Start Plymouth's Biggest Fund Campaign

Plymouth's greatest Red Feather drive in history started Monday with the traditional torchlighting ceremonies in Kellogg Park at which Township Supervisor John McEwen, Mayor Pro-Tem James Jabara and Community Fund President Frank Palmer lighted the torch that workers hope will light the way to victory in the campaign to raise \$86,083.

That's the most ever set for a drive in Plymouth and workers started the task Monday afternoon to reach the goal by the time the fund-raising campaign ends on Nov. 4.

"We realize that workers are faced with their greatest challenge in Plymouth history," said Palmer and Campaign Manager John Kamego in the kickoff luncheon at Lofy's. "But this community has the spirit and drive to overcome the greatest odds and we feel that reputation will be maintained again this year."

Division leaders, team captains and members of the women's residential group attended the luncheon.

The 1965 quota is seven per cent higher than that of a year ago but there wasn't any question in the minds

of any of those present but that Plymouth would go over the top again as it has in all past campaigns.

"We'll pound on every door in the community and ask for pledges and donations," said leaders of the women's team. "We know that people realize the importance of this drive and the theme of giving once for all and will do everything they can to help us attain our goal."

The first report meeting is scheduled for Friday noon at the Hillside Inn when Kamego will meet with team captains and division leaders to learn the progress

of the campaign for the first week.

Additional report meetings are slated for Oct. 21 and Oct. 28 and then the Victory Dinner on Nov. 4 in the new Mayflower Meeting House where Kamego and Palmer expect to have good news.

"We can't sit on our hands and expect the contributions to roll in without an all-out effort on our part," Kamego told the workers at the luncheon. "We have to hammer at doors, knock at offices, check in at plants, chat with business and professional leaders and

LIGHTING TORCH to kickoff the 1965 Plymouth Community Fund campaign are: Township Supervisor John McEwen (center) flanked by PCF President Frank Palmer (left) and Plymouth Mayor Pro-Tem James Jabara. The annual Red Feather drive began after the kickoff luncheon attended by division leaders, team captain and several members of the women's residential team.

Studies Impartial Report

Board Delays Bus Decision

The Plymouth Community School Board hopes to have a solution for the transportation problem, that has been bugging it for the past month, within two weeks.

That was the decision reached at Monday's meeting when the

Board received a report of a study conducted by Eliza Wheelock, consultant for the Wayne County Intermediate School District.

Board President Gerald Fischer, with approval of the trustees, requested Supt. Rus-

sell Isbister to make a complete study of the report and meet with the Board on Monday, Oct. 25 for his recommendations.

Trustee Mrs. Esther Hulsing continued her fight for improvement in the remedial reading situation in the school

system and finally secured approval of a plan to have a trained teacher at each of the elementary schools beginning next fall.

The program will cost an additional \$60,000 but the Trustees agreed that it was one

that must be added to the curriculum. The matter will be resolved at the budget meetings next spring.

Supt. Isbister was asked if there would be any problem in hiring such trained instructors and indicated there

wouldn't be any if he was able to have a firm commitment when the supply was available. That would be in early spring.

In his report, Wheelock told the Board its transportation policy was generous in comparison with that of other school districts in Wayne County where frequently only children who live more than a mile and a half from schools are transported.

He said that many districts follow the Plymouth policy of transporting children for lesser distances if they must cross main streets where traffic hazards exist. Kindergarten children particularly are given special consideration.

The policy then is adequate and in line with general practices in Wayne County. As urbanization within the metropolitan area occurs, reinterpretation of the policy in light of new circumstances becomes a continuous need.

He recommended a community-wide action program to eliminate hazards at critical points.

A communitywide action program is seen as involving local agencies, organizations and parent groups in addition to governmental units already named. The details of such involvement would be best worked out locally, of course.

The purpose of the communitywide action program would be to establish as soon as possible at least minimum safety standards at the crossings above identified.

Minimum safety standards include:

1. Sidewalks, or suitable substitutes therefore, wherever children are required to walk with backs to traffic on the shoulders of main roads.
2. Warnings signs properly placed at all school crossing points.
3. Uniformed and deputized adult crossing guards supervised by local police department and assisted by School Safety Patrol Boys. Crossing guards and bus drivers should coordinate their efforts whenever feasible.

4. The utilization of every opportunity to teach traffic safety to both school children and the general public. Rules for riding bicycles need particular emphasis here.

Until such time as these minimum standards are met, the following four secondary recommendations are made:

1. The fullest possible employment of available school bus transportation in these critical areas.
2. The immediate purchase of additional transportation equipment if needed and if this can

Plymouth PPK Contest Delayed To Saturday

Saturday is the big day for youngsters in the Plymouth area—that's when they will compete in the annual district Pass, Punt and Kink contest sponsored by the Leo Calhoun Ford Agency with the assistance of Department of Public Works Director Joseph Bida.

The contest originally was scheduled for last Saturday but was setback a week by the inclement weather conditions.

Competition will begin promptly at 9 a.m. at the Hamilton St. playground for the more than 100 boys, between the ages of nine and 13 who have registered. Registrations will be accepted through Friday at Calhoun's agency on S. Main and at Hamilton playground Saturday morning until 9 a.m.

AAA Tells of City's Problems

EDITOR'S NOTE: (The following is the second of two articles devoted to results of the AAA traffic survey report presented to Plymouth city officials last week.)

Plymouth must improve the condition of obscure pavement markings at intersections as a basic step for reducing car accidents and obtaining maximum effectiveness of its major street system.

This was one of four major recommendations for improving city streets outlined in Auto Club's Traffic Survey Report which recently was presented to city officials.

The remaining steps, suggested as aids to help reduce car accidents and increase traffic flow on major streets, are:

- Adopt a one-way street system.
 - Proper use of traffic control devices.
 - Improve street lighting.
- "The condition of the pavement markings when this survey was conducted was very poor, and they provide the motorist with little, if any, guidance at intersection approaches," reads the report.

Plymouth officials were urged by the Auto Club to step up their program for improving street markings as the most immediate and least expensive method for "safe and expeditious flow of traffic."

The report shows that 28 per cent of Plymouth's 1964 traffic accidents occurred along Main Street from Wing to the Plymouth-Mill junction, and on Harvey at the intersections of Ann Arbor Trail and Penniman.

In 1964 along Main Street there were nine accidents at Wing Street, eight at Ann Arbor Trail, 13 at Penniman, 14 between Church and Theodore, eight at Starkweather and nine at Mill.

At the intersection of Harvey and Ann Arbor Trail there were four accidents last year and five at Harvey and Penniman.

Major recommendations for improving conditions at each of the intersections as follows: **MAIN AT WING**—This intersection

WHICH ONE WILL BE QUEEN? The question will be answered Friday at the Plymouth-Trenton Homecoming game when one of this group will step to the platform and be introduced as the 1965 Queen in the colorful halftime coronation ceremonies. Of the six candidates, only the four seniors are considered in the final vote on Thursday by the student body.

The candidates are: (from left) Sophomore Linda Arnold, Seniors Sue Hulce, Donna Cook, Katie Wall and Pam McAllister and Junior Janie Emerson. Make your choice now and see if your selection of one of the four senior candidates is the same as the Queen picked by the students.

CROWN QUEEN FRIDAY NIGHT

PHS Plans Greatest Homecoming Celebration

Go Rocks Go! Beat Trenton! That cheer will echo and re-echo over the Plymouth High athletic field Friday night when the Rocks clash with the undefeated Trenton High footballers in the traditional homecoming game.

It's quite a task the Rocks have picked up for this year's game since Trenton boasts one of the most powerful teams in the state and the one that most coaches in the Suburban Six League believe will win this year's championship.

Despite last Friday's 32-0 loss to undefeated Bentley, the Rocks aren't considered out of the picture—closer followers of the team believe it is improving with every start and could make things awful rough for any school in the league on a given night.

Those who are close to the Plymouth High griders hope that this will be the given night.

What better opportunity to play their best game of the season than against a club like Trenton with the old graduates back for the ceremonies and the program that goes with the homecoming game?

The homecoming festivities, which spread over three days, start Thursday with the election of the 1965 queen from the four candidates from the senior class. The poll is conducted by the Student Council but the result (unless it leaks out which generally happens) won't be announced until the halftime of the game.

Then the 1965 queen will be crowned by Judy Olds, the 1964 queen, after she is formally introduced to the crowd which is expected to be one of the largest of the entire season. Matter of fact, Athletic Director John Sandmann believes as many as 5,000 may be in the stands if the weatherman orders better conditions than those of last Friday when it rained throughout the Bentley game in Livonia.

The new queen will be announced by Student Mayor Mary Theeko, head of the PHS Student Council.

Arrangements for a giant homecoming parade through the downtown business section at 7 p.m. are being handled by

seniors Sue Hulce and Charles Catlett.

The parade will be led by the

Plymouth High marching band, under the direction of James

Remus Tells Story of Detroit Water

"The Detroit Water Board is interested in selling water to the City of Plymouth but we can't enter into any contract to deliver water to the City of Plymouth to its tank at a fixed percentage of one of the basic Detroit City rates," Gerald Remus, general manager of the Detroit Water system, told the Businessmen's Forum in its monthly meeting at the Mayflower Hotel.

"Rates with the Detroit Water Board are not negotiable," he pointed out. "We are bound to a rate structure set in a ruling by the Michigan Supreme Court in 1949. That orders us to charge cost plus a reasonable return which has been set at 5 1/2 per cent.

"The distance and elevation from the source enter into the costs and the farther a municipality is from the source and the more it costs to pump water to a higher elevation are reflected in the rate for that community."

Remus said that he had quoted a \$1.46 per cubic foot to Plymouth for full peak hour supply. Based on Plymouth's published data on usage, this would be less than \$18 per year per family.

He emphasized that softeners are not needed with Detroit water, so obviously service from that source would be more economical.

"We try to run the Detroit Department of Water Supply as a utility, not as a municipal agency," he said. "It is the one reason for our growth and acceptance. Trying to operate like a utility poses some problems. It means that we can't relax and just get by, we have to give a full measure of value and service in exchange for the dollars we get from our customers."

"You can measure water

quality, just as you can measure the amount of rust stain on your bathroom fixtures or laundry tubs. The American Water Works Association has developed a numerical rating system for judging the water quality delivered to the customer.

How does Plymouth and Detroit water compare to the AWWA's perfect score of 700 points? Detroit scored 674 points or 96.5 per cent of ideal water. Plymouth scored 0 (zero) points, chiefly because of the high aluminum and iron content, the amount of dissolved solids, and the hardness. These hardness factors cost you money.

"If you don't soften the water, it will cost you \$12.84 per family extra per year for

Slate Swearing-In for Mulligan Friday

John "Art" Mulligan, who left the Plymouth School system Monday, will be sworn in as Plymouth's new postmaster in ceremonies Friday at 4 in the postoffice.

Mulligan was announced as the successor to Dr. George Timpona a month ago but gave the School Board a month's notice of his resignation in order to accept the new post.

Library Opens Drive For Record Collection

With a donation of 60 records from Charlotte Lush and Margaret Wilson as a start, the Dunning-Hough Library with the assistance of the Plymouth Symphony Society is organizing a record library.

It will be handled out of the Library and the sponsors hope to gather a collection of recordings that will include: orchestral, chamber, choral, opera, concerto and some of the finest types of folk singing music.

At the moment, the only records available at the Library are language study and shorthand dictation. The sponsors feel a collection of recordings of the world's finest music would be of educational and cultural value to residents of the community.

Since the Library has no funds for such a project, all of the money must come from donations. The sponsors have

hopes of raising funds from individuals and organizations in the area.

The group will accept long playing (33 1/3 rpm) records as well as cash. Persons who have converted their systems from monaural to stereo may have some monaural records they wish to donate to the cause.

Records may be taken directly to the Library or a committee member will call at the home. For additional information call Mrs. Roger Corey at 453-8806 or Mrs. Robert Kehrl at 453-4504.

Cash donations should be sent to the Plymouth Symphony Society, Box 99, Plymouth and checks should be made payable to the Plymouth Symphony Society Record Fund.

The committee in charge of the project includes: Librarian Mrs. Warren Worth, Wayne Dunlap, Mrs. Kehrl and Mrs. Corey.

Symphony Opens 20th Campaign

The Plymouth Symphony orchestra will officially open its 20th season Sunday with the first concert of the 1965-66 series at 4 p.m. in the senior high auditorium under the direction of Conductor Wayne Dunlap.

The concert will be highlighted by the appearance of Kenneth Jon Bichel, of East Detroit who is a junior at Baldwin-Wallace College in Berea, O., as the piano soloist in the number Concerto in C major for piano and orchestra by Mozart.

Bichel, who started taking lessons as a five-year-old under Marguerite Bichel, has won numerous honors with his brilliant performances even though barely out of his teens.

In 1961, he was the co-winner of the Grinnell senior high contest under the direction of the Detroit Musicians League. He was the first winner of the Carl Beitel Memorial scholarship in 1962.

While still in junior high, he attended the National Music Camp at Interlochen for two all-state sessions, the first on a scholarship. Ken has entered the National Guild of Piano Teachers Auditions for 10 years, with a 10 to 15 piece prepared program each year. He received a superior plus rating each year.

The orchestra is back at full strength of 95 with many new faces. Emily Austin will again serve as concertmaster. The principal chair in the

cello section will be held by Arthur Follows, a newcomer who holds a degree from Oberlin College, a master's from University of Michigan and is working on a doctorate in cello at the University.

And Conductor Dunlap urges all to look and listen for a Stradivarius violin which will be in the violin section for the first time. Insurance rules ban the orchestra officials from identifying the owner but the "Strad" will be there just the same.

The complete program for the opening event of the 20th season includes: Beatrice and Benedict overture by Berlioz, Symphony No. 8 in F Major, which was performed by the orchestra at its first concert 20 years ago, and Variations on a Hungarian Folksong in addition to the presentation of Pianist Bichel with the orchestra.

James Thomas, president of the Symphony Board, announced the appointment of Robert Beyer and John Herb as replacements for Sam Hudson and LaVerne Jones.

Grant Beglarian, formerly of Plymouth, now director of music for the Ford Foundation, is composing a concerto to be presented by the Orchestra during the April 2 concert which will officially celebrate the 20th anniversary.

KENNETH JON BICHEL will highlight opening concert.

And Bon Voyage to Mother Laudine

Madonna Cornerstone Ceremonies on Oct. 24

Madonna College will hold its first official ceremony — The laying of the cornerstone — under the new \$5 million contemporary residence halls and academic buildings on Sunday, Oct. 24 at 2 p.m. In correlation with this ceremony the college and its friends will also honor Mother Mary Laudine, provincial superior of the Felician Sisters who staff the college.

The reception and tea which will follow the ceremony are being planned to bid Bon Voyage to Mother Laudine, who has

Mrs. Elly Peterson, the Republican Party's state chairman will speak at the Republican 19th Congressional District Fall Banquet. The Republican meeting will be held on Tuesday, Oct. 19, at 7:00 p.m. at the Glen Oaks Golf Club. The public is invited and those wishing tickets or further information should contact either of the above Dinner Co-Chairmen, James F. O'Neill, 422-8448; Mrs. Charlotte Bruce, 474-7233. Reservations are requested by Friday, Oct. 15.

Schools Ease Rules on Student Field Trips

Students in Livonia public schools will get an even greater opportunity to explore their ever-widening "community" due to revised field trip regulations approved by the Board of Education last week.

Dr. Paul E. Johnson, assistant superintendent in charge of instruction in outlining the proposed regulation, pointed out that the "community, both local and extended, should be viewed as a part of the learning laboratory of the school. As such, its resources should be utilized whenever feasible and whenever such utilization holds promise of more effective learning and attainment of the objectives of the school."

"School field trips are excursions into the community under school sponsorship and supervision. As such, by definition the term includes only such activities of specific classes or groups of students for whom the experience is specially planned by a specific teacher or teachers; this is in distinction from trips or activities in the community which constitute a regular, generally recognized and accepted part of the school program. Field trips holding promise of contributing significantly to the instructional program of the schools are to be encouraged."

Under the extended regulations it will be easier for teachers and principals to arrange school trips to educational points in Wayne, Oakland, Macomb and Washtenaw counties and to Lansing and East Lansing.

Under the regulations the students are generally limited to one bus trip per homeroom each year, although exceptions to these rules are possible as long as the total number of trips for the school as a whole are not excessive.

"In setting up these purposeful visits to community points we always have the safety and welfare of the pupils in mind," Dr. Johnson said. "We also weigh the pupil interest, their readiness to learn on the trip, and the comparable educational value of the field trips to time expended in the classroom."

been appointed Vicar General of the Felicians and will be leaving for Rome to assume that office on Oct. 25.

It is fitting that the college ceremony should be the occasion of honoring Mother Laudine. It is the final crowning of her many achievements as a provincial of the Felician Sisters in Livonia.

Mother Laudine has had a rich background of experience in education and administration. She attended St. Casimir elementary school, and later the Felician Academy. It is at this point that she developed an interest in the community that she eventually entered and for which she has worked with much love and success.

Mother Laudine took her bachelor's degree at Siena Heights College in Adrian and her master's degree at the University of Notre Dame. She taught at many schools, including St. Stanislaus in Detroit and St. Florian in Hamtramck.

In 1950 The Felicians opened Ladywood High in Livonia. Mother Laudine became its principal and during her administration the school doubled its enrollment.

When in 1959 Mother Laudine became the provincial superior of some 800 sisters who comprise the Livonia province, she fulfilled the expectations of the sisters. The convent chapel was redecorated to match the Lombardian style of the exterior, with a brick and wood motif to add warmth to the elegance of the tall rafters and dome.

Within a short time she saw the completion of St. Mary Hospital, a residence home for nursing sisters, an addition to the emergency ward. Mother Laudine also initiated the building of St. Joseph Hall, a complete three story wing for the elderly and retired sisters. During her administration, Ladywood High was extended to accommodate 800 students.

In the course of her administration, Mother Laudine selected capable individuals to share that responsibility of the projects. Sister M. Raynolds, who was college president through the building period, can share with Mother Laudine the pride in a work well done.

The office of Vicar General which has a term of six years, is one of advisory capacity to the General Superior of the Felician Sisters who is Mother M. Alexander. The general offices of the Felicians are in Rome.

It is from there that Mother Laudine will observe and advise on the affairs of a community of some 4,000 sisters who work in the United States, South America, Canada, and many countries of Europe.

Because of the double ceremony on October 24 many prominent guests, civic and religious leaders have been invited.

Realtors to Hear State Police Boss

"Police Protection in the Suburbs" will be the subject of an address by Commissioner of the Michigan State Police, Frederick E. Davids, to a luncheon meeting of the Western Wayne Oakland County Board of Realtors at Cregar's Restaurant, 19335 Grand River, Detroit, at noon Thursday, Oct. 21.

Commissioner Davids has been a member of the State Police force for 28 years. He served as District Commander in the Detroit area for seven years prior to his appointment by Governor George Romney to his present position in June, 1965.

The two field goals kicked by Michigan State's Dick Kenney against UCLA in 1965 set a Spartan single-game record.

GM to Hike Allowance for Driver Cars

General Motors, in its continuing efforts to advance highway safety, will increase the allowance to GM automobile dealers loaning passenger cars for high school student driver training up to \$400 per vehicle, President James M. Roche announced Monday.

The Driver Training Car Dealer Allowance Plan, pioneered in the auto industry by General Motors in 1955, provides for sharing between the dealer and GM the cost of loaning vehicles to high schools.

Under the revised allowance program, dealers supplying regular size cars for driver training will receive \$400 per vehicle and those loaning intermediate size cars will receive \$350 per car loaned.

"We consider this support of high school driver training one of the most productive of our many activities in furtherance of greater highway safety," Roche said. "It is gratifying to note that such a large and growing number of General Motors dealers are performing this public service in their communities."

"We hope that our increased cooperation with our dealers in meeting the substantially rising costs of loaning cars will hasten the day when this vital training in good driving will be made available to all high school students."

During the school year ending August 31, General Motors' payments to dealers reached an all-time high as did the number of cars loaned by dealers to schools for the driver training program. In the 12 months ending August 31, GM dealers loaned 7,355 automobiles to schools across the country. This was 978 higher than in the previous school year.

General Motors' payments to dealers reached an all-time high as did the number of cars loaned by dealers to schools for the driver training program. SALEM LUMBER'S DEMONSTRATION SHOW

For 1966 SATURDAY, OCTOBER 16

10 a.m.-4 p.m.

by Factory Representatives of Nationally Advertised Brands

A Repeat of Our Successful Yearly Event

★ **ARMSTRONG CEILING TILE** will feature their suspended ceilings, the fast, easy way to create a smart new ceiling simply and economically. The latest creation of their line will be shown — their "Wood Beam" ceiling as advertised on Big Valley show. FREE — with every Armstrong Ceiling purchased Saturday during our special sale — a Weekend Wonder Installation Kit.

★ **ZONOLITE** — Insulating fill is the do-it-yourself insulation. Lightweight. A woman can handle a bag — easily. Or Zonolite Glass Fiber... with Aluminum Vapor Barrier can keep your home as much as 40% cooler and possibly save as much as 40% on fuel bills in the winter. They will demonstrate the latest techniques in insulating your home, and will be happy to give you a free estimate on your exact requirements. The only tool you will need is free at Salem.

★ **GOLD BOND** will be demonstrating the many latest techniques on how to finish your home with an economical sheetrock installation along with many helpful hints on uses around the home.

★ **MARLITE** plastic coated panels for luxurious interiors that stay fresh and new looking year after year, with just minutes of care. Soilproof, easy to install and economical too — see how Marlite can improve your home in the kitchen, bathroom, shower, den or recreation room.

★ **MASONITE ROYALCOTE**, the world recognized leader in the hardboard industry, will show how to modernize and improve your home with Royalcote paneling. Durable and dent resistant with quality that's built to last, it comes in eleven beautiful wood grain finishes, including the new Alpine Oak and Fireside Birch (as advertised on the Johnny Carson show).

★ **OLD MASTERS**, the simple to use refinisher, will show how to refinish even the most scarred piece of furniture like new WITHOUT removing the old finish. They will show how to wood grain, marbleize or antique furniture or wood, just like a professional. Also see all their new antiquing colors.

★ **ANDERSEN WINDOWALL** will demonstrate America's most wanted window. See the wonderful convenience of welded insulating glass. Two fewer glass surfaces to keep clean, and the tedious household chore of storing and handling of storm windows is eliminated forever. Smooth operation, weather-tightness and low maintenance never before found in a double hung window. Today's greatest window value.

★ **GLIDDEN PAINTS**, manufacturers of Spred Satin, one of the finest quality paints you will ever use in your home, will also have their factory representative here showing the latest techniques on how to apply their paint and help you with your decorating color questions for perfect color styling in your home.

6 HOUR SPECIAL PANELING SALE

from 10 a.m. to 4 p.m. Saturday

Junior, Community College Heads Meet

1,000 Educators To Attend Talks at Schoolcraft

Claren Jones, chairman of the Schoolcraft College Planning Committee, stated Monday that pre-registration figures indicate that approximately 1,000 administrators and faculty members will attend the 31st annual meeting of the Michigan Association of Junior and Community colleges at Schoolcraft Col-

lege on October 14 and 15. The M.A.J.C.C. Legislative Assembly will meet at 3 p.m., October 14, at the Mayflower Hotel in Plymouth. This meeting will be attended on Thursday, by administrative heads and faculty representatives of the member institutions. On Friday, October 15, the ad-

ministrators and faculty members will attend departmental and sectional meetings on the Schoolcraft College Campus. These meetings, approximately 25 in number, will begin at 10 a.m. Following these meetings, the Association will hold a luncheon meeting at Roma Hall. The principal speaker at the

luncheon will be Robert Theobald, who will address the convention on "Cybernation and the Community College." Theobald is a British socio-economist whose recent work has been focused on the implications of cybernetics for the societies and economies of both rich and poor world areas and for the rela-

tions between these areas. He was born and raised in India, holds an M.A. degree from Cambridge, England, and did post-graduate work at Harvard. In 1957 he left the Organization for European Economic Cooperation, and work on comparative productivity, in order

to devote the bulk of his time to studying the effects of abundance on the scarcity-organized American socio-economy. He now lives with his wife in New York City and divides his time between consulting, lecturing, speaking and writing on both sides of the Atlantic.

A group of 10 citizens flew in from Dayton, O., Saturday to tour the facilities of Schoolcraft College and to confer with administrators of the college. Members of the group comprise a study committee which was chosen to represent the city of Dayton in developing

plans for a community college in that city. Dr. Raymond Young, of the University of Michigan, who arranged for the committee to tour two new area colleges, joined the group for the Schoolcraft visit. The committee visited the Macomb County Community College Saturday afternoon.

Slate Film on Disturbed Children

The Redford Chapter of the Michigan Association for Emotionally Disturbed Children will hold its general meeting on Oct. 14, at 8 p.m. in the Methodist Children's Village, 26645 Six Mile.

The program will consist of a film on Disturbed Children and general discussion. Refreshments will be served and the public is invited to attend meetings.

The Chapter's membership list has grown but the attendance at meetings has not. The Board has cut the General meetings to four for the 1965-'66 year. The meetings will be held on the second Thursdays in October, November, January and March.

President Myles Armour served on the Finance Committee for MAEDC during the summer and was appointed to serve on the MAEDC nominating Committee at the annual meeting.

The annual meeting followed a Luncheon on Sept. 18 in the McGregor Conference Center where the Chapter President and Secretary had the privilege of hearing Mike Gorman, Executive Director, National Committee Against Mental Illness.

The MAEDC Christmas Card is now available and can be ordered from Chairman Janice Armour, KE. 1-6842 or through The Observer. Orders will be filled and delivered free of extra charge within the circulation area of this newspaper.

The cards are \$1 for a package of 10 and this year the local chapters will retain 70 cents on each package. Limited numbers of past Christmas cards from MAEDC are also available.

FARMINGTON TOWNSHIP DETECTIVES Earl Teeple, left, and Bill Kelly had an uncomfortable time during the early hours one morning last week. They spent it slogging about in the Rouge River, in Garden City, searching for the strong boxes which had housed the coin collection stolen in Farmington Township.

THE STRONG-BOXES were needed as evidence against two Garden City youths, accused of stealing the collection. Light for the search was provided by Township Chief of Detectives Russel Conway beaming a new floodlight on them from the bridge above. The strong-boxes were found at shortly after 3 a.m. Photos by Gazda.

Livonia Mall Sets Course On Diabetes

As a follow up to last month's program on Diabetes, the Livonia Mall Merchant's Association, in cooperation with the Michigan Diabetes Association will sponsor five educational classes on diabetes held in the Community Room of the Livonia Mall Shopping Center, Seven Mile and Middlebelt.

