Holds Tax Rate At \$14.65

Council OKs \$772,346 City Budget

CERTIFICATE for outstanding achievement during the past year is presented to Charles Bruce (right), president of Alexander Hamilton Life Insurance Co. by School Supt. Russell Isbister in ceremonies at Friday's Rotary Club meeting. The company climbed from a new position to one of the nation's fastest growing in the sheet metal industry. The presentation climaxed the Livelihood Day activities of the week.

CHECK FOR A TREE, shown in the background, as part of the landscaping of the new City Hall is presented to Louis Borregard, secretary of the Municipal Building Authority, by Herald Hamill (left), president of the Plymouth Historical Society and chairman of Heritage Day activities.

FIRST IN LINE to buy a poppy on Thursday, which was Poppy Day in the area, was Plymouth Township Supervisor John McEwen who has the flower placed in his lapel by Mrs. Lucy Johnson, past president of the Mayflower Post 6695 Auxiliary of the Veterans of Foreign Wars. McEwen, a member of the Post, is a veteran of World War II.

After weeks of study and debate, the Plymouth City Commission Monday approved a City Budget for 1965-1966 of \$772,346 while holding the tax rate at \$14.65 per thousand for the fifth consecutive year.

The holding of the tax rate is considered quite a feat in lieu of a period of rising costs but the Council managed the task without lowering services by an exhaustive review of the budget proposals.

The budget doesn't call for pay increases for city workers. The Commissioners decided to make a complete review of the salary schedule until Sept. 1 when recommendations will be made retroactive to July 1.

Acting City Manager Kenneth Fisher estimated the non-tax revenue for the new fiscal year at \$300,296 and City Assessor Kenneth Way was authorized to spread the amount of \$472,060 on the assessment roll of the City for the year as equalized by the State Board of Equalization.

The budget resolution authorized the City Clerk to verify the additional amount of \$27,615 to the City Assessor for the assessment rolls for retirement of Middle Rouge Interceptor Drain Bonds together with charges and interest due, for retirement of Rouge Valley Interceptor Sewer Bonds together with charges and interest due, and for retirement of Urban Renewal bonds with charges and interest due.

The budget as approved allots the following:

Administration	\$ 98,461
Buildings and structures	\$ 45,855
Public Safety	\$177,151
Public Works	\$177,095
Sanitation and Waste	\$ 42,348

Sights Plymouth Road Move

Calhoun Eyes Township Site for Agency

Leo Calhoun, owner of the Ford Agency on S. Main in the City of Plymouth, will move to the Township within a year and a half if the planning commission and the Township Board approve his request for rezoning of a 13.9 acre plat on Plymouth Road from Manufacturing to Commercial.

The property, owned by William Elzerman, is located adjacent to the Plymouth Bowl, directly west.

Calhoun's plans came to light at the Township Planning Commission last Wednesday. Realtor Leon Merriman made the request for the rezoning. He was accompanied by Calhoun, who told the Commission of his plans for a building with 30,000 square feet.

Calhoun has been thinking of a move for several months, making a similar request to the City Commission earlier for land in the Industrial Park. The only site available is under option to Wheel Trueing Corp. and officials from the corporation haven't indicated whether they intend to take up the option or not.

Calhoun, who told the Township Planners his business has increased 392 percent in two years, indicated he has grown out of his present location and must expand — the only place to expand is at a new site and he felt the acreage on Plymouth Road was the best available in the area.

"We have 45 employees on our payroll at the moment with a \$4 million volume of business," he said. "We have found our present quarters are inadequate and must move. If we are successful in locating at the Township site, we hope to increase our payroll to more than 60 employees with a corresponding increase in business."

Calhoun pointed out that his agency had received a Ford award for outselling its rivals in the area during the first three months of the year. He also was awarded a gold car and gold trophy for outselling his competition during 1964 and for ranking first in sales in the area.

"We accomplished this in the present antiquated quarters," he said. "We feel we'll do much better in a modern facility we will construct if we receive commercial zoning and a green light to go ahead."

The Commission tabled the request pending receipt of a letter from Ford Motor Co. officials approving the site for the agency.

Fred Greenspan, head of the Greenspan Building Co., has

plans to construct six more buildings at the Lake Pointe Apartment development, adding 96 more units. He submitted plans for approval but the

Commission tabled the request pending a report and recommendation by Planner W. C. Johnson.

of Johnson, the Commission approved preliminary plans for the Twin Arbor subdivision on Ann Arbor Trail. The sub will include 189 units when completed under the present plans.

HONORED FOR THEIR contributions to the Plymouth Community over years of service were: (from left) Floyd Kehrl, head of the Plymouth branch of the National Bank of Detroit; J. J. McLaren, longtime owner of the firm that bears his name; Douglas Bathey, president of Bathey Manufacturing Co.; and Dr. Walter Hammond. Frank Henderson (standing) awarded certificates to each at the Livelihood Day banquet Wednesday night in the Mayflower Hotel which was attended by more than 100 business, industrial and civic leaders.

5,000 to View Parade, Program Plymouth to Honor War Heroes Monday

The Plymouth Community will pay homage to its war dead Monday in the traditional Memorial Day parade through the downtown business section followed by memorial services in Kellogg Park at which Congressman Wes Vivian of Ann Arbor will be the principal speaker.

More than 5,000 are expected to view the colorful procession along the line of march from the Kroger parking lot down Main Street to Kellogg Park where it will disband for the program that follows.

The parade is slated to start at 10 a.m. and the speaking program at 10:45 a.m.

For the first time in years, the Navy Moms will not hold the wreath tossing ceremony in the morning at the bridge near Hillside Inn. The Moms notified Marshall Gilbert Williams, commander of the Passage-Gayde Post of the American Legion which has charge of this year's activities, that they had disbanded and would not hold the services any more.

The marching units will gather at the Kroger lot at 9:30 a.m. to start lining up for the 10 a.m. parade which will be under the supervision of Williams and his Aide to the

Marshall Jerry Olson of Mayflower Post 6695 of the Veterans of Foreign Wars.

The parade will be led by the color guard unit of Flight A of (Continued on Page 9-B)

Plymouth Ends Michigan Week With Big Splash

Plymouth's biggest Michigan Week celebration in years ground to a halt Saturday afternoon after six days and nights of activities that found every segment of the business, professional, industrial and financial community honored at some time.

Highspot of the week came Wednesday night when more than 100 community leaders gathered in the Mayflower Hotel to pay tribute to four longtime residents for their contributions to the area in the fields of industrial, banking, professional and business.

The program, arranged by Livelihood Day Chairman James Thomas, honored Douglas Bathey, of the Bathey Manufacturing Co.; Floyd Kehrl, head of the Plymouth division of the National Bank of Detroit; John J. McLaren, of the firm bearing his name; and Dr. Walter Hammond, John Kamego, of Michigan Bell, served as Master of Ceremonies, with the invocation by Dr. Henry Welch.

Frank Henderson, long one of the community's business leaders, introduced the quartet and presented golden keys and plaques to each as a token of appreciation from an appreciative community.

City Starts Rubbish Pickups

Pickup of rubbish in City of Plymouth alleys will be resumed on June 1 but Supt. Joseph Bida, head of the Department of Public Works, Monday indicated many alleys are blocked where residents have piled brush and rubbish.

"Those alleys will have to be cleaned out by the people involved," said Bida. "Then the DPW will go through and begin the alley pickups."

Bida also announced plans for the annual flushing of fire hydrants beginning Wednesday.

The work will be done on Wednesday, Thursday and Friday of this week starting at 9 p.m. and continuing to midnight.

DPW workers will start at one end of the city and continue until all hydrants have been flushed.

Two Killed, Three Hurt In Crash

Two Plymouth youths were killed and three others injured seriously when a car driven by John Bridgman, 21, of 42475 Postiff Drive, reportedly ran through a stop sign at the intersection of Ford and Beck Roads and was struck broadside by a vehicle handled by Donald Tartoni, 24, of Kokomo, Ind., according to State Police reports.

Bridgman and Earl Yorch, 18, of 47495 Warren Road, were killed instantly and pronounced dead on arrival at Wayne County General Hospital.

Their companions, Cody Yorch, 20, brother of Earl; Larry Banas, 17, of 515 Starkweather; and James Johnson, 15, of 920 Elmhurst, were rushed to the hospital with critical injuries.

The accident occurred Thursday evening at 11 p.m., according to State Police reports, and the Bridgman car was hit with such force that all five occupants were thrown out. The car rolled over and pinned Bridgman underneath.

A wrecking crew worked more than an hour before releasing Bridgman's body according to reports.

Meanwhile, the others were taken to the hospital where Tartoni, his wife, Gloria, 24, were also taken for treatment. The Tartonis were released after examination.

The State Police reports show Bridgman was traveling north on Beck and Tartoni east on Ford at the time of the collision.

Services for both youths were conducted Monday at the Schra (Continued on Page 9-B)

500 Dogs Need Licenses In Township

Plymouth Township has a population of 1,210 dogs, according to the latest census by Clerk C. Veach Sparks, and more than 500 are still running around without licenses.

Sparks Monday notified dog owners that all must have licenses by June 1. To date the Township has licensed more than 600 and Sparks points out that almost that many are unlicensed.

"Tuesday is the last day to get licenses," he said. "Dogs running loose after that date could be picked up and the owners will have that fee in addition to the license to pay."

"We will allow owners until June 1, then the law will have to take its course. So, if you own a dog, better get it down to the Township Hall immediately and purchase the license."

Registration Opens for Crippled Children's Camp

Registration forms for the summer Day Camp for crippled children, to be held at the Easter Seal Center, near Michigan and Middlebelt are ready now, according to Richard J. Dancoski, who will serve as program director. Children between the ages of 5-16 years who are physically handicapped will be enrolled for one week between July 6 and August 6, and for longer periods if possible.

The aim of the camp is to give physically handicapped youngsters some of the recreational experiences enjoyed by their peers. Teen-age volunteers, sixteen years of age or older give assistance in games, music, dramatics, crafts, and excursions to nearby public pools for swimming.

Parents interested in enrolling their youngsters in camp and teen-agers interested in volunteering may secure registration forms by calling the Easter Seal Center, Parkway 2-3055. The summer program is one of the services financed from contributions received as a result of the annual distribution of Easter Seals and related activities.

PICTURE TALK

I'M YOUNG AGAIN

Spring still gets me! So on the weekends now, every spare moment I get, I'll be out where I can find it. Maybe taking a drive, or a walk, or just sitting and enjoying it. It's pretty some spring activity compared with the old days, but I do something now that I didn't do when I was younger. Something that gives me even more pleasure. I capture a little of spring everywhere I go. You can too—with your camera and a fresh supply of film!

Each year that goes by, films get a little better. They become more faithful to color, capture greater detail, look into shadows better. Each year they have a little more latitude for getting good pictures. There are dozens of different films for as many purposes. But the way I see it, you can learn all you really need to know about film in one word. Kodak. You can count on Kodak film.

Kodak people came up with color photography, made movies and color movies possible, and even today, never stop improving on the film they offer you. And because of this, they improve on the pleasure I get with my camera every spring. You can start getting the same reward with your camera and a fresh supply of Kodak film. We have anything you want — color or black-and-white film, in all sizes — for your prints, movies, or slides. And a good supply of KODAPAK Cartridges for the new instant-loading cameras.

To insure the continued growth of the Farmington Area YMCA, the Membership Committee, of which Robert Chesley is chairman, is seeking the support of 150 people as Civic Members. These \$100 Memberships will insure staff to serve the community and help maintain the YMCA House on Grand River at Drake.

Once the 150 Civic Members is attained, definite action will be taken for the creation of a building facility for the Farmington Area.

With the presentation of the plaque to Mrs. Donald Lee, the Town Club has become the 82nd Civic Member. 68 more Civics are needed.

Those interested in helping to make the YMCA program a success are asked to call Chuck Wise at the YMCA, 474-3232, or Robert Chesley at 476-4400.

Other members of the Board of Management giving leadership to this effort are: Dr. Edwin C. Blumberg, John Cotton, Carl Dahlstrom, Russell Gilbert, Richard Habicht, Robert Hall, Gerald Harrison, Robert Kelly, Mrs. William Kinz, Dr. Conrad Lam, Norman Lawton, Rev. Richard Markham, C. Day Morris, Mrs. Edgar Moss-hamer, Russell Nankervis, Milt Plum, and Robert Williams.

Seven Share Scholarships In C'ville

Seven Clarenceville High School seniors have been awarded scholarships for their freshman year in college.

Jack Forsyth has received a University of Michigan regents' alumni scholarship, Sharon Rudman has received a Wayne State University award, and Linda Harrington and Gerald Petrosky have received scholarships from Michigan State University.

Under the Michigan Higher Education Assistance Authority program, scholarships have gone to Linda Harrington (MSU), Lynn Maki (Central Michigan), Joe Niestroy (Oakland) and Leslie Swartz (Oakland).

Co-op Students Fete Employers at Franklin High

Members of the Co-op program at Franklin High School recently staged their first annual banquet, in the cafeteria, for the employers they have worked with since September.

Included in the luncheon were many Livonia businessmen, representative of retail stores and industrial firms in the area.

Dr. Raymond Dannenberg, professor at Western Michigan University, was the guest speaker. He spoke about careers and futures of the co-op students after high school.

Master of ceremonies was Cheryl Sowders, President of the Co-op club.

During the program the co-op coordinators for 1965-66 were named. They are Terry Luxford, coordinator for distributive education and advisor to the co-op club this year, and Mrs. Ida Falik, coordinator of business occupational training. Robert Luter, also advisor to the club, was Cooperative Training Co-ordinator for 1964-65.

It was also announced that the other two advisors for the co-op club, Arthur Anderson and David McKay will be in the new Section 9 high school next year.

Goulet's Bat Aid To East

The big bat of East Goulet helped Garden City Ron gain an 8-4 decision over Lutheran West and bring the victor's record for the season to 7-9.

Goulet secured a homer with two aboard in the first inning to send East into an early 3-0 lead. Cass Simpson and Don Chute were aboard after each had singled.

Then two walks and a single by Dave Ventura made it 4-0 before the inning was over.

Lutheran West rallied to knot the count at 4-4 in the top of the fourth, but Garden City East quickly counted four more runs on a hit by Paul Kightlinger, a walk to Bill Mood, single by Joe Pomkacy, walk to Chute and singles by Goulet and Smith.

Open Play In Redford Jr. Baseball

Play started in the Phoenix League of Redford Township Junior Baseball.

In the Major A's Rick Taylor led the Tigers in a 11 to 0 clanging of the Orioles, pitching a no-hitter and collecting two doubles in three times at bat.

In Major B play the feature was a two-hitter tossed by Jerry McLean as the Red Sox walked the Orioles 23 to 2.

Hazel Park Slates Rich Holiday Card

Big days are coming at the Hazel Park Race Track!

The booming thoroughbred racing season there will mount to a new summit on the long Memorial Day weekend with four major feature events. They are:

Saturday, May 29: The \$12,500 added Michigan Breeders Handicap for Michigan-bred three year olds and up at a mile and a sixteenth. The \$10,000 Madison Heights Handicap for three year olds at one mile.

And on Monday, May 31: The \$7,500 Veterans Handicap for three year olds and up at six and a half furlongs. The \$25,000 added Decoration Day Handicap for three year olds and up at a mile and a sixteenth.

This will be the start of the richest and most exciting span in Michigan racing history. The Memorial Day weekend will be a prelude to the \$15,000 Michigan Derby Trial for three year olds at one mile on Saturday, June 5, and the eighth renewal of the \$50,000 added Michigan Derby for three year olds at a mile and a sixteenth on Saturday, June 12.

Hills Takes Track Title

The expected happened in the Wayne-Oakland League high school track meet at Clariceville.

Bloomfield Hills walked away with the title, scoring 73 1/2 points. Milford was second with 40, followed by Clariceville with 32 1/2, Clarkston 20, Holly 20, Brighton 7 and West Bloomfield five. Northville didn't score a point.

Clariceville produced a pair of champions. Jeff Waldman won his heat of the 440-yard final, while Les Swartz took the 220-yard dash in 23.4 seconds. Four league records were set—in the high hurdles, 880-yard relay, 440-yard run and the shot put.

How Clariceville entries placed in league meet: Pole Vault: 2—Amick, 2—Wilton. Shot Put: 4—Frisk. 200-yard relay: 2—Clariceville (Hawkins, Waldman, Swartz, Bodson). Mile: 2—L. Buchheit. 440-yard: 1—Waltman. Time: 1:13.2 seconds. 100-yard dash: 5—Parker. Low Hurdles: 4—Bodson. 220-yard dash: 1—Swartz, 5—Hawkins. Time: 23.4 seconds. Mile relay: 4—Clariceville (Bodson, Howell, Stearns, L. Buchheit).

PLYMOUTH BUSINESS AND PROFESSIONAL WOMEN are on the move and increasing their members. Monday, May 17 at Hillside Inn 30 new members were welcomed to the club. Mary Ellen Hosier, president (above) passes the gavel to the incoming president, Connie Aldrich. Installing officer was Olga Taylor, resident of Garden City, and immediate past State president. Other new officers installed for the coming year were Daisy Proctor, vice president; Connie Heyder, recording secretary; Lauretta McGhee, treasurer; Nora Horn, corresponding secretary.

Plymouth B&PW Gets State Wolverine Award

A delegation from Plymouth Business and Professional Women attended the 47th Convention of the Federation of B&PW held at the Jack Tar Hotel in Lansing May 21 to 23.

Plymouth president, Mary Ellen Hosier, presented the "Ruth Huston Whipple" plaque to Mrs. Ruby G. Clime from Monroe B&PW Club. This award has been presented by the Plymouth B&PW since 1955 to an outstanding woman in a policy making post.

The recipient, Mrs. Clime, has served actively in city government, on the commission as

mayor protem and on several governing boards. She is also a life member of the Camp Fire Girls.

Plymouth was awarded the Wolverine recognition for their large increase in membership.

Representatives and their alternates attending from the Plymouth club were Connie Aldrich, new incoming president; Mae Beitner, Betty Korte, Gloria Hansor, Grace Formaz, Beverly Spencer, Lauretta McGhee, Carolyn Carpenter, Doris Lucas, Betty Carter, Mary Wagenschutz, State World Affairs Chairman; and Laverne Carpenter.

2nd DEBUT FOR MOTHER Since She Had Her Face Lifted at Home Without Surgery

Placed on the face, 2ND DEBUT with CEF 600 immediately penetrates the outer layer of the skin and carries into it millions of tiny loads of pure water that skin has lost during the natural aging process. This water finds its way under lines and wrinkles, and as it accumulates there it pushes these unwanted indentations upward. Progressively the face is "lifted." The face and neck look younger again! 2ND DEBUT is greaseless and pleasant to use. At our cosmetic counters \$3 and \$1 plus tax. MONEY BACK GUARANTEE.

MRS. ROBERT EDWARD ADAMOWSKI

Joanne Izett Marries Robert E. Adamowski

Joanne Iva Izett was married to Robert Edward Adamowski on May 22. Fr. Patrick Jackson performed the ceremony at St. Thomas the Apostle Roman Catholic Church in Ann Arbor.

The bride is the daughter of Mr. and Mrs. John Stewart Izett of Plymouth, while the bridegroom is the son of Mr. and Mrs. Benjamin S. Adamowski of Chicago, Illinois.

