

# Sheltered Workshop still needs your help, money

A plea was issued this week for more work contracts for the Community Opportunity Center's Sheltered Workshop, located in the old Newburgh School in Livonia.

And The Plymouth Mail is issuing another call for financial support for the struggling, new self-help center. During the past few weeks, The Mail has appealed for funds to help the center succeed.

Last week, both Plymouth Mayor James C. Houk and Plymouth Township Supervisor John D. McEwen affirmed their support for the project with personal checks and statements in the newspaper.

Other voices of support have been

added during the past few days. Miss Anna Jung, head of Plymouth's Family Service Agency, voiced her backing for the workshop's goal of trying to help mentally handicapped people learn useful skills. In a statement to The Plymouth Mail, she wrote:

"In my capacity as a social worker in Plymouth I am in a position to assess the need for a sheltered workshop in this area and to judge its value as demonstrated in five months of operation. I have made several referrals to the Community Opportunity Center, and I'd like to tell you about one of these.

"The Community Opportunity Center is providing a 'second chance' to

## A Plymouth Mail Public Service

a woman who grew up thinking she was mentally retarded. An unfortunate set of circumstances led to a faulty diagnosis early in her life. As a result, no one expected her to function normally, so she didn't, at home or in school. Recent retesting demonstrated that she has normal intelligence but

had never learned to function as a "normal" adult.

"Individual and group therapy in Family Service has opened some doors to adulthood for her. The Community Opportunity Center is giving her a chance to test herself in many areas of functioning. She is doing some clerical work in addition to taking some responsibility for supervising and helping some of the workers. Her responsibilities are gradually being increased as she learns to cope with an entirely new way of life.

"The Community Opportunity Center is for everyone who has not been able to achieve their full potential because of some kind of handicap,

whether mental, physical, or emotional.

"Lend your support with your dol-

### Help

The Sheltered workshop needs your help. It is a grass roots effort to help other people help themselves. If you'd like to donate, please send or bring checks to The Plymouth Mail, 271 S. Main St., Plymouth. Checks should be made out to the "Community Opportunities Center." Please do not make out checks to The Plymouth Mail.

EMPTY NOW: But soon to be filled with bowlers, welcomed by Frank Mocer, in the Plymouth Mail's first annual mixed doubles tournament at Plymouth Bowl.

## Get that spare in Mail bowling tourney

The Plymouth Mail, in conjunction with Plymouth Bowl, is sponsoring a mixed doubles bowling tournament with prizes of \$1,000, \$500 and \$250 for the first three places.

The tourney begins April 9 and 10, with entry blanks available at the Plymouth Mail, 271 Main St., at Plymouth Bowl, 40475 Plymouth Rd., and at alleys in the metropolitan Detroit area.

Tournament director Frank Mocer announced the tourney Monday and said entry fees would be \$10 per couple.

The first three cash prizes are estimated on expected entries. The \$10 fee includes \$5 prize fee, \$3.30 bowling fee and \$1.70 tournament expense.

Sanctioned by the American Bowling Congress and the Women's International Bowling Congress, the tournament will run for four weekends in April and four in May.

Rules state that the tournament handicap is 75% from 400-125 pins limit per games based on high average as of Dec. 31, 1963.

Also, bowler may enter more than once, provided they change partners each time.

Trophies will also be offered in addition to prizes.

## In a nutshell

★ The Plymouth Junior Achievement Fund Drive has gone over its goal, according to Victor Pelson, personnel chief at Western Electric. The goal was \$4,433, and \$4,644 was earned, or 105% of the goal.

★ The Plymouth Youth Council will sponsor a once-only showing of a movie, "Nobody Waved Goodbye," which recently won the critics acclaim for its forthright drama. The movie touches on the theme of lack of communication between parents and their teenagers, and features a film newcomer, Peter Kastner. It will be shown at the Penn Theatre on March 22, at 7 and 9 p.m.

★ Fire in a gas pump at Beglinger's Gulf station on Ann Arbor Rd. and Main St. caused minor excitement Friday evening until City of Plymouth firemen arrived and doused it with dry powder. Caused by a leak in the pump and an electrical short, the fire caused little damage.

★ City police are looking for the thief who took one diamond ring from Beitner's Jewelry store early Thursday morning. Police found that the front window had been broken by a brick sometime between 6 a.m. and 7:15 a.m.

### STREET GIVEN AWAY?

## Demel protests City lot sale, vacation

Protests over the proposed sale of a City-owned parking lot and the recent vacation of a block of Maple street for Ralph Lorenz were filed Monday night by veteran Plymouth attorney Earl Demel.

Demel appeared before the City Commission, meeting in special session.

Demel, back on the community scene after a severe illness that lasted several months kept him bedridden, opposed the possible sale of the lot to Gerald Snyder, who owns a furniture store adjacent to the lot in question.

DEMEL also challenged the City Commission's vacation two weeks ago of one block of Maple Street between Deer and Main Streets. The City vacated the land for Ralph Lorenz's proposed downtown motel project.

Three bids were received for

the parking lot: \$4100 from Snyder, \$4000 from James Roberts, and \$5100 from Edward Lees, representing Demel.

Demel told the commission he wanted to buy the lot for parking for his Colonial Professional building located on Ann Arbor Trail. He noted he had signed an agreement with Alexander Hamilton Life Insurance Company for the office space.

Commissioner Jim McKeon had moved the sale to Snyder, noting that it was important to encourage present business to stay downtown. ArchVallier had seconded the motion.

Demel explained the new contract meant he needed land for the cars generated by the Hamilton employees. Demel also noted that the property next door was for sale for \$21,000 Monday morning, and that the price had skyrocketed to \$32,000 by the end of the day.

COMMISSIONER George Lawton said he felt the lot either should be removed from sale, or kept as a parking lot if there was a critical need.

Commissioner McKeon pointed out that the lot was now used as

parking, and was not in use during the day, according to a recent survey taken.

And Vallier charged that Demel knew what he was getting when he signed the Hamilton contract.

"When you negotiated the sale to Mr. Bruce (Hamilton president), you knew we were selling the lot," Vallier said.

"Yes, I did. And I thought it would go to the highest bidder," Demel replied.

The Commissioner finally decided to send the entire matter to the recently appointed parking committee, after splitting 4-3 over a tabling motion, George Lawton suggested the parking committee take the matter, but three commissioners, McKeon, Bob Smith, and Vallier, voted no on that move. However, Mayor James Houk, Lawton, Jim Jabara and George Hudson voted yes, carrying the motion, 4-3.

OTHER ramifications of Demel's request to buy land he was the highest bidder on were also discussed including the possibility that he may be in violation of the

### LEADERS MEET

## Retreat to eye local problems

Nearly 70 business, government, church and club leaders from the Plymouth Community will journey to Hillsdale College this weekend, March 5 and 6 for an historic Leadership Conference.

It's another community cooperation step for Plymouth, and marks the first time a community the size of Plymouth has undertaken such a project.

The weekend, or retreat, was designed by the Chamber of Commerce to give Plymouth's leaders a chance to sit down together and discuss mutual problems.

CHURCH LEADERS, members of the Plymouth City Commission, Plymouth Community School Board, Plymouth and Can-

"A CHECK for \$500 was given to Mrs. Lewis Bodley, assistant director, international headquarters, Youth for Understanding, by Edward M. Sawusch of Plymouth Rotary Club. The funds came from the Plymouth Rotary Foundation. Youth For Understanding, with offices in Ann Arbor, conducts a foreign exchange program. Students are sent for two months in the summer to Western Europe, Japan, South America and Mexico. During the year, students from European and South American countries and Japan and Mexico are brought to the United States for periods ranging from two months to one year. Eight Plymouth students are expected to go abroad under the program this summer.

HELP WANTED: The help wanted sign is out at the Michigan Employment Security Commission office. Edward Dowling, office manager, interviews a job applicant for the many, many jobs he has open, for both skilled and unskilled labor.

## Need a job? asks man with lots of them

Ed Dowling is in the business of finding jobs for people.

Today business is not so good.

Dowling is the manager of the Michigan Employment Security Commission office, 987 S. Mill. The state agency has two main functions: finding jobs for the jobless, and handling claims for unemployment compensation.

"IN THE OLD days there would be two lines on claims, and the chairs over there would be full of people seek-

ing jobs," Dowling said, waving his hand toward empty chairs.

It was mid-morning, Friday, normally a busy day.

With the unemployment rate at an all-time low, offices like Dowling's are much quieter than two years ago.

"We have 200 to 300 openings we could place unskilled help in right this minute. And if they have a skill, like welding, I could just pick up the phone and have them a job in five minutes," Dowling said.

Dowling said the need for all kinds of labor was crit-

ical. In the skilled jobs—welders, machinists, tool makers—literally hundreds are needed in the Detroit area. The same applies to the building construction trades.

This office, and others like it across the country are experiencing a rare boom, when labor is at a record high premium. It's part of the Great Society boom-time economy.

"The training programs will help, but they were started too late. They have the course, the school, the in-

## Credit C&O executive with Ford plant move

A C & O executive, Thomas Diak, has been credited with doing much of the work in location of the recently announced Ford plant in Plymouth Township.

Ford announced plans for a 642,000 square-foot plant to manufacture heaters and air conditioners last week. The plant will be located on a plot of land along Chesapeake and Ohio rail lines just north of the Western Electric plant on Sheldon Rd.

DIAK'S work was praised by the Plymouth Community's local industrial development director, Harold Fischer. In a letter to Diak's supervisor, Fischer said:

"I wish to express my community's appreciation of the important role the Chesapeake and Ohio Railways had in helping us secure the new Ford Motor Company Plant to be built on Sheldon Road in Plymouth Township."

"Your Representative, Thomas L. Diak worked long and hard in our behalf; and through his efforts many people were brought together for a common goal. He is to be commended."

"We have known our community was fortunate to be served by the Chesapeake and Ohio Railroad, but the additional service given by your Industrial Development Division will have great impact during this current period of growth and expansion."

Fischer's letter was sent to James E. Doyle, C & O vice-president. Fischer was hired last fall by Plymouth, Plymouth Township and Canton Township to secure commercial and industrial developments for the Plymouth Community.

LAST MONTH his office was able to announce the sale of 35 acres of Township land for a food warehouse.

Fischer has also been credited with doing some of the development work for the Ford project.

Chamber of Commerce president Carl Pursell extended a welcome to Ford this week, and commented:

"The impact on this community will be great, but it's somewhat difficult to assess. Industry brings new people, economic changes and many new ideas with new leadership.

"The Plymouth Community will benefit from this; commercial development and a great market will result."

Pursell predicted it would be a few years before the full impact would be felt, and said that Plymouth would become a central location, distributing Ford products needed at both their Wixom and their Dearborn plants.

THE PLANT is expected to be started in about two months, and be in use by late 1967, with more than 1,000 people employed. About 500 of these are expected from the Ypsilanti plant, but Ford officials say there will be many new jobs.

The 168-acre site was purchased from Robert J. Elvidge.

Both Fischer and Pursell also issued special thanks to Plymouth Township officials for their part in the move.

Supervisor John D. McEwen has been working since his appointment on the upgrading of Sheldon Rd. to a Class A road - one of the necessities for industrial expansion.

Also, the Township installed a 12 inch water line down Sheldon Rd. across the land

# Need a job?

★ Continued from page 1  
 structor, and nobody to train. That's because the same fellow that can qualify for training can also take a job in a plant at \$2.75 an hour," Dowling said.

"IT HURTS to see these young 18-year-olds working on a simple production job. They are not learning a skill; all they think about is driving around in that big GTO. I feel sorry for them when the going gets rough."

Dowling noted that many of the training jobs paid little at first, and that the young people would not take them. This parallels a national concern that the skilled trades will die off unless more young men enter them soon.

Dowling noted that the help shortage was reflected in the fact that many industries had dropped off the high school diploma requirement, and now require only an eighth grade education—or less.

"I've been in the business for 20 years, and this is as bad as it's ever been. 1955 was the last bad shortage of help. But, then, I can remember times when you couldn't buy help, and six months later they would be pounding the doors down," Dowling commented.

The Security Commission's job includes offering better jobs to those already employed—if they want them. "If we get a better job for

them, we'll send them," Dowling said. "If they want to better themselves, we should help them, and we do, and will."

MANY workers, and even employers, are not aware that the Michigan Employment Security Commission is primarily a personnel office. Many industries work directly through the office.

Jobs for women? There's plenty of those too, Dowling said. Jobs are open in the clerical and secretarial area. Factories have not yet turned to women in large numbers like they did in WW II.

"If the war effort gets any bigger, they may have to," Dowling noted.

Claims also are running low, with most of those being paid now going to those who will be recalled to the construction and seasonal jobs soon.

Dowling said the service trades — hotels, restaurants, and service business — all need more help.

"To show you how bad it is, we've had to spread our job orders over to other offices. For instance, many of the Detroit office's requests from industry have been sent here, and elsewhere," Dowling said.

DOWLING URGED all those interested in employment to come to the office at 987 S. Mill St. and fill out the proper forms.

## Legal Notices

To the Supervisor and Clerk of the Township of Plymouth, Wayne County, Michigan.

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on February 3, 1966, decide and determine that the certain road described in the minutes of said Board should be a County road under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said road are hereby made a part of this notice, and are as follows:

Minutes of the regular meeting of the Board of County Road Commissioners of the County of Wayne, Michigan, held at the Board's offices, 7th Floor, City-County Building, Detroit, Michigan, at 9:00 a.m., Eastern Standard Time, Thursday, February 3, 1966.

All of South Burning Tree Lane as dedicated to the use of the public in Marmion Hills Sub-division of part of the S.W. 1/4 of Section 21, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan, as recorded in Liber 88 of Plats on Page 79, Wayne County Records, constituting a total of 0.228 mile of County Road, of which 0.209 mile was taken over as a County Road and made a part of the County Road System on July 23, 1965.

The motion was supported by Commissioner Barbour and carried by the following vote:  
 Ayes: Commissioners Barbour and Neudeck.  
 Nays: None.

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 16th day of February, A.D. 1966.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN  
 Al Barbour, Chairman  
 Philip J. Neudeck, Vice-Chairman  
 William E. Kreger, Commissioner  
 By Henry J. Galecki, Acting Secretary and Clerk  
 2-23 - 3-2 - 3-9-66

Present: Chairman Barbour and Vice-Chairman Neudeck.

