

THE INTERSECTION of Main St. and Penniman Ave. is one of the most heavily traveled in Plymouth. It also tends to be a high accident corner, with 13 crashes in 1964. This vehicle volume count was taken on Thursday, March 25 between 3 and 5 p.m.

during the AAA traffic survey. The survey proposed several means of improving the traffic flow at this location, including a one-way plan. The survey's proposals will be discussed in detail in next week's Plymouth Mail.

## AT LEAST TWO MEN:

# AAA traffic survey calls for more police officers

EDITOR'S NOTE: This is the first of two stories on the AAA Traffic Survey Report presented to Plymouth City officials last week.

An additional two to four police officers must be added to Plymouth's 12-man police force if the city's accident rate is to be lowered, according to a report released last Thursday by Automobile Club of Michigan.

The report was handed out to city officials and other community leaders at an evening dinner meeting at the Mayflower Hotel. Ernest P. Davis, director of the Auto Club's safety and traffic division and Traffic Engineering Consultant Arthur C. Gibson presented the report.

The survey called for more patrolmen in the wake of statistics which show that traffic law enforcement is not effective since 83 per cent of the

drivers involved in 290 accidents during 1964 had violated traffic ordinances.

It confirms a situation that The Plymouth Mail has been pointing to for over a year in editorials that urged city officials to add police manpower.

Stiffer fines and penalties for traffic violators and a city-wide safety education program, conducted by the

court or police department, are suggested as immediate steps to help curb careless driving.

AUTO CLUB safety experts point out, however, that even these steps are not practical solutions if there are insufficient police officers to allow adequate street patrol.

It was suggested that, as soon as more manpower is

available, an officer be assigned on a full-time basis to accident investigation and prevention activities. Currently an officer performs this duty on a part-time basis.

The report singles out young drivers in Plymouth as the traffic safety "problem group."

"The young driver is a problem driver here," according to the report. (Continued on Page 8)

# Evans in new field, buy lease company

The acquisition by Evans Products Company, Portland, Oregon, of the stock of United States Railway Equipment Company, Chicago-based rail-

car manufacturing and leasing company, for cash, was announced today by Monford A. Orloff, chairman of Evans, and Benjamin G. Kaplan, chairman of U.S.

The purchase means that Evans Products has entered still another area of industrial growth.

Last year they entered the rail car fabrication business, and then this summer announced expansion of facilities to meet heavy demands for rail cars.

A spokesman for the company, public relations director for Evans Products, Sam Hudson, said Tuesday the announcement indicates further

growth for the company. "It, in effect, puts a local company in the rail road car leasing business," Hudson said.

SHELDON KAPLAN and Edward J. England, executive vice presidents of United States Railway Equipment Company, will continue to manage its operations, as a part of Evans' Transportation Equipment Division, reporting directly to James J. Conway of the Plymouth office, Vice President and General Manager.

# Brilliant, 19-year-old pianist to highlight Symphony's opening

Guest soloist for the opening concert of the Plymouth Symphony Orchestra on Sunday, Oct. 17 will be Kenneth Jon Bichel, a brilliant 19 year old pianist.

He will perform with the orchestra in the Concerto in C Major for Piano and Orchestra by Mozart. The concerts are held at the Plymouth High School auditorium at 4 p.m. and are open to the public without charge.

Young Bichel is the winner of the 1965 Grinnell Foundation \$1,000 piano award for advanced study. Beginning his junior year at Baldwin-Wallace College in Berea, Ohio, Bichel plans a career as a concert pianist.

Kenneth J. Bichel

A 1963 honor graduate of East Detroit High School where he was the only finalist in the National Merit Scholarship tests that year, Bichel is attending college on a half-tuition scholarship renewable for four years.

MUSIC is an integral part of Bichel's life. He plays trumpet-cornet in the Baldwin-Wallace band and has done some composing. A music major, he is studying under Guilford Plumley. His mother tutored him for 12 of the full 14 years he has been studying.

His tastes are not confined to the classical; he likes progressive jazz and has done some playing with dance bands.

The program for the opening concert includes: Beatrice and Benedict Overture, Berlioz. Symphony No. 8 in F Major, Beethoven; (this work was played by the orchestra during its first performance in 1945), Beethoven.

Concerto in C Major for Piano and Orchestra, K.467 Mozart, Kenneth Jon Bichel, soloist.

# Trained police dog to aid City officers

City of Plymouth policemen will have a new companion at their sides in the near future — a German Shepherd police dog.

The dog will be handled by veteran City patrolman Thomas Ferguson.

He is currently training, with the dog, Nick, at Charles Art's farm at 9721 Brookville Road in Salem Township.

Ferguson, along with policeman from Washtenaw and Oakland counties, meet every night at Art's farm to work with the dogs. They have also spent many long hours on weekends, bringing their families to the farm so they can watch.

ART is a fourth-generation German police dog trainer. That has been his life-time occupation, and he devotes his full day to it.

His father, grandfather and great grandfather all trained German police dogs.

Ferguson's dog still faces another month of training. "He'll be used to finding lost children, searching buildings . . . everything a policeman does," Art said, in an interview Monday.

Art said dogs are normally given to those policemen with three or four years experience, and to those who have a family.

"We have to give the dog a sense of responsibility. . . he needs the respect and love of a child so he can relax. We don't want the dog to dislike children, Art said.

Ferguson has two small children, and indicated when the City put the dog into use, it would be housed in his home.

The dogs are awesome to watch. Training centers around obedience, tracking, and work with an "agitator". A man with a heavily padded arm and hands agitates the dog, then runs from him.

The dogs, like Nick, are trained to chase the man, attack, or if given the proper command, to circle the man. Keeping him at bay.

The dog will sit and watch while the policeman

frisks the suspect. One move, or sound, and the dog springs.

HE IS taught the mean-

ing of the word "friend" and does not attack unless directed to do so by the officer.

(Continued on Page 8)

NEW CANINE helper for the Plymouth City police force is this powerful German police dog Nick, who, along with City Patrolman Thomas Ferguson, is undergoing training at the Charles Art farm in Salem Township. Nick is trained to both protect children and families from danger, and to attack, when commanded to do so. Nick and Ferguson face another month's intensive training, before service as a team.

## Records sought by Library

The Dunning-Hough Library is seeking records for a record collection, under the auspices of the Plymouth Symphony Society.

A committee of interested citizens, spearheaded by Mrs. Robert F. Kehrl, Mrs. Roger Corey and Wayne Dunlap, is attempting to establish the library.

It would be administrated through the library, under the direction of Mrs. Warren Worth.

# Grant pay hike for city employees

City of Plymouth employees got their long sought pay increase Monday night.

The City Commission approved City Manager Richard Blodgett's recommendation that clerical, secretarial and accounting employees be given a 3% pay hike, and police, fire and DPW employees about a 7½% pay hike.

In addition, police and fire

employees are to receive \$100 in holiday pay in December.

Many of the policemen and firemen received pay increase amounting to nearly \$600 a year.

The secretarial salaries were upped about \$200 to \$300 per year.

DPW salaries were boosted from about \$200 to \$450 a year. (Continued on Page 2)

## City clerk quits to go out west

Richard D. Shafer, Plymouth's City Clerk for the past two years, is resigning to undertake the position of Assistant to the Finance Director at Palm Springs, Calif.

In a letter to City Manager Richard Blodgett, Shafer said, "It is with regret that I herewith submit my resignation as City Clerk and Housing Director for the City of Plymouth . . . the various functions and duties have been most interesting and challenging to me . . . I also find myself somewhat reluctant to leave the Plymouth area, friends and the employees with whom I have worked."

His resignation becomes effective Oct. 22.

As Director of Housing Shafer was coordinating the Senior Citizen's Housing program for Plymouth.

