

Finlan unveils new high-rise apartments, City tells Cape no

High-rise apartments may soon be constructed on a site on Main St. in the City, if the Commission can iron out all the legal technicalities.

The Commission heard a proposal from Patrick Finlan for a 39-unit, five-story modernistic high-rise apartment on land just south of Food Fair store on S. Main St.

Finlan indicated to the Commission, which was meeting in committee of the whole session Monday night, that his preliminary financing was complete.

The luxury two and three bedroom apartments will have two full baths, a built-in kitchen, a laundry and bulk storage space.

APARTMENTS on the fifth floor will have fireplaces, Finlan reported. A heated pool, elevator, a central television system are other features.

"These are first class apartments," Finlan noted. "Some of them are as big as a house. The three bedrooms have over 1300 square feet in them."

Finlan faces some problems. The land is presently zoned commercial, and the Commission, presently working

over a new zoning ordinance, must figure a way to allow the apartments to be constructed.

Monday night several of them appeared in favor of the proposal.

"It's time we get rid of the height restriction," Commissioner Arch Vallier said. "We have only one way to go, and that's up."

Vallier, along with other commissioners, suggested ways in which Finlan's project might be moved along.

He sooner or later must face a public hearing on the matter, at which time nearby residents may offer their opinions.

The Commission discussed the proposal at some length, even to the point of figuring out whether or not the new ladder fire truck could reach the top of the apartments.

It was decided it could. Finlan said he wanted to break ground in November, and get footings into before the frost set in for good in mid-December.

COMMISSIONER George Hudson urged the matter be turned over to the planning consultants Velican and Leman, for a professional opinion.

In the meantime City manager Richard Blodgett was

instructed to determine the quickest route of action for Finlan and his project. He is expected to report to the

Father of 3 dies in crash

Kenneth Thomas Evans, 44, of 15114 Maplewood Lane was dead on arrival at the Wayne County General Hospital early Saturday morning, Sept. 25, after the car in which he was a passenger was rammed broadside at a Dearborn intersection.

According to Dearborn police, the Evan's car was attempting a turn onto Outer Drive from Beech St. and turned into the path of a car driven by Duane Littell, 20, of Dearborn at 1:15 a.m.

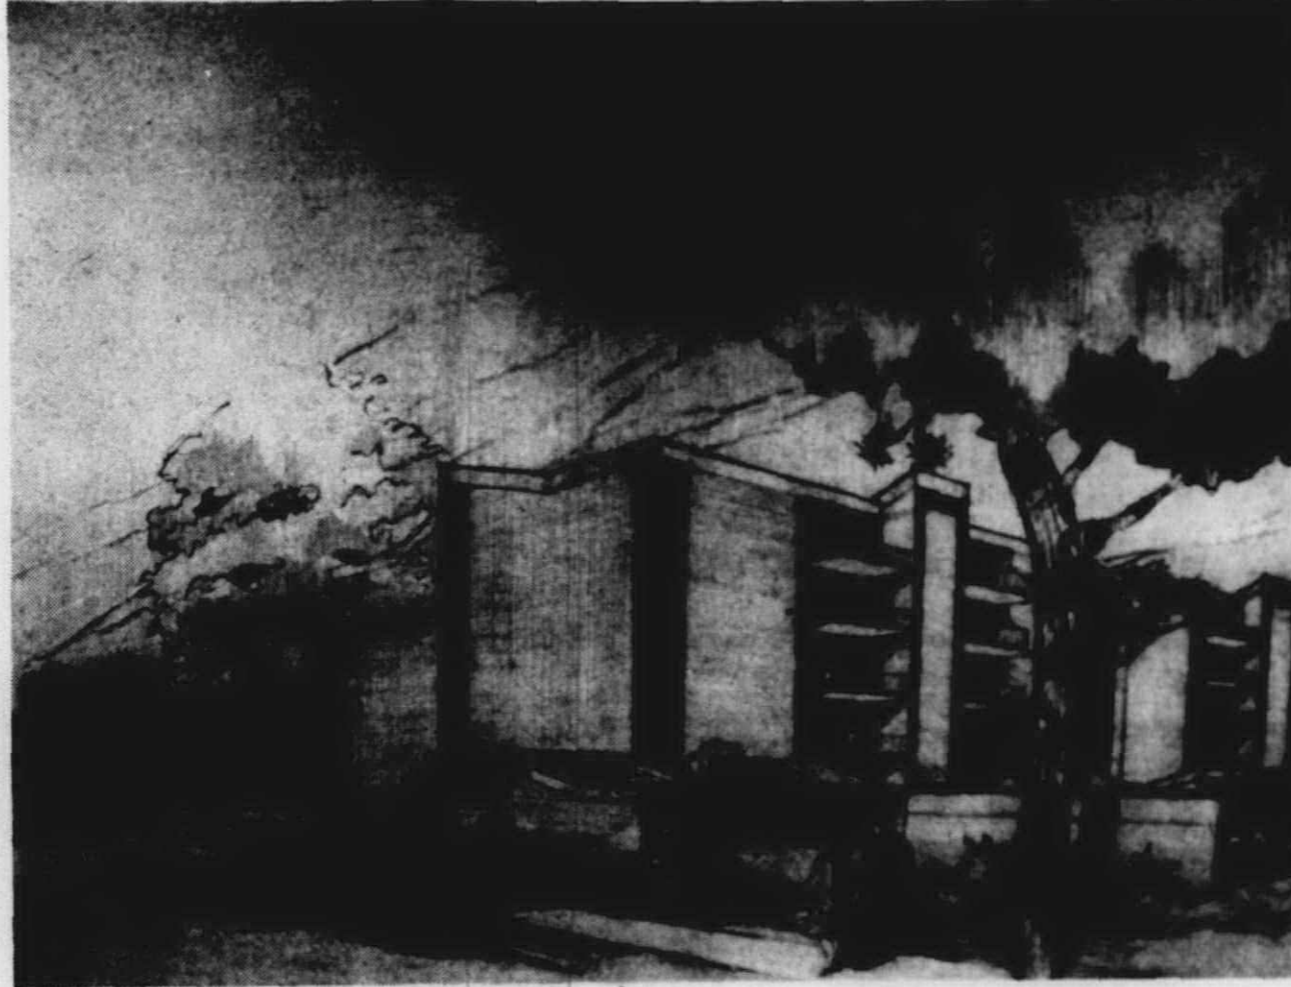

Littell was treated for minor injuries at Wayne County General and released. He was not cited by police.

Another passenger in Evan's car, Paul Carlton, 37, received a broken left leg and hand injuries.

Funeral services were held for Mr. Evans on Sept. 28 at the Schrader Funeral Home with the Rev. Patrick Clifford officiating. Burial was in Riverside Cemetery.

Mr. Evans was born March 17, 1921 in Swansea, S. Wales, Great Britain, the son of William H. and Edith (Quick) Evans. He moved to Plymouth in 1962 from Mt. Prospect, Ill. and was a marketing engineer for L.T.V. Aerospace Corp. He was a member of the Calvary Baptist Church.

Surviving are his wife, Grace; three sons, William, Kenneth, Jr., and James, at home; and his mother, Mrs. Edith Mary Evans of Plymouth.

FINLAN APARTMENTS, Plymouth's first high-rise development, were shown for the first time to City Commissioners Monday night. The modernistic five-story structure, to be located on S. Main St., will have 39 two and three bedroom apartments. The Commissioners turned the matter over to their planners, Velican and Leman, and to management, for action. Patrick Finlan is the developer.

Jenkins quits Board, will leave Plymouth

Robert Jenkins, recently elected member of the Plymouth Community School Board, announced Monday that he is leaving the community.

He will take a job with a major airline. He resigned his school post as of Oct. 15. In a letter to Gerald Fischer, Board of Education president, dated Sept. 27, he said:

"I deeply regret this action, but find it necessary in order to accept a position with a major airline which has corporate offices in New York City."

Jenkins was elected to his post in mid-June, topping incumbent Robert Utter by 145 votes, and winning over a field of four.

Jenkins campaigned vigorously on a platform of seven key issues, several of which he brought up at Board meetings during his short stint as a member.

HE WAS MOST vocal in his criticism of school plans and finances in his campaign, and at one point in early September lashed out at fellow board members for not providing a multi-purpose room in the new elementary school in Lake Pointe.

Jenkins, since taking office in late June, has been outspoken on several issues, including the new school in Lake Pointe, long range plans for the school system, and financing methods.

Jenkins, who holds a Ph.D. in financing public education from Ohio State University, (Continued on Page 10)

Carl Pursell to guide local GOP fortunes

Carl Pursell, of 449 Auburn St., was named to succeed Mrs. Roy Jacobus, of 1396 Elm St., as Organizational Chairman of the Wayne County portion of the Second Congressional District, following her resignation at the Thursday evening meeting of the local Republican organization.

The Wayne County portion includes the City of Plymouth, Plymouth Township and Northville Township.

An active Republican Party worker in Michigan who served on the Statutory Board of the 17th Congressional District until the realignment of the districts in 1964, Mrs. Jacobus said she will now be able to devote more time to her duties as member of the Second Congressional District Board.

In her resignation statement Mrs. Jacobus said, in part, "my resignation at this time will provide the new chairman with a full year to prepare for the 1966 election. This is important if we are to make the gains we want to make in 1966. I have worked for the Party in Plymouth and in the 17th Congressional District for the past 10 years."

"The time has come for younger people to assume the leadership. There will be many ways in which I can continue to serve; in resigning I pledge my full support to the new leadership."

The new chairman, a native of Plymouth and owner of Western Office Equipment, has been active in political affairs for the past several years. Campaign manager for Senator Farrell Roberts in last Spring's special election, Pursell is a member of the Republican State Central Committee's Task Force on Political Organization for the State of Michigan and served as Republican chairman for

Evans orders top \$21 million for '65

The freight car order file of Evans Products Company's Transportation Equipment Division has been increased by another 100 cars, it was reported today by James J. Conway, Vice President and General Manager of the Division.

The most recent order is from the Missouri Pacific Railway which has ordered 100 60-ft. box cars from Evans for delivery in the second quarter of 1966.

Each car will be equipped with Evans DFB damage-prevention bulkheads and with Hydra-Cushion shock-absorbing underframes.

Total selling price of the cars is in excess of \$2 million. The freight cars will be built and the damage-prevention devices installed at Evans' carbuilding facility at Plymouth.

THE MISSOURI Pacific car order follows closely on a

Delicious apples

Like some fresh red Delicious apples delivered to your doorstep?

Call the YMCA at 453-2904, and order.

The YMCA boys are picking apples at David Woods farm, 9000 Warren Rd., as part of a fund raising project during the next two weekends.

Prices include: Delicious, extra large, \$4 a bushel and \$2.50 half-bushel; Delicious, medium, \$3 a bushel, \$2 a half-bushel; Jonathan, \$2.50 a bushel, \$1.75 half-bushel; Winesap, \$2.75 bushel, \$1.85 half-bushel.

Orders will be taken, and delivered, or you can pick them up at the Credit Union on Harvey St., or at Woods' farm.

(Continued on Page 10)

20th Symphony season begins Sunday, Oct. 17

One of the largest civic orchestras in the country — The Plymouth Symphony — will launch its 20th season this month with an Oct. 17 performance.

Along with it will come the re-establishment of the Plymouth Junior Symphony under the direction of a music teacher new to the school system, Michael Endres. They practice every Saturday morning and need more members.

Endres is also revitalizing the school's string program. The 20th season will mark an all out effort for the Symphony. Grant Begelarian, director of Music for the Ford Foundation, will write a special anniversary symphony for a program next spring. It is expected that there will be an evening concert; other concerts are held on Sunday afternoons.

A SPECIAL committee will be appointed to set up the 20th anniversary celebration. James Thomas was recently named president of the Symphony Board, and three new members were added to replace resigning George Lawton and Sam Hudson. Robert Beyer, John R. Herb and Mrs. Marvin Sackett were named.

Soon special letters will be sent out to follow up the May membership drive.

Wayne Dunlap, who has been directing the group for 16 seasons, reports they have been practicing for about three weeks. He is "more than pleased" with the response, with over 95 reporting to each rehearsal.

Among the new things in the symphony is a Stradivarius violin, the famed handmade European instrument. The Symphony will be working with a \$14,700 budget.

SEVERAL Plymouth school students who attended summer music festivals at Interlochen near Traverse City will play in the Symphony this fall. They are: Robin Wideman, Jane Palmer, Stephanie Sanocki, Peter Sparling, Barb Boer, Andrew Wisniewski, Jeanne Thom and Pat Ross.

And the Junior Symphony will be playing again, after a lapse of two years. Conductor Endres' background includes:

Originally from Detroit, most of his school days were spent in Milford, Michigan.

His first experience with instrumental music began back in elementary school where he took private lessons on the violin. As there was no school orchestra, he later changed to the trombone in order to participate in the band.

Others in the cast include Ellen McNeiece, Merlin Heft, Linda Allen, Donnan McNeiece, Jim Darrell, Jimmy McNeiece, Barbara Fagan, Chris Holman, Mike Sissom and others.

Students of Denise Lorenze's ballet class will be featured as palace court dancers.

Kings, queen, knights of old along with ladies of the court will bring to life the pictures of fairyland that delights every child's heart.

The production is under the direction of Jacob Rump; Richard E. Brown will be producer.

PLYMOUTH'S STRING program should take a turn for the better this year as Michael Endres takes over the program. Endres is looking for string players for his Junior Symphony, which is sponsored by the Plymouth Symphony. The Junior Symphony will be active this year after two years with no performances. Anyone interested in either the symphony, or the string program, should contact Endres through the Plymouth Schools. Endres here is directing Jane Palmer.

