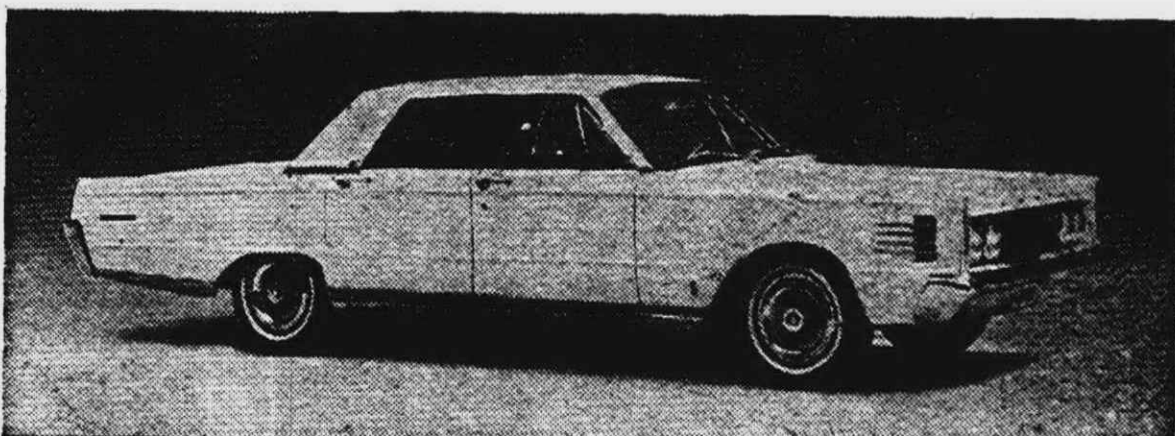

RENAULT—The 1965 line of Renault automobiles includes the redesigned R-8 four-door sedan (shown here), the Dauphine "economy sedan" that is France's most popular car, and the Caravelle, a sport convertible with traditional European lines. These cars will be presented tomorrow in local dealers' showrooms.

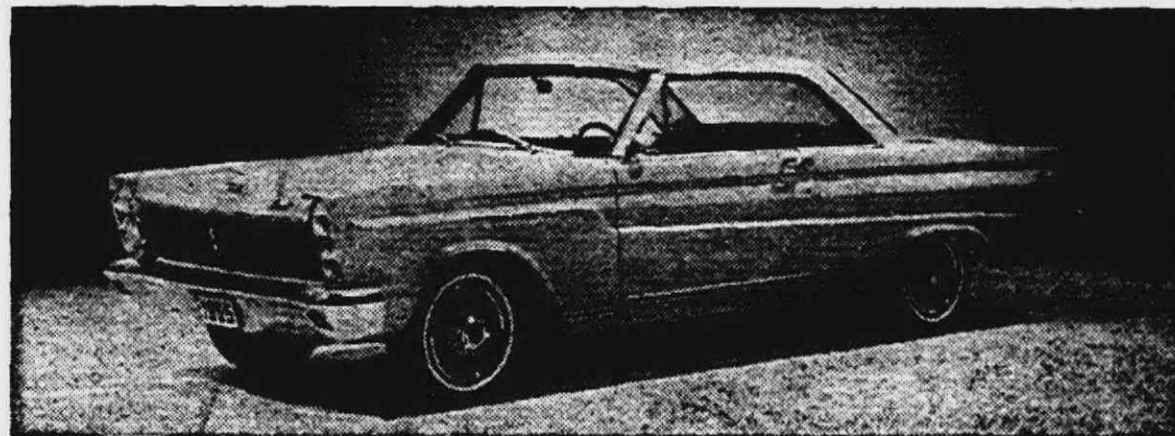

"MOST POPULAR"—The Standard-Triumph Motor Company of England calls its Triumph Spitfire (shown here) "America's most popular sports car." The 1965 Triumph models, including the roomy, four-door family sedan, will be on display starting tomorrow at local dealers' showrooms.

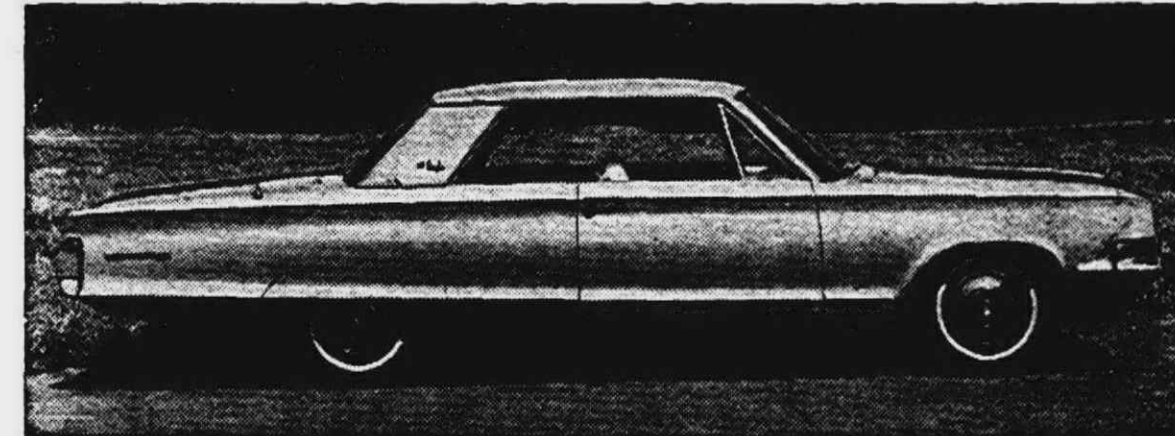

LINCOLN CONTINENTAL—Pacesetter in design and craftsmanship, the Lincoln Continental shows progressive refinements to its classic styling in its 1965 models. New models feature a host of improvements in engine, chassis and body and front wheel disc brakes are standard. A four-door convertible is offered in addition to the four-door sedan pictured here. The new models will be introduced at Lincoln-Mercury dealerships next Wednesday, September 23.

CLASSIC STYLING—Mercury for 1965 is an entirely new car, three inches longer, with classic styling that imparts a look of formality as illustrated by this Park Lane four-door hardtop. Crafted in the Lincoln Continental tradition, the 1965 Mercury has a new torque box frame and rigid body design, with coil spring rear suspension for greater riding comfort. Distinctive design features are gently curving side glass, sculptured panels and bold, clearly marked character lines. The new Mercury will be introduced in dealers' showrooms on Friday, September 25.

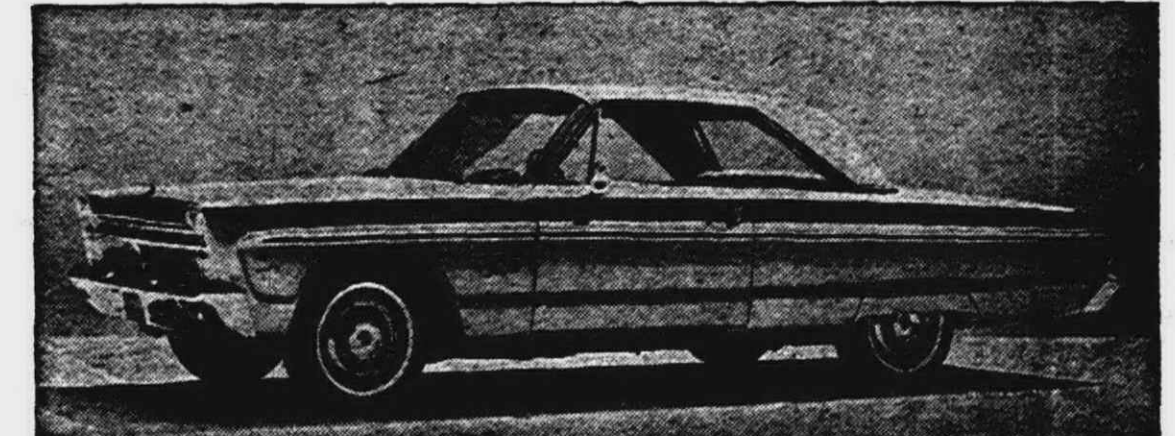

MERCURY COMET—An entirely new appearance and major mechanical advances are presented in 1965 for the Mercury Comet. Vertical headlamps are distinctive of the newly-designed front and a new electrical system includes an alternator as standard equipment. Shown here is the Caliente two-door hardtop, one of 11 Mercury Comet models which will be introduced in Lincoln-Mercury dealerships on Friday, September 25.

NEW STYLING—Chrysler automobiles for 1965 are completely new, with longer wheelbase, increased interior room, more powerful engines and improved riding comfort. Seventeen different models are available, including three new body styles—a distinctive New Yorker two-door hardtop, show above; a four-door Town Sedan in both the Newport and New Yorker series, and the 300 series. All Chrysler engines have refinements in carburetors, controls, ignition systems and electrical components. They will be introduced September 25 at local dealerships.

DODGE CUSTOM 880—Dodge introduces a completely restyled line for 1965. Pictured here is the Custom 880, which goes on display at Dodge dealers September 25. The model shown is a four-door sedan, featuring six side windows. The Polara, formerly produced on a 119-inch wheelbase, has been expanded to 121 inches. Buyers will have a choice of four engines.

NEW PLYMOUTH MODEL—Plymouth's new entry in the low-priced, full-sized field is the 1965 Fury. It has a wheelbase of 119 inches, and offers 22 models in four different series—Fury I, Fury II, Fury III and Sport Fury. Pictured above is a Fury III two-door hardtop. Buyers are offered a choice of five engines, ranging from the 225-cubic-inch six-cylinder to a 426-cubic-inch V-8. The cars will go on sale September 25.

IT'S A FACT

We get all kinds of trade-ins. As they come in, our mechanics put each one through a rigid 16-point safety and performance check. The ones that pass get the complete treatment. They're reconditioned, tuned up, tightened up, washed and polished, inside and out.

Whether they're Chevies, Fords, Caddies, or used VWs, every one has proved itself good enough to carry our reputation around in it. Trade-ins that don't pass the Exam? They don't even see our used car lot. We can't afford the luxury of selling anything but the best. Habit, you know.

Paneling Expert Tells How To Prevent Errors

Here are some time-saving paneling hints for the handyman from a home improvement expert.

The first point that Robert Huff, home improvement director for Marlite paneling, emphasizes is that the handyman should read all pertinent instructions before starting work. This will save time in the long run, as well as help prevent costly and frustrating mistakes.

One of the most popular handyman panels is Marlite plank, a quarter-inch thick plastic-finished hardwood. This 16"x8" plank has tongue-and-groove edges to simplify fitting. Since it comes predecorated, no painting or finishing is required.