Before he replaced Joseph Near as city clerk on Sept. 1, 1963, Shafer was an accountant for radio station WPAG in Ann Arbor.

## Set up fund to help Bill Eldred

"He delivered my birthday presents, my high school graduation gifts, my wedding gifts—and now he's delivering my children's packages. Why, he's like one of the family!"

This is typical of the concern that has mounted during the past week when word was received that Willard Eldred, better known as Bill, was the victim of an unfortunate accident.

Bill, who has delivered packages for the J. L. Hudson Co. to Plymouth customers for at least 15 years, fell from a tree in which he was trimming branches, crushing his knee and breaking his (Continued on Page 2)

# Kick off Community Fund drive on Monday in Kellogg Park

The annual "give-once-for-all" Plymouth Community Fund drive will kick off Monday, Oct. 11 with the traditional torch lighting in Kellogg Park.

Supervisor Jack McEwen will do the honors at 11:45 a.m., with City Mayor pro-tem James Jabara and Community Fund president Frank Palmer present. Immediately following the

torch lighting, a kickoff luncheon will be held at Lofy's (at 12:15) for the board of directors, division chairmen, team captains and the press.

This year's PCF goal is \$86,083. The money goes to 12 local agencies, and 22 State and National agencies.

THE CAMPAIGN donates a little over \$10,000 to The United Foundation, but conducts the fund drive independent of that organization.

Drive general chairman, John Kamego, said the drive will run from Oct. 11 until Nov. 4.

Kamego urged residents to ask the question, "How much would you give to each of the 12 local agencies and the 22 statewide agencies if they came to your door one by one?" to determine what to give.

It is estimated for an annual income of \$5200, about \$30 should be given. Last year the Fund raised over \$75,000, but was a few dollars short of the goal of \$78,560.

The first week of the campaign will concentrate on the residential drive, under the leadership of Mrs. Martin (Continued on Page 2)

 The hundreds of customers who knew Bill's friendly, smiling face wanted to do something to show their appreciation for his many years of service to them.  
 Thus, the Bill Eldred Fund was established. It will be turned over to Bill as a cash gift from his many friends in Plymouth about Oct. 20.  
 Mrs. Betty Korte at the National Bank of Detroit, Main St., will handle the transactions. Anyone wishing to contribute to the fund may see her at the bank.  
 Bill, who lives in Pleasant Ridge with his wife and three children, is in Room 740, William Beaumont Hospital, 3601 W. 13 Mile Rd., Royal Oak.

 The Fund asks three things of residents:

• Donate when a volunteer calls at your home, business or industry. Most industries make it possible to pledge a small amount of pay to the fund.

• If you work where the United Foundation conducts its campaign, divert your pledge to local use by designating it for the Plymouth Community Fund.

• And, if you are not contacted, write the Plymouth Community Fund, P.O. Box 356, Plymouth, Michigan.

Kamego said volunteers were still needed for the residential drive, and anyone interested in assisting may call Mrs. Elizabeth Holmes, 453-0376, or Mrs. John Murawski, 453-0106.

### Pay hike

(Continued from Page 1)  
**ADMINISTRATIVE** salaries were increased to a small degree. Biggest increase in this area was a 7.612 to \$8,099 jump for the City Clerk position.  
 The whole thing will cost the City \$15,076 this year. Present pay costs run \$13,387 a year.

The matter of pay increase was the first knotty problem the City fathers dumped in new City Manager Blodgett's lap when he came to town in August.

The Commission had earlier indicated, at budget time, that salaries would be considered in September.

Among other things, Blodgett recommended:

• A change in the Public Safety Director's title, which would label police and fire chief Kenneth Fisher as Administrative Assistant. Fisher has long been doing more than public safety work. In the new job, Fisher would remain police chief, but become Fire Chief.

• Abolishing the recently established finance director post.

• Drop the job title 'public safety officer' from all firemen and policemen.  
 • A system of grades, with a 2½% differential between grades, with eight steps for advancement for employees.  
 The step scale provides a beginning salary for policemen or a fireman of \$5902, and a top of \$7033.

In other action, the Commission heard from builder Thomas Cape. Cape agreed to post bond on work the City asked him to do on Bryon Ave., a street he illegally paved.

City attorney Edward Draugelis said another public hearing needed to be held on Cape's request for more vacated City land to meet density requirements in his Bryn Mawr apartment development.  
 The City voted to delay

vacation proceedings until bond is posted, or the work done. The City wants the street widened, a curb put in, and drainage fixed.

the morning, in a test to see where all-day parkers can park.

COMMISSIONER Arch Valier made the motion to close the lot, and urged that counts be made at 9:30, 11:30, 1 and 4:30 during the day, both when the lot had been closed in the morning and when it had not.

The two-week test is supposed to be charted for Commission study.

# Policy on closed City sessions still fuzzy

The City of Plymouth's Commission re-defined its procedure on allowing press coverage of committee-of-the-whole sessions last Monday.

In their action they rescinded an original policy established earlier in the year that allowed press coverage of all meetings, unless voted closed by the Commission to discuss either personnel, salaries or land purchase and sale. And the vote had to be announced at a special or regular meeting of the Commission.

The new policy allows the Commission to vote the meeting closed at a moment's notice. It provides for a polling of the Commission by phone if necessary to meet in closed session on an emergency item.

It was, unfortunately, not made clear what type of issue would require a closed meeting. And, as was pointed out by one Commissioner, the original policy had little chance to operate.

Mayor James Houk has been the most vehement objector to press attendance at committee-of-the-whole sessions.

"The old policy ties our hands," the Mayor said Monday, "for anything that comes along. I personally think it should be removed. . . . We ought to be able to have open meetings without the press."

Mayor Houk has been most conscientious of the press. He is also a hard-working and extremely conscientious mayor. As such, we feel his opinions,

and the opinions of all the rest of the Commissioners as expressed in committee sessions deserve proper news coverage. Arch Vallier commented on the matter:

"I think it is very important that the press have the right to hear each Commissioner's opinion. The public has a right to know how we feel; we can't have all our arguments in private."

The committee sessions offer a chance for those opinions to be aired. And, as part of the domain of newspapers, they should be covered, and reported in full.

We can't think of many instances where the public good can be served by keeping Commissioner's views

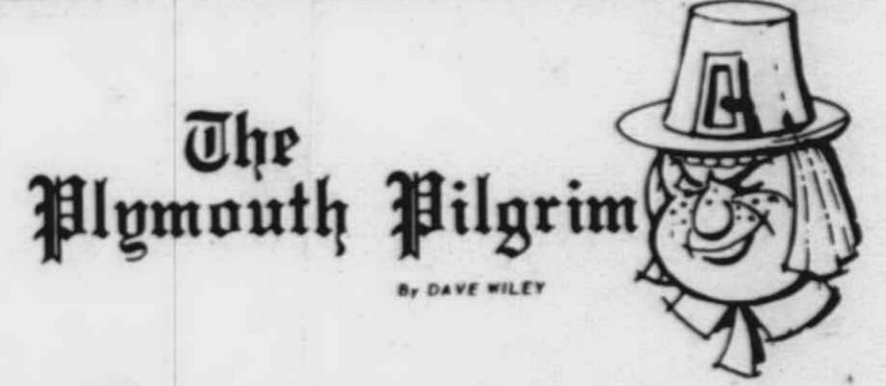

from the public, except in the case of personnel problems, or where advance publicity might spoil a land deal.

The spirit of the original policy provided just that.

It remains to be seen what the new policy brings.

If the Commission, for instance, wants to close meetings to sift alternate proposals for the new zoning changes, the new policy is too restrictive.

Community development and citizen interest cannot be forthcoming under such a method of operation; and no seven men can run the City without such development and interest.