NO PROBLEM:

Test reveals enough parking

The closing of the central parking lot between 7 and 9 a.m. withstood a one-day test Monday morning.

The City had approved the move to close the lot in the morning for cleaning, to discourage all day parkers. Several merchants and the Chamber of Commerce had complained that the lot was always full.

Last night City Manager Blodgett said the one-day test had told them all they needed to know.

The Commission agreed.

THEWEST told them there were enough spaces elsewhere for the employees of the businesses around the central lot.

Superintendent of Public Works Joseph Bida reported he closed the lot Tuesday morning, but Blodgett informed him of the late Monday night decision to end the test, and the lot was opened.

"I had four complaints," Bida said. "Harsh ones," he added.

Commissioner Arch Vallier urged that the test be continued.

"That's what the merchants asked for," he said.

Commissioner George Lawton said he felt there was no serious everyday problem in the central lot.

"Then why are the mer-

chants complaining?" Vallier asked.

He got no answer and the Commissioner told Blodgett to hold up the test.

"I don't see a need for more space at this point," Blodgett told the Commissioners.

Blodgett, Mayor James Houk, and Bida toured the

Plymouth night classes for diploma-seekers now free

Another block in the way of education for all fell in Michigan and Plymouth last week.

A recent ruling of the State education laws shows that now students enrolled in night school credit classes do not have to pay any tuition.

Residency in the school district is no longer a requirement, either.

Intent to earn a high school diploma is all that has to be shown for a dropout to return to school free, at night. The State will reimburse the district along State aid and membership lines.

ASSISTANT superintendent of schools William Harding

last week said the administration had instructed the High School and adult education director Herb Woolweaver in the new policy.

Provisions include: Any student now enrolled full-time at PHS who wants to take a credit course at night, will have to pay. The State will not reimburse on that grounds.

Any part time student from PHS, or any other school, can enroll, and the school will get a pro-rata share of aid.

Any PHS post grad may go free, if he or she has not reached a 20th birthday.

Any student, resident or non-resident, who is not enrolled in school may enroll free.

The action is based on Section 14-c of the latest State aid to education bill.

Harding emphasized two things about the new policy.

(1) Not only Plymouth, but all schools are involved in the State.

(2) Students attending during the day are not being encouraged to go at night. Basically the program is for high school dropouts, teenage or adult, who want to earn a high school diploma. Money no longer need be an object. However, they will still have to go through normal counseling and administration procedures to gain admittance to the classes.

A news release from Livonia's schools indicated they were adopting a similar policy.

Michigan citizens who have never finished high school and who wish to earn a diploma, may now enroll in Livonia. (Continued on Page 10)

Evans names assistant controller

John F. Hudson, formerly with the Budd Company in Detroit, has been appointed Staff Assistant to the Divisional Controller of Evans-Products Company's Transportation Equipment Division in Plymouth.

John F. Hudson

Hudson, who majored in accounting with the Walton School of Commerce in Chicago, served the Budd Company in various accounting capacities since 1927. His most recent position (1961-1965) was Manager of General Accounting in the Automotive Division Controller's office at the Budd Company in Detroit.

Obituaries

RICHARD R. FOERSTER
Funeral services will be held for Richard R. Foerster, 8181 Ravine Dr., at 3:30 p.m. on Sept. 30 at Schrader Funeral Home with the Rev. Paul I. Greer officiating. Burial will be in Riverside Cemetery.

Mr. Foerster, 48, died Sept. 27 at University Hospital, Ann Arbor, after an illness of 1 1/2 years. He was born in Detroit on Nov. 9, 1917, the son of Gottfried and Julia (Fisher) Foerster. He had lived in Plymouth since 1933 and was a bulldozer operator. He was affiliated with the Newburg Methodist Church, Livonia.

Mr. Foerster is survived by his wife, Alma R.; two daughters, Karen and Diane; two sisters, Mrs. Alma Foerster and Mrs. Gertrude O'Neill, both of Plymouth; and one brother, Norman, of Ann Arbor.

MRS. DONNA COLLEY
Mrs. Donna M. Colley, 34800 Pinetree Ave., Livonia, died Sept. 27 in St. Mary Hospital at the age of 60.
Born May 15, 1905 in Harbor Springs, she was the daughter of Thomas and Clara Bell (Carpenter) Robinson.
She lived in Livonia since 1947 and was a school teacher in the Livonia school system. She was a member of the Newburg Methodist Church of Livonia, a member of the Plymouth chapter No. 115 O.E.S. and a member of the White Shrine.

Mrs. Colley is survived by one son, John W. of Livonia; one daughter, Mrs. Paul (Doris) Myers of Livonia; and four grandchildren. Her husband, Joseph, preceded her in death in 1953.
Funeral services will be held Sept. 30 at Schrader Funeral Home at 8 p.m. with the Rev. Paul I. Greer officiating. Graveside services will be held Friday, Oct. 1, at Lakeview Cemetery, Harbor Springs.

PAUL B. KIRBY
Funeral services for Paul B. Kirby, 1012 Penniman Ave., will be held Sept. 30 at 1 p.m. at the Schrader Funeral Home. The Rev. Henry J. Walsh will officiate. Burial will be in Acacia Park Cemetery, Birmingham.

Mr. Kirby died Sept. 27 at St. Joseph Mercy Hospital, Ann Arbor, at the age of 74. Born Nov. 13, 1890 in Toledo, Ohio, he was the son of George and Catherine (Krieger) Kirby. His wife, Irma H., preceded him in death.

Mr. Kirby moved to Plymouth in 1951 and was a retired structural engineer for Albert Kahn Assoc. Architects. He was a member of the First United Presbyterian Church, the American Society of Civil Engineers, American Concrete Institute, and American Society for Testing Materials.
He is survived by one daughter, Mrs. Shirley Helen Lechner, one brother, George, of Toledo, Ohio; and three grandchildren.

More bad checks

City police once again urged local merchants to seek better identification of unknown check passers. Last week seven bad checks came back to police files from one man — Earl D. Harris, of Belleville.
No merchant can identify the man, assistant police chief Loren Johnson reports. In each case, the merchant failed to ask for proper identification.
Johnson urged that the driver's license number of the individual be jotted down on the back of the check. Anyone not showing proper identification should not have his check cashed, he said.

People you know

PFC Dale L. Cunningham, son of Mr. and Mrs. Russell Cunningham of Ball St., recently graduated from Fort Devens, Mass. as fourth highest in his class in the school for special training. He spent nine days with his parents and is now stationed in Germany for more training.

Mr. and Mrs. Clarence Schuler of Blunk St. are spending the winter at their home in Lake Worth, Fla. They will spend October in northern Michigan and New Jersey before traveling south.

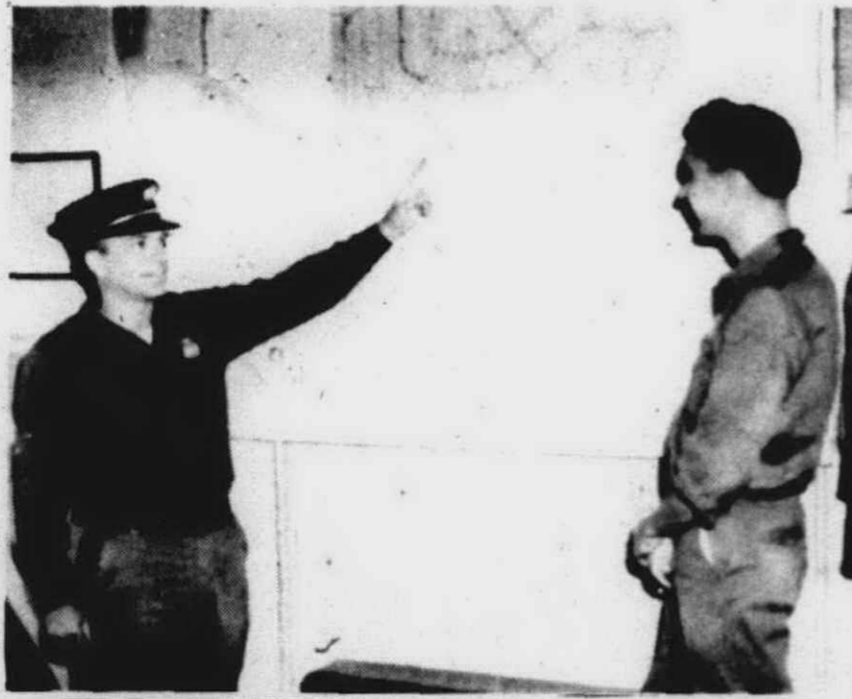

Mrs. James P. Parshall of Stonecrest Dr. attended the 25th annual convention of the Auxiliary to the American Osteopathic Association, September 20-23, at the Warwick Hotel in Chicago.

Money Taken

City police report that \$30 in petty cash was taken from Jack Selle Buick on Ann Arbor Rd. Saturday night. Entrance was gained by breaking a window.

Sally Fedus, daughter of Mr. and Mrs. R. A. Fedus of Lilley Rd., is a Peace Corps worker stationed at Puerto Perez, Bolivia. She is a community development worker in the Aymara village. After graduation in June, 1965, from Eastern Michigan University with a BA degree, Miss Fedus completed her Peace Corps training at the University of New Mexico at Albuquerque. She reported for a short orientation period at La Paz, Bolivia, before being assigned to Puerto Perez.

FIRE PREVENTION WEEK, next week, is an annual open house and public information campaign conducted by fireman. Plymouth Township Captain Barney Maas and regular fireman James Gignac look over a highly detailed map of Lake Pointe, which the department uses to pin point fires. Every house and road is located on the map, as are other Township areas on similar maps. Maas urged everyone to visit the station, and ask questions during next week.

Fire Prevention Week set for October 3-9

It is Fire Prevention Week in Plymouth, Oct. 3 through 9, next week and both City and Township firemen will hold open houses at the fire stations.

They also will be passing out red plastic fire hats and fire prevention booklets.

Both Captain Barney Maas of the Plymouth Township fire department, and George Schoenneman, assistant City fire chief, said the stations will be open, and someone will be on hand to show visitors through, demonstrate the equipment and answer questions.

Maas said he was planning a half-hour slide (color and tape) presentation of his department answering a fire call and of department equipment and personnel.

Schoenneman said he and his men will visit the schools with the trucks, pass out Junior Fire Marshall's Booklets with questionnaires. The school with the best return of the inspection questionnaires will receive a large bright red and white flag as a Junior Fire Marshal achievement award.

MAAS, however, indicated that his department would not come to the schools this year. Instead, refreshments will be served Thursday, Oct. 7, Friday, Oct. 8, and Saturday, Oct. 9, at the fire hall beginning at 8 p.m. Parents are urged to bring their children to the hall, located at 42350 Ann Arbor Rd.

Maas said the fire prevention week had become a large undertaking for his group. He also made special mention of Public Fire Enemy No. 1, and it prompted him to write the following for the Mail:

"At the top of the list of fire causes are smoldering butts and sparks from cigarettes and other smoking materials — responsible for tens of thousands of fires each year, according to National Fire Protection Assoc. studies.

"Yet it's the smoker — not the smoking, that's at fault: the thoughtless, negligent smoker who leaves a

dangerous trail of still burning butts wherever he goes is the worst kind of menace.

"Here are a few simple rules to transform a careless smoker into a responsible one.

1. If you smoke in bed, break this deadly habit at once. It is one of the most common causes of fire deaths.

2. Make certain your matches and cigarettes are completely out before disposing of them. Break the match between your fingers and grind the cigarette until the lighted end is cool to the touch.

3. Have plenty of safe ash trays around your house and office. A safe ash tray is large and deep, designed to hold a burning cigarette or cigar entirely within the ash tray so it can't fall out.

4. Every night before retiring, and especially after parties, look beneath sofa cushions and around the crevices of upholstered chairs. Any still hot cigarettes which have lodged in these spots can cause a deadly, smoldering, nighttime fire."

Need UF workers in Canton Twp.

Mrs. Frederick Green, Canton Township division chairman, has issued a S.O.S. call for volunteer workers in the township.

"Don't let petty excuses keep your fine assistance under a bushel. Let's get busy and accomplish this project," said Mrs. Green.

Those interested in offering their services are urged to call Mrs. Green, at GL 3-3399 today.

Statistics show Canton Township has been the recipient of assistance in 74 different cases. These include: child care, family, health, and nursing services, Campfire Girls, Boy and Girl Scouts and the Y.W.C.A., and Y.M.C.A. services.

These services are available to those in need. United Foundation under no circumstances is ever "too busy" to assist any qualified request. Make that call today, the number is GL 3-3399.

The deadline to enroll door bell ringers is Friday, Sept. 24. The campaign runs from noon, Oct. 12, through Oct. 22.

Jenkins leaves void

As of October 15, The Plymouth Community will lose a valuable asset when the resignation of Robert S. Jenkins from the Plymouth Community Board of Education becomes effective.

The recently elected board member announced his resignation this week — due to an unexpected personal opportunity which arose for him in another area. (See story on front page).

During his time on the school district's governing body, the Ph.D. whose doctoral thesis was devoted to financing public education made it quite apparent he was out to win no popularity contest.

And he made it clear that the status quo held no particular attraction for him.

In fact, Jenkins obviously ruffled a few feathers on the backs of incumbent board members with whom he had the courage to publicly disagree.

In his short tenure on the board, Robert Jenkins was tagged by some in the community whose special delight comes from affixing labels to public figures.

