Township Board Approves Public Service Chief

The first big step towards what could bring a Township Police Department, and most certainly will place a director in charge of the fire department, was taken by the Plymouth Township Board of Trustees in a special meeting when it approved the hiring of a Public Service Director as soon as possible.

Although three Trustees, Dick Lauterbach, Ralph Garber and Louis Norman, were absent, the remaining four unanimously approved the action. Justifying the firm stand, it appears as if the matter had been discussed previously and approved by the absent trio. Those voting for the move were Supervisor John McEwen, Clerk C. Veach Sparks, Treasurer Mrs. Elizabeth Holmes and Trustee Gene Overholt.

Matter of fact, McEwen, when interviewed after the meeting, stated that the Board had interviewed at least one candidate, recommended by State Police Commissioner Frederick Davids. Commissioner Davids, a long-time Township resident and a regular visitor at Board meetings while serving as a Captain and commander of the district prior to receiving his appointment to the top post in the State, recommended a State Police officer who had recently retired.

Commissioner Davids has maintained his interest in Township activities even though currently residing in Lansing. He still owns his home in the Township and indicated he plans to spend as much time there as possible and will make it his home when he retires from State Police work—that's still some time away.

In approving the hiring of a Public Service Director, the Board set a starting salary of \$7,500 and all trustees present urged action as quickly as possible.

At the moment, the duties of the new Director will center on the Fire Department, which has become the focal point in a tug-of-war power struggle between the Fire Administration Board, the Civil Service Commission and members of the department.

City Commission Votes to Review Denial for Cape

Thomas Cape, who has been in constant trouble with the Plymouth City Commission because of his own actions in building apartments on Byron Street contrary to the city ordinances, made a personal appeal to the city fathers Monday night and may get some relief from a financial bind that threatens to force him to sell the apartments.

Cape, who is still seeking a certificate of occupancy for a 16-unit apartment on Byron, told the Commission that he would have to place the building up for sale unless he received his certificate by Monday, Jan. 10—that's next Monday.

He has a commitment from First Federal for the financing on the basis of a 16-unit building but is in a bind since he failed to meet the city requirements for parking space and can get permission to occupy only 14 units.

Cape told the Commissioners that he needed their help in vacating enough on Byron Street to meet the ordinance requirements—but this has been a sore spot with the Council for some time and he met with scant sympathy.

The Commission previously denied Cape's request to vacate Byron Street after a public hearing two weeks ago.

After more than an hour, the Commission, on a motion by James Jabara, voted to reconsider the denial action. However, Commissioner Arch Valier objected strenuously to any

action being taken on the grounds that the homeowners interested in the vacating move would not have a chance to express their views as they had at the public hearing.

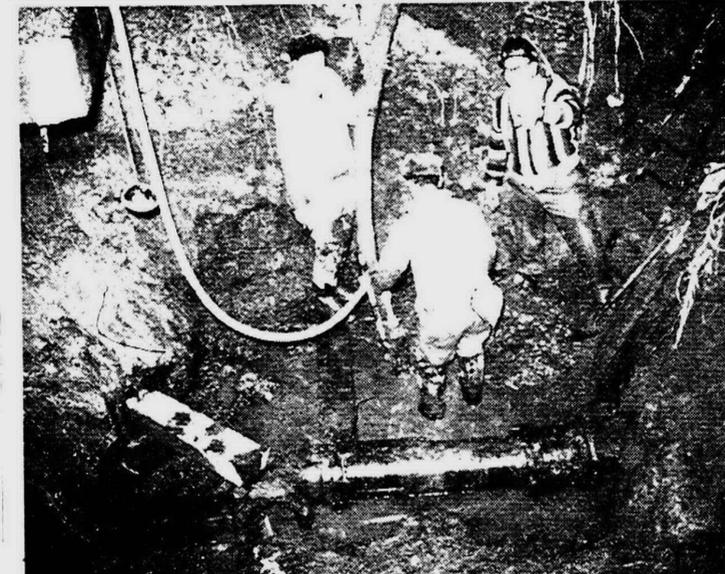

That brought more debate and the Commission finally decided to meet again Monday, with all parties notified of the intent to reconsider, and decide then whether to give Cape a helping hand or not.

Meanwhile, Cape made it clear during his presentation that he would have to have an answer for First Federal by Monday—the Commission (Continued on Page 12-A)

Lincoln Day Dinner Plans Set by GOP

With ambitions of making the area one of the strongest Republican sections in southeastern Michigan, plans for a Lincoln Day banquet and for the 1966 campaign were formulated at a meeting of the Plymouth-Northville Township Republican Party.

The preliminary plans include a low cost Lincoln Day dinner on Feb. 10 in the new Mayflower Meeting House to which high ranking Republican leaders will be on hand to talk about the elections this year.

BROKEN WATER MAINS had Plymouth DPW workers on the go almost around the clock during the holidays. (Above) Supt. Joseph Bida (right) and two employees are shown at the bottom of a deep pit repairing a break in the main on Northville Road that

had homes without water for a lengthy period of time before Christmas Day. (Below) a worker points to a huge crack in the water main at the intersection of Irvin and Blanche that gave the intersection a busy time Sunday before repairs were made.

Mail Homestead Blanks To Veterans, Sr. Citizens

Affidavit blanks for veterans and senior citizens of Plymouth Township, who are eligible to apply for homestead tax exemptions, are being mailed by Supervisor John McEwen to all those on record.

McEwen indicated he had placed 72 applications in the mail for veterans and 15 for senior citizens on the basis of records on file at the Township Hall.

"We mailed affidavit blanks to all senior citizens who had made inquiries," said McEwen. "But it will be necessary for all others to secure the blanks at the Township Hall. We do have a record of veterans who applied for homestead exemptions in past years but even this may not be complete and those veterans who do not receive affidavits within a few days should call at the Township Hall."

McEwen pointed out that affidavits must be filled out according to the instructions on the back before presentation to the Township Hall. He stressed that acceptance of the application by the Township Hall does not assure eligibility for an exemption, since this applies to the state equalized valuation of the property which isn't established until the Equalization Board meets in May.

Water Problems Give DPW Crews A Sad Holiday

It was anything but a happy holiday season for workers in Plymouth's Department of Public Works—numerous breaks in water mains, starting as early as Dec. 2, plus failure of a pump at the Six Mile well field and a break in a sewer line had the men working overtime throughout the Christmas and New Year's season.

The series of mishaps began when the sewer line collapsed on N. Harvey and workers had to install pumps to clear the water and sludge while they tried to repair the break. They were still working on the project Monday afternoon.

Then a water main broke on Northville Road, near the bridge over the lake, and it took several hours before workers could find the leak.

Meanwhile, more than 75 water customers in the area, which included Plymouth Gardens subdivision, were without water. Plymouth Township officials aided the situation by hooking a fire hose across hydrants and pouring water into the City mains which were still open in the section.

DPW Supt. Joseph Bida and his men discovered the wide open break almost directly under the bridge and made repairs as quickly as possible.

Then just when it appeared as if that situation had been corrected, the main broke again near the same spot and the task started all over again.

Meanwhile, Bida and his crew had just repaired that leak when water mains broke at Irvin and Farmer and Auburn and Blanche, pouring water onto the streets.

At this point, Bida checked back to the well field and discovered a pump had failed to kickoff and water continued to pour through the mains building up the pressure beyond the capacity of the 25-year-old galvanized iron pipes.

"The pipes split wide open," said Bida in discussing the troubles. "It wasn't that the pressure was extremely high, the gauges showed it never was over 43 pounds, but the ancient pipes couldn't stand the load and split."

Bida quickly turned a switch controlling the pump and the pressure eased enough so that workers could make the repairs.

And all of this on top of a pump failure at the well field earlier when a master pump failed completely.

Monday night, the City Commission took action to ease the situation when it approved expenditure of almost \$7,000 to repair the pump.

It was almost a question of being pennywise and pound foolish, since Bida had made recommendations several times in the past at budget time for funds to give all of the pumps a checkup and overhaul—the request was very carefully removed by the Commission on each occasion.

Then came the day and now the Commission finds itself with a \$7,000 repair bill.

Auto Crash Injuries Hospitalize Hoben

Injured in an automobile accident on Dec. 16, John Hoben, assistant principal at Plymouth High and former football and baseball coach, spent the New Year's weekend in St. Joseph Mercy Hospital in Ann Arbor.

Matter of fact, Mike was taken to the hospital on Dec. 29 with a severe headache and a pinched nerve in his back.

After five days, he was still in considerable pain but there was an indication he would be back at his home in Plymouth on Sheridan Ave. before the end of the week.

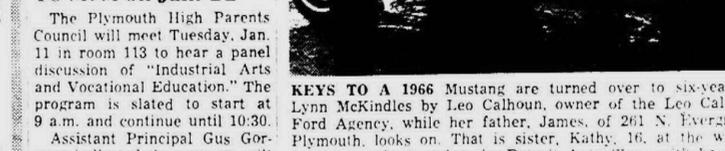

PHS Parents Council To Meet on Jan. 11

The Plymouth High Parents Council will meet Tuesday, Jan. 11 in room 113 to hear a panel discussion of "Industrial Arts and Vocational Education." The program is slated to start at 9 a.m. and continue until 10:30.

Keys To A 1966 Mustang

Keys to a 1966 Mustang are turned over to six-year-old Lynn McKindles by Leo Calhoun, owner of the Leo Calhoun Ford Agency, while her father, James, of 261 N. Evergreen, Plymouth, looks on. That is sister, Kathy, 16, at the wheel.

Lynn recently attended the Detroit Auto Show with her parents and while there picked up a contest blank which had to be deposited in the entry box at the local Ford Agency—in this case Leo Calhoun. Lo and behold, the blank on which Lynn had written the name of her father, won a year's use of a Mustang. So, Leo turned the keys over to Jim last Friday and told him to bring the car back on the final day of 1966.

High adventure photographer Ebb Warren, one of the growing group of Wally Taber Associates, promises an epidemic of hunting and fishing fever following his presentation of his latest color film program on Tuesday, Jan. 11 at 8 in the Plymouth High School gym.

The presentation is sponsored by the Plymouth Junior Chamber of Commerce.

Jaycees to Sponsor Wally Taber Film

To make it a doubleheader, Warren will also screen and narrate his new African epic "Tanzanika, 1964-1965," in which he documents the hunting of Africa's big five—the elephant, rhino, buffalo, lion and leopard.

DRAGELIS STEPS INTO NEW POST

It's Municipal Judge Edward Draugelis now. Plymouth's former City Attorney assumed his new post Tuesday after being sworn in late last week by Acting City Clerk Margo Robson.

Judge Draugelis succeeds veteran Judge Harry Devo who was forced into retirement by the new state law.

There wasn't a bit of fanfare with the swearing-in ceremonies. Draugelis went down to the Clerk's office last Thursday and asked Margo to officially swear him in. She did and he automatically became Municipal Judge on the first day of the New Year.

JUST CHATTIN'
Wails of Taxpayers Pose Big Problems But Can Be Funny
 By W. W. EDGAR

One of the best of the old time comedians who paid annual visits to Detroit on the Keith vaudeville circuit was Bert Williams, a fellow who worked in black face and whose doleful appearance and melancholy tones always drew capacity throngs to the Old Temple and the New Detroit Theaters.

One evening at the conclusion of his act he walked into the wings of the New Detroit Opera House on Randolph Street, collapsed and died.

His memory still lingers on because of two songs he made famous—"I ain't never done nothin' to nobody" and "It's a wonderful thing for somebody—but somebody else, not me." Every now and again you hear someone try to revive them, but nobody ever could come close to old Bert, with his shuffling walk and rolling eyes.

Memories of this great old character, who was a national celebrity in the days before the radio and TV screens brought entertainment right into your living room, come tumbling down through the years every time I happen in on a meeting of the City Council or any of the Planning commissions in the suburban areas.

For, sure enough, I'll hear some one or some group complaining that the proposition being discussed might be a wonderful thing in some other area of the city, but not for them because it would spot their neighborhood, depreciate property values and otherwise be detrimental.

As I sit and listen to some of this wailing I can almost hear old Bert Williams singing, "It's a wonderful thing for somebody—but somebody else—not me."

As the population explodes and new subdivisions spread across what only a few years ago was farm land, the complaints become more plaintive and one would almost think the world was coming to an end if their wishes were not granted.

One group opposes a proposed shopping center at the corner of Schoolcraft and Farmington Road in Livonia, another is bitter in its opposition to the establishment of an industrial strip on Eight-Mile Road—even though it would match a strip across the road which is in Farmington jurisdiction. Still another group vehemently opposes the approval of a subdivision because the lots are not in half acre sites. It matters not that the subdivisions on both the north and west sides may not have lots quite that large.

After visiting a few of these meetings one is prone to wonder just how much patience a member of the planning commission or the city council is supposed to have to carry on the work of attempting to plan suitable communities.

These folks, many of whom have moved to the suburbs for fresh air and what they figured would be low taxes, fail to realize that thriving communities must have a bit of everything—industry, shopping centers, apartments, schools, churches, theaters, parks, playgrounds, nurseries, etc. and that they must be spread about where they will do the greatest good for the greatest number.

Some of the complaints are puzzling and seem to be without rhyme or reason. I recall a case during my days on the City Council when the officials of a civic association representing one of our largest and nicest subdivisions at the time, appeared before Council and demanded that the areas to the east of them and to the west of them "as far as the eye could see" be developed on the same high plane. They insisted that there be no downgrading, no green belts or any other device to mar their standards.

This was fine except—that to the north the subdivisions encroached on industrial property and on the south there were plans for an industrial road close to the railroad tracks.

On another occasion we had a request from the new section of Rosedale Gardens for street lights in the same amount as those in old Rosedale.

In due time they were installed. Then, much to our dismay, came a complaint.

