

## THREE INCUMBENTS HEAD LIST

# Seven Enter Race for 4 Commission Posts

Three incumbent members of the Plymouth City Commission will battle four other candidates for four vacancies in the spring election on April 5. No primary will be necessary due to the fact that only seven filed for the

Commission and the city charter provides for a primary only when there are more than eight candidates.

All this was assured Monday afternoon when nomination petitions were filed prior to the 4

p.m. deadline for the seven along with three candidates for Municipal Judge and one—Arch Vallier, the incumbent—for City Supervisor.

Strange enough, there will be a primary on Feb. 15 in the

Municipal Judge race to reduce the field to two candidates for the spring election.

The seven seeking the four Commission posts are: Incumbent James Houk, 346 Irvin Street; Incumbent Robert

Beyer, 725 N. Mill Street; Incumbent Robert L. Smith, Jr., 700 Pacific Ave.; George Hudson, 706 Burroughs Ave.; Eldon Martin, 880 Fairground; James McKeon, 283 N. Evergreen Ave.; and

Arthur Shepard, 505 Hartsough Ave.

Petitions were taken out for Harold Guenther, former Mayor and City Commissioner, but were not filed. Guenther requested the petitions be drop-

ped, indicating he did not feel he would be able to attend meetings and devote as much time as required to the job.

City Attorney Edward Draugelis, 1377 Carol Street; J. Rusling Cutler, 193 N. Main Street, and

Clifford Manwaring, 499 Auburn Street, have entered the Municipal Judge race.

Vallier is certain of a new term as Supervisor since none filed to run against him. He has served in that capacity for the past four years, and has also been a member of the City Commission for two years.

The four vacancies on the City Commission came when terms of Mayor Richard Wernette, Houk, Beyer and Smith expired.

Wernette is ineligible to run for two years under provisions of the City Charter which provide that a commissioner may serve only eight consecutive years as an elected member. Dick is winding up eight years.

Houk and Beyer are ending four year terms and Smith, recently named principal of Junior High West, was selected to a two-year term in 1963.

The remaining members of the Commission, who still have two years remaining of their terms, are: Vallier, James Jabara and George Lawton.

The April election could be one of the most interesting in recent years since each of the seven is considered as one who could make a strong fight for one of the posts.

As incumbents, Houk, Beyer and Smith are favored to win another term.

However, Hudson, who has been interested in activities of the Commission and also of the Plymouth School Board, was a close fifth two years ago and could be even stronger this time.

Shepard is reported to have backing of several groups and has had experience as a member of the planning board.

McKeon and Martin also are reported to have strong backing from various groups.

All of which adds up to a lot of politics in Plymouth during the next three months prior to the election when the Commission's makeup for the next two years will be determined by the electors.

SANTA CLAUS paid an early visit to all classes at Our Lady of Good Counsel school on the final day prior to the start of the Christmas vacation. Rev. Fr. Francis Byrne is shown accompanying the old fellow on his tour of the building as the excited youngsters gather around.

## Figures Show Township Makes Amazing Strides

By ROY LINDSAY

Supervisor Plymouth Township is on its way as our tremendous growth of the past year attests and how far it will go is something that none can guess. At least I wouldn't care to conjecture at this point.

Never in my 11 years as supervisor have I seen anything that can come close to matching our population and building explosion of recent years and especially during 1964.

We have always felt that the addition of sewer and water to the western section of the Township would pave the way for growth but few of us had any idea that the expansion would be so great as in the Lakepointe and Salem Square subdivisions.

The Township is bursting at the seams in all directions and from where I sit, it appears as if we have only one way to go and that's up and up—far greater heights than any of us dreamed of.

Just two years ago, in 1962, the Township issued a total of 245 building permits for a total valuation of \$1,820,874 and collected fees of \$8,993.

Last year, our building inspector issued 268 permits totaling \$2,838,718 and collected \$9,805 in fees.

Contrast that to the first 11 months of this year when already 482 permits have been issued, totaling \$5,213,995 and

fees of \$20,895 and you'll have some idea of our growth.

And that's only part of the story for we have approved plans for an enclosed mall at the corner of Sheldon and Ann Arbor Roads, plans are on the boards for apartments in several sections and the home building boom is greater than ever.

I can't honestly say that I approve of so many apartment buildings but developers keep coming in with plans, continue to take options on land and request hearings before the planning commission.

I think there has to be a stop some place and a time and that now is the time. The trustees and myself feel this is an epidemic.

Lets wait and see if the several hundred apartments that are being built this year will be occupied. This is a rural area and not a metropolitan city.

The story of building permits can also be told of the electrical, plumbing and heating departments.

The inspector issued 305 electrical permits in 1962 and 539 this year in 11 months. He issued 347 plumbing permits in 1962 and 503 thus far this year and handled 148 heating licenses in 1962 compared to 354 for 1964 to date.

The past year has been a busy one for the trustees. We approved and entered

## Key Observer Posts To Smith, Thompson

A new alignment of duties to fill the breach created by the death of Editor-Publisher Paul Chandler was announced Monday by Directors of the Observer Newspapers Inc.

Previously the directors announced the operations and policies of the chain, which includes the Livonia, Plymouth, Farmington and Redford Observers, would continue without change.

Milton Smith, longtime associate of the late Mr. Chandler, has been elevated from business manager to the post of General Manager.

Richard T. Thompson, news editor of the four publications and managing editor of the Plymouth Observer, will take

over the duties of editor-in-chief. The changes are effective at once.

Mrs. Myra Chandler, widow of the late publisher, will remain as Women's Editor.

The remainder of the staff will remain unchanged and includes: Raymond Sage, advertising director; Mrs. Shirlee Busetto, classified advertising manager; Larry Darnell, circulation manager; Sue Shaughnessy, church editor.

David Elsil, managing editor of the Redford and Livonia Observers; Allen Rosenfeld, managing editor of the Farmington Observer; George Maskin, sports editor; and William Mann, superintendent of the Observer job shop.

## Mayor Praises '64 Achievements

By Mayor Richard Wernette

In reviewing the past year in the life of Plymouth, the first major event was the awarding of federal funds on a matching basis for the construction of a new water reservoir and the modernization and improvement of our water distribution system. The latter is well on the way to completion.

It resulted in many of our people being inconvenienced by the tearing up of the sidewalks and streets during the past six months. Some of the replacements will not be completed until spring, however. This has eliminated the dead end water lines. It has replaced the small four inch mains thereby improving the pressure in some areas and to many fire hydrants.

Our new reservoir has been started and since we encountered some unforeseen difficulty, is not as far along as we had anticipated. However we expect that by next summer it will be completed and put into operation.

This will increase the pressure to the Western Electric plant and to the homes and other industry in the North-western part of the city.

It also will replace both water towers. The one behind the Presbyterian Church on Church st. is about rusted through and has nearly reached the end of its usefulness. The other one was a mistake in engineering and has never been of any use in the operation of our water system.

Our new city hall has been completed, dedicated and put to use. It is a needed improvement and an asset to our community. I, for one, was sorry to see the old razed as it was a link with the past and could have been put to good use.

This past year has seen several new industries coming to our industrial park out across from Burroughs on Plymouth Road, also our sale of the last remaining vacant parcels in it. There has been a good start towards the rebuilding on the property in our urban renewal project. While this has not developed as rapidly as our industrial park, it is well on the way to total development.

The Fall Festival was larger and more successful this year. It has become the most important event to publicize our city, and another example of what can be done when everyone cooperates.

The City Commission decided to apply for federal funds for the erection of residential facilities for our aged similar to the completed Townsend Towers in Dearborn. To this end a committee was appointed. It has retained a consultant and taken the necessary preliminary steps to effectuate it and are awaiting the allocation of funds before securing a suitable site.

The city commission and the Township boards of Plymouth and Canton Townships with the support and assistance of our Superintendent of Schools Russ Isbister, have set up the Plymouth Area Planning Commission to coordinate and develop the industrial tax base in our school district. The several governmental units have appropriated the necessary funds to effectuate this worthy endeavor.

A committee has been appointed to investigate and recommend on the feasibility of a city or community swimming pool. Both the school and the Plymouth Township Boards have expressed an interest in this project and a combined meeting is scheduled shortly after the New Year.

Sparked by contributions from our local insurance agents and the Rotary Club, a committee has been appointed with representatives on it, from the Rotary Club, Insurance Agents, Chamber of Commerce, Garden Club, and the City, to study the improvement of Kellogg Park.

I am hopeful that the coming year will find the completion of our water reservoir and the modernization of our water system; the removal of both water towers; the planting of shrubs about the city hall, and definite steps

taken toward improving Kellogg park. The several vacant plots in our industrial park should have building activities upon them under way by summer. Our urban renewal project should be sold out by fall or winter. If federal funds are

allocated, a good start may be expected on the facilities for housing our aged.

I am sure the Community Planning commission will make a most important contribution towards bringing additional industry into our area. Some defi-

nite steps will be taken to provide a city or community swimming facility and lastly that 1965 will see us nearer a community center and auditorium.

In closing may I wish you all a healthful and prosperous New Year.

EYES ON THE FUTURE, this eight-month-old suburban youngster will mark his first New Year's Day this week, with most Plymouth, Livonia, Redford and

Farmington residents hoping that 1965 will bring him and his generation a world at peace. The baby is Michael Dzurgot, Jr., 32431 Maryland, Livonia.

## Plymouth Stores Close Saturday

Sales clerks and personnel of many stores and businesses in the Plymouth community will have an extra day to celebrate the coming of the New Year—the establishments will be closed on Saturday, Jan. 2, according to information from the Chamber of Commerce offices.

The list: Snyder Furniture, Beitner Jewelry, Dunning's, Willoughby's, Cassidy's, Miner's, Schrader Furniture, Fisher Shoes, Sharrard's, Hugh Jarvis Gifts, Davis and Lent and Agnew Jewelry.

Cadillac Drapery, Pease Paint, Western Auto, Furniture Outlet, Hubbs and Gilles, Eddy American Shop, Smith Music, Western Office Equipment and Blunk's Furniture.

## MPSC Turns Down C&O; Orders Trains Continued

Plymouth riders on the Chesapeake and Ohio Railway Co. passenger trains won't have to worry about the railroad discontinuing two trains on Jan. 4.

The Michigan Public Service Commission stalled the C&O plans by issuing an order prohibiting discontinuance of the trains. The Commission order was announced by Chairman Peter Spivak.

The trains must operate unless there is a prior commission approval for discontinuance, Spivak said. Such approval only could come after a formal petition is filed and a hearing held.

Plymouth's City Commission passed a resolution two weeks ago in which it asked the MPSC to fight the case all the way to the Supreme Court if necessary and make every possible move to retain the trains.

The railroad had argued in a hearing before the MPSC in Lansing that it needed no state approval if it had two trains a day in operation in each direction.

Spivak said two trains operating about midnight are not "passenger trains" within the meaning of the state railroad act and the railroad's contention is not valid.

One of the two passenger

trains leaves Grand Rapids at 7:30 a.m. and arrives in Detroit at 10:30 a.m. The other leaves Detroit at 5:20 p.m. and reaches Grand Rapids at 8:25 p.m.

Spivak said he hoped the railroad would try to stimulate its passenger business and make operation of the two trains profitable.

Plymouth commuters were much interested in the case. Practically all are passengers on the train leaving Detroit in the early evening.

## Plymouth Coed Wins Scholarship Honors

KANKAKEE, ILL.—Christine McMullen, daughter of Mr. and Mrs. Kenneth McMullen, 184 Caster, Plymouth, Mich., has won recognition for superior scholarship at Olivet Nazarene College by being placed on the mid-semester honor roll.

The announcement was made by Dr. W.E. Snowberger, Dean of the College. The honor roll consists of those students with a grade average of 3.0 or above.

## Isbister Takes Look Into 1965

RUSSELL L. ISBISTER  
Superintendent of Schools

1. Plymouth Community Schools will have a ten percent increase in enrollment.

2. Board of Education will ask the voters to approve an increase in operating tax levying a final review with the Citizens Finance Study Committee.

3. Elementary school sites will be purchased in northeast and central-east portions of the School District. Construction of the first phase of the new elementary school in the northeast will be started. Plans will be developed for the first phase of the new elementary school in Central east as well as additions to Bird and Gallimore Elementary Schools. If the need arises one or more of these projects will be started in 1965.

