## One of Five Picked in Michigan

# Wendell Smith Is State Man of Year

Wendell Smith

Wendell Smith, past president and one of the most outstanding members of the Plymouth Junior Chamber of Commerce, achieved the highest goal of a Jaycee in Michigan when he was named as one of the state's five most outstanding young men of the year. The announcement was made at the state meeting in Saginaw on Saturday.

Smith, who was selected winner of the Plymouth chapter's Distinguished Service Award and picked "Man of the Year" in January, became the first member of the local chapter to receive state recognition.

The other four receiving the honor were: Robert Bradshaw of Flint; Donald Dodge of Al-

gonac; Sander Levin of Berkeley; and Loren Gray of Isabella County.

He automatically becomes eligible for the competition in the National Junior Chamber of Commerce contest which names the 10 outstanding young men of the year. The announcements for the national contest are generally made shortly before the

end of the year. Realizing that they had an outstanding candidate, members of the Plymouth chapter under the leadership of President Cal Strom and Chairman Roy Jacobson started the ball rolling for their candidate three weeks ago.

They had less than a week to prepare the presentation.

Jacobson had charge of setting up the Smith brochure while Strom guided a group which secured personal endorsements for Wendell from local, area, state and national business, industrial and political leaders.

Smith's rise in the local, state and national Jaycee picture began in 1964 when Plymouth won

the Giessenbier award for the most outstanding chapter in Michigan. At that time, Wendell was acclaimed as the outstanding local president and received the 1964 State Presidential award.

During the past year, he was named a National Director and served as chairman of the powerful Ways and Means commit-

tee of the State Jaycees as well as public relations chairman for the state organization.

He was honored as "Boss of the Year" by the Southfield Business and Professional Women's Club last fall.

# Farrand Parents Want Portable Building to Relieve Overcrowding

With a group of six representatives present, parents in the Farrand School district Monday presented a problem to the Plymouth Board of Education that is almost unanswerable.

Two weeks ago, the parents met with the school administration and Board representatives to discuss a proposed shift of first graders from Farrand School to Allen School.

The administration proposed the transfer, on a temporary basis, to alleviate crowded conditions at Farrand. It was

discovered there were too many first graders for the space there and that room was available at Allen School.

However, the parents objected to the transfer by bus on the basis that many of the youngsters lived within view of the

school and it appeared an impossible situation to have the pupils transported entirely out of the district.

That matter was finally resolved by placing a class of first graders in a small room off the school gymnasium.

But from the expression at the meeting, parents feel their youngsters are getting a short count since the noise from the nearby gym makes it almost impossible for the teacher to handle the class.

So, the group appeared before the Board to demand that some other arrangements be made.

Headed by Dr. and Mrs. H. F. Clark, 41404 Greenbriar, the group accused the Board of constantly giving "Farrand School parents the run around" and practically demanded that the Trustees study the possibility of leasing a portable building for the remainder of the school year.

"I feel this small room is not healthy for my child and I most certainly believe that all of the youngsters in the small classroom are not receiving proper instruction due to the noise from the nearby gym which makes it almost impossible for the teacher to handle the youngsters," said Mrs. Heilman.

"I question whether this room meets the requirements of the state for health and space reasons. It seems to me (Continued on Page 10A)

## Start Work On Reading Programs

With approval of more than \$52,000 in federal monies under Title I, Public Law 89-10, the Plymouth School system has started three educational projects and has plans on the boards to seek approval of a fourth in the near future.

That was the announcement of Supt. Russell Isbister and Assistant Supt. William Harding, in charge of secondary schools, as they indicated work has begun on the diagnostic team, in serving training and reading specialist program.

Mrs. Shirley Spaniel is the first member of the diagnostic team to swing into action on the project, starting work as the reading specialist.

The team has the task of finding the basis individual problems which the disadvantaged child has and how these problems handicap his school success.

Assistant Supt. Harding believes a psychologist will be hired for the program before the end of the week and the administration is seeking a social worker to complete the three-man team.

A total of 43 teachers have signed up for the in-service training program, which is under the direction of Gwen Horsman, Supervisor of Reading in the Detroit Public Schools.

The program involves teachers in the K through Ninth grade and is designated to include instructors of disadvantaged students. The teachers participating will receive \$15 for each Saturday morning session of four hours at Junior High East.

The program aims to improve skills in the teaching of reading. Three special reading teachers have been assigned and already are on the job of assisting.

## Township Trustees Learn Must Recognize Firemen

The Plymouth Township Board of Trustees learned last week that it must consider recognizing the International Association of Fire Fighters as the bargaining agent for the Plymouth Township Fire Department in accordance with Public Act 379 of the Public Acts of 1965.

That was the opinion handed down by Attorney Ralph Cole after a query from the Board as to what future action should be taken on a request of the firemen for recognition with the International as the bargaining agent.

The Board received a communication from the firemen requesting that the International be recognized as sole bargaining agent for all paid firemen now and in the future.

Action was tabled pending receipt of a letter from the International indicating that it had been contacted by the firemen to become the sole bargaining agent.

In other actions, the Trustees: Decided to send three members to the leadership conference sponsored by the Plymouth Chamber of Commerce at Hillsdale College on March 5 and 6. Supervisor

John McEwen indicated he would not attend but Trustees Dick Lauterbach, Gene Overholt and Louis Norman asked for and received permission to represent the Township. There also is a possibility that Treasurer Mrs. Elizabeth Holmes will attend as a representative of the Plymouth Community Fund.

Tabled action on the possibility of combining the Schoolcraft Road sanitary sewer extension with the Haggerty Road project pending receipt of plans from Engineer Herald Hamill.

Tabled action on a description of the right-of-ways for Haggerty Road sanitary sewer project from Ann Arbor to Joy Road, pending additional information.

Heard a report from Attorney Cole that he had not completed his legal opinion concerning water customers in the Plymouth Colony section as to their financial responsibility to the City of Plymouth.

Tabled to the March meeting action on transfer of the club license of the Western Wayne County Conservation Club as requested by the Michigan Liquor Control Commission. Attorney General Frank Kelley wrote to the Board that any suits now pending against the Club would not have any bearing on the transfer action.

Approved rezoning to multiple dwelling a total of 28 acres in the Hills Estates subdivision for construction of a proposed convalescent home and senior citizens housing.

Tabled a request from Clerk C. Veach Sparks for authorization to hire additional clerical help to properly setup the registration file and notify voters of the proposed change in the number of precincts.

## Board Delays Action on Site

The Plymouth School board Monday delayed action on the purchase of a 16 acre site on Haggerty Road, midway between Joy and Ann Arbor Roads, for a school site. Inasmuch as only five members were present, the Trustees de-

clined to delay a final decision until all were present.

There is a matter of getting sewer and water facilities to the site and other problems that have to be resolved before approval is made.

The price is \$3,300 per acre with a total price of \$52,833 and the site could be used for elementary school No. 8 or Junior High No. 3.

In making a recommendation for the purchase, School Supt. Russell Isbister indicated to the Board that it would be available for either type of building. The 16 acres compares in size to the land needed for the two junior highs and is considerably more than that normally required for an elementary building.

Negotiations for the site were made by assist Supt. Melvin Blunk, in charge of business affairs, with Kenneth Harrison, owner of the land.

The site is within a half-mile of Allen School and less than a half-mile from the location of the new \$2.5 million Spartan Warehouse, scheduled to be in construction in the near future.

It also borders the site of the neighborhood shopping center proposed by Robert Wedler. The proposal is still in doubt since the Plymouth Township Board rejected a request for rezoning at a recent meeting.

However, it is believed that Wedler will come back to the Planning Commission and the Township Board for a new rezoning request in late summer. Realizing that land may be at a premium before too long, the Board of Education and the school administration are looking at additional sites for elementary school locations and perhaps for high school No. 2.

## Leo Calhoun Bid Approved for 8 Buses

The Plymouth Board of Education Monday approved purchase of eight school bus chassis from Leo Calhoun Ford Agency as the low bidder.

Calhoun submitted a bid of \$21,630 for seven chassis for 60-passenger school buses and \$2,024 for a chassis for a 36-passenger bus.

On recommendation of Assistant Supt. Melvin Blunk, in charge of business affairs, the Board decided to delay action on body bids for another two weeks.

## 425 Hear Elly Peterson Warn 'Must Win in 1966'

The first annual Lincoln Day banquet in the Plymouth-Northville area will go down in annals as the largest gathering ever for a banquet in Plymouth and first signs of a statewide effort to build a strong Republican machine for the elections in November.

More than 425 attended the affair in the Mayflower Meeting House, most ever for a dinner meeting in the city, and heard stirring speeches from State Chairman Mrs. Elly Peterson, State Senator Farrell Roberts of Pontiac and State Senator Guy Vander Jagt of Cadillac.

Vander Jagt, one of three candidates for the United States Senate, indicated he would take up the fight against the Democratic candidate if selected as the GOP standard bearer in a meeting slated for Feb. 19.

At the same time he was making his pitch, Congressman Robert Griffin, one of the three in line for nomination, announced his candidacy in a press conference in downtown Detroit.

Griffin was scheduled to appear at the Plymouth meeting but failed to show up. The reasons were apparent when the announcement of his candidacy was broadcast throughout the state the following day.

Vander Jagt, Griffin and Dr. Leon Augustine, of Michigan State University, were selected as the three choices at a meeting of the Republican bigwigs in St. Clair. At that time it was more or less agreed that the party leaders would meet again on Feb. 19 and make a choice of one man who would have the GOP support in a concerted move to wrest the Senatorship from the Democrats next fall.

Practically all of these in attendance at the dinner left with the thought that Vander Jagt would be an excellent choice. By the same thinking, probably everyone was a bit startled to read about the outright announcement of Griffin in advance of the GOP contest at which the candidate was to be picked.

Earlier in the week, Senator Roberts announced his intention of seeking a Circuit Court Judgeship in Oakland County and retiring from the Legislature. Carl Pursell, head of the Second Congressional District

GOP organization, announced at the same time that he would seek the post.

## 5 Teachers Get Approval For Contracts

The Plymouth School Board Monday approved contracts for five teachers, one at Junior High West and the remaining four in the elementary schools.

Mrs. Margaret Carter, a graduate of Eastern Michigan University, with no previous experience, will join the West Junior faculty as an English and Social Studies instructor.

Mrs. Gloria Foust, a graduate of Western Michigan University with seven years experience, will take a first grade at Farrand School. She has taught at Kalamazoo, Traverse City, Pontiac and Dearborn.

Mrs. Susan Lowery, a graduate of Eastern Michigan, will handle a first grade at Smith School. She has no previous experience.

Mrs. Sandra Wiecek, also a graduate of Eastern Michigan with no previous experience, will take a first grade class at Farrand.

Mrs. Erika Wonn, also of Eastern Michigan without experience, has been hired for fourth and fifth grade duty at Bird School.

## Choir Heads Symphony Bill

The Kenneth Jewell Chorale, of Detroit, will headline the fifth concert of the season by the Plymouth Orchestra on Sunday, Feb. 27 in the high school auditorium.

It will be the Chorale's second consecutive appearance and the program is one of the most interesting of the Symphony season.

Jewell is director of Personnel at the Interlochen Arts Academy and directs the Academy Choir. He commutes between Interlochen and Detroit to supervise the group.

Conductor Wayne Dunlap is busy with plans for the 20th anniversary concert on Saturday, April 2 at 8 p.m. He hopes to make the program one that will long be remembered by all followers of the Symphony — one that will revive tunes used in the initial concert 20 years ago.

# Wonderland Will Offer Cash at Bargain Prices

Money — real United States cash — goes on sale Tuesday.

Feb. 22, at Wonderland Center, Plymouth road at Middlebelt. The "currency sale," unique in the Detroit area, will climax a five-day "Washington's Birthday Sale" which gets underway tomorrow. Ernie Epps, advertising and promotion director for the giant center, said that \$5,000 will be sold on a first-come, first-served basis beginning at 10 a.m. The money — 865 bills in denominations ranging from singles to \$100 — will be sold at a flat 22 per cent discount, Epps announced. "There are no strings

attached," he continued. "We'll sell one-hundred dollar bills for \$78; fifties for \$39; twenties for \$15.60; and right on down to singles. Of course, each purchaser will be limited to one bill and he can buy in any denomination available at the time of the sale."

Epps listed the following quantities of "sale" bills: Five—One-Hundreds Ten—Fifties One Hundred—Twenties One Hundred—Tens One Hundred—Fives Five Hundred—Ones "Of course, we expect an early demand for the large bills, so I urge bargain hunters to be here as early as possible." The sale will take place on the mall at the old Dairy and Nut House, located near Winkelman's.

Other highlights of the mid-winter promotion include the sale of a 1959 Ford Station Wagon, a pair of Northland Skis, 100 gallons of gasoline, a portable television set and a boy's or girl's bicycle. All of these items will be sold at 22 cents each to the persons whose names are chosen at drawings scheduled February 17, 18, 19, 21 and 22. Entry blanks for the "22-cent specials" are available at most of Wonderland's 57 stores. Youngsters are not eligible to register for the car. Details of the event are contained in a special supplement to today's editions of THE OBSERVER NEWSPAPERS.

MUST MAKE FEDERAL GRANT STRETCH

# Michigan Cuts Penny From Aid for School Lunches

More school children eating lunches in Michigan have caused a reduction of one cent per lunch in federal assistance, cutting an amount of four cents per meal back to three: the state's grant has to be stretched further.

Some of the districts have come up with preliminary estimates of what effects this will have on their food budgets, but there is still some uncertainty as to what the future will hold.

Most of the districts in the area covered by The Observer Newspapers indicated they wouldn't be troubled too much this year but may be next.

Ron Upton, business man-

ager for the Livonia School District (which includes Livonia and north Nankin Township) moaned about the financial woes of the district being burdened by the cutback.

He said surplus commodity

supplies have also been slashed. "We have had a big drop in the protein supplies; especially meat and cheese," he said. "Butter, too, is harder to acquire."

He estimated the cost to Livonia for the rest of the school

year could amount to a figure between \$20,000 and \$40,000. "We have tried to keep quality meals," he noted, "but this might be the straw to break the camel's back. Our cafeterias are self-supporting except for space and utilities costs."

School lunch room managers in Oakland County have most of the food cost worries of the average mother, plus one more: their budget for the rest of the school year will be \$50,000 less than planned.

Vera Jehnson, food service coordinator for Oakland Schools said loss of the penny must be multiplied by the five to six million lunches that will be served in 28 Oakland County districts before school is out.

Michigan's share of the \$138,590,000 Federal school lunch appropriation is \$3,064,010 this year. A pay-out formula to encourage participation in school lunch programs has been remarkably successful. In the state some 83 million lunches will be served this year, a gain of more than eight million over last year.

"More lunches will simply have to come out of the same amount of money," Miss Jehnson explained. Sharply rising food and labor costs add to the problem. The amount of surplus commodities available to schools has decreased.

In Farmington where grade school students pay 30 cents for lunch and milk and the secondary pupils pay 35 cents, James M. Read, assistant superintendent, has this to say:

"The school lunch program is self-supporting to the extent that it does not require funds from the regular operating budget. As of last summer, our Board of Education expected to keep lunch prices at the present level for another two years.

"This may change now, but the cut in government reimbursement will not necessitate an immediate change in the cafeteria budget."

Mrs. Ella Plichta, cafeteria supervisor for the Farmington Schools, said the district served 87,605 student lunches during the first three weeks of December for which the district received a federal reimbursement of \$7,324.

The reduction of state reimbursement is not expected to effect the price of lunches or quality of food served in either the Nankin Mills or Garden City School Districts.

Robert Duhan, administrative assistant of Garden City Schools, reported a price increase will not be necessary this year but if the trend continues and the rate drops any more a raise in price might have to be considered.

Duhan explained that the one cent drop won't effect prices charged for lunches because a slight surplus has built up in the lunch account to carry over for the rest of the year.

Last year Garden City received \$204,095 from the federal lunch program which is doled out by the state. The district received from special milk subsidies a total of \$13,563 and took in a total of \$152,562 from prices paid for lunches by students and teachers.

Lunch prices will not be raised in Nankin Mills unless a further drop in reimbursement is made. The Nankin Mills luncheon account also

has a small surplus which will make up for the loss. The surplus is used as a depreciation fund to replace and repair cafeteria equipment so

the Board of Education will not have to appropriate funds for replacement. Nankin Mills experiences a surplus for each school of about

\$1,000 a year on lunches. The district has operated its lunch program in the black since 1959.

About 14,000 lunches were served in January to Nankin Mills students. The district receives about \$1,000 a month from the state and about \$5,000 a month revenue from the sale of lunches.

Plymouth's assistant superintendent, Melvin Blunk, has hopes the cut may be reversed before the end of the school year.

He said his district expects to serve 188,340 meals in the first five months of this year and the cut would cost \$1,883. "We will not have to increase lunch prices this year," he said. "However, we may have to in the future."

## OPTIMISTS START SCHOLARSHIP FUND

### City Mourns Les Anders, Teacher, Coach, Leader

Livonia residents, active in community affairs, are grieving the loss of a true and dedicated citizen this week.

Funeral services were held Monday from St. Paul's Presbyterian Church for Lester Carl Anders.

"Les" Anders passed away Feb. 11 suffering a heart attack. Hundreds came to pay their respects to Les and his family as he lay in state at Harris Funeral Home. If attendance

and flowers can express love, the family of Les Anders must be comforted.

Born Feb. 23, 1917, in LaPorte, Ind., Les chose teaching as his career in the field of sports. He was active in his chosen field for 18 years. He graduated from the University of Michigan with a MA degree taught in Indiana, fulfilled his military duties and came to Bentley High School as coach in 1948.

He was athletic director of the Livonia City School system from 1953 until 1965. In 1965 he kicked off the athletic program at the newly built Stevenson High School.

He was active in other civic activities connected with sports or boys, Past Supervisor of Recreation for the City of Livonia Parks and Recreation Program; Member of NEA; MEA, Past President of LEA; Director of Livonia City School system's swimming and summer programs; charter member and past president and secretary of the Michigan Athletic Director's Association; Past Commander Myron H. Best Post, American Legion; Charter President of the Livonia Optimist Club, member of Michigan High School Coaches Association; Member Phi Delta Theta, social Fraternity; member American Association for Health, Physical, Education, and Recreation.

MICHIGAN'S JUNIOR MISS Bonnie Britton as at North Farmington High School. The 17-year-old senior competes next month in Atlanta, Ga., for the title of National Junior Miss. Subdivision of Farmington Township, for class-

## Bonnie Fits Requirements For 'Junior Miss of U.S.A.'

Teenagers can be refreshing—especially when one has passed that stage of so distant days. Maybe that statement should be revised to read—Teenagers can be refreshing—sometimes. For all the parents coping with Teenagers in a day to day situation—they are not always refreshing. In fact, very often, they are simply frustrating.

That's true of Michigan's Junior Miss Bonnie Britton of Farmington Township. That's because she is a normal, healthy, fun loving 17-year-old. She is also refreshing to talk to.

The daughter of Mr. and Mrs. George Britton of 34234 Northwick in the Briar Hill Subdivision in Farmington Township, Bonnie was named Farmington's Junior Miss in November and carried away the state title—over 29 other aspirants earlier this month in Pontiac.

Next month she will travel to Atlanta, Ga., to compete for the national title with contestants from all of the 50 states.

Sponsors of the local contest—the Jaycees—and the state and national pageants seek a normal teenage girl each year to represent America's teens. They don't want the grind or bookworm; they don't want the goof-off; and they don't want a one sided person.

They want a well-balanced, healthy individual who is interested to be around and is interested in the people around them.

Farmington's representative should have a good chance for the title. She fits the bill exactly.

She's no grind—"I very often put my homework off until later in the evening" instead of doing it as soon as she gets home from school.