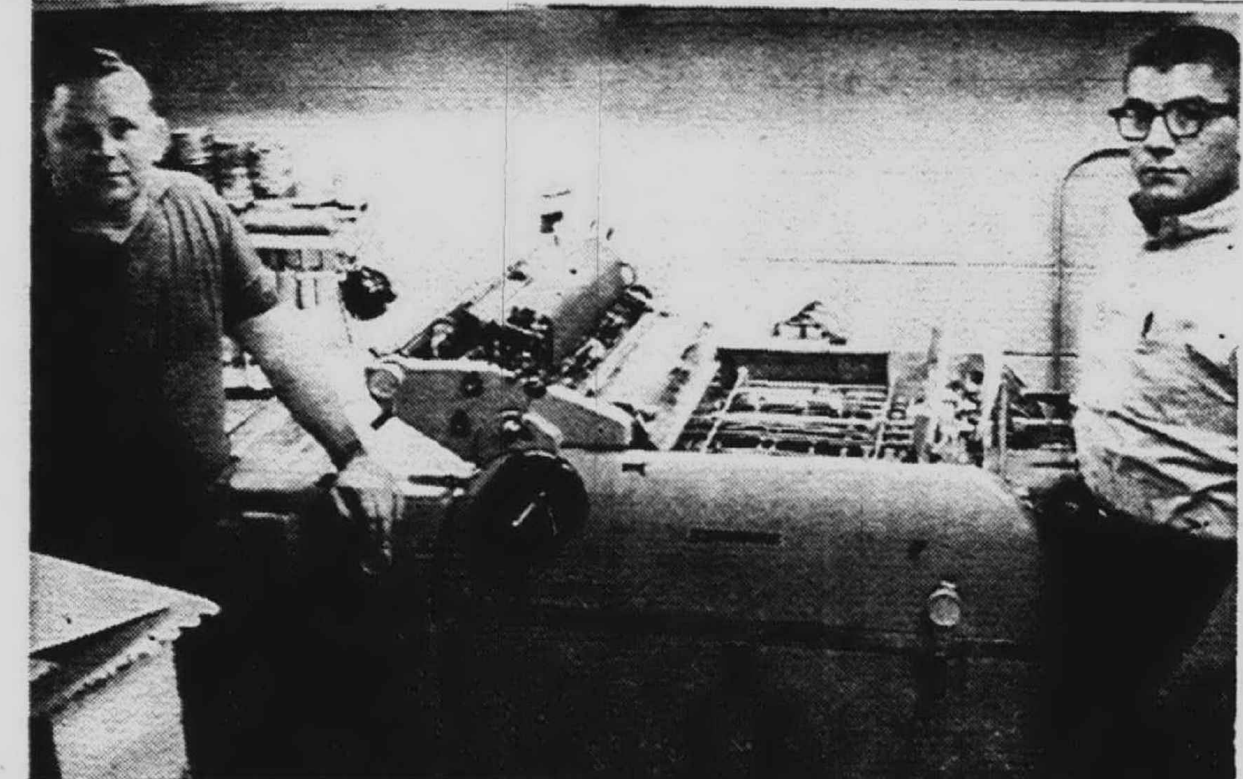

The classes will be held on Monday evenings from 7:30-9 p.m. and will be free to the public.

Those who wish to attend must register before the classes begin. This includes having a referral card signed by the individual's physician and mailed to the Michigan Diabetes Association.

The cards may be obtained by writing to the Association at 10737 W. McNichols or calling them at 342-9333.

Listed below are the dates, topics and instructions for each class. October 18, The Nature and Care of Diabetes, Mervyn Lakin, M.D., October 25, The Diabetic Diet, Betty Joering, Dietitian; November 1, Insulin and Oral Agents, A Registered Nurse; November 8, Tests and Personal Hygiene, A Registered Nurse, and November 15, Eating on all Occasions, Betty Joering, Dietitian.

ON SUNDAY EVENING

Clarenceville to Dedicate Swimming Pool

Clarenceville High School's new swimming pool will be dedicated next Sunday, Oct. 17, at special ceremonies starting at 7 p.m.

Featuring six racing lanes in a 75x42 foot area, and a 35x42 foot diving area, the pool has been under construction for nearly a year at the school, Middlebelt south of Eight Mile Rd. Clarenceville athletic director Lynn Nutter will serve as master of ceremonies for Sunday's dedication and water show.

The program will start with a water show of synchronized water ballet by members of the Pools Synchronized Swim Club of Thurston High School, who have been in several competitive

programs and are anxious to display their talents in this newest pool.

Members of the Thurston High School swimming team will display the excitement of competitive racing as they compete against one another.

Several divers will give the two one meter boards a workout as they show both clown and serious diving.

A highlight of the diving will be Clarenceville's own Chuck Thompson displaying some of the dives which made him an outstanding Michigan State University and Big Ten diver.

Following the watershow members of the Board of Education, school district's staff, and student body will express their thanks to the people of Clarenceville for the new facility.

Recreational swimming for the people of Clarenceville has received top priority in the scheduling of pool activities outside of the regular school hours.

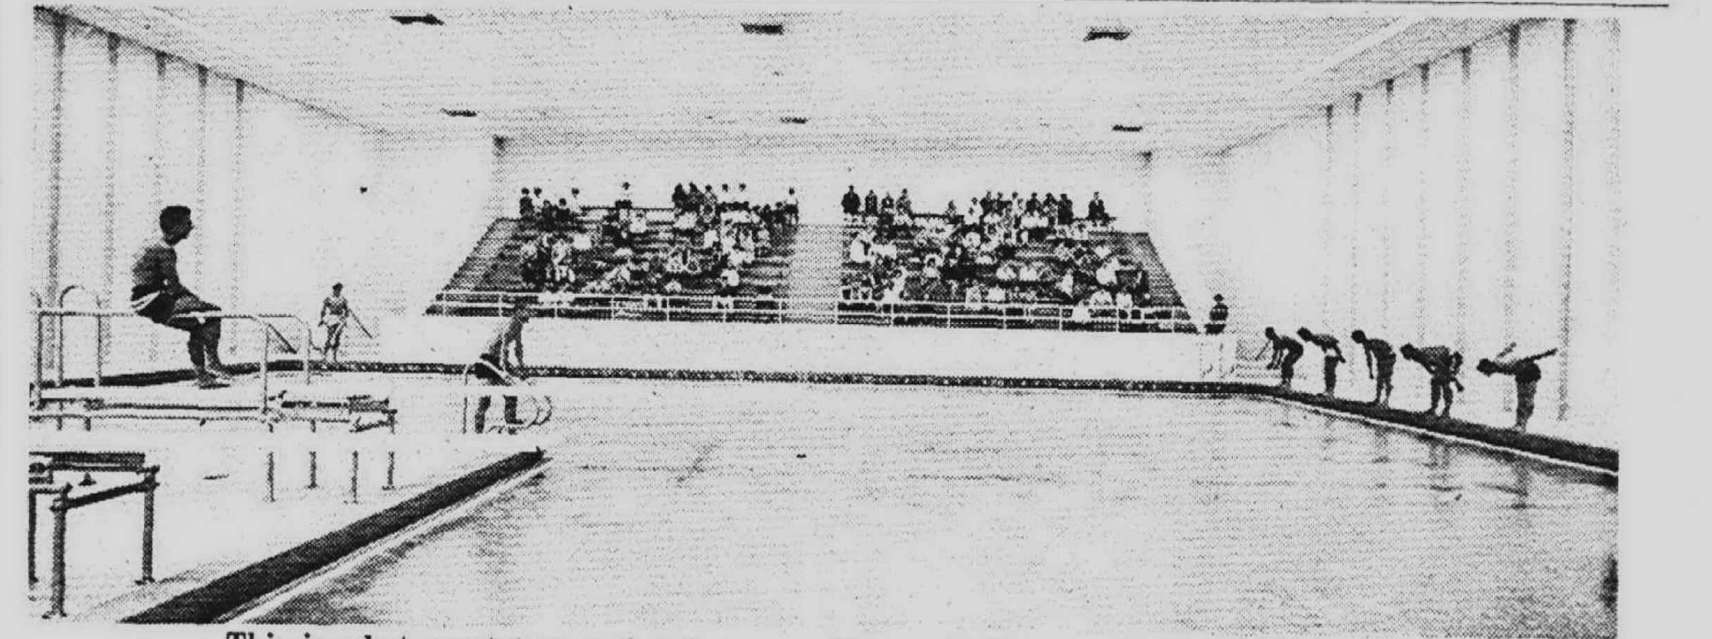

Monday, Wednesday, Thursday, Friday, Saturday, and Sunday will offer available hours for community use. Only Tuesday night will classes use the pool as well as Saturday during the day. Class instruction will be for all ages and for a ten week

period will cost \$4 per person per course. Evening hours for recreational swimming will be from 7 to 9 p.m. during the week. Saturday hours will be from 6 to 9 p.m. and Sunday will of-

fer hours, 2 to 6 p.m. for family groups.

The classes will start on Tuesday, October 19 at 7 p.m. for adults and Saturday, Oct. 23, at 8 a.m. for students.

This is what spectators and swimmers will see at Clarenceville High's new pool.

State's Driver License Is A Good Deal

LANSING—Michigan's driver license is a good deal . . . both as a dollar bargain and from the standpoint of quality.

Secretary of State James M. Hare, whose Department issues licenses which in most communities throughout Michigan are the new color-photo identification licenses, said that Michigan charged less or on a par with 34 other states for a renewal.

License renewal in Michigan costs \$3 for a three-year period, \$1 per year. Renewal fees vary throughout the country. In 1964 they ranged from 50c for a four-year renewal in South Carolina to \$8 for two years charged in Rhode Island.

Most other states use the same birthday renewal system that Michigan does. Others set renewals anytime during the month of a person's birthdate, while a few states have specific renewal dates.

Stolen Coin Collection Recovered in Garden City

Detectives from the Farmington Township and Garden City Police departments arrested two Garden City youths on a charge of breaking and entering. According to the police, the pair has admitted taking a coin collection valued at \$15,000 from the home of Kurt Michel, 27441 Lakehill Drive, Farmington Township.

The youths are Patrick D. Dalton, 18, of 6520 Harrison, and Thomas Smith, 17, of 28487 Bridge.

According to the Police, the youths broke into Michel's home sometime between Sept. 28 and 30.

The youths sold 100 Canadian proof sets to a coin dealer in Garden City. (A proof set is a set of coins fresh off the mint, wrapped in transparent paper.) The dealer became suspicious, and contacted Garden City police.

Earlier, that department had received a teletype from the Farmington Township Police notifying it of the break-in at the Michel home.

Lt. Tom Shriber, and Chief of Detectives Russ Conway, of the Township Police, went to the coin shop, and examined

the coins. They were able to identify them as the stolen property.

Township and Garden City detectives staked out the homes of the suspects and arrested both when they appeared late at night.

Balloon Takes Long Journey From Livonia to Maryland

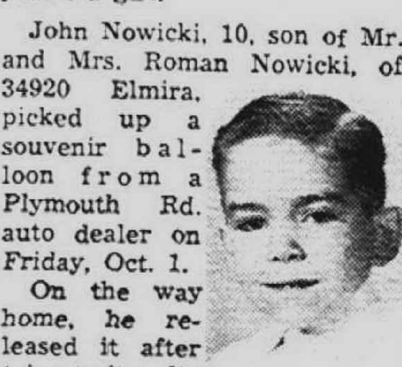

Across Lake Erie, over the Appalachian Mountains and beyond Chesapeake Bay floated a

helium-filled balloon, released last week by a Livonia boy and found in Maryland by a five-year-old girl.

John Nowicki, 10, son of Mr. and Mrs. Roman Nowicki, of 34920 Elmira, picked up a souvenir balloon from a Plymouth Rd. auto dealer on Friday, Oct. 1.

On the way home, he released it after trying to slip a slip of paper on which he had written his name and address, and the balloon floated skyward.

Last week, he received his letter back from Millington, Md. Five-year-old Sharon Barrett wrote him: "Dear John, I am a five-year-old girl. I found your balloon this morning (Oct. 2) bouncing around in my backyard. Mother and Dad told me it came a long way. It came across Chesapeake Bay to the east coast of Maryland."

JOHN

Don Murch Heads Human Relations Group

Don Murch has been elected the new chairman of the Livonia Citizens for Better Human Relations. Named vice-chairman at the group's last meeting was Carl Gundersen. Jean Hosbeck is secretary and Jack Pearson is treasurer. Trustees are Marilyn Rosenthal, Dolly Hughes, Marguerite Kowaleski, Arthur Beumler and Howard Young.

The 300-member organization is an education and action group designed to improve understanding of minority groups.

City Honors 'Beautiful' Industries

Businesses and industries which have distinguished themselves in Livonia's "Keep Livonia Beautiful" campaign this year will be honored at a banquet Oct. 19.

Trophies and citations will be awarded in five categories: retail and business, service stations, industry and manufacturing, professional buildings and outstanding remodeling.

The banquet is scheduled to be held at the Livonia Mall civic auditorium.

Area Women Head Deanery Party

The Wayne Western Deanery of the National Council of Catholic Women will hold its annual fund-raising event on Thursday, Oct. 21. The deanery, itself, is composed of 33 parishes and three affiliates, and is a non-profit group of Catholic women. The Card and Bunco Party will take place at 8 p.m. in St. Bernard's Seminary, 23601 Ann Arbor Trail, east of Telegraph Road.

Mrs. William Zager, of Redford, is general chairman of the event and is assisted by co-chairman, Mrs. Leo Peterson, of Livonia. Ticket sales are being handled by Mrs. Herbert Andrew, of Dearborn. Others working on committees are: Mrs. Rudolph Kleinert of Livonia, table prizes; Mrs. Anthony Cobello of Wayne, refreshments; Mrs. Edward Wojtan of Dearborn Heights, publicity; and Mrs. Bert Viviano and Mrs. Leonard Balutis, both of Redford, are handling the hall duties.

IN THE MICHIGAN CHEERING section were members of the Redford Suburban League. As a special social event the RSL chartered two buses for the Ann Arbor trip. In the rah-rah mood are (l-r) Enid Dobber, Ray Morrison, Loyd Dobbert, Audrey Crawford, Minnie Hannah and Nancy Simescu. The next meeting of the League will be held at Kenwood Restaurant, Five Mile Road on Wednesday, Oct. 13. D. James Greiner, Consultant, Physically Handicapped, Wayne County School District will be the guest speaker. He will reveal interesting facets of the unique demonstration project he piloted this summer. The League is the benefactor of special children.

'Sugar and Spice' Charm Course for Girls 8-12 Begins

Barbara Loren and Loretta Weller, District Wendy Ward Directors for Montgomery Ward and Company, today announced the introduction of their newest "Wendy Ward" charm course called "Sugar and Spice."

This special new charm school course is designed with the younger girls, ages 8 through 12, in mind. As Miss Loren states, "Our pre-teen years are the foundation of our teens... if your young girls are taught the fundamentals of good grooming, good posture, etiquette, and the social graces, they can be assured of a happy, well-adjusted high school life. We think that it is a good idea to get our youngster started early in learning these essentials of charm... hence, the reason for the creation of "Sugar and Spice."

These Wee Wendy courses will be held only on Saturdays at each Montgomery Ward store from 2:30 p.m. to 3:30 p.m. for five weeks beginning on October 23 and November 27. The enrollment fee of \$7.50 includes the five, one-hour lessons and a "Wee Wendy" charm book.

At the conclusion of each complete course the pre-teens are allowed to participate in a "Sugar and Spice" fashion show under the direction of Barbara Loren and Loretta Weller. This fashion show featuring Montgomery Ward children's fashions enables the pre-teens to put to use many of the fundamentals learned in their charm classes.

"We are hopeful that 'Sugar and Spice' is as successful as our 'Wendy Ward' charm program. We are glad that we have the opportunity to give the same professional instruction to Wendy's little sister," says Miss Weller. "Anyone that is interested in this new charm course can enroll in the Children's or Young Junior Department in their neighborhood Montgomery Ward store."

Thursday Nighters Fill Bridge Tables

The Thursday night duplicate bridge club opened last week with a four table Howell movement type game at the Farmington Bridge Center.

Games at the center are held Wednesday, Thursday, and Saturday nights as well as Wednesday and Thursday mornings (a nursery for preschoolers is provided for these games). There is also a game for teenagers and beginners on Saturday afternoon.

For information about games and/or classes call the Bridge Center GR 6-1088 or call Rose at GR 6-1767 or Joan at GR 4-6973.

Thursday night's winners were: first, Charles Anderson and Vic Wirpsa; second, Gary Kane and Robin Perry; third, Dorothy Furlong and Alice Scott.

MR. AND MRS. AL GEOFFRION, Arnold, Redford Township renewed their 50-year marriage vows at a special Mass at 10 a.m. last Saturday in St. John Bosco Church. Their three daughters hosted a party Saturday evening at the American Legion Hall on Beech Road for friends and relatives. The couple also have five grandchildren. They were married in Ontario Oct. 11, 1915. Mr. Geoffrion is a retired plumber and at one time owned his own business.

MR. AND MRS. DAVID WAYNE SELL

Suzanne Buda Weds David Sell

Suzanne Carol Buda married David Wayne Sell Sept. 11 at the First Methodist Church in Garden City. Rev. Fredrickson performed the candlelight ceremony.

Mr. and Mrs. Alex Salow, of Salem, are the parents of the bride, while Mr. and Mrs. Henry Sell of Livonia are the bridegroom's parents.

Kenwood Women Hear Talk

Detective Paul Radashaw of the Michigan State Police spoke on narcotics at the Oct. 7 meeting of the Kenwood Women's Club. A total of 52 members and 21 guests were in attendance.

Mrs. Ada Wood and Mrs. Carolyn Cook are new members of the organization.

Friend's Night is scheduled for Nov. 10 at the Colonial House. Dinner reservations may be made by calling Mrs. F. Bokelman at KE 3-5588.

Paulette Pritula was the maid of honor, while Francine Shultz served as the bridesmaid. They wore floor length blue sheath gowns. Their flowers were blue carnations, corn flowers with leaves of eucalyptus.

David Buda was the best man, while Jim Baker, Jess Halsted and Vince Washmuck seated the guests.

Following a reception for 375 at the VFW Hall in Plymouth, the newlyweds left for a honeymoon in northern Michigan and Canada.

Both are graduates of Bentley High School. They will reside in Garden City.

October Calendar For Parents Without Partners

"Parents Without Partners of Livonia" announces the following:
Wednesday, Oct. 13, Board of Directors Meeting at Peggy Walkers home, 7545 Lathers, Garden City. This is open meeting. If you are interested in learning how PWP works, if you are a single parent and sincerely looking for an outlet that will please both you and your children; 8:30 p.m. is the time.

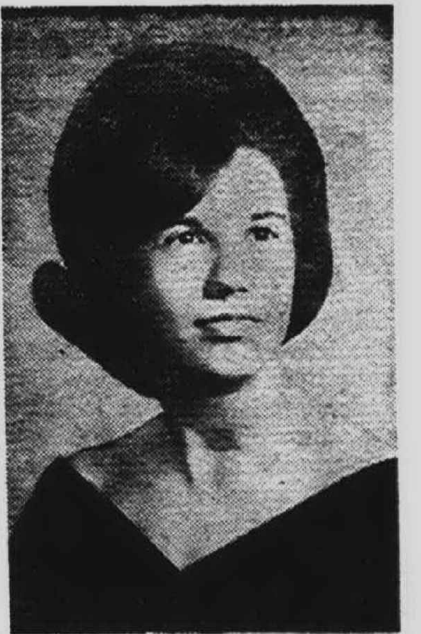

Saturday, Oct. 16, HAYRIDE, this is a big one! Horse drawn one hour ride and two wonderful hours in the clubhouse after the ride; Square Dancing, Snacks and FUN are assured. Call Joy Armstrong, GA 1-3509, or Peggy Walker, 425-3607 for reservations and information. 7:30 p.m.

Saturday, Oct. 23rd, HALLOWEEN PARTY, costumes if possible, at Louise Slowey's home 9127 Melrose, Livonia. Call Louise Slowey, 421-7374 or Joy Radloff, PA 1-1943, Co-ordinators. 9:00 p.m.

Regular meeting Oct. 27, at the United Church of the Nativity, West Chicago at Henry Ruff Roads, Livonia. 8:30 p.m. Speaker will be Mr. Laik of the Social Security Administration Office on "Your Social Security." He will cover the new Medicare provisions and the amendments to the Social Security Act. A question and answer period will follow then a coffee hour, where we may meet new friends and members. All single parents are invited to attend this meeting and enter into a brighter world with

people who have a mutual understanding and problems. The Livonia PWP was re-organized only three months ago, and it has doubled its membership at the last two regular meetings. It is a National, non-profit, non-sectarian, educational, social growing organization. As conscientious single parents there is an endeavor to bring children to a healthy maturity, with a full sense of being loved and accepted as persons.

For any information, Call Eldon Price, 427-9194, President; Sandy Campbell, 425-2356, Vice President, or Romaine Ammen, 425-0136, Sec.-Treas., or Peggy Walker, 425-3607, Program Chairman.

IRENE VERA

Mr. and Mrs. John I. Biff of Omira Avenue, Farmington announce the engagement of their daughter, Irene Vera, to Robert Peter Giessl, son of Mr. and Mrs. Peter Giessl of East Outer Drive. The prospective bride is a 1962 graduate of Pershing High School and is presently attending Wayne State University. The prospective bridegroom is a 1960 graduate of DeLaSalle Collegiate, a 1965 graduate of Wayne State University, and is presently doing graduate work at Pennsylvania State University. A Dec. 27 wedding will take place at St. Jerome's Catholic church with reception at the Polish Century Club.

LANA THEOTA

Mr. and Mrs. Charles E. Williamson, 15075 Finch Drive, Plymouth, announce the engagement of their daughter, Lana Theota, to Albert Henry Baylis, II, son of Mr. and Mrs. Albert H. Baylis, 7760 Crane Road, Ypsilanti. Theota attended Bob Jones University in South Carolina, received her B.A. from Michigan State University, M.A. from Eastern Michigan University, and is now teaching in the Livonia Public Schools. Albert graduated from Moody Bible Institute in Chicago, received his B.A. from Eastern Michigan University, and is presently attending Dallas Theological Seminary in Dallas, Texas. A June wedding is being planned.

NANCY LYNN

Mr. and Mrs. Carl F. Spamer of Sumner Road, Redford Township, have announced the engagement of their daughter, Nancy Lynn to Bruce Gregory Boltz, son of Mr. and Mrs. Robert Boltz of Schroeder Road in Farmington. The couple are both graduates of Central Michigan University. The prospective bridegroom is presently studying law in Detroit. A December wedding is being planned.

Will Address Council

Mrs. William Montgomery, 1964-65 Regional Vice-President, and present Chairman of the PTA Leadership training program will speak at the Oct. 20 meeting of the Farmington PTA Council. Her subject will be Parliamentary Procedure.

WORKING ON A BIG membership drive, the above members of the "tea committee" hope to see many new members join the Northville State Hospital Auxiliary. The tea is to introduce new members to the projects of the hospital. It was held this afternoon (Wednesday) at the Hospital Hospitality room located on Seven Mile Road in Northville. (l-r) Mrs. Gordon Chapin, Plymouth; Mrs. Kendell Kaufman, Farmington; Mrs. John McGraw, Livonia.

Goodwill-St. Matthews Present Unique Show

"Vanity Fair," a production of Goodwill Industries of Greater Detroit, will be presented for St. Matthews Church of Livonia, 30900 Six Mile Road on Wednesday, Oct. 13 at 8 p.m. Goodwill's "Vanity Fair" is a unique fashion show featuring authentic dresses that were fashionable 50 to 100 years ago. The program covers major periods of transition in women's fashions including 1870, 1900, 1912, 1920 and 1965. Students from John Robert

Powers Finishing School in Detroit will be seen in morning and afternoon dresses, sports wear, ball gowns and bridal dresses. There will also be a glimpse at the woman of the future. Tickets will be available at the door. Donation is one dollar. This is the first appearance of Goodwill's fashion show in the Livonia area. Because of the great demand for this show it had to be booked months in advance.

See You There!

The Redford Chapter of the Michigan Association for Emotionally Disturbed Children will hold its first Fall meeting at the Methodist Children's Village, 26645 West Six Mile Rd. on Oct. 14, 1965 at 8 p.m. The program will include a film "Borderline" — the story of a teen-age girl who is on the "borderline" between useful citizenship and delinquency.

Mothers of Twins of Western Wayne County will meet Oct. 18 at 8 p.m. at the Guaranty Federal Savings and Loan Association, Telegraph at Cherry Hill. An attorney will discuss the legal documents every family should have. Call VE 5-1516 for further information.

A "gigantic" fall fashion show will be presented by the Lutheran High School West Ladies Guild on Oct. 21 at 7:30 p.m. Tickets may be obtained by contacting Mrs. Clarence Wissman, ticket chairman, at LO 3-2524.

Husbands Night is the order of business Oct. 16 of the Northwest Suburban Alumnae Association of Kappa Delta Sorority. The evening will begin with bowling in Farmington at 8 p.m. and a gathering after at the home of Mr. and Mrs. Thomas Hofman, 23005 Warner Rd., Farmington. For further information contact Mrs. John Dawe at 422-2244.

A prize for the "best dressed goblin" will be awarded at the Knights of Columbus Halloween Party Saturday, Oct. 30 at Fr. Daniel A. Lord Hall, 39050 Schoolcraft, Livonia. Tickets are \$5 a couple, include a buffet table, beer, set-ups, chips, pretzels. The event starts at 9 p.m. Information: 464-0500.

Garden City Weight Control Club will sponsor a salad luncheon, a White Elephant Jewelry Sale, and a correct facial care film. The film will be narrated by Francis Osip.

There will not be a charge for the luncheon. This gala affair will be held Oct. 19, Tuesday at 1:00 P.M. at the Log Cabin in the Garden City Park. Mothers may bring preschoolers. For further information, call 421-4545.

Fawns Club of Livonia Elks is sponsoring a pancake breakfast on Oct. 17 at the Livonia Elks Lodge on Plymouth Road. The time is 10 a.m. to 2 p.m. and the admission price is one dollar for adults and 75 cents for children 12 years and under. This is open to all pancake eaters!

The suburban gastronomic event of the season will take place in Plymouth on Friday evening, Oct. 22, when Ralph and Staton Lorenz will cater to a select list of epicures invited to attend an evening of French wine tasting with gourmet hors d'oeuvres chaud et froid in the glamorous Mayflower Meeting House. The event honors Jean LeDreac'h, Consul General of France, in Detroit, and members of his cultural staff. The affair, which will highlight rare old vintages as well as fresh new wines which recently arrived by ocean freighter at the Port of Detroit, starts at 8 p.m.

The Livonia Home Gardeners Club will meet this Wednesday, Oct. 13, at 8 p.m. in Bentley High in Room 115. The speaker will be Peter Christensen, who will give a lecture on "Fall Pruning". Visitors are cordially welcome. Mrs. Ruth Von Stein and Mrs. William Edmonds will serve the refreshments.

