Surprises With 145 Vote Edge

Robert Jenkins Ousts Utter for School Board Post

A last minute drive for votes, in which he sent literature to every voter in the community paid off for Robert Jenkins, of 525 S. Sheldon Road, Mon-

day when he unseated incumbent Robert Utter, of 17827 Amherst Court, for a four-year term on the Plymouth Community School District Board

of Education. A total of 1,086 votes were cast, slightly more than 10 per cent of the total registration for the school district.

Jenkins, who had a majority in three of the four precincts and lost the fourth by only three votes, rode to victory by a margin of 145 votes with a

total of 480 compared to 335 for Utter. Roger Smithling, of 42478 Schoolcraft, was third with 159 and Mrs. Dorothy Jean Smith,

of 1158 S. Main, trailed with 108 in the unofficial tabulation.

The Jenkins' victory came as a mild surprise since he was running for the first time in a Plymouth election but he waged a victorious last minute campaign that won him a huge majority in Precinct 1 at Plymouth High School and Precinct 4 at Starkweather School.

He carried Starkweather by a 124-62 edge and then clinched the post with a 207-131 margin in the High School precinct.

Jenkins had a 10-vote lead in voting at the Township Hall, 56-46 and lost in the poll at Gallimore School, 96-93.

None of the others threatened at any time and the race, as expected, was a two-man fight from the first vote to the final unofficial tally.

Utter, who is ending his first term, has served as board vice president for the past three years and was in charge of Monday's Board meeting, in the absence of President Gerald Fischer, when he received the bad news.

Jenkins, a former member of the Livonia Board of Education where he completed an unexpired term by appointment, is director of management personnel training for Ford Motor Co. in the Lincoln-Mercury building.

He is a professor of management in the evening school at Henry Ford Community College and resides on Sheldon Road with his wife, Peggy, and four daughters, including twins, Debby and Cilla, who attend Plymouth High; Robin, a seventh grader at Junior High West; and Cindy in fifth grade at Bird School.

He has a bachelor's degree from Denison University in Ohio, a Master's and a doctorate from Ohio State University. He was a teaching assistant at Ohio State in Economics for three years, assistant director of Research for the Ohio State Tax and Revenue Study Commission for a year and assistant director of Research for the Ohio Education Association before joining Ford Motor Co. in 1952.

He is a member of the First Presbyterian Church where he is a past chairman of the Board of Deacons. He is a past president of the Plymouth Symphony Society, past president of the Livonia School Board advisory committee, and former chairman of the finance and budget committee of the PTA Executive Board in Livonia.

Jenkins campaigned on the basis that the School Board should start thinking now of the second high school, was a bitter opponent of the controversial building and site fund and indicated he wanted the general public to receive more insight into the doings of the Board activities.

He will take office at the first meeting in July when he will be sworn in by President Fischer and Secretary Mrs. Esther Hulsing. Harold Fischer was re-elected (Continued on Page 17A)

TABLES RECREATION STUDY

Board Gives JP's OK for Meeting

Plymouth Township's Justices of Peace Martin Schomberger and Lawrence Schendel were given permission to attend the annual convention of the Michigan Justice of Peace Association at Boyne Island with expenses not to exceed \$100.

That was the decision of the Township Board to a communication from the two Justices.

A request from Trustee Louis Norman, one of the Township's two members of the Community Recreation Commission, for a study of the needs of

the area was tabled until the next meeting pending additional information.

Board members felt that such a study could come under the provisions of the 701 federal grant and could be made by the planning consultants of the Plymouth Township, Canton Township, the City of Plymouth and the School Board.

The School Board is not legally permitted to participate in the financing of such a project but each of the other governmental units has a 701 program and the belief was that the study would come under that program.

The Board approved transfer of the SDD and SDM liquor permits held by Charles and Emma Bartolo, 40522 Ann Arbor Trail, to Gary D. and Jo Ann Senick subject to final approval of the Michigan Liquor Control Commission.

The MLCC requested the Board to take affirmative or negative action on the transfer and so indicate in a resolution to the Commission so that future steps could be taken immediately.

The Leo Calhoun Ford Agency was the successful bidder for a van type truck, cab over for the Department of Public Works on its bid of \$2,377.65.

Township Engineer Herald Hamill was asked to seek an easement for extension of the trunk sewer west of Sheldon Road approximately 540 feet north of Ann Arbor Road through the proposed Woodbrook subdivision.

The Trustees passed a resolution and approved payment of \$6,507 and \$3,505 to the firm of Miller, Canfield, Paddock and Stone Co. for expenses incurred in the sale of bonds for the water and sewer program. Request for the resolution came from the Wayne County Road Commission.

Twp. Closes Offices on Saturdays

The Plymouth Township offices will close on Saturdays during July and August, starting July 3 and extending through Sept. 4. That was the unanimous decision of the Township Board to a request from Supervisor John McEwen in its meeting last week.

McEwen pointed out that there is little activity at the Township Hall on Saturdays during the summer months with the exception of the issuance of dump tags.

When Fire Captain Barney Maas volunteered that the firemen would be glad to issue the tags during the two months, the Trustees quickly approved the request.

Capt. Maas told the Board the firemen would issue the tags from 9 a.m. to noon on Saturdays at each of the fire stations, No. 1 at 42350 Ann Arbor Road and No. 2 at 41235 Schoolcraft.

All township residents should take heed of the Saturday closing and be prepared to go to one of the fire stations for dump tags beginning the first Saturday in July.

18 Plymouth Beauties Enter Queen Contest

There were 18 candidates for the 1965 Miss Plymouth Pageant Monday morning with the possibility that the remaining two spots would be filled before the Tuesday midnight deadline.

That was the story from Director Staton Lorenz, of the Plymouth Junior Chamber of Commerce, as he indicated 10 of the 20 sponsors have been secured with more expected before the end of the week.

The Pageant is slated for July 2 on the stage at the Plymouth High School auditorium when the selection of Miss Plymouth will take place after the talent show and beauty contest. The winner will receive a \$400 scholarship among numerous other prizes and have a leading role in the traditional July 4 parade through the downtown business section.

The 20 candidates for Queen will be guests of their sponsors at a pre-pageant get-acquainted dinner with the Jaycees on Monday, June 21, at the Mayflower Hotel.

The names of the candidates with sponsor: Elizabeth Rankin of Kellogg Street (Plymouth Observer); Sandra Bolander of Sutherland (Beyer Rexall Drugs); Judy Hirschlieb of Grantland (National Bank of Detroit); Jan Larkin of Pacific (DSI); Marilyne Moss of Huntington (Hugh Jarvis Gifts); Judy Olds of Ball Street (Anchor Coupling); Coral Zalma of Five Mile Road (Plymouth Glass); Diane Sexton of Greenbrier (S. S. Kresge); Jane Masarello of Five Mile Road (Photographic Center).

Other candidates are: Linda Ross of Blunk, Sue Mettetal of Marlowe, Carol Bosman of Hanford, Janet Fleszar of Irwin, Jaynee Shanks of Harrison, Cheryl Bordine of Saltz Road, and Kathy Hodge of Five Mile Road.

The talent and bathing suit competition will be held prior to the final judging of evening gowns on July 2.

Judges for the talent show are: Mrs. Mary Lou Hunt of Livonia; Al Wouters of Detroit, and Prof. Richard Burgwin from the University of Michigan. Two others will be added to the panel.

The Pageant is under the direction of Jaycee John Murawski aided by Dan Bohl and Jerry Tacia and several Jaycee wives, Marty McNeely, of WWJ Newsline, will serve as master of ceremonies.

The Plymouth Community band will play a pops concert

Finishes Course

Airman 3/c Gary L. Richards, son of Mr. and Mrs. Paul E. Richards, 605 Simpson St., Plymouth, has been graduated from the technical training course for new members of the U. S. Air Force Medical Service at Gunter AFB, Ala.

Trustees Are Bit Confusing On Appointment Actions

Plymouth Township Board members didn't hesitate a moment in affirming the reappointment of three members to the Planning Commission and one to the Board of Review but they weren't so quick to act when Supervisor John McEwen recommended the appointment of Trustee Ralph Garber to the Planning Board or to accept the resignation of Clerk C. Veach Sparks from the Plymouth Area Planning Commission.

Clayton Koch, Russell Ash and John Welscher were reappointed to three-year terms to the Planning Commission on recommendation of McEwen and Lloyd Sharland renamed to the Board of Review.

from 6:45 to 7:15 p.m. The Jaycees announced earlier that they are donating \$300 to the band's scholarship fund to send young musicians to the National Music Camp in Interlochen.

A teen dance will follow the pageant with music furnished by Lee Alan of WXYZ-TV.

School Bd. Hires 13, 7 Leave

Acting on recommendations of Supt. Russell Isbister, the Plymouth Community School Board Monday approved three requests for leaves of absence, accepted four resignations and acted favorably on 13 new appointments to the teaching staff.

Leaves were granted to: Mrs. Betty Leach, English, at Junior High East; Mrs. Dona Sue Miller, first grade at Farrand School; and Mrs. Shirley Beaudette.

Resignations were accepted from: Shirley Armstrong, fourth grade at Smith; Wilfred Eller, sixth grade, Junior High West; Lois Mattison, physical education at Plymouth High; and Kay Williams, English and Social Studies at Junior High West.

The board also approved the appointment of Reynold Berzi as assistant principal at Junior High West and Arnold Pylkas as principal at Gallimore School.

The 13 new additions to the teaching staff included: Betty Argo, sixth grade, Junior High West, who has a Bachelor's degree.

Fall Festival Fund Drive at \$910 Mark

Plymouth business, professional and industrial groups and individuals have pledged \$910 of the \$2,700 budget sought by the Fall Festival Committee for operation of the annual event during the first week in September.

That was the report of Chairman William Fehl, of the Fall Festival Fund Drive, in the monthly meeting. The pledges represent slightly more than a third of the amount the committee estimates is needed to make the Festival a success.

Fehl pointed out that members of the committee were handicapped by the holiday weekend and were busy making calls to those they were unable to contact.

The following firms and individuals have pledged support of the Festival to date: Alexander Hamilton Life Insurance, American Community Mutual, Anchor Coupling, Box Bar, Colonial Cleaners, Consumers Power, Daly Drive-In, Fehl Real Estate, Melody House, Merrit Insurance, Moore's A&W, Penn Theater, Penniman Barber Shop, Pilgrim Drawn Steel, Plymouth Iron and Metal, Plymouth Stamping,

Evans Eliminates Problem

Good News for Davids; See End of Pollution

For 10 years, Mrs. Fred Davids, wife of the recently appointed State Police Commissioner, has been fighting the air pollution problem posed by soot and dirt from the stacks at Evans Products and Burroughs Corp. plants and finally she is beginning to see signs of winning the battle.

Mrs. Davids told Plymouth Township Supervisor John McEwen that she and her husband are well satisfied with the progress at Evans Products where company officials have outlined to the Board during the winter.

"It certainly is a pleasure to look out and see no black smoke coming from the Evans stack," she said, "But we certainly can't say the same for Burroughs. We feel the Township Board should commend Evans Products officials for taking care of the situation. It did take a long time but it appears as if they have eliminated the air pollution problem."

THE BEFORE AND AFTER of clean-up, paint-up activities is illustrated by these pictures of the Livonia Chamber of Commerce headquarters on Farmington Rd. The picture on the left shows the building before painting, flowers in the flower box and the new sod. In the picture on the right, Mrs. Lloyd Sprinkle

Livonia Cubs Race Models in Annual Pinewood Derby

Small model cars racing down an inclined track. That scene, re-enacted yearly at this time, took place at Pierison School, 32625 W. Seven Mile, May 24 when Cub Scout

Pack 1382 held its annual Pinewood Derby. The father-and-son project, in which each boy, with his father, constructed model racers weighing less than five ounces,

was held in three heats to determine a winner.

Richard Helle of Den 3, was awarded a grand trophy which he will keep for a year with his name engraved on it. First place winners included: Richard Helle (Den 3), Gary Dabkowski (Den 2), Jeffrey Hartsell (Den 9), and Clay Hawthorne (Webelos Den). Mrs. Betty Smith, Den Mother of Den 4, won the Den Mother's Derby.

All entries received a finger-nail file and comb set. First place winners, in addition, won an official Cub Scout wallet, and the grand prize winner was awarded the trophy in addition to the other prizes.

Farmingtonite Is Noted Fink

E. F. McCullough of 30710 Fink Ave., Farmington, is the local spokesman for the recently formed Fair Play for Fink Committee, which has its national headquarters in Davison, Michigan. The group is celebrating Fink Week across the nation from June 20 through 26.

"We have long been appalled by the widespread misuse of this fine name in the various media and by the general public," says Fink.

"We of this committee view this trend with alarm. Fink Week was established this year to remind persons who misuse the name that this is unfair and inaccurate," he adds.

Fink points out that use of the word fink (small F) to denote a strikebreaker or stool pigeon is actually a misnomer. The Dictionary of Americanisms by Mitford M. Mathews (University of Chicago Press, 1951) traces the misuse of Fink to the famous Homestead strike of 1892.

The Dictionary says that the term was originally "pink," a contraction of Pinkerton, and referred to the army of strikebreakers recruited by the detective agency.

Evidently, there were a number of immigrant strikers who either could not pronounce the letter "P" or misunderstood what was said. They called the strikebreakers "finks."

Fink emphasizes that such use is incorrect. "Fink is meant only to be a proper noun and surname," he says, "and it is never a verb."

One aim of the committee is to alert writers of their errors whenever the name is used incorrectly in print or on the air. The committee urges its members to write letters of protest if this injustice is observed.

The committee estimates that there are 600 real Finks in Manhattan, 400 in Chicago, and 300 in Detroit and Washington. This includes such popular variations as Finke, and even Fingue.

The committee hopes to arouse these potential members to action. There are no membership dues or cards. All that is needed to join is to be a Fink.

Central Michigan University golf coach Leo Wisneski coached the 1943 Mt. Pleasant high school football team which was unbeaten, untied and unscored upon in eight games.

Raiders Score 4-3 Triumph

North Farmington squeezed past Thurston, 4-3, in the season's final baseball game involving area high school teams. Four runs in the first inning turned the trick for the Raiders, who received some fine pitching again from Chuck Viane who hurled all seven of North Farmington's victories during the 1965 campaign.

Viane, who allowed five hits and fanned six, finished the year with a 7-2 record. He bested Vic Pilar, the Thurston star who fanned eight.

The victory enabled North Farmington to tie Thurston for second place, each with a 6-4 record, in the Northwest Suburban League. Franklin won the crown with a 10-0 mark.

A single by Bill Oldershaw started the first-inning uprising by North Farmington. After John Kraft tripled, Bill Bowles singled and Viane followed with a long homer.

An error, walk and a single by Jim Sproul accounted for Thurston's first two runs in the first inning. In the third, Terry Rothwell tripled and Barry Sinescu tripled.

Archery Classes Start June 29

The Livonia Department of Parks and Recreation will conduct archery instruction beginning Tuesday, June 29 at the Ford Field Archery Range, Farmington and Lyndon.

Instructions will take place from 6:30 P.M. to 8:30 P.M. on Mondays through Fridays; 10:00 A.M. to 3:30 P.M. on Saturday and from 1:00 P.M. to 4:00 P.M. on Sunday.

Participants must furnish their own bow and arrows.

Livonia Rotarians To Hear Report on Activities at U of M

Donald A. Morris, manager of Special Programs at the University of Michigan, will make a "Report from Ann Arbor" to members of the Livonia Rotary Club in the Monday noon meeting on June 21 at Garrett's Chop House, 30325 W. Six Mile Road.

Morris was a member of the editorial staff of the defunct Times prior to joining the University Relations at Wayne State University and then becoming associated with the University of Michigan News service.

As manager of special programs, Morris sets up conferences involving University officials with alumni and civic leaders throughout Michigan and meetings which bring interested citizens back to Ann Arbor for intensive briefings on the University.

Rabbi, Professor, Audience Settle Problem of Vietnam

Rabbi Sherwin Wine, of the Birmingham Temple, and Prof. John Weiss, of the Wayne State University History Dept., engaged in a tense, sometimes brilliant debate at the Farmington Forum, on Thursday, June 10. There was a full house in attendance at the Unitarian-Universalist Church, and Farmington High School journalism instructor Lee Peel did a fine job of keeping order in a room bursting with questions — and more often with opinions.

The subject was our foreign policy in Vietnam, and both debaters were well-informed and highly articulate. Weiss is a particularly adept debater. Rather than charge some of Wine's opinions head on he dismissed them with bon mots.

In addition, and adding to his effectiveness, he had much of the audience with him. Many of his supporters were troubled.

In addition, and adding to his effectiveness, was the fact that many in the audience had come to cheer him on. Some of his supporters were obviously troubled but open-minded. But others obviously had their minds made up before coming in, and paid little attention to the Rabbi's presentation. Evidence of this is the fact that he was asked questions from the audience that he had dealt with previously.

sentiments or at least a repulsion toward war was obviously great. Wine refused to concede the peace issue to Prof. Weiss. He argued that a Chinese victory would vindicate the Chinese argument that we are a paper tiger and that Russia is chicken-hearted. This he indicated would only lead to more war. Further, he said, "if we are forced to fall back on fortress America, and if that fortress is assaulted, our only response could be a nuclear one."

Weiss emphasized that this

was Johnson's war; that he was making the mistake even Eisenhower had been wise enough to avoid, of getting tied down in a great Asian land war.

He emphasized that it was a civil war and claimed the Viet Cong has had the support of about nine million South Vietnamese.

The debate continued over coffee in the basement of the Church, with both participants surrounded by friends and critics — supplying them with far more answers than question.

PROF. JOHN WEISS backs up his argument with a quotation, in the course of his debate with Rabbi Sherwin Wine (right), at the Farmington Forum, on Thursday, June 9. The subject of the debate was "What to do about Vietnam." In the center is Lee Peel, Journalism instructor at Farmington High School, who served as moderator.

Sam Hudson Wins College-at-Large Post

Thanks to a huge plurality in Northville and Plymouth, Sam Hudson, public relations and advertising director for the Plymouth plant of Evans Products Co., won a six-year at-large term to the Schoolcraft College Board of Trustees in Monday's election with a total of 5,243 to 4,964 for his opponent, Mrs.

Rosina Raymond of Livonia. Mrs. Raymond polled 3,507 against 2,535 for Hudson in Livonia and had what appeared to be a safe edge of 146 votes with only Northville to be heard from. But then came the bombshell that found Northville electors favoring Hudson, 617

to 192, and giving him a safe margin in the unofficial totals. Hudson, the incumbent who is serving the unexpired term of Charles Kirkpatrick, was seeking election for the first time and realized he was in for a battle when Mrs. Raymond filed as an at-large candidate from populous Livonia.

And it appeared for a time that Mrs. Raymond had the election won until Northville gave Hudson the big edge and the victory. As expected, Hudson carried Plymouth by a wide margin with a total of 863 to 128 for his rival. He also had a slight edge in Clarenceville, 189-167

and in Garden City which he carried 1,039-970. In fact Hudson had an edge of more than 800 prior to the count from Livonia where Mrs. Raymond won by more than 960 to hold the unofficial 146 plurality with only Northville to be heard from. The tallies were slow coming

from Northville where election officials reported more than 100 in line when the polls officially closed at 8 p.m. They also had to count 30 absentee ballots to further delay the tally. Finally, at 10:15 p.m., almost two hours after the machine precincts in the other districts had reported, Northville came

in with the totals that clinched the victory for Hudson, pending a final official canvass of the votes. The Hudson-Raymond race had the attention of voters in the college district since it was the only contest other than that in Livonia where a field of six sought the lone vacancy.

James Boswell, a newcomer to Livonia politics, won the right to represent Livonia on the Schoolcraft Board after a tight race with Solomon Bienenfeld. Harold Fischer, of Plymouth, was returned as representative of that community with a total of 939 votes and Clarke Oldenberg was re-named to a six-year term as Garden City representative. Oldenberg had a total of 1,966 votes from his home community.

Fischer has been chairman of the Board of Trustees since the first election. Hudson has a Bachelor's

SAM HUDSON
degree from New York University, a Master's from Eastern Michigan University and is working on his doctorate at Wayne State.

He has long been active in Plymouth community affairs, serving as vice president and Board member of the Plymouth Symphony Society, past president of the Rotary Club and is a former chairman of the Plymouth Town Hall Committee. TO LIVONIA, G.C., WAYNE?

Study Proposals to Carve Up Nankin Mills School District

The six school buildings and 2800 pupils in Nankin Mills School District could become part of the Livonia, Garden City or Wayne School Districts under alternate plans being studied by the Wayne County Intermediate Committee.

a natural boundary (Hines Drive) and annex to adjacent districts. Each of the proposed K-12 districts exist solely for the committee to assist them in studying as many plans as possible. Public hearings will be held

when the Wayne County Intermediate Committee has decided, after careful consideration, which plan offers the most advantages for the children of the combined districts. Prior to submitting the final plan, local school district public hearings will be held.

Or, the district — which operates on a kindergarten-through-ninth grade level — may be split up among all three. In any case, the Nankin district has been pegged as one of nine Wayne County school districts without high schools which must be reorganized. A plan is due to the State School Reorganization Committee in Lansing by Dec. 31. Under the new state legislation which requires every district to have a high school.

According to D. Harland Hudgins, Nankin Mills Superintendent, last enrollment count for all students, kindergarten through grade nine, was 2799. The district, with its five elementary and one junior high schools, includes roughly the territory bordered by Joy Rd. on the north, Ford Rd. on the south, Merriman Rd. and the Garden City limits on east and Farmington Rd. on the west.

The Intermediate Committee has scheduled a meeting June 2 to discuss the four tentative re-organization plans, according to Chairman William Schunck, also Wayne County Intermediate Superintendent of Schools.

"The nine reorganization plans to be discussed on June 2 will only be tentative," stressed Schunck.

"The state legislature in 1964, established the Wayne County Intermediate Committee to study and recommend a K-12 plan for all non-high school districts in Wayne County. The committee will present four plans for Nankin Mills School District and we hope to have time to consider five plans for the Sumpter School District at the June 23 meeting," stated Schunck.

Schunck pointed out that enrollment factors, valuations per child, number of existing buildings, location of the high school and other related educational statistics would be considered as each new reorganized K-12 district is examined as a new, larger, school district.

Dr. Charles Wells, educational consultant with the Wayne County Intermediate Office of Education, is assisting the 18 member committee with the compilation of necessary educational data to complete their study.

At the June 23 meeting the Nankin Mills School District, a non-high school district in the "north" area of Wayne County, will be studied statistically and educationally from four K-12 approaches:

- Nankin Mills and Livonia School District.
- Nankin Mills and Garden City School District.
- Nankin Mills and the Wayne School District.
- Divide Nankin Mills on

THE PAUL M. CHANDLER Scholarship Fund was officially launched Monday — thanks to the contributions of scores of local residents who remembered the late Observer publisher and State Senator with nearly \$1,500 in donations. Turning over a check to Lois Waterman, Dean of Student Affairs at Schoolcraft College, was Joel LaBo, chairman of the Scholarship Fund Trustees. Participating in the ceremonies at the Schoolcraft campus were (from left, back): Livonia Schools Superintendent Ben Yates; Clarenceville Schools Superintendent Louis Schmidt; College President Dr. Eric Bradner; and Livonia Mayor Harvey Moelke. Yates and Schmidt, with LaBo, were Trustees of the Fund.

Shoots Garden City Man In Gun Brawl

At 3:54 a.m., Saturday morning, June 12, a friend dropped Clyde E. Tubbs off at the Farmington Township Police Dept. Tubbs, who lives at 32241 Alvin, in Garden City, had bullet wounds in his left side, and another one in his left arm.

He was taken to Wayne County General Hospital, and Officer Ed Moore, of the Garden City Police was sent there to question him. Tubbs was reluctant to give out any information, but Moore was able to get the name of Timothy Barnes, of 18416 Fielding, Detroit, as the one who did the shooting.

According to the information now available to the Garden City and Farmington Township Police, the sequence of events was as follows:

Tubbs and his wife Jeanette have been separated and on Friday evening she and Barnes went to the Tubbs'

home on Alvin Street to remove the furniture—or some of it at least.

Tubbs was there when they arrived, and an argument started. Tubbs pulled a .22 and fired it at Barnes. The two men then fought for the gun and Barnes got it.

He fired one shot at Tubbs—missing. The second shot hit Tubbs in the arm, just above the elbow, and then went into his left side . . . thus the two wounds.

