## Farrand parents to host board hopeful

A group of Lake Pointe parents will sponsor a school board candidates' night next Tuesday, June 8, in the new Farrand School kindergarten room, beginning at 8 p.m.

The four candidates will be asked to give a brief speech, and then answer questions.

The meeting is an effort on the part of the group to get out the vote at the school board election June 14; at the last millage election a scant 2115 votes were cast, a small percentage of the registered electorate.

Candidates are running for the one vacancy opened by the expired term of present board member, Robert Utter. Utter, Roger Smithling, Mrs. Harland Smith and Robert Jenkins are the four candidates.

Alvin Howell will act as moderator for the meeting, and introduce each candidate.

Mrs. Derald McKinley, spokesman for the group's plans, said Wednesday: "We are calling all the schools asking them to send home notes with all the students."

moved to the multi-purpose room.

Mrs. McKinley said that people from the entire school district were welcome.

"We want to encourage more people to vote. We don't realize how many decisions these people make for us."

The Farrand parents' group has been the most active group of its kind in recent months, and have continued to bring several school issues before the general public, including the crowded conditions in Farrand Elementary School early this spring.

The board term is for four years. Two of the candidates have run before: Mrs. Smith ran unsuccessfully last year.

Here is a brief summary of the background of each of the four candidates:

**Roger Smithling**  
Roger Smithling, 42478 Schoolcraft Rd., is a veteran of several years of teaching, eight of them in the Plymouth schools.

He is presently with the Ford Motor Co., engine and

foundry division, working as a training specialist.

He and his family moved to Plymouth in September of 1955.

**A GRADUATE OF Eastern Michigan**, he holds a B.S. in geography and science education. He also holds a M.A. from Eastern in education administration.

He is an active member of the Optimist club, and has been a president of that group. Married, with four children, he is a member of the Our Lady of Good Counsel church.

**Mrs. Harland Smith**  
Mrs. Harland Smith, 1158 South Main, is a legal secretary and bookkeeper. She is a 1947 graduate of Plymouth High School, and attended college at Nazareth College at Nazareth, Michigan, and Western Michigan University.

Born and raised here, she is the daughter of Mr. and Mrs. Perry Richwine. She and her husband, have two daughters.

## YMCA names Recreation group new board, hears report to ask area study

At the Plymouth Community YMCA annual meeting May 25, four men were re-elected to the board of trustees and three women were elected to new terms, all for three years.

Carl Schultheiss, Gregory Dean, Ray Hulce and John M. Hoben will continue on the board.

New members are Lois Jensen, Ruth Eriksson and Jean DeMerrit.

More than 90 boys will go on one week camping trips this summer, according to Hoben, in Operation Exposure. Under the direction of Tom Workman the trips will be in groups of 15 boys.

Mrs. Eugene Crosby reported the Y has received \$2,000 from the Community Fund to hire persons as supervisors for the summer program.

In his president's report George Lawton suggested that emphasis be placed on youth employment and junior high school programs during the coming year.

State YMCA member Jack Cole stressed developing self confidence in young people, helping non-achievers and giving them faith in daily living in his speech at the meeting.

The recreation site committee, one of several committees whose functions have included all governmental units in The Plymouth Community, will approach respective boards and commissions this month seeking support for a professional study.

The study would be conducted by Angelo Palermo, recreation director in Garden City, and recognized local authority on the subject. It would cover the 52 sq. miles of the Plymouth School District.

The committee has been ramrodded by Township trustee Louis Norman. Norman said Wednesday that he would appear before his own board and lay out their plans as formulated.

The committee was formed in early January when several citizens petitioned the City to investigate the possibility of a municipal swimming pool.

**AT THAT TIME** Commissioner James Jabara sought the opinion of the other governments involved, and the result was a six-man recreation committee.

According to Norman the entire committee agreed to

seek funds for the study, which will cost less than \$800.

Palermo has agreed to make a study of existing facilities, in the entire 52 square miles that composed the Plymouth Community School District. He also has agreed to outline job specifications for the study, and estimate some costs.

Norman also said Wednesday that the committee is seeking a method whereby it can take the recreation site and building outside of the governmental units and set up an authority. He pointed to Kensington Park, which is a metropolitan authority, legally authorized by the new constitution.

The advantages of the authority lay mostly in its ability to receive grants of monies and land, and place them in trust, or in a corporation of sorts.

Members of the committee were appointed last January and February, and included Norman and trustee Richard Lauterbach from the Township, Commissioners James Jabara and Robert Beyer, school board members J. D. McLaren and Carl Schultheiss, and Canton Township treasurer Phillip Dingley and Canton trustee planning commission member Richard Palmer.

At the time of the group formation, one observer called it "the first large scale cooperative move" made by the area's governing bodies.

**THE RECREATION SITE** committee should not be confused with the community auditorium committee, which expects to make a report soon to the school board. This committee is also made up of people from all over the Plymouth Community.

## Announce boy's, girl's State plans

The American Legion Passage-Gayde Post and Auxiliary will honor Boys and Girls State representatives for this year and last year at a banquet, Saturday, June 5, at 6:30 p.m., at the Post Home.

Boys and Girls State sessions are designed as practical experiences in the problems of self-government as it operates in Michigan. Boys meet at Michigan State University and girls at the University of Michigan.

City, county and state governments are organized by each of the groups under a mythical 51st state.

Originally the programs were sponsored by the Legion and Auxiliary, but now any organization may participate by sponsoring a girl or boy.

This year's selections and their sponsors for Girls State include Mary Arnold, Woman's Club of Plymouth;

## SHE FURTHER noted that the group was not backing any one candidate but that they wanted to give everyone a chance to see and hear them.

Principal of Farrand, Gerald Elston, said that if the classroom proved to be too small, the meeting could be

## Awards feast

**Eastern Michigan University's past dean of men, James 'Bingo' Brown, will be the featured speaker at the annual Kiwanis all-sports dinner for PHS athletes at Lofy's next Tuesday.**

The dinner will honor the senior letterman of PHS, and coaches, particularly Mike Hoben and Charles Ketterer, who retired from the coaching scene this year.

Brown, is a consultant for the Mott Foundation in Flint. He gained fame during his years as Michigan boxing commissioner.

## Hudson seeks college post

(Editor's note: Background on Hudson's opponent, Mrs. Jerry Raymond, was not available as The Mail went to press, but will appear next week in time for reading before the June 14 election.)

Two Plymouthites are running for re-election to Schoolcraft College's Board of Trustees in the June 14 school district election.

Harold Fischer, current president of the Board, is running unopposed as Plymouth school district's representative.

Samuel Hudson of N. Territorial Rd., is seeking the at-large seat on the board, opposing him for the four-year term is Livonian Mrs. Jerry Raymond.