One of the young fathers appeared before council and complained bitterly. He said he wanted to be a good father, wanted to raise and educate his children and that in order to do this, he had to work—and work hard. Therefore, he said, he needed rest and lots of it and that he wasn't getting it.

"There's a street light right in front of my house," he pointed out in rather pathetic tones, "and the light shines right in my eyes. It denies me the rest I need."

There was silence for a moment, then Councilman Jack Whitehead turned in his chair and rendered an opinion that has become part of the lore of the city.

With very statesmanlike gestures he said:

"Just turn your bed around."

PICTURE TALK by **Les Wilson**

Are you sure you've "unwrapped" all your gifts?

Naturally you've gotten to the gifts that were sitting underneath the tree, all filled up with your name on them. But I'm talking about the gifts around the tree. Those wonderful holiday pictures you took of the kids and family and friends. They're great gifts. But they don't do you much good if you've left them in your camera, still "unwrapped."

So pop out that exposed roll and bring it to us (along with any others you've shot) for clear, sharp prints and sparkling color slides you'll be proud to show and share.

When you come in to pick up your pictures, it's a good idea to go through them right on the spot. That way, you can have the best ones made up into extra prints or beautiful, big enlargements in black-and-white or color. Believe me, family and friends who live far away enjoy your letters even more when they include a snapshot or two. Keeps them up to date like nothing else can.

And the enlargements, of course, are something you'll always treasure—for your mantle, for a dresser or desk, or to add to a family photo wall.

So make sure you "unwrap" those exposed rolls. Bring them in to us. In a few days, you'll have some more really wonderful Christmas gifts.

GM Payrolls in Livonia Hit \$56.1 Million

General Motors' employe payrolls at the Livonia Chevrolet and Fisher plants reached \$56.1 million during 1965, an increase of \$11

million over 1964. In addition, General Motors' expenditures with numerous Livonia area businesses which supplied goods and ser-

vices to the plants during the past year totaled \$1.8 million. The year-end statement was released jointly Monday by Thomas J. Car-

roll, Chevrolet plant manager and Paul D. Pender, Fisher Body plant manager. Employment during 1965 averaged 6,626, up

more than 700 over the previous year's average. For the month of December, employment rose to a record of 7,171. Employees at the two

plants contributed over \$160,000 to the 1965 United Fund Drive. In addition, they invested \$1,519,706 in United States Savings Bonds

through payroll deduction. More than \$197,000 was awarded to Livonia GM employes during the year for ideas submitted

in the GM Suggestion Plan. Construction of a 500,000 square foot addition to the Livonia Chevrolet plant, announced in 1964, is nearing completion. The new space will be used for spring and bumper fabrication.

The Chevrolet plant produces chassis coil and leaf springs and bumpers for Chevrolet passenger cars as well as springs and suspension components for the division's truck models.

The Fisher Body plant manufactures cushions, door trim pads, and other interior trim components for Buick, Oldsmobile and Pontiac passenger cars.

INSPECTING A DOOR trim pad produced by the Livonia Fisher Body plant are Plant Manager and Chairman of the 1965 Livonia GM Plant City Committee, Paul D. Pender (left), and Thomas J. Carroll, manager of the Chevrolet Spring & Bumper plant. The two General Motors operations announced that 1965 employe payrolls for the plants reached \$56.1 million during 1965 up \$11 million over the preceding year.

Bank of Commonwealth Opens New Nankin Office

Bank of the Commonwealth will officially open a new branch office at Cherry Hill and Venoy roads in Nankin Township on Thursday, Jan. 6. With three new offices being opened this week, the Commonwealth branch system has now been enlarged to 36 offices.

George W. Miller, president of Bank of the Commonwealth, said the new office is opening to serve both the Nankin Township and Garden City communities, which are experiencing rapid residential and commercial growth.

The new office utilizes one of the unique instant bank structures which Bank of the Commonwealth introduced to the Detroit area during 1965. The structure was assembled in three sections in a fabricator's yard, trucked to the new branch site, then lowered onto prepared foundations by a 25-ton crane.

Within minutes the three sections were bolted together. Electrical and water connections were completed the following day and furniture and bank business equipment installed. On the third day after arrival at its site, the bank was open to receive its first accounts.

Interior banking facilities include five walnut and white teller booths, customer desk stands, and desks for the managerial staff. A kitchenette and a lounge area is provided for employes.

The office features two drive-in windows and a night depository. Hours of the new office are from 10 a. m. until 5 p. m. Monday through Thursday, 10 a. m. until 6 p. m. Friday, 9 a. m. until 1 p. m. Saturday, and 10 a. m. until 6 p. m. on the 15th and month end.

Manager of the new office is Michael Kirila, who was formerly assistant manager of the Commonwealth's Garden City office.

Courts Begin New Assessment

Area courts began collecting tithes Monday on fines levied for criminal offenses other than traffic and conservation violations. The \$150 fine will remain with the local court and the \$15 assessment will be sent to the state treasurer to be deposited in the law enforcement officers training fund.

Starting Monday, any conviction resulting in a fine carried an additional charge of ten per cent of the fine. The added assessment results from the passage of Public Act 203 which took effect Monday and is designed to set up a Law Enforcement Officers Training Fund. Thus, if a person is convicted of assault and battery and fined \$150, he pays the fine plus an assessment of \$15.

Legion Lends Its Support To "March"

The American Legion, Department of Michigan is, once again, joining the campaign to combat birth defects.

Department Commander George S. Frederick declared that 70,000 Michigan Legionnaires will lend their support to the 1966 "March of Dimes" to aid in its program of research, education and medical care in the fight against birth defects.

A total of 2,000 posters, each bearing a picture of Commander Frederick with "March of Dimes" girl, five-year-old Lori Wagner of Milwaukee, have been printed by The American Legion and distributed to Legion Posts throughout the state.

The posters carry the message, "Join The American Legion in the March of Dimes." State American Legion Posts will, in turn, see that the posters are placed in show windows of business establishments in all Michigan communities.

A. J. "Tony" Pasant, State Chairman of the "March of Dimes", has wholeheartedly accepted The American Legion's endorsement. Commander Frederick urges all Michigan citizens to join The American Legion in supporting the "March of Dimes" battle against birth defects.

Registrations Open

Registrations for day and evening students for the Spring Session (Jan. 6-April 19) at Oakland Community College are now being accepted. Alfred Lilley Ends 50 Years With GMC

Alfred Lilley, of 13564 Lenone, retired from the Chevrolet Gear and Axle plant last week under the provisions of the General Motors retirement plan. He has been an employe of Gear and Axle for the past 40 years, the last three as a lubrication engineer.

Lilley, his wife and daughter, have made their home in Redford Township since 1953. A son and his wife and two daughters reside in Royal Oak.

State Establishes Police Training Fund

Area Judges were notified of the change by Samuel H. Olsen, Wayne County Prosecuting Attorney.

Livonia Mall To Present Antique Show

The Livonia Mall Merchants Association will present an antique show and flea market indoors at the large shopping center for three days and nights beginning Thursday, Jan. 13 and continuing through Saturday, Jan. 15.

Myra Chandler Continues Observer Editorial Duties

Mrs. Myra L. Chandler today assumed the duties of Editor-in-Chief of The Observer Newspaper Group over to Philip Power, knowing that he will continue to serve the community with the same energy and dedicated journalism established by my late husband, Paul M. Chandler.

In the Livonia slot, Mrs. Chandler replaces Dave Elsila, who left a long-time association with The Observer this week to assume new duties in Chicago, where he will be Editor of the American Teacher, a national educational publication of the American Federation of Teachers.

Mrs. Chandler has held several editorial responsibilities with The Observer during the past ten years. In 1955 she joined the staff of the fledgling Redford Observer as woman's editor. During the past 10 years she has written for all six Observer Newspapers.

Since the death of her husband Paul M. Chandler, founder of The Observer chain, a year ago, she has carried out the duties of publisher and President.

Last week, in announcing the sale of the Observer Newspapers to Philip H. Power, she said, "It is with the utmost confidence that I turn the reins of publishing The Observer Newspaper Group over to Philip Power, knowing that he will continue to serve the community with the same energy and dedicated journalism established by my late husband, Paul M. Chandler."

Detectives Rule Death Accidental

Two Livonia teenagers, Thomas Morris, 15, of 19273 Osmus, and Paul Armstrong, 14, of 19702 Ingram, won't soon forget the start of 1966.

The two students from Bryant Junior High were riding their bicycles Sunday along a path between W. Seven Mile Road and the Shadyside subdivision when they found the body of a man lying across the path near a small foot bridge.

They immediately called Livonia Police since it appeared the man had been beaten around the head and shoulders. Livonia Police also had visions of a murder when they started the investigation.

But after a thorough search of the area, Detective Lt. Robert Turner, reported his men labeled the death as due to a series of incidents.

The dead man, Lloyd Walker, of 19902 Hubbard, Livonia, apparently had imbued too well on New Year's Eve at a nearby bar. Then, according to reports, he left the tavern shortly before midnight with a six-pack under his arm.

Police believe he slipped and fell while crossing the footbridge, striking his head against a broken timber that made up part of the bridge, then they theorized that he struggled to his feet, wandered around for a few minutes and then slipped and fell across the path.

It was almost 36 hours later that the body was discovered.

Meet Your Carrier Boy

Jerry Burk, 15, of 7256 W. Frum Court, Garden City, has been a carrier for the Observer Newspapers since 1961. He is a sophomore at Franklin High School where he is busy taking a course that will eventually lead to college.

He is a B student, and finds his favorite subjects are Chemistry, Plane Geometry and Latin. He devotes most of his spare time to bowling and work with the Gun Club.

Jerry is the son of Mr. and Mrs. John Burk and already has his sights set on college although he has not definitely decided on the school of his choice as yet.

PTA NEWS

GRANDVIEW
Grandview PTA will meet Monday, Jan. 10 at 8 p.m. in the Multi-purpose Room of the school.
Mr. Hoffman, of the Northwestern Child Guidance Clinic, will speak on "What is Normal in Children?" pointing out that many things we consider abnormal behavior may actually be quite normal. He will also touch on danger signals in child behavior that may warn us that help is needed before the child reaches his teens.

Although the membership drive ended in December, memberships may be obtained at any P.T.A. meeting. However, you do not need a membership card to attend meetings. All parents are cordially invited.
Kindergarten rooms will be open to parents prior to the meeting from 7:45 to 8 p.m.

ROOSEVELT
The next general meeting of the Roosevelt PTA will be held on Thursday, Jan. 13 at 8 p.m. At this meeting the speaker will be Victor Dodge of Schoolcraft College. Dodge will speak on the subject of "Our Children's Study Habits."
Dodge, currently an instructor in English at Schoolcraft College, holds a Bachelor and Master Degree in English and has taught courses in "How to Study" at Cass High School and Highland Park Junior College.
The meeting will be held in the multi-purpose room. Parents of fifth and sixth graders are especially invited to attend with their children.

LONGACRE
An informative program has been planned for Longacre's PTA general meeting to be held Wednesday, Jan. 12, in the school's multi-purpose room at 8 p.m.
Guest speaker is Richard W. LaForge, Director of Youth Guidance of the Greater Farmington area. La Forge has worked directly with the young children and teenagers in the Farmington area and is not only concerned but well-versed with young people's troubles and problems. LaForge has a background working with disturbed people and their problems.
The Youth Guidance program encompasses a large field working with children from all types of homes in Farmington. Through its referral program any child who needs any type of special help is directed to the proper sources of help.
The Casework Committee reviews all cases with the police, teachers, and parents. The primary purposes of the Youth Guidance is to prevent the children from going too far. Youth Guidance is governed by the School Board, Township Board, and Judge.
Reminder: Don't forget the March 2 general meeting. Another interesting and extremely important topic will be discussed by Dr. Donald F. Schroeder — Sex Education and Your Child.

See You There!

Robert Wright, director of the Baptist Children's Home, will talk to members of Alpha Delta Pi Alumnae Association Jan. 6 at 8 p.m. at the home of Mrs. George Baird of Birmingham. Assisting Mrs. Baird will be Mrs. Arthur Stewart of Royal Oak, and Mrs. Fred Nuellner of Birmingham.
The Western Wayne County Alumnae Chapter of Alpha Xi Delta will hold its meeting of the new year on Tuesday, Jan. 11 at 8 p.m. at the home of Mrs. W. D. Wassell, 13999 Cranston, Livonia. No formal program has been planned so that members will have an opportunity for informal fellowship. Co-hostesses for the evening will be Mrs. I. Sekulich, 565-7193 and Mrs. D. Riehl, 421-3150. All alumnae are cordially invited.

Redford Toastmistress Club will hold a meeting at 12:30 p.m. in Grand River and Eight Mile, Tuesday, Jan. 11 at 12:30 p.m. The program will highlight microphone and speech technique conducted by Mrs. Clifford Dixon, Mrs. William Sutterfield, and Mrs. Harold Young. For information and reservations call Mrs. John Ralston, 474-8127.

Pancake Supper at First Methodist Church in Farmington at Grand River and Warner Roads on January 21 from 5:30 to 7:30 p.m.

Riverside Coin Club of Livonia will meet Sunday, Jan. 9, at Rosedale School at 2:15 p.m. Over 50 slides of gold coinage from 1795-1933 will be shown. There will be an auction and refreshments. All members are urged to attend the first meeting of the new year and any and all persons having numismatic interests are welcome.

Welcome Wagon Club meeting will be Jan. 11 at 8 p.m. at Merri-Bowl meeting room. Reservations must be phoned to Mrs. Drafts — 425-9463, or Mrs. Bluemke — 425-4692.

Idyl Wyld Civic Association is having its annual meeting Jan. 10 at 8 p.m. at the Hoover School. The main issue on the docket will be voting of new officers. Dues may be paid at this meeting.