Det. Russ Conway of the Farmington Township Police, operating on a lead from the Garden City Police, spotted Mrs. Tubbs' car on Tulane Street, in the Township. He arrested her, but she was subsequently released. Det. Richard Mager, of the Garden City Police, then arrested Barnes, at the latter's home on Fielding.

He has been charged with attempted murder.

HARRY TENNYSON

Arrest Detroit Youths

According to Farmington Township Detective Russ Conway, the arrest of 19 year old James Kilgore, and 18 year old Dennis Edwards, both of Detroit, has solved a long list of breaking and enterings in a number of suburban communities, including Livonia and Nankin, as well as Farmington Township.

Among the homes the two youths are accused of breaking into are those of Winslow Zaydel, 2484 Westmoreland; Frank Strye, 22141 Hamilton; and Arthur Higgins, 28645 W. Nine Mile; all in Farmington Township. In Livonia, they are said to have broken into the homes of Daniel Karl, 19385 Purlingbrook; and Harry Gleason, 19351 Hillcrest. Their Nankin Township victim is said to have been Harold Kilgore, 6851 Apache.

Det. Conway, and other Township officers traced the youths to Detroit, and arrested them there.

Scholars Fund Nets \$625 From Fishing Contest

The Livonia Mall fishing contest was a tremendous success for the more than 6,200 kiddies who landed 'big ones' and took them home and for the Dollars for Scholars fund which netted \$625.

The pools in the Mall were busy throughout the three days of the contest in which the youngsters paid a dime to fish and all had bites and catches.

And the entire proceeds went to the Scholars fund. The check will be turned over to the committee later in the week.

Livonian Back From Dominican Republic

Marine Corporal Bruce W. Freels, son of Mr. and Mrs. S. L. Freels of 20157 Angling Road, Livonia, is serving with Company "L" of Battalion Landing Team 3/6, returning from the Caribbean to Camp Lejeune, N. C.

He was among the first group of Marines to be withdrawn from Santo Domingo, capitol of the Dominican Republic, when the BLT resumed its training tour in the Caribbean.

Name Harry Tennyson Auto Show Chairman

Harry Tennyson, a Livonia Chevrolet dealer, has been appointed chairman of the committee for the Detroit Auto Show, sponsored by the Detroit Auto Dealers Association. Don McIntyre Jr., president of the DADA, said Tennyson

will be in charge of the show scheduled for November 27 through December 5 in Cobo Hall. Tennyson succeeds Harold Johns as committee chairman. Continuing as show manager is Boyce Tope, DADA

executive vice president. Tope, who has been with DADA since 1953, will be managing his ninth auto show this fall.

Tennyson, 49, is a University of California graduate who came to Detroit in 1946 after serving as a first lieutenant in Europe during World War II. He formed an auto-truck rental company, later Tennyson Car and Truck Rental Co., and was first president of the Michigan Car and Truck Rental and Leasing Association.

Tennyson established the first Chevrolet dealership in Livonia in 1955. It is still the only dealership in that community.

He served as president of the Detroit Chevrolet Dealers Association in 1960-61 and now is chairman of the Association's Scholarship Committee, which has set up a program awarding two \$4,000 college scholarships each year to children of Chevrolet dealers' employees.

Active in civic and club affairs, Tennyson is a member of Kiwanis Club No. 1, the Greater Detroit Board of Commerce, the Livonia Board of Commerce, the University Club, and the Grosse Pointe Yacht Club.

He has been a member of the DADA Board of Directors since 1963, served on the Finance Committee in 1963 and 1964, and was a member of the Auto Show Committee in 1964, in charge of advance ticket sales. Last January he was elected secretary of DADA and a member of its Executive Committee.

Livonia Woman Dies In Crash

Mrs. Helen George, 56, of 33909 Richland Ave., Livonia, was killed and her husband, Henry Sr., and son Henry, Jr., were seriously injured in a head-on collision Sunday morning on an exit ramp of I-94 at 26 Mile Road in Calhoun County.

Henry Sr., and Henry, Jr., who resides at 26120 Fourth, Taylor Township, are in serious condition in a nearby hospital.

The accident happened when the car in which the Georges were riding crashed into one driven by James Burk, 36, of Halo, Ky., who, according to sheriff's deputies, was attempting to enter the freeway on the exit ramp.

Services for Mrs. George were conducted in the Schrader Funeral Home in Plymouth in charge of Rev. Henry Walch with burial in Riverside Cemetery in Plymouth.

She had resided in Livonia since 1935 when the family moved there from Detroit.

Surviving are: her husband, Henry George Sr.; a son, Henry Jr.; two daughters, Mrs. Alice Villerot of Plymouth and Louise George of Livonia; one brother, Dwight Dompier of Dearborn Heights; and two grandchildren.

FLOWER BEDS in the Campus Mall at Schoolcraft College have the attention of Dr. Eric Bradner, college president, and visitors from Michigan State University as workmen plant flowers donated by Kiwanis Club No. 1 of Livonia. The group includes: (from left) Elmer Avery and David Beebe, of the building services department; Supervisor of Buildings and Maintenance Kenneth Bertin, James Vander-Wall and Dr. Vernon Hicks, of MSU, and Dr. Bradner.

Wolverine To Show State's Best

Moving into the final week-end of the most successful harness racing meeting in Michigan history, Wolverine Raceway will present the state's fastest and best two and three-year-old pacers in the Spring Championships on Friday and Saturday (June 18 and 19).

Wolverine operates at the Detroit Race Course, Middlebelt and Schoolcraft Roads, in the Northwest Detroit suburb of Livonia.

Wolverine's nightly handle is at an all-time record high of \$433,340 and attendance is up 7.3 percent with an average of 6,589, the best in history.

Friday's \$2,500 Colt Stake for two-year-old pacing colts and geldings is headed by the Big Bear, who became the first Michigan-bred to win the Geers Stake in 31 years. The colt is owned by Jack Stahl of Detroit.

But the biggest race of all comes on Saturday when a field, considered the best in years, clashes in the three-year-old championship pace. The starters will include Peppy Relco, generally rated as king of the hill.

Then with the 55-night meeting out of the way, the pacers and trotters will move to Northville Downs on Monday (June 21) for the start of a 39-night meeting, ending on Wednesday, August 4.

Redford Twp. Rangers Top Colt League

Baseball has started for the 15-16 year-old Redford Township set. The Colt League, headed by Ray Rothwell, is part of the R. T. Jr. Athletic Association set-up, and comprises teams from both South End and North.

According to manager Bob Foulkes of the Rovers, some high-class ball is to be expected this year, especially after the boys play a few games and get in as good form as a few of the players who have been in high school ball all spring.

So far there has been one real cliff-hanger, a 2-0 win of the Rangers over the Rustics, featured by two hit pitching of Gary McVay, who struck out ten.

The standings:

Rangers	2	0
Rockets	1	1
Rovers	1	1
Rustics	0	2

Livonia DPR To Sponsor Putting League

You don't have to be a Sam Snead or a Jack Nicklaus to participate in the Livonia Department of Parks and Recreation new activity, the Youth Putting League.

Beginning the week of June 28, the Department in co-sponsorship with the Putt-Putt golf course will conduct leagues for boys, girls six through 17 years of age.

Times and days of play may be selected: 9:30 A.M., 1 P.M., or 3 P.M. on Tuesdays, Wednesdays, or Thursdays.

Play will consist of 54 holes with an approximate playing time of two hours. Cost will be \$1.20 with trophies provided for all league winners and for hole in one winners.

For entry blank contact the Department of Parks and Recreation, GA 1-2000 or the Putt Putt Course, 422-9535.

To Women It May Concern

By LOUISE KUDER

What do you think of when you hear the term sheltered workshop? What comes to your mind?

If you are an average homemaker, mother or business woman, you cannot possibly conceive of what it means UNLESS you happen to have a mentally handicapped child in your family.

Then you would know what a haven a sheltered workshop really is. And, living in this area, you would thank God citizens of your community cared enough about your child to start such a place.

Men and women from Livonia, Northville, Plymouth and Redford Township have come together to organize and sponsor a sheltered workshop and are calling it the Community Opportunity Center.

This will be a non-profit business enterprise where mentally retarded and socially handicapped young adults can work at gainful employment under closely controlled supervision and guidance.

Besides offering these people a place of regular employment, it offers them a place to develop good work habits, confidence and skills, thereby, one day enabling these people to fill their own place in society — a contributing member of their community.

The types of jobs the sheltered workshop will be able to do is varied. In industry they are classified as the "nuisance" jobs, they must be done. In a sheltered workshop they can be handled expertly and in a meaningful way. These are not to be considered in any way charity jobs.

Actually, according to the people who have studied other workshops in other areas, these jobs can be contracted in a sheltered workshop better and at less cost.

Our particular Community Opportunity Center will operate with a board of 12 directors, elect officers and run like any administrative staff of a big business, which it is hoped the Community Opportunity Center will become.

If you know of—or could check with friend-husband about any sorting, packaging small parts, sorting and collating papers and forms, simple assembly operations, or simple machine operations, stuff envelopes, etc., this is the company to handle the job.

It is hoped individuals, educators, local government, churches, business and community service organizations from all of the communities involved will become interested in the Center. They must, in order for it to succeed.

Parents of retarded children, special education teachers and interested friends saw the need and started the Workshop. This has been done. Now it is their hope that the community will support the idea.

Please call your community representative for further information: Mrs. Robert Craigie, KE 1-6842, Livonia; Mrs. Myles Armour, KE 1-6842, Redford Township; Mrs. Grace Roberts, GL 3-4390, Plymouth; Mrs. Marjorie Longridge, 349-0551, Northville.

MR. AND MRS. RAY E. MILBURN, SR.

Milburns Feted by Family, Friends on 50th Anniversary

Amid gold and yellow decorations Mr. and Mrs. Ray E. Milburn, Sr. of Colgate St., Farmington, were feted for their golden wedding anniversary at a surprise buffet dinner May 29 at Pandora Supper Club in Livonia.

The party was given by their children, Mrs. Leland Turnbull, Livonia; Earl Milburn, Livonia; Carl Milburn, Farmington, and Ray E. Milburn, Jr., who motored here from Waukegan, Ill.

The tables, highlighted with gold candles, held a centerpiece of yellow roses which complemented the gold and yellow tiered wedding cake.

Relatives joined the old-time neighbors and friends from the West Point Park area to fete the couple.

Neighbors included Mr. and Mrs. Harry S. Wolfe, Mr. and Mrs. Earl McKenna, Mrs. C. Taylor, Mr. and Mrs. Al Ernest and Mr. and Mrs. Clarence Billing of Oscoda, Mich.

Mr. Milburn, a retired electrician, is also a member of Masonic Lodge No. 151 of Farmington. The couple were married May 31, 1915 and have lived in the Farmington area for 35 years, having lived in West Point Park prior to that. They have 11 grandchildren and eight great-grandchildren.

Ask Hana (Questions on Hairstyles And Beauty)

(Questions on hair style and beauty will be answered through this column by addressing your letters to this newspaper. Letters do not have to be identified.)

Dear Hana:

We have a daughter Sue, 12 years old, who wears her hair in the new long, swinging hair style. Her father objects to the bangs practically covering her face, and told me to do something about her hair. So I took her to a neighborhood shop to have it cut. When we arrived at the shop Suzy didn't want her hair cut. I told her how mad her father was, but she just looked at me and said: "Mother!! You're so dumb! You know he won't do anything." I just don't know what to do. How do I get her hair cut?
Mother of a Teen-Ager

Dear Mother of T. T.

It's true that a girl's hair is her crowning glory, and I go along with long hair, providing it's neat and clean looking. However, a haircut doesn't mean a crew-cut. Your hairdresser can explain to this twelve-year-old-going-on-twenty that a good shaping and trimming will still allow her to keep the look she admires, but it will be neat and manageable. The shorter bangs would permit her to see better, and if the straggly ends were removed, it would permit the hair to move freely.

But I would say you have another problem, too. A long time ago, Confucius (551-479 B.C.) placed great stress upon the importance of "appropriate attitude of child honoring one's parents." If she continually refuses to cooperate, and still says you're dumb in public, try walking into her bedroom when she's asleep and snip off one side. She will then be forced to have the rest cut to match. See how dumb Sue thinks you and Confucius are then!

Dear Hana:

My hair is very dark naturally. Now it's turning gray, and before I get too old, I would like to be a blonde; but my husband objects violently. I've tried on blonde wigs and looked horrible. Is it because my skin is so dark or because I'm too old?
Would-be Blonde

Dear W. B. B.

No. Some of the sun-tanned girls with blonde hair are real beauties. You must realize that there are many shades of blonde. Perhaps the wigs you tried were just not the right shades for you. Equally important with color is the style.

Simple lines are the most elegant. Since there is contrast between dark and blonde hair, then your hairline must be covered. If you have an average or high forehead, then it's no problem. But if your forehead is very low, and if there is much soft, downy black hair growing around the eyebrows extending way into the hairline, then you have a real problem in covering up. Get the right shade and properly styled wig, and you should look real sharp. At any rate, it will probably give your husband a shot in the arm, if he doesn't shoot you first when you walk in the door. Anyway, it's an exciting experience. Good luck.

SOFT PINK was the color scheme at the installation tea of the Hill and Dale Garden Club. Pink geraniums had been used to form the centerpiece. First time I have ever seen geraniums used this way, and they were stunning with silver candlesticks and a dainty white flower.

New Youth Club Gets Underway For Summer

Many clubs and their activities cease for the summer months, but not the F.A.T.A.C. (Farmington Area Teen Ager Council). Instead they swing full speed into a program of fun and action for the summer.

Open House is held every Tuesday night during the summer beginning June 22 from 8 to 11 p.m. at F.A.T.A.C. House located on Grand River just east of Drake Road. During the rest of the time this is the Farmington YMCA, but on Tuesday nights it belongs to the teen group. Non members are to be charged 50 cents.

Teen agers dance to their favorite tunes, "Love, Love, Love." Their disc jockey is able George Uxa and Rick Hatfield assists him at the controls. George and Rick, by the way are founders of Station WUHL. Parents can have a secure feeling about this club as no liquor is allowed on the premises and at least two pairs of chaperones are present at every meeting.

Right now, there is a membership drive going on June 1 through June 12. An F.A.T.A.C. Council members and chaperones look over plans for membership drive. Standing (l-r) Chaperone Lewis Warriner, Rick Wrigglesworth, Chaperone Melba Warriner. (Seated l-r) Dave White, president, Pete Dolan. The Warriners are parents of Linda Warriner, secretary of the F.A.T.A.C. Council.

POPULAR DISC JOCKEY George Uxa and Rick Hatfield provide the music for the F.A.T.A.C. dances. Record albums are given away free at these dances as prizes. They have a wide selection of rock 'n roll, plus other favorites. George and Rick are founders of Farmington local station WUHL.

Awards Made at Westbrook

Janis Mills and Larry Totton, sixth grade students at Westbrook School, received citizenship pins at the final meeting of the P.T.A. Awards were also made to members of the Service Squad and Safety Patrol, Student Council members and the basketball team.

Mrs. Evelyn Nikorak is the president for the coming year. Other newly elected officers are: Mrs. Geraldine Silvernail, vice president; Warren Mills, vice president; James Hollingsworth, vice president; Mrs. Hazel Rambow, secretary; and Mrs. Mae Anderson, treasurer.

Central Michigan University's single-game strikeout record by a pitcher is 15 set by Lou Dulac vs. Northern Illinois in 1954.

Name Plymouth Coed To MSU Honorary

Mary Park, daughter of Mrs. Sophie Park, of 130 N. Holbrook, Plymouth, was among the 67 outstanding Michigan State University coeds initiated into the Mortar Board and Toward Guard honoraries during the combined tapping ceremony on the Michigan State campus.

Miss Park is a junior majoring in Mathematics and was selected for the Mortar Board which is a national women's service honorary. Members are selected at the end of their junior year on the basis of scholarship, leadership and service.

New Students Counted

Some 313 kindergartners have already pre-enrolled in the Clarenceville District. The figures shows some 144 new students at Botsford, 54 at Edgewood, 85 at Grandview and 20 at Westbrook. Any child that was not pre-enrolled at the roundups may be pre-enrolled at the respective school during regular school hours in June.

Bevy of Lovely Young Ladies from Suburbia Become June Brides

MRS. RICHARD LOUIS SMIT

McLennan-Smit Wed In Ann Arbor

Delores M. McLennan was married at the First Methodist Church in Ann Arbor to Richard Louis Smit. Rev. Hoover Rupert performed the candlelight double ring ceremony. Marcia Edwards, friend of the bride, was the soloist.

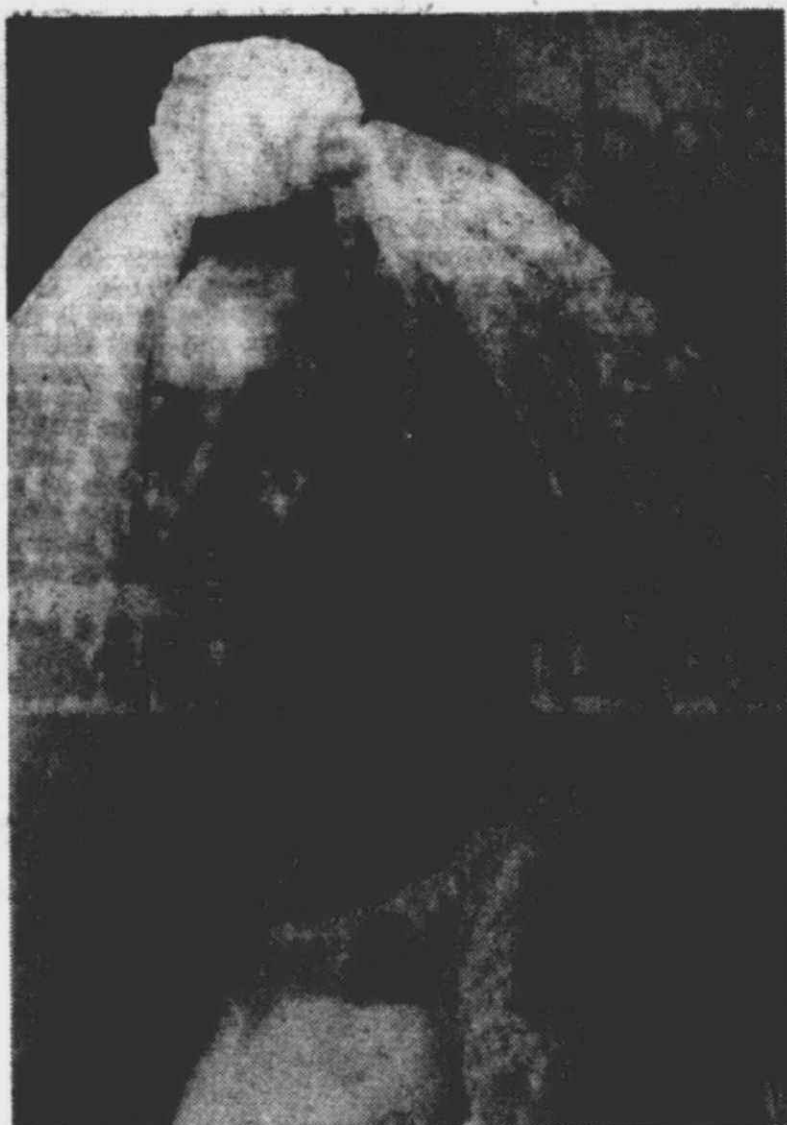

The bride is the daughter of Mr. and Mrs. John McLennan of Plymouth. The bridegroom is the son of Mr. and Mrs. Maurice Smit of Detroit. The bride, given in marriage by her father, wore a silk organza sheath gown with a chapel train. Her veil was a four tiered waist length pill box. She carried a bouquet of white roses and stephanotis. Mrs. Rita Baar, served as

matron of honor. The bridesmaids were Mrs. Sharon Avery, Mrs. Arlene McLennan, and Miss Bettylou Small. The bride's attendants wore floor length sheaths of white silk linen and each carried a red rose.

Debra and Norman Smit, niece and nephew of the bridegroom, served as flowergirl and ringbearer.

Ray Smit served his brother as best man. Seating guests were: Herb Smit, John Smit and Hal Baar.

A reception for 250 was held at the American Legion Hall in Ann Arbor. The couple have made their residence in Plymouth.

MRS. RICHARD WILLIAM PIERCE

Susan Grace Farquhar Weds Richard Pierce

Susan Grace Farquhar and Richard William Pierce were married on June 12 at St. Andrew's Episcopal Church. The Rev. Jay P. Coulton performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Ralph Brown Farquhar, Jr. of Livonia, while the bridegroom is the son of Mr. and Mrs. Donald Allen Pierce also of Livonia.

The bride, who was given in marriage by her father, wore a white organza sheath gown accented by a bouffant chapel train. She carried a bouquet of white bridal roses and lily of the valley.

Mrs. John L. Hanley served as matron of honor. She wore a mint green empire gown of peau de sole. In her bouquet she carried yellow roses.

Mrs. Kern Allen Hackett and Janet Pierce were the bridesmaids. They wore yellow gowns that were identical to the matron of honor's.

Donald Allen Pierce, Jr. served as his brother's best man. James Waterston, Thomas Eveland, Ralph Farquhar, and William Cumberworth seated the guests.

A reception at the church followed the ceremony. Following a wedding trip to northern Michigan the newlyweds will reside in Chicago.

MRS. MICHAEL PAUL KNAPP

Sarah Kimes Edison Weds Michael Knapp

Sarah Kimes Edison became the bride of Michael Paul Knapp on May 29 in Fostoria, Ohio. Magr. Clarence Yeager officiated at the double ring ceremony in St. Wendelin Church.

The bride is the daughter of Mr. and Mrs. Richard McEwan Edison of Fostoria while her husband is the son of Mr. and Mrs. Sanford L. Knapp of Plymouth.

Given in marriage by her father, the bride wore a floor length gown of silk faced peau and a detachable chapel train caught at the waist. Her bouquet was of gardenias and stephanotis with ivy streamers.

Judith Edison was her sister's maid of honor. Bridesmaids were: Beth Bower, Lois Dirkse, Mrs. William Newcomb and Ann Edison.

The attendants were dressed alike in floor length empire gowns and white flower embroidered bodices accented with green velvet bands. They carried white baskets filled with blue and white daisies, stephanotis and ivy.

Robert Knapp served as his brother's best man. Seating the guests were: Dennis Knapp, Reginald Wagle, David Sheldon, and William Prakken.

A reception was held immediately following the ceremony at the Fostoria Country Club for 250 guests.

The newlyweds reside in Ann Arbor.

Both the young people are graduates of the University of Michigan. The bridegroom is currently attending the U. of M. Law School.

MRS. KENNETH BRYAN KISABETH

Betty Gail Peterson Weds Kenneth Bryan Kisabeth

Betty Gail Peterson married Kenneth Bryan Kisabeth on June 5 at Our Lady of Good Counsel in Plymouth. Fr. Francis Byrne performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. John H. Peterson of Erwin, Tennessee, while her husband is the son of Mr. and Mrs. Foster Kisabeth of Plymouth.

A reception for 75 was held that evening at the Knights of Columbus Hall in Plymouth. Guests from Ohio, Tennessee and Michigan attended.

The bride, who was given in marriage by her father, wore an ivory peau de soie gown with a chapel train. Her head piece was a matching ivory peau de soie beaded pill box. She carried three orchids with rose buds.

Mrs. Joan Schoof, matron of honor, wore a white crepe floor length empire dress with an aqua head piece. She carried a cascade of aqua tipped carnations and roses.

Bridesmaids were: Linda Peterson, Glenda Wade and Connie Gray. They wore identical gowns to Mrs. Schoof's.

Gordan Kisabeth served as best man. Seating the guests were: Michael Kisabeth, Douglas Peterson, Don Gray and Martin Kennedy.

The bride attended schools in Ohio, Tennessee and Michigan. She is employed by the Michigan Bell Telephone Co. in Plymouth.

Her husband, a 1960 graduate of Lawrence Institute of Technology, is employed in the industrial relations department of Ford Motor Co.

PLYMOUTH BRANCH of the National Farm and Garden Club ended its season of activity on Tuesday, June 8. Members and their husbands gathered at the Edward Porath Home on Six Mile Road for a buffet. Lorraine Gould, chairman of the food planning committee, brought forth the culinary artistry from the green thumb group. The trophy room, filled with championship horse trophies, was the focal spot of the evening. Myrilla Schrader and Norma Schmeman directed the group in an unrehearsed tape recording merriment. Members will resume their regular activities in September. The club will participate in the Fourth of July parade and the Fall Festival.