Oct. 19 at 1 p.m.,—regular meeting of Livonia Branch Women's National Farm and Garden at St. Andrew's Church, 16360 Hubbard, Livonia. Speaker—Tom Crausomun from Standard Fruit and Steamship Company with slides and narration on "Bananas".

Town and Country Chapter, Women's American Ort, will hold its annual games nite on Tuesday, Oct. 19, 8:30 p.m. at Roma Hall, 27777 Schoolcraft, Livonia, Michigan. For tickets or information, please call Mrs. Jerome Friedman at GR 6-1722.

Marycrest Auxiliary will hold its "get-acquainted" card party on Sunday, Oct. 17 at 3 p.m. in St. Bernard's Seminary, 23601 Ann Arbor Trail. There will be food, door prizes—donation \$1.25. Call Mary Bromirski, GA 7-8133 or Mrs. J. Makoski, GA 1-6152 for tickets.

Oct. 15 the Don Sherman Hubert VFW Post 345 located at 25245 W. Seven Mile will have a social dance to welcome new members. Live music and light refreshments will be included in the \$4 donation. Allen Hargas, KE 7-0777 or Don Sherman, KE 4-2803 will take reservations.

Women's Club of Rosedale Gardens Civic Association "Monaco Cruise" tickets are on sale for Thursday, Oct. 21—the card party will be at the clubhouse on Hubbard Road. The \$1.25 includes 65 door prizes and table prizes and refreshments.

An Open House will be held Sunday, Oct. 17 from noon to 6 p.m. to introduce Sutton's Slenderizing Salon on 975 S. Main St., Plymouth. Slenderizing as well as physical fitness will be stressed at the Salon. Refreshments will be served and questions answered. D.D. Hair Fashions, 965 S. Main (in the same building) is also having Open House. A \$200 Fashion Tress wig will be given as door prize. Inspection of the salon is welcomed and refreshments will be served.

The Nankin Jaycee Auxiliary will be holding a rummage sale on Oct. 23, from 10 a.m. until 2 p.m., at 35021 Michigan Avenue at the corner of Wayne Road. The proceeds of the sale will go toward the Auxiliary scholarship fund.

Redford Association for Retarded Children "Just Fun Club" is sponsoring a Halloween Party on Oct. 29 for their "Special" teen-age and early 20's young people. Leonard Leudtke, counselor at Wayne County Training School, is the Activities Director in charge of games and dancing which will be divided into two groups depending on age and interests. Membership in RARC is not essential to attend. For information, call Mrs. Grant at KE 3-5286 or Mrs. Bentley at KE 1-8132.

SOROPTIMISTS OF PLYMOUTH showed how really versatile hand knits have become when they modeled "Highlights in Hand-Knits" in the Mayflower Meeting Room last Thursday night. (above) The owner of The Wool Shop in Plymouth, Evelyn Arthey, is at the mike. Soroptimist Nan Stewart helps model Ruth Cole from platform. Ruth's three-quarter light-knit coat over a sleeveless brown knit was both simple and dressy.

TWO REDFORD FAMILIES will merge when Susan Armstrong becomes the bride of Richard Lerch. A bridal shower was held last week given at the home of Mrs. Henry Hoppe on Arnold in Redford Township. The affair was co-hosted by Mrs. Charles Lapham, Mrs. Milton Schultz, and Mrs. Donald Soucek. The parents of the bride are Mr. and Mrs. Kenneth Armstrong, Arnold and the groom's parents are Mr. and Mrs. Otto Lerch, Telegraph, Redford Township. Both are Thurston High graduates.

Att: Chubby Tweeners

Let's get on the ball, Now this very Fall. Come-See what you can do to lose pounds. The Junior Tops of Farmington meet every Tuesday evening from 6 p.m. to 7 p.m. in the First Methodist Church of Farmington. This group is composed of boys and girls ages 8 to 14 who need help with their weight problems. Overweight is a handicap which causes many of us to shun the normal social activities in which are so much a part of growing up.

Starts Saturday, October 23

DESIGNED FOR YOU INDEPENDENCE GREEN

Live like a millionaire at a low monthly cost!
Independence Green luxury apartments offer all year 'round chore-free living.

Included with the magnificent view of the Independence Green 18-hole golf course available for their use at no charge residents enjoy a modern luxurious apartment, complete with carpeting, drapes, all appliances including washer and dryer, and if desired, complete furnishings. In addition probably one of the most magnificent Country Club facilities in the country, modeled after the Independence Hall in Philadelphia, is being built to a replica of size, style and detail of the historic building. The interior, to provide 38,000 square feet of floor area will be devoted to swimming pool, (indoors) club rooms, lounges, breakfast room, dining room, locker rooms, pro-shop for the golfers, offices, private dining rooms, bar, sauna bath, card rooms, ballroom, billiard room, t.v. rooms, library, teen room, sun deck, and other activity rooms. The residents at Independence Green will have tennis courts and still more ideas are in the making. There will be almost 2,000 apartments, varying in size from the efficiency to 4-bedroom luxury models, in addition to a planned 180-room motel and shopping center in the round, will offer a quietude and luxurious way of life, which cannot be compared.

Goodbye lawnmower! Goodbye rake! hoe! Goodbye backache!
All exterior maintenance and community landscape is taken care of for you!

LUXURY FEATURES:
Large sliding glass patio doors (lower level), built-in vacuum cleaner, air conditioned, large, airy carpeted rooms, tastefully decorated, washer and dryer included, golf privileges. Appliances by Westinghouse.

INDEPENDENCE GREEN

Ladies! Physical Fitness Will Be The Keynote This Year

Twenty-three hundred ladies between the age of 21 and 35 will be physical fitness conscious during the next few months.

The Physical Fitness endeavor is a new project that the Michigan Jaycee Auxil-

ary President, Jeanne Beauvais of St. Clair Shores, has initiated in her year of office. This State Chairmanship was accepted by Mrs. Richardson last May; and since, the project has been in the organizational stages.

The big Kick-Off for the state-wide program will be Saturday, Oct. 16. Mr. Fred Geisler, Associate Executive, State YMCA of Lansing, will be the luncheon speaker. Immediately following the luncheon at the Hotel Hayes, there will be a Physical Fitness Clinic. The "physical activity" part of the Clinic will be led by Jane Marshall, Physical Instructor from the Northeastern YMCA, Detroit. This past June, Mrs. Marshall completed Bonnie Pruden's Teacher's Training Institute at Stockbridge, Mass.; consequently, the Michigan Jaycee Auxiliary exercise program will dwell largely on the Bonnie Pruden Method. During the remaining part of the Clinic, Mrs. Richardson and Mrs. Alstrom will inform the members of M.J.A. about the over-all Fitness Program and how they can initiate this program in their own community.

The State Chairman and Co-Chairman have also printed a book called "Fun and Fitness." The book contains the concept and definition of Physical Fitness; Seven Steps to Complete Fitness which includes Proper Medical and Dental Care, Nutrition, Rest and Relaxation, Recreation Home Hygiene, and Exercise; and also a Personal Chart for recording weight and body measurements. Another feature of the book are cartoon sketches of each individual step to Fitness.

Individuals from this area who have been most helpful in setting-up the Fitness Project include: Dr. Edwin Blumberg, Dr. Bernard Masson, and Charles Wise.

Physical Fitness is certainly not new to Mrs. Richardson or Mrs. Alstrom since they both have college degrees in Physical Education, Health, and Recreation. Mrs. Alstrom is presently teaching in the Farmington system.

PHYSICAL FITNESS will be the theme for the Michigan Jaycee Auxiliary Board meeting in Jackson on Oct. 15-16. Above, Farmington members are assisting the State Physical Fitness Chairman, Mrs. John Richardson and co-chairman, Mrs. James Alstrom, prepare miniature dumbbells as a "fitness gimmick" to be used as favors at the ladies luncheon in Jackson. The saying on the dumbbells reads "Don't be a muscle-head — Exercise!" (l-r) Mrs. Harland Lorenz, Mrs. James Alstrom, Mrs. John Richardson, State Chairman, Mrs. Chet Pawlik, and Norv Kennedy.

Joel Durand, Local and Talented

A Word Portrait of An Artist

By BETTY BALDWIN
Joel Durand is modern as an electronic computer. He is an artist, and a craftsman. He lives in Livonia with his lovely petite wife Doris, and their very blonde, energetic son Rogier.

The Durand home at 9123 Idaho, Livonia has been made lovely inside and out by Joel's artistic touches. Everywhere you walk on a tour through this gracious home the walls seem to say "Behold The Artist." The patio and garden space are as lovely as many a Hollywood garden we have seen. The quiet walks, the muted lighting, the pool, the exquisite designs painted on plastered panels,

provide food for thought as one sits to meditate in this quiet garden spot.

Walls in the house are hung with many an interesting work created by Joel.

Several unique paintings in oil, and sculptured paintings by Durand can be seen at the Livonia Mall at Seven Mile and Middlebelt starting Oct. 14, 15 and 16 from 9:30 in the morning until 9 p.m. at night.

Recently Joel was bringing a painting entitled, "stamped," to be hung in the new Cinema I and II Theaters, and a man stopped him and asked to see the painting.

He liked what he saw and said "how much?" Joel told him, and the man said "I'll take it." The painting was promised for the gallery showing at the Cinema Theatre and there it will hang for the theatre's grand opening on Oct. 13. Joel however, has the distinction of being the first artist to sell his work at the theatre gallery.

At the Mai-Kai Fall Festival of Art recently, Joel's work created a flurry. His painting "Seville," was sold to a buyer who appreciated interesting color and composition. One of the most talked about original ideas was his "Ghost ship" all in blue's.

He was born in Detroit in 1925. He is a graduate of Northwestern High. After a tour in the service he attended Texas Christian University where he received his Bachelor of Arts Degree in 1951.

On his return to Detroit, Joel attended "Art's and Craft's" studying under such distinguished teachers as Guy Palazola, Sarkis Sarkisian, and others, including Dick Kozlov, internationally known for his fine work.

Some of the better known holders of Joel's art work are, Look magazine, U.S. News and World Report Publications Company, Chesapeake and Ohio Railroad Company, Shell Walker Company, Royal Globe Insurance Regional Office in Detroit, and many others.

Any willing listener can soon find out how Joel feels about art. He has tried to develop a technique of his own which is both visual and intellectual. This he has done successfully.

One of the most interesting techniques is his painting on plaster while it is still wet. He calls them "sculptured paintings." Like all artists, his one desire is to paint full time in the interest of achieving a livelihood.

JOEL DURAND

Gladys Gyde Weds Benjamin F. Davis

In an evening ceremony Aug. 21 at the West Salem Methodist Church Ethel Gyde and Benjamin Franklin Davis were united in marriage by Rev. Ferris Woodruff of the South Lyon Methodist Church.

The bride is the daughter of Mr. and Mrs. William Gyde of Plymouth. The bridegroom's parents are deceased.

Given in marriage by her father, the bride wore a floor length gown made by her mother. Its scalloped necked bodice had long pointed sleeves, was made of lace, while the soft pleated skirt was made of lace over slipper satin.

A group of petals made of satin and lace and trimmed with simulated pearls held her fingertip veil of tulle in place. She carried a bouquet of small white rose buds and ribbon with

a center corsage of white rose buds.

Mrs. Joanne Jones, cousin of the bride, served as matron of honor. Carol Riech was a bridesmaid.

They wore identical floor length, sheath gowns of Copenhagen blue with taffeta skirts and long sleeved bodices of lace. Their flowers were bouquets of white carnations.

William Gyde, Jr., brother of the bride, served as best man, while Niel Jones seated the guests.

A reception for 100 guests followed the ceremony at the Salem Town Hall.

The bride is a graduate of South Lyon High School, while the bridegroom graduated from Morrill High School in Morrill, Kan.

The newlyweds will reside in Plymouth.

DIANE SELEEN, daughter of Mr. and Mrs. R. G. Seleen, 9906 Cranston, is one of the finalists in the Homecoming Queen race at Central Michigan University. She is a 1963 graduate of Bentley High School.

Auxiliary Sets Membership Tea

The Myron H. Beals Auxiliary #32 of the American Legion begins its 35th year of service to veterans and families in Plymouth and Livonia areas with a membership tea Oct. 20 at the home of Mrs. Lester Shore, 31266 West Chicago, Livonia. The hours are from 2 to 4 p.m.

Membership in the Auxiliary is open to all women in Livonia whose husbands, fathers, brothers or sons are Legion members. It is a service group which assists hospitalized veterans.

Proceeds for its activities are used at Christmas for veterans in Ann Arbor Hospital, Maybury Sanatorium in Northville and the Livonia Convalescent Home.

News of Area PTA Groups

Livonia

ROSEDALE
The first meeting of the Rose-dale School PTA will be on Oct. 19 at 8 p.m. in the school's multi-purpose room. Dr. William Morris of the School of Educational Psychology at the University of Michigan will speak on child behavior. Dr. Morris recently acted as consultant to the Mental Health Committee of Livonia in the area of emotional health. This will be our "keynote" address as our program for the year is child behavior problems.

JACKSON

The first meeting of the Jackson School PTA was held on Oct. 7. Mr. Robert Bennett, PTA President, welcomed over 180 interested parents and teachers to the Open House. Rita Bryant, Membership Committee, reports that 149 new members to the PTA were registered.

Mr. Robert Kellogg, Principal, discussed the new changes in curriculum, showing slides of the new textbooks. Mr. Conrad Gniwek introduced the idea of the new "Jackson Adventure" program to be set up this year at school. Mrs. Eileen Bennett explained how the "Junior Great Books" discussion will be set up and asked for volunteers.

Following the Open House, coffee, cider and donuts were served. The floral centerpiece, donated by Merri-Craft Florists, was won by Winnie Arnaut, Merriman Road.

COOLIDGE

Coolidge School P.T.A. in Livonia is sponsoring a series of room level open house meetings. The meetings started Sept. 29 and carry through Oct. 13.

Each meeting is held in the various grade level classrooms and is conducted by that grade's teacher. Purpose of the open houses is to acquaint the parents with the teachers and the child's curriculum for the year.

WEBSTER

Last Monday, Oct. 4, Webster Elementary School PTA held its first meeting of the year. Over 700 parents and children were in attendance.

The program consisted of a short business meeting followed by entertainment with Principal Richard Gornick as M.C. and featuring guitarist Mrs. Dottie Decker and Mrs. Betty Lewis. Country and folk music and a sing-along was on the program, plus an open house. A total of 264 memberships were taken.

GRANT

A featured highlight of the Grant School P.T.A. Family Fun Fair, Oct. 16, will be a group of missiles. These will include the Navy Terrier, Bullpup, Sidewinder and the Army Nike Hercules.

The Hercules, a surface to air missile, which weighs over five tons, has an overall length of 29 feet. It will be on display from 11 a.m. until 4 p.m. through the courtesy of the 28th Artillery Group (Air Defense) U.S. Army, Selfridge Air Force Base, Michigan, Colonel William W. Watson, Commander.

HOOVER

At the first meeting of Hoover P.T.A., 175 parents came to meet the teachers and see their children's classrooms.

The program was a simulated staff meeting conducted by James Otto, principal. P.T.A. President, Ed Hyman, said, "This type of programing rep-

resents a step forward in helping parents to become more knowledgeable of our Livonia Educational System.

WASHINGTON

The annual Washington School PTA Open House was held Tuesday, Oct. 5. William Stafford, the new principal was introduced and he, introduced his staff. Mrs. Marilyn Abbott's P.M. kindergarten class won the parent attendance award.

Plans are now underway for the PTA spaghetti supper to be held on Saturday, Nov. 6.

RILEY JUNIOR

New officers for Riley Junior High PTA are President, Mrs. Dominick T. Taddonio; Vice President, Robert W. Phillips (Program Chairman); Teacher Vice President, Jack Schneider; Recording Secretary, Mrs. Ronald C. Adwell; Corresponding Secretary, Mrs. Alfred Allen; Treasurer, Jack Firestone; Membership, Mrs. W. A. Schneider; Founders Day Chairman, Mrs. George Teahan; Bake Sale, Mrs. Forrest Chaffee; P.T.A. Council, Mrs. Sheldon Wolfe; Hospitality, Mrs. Sheldon Niederer; School Board Advisory, Mr. W. A. Schneider; By-laws, Mrs. Norman Keen; Keen Teen Sponsors, Richard DeVries, Phillip Rathbun; Keen Teen Parents, 7th Grade — Mrs. Alfred Majewski, 8th Grade — Mrs. George Nutting, 9th Grade — Mrs. C. Russell Wagstaff; Budget, Mr. Gordon Geiger; Publicity, Elwood Manns.

TEN MILE

Ten Mile School PTA will sponsor a Book Fair Thursday through Saturday, Oct. 21-23. It will take the place of the regular Monday evening PTA meeting. The purpose is to introduce the children to many varieties of books geared to their special interests and to provide their parents with an opportunity to purchase these books.

Co-chairmen Sally Kemp and Pat Evelett report there will be 300 books on display from the Bookroom in Royal Oak. On Thursday, Oct. 21, the Book Fair will open its doors from 7 to 9 p.m. On Friday, Oct. 22, the Fair will be open from 9 a.m.-12 p.m., 4 p.p.m., 7-9 p.m. Saturday, Oct. 24, the Fair will be open from 10 a.m.-12 p.m. and from 1 p.m.-4 p.m.

CLARENCEVILLE JR.-SR.

Tuesday, Oct. 19, at 8 p.m. is "Get Acquainted Night" for parents and faculty at the first meeting of the Clarenceville Jr.-Sr. High PTA. The faculty and administration will present and explain the various subject areas of the Junior and Senior High Schools. Following this presentation, there will be an opportunity to ask questions. Parents also will have the opportunity to discuss any particular question informally with the teachers, along with coffee and doughnuts.

Farmington

Gill School PTA will hold its Open House on Wednesday, Oct. 20, at 7:30 p.m. A brief meeting will precede the Open House activities. Plans are now underway for the November meeting which will feature Dr. David Wells, Mathematics Consultant, Oakland County Board of Education. He will discuss modern math.

Dec. 4 has been chosen as the date for the second annual bazaar. Further details about the

bazaar can be obtained at PTA meetings and from information which will be sent home with the pupils of Gill School.

PICTURE TALK by Les Wilson

INDOOR FORECAST: BRIGHT AND SUNNY
When you're snapping outdoors, you're at the mercy of the elements. But indoors, you can make your own weather. And with the fabulous new KODAK INSTAMATIC Cameras and flashcubes, it's easier than ever to have bright, sunny days indoors every day of the year!

You just drop in the film, pop on a flashcube and start shooting... four flash pictures in a row without changing bulbs! After each shot, the flashcube rotates automatically or as film is advanced; keeps you always ready for the next picture—the one that you used to miss when gestures and expressions were perfect. After four shots, toss away the flashcube, pop on another and keep on shooting.

But instant loading and pop-on flash are just two of the joys of owning a new Kodak flashcube camera. Take the KODAK INSTAMATIC 304 CAMERA, for instance. It's every bit as automatic outdoors as it is indoors. An electric eye automatically sets exposures for you. The quick-action lever advances the film, positions it and keeps track of exposures. When light is too dim for good pictures, a signal in the viewfinder tells you to switch to flashcubes. No worry about focus. The lens is preset for good, sharp pictures from five feet on out. There's bright, sunny news about the price, too. You can own a new flashcube model KODAK INSTAMATIC 304 Camera Kit for only \$47.50. And that includes a wrist strap, film, batteries and flashcube. So drop in soon and watch your life get brighter.

Autumn Engagements Announced by Four Young Suburbanites

RUTH ANN GOOD

Mr. and Mrs. Samuel C. Good of Livonia announce the engagement of their daughter, Ruth Ann to Lawrence Joseph Gruber, son of Mr. and Mrs. Leo J. Gruber, also of Livonia. Ruth Ann and Larry are both 1963 graduates of Bentley High School. Ruth Ann is a junior at Eastern Michigan University and Larry is attending Cleary College. An August 1966 wedding is planned.

SHERRY C. JOHNSTON

The engagement of Sherry C. Johnston has been announced by her parents Mr. and Mrs. John W. Johnston of Brookfield in Livonia. Her fiance is Robert J. Szkotnicki, son of Harriet Szkotnicki and the late John M. Szkotnicki, Detroit. A June 11 wedding is planned. The bride-elect is a graduate of Ladywood High '62 and Mr. Szkotnicki is a graduate of Salesian High and is presently attending Lawrence Tech.

CAROL E. ROUGHLEY

Mr. and Mrs. Jack T. Roughley of Centralia Ave., Redford Township have announced the engagement of their daughter, Carol Elizabeth to John David Kobasa, son of Mr. and Mrs. Stephan Kobasa, Charest Ave., Hamtramck. Carol is a former Ferris University College student. John, a U. of D. graduate, is with the Engineering Department of the Michigan Wisconsin Pipe Line Company. A February wedding is planned.

JOYCE LEE HAGERMAN

Mr. and Mrs. C. R. Hagerman of Huntington Drive, Plymouth, announce the engagement of their daughter, Joyce Lee, to Dennis Monroe Wilson, son of Mr. and Mrs. Monroe W. Wilson of Newnan, Ga. The bride-to-be is a 1964 graduate of Plymouth High School and is now employed by the American Enclosures Co. in Novi. Her fiance, a 1964 graduate of Washington High School, Portland, Ore., is currently self-employed in Northville. A Dec. 4 wedding is being planned.

Dr. Wischman Joins Staff Of Hamilton

Dr. Charles Wischman, of 1073 Penniman, Plymouth, has been appointed medical director for the Alexander Hamilton Life Insurance Co. He is a native of the Detroit area, attended Michigan State University where he was graduated with honors in 1957.

Dr. Wischman received his medical degree from the University of Michigan in 1961 and served his internship and Internal Medicine Residency in St. Joseph Mercy Hospital in Ann Arbor.

Dr. Wischman is a member of the Washtenaw County Medical Society, the Michigan Medical Society and the American Medical Association. He also is a member of Phi Eta Sigma and Phi Kappa Phi honorary societies and the American Federation for Clinical Research. He received a research award from St. Joseph Mercy Hospital in 1965.

Dr. and Mrs. Wischman are the parents of five children, Mark, Jeffrey, Lori, Kim and John. He has located his private practice in Plymouth.

D. P. W. News, Notes

BY SUPT. JOSEPH BIDA

Plymouth Dept. Public Works
Work has started on the Traffic Study report of the Automobile Club which indicated some of the traffic signs in the city were too low. The study of the Department of Public Works will know how expensive the recommendations of the AAA will be to the city.

Fire hydrants were flushed throughout the city's northwest section on Thursday and Friday evenings from 9 p.m. to midnight. This flushing will continue until all hydrants have been cleared.

Grading, priming, sealing and chipping has been completed on the following streets: McKinley, Linden, Coolidge, Byron, Herald, Hamilton and Davis. The DPW used 7,000 gallons of primer, 11,000 gallons of sealer and 380 tons of crushed stone in completing this project.

The torch for the Plymouth Community Fund Drive was installed by DPW crews during the week.

Spading and cleaning of city parks and the area around the City Hall was continued and the DPW yard was cleaned during the week.

Work was continued with land re-fill at the Salem refuse site. A six-inch sanitary sewer tap was installed on Roe Street. The Department handled one funeral and a water service was repaired and a storm sewer manhole built on Roe Street between Elizabeth and Union Streets.

Bentley Band In College Homecoming

This Saturday, October 16, the Bentley High School Band under the direction of Robert Clark, will be featured in Western Michigan University's homecoming parade.

The invitation to participate in festivities at Kalamazoo was extended by Bentley graduate Geri Cowden who is chairman of the parade committee.

Architect Firm Promotes Reitzel

E. David Reitzel has been appointed an associate member of the Livonia architectural firm of Ralls-Hamill-Becker. His primary responsibilities will

be in the area of field supervision and project architect.

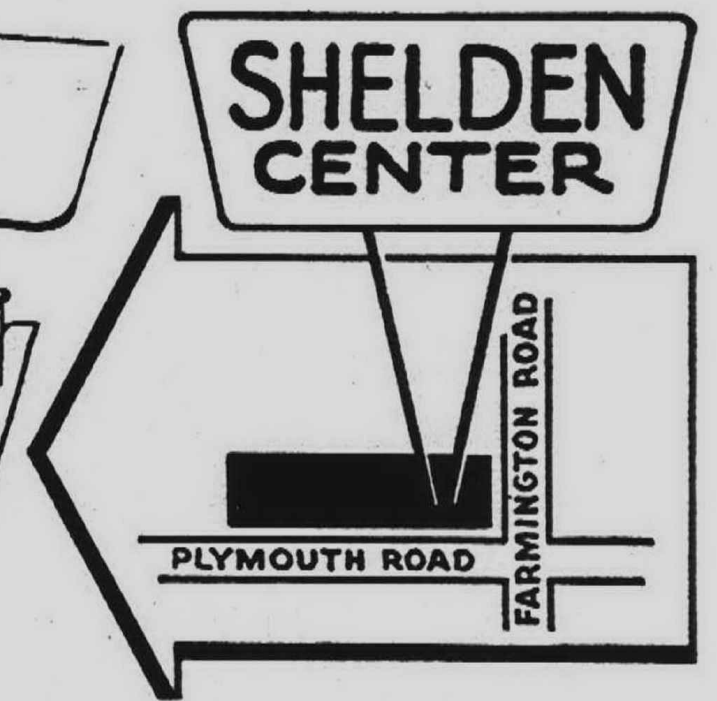

A graduate of Lawrence Institute of Technology and a Professional Associate of the American Institute of Architects,

Reitzel has been with the firm for two years. He lives in Nankin Township.

The firm has moved into remodeled and expanded office space at 15223 Farmington Rd. Additional drafting room area, a new reception-clerical area, a new business office and a new conference room are included.

Gary McBrady, Michigan State sophomore soccer performer from St. Louis, Mo., played on the U. S. National Junior team that competed in the 1964 Central American tournament.

Are You Interested in Basketball? Sign Up Now

Officers of the Plymouth Community Junior Basketball League have announced plans

for registration for the 1965-66 season starting on Saturday, Nov. 6 from 9 a.m. to noon at Junior High West.

Registration fee is \$7.50 for first year boys and \$5 for each boy who played in the league a year ago. However, league officials emphasize that no youngster will be refused the opportunity to play if funds are not available.

Parents must accompany boys at time of registration.

The league has been divided into three classes including "B" for boys who will not be eight before Dec. 31, 1965; "A" for

boys who will not be 13 before April 1, 1966; and AA for those who will be 13 before April 1, 1966 and those who will not be 16 by April 1, 1966.

John Van Wagoner, director of the League, is anxious to receive some indications of interest in the league and urges all youngsters interested to fill out blanks which are available at the junior high and elementary school offices and at the switchboard of the City Hall. These blanks should be mailed to John Van Wagoner, 47048 Stonecrest Drive, Plymouth, before Friday, Oct. 15.