She sleeps "real late" in the morning and then "rushes like mad" to make it to North Farmington High School in time for her first class at 7:45 a.m.

She walks to and from school "sometimes in the spring, but mostly I get a ride with one of my friends or

from my mother when she feels especially nice." She also dates—no-one special, but "a couple of guys." She goes to the high school basketball games, the movies, school dances and the legitimate theatre.

Up until a short time ago she also had a job after school. She worked as a counter girl at the Westbank Cleaners near her home. That activity, she was forced to drop, however, when her schedule became too hectic after winning the state title.

She runs—not walk down the stairs of her home.

She loves shoes—but usually goes barefoot. She dislikes hats as they are "too formal." She loves the color yellow because "it is one of my most flattering colors and reminds me of sunshine and makes me feel happy when I wear it."

She also likes school—English (a college level course) being her favorite course with an American Government Seminar running a close second.

She is active in the Farmington Players and has a part in the current production of "George Washington Slept Here."

She is looking forward to attending the University of Michigan next year and majoring in dramatic arts. She hopes to act after college.

She also says that she will "look over" the sororities on the campus before deciding whether or not to pledge. Her mother adds—"and they will be 'looking over' you" to this comment.)

She spent last summer in Brazil under a student exchange program and also wants to study Portuguese at U. of M.

She is obviously excited when she talks about her forthcoming trip to Atlanta and the national pageant and all the shopping she has to do in preparation.

See she's normal. Needless to say her parents and her brother, Jon, 16, and sister, Sari, 9, are also excited. They're normal too.

## WOMAN KILLED

### Man Stands Mute To Fleeing Scene

Alleged hit-run driver Joseph P. Handzlik, 21, stood mute Monday when arraigned in Redford Township on charges of leaving the scene of a fatal accident and was released on \$5,000 personal bond.

## Schoolcraft Concert Set For Feb. 23

Schoolcraft College's Music Department will present the second of a series of Library Concerts on Feb. 23 at 1 p.m. in the Forum Building.

Wayne Dunlap, head of the department, indicated the concert originally was scheduled for Feb. 17 but had to be changed due to a previous engagement by the principal performer.

The second concert will consist of a lecture-demonstration by Dr. Edward Chudacoff on the New Music. In the presentation, he will describe and demonstrate by means of recordings and slides, some of the important movements taking place in serious music today.

Dr. Chudacoff is a member of the Music School faculty at the University of Michigan where he received his music degree.

A limited number of off-campus guests can be accommodated. There is no charge for admission.

Township police credited four teenage age boys (names withheld by the department) for assistance in apprehending the alleged death-car operator whose vehicle killed a Redford Township woman Friday night as she was crossing Plymouth Road.

The victim was Mrs. Cleo R. Brandt, 43, of 12159 Leverne St. who was crossing at the intersection of her street with Plymouth Road when she was struck. It was the township's fourth fatal accident so far this year.

Officers said a car passed the one driven by the four youths, struck Mrs. Brandt, and then fled with the teenagers in pursuit at a high speed.

After a three-mile chase they lost sight of the car but in the meanwhile had been able to obtain the license number.

Plymouth police heard the license number on their radio and picked up Handzlik at his home, 646 Kellogg, Plymouth, 35 minutes after the accident which took place at 7:45 p.m.

He told police he had been shopping but made no other statements.

Conviction on the charge of leaving the scene of an injury accident is a felony, punishable by a jail term of from one to five years.

## Wards to Start Class in Home Furnishings

S. D. Ward, District General Manager, Montgomery Ward and Company, announced the beginning of a specialized class in Home Furnishings and Decorating to be known as the "Ask Annabelle" course. It will start Tuesday, Feb. 22 at 7 p.m. in the Wonderland store located at Middlebelt and Plymouth Roads in Livonia.

Annabelle King, Home Furnishings Feature Writer and Lecturer will conduct classes in such subjects as furniture selection; carpeting and window arrangement; decorative use of wallpaper and paint; wall arrangements and accessories; imagination vs. money and furniture refinishing and antiquing.

The eight week course will be conducted in the Montgomery Ward store at Wonderland and cost is \$15. Customers may add the course cost to their account. Enrollments will be accepted in the Furniture Department.

Jerry Wendt  
 Woman's Editor

A helpless child alone in a darkened room with bars on the window, forsaken, frightened, doomed to live forever in the world of the forgotten. This formerly heart-breaking picture has now been changed to one of hope by the Special Education program in our schools.

Formerly children who had congenital, crippling defects of mind and body were kept out of sight in an institution, and had little or no chance of living a normal life.

The Observer visited these Special Education classes where many children and adolescents are now being helped to live normal, useful lives. These classes are under the direction of Jack Salvatore, administrative assistant to Supt. Merlin D. Roe, of the South Redford Board of Education. Sometimes a man's whole life seems to bring him to a special destiny, and that seems to be the point in this case. Jack Salvatore spent 10 years in social welfare work for the Detroit Board of Education. He learned first hand knowledge of children and their problems. He brought a forthright approach to the problem of these children. Determining not to dwell on their defects, he encouraged them to use whatever talents and abilities they had in the normal world.

A visit to the Orthopedic class of pre-schoolers in the Horace Mann Schools shows the youngsters busy at their therapy under the direction of Judy Blue. A teacher, Mrs. Carol Chapman, helps them with pre-school lessons. They are learning to walk and play. Sally Bitel, who does not have the use of her arms or legs has drawn pictures of such worth that the teacher has them mounted in a book. The Observer was much impressed with their neatness. (see pictures).

A visit to the Marshall Junior High brought us into the classroom with students who have unusual learning problems. All the children have only one basic characteristic in common; they have difficulty in remembering academic material. Each child is an individual case. Lack of learning does not mean that they are not gifted in other lines. Brad Brzezinski has made a mural of the Mackinac Bridge. The picture is truly remarkable in its mathematical accuracy. Mark Harris is the teacher for this particular class.

There are also classes in speech correction, emotional disturbances and others. Jack Salvatore is keenly interested in this program. He feels that these children can with proper guidance find their way into useful lives. While in Junior High School, jobs are found for these children and they begin to take the first steps. The long range hope for this program is to develop a realistic picture of life for THAT particular child.

He points out that the state now takes care of these children under their education program instead of putting all the burden on the parents as they did formerly. Oddly enough Jack feels that the present funds are adequate, does not plan on asking tax-payers for more contributions.

He hand picks his teachers. The Observer asked him, "What is the one quality you demand in your teacher, above all others?"

"Compassion", he answered at once. "It is important that there be a real understanding between pupil and teacher. This is important so that the pupils will accept their teachings".

How well he has succeeded in his program was illustrated by the remark one little boy made when he looked at the picture of the students in the orthopedic classes. His face lit up with the sweetest smile as he said, "Why, you've gotten the whole family in the picture".

# Long Lines, Frayed Tempers Face Late Plate Buyers

LANSING — If you enjoy a good tugging match, frayed tempers, long waits possibly in near zero weather, then wait until the last day or two before buying your 1966 Michigan license plates.

But if you're not too enthused about any of the above, Secretary of State James M. Hare urges you to get into your nearest branch office for plates in the next couple of days or so.

"I don't like telling people they will encounter long waits, possibly outside in bitter winter weather, but unfortunately that's what is in store for a half-million Michigan car owners unless they buy plates right away," said Hare.

The week of February 20 is the last full sales week with Monday, February 28, the final day. All vehicles must have 1966 license plates by March 1.

Hare said the reason he is pessimistic about the last few days of the sale is because of collections for the Motor Vehicle Accident Claims fund being conducted in conjunction with plate sales.

"These collections have been slowing our normal transaction time, and it's taking up to two and three times longer to handle each plate customer," Hare said.

He announced some additional hour schedules for the two Saturdays prior to the deadline, February 19 and 26, and for the Monday, February 28, for civil service branches.

On February 19 and 26, outstate civil service branches in Grand Rapids, Saginaw, Flint, Lansing, St. Joseph, Kalamazoo, Jackson, and Battle Creek will be open from 8:15 in the morning to 5 p.m. The three Detroit civil service branches will

be open from 8:15 a.m. to 7 p.m.  
On February 28, all

civil service branches will open from 8:15 a.m. to 9 p.m. or until every-

one in line has been taken care of.  
Hare specified that

this schedule included only the civil service branches and did not in-

volve hours for the more than 200 fee branch offices located through-

out the state.  
"Hours at fee branches are set by managers and

are dictated by the volume of business," he concluded.

### Urge Aged File for Exemption

This is a public service article explaining in general terms a provision of Michigan law, individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.

By Atty. Gen. Frank J. Kelley

Last year the Michigan legislature enacted a Senior Citizens Homestead Tax Exemption law which exempts from taxation up to \$2,500 of the state equalized value of a home. A home would be subject to this exemption if:

1. It is owned and used as a home by a person over the age of 65 years.
2. The owner has been a Michigan resident for the last seven years.
3. The owner has an income which, together with that of other owners of the homestead and his co-occupying spouse, is not more than \$5,000.
4. Does not own in excess of \$10,000 of state equalized value of real property located within the state of Michigan.

An affidavit setting forth the necessary facts to determine eligibility, obtainable from local assessors, must be filed by the senior citizen during the months of January and February, or during the first half of March. Citizen owners who neglect to file the affidavit cannot get the benefit of the homestead tax exemption law.

State equalized values are set on the fourth Monday of May for each year. Before that time, no one can know the exact amount of state equalized value attributable to this property for the current year.

A citizen who qualifies under the age, residency and income tests and who owns real property which, for the past year, had a state equalized value of \$10,000, or less, certainly should file the affidavit claiming the exemption during January and February, or the first part of March.

It is suggested that otherwise qualified persons whose real property had a state equalized value somewhat in excess of \$10,000 also file the affidavit. Any reduction brought about by state equalization, which occurs in May, might reduce a homestead's valuation sufficiently to entitle such citizen to a tax exemption.

# PTA NOTES

## Livonia

**BOTSFORD**  
"Sound of Music" is a concert to be given by children in the 4th, 5th, and 6th grades. It will be held Thursday, Feb. 17 at the Botsford Music Hall on Lathers Rd.

## CORDELL HULL

There will be a PTA Mixer, Saturday night, April 2 at the Compton Village Lounge with a band on hand for dancing.

Mother-Daughter night will be Tuesday, March 1 at 8 p.m. in the multi-purpose room. There will be a demonstrator present to show the techniques of molding sugar and chocolate figures in a professional manner. Sugar eggs, chocolate bunnies, and chicks, will be some of the featured items. For reasons of space the attendance of daughters is limited to grades four, five and six.

## JEFFERSON

Jefferson PTA's annual fund raising event will be held in the multi-purpose room of Jefferson School on Tuesday, Feb.

22, beginning at 8 p.m. Prospects for a delightful evening are assured by the co-chairman of the event, Mrs. Marilyn Filip and Mrs. Therese Suttle. There will be many door prizes as well as table prizes, and it will not be necessary to be present to be eligible for a door prize, simply purchase a ticket in advance.

Dessert and coffee or tea will be served at each table under the direction of Marge Steuben. Players are requested to bring their own cards.

Tickets may be purchased from any member of the executive board or at the door.

## JOHNSON

Johnson Elementary School P.T.A. will hold its annual election of officers, at 7:45 p.m., Tuesday, March 1. William Kumbier, elementary Math-Science specialist, will discuss why we have modern mathematics in Livonia Public Schools. He plans to discuss the process of choosing math materials, to take the parents through several mathematical

learning experiences and to display materials that are helpful to parents.

Brownie Troop 2495, under the leadership of Mrs. Pogan, Mrs. Cidboy and Mrs. Uhl, will conduct the flag ceremony.

## Farmington

**EAST JUNIOR HIGH SCHOOL**  
A pancake supper for the entire family will be jointly sponsored by the East Junior High school parent organization and the Student Council on Tuesday, March 1, in the school cafeteria, 25000 Middlebelt, south of Eleven Mile Rd.

Proceeds from the supper, which is slated from 5:30 to 8 p.m., will be used to build a physical education field for school sports during and after school.

The parents group will also join with the Student Council to put on a school-wide fair in the spring with proceeds also earmarked for the athletic field.

## MIDDLEBELT

Featured speaker will be Miss Minnie Zielke, Director of Elementary Education for the Farmington School District.

Her topic will be of interest to all parents. Miss Zielke will discuss "How Are Our Schools of Today Preparing Our Children for Tomorrow?" Her talk will be followed by a question and answer period.

Plan to attend. Everyone is invited.

## HIGHMEADOW

Modern Math program presented by the Highmeadow PTA on Feb. 8 was successful in acquainting the parents with the new method being used from the first grade through sixth. Jack Cleveland, principal of Kenbrook elementary school and guest speaker, presented the program.

A magician has been obtained by the PTA for a special Family Night performance, Friday, April 1.

The International Dinner held by the PTA last year will be held again this year on March 8. The dinner will be a smorgasbord and the admission will be a foreign main or side dish. The PTA will sell coffee, milk, and ice cream.

## RADCLIFF

Carl Schieffelbein, Jr. will present a film "One Quarter Million Teenagers", at the Feb. 21 meeting of the P.T.A. in the Radcliff Jr. High cafeteria at 8 p.m. The film relates to venereal disease.

Schieffelbein is a field representative for the Michigan Department of Health. Following the film, there will be a question-answer session. Due to the nature of the program, children will not be admitted unless accompanied by a parent.

## FLANDERS

"Scout Night" will be held Monday, Feb. 21 by the Flanders School PTA in Farmington Meadows. Following the regular business meeting in the "All Purpose Room" there will be projects and achievements displayed in the "Multi-Purpose

Rooms." These crafts are the works of Boy Scout Troop 118, Girl Scout Troop 659 and Cub Pack 118—all very active in the Meadows subdivision.

## Fashion Show To Be February 16

Fresh summer styles will be the keynote of the Fashion Show to be held by the Marygrove College Mothers Guild on Wednesday, Feb. 16 at Marygrove College.

The afternoon's activities will begin with a noon buffet luncheon in Alumnae Hall, followed by the show. A candy party will be held afterward. Chief among the prizes awarded for the afternoon will be an originally designed dress.

Tickets for the afternoon's activities can be obtained at the college. Funds raised by the card party will be contributed to improving closed circuit television facilities at the college.

**CAMPFIRE GIRLS** HAVE worked hard these last weeks to sell their quota of candy. Linda Steiger and Lisa Cook, of the Chipmunk Group, in Farmington are glad their stint is winding up.

## Mt. Hope Pancake Supper Feb. 23

The second annual Pancake Supper, sponsored by the Doubles Club of Mt. Hope Congregational Church of Livonia, will be held on Ash Wednesday, Feb. 23, from 5:00 p.m. to 7:30 p.m., in the Roosevelt Elementary School, Henry Ruff and Lyndon Roads. A donation of \$1.00 includes all ages. Facilities will be available for the care of infants.

## 'Spanish Town' is Theme Of Quaker Valley Dance

Quaker Valley's first annual dinner dance at the Farmington Country Club was a unique and vivid party. It was entitled "In a Little Spanish Town."

Formal notes were mailed out to each resident of Quaker Valley. On the corner of the white invitations was a black lace fan with a red satin rose.

When the guests, elegant in their formal attire arrived, they were greeted with a scene from colorful Spain. "Castillo De Barcelona" (Castle of Barcelona) was decorated with hundreds of huge tissue paper flowers in wild Spanish colors, hot pink, orange, blue, red, lavender, etc. At the entrance of the dance floor was a flowered wrought iron trellis covered with vines.

Individual tables had been set with a red tablecloth centered with a wrought iron candle holder and candle.

A surprise was the hillbilly rendition of the unusual experiences of Quaker Valley residents. The guests had expected

### Malcom McFarlanes Celebrate Their 50th Wedding Anniversary

The 50th wedding anniversary of Mr. and Mrs. Malcom McFarlane, a prominent Garden City family, was celebrated at the Dearborn Elks Club.

The gold and green decor had many "golden" flower arrangements, and teh ice sculpture which held the punch bowl had golden flowers imbedded in its depths.

Until his retirement a few years ago, Malcom McFarlane had been in partnership in the firm of McFarlane Brothers

Realtors established in Garden City in 1924. They are the parents of a daughter, and have a grandson, a granddaughter and a great-grandson.

The party gave the many friends and relatives of the popular couple an opportunity to present them with gifts and tokens of esteem. Guests and wellwishers came from Calgary, Alberta, Montreal, Quebec, Toronto, London, Ontario, St. Thomas, Fort Erie, Glencoe and Windsor, Ont., Phoenix, Ariz., Detroit and Dearborn.

### Plymouth Club Hears 'Fashions For Travel'

What to take? Where to go? How to Pack? These are some of the questions that will be answered by Emily Kay Murphy on Feb. 28 at the 12:30 p.m. luncheon at the Elks Club on Ann Arbor Rd.

She will display a designers wardrobe of interchanging pieces sufficient for a vacation. Emily Kay is known for her self impression course at Crowleys Livonia Mall, her affilia-

tions with Willoway Play House and her promotional work.

Tickets are available by calling Mrs. Edward Sawusch at 453-4346 or Mrs. ames Jahara at 453-0469. The chairman, Mrs. Dauderman, will be assisted by Mrs. Max Nicol, Mrs. Gene Overholt, Mrs. Ethel Burmester, Mrs. Effie MacDougall, Mrs. Gordon Hartford, Mrs. Russell Ash and Mrs. Charles Derr and Mrs. Robert Gotshall.

FOUR GENERATIONS of the McFarlane family are represented in this picture. Left to right: Mr. and Mrs. Malcolm McFarlane; daughter Mrs. Elva Sheill, her son Frederick Sheill, and his son Martin Sheill, 18 months.

# Elks Lodges To Conduct Ritual Meet

The 16 lodges in the Southeast District of the Michigan Elks Association will conduct a ritual elimination contest at the Plymouth Lodge 1780 Friday and Saturday, Feb. 18 and 19.

Director Herbert Davis expects each of the Lodges to have a team competition. Trophies will be awarded to the top four teams and to the outstanding officer at each of the seven-team stations. The first place team will compete in the state contest at Flint in May. A trophy also will be awarded to the high point officer of each competing team.

Awards will be made at the traditional banquet in the Plymouth clubrooms Saturday night with State President Roy Gallie handling the presentations.

HERE'S A START is the way Deputy Clerk Margo Robson greets Plymouth's new City Clerk Eugene Slider as he reports to duty for the first time. That's City Manager Richard Blodgett (left) looking over his shoulder. Slider replaces Richard Shafer who resigned several months ago to accept a post in Palm Springs, Calif.

# Lincoln Day

(Continued from Page 1) was held for the purpose of building a solid Republican front in the area and judging from the enthusiasm of those in attendance, it succeeded admirably.

Wendell Smith, "Man of the Year" in Plymouth and Michigan and a National director of the Junior Chamber of Commerce, served as master of ceremonies.

Mrs. Peterson, who was making an appearance at her fourth event of the day, asked for an early spot on the program so that she could get some much needed rest.

"We have to think of the job ahead and the great issues involved," she said. "We are lucky to have three such outstanding candidates for Senate in a year when we have to have our greatest strength if we hope to gain control of the state legislature and the Congress in Washington again."

"It was just a few days ago that Lyndon B. Johnson said 'great nations breed great people'. We prefer to follow the words of our own great leader, Gov. George Romney who puts it this way 'Great people breed great nations'."

"We know the Democrats are going to do everything they can to keep their freshmen Congressmen in the 2nd, 3rd, 11th, and 19th, districts in office. We know this because more anti-poverty money has been sent into these districts than anywhere else in Michigan."

"Michigan is moving ahead under Republican Government and we believe there is nothing wrong with the Republican Party in Michigan that can't be cured by a good dose of common sense. We Republicans have to stop using the negative approach and start talking about what is right rather than what is wrong."