For her marriage the bride chose a bell skirted floor length gown of silk linen with a chapel train. Her headpiece was a matching crown covered with venise lace medallions and seed pearls. She carried a cascade bouquet of white orchids and stephanotis.

Judy Izett, sister of the bride, served as maid of honor. Mrs. Richard Paulson of Belleville, Mich. and Mrs. Richard Ireland of Cheboygan, Mich. were the attendants.

All three wore identical gowns of yellow linen with soft moss green bodices and matching linen circlet and net headpieces. They carried baskets of white daisies.

Benjamin H. Adamowski served as his brother's best man. William Troutman of Lyndhurst, Ohio and John

Pappas of Chicago seated the guests.

A reception for 150 followed the ceremony at Lofy's. Guests from Chicago and Carbondale, Illinois; Cleveland and Columbus, Ohio; Syracuse, N.Y. and Rhode Island were in attendance.

Following a wedding trip to Europe, the newlyweds will reside in Chicago.

The bride is a graduate of the University of Michigan and was head nurse of orthopedics at University Hospital. Her husband is a graduate of Cornell University and a 1965 graduate of the U. of M. Law School.

Jane Addams' "Lucky 7" Big Success
The Jane Addams "Lucky 7" Fair, Redford Township, held on May 17 in the school proved to be big success. With games, prizes, refreshments, clowns, and balloons, a good time was had by all. Winners in the bean count were Catherine Vires, who won the stuffed tiger, and Randy Barr and Steven Viforeanu who captured the second and third prizes. Actual count was 7,737 beans in the jug.
P.T.A. President Roger Lumley and his committee wish to extend sincere thanks and appreciation to all parents, teachers, and pupils. Their cooperation helped to make this a successful venture. Over 500 parents and children enjoyed the festive evening.

'Women' Talk Given
Sister Mary Raynelda, president of Madonna College, spoke on the subject of "The Need of Higher Education for Women," at a Mothers Day banquet on May 24 at 7:30 p.m.
The program of the evening was arranged by the Daughters of Isabella, the Tekakwitha Circle. Stella Naras was the chairman of the activity.

Mrs. Robert Lee Peebles

Former Resident Spring Bride

The marriage of Judithann Aucutt, daughter of Mrs. Donald E. Aucutt of Dearborn Heights, and the late Mr. Aucutt to Robert Lee Peebles, took place in the Rosedale Gardens Presbyterian Church of Livonia. The Rev. Dr. Richard C. Dunkelberger officiated at the double ring ceremony.

Robert Peebles is the son of Mr. and Mrs. Howard S. Peebles of 487 Douglas St., Ypsilanti. The newlyweds will make their home at 123 College Pl., Ypsilanti.

For her wedding the bride wore an A-line sheath of white silk organza over taffeta with the bodice and double length flared cap sleeves of Venice lace. The scooped neckline was buttoned in back topping a medium train. Her short bouffant veil was held by a circular pearl tiara, and she wore a single strand of pearls, a gift from the bridegroom. The bridal bouquet was a spray of white roses and ivy centered with one yellow rose.

For the Saturday afternoon ceremony the bride chose her cousin, Mrs. Roland S. Stier of Mount Clemens as matron of honor. Miss Diane Gresham of Troy and her sister, Miss Barbara Aucutt, of Dearborn Heights, were her bridesmaids.

The attendants wore A-line, floor length, sleeveless, sheath gowns of white Venice lace

lined in pale yellow taffeta and styled with batteau necklines. They wore shoes of pale yellow silk shantung and kerchief headresses of lace lined with yellow taffeta. Their bouquets were sprays of pale yellow roses and ivy.

Michael Taddie of 1131 Congress St., Ypsilanti, served the bridegroom as best man, and Tom Taddie of the same address and Willard Sprague of 1025 E. Cross St., Ypsilanti seated the guests.

Following the reception held at the Botsford Inn at Farmington, the couple left for Pine Knob Lodge, Clarkston.

The newlyweds are presently seniors at Eastern Michigan University. The bride was graduated from Bentley High School of Livonia.

Jaycettes Elect Officers

Joan Jeter was elected president of the Redford Township Jaycettes recently.

Others elected for one year terms are: Ruth Herndon, vice president; Phyllis Krathwohl, secretary; and Ruth Jurva, treasurer.

Members of the Board of Directors are: Nancy Hawley, Iva Gunn, Jan Mitchell, Donna Storey, and Ann Walker.

Suburban Communities Should Make Joint Purchases, Report Says

Local governments throughout the metropolitan area were urged this week to pool their purchases to save tax dollars.

Metropolitan Fund, Inc., released a report on Monday recommending that cities, counties, townships and schools work together to improve their purchasing practices and promote quantity purchases.

The implementation of the report's recommendations for joint purchasing and greater use of scientific purchasing practices can produce large savings to taxpayers, according to the report, which states that as much as \$15 million could be realized as annual savings.

The 50-page report took a year to prepare under the direction of Dr. Clyde T. Hardwick, Dean of the Center for Continuing Education at the University of Detroit. Dr. Hardwick said "the report has not been super critical, but rather an attempt to point out constructive steps needed to professionalize and improve governmental purchasing in the region."

He believes that most government purchasing departments are operating at a good level of efficiency and economy but hopes his report will offer suggestions for further improvements.

Local officials participated in the study, with Redford Township Purchasing Agent Lawrence Fitzgerald and Livonia's Director of Finance Victor Phillips serving as field study interviewees.

Workshop participants in the project included C. N. Dickey, director of purchasing for Livonia Public Schools; James M. Read, Assistant Superintendent for Farmington Public Schools; Plymouth City Clerk Richard D. Shafer; and Laura L. Young, Purchasing Secretary for Farmington Public Schools.

The report makes these detailed recommendations:

1. The local governments centralize their purchasing practices and utilize trained purchasing people.
2. Adopt modern purchasing practices such as raising the dollar amount for formal bidding and using open specifications.
3. Develop training programs for people who do government purchasing.
4. Encourage purchasing people to meet and exchange information and purchase item specifications.
5. Institute cooperative buying relationships on a county basis among various units of government.

Kent Mathewson, president of Metropolitan Fund, Inc. stated that his organization fully approved the report's recommendations and would work with

Livonia Teacher Gets Training in New Methods

A Livonia educator will share in a \$750,000 grant of the Ford Foundation aimed at training future principals who can help reeducate teachers in schools retooled for modern education.

John Boeve, an Administrative Intern at Bentley High School, is working with the cooperation of Donald Friedrichs, Bentley principal, in the Administrative Internship Project, started two years ago by the National Association of Secondary School Principals.

Under the internship project, candidates for advanced degrees in secondary school administration work alongside talented principals in pace-setting junior and senior high schools all over the country.

"Under the new federal education act hundreds of millions of dollars will be spent on public schools, but money alone is not enough," declared Dr. J. Lloyd Trump, NASSP associate secretary and director of the internship project. "We have educational television, language laboratories, and teaching machines, but these aids do not automatically guarantee better schools. In some schools, in fact, the aids are not even used. We must change our methods of instruction quickly, or we will simply be paying more for the same old product."

"What we need," Dr. Trump believes, "are principals who spend more time in helping teachers on the job learn how to use these new devices. Today's principals are forced to spend too much time in administrative routine rather than on instructional improvement."

Summer Study Slated

Cadet William D. Bollin, son of Mr. and Mrs. William H. Bollin of 14858 Ingram Ave., Livonia, is scheduled to depart the U.S. Air Force Academy in mid-June for a summer study tour of Air Force, Army and Navy installations across the nation. Cadet Bollin, a graduate of George N. Bentley High School, is a member of the academy class of '68.

The Michigan Department of Agriculture estimates the value of Michigan's annual agricultural exports at \$134 million.

local governments in the area to implement them. This study project is another

endeavor of the Fund, a metropolitan affairs nonprofit corporation conceived to develop re-

search and action on urban interests and problems in southeast Michigan.

The Fund's board of trustees is composed of principal leaders from business, educa-

tion, government, industry and labor in southeast Michigan. The money which supports

Fund endeavors, such as this purchasing study, is contributed to the Fund from local

business, industry, labor organizations, and The Ford Foundation.

To Women It May Concern

By LOUISE KUDER

In our newspaper office we have a very sage lady in the accounting department that has an interesting philosophy of life. During a gal-gab session she explained it to me—and the more I think about it the more it makes sense.

She said the adult world is made up of gardeners and flowers. With every happily married couple, one is the gardener and one is the flower — and it goes without saying the lady isn't always the flower. This, you see, has nothing to do with how you look, smell, or feel. This is attitude toward life, acceptance and involvement.

She said the married couples who have stormy seas or as the case may be, trouble in their backyard — are the couples who are either both flowers, or what is worse (I guess) both gardeners. Two flowers are likely to starve to death and two gardeners, kill each other—(exaggeration for emphasis only).

She says she can depend on a day of trouble, when, as a natural-born gardener, she wakes up in the morning and just feels like being a flower — watch out world!

Anyway she contends there is a place in this world for both flowers and gardeners — and so be it.

For myself the more I see of this world of ours in conflict, the more I like to take Ayn Rand from my shelf, dust her off and re-dedicate myself to the philosophy of survival — and what is wrong with it?

Please, let me make a profit, be independent and not apologize for it.

Please let me depend on reason as the only effective tool to insure survival.

Please don't condemn me for my pursuit of happiness, excitement and pleasure as an individual using my reason to develop my ultimate value.

Please understand by developing this ultimate within me I am contributing far more to the world than by sacrifice of self.

Please keep me from bending to the pressures of the masses of what "they" think, and express what I think — honestly, without sham or vascillation.

All part of the Rand creed. She pursues the doctrine of individualism so lacking in this country among our leaders, our teachers, and our women.

Certainly we need one another — but in Rand fashion let us not be dependent, rather let us "trade" with one another, thus everyone gives — and receives.

In this world of ours the number of people with their hand out are going far and beyond those giving — and the iniquity has to be solved — or as in Rand's "Atlas Shrugged" the "givers will soon just disappear".

Extend Mortgage To Cover Fixup

If you are buying an older home which needs repair work and modernization, explore the possibility of stretching the mortgage loan on the house to cover the cost of the improvements.

You can get the kitchen of your dreams earlier and with less strain on your family's finances, for example, if the mortgage financing at the outset is sufficient to pay for the improvements. The alternative is a supplementary loan, which can prove burdensome later.

Very often a mortgage can be made to include the cost of new kitchen cabinets, sink, floor, lighting and even major appliances, such as a built-in electric dishwasher.

Countertops On Move In Kitchens

The modern kitchen has become virtually a single appliance. Refrigerators, ranges, dishwashers and laundry equipment are all being fitted into line under one countertop.

In many instances these countertops have been moved out into the center of the room as islands or work centers. Actually they encompass three centers, one for the sink, a second for the range and a third for food preparation.

Many sinks and countertops are built with a backsplash of the same material. When the sink is built into the counter, the surrounding areas certainly should be built of a waterproof, stainproof material such as ceramic tile. To be certain of getting high quality in ceramic tile, insist on tile that is "quality certified."

If the range is to be included with the rest of the kitchen facilities, it is virtually a necessity to surface the counter with a heat-resistant material such as ceramic tile. The counter should extend on both sides of the range to provide space for placing food when it is removed from the oven or surface burners.

The refrigerator should be located in the third or mixing center in such a way that it will be convenient to both sink and range centers. The counter in this section should extend at least 36 inches since most of the kitchen work originates from this area.

Finally, when these countertops are built of ceramic tile they become decorative as well as functional. The sum total of this is a colorful, airy, unified area that expresses and makes room for contemporary living—with storage and work space for all.

Double Pots Hold Moisture For Plants

Spring flowering plants for churches will provide longer-lasting beauty if they are double-potted, in large clay pots, or placed on waterproof clay saucers on top of a one-inch layer of pebbles or vermiculite.

Wet peat moss or sphagnum should be placed between the inside and outside clay pots to help retain uniform moisture.

Plants set in clay saucers should be watered to the top of the pebble layer, so capillary action of the clay pot can provide constant moisture from below.

Watering twice a week would be sufficient using either of these methods.

Folder Tells How to Get Rid of Insects

A new, illustrated folder about use of Sevin carbaryl insecticide for insect control on turf, trees and grounds now is available from the Olefins Division of Union Carbide.

The folder explains why Sevin provides the answer to insecticide drift and residue problems encountered by custom spray operators, park superintendents, municipal authorities and homeowners.

Instructions are given for applying carbaryl to control pests on shade trees, shrubs, flowers, turf, nursery plants, gardens, fruit trees, parklands, camps and forests. A table is included, showing formulations of Sevin to use and amounts to apply.

Copies of the folder may be obtained from Olefins Division of Union Carbide, 270 Park Avenue, New York, 10017, by requesting booklet F-41198.

Dramatize Your Attic Rooms

New rooms built in attic can get exciting effect with a paneled ceiling.

Panel boards should be installed in direction of slope to dramatize ceiling's shape.

Use narrow boards of clear pine or fir lumber for most interesting effect.

Spanish Mood

Want to create the mood of a Spanish manor house? For the dark woodwork and walls, use western red cedar, selecting the boards of deep coloring. Or stain Douglas fir boards, mixing burnt umber into the stain.

Do Your Remodeling By Stages

Remodeling of an older home can be made easier if it is properly "staged."

One way to set the stage for finding modern living space in an older home is to engage the services of an architect.

Using the services of an architect can be doubly important when home owners are planning extensive structural changes in an older home. Since architects are experts in structural design and materials, they can prevent costly mistakes that might wipe out any saving that might be achieved.

One of the first steps in extensive remodeling often is the replacing of outmoded plumbing equipment, often one of the more costly portions of the program. Water heating equipment, water lines and old-fashioned bathroom fixtures probably will have to be replaced.

Walls, floors, shower stalls and countertops in modern baths should be surfaced with a colorful, moistureproof, easy-to-clean material such as ceramic tile.

Are You 'Hip' To a Hip Roof?

Do you take the roof over your head for granted? Most people do. They know surprisingly little about roofing terminology.

Terms like "rafters" and "shingles" are relatively easy. For those who are uncertain, rafters are the timbers that form the frame of a roof. Shingles are a finished roof covering, such as asphalt shingles, which are laid in strips over the roofing boards.

But how many persons know what "cricket," "hip" and "rake" mean? Here is a glossary of common terms every roof-watcher ought to know:

Coverage—The number of layers of protective roof surfacing. Heavyweight-asphalt strip shingles, for example, provide "double coverage."

Cricket—A saddle-shaped board fastened behind a chimney where it intersects a sloping roof. The cricket diverts water, snow and ice.

Eaves—The lower part of a roof that projects beyond the face of the wall.

Flashing—Strips of metal or other material used in making watertight joints on the roof, such as around chimneys and vent pipes.

Hip—A sloping edge formed where two of a roof meet. A roof with this feature is called a hip roof.

Rake—The inclined edge of a roof.

Ridge—The uppermost horizontal line of a roof, where two inclines meet.

Roofers—Tongued-and-grooved boards that act as roof covering over the rafters and as a base for the exterior roofing material.

Valley—The angle or channel where two slopes in a roof meet.

Warm Entry Spruces Up Drab Home

Want to spruce up the outside of your home in a hurry? The best way is to dramatize the front entrance.

The entrance gives people their first impression of the house. Properly accented, the entrance says, "Welcome." A drab entrance, on the other hand, says, "Pass me by."

A new panel door in an authentic Colonial design adds beauty and dignity to the entrance. Panel doors of ponderosa pine are available in stock sizes and in a variety of designs from building supply dealers.

The entrance can be further accented by painting the door with a color that makes it stand out from the rest of the house. Attractive hardware for the door and wood louver shutters on either side of the entrance will add drama to your home.

Line Marker

Need a fence only to mark property lines? The rail fence is ideal for this purpose and is the least expensive to build and maintain because no top or bottom stringers are required. Douglas fir lumber is suggested.

Without the assistance of so many helping hands backstage, the cast could never have performed so smoothly. As the curtain closed after each scene, the stage crew swiftly and stealthily set the stage for the next. The crew under the direction of math teacher Robert Walker was composed of Edward Kamm, Gregory Brower, Philip Davison, Raymond Stanzack, Paul Perko, Frank Chuhnan, Gregory Carrier, Ralph Smith, Charles Stimac, James Sweeney, James Bork, James Schimmel, Robert Alter, and Edward Gillis.

In charge of props were history teacher, Miss Charlene O'Leary and her assistants Mary Winkeljohn, Susan Schimmel and Kathleen Lilley.

Accompagnists were director Sister Grace Esther and Gregory Brower and Edward Kamm. Their "page-turners" were Janet Nodolny, Pamela Kovarik, and Mary Cooney.

Assisting with the directing of Sound of Music was Alice Broder of the University of Detroit. Choreography was handled by Mrs. Joan Mossner. The costume committee was headed by Sister Helen Charles and Sister Charles Thomas.

Eliminate Dust, Germs

Some heating systems may blow dust, germs and odors from one room of the house to another.

This cannot happen with a hydronic (forced circulation hot water) heating system.

This is because a hydronic system is completely sealed and does not rely on the forced circulation of air to warm the house.

Suburban Gardeners Enjoy Fruit Blossoms

Many a frustrated suburban home gardener finds his number one objective at this time of year is to enjoy the fruit blossoms yet keep the trees in his backyard from bearing fruit.

Jerome Hull, Michigan State University fruit extension specialist, points out that many horticulturists around the country receive a deluge of letters asking how to keep backyard trees from bearing fruit and "messing up the yard."

Hull adds that chemical treatment of trees prevents some 80 to 85 per cent of the fruit from forming—thus avoiding an annual backyard fruit problem for many gardeners.

Naphthaleneacetic acid is the spray material that will do the job. It is available from garden centers, usually in the 3 1/2 per cent solution. One teaspoonful to a gallon of water is the right amount. Labels on packages will explain how to mix the spray material.

Thorough coverage of all foliage and flowers is necessary to curb fruit formation. The addition of one tablespoon of the

insecticide Sevin per gallon in the spray mixture enhances the spray's defruiting effect.

Yet this chemical treatment can cause some foliage wilting, but trees recover within 10 to 14 days.

Know Your Fescues When Seeding Lawn

When seeding your lawn, don't confuse your fescues. Some make attractive, fine-leaved lawns; others look more like tough, hardy clumps suitable for roadsides, but not for front lawns.

Carter M. Harrison, Michigan State University crop scientist, points out that the preferred fescues are members of the "creeping red" species. Any one of its improved varieties is a worthy ingredient in a lawn seed mixture.

Harrison says the varieties to look for include "Chewings," "Illahee," "Pennlawn" and "Rainier." All are excellent companions for Kentucky bluegrass, he says, and are noted for persistence on poor, droughty or shaded areas.

But the MSU crop scientist warns homeowners to beware of the less favorable coarse, bunchy, "tall fescue." This includes "Alta" or "Kentucky-31" which are not suitable for attractive lawns.

New Fescues Developed For Problem Spots

Among the lawn fescues not as many varieties have been developed as there are of Kentucky bluegrass.

Several new selections are under test, but the best widely available types are proven. Oregon varieties such as Chewings, Illahee, Pennlawn and Rainier. In appearance and performance all of these are very much alike.