These are the persons who, before the election, contended that Jenkins would be a yes man for an incumbent board member simply because he was employed by the same large corporation.

After the election, others said he was acting as a vehicle for the teachers in the school system.

Still others accused the new board

member of being "too outspoken" and castigated him for it.

And others began to circulate a vicious rumor that Jenkins was due for some sort of sinister ouster move because he voiced opposition to the established course of things in the school district.

All of which is pure, old-womanish, unfounded gossip.

Because of its unusual cultural heritage, the Plymouth Community holds a special attraction for many people — including, by their own admission, Bob and Peg Jenkins.

But, like any other community, it is victim at times of the kind of irresponsible rumor-mongering that springs from individuals whose noses are out of joint because another has dared to examine a given program and find it wanting.

This should not be.

There should always be room in an area for a voice of studied and reasoned dissension, a voice like that of Robert S. Jenkins.

There should be time and space and allowance to examine and question, ask and suggest.

And because of the explosive growth situation in The Plymouth Community School District, such methodology may be of extraordinary value.

That is why the departure of Jenkins from the Board of Education comes as a definite and obvious loss.

That is why this community needs more elected officials of his caliber.

JUDY GREEN was granted this year's Plymouth Education Association scholarship, and the check was presented to her last week by guidance counselor and PEA president James Doyle. Miss Green will use the \$200 for her expenses at Western Michigan University, where she is studying Russian, as a sophomore. She is a 1964 PHS grad.

LETTERS:

Whole community considered say Canton planners

September 23, 1965

Dear Editor: In the September 9, 1965 issue of your newspaper, we observed an editorial entitled Master Plan Waste Looms. The editorial discussed the planning programs in three communities, The City of Plymouth, Plymouth Township, and Canton Township.

It was emphasized that all or part of these communities formed the "Plymouth Community" served by the central business core of the City of Plymouth.

Inference was made that the local planning programs for each of these communities did not include an analysis of regional development factors and that the Comprehensive Development Plan for Canton Township considered only Canton and not the regional trends and community facilities which serve Canton.

We would like to make it clear that in the Comprehensive Development Plan for Canton Township, we have considered the regional setting around Canton and have considered the effect that neighboring cities such as Plymouth, Wayne, Belleville and Ypsilanti have upon the development patterns of Canton Township.

Canton Township is divided into several communities, the northern half more or less being oriented toward the City of Plymouth. The overlapping of the trade areas of shopping, community centers and schools into the 36 square mile area of Canton Township is clearly evident to us and is documented in our Comprehensive Development Plan. For example, the existing facilities and future expansion plans of the Plymouth Community, the Van Buren Public and the Wayne Community School Districts were thoroughly analyzed after conferences with the superintendents in each of these districts.

Likewise, recreational facilities, fire protection, law enforcement, hospitals, libraries, and other facilities within or outside the Township were investigated and recommendations made on the most efficient expansion of such services to serve the regional area.

We feel that Canton Township, with its completed Comprehensive Development Plan and ordinances, such as zoning, can in the future reasonably regulate urban development which is likely to come into the Township from many directions. Whether the Township will remain intact as a governmental unit for all times to come cannot be guaranteed; however, the influence of new development coming into the Township from the direction of Detroit, Ann Arbor-Ypsilanti, or Plymouth must be recognized.

Good land use planning and community facility planning is mandatory for a township and for cities and villages. We would hope that there would be no premature division of Canton Township into small units of government similar to that which occurred in Royal Oak Township in Oakland County where 12 or more cities now compete for or duplicate facilities.

Until such time as the population density and governmental needs dictate a new form of government for the Canton Township area, we firmly believe that nearby

existing cities such as Plymouth and Wayne can well serve today the major community needs for some facilities. However, for more convenient and more central location and efficiency of operation, we feel that certain shopping and community facilities can better be located within central areas of the Township in the near future.

In summary, we feel that our several years of careful planning study for the Canton Township community, backed up by our similar programs in the neighboring adjacent Townships of Nankin, Van Buren, and Superior (located in Washtenaw County) have given us an

unequaled opportunity to assess and plan for regional facility needs.

We would recommend your examination of the Canton Plan and your observation of how Canton has considered the future plans of its neighbors.

We would appreciate your publishing this letter in your paper so as to clarify the situation and set the record straight.

Thank you for your cooperation and help.

Sincerely yours,
Parkins, Rogers & Associates, Inc.

Vice President

20th season

(Continued from Page 1)

be teaching in Plymouth and to have the opportunity to build a strong string program here. I am teaching elementary vocal music at Starkweather School, beginning strings to the sixth graders and orchestra to the seventh graders at Junior High West, as well as the Senior High Orchestra at Plymouth High. "I am also happy to return as a member of the Plymouth Symphony."

"In the future, I hope to offer beginning strings to all fourth and fifth grade students, since I feel this is the most enthusiastic and receptive age at which to begin a string instrument."

He was married in 1962 and he and his wife Peg, and six-month-old son Bradley hope to become members of The Plymouth Community soon.

Here is a schedule of Symphony performances for the 1965-66 season:

EDITOR'S NOTE: To give Dave Wiley a vacation from column writing, Plymouth Mail News Editor Doug Johnson is filling in this week with this commentary.

Governor George Romney, like many other men in America, would like to be President. But unlike many other men, Romney has a chance of at least running. There isn't any doubt in my mind that he wants to, and that he will, if all the political winds blow right.

Romney kept his head while all those about him were losing theirs in last year's bitter and fierce Presidential race. He ran more on a Romney ticket than a Republican ticket, and was the one golden standout in an election that saw an unprecedented whitewashing of the Grand Old Party.

Minutes after his re-election was assured, State and National commentators were talking about that man from Michigan, George Romney, who eeked out an individual victory in a massive Democratic landslide. Romney won by almost 400,000 votes about a year ago, while Johnson was winning by one million in Michigan. They are still talking about that. George Romney wants to be President.

Look at some of the facts.

Romney has accepted speaking engagements outside of Michigan, and has shown a deep interest in national and international affairs. Take a speech he made in mid-April to the annual meeting of the Associated Press in New York.

Editors and writers from the far-flung corners of the country were impressed by the speech. Wrote the Denver Post:

"His comments were pointed, effectively phrased and challenging. Delivered by one of our most prominent Republicans, they impressed the newsmen with their sincere and statesman-like approach to national problems."

Romney got to the Associated Press boys and they liked him.

In Michigan, it seems to this writer that Romney has kept considerable egg off his face while he battled formidable odds in the Legislature. (In the Senate, Democrats have a 23-14 edge over the GOP and a 72-37 edge in the House).

Romney has continued to press for fiscal reform, risking the label of "income tax governor." Recently, Democrats killed his latest tax reform moves. As of last Friday, the two houses were arguing about what to put on the agenda for the special session. And that's all they have done for two weeks, or more.

Then Sunday, The Free Press reported Romney was the Number Two Republican contender in the Gallup Poll for the 1968 Presidential nomination.

Romney himself has been doing the good 'ol Presidential Noncommittal.

For those who don't know, the Presidential Noncommittal is a stock mixture of energetic interest, a continued effort to keep the name before the National voters, and a quiet "No" when asked "will you?"

In any event, you can be sure of one thing. The man from Utah who began his career as a tariff specialist, moved into the top position in American Motors, and then became Michigan's first Republican Governor in Lord knows how long, and isn't about to retire.

Nor do I think he'll run for the Senate. That possibility hinges, of course, upon whether or not Senator Patrick McNamara should retire in 1966, as has been speculated. That would be a blow to Michigan, and do little good for Romney. McNamara is top dog in the powerful Public Works committee, (the ol' Pork Barrel) and Michigan has received all sorts of Federal goodies since he got there. And Romney, as a freshman Senator, would have little political power to wield.

Thus endeth my foray into political forecasting. If it sounds naive, perhaps it is. But with National Republicans faced with all sorts of splinter groups on the far right, and dissension among rank and file, an individual like Romney can do wonders for the GOP ratings.

One of the things I like about Romney is his approach to the national poverty programs. He hits out, like traditional Republicans should, at Federal intervention into state and local affairs.

But aside from the traditional party line comments, he offers his own unique brand of insight. Take this for instance.

He says we should call our system of economic operation "consumerism," not capitalism. Romney points to the few who control in capitalism, "skimming the cream off the top."

But that's not what we have, or can have, Romney declares. Ultimately, it must be the consumer balloting in the free market place. Unfortunately with the vast power struggles of the companies and the unions, the customer has become a "forgotten man."

He says we are tremendously uninformed about that "Other America," the adject poor, at which the War on Poverty is aimed. Thus around the world, we have lost the respect of the have-not peoples; we have been unable to do on the home front what we say our system can do for them in their country, Romney says.

Unusual words for a man who has spent much of his life in business, and for a man who is a Republican governor.

CHEVY'S BUILT FOR BIGGER THINGS IN '66!

NEW CHEVROLET WORKPOWER IS HERE!

Here's low-cost Chevy-Van—economy champ of Chevrolet's long, strong covered delivery truck line.

Telephone your Chevrolet dealer about any type of truck.

NEW HEAVYWEIGHTS UP TO 65,000 LBS. GCW!
The all-new Series 70000 and 80000 models are here—the biggest Chevies ever built, out to do the biggest jobs any Chevrolet trucks have ever done! They're ready to cut costs with new V6 gasoline engines, new V6 and V8 diesels. They offer, also, a new 92" cab that's the best yet for working efficiency, new higher capacity frames and axles and a high 65,000-lb. GCW rating.

NEW LIGHT-DUTY WORKPOWER!
The most widely used of all truck engines—the famous Chevy light-duty Six is built for bigger things in '66 with a big new 250-cubic-inch design. It's the standard power plant in most light-duty models. Also, users of 1/2-ton models can now specify a big 327-cubic-inch V8—the most powerful engine ever offered in a 1/2-ton Chevy truck. See the new Chevies now, at your Chevrolet dealer's.

ADMIRING two of the Newcomer Club models, center, are Mrs. Charles Miller, left, and Mrs. Neil Fenkell, right, chairmen of the Newcomer's Club Luncheon and Fashion Show set for Thursday, Oct. 7 at Lofy's. The two models are Mrs. Robert Lahiff and Mrs. Frank Briggs.

Newcomers feature fashions from Hutzels

Fall fashions from Hutzels of Ann Arbor will be featured at the Newcomer's Club Luncheon and Fashion Show slated for Thursday, Oct. 7 at Lofy's.

Pat Morris, women's editor of WXYZ-TV, will be the

Linda Cockrum, David Hawker exchange vows in evening rites

Linda Carol Cockrum and David S. Hawker exchanged marriage vows in an evening ceremony Sept. 25 at the Salem Federated Church. The double ring ceremony was performed by the Rev. Richard Burgess of Lansing, assisted by the Rev. Ivan Speight.

The bride is the daughter of Mr. and Mrs. Denver Cockrum of N. Territorial Rd. and the parents of the bridegroom are Mr. and Mrs. Stanley Hawker, also of N. Territorial Rd.

Escorted to the altar by her father, the bride wore a white floor length gown fashioned with chantilly lace bodice and a peau de soie skirt falling to a chapel train.

Attending the bride were

EXISTENTIALISM

Dr. Nadim Bittar of Lebanon will teach a graduate level class on Existentialism and Education starting Thursday, Sept. 30, from 4:15 to 6:30 p.m. for three hours credit. For further information call Starkweather School, 453-1830.

THE YPSILANTI GREEK Theater held a reception recently to introduce Alexis Solomos, the newly arrived artistic director of the theater, and his wife. Attending from Plymouth were, left to right, Mrs. William Frank, Mrs. Ralph Lorenz, Mrs. Scott Harris and Mrs. Roy Jacobus. The theater group plans to build a 1900-seat auditorium on the banks of the Huron River in Riverside Park, and conduct a summer festival on Greek drama. They will co-operate closely with Eastern Michigan University in setting up a center for Greek classical study. The plans will make it the only place in North America where professional Greek productions can be seen in classical settings. Already, \$200,000 has been collected for the beginning steps of the project.

New books at Dunning-Hough

Among new books at Dunning-Hough Library, according to Mrs. Warren Worth, librarian, are:

"The Ugly Russian," by Victor Lasky, which exposes the weaknesses of Russian foreign policy and the blunders that have been made by Communists in their dealings with the undeveloped countries of the world.

"The Day the Call Came," by Thomas Hende, is a story of international intrigue, adventure and suspense in England.

"The Pool Man's Guide to the Orient," by David Dodge, gives information in narrative form about the East and Middle East for the tourist and armchair traveler.

by Ruth Montgomery, tells about the prophecies of the woman who predicted Kennedy's assassination.

"Cardboard Crafting; How to Make Things Out of Cardboard," by Inga Granit, gives diagrams and instructions for making many useful objects.

"Experience of War; the United States in World War II," by Kenneth Davis, covers events, personalities and campaigns from 1939 to the Japanese surrender.

"Yoga, Youth, and Reincarnation," by Jess Stearn, author of "Door to the Future," gives directions for the practice of Yoga, and describes the author's own experience, which made him look and feel ten years younger.

"The Revolt of Sarah Per-

kins," by Marian Cockrell, is a novel of Colorado Territory in 1869. A prim New England school teacher conducts a one woman rebellion against the mores of a frontier community.

Women

A-4 THE PLYMOUTH MAIL Wednesday, September 29, 1965

Nancy Herter weds Thomas Grace in morning ceremony

Our Lady of Good Counsel Church was the setting for the marriage of Nancy Ann Herter and Thomas Anthony Grace on Saturday morning, Aug. 28. The Rev. Alfred Renaud performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Vincent J. Herter of Livonia and the parents of the bridegroom are Mr. and Mrs. Murvil Grace of Jackson.