GL 3-0038
Call to report social events in your family, neighborhood)

THOUGHTS OF HOLIDAY

Along with Fall comes the thought of Thanksgiving and Christmas and with it a stirring of one's imagination and creative impulses to make the holidays as warm and interesting as possible. Our Lady of Good Counsel Rosary Society hosted, this past week, one of Plymouth's most talented persons in the field of Christmas decorations. Marila Schrader, well known in the community for her creative ability, staged a demonstration of holiday decor along with narrations of her material. Members of the group were delighted with the presentation.

SPECIAL SITTING SERVICE

Baby sitting for symphony concert goes on Oct. 17—Cadet Girl Scout Troop No. 253 under the leadership of Mrs. Clifford Wilkins and Mrs. William Baumgartner will be on hand to care for the little ones in room 106 while mom and dad enjoy the concert. Another reason to attend.

20 YEARS

Oct. 14 is the date set for the 20th Anniversary celebration of the Lutheran Women's Missionary League at St. Paul's Lutheran Church in St. Clair Shores. The L.W.M.L. will leave from the Risen Christ Chapel at 9 a.m. accompanied by Pastor D. F. Romberg who will serve as counselor for the Plymouth area.

THINKING PLYMOUTH

Civic Participation Committee of the B&PW met at the new Observer office on Main Street Wednesday to plan the Oct. 18 meeting with John Kamego, general manager of Plymouth's Community Fund Drive as guest speaker; a timely presentation with everyone thinking "Benefits for Our Community." Those in attendance were Ann Sharard, Margaret Stremich, Vivian Haar, Fran Booth, Daisy Proctor and Dorothy Sincock.

25th YEAR

Open House at the Edwin Wingards of Ross Street honoring the Harry Shoemakers from Penniman Avenue who celebrated their 25th Anniversary. Attending was Susan Shoemaker, Mrs. Margaret Thompson of Petersburg, relatives and friends from Toledo, O., and Muskegon. The Shoemakers were presented with many beautiful gifts.

SCOUTS TOUR

Dr. Cliff McClumpha made a hit with Scout Troop No. 482 when he gave the young people a grand tour of his Park-

way Veterinary Clinic. The care and housing the animals received really impressed the group now under the leadership of Norene Cripps, and Jeanne Duffield.

SILVER FOR KENNEDYS

Mr. and Mrs. James Kennedy of Haggerty Road would like to say thanks to their many friends who helped celebrate their 25th anniversary open house on Oct. 3. After the buffet serving the 70 relatives and friends surprised the Kennedys with gifts of silver.

JAYCETTES AID STATE HOME

Circle your calendar for Nov. 3 and plan to attend the Jaycettes card party at Junior High West. The proceeds go to the Plymouth State Home and

Chairman Mrs. R. Shuman states there will be refreshments, and prizes. Fun will begin at 7:30 and last until 11. Call Mrs. Dick Horn at 453-3857 or Mrs. Joseph O'Hara at 453-0019 to make your reservations.

CONVENTION GOER

Battle Creek for Mae Hoelscher of Harvey Street, who will attend the American Legion Auxiliary Conference from the 15 to the 17. The fall school of instruction will cover rehabilitation and child welfare.

Grand prize recipient Ann Penhale delighted with her combination box of imported fabric and yarn. Ann, who does some knitting herself, stated she couldn't wait to plunge into the makings of her new winter outfit. Many of Plymouth's talented knitters were present to view the elaborate hand knits including Mrs. Gerald Fischer, Mrs. John Moehle, Mrs. Gerald Hon-dorp and Miss Alita Hearn. Mrs. Norma Cassidy, looking like a model herself, in her soft blue mohair ensemble with matching hat, eyed the show with great approval.

Gloria Hansor's smart bouffant hair-do matched the coiffures created for the show by

Garnet of the Nu-Town Beauty Shop. President Helynn Caplin and Evelyn Arthey along with the Soroptimists are to be commended for a job well done. The Mayflower Meeting House, filled to capacity, delighted the fashion goers most of whom had not yet had an opportunity to view the attractive community room with all its elegant atmosphere.

Do electric dryers really cost less to buy?

Do you really get no-charge service?

Do kids like ice cream?

The answer, of course, is a rousing YES! Model for model, electric dryers cost from \$20 to \$40 less than gas dryers. And every electric dryer is backed by Edison's No-Charge repair service. No charge for any electrical parts. No charge for labor. Edison is the only utility company in this area that offers no-charge repair service.

Can you get this kind of worry-free assurance with a gas dryer? Sure—with a manufacturer's repair service policy. But it will cost you up to \$120 over the first five years of operation alone!

One thing more. Edison's No-Charge repair service applies even if you don't buy your dryer from Edison—so long as the dryer is electric and you get your electricity from Edison. And if you buy now from a participating dealer, the low price you pay includes the cost of wiring, if any's needed. So when you add it up, an electric dryer can save you up to \$160 in just a few years. That can keep the kids in ice cream a good long time. **EDISON**

Drivers Begin Paying Into Accident Claims Fund Nov. 1

LANSING—The "\$64 question" in Michigan these days centers about the payment of \$1 . . . the sum which all persons with liability insurance will have to pay into the state's new Motor Vehicle Accident Claims Fund when they begin registering cars and other motor vehicles November 1.

The question is usually about the same . . . "Why me? Why do I have to pay when I already carry liability insurance?" The answer is simple, according to Secretary of State James M. Hare. "The dollar actually buys insurance protection."

Hare said the \$1 fee along with the \$25 from each uninsured vehicle owner will be used to finance the Fund from which innocent victims of accidents with uninsured drivers will be able to draw upon when the claims are filed starting January 1, 1966.

"The dollar paid into the Fund actually protects the insured motorist against accidents with negligent uninsured drivers."

"It protects against contingencies such as personal injury in accidents with hit-and-runners and persons driving stolen vehicles, and out-of-state uninsured drivers who are involved in Michigan accidents."

Hare cautioned against dropping the private uninsured protection rider, however.

"The Fund and the rider offered by private insurance companies compliment one another," Hare said. "One covers any contingencies in Michigan, while the rider offers complete protection outside the state."

"With most persons traveling outside Michigan these days," Hare said, "my advice is to continue or buy the private option." There is legislation which would make such coverage mandatory.

Hare said one of the main intents of the Fund is to force as many uninsured motorists as possible into the insured category.

"Percentage is about 85 percent insured as near as we can presently calculate," says Hare. "Most funds of this type have resulted in about half of the uninsured getting into the insured class which would bring Michigan to more than 90 percent insured drivers."

"I'm hopeful of getting it

even higher than that," Hare said. He said he doubted that too

many of the "high risk" drivers would buy insurance. "Actually, the \$25 they will be

paying into the Fund is a small part of what they would pay for complete liability cov-

erage. Being a realist, I doubt that many of these people will become insured.

"Persons who drive without liability coverage are taking a terrible risk," Hare said.

"They are gambling with their future solvency . . . because a bad accident could mean that

they would have to pay back into the Fund hundreds and perhaps thousands of dollars."

U-M Will Study Families in 350 Communities

ANN ARBOR — Families in 350 communities across the United States will be interviewed between Oct. 15 and Nov. 30 in the next national survey by The University of Michigan's Survey Research Center.

About 1500 interviews will provide an accurate picture of how the American people are getting along and how they feel about current topics. Changes in their economic situation, their views on prices and business conditions, savings, habits, the use which people make of banks will be among topics of interest in the study.

A national field staff conducts the interviews. The Survey Research Center, a division of the Institute for Social Research, has been conducting such research for 19 years.

Chrysler Names Temby, Muller to Key Posts

Appointments of Richard J. Muller to the newly-created position of manager of field public relations services for Chrysler Corporation and of Britton W. Temby to succeed Muller as manager of radio and television services in the public relations office have been announced by John A. Ford, vice president—public relations.

Here Are Traffic Control Recommendations

(Continued from Page 1) section, with its narrow roadway, inadequate curb and poorly designed and located driveways, cannot provide adequate capacity for the safe movement of the traffic volumes found here. It is recommended that the following steps be taken:

A. Widen Main Street four feet on each side to provide four traffic lanes and prohibit all curb parking.

B. Enlarge the curb radii on corners to facilitate turning movements.

C. Modify driveways so that in and out traffic will not interfere with intersectional traffic.

D. Prohibit all curb parking on both sides of Wing from Deer to Forest to provide more street space for moving traffic.

E. Resurface Wing Street at the intersection.

F. Install signs directing Main Street traffic to the west municipal parking lot via Wing and Forest.

MAIN AT ANN ARBOR TRAIL—The conflict between turning movements through traffic and pedestrian crossings create congestion and confusion here. The following steps are recommended:

A. The last two parking meters on the west side of Main just north of Ann Arbor Trail should be removed to increase the utility of the right turn lane.

B. The center lane of the southbound approach on Main should be reserved for vehicles turning left into Ann Arbor Trail.

C. Trim shrubs in the park so they do not impair driver visibility.

MAIN AT PENNIMAN—It is recommended that an overhead sign indicating that the center lane is for left turns only

be installed between the traffic signal heads facing Penniman traffic.

MAIN AT CHURCH—The presence of the school on the southeast corner and the street can be improved by the following:

A. Rebuild the west leg of the intersection in alignment with the newly constructed east leg.

B. Install dual overhead traffic signals to provide more adequate visibility.

C. Install pedestrian signals here to serve students and patrons of the library and city hall.

D. Remove the stop signs on the Church Street approaches. These are in conflict with the traffic signal and create confusion.

MAIN BETWEEN CHURCH AND THEODORE—Rear-end collisions are the most frequent type accidents here because many vehicles stop to turn off Main into side streets or commercial driveways.

There is no cure for this situation except widening the street at least 11 feet to provide a center lane reserved for left turns in this area. While this does not appear financially feasible at this time, it must be carefully considered by local officials as they develop long-range plans for a major street system.

MAIN STREET AT STARKWEATHER—The accident problem here is created primarily by vehicles turning right out of

Starkweather in front of westbound Main traffic and eastbound Main traffic turning left in front of oncoming traffic.

The following steps should be taken:

A. Install a traffic signal.

B. Prohibit left turns out of Starkweather into Main.

C. Enlarge the curb radius on the northwest corner to facilitate the right turn movement.

MAIN-PLYMOUTH-MILL JUNCTION—The changing alignment of Main-Plymouth and the grades on the east and south approaches are major problems. Following steps should be taken:

A. Flare the south side of the intersection to provide space for three traffic lanes.

B. Enlarge the curb radius on the northeast and northwest corners to facilitate right turns.

C. Extend the added lane on the west side of Mill south to Rose and install curb and gutter.

HARVEY AT ANN ARBOR TRAIL—Congestion is apparent here on Fridays and Saturdays when peak shopping activity occurs. It is recommended that:

A. The signal controller here be expanded to permit a complete change in cycle splits and lengths during busy periods.

B. Utilize a "No Left Turn" sign to control southbound Harvey traffic during peak hours.

HARVEY AT PENNIMAN—This corner has been rebuilt to handle the traffic generated by the central business district and the municipal parking lot and functions well except dur-

ing peak hours. It is recommended that:

A. The curb radius on the southwest corner be enlarged to facilitate right turns.

B. The curb lane on the northwest corner should be reserved for right turns only.

C. Additional signal heads should be installed to provide two overhead indications for all approach traffic.

D. Widen Harvey from Church to Wing. This should be studied as a long-range project.

The most inexpensive method of improving traffic flow in Plymouth next to improved street markings is establishment of a one-way street system, according to the Club.

Such a system in the central business district would also avoid the necessity of costly physical improvements.

It is suggested in the report that Penniman become a one-way westbound street from Ann Arbor Trail to Harvey and Ann Arbor Trail one way eastbound from Harvey to Penniman. The establishment of Harvey as a one-way southbound street would complete a loop around the business area.

Club officials also say that southbound Harvey from Ann Arbor Trail could become a one-way street and Forest could become one-way feeding back into Ann Arbor Trail.

The report points out that Plymouth does not make proper use of traffic control signs. Auto Club, which considers stop signs "the most important traffic control sign in general use," made a complete inventory and field study of Plymouth's stop signs.

Results of this research show that many signs are not visible to drivers because of improper height, or they impede rather than aid traffic because of improper location.

Of 28 major streets and 256 intersections analyzed, it was found that only 43 stop signs met all requirements of the Michigan State Highway Department concerning location. Twenty-five signs were too far back from the intersection, and 156 were too low to be seen over parked cars.

Another important traffic control device is the speed limit sign. Currently, most major streets are posted with 25 miles per hour limits and this is unrealistic, says the report. It is recommended that "The police department make studies on all major streets and develop speed zones that are realistic and enforceable."

Auto Club suggests that Plymouth undertake a program to upgrade street lighting on major roads. "Good street lighting will reduce both the number and severity of traffic accidents. The level of street lighting on most major streets is far below modern requirements," the report adds.

School Pupils to View Films of "Walk in Space"

Students at West Junior High and five Plymouth School system elementary buildings will have an opportunity to view the film of Astronaut White's historic walk in space on Friday, Oct. 15.

Pupils in Bird, Gallimore, Smith, Starkweather and Farland schools, in addition to those from West Junior, will see the 30-minute film "The Four Days of Gemini IV" during the regular school day, according to an announcement by Asst. Superintendent William Herding, who has charge of the elementary schools.

The film is in color and is regarded as one of the most outstanding movies ever taken. It has been made available to the school system for the one day by Congressman W. E. Vivian from the Second District.

Adults and students will have an opportunity to view the unusual film in the evening at 8 in the multi-purpose room in Junior High East. No admission

charge will be made. Harding urges all interested to attend the evening showing.

High-Twelve Club Hears, Sees Story of Township Firemen

The story of the Plymouth Township Fire Department was told to members of the High-Twelve Club with the use of slides and color movies at a meeting in Lofy's.

John Welsher, member of the Township Planning and Civil Service Commissions, took the slides and films and was in charge of the showing, which was part of the celebration of National Fire Prevention Week.

All regular members of the Fire Department participated in the demonstrations that followed the films.

The Firemen included Capt. Barney Maas, James Gignac, Fred Knupp and Fred and Ernie Honke.

West Team Better than 0-4 Record

Records can be deceiving... Minutes later, West fumbled the ball away again. This time a pass to Fox put Lowrey on the West three and two plays later Anderson went across for the touchdown.

The first four teams we have played have lost a total of one game between them," added the coach. "Our boys have done a good job. It's just that we are going against one strong team after another."

Typical of the West rivals to date was last Friday's Dearborn Lowrey.

Lowrey, in winning from West by a 21-6 score, ran its winning string to four in a row.

Notwithstanding, West got the early jump by scoring on a quick pitch to Bon Ardell who scooted 27 yards for the touchdown that made it 6-0 for the Garden City team.

A long pass from Holbert to Gierucki carried Lowrey to West's two, and a play later Gierucki went over and when Mitchell made his first of three conversions, Lowrey was in front for keeps.

The score stayed at 7-6 until the third period when West seemingly could do nothing right.

The Garden City team had the ball only three times in the 12-minute span. The first time, West fumbled and lost the ball on his own 29 and in short order Holbert had another TD for Lowrey.

West had two good chances in addition to the one it cashed. Late in the half, a pass from Ardell to Terry Thompson for 32 yards put West on the Lowrey seven and then West got to the two before time ran out.

In the fourth period, West reached the Lowrey 14 before a 15-yard penalty killed the threat.

Boat Registrations Up

LANSING — Motorboat registrations climbed over the 400,000 mark with Secretary of State James M. Hare predicting the total would reach 410,000 by the end of the year. Next year opens another three-year registration cycle of motorboats in Michigan.

West gained 166 yards on the ground and 36 passing. Lowrey moved for 154 on the ground and 75 through the air.

Friday night will find West playing at Schaefer.

Youngsters Set To Open DPR Pin Leagues

The Livonia Department of Parks and Recreation Junior Bowling Leagues begin this week in all bowling establishments in the city.

Boys and girls 8 through 12 years of age will be in the prep division with those 13 through 18 in the teen division.

Starting time for all leagues is at 4 p.m. with the following schedule:

Mondays—Livonia and Wonderland Lanes.

Tuesdays—Cloverlanes.

Thursdays—Livonia and Merri-bowl Lanes.

Fridays—Merri-bowl and Livonia Lanes.

Fee for bowling is \$1 which covers the cost of two games, shoe rental, banquet and trophies. Rolloffs are held between the establishments to determine city champions.

For further information, contact the nearest bowling establishment or the Recreation Department, GA 1-2000, ext. 29L.

Spartans Gird for Bucks

For only the fourth time since starting Big Ten play, Michigan State will meet the Buckeyes of Ohio State next Saturday. Kickoff in Spartan Stadium will be at 1:30 p.m.

The abbreviated Big Ten rivalry has seen Ohio State win two games—in 1959 and 1960—and the Spartans win once, in 1963. Michigan State also won a 1951 encounter that didn't count in league standings and way back in 1912 won in the very first meeting between the teams.

When the Ohioans invaded East Lansing five years ago, 76,520 fans attended, the largest crowd to see a game at the stadium up to that time.

The Buckeyes, always formidable opponents, will feature their usual steady ground attack supplemented by a passing game of more prominence than in past years. Senior quarterback Don Unverferth is regarded as the best passing quarterback in the school's history.

The Ohio State defense is in good hands. Bill Ridder, Tom Bugel and All-American Ike Kelley provide the Bucks with outstanding linebacking. Tom Barrington and Bo Rein are stars in the offensive backfield.

Arnold Fontes, sophomore quarterback and Unverferth's understudy, is the brother of former Spartan defensive back Wayne Fontes.

The Buckeyes were 1-1 before their meeting Saturday with Illinois, while the Spartans had a 3-0 record going against arch-rival Michigan.

Important factors in Michigan State's early season success have been the Steve Juday-Gene Washington passing combination, the running of Clinton Jones and Bob Apisa, and the barefoot kicking of Dick Kenney.

Also coming to Spartan Stadium will be Ohio State's fine Marching Band, joining MSU's crack unit in pre-game and half-time shows.

Olympia Lists Showing of "007" Auto

With all its famous accessories in top working order, James Bond's 007 Aston Martin car will be in action at Olympia Stadium November 5, 6 and 7.

The car, seen in the movies "Goldfinger" and "Thunderball," is part of the Royal Marines Tattoo, a 160-member British military spectacle appearing direct from the Edinburgh Festival.

Other highlights in the Tattoo include two Royal Marines bands, the massed pipes, drums and dancers of the Royal Scots Greys and The Scots Guards regiments, plus the British Columbia Highland Lassies.

Tigers Take Seven Players On Winter Loop

Three young Tigers and four pitchers from the Syracuse farm club have accepted offers to play winter baseball with the Mayaguez club in Puerto Rico.

Outfielders Mickey Stanley and Jim Northrup and Shortstop Ray Oyler are the Tigers selected. The hurlers from Syracuse are Billy Graham, Jack Hamilton, Bruce Brubaker and Fritz Fisher, of Plymouth, Mich.

Wayne Blackburn, former Tiger coach who managed Montgomery of the Southern League this year, will be the Mayaguez manager, succeeding Bob Swift.

Swift and Stub Overmire, both on the Tiger coaching staff, will manage Detroit's entry in the Florida Winter League based at Dunedin. Players for that team are being selected by General Manager James A. Campbell and farm Director Don Lund.

Both the Latin American and Florida winter teams have been valuable to the Tigers in the past for speeding the development of their young prospects.

Among current Tigers who have performed with one or the other are Bill Freehan, Denny McLain, Willie Horton, Joe Sparna, Gates Brown, Mickey Lolich, Fred Gladding, Don Wert, George Smith and Jake Wood.

Pistons Set for '65 Opener

The "new look" Detroit Pistons usher in the 1965-66 National Basketball Association season Saturday night when they battle the New York Knicks in Madison Square Garden.

Four nights later, on Wednesday, Oct. 20, the same teams return to Detroit to usher in the Pistons 30-game home schedule at Cobo Arena with the tipoff at 8 p.m.

Pistons Player-Coach Dave DeBusschere will present at least three new faces at New York. They'll be replacements for Terry Dischinger, the team's top scorer who now is in the army; Hub Reed, who retired to become a high school coach in Oklahoma and the suspended, Reggie Harding.

The Pistons rookie brigade is topped by Bill Buntin, the No. 1 draft choice from Michigan; Tom Van Arsdale, the Indiana University great with his twin-brother Dick for the last three seasons and Joe Strawder, a 6-10 center from Bradley University.

In addition, there is Bill Chmielowski, the former Holy Redeemer High star; Ron Reed of Notre Dame and Bob Warlick from Pepperdine College all of whom have made impressive showings during the exhibition season, the best in the Pistons Detroit history.

DeBusschere himself tops the Pistons veterans. He'll operate at one forward position with

five-year veteran Ray Scott at the other. For backups in the corner posts, the Pistons have three veterans—Joe Caldwell, Don Kojis and Jack Moreland, in addition to Reed.

The Detroit-New York game on Saturday will be televised on Channel 50 at 7:30 p.m. It'll be the first of 39 Pistons games which will appear on TV this season.

Livonia PPK Saturday

The Punt, Pass, Kick Contest for boys sponsored by Bill Brown Sales, the Livonia Jaycees and the Livonia Recreation Department will be held Saturday, in the Wonderland Shopping Center.

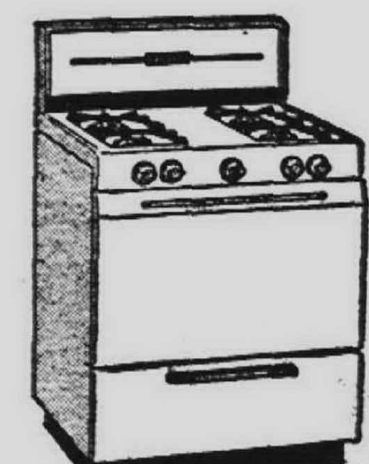

The schedule will be as follows: 9:30 a.m., ages 8 and 9; 10:15 a.m., ages 10 and 11, and 11 p.m., ages 12 and 13.

Boys must pick up registration blanks by Friday, Oct. 15, at Bill Brown Sales, 32222 Plymouth or at the Recreation Department, 14305 Farmington.

Scores are determined by totaling the combined distances minus variance from a straight line. Detroit zone scores of last year were age 8, 173; age 9, 251; age 10, 253; age 11, 292; age 12, 304 and age 13, 320.

Teacher Says Russians Find Living Bit Rough

Life in Russia is different for age groups and most difficult for adults—that was the conclusion drawn by Mrs. Brigid Rauer, teacher at Plymouth High, during five weeks of study there last summer.

"There isn't any question that life is hard for adults," Mrs. Rauer told members of the Rotary Club in the weekly meeting last week in the Mayflower Hotel. "They only work 42 hours a week, same as a union shop in the United States, and none is killing himself but all of the emphasis is placed on the young people. They receive all of the better benefits, as such, they are given the educational advantages—it is in them that the Russians are placing the future of their nation."

"There isn't such a thing as unemployment in Russia. The government makes sure of that by providing jobs of some nature for all. Women have most of the menial jobs and even such hard work as paving streets. But everyone has to work for the wages are small and the prices high—if a family doesn't have two paychecks, they just barely exist."

Mrs. Rauer pointed out that

the fringe benefits are excellent since the government provides doctors, dentists and optical service free of charge.

"But," she emphasized, "I have revised my thinking on the standard of living of the Russians. The housing is poor even though there are big settlements of new apartments. One has to share his apartment with relations and there is very little chance of privacy."

"We discovered there is a big gap between salary and buying. The food costs are the same as the American dollars but the earning compares with one week's pay here for a month's work there."

"The quality of the meat is very poor. Clothes are expensive and of poor quality. Shoes are costly and are of such quality that we wouldn't consider

wearing them in the United States.

"Shopping is a real nightmare. One stands in line for three hours to pick out an article, then has to get into another line to pay for it and then back to the first line to pick up the item—if you're lucky and someone else hasn't already taken it, then you have made a purchase. However, if someone else has taken the article, then the search begins all over."

"Nikita Khrushchev is a forgotten man. The signs which once carried his name and pictures have been obliterated or another picture in its place but the name and pictures of Lenin are everywhere."

Mrs. Rauer pointed out that there isn't such a thing as freedom for the Russians. There isn't any chance to be alone and they always have the feeling that they are being watched.

"The Russian people love peace. This may not be true of the government, but I discovered in what few talks I could have with Russians alone that they are people of peace and goodwill."

"Most every family lost heavily in the last war, loved ones are gone and none wants to go through that kind of a thing again."

Plymouth Woman Joins Select Few

Veda Daykin, supervisor of the Policy Issue Department of Alexander Hamilton Life Insurance Co. of America, recently joined the select group of women granted a Fellowship from the Life Office Management Association. Of the almost 1,300 LOMA "Fellows," less than 10 per cent are women.

Homecoming Plans Set

(Continued from Page 1) Griffith, and will include the four candidates for queen plus their attendants from the sophomore and junior classes; floats from the Student Council, Senior and Sophomore classes, the cheerleaders and other stu-

dents marching in the line of march.

The procession will start on Ann Arbor Trail on the west side of Kellogg Park, move up Main Street to the High School and then to a huge pile of wood on the east end of the football field near the practice gridiron for the traditional bonfire.

Following the bonfire, at 7:20 p.m., which generally has the attention of all until shortly before the kickoff at 8 p.m., the students will move into the football field to view the pre-game show by the band and join in the flag raising.

The queen candidates and court, which include Seniors Donna Cook, Katie Wall, Pam McAllister and Sue Hulce, Junior Janie Emerson and Sophomore Linda Arnold, will take seats in a special section set up near the Plymouth High team bench.

The crowning of the queen and her waltz with the band's Drum Major will feature the half-time festivities.

Then comes the biggest event of all—the annual homecoming dance—which is scheduled for Saturday evening at 8 in the high school gym under the sponsorship of the Hi-Y Club with Charlie Catlett as general chairman.

Highspot of the evening will be the coronation waltz led by the new queen and her escort. Students and graduates are invited to the homecoming dance which members of the Hi-Y Club promise will be the most entertaining in several years.

In the meantime, it will be "Go Rocks Go—Beat Trenton!!!!"—and if it should happen, the homecoming will be the greatest ever for the victory will go down as just about the biggest in PHS athletic history.

Board

(Continued from Page 1)

be done without impairing the educational programs. This would envision busing all elementary children in hazardous areas as a temporary measure until such time as minimum safety standards are met.

3. Frequent studies of the critical areas, to review walking routes and safety conditions at crossing points. Participation in the studies by parents' groups such as a PTA safety committee suggested.

4. A long range study by the Board of Education of future transportation needs and ways of financing them. Current problems are small compared to what the future holds.

PLYMOUTH GRANGE OFFICERS display some of the articles that will be placed on sale at the annual bazaar and turkey dinner Saturday (Oct. 16) at the Grange Hall. The bazaar opens at 10 a.m., followed by a snack bar at noon and then the Turkey Dinner beginning on hourly shifts starting at 4:30 p.m.

Grange to Put On Bazaar, 'Turk' Dinner

The Plymouth Grange will present its annual bazaar and turkey dinner Saturday (Oct. 16) in the Grange Hall.