Huff gives these three guide lines:

1. Walls should be thoroughly

dry before planks are applied. 2. If planks are to be used in a high humidity area, or where walls are not thoroughly dry, the backs of the planks should be wetted and stacked back-to-back on a flat surface 24 hours prior to using.

3. Always use adhesive for installation over solid backing. Concealed metal clips help space the planks.

4. Regular carpentry tools, usually only a hammer, saw and level, are all that are required for this paneling.

Before beginning the installation, lay out each wall so that the end panels are of equal width. This assures a balanced appearance, Huff says.

First nail a temporary 1"x2" level starter strip at the bottom of the wall. This will be re-

moved later and replaced by the base molding. To locate the first vertical joint, mark a plumb line the required distance from the corner.

If necessary to cut the panel to fit the corner, trim off the tongue edge. Always begin installation with the groove edges of the plank toward the area to be covered. Cut the plank with the finished side up.

Apply adhesive to both the plank and wall space to be covered. Then place the plank in position and fasten the exposed groove edge with clips.

Adhesive is applied to each plank before the tongue edge is inserted into the groove of the last plank that has been fastened to the wall. Press the planks firmly together, but do not force them. Continue this procedure along the balance of the wall.

Matching base, corner and cove moldings are available for use with Marlite plank.

Handymen looking for design ideas will find a variety of interesting room settings in a decorating guide prepared by Ving Smith, leading New York interior designer. To obtain a copy of this guide, send 25 cents to the Home Service Bureau, P. O. Box 250, Dover, Ohio, 44622.

Use Mud Room To 'Intercept' Your Youngsters

If children (and their clothes) appear to be dirtier during the summer, it's because they are! Hours of outdoor play will muss up any youngster—and his or her clothes. That's why many families are installing a small mud room near the back door.

It's easy for the youngsters, even if they are toddlers, to take off their dirty clothes and clean up in the mud room. A small shower is a "life saver" in the mud room.

To protect the area from muddy handprints and other hard wear, panel the walls with plastic-finished Marlite. Heat and moisture will not affect this paneling, which is washable.

Marlite is available at local lumber dealers in a wide variety of colors, woodgrains and patterns.

BUILT BY EXHIBITORS

The World's Fair Corporation itself built only seven of the 150 Fair pavilions: the U.S. Post Office, the administration building, the press building, the World's Fair Pavilion and the security, entrance and maintenance buildings. All other structures at the Fair were built by exhibitors.

VOLUNTEERS for the North Nankin United Foundation Torch Drive met for a planning session Thursday night. Left to right are (standing): Gayle Connell, 7725 Berwyck Drive; division chairman Betty Tromper of Wayne; Iris Cook, 7731 Randy Drive; and area chairman Marily Jackson, 8314 Rae Drive; seated: Lucia Sawyer, 30802 MacKenzie; and Norma Sprader, 7529 Donna.

Use New Guide To Plan Room

Homeowners planning a home improvement project will find a host of new ideas in a professional guide to room planning and interior decoration prepared by Ving Smith, famous New York designer and home furnishings expert.

To obtain a copy of this full-color guide, send 25 cents to the Home Service Bureau, Marsh Wall Products, P.O. Box 250, Dover, Ohio, 44622.

This booklet includes ideas on how to improve the kitchen, bathroom, family room, bedroom, living room, and utility room.

New Room Gives House Versatility

Many families can make a strong case for adding a room rather than buying a larger house, according to a home improvement expert.

Robert Huff, home improvement director for the manufacturer of Marlite paneling, points out that a room addition will cost less than a step up to a bigger house.

It avoids a costly move that would take the family away from the neighborhood where the children have most of their friends.

Huff adds that most additions are family or utility rooms. Both of these rooms must be planned carefully, he adds, so that easy maintenance is assured.

Washable walls can be assured if a practical paneling, such as

plastic-finished Marlite plank, is used. This predecorated hardwood paneling is available at local lumber dealers in modern colors as well as high-fidelity woodgrains.

The planks have tongue-and-groove edges that simplify fitting. Concealed metal clips assure proper spacing and help secure the planks to solid backing or framing members.

Gotham's Sights Extra Attraction For Fair Visitors

Out-of-town visitors to the Fair also enjoy the never-ending panorama of New York City's still-champion skyscrapers, the Times Square and Wall Street districts, Radio City, the residential outskirts, beaches, rivers, piers, airports, heliports, subways, commercial and industrial centers.

The city has attractions for everyone: museums, theaters, (on and off beat) opera house, concert halls, scientific laboratories, universities, foreign missions, and restaurants presenting the culinary arts of every country in the world.

Madonna College Adds Four Members To Faculty

Addition of four new members to the teaching staff of Madonna College, Schoolcraft at Levan Road in Livonia, was announced Monday by Sister Mary Raynelda, CSSF, college president.

The fully accredited liberal arts college for women will hold registration for fulltime students on Friday, Sept. 18 and for part-time and adult education students on Wednesday, Sept. 16 from 4 to 6:30 p.m.

For additional information about registration, contact the College Registrar at GA 7-3300 or KE 3-1400.

The four new faculty members are: Sister Mary Madonna, Sister Mary Louanne, Sister Mary Michaellette and Mrs. Barbara Jupp.

Sister Mary Madonna, CSSF, received her Master's degree in Biology from Fordham University in June 1964. She will begin her college teaching at Madonna, instructing classes in Physical Sciences and Invertebrate Zoology.

Sister Mary Louanne, CSSF, received her Master's degree in Nursing Education from Boston University in June 1964. She will teach a course in Pediatric Nursing and another in Foundations in Nursing.

Sister Mary Michaellette, CSSF, with a Master's degree in Nursing Education from Boston University in June 1964, will teach Surgical Nursing.

Mrs. Barbara Jupp, who has a Master's degree from Wayne State University, will instruct a class in Introduction to the Arts.

Of the present Madonna faculty, 34 per cent hold doctorates from universities in the United States and abroad, including Fribourg University in Switzerland, Fordham, University of Michigan, and Notre Dame.

The remaining 66 per cent hold master's degrees from such colleges and universities as Columbia, Regina Mundi, Rome, St. Louis, Boston, Detroit, Wayne and St. Bonaventure.

Courses at Madonna are open to all who wish to obtain a college education of fulfill teaching requirements or to specialize in a particular field.

The late afternoon and evening classes are recommended to women who are busy with other tasks during the day.

The following courses will be offered in the late afternoon and evening: painting, drawing, history of Art, microbiology, general physiology, office management and practices, Foundations of Education, reading and other language arts in the elementary school, Victorian literature, Intermediate French, Latin, Cicero and composition, elementary analysis, fundamentals of musicianship, principles of Physical Sciences and contemporary social movements.

In the adult education program, the college will offer two non-credit courses in the History and Appreciation of Art with special emphasis on Modern Art.

FALL ARRIVES NEXT TUESDAY

Autumn will begin at 7:17 p.m. Tuesday (Sept. 22). The sun's apparent arrival at the autumnal equinox marks the opening of the season when the night becomes longer than day, University of Michigan astronomer Hazel M. Losh explains.

"Since June 21, the sun has been steadily moving southward, and on the day of the equinox it will cross the equator," Professor Losh says.

The sun will rise and set almost exactly at the east and west points, and the day and night will be said to be equal.

"Strictly speaking, however, this is not true," Professor Losh points out. "Due to refraction of the sun by the earth's atmosphere, the hours when the sun is actually visible on Sept. 22 will exceed the time when the sun is out of sight by nine minutes."

Equal day and night will come on Sept. 26 and, from then on, the day will steadily grow shorter.

Another astronomical highlight of the month: Five bright planets will be visible between sunset and sunrise. Saturn, rising in the southeast around sunset, is visible the whole night through. Rising around 10 p.m., to the north of east, is bright Jupiter.

Philosophical Debate Program Set by U-D

Philosophical debates, lectures, dialogues, and arguments will be conducted in a series of biweekly sessions at the University of Detroit this year by members of Phi Sigma Tau, national philosophy honor society.

They will convene on alternate Thursday evenings at 8:15 p.m. in the U. of D. Student Union Building at Florence and Livernois with the first session Oct. 1.

Robert L. Richardson of 20037 Southfield, president of the Society, said the sessions are designed to "engender keener interest in the discipline of philosophy among faculty, students, alumni and interested members of the community."

He indicated that some of the meetings will consist of formal treatises by distinguished philosophers, followed by a question and answer period; while others would be informal debates between students or faculty members.

The meetings are open to the public free of charge. The schedule for the first few meetings is as follows:

Oct. 1—Dr. Walter H. Turner; "Dante Alighieri, Towards a Christian Separation of Church and State."

Oct. 15—Dr. H. J. Kornmuelter; "Foundations of Morality."

Oct. 29—Dr. Kato Payas; "Knowledge by Intuition."

Nov. 12—Dr. James Freer; "The Self and the Other."

Dec. 3—Fr. James Magner, S.J.; "An Ethics for the Newspaper, Television and Radio Man."

People who worry too much about the future often overlook the tasks of the present.

Highway Use Rises In State

Motorists drove nearly eight million miles more each day on Michigan highways during the first six months of 1964 than they did during the same period in 1963.

State Highway Commissioner John C. Mackie said an estimated 18.8 billion miles were logged on Michigan highways between Jan. 1 and June 30 of this year, compared to 17.5 billion during the same period last year.

That's an increase of 7.8 per cent—the largest year-to-year increase in traffic for the first six months that Michigan has had since the end of World War II.

"If the present trend continues—and from every indication traffic was up during July and August—nearly 39 billion miles will be driven on Michigan highways this year, compared to 36.5 billion during 1963," Mackie said.

Bentley, Farmington To Battle In Opener

Farmington vs. Bentley at Bentley High Friday evening. It shapes up as an interesting high school football opener for both sides.

Reason: Both teams are hopeful of bouncing back on the prep grid scene after some tough going in recent years.

If there's an edge on the eve of the game it would appear to belong to Farmington, which boasts a solid backfield of veterans while Bentley is beset with some problems, especially at the quarterback slot.

Coach John Hayes at Farmington, who has seen his charges win only seven times in the last four years, presently bemoans two facts: Lack of weight on his team and a murderous schedule.

He'll present an experienced backfield with Ron Cleveland at quarterback, Dick Johnson at left half, Roy Leech at full and Bruce Charles at right half.

Behind them are Dick Isbell and Ray Lardie, the latter back after missing the '63 season with a broken leg. Ron Short and Mike Wilson could help — the Wilson young man with his fine passing.