Mankind is an incurable egotist. Caught up in the perpetual circuitries of his day to day living, he kids himself into thinking he is making some kind of mark in the world, building some sort of monument to the outlandish pride that lies within his temporal frame.

Here in the metropolitan area we are more given to this brand of self deceit than our more remote brethren, though they too fall victim to dreams of individual grandeur.

And it's for this reason that it is beneficial and good to come to grips with the reality of the natural world and, for a time, place things in perspective. I know the perfect spot.

The description that follows is one that was set down a couple of years ago; but little has happened to modify it — except that the processes described have continued and made themselves more noticeable.

In addition to its railcar leasing business, it also manufactures, rebuilds and repairs all types of railcars and equipment. The company presently has over 8,000 freight cars on lease to railroads and shippers throughout the country.

The Blue Island manufacturing plant is presently being expanded to an annual capacity of 1,200 new or 2,600 rebuilt cars. This expanded capacity, together with Evans' expanded car-building facility at Plymouth, will give Evans total car-building capacity in excess of 3,000 new freight cars annually.

## To seek waivers allowing convalescent home on Territorial-Ridge corner

The proposed convalescent home rezoning request on the corner of Territorial and Ridge Road was saved from possible defeat last Wednesday, as the developer agreed to seek waivers from nearby residents.

Attorney Theodore S. Brown, acting as spokesman for the development group, staved off a vote on the matter, apparently sensing objections to the rezoning, despite a motion from John Welsher approving the request.

The motion was seconded by Russell Ash.

The occasion was a special meeting of the Township of Plymouth planning commission.

Discussion centered around subdivision restrictions that are still in effect on the property. The request is for a change from country estate zoning to multiple zoning, R-3.

CHAIRMAN Irving Rozian commented on the proposed home: "It appears to be a desirable facility in a somewhat undesirable location," he said.

It was agreed that the matter of rezoning and the matter of subdivision restrictions, which uphold the zoning, are separate. It was thought the commission could bypass those restrictions.

Commission member Ralph Garber spoke for considering the subdivision restrictions: "We say to an individual we are going to do this, and if you don't like it, you fight them. I don't like that," Garber said.

Welsher noted that area residents had an opportunity to speak, but only one had appeared.

"It was one o'clock in the morning," Garber countered.

indicating the lateness of September's public hearing session.

At this point Brown suggested an alternate.

"Could you hold up consideration, with the understanding that it is my burden to attempt to secure waivers to make sure individual property owners aren't harmed?"

THEY agreed they could and the matter was tabled until the October meeting.

In other action the commission sidlined action on Robert H. Wedler's request for a decision for a re-application for rezoning of the S.E. corner of Ann Arbor and Haggerty Roads. He's seeking commercial rezoning.

The commission has been awaiting an opinion from ailing Township attorney Earl Demel. Rozian reported that Demel had verbally indicated Wedler could re-apply.

Garber, and other commission members didn't like the idea of acting on verbal opinions, and tabled the matter until a written one could be obtained.

Detroit Bank and Trust's application to rezone lots near the corner of Ann Arbor and Lilley Roads was listed for public hearing after bank officials explained plans. DBT plans to build a branch drive-in office at that location.

In other action, the commission told applicant Mel Lake that his proposed apartments between Eckles and Haggerty Roads appeared to be in the middle of a freeway route.

They also told him they wouldn't act until further information on the route was in their hands.

Chairman Rozian noted that much of the property would be roadway, if plans continued as they stood.

### Carolyn Groom wed in candlelight ceremony

Mr. and Mrs. Roger Rathburn

In a candlelight ceremony on Saturday, August 28, Carolyn Louise Groom became the bride of Roger Wilson Rathburn in the Plymouth Assembly of God Church. The 7:30 double ring rites were performed by the Rev. John Walasky.

Given in marriage by her father, the bride chose a gown of white peau de soie fashioned with a sabrina neckline applied with alencon lace which was repeated at the waist. The sheath skirt, which eased over the hipline, had a detachable chapel train. Her shoulder length veil was held by a fabric rose. She carried a crescent of white roses and fugi mums with a cascade of stephanotis and miniature white carnations.

Matron of honor, Mrs. Catherine Van Cise of Northville, wore an Empire styled gown with a bodice of moss green fashioned with a floor length skirt of bone white crepe styled with a Watteau train. Her head piece was of bone colored veiling attached to a rose fashioned from moss green brocade. She carried yellow mums in a crescent bouquet.

The bridesmaids were Sue Henry and Jacqueline Collins of Plymouth. Their gowns were identical to the matron of honor and they carried yellow and bronze mums.

The flower girl, Julie Graham, and ring bearer, Charles Graham, are the bride's niece and nephew.

Craig Rathburn served as his brother's best man. Ushers were Earl Van Cise of Northville, Gerald Schulte of Livonia, Lawrence Wells of Plymouth, and Kenneth Groom, brother of the bride.

After a reception for about 200 guests in the VFW hall, Mr. and Mrs. Rathburn left for a wedding trip to Colorado Springs and the Rocky Mountain National Park.

Mrs. Rathburn is a 1960 graduate of Plymouth High School. A 1957 graduate of Northville and a graduate of Cleary College, Mr. Rathburn is assistant general manager at Rathburn Chevrolet in Northville.

### Jeni Steel marries Lyle C. Avery

Mr. and Mrs. Lyle C. Avery

The First Presbyterian Church of Plymouth was the setting for the marriage Sept. 27 of Jeni Steele and Lyle Clair Avery. The Rev. Edward Castner performed the double ring ceremony at 7 o'clock in the evening.

The bride, daughter of Mr. and Mrs. William L. Steele of Harvey street, was given in marriage by her father.

The bride's gown was fashioned with a scalloped sabrina neckline with a six tiered skirt and a chapel train. She wore a bouffant fingertip veil and carried a bouquet of baby roses and carnations.

Attendees were the bride's sister, Kathy, as maid of honor and Sue Smith of Plymouth as bridesmaid. They both wore yellow floor length gowns and carried yellow mums.

The bridegroom, son of Mr. and Mrs. Clair W. Avery of Canton Center Rd., asked Joel Barnes of Plymouth to serve as best man. Ushers were his brother, Keith, and Warren Battle of Brighton.

For her daughter's wedding, Mrs. Steele chose a turquoise chiffon dress with matching brocade coat and accessories. Mrs. Avery wore a navy blue knit dress.

The couple received about 150 guests at the Knights of Columbus Hall on Schoolcraft Rd.

For her wedding trip to the upper peninsula of Michigan, Mrs. Avery wore a blue knit suit with matching accessories.

Mrs. Avery is a 1964 graduate of Plymouth High School while her husband graduated from PHS in 1962. They will live at 6133 Canton Center Rd.

### David Curtis claims bride in afternoon rites

Ronni Kay Downing, daughter of Mr. and Mrs. Clay Downing of Grand Rapids, and David Leslie Curtis, son of Mr. and Mrs. Melvin J. Corwin of Ridge Rd. spoke their marriage vows on August 28 in St. Thomas the Apostle Church, Grand Rapids. Monsignor Raymond J. Sweeney performed the 1 o'clock ceremony.

Given in marriage by her father, the bride wore a gown of tissue taffeta fashioned with an Alencon lace bodice and a hoop skirt. Her veil was held in place with a rose petal crown. She carried a bouquet of white glamelias and ivy.

Sharon Reuck, maid of honor, Sharon and Cristie Jo Kerr, bridesmaids, were dressed in similar Empire styled gowns. The maid of honor wore a gown with a pale pink chiffon bodice and darker pink crepe skirt. The bridesmaids wore shades of turquoise. They carried one long stemmed pink rose.

Best man as Charles Cutter. Seating the guests were Thomas Elias and Alan Curtis.

Mrs. Downing chose a cocoa brown crepe shift for her daughter's wedding and the bridegroom's mother wore a two piece golden brown dress with brown accessories.