Donna Hall Married

Donna Hall, daughter of Mr. and Mrs. James Hall of Livonia, married John Atkerson on June 5 in Hertford, North Carolina.

Rev. D. J. Pritchard of the Baptist Church performed the ceremony. Eugenia Beck served as Matron of Honor while Allen Beck was best man.

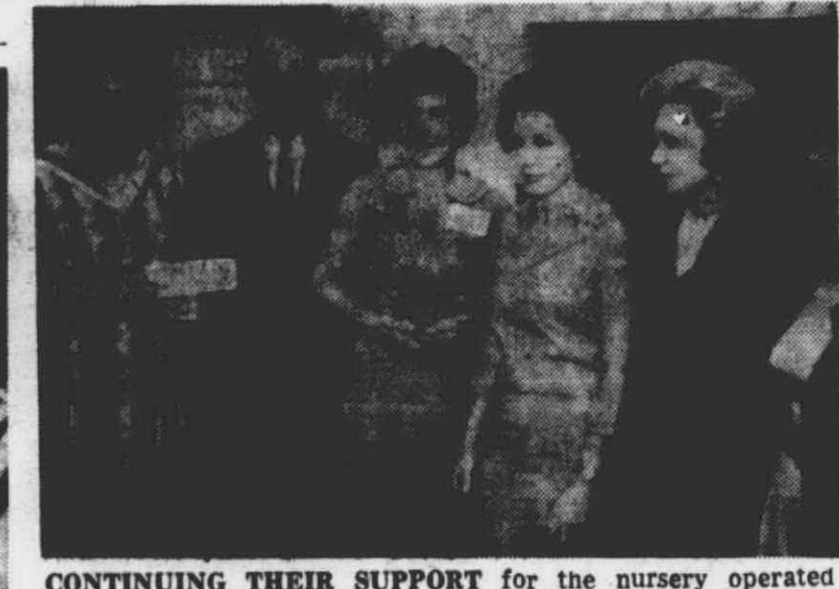

Donna, a 1963 graduate of Bentley High School, is currently serving as a U.S. Navy radio technician aboard the Destroyer USS Mullennix.

Queen Of Hearts On Pies

By FAITH GILLESPIE
 "Please make me a pie," my new groom said. That was way back when I was an eager bride. Well, what he actually said was, "How come you never make me pie? My mother always made pie for me."
 I gave it some thought, and when the proper occasion came (Thanksgiving, it was), I found a fantastic recipe in a magazine called Pumpkin Chiffon Pie With Brazil Nut Crust (all that).
 On Thanksgiving Eve, I sat on the kitchen floor in our teeny apartment with a hammer and pounded away at Brazil nuts for hours, to the acute distress of the downstairs neighbors. I cracked and shelled and crushed and fashioned those nuts into a honey-sweet crust. Then I softened gelatin and whipped egg whites and beat and stirred and folded and mixed and eventually I came up with the prettiest culinary sight you ever saw.
 "This is a nice dessert, honey," he said, "but it isn't pie."

with the palms and fingers of both hands; that old advice about cutting in till it's the size of small peas is nonsense. How small is a small pea anyhow? I use cold water, and I chill the dough for 20 minutes or more an hour before I roll it. Most of all, practice lovingly, and don't give up too soon. You too can make a real pie crust.
 And then it is time to make a real pie. The following recipes are simple and quick and surely the best of their kind.
CONNIE'S RHUBARB PIE
 Use one recipe for two-crust plain pastry
 Place in bottom pie crust: 3 to 4 cups cut rhubarb
 Mix together and pour over the rhubarb:
 1 cup sugar
 1 tablespoon corn starch
 1 well-beaten egg
 1/2 teaspoon salt
 1 teaspoon lemon juice
 For an extra rich pie, you may add another beaten egg, 1/4 cup more sugar, and 1/2 teaspoon nutmeg, and dot with one tablespoon of butter. Cover with

the other crust, make several cuts for steam release, and sprinkle with a little sugar. Bake 10 minutes at 450°; then lower temperature to 350° for 30 minutes more. And don't let anyone tell you they don't like rhubarb pie till they have tried this one.
 One of the nicest things about living in Michigan is the strawberry crop, and the very best thing about strawberries is Louise's pie. This recipe calls for a baked pie shell. The pie is served cold with whipped cream.
LOUISE'S FRESH STRAWBERRY PIE
 1 quart strawberries
 1 cup sugar
 2 tablespoons corn starch
 Crush 1 pint of the berries to extract the juice, and combine them with the sugar and corn starch. Cook until thick and clear, stirring often. Slice the other pint of berries into the pie shell. Pour the cooked mixture over and chill. But don't bake that pie shell on the up-side-down pie pan!

Passage-Gayde

American Legion Auxiliary News

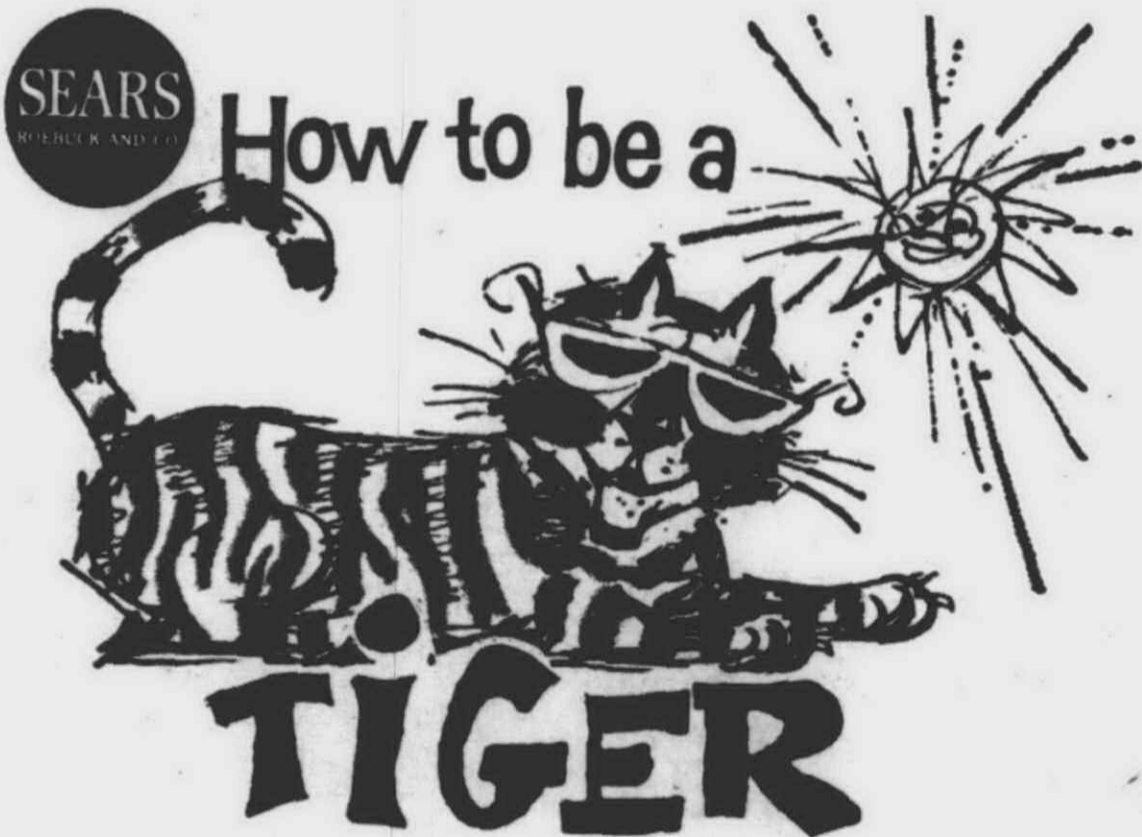

The G.I. Bill of Rights which meant so much to millions of war veterans and to the nation will have its 20th anniversary on June 22, reports Mrs. Lillian Kinghorn, historian of the Passage-Gayde Unit of the American Legion Auxiliary.
 The vital veterans' measure was signed into law by President Franklin Roosevelt on June 22, 1944. The American Legion and Auxiliary had conducted an all-out campaign for its adoption. The G.I. Bill embodied everything the American Legion men had learned from their experience after returning from World War I. It was a sweeping measure which gave war veterans more consideration than ever before in history. Also, it proved of great value to the nation as a whole, providing a cushion for the change from war to peace economy, and raising the country's educational level. A total of 7,800,000 World War II Veterans took training and education under the G.I. Bill. The colleges and universities were filled to overflowing with serious veterans students who contributed to the rising educational standards of the country. Our American Legion and Auxiliary look back over the twenty years with pride in our 1944 achievement.
 June 16-25 is Wolverine Girls State. Soon our Plymouth girls will be attending. They are Mary Arnold, Pat Hart and Arlene Schelling, announced Passage-Gayde

Unit Girls State Chairman Emma Williams. Post Boys State Chairman Ernest Kol stated the following boys are attending Boys State: Bob Brown, Tom Chandler, Dale Couts, Gregg Greer, Rich Lorenz, John Shinn, William Way and Ed Wendover. Both Chairmen wish to thank those who helped with the banquet, which was a wonderful success. Also thanks goes to the 1964 boys and girls for their talk on Boys and Girls State.
 Remember, important Auxiliary meeting Wednesday, June 16 (tonight) at 8 o'clock. Annual Reports and election of officers. Please be present.
 Friday, June 18 is 17th District meeting and Memorial Services at Veterans Memorial Home on Main Street. Annual Reports and election of officers also. Be sure to attend.
 Saturday, June 19 is "Why Are We" banquet with the Lions Club. Let's make this a success too. This will conclude our "Why Are We" program series until September.

Classes Scheduled
 "No Greater Love" is the theme of the Galilean Baptist Church's Vacation Bible School. The sessions are scheduled to run from June 21 through June 25 from 9:30 a.m. to 12 noon. Classes are open to all youngsters from four years of age through high school.

Teachers to Attend Institute

Four area high school mathematics teachers are enrolled in the University of Detroit's 1965 Summer Institute for High School Teachers of Mathematics.

The teachers are:

- Richard Beryl Braun of 40546 Pinetree Rd., Plymouth who teaches at Whittier Junior High School in Livonia;
- Ladywood High School teacher Sister Mary Cornelia, CSSF;
- Robert Dale Cherry of Detroit, a teacher at Frost Junior High School; and
- Farmington resident Wilbur Arden Steinke of 25415 Powers Rd., who teaches at Southfield Public School.

The Institute, financed by grants from the National Science Foundation, provides the high school teachers with advanced education in their chosen fields.

Each participant will take six credit hours of graduate courses for six weeks leading to either the master of arts in the teaching of mathematics degree or the master of arts degree in mathematics. The Summer Institute runs from June 28 to Aug. 6.

Each participant will receive a stipend of \$400 if he lives in his regular place of residence and \$450 if he lives away from his regular residence. Each will also receive \$90 per dependent (up to four dependents), and a travel allowance.

Clar'nceville To Borrow \$100,000

The Clarenceville School District will borrow \$100,000 to meet current financial needs until state aid-to-education payments reach the district later this year.

The Board of Education authorized the loan at its June 10 meeting. Manufacturers National Bank was declared low bidder for the transaction.

Board members authorized the hiring of three new teachers. Allen Huso will teach high school commercial courses; Mary Bush and Martha Sleafaff will receive elementary positions.

The Board boosted vacation time for custodial employees to three weeks after 10 years of employment with the school district. Cafeteria employees were given an upward salary adjustment.

In other action: The Board will ask the Oakland County Road Commission to erect "Slow-School" signs near public schools.

A report was received from the University of Michigan Accrediting Committee pointing out "several outstanding features of the present senior high school program."

Low Interest Loan? You Can't Beat Rates Won by Livonia Schools

Many suburban homeowners would be happy if they could borrow long term money at the low rates its school board does.

To get the dollars needed to build school buildings, warehouses, and buy equipment, the Livonia Public Schools can sell bonds at favorable interest rates of less than 3 1/2 per cent.

According to James P. Terrill, CPA, who is treasurer and comptroller for the Livonia Board of Education, the income tax-free nature of the bonds makes it possible to get sufficient funds for school building purposes at most favorable rates.

"In 1963 we borrowed \$5,000,000 to build the new Section 9 high school and to improve and expand the facilities at Bentley at a net interest cost of 3.52 per cent," Terrill said. "These bonds will be paid off by May 1, 1969. In the meantime, the children of present and future taxpayers in Livonia will enjoy quality instruction in well built and efficient buildings."

"The 1962 bond issue came in two groupings. \$5,000,000 of the A-issue was borrowed at 3.3451 per cent interest and the \$2,500,000 B-issue cost the taxpayers even less at a net interest of 3.2891 per cent.

"Between now and May 1, 1962 when the bond holders will be paid off, the cost of interest will be \$3,133,881.09 on the \$5,000,000 and \$1,372,963.93 on the \$2,500,000. Any individual borrowing money for a home, a factory, a car, or furniture would pay many times more interest over the 30-year period," Terrill pointed out.

A third of a million dollars of the 1962 bond money was used to buy more than 90 acres for seven school sites in Nankin Township and Livonia. By the time these bonds mature this property could well be worth three or four times as much as it is today.

Other buildings constructed with the 1962 bond money were the Webster, Hoover, and Kennedy elementary schools, and the Frost Junior High School, and the instructional center.

With the bond money the Board promised and built additional elementary classrooms and facilities at Cleveland elementary, at Coolidge, Grant, McKinley, Hull, Johnson, Webster, Madison, Marshall, Monroe, Taft, and Tyler.

At a cost of two and a half million dollars, 104 new classrooms, libraries, or special service rooms were added to existing school plants to take care of the exploding growth in twelve Livonia neighborhoods.

152 Rooms Built
An additional 48 rooms, for a total of 152, were created with the construction of three new elementary schools: the Hoover, Kennedy, and Webster.

Terrill said that some of the school sites purchased in the last bond issue would be used to build the new schools envisioned

in the \$15,000,000 construction bond issue which will be on the ballot June 14, 1965.

Many Sites Secured
A run down of the 90.5 acres purchased shows:

A 15-acre site in the northern part of Livonia in the Gill, Seven, Farmington, Eight Mile area.

A 24-acre school site in Section 15 in the square mile bounded by Farmington, Six Mile, Merri-man, and Five Mile Roads.

An additional 6.5 acres in Section 18.

A 10-acre plat in Nankin Township overlooking Hines Drive for the new Cooper School.

Additional land for future expansion in Section 17, near the Hoover School.

Twelve acres in Section 22 in the square mile area bounded by Farmington, Five Mile, Merri-man, and Schoolcraft Roads.

Sixteen-Acre Site

An additional secondary school site of 16 acres was secured in Section 17, in the square mile area bounded by Newburgh, Six Mile, Wayne, and Five Mile Roads.

Money from the 1962 bond issue was also expended as promised to the taxpayers for library books, a warehouse addition, and to match Federal funds to buy vocational education machinery, data processing equipment, and other needed teaching and administrative tools.

"Under new State laws we can sell bonds for these purposes without raising yearly tax payments," Terrill said. "And getting this money at a low interest rate at a time when Livonia so desperately needs new schools and equipment is a break for all of us. It means we can have orderly, fiscally sound growth during the years ahead and that we can maintain high standards of education we want for the children and adults in our community."

WHEELED HIS WAY TO TWO DEGREES—Nicholas Kobane, 16957 Farmington, Livonia, is congratulated by Dean Martin Barr, of Wayne State University's College of Pharmacy, on receiving his Bachelor of Science degree in Pharmacy at Commencement exercises June 10 in Cobo Hall. Kobane, paralyzed from the waist down, was shot by a policeman in 1938 when mistaken for a burglar in northwest Detroit. His first degree, a Bachelor of Arts with distinction, was earned at WSU in 1955. Much of his education was financed by a group of Detroiters who organized the Nick Kobane Club.

MUSIC WITH AN international flair was presented before a group of parents Friday afternoon by these students in Livonia's Coolidge School. All kindergartners, they're pictured here with their teacher, Mrs. Patrick Basile. The youngsters depicted the U.S., Mexico, France and Germany in their songs.

... And the Thief Wore Dark Glasses

Patrick Sansevering, 9403 Gillman, Livonia, found to his dismay that one can't leave his car unlocked, even in his own driveway, without danger of having a thief take everything that could be stolen.

He left his car in the drive with a sample case of sun glasses in a wooden case on the front seat, according to his report to Livonia Police, and when he came out a short time later the case and glasses had vanished.

pack activities in June, July, and August, and average at least 50 percent of their Cub Scouts in attendance.

A den ribbon is also offered to all of the dens in each pack that have at least 50 per cent of their Cub Scouts in attendance at the three summer pack activities.

A preview of the suggested themes for June, July, and August list Backyard Adventure with outdoor fitness activities; Cub Scouts on Wheels to give Cub Scouts the fun of building and using skate boards, Cub-nobles, and scooters; and Summer Theater when old-favorite stunts and skits are revived to produce a neighborhood show for parents and friends.

Thief Gets \$300 from Gas Station

Livonia Police are searching for a bold thief who apparently walked into a service station at 28800 Joy Road, emptied a bank bag containing between \$300 and \$400 and vanished.

That was the complaint of station attendant Gerald Zack who reported to investigating officers he had left the bag on top of the company safe and when he returned a short time later he noticed that it had been opened and emptied.

Busy at Sea

Yeoman Second Class Richard L. Bush, USN, son of Mr. and Mrs. Donald O. Bush, 31184 Schoolcraft, Livonia, is participating in the annual Coral Sea Celebration while serving aboard the ocean-going minesweeper USS Energy.

Educator Speaks

Thomas Brennan, member of the State Board of Education, spoke to members of the 19th District-Wayne Democratic Party Thursday, June 10.

Slate Rec. Program For Mentally Retarded

The Livonia Department of Parks and Recreation will conduct a program for mentally handicapped children five through 15 years of age from 10 A.M. to 2 P.M. Mondays through Fridays beginning Tuesday, June 29 at the Wilcox Elementary School. For application blank, contact the Recreation Department, GA 1-2000, ext. 291.

Plan Ahead Before You Install Piping

In building a new home, families like to provide as many conveniences as possible for comfortable, pleasant living. Not every prospective home owner, though, can afford to have every convenience at the time his new home is built.

But by planning ahead, certain things can be added later at a greatly reduced cost. For example, it is possible to save a good deal of money later by having the plumbing contractor "stub-in" piping when the house is built — to provide for future water needs as the family and finances increase.

Stubbing-in is easily accomplished by the plumbing contractor. In a family room, for instance, the home owner may anticipate the need for hot and cold water outlets, but be unable to afford installing a sink or drinking fountain.

In such a case, the contractor will install the proper piping at the location of future fixtures, and cap it.

When the house is finished, these capped pipes will be concealed by the walls of the room, and the home owner provided with plans indicating their exact location.

In the years that follow, when

it is decided to have the added fixtures installed, the homeowner saves in two ways.

First, remodeling costs are held down. Walls are opened at exactly the place where the sealed piping is located. This reduces the cost of plastering or new paneling.

Second, because the piping is already there, the contractor can install and adjust fixtures quickly. This provides a savings in labor charges.

Such savings can make it economical to bring a host of conveniences to many rooms in a house. Preplanning and stubbing-in for a laundry room, powder room, bedroom lavatory or even a patio sink will mean added convenience at minimal cost.

Begin Now To Line Up Projects

Need a new family room or kitchen? And, shelving and storage cabinets... have you enough of these?

How about that second bath the family needs. Where's the workshop you want?

Let's assume that your number one project is a family room. You have the space for it (basement, attic or garage) and also you know how you want it to look, and how much it will probably cost.

The first step is, line up your financing. There are several ways to do it, by savings and loan companies or commercial banks.

Also available are two types of FHA loans: Title I, which allows you up to \$3,500 and five years to pay; and Title II 203 (k), which allows up to \$10,000 and ten years to pay.

Where to go for advice? Your local building materials dealer is a good starter. He can suggest available financing plans that will fit your needs and provide you with helpful literature and decorating schemes. He can also give you free estimates.

He can also handle the contracting — or get in touch with a reliable firm for you.

Another starting point is your local remodeling contractor or home improvement specialist. Check your Yellow Pages and local newspapers for other leads.

Get at least two or three bids on your job before you sign any contract. Like anything else these days, before you buy, shop around.

Lowest bids are not always best bids.

That low bidder may be basing his price on cheaper and inferior materials and hurry-up-and-get-done workmanship, both of which you can do without.

Then happy home improvements!

Low Expense Highest Wish For Retirees

There are lots of theories about what retired persons want in homes, but as might be expected, low expenses is what they want the most.

At least, that's what the Retirement Foundation found in a survey of elderly persons.

It was found that the average family income of retirees is \$3,000 a year. After low expenses, those questioned said they wanted to live in a warm climate.

Actually, this was an extension of wish number one, since mild weather cuts fuel bills, the cost of winter clothing and, generally, medical expenses.

The retirees also said they wanted to be within walking distance of stores and services, considered recreational facilities important, believed a medical clinic a necessity, and liked a house that had non-stoop comforts, such as electric outlets high above the floor.

Attached Pails Are Handy Cleaning Aid

Convenient for one-trip carrying of both soapy and rinse water are the two-pails-in-one combinations now on the market.

These attached galvanized steel pails, with a single carrying handle, are ideal for washing windows, floors and for other clean-up jobs around the house.

Men never get so rich that they can afford to lose a friend.

THOUSAND DOLLAR BOOST for the Community Opportunity Center proposed for Livonia was given by the Metropolitan Club of Livonia last week. From left: Robert Dickieson, representing the Detroit area Associated Motorcycle Clubs, and Battalion Chief Charles Schaffer, representing the Metropolitan Club of Livonia, present a \$1,000 check to Robert Clogg, treasurer of the Center, which will help find work for mentally retarded young adults. The money is derived from the Motorcycle races scheduled June 20 at Detroit Race Course.

Here Are Four Ways To Redo Your Attic

Solve your home's population explosion. If you have an attic, consider its potential as: an apartment to be rented; a study room for the kids; a home office; or a family recreation room.

By using prefinished hardboard panels, available in a variety of woodgrains and colors, you can convert an attic into an attractive living or office area with minimum fuss or expense.

Since woodgrained panels are ready for use when installed, decorating chores are eliminated.

The handsome panels are easily maintained by dusting with a vacuum cleaner attachment or an occasional wiping with a damp sponge.

For room dividers or folding screens, an effective medium is see-through filigree hardboard in attractive cloverleaf pattern.

These modern home improvement panels, obtained at low cost from lumber and building supply dealers, may be installed over existing walls or directly to framing lumber.

Matching metal or wood moldings and nails make installation simple for either the professional or amateur craftsman.

If you plan a floor of linoleum or other composition, you'd be wise to put down a hardboard underlayment first, as this reduces wear on the floor covering and assures longer life.

Built-ins may be constructed by covering simple wood frameworks with decorative or utility hardboards. Concord points out that ease of working hardboards and their durability and easy maintenance make them top buys for families wanting "to do something" with empty attic space.

The teacher explained that all the disarray could be kept out of sight of the front of the house; work projects needn't be put away before completion. She described the room as a "must have," in the group's opinion.

Any family can plan such a useful room in a house to be built or incorporate it in an existing house by division or additions, says John Concord, housing consultant to Masonite Corporation.

A prerequisite is a well-designed floor plan. Other requirements are walls and working surfaces that look well and can take a drubbing from the various work and play projects going on. Concord suggests woodgrained Royalcote panels for good appearance, endurance and easy maintenance.

For working surfaces, he suggests splinter-free Tempered Preswood, which takes a varnish, paint or enamel finish. Built-ins, too, can be built with durable hardboards, and Peg-Board is an indispensable helper wherever wall storage is required.

Homeowners Investigate Finance Plans

Wise homeowners always investigate home improvement loans before they start. There are a number of ways to finance a home improvement project.

The right way depends on the cost of the job, the monthly payment desired, and the amount of money still owed on the existing house.

Most home improvement plans require nothing down as an initial payment, but plans vary considerably in other terms.

It is as intelligent to shop around for the best financing arrangement available as it is to devote time and thought to the structural changes you plan for your home.

But Follow Proper Plan Improve Your Home With Good Landscaping

Go ahead and landscape your property—but be logical. A good plan should be functional as well as beautiful.