"Commissioner Neudeck moved the adoption of the following resolution:

BE IT RESOLVED by the Board of County Road Commissioners of the County of Wayne, Michigan, that it hereby accepts the dedication to the use of the public of the following described road and it is hereby taken over as a county road and made a part of the county road system of the County of Wayne:

All of South Burning Tree Lane as dedicated to the use of the public in Marmion Hills Sub-division of part of the S.W. 1/4 of Section 21, T. 1 S., R. 8 E., Plymouth Township, Wayne County, Michigan, as recorded in Liber 88 of Plats on Page 79, Wayne County Records, constituting a total of 0.228 mile of County Road, of which 0.209 mile was taken over as a County Road and made a part of the County Road System on July 23, 1965.

## Apartments

★ Continued from page 1

The new ordinance actually came in two parts: one rezoned the land, another changed the ordinance to allow high-rise buildings. Both were given first readings.

Parking requirements for all structures were also up for review, and some changes were included in Monday night's reading.

Here's how the PR-2 height standard reads:  
 In PR-2 Districts, no building hereafter erected or altered shall exceed thirty-five (35) feet in height, or two and one-half (2 1/2) stories, except as provided in Article XII of this Ordinance.

The height limitation herein specified may be increased on parcels of one acre or greater, not to exceed five (5) stories or fifty (50) feet in height, whichever is greater; provided that minimum side, front and rear yard of not less than three quarters, (3/4) of the height of the building, for buildings over two stories or thirty-five (35) feet in height, shall be provided.

## Ford plant

★ Continued from page 1

just north of the tracks, out Ridgewood and to N. Territorial Rd. The line bypassed the City, and was laid almost in the center of the land sold to Ford.

Later, plans were drawn up by the Township's professional planner, W. C. Johnson, for a subdivision of the land into small plots for industry.

But the Ford plant came before those plans were final. And, the Wayne County Rd. Commission has approved an upgrading of Sheldon Rd. according to McEwen.

A huge plot of land north of the Ford site is now up for grabs, the Township officials have zoned the area for industry.

# — NOTICE — SALEM TOWNSHIP BOARD OF REVIEW

Will meet at Salem Township Hall March 8th and 9th at 9 a.m. to 4 p.m. for the purpose of reviewing the township assessment roll, and on March 14th and 15th at 9 a.m. to 4 p.m. for the property owners to file a complaint on assessments they feel unjust. Property owners living out of the township may file a written complaint with the supervisor on or before March 14th, 1966.

FLOYD TAYLOR, Supervisor  
Salem Township  
(3-2 - 3-9-66)

# — NOTICE — MEETING OF BOARD OF REVIEW

CITY OF PLYMOUTH, MICHIGAN

The Board of Review for the City of Plymouth will meet in the Commission Chamber of the City Hall, 201 S. Main Street, on Tuesday, March 8, 1966, from 12:00 Noon to 6:00 p.m. and on Wednesday, March 9, 1966, from 3:00 p.m. to 9:00 p.m. for the purpose of reviewing the Assessment Roll for the year 1966.

The meeting of the Board of Review provides an additional opportunity for taxpayers to present protests or suggestions relative to assessed values on local property, if satisfaction cannot be found after conference with the Assessor.

Any person who wishes to appeal to the Board of Review must file a formal petition prior to March 8, 1966. This petition form can be obtained at the Office of the City Assessor and should be filed with the Board of Review c/o 201 S. Main St., Plymouth, Michigan.

Eugene S. Slider  
City Clerk  
(2-23 - 3-2-66)

## CHARTER TOWNSHIP OF CANTON BOARD OF REVIEW — NOTICE —

The Board of Review of the Charter Township of Canton will meet at the Township Hall 128 Canton Center Road, Plymouth, Michigan on Tuesday, March 8, 1966, Wednesday, March 9, 1966 and on Monday, March 14, 1966, Tuesday, March 15, 1966 from 9:00 a.m. to 12:00 noon and 1:00 p.m. to 4:00 p.m. for Reviewing Tax Assessments.

## MICHIGAN'S LARGEST BANK ANNOUNCES HIGHER INTEREST FOR INVESTMENT SAVERS

TIME CERTIFICATES EARNING  
**FOUR and ONE HALF PERCENT**  
ANNUAL INTEREST

Beginning March 1, 1966, individuals and non-profit corporations can earn a new higher annual interest rate of Four and One-Half Percent on Time Certificates of \$1,000 or more on deposit for one year.

Four and One-Half Percent Time Certificates are automatically renewed at maturity unless notice is given. They may also be redeemed before maturity with 30 days written notice, at slightly lower rates. Certificates redeemed prior to 90 days earn at an annual rate of 3 1/2%—from 90 days to maturity, at 4%.

In addition to the new Time Certificates, which are also available in passbook form, NBD continues to offer Regular 4% Savings Accounts with interest paid and compounded quarterly. You can, of course, deposit any amount desired in a Regular Savings Account.

Time Certificates and Regular Savings Accounts are available at all 85 offices of the National Bank of Detroit.

## Ford is welcome

As the Plymouth Community gets set to welcome the newest member of its industrial community — the Ford Motor Company — it becomes apparent that the nature of Plymouth has changed once and for all.

The colonial architecture, Kellogg Park, our own Community Fund, the Symphony, good schools, will all remain Plymouth's own personal marks of individuality, difference, single-mindedness and small town atmosphere.

They will stay. But they will have to learn to live with something new: a huge industrial boom triggered by the announcement from Ford; demand for medium priced homes for automotive workers; new commercial establishments, and new people with lots of new ideas.

They will all be here and as they come Plymouth will become more and more a part of the vast area in southeastern Michigan that centers around Detroit.

And when they come they will be welcome. The Ford plant in taxes alone will mean thousands of dollars a year for the school district, as well

as the Plymouth Township government, and county government.

If the plant brings in 1,000 workers, they will bring wives and maybe two kids. That's 4,000 people.

The people will earn money which will buy homes, food, clothing, furniture, gas, oil — the list is endless. Much of the money will be spent locally.

And the Ford plant itself will make purchases locally.

Ford urges participation of its workers in local government and that participation will bring new ideas and faces to Round Table discussions, board meetings and club activities.

The announcement of the Ford plant serves notice to Plymouth people that their town is on its way to being one of the biggest, and most respected suburbs of Detroit.

Plymouth can handle the challenge, and should extend every welcome possible to Ford, whose faith in the area has been demonstrated by their plans for the 642,000 square-foot plant.

Construction will start as soon as weather permits. But the welcome has started already.

Alfred Pelham

The role of taxation in local government will be discussed before the Businessmen's Forum Thursday by a well-known financial expert, Alfred Pelham. Pelham, vice-president of Wayne State University for finance, is a former member of the Wayne County Bureau of Taxation, Wayne County director of finance, and controller for the City of Detroit. He will speak on local assessment practices, equalization and the new Constitution provision that all property will be assessed at 50% of true value. The meeting is set for 7:00 p.m. in the Mayflower Hotel, and is sponsored by the Chamber of Commerce.

### Serving our Country

Thomas Manees

Seaman Recruit Thomas J. Manees, 18, USN, son of Mrs. Dorothy J. Manees of 814 York St. is undergoing seven weeks of basic training at the Naval Training Center here.

Under the supervision of veteran Navy petty officers, he is receiving instructions in naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard drills and sentry duty.

Military drills are emphasized during recruit training, and with various inspections and a planned physical fitness program, keep the recruits mentally and physically alert.

Upon completion of recruit training, he will be assigned to a school, shore station or ship, according to the results of his Navy classification tests, his own desires and the needs of the Navy.

## Leadership weekend

★ Continued from page 1

ton Township Boards, businessmen, service club presidents, members of the Community Fund, Industrial Development Corporation and representatives of the newspapers will all attend.

The possibility the general session may be addressed by Governor George Romney has been speculated on, but no definite answer was available as the Mail went to press: Carl Pursell, Chamber of Commerce president and local GOP chairman, said there was a "50-50 chance he will come."

Discussion will be led by Dr. Howard McClusky, University of Michigan professor of Educational Sociology.

Dr. R. R. Barber, and Pursell, who have done much of the work on the project, say there will be no pre-set agenda.

THE HILLSDALE College Leadership Development Center costing \$3 million was completed recently, and will be used for the conference. The Center designed for "brainstorm" sessions, is a huge tri-level building with housing quarters, conference and dining rooms.

A special discussion technique, developed by College president Dr. J. Donald Phillips, is made possible by what College officials call the "discussatorium," a room with 214 swivel-mounted seats facing a stage. The chairs can be turned after the presentation on stage and small groups formed for discussion.

It is in this room that community leaders attending the meeting hope to pose some of the questions facing Plymouth to each other.

And it is here they hope to get some answers, Pursell said. "The Center offers a retreat for creative thinking on a mature basis," Pursell said Monday. "We are very optimistic about what can be accomplished."

Those attending the conference will leave here around 7 a.m. and arrive for registration at 9 a.m. and the first general session at 10 a.m.

Sunday's session is expected to get underway at 9:15. Check out time is set for 1:30 p.m., with all participants expected back in Plymouth by 4.

Plymouth Township will send four representatives; the City, six, and Canton, three. The School Board will send five members, and the Chamber of Commerce six.

Some new names on the community leadership roster attend-

### Demel protests

★ Continued from page 1

ing the conference include Edward Schening, Burroughs general manager, and Dr. Donald Starr, Alexander Hamilton Life Insurance Company executive.

Kiwanis, Lions, Rotary and the JayCees are also sending representatives.

McKeon disagreed with the tabling motion and the referral motion, and pointed to the survey, which showed the lot wasn't being used.

In the meantime, City attorney Thomas Healy ruled that bids must be taken again, because Demel's appearance had, in effect, allowed him to modify a sealed bid.

The entire meeting was marked by sharp exchanges between Demel and the Commissioners, and at one point Mayor Houk rapped for order, and put a stop to the discussion between Demel and individual commissioners.

On the Maple St. closing, the discussion got more heated as Demel charged Lorenz had gotten land free, without the Commission considering the residents of Plymouth.

"I couldn't expect that land to be given to me free. As far as I know, the land was acquired gratis. I'd like to buy one block, or two blocks, and have the street vacated. I feel you didn't give the matter full consideration."

JAMES MCKEON replied he felt this was a legal problem and that it should be taken up with the City attorney.

"This is a legal problem. Put it in writing; But I'm not going to sit up here and be lectured on my ethics," McKeon said.

Vallier interjected that the matter could not even be discussed until the Commission voted to reconsider it.

Harold Fischer, director of the Plymouth Area Planning Commission also took part in the discussion, noting that he had attempted to act as a go-between Demel and Lorenz.

The City fathers cut short further discussion of Demel's request for action on Maple St., and adjourned.

Demel declined to indicate what step he will take next in his opposition to the vacation. Demel owns land abutting Lorenz's land, but not directly on Maple St.

## The Plymouth Pilgrim

By DAVE WILEY

After nearly ten years of married life, it behooves a man to sit down and reflect on those factors that have made holy matrimony a bit more enjoyable.

First of all, any idiot knows that it isn't because a multiplicity of people can live more economically than one; and that time-worn fraud goes by the board rather hastily.

In fact, if I were forced to pay tribute to any single influence that has made the past decade a bit more enjoyable, I would cast my garlands in the direction of the succession of cats that have paraded through my life.

Cats? Yeah, cats.

I guess it all started when the child bride and I were holed up in a 5,000 yen a month cottage in Japan (that's a little less than 14 dollars) and we encountered the annual harvest phenomenon.

The local farmers would cut crops and the uprooted rats would troop into nearby homes.

One spring day, we spotted a calico cat in the neighbor's yard — toying with an expiring rat — and in appreciation we offered the animal food.

It was accepted and we adopted the cat and christened it Sam, a generic misnomer on account of Sam began to produce little Sams, one batch after another.

Sam kept us from getting bored. She was always trotting home with a mangled lizard or mouse or bird or rat and she'd take on dogs twice her size and come out on top.

One day she plopped on the back of an unsuspecting Oriental mutt from her perch atop a tool shed and, like a Rodeo rider, stayed with it until the pooch had cleared the property line.

Each night, before we went to bed, Sam was deposited outdoors and she managed to time things so that she landed on our bedside window ledge — howling to come in — just as we were comfortably asleep.

Since a Pfc. in the Marine Corps doesn't knock down particularly handsome wages, Sam provided cheap entertainment. She understood English too.

We are working on our third cat since Sam and they've all been well-mannered, sophisticated and snobbish as cats are supposed to be.

There was Caesar B, a big, muscular Tom that we brought with us from northern Michigan. He tolerated Plymouth for about a week and then disappeared — presumably headed for rural life again.

And then there was neurotic, sickly old kitty who put up with us — through seven moves into seven different houses over a six year period.

We argued about her all the time. "Look," my wife would say, "she's smiling." "Nuts!" I would reply in my usual charming manner. "Cats can't smile."

And then Mommy found an article one day that said that cats did, indeed, smile. I hate to be a loser.

But the stupid cat we have now wins the prize. After the old animal departed one night (cats seldom die, they just vanish into thin air), the daughter came home with a skinny, terrified, flea-bitten tiger kitten that she'd found in a field.

It has since grown into a fat, sassy, smart-alecky, sleek feline. It doesn't smile; it sneers. It sleeps indiscriminately in the best pieces of furniture and on the master's bed and its appetite would do justice to its slightly larger cousin the African Lion. It has even learned to turn lights on.

Our hallway lights have two switches one at either end and any way you hack it one of the switches is in the up position when the lights are off.

Old smart aleck has discovered that, with a mighty leap in the air, she can claw her way down the wall over the switch and turn the light on.

It takes most of her energy, however, and she never lights the lamp more than once a day. Her crowning achievement, I suppose, came last week.

Like all families with small urchins, we have a variety of plant and animal life around and included in the Wiley menagerie is a lonesome goldfish.

Because dumbhead had exhibited the usual degree of cat-like interest in the fish, we perched the bowl high atop a bookshelf over the desk in the family room.

Stupid found she could leap on the kitchen counter, jump across onto one of the lower shelves and — standing on her hind legs — push her hairy little face up against the fish bowl.

Last week she tried to chin herself on it. Result? Wet cat, wet desk, wet floor and dry goldfish rescued just in the nick of time.

"Oh, censored!" Mommy hollered and it's taken me the best part of a week to un-learn the kids from articulating "Oh, censored!" at the top of their lungs.

My father, who is a minister, gets the Plymouth Mail each week and I insert this so he will be prepared if one of the grandchildren should scream "Oh, censored!" on an upcoming visit.