4. Additions to Allen and Farland Elementary Schools and Plymouth High School now under construction will be completed.

5. Vocational Auto and Electronics will be equipped for instructional purposes upon the completion of the vocational wing at Plymouth High School. In addition, renewed emphasis in business education, practical arts, welding, drafting, machine shop, cooperative occupational training and food preparation will be placed upon the development of skills which will prepare students for the "World of Work." Part of the cost for new equipment for these programs will be financed from federal funds.

6. Overall curriculum planning and improvement will continue at an increased rate. Special attention will be given to a coordinated modern mathematics program in all grades.

7. Cooperative curriculum planning between public school and college faculties will be promoted. This will be particularly noticeable in the Schoolcraft College District where good communication exists between the high schools and the College.

### Beyer Contest Gives 12 Early Christmas

Santa Claus arrived three days early for 12 youngsters from the Plymouth area when they received prizes in the annual boys and girls contests conducted by Beyer Drugstores by Owner Robert Beyer. The contest is conducted on a point basis and is tied in with merchandise purchases — the boy and girl with the most points over a year period receive the grand prizes and then the list scales down to five other winners in each division.

(Continued from Page 1) into the area planning commission, allotting \$5,000 to the work of developing an additional industrial and commercial tax base for the school district that also will help the Township.

Matter of fact, the City of Plymouth, Canton Township and our board are partners in the movement. Each of us approved funds for the commission to use in promoting, building up good will and bringing in new industries and businesses for the area covered by the school district.

This planning commission is made up of representatives from each of the three governmental units and has full authority to use the monies in a manner set forth when the commission was organized.

The Plymouth Township Trustees are in the process of naming a Fire Department Administration Board to assist in the operation of our Fire Department. The five members of this Board will probably be made public after the first of the year.

We are in the process of getting ready to sell bonds for the construction and installation of water and sewer lines to the western section of the township. This will bring Detroit water to practically every area in the Township and is expected to result in a tremendous building boom in the western sector.

During the past year, the Board approved plans for the reorganization of the Fire Department and appointed Capt. Barney Maas as department head.

Now we are faced with the problem of expanding our building inspection department due to the huge number of building applications received this year and the anticipation that the total may be almost double come 1965.

We have a study underway on comparative costs for police service inasmuch as the Wayne County Board of Supervisors has indicated they may cut off our present coverage from the Sheriff's Department.

However, I feel this is still some time away and won't require immediate attention. It is a problem that the trustees will have to keep in mind inasmuch as it may be dropped in our laps within another three or four years.

As noted, this has been a busy year for the supervisor and the trustees but we can still take time to wish all residents of the Township a Happy and Prosperous New Year.

### Ellis Sells Restaurant

Ellis Restaurant, 270 S. Main, Plymouth, a landmark in the downtown business section for the past 24 years, will change hands Saturday when Mr. and Mrs. Ronald Diot, of Indian River, officially take over.

The Diots purchased the popular eating place from Elton McKinley, who resides at 359 McKinley, more than a month ago but the deal was delayed until Jan. 1.

Ellis, who has been in the restaurant business for 35 years in Detroit and Plymouth, will remain with the new owners for a month and then he and his wife will take off for a vacation in Florida.

"I have been thinking of selling for some time," Ellis said in telling of the deal. "We thought of it as early as last summer and when the Diots made the offer we decided to accept it."

"After all, we have been in the restaurant business for 35 years and decided that now would be as good a time as any to get a vacation and then look into the future."

Ellis said that his plans were indefinite at this time and probably wouldn't be definite after his return from the Southland.

### Cub Scouts Plan Bottle Collection Campaign Saturday

Have any bottles you want to get rid of? Place them on the doorstep Saturday and Cub Scouts from Plymouth Packs will pick them up Saturday morning when they have their annual bottle collection.

The Scouts will start the house-to-house drive at 9 a.m. and hope to have every home in the city covered before noon. A year ago the drive netted more than 5,000 bottles and added slightly better than \$100 to their treasuries.

Among the packs participating this year are those from Starkweather, Bird and Ailen Schools. If your bottles haven't been picked up by 11 a.m., call Dr. Van Newkirk at 453-5513 or Curtis Powell at 453-0392 and they'll have Scouts there within minutes.

## 'OPERATION APPALACHIA:'

# Suburbs Send Christmas to Kentucky

Santa Claus and the spirit of Christmas zeroed in on a poverty-stricken Appalachian community last week, delivering 16,000 pounds of food, clothing and toys to children and their parents in Harlan County, Kentucky.

And, with a big boost from Livonia, Plymouth, Farmington and Redford Township residents, the airlift of gifts which originated in the suburbs may be turned into a full-fledged, year-round drive to help end the

economic depression in the mountain region.

Source of the Yuletide shower of gifts for the Appalachian victims was a four-day drive that netted hundreds of separate donations from residents throughout the suburbs. Organizer of the program was a Livonia schoolteacher, Allan Malan, and his wife, Betty.

Malan, a teacher at Bryant Jr. High School, started the ball rolling Monday evening after viewing a TV documentary on poverty in Appalachia. He sent a 250-word telegram to President Johnson asking for a federal crash program to provide a cheerful Christmas to the Kentuckians.

Making an appeal on radio the next day, his wife contacted municipal officials in scores of suburbs and by Tuesday night, the idea had mushroomed into a spontaneous gathering of food, toys, clothing, shoes and other supplies for Kentucky.

Groups as diverse as the Salvation Army, the Team-

sters' Union, the U.S. Air Force and Ford Motor Co. volunteered their services, and by the morning of Christmas Eve, two plane-loads of supplies were ready to be air-

lifted to Bristol, Tenn., for distribution.

Weather closed in, however, and the planes couldn't leave until Saturday. In the meantime, part of the shipment was

taken by a truck, driven by a former Garden City councilman.

Another plane left from Selfridge Air Force Base yesterday, with Malan and newsmen including Dave Elsil of The

Observer aboard, to deliver more than 10,000 pounds of clothing.

Reaction thus far from those in Kentucky has been one of appreciation, coupled with a hope that residents in Michigan and other parts of the U.S. will help find a permanent solution to the problem.

"We get swamped with all kinds of goods whenever there's a natural disaster, or at Christmas time," one Kentuckian said, in a broadcast over radio station WERB. "We appreciate this help a great deal."

"But the first thing everyone can do is to write their Congressmen and Senators to support the present anti-poverty program and work to expand it."

"We want to help ourselves as much as we can — that's why we want this federal program which will help us help ourselves."

Malan and those who worked with him on the drive are attempting to fulfill the need to help find a permanent solution to the problem.

"We have no national groups to relieve social disasters," he said. "It's going to take citizen initiative, citizen's committees and direct action to help relieve these problems."

He paid special tribute to the Salvation Army; Livonia Schools Superintendent Benton Yates, who issued an information bulletin on the drive to the city's schools; Mayor Harvey Moelke, and his secretary, Eleanor Jenkins; and Mrs. Thomas Embach, 19656 Parker, Livonia, who telephoned 65 persons soliciting contributions.

"With the help of people like these, we can create a permanent committee that will put the shoulders of people in Michigan behind solutions to the problems which create poverty," Malan said. He said announcement of the members of the committee would be made next week.

"OPERATION APPALACHIA," spearheaded by a Livonia school teacher to aid poverty-stricken families in Harlan, Kentucky, brought donations of food and toys from throughout the area before Christmas. Among those making donations in Livonia Wednesday were, from left: David, Dennis and Mark Zurek, of 14336 Loveland; and Deputy City Clerk Virginia Handzik and Youth Employment Service Director Miriam King, accepting the donations. Standing, from left: Mr. and Mrs. Harold Chalfonte, 36449 JoAnne, and Mrs. Bernice Zurek.

### Slates Meeting On Millage

The South Redford Board of Education has called two special meetings.

Both will be held in the Board Room at Thurston High School and will begin at 8 p.m.

The first meeting called for Dec. 30 is to consider and take action on the charges levied by parents against Thurston High School Teacher Judy Lewis.

Another special session will be held Jan. 6 to discuss millage needs for the District and possible recommendations for ballot proposals.

CHRISTMAS TREAT for the more than 1,400 workers at Sears Livonia Mall store was a buffet dinner served in the huge receiving room by the Roumell Catering Co. Shown are some of the employees gathered at the tables in the gaily decorated room. The afternoon program included songs, good eating and numerous prizes, courtesy of the store management.

## Students Urged to Register for Night College Courses

With a deadline of Thursday, Jan. 7, staring them in the face, more than 600 students have pre-registered for the second semester of evening classes at Schoolcraft College, according to Director Dell Reed.

Another 400 to 500 are expected to enroll during the registration period of Jan. 4, 5, 6 and 7 between the hours on 6:30 and 9 p.m. in the college library.

Reed emphasized that no registrations will be accepted after Jan. 7.

"Openings still remain in many of the classes," he said. "But some of the sections have been filled and closed. Additional sections have been added to accommodate more students in English Composition, and Introduction to

Business and Accounting.

"There are still places in many of the Business and Technical classes as well as in Science and in the Foreign Languages. However, it is wise for any student, planning to attend a particular course, to register as quickly as possible to make certain he or she is accepted before the class is filled."

## The Best of Paul Chandler

(Editor's Note: During the next few weeks, The Observer will present excerpts from Paul Chandler's "Facts and Opinions" columns of the last nine years.)

For a nation or a woman or a man to attempt to live entirely within the memory of its past, without recognizing and yielding to change, is to absolutely guarantee ultimate insanity and crack-up.

One universal truth, from the beginning of consciousness to this moment, is that change is here always and unending, that whatever the misery or bliss of the moment, . . . this too shall pass."

Madness, suicide, murder, divorce, revolution, war—all the violence which originates within the minds of men—come about because one party or another refuses to abandon the comfortable memories of his past to live instead with the realities of the present.

The standard example in the psychiatric ward is the adult who can't endure the frustration of being unable to re-find security and warmth which he remembers as a child in his family arms.

But there are many other types of human disintegration—all with the single cause.

" . . . this too shall pass," is not a Biblical phrase, as best I can determine. It appears several times in contemporary works.

Wrote John Godfrey Saxe in 1850: "When skies are clear, expect the cloud; In darkness, wait the coming light; What ever be thy fate today, Remember, 'This will pass away!'"

Winston Churchill once said that great battles are won by leaders "who have reached the point where it is impossible to continue, and then wait half an hour longer."

Hawthorne said: "This greatest mortal consolation—which we derive from the transitoriness of all things—'This, too, will pass away!'"

Paul Hamilton Hayne: "What'er thou art, where'er they footsteps stray, Heed these wise words—This, too shall pass away."

At the time of his trial in England, according to Bartlett's, Warren Hastings related to his friend an Indian tale which had given him much comfort.

A monarch, who suffered many hours of discouragement, urged his courtiers to devise a motto, short enough

to be engraved on a ring, which "should be suitable alike in prosperity and adversity." After many suggestions had been rejected, his daughter offered an emerald bearing, in Arabic, "This, too, will pass."

And in grandfather's time there was a popular lady poet, Ella Wheeler Wilcox, who wrote: "Since life is short, we need to make it broad; Since life is brief, we need to make it bright; Then keep the old king's motto well in sight, Whatever comes—this, too shall pass away."

Marcus Aurelius said, "The universe is change our life is what our thoughts make it," and he also wrote, "Observe always that everything is the result of a change and get used to thinking there is nothing Nature loves so well as to change existing forms and to make new ones like them . . . time is a sort of river of passing events; no sooner is a thing brought to sight than it is swept by and another takes its place, and this too will be swept away."

In a word, wise men long have observed that a frozen, unyielding mind or person can not exist happily on earth.

To know this, is to understand that rigid dogma can be dangerous.

It can mean that the same mores and morals which in the past were given as sacred and inviolable in the future can be a vehicle for misery and self-destruction.

It also has meant that a man sailed a ship, failed to fall over the edge of the world, and changed for all time an image of the world which had existed in men's minds for centuries before.

It means that if the speed of light is re-measured, and Time given a new mathematical value, today's entire "knowledge" of the size and shape of the universe can be overhauled in a few moments.

For a nation, it should be a warning that the grandeur which was its in the past, could be vulgar pomposity tomorrow.