After a reception at Cecil's Ranch House, Grand Rapids, Mr. and Mrs. Curtis traveled to northern Michigan. They will live in Plymouth while Mr. Curtis attends Schoolcraft College.

Mrs. David Curtis

## American Motors Challenges the "Big 3" of Detroit—With 4 New Lines of '66 Cars that Give the Public What it Wants.

Last time it was size. This time? Quality! Quality that's built in—not added on. The promise: more built-in quality features at no extra price.

Remember when American Motors came out with the trim little Rambler and knocked the Detroit "Giants" on their collective ear? Overnight, big fins and fat land yachts went out of style. American Motors came along with the right cars at the right time and caught the competition napping. This year, almost half the automobiles sold are Rambler-size cars.

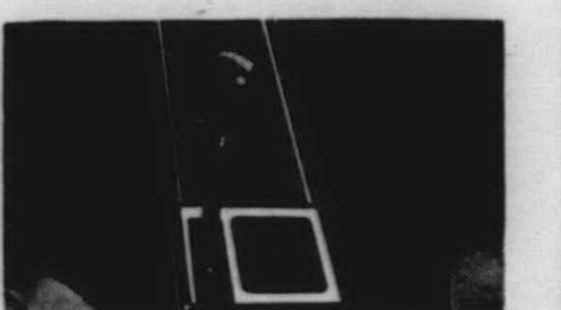

Round one to the "Giant-Killer." What next? For '66, American Motors again gets the jump on the big boys with a new rallying cry: Quality! A new kind of quiet quality that is built in as standard equipment on every car in the line.

This is the American Motors credo. Quality that's built in—not added on. First, determine what has to go into a car to make it stronger, safer, more dependable, more luxurious. Then put it there. Regardless of cost. Build it in.

Ready to be convinced? Ready to be surprised? Check this page for a preview of the 4 sleek challengers. New cars. New names. Then admire the styling of these exciting new cars. When you have finished, please get on your horse and go to the friendly Giant-Killer in your town, your American Motors/Rambler Dealer.

New Books

Among the new books at the Dunning-Hough Library this week, according to head librarian Mrs. Warren Worth, are:

"Masterpieces of Christian Literature," in summary form, edited by Frank McGill, abstracts more than 300 of the most important Protestant theological works.

"National Gallery of Art, Washington, D.C.," by John Walker, presents the history of the gallery and discusses some of the treasures in its collection. It includes 116 full-color plates and 250 black and white illustrations.

"A Star Called the Sun," by Frank Gamow, replaces the author's earlier work, "The Birth and Death of the Sun," incorporating new facts and concepts that have arisen since the earlier book was published.

"1001 Questions Answered About Space," by Clarke Newlon, is also a book that brings scientific knowledge up to date. It is a revised edition of an earlier work.

"The Mallet Diaries," by Robert Nathan, is a satirical novel about a group of anthropologists in the southwest, who are studying the customs of a tribe of aborigines.

"Test Yourself!" by William Bernard, is a handbook of self-analysis, based on modern psychology, which gives many varieties of tests that can be self-administered.

"Western Campsite Directory 1965," published by the editors of Sunset books includes also British Columbia and Baja, California.

"Totalitarian Dictatorship and Autocracy," by Carl Friedrich, is a scholarly treatment of totalitarianism.

"Letters to Malcolm: Chiefly on Prayer," deals with the place of prayer in Christian living.

# Plymouth ties Belleville 13-13; Jim Arnold runs at quarterback

**PASS TO THE SIDELINES** that was the strategy late in the Belleville game Friday as Jon Adams grabs a pass, then steps out of bounds to stop the clock. He had just taken the pass from the Rock's new quarterback, veteran halfback Jim Arnold, who lead the team to its first two touchdowns of the year.

## Team much improved

They are getting better. That was the word as the Rock fans filed from the stands Friday night after seeing a last minute Plymouth effort fail, and the game end in a 13-13 tie.

It was refreshing to see Plymouth rack up two TDs, and place themselves in a position for at least two others.

The two weeks before all the sputtering Rock offense could muster was 2 points on a safety, while their opponents were rolling up 45-0 and 14-2 scores against them.

Quarterback Jim Arnold was the leading ground gainer for the Rocks. He never lost his footing in the backfield, and scrambled for 29 yards.

Larry Warnemuende and Jon Adams both ran for 26 yards.

Plymouth gained a scant 34 yards in the first half, all on the ground. In the second half they moved for 73 yards on the ground, and 19 yards in the air.

Belleville's statistics are a bit more impressive. They gained 104 big yards in the first half on the ground, and 25 in the air; in the second half it was 54 on the ground, 70 in the air.

The coaches were reported pleased with Arnold's performance as quarterback. And well they should.

He led the team in its first touchdown of the season, led the team in rushing, and all in all, looked like a veteran quarterback.

He will probably be back this Friday.

## Bentley trips thinclads

Howard Stuedeman ran well ahead of the pack last Friday, but it wasn't enough as Plymouth lost to Bentley 35-22, in cross country.

Stuedeman was clocked at 10:46 for the course.

Coach John Sandmann noted that the score didn't indicate how close the meet was.

Several Plymouth men could have placed higher with a few seconds better time.

Bob Kreitch ran fifth, with a 11:32 time; Doug Bates ran eighth with 11:41; Dave Dirham ran tenth with 11:52; and Dave Allen ran 11th, with a 11:56 time.

Plymouth will travel to Trenton on Oct. 8. Then, on Oct. 12, they will run in the Redford Union Invitational.

## Pass contest set for Saturday

Hamilton playground will be the scene of the annual Punt, Pass and Kick contest this Saturday, beginning at 9 a.m.

All participants are urged to register ahead of time.

According to Joseph Bida, who administers the contest, sponsored by Leo Calhoun Ford, parents should bring in their boys, ages 8-13, right away.

They can register at Calhoun's anytime, with Joe Kruse.

Nationally known and sponsored by Ford, the contest offers several prizes.

Contests must punt, pass and kick down a straight line. Points are awarded for distance and accuracy, with points being deducted in direct relation to the number of feet the particular pass or kick is off center.

Plymouth winners travel to a district contest.

## Next week

Plymouth will take on Bentley this Friday, 8 p.m., at their field near the school on Five Mile Road.

Bentley upset Allen Park last week 13-6.

After Bentley, Plymouth will host the powerful Trenton team.

Trenton stepped all over Redford Union last week, whipping them 42-12.

Trenton played an inspiring second half, after trailing 12-7 at the half.

Plymouth league grid opener against Belleville ended in a good old-fashioned "Mexican standoff" Friday night, 13-13.

Neither team could break the deadlock.

Plymouth had the ball in the waning seconds, but the Rocks' final TD pass bid failed, and the clock ran out.

Both teams tried last minute gambits, but to no avail.

Belleville's football philosophy this year has been to score a couple of touchdowns and then hang on. They did just that last week, and, with sheer grit, beat Melvindale 7-6.

It didn't quite work against Plymouth.

**PLYMOUTH'S** tie, of course, leaves them ahead of Suburban Six teams that lost Friday night — but only temporarily.

Coach John McFall, fresh from two early season defeats, had some surprises for Rock fans.

One was Jim Arnold, hard-running senior halfback who ran the team at quarterback. McFall sidelined both Steve Hulce and Dave Prohaszka, his two junior quarterbacks, in favor of Arnold.

The results pleased just about everybody.

Arnold scrambled well in the quarterback slot, and never got caught unawares. His passing game was energetic, but a little inaccurate as several sideline passes sailed past ends and out of bounds.

Despite the nifty work of Arnold at quarterback, the game thrill went to Ron Lowe, Number 80, who ran back a punt for over fifty yards early in the second quarter, with the score tied at 7-7.