Mrs. Peterson challenged the audience to start working together for a common cause — to make the coming election one of the greatest for the party.

"We have less than a year to prove to the people that we have a solution to ills at the community level," she warned. "If we don't win the battle of 1966, then there is a strong possibility that we won't have the marbles to play the game in 1968."

"That's why it is so important that we concentrate this year. Everyone will have to get out and give as much time as he or she can for the good of the party. If we do we'll win this year and we'll continue to win in 1968—we'll have the marbles necessary."

State Senator Vander Jagt answered the unasked question of "Why am I planning on running for the U.S. Senate this time?"

"I feel certain that a Republican will be the next Senator from Michigan," he smiled, "And I would like to

be that man. That's why I feel honored to be one of the three candidates for the nomination and why I would like to be the one selected by the party for the honor.

"I feel a growing dissatisfaction with the Democratic Party in Michigan as well as across the land. I have made a cold analysis of the situation and figure that Gov. Romney will win reelection by a 400,000 majority. On that basis, I believe our party will place its candidate in the U.S. Senate."

Vander Jagt stated that the winning of an election is a reflection on the work of those who want to win.

"The answer to the outcome of the November elections is in the hands of groups like this," he said, "If every person here tonight goes out and works for the party and the same concerted effort comes from similar parties being held throughout the state, then we should look forward to a smashing Republican victory in November."

State Senator Roberts thanked the audience for the manner in which he was supported last spring when elected to fill the vacancy created by the death of Observer Publisher and State Senator-elect Paul Chandler. He urged all possible support for Pursell in his candidacy to fill the positions.

Former State Senator Stanley Thayer, of Ann Arbor, also made a few remarks when called to the podium. There is a distinct possibility that Thayer may become a candidate for the Second District Congressional seat although no announcement was made at the dinner.

Mrs. Betty Jacobus was general chairman of the affair with Ed Johanson in charge of ticket sales. Cynthia Eaton was publicity chairman and Mike Clinismith handled the arrangements.

# Wendell

(Continued from Page 1) and Mathematics, Smith also received a Masters degree from Cornell University in Food Distribution.

He has been an employee of Kroger Stores since 1955, advancing from a meat merchandising trainee to division industrial engineer — a promotion he received a short time back.

Smith has been active in Plymouth Community affairs ever since he purchased a home in the Lakepointe subdivision.

He served as chairman of the School Finance Study Committee; president and chairman of the Sheltered Workshop for Retarded Adults; vice chairman of the 1965 Michigan Week program; member of the Board of the Plymouth Fall Festival; and a member of the Citizen's Committee to evaluate a civic center and auditorium.

Wendell has been one of the leaders in the development of the Sheltered Workshop and it was his work in this area that was a big factor in his selection as one of the "Top Five".

As late as last Thursday, he joined with Mayor James Houk and Township Supervisor John McEwen in asking a collection for the project at the first annual Lincoln Day dinner of the area Republicans.

Wendell and his wife, Margeth, are the parents of three children; a son, Michael; and two daughters, Shannon and Wendy. Mrs. Smith is one of the leaders in the American Association of University Women activities and Saturday was director of the stage production "Rumpelstiltskin" which was presented four times for the area's younger set.

The first artificial snow was produced in 1946 by Vincent J. Schaefer of Schenectady, N.Y.

# Parents Want

(Continued from Page 1) that this School Board could do something in the nature of a portable building for the remainder of the year."

Mrs. Heilman objected strongly to the proposal to transport the youngsters to Allen School on the basis that the children were standing on the streets awaiting the bus in the dim, darkness of the early morning.

One member of the group was adamant in getting an answer from the Board as to how soon the parents would know whether a portable building could be leased.

"We want an immediate answer on the question of a portable building," she said. "We feel we have been pushed around for years and it's about time the Board came up with the answers as to cost, can the budget afford a temporary building and how soon we can expect an answer."

Board Vice President Carl Schultheiss quickly took issue with the statement of "being pushed around."

"I feel this is entirely out of order," he said, "I don't believe anyone in this audience can truthfully say that this Board has pushed anyone around. It has always been our thought to handle the situations on a community-wide basis, meeting the problems as they arise. We will continue that policy. We have resolved these kind of problems before and we'll do it this time."

However, Schultheiss pointed out that the group placed the Board and the administration in an unusual position since it refused to allow the transportation of the students to a school where room is available, complained bitterly about having the youngsters taught in a small classroom which the administration felt was suitable and

then demanded that the Board give an immediate answer on the availability of a portable building.

"We don't have the answers to all these questions at this moment," he said, "However, we will do everything we can to have the information within two or three weeks."

Assistant Supt. Melvin Blunk in charge of business affairs, told the Board he would start working on the proposal to rent a portable building and come back with the cost whether it could fit into the budget as soon as possible, probably within two weeks.

The parents, who feel the new elementary School No. 7 now under construction on Five Mile Road near Haggerty won't answer the crowded conditions, even went so far as to indicate they would favor additional taxes if that was the solution.

The lengthy discussion ended on an amiable basis with the Board promising an answer and the parents promising they would be back to hear the report.

# AAUW to Hear Talk by Patrick

William Patrick, Jr., Assistant General Attorney for Michigan Bell, will discuss "Education and Poverty" before members of the American Association of University Women at the Feb. 17 dinner meeting in the Mayflower Hotel. Co-

Hostesses will be Mrs. Julius Eder and Mrs. Edmund Snyder. Patrick is considered one of the finest speakers on the subject in the area. He is a former Detroit City Councilman.

Patrick received a Bachelor of Arts degree from Howard University in 1942. He received his law degree from the University of Michigan Law School in 1946. From 1950 to 1953, Patrick was Assistant Prosecuting Attorney for Wayne County. In November of 1957 he was elected to the Common Council of the City of Detroit and was re-elected in 1961.

Besides his position with Michigan Bell Telephone he now serves as a visiting professor in political science at the University of Michigan Dearborn Center.

Through most of 1964 he served as Special Consultant to Sargent Shriver on the President's Task Force in the War Against Poverty, on loan from the Michigan Bell Telephone Company.

Patrick also serves as Consultant to the Department of Health, Education and Welfare for the Office of Juvenile Delinquency and Youth Development. He is a consultant to the Michigan Office of Economic Opportunity.

# Reading

(Continued from Page 1) ing staff members in teaching disadvantaged students and also providing more individual assistance to the student in reading.

The three specialists are: Mrs. Margaret McKenna, Mrs. Jane Young and Mrs. Sonja Windisch.

This service will include educationally deprived children of the private schools in the school district.

Harding said part of the \$14,320 grant will be used for purchase of \$5,500 of equipment and reading material. These programs will give the school system a chance to correct many of the remedial reading problems that have faced us for some time," said Supt. Isbister. "We believe this is one of the most valuable contributions the federal government could make to any school system and especially to one in the same financial condition as Plymouth."

# Legion Hosts Plymouth Home Group

William Boyd, Community Relations Director at the Plymouth State Home, and Gail Smith, Past State Vice Commander of the American Legion, will be the speakers when Passage-Gayde Post resumes its "Why Are We?" series in the Legion Home on N. Sheldon Road.

The program opens at 6:30 a.m. with a buffet dinner followed by the speaking at 7:30 p.m. to which the general public is invited.

The Plymouth State Home Auxiliary will be guests of the Legionnaires and Auxiliary Unit.

Boyd, a graduate of Augustana College with a master's degree in Psychology from the University of Chicago, served as a Presbyterian minister for six years before moving into the field of mentally and physically handicapped.

Smith has been one of the leaders in the American Legion Child Welfare Work and currently works in mental health at the Lapeer State Home. He is an active member of the Michigan Division of the American Cancer Society. He served at the Farmington Children's Home for a long time.

Smith has held various offices and chaired numerous committees on the Post, District and State levels in the American Legion.

# Jack Selle Named to Buick Dealer Board

Jack Selle, president of Jack Selle Buick Company, 200 Ann Arbor Road, Plymouth, has been elected to a two-year term as a member of the Buick dealer council in the Detroit zone, R. L. Ingersoll, zone manager, has announced.

Others include: R. R. Mowry, Manistee; Glenn Wilson, Fenton; W. Mitchell, Mt. Clemens; and John Hollington, Findlay, Ohio.

# Rev. Dennis Harrity Discusses Future of Catholic Parochial Schools

By JERRY WENDT  
Church Editor

When you toss Rev. Dennis Harrity, resident priest of St. Fabian's a "hot potato" question, he doesn't attempt to duck it, or drop it. He considers it carefully and tosses back a pertinent answer.

Rev. Harrity has only been at St. Fabian's for a year but in the time that he has conducted the daily and Sunday masses at the church he has built a loyal following.

The Observer decided to interview him on one of the leading topics of the day, namely the future of parochial education. We couldn't have picked a better man because in addition to his duties at St. Fabian, Rev. Harrity is principle at the Shrine High School. The high school is sponsored by two parishes, Our Lady of Fatima and the Shrine of the Little Flower.

When we asked him if he did not think there was a crisis concerning the future of the parochial school he answered in the affirmative at once.

"I certainly do think there is a great problem," he said without beating about the bush, "and there are two great factors that have contributed to it. First, the great cost in schools, both the staffing and the maintenance of them have made it difficult for many families to afford the tuition. Secondly, there is a great reduction in the number of women who enter the sisterhood."

"Some attempt has been made to meet this problem," he continued "by having lay people take over the teaching responsibilities. However this has all added to the cost."

"There are completely two different problems which confront the Church with regard to schools. The inner city has many schools which were built years ago and each has libraries, study rooms, etc. which are not being utilized, due to the smaller number of children in the inner city.

"The suburbs, by contrast have many children but not

nearly enough schools to accommodate them.

"What are the advantages of parochial education for Catholic children," we asked him? "There are really too many to list them all," he said smilingly, "but one of the main ones is that the teachers are not obliged to play politics or try to please the people in power on the school boards. They are free to discipline the students and to insist that the parents work with them in matters which are beneficial to the children."

Rev. Harrity is very modern in his approach to the students and it is easy to see why he is so popular with them. Contrary to the old dogmas, he does not believe in a "closed" doctrine, but welcomes other ideas, and discussion on other religions. "We do not learn," he said "by living with people of a like mind." We must constantly be in contact with those who have ideas different from ours. This has the effect of doing away with rebelliousness on the part of teen agers. "When you insist that they hew a narrow line, they will inevitably rebel," he stated. "They should be en-

couraged to learn in other directions."

When we asked him if this wasn't somewhat of a new trend for the church he agreed. This modernizing of ideas he attributes to Pope John, whom he greatly admired, and whom he believes interjected life-giving blood into the Church. He feels that in order to insure the future of parochial education, there are several solutions. One is to have two or more parishes sponsor a school. Another is to have a board of laymen sit in conference with the church members and work out ways to make it financially possible for schools to be built. This again is indicative of the new trend. "It is foolish not to utilize the business abilities of the layman to aid the church in its problems," he said.

He stressed the fact that there is not hard and fast rule for all parishes. Each parish will be an individual matter he said. All Catholics will have to work with the pastor and the church board for the common good.

He also revealed the fact that the once controversial Father Coughlin is still very active in the Shrine of the Little Flower.

REV. DENNIS HARRITY, resident priest of St. Fabian's in Farmington, relaxes in the pleasant living room of the parish home on Red Clover in Kendallwood.

## Trinity Church To Hold Two Concerts

Trinity Church of the Brethren will be host of two Lenten concerts, the Tri-Church and the Manchester A. Cappella.

Tri-Church choir concert will be held at Trinity this year on Sunday evening, February 20. The featured presentation will be "The Seven Last Words" by DuBois. The choir will be composed of the choirs of Bethany, First and Trinity Churches. Rehearsals will begin tonight, Feb. 16 at 8:15 p.m. and continue each Wednesday at this time until the concert. An invitation is extended to other members of the congregation to join the choir in this special presentation.

Manchester College's A. Cappella choir will be at Trinity for a sacred for the area churches and community on Saturday evening, April 2. Trinity will also serve as overnight hosts for the members of the choir.

## Bishop Emrich To Confirm at St. David's

Right Rev. Richard E. Emrich, Bishop of the Episcopal Diocese of Michigan will administer the Rite of Confirmation to a class of 21 at St. David's Episcopal Church in Garden City, at 4 p.m. Sunday, Feb. 20.

A reception will be held in the church after the service for the newly confirmed persons and for the Bishop and Mrs. Emrich.

## Cub Scouts Observe Boy Scout Week

The Cub Scouts of Pack 167 in Farmington will hold their annual Blue and Gold Banquet Feb. 18 at the Highmeadow School. Cliff Kubit, a magician, will perform. A feature film on "Drag Racing" will also be shown.

The scouts wore their uniforms to school as part of Uniform Day on Feb. 8. They wore their uniforms to their respective churches, temples or synagogues on either Feb. 12 or 13 as part of the observance of Boy Scout Week.

## Dr. Gesswein to Speak At DBC February 22-25

Dr. Armin Gesswein, Director of the Revival Prayer Fellowship, is scheduled to be the speaker for the 28th Spiritual Life Conference at Detroit Bible College Feb. 22-25.

Morning Chapel is to be held at 10:30 a.m. each day of the Conference. Evening Chapel on Feb. 22 and Feb. 24 is slated for 7:35 p.m.

Dr. Gesswein is the founder and Director of the Minister's Revival and Prayer Fellowship, Chairman of the Spiritual Life Commission of the National Association of Evangelicals, and was associate evangelist on the Billy Graham Team during the New York Crusade.

For further information call Sister Mary Mercy, at KE 1-7820, ext. 377.

## Mercy College to Present Berg Lecture Series February 24 - May 12

"The Church in the Modern World" will be the topic of a series of lectures Thursday evenings at 8 from Feb. 24 to May 12 at Mercy College of Detroit.

The Rev. Paul Berg, associate professor of philosophy at Sacred Heart Seminary, will speak on the constitutions on the liturgy and the Church, the decree on ecumenism, the decree on religious liberty and Schema 13.

Fee for the course is \$20.

## 'Revival Hour' to Be Held Feb. 25 at CWC

Memorial Church of Christ, announces that on Feb. 17 a 30-minute "Revival Hour" of the Christian Workers Clinic will feature an all-musical program, consisting of congregational singing and special music (solos, duets, etc.) It will be under the direction of Lee and Lois Baltzer of the Kenwood Church.

Jerry Paul, Great Lakes Bible College public relations director, will be the featured speaker for the Christian Workers Clinic, Feb. 24.

On March 3, the final session of the clinic, the speaker will be Louis Detro president of the Great Lakes Bible College, Lansing.

## 'Mind' to Be Topic of Sermon in Science Churches

"Be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God," is one of the Bible passages included in this week's service on "MIND" to be read in all Christian Science churches this Sunday.

Also included are these related lines from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The expression mortal mind is really a solecism, for Mind is immortal, and Truth pierces the error of mortality as a sunbeam penetrates the cloud."

This lesson is the last in a series exploring the nature of Deity through a group of special terms—Life, Truth, Love, Spirit, Soul and Mind.

Do you believe man should be free to follow truth in its advance—to seek it in all the difficult and painful ways in which it may be sought... Maybe you're already a UNITARIAN, without knowing it. WEST UNITARIAN (see our ad on this page.)

## Lenten Service To Be Feb. 23

St. Matthew's Church of Livonia invites all its members to the first Wednesday evening Lenten Services, on Feb. 23. There will be a potluck dinner followed by a service. Please bring one of the following dishes: meat casserole, salad, dessert. Coffee will be furnished.

APPOINTMENT of Richard Smith as advertising and sales promotion manager of the Detroit division of Kroger Co. was announced Monday. Smith was transferred to Detroit from Chicago where he served in the same capacity.

### Asks Study of Jobless Teen-Agers

NEW ORLEANS, La.—American businessmen should face head-on the problem of teenage unemployment, Virgil E. Boyd, Chrysler Corporation group vice president-domestic automotive, said in a speech before the New Orleans Advertising Club.

Stating that the nation is faced with a shortage of skilled manpower, Boyd said there is a manpower pool in the nation's teenagers which should be drawn upon.

"Somewhere between three and four million young people will be entering the work force every year," Boyd said.

Pointing out that this pool could provide a large part of the solution to the problem of manpower shortages if all the young people were properly trained, he pointed out that there already is 12 per cent unemployment among teenagers in this country. "It would be tragic to waste that potential in the face of such need," Boyd said.

"We can kid ourselves if we want to and say these unemployed young men don't want to work, and even if they do they ought to learn a skill on their own the way we had to. Or we can face the problem head-on, admit this is a different world we live in, demanding new techniques and new skills, and then pitch in to help with the job of training men to fill the manpower needs of the future," he added.

Boyd said "we already have made a beginning with some very effective training programs, but the total solution will have to come through the combined efforts of industry, educators, and local, state and federal governments working together toward a solution that will work to the benefit of all of us."

### Seven State Colleges Share Fund

Seven colleges and universities in Michigan will share in a \$2,313,900 budget for aid to education as announced this week by the Shell Companies Foundation, Incorporated.

The sum marks a substantial increase over last year's budget of \$2,186,252, with increases being made to existing Foundation programs in the areas of both education and public service.

The University of Michigan will receive a Shell Fellowship of approximately \$5,000 in chemical and mechanical engineering, most of which will be awarded to students and young teachers studying for advanced degree.

In addition, Adrian College, Albion College, Calvin College, Hope College, Kalamazoo College and University of Detroit will participate in the program of Shell Assists to be used for the important "little things" for college faculty members.

### 3 From Area To Receive Sales Awards

Three area residents will accept honorary certificates from Sales/Marketing Executive of Detroit Inc. at the club's Silver Carpet banquet on Monday, Feb. 21 at the Statler Hilton Hotel.

Sales teams to be honored at the banquet are from six member firms and were nominated by their company market or sales managers. The companies are: General Electric, National Bank of Detroit, Burroughs Corp., Wyandotte Chemicals Corp., LaSalle Building Corp., and Michigan Blue Cross-Blue Shield.

Area residents on the sales teams are: National Bank of Detroit, Joseph Said, Jr., 7821 Gray, Garden City; Burroughs, Richard Erwin, 9833 Mayfield, Livonia; and Wyandotte Chemicals, Norman Amend, 31710 W. Chicago, Livonia.

**IF YOU ARE** interested in Art as well as Music plan to attend the Symphony Orchestra's concert on Feb. 27 and during the same afternoon, you will have an opportunity to see an art exhibit from Marian Sober's Joy Road Studio in the hall of the high school—incidentally exhibits will all be the works of Plymouth Women.

**60 PLUS CLUB** met on Monday, Feb. 14, at the First Methodist Church. Their usual pot luck luncheon at 12 o'clock was followed by a business meeting and a music program by high school students. The active group helps others by keeping busy sewing cancer pads and making articles for the State Home.

**A SUCCESSFUL** Valentine Card Party for the White Shrine of Jerusalem was held February 12. This group is participating in a "Community Award" program and any help toward its success will be appreciated.

**KATE EDGERTON** is the newly elected president of the Three Cities Art Club. Serving with her will be Vice President Franklin York, Corresponding Secretary Mitzie Hale, Recording Secretary Ann Gentry Treasurer Mary Engstrom and members at large: Marie Bonamici and Roy Pederson; in charge of programs, Mabel Bacon and memberships Jessie Hudson and Library Chairman Mary Engstrom.

**SOROPTIMIST** of Plymouth are anticipating a birthday celebration in March and making plans for their regional meeting in Columbus, O. in April. The group met at Lofy's for a dinner meeting on Wednesday, Feb. 9.