The day long program opens at 10 a.m. with shopping available in the various booths. The snack bar will be open from 11 a.m. to 2 p.m. and then the traditional turkey dinner (family style) will be served in the evening from 4:30 p.m. to 7:30 p.m. in charge of Helen and Claude Eckles.

Grange officials warn all that reservations are in order and should be made as soon as possible for the turkey dinner. For reservations call 453-3030.

The booths at the bazaar will be in charge of the following: Eve Farquhar and Louise Gilles, fancy work; Ruth Hines, Cora Springer and Addie Storrie, candy; Leo Hughes, Harry Brown, hobby hut; Bessie Salow and Anna Chappel, aprons.

Plans to Open Ice Cream Store

The Plymouth Community will have a new, modern, elaborate ice cream emporium at 985 Ann Arbor Road when the nationally known firm of Baskin-Robbins opens its 828th store in the not too distant future.

Cowan to Address C&O Employees

C. Vernon Cowan, vice president in charge of Operations for the C&O and B&O Railroads will speak on "Teamwork and Co-operation" at the third dinner meeting for the Detroit Chapter of the C&O Employees Better Service Conference on Tuesday, Oct. 19, in Roma Hall in Livonia.

Reservations should be made with Mrs. Gerry Rorabacher at the C&O Railway Yard office in Plymouth at 453-4280 or GA 7-3225 by Friday, Oct. 15.

Open Fund Campaign

(Continued from Page 1) impress all with the fact that Plymouth can't afford not to make its goal.

"After all this is one of the few communities in Wayne County that still maintains its own campaign and has complete control of funds for use in the community. We want to keep it that way. This is a campaign to raise funds for agencies in the Plymouth Community who operate for the good of residents in the Plymouth Community and it's entirely in the hands of the Plymouth Community to put this drive over the top."

Kamego emphasized that all workers signing pledge cards at plants should very carefully indicate that this donation is for

the Plymouth Community Fund.

"In this way we are assured that all contributions from Plymouth people go to Plymouth. If the cards aren't marked, then the chances are that the donations will become part of the United Foundation drive in Detroit."

The breakdown of the 1965 budget shows the Huron Valley Girl Scouts received a boost of \$500 from the \$4,500 of last year. Other increases are Michigan Cancer Foundation from \$4,020 to \$4,075; Veterans Memorial Association from \$2,000 to \$2,500; Salvation Army from \$9,000 to \$10,000.

The Family Service Bureau was hiked from \$17,840 to \$19,926 and the YMCA grant was boosted from \$8,000 to \$10,000.

Hear Water Story

(Continued from Page 1) soap and detergent. If you do your own softening, the cost for softening alone will vary from \$36 to \$98 per year depending on size of family, lawn usage, etc.

Plymouth has an impressive charm that strikes the casual visitor the minute he enters town. Some citizens here may worry that Detroit water will end that. They may worry that the Detroit Department of Water Supply will be running the town. This has not happened anywhere during the 113 years that Detroit's water system has served throughout the area.

There has been a great deal of discussion between the officials of the Detroit Department of Water Supply and the City of Plymouth over rates. Rates are not negotiable. Our rates to our customer communities are based on the cost of the water, the cost of pumping, the cost of any construction we may do for the community and a proportionate share of future system improvement and expansion.

Our rates are set by our engineers and accountants, based on the basic rules established by the Michigan Supreme Court in 1949. Their slide rules and adding machines calculate costs, not political gain. We don't care how you vote. We do care about how promptly you pay your water bill.

"Water Board records show that recently consultants were hired to study ground water capability in all areas, including 'wells in the Northville area.' All ground water sources were found to be unsatisfactory.

"The State Health Department records show also that water levels in all wells are gradually dropping.

"There are advantages to being part of a metropolitan water system. The overall water costs are lower. You are assured of an abundant supply of high quality water. And, if your community growth requires more water, it can be made available without worrying about drought conditions."

Ted Kennedy Heads Dem Party in Monroe

Senator Edward "Ted" Kennedy will be the principal speaker at a Second District dinner honoring Congressman Wes Vivian on Nov. 12 in Monroe.

Senator Kennedy notified leaders of the Democratic Party in the Second District late Monday that he would be available for the dinner.

lished by the Michigan Supreme Court in 1949. Their slide rules and adding machines calculate costs, not political gain. We don't care how you vote. We do care about how promptly you pay your water bill.

join in expressing appreciation to The Observer Newspapers for its constant efforts in behalf of

THE GOLDEN HERITAGE of FREE SPEECH

More precious than gold is the heritage of free speech. More powerful than the sophisticated weaponry of today is the power of the pen.

THE READERS SPEAK UP

Parents 'Speak Up' On Bus Issue

Editor: I agree with Mother of Walkers too (Redford Township). Let the children walk a little as it's good for their health.

Safety Is Concern

Editor: I have just read a letter written to you from an "Interested Citizen" and I feel just as compelled as this housewife to answer her letter.

Democrats in Redford Township—I'm speaking here as a citizen of South Redford, as an educator and as a Republican.

I, too, would like to see bussing within the 1 1/2 mile area, if funds were available and not needed for the instructional program.

Afraid of Merger

Editor: I write to you regarding the proposed consolidation of the Police and Fire Departments.

Community-Minded Citizen

Editor: I am highly in favor of a citizen's committee to look into the trouble in our Police Dept.

In Defense of Birchers

Editor: Editorial Oct. 7, Pontiac Press This Bircher wonders who is next?

Irresponsible Action

Editor: Below is an open letter to those members of the executive board of the Democratic Party who purported to speak for all

Observing the Scene...

By MYRA CHANDLER

The mayor didn't sign a proclamation and there is no banner strung across Main Street; nevertheless, it is National Newspaper Week.

Responsible newspapers rededicate themselves to remaining on the alert to protect the public's right to know—in the police station, city hall, court room, and with legislative bodies of both government and school.

Instead, they decided to consolidate the Redfords with the entire rest of Wayne County, not now affiliated with a Community College School District, into a new five-campus district which will be spread out over the entire county.

We agree it is better that the two Redfords be part of this community college district rather than none at all, but there is no denying the disappointment of The Observer Newspapers with the fact it could not be a part of Schoolcraft College.

The decision of the State Board may have been based on facts. But we can only listen to rumors, assume, and presume, because the decision came in a closed, unannounced meeting—something The Observer abhors for a governing body because it DOES lead to misunderstanding and rumors.

On the basis that the public has a right to know; and again, because we feel it our duty to inform, we share here with you what we have heard from many who asked that their names be withheld because they were told "not to tell".

Petition was denied Redfords because eventually Wayne County Community College wishes to swallow up Schoolcraft College, too.

That they were denying the Redfords the petition because they felt the only reason Redfords wanted to be attached to Schoolcraft instead of the county was to avoid any racial integration.

Pressure was brought to bear on the State Board as part of a creeping inner-city plan to ruthlessly scoop up the independent suburban areas.

What is truth and what is rumor? Unfortunately we are not in a position to report this because the fourth estate was not allowed or invited to attend the meeting where the decision was made.

Lauds Giordano Editor: This is a response to the "Interested Citizen" who can't see why Mr. Giordano is so concerned about the transportation problem in South Redford.

Our biggest complaint is not that they have a distance to walk, but the fact that there are hazardous areas to be traveled. We have been turned down in our requests for sidewalks, and for traffic signals at all dangerous crossings.

Why can't city officials in our suburb act now to get modern 5-lane intersections? Why can't city officials realize that Livonia is no longer an obscure little "village" and do something to solve this and numerous other problems?

Devil And John Birch Editor: I've been very disturbed by the rash of ultra-conservative literature being clandestinely delivered to the homes in our neighborhood.

Privileged or Public? Editor: I wish to endorse the action of my school board and superintendent in refusing you access to privileged information.

Idea for Better City Editor: Upon traveling on Livonia's streets and roads, a visitor's initial impression of our city is one of indifference or that of a small uncolorful addition to the greatness of Detroit.

Ed Note: The Observer is not interested in "privileged information," just public information—and by the only method we know, the printed word.

ZERBO'S HEALTH FOODS advertisement featuring Jennie Wallis and nutritional information. Store Hours: Mon., Tues., Wed. & Sat. 9:30-6:00 p.m. Thurs. 9:30-7:00; Fri. 9:30-8:00. Call GARfield 7-3144 for Nutritional Appointments. 34165 PLYMOUTH ROAD, W. OF FARMINGTON ROAD, E. OF WAYNE ROAD.

Les Elgart Headlines Wonderland Celebration

57-Store Center in Sixth Year

One of the nation's best-known dance orchestras will lead off a series of 45-minute stage shows Thursday as Wonderland Center marks its sixth anniversary.

Les Elgart, top recording artist and popular performer at college dances throughout the country, will open the celebration with musical performances at 6:30 and 8:45 p.m. tomorrow.

The shows, called "Motors and Music," are sponsored by the Ford Motor Company and its Livonia dealer, Bill Brown Sales.

Elgart will team up with a pair of professional comedians in the 45-minute shows. Roger Ray, widely-acclaimed musical humorist and comedian Dick Albers will provide laughs. Ray, a comedy smash on television and Broadway, "performs comical miracles" on the xylophone. He has appeared on both the Ed Sullivan and Steve Allen television shows.

Friday night's performances will feature Paul Maceri and his orchestra. Maceri, and his 16-member band, have won high praise for musical performances throughout Michigan.

Saturday, Wonderland will bring back the winners of a combo contest staged at the center in July. Scheduled for appearances are the Deltons, The Shades and The Wanderers. The young musical groups will play at 2, 4 and 8:30 p.m.

Madonna Donors

Mrs. S. Stalmach and Florence Kijek, alumnae of Madonna College, donated \$800 to the institution's building fund last week. The money was raised through various activities, held during the past year.

\$1,000 Shopping Spree Tops Wonderland Prizes

A \$1,000.00 shopping spree tops a list of major prizes to be awarded during the sixth anniversary celebration of Wonderland Center.

The award, which will enable the winner to select a thousand dollars worth of merchandise at most Wonderland stores, will be made October 27 following a drawing to be held at the Detroit Race Course.

Entry blanks for the shopping spree and three other prizes can be obtained free of charge at the Wonderland prize booth, located in the center of the mall, near Winkelman's. Only persons 18 years of age, or older, are eligible.

Entries for the top prize also include a free adult admission ticket to the Detroit Race Course.

A 1966 Color Television set, by Sylvania, will be awarded as second prize. The set, a magnificent console model, will be given away through the courtesy of Good Housekeeping Shops and Sylvania.

A color TV exhibit opened at the center last Wednesday. Entry blanks for the set can be obtained at the exhibit or at the Wonderland prize booth.

As its part of the 10-day anniversary event, Montgomery Ward will award a Riverside Motor Bike. Italian made, the bike is valued at \$200.

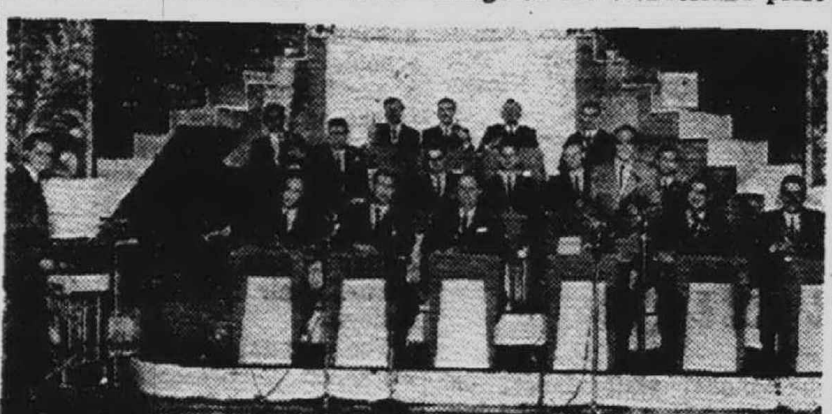

Women shoppers haven't been overlooked. The fourth prize, contributed by Federal Department Stores, is a lovely mink stole.

Separate entries, all available at the prize booth, are required for each prize. Persons under 18 are not eligible for any of the drawings.

Ernie Epps, promotional director for the 57-store shopping center, stressed that the entry blanks are free and that no purchase is necessary.

Drawings will be held October 21, 22, 23 and 27.

Paul Maceri and his orchestra, one of Michigan's most popular dance bands, performs Friday at Wonderland Center.

PAUL MACERI and his orchestra, one of Michigan's most popular dance bands, performs Friday at Wonderland Center.

22 Try Out for Thurston High's Debate Squad This Fall

Twenty-two Thurston students will soon begin practice debates after which debate coach Eugene Duston will select his 12 member inter-scholastic squad. The Eagle speakers will again compete in three leagues—with 48 debates against 14 schools.

The national high school debate topic is: "Resolved: That the federal government should establish a program of compulsory arbitration in labor-management disputes in basic industries."

Four of Thurston's Debate prospects spent part of the summer at college-sponsored debate workshops.

Heading the list of returning debaters are seniors Linda Goodwin and Cheryl Gray from last year's varsity. J. V. returnees are Mark Gualdoni, Pat Wood and Maxine Burger.

ROGER RAY

As its part of the 10-day anniversary event, Montgomery Ward will award a Riverside Motor Bike. Italian made, the bike is valued at \$200.

The appointment of Rodney C. Shroyer, of 36806 Dowling, Livonia, as instructor in the University of Detroit School of Dentistry, was recently announced by the Rev. Malcolm Carron, S. J., vice-president for academic affairs at U. of D.

A sunny disposition attracts friends—and they're valuable.

Published by Science Research Associates, the nation's largest commercial publisher of standardized tests, the NEDT battery was constructed under the direction of E. F. Lindquist, author of the widely used Iowa Tests of Educational Development. It has been administered to more than two million students throughout the country since it was introduced in 1959.

This year, the NEDT program administered in Plymouth will also include an inventory of student educational aspirations and plans which, when used with the scores obtained on other parts of the test series, will enable advisers and guidance counselors to immediately identify potential dropouts and other students who need special counseling.

District officers, headed by President Bernice Wilson, participated in the annual inspection of Mayflower Post 6695, VFW Auxiliary. Other members of the inspection party included: Chaplain and Cancer committee chairman Mrs. Julia Swarhout and District Color Bearer Mrs. Betty England, who also is a member of Mayflower Post Auxiliary.

A welcome is extended to transfer member, Carol Lee Small. The auxiliary sends get well wishes to Lou Loiacone. This is membership month during which all members are requested to send in dues. As of the last meeting, there were 46 paid up members for 1965-66. Auxiliary members are urged to get behind President Mrs. Bill Cadaret and make the unit a 100 per cent paid up by the end of the year.

At the moment, Plymouth is second in membership in the "Fighting Fourth" with Wayne in first.

'Motors & Music' Set for October 14, 15, 16

The Ford Motor company will occupy the spotlight as Wonderland Center marks its sixth anniversary.

Ford, and its Livonia dealer—Bill Brown Sales, will join the giant 57-store shopping center in one of the most lavish birthday parties ever staged in the suburban area, beginning tomorrow.

Ford, which sponsors the center's "Motors and Music" stage shows, will display its complete line for 1966 on the Wonderland mall. All of the company's new models, along with several "experimental cars" will be exhibited through October 23.

Headlining the shows will be the Les Elgart Orchestra and widely-known comedy acts.

Livonia PPK Contest Listed On Saturday

Young gridiron hopefuls Saturday will get an opportunity to compete in the Ford Motor Company's fifth annual Pass, Punt and Kick contest.

The competition, sponsored by Ford and Bill Brown Sales, will take place at Wonderland Center, near the maintenance building.

Under the supervision of the Livonia Department of Parks and Recreation, the youngsters will try their football skills beginning at 11 a.m.

The DRC Story

SOME OF THE BEST FILMS

YOU CAN SEE ARE OUT AT DRC

The Scientific Touch.

Thoroughbred racing, more than any other sport, has utilized the advances of Science to refine its techniques and modernize its operation. Every idea adopted has been designed to improve the attraction, increase the Fans' pleasure and build greater public confidence.

I have been connected closely with racing from boyhood, and have watched these developments with keen interest. Past and present, they vitally concern our daily operations at the Detroit Race Course.

In my years in racing, I have seen the old web barrier, with the walk-up start (which still is used in Europe), replaced by the highly efficient Starting Gate. I have watched the introduction of the Film Patrol, the Saliva Test, Lip Tattoos for the identification of horses, and the Photo Finish Camera.

Each advance has been of tremendous importance. I think the Photo Finish Camera, however, is the step of greatest interest to the average racing fan. He is aware of its use and its importance every time he visits the DRC or any other major track.

The Photo Finish Camera eliminates the chance of human error in determining the outcome of a race. Its speed is amazing, its accuracy unchallenged.

Within ELEVEN SECONDS after the horses have crossed the Finish Line, the Placing Judges have flashed on a screen a picture which shows the first five finishers in the race.

The Jones Precision Photo Finish cameras handle this key assignment at the Detroit Race Course.

Jones was one of the two pioneers in this unique field. In the 1930's, James J. Jones

was the Track Electrician at Hialeah. In his early experiments with his Photo Finish Camera, Jones received encouragement and assistance from Marshall Cassidy, an outstanding starter and racing official.

Comparable experiments in the same period were made on the Pacific Coast by Glenn Laird, now President of Confirmation Photos, Inc., whose services are used by many tracks, and an associate, Glen Wilson.

Laird and Wilson developed the idea of photographing the finishes of horse races from an assignment during the 1932 Olympic Games at Los Angeles. Movies they made of the finishes of all Olympic track events planted the idea of doing it for thoroughbred racing.

Photo finishes were first introduced at thoroughbred tracks in 1935. Their value was recognized immediately and the acceptance was quick by major tracks.

At the DRC, two Jones Precision Cameras are used on each race. In addition to photographing the actual finish, the cameras also "catch" the horses on a Mirror Image, a feature which is an infallible double check.

The Photo Finish is one of the many "extras" designed to increase your Racing Pleasure at the DRC. We have a new Clubhouse, which is one of the Show Places of the Sports World. There are two excellent dining terrace restaurants, beef buffets and snack bars. We have close-in parking for 12,000 cars.

We will race daily through November 6. I invite you to visit us soon.

BENTLEY BULLETINS:

American Field Service Students Get Together

By SUE DOWELL

Taking tests without studying is not practical. But on Oct. 7 and 8, Bentley students took ability tests that required their memory of learning through the years. No studying was necessary this time. The tests were held during second, third and fourth hours in homeroom.

The American Field Service applicants have turned in their forms and reasons for wanting to travel abroad. On Oct. 9, all students were present at an informal gathering. This get-together was the first of many events which will lead up to the very final choosing of students to represent Bentley in New York.

The fun began at 5:30 and lasted until about 7:30. Students present at the get-together were Barb Morrison, Carol Pollock, David Rockwell, Margaret McCullough, Karen Oss, Bev Bettaso, Janice Appelblatt, Rich Hobbs, Sue Hohnfeldt, Marsha Janop, Pai-Ping Yee.

The party was held at the home of Mrs. Robert Jones, who is the president of AFS. Junior Achievement is a youth organization that benefits all its members. It teaches those who are interested in learning the art of being in business.

Concert Choir members proved to be well deserving of their positions on the choir. They did so by performing magnificently at the Vocal Variety Show. The good old days were brought back when many of the students presented the Mickey Mouse Club.

Jack Nickels was there to do a squeaky portrayal of Mickey Mouse. Terry Niles sang of her "Favorite Things." Leigh Manning and Terry Richter entertained with folk songs. Glenda Knight, Chris Densmore, and Kathy Walker were three of the hillbillies on hand to make the evening start out lively.

Tom Zampelas and his star helpers gave a demonstration

of a student trying desperately to complete his homework. No show is complete without a barbershop quartet. The Concert Choir's consisted of Jerry Young, Jane Johnson, Jo Anne Busby, and Jim DeKiere. The well-known "Telephone Hour" song from the musical, Bye, Bye, Birdie, was acted out by Judy Schoenburg, Bruce Porter, Linda Childs, Peggy Core, Sue Eggers, Larry Haggart, Tim Bobrowski, and Mike McCauley.

Ladywood Students Tested

By MARGO MURPHY

All Ladywood girls were given the California Mental Maturity Test on Oct. 6.

The Press Club is sponsoring a paper drive which will financially benefit the club. The girls who bring in newspapers will get votes according to how many pounds they bring in and will use these votes to determine the queen of the Paper Ball to be held at Christmas time.

Forty members of Ladywood's Press Club attended the Detroit Student Press Association Convention on Oct. 9, at U. of D.

The theme of the meeting was "High School Journalists and the Mood of American Teens." Such speakers as the Honorable Mayor Jerome Cavanagh, Police Commissioner Ray Girardin, and radio personality Bud Guest were guest speakers at this meeting.

The girls at Ladywood are taking an area-wide survey of the facilities and community resources available to the public in each of the cities and townships that the school serves.

Ladywood girls are now participating in a magazine drive. They are selling "good" magazines by which they are promoting decent reading. All types of prizes will be given out in reward for selling the magazines. The drive will last until Oct. 22.

'Carousel' Trip Set at THS

By Lynn Barnett

Thurston's homecoming parade, which starts at noon on Saturday, Oct. 16, will begin at the west end of the E. J. Korvette parking lot. It will be the longest Thurston has ever had.

It will move down West Chicago to Beech, and over Beech to Glendale. The football game will start at 2 p.m.

The theme for the homecoming dance will be "Golden Autumn," starting at 8 and ending at 11 p.m. Tickets are \$1.50 a couple.

Officers were elected for the American Field Service and the Ski Club. Vivian Follick was elected president; Pam Lennox, vice president; Gayle Taylor, secretary; Bob Crawford, treasurer, and Kathy Kittmann, historian.

Diane Carnes became president of the ski club, Jan Claus, vice president; Mary Jane Jerlecki, secretary; and Kris Thompson, treasurer.

The 1966 "Vita" yearbook subscriptions have been on sale during the lunch hour. They cost \$1.50 now and \$3 when the yearbooks come in at the end of the year. This year's "Vita" has an additional eight pages at no cost.

Any Thurston student wanting to see "Carousel" Oct. 26, at the Fisher Theater, can contact Mrs. Shadrock or Mrs. Harrington. Reduced rate tickets for the Theater Goers Club are \$2.10.

These clubs have started to function at Thurston: Swim, Industrialized Arts, Pep, German, French, Spanish, Thespian, Girls' Athletic Association, American Field Service, Chess, and Ski.

The Travel Club of '66 sponsored a bake sale on Tuesday, October 5, during the lunch hour.

'Keen Teen' Nights Set at Riley

Six recreational evenings for teenagers will be sponsored between now and Christmas under the Keen Teen program of Riley Junior High School, Henry Ruff and Five Mile Rd., in Livonia.

Activities will include dancing, ping pong, basketball, box hockey, volley ball, table games, records and other entertainment. Attendance is limited to Riley students of particular grade levels.

Two teachers, a custodian, parents and Student Council or Honor Society members are assigned to help at each evening's activity.

Parents who wish to assist may contact Phillip Rathbun or Richard DeVries at GA 2-3070. Parent chairmen are Mrs. Alfred Majewski, Mrs. George Nutting and Mrs. Russell Wagstaff.

Seventh grade students will have Keen Teen activities scheduled from 7 to 9:30 p.m. on Nov. 12 and Dec. 10. Eighth graders are scheduled Nov. 19 from 7 to 9:30 p.m. and ninth graders are scheduled Oct. 22 and Dec. 3 from 7 to 9:30 p.m. An all-school activity for Christmas is scheduled Dec. 17.

O.C.C. Trustee To Speak Here

Attorney Vernon M. Fitch, trustee and treasurer of the new Oakland Community College is speaking Thursday evening, October 14 at 8:30 p.m. on the subject "OCC—A Giant at Birth" before the Briar Hill Property Owners Association.

Fitch intends to elaborate on the plans for the Orchard Ridge Campus near Farmington. The meeting will be held in the Orchard Methodist Church.

Hot Meals for Thousands of Kids —Suburbia Marks School Lunch Week

Suburban schools are currently celebrating national school lunch week as proclaimed by President Lyndon Johnson and Governor George Romney.

Mrs. Ella Plichta, in charge of school foods in Farmington, revealed that the number of meals served per week had risen to 24,000.

"Parents are growing more and more interested in the food their children get," Mrs. Plichta said. "They understand its value in a child's growth and development."

In Redford Union some 15,500 youngsters enjoy the two basic lunches served each week.

Mrs. Clara Sweet, Redford Union dietician, expressed satisfaction with the basic foods available through the surplus food program.

In Livonia, dietician Geraldine Tobin disclosed that consumption of Type A school lunches had climbed to a record high of 42,500 servings per week.

"Livonia kitchens are in fact a food laboratory where one-third of the child's nutritional requirements are prepared," Mrs. Tobin said. "But what is almost as important, the school lunchrooms try to develop good food habits and the social graces."

Eating with others in a supervised group encourages students to try foods that are new and unfamiliar to them, Mrs. Tobin believes.

Minimum food requirements are determined by the United States Department of Agriculture. These are known as a Type A lunch and must include the following: 1/2 pint whole milk, 2 ounces serving of protein, 3/4 cup vegetable and/or fruit, 2 teaspoons butter, and 1 slice enriched bread.

In Michigan more than two thousand public schools are participating in the federally reimbursed food program.

Acting State Superintendent of Public Instruction Alexander J. Kloster noted that the program's continuing growth and increasing popularity in the State by citing compar-

ative figures for the past two years which show an 11.4 percent increase in the number of lunches served. The national average increase was 6.7 percent. "Over 7.6 million more lunches were served last year to Michigan public school youth than in the previous year," Kloster pointed out, comparing 74,353, 856 lunches served in 1964-65 with the 68,727,056 served in 1963-64.

Commenting on the contribution of the programs to the State's economy, Kloster emphasized that nearly 80 percent of the foods used are purchased locally from Michigan farmers, dairymen, and food industries.

Established by a national act in 1946, the lunch program has grown in Michigan from 1,197 public schools participating in that year to an estimated 2,300 public and nonpublic schools participating this year. "These schools will be serving around 550,000 lunches each day," the State Superintendent added.

"Actual American origin of the school lunch program dates back over 100 years when a few schools served to poverty-stricken children. Between 1905 and 1915, a number of large cities, in addition to the pioneer New York and rural regions in Minnesota, introduced "penny" lunch programs," Kloster said.

Homecoming Nears at Plymouth High

By Margaret Rudloff

As the Homecoming festivities draw closer, busy preparations are getting underway. Not only are clever floats taking shape but nervous representatives grow excited.

The student nominations for senior representative are: Donna Cook, Sue Hulce, Pam McAllister and Katie Wall. The Junior representative will be Jane Emerson and the Sophomore representative is Linda Arnold.

The student body will choose the queen Friday. The queen and her court will reign over the Homecoming Dance on Saturday.