To any person so searching, the thought is burned on the mind that the extent of man's knowledge today is but a granular of the total truth in the universe; and that reasonable mortals must be prepared for new information, new "truths," revised "dogmas," at any time, now or tomorrow, subject to change without notice.

### Deadline Nears for Filing in Senate Race

With next Monday set as the deadline for filing, four candidates have thus far emerged for the 14th District State Senate seat left vacant by the death of Paul M. Chandler.

Livonia Councilman Edward McNamara confirmed he would enter the race on the Democratic ticket. His opponents thus far are Elsie Gilmore, of Livonia, a former Democratic county chairman; and James McCarthy, also of Livonia, the unsuccessful candidate in the November election.

Former State Senator Farrell Roberts is the only announced Republican candidate thus far, and has won the backing of several 14th District GOP leaders.

The primary election will be in February, with the final vote scheduled for April.

With many of the 1965 models new from the ground up, public interest is zooming in the 49th annual Detroit Auto Show, Jan. 9-17, in the Detroit Artillery Armory, West Eight Mile near Northland.

YOUTHFUL choristers, from St. Andrew's Episcopal Church in Livonia, are shown entertaining the staff of Crowley's at the Livonia Mall. The 31-voice group, made up of boys and girls, sang several songs under the direction of Mrs. Allen Haggard. Rev. Jay Coulton gave a short talk followed by remarks from Leo Cole, Crowley's treasurer. Then the Choristers were guests of Store Manager Seymour Goldberg at coffee, milk and doughnuts with Goldberg donning an apron and personally handling most of the serving.

Special New Year's Eve Services Planned

Following is a partial list of some special New Year's Eve services.

Trinity Church of the Brethren in Redford Township—Watch Night Service from 11:30 to 12:10. This will be preceded by a New Year's Eve Party in the Church Hall beginning at 8 p.m.

Livonia Chapel of the Ward Memorial Presbyterian Church—New Year's Eve Program beginning at 9:30 p.m. with a Fellowship Time; 10:45 p.m. Watch Night Service with premiere showing of the Billy Graham film "Encounter." Meditation at the Watch Night will be "New Life for the New Year" by the Rev. David D. Dresser.

The Westland Baptist Church in Livonia has also scheduled a special New Year's Eve Service. Persons planning to attend are asked to register on the Church's Bulletin Board. The service will be from 8:30 p.m. to 12 midnight.

Livonia's Timothy Lutheran Church has scheduled a 7:30 p.m. Service. Holy Communion will be served.

EXAMINING CLOSING papers for the new building to house the Livonia Jewish Congregation on Dec. 24 are from left, Fred Buck, of the National Bank of Detroit; Irving A. August, Attorney and Past President of the Congregation; Stanley Finkelstein, President of the Congregation; and Clark W. Buxton, Attorney for the St. Matthews Church of Livonia. The Congregation, which is presently located on Seven Mile Road at the corner of Osmus in Livonia, has purchased the St. Matthews Church Building on Six Mile Road west of Middlebelt Road in Livonia.

Rights Leader To Speak Sunday

Ralph Rosenfeld, a leader in civil rights work in this area, will be guest speaker at the 10 a.m. service Sunday, Jan. 3, at the Universalist-Unitarian Church of Farmington.

His subject will be "Civil Rights Revolution: White Suburbs—Black Ghetto." Rosenfeld currently is vice chairman of the Detroit Congress of Racial Equality and in the past has been Detroit chairman and national secretary of the CORE organization.

Church to View Civil War Epic New Year's Eve

"Red Runs the River" Civil War Production of "Unusual Films" will be shown at the Southfield Community Church, 21122 Indian Street, (between Beech and Inkster north of 8 Mile) on New Year's Eve at 8:45 p.m. according to Pastor Raymond Bayne.

The 90-minute color film is more than a tale of secession and bloodshed; it is the powerful story of a soul in rebellion against God. Dr. Bob Jones Jr. plays the role of General Richard Ewell, hard fighting hero of the Confederacy, a soldier who sneers at religion until he is brought face to face with God on the battle field.

The true-to-life drama bears the conflict between the battle-hardened cynical Ewell and the Christian General Thomas Stonewall Jackson. The clash of strong will and deep conviction develops against a background of musket fire and booming cannons. All of the historical events, the battles—even the private lives of the principal characters—have been carefully documented. Costumes, weaponry, scenery and make-up are all quite authentic.

"Red Runs the River" was more than two years in the making. Some 600 actors—students, faculty and staff of Bob Jones University—participated. The film showing will be followed by a time of fellowship and refreshment and then by a Watch Night Service from 11 o'clock until midnight, meeting God at the midnight hour and entering the New Year in prayer.

On Thursday, Jan. 7, at 7:45 p.m. Phil Saint, noted talk-artist and musician from Argentina, will present a program of Art and Music while home on a brief visit from South America.

First Commandment Slated for Discussion

How the First Commandment gives purpose and direction to human endeavors will be a central theme at all Christian Science churches this Sunday.

The subject of the Bible Lesson is "God," and the Golden Text is from Deuteronomy (6:4): "Hear O Israel: The Lord our God is one Lord."

Correlative readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Having no other gods, turning to no other but the one perfect Mind to guide him, man is the likeness of God, pure and eternal, having that Mind which was also in Christ" (p. 467).

Archbishop Dearden To Speak at United Church Men Dinner

An unprecedented meeting of laymen is scheduled for Wednesday, Jan. 6, when United Church Men, the official laymen's department of the Metropolitan Detroit Council of Churches, is inviting the men from the Archdiocesan Council of Catholic Men, to hear the Most Rev. John F. Dearden, Archbishop of Detroit.

Archbishop Dearden will bring a first hand report from the Third Session of the Ecumenical Council in Rome. He has taken a prominent part in the activities of the General Council, serving on some of its most important commissions. He also served as chairman of the American Bishops Commission on the Liturgical Apostolate.

This will mark the first time that the official lay organizations of the Protestant, Eastern Orthodox and Catholic lay organizations have come together for a meeting. Presiding will be Francis A. Korngay, president of United Church Men and the Executive Director of the Detroit Urban League.

Mr. Korngay issues an invitation to all Catholic, Eastern Orthodox and Protestant laymen of the metropolitan area to make reservations for the dinner, up to the capacity of the dining room. Michael Bida, president of the Archdiocesan Council of Catholic Men, is also participating in this event.

The dinner meeting will be held at the Armenian Cultural Center, 17505 Winora, in Southfield, at 6:45 p.m. Harold F. Koch, staff director for United Church Men, has given the following explicit directions. "From the intersection of 8-Mile and Southfield, go north on the Southfield service drive. This takes you right into the parking lot of the Center."

Tickets are \$2.50 per plate, and reservations may be made by calling the Metropolitan Detroit Council of Churches, 962-0340, before Jan. 5.

Retreat Planned

The Junior High Youth of St. Matthew's Church in Livonia will make a Spiritual Retreat, on Jan. 8, 9 and 10 at Lakeside Park. Cost for the weekend, which is limited to 20 boys and 20 girls, is \$4 per person. Reservations may be made at the Church on Six Mile Road.

World Congress on Evangelism Slated for Berlin in October, 1965

WASHINGTON — Christianity Today magazine is planning a "World Congress on Evangelism" which could light the fuse for a spiritual explosion with worldwide impact.

Evangelist Billy Graham and Dr. Carl F. H. Henry, editor of Christianity Today, unveiled the World Congress plans at a news conference here. Graham is honorary chairman of the congress.

"Our prayer," says Graham, "is that through the medium of the World Congress on Evangelism the church today will receive renewed power and a sense of urgency such as was characteristic of the early church after Pentecost."

The congress has been scheduled for West Berlin, Oct. 26-Nov. 4, 1966; It will bring together about 1,200 influential churchmen from all over the world to discuss evangelism.

Plans are predicted on the participation of more than 700 delegates, 300 guests, and 100 observers.

Attendance will be by invitation only. Participants will be (1) leading evangelists from many countries; (2) denominational leaders whose administrative responsibilities concern the church's involvement in evangelistic activity; and (3) teachers and scholars whose areas of specialization relate significantly to evangelistic concerns.

Graham declares his hope "that the congress will speak to the whole church with clarity and authority on evangelism and the mission of the church. Many of the recent statements coming from church conferences have been vague and confusing on the subject of evangelism."

The congress will begin with a night of prayer. The program will include addresses on the biblical basis of evangelism, special papers, panel discussions, group discussions, and reports on the progress of evangelism throughout the world and the urgency of the task in coming years.

Henry, who will serve as chairman of the congress, says its overriding concern "will be the absolute necessity of fulfilling Christ's command that his disciples go into all the world and preach the Gospel." He outlines the formal, seven-fold purpose of the meeting as follows:

(1) To define biblical evangelism; (2) to expound the relevance of Christ's Gospel to the modern world; (3) to stress the urgency of evangelistic proclamation throughout the world in this generation; (4) to discover new methods of relating biblical evangelism to our times; (5) to study the obstacles to biblical evangelism and to propose the means of overcoming them; (6) to discover the types of evangelistic endeavor currently employed in various lands; and (7) to summon the Church to recognize the priority of its evangelistic task.

Two revival hours will be held. The January speaker is James ("Mike") Grange while Robert Palmer is slated to speak at the February hour.

The clinic is open to all Christian Workers in the area. Classes will be taught by ministers and members of the churches of Christ and Christian churches. Pre-registration fee is \$1.25. Persons interested in the clinic are asked to register at their home church on Jan. 3. A fee of \$1.50 will be charged for those registering when the clinic begins.

A nursery for children five and under will be provided.

Women's Retreat A Catholic Laywomen's General Retreat for both married and single women is scheduled for Jan. 8 through 10 at the Mary Reparatrix Retreat House on Quincy Avenue in Detroit. For further information call the Retreat House at UN. 2-7018.

# Area Residents Celebrate First Christmas Season in New Homes

THE SAWUSCH children, Candy, 7, and Sue Ellen, 13, of Beechcrest Drive, Plymouth Township, could hardly wait for Christmas Day to open the packages under the tree. They are the

daughters of Mr. and Mrs. Edward M. Sawusch. The Sawuschs moved into their new colonial home in the Woodlore Subdivision last August.

"Home for the Holidays" is the refrain. The refrain is true because people always seem to make that special effort to travel home during the Christmas season no matter where they might be.

With this thought in mind The Observer visited four homes in the area.

All of the families visited have moved into new homes during the past year.

It's the initiation period for the entrance way to hang the mistletoe; for the special corner for the Christmas tree; and for the neighbors to examine and admire the outdoor decorations.

Visited were: the new ranch home of the Larry Poznick's on Quail Hollow in Farmington Township; the colonial on Brady in Redford Township; the old-style two story Stoll home on Berwick in Rosedale Gardens, Livonia; and the new colonial in the Woodlore Subdivision of Plymouth Township which is the home of the Edward Sawuschs.

We think that there's something special about the first Christmas in a new home. We hope you do too.

## To Women It May Concern

By MYRA COX

(Editor's Note: Myra Cox's column will not appear this week)

By SUE SHAUGHNESSY

One of the many ways Webster's Dictionary defines "Resolution" is "The thing resolved or determined upon; decision as to future action."

Since it is that time of year again I offer the above for your information.

Each year thousands of Americans resolve to stop smoking, speeding or to take positive action, e.g., pay the bills on time, shovel the snow as soon as the snow stops falling or to cut the lawn regularly once a week.

Each year more than half of these well meaning souls fall by the wayside.

This writer even knows some people (herself included) who make one resolution a year and keep making it until the good habit finally sticks.

Personally this writer resolves each year to acquire the habit of finishing one book before starting another. For the past six years I have been trying, but with no success.

With best wishes for a happy and prosperous New Year I will close the column now. Added to the conventional wish is the sincere wish that every one of this year's New Year's Resolutions are kept.

## Telephone Bridge Planned by Plymouth Women

The first Plymouth Panhellenic Meeting for the new year will be Jan. 4 at 12 noon. It will be a sandwich luncheon at the home of Mrs. Robert Probeck, 47174 Stonecrest Court.

New officers will be installed at this meeting. They are: Mrs. David Leaverton, Alpha Phi, president; Mrs. Ralph Lorenz, Alpha Xi Delta, vice president; Mrs. Fred Faust, Chi Omega, recording secretary; Mrs. Robert Vorech, Delta Gamma, corresponding secretary; and Mrs. Don Carlson, Delta Delta Delta, treasurer.