A trustee since Oct. 1964 when he was appointed to a vacancy on the board, Hudson was a member of the original Citizens' Committee to establish the college.

He has been director of Advertising and Public Relations at Evans Products Com-

pany since 1952. Presently Hudson is working on his doctorate in literature at Wayne State University. He graduated from New York University in 1936 with a bachelor's degree in marketing and from Eastern Michigan University in 1964 with a master's in literature.

Vice-president and board member of Plymouth Symphony Society, member of Board of Directors of Junior Achievement and member of a committee for establishment of Materials Management Center, Wayne State University, Hudson also has served as president of Plymouth Rotary Club, president of the Board of Trustees and member of the session of First Presbyterian Church and chairman of Plymouth Town Hall Committee.

He is married to Jessie Welsh Hudson, Plymouth High School art teacher, and they have one son, Bruce, a sophomore at California Institute of Technology.

## Local officer, Fred Davids, to head State Police

Captain Fred Davids, long-time Township resident, commander of the State police post for the Detroit district, is expected to get the nod this week as Michigan's next State Police commissioner.

The Detroit Free Press Lansing bureau reported last week that Davids would succeed Joseph Childs, who retires this August. Governor Romney had refused to confirm the appointment, but sources report that a press conference was scheduled for today, Thursday, to make the promotion official.

Davids has been with the

**Plymouth attorney ill in Veterans Hospital**

Plymouth attorney Clifford H. Manwaring is hospitalized this week at the Veterans' Administration Hospital in Ann Arbor.

The 59-year-old lawyer was taken to the hospital recently when it was learned he was seriously ill.

Last February, Manwaring was one of three primary candidates for the post of Plymouth Municipal Judge. A resident of Plymouth since 1939, he has been in law practice here since 1950.

## No one can say 'no'

The ever changing character of the Plymouth Community was never better illustrated than last Tuesday when six of the area's top governmental leaders met for a panel discussion at a Kiwanis-sponsored forum at Lofy's Skylight Room.

Present were City Commissioners George Lawton and James McKeon, Plymouth Township Treasurer Elizabeth Holmes and Trustee Dick Lauterbach and Canton Township Supervisor Louis Stein and Treasurer Phil Dingledey.

It was a study in careful statement and precise comment. There was, as expected, quiet disagreement.

The topic? The everpresent question of unification of the various governmental units that make up The Plymouth Community.

We were impressed by several things.

We were impressed by Mrs. Holmes calling for an "outside" independent study of the problem. We take this to mean that she would favor a study like the one conducted a year and a half ago on the Detroit water question.

We were impressed by the Canton Township officials' open and frank willingness to talk at any level at any time to anyone. They expressed no doubts, and revealed no cold feet if such a study were undertaken. Stein had said:

"We'll talk anytime. We certainly want to co-operate."

We were impressed by Lauterbach's declaration that areas of co-operation might be studied, such as uniting police protection units, and that someday the idea of consolidation "would become a natural."

In short, we were impressed by what we took to be vague but still present agreement that such a study might, should and could be undertaken.

The question is when? We would have these comments. There must come a time when the 10,000 people in Plymouth Township will have more police protection than two Wayne County Sheriff's cars, and an occasional State police car.

There must come a time when a definite stand is taken by those chronically willing to wait for, and drift with, the tide of public opinion.

There must come a time when the bend-over-backwards willingness to talk that Canton Township has displayed is shown by other area officials.

There must come a time when taxpayer's money can be saved by uniting some of the basic services of a community that is already united in commerce, in education, in family and church life and in spirit.

Anything less would be shortchanging everybody concerned.

The burden for these things falls not only on the elected officials involved, but every citizen in the area.

Those who say 'no' to a study for any reason, including the best one of all, taxes, should stop straining their eyes to total up the balance when only a fraction of the figures are available. They should, instead, open their eyes, and ears and minds and be heard on a question that has been the central issue in the community for nearly a generation.

Anybody who says 'no' to starting a study, a study we go on record for as being needed now, is not upholding his responsibility to the Plymouth Community.

**CANDY FOR SALE!** That will be the cry of the Junior League baseballers this week as they launch their money-making project. Here are only a few of the hundreds of youngsters involved. They are, Ralph Stiglich, Jim Davison, Tom Davison, Ron Stiglich, Ricky Davison, and Wyatt Gates. They will sell their candy from 6 to 8 p.m. on Friday, June 4 from house to house. Proceeds to be used for uniforms, bats, balls and equipment. The sale is directed by the Junior League Auxiliary, Mrs. Louise Gates, president.

### LETTERS:

## She sends up balloon and then punctures it

Dear Editor,

Being a resident of Plymouth all my life, I have enjoyed reading the Plymouth Mail for years. It's always a joy to read about people we know and their activities. Let me congratulate you on the new look and organization of the Plymouth Mail.

It was an inspired change. Now to stick a pin in the balloon I just sent up for you, I have one small complaint, which shouldn't be too hard to correct. As I was reading your latest edition, I noticed quite a few typing errors or spelling errors throughout the paper.

This is most irritating when you're reading an interesting article and your attention is distracted by a typing error.

If I may, I would like to comment on the letter that appeared in your May 26, 1965, issue. This person is accusing you of sticking your nose in where it doesn't belong, where it actually does, and she is doing exactly what she's condemning you for. Being a newspaper, it is your right and duty to report to the people of this town exactly what is going on.

The writer reports that she gets sick at some of the things you put in your paper, but does not mention one single article as an example that is stirring up talk in the town. Maybe that is what we need—someone to stir us up. Most of us seem to be living in our own little worlds and

we don't want any outside problems seeping in.

The writer asks why you write about colored people, because we don't have any in our town now. Does this mean we will never have any? Why shouldn't you write about colored people—are they so different from us? Are the words "colored people" dirty words?

The author says the schools shouldn't teach sex to the children because it is such a problem now. Why is it a problem now? Because the children are not educated in it. Maybe if they understood

the real meaning of sex, we wouldn't have such a problem.

As far as your man, Dave Wiley, writing the "Grim Pilgrim," this man has a fantastic sense of humor and a fantastic ability for putting it down on paper. Anyone who can't see this shouldn't be reading the paper.

I realize that my letter is quite long, but please print it, because I think you deserve a gold medal for your efforts in producing a truly interesting and educational newspaper.

Tamara Thompson

## Thoughtful message

Dear Editor:

I want you to know how much I appreciate Jacquie Towne's recent comments which have been concerned with educational matters. They have been extremely well done and have provided a thoughtful message for the citizens of our community.

As a candidate for the Board of Education in the coming election, I have read them with interest. I wholeheartedly agree with the point that our objectives must be the education of our children. I believe, as she believes, that we must provide a full education for all our children and not just the middle-of-the-road program.