Given in marriage by her father, the bride chose a full length sheath of white tissue faille fashioned with a Batteau neckline and elbow length sleeves which ended in a double circlet of rosepointe lace. A headpiece of seed pearls and organza held her fingertip veil of silk illusion. She carried white roses and stephanotis.

As her sister's maid of honor, Mary Herter wore a turquoise silk crepe sheath fashioned with a lace bodice.

She wore a matching headband, and carried pink carnations and ivy.

Best man was the bridegroom's brother, Robert. Ushers were Timothy Grace of Jackson and Jack Bollinger of Warren.

The bride's mother chose a green crepe sheath with a matching lace coat. Her flowers were brilliant tea roses. The mother of the bridegroom wore a pink silk brocade suit and a pink gladiola corsage.

After a reception for about 100 guests at Hillside Inn, Mr. and Mrs. Grace left for a wedding trip to northern Michigan.

Mrs. Grace attended Eastern Michigan University and her husband is a graduate of Michigan State University. He is now employed at the General Motors Tech Center in Warren.

Mr. and Mrs. Grace will make their home in Warren.

Woman's Club sets buffet luncheon

The Woman's Club of Plymouth will begin the 1965-66 season with a buffet luncheon on Oct. 1 at Lofy's, Ann Arbor Rd. at Mill St. The luncheon will begin at 12:30.

Mrs. Bruce Richard, chairman for the day, will introduce Dr. Howard Ross, M.D. from Ann Arbor who will discuss, "Antiques are a Contagious Hobby."

Ticket chairmen are Mrs. Edward Dobbs and Mrs. Frank Hallock. Assisting Mrs. Richard as hostesses for the day are Mrs. Raymond Arnold, Mrs. Sanford Burr, Mrs. Austin Stecker, Mrs. Austin Whipple, and Mrs. Charles Wolfe.

Engaged

Lois Ann Smith

Mr. and Mrs. Owen D. Smith of S. Main St. have announced the engagement of their daughter, Lois Ann, to Frank Pepe Giorgi, son of Mr. and Mrs. Sebastian Giorgi of Dearborn.

The bride-elect is a graduate of Wayne High School and also graduated from Jones School of Nursing in Ann Arbor.

Her fiancé is a graduate of Fordson High School and is attending Henry Ford Junior College.

A Nov. 13 wedding is planned.

Garden Club meets at Rotunda Inn

Guest speaker at the Oct. 11 meeting of the Plymouth branch of the National Farm and Garden Association will be Mrs. Mabel Schultz who will talk about the "Growing Use of Herbs."

The luncheon will be held at 12 o'clock at the Rotunda Inn, 3230 Pine Lake Dr., Orchard Lake. Guests are welcome. Reservations may be made with Mrs. A. E. Van Ornum, 453-6228.

Members who plan to attend are asked to meet at the home of Mrs. Howard Hill, 628 S. Evergreen at 11 a.m. Hostesses for the day will be Mrs. Cass Kershaw, Mrs. Donald Burleson, Mrs. A. D. Johanson, Mrs. Russell Kreitsch, Mrs. Henry Lentz, and Mrs. Earl Russell.

CORRECTION

In the Phipps-Winiarski wedding in last week's issue the story read, "Arlene Marie Phipps of West Ann Arbor Trail and Andrew Winiarski were married Saturday afternoon, Sept. 5." It should have read, "Arlene Marie Phipps of West Ann Arbor Trail and Henry Winiarski were married Sunday afternoon, Sept. 5." We regret the error.

Barbara Garner weds Dennis Collins

Barbara Ann Garner and Dennis Jerome Collins were married Saturday, Sept. 18 in the First Baptist Church of Plymouth. The Rev. Donald E. Williams performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Charles Garner of Irvin St. Parents of the bridegroom are Mrs. Donald Ling of California and Oliver Collins of Northville.

The bride chose a street length dress of white lace fashioned with long pointed sleeves. Her shoulder length veil of tulle was held by a large lace flower. She carried a colonial bouquet of white orchids and rosebuds.

As maid of honor Marna Roy of Plymouth wore a yellow satin brocade street length dress and carried a colonial bouquet of yellow rosebuds and bronze mums.

Carlton Wyman of Plymouth served as best man and Gary Wyman seated the guests.

A reception was held at the home of the bride, followed by dinner at Hillside Inn.

Following a wedding trip to Canada and New York, Mr. and Mrs. Collins will live at 42490 Lakeland.

Mrs. Dennis J. Collins

Panhellenic group meets

The Plymouth Panhellenic Association will begin its new season Monday, Oct. 4, at 12:30 p.m. with a sandwich luncheon at the home of Mrs. Felix Hoheisel, 698 Evergreen.

The Association meets four times yearly, in October, January, March, and May. Its purpose is to further interest in many kinds of social services, civic affairs, and philanthropic fields, and to further acquaint the incoming college bound girls with procedures necessary for joining a sorority.

Each year the association gives a scholarship to an outstanding Plymouth senior high school girl who has shown qualities of leadership and scholarship to the school and community, and is planning to attend college.

A tea is held in June for all senior high school girls and their mothers to acquaint them with college sorority life.

All sorority alumnae in the Plymouth area are welcome to join the group.

Reservations should be made by Oct. 1, to Mrs. Kenneth Koza, 453-1577, Mrs. G. W. Broome, 453-6599, or Mrs. Frederick Foust, 453-2220.

AAUW plan book sale

Plans are now under way for the annual spring book sale conducted by the Plymouth branch of the American Association of University Women. The chairman for this year is Mrs. Robert Floyd Kehrl of Greenbriar.

Mrs. Kehrl and her committee have already begun their collection of used books.

Mrs. Kehrl stated that she hopes people who are doing

any fall house cleaning will save their unwanted books rather than discard them.

All profits from the book sale, which will be held in a local super market, are used in the AAUW fellowship fund which helps deserving women to further their education.

For pick up of used books or further information, call Mrs. Kehrl at 453-4504.

To America with love... The 1966 Chrysler

Could be we're getting too emotional. But it isn't very often you get a chance to follow an all-time sales record year with a new Chrysler like this one.

Sure, our '65 was great. But the '66 is even better.

It looks better. Moves quicker. It's got a beautiful new front end and a very dramatic new rear.

It's got a bigger and more zesty group of V-8 engines. From a 383 cubic inch to a 440 TNT with twin exhausts and twin snorkels. (A "snorkel" is an air intake horn for the carburetor — does great things for performance.)

The interiors, all up and down the line, are more luxurious and comforting. Take our new shell bucket

seats, for example. It's almost as if they had been custom-fitted for you.

One thing we didn't even think about changing. It has to do with money. Five of our Newport models (real Chryslers — not junior editions) are priced just a few dollars a month more than the most popular smaller cars with the same equipment. This includes features like power steering, power brakes, a 383 cubic inch V-8, automatic transmission, radio and many standard items like safety door handles and seat belts.

Move up to Chrysler... it's getting easier by the minute.

CHRYSLER

On display now.

AAUW receives grant to aid women in faculty careers

The first grant to help mature women prepare for faculty careers in higher education has been received by the College Faculty Program of the American Association of University Women (AAUW), Mrs. John Moehle, president of the Plymouth Branch announced.

The \$2000 grant was contributed by the Chrysler Corporation Fund of Highland Park and may be used by college women for graduate study in any subject field leading to a higher education career in teaching, research or administration.

The gift initiates the Michigan autumn drive for contributions from individuals, businesses, and foundations for this state-wide program to prepare Michigan women to meet Michigan's faculty crisis.

"The AAUW program is designed to increase the resources of well-qualified professional personnel for college and university posts. It will help Michigan colleges meet their acute need for faculty," Mrs. Moehle explained.

Treasures from Plymouth pantries

BRIDGET MCKINLEY, 1 1/2, watches as her mother, Mrs. Charles McKinley, cuts up the apples for the French Apple Pie which she shares this week. The McKinley family especially enjoys this dessert.

A recipe for everybody's favorite, "French Apple Pie" was suggested this week by Mrs. Charles McKinley of Palmer St.

The McKinley's have been Plymouth residents for about two years, moving from Cleveland, Ohio.

Besides Bridget, who is pictured with her mother, the McKinley family includes Patty, 7, Cathy, 11, and Sue, 12, — all students at Our Lady of Good Counsel school.

Members of the Newcomer's Club, Mr. and Mrs. McKinley are secretary-treasurer of the Newcomer's Bowling League this year. They have also been officers in the Plymouth Swim Club.

With apples plentiful again, now is the time to try this delicious dessert.

FRENCH APPLE PIE

Make pastry for one crust pie.

- Mix together:
 - 3/4 C. sugar
 - 1 tsp cinnamon
 - 6-7 cups sliced apples (Jonathan or Wealthies are best)
 - 1 1/3 Tbsp. butter (dot on top of pie)
- Cover with topping of 1/2 C. butter and 1/2 C. brown sugar, creamed. Cut in 1 C. flour.
- Bake in a 425 degree oven for 50-60 minutes.
- Serve with cream, ice cream or slice of cheese.

CUB SCOUTS MEET

Cub Scout Pack 766 of Galloway School will hold its first pack meeting on Thursday, Sept. 30, from 7:30 to 9 p.m. in the multi-purpose room of the school. Cubmaster Gordon Vetal invites all interested boys, ages 8-11, to bring their parents and visit the pack at this first meeting.

WSCS hears talk on wives of Presidents

The Fellowship Hall of the First Methodist church will be transformed into an early 19th century room on Oct. 7 when the Women's Society of Christian Service presents Mrs. D. Dwight Struthers of Grosse Pointe who will talk about "Presidents' Wives, 1800-1850."

Mrs. Robert Sparling has prepared a special musical program in keeping with the setting.

Service will begin at 12:30 p.m. from the Early American Tea Table. The committee consists of Mrs. Robert Rosbolt, Mrs. Eugene Fisher, Mrs. Hubert Jarvis and Mrs. Robert Boshoven.

Displays, costumes and settings are being developed by Mrs. Loren Gould, Mrs. Richard Janes, Mrs. A. D. Johnson, Mrs. William Byrd, Mrs. George Andrews and Mrs. Charles Wells.

Mrs. Hugh White is general chairman of this event and Mrs. Ken Leader and Mrs. William McCully are co-chairmen. Baby sitting will be available.

DISPLAYING some of the items which will be sold at St. John's Holiday Mart on Thursday, Oct. 7 are Mrs. John Jacobs, left, president of the Episcopal Church Women; Mrs. Fred Sigmon, center, vice-president of the ECW; and Mrs. Jack Kelly, chairman of the Holiday Mart. Slated for the church hall, the Mart will be open from 10 a.m. to 4 p.m. and again from 7 p.m. to 9 p.m.

Baby talk Do your Christmas shopping at St. John's Holiday Mart

Mr. and Mrs. John Kenny of Greenbrook Lane are the parents of a 6 lb., 14 oz. daughter, Margaret Mae, born Sept. 22 at St. Mary's Hospital, Livonia. Grandparents of the baby are Mr. and Mrs. Harry Ramsey and Mr. and Mrs. John B. Kenny, both of Detroit.

A third boy was born to Mr. and Mrs. James Drury of Bassett Dr. on Sept. 25. Keith Warren, 8 lb., 8 oz., was born in St. Mary's Hospital, Livonia. Mr. and Mrs. James Bassett of Livonia are the maternal grandparents and Mr. and Mrs. Lionel Drury of Wayne the paternal grandparents.

Mr. and Mrs. Herbert Fletcher of N. Evergreen St. announce the birth of a 9 lb., 2 oz. daughter, Tracy Lynette, on Sept. 20. Maternal grandparents are Mrs. Virginia Robertson of Hartsough St. and Robert Robertson of Garden City. Mr. and Mrs. Herbert Fletcher Sr. of N. Evergreen are the paternal grandparents.

It will be Christmas in October at St. John's Holiday Mart on Thursday, Oct. 7 when decorations and gifts of all types will be on display and may be ordered for delivery on Dec. 3 and 4.

The Mart will be held in the church hall on Sheldon Rd. from 10 a.m. - 4 p.m., and 7 - 9 p.m.

Chairman Mrs. Jack Kelly has named her committees as follows: gifts, Mrs. Denver McCord; home made candy, Mrs. Robert Willoughby; baked goods, Mrs. Michael Bedford; donation tea, Mrs. LeRoy Ording.

Any of the items on display may be ordered and a 50% deposit will be required, with the balance due upon delivery on Dec. 3 and 4. Some of the items may be purchased the day of the Mart, including the baked goods.

Included in the sale items will be candies, house decorations, religious goods, candy houses, stuffed toys, personalized mittens, puppets and many others.

Tea will be served all day.

Eastern Star meets

The annual meeting of the Plymouth chapter of the Order of the Eastern Star will be held Oct. 5, at the Masonic Temple at 7:30 p.m. All members are urged to attend this important meeting and election of officers.

Line officers and committee chairmen should be prepared to give their annual reports and to leave a copy with the secretary. A social hour and refreshments will follow.

Mrs. Selma Hegazi, food supervisor, Plymouth Vending Co., 770 Davis Street, recently attended a Vendo Food Vending School in Kansas City, Mo.

Mr. and Mrs. Roger Corey, 958 Ross, are in Chicago this week attending the annual convention of the National Automatic Laundry and Cleaning Council (NALCC).