All national panhellenic members in the Plymouth area are invited to attend.

For reservations please call either Mrs. James Knowler at GL 3-8868 or Mrs. John Hopkins at GL 3-5558 by Jan. 1.

## Plymouth BPW Presents Check To State Home

A check for \$72 earmarked for the Special Orthopedic Fund was presented to the Plymouth State Home at the Dec. 21 meeting of the Plymouth Business and Professional Women's organization.

Approximately 70 members and guests attended the Christmas meeting at the Hillside Inn.

Entertainment was provided by the Madrigal Singers of Plymouth High School and a demonstration of Christmas wrapping by Barbara Papes of Hugh Jarvis Gifts.

A District 9 winter meeting will be held Jan. 17 at the Parker House in Farmington. Mrs. Frank Aldrich is taking reservations up to Jan. 14 at GL 3-7078.

Make plans ahead of time—the way to start a day right is to start the night before.

PRISCILLA RUTH CAIN

Mrs. Amy Cain of Dearborn Heights has announced the engagement of her daughter, Priscilla Ruth, to Frederick Walter Heidt. He is the son of Mr. and Mrs. Fred Heidt Jr. of Plymouth. The prospective bridegroom is a graduate of the General Motors Institute in Flint and is currently working on a Masters at the University of Michigan. A Dec. 4, 1965 wedding is planned.

## CHRISTMAS GUESTS

Christmas Day guests of Mr. and Mrs. John H. Smith of Ann Street, Plymouth, were Mr. and Mrs. S. J. LaCroix of Livonia, Mrs. Edna Smith of Plymouth, and Mr. and Mrs. C. F. Thacker and sons, Scott, Mark, and Chris, and Eric Smith and his bride, the former Barbara Norwick, of Detroit.

# Plymouth Hi News

By CAROL OTWELL

Ole PHS is getting a rest this week with all of its 1300 students home for Christmas vacation. It deserves a rest, for the end of 1964 marks the 46th year that the present high school has been standing.

Since it was rebuilt after the fire in 1918, it has been altered considerably with several additions and many modernization plans.

At one time, part of the building was used for a grade school and some high school classes were held in an old house which stood where the swimming pool is now.

During its lifetime, Plymouth High has seen thousands and thousands of students pass through its doors for the first time as freshmen and leave for the last time as graduating seniors. Some of these students have been great and have gone on to bigger and bet-

Carol

ter things, and some of them have been not so great, but each one has left his mark.

It is the marks of these students and teachers who have been at PHS and the events which have happened there that make our school not just an old building, but a place of history and tradition.

The new high schools that are springing up all over the place are wonderful, true, but they seem to lack a certain quality that PHS and other old schools share. And that is the quality of school background and tradition.

A tradition that takes several generations to build up and which can be seen in the trophy cases with tarnished trophies dating back to the early part of the century, and in year books that show what went on over 30 years ago.

There are, of course, a few disadvantages to an old school, such as leaky pipes in history class (some which have been fixed and others that haven't), squeaky radiators and rusty lockers that take hours to open, but somehow these things kind of lend a flavor to the place.

Next Monday morning the vacation will be over and the school again will open its doors to the students and teachers to begin another new year. Let's hope it has many more.

BACK ON THE news front; the ever busy international Relations class will hold a holiday dance this Saturday night, January 2, in the high school. The dance is another money making project for their trip to New York.

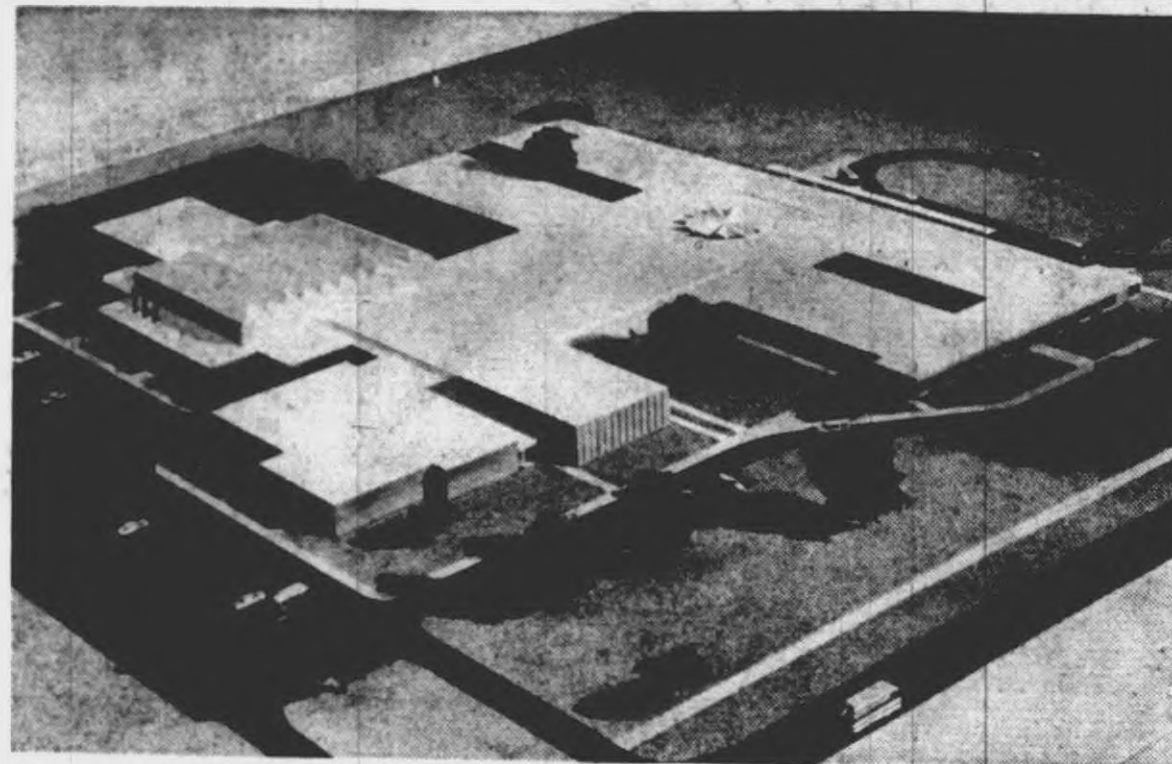

The trip isn't so far away anymore because the students and chaperones hope to leave near the end of February to spend four days in the big city. While there, the students will be observing the delegates to the United Nations that they will be representing later on in the year at model United Nations assemblies in Detroit and Hillsdale.

In regards to the survey taken by the sociology classes as to what Christmas means to little children, the results have been calculated. Of the 1,158 children interviewed, it was found that the most common answer to the question, "What does Christmas mean to you?" was "fun."

Over 60 per cent of the children gave answers pertaining to presents, Santa Claus and Christmas trees.

Some of the religious answers included, "God made it," "That's when baby Jesus was born," and "Christ's birthday."

Co-chairmen of the project were Cindy Allen and Lynda Burkhardt.

**LIVONIA'S THIRD HIGH SCHOOL TO BE ON EXHIBIT**—One of the 1965 goals of the Livonia Board of Education, architects, planners, construction workers, and others involved in the building of the new Livonia high school on Six Mile at Whitby Drive is to open its doors as early this fall as possible to accommodate the needs of the mushrooming number of secondary school young people in the rapidly growing

suburban district. This model will be on exhibit in Atlantic City next February as thousands of superintendents, university heads, school board members and others attend the annual convention of the American Association of School Administrators. Present estimates are that some 2,200 tenth, eleventh, and twelfth grade students from northern and western Livonia subdivisions will attend the yet unnamed high school.

## Livonia DPR Plans Rinks ... If Freeze Ever Stays

If and when cold weather arrives, cold enough to freeze outdoor ice rinks and keep them frozen, the Livonia Department of Parks and Recreation plans to have 29 rinks available for use.

Parks Foreman Robert Stokes has a night and day crew standing by to flood the rinks when the cold spell sets in.

The natural rink at Bentley High School has been discontinued due to the construction there but skating will be available to Livonia residents at the Henry Ford Centennial Field during the day and at night under the lights.

The concession stand, lavatory facilities and warming

shelter at the field will be open every night and on weekends for the convenience of patrons.

However, all is in abeyance until the big freeze comes and DPR officials hope it comes soon.

The list of rinks, planned for flooding, includes: Angling and Deering Ave., 1; Botsford Park, two rinks; Tyler School, 3; Bryant Junior High, 2; Meadows Park (Taft School), 2; Burton Hollow, 2; Castle Gardens Park, 1; Henry Ford Field, 2; Algonquin Park (Roosevelt School), 2.

Buckingham Park (Adams School), 1; Elm Park, 1; Country Homes Park (Garfield School), 2; Sheldon Center, 2;

**PRINCIPAL PARTICIPATES**—Wilcox Elementary School principal Mrs. Mae E. Ross helps parents create holiday decorations at a workshop held last week. Seated at work bench (left to right) are Mrs. Sylvia Altschuler, 20511 Ardmore; Mrs. Margaret Creeger, 15640 Born, and Mrs. Edna McCullough, of 15688 Oporto.

## Plymouth Jr. League Slates Registrations

Registrations for the new Plymouth Community Junior Basketball League will be accepted on the next two Saturdays, Jan. 2 and Jan. 9 from 10 a.m. to 2 p.m. at Junior High West.

That was the announcement Monday by members of the organizing committee after receiving assurance of the Plymouth School Board and Recreation Director Herb Woolweaver of complete co-operation.

The league will give youngsters in the eight- to 12-year-old age bracket an opportunity to play on Saturdays in the Junior High West court for the remaining of the winter months.

With expressions of interest from more than 150 boys, the sponsors believe the league will develop into one of the best in the area for youngsters.

All boys must register on one of the two days and each must be accompanied by a parent. The registration fee for the season is \$7.50 for each boy and \$4 for each additional youngster from the same family.

This assures the boy of a uniform for all games, which must be turned in at the end of the season, and a numbered sweatshirt, which becomes his to keep.

No experience is necessary—the only thing required of all is an intense desire to play and learn more about basketball. Practice sessions are expected to start on Jan. 11 with actual league play slated to begin on Jan. 23.

The Saturday recreation department basketball program, currently at the high school, will be coordinated with the new loop. All boys, in that program, are urged to contact league officials or to appear on one of the two registration days.

There is still time to make your desire known to participate. Stop at the City Hall for information blanks or contact one of the following members of the sponsoring committee: DPW Supt. Joe Bida (453-1556), John Van Wagoner (453-8023) or Howard Oldford (453-7538).

## Cub Scouts Pack Food Baskets To Aid Livonia Needy Families

In the tradition of Scouting, inspired by the spirit of Christmas, Cub Scouts of Pack 759, with their dads, delivered food packages donated by their Pack, to needy families in the Livonia area.

This endeavor is typical of the activities engaged in by the Cub Scouts. Boys in age levels of eight through 11 are encouraged to participate in the many varied projects with a purpose. Fathers play an active, direct role in the development of responsibility for their growing sons, Cub Scout Pack 759

boasts a membership of 65 youngsters. They are sponsored by the Garfield School PTA. Cubmaster is Larry Waterhouse. Dads Joe Jenkins, Earl Ronning, Joe Adams, Jim Duffy, Elden Brieschke, John Rose, Chris Cranius, Jim McLean and Ted Kurycz all provide leadership in their special fields.

The seven den mothers are Candida Lieder, Eileen Sonk, Kathy Feeback, Ruth Ziomik, Vernice Coan, Irene Smith and Shirley Jenkins.

Rosedale Park, 2; Jefferson Park (Jefferson School), 2; Clements Circle Park (Wilson School), 2; and Cleveland School, 1.

The DPR has tentatively set up the following schedule at Ford Field to go into operation when ice is available: Monday—hockey, 6 to 10 p.m.; Tuesday—general skating, 6-10 p.m.; Wednesday—hockey, 6 to 10 p.m.; Thursday—general skating, 6 to 10 p.m.; Friday—hockey, 6 to 10 p.m.; Saturday—hockey clinic, 8 a.m. to noon; general skating, noon to 10 p.m.; and Sunday—general skating, noon to 10 p.m.

## Three in Area Help Propel MSU Debaters

Michigan State University's debate team with three local collegians aboard, amassed a record 66 wins against 20 losses for the fall term. And they did it largely with inexperienced debaters.