**LIKE ROAST BEEF?** Plan to attend the dinner sponsored by the Reorganized Church of Jesus Christ of Latter Day Saints at the Masonic Temple on Feb. 17. Proceeds will be used for building purposes. The ladies will be serving from 5:30 to 7 p.m. Adults \$2 and you may purchase your ticket at the door, the public is invited.

**EXTRA TALL?** Than plan to attend the "Get Acquainted Koffee Klatch" at the Veterans Memorial Bldg., Detroit Civic Center at 7 p.m. on Feb. 17. Barbara Perrone, Social Chairman for the Tip Toppers states dancing will follow the business meeting.

**BOOKS - BOOKS - BOOKS!** Moving, cleaning house? Each year the AAUW sponsors a book sale; money earned from the sale goes for scholarships for women. Reference books, poetry, novels, children's books, biographies, textbooks, pocketbooks and other types are needed; a call to Lois Kehrl at 453-4504 or Ann Arenson at 453-1702 and a pick up will be made.

### GOP Plans Meeting

Second of a two-part series on urban renewal will be featured at the February meeting of the Plymouth-Northville Township Republican Party.

Speaker will be George Lemble, of Ann Arbor, who will discuss his views on community action as alternate solution to urban renewal.

The meeting, sponsored by the Republican group on Thursday, Feb. 24 in the Plymouth Credit Union, beginning at 8 p.m.

## Vice President Meets with Students in District Visit

Congressman Weston E. Vivian expressed great pride and pleasure in the outstanding performance of 44 student representatives from high schools throughout the Second Congressional District during their press conference with Vice President Hubert H. Humphrey on Monday, Feb. 7, at Pease Auditorium on the campus of Eastern Michigan University in Ypsilanti.

Chosen by their schools on the basis of leadership and scholarship, the members of this youthful "press corps" included 18 student council presidents, five senior class officers, and two school newspaper editors, as well as many active members of the National Honor Society, Future Farmers of America, and 4-H groups.

Representing schools in the Plymouth-Northville area were: Larry Tibbos, Northville High School, and Judith King, Plymouth High School. After each student formulated a question on a topic of national or international concern, the group as a whole then voted on the ones they considered most important to ask the Vice President.

Representing one of the questions selected by the students from Plymouth-Northville, Larry commented to the Vice President.

"Earlier today you explained that you would like to see every American be able to

obtain a good education," and went on to ask, "Why is it, then, that federal aid is not given to private or parochial schools, but only to public schools?"

In reply, Humphrey said that the federal government has tried to do as much as possible "within Constitutional limits," adding, "I have not heard anyone suggest that we change that section of the Constitution" which guarantees the separation of church and state and prohibits the establishment of a particular religion.

"Nevertheless," he continued, "the federal government has made funds available to private and parochial, as well as public, schools for textbooks, school

facilities, dormitories, and scholarships under such programs as the National Defense Education Act."

He also pointed out that increased aid to private and parochial schools within the limits of the Constitution was made possible under the Elementary and Secondary Education Act of 1965.

Other student questions concerned the effect of the war effort abroad on the amount of money available for the war on poverty; surplus food and foreign aid; the possibility of an increased role of Red China in South Viet Nam; the effect of the recent election of Prime Minister Indira Gandhi on relations between India and the U.S.; the small amount of the federal budget allocated to education by comparison with that for defense; the recent suggestion proposing a guaranteed fixed income for all families of at least \$3,000; and President Johnson's message two weeks ago on a new international education program.

### School Board Okays Cafeteria Workers

The Plymouth Community School District Cafeteria Workers has been recognized as the official bargaining agent for cafeteria workers in the school system by the Board of Education.

After checking signatures of 29 of the 31 employees, the Board took official action Monday in accordance with terms of Act 379 of Public Acts of 1965.

The request for recognition was signed by Vice President Esther Workman.

The signatures were checked by George Lawton as being valid.

### School Head to Speak

School Supt. Russell Ibister will discuss the Elementary and Secondary Education Act of 1965 and how it is being utilized in the Plymouth community in an address before the Gallimore School PTA on Tuesday, Feb. 22 at 8 p.m.

All residents of the school district are urged to attend.

## DPW News And Notes

By SUPT. JOSEPH BIDA  
Plymouth Dept. Public Works  
The department cold patched major streets throughout the city during the past week. Two funerals were handled at Riverside Cemetery and considerable time devoted to installing shelves in the new tool house.

The gate pit was pumped out and checked at the Goldsmith station at the intersection of Goldsmith and Lena.

The bearing was changed at the sewer pump station on Byron and sewer main rodded out on Fralick at North Harvey.

All refuse barrels were repainted prior to being placed on the streets. This will provide places for residents to throw refuse instead of on the streets. It is another step in the dive to keep the city clean.

Wood has been hauled to the library for the fireplace there.

No parking from 2 a.m. to 6 a.m., school crossing and radar control signals have been installed at appropriate places as directed by the City Manager and Police Chief.

Catch basins were cleaned on Blanche, east of Amelis, Deer, Simpson, Ross, Main and Hart-sough streets.

Cleanup work was finished at various places where water mains and services had broken in recent weeks.

Effective March 1 through April 15, all regular alley rubbish pickups will be made at the curbs on the day of the regular pickup.

It doesn't pay to let others do your thinking for you.

# Plymouth Board Approves Negotiation Ground Rules

Upon recommendation of Supt. Russell Isbister, as spokesman for the administration negotiating team, the Plymouth Community School Board Monday approved terms of a negotiation agreement between the Board and the Plymouth Education Association.

The PEA is the officially recognized bargaining agent for the system's professional personnel.

The agreement still has to be approved by the PEA but terms were agreed upon by its negotiating team.

The agreement is in accordance with Public Act 336 of the Public Acts of 1947 up to and including PA 379 of 1965 and sets the guidelines in conducting negotiations on rates of pay, wages, hours of employment and other conditions of employment.

The pact reads: 1—The Board of Education shall appoint the Superintendent and Assistant Superintendent of Secondary Education to negotiate with representatives of the Plymouth Education Association.

2—The PEA shall appoint the president and appoint or elect one additional member of the Association to negotiate with the designated representatives of the Board of Education.

3—Both the Board of Education and the PEA shall have the option of increasing the permanent or temporary membership on their respective negotiating teams as they deem necessary. The total number on each

team shall not exceed seven members and written notice indicating the number of participants on each team shall be exchanged with the Superintendent and the President of the PEA at least three days prior to a planned meeting.

4—Consultants may be used from time to time by both the Board of Education and the PEA. Consultants shall have the power to present information at the bargaining table at the discretion of the bargaining

team which requested the service. If consultants are to be used, notice in writing shall be given as prescribed in No. 3. Any costs and expenses which may be incurred in securing and utilizing the services of any persons or persons in this capacity shall be paid by the bargaining team which requested the service.

5—If both parties concur, sub-committees (composed of mem-

bers of both negotiating teams) may be appointed for the purpose of studying matters of mutual concern, such as the financial resources of the district, tentative budgetary requirements and allocations, trends in salary schedules and fringe benefits, and other pertinent matters which affect the quality of Plymouth's educational program. The Board shall provide and make available to such sub-committees reasonable

clerical assistance necessary to the performance of their duties.

6—The time and place of the negotiation meetings shall be decided by consensus of both parties consistent with the good faith clause expressed in P.A. No. 379, 1965. Negotiation meetings shall be scheduled after the school day. However teacher members of the negotiating team shall be released from school duties in reasonable

numbers and at reasonable times, without loss of salary, if it becomes necessary.

7—Memorandums shall be kept on tentative agreements reached at the bargaining table. These tentative agreements shall become a part of the final negotiated package unless modified through negotiations on other issues at the bargaining table.

8—If any provision of this Agreement is or shall at any

time be contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law and any substitute action shall be subject to appropriate consultation and negotiation with the Plymouth Education Association. In the event that any provision of this Agreement is or shall at any time be contrary to law, all other provisions of this Agreement shall continue in effect.

9—It is the intention of the parties that the terms of this Agreement shall govern their relations until a new contract is approved by both parties, but nothing herein contained shall be construed to prevent either of the parties from requesting an opportunity to discuss and negotiate the terms of this Agreement. If both parties concur, this Agreement may be amended or dissolved.

10—Proper area of interest on the part of teachers include: Teacher Rights, Teaching Hours, Professional Compensation, Teaching Loads & Assignments, Teaching Conditions, Vacancies and Promotions, Transfers, Sick Leave, Leave Pay, Leave of Absence, Sabbatical Leaves, Terminal Leave, Insurance Protection, Teacher Evaluation, Negotiation Procedures, Grievance Procedures, Fair Practices, Non-Teaching Assignments, Overtime Pay, Duration of Agreement (The above is not an exhaustive list of items subject to negotiation and items may be added or deleted with the consent of both parties.)

## Plymouth Chamber Sets Conference in Hillsdale

What do you think about the Plymouth Community in which you have chosen to live or work? Would you like to express your views and, perhaps, offer suggestions?

You can be part of Plymouth's Leadership in Action by signing up for the Chamber of Commerce sponsored Leadership Week-end conference at the Hillsdale Leaders' Development Center in Hillsdale, on Saturday and Sunday, March 5 and 6.

The object of the projected week-end conference is to perform as a community in relaxed fashion, away from Plymouth, to review present community problems and relate them to future goals for this community; and, to try to arrive at some resolutions.

This should be just as much

the concern of the citizenry as it is to the many local groups such as the government, school and community leaders in the Plymouth Community School District who have already pledged their participation in the conference.

Reservations may be sent to the Plymouth Community Chamber of Commerce, 455 S. Main Street by Feb. 18. There is a nominal fee involved for the accommodations . . . \$25 which should accompany a reservation.

Transportation will be furnished and the departure time from Plymouth is 7 A.M. Saturday, March 5. The return trip will be back into Plymouth sometime Sunday afternoon, March 6.

All reservations must be accepted on a first come, first served basis. More details can be obtained by calling the Chamber of Commerce, 453-1540.

FIRST ACCOUNT—Plymouth Township Supervisor John McEwen (seated) opens the first account at the new Detroit Bank & Trust office at Ann Arbor and Lilley Roads which began business Monday (Feb. 7). Witnessing the account opening are Eldon Morgan (left), manager of the new office and Ralph Cowling, an unassigned branch manager, who assisted at the opening. The new office occupies temporary quarters which will be replaced by a modern banking center to be erected on the same site.

## 'Jerry' Hopkins, School Board Accountant Dies After Illness

Services were conducted Monday in the Schrader Funeral Home for Mrs. Geraldine 'Jerry' Hopkins, 61, longtime, popular accountant for the Plymouth Community School system. The rites were in charge of Rev. Henry Walch with burial in Grand Lawn Cemetery in Detroit.

Mrs. Hopkins died Feb. 10 in St. Joseph Mercy Hospital in Ann Arbor following a lengthy

illness. She had resided in Plymouth since 1939, moving there from Northville where she had lived for many years. Her family owned the Chaslen Farms near Northville, one of the largest dairy farms in the area.

She was a member of the First United Presbyterian Church, Order of the Eastern Star, Northville Chapter and the Business and Professional Women's Club of Plymouth.

Surviving are: two daughters, Mrs. Anne Swantek of Grosse Pointe; and Mrs. Shirlee Kropf of Los Angeles; and five grandchildren.

## Plymouth High Band, Choir Slate Concert

The Plymouth High marching and concert band and the school choir will join in the most elaborate midwinter concert in several years on Saturday, Feb. 22, in the high school gym.

The two groups, the band under the direction of James Griffith, and the choir under the supervision of Fred Nelson, have been working towards the concert for the past several weeks.

The songs of the choir will range from religious music to novelty numbers with the Triple Trio adding to the enjoyment of the evening.

The band will feature "A Festival Prelude," one of the required numbers for the class A Michigan State Band and Orchestra Association Festival.

## Plymouth BPN Sees 250 At 'Bosses Night'

More than 250 are expected to attend the annual "Bosses Night" dinner-program of the Plymouth Business and Professional Women's Club Monday at 6:30 p.m. at the Thunderbird. Edgar "Bud" Guest, Jr., son of Michigan's famed poet-philosopher the late Edgar A. Guest, will be the principal speaker.

### List Winners

The following were winners at the Plymouth Bridge Club: Jean McFullen and Stelle Fitzpatrick; John Kunkle and Ed Wright; and Liz and John Augustine.

## 3-Cities Club Will Sponsor Jr. Symphony

A report of future programs was presented by Mrs. Mabel Bacon, chairman, to members and guests of the Three-Cities Art Club in the Plymouth Community Credit Union Building.

The group will sponsor a symphony orchestra at Plymouth High School on March 8 in the Auditorium. Michael Endres, conductor of the symphony will give explanatory introductions to each piece.

An exhibit by members of the art club will also be presented with an opportunity at the end of the concert for the audience to visit with the artists and discuss their work.

The April 12 meeting will be a discussion and demonstration of properties of color as related to art and will be presented by Franklin York, Plymouth artist painter and commercial artist. Ann Haggerty Warren, until recently a member of the Detroit Art Institute staff, will be the featured speaker on May 10. Her subject will be art appreciation and the meeting place the Dunning-Hough Library in Plymouth at 7:30 p.m.

Members and guests participated in a group critique on work of the art club. Meetings are open to the public and interested persons may contact membership chairman, Mrs. Sam Hudson, for details.

## Gallimore Cub Scouts Plan Anniversary Fete

Cub Scouts and families of Pack 733 at Gallimore School will hold a Blue and Gold potluck dinner in honor of Scouting's 56th anniversary on Feb. 24 in the school's cafeteria.

Scott Leininger won the top award in the rocket derby at a recent meeting. Donald Eveleth was second and Scott Andrews third.

Danny Rea and Larry Crabtree received Bear Badges and Scott Leininger a Wolf badge. Gold and silver arrows were given to Larry Crabtree. Gary Olds, Michael Savage and Scott Leininger.

The Pack attended the Shrine Circus on Feb. 7 as guests of Mr. and Mrs. Elwyn French.

## Plymouth Cagers Will See Pistons-Royals Sunday

More than 300 players in the Plymouth Community Junior Basketball League, coaches, managers and parents will attend the Detroit Pistons-Cincinnati Royals game Sunday afternoon at 2 in the Cobo Hall Arena.

Tickets will be passed out to all youngsters on Saturday, Feb. 19. All those planning to make the trip via bus will meet

in the Junior High West parking lot at noon on Sunday. Buses will leave promptly at 12:30 p.m. Parents should pick up their youngsters around 5:30 p.m.

# Now Is the Time

Just a few weeks back, more than 400 gathered at the annual meeting of the Plymouth Chamber of Commerce were challenged by Dr. Kenneth McFarland to "stand up and be counted". What he inferred was that there is general feeling among folks today to allow matters to go along as they are—to allow violence to go undetected if it rests in their hands to report incidents to the police or to co-operate in an effort to stamp out such violent acts.

That same kind of a challenge could well be made to Livonia residents who have refused for more than three weeks to step forward and help identify a male driver who ran down a six-year-old girl on a Livonia street and then sped away.

His car struck the tiny girl while she was crossing a street. Her battered body was thrown against the curb and the driver of a small foreign made car stepped on the gas, turned a nearby corner and vanished down a busy thoroughfare.

Luckily, the girl wasn't killed. But she was seriously injured and is just now starting back to school. She suffered a broken pelvis among other internal injuries.

Just how hard-hearted can a person be? This man or youth knew he has struck a tiny girl—he knew she was injured for the impact did toss her to the side of the road, yet he never hesitated a moment.

The accident took place before the horrified eyes of her twin sister, an older sister and

a neighbor boy while the stricken mother watched from the windows of the home just yards away.

Yet, despite pleas of the Traffic Bureau of the Livonia Police Department for anyone who has any ideas on the case to call or write, no one has bothered to even give a clue to the accident.

Perhaps, the words of Dr. McFarland should be repeated again, "Now is the time to stand up and be counted."

Or should the people in Livonia just sit by quietly and allow a driver of this type to get off free on one of the worse driving crimes on the book?

This driver should be apprehended. He should be brought to trial. He should receive the full extent of the penalty for failure to stop after an injury accident.

But he won't be brought to justice unless someone—and there must be someone in the community who witnessed the accident—stands up and is counted by telling what he or she knows.

If you know anything about this accident, call the Traffic Bureau of the Livonia Police Department.

At the moment, all of the victim's clothes and other articles in the vicinity have been taken to the crime laboratory of the Michigan State Police in Lansing for possible clues.

In the meantime, stand up and be counted if you have any knowledge of this case.

Disclosures of lobbying activities of Peoples Community Hospital Authority officials by Attorney General Frank J. Kelley should not be viewed as corruption limited to the hospital authority—school and municipal officials have been engaged in lobbying for years and also spend public funds in doing so.

Disensions among hospital board members resulted in press coverage of PCHA cocktail spending and prompted Kelley's six-month investigation. Sums spent by hospital officials winning legislators is shocking but represents only a drop in the bucket of the pay-as-you-go tradition of enacting legislation.

Politicians accepting the creed "I am not my brother's keeper" encourage the practice of lobbying to get bills enacted. If all legislators assumed the responsibilities for which they were elected, and were concerned for the peoples' welfare, lobbying would not be necessary. Trading hamburgers for hospital beds does not exemplify sincere concern for the citizens of Michigan. The State could well afford to investigate the motives and conduct of legislators who eat, drink and then vote.

Misbehavior of a few legislators, however, does not in any way excuse the actions of PCHA lobbyists or others engaged in the trade. Necessity does not add righteousness to spending public funds to wine and dine legislators. The money was still mis-spent even if the motives were to provide better facilities to the public.

The most serious disclosure, however, was the attempt of certain PCHA leaders to convert the hospital authority into a private corporation and feather their nests with high salaries for positions in the corporation. The four hospitals governed by the PCHA were built in part by the 23-member communities contributing 4 mills annually to the authority. Conversion of the PCHA into a corporation for private gain would have been a despicable misuse of public funds.

Another serious problem brought forth by Kelley's report is board members who contract for hospital services without bids being taken. This and other activities mentioned in the Kelley report does not help keep hospital rates down. In fact, at the last PCHA Board meeting, room rates for the Seaway Hospital in Trenton were raised because that particular unit had been operating in the red.

Unnecessary expenditures may have affected room rates at Annapolis, Beyers and Outer Drive hospitals. This, is being looked into. If this is found to be true, then the Board of Directors must be held accountable for approving excessive expenditures.

Gov. George Romney is asking for legislation requiring monthly expense accounts for lobbying which would be helpful in curbing exorbitant spending but would do nothing to insure responsible and non-biased legislation. Equality in government and lobbying oppose each other and one needs to be eliminated.

# Township versus Incorporation

How would you like, in the view of rising prices, to have to maintain a family of eight on a budget for a family of four? And to add to the pressure, no hope for relief in sight for a matter of years.

That is exactly the situation that many townships find themselves in today. Not everyone realizes that the county remands tax money back to the townships on the basis of a census which is taken every TEN years. There is no way to change this present system.

Farmington Township is illustrative of the predicament in which many present day townships find themselves. In 1956 they opened up several new subdivisions which brought an unprecedented flow of people to that area; nonetheless, they could not get additional money until the 1960 census. There will be greater additions to the population in the next few years, yet there will not be another census taken until 1970.

Much criticism is leveled at townships during the winter and spring when the roads begin to bog down. "Why don't they do something?" is the question furious residents hurl at the officials. Under township law, a township is UNABLE to own or maintain one piece of road equipment. Therefore, they must wait for the county. If the bad weather is universal, naturally they must wait their turn.

Ordinance fines remain in the county fund. Under a city charter, they are given back to the government. In Southfield alone, last year, the ordinance fines amounted to somewhere around \$70,000.