ALL STUDENTS interested in attending college take note. College Night will be held at Clarenceville High School, 20155 Middlebelt, on Oct. 21, at 7:30 p.m. Representatives from 50 universities and colleges will be there to answer your questions.

Those students interested in purchasing the 1966 Plythean can place your order in Mr. Sands room (204), with any annual staff member or at

the annual staff dance, on Oct. 22, 8-11 p.m. Purchasing price for the yearbook is \$4.

Tomorrow, "Avia Da Capo" the one act play by Edna St. Vincent Millay will be given in the annex auditorium at 1:45 and 3:15.

The cast under the direction of Senior Mary Arnold includes, Chuck Kellman as Pierrot, Chris Sherry as Thysis, Sue Foote as Corydon, Karen Souder as Columbine and Linda Newport as Columbine. The price is only a dime. Seniors who have been waiting for the new University of Michigan applications, your wait is over. The applications are now in the Guidance Office.

Half-Year License Plates Are Available

LANSING — Motorists may now purchase Michigan license plates for half price. The split in price began September 1. It does not apply to watercraft plates, half-year commercial plates, and half-year trailer plates.

Honor FHS Pupils

By Marge Hildebrandt

Scholastic activities at Farmington Senior High resume importance as Homecoming preparations near conclusion. Three FHS seniors have placed semifinalists in the National Merit Scholarship Qualifying Test. Sharryl Dorow, Susan Innes, and Kathleen Schacht must take a second examination and obtain recommendation from the high school in order to become finalists.

Susan Bliss, Randall Gale, Marge Hildebrandt, Dennis Moore, and Paula Norman have received letters of commendation for their performances on the nation-wide test.

Students are not limiting their academic pursuits to high school. Kurt Dembeck and Sharryl Dorow are attending a freshman calculus college class at Oakland University. The members of the class composed of 10 high school students from the Detroit area, are taking the course to gain four credit hours toward their freshman year of college.

The annual student council workshop is presently in the planning stage. The weekend of Nov. 26 is the tentative date for the clinic which is designed to give student council representatives tips on student government and methods for im-

proving communications and understanding between the council and the student body. The workshop will be held at the American Youth Hostel in Milford.

Connie Aldrich, a senior, and Sophomore Gary Lake are coordinating the plans for the weekend with the help of other student council members.

Early Movies Begin Oct. 17

The Roger Wagner Chorale and chamber orchestra will open the 10th annual Mercy College of Detroit Artists Series Sunday, Oct. 24 at 8 p.m. in McAuley Auditorium.

The program will range from great religious music of the past through secular choral music, to folk songs, spirituals and contemporary music.

Tickets are available at Mercy, Kenwood 1-7820.

Other attractions in the series include Erroll Garner, pianist-composer, Nov. 21; Juan Serrano, flamenco guitarist, Feb. 20; singers and dancers from Ireland, March 13; Shirley Verrett, mezzo-soprano, April 24; and the college musical, "She Loves Me," May 8.

Auctions, Art Show On Tap

Livonia Mall Readies 1st Birthday Celebration

A three-day party, Thursday, Friday and Saturday, October 14 through 16, will mark the first birthday of the Livonia Mall Shopping Center.

The enclosed Mall, located at Middlebelt and Seven Mile Road, will offer three days of exciting activities to commemorate its first anniversary.

More than 100 items, including a diamond ring; mink jacket; men's, women's and children's wear; toys and electrical appliances will be on the auction block.

More than 1,500 pieces of birthday cake will be given away, each piece bearing a coin ranging in value from a penny to a half dollar; and one of the largest art shows ever assembled in the Detroit area outside of the Art Institute—2,000 works of art—will be on display at the shopping center.

"We're stressing value, fun and excitement," says Marion Young, Kresge store manager and president of the Livonia Mall Merchants Association. "The same elements that go into making up Livonia Mall's attraction to the tens of thousands of men and women who made our first year of operation so successful."

The Auction will take place in a series of one-hour sessions held each of the three days of the birthday celebration, beginning on Thursday, Oct. 14.

Noted industrial auctioneer Charles Kinsey will do the honors. He'll conduct the sales each of the three days at 10 a.m., 2:30 p.m. and 6:30 p.m.

Kinsey will conduct each session from one of two locations in the indoor mall: near the Crowley store, or near Packer Food market.

"It's a full-scale auction," says Kinsey, "with cash on the barrel head and immediate delivery on the spot of the merchandise. I've auctioned heavy manufacturing equipment, tobacco and cattle. This is the first time I've ever conducted a sale at a shopping center, though."

Birthday cakes will be set up at various points in Livonia Mall, with servings made on a first-come, first-served basis. Each piece of cake will contain a coin, ranging up to 50 cents in value.

More than 100 artists from the Livonia area and throughout metropolitan Detroit, are contributing works to the Birthday Art Show which will be on exhibit for all three days of the anniversary celebration.

The vast majority of the paintings will be the work of

amateurs, and they will be available for purchase at prices ranging from \$1 to \$10.

When opened in October of 1964, Livonia Mall was one of the largest indoor, climate-controlled shopping centers in the nation. It still is one of the largest of its kind, offering nearly 1,000,000 square feet of merchandising and mall area under one roof.

The 40 stores and services in the Mall include Sears and Crowleys along with many other familiar local and national retailing names.

Parking for more than 4,500 cars is available and the center is open six days a week at 9:30 a.m. until 5:30 on Tuesdays and Wednesdays, 'til 9 p.m. Mondays, Thursdays, Fridays and Saturdays.

A BIRTHDAY CAKE comes out of the oven at Sanders' Livonia Mall store just in time to mark the shopping center's first birthday. Helping it along are Robert Poris, the Mall's general manager, and Mrs. Connie Morgan, Sanders' store manager. There'll be enough cake for 1500 persons next Thursday, Friday and Saturday and the first 500 people each day will find a coin, from a penny to a silver dollar, in their cake.

Evans Acquires New Plant in Illinois

The acquisition by Evans Products Company of Portland, Ore., of the stock of United States Railway Equipment Company, Chicago-based railcar manufacturing and leasing company, for cash, was announced by Monford A. Orloff, Chairman of Evans, and Benjamin G. Kaplan, Chairman of U. S.

Sheldon Kaplan and Edward J. England, executive vice presidents of United States Railway Equipment Company, will continue to manage its operations, as a part of Evans' Transportation Equipment Division, reporting directly to James J. Conway, Vice President and General Manager, of the division with headquarters in Plymouth.

U. S. Railway Equipment Company has executive and sales offices in Chicago and a car-building plant at Blue Island, Ill., a Chicago suburb. In addition to its railcar leasing business, it also manufactures, rebuilds and repairs all types of railcars and equipment. The Company presently has over 8,000 freight cars on lease to railroads and shippers through the country.

The Blue Island manufacturing plant is presently being expanded to an annual capacity of 1,200 new or 2,600 rebuilt cars.

This expanded capacity, together with Evans' expanded

car-building facility at Plymouth, will give Evans total car-building capacity in excess of 3,000 new freight cars annually. The combined order backlog for new freight cars of the two companies is approximately \$24 million.

Long the leader in the development and sale of railway equipment for the prevention of damage to lading and car structures, Evans has been a railway supplier since 1915 and a car builder since last fall.

Expansion of its car-building activities and entry into car-leasing through the acquisition of U. S. Railway Equipment Company follow an extensive study by Evans indicating the long-term growth of freight traffic and railcar usage by American railways.

Seven PHS Seniors Are Honored

Seven students at Plymouth High School have been honored with Letters of Commendation for their high performance on the National Merit Scholarship Qualifying Test given last spring.

They are among 38,000 students across the nation recognized for scoring in the top two percent of students who will complete high school in 1966. The Commended students rank just below the 14,000 Semifinalists announced last month.

Principal Carvel Bentley, has announced that the Commended students are: Mary Arnold, John Dean, Christopher Ellinger, Richard Jones, James Nelson, Virginia Smith and Tom Webber.

John M. Stalnaker, president of the National Merit Scholarship Corporation said: "These students are being recognized for their outstanding performance on the qualifying test. Theirs is a notable academic achievement."

Only the highest-scoring students in each state, the semifinalists, remain eligible for further consideration in the competition for Merit Scholarships.

Although students receiving Letters of Commendation advance no farther in the Merit Program, their names are reported to other scholarship-granting agencies and to the colleges they named at the time they took the NMSQT as their first and second choices.

NMSC also reports home addresses, test scores, anticipated college majors and career intentions of the Commended students to the same colleges.

PRESENTING

A truly fine selection of top quality, name brand appliances, TVs and stereos. Each item a real standout in its class... besides our lowest prices ever, remember Berry's famous "service after the sale" policy.

Mayflower Post Unit Wins Honors

After almost a year's absence from competition, the newly reorganized color guard from Mayflower Post 6695, Veterans of Foreign Wars, again proved that it still has the style of champions.

At the annual torchlight parade in London, Ontario, recently, the color guard won two coveted awards.

They were: City of London Shield for "Best American Marching Group" and Strathcraft Shield for "Best American Color Guard" (open class). This is the second year that this group has won both of these awards.

According to Hal Young, sergeant of the group, the color guard expects to enter the State and National VFW competition next season.

Bentley Eying Trenton Game

Jot down the night of Friday, Oct. 22.

Between 8 and 10 o'clock that evening, the Suburban Six League football title for 1965 should be decided.

That's the night Livonia Bentley and Trenton will knock heads against one another.

Each stands with a 2-0 record in the league today and with an overall 4-0 mark.

While Bentley hosts Belleville this Friday, Trenton visits the lair of Plymouth.

Bentley roared along last Friday evening by knocking over Plymouth, 32-0, which is yet to win in four starts. The Rocks have lost three and tied one.

The Livonians stuck pretty much to the ground in ripping apart Plymouth. This was reflected in the final statistics, which showed that Bentley tallied 230 yards on offense . . . with all but 14 coming on the ground.

"It was wet and raining, so we decided to stick to the ground," Bentley coach Larry Joiner said. "Besides our running attack was going great, so we saw no reason to alter our tactics."

Bill Woods continued his pile-driving tactics for Bentley. He scored twice and clicked off 105 yards by himself.

"The kid really is doing great," said Joiner.

Bentley scored twice in the first period, moving 66 yards in four plays. Bob Elsner started the assault with a five-yarder. Then Jim Matevia went 25 and 2 before Woods cut loose on a 34-yard scoring gallop.

A 65-yard march brought Bentley its second touchdown in the period. After Elsner reeled off 25 yards, Matevia slipped through the Plymouth 16 and went over.

The third touchdown was scored by Elsner on a three-yard buck to cap a 52-yard surge.

When Bentley recovered a Plymouth fumble on the Rock's 20 in the third period, it required the Livonians only four plays to count again. Woods covered the final four yards on a drive off tackle.

An intercepted pass by Brian Lucas, followed by a 40-yard run, ended the scoring for Bentley in the fourth period. Greg Coleman added the point.

Plymouth picked up 163 yards . . . 70 via the passing of Jim Arnold . . . but yet wasn't able to get closer than the Bentley 20.

The play of tackles Frank Miller and Chip Schoen and linebacker Lucas and end Ken Bowman highlighted the work of the Bentley defense throughout the game.

Rolls 180 TriPLICATE

Archie Golden, who bowls with the Redford Township Post 271 team in the American Legion League at Merri-Bowl Lanes, recorded an unusual 180 triuplicate in last week's matches. Archie carries a 163 average.

Thurston Rocks Groves, Thanks to Fine Defense

Thurston High School's football team is back on the beam.

A 13-0 win over Birmingham Groves in Saturday's drizzle helped to bolster the spirits of Coach Bill McDonald and his forces who now have a 3-1 record, along with a 1-1 standing in the Northwest Suburban League.

A lightning-like touchdown helped to get Thurston off on the right side against Groves. Following the opening kickoff, Thurston kept Groves deep in its own territory.

When Groves had to punt, Thurston got the ball around the Groves' 44. Three running plays netted nine and then Barry Simescu dropped back and shot a fine 35-yard, scoring pass to Bill Miller.

This heave proved more than enough for the Thurston team, but just to make sure, Thurston counted again in the fourth quarter on another startling play. Miller scooted 45 yards on an end-around play before being dragged down on the Groves five. On the next play Paul Santangelo hopped around left end for the touchdown and Dan Harris came through with the conversion.

It took two great goal-line stands to bring Thurston's defense a shutout. In the third period, Thurston

got into trouble by fumbling away the ball on its own six. Three Groves' cracks netted a couple yards before Andy Jania covered a Groves' fumble on the Thurston four.

Just before the game ended, Groves again was knocking on pay dirt, but couldn't get the necessary half-yard to ring up the scoreboard.

Defensively, David Ostrowski and Harris were the big giants for the winners with 10 and nine tackles, respectively. Tim McEwen also played a stellar game on defense for Thurston.

The statistics were all in Thurston's favor.

In the rushing department, Thurston garnered 173 yards to 60 for Groves. In passing Thurston tried four, made two for 44 yards. Groves hit on five of 14 attempts for just 23 yards.

Added together, Thurston had 217 yards to a scanty 83 for Groves.

"Credit the defense for winning this one," said Thurston's happy coach at the end.

BREAKING LOOSE for a sizeable gain is Halfback Don Geha, of N. Farmington, as he eludes an unidentified John Glenn High tackler. The Raiders maintained their undefeated streak with a 17-6 victory.

North Farmington Rolls By Checking Glenn

The North Farmington high school football express has de-railed the Wayne John Glenn grid machine.

It all happened last Friday afternoon by a 17-0 score in a battle of unbeaten-untied at North Farmington.

The net result: 1—North Farmington stands 4-0 for the season and 2-0 in Northwest Suburban League action.

2—Glenn after winning its first three now has a 3-1 overall mark and has dropped back to 1-1 in the league.

The game was staged virtually all on the ground. Of the 261 yards gained by North Farmington, all but 21 came on runs. Glenn negotiated all of its 187 yards via runs.

Glenn took an early lead when Drury slid away on a 65-yard run to the North Farmington two in the second quarter. Quarterback Holland then slipped through for the remaining yardage.

A poor kick helped North Farmington to get on the scoreboard midway through the second period. The Raiders earned a first down on the Glenn nine and then with four and three to go, Bill Oldershaw swept in for what appeared a touchdown.

But an offside penalty nullified the TD and then Bengt Hanson, the exchange student from Sweden dropped back and booted a field goal from the 15-yard line. The ball actually sailed 25 yards.

Glenn suffered a tough break, just before halftime. A Glenn run broke into the clear, but ran into an official and fell down. Otherwise, he might have gone the distance.

Came the second half, and the North Farmington ground attack went to work in earnest.

Starting on its own 35, North Farmington barged away through and around the Glenn line as Larry August, Bruce Whetter, Oldershaw and Greg Wycinski all took turns handling the pigskin.

Finally, after North Farmington got to the Glenn 22, August cut over tackle and scooted into

the end zone. Hanson made the conversion to lift North Farmington in front, 10-6.

With Tom Ware and Whetter producing the big yardage, North Farmington moved to the Glenn one with about two minutes left in the game. Then Oldershaw took the ball himself and pushed across.

Hanson again converted to make the final score 17-6, but not until Glenn scooted to the North Farmington one-yard with a few seconds left in the game.

A 15-yard penalty and 12-yard run by Wood aided Glenn in its closing burst.

August with 66 yards in eight carries led North Farmington. Wycinski made 51 in 13 tries and Ware 48 in 11. The game's big workhorse, running wise, was Glenn's Drury, he chalked up 135 yards in 12 attempts.

North Farmington invades Birmingham Groves Friday night while Glenn plays at Thurston Saturday afternoon.

AT EAST HIGH

Goal Line Stand Wins for East

The wheels of fortune have finally turned in favor of Garden City East's high school football team.

After three straight losses, East took a 14-13 thriller from Lutheran West in the rain and the mud last Friday night.

What made coach Bill Wilson of East happiest was the defensive stand his charges turned loose in the closing minutes of action.

Here was East clinging to a one-point lead.

But determined Lutheran West cut loose with a drive that netted a first down on the East five-yard line.

On the next play, Lutheran carried to the East one. Three plays later and one-yard to go! It looked like a cinch for Lutheran.

The East defenders from Garden City had different ideas. With Ends Mark Schlakis and Mike Anticoer and Linebackers Marvin Martin and Dennis DeBurton leading the way, Lutheran was pushed back to the four on the second attempt.

Two more plays brought Lutheran just one-yard total. Garden City East had arisen to make the kill and the fans went wild.

"It sure was a tremendous effort by our boys," said Wilson. "This proved to me what I had been saying. These boys have the heart and the desire, even if they don't have the experience—yet."

Martin, who played every second of the battle, emerged as the offense hero for Garden City East. He scored both of the touchdowns and both the extra points.

This is the way the scoring went: 1—Lutheran West jumped ahead on a 60-yard TD run by Norm Wildauer. The try for conversion missed.

2—Three minutes later, Martin broke loose and went 51 yards to knot the score. Then he ran the point and East took a 7-6 command.

3—A 40-yard pass put Lutheran West back on top, this time by a 13-7 score in the second period.

4—Garden City East again quickly retaliated. A 40-yard bomb from Dennis Devlin to Mike Sparkman started the East team on its way. Then Martin hit the line and was off to the roses on a 20-yard run. With the score tied, he made the point and that's the way the game finished: Garden City East 14, Lutheran West 13.

ONE OF HOCKEY'S all-time top stars, Ted Lindsay, was honored with the running of the Ted Lindsay Purse at the Detroit Race Course. He is shown with Jockey Eric Husted, who rode Jr.'s Fine Lady to victory. Lindsay came out of a four-year retirement last season to help the Detroit Red Wings win the National Hockey League championship.

DRC to Sponsor \$1,000 Spree at Wonderland

Detroit Race Course fans will have an opportunity to go on a big "Shopping Spree" and in this case, it will not be Daily Double or Twin Double tickets they will be buying.

As part of the sixth Birthday Celebration of Wonderland Center, the DRC is sponsoring a \$1,000 Shopping Spree.

Coupons for the Shopping Spree will be distributed at Wonderland Center during the Birthday Celebration starting today and continuing through Wednesday, October 27.

On the latter day, The Wonderland Center Purse will be raced at the DRC and the big shopping prize awarded.

This is the second year the DRC has joined with the merchants in the big shopping center at Middlebelt and Plymouth Roads.

"We are happy to join again in congratulating the merchants of Wonderland Center on their sixth anniversary and in cooperating with them in this prize award," Dale Shaffer, DRC President said. "During our 16 years in Livonia we always have tried to play an active role in community affairs and to work closely with all business groups."

The \$1,000 Shopping Spree was won in 1964 by Mrs. William F. Strautz, 861 Williams Street, Plymouth. Mrs. Strautz is the mother of six children and found the prize an ideal solution to her Christmas shopping problems.

In addition to sponsoring the Shopping Spree, the Detroit Race Course will have an exhibit at Wonderland for several days during the anniversary celebration.

With three weeks of the racing season to go, there remain 10 major stakes to be contested.

Two of them are scheduled for the coming week.

The \$10,000 added Hat Trick Handicap, for three-year-olds and up, will be raced at a mile and a quarter on Saturday. Next Wednesday, the \$5,000 Fall Special, for three- and four-year-olds, will be contested over the same route.

Although he currently is sitting out a five-day suspension, Apprentice James P. Bowlds continues to lead the DRC jockeys. Dewey Smith who handles the stable of Detroit's T. A. Grissom is the top trainer and the veteran Marion H. Van Berg leads the owners.

A 'Real' Homecoming For Franklin Gridders

It'll be a real homecoming for Franklin High School's football team this Saturday afternoon.

Not only will the Franklin gridders be saluting the graduates, but the south-side Livonians also will be performing on their own field for the first time.

Until now, Franklin has been playing its football at "uptown" Bentley. But, now the Franklin stadium, adjacent to the school, is ready for combat, although for the present there'll be no lights.

Franklin will trot onto the field Saturday with a record of three wins and a loss in four starts. The team fashioned its first Northwest League win last Friday in winning a battle of the rain and mud at Oak Park, 20-12.

Actually, the score doesn't tell the story of the game.

Franklin built up a 20-0 lead in the first half. Thereafter, Coach Bob Bentley gave his subs a chance to play and Oak Park managed to pick up a couple of quick touchdowns.

A break helped Franklin get going in the scoring department. A bad pass by the Oak Park center on a kicking formation gave Franklin the ball on the Parkers' 35.

Gary Junk promptly broke away for 35 yards and Franklin led by a 6-0 score.

Franklin upped its lead to 13-0 in the second period when Gary Rogalski drove across from the 2 to cap a 40 yard

march. The conversion clicked when Gary Birkett flipped a pass to Junk in the end zone.

Larry Naifeh closed the scoring as far as Franklin was concerned by scooting 44 yards late in the second quarter. The conversion by Rogalski made it 20-0.

It was then that Coach Bentley decided to give some of his subs a chance to show what they could do.

John Vayrek scored both the Oak Park touchdowns. He went around end for 32 yards in the third period and went in from a yard out shortly afterward when Oak Park covered a Franklin fumble

on the latter's 30.

Franklin coach Bentley was satisfied with his team's showing.

"Considering the weather our kids did a very good job. They hit hard," said Bentley.

The improved play of ends Keith Eiler and Greg Leist has impressed Bentley along with the showing of another newcomer, tackle Roland Vandenberg.

Franklin's hopes to repeat as Northwest League champs still hinge on somebody lending the Livonians some help. They already have had their chance at front-running North Farmington—and lost.

PTA 'Father-Son' Night To Feature Sports Films

Two sports films will be shown at Cloverdale School on Friday, Oct. 15 at 7:30 p.m. "NFL Highlights of 1964" is the title of the first film. Following this, cider and donuts will be served. Then the film "Tom Harmon Presents" will be shown. This covers highlights of many sports including basketball, football, baseball, golf, tennis, the Olympics etc., of 1963.

The entire evening will be devoted to fathers and sons. It is being sponsored by the Cloverdale PTA.

James A. Lanigan, father

vice-president, is in charge of the program. Fathers will be charged a fee of fifty cents. Sons will be admitted free.

Boys must be accompanied by a father.

Cloverdale PTA will hold its annual Open House on Oct. 25.

Franklin Clips Glenn Harriers

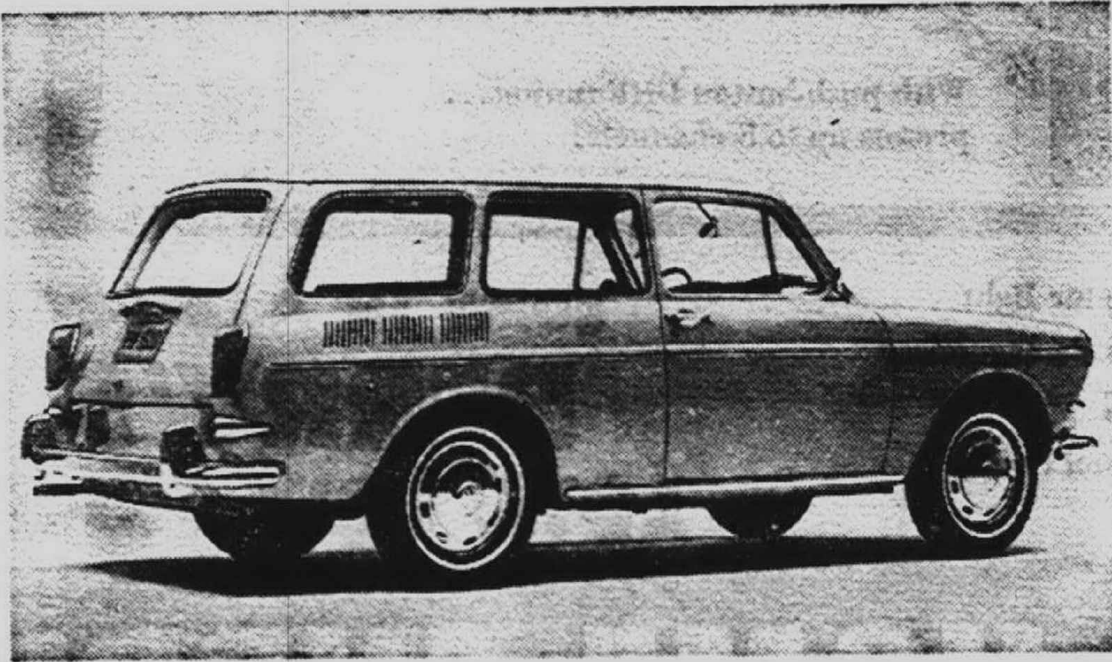

With Rick Hansen leading the way, Franklin high's cross country team beat John Glenn, 18-42. Bill Manion ran second and Craig Roberts third for the victorious Livonians.

OBSERVING SPORTS

By George Maskin

Talk about your amazing athletes, the name of Gordie Howe of the Red Wings must go to the top of the list.

Gordie is about to launch his 20th consecutive season with the Wings and he appears to have lost none of his brilliance or value to the Detroit hockey club.

He still gets around like a player half his age. He still makes the big play. He still is the man around the Wings are built.

If for no other reason than just to see Howe in action, it's worth the price one has to pay to move inside the portals of Detroit's Olympia Stadium.

Welcome to another pro basketball season. The Pistons go to work for keeps starting Saturday night in America's premier sports arena, New York's Madison Square Garden.

Each time we have stepped into the Garden, a chill has run down our back. One guess, there's just no place like the now doomed sports palace at Eighth Avenue and 49th St.

In case you've missed it, a new Madison Square Garden now is going up—top of the Pennsylvania railroad station. It'll seat upwards of 20,000 for basketball, many never will forget the nostalgia of the present and dying Garden.

As for the Pistons, we have trooped with them in recent weeks to Springfield, Ill.; Columbus and Evansville, Ind.; Archbold, Ohio, and Adrian, Holland and Bay City, here in Michigan.

What I've liked about Dave DeBusschere's club is its hustle and desire . . . and depth that DeBusschere has assembled.

Bill Buntin, the great from Michigan, has to help the Pistons. He's impressed in hurry, although late in reporting and slightly on the heavy side.

Incidentally, speaking of the Pistons and Red Wings, you can follow both on Channel 50 during the coming winter months.

The first Pistons' game is set for this Saturday—direct from New York. You'll see the Wings the following Saturday when they engage Montreal at the Forum in the Canadian city.

Schoolcraft College's basketball team will play a preliminary to a Pistons' game at Cobo Arena on Jan. 12.

Arrangements have been completed with Marv Ganz, the Schoolcraft athletic director, for the college's cagers to meet Dearborn J.C. at the swank arena along side of the Detroit River.

They're still talking around Schoolcraft about the first intercollegiate sports event ever to be staged at the college.

Schoolcraft hosted Concordia Lutheran and Grand Rapids Community Colleges in cross country action. Schoolcraft beat Grand Rapids, 18-37, but lost to Concordia, because Schoolcraft's fifth runner had to miss the meet in order to take a physical for the army.