MSU's forensics director Dr. Jerry Anderson notes that "most of the schools rely on a few experienced varsity debaters. The majority of our more than 30 members are from a wide variety of academic fields and are relatively inexperienced."

"The average debater," says Dr. Anderson, "does the equivalent of two master's theses' research on debate topics during one school year."

Dr. Anderson adds that debate activity "provides intensive training in the rational analysis of controversial public issues."

The current intercollegiate debate topic is: "Resolved: the federal government should provide a national program of public work for the unemployed."

Winter term contests on the above and other topics will include more than 147 debates and at least 14 intercollegiate debate tournaments across the country.

Debate team members from The Observer's circulation area included Jacqueline D. Pickard, daughter of Mr. and Mrs. J. H. Pickard, 18544 Five Points, Redford Township; Gregory D. Etting, son of Mr. and Mrs. R. O. Etting, 36126 Roycroft, Livonia; and Nadine M. Criger, daughter of Mr. and Mrs. Marvin J. Criger, 454 Arthur, Plymouth.

## MSU to Build High Rise Dorm For \$7 Million

EAST LANSING—A 12-story academic residence hall will go into construction at Michigan State University soon.

To be completed by September, 1966, the high rise dormitory will cost \$7 million. It will be the tallest building on campus and will house 609 men and 609 women in separate wings.

The new hall will be the eighth in a series of academic residence halls incorporating classrooms and faculty offices with facilities for living, dining and recreation.

## In Germany Maneuver

PFC Patrick J. Dougherty, son of Mr. and Mrs. John G. Dougherty, 33431 Rosslyn st., Garden City, recently participated in a week-long field training exercise with other members of the 8th Infantry Division in Germany. The 18-year-old soldier attended Franklin High School in Livonia.

## Schoolcraft College President Looks Back at a Busy Year

As the year ends it is always a good time to look forward as well as backward. It is particularly interesting for those of us who are associated with Schoolcraft College to consider the progress that has been made in the last year.

Christmas 1963! This was when Schoolcraft College was just beginning to hire its first faculty members. This was when the Library was beginning to shape up with approximately 8,000 volumes on hand. This was the time when all of those associated with the College was wondering if we were really going to have the 800 to 900 students that we were expecting during the first year. This was the time when the Library building had not been started and the other buildings were still below ground level. Would they be complete in time to open on August 31, 1964?

So we look back upon a period of questioning, upon a period of doubt and yet upon a period of great hopefulness.

In the year that has passed since 1963, Schoolcraft College has become an accomplished fact. The 800 or 900 students have expanded to over 2,000 students. The faculty has increased to 48 full-time faculty members. The Library has now over 17,000 volumes and approximately 300 issues of magazines and other periodicals. The new College has gained acceptance among the colleges and universities of the State of Michigan. It has already undergone two visitations by accredited agencies and looks forward to the time, in 1965, when its students will be given clearance to transfer without question to all colleges in the State of Michigan. The buildings are comfortable. They are dramatic in appearance and they are well organized for the work that is in progress.

The first year has been very fruitful. The most interesting and challenging things

are the changes that have come to the students themselves. The faculty during this first six months has seen the student body change from

## Mercury Sales Up 67 Per Cent Over Last Year

Paced by Mercury sales up 67 per cent from the comparable year ago period, Lincoln-Mercury Division's retail deliveries in the second ten-day period of December were at the highest rate in history for the period.

Based on preliminary reports, the Division sold 9,708 cars in the period, for a daily rate of 1,214, up 14 per cent from the comparable period of 1963 and an all-time record for mid-December.

Mercury sales were 4,656, for a daily rate of 582 compared to 348 a year ago, and the highest rate for the period since 1956.

Lincoln Continental sales totaled 1,478 in the period, for a daily rate of 185, second only to the record for the period set in 1948.

Comet sales totaled 3,574 in mid-December, a rate of 447 a day.

a group of high school students to a group of collegians. The students have organized themselves into groups, a few of which are: Student Senate, the Circle K Club, The Newman Club, the Geology Club, the Campus Christian Fellowship, the Dramatics Club, the Radio Club and the Folklore Society. Many more organizations of the College reach out into the communities and have made changes which in the years to come will be much more apparent.

Surprisingly enough, the College has carried on inter-collegiate athletics though it has no physical educational facility of its own. A cross country team, a basketball team, and a swimming team have been organized. A large intra-mural program has been in operation which has involved 9 teams of approximately 100 men in touch football, 8 teams of 90 men in basketball, and similar teams are planned for the spring in archery, tennis, golf and softball.

Apparently, the College has matured in the minds of the high school counselors because applications are now arriving in far greater numbers from the local high schools for the fall term of 1965 than they did for the fall term of 1964. It looks as though the next year will see an increase in the student body to approximately 3,000 students, with 2,000 being full-time students. Yes, Schoolcraft College has become part of the Northwest Wayne County Community.

We are thankful for the tremendous support that was originally given and is now continuing to be given to this College.

**READERS SPEAK UP:**

## More Tributes For Chandler

(Editor's Note: Tributes to The Observer's late Publisher, Paul M. Chandler, continue to come to his family and the office. We will continue to share them with readers in this column.)

**Editor:**  
 We are still sad over the untimely death of Paul Chandler. He left a lasting impression for which we are grateful.

CLARA and FRANCES VINCENT, Livonia.

**Editor:**  
 Enclosed is a clipping that, as you can see, I have saved for years. The editorial is not signed but I assume the hand of Paul Chandler was responsible. I draw your attention to "Notice the Shining Trees..." This is a facet of his writing not often brought to view.

**NORMA KUMBIER**  
 Mankind generally thinks gratefully of the shade that trees provide. But at least a few men have noted with words or paint-brush the light that trees reflect.

Poplars shimmer in a mid-summer wind. Willows wave soft, green-gray, silky looking tresses over glossy streams. Oaks and beeches look like solid globes of light in the filtered English sunshine of East Anglia, just as Constable painted them. And a New England hillside will sometimes seem almost metallic as its millions of leaves glisten in the glare of a hot afternoon.

Moonlight sings like muted violins from ranges of foliage rising against the late summer sky. And there is the light that trees shape before letting it pattern the forest floor—gargantuan columns thrusting down among giant redwoods, or delicate fingers of filigree where smaller trees nestle.

The undersides of leaves become jewellike with light shining through.

"Shade is the work of trees. Light is their playing."  
 (From The Livonian, Sept. 27, 1956.)

**RESOLUTION OF THE SOUTH REDFORD BOARD OF EDUCATION:**  
 WHEREAS, the South Redford School Board has learned with deep sorrow of the passing of Paul M. Chandler, State Senator-elect, newspaper publisher and civic leader; and

WHEREAS, as a member of the State Legislature he gave of himself unselfishly in the performance of his duties for the betterment of community life and mankind; and

WHEREAS, in his capacity as

owner and editor of the Redford Observer and other area newspapers did provide our community with excellent local news coverage; and

WHEREAS, Paul M. Chandler did provide able leadership in helping to provide for the educational and social needs of the youth of this area;

**NOW, THEREFORE, BE IT RESOLVED,** That the South Redford School Board does hereby pay tribute to Paul M. Chandler and expresses its sincere sorrow over his untimely death.

**BE IT FURTHER RESOLVED,** That a copy of this resolution be mailed to Mrs. Myra Chandler.

We wish to express our sincere regrets to the family and friends of Paul Chandler. Words are often not enough to express the sadness of the tragic loss of Senator-Elect Chandler, who through his journalism and actions proclaimed his basic belief in our civic obligations and freedoms.

His work was an inspiration to youth and the entire community he responsibly served. We hope Paul Chandler's beliefs will be carried on through the memorial scholarship fund and the heart of the community.

It was an honor to have Paul Chandler represent the Republican Party.

**CONNIE LUNSKI,**  
 Corresponding Sec'y  
 17th District Young Republican Club.

It is always most difficult to express the extent of personal loss such as in the case of the untimely passing away of Paul M. Chandler.

His many friends in educational circles feel a sense of personal loss. His interest in the problems of children of all ages and concern about their welfare made it easy to discuss many of the problems confronted by the many educational institutions of the area. His leadership in the State will be a loss especially in the field of education, because of his convictions of what was best for young people.

**L. E. SCHMIDT,**  
 Superintendent,  
 Clarenceville Public Schools.

The following statement was approved by the undersigned Republican leaders:

"We all feel a tremendous loss upon the death of Paul Chandler. He was truly an outstanding man and a dedicated public servant."

"His untimely passing leaves a void in the state legislature and we are concerned that the citizens of the 14th State Senatorial District be given the opportunity to elect someone of the same high caliber as Paul Chandler. We have discussed the announced candidacy of former State Senator Farrell Roberts and found ourselves mutually elated to have a candidate of his background and qualifications in the race."

"It is unfortunate that this must be an immediate concern so closely following Senator Chandler's death, but the election timetable provides for an early candidates' filing deadline of January 4, 1965 which severely limits our campaign activity."

"We are now in the process of planning a hard-hitting, aggressive campaign to retain responsible representation in this district and for thousands of other people throughout the state who have been disenfranchised by the Democrat gerrymander of the state legislature."

**CHARLES LYLE,**  
 Oakland County Chairman. Representative Robert Waldron, Wayne County Chairman, John Cojeen, 19th Congressional District Chairman, Leonard Hippler, Wayne 19th District Operational Chairman, Mrs. Betty Jacobus, Wayne 2nd District Operational Chairman.

# Set Dates For Observer Pin Tourney

The third annual Observer News-papers-Merri-Bowl Lanes mixed doubles tournament will begin Feb. 20 and continue through May 23 with a guaranteed first prize of \$1,000, second of \$500 and third of \$350.

That was the announcement Monday by Tournament Manager Mac Goldman as he began the distribution of thousands of entry blanks to bowling establishments in southern and eastern Michigan and northwestern Ohio.

More than that Goldman, who is the owner of Merri-Bowl Lanes, has estimated the first prize check could go as high as \$2,500 on the basis of 1,000 or more entries.

"If the entry list exceeds 1,000," said Goldman, "and we have every reason to believe it will do that high, then the estimated prize list is \$2,500 for first, \$1,250 for second and \$750 for third."

The tournament paid off to the 130th score a year ago, ranging from the top check of \$900 to Barbara Neville and

David Mattox to \$10 for bowlers from 25th through 130th places.

The tourney is sanctioned by the American Bowling Congress and the Women's International Bowling Congress and the prize list is set up according to the recommendations of the two groups.

In addition to the first prize, last year's tournament paid \$300 to Vera and James Beeman and Doris and Donald Allen who tied for second, \$125 to Dolores Lane and Peter Frazer for fourth and \$75 to Doris Knechtges and George Hollabaugh for fifth place.

The mixed doubles is a handicap affair based on 70 per cent of 400 with a limit of 120 pins per game based on the high average of each bowler as of Dec. 31, 1964 for a minimum of 21 games.

Bowlers may enter more than once, providing they change partners each time. Teams will bowl three games on the same pair of lanes and are eligible to cash as many times as they bowl.

The rules provide that entrants must present either WIBC or ABC sanction cards at the time of bowling.

The total entry fee is \$10 of which \$3.30 is the charge for bowling, \$1.70 for expenses and \$5 goes into the prize fund. All prizes monies will be returned 100 per cent.

Any bowler who falsifies his or her average automatically forfeits any rights to the prize money. Prizes will be paid after averages of all prize winners have been verified.

Director Goldman indicated the Rules Committee reserves the right to refuse any entry and the decisions of that body are final.

Rules of the ABC and the WIBC will apply in all instances where there is any question.

Goldman warns that any change of a reserved squad time must be by written request five days in advance of the change.

Bowlers planning to enter are urged to do so immediately in order to have the advantage of choice times and dates.

The tournament will operate on week-ends only on the following dates with squads at 11 a.m., noon, 1, 2, 3, 4, 5, 6,

7, 8, 9, 10 and 11 p.m. on each day. Entries will be accepted until noon on May 23, the closing day, with the final squad at 10 p.m. that night.