Lowe's run sparked the Rocks the rest of the way, as both teams hit and ran hard.

**BELLEVILLE'S** bigger line was handled nicely by Plymouth. Belleville's biggest ground gained appeared to be a sideline flat pass to end Dennis Van Allen, particularly in the second half.

Plymouth, of course, was fighting back from a 45-0 shutout at the hands of a highly rated Northville squad, three weeks ago, and a 14-2 upset at the hands of Farmington two weeks ago.

Plymouth lost little time scoring.

Arnold ran twelve yards into the end zone, only to fumble. But an alert Jon Adams fell on the ball for a TD. Plymouth faked the kick, and Arnold passed to Lowe for the point-after-score, 0-7.

On that particular series Arnold moved the team extremely well, as well as they have been moved all year. But fumbles marred the Rocks' offense.

Belleville stalled the opening Plymouth attack; a few plays later, however, Plymouth blocked a Belleville punt.

Two plays later Belleville snagged a Plymouth pass on the three yard line.

What next?

Belleville fumbled, Plymouth took over, Arnold ran for the TD, fumbled in the end zone, and Adams fell on the ball.

The second quarter was even livelier.

Belleville returned the kick well, and behind the running of Belleville's star halfback Randy Hall, moved deep against Plymouth.

The ball changed hands, with Plymouth stalling out, then Belleville mounted a successful TD drive.

A long pass put Belleville at mid-field. Then a soft pass to Van Allen put Belleville within scoring distance.

Hall set up the play with a nifty run around end, and got the honors for the TD with a three yard plunge. The PAT was good and the score stood 7-7.

**Junior High football**

The Our Lady of Good Counsel football team continued its winning ways Sunday as they rolled over St. Peter and Paul school 35-7.

The Detroit team traveled to Plymouth for the game.

The Ninth grade football team tied Pearson Junior High of Redford last week, 6-6, with Jerry Latham scoring the Plymouth TD.

The Eighth graders hosted their counterparts from Pearson, and beat them, 19-6, last week.

At this point Lowe got his game-breaking punt return but Plymouth had to turn the ball over on downs, unable to move, and the half came with the score tied.

It was in the third quarter that Arnold showed his best form. He piloted the team deep into Belleville territory, then handed off near the goal line to Curt Irish, who slammed through the line for the score.

Plymouth's pass for a point after was no good. Had they scored then, the one point difference might have won the game.

With Plymouth leading 13-7, Belleville rallied, and Larry Wilkins slanted off tackle for a yard TD push. The Scouts' PAT attempt failed, and the score tied-up at 13-13.

And there it stayed, as both

Plymouth and Belleville tried last minute series.

**ARNOLD** ran his team deep into Belleville territory, with Jon Adams grabbing a key pass for a first down, then stepping out of bounds to stop the clock.

Then with just seconds to go, Arnold's pass was intercepted. The Rock line harassed the Belleville quarterback so badly on the next play that his wobbly pass was intercepted by Plymouth. On top of that, Belleville drew a penalty.

With less than 15 seconds showing on the clock, Arnold tried an unsuccessful desperation pass to Ron Lowe, who was covered by three Belleville defenders.

Statistics show Plymouth passed 13 times, completed only two, and had three others intercepted.

**JUNIOR BASEBALLERS** enjoyed their annual outing last Saturday, sponsored by Russ and Esther Powell, at the Elks Lodge. Food, prizes and trophies were handed out by league officials. Joe Bida, with the megaphone, ran the proceedings, and with the help of Al Carlson and Cornelius Van Boven passed out the trophies.

THE PLYMOUTH MAIL

# Plymouth Twp. Minutes

September 14, 1965  
 Supervisor McEwen called the meeting to order at 8:03 p.m., with all members being present except Dick Lauterbach.

The Supervisor called for the reading of the minutes of August 10, 1965, and the minutes of a Special Meeting held on September 2, 1965, minutes were read and approved unanimously.

This list of bills, as presented with the agenda amounting to \$143,774.00 were discussed, and on a motion of G. Overholt, supported by R. Garber, warrants are to be drawn thereon for payment. Carried.

Engineer Hamill presented a plan for 120' of 12" sewer on Lincoln and Robinwood at an approximate cost of \$30,000.00. This item was tabled until October 12, 1965, meeting in order that plans and cost can be studied.

At this point, discussion was held relative to appropriate monies in debt reserves for Southeast Water Project. On information supplied by Walter Markin, these reserves are not to be released unless the ordinance is amended.

On motion of Ralph Garber, supported by L. Norman, a resolution was made to transfer \$50,000.00 from Receiving Fund Reserves to the Construction Fund pending the amendment to the ordinance, at which time funds in a like amount will be re-deposited in Receiving Fund Reserves. Carried unanimously.

On recommendation of Supervisor John D. McEwen, the following appointments were made: Mr. Ray Kimble, 49225 North Territorial, was appointed to Plymouth Community Human Relations Commission; Phillip Truesdell was appointed Constable to replace Mr. Louis Schomberger, Mr. Ralph Garber was appointed as the Township Board representative on the Plymouth Area Planning Commission. Carried unanimously.

On motion of Ralph Garber, supported by E. Holmes, the rules and regulations to be returned to the Fire Administration Board for dis-

cussion with the Fire Department was amended to contain a paragraph stipulating physical requirements and qualifications.

On motion by E. Holmes, supported by G. Overholt, the Office and D.P.W. Vacation Schedule Item 1 is to be amended to read "11 days." Carried unanimously.

The word "Deputy" is to be deleted from Account No. 404 in the Budget and be made to read "Clerk," on motion by E. Holmes, supported by G. Overholt.

The resignation of Janice Birckelbaw as Deputy Clerk was read and the Clerk appointed Helen I. Richardson, 9110 Morrison, as Deputy Clerk.

Approval of items recommended by the Fire Administration Board was given on the motion of Elizabeth Holmes, supported by Ralph Garber and carried.

Considerable discussion was held regarding costs of itemized items amounting to \$96.46, accumulated due to an emergency situation when Consumers Power Company gas well exploded.

On motion of E. Holmes, supported by G. Overholt, the bill be approved. Mr. Norman stated and Mr. Garber voted "no." Motion carried.

Mr. Overholt recommended that the Fire Administration Board set up some kind of emergency fund to cope with such situations.

On motion of Ralph Garber, supported by C. Veach Sparks, the following resolution was adopted for setting millage for 1965 Tax Roll.

The following resolution to set the Millage Rate for the 1965 Plymouth Township Tax Roll was submitted by the Clerk, C. Veach Sparks, and approved by the Township Board of the Township of Plymouth, at its meeting held September 14, 1965, that there be levied on the taxable property of the Township of Plymouth, for the year of 1965, a tax of 4.5 mills on the state equalized valuation thereof, said value being \$62,283,423.00 and the tax amounting to \$280,275.00 which is to be distributed as follows:

Township Allocated	1.0	\$62,283.42
Interest and Debt Retirement	\$750,000.00	
Sewer Construction Bonds - County Project S-208	1.1	68,511.76
Interest and Debt Retirement	\$1,100,000.00	
Water Construction Bonds - County Project S-216	1.1	68,511.76
Interest and Debt Retirement	\$850,000.00	
Sewer Construction Bonds - County Project S-216	.65	40,484.22
Interest and Debt Retirement	\$350,000.00	
Water Construction Bonds - County Project W-214	.65	40,484.22
TOTAL	4.5	\$280,275.38

AYES: Norman, Holmes, Garber, Overholt, Sparks.  
 NAYS: None.  
 ABSENT: Lauterbach.

It was moved by E. Holmes, supported by G. Overholt, that we approve the rezoning of part of Section 25, beginning on the West 1/4 corner, from M-1 to C-2 as recommended by the Planning Commission. Carried unanimously.