Pennlawn is liked for disease resistance. Rainier performs admirably in northerly locations. Chewings and Illahee are work-horse varieties, doing an excellent job in seed blends all across the country (and for winter seeding in the South). All take well to poor soils and droughty spots, and withstand shade.

You will want to check these names as quality components of lawn seed mixtures purchased this spring. They are used both for upgrading thin lawns or for starting new ones. The parent species is "Creeping Red" fine fescue.

Bulletins From Bentley

Livonia Students Join in TEEN TOWN

By SUE DOWELL
Bentley has celebrities! A whole list of them, who will make an appearance to a large audience. This large group of viewers could be made up of anyone who has a television set. On May 29, Bentley High School will be a guest of the popular T.V. show, TEEN TOWN. The program starts at 6 p.m. and lasts one hour. It can be seen this coming Saturday on channel nine.

A total of about 36 students will be on the show. Representatives have been chosen from each class by Mr. Daniel Webster, chairman of Student Activities. The student chairman for the ordeal is Marge Cook. Those pupils that will appear on Teen Town were selected by their contributions to the school and/or their dancing abilities.

A lot has been done this year to contribute to the American Field Service. But not many people realize what the AFS really is. The American Field Service is a private, non-profit organization where U.S. teenagers are given the opportunity to visit and understand another country. It also gives teens from other countries an opportunity to visit and learn about the United States.

Applications for Juniors only, will be distributed in the fall. These forms will be filled out by students who would like to become Foreign Exchange Students. The students will then be screened by a local community chapter and school personnel. Four names will be chosen and sent to New York City. The four names will be matched with families who have similar characteristics to those of the students.

Students who wish to house pupils coming to the United States will also be sent to New York City. Characteristics of the students and families will also be matched. Any family will be eligible to house a foreign exchange student, who has a Bentley senior in the household, the year the student comes to the U.S.A.

Two of Bentley's seniors have been foreign exchange students this year. Marilyn Schultz has recently returned from Australia. Nancy Dean is still visiting Belgium.

Anne Friedrichs, one of Bentley's Juniors, is now a finalist in the race to become a future AFS student. On May 26, an AFS assembly will be held to further acquaint students with the procedure of this worthwhile program. This year's officers of Bentley's AFS club are Jan Thomas (president), Diane Mattheis (vice-president), and Andrea Smith (secretary).

At the car-wash Bentley's Student Council sponsored, \$181.50 was collected. The money was given to the American Field Service. The day was sunny, and enjoyable for many of the people who participated from 9 a.m. to 5 p.m. The evening was nice for all those who attended the

barbeque held at the home of Judy Schoenbrug. May 28, will be a casual day for Bentley's students. They will have the once-a-year chance to wear Bermudas to school. This annual Bermuda Day will be held this Friday.

Well, next year's athletic teams are all equipped with their brand new cheerleaders. The girls who will lead our teams to victory by getting the crowds to yell are Linda Korver, Kathleen Walker, Ann Friedrichs, Lynn Huston, Karen Thomas, Mary Plumley, Kathy Tipping, and as alternate, Charlotte Maynard. The cheerleaders have been practicing hard and some have been making arrangements to attend cheerleading camp this summer.

At 7:30 p.m. on May 26, about 145 of Bentley's students will be honored for their outstanding performances throughout the school year. This will take place at the annual Honors Night. There are two categories in which students can be honored. The first is that they are recognized in an achievement. This covers areas in academics, athletics, and student activities. The second includes distinction of a student. Teachers from all school departments choose one outstanding student to be recognized.

Students who have received enough points for an all-school letter will be recognized. It takes 35 hard-earned points to get a letter of this kind. Students get these points by taking part in various extra-curricular activities.

Girls and boys alike are eligible to be honored for their fine participation in sports. The old and new officers of the Student and Class Councils will be recognized for their hard work.

Seniors who have acquired the task of receiving a scholarship will be awarded for their honorable performances.

The top 10% of the senior class will be recognized on the all-important Honors Night.

At Honors Night a lucky boy and girl will be named as the Outstanding Senior Boy and Outstanding Senior Girl of the year 1965. The two students will be chosen on their leadership, grades, citizenship, and contribution to the school. A student leader is important because one who can get things going and lead their class to better and good ideas is a valuable student. Grades are important and this is obvious because being a smart student makes you outstanding. Citizenship is necessary because the way a pupil behaves in society gives people around him or her a lasting impression. To contribute to school activities helps to better the school. A student who participates in some of the many activities is a person always welcome to Bentley.

Probably the most eventful part of the evening will be the selection of the valedictorian and salutatorian. The valedictorian is the student who graduates with the highest marks in his or her graduating class. The salutatorian is the student who graduates with the second highest marks in his or her graduating class.

Trellis Overhang Can Cool House

Is your home hot in summer? It may be because the roof eaves aren't deep enough to shade windows adequately. Eaves can be broadened with a simple trellis structure built of Douglas fir lumber. The trellis is attached to the roof under the gutter and supported on posts along its outer edge. Construction is easy.

If desired, the trellis can be used for climbing vines to provide additional shade. Choice of a deciduous vine will allow winter sunlight to reach windows, but screen summer sun.

High Pine

The stately ponderosa pine grows to a height of 125 to 185 feet, and sometimes exceeds 200 feet. It is found in open, park-like forests throughout the western states.

Greens Give Cool Feeling to Groups

For that cool look this summer both inside the house and on the patio or porch, use plenty of cut green foliage, says the Society of American Florists. It's economical, easy to work with, and will last for weeks, even months.

Take a terrace swing or settee, for example. A Boston Fern hung high on one side and sitting low on a table on the other side fairly envelopes you in a feeling of green coolness.

The same effect is possible with other plants, such as vining ivies and philodendrons in combination with large green plants placed on the floor. Fresh cut flowers enhance the setting with a dash of color.

Other room coolers include white glads with glossy green leaves; Shasta daisies with galax leaves; delphiniums and lilies; cut green foliage massed in large containers. Giant-leaved caladium plants also add

color to an otherwise all-green setting.

Inside the house, philodendron, English ivy, Dieffenbachia, Chinese evergreen, and African violets all will lend a feeling of coolness to summer living.

LOOK COOL

Inside and out, the idea is that you will feel cool because the plants look cool. To insure long life for your cut green foliage, submerge it in cold water for several hours just as soon as you receive it. This refreshes the leaves and revives the capillary action.

Also, for greater water absorption, it's well to partially crush an inch or more of the hardy stem ends with a hammer. Scraping the outer bark from the stem ends helps too.

Arrange the foliage in a large container of warm water and place wherever you'd like a restful touch of greenery.

"WE CURE SICK FURNACES"

Dirt in a furnace is bad. But dirt left in a gas or oil furnace all summer is serious. The soot and moisture forms an acid which eats all metals, complete spring housecleaning includes your furnace or boiler. Do it now. Call today for MAY cleaning and SAVE \$3.00 over the full price. This summer will find your furnace clean, refreshed and repaired and ready for another long winter.

Township Man Charged With Murder Attempt

A Farmington Township man has been charged with attempted murder, following a brawl in and out of his trailer, at the Flamingo Trailer Court, 22600 Middlebelt Road. The suspect, a medium sized, wiry 30 year old bartender named Wilbur Dixon is said to have shot 22 year old Wilbur Jones, of 19471 Stahelin, Detroit, in the left arm.

According to reports, the two men got into a violent argument over a bottle of whiskey during a party in the early hours of Sunday morning. They carried their fight outside, onto the middle of the road.

Dixon is said to have left the battle, gone somewhere, returned with a gun — and used it.

At approximately 4:18 a.m., Township Officer Steven Santo received a call that the fracas was underway. He went to the scene, where he was assisted by Sgt. William Fredericks and Officers John Williams and Jack Brown. Further help was provided by the Farmington City Police in the persons of Sgt. Robert Deadman, and Officers William Berning and Allen Watson.

State Jaycees Honor Parnin

Highlight for the Farmington Jaycees of the Michigan Junior Chamber of Commerce annual convention held May 14-15 in Grand Rapids was the naming of their president, Ralph C. Parnin, as one of the five Outstanding Local Presidents. Over 2,000 Jaycees and their wives attended the convention which saw Jack Skriden of Berkeley elected the State President for 1965-66 to succeed Richard Y. St. John of Kalamazoo. The Farmington delegation this year consisted of 19 men, 14 of which were accompanied by their wives. The Michigan State Jaycee organization includes over 8,000 members in over 220 chapters throughout the state.

Activities of Legion Post In Plymouth

The testimonial dinner for the American Legion Auxiliary Department President Patricia Donaldson was attended by the following representatives of Passage-Gayde Post and Auxiliary Mr. and Mrs. Ernest Koi, Mr. and Mrs. Gilbert Williams, Marcella Drake and Vernon Miller.

The affair was held in Port Huron.

At the 17th District meeting, Passage-Gayde Unit 391 received two citations, one for the District and the other from National. Both were awarded for reaching membership quota by a deadline.

Memorial Day activities will be on Monday, May 31. We assemble at Kroger parking lot at 9:30 a.m. sharp! Please wear hats and uniforms. Post Home will be open after parade. The dinner will be served from 3 p.m. to 7 p.m. Dancing to live music from 7:30 p.m. to 11:30 p.m. Tickets available from Post Entertainment Chairman Bob Richter, GL 3-8942.

Our Girls and Boys State banquet is Saturday, June 5, at 6:30 p.m. All members are urged to attend.

The Post meeting is Sunday, June 6 at 2 p.m. in the Post Home with election of officers.

The newest member in Passage-Gayde Post 391 is Norman Priesch.

Post Poppy Chairman Bob Richter and Unit Chairman Jean Buttermore wish to express their thanks to all who helped distribute the poppies.

Private Rummage Sales Prohibited

A warning was issued Monday to residents of the City of Plymouth that private rummage sales are not permitted and sponsors of such sales are liable to get violation tickets.

The warning came from Building Inspector Charles Thompson, who has charge of such complaints, after receiving word of two unlicensed, private rummage sales.

Thompson pointed out that rummage sales are permitted when staged as a benefit for a church, service, fraternal or civic group and when held in public buildings.

But, he emphasized, private sales in backyards are forbidden and the sponsors will be given tickets.

'Y' Seeks Job Help

Industrial, business and professional leaders in the Plymouth Community have been asked to assist the Y.M.C.A. Youth Employment service youth jobs for college and high school students during the summer months.

The appeal was made in an open letter addressed to the group asking support of the "Y" program.

The letter follows: "The Plymouth YMCA in cooperation with the Plymouth Community Fund has undertaken the task of providing work experience for ages of 16 and 25. As you are well aware, this age group makes up a sizable share of the unemployment statistics on both a national and local level.

Plymouth Boys To See Tiger Game

Thanks to the generosity of the Detroit Baseball Club management and the splendid cooperation of Neal 'Doc' Fenkell, who resides in the Woodlore subdivision and is a member of the Tiger executive staff, boys from the Plymouth Community Baseball and Basketball Leagues will have an opportunity to see the Bengals in action on Saturday, May 29.

The Tigers clash with the Cleveland Indians in the game which is slated to start at 1:30 p.m.

Transportation to and from the game will be furnished by the Northville Bus Company for the nominal fee of 50 cents for each boy.

Members of the committee in charge, which is headed by John Van Wagner, Joseph Bida and Howard Oldford, urge all youngsters who have signed for the trip to contact coaches in the next day or so that transportation arrangements may be completed.

All boys and supervisory adults making the trip will meet at Junior High East at 11:30 a.m. and return immediately after the game.

For additional information, call Bida at 453-1556 or Oldford at 453-3360.

Honor Society Picks Officers

By PAT ST. ANTOINE and BONNIE POWERS

The National Honor Society of East High has announced the new officers for the year of 1965-66: President Allan Nash, vice-president Evalene Gundy, and Treasurer Jo Ann Hassen.

The new varsity cheerleaders are: Evalene Gundy, Cheryl Gibbs, Karen Colvard, Karen Gould, Ruth Holton, and alternate Nancy Robinson.

The class of '67 invites sophomores and their escorts to the Fisher Theatre for an evening performance of "How

To Succeed in Business Without Really Trying." June 15 is the big night.

June 1 isn't very far away. It seems to be getting closer and closer.

Any senior who wishes to attend the prom or all-night party must have his class dues paid by June 1.

Senior boys are also urged to get fitted for their tuxedos.

The deadline is Thursday, May 27. Any information about the tuxedo fitting can be acquired from Mr. Tschudi, senior class sponsor.

The art students at PHS had an opportunity to display their works in the school art exhibit on Friday and Saturday, May 21 and 22, in the PHS auditorium.

On display were the various projects which the students have worked on this year. Among them were mosaics, oil paintings, hooked rugs, jewelry, and wire sculptures. Besides the displays, demonstrations on various art techniques were given.

THE NEW VARSITY cheerleaders at PHS have chosen the dates of June 23-26 to attend

Beneficial Finance Has 5th Birthday

Beneficial Finance Co. of Livonia celebrated its fifth Anniversary on May 16. Located at 31615 Plymouth Road, the office opened in 1960 and is part of the Beneficial Finance System—one of the largest organizations of its kind in the world.

Specializing in personal loans, it is one of over 1,600 affiliated Beneficial Finance System offices throughout the United States, Canada, England and Australia.

The Beneficial Finance System originated with a one-office operation in Elizabeth, N. J., more than 50 years ago. The local office is but one of 55 affiliated Beneficial offices throughout the State.

"Even though we now have over 7,000 Beneficial Finance System employees serving nearly two million customers a year, we're still growing . . . still moving ahead. We've gained a high reputation in the personal loan field over the years," said Manager R. L. Howell.

Although Beneficial's specialty has been cash loans, the firm has also pioneered in the development of other finance plans. Most important of these is the "World-Wide Go Now Pay Later Plan" for financing air travel. This plan is now being used by 27 major domestic and international airlines.

the National Cheerleading Camp, Camps All-American, at Hartland, Mich.

To raise money for their stay at camp, the girls conducted a car wash last Saturday behind the high school. While in camp the girls will compete for the team and individual championships.

Chosen as captain of the Varsity squad for the football season was Donna Cook, while Kathy McKindley was chosen to head the J.V. squad.

THE VARIOUS CLUBS at PHS are winding up activities for the year and electing officers for next year.

One of the last projects for the Water Waves was the annual banquet last Monday, May 24, at Lofy's.

Two numbers from this year's water show, "Our Aqua Mater" were chosen to participate in a benefit water show held at the Whittier Hotel in Detroit. The two numbers were, "Frogs In A Bog," and "A German's Toast."

Two other numbers, "Senior Spectrum" and "Dutch Treat," were chosen by the members of the club to represent Plymouth in a Water Show Party to be given by the Plymouth club Thursday, May 27.

The show will include two of the best numbers from each of the Suburban Six water shows. These numbers will be performed in the PHS pool and will be followed by refreshments for the performers and their advisers. Anyone is welcome to come and watch the show.

The Water Wave Club will award a scholarship of \$100 for the first time this year. It will be awarded on the basis of scholastic average, potential leadership ability in college, need, and contribution to the club. The award will be presented Thursday at the senior honors assembly.

Recently elected as officers of next year's Quill and Scroll Society are: Margaret Rudloff, president; Pat Hart, vice president; and Randy Williams, secretary-treasurer. These students will also hold positions on the staff of the newspaper, Pilgrim Prints, next year.

Winner of the extemporaneous speaking division of the Regional Forensics contest, senior Lois McGough, recently entered the state Forensics Contest. Lois remained through four rounds at the contest which was held at the University of Michigan.

DETAILS of the work and duties of a public relations and advertising director are explained by Sam Hudson, of Evans Products Co., to a group during the career day activities that marked Education Day during Plymouth Michigan Week celebration. Hudson, who is seeking

election to the at-large trusteeship at Schoolcraft College, handles that work for the plant. Currently he is a member of the Schoolcraft College Board serving as an appointee to fill an unexpired term.

LIVONIA EDUCATORS ASSOCIATION

The Teachers Speak

By LYNN Q. GILMORE
Executive Secretary

America's economy is in as fine a shape today as it has ever been. Over the past several months, contract negotiations in business and industry have reflected this upsurge in the earning power of American capital.

Throughout the laboring ranks, salaries and fringe benefits have been vastly improved. America's working man is receiving his share of the great improvement in the overall economy.

Teachers, too, must share in this improved economy. Throughout the suburban area, great steps are being taken to make the teachers' salaries range for \$5,600 beginning to nearly \$10,000 a maximum. School districts in Birmingham, Centerline, Dearborn, Plymouth, Taylor Center, and Warren are just a few of the school districts in this category.

These salary improvements are needed to keep quality teachers for those school districts. Such salaries are also needed to hold the educators in Livonia.

Quality education cannot be maintained by losing experienced teachers each year. It is the experienced teacher who maintains continuity in the instructional program of the schools.

New teachers have always been well qualified in the Livonia schools because of its maintenance of a competitive beginning salary. But, new teachers cannot replace the experience that the present teachers have.

Some people may feel that to place more money in teachers' salaries will detract from the quality program of Livonia.

As one Board member put it, "We must have a good teacher before anything else counts. Let's make sure we have the best teachers in all classrooms, and then worry about the books and paper."

It is true that we must have good teachers. It is also true that well-prepared and experienced teachers can only be held by a salary schedule that is competitive. If it is necessary to curtail any aspects of the program in order to maintain quality teachers, then the people should have the choice.

Taxpayers in Livonia have always supported quality education. It is important, before the cuts are made in that quality program, that the taxpayers have a chance to make that decision.

Good teachers must always be first. They make the program. It is up to the people to tell the schools what they want in that program.

The Port of Detroit links Michigan to 175 ports on every continent in the world, with over 700 sailings each year through the St. Lawrence Seaway.

Name Winners In Livonia Bridge Play

Winners in the Department of Parks and Recreation Duplicate Bridge Club included: First — Al Barnes and Fred Hart; second Marie Evans and Mildred Moebis; third—Dot and Bill Hellstein.

There will be a special Master Point game honoring Livonia's newest life master, Clarice Gordon, on Thursday, May 27 at 7:45 p.m. in Whitman Junior High School.

All bridge players are invited to attend the weekly meetings of the club.

Redford GOP Names Funk

Eldon Funk has been elected President of the Redford Township Republican Party for 1965-1966.

Funk was named at a Party membership meeting last Thursday. Assisting him on the party's executive board will be two vice-presidents, Lawrence Phaneuf and Stuart Schauder; secretary, Marion Donaldson; treasurer, Robert Kuster; and trustees, Sam Sarris and Horace Engler.

Gov. Romney Names Two Livonia College Students as 'Ambassadors'

Two Madonna College students, Katherine Rowan of Chevy Chase, Maryland and Rosa Lee Trapp of Wilmington, North Carolina had been selected by the Michigan Education Board as the Governor's ambassadors from Michigan to their home state.

10 a.m. Governor Romney presented each ambassador with a letter addressed to the Governor of their respective states.

The message and the overture were part of the activity of Michigan's twelfth annual Michigan Week celebration from May 16-22, the theme of which was "Dynamic in World Progress."

Katherine and Rosa will deliver the letters in person to the governors of their states when they get back after June graduation. Both are seniors at Madonna College. Katherine and Rosa are majors in English; the first is planning a business career, the second has contracted to teach in the Livonia school system.