I very much appreciate the contribution she is making by

calling these matters to the attention of our community. If there is any way I can assist in this matter by public appearances and otherwise, I will be only too happy to do so.

Very truly yours,

## Keep sticking that nose in

Dear Editor:

Keep on "Sticking Your Nose In."

You should have the sign that is in the Civil Rights section of U.S. Justice Dept. in Washington. According to June Readers Digest, it reads, "Blessed are the Peacemakers for they catch hell from both sides."

Substitute the word reporters for "peacemakers," but keep on doing the job. People can not be isolated into themselves in this present world and the difficult times ahead will be made easier, to my mind, if we study the problems before they arrive and endeavor to do something about them before they arrive.

Certainly we get no results but chaos by sticking our heads in the sand.

I like the bantam fighting cock better. Dick Wernette and Tom Healy are both thinking men and I admire them and the others who are in the midst of trying to get ready. I know them both and they are to be thanked, I believe.

Sincerely yours,  
Eugene M. Rice

## Definition please

Dear Editor:

At a recent gathering of local citizenry the subject of "community co-operation" received considerable attention.

It was quite obvious that everyone's thinking was off on a different tangent. How would you DEFINE "community co-operation"?

Elizabeth B. Browning

From time to time, as I plow my way through news magazines and daily papers, there mushrooms within me a deep and tenacious sadness.

I could literally cry for the human race. Death, particularly the violent and lingering varieties, repulses me and the world is awash with blood these days.

My hate and intolerance for man's viciousness toward himself and his fellows began at a tender age when, as a small child, I began reading newspapers—maybe even before I should.

At the age of seven or eight, I absorbed detailed accounts of the notorious Japanese death march of Bataan and the prison ships into which Allied captives were crammed.

In those days, my father would take me to a newsreel theater in downtown Philadelphia; and there were unraveled the unspeakable scenes of Auschwitz and Buchenwald.

We haven't changed much. A radio newscast today heralds "what may be the bloodiest massacre of white hostages in the history of the Congo."

American ships are pounding the Vietnamese coast with eight-inch shells, providing support for "advisors."

The Viet-Cong, according to recent reports, are extending their activities beyond the realm of mere killing to torture and mutilation.

And here in the United States, we continue to slaughter each other on the highways and lynch one another in the bayous and swamps.

You probably realize that the title of this column is a premeditated play on words.

I am not a grim guy by nature. I have cried with a camera in my hands at accident scenes.

When the dumb family pup got killed by a truck, it was old dad who had the biggest lump in his throat. I abhor pain and killing and unhappiness.

I am a starry-eyed idealist searching for Utopia, sure that there must be an answer somewhere. Governments from the beginning of recorded history have not provided it though.

And neither have clubs, Nor organizations.

Nor the monolith dedicated to perpetuating the words and thoughts of the gentle Nazarene.

Literature, music and art—while coming closest perhaps—have been dismal failures.

I am still convinced, however, that a key to the establishment of peace and the end of a self-destruction and hatred lies undiscovered somewhere.

And maybe it sounds out of character and un-grim of me, but I know we'll find it someday.

Alert and alive

Dear Editor,

Upon reading the "I don't want my friends to know I wrote this" letter, printed in your paper last week, we feel compelled to take pen in hand to tell you how much we enjoy The Plymouth Mail.

Apathy is something we abhor. The issues brought forth by your staff are a stimulant. We read; then Mom, Dad, and Kids start tossing opinions at each other, and a healthy debate begins.

Our thanks to Dave Wiley, Doug Johnson, Jacquie Towne and Mike Ross for helping to keep our minds alert, and alive.

The Don Bidwell Family

Clarence E. Wilson, 45, of Garden City was dead on arrival at Wayne County General Hospital after being involved in an auto accident, May 28 at the corner of Hines Dr. and Haggerty.

Wilson, according to Wayne County Sheriff's Department, was travelling west on Edward Hines Dr., when his car left the road and hit a tree on the northwest corner of Hines at Haggerty. The accident occurred at 10:18 p.m.

Plymouth Township Fire Department sent two units to douse the fire in the engine and front seat of the car.

## Scared to death

Dear Editor:

Thank you for the kind write-up you gave our company in the Wednesday edition. You almost had me scared to death because of the fact you were in our presence at the Rotary meeting on Friday.

After reading the Barber Clippings and Shavings I was afraid we might get shredded up.

But seriously we are glad that you too understand the difference between life and death—between aggression and retrogression.

Your smooth wit and the beautiful face-lifting you have given the Plymouth Mail makes you and your paper a very definite part of a great community called Plymouth.

The Grim Pilgrim is as much a necessity in my weekly diet as a good steak.

You're great.

Plymouth township minutes

TOWNSHIP OF PLYMOUTH MEETING OF BOARD OF TRUSTEES May 11, 1965 Supervisor McEwen called the meeting to order at 8:00 P.M. with all members being present. The minutes of Tuesday, April 13, 1965, were approved and read upon a motion of Elizabeth Holmes, supported by Louis Norman. Clerk Sparks read the minutes of a Special Meeting held April 29, 1965, and it was moved by Dick Lauterbach, supported by Ralph Garber, that the minutes be approved, carried unanimously.

At this point the Supervisor requested the Board to make an appointment of a Trustee to fill that vacancy created by C. Veach Sparks recently appointed Township Clerk. Upon motion by Elizabeth Holmes, supported by Dick Lauterbach, the following Resolution was adopted:

RESOLVED: That Gene R. Overholt, 41201 Marlin, be and is hereby appointed to the office of Plymouth Township Trustee to fill an unexpired term for that office, commencing on May 11, 1965, at 8:15 P.M., and terminating such time as the legislature shall implement the provision of Section 18 of Article 7 of the Michigan Constitution of 1965. Carried unanimously.

General communications were received and filed and the Clerk was instructed to forward a communication to Mr. Carroll Munshaw thanking him for past services rendered.

A Resolution was approved by the Board authorizing a split on Lots No. 2 and 3 of Apparent Subdivision No. 14 of the Michigan Constitution of 1965. Carried unanimously.

Upon a motion by Dick Lauterbach, supported by Louis Norman, the Board went on record as being unalterably opposed to section No. 15, part No. 3 of Senate Bill No. 73, which would prohibit the erection of advertising devices within the Township as being an invasion of our zoning powers as in the current ordinances.

Resolution authorizing the expenditure of \$4,200.00 and \$485.00 for services rendered in connection with the sale of \$1,200,000 sewer and water supply systems bonds to Kenower, MacArthur Company were approved.