Hayes also is grooming some "fun" for the opposition. With capable runners and passers in the game at the same time — Johnston played some quarterback and heaved the ball well a year ago, there's no telling who might be about to run or pass.

"Maybe we can startle our rivals that way," adds Hayes. The veterans in the Farmington line will include Tom Mitchell and Terry Neilson at the ends; Keith Collins and Rick Lessway at the tackles; Mike Freeman and King Cotton at the guards, and Mike Parry, a linebacker.

Bill Crane, out most of last year with injuries, is on deck to lend experience at center. The weight problem at Farmington boils down to one shocking figure. Lessway is the only 200-pounder up front.

"I hope the rivals don't wear us down," adds Hayes. Over at Bentley, where Coach Larry Joiner is eager to get his forces off on the right foot after a 2-5-1 season in '63, he still is working between Nick Bondar, a junior, and Harvey Jaksh, a senior, as his quarterback.

"I think we'll just have to try both of them under fire," said Joiner. "To see which is the best man to handle the job."

There are nine veterans on the Bentley roster. They are Backs Phil Maynard, Mike Materna, John Plumley, Dennis Lopez and Bob Lucas.

In the line, the holdovers are All League Dick Larsen, guard last season, and now a tackle; Tom Doll, a guard; Ken Cox at center and John Harrison at end.

"We're going to have to learn in a hurry," adds Joiner, who so far has been impressed by the hustle and the desire of his squad — especially the inspiration provided by the newcomers.

Joiner warns Bentley followers not to be shocked by any mistakes during the early going.

"One has to remember that the bulk of our squad is composed of sophomores," says the coach. "Then, too, neither of our two quarterbacks is a letterwinner. They'll have a lot of pressure on them."

All of which explains why the first game shapes up as vitally important to Bentley — and to Farmington.

After the recent losing season at both schools, happy beginning can make all the

difference as the fall season progresses.

"If you lose — and badly — well, neither coach wants to

think negatively at this time of the year.

Kickoff Friday is slated for 8 p.m. on the Bentley gridiron.

FEW HOLES remain to be filled before Bentley High football coach Larry Joiner has his team ready for Friday's 1964 opener against Farmington under the lights on the Bentley High field. Joiner is shown with eight returning regulars from last fall—but there are three big gaps in the line. The group includes

(line, from left): Tackle Rich Larsen, Guard Tim Doll, Center Ken Cox and End John Harrison; (backfield, from left): Coach Joiner, Halfback Phil Maynard, Fullback John Plumley, Halfback Mike Materna and Halfback Bob Lucas.

Clarenceville To Greet N. Farmington Gridders

Something must give right off the bat Friday night when North Farmington invades Clarenceville (8 o'clock) to lift the lid on the 1964 football season for both high schools.

Both coaches—Ralph Temby at Clarenceville and Rod Holland at North Farmington—envision possible winning seasons.

A "winner" would be something new at Clarenceville. When the school won its 1963 finals, it marked the first time in two years Clarenceville had triumphed on the gridiron.

"While we lost several boys," says Coach Temby, "we sense a new spirit on this team. The great number of new boys on the team seem to

inspire those who are returning."

Danny Freels is slated to guide the Clarenceville attack from the quarterback slot. He played the post during most of the '63 season. Right behind him are Dave Wilson and Chuck Watkins.

Jim Bedson, last year's speedster, is back. So is Chris Hawkins, who worked mostly on defense in '63 but now will go both ways.

Mike Nye, a sophomore; Ray Parker, junior; Paul Merrinew, junior; Larry Martin, sophomore, and Larry Ray, senior, also are contesting for backfield posts along with Rich Hahn, a senior fullback.

In the front wall, Tom Nelson, a junior and Gary Yockey, a senior, have returned. But Sophomores Jim Amick and Ron Ray have done a good job in practice and will be seeing considerable service.

At the tackles, there are Jim Prisk and Fred Welton, juniors; John Harrison and Randy Smith

sophomores, and Seniors Terry Graff and Jack Forsyth.

Dave Kaipic, Jim Silwai, Tom Schlack and Joe Niestroy head the guards while the center candidates are topped by the team's two "giants,"—George Keen at 275 pounds and Greg Harnden at 250. George Quenselle alternates between guard and center.

North Farmington will field a team which includes 13 lettermen against Clarenceville.

Coach Holland is counting on Quarterback Andy Lawing to lead the backfield with Gerald Bliss and Bob Lindermer at alternating left halfback, Jim Listerman at right halfback and Ron Peterson or Chuck Bares at fullback.

The holdovers up front include Ron Martini and Skip Moore at the guards; Pete Dolan and Gerald Pound at the tackles; Tom Drausch at end and Jim Jajick at center.

Both Clarenceville and North Farmington are speedy teams which could make matters all the more interesting on the

R. Union Unveils New '11'

Football Coach John Rogers of Redford Union high school doesn't like to sing a dull tune. He'd rather warble a merry song . . . especially when it comes to his grid squad.

With only five veterans around with whom to build, Rogers has his work cut out.

"It could be a long fall for us," says Rogers, as Redford Union gets ready to start the season against Redford in a non-leader Friday night at RU.

RU will start with Harry Kendrick at quarterback and Mike Fritz at one end. They make one of the best passing combinations around these parts.

Eric Bargo at fullback will give the RU team a nifty runner. In the line, Charley Sroek at tackle and Bill Melvin at guard will lead the way.

The rest of the lineup will be comprised of comparatively new faces — names like Terry Shirley, Jimmy Johnson, Rick Carlson, Bill James, Ray Wisner, Keith Hirvoren and Bob Giggolotti.

"If we get off to a good start Friday night . . . who knows? . . . we might fool some folks," adds Rogers.

"But the way it looks now, we'll have to fight uphill most of the time this fall.

"Hazel" To Give Punt, Pass Tips At Wonderland

A 20-minute color movie featuring AV comedienne Shirley Booth will be shown Saturday, Sept. 19, in the Wonderland Center Civic Room.

The film, produced by the Ford Motor Company to acquaint youngsters with the National Football League's "Pass, Punt and Kick" contest, will be shown continuously from noon to 6 p.m.

Miss Booth is the star of "Hazel," popular television series.

The "Pass, Punt and Kick" contest in this area will be held at Wonderland Center. Youngsters interested in competing can register now at Bill Brown Sales, Livonia Ford Dealer.

Let the other fellow's experience be your best teacher.

Demolition Derby Tops Race Card

The first 200-car Demolition Derby ever held in Michigan will be presented by Promoter Pete Spencer before the grand stand at the State Fair Grounds in Detroit on Sunday afternoon, Sept. 20.

With a single exception, 200 cars, driven by fearless drivers will be demolished during the death-defying 2½ hours of smashing, crashing automobiles.

Similar destruction derbies held in Michigan, even though on a much smaller scale, have held audiences spellbound as they watched astounding destruction in what might be regarded as ordinary, minor accidents.

Drivers, many expert racers who have won many honors at various tracks in Michigan, are protected by crash helmets and seat belts.

About the only rigid rule—even though it is an unwritten one—is not to crash into another car on the driver's side. Otherwise, almost anything goes in order to put other drivers out of action.

A series of eliminations will determine cars to run in the grand finale. The first elimination gets under way at 2:30 p.m.

HOBEN STARTS LAST YEAR: Nostalgia Marks Rocks' Opener

There'll be a touch of nostalgia in the air Friday night when Mike Hoben sends his Plymouth high school football team on to the Rocks' gridiron to meet Northville in the 1964 opener.

For Hoben, this will mark the beginning of the end.

Whatever happens to the Rocks in 1964, as far as football is concerned, Hoben won't be back coaching next year.

He has already announced his retirement in order to work full time at his new job as an assistant principal at the high school.

Needless to say, Hoben would like to go out a winner—with a team like his 1963 unit which won the Suburban Six League championship.

Hoben doubts that this can be accomplished.

"We haven't the line to win a title," he says. The Rocks plunge into the new season against non-league Northville with a dandy backfield. John Daniel is back at quar-

ter. He can rifle the ball with the best in the prep ranks.

Gary Grady and Roger Tobey will combine to give the Rocks a terrific one-two, running punch. The fourth member of the starting unit likely will be Curt Irish, another letterwinner.

Jerry Cosgrove will work behind Daniel, with Charley Price, Rick Jones and Johnny Adams on the job to assist in any other backfield duties.

As for the line . . . Hoben looks out over his crew and notes:

"We lost all our regulars at end, tackle and guard."

Rick Bacon and Charles Hinitler, who alternated at center a year ago, are the only experienced forwards back.

Men like Jim Lake, Dave Tidwell, Gary Watson, Steve Stribley, Paul Densmore and Hal Watson all played some for Plymouth as linemen in '63. The likelihood is that they'll play a great deal more this fall.

Awaiting Debuts Two New Coaches

All coaches are nervous at the outset of a new season. But for Bob Bentley and Bill McDonald these are particularly anxious moments.

That's because, come Saturday, both will make their debuts as head football mentors . . . Bentley at Franklin High and McDonald at Thurston High.

Neither is a stranger to the coaching ranks. Bentley long has been identified with basketball powerhouses—first at Bentley High School and then at Franklin.

McDonald, too, has a basketball background. He coached the varsity at Thurston a few years back, before moving to a junior high in the South Redford district "to relax" a little from the rigors of varsity competition.

But the urge of varsity coaching got to McDonald and when Gordie Young resigned last summer to devote full time to running Thurston's sports program, McDonald happily accepted the appointment and became only the school's second grid coach in its history.

Both Bentley and McDonald talk in about the same vein as they prepare for their Saturday afternoon home opener — Franklin entertains Cherry Hill while Thurston engages Southfield.

The kickoff in each instance will be at 2 p.m.

"This is a challenge for me," says Bentley. "I always have liked football. I assisted at Bentley and at Franklin and always looked forward to the day when perhaps I might take over a football team and run it."

Over at Thurston, McDonald commented:

"This is a great break for me. We have fine football talent at Thurston. I've helped in football in the past and I must admit, I hoped the day would come when I had a chance to be a head coach in football."

By coincidence, both Bentley and McDonald find themselves in the same league — the Northwestern — in which North Farmington also is a member along with Birmingham Groves and Oak Park.

This means that Bentley and McDonald will be locking horns later in the fall . . . and it could be that when they clash . . . a title might hinge on the outcome.

McDonald starts his football tenure at Thurston boasting one of the most mammoth front lines in the area's prep circles.

His forwards will average upwards of 190 per man . . . which could spell only some trouble for the opposition.

Richard Stefani and Mike Shaner at the ends go 190 pounds. Tackle Jerry Szotack checks in at 230 and his running mate, Dave Kirby, at 190. Kim Halstead, Dave Spikes and Rick Austin, all will work at guard, and each weighs in the 190 category.