Stratford Trips Slated

Four weekend trips to the Shakespearean Festival in Stratford, Ontario, will be sponsored by the YWCA of Metropolitan Detroit in July and August.

The first trip, July 10-11, will take the group to see "Julius Caesar" and "Henry IV."

A longer weekend, July 23-24-25, is planned for the second trip allowing time for Saturday morning sightseeing, shopping, or a chamber music concert. The plays to be seen that weekend will be "Henry IV" and "Falstaff."

The third weekend, August 7-8, will take the group to see a matinee performance of "Henry IV" and an evening performance of Mozart's opera "Marriage of Figaro."

The final weekend, August 21-22, is scheduled for performance of "Julius Caesar" and Chekov's "The Cherry Orchard."

Sunday afternoon concerts will be optional each weekend.

The trips are open to both men and women. Reservations may be made with Miss Vera Newcum at the Downtown Branch YWCA, 2230 Witherell St., or by telephoning Woodward 1-9220, extension 65.

DOMINICAN REPUBLIC VIETNAM KOREA WORLD WAR II WORLD WAR I

'Lest We Forget'

Memorial Day is coming up Sunday with the celebration on Monday and it revives the slogan "Lest We Forget."

Although only 20 years have elapsed since V-J in Japan, it appears as if there is a tendency to forget the dead war heroes.

Perhaps it is because we are living in an age when everything moves faster, there are more things to do, more places to go and more ways to get there. Perhaps it is just that people want to forget the things that happened not so many years ago and took so many of our youth.

The fact remains that Memorial Day parades and services are gradually passing out of the picture because of lack of interest.

This lack of interest comes from the veteran organizations, who should be the first to pay homage to their dead buddies, the general public and many instances, the bereaved survivors of the war dead.

Several communities are holding parades and services this year but in all there appears to be a decided lack of the enthusiasm that marked the memorials of six, eight and 10 years ago.

Perhaps it's because the survivors of World War II are 20 years older now than when they doffed their uniforms for what they hoped was to be for good. The spirit and drive that made them want to don the uniforms and parade in

memory of the comrades appears to have become a thing of the past.

This appears to be true of the smaller communities, where the parade and services, once were one of the biggest events of the entire year.

For example, Plymouth is suffering from just such things we mentioned above.

For the first time in memory, the Navy Moms won't hold their traditional wreath tossing services at the bridge near the Hillside Inn. They have indicated that they will disband.

The Gold Star Mothers of that section faded out of the picture a year ago.

The Veterans of Foreign Wars are having trouble keeping their state men's color guard marching unit and the women's auxiliary drill team going. Each has dropped out of the competition they dominated for so many years.

The reason—members have been dropping out of each unit and the leaders are having trouble with replacements.

So it appears as if the color that has marked so many of the Memorial Day parades, the July Fourth celebrations and other community events is gradually becoming a thing of the past.

Lest we forget, perhaps now is the time to take heed and make sure that we don't forget our war dead. They gave their lives so that we could live in a decent world and the least we can do is to devote one day to remembering and paying the tribute they deserve. R. T. T.

Crisis of Our Age

It is only a glimpse into the obvious to say that the importance of books can hardly be over-emphasized. As we know, the reading of the "Iliad" and the "Odyssey" laid the foundation for Greek civilization. The Bible has in large measure shaped the development of the Western World, as we have the sacred books in other parts.

Likewise individuals have had the course of their lives changed by reading. The Declaration of Independence owes very much to the influence of John Locke. The masterful command of English that Lincoln had was due in no small part to his reading of the Bible and Shakespeare. One could continue the list without limit.

If men and women can be vitally influenced by reading, children and youth who, of course, are still in the formative stage, can have their lives shaped by reading, and every parent and every teacher becomes a guidance counselor and a censor. A parent who does not censor his child's reading is guilty of neglecting a sacred obligation. Every teacher who does not do the same is false to his or her high calling.

Yet the word "censor" has become a dirty word, and those who exercise this obligation become the object of suspicion and obloquy. Our courts are particularly sensitive in this regard and refuse to bar from publication books from which passages were read from park benches to students in the recent Filthy Speech Week in Berkeley, California. These were the most obscene readings the students could find.

Obscenity has long been defined as anything that would tend to corrupt youth while their values and judgment were still in the formative stage. When people have reached their maturity, and they then feel they must be titillated by erotic literature, society has no right to interfere. But what about the 100,000,000 and more sheets of hard core pornography with which our youth is being deluged; is this not reflected in the tragic figure recently released by the United States Department of Public Health?

120,000 new cases of venereal disease each year from which there will be 12,000 deaths 1,000,000 untreated cases from which there will be 120,000 cases of heart disease 650,000 cases of youth under 20 years

Why must the doctors of Sweden, the New

York Medical Society, countless social workers and family doctors cry out in vain? It seems that, no matter what harm is done to our youth, the letter of the law must be maintained, and a harvest of millions of dollars be reaped by purveyors of filth.

The more one studies the question, the more involved it becomes; it is really the crisis of our age, as Professor Pitirim Sorokin of Harvard, the outstanding sociologist of our time, has repeatedly warned. If further evidence is desired, the reading of his "The American Sex Revolution" will be convincing.

Dr. Sorokin and others frequently quote Dr. J. D. Unwin's monumental work, "Sex and Culture". Dr. Unwin is a scientist from Cambridge University, England, and his book is the result of ten arduous years of study. His conclusions may be inadequately summarized as follows: History teaches that peoples and nations by sexual continence release creativity in other fields—colonial expansion, military powers, artistic and literary creations, and intellectual achievements in all areas. This he documents in full. During this period of creativity, there is always a close family life, a monogamous marriage, and regulation of sexual relations.

As time goes on these standards are gradually relaxed, and sexual license absorbs the energy which produced the creativity. When this becomes sexual anarchy, a nation is through, and a new virile people with the above ideals will supplant them.

So the question of censorship is only a phase of a much larger question which is leading to disaster. Pornography in one area is consciously trying to undermine our society, as George Elliott clearly proves in his article, "Against Pornography", in the March number of "Harper's". We believe the courts and the American Civil Liberties Union are unconsciously doing the same by their misguided actions.

Is it too late? Dr. Sorokin does not think so, if the churches, parent-teacher associations, groups like the Metropolitan Detroit Council for Better Literature, and others will unite and counter attack. We owe this duty to our youth.

THE READER SPEAKS UP:

Don't Support Incumbents

Editor: Speaking as a student of Farmington High School, I urge you to carefully consider your choices for the Board of Education. Please reject the incumbents! The present Board members have had little experience in teaching and education. Therefore, Board policy is old fashioned and out of date. As an example, look at the situation in regard to North Farmington and Farmington High Schools. Both need new cafeteria facilities badly. The Science Department at FHS needs to be re-organized and better equipped. New teaching methods, such as the concept of group teaching, should be adopted. By adding on to the existing structures on property already under Board control, two fine high schools could be developed.

However, the Board has refused to add on to FHS until 1968, and is making only token additions to NFH. Instead, the plan is to build two new high schools. The enrollment would be 1,000 or less in each. In order to build a new school, property must be acquired, a gym and cafeteria built, and all other facilities started from scratch. Why not save money and have a better school by adding on to an existing one? The quality of education we will ultimately receive lies with your hands. The decision you must face comes on June 14. RON SCHULZE, Farmington High School.

More on Osmus

Editor: Last week I was interested in a letter written by residents living on Osmus regarding the "speeders" on their street. This article received my attention and sympathy as I often drive this street from Eight Mile Road to Seven Mile Road on my way to and from work. I had noted that there are many children in this area and consequently had always been very careful in my driving through this section. Last evening around 5:20 I traveled this street. I followed a station wagon through this area, which was going 10 miles per hour. It occurred to me that probably this was one of the residents and she was deliberately slowing traffic which didn't bother me in the least as I was in no hurry. Suddenly she came to a complete stop (without any signal whatsoever) and then turned right into a driveway. As she did this, I pulled around her and proceeded on my way. A half block farther on, a woman on the sidewalk pointed her arm at me and screamed, "you had just better slow down in this neighborhood." I was completely dumbfounded. A glance at my speedometer showed I was going 20 miles per hour. I am not a teenager. I am a woman 33 years old. I have been driving since I was 12. I have had one ticket in my whole life. I deeply resent the indignity of being screamed at from the sidewalk. I can sympathize with mothers with children as I have had three of my own. However,

Frederic Hayes, Chairman Redford Township Assembly for Human Relations

Farmington Teens

Editor: I am in the ninth grade at Farmington Junior High School and the other day we had an assembly on vandalism in Farmington. I feel that one possible cure to this situation lies in the direction of recreational facilities. For instance, a public swimming pool. Many families can't afford the Glen Aquatic Club. Consequently, there's no place to swim during the summer except for a few lakes which are quite a long drive from Farmington. I think if the teenagers had someplace to spend their energy in a harmless activity, as in swimming, they wouldn't be out on the street looking for "kicks." There are a great many other recreational facilities that could be used, too. For instance, a roller rink, a miniature golf course, a soda fountain with a juke box and dance floor, a go-cart track with carts to rent, or a youth center with a gymna-

sium for games and weekly, bi-weekly or monthly dances.

One of the reasons the teenagers roam the Farmington Center and Plaza is because there is no place to meet and talk. They're told to get out of stores for loitering so they roam from store to store with no place to go. I realize this takes money and I would appreciate any ideas on how to raise it or any opinions on other ways to remedy vandalism.

LORI STEELE

A Thank You

Editor: Please let us extend our thanks to all the children who braved the elements to partake in the Annual Easter Egg Hunt on Easter Saturday. For the second year in a row, the children were not favored by weather, but the children came to hunt and hunt they did.

Also, special bouquets are to be given to the Jayceets, for their assistance in providing Easter bunnies and coloring of eggs, to the various girl scout and boy scouts and their leaders who assisted in coloring; to the Parks Department for their assistance, to the Auxiliary Police, to the merchants providing the eggs and to the parents who afforded their children this opportunity.

Because of the inclement weather left-over eggs and candy were delivered to the Plymouth State Home.

PHIL PAVLIC LIVONIA JUNIOR CHAMBER OF COMMERCE JOHN T. DUFOUR PARKS & RECREATION

Vandalism

Editor: Vandalism has been discussed at great length in our school for a very long time. Destruction has been heavy in Farmington and there should be something done about it. I think that if Farmington had a public pool, a teen club, or a public recreational area vandalism could possibly have an end; because, if kids don't have anything to do or anywhere to go, they go out and look for something to do. Farmington has never really had a recreational area, so maybe it would do some good for our community and also cut down vandalism.

Perhaps the observers of your newspaper could suggest ways in which some facilities could be provided for our community of Farmington.

Greg Faydenko Farmington

Ed Note: Would suggest a committee of parents contact area Recreational Director, M. L. Sitts and commission and ask if they will put it in their budget.

Observing the Scene...

By MYRA CHANDLER

"Teachers Picket School," "More Police Quit Force," "County Hospital Employees Stage Sit-In," are a few of the headlines one swallows with his morning coffee.

What is behind the teacher strife; the low morale of the police department in Livonia; and the civil service employee action in the county hospital?

There is just one word—economics. Economics caused the Livonia teachers to picket last week, thus jeopardizing the coming election on a bond issue in Livonia.

Economics caused 10 policemen with 67 years of combined service to resign—leaving Livonia's 36 square miles guarded by three instead of five police cars at night.

Teacher tenure like civil service for police is a strong union, a protection against the employee losing his job.

Both teachers and police in Livonia and surrounding communities have this protection.

During the '30s civil service employees did not have to go into bread lines. They were kept on in employment but got script instead of money. Script bought the groceries, nevertheless.

Now, as prices go rising and the economy appears to be booming, the sense of security be hanged "we want more money—the going rate," so say the Livonia police department—the teachers.

No one can blame them for this. After all there is the high cost of living they must contend with. There is one rub, however.

Civil Service is a way of life—people trade lack of economic ceiling for security. In times of strife they ride the crest—times like this there is a definite sense of unrest and frustration.

In the realm of teachers, true, their pay is not much greater than that of policemen in our suburbs; and yet their education is greater, but teachers' lives are not in danger—and they too have the protection of standardized income in time of strife. Not so the lawyer or for that matter the doctor. People in a slumping economy tend to get into more trouble and have greater sickness—it would seem their bills slowly, if at all.

It would pay them that to make education to become a teacher—or for that matter a civil service worker, policeman or fireman one must decide on a way of life. One cannot have it both ways.

A young Livonia police recruit was about to complete his required three years in the police department for which he would receive the large increase from \$5,886 to \$6,386. Three weeks before this wonderful raise the young man had an opportunity to start a job for \$7,000 as a meat cutter in a super market. "And this is a starting pay," stated the young man, impressed.

The super market can let the meat cutter go if the recession sets in—and certainly does not have to hold to the \$7,000 if the economy goes downhill.

Personally I'd take my chances with the spoils system rather than civil service—I think unions, no matter how necessary, breed mediocrity.

Competition made this country strong, and bit by bit we are being robbed of our competitive spirit through this image of marching arm and arm together—no one out of step—no one a little ahead—and above all—let no one fall a step behind.

The choice is a free one to make (so far)—but once made and the "security" way is selected—wailing and wringing of hands is out of line.

Yesterday's Headlines

25 Years Ago The Livonian for May 29, 1940, reported that a Circuit Court ruling had upheld the Board of Education in regards to a special election. The judge said that the Board had acted wholly within its rights and that it was beyond the jurisdiction of the court to stand in the path of education under the circumstances.

DO YOU WANT TO REALLY FEEL GOOD FOR A CHANGE?

- Hundreds of satisfied customers have availed themselves of Zerbo's services to regain, and in many instances obtain better health than they ever had in their lives! On Zerbo's nutritional program you lose weight where it doesn't belong and put on solid tissue where you want and still feel good at the same time! We have done wonderful work with people who wanted added weight.

If you are not satisfied with everything that "modern science" has tried to do for you, try Zerbo's Nutritional Program! Many customers who had been told they could not work any more have been able to return to reproductive lives!

Children who had been "poor" in school are doing excellent work with the help of our programs — this only proves that there was nothing wrong with their brain in the first place — only that the brain did not get enough oxygen and normal blood sugar (glucose). Recent newspaper articles point to the fact that so-called "physical checkups" seem to be of little value because about fifty percent of those who had physicals have died suddenly in many cases from diseases that were not uncovered at the time of the checkup! The typical physical checkup is "saddly outmoded" — say many outstanding men in the medical field. In fact, when a man succumbs to a heart attack, or cancer — or some other disease, the disease itself is only an outward sign of what went wrong with the endocrine gland system about 15 or 20 years ago!!!

Zerbo's Nutritional Program is designed to support and maintain a better balanced body chemistry through the endocrine system. When some of the endocrine glands become over-active or underactive our body has a difficult time assimilating protein. About twenty years after this imbalance begins to take place there is the final breakdown in the cell tissue itself. The disease is then given a name. We are not interested in name diseases — we have no cures or treatments.

Our nutritional programs, and our natural foods come from the most natural sources possible. Try Zerbo's Nutritional Program and high class foods. People with balanced body chemistry do not need drugs to live a happy life!

Plymouth State Home, Northville Hospital Share \$70,000 Federal Aid Grants

Congressman Billie S. Farnum has announced that the Department of Health, Education and Welfare has made a one-year

\$20,166 grant—the start of a five-year \$100,000 program—to the Plymouth State Home and Training School, 1548 N. Shel-

don, Northville. The director is Irene Bartosiewicz. The money will be used to train personnel in up-to-date methods of caring for mental retardation patients. Approximately 325 persons will become more skilled if the program is renewed annually for the planned five-year period, Farnum said.

The Department also made a one-year \$25,000 grant—start of a five-year \$125,000 program—to the Northville State Hospital. The director is Florence Glinicki.

Training eventually will be provided 300 attendants in the most advanced methods of dealing with mental health programs. Three registered nurses will help supervise the program.

A one-year \$24,840 grant—start of a five-year \$120,000 program—to train attendants in the most advanced methods of dealing with mental health problems has also been made. The director is Mrs. Ruby L. Eargle.

Over 500 attendants eventually will be involved in the program designed to shorten the treatment period of those with mental illness.

Classes Scheduled

For the 14th consecutive summer Madonna College in Livonia will conduct summer classes in reading improvement. Under the direction of Sister M. Martina, CSSF, head of the psycho-educational center, classes will be held daily from June 21 to July 30. Applications for the classes are now being accepted.

Admission into the remedial and developmental program is made through a psychological analysis which determines the nature and scope of learning difficulties a student is experiencing. The instructional program followed with each student is one designed in terms of the findings obtained in the initial diagnosis. Its chief feature is its individualized character, the instruction being geared to the needs of the individual student.

For application to the program write to Sister M. Martina, Director of Psycho-Educational Center, Madonna College, Livonia, Mich. Deadline for applications is May 29.

Area Campers Open Outdoor Season at a 'Campvention'

Spring starts the season for camping and hiking—and more than a score of Livonia, Farmington and Garden City families

last week inaugurated the outdoor season in a big way.

Members of the Way-O-Macs, a local camping association, met with hundreds of outdoor enthusiasts at the "campvention" of the Michigan Campers and Hikers Association in Paradise Beach between Pontiac and Flint May 14-16.

Fishing contests, a horseshoe tournament, square dances and teenage activities highlighted the three-day meeting.

Mrs. Margaret Schulkins, 29533 Medbury, Farmington, a charter member of the "Way-O-Macs" group, served as program chairman for the convention, while Mr. and Mrs. Frank Pauke, 32383 Marblehead, Farmington, also worked on convention arrangements.

Other participants from this area included Bill Malone, 14919 Paderewski, Livonia, president of Way-O-Macs; Art Harrison, 27860 Stanmoor, Livonia, vice-president; and Roseanne Brayshaw, 6411 Cadillac, Garden City, secretary.

Made Dean At U of D

Robert Johnson, son of Mr. and Mrs. Cyril Johnson, of 32493 Shadyridge, in Farmington, has accepted the position of Assistant Dean of the University of Detroit's Evening College of Commerce and Finance.

Johnson, who is President of this year's graduating class, is also a member of Alpha Sigma Lambda, an honor society for evening students; Blue Key, a national activities honor society; Alpha Sigma Nu, a national Jesuit honor society; Alpha Kappa Psi, a national professional fraternity; and the Student Council.

He will graduate Cum Laude, on June 5, receiving a BBA.

Two Madonna Students Join Volunteer Program

Two Michigan College graduates will be involved in the Lay Extension Volunteer Program.

Janet Henry, '64, daughter of Mr. and Mrs. Walter R. Henry of 23010 Arlington, Dearborn, expects to depart for Chicago in August for a two-week Lay Extension Training Program. She speculates that she will probably be sent either to Chicago or one of the Western states, where she will be involved in "inter-racial teaching."

An English major, history minor, Janet served as Student Council president during her senior year. She has had many hours of experience in the teaching field, including working with emotionally disturbed children at the Wayne County Training School. Miss Henry is presently teaching history and English to grades nine and ten at the Divine Child High school.

In volunteering a year's service to the needy poor of America, Janet said that for today's "new breed it's either total commitment or nothing."