Sanitary sewer and water mains for Arbor Village Subdivision No. 4 were recommended for approval by Engineer H. Hamill. Trustee Garber and Lauterbach stated that the acceptance of the underground did not imply acceptance of the subdivision and the subdivision assumes all risk of construction before subdivision approval. After this discussion it was moved by Ralph Garber, supported by Dick Lauterbach, that the Board accept the Engineer's recommendation. Carried unanimously.

On the motion of Elizabeth Holmes, supported by Louis Norman, the amendment to Ordinance No. 14, sections 9A.01, 9A.02, 9A.08, relative to R-2A multiple dwellings was carried unanimously. (See advertisement of zoning change in Plymouth Mail, May 19, 1965.)

Upon motion of Louis Norman, supported by C. V. Sparks, an amendment to Ordinance No. 14, sections 9A.01, 9A.02, 9A.08, relative to R-2A multiple dwellings was carried unanimously. (See advertisement of zoning change in Plymouth Mail, May 19, 1965.)

A Resolution authorizing the Supervisor and the Clerk to sign Engineering agreements between the Wayne County Road Commission, Plymouth Board, and the Township Engineer relative to the 1965-66 water and sewer program, known as project W-214 and which were submitted, amended, and approved unanimously.

A letter received from Owen McLenny, Secretary of the Western Homeowners Improvement Association relative to the dam break near Napier Road and Ann Arbor Road was read. It was moved by Dick Lauterbach, supported by Louis Norman, that the Township lend support to Mr. Glen of the State Construction Department opposing construction of this dam. Carried unanimously.

It was moved by Elizabeth Holmes, supported by C. V. Sparks, that the amount of \$467.50 for services rendered by Earl J. Demel in procuring easements for sewer and water on Canton Center Road be approved. Carried unanimously.

Mr. Joseph A. LeBlanc and Mr. Raymond A. LeBlanc of the Sank Construction Company were present to discuss water and sewer in Glenview Subdivision and requesting building permits be issued. After considerable discussion it was moved by Ralph Garber, Elizabeth Holmes, that a bondable contract and performance bond be submitted by Joseph A. LeBlanc for the construction of the underground sewer and water system in Glenview Subdivision and when submitted in proper form building permits will be issued. Carried unanimously.

The Board directed Township Attorney Earl Demel to file an appearance in behalf of the Township relative to the Micro-Wave Township suit appeal to the Michigan Court of Appeals (Hinode vs Michigan Bell).

Mr. Robert Wedler submitted plans for the development of the SE corner of Ann Arbor Road and Haggerty Roads where he intends to erect a 24 lane bowling alley and six stores. He stated he was present to discuss the issuance of a Class C liquor license as this would decide whether the project would be started. It was moved by Louis Norman, supported by Dick Lauterbach, that the request be tabled for further study and carried.

Township Engineer Herald F. Hamill recommended that the Board consider the construction of a storm sewer and water along Shorn Road from Ann Arbor Road to Green Meadows Drain. This was approved with recommendation that the Drain Commission be requested to study and recommend a storm sewer to benefit the area involved.

The Supervisor read a communication from Township Clerk, C. Veach Sparks, relative to his resignation from the Planning Commission. It was moved by Gene Overholt, supported by Louis Norman, that the resignation be accepted and Mr. Sparks be commended for his past services as a Trustee. Carried unanimously.

Township Treasurer Elizabeth Holmes recommended that the section entitled "Sewage Disposal Rates" of Ordinance 21-1 be amended as submitted (see advertisement in Plymouth Mail, May 19, 1965). It was moved by Dick Lauterbach, supported by C. V. Sparks, that the amendment be approved and carried unanimously.

It was moved by Elizabeth Holmes, supported by Louis Norman, that the Clerk be authorized to advertise for bids for a van type truck cab-over. Carried unanimously.

Township Engineer, Herald Hamill, presented a sketch showing water mains running south from Five Mile Road, thence west to end of Ridgewood Drive, then south to North Territorial for a connection to the W-214 project, further it was brought to the attention of the Board that at an Executive Session of the Board it was their intent to add to the W-214 project an extension of the water main on North Territorial Road west from McClintock to the west line of Glenview Subdivision. It was moved by Ralph Garber, supported by Elizabeth Holmes, that this extension be approved. Carried unanimously.

The sanitary sewer and water plans for Glenview Subdivision were

OFFICIAL NOTICE OF SALE \$760,000.00 PLYMOUTH COMMUNITY SCHOOL DISTRICT WAYNE AND WASHTENAW COUNTIES, MICHIGAN School Building and Site Bonds Sealed bids for the purchase of general obligation bonds to be issued by Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, of the par value of Seven hundred Sixty Thousand Dollars (\$760,000), will be received by the undersigned at the Board Room, Administration Building, 1024 South Mill Street, Plymouth, Michigan, in said School District, until 8:00 o'clock, p.m., Eastern Standard Time, on the 14th day of June, 1965, at which time and place said bids will be publicly opened and read. Said bonds will be dated June 1, 1965, will be coupon bonds in the denomination of Five Thousand Dollars (\$5,000) each, will be numbered consecutively in direct order of maturity from one (1) to one hundred fifty-two (152), both inclusive, will bear interest from their date at a rate or rates not exceeding four per cent (4%) per annum, expressed in multiples of 1/8 of 1%. Said interest will be payable on the first day of October, 1965, and semi-annually thereafter on the first day of April and October in each year. The interest rate on any one bond shall be at one rate only and represented by one interest coupon for each coupon period, and all bonds maturing in the same year must carry the same interest rate. Accrued interest to date of delivery of such bonds shall be paid by the purchaser at time of delivery. Said bonds will mature serially as follows: \$200,000 on the first day of April in each of the years 1968, 1969 and 1970; and \$160,000 on the first day of April in the year 1971. Both principal and interest will be payable at a bank or trust company to be designated by the original purchaser of the bonds, which paying agent qualifies as such under the Statutes of the State of Michigan or of the Federal Government. The bonds are to be issued for the purpose of erecting, furnishing and equipping additional elementary classrooms either as additions to existing buildings or as separate buildings; remodeling the high school building; acquiring additional land for site purposes; and developing and improving sites. For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from July 1, 1965, to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the School District. Each bidder shall state in his bid the interest cost to the School District, computed in the manner above specified. No proposal for the purchase of less than all the bonds or at a price less than 100% of their par value will be considered. The bonds are to be issued pursuant to the provisions of Chapter 4, Part 1, Act 269, Public Acts of Michigan, 1955, and Act 202 of the Public Acts of Michigan, 1943, as amended, and the School District is authorized and required by law to levy upon all taxable property therein such ad valorem taxes as may be necessary to pay these bonds and the interest thereon, without limitation as to rate or amount. A certified or cashier's check in an amount of \$15,200.00, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the School District, must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail. Payment for said bonds shall be made in Federal Reserve Funds. Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, Attorneys, 2500 Detroit Bank and Trust Building, Detroit, Michigan, which opinion will be furnished, without expense to the purchaser of the bonds prior to the delivery thereof, approving the legality of the bonds. The School District shall furnish bonds ready for execution at its expense. Bonds will be delivered without expense to the purchaser at a place to be designated by the purchaser. Inquiries with respect to the details of the issue should be addressed to Miller, Canfield, Paddock and Stone, 525 Hollister Building, Lansing 8, Michigan, Attorneys for the School District. The right is reserved to reject any and all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds." ESTHER L. ## It's time to sign up children for Junior Great Books

Registration for next fall's Junior Great Books discussion groups are being accepted now. Enrollment is limited.