Farmington Alumnae Association of Delta Gamma will meet in the home of Mrs. William Gravius, 31805 Coronet, Farmington, on Monday evening, Jan. 10 at 8 p.m. The program for the evening will be a panel discussion by three high school students who are members of the "American Field Service." Inge Missmahl is from Frankfort, West Germany; studying in this country for one year, attending Bentsley High School and residing with the Chaffee family. Jeff Gaskell from England, attending Bentsley, and residing with the Fleming family. Jerry Litwin from Livonia, attending Clarenceville High School. He has studied in the Netherlands for one year. Their discussion will include differences in educational techniques and customs.

The next meeting of the Rosary High School Mothers' Club will be held on Monday, January 10, at 8 p.m., in the school cafeteria. Harold Schachern will speak about the "Vatican Council."

Mothers of Miss Spinney's second grade and Miss Blake's third grade will send refreshments for the meeting.

Newlyweds Make Home In Redford Township

Carol Lee Rothrock and Jerry Clifton Gibbons were united in marriage August 7 by Rev. William Whitledge in St. Paul's Presbyterian Church of Livonia. The bride is the daughter of Mr. and Mrs. J. Walter Rothrock Fox, Redford Township and the groom the son of Mr. and Mrs. John C. Gibbons, Detroit. The new Mrs. Gibbons' gown was designed by her and made by her grandmother. It was silk organza over taffeta, with an extremely full skirt, set in train of seven tiers of organza edged in Venice lace. Her attendants were Camilla Aulerich, Ann Lynn Rockwell and Vonnie Evans. For them

the bride chose sleeveless sheaths of yellow nylon dotted swiss over taffeta. They carried yellow daisies in baskets and wore picture hats. Serving as best man was William Evans with Richard Fetter, Richard Aulerich and James Evans seating the guests. A reception was held for 150 guests in the church parlors following the ceremony. After a motor trip to Honey Harbour the newlyweds will be at home in Redford Township. The bride is a graduate of Redford Union and Michigan State. She is a teacher in Redford Union High School. Her groom is a graduate of Henry Ford Community College.

'Star Gazers' Will Chart Horoscope

Star Glazers is a new club which meets to discuss, evaluate, and compare notes on astrology. They had their first meeting in September, and these meetings have become so successful that now they will be held in Riverside High School at Beech Rd. and Daly. Tuesdays, beginners will meet from 7:30 to 10 p.m. Advanced class will be held Thursday for the same amount of time. Lessons will be given on how to set up a horoscope and the various aspects. How planets are related to each other will be discussed. An interesting sidelight is that the illness of President Johnson was forecast in class before it took place. Say it with good brakes, motorists, and save the flowers.

New Years Eve Glitters In The Suburbs

New Year's 1966 was ushered in royally in the suburbs with every kind of a party to celebrate its arrival. The champagne was iced, balloons were blown up, and tables were laden with party food throughout the area.

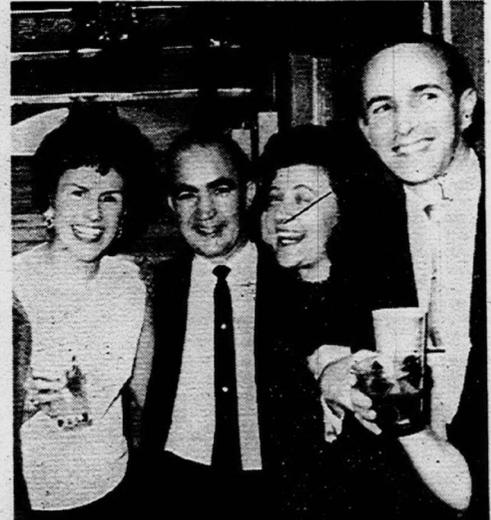

Jeweled and beaded sheaths were definitely high style. White, black and blue were top choice. Every imaginable kind of bead and jewel were sewn, embroidered or applied into milady's gown. Chandelier earrings and small crowns were also in evidence. Many of the men appeared in formal evening wear and seemed to be enjoying a gay time. If 1966 lives up to its welcome it ought to be a PARTY YEAR!

BEATNIKS
The beatniks, man, had New Year's Eve, too, and not just

le Montmartre, or Greenwich Village! Over at the Koops pad were these beatniks making the scene:
Left to right: Roger Koops, Kathie Ziska, Gerry Thayer, JoAnn Koops, Theda Thayer, Stan Guzik, Beryl Munro, Joe Ziska.

Mrs. Julius Bauer Will Show Slides To D.A.R. Chapter

Three Flags Chapter of the Daughters of the American Revolution will have their annual husbands' and guests' night meeting, Jan. 10, at the home of Mrs. Charles E. Shaw, 28262 Farmington Rd., Farmington; Mrs. R. Neil Brannon and Mrs. M. Douglas Oldford will assist the hostess at the 6:30 potluck dinner.

The speaker will be Mrs. Julius Bauer, who will tell of her experiences traveling in South America and show her slides.

Troth Told

Mr. and Mrs. J. D. Cummings of 19788 Wakenden, Redford Township, announce the engagement of their daughter Claire Marie to John Morgan O'Connor.

John O'Connor is the son of Mr. and Mrs. John E. O'Connor of 19997 Centralia, Redford Township.

Announcement of the engagement was made by the bride's parents at a dinner dance.

The bride-elect attended St. Agatha High School.

The intended groom attended Redford Union High School.

No date has been set for the wedding.

Senior Citizens Wed

The Pioneer Group of Senior Citizens of Livonia really have enjoyed the Christmas season by getting together for coffee klaches, singing Christmas carols and exchanging cards.

A bus trip through Dearborn, downtown Detroit and Grosse Pointe was arranged by Joseph Wagar and Irene Apel. More than 150 members of the Pioneer and Friendship groups enjoyed the beauty of Christmas decorations.

Henry Mensch and Marie Flynn were married and left for Florida.

The shuttles were also remembered at Christmas time.

A fair deal to most people means that they secured a slight advantage for themselves.

OPEN HOUSE, NEW YEAR'S STYLE

The George Bruners threw an Open House New Year's Eve, told their friends, "Stop on your way TO a party, on your way home FROM a party, or stay and HAVE a party! The result was that people arrived in a continuous stream into the

wee small hours. Stopping under the mistletoe to say "Hello" were Eleanor and Reginald Sandy, Lind and Bill Dimock. It's Midnight on the dot. George and Norma Lee Bruner, Marv and Barb Stevens try to duck the confetti. It must have been funny from the expressions on Henry and Barbara Haigh's faces.

MORE FORMAL AT CLUB

Farmington Country Club hosted a more formal party with guests wearing elaborately jeweled tiaras and hats, and

multi-colored balloons spangled for their games. All guests wore evening attire.
Left to right: Mr. and Mrs. Clare Morrison, Mr. and Mrs. Robert Smith (party chairmen).

Eta Tau Announces Winner of Contest

Livonia's Eta Tau Chapter of Beta Sigma Phi held one of its parties Dec. 14 at the home of Mrs. Jennie Harde, with Miss Lori Kalin serving as hostess. At this meeting a contest sponsored by Eta Tau to raise money for service projects, the club president, Mrs. Jo Ann Draper, announced the winner was C. Chmura, 20035 Klinger, Detroit. The Ways and Means Chairman, Mrs. Judy Kahle, presented gifts to members who sold the most candles. First place gift went to Mrs. Peggy Mason and second was won by Mrs. Ethel Dismachek.
Eta Tau held another holiday party for members and husbands on Dec. 18 at the home of Mr. and Mrs. John Moore in Spring Valley.

Linda Brocklehurst Tours With Alma College Choir

Linda Brocklehurst spent the first part of her Christmas vacation traveling through Michigan with the Alma College A Capella Choir. She flew to Gulfport, Miss., on Christmas Day to visit her oldest brother, Lieut. G. E. Brocklehurst of the U. S. Air Force, and his family.

Twelfth Night Is Holiday for Revelers

If you are a devotee of wine, women, and song, then Twelfth Night is your own special holiday. Twelfth Night or Epiphany is traditionally the season of revelers.

It commemorates the manifestation of Christ to the Gentiles through the visit of the three wise men (often styled the kings) to Bethlehem bearing gifts.

In Elizabethan times, the holiday became so boisterous and so lawless that the holiday became obsolete and instead of a national celebration it is now only celebrated in private clubs and societies.

The festivals always begin in the same manner. A special twelfth night cake is baked, which contains a bean, and another cake containing a small doll. Whoever receives the bean is chosen king of the revelers, and likewise the person who receives the doll becomes the queen.

A parade of trumpeters begins past the king and queen who are seated under canopied thrones with their court, and at a given signal the king raises the wassail bowl and commands everyone to eat, drink, be merry and forget their cares.

Twelfth Night is still celebrated in New Orleans where it is the forerunner of the Lenten season.

One of the most beautiful ceremonies is observed yearly in Tarpon Springs, Florida, where it is known as the Blessing of the Sponge Divers. Thousands come each year to watch

the divers who, after the Greek masses have been said, leap into the bay to retrieve a crucifix. The winner is blessed by the archbishop. The bay and the palm trees form a natural amphitheater. A white dove is released over the waters to signify the Holy Spirit.

One superstition that persists through the ages is that if you burn a branch of a Christmas tree in a bonfire while making a wish, you will have a year of good fortune.

Pi Beta Phi Members Plan Tasty Treats For 'Cramming Coeds'

Mrs. Donald Briggs, of Farmington, will entertain members of the Detroit-Dearborn Alumnae Club of Pi Beta Phi at the home of Mrs. James W. Dingman, 16629 Whithy Dr., Livonia.

Mrs. Briggs will give a book review.

Co-hostesses will be Mrs. Ralph C. Annis, 24731 Chicago Ave., Dearborn, and Mrs. Richard Sterling, 23245 Fleming Dr., Farmington.

Each member is requested to bring snacks and treats for the girls in four active chapters, Hillsdale College, University of Michigan, Michigan State University and Albion College. The snacks, cookies, cakes and candies are to help the girls through the period when they are cramming for their examinations.

ETHEL AND PERRY SCHWARTZ were honored on their 25th wedding anniversary Sunday with an open house and dinner attended by more than 50 friends. The Schwartzes, who live on Lexington Ave., in Redford Township, are parents of two daughters, Judi and Joni. Hostesses at the event, which brought relatives and friends from throughout Michigan to the Township, were Mary Davis and Millie Rowson. The Schwartzes were married in 1941 in Detroit.

Hagerman-Wilson Wed In Double Ring Ceremony

Joyce Lee Hagerman, 4444 Denison St., Detroit, Dec. 4 at the First United Presbyterian Church, Plymouth, in an evening ceremony.

The bride is the daughter of Mr. and Mrs. Clark R. Hagerman, 14565 Huntington Drive, Plymouth.

The groom's parents are Mr. and Mrs. Monroe Wilson, 19 Bailey Drive, Newman, Ga.

The minister who performed the double ring ceremony was Dr. Henry J. Walch.

The bride, given in marriage by her father, wore a floor-length sheath gown of silk organza with Alconen lace and pearl trimmings. Her shoulder length veil was secured by a pearl and lace cap. She carried a nosegay of white roses with two orchids in the center.

Mrs. Betty Cook, matron of honor was gowned in moss green velvet. The skirt of the dress was of vanilla colored crepe. Her veil was of matching colors. She carried a bouquet of yellow roses and bronze mums.

Bridesmaids Pat Hagerman, sister of the bride; and Carol Stetu wore similar outfits.

Denise Nowka, (cousin of the groom) and Robbie Campbell (nephew of the groom) were flower girl and ring bearer, respectively. Al Flower, Dave Starnes, George Howell (from Northville) and Ron Mensack (Dearborn) seated the guests.

The bride's mother wore a brown lace dress with matching tunic and light beige accessories. The groom's mother wore a suit of green and blue silk brocade.

Over 150 guests from Plymouth, Northville, Dearborn, Fenton, Detroit, Flint, Georgia, and Ohio, attended the reception at the Knights of Columbus Hall.

The bride wore a going away outfit of orange Italian knit.

After a wedding trip to Cadillac the couple will live in Plymouth.

CLASSES BEGIN JAN. 17

Psychology to Home Construction.. Clarenceville Adult Education Has Them

You may not know how to psychoanalyze your spouse or build your own new home when you get through, but adults who enroll in some of the courses being offered by Clarenceville Public Schools this winter can at least get a start in these directions.

Adult education courses offered by the district will include "everyday psychology" and "home construction" and nearly a score of others. They will begin the week of Jan. 17, with all courses meeting for 10 weeks from 7:30 to 9:30 p.m. at Clarenceville High School, 20155 Middlebelt.

The class offerings, and a description of each written by school authorities, follow:

INVESTMENTS — A simple, but accurate business approach for starting a successful investment program. Eliminate the confusion of buying on hunches, inside information, and "hot tips."

TYPING II—A continuation

of Typing I, with emphasis on speed and accuracy, business letter styles, and basic business forms.

KNITTING I—Designed to teach you basic knitting steps and terms and how to apply them to a garment. Group and individual instruction will be given.

BRIDGE I AND II—A study and analysis of the scoring and theory of contract bridge. Elementary playing of no-trump and trump contracts. An introduction to duplicate bridge.

FLOWER ARRANGEMENT AND HORTICULTURE: Prepare yourself now for the spring months ahead by studying the art and science of growing flowers, fruits and other garden favorites. You will also have a unique opportunity to study and practice the basic principles of flower arranging.

TUESDAY
KNITTING II—A continuation of the skills developing in Knitting I. This class is for

knitters with previous experience who desire to give their garments a truly professional look.

REFRESHER SHORTHAND — A course designed to help you "brush up" on your former shorthand instruction. Students will be placed in sections of 40-60, 60-80, and 80-120 words per minute, according to their skills.