It's the cat's fault.

I guess the biggest reason I like cats is because they're non-conformists. They do what they darned well please and, unlike dogs, they don't fawn over anybody and everybody.

If they don't like you, that's tough, Charlie. That crotchety old poet, T. S. Eliot, put it best in his verse, "The Ad-dressing of Cats."

"With Cats, some say, one rule it true: Don't speak till you are spoken to. Myself, I do not hold with that — I say, you should ad-dress a Cat. But always keep in mind that he Resents familiarity. I bow, and taking off my hat, Ad-dress him in this form: O CAT! A Cat's entitled to expect These evidences of respect. And so in time you reach your aim, And finally call him by his NAME . . ."

### LETTER

## What's going on at City Hall?

Dear Editor: I am writing this letter to let you know my personal feelings about Joe Bida, his leaving his position with the City and also to ask the question again, what is going on inside City Hall?

I met Joe Bida in front of our house, when I lived on Dewey

St., ten years ago. At this time he was correcting a condition on our street that prior to Joe's coming never seem to get done. The job was done and in first class shape. No matter what the complaint it was always given the personal touch by Joe Bida. Day and night I have seen Joe

Bida busy in performing his responsibilities. I don't know what Joe's future plans are but for the Cities sake I hope here-consider. Either way — "Best of luck Joe."

My question — in the last three years we have had a City manager quit, two City Clerks quit and now Joe Bida. Is the exodus for the reasons given or is there something going on inside City Hall that we the tax payers are not aware of or purposely uninformed with the facts.

Each time an experienced man quits, it costs considerable more in time and money to replace this individual.

I would hope these leavings are not due to political pressure or reasons — still the question is — why then??

E. W. Martin

## Sheltered workshop

★ Continued from page 1

lars; give to this worthwhile project. Give the handicapped a "second chance."

Additional support came from Miss Helen Farrand, a long-time Plymouth school teacher for whom the Farrand Elementary School is named. In a note that accompanied a donation, Miss Farrand wrote:

"I have spent more than 45 years working with young people in Plymouth and outlying territory. The very fact that you are located in the old Newburgh School takes me back to four years I taught in that same building before World War I.

"Sometimes the enrollment was over 50, spread over kindergarten through eighth grade.

"That gave me the rare privilege of guiding the lives of my large school family into a real family and community group. With the co-operation of my pupils and parents we were able to find opportunities for each pupil

from the superior pupil to the mentally handicapped.

"You can see why I am interested in your progress in working with the handicapped. Good luck with your fund drive."

Sheltered Workshop Center Director Ernie Moran told The Plymouth Mail this week that the center needed more work contracts from local business and industry.

Primarily, the workshop is looking for contracts to complete simple manual assembly jobs that would normally be considered "nuisance work."

Included could be such things as packaging, envelope stuffing, assembly of simple parts of materials and other tasks.

Businesses or industries interested in contracting with the workshop for work of this type may contact Moran by calling 425-9560.

The tasks are completed in a competent, workmanlike manner under proper supervision

Kathy Skinner, Bonnie Eves, Debra Brady, and Sue Leonard practice folk dancing for the Scout-orama to be held Sunday, March 6 in the Junior High East gym.

### Girl Scout cookie sale

Plymouth Girl Scouts are taking advance orders on cookies from now until March 12.

The five varieties are produced by the Burry Biscuit Co., a division of Quaker Oats Co., and include: four flavor shorties, chocolate-vanilla creams, scot-teas, mints, and savannahs.

Girl Scout cookies will be priced at 50c per box this year. The troop will get a profit of 5c per box and the council will get 23c per box. The council's profit will go toward the further development of Camp Linden.

Brownies will not be selling cookies this year and Girl Scouts are asked not to sell cookies to strangers unless they are accompanied by an adult.

Cookie deliveries will be made to customers April 18 through April 30.

### Bridge Club

The Plymouth Bridge Club will no longer meet at the Colonial Professional Building after March 4.

Alexander Hamilton Life Insurance Co. has leased the space involved.

### Barbecued Beef—Quick Style

When you want barbecued beef quickly, brown ground beef in a frying-pan, then pour off drippings. Add bottled barbecue sauce, heat the mixture thoroughly and serve on buns.

### WOMEN'S PAGE DEADLINE IS FRIDAY

### The Scribbler

#### Rainy days

with Joyce Holmes

What a welcomed relief the recent warm spell has been! Just about the time you weaken and seriously consider moving to that tropical isle, Mother Nature comes through with a pleasant interlude and builds you up with promises of better things to come before she deals you another blow below the belt.

That warm spell brought us some difficulties as far as our 11 week-old German Shepherd is concerned. Loki, whose namesake was the handsome, debonaire Norse god of mischief and discord and who thus far has lived up fully to his name, is far from housebroken, but we keep hoping.

He was becoming quite conditioned to the feel of snow beneath his feet and it seemed to have an instant releasing effect on him.

Then came the thaw and Loki's outside bathroom shrank each day as he rather shunned the bare ground. The fateful morning, however, was Thursday with its drizzling rain — no snow, just mud.

Three times we caught Loki in the position preparing to heed the call of nature and each time we yanked him outside where he was so terrified of the first rain in his young life that he completely forgot the act that brought him out there in the first place.

While he cried and strained at the leash to go into the house, I was getting drenched also. Rather than fight any longer I decided to come in and keep a wary eye on him for the next time.

What a ridiculous sight I would have been had a salesman or someone knocked on our door at 7 a.m. Being true to my ex-girl scout motto "Always Be Prepared," our hypothetical salesman would have been greeted by the lady of the house attired in bathrobe, boots, and plastic rain hat and armed with a pancake turner in one hand and a dog leash in another!

Guess that isn't quite as bad as one case I heard of — a woman doing her wash in the basement one morning. Being annoyed with her hair falling in her eyes, she put on her son's football helmet to keep it in place. Then she decided to wash the night clothes she was wearing.

As she stood there (au naturel), she was surprised by the meter man who came in the back way. All the poor guy could think of to say as he did a hasty retreat was, "I hope your team wins, lady!"

## Girl Scouts plan Scout-orama March 6

Girl Scouts in the Plymouth area will celebrate National Girl Scout Week with a Scout-orama March 6 at the Junior High East gym from 2 till 4 p.m.

### Miss Larkin completes Vista Training

Virginia Larkin, 25, of Plymouth is one of 46 volunteers to complete the University of Oregon's third VISTA training session. VISTA is Volunteers in Service to America, also known as the "domestic Peace Corps."

After the six week training program, she and five other volunteers were placed in positions in the Lane County Youth Study Board project, Eugene, Oregon for their year of service in the national War on Poverty.

Most of the volunteers will serve in rural projects. Emphasis during the training period was on field observation combined with classroom experience. Field trips included visits to Job Corps sites and migrant labor projects.

The VISTA volunteers range in age from 18 to 75 and come from throughout the United States. Some have recently graduated from high school or college, while others have retired from their careers. Their work experience varies from part-time temporary jobs to long years of service in public and private employment.

The particular skills of the volunteers have been matched as effectively as possible with the community action programs to which they have been assigned. During the training the volunteers lived in University dormitories and attended lectures and discussions led by VISTA staff members. Director of VISTA at the University of Oregon is Dr. R. N. Lowe, professor of education.

## Troop 411 helps retarded girls

The national theme of "The Promise in Action" for Girl Scouts set the stage for the investiture of 18 retarded girls at Our Lady of Providence School recently.

Taking their cue from Girl Scout Law 4 the members of Junior Troop #411 became sister scouts to a group of girls who knew of scouting but had never had the chance to belong.

For several months the girls of 411, sixth graders at Jr. High West, have attended the weekly meetings of Troop #379 helping them with arts and crafts, singing and playing games. Michele Terry, senior scout, assists with the troop and thrives on the enthusiasm of the girls from Troop 266, fifth graders at Our Lady of Good Counsel, also became interested in the project.

There are only two troops at Our Lady of Providence School although there are 120 girls in residence. Many more would like to belong to the Girl Scout movement having had the experience of a 2 week day camp the past two summers. Anyone interested in donating just 1 1/2 hours a week to a delightful group of girls may call Mrs. Harrison for further information.

### Engaged

Linda Eddleman

The engagement of Linda Eddleman to Lloyd Moore, Jr. has been announced by her parents, Mr. and Mrs. Willard Eddleman of West Ann Arbor Trail.

Parents of the prospective bridegroom are Mr. and Mrs. Lloyd Moore, Sr. of Northville. The bride-elect is a graduate of Plymouth High School and is employed at Welduction Corp.

Her fiancé is a graduate of Northville High School and is employed at Hydra-Matics.

An April wedding is planned.

### Bridge scores

At the weekly duplicate Bridge held at the Plymouth Bridge Club on Friday, Feb. 18, the following were winners: 1st, John Loomie and Tom Ruthford 2nd, Irene and Jim McCormick 3rd, Erna and Mary Wiltse.

Weekly duplicate Bridge is held each Friday at 8 p.m. at the Colonial Professional Building located at 729 W. Ann Arbor Trail.

Next Friday, Feb. 25 is master point night. Everybody welcome. For further information call Directors, Bill Tullis, GA 2-7848, or Vic Ross, GA 2-8091.

## Twelve tricks to help you become a successful hostess

The art of becoming an accomplished hostess is well covered in a book by Carolyn Coggins called "Successful Entertaining at Home."

Aimed at women who would like to produce the best food and effect with the least possible effort, she relates 12 tricks in capsule form:

1. Discover the art of mixing green salads and learn how to make the dressings you like best.
2. Use herbs and spices to secure delicious flavors, produce tantalizing aromas.
3. Be a glamour-chef with a chafing dish. Use its beguiling ways to cook the best dish in the house wherever you like, at whatever hour you choose, with guests looking on.
4. Be on intimate terms with pot dinners or delicious stews which can be prepared in advance to provide a hearty feast for company.
5. Recognize the importance of knowing how to make several casserole dishes — not everything thrown in, but recognizable, tempting main courses.
6. Know how to make stock as a base for two ambrosias — soups and sauces — which can turn an ordinary menu into a gourmet delight.

7. Be careful! I must speak to you severely about cooking, steaming — preserving top flavor and sensitive food value of vegetables.
8. Be clever about serving molded creations for main courses (salmon mousse, turkey mousse, etc.) as a prepared-in-advance dish, beautiful to look at, tantalizing to appetites... Mold the accessories too — aspics, horse radish molds — pert, glamorous additions to your table.
9. Dramatize desserts, making the most delicious ones without hours of baking, giving the simplest ones the company look.

10. Become expert at that important finale, making good beverages — good coffee, good tea, good chocolate.
11. Make a meal a production. Remember your whole house is the setting for a party. Decorate your table with beautiful food, garnish the platters with edible vegetables, fruits or candies. Decorate the house a little in each room to make it say welcome to you.
12. Serve it buffet. You can manage one, using modern devices to make even the anti-buffet-service people enjoy yours.

Emily K. Murphy describes how to pack a suitcase with a model wearing separates designed for a capsule traveling wardrobe.

## Women's Club learns "How to pack a suitcase"

Some Plymouth women will pack lighter when they travel. About 300 women learned "how to pack a suitcase" at the Elk's Club Feb. 28.

The one-woman show with Emily K. Murphy commenting described how to arrive at the end of a trip without wrinkles, and then went on to show a capsule wardrobe for traveling.

The luncheon, fashion show and card party was sponsored by new members of the Women's Club with proceeds slated for national, state and local benefit.

One of the tips that Miss Murphy offered was how to pack a hat. She suggests one of the new scarf type hats or turbans because they are almost crush-proof. But, for packing a larger hat, she recommends a large plastic bag. Place the hat inside blow air into it, and fasten with a rubber band.

Belts are removed from dresses or skirts, fastened together, and placed along the front of the suitcase.

### Sandwich Makes a Meal

Big, beautiful sandwiches can serve as a full course luncheon or supper if they're hearty enough. Try this, for instance: as a base use a slice of large rye bread or pumpernickel. Top with lettuce or fresh spinach greens, then a slice of Swiss. Place "boiled" ham or several thin slices of baked ham right next to the cheese. Cover with twin slices of tomato, then sliced, hard-cooked eggs. Garnish with strips of crisp, cooked bacon. Pass with Thousand Island Dressing.

### Tasty Tidbit

For delectable pinwheel sandwiches, use this novel way with dried beef: shred finely 1 jar (5 ounces) dried beef. Add 1 package (8 ounces) cream cheese softened with 1/2 cup of half and half cream and 1 tablespoon mayonnaise. Fold in 1/2 cup finely chopped chutney. Spread filling on slices of white bread which have been rolled thin with a rolling pin. Roll as for jelly roll, chill thoroughly and then slice about 1/4-inch thick for "pinwheels."

Mr. and Mrs. Cornell Greaves

## Mr. and Mrs. Cornell Greaves celebrate golden anniversary

Celebrating their golden wedding anniversary, Mr. and Mrs. Cornell Greaves of Maple St., were honored by their children with an open house for about 75 guests.

The 50th wedding anniversary party was held Feb. 13 at the Plymouth Grange Hall from 1 p.m. to 4 p.m.

Luncheon was served by a daughter, Mrs. Myrtle Dean of Holly and Mrs. Don Perry. The three tier wedding cake was served by Mrs. Cornell Greaves, Jr., a daughter-in-law. A granddaughter, Mrs. John Merrills of North Branch, was in charge of the guest book.

Mr. and Mrs. Greaves have five children, Dr. Cornell

Greaves of North Branch; Mrs. Howard (Helen) Burbank of Texas; Mrs. Mary Randall of California; Mrs. Myrtle (Anna) Dean of Holly; and Mrs. Earl (Virginia) Buchanan of California. They have 14 grandchildren and 3 great-grandchildren.

The daughter from Texas and two daughters from California, who were unable to attend pleasantly surprised their parents by telephoning their congratulations.

The golden anniversary couple were married in Indianapolis, Ind. Feb. 12, 1916. They lived in Indiana seven years before coming to Michigan and have lived in their home on Maple St. for eight years.

## American Legion Auxiliary news

Passage-Gayde Post # 391 will hold their regular business meeting at 2 p.m. on Sunday, March 6, 1966. Post members are urged to attend.

Friday, March 11, 1966 at 8 p.m. will be the next 17th District meeting at Myron H. Beals Post Home in Livonia. Members are asked to come.

Wednesday, March 16, 1966 at 8 p.m. is the next business meeting of the Passage-Gayde Unit #391. Auxiliary members are urged to attend.