Applications have been distributed to fourth, fifth and sixth graders in Plymouth Community Schools.

The purposes of the program are to encourage the habit of reading, to provide children with the opportunity to express their ideas and to train them to listen to the opinions of others with respect and understanding.

The books forming the content of the program have been judged to be among the more important works of our civilization and were compiled by the Great Books Foundation, a non-profit corporation organized in 1947 at the University of Chicago.

Readings include selections from literature, history, science and philosophy. Authors represented include Robert Louis Stevenson, Benjamin Franklin, Edgar Allan Poe, Charles Dickens and Aristotle.

Participants meet in groups of 14 every third Saturday morning in Plymouth High School to discuss the books.

To stimulate discussions the groups are led by adult co-leaders who have completed leadership training courses. Co-leaders guide discussions by asking questions that help students discover their own answers to ideas raised by the books.

In its first year in Plymouth, 84 youngsters were enrolled in the program. Co-leaders included Mr. and

## Treasures from Plymouth pantries

A delicious sandwich to serve to your children at lunch-time or to guests as a midnight snack, "Cheese Roll-ups," has been suggested by Mrs. Gerald Fuelling, 620 Byron St.

The Fuellings are members of the Plymouth Dance Club, and Mrs. Fuelling said she likes to golf and is involved in school activities.

They have lived in Plymouth for nine years and have three children, Gary, 17, Kathy, ten, and Keith, four. The cheese roll-ups are easy to prepare and can be made ahead of time and then popped into the oven before serving, she said.

### CHEESE ROLL-UPS (Makes 12)

- 1 eight oz. package processed American cheese
  - 1/4 lb. butter
  - 2 Tbl. ketchup
  - 12 hot dog buns
  - 1 can spam, ham or bologna
  - 1 small onion
- Melt cheese and butter in double boiler. Remove from heat and add ketchup. Grind meat and onion and add to cheese mixture. Slit 12 hot dog buns and put part of mixture into each one. Wrap individually in waxed paper and bake in 350 degree oven for approximately ten minutes.

### HILLSDALE GRADUATE

Margot Kidston Reichle, daughter of Mr. and Mrs. A. R. Kidston, 1107 W Ann Arbor Tr., received her Bachelor of Arts degree from Hillsdale College, May 30. She also received the Ambler Home and Family Living Award given for excellence in the home economics department. Mr. and Mrs. R. Bruce Kidston entertained at dinner in their home in Pioneer, Ohio, following commencement.

**MELTING CHEESE AND BUTTER** for her "Cheese Roll-ups" is Mrs. Gerald O. Fuelling of Byron St. The sandwiches can be prepared ahead of time and then placed in the oven before serving.

## New books at Dunning-Hough

Among the new books at Dunning-Hough Library are the following, according to Mrs. Warren Worth, librarian.

"Your Church Library" is a short manual of instruction for establishing and maintaining a small church library.

"The Edge" by Shirley Mezvinsky tells about a bored wife and mother who comes close to the breaking point from the frustration of her everyday life.

"On the Battle Lines" by Malcolm Boyd is a collection of 27 essays concerned with the Christian's responsibility in many modern day social problems.

"The Winners" by Julio Cortazar relates the story of an assorted group of people on a cruise to an unknown destination.

THIS SCENE OF VENGEFUL murder in a wash-basin is one of the highly dramatic moments of "The Woman Who Wouldn't Die," which opened Wednesday at the Plymouth Art Theatre. Star Gary Merrill kills co-star Georgina Cookson because she has caught him in illicit romance with her niece. The movie also stars Jan Merrow as the niece, and Neil McCallum as an efficient, but cold-hearted male secretary who first brings up the idea of murdering the woman. It was produced in England by Jack Parsons and directed by Gordon Hessler. The second film on the double billing is "Brainstorm," starring Jeff Hunter, Anne Francis, Dana Andrews and Viveca Lindfors.

# Sutton pitches, hits to help win pair for Rocks

Plymouth edged Northville 2-1 in a story-book finish that put Marlan Sutton in the hero's role.

The score stood tied at 1-1 at the end of the seventh. In the eighth, Dave Troutman got on with an error, Bob Gotro sacrificed, Curt Irish hit to the shortstop, who threw out Troutman.

Then with Irish on first, Sutton stepped to the plate and stroked a booming triple past the centerfielder. He hit the first pitch; Irish scored and the game was over.

The Rocks had tied it up in the bottom of the seventh on another clutch play as Ron Cosgrove singled in John Daniels, who had moved to second on an infield out.

The win left the Rocks 5-4 in the league, and in an almost sure position to win third place in the league, and no better.

Coach Brian Boring credited Troutman with the win, and noted the hurler had a 4-1 record in league play, and that it might be "one of the best."

Boring took Cosgrove and Daniels off the bench in the

seventh, and they came through to help with the victory.

Troutman struck out 8 batters.

Sutton was leading the team in batting with a .286 as he went into last Thursday's game, along with Jim Arnold.

Marlan Sutton pitched a two hitter as the Rocks beat Farmington 4-2 in the opening round of the Livonia tournament, hurling what coach Boring termed "a good game."

Sutton fanned 12 in his effort.

Lake, leading the team in rbi's this year, singled in Irish to score the first run;

then went on to steal second in the fifth, placing himself in scoring position. Daniels singled him in. Farmington tied it up in the fifth on a couple of errors and a single.

Plymouth capped the game in the sixth with a single by Gotro that drove in a run.

In the seventh Lake stole second after a walk, then stole home when Farmington made a bonehead play on an easy hit.

All told Lake rapped in one run and stole three bases, a busy evening for the senior.

The Rocks will play Livonia Franklin Friday at 9 p.m.

A SMILE OF TRIUMPH spread across Coach Brian Boring's face last Thursday as his team came from behind to tie and then win a 2-1 extra-inning decision from Belleville. Credit for the win to some extent goes to Marlan Sutton, about to shake his coach's hand after he belted a game-winning triple. Sutton has been a team standout, and was a transfer from Texas this year. He has played catcher, and has pitched some.