INDUSTRIES MATH—This class reviews basic mathematics skills and relates them to realistic shop problems.

HOME CONSTRUCTION—A buyers guide "must" if you plan to purchase a new or older home. Learn the basic answers about excavations, walls, partitions, drains, zoning ordinances and more from a building engineer.

WEDNESDAYS
SEWING II—A class designed for students who have completed sewing I and for those ladies who have had experience in sewing and want to develop the latest skills that will give

their garments a "professional look."

LAPIDARY II—This course will allow the lapidary enthusiast to work with more valuable stones. Skills will be developed in the use of diamond abrasives, tumbling, and fastening. (The fee for this course is \$11 and includes the additional fee for replacement of expendable materials).

CROCHETING I—This course is designed to teach the basic crocheting steps and terms and how to apply them to a pattern—Group and individual instruction.

ENGLISH COMMUNICATIONS — The fundamentals of writing and speaking will be taught in a realistic, useful manner.

FOLK DANCING—A unique opportunity to learn the customs and national dances of countries throughout the world—and have a lot of fun doing it! A special price of only \$11 per couple will be in effect. The single enrollment fee remains

at \$9. This class will meet in the Grandview Elementary School which is located immediately west of the High School.

THURSDAY
DRIVER'S EDUCATION—Learn the basic skills necessary to operate a motor vehicle. This course meets by group arrangement. The fee is \$30. This includes five hours of behind the wheel and one hour of classroom instruction. Additional instruction in the car will be offered at \$5 per hour.

LAPIDARY I—An introduction to basic lapidary work and gemology. Primary emphasis will be on cutting, grinding, sanding, and polishing semi-precious stones. The fee is \$11 and includes the cost of replacing expendable materials.

INCOME TAX—Study the basic fundamentals of our current Federal Income Tax Forms. The course is designed to point out the common errors made by individuals and

to discuss deductions that are often overlooked in filing your income tax statements.

EVERYDAY PSYCHOLOGY —A course designed to give the student an understanding of the terms and concepts used in the psychology of everyday life. Such topics as defense mechanisms, frustrations, nature of conflict and dynamics of learning will be discussed. The course will help one to understand human behavior, but is not designed to give therapy. The fee for this course is \$11 and includes the cost of purchasing necessary materials.

WOODSHOP—An excellent opportunity to study wood construction and to develop the safe and skillful use of hand tools and machines. Students will be able to take their creative abilities and develop them into a reality.

In addition, there will be free adult recreation nights from 7:30 to 10:30 on all Tuesdays in January, on Feb. 8, and on

March 8, 15, 22 and 29 at the high school gym.

Adult swimming instruction is scheduled for Tuesday from 7 to 9 p.m. in the high school pool.

Registration is scheduled any

time until Jan. 14 and information on courses is available by telephoning the Mr. Leary, 476-4620, after 1:30 p.m. daily.

Classes in areas not listed will be offered to interested groups of at least 10 persons.

Announce Engagement

Mr. and Mrs. James Thomas Stephens of Los Angeles, Calif. (formerly of Livonia) announce the engagement of their daughter, Glenda Sue to David Crumbaker Jenkins, Jr., son of Mr. and Mrs. D. Crumbaker Jenkins of State College, Pa. Glenda Sue was a 1963 graduate of Bentley High. Both Glenda Sue and her fiance are seniors at David Lipscomb College in Nashville, Tenn. The wedding is planned for June 5, and will take place in Nashville.

Alfred Wolff, To Narrate 'German Panorama' Film At Community House Jan. 7-8

The New Year will start at the Community House (Bates and Townsend in Birmingham) on Jan. 7-8, with Alfred Wolff, narrating his all-color film on Germany at the popular Travel Film Series.

World traveler Alfred Wolff began his travels at the age of three, and has since averaged about 50,000 miles per year. Wolff received his formal education at Wayland Academy, University of Wisconsin, Massachusetts Institute of Technology, and European schools. He was an Advanced Flight Instructor in Naval Aviation, and later an executive of Pioneer Airlines.

Wolff produces educational films as well as travel films, and appears regularly for the outstanding Travel and Adventure courses, Town Halls, Schools, Clubs and Societies, throughout the United States and Canada. He also makes numerous television appearances in connection with these.

Preceding "German Panorama" the Community House will serve an authentic German dinner, featuring the typical and wholesome foods so popular with German people.

Reservations are requested for the dinner, which is served from 6 p.m. by Thursday, Jan. 6 — MI 4-5832. No reservations are necessary for the travel film.

KATHRYN A. SALIBA

Mr. and Mrs. E. Saliba, 16030 Riverside Drive, Livonia, announce the engagement of their daughter, Kathryn to Douglas Parnin, son of Mr. and Mrs. Ralph Parnin, 11604 Boston Post, Livonia. Kathryn will graduate from Franklin High School this June. Douglas is attending Schoolcraft College at the present time. No date for the wedding has been announced.

Holland-Hudson Wed In Double Ring Ceremony

Sally Ann Holland wed John Hudson in a double ring ceremony, Dec. 22 at 4 p.m. in the First Presbyterian Church of Plymouth.

The bride is the daughter of Mr. and Mrs. Ray P. Holland, Jr., 1702 West Third St., Roswell.

The groom is the son of Mr. and Mrs. Joseph Hudson of Plymouth. Rev. Robert L. Maxson performed the ceremony.

The bride, given in marriage by her father, wore a gown of ivory brocade fashioned with a sleeveless bodice and topped with a full length coat with a chapel-length train and self bows at the shoulder for her wedding day. Her veil of ivory silk illusion was shoulder length. Her bouquet was formed of a cascade of gardenias, stephanotis and ivy.

Miss Nancy Holland, sister of the bride was the maid of honor. She wore a floor-length dress of moss green velvet with empire waistline, jewel neckline and elbow-length sleeves. Miss Donna Baker (Battle Creek); Miss Sandra Caldwell

(Battle Creek); Mrs. Bob Lovegrove (Missoula, Mont.); Miss Linda Holland (sister of the bride) were her attendants. They all wore gowns similar to the maid of honor's gown. Ivy wreaths were their headpieces and their cascade bouquets were of stephanotis, rosebuds and ivy.

Donald Pope was best man. Harry Markowich and Fred Jolly were the ushers.

The bride's mother wore a beige silk sheath with matching lace accent on three-quarter sleeves. She wore a corsage of green cymbidium orchids.

Following the ceremony a reception was held in the Westminster Room of the church with over 75 guests in attendance.

The bride's table was covered in moss green linen. The wedding cake was topped with stephanotis and rosebuds. Mrs. J. O. Robertson served the wedding cake. Cranberry punch was served from a crystal bowl by Mrs. N. T. Ottersons. The flowers (ivory gladioli and chrysanthemums arranged with

green ivy) were used to decorate the room and table. Linda Holland, younger sister of the bride attended the guest book.

Out-of-town guests included Mr. and Mrs. Ray P. Holland, Sr., (grandparents), Vermont; Mr. and Mrs. Robert Lovegrove, Missoula, Mont.; Fred Jolly,

Alaska; Nancy Holland (sister), Boston, Mass.; Donna Baker and Sandra Caldwell, East Lansing; and Donald Pope, Livonia.

Following an extended trip through the west the newlyweds will make their home in Ridgecrest, Calif.

Hill and Dale Members Grow Garden 'Good Enough To Eat'

The members of the Hill and Dale Garden Club Therapy Group of Farmington are starting the New Year by planning all sorts of interesting and educational projects for the children in the Farmington Special Education Department.

Knowing that the children love to see something develop, come to life and grow, the next project planned for Jan. 5 is half submerging an onion in water. The onions will be held in place by inserting toothpicks, if necessary.

First, however, the children will decorate the jar containers by completely covering a jar with colorful, cut-up pieces of paper that they have cut into various shapes and sizes, leaving a peekhole in the paper thus enabling them to watch the roots of the onion develop and grow. The root system will take approximately two days to develop and the top of the onion will take about a week to sprout.

CITY OF PLYMOUTH NOTICE OF APPLICATION FOR SENIOR CITIZENS TAX RELIEF

During the month of January 1966, applications will be received by the City Assessor at 201 S. Main St. for those taxpayers who are eligible for relief under the Senior Citizens Homestead Tax Exemption Act.

Eligibility requirements for all applicants:

- Must be 65 years old or over
- Must have been a resident of Michigan for at least the past 7 years
- Gross income including that of spouse should not exceed \$5,000 during 1965
- Total market value of all property owned in the State of Michigan should not exceed \$20,000

These application forms will be available at the City Assessor's Office beginning January 4, 1966. Any person now living in the city who is interested in receiving one of these forms may call 453-1234, Ext. 43, in advance to have their name put on the mailing list.

It is suggested that anyone over 65 who has applied for a veteran's homestead exemption in the past or who has a major loss in vision might wish to consider this form of tax relief instead if they meet the requirements. Under the Senior Citizens Exemption, the State will pay a greater share of the tax than through the Veteran's or Blind Person's Exemption.

Livonia Police Chief Warns Drivers to Prepare for Winter

While it's still early in the cold season, yet it's late enough for local drivers to have experienced several bouts with winter driving problems, and Livonia Police Chief James Jordan suggests that now is a good time for drivers to review recommended measures for handling seasonal driving difficulties.

"This information does not originate with me," the chief explained. "The source is the Committee on Winter Driving Hazards of the National Safety Council. And it is recommended by the International Association of Chiefs of Police that we help make safe winter driving information known in the interest of traffic control and accident prevention."

Accident prevention is not an insurmountable problem in rough winter weather, the chief maintains. The secret is to protect one's ability to see and to stop.

To cope with winter darkness and bad weather, drivers must get a head start on safety by keeping car lights in good order and windshield clearing equipment — wipers and defrosters — operating properly. Chief Jordan reassured. And since seeing is a matter of looking, drivers should be doubly alert when natural visibility deteriorates.

The "stopping" part of the formula suggests the need for good, equalized brakes. In winter, of course, there is that other determining factor — traction. Stopping-traction drops dangerously on icy streets. This is when unprepared drivers can "lose their grip" the chief warns.

"Fortunately, we in Livonia aren't the only ones thinking about this problem," Chief Jordan said. "Winter driving research, conducted annually under auspices of the National Safety Council, has already given us much of the information on which a safe winter driving record can be built."

He listed these items of information:

On glare ice, braking distance may be as much as twelve times greater than that on dry pavements (something for pedestrians as well as drivers to remember), averaging 195 feet (ten car lengths!) with regular tires from a speed of only 20 mph. While snow tires reduce this somewhat to 174 feet, reinforced tire chains further

shorten it to less than half this distance—77 feet. On loosely packed snow, average braking distance from a

speed of 20 mph turned out to be 60 feet, while snow tires cut this average to 52 feet, and reinforced tire chains (with spe-

cial biting cleats) to 38 feet. Underinflating tires does not improve traction so much as it reduces stability and engenders

tire fatigue. If the winter ahead still looks kind of long and dangerous to you, information

like this may be just what you need, thinks Chief Jordan, who has this parting shot:

"With braking distances, like I've just mentioned, from a speed of just 20 miles an hour, you can see why the officers of

our department take a dim view of speeders — especially when conditions aren't the best."

Annual Alien Report Drive Announced

Walter A. Sahli, District Director of the Immigration and Naturalization Service Detroit, advised Monday that the annual alien address report program is again under way.

According to Sahli, 131,000 aliens reported their addresses last year in the State of Michigan. The number this year is expected to be slightly smaller.

The Immigration official pointed out that the address reports are required by law and willful failure to comply with these requirements may lead to serious consequences.

Forms with which to make the reports are available at all Post Offices and Immigration and Naturalization Service offices. It is an easy matter to fill out one of the cards and return it to the same office.

Sahli added that trained personnel will be on hand in all offices of the Immigration and Naturalization Service to answer any questions the reporting aliens may have regarding immigration and naturalization matters. Sufficient trained personnel are not available to furnish this assistance in all Post Offices.

Fisher Named Detroit Bank Training Chief

Detroit Bank & Trust has announced the appointment of Richard H. Fisher as director of training. The announcement was made jointly by Chairman Raymond T. Perring and President Charles H. Hewitt.

Fisher will head all bank training activities under the direction of Vice President Robert Dean, manager of the bank's personnel department.

Fisher joined Detroit Bank & Trust in 1955 and has served in the bank mortgage department, as an assistant branch manager and from April of 1964 until this month, as manager of the bank's office at Seven Mile and Telegraph Roads.

Unveil Unusual Custom Car At Autorama

The Stiletto, a new concept in custom car design, will be unveiled at the Spectacular 14th annual Autorama in Cobo Hall which starts a three-day run on Friday, January 21.

The creation, valued at \$55,000, is one of many unique automobiles designed and built by internationally-known hot rod and custom car competitors to be seen in America's biggest custom car show.

Others include the weird and rather ghoulish Munster Koach of television fame; the Surf-woody and the Ala Kart, all creations of George Barris, "king of the customizers."

More than 300 entries of some of the most futuristic cars ever assembled will be at the show and more than 70,000 persons are expected to see them. There will be cars of the future and of the past; custom cars, hot rods, classics, sports cars, cycles and antiques.

Autorama is co-sponsored by Promotions, Inc., headed by Bob Larivee of Harper Woods, and the Michigan Hot Rod Association, whose president is Lee Lasky of Warren.

An added feature, open to single girls 18 to 25 years of age, is the "Miss Autorama" contest. Entries—picture, name, address, telephone number and measurements—should be sent to Promotions, Inc., 19717 East Nine Mile, St. Clair Shores, before Jan. 14.