Before you begin this year's landscape improvements, Joseph Cox, extension specialist in landscape architecture at Michigan State University, suggests that you focus your attention on making better use of existing natural resources. For example, plan your landscape around trees that are already on the property.

And base your plans on logic. Cox suggests you consider human use, practicality, lasting quality, cost-quality factors, future values and appearance.

These points are especially important for the family who buys a home where landscape decisions have already been made by others and which may leave something to be desired. The new family must plan carefully to derive the most satisfaction from their changes.

Once a new and better plan is formulated it should be put into effect. Cox says many people are skeptical of change, but once they make changes they forget their attachment to the former landscape layout.

But don't make changes so quickly that you'll regret them later. Account for the total grounds layout and then plan the construction of permanent

And, most important, permit adequate time for planting. Remember, "it is better to put a \$1 plant in a \$5 hole than to put a \$5 plant in a \$1 hole."

Follow-up care is essential to the successful landscape plan. It's those finishing touches such as mulches, watering and pruning that give your grounds a professional touch.

Details are important to the overall appearance, but take it easy with the ornaments, warns Cox. Ornate or fancy fences, highly colored artificial plants and foundation plantings which disregard the shape, size and needs of the building are frequent offenders which detract from the total landscape composition.

THE TWO-MAN TEAM representing Bentley High School in Livonia won first place in the Industrial Arts division of the Plymouth Southeastern Michigan Trouble Shooting contest. The winners will compete in the National Trouble Shooting contest at the State Fairgrounds in Detroit June 22, against the outstanding schoolboy mechanics from all parts of the country for college scholarships worth \$16,700. Seed or Sod? Both Will Do

A good lawn is the ultimate goal of most home owners and has become a suburban status symbol.

Either seeding or sodding can result in a lawn which the neighbors view with envy. Seeding is a long-term project requiring much patience and skill.

Sodding is much like laying an outdoor wall-to-wall carpet and it can transform a barren lot to a grassy mat in a matter of hours.

Sod can be laid at any time during the growing season up to a month before growth stops in the fall. Lawns should be seeded in late summer or early fall. Although generally more expensive than seeding, sod has become increasingly popular in recent years.

It is especially useful for replacing small spots damaged by heavy traffic. Professionally grown turf is usually one type of grass, thickly matted, free from weeds and a good healthy condition. When replacing poor turf, the old grass should be plowed or rototilled to add organic matter to the soil.

The surface should then be contoured to get the desired slope, cultivated to a depth of six to eight inches, fertilized and raked. Only then should sod be put into place, fitted, matted and packed by rolling and watering.

Bluegrass is the most widely used grass for sod. Recommended varieties include Kentucky, Merion and Newport. Both Merion and Newport are considered high-quality turfs, but are slightly more expensive and require heavier applications of fertilizer.

LEGENDARY TREES

The Cedars-of-Lebanon were abundant on the mountains of Lebanon in Solomon's day, according to the American Association of Nurserymen. There are many allusions to these cedars in the Bible.

Don't Fall For Fake Plant Ads

It's open season on home gardeners again for high pressure salesmen and mail order advertisers using fancy names for ordinary shrubs and plants and making exaggerated claims for their plant material.

To keep from being taken in by these cheats and frauds home owners are urged to "Ask Your Nurseryman First" by Attorney General Frank Kelley, Agricultural Director George S. McIntyre and the Michigan Association of Nurserymen.

Beware of glowing word descriptions and faked photographs of climbing vine peaches, giant climbing strawberries, 1,000 giant red roses on a single bush (unknown to horticulturists), flowering shade trees that grow roof high in a single year, including the "Flowering Maple" that turns out to be the common silver maple with most inconspicuous blooms, etc., they advise.

"All consumer complaints, including verbal misrepresentations are reviewed by the Consumer Protection Division of the Attorney General's office and appropriate action is taken," said Assistant Attorney General Hugh B. Anderson.

"It is our experience that purchasers who deal with established local merchants can see what they are buying and are not misled by photographs or lurid verbal pictures."

"One cannot expect to get high quality stock at ridiculously low prices," said C. A. Boyer, chief of the plant industry division of the Dept. of Agriculture. "Local nurserymen usually are familiar with local conditions and the varieties likely to do well in an area, and their advice can be helpful," he said.

"There are some reliable mail order houses but there is no substitute for the expert service on selection, planting and care of the plant that your local nurseryman can give you," said M. A. N. Executive Secretary Victor C. Beresford. "He wants to protect your interests so he can continue to serve you. That's why we advise — 'Ask Your Nurseryman First.'"

WILLIAM J. GRAVES, of 31751 Marblehead, Farmington, was one of the finalists in the Detroit Edison Co.'s "King of the Patio" cook-off. The finalists were selected from more than 100 entries submitted as the most promising and interesting recipes. George Pierrot, Mark Beltaire, Len Barnes, and Mort Neff served as judges. Graves is seen here preparing his specialty—"Medallion Beef Burgundy." With him is Marion Ryan, head of Edison's Electric Living Division.

Private Swim Pools Increase in Number

More than 75,000 new swimming pools will be built in 1965. About three-fourths of these will be privately owned residential pools.

The most popular type of pool being built today, the recirculating type, has a pump to recirculate water from the pool through a filter adding chlorine or fluorine.

The water is then returned

to the pool. Fresh water is added when lost by evaporation, splashing and backwashing the filters.

Good filtration equipment is particularly important since it assures the bathers of clean circulating waters free of sand, dirt, organic matter and safe from harmful bacteria.

Also important is the pool's drainage system and piping which should be of top quality material to assure long life and low maintenance.

Cast iron soil pipe has long been a favorite material for swimming pool drains.

It is also recommended for scum gutter drainage overflow drains and for recirculating lines to and from the filters.

Using quality materials, not only for the piping and drainage system, but also for the pool itself will assure the pool owner of many years of fun and relaxation free from extra maintenance and repair headaches.

Be Sure Fire's Out When Leaving Camp

Camp fires which are not completely extinguished are responsible for most major forest fires. As a safety precaution the next time you go on a camping trip, take along a galvanized steel pail from home. Fill it with water and douse your camp fire before leaving. Smother it with water, then douse it again.

Be absolutely sure there are no lingering sparks or smoldering embers when you leave your camp site.

All Evergreens Need Feeding

Don't overlook your evergreens this spring. After a long, hard winter, you'll want to make sure they are fed along with your lawn and trees.

Special plant food for evergreens is available. Mix it with water in your sprinkling can, according to the directions, and sprinkle it generously on and around the evergreens.

The wide perforated nozzles on the sturdy galvanized steel sprinkling cans permit you to direct the plant food to the root area.

Use Sandwich Bags To Carry Cuttings

Small cuttings may be kept and transported safely in sandwich-size plastic bags.

Place cuttings in bag, spray with water or insert a piece of moist cotton. Fold-lock the top to hold the moisture in.

Take cuttings along the next time you go for a visit and give them to your hostess for her garden.

Just be sure to kill any bugs before wrapping.

How to Treat Plant Roots With Care

The roots of the spring bedding plants you plan to take home for flower or vegetable gardens need solid protection:

- Against shock
- Against overwatering.
- Against underwatering.
- Against under nourishment
- Against suffocation.

Bedding plants grown in porous clay pots provide all five safeguards, insuring more uniform quality of seedlings, whether they be tomato or pepper plants for food, or petunias or snapdragons for beauty.

Both overwatering and underwatering present constant threats to the health of bedding plants grown in flats, where thousands of roots are intertwined in a relatively small amount of soil. And proper ventilation, so necessary to bedding plant growth, is quite difficult.

In addition, bedding plants grown in flats, have to be cut apart for transplanting. This usually causes shock and damage to roots from which all plants recover slowly and many never make it at all.

It is virtually impossible to overwater bedding plants grown in individual clay pots because their porosity provides even, constant drainage, as well as needed ventilation for roots.

You can tell at a glance when bedding plants need water merely by pressing your thumb to the top soil.

If it feels dry to the touch, add water — and, at two week intervals, liquid fertilizer.

When ready for transplanting, bedding plants can be quickly and easily dumped from their clay pots, with healthy root balls intact.

Burn With Care; Use Fire-Safe Trash Burners

Add a rubbish burner to your collection of outdoor equipment this year for the safe disposal of newspapers and magazines that pile up around the house.

Do not burn rubbish in an open fire, fire-safety experts caution, because no matter how closely you watch such a fire, sparks can easily scatter and touch off a disastrous fire.

Fire safety officials recommend the use of galvanized steel rubbish burners. These burners, available in several sizes, have perforated sides and covers which permit the contents to burn rapidly without danger of having flaming particles spread to adjoining property.

These steel burners are invaluable in the fall for burning leaves.

In 1824, Arthur Power and a small group of fellow Quakers left Farmington, New York, destined for a new life. The land they chose for their settlement was 20 miles northwest of Detroit in the area now known as Eleven Mile and Power Rd.

Ornamental Shrubs Require Good Care

Ornamental shrubs and flowers improve the looks of your home, and extend a welcome to you and others all during the warm months of the year. Here are some tips on caring for your ornamentals, to make sure that welcome is a bright and cheery one.

The first thing is proper planning. Keep flower beds out of the middle of the lawn, where lawn and flowers detract from each other. Put the flowers around the edges of the grassy areas.

Keeping in mind the mature appearance of the plants, arrange your shrubs and flowers so that the tall plants will be in back and the short ones in front. Otherwise, you won't be able to see all the flowers. Also, plan so that you have flowers in bloom during all seasons.

Pruning is important to keep your shrubs in good condition. Early-blooming shrubs should not be pruned until after they have flowered. That means that shrubs like spirea, lilac, forsythia and Japanese quince shouldn't get an early spring pruning.

However, shrubs that bloom in the summer or fall should be pruned in the early spring.

A good rule of thumb is to remove about a third of the older wood including broken,

misshapen, diseased or crowded branches.

Another thing you should plan on doing early in the spring is fertilizing. That is the time of year when the fertilizer does the most good. Most leafy shrubs respond to the same kind of fertilizers used for the lawn.

By following these tips, you can keep your floral welcome mat out all summer long.

The dark green of evergreens may be brightened by a foreground of red salvias.

Shrubs which bloom in spring can be underplanted with petunias for summer flowers.

The hedge would look far prettier with a ribbon planting of portulacas or dwarf snapdragons on the side towards the house or, perhaps, on both sides.

And the planting around the house certainly would be more pleasing in appearance all summer if the bright blossoms of dwarf marigolds or zinnias were added to it.

Even the rose garden looks handsomer if a ground cover of sweet alyssum is added by merely scattering the seeds of this annual where sheets of white blooms are wanted.

And bulb plantings are more effective when forget-me-nots of soft blue blend with the brighter blossoms of tulips and daffodils.

Thurston Honors Sports Stars In Traditional Program

On June 5, a long awaited letter arrived at Vivian Follick's house. The letter was from the AFS headquarters in New York. As Vivian opened the letter she knew that her many months of anxious waiting as an AFS finalist had come to an end and that she was about to find out if the AFS had been able to place her in a home abroad for the summer. The letter contained good news. Vivian is going to

spend this summer in a small mining town near the mountains in Austria. She was especially happy with her placement because the people in Austria speak German and that is the language she has been studying in school. Vivian leaves for Austria on June 25, and she will be traveling by boat across the ocean.

Next year Thurston's AFS is going to be the host to a girl exchange student, Beysa, an 18-year-old girl from Turkey, who will be attending school at Thurston. During her stay in America, Beysa is going to be living at the home of Pam Lennox. Pam, who is an active member of the AFS, was a semi-finalist for the AFS summer abroad program.

A fond farewell will be bid to Jose on June 30. Jose, who was Thurston's AFS exchange student this year, will be beginning his journey home to Brazil on this date. With him he will be taking many memo-

ries, but he will be saying good-bye to many friends he has made during his stay. Jose, who was elected by the class of '65 as the friendliest boy, will be missed at Thurston when he leaves.

A special assembly was held on June 8, to honor the many athletes at Thurston who have contributed their time and efforts to bring recognition and uphold Thurston's fine reputation during the year. The annual sports assembly was held outside on the football field so that the entire student body could attend. This year, to save time, four male students emceed the assembly instead of having each of the many coaches do the speaking. The speakers were Don Bone, Bob Crawford, Dan Peters, and Mark Walters. The speakers introduced the team members, spoke about the team's performance during the year, and then presented the most valuable player award.

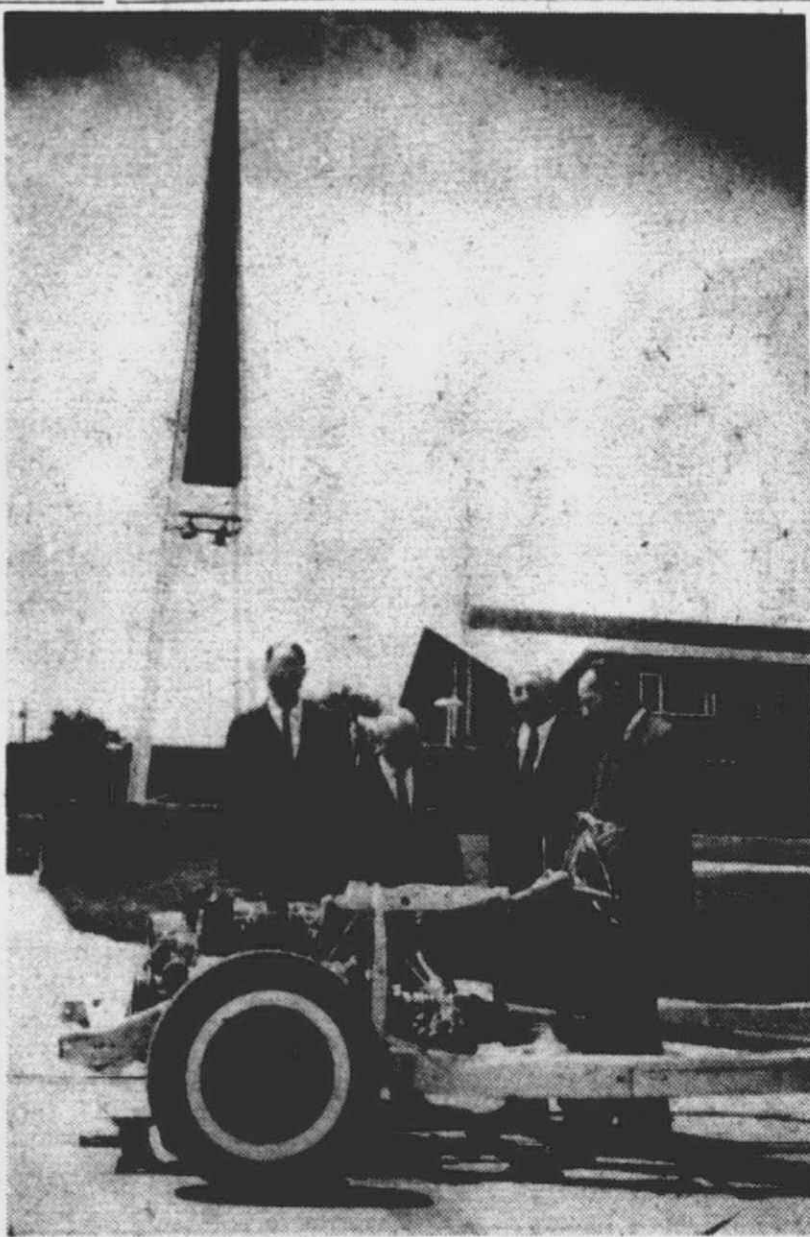

Rich Stefani was the recipient of the first award that was presented. The football coaches selected him as the most valuable football player of the year. The cross country award was given to Don Bristol for his many contributions to the team.

The first winter sport award went to John Page. John, who had been co-captain of the basketball team, was selected as the boy who had made the most contributions to the team. The most improved basketball player award went to Terry Rothwell. Junior, Bill Zeeb, was selected by coach Joe Mraena as the most valuable swimmer of the year. Heavyweight wrestler Jerry Szostak received the wrestling award from coach James Knotts.

Don Bristol was awarded his second most valuable player award for his outstanding performance on this year's track team. Bob Grimm, a junior, received the award for the most improved member of the track team. The baseball award was given to Terry Rothwell. Receiving the trophy for the most valuable tennis player was Dave Cortese, a junior. The only sophomore to win an award was John Jakubiak who was awarded the trophy for the most valuable member of the golf team.

Many students received band awards. These awards were based on ability, loyalty, and contributions to the band. Dan King, this year's drum major, received a special award from the band. The cheerleaders also received awards. Julie Heinz was the only cheerleader to receive a second year award. The synchronized swim club also presented awards. A silver pin was awarded to three-year members, a gold pin to two-year members, and a letter to first-year members. Scholarships for a ten-day aquatic instruction class were awarded to the club's officers: Mary Armstrong, pres.; Leslye Carr, V.P.; and Judy Scane, sec-trea. A special award for her many contributions to the club was presented to Leslye Carr.

After the individual team and club awards had been presented it was time for the highlight of the assembly. It was time to discover who the most athletic girl and boy were. Don Bone had the honor of presenting these awards. The trophy for the most athletic girl went to Marilyn Obenour. Marilyn is active in the swim club, GAA, and an outstanding student in the physical education classes. The coaches selected 3-letterman Jerry Szostak as the most valuable boy. Jerry has made many contributions to Thurs-

Singers Sad In Concluding Program of Concert Choice

Tears filled the eyes of many Bentley singers, as they took part in the last performance by this year's Concert Choir. This annual affair was by invitation only for former, present, and new Concert Choir members, various choral directors, concert judges, parents of the present choir members, and other important guests.

The concert is held annually in Bentley's auditorium and is always the last choir program of the year. After the Concert Choir performed for the audience a banquet was held at the Thunderbird Inn for present choir members. The future officers of the Concert Choir were also sworn into office at the banquet.

This year's officers of the Concert Choir are Mike Hickox (president), Mike Degutis (vice-president), Fred Elwell (treasurer), Mary Abola (secretary), Dick Perkins (business manager), Brian Stephens (concert manager), and Ellen Jones (librarian).

Next year's Concert Choir officers are Tom Flewelling (president), Bob Mundy (vice-president), Diane Alban (secretary), Al Reisdorf (treasurer), Kathy Kline (business manager), Bob Michels (concert manager), Diane Matthews (public relations), and Sherrill Bollin (Librarian).

Fun, Cool, Bouncy! That's how to explain the Varsity Club Dance held at Bentley June 11. The sock hop was a big success. Students who attended the dance found that they could keep cool while having fun. They jumped and bounced to their music on the tennis courts at Bentley. The evening of fun started at 7:30.

At 4 p.m. on Sunday, June 13, 1965 the Baccalaureate Service was held for Seniors who graduated from Bentley High School this June. This religious ceremony began with the Suite from "Water Music" and ended with "Allegro Maestoso." Two songs, "This Is My Country" and "Hosanna" were sung after a welcome by Dr. Donald E. Friedrichs (principal) and the Invocation by William G. Moldwin. The Baccalaureate address was given by Rev. John Zwiers, Assistant Superintendent of Catholic Parochial Schools. Rev. William G. Moldwin followed with the Benediction.

Tomorrow is Commencement Day for the Seniors. Besides a welcome by the principal and the Invocation by Rabbi A. Irving Schnipper, the Commencement speaker who is Leroy G. Augenstein, chairman at Michigan State University will talk to the Seniors. Bob Lucas will present the Senior Gift and Dr. Friedrichs will present the Class. The diplomas will be handed out by Mr.

The Science Award was given to Gary Hasley. Outstanding Member of Student Council was awarded to President Dan Crosby. Optimist Club Outstanding Senior Boy Citizen was awarded to Leslie Swartz. Outstanding Senior Athlete was awarded to two boys, Jim Bedson and Dan Freels. Outstanding Senior Girl Citizen was given to Lynn Maki while Leslie Swartz received the Outstanding Senior Boy Citizen.

The Outstanding Mathematics Student is Linda Harrington. Certificates of Merit (Michigan Mathematics Prize Competition) was awarded to Linda Harrington and Leslie Swartz.

The Science Award was given to Gary Hasley.

Outstanding Member of Student Council was awarded to President Dan Crosby. Optimist Club Outstanding Senior Boy Citizen was awarded to Leslie Swartz. Clarenceville Selects Varsity Cheerleaders

By Margaret Paulson

Next year's Varsity Cheerleaders have been selected and are as follows: Beverly Boutwell, Linda Sunday, Alice Warren, Marcia Harrington, Bonnie DiBiase, and Hannah Johnson.

Student Council will start the year off right in the fall as the student body elected new officers last week. They are: President, Ray Parker; Vice President, Jerry Litwin; Secretary, Suzie Fell; and Treasurer, Beverly Boutwell.

Seven seniors have been awarded scholarships for their freshman year in college.

Jack Forsyth has received a University of Michigan regent's alumni scholarship; Sharon Rudman has received a Wayne State University award, and Linda Harrington and Jerry Petrosky have received scholarships from Michigan State University.

Under the Michigan Higher Education Assistance Authority program, scholarships have gone to Linda Harrington (MSU); Lynn Maki (Central Michigan); Joe Neistroy (Oakland), and Leslie Swartz (Oakland).

ON MAY 28 an Honors Assembly was held. Various awards were given out and I choose to name a few.

Journalism award went to Margaret Paulson, Yearbook award went to John Head, Top English Student awards were given to Sharon Rudman and Lynn Maki, Special Honor Society awards were given to

ton's athletic teams. He has varsity letters from football, wrestling, and track.

All of the students who participated in sports this year as well as the coaches deserve congratulations for their hard work and determination which brought fame to Thurston.

Is there anything beautiful about a hole in the ground? There is to the Dywask family, because it's the site of their new home in Warren. And there is to Keith Muir (right), manager of our Jefferson-Chase office, because he helped make it possible. The Dywask family had dreamed about the home ever since they saw the model. So they talked with Keith—arranged their financing—and will close the loan right in his office. It's just a couple of blocks away from Jerry Dywask's place of business. Of course, the Dywask's are very special people...they're customers of ours. But then you can be, too.

Readers of The Observer 'Speak Up'

Farmington Mother 'Speaks Up'

Editor:

May I address my remarks to Lori Steele and Greg Faydenko, and from there to the Board of Education both in Farmington and the township, our city and township recreation departments, and from there to holders of the financial strings and to parents in general. First, Lori and Greg, I'm with you. I believe we're doing a fine job educating our young people and preparing them for future careers and responsibilities, but all work and no play—well, you know the rest of that old cliché. And I'd hate to think we're looking forward to a whole generation of dull parents!

We, as parents, had been discussing recently the sad lack of recreation facilities for young people in our area, and had gone so far as to dream up a perfectly lovely idea for a sort of community center building which would combine facilities for a roller rink, area which could be used for stage presentations by youth or adult theatrical groups or dances, large meetings, etc. and snack bar, cloak room, restrooms and whatever else such a building would need. We had the idea to build and run it as a private enterprise, but hoping to serve the community. We even visualized running buses at certain times to it, so that youngsters too far away to get there on foot or bikes could come. But then we started inquiring about financing, and found that such an enterprise is not considered a good risk. In other words, anyone who could afford it would rather spend their money on something sure to make money. So there you are. Private enterprise is not apt to do it—it's up to the people collectively to come up with some answers.

Where to begin? Why not start with what we already have? We have many fine buildings, conveniently located. We also have a lot of buses that probably sit idle most of the summer—but back to the buildings. The facilities are there, and getting pretty thorough use now we'll have to admit, but couldn't they be used even more? And if it's a matter of funds, couldn't the city and township recreation departments allocate some funds? And if it's a matter of personnel to supervise and run these affairs, I'll bet we'd get any number of parents who would be willing to contribute their services for several hours one afternoon or evening a month. I would, and gladly. So

we could begin with activities in the buildings we already have. As a for instance, we could have a one afternoon a week (after school for 1½ or 2 hours) Teen Town for the Junior High students. This would be in the gym, mainly dancing to a juke box (fixed so you don't have to 'feed' it) with some ping-pong tables and some card tables for cards or checks, etc. There should be available to buy cold pop and various packaged goodies, such as candy, potato chips, etc. Admission could be by a card purchased at the beginning of the year for a nominal fee, say 50 cents or a dollar, and punched each time the holder is admitted to a session. Ticket holders could be allowed to bring in a guest for maybe a quarter. High School Teen Town could be on Saturday nights, 8 to 12 p.m. Same general plan as the Jr. High Teen Town, except the price of the card would be higher (perhaps twice that of the Jr. High), guest privileges a little more restricted—an age limit needed here—a few more rules set out on the back of the card than would be needed (we hope) on the Jr. High card, such as no liquor allowed on the premises, the lights could be a little lower, and several times a year could be set up as special occasion dances where they might even have a real band. This could provide an opportunity for some of our fine young musicians to perform in front of a real audience.