Ruth Przeslawski, daughter of Mr. and Mrs. Edward Przeslawski of 608 Long Lake Avenue, Alpena, Michigan, will be a June graduate of Madonna College. After her orientation program Ruth expects to teach in the Appalachian area.

Ruth, a biology major and English minor, first heard of the lay apostolate through the Extension magazine, and became more interested in the project when Father Sullivan spoke of the great need of dedicated service to relieve conditions in economically deprived areas.

The purpose of the Lay Extension Volunteers is to alleviate national social problems. In function, the aim is similar to that of the International Peace Corp. Volunteers serve for one year and are placed according to their unique talents, interests, and education.

Receiving only a small monthly stipend plus transportation to and from the area of work, room, board, and hospitalization insurance, the Volunteers will live in quarters comparable to average local standards of the area in which they will work.

Letter Carriers Plan Field Day

Suburban and Detroit letter-carriers will hold their 28th annual Field Day and Picnic Sunday, June 27, at Walled Lake Amusement Park.

Proceeds from the event provide funds for the Letter Carrier Benevolent Fund which pays sick, death, retirement, health and welfare benefits to the letter carriers, widows and children.

Among the events planned are picnic games, amusement rides, swimming and softball. Tickets are available from all letter carriers.

Absenteeism is lower, on-the-job accident rates are lower, and efficiency is higher among employees with handicaps than among those who are considered able-bodied, claims the Easter Seal society.

OF KENTUCKY CHICKEN FAME

Col. Sanders Wins Horatio Alger Award

Colonel Harland Sanders has been named a recipient of the Horatio Alger Award of 1965. The coveted award, taken from the "rags to riches" success stories of the fictional Horatio Alger novels of yesteryear, is the only one of its kind in our country dedicated to the free enterprise system and the American tradition of equal opportunity.

With the presentation of the 19th annual bronze plaque award on May 17 in New York City, Col. Sanders, originator of the famed Kentucky Fried Chicken Recipe, joins a distinguished group of Americans including Dwight D. Eisenhower, Herbert Hoover and Bernard Baruch, previously honored by the Horatio Alger Awards Committee of the American Schools and Colleges Association as outstanding citizens who overcame humble beginnings to achieve success in their chosen fields.

Now 75, Col. Sanders nurtured his product to a multi-million dollar franchise business with the symbol of a bucket of chicken, his "mug"—as he calls it, and unlimited good will throughout the world.

Faced with the loss of income at the age of 65, Col. Sanders took his first social security check and started traveling, by car, from city to city franchising his recipe across the country. When his social security funds were depleted, he'd return to Kentucky until he received his next check. As soon as it arrived, he'd be back on the road again.

With his unique determination, the Colonel has built his Kentucky Fried Chicken franchises into one of the largest food franchise systems in the country with overall sales exceeding \$100,000,000 in 1964. There are more than 1000 franchises in all the 50 states, Canada, England and Japan.

Col. Sanders has been previously honored with the American Restaurant's Hall of Fame distinction, the directorship of the National Restaurant Association, Indiana Restaurant Association's distinguished Order of the Spatula, and the Order of Good Host, the highest award of the Canadian Restaurant Association.

Scouts List Badge Aides

New merit badge counselors have been announced for Boy Scouts in the Sunset District, which includes Livonia, Nankin Township and Garden City.

Included in the new list are: Donald A. Hayden, 30041 Bretton, Livonia, (botany, gardening, soil and water conservation, forestry, wildlife management); Monroe Weston, 499 Welch Ct., Northville (machinery, mechanical drawing, metalwork, woodwork); George R. Bell, 4250 Eastlawn, Wayne (music); Ed Reid, 36610 Richard, Livonia (photography); and Robert J. Barthold, 31140 Avondale, Wayne (coil collecting).

CD Class Starts June 3

The Livonia Office of Civil Defense has announced that a basic training class for Auxiliary Policemen will begin on June 3.

Also, a Ladies Auxiliary Police unit will be formed. These classes offer the finest training available under the direction of the Auxiliary Police organization and the Livonia Police Department.

In addition, a Mounted Division will be organized and any male, who is an experienced Equestrian, is urged to apply. Anyone over 21 years of age, interested in this training and serving the City of Livonia in this capacity, should call the Office of Civil Defense, 421-2000, Ext. 257, between the hours of 8:30 and 5 p.m. Information may also be obtained after 5 p.m. by calling GA 1-7018 or GA 2-0180. Since the size of these classes will be limited, early application is advisable.

Michigan holds the record for milk produced by a single cow. In a 365-day period during 1951-52, a seven-year-old Holstein, "Green Meadow Lilly Pabst" of Green Meadow Farms at Elsie in Clinton county, produced more than 21 tons of milk.

Free Textbooks in Grade Schools OK'd by Clarenceville School Board

Free textbooks for all elementary children will be provided in the Clarenceville School District starting next September.

The Board of Education

took action last week to purchase books for all fifth and sixth grade classes. Previously, once pupils reached the fifth grade, they were required to purchase their own books. Under the new policy, only workbooks and other expendable

items will be purchased by the students.

"With the district providing the books and students taking reasonable care of them," Superintendent Louis Schmidt said, "it is expected that a set of books will last four years. By a carefully planned program of replacement and revision, this program will offer a continued plan of the most up-to-date textbooks, using the most recent information."

In other action at its May 13 meeting, the Board of Education approved 13 additional teaching contracts, set a request for an additional special education classroom at the high school to Oakland County Intermediate School District, approved new textbooks for junior high science and senior high chemistry, social studies, mathematics, drafting and English classes; and agreed to hire an assistant principal for Edgewood Elementary School.

A leave of absence was ap-

proved for Roger Klein, high school social studies teacher, to study at a National Defense Education Act counseling and guidance Institute at Atlanta University.

PREMIUM THRIVE

—guaranteed to contain more things to make grass grow than any other lawn food

If you really take pride in your lawn, then Premium Thrive is for you.

The professionals' choice, Premium Thrive is exactly what it says, a premium product—it contains more soil nutrients than any other plant food made. Thirteen different ingredients guaranteed, right on the bag. Unlike other fertilizers, Premium Thrive contains no filler whatever; everything in the bag is there to make grass grow. (Actually, when you measure results, Premium Thrive is the most economical lawn food you can buy.)

Another plus: Premium Thrive releases lawn-building nitrogen in two stages—first, an immediate boost—then, a slow release supply that nourishes your lawn well through the season. Your lawn becomes literally "like a carpet": walk across it and your footprints spring right back! That's Premium Thrive: costs a little more but worth it. Bag covers 5000 square feet.

Not quite so fussy about your lawn? Then ask for Thrive Regular. Low cost, lightweight, easy spreading—for those who "want a good, serviceable lawn."

Rocks Retain Tennis Title

Tennis history has repeated for Plymouth high school. For the fourth straight year, Coach J. C. Stevens led his charges to a regional net crown last Saturday at Cranbrook.

Once again Plymouth also came up with the regional singles and doubles champs.

The Rocks literally walked away with the meet, piling up 21½ points. Berkley was a distant second.

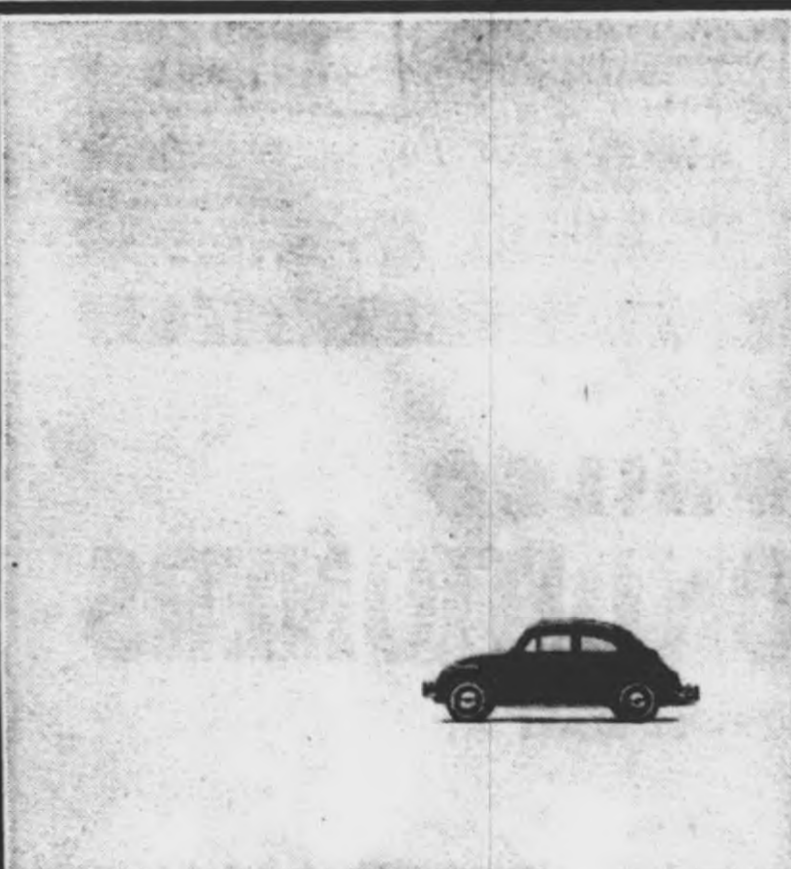

Dave Tidwell, a senior, took the singles crown for the second year in a row. He had no trouble rushing past a series of rivals, the last of which represented Berkley High.

The finals in the doubles were strictly all-Plymouth. Jim Bruff and Clark Raven combined to take the crown for the second time in as many seasons. Their victims in the title match were Bob Waters-Rick Jones, also of Plymouth, by a 6-3, 6-3 score.

Bruff and Raven had put out Plymouth's third doubles team of Steve Hulce-Charles Masten, 6-4, 6-4, in the semifinals.

In singles, Robin Wideman of Plymouth went to the quarterfinals before losing.

Now it's the Suburban Sports League meet this Wednesday and Thursday for the Rocks at Allen Park and then the state finals a week

Garden City Pair Wins Mixed Doubles

18 in Row Scored by Livonians

Eighteen straight loop victories and Northwest League champs for the second straight year!

Little wonder the orchids this week were flowing in the direction of Coach John Hartsig and his Franklin High baseball team.

A year ago Franklin won all ten of its loop starts. This year in repeating, Franklin rolled up eight more in a row with two contests in the conference still remaining on the docket for this week.

Two more brilliant pitching jobs—the first by Ken Bratherton and the second by Larry Ruzsas — brought Franklin the crown last week.

Bratherton hurled a 2-0 win over Oak Park while Ruzsas blanked John Glenn High, 8-0.

Then to complete the week, Franklin stepped out of the league and crushed Northville, 12-1, as Tom Cannon turned in a neat one-hitter.

A fifth-inning scratch single deprived Bratherton of a no-hitter against Oak Park. He fanned seven and never was in trouble.

Franklin, held to four hits in its own, counted both its runs in the fifth inning. Paul Hartge walked and moved up as Gary Birkett was safe on an error.

Up came Bernie Carbo to knock them both in and settle matters for Franklin.

Ruzsas scattered three hits and fanned six in trimming John Glenn.

A single by Hartge, two passed balls, a walk to Carbo and a double steal gave Franklin its first run in the initial inning.

In the second inning, a walk to Thomas, singles by Ron Ross and Mitch Zalenski and a sacrifice by Sam Antonazzo made it 3-0 for Franklin.

A homer by Antonazzo and a run-producing triple by Carbo helped Franklin to count more runs as the game went on.

The lone Northville hit off Cannon came in the fifth inning. He fanned four.

Antonazzo packed the big punch for Franklin with four hits in five trips, one a homer. Mike Stachurski drilled home four runs with three safeties.

Carbo added another homer while Hartge and Birkett each slugged out a pair of safeties.

THURSTON STILL 2nd
Thurston remained in second place in the league standings by beating Groves, 7-1, and Oak Park, 4-2.

Vic Pillar allowed six hits and fanned 10 in the win over Groves. After Groves took a quick 1-0 lead, Thurston got even when Jim Sproul connected on a sacrifice fly to admit Terry Rothwell.

A Rothwell single and Pillar double made it 2-1 for Thurston in the fourth. In the sixth the Townshippers tallied four times.

Paul Santangelo walked, Reg Barranger tripled, Rothwell singled, Sproul doubled, Barry Sinescu singled and Ed Walsh followed suit. Sproul doubled home the final Thurston run in the seventh.

Singles by Mike Bernhardt and Sproul accounted for the first two Thurston runs against Oak Park. With the score tied at 2-2 in the sixth, Ed Walsh walked and Bernhardt and Bob Szymanski followed with doubles to knock in the vital runs.

Sproul held Oak Park to five hits as he fanned six and walked one.

WIN TWO, TOO
North Farmington also scored a pair of Northwest League victories during the week by beating Glenn, 8-3, and Groves, 4-3. Charles Vianne was the pitching winner in both games. He worked five innings against Glenn and fanned six. John Kraft finished up.

Six runs in the second in-

OBSERVING SPORTS

By George Maskin

RAPPING OUT A SPORTS COLUMN IN SHORT PANTS:

One year could cost infielder Bernie Carbo of Franklin High a bundle of cash.

Bernie, who has been slugging the ball at a clip which even dwarfs the work of Willie Horton or Willie Mays, is the prime object of concern in these parts among major league scouts.

At one Franklin game the other day, no less than 12 scouts showed up. They all were there to take another look at Carbo, who is hitting at something like .550 this spring.

But, as you probably know, the bidding among prospects by major league ball clubs is history.

Baseball has joined basketball and football in setting up a draft system. The only difference: baseball will have a special draft for high school graduates. In basketball and football they only deal with collegians, except in very rare instances such as the Pistons' Reggie Harding.

With the open bargaining a thing of the past in baseball, Carbo becomes one of the first big losers.

"Carbo is a cinch to be drafted in a hurry by some club," said one veteran prep coach. "If he could still make a deal for himself . . . as was the case before this season . . . he might be able to command a \$50,000 bonus. Now he'll have to settle for a great deal less."

Hats off to Dave Brazil for coaching St. Agatha to its first divisional baseball championship in the Catholic League.

Add the diamond title to St. Agatha's championships in varsity football and jayvee basketball, the 1964-65 school year must go down as the greatest in the history of the Redford Township parochial school.

Athletic Director Dick Wilcox of Garden City East can't understand why the colleges so far have ignored Yarle Eide, the school's great football back and trackman.

"Here's a kid who checks in at 175 pounds and runs the 100-yard dash in under ten seconds," said Wilson. "If ever a kid deserved a college scholarship, Eide is one."

Wilson is quick to add that Eide doesn't restrict all his brilliance to the athletic field. In the classroom, Yarle is a "B" student.

What a thrill . . . last week's annual Michigan Hall of Fame luncheon at the Pick-Fort Shelby.

Sitting in a room with such celebrities as Gordie Howe, Ray Fisher, Eddie Tolan, Marion Ladewig, Charley Gehringer and Goose Goslin, just to mention a few, was in itself enough to stir up some cupscules.

To us the big event was the induction into the Hall of Fame of Hamtramck's Mrs. Jean Hoxie, the greatest tennis coach anywhere in the world.

Mrs. Hoxie has turned out more than 200 junior champions. They have won titles from coast to coast and overseas.

Her favorite, of course, is Peaches Bartkowicz, who at 15, became the youngest ever to win the Junior Wimbledon net crown in England a year ago.

When the festivities were over at the luncheon, Mrs. Hoxie walked to us and declared:

"Thanks for your part in helping me to win this honor."

She was referring to the many articles we wrote

1st Flag for Parish Contingent

A first for St. Agatha High School.

Coach Dave Brazil's baseball team went right down to the final wire and with the chips down beat Orchard Lake St. Mary's, 4-1, to annex the Northwest Divisional title in the Catholic League.

Never before had a diamond pennant flown over St. Agatha.

By taking the title with a 7-3 record, St. Agatha moved into this week's Catholic League Second Division playoffs.

The St. Agatha hero had to be Rick Collins, who won six of the team's games during the 1964 season. In addition, he paced his team with some fancy work at the plate.

In the head-on duel with Orchard Lake for the crown, Collins gave up six hits and never was in serious trouble.

St. Agatha jumped in front for keeps in the second inning on singles by Mike Roemer and Dennis McKenna and a double by Tom Aubuchon.

In the third inning, Mike Wleznick, Jerry Kaminski and Aubuchon came through with hits to account for St. Agatha's final two runs.

The win was the second of the week for the flashy Collins, who suffered only one setback during the regular campaign.

His previous conquest came over Our Lady of Sorrows from Farmington by a 7-2 score. Collins held the Farmington team to four hits and set down 10 batters on strikes.

St. Agatha scored two runs in the first inning against Sorrows on hits by Jim Roose and Wleznick and three walks.

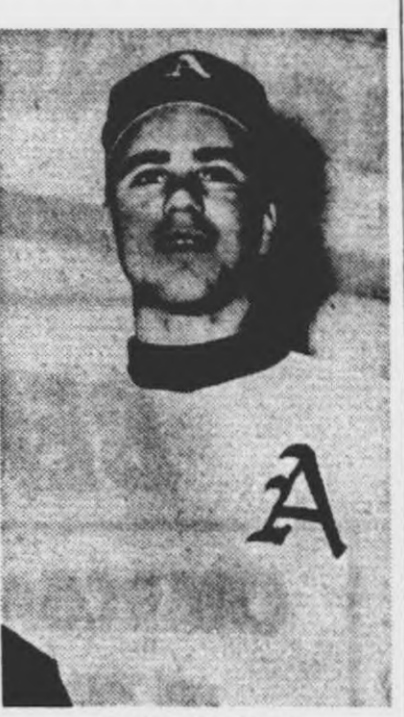

Four more St. Agatha runs came across in the third inning as Roemer and Aubuchon singled and Pat Murphy and McKenna delivered two baggers.

In the fourth inning, Collins singled over Kaminski, who had doubled.

It wasn't Collins' fault that St. Agatha lost to Royal Oak St. Mary's, 5-4, in between the victories over Sorrows and Orchard Lake.

In the Royal Oak encounter, Collins socked out two homers and a double. But it wasn't enough as Royal Oak clobbered Wleznick for nine hits.

Our Lady of Sorrows bounced back from its loss at the hands of St. Agatha to win a 10-9 slugfest from Orchard Lake St. Mary's when Jerry Turner slugged a triple with two on

Tourney Resumes Friday

After a two-week layoff, action resumes Friday and Saturday in the first annual Livonia Invitational baseball tournament at Ford Field on Farmington Road.

Clarenceville, which ousted Bentley in the meet's first game, will engage Our Lady of Sorrows at 7 o'clock Friday night with Redford Union facing Thurston at 9.

In Saturday's action, it will be North Farmington vs. Franklin at 7 and Farmington vs. Plymouth at 9.

The winners will advance to the semifinals carded for June 4 at Ford Field. The championship game is set for June 5 under the lights at the same field.

Franklin and Redford Union shape up as the top bet for honors in the meet being sponsored by the Livonia Optimist Club, the Livonia Recreation Department and the Observer Newspapers.

and two out in the seventh—and final—inning.

Jim McGrath had walked and Bob Urbain singled to set the stage for Turner's wallop, which sailed into right-center field.

Sorrows trailed by a 7-0 score in the third, then erupted for five runs with Tom Webster and Urbain delivering key hits.