There's a "midget" at center — Don Harris. This sophomore weighs a mere 210 pounds.

The backfield poses headaches for McDonald. Whether

John Page or Soph Barry Simescu gets the call at quarter isn't certain.

The only certainty is that Pete Marselese, a hard-driver, will be at fullback. He's the lone returning backfield vet.

Over at Franklin, Coach Bentley has a reverse situation. He has the backs . . . but not the line.

In fact, Bentley says he'll have "a terrific backfield."

Dennis Wagner and Bernie Carbo are fighting it for the No. 1 quarterback job. It'll be either Sam Antonazzo or Larry Naifeh at left half. Ken Bortherton have moved over to right half where Roger Frayer is contesting him for the regular slot.

At fullback, Franklin is three deep — Larry Yonish, Ron Hively and Gary Rogalski.

In the line, Franklin will pre-

Sorrows Eyes Tough Going

Seven and nothing in 1963—and the divisional champs!

This year it's going to be much different for Farmington Our Lady of Sorrows' football team, under the coaching of Bud Webster.

"Graduation just wrecked us," declared Webster as he prepared his charges for next Sunday's opening game at Waterford's Our Lady of the Lakes.

"I'd say we'll be lucky to finish with a 50-50 record this season," the coach continued.

Webster was quick to admit that he wasn't singing a gloomy note just to keep pace with other members of the coaching profession.

"Those who know me will tell you I call 'em as I see 'em," explained the coach. "Last year, I expressed optimism from the start. I knew we had ourselves a good team. This year, it's just a much different story. You

can't win with a lot of inexperienced players."

In a nutshell, Webster described most of his players "as green as grass."

Sorrows does have some fine talent around, although it's on the short side.

There's Mike Bars, 6-4 and 215 pounds at center. His coach calls Bars the "best Class C center in the state."

Guards Pat McPeak at 190 and Tony Stencil at 155 both are four-year men on the Sorrows' varsity.

These three constitute the only veterans up front.

In the backfield, Myles Kearney, 175 pounds, shapes up as the key man. He'll do the passing, running and punting. Or at least most of it. He, too, is another four-year performer on the varsity.

Dennis Connelly, in his third year, never has been a regular. This 195-pounder is coming along fast in his bid to become the first string fullback.

Mike Blouin, 170-pound tackle, has no previous offensive experience. This year he will have to go both ways. It's still a question whether Jim Kreamon, first string tackle who is recovering from a broken leg, will be of any service.

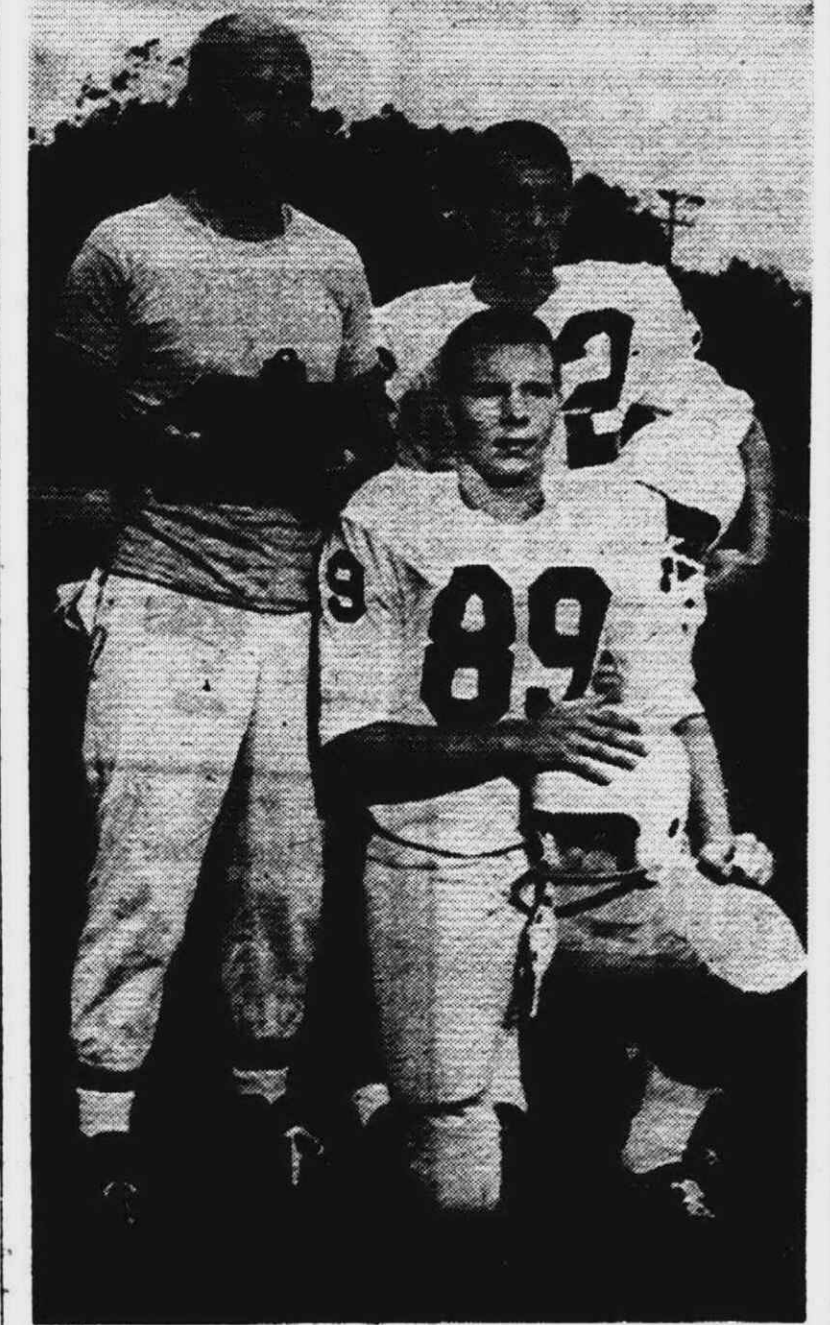

Tommy Hornes, a sophomore, has excelled in early work at tackle, while Rick Korte, shifted from defensive back, tops the end candidates. The Sorrows' team suffered heavily in losses at end—with the four top 1963 men at the post all graduating.

Bob Urbane, a leading candidate for quarterback, is handicapped by a broken thumb. This could mean that either Jerry Turner, who weighs only 120 pounds, and Jim McGrath (145) will handle Sunday's opener.

Jim Barnes, 155 pounder, rates as a fine wingback who should be seeing considerable service.

Webster is no novice at coaching. Before coming to Sorrows, he guided teams in New York, Florida, Massachusetts and New Hampshire.

He's being helped this season by Herb Coleman, a one-time star at Notre Dame, Coleman's son, Mike, starred at Sorrows last season and now is at the University of Pittsburgh.

TWO LIVONIANS, Paul Portney (22) and Larry Dickie (89) are shown with Coach Bill Carr as they reported for early football drills at Alma College. The two graduates of Bentley High are among 24 returning lettermen. The Scots open the season Saturday when they entertain Manchester College of Indiana. Portney is a wingback and defensive halfback and Dickie is an end.

HOCKEY TIPS from the world's No. 1 player were given these three Livonia youngsters by Detroit Red Wing star Gordie Howe at the annual school in Olympia Stadium. The group includes (from left): Jerry Vanderhaven, 16-year-old left wing, 9721 Newburg Road; Howe; Stephen Allen, 16-year-old center, 31198 Hathaway; and Greg Ochs, 17-year-old right wing, 32729 W. Chicago. The trio was part of a total enrollment of more than 350 who participated in the four one-week classes.

Livonia-Owned Crimson Satan Seeks Second Title

10 of Nation's Best Go in Michigan Mile

A thoroughbred champion who is bidding for an unprecedented second straight victory will top a brilliant field in the 16th renewal of the \$62,500 added Michigan Mile (and one-sixteenth) to be raced at the Detroit Race Course Saturday, Sept. 19.

Crimson Satan, from the Crimson King Farm of Detroit and

Livonia industrialist Peter Salmen, heads a probable field of 10 starters for the richest race in Michigan thoroughbred history. Salmen owns the Dependable Kelling Co. on Schoolcraft Road.

The added value of the Michigan Mile was boosted from \$50,000 to \$62,500 this season.

A crowd of approximately 25,000 is expected to see the 16th renewal of a race which has gained national prestige and become the Michigan showcase for the sport.

Gov. George Romney will make the presentation of The Mile Trophy to the winner. The trophy is a beautiful sterling silver creation, which is an outline of the state of Michigan.

Crimson Satan, a five-year-old son of Spy Song, won the 1963 Mile in track record time of 1:40 3/5. He won by a dazzling five and one-half lengths over one of the year's finest Handicap fields. Decidedly, the 1962 Kentucky Derby winner, finished second and Greek Money, the 1962 Preakness winner, was third. Crimson Satan was ridden by Herb Hinojosa, who is returning

to ride him again Saturday.

This will be one of Crimson Satan's last appearances of a great career. Owner Salmen recently announced his star would be sent to stud at Leslie Comb's Spendthrift Farm at Lexington, Ky. at the close of the current year. He has earned \$796,077 during his career and stands 13th on the all-time money winning list.

Crimson Satan's strongest opposition is expected to come from Going Abroad, which was second three weeks ago to the great Gun Bow in the \$114,000 Washington Handicap at Arlington Park; Close By, a West Coast invader from the stable of Rex Ellsworth; the consistent Lemon Twist, which is owned by Detroit's T. D. Buhl; T. A. Grissom's City Line; and Barbaron, the winner of the \$20,000 Labor Day Handicap at DRC.

Other probable starters include Delta Judge; Inbalance, Drill Site, Upper Cut and Tibaldo.

The Michigan Mile was inaugurated in 1949 when Dale Shaffer formed the Michigan Racing Association, the corporate

predecessor of the Detroit Race Course. It took its place among the nation's most important stakes in 1953 when its value was increased to \$50,000 added.

The Mile winners have included such outstanding stars as Bully Boy, Second Avenue, Spur On, Neartic, the sire of Northern Dancer; American Comet and Beau Prince.

The running of the Michigan

Mile will climax the biggest week in Michigan racing history. There will be a stake each day. The week's secondary feature will be the \$15,000 Sweet Potatoe Handicap, for fillies and mares, three-year-olds and up, which will be contested Thursday, Sept. 17.

On Mile Day, there will be 10 races on the program with post time at 2 p.m.