Saturday, March 19, 1966 is a "Why Are We" banquet. The guests are Presbyterian Men's Council and Presbyterian Women's Association. Dinner starts at 6:30 p.m., program 7:30 p.m. The public is invited at this time. At this banquet Passage-Gayde Post and Unit will be celebrating the American Legion's 47th birthday. Be sure to attend.

A senior from Northville High School, Micheal Turnbull, is the winner of the 17th District Oratorical Contest which was held Sunday, February 20. His 9 minute speech was entitled "Democracy in Action" the 4 minute extemporaneous speech was "Legislative Powers." Congratulations Mike.

Radio-Television Chairman of

Passage-Gayde Unit #391 Lillian Kinghorn announces that the American Legion Auxiliary is polling members in the annual "Golden Mike" contest. Members throughout the country will cast votes for their favorite radio and television programs this month.

"Their votes" she said, "will decide the winners of the Auxiliary's Golden Mike awards offered this year in three categories." Ballots have gone out to more than 800,000 senior members of the organization with the voting by mail to be completed by May 1, 1966. The three categories on which the Auxiliary members will vote this year are: 1. Best Family Entertainment Series. 2. Best Americanism Program. 3. Best Special Production. The winners will be announced at the Auxiliary's National Convention in Washington, D.C. next August.

Please Auxiliary members, clip your ballot out of the February issue of the National News magazine and submit it to Lillian Kinghorn, together they will be forwarded.

Auxiliary members that are not receiving the magazines National News and Wolverine Auxiliary, please contact President Mae Hoelscher.

Maximilian Schell masterminds the most perfect crime in Mirisch Corporation's J. Lee Thompson Penavision production "Return From the Ashes," starring Samantha Eggar, Ingrid Thulin and Herbert Lom. The United Artists release opens Friday, March 4 at the Plymouth Art Theatre.

Mrs. Robert Rosbolt of Linden St. and daughter, Janie, are planning the menu for the day while looking through a cookbook.

### Specialty of the house

#### Seafood Casserole Trio

Helen Rosbolt is the busy mother of three daughters, Jean, Judy, and Janie. She and her husband, Dr. Robert Rosbolt, love outdoor sports. In the winter, the family enjoys skiing in northern Michigan and ice skating at their Portage Lake cottage. Scuba diving and snorkeling are new summer hobbies that the family acquired while vacationing in the Caribbean last year. Mrs. Rosbolt says that her specialty of the house, Seafood Casserole Trio, is good party fare and originated from friends in Northern Maine.

**SEAFOOD CASSEROLE TRIO**  
1 pound cooked crabmeat and lobster combined  
1 pound cooked shrimp  
1/2 c. chopped green pepper  
1 1/2 c. finely chopped celery  
1 T. worcestershire sauce  
1 c. mayonnaise  
1/4 c. minced onion  
1/2 tsp. salt  
crushed potato chips

Mix all ingredients. Fill a 9 x 12 baking dish and cover with crushed potato chips. Sprinkle with paprika and bake at 400 degrees about 20 to 25 minutes. Serves 12.

### Amicia Manwaring married in Sedona, Arizona

Wayside Chapel in Sedona, Arizona was the setting for the wedding of Amicia Ier Manwaring and John Lawrence O'Sullivan Feb. 14.

The Valentine's Day wedding ceremony was performed by the Rev. W. G. Meengs at 3 p.m.

The bride's parents are Mrs. Clifford H. Manwaring of Auburn St. and the late Mr. Manwaring.

Mrs. Donald M. Woodside of Plymouth was matron of honor with James Austin acting as best man.

Parents of the bridegroom are

Mr. and Mrs. M. J. O'Sullivan of Smithers, British Columbia.

The bride was given in marriage by her brother, Capt. Oliver J. Manwaring.

A reception at Kings Ransom Inn, Sedona, Ariz. followed the ceremony.

The new Mrs. O'Sullivan is a graduate of Plymouth High School and her husband attended the University of Arizona and is employed by General Electric Corp. as a programmer.

The newlyweds will live at the bridegroom's ranch in British Columbia.

### Baby talk

Mr. and Mrs. N. C. Schrader III of Northville have announced the birth of their first child, Steven Nelson, Feb. 22 at St. Mary's Hospital in Livonia. The baby weighed 8 lbs. 3 oz. Maternal grandparents are Mr. and Mrs. Clarence Luchtman of Northville. Paternal grandparents are Mr. and Mrs. Nelson Schrader, Jr. of Northville.

We are sorry. We misspelled the name of Mr. and Mrs. Wesley Sims when they announced the birth of Duane Allen Feb. 14. Maternal grandparents are Mr. and Mrs. Hack. Paternal grandparents are Mr. and Mrs. Henry Sims of Koppernick St.

### Panbellenic meets

The Plymouth City Panbellenic will meet on March 7 at 12:30 p.m. in the home of Mrs. A. E. Vallier, 1338 Penniman Ave. Everyone who has been a member of a national sorority is cordially invited. Bring a sandwich and coffee, tea and cookies will be served. Reservations can be made by calling Johanna Vallier at 453-7063 or Sharon McCollough at 453-5185.

### Alpha Xi Delta Meets

The March meeting of the Alpha Xi Delta Alumnae Chapter of Western Wayne County will be held on March 8 at 7:15 p.m. Hostess for the evening will be Mrs. Jack Lane, 30800 Wentworth, Livonia. After a pizza party (donation of \$1.25 to go toward the philanthropy fund), toy and cosmetic bags will be made for the children at the Plymouth State Home. All alumnae in the area are invited to attend. Please call your reservation to Marion West, 453-7875 or Buff Detter, Gr. 4-9144.

### Bridal Shower

Judy Hirschlieb was honored with another bridal shower by her family, Feb. 17. Hostess for the occasion was Mrs. Gerald Simmons, a cousin. Guests attending were Mrs. Charles Hirschlieb, Mrs. William Hirschlieb, Mrs. John Duee, Mrs. Donald Hirschlieb, Mrs. Leroy Simmons, Mrs. Gerse Simmons, Mrs. Harold Hirschlieb, Mrs. Rose Carrington, Mrs. Fred Phillips, Mrs. Clark Hardy, Mrs. Fred Phillips Jr., Mrs. Clyde Phillips, Mrs. David Hardy, Mrs. Charles Carrington, Mrs. Columbus Wilkin, Jane Massarello, Ruth Carrington, and Mrs. Kenneth Hirschlieb.

### Jenkins married Fifty years

Celebrating their golden wedding anniversary, Mr. and Mrs. Paul S. Jenkins of Northville Rd., Plymouth, were honored by their sons and daughters-in-law Feb. 26.

A reception dinner for 90 was held at the Methodist Fellowship Hall in Northville from 3 to 6 p.m. Mr. Jenkins is retired from the Square D Company in Detroit. Their children are Mr. and Mrs. Clinton Jenkins of Detroit and Mr. and Mrs. Willis Jenkins of Rockford, Michigan. Seven grandsons attended the reception three of whom were home from college. The couple has one great-granddaughter.

Mrs. Joseph (Marjory) Scarpulla is receiving instructions from teacher, Eldon Zang. Mrs. Scarpulla started oil painting a year ago.

Mrs. Aurel (Fern) Ursa painted years ago but found little time for it until recently because of her young family. She now dons her husband's old shirts and borrows his fishing tackle box for oil paints to enjoy her hobby on Tuesday nights.

### Art Club mixes art and music

An unusual combination of music and art will be offered by the Three-Cities Art Club at an open meeting, March 8 in the auditorium of the Plymouth High School.

The musicians are talented teenagers who play with the Junior Symphony under the leadership of Michael Endres, teacher of music in the Plymouth Schools.

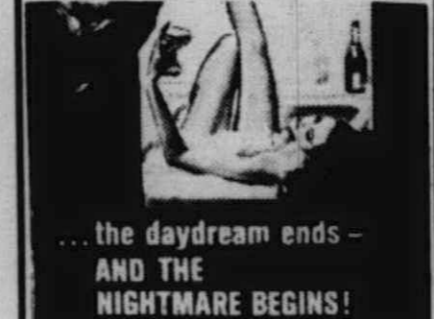

Three-Cities members will present an exhibit of their own works in conjunction with the Junior Symphony and a discussion period in which visitors can talk about art with the artists present will follow the concert.

The public is cordially invited to attend the program which is expected to last from 8 to 10 o'clock.

### RUMMAGE SALE

A rummage sale will be held at the Grange Hall March 5 between 9 a.m. and 6 p.m. Donations will be picked up by calling GL 3-7323 or GL 3-0977.

### ADULT EDUCATION

### Tackle box ideal for oils

Adult education classes in Plymouth are numerous and varied. Each week The Plymouth Mail will attempt to visit one of them to show what interested and interesting people are learning.

We visited a class at Jr. High West Tuesday night and found 20 students of all ages and walks of life who have one interest in common - oil painting. Their teacher is Eldon Zang. Some have been painting for years. For others, art is a newly found hobby. Mr. Zang has another class of 20 which meets on Thursday night.

### DELTA GAMMA SOR.

Mary F. Yost, daughter of Mr. and Mrs. Peter F. Yost, 709 Fairground, was recently activated into Delta Gamma sorority at Albion College where she is a sophomore. Mary is a 1964 graduate of Plymouth High School.

### SENIOR CITIZENS

Senior Citizens will meet at the Masonic Temple March 3 at 12:30 p.m. Host and hostess for the month of March are Mr. and Mrs. Forest McDonald. Chairman for refreshments is Mrs. Agnes Rowlands.

Anyone interested in becoming a member of Senior Citizens is urged to attend the meeting.

ACCLAIMED actress - Anne Bancroft, an Academy Award winner combines talents with another Oscar holder, Sidney Poitier, in "The Slender Thread" a Paramount Picture showing March 2 - 8 at the Penn Theatre. Produced by Stephen Alexander and directed by Sydney Pollack, the film probes the often tabooed and unspoken subject of suicide.

# Charter Township of Canton Board Proceedings

A special meeting of the board of the Charter Township of Canton, County of Wayne, State of Michigan, was held on Tuesday, February 22, 1966 at 8:00 p.m.

Meeting was called to order by Supervisor Dingeldey.  
Members present: Dingeldey, Truesdell, Schultz, Palmer, Hix, Holleyoak, Flodin.

Members absent: none.  
Moved by Flodin and supported by Holleyoak and unanimously carried that the board request the liquor control commission give favorable consideration to the application of Fellows Creek Golf Course for a resort liquor license.

Moved by Holleyoak and supported by Hix and unanimously carried that the township pay Philip Gixti, 2003 Haggerty Road, Plymouth, Michigan, \$92.10 and Mrs. Donald E. Foust, 6080 Lotz Rd., Plymouth, Michigan, \$18.65 for damage done to their rabbits by dogs.

The 1966-1967 Water Department Budget was discussed at length. Moved by Truesdell and supported by Schultz that Township pay expenses of Richard Palmer and Thomas Alexy to planning commission seminar at Hillsdale College.

Moved by Hix and supported by Palmer and unanimously carried to adjourn.

John W. Flodin, Clerk  
Philip Dingeldey, Supervisor

A regular meeting of the board of the Charter Township of Canton, County of Wayne, state of Michigan, was held Tuesday, February 8, 1966 at 8:00 p.m.

Meeting was called to order by Supervisor Dingeldey.  
Members present: Dingeldey, Flodin, Truesdell, Schultz, Palmer, Hix, Holleyoak.

Moved by Hix and supported by Holleyoak and unanimously carried that the minutes of January 11, 1966 be approved as read.

Moved by Schultz and supported by Palmer and unanimously carried that the Treasurers report be approved as read.

Moved by Truesdell and supported by Schultz and unanimously carried that the township board extend the approval given to the Canton condominium plan.

Moved by Palmer and supported by Flodin and unanimously carried that the Township request a legal opinion on the operation of a used car lot by Steve Agdony on Ford Road, east of Beck Road, and note that Mr. Agdony stated the building has been vacated for six months.

Moved by Holleyoak and supported by Schultz and unanimously carried the following resolution be adopted:

WHEREAS, it is desirable and beneficial to this Township that our unpaved streets be treated with dust preventative; and

WHEREAS, the Wayne County Road Commission by law has jurisdiction over these roads and has control of the maintenance of the same.

BE IT RESOLVED that the Township of Canton shall enter into a contract with and pay the Wayne County Road Commission to apply a dust palliative to the unpaved streets of this Township and that the Township Supervisor and the Township Clerk shall be authorized to sign such contract on behalf of the Township.

BE IT FURTHER RESOLVED that Philip Dingeldey is designated as the representative of the Township for purposes of ordering when and to which streets applications of this dust palliative should be made.

Moved by Palmer and supported by Truesdell and unanimously carried that the township board take no action on the suggestions of Parkins Rogers relative to applications for zoning changes.

Moved by Holleyoak and supported by Hix and unanimously carried that the township board approve the appointment of the supervisor of Henry Holleyoak to the office of fire commissioner, Elmer Schultz, of Ralph Burch and J. D. Clark to the board of review, Perry Hix to the zoning board of appeals.

Moved by Flodin and supported by Palmer and unanimously carried that the township board approve the appointment of the supervisor

Moved by Hix and supported by Holleyoak and unanimously carried that Edwin M. Orr, Inc. be paid \$9,381.23 for engineering services and inspection of Holiday Park Subdivision #2 and \$8,995.18 for engineering services and inspection on Holiday Park Subdivision #2.

Moved by Holleyoak and supported by Truesdell and unanimously carried that Edwin M. Orr, Inc. be paid \$2,008.74 for their services in staking, supervision and construction and inspection of the Joy Road, Haggerty, Koppernick and Yost Road water line extensions.

The following ordinance was introduced by Holleyoak.

An ORDINANCE establishing minimum standards governing the condition and maintenance of residential dwellings; establishing minimum standards governing supplied utilities and facilities and other physical things and conditions essential to make dwellings safe, sanitary, and fit for human habitation; determining acceptable occupancy of space; establishing minimum standards governing the condition of dwellings offered for rent; fixing certain responsibilities and duties of owners and occupants of dwellings; authorizing the inspection of dwellings, and the condemnation of dwellings unfit for human habitation; providing for the issuance of permits and collection of fees therefor; and fixing penalties for violations of its provisions.