The approval to rezone Item 13, being a part of the N.W. 1/4 of Sec. 36 from R-1 to P.O. was tabled for final opinion as to whether the statute of limitations had expired, on a motion of Ralph Garber, supported by Elizabeth Holmes. Carried unanimously.

There being no further business, a motion was made by L. Norman, supported by G. Overholt, that the meeting be adjourned. The meeting was adjourned at 10:12 p.m. by Supervisor McEwen.

RESOLVED: C. Veach Sparks, Clerk Approved.  
 John D. McEwen, Supervisor

# AAA survey shows need for more policemen

(Continued from Page 1)

According to the report, "Over 37 per cent of all accident drivers came from the eight-year group from 16 through 24. This is extremely high when compared with the age groups from 25 through 34 and 35 through 44, which contributed 12.9 and 17.2 per cent respectively."

Drivers 16 to 19 years old accounted for 22 per cent of all accidents last year. This is the highest percentage for any one group. Drivers 45 to 54, 55 to 64 and 65 to 74 all had lower percentages with 14.7, 8.7 and 4.6 respectively.

Statistics also reveal that 66.4 per cent of last year's accidents were caused by motorists from the Plymouth-Northville area.

"Two out of every three accident drivers came from Plymouth or its immediate environs — emphasizing the need for concentrating on local drivers," the report states.

In addition, the 120-page report contains a study of the city's street engineering problems and steps to physically improve major streets.

Mayor James Houk received a bound copy of the survey from Robert Cain, Auto Club's Plymouth division manager, at the Thursday meeting.

The survey was conducted, at no cost to Plymouth, last March after the City Commission requested this service from the Auto Club's safety

and traffic division. A two-man team of traffic research specialists headed by Charles E. Gordon, traffic research supervisor, spent three weeks on the public service project.

The Detroit traffic engineering firm of Gibson and Associates was employed as consultants on the survey.

**THIS IS THE** third time Auto Club has aided Plymouth with its traffic problems. Surveys were made in 1942 and 1953. In 1953, the Club pointed to "insufficient number of police personnel, leading to inadequate law enforcement." At that time it was recommended that the city increase its 10-man police force to 14 persons. There were 112 accidents in 1951 and 82 in 1952 as compared with 290 in 1964.

"Currently, the Plymouth Police Department is manned by a force of 12 officers. This total includes the director of public safety who serves as chief, an assistant chief, two lieutenants and eight patrolmen," the report says.

Auto Club's survey comments on the current shortage of law enforcement officials: "There is some question as to whether the department can provide adequate law enforcement for this community with its present manpower."

In 1953 Plymouth had 7,000 residents. Population has grown to 9,500 today and is projected at 11,000 by 1970.

"Many Michigan communities similar in size and location obtain good enforcement with police department strength of between 1.5 and 1.7 officers per thousand population," adds the report. "Using this

standard, Plymouth would require a police department of 14 to 16 officers."

Auto Club recommended that two officers be added immediately and two more within the next two years.

However, the report points out that even with its limited staff, "the Plymouth Police Department is to be complimented in the manner in which accident records are prepared and maintained."

Auto Club points out that time of day, day of week and weather conditions are also significant factors connected with most accidents.

### TIME OF DAY AND ACCIDENTS

Over 200 of the accidents took place during daylight hours. Peak accident hour in the city was between 2 and 3 p.m.

The most dangerous hours each day are between noon and 8 p.m. Percentage of accidents occurring in each of these hours are as follows: noon to 1 p.m., 7.9 per cent; 1 to 2 p.m., 6.5 per cent; 2 to 3 p.m., 9.3 per cent; 3 to 4 p.m., 7.6 per cent; 4 to 5 p.m., 8.3 per cent; 5 to 6 p.m., 7.6 per cent; 6 to 7 p.m., 8.6 per cent, and 7 to 8 p.m., 5.9 per cent.

No accidents occurred on Plymouth streets last year from 3 to 4 a.m. or between 5 and 6 a.m.

### DAY OF WEEK AND ACCIDENTS

Friday is the most dangerous day on Plymouth streets, with 21.4 per cent of all accidents occurring during this 24 hour period.

Mondays accounted for 8.3 per cent of the year's weekly accident average, Tuesdays 13.1 per cent, Wednesdays, 16.5 per cent, Thursdays, 11.1

per cent, Saturdays 17.9 per cent and Sundays 11.7 per cent.

December proved the most dangerous month with 15.9 per cent of the yearly accident total. The safest month was July, with only 5.9 per cent of the 1964 accident total.

### WEATHER AND ACCIDENTS

Plymouth motorists were relatively good drivers in poor weather last year. The report shows that 85.9 per cent of the accident total occurred on clear or cloudy days and 64.9 per cent of the accidents occurred when pavements were dry.

When it was raining or when pavements were wet, 27.9 per cent of the accidents happened. Only 7.2 per cent of them occurred when streets were snow covered.

According to Auto Club safety officials, this indicates carelessness is a major factor in the Plymouth accident rate. Drivers are extra careful in poor weather but become reckless under ideal conditions.

Since the accident problem is related to careless driving in this community, the report states, "safety education must play an important role in any accident prevention program."

"First of all, the scope of

the current driver training course in Plymouth should be reviewed in the light of the material detailed in the accident analysis section of this report.

"IT IS obvious that younger drivers need to know more than the mere operation of a motor vehicle. . . . It is recommended that local driving instructors review with the Plymouth Police Department on a frequent and continuous basis the performance of younger drivers so that, if possible, classroom and behind-the-wheel instruction can be adapted or revised to meet any deficiencies and create an awareness of local problems."

Auto Club's report also states that a special traffic

school for those guilty of serious violations—young and old alike—could reduce accidents substantially. Help in setting up such a school has been offered by the Club.

(Next week, there will be a review of Auto Club's recommendations to insure maximum effectiveness of Plymouth's major street system. Also, city engineering problems—one way streets, pavement markings and physical improvements — will be discussed.)

## Your Chamber In Action You Can Help

Development of the non-residential tax base in the community has, since 1958, been a primary objective of the Plymouth Chamber of Commerce.

The Chamber, home of the Industrial Development Corporation, the Plymouth area Planning Commission and the Economic Development Committee, feels that we will have better schools and more community services with a sound balance between residential and non-residential tax base.

If you, as a citizen of the community, know of a business or industry contemplating a move, won't you let the Chamber know. It could provide addition new workers and increased payroll for our area. Does it surprise you to know that this is the way almost every new industry has come to Plymouth? Adding business and industry is much easier than increasing taxes.

## Police dogs

(Continued from Page 1)

The officer is carefully trained by Art also. For instance, if an officer moves the wrong way around the suspect . . . in such a way the dog can't see his officer . . . Art corrects the patrolman.

"It takes months and months of training," Art said.

The dogs are beautiful to watch in action. They are perhaps one of the highest and finest trained animals in the world.

"And they are more valuable than a bullet," Art said. "They can keep a suspect alive."

Ferguson said he will use the dog to volunteer in manhunts in the area.

Art note that he currently was training about 40 dogs. He rejects over 80 per cent of the German Shepherds that come his way. The dog's average weight run between 85 lbs. and 120 lbs.

Art sells his highly trained police dogs all over the country.

City police chief Kenneth Fisher noted that he was pleased with the move, and was looking forward to making good use of the dog Nick.

Art commented that the dogs aren't trained just to handle crowds, or attack felons. They are used to protect, and find lost articles and children.

**THE SYMPHONY** Society has also agreed to act as collecting agent for money donations. The Library cannot, due to a technicality in the Wayne County Library policies.

The record fund will be kept separate from the general Symphony fund.

Mrs. Kehrl said they were looking for "serious music" . . . classical, opera or chorale works.