# Boring to step down

Brian Boring, who has had a first-year success at coaching baseball, will be gone from the school system next year on a sabbatical leave of absence.

Boring will return to the U of M to work on his PhD in Math, with a National Foundation award.

An English teacher, new to the system, will coach base-

ball next year—Frank Fisher from Lake Penton.

Fisher will help in football this fall, and will take over the varsity baseball team in the spring.

This was the second shuffle in the baseball coaching department in two years. Boring had stepped in to take over from Mike Hoben, who had been kicked upstairs to an administrative position.

# Netmen win League match

Jim Stevens' tennis team walked all over the rest of the league competition last week, and won the Suburban Six meet. The victory assured them the league title.

Plymouth had 19 points, Trenton 12, Bentley 7 and Allen Park 0.

In the doubles finals Clark Raven and Jim Bruff beat a pair from Trenton 7-5, 6-4.

Dave Tidwell romped in his final match, 6-0, 6-2, over Trenton's Ridloff.

Ridloff had beaten Plymouth's Robin Wideman in the semi-finals for his berth against Tidwell. Bruff and Raven had butchered a team from Bentley 6-0, 6-1, and Rick Jones and Bob Waters had won a three-set match with a Trenton doubles team.

The tennis team will send five men to the state meet on the courts at Kalamazoo College this week.

Going will be Tidwell, Bruff and Raven, Jones and Waters.

# Softball

Plating nudged Tait's 5-3 last week, the first time Tait's had been beaten in at least two years.

The only other game in the softball league was Perfection 9, Vico 5; the rest were rained out.

Plating is on top with a 3-0 record.

## Standings:

	W	L
Plating	3	0
JayCees	2	0
Vico	2	1
Tait's	2	1
Evans	1	1
Perfection	2	1

**Trackmen finish 3rd, 4th in League meet**

Plymouth trackmen won a third place in the league this year with a strong 4-2 record in dual meets, and a poor fourth in the league meet last week.  
 Redford Union won the meet with 86 points, and is a sure bet for the title with a 5-0 record into this week's competition.  
 Bentley was second with 54 points, Belleville third with 32, Plymouth fourth with a 3 1/2, Trenton fifth with 24, and Allen Park sixth with 12 points.  
 Plymouth won no firsts, and only one second, which went to Dan Johnson in the high hurdle event.  
 Third places went to Pat Brady in the shot, Frank Dorset in the mile, Richard Buekema in the 880 yd. run, Don Burleson in the 100 yd. dash, and Bill Kane in the 220.  
 Plymouth ran fourth in the 880 yd. relay, and grabbed a fourth place in the mile with Howard Stuediman's effort. A fourth place also went to Grant Fischer in the pole vault.  
 Johnson won a fifth place in the long jump, and tied for fifth in the high jump with a Trenton man.  
 Dave Dirlam ran fifth in the 440, and Plymouth took a fifth in the mile relay.  
 Plymouth took a fifth in the Snary Relays at Bentley last week with a second in the four mile relay, a third in the high hurdle relay, and a fourth in the shot put relay, the 440 relay, and the two mile relay.  
 Plymouth also took fifths in the low hurdle relay and the 880 relay.  
 They scored 16 points. Coach Keith Baughman praised his 1965 track team this week, and announced Dan Johnson had been named most valuable team member.  
 Baughman said: "The boys of this year's team are to be commended for their effort and team spirit. I am pleased to have worked with them and been their coach."  
 Highest number of points were scored by Dan Johnson 80 1/2, Bill Kane 51 1/2, and Grant Fischer 43.

**State Police School board**

(Continued from Page 1)  
 Both Davis and his wife have been active in Township politics. Davis has attended many of the regular Township board meetings, and had earned the respect of Township officials for his constant help with various problems.  
 Davis was on hand most recently to informally explain the action taken against Paul M. Boatman and the dam on the corner of Ann Arbor Road and Napier.  
 His consideration for the supervisor's post was labeled "unfounded" by Township officials, but they openly admitted he was a top man in their estimation.  
 Even then, more than a week and a half ago, it was rumored he was being considered as the next State Police commissioner.

Do you ever feel trapped? Do the walls of a meaningless life seem to close in on you sometimes? Here's good news! Every life has a gate, and it is never locked. But it only opens from one side . . . your side.  
 Seek for the gate with all your heart, and you will find it. Open it, and you will enter a world full of meaning and beauty. You'll step from darkness to light . . . and never look back.  
 The key? It's waiting for you in Christ's teachings. His Church will help you to find it, and in His service you will discover life's real purpose. Go to church this Sunday, and hear God's words of promise and comfort. They are meant for all who yearn to widen the cramped horizon of their lives. They are meant for you.

**THE CHURCH FOR ALL**

**ALL FOR THE CHURCH**  
 The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

In Michigan, after a day's fishing beer's the one... for good taste, good fun

Wherever you fish for sport—on the ocean, by the booming surf, or on some quiet country pond, it's great at the end of the day to head for a rewarding glass of beer. While you're talking over the ones that got away, or pan-frying the ones that didn't, you enjoy the hearty taste and cool refreshment only a glass of beer can give you so well. Yes, whatever your sport—bowling or strolling, golfing or gardening—a frosty glass of beer makes a naturally great accompaniment.

### Oldsters can cause bad traffic problems

What would you do, if on some warm summer afternoon you happened to be driving through Plymouth at the rush hour, completely surrounded by cars, and you spotted an old jockey ambly coming directly at you. Probably your first reaction would be the brake and the horn simultaneously. But to no avail, most likely.

The car coming toward you may veer away, but chances are that the one behind you will get a good close-up of your number, and you a free imprint of his grill on your trunk.

Or, if you happened to be driving along beside a string of parked cars and one pulled out into your side. Typical, you say? Yes.

It's these two accidents that are the most common types caused by senior citizens. Each year the majority of these two kinds have listed persons over 63 years of age as the primary cause.

There are also a host of other types of traffic violations that seem to "belong" to the older set, all following the same pattern.

### Mike Ross

ance rates might possibly decrease (1 said MIGHT!), carelessly accepted that the prime age target for senility is the late 50's and early 60's. There has been much talk about this in recent years but little action. This same kind of talk surrounded teen-age driving in the late 1940's and early 1950's, but the talk didn't last for long. It turned into action.

There were laws, regulations, restrictions, and penalties made especially for this new age of drivers. Within the space of a few years, every state in the union had some new driving laws especially for teens. The problem had been sufficiently taken care of, at least for the time being.

But what's to be done with senior citizens who are causing a problem equal in seriousness to the former teen problem? The point has been reached, and passed, that we can let them drive freely, or as freely as they are now, on all streets, highways, and expressways, in all kinds of weather.