That trade the Tigers pulled off with the Bosox Red Sox shapes up as a "honey" for Detroit. Imagine giving up a reserve outfielder, and minor-league infielder and grabbing off one of the best pitchers in the business in Billy Mombotte.

Well, the Tigers did.

Pass along the orchids to Ernie Harwell, Gene Osborn, George Kell and Ray Lane for being rehired as the Tigers radio and TV broadcasters next season. They form a great quartet.

Don't blame either Michigan or MSU because last Saturday's game wasn't on TV. Both are guided by NCAA television regulations.

We understand that U-M Fritz Crisler had asked the NCAA to offer the Michigan-MSU game instead of the still-to-be-played Michigan-Ohio State battle on television. The NCAA obviously dictated otherwise.

Prep Schedule

FRIDAY'S GAMES

Clarkston at Clarenceville, 8 p.m.
North Farmington at Birmingham Groves, 8 p.m.
Allen Park at Redford Union, 8 p.m.
Belleville at Bentley, 8 p.m.

St. Hedwig at Wayne St. Mary's, 2:30 p.m.

CLOSING IN on St. Benedict's Rich Moloney rows outfought their Catholic League rival to (18) is Our Lady of Sorrows' Tackle Jim Krea- win, 13-6. Sor- son to thwart an effort to get off a pass. Sor-

RU Falls To Bigger Belleville

Belleville high's football team had too much height for Redford Union last Friday.

"I never saw a prep team with so many big players," declared RU Coach John Rogers after his forces had wound up on the short end of a 12-6 score.

Rogers had no abilis . . . no complaints.

"Our kids played well," he continued. "But they (Belleville) just kept pounding away for a yard here, and a yard there. And that was the difference."

A fumble right after the game's initial kickoff also proved damaging as far as Redford Union was concerned.

The Townshippers had moved up to their own 40 when the wet ball (remember it rained Friday) skipped away from a RU back and was covered by a rival.

From there Belleville marched some 40 yards to fashion the touchdown and go ahead, 6-0.

Redford Union evened the score in the third quarter on a 45-yard march which featured two fine runs by Sophomore Rick Ridell. He first scooted for 14 yards and then for 17.

The payoff was an eight-yard pass from Glenn Davis to another sophomore, Bill Meiras. RU failed on the conversion and the score remained tied at 6-6, but not for long.

Belleville grabbed the next kickoff and started a 55-yard drive which produced the winning touchdown.

Only four minutes were left in the game when Davis took to the air with strikes to Meiras, Ridell and Leland Bjerke helped carry Redford Union to the Belleville 15-yard line.

Here the RU attack stalled and after fourth down the Townshippers found themselves a yard short. That was the game.

The loss via an ankle injury of Terry Shirkey, RU's best runner, undoubtedly hurt, although Glen Whietlau, a sophomore, picked up some of the slack.

Belleville enjoyed a 10-8 edge in first downs. In total offense, RU finished with a slim 150-147 advantage.

The Townshippers hit on six of 13 passes for 62 yards.

Late Score Wins For RU Reserves

A 16-yard pass from George Corombas to Rick Hansen with seven seconds left in the game, enabled the Redford Union reserve football team to down Trenton, 13-6. Art Louisignau ran 50 yards for RU's first touchdown.

ST. AGATHA LOSES:

La Fond's Runs Pace Sorrows

Comes all-star picking time at the end of the current Catholic high school football season, it will be difficult to overlook the name of Cliff LaFond, a halfback at Our Lady of Sorrows.

Week after week, LaFond has turned in starring roles for Sorrows.

A typical effort was his tremendous running performance last Sunday afternoon as Sorrows won over St. Benedict, 13-7.

LaFond not only scored all of the Sorrows' points, but he also chalked up 177 of the 203 yards Sorrows picked up on the ground in squaring its season record at 2-2.

While the Farmington parochial team triumphed St. Agatha again went down to defeat, bowing to Wayne St. Mary's 34-0.

Getting back to LaFond's running. He sprang loose on an 83-yard gallop in the second quarter for Sorrows' first touchdown.

Jerry Turner and Jim Krea- son each turned in a great block to help LaFond, while Johnny Allen made sure the last St. Benedict, who had a chance to get LaFond, was pushed aside.

LaFond added the point and it enabled Sorrows to hold a 7-6 halftime edge after St. Benedict marched for 58 yards with Bob Stanley going the last eight just before the intermission.

In the third period, LaFond scored on a 35-yarder. He found only a small opening when he hit the line, but once through, LaFond warded off three tacklers and ran away from the rest of the crowd.

Sorrows staged another threat when Jim McGrath passed 18 yards to John Allen and 15 to Turner and LaFond and soph fullback Mike Hartwig came through with some fine runs to carry Sorrows to the St. Benedict two-yard line.

At that point, a fumble knocked Sorrows out of business. St. Benedict threatened to

Maskin Gets Top Post With Detroit Pistons

Appointment of Edwin E. Coil of Fort Wayne, Indiana, as Interim Co-ordinator of the Detroit Pistons Basketball Club, has been announced by Owner Fred Zollner.

Coil, Auditor of the Zollner Corp., who has served as a Liaison between Zollner and the team for the last two years, is well versed in basketball matters.

Zollner also said that George Maskin, the team's Assistant Executive Manager and Publicity Director, would be in charge of the basketball office in Coil's absence. Maskin is also sports editor of the Observer Newspapers.

Farmington Is Victor; State Power Is Next

In sports, you always must look ahead while reflecting on the past.

All of which puts Farmington high football coach Dick Tyler in "the middle" this week.

He smiles as he thinks about the 8-0 win Farmington scored over Pontiac Northern last Friday night to bring the Falcons' record to 1-1 in Interlakes League play.

The victory enabled Farmington to achieve "another first." Never before had Farmington triumphed at Pontiac's Wisner Stadium.

But no sooner had the game ended, then Tyler's thoughts turned to what's in store this coming Friday afternoon when Farmington hosts East Detroit at 3:30 p.m.

East Detroit happens to be one of the state's Class A powers—unbeaten and untied in four games.

"They're big and mean," said Tyler in talking about East Detroit. "But if we can cut down on some of our mistakes, I think we can give them a real battle."

In beating Pontiac Northern, Farmington showed that a team can resort to passing, even when it's raining, the ball is wet and the turf below is muddy.

During the first half, Farmington was held scoreless by Pontiac Northern. The Falcons had utilized ground plays most of the time in the initial two periods.

Tyler instructed Quarterback Mike Wilson to try some short passes after the intermission.

Wilson responded in fine style. He clicked to ends Don

Klawender and Jerry Tinkle to spearhead a march that moved Farmington from its own 45 to the Pontiac Northern 10. Just for diversion in the drive, Wayne Johnson carried a few times for short gains.

With the ball on the Northern 10-yard marker, Wilson dropped back and shot a payoff strike to Klawender to make the score 6-0 for Farmington.

Farmington's defense took honors the rest of the way, pushing Pontiac Northern deep into its own end. Finally Mike Perry blocked a Northern kick in the end zone to give Farmington two more points via a safety.

Stevenson Faces 1st Varsity Foe

Livonia's new Stevenson high school makes its debut against a varsity football rival next Saturday afternoon playing at New Boston.

Stevenson so far has engaged in two tilts against reserve combinations and split even.

Last Thursday, the Livonia school trounced a unit from Southfield, 51-7.

Paul Pender scored twice on runs of 35 and 25 yards, Charles Dickey went 22 and 85 yards for tallies, Dan Keith scampered 15 and 30 yards for markers, Dave Maskeny went over from the 25 and Ron Parker scooted 30 for Stevenson.

Penalties Costly To Trojans

Penalties . . . penalties . . . They literally have killed the Clarenceville high school football team this fall.

It was no different last Friday when the Trojans dropped a 13-7 decision to West Bloomfield and saw their overall record drop to 1-3 and their Wayne-Oakland League mark slip to 1-2.

Clarenceville was guilty of more than 100 yards in penalties.

Time again, the Trojans got something going, only to have a referee toss his red flag.

There was the time in the second period when Clarenceville moved inside the West Bloomfield 10, only to get tagged with a 15-yarder.

In the third period, the Trojans drew two straight 15-yarders after penetrating the West Bloomfield 20.

All of this happened after Chris Hawkins, the fleet-footed Clarenceville back, had grabbed the game's opening kickoff and scooted 99 yards for a touchdown. When Mike Nye converted, the Trojans held a 7-0 lead.

West Bloomfield rebounded with Tom Leahy scoring both touchdowns. A 35-yard run proved the clincher after he had counted on a six-yarder earlier in the contest.

In addition to his long, touchdown run, Hawkins picked up 54 yards rushing for the losers, Dave Kaipio galloped 17 yards for the Trojans while Andy Parker made 32 yards in a pair of carries.

Along with the penalties, Clarenceville had problems with its aerial attack.

Seven times the Trojans went to the air. None of the attempts clicked.

This Friday night, Clarenceville plays host to Clarkston.

BE PREPARED FOR ALL EMERGENCIES

What to Do If Power Goes Dead

Power failures can come at any time of the year, but they are most likely during bad weather.

Lines can be blown down by high winds and rain, can sag and snap under the weight of ice and snow.

Low temperatures make power lines brittle, more susceptible to breaking.

There are things you can do about the resulting discomfort and problems a power failure brings on, but nothing you can do about the failure itself.

Stay away from downed power wires. Notify the police of the location of downed wires and they'll set up barricades.

Indoors there is the problem of getting along without electricity.

This means no lights, no appliances, often no heat since automatic furnaces need electricity for controls and forced air systems require it for blowers.

If you have an electric stove you lack a means to cook.

An emergency supply of candles and several flashlights be- long in every home.

Disconnect all appliances immediately—those that run continuously on electricity.

These include refrigerators, freezers, furnace blowers and electric pumps.

Often power is restored at only partial voltage. Motors will work harder trying to make up for less power and will cause damage to windings and contacts.

Keep a lamp plugged in where you can see it easily.

When power is restored, observe the lamp. If it glows feebly, then you have only partial voltage.

Once the light starts glowing brightly you can start connecting appliances, one at a time. Even if power were restored at full voltage, it is wise to have appliances disconnected.

Everything going on at once could cause an overload if the wiring in your house is just barely adequate.

Avoid opening and closing refrigerators and freezers as much as possible.

If you keep the freezer closed its contents will keep for 36 to 48 hours. Food in a refrigerator will not last quite as long.

If you use electricity for cooking, then some emergency means of cooking should be provided.

Small camp stoves can be used to prepare hot food. Propane stoves are efficient.

Small, folding stoves using canned heat are less efficient, but are cheaper.

Use these in a well ventilated room. You also can use the portable grill you normally use in summer.

But do so in an open garage or open porch. Aside from smoke, the fumes from the charcoal can be dangerous in a confined area.

If you have a fireplace that's usable you have a source of heat until power is restored.

It's a source of heat, that is, if you have remembered to have a stock of dry wood handy.

Keep the family in the one room with the fireplace if your house is so equipped, or in the room in which you are cooking.

Open and close outside doors as little as possible.

Try to use outdoor entrances that do not open directly into a room but into a hall or foyer that can be closed off.

Close off unused rooms and sit tight.

EIGHT-FOOT Henry Hite, the Corn King Giant, greeted visitors to the new Food Fair store on Five Mile Road near Levan in Livonia, for the grand opening celebration Sunday. Hite was the center of all eyes as shown here as many of the small fry gathered around to get his autograph. Hite is over eight foot tall, weighs 300 pounds and naturally is quite an attraction wherever he appears.

Minor Jobs Are Not Difficult

There are many ways in which the homeowner can protect the plumbing in his home from needless wear and tear. There are likewise many minor plumbing repair jobs the homeowner can accomplish, jobs most plumbing contractors would actually rather you did yourself.

The good plumbing contractor, like the good doctor, is quick to respond to an emergency call and is, of course, available to care for any 'illness' of a plumbing system. But having to be constantly on call for very minor jobs may mean that someone with a major problem cannot get immediate service.

To let the homeowner know of the many small things he can do to protect his valuable plumbing system, the booklet titled, "Plumbing Care and Repair" is available for 15 cents from the Bureau at 35 East Wacker Drive, Chicago, Illinois 60601.

There are 20 subjects covered in the booklet, including drains and fittings, care of all plumbing fixtures, water heaters, leaky and frozen pipes, noises in the plumbing systems, shut-off valves, etc.

The booklet explains what the average homeowner can do in the way of plumbing repairs, and what should be left to the expert, the qualified plumbing contractor.

Advice given in the booklet is in down-to-earth language, and easily understood. Where necessary, simple diagrams illustrate the valuable tips.

50 Specialists Work On Bath Fixtures

The bathtub and lavatory in your home—did you know that at least 50 specialists in the plumbing fixture industry inspect and work on these fixtures before they leave the plant?

So reports the Plumbing-Heating-Cooling Information Bureau, which also notes that more and more colored fixtures are being selected by homeowners today more than ever before.

List Training Aid To Assist Plumbers

A special training aid is providing better plumbing service for you.

This training unit, developed by the Cast Iron Soil Pipe Institute, is designed for use in apprentice training schools to teach young apprentice plumbers the proven methods of joining cast iron soil pipe with a molten lead and oakum joint.

A series of state contests are held each year, with winners attending the one-week national competition at Purdue University.

The apprentices use a specially designed two-piece unit composed of one segment with an extra heavy hub on one end and a service weight hub on the other.

The second half of the unit is a short piece of pipe with an extra heavy head at one end and a service weight head at the other end. The two units are secured with special clamps once they are joined.

The two hub pieces are made in such a way that they must be put together correctly. Once joined together, the apprentice inserts the corresponding weight of the spigot into the corresponding weight of the hub. He then begins to caulk the joint.

Oakum is used to caulk the lower joint, and is inserted to within an inch of the top. One inch of calking lead is then poured on top to complete the process.

Lead melts at a temperature of about 620 degrees F., but to complete a successful caulking operation, the lead is heated to a pouring temperature of 790 degrees to 830 degrees F. to insure the required fluidity for successful pouring.

The reason for the two-piece hub now becomes apparent.

Self-Sealing Shingles Must in Windy Areas

Home owners living in areas that are subject to high winds, and who are considering re-roofing, are advised to investigate self-sealing shingles.

These are treated on the underside with an adhesive that will hold them down even in hurricane-force winds.

COMFORT never goes out-of-style...

Temperature and humidity affect your comfort. One is as important as the other. A FRAM Power Humidifier will control the humidity in your home—automatically, economically, efficiently. It will restore healthful moisture to furnace-dried air.

Backsplash Proves Help

Often overlooked is the importance of backsplashes in kitchens. Imagine your kitchen work area without backsplashes.

In a short time, stains from frying and cooking would all but obscure the color of the walls.

If the affected areas were protected by a stain-proof, easily cleaned material like decorative ceramic tile, kitchens would stay bright and colorful forever.

Second Annual Big Pumpkin Search Is On

The second annual Big Pumpkin contest for youngsters under 16 years of age is underway. The sponsor is the Men's Garden Clubs of America.

Deadline for entering is Nov. 1.

Last year's winner of a \$25 U.S. Savings Bond was Hilda Thompson of Pheba, Miss. who grew a 90-pounder.

There are 15 other prizes.

The grower must send a picture of the pumpkin or cucurbit and himself and certification of weight to George Spader, executive secretary Men's Garden Clubs of America, Morrisville, N. Y.

Ties of friendship slip the minute you pull on them.

Gardeners' Fall Chores Important

In late summer, cooler weather gives gardeners relief from the heat of summer.

You'll notice plants perking up with greener foliage and more blossoms.

Late summer and early fall are prime times for building better lawns.

Grasses prefer cool weather generally. Lawns have more vigorous growth in spring and fall when temperatures are moderate.

Most lawns suffer during the summer months.

Disease, drought, weeds, erosion, compaction and just

plain wear, all take their toll. Drought has been a big factor in lawn damage in many areas this year.

With cooler weather, the turf will go a long way toward correcting these conditions by itself.

Here are tips to give your lawn a big boost:

First step is to eliminate the weeds. Hand digging will do for just a few weeds, but an effective herbicide should be

used for extensive weed problems. Use 2,4-D or 2,4,5-TP for broad-leaved weeds.

Read and heed the labels. Crabgrass is an annual and will die with the first real frost.

Rake out the dead weeds to give the grass a better chance to recover. Plan now to apply Dacthal to stop crabgrass in the spring.

Spray about lilac-blooming time.

Now apply fertilizer and limestone to give the grass a lift so that it will have an opportunity to harden off before the ground freezes.

Apply 6-8 pounds of a 10-6-4, 10-5- or 8-6-4 turf fertilizer per 1,000 square feet.

Apply 50 pounds of ground limestone per 1,000 square feet if none was applied last spring.

Your local garden supplier can advise you on soil testing for the most accurate fertilizer to use on your ground.

To give a complete carpet of grass for your home grounds, sow seed on any bare spots, roll firm and water well each day until seedlings are well established in the old bare spots.

Autumn Perfect Time for Seeding

One of the many reasons for starting lawns in autumn is the excellent sprouting lawn seed generally enjoys then. So long as the cheapest lawn blend on the shelf is not sought out, chances are a purchaser will get seed of quality lineage, almost 100 per cent sproutable.

It is the magic of autumn weather that transforms this good seed into husky green shoots, just at the season when their "chances in life" are best.

If you test lawn seed in a germinator, where humidity is constant and the sprouting temperature ideal—something the equivalent of 60-degree nights and 80-degree days—good bluegrass shows tiny shoots in less than a week.

Fine fescues, the other basic component of quality seed blends, produce husky sprouts even more quickly.

Outdoors, the environment might not be quite so ideal as in a germinator.

But if you water frequently and mulch, so that the soil surface never dries out completely, autumn temperatures create a

situation similar to that found ideal in the seed germinator.

Within two weeks there should be a fuzz of green from lawn seedlings made in August or early September.

Of course once the seed has sprouted, it takes more than just water. Most soils benefit greatly from the mixing in of fertilizer at the time the seedbed is prepared.

If you failed to fertilize then, or if you've merely upgraded an old lawn with top-flight seed, later feeding with a lawn-type fertilizer is certainly advisable before winter really sets in. But don't fertilize young grass until it is old enough to have been mowed; new sprouts are tender, and burn more easily than does established grass.

This will enable plants to adapt themselves to the indoor climate without being handicapped in their adjustment by the hot, dry air of heated homes.

Plants thrive in warm, moist weather, such as that outdoors in summer. If they are not moved indoors until late fall, when the weather turns cold and homes are artificially heated, the abrupt change in their mode of living most likely will harm them.

Plants that haven't thrived outdoors during the lush days of summer are not likely to improve indoors.

At moving time, discard these "weak-sister" plants in favor of new healthy plants.

Before plants are brought indoors, spray them with an insecticide to rid them of any insect pests. Scrub with brush and water the outsides of all pots to get them clean.

Remove, down to the roots, the top soil of plants still actively growing.

For replacement, use a mixture of two-thirds garden soil, one-third thoroughly rotted manure and bonemeal, at the rate of one teaspoonful to each six-inch pot.

Place the plants near windows, at sunny or shady locations they prefer, and give them routine care during the winter months.

Cultivates Garden Despite Handicap

Alton H. Carlton, 88 years old, may be confined to a wheelchair, but he still cultivates a large garden from his chair.

Carlton is a brother to Doyle Carlton, governor of Florida from 1929-33.

His wheelchair cultivation is a continuation of the life he has enjoyed since he was 10 years old and began working outdoors herding cattle.

Until three years ago, he managed to supervise his ranch aboard his 32-year-old horse Ranger.

The man who succeeds profits by observation—and never repeats the mistakes of others.

Time to Move House Plants

House plants that have enjoyed a summer vacation outdoors should be moved indoors in early autumn, at least several weeks before artificial heat is turned on in homes.

Plants that haven't thrived outdoors during the lush days of summer are not likely to improve indoors.

At moving time, discard these "weak-sister" plants in favor of new healthy plants.

Before plants are brought indoors, spray them with an insecticide to rid them of any insect pests. Scrub with brush and water the outsides of all pots to get them clean.

Remove, down to the roots, the top soil of plants still actively growing.

For replacement, use a mixture of two-thirds garden soil, one-third thoroughly rotted manure and bonemeal, at the rate of one teaspoonful to each six-inch pot.

Place the plants near windows, at sunny or shady locations they prefer, and give them routine care during the winter months.

Cultivates Garden Despite Handicap

Alton H. Carlton, 88 years old, may be confined to a wheelchair, but he still cultivates a large garden from his chair.

Carlton is a brother to Doyle Carlton, governor of Florida from 1929-33.

His wheelchair cultivation is a continuation of the life he has enjoyed since he was 10 years old and began working outdoors herding cattle.

Until three years ago, he managed to supervise his ranch aboard his 32-year-old horse Ranger.

The man who succeeds profits by observation—and never repeats the mistakes of others.

Dry Summers Fall Hard on Perennials

Summer and early autumn have been extremely dry. Keep watering until the ground freezes to help your perennials and deep-rooted plants through the winter if there has been little rain in your area.

Take stock of the situation before heavy frost seals the soil and if the water reserve seems to be deficient, a thorough soaking is in order.

Your broadleaf and other evergreens especially will welcome a long, but gentle, drink.

Mulches will help your plants through the severe winter but do not apply the covering around the plants until after cold weather has arrived.

The cold nights will harden the crowns and stems. If you apply the mulch before this occurs, the plants will not have built up enough protection against long, hard cold.

The mulch will protect especially against alternate warm and cold spells which are one of the hardest problems of nursing plants through the winter.

Plants under snow are generally well insulated. Areas exposed to prolonged cold, sudden rises and drops in temperatures, and prey to rough, damaging winds, suffer most.

Gradual cooling in the fall winterizes a plant. The water content is diminished and the more concentrated sap is better able to stand the cold.

Sudden cold will freeze excess

water in a young plant's tissues and break the cells.

Evaporation of moisture in evergreens also is a cause of trouble.

There are excellent sprays available at your garden which if applied when the temperature is above freezing, will provide protection.

If the leaves of your trees seemed to drop off prematurely this fall, it could be due to the drought. Give the tree a good drink before severe cold sets in.

Hyacinths Add Pleasant Odor To Your Garden

Many gardeners do not know that the hyacinth can be brilliantly-hued, pastel or pure white.

This sweet-smelling flowering bulb blooms over a many-week period each spring, charming all who are lucky to be close enough for a whiff of its heady perfume.

The Dutch hyacinth is gradually becoming known for its versatility in this country.

Formerly, the crisp flower with its tiny florets and perfect silhouette, was planted in geometrically-patterned, formal beds in an effect of haughty elegance.

Now the cheerful hyacinth is equally at home in contemporary gardens where it can be planted singly or in groups among evergreens or flowering shrubs.

But if you water frequently and mulch, so that the soil surface never dries out completely, autumn temperatures create a

Fescues Excellent in Blends

Even fine fescues, notably drought-resistant, suffered in some eastern locations this year, so prolonged was the dry weather. Lawns that have thinned through summer should receive bolstering immediately.

Autumn is the best time to thicken the turf, get grass started where weeds would otherwise prevail.

Kentucky bluegrass blends containing some fine fescue, in varieties such as Chewings or Pennlawn, serve the all-purpose needs of most lawns. Kentucky bluegrass varieties weave a sod second to none, while the fine fescues perform ably in the shade and on drier, poorer soils.

The fine fescues are also an excellent "nursegrass," in the sense of sprouting quickly.

In most cases a thin lawn need not be remade. If the grass is just scanty, scattering a good seed mixture at half-rate, plus lawn fertilizer once or twice through autumn, should suffice to build a thick, weed-resistant turf.

If there are sizable bare patches, scuffing the soil surface will be worth the effort, so that lawn seed settles into the soil for better rooting. On smaller lawns a sharp-tined rake or cultivating fork suffices.

For larger properties the garden tractor may have a disk or harrow attachment, or powered "vertical mowers" that slice lightly into the soil and can be rented through many equipment and garden outlets.

Chief precaution is to sow good quality seed, consisting mostly of "fine-textured" kinds (as they are now grouped on the label). You won't want to thicken a lawn so important to your landscaping with coarse bunchgrasses!

Time to Move House Plants

House plants that have enjoyed a summer vacation outdoors should be moved indoors in early autumn, at least several weeks before artificial heat is turned on in homes.

Plants that haven't thrived outdoors during the lush days of summer are not likely to improve indoors.

At moving time, discard these "weak-sister" plants in favor of new healthy plants.

Before plants are brought indoors, spray them with an insecticide to rid them of any insect pests. Scrub with brush and water the outsides of all pots to get them clean.

Remove, down to the roots, the top soil of plants still actively growing.

For replacement, use a mixture of two-thirds garden soil, one-third thoroughly rotted manure and bonemeal, at the rate of one teaspoonful to each six-inch pot.

Place the plants near windows, at sunny or shady locations they prefer, and give them routine care during the winter months.

Wally Roberts
GOING UP
'CURTAIN

"Rob the average man of his life-illusion and you rob him of his happiness." Dr. Relling in Ibsen's "Wild Duck" made this wry commentary on life toward the end of the play at U of M Professional theater's production last week in Ann Arbor.

"The Wild Duck" explores the man's relationship to society and his modus operandi with folks that surround him. Should we try to be honest, truthful, and constantly battle all the ills of society? Or should we succumb to the big lie, live in a world of make-believe, and keep kidding ourselves that some day in the near future we will have "pie in the sky" and barrels of money, power, and loads of security?

Ibsen and the APA players took over three hours to analyze this ponderous, important dilemma. In raw, realistic manner the dialogue spun on interminably. Director Stephen Porter is to be commended for his never-ending attempt all evening to make the play flow, skip, and move along with alacrity. Not once did you feel the evening was too long.

Donald Moffat's portrayal as Hjalmar Ekdal, the mixed-up dreamer, was penetrating. Every shade and nuance needed to highlight his frustration be a real, living operation was projected beautifully.

All members of the "Wild Duck" cast supported Mr. Moffat in admirable style. You can always be assured of a better-than average production when the APA-Phoenix company has control of the situation. Do your level best to see "Wild Duck," it offers much food for "conversational" thought!

An additional non-subscription week of repertoire performances of the Professional Theater Program's Fourth Festival was announced last week. Many patrons have been unable to buy tickets because of the 8,000 season subscriptions.

Tickets will go on sale beginning Thursday at the Lydia Mendelsohn box office in Ann Arbor for additional performances during the week of Nov. 10. "The Wild Duck" has been allotted two extra performances on Nov. 10 and 11.

Plans are beginning to snowball for the projected Greek Theater Festival planned for Ypsilanti in 1966. Artistic Director Alex Solomos has arrived and announced that the two Greek plays for the opening season will be "The Birds" and the "Orestia" of Aeschylus.

A third play is yet to be selected. An American play done by a guest director will round out the initial season.

June 23, 1966 has been set as the opening date. Tom Patterson of Stratford Shakespearean Festival fame has been employed to guide the Ypsilanti Greek Theater Festival. His "know-how" should guarantee a successful operation.