WHEREAS, There are or may be in the Municipality dwelling structures which are so dilapidated, unsafe, dangerous, unhygienic, or unsanitary, or otherwise substandard in one or more important features of structure, equipment, facility, maintenance or occupancy as to constitute a menace and detriment to the health, safety and general welfare of the people of this Municipality; and

WHEREAS, Such dwelling structures are a principal cause of deterioration and blight in residential areas; and

WHEREAS, the owner and occupants of dwelling structures have certain responsibilities to prevent the blighting of residential areas and the bylaws they create for the Municipality at large; and

WHEREAS, A Housing Code is essential to establish these responsibilities and to set minimum housing standards adequate to protect public health, safety and general welfare and to hold the spread of blight;

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CHARTER TWP OF CANTON, as follows:

## SECTION 1. TITLE AND SCOPE

1.1 Title. This ordinance shall be known as the "Housing Code", may be cited as such, and will be referred to herein as "this Code".

1.2 Purpose. The purpose of this Code is to provide minimum requirements for the protection of health, safety, and welfare of the general public and the owners and occupants of residential buildings.

## SECTION 2. DEFINITIONS

2.0 General. For the purpose of this Code, certain abbreviations, terms, phrases, words, and their derivatives shall be construed as specified in the Section. Words used in the singular include the plural and the plural the singular. Words used in the masculine gender include the feminine, and the feminine the masculine. The word "shall" is always mandatory and not merely directory. Where terms are not defined, they shall have their ordinarily accepted meanings or such as the context may imply.

2.1 APARTMENT shall mean a dwelling unit as defined in this code.

2.2 APARTMENT HOUSE is any building or portion thereof, which is designed, built, rented, leased, let, or hired out to be occupied, or which is occupied as the home or residence of three or more families living independently of each other in dwelling units as defined in this Code.

2.3 APPROVED shall mean constructed, installed and maintained in accordance with the provisions of this Code and other pertinent ordinances of the Municipality and with the rules and regulations adopted pursuant thereto.

2.4 BASEMENT is that portion of a building located partly underground but having less than half its clear floor-to-ceiling height below the average natural level of the adjoining ground.

2.5 BOARDING HOUSE is a lodging house in which meals are provided.

2.6 BUILDING INSPECTOR is the Building Inspector of this Municipality.

2.7 CEILING HEIGHT shall be the clear vertical distance from the finished floor to the finished ceiling.

2.8 CELLAR is that portion of a building located partly or wholly underground and having half or more than half of its clear floor-to-ceiling height below the average natural level of the adjoining ground.

2.9 DWELLING is any building or structure, except temporary housing, as herein defined, which is wholly or partly used or intended to be used for living or sleeping by human occupants.

2.10 DWELLING UNIT is a room or a group of rooms located within a dwelling and forming a single habitable unit with facilities which are used or intended to be used for living, sleeping, cooking and eating.

2.11 EXIT is a continuous and unobstructed means of egress to a public way, and shall include intervening doorways, corridors, ramps, stairways, smokeproof enclosures, horizontal exits, exterior courts, and yards.

2.12 EXTERMINATION shall mean the control and elimination of insects, rodents, or other pests by eliminating their harborage places, by removing or making inaccessible materials that may serve as

their food; by poisoning, spraying, fumigating, trapping or by any other recognized and legal pest eliminative methods approved by the Building Inspector.

2.13 FLOOR AREA shall mean the net floor area within the enclosing walls of the room excluding built-in equipment such as wardrobes, cabinets, kitchen units, or fixtures.

2.14 GARBAGE shall mean the animal and vegetable waste resulting from the handling, preparation, cooking and consumption of food.

2.15 GUEST ROOM is any room or rooms used, or intended to be used by a guest for sleeping purposes.

2.16 HABITABLE ROOM shall mean a room or enclosed floor space used or intended to be used for living, sleeping, cooking or eating purposes, excluding bathrooms, water closet compartments, laundries, pantries, foyers, communicating corridors, stairways, closets, unfinished attics, cellars, basement recreation rooms, private workshops or hobby rooms, utility rooms, and storage spaces.

2.17 INFESTATION shall mean the presence, within or around a dwelling, of any insects, rodents, or other pests.

2.18 MULTIPLE DWELLING shall mean any dwelling containing three or more dwelling units.

2.19 MUNICIPALITY is any city, village, or township.

2.20 NUISANCE. The following shall be defined as nuisances:  
(a) Any public nuisance known at common law or in equity jurisprudence.

(b) Any attractive nuisance which may prove detrimental to children whether in a building, or upon an unoccupied lot. This includes any abandoned wells, shafts, basements, or excavations; abandoned refrigerators and motor vehicles; or any structurally unsound fences, debris, or vegetation which may prove hazard for inquisitive minors.

(c) Whatever is dangerous to human life or is detrimental to health.

(d) Overcrowding a room with occupants.

(e) Insufficient ventilation or illumination.

(f) Inadequate or insanitary sewerage or plumbing facilities.

(g) Uncleanliness.

(h) Whatever renders air, food, or drink unwholesome or detrimental to the health of human beings.

2.21 OCCUPANT shall mean any person including an owner or operator living, sleeping, cooking, or eating in, or having actual possession of, a dwelling unit or rooming unit.

2.22 OPENABLE AREA shall mean that part of a window or door which is available for unobstructed ventilation and which opens directly to the outdoors.

2.23 OPERATOR shall mean any person who has charge, care, or control of a building, or part thereof, in which dwelling units or rooming units are let.

2.24 OWNER shall mean any person who, alone or jointly or severally with others:

(a) Shall have legal title to any dwelling or dwelling unit, as owner or agent of the owner, or as executor, executrix, administrator, administratrix, trustee, or guardian of the estate of the owner. Any such person thus representing the actual owner shall be bound to comply with the provisions of this Code, and of rules and regulations adopted pursuant thereto, to the same extent as if he were the owner.

2.25 PERSON shall mean and include any individual, firm, corporation, association, or partnership.

2.26 PLUMBING shall mean and include all of the following supplied facilities and equipment: gas pipes, gas-burning equipment, water pipes, garbage disposal units, waste pipes, water closets, sinks, installed dishwashers, lavatories, bath tubs, shower baths, installed cloth-washing machines, catch basins, drains, vents, storm drains, and any other similar supplied fixtures, together with all connections to water, sewer, or gas lines.

2.27 PREMISES shall mean a lot, plot, or parcel of land including the buildings and structures thereon.

2.28 ROOMING HOUSE shall mean any dwelling, or that part thereof containing one or more rooming units, in which space is let by the owner or operator to three or more persons who are not husband or wife, son or daughter, mother or father, or sister or brother to the owner or operator.

2.29 ROOMING UNIT shall mean any rooms or group of rooms forming a single habitable unit used or intended to be used for living and sleeping, but not for cooking or eating purposes.

2.30 RUBBISH shall mean all waste materials except garbage; and the term shall include the residue from the burning of wood, coal, coke, and other combustible material, paper, rags, cartons, boxes, excelsior, rubber, leather, tree branches, yard trimmings, tin cans, metals, mineral matter, glass, crockery, and dust.

2.31 SINGLE-FAMILY DWELLING shall mean any dwelling containing one dwelling unit.

2.32 SUBSTANDARD BUILDING (see Section 12)

2.34 UNFIT DWELLING. Any dwelling, dwelling unit, rooming house or rooming unit, in whole or in part, which shall be found to have any of the following defects shall be deemed to be unfit for human habitation:

(a) One which is so damaged, decayed, dilapidated, insanitary, unsafe, or vermin-infested that it creates a serious hazard to the health or safety of the occupants or to the public.

(b) One which lacks light, ventilation, or sanitation facilities adequate to protect the health or safety of the occupants or of the public as prescribed by the provisions of this Code.

(c) One which because of its general condition or location is insanitary, or otherwise dangerous to the health or safety of the occupants or of the public.

## SECTION 3. ENFORCEMENT

3.1 AUTHORITY. The Building Inspector is hereby authorized and directed to administer and enforce all of the provisions of this Code.

3.2 RIGHT OF ENTRY. Upon presentation of proper credentials, the Building Inspector and/or his duly authorized representatives may enter any dwelling, dwelling unit, rooming unit or premises at all reasonable times, and at any time in an emergency, for the purpose of determining whether such dwelling, dwelling unit, rooming unit or premises complies with the provisions of this Code. The owner, operator, or occupant of any dwelling, dwelling unit or rooming unit shall give the Building Inspector or his agent free access to such dwelling, dwelling unit or rooming unit and its premises for the purpose of such inspection. The occupant of any dwelling, dwelling unit or rooming unit shall give the owner, or his agent, access to any part of such dwelling, dwelling unit, rooming unit or its premises at all reasonable times, and any time in an emergency, for the purpose of making repairs or alterations in order to comply with the provisions of this Code.

3.3 NOTICE OF VIOLATION. Whenever the Building Inspector determines that there exists a violation of any provision of this Code or of any rule or regulation adopted pursuant thereto, he shall give notice of such violation to the person or persons responsible therefor and order compliance. Such notice and order shall:

(a) Be in writing.

(b) Include a list of violations referring to the sections of the Code violated.

(c) Contain an outline of remedial action which, if taken will effect compliance with the provisions of this Code;

(d) Set a reasonable time, not to exceed 90 days in any event, for compliance;

(e) Advise the owner or occupant of the procedure for appeal;

(f) Be served upon the owner, his agent, or the operator, or occupant by delivering the same at his residence, office or place of business with some person of suitable age and discretion who shall be informed of the contents thereof, or by mailing a copy thereof by certified mail to his last known address, or if the person to be served is unknown, by posting said notice in some conspicuous place on the premises.

(g) If necessary, and anything herein to the contrary notwithstanding, also require the dwelling or portion thereof to be vacated forthwith and not reoccupied until the required repairs and improvements are completed, inspected and approved by the Building Inspector.

3.4 DUPLICATE NOTICE OF VIOLATION. Whenever the owner, his agent or the operator of a dwelling is notified by the Building Inspector or a violation for which he is responsible, a copy of the notice of violation shall also be posted on the premises, delivered or sent by regular mail to the occupants of the dwelling; and whenever an occupant is notified by the Building Inspector of a violation for which he is responsible, a copy of the notice of violation shall also be delivered, or sent by regular mail, to the owner of the dwelling. Failure to send such duplicate notice of violation, however, shall not affect the validity of any proceedings against the owner or occupant.

3.5 APPEALS. Any person served with a notice of violation or order which has been issued in connection with the enforcement of this Code may request and shall be granted a hearing on the matter before the Building Board of Appeals, provided that such a person shall file in the office of the Building Inspector a written petition requesting such hearing and setting forth the name, address and phone number of the petitioner and a brief statement of the grounds

for such hearing. Petition shall be filed within 10 days after the day the notice of violation and order is served and shall be accompanied by a fee of \$10.00 to cover the Municipality's cost of handling the appeal. Upon receipt of such a petition, the Building Inspector shall set a date, not to exceed 30 days, for a hearing before the Building Board of Appeals and shall give the petitioner written notice thereof. If the violator does not appear for the hearing, the provisions of this Code shall be enforced.

3.6 DECISIONS. After the hearing the Building Board of Appeals shall sustain, modify or withdraw the notice of violation and order depending upon its findings. If it clearly appears that, by reason of special conditions, undue hardship would result from the strict application of any section of this Code, the Board may permit a variance from the mandatory provisions thereof in such a manner that the public safety shall be secured, substantial justice done and the spirit of the provisions of this Code upheld.

3.7 ORDERS TO CONDEMN. Any dwelling, rooming house, hotel, motel or other structure covered by the provisions of this Code may be condemned as unfit for human habitation by the Building Inspector if the owner, operator or occupant fails to comply with any provision of this Code.

3.8 ORDERS TO VACATE. Where a notice of violation and order to comply has been served pursuant to Subsection 3.3 and upon reinspection at the end of the time specified for compliance, it is found that the violation or violations have not been corrected and if no petition for a hearing before the Building Board of Appeals is pending, the Building Inspector may order the dwelling, or the parts thereof affected by the continued violations, vacated in accordance with the following procedures:

(a) Dwellings or parts thereof shall be vacated within a reasonable time not to exceed 60 days.

(b) No owner or operator shall let any person occupy a dwelling or dwelling unit which has been condemned and posted after the time allowed by the Building Inspector for vacating.

(c) Vacated dwellings shall have all outer doors and windows barricaded to prevent entry.

(d) Vacated dwellings shall have posted at each entrance a sign to read "DO NOT ENTER. UNSAFE TO OCCUPY".

(e) Vacated dwellings or parts thereof shall not again be used for human habitation until all violations have been corrected and written determination is obtained from, and such notice or placard is removed by, the Building Inspector indicating that the dwelling complies with this Code.

(f) If a dwelling or part thereof is not vacated within the time specified in the vacation order, the Building Inspector may cause the owner of the dwelling prosecuted as a violator of the provisions of this Code, and may cause the order to vacate to be carried out at the expense of the Municipality. A statement of cost of such work shall be transmitted to the Governing Body who shall cause the cost to be paid and levied as a special assessment against the property.

3.9 NON-COMPLIANCE. In case the owner shall fail, neglect or refuse to comply with the notice and order to repair, improve, rehabilitate, or demolish and remove the condemned dwelling or portion thereof, the Building Inspector may cause the owner of the dwelling prosecuted as a violator of the provisions of this Code, and may cause to proceed with the work specified in such notice at the expense of the Municipality. A statement of the cost of such work shall be transmitted to the Governing Body, who shall cause the same to be paid and levied as a special assessment against the property.

3.10 RIGHT TO DEMOLISH. The Building Inspector may cause any vacant building or structure to be demolished and removed at the expense of the Municipality after violation notices and orders for condemnation in a manner provided in Subsections 3.3, 3.7, and 3.8, when these buildings or structures constitute an immediate menace to public health, safety or welfare. A statement of the cost of such work shall be transmitted to the Governing Body, who shall cause the same to be paid and levied as a special assessment against the property.

3.11 UNAUTHORIZED REMOVAL OF NOTICE OR PLACARD. No person shall interfere with, obstruct, mutilate, deface, or remove the official notice or placard from any dwelling or dwelling unit.

3.12 COSTS. Costs incurred under Subsections 3.8 (f), 3.9, and 3.10 shall be paid out of the Municipality Treasury. Such costs shall be charged to the owner of the premises involved as a special assessment on the land on which the building or structure is located, and shall be collected in the manner provided for special assessments.