Junior 11's List Cards In Livonia

A complete schedule of varsity and Lightweight games for Livonia's Junior high school football teams has been announced by Athletic Director Les Anders.

The Varsity schedule follows: Sept. 25 — Bryant at Whittier, Riley at Clarenceville, Emerson at Frost, Whitman, by.

Sept. 30 — Clarenceville at Frost, Riley at Bryant, Whittier at Whitman, Emerson by.

Oct. 9 — Clarenceville at Whittier, Whitman at Emerson, Frost at Riley, Bryant by.

Oct. 16 — Riley at Emerson, Whitman at Clarenceville, Whittier at Bryant, Frost by.

Oct. 23 — Emerson at Bryant, Frost at Whittier, Whitman at Riley, Clarenceville, by.

Oct. 30 — Frost at Whitman, Emerson at Whittier, Bryant at Clarenceville, Riley, by.

Nov. 4 — Whittier at Riley, Bryant at Frost, Clarenceville at Emerson, Whitman, by.

The Lightweight teams will play five games each.

Sawchuk Back As Wing Foe

Terry Sawchuk returns to Olympia Stadium Thursday, not in a familiar Detroit Red Wing uniform that he wore for 12 seasons, but as a member of the arch-rival Toronto Maple Leafs. The Wings clash with the defending champion Leafs and their former teammate in the first of 13 pre-season games.

Sawchuk, a 14-year veteran at 34, was obtained by Toronto this summer in the National Hockey League's draft. His drafting, for \$20,000, was the high point of the league meeting in June. Detroit chose to make him available after selecting rookie goalie George Gardner from Boston.

Guarding Detroit's goal Thursday will be 22-year-old Roger Crozier, the acrobatic youngster who will replace Sawchuk this season. Roger played 15 games for Detroit last year, but spent most of the season with Pittsburgh, where he was voted rookie-of-the-year in his first year of pro hockey.

Tickets for Thursday's game, which is the first of two pre-drafting pre-season games at Olympia with NHL teams, are priced at only \$1.00, \$2.00 and \$3.00. The second of these rare previews is set for Sept. 27 with the Chicago Black Hawks.

The Leafs, winners of the Stanley Cup the past three seasons, will have played three earlier games by Thursday while the battle will be the initial test for the Wings who started training last Wednesday. Detroit and Toronto met in the playoff finals last spring and the Leafs won the Cup in a tough, seven-game series.

Southgate Wins Golf Loop Title

The Southgate Sporting Goods team nipped Otwell's Heating, 65-64, in the final standings in the annual Plymouth Business Men's League.

Each team won its final match last Wednesday by a 4-1 score. Ken Barnhill, Glen McAdam, Lou Johnson and Les Anderson made up the winning team. Ken Timmons served as the alternate. Johnson paced the winners during the season by winning 18 out of 22 possible points.

Hire Al Rosko As Part-Time Athletic Chief

Al Rosko has been hired as athletic supervisor for the Livonia Recreation Department on a part-time basis from Sept. 7, through Nov. 30, as he has been in the past.

The Commission, in submitting its budget to the budget director, asked that the position of athletic director be a full time position. Rosko's job is to organize and schedule a touch-football league for adults, and boys in the 7th and 8th grades, and to lay the ground work for the winter basketball leagues which will begin after Dec. 1.

Await Debuts

(Continued from Page 2) sent a nifty pass receiver in 6-2 Neal Thomas. Larry Brennan at tackle and Fred Slevert at center are two other established performers.

As for Thurston and Franklin, both coaches talk with optimism. This is refreshing to say the least.

SPORTS OBSERVER

By George Maskin

Did you know that high school football referees get ready for the season just like the teams?

The whistleblowers take advantage of every chance they can to work scrimmages so that:

- 1 — They can freshen up on their officiating techniques.
- 2 — "Warm up" on the rules.
- 3 — Maybe lose a pound or two of extra weight collected during the spring and summer.
- 4 — Also work the ol' legs into shape.

The referees also take in a special meeting staged by the State Association. One such affair was held last Wednesday at Bentley High School and more than 150 members of the striped-shirt fraternity gathered to watch a movie on rules and listen to Assistant State Director Al Bush discuss the new adoptions, etc.

You'll probably note more schools hiring a fourth official for varsity games this fall. This move results from the need to have an extra man to cover the side of the field opposite the head linesman and also to make possible better coverage on the gridiron.

The fourth man isn't hired to help call more penalties. The fact is, with an extra official on the field, very frequently fewer fouls are called, because the players then realize they can get away with less.

This corner is very hopeful that Athletic Director Jack Cotton of Farmington, who is a member of the State Prep Association's Representative Council, will succeed in re-writing some of the regulations governing ninth graders in the junior high school athletic programs.

As you probably have read on these pages in the past, there is a wide variance in the rules as they pertain to a ninth grader in a four-year senior high school such as St. Agatha or Our Lady of Sorrows, or a ninth grader who plays on a junior high team in Redford Township, Farmington, Plymouth or Livonia.

Despite the fact, the two boys are the same age . . . about the same size . . . and are studying the same subjects . . . the one who is in high school is considered the more superior athlete the way the state rules are now written.

The boy who attends high school as a ninth grader can play in nine football games and 16 basketball games. His counterpart in junior high is restricted to six grid tilts and 10 in basketball.

The high schooler (as a ninth grader) may play in football games whose quarters run 12 minutes and basketball games whose quarters extend over eight minutes. The junior highs have to settle for eight minutes in football and six in basketball. In track, the high schooler can run up to two miles; in junior high the limit is around 100 yards.

We have pointed out these inconsistencies for several years, dating back to the days when we wrote a prep column in the now deceased Detroit Times.

This writer also can remember many instances where junior high coaches demanded that referees violate the rules and extend the playing time of games to conform with those permitted for ninth graders in high schools.

If the official objected, he was politely told off . . . and usually never got another contract to return. Of course, the coach didn't think he was cheating on the rules which come down from Lansing.

Men like Cotton now realize that something should be done. The job may not be easy, however.

That's because in many rural sections of the state, the 9-12 grade system predominate. You'll find junior highs more prevalent around Detroit and the other bigger cities.

Just what results remains to be seen. Even Cotton doesn't know.

But when people are talking, it's a good sign. Something might happen.

Just in case you're wondering . . . both Michigan and Michigan State start their football seasons a week from Saturday. Michigan is home . . . MSU on the road. The University of Detroit opens this Saturday, going down to the University of Kentucky.

Name Lande As Frosh Coach At Wayne State University

Leon A. Lande, assistant professor of health and physical education at Wayne State University, has been named fulltime freshman football coach.

This is the first time since WSU joined the Presidents' Athletic Conference days that a member of the Tartar athletic staff has held such a position.

Lande, who holds a Ph.D. in physical education from the University of Michigan has held the job of Tartar baseball coach at WSU since the spring of 1960.

A native of Parshall, N.D., Lande has an extensive football coaching background that dates back to 1939 when his six-man Wildrose High School team won the Western North Dakota title. He has also coached prep football at Whitefish, Montana, and Marysville, Washington, directing his teams to conference championships in 1942 and 1945. Lande joins the staff of new

head coach Stan Marshall who is taking over the varsity coaching job this year after a successful stint as line coach at South Dakota State.

C'ville Greets

(Continued from Page 2) Middlebelt Road gridiron Friday night.

The North Farmington game will serve as Clarenceville's only tuneup before jumping into Wayne Oakland League play the following Friday. North Farmington, on the other hand, will have games with Riverside and Detroit Northern before starting its Northwestern League title chase at Birmingham Groves.

40 Golfers Enter Women's League Novelty Tourney

Forty women, members of the Livonia Women's Golf League, participated in the annual novelty tourney at Idyl Wyld Golf course with the following winners: Low Putts—Thelma Hanchett; Low Net—Pauline Payor; Low Total Three Holes—Phyllis Robinson; Closest to No. 3 pin—Esther Calden; and Low Total Four Holes—Marge Kauzler.

TODAY'S OUTSTANDING INCOME BARGAIN...

AN ANNUITY

- Worry Free
- Significant Savings Advantages
- Remarkable Flexibility
- Guaranteed Income Which Cannot Be Outlived

An Annuity is the finest investment plan you can make for your retirement years.

It can be arranged in many different and effective ways to suit your needs. For more information, send the coupon below now, right now, for a free 20-page booklet which explains what an annuity can do for you.

No obligation, of course.

MAIL THIS COUPON NOW

Please send me the booklet: "The Annuity—Today's Greatest Income Bargain."

Readers of The Observer Speak Up

Police Defended

Editor:
I find a very strong force moving me to make a reply to Falsely Accused, which you printed in the Sept. 2 issue of The Observer. Having never written a letter of this type, I am at somewhat of a loss as to how to start. As I read the letter of Falsely Accused, I was really set back to think that not only the writer of the letter, but that your newspaper would print such a letter.

I just can't see, or believe, that the Police of our city would act in such a manner unless they were provoked to such action to start with. I believe that the Police Dept. and the officers have more to do than pick on her son. Also, with as many kids as there are in the City of Livonia, just what made the Police go to Falsely Accused's house if her children are as clean as the "new fallen snow" as she states, or implies, that they are?

I cannot help but believe that there is much more to the story than is stated by Falsely Accused. But, if the True Story must be told, I'm sure it would not make very good reading, as most people delight in reading about strife and violence.

I feel sorry for Falsely Accused to think that she is so mentally disturbed to think the officers that were to her house acted like the Gestapo or, that they are going to lay in wait for her and her family.

I feel sure that she, as I would be one of the first to call upon the Police if her home was broken into, and would expect them to do their best to find the person, or persons, responsible, using all means available to them.

POORLY INFORMED

"Good Conduct"

Editor:
In reading the September 2 issue of the Observer, I came across the letter from "Falsely Accused"; And I felt I owed this letter to the Livonia Police Department. Too often we hear about the bad conduct of the Police Department and not enough of the good.

Early this spring I opened my door to a uniformed police officer. He told me immediately that he was checking on a phone call I received on a picture studio gimmick for obtaining business. He also told me that I didn't have to answer the questions if I didn't want to. Needless to say I cooperated with him.

He then told me that I did

not have to answer any questions from any police officer unless he showed me his green identification card from the Livonia police department, and stated his business first.

He asked me to call back and let him know the outcome of the phone call.

If that officer reads this letter, the radio turned out to be a children's crystal set.

Each time we have tried to call him on this business he has been out with our Livonia children to the Shrine circus or showing a group around the station.

My debt is paid.
HOOSIER TURNED WOLVERINE

Is He A Bircher?

Editor:
Is Richard Kuhn, Republican candidate for the 19th Congressional District, a member of the John Birch Society?