The records will be loaned, like the books, free, through the Library.

A letter has been sent to all Symphony Society members, noting that, at present, the only records available are language study and shorthand dictation records. The letter continues:

"The Library has no funds with which to start this project, so all the money will have to come from donations.

Records will also be accepted, the letter notes, at the library. But only 33 and 1/3 records are being taken.

Money donations may be made to the Symphony Society, P.O. Box 99, Plymouth, Michigan.

## The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think for one minute that we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them—3 new super-sumptuous Broughams and 4 Venturas. And, of course, for you other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-quick handling. But you'll discover those things when you slip behind the wheel and turn a new '66 tiger loose. **Wide-Track Pontiac/'66**

## and again!

You're looking at the newest thing in tigers. Sleek, lean-muscled new style. New power that starts with a revolutionary new kind of six and ranges through four V-8's. Crisp curves shape the new silhouette, and the sports coupe sports a smartly recessed rear window.

Pontiac's revolutionary overhead cam six acts more like a V-8, looks like no six you ever saw, and still remembers that saving is what six buyers buy sixes for. Delivers 165 hp (or you can specify the sports package which includes the 207-hp version). And it's standard on all Tempests, Tempest Customs and Le Mans. V-8's? Up to 360 hp in the GTO. When the stakes are high, there is no margin for error, no time for the second guess. That's why the members of this team, the community health team, are all professionals with a backlog of training and experience unexcelled anywhere.

That's right. This Beyer "team" of nine pharmacists is here to serve you week after week as Beyer "teams" have done for the past 100 years.

Because prescriptions are the lifeblood of our business, we are painstakingly accurate in making certain you receive exactly what your doctor orders. When illness strikes you or your family, remember . . .

**NEARLY 5,000 TIMES A MONTH, YOUR FRIENDS AND NEIGHBORS RELY ON US TO FILL THEIR PRESCRIPTIONS.**  
So the next time you need a prescription filled, let one of our registered pharmacists serve YOU.

Reverend Peter Schweitzer, associate minister at the First Methodist Church, doubles as a volunteer fireman for the City of Plymouth, and Monday was on hand for the annual Fire Prevention Week activities. Here the firemen visited the Our Lady of Good Counsel School with their trucks. The students crowded around eager to ask questions, after donning their plastic red fire hats and badges. During the special week, the area fire departments visit the schools and conduct open houses. Both assistant fire chief George Schoeneman of the City firemen and Captain Barney Maas of the Plymouth Township fire department, urge local residents to visit their fire halls this week. Fire hats and badges are available for pre-schoolers, and the equipment will be shown to any visitors.

Editor's Note: Jo Ann Grahil is our new Canton reporter. Please call her with any news items from Canton (township).

The Senior Methodist Youth Fellowship of Cherry Hill Methodist Church held an ice cream social Sunday evening. A good turnout made the evening a success. The group is using the proceeds to help with the re-decorating of the church.

Mrs. Gladys Gotts of Ridge Rd. and Mrs. Bernice Downing of Geddes R. recently returned from a New England states and Canada. Highlights of the trip included a day spent at Cape Cod and Hyannis Port, and tours of Quebec and Montreal.

Mr. and Mrs. Russell Bowlings and girls and Mr. and Mrs. Joseph Valencourt of Bear Lake were weekend guests of the Walter Grahil family of Ridge Rd. The occasion was a surprise birthday party for Mrs. Grahil's sister, Mrs. Leo Kempigainen of Wayne. Other guests attending were Mr. and Mrs. Clyde Crissman and son of Meick and Mr. and Mrs. James King and daughter of Bear Lake.

Cub Scout Troop 298 of Plymouth under the leadership of Fletcher Campbell Jr. held an organizational meeting Wednesday evening from 7:30 to 8:30 at the Cherry Hill Methodist Church. Two new members, Billy Jarvis and Michael West, were welcomed into the troop. Den Mothers for this troop are: Mrs. Fletcher Campbell (Den 1) and Mrs. Roger Merritt (Den 2). New recruits are still needed and boys between the ages of 8 and 11 who

are available for a small fee. The next dance will be Oct. 16.

Mrs. Frederick Green, chairman for the Canton Township United Foundation Torch Drive, announces the "Kick-Off" for the drive is planned for Tuesday, Oct. 12.

The residential campaign will be headed by: Mrs. Frederick B. Steiner (area north of Cherry Hill west of Canton Center); Mrs. Richard L. Foesterling (area north of Cherry Hill east of Canton Center); Mrs. John Collins (area south of Cherry Hill west of Canton Center); Mrs. Louis Stein (area south of Cherry Hill east of Canton Center); Mrs. Russell Hesse (Denton Community). Business solicitation will be headed by Philip Dinkelday.

If you like to square dance, join the crowd every other Saturday evening, at the Canton Water Board Building, 44508 Geddes Rd. for an evening of free entertainment. Dancing is from 8:30 to 12:00 p.m. with music provided by Gerald Cather through records and tape. Refreshments

Mrs. Green makes a plea for more volunteers to make neighborhood calls. She states that "the need is greater than ever. Natural disasters have wiped out \$40 million in relief funds."

## Plymouth Hi-lites

by Judi King

This was the week for trips here, there, and everywhere. Monday, five Student Council members, Judi Utter, Cindy Erdelyi, Darryl Dusbiber, Steve Hulse, and Judi King, and their adviser, Mr. G. Gorgez, attended a Student Council Conference at the University of Michigan. Each student attended a different session of the workshop to find new and better ideas on improving student-body relations and on making student government more effective as a whole.

Tuesday, Mr. Ray Homer and Mr. John Thomas gathered up their respective International Relations and Comparative Government classes for a trip to Lansing to visit the state capitol. The group traveled by train.

With the big festivities just around the corner, Homecoming chairman Chuck Cattlett and Sue Hulse are busy whipping things into shape. The students voted for the sophomore, junior, and senior representatives from the list of nominees. One sophomore, one junior, and four seniors will make up the court. On Friday, Oct. 15, the entire student body will vote again to choose a Queen from the four senior representatives.

Plans to decorate both the sophomore and junior cars and the senior float are well underway, but they won't be revealed until the day before the Big Night. Students are already at work cutting and ripping paper carnations and crepe paper streamers to be used in the parade.

## Honor seven PHS students

Seven students at Plymouth High School have been honored with letters of commendation for their high performance on the National Merit Scholarship Qualifying Test (NMQST) given last spring. They are among 38,000 students across the nation recognized for scoring in the top two percent of students who will complete high school in 1966.

Carvel Bentley, the school's principal, has announced that the commended students are: Mary Arnold, John Dean, Christopher Ellinger, Richard Jones, James Nelson, Virginia Smith, Tom Webber.

PHS extends a special "hello" to foreign exchange student, Mary Ann Tomisek, and senior, Fara Kelsey, both newcomers to our school. Mary Ann lives in Vienna, Austria and is here to study a year in an American school. Fara, an American-born but raised in Hong Kong, has returned to America with her family, after studying for several years in British schools in Hong Kong.

Juniors are reminded that the J-Hop is only a few weeks away and that to make it a successful one they'd better start work right away. The executive board urges all those interested juniors to turn in their suggestions today.

Honored at last night's National Honor Society's Convocation were Plymouth's 51 eligible students. These seniors qualified by maintaining a B average throughout high school, with no D or E mark for any six-week period. Parents were invited to attend the ceremony.

**2 CARD OF THANKS**

We would like to thank the people concerned for the many kindnesses shown us during the long illness and death of our husband and father, George F. Hesse, especially Pastor and Mrs. John Walaskey and members of the Assembly of God Church, Mr. Carl Lampton and employees at West Trail Nursing Home, Dr. DenHouter, Schrader Funeral Home, relatives and many friends.

Mrs. Abbie M. Hesse and daughters.