Members Needed

THE PISTOL CLUB will begin its fall season of matches Oct. 8, according to unofficial publicity chairman Joe L. Hudson. The club, shown here in their weekly Friday night session in the basement of the community building on Union St., is seeking more members. The club belongs to the South Eastern Pistol League, and will shoot in eight matches this year. A new instructor, Al Whitman, helps the group. C. Carmichael is the senior range officer, and George Collier the president of the club. Formed several years ago by Jack Selle and Rip Collins, the club now has 45 members, with several that are on the team that competes in matches.

Schoolcraft trimmed in cross country opener at Flint

The Schoolcraft College cross country team had some surprises in store for its opponent in its opening meet at Flint Sept. 24. With four returning lettermen consistently beating their own times of a year ago in practice and with the addition of a strong fifth man, Schoolcraft hoped to ambush Flint and get revenge for a defeat inflicted last year by the strong, large Flint team. Everything went as expected at Flint as far as times were concerned. Bob Geist (Catholic Central, Detroit) ran 58 seconds faster than he ran in last year's opening meet. Keith Watson (Farmington)

bettered his time by 44 seconds. Nik Sihon (Bentley, Livonia) ran one minute and 44 seconds faster. Jerry Koski (Cody, Detroit) ran one minute and 14 seconds better and Mike Baker (Garden City) improved by one minute and 39 seconds. Flint had its own surprises. They lost all but one man from last year's team, and they added two runners who are even better than what they lost. The outcome of the meet proved this as Bob Geist of Schoolcraft trailed two Flint runners and took third in 16:55. Sihon, the next Schoolcraft runner placed seventh in 17:57. Watson ran 18:08 for

ninth place. Koski took tenth in 18:09 with Baker twelfth in 19:19. If the Schoolcraft team continues to improve as the season progresses as they did last year, they should be assured of a successful season in this, their second year of competition, according to Coach Tony Rizzo. Sept. 29 Schoolcraft travels to Dearborn to run Henry Ford C. C. and Kellogg C. C. On Friday Concordia of Ann Arbor and Grand Rapids will come to Livonia to run on the new course on the campus at Seven Mile and Haggerty Roads.

YMCA news

The Junior High Bowling Program which was such a success in the past few years will resume its program at 10 a.m. on Oct. 2 at the Plymouth Bowl on Plymouth Road. All those who are interested and would like to join, may still do so by calling the YMCA office by Oct. 1. The bowling will include 7th, 8th, and 9th grade boys and girls. The price is \$1 a week and this includes bowling shoes. The program will continue for a 26 week season. Roy Jacobsen of the Jaycees will recruit help to carry out the supervision of these games. The phone number to call in order to register is 453-2904. The YMCA Junior High boys repeated an exciting adventure again last Saturday afternoon. They had a sail boat race on Portage Lake which involved six sailfish class boats; twenty-four participated in this event.

The activity was planned by Kal Jabara who was assisted by George Lawton, Earl Merriman, and Harold Guenther. The boys were taught the techniques of sailing and water safety. All the boys wore life preservers as a safety precaution. The fun began about 11 a.m. Saturday morning and they returned to Plymouth about five that evening, a tired but happy crew.

Swim Club

Plymouth's Swim Club is well underway, according to swimming teacher Ed Klein-smith, with over 60 youngsters participating. They have had only a handful of practices so far. Several well-known Plymouth swimmers are helping Klein-smith, including Doug Jaskierny, Lynn Niles (she's a girl) and Dick Gretzinger, MSU swimming captain and ex-PHS star. Coach Paul Cummings is also assisting. The meet schedule is not as yet set. The group practices Saturday morning, and Monday and Tuesday evening.

Thinclads win two meets

The Plymouth High School cross country team opened its season with two big wins... a 17-48 victory over Northville, and a 23-38 win over Belleville.

Northville, then came back with a fourth against Belleville.

Ken Evans ran fifth against Northville, and Dave Allen seventh against Belleville.

Trackman Howard Studeman lead the pack in both meets. He was clocked at 11:13 in the first, and at 10:50 in the second, good marks for early season attempts.

Coach John Sandmann expressed pleasure over the first two victories.

"They are running real well right now. With good work, in three or four weeks, they could be there... a consideration in the league championship."

Bob Kreitsh ran second against Belleville. Doug Bates ran sixth in both meets. Dave Dirlam took a third against

Next meet - Oct. 1, Bentley, here.

COMET

Introducing the lively new driving machines: the big, new-generation Comets.

Listen to the roar of the '66 Comets. They're bigger, wider, up to 8 inches longer than any Comet before. They make driving other cars seem like walking. Comet's new fire and spirited luxury come in 11 roomier models.

For a sample of Comet's style, take the Caliente. Notice the smart upholstery... the handsome, simulated wood-grain panels. For spine-tingling action try Comet's new Cyclone GT. Its new 390 4-barrel V-8 delivers

the kind of go that can shove you right back in your bucket seat. Whatever you want - action cars with pure excitement, 3-speed or 4-speed manual transmissions or automatics, inviting interiors - Comet's got it.

Plus a long, tempting list of options that includes built-in air conditioning, power windows, power brakes, and power everything. All this in the most exciting parade of Comets ever. Drive a real driving machine at your Mercury dealer's today.

Falcons upset Rocks 14-2

Plymouth's hard-luck footballers lost a 14-2 decision to Farmington here Friday night, despite a solid second half offensive.

Plymouth had seven of its passes intercepted, and one touchdown called back. The game left Rock fans shaking their heads as once again the score belied the team's field game.

Plymouth lost its opener two weeks ago, 45-0, to Northville.

Friday night, Farmington scored mid-way in the second quarter on a short dash from the five yard line. The quarter ended with the score at 7-0 after Farmington passed out of deep trouble.

Plymouth's second quarter touchdown bid failed as quarterback Dave Prochaska

slipped on the dew-wet grass on a fourth down and six to go situation.

FARMINGTON came on strong again, but then defensive end Dave Eisenlord threw Farmington halfback Ron Cleveland for a loss.

Plymouth's Jim Arnold dropped a punt return, Farmington recovered, and the tide of the game turned for good.

Farmington was in scoring position, and that's just what they did.

Quarterback Mike Wilson's pass to Cleveland was good, and left them right on the goal line. Plymouth's interior line toughened up, and stopped the first two plays. But on the third halfback Ron Short slanted off tackle for the TD, with the point after made by Farmington's veter-

an kick artist Wayne Johnston. Score 14-0.

As the half approached, the two teams exchanged the ball several times on mistakes and interceptions.

Prochaska's pass was intercepted, but the Plymouth defense rallied, and snowed under Farmington's quarterback. With third down and twenty yards to go, Wilson tossed a pass, but Curt Irish's quick hands batted the ball down.

With Plymouth in possession, things looked up. But Cleveland took a pass from a Plymouth receiver and skirted down the sideline for 35 yards.

Again the ball was traded back and forth as Irish intercepted a Farmington pass, and Plymouth launched an-

other assault. But the Falcons stalled the attack as they intercepted a pass.

AFTER THE half, a fired-up Plymouth team moved down the field and scored, only to have it called back as the ball squirted out of a Rock end's hands, into the end zone, and the out of bounds. The referees ruled it a touchback, brought the ball out and turned it over to Farmington.

Plymouth held Farmington deep in their own territory, then Plymouth scored its lone two points as they tackled a Falcon ball carrier in his own end zone for a safety.

And that's where the game stood as the final quarter saw the Rocks and the Falcons fight it out in the middle of the field.

Coach John McFall noted that mistakes had plagued them all night, and that they had to be ironed out.

The statistics don't tell much.

Plymouth gained 14 yards rushing, most of it in the second half. They intercepted two passes, and passed for 34 yards, completing five out of 16.

Farmington rushed for a lowly 62 yards, passed for 109 yards, completing 10 out of 18.

However, the Falcons intercepted 7 passes, and recovered a couple of Plymouth fumbles, including the dropped punt they turned into a score early in the game.

FIRST STRING quarterback Steve Hulce saw little action because he missed several practices and was out

of school in a bout with the flu during the week.

Plymouth's offense clicked off and on all night, but bogged down too many times on intercepted passes.

At one point, Plymouth had three plays to get the ball one yard for a touchdown, and couldn't score.

This Friday Belleville will be here Friday, in the first league test for PHS. They won 7-6 over Melvindale last Friday. Game time is 8 p.m.

McFall should continue to go with Hulce at quarterback. And he's taking a long look at young Tom Elias who was a standout defensively against Farmington.

After Belleville, the schedule gets tougher, with Bentley, and the league power Trenton.

PHS Senior conferences

Oct. 4 Nov. 24

Plymouth High School will hold senior conferences beginning Oct. 4 and running to Nov. 24, according to John Hoben, guidance counselor.

Hoben said all college applications should be presented to his office by Nov. 25. He noted that applicants filling out forms after that should check college deadlines carefully.

A college night will be held at Clarenceville this year with over fifty colleges represented, on Oct. 21.

Most scholarship deadlines fall in late November and early December.

Parents are urged to attend the conferences, and both college and non-college career topics will be covered.

O.L.G.C. Wins
The Our Lady of Good Counsel football team beat St. Alfred's of Taylor last Sunday, 26-6.

Fred Crissy is the coach of the team, composed of youngsters from the seventh and eighth grades.

C of C Course in politics

The Chamber of Commerce will offer a special course, "Practical Politics," beginning in January.