A two-and-one-half million theater, a modern re-interpretation of the ancient theaters of Greece, is to be built in River-

side Park on the banks of the Huron River in Ypsilanti. Spade "one" has not been turned on this worthwhile project. It's my guess that Season One might very well start at Stratford's did under a tent. A tent didn't cramp Guthrie's flamboyant style or Alec Guinness as he acted up a storm.

If you're interested in the Greek Theater movement in Ypsilanti, call 483-7311. They can use volunteer help and money.

JEANNE ANNE KNOWLTON, daughter of Mr. and Mrs. L. V. Knowlton of 19465 Angling Rd., Livonia, is appearing in the current Wayne State University's Bonstelle Theatre production of "The Three-penny Opera." The musical will play this weekend Thursday through Sunday.

Chorale Opens Artists Series

The Annual Famous Early Movies Series gets underway at the Henry Ford Museum in Dearborn, Sunday, Oct. 17, with the screening of the 1939 film hit, "Golden Boy."

Based upon Clifford Odets' famous stageplay, "Golden Boy" stars William Holden and Barbara Stanwyck. The plot of this drama of the boxing world centers around the experiences of a young violinist who forsakes a promising career in music to become a prize fighter.

"Golden Boy" will be shown at 2 and 4 p.m. in the Henry Ford Museum Theater.

The Famous Early Movies Series is included in the regular Museum admission.

"Oh Dad..."
Is Poor Play

By SUE SHAUGHNESSY

"I don't understand," says the Commodore. "Don't worry, you will," answers Madame Rosepettle.

The exchange is from a scene of Arthur Kopit's play, "Oh, Dad, Poor Dad, Mama's Hung You in the Closet and I'm Feelin' So Sad," which kicked off this year's theatrical season at the University of Detroit last weekend.

Madame Rosepettle is filled with fond hopes of the audience understanding the play. Maybe I'm dense, but I didn't. In the same scene Commodore Roseabove tells Madame Rosepettle, "That doesn't make sense" to which she replies, "It makes perfect sense to me."

Quite frankly I'm happy that the play makes sense to someone. It simply left me cold. The play doesn't even make the grade of stupidity—it's neuter.

The play, billed as U of D's "first expedition into the darkly colorful netherland of Absurd Theater," deals with the domineering mother that seems to be so common in American society.

It's theatre of the absurd, but not the way out inanity of some dramatic works. It is an almost revolutionary choice for U of D. In the past U of D's choices have been the fairly standard tried and true classics.

Such a departure in scheduling is a welcome change, but moderation in all things, please.

An actress has said that Kopit either loved women so much when he created the role that he thought nothing impossible or he hated them. I think he despises women.

quartet of four main characters as Commodore Roseabove.

"Oh Dad" continues in the tiny U of D Theatre weekends through Oct. 24.

CHRIS FOX, daughter of Mr. and Mrs. Robert Fox of 15435 Levan, Livonia, portrays Rosalie in the University of Detroit's production of "Oh Dad, Poor Dad, Mama's Hung You in the Closet and I'm Feelin' So Sad" playing weekends through Oct. 24.

Mercy Needs Male Singers

Mercy College of Detroit is sending out a call for male voices to participate in four major choral presentations this coming season, according to Marius Fossenkemper, of the music department.

"The Play of Daniel" to be offered Dec. 9, 10, 11 and 12 will be the first presentation. It is a thirteenth-century musical drama, created in a medieval setting, which the New York Pro Musica first presented. They are presently touring the U.S. It demands quality male voices.

A Christmas Concert will also be held in December. The college musical, "She Loves Me" will be presented May 5, 6, 7 and 8, and the season will end with a Choral Concert May 15.

Anyone interested in participating in these events should contact Fossenkemper at 534-6534 or write him at Mercy College of Detroit, 8200 W. Outer Drive.

Alice Broder, who appears as the Madame, struggles valiantly with the part. Unfortunately her performance is spotty. She has her moments, but overall she is not up to par.

Miss Broder is a polished and talented actress and her current portrayal is a disappointment. I don't know if this is due to the difficulties inherent in the role or what, but I do know that she was disappointing.

Christopher Buryta who appears as the timid, dominated son, Jonathan, turned in the best performance of the four main characters.

Chris Fox, a freshman at Madonna College, appears as Rosalie. She has her moments too. I don't know of anyone else who could compete so successfully with a very raucous sounding horn.

Lee Slazinski completes the

Pianist Schedules Concert

Marilyn Neeley, one of the most exciting young pianists touring today, will give a special recital in the Gold Room of Oakland University Friday, Oct. 15, at 8:30 p.m.

This will be Miss Neeley's only appearance in the area, the performance presented under sponsorship of the Edgar M. Leventritt Foundation.

The program will include Beethoven's 32 Variations in C minor, Haydn's Sonata in D major, Brahms' Sonata in F sharp minor, Chopin's Scherzo in E major and Ravel's "Gaspard de la Nuit."

Miss Neeley, born in Los Angeles in 1938, made her debut at the Bach Festival of that city at the age of five. Among her recent awards are a Gold Medal of the International Competition in Geneva, a Michaels Memorial Music Award in Chicago, an award in the Van Cliburn International Piano Competition and a Leventritt finalist award.

The DEW LINE

by John Dew

Time to catch up on some mail and some reader's questions...

Eileen Holz of Garden City was interested in the chances of Herman's Hermits, the Rolling Stones, and Wayne Fontana and the Mindbenders coming to Detroit soon.

The show will become a weekly feature across the country.

This time the "Swingin' Kind" troupe moves to Edgewater Park to present Marvin Gaye, Bobby Rydell, the Miracles, and the Back Porch Majority. Lee Alan hosts the show which is directed by Chuck Snead who also directs "Club 1270" on Channel 7.

Herman and the Hermits will be in the city to perform at Cobo Hall Oct. 23. They will be presented on stage by radio station WKRN. This will be one of their last stops before heading back to England and a tour through the British Isles.

CKLW radio will present the Rolling Stones Nov. 26, again with Cobo Hall for the scream setting.

Wayne Fontana and the Mindbenders are currently on tour in England and there are no plans at the present time for a Detroit appearance.

The Righteous Brothers will headline the University of Michigan's homecoming celebration Saturday night in Ann Arbor. The very popular recording duo gained their large following through a series of regular appearances on "Shindig" last year. They are currently expanding their following with a series of college concerts. They then open at the Sands in Las Vegas, Jan. 4, on a bill headlined by Frank Sinatra.

It seems like the King Family won't ever stop growing. Two new members were added this week to the popular TV family folk bringing the latest count to 39.

The new-comers are Kent Larsen who married Marilyn King and Lex de Azavedo, pianist son of Alyce King and Bob Clarke just back from a Mormon mission in Brazil. At that rate they won't ever have to worry about ratings—the family will be large enough in itself to guarantee number 1 in Nielsen.

Bear with me, if you will, for a short personal plug. Yours truly is going to appear in a play at Ridgedale Theater, 10 Mile just west of Woodward.

The show is a comedy, "Never Too Late" by Arthur Sumner Long and it will be presented Nov. 5, 6, 7, 12, 13, and 14.

Others in the cast include Vince Dunn, Helen Strout, Jane McKinley, John Hansen, Russ Moore, Helen McKenna, Karl Mosher, and Dick Reim. It is directed by Ann Moore, assisted by Sue Masters. I wonder if I can talk of Wally into coming to see it?

WARREN COVINGTON and his orchestra will provide the music at the 13th annual Livonia Policeman's Ball Oct. 15, at Roma Hall in Livonia. Comedian Paul Lennon will also entertain as will Jerry Rose and his discotheque orchestra from 1 a.m. to 2 a.m. For tickets or information contact George Favor at 476-2700. Do not contact the Livonia Police Department.

Young People's Concerts Slated

This year the Detroit Symphony Orchestra has again scheduled a series of Young People's Concerts. Arrangements are currently underway in Farmington to provide the tickets and transportation from the Ten Mile School.

The series includes: "Hansel & Gretel," Dec. 14; "Firebird," Jan. 29; "The Worried Drummer," March 5; and the Detroit Severo Ballet Company, April 9.

For further information on the area transportation program contact Mrs. Joan Farrell at GR 6-3457.

Pastor Installation Set at St. Timothy's

REV. CARL A. GUNDERSON

The Rev. Carl A. Gunderson, organizing pastor of St. Timothy United Presbyterian Church, will be installed as pastor Oct. 24 at 7:30 p.m. The ceremony will be held at the current meeting place of the congregation, Hoover School at Levan and Ladywood in Livonia.

The church was begun in March, 1965 and Rev. Gunderson was called as full time pastor at a special congregational meeting Oct. 12.

In 1954, the new pastor graduated from Princeton Seminary, and he has served two pastorates in New England. He has also been active on numerous committees for the Presbytery, Synod, the Council of Church and in community affairs.

Rev. Gunderson was recently elected vice president of the Livonia Citizens for Better Human Relations.

The pastor and his wife, Alice, who has been the organist and choir director since worship services began in Feb., 1964, have two sons, Scott, 4, and Daniel, 5, and reside at the manse at 37737 Kingsbury, Livonia.

Panel Sets Discussion of Youth

"The Needs of Youth in our Community" will be discussed Oct. 13 at Kirk of Our Savior Church on Cherry Hill Rd. in Wayne.

Participants in the panel discussion, which will begin at 8 p.m., will be: John Seiler, municipal court judge; Robert Eklund, executive director of the Wayne YMCA; Dr. Walter MacGregor, Wayne Police Detective Bureau and a member of the Nankin Recreation Department; and James Jones of the Kirk will serve as moderator.

The evening is under the sponsorship of the Women's Association of the Kirk.

Special Bible Classes Planned

The Livonia Church of Christ hopes to open up a Bible class for secondary retarded students in January. During the summer vacation the congregation's plans call for classes for retarded children of elementary school age.

Ruth Buschmann, a teacher and counselor in the Allen Park Schools, plans to teach the class opening in January. She has had nine years experience teaching slow learners.

A total of 250 people currently attended the Bible School at the church on Merriman Rd. just north of Five Mile. Its present facilities will accommodate 450 and in five years plans call for an enrollment of 600.

Anyone wishing to enroll a student in the classes beginning in January should contact Herbert Dean, minister of the church, at GA 7-8743.

Unitarian Ladies Hear Snick Vet On Mississippi

The Women's Association of the Unitarian-Universalist Church of Farmington, at its last meeting, was addressed by a veteran of two years in the Mississippi civil rights movement. He is Daniel R. Wood of the Student Non-Violent Coordinating Committee. The group's next meeting will be on Oct. 26.

Classes Begin

The Birmingham Temple began its second annual Adult Education series on Monday, Oct. 11. It will continue for nine more Mondays through Dec. 13. Classes are held at the Robert Frost School, Robert Frost, Jr. High School, on Scotia north of Nine Mile Road, in Oak Park.

For Temple members registration will cost \$2.50 per class. For non-members will be \$5. The maximum fee per family is \$10.

Area Lutheran Youth Attend Conference

Approximately 30 young people from churches in Farmington, Livonia, Garden City and Plymouth, were delegates to the recent International Lutheran Church, in Miami Beach.

Intended "to allow the Christian teenager a personal confrontation with the teachings of his religion in matters of life," the Conference was addressed by prominent people from a variety of backgrounds.

Addressing himself to "the call of discipleship," Vice President Hubert Humphrey stressed the call of public service. Comedian Dick Gregory discussed the Los Angeles racial upheaval, which he said was a protest rather than a riot, and called for the abolition of capital punishment. Jackie Gleason played it straight in his remarks, and left the comedy to his side-kick Frank Fontaine. Malcolm Boyd, former Episcopal Student Priest at Wayne State University turned playwright, discussed his plays with the students.

Of the approximately 8,000 delegates to the Conference, about 167 were from the area around Detroit. Among the Churches from this area which were represented were Rev. Karl Kaltefleiter's Antioch Lutheran Church of Farmington; Rev. Kenneth Larkin's Christ the King Lutheran Church, and Rev. William Moldwin's Holy Cross Lutheran Church—both of Livonia; Rev. Dave Strang's Epiphany Lutheran Church of Plymouth; and Rev. George Volkmar's Good Hope Lutheran Church of Garden City.

No one should be alone, unhappy, afraid, let Parents Without Partners of Livonia help you. This is a National Organization, non-profit and very able to help you care again. Call Eldon Price at 422-3788 if you are a single parent with children.

Parents' Class on Teens Scheduled

A series of three lectures and discussions opened last Thursday evening on teen-agers at St. Paul's Presbyterian Church in Livonia.

"Strictly for Parents" will deal with the problems and potentials of teens in the home, at church, at school and in their own social groups.

Dr. Donald F. Schroeder, director of the Family Life Department of the Metropolitan Detroit Council of Churches, will conduct the series.

Visual aids and discussion of specific problem situations will be among the teaching devices used. Classes will meet from 8 to 9:30 p.m. There is no charge for the series and outside reading will be kept to a minimum. All interested persons may call GA 2-1470 for details.

The series is sponsored by the adult studies committee of the Church.

THE REV. LLOYD R. RIDDLE will speak at a week-long series of meetings at the Detroit Bible College Oct. 18-22. Outdoor evangelism and its importance in today's world will speak at the week long meeting. A Detroit-born minister, Rev. Riddle has eight years experience in outdoor evangelism meetings throughout the country.

Robert Eddy Begins Classes for Adults

The Unitarian-Universalist Church of Farmington will be the scene of a series of mid-week lectures by its minister Rev. Robert Eddy, on the third and fourth Tuesday of each month, beginning at 8 p.m.

During November, the topic will be "Great American Heretics—Tom Paine, Abe Lincoln, and Mark Twain." This will be followed by the series: "Love, Marriage, and the Horseless Carriage."

Set for January is "An Honest Man's Religion." Rev. Eddy describes this series as "a short course on one man's version of Universalist-Unitarianism."

March will bring four lectures on "The Bible for Moderns"—one each on "Yawist Epic," "The Deuteronomic Reformers," "The Priestly Editors," and last "The Literature of the Sects," including the Essenes, Zealots, and Christians.

Layman Observance

Timothy Lutheran Church will observe Layman's Sunday Oct. 17 with a worship service "The Word of God in the World of Men." John Harrington will deliver the sermon. Members of the congregation will conduct the liturgical services, and read the lesson, epistle and gospel.

Marriage Is Rabbi's Topic

Rabbi Sherwin Wine will discuss "Marriage and the Masculine Mystique" at the regular service of the Birmingham Temple, on Friday, Oct. 15. The service will begin at 8:30 p.m.

"As our temple study groups begin the discussion of the problems of the modern family," says Rabbi Wine, "one issue stands out as the perfect introduction. The inability of both men and women in our contemporary society to understand difficulties.

"Our industrial civilization has liberated the women and dethroned the man. Neither sex is sure of what plunges to take and what limitations to impose. The question confronts us with all its frightening possibilities."

Services are held at the Robert Frost Junior High School, Scotia north of Nine Mile Road, in Oak Park.

Livonian Wins Award for College

David R. Wietelmann, son of the Rev. and Mrs. Robert Wietelmann, 35844 W. Chicago Rd., Livonia, has been granted a \$200 Lutheran Youth Leadership award by Lutheran Brotherhood, Minneapolis-based fraternal insurance society, for study at Capital University in Columbus, O.

Wietelmann is a member of Timothy Lutheran church, where he has held Lutheran League offices. A 1965 graduate of Franklin high school, he was a member of the yearbook staff and semi-finalist in the Michigan state mathematics prize competition.

The award is one of 148 being granted to high school graduates who plan to enroll at Lutheran colleges. Recipients are selected on the basis of outstanding achievement in school and church activities as well as scholastic and leadership accomplishments.

Violin Concert Scheduled at St. John's

Finnish violin virtuoso Helmo Haitto will give a concert of Bach hymns Oct. 17 at St. John's Lutheran Church in Redford Township. The concert, which is open to the public, free of charge, will begin at 7:30 p.m.

Haitto began to study the violin at the age of five. When he was nine he began to study under Boris Sirppo, head of the Viipurin Music Academy.

Since 1963 he has been the first violin teacher at the Lahti Music Academy in Finland.

Livonia's New Twin Theaters Open to Public Wednesday Night

The "twins" of the General Cinema Corporation will officially open Wednesday (tonight) at 7 p.m. with all of the fanfare and hoopla of a Hollywood Theater opening.

The "twins," the twin theaters of General Cinema, are the second sponsored by the Corporation in the Detroit area but the first in the northwest section—they offer patrons a

chance to make their choice of two first run movies.

They can sit and enjoy the films in the most modern seats, the best in comfort and with the finest screen ever devised by the motion picture world.

The twin-theaters, erected at cost of more than \$2 million, are the most unusual in the area.

There are two entrances with a single lobby equipped with twin vending machines and a single candy, popcorn and peanut stand.

There are separate rest rooms off each lobby, each with the most modern facilities.

The ladies restrooms have a separate wash bowl in each enclosure with a vanity in the outer section for the use of customers. It is the only theater in this section to have such elaborate facilities.

The theaters have separate entrances and a customer must select which film he or she desires to see at the time of purchasing a ticket. Patrons can not go from one theater to the other without paying an additional admis-

sion fee.

The larger of the twins has a capacity of 1,000 and the smaller 500. Manager Don Hooten and District Manager Richard Kline plan to follow the format used by other theaters in the General Cinema chain.

The most popular of the two movies will be shown in the larger theater but may be shifted to the smaller auditorium after a lengthy run to take care of those who may have missed it.

The "twins" are the 87th in the General Cinema circuit, administered by Richard Smith. There are 10 more theaters of

this type that will be opened by the chain before the end of the year.

There can't be a more appropriate name for a motion picture theater than "Cinema" and that is the name given the latest additions to the chain. It is a name synonymous with the fine theaters operated by General Cinema Corporation in shopping centers—that's why the Corporation selected Livonia Mall as the site of its newest venture.

The opening will be marked by a ribbon cutting ceremony with Livonia Mayor Harvey Moelke joining with Richard Smith in the snipping.

The Clarenceville High band, one of the finest in the area, will present a concert prior to the start of the program.

Then with the ribbon cut, the ceremonies out of the way, the "twins" will be opened to the public for the showings of the first movies—"Lord Jim" and "Agent 8 3/4."

With the "twins," General Cinema will be able to present all of the top motion pictures.

One of the major attractions starts on Wednesday, Oct. 20 when the great La Scala Opera Company may be seen for the first time in movies in an actual performance of Puccini's "La Boheme."

AN ART GALLERY will be among many features of the Livonia Twin Cinema I & II Theatre in the Livonia Mall. Betty Baldwin, director of the "Artist's Show Place Agency," is shown presenting one of the paintings to Roland Kline, division manager for General Cinema, and Don Hooten, manager of the Twin Theatre. For the past 10 years management of the Cinema Theaters has carried out the plan of art galleries in all its theaters. The Livonia exhibit is the largest of its kind in Michigan. All paintings and sculptures are for sale.

An Executive With Faith

Richard A. Smith, president of General Cinema Corporation, is a man with faith—faith in the motion picture theater as a center of entertainment for all.

His father Philip was a pioneer, and so is he. He brings the pioneer spirit to motion picture construction. He is constantly thinking of ways to improve a cinema house.

Smith was born in Boston and received a Bachelor of Science degree from Harvard University in 1944. In 1947 he joined his father, a pioneer in the development of drive-in theaters. Smith demonstrated his faith by announcing the opening, within two years of new theaters that will represent an investment of 30 to 35 million.

Smith will be on hand Wednesday night to meet the theatre going public of Livonia when General Cinema Corporation opens its second twin deluxe theatre in the Detroit area.

SMITH

School Boss Will Snip A Ribbon

A gala ribbon cutting ceremony has been planned Saturday, when the small fry will be entertained at a special matinee program in Cinema I in the Livonia Mall.

Louis Schmidt, superintendent of Clarenceville schools, will cut the ribbon at noon.

Free gifts will be given to all boys and girls attending the matinees on Saturday and Sunday, when Topo Gigio the Italian Mouse, seen many times on Ed Sullivan show, will be seen in his first motion picture "The Magic World of Topo Gigio."

A giant color cartoon revue, and a Three Stooges comedy

laughter riot will be shown.

"Bolo," the happy clown, will be on hand for both days. The doors will open at noon, and show will start at 12:30 p.m.

There will be only one complete show and it will be over at 3 p.m.

All seats for this special program will be 50 cents.

IN CASE YOU DIDN'T KNOW, This is our FIRST Anniversary Sale

Thursday, Friday, Saturday OCT. 14, 15, 16

Don't Miss Out on the Big SAVINGS CELEBRATION!

IT'S OUR BIRTHDAY...AND IT'S YOUR BIRTHDAY PARTY

Just one year old and brand, spanking new with an exciting Birthday Party Invitation for you and your entire family.

Thursday-Friday-Saturday October 14, 15 and 16 From 9:30 A.M. to 9:00 P.M.

There'll be the wonderful, beautiful ART SHOW on our malls, with more than 2,000 paintings on display, the works of local artists who are participants in one of the largest art shows you will ever see . . .

And our exciting BIRTHDAY AUCTION,
 10 a.m. to 2:30 p.m. and 6:30 p.m. each of these 3 days on the mall, with selected merchandise from our stores and services going to the highest bidder. Even mink jackets, diamond rings, and suits and dresses: more than 100 items go under the Auctioneer's hammer during our Birthday Auctions. And our

TREASURE BIRTHDAY CAKE,
 with more than 500 pieces of cake served on a first-come, first-served basis, each piece bearing a coin ranging from a penny to \$1.00 in value.

See it all, enjoy it all, at our First Birthday Party

Livonia Mall Merchants Association

Happy Birthday to us... Happy Birthday Party to you!

LIVONIA MALL
 Thursday, Friday, Saturday, October 14, 15, 16

THE BIG BIRTHDAY AUCTION
 Exciting merchandise from all of the fine shops in the Livonia Mall can be yours—if your bid is the high one. A large selection of men's women's and children's apparel, appliances and household items, even such luxurious tidbits as a mink, stole and diamond ring, will be auctioned three times daily: 10:00 a.m., 2:30 p.m., 6:30 p.m.—Each item will be sold to the top bidder. Catalogues listing all The Big Birthday Auction merchandise are available, upon request, at the Mall. Bargain hunters will find the thrill of a lifetime at the Big Birthday Auction at the Livonia Mall.

THE CHILDREN'S BIRTHDAY BONUS
 A real live clown will visit the Mall to distribute free balloons to the youngsters. There will be 500 pieces of birthday cake, too, each day for children under 12 — and it's hidden treasure birthday cake. Each piece contains a coin, from a penny to a half dollar. Be sure to bring the children, they'll have a wonderful time at our party.

THE COMMUNITY ART SHOW
 2,000 works of art from the talented hands of more than 400 amateur and professional artists will be displayed throughout our attractive, climate-controlled Mall for your browsing pleasure. See something you like? It's for sale and best news of all, prices for these truly original, and creative, efforts begin at \$1.00.

You'll Have Fun at Our First HAPPY BIRTHDAY PARTY
 Thursday through Saturday, October 14 through 16 from 9:30 a.m. to 9:00 p.m. at the

725 850 975

We've been saving this exciting half-price sale for this special birthday celebration. Now it's here in time to give your new fall hairdo with the long-short look, the support it needs to keep its smart, smooth lines. Prices good thru October.

Fall's a colorful time—for hair, too!

It could be a 5-week color rinse, a dramatic frosting, bold streaks, sweeps of contrasting color or a complete color change. Artiste colorists are specially trained to do topflight work and you'll find our prices moderate.

Thom McAn makes moccasins like the Choctaws, Chickasaws, Cherokee and Chippewas do.

Thom McAn

LIVONIA MALL

MACOMB MALL

How? By hand-sewing the moccasin seam. It's not nearly as fast as doing it by machine. But somehow it feels better. And looks better.

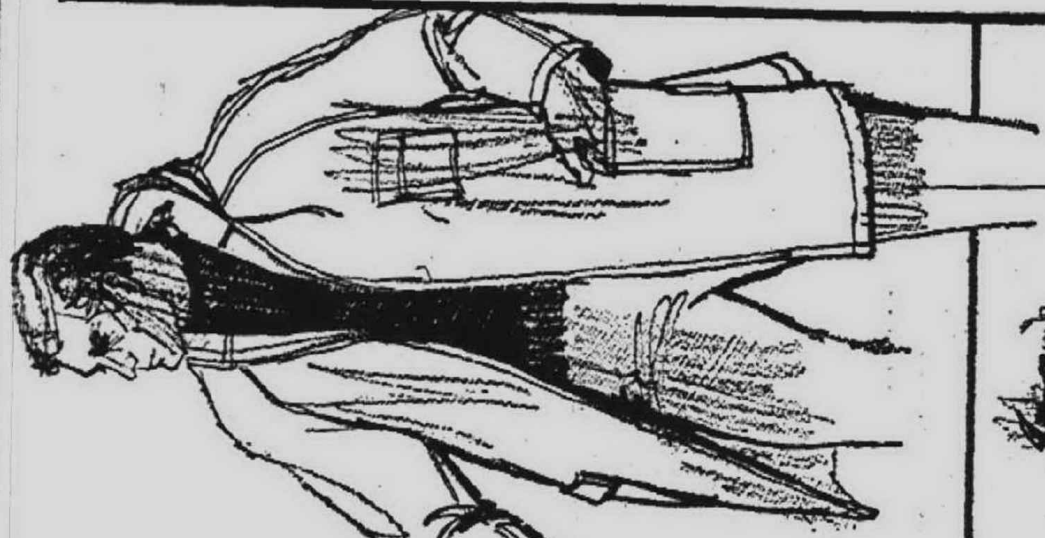

By using leather tanned a special way to hold the shape, yet mellowed for softness and pliability.

By cutting it so a single piece of leather cradles the foot from toe to heel, Indian style. Pure comfort.

Finally, by putting the shoe on the last soaking wet. When it dries, it holds its exact shape and form.

How much? Surprisingly little. 9 beavers, 3 eagles, 4 buffaloes. That's American.

Mary Jane SHOES

FREE

15% DISCOUNT CERTIFICATE

Get 15% Off Women's, Teens and Children's Shoes, Hosiery, Handbags and Slippers

This is not a sale. This is a special free offer. We want to know how many of you need this ad. All you do is bring in the coupon to your Mary Jane Shoe Store in the Wonderland Shopping Center.

Buy off the things you need—shoes, hose, handbags, slippers—gift items, too—any item in the store. Bring this free certificate to the salesman and he will deduct 15% from Mary Jane's already low, low prices.

15% Discount On All Items — Shoes, Hosiery, Handbags, Slippers, Etc.

Upon surrendering this certificate, the person whose name appears below is entitled to 15% discount on any item at the Mary Jane Shoe Store at Wonderland Center.

THIS OFFER ENDS OCT. 30, 1965. THIS SPACE TO BE FILLED IN BY STORE.

CUT OUT AND BRING THIS COUPON! ON OR BEFORE OCT. 30, 1965