The most common statement when incorporation into a city is being discussed is "We don't want city taxes." Why would you have to

have taxes you don't want? Residents can form their OWN charter. When the decision to form a city has been reached by the voters, nine charter members are elected, and they will draw up a charter. An important thing to remember is that under township laws, the STATE will enact legislation concerning your taxes, under a city charter, the CITY will enact the legislation.

Farmington Township has been fortunate in having very hard working officials. Regardless of political differences, no one could ever charge Floyd Cairns, Elise Avery or Curt Hall with not giving the taxpayers their more than fair share of working hours.

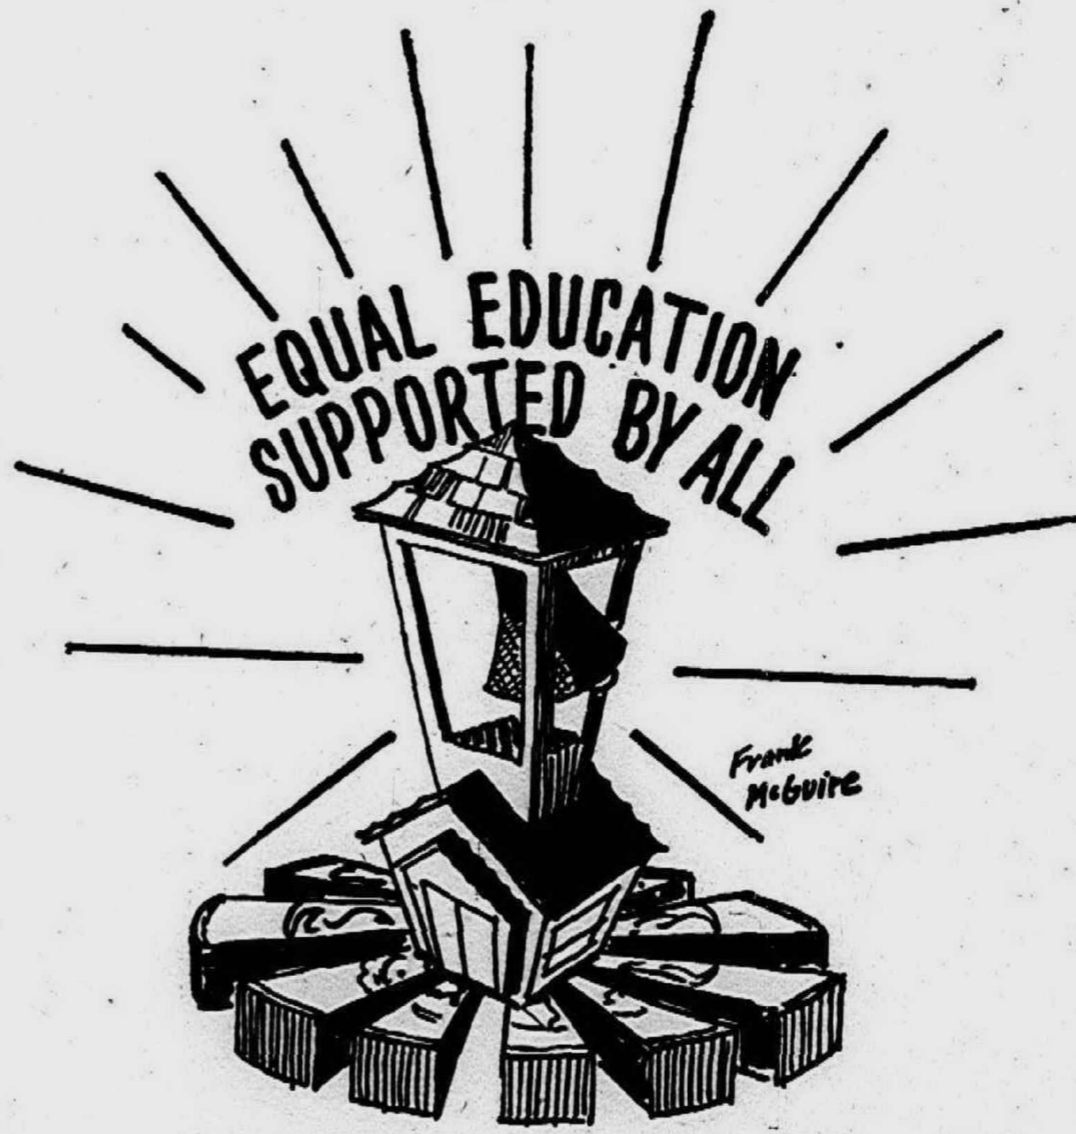

If it seems that incorporation into a city is inevitable, there seem to be many advantages. Outside of being able to enlarge the present staff of police and firemen, there is the distinct advantage of owning and operating one's own road equipment. This will be a virtual godsend to the subdivision dwellers who are often snowed in for days at a time, when the county equipment, which is at a distance, is unable to get through.

We will be able to have the money from our ordinance fines to help us with some improvements.

Lastly, if every citizen maintains a lively interest and is careful in his selection of charter commission candidates, there is no reason a tax structure that is fair to everyone cannot be worked out.

It is still the American privilege to vote for whatever type of government you prefer, but we feel that it would behoove every citizen to consider these factors carefully before making the final choice.

# Tax Money for Service-Not Land

Editor: To all good people in general:

How long are we, the general public, going to let the school board, get money for the education of our children by increasing our taxes consistently then have the school board buy future sites for schools with this money?

My children are growing now! Not 10 years from now. They need the education I am paying for now, but they have no auditorium or pool that can be used by them. I'm paying for my child's swimming as an extra outside of our community—should this be necessary? I say No.

I don't know anyone else who feels this way but I don't want any more taxes for pools or auditoriums when we should be constructing and maintaining them within the budget.

And I don't think future sites will be a good excuse to tell my children as a reason they can't get a full education at the present rate of taxes. Nor can the dropouts be convinced that this is a good reason. I sincerely believe that the present income from our taxes can do this job, but the people must insist on this from the Board of Education.

It seems to me, that we should clean house someplace and really examine the budget, much more closely than has been done in the past. Doesn't this sound logical? If more people buy more homes or build and more need is made for a school in the future—wouldn't more people than the present number make it easier to pay for this need with a better tax base from more homes instead of vacant land? Common sense says, yes!

Let us use today's money for today's children and their needs today. Who knows what progress will provide for the future and schools may be greatly improved if our children are properly educated today.

Or are we just going to pay and pay. But let me remind you also that the school board has enough property now and that they are even letting it out, as parks to the city without legislative action. However there might be some hidden agreement I'm not aware of.

On the question of increasing my taxes again—where will I get this increase in wages? I work for a school board.

GEORGE STRELCEZUK, Farmington

With marriage comes an in-corporate responsibility to the results of sex intercourse. For two people to live together, provided they have no children is playing with sex passions and brings sex down to the level of an IBM card (one track for children and one track for no children).

I agree that two engaged people should sit down and thoroughly talk out every aspect of sex intercourse and the responsibility of children. But this is as far as they should go. Two people should know each other, but, not through promiscuity; through plain talk.

As Myra Chandler considers herself a modern grandmother, I consider myself a modern college student. Rev. Eddy's concept, however, reminds me of times for the Old Testament.

MARY JANE BROWN

Livonia Observer and my picture has been printed once. It is obvious that we neither seek recognition nor publicity. In both instances the picture caption incorrectly identified us. Last fall my wife was identified in a group attending the Livonia Lecture Series as Mrs. Lufner.

In your recent issue in the picture with Mayor Moelke signing the Marine Reserve Civic Action Proclamation I was identified as Lt. Colonel Arthur Dromp. Lufner I can rationalize as an honest mistake but Dromp, I consider downright insulting.

In the future we will try to avoid the Observer photographer but in the event we should fail please refrain from giving any identification.

Lt. Col. Arthur E. Cofer USMCR Livonia

Ed. Note: A letter of apology is in the mail to you sir—and we are sorry. The myriad of copy processed by Observer editors sometimes results in a mistaken name. Sgt. Dromp, also of the Marine Corps, was supposed to have appeared in another picture in The Observer that was not used. The mistake was unfortunate, but Sgt. Dromp is just as proud of his name as is Lt. Col. Arthur E. Cofer — and rightly so.

## For Paul Hower

Editor, I would like to take this opportunity to tell my friends why I am supporting Paul F. Hower for Mayor of Livonia.

Hower has an excellent background in business and personnel management, which I believe will enable him to lend dignity to our city government.

He has maintained a consistently firm and enlightened stand on issues vital to the welfare of Livonia's people. He speaks forthrightly and doesn't change his position for the benefit of different groups.

No one controls his thinking! For these reasons I feel a moral obligation to give him my support and ask that other concerned citizens do likewise.

Tom A. Genova Jr. Livonia

## Wrong Name Used In Col. Cofer's Picture

Editor, I wish to take this opportunity to express appreciation for the support to the Marine Reserve Civic Action Program for Viet Nam. The recent proclamation by Mayor Moelke and the picture in the February 9 issue of the Observer were most appreciated.

Now I wish to call to your attention a personal complaint which would be expressed by cancelling my subscription to the Livonia Observer if such a privilege was afforded me.

We have lived in the City of Livonia for eight years and during that span of time my wife's picture appeared once in the

## PREGNANT MOTHERS HAVE A RESPONSIBILITY

A pregnant mother has the world's greatest responsibility on her shoulders. If her body chemistry is in fairly good balance she will have a son or daughter that will grow up to be a responsible citizen. But — if this very important pregnant mother's chemical balance is below low normal and especially if she craves excessive amounts — sweets, starchy foods, alcoholic drinks, coffee, salt — then chances are that she is helping to fill more and more of our institutions with individuals who are not able to take care of themselves, especially by the third or fourth generation.

Editor, In agreement with Myra Chandler's article on Rev. Robert Eddy's recent talk, I consider sex and the single girl and boy outside of marriage as bringing the human body down to the point of automation. This boy and that girl live together and if they can get along, then let's call it marriage. Dad tries a new Toronado and if he has no trouble with it, he keeps it.

# Thurston Student Cagers Defeat Teachers Team

By LYNN BARNETT

A pep assembly was held Feb. 3 during school. The student and faculty basketball players were introduced. Thurston's annual student-faculty basketball game took place last week.

The faculty was cheered on by the women teachers and the student cheerleaders were boys dressed as girls.

For the first time in Thurston's history the students won. The score was 65-60.

Girls' Athletic Association members participated in the tryouts for the North Farmington Sports Day last week. The sports day took place Feb. 8.

The Ski Club assembly was given Feb. 5. After the officers were introduced a fashion show presenting the highest attire in ski fashions was given.

Next, Diane Carnes and Dave Valade demonstrated different methods of skiing, going up a hill, and stopping. Following the demonstration a contest on

bongo boards took place.

The three winners received free passes to Mt. Holly. Next, a skit of a typical day skiing was given. The assembly ended with a song about a skier.

Tickets for the senior play, "Cheaper By The Dozen," went on sale Feb. 10. The play will take place in the little auditorium Feb. 24, 25, and 26.

Tryouts for the Spring Forensics Contest will take place March 1 and 2. The finals will take place March 3. The categories for 1966 are: serious interpretation, radio news commentary, original oratory, multiple reading, humorous, and extemporaneous.

Last Friday, school was dismissed for Thurston students as for all other Redford Township students. It was the 1966 in-service training day for teachers in the South Redford School District.

The purpose of the workshop was to bring teachers up-to-date on new methods, materials, and ideas in the field of education.

## Clarenceville Has African

by Tony Head

Clarenceville High students attended an assembly on Feb. 11 sponsored by the American Field Service Club. Featured were Geraldine Van der Bijl and Jerry Litwin.

Geraldine, an exchange student from South Africa, talked about her country and her impressions of the United States.

Jerry, a Clarenceville senior who spent the summer in the Netherlands, related some of his experiences in a foreign land.

Also present was Mrs. Florence Mette, representing the American Field Service Association. Mrs. Mette hoped to find students who would share their homes for a day with an exchange student. Seventeen exchange students will be coming to Clarenceville to talk to the students.

Clarenceville High's debate team entered the District Debate on Feb. 6. The team did not win the District but gave a good showing. Representing Clarenceville for the affirmative was Rick Davis and Tom Zebovic and for the negative side were Bernie Kent and Allan Raushert.

Clarenceville F.H.A. Club held a dance on Saturday, Feb. 12 which was a big success.

In the sports area, Clarenceville's wrestling team is still going strong with ten straight wins. On Feb. 8, Clarenceville defeated John Glenn High, 32-12.

Match winners were Gale Armstrong, Dale Goodart, Bryan Levy, Jim Frisk, Dennis Russo, Carl Watkins, Ray Webner, and Don Ylitalo. Carl Watkins and Ray Webner pinned their opponents.

On Feb. 10, Clarence defeated Northville, 25-15. Match winners were Armstrong, Dave Kaipio, Frisk, Russo, Watkins, Webner and Ylitalo. Boys who pinned their opponents were Frisk and Watkins.

The Clarenceville gymnastic team met North Farmington and was defeated 86 1/2-41 1/2.

Top scorers for Clarenceville were Barry Frchette, Rick Fredricks, Jim McCammon, Charles Morse, Tom Stanton and Tom Webber.

# 'The King and I' Coming To St. Aghata High School Feb. 7, 8

By Mary Lou Mangold

Preliminary tryouts for The King and I were held on Monday and Tuesday, Feb. 7 and 8, at St. Agatha's High. Those selected for further consideration practiced with the play director, Sister Mary Esther, on Wednesday and Friday in preparation for the formal tryouts next week.

Student of the Month for February is senior Daniel Gillis. A member of the Young Christian football team, Dan is active in all the organizations to which he belongs.

He is a conscientious student and holds a "B" scholastic average. Dan epitomizes the definition of the true Christian student—interested, willing, helpful, serious, and fun to be with.

Genesian Club members, in addition to preparing their own selections for competition, must solicit judges for the school eliminations on the evening of Feb. 16, act as hostesses that evening, and present a school festival on Feb. 22.

A representative of the Bell Telephone Company spoke to the junior and senior girls interested in a business career, on Wednesday. Included in her address were general hints about applying for a job, the importance of school performance, and the variety of positions offered by Bell Telephone.

The Typing II class, with the help of Sister Paul Christine, has prepared Student Director Report cards for the second quarter were distributed on Friday, Feb. 11.

Tickets are now on sale for "While Our Hearts are Young and Gay," the annual Valentine's Day dance to be held this year on Friday, Feb. 18.

Last Thursday's Sodality meeting was given over to constructing decorations for the dance. Bearing out the adage that many hands make light work," the girls made countless crepe paper hearts with which the gym will be trimmed on Friday evening.

## N. Farmington, Oak Park Swap Councils

By DEBBIE LUSKY

More than 60 North Farmington students attended a performance of "The Deputy" Feb. 3, at the Fisher Theater.

"Hoedown Happiness," the Y-Teens' annual Sadie Hawkins Dance, was a delight to all, and Marryin' Sam reports that business was booming last Saturday.

The Senior Class elected Carolyn Kilkka as its recipient of the D.A.R. Award.

On Saturday, Feb. 19, members of the English V classes will see the film "Doctor Zhivago," starring Omar Sharif, Julie Christie, and Geraldine Chaplin. Sponsors are Mr. and Mrs. Norman Kinney.

Student Council Exchange Days between North Farmington and Oak Park will be held today and tomorrow.

## Ladywood

By Pat Giacobozzi  
Tuberculin tests were administered to Ladywood High freshmen on Feb. 7. Wayne County Board of Health sponsored the project with the assistance of the Future Nurses Club, moderated by Sister Mary Rose, Biology instructor.

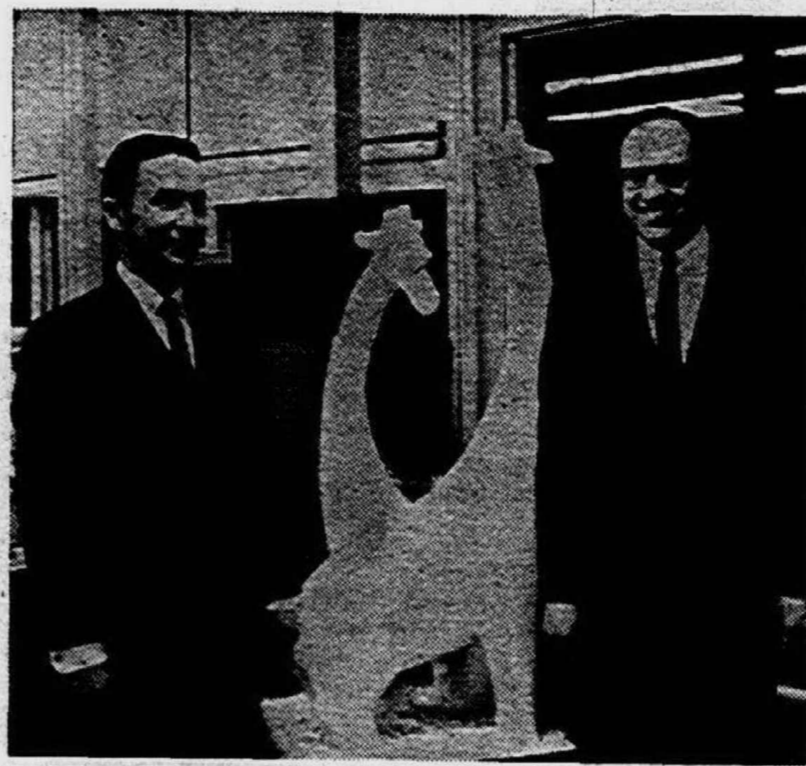

The Quill and Scroll ceremony for journalists took place on Feb. 7. James Stower, was the guest speaker. Stower took the audience on an imaginary tour of a news plant.

The Candlelight ceremony was followed by initiation in which 24 Press Club members were received into the honorary society.

For acceptance a student must be of senior or junior level, must be in good scholastic standing, must have done superior work in writing, editing, or in business management and must be recommended by the club advisor.

Sheila O'Brien was announced as editor in-chief for the 1966-67 school year. Janet Kobe, Sue Mendenhall, Marianne LeButt and Mary Remik were announced as page editors.

Mrs. Becker, a representative from ALSAC, visited Ladywood on Feb. 9 to give the girls and idea of the organization and its cause. A movie about ALSAC was shown to the girls. Danny Thomas was the narrator in the film.

FORMER PRINCIPAL Arnold E. Pylkas, left, stands beside a statue dedicated in his honor as the first principal of Vandenberg School in Redford Township where he served from 1956 to 1965. He now serves as principal of Gallimore School in Plymouth Township. On the right is Jack Gardner, president of the Vandenberg P-TA which donated the sculpture.

## Garden City West

By Karen Sledobnik  
As you walk down the halls at Garden City West High this week, you cannot see the walls for so many posters. There were some saying "Go Tigers Best..." and "Beat Em Tigers!" There were also newspaper and yearbook posters, school key posters, and movie posters.

WSHS Band Boosters are bringing the movie "The Cardinal" to West on Saturday, (Feb. 19), at 6:30 p.m. in the cafeteria.

The Band has been invited to take part in the Battle of Bands at Crestwood on March 4.

College Prep English classes will attend the play "All's Well That Ends Well" at the Wayne State University on March 3.

School Council has had its constitution ratified by the students. It was formed by the school council members and put to a school vote.

School keys and necklaces

are being sold by the Junior Class. Anyone interested in purchasing a stargold finished key, must do so before Feb. 20.

Yearbooks will be on sale in the bookstore beginning on Monday (Feb. 21) and will continue for the next two weeks. The prices are \$3.50 and an extra cost of 25 cents will be charged if you wish to purchase a protective plastic covering.

Scheduled through the School Council for this week have been a Senior A Go Go for March 18 and Shamrock Shivarree for the Photo Club on March 11.