In a city that I can think of there special tests to regulate older drivers. Many say this would be too costly and too difficult. But that was said in Bridgeport, Connecticut, about two years ago when a city council issued a set of "Teen-Rules" unequal in effectiveness and completeness in the nation. The result was revolutionary, and highly satisfactory.

To be sure, it would be costly, but the end product would be for outweigh initial expense. If adopted, nation-wide insurance companies would be saved lives.

Dr. Gikas, using color slides, reviewed serious traffic accidents and pointed out how seat belts could have saved lives.

A gang of Plymouth youngsters sit astride the cannon in Kellogg Park and watch Plymouth's war heroes march by at the annual Memorial Day parade. The rites featured a speech by Congressman Weston E. Vivian and the traditional placing of the wreath at the rock. A Plymouth-Mail photographer caught this candid photo as the parade went by the Park.

Serving Our Country

Richard Alabro Fireman Richard E. Alabro, USN, son of Mrs. Alice Alabro of 1600 N. Territorial Rd., participated in the largest combat amphibious operation since Inchon, Korea in 1950, while serving aboard the tank landing ship USS Whitfield County. Initial elements of the Fourth Marine Regiment and Third Reconnaissance Battalion were landed at Chu Lai, Republic of Viet Nam on May 7. This was the first completely "over the beach" landing in the four American amphibious landings that have been made in South Viet Nam. The landing also incorporated the initial combat use by Americans of vertical assault troops of the landing of combat troops by helicopter from the amphibious assault ship USS Princeton. The Marines were quickly followed ashore by Navy Seabees who immediately began construction of an airfield behind the Chu Lai beaches. The Marines were landed at the request of the Republic of Viet Nam government and are to provide security for the airfield, similar to their mission at Da Nang, relieving South Vietnamese Army troops presently in the area.

A GIFT OF MORE than 200 copies of the National Bank of Detroit's "Money Management" book was presented to the Plymouth school system last week by the staff of the NBD Plymouth office. The book will be used as a teaching tool for students in business education, homemaking and retailing classes and by student counselors. Terry West (left), Plymouth office assistant manager, is shown presenting the books to Jim Brown (center) business education teacher, and William Harding (right) assistant superintendent of schools for secondary education. The book was developed by National Bank of Detroit to encourage sound money management and financial planning at the family level. The gift to the Plymouth school system is part of NBD's continuing educational and family affairs program.

## Schoolcraft nurse's program still open

Residents of the College District who may be interested in enrolling in Practical Nursing are urged to make immediate application to the Office of Admissions of the College.

There has been a widespread demand for this program, but Mrs. Harriet Sattig, Director of Nursing Education, said that she does not wish to complete the roster until she is sure that all residents who are interested have made application.

For this reason, she is withholding decision upon the acceptance of non-residents until June 30.

The twenty-three members

enrolled in the program had a varied experience; in addition to classroom work, the students have had clinical work in hospitals in medical and surgical nursing, in pediatric nursing, and psychiatric nursing.

The practical nursing profession offers a particularly useful training, for all hospitals contacted report a great need for well-trained practical nurses according to Mrs. Saltz.

Accepted for the program for next year to date are both students just out of high school and mature adults.

**TWO LONG TIME** Plymouth School district teachers will retire this spring, after several years of service to the profession. Robert Ingram, with his wife Helen, was feted at a retirement party last week. Ingram will retire after teaching 30 years, (all of them in Plymouth) in the industrial arts department. He will spend his summer in his cottage up north; he graduated from Eastern Michigan University, and expects to "fish and hunt and see the scenery." Mrs. John Bloxson has taught 25 years, twenty-one of them in Plymouth. She is presently teaching fifth grade at Gallimore. She is a graduate of Wayne State University, and has done graduate work at Eastern. The children with her are Dawn Papineau, daughter of Mr. and Mrs. William Papineau, Nancy Hansen, daughter of Mr. and Mrs. Fred Hansen and Cindy I. Green, daughter of Mr. and Mrs. Donald Green.

**THE MISS KRISAN** handwagon traveled through town last Thursday as part of the Miss Michigan campaign being conducted by the JayCees, under the direction of Staton Lorenz, who will conduct the Miss Plymouth contest this July. The handwagon assembled in front of the City Hall, and featured several musicians from the high school.

New top man at Barnes

Claude L. Boring of Greenfield, Massachusetts, has been appointed General Manager of the Whitman & Barnes Division of United-Greenfield Corporation in Plymouth, effective September 1.

Boring is presently Assistant General Manager of the Greenfield Tap and Die Division of this Corporation. Prior to that, Boring was manager of the Erie Foundry Company and the Jamestown branch of the Pronto Tool Company.

Boring will be making his home in Plymouth some time in late summer or early fall. Boring will succeed Edward R. Burkardt who has been elected a Group Vice-President of United-Greenfield Corporation.

Burkardt will supervise four of the Corporation's divisions and will be making his headquarters in the Corporation's central offices at Northbrook, Illinois. Burkardt is one of three who were elected to the newly created position which will replace the office of Executive Vice-President.

Michigan has the headquarters of all automobile companies in the U. S. and produces more motor vehicles than any other state by far.

LITTLE MISS POPPY, Doris Ann Hoelscher, daughter of Mr. and Mrs. Jerry Hoelscher, delighted Memorial Day crowds in Plymouth Monday as she smiled and showed off her dress made of poppies. More than 2400 poppies were assembled for the dress, which was made in a week of painstaking spare moments by her mother, Mae Hoelscher. An active member of the Legion Auxiliary, Mrs. Hoelscher serves as first vice president of the Plymouth unit and as treasurer for the 17th district.