I have heard him speak and he appears to have views that are very similar to the beliefs of that group; however, none of his literature indicates that he is associated with that society.

JAMES DRUSEK
Livonia

Farsighted Senator

Editor:
Several issues ago, the Republican opponent of Michigan's Senator Hart was quoted in your paper in an attack on the Senator's record. I realize that political candidates usually underrate their opposition, but I fear that as a partisan for the Senator I am disturbed and made indignant by such unwarranted denial of the abilities and services to this state of such an able man.

Certainly, he is one of the most honorable and hard working men in government and has won more respect in one term in the Senate than most men with such responsibilities.

Has he contributed to the upbuilding of Michigan's economy? Look at the record. He was a strong supporter of many job-creating bills, including the tax-cut. No man has worked harder to make the St. Lawrence Seaway a success and he has brought many government jobs and contracts to his state.

But it is his farsightedness that most impresses me. He has looked into the future and seen that water pollution is one of the most serious threats to Michigan's beauty and economic future. And he has done many things to head off that threat. He has proposed national parks

that will preserve our shoreline without dispossessing any residents in the areas. Nationally he has become known as the champion of the consumer, of whom we have seven or eight million in Michigan.

A number of very important bills have borne his name, such as the Kefauver-Hart Drug Act and the Hart-Holland Automation and Technology Bill.

But he is more than effective. He is kind and reasonable. And after a near lifetime of observing the work of the men and women I have voted for I am not easily fooled.

HELEN D. BEAVERS

Another Herman Gardens?

Editor:
I have never before written a letter to a newspaper, but your editorial comment on page one of The Observer, forces me to write. Your insulting and arbitrary classification of a group of Farmington Township citizens as "petty politicians, hysterical and/or ill informed" has disturbed many of us.

We were present at the zoning meeting you mention, and you were not. I wish to inform you that no one was hysterical, and that we are probably much better informed on the so-called "Village Green" than you might wish. You are a politician, but we are only citizens who have a citizen's interest in events that affect us all deeply. We are from "Old Homestead," my husband is an attorney, and I am a college graduate with a degree in chemistry. We are not given to hysterical behavior, nor are we given to espousing causes without sufficient information.

We object strongly to the rezoning proposal for the following reasons:

1. There is no need to rezone. The property is beautiful and ideal for homes such as you find in Old Homestead — homes priced \$25,000-\$45,000 on half-acre lots, custom built—in other words, the best type of property. Moreover, a dangerous precedent will have been set if first-class property can be arbitrarily rezoned. This is not a hardship case for the landowners.

2. The property will be fantastically overbuilt. I give you the following example:

Herman Gardens: 2,100 units, 550 sq. ft. average each on 142 acres (City of Detroit figures).

Village Green: 2,000 units 850 sq. ft. average motel, shopping on 160 acres.

Have you ever seen Herman

Gardens, Mr. Chandler? A more congested area can hardly be imagined. Such a complex of brick and asphalt for parking 2,000 to 3,000 cars will be ugly beyond belief. We are not taken by the golf course. Herman Gardens has as much green area per building as Mr. Duke will have, as the above acreage figures prove.

3. The property will be badly overpopulated. There will be at least 4,000 permanent residents besides the motel guests on an area that would have only about 1,000 if in half-acre sites (Projection of Old Homestead's population of persons/acre)

4. The traffic and parking problem will be enormous. The daily influx and outgo of an idealistic minimum of 2,000 cars in this quiet area poses a real hazard. These cars will flow down all around us from 12 Mile Road after leaving the freeway at Orchard Lake Road. They will be passing the school to be built at 11 Mile and Halsted.

5. All adjoining properties will be subject to undesirable rezoning. Experience has shown this in areas all over the country.

6. The general character of the whole area will be altered, indeed of the whole township. Our property, which is valuable because of its beauty, seclusion and privacy, will be less valuable as first-class residential property. People looking for

space on which to build the larger and more expensive homes will build elsewhere.

7. There is considerable sentiment against multiple housing of any sort in the township, as you would have observed if you had been at this zoning meeting. A plan for apartments of a much more expensive and luxurious nature was refused by the board, partly because the homeowners in the area objected so strenuously.

Now, there are many other arguments (and we are not entirely misled by the will-o-the-wisp of tax relief), but I truly believe that these are the main reasons the people will be very unhappy should the Village Green ever come into being. I wish we had a newspaper at our disposal to trumpet our side of the story, but we are only citizens, and can influence only by our vote, but of course we have no vote on this affair. But at least let us speak. If you are fair, Mr. Chandler, you will present this on page one without cutting or comment, as you gave air to your own personal views. Farmington does not need its own Herman Gardens, and we don't want it.

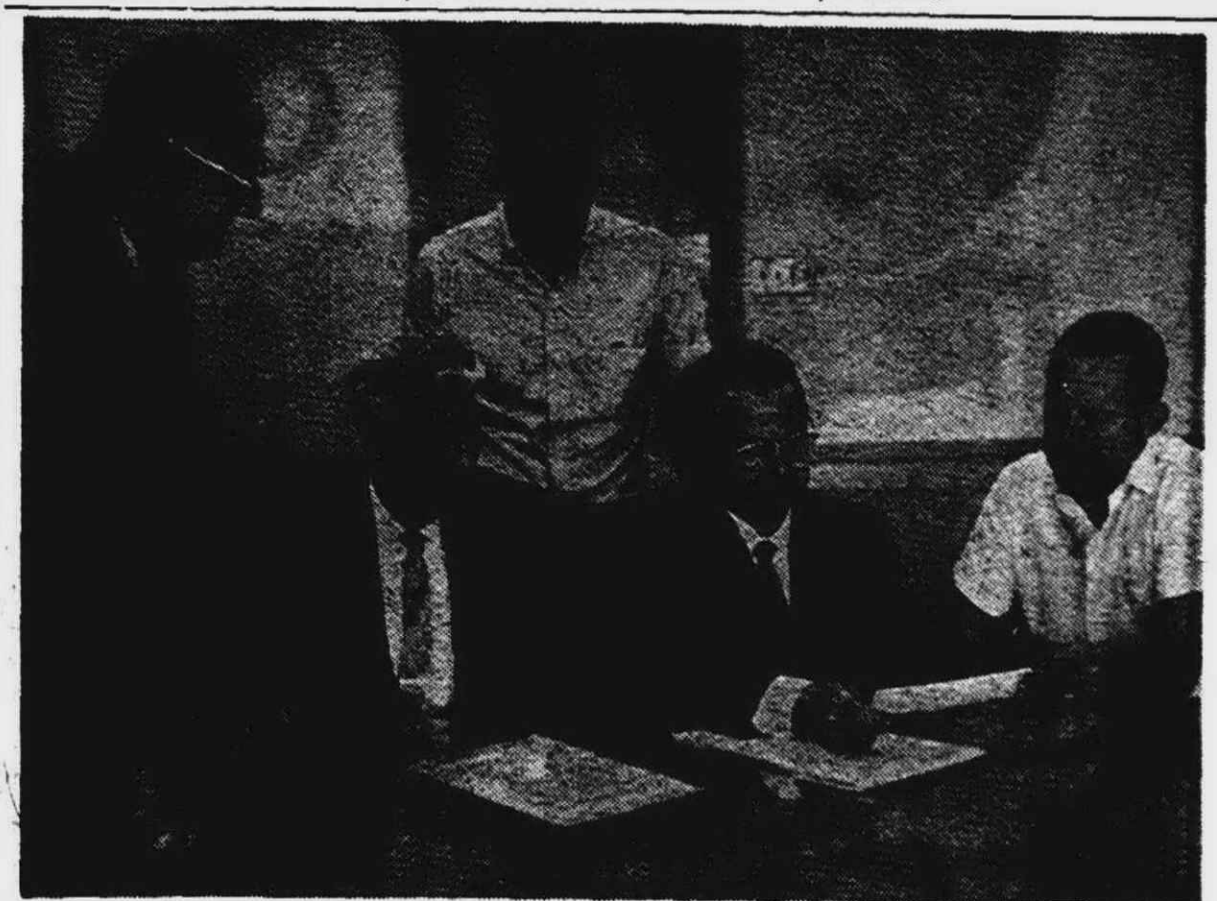

(Mrs. Joseph H. Larson)
Irene Larson

Editor's Note: It is not right to compare the Village Green idea with "Herman Gardens." If a comparison with old Detroit is needed, it would be fairer to compare

Village Green to the Palmer Park complex of apartments which remain a haven of upper-class living there even today. A more modern comparison would be the luxuri-

ous Eastland Village in Detroit. Herman Gardens was a war-time development, virtually public housing for the lowest income residents of Detroit to compare it to Vil-

lage Green is something like comparing "single family homes" in Old Homestead to "single family homes" in poor older neighborhoods in Detroit.)

COMPLETING DEAL for 2.5 acres in Plymouth's Industrial Park on Plymouth Road for the construction of a new plant by Standards Inc. are (from left): Thomas Notebaert and Joseph Hudson, of the J. L. Hudson Realty Co., which arranged the sale; President and General Manager Roy McKnight, City Manager Albert Glassford and Standards Inc. President Myron Georgia. Construction work will start soon with a target date of late January or early February.

"We're just looking at houses. Why see First Federal first?"

Because, madam, when you and your husband consult your nearby First Federal office about a home mortgage, we can give you preliminary information that helps you decide whether to buy or build, what price range to consider, what to look for in a house, and more. Then, working with you and your real estate broker, we can "tailor" a mortgage program to fit your needs—based on an FHA, GI or Conventional mortgage plan. We can most likely save you time, money and trouble. That's why we say, "See First Federal first."

OFFICIALLY starting their new educational wing in front of invited dignitaries and officers of the church are (foreground, l-r) Pastor Clarence W. Beireis, Fred Hampler and Carl Dembowski. Young Carl Molnar assisted with supervision representing the Acolytes of the church.

Christ Lutheran Breaks Ground For New Unit

After a little less than four years in the present Sanctuary, Christ Lutheran Church, WORMER at Acacia, just W. of Telegraph, broke ground on Sunday Sept. 6, for the Educational wing. The Pastor, Rev. D. Beireis, founder and pastor, read the rite of Ground Breaking.

K of C Annual Fall Festival In Farmington

It's annual festival time at St. Francis Council 4401, Knights of Columbus. The festivities will be on the council grounds, 21900 Middlebelt Road between Eight and Nine Mile, Farmington beginning Friday, Sept. 18 until Sunday, Sept. 20.

A fish fry will be served Friday from 4 to 8 p.m., a ham dinner on Saturday 4 to 8 p.m. and a roast beef dinner Sunday from 1 to 8 p.m.