St. Mary's made it 9-5 in the sixth and Sorrows responded with three runs in its half of the frame to set up the dramatic finish.

Miles Kearney hurled the route for Sorrows which finished the season with a 5-5 record in Catholic League action. Overall, Sorrows can boast of a 7-5 mark.

Hold Lead Despite Late Challenges

The record making third annual Observer Newspapers-Merri-Bowl Lanes mixed doubles tournament ground to a halt over the weekend with some fantastic bowling but with the team of Morris and Eileen Fackler holding down the top spot with their score of 1388 rolled a week ago.

Morris, a counterman at Satellite Bowl in Garden City, and his wife appear to be the 1965 champions and will collect the top prize but the tournament committee is rechecking all scores and handicaps and won't have an official announcement until next week.

The Facklers withstood the challenge of more than 200 teams in the final weekend—a two-night period that saw six changes in the standings and brought four scores of 1300 or better.

All aimed to beat the Facklers but all fell short. The result is that the Facklers appear certain to collect the guaranteed \$1,000 first prize money that Tournament Director Mac Goldman predicts will be much higher when the final tabulation of entries is made.

Goldman indicated at the start of the tournament that he would boost the top three prizes if the total entry went

over the 1,000 mark. There is considerable doubt that it reached 1,000 but no report can be made until all entry blanks have been rechecked.

Goldman expects to announce the low score in the prize money in another week with a breakdown of the top prizes.

The duo of Tom Mrakitsch and Helen Shablis held on to second place with their 1346 score of a week ago even though threatened by the scoring of Cleo and Richard Walters of Dearborn Heights who made a strong bid but had to be content with 1332.

Cleo, who has a 139 average, fired scores of 206, 189 and 185 for a big 580 count and Richard had 178, 205 and 177 against his 169 average for a 560. They picked up 192 pins handicap for the 1332 total.

Shirley Koth and Roger Branton, of Taylor, had the crowd on edge when they collaborated for a 1317. It was the bowling of Branton that had the atten-

RU One Victory Away From League Pennant

Redford Union high's baseball team needed one victory this week to assure at least a share of the Suburban Six League title.

Two triumphs would give Coach Bob Atkins' Townshipers outright possession of the flag.

As the circuit's pennant chase entered its final week of action, here's the way the teams stood:

Redford Union	6	2
Trenton	5	3
Belleville	4	4
Plymouth	4	4
Bentley	3	5
Allen Park	2	6

Redford Union broke even last week in a pair of shutouts.

The Townshipers blanked Plymouth, 3-0, but fell to 1964 Co-Champ Trenton, 2-0.

Bentley also lost in a shutout to Trenton, 1-0, and then the Livonians suffered a 4-2 loss to Belleville. Plymouth rebounded from losing to Redford Union and knocked off Allen Park, 6-4.

Rick Barryman pitched a five-hitter to best Plymouth's Marlin Sutton, who also allowed only five hits. Barryman fanned five to Sutton's four.

Two of RU's runs came on homers. Ernie Bourassa clouted one in the second inning and

Jim Johnston followed suit in the seventh. A hit batsman and two errors accounted for RU's other marker in the third inning.

RU's Rick Fisher suffered his first setback of the first inning. The leadoff hitter homered. Then a single and error made it 2-0 and the score remained unchanged the rest of the way.

The Townshipers wasted a triple by Bourassa in the first inning. In the fifth, Fisher walked and Randy Maltby singled with one out, but nothing happened.

Singles by Curt DeLoye and George Little with one out in the seventh also went down the drain for RU.

Dave Troutman turned in a six-hitter and fanned 11 in Plymouth's 6-4 decision over Allen Park.

The Rocks counted twice in the first inning when Kurt Irish, Mike Lockwood and Terry Cosgrove delivered base knocks after one Plymouth man had walked.

Three unearned runs helped Plymouth in the fifth. Troutman, Sutton and Lockwood came through with hits. Three errors produced the final Plymouth run in the seventh.

Hank Schoenback's fine pitching wasn't enough for Bentley to overcome Trenton. He allowed a triple and two singles for one run in the first inning and then stopped Trenton hitless and unless the rest of the way.

However, Bentley managed only two hits. John Plumley singled and went to second with none out in the fourth inning. He could advance no place.

Mike Dodson singled in the sixth but was nailed trying to stretch the blow into a double.

Schoenback also started for Bentley against Belleville. The teams were tied at 2-2 after three innings thanks to John Kokochak's two-run homer for Bentley.

Belleville notched a pair of runs in the fifth inning and walked off the field a winner.

UP AND OVER goes Dick Dechert, pole vaulter for Garden City East as he finishes second in the Mid-Wayne League track meet. East also was second, just missing out on the team title.

Inch Costs East Crown in Track

An inch sometimes can prove as big as a mile. Maybe even ten miles.

Just ask the Garden City East high track team. Yarie Eide, East's great sprinter and broad jumper, was down to his final leap in the Mid-Wayne League championships at Inkster Robichaud.

Everything else in the meet had been concluded. If Eide could win the broad jump, East would win the title. Otherwise, the crown would go to Inkster Robichaud.

Eide came thundering down the approach. Up went his body.

He stretched his legs out to the fullest.

More than 200 fans crammed around the broad jump pit and watched as Eide crashed into the dirt.

There was a hush. The judges measured the distance. Eide was just three-quarters of an inch short of winning the event.

The meet was over with Robichaud the victor with 53 1/2 points. East was second with 52 points. Then came Inkster with 43 points, Lutheran West with 26, Riverview with 14 and Taylor 11.

Along with a first in the 220-

yard dash, a second in the 100-yard dash and a leg on East's third-place 880-yard relay team, Eide finished with 14 1/2 points. He was the individual star of the meet.

Eide was just nipped in the 100-yard dash, although he was timed in 9.95 seconds. He won the 220 in 22 seconds to set a new league record. The old mark was 22.3.

Dennis Patrick accounted for East's only other first-place. He won the shot put with a toss of 47 feet, two inches.

Here's how East athletes placed in the league meet:

100-yard dash: 2—Eide, 3—Bailey.
 220-yard dash: 1—Eide, 2—Bailey.
 Time: 22 seconds. (new league record).
 880-yard: 3—Strange.
 Low Hurdles: 3—Martini.
 High Hurdles: 3—Martini.
 Pole Vault: 2—Dechert.
 Shot Put: 1—Patrick, 3—Berard.
 Distance: 47 feet, two inches.
 Broad Jump: 2—Eide.
 High Jump: 3—Martini.
 880-yard relay: 3—Garden City East (Bailey, Willis, Lewis, Eide).
 Mile relay: 4—East (Strange, McDermott, Fletcher, Dechert).

3 Golf Wins For Franklin

Franklin high's golf team missed by a stroke, 166-167, tying Birmingham Groves in a triangular meet in which John Glenn High was third with 203. Mark Burke's 41 was low for Franklin.

Burke's 42 then paced a 171-191 win over Garden City West. With Dave Bivins firing a 37 and Burke a 39, Franklin posted 161 to beat out Dearborn (164) and Melvindale (205) in another triangular encounter.

It may be true that time is money, but it's not so scarce.

about her kids when we worked for the now departed Detroit Times.

Jean didn't have to thank us. Neither does any other coach.

We always have deemed it a pleasure to write about youngsters. And when some of those you knew back when—like Milt Pappas, Dave DeBusschere, Terry Barr, Ron Kramer, Livonia's Bob Bruce and Ray Herbert, Bill Freehan, etc., ultimately make it to the majors, added thrills come your way . . . thrills and satisfaction that you could never describe in words, either written or spoken.

Make it a point to take in the Livonia invitational baseball tournament which resumes Friday and Saturday evenings under the lights at Ford Field on Middlebelt Road.

You'll see some exciting baseball and also some first-class baseball. As one coach declared: "I'll put our high school baseball in this area up against that played anywhere else in the State of Michigan."

If you haven't visited the Wolverine Raceway for the nightly harness races, we suggest that you make plans soon. Time is running out for the trotters over at Middlebelt and Schoolcraft roads.

As we have said before, you're in for a treat if you spend a night under the stars watching the horses. It doesn't have to be costly . . . unless you want it that way.

AT WOLVERINE THURSDAY 19 Trotters Duel In \$23,250 Stake

The greatest trotting event of the year—that's the prediction of Wolverine Raceway officials for the 15th renewal of the traditional Merchants and Manufacturers Trot Thursday.

The early claiming stake attracted a near record entry of 19 which boosted the purse to \$23,250, making it one of the richest in the long history.

The huge entry forced Racing Secretary Bill Connors to split it into two eliminations with 10 going in the first and nine in the second. The top five finishers in each come back for the championship finals.

The M&M has been carded as the fourth, fifth and seventh events on the 10-race program.

The stake, which is the nation's oldest and the state's richest trotting event historically is the standout of the Wolverine season. It opens the track's rich stakes program which swings into the Grand Circuit next week, concluding with the \$10,000 added HTA on Friday, June 4.

Then comes the windup on June 10 in the renewal of the historic Motor City pace which is expected to have a total value of \$25,000.

Thursday's M&M will bring most of the nation's top drivers to the attention of harness racing enthusiasts.

From New York's bustling tracks comes Billy Haughton, the nation's leading money winner at the moment; Stan Dancer, who set an all-time high for winnings a year ago when he became the first to hit a million dollars; George Sholty, and Ned Bower.

Del Insko is checking in from Chicago along with Dick Buxton, Vic Dieckman and Billy Shuter.

Heading the cast is A.C.'s Nancy, from the Haughton stable, who won nine in a row during the recent Pompano Park meeting and is considered one of the fastest of the middle class trotters.

Dancer checked in with All Aflame, who shows a mark of 2:06.4 a year ago but is considered one of the most improved of his large public stable.

Sholty, a longtime favorite of local fans when he was one of the most popular drivers, will handle Intent Way (2:04.4) from the Gainesway Stable in Sherburne, N.Y.

Then there are: Lassie Song, from the strong Clearview Stables in Winthrop, Me.; ABC Stables' Fashion Freight, who has been a consistent winner at Chicago this spring; Ned Bower's Short Stop; Del Cameron's Squire

Bentley Hosts to 3 Meets

These are busy days on the Livonia Bentley high school track.

The Suburban Six League, which includes Bentley, Redford Union and Plymouth, held the preliminaries in its annual championship meet on Tuesday evening.

This Wednesday, the spotlight shifts to the Northwest Prep League finals in which Birmingham Groves is highly favored to walk away with the title honors.

Thurston will challenge Groves with Franklin a good bet to finish no worse than third place.

The Suburban Six League finals are carded for Thursday, beginning at 5:30 p.m.

Redford Union, unbeaten in the regular season, and Bentley rate as the top choices for the crown. Dual meet victories will help to count toward the overall league crown.

Comes Saturday, Bentley's track will host the third annual Claude Smarey Relays.

Teams from Bentley, Clarenceville, Franklin, Plymouth, Redford Union, Thurston and Garden City East, along with Dearborn, Dearborn Edsel Ford and Wayne will make up the field for the carnival.

Action will begin at 5:30 p.m. There will be relays for every phase of competition, including the field events and the hurdles.

The events listed are the shot put, broad jump, pole vault and high jump relays, plus the 880-yard, four-mile, high-hurdle, two-mile, low hurdles, 440-yard and one mile running relays.

The relays honor the memory of a former high school coaching great who devoted much of his life to the betterment of prep athletics in the Greater Detroit area.

In addition to the track action at Bentley, other major meets also are carded this week as the curtain drops on the 1965 season for the prep track.

Farmington is vying this Wednesday in the Interlakes meet at Walled Lake while Garden City West bids for the Tri River league crown at Southgate.

On Thursday, Our Lady of Sorrows contests in the Catholic League's second division championships.

Rocks Cop Two In Golf Action

Plymouth high's golf team scored two victories last week. The Rocks posted 172 to 179 for Redford Union and 181 for Bentley in a triangular meet at Western. Jeff Griswold's 41 topped the victors while Dave Wall and Tom Janiecki had 43s.

The Rocks then outscored Thurston, 160-169 at Braeburn with Wall firing a 36 and Janiecki a 38. Low for Thurston was John Jakubiak with a 40.

2 Area Caddies Win Scholarships

Two area caddies, Frederick Locke, 17, of 17526 Doris, Livonia and Fred Turek, 17, of 20449 Kinloch, Redford Township, have been awarded Chick Evans scholarships to Michigan State University by the Golf Association of Michigan.

The two were among 29 winners announced Monday by George H. Webb, of Detroit, chairman of the Golf Association of Michigan caddie-scholarship committee.

They will be among more than 520 Evans scholars in college this fall, including 47 at Michigan State and 48 at the University of Michigan.

The famed amateur golfer Chick Evans conceived the caddie scholarship idea in 1930, and under the administration of the Western Golf Association in Golf, Ill., approximately 1,800 scholarships have been awarded.

Since the Golf Association of Michigan became affiliated with the program in 1948, it has awarded 364 scholarships. Each covers full tuition and housing and is renewable for four years.

The selection of the two was made possible by financial support given the Evans program by more than 50,000 golfers this year, including 11,400 Michigan golfers, who contribute annually to the

18 in Row (Continued from First Sport) ning put the game out of reach. Vianne himself started matters with a triple. Jim DeCourcy and Bill Bowles contributed a single and triple, respectively, during the outburst.

DeCourcy finished the game with four-for-four—all singles. North Farmington had to go eight innings to nip Groves. Bill Oldershaw's third hit of the game, a single by Vianne, a walk and Bob Butler's infielder hit netted North Farmington's first two runs while a double by Jim Rigglesworth and single by Bowles forged the third North Farmington run. Rigglesworth and Bowles also had three hits.

Vianne allowed six hits and fanned 10. He has accounted for all four of North Farmington's victories this season. His overall record stands at 4-3.

Facts From Franklin

By JAN BONNER

Franklin High will present its annual Spring Concert, under the direction of William Hall, on May 27 and 28.

The program will start off on the serious side, with the Bel Canto Choir singing "Brazilian Psalm" by Jean Berger, "Ave Verum Corpus" and "O Magnify the Lord." Then the Madrigals will sing "Fire, Fire My Heart," "Fair Phyllis, I Saw Sitting all Alone," "April is in My Mistress' Face" and "Adieu Sweet Amerillis." Following the Madrigals, the Franklin Choral will sing "Ave Maria," "Cherubim Song," "With a Voice of Singing," and "O Song Unto the Lord."

The latter portion of the program will be devoted to lighter pieces. The Bel Canto Choir will be singing "Bouree" by Bach, "Black is the Color of My True Love's Hair," "Sit Down Servant," and "Soon I Will Be Done."

The concert will begin at 8 p.m. in the Lecture Theater.

For the next few weeks, FHS Seniors will be very busy people. The high-point of their social life, the Senior Prom, is over. This formal dance was held at the Michigan Union Ballroom in Ann Arbor, Friday, May 21, was known as Senior Skip day; a day given to the Seniors to prepare for the big day ahead.

The calendar still holds plenty of events for Seniors to attend. Baccalaureate, a non-denominational service is to be held Sunday, June 13, at 8 p.m. Commencement exercises will be held June 17 in Franklin's gymnasium. Seniors will march in white and navy blue robes with red and blue caps. Each graduate will be given three guest passes for the ceremonies. The three days prior to graduation will be spent in marching practice. Students will meet Monday, Tuesday, and Wednesday, 14, 15, and 16 from 9-12 a.m. to practice.

The 1965 edition of Frank-

lin's annual yearbook, the Almanac, will make its appearance Friday, May 28. Students ordered their yearbooks last fall and are waiting eagerly for their delivery.

The Senior Issue of the Packet is scheduled to appear June 4. The Packet will contain fractured flickers, candid shots, funny photos, and class wits. It will be 12 pages long and will cost 25 cents.

Amos I. Franklin's creative-arts magazine is selling fast. Each staff member is taking advanced orders at a dollar a piece. It is reported that the magazines are almost gone. The Amos is to debut the latter part of this month.

On May 2, students who have previously paid 25 cents, will be allowed to wear Bermuda shorts. The annual event, known as Bermuda Day, is sponsored by the AFS.

THIS GIANT TRASH BARREL was filled to the brim after students at Emerson Jr. High School finished their Saturday cleanup drive of the school grounds. Checking its size before the cleanup started were, from left: Kathy Potts, Joyce Ehgote, Kathy Masura, Denise Dopps, Mary Mutt and Nancy Kowala. More than 200 students turned out for the cleanup drive, and received commendation from Gov. George Romney for their efforts.

West Falls To Haston On Track

Garden City West suffered a 56-53 loss to Haston in its final tuneup for this Wednesday's Tri Rivers League track finals at Southgate.

Mike Taft won both the high jump and broad jump for West. Here's how the Garden City team's entries placed:
High Jump: 1-Taft, 2-Tharp. Height: 5 feet, 6 inches.
Broad Jump: 1-Taft, 2-Murphy. Distance: 21 feet, 6 inches.
Pole Vault: 1-Sullivan, 2-Tharp. Height: 11 feet, 6 inches.
100-yard dash: 2-Shannon.
220-yard dash: 2-Shannon.
440-yard: 2-Wolf.
880-yard: 1-Ghrist, 2-Bion, 3-Miller. Time: 2:12.
1-Mile: 1-Shunk, 2-Spry. Time 4:40.
High Hurdles: 2-Murphy, 3-Roberson.
880-yard relay: 1-Garden City West.
1-Mile relay: 2-Garden City West.

FARMINGTON, LIVONIA, AND REDFORD TOWNSHIP Foreign Students were Michigan Week guests at the Michigan State Capitol, for a first-hand look at American Government in action, with Senator Farrell E. Roberts, (R) as their guide. These eight students, AFS Youth for Understanding scholarship winners for their high school senior year in American homes and schools, are part of some 2,900 students from 59 countries. They were accompanied by Mrs. Jack Sutton and Mrs. Omar Mette, Livonia.

N. Farmington Tops Farmington In Golf Match

North Farmington high's golf team outscored Farmington, 22-239, in a dual meet. Jim Wooley's 43 and Jim Schlesinger's 45 stood out for the winners. Greg Kelch had a 44 along with Dick Rutherford for Farmington.

The North Farmington team also emerged with a second victory by scoring 161 to Thurston's 167 and Oak Park's 186. Wooley fired a 38 with Jim Palmer's 40 second low for "North."
Farmington beat Southfield, 230-231, in a thriller as Kelch shot 43 and Rutherford 44.

Franklin Easy For Thurston

Thurston high's track team found Franklin no match in a dual meet last Wednesday.

The Townshipers ran away with the meet, 77-32, as Al Phillips and Charles Nole led the way.

Phillips won both the broad jump and the high jump while Nole broke the tape first in both the 100 and 220-yard dashes.

Thurston won every event except the half-mile run.

The summary:

Shot Put: 1-Szostack (T), 2-Salheny (F), 3-Nalfeh (F). Distance: 32 feet, 5 inches.
Broad Jump: 1-Phillips (T), 2-Bristol (T), 3-Nole (T). Distance: 20 feet, 1 inch.

LWV Convention Urges 'Home Rule' Amendments

The League of Women Voters of Michigan ended its convention in Dearborn with a plea to all Michigan legislators to amend the so-called "county home rule" bills now on the floor of the House and Senate.