## SECTION 4. MINIMUM STANDARDS FOR BASIC EQUIPMENT AND FACILITIES

4.0 No person shall occupy as owner-occupant or shall let to another for occupancy any dwelling or dwelling unit, for the purpose of living, sleeping, cooking, or eating therein, which does not comply with the following requirements:

4.1 Kitchen Sink. Every dwelling unit shall contain a room or space for the storage, preparation, and cooking of food, which shall include a kitchen sink installed. The sink shall be of non-absorbent material, in good working condition and properly connected to hot and cold running water system under pressure and sewer system, which sink and kitchen sink installed. The sink shall be of non-absorbent material, in good working condition and properly connected to hot and cold running water system under pressure and sewer system, which sink and systems shall be installed and maintained in a manner prescribed by ordinance, rules and regulations of the Municipality.

4.2 Lavatory Facilities. Every dwelling unit shall be equipped with a complete bathroom group consisting of a flush water closet, lavatory basin, and bathtub or shower in good working condition and installed and maintained in a manner prescribed by ordinances, rules and regulations of the Municipality. Said fixture group shall be properly connected to an approved sewer system and to an approved hot and cold running water system under pressure, except that the flush water closet shall be connected to an approved sewer system and to an approved cold running water system under pressure.

4.3 Laundry Facilities. Every dwelling unit shall be provided with laundry trays or equipment in either of the following locations:  
(a) Within each living unit having one (1) or more bedrooms and located in the kitchen or other suitable service space, or

(b) In basement cellar or other suitable public space within the building for use of all occupants.

4.4 Rubbish Storage and Garbage Disposal. Every dwelling unit shall have adequate rubbish and garbage storage containers in which to place the garbage and rubbish produced therein. The containers shall consist of watertight cans, not more than 20 gallons in capacity, equipped with adequate handles. In lieu of a garbage container, a dwelling unit may be equipped with an incinerator provided it is properly vented into the chimney of the Building and is capable of reducing an objectionable odor in the neighborhood; or a garbage disposal unit connected with an integral part of the sewerage system of the building and capable of reducing all garbage deposited therein to particles no greater than one-half inch in any dimension.

4.5 Water-Heating Facilities. Every dwelling unit shall have supplied water-heating facilities which are properly installed, maintained in safe and good working condition, properly connected with hot water lines required under Subsection 4.1 and 4.2 of this Code, and are capable of heating water to such a temperature as to permit an adequate amount of water to be drawn at every required kitchen sink, lavatory basin, bathtub or shower at a temperature of not less than 120 degrees F. even when the heating facilities required by this Code are not in operation.

4.6 Rooming House - Additional Sanitary Standards. (See Section 10, Rooming Houses and Hotels.)

## SECTION 5. MINIMUM STANDARDS FOR LIGHT, VENTILATION AND HEATING

5.0 No person shall occupy as owner-occupant or let to another for occupancy any dwelling, rooming house, dwelling unit, or rooming unit which does not comply with the following minimum standards for ventilation, light and heating:

5.1 Windows. Every habitable room shall have at least one window facing directly to the outdoors. The minimum total window area for every habitable room shall be not less than one-eighth of the floor area of such room nor less than 12 square feet whichever is greater. Wherever walls or other portions of structures face a window of any such room and such light-obstruction structures are located less than 3 feet from the window and extend to a level above that of the ceiling of the room, such a window shall not be deemed to face directly to the outdoors and shall not be included as contributing to the required minimum total window area. Whenever the only window in a room is a skylight type window in the top of such room, the total window area of such skylight shall equal at least 15 per cent of the total floor area of such room.

5.2 Electric Lighting. Every habitable room shall contain at least two separate floor or wall-type electric convenience outlets, or one such convenience outlet and one supplied ceiling type electric light fixture, and every bathroom, water closet compartment, laundry room, furnace room and public hall shall contain at least one supplied ceiling or wall-type electric light fixture. Every such

outlet and fixture shall be in working condition and installed in accordance with the requirements of the Municipality Electric Code. All electrical requirements shall comply with the national electrical code.

5.3 Lighting of Public Halls. Every public hall and stairway in every multiple dwelling and rooming house shall be adequately lighted with lighting facilities sufficient to provide at least 1 foot candle of light at the floor or stair tread level at all times. Every public hall and stairway in a structure containing not more than four dwelling units may be supplied with conveniently located light switches controlling an adequate lighting system which may be turned on when needed instead of full-time lighting.

5.4 Lighting of Bathrooms. Every bathroom and water closet compartment shall conform to the lighting requirements for habitable rooms.

5.5 Ventilation. Every habitable room shall have at least one window or skylight opening directly to the outdoors which can easily be opened, or such other device as will adequately ventilate the room. The total of openable window area in every habitable room shall be equal to one-half of the minimum total window area required in Subsection 5.1, except where there is supplied some other device affording adequate ventilation and in accordance with the Municipality Heating Ordinance.

5.6 Ventilation of Bathrooms. Every bathroom and water closet compartment shall comply with the light and ventilation requirements for habitable rooms contained in Subsection 5.1, 5.2, and 5.5, except where the bathroom or water closet compartment is adequately ventilated by a ventilation system which is kept in continuous or automatic operation and in accordance with the Municipality Heating Ordinance.

5.7 Screening. Every door opening directly from a dwelling unit to outdoor space shall have supplied screens and a self-closing device, and every window or other device with openings to outdoor space, used or intended to be used for ventilation shall likewise be supplied with screens. Screens shall be in place by June 1 of each year and shall not be removed before October 1. Screens shall not be less than number 16 wire mesh.

5.8 Screens on Basement Windows. Every basement or cellar window used for or intended to be used for ventilation, and every other opening to a basement which might provide an entry for rodents, shall be supplied with a screen or such other device as will effectively prevent their entrance.

5.9 Heating. Every dwelling shall have heating facilities which are properly installed, maintained in good working condition and are capable of safely and adequately heating all habitable rooms, bathrooms and water closet compartments in every dwelling unit located therein to a temperature of at least 68 degrees F. at a distance of 3 feet above floor level, when the outside temperature is 10 degrees F. Such facilities shall be installed and maintained in a safe condition and in accordance with the Municipality Heating Code and all other applicable laws. No unvented or open flame gas heater shall be permitted. All heating devices or appliances shall be of an approved type.

## SECTION 6. MINIMUM SPACE, USE AND LOCATION REQUIREMENTS

6.0 No person shall occupy or let to another for occupancy any dwelling or dwelling unit, for the purpose of living therein, which does not comply with the following minimum standards for space, location and occupancy:

6.1 Size of Dwelling Unit. Every dwelling unit shall contain at least 150 square feet of floor space for the first occupant thereof and at least 100 additional square feet of floor space for every additional occupant thereof, the floor space to be calculated on the basis of total habitable room area.

6.2 Size of Rooms. In every dwelling unit every room shall contain at least 80 square feet of floor area, except that kitchens, kitchenettes and dinettes may be 60 square feet in area. In every dwelling unit of two or more rooms, every room occupied for sleeping purposes by one occupant shall contain at least 80 square feet of floor space and every room occupied for sleeping purposes by more than one occupant shall contain at least 50 square feet of floor space for each occupant thereof. Every room used as a living room shall have a minimum dimension of not less than 10 feet. Every other habitable room, except a kitchen, shall have a minimum dimension of not less than 8 feet.

6.3 Ceiling Height. At least one-half of the floor area of every habitable room shall have a ceiling height of at least 8 feet. The floor area of that part of any room where the ceiling height is less than 5 feet or when the room width is less than 8 feet shall not be considered in computing the usable floor area of the room for the purpose of determining the maximum permissible occupancy thereof.

6.4 Privacy. Access to all rooms of a dwelling unit shall be provided without passing through a public corridor or passageway. Access to every living room and to every bedroom shall be had without passing through a bedroom or through a room containing a water closet. In a one and two family dwelling, the provisions of this section shall not apply to a sleeping porch, sun parlor, solarium or any other enclosed outside porch adjacent to and entered by way of a bedroom.

6.5 Cellars. No cellar space shall be used as a habitable room or dwelling unit; provided, however, that this Subsection shall not prohibit a recreation room in a cellar as long as it is not used for sleeping purposes. Such room cannot be used in computing the total floor area of the dwelling for the purpose of determining the maximum permissible occupancy thereof. If ceiling is 5' above grade it is considered a room.

6.6 Basements. No basement shall be used for living purposes unless:

(a) The floor and walls are substantially water tight;

(b) The total window area, total openable area and ceiling height are in accordance with Subsections 5.1, 5.5, 6.3, and 7.3 of this Ordinance.

(c) The required minimum window area of every habitable room is entirely above natural grade of the ground adjoining such window area, not including stairwells or access ways.

6.7 Kitchen. Use of Jointly by More Than One Family Prohibited. No kitchen or cooking accommodations shall be permitted or maintained in any room or space of any building for the common or joint use of the individual occupants of a two-family or multiple family dwelling.

6.8 Prohibited Uses. The housing and care of riding horses or ponies are permitted when they are used for private use only. Two (2) horses or ponies are allowed for a minimum lot area of two and one-half (2 1/2) acres, and an additional one (1) acre is required for each additional horse or pony. Provided, that suitable fences, to contain horses or ponies, is erected and maintained and stables shall be kept clean and manures and stable refuse shall be treated and handled in such a manner so as to control flies and shall be suitably

# Charter Township of Canton Board Proceedings

★ Continued from page 6

shall be capable of supporting the load which normal use may cause to be placed thereon.

7.2 Floors, Interior Walls and Ceiling. Every floor, interior wall and ceiling shall be substantially rodent proof; shall be kept in sound condition and good repair; and shall be safe to use and capable of supporting the load which normal use may cause to be placed thereon.

7.3 Windows, Exterior Doors and Basement Hatchways. Every window, exterior door and basement or cellar door and hatchway shall be weathertight, watertight, and rodent proof; and shall be kept in sound working condition and good repair.

7.4 Stairways and Porches. Every inside and outside stair, porch, and any appurtenance thereto shall be safe to use and capable of supporting the load that normal use may cause to be placed thereon; and shall be kept in sound condition and good repair.

7.5 Plumbing Fixtures. Every plumbing fixture and water and waste pipe shall be properly installed and maintained in good sanitary working condition, free from defects, leaks, and obstructions and in accordance with the Plumbing Code.

7.6 Bathroom and Kitchen Floor Surfaces. Every water closet compartment floor surface, bathroom floor surface, and kitchen floor surface shall be constructed and maintained so as to be substantially impervious to water and so as to permit such floor to be easily kept in a clean and sanitary condition.

7.7 Drains. All rain water shall be so drained and conveyed from every roof so as not to cause dampness in the walls, ceiling or floors of any habitable room, or of any bathroom or water closet compartment.

7.8 Exterior Wood Surfaces. All exterior wood surfaces shall be adequately protected from water seepage and against deterioration with a paint covering or some other suitable material.

7.9 Walls, Ceilings and Interior Woodwork. All walls, ceilings, interior woodwork, doors and windows shall be kept free from flaking, peeling or loose wall paper, paint, or similar material.

7.10 Maintenance of Required Equipment and Utilities. Every supplied facility, piece of equipment or utility which is required under this Ordinance, and every chimney and smokepipe, shall be so constructed and installed that it will function safely and effectively, and shall be maintained in sound working condition.

7.11 Cooking Equipment. No owner, operator or occupant shall furnish or use any cooking equipment which does not comply with the following minimum standards:

- (a) Every piece of cooking equipment shall be so constructed and installed that it will function safely and effectively and shall be maintained in sound working condition.
- (b) Portable cooking equipment employing flame and cooking equipment using gasoline or kerosene as fuel for cooking are prohibited.

7.12 Removal of Service, Facility, Utility or Equipment. No owner, operator, or occupant shall cause any service, facility, equipment, or utility which is required under this Ordinance to be removed from or shut off from or discontinued for any occupied dwelling let or occupied by him, except for such temporary interruption as may be necessary which actual repairs or alterations are in process, or during temporary emergencies when discontinuance of service is approved by the Building Inspector.

7.13 Occupancy of Vacant Dwelling. No owner shall occupy or let to any other occupant any vacant dwelling unit unless it is clean, sanitary, and fit for human occupancy.

7.14 Non-Dwelling Structures and Fences. Every non-dwelling structure and fence shall be properly maintained and kept in good repair or shall be removed.

### SECTION 8. EGRESS

8.1 Every dwelling unit or guest room shall have access directly to the outside or to a public corridor. For each dwelling unit of every multiple dwelling above the first story there shall be access to 2 separate usable, unobstructed means of egress either of which is accessible without passing through the other, and every exit from such dwelling units shall lead to a public thoroughfare either directly or through a court or yard.

### SECTION 9. RESPONSIBILITIES OF OWNERS, OPERATORS AND OCCUPANTS

9.0 The following responsibilities of owners, operators, and occupants are in addition to those specified elsewhere throughout this Code:

9.1 Public Areas. Every owner or operator of a dwelling containing more than two dwelling units or rooming house shall be responsible for maintaining in a clean and sanitary condition the shared or public areas of the dwelling and premises thereof. In all other cases it shall be the responsibility of the occupant.

9.2 Dwelling Unit. Every occupant of a dwelling, dwelling unit or rooming unit shall maintain in a clean and sanitary condition that part of the dwelling, dwelling unit and premises which he occupies and controls.

9.3 Supplied Facilities. Every occupant of a dwelling unit shall keep all supplied facilities, including plumbing fixtures and cooking equipment in a clean and sanitary condition and shall be responsible for the exercise of reasonable care in their proper use and operation.

9.4 Removal of Waste Matter. Every occupant of a dwelling unit shall dispose of all his rubbish, ashes, garbage, and other organic waste, which might provide food for rodents, in a clean and sanitary manner by placing it in garbage disposal facilities, or garbage storage containers or rubbish containers, required in Subsection 4.4 of this Code. Every occupant shall provide such facilities for and within his dwelling unit and shall maintain them in a clean and sanitary manner. The owner or operator of a dwelling containing more than two dwelling units shall be responsible for the clean and sanitary maintenance of common storage or disposal facilities. He shall be responsible further for placing out for collection of all common garbage and rubbish containers, except where such facilities are for the sole use of an occupant, under which circumstances it shall be the responsibility of the occupant to place these containers out for collection. Every owner or operator of every rooming house shall dispose of all rubbish in a clean and sanitary manner by placing it in storage or disposal facilities required by Subsection 4.4.

9.5 Screens. Every owner or operator of a dwelling unit containing more than two dwelling units shall be responsible for hanging and removing all supplied screens, screen doors or windows. In all other cases, it shall be the responsibility of the occupant.