Observing Sports

(Continued from Page 4-B)

3—Steps to unite the three Livonia public high schools, the two Farmington schools and the two Redford Township school teams so that they play in the same leagues? It doesn't make sense to this reporter for Bentley, Franklin and Stevenson to be operating in different circuits and the same for Farmington and North Farmington, Redford Union and Thurston and Garden City East and Garden City West. In Detroit, in Flint, in Grand Rapids and in Saginaw, to mention just a few places in Michigan, the high schools are in the same circuits.

It would be nice in this year of '66 for:

1—The Tigers, the Lions and the Pistons to rebound while the Red Wings remain powerful.

2—The National Basketball Association to see to it that the Pistons get Cazzie Russell and maybe a 7-foot center.

3—That everybody who bowls uncorks at least one 300 game sometime during the season.

4—Every golfer to enjoy the thrill of teeing off and finding his drive nestled in the cup.

5—More of us take an interest in the President's Physical Fitness program and do something about eliminating the extra poundage we carry.

6—The efforts of recreation officials in the area to draw more participants, especially among the adult folks.

7—All of us who think we know something about the game of bridge to get one of those hands with four aces, four kings and maybe a few queens.

8—Mothers to encounter no baby-sitting problems so that they can slip out for an extra game of tennis or golf.

9—The folks in Farmington to make available swimming pools at the two senior high schools.

10—Arrangements to be completed to provide lights for Franklin and Stevenson high schools for football.

Things the reporter promises NOT to do in 1966:

1—Scream at referees or umpires.

2—Rap the Little League (or equivalent) baseball, football and basketball programs, despite the fact we continue to feel that more effort should be concentrated on boys and girls in the upper teens than on youngsters, 9-12.

3—Pick apart a coach because he has employed what some of us might consider faulty strategy.

4—Misspell any of the hundreds of names we mention on these sports pages.

5—Get our copy in too late.

6—Favor one school over another, although sometimes we realize that it's easier to yell about a winner than a loser.

7—Get mad when somebody gets mad at us.

This should be another year in which:

1—The sports bug, who stays at home, should enjoy more and more television, especially with the National Football League now agreeing to present TV contests in Detroit, even when the Lions are at Tiger Stadium.

2—Interest swells in outdoor activities like hunting, golfing and skiing.

3—Nobody hits .400 in either major league.

4—Record attendances are established at sports attractions in the Greater Detroit area.

5—Michigan and Michigan State sell out for their annual football battle.

6—The NCAA goofs up and keeps from television a game with the importance of this past fall's Michigan State-Notre Dame struggle for the national title.

Most important, let's hope that all of us enjoy the best of everything—especially HEALTH—in the 12 months ahead.

Rouge Rips Thurston

(Continued from Page 4-B) ing honors for the victors with Henry Shelton. Price caged 19 points and

Shelton 18. Ben Benford also struck in double figures for Rouge, which now has won seven in a row to top the state Class B ratings, with 15 points.

Thurston soared off to a fast start in the tourney by beating Taylor, 77-64.

Thurston took a 20-17 edge in the first period, pulled in front, 38-28, by halftime and held a 54-40 edge at the three-quarter mark.

Knock was the hot man with the shots for the winners. He tossed in 13 baskets, plus seven free throws, for 33 points.

The next night saw Thurston blitz Northville, 82-58. The score was close for only a period, Thurston leading, 17-12, after the initial eight minutes.

By halftime, the Townshipers had sprung in front, 41-22. Then came another blitz and Thurston held a 63-33 three-quarter bulge.

Subs played the final period for Thurston.

Samelson caged 20 points for the victors while Barringer tallied 15, Knock ten, Block nine and Wardrop eight.

Thurston's reserves also reached the final in a tourney for second teams, making it a very profitable week for the townshipers.

Wayne Cagers Face 3 Games In Five Days

Wayne State University breaks the throes of 36 days of idleness with a hectic three-game week beginning January 10 when Northern Michigan University's highly-rated Wildcats come to town for an 8 p.m. contest at Henry Ford Community College.

Thiel College and Allegheny College are the foes on January 14-15 with the games slated for 8 p.m. at Pershing High School gymnasium, Detroit. WSU is being forced to shift around the city this season while marking time, awaiting the completion of its own \$2.2 million gymnasium which will be ready next fall.

Pistons Face Hawks In Lone Home Stay

Home never will look much sweeter for the Detroit Pistons when they return to Cobo Arena Friday evening to take on the St. Louis Hawks starting at 8 o'clock.

By the time the Pistons see the lights of their home floor, they'll have played 10 out of 11 games on foreign fronts, stretching from Sacramento and Los Angeles on the west coast to Baltimore and Miami Beach on the Atlantic Ocean.

The Friday encounter will usher in four straight encounters for the Pistons in Detroit.

The Western Division leading Los Angeles Lakers move in Sunday afternoon when Family Day will be observed at the Arena starting at 2 p.m. Each family can secure adjacent reserved seats for everybody — mom, dad and kids — for a blanket price of \$5. It makes no difference how many youngsters there are in the family.

Prep Cage Schedule

FRIDAY'S GAMES

Belleville at Bentley, Glenn at Franklin, Plymouth at Trenton, Garden City West at Schaefer, Garden City East at Inkster, Allen Park at Redford Union, Farmington at Waterford, North Farmington at Groves, St. Rita at St. Agatha, Bloomfield Hills at Clarenceville, Oak Park at Thurston.

SATURDAY'S GAME
Clarkston at Clarenceville.

The Philadelphia 76ers with Will Chamberlain check in at the Arena next Wednesday, January 12, and the Baltimore Bullets follow on Saturday, January 15.

Outstanding high school and collegian preliminaries will precede or follow the Pistons' games on their long home stand. Highland Park, one of the area's prep Class A powers, will square off against Royal Oak Dondero this Friday with the reserve game at 4:45 p.m. and the varsity encounter at 6:15.

On Sunday, it will be the varsities of Lutheran East and West Highs and then the reserve teams after the Pistons complete their duel with Los Angeles.

Schoolcraft College from the Livonia area and Henry Ford College from Dearborn hook up in next Wednesday's preliminary at 6 o'clock. On January 15, River Rouge's state class B champs will square off with Ludington in what shapes up as one of the

outstanding intersectional games on the prep agenda prior to the state tournament in March.

The Pistons have undergone a major change in their roster during the holiday period.

Veterans Rod Thorn and Joe Caldwell were traded to the St. Louis Hawks in exchange for Guards John Barnhill and Charles (Chico) Vaughn and Forward-Center John Tresvant. The Pistons also deactivated Bill Buntin, the former Michigan great, and placed him on

their "farmout" or "taxi-squad" list.

WHAT ABOUT DISCOUNTING?

"Discounting is neither new nor unique in appliance retailing," says Derm Rowland. "It's probably safe to assume every appliance dealer is a discounteer—at least to some degree. How much any specific dealer discounts is determined by his purchasing power, volume of business, and of course, his own policies of operation."

"Home Appliance Mart was planned from the beginning as a discount operation and was one of the first in Michigan to retail on this basis. As our volume has increased, so has our purchasing power. At this point it is doubtful that anybody has an advantage over us in this respect, or in the brand names we carry. As for our policies on discounting, all I can say is we do not intend to lose a single sale over price."

"There is more to our business policies than just having low discount prices, however. Not everybody is interested in just the lowest price. For this reason we have made every effort to offer bigger selections; more brand names; courteous, well-trained sales help; and our own efficient, up-to-date service department. If you've never visited our store before, why not take this opportunity to get acquainted, browse around and see the latest in appliance innovations and enjoy coffee with us? Next to ROBERT HALL and KINNEYS."

CHRYSLER PRESENTS CONCERT

N. Farmington Students Hear Music

By DEBBIE LUSKY
"Music for Modern Americans," an assembly compiled as a part of the Driver Education program of the Chrysler Corporation, was presented to North Farmington students Dec. 16.

Featured were Thurlow Spurr and the Spurrows who interpreted the safe driving theme through a variety of musical arrangements.

At the end of the program, Raymond Voss, head

of NF's Driver Education department, was presented with a special award.

The senior class won the Gold Can Award for contributing the most towards the Goodfellows' annual canned goods drive.

Support was strong for the Student Council Christmas card postal service. A jolly old St. Nick delivered quite a large bagful of holiday mail during sixth hour Dec. 23.

Original, attractive Christmas displays brightened the halls of NF last week. These were created by the retailing classes and the office girls. The French Club once again made a large wreath to adorn the front of the school building.

The Student Council's annual "Sno-Ball" was held on Dec. 18. Music was provided by the Vibrants, and the theme of the dance was "Our Winter Love."

The gym was decorated with a large live Christmas tree and several artificial ones. Committee members are to be commended for making the 1965 "Sno-Ball" a great success.

Kibab Castenada, Bruce Christ, Steven Gordon, John Harris, Jan Maisel, Darrell Palmer, Jim Pospeshil, and Charles Valerius were named semi-finalists in the Michigan Math Prize Competition. They competed for finalist positions on Dec. 14.

Ballots were cast, and it was announced that this year the senior trip will be a weekend boat cruise with a stop-off at Mackinac Island.

The Ski Club is planning an all-day trip to Thunder Mountain sometime after Christmas vacation. Seniors are given priority since only a limited number of students may go.

Debaters Purchase Blazers

By LYNN BARNETT

Debate Coach Eugene Dutton, ordered blue blazers for his varsity debate team the week before Christmas vacation. The left pocket of the blazers will have a white shield imprinted with a "D".

Team members are selling candy bars each day after school and Wednesdays at noon to pay for the blazers.

The student council has loaned the debate team the money to buy the blazers so they will be assured of getting them this year.

They will arrive in about three weeks.

The school year is almost half over and Thurston's juniors have started making plans for the Junior-Senior Prom to be held June 10 in the Sheraton Cadillac Hotel, Detroit.

Juniors held a candy sale before Christmas vacation to help finance the big event. They also have planned bake sales, dessert fairs and car washes.

BENTLEY BULLETINS

Bentley Enjoys Victory

By SUSAN DOWELL

The Christmas season was more than wonderful for Bentley High School. Along with the joyous and serious parts of the season came an athletic victory. Yes, Bentley High won the Basketball Christmas Tournament. With an outgoing, hard working team and a mass of spirited students to back it up the Bulldogs truly made Bentley stand out among the crowds. It is hard for anyone to deny that "We're from Bentley; couldn't be prouder!"

Bentley will again compete for a victory in basketball this Friday at Bentley with a sock hop following. All Bentley students may invite one guest.

The new year is here and it has many activities in store for Bentley students. Jan. 8 starts out the fun with College Board exams. These will be held from 8:30 a.m. until 6:30 p.m. For many Juniors the long awaited Junior Prom is not far off. Jan. 22 marks this special activity. Plans are already being made and the theme this year is "Winter Fantasy."

Four days after the Junior Prom is reserved for the enjoyment of all the people at Bentley. This is because Bentley's

faculty will take part in this event. If you haven't already guessed, this day will be set aside for the Senior-Faculty Basketball Game. Those always full-of-fun sock hops will come two weeks in a row. They will be held on Jan. 28 and Feb. 4. At 8 p.m. the next day, the Mid Winter Instrumental Concert will be performed in the auditorium.

Plans are now in the process of being made concerning the junior play. Try outs are to be held in the near future. Even though the actual performance will not be given until April 1 and 2, a lot must be done to prepare a spectacular program for the many people in the audiences. The play will have to be worked on carefully so it will be accepted hopefully as well as the senior play. The junior play and the activities listed above are only a few of the many to be held for the students of Bentley.

Farmington Celebrates

By MADGE HILDEBRANDT

Students at Farmington Senior High celebrated the holidays in many ways, ranging from caroling to watching basketball games.

The Exchange Club of FHS went from house to house a few days before Christmas singing carols and spreading good cheer despite the fact that the weather was rather un festive due to the lack of snow.

Some thirty members of the club, including representatives of Denmark, Mexico, and Guatemala, met first at the home of Senior Kathi Groff for an early evening smorgasbord supper. The meal consisted of a variety of delicacies from foreign lands. After the caroling ended at 9:30 p.m., the students enjoyed hot chocolate at the home of Greg Kelch.

The annual Christmas assembly was held Thursday, Dec. 23, during the school day. The speech classes gave a choral reading of the classic "The Night Before Christmas," and the band played several holiday selections. The combined singing groups of the Falconnaires and Twelve Tones sang a couple of familiar carols and led the audience at the close of the program in singing "Silent Night."

During the week of the vacation beginning Dec. 27, the Christmas Basketball Tournament was held at Farmington High. Schools from the entire area played each other for four night in a row.

Schedule Hearings For Nankin Justices

The conduct in office of two Nankin Justices will be examined by Oakland County Circuit Judge Norman R. Barnard starting Jan. 17.

Wonderland License Center Opens

A sub-branch office of Michigan's Secretary of State will open Friday at Wonderland Center to handle the sale of 1966 auto license plates. To be announced by Ron Mardiros, Livonia branch manager.

The temporary office is located in the Center's Civic Room, near the Packer Food Store. To be operated until the March 1 deadline for new plates, the new office will be open from 10 a.m. to 5 p.m. daily and on Fridays from 10 a.m. to 8 p.m. Ernie Epps, promotion director for the huge Plymouth Rd.-Middlebelt center disclosed that a set of auto license tags will be awarded to some lucky purchaser every Tuesday.

"On Tuesdays, we'll present a number of a plate that is to be given away," Epps said. "When this plate is purchased, the buyer will be given a certificate worth a cash refund of the full cost of his plates."

amined by Oakland County Circuit Judge Norman R. Barnard starting Jan. 17.

Judge Barnard will conduct hearings on petitions to remove Nankin Justices Michael Bradley and George R. Perry.

Petitions were filed by Grand Juror Edward S. Piggins in the midst of his investigation of ticket-fixing charges made against the Wayne County Sheriff's Patrol.