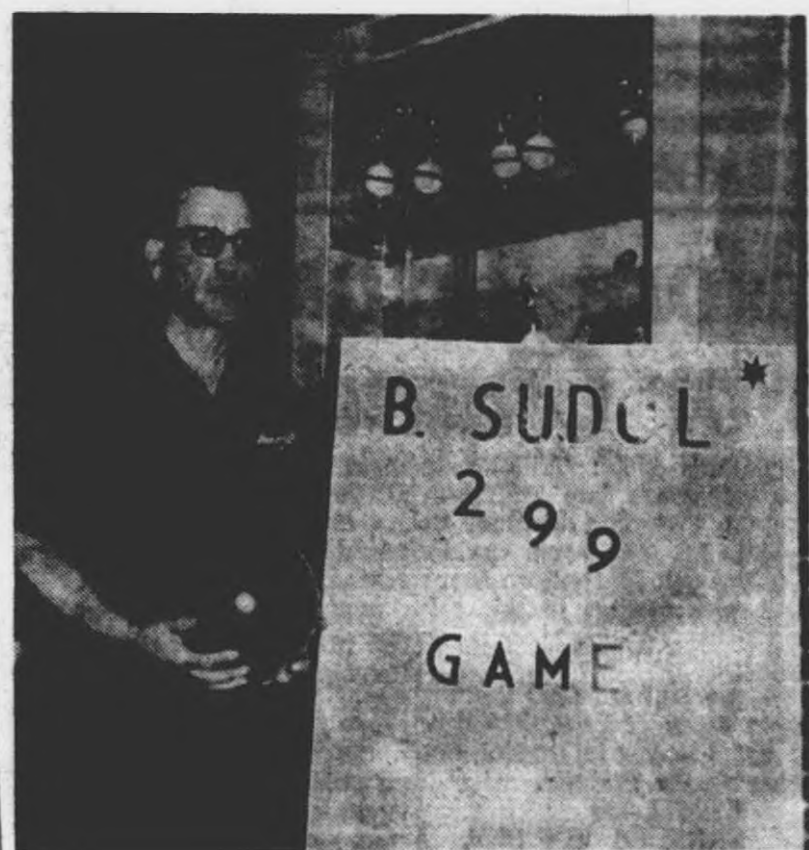

The dates: Saturdays: Feb. 20 and 27; March 6, 13, 20 and 27; April 3, 10, 17, 24; May 1, 8, 15 and 22.

Sundays: Feb. 21, 28; March 7, 14, 21 and 28; April 4, 11, 18 and 25; May 2, 9, 16 and 23.

Entry blanks are available at the Observer offices at 33050 Five Mile Road in Livonia and at Merri-Bowl, 30950 Five Mile Road, Livonia. Goldman has started distribution to every bowling establishment in the area, as well as in southern and eastern Michigan and Northeastern Ohio. Blanks will be at all points within another week.

So, if you're interested in competing in the area's richest mixed doubles tournament, then file entry blanks immediately and get your choice of dates and times.

Remember you can bowl more than once, provided you change partners each time.

ONE PIN SHORT of a perfect 300 game was Brownie Sudol, of Oak Park, formerly of Livonia, as he rolled the highest score of the year at Merri-Bowl Lanes. Brownie left the 10-pin standing on his 12th ball for the 299 count. He's a member of the DiStefano team in the men's senior house league and had a 661 series on games of 146, 216 and 299.

## Pistons Host To Two Rivals

Two home games are on the docket for the Detroit Pistons this week.

They meet the St. Louis Hawks Wednesday night at Cobo Arena and then the world champion Boston Celtics on Saturday evening.

A special preliminary between Lawrence Tech and Indiana State will precede the Detroit-Boston game. The collegians will take the floor at 6 p.m. p.m.

Boston continues to dominate the National Basketball Association's Eastern Division. The Celtics, led by Bill Russell and Sam Jones, appear to be on their way to an easy ninth straight Eastern crown.

Big RBI Man In five seasons with the Detroit Tigers, First Baseman Norm Cash has driven in a total of 462 runs, an average of better than 92 per season.

MEMBERS of the first basketball team ever to represent Schoolcraft College are shown posing for the official team picture. The group includes (front row, from left): Jeff Houtaline, Cal Luibrand, Scott McIntyre, Bob Geist and Jack Hooper; (back, from left): Manager Hans Melroth, Coach Marv Gans, Dave Nor-

ris, Gerald Kisabeth, Bob Eckonten, John Breckenridge, Dick Birzak, Greg Rice, Roger Grover, Keith Watson, Manager Rick Smith and Assistant Coach Wilson Munn. The cagers play at Michigan Lutheran College on Jan. 5 and then host Muskegon on Saturday, Jan. 9 at Franklin High School.

## Hawks to Battle Wings Thursday

Bobby Hull, who appears to be on his way to a new National Hockey League scoring record, will lead the Chicago Black Hawks against the Detroit Red Wings at Olympia New Year's Eve.

It will be one of two weekend appearances at Olympia for the Wings, who take on the Boston Bruins on their home ice Sunday night.

## Rouge Stops Bentley

As far as Coach George Fefles and his Bentley high basketball team are concerned, River Rouge should repeat as the state Class B champions next March.

The Rouge team, which virtually has dominated the Class B picture for the last decade, again is a power, a terror and a giant.

Just ask the Bentley cagers, who visited the Rouge fair a week ago Tuesday and took a crack at trying to stop the mighty men of Coach Lofton Green.

It was strictly no contest, despite the fact Bentley had taken the floor possessing a spotless 4-0 record in action up to that moment.

Rouge wasted no time jumping ahead of Bentley. By the end of the first quarter it was 20-8 for the Panthers. Halftime saw Rouge on top by a 41-19 count. After three quarters it was Rouge 64, Bentley 29.

When the final buzzer sounded, the scoreboard flashed River Rouge 80, Bentley 47.

"They were just too big and too strong for us," Fefles said at the end of the game.

"It was a typical Rouge team," added Fefles. "They kept the pressure on all the time. We couldn't do very much."

Surprisingly, the famed River Rouge pressing defense didn't bother Bentley too much.

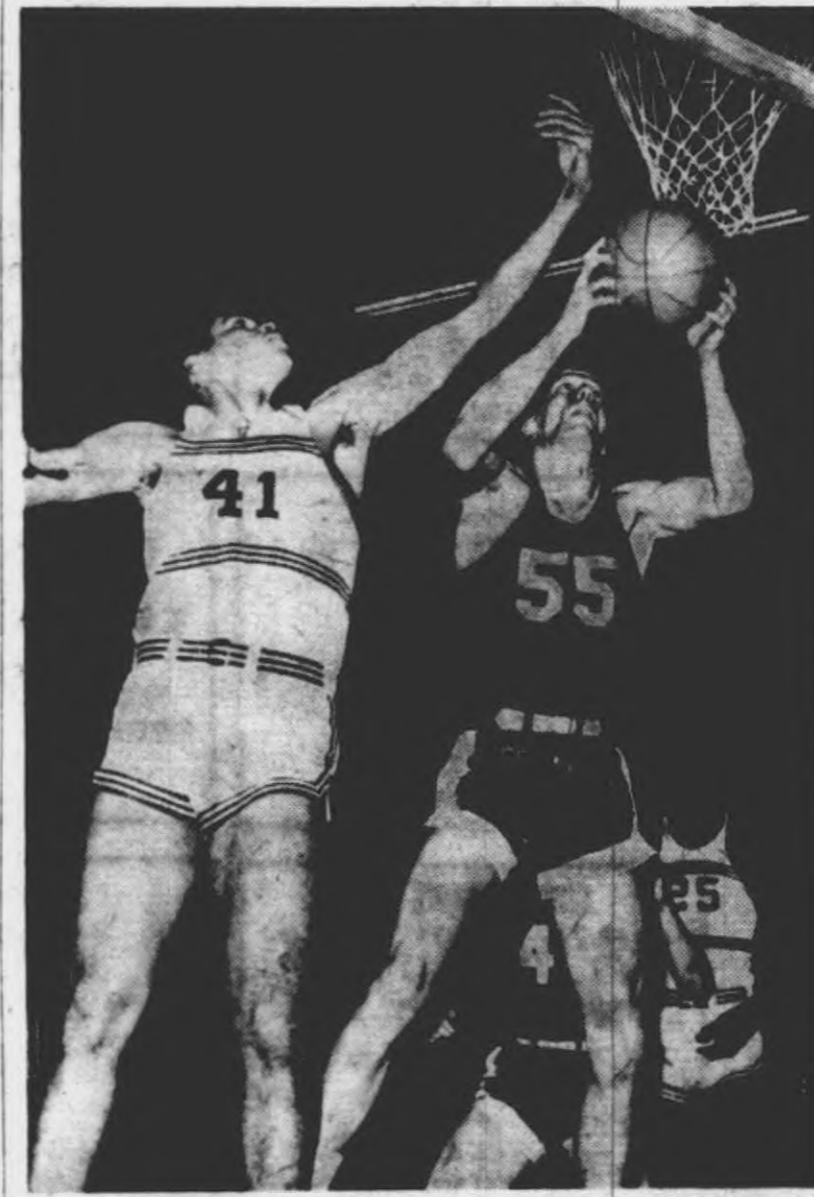

"It was just that they had too much else for us," declared Fefles who this week led his cagers into the holiday tournament at Redford Union.

Bob Elsner was the top scorer for Bentley with 19 points. Bill Swift, Fred Matveia and Mike Bonder followed with nine each. Tim Doll scored seven with Bob Lucas, Danny Sommerman and Scott Reed collecting four each.

The Bentley reserves gave the Rouge second-stringers a

much stiffer test before finally succumbing by a 51-48 score.

Gregg Coleman flipped in 12 points, Larry Grimm 10 and Bob Ryan for the losers.

TIM DOLL (55), of Bentley, goes up to clear the boards against River Rouge high's perennial state Class B champs. Rouge won, thus stopping Bentley's unbeaten record.

## 2 Falcons Annex Wrestling Crowns

Farmington High produced a pair of champions in the South Oakland County prep wrestling tournament.

Art Woehler, 103 pounds, and Dick Johnston, 154, emerged as

the kingpins for Farmington in the competition which lured representatives from 16 schools.

Both Woehler and Johnston reached the semifinals for Farmington before he was beaten by the eventual champion. Gary Tudball, Bob Finks, Dan Heuer, Tom Hughes, Dennis Eakin, Gary Liess, Mark Foster, Carl Misch and Bob Helby of Farmington won their first-round matches before losing.

Ron Mortenson, a 112-pounder, reached the semifinals for Farmington before he was beaten by the eventual champion.

Gary Tudball, Bob Finks, Dan Heuer, Tom Hughes, Dennis Eakin, Gary Liess, Mark Foster, Carl Misch and Bob Helby of Farmington won their first-round matches before losing.

Rookie on the Rise

In his first season in AAA baseball, Willie Horton, 22-year-old Detroit Tiger rookie outfielder, hit 28 home runs and drove in 99 runs for Syracuse of the International League in 1964.

## RU Loses To Parkers In Pool

Allen Park high's swimming team had too much for Redford Union in the Townshippers' final meet of 1964.

The score was 59-47, but there was one bright note for Redford Union. Steve Glazier set a new varsity record in the 400-free-style when he was clocked in 4:27.2.

The old school mark of 4:33 was set in 1960.

Glazier also won the 200-yard freestyle while Jeff Shonfield took the diving to account for the only other victories scored by RU.

Here's how the RU performers placed:

- MEDLEY RELAY: 2—Redford Union (Jim Douglas, Rich Phearson, Don Glazier, Doug Cassidy).
- 200-YARD FREESTYLE: 1—Steve Glazier, 2—Tom Rice.
- 50-YARD FREE: 2—Glen Farrell.
- INDIVIDUAL MEDLEY: 2—Dan Harrison.
- DIVING: 1—Jeff Shonfield, 3—Robert Lagona.
- BUTTERFLY: 3—Dan Glazier.
- 100-YARD FREE: 3—Mike Plath.
- BACKSTROKE: 2—Harrison, 3—Douglas.
- 400-YARD FREE: 1—Steve Glazier, 2—Rice, Time: 4:27.2 (new varsity record).
- BREASTSTROKE: 2—Pherson, 3—Terry Bamber.
- FREESTYLE RELAY: 2—Redford Union (Ron Pokorney, Larry Bert, Plath, Farrell).

The RU tankers resume action next Wednesday at Southfield. They'll be at Plymouth on Jan. 7.

Farmington's Art Woehler is crowned winner after taking championship match.