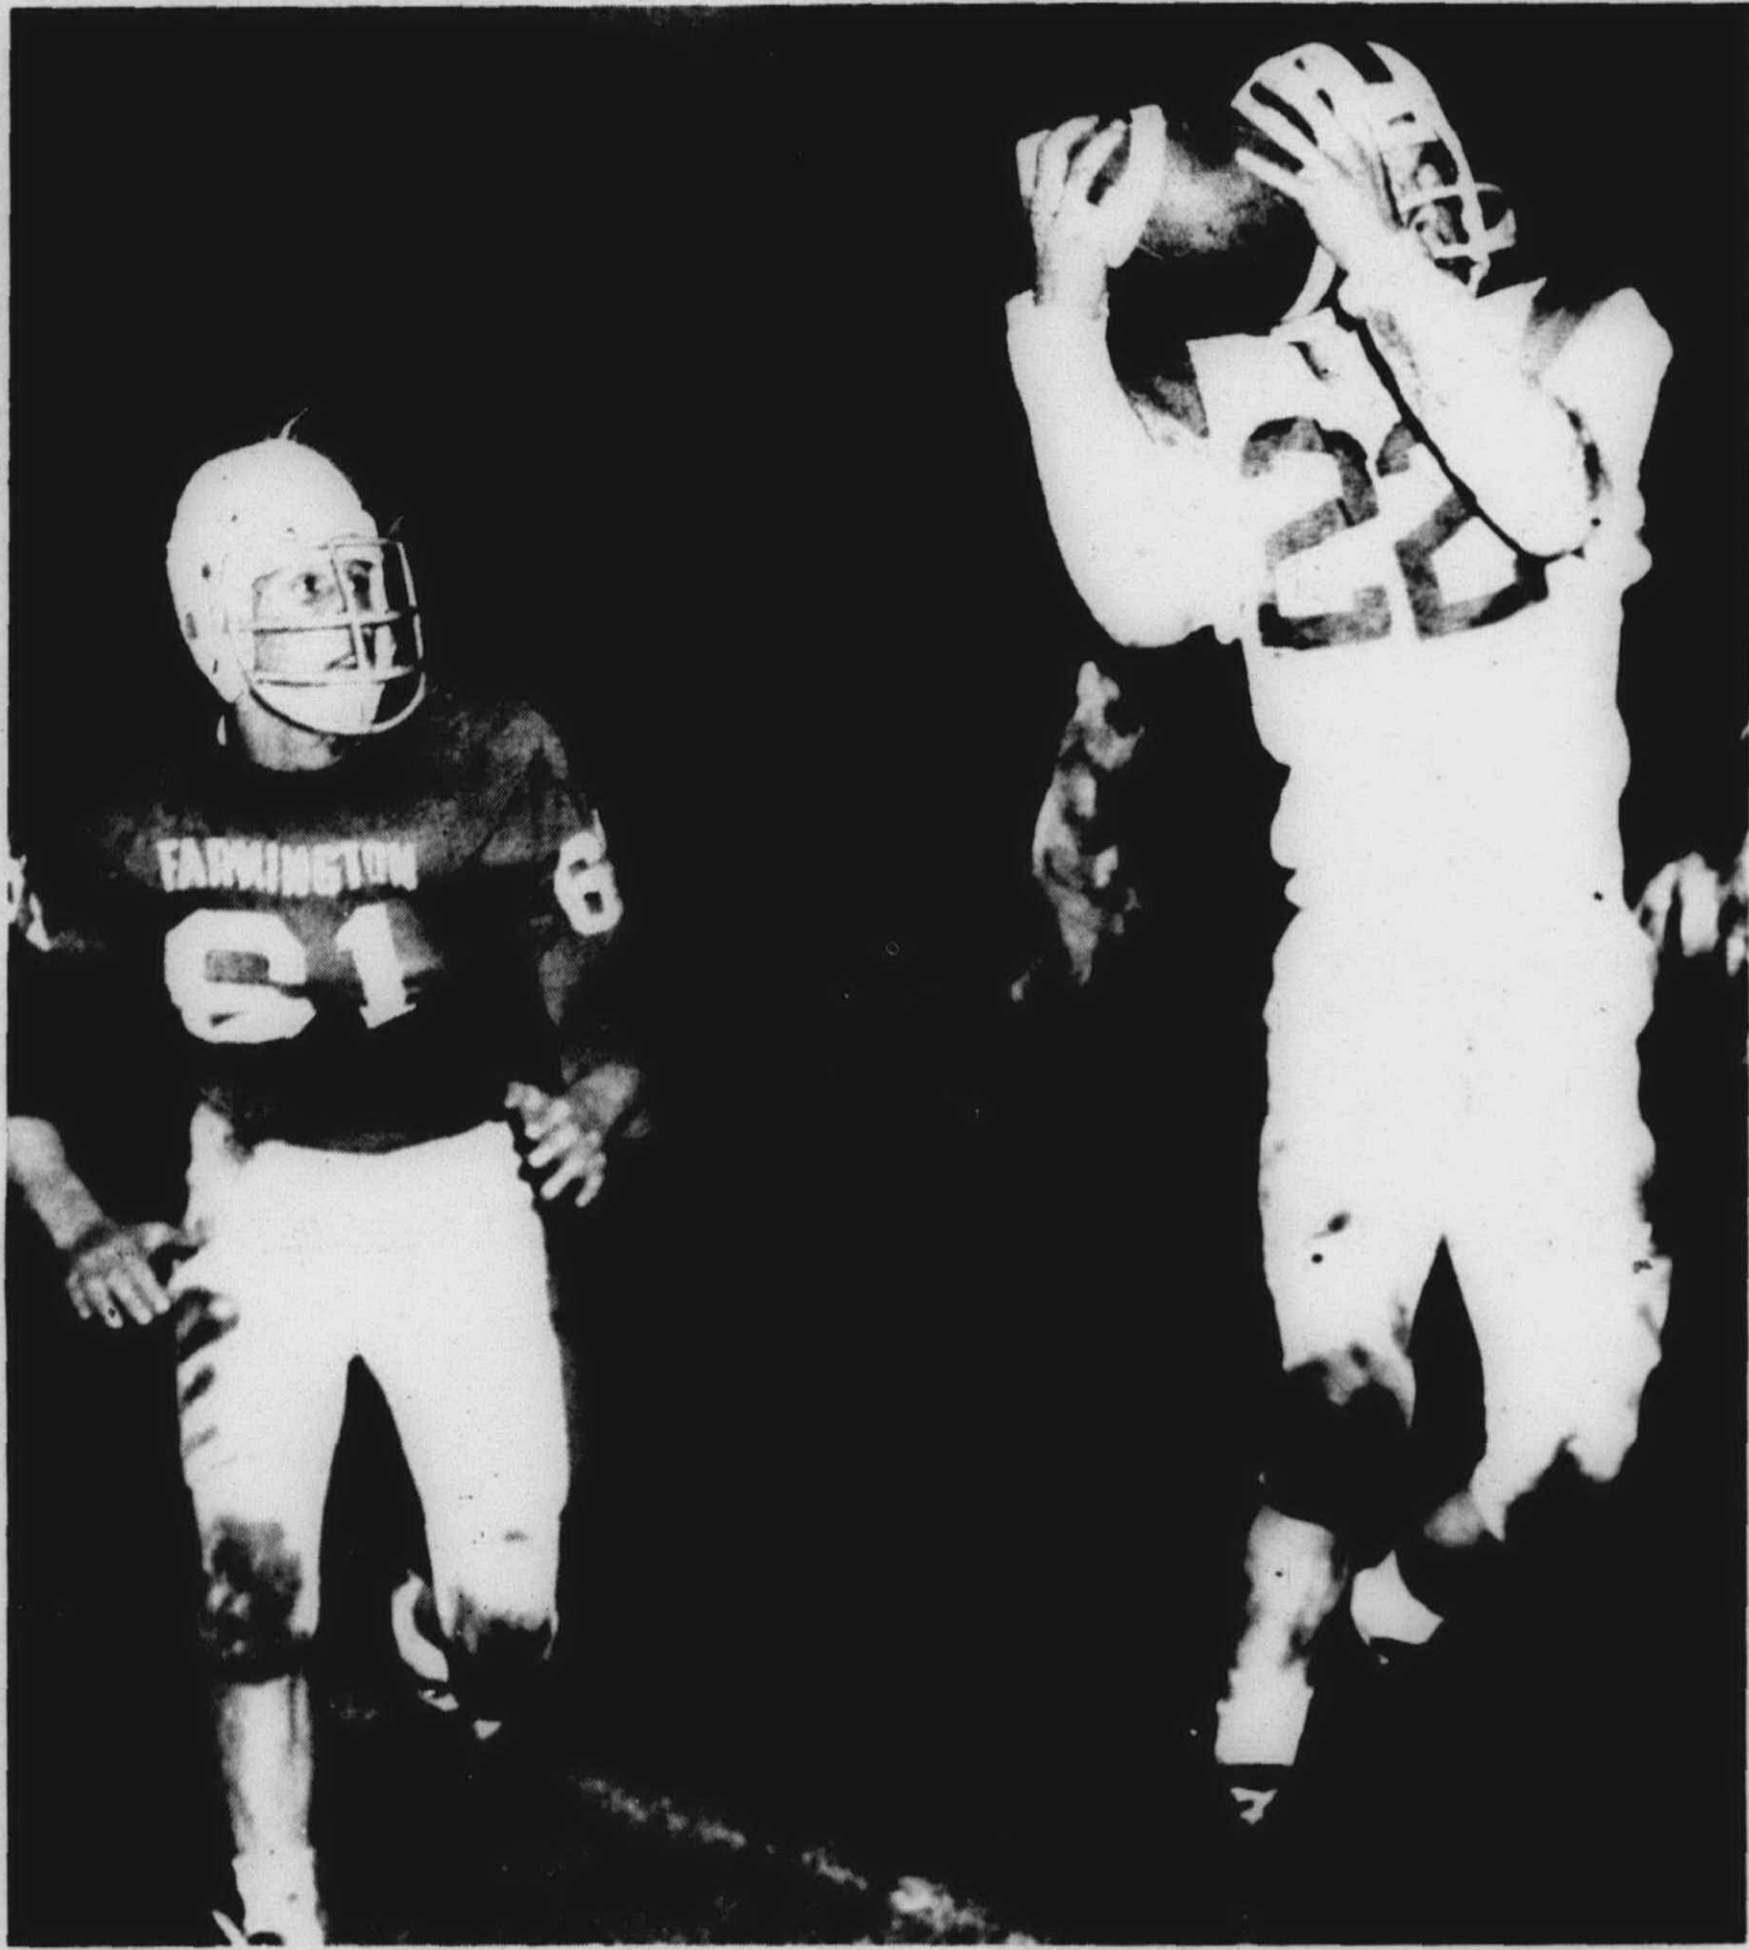

The course will be taught by James E. Orvis, member of the legislative committee and director of industrial relations at Whitman and Barnes.

Members of the Chamber as well as Plymouth Community residents are invited to attend. Call the Chamber of Commerce for further information, 453-1540.

PEACE CORPS TESTS

An opportunity for Plymouth residents to offer their abilities to the Peace Corps will come at 9 a.m., Saturday, October 9, at the Ann Arbor post office, 220 N. Main.

The opportunity is the Peace Corps Placement Test, which is not passed or failed and you can't study for it.

HALFBACK JIM ARNOLD snags a pass in last Friday's game against Farmington, which the Falcons won, mostly because of Plymouth mistakes. A Farmington tackle, Fred Niemiec, moves in to stop Arnold, PHS veteran.

Tigers Promote Fenkell

Appointment of Neal K. (Doc) Fenkell as operations and sales manager of the Detroit Tiger Television Network was announced recently by John E. Fetzer, owner and president of the Tigers.

Fenkell makes his home in Plymouth.

Fenkell has been traffic director of the club-operated network this season, in addition to filling the duties of director of group ticket sales and special events.

He will devote his entire time to television duties in the future, Fetzer said. His offices will be at Tiger Stadium.

THE TIGERS this year inaugurated a new television policy under which the club retained the rights, produced the baseball telecasts and sold the advertising on a spot basis.

"The plan was a success in 1965 and we expect it to be even more successful in 1966," Fetzer said in announcing Fenkell's new duties.

Fenkell, who formerly was public relations director of the Tigers and later the manager of the club's speakers bureau, is a graduate of Hillsdale College with previous experience in the advertising and automotive fields.

a new definition of driving pleasure

MERCURY PARK LANE 4-DOOR HARDTOP

Moving ahead in the Lincoln Continental tradition

This is the year to move ahead to the new Mercury's year. Your year. And just look at all the news there is! Ride news: the way Mercury moves is unique. Smooth, substantial, hushed—the finest ride this side of the Lincoln Continental. Style news: clean, classic lines—the only car in its class with a look all its own. Power news: engines range up to a muscular 428 cu. in. V8. Luxury news: options such as the Stereo-Sonic Tape System that uses plug-in cartridges. Safety news: helpful options such as cornering lights that show you the way when turning into dark driveways. Exclusive options such as rear doors that lock automatically at 8 miles per hour. And in every Mercury, without extra cost, you get 12 important safety features, including back-up lights, emergency flasher, padded dash and visors, four seat belts front and rear, and outside rear-view mirror. Model news: the widest choice of Mercurys ever. 17 models in 4 series—sedans, hardtops, convertibles, and 2 wagons with the new Dual-Action Tailgate that turns into a door. Now's the time to see your Mercury dealer—and move ahead with

WEST BROS, MOTORS, INC., 534 Forest Ave., Plymouth

LINCOLN-MERCURY DIVISION OF Ford

Unveil new sex education curriculum

A special sex education curriculum will be introduced into Plymouth schools this year. The new curriculum is an outgrowth of the Human Growth and Development committee formed to study the matter several months ago.

The committee presented the first part of its program at a school board meeting two weeks ago.

Superintendent in charge of secondary instruction William Harding, a member of the committee, reported on the new curriculum, and told the board that only the first half was done . . . grades K-6.

"We still need lots of voices in this thing. We want to get everybody involved," Harding said.

The committee has worked quietly and with little public controversy. The program is expected to be a natural outgrowth of normal class study.

IT WAS DECIDED early in the study that the new curriculum should include not just sex education but also development of "appropriate moral and social attitudes and values."

Members of the committee came from the schools, the YMCA, clergy and the medical profession.

Harding carefully emphasized that the program involved more than sex education. Every aspect of human growth and development was examined and included in the program.

The 46-page report consists of an outline of suggested topics and study areas, along with lists of resource materials, including films, books, and pamphlets.

Included in the plans are goals - teaching the correct "scientific terminology relating to the body and develop a wholesome attitude toward natural functions," according to the report, and to promoting "wholesome understanding and attitudes toward sexual development, marriage and family living."

Here's how the program breaks down into specific concepts and techniques:

Kindergarten
Teachers are asked to discuss personal hygiene and the use of proper terminology, using films, reading stories and showing pictures of animals and their families, and encouraging the child to relate to family experiences with a new baby and a pet.

First Grade
First graders are to be taught the similar life requirements of all animals, animal reproduction, care of the body, and, again, use of the correct names of body parts and functions. Animal reproduction may be discussed including eggs and live births.

Teachers' methods include posters on health habits, use of films, observation and study of animals and provision for the study of animal births and incubation of eggs.

Second Grade
Second grade teachers may emphasize the dependence of good health on care of the body, the importance of good character traits (honesty, kindness, courtesy) and the use of proper terminology. Methods suggested include—"conducting frank discussions using proper words in a quiet natural tone of voice," answering questions as they come up.

The outline also suggests films, trips to the zoo, use of stories to show the difference among family relationships in various animal species.

Third Grade
Concepts to be taught are enlarging the proper vocabu-

All Beyer Rexall Drug Stores - Mail Orders Filled - 488 N. Main

lary for human growth, health and safety practices and the need for family cooperation.

Included in the concepts are: reproduction of own species, beginning of life from a seed or egg, baby carried in a mother's body, length of time baby is carried, and the birth of a baby, discussed at the discretion of the teacher.

Methods include using plants to teach the elemental facts of reproduction, frank and quiet talks, with questions answered, to the child's satisfaction. Also, methods include the study of care and protection of animals, length of pregnancy and life spans, difference between live-bearing and egg-bearing animals, and reading books dealing with family life and human relations.

Fourth Grade

Concepts to be learned involve a factual understanding of body systems and their functions, personal care of the body and the importance of good attitudes in getting along with others. Also, the beginning of life with a seed, including pollination and development of the embryo are to be taught.

Fifth Grade

More on the body system is to be taught, as well as personal health habits as they relate to community health, and effect of emotions on the individual.

The beginning of animal life with the union of a sperm and an egg is to be taught, including the fertilization process and embryonic development.

Sixth Grade

Sixth graders learn about cells as the unit of life, factors affecting health including alcohol, narcotics, tobacco. The relationship of physical, mental and emotional growth is to be discussed, as well as the similarity of human reproduction to that of other mammals.

These topics include male and female puberty changes, female and male reproductive organs, mating and the transfer of sperm from the male to the female, fertilization, development of the embryo and a birth of a baby.

The outline also suggests the school nurse would be on hand to provide information about menstruation, preview information and materials on particular health problems and seek out permission from parents.

At the time the final outline was submitted and adopted, it was noted that the curriculum did not involve any one course, but was to be integrated into all classes at all levels.

It was also noted that the entire undertaking was done with the sanction of the Board of Education of the Plymouth Community School District.

SHE LIVED, but it was a miracle said the onlookers, Monday morning. Maryann Shimetz, 31, of Livonia slammed through a stop light going south on Haggerty Rd. A truck going east on Schoolcraft Rd. had little chance to swerve as the impact of the crash sent her car several hundred feet into the parkway. Plymouth Township firemen rendered first aid to the badly shaken woman.