Piggins charged Bradley and Perry with misconduct in office and asked Governor George Romney to remove them. Romney called for the hearings after receiving the removal petitions.

Present at the hearings for Attorney General Frank Kelley will be Leo Maki, a grand jury aide.

Bradley is scheduled to appear first before Judge Barnard. Both men vacated their offices pending complete vindication after Piggins released his charges.

Some of the charges made by Piggins were: conviction of

traffic offenders without complaints or warrants, requesting fees for services not rendered, granting new trials without authority and failure to report ticket-fixing information.

Stan Fraser Is Promoted

Livonia resident Stanley M. Fraser has been named supervising engineer of the cable test division of Detroit Edison's electrical system department.

Fraser is a native of Talmage, Kansas. While working toward his degree in electrical engineering at Kansas State University, he was associated with two honorary societies — Sigma Tau and Phi Kappa Phi.

Following graduation, he was employed by General Electric in Schenectady, N.Y., for a year and a half before joining Detroit Edison's electrical system department in December, 1928. He has been assigned to the cable test division for the past 29 years.

Fraser is a member of the Engineering Society of Detroit and the Greenbrier Estates Improvement Association. He is also active in the Westlawn Methodist Church and is treasurer of Westlawn Lodge No. 554 F & A.M.

DOG DAYS ARE HERE again. At least that's the impression Livonia City Clerk Addison Bacon is trying to get across to dog owners in the area. It's time to get licenses for pets. Owners have until March 1 when the fees double. That's Bacon (left) showing Linda

Williams (holding Pierre) and Linda Macy how to fill out the applications. There were more than 2,500 licensed dogs in Livonia a year ago and Bacon is looking for even more applications this year.

Slate 2nd Inter-Faith Program on Jan. 21

The Plymouth Ministerial Association will stage its second annual Inter-Faith dinner on Friday, Jan. 21 at 7 p.m. at Lofy's with a price of \$2 per person.

That was the announcement Monday by Chairman Rev. Peter Schweitzer, of the First Methodist Church, as he told of plans for the program which attracted more than 400 from all faiths a year ago.

The program will be highlighted by a panel discussion on the topic of "The Church in the Community."

The panel will include: Circuit Judge Thomas Foley, who resides in Plymouth; Sanford Burr, John Herb, Rev. Ron Phelps of the Wayne County Training School and Rev. Alfred Renaud of Our Lady of Good Counsel Church.

Rev. Schweitzer indicated the panel will hold a discussion session Thursday at the home

of A. M. Smith, 9125 Beck Road. Tickets will be sold through ticket chairmen at the various participating churches.

Associated Spring Opens New \$300,000 Facility in Atlanta

CLEVELAND—A new \$300,000 distribution center designed to serve eight southeastern states was opened today in Atlanta, Georgia, by Bowman Products Division, Associated Spring Corporation. Associated Spring has a plant in Plymouth.

The new facility is located at 4842 Lewis Road in the Stone Mountain section of the city. It will distribute a complete line of fasteners, automotive replacement and service parts, accessories and parts for the construction and industrial maintenance markets plus boating equipment.

Probe 'Ugliness' at AIA Forum

The Student Chapter of the American Institute of Architects at Lawrence Tech will conduct a "Forum on Community Ugliness" on Saturday, Jan. 29, at 7:30 in the auditorium on campus. The "Forum" is in conjunction with the "War on Community Ugliness", sponsored nationally by the American Institute of Architects in Washington D.C. The "War" is directed toward all communities in the United States, with the purpose of making the public blight which exists in some form in all communities.

The Forum will begin with the showing of the new A.I.A. film entitled "No Time for Ugliness." Following this a panel of professionals will discuss the conditions of our urban environment and the reasons for the present condition of ugliness. They will also contribute ideas on what their own profession must do to effectively improve it.

The panel will be composed of Architect William H. Kessler A.I.A., of Meane, Kessler & Associates, Inc. and member of the Detroit Chapter A.I.A. civic design committee; Politician James H. Brickley, Councilman City of Detroit; Planner Gerald Crane, of Crane & Gor-

wic, Inc., nationally recognized planning consultants, Businessman Craig Smith, president of Sullivan Smith Realty Co. and member of the Executive Committee of the Forum for Detroit Area Metropolitan Goals; Sociologist Dr. Robert Smock,

TALUS (Transportation and Land Use Study) and Associate Director of the Institute of Regional and Urban Studies, Wayne State University. The Forum will be moderated by a member of the WJBK Television staff.

A Big Burglary

It would be reasonable to think that something weighing approximately 200 pounds would be fairly stationary. Such is not always the case, however.

According to Farmington Police Reports a furnace, weighing approximately 200 pounds and valued at \$350, was taken from a new home under construction at 21587 Birchwood on Dec. 30.

Livonian Honored

Bentley Tops Holiday Tourney

The test of a great team comes in its ability to adjust. Bentley did just that last Thursday — and the result was a 47-43 victory over Berkley in the final of the Northwest Invitational high school basketball tournament at Farmington.

Bentley, a surprise entry in the title game, knew that Bentley liked to run. So the Berkley strategy called for slowing down the pace... almost to a walk.

It didn't make coach George Fefles of Bentley happy.

And, for a while, Bentley found the going pretty rough. After one quarter the Livonians trailed by a 14-9 score. At halftime it was 24-19 in favor of Berkley.

Came the intermission, Fefles talked strategically to his forces.

"He instructed them in how to handle the slow, moving Berkley contingent.

With the start of the third period, Bentley began to catch up. Finally late in the period, the Livonians went ahead, 32-31, and they retained their com-

mand the rest of the way. But it wasn't easy. Berkley refused to panic... and always stayed right on the heels of Bentley.

Fred Matevia proved the big difference for Bentley, which now has a record of seven wins against one loss. The only defeat for Bentley came at the hands of unbeaten River Rouge, the state's Class B champs for the last five years and ranked No. 1 again this winter.

Matevia paced Bentley with eight baskets, and two free throws for 18 points and some strong rebounding. He was the only member of the winners in double figures.

"It was great to win the tourney," said Fefle whose charges now plunge back into the Suburban Six League title chase this Friday night hosting Belleville.

"Our shooting was off against Berkley, but we played well and the fact that Bentley tried to slow us to a walk didn't keep us down. This has to be gratifying."

Bentley and Trenton appear to be heading for a showdown in league play. Trenton won the Downriver Invitational and like Bentley resume league warfare with a 2-0 mark.

Bentley had fought its way into the finals by knocking off Wayne, 78-54, in the opening round of the meet and then conquering 1965 State Class A runner-up Southfield, 69-64.

Wayne took an 11-10 first period lead over Bentley before Bentley jumped into a 32-20 halftime bulge and then reached the three-quarter mark with a 54-43 edge. The rest was easy.

Faulkes cashed 24 points on nine baskets and six free throws to top Bentley. Ken Bowman fired in 11 points along with Larry Grimm.

A big second period helped to decide the Bentley game

against Southfield. After Southfield rolled in front, 21-17, after one period, Bentley put on the power to grab a 40-34 halftime edge.

It was 54-50 for Bentley after three periods and then Southfield caught even with three minutes to go. A pair of free throws each by Matevia and Bowman put Bentley back on top — for keeps.

Matevia was the big hero in the scoring column for Bentley with 10 baskets and four free throws for 24 points. Bob Elsner chipped in with 19 points, while Bowman had 11, scoring seven times from the charity line.

Farmington, after losing to Ypsilanti in the first round, 76-69, bounced back to beat Redford Union, 66-51, and then finished up with a 68-53 conquest over Wayne.

Farmington hung close against Ypsilanti, trailing 58-54 after three periods before

Ypsilanti put on the steam and coasted away without much trouble.

Steve Moore led four Farmington scorers in double figures. He had 10 baskets and five free throws for 25 points.

Greg Dorow scored 15, Mike Ames 13 and Mike Wilson 11. Wilson's fine second half was instrumental in Farmington's rally to overtake Redford Union: He had gone pointless in the first two periods when Farmington fell behind 29-28.

But in the third and fourth periods, Wilson ripped in 15 points to finish right behind Mike Ames who notched 21 and also enabled Farmington to control the boards.

Dorow had 14 and Patrick 11 for the winners. Leland Bjerke scored 19, Bill Arnold, 11, and Ron Bauer, ten, for Redford Union.

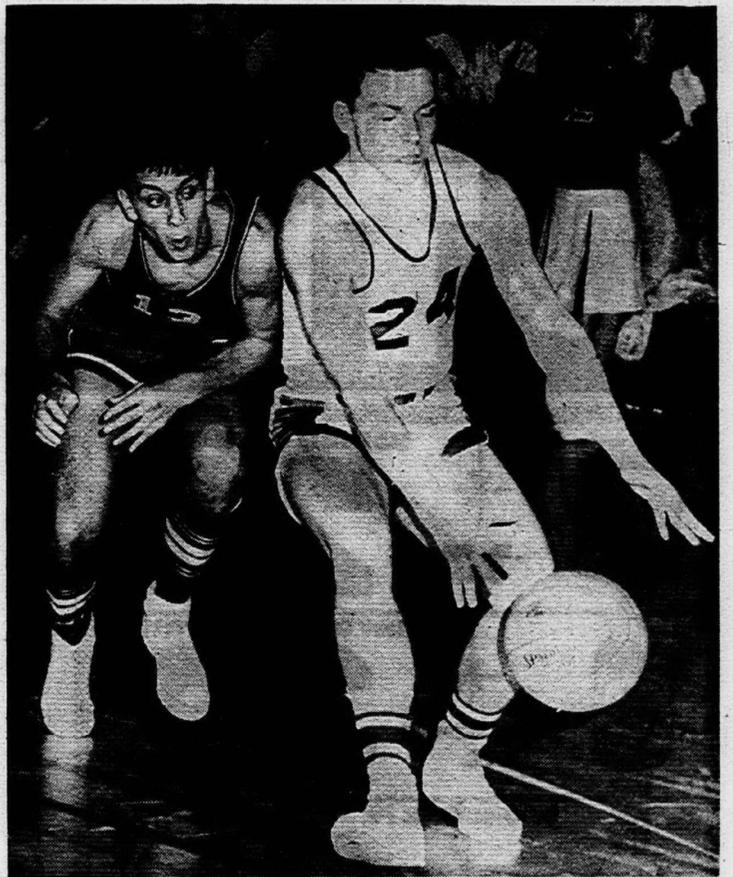

Wilson and Ames provided the scoring punch for Farmington against Wayne. Wilson rif-

led in 19 points and Ames 14. Redford Union dropped its tourney opener to Berkley, 59-55, because of a slow start. The Townshippers meshed only seven points in the first period and wound up the half with 20 points as Berkley cashed 35.

In the third period, Redford Union outscored Berkley, 17-11, and finally RU knotted the count at 51-51 and 55-55 in the last period with Leland Bjerke holding the hot hand. He scored 13 points in the second half and seven of them in the final period.

But Berkley made four straight free throws to pull out the victory in the closing two minutes.

The Townshippers closed the tourney on a happy note by routing Walled Lake, 74-55. Arnold dumped in 19 points and Bauer 15 to give the Townshippers something to cheer about as the year ended.

FANCY DRIBBLING by Bob Elsner makes it Berkley defender during the championship possible for the Bentley star to get away from a game of the annual holiday tourney.

NOW, GET GOING: Coach George Fefles, of Bentley, gives his charges a pep talk as they battle Berkley in finals of holiday tourney. Bentley had to stage late rally to take the title.

State Champs Subdue Thurston High in Finals

Honors befell Thurston High School's basketball team in the River Rouge Invitational tournament.

Coach Mike Pasternak's team roared through until the final round before finally succumbing to host River Rouge's state Class B champs, 71-51.

The setback came after Thurston had walked over Taylor, 77-64, and Northville, 72-58, in the first rounds of the competition.

The title game was one of those "believe-it-or-not" affairs.

Thurston jumped off to a 9-0 lead within the first 2 1/2 minutes.

Gary Knocks had dropped in two baskets and Bob Wardrop and Don Block one each along with a charity by Reg Barringer.

A tight defense had managed to bobble up the River Rouge powerhouse, which is going after its sixth straight state crown this year.

But with his Panthers trailing, 9-0, Coach Lofton Greene of Rouge called time out.

Whatever he had to say to his charges worked. Before the period was over, Rouge had outscored Thurston, 15-3 and rolled into a 15-12 command.

By halftime, Rouge had upped its command to 32-27 and then made it 45-35 after three

periods. From then on, Rouge never was threatened.

"I was proud of the way my team played," said Pasternak.

"We turned in a fine performance in the tournament and should be ready to do things when we resume our regular schedule after the holidays."

Knock with 13 points was the big scorer for Thurston against Rouge. Randy Samelson added 11, while Block tossed in nine and Wardrop contributed six.

The loss of Barringer on fouls didn't help Thurston. His scoring was limited to three points.

Frank Price, whose last-period heroics the week before had enabled Rouge to halt Bentley's winning ways, shared score-

OBSERVING SPORTS

By George Maskin

Fresh up from a couple days in Miami Beach with the Pistons, one's thoughts switch to what one would like to see come to pass in this new — and we trust happy new year.

How about:
 1 — Artificial skating and hockey rinks for Livonia, Redford Township, Plymouth and Farmington? With weather like we have been "enjoying," youngsters and oldsters who like to ice skate have had to traverse long distances hereabouts — like to Detroit and Garden City. Such rinks also would make it possible for hockey teams in the communities mentioned to play at home instead of having to perform and practice elsewhere at a considerable cost.
 2 — More lighted baseball and softball diamonds in the communities served by The Observer Newspapers? Interest in sandlot baseball has jumped considerably in Livonia since Ford Field on Farmington road was lighted up. The Livonia facilities actually have become area-wide with Plymouth, Garden City and Redford Township teams playing there along with teams from Livonia.