Does this sound like fantasy? It's not—it's history, in the small town where I grew up. I wasn't old enough to be aware of how they made it work, I only know that through all my junior high and high school years we all LIVED from Teen Town to Teen Town. True, we didn't have the nice homes with the recreation rooms and things we have now, but the occasional party in a home just isn't the same thing as being able to go somewhere and see ALL your friends, and to be able to go all by yourself, if need be, and without an invitation.

Our town also had a pool. It wasn't very good, or very cheap, but almost any hot day if you managed to get there on foot or bike, you'd be sure to see twenty or thirty kids you knew. It was so crowded you were only allowed to stay in two hours, then they cleared the pool for the next shift. But we didn't care—we all walked or biked eight blocks to our favorite malt shop (no dancing, just tables and a long counter) where we could sit as long as

we liked and sip thick malts and visit with friends. A grown-up almost looked out of place in there—we were always welcome, and no one ever told us to move along.

We also had a roller rink. It was small and dirty, but always crowded with kids from around 12 into the early twenties having a good time. In our area (metropolitan, that is) I have only found two roller rinks. One good, one not so good—although both are well managed—and they are both a half hour drive from, say, downtown Farmington. How many young people and children who would love to spend an afternoon or an evening roller skating can get there on their own?

So, dear city fathers, educators and parents, I believe our kids have a legitimate gripe, and it's about time we got our collective heads together and did something about it—don't you?

BEA SCAGLIONE
Parents Dismay

Editor:

As one of the parents of the so-called "rowdy" children of the 33000 block of Glenview Dr., Farmington, I thought I should express the dismay with which we read the article in your paper concerning our children. I do not know if someone called the article into your paper or if one of your reporters got the story from the report made out by one of our city police, but I would like very much to acquaint you with the true facts of this story as we know them and or as they are written in the police officer's report.

Picture this: It is the first warm, sunny, springlike day. You and about a dozen of your playmates (ranging in ages from 13 down to three) feel the spring in the air and with that feeling comes the uncontrollable urge to do what comes naturally to all red blooded American kids: PLAY BASEBALL!

You all gather in front of your homes, you choose up sides, and after much wrangling and good natured youthful shouting you select stones or anything you can find (even a crack in the street) as first, second, third, or home base. Finally you begin! Batter up! Pitch 'er there boy! Crack! It's good for a two bagger. You run, your legs seem to fly under you. Boy that sure felt good to smack that ball! Everyone's yelling and shouting for you to go all the way! Man, this is really neat—But hold it! Here comes a police car. Gee, it's

stopping here. What's wrong? Oh! Oh! One of the neighbors called the police because we ran on her lawn to retrieve the ball.

Yes sir, officer, we won't run on her grass anymore. Yes sir, we know we shouldn't play in the street. Sure, sure, we'll get off the street. Gee, why did she have to call the police? Why didn't she just yell at us? Well, there goes the old ball game. Boy, a couple of the kids were rude to her, they shouldn't have been because it makes all of us look bad. Well let's break it up you guys . . . the kids disperse. The game is done.

Somehow the warmth of this first spring day is gone. The girls go their way, the boys go theirs. They play quietly, in two or three small groups. Suddenly the police car reappears. It pulls into the neighbor's driveway. What happened now? We didn't go on her grass again. We didn't play in the street. You want our names officer? Gee, this is scary, some of the kids are shaking and almost crying. He even took three-year-old "Mergie's" name. Golly, what did we do that was so wrong?

This is the story of the adventures of the "rowdy, abu-

sive" children of the 33000 block of Glenview Dr.

Rowdy? Abusive? NO! Exuberant? Noisy? Sassy (one or two usually are)? YES! I am sure all of the parents and children involved apologize for any verbal abuse emanating from one or two of the children, but please, whoever you are, don't generalize and call our wonderfully young and intelligent youngsters, abusive rowdies.

Likes Scout News

Editor:

I've got into the habit of looking for "Scout News" by Amy Charron. When there is none, I find myself being really disappointed. Even if it is Farmington news, I find I look for it. Amy makes scouting sound so interesting. She must love her girls. She does quite a bit with her troop. Can't her scout news come each week as other news does. I bet there are many of us who look for her each Wednesday.

I have called and talked with her. She sounds like a pleasant person. Nothing keeps her from trying to give information you want. She'll call you back if it is

something she doesn't know.

I like it when I find her scout news in other parts of the paper. One thing her phone isn't always listed and when she was ill I waited for weeks before I saw her phone number.

How about others writing to let you know how they feel about her news? I myself hope she'll have news each week. She writes as though she is talking right to us. As you see I'm not from Farmington.

MRS. A. BLOCH
Redford Township

(EDITOR'S NOTE: The scout news comes in from a variety of sources. Amy Charron does an excellent job of providing The Observer with the Farmington news. Every effort is made to print her column each week, but sometimes space is too short. The Observer welcomes news from any source and makes every effort to print it.)

Lauds Court Action

Editor:

I am a resident of Madonna Estates Subdivision, now that Judge Lila Neuenfelt has ruled Zoning Ordinance No. 300 illegal I would like to publicly urge the City Council to vote

YES on the Planning Commission's Proposal No. Z-670 (new ordinance) which would change the zoning on the out lots at Levan and Schoolcraft Rd. to R-1 or single dwelling residences.

I would also like to commend the officers of the Madonna Civic Association for a job well done. A job that should have been accomplished in a combined effort between our city government and planning commission. Instead a group of inexperienced but dedicated citizens were forced to become involved in a costly and time consuming law suit. It's about time the Livonia City Council began to listen to the voice of the people instead of the special interest few who care for little else except as much profit as possible with little regard for good planning or what we the citizens want our community to become.

I would also like to urge all of the many new communities such as ours to organize their organizations and then join the Federation of Livonia Civic Association. It is well worth the effort, we proved that in Madonna Estates.

Like to see more news from Amy Charron on Scout Notes. I'm in a convalescent home and like to see her column. She sounds so nice and I hope she will keep writing to you! Why does it not come each week. Other columns do; even school news.

I'm at the Kendallview Home. She came in with two Easter egg trees for us. But I've not met her otherwise. She really does for us and we look forward to it. We feel like part of her when we see her item. Let her write more often.

Pylkas

(Continued from Page 1) worked summers on the farm of Wally Laurie, famed swim coach at Northwestern High at that time.

"I fell in love with the community then and I still want to make my home here as I have for the past several years," said Pylkas, "I'm happy that the Plymouth Board has given me this opportunity to return to the school system."

Pylkas has a Bachelor's and Master's degrees from Wayne State University and has taken graduate work at the University of Wyoming. He served two years in the Navy in the Atlantic Theater and participated in the Naval Cadet program at Pensacola, Florida.

He is a member of the Metropolitan Detroit Bureau of School Studies Elementary School Improvement Committee, the Michigan Association of Elementary School Principals, member of the South Redford Education Association, the Michigan Education Association and the National Education Association.

we had as late as last summer." McEwen visited with Burroughs officials a few days later for an informal chat and to become acquainted with executives there in his new capacity of Supervisor.

He learned that Burroughs has installed a small electric steam generator, has hired consultants to complete the project, has purchased a gas fired boiler for summer operations and has sought bids for the installation of the boiler and of a new winter efficiency ash collector system.

McEwen was told Burroughs has spent \$57,000 on the program and hopes to have the ash collector system in operation by November.

So it appears that Mrs. Davids received good news in large quantities the same day—her husband's new appointment and new word that the soot and ash problem may be eliminated by early winter.

The at-large race between Sam Hudson, of Plymouth, and Mrs. Rosina Raymond, of Livonia, was a close fight all the way before the former won.

Hudson, public relations and advertising director at Evans Products Plymouth plant, polled 863 votes to Mrs. Raymond's 128 in Plymouth but ran into a snag when Livonia backed Mrs. Raymond with 3,507 to Hudson's 2,535. However, Sam pulled 617 votes in Northville to 192 for his opponent and won the at-large post, 5,243 to 4,964.

Hudson had an edge in Garden City with 1,039 to 970 and in Clarenceville 189 to 167.

Gene Kral, Central Michigan University first baseman, played errorless baseball while participating in 37 of his team's 40 scheduled games and handling 255 fielding chances.

Madonna Gets \$500 Grant

Madonna College in Livonia has received a \$500 cash grant for unrestricted use from Gulf Oil Corporation.

It was one of 584 awards, totalling \$595,500 that Gulf will distribute this year as direct, unrestricted grants to as many universities and colleges under its Aid-to-Education Program.

In addition to direct grants, the other phases of Gulf's comprehensive Education Assistance program include capital grants; Gulf merits scholarships to children of employees and annuitants; employee gift-matching to colleges; departmental assistance grants; graduate fellowships; and faculty supplementation grants.

Institutions eligible for direct grants are those which are privately operated and controlled, and which obtain a major portion of their financial support from non-tax sources.

The amount awarded to Madonna College was \$500 and the check was presented to Sister Mary Raynelda, CSSF, college

president by Mr. Roy W. Morkemo, Senior Sales Representative of Gulf.

FLY THIS FLAG SET ON YOUR HOME . . . OFFERED AT COST, AS A PUBLIC SERVICE

THE FLAG SHOULD FLY ON THESE NATIONAL HOLIDAYS

- January 1st—New Year's Day
- Feb. 12th—Lincoln's Birthday
- Feb. 22—Washington's Birthday
- April 13th—Jefferson Day
- May 1st—Law Day USA
- May 1st—Loyalty Day
- May 30th—Memorial Day
- June 14th—Flag Day
- July 4th—Independence Day
- August 14th—V-J Day
- Sept., 1st Monday—Labor Day
- November 11th—Veterans' Day
- Nov., 25th Thurs.—Thanksgiving
- December 7th—Pearl Harbor Day
- December 25th—Christmas Day

We believe every home in town should fly the flag on national holidays. We also believe more homes would fly the flag if more people knew where to get one. Failure to fly the flag, it has been found, is not due to any lack of patriotism on the part of Americans who love Old Glory as much today as Americans did when the Spirit of '76 was first born. Because of this we make this fine flag set available as a public service at our cost. The set is top quality through and through. It meets every standard the government sets for a flag of this type. In addition, the stripes are double stitched, a hallmark of flag quality usually found only at higher prices. We include with the big 3x5-foot flag . . . all the equipment necessary for rigging according to the rules of flag etiquette. These flags are available to all . . . with no other requirement than that you pay our basic cost . . . and fly one on your home on holidays. Fly the flag on important national holidays to come . . . and especially on the Birthday of American Independence July 4th. The stars and stripes on your home show the world that the Spirit of '76 is as warm in American hearts today as it was at its birth on the first 4th of July . . . nearly 200 years gone by.

THIS FLAG IS OFFERED AT COST AS A NOT-FOR-PROFIT SERVICE OF

Where It Goes, Nobody Knows

Observing the Scene...

By MYRA CHANDLER

With so many wrong things going on in this old world it might seem a little odd to get all worked up about a bingo game reopening in the City of Livonia on Plymouth Road. It isn't because the game will attract underworld characters to the area—actually I am sure they would be as enthusiastic about attending the game as they would a PTA meeting.

No, the class of people attending the big games is quite nice... really mostly "sweet little old ladies." But these dear ladies are breaking the law. Unfortunately there are laws that control the private running of bingo games. In my opinion George Hollman, defeated candidate for Wayne County drain commissioner, does not actually comply.

Churches, fraternal organizations, and service clubs may raise money with a bingo game. It is written and covered by a legal opinion. At least so far.

But a man who goes downtown, and for a five dollar fee, registers the name of the Lonsome Mothers of Peoria or, as in Livonia, the Retired Citizens of Michigan, comes back, and opens his doors for paying customers IS breaking the law.

A small donation to a charity (and a large one to officials to shut-up) is not enough to make the bingo game legal in Livonia—and I don't care how much fun it is for the ladies or how many technicalities are quoted to cover the tracks of those running the game.

Right now Mr. Hollman says all of his "cards" are free, no one has to pay for "nutin." Just help yourself to some bingo cards and have fun. "Any donations are voluntary."

As long as the President of Retired Citizens of Michigan is taking in approximately \$2,000 per night and paying out in prizes approximately \$700 (three nights a week)—the risk of jail is apparently worth it to him—in a year it could net \$150,000—and if the game of Alphonse and Gaston, the Prosecutor's office and the City Police Department are involved in, continues on and on and on—Mr. Hollman could end up as rich as Al Capone.

This observer would prefer the game to be legal, to contribute to the tax of the City like any other business—and, in due course, to the Federal income tax—and most particularly to that tax levied by all in business—Business activity tax—with all of his action that should be a sweet sum. Maybe that's my problem, sour grapes. Guess I'll trade The Observer accounting department in for a cigar box with a slot in the top and see what happens.

Vietnam, Munich... Do They Compare?

The memory of a single place-name may have much to do with shaping the harsh national debate over the U.S. role in South Viet Nam. The place-name is Munich, and its effect in the division over Viet Nam may be partly a matter of debaters' age.

Many young Americans not old enough to remember the Munich Pact of Sept. 30, 1938, are loud in their demands that we pull out of South East Asia. Americans in their 40's and 50's, who can remember Munich and its unspeakable results support President Johnson. They have no more desire to make a hot war hotter than those on the other side of the debate. They are simply afraid that history does repeat.

Exactly what has Munich to do with Viet Nam? Nothing directly. But perhaps everything by analogy. In 1938 it had to do with the effects of failing to stand up to a damnable threat. You save the peace for the moment, but you invite ineffable hell later on. That is why middle-aged Americans are remembering.

This is how it was: After blackjacking and street-fighting his way to power, Adolf Hitler became German chancellor on January 30, 1933. He made himself absolute dictator, killing or imprisoning everyone who challenged him. He wiped out political parties and trade unions. He strangled the press. He rejected the Versailles Treaty and ordered German conscription.

Hitler occupied the demilitarized Rhineland on March 7, 1936. None of Germany's World War I enemies objected. It was his first test of the Allies' courage and he was absolutely successful. Next he used Spain's civil war as a testing ground for the new stukas (dive bombers) and other Nazi armament. After a fake emergency and much bluster, Hitler invaded and conquered Austria without firing a shot. The date was March 11, 1938. Next, he raised a new crisis by demanding that the Czechoslovakian Sudetenland be annexed to Germany, its "rightful" owner. He threatened to take the Sudetenland by force, if the Czechs would not give it up peacefully. France and England, with defensive alliances with Czechoslovakia, were immediately involved.

Prime Minister Chamberlain and Premier Daladier made two trips, the first to Godesberg, the second to Munich, to try reason on the Nazi dictator. The attempts were total failures. Hitler was pushing the Allies to see how far they would be pushed. He found there was no limit to what they would agree to in respect to Czechoslovakia, in return for what Chamberlain termed "peace in our time."

On September 30, 1938, after a fortnight of nightmare suspense, the Munich Pact was signed by Chamberlain, Daladier, Mussolini for Italy, and Hitler. Hitler got the Sudetenland. Subsequently, a large piece of Czechoslovakia went to Hungary, another went to Poland. With later Nazi occupation of Bohemia and Moravia, the last remnant of the democratic Republic of Czechoslovakia was erased from the map. The date was March 16, 1939, five short months after the Allies' capitulation at Munich.

Thus was Hitler persuaded that the Western Allies would not try to stop him as long as they themselves were not hurt. Eleven months after Munich, he discovered he was wrong. On Sept. 1, 1939, his bombs began to fall on Warsaw. Finally, France and Britain stood up to him, declared war and the long agony of World War II, with its millions of casualties, was begun.

It has been often argued, to no provable point, that if Hitler had been halted in the Rhineland, in Austria, or in Czechoslovakia, World War II might have been averted. We will never know the right of that. But what did happen, because he was not challenged or stopped, is written in rivers of shed blood.

South Viet Nam is to the Communist threat of aggression today what the Rhineland, Austria and Czechoslovakia were successively to Nazi aggression in the 1930s. The parallel is not exact, as no two chapters of history are ever exact. But Americans with the memory of Munich upon them are asking with sharp point whether it is better to fight a small war in Viet Nam today, instead of a bigger war in the Philippines in the near future, or a third World War beginning in Hawaii and on the American mainland later on.

Remembers Paul Chandler

Editor: I am one of the regular readers of your newspaper and along with many others, I am sure, miss Facts and Opinions and Paul Chandler's writings. He was an honest and true dedicated person. I signed a petition to have the high school in Livonia named after him. What has happened to the petition? Is it under consideration by the school board at the present time? Also I want to comment on your present editorial cartoons. They really are of interest and well done. Is Frank McGuire an anonymous name? Although Paul is missed in Livonia I think the new format is very fine. Jerri Vincent Ed. Note: New school in Livonia will not be named until after the June school election. Frank McGuire is real and so is his name. He is an advertising executive with Observer Newspapers.

Leave Authority To The Elected

Byron Walter, who is presently a member of the Farmington Township's Board of Trustees, will leave that post on July 4, to assume the duties of Justice of the Peace in the Township.

The Township Board, which is composed entirely of Republicans, has the power to appoint a replacement. But Aldo Vagnozzi, who is the Democratic Chairman in Farmington, has another idea.

He suggests that "a special citizens committee, fully representative of the community, should go over the nominations and recommend a choice to the board."

This observer feels compelled to express serious disagreement with this idea. The powers of elected officials, in the Town-

ship form of government, are strictly circumscribed by statutes as well as by the state Constitution. Whether or not these powers are excessive, they were delegated only after painstaking deliberation on the part of the framers of said documents.

There is a danger in a democratic society of leaders attempting to stretch their powers beyond their constitutional limitations. But there is also, it seems to me, an opposite danger—that of indecisiveness that could render our system unworkable.

If the Farmington Township Board were to do as Chairman Vagnozzi suggests, it would merely be passing-the-buck. Rather than acting as democratically elected leaders, the Trustees would be negating their leadership function.

Teachers Must Share Climate

Last week the South Redford Education Association won its point from the Board of Education.

Through the urging of the SREA the Board reversed its earlier decision to pay teachers in the summer program on a flat \$5 per hour and agreed to return to last year's scale. That is, the teachers would be paid on an hourly rate based on their regular yearly salary.

It was not particularly a proud day for either the SREA or the Board of Education. The first decision had been made to keep the summer program on a self sustaining basis. The SREA says that the program will still be self supporting.

What was done was to separate the driver education and swimming program from the other classroom courses. At this

point no Board action has been taken on these two items. The Board meets tonight to consider a driver education program.

The District must by law provide driver education to all children within its boundaries at no cost. A portion of the cost is reimbursed by the state. However, the state monies never pay the entire bill.

What the SREA did then was to convince the Board to separate the portion of the summer program which needs subsidizing. The bill has to be paid, but the teachers don't want any part in sharing the "bad times" with the Board.

In May, 1964 the Board of Education went way out on a limb for its teachers and voted a substantial pay raise even though District finances were in sad shape. At the present time the district's finances are in an

even worse condition. The Board felt that the teachers were professionals and it wanted to maintain "a strong nucleus of excellence in our staff."

While the Observer can sympathize with the teacher's feelings about a pay cut it can't help reflecting that teacher's and intelligent, educated professionals should realize that cooperation and respect is a two way street.

The teacher's pay raise has haunted the Board in its relations with the community all year and will probably continue to do so for the next few years.

We can't help but reflect that maybe this was the time for the SREA to go out on the limb. If the teachers didn't want to teach for that salary that's their prerogative, but to raise such a fuss is not at all professional. SUE SHAUGHNESSY

The Reader Speaks Up: Fair Warning To Stray Dogs!

Editor:

To deal with a delicate problem one must always remember the peculiar sensitivity of the middle class. If one deals with matters which the middle class consider too mundane the reaction from the public will take one of two directions. Either the matter will be entirely ignored (commonly known as putting one's head in the sand) or a great storm of righteous indignation will sweep the community (how dare anyone bring up such a matter?). The problem which has existed in our part of Rosedale Gardens is such that most people would rather deny its presence.

For five years I have remained silent on this subject in the hope that those responsible would remedy the situation. I have found, however, that these people have an overwhelming proclivity toward inaction as long as the problem does not impinge on their sense of well being. Therefore I shall raise the topic, albeit with little hope of bringing it to the attention of those responsible (it's a family newspaper you know).

A small group of hard core idiots allow their dogs to roam the community defecating wherever they choose.

It is beyond my comprehension that these people can expect others to pay the price of a messy lawn because they own one of these roving canines. A sense of common decency appears to be totally lacking in these people. Also there is the person who accompanies his peripatetic animal. The "master" usually walks ahead while his dog tends to his physiological need and the ruining of someone's lawn. This practice of walking ahead of the dog lets the dog owner pretend the animal is with someone else.

Those responsible will probably fail to notice this appeal for increased restriction of their pets (no doubt due to lack of reading ability). However, this letter may be viewed as a notice to these errant dog owners that if they do not willingly comply with my request for limitations on their pets, the authorities shall be notified. Too Much Delay!

OPEN LETTER TO THE BUILDING DEPARTMENT:

How long does it take to get a building permit in the City of Livonia?

On May 24th, the first inquiry was made as to the code and what had to be done. By the time I had all required plans together, it was the 27th.

I received a call on the following Monday asking a few questions which were answered to the satisfaction of the inspector.

The next day I called to see if I could pick up the permit. It wasn't ready yet, nor the following day, or the day after that. I was told I would be notified when I could get it. Well... I am still waiting for the call, or maybe the tele-

phones in that department are not working.

The foundation excavation we had has caved in in spots because of the rain while we were waiting for someone to come out and inspect it.

I understand now why there is so much building done in Livonia without permits. Summer could come and go while waiting for an O.K.

It seems a shame that a person trying to make their home a better place to live and an asset to the community must put up with this sort of thing.

A DISGUSTED HOUSEWIFE

Against Open Housing

Editor:

I was quite shocked to see on page 4-A of last week's Livonia Observer in the article on Housing Opportunity that the people who are not for Open Housing are the ones who are classified as not being responsible citizens. This means then that 99% of the people of the community fall into this category.

The term used in the article that Open Housing is desired by a group of responsible citizens in their own communities should really read "a few professional agitators" whose main goal seems to be to disrupt this community.

As for giving a telephone number to call if a person was interested in Open Housing—the telephone company won't have to worry about her line being too busy.

I have never met anyone in Livonia who is for it. Don't take away our civil rights.

The majority of the people in this community moved from this condition before. Let the majority have the right to decide about what is wanted for this community.

Other Side of Fluoridation Coin

Editor:

Now that we have read Dr. Arthur Schiff's opinions and imaginative fantasy about the benefits of artificial fluoridation, as presented on your editorial page, let us look at the other side of the coin and examine some facts, with documentation, concerning the dangers of this program: as well as the fallacies concerning benefits.

Dr. Robert J. Mick, a practicing dentist in New Jersey for more than 29 years, formerly an active fluoridation promoter, now says, "Fluoridation is one of the biggest international scandals that has ever been promoted in the name of a health scheme."

He reversed his position when investigation disclosed the discrepancies and misrepresentations embodied in the promotion of this program.

In Grand Rapids, Michigan, census figures showed the number of dentists almost doubled, per capita, after 15 years of fluoridation.

That the people of Grand Rapids and Muskegon, without their knowledge, were among the first of many who were subjected by a group of ambitious promoters to the indignity of a forced medical treatment with poison fluoride, is no recommendation for fluoridation.

Many years ago a Dr. Fones, DDS, of Bridgeport, Conn., proved that good nutrition and

good dental hygiene with a neutral dentifrice, could reduce tooth decay over 57%; and again more recently, a 63% reduction in dental caries was accomplished in the same way by Dr. L. S. Fosdick, without fluoride, and published in the Journal of the American Dental Association.

Now Dr. A. L. Russell, DDS, of the National Institute of Dental Research, reports that Colorado Springs has a high level of fluoride in its drinking water, yet its citizens have a very high incidence of dental decay.

The promoters' fallacious claim of 65% reduction in decay with fluoridation is simply not borne out by the records. For example, the Department of Education, New York State University Survey of 1954, reported 33% more tooth defects in children at Newburgh, N.Y., after nine years of fluoridation, than in fluoride-free Kingston, N.Y., the control city. Likewise, the New York State Health Department reported ten years of fluoridation at Newburgh necessitated 18% more dentists than before fluoridation, with only nine percent population increase.