## OBSERVER SPORTS

By George Maskin

A HAPPY, HAPPY NEW YEAR—AND IN THE WAY OF SPORTS MAY THE YEAR 1965 BRING TO OUR COMMUNITY:

1—Artificial skating rinks which the folks of Livonia, Redford Township, Plymouth and Farmington so richly deserve. We're told such rinks aren't too expensive and don't require too long to erect. It's a shame that hockey teams from hereabouts must travel to Detroit, Garden City, Ann Arbor and other points to play and practice.

2—More lighted fields in the area for baseball and softball. The installation of arcs at Livonia's Ford Field last summer proved a smash hit. Now let's have similar facilities for baseball in Redford Township, Plymouth and Farmington and why not a second lighted field for Livonia?

3—The rise of Schoolcraft College in the world of sports. The new institution is just making its debut this winter with teams in basketball and swimming. Within a short time, why not football and baseball and track and maybe one or two other sports for Schoolcraft? Many of our standout former high school athletes are already attending Schoolcraft and many more in the future will head there. These boys deserve a chance to continue their sports careers.

4—Steps to improve baseball for older boys (15-20 years in age) should be undertaken at once. We're not going to get off on what we think is a major tragedy—thousands hereabouts playing Little League and in contrast very few performing on upper-teen teams. Perhaps recreation officials and parents can see for themselves that they should be doing something for the older boys, who need far more supervision than the 11- and 12-year-olds.

5—Good fortune for all of our high school teams. The year of 1964 was a tough one on several of the schools. They didn't do too well in the victory department.

6—We're hoping, too, that the Tigers, the Lions, the Red Wings and the Pistons can shake their problems and all become consistent winners. The community is itching for sports champions. What a thought? All four of the teams finishing on top!

7—Increased interest on the part of adults in the various recreation programs staged in this area. A fair chunk of tax money annually goes into such activities, but only a small minority of the people seem to show any interest. More of us older guys should partake. It might cut down on our waistlines . . . and with fewer pounds to lug around, we're bound to draw less criticism from our weight-conscious spouses.

8—A thought by Livonia school officials to have all three of their senior highs—when the third one starts functioning next fall—contesting in the same league. To this department, it doesn't make much sense to have your teams spread over different leagues. It's not that way in Detroit or Flint or Grand Rapids or most other big cities. Livonia is getting to be a BIG town. Let's use the three Livonia senior highs as the nucleus for forming a new prep circuit.

9—It's our fervent wish that the swelling of sports on television won't ruin the eyes of those who gander toward this page once a week. With the opening of Channel 50 shortly, the sports enthusiast will never lack for anything to watch on the TV . . . another reason why we're suggesting that you give more thought about taking advantage of what the recreation departments in your area have to offer. Sitting and watching and eating—they only can lead to getting fat.

10—A victory for Michigan over Oregon State in the Rose Bowl this Friday. The Wolverines have been installed as heavy favorites—by as many as 11 points. If the Michiganders are mentally ready, they'll be no beating them. In fact, the game easily could turn into a romp for the U. of M.

AS A NEW YEAR DAWNS, we'd also like to assure our readers that we will continue our policy of offering FULL coverage of sports in the areas served by the Observer newspapers.

This was the wish of our late publisher, Paul Chandler. We're here to do our part.

It requires the cooperation, however, of coaches, managers and others connected with athletic teams and enterprises. We're a growing area and for the present, we are a one-man sports department.

Our mission in life is not to attack or find fault. Instead, we strive always to report and say nice things, especially about the youngsters who make up the lion's share of the teams about which we write.

But when we see wrong, we'll be the first to speak up.

# Here Are Wonderland Center's Happy Bicycle Winners:

Excited owners of a miniature battery-powered Chevy Corvette are the children of Mrs. Barbara Moore of 35371 Minton, Livonia. Winner of the little car was Elizabeth Moore (center). She'll share it with Douglas, 10 and Pamela, 6. The car was awarded in conjunction with an exhibit staged at Wonderland by Chevrolet Division, General Motors.

Santa Claus, with a big assist from Wonderland Center Merchants, made Christmas especially happy for these youngsters, following a drawing held at most of the Center's 57 stores. Brand-new deluxe bicycles were awarded to these boys and girls. The winners are from left to right:

**CURTAIN GOING UP**  
By WALLY ROBERTS

"Dear Me, The Sky Is Falling" settled at the Fisher last week for a four-week stay. Gertrude Berg, resplendent as Mama Hirsh is the main attraction. Her skillful, flawless performance is a joy to behold.

Mrs. Berg's charm and sly suavity falls on the unsuspecting audience so gently and invisibly that before the play is half way through the first act, you are completely hypnotized into thinking "Sky Is" a hilarious comedy. Truth is "Sky" is a formula play. You know what's going to happen. There are few surprises—outside of the clever ending concocted by Mr. Spielgras.

Yet in spite of the obvious bones of the plot being rattled so boldly, Gertrude Berg and her fine cast of supporting actors make "Sky" an enjoyable evening in the theater. The cavernous Fisher, usually excellent for musicals, suddenly became small and intimate as this fine cast pulled out all the "acting stops."

Santa Nederland is to be complimented for booking such a stellar attraction for the holidays. The theme of a dominating mother has universal appeal and can be enjoyed by everyone.

The soap opera content of the script becomes rib-tickling material when handled by Mrs. Berg. I've always thought of her as a female Menasha Skulnik. Her "Molly Goldberg" will always remain one of the classics of the radio-TV lanes.

Her consummate skill as an actress is most evident in the handling of the riotous third act. It's a typical wild farce-type of ending. Mrs. Berg as the pivotal character quietly and with great reserve allows the storm to gather and break all around her. The resulting frantic stage business takes on added hilarity as "Molly" tries her level best to do right by her daughter. Of course, by the final curtain everything turns out perfectly as it always does in these light-hearted, domestic comedies. Sounds banal, I know, but take a chance on this attraction at the Fisher—it's a real sleeper!

You'll see a great deal of "The Sky Is Falling" in coming years since it's a perfect community theater play. At the Fisher the switching between the psychiatrist's office and Molly's home is accomplished with the flick of an eyelash. Scene changes in as modern and complete theatrical plant as the Fisher are never a problem. When community theaters attempt this play, they had better consult a good scene designer in their group. The dual set offers some real problems.

As the bell tolls the end of 1964, the theatrical world can look back at a few highlights: Zero Mostel in "Fiddler in the Roof," Richard Burton in "Hamlet," "Any Wednesday," "Barefoot in the Park," Sammy Davis in "Golden Boy," the APA group in Ann Arbor with four fine productions ("Man and Superman," "Judith," "The Hostage," and "War and Peace"). Incidentally, the APA folks have received the highest praise

possible for their "Man and Superman" production. Many critics have suggested that they replace the New York Lincoln Center Repertory group.

The final curtain came down for many fine performers: Sean O'Casey, Brendan Behan, Ben Hecht, Cole Porter, Eddie Cantor, Harpo Marx, Sir Cedric Hardwicke, Carol Haxey and Diana Wynyard. The stage, screen, and TV tube will miss the talents of these performers as well as members of the nation's audiences.

Looking ahead to 1965, the local scene will jump into action soon after the New Year with the opening of the Hilberry Classic Theater: "The Taming of the Shrew." "Shrew" opens on Jan. 6. "Macbeth" follows on Jan. 13. The Classic Theater has undergone some renovations and will present a dressed-up look for its patrons. The 518 seats will still offer a closeness and intimacy seldom found in most of our Detroit theaters. It's not too late to apply for a season ticket for all four productions at the Classic Theater's second season.

During the holidays and continuing until Jan. 30 will be the Masque Theater's production of "Cat On The Hot Tin Roof." Ace Azar's and Bill Patent's fiery acting dominate the Masque stage. Their dynamic second act colloquy is well worth a trip downtown to the Hotel Wolverine. The show will be playing until the end of January.

The University of Michigan Professional Theater Program will present four Broadway productions in the Hill Auditorium when "Luther" arrives in Ann Arbor on Jan. 20. Last week I mentioned the fine quality of this production and indicated you could catch it in Ann Arbor. I goofed on the date. My first reports had the show arriving on Jan. 26. Let me assure you that I was wrong. "Luther" will play a one night stand on Jan. 20. My advice: get your tickets immediately.

In fact, the entire season ("Luther," "Beyond the Fringe," "Spoon River" and "Oliver") may be reserved by the purchase of a season subscription. By buying tickets to all four of these outstanding attractions, you will be assured of a seat plus a major discount on your ticket. Executive Director Robert Schnitzer informs me that the tickets are disappearing quite fast. Many folks have been wise enough to give season tickets for Christmas gifts.

**THE BILLBOARD**  
FISHER—"DEAR ME, THE SKY IS FALLING"—Gertrude "Molly" Berg via a gesture or two can bring down the house with laughter. A real artist at work. You have three more weeks to secure tickets.

CLASSIC THEATER—"TAMING OF THE SHREW"—Opens on January 6. To be joined in repertory by "Macbeth," "Oedipus Rex," and "Galileo."

MASQUE THEATER—"CAT ON A HOT TIN ROOF"—Raw, rough drama on the mezzanine floor of the Hotel Wolverine. Plays weekends until Jan. 20.

U OF M THEATER—"ANTIGONE" and "SCHOOL FOR WIVES"—Last chance to see these two excellent productions. Will open for final repertory performances on Jan. 7. Final performance Jan. 10.

**Hillside Plans African Meal New Year's Eve**

If you can't go on a safari, why not let the Hillside Inn on Plymouth Road bring the safari to you. The Hillside Inn often imports wild game meat such as Elk, Buffalo, and Moose.

This New Year's Eve the Hillside will be serving Roast African Lion, along with their other entrees. The meat can be compared to veal, and it has a light delicate flavor. Traditionally, it is served in a Burgundy Sauce.

If you aren't planning on going to Africa in the near future, this may be your opportunity to taste some of their finest meat.

**Wally Taber Film to Be Shown in Plymouth**

Three jumps ahead of the civil war in the Belgian Congo and scarcely two jumps ahead of the Red Chinese invasion of India, globe-girdling, high-adventure photographer Wally Taber continues to carry the proverbial rabbit's foot as he returns to the Plymouth area on another of his annual show tours.

Bringing with him a pair of films which critics have acclaimed his finest yet, the popular film raconteur presents his double-header living-color-film program at Plymouth High School gym Jan. 12 at 8 p.m.

"We've sponsored a lot of entertainment as club-charity promotions," Art Roberts, B.P. O.E. 1780, Plymouth, exalted ruler, said. "But none has proved as year-in, year-out popular as the Wally Taber Safari Shows."

"This year Taber combines unexplored Mexico with unknown India to turn out an evening's entertainment that long will be remembered by the whole family. Everything from jumping beans to jaguar and sardines to swordfish Taber found in our next-door neighbor's domain south of the border down Mexico way.

"Atop hunting elephant, astraddle Jeep, squatted on machans, bouncing along in ox carts are but a few of the extremes to which Taber went to capture the amazing film "Tiger Land" which he now brings here.

"Equally wild was the Mexican adventure that went into 'Jaguar Country,'" Roberts admonished. "No doubt, Taber has triumphed again and our club is delighted to be able to bring both the program and Wally Taber in person to our community."

# Jaycees New Year's Eve Candlelight Ball To Help Plymouth State Home

More than \$7,000 has already been reached in the Junior Chamber of Commerce drive to raise \$10,000 for a new swimming pool for retarded children in the Plymouth State Home.

And tickets for the 'Candlelight Ball'—the Jaycees' New Year's Eve fund-raising dance—are still available to help the drive go over its goal.

Jaycee organizations in Plymouth, Livonia and Redford Township are joining other clubs in the group's Sixth District to sponsor the New Year's Eve event.

Theme of the party is "Brighten Their Future" and tickets for the ball start at \$12 for general admission. Patron tickets are \$30 and tickets entitling the donor's name to be on a bronze plaque at the pool site are \$100.

Persons interested in purchasing tickets may contact Floyd Jarvi, GA 1-8171. Those wishing to help through donations may send them to Jaycee Candlelight Ball, 8959 Virginia, Livonia.

"Local Jaycees are working very hard appearing before service organizations explaining the great need of the project and soliciting their assistance in making their drive successful," said Pat Duggan, co-chairman of the event.