League members expressed shock that the Senate and House committees recommended continuation of the status quo by requiring election of six county officials responsible for county administration.

Mrs. Robert Foerch, Dearborn, newly elected president of the Michigan League said, "These bills require keeping the present rigid, out-moded form of county government no matter what local voters may wish. The bills permit a 'county mayor,' she continued, "but he would have a little real executive authority. He would be a mere 'ribbon-cutter'."

The League wholeheartedly believes in the wisdom of local voters. League members feel that any county that wishes can and should choose its own form of government. Mrs. Foerch said, "Home rule means that local voters decide whether or not they want to elect or appoint administrative officials. League members urge amendment of the bills to provide this freedom of choice."

Air Pollution Topic at Lola Valley Kiwanis

Air pollution in the Detroit River region was the topic discussed by Morton Sterling, chief of the area's Bureau of Air Pollution, before members of the Lola Valley Kiwanis Club May 10.

Sterling pointed out that since 1950 there has been a "steady decrease in air pollution caused by ships docking or sailing on the Detroit River."

He added, "During 1950, pollution inspectors saw very heavy smoke from fifty per cent of the ships moored or sailing inside the city limits. Last season heavy smoke was observed only 7.6 per cent of the time the ships were watched. 82 per cent of the time the skies above the vessels were essentially clear."

Two For East In Golf Matches

Garden City East High's golf team ran its season's record 7-2 last week by winning two matches.

Dan Bradley was the low man with a 38 in a 174-189 non-league win over Ann Arbor St. Thomas. In a league meet with Riverview, East won by a 164-171 score as Bradley scored 37, Terry Riddle 39 and Dennis Devlin and Bob Bohr both 44.

Submarine Service

Radioman Third Class Penny A. Stanfield, USN, son of Mrs. Irma O. Stanfield, 18845 Blue Skies Drive, Livonia, is participating in an international exercise called Operation Fairgame III in the central Mediterranean while serving aboard the submarine USS Argonaut.

The League convention repeated its long-standing belief that Michigan must face up to tax reform. Mrs. Sigmund Nosow, Okemos, Legislative Vice-President, said, "All tax study committees in the past 15 years have recommended an income tax as the only fair way to meet Michigan's needs. League members agree that enactment of a state income tax is the heart of basic tax reform."

Only Four Trackmen In 'Money'

Area entries in the state Class A and B track meets last Saturday came off with few honors. Thurston had to settle for a pair of seventh-place finishes with Al Bristol in the high jump and Jerry Szostack in the shot put.

Farmington pole vaulter Ron Short placed sixth and Eric Bargo of Redford Union eighth in the 100-yard dash.

Kalamazoo Central won the state "A" title with 45 points, followed by Flint Central with 34 and Detroit Northwestern 31.

In Class B River Rouge won easily with 61 points to runner-up Willow Run's 26.

Named Track Coach

Dominick A. Taddonio of 16002 Oak Drive, Livonia, has been named cross country coach at the University of Detroit. Taddonio, a candidate for the Livonia Board of Education, holds the rank of assistant professor of health and physical education and assistant director of the physical education major program at U. of D.

Play Starts in Redford Men's League

Action in the Redford Township Men's Slo-Pitch League last week saw defending champion Snyder's Masonry upending Cal's Lumber, 11 to 5. The victory gave Snyder's a perfect 2-0 record for the young season.

Rinaldo's kept pace with Snyder's as they buried the Police-Firemen, 27-9.

Other action saw General Sports stretch its record to 2-0 as they rolled over Elias Bros., 11 to 1 behind the seven-hit pitching of Wayne Clarke.

West Rips Haston In Slugfest

After losing by 3-0 and 5-3 scores to Kennedy and Southgate, Garden City West High School's baseball team rebounded to bomb Dearborn Haston, 16-1.

The West batters drilled out 16 hits against Haston with Gary Garonski leading the way with three safeties, Greg Simpson, Charles Ardell, Terry Thompson and Bob Stevens each riddled out two hits.

Bob Gamashe picked up the victory, scattering four hits and fanning seven. He worked only five innings.

Southgate had to go 10 innings to win from West.

The teams fought on a 1-1 basis for nine frames before Southgate erupted for four runs against Don Steiger who had worked brilliantly on the mound for West. He had fanned 13 men.

With two gone in the bottom of the tenth, Stevens started a West rally which almost caught Southgate. With a mate aboard following an error, Stevens singled. Then Steiger singled.

Rosa Page Welch To Speak at Trinity

Rosa Page Welch, renowned classical sacred music singer, will be speaking in Michigan during the Memorial Day weekend.

She will appear at the Trinity Church of the Brethren, May 30, at 2:30 p.m.

Mrs. Welch's experience as concert soloist and spiritual singer, as a short-term missionary to Nigeria, as a leader in the National Council of Churches, as a past vice-president of the United Church Women and as a dynamic Christian laywoman and member of the Disciples of Christ, has qualified her to speak with authority the message of Christianity to the world.

In 1951, she was awarded the Distinguished Service Medal of the National Conference of Christians and Jews for "distinguished service in the cause of brotherhood."

As a Church of the Brethren missionary in Nigeria, she presented concerts in the cities and villages of northern Nigeria, and taught classes at the Kulp Bible School and the Waka School. Internationally, she served as song director and soloist for the World Convention of Christian Education meeting at Toronto in 1950 and in Tokyo in 1958.

The public is invited to attend.

Emmanuel Sets Goals for Church

During a recent Planning Retreat three goals were set for the Emmanuel Baptist Church.

The goals, according to the church newsletter, the "Emmanuel News," are:

- A double session Sunday school to begin in October;
- The trustees to present a definite plan for new space, better use of existing space, landscaping of property, and a master plan for property use; and
- A visitation program by the Deacons which will "not only be designed to conserve and nurture present members and friends, but also to reach others."

Stating that the goals are "minimal," William E. Nelson, pastor of Emmanuel asserts that they are necessary in order "to be a Church with a ministry here in Livonia."

A total of 25 people attended the retreat in Lapeer, Michigan.

Male Quartet Sets Singing Date in Livonia

The Messengers Male Quartet representing Anderson College, Anderson, Indiana, will appear at the Riverside Park Church of God in Livonia, Wednesday, June 2, it was announced by the Rev. J. Clifford Thor, pastor.

The program, which begins at 7 p.m., will consist of hymns, gospel songs, and special numbers.

Members of the Quartet are Bill Bellah, Tucson, Arizona; Dan Brooks, Elkhart, Indiana; Dwight Hargett, Noblesville, Indiana; Bill Hargett, Orchard Lake, Michigan and Larry Adams, Anderson, Indiana.

The group's summer schedule will include concerts in Michigan, Ohio, Kentucky, Tennessee, South Carolina, North Carolina, Georgia, Florida, Alabama, Mississippi, Arkansas and Indiana.

The public is invited to attend the service.

Duns Scotus Is TV Topic

GO TWO BY TWO, a WXYZ-TV documentary produced at Duns Scotus College in Southfield, will be telecast on Channel 7, May 30 at 6:30 p.m.

The half-hour special records a day in the life of Friar Timothy Jamison, O.F.M., a 22-year-old native of Southfield who is a junior at the college. Fr. Timothy is in training for the Franciscan priesthood.

The cameras will take viewers on an in-depth tour of the college's facilities, including the chapel, classrooms, library, refectory, kitchen, tailor shop, barber shop and gymnasium.

The title of the presentation was taken from an exhortation by St. Francis of Assisi who founded the Roman Catholic Order of Friars Minor 750 years ago. St. Francis told his followers to "Go two by two about the world proclaiming peace to people and repentance for the forgiveness of their sins."

Youths Elected

Jerry Young and Rick Mastny were recently elected co-presidents of the Senior High Youth Fellowship at St. Matthew Church in Livonia. Elected secretary was Sherry Soliday, while Phil Osburn was named treasurer of the Fellowship.

Officers Named

Recently elected president of the Junior High Youth Fellowship was Dennis Young. The new vice president is Brian Young. Mary Beth Roberts was named secretary and Jerry Deter was elected treasurer.

Art Workshop for Gifted Set at Madonna

Madonna College will conduct a Fine Arts Workshop for Gifted Children who are currently in the third, fourth, and fifth grades.

The Workshop, conducted by master teachers of art, music, and related literature, will be held daily for two and one-half hours from July 6 to July 30. Fee, including materials, is \$40. No more than 12 pupils will be enrolled in each group. Applications for the course may be obtained by writing to Sister Mary Lauriana, CSSF, Coordinator of Teacher Education, Madonna College, Livonia, Michigan.

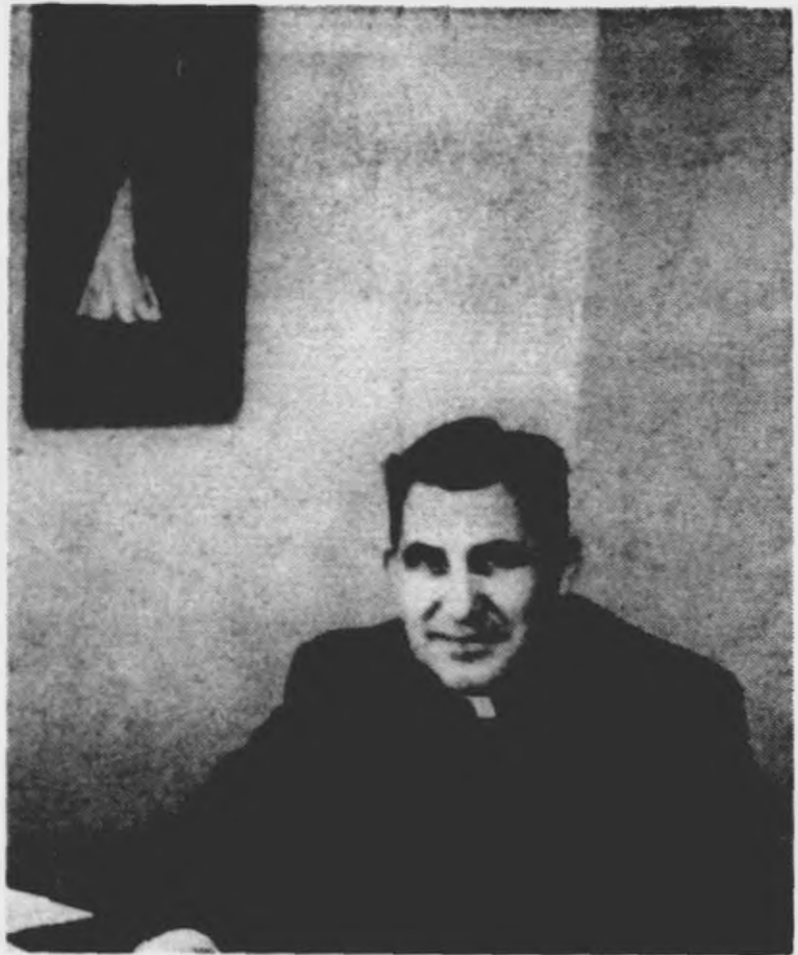

In order to qualify for the Workshop, each pupil must be recommended by the teacher or principal of the school he attends. Registration closes June 1, 1965.

Concert Planned

The Bentley High Concert Choir will perform at St. Matthew's Church next Sunday at 7:30 p.m. The concert will be held in the Church Sanctuary. There is no admission charge, however, donations will be accepted for the purchase of new robes for the Church's Chancel Choir.

God's Power Is Topic

"Power belongeth unto God" (Ps. 62:11). This is the keynote of the Bible Lesson which will be heard at Christian Science services Sunday, Matthew's account of the temptations which Jesus met and mastered in the wilderness will also be included in the selections from the Bible.

AT ST. GENEVIEVE'S

Pastor Honored on Anniversary

More than 800 friends and members of St. Genevieve's Roman Catholic parish in Livonia gathered at Roma Hall last Sunday to honor Fr. Ferdinand T. Wolber.

Fr. Wolber, 51, pastor of St. Genevieve's, was celebrating the 25th anniversary of his ordination to the priesthood.

An ex-Army and national guard chaplain, Fr. Wolber founded the parish of St. Genevieve's on June 28, 1959.

"The land was filled with trees then," he recalled last week. Today St. Genevieve's complex of buildings on Jamison includes a church, a 12 classroom school, a convent and a rectory.

The parish, which includes

the area from Inkster west to Merriman Rd. and from the C&O Railroad tracks north to Six Mile Rd., is composed of 1200 families.

Fr. Robert Kerr is the assistant pastor, while Fr. John Trese, from the Catholic Charities Service in Detroit, assists on the weekends.

Three hundred and five children attend the parish school in grades one through four. They are taught by five teaching Felician Sisters and two lay teachers. Next September, when the fifth grade opens up, the enrollment will top 400.

In addition to providing schooling for these youngsters, the relatively new parish has 610 students in its elementary confraternity of Christian Doctrine program;

200 in the high school division and 215 four and five year olds attending the pre-school division.

This pre-school CCD program is something new to Catholic Churches in the area. During the Sunday morning classes the pre-schoolers are introduced to the beginnings of the catechism.

The temporary church was blessed by the Most Rev. John F. Dardien, Archbishop of Detroit, on August 6, 1960. The rectory was also opened at that time.

Prior to the opening of the church, parishioners of St. Genevieve's attended Mass at Reilly Junior High School.

The congregation was forced to move to Reilly for additional space from the Harrison School

on August 5, 1959, just four weeks after the first Sunday Mass.

St. Genevieve's School opened its doors in 1963.

Fr. Wolber entered the Army as a First Lieutenant during World War II. He served in the Philippines and Japan. Following his discharge he served as a chaplain in the National Guard for 14 years. When he left the service he held the rank of major.

Prior to founding St. Genevieve's Fr. Wolber, a native of Detroit, served as an assistant at Nativity, St. Monica's and St. Edward's in Detroit and at St. Clement's in Centerline.

Auditions Scheduled

Auditions for the Livonia Youth Symphony Orchestra, grades 9 through 12, and the Junior Orchestra of Livonia, grades 7 to 9, are being held May 29 and June 5, 9 a.m. to 12 noon at Bentley High School, 15100 Hubbard Rd., Livonia.

Students accepted will begin rehearsals in September. To qualify for an orchestra audition, the student should be a member of his or her school orchestra or band, and have the recommendation of the school music director. Auditions will determine musical ability and placement in either orchestra.

The Livonia Youth Symphony Orchestra is an orchestra composed of young musicians of high school or college age capable of performing complete symphonies. The Junior Orchestra of Livonia is an orchestra of musically talented young people of junior high school age capable of playing advanced orchestral arrangements.

JAMES BREAD, the "un-private detective," from Bond Bread visited the Terrace Theatre on Plymouth Rd. in Livonia last week to "case" the layout. To assist his cohort, James Bond, Secret Agent 007, Bread will be at the Terrace for the matinees next Saturday (May 29) and Sunday (May 30) for the showing of

the double bill of "Doctor No" and "From Russia With Love." James Bread will award one courtesy loaf of Bond bread to the first 250 ladies attending the matinee both days. The James Bond films, starring Sean Connery, open at the Terrace May 26.

St. Dunstan's Slates Fair This Weekend

Final plans for the Annual Spring Fair at St. Dunstan's in Garden City have been announced. It will be held May 28, 29, 30 and 31 on Inkster Rd., just south of Ford Rd.

The fair opens May 29 at 6 p.m. with a fish fry. Perch and shrimp dinners will be available on an eat in or carry out basis. The fair closes Friday at 10 p.m.

Saturday opens with a roast beef dinner at 12 noon and Sunday the dinner will be served at 1:30 p.m. The dinner includes roast beef, mashed potatoes, gravy, corn, cole slaw, rolls and coffee.

A family style spaghetti dinner will be served Monday at 12 noon. At 9 p.m., Monday the fair will conclude with a drawing.

There will be rides, games and refreshments featured throughout the weekend.

An art show will be sponsored in conjunction with the Fair. Art works of both amateur and professional standing will be displayed in St. Dunstan's School on Inkster, south of Ford Rd.

About 150 paintings from Msgr. Hickey's art collection as well as those of several Detroit area professional artists will be offered for sale.

Hours for the exhibit are: May 28, 7 to 10 p.m.; and 1 to 10 p.m., May 29 through 31.

U of D Sets Classes on "Show Business"

Actors, directors, designers, critics and others will take a group of students "Inside Show Business" in a University of Detroit adult education program this summer at Northland Playhouse.

U. of D. director James Rodgers demonstrating his work with campus actors.

"Dressing the Set," a demonstration by designers, lighting and scene technicians, etc. based on the set and costumes for Agatha Christie's "The Mousetrap" which will then be running at Northland; "Men on the Aisle," commentary by Detroit critics on the nature of their work, joined by a panel of actors and audience; and "The Actor Prepares," a dissection of the art by actors and directors.

Presented by U. of D.'s Center for Continuing Education and Repertory Theatre in association with producer Kenneth E. Schwartz of Northland Playhouse, the six Thursday afternoon programs will be hosted by Dick Osgood, WXYZ critic.

The series, one of several year-round U. of D. Greenroom Programs, opens June 24 with the Rev. James Caine, S.J., U. of D. theatre faculty chairman, reviewing "The Role of the Audience." He will be joined by a panel of actors and audience.

Enrollment for the non-credit program may be made through the University of Detroit Center for Continuing Education, Detroit 21, Mich. A "Green Room" brochure will be sent upon request.

It Was A Party!

A swinging time was had by one and all at the Livonia Penthouse Saturday night. An unexpected floor show was provided by the 16 piece Paul Macceri Orchestra and Johnny Ginger, local TV personality, during an evening of impromptu floor shows.

The sands of time slip inexorably through a world-sized hour glass. Many of us listlessly watch the slipping of the sand: others of us feel the grittiness and uncomfortable aspect of the oppressive sand since we psychologically become inundated by the sand as it cascades through the neck of the hour glass.

Such philosophy, using a come easy after seeing the Japanese film "Woman In The Dunes," at the Campus Theater in Ann Arbor. "Dunes" is a rare film and you should not miss it. It is a triumph of script, direction, and performance by two Japanese stars. More than anything, however, the camera deserves honors for telling this story so magnificently.

For two hours you live with this Oriental couple at the bottom of a pit surrounded by sand dunes. Sand seeps through the roof, covers your body, gets in your hair, seemingly penetrates every pore. The provocative manner in which the camera is used in this picture makes you feel the picture. You are a part of the man's problem in the picture. You struggle with him.

"Mary Poppins," not the same type of movie with a serious message, provides oodles of entertainment. Julie Andrews and her entire supporting cast capture your heart with their zany, zestful crazy actions. Nothing seemingly makes sense and yet it does. Dick Van Dyke skips, jumps, and sings his way into your good graces with a brace of melodic tunes. Ed Wynn (dear old Ed long may he chuckle on the silver screen) has a brief, but hilarious scene.

The musical score is the biggest and best surprise of "Mary Poppins." The Sherman brothers, Robert and Mark, have composed some light-hearted, melodic tunes to send you out of the theater humming. It's been a long time since I've heard such lovely music pouring forth from the silver screen.

Jaycees Set City Carnival

Tom Brady, chairman of the 1965 Livonia Jaycee carnival committee, announced that plans are well under way for the carnival to be held June 2-6. It will be located on the North-west corner of Plymouth and Levan Roads.