I would like to say a few words on the subject of the Livonia Police Force. I think that the men that perform the duty of public protection do a real good job. I also think that we citizens should help them out as much as possible.

It was reported in the June 19, 1940, Livonian that plans were almost ready for the Detroit water mains to be extended into Livonia. City officials held a meeting to answer questions on the plan. One of the questions was "will this new water main raise taxes in Livonia?" Answer "No."

The Livonian for June 16, 1950, reported that Sterling Eaton, then publisher of this paper, had just bought a property for a new office across from City Hall. This office would hold the news, advertising and printing departments of the company.

10 YEARS AGO

"Brashear, McCain Elected Trustees" was the headline of the June 16, 1955, Livonian. Returns were as follows: McCain 993, Brashear 995, Nelson 960 and Raymond 811. In this election only 1,926 people voted.

5 YEARS AGO

In Redford Township, as all over Wayne County, the voters stayed home instead of going to the polls. In one precinct, with 15,000 registered voters, only 2,608 voted. The winners in the school board election were: Roger Browne, Tom Kirby, Gordon Brocklehurst, and Robert Keene.

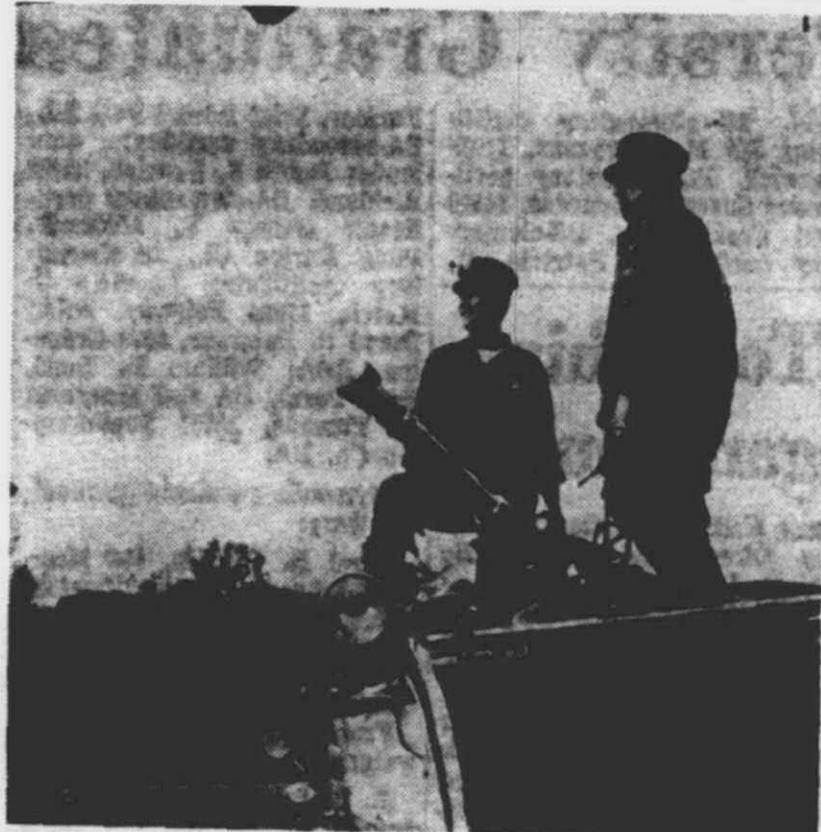

1 YEAR AGO

The Plymouth Observer of June 19, 1964, reported that 133,538 people in the Livonia, Redford and Plymouth area received their second sugar cube in a nation wide campaign to immunize against polio.

Mary Has Does, But No Permit

Mary Hodan, 44623 Joy Road, may have started an investigation that could curtail her activities as a dog raiser and most certainly brought a quick denial from the Plymouth Township Board to her request for a kennel license.

She made the request to Township Clerk C. Veach Sparks indicating that she would like to start a kennel of no more than 10 dogs since she plans to retire and wished to have the kennel as a hobby.

However, during the course of the conversation between Board members it was disclosed that she resides in an area with a single dwelling zoning and that she doesn't have 10 acres required by the ordinance.

Matter of fact, the Trustees were told that Mary already has as many as 10 dogs on her premises and is in violation of the ordinance. Further, the Board learned that she couldn't possibly comply with the conditions of the ordinance on the grounds of zoning and lack of acreage.

The Board moved to deny the request and asked that the dogcatcher be sent to investigate the possibility of a violation.

P.H.S. Athletes Told Values of Teamwork

"The classroom and athletics go hand in hand at the college level," said James 'Bingo' Brown, former Dean of Men at Eastern Michigan University and former State Boxing Commissioner, in an address to members of the Kiwanis Club at the annual all-sports dinner to which senior letter winners of Plymouth High were invited.

More than 70, including coaches of the various sports, and Athletic Director John Sandmann attended.

"My advice to all athletes planning to attend college is to study tonight so you can play tomorrow," said Brown. "You may be a star in high school but you're just another Joe Doe when you arrive on the college campus and it's entirely up to you to make the grade."

"It is team work that makes the outstanding teams. That means everyone pulling together. A successful football team is made up of 10 plus one, basketball—four plus one and baseball, eight plus one. Make sure that you're one of those pulling together to make the team stand out."

Plymouth CC Asks Donations For Fireworks

Members of the Plymouth Chamber of Commerce were asked Monday for donations to help defray the expenses of the traditional July 4 celebration and fireworks display.

The plea was issued by President Wendell Lent who urged all members to contribute \$10 or more to help the Chamber raise the \$800 requested by the Junior Chamber of Commerce.

"The only way to make the fireworks display possible is through the financial assistance of our members," wrote Lent in a communication to Chamber members. "Since the July 4 celebration is of major interest to our community and has a purpose of not only entertainment but also a means of keeping people off busy highways, we feel the day-long program is meaningful and worthwhile."

"Therefore we would appreciate it if all members will contribute some amount in the vicinity of \$10 or more. The Jaycees have requested \$800 from us this year and we think all should do all they can to help pay the cost of this venture."

Plymouth News Of Cub Scouts

Cub Scout Pack 1536 wound up its year's activities at Smith School with the annual Olympics and family cookout at the school grounds on Friday.

Climaxing the events was the close race for first place in the Olympics. Den 2, led by Mrs. Earl Merriman, finally won out over Den 8, led by Mrs. Al Fletcher, by one point, to retain the plaque they won last year.

Individual winners in the six events were: 50 yard dash, Andy Fox, Den 2; board jump, Mark Fletcher, Den 8; high jump, Ricky Rogers, Den 8; crab race, Don Pocklington, Webelos; softball throw, Mike Johnson, Webelos; and relay race, Greg Merriman, Andy Fox, Richard Jones, and David Pelley, Den 2.

Ribbons were awarded to the individual winners of the first three places in each event.

Supervising the Olympics were: Don Keeth, Bob Brown, Bud Messerly, Bill Neu, Dan McCullough, Bill Davidson, and Cubmasters Fred Rogers and John Schmidt.

Keith Richardson holds Central Michigan University's high jump record of 6-4 1/2 set as a freshman in his first track competition in 1960.

10-Year-Old Township Boy Wins Slogan Contest

Ten-year-old Tommie Burke Jr., of 9686 Wormer, Redford Township, a fifth grade student at St. Hilary's school, is the attraction in his neighborhood today.

And so is the half-scale model of a Lotus Ford—80½ inches in length and powered by a 3¼ horsepower engine—a replica of the car that won the Indianapolis "500" auto race.

Garn Griffin, Assistant Managing Director of the Traffic Safety Association.

The contest, directed by Don Chelemen of Cunningham's sales promotion department, attracted thousands of entries. Children 15 years and under wrote their slogans in 10 words or less. Several schools adopted the contest as a class project.

Plymouth residents graduating were:

Aral B. Gribble, 698 Herald, BS-secondary certificate; Nicholas J. Jerrick, 14341 Northville Rd., BS-secondary certificate; and Larry W. McMullen, 184 Caster, BA.

From Wayne the graduates were:

J. Elaine Cooper, 32178 Annapolis Ave., BA-secondary certificate and Margaret B. Meier, 3377 Laura St., BS.

Tommie won the car in the traffic safety slogan contest sponsored throughout the state by Cunningham Drug Stores as a public service project to make parents and children safety conscious during summer vacations.

Tommie's slogan: "The Lowdown on Safety is Slow Down."

It was chosen best by Detroit Police Commissioner Ray Girardin, Wayne County Sheriff Peter Buback, Wayne County Prosecutor Samuel Olsen, and

Medal Awarded Livonia Sailor

A Livonia sailor currently operating in the waters offshore South Vietnam, has won the rank of Seaman First Class in less than nine months of service.

Gordon H. Meltzer, son of Mr. and Mrs. H. M. Meltzer, 14743 Yale Ave., enlisted in the Navy in April, 1964, while a junior at Bentley High School. He is completing his high school studies and will graduate in August. At the same time, according to his parents, he is up for an examination for Third Class Petty Officer.

Beginning next fall, WMU will inaugurate a new year-round operation which calls for commencement programs on Dec. 18 and April 16 at the end of the fall and winter semesters, and again on August 16 at the close of the summer session. The spring session will end June 15, 1966, but no graduation ceremonies are slated at that time.

Featured speaker at this year's commencement was R. Sargent Shriver, director of the Peace Corps and head of the U.S. Office of Economic Opportunity. He was awarded an honorary degree of doctor of laws and letters.

Farmington Man Belts Hole In One

Former Farmingtonite Curt Taylor shot a hole-in-one at the Farmington Country Club in a recent visit as a guest of Jack Keehn, Mason Court, Livonia.

Curt shot a tee shot on the 17th hole, which was a par three. He used a five iron on the 145 yard hole. It hit on the green and rolled into the cup.

It was the first hole-in-one at the club in 20 years. Curt ordinarily shoots in the 90s. He is Ohio.

presently living in Columbus,

Other honorary degrees were presented to Frederic G. Donner, chairman of the board, General Motors Corporation; Dr. Urban T. Holmes, professor of Romance philology, University of North Carolina; and Charles S. Lewis, administrator of anti-poverty programs in the Detroit Public Schools.

Leading the parade of Western Michigan University graduates was a group of 42 students—the top scholars in the Class of 1965. They included three who graduated summa laude and 27 who were honored as cum laude graduates.

Livonia Seabee Goes Ashore in South Vietnam

Electronics Technician Third Class Ralph D. Johnson, USN, son of Mr. and Mrs. Ralph J. Johnson of 30000 W. Six Mile Road, Livonia, participated in the largest combat amphibious operation since Inchon, Korea in 1950, while serving with Naval Mobile Construction Battalion 10 (Seabees).

Initial elements of the Fourth Marine Regiment and Third Reconnaissance Battalion were landed at Chu Lai, South Vietnam on May 7. This was the first completely "over the beach" landing in the four American amphibious landings that have been made in South Vietnam.

Without the harbor landing ramps of Da Nang to rely on, all the Marines' equipment and supplies were landed over the Seabee-installed causeways or flown in by Marine helicopters from the ships anchored off Chu Lai, to the south of Da Nang.

The landing also incorporated the initial combat use by Americans of vertical assault with the landing of combat troops by helicopter from the amphibious assault ship USS Princeton. The Marines were quickly followed ashore by Navy Seabees who immediately began construction of an airfield behind the Chu Lai beaches.

Central Michigan University's single-season record for pitching wins is seven set by Norm Kraeger in 1958 and tied by Chuck Gronda in 1963.

HOME MOVIES BETTER THAN EVER

Kodak has just come out with a whole new system for making home movies. And even if you've never been a home movie fan, you owe it to your family to see this latest development—instant-loading Kodak movie cameras for the easiest-to-take, brightest, sharpest home movies you've ever seen.

To begin with, there are three new KODAK INSTAMATIC Movie Cameras. All three load instantly with a new kind of film cartridge that is factory-loaded with KODACHROME II Film. No threading. Just drop in the KODAPAK Movie Cartridge and you're set to shoot. All three cameras have electric film drive, so you never have to wind them. You don't bother flipping over the film half way through the roll. You can shoot a full 50-foot roll without stopping, without missing a frame of the action.

And the movies you get are the best-looking movies ever. Because the new Super 8 film has 50% more picture area than regular 8mm film. Lets more light get on to your screen for better projection detail. And the new Super 8 KODACHROME II Film, Type A, is, itself, greatly improved in color rendition.

Then there are six new KODAK INSTAMATIC Movie Projectors that make Super 8 shows a story in themselves. All thread themselves automatically. All make the most of Super 8 film's advantages. From the simplest KODAK INSTAMATIC M50 to a model that shows both the Super 8 and regular 8mm films at seven different speeds, these projectors are loaded with new features. See our demonstration. I think you'll get as excited about Super 8 movies as I am.

Observer Hails Prep Stars

Introducing the 1965 Observer Newspapers All-Area high school baseball squad.

The selections are topped by four players each from Franklin and Redford Union highs, the respective champions of the Northwest and Suburban Six Leagues.

Franklin, which copped its last 17 games after dropping its first two, also went on to beat Redford Union in the finals of the Livonia Invitational prep

baseball tourney. In addition to placing four individual players, Franklin also landed the "coach-of-the-year" in John Hartig, whose team now has gone through 20 straight league games without losing.

Second in the voting was Dave Brazil, who brought St. Agatha its first divisional title in Catholic League play. Brazil resigned at St. Agatha last week.

Heading the choices was Bernie Carbo of Franklin, who was drafted No. 1 by the Cincinnati Reds in the major professional baseball grabbag last week.

Carbo was named at third base along with Ernie Bourassa of Redford Union in a rare tie situation. It was felt that both men deserved to be selected.

Garden City East earned two positions on the All-Star roster, while North Farmington, Thurston and St. Agatha netted one choice each.

Here's a rundown of the 1965 All-Observer Squad.

INFIELDERS
FIRST BASE — Joe Pomykacz, Garden City East: Pitched when not performing at the initial corner. Hit .311 with 14 hits in 45 trips to the plate. Knocked out one homer, along with two doubles. A southpaw, Joe stands 6-2 and scales 210 pounds. Pitching victories came over Redford Union and Taylor Center.

SECOND BASE — Paul Hartge, Franklin: Handled 66 chances during the season and committed only four errors. Batted .450 with his efforts including eight runs batted in. A steady performer.

SHORT STOP — Ron Goulet, Garden City East: Belted .421 in the league and .382 overall this past season. His 21 hits included four doubles, two triples and two homers. Very smooth fielder. Played on Kowalski's National Class E champs last season.

THIRD BASE — Bernie Carbo, Franklin, and Ernie Bourassa, Redford Union. Carbo pined out 28 hits in 55 trips to the plate for a sensational .510 batting average. He knocked in 24 runs and clouted seven homers. Batted from left side and attracted more scouts than ever have watched an area baseball player. Bourassa was no slouch

with the bat either. He ran up a .429 mark and led the Suburban Six League in hitting. Had an edge over Carbo when it came to fielding.

OUTFIELDERS
TERRY ROTHWELL, Thurston: Top RBI man on his team with 16. He hit .396 for the season and did some catching when called upon. Hard-working athlete who is headed for Eastern Michigan University.

JIMMY JOHNSTON, Redford Union: Team's leading hitter

in all games (league and non-league) with a .349 average. His production included two homers and two triples as lead-off man. Stole eight bases in as many attempts. Excellent defensive player.

SAM ANTONAZZO, Franklin: Speedster who stole 10 bases. Dangerous man with the bat, knocking in 14 runs. Wound up with a .316 batting average. Totaled 19 base hits for the season, averaging one per game.

CATCHER
Harry Kendrick, Redford Union, all-league backstop both as junior and senior. Called by his coach, Bob Atkins, "the most alert prep baseball player I have ever seen." Great hustle and defensive performer. Hit only .250, but did come through with some key hits during the season.

PITCHERS
RICK FISHER, Redford Union: Won six and lost two during the last season. Finished with an excellent 1.25-0.74 in league — earned run average. Control was the long suit of his pitching. Issued only five free tickets in league action. A left-hander.

KEN BRATHERTON, Franklin: Posted a 7-0 record and a brilliant 0.54 earned run average. Worked 49 innings, allowed three runs, 26 walks, and struck out 96. Gave up only 19 hits. Also hurled from left side.

RICK COLLINS, St. Agatha: Key figure in St. Agatha capturing its first divisional title in league play where Raiders tied for second place. A right-hander with excellent control. Also strong man with the bat, finishing season with a .320 mark. Homered against Thurston in season's finale.

FRANKLIN HIGH STARS — Bernie Carbo (from left), Ken Bratherton, Paul Hartge and Sam Antonazzo.

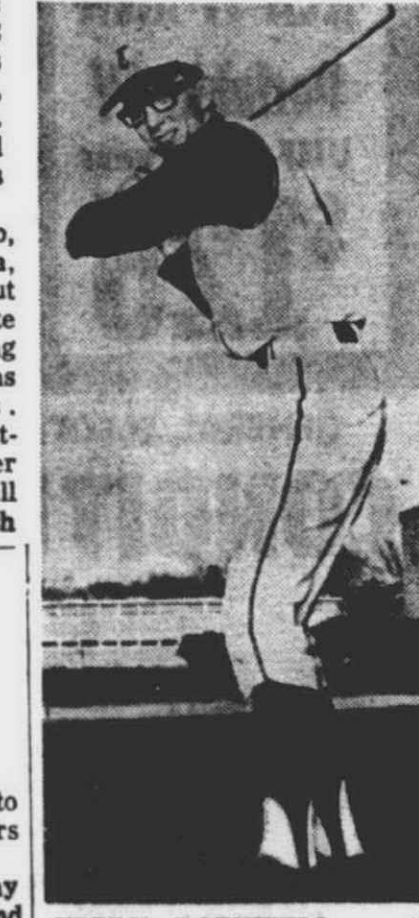

(Thurston), Dave Troutman (Plymouth), Miles Kearney (Our Lady of Sorrows).

REDFORD UNION'S ALL-STARS — Ernie Bourassa (from left), Harry Kendrick, Rick Fisher, Jim Johnston.

JOE POMYKACZ (left) and Ron Goulet of Garden City East—picked at first base and shortstop.

TERRY ROTHWELL, outfielder-catcher at Thurston high school.

Township Victor In F.P. Play

Arnold Helwig from Thurston High turned in a brilliant two-hit shutout as Redford Township blanked North Dearborn, 6-1, in the first round of action in the Livonia-Detroit Free Press baseball league at Ford field.

Both hits off Helwig were infield taps. He fanned 12 and walked one.

The game's lone run was scored in the fourth inning. After Dave Woloch walked and Tim Fisher singled, Lou Banwert advanced both with a sacrifice bunt. Then Terry Rothwell's long sacrifice fly admitted Woloch.

The Livonia Giants received two-hit pitching from Pete Hembrough in knocking off the Wayne Red Sox, 6-1. Neal Thomas and Paul Hartge socked homers for the winners.

RICK COLLINS, star pitcher-batter of St. Agatha's loop champs.

ing its first divisional title in school's history. Hurled six of the seven triumphs St. Agatha fashioned during the season. A strong-armed young man despite the fact he stands only 5-9 and weighs 170. Also starred at second base for team and hit an even .500 with 12 hits in 24 attempts, including two homers.

Wrestling Brothers Honored

More honors have come to the Wrestling Kestel Brothers of Garden City.

Keith captured All-Army championship in the 114-pound division in California last week. He was a star in Garden City before entering the service.

Younger Brother Dale, who is graduating this week from Garden City East, was voted as the school's outstanding senior athlete.

Dale won the state prep title two years running—first in the 85 pound class and then in the 112-pound division.

He also won the Western Ontario AAU crown and wrestled in the Olympic trials. Dale also became Michigan's first prep wrestler ever to place in the National AAU meet. He gained a fourth spot in San Francisco last spring.

Comes August Dale will enter the University of Michigan on a scholarship.

CHUCK VIANE, pitcher-sluggar at North Farmington high school.

2 Hurl No-Hit Victories

Two no-hitters and a one-hitter highlighted the first week's action in the Greater Livonia Class D baseball league.

Bentley's Bill McAlpine, hurling for the Livonia Bisons, turned the tables on North Nankin, 4-0, without allowing a single safety.

South Redford's Mike McCrum from Thurston high then made it two straight over North Nankin, via the no-hit category, in a 15-0 romp. Jim Sproul, Reg Barringer and Dave Woloch each slapped out two hits for the victors.

North Redford received shut-out pitching from Rick Barryman, late of Redford Union, in beating the Wayne Monarchs, 4-0. Barryman gave up his lone hit in the fifth inning. He fanned 11 and walked five.

Ernie Bourassa knocked in two runs for the winners while Leland Bjerke and Fred Londo socked across the other two.

The Elks came through with a pair of wins by scores of 5-4 and 6-5 over Northville and the Giants, respectively.

Steve Atkinson and Fred Davies delivered the key hits for the Elks against the Giants.

2 Golfers Get Holes-in-One at Idyl Wyld

The golf season has barely started but at least two golfers at the Idyl Wyld course are willing to call it the most successful ever — they were the first to record aces.

Ted Zukosky, of 33165 Cloverdale, Farmington, a salesman for the Cardinal Realty Co., realized an ambition of 20 years when he fired a seven iron on the 113-yard, third hole, hit once and rolled into the cup. He had a 41 for the round.

Zukosky was playing in a foursome with Bill Murray, Ron Williams and Pat Marsh.

Carl Dennis, of 633 Starkweather, Plymouth, has been playing for only two years but reached the heights when he had a hole-in-one on the same hole. Carl used a nine iron, hit a lofty drive which hit on the edge of the green, bounced twice and went into the cup.

He had a 48 for the round.

Central Michigan University sophomore pole vaulter Joe Neihardt finished fifth in his specialty at the annual National Association of Interscholastic Athletics (NAIA) Meet in 1965.

OBSERVING SPORTS

By George Maskin

SHEA STADIUM, NEW YORK—This is a sight to behold. As we write this . . . the New York Mets are battling the Los Angeles Dodgers . . . Don Drysdale is pitching against Warren Spahn . . . two greater pitchers never toiled in the majors against one another.

We're pausing here as the guest of Harold Weissman, an ex-colleague during World War II days on the army newspaper, The Stars and Stripes. Harold only recently took over as director of publicity for the Mets.

When Harold heard we were in New York after attending the National Basketball Association meetings in Boston, he said: "Come on over, you'll see something at Shea Stadium."

Seeing we are.

You get out to Shea Stadium for only 15 cents from Times Square via an express subway which carries passengers to Shea Stadium and the World's Fair. Both spots are served by the same station. You walk to the right to reach the stadium, to the left to the Fair.

We dare say that there are many more folks here in Shea Stadium tonight than there are across the tracks at the Fair. There's not an empty seat in the bright, multi-colored structure which seats upwards of 55,000 for baseball.

The Dodgers may represent Los Angeles—and have for several years, but as far as many folks in this big metropolis are concerned, the Dodgers still belong to Brooklyn where they once performed in the cozy Ebbetts Field, now torn down to make way for apartments across the East River.

New Yorkers "love" Drysdale and Sandy Koufax as though they were still their own.

And New Yorkers love the Mets.

The Mets defy all the percentages. In our association with the Detroit Pistons, we keep hearing: "If your team would just win, you'd get some big crowds." One hears the same thing around Tiger Stadium these days where attendance is down, notwithstanding the fact the Tigers' record is much improved over a year ago at this time.

But look at the Mets. They're buried again in the National League cellar. As this game started they were 3½ games below the ninth-place club.

In most cities such a team would draw little response at the gate.

The Mets are different. During this particular week—first against the San Francisco Giants and now against the Los Angeles Dodgers—the Mets are enjoying a flood at the turnstiles.

In a period of seven days they'll perform before over 250,000 fans . . . despite the fact every Mets' home game is televised.

What's more, in color.

Why such enthusiasm toward the Mets?

"They may lose, but they are very exciting to watch," one usher told us as we wandered up the ramps to enter the stadium. (P.S.—After seeing the start of the game and three innings, we hopped into a cab, rushed to Kennedy Airport and hopped aboard an American Airlines Astrojet equipped with television. The pilot turned on the Dodgers vs. the Mets and we saw the rest of the game, including Drysdale's winning homer, while speeding back home. When the last out came, the plane was some 125 miles west of New York and cruising at 28,000 feet.