## Melody Time Ends Sunday

Greenfield Village's special holiday film program will continue in the Henry Ford Museum theater through Sunday, Jan. 3.

"Melody Time," an animated Walt Disney color film, will be shown twice daily at 1 and 3 p.m. on weekdays, and at 2 and 4 p.m. Saturday and Sunday in the Museum theater. Voices of the Andrews Sisters and Dennis Day are among the cast that add their talents to this delightful children's program.

Three other Disney cartoon shorts are also included in the daily film schedule during the holiday week. The movies are included in the regular admission price to the Henry Ford Museum.

"Outward Bound," a 1930 film starring Leslie Howard, will be shown Sunday, Jan. 10, as the regular Famous Early Movie Series presentation. The Sunday only performances will be at 2 and 4 p.m.

If you wish to get even with your enemy just pull up on your end of the hitch.

## YMCA Flower Arranging Class Taught by Farmington Woman

Among the top leadership in the "Classes in Creative Living" at the Farmington Area YMCA is Mrs. Betty Brown who will be teaching the class in Flower Arranging. Mrs. Brown is well known to the Farmington Community for her years of work in the Farmington Garden Club.

For the past two years she has served as president of the Garden Club and prior to being president, she served as Program Director for the group. Mrs. Brown was the co-ordinator of the 1964 Farmington Christmas Flower Show.

In addition to her many local activities, Mrs. Brown is Ways and Means Chairman of the Federated Garden Clubs of Michigan and a member of the Flower and Garden Committee at the Women's City Club of Detroit.

In the past five years Mrs. Brown has been an accredited judge for flower shows. In order to receive accreditation she attended a training school twice a year for three years. Her training and experience certainly make Mrs. Brown well qualified as an instructor in flower arranging.

Mrs. Brown's other hobbies include ceramics, photography, wild flower slides and giving demonstrations in flower arranging for other Garden Clubs. Harold and Betty Brown have been residents of Farmington for ten years and their son, Larry, is a Farmington High School graduate. Larry is now attending college at Northwestern Michigan College in Traverse City.

The Farmington Area YMCA has been fortunate in having Mrs. Brown as an instructor in the fall series on Flower Arranging which met with great success and real interest for those who participated.

The Flower Arranging class will again meet on Friday mornings from 9:30 to 11:30 a.m. beginning Jan. 22 at the YMCA on Grand River near Drake Road.

The ten-week course fee is \$9 plus a YMCA membership. Nursery care is provided for youngsters 2 to 5 years old, free of charge.

Call the Farmington Area YMCA at 474-3232 to register for Flower Arranging or for information on the Informal Adult Education Classes.

## Art Institute To Display Student's Work

A variety of work by students who participated in the 1964 Young People's Art Workshops will be displayed in The Detroit Institute of Arts beginning Jan. 5.

Water colors, charcoals, crayons and collage by first through twelfth grade students will be in the Education Corridor through Feb. 21. The Saturday morning classes are sponsored by the Education Department of the museum.

Registration is now open for the new series of classes, beginning Feb. 6. These classes will be conducted at the museum and six suburban centers for elementary and high school students in the Greater Detroit area. Each session is preceded by a slide-film showing or a discussion related to art.

Information on the classes and enrollment details may be obtained from the Education Department, The Detroit Institute of Arts.

TOP LEVEL conference of the Redford Suburban League Theater Guild makes plans for a novel musical evening scheduled for presentation April 30, May 1 and 2, 1965. The "brains," from left, are: Al Doherty, script chairman; Harriet Fernandez, choreographer; George Bashara, musical director; and Kingsley Page, director.

## Special Exhibits Slated for Week

A special family film program is currently being held at the Henry Ford Museum through Jan. 3.

Walt Disney's laughable, lovable, animated feature "Melody Time" will be shown twice daily at 1 and 3 p.m. on weekdays and at 2 and 4 p.m. on Saturday and Sunday in the Museum theater. Other Disney cartoon shorts are also included in the daily film schedule for the holiday week.

Voices of such stars as Dennis Day and the Andrews Sisters are among the cast that add their talents to this delightful children's program. The movies are included in the regular admission price to the Henry Ford Museum.

Greenfield Village and Henry Ford Museum have several special exhibits during the holiday season. In the Museum an outstanding collection of toys is displayed to bring back memories of many a past childhood.

Christmas decorations appropriate to the settings of the homes and shops of several famous Americans are a part of the special tours in Greenfield Village. During the period through Jan. 3, visitors to the Village are transported from the Gate House by carriage to the picturesque Cotswold Cottage. Christmas tours begin at this 17th century shepherd's home. Visitors continue on foot to visit many historic American houses, beautifully decorated for the Yuletide season as they might have been a century and more ago.

## Eric Norris To Perform On Organ

The Hammondaires Organ Society will present "Eric Norris at the Hammond Organ" on Tuesday, Jan. 5 at 8 p.m. at Grinnell's, 17755 Grand River at Southfield. The program is open to the public without charge.

Born and musically educated in England, Norris became a church organist at 13 and a theatre organist soon after. He has earned top billing in entertainment as well as serious music and in the concert field.

ROCK HUDSON stars with Doris Day in the romantic comedy "Send Me No Flowers." Tony Randall also stars in the film, which is showing now at the Terrace Theatre in Livonia and the Penn Theatre in Plymouth.

## Horticulture Classes Scheduled by M.S.U. Extension Service

Plans are underway for three non-credit courses of interest to those in the field of landscape horticulture. These courses will be offered by the Continuing Education Service of Michigan State University. Courses will be in "Grasses and Turf Maintenance," "Fundamentals of Salesmanship" and "Principles of Foundation Planting Design."

## Nursery School Has Openings For Youngsters

Plymouth Children's Nursery has a limited number of openings in their two day classes beginning January 5. A cooperative nursery school for pre-school children, it is located at Warren and Haggerty Roads. There are openings on Tuesday and Thursday mornings for 3-year-olds and on Tuesday and Thursday afternoons for 4-year-olds.

There is a \$5 registration fee and tuition is paid on a monthly basis. In addition, mothers assist the teacher in the daily program. For further information, call Membership Chairman Mrs. Fred Sigmon, GL 3-4458.

Education Service of Michigan State University. Courses will be in "Grasses and Turf Maintenance," "Fundamentals of Salesmanship" and "Principles of Foundation Planting Design."

These evening classes will begin on Jan. 12, 1965 at Highland Park Junior High School. Two and a half hour class meetings will be held once a week for six consecutive weeks. The course fees will be \$25.

Further information regarding the courses may be obtained from the Michigan State University Graduate Center, Oakland University, Rochester, Mich., or by phone at 338-7211, extension 2223.

Medical Trainee  
Second Lt. LeRoy D. Fahle, 24, son of Mr. and Mrs. Norman E. Fahle, 30636 Westfield, Livonia, completed a 12-week medical supply and services course at the Brooke Army Medical Center, Fort Sam Houston, Tex., Dec. 18.

## Schools Offer Adults Homemaking Courses

A variety of home and family life classes will be offered at Bentley and Franklin High Schools and at Riley, Emerson, Frost, and Bryant Junior High Schools starting the week of January 11.

Bentley has scheduled courses in party cooking, marriage and family problems, knitting and millinery, while courses in cake decorating, oriental cookery, streamlined housekeeping, draperies and slip covers, knitting, millinery, dressmaking, fur restyling and personality plus will be available at Franklin.

Courses in rug hooking and

braiding and beginning sewing will be given at Riley, located at 15555 Henry Road.

Knitting, millinery, beginning sewing and dressmaking classes will be available at Emerson at 29100 West Chicago.

Courses in Bishop sewing, beginning sewing and dressmaking are scheduled for Frost Junior High at 14041 Stark Road. Knitting and women's tailoring classes will be held at Bryant, 18000 Merriman Road.

John Anderson, director of evening school said, "We are offering these popular courses in six different centers to bring them into as many neighborhoods as possible."

Registration for all courses may be completed at Bentley High School at Five Mile and Hubbard each evening, January 5 through January 8, from 7:30 to 9 p.m. Persons living in communities near Livonia are invited to sign up for these and other adult courses.

## Detroit Skyline

See the downtown Detroit skyline through the periscope of a submarine, or float a ship out of a real drydock. A permanent exhibit features the famous Gold Cup hydroplane, Miss Pepsi, three-time winner of the President's Cup... five and a half tons of powerboat preserved for you to see at the Dossin Great Lakes Museum.

The 49th annual Detroit Auto Show will give buyers the opportunity to compare all the new 1965 models, for honest values, all under one roof. The show will be held in the huge Detroit Artillery Armory, West Eight Mile near Northland, from Jan. 9 through Jan. 17.

# Farmington Youths Win Bowling Honors

Farmington youngsters won team championships in two divisions—Junior Boys and Major Boys—in the Michigan Youth Bowling League Tournament. The Junior Boys are from nine to fourteen years of age; the Majors from fourteen to sixteen.

The two Farmington teams then went on to compete in the national tournament. These are "telegraphic" tournaments. Each team performs on its own alleys.

Their scores are then compared by the Youth Bowling Association. The Farmington teams bowl their games at the Farmington Lanes, 32315 Grand River.

These are handicap tournaments. The Farmington Majors were given a total handicap of 120, the Juniors a total of 306. The team handicap is determined by deducting the average of each individual bowler from a base figure of 200, and multiplying that total by 75%. The individual handicap of the five team members are added up to get a total handicap.

The Major team consists of Ronnie Ray, Steve Clogg, Larry Ray, Garry Smith, and Ross Frazure. Gary Williams, Doug Allen, Larry Williams, Randy Thomas, and Jerry Thompson make up the Junior team.

High total score for the three games in the Major tournament was run up by Larry Ray, with a 623. He shared individual high game honors with teammate Ross Frazure. They both shot 225. Jerry Thompson piled up the biggest total for the Juniors—436. Larry Williams rolled the highest game—188.

These tournaments are sponsored by the Bowling Proprietors Association of America, on the national level, and by the Bowling Proprietors Association of Michigan on the state level.

# Plymouth Tanker Sets Mark

Dick Berry, freestyle sprint star of Plymouth high's swimming team, has added a new honor to his list of achievements.

He not only won the 50-yard freestyle against Dearborn High last Tuesday, but he also set a new record of 23.1 seconds for the Dearborn pool. The former mark there was 23.4 seconds.

Berry, John Herter and Jim Haarbauer accounted for the only Plymouth individual victories as the team suffered a 60-45 setback at the hands of Dearborn, which was winning its fourth straight meet without a loss.

Haarbauer came through with a victory in the 400-yard freestyle, while Herter triumphed in the diving.

Here's how the Plymouth performers placed:

MEDLEY RELAY: 2—Plymouth (John Skinner, James Lent, Tim Wernette, Pat Brady).  
200-YARD FREESTYLE: 2—Doug Jaskierly.  
50-YARD FREE: 1—Berry. 3—All Saxton. Time: 21.1 seconds.  
INDIVIDUAL MEDLEY: 2—Jeff Hoffman, 3—Jeff Gustafson.  
DIVING: 1—John Herter, 2—Dave Cook.  
100-YARD BUTTERFLY: 2—Haarbauer.  
100-YARD FREE: 3—Berry.  
100-YARD BACKSTROKE: 3—Skinner.  
400-YARD FREE: 1—Haarbauer. 2—Jaskierly. Time: 4:38.7.  
100-YARD BREASTSTROKE: 3—Gustafson.  
FREESTYLE RELAY: 2—Plymouth (Cook, Herter, Brady, Saxton).  
The Rocks resume action against Redford Union Thursday, Jan. 7.

Application blanks may be obtained from the State Fair Recreation, 19600 Woodward Avenue; from the CYO Office, 305 Michigan Avenue; or from Bertha DiPirro, tournament secretary, at 15076 Hazelridge, LA 6-5507. Entries will be accepted through Monday, January 11, but teams that enroll now will have a much wider choice of times at which to bowl.

Entries are now open for the 27th annual CYO Women's Handicap Bowling Tournament which will open Saturday, Jan. 23, at the State Fair Recreation.

# Entries Open Now For CYO Women's Pin Tournament

Application blanks may be obtained from the State Fair Recreation, 19600 Woodward Avenue; from the CYO Office, 305 Michigan Avenue; or from Bertha DiPirro, tournament secretary, at 15076 Hazelridge, LA 6-5507.