On March 4-6, West will sponsor the first Garden City School System Science Fair. The first major division will concern biology, chemistry, earth sciences, mathematics and physics. The second division for the Junior Highs will cover biological and physical sciences. The third division is from the elementary schools on primary and intermediate subjects.

## Plymouth High

By Margaret Endlaff  
Plymouth High School seniors, Judie King, Chuck Catlett, Ralph Heid, Mary Fink, Tom Webber, and Rick Wager entered competition for the Alumni Distinguished Scholarship at Michigan State University which provides financial help of \$1,500 per year.

At the exams, the students met with other contestants to discuss their interests, visit the Library, Museum and Art Center.

Tomoyoshi Genkawa, representative from Kyoto, Japan, spent seven days in Plymouth learning about the English language and its application and getting a taste of American life.

Each year the State Department sends 400 teachers from 60 countries in the United States to observe the culture and language. Genkawa traveled to the United States on a Fulbright Scholarship.

While in Plymouth, Genkawa visited geography and history classes explaining details of Japan.

Every PHS student will soon be the proud owner of a 1966-67 student Directory. Under the direction of senior representative Cindy Erdelyi, the project will be in full swing within the next week.

The directory will contain the names, addresses and phone numbers of this year's freshman, sophomore and junior classes.

The Dress Code Committee, composed of eight faculty members and three students has recommended the adoption of the following code for boys school attire:

1. Boy's shirts must be worn tucked inside trousers unless the shirt is tailored square cut at the bottom and intended for outside wear.
2. Sweatshirts are not to be worn in school.
3. If a sweater is worn, it must be worn over a sport or dress shirt or dicky.
4. Socks must be worn with

all types of shoes.  
At present the committee is studying the revision of the dress policy in the student handbook which will include both school and dance dress codes.

Radio News Commentary and Multiple reading are the new events to be included in this

year's Forensics competition. The competition now includes Serious Interpretive Reading, Humorous Interpretive Reading, Original Oratory, Extemporaneous Speaking and for sophomores only, Declamation.

Any student interested in this competition see Mrs. Watrous for eligibility.

# PCHA to Pick New Slate of Officers

The Peoples Community Hospital Authority will in all probability have a new slate of officers within two weeks following criminal charges made by Attorney General Frank Kelley of misuse of public funds.

The change will most likely not occur by ouster by the Governor but through an election of officers scheduled for the Feb. 24 meeting of the PCHA Board of Directors at Annapolis Hospital in Wayne at 7:30 p.m.

The election of officers was called for by Board Chairman Earl McNamara at the meeting immediately prior to the issuance of Kelley's report which resulted in McNamara being served a warrant for spending PCHA funds for private gain and benefit.

McNamara named Nankin Clerk William Engle as chairman of the nominating committee. Serving on the committee with Engle are Dr. Robert Bullinger, former board chairman, E. J. Landland, R. Remer, and John Tattan.

Tattan was also charged by Kelley of spending PCHA money on food and liquor for private uses. Tattan is a former River Rouge Councilman.

A number of public officers and leaders were among those named by Kelley in warrants for criminal and civil action.

Charged with embezzlement and conspiracy to misappropriate public funds was Kenneth Gremore former executive director who is suing the Authority for \$57,000 in remaining wages on his contract.

Former State Representative Edwin A. Fitzpatrick was charged with spending \$1,230 of PCHA funds for food, drink and room charges at the Lamp-lighter Inn Motel in Lincoln Park.

Frank Rodwell, treasurer for the PCHA and Allen Park, was also accused of spending Authority money at the Lamp-lighter for private purposes.

John Kessey, mayor of Melvindale and director, was charged with misuse of public funds as well as conflict of interest. According to Kelley, The PCHA paid \$13,923 for work which was subcontracted to Kessey Trucking Co., a firm owned in part by The Melvindale mayor.

Gordan Gable, Ypsilanti Township attorney, was accused by Kelley of attempting to transfer the PCHA to a private corporation to be controlled by Gable, McNamara, Gremore and William C. Tullis, a Garden City director who is also PCHA secretary.

Henry Sletz, Wayne County Civil Defense Director and former supervisor of Sumpter Township, was charged in a warrant with misuse of PCHA funds.

Those charged with criminal action stood mute at an arraignment except for Sletz who is vacationing in Florida.

A special meeting of the Civil Defense Committee of the County Board of Supervisors is scheduled for tomorrow (Thursday) to consider the possible suspension of dismissal of Sletz from his \$12,000 a year position as Civil Defense Director.

The meeting was scheduled by Plymouth Township Supervisor John D. McEwen, the committee's vice-chairman, because in McEwen's words, "Some action has to be taken one way or another in any cases where an official or employe of any governmental unit has been cited by the attorney general."

McEwen said Sletz would probably be suspended "without prejudice" until a trial was held.

The Ingham County Circuit Court has assumed trusteeship of the PCHA and ordered Gremore, McNamara, Tullis and Gable to appear on March 11 to show cause why it was not illegal to attempt transfer of the Authority to a private, non-profit corporation.

The Ingham Circuit Court also ordered PCHA officials not to destroy or remove any records between now and

March 11. Kelley claims an attempt was made by the four men to float a bond issue of \$16.5 million to transfer the PCHA to a private, non-profit corporation for private gain.

A report made by State Treasurer Allison Green to Kelley showed the Authority had a surplus in cash assets of \$3

million which could be used to build a new Beyers Hospital in Ypsilanti.

PCHA officers had reported earlier that refinancing to a private corporation was necessary to construct a new Beyers hospital and renovate the Seaway Hospital of Trenton.

Green said PCHA officials concealed the Authority's true

assets by recording cash not only on the PCHA account but on the books of the four member hospitals, making five sets of books.

The PCHA operates four hospitals (Seaway, Annapolis, Beyers and Outer Drive) with patient revenue and a 4 millage levied against the 23 participating communities which includes

Garden City and Nankin Township.

Kelley will be in Garden City tonight (Wednesday) to talk with officials from the 23 communities on the ramifications of his report.

Nankin Township, along with other member communities, passed a resolution earlier offering to withdraw from the

PCHA if the millage paid into the Authority was refunded.

The State Insurance Commission is presently investigating the effect of cocktail spending by Authority officials has on Blue Cross rates.

Area banks granting personal loans to Gremore without any security are also being checked into.

### Madonna Lists Annual Career Night, Feb. 17

Career night is being sponsored by the Madonna College Advisory Board on Feb. 17, at 7:45 p.m. in the science lecture hall of the academic building.

Speakers, representing various professions, will inform students of the opportunities and advantages of entering such fields of work as special education, social work, nursing, politics, science research, medical technology, journalism, home economics, business, art and music.

Dr. James Irwin, principal of Central High School, will open the meeting with an address, "Careers Unlimited."

Workshop sessions, each considering one particular field, will convene at 8:20 p.m. The general session at which the Advisory Board will make summary statements will meet in the Lecture hall at 9:30 p.m.

# Les Anders. He'll Always Live in Livonia-Area Sports

You try to smile . . . but, it's difficult. The words uttered by Tommy Thompson over the telephone seem to knock out everything else . . . "Les Anders is dead," Tommy tells you. You sit stunned and shocked. Les was a guy you knew for over 15 years. You met and talked with him first when you covered the prep beat for the old Detroit Times. Anders was always a cooperative gent. Win or lose, he'd get on the phone and let you know what the story and what the score was. He treated the fellows at the News and Free Press the same way. Matters didn't change when we shifted our school-boy sports reporting to the Observer Newspapers. Les always was on the job, something many other coaches aren't, when it came to reporting the information to the press. Les Anders had to enjoy boys and girls. Other folks' kids.

## OBSERVING SPORTS

By George Maskin

Otherwise he wouldn't have devoted most of his life to youngsters. He worked the year around in their behalf. From September until June, Les was connected with the school system of Livonia. When summer came he would run a summer instructional swimming program — again for the kids of Livonia. The swimming undertaking was something very dear to Les Anders' heart. He started it at Bentley. Through his efforts, it spread to Franklin and on the

day of his death, he was talking about inaugurating a similar program at the new Stevenson High. Few, who participated in schoolboy sports in Livonia, didn't feel the Les Anders' influence. He came to Bentley before the present school was opened in '49. He coached football and basketball and later just basketball. He laid the groundwork for the great teams which have followed over the years at the Five Mile Road school. Starting in 1953, Les Anders served as athletic director of the entire Livonia school system. In those days, there was just one high school — Bentley, but Les also would handle the junior high program, which he helped to develop into one of the area's best. When Franklin opened, Les guided both schools as well as the junior highs — athletically speaking. This past fall, Les moved over to the new Stevenson High. He wanted to get the new school off on the

right foot in sports — just as he did the job for Bentley and Franklin. Les Anders was the man behind the organizing of the Claude Snares relays . . . and Les was the man who inaugurated the Greater Livonia Observer prep baseball tournament last spring. Only a week ago, Les met with officials of the Recreation Department, the Observer and many of the schools to make the plans for this year's baseball meet. We'd like to suggest that herewith the name of the tourney be changed and called: "The Les Anders Memorial Baseball Tournament." There were many other contributions that Les Anders made to the area in sports, as well as other endeavors. He was a big wheel in the Suburban Six Athletic (Continued next page)

## Bentley Faces Trenton for Cage Laurels

They say every game is important. If that's so, what adjective best describes this Friday's head-on duel between Trenton and Bentley at Trenton.

### Record Set at Plymouth

Nothing like it ever had happened before in the Plymouth High gym.

The Trenton high basketball express jumped ahead, 11-1, in the first four minutes and by the finish of the night's operations had become the first team ever to hit the century mark in the Rocks' sports palace as they whipped Plymouth, 102-76.

Ironically, the 76 points scored by Plymouth constituted the highest total fashioned by the Rocks this season. Their previous high had total had been 75 against In scoring an 80-47 verdict. "It was hard to figure out what went wrong at the start," said coach Dick Bearup of the losers.

"They stole a few balls on us, we made a couple bad passes and before we knew, we were out of the ball game." After the atrocious start, (Continued on Next Page)

Examine these facts: 1—Both are tied for first place in the Suburban Six League's basketball chase with 7-1 records.

2—Friday's winners is assured a share of the title.

3—Trenton bowed to Bentley at Bentley last month, while Bentley lost the following week to Redford Union.

4—Each team has one league game remaining after this week's clash.

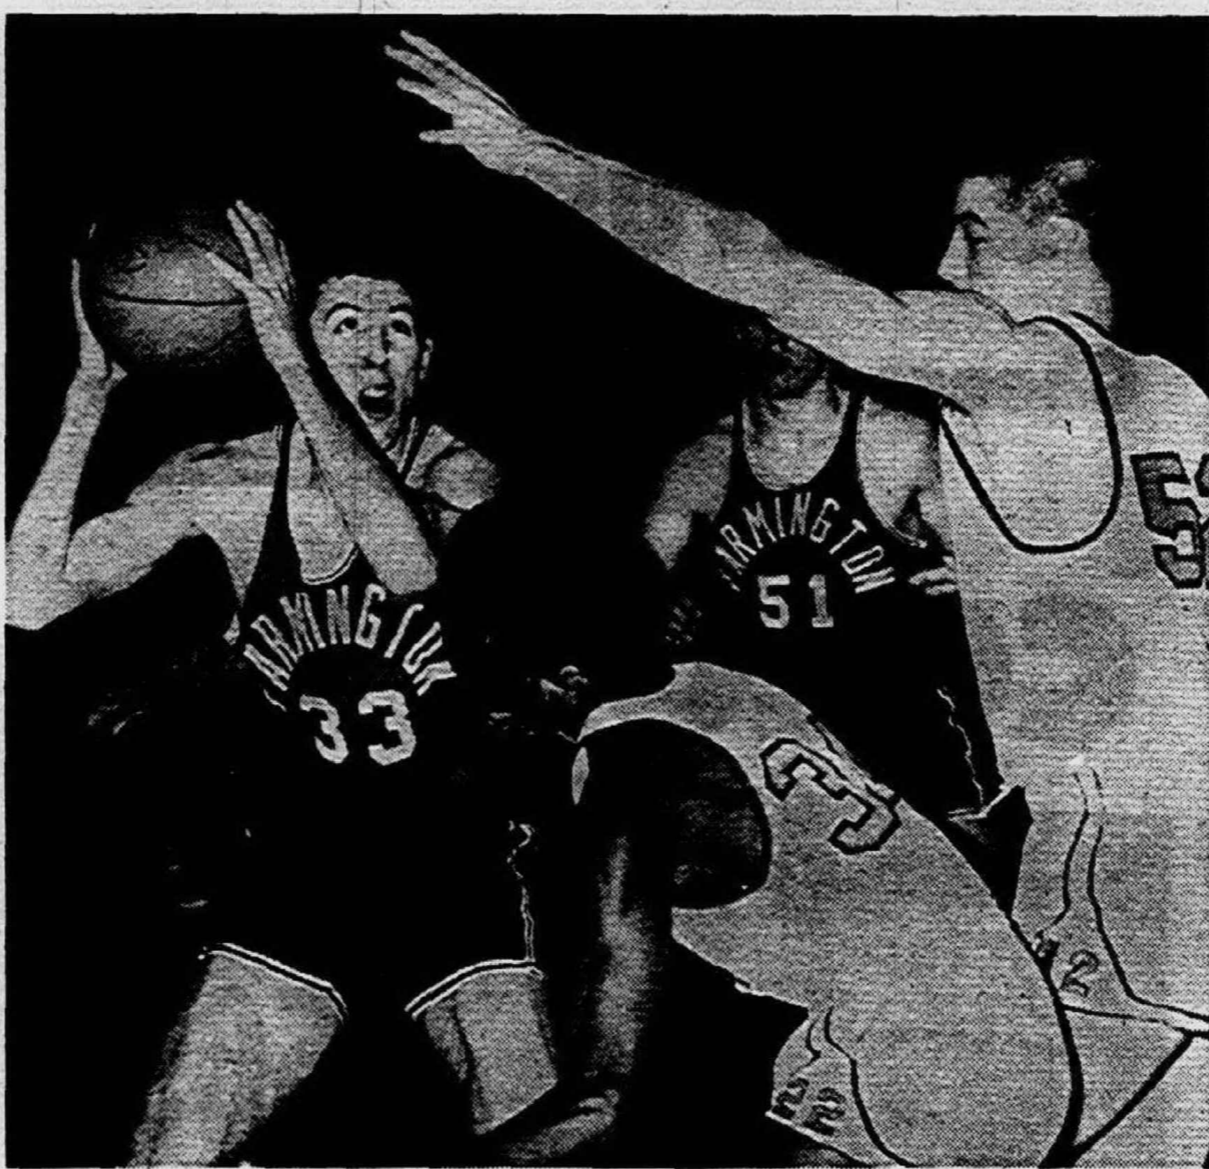

"We beat them once, we can do it again," says coach George Fefles of Bentley.

But Fefles realizes it will be tougher this time . . . down at Trenton where the home team hasn't lost a game this season.

The story hasn't changed as far as Fefles is concerned.

"Their guards (Dave Fisher and Dave Stanley) worried us the last time . . . and it probably will be the same this time," says Fefles. "We'll have to run with them, rebound like mad and avoid any mistakes."

While Trenton ran over Plymouth, 102-76, last Friday night, Bentley had just about as easy a time at Belleville (Continued on Next Page)

IN A JAM: Farmington High's Skip Moore finds himself surrounded by Pontiac Northern heroes as Farmington rallied to win the game and capture the Interlakes League championship.

## Farmington Rally Nets Loop Title

The true test of how good a team is comes when it falls behind. The champions can come back. And that's why Farmington high school reigns as the Interlakes Conference basketball titlist this season. The Falcons found them-

selves on the short end against Pontiac Northern last Friday night. It was 40-36 for Northern after three periods. But Farmington had what it takes in the stretch drive and led by Mike Wilson roared back to triumph, 49-47, and finish with a 5-1 conference record—the league's best.

Thus for the first time in five years Farmington had emerged as league kingpins. It also enabled the Falcons to jump from last place one year to the top the next.

The triumph gave Farmington an overall 11-4 record for the season and if the Falcons can win their final two tests they'll present coach Jack Quiggle with his best record in his history at Farmington.

Quiggle's previous top victory year was 12.

"I was proud of the kids," said Quiggle. "They had the pressure on them all the way. It's never easy winning up at Pontiac Northern."

"True we had a share of the title clinched, but we wanted the whole pot. The efforts of our kids paid off."

What was the real secret? "Defense," declared Quiggle. "We held them to three baskets and one free throw in the last period. That was it . . . defense . . . and some alert, steady play."

Farmington went off to an early 11-8 lead, but Northern bounced back to hold command by a 28-24 lead at half time.

The four-point bulge held through the third period as each team scored 12 points.

Farmington pulled even with Northern with six minutes left in the game, but Northern bounced out in front, 47-45, with just over three minutes left.

Northern never scored again . . . so brilliant was the Farmington defense when it counted.

Meantime, Greg Dorow notched a tying basket with 2 1/2 minutes remaining and some 50 seconds later, Skip Moore caged a short jumper for what was the game's deciding basket.

Each team had some chances later, but neither could connect.

Free throws decided the game. Farmington made only 14 baskets to 19 for Northern. At the charity line, Farmington tossed in 21 out of 36, Northern nine out of 14.

Mike Wilson topped the winners with four baskets and seven free throws for 15 points. Fritz Simons was next with 11 points, getting seven on charities.

The reserve game, also won by Farmington, by a 76-72 score, produced perhaps the greatest scoring performance ever achieved by a Falcon cager. George Grimmala tossed in 20 baskets and one free throw to finish with 21 points.

How the Farmington varsity scored:

Simons 2 7 11  
Killka 1 2 4  
Moore 3 3 9  
Ames 2 1 5  
Dorow 2 1 5  
Wilson 4 7 15

Totals 14 21 36  
Farmington 11 13 12 13-49  
Pontiac North 8 20 12 7-47

Mr. and Mrs. Nicklos Monell, of Allen Park, climbed into third place with 1236. Mrs. Monell, with a 130 average, totaled 425 with single games of 145, 177 and 163 and her husband had 568 with scores of 197, 191 and 180.

Mr. and Mrs. Robert Raff, of Allen Park, took over fourth 1232. Mrs. Raff, who has a 146 average, fired games of 217, 135 and 208 for 560 and her husband had 474 with 160, 153 and 161.

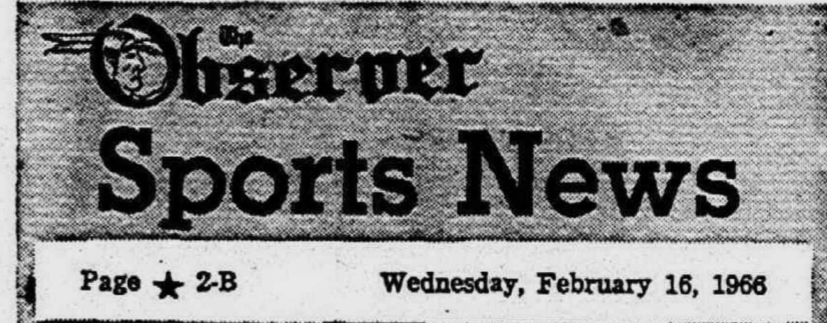

Bowling in the three-month tournament continues through the final weekend in May after the scores of all prize winners will be reached before the final list is announced.

A sportsman's paradise is the theme of the Detroit Sportsmen's and Vacation Show which opens Saturday, March 5 and runs daily for nine days through March 13.

For the past three years it has been Michigan's largest Sportsmen's and Vacation Show in both exhibits and attendance, at the Michigan State Fair Grounds Coliseum and adjoining buildings.

Don Demeter, Detroit Tigers outfielder, drove in seven runs in a nine-inning game with Kansas City, Aug. 12, 1965.

## West Goes on Terror, Cops Five of Six

"Happy Days are here . . ." That's the song they're singing around Garden City West High School.