On Saturday there will be old time square dancing. On Sunday there will be valuable prizes given away including a 1965 Fairlane, Chavelle or Savor car. There will also be rides for children and games of skill for adults.

Admission is free and everyone is invited to the K of C Fall Festival.

Ascension Lutheran Church Reports Member Increase

After just one year of services Ascension Lutheran Church, 35301 Five Mile Road, Livonia, numbers 223 members, and is one of the fastest growing congregations of The Michigan District of The American Lutheran Church.

At the time first services were held a year ago no congregation, not even a nucleus, existed. Property has been acquired, a church and parsonage erected, and a pastor called by the Commission On American Missions of The American Lutheran Church.

By the end of 1963 a nucleus of 110 members had been gathered. By the time of the congregation's official organization in March of this year the number had grown to exactly 150.

Now, just a year after the first services, the membership is 223. Since the first of the year the congregation has more than doubled in size.

During the last six weeks 32 members have been received, and according to the pastor, the Rev. Arnold H. Jahr, there are commitments from approximately 15 families which practically assure a membership of approximately 300 by the end of the present year.

Plymouth Presbyterian Church Calls New Education Director

DORIS YOCOM

The First United Presbyterian Church of Plymouth has called Doris Yocom to serve the church as its new Director of Christian Education. Miss Yocom is a recent graduate of McCormick Theological Seminary. Prior to her Seminary studies she taught school in the Iowa school system for some 18 years.

She will work with the church school, the 7th grade and the intermediate youth fellowships, adult education, and with all phases of the Christian educational ministry of the church. Miss Yocom will become a Commissioned Church Worker at a special commissioning service to be held on Christian Education Sunday, Sept. 27 at the 11 a.m. worship service. Dr. Robert Worley, professor of Christian Education at McCormick Seminary will be the guest preacher at this service. A reception will follow the service and will be held in the dining room of the church.

First Presbyterian Church Of Plymouth Adds Third Service

Beginning last Sunday, Sept. 13, the First United Presbyterian Church of Plymouth will hold on a regular basis a third early morning worship service at the hour of 8 a.m.

This service has been planned to meet the needs of families which are interested in such an early service and also to alleviate the crowded conditions which have at times occurred during the other hours of worship.

Scottish Evangelist Speaker At Covenant Community Church

Rev. John Linton, Scottish born Evangelist and Bible teacher will speak at the Covenant Community Church, one block north of Fenkell on Beech Dale in Redford Township, Sept. 20 thru 27 nightly except Saturday at 7:30 p.m. Sunday services will be at 11 a.m. and 7 p.m. The public is invited to hear

this gifted speaker as well as to see Bible truths illustrated through his apt use of magic. There will be special musical selections at each service. Nurseries will also be provided.

A warm welcome has been extended to all by Covenant Community Church Pastor, John L. Drummond.

Evangelical Covenant Notes 50th Anniversary

The Evangelical Covenant Church of Detroit, located at 8 Mile Road and Telegraph, celebrated its 50th year since its founding in 1914, during the week of Sept. 20-27.

Highlighting the Anniversary Week will be the return of three former pastors who will participate in the commemorative services, an address by the denomination's president and a choral concert presented by the church choir.

Rev. Albert J. Bengtson, a former pastor of the congregation, now living in Miami, will speak in the 10:45 a.m. Worship Service on Sunday, Sept. 20. In the 7:00 Evening Service another former pastor of the church, Rev. Melvin A. Dahlstrom of Seattle, Wash., will bring the meditation.

A special Anniversary Service of Remembrance will be held at 6:30 p.m. on Tuesday, Sept. 22. This occasion will feature an "old timers choir" and will seek to recall memories of the history of the church. A pot luck supper will be served.

The third returning pastor, Rev. Carl J. Freden, who currently resides in Jamestown, N. Y., will deliver the sermon at the Anniversary Communion Service, Wednesday evening, Sept. 23, beginning at 7:45.

Dietrich Buxtehude's, "Rejoice, Beloved Christian" will be sung by the 50-voice church choir on Friday, Sept. 25, at 7:45 p.m. Mr. Gregory Athos will direct the Seventeenth Century cantata.

Dr. Clarence Nelson, president of the Evangelical Cove-

nant Church of America, speaks at the Saturday evening Anniversary Banquet. Dinner will be served in the church at 6:00. Dr. Nelson will also bring the message at the 10:45 a.m. Worship Hour on Sunday, Sept. 27.

The secretary of Home Missions for the Evangelical Covenant Church of America, The Rev. Joseph C. Danielson, speaks to the congregation at 7:00 p.m., Sept. 27 on the theme, "Good News for a Broken World." Special music will be provided by the choir.

The public is cordially invited to share in the 50th Anniversary Services. Information concerning the activities and reservations for the Tuesday and Saturday events may be obtained by contacting the church office during the day at KE 5-0225.

The present pastor of the congregation is the Rev. Edwin T. Clemens who assumed the pastorate in June of 1958 when the church relocated to its present location. The Rev. Paul R. Swanson, formerly of Silverhill, Ala., has been added to the church staff as associate pastor as of the first of September.

Youth Symphony Begins Rehearsal

The first Fall meeting of the Livonia Youth Symphony Society Board of Directors was held last week. An orientation was given new board members by President Bernice Redinger.

The first Fall rehearsal of the Youth Symphony was held last Saturday. Tentative approval was given by members of the Board to the fall and winter schedule of the Youth Symphony which includes a Pop Concert in the middle of January.

HARRIS LIVONIA FUNERAL HOME

provides all of the wonderful service details, realistic prices and thorough experience that have been the repeated choice of thousands of families since 1910.

Shown above is the Harris Livonia Funeral Home as it will appear with the many scheduled improvements. This facility, under the management of veteran Harris director David Whitney, serves the families of Livonia, Garden City, Redford, Plymouth and throughout Nankin, Plymouth, Canton and Redford Townships.

Now a beautiful **Harris** FUNERAL HOMES

LIVONIA: 15451 Farmington Rd., near 5 Mile
 DETROIT: Central: 4251 Cass at Lakepointe
 East: 15251 Harper at Canfield
 West: 14751 W. McNichols at Lauder

GA 2-6720
 TE 1-1144
 LA 1-3131
 VE 8-7711

Representing the congregation were: Fred Hempel, Einer Salmonson, Robert Miller, Dr. P. J. Hopkins, Mrs. Ruth Zeeb, Alvin Koeppe, Mrs. Marion Shurmur, Fred Thatcher, Miss Lynn Smith, and Carl Dembowski.

Representing the community were: Elton Roe, Detroit Bank and Trust; Merline Roe, South Redford Schools, John Bennett, Redford Township, Frank Smith, Panhandle Civic Association.

This fast growing congregation started in Thurston High School in 1958 and erected

the first unit in 1960. Representing the Sunday School were Girl Scouts Marilyn Edwards, Boy Scout Gary Smith and Carl Molnar as Acolyte.

The new building will include 20 class rooms, nursery, offices, storage room, restrooms. A foyer will connect the new structure with the present building. The new building will add more than 6000 square feet of floor space. The Parking Area will be paved and new side walks installed from the Circle Drive and Parking Area.

Carl Pirscher of Pirscher and Jarrett, Architects of Ferndale and Paul Wilson of Julian Wilson and Sons, Contractor, were present at this 9:45 a.m. ceremony.

St. Peter's Lutheran Church To Canvass Plymouth

A religious census of the entire Plymouth community will be undertaken by the members of St. Peter's Lutheran Church (Plymouth) on Sunday afternoon, Sept. 29, and during the week following. The purpose of the census, according to Pastor Norman Berg, is to determine the religious preference of members of the community who are not affiliated with a church so that spiritual care may be offered them by churches of their choice.

After the census is taken, the names of those indicating preference for specific churches or denominations will be turned over to the respective churches in the Plymouth community. Statistical results of the census will also be made available to interested religious groups.

Plymouth city and township officials have been notified of the taking of the religious census. Census takers will carry a "Religious Census" badge carrying the name of the worker. The wish of any not desiring to divulge information relative to their religious preference will be sincerely respected.

The census is part of an evangelism program being conducted throughout the state by the churches of the Wisconsin Evangelical Lutheran Synod, of which St. Peter's is a member. Mr. Richard Berger is chairman of the local effort. The Census Committee includes: Robert Beyer, Leonard Arnsion, Donald Hamilton and Roger Bogenschutz. Census takers will be drawn from the adults and teenagers of the congregation.

12,000 Livonia Kids Board Buses for That Long Ride...

Last week as the fall school term began, thousands of Livonia youngsters met an important, but often unnoticed, person in their lives. This Very Important Person was the bus driver, who transports them from the cultural environment of their home to the educational milieu of the school house.

To make this gargantuan enterprise roll smoothly takes many hours of advance planning on the part of all employees involved in transportation from garage mechanics, union officials, drivers, and Board of Education supervisors and planners.

As part of this pre-planning, the school district's 70 bus drivers meet to "bid" on the route each preferred to have.

Ron Upton, Board Business Manager, pointed out that this system has worked out well in the past and that the selection is made in open meetings with all drivers and union officials participating.

"The right to select a route is based on seniority," Upton said. "It is only fair that a driver with eight or ten years seniority be allowed to select a bus route near his home or at hours which he prefers. There is really little differences between bus assignments, but the fact that we recognize the minor differences that do exist and let our 'old-timers' have first choice, is an established principle of employee relations."

Administrative Assistant William Bedell reported that some 12,000 school children boarded buses on opening day.

"These youngsters," Bedell said, "met the man or woman today who will be responsible for their safety for some 10 hours a week for the next 40 weeks."

Bedell pointed out that the kind of person selected for this responsibility, and the method being used for matching drivers to bus routes, is an important part of opening school. In addition to meeting rigid local and state physical, moral, and driver requirements, drivers must be able to handle a huge 60 passenger bus loaded with exuberant children.

His job is not made easier by the fact he must keep his back to the children while trying to move over our crowded roads. Drivers must drive flawlessly, control large groups of children, and avoid creating traffic jams by moving briskly and pulling to the side of the roads when possible.

Before drivers meet to choose bus routes, the Board's transportation supervisor, William McLellan, must first create the "runs." He has the task of scheduling 70 buses for 12,000 children among 40 schools.