DOTS AND DASHES: Owner Fred Zollner of the Detroit Pistons was a very, very disappointed man after being turned down in his bid to land Michigan's Cazzie Russell for the 1966-67 pro season.

As Jerry Green pointed out in the Detroit News and Jack Saylor said in the Free Press, Zollner always helped his brother owners in the National Basketball Association.

He voted for Philadelphia to get Wilt Chamberlain when the Stilt still was in high school. He did the same for Jerry Lucas and Cincinnati, even before Lucas entered Ohio State. Zollner reportedly helped other owners with dollars when they found themselves in tough situations.

But when he personally asked for a favor, the answer was "no." Only the Champion Boston Celtics and the Philadelphia 76's supported the Pistons' boss.

Zollner and Detroiters aren't alone in being disappointed. In New York Friday, one prominent sports writer told us: "The Pistons received a bad shake. A very bad shake."

Plymouth AL Stars Win, 5-4

The American Leaguers rallied in the last half of the ninth inning to score twice and defeat the National Leaguers 5-4 Saturday in the annual All-Star game on the Little League field before a crowd of more than 700.

Three players from each team in each league participated in the annual game which comes at the conclusion of the first half of the schedule.

Tryouts for new registrants and practice for the Minor Leagues will start at 1 p.m. next Monday. Any boys not currently set to play and desiring to have a tryout are urged to contact Max Sommerville (453-8215) or Joe Bida (453-1556).

Featured tennis activities will include a novice tournament from July 28 to August 1, and an inter-city league for various age classifications.

Brazil Quits at St. Agatha

To the surprise of few, Coach Dave Brazil has resigned after coaching football, basketball and baseball at St. Agatha high school.

Brazil has accepted a similar post at Benedictine High in the Catholic League's Double A division where he'll have to buck such powers as St. Ambrose, long one of the top prep football teams in the country.

Brazil also will teach at Benedictine. While serving at St. Agatha, he was a commuter, teaching at a junior high in Berkley before rushing to take over his coaching.

For at least two years, rumors had circulated that the popular Brazil was due "to move up" in the coaching ranks.

During his reign at St. Agatha he built strong teams in all sports. He capped a very successful career at the school during the past year by leading St. Agatha to an unbeaten season in football, along with a divisional title, and also the school's first baseball pennant.

St. Agatha never before had gone through any season without losing until the gridders did the job. They won six and tied one.

"Naturally I was hopeful of someday moving up as a coach," said Brazil, "but this was a pretty sudden thing. They came to me and the offer was too good to turn down."

Pirates Take Redlegs, 3-0, in Redford LL

A 3-0 victory by the Pirates over the Redlegs was marked up June 3 in North Redford Township Little League play. The Giants beat the Dodgers, 4-0, and the Braves defeated the Cubs, 9-0.

Tommy Robertson pitched a no-hitter for the Braves in his first start. That makes five straight for the high-flying Pirates. Randy Ferguson won his third game.

In Minor "A" league play, the Dodgers beat the Braves, 9-1, Tim Hall pitching a three-hitter. The Pirates overcame the Giants, 14-9, and the Redlegs beat the Cubs, 22-2. A 28-2 score saw the Giants defeat the Dodgers, while the Braves beat the Cubs, 12-5, and the Pirates beat the Redlegs, 14-13. All All Minor "B" games were rained out.

Standings:

Pirates	6	0
Giants	3	2
Braves	2	3
Dodgers	2	3
Redlegs	2	3
Cubs	1	4

Thurston Coach Goes To College

Bob Leggat has taken leave of Thurston high as baseball coach.

He's accepted a coaching job at Schoolcraft College where he will assist in basketball, handle a spring sport and also teach in the physical education department.

"This is something I always wanted to do," said Leggat. "I think every coach aspires some day to work with college boys. Schoolcraft is growing and so is the school's athletic program, which next year will include cross country, basketball, swimming, tennis and golf. We're very hopeful to add baseball in the next year or two."

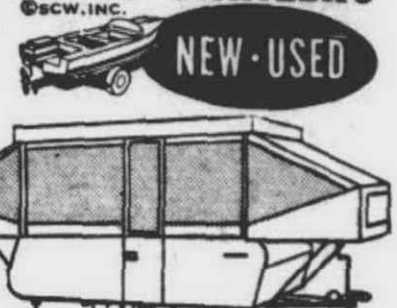

Schoolcraft already has been accepted into the Michigan Junior College League, joining such teams as Port Huron, Flint, Traverse City, Alpena, Jackson, Grand Rapids and Henry Ford of Dearborn.

Leggat was connected with the South Redford school district for six years. He taught at Pearce Junior high where his basketball team lost only two of its last 26 games.

In baseball, South Redford won 52 and lost 14 and boasted such outstanding players as Bill Wooley, Rick Harlow, Arnold Helwig, Terry Rothwell and Lou Banwert.

Michigan's 16,500 manufacturing establishments employ an estimated 1,062,000 people.

Weekend of Folk Music Scheduled

An exciting weekend of folk music in the country will be the program offered at Circle Pines Center June 26 and 27.

Of interest to anyone who enjoys folk music, the weekend schedule will include workshops for guitar and five-string banjo players, beginning and advanced, as well as informal hootenannies, get-togethers and one formal program.

The weekend will be under the direction of Livonia's Lib-

rary Director, Skip Rosenthal. He is an accomplished five-string banjo player performing on the instrument in a wide variety of styles. He'll be assisted by guitar player and folk singer Alice Kujath, a popular performer in Livonia.

The general recreational facilities of the camp will also be available during the weekend.

Circle Pines Center is a family camp located on Lake Stew-art near Delton, Mich., a three-

hour ride from this area. It has been in operation since 1939, offering unusual and imaginative family camp programs during the summer months and on the weekends throughout the entire year.

Private cabins are available as well as ample space in the

camp's park-like tenting grounds. Meals are served family style in the central farm house.

For more information, call GR 6-1859 or write for reservations to: Folk Song Weekend, Circle Pines Center, Delton, Mich.

Summer Band Concerts Slated for Farmington

All musicians in and around Farmington are invited to join the Farmington Community Summer Evening Serenade Band for its eleventh season.

The group will rehearse in the band room of the Farmington Senior High School every Monday and Thursday evening from 7:15 to 9 p.m., beginning Thursday, June 24.

Included on the agenda for the band this summer, will be several concerts in the community.

The music which the band will perform will include marches and selections from standard band literature as well as a great deal of lighter, more modern music such as that from popular Broadway musicals.

In the past ten years, the band has grown to be a tradition in the community.

Livonia Skater Eyes National Championship

A Livonia roller-skating enthusiast — already the state champion in three divisions — will roll her way to Long Beach, Calif., next

DIANE

month to compete in the National U. S. Championship meet.

Diane Blake, 19, daughter of Mr. and Mrs. Andrew C. Blake Jr., 9802 Denne, won the Michigan state championship in senior ladies singles, senior ladies pairs and junior mixed pairs at the state meet in Plainwell.

A veteran of eight years in amateur roller skating, Diane has won 15 state championships. She is a member of the Riverside Figure, Dance and Speed Club in Livonia.

2 Big Events Head Card At Hazel Pk.

Racing Secretary Ray Hopton will offer two big races to top off another outstanding ten-event program at the Hazel Park Race Track Saturday, June 19. They are:

- ★ The \$7,500 Dominion Day Handicap for three year olds at six and a half furlongs.
 - ★ The \$12,500 added Royal Oak Handicap for three year olds and up at a mile.
- Hopton has done a remarkable job of assembling race cards, day after day, that offer exceptional competition. Hazel Park this year has more good horses than ever before, and Hopton is making the most of his opportunities.
- Nine races are offered daily (except Sundays) at Hazel Park with ten races on Saturdays and holidays. The post parade for the first race begins at 3:20 on weekdays and at 2:10 on Saturdays and holidays.

Outdoor Art Show Slated

On June 27 area artists will exhibit at the Farmington Senior High School from 1 to 7 p.m. An outdoor show, the works will be hung on the cyclone fence surrounding the athletic field.

The artists themselves will be on hand throughout the show to answer questions and inquiries concerning their work. Some 20 artists have registered thus far.

This is the second annual staging of the show.

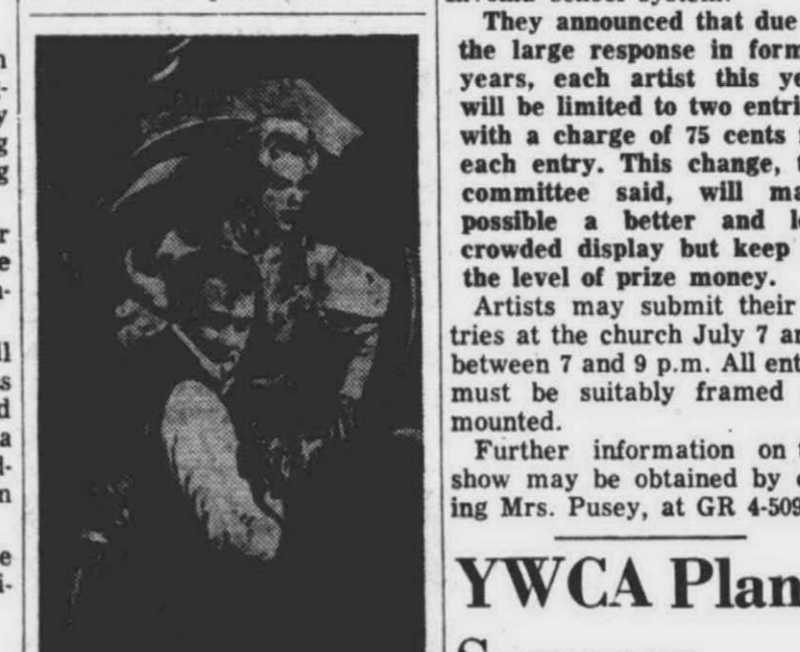

A majority of the items will be on sale at moderate prices. Although most of the registrations thus far are oil paintings, it is hoped that all the various media will be represented.

Mrs. Alice Nichols, Farmington Adult Education oil painting instructor, is show chairman.

Art Show at Farmington Church Scheduled for July

An artistic tradition of seven years' standing will be carried on with the opening of the 7th Annual Art Exhibit of Farmington July 11 at the Universalist-Unitarian Church of Farmington.

Artists from all over the metropolitan area are invited to enter paintings, drawings, graphics, sculpture, jewelry and ceramics in the show, which will be open to the public from 11 a.m. to 3 p.m. and 7 to 9

EDWARD JUDD and Martha Hyer climb from their primitive space craft to explore the caverns of the moon in "First Men in the Moon." The Columbia Pictures release comes to the P&A Theatre in Plymouth June 15.

UM Prof. to Speak

Guest speaker for the Metropolitan Creative Art Guild's Annual Banquet will be Guy Palazzola, professor of art in the University of Michigan College of Architecture and Design. The banquet will be held at Hillside Inn on June 14.

Mike Church selected the painting "Spain," done by Jean Her to represent the Guild at the Annual Michigan Amateur Artists Show to be held at the Rackham Building in Ann Arbor in July.

YWCA Plans Summer Trips

What is there to do? Does this sound familiar after school is out? Well, the Western Wayne County YWCA has anticipated that out of school slump and prepared four Wednesdays of fun for girls 11-14 years old.

The program consists of trips to Greenfield Village, the Detroit Zoo, the Art and Historical Museums and the Metropolitan Airport. This all starts on June 23 and ends on July 14. Girls will be picked up and returned to designated Junior High Schools in their community.

Call the Western Wayne County YWCA, LO 1-4110 for further information or registration.

Wally Roberts 'CURTAIN' GOING UP

"How To Succeed in Business Without Really Trying" rolled into the Fisher last week. Although this musical is almost three years old, the dialogue and dancing had the perkiness of opening night on Broadway.

Ronnie Welsh, Jeff De Benning, Maureen Arthur, William Major, Suzanne Menke and Pat McEnnis constitute a spry sextet that push the musical along at break-neck speed. "How To Succeed" is really a three hour musical that zips in a little under two hours and a half. The professional polish applied by this talented group of performers accounts for the happy speed of the performance.

Old Wally omitted one other performer that does a superb job. Joe Cowan is only in two scenes of the show, but he stops the show in both instances. His first appearance as the head of the mail room paves the way for the song "The Company Way." Joe projects this song with the vitality of a twenty year old. Forty years ago Joe could see the figure "twenty" on his birth certificate.

In Act II he breaks up the show with his rousing rendition of "The Brotherhood of Man." His song and dance ability began decades ago on the old Loew's and Pantages vaudeville circuits. Joe is one of those old timers you see only rarely. His pleasing manner reminded me of those olden golden "two-a-day" vaudeville shows.

Too bad the Fisher management can't hold "How To Succeed" for another three or four weeks. Everyone should go and see this cast. Somehow the producers have managed to assemble the right combination of show folks for this warm, most satisfying production.

Community theater members that might be considering this show as part of their 1968 season should see what zip is necessary to stage it.

The express-train pace necessary to keep this show on the entertainment track is not an easy task. "How to Succeed" succeeds by virtue of its split-second timing and rapid fire scene changes. Act I fairly flies by; Act II with its exhausting dance numbers climax the entire proceedings in a flurry of real activity. The musical at the Fisher serves as an excellent object lesson in pacing for all community theater groups.

Over in Canada another example of the best in theatrical know-how exists: The Stratford Shakespearean Festival. Three plays ("Julius Caesar," "Henry IV" and "Falstaff") will open this week for a four month's run.

Season number 13 opens on Monday, June 14 and will continue until October 2. In addition to the three plays opening this week, a fourth classic will be added July 26, "The Cherry Orchard," by Anton Chekhov.

Two operas, sung in English, will be presented at the newly-decorated Avon Theater. "The Marriage of Figaro" will be repeated from last year and "Mahagonny," a Kurt Weill opera, will have its premiere July 2.

What keeps the crowds coming back to Stratford?

A style of production that is yet to be captured by any other Shakespearean troupe in North America. The plays as presented by the Stratford Shakespearean troupe are vivid, simply brilliant, in the realm of physical movement. The many entrances (9 in all) allow vast freedoms for every conceivable type of action. The swirling, jostling figures upon the open stage become real, living people. You feel caught up in the action.

Once you experience a performance at the wonderful Stratford Shakespearean theater, you seldom get a summer pass without re-visiting. Our expressways have now made the trip over to Stratford a mere three hour jaunt. Drop a card to Jack Karr, Stratford Festival, Stratford, Ontario. He will send you a brochure giving all the pertinent details about dates of performances, cost of tickets, and how to make reservations. If you have yet to visit the Festival, make a vow that this is the year to take off a day for this event. You'll never be sorry.

Swimmers To Sign Up

Parents wishing to enroll their children for summer swimming instruction in Garden City may do so this week at the Log Cabin in the City Park.

The instruction, under the supervision of the Parks and Recreation Department will begin on June 28.

Reservations are presently being taken on the first-come, first-served basis so early reservation is advised.

For more information residents may call 422-7060.

Summer Classes in Art, Piano Start June 21

The Suburban Conservatory, Five Mile and Inkster, is presently registering children for summer instruction in piano and art classes. Rita Lopez and her professional staff of four instructors offer a wide variety of piano classes.

Summer school will mean a daily program for the children. Three two-week sessions will be offered. The first session will begin on June 21. A second session begins July 5. Third session is set for July 19.

Preparatory keyboard classes for children from five to seven has been a popular class. Through this class, parents are able to determine the abilities of their children before making an investment in a piano.

Classes in piano for students of all levels (beginners, teens, adults) will be scheduled this summer. Private instruction is available.

Art instruction in drawing and sketching will be held outside in Bell Creek Park, directly opposite the Suburban Conservatory. Qualified instructors will hold classes for either beginners or advanced students.

News Of Cub Scout Pack 168

Cub Scouts of Pack 168, sponsored by the Ten Mile P.T.A., has been busy working on many badges and arrows. Evidence of this work was seen at the April and May pack meetings when the merits of achievements were awarded.

In April the following awards were made: James Eveleth, Bear badge; Curtis DeMarco, Lion badge; Carl Brodie, Gold arrow; Ron Maniewski, Silver arrow; Steve Lord, Lion badge, gold and silver arrows; Durk Moore, Bear badge; Jim Kurtz, Wolf badge, gold arrow; Steve Lord, Webelos Patch; and, Carl Emmert, Webelos patch.

Last Friday, May 21, Cubmaster Don Lord was presented with a Pack Leader Appreciation Certificate. Other awards presented by Achievement Chairman, Harold Bevan, included: Alan DeMarco, Bob Cat pin; Peter Koinis, Denner; Richard Pryor, Bear badge, gold and silver arrows; David Harrison, Den Chief Appreciation Certificate; Jim Horn, Bear badge, Ron Maniewski, gold arrow; Larry Thompson, silver arrow, Assistant denner; Steve Whaley, Bear badge; Tom Sheibels, Wolf badge, Gold arrow and two silver arrows, denner strip; Mike Dielendein, Den Chief Appreciation Certificate; James Kurtz, Gold arrow, denner strip; Mike McCaughan, Bob Cat pin, Assistant denner; Chris Plagens, Gold arrow; Durk Moore, Silver arrow; Craig Bevan, Silver arrow.

Highlighting the May Pack meeting was the safety program presented by Sgt. Harrison and "Dr." Watson of the Farmington Police Dept. The demonstration of mouth-to-mouth breathing greatly interested all the Cubs.

Plans for the pack picnic to be held at Kensington on June 27th beginning at 10:30 a.m. were presented by Gus Trikes. All of the Cubs will participate in a Pinewood Derby and games and races for the whole family will guarantee a fun-filled day.

Scouts To See Tigers

Cub Scout Pack 45 of Farmington will attend the Detroit Tigers-Kansas City Athletics baseball game Saturday, June 19. Transportation to Tiger Stadium will be by chartered bus.

Those making the trip are requested to meet at the First Methodist Church of Farmington at 11:45 a.m. The group will return to Farmington about 5 p.m. Tickets may be obtained from Ned W. Harrington at GR 6-0112.

THE BILLBOARD

Fisher Theater "A FUNKY EVENING WITH BELAFONTE" opens on Monday, June 21. Toronto O'Keefe Theater reports that Harry sold out every performance for three weeks. Get your tickets now. Will be in for two weeks only.

Northland Playhouse "A FUNNY THING HAPPENED ON THE WAY TO THE FORUM." Northland season is off to a fine start. "A Funny Thing" is off to a fine start. "GIGI" with George Hamilton next attraction. Masque Theater "EMIL AND THE DETECTIVES" opened June 16. Louise Martin from the Livonia-Redford Players Guild has a featured part. Will play for five more weeks.

"A Funny Thing..." Opens at Northland

"A Funny Thing Happened on the Way to the Forum," long-run Broadway musical comedy hit, opens the Northland Playhouse 10th Anniversary summer season on Wednesday, June 16, with Danny Dayton, who played the same role in the New York version, as the head hilarity hawker.

Based by its authors Burt Shevelove and Larry Gelbert

Local Girl Appeared at Cass Tech

Peggy Udman, daughter of Mr. and Mrs. Edward L. Udman of 19384 St. Francis, Livonia, appeared in the female role of Rosie in the Cass Technical High School Production of "Bye Bye Birdie."

Performances of the production, sponsored by the Music and Performing Arts Curriculum at Cass, were scheduled for June 3 and 4.

Peggy, a music major, has played in the Cass Tech Symphony Band and the Detroit Women's Symphony Orchestra. She is vice president of the Student Council and secretary of the National Honor Society at Cass.

A senior, she is enrolled at the University of Michigan to study music this fall.

In Dominican Waters

Ship's Serviceman Seaman Donald C. Whitbeck, USN, son of Mr. and Mrs. V. B. Whitbeck of 31207 Kendall, Livonia, is serving aboard the attack cargo ship USS Capricornus in the Dominican Republic.

on hilarious situations derived from seven different farces of Plautus. "A Funny Thing" presents the same wacky situations that set audiences roaring with laughter in the Colosseum around 200 B.C., and the same that have been borrowed down the centuries by such other authors as Boccaccio, Rabelais, Shakespeare, Moliere—as well as by George Abbot in his book for the Rodgers and Hart musical "The Boys From Syracuse."

Danny Dayton will be seen as a slave-in-a-toga who creates uproar as he tries to gain his freedom by catering to the yearnings of his master. Also included in the cast are Eddie Phillips, Avril Gentles, Don De Leo, Erik Silvy, Linda Donovan, Bernadette Brooks, Irv Harmon and many others.

"A Funny Thing" will run through Sunday, June 27, and will be followed by the Broadway hit "Gigi," starring screen luminary George Hamilton, to open a week's engagement on Tuesday, June 29.

Pianists To Play In Sunday Concert

A varied selection of popular and classical music will be played Sunday at 2 p.m. at the Memorial Hall in Garden City by piano pupils of Mrs. Robert E. Hall, local teacher.

The public is invited to the free concert which will feature David and Paul Oswald, Barbara and Beverly Chlopan, Pat and Janice Wysocki, Nancy and Marjorie Willett and Victor Johnson.

Farmington was a haven for runaway slaves on their way to Canada as early as the 1840's. In the years that followed, the area became a major stopoff point in the Underground Railway System.

Local Woman Tops Drive for Migrants

Wayne Western Deanery of the Detroit Archdiocese Council of Catholic Women has set June 19 as the collection date for articles donated for the Migrants.

Mrs. George Enot, President of the deanery announced that Mrs. Edward Bales of Plymouth and Mrs. John Sullivan of Livonia are directing the activity this year.

The purpose of the Migrant Committee is to aid needy farm workers who come to the Detroit area annually. Spiritual, social and physical help is given. Individual parishes in the deanery area are conducting drives for used wearable clothing, canned and boxed foods and also money for this cause.

Dr. Preus To Speak Sunday

"The Mission of Concordia Seminary and The Lutheran Church—Missouri Synod" will be the topic of the Rev. Dr. J. A. O. Preus' sermon June 20.

Dr. Preus, president of Concordia Seminary in Springfield, Illinois, will preach at the 8:30 and 11 a.m. services at Hosanna Taber Lutheran Church in Redford Township.

The guest speaker is in Detroit for the 47 Tri-ennial Convention of The Lutheran Church—Missouri Synod. The public is invited to the June 20 services.

Mercy Offers Theatre Course

If you want to learn the difference between being stage-struck and striking scenery, Mercy College of Detroit Summer Theatre Workshop is designed to define the terms in the backstage classes starting June 24.

Every step in play production from audition to opening night will be taken by participants in the five week course. Principles of direction, acting and design will be applied in the production of two distinct types of plays to be produced the weekend of July 29.

Four-hours credit may be earned by college students, a certificate by high school students.

Named Pastor

The Rev. Donald Muench, part time minister of visitation at St. Paul's Presbyterian Church, has been named pastor of the Winchester Village Presbyterian Church in Detroit. Rev. Muench was a member of St. Paul's staff for six months.

Newburg Women Install Officers

Jean Blaisdell is the new president of the Women's Society of Christian Service at the Newburg Methodist Church. Dorothy Greer has been named honorary president.

Other officers recently installed by Rev. Paul Greer, minister at Newburg Methodist, are: Edna Smith, vice president; Fran Smith, recording secretary; and Vera Guthrie, treasurer.

Named secretaries of the various committees were: Margaret Ayers, membership; Viola Trembath, spiritual life; Martha Van Voorhis, missionary education; Gladys Arnold, Christian social relations; and Virginia Meyers, program materials.

Also named to posts were: Dorothy Greer, supply work; Jean Bennett, campus ministry; Elaine Braun, publicity; and Sandi Gramow, local church activities; Florence Crawford, wedding chairman; Carolyn Seaman, baby sitting chairman, and Edna Venturino, librarian.

Jean Epley and Shirley Kelly were named to the posts of dining room chairmen.

Father's Day Observance Set

Father's Day will be observed both morning and evening at the Southfield Community Church.

At the morning service, the John Brown University Harmonies of Siloam Springs, Arkansas, will present a special musical program, and there will be a special recognition time and prayer for fathers. The Harmonies are a group of students from the John Brown University, traveling throughout the United States this summer to represent the school.

In the 7 p.m. service, a film-strip, "Trophies of Grace" will be shown.

Discover God's Word Is Theme

The Clarenceville Methodist Church has scheduled its Daily Vacation Bible School from June 21 through July 1 at the church on Grand River in Farmington.

Theme of the school is "Discover the Wonder of God's Word in Vacation Bible School." Children from four to 17 are invited to attend. Three buses will provide necessary transportation.