LUMPS FROM APIS MELLIFERA

Most people avoid bees—for obvious reasons. Rheumatism sufferers of old, however, tried to get stung. They thought bee stings were an effective treatment for rheumatism. Now most of us prefer the more reliable—and painless—remedies of today. Thanks to medical science we have many safe, fast-acting pain relievers. Other powerful drugs, too. When you're ill, take advantage of these newer medications—but only upon the advice of your physician. Then let us render complete prescription service.

Why wait when your year is here? The year to snap tired old ties, to break old buying habits. The year to really express yourself . . . with the '66 swingers from Dodge. Different, exciting cars for people with different, exciting tastes. Rally 'round Dodge for '66. Dart, Coronet, Polara, Monaco . . . cars made to help you kick the dull driving habit. There are lots of Dodges for you to hang your personal rebellion on.

Every one backed by a 5-year or 50,000-mile warranty.* Every one with these features that used to cost extra but now come standard: Outside mirror. Padded dash. Variable-speed electric windshield wipers and washers. Backup lights. Turn signals. Seat belts, two front and two rear. And lots more with Dodge . . . the beautiful Rebellion on wheels. Stir up your spirit and march to headquarters.

'66 Dodge Dart Still talking about squeezed-up compacts, when you'd rather do something about them? Put your money where Dart is! Unexpectedly big inside, long outside. Six or V8 power. Rise up with Dart! Be expansive without being expensive.

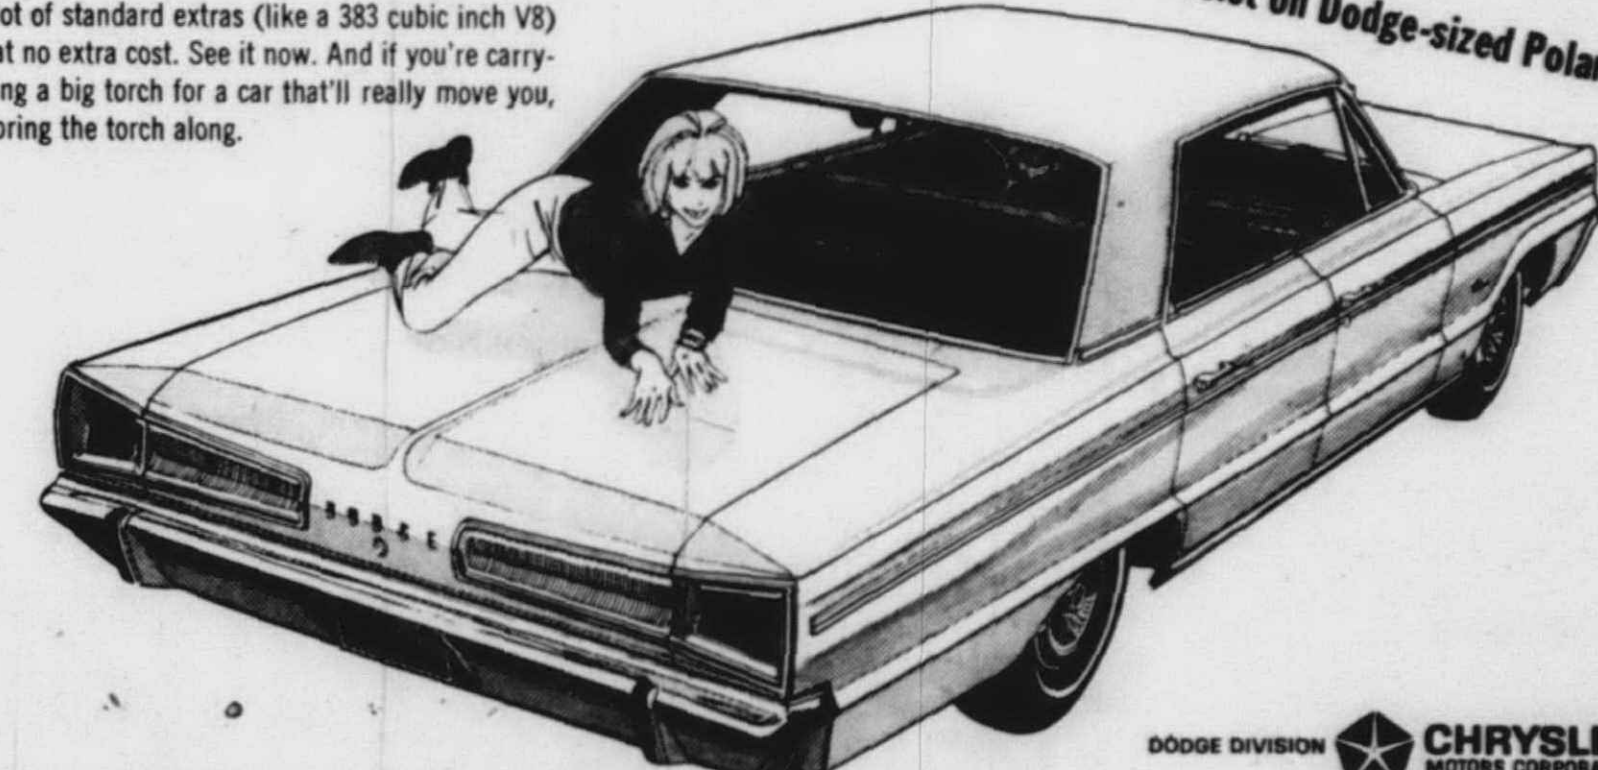

Stamp out cramped compacts; get with man-sized Dart.

'66 Dodge Coronet Here comes Coronet . . . sharp, smart, sassy, the greatest thing from Dodge since Year One. Loaded with luxury the higher-priced cars haven't caught onto yet. With a choice of five engines, designed to make the walls of Dullsville come tumbling down. Get away from look-alike, first-cousin cars with Coronet.

Dullsville falls, Coronet rises in '66.

'66 Dodge Polara Snap, crackle, pop, go the ties that bind. You're up and out of the rut with Polara. More "big." More "hot." A lot of standard extras (like a 383 cubic inch V8) at no extra cost. See it now. And if you're carrying a big torch for a car that'll really move you, bring the torch along.

Demand more "big" in your big car; insist on Dodge-sized Polara.

HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1966 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), rear drive shaft, universal joints, rear axle and differential, and rear wheel bearings.

REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

Apartments

(Continued from Page 1)

Commission very soon, perhaps next Monday at the regular meeting of the body.

The Commissioners discussed several ways of handling the project, which is unusual because it is five stories high. No present zoning allows it; however some of the Commissioners indicated they were favorable to the idea, and would seek proper zoning for the development, within the law.

In other discussion, during the commission session, the Commission decided to let controversial builder Thomas Cape fix up a City-owned street he has half-fixed now.

Cape paved the street illegally, according to City Attorney Edward Draugelis, several weeks ago. Since then he has been after the Commission to grant him extra land to meet density requirements for one of his apartment buildings.

THE CITY had vacated a portion of Byron Street for that purpose, but stop short because three lots would have been without access by a City street.

Cape wants more of the land vacated.

The Commission, once again Monday, said no.

Although Cape was not present, Blodgett was instructed to file a formal report at next Monday's meeting.

In the meantime, the Commission said "nothing doing" to more land.

Instead they want the already paved street widened, drainage fixed, a curb put in, and some reassurance that the three lots will have proper access to City streets.

Commissioners said they would hear no more requests until Cape had fixed the street to their satisfaction.

About two weeks ago, Cape stood before the Commission and said he was "broke," and needed the land to finish his Bryn Mawr apartment development.

Vallier was against vacating the rest of the street.

"We have to stand up for a principle. Sure, it would be cheaper to do it (vacate). But look at the City employees he's abused. We need to stand up to the principle. And I'm willing to spend a little money to do it."

Blodgett is expected to report his recommendations Monday.

The Commissioners also heard a report from George Hudson on his study of the new zoning ordinance, and a comparison of it with several others.

Open house at Jr. High East

On Tuesday evening, Oct. 5, at 7:45 the parents of the Junior High East students are invited to visit the school and talk to the teachers.

A short business meeting conducted by the new Parent Council president, Arthur Shepard, will be held in the gymnasium preceding the evening program.

The program is organized so that parents will go through their child's schedule, with only the time changed to facilitate an early dismissal.

Jenkins

(Continued from Page 1)

will transfer from the Lincoln-Mercury division of Ford. It is expected that he, his wife Peg, and their four daughters, will move from their Sheldon Rd. address in the near future.

The Board of Education will be faced with replacing Jenkins. School officials report that they can appoint a replacement. No indication of a successor for him was available as of Monday.

In a special letter to the Mail, Jenkins commented on his move:

"This resignation has been necessitated due to my acceptance of a unique personal opportunity extended by a major airlines which has corporate offices in New York City.

"I deeply regret that such an opportunity comes at a new term of office, and that I will be unable to fulfill the trusteeship given me in the June election. However, opportunity is not often predictable and certainly has not been for me. I have been associated with Ford Motor Company since 1951, and have lived in the general Plymouth area for many years. Consequently, it is very difficult for the Jenkins family to leave this lovely area and its many wonderful people, who have been so much a part of our lives.

"We will follow Plymouth's future development with great interest, for it will always have a very special place in our hearts. We wish it the best of success in meeting its many challenges."

Jenkins has been active in both Livonia and Plymouth school affairs, and has been on the Board of Directors of the Plymouth Symphony Society.

He was a training manager for Lincoln-Mercury.

Evans Products

(Continued from Page 1)

its capacity is 50 per cent greater than that of any other car now used for shipment of coiled steel.

THE PERMANENT attached hood is an improvement over currently used removable hoods which require special handling and frequent repair and maintenance.

In addition to the new coil steel car, Evans also has on display an 89-ft flat car bearing a truck-trailer and a van-container equipped with the Evans bracing equipment recently approved by the Bureau of Explosives, American Association of Railroads, for trailer-on-flat-car and container-on-flat-car shipment of explosives, ammunition and other dangerous articles.

The device has also been approved by the U.S. Army and U.S. Navy for shipment of ammunition and explosives.

Evans Truck DF equipment consists of a series of belt rails affixed to each side of a truck-trailer or van-container, plus a number of movable crossmembers which lock into the belt rails, bracing the lading to prevent it from shifting and from damage.

Use of the device is not confined to ammunition shipments; it has been installed on more than 4,000 vehicles in 90 different fleets for use in restraining lading of all kinds. The crossmembers, in addition to serving a bracing function, permit double decking which, in many cases, doubles the payload.

Free classes

(Continued from Page 1)

livonia evening school academic courses without payment of tuition.

Livonia evening school director, John Anderson, said, "This should be welcome news for those adults who moved into Michigan from states where it may have been difficult to get twelve years of schooling or to Michigan high school dropouts who have since learned the value of a diploma."

Those who wish to avail themselves of these tuition-free educational services are urged to enroll in the Bentley High School cafeteria on Hubbard Road south of Five Mile Road during registration week, Sept. 21 through 24 from 7:30 to 9 p.m.

Additional information regarding these and other adult education courses can be had by phoning the Livonia continuing education center at GARfield 2-1200 or KENwood 7-4493.

Carl Pursell

(Continued from Page 1)

this district during the 1964 general election campaign.

Pursell, vice president of the Plymouth Community Chamber of Commerce, past treasurer of the Veterans Memorial Board and chairman of the Business and Public Affairs committee of the Plymouth Kiwanis Club, is a graduate of Eastern Michigan University where he received his B.A. in 1955 and his M.A. in 1962.

Parking test

(Continued from Page 1)

area between 8:30 and 9 a.m. Monday morning. They found the lot to the rear of the City Hall only one-third full, and a newly graded lot next to Snyder's Furniture on Ann Arbor Trail empty.

Blodgett is expected to make a formal report at the regular meeting of the Commission next Monday.

In the meantime it was not clear what step the City fathers want to take next.

George Hudson had made the original move to close the lot, and said Monday he thought it might work for all the time. Hudson's suggestion at the time appeared to please several Commissioners, and the plan was adopted.

THE OCCASION was a meeting between the Commission, merchants and the Chamber of Commerce. At that time mixed reactions to the central parking lot solutions were expressed.

Beyer to observe free enterprise day

In recognition of the American system of free enterprise, Robert O. Beyer of Beyer Rexall drug store announces his participation in the growing observance of Free Enterprise Day, this year to be held on Monday, Oct. 4.

"In setting aside the first Monday in October of each year as Free Enterprise Day," Beyer said, "we call attention to the free economic system and ideas upon which our American life is based. We Americans cherish our freedoms. During the year we celebrate certain days which symbolize our heritage as a free people . . . days like the Fourth of July . . . Washington's Birthday . . . Memorial Day.

"One of America's basic freedoms, one which has been taken too much for granted, is honored with a day of its own. This is the reason we are celebrating October 4 as Free Enterprise Day.

"Free Enterprise Day is our way of honoring the economic system which has given us all a standard of living second to none. With just 6% of the world's population, 7% of the geographical area, America has been able to produce 50% of the world's wealth. By competing in a free and open market, American business is able to offer the consumer products of unparalleled quality, value and variety."

Beyer went on to say that,

"Competition encourages American business and industry to perfect new products and search out new ways to lower costs. It is competition which keeps me and every other businessman constantly alert to bring to people everywhere the finest products and services possible.