The West Cagers are on a tear. They've won five out of their last six.

In bringing their overall record to 8-5 and advancing to third place in the Tri Rivers League with an 8-4 mark, West last week had the pleasure of knocking off Schafer, 88-68, and Southgate, 88-80.

The win over Schafer had to be the more gratifying of the two. Schafer had shared the league lead with Riverside going into the game.

When it was over, Riverside ruled the roost.

West now gets its chance to show Riverside a few things. The teams clash Friday night in the Riverside gym.

Gary Slade was the big scorer in both the West victories. He notched 25 points against Schafer and had one less in the game with Southgate.

Slade pumped in 13 shots from the foul line along with six baskets to make Schafer miserable. He had eight hoops and eight charities in the Southgate tussle.

Free throws played a big part in both the West victories. The West team cashed 26 out of 38 against Schafer and then dropped in 21 out of 32 the next time out.

"I always said that it pays to practice those free tosses," said Coach Krupa, the West coach.

Besides Slade, five other West players tallied in double figures against Schafer. Bo Ardeli was second with 22 points.

Against Southgate, Ford Simpson with 18 and Steve

Schaltz with 16 helped out the flashy 5-foot, seven-inch Slade. How West scored in the two games.

## Area Duo Fires 1260 In Doubles

A Livonia housewife and her partner from Redford Township swept into the early lead in the fourth annual Observer-Merri-Bowl Lanes mixed doubles tournament at the end of the second week of firing with 1260 count.

Mrs. Alice LeHeup, of 18098 Lathers, Livonia, and Howard Gates, 15444 Lexington, Redford Township, are the new names at the top of the list.

Mrs. LeHeup, who boasts a 128 average, had games of 165, 172, and 145 for an actual of 482. Gates, with a 146 average, fired 179, 169 and 166 for 514. They received a handicap of 264 for the three games to give them the leading total of 1260.

In second place are Mr. and Mrs. Frank Luthern, of Royal Oak, with 1248. Mrs. Lou Luther had 140, 189 and 177 for 560 against her average of 141 and Frank had 198, 181 and 171 for 550. He has an average of 167 in a Tuesday Night League at Fairlans.

Mr. and Mrs. Nicklos Monell, of Allen Park, climbed into third place with 1236. Mrs. Monell, with a 130 average, totaled 425 with single games of 145, 177 and 163 and her husband had 568 with scores of 197, 191 and 180.

Mr. and Mrs. Robert Raff, of Allen Park, took over fourth 1232. Mrs. Raff, who has a 146 average, fired games of 217, 135 and 208 for 560 and her husband had 474 with 160, 153 and 161.

## East Cagers Eye Help One-Two In Chase for Pennant Punch Pays for Sorrows

Help . . . help . . . help. Garden City East's basketball team needs some if it's to gain a share of the Mid-Wayne League title for the third straight year.

Now on fire, after winning five straight following three losses at the outset of the league campaign, East has to hope that the winner of this Friday's showdown between leading Riverview and Inkster gets its ears pinned back on the following Friday.

That's the only chance East has to tie for the flag, assuming the Garden City team beats Lutheran West this Friday and Robichaud a week after that.

Coach Billy Joe Young of East was a proud man the way his team performed last Friday in downing Inkster, 60-56.

Paul Kightlinger, the East star, was lost with a broken nose in the second period. He had to be taken to the hospital for attention.

Young called time out and ordered his boys to change their game.

"I want you to play only possession-type basketball the rest of the way," Young told his men. "Hang on to the ball. Shoot only layups."

The East cagers followed orders. They took only two outside shots the rest of the way and overall in the game hit on 23 out of 35 shots, a fantastic effort for any cage team.

Led by Joe Huber with eight points and Carl Glass with seven, East took a 19-15 lead at the end of the first period. The margin was extended to 30-24 at halftime and was upped to 46-38 after three periods.

Inkster put on the power in the last period, but wasn't enough to catch the East team which was determined (Continued on Next Page)

The one-two punch of Frank Carrico and Tim Doyle carried Our Lady of Sorrows to a 77-55 verdict over St. Agatha in a non-league Catholic loop battle Friday night.

It was the only meeting of the two teams who formerly were in the same division. They now are operating in different groups under the Catholic league's revised setup.

Carrico hit for 27 points and Doyle for 26. Each made 11 baskets. Carrico clicked on five charity tosses, one more than his mate.

The two whizzes broke the game open in the second period. After Sorrows took a 14-12 edge after the first period.

Carrico made 13 of his points and Doyle notched nine in the second period to put Sorrows in front, 39-28, at the half. The game wasn't close the rest of the way.

Pat Murphy had 18 in a losing cause for St. Agatha.

The defeat followed on the heels of a 65-57 St. Agatha win over St. Vincent. Murphy (Continued on Next Page)

400-Yard Freestyle Relay: 1—Franklin (Chard, Doherty, Hanson, Henderson). Time: 4:36.7.

## Ex-Stars Battle in Cage Play

An AAU basketball tournament, featuring many former college greats, will be held in Livonia Friday and Saturday.

Six teams have entered the meet which starts at Franklin Friday night, shifts to Clarenceville for the semifinals on Saturday afternoon and then back to Franklin for the finals Saturday night.

The Tucker team will represent Livonia and play McLouth of Trenton in the opening game Friday at 7:30 p.m. Club 412 of Ecorse faces Mans and Sons of Trenton in the 9 p.m. game.

Detroit Lutomski and Detroit P. and R. Collegians drew the first-night byes.

The Livonia team's lineup includes John Watson and Terry Page, co-captains of last year's University of Detroit team which played in the National Invitational Tournament in New York.

Other former Titans on the Tucker team are George Heger, Ron Bogoyevic and John Schram.

WAHOO! Russell Powell, of Plymouth, shows off his 40-pound wahoo for which he won a citation in Pompano Beach, Fla. The wahoo is reputed to be the fastest fish in Florida water.

### Reserves 'Show Up' Varsity

The reserves "showed up" the varsity at Clarenceville high school last week.

While the varsity bowed to Clarkson, 88-59, and there to Bloomfield Hills, 65-45, the reserves turned in a pair of victories, beating Clarkson, 51-47, and the Hills 44-38.

"This is a happy sign for the future," said varsity coach Bob McKillop.

The Clarenceville first-string fell behind 44-23 at the end of the first half against Clarkson. Then the Trojans outscored their foes, 17-5, in the third period before the roof fell in for keeps.

Chris Hawkins had 17 points to lead the way for the Trojans.

Against Bloomfield Hills, Clarenceville was held to eight points in the first period and nine in the second. The half-time count favored the Hills, 28-17, and Clarenceville was unable to strike back.

Hawkins again was high man, this time with 15 points.

Bob Duman paced both the reserve conquests. He scored 23 points in the win over Clarkson. Against the Hills, he tallied 16, while Larry Pyne shot in 12 and Kent 10.

### EVEN PERIODS ARE COSTLY:

# RU Hopes Smashed

Too bad there were only odd quarters as far as Redford Union's basketball team was concerned last Friday in its Suburban Six League battle with Allen Park.

In the first and third periods, Redford Union thrashed Allen Park exactly even, 31-31.

But in the second and fourth stanzas... it was a different story and as a result the Parkers came out an 85-59 winner and killed off the RU chances of hauling in any laurels this season in the league.

The setback dropped the Townshippers two games off the pace and the best they now can hope for is a second-place finish.

They have no chance now of finishing on top since next week's winner between Bentley and Trenton can't miss outdistancing RU to the final wire.

Allen Park came out of the first period with an 18-16 lead. But in the second period, the Parkers rolled in 28 points to RU's 15.

The third period produced a 15-13 margin in RU's favor. Came the fourth, and the Parkers doubled the RU output, 26-13.

### Twins Clash Friday in Cobo Arena

The season's final head-on duel of the Van Arsdale twins at Cobo Arena is scheduled for Friday evening when the Detroit Pistons battle the New York Knickerbockers in the feature of a professional — high school tripleheader basketball program.

Tom Van Arsdale, of the Pistons, and brother Dick, of the Knicks, not only have become the first set of identical twins to make the grade in the National Basketball Association but they also have established "firsts" by both winning starting jobs.

Indications are that both will receive considerable attention when the annual NBA "All-Rookie" team is selected. Tom would appear to have a better chance than Dick, because Tom has been playing guard while Dick, as a forward, must contend with Rick Barry, of San Francisco and Billy Cunningham of Philadelphia.

As high school stars in Indianapolis and later as college All-Americans at Indiana University, the Van Arsdales turned in almost identical scoring and rebounding records. As pros, they continue to remain about even, with Dick averaging 12 points, Tom, 10.

Prior to the Pistons-Knicks clash, Highland Park and Grosse Pointe high schools will square off at 6:15 p.m. to decide the Border Cities League Championship. The Parkers and the Pointe have been running neck and neck all season.

It was Grosse Pointe over Highland Park in the first meeting between the two teams. The Parkers so far are unbeaten in four battles at Cobo Arena.

After Friday's tilt, the Pistons will host the Cincinnati Royals Sunday afternoon with the tipoff at 1:55 p.m. in a nationally-televised game (ABC) from Cobo Arena.

The Pistons squeezed past the Royals at Indianapolis in the last meeting of the season between the teams. The Detroit win kept the Royals from moving up on Boston in their battle for Eastern Division honors.

### Fast Cagers

(Continued from First Sports) to win for the ailing Knightlinger.

East's reserves also came home a winner, taking the verdict by a 65-52 count. Bob Kalinowski had 20 points.

Huber with 24 points and Flaser with 24 were the big scorers for the winners. Knightlinger made six before he left, while his brother Harry picked up four and Gary Popler made three. Rick Walker had 25 in a losing cause.

The East varsity box score:

| EAST            |    |    |    |

| Knight          | 15 | 9  | 36 |

Wayne State University's varsity wrestling teams of the past two seasons showed an overall 15-5-1, best two-year mark in the school's history.

"I just can't figure out what happened in the second and fourth periods," said RU coach Milo Karhu.

"Here we are playing well... and the roof falls in," he continued. "We come out for the intermission, play well again... and then, bang."

"I don't think we got tired. It was just one of those big mysteries that happen in sports, I guess."

Bill Arnold led the RU attack with 18 points while Doug Mach followed with 15 and Lee Ejerke tossed in 12.

Three players accounted for 51 of the winner's output. Don Sikora scored 18, Jim Fanto 17, and Gary Nickels 16.

The RU reserves came through with a 64-40 victory.

How the RU varsity scored:

CHALKS UP RECORD  
Lee Ejerke pumped in a varsity scoring record for the season in leading Redford Union to an 89-76 win over Walled Lake in a non-league Saturday night.

The junior tallied 18 baskets and four free throws as the Townshippers moved ahead early and stayed there. Bill Arnold added 13 and Doug Mach 12 to the winner's cause.

RU won in the reserve game, 72-48, with Tom Booker scoring 19 points.

### Observing Sports

(Continued from First Sports Page)  
League, whose members include Bentley, Plymouth and Redford Union from the immediate area.

Les worked to get the new Northwest Suburban League going. Teams like Thurston, Franklin, North Farmington and Glenn are all in this circuit.

Of late, Les had been arranging the first varsity schedules for Stevenson High, which in the fall will plunge into the Interlakes Conference League.

Les for five years ran the summer recreation program in Livonia before he turned all his allegiance to summer swimming.

You'll find his name on the charter list of gentlemen who founded the Michigan High School Athletic Directors Association. He served as the group's president in 1963-64 and secretary for many years.

Les frequently would talk about the directors' meeting. He and his colleagues would meet on a day off from school... and they'd thrash out the problems each was facing in his area.

Their aim: Better schoolboy athletics and help the kids.

Les also was among the first to join the State Coaches Association. Wherever he went, he was a popular guy.

State Prep Director Charles Forsythe always counted on Les to run a state district or regional basketball tournament; some years both.

Bentley also hosted many a quarterfinal contest... and many a regional track meet.

Forsythe knew that with Les Anders on the job everything would run smoothly. It did.

You would have to say that the community of Livonia and its surrounding is better off, thanks to Les Anders.

Livonia wasn't too much when Anders arrived from Hancock in 1948.

He has left a thriving metropolis, one of the state's fastest growing.

As we said, he has left his imprint on thousands of students, many of whom today are mothers and fathers of their own kids who already were beginning to feel the influence of Les Anders.

Les is gone... too soon to be sure. He was just 49. The show, of course, goes on. It never stops.

But somehow, we're certain that the name of Les Anders never will die around the schools of Livonia. Much of Les Anders lives on.

And always will.

### Thurston Takes Battle of Points

That's the way Coach Mike Pasternak of Thurston high referred to his basketball team's 94-90 win over Oak Park in their Northwest Suburban League victory.

That adds up to 184 points or around six a minute.

The victory kept Thurston in second place behind unbeaten Birmingham Groves which needs to win only one of its remaining two games to lock up an outright title.

Thurston, 6-2 in the league, fell behind in the first few moments, but thereafter stayed on top on the wild scoring game.

It was 23-15 in the first period for Thurston as Randy Samelson and Bob Wardrop gave Thurston the early push with nine and six points, respectively.

The halftime edge was 46-39 for Thurston and 68-62 after three periods.

Strangely enough, free throws proved the deciding factor. Thurston caged 36 baskets, three less than the Parkers.

In the charity department, Thurston made 22 against 10 for the Parkers.

In fact, Samelson by himself made more free throws than the entire Oak Park team. He clicked 13 times from the charity stripe and added seven baskets to finish with a whooping 27 points.

Gary Knock chimed in with 21 points, Wardrop 16, Reg Barrington 14 and Don Block 12 to lead the Thurston parade.

High man for the losers was the Holloman with 25 points. Next came Linhoff with 19.

Thurston took the reserve game, 77-04, as Don Kopec scored 26 points and Rick Knock followed with 12.

The Thurston varsity box score:

# Franklin Wins 2 With No Trouble

It was all over in the first period as Franklin High's basketball team crushed John Glenn, 68-46, in their Northwest Suburban League game.

In a battle of tailenders, Franklin pushed in 22 points to only eight for Glenn, which was held to just two baskets in eight minutes of action.

Meantime, Franklin meshed six hoops and 10 free throws.

Franklin upped its lead to 38-19 by halftime and Glenn held Franklin on virtually even terms the rest of the way.

Paul Katosh and Al Jose with 15 and 14 points, respectively, topped the winners who next play at Birmingham Groves Friday night.

It was not all gloom for Glenn. The Wayne school's reserves came out on top, 44-38, as Sturtivant led with 12 points. Stebe Kindsley had 11 for the losers.

A WEEKEND SWEEP  
Franklin finished the weekend on a happy note by downing Plymouth, 75-45, in a non-league Saturday night.

After a 9-7 (Franklin) first period, the Livonians broke the game wide open in the second stanza by scoring 25 points to 11 for the Rocks. Chris Wendrick and Tom Reich each had six points and Ron Wicks five in the breakout.

Paul Katosh and Al Jose topped the winners with 16 points apiece. Mike Stakas topped the Plymouth five with 13.

In the reserve game it was 47-43 for Plymouth with Kubik scoring 19 and Ruby 15. Hopkins had 15 for Franklin.

### Raiders Crushed By Kings

Nobody around North Farmington high school will disagree on one point:

Birmingham Groves has a mighty prep basketball team.

Groves showed the Raiders how good it is by scoring a 78-64 win in the North Farmington gym last Friday night.

The victory kept Groves' unbeaten for the season—the team has won 13 without a setback—and also assured Groves no worse than a tie for the Northwest Suburban League title.

North Farmington, which has had a tough time all season, winning only two out of 13, kept in contention until the third period.

Groves led by only a 19-14 count after the first period and it was 39-32 at the half. But Groves came through with 19 points to North Farmington's 11 in the third period and that was the 'ol ball game.

Rick Schultz and Rick Lorenz gave North Farmington a strong one-two punch. Schultz had 23 points and Lorenz 17. But nobody else on the North Farmington team could net more than six points.

Mark Harris and Mike Rafferty led the Groves bombardment with 25 and 16 points respectively.

In the reserve game, it was North Farmington in an 88-53 runaway as Mike McCoy scored 18 points and Mark Farler followed with 17.

The North Farmington varsity scoring:

**CONGRESSMAN BILLIE S. FARNUM.** (D. of Michigan's 19th Dist.) introduced a fair packaging and labeling bill in Congress today. This bill is similar to the bill introduced by Senator Philip A. Hart, (D-Mich.) in the Senate last session. "The Pure Food and Drug Act, enacted in 1906, has been improved by amendments through the years. But the enactment of this bill would be a major step in providing the consumer protection against deceptive packaging and labeling", Farnum said. "An essential element of a free enterprise system is the free choice of a knowing consumer between products whose quality and price are known. Deceptive practices in packaging and labeling remove this element," he continued. Farnum's bill would prohibit interstate commerce packages whose net quantities are not clearly and succinctly marked in a prominent place, and

prohibit labeling with deceiving "cent off" prices or sizes which in reality do not give the consumer a bargain below the ordinary retail price. Farnum said, "This bill is designed to protect not only the consumer but also the honest businessman who has been subjected to unfair marketing practices by less scrupulous competitors."

## Utilities Advise Wood Windows

by many utility companies to install wood windows in their houses. That's because the natural insulation of wood windows cuts heat loss and allows heating systems to operate more efficiently.

Niagara Mohawk Power Corporation of New York, for example, recommends wood sash and frame in its list of all-weather comfort standards for electrically heated homes.

Precision-made and factory-weatherstripped windows of ponderosa pine can be obtained in stock sizes through lumber dealers.

USE OF PREFINISHED hardboard paneling can make a kitchen glamorous and practical at the same time. Hardboard, because it is wood that has been engineered for beauty and hard use, can take the punishment of grease, stains, heat and humidity common to kitchens better than ordinary wood.

## Tips on Ways to Add Storage Space in Home

Who's ever heard of the house with too much storage space? As someone so aptly put it, "This is an age of plenty—plenty of everything except the space to store it."

The problem with storage is that it's a private affair. To be workable, storage facilities must be located in precisely the right place and tailor-made for their contents. In other words, what works for the Joneses may not always work for the Smiths.

However, ideas are always adaptable, and a booklet well worth having for the storage-poor family is one recently published by the Western Wood Products Assn. Colorfully illustrated with 27 photographs, the booklet outlines a multitude of distinctive and useful approaches to storage.

For example, it shows how slender bookcase units can be built between narrow panels of floor-to-ceiling glass to provide shelving for the library and art objects, at the same time giving a touch of distinction to window design.

Another window-shelf unit provides practical canned goods storage over kitchen counter-tops in a handsome manner.

A child's small bedroom is shown outfitted with an excellent closet, drawer and cupboard unit in seemingly impossible space, and an ordinary bathroom is pictured bedecked with rich pine paneling and exquisitely detailed storage cabinets.

A movable storage divider wall, which rolls around on casters, is described. Built to ceiling height and in four vertical compartments, the unit

provides tailored space for a drop-down writing desk, roll-out typing stand, pigeonholes, and drawers and cupboards for stationery supplies and family record filing in one of its 36-inch-wide compartments.

The other three compartments are designed with a myriad of shelves, drawers, cupboards and music equipment enclosures—all of which can be lifted out easily to make new arrangements as needs change or a different visual effect is desired.

The shelf, cupboard and drawer units require no hardware for installation. Instead, they are literally hung on the vertical separators between compartments, which are paneled with western red cedar bevel siding installed upside-down.

It's the exposed lip of the upside-down bevel siding boards that provides support for shelves and the various storage boxes.

The booklet containing these intriguing and useful ideas is simply entitled "STORAGE." A copy may be obtained for 10¢ by writing Department 519-P, Western Wood Products Association, Leon Building, Portland, Ore. 97204.