I would like to express my sincere appreciation for the many cards, flowers, and kindnesses during my illness.

Miss Edna M. Allen  
McComber Medical Center  
Presbyterian Village  
Redford, Mich.

We wish to thank our friends and neighbors for the kindness and sympathy extended to us during our recent bereavement. Our sincere appreciation to all who helped in any way to lighten our burden of sorrow.

Mr. and Mrs. Lawrence E. Woodall  
Mr. and Mrs. John P. Morrow  
Mr. and Mrs. George S. Burr

## To speak to Presbyterians

Dr. Thomas A. Schafer, Professor of church history at McCormick Theological Seminary, Chicago, will be the featured speaker at the First

Dr. Thomas A. Schafer, United Presbyterian Church the week-end of Oct. 8-10.

Dr. Schafer received his B.A. degree from Maryville College, Maryville, Tenn. in 1946, and the S.D. degree in 1948 from the Louisville (Kentucky) Presbyterian Theological Seminary. He earned his Ph.D. in the field of Theology in 1951 from Duke University Graduate School of Arts and Sciences, Durham, North Carolina.

The following problems or events in church history with their modern parallels or analogues will be discussed under the general theme "The Church Faces a New Age:"

1. "Proposed Confession of 1967", Friday, Oct. 8, formally potluck 6:30 p.m.
2. "Problems in the Early Church and Colonial America" Saturday, Oct. 9, Seminar 9-11:30 a.m.
3. Sermon "The Church: Sheep or Shepherds?" Sunday, Oct. 10. Dr. Schafer will preach at the three services.

# WHO BANKS AT NBD-PLYMOUTH? People Just Like You!

Dee Chapel lives here in Plymouth, but she works over in Dearborn. Commuting, however, isn't a problem. Thanks to an NBD Installoan, she owns her own car.

Van C. Ping is pleased with his newly rented safe deposit box at NBD-PLYMOUTH. He knows his valuables have bank-vault security.

As Assistant Superintendent of Schools, Melvin Blunk visits NBD-PLYMOUTH quite regularly to handle the school accounts. He has also been handling his personal banking here for many years.

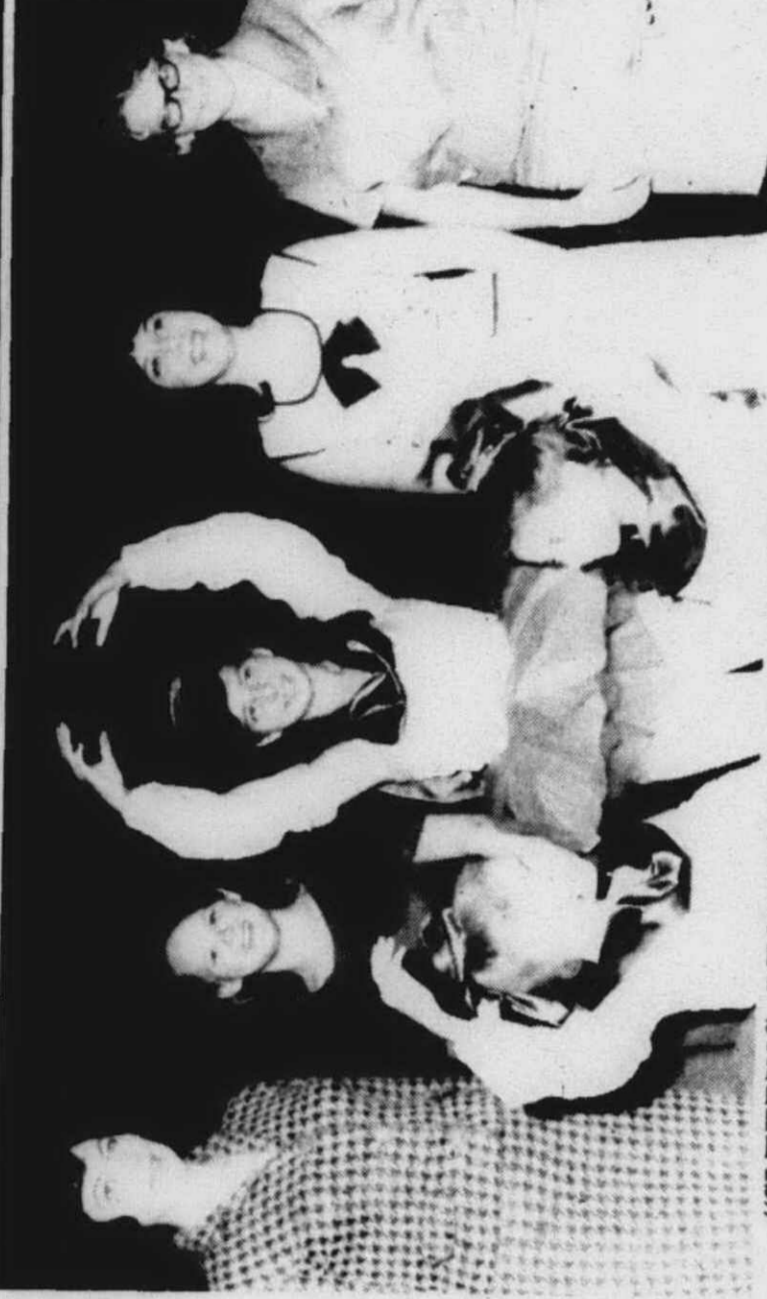

Bonnie Kirkwood got a head start on her vacation by stopping in at NBD-PLYMOUTH during her lunch hour one day. She converted her vacation cash into safe-to-carry Travelers Checks.

"SLEEPING BEAUTY" will open the Theater Guild's season this Saturday, with a special show for children. Here Ellen McNeice, Carol Johnson, Jana Hochlowski, Donna McNeice, Barbara Johnson, Shelly Ryder and Beth Lewis pose for a pre-curtain picture.

## Guild opens with "Sleeping Beauty"

The curtain rises at 9:30 a.m. on Saturday morning, production's director, Jacob W. Rumpff.

"Sleeping Beauty," the Plymouth Theater Guild's first production of the 1965-66 season at the Plymouth High School.

Additional productions are scheduled for 11 a.m., 1 p.m. and 3:30 p.m.

The cast includes many members from Plymouth, Livonia, and Northville. Costumes, under the direction of Ellen McNeice and Hilda Johnson, are elaborately planned, as is a throne room of fairyland palace, un-

**A Gas Dryer**  
not only ends lifting, lugging and hanging clothes  
**BUT IT DOES A BETTER DRYING JOB!**

### MAKE THIS SIMPLE TEST

Take two bath towels...dry one outdoors and the other in a friend's clothes dryer. Note how much fluff and wrinkle-free the towel is that comes from the dryer. Do a load of laundry in her dryer and count how many pieces you can fold and put away that you would ordinarily iron.

**And in addition a work-saving modern Gas Dryer will do all these extra jobs**

- VALET SERVICE—wrinkles can be removed from corduroy, velveteen or wool garments by placing them in dryer for short tumbling period with damp sponges or bath towels. Place sponges or towel in dryer before putting in clothing to build up steam. Use medium heat setting. Bath towels leave line on dark cottons, so damp, colorfast sponges are best. There must be moisture to release wrinkles and prevent shrinkage. Remove garments before completely dry and hang on wooden or plastic hangers until completely dry.
- FLUFFING OR DUSTING draperies, chenille bedspreads or other articles that need airing. Place in dryer on "no heat" setting and allow to tumble for 5-10 minutes.
- REMOVING MOTHBALL ODORS from clothes that have been stored. Use "no heat" setting and short tumbling time.
- BATHING SUITS & SNOWSUITS can be dried in preheated dryer with bath towels (which have been in dryer during preheating). Dark towels are advisable with dark fabric.