This year's carnival will feature 20 rides and booths geared to entertain young and old alike. Brady stated that arrangements have all been finalized except those controlling attendance and weather.

Bernie Sallot Named Director of ASTME

A Redford Township resident has been named Director of Technical Activities for the American Society of Tool and Manufacturing Engineers. Bernard M. Sallot, of 26064 Dow, will be responsible for implementing the society's program, the society's recently formed Technical Divisions which include nine specialized sub-units of the Society representing various technical disciplines included in the science of tool and manufacturing engineering.

Two Township Teachers Named to MEA Posts

Two Redford Township teachers have been elected to commissions of the Michigan Education Ass'n., a statewide organization of educators. They were Earl Meyers, 18700 Woodworth, a teacher at Redford Union High School, who is on the publications commission; and Allan Kerr of Garden City who is a Thurston High School teacher on the public relations commission.

Arrives in Korea

Airman Second Class Roger D. Bates, son of Mr. and Mrs. Charles R. Bates, 9225 Lamont St., Livonia, has arrived for duty at Osan AB, Korea. The airman is a graduate of Bentley High School.

"Janus" Hits the Boards in Dearborn

The Dearborn Heights Little Theatre brings Broadway to the Riverside High stage when director Dave Balnaves presents the romantic comedy, "Janus" May 28 and May 29.

Kay Hall in the role of Jessica, portrayed by Margaret Sullivan at the Plymouth Theater in New York and Dick Denny as Denny are discovered spending a very unusual Summer vacation.

Supported by Howard Johnson as Gil, Barbara Hamm as Miss Addy and Noral McNeely as Mr. Harper. Kay and Dick will delight you with a romantic situation which could only happen in a brownstone house off Washington Square in New York City.

Riverside High is at the corner of Beech Daly and Warren. Curtain time is 8:30.

Set Antique Show from June 3-6

The Dearborn Rotary Club sponsors its second annual Antiques Show and Spring Garden Visitation at Fair Lane, home of the Henry Fords in Dearborn, Thursday through Sunday, June 3 to 6.

Last year the event drew more than 10,000 visitors. Thirty-four of the nation's top antique dealers will have booths in the famous mansion, entrance to the grounds of which are on the north side of Michigan avenue just west of the Southfield Expressway.

More than 2,200 new rose bushes are expected to be in bloom during the show.

Several area Rotary Clubs are cooperating with Dearborn in this event, and benefitting from ticket sale proceeds.

Farmington Masons Sell Their History

The Historical Committee of Farmington Lodge No. 151, F & A.M. has prepared a book covering the hundred year history of Farmington Lodge. Copies of this book may be obtained for \$2. If interested, call George R. Dorset, 21556 Mayfield, Farmington, phone GR 4-6149.

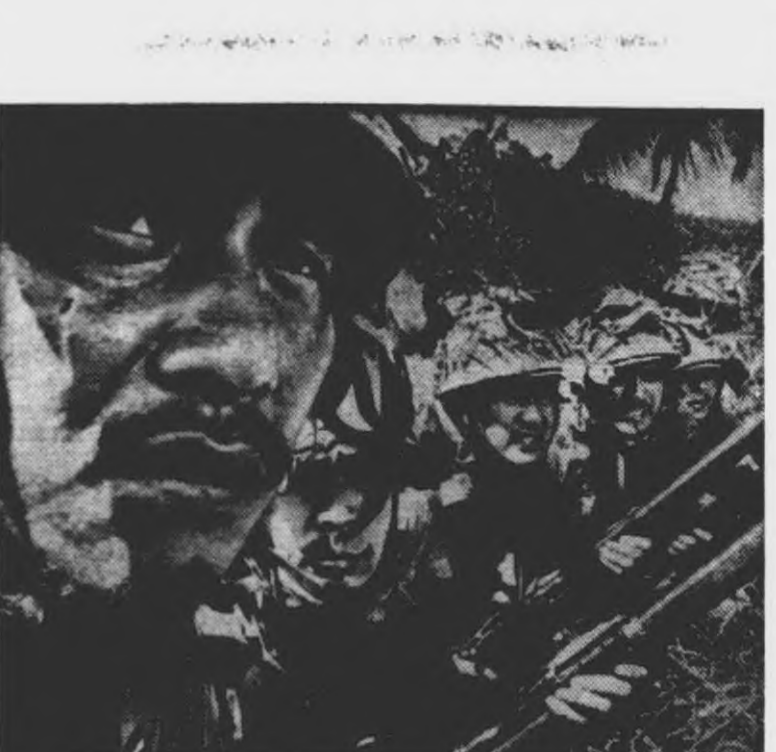

Their Centennial celebration was held on Saturday evening, May 22, 1965, with over 500 guests in attendance commemorating 100 years of Masonry in Farmington.

Redford JC's Set Dinner

The Redford Township Junior Chamber of Commerce will hold its installation dinner June 12 at the Knights of Columbus Hall, Five Mile Rd., Redford Twp.

A \$10 per couple donation includes cocktails, dinner, dancing and refreshments. Featured at the dinner will be Jaycee Award winners, including chairman of the year, the president's award and the key man.

Reservations are available from Art Rockall, 533-8841, and Jerry Mangas, 533-9466.

FRANK SINATRA directs and stars in "None But the Brave" opening May 30 at the Algiers Drive In. Also appearing in the Warner Bros. release are Clint Walker, Tommy Sands, Brad Dexter, Tony Bill, Sammy Jackson and two Japanese performers, Tatsuya Mihashi and Takeshi Kato.

Keeler Moms Plan Potluck

Members of Keeler Mothers Club will prepare their most special gourmet treats to be shared at the club's Annual Potluck at 6 p.m., June 2, in the school gym.

Jo Eland will be installed as new president of the club after the dinner. The Barefoot Harmonics, a country-style music group, will entertain.

Also on the program will be the winners of the Keeler School Talent Show. Candidates for School Board will be introduced.

Centerpieces for the dinner tables will be made by classrooms in the school. Teachers and their husbands and wives will be guests of the Mothers Club. Members are invited to bring guests to the dinner.

Other new officers to be installed by Jean Henegar, outgoing president, are Millie Montgomery, vice-president; Marge Benedetti, recording secretary; Barbara Keppen, corresponding secretary, and Eleanor Simula, treasurer.

News Of Cub Scout Pack 48

Cub Pack 48 held its Pine-wood Derby at Bond School on May 8. Mr. Agnello of Den 3 headed up the committee that organized one of the most exciting and well planned Derbys that the Pack has ever had.

Trophies for Originality went to Mark Hales, 1st place; Mark Vasu, 2nd place; and Richard Witt, 3rd place. Craftsmanship trophies to Bob Dodi, 1st place; Brian Williams, 2nd place; and Chris Habsburg, 3rd.

Mary Vasu was 1st with the fastest car, and Jim Agnello took 2nd honors for speed. Winners for the fastest car by Den were: Den 1: Doug Wilcox-Jeff Sioff. Den 2: Mark Hales-Michael Wey. Den 3: Jim Agnello-Richard Witt. Den 4: Bob-Dodi-Randy Newlin. Den 5: Craig Tuel-Frank Reynolds. Den 6: Phil Heck-Floyd Bennett. Den 7: Craig Kilmer-Tom Bolin. Den 8: Mark Vasu-Scott Frankhouse.

Cranbrook Art Show Opens

One of the most exciting shows of the year — the annual Summer Student Show featuring the works of the students of Cranbrook Academy of Art — opens in the Academy's Galleries on May 29.

The faculty selected work includes all eight departments of the Academy — weaving, metalsmithing, ceramics, architecture, design, sculpture, graphics and painting. The show will remain up through mid-September.

The Art Galleries are open from 2 to 5 p.m. Tuesdays through Fridays and from 1 to 5 p.m. on the weekends. They are closed on major holidays. There is an admission.

Evans Sets Sights On Record Sales, Earnings

PORTLAND, Ore.—Shareholders of Evans Products Company attending the Company's annual meeting here heard Monday A. Orloff, Chairman and Chief Executive Officer, predict record sales and earnings for 1965, define the Company's acquisition policy, and announce intending completion of \$18 million in new long-term financing.

COLORFUL FOLK DANCES were performed by ninth-grade girls from Junior High East during the open house program Thursday that was one of the features of the Education Day during Michigan Week.

Present indications point to sales this year in excess of \$200 million and earnings some 10 per cent higher than last year, Orloff said. Sales in 1964 were \$181,788,000 and net earnings \$3.56 per common share after adjustment for a 4 per cent stock exchange declared in January, 1965. Both were record highs.

Reviewing recent corporate acquisitions, Orloff stated that Evans Products will continue "to follow the pattern which we have found profitable" — making acquisitions by using cash or long-term debt, thereby preventing dilution in the equity of common shareholders.

He added, however, that "where circumstances dictate," the Company will not hesitate to use equity to accomplish an acquisition that would enhance its earning power.

An intensive survey of possible southern timber areas for construction of a plywood and other types of panel plants is now being completed, he said. He also reiterated the Company's interest in entering the pulp and paper industry.

Noting that it is a matter of public record that Evans Products owns 220,000 shares of Fibreboard Paper Products Corporation, approximately 12 per cent of the total outstanding, Orloff declared that the investment was made because "we believe it to be an investment with great potential value to us."

"Having established so substantial a position in the stock of this company," he continued, "we are now in position to more fully evaluate the situation, looking to the possibility of a closer association in the future if our best interests so dictate."

The Chairman also revealed that Evans Products is about to conclude \$18 million in new long-term financing with the Prudential Insurance Company on "most satisfactory terms." The additional funds, which bring the Company's total funded debt to approximately \$40 million, will be used for general corporate purposes, "including those I mentioned today."

Painting a generally favorable picture of 1965 sales and earnings for Evans Products operating divisions, Orloff referred to the "inherent safety factors" growing out of the Company's operations in various major marketing areas with diversified geographical and functional situations.

DPW News and Notes

By Supt. Joseph Bida
Plymouth Dept. Public Works

Mowing of the cemeteries was continued, footings were dug and 40 foundations were poured. Cleaning and mowing was done at the cemetery at the end of Pearl Street.

The property surrounding both well fields was mowed and cleaned up. A 3/4" water tap was made at 340 E. Union Street and a water service was installed at the new comfort station being built on the east side of the Riverside Cemetery. New traffic signs were made, some repaired and some replaced.

A 6" sanitary sewer tap was installed at 340 E. Union Street. A catch basin was rebuilt in the alley at the rear of Consumers Discount on Forest Avenue and one repaired on N. Harvey at William Street, on the east side of the street.

Sweeping of the streets was done both in the business and residential districts. Parks and playgrounds and the area around the city hall were mowed and cleaned.

Sidewalks were checked for a list that should be replaced as a result of the laying of the new water mains that were replaced or installed last fall. Two trucks were sanded and repainted during the week by the garage mechanic. The band shell speaker was repaired and made ready for the pop concert held on Friday evening.

Beginning June 1, 1965, all alley pickups will be resumed. However, I find that many alleys are filled with tree trimmings, brush, etc. These alleys will have to be cleaned up before June 1, or the rubbish trucks will not be able to make the alley pickup.

Beginning Wednesday evening May 26, we will start to flush fire hydrants. This will be done on Wednesday, Thursday and Friday evenings starting at approximately 9:00 p.m. and continuing until about 12:00 Midnight.

The crew will start at one end of the city and keep going until all hydrants throughout the city have been flushed. This will continue until all lines are cleaned.

More than a hundred ways of adapting clothing to meet the needs of the crippled child are outlined in a new Easter Seal booklet, "Self-Help Clothing for Handicapped Children." Copies are available from the Easter Seal Society of Western Wayne County, P.O. Box 101, Inkster, Mich.

Rights Group Hears Of Integration Woes

The Plymouth Assembly for Equal Opportunity brought its spring lecture series to a close last Tuesday with a panel discussion featuring people from Wayne and Southfield who have been involved in the opening up of previously all-white neighborhoods to Negroes.

Moderator Edward Draugelis ably drew out the panelists, who included Mrs. Henry Phipps and her daughter Neotha from Wayne, and Mr. Jack Anderson, Wayne's Human Relations Council Chairman.

Also on the panel was Howard Coleman, chairman of Southfield's human relations group, representing the Smith Carson family, who were unable to attend.

Although there was some bitterness, displaying itself primarily in broken windows and name-calling crowds that gathered when the Phipps family first moved to Wayne, the situation has eased, and Chairman Anderson is confident that there would be no further trouble should other Negro families make a similar move.

Fourteen-year-old Neotha (the only child left at home—there are three older children) reports that she has been well-received by both students and teachers of her junior high school classes. Anderson told the group the one thing Neotha's peers might hold against her is the fact that she is practically an all-A student, but even that situation is improving—she brought home a B on her last report card!

The Michigan Civil Rights Commission was effective in easing the situation in Wayne. Burt Levy of the Commission was on hand, and sought and received the support of the State Police when the demonstrators appeared likely to get out of control.

The Wayne council prepared a reception in a local minister's home for the Phipps family, and distributed a fact sheet giving a bit of the family's background, and stating very clearly the intention of the city officials to uphold the rights of all citizens.

The Smith Carson family moved into Southfield without the overt demonstrations that were experienced in Wayne, but had some problems in securing their property beforehand.

They had a house built in a subdivision where homes sell for \$45,000 and up.

Their first problem was finding a bank that would finance a loan. When this was accomplished they had difficulty in locating a contractor who would build. After overcoming this obstacle and with work underway, the builder began to have trouble with suppliers.

When the house was finally completed however, the family moved in without incident, and are being accepted by the community.

Carson is a teacher at Garfield Junior High in Southfield, and his wife teaches in the Pontiac system. They are Catholic and have four children, two in junior high, and two in elementary school.

 the 9362nd Air Reserve Squadron of Garden City under the command of Col. Richard Marks of Plymouth.
 It will be followed by Plymouth's two surviving veterans of the Spanish American War, Herbert Gower and Thomas Gray, both of whom are in their 90s and who will ride in a convertible.
 Then in order will follow the World War I veterans, American Legion color guard and

Auxiliary, the Mayflower Post color guard, men's drill team and Auxiliary and the Boy Scouts, Girl Scouts, Camp Fire Girls, Brownies and Cub Scouts.
 The Plymouth High marching band, under the direction of James Griffith, and the Junior High East band, under the supervision of Laurence Livingstone, will be placed in the parade at prominent places.
 After the units disband, all will move to the portable band-

stand in Kellogg Park for the memorial services at 10:45 a.m.
 Richard Wernette, former Plymouth Mayor, will serve as master of ceremonies. The invocation will be led by Rev. Donald Williams of the First Baptist Church and the benediction by Rev. Alfred Renard of Our Lady of Good Counsel Church.
 Mayor James Houk and Township Supervisor John McEwen will lead a joint pledge of allegiance followed by a recitation of "Flanders Field" by Tom Donnelly of Plymouth High.

Mrs. Esther Schettele will sing the "Stars Spangled Banner" accompanied by the Plymouth High band and also will present a solo, "Christ in Flanders," accompanied by Fred Nelson.
 Congressman Vivian, who will be making his first public speaking engagement in Plymouth, is slated for the principal address.
 Bugler Harry Krumm will play "Taps" as the concluding number of the day prior to which Harry Mumby, a veteran of World War I, will place a wreath on Plymouth Rock.
 Mumby has taken over the duties handled so well by the late Harry Hunter for the past several years. Hunter died last fall after a short illness.

 tion of Ann Arbor and Haggerty Roads for a shopping center built around a bowling establishment, was tabled when Weller was unable to appear due to a death in his family.
 He had appeared before the Township Trustees earlier with a request for the lone liquor license still not issued. He told the Trustees that acquisition of the license held the future of his plans for the area. With a license, he would be able to go on with plans for the shopping center and bowling alley but without it, he indicated he would have to go elsewhere and seek a liquor permit.
 At that time, the Trustees informed him his name would be added to the list of applicants

Michigan Week Ends

(Continued from Page 1)
 in the activities throughout the week, with the exception of Sunday's Spiritual Foundation Day program which had to be cancelled due to inclement weather and the inability of Chairman Rev. Peter Schweitzer to complete arrangements to get all groups together again on a second date.
 William Harding, assistant superintendent of Schools, arranged an unusual week long Career Day program as the feature of Education Day but climaxed his activities with an open house event at Junior High East where ninth grade girls staged folk dances, put on a style show of dresses they made in classes and then entertained at a tea in the School library.

Actually, the Livelihood Day events started Tuesday night when the Kiwanis Club presented certificates to four new industries that started in the community during the past year. The four included: Dynavoice, E&E Manufacturing, Parker Hanifin and Standard Corp.
 Friday was one of the busiest days of the week and found the Rotary Club joining in the Livelihood Day events by presenting a special award to President Charles Bruce of Alexander Hamilton Life Insurance Co. for its outstanding growth and achievements during the past year.

The presentation was in charge of School Supt. Russell Isbister and was followed by a musical program by students from Junior High East under direction of William Grimmer.
 Then in the afternoon, Robert Beyer, owner of the Beyer Drug store, received an award for the business having the longest continuous service in the community. The Beyer Drug store was founded more than 100 years ago by a Dr. John Mieler and then taken over by Otto Beyer, father of Bob, in 1905.
 It has been in existence 100 years under the two ownerships. Clarence Stevens, of North Harvey Street, was honored as one of the city's oldest residents. He will reach his 100th birthday in November.
 Sid Strong, long associated with city governmental and historical activities, made the award to Beyer and Carl Starkweather presented the

framed certificate to Stevens. Herald Hamill, chairman of Heritage Day and president of the Plymouth Historical Society, highlighted the afternoon program by presenting Louis Borregard, secretary of the Municipal Building Authority, a check for a tree to be planted as part of the landscaping for the city hall. The donation came from the Society.
 Earlier in the afternoon Sarah Cochrane Chapter of the DAR held a tea in the Dunning-Hough Library.

CHRISTIAN G. HECKH, Services for Mr. Heckh were conducted by the Rev. Jay P. Coulton on May 23 at the R.G. & G.R. Harris Funeral Home. Interment was in Parkview Memorial Cemetery.

Mr. Heckh, 84, of 18508 Pershing, Livonia, died May 17. A retired carpenter for the Ford Motor Company, he had lived in the area for 46 years.

He is survived by his wife, Bertha, and three sons, Arthur Heckh, and Carl and Daniel Duquet. Also surviving are 13 grandchildren and 11 great grandchildren.

SISTER MARY BASIL, CSSF, Funeral rites for Sister Mary Basil, 22, at the Felician Motherhouse for Sister Mary Basil, The Solemn Requiems Mass was celebrated at the chapel by Fr. Francis Zdrozowski, chaplain of Mercy College. He was assisted by Fr. Thomas Fraser and Fr. Robert Koenig as deacon and subdeacon. Interment was in Holy Sepulchre Cemetery. Funeral arrangements were handled by the R.G. & G.R. Harris Funeral Home.

The former Cecilia Perzyk entered the Felician Sisters' congregation in 1902. She taught at schools in Detroit, Hamtramck, Wyandotte, Manistee, Saginaw, Jackson and Alpena, Michigan; Toledo, Ohio; and McKeesport and Pittsburgh, Pennsylvania.

Surviving is one sister, Veronica Lukomski, of Horton, Michigan.