9.6 Extermination of Pests. Every occupant of a dwelling containing a single dwelling unit shall be responsible for the extermination of any insects, rodents or other pests therein or on the premises. Every occupant of a dwelling containing more than one dwelling unit shall be responsible for such extermination whenever his dwelling unit is the only one infested. When, however, infestation is caused by failure of the owner or operator to maintain a dwelling in a rodent proof or substantially insect-proof condition, extermination shall be the responsibility of the owner or operator. Whenever infestation exists in two or more of the dwelling units in any dwelling or in the shared or public parts of any dwelling containing two or more dwelling units, extermination shall be the responsibility of the owner or operator. Every owner or operator of a rooming house shall be responsible for the extermination of any insects, rodents or other pests therein or on the premises.

9.7 Notice of Maximum Occupancy. Every owner or operator shall advise the occupant in writing either by insertion in the lease between the parties or otherwise of the maximum number of occupants permitted in the occupied premises under this Code.

### SECTION 10. ROOMING HOUSES AND HOTELS

10.0 No person shall operate a rooming house or hotel, or shall occupy or let to another for occupancy any rooming unit in any rooming house or hotel, except in accordance with the provisions of every section of this Code.

10.1 Basic Equipment. Every rooming house or hotel shall be equipped with at least one flush water closet, one lavatory basin and one bathtub or shower, properly connected to a water and sewer system approved by the Building Inspector and in good working condition. These facilities shall be supplied for each 6 persons or fraction thereof residing within a rooming house or hotel, including members of the operator's family if they share the use of the facilities. In any rooming house or hotel, every room occupied for sleeping purposes, except those occupied by the operator's family members, shall contain one lavatory basin properly connected to water and sewer system approved by the Building Inspector and in good working condition. In a rooming house or hotel in which both sexes are accommodated, a minimum of 2 flush water closets and lavatory basins located in separate rooms which are conspicuously marked shall be required. In a rooming house or hotel in which rooms are let only to males, flush urinals may be substituted for not more than one-half the required number of water closets. All such facilities shall be so located within the rooming house or hotel as to be accessible from a common hall to all persons sharing such facilities, afford privacy and be separated from the habitable rooms. Every lavatory basin and bathtub or shower shall be supplied with hot water at all times. No such facilities shall be located in a basement except by written approval of the Building Inspector.

10.2 Bedding, Bed Linen and Towels. The owner or operator of every rooming house or hotel shall maintain the supplied bedding in

towels therein at least once a week, and prior to the letting of any room to any occupant.

10.3 Minimum Space. Every room occupied for sleeping purposes by one person shall contain at least 80 square feet of floor space, and every room occupied for sleeping purposes by more than one person shall contain at least 50 square feet of floor space for each occupant thereof.

10.4 Means of Egress. Every rooming unit in a rooming house or hotel shall have safe, unobstructed means of egress leading to safe and open space at ground level as required by the laws of the State and the Municipality.

10.5 Sanitary Maintenance by Owner. The owner or operator of every rooming house or hotel shall be responsible for the sanitary maintenance of all walls, floors and ceilings, and for maintenance of a sanitary condition in every part of the rooming house. He shall be further responsible for the sanitary maintenance of the entire premises where the entire structure is a building leased or occupied by the operator.

10.6 Guest Register. The owner or operator of every rooming house or hotel shall keep at all times in a convenient place a book or register wherein every person applying for accommodations must sign his name and place of residence before such accommodations are furnished and such book or register shall be available for inspection by the Building Inspector at all times.

### SECTION 11. LICENSING

11.1 License Required. No person shall operate a multiple dwelling, rooming house or hotel unless he holds a valid license issued by the Municipality Clerk in the name of the operator and for the specific dwelling, rooming house or hotel.

11.2 Conditions for License. No license to operate a multiple dwelling, rooming house or hotel shall be issued unless the multiple dwelling, rooming house, or hotel complies with all applicable provisions of this Code.

11.3 Operation Without a License. Operation of a multiple dwelling rooming house or hotel without a license shall be a violation of this Code.

### SECTION 12. SUBSTANDARD BUILDINGS

12.1 Definition. Any building or portion thereof including any dwelling, dwelling unit, rooming house, rooming unit or the premises on which the same is located, in which there exists any of the following listed conditions to an extent that endangers the health, safety and welfare of the public or the occupants thereof shall be deemed and hereby is declared to be a substandard building and shall be condemned as unfit for human habitation:

- (a) Inadequate Sanitation, which shall include but not be limited to the following:
  1. Lack of, or improper water closet, lavatory, bathtub or shower in a dwelling unit.
  2. Lack of, or improper water closets, lavatories, and bathtubs or showers per number of persons in a rooming house or hotel.
  3. Lack of, or improper kitchen sink.
  4. Lack of hot and cold running water to plumbing fixtures in a dwelling unit, rooming house or hotel.
  5. Lack of adequate heating facilities.
  6. Lack of, or improper operation of required ventilating equipment.
  7. Lack of minimum amounts of light and ventilation required by this Code.
  8. Room and space dimensions less than required by this Code.
  9. Dampness of habitable rooms.
  10. Infestation of insects, vermin or rodents.
  11. General dilapidation or improper maintenance.
  12. Lack of connection or required sewage disposal system.
  13. Improperly enclosed, ventilated or insanitary under floor area.
  14. Lack of adequate garbage and rubbish storage and removal facilities.
- (b) Structural Hazards, which shall include but not be limited to the following:
  1. Deteriorated or inadequate foundations.
  2. Defective or deteriorated flooring or floor supports.
  3. Flooring or floor supports of insufficient size to carry imposed loads with safety.
  4. Members of walls, partitions, or other vertical supports that split, lean, list, or buckle due to defective material or deterioration.
  5. Members of walls, partitions or other vertical supports that are of insufficient size to carry imposed loads with safety.
  6. Members of ceilings, roofs, ceiling and roof supports or other horizontal members which sag, split, or buckle due to defective material or deterioration.
  7. Members of ceilings, roofs, ceiling and roof supports, or other horizontal members that are of insufficient size to carry imposed loads with safety.
  8. Fireplaces or chimneys which list, bulge, or settle due to defective material or deterioration, or which are of insufficient size or strength to carry imposed loads with safety.
- (c) Nuisance. Any nuisance as defined in Subsection 2.20 of this Code.
- (d) Unfit Dwelling. Any dwelling or dwelling unit unfit for human habitation as defined in Subsection 2.34 of this Code.
- (e) Hazardous Wiring. All wiring except that which conformed with all applicable laws in effect at the time of installation and which has been maintained in good condition and being used in a safe manner.
- (f) Hazardous Plumbing. All plumbing except that which does not meet the requirements in Subsections 4.2 and 4.3 of this Code.
- (g) Hazardous Mechanical Equipment. All mechanical equipment including vents, except that which conformed with all applicable laws in effect at the time of installation and which has been maintained in good and safe condition.
- (h) Faulty Weather Protection, which shall include but not be limited to the following:
  1. Deteriorated, crumbling, or loose plaster.
  2. Deteriorated or ineffective waterproofing of exterior walls, roof, foundations, or floors, including broken windows or doors.
  3. Defective or lack of weather protection for exterior wall coverings, including lack of paint, or weathering due to lack of paint or other approved protective covering.
  4. Broken, rotted, split, or buckled exterior wall coverings or roof coverings.
- (i) Fire Hazard. Any building or portion thereof, device, apparatus, equipment, combustible waste, or vegetation which in the opinion of the Chief of the Fire Department or his deputy, is in such a condition as to cause a fire or explosion or provide a ready fuel to augment the spread and intensity of fire or explosion arising from any cause.
- (j) Faulty Materials of Construction. All materials of construction except those which are specifically allowed or approved by this Code and the Municipality Building Code, and which have been adequately maintained in good and safe condition.
- (k) Hazardous or Insanitary Premises. Those premises on which an accumulation of weeds, vegetation, junk, dead organic matter, debris, garbage, offal, rat harborage, stagnant water, combustible materials, and similar materials or conditions constitute fire, health, or safety hazards.
- (l) Inadequate Exits. All buildings or portions thereof not provided with adequate exit facilities as required by this Code except those buildings or portions thereof whose exit facilities conformed with all applicable laws at the time of their construction and which have been adequately maintained and increased in relation to any increase in occupant load, alteration or addition, or any change in occupancy.
- (m) Inadequate Fire Production of Fire Fighting Equipment. All buildings or portions thereof which are not provided with the fire resistive construction or fire extinguishing systems or equipment required by this Code except those buildings or portions thereof which conformed with all applicable laws at the time of their construction and whose fire resistive integrity and fire extinguishing systems or equipment have been adequately maintained and improved in relation to any increase in occupant load, alteration or addition, or any change in occupancy.
- (n) Improper Occupancy. All buildings or portions thereof occupied for living, sleeping, cooking or eating purposes which were not designed or intended to be used for such occupancies.

### SECTION 13. PENALTIES

13.1 Any person violating any provisions of this Code shall, upon conviction, be punished by a fine of not more than \$500.00 or by imprisonment for not more than 90 days, or by both such fine and imprisonment. Each day's failure to comply with any such provision shall constitute a separate violation.

### SECTION 14. CONFLICT WITH OTHER ORDINANCES AND LAWS

14.1 Conflict of Ordinances. When a provision of this Code is found to be in conflict with a provision of any zoning, building, fire, safety and health ordinances or Code of the Municipality existing on the effective date of this Code, the provision which establishes the higher standard for the promotion and protection of the health and safety of the people shall prevail. Where a provision of this Code is found to be in conflict with a provision of any other ordinance or code of the Municipality which establishes a lower standard for the

promotion and protection of the health and safety of the people, the provisions of this Code shall be deemed to prevail.

### SECTION 15. PARTIAL INVALIDITY

15.1 Partial Invalidity. If any Section, Subsection, paragraph, sentence, clause or phrase of this Code shall be declared invalid for any reason whatsoever, such decision shall not affect the remaining portions of this Code, which shall remain in full force and effect; and to this end the provisions of this Code are hereby declared to be severable.

### SECTION 16. EFFECTIVE DATE

16.1 Effective Date. This Code shall take effect on \_\_\_\_\_  
Enacted: \_\_\_\_\_  
Executive Officer \_\_\_\_\_

# City of Plymouth Minutes

Monday, February 7, 1966

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, February 7, 1966 at 7:30 p.m.

PRESENT: Comms. Hudson, Lawton, McKeon, Vallier and Mayor Houk.

ABSENT: Comms. Jabara and Smith.

Since Comms. Jabara and Smith were out of town, their absence was excused by the Commission.

Moved by Comm. Lawton and supported by Comm. Hudson that the minutes of the regular meeting of January 17, 1966 be approved as written. Carried unanimously.

Supervisor Vallier reported that there was nothing to report with regard to the Board of Supervisors.

The Clerk presented a communication from the Chamber of Commerce advising that it is sponsoring a leadership week-end conference at Hillsdale on March 5 and 6, 1966, and urged the city to select 5 representatives to attend.

Moved by Comm. Vallier and supported by Comm. Lawton that the communication be accepted and filed, and that the Mayor, City Manager a 3 representatives be authorized to attend the conference, the cost to be appropriated from Unappropriated Reserve.

Carried unanimously.

The City Manager presented a communication from Dunbar Davis, representing The J. FONS Company, Inc., requesting that upon expiration of the temporary agreement with Sheldon G. Hayes, Sr., for the operation of the City's sanitary landfill site, the City ask for sealed bids for the operation of said sanitary landfill site.

The City Manager advised that the temporary agreement with Mr. Hayes was for the purpose of determining fair and reasonable terms and conditions as a basis for a possible, more permanent agreement, and that Mr. Hayes has conducted a highly satisfactory fill operation. The communication was ordered received and placed on file, and the matter was referred to the City Manager. Mr. Davis was advised that should the contract with Mr. Hayes expire, he will be given the opportunity to bid on the operation of the sanitary landfill.

The Clerk presented a Notice of Hearing from the Michigan Bell Telephone Company relative to requesting the Michigan Public Service Commission for authority to withdraw the offering of 2-party business service throughout the Northville exchange and make an addition to the base rate area of the exchange. The City Manager advised that the matter was so insignificant to the City that it was not worth voicing an opinion at the public hearing. The communication was ordered received and placed on file.

The Clerk presented resolutions from the Cities of Rockwood, Jackson, Inkster and Van Buren Township endorsing the proposal that a percentage of the federal income tax collected be returned to the community from which it was derived. The communications were ordered received and filed.

The City Clerk presented a communication from Kenneth E. Way, Treasurer, requesting that he be authorized to eliminate the collection of penalties on the 1966 School and County tax through February 28, 1966.

Moved by Comm. Vallier and supported by Comm. Hudson that the City Treasurer be authorized to extend the penalty date for 1965 School and County taxes to February 28, 1966, and that another year, the request be made prior to January 1, in order that the citizens might be aware of the extension. Carried unanimously.

The Clerk presented a communication from the Michigan Cancer Foundation requesting permission to conduct a house to house educational crusade on April 13, 14 and 15, 1966.

The following resolution was offered by Comm. Lawton and supported by Comm. McKeon:

WHEREAS, it is the personal responsibility of every citizen to acquaint himself with all available facts on cancer detection and treatment in order to protect his own life and the lives of those nearest and dearest to him, and

WHEREAS, it is the objective of the Michigan Cancer Foundation to bring this life-saving information directly into the homes of all persons in Wayne, Oakland, Macomb and Monroe counties through the active participation of its volunteers, and

WHEREAS, the Michigan Cancer Foundation, being adequately financed through United Fund contributions, will not solicit money, but instead devote its total energies to the saving of lives through information and educational literature,

NOW, THEREFORE, BE IT RESOLVED, that the Michigan Cancer Foundation be permitted to conduct a house-to-house educational crusade in the City of Plymouth on Wednesday, Thursday and Friday, April 13-14-15, 1966, and

BE IT FURTHER RESOLVED, that the citizens of this community put forth every effort to aid the Michigan Cancer Foundation's fight against cancer, both as volunteer workers and in the protection of their own health by adhering to its life-saving principles.

Carried unanimously.

The Clerk presented a communication from Don Lightfoot requesting permission to open his produce market at 1208 S. Main Street about April 1, 1966.

Moved by Comm. Lawton and supported by Comm. Vallier that the City Manager and City Attorney be requested to prepare an ordinance to amend Ordinance No. 153, Food Handler's Ordinance, to allow produce markets to remain open 12 months of the year, if so desired. Carried unanimously.