Name Nash Area Chief B&O-C&O

Burford G. Nash has been named general manager-Northern Region of the affiliated Chesapeake and Ohio and Baltimore and Ohio Railroads, with headquarters in Detroit. Paul E. Brammer was named assistant general manager-Northern Region.

Nash has been Regional Manager for the Chesapeake and Ohio.

The changes were effective the first of the year and are part of the consolidation announced for the combined operating departments of the two railroads. In all, 31 officers in the operating department are affected by the consolidation of the present three operating regions on each railroad into four joint regions.

Detroit becomes headquarters of the Northern Region, for both railroads with other headquarters located at Pittsburgh, Cincinnati and Richmond.

At the same time, Kenneth T. Reed becomes assistant vice president-operations administration, Erle T. Rucker becomes assistant vice president-operations with jurisdiction over operations and transportation and W. K. Weaver, Jr. becomes general manager-Southern Region at Richmond.

Rucker and Weaver both served as Regional Manager at Detroit. Reed, Nash and Brammer all served as superintendents at various times at Grand Rapids, while Rucker and Weaver were formerly Regional Managers at Detroit.

Ford Makes 3,500 Rebates On New Model

More than 3,500 excise tax rebate checks will be sent to purchasers of roadster and station wagon versions of the new Ford Bronco, M. S. McLaughlin, assistant general manager of Ford Division of Ford Motor Company, announced Monday.

The U. S. Treasury Department's Internal Revenue Service recently classified Bronco Roadster and Station Wagon models as passenger cars for Federal Excise tax purposes. Ford's new four-wheel-drive vehicle also is available as a sports utility pickup truck, on which the 10 per cent excise tax rate will continue to be applied.

McLaughlin said mailing of the checks is expected to begin in February.

All customers who purchased Bronco Roadster and Station Wagon models through December 31 will be eligible for rebates based on a three-per-cent tax reduction.

Lincoln, Mercury Sales At New Peak

Lincoln-Mercury sales during December 11-20 were the highest in history for the period.

According to preliminary reports, division deliveries for the second December period were 9,683, compared to the previous record of 9,529 set in 1964.

Lincoln Continental sales reached a high for the eighth consecutive period since introduction of the 1966 model. Dealers delivered 2,163 of the luxury cars, up 44 per cent from the 1,503 sold a year ago. The daily rate of 270 topped the previous period mark of 201 set in 1948.

For the first 20 days of the month, Mercury sales were 8,920, compared to 8,783 a year ago, and Comet sales for December 1-20 were 7,882, up from the 6,977 sold in the comparable 1964 period.

Since January 1 Lincoln-Mercury sales have totaled 363,621 compared to 342,124 for the same period a year ago.

U of D Green Room Series Opens Jan. 27

Thirteen Thursdays of theatre-going, lectures and discussions in the University of Detroit Green Room Program series will open Jan. 27.

The adult education non-credit course entitled "Four Plays of the Living Stage" continues through April 28 with lecture sessions from 7 to 9 p.m. at the U. of D. Theatre in the McNichols Road Library.

MARTY SAYS . . .
With the many new friends the Livonia Knights made over the holiday season I look for a great winter season with action and fun for all of us.

We welcome you and your party, plus community groups in our private room on the lower level.

Jan. 19 we will host the Livonia March of Dimes Committee for dinner and in February the Town Hall Series Luncheon. We welcome your group too!

Livonia Knights Inn
7-Mile Road near Middlebelt
476-1777 535-5315

Russell McLaughlin, veteran Detroit critic and author, will guide the class through four plays: "Skin of Our Teeth," by Thornton Wilder; "She Stoops to Conquer," by Oliver Goldsmith; "Servant of Two Masters," by Carlo Goldoni; and Dylan Thomas's "Under Milk Wood."

Class members will attend performances of all four plays and analyze them in depth in the subsequent lecture sessions.

The Green Room Programs are a continuing adult education activity made possible by the Fisher Theatre and organized by the U. of D. Theatre and the Center for Continuing Education.

Guest lecturers joining McLaughlin for the series include: the Rev. James P. Caine, S.J., chairman of the U. of D. Theatre department and theatre faculty members James Rodgers, Albert Ronke and Alan Jorgensen; Richard Spear, director of the Wayne State University Hilberry Classic Theatre production of "Skin of Our Teeth"; Audley Grossman, theatre arts curator for the Detroit Art Institute; and Clyde Vinson, director of the Art Institute production of "Under Milk Wood"; Joseph Nederlander, Fisher Theatre manager; and Dr. Robert Hazzard, director of the Hilberry Classic Theatre production of "She Stoops to Conquer."

U. of D. productions to be seen by the class are "Servant of Two Masters" and "Skin of Our Teeth" (the group will see this play twice; once at U. of D. and once at the Hilberry Classic Theatre!).

For information call the U. of D. Center for Continuing Education at 342-1000.

LAKE LOUISE

'Holiday In The Rockies' Via Livonia Kiwanians

Livonia Central Kiwanis Club invites you to a "Holiday in the Canadian Rockies" hosted by James Forshee on Sunday, Jan. 9 at 7:30, at Franklin High School in Livonia.

Tickets will be available at the door and are \$1.25 for adults and 75 cents for students.

Those attending will be able to enjoy a wonderland visit to breath-taking sights — they will visit the world-famous Banff and Jasper National Parks. We will go boating and fishing and explore the precipitous peaks and verdant valleys and magnificent lakes such as Lake Louise. In Calgary we will enjoy the festivities of the Calgary Stampede and find all the thrills of the tremendous rodeo. This is a tourist's paradise unequalled.

James Forshee is a resident of Ann Arbor. After graduating from Ford Trade School he entered the U.S. Marine Corps.

Mystery Scheduled at Village

The silent version of the chiller, "The Cat and the Canary," will be the next offering in the Famous Early Movie Series at Henry Ford Museum on Sunday, Jan. 9. The film is scheduled in the Museum theater at 2 and 4 p.m.

One of the outstanding silent mystery films, it was produced by Universal-International in 1927. Laura La Plante heads the cast under the direction of Paul Leni. Also seen in the picture are Flora Finch, Creighton Hale, Forrest Stanley and Arthur Carewe.

Alternating between silent and sound pictures, the old movie program at the Henry Ford Museum continues through April. The Sunday film program is included in the regular admission charge to the Museum.

Dewline

By JOHN DEW

As the great Mr. S. says in song, "It was a very good year": It was a year that saw a merger in the music business — a merger of sounds, rock and folk. The result of the marriage between the beat and the message was so overwhelming that it made recording stars out of such unknowns as Barry McGuire, the Byrds, Sonny and Cher, the Turtles and a host of others.

1965 also saw a return of interest to American recording stars. Of course many of the better English groups maintained their popularity but in general, the emphasis returned to the States.

TV Teen shows, featuring record stars blossomed and died in the same year — probably due to the over-saturation caused by so many would-be imitators jumping on the bandwagon and thus killing the golden goose.

The following are the results of our recent survey of 1965 favorites from the world of music:

- TOP MALE ARTIST: Elvis Presley
- TOP FEMALE ARTIST: Petula Clark
- TOP MALE GROUP: Beatles
- TOP FEMALE GROUP: Supremes
- TOP INSTRUMENTALISTS: Tijuana Brass
- MOST PROMISING MALE: Tom Jones
- MOST PROMISING FEMALE: Patty Duke
- MOST PROMISING GROUP: Byrds (male)/Toys (female)
- MOST PROMISING INSTRUMENTALIST: Sounds Orchestral
- TOP ALBUM OF 1965: "Mary Poppins" Soundtrack

And of course, the top 25 records of the year . . .

- 1) Satisfaction: Rolling Stones
- 2) I Got You Babe: Sonny & Cher
- 3) Wolly Bully: Sam The Sham
- 4) Can't You Hear My Heartbeat: Hermits
- 5) I Can't Help Myself: 4 Tops
- 6) Yesterday: Beatles
- 7) Red Roses For A Blue Lady: Kaempfert/Dana
- 8) Stop In The Name Of Love: Supremes
- 9) Mrs. Brown: Hermits
- 10) My Girl: Temptations
- 11) Eve Of Destruction: Barry McGuire
- 12) I Hear A Symphony: Supremes

13) This Diamond Ring: Gary Lewis

14) Mr. Tambourine Man: Byrds

15) Goldfinger: Shirley Bassey

16) Name Game: Shirley Ellis

17) I Silenzio: Nini Rosso

18) You're The One: Vogues

19) Cast Your Fate To The Wind: Sounds Orchestral

20) Get Off My Cloud: Rolling Stones

21) No Matter What Shape: T Bones

22) Sounds Of Silence: Simon & Garfunkel

23) Help Me Rhonda: Beach Boys

24) Just A Little: Beau Brummels

25) Turn Turn Turn: Byrds

Have the happiest of New Years.

New Hours Announced at Village

Winter hours are currently in effect at Greenfield Village and Henry Ford Museum. The Village hours are 9 a.m. until 5:30 p.m., seven days a week during the fall and winter season. Museum hours are 9 a.m. until 5 p.m. on weekdays, and 9 a.m. until 6 p.m. on weekends.

Weekday tours of the Village originate from the Museum entrance with weekend tours from the Gatehouse.

Horse drawn carriage rides through Greenfield Village are available year around. When snowfall in the streets is heavy enough, sleighs will take the place of the carriages.

Dining facilities in the Garden Room of the Museum are open seven days a week.

Demonstrations by the glass-blower, candlemaker and other skilled craftsmen, performing their jobs just as they did a century ago, bring an important part of American history back to life at Greenfield Village and the Henry Ford Museum.

Sports Car Show Opens January 14

Greenfield Village will stage its fourteenth annual Sports Cars in Review show in the Henry Ford Museum Jan. 14 through Feb. 6.

"Les Pur-Sang," or the pure bloods, will be the theme of this annual exhibit of automobiles tracing the history of sports cars and their racing heritage. Five thoroughbred cars have been selected to form the central exhibit in the show. These are the 1933 Alfa-Romeo 8.6 roadster, the 1933 Hispano-Suiza V-12, 1932 Bugatti T-55, 1932 Delage D8S and a 1939 Talbot Lago.

Special programs have been arranged on each of the Friday evenings during the show. Three sportcar authorities will head the program, with a sportcar fashion show scheduled on final weekend.

Dave Davis, editor and publisher of Car and Driver magazine will speak on a review of sports cars on Friday, Jan. 14. R. M. Rodgers, special car manager, for Chrysler Corpora-

tion will speak on Jan. 21 on the organization of an automobile racing program and the diverse regulations of the automobile racing associations.

The Rebirth of the Cord will be the topic of Glenn A. Prey, on Friday, Jan. 28. Prey is president of the Auburn-Cord-Duesenberg Corp., which opened its assembly line of the new Cord 8/10 in December.

A show of clothing fashions will highlight the Friday evening program on Feb. 4.

The Sports Cars in Review show at Greenfield Village is included in the regular admission charge to the Henry Ford Museum. Special Museum hours during the show are 9 a.m. until 11 p.m. daily. Friday evening lectures in the Museum theatre will be at 8:30 p.m. and the fashion show on Feb. 4 at 9 p.m.

In 47 years of collegiate basketball, Wayne State University ends and posted a won-lost record of 492-362.

Wally Roberts UP 'CURTAIN GOING UP'

Sixty-six swirls, sails, and slides into the cosmos ever so silently. The year 1965 contained many pleasant memories. Old Wally would like to turn the pages back and glance at a few of the noteworthy professional and local community theater productions of '65.

Before we drift back into '66, let's welcome that new star in the wings who took over The Observer reins on December 31—Philip Power, our forward-looking publisher. Phil has exciting plans for The Observer and we know he's the type of producer-director that will provide only the best journalistic future for Observer readers.

Locally, the musical comedy scene had more than its share of excellent productions. The Livonia-Redford Theater Guild presented a talent-laden production of "Stop, the World — I Want to Get Off." Moya and Larry Parks singing those duets still stir fond memories.

The Ernst-Hirvela duo repeated their earlier summer success of "Music Man" with a show-stopping, eye-dazzling "Oklahoma." I'd still like to see excerpts from this production go on tour of the Livonia Junior High Schools.

A one hour version of "Oklahoma" would be a tremendous tribute to the creative abilities of our Livonia youth. Everyone in the community is looking forward to Livonia's second summer production late in 1966.

While still on the subject of musical comedy in local circles, let me award the Publicity Trophy of the year to Mrs. Lois Sphaer of the Wayne Community Players. Her avid, eager approach to covering "Guys and Dolls," prior to its opening won my heart-felt praise.

Never have I seen a local show get so much "ink" and good press. Hats off to you, Lois. May I be so lucky to have you on my side some day when I am producing a play. Incidentally, Lois did a tremendous acting job in the recent Wayne production of "Importance of Being Earnest."

The Wally Roberts All-Around Award must go to Robert Gregory. He is another non-stop active member of the Wayne Community Players. Bob teaches drama at Redford Union High, acts for the Wayne group, directs the Dearborn Summer theater, and is a top dancer. His tango number in "Guys and Dolls" was fantastic. I still twist when I recall his pelvic palpitations.

In the field of straight plays the nod will have to go to Bob Wall's fast, laugh-a-minute production of "Never Too Late" for the Dearborn Players Guild. After reviewing a taped performance, the show clocked 12 more minutes of laughter than the Fisher Theater production.

Manfred Hessler's Redford High School production of "Dairy of Anne Frank" slips into second place as a truly top amateur production. Farmington Players "The Great Sebastians" early in 1965 finishes up old Wally's best of the year straight play department.