School starting times are staggered to offer the greatest use of all buses. A typical "run" might read like this: 7:00 a.m. to 7:45 a.m., high

school "run"; 7:45 a.m. to 8:30 a.m., junior high "run"; and 8:30 to 9:30 a.m., elementary school "run". The schedule is, of course, reversed for

the afternoon take home "runs." In addition to the usual routine school to home "runs," most bus drivers will have ad-

ditional responsibilities involving kindergartens "runs", transfer students, field trips to community agencies, and so on. Several weeks before school

begins McLellan completes the "runs" and drivers are called together. In this pre-school meeting drivers "bid" for "runs" on a seniority basis. The

"runs" selected at this time are driven for two weeks. During this two week period the "runs" are smoothed out and the times are adjusted. At a

final meeting drivers make suggestions. Adjustments are made, and the scheduling is pretty much settled for the rest of the school year.

Livonian Honored By Jaycees

Lyle F. Shaw, Jr., 36420 Sherwood Drive, Livonia, has been chosen to appear in the 1965 edition of Outstanding Young Men in America sponsored by the National Junior Chamber of Commerce.

Nominated for the award by

Lyle Shaw

Western Michigan University as an outstanding alumnus, Shaw was notified this week of his selection for the publication.

The award is given in recognition of his outstanding ability, accomplishments and service to his community, country and profession.

Shaw, an employee of Ford Motor Co. on the Controller's Staff of the Automotive Assembly Division, has been active in WMU alumni activities, church programs and local politics. He is Republican precinct delegate from the 32nd precinct in Livonia.

His wife, June, is active in the Livonia League of Women Voters. They are the parents of two children, Tim 7, and Julie 5.

WONDERLAND CENTER

'Combo' Contest Begins September 26

Preliminary auditions for Wonderland Center's first annual Combo Contest will begin September 26 in the center's Civic Room.

Football Movies At Wonderland

The story behind the Ford Motor Company's punt, Pass and Kick contest is vividly told in a 20-minute color film now showing at Wonderland Center.

The movie, which features Shirley Booth, who portrays Hazel on the popular TV series, traces the history of the football competition sponsored jointly by the Professional Football League and Ford.

The film is shown continuously on Saturdays from Noon until 6 p.m. There is no admission charge. Youngsters interested in entering the contest can register at Bill Brown Sales, Livonia Ford dealer.

Build Study Area Within Child's Room

If your child is ready to start first grade, or if a teen is to enter high school in the fall, now is a good time to think about converting the bedroom into a combination sleeping-study area.

In most cases, the modifications and additions can be incorporated into a general facelift.

A good place to study is a "must", of course, in a child's bedroom. This might take the form of a standard desk or a built-in unit. In either case, provide plenty of storage space.

Lighting is another important factor. Make sure that the lighting is well-placed and does not cause a glare on the desk.

If the room is large enough, you might want to build a divider between the bed and study areas. This divider might serve double duty as a storage unit and display board.

If Dad wants to handle most or all of the work, use an easy-to-handle paneling like Marlite plank. Each plank is 16"x8". Tongue-and-groove edges simplify fitting. The planks are installed with wallboard adhesive right over old walls, or framing.

Marlite plank has a durable tempered hardwood base that will withstand hard wear. The paneling's smooth plastic finish is washable. Plastic-finished hardwood plank comes in modern colors and handsome wood-grains.

Some home handymen like to complete the whole job, while others have a cabinetmaker assemble the built-ins while they do the paneling. In either case, planning and work should begin soon if the room is to be ready this fall.

PARK FOLLOWS FAIR

When the New York World's Fair closes in October 1965, residents of New York will gain a \$23 million dollar park. It will be the largest in the city and will contain a zoo, a sports arena, a heliport, the Hall of Science, the Unisphere, a model airplane field, the Amphitheatre, the Marina, two fountains and five pools.

direction to Ernie Epps, Wonderland promotion director.

The contest, open to amateur hand groups in Garden City, Wayne and Northville, will be staged in conjunction with Wonderland's 15th anniversary celebration in October. All contestants must be of high school age.

A \$100 first prize will be awarded to the musical group selected as the most outstanding by a team of professional judges. Other prizes include band jackets and gift certificates.

The contest will be under the recognition and, perhaps, future

direction of Don Mills, widely-known Detroit musician. Mills has performed as a drummer with many nationally-known bands.

Musical groups of five members or less who intend to enter the contest are invited to write to Mills at Wonderland Center, Plymouth Road and Middlebelt, in Livonia.

Following a series of auditions, the finals will be held beginning October 12. The grand-prize winner will have the opportunity to perform at Wonderland during the center's anniversary celebration.

Mills said the contest will afford local amateur band groups to gain recognition and, perhaps, future

bookings. "Our panel of judges will include talent scouts who are

Art Show Opens Soon

Art show visitors will receive a free entry blank for the October 3 drawing of the painting.

Novice painters will also have the opportunity to try their hand at oil painting during the exhibit. A large canvas has been provided by the Wonderland Merchandise Council and each visitor to the show will be allowed to express his artistic ability on a composite work of art.

ALL-WEATHER COAT

28° Warmer Inside... Zip-Lined with Acrilan Pile!

Here's value and practicality in the true Richman tradition. Superior rain repellency. The finest American craftsmanship in construction and tailoring! Acrilan acrylic pile zip-liner makes the coat 28° warmer when you zip it in! One great value of a coat! Herringbones, plaids and checks in black, olive, gray and brown.

All-Time Value... 24.95

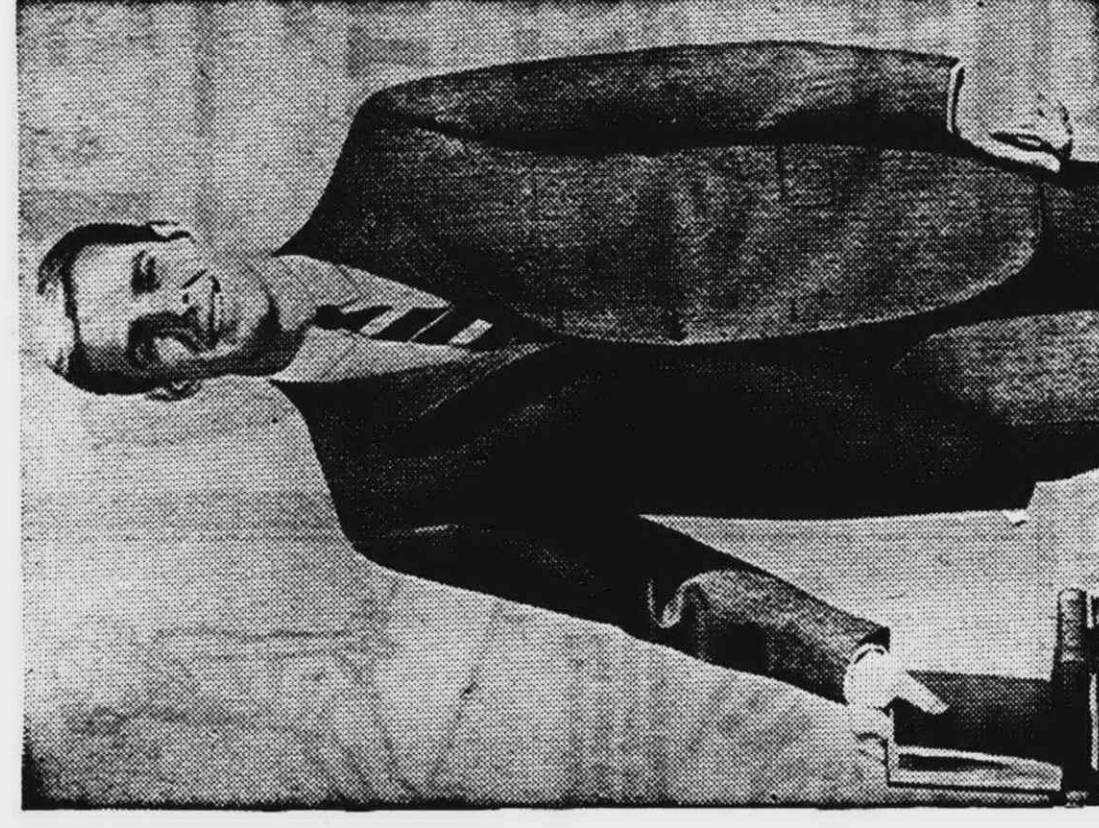

COLLEGE MEN DISCOVER: RICHMAN'S ADD VALUE TO FASHION

3-Piece Natural Trio All-Wool Suit and Contrasting Slacks

\$45

This kind of value has made Richman's famous! Fine all-wool suit, in the campus-right natural shoulder style, in muted herringbone and diagonal patterns. Its textured look makes the coat a natural to double as a sport coat—to wear with the slacks of worsted wool flannel in specially coordinated solid colors. Choose from gray, olive, heather tones and browns. Exceptional buy!

College Tradition: Natural Shoulder All-Wool SUIT

\$45

Men: you'll find all the authentic natural shoulder detailing in this Richman-tailored suit—lapped seams, hook vent, and slim no-pleat trousers. Superb all-wool worsted fabrics in classic herringbone pattern. Olive, black, brown and navy. You can save \$20 on this Richman value alone!

THREE GOOD REASONS TO BUY AN ELECTRIC DRYER NOW

- low initial cost
- special installed price
- Edison no-charge service

When it comes to buying a clothes dryer, there are more important things to consider than an incomplete claim about a pennies-per-load operating cost. Take dryer service, for example. No matter where you buy your electric dryer, Edison will repair or replace electrical parts with no charge for parts or labor. How do you put a price tag on this extra-special service? One way is to look at what you'd pay for a dryer service policy. Typical charges, in this area, range from \$70 to \$150 over the first five years. This is the kind of money you save when you dry clothes the safe, gentle electric way. Also, model for model, an electric dryer costs less to buy than a flame-type does—some electric dryers are \$20 to \$40 less. And now, for a limited time, the price paid for an electric dryer includes its wiring, if any is needed. So you save even more.

What about cost of operation claims? Just this: an electric dryer costs about 5¢-7¢ per load to operate—and there are no other hidden costs. Look at all the facts. **EDISON** They add up to electricity.

HURRY! LIMITED TIME ONLY!

FREE! REG. 1.79 — HOOVER RUG SHAMPOO

Our gift to you, with the purchase of Hoover Rug Shampooer, 2 1/4 gallons of laboratory-tested rug shampoo. Wonderland Store only.

NEW LOW PRICE! HOOVER RUG SHAMPOOER

- SCRUBS, WAXES, POLISHES FLOORS and FURNITURE

NO MONEY DOWN 47.50

This rugged Hoover gently, but effectively, whirrs suds into your rug... loosens grease and dirt, brings new life to even the most soiled carpet! Safe and easy to use. This new Hoover Shampooer applies only suds, never drenches your rug. Removable tank holds 64 ounces of cleaning solution.