Bible School Set

Vacation Bible School will be held June 21 through July 2 at St. Matthew Evangelical Lutheran Church. The school will be held at the church's new location on Venoy Rd. Course theme will be "God's Children Pray." Classes will be open for children from Nursery school age through junior high.

School Opens

The Garden City Church of Christ, announces its annual Vacation Bible School, June 21 to 25. The theme for this year's studies is "Give Me The Bible."

Good Hope Celebrates

Good Hope Evangelical Lutheran Church in Garden City will observe the 10th Anniversary of its organization June 20 at the three morning services, held at 7:30, 10 and 11:30 a.m.

On June 19, 1955 the congregation had 128 confirmed adults and 113 children as members. During the past 10 years the number has been increased to 222 confirmed and slightly more than 800 children.

Rev. George H. Volkmar served as Mission Developer, beginning work on Nov. 1, 1954 and has continued as Pastor since the organization of the church. An assistant Pastor, Rev. E. Harold Hammar, was named last February.

First services were held in the Lathers School in Garden City until the first building was erected and ready for use in Aug. 1958. A second unit was constructed in April, 1961.

Rev. Miller Honored

The congregation of Epiphany Lutheran Church in Plymouth honored the Rev. John W. Miller and his family on June 6 at a farewell reception. Pastor Miller is leaving Plymouth to assume the duties as camp director of MICH-LU-CA, the Michigan Synod Camp of the Lutheran Church in America at Fairview, Michigan.

First Baptist Church of Plymouth Is 135

Last Sunday the First Baptist Church of Plymouth observed the 135th anniversary of its founding. This is one of the oldest churches in the area.

Today the congregation, which is housed in the first building constructed in 1856, numbers 250. On March 6, 1830 a total of 15 persons gathered to organize a Baptist Society.

On June 9, 1956 the Society was officially recognized as a church.

The Plymouth church has just purchased four and a half acres on North Territorial Rd. and Rev. Donald E. Williams, pastor of First Baptist, said that construction on a new building will begin "probably within the next three years."

Dr. Benjamin Browne, president of Judson College in Elgin, Illinois, spoke at the 11 a.m. service Sunday. Dr. Browne is a former editor in chief of the American Baptist Publications and former president of the American Baptist Convention.

A dinner for the church family followed the service. Mrs. Dale Arnold and Mrs. Ken Thorpe were co-chairmen of the dinner.

Speaker at the dinner was Dr. A. L. Farrell, executive secretary of the Michigan Baptist Convention. He brought greetings to the Plymouth congregation from the Michigan Convention.

Organized as the Plymouth Village Baptist Society in 1846, the congregation held its first meeting in Plymouth Village in the school house on Feb. 14, 1846.

In Feb., 1856 the congregation constructed its own building which is still in use on Mill St. Renovations were made to the structure in 1900 and the education unit was constructed in 1948.

Enlargements were made to the sanctuary and the educational unit in 1951.

The oldest living member of the congregation is Mrs. Helen Shackleton of Main St., Plymouth.

Senior Class Will Retain Memories

By PAT ST. ANTOINE and BONNIE POWERS

"We must remember our past to better our future" is the senior class motto for the Garden City High School senior class of 1965.

Although the sad thought of graduation will soon be here, seniors will have many cherished and dear memories: the float, "Liberty Bell," that they worked so hard on for homecoming, and their class play, "The Male Animal," which was very successful.

The class officers who worked so hard this year were President Alan Tretway; Vice-president Leslie Walker; Secretary Carolyn Mason, and Treasurer Diane Engwis.

The class sponsors will always be remembered for their wit and good humor: Gerald Tschudi, chairman, "Seniors are the only ones that count." Jo Cathey, always singing Dixie; Nancy Dittmar for always demanding "quiet;" Francis Norton for his famous announcement, "Will the following seniors please report to my office," and Billy Jo Young for his outstanding writing assignments.

The members of the senior class will also remember their principal, Gerald Gould and assistant principal, Robert Boomer who helped make their special activities possible.

The last activity of the year for the seniors of '65 will be an all-night senior party, following graduation on June 17 from 12:30 p.m. to 8 a.m.

As the school news writers for this year may at this time wish the class of 1965 courage, faith to live by, and success in all you do.

A big thank you to Mrs. C. Haukkala for making this job possible for us.

Venetian Blind Job Awarded

Venetian blinds are to be installed in eight Garden City schools by Venetian Blind Industries which was the lowest of three bidders who sought the contract for the job.

This firm bid \$5,787 to do the work at Douglas, Farmington, Henry Ruff, Lathers, Memorial, Radcliff, Vogel and East schools. International Building Products submitted a bid of \$6,470 and Roberts Venetian Blind Co., a bid of \$6,791.

Ray T. Harris, administrative assistant, advised the Garden City School board that these schools come under the provisions of the National Defense Education Act (NDEA).

He said bids for five schools not covered by NDEA would be presented to the board on June 23.

High School Golf Tournament Set

Golfers from East and West high schools in Garden City will participate Tuesday in a Junior Golf Tournament to be held at Birch Hills, sponsored by the Garden City Junior Chamber of Commerce.

The winner will be awarded a trophy and is eligible to move on to the sectional tournament.

A FREEDOM FOUNDATION medal for distinguished dedication to the ideals of citizenship was presented to a Franklin High School teacher last week. Mrs. Sarah Dick (left), of 31561 Bridge St., Garden City, receives the medal here from Livonia Superintendent of Schools Benton Yates (right) during the school's Honors Convocation. Mrs. Dick is chairman of the Franklin Social Studies Dept. and with her husband has traveled in some 80 countries, lecturing and showing slides of life in America.

Two Teams Lead Softball League

The Garden City Recreation Softball League played an expanded schedule last week picking up four extra games which had previously been rained out.

After the dust had settled, the last of the unbeaten teams McK's Wyandotte suffered their first loss at the hands of Wolan's-Caldwell with a score of 10-9, and the once beaten Thunderbird Inn went the same route by a score of 6-5 against the "Giant Killers"—Wolan's-Caldwell.

In other league action, McK's Wyandotte added three wins to their record by trouncing Garden City Hospital 14-0, Tri-Merchants 14-4, and Joe D's No. 1 12-4.

Joe D's No. 2 also picked up three wins beating Garden City Hospital 29-5, Playmates 19-2 and a win over Santeiu & Sons via a forfeit.

Santeiu & Sons defeated the Playmates 7-3 and lost to the

Nankin Mills Sets Classes

Vacation Bible School will begin June 21 at the Nankin Mills Baptist Church on Ann Arbor Trail. "God and His Word" is the theme for the sessions.

Children from four years of age through the sixth grade will meet June 21 to July from 9 to 11:30 a.m. Seventh and eighth graders will meet June 21 to 25 from 9 a.m. to 3 p.m.

Ceiling Tile Approved

Acoustical tile will be installed in the ceilings of two Garden City junior high schools, following the awarding of two contracts last week by the Garden City Board of Education.

Service Arts Plastering submitted the low offer of \$1,400 to do the job at Burger Junior High and Owens Corning Fiberglass was the low bidder in the amount of \$1,104 for the work at Vogel Junior High.

Dad Finds Son Hiding in Tree

A little boy who likes to play hookey from school managed to elude searchers Friday in Garden City for a period of four hours.

After not showing up for his class at Marquette School, Billy Haguewood, 7, was finally found by his father, Lee A., hiding in a tree.

The child who lives with his parents at 31941 Kathryn was dropped off at the building at 9 a.m. by his mother. "He told us he was afraid he would be late for school," said Garden City Police Chief Robert Behrendt.

Police were advised that the boy had an inclination to skip school and had shown up when he had done so on previous occasions, but they set out to track him down.

Everything ended on a happy note when the father located his errant boy.

Ray Creith Elected State V. President of Michigan Elks

Ray Creith, past exalted ruler of Plymouth Elks Lodge 1780 who was recently elected Vice President at Large of the Michigan Elks Association, was one of the principals in the traditional Flag Day ceremony Sunday.

It was the 188th anniversary of the adoption of the Stars and Stripes as the official flag of United States.

New Teachers Need Homes

Do you have an apartment in Nankin you'd like to rent to a teacher? Would you like to offer that spare room you have to a newcomer in suburbia?

This year, the Livonia School Board will hire more than 350 new teachers to take care of the needs of its exploding school-age population.

According to Mrs. Zena Sperry, director of personnel, many of these new employees will soon be in suburbia to look for rooms, houses, or apartments.

WWI Veterans Have Program For "Queens"

"Queen for a Day" was the theme of the June 10 meeting of Farmington Barracks, Veterans of World War I, at which wives of members were treated to entertainment and a buffet lunch furnished by their spouses.

Entertainment was furnished by Berry Ellis, of Plymouth, who has a collection of more than 6,000 phonograph records dating between 1895 to 1937 in all categories of music.

Those relating to the period of World War I were of particular interest to the gatherings. Ellis explained the processes used in making the earlier records and named many of the oldtime stars as their recordings were played.

James R. Reeves is commander and Roi Mathieu is adjutant of the Farmington Barracks which meets in Farmington. Both are residents of Livonia.

VFW Auxiliary To Have Nine at Convention

Nine members of VFW Mayflower Post 6695 Auxiliary will attend the annual state convention in Lansing, June 24 to 27, when Mrs. James Rhind, of Wilmington, Del., past national president of the Auxiliary, will deliver one of the principal addresses.

Michigan state officers are: Mrs. Guy Brown, of Detroit, President; Mrs. Arthur Woodcock, of Lansing, secretary-treasurer; and Mrs. Leroy Pahl, of Jackson, publicity chairman.

Department conventions are held in the late spring for the purpose of electing officers for each state auxiliary unit and recognizing the work of the members of local and state levels. National officers for 1965-66 will be chosen during the 52nd annual national convention in Chicago, Aug. 13-20.

Those from the Mayflower Post Auxiliary attending the state convention include: Mrs. Lloyd England, Mrs. Hal Young, Marion Daly, Mrs. William Fletcher, Mrs. Abe Kooiman, Mrs. Duane Johnson, Dolly Bouterse, Mrs. Charles Skoglund and Mrs. Harvey Jones.

Cliff Manwaring, Veteran Attorney Succumbs at 59

Memorial services for Clifford Manwaring, 59, of 499 Auburn, Plymouth, were conducted in the Schrader Funeral Home in charge of the Dearborn Post 1404, VFW ritual team.

Mr. Manwaring, prominent Plymouth attorney and an unsuccessful candidate in the political campaign for Municipal Judge in March, died June 9 in the Veterans Hospital in Ann Arbor following an illness of several months. He had been an attorney in Plymouth since 1939, coming there from Detroit.

He was a member of the Michigan State Bar Association, Masonic Lodge 47, F&AM and of the Veterans of Foreign Wars. He served in World War II.

Mr. Manwaring was born Nov. 30, 1905 in Huron, S. Dakota, a son of Zimari and Nora O'Connor Manwaring.

Surviving are: his wife, Mrs. Dortha Manwaring; a son, Oliver of Phoenix, Ariz.; a daughter, Amicia of Phoenix, Ariz.; and two brothers, Walter of Huron, S. Dakota and Harry of Oceanside, Calif.

Michigan has more winter sports centers than any other state. An estimated 225,000 skiers in 1964 spent more than \$220 million at the state's 89 winter sports resorts.

SCHOLARSHIP to the University of Michigan All-State music program at Interlochen, from June 28 to July 11, is presented to Mary Ann Sincoc, daughter of Mr. and Mrs. Robert Sincoc, 1370 Penniman Ave., by Mrs. Norma Cassidy (right), chairman of the Business and Professional Women's Club scholarship committee, as Mrs. Hanna Strasen, her teacher for the past six years, look on. The award was granted on recommendation of Wayne Dunlap and William Grimmer to an outstanding music student. It was the first time the B&PW made a scholarship award for the Interlochen program.

LIVONIA EDUCATORS ASSOCIATION The Teachers Speak

By Lynn Q. Gilmore, Executive Secretary

"Time to Teach!" This is one of the greatest problems facing the professional educator in the United States today.

The average citizen never fully realizes the many duties and responsibilities that a classroom teacher must assume from day to day. Many of these duties infringe upon that ever-all obligation of teaching—the prime purpose of the education.

Lunch counts must be made; milk money collected; attendance reported; and reports filed. Papers must be graded; lesson plans developed; handicapped students helped; and discipline problems handled.

Films must be screened; books need to be ordered; current events need to be read; and faculty meetings must be attended.

And, a host of dozens of more things must be done, and all of them may cut into that valuable time between the beginning of school and the close of school that must be given to the children of Livonia.

Educators today have reach-

ed the point where they must insist that these hours remain as a "Time to Teach." Administrators must protect this time so that the program of instruction, which is patterned for the individual student, will not be interrupted.

As a professional association, Livonia educators are moving into the study of this ever-present problem. It is a major project which is being emphasized across the land by the professional associations.

Educators in Livonia want to present the best possible education for all Livonia youth. "Time to Teach" will guarantee that educational program.

Mrs. Yuhas Named To Lead Association

Mrs. Georgan Yuhas of 8649 Alper Blvd. is the new president of the Arbor Joy Civic Association in Nankin Township.

Other new officers, elected last week, are Mrs. Frances McClellan, first vice-president; Alex Piluras, second vice-president; and Mrs. Marianne Ruis, secretary-treasurer.

U-M Sends Out Orders For Tickets

ANN ARBOR—A total of 115,000 season ticket applications for Michigan's 1965 six home football games were in the mail today to prospective purchasers. Orders will be accepted at the Football Ticket Office starting June 15.

Mailing was directed at alumni in seven midwestern states in which Big Ten schools are located, plus Georgia and North Carolina, and to non-alumni who purchased tickets last year.

The Wolverines, Big Ten and Rose Bowl champions, will open their home schedule here, September 25, after playing North Carolina at Chapel Hill, N.C. September 18. The California game also will have annual High School Band Day as an added attraction.

University of Georgia will come to the Stadium, October 2, for their first appearance since 1957.

Michigan State will open the Wolverines Big Ten schedule here, October 9, followed by the Purdue game, October 16. The contest with the Bollermakers, only team to beat Michigan in 1964, also will mark Homecoming.

Fifth home game will bring Wisconsin to the Stadium, October 30, with the season's finale the traditional game with Ohio State also here. Last year's game decided the title as Michigan won 10-0 at Columbus.

The Wolverines' four road games include, besides the North Carolina contest, meetings with Minnesota at Minneapolis, October 23; Illinois at Champaign, November 6 and Northwestern at Evanston, November 13.

Livonia Boy Wins Chemistry Award

G. William Lawrence of Livonia was honored during Kalamazoo College's annual service of senior recognition. The ceremony took place June 4 in Stetson Chapel on the campus. Lawrence, the son of Mr. and Mrs. Homer Lawrence, 14336 Brentwood, won the Upjohn Award in Chemistry.

FATHER'S DAY '65

Greetings to Dad on His Day will travel half-way around the world to reach one Plymouth father, Stanley Chatfield of Arthur Street. His son, Ross, lives in a suburb of Auckland, New Zealand. Ross, his wife and two children have resided there for over two years. The climate is similar to that of Southern California but with more rainfall. They have the mountains, the sea and streams where the fish bite as soon as the hook is dropped in the water. They are planning a trip to Japan and Australia. Last winter (their summer) they enjoyed a six-week vacation to the South Island. Ross is an engineer with Federal Steel and is now working on a new airport on the North Island.

as starting in baseball during his days at Plymouth High School, he quarterbacked the football team for two seasons.

TO CANADA

Agnes Rollins and brother Duff Hupert from Warren have gone to Canada to visit relatives.

CARD PARTY

League of the Sacred Heart at Our Lady of Good Counsel will sponsor its annual Card Party on Friday, June 25, at the Church Hall. There will be door and table prizes and admission price will be one dollar. For reservations call Ruth Krump at GL 3-4082 or Eleanor Neault at GL 3-5497.

Livonian Joins In Recovery Program For Gemini Twins

Radarman Seaman John M. Farmer, USN, son of Mr. and Mrs. H. J. Farmer, 11845 Boston Post Road, Livonia, is serving aboard the destroyer USS Blandy, an alternate recovery ship for NASA's Project Gemini GT-4 orbital mission.

His ship was a unit of Navy Task Force 140, the primary recovery organization for the manned four-day, 1.7-million-mile space mission.

The Blandy was stationed in the Atlantic along the path of the Gemini spacecraft. A total of 10,300 Navy personnel, 22 Navy ships, and 41 Navy aircraft in both the Atlantic and Pacific were joined by units of the Army, Air Force, Marine Corps and Coast Guard to provide a world-wide location and recovery capability at sea.

Michigan's shoreline, second only to Alaska's, totals more than 3,000 miles including offshore islands.

70 YEARS BROUGHT many changes, but none so much as in the wedding gowns as shown above. The 1882 black wedding gown owned by Marie Jankow is modeled by Veda Vogel. Rosemary Butler arranges the skirt of her own wedding gown of 1945 for model Joyce Holda. Both were viewed by audiences in the fashion show of 10 bridal gowns representing a span of 82 years sponsored by the ladies at Trinity Church of the Brethren.

Fashion Show of Brides

Ladies at Trinity Church of the Brethren were able to use their beautiful new sanctuary for a mother and daughter tea Sunday afternoon. They put on a Fashion Show of Brides—beginning with a black (that's right, black!) wedding gown of 1882 owned by Marie Jankow and modeled by Veda Vogel. Next came a 1906 model belonging to Carrie Ferrier and worn by Gayle Gault. The 1945 wedding gown was first worn by Rosemary Butler,

ED AND DONNA SMITH of Greenland Ct. are justly proud of their Fancy Thorne... the 20 year old roan saddle horse walked off with a First Place in the Open Pleasure Class, then went on to take another First in the Open Pleasure Stake event. All this happened at the Plymouth 4-H Club Horse Show at Walter Kane's Woods and Waters Farm on Pontiac Trail last week. Sandy (Fancy Thorne's nickname) was ridden by Donna's niece, Barbara Baker. It was the first time he had been in competition in two years... "He just went right out there and showed those younger horses how a real pro works," says Donna.

ON SHADYSIDE this week, Audrey and Art Gotts welcomed home Art's sister Mary, her husband, Major Howard Ebersole, and their 15 year old son, Kurt. The Ebersoles have completed a three year tour of duty with the U. S. Air Force in Alaska and the family is enjoying a "homecoming" leave before they move to their next assignment in Newport News, Va.

Both Major and Mrs. Ebersole are graduates of Plymouth High School and many relatives—his and hers—are still living in the Plymouth-Northville-Livonia area. **CONGRATULATIONS TO THE JUNE GRAD!** Twelve year old Bruce Stoddard and his dad, Ken, popped a few buttons with pride on Saturday as mommie received her degree at Eastern Michigan. D. Woodward, New President B & PW

Livonia Business and Professional Women held their installation of officers Tuesday, June 1 at Garrett's Suburban Chop House. Olga Taylor, immediate past state president installed the following for 1965-66. President, Donelda Woodward; first vice president, Sarah Smith; second vice president, Rheeta Barkman; corresponding secretary, Jane Hopper; recording secretary, Patricia Krolkowski; treasurer, Carolyn Pope.

New Co-op Nursery Forming In Livonia

The Livonia Nursery, Incorporated, held a meeting at the Rosedale Presbyterian Church on June 7 for parents interested in working in the establishment of a new cooperative nursery in the north portion of Livonia. Virginia Kennedy, president, outlined the function and administration of a cooperative nursery. Twenty interested parents agreed to work in their area of interest. The temporary officers are Helen Cosens, Chairman; Helen Penhale, Vice-Chairman; Kathleen Carter, Secretary. A second organizational meeting was held at the home of Shirley Choss on June 14. A cooperative nursery is a non profit organization with the goal of bridging a gap between the home and elementary school. Each half day session is taught by a qualified teacher and assisted by mothers. Parents also handle the administrative functions so the cost is considerably less than other types. It also helps parents to learn about child development through such things as observation and participation at the sessions, workshops, programs at monthly meetings, and teacher-parent conferences.

A special guest was Dorothy Koenig from Bonn, Germany, who was in the United States several years ago as an exchange student, now back in action as a full-fledged attorney. Miss Koenig, as a representative of the Germany B & PW conveyed greetings to the Livonia Club and presented a gift showing the Germany B & PW emblem. Outgoing president, Eleanor Senkowski was presented with a scrapbook of the years' events and a past president's pin. A picnic will be held July 13 at the Hines Park Motel beginning at 6:30 p.m. The pool will be open for swimming. A smorgasbord dinner will be served at \$2.50 per person. Prospective members who would like to attend this picnic, the last get-together of the current year, are welcome. Reservations may be made by calling Donelda Woodward at Hines Park Motel, Rheeta Barkman, GA 1-9076 or Sarah Smith, at Asher Drugs, Livonia. The '65-'66 year will begin with the September meeting, second Tuesday of September. New members do not have to live or work in Livonia to be eligible. The theme for the year will be "Say Youth Education Service." A scholarship to Schoolcraft college for adult education; a nursing scholarship to St. Marys Hospital in Livonia; contributions and support to "Project Hope" are a few of the projects supported by the active Livonia Business and Professional Women.

ROSE JEWELERS PRE-SUMMER

CLOSE-OUT SALE ON ASSORTED GIFTWARE

We have a problem . . . and you can save money by helping us out! We are expanding our jewelry line but to do so we will discontinue our giftware department. Our problem is all the goods and articles and stock we have in the gift-ware department. There's about anything and everything you can think of and all of them ideal for bridge prizes, birthday gifts, anniversary presents, Christmas, Father's Day, showers, church bazaars and what have you. Because we do have to sell them immediately, you'll find some tremendous values. There's no limit to how many you can buy and it's a good time to stock up ahead for those special days that catch you unawares without a present. There's a lot of things you'll want to keep for yourself, too! Shop early and pick and choose from a large selection!

magnificent ASTRO-SONIC Stereo with MAGNA-COLOR TV

Revolutionary ASTRO-SONIC brings you the most beautiful music you've ever heard... It surpasses all previous achievements in the re-creation of music, and is ten times more efficient than the tube sets it obsolesces! Complete with: solid-state Stereo FM and Monaural FM/AM Radio, powerful solid-state Stereo Amplifiers, and four Magnavox high fidelity speakers. The exclusive Micromatic Player lets your records last a lifetime. Astro-Sonic parts are guaranteed 5 years, service for 90-days

Because the Micromatic Player banishes record and stylus wear, the Diamond Stylus is guaranteed 10 years—replaced by us upon return if wear develops in normal use.

*We provide service and parts—replace solid-state components if defective in 5 years under normal use.

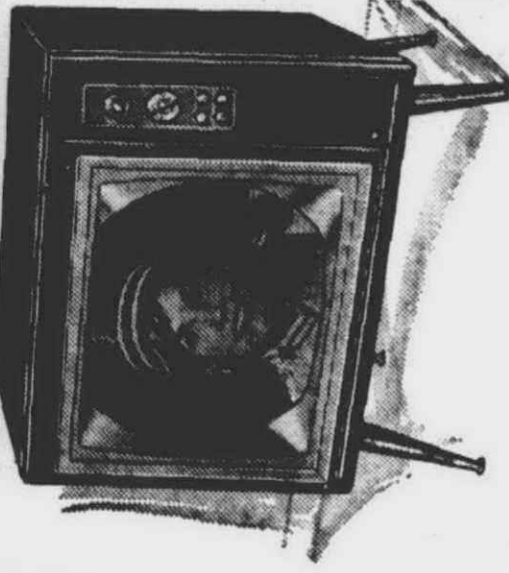

• NO MONEY DOWN

Costs you less than comparable units purchased separately! The Singapore 21—Far Eastern Contemporary model 1-1564 with 265 sq. in. screen. In Dark Walnut or Brown Mahogany finishes engraved on hardwood solids and hardboard. Also in Ebony, \$725.

- Brilliant Color Tube—gives you brightest, most vivid pictures—40% brighter than others.
- Chromatone—adds thrilling dimension, depth to color; warm beauty to monochrome—eliminating drab black and white pictures.
- Quick Pictures—come on in just seconds; four times faster than others.
- Color Purifier—(degausser) automatically keeps all pictures pure, both monochrome and color, even if set has been moved.
- Most Reliable—precision bonded circuitry just as in today's space-age military electronic equipment—assures trouble-free dependability. No old-fashioned "hand-wiring!"

Enjoy this fine Magnavox COLOR TV...