"As a nation we Americans have a right to be proud of our success. As a citizen of this nation" Beyer concluded, "I am proud to pay tribute to the economic system which has built this success, by celebrating Free Enterprise Day."

Beyer invited all businessmen of this city to join in saluting Free Enterprise Day, so that our entire community can reflect upon and recognize the benefits of the American system of free enterprise.

RN'S FOR CIVIL DEFENSE

A workshop, The Nurse Volunteers in Disaster, will be offered by the Southeastern Michigan Chapter of the American Red Cross, on Monday, Nov. 8, at 7:30 p.m. An invitation to individual nurses will be sent out by mail; a response will be requested.

A total of 55 Registered Nurses in the Plymouth School District answered the questionnaire for disaster nurses sent out by the Plymouth registered nurses in cooperation with the Red Cross.

A member once said:

"I've got a new car, so who needs Auto Club Road Service?"

Sure your new car may not break down. But, it may run out of gas, have a flat tire, get stuck in the snow, boil over in the summer, or even get locked-up with the keys inside. Then, you need help. Dependable, handy, considerate help.

Auto Club help! It costs just a dime to call AAA road service and less than a nickle-a-day to enjoy all Auto Club privileges.

Duane Stevenson, son of Mr. and Mrs. Melvin Stevenson of Minenart Dr., has completed his basic training at Ft. Knox and is on his way to Maryland for further training. Besides several regiment awards, Stevenson received the Colonel's special Award for all-around soldier.

Mr. and Mrs. Charles Huebner of Berry Rd. recently visited Mr. and Mrs. Thomas Kohler in Fayetteville, N.Y. and also visited their son and family, the Douglas Huebners, in Cape Cod.

Following an election last week, the American Legion Post No. 391 Commander Robert Hewer today announced that the new officers of the Legion Building Corporation in Plymouth were: Dr. Leo Speer, chairman of the board; Ernest Koi, treasurer; Ray Gardner, secretary.

Mary Ann Sincocock '66 will be named Post Service Officer.

PROCLAMATION

FREE ENTERPRISE DAY
WHEREAS, the United States of America is the significant bulwark of the system of Free Enterprise in the world today and also has been the leader in initiating and developing that system, and

WHEREAS, this system of Free Enterprise can exist only in a nation whose people are free from the regulations of a totalitarian form of government; and

WHEREAS, this system of Free Enterprise allows an individual to own his own business or to work for a company with the possibility of owning a portion of that company and/or other companies; and

WHEREAS, the people of the United States enjoy the highest standard of living in the world today as a direct result of this system of Free Enterprise; and

WHEREAS, this Free Enterprise system has been achieved in a nation whose people have faith in God and dignity of the individual; and

WHEREAS, we at Beyer Rexall Drugs who have enjoyed the privilege of serving the people of the United States in this community of Plymouth for the past 100 years and who appreciate the opportunity of helping to keep America's families healthy;

THEREFORE, we dedicate ourselves to continue making this nation the leading example of the Free Enterprise System and hereby observe the first Monday in October as "Free Enterprise Day."

Seek members for College choir

The Schoolcraft College Evening Choir offers a unique opportunity to those people who wish for a more advanced kind of musical experience. To join the Schoolcraft College Evening Choir, an individual must be able to read simple music, must have had some previous choral experience, and must attend the regular rehearsals.

The Choir will meet on Wednesday evenings, 7:30-9:30 p.m., in Room F-530 of the Forum Building, on the Schoolcraft College Campus. The first rehearsal will be October 6.

Plans for the 1965-66 season include a performance of the "Childhood of Christ" by Berlioz, during the Christmas season and the "C Minor Mass" by Mozart, in the spring. Occasionally there will be performances which will include music of a lighter type.

Although there is no registration fee required, members will be asked to contribute \$4 to cover the cost of the music. Each individual joining the choir for the first time will be asked to audition to determine the section into which he should be placed.

This audition will include the singing of a simple song and the sight-reading of a simple piece of music. These auditions may be completed at the first rehearsal.

The Director of the School-

FOUR PHS students were among the semifinalists in the National Merit Scholarship competition for this school year. They scored high among several thousand students in Michigan who took the test last March. They are Susan Hulce, Mary A. Fink, Daniel Collick and Charles Catlett. Next step... a finalist test to substantiate their performance on the first test. Finalists become eligible for NMSC scholarship and other forms of assistance.

How to get all that Federal aid

By Congressman Weston E. Vivian

health and welfare of their residents.

"How can our township get help in constructing a sewage treatment facility?"

"Is there a Federal program to help our village purchase park lands?"

"What Federal programs exist to help our watershed committee get a flood control and water recreation project underway?"

"What are the provisions of the new Economic Development Act, applicable to Monroe County?"

"Do the rent supplement provisions of the new Housing Act apply only to newly constructed units?"

Those are but a few of the literally hundreds of questions which have arrived at my office from city, village, township and county officials in the past eight and one-half months. While my staff has worked diligently to find the answers to as many of these questions as it has been possible for us to work on, we find it nearly impossible to provide communities all of the help which we feel they deserve in planning for the

newly-constituted Economic Development Administration. Of the five cities of the District, Monroe is the only one eligible for assistance from this agency under the terms of the legislation.

Tuesday we will be meeting with representatives of the Department of Health, Education and Welfare, the Department of Agriculture, and the Small Business Administration. At luncheon, our speaker will be a high-ranking officer of the Department of State, who will deliver an off-the-record briefing on the status of world affairs as of that date.

I am hopeful that every county, city, village and township will want to send at least one representative to this first Federal-Local Second Congressional District Conference, to be held in Washington on Monday and Tuesday, Oct. 18 and 19.

In early afternoon, the Honorable Robert Weaver, Administrator of the United States Housing and Home Finance Administration, and Weaver's staff, will explain features of the various programs administered by his agency, including housing, community facilities, and parks and open spaces. That morning a special session will have been held for county, city and township officials from Monroe County, attended by officials of the newly-constituted Economic

Mayflower to host Schoolcraft, others

Schoolcraft College will host the Thirty-First annual meeting of the Michigan Association of Junior and Community Colleges on Oct. 14 and 15.

According to Claren Jones, Chairman of the Schoolcraft College Planning Committee, luncheon on October 15 at approximately 1:30 p.m. will be held in the community college cafeteria. The community college will attend.

Members of the community college will attend.

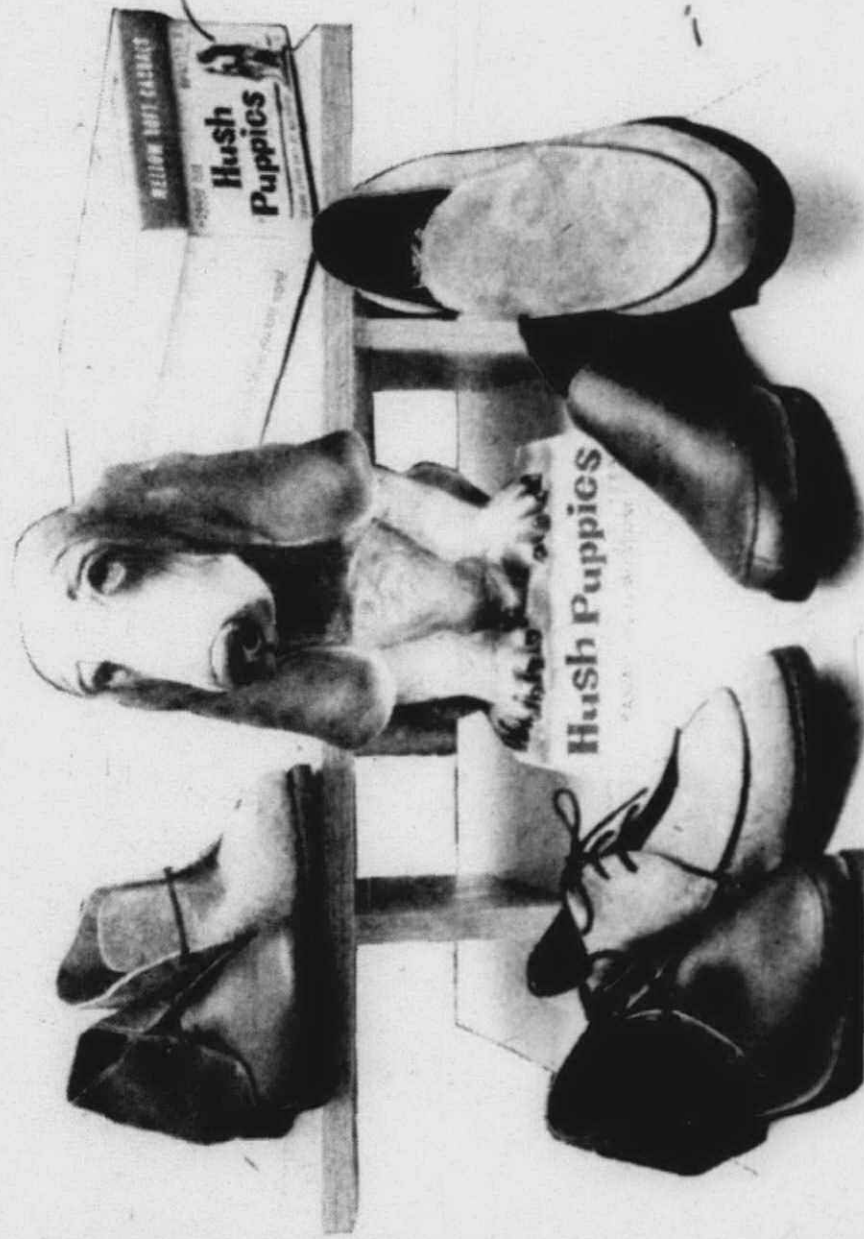

It's Fall PAINT-UP-TIME

Now You Can Enjoy Both

Brushed Leather . . . Smooth Leather

Here's a great reason to have twice as many Hush Puppies casuals. We're making two kinds now. Of course we wouldn't change popular Brushed Pigskin Hush Puppies shoes. But now there's an addition to the comfortable family. They're smooth, glove soft leather and, like their brushed brothers, they have soft crepe soles and steel shank construction to make them the most comfortable thing since going barefoot. Go ahead - indulge yourself. Get both kinds and walk softly. Look for the dog in the shoe. Sizes to fit the whole family.

FATHER WILLIAM T. CHILD, formerly the assistant at Our Lady of Good Counsel Catholic Church, broadcasts each Sunday morning at 7:30 a.m. on station WCAR. The program, called the Church Today, consists of popular music, taped interviews, and commentary on religious activities. This Sunday, Sept. 19, his guest on a taped interview will be Bishop Fulton J. Sheen. Reverend Child is presently assistant pastor at St. Ignatius parish in Detroit.

To serve missionary internship with Baptist

William Morris, of Fresno, California, will get training in youth group activities, church visitation, home Bible study, and prayer groups during his seven-month internship at Calvary Baptist Church. Morris plans to work with the Greater European Mission after finishing his internship in this area.

William Morris

Born in Amarillo, Texas, Morris graduated from high school in Amarillo and spent one year at Texas A & M College. Following this he was in the Marine Corps for three years as a voice radio operator.

After leaving the Marine Corps he studied at the Bible College of Los Angeles and graduated with a B.A. in Missions. Following his Bible College he attended Talbot Seminary of Los Angeles and received his Bachelor of Divinity in English Bible.

DURING the seven months' stay in Plymouth Morris will work under the direction of Pastor Patrick Clifford. One week out of every four he will attend school at the Missionary Internship Headquarters, Freedom Road, Farmington. Specialized training is provided at the Missionary Internship center for missionaries of many denominations.

In the local church the mis-

American legion auxiliary
Congratulations go to Mrs. Ray Barber of the Woman's Club who presented the Wolyerine Girls State program by Passages-Gayde Unit No. 391 of Plymouth.

The fall conference of 1965 will be Oct. 15 and 17 at Battle Creek. Program as follows: Friday - 9 a.m. an executive committee meeting is scheduled. Evening - 8 p.m. is the department chairman's school of instruction. Saturday - 9 a.m., joint Child Welfare and Rehabilitation school of instruction. Evening - 7 p.m. the annual conference banquet. Sunday - 8 a.m., child welfare breakfast. Any Post or Unit member interested in attending, contact Professional Women's Club unit president Mae Hoelscher.

At the September "Why Are We" banquet, Mrs. Frank Aldrich of the Business and Professional Women's Club announced that the unit meeting will be Oct. 15 and 17 at Battle Creek. Program as follows: Friday - 9 a.m. an executive committee meeting is scheduled. Evening - 8 p.m. is the department chairman's school of instruction. Saturday - 9 a.m., joint Child Welfare and Rehabilitation school of instruction. Evening - 7 p.m. the annual conference banquet. Sunday - 8 a.m., child welfare breakfast. Any Post or Unit member interested in attending, contact Professional Women's Club unit president Mae Hoelscher.

Get well wishes to Post member Vito Simonetti who has just undergone surgery and is in St. Joseph Hospital in Ann Arbor. Our deepest sympathy goes to unit member Ann Newton and family for the recent loss of her husband, Percy Newton.

for sink or swim

with an electric water heater you get all the hot water you need
[or you get your money back]

We'll even refund any installation cost. And it doesn't matter where you buy your electric water heater; if it's Edison-approved, the Edison guarantee applies. What size heater will you need? Call us. We'll send out a specialist who can point out the proper heater size and the best location for it. He can also tell you about the low operating cost - as little as \$3.88 a month for a 50-gallon heater. Get all the hot water you need - guaranteed. Call your Edison Office or see the retailer who displays the Edison Satisfaction Guaranteed sign.