On the professional front, the A.P.A. artists in residence at the University of Michigan continued to present top entertainment. Ellis Raab's "You Can't Take It With You" was a real highlight of the year. A 12-week engagement on Broadway has been extended for 6 more months indicating that the general public agrees this comedy of the 30's still has plenty of comic punch.

The best shows in 1965 at the Fisher theater were the following musicals: "Kismet", "Carousel", "How to Succeed in Business Without Really Trying", and "Sweet Charity". You will have to wait to see "Sweet Charity" then it returns sometime in 1966. All the remaining performances of this smash musical are sold out for the current Detroit engagement.

So much for the legitimate stage in 1965. Next week we'll crank up our magic lantern and examine the cinematic scene of 1966.

OLIVIER

Film Version of 'Othello' Is Coming

Sir Laurence Olivier stars in the title role of the Shakespearean tragedy "Othello" coming to the Livonia Cinema Theatre Feb. 2 and 3.

Twice daily showings are scheduled for the technicolor panavision film of the stage production of the National Theatre of Great Britain.

Co-stars are Maggie Smith, Frank Finlay and Joyce Redman.

The matinees will begin at 2 p.m. and the evening show at 8:15 p.m. There will be no reserved seats. Tickets will be on sale at the Cinema box office beginning Jan. 18.

Classic Theatre Opens Season with Comedies

William Shakespeare's last masterpiece, "The Tempest," will open the third season of Wayne State University's Hilberly Classic Theatre at 8:30 p.m. Wednesday, Jan. 12. A second play, Oliver Goldsmith's "She Stoops to Conquer," will join the repertory the following night, Thursday, at 8:30.

The two comedies inaugurate an expanded six-month repertory program which will run weekly through June 11 with the exception of the week of March 27, when the theatre will be dark.

"The Tempest" will also be performed at a 2:30 Saturday matinee of the first week while the Goldsmith comedy will continue on Friday and Saturday nights.

A third play, Shakespeare's "All's Well That Ends Well," will open Wednesday, Jan. 19.

All plays are acted by a company of advanced theatre students selected in national competition to receive fellowships to study and perform at Wayne State University.

Since its first performance in 1611, "The Tempest" has enjoyed undiminished popularity. A spectacle of romance, conflict and comedy, the play combines a wide range of characters and contains some of Shakespeare's most magnificent poetry. Leading roles in the Hilberly production, directed by Leonard Leone, will be played by K. Lyle O'Dell (Prospero), Marilyn Petroff (Miranda), Robert Oram (Alonso), Will Love (Ferdinand) and Albert Sanders (Ariel).

"She Stoops to Conquer," a classic play of mistaken identity and a great favorite with audiences, brought back "laughing" comedy after the decline of English drama into excessive sentimentalism. Directed by Robert T. Hazzard, the WSU production features Miss Petroff as Kate Hardcastle, William Hezlep as Hardcastle, Helen Scarlett as Mrs. Hardcastle, Frederick Cahall as Tony

Lumpkin and Pierrino Mascari-go as Young Marlow. Tickets and information may be obtained by calling the Hilberly Classic Theatre box office, 833-5151.

Children's Classic Set

With the help of W. C. Fields, the favorite children's classic film "Mrs. Wiggs of the Cabbage Patch" loses most of its tears, takes on a great many laughs and gains considerable charm.

This feature-length film will be shown at 10 a.m. and 2 p.m. in the Detroit Institute of Arts auditorium Saturday, Jan. 15 in the Great Stories in Film series arranged by the museum's Theatre Arts Dept.

It is open to the public without charge. Children under 12 should be accompanied by an adult.

'Critics Choice' Exhibit Slated

The Bloomfield Art Association announces an additional exhibition entitled "Critics Choice". This exhibition, featuring selections from the 13th Annual Regional Art Exhibition with recent additions to run concurrently with the exhibition "Stitchery, Lace, and Loom" beginning Jan. 9 and continuing through Feb. 6.

This show, exhibiting the works of painters of great promise, is sponsored by University Extension Service and College of Architecture and Design.

These works will be on view at the Bloomfield Art Association, 1516 S. Cranbrook Road, Birmingham, daily from 2-5 p.m. except Mondays when the Gallery is closed.

Courses Added to Curriculum

Painting, Ceramics and Sculpture have been added to the Art Curriculum of Oakland Community College.

Painting and Sculpture will be taught by Victor Stokes whose work has been shown in major galleries located in Dallas, Milwaukee and New York. He has also participated in two international art exhibitions and has had paintings and sculpture selected for display in touring exhibits.

Ceramics will be taught by James R. Black who is well known to this area as a potter and instructor. Among other awards, Black's pottery won prizes in two national competitions in Miami and Milwaukee.

Unusual Exhibition Slated for January

The Bloomfield Art Association proudly presents a most unique exhibition of Stitchery, Lace, and Loom... a collection of works by American and European artists using as their instruments of expression the needle, the bobbin, and the loom. This exhibition opens Jan. 9, through Feb. 6, and will be on view at the Bloomfield Art Association, 1516 S. Cranbrook Rd., Birmingham.

Art forms steeped in centuries of tradition capture refreshing contemporary designs. Textures can be seen that will astound and impress the viewer with a vitality of creative impact never imagined possible from these media.

Networks of delicate lace fantasies, woven visuals of mystical myriads, and complex needlework designs surpass the a vante garde of other art forms in sophisticated contemporary creativity.

This exhibition was conceived, compiled, and expeditied through the combined efforts of Elean Auvil, internationally known "weaver par excellence" and the exhibition committee of the Bloomfield Art Association.

Because of its magnitude from a geographical standpoint, and the diversity of techniques, and the integrity of the artists, this becomes a most exciting and comprehensive exhibition.

Among the many exhibitors represented are award winners whose works have been exhibited throughout this country and abroad, with many represented on permanent display at leading galleries and museums throughout the world.

No successful selfmade man ever left out the working parts.

Missionaries Speak In Livonia About Vietnam

Many Americans are acting the same about Vietnam as the onlookers in New York who did nothing when a woman was stabbed to death in full view of the public. This is the feeling of two missionaries just returned from two years in Saigon.

They are Mr. and Mrs. Maurice C. Hall, missionaries with the Church of Christ, who are here to speak at a special meeting to be held at the Church of Christ, 15431 Merriman Rd., Livonia, Jan. 9 at 10:50 a.m.; 4 p.m., and 7:00 p.m.

The liberties of Vietnam are being stripped away with a Communist dagger," Hall said, "and America has, in many cases, assumed an 'I don't want to get involved' attitude."

"The United States has just cause," Hall said, "and is committed to that cause. It's very regrettable that Americans demonstrate against this country's efforts to bring freedom to other peoples."

"The war might have been won a few years ago had American people not presented a solid front, it could be 20 years before the war is decided one way or other."

"Pseudo intellectuals and even U.S. Senators have staged demonstrations and made demands that the United States withdraw from its positions in Vietnam. These demonstrations and demands tend only to encourage Viet Cong fighting in the belief the United States will actually withdraw."

"The Vietnamese are still in doubt about America's policy and therefore are afraid to act on their own," Mr. and Mrs. Hall said.

"The demonstrations here against U.S. involvement in Vietnam make headlines in the Vietnamese newspapers. The Vietnamese government and its people are friendly to the small number of American civilians still in the area," Mrs. Hall said, "however, they are bewildered about America's stand in Vietnam."

"The Viet Cong terrorizes the people by killing any who are caught acting against them," Hall said.

"I was told of one village where the children were lined up and gunned down because the Viet Cong learned that some of the villagers had revealed a V.C. position," he said. "In Vietnam you never know

Jewish Reform Leader Comes To Livonia

Temple Beth Am will have regular Sabbath Eve Services on Friday, Jan. 7, at 8:30 p.m. at the Cohn Bldg., West Seven Mile Road and Osburn, Livonia.

At that time the Adult Education Committee will present as guest speaker Irving I. Katz, executive secretary of Temple Beth El of Detroit.

Katz is nationally known as a pioneer in the development of the field of synagogue administration and as an author and leader in the Reform Jewish Movement. He was a founder and past-president of the Jewish Historical Society of Michigan and presently is editor of its journal, Michigan Jewish History.

MR. and MRS. MAURICE C. HALL

Halls theorize that their door was used as a V.C. pickup point.

Their son, Ronnie, age nine, boarded the school bus with an armed Vietnamese policeman leading him from his gate to the bus. An American M.P. stood with drawn pistol to cover the child and the policeman as they crossed the street.

The Halls feel they have been very fortunate. They often ate at the My Canh Restaurant where an evening explosion cost nearly one hundred diners their lives. They went frequently to the American Embassy, Caravelle Hotel and the Brinks Hotel, all of which have been bombed.

Hall feels his two narrow escapes came shortly before they left Saigon. A telephone call delayed his departure from home long enough for him to miss an explosion three blocks away, and immediately in front of his school where he would have been.

The second narrow escape came when a V.C. fired from across the river at a Navy boat landing in Saigon. Hall and his son Ronnie were within a few yards of where the bullets fell.

It is the hope of the Halls to return to Vietnam in March, 1966. Mrs. Hall reports that she does not anticipate the tensions of living behind five strands of barbed wire, locked gates and doors, and hearing the explosions and heavy gun fire and seeing tanks and machine guns in the street; but they, like the American soldiers, have a job to do—a job they "would not do for money, but will do for Christ."

Aldersgate Methodist Church Sponsors 4 Missionary Services

Jan 30, the Rev. Elsie Johns, Pastor of Clarenceville Methodist Church, will discuss "Mission as Decision."

The program will include the whole family from nursery age through adult and will be conducted in the church sanctuary from 6 to 7:30 p.m. Aldersgate Methodist Church is located at 10000 Beech-Daly Road. All are welcome.

Local Pastor Guest Speaker

Rev. Chester L. Halstead, Christian Service Director at Detroit Bible College, will be the featured speaker on Jan. 9 and Jan. 16 at Grace Baptist Church in Onondaga.

REV. CHESTER HALSTEAD

On Jan. 9 his topic for the 11 a.m. worship service will be "The Selfless Saviour." He is also to speak at the 7 p.m. service on "Christian Maturity."

"The Tears of Peace" will be his subject for Grace Baptist's morning worship service on Jan. 16. That evening he will address the congregation on "Communicating Christ."

Rev. Halstead, who lives at 30679 Grandon, Livonia, is a graduate of Tennessee Temple College, Chattanooga, where he majored in Psychology. He later earned a Master's Degree in Guidance and Counselor Training at Michigan State University. He has also studied at Wayne State University and Eastern Michigan University.

Before joining DBC as an instructor in Counseling and Guidance, Mr. Halstead was pastor of Clarenceville Baptist Church, Farmington. He was formerly on the staff of the Christian Counseling Clinic in Detroit.

Rev. Robert Eddy Lists Lectures On 'The Honest Man'

A series of three lectures on personal religious values by minister Robert M. Eddy of the Universalist-Unitarian Church of Farmington will begin at the Church Tuesday, Jan. 11.

The talks will begin at 8 p.m. in the Church's Adams Hall, and discussion will follow the lectures.

The subject for Jan. 11 is "Can an Honest Man Worship?" On Jan. 18 Rev. Eddy will discuss "Can an Honest Man Believe in God?" and on Jan. 25 "Can an Honest Man Love?"

Adult Seminar, 'The Secular City', Holy Cross Lutheran

"We are proceeding toward a time of no religion at all; Men as they are now simply cannot be religious anymore. Even those who honestly describe themselves as 'religious' do not in the least act up to it, and so when they say 'religious' they evidently mean something quite different." Dietrich Bonhoeffer, 1944.

What did Bonhoeffer mean by "religious"? What do we mean? Do we mean popular moralizing like Benjamin Franklin's "Poor Richard's Almanac"?

"God helps them that help themselves," said Poor Richard. Is that what "religious" means? Acknowledging a theological need at the grass-roots level, a seminar will hopefully explore the meaning of "religious" ala Harvey Cox in his book.

On consecutive Tuesdays, from 8-9 p.m. beginning Jan. 11, a lecture and discussion on the popular book, "The Secular City," will be given by the Pastor at Holy Cross Lutheran Church, 30650 Six Mile Road, Livonia.

Unity Of West Suburbia Plan

Unity of West Suburbia, Curtis Road, in Livonia plans a topic for January services on love.

The Sunday morning worship services are at 9:30 and 11 with Sunday School at each. The Y.O.U. (high school age) meets at 11 a.m.

The two services are not identical. The 9:30 service is a new format for the more advanced student and includes a healing service.

Topics for January include Jan. 2, "How's Your Neophobia?"; Jan. 9, "If I were St. Peter"; Jan. 16, "Stop Delaying Your Healing"; Jan. 23, "Love Is Kind."

SELLING YOUR HOME IS NO DO-IT-YOURSELF EXERCISE... ESPECIALLY IN TODAY'S HIGHLY COMPETITIVE MARKET. YOUR FIRST STEP SHOULD BE TO PLACE YOUR HOME IN THE HANDS OF A REALTOR. "BUT WHY A REALTOR? I CAN SELL IT MYSELF AND SAVE THE FIVE-OR-SIX PERCENT COMMISSION," MANY OF YOU WILL SAY. It's not that simple. For one thing, the typical buyer will expect you to knock off the commission for his benefit. And there are other do-it-yourself pitfalls. Are you familiar with the current real-estate market and able to price your home properly? Are you prepared for curiosity seekers tramping through your house? Do you have the time and ability to negotiate and bargain? Can you handle the intricacies of financing? A realtor will screen your prospects and give your house maximum exposure; he's familiar with market conditions, zoning and financing; and finally he's usually able to command enough more for your house to pay the commission and then some. Rely On A Realtor The Realtors Advertising on these Want Ad pages are guided by a demanding code of ethics for your benefit—and identified by the seal you see here. Watch for this seal. It is proudly displayed by Realtors as your assurance of competent and dependable real estate service.