## Folding Door Adds Beauty, Saves Space

Folding doors, which are often used for closets, can also turn an awkwardly located doorway into a graceful passage.

Because these doors fold back against themselves, they require a minimum of floor clearance. Where standard single or double doors would be unwieldy or impractical, folding doors leave floor and wall areas free for more flexible furniture arrangement.

Modern folding panel doors of ponderosa pine also add a decorative touch to a doorway. Available in stock sizes and in a variety of elegant designs, they can be installed as single or double units for doorways, or hung in a series to form an entire closet wall.

Folding doors can be used to good advantage in corner entrances and hallways where floor space is restricted, to close off studio-type kitchens, and as connecting doors between kitchens and dining rooms or dressing rooms and bathrooms.

In addition to being decorative, panel doors reduce the passage of sound. In areas where ventilation is important, folding louvered doors are often used because they provide free circulation of air as well as privacy.

## Cooking Center Adds Efficiency To Kitchen Plan

Thirty inches is a lot of cooking space when it contains a modern electric range.

Most electric ranges have four precise-heat surface units, at least one of which is thermostatically controlled to maintain a present temperature throughout the cooking process.

The addition of double ovens above or below the surface units means you can cook a variety of foods simultaneously. Most double units have one oven large enough for a holiday-size turkey, and a smaller oven for pies, cakes or bread-warming.

What's more, the two-and-a-half-foot cooking center can be equipped with convenient features that let you prepare any meal from breakfast to banquets quickly and easily.

Some ranges have built-in pancake and hamburger grills and meat rotisseries. Most have electric sockets so you can plug in hand mixers and food blenders.

You can plug in an electric coffee percolator, set the automatic timer and wake up the next morning to fresh-brewed breakfast coffee.

## Kitchens Become Glamor Spots

Can a kitchen be "glamorous" and "practical" at the same time?

Since a kitchen's most important job is to be functional, the counters and floors must be able to take the punishment of grease, stains, heat, humidity and all-around hard knocks. Until recently, these requirements eliminated most glamorous building materials from use in the kitchen.

Today, the popularity of high-style kitchens is rising rapidly, largely because of the development of modern building materials such as pre-finished hardboard, which can stand the test of hard kitchen usage and still look glamorous.

Hardboard is a refined wood product, engineered for a particular use. It can be worked with regular woodworking tools, but the material in many of its forms doesn't even look like wood.

In addition, the improved nature of the material makes possible hundreds of applications not feasible with ordinary wood.

Plastic-finished hardboard is available as wood-grained wall paneling and cabinets, "tile"

# Junior Guild Slates 'Pinocchio' Production

"Pinocchio" will be presented in Livonia and Redford Township on four Saturdays by the Junior Theatre Guild of Livonia-Redford.

The project is co-sponsored by the Adult Education program in Livonia and Thurston High School in Redford Township.

Productions of the one hour show are scheduled as follows:

- Redford Union High School, Feb. 19, 11 a.m., 1 p.m. and 3 p.m.
- Bentley High School, March 5, 11 a.m., 1 p.m. and 3 p.m.
- Franklin High School, March 12, 11 a.m., 1 p.m. and 3 p.m. and
- Thurston High School, March 19, 9 a.m., 11 a.m., 1 p.m. and 3 p.m.

Additional information may be obtained by calling 427-9060.

Cast for the production is: Gepetto, Bob Palmer and Ken Slapik; Pinocchio, Keith Mueller and Ron Simmons; the Blue-Fairy, Elaine Slapik and Jennifer Grovers; Sandwich Man, Ralph Harris and Cheryl Stewart; Candlewick, Jamie Heston and Tom Paterson; Harlequin, Cindy Veres and

Ann Zimmerly; Columbine, Signe Lawson and Carole Vallesky; and Fire-Eager, Carole Sowe and Randy Yoke.

Appearing as puppets are Tanya Bone, Cheryl Smith, Debbie Smith, Cindy O'Drigo, Lori Venturino, Jill Sariego and Susan Lane.

Jackie Javor is the director and her assistant is Taffy Michalke. Kathy Lenk is the producer, while Cathy Wallace is in charge of the costumes. Make up will be handled by Jim Hunt.

Constructing the set are: Kathy Lenk, Bob Palmer, Gordon Ott and Cathy Wallace. Gordon Ott and Davin Pierson are in charge of properties.

## Comedy Is Final Drama of Season

For the final dramatic production of the 1965-66 season, the Wyandotte Community Theater has chosen, "The Pleasure of His Company," by Samuel Taylor. It will be presented in the Abraham Lincoln Junior High School auditorium, March 3, 4 and 5 with an 8:30 p.m.; curtain time and on March 6 at 7:30 p.m.

Appearing in the cast of characters are Jim Southers as Toy, Seamus O'Brien as Biddeford Poole, Roy Pask as Jim Dougherty, Bob Hachlinski as Roger Henderson and Howard Halstead as Mackenzie Savage. Female roles have been given to Kathy Kolpacke as Jessica Poole and Thelma Fawcett as Katherine Dougherty.

"Pleasure of His Company," is a thoroughly delightful drawing room comedy. It is sparkling, wise, witty, and warming with a bit of sound philosophy beneath its gay exterior. "Pleasure" is the right word for it.

A somewhat tarnished international playboy returns to the San Francisco home of his former wife to give away their daughter in marriage. He hasn't laid eyes on the girl since she was a youngster and now, discovering her a resplendent young woman, he turns on the charm that has established his reputation in all the playgrounds of the world. The daughter is utterly fascinated, the mother and fiancé helpless against this sophisticated tidal wave.

The impasse is rationally resolved when the girl wins her plea to be allowed a brief sabbatical abroad (with her father) before settling down to the marriage she still cherishes.

## 'Satchmo' Is Coming to U of D

Louis Armstrong and His All-Stars appear as a feature of the University of Detroit Town and Gown Celebrity Series at the U. of D. Memorial Building Auditorium Friday, Feb. 18, at 8:30 p.m.

The most famous jazz master in the world, "Satchmo" has been described as a "giant upon this earth" by the San Francisco Chronicle. "As show business, Louis puts on a great performance; as music it runs from echoes of New Orleans street parades to bebop syllables straight out of a Juilliard School of Music stream-of-consciousness nightmare.

"Louis sings the corny ballads and they come to life, have meaning, and move. When he plays, just like when the other real ones play, you know that this was the first time it happened, and it has never been equalled in his lifetime, nor ever will be."

The "All-Stars" of the Armstrong program include Billy Kyle, Danny Barcelona, George "Buddy" Catlett, Tyree Glenn, Buster Bailey — all members of the orchestra; and soloist Jewel Brown.

For information call the U. of D. Ticket Office at 342-1000, ext. 257.

## Rare Species Kitten Is Prize in Terrace Contest

One of the Siamese Kittens that will be awarded as a first prize in the "Win A Siamese Kitten Contest" at the Terrace Theatre is of the rare "Rosepoint" species according to an announcement from Frank Andrews, executive secretary of the Michigan Humane Society, which is providing the kittens.

The other first prize is of the more common "Sealpoint" species. "Rosepoint" kittens are a flamingo color and have blue eyes and a pink nose.

The children's contest continues to March 1. Consolation prizes will also be awarded.

All that is necessary to win is to write a short letter on the statement "How people can be nice to cats and kittens." Include your age and your parent's consent to winning a kitten and mail the letter to The Siamese Kitten Contest, Terrace Theatre,

30400 Plymouth Rd., Livonia. The contest is being conducted in conjunction with the Walt Disney film "That Darn Cat" starring Halley Mills.

Judges for the contest are Andrews, Bill Marcus, Terrace Theatre manager; Tom Becker, Montgomery Wards at Wonderland; and Wally Roberts, Observer Newspapers.

In addition to the kitten the first prize winners will also receive a kitten bed, toys and other items from the Montgomery Wards Store at Wonderland and medical preventive care from the humane society.

## Norwegian Orchestra Sets Concert

The Norwegian Festival Orchestra will appear in concert Sunday, Feb. 20 in Detroit's Ford Auditorium as a part of its United States tour which celebrates the organizations 200th anniversary season.

Known throughout Europe by its Norwegian title, Musikskabet "Harmonien," the symphony is the official orchestra of the city of Bergen, Norway, and the Orchestra-in-Residence at Bergen's International Festival — under the Royal Patronage of His Majesty King Olav V.

The distinguished group will be appearing in Detroit for only one 8 p.m. performance, sponsored by the Scandinavian Symphony Society of Detroit, Inc.

The program will begin with an arrangement of Johan Svendsen's "Romeo and Juliet," symphonic poem, Op. 18, followed by Harald Saeverud's "Sinfonia Dolorosa," Op. 19 (Symphony No. 6, one movement). Next the audience will hear the "Wedding March" and "Fantullen" (Devil's Dance) from Johan Halvorsen's "The Water Goblin Suite," Op. 21. Concluding the performance will be Edvard Grieg's "Concerto for Piano and Orchestra in A-Minor," Op. 18.

Tickets for the event are available at Grinnell's, the J. L. Hudson Company, and the Ford Auditorium. They can also be obtained by contacting the following ticket committee members: Mrs. K. Poppe (Chairman) — UN 1-4496; Mrs. V. W. Greene — MI 6-4926; Mrs. C. Braseth — GR 4-0605; Mrs. J. Soderberg — KE 2-2833.

## FARMINGTON PLAYERS

# Kaufmann Hart Comedy Is Current Offering

The Moss Hart — George S. Kaufmann comedy "George Washington Slept Here" opened last weekend at the Farmington Players Barn on 12 Mile Road. Performances are scheduled for Feb. 18, 19, 20, 25 and 26.

Directed by Hope Nahstoll the cast includes: Stuart Orman, Delores Shevlin, Bud Stone, Betty Craig, Barbara Shotwell, George Nahstoll, Ruth Caswell, David Frank, Norm Hosking, Bob Thomas, Jim Allison, Isabel Howard, Marilyn Betts, Ernie Oxker, Bonnie Britton, Rand Harp and Mike McCarthy.

The plot of the play revolves around the problems that a city-bred family runs into when they decide, much against the wishes of the wife, to buy an old farmhouse in the country.

Added to the problems and situations involved in renovating an old farmhouse, the family discovers that George Washington didn't really sleep there.

# Wally Roberts UP 'CURTAIN' GOING

A veritable pile of theatrical items clutter my drama desk. Pushing my way through the delectable debris is a semi-annual task.

Notes from a performance seen of "My Fair Lady" at the La Parisien indicate that the color and staging of the cinema-version impressed me. "My Fair Lady" will be at the La Parisien until late in March. If you have yet to see this pretty patheche of delightful music, dialogue, and stunning production numbers, let me advise you to head toward Garden City, sink back into those luxurious La Parisien seats, and thoroughly enjoy the film version of the G. B. Shaw masterpiece.

"Pousse Cafe" opened at the Fisher with Lilo and Theodore Bikel. Old Wally would rather not discuss this musical comedy supposedly on its way to New York. It is a dismal, vulgar attempt at the fine art of musical comedy. Bikel talents are wasted. Lilo is given an impossible script plus some of the dullest songs to sing. In brief, it looks like the Fisher has another "Pleasures and Palaces" on its hands. I doubt whether or not this show will go to Broadway.

"The Subject Was Roses", on the other hand, came in for a one night stand at the Hill Auditorium in Ann Arbor and proved quite easily why it was picked as the 1965 Pulitzer Prize winner. Dennis O'Keefe, Peter Duryea, and Liz Ross gave sensitive, heart-warming performances. "Subject Was Roses" is a tender play that looks into the hearts of a father, mother, and son and discovers the feelings that divide and join a family.

The Director's Workshop under the guidance of Bob Wall gets into high gear this week. Friday night's panel of guest directors appears to be a stellar one-night stand. Robert McKee, managing director of Center Theater (Jewish Community Center); Manfred Hueser, Drama Chairman (Redford Union High School); David Hirvella, Drama Director (Franklin High School); Parker Zellers, Eastern Michigan's Professor of Drama; Al Zoltan, Professor of Drama (Mersey College); and Richard Spears, Classic Theater Director (Wayne State University) will be presenting prompt books and talking about many of the concepts utilized in their dramatic work.

Press notices galore about shows coming: "Cassandra", a re-telling of the classic Agamemnon-Cassandra story, opens at Trueblood Auditorium on Feb. 16 for a four day run; "George Washington Slept Here", a classic comedy by Hauffman-Hart, opened last

week for a three weekend run at the Farmington Players Barn out on 12 Mile Rd.; "Lullaby" with Howard Eagen is coming Feb. 25 and 26 at the Franklin High Auditorium; Ibsen's "Enemy of the People" opens Feb. 19 for a three weekend run at the Jewish Community Center; and "The Trojan Women", the Circle-in-the-Square production, is coming for a two day visit on Feb. 25 and 26 to the Detroit Institute of Arts Auditorium.

"Craig's Wife" Opens Feb. 19 at Marygrove  
A Pulitzer Prize-winning drama about a woman who systematically destroys her home and family will be presented by the Marygrove College Dramatic Society on Feb. 19 and 20. The play, "Craig's Wife," first produced on Broadway in 1925, was written by George Kelly, a popular American playwright for more than 25 years. "Craig's Wife" tells the story of a woman who, according to critic Alexander Woolcott, "would rather have her husband smoke in hell than in her living room." Another critic has referred to the play as "one of the most keenly etched and devastating portraits of a woman in the modern theater."

Like many Kelly plays, "Craig's Wife" reveals high literary and technical qualities. A study of character, the play shows how the relentless desire for security that underlies an apparently devoted wife and homemaker gradually drives her to sacrifice her marriage and destroy her own happiness. The play will be presented at 8 p.m. in the Marygrove College Auditorium. Reservations may be made by calling UN 2-8000.

"Musical Moments"  
"Moments Musical" is an evening of musical entertainment by the Choirs of Newburg, Feb. 19 at 8 p.m.

N. Y. Curator Will Speak at Village  
Joseph T. Butler, curator of Sleepy Hollow Restorations, Tarrytown, N.Y., is the featured speaker at the Henry Ford Museum Antiques Lecture Series, Friday, Feb. 18, at Greenfield Village.

Butler will give an illustrated lecture entitled, "Van Cortland Manor, Its History and Documentation," at 8:30 p.m. in the Henry Ford Museum Theatre, Dearborn.

Curator of Sleepy Hollow Restorations since 1957, Mr. Butler has worked with all aspects of the interior furnishings of "Sunshine," home of Washington Irving, as well as the Philipsburg Manor and Van Cortland Manor. For further information, write Henry Ford Museum and Greenfield Village, Dearborn, or call 271-1620.

# 'Saint Joan' Is Classic Triumph

BY WALLY ROBERTS  
The Hillberry Classic Theater has done it again. Shaw's "Saint Joan" is an acting block-buster. Director Leone scores a triumph in every department in this exciting Shevian version of France's Joan of Arc as "St. Joan" entered the repertory schedule on Feb. 13.

From the opening between Robert De Baudricourt (Dave Meneghel) and the Stewart (Paul Stolarsky) to the satiric epilogue this highly-charged production zips along on the greased skids of G. B. Shaw's witty language. The actors covet and savor those fine Shavian speeches until they become a part of their characterization.

Such intense thespic love for the play shines through all evening. Marjore Lerström as Joan gives the maid a genuine feeling of vitality. Her recent foot accident early in rehearsals necessitates her doing the part encased in a cast. This cast-within-a-cast situation is soon forgotten by the magic of her total submersion in the role.

She never hobbles; she dances, and almost seems to skip her way through this historical tale of the Maid. Her voices are real. You almost hear them.

The trial scene could have been boiled down to half of its playing time and everyone in-

cluding the actors I'm certain would be happier.

Shaw, while living, would never let anyone cut his plays. He felt every word had a purpose. While this may be true, it's far better to hear a little less of Shaw and appreciate it more. Director Leone might have done some judicious cutting of the unbelievably long trial scene.

But for that brief lag in Act II the entire production moves along in majestic fashion. John Criner as the Dauphin deserves special plaudits for his sympathetic handling of the role. Two often the Dauphin has such a foppish, interpretation. John approaches the role sensibly and makes you laugh with him, not at him.

Marshall Borden, Jeff Tamber, Robert Oram, Fred Cahall, K. Lyne O'Dell, and Pierrino Masciarino provide superb support.

Right down to Joan of Arc's final cry as to whether or not the world will ever be ready for a genius the Classic Theater's production rivets your interest.

Director Leone and his staff of technical experts (Tim Dewart, Judy Haugan, and Gary Witt) have showcased this modern classic so perceptibly that you would swear it almost has a saintly glow hovering over its collective theatrical head.

A SET OF circumstances enmeshes Jean Seberg with Sean Garrison, a young naval officer, in a romance that leads to a series of suspenseful events in "Moment to Moment" opening today for a limited engagement at the Livonia Cinema Theatre.

## Puppets Slate Comedy Feb. 19

Visiting royalty will sweep into The Detroit Institute of Arts Auditorium on Sat., Feb. 19. The Emperor and his court will hold audiences at 10 a.m., 1 p.m. and 3 p.m. when the George Latshaw Puppets present "The Emperor's New Clothes" based on the famous tale by Hans Christian Andersen.

The story concerns an Emperor who has a passion for elaborate clothing. Two rouses weave the Emperor a suit of clothes of a miraculous cloth that is "visible"

only to those who are fit for the office they hold. Courtiers cannot see the cloth, but they say nothing. When the Emperor parades before the town in his new clothes, the silence splinters into laughter. Everyone can see his majesty's vanity has caused him to be covered with embarrassment — and little else!

Individual tickets may be purchased at The Detroit Institute of Arts Ticket Office (ground floor) or at all J. L. Hudson Ticket Services.

## Vanities Are Becoming Must To Bedrooms

Vanity lavatories are finding their way into more and more bedrooms these days. These installations offer all the advantages of a dresser-counter area, drawer space, a wide expanse of mirror — plus the added advantage of a modern lavatory with hot and cold water.

They are a beautiful addition to any bedroom, and a particular convenience to women for freshening up, shampooing hair and applying makeup — without tying up the bathroom.

## Kitchen Pantry Built-in Closet

Need a pantry in the kitchen? Try a triple tier of shelves built into a closet for canned goods. The first tier goes on the inside of double closet doors.

The second tier is built on swinging shelves hinged to a center pole inside the closet. The third tier of shelves is permanently installed against the closet's back wall.

Use sturdy Douglas fir lumber for shelving and door. Nearly one-third of all lumber produced in this country goes into homes.

AT STOP & SHOP YOU GET GOLD BELL GIFT STAMPS

You can always tell the individual with the Jewelry from Rose...

Because he or she is always such a particular individual to begin with! There's just that magic aura of something different about them, of course it's their poise, the vigor they put into living, the vitality of their conversation, that special modishness that makes them stand out in the crowd. There's one more thing that means very much to them. There's no doubt that they are married, or that they are going to marry. Why, then, it's love that makes them so particular. Of course, it's love that makes them so particular. Of course, it's love that makes them so particular. Of course, it's love that makes them so particular.

**You can get Livonia National Bank auto loans right where you buy your car!**

We've taken all the footwork out of car financing. Your dealer is just like one of our bank offices. He has all the necessary forms and can arrange for your bank rate auto loan right on the spot. Visit your auto dealer-banker soon. He has your new car and the money for it, too. When you ask your dealer for our loan you get these four "extras" at no extra cost:

1. We can make your payments for you ... from your checking account.
2. Loan insurance premiums can be included in your payment.
3. You build your home town credit rating ... more help on future needs.
4. You can make payments at any of our offices up 'til 4:30 p.m. Monday through Saturday ... or mail it in.

Open Monday through Saturday until 4:30 p.m. ... 'til 6 p.m. Friday