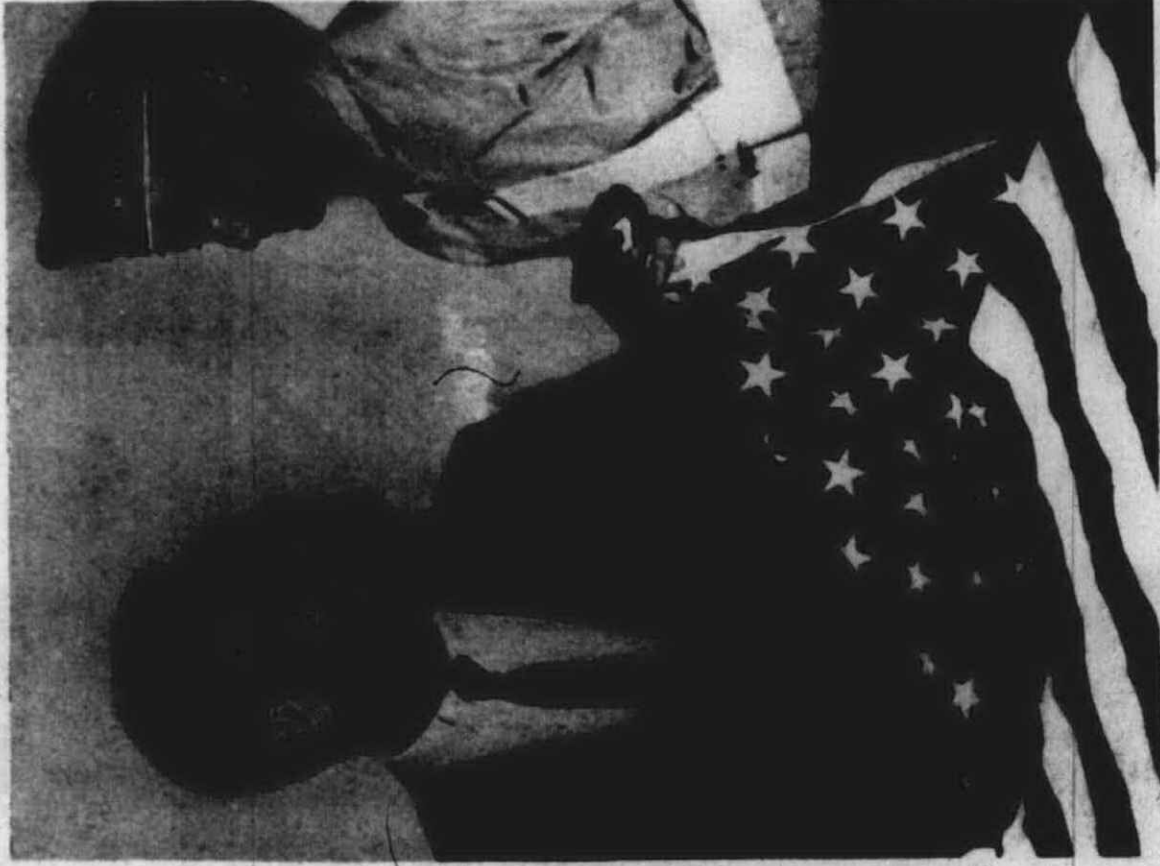

ADMIRING SEVERAL OF the eight stained glass windows made by the seventh grade fellowship group at the First Presbyterian Church are Pat Clyde, Danny Crowder, Don Waters and Cynthia Diggs. The fellowship group presented the windows to Wayne County Training School at a dinner and program, May 25, at the church. The youngsters from the church and training school have been planning several programs together and the fellowship group will travel to the school in early June to see their windows assembled.

FARRAND SCHOOL fifth graders wrote and presented a play, "This Land is Your Land," for their parents, recently. The play which opened with the "Spirit of '76" took the audience through the present day and into space travel. Above some of the children practice their parts, Mark Smithling, son of Mr. and Mrs. Roger Smithling of Schoolcraft Rd., Bruce Rudloff, son of Mr. and Mrs. John Rudloff of Greenbriar Ln., Scott Larrain, son of Mr. and Mrs. Richard Larrain of Robinwood Ln., Randy Nichols, son of Mr. and Mrs. Carroll Nichols of Five Mile Rd., and Peter Miccol son of Mr. and Mrs. Ronald Miccol of Schoolcraft Rd.

TOM CHANDLER received the 'outstanding student' award from the Harvard Alumni club. The Harvard Book award was given to Tom, a junior, by Alden Shaw, of the Northville club and chairman of the scholastic committee. The school chose young Chandler to receive the award, which traditionally goes to a junior who has shown interest in Harvard.

A SAFETY PATROLLER from Plymouth got the special honor of meeting the second-ranking member of the United States House of Representatives while visiting Washington as Automobile Club of Michigan's guest. House Republican Minority Leader Gerald R. Ford, of Grand Rapids, greeted 130 white-helmed Michigan youths from 165 cities who visited the capital May 7 to 9 during Auto Club's 26th annual trip to the AAA National Patrol Rally there, including Glenn Smith, 700 Pacific, of Bird School. The flag Ford holds flew over the Capitol.

Post office aids in livestock count

Acting Postmaster James C. Grater announced today that rural mail carriers distributed June 1, Livestock Survey cards to farmer patrons on their routes last week. The Post Office assists the U. S. Department of Agriculture each year in making this and two other surveys. Livestock cards returned by farmers to their carriers will be mailed directly to the Michigan Agricultural Statistics Reporting Service in Lansing. Information from each card will then be tabulated and combined with other reports to give indications of changes in livestock on Michigan farms. These indications will be used to establish estimates of the current milk and egg production, the 1965 calf crop, lamb crop, wool production, and spring pig crop as well as plans for fall farrowing.

"If you have found in your mailbox a card titled Livestock Survey, June 1, 1965, don't put it aside. It was placed there by your carrier who asks your cooperation," Postmaster Grater said.

Carriers helping with this survey are: Joseph V. Skaggs Route one.

### African to speak at Newburg Methodist

An African exchange student, John Felix Koli of Lisaburg Methodist Church, Thursday, June 10 at 8:30 p.m.

The religion, historical and cultural background of the Congo will be his topics. He will also show slides of his country.

Koli is working on his masters degree in political science and journalism at Wayne State University where he is president of the African Students Union of Detroit, chairman of United Nations Week, sponsored by International Society of the Federation of International Students, State of Michigan Newsletter.

He has taught French at the Northwest School of Music and has lectured at the Children's Museum.

### Plymouth students to play in concert

Three Plymouthites will be among the 68 members of Musical Youth International when the group presents its first public performance, Saturday, June 5, at 7:30 p.m. in Saline High School auditorium.

Under the direction of Lester McCoy, assisted by Charles Kirsch, band director, the selected high school musicians will leave July 5 for a month's concert tour of Mexico.

Plymouth musicians in the group include Ronald Jones, Nancy Miller and Robert Wilson. Musical Youth International features marching and concert bands and a chorus. Tickets for Saturday's concert will be available at the door.

### Three Cities artists exhibit works at library

During May and June, paintings by Mabel Bacon, Orville Barron and Marjorie Becker all members of Three Cities Art Club, are being exhibited at the Dunning-Hough Library.

Miss Bacon, a Plymouth resident, is a non-objective artist and is active in the Ann Arbor Women Painters. She has exhibited in several shows, and shows paintings regularly in the Hartley-Powers Gallery in Northville.

Barron, of Livonia, did early portrait work in oils, but because of interest in sailing, he now paints seascapes, using water color as his medium.

Mrs. Becker, a Northville resident has worked in art education throughout the metropolitan Detroit area and now is coordinator of art in the Livonia Public Schools. Her primary medium is transparent water color. She has exhibited in many shows, and her painting of the Plymouth Symphony (a purchase prize award) hangs in the permanent collection at the Dunning-Hough Library.