The City Manager presented an offer to purchase Lot No. 5, Geo. B. Shafer's Subdivision from James Roberts, in the amount of \$4,000 and an offer from G. D. Snyder, in the amount of \$4,100.

Moved by Comm. McKeon and supported by Comm. Lawton that the offer from G. D. Snyder, in the amount of \$4,100, for the purchase of Lot No. 5, Geo. B. Shafer's Subdivision, be accepted. Carried unanimously.

The City Clerk presented a proposed resolution submitted by the Plymouth Community Area Planning Commission with regard to urging the Wayne County Road Commissioners to consider construction of Class A roads in the Plymouth area.

The following resolution was offered by Comm. Hudson and supported by Comm. Lawton:

WHEREAS, the City of Plymouth, Plymouth Township, and Canton Township have joined together in the formation of the Plymouth Area Planning Commission, and

WHEREAS, the Plymouth Area Planning Commission has as its purpose to encourage industrial and commercial expansion to balance the tax base within the Plymouth Community School District, and

WHEREAS, the City of Plymouth is concerned with the industrial development of the Plymouth Community School System, and

WHEREAS, numerous industrial concerns have indicated a strong interest in this area until they found that there were no Class A roads leading to this area which would therefore prevent the use of large trucks.

NOW, THEREFORE, BE IT RESOLVED, that the Plymouth City Commission urge the Wayne County Road Commissioners to give favorable consideration to the construction of Class A roads on Haggerty Road from Ann Arbor Road to Warren Road and Joy Road from Haggerty Road to Lilley Road, which would be of immeasurable aid in the development of this prime industrial area abutting these roads. Carried unanimously.

The City Manager presented a status report relative to the contract with I. J. Stamm, Urban Renewal Consultant, and compensation paid during the term of the contract. The report was ordered received and placed on file.

WHEREAS, the township board of the Charter Township of Canton strongly feels its obligation to encourage the creation of industrial tax base for the county of Wayne, the Charter Township of Canton and the Plymouth community school system and

WHEREAS, the township board of the Charter Township of Canton recognizes that development of this industrial area would substantially increase employment opportunities in western Wayne county and

WHEREAS, numerous industrial concerns have indicated a strong interest in this area until they found there were no class A roads leading to this area which would prevent the use of large trucks.

Now therefore, on a motion of Flodin and supported by Schultz it is resolved that the Township Board of the Charter Township of Canton urges the board of County Road Commissioners to give favorable consideration to the construction of class A roads on Haggerty from Ann Arbor Road to Warren Road and Joy Road from Haggerty to Lilley which would of immeasurable aid in the development of this prime industrial area.

Moved by Palmer and supported by Schultz and unanimously carried that bills in the amount of \$1,334.38 be paid.

Moved by Schultz and supported by Holleyoak and unanimously carried to adjourn.

John W. Flodin, Clerk  
Philip Dingeldey, Supervisor

The City Manager presented claims for damages from Mr. and Mrs. Herbert Chaiken d/b/a Minerva's for items damaged by water resulting from a broken pipe, in the amount of \$416.92, and from Mr. and Mrs. Willial Wolfe and Mrs. Seraphia O. Moore for water damage from a backed up sewer, in the amount of \$60.00 and \$348.45, respectively, and advised the claims had been referred to the City's insurance carrier.

Moved by Comm. Lawton and supported by Comm. Vallier that the above claims be acknowledged and the method used by the City Manager of handling said claims be approved. Carried unanimously.

The City Manager reported relative to a meeting with the Salem Township officials concerning the sanitary landfill site, and advised that a proposed amendatory agreement with Salem Township has been prepared.

Moved by Comm. Vallier and supported by Comm. Hudson that the Mayor and Clerk be authorized to enter into an amendatory agreement with Salem Township for the sanitary landfill site, subject to approval of the City Attorney. Carried unanimously.

Moved by Comm. Vallier and supported by Comm. Hudson that the Mayor and Clerk be authorized to enter into a contract with a corporation to be formed by Mr. Sheldon G. Hayes, Sr., for permanent operation of the sanitary landfill, subject to approval of the City Attorney, and upon signing of the contract, the temporary contract be terminated. Carried unanimously.

The City Manager advised that the City's Workmen's Compensation Insurance is now being carried by the Michigan Mutual Liability Company under the assigned risk plan and that the premium, in the amount of \$7,615.47 is now due.

Moved by Comm. McKeon and supported by Comm. Lawton that the City Manager be authorized to transfer \$7,615.47 from the Unappropriated Reserve to the Workmen's Compensation account, and that the monies received as a rebate for insurance paid to the Royal Globe Insurance Company be returned to the Unappropriated Reserve Account. Carried unanimously.

The City Manager presented a communication from City Attorney Healy advising that the amendment of Conveyance and Lease with Consumers Power Company is in order.

Moved by Comm. Lawton and supported by Comm. Vallier that the Mayor and Clerk be authorized to sign the amendment of Conveyance and Lease with Consumers Power Company for mineral and storage rights on city properties. Carried unanimously.

The City Manager reported that the Michigan Chapter of the International City Managers' Association will be holding its mid-winter meeting in Ann Arbor on February 9-11, 1966 and that he will be in attendance.

The City Manager reported that Rodney A. Cannon has been hired as the Youth Officer-Investigator in the police department, effective February 7, 1966, and requested that he be authorized to employ a new patrolman, at an additional cost of \$1,000 for personnel services and \$175.00 for uniforms.

Moved by Comm. Vallier and supported by Comm. McKeon that the City Manager be authorized to employ a new patrolman and that \$1,175.00 be transferred from Unappropriated reserve to the proper police accounts for the additional cost. Carried unanimously.

Moved by Comm. Vallier that a hearing be held on Monday, February 28, 1966 at 7:30 p.m. to hear objections to the proposed amendments to Ordinance No. 182, Zoning Ordinance with regard to parking, PR-2 Districts and re-zoning certain parcels on S. Main Street from C-2 to PR-2 zoning. Carried unanimously.

The City Manager presented a list of questions raised with regard to the proposed new zoning ordinance.

Moved by Comm. Hudson and supported by Comm. Vallier that the questions be referred to the Planning Commission for study. Carried unanimously.

The City Manager presented a communication from Eugene S. Slider advising that in the event he should leave the City's employ as City Clerk within a period of 3 years, any money paid for moving expenses would be reimbursed to the City on a pro-rata basis.

Moved by Comm. McKeon and supported by Comm. Lawton that the City Manager be authorized to pay the moving expenses for Eugene S. Slider, in an amount not to exceed \$1,000. Carried unanimously.

The City Manager advised that an offer had been received from Bernie Margolis, 9600 Cherry Hill Road, Ypsilanti, for the purchase of the City's ladder truck, in the amount of \$200.00 with ladders, and \$150.00 without ladders.

Moved by Comm. Vallier and supported by Comm. Hudson that the offer from Bernie Margolis for the ladder truck, in the amount of \$200.00 with ladders, be accepted. Carried unanimously.

The following resolution was offered by Comm. Lawton and supported by Comm. McKeon:

WHEREAS, Section 13 (e) of Act 51, Public Acts of 1951 provides that each incorporated city and village to which funds are returned under the provisions of this section, that "the responsibility for all street improvement, maintenance and traffic operation work shall be coordinated by a single administrator to be designated by the governing body who shall be responsible for and shall represent the municipality in all transactions with the State Highway Commission pursuant to the provisions of this Act";

THEREFORE, BE IT RESOLVED, that this Honorable Body designate Richard D. Blodgett as the single (Street) administrator for the City of Plymouth in all transactions with the State Highway Commission as provided in Section 13 of the Act. Carried unanimously.

The appointments to the Parking Committee were postponed until the meeting of March 7, 1966.

The Mayor appointed Comms. Jabara, Chairman, McKeon and Vallier to a Water Study Committee, terms to expire April, 1967.

Moved by Comm. Lawton and supported by Comm. Hudson that the appointments by the Mayor to the Water Study Committee be approved. Carried unanimously.

The City Manager advised that the building safety inspectors deem the building at 706 N. Holbrook Avenue to be a nuisance.

The following resolution was offered by Comm. Lawton and supported by Comm. McKeon:

WHEREAS, this Commission of the City of Plymouth, Michigan, under and by virtue of the Charter of said City and the laws of the State of Michigan, is authorized, empowered and required to abate nuisances, and

WHEREAS, the Heating and Electrical Inspector, the Building Inspector and the Inspector for the Fire Department have each investigated and reported in writing in regard to the condition of the premises known and numbered as 706 N. Holbrook Avenue, Plymouth, Michigan, more particularly described as:

Lot 455, Assessor's Plymouth Plat No. 15 of that part of Bradner and Holbrook's Subdivision lying in Sec. 26 and of part of the W. 1/2 of the N.E. 1/4 of Sec. 26, T. 1 S., R. 8 E., City of Plymouth, Wayne County, Michigan

and from said reports, and after investigation, it appears to this Commission that the building or structure at aforesaid street address and upon the above described land, by reason of improper plumbing, faulty and dangerous electrical wiring, dangerous heating unit, dilapidated and unsafe condition of the exterior and interior and the collection of rubbish and debris in and upon said premises and within and without the said building or structure, is a public hazard

### Obituaries

**NORMAN ROBERT POTTER**  
Mr. Norman Robert Potter died Feb. 27 in the Cedar Knoll Rest Home in Jackson after a long illness. He was 73.  
Born March 3, 1892 in Midland Co., Mich., he was the son of Robert and Alice (Hanna) Potter. He came to the Plymouth community 48 years ago from Merrill, Mich. He was a former distributor for Standard Oil Co. He was a member of the First United Presbyterian Church.

He is survived by his wife,

### City of Plymouth minutes

Continued from page 7  
or nuisance which is dangerous to the health, safety or welfare of the inhabitants of the city or of those residing or habitually going near such lot, building or structure, now, therefore,  
BE IT RESOLVED, that this Commission does hereby declare the building or structure at 706 N. Holbrook Avenue, Plymouth, Michigan, particularly hereinabove described, to be a public hazard or nuisance as above set forth, further that same is a dangerous fire hazard to occupants thereof and to nearby persons and property.  
BE IT FURTHER RESOLVED that Pauline Nowotarski, owner of said premises, be and she is hereby ordered to abate the above nuisance or to tear down, raze and remove the aforesaid building or structure and to remove from the premises all rubbish, debris and filth within 10 weeks of the date of this resolution.  
BE IT FURTHER RESOLVED, that said Pauline Nowotarski may appear before this Commission at 7:45 p.m. on the 21st day of February A.D., 1966, in the Commission Chambers, City Hall, Plymouth, Michigan, and show cause, if any there be, why the above order should not be enforced.  
BE IT FURTHER RESOLVED that the Building Inspector of the City of Plymouth shall give notice hereof to the said Pauline Nowotarski by registered mail, return receipt requested, addressed to her at 41700 Wilcox Road, Plymouth, Michigan, that being her last known address a copy of this resolution shall be enclosed with and as part of such notice.  
Carried unanimously.  
Moved by Comm. Vallier and supported by Comm. McKeon that the building safety department be instructed to gradually ferret out buildings that need to be condemned and not wait for complaints.  
Carried unanimously.  
Mr. James Roberts orally protested the sale of Lot No. 5, Geo. B. Shafer's Subdivision, stating that inasmuch as the offers were not sealed bids, the amount of his offer could have leaked out, allowing the other party to offer more.  
The Mayor recessed the meeting at 9:43 p.m. and reconvened the meeting at 9:44 p.m.  
Moved by Comm. Vallier and supported by Comm. Lawton that the parties offering to purchase Lot No. 5, Geo. B. Shafer's Subdivision submit sealed bids for the purchase of Lot No. 5, Geo. B. Shafer's Subdivision, which shall include the proposed use of the property, said bids to be in the hands of the City Clerk prior to the meeting of February 21, 1966, and bids to be opened at the said meeting.  
YES: Comms. Lawton, McKeon and Vallier Motion carried.  
NO: Comm. Hudson and Mayor Houk.  
The Mayor announced that a closed Committee-of-the-Whole meeting would be held following this meeting. There were no objections.  
Mr. Dunbar Davis, representing The J. Fons Company, orally advised that in addition to meeting the terms outlined in the proposed contract with Mr. Sheldon G. Hayes, Sr., his client is prepared to pay to the City the sum of \$25,000.00 to operate the sanitary landfill.  
Moved by Comm. Vallier and supported by Comm. Lawton that the meeting be adjourned. Carried unanimously.  
Time of adjournment was 9:54 p.m.  
James C. Houk - Mayor Eugene S. Slider - Clerk Margo Robson - Acting Clerk

### Burroughs chief to speak to Rotary

Edward W. Schening, General Manager of Burroughs Corporation's Plymouth Plant, will discuss "Swivel Chair Automation" before members of the Plymouth Rotary Club at the March 4 luncheon meeting in the Mayflower Hotel.

Schening assumed the position of General Manager of the Plymouth Plant in June 1965 after 30 years of employment with Burroughs. The Plymouth Plant employs some 6000 persons and is engaged in the manufacture of multiple product lines of business machines and electronic accounting computers.  
Prior to his Plymouth Plant appointment, Schening had spent 10 years in directing the management, planning and production of Burroughs' large scale electronic communications and data processing systems developed for the United States Government at the Burroughs Tiresman Division in Detroit. Among the many successful computer systems produced at Tiresman was the famous ATLAS computer which has guided without failure the launch of every American astronaut flight and other space shots of NASA.

## Area churches continue Lent services

Several Plymouth churches have announced plans for special Lenten services.  
St. John's Episcopal Church Lenten services, Sunday, 7:45 a.m., 9 a.m. and 11 a.m.; and on Wednesday 10 a.m. and 7:30 p.m.  
Our Lady of Good Counsel Church Morning Mass each morning as usual, Monday through Friday. Wednesday - 7:30 p.m. Mass with homily.  
Friday - 7:30 p.m. "Way of the Cross" with Benediction up to Holy Week.  
Week of March 13 - Week of Renewal conducted by Father Francis Greaney, S.J., Lutheran Church of the Risen Christ

On Wednesday, March 2 at 6:45 p.m. the second of the mid-week family devotions being conducted weekly during Lent at the Lutheran Church of the Risen Christ chapel will feature a film depicting "Monday of the Last Week" entitled: "The Cleansing of the Temple."  
This series of weekly Lenten Services presents the Passion History of the Lord Jesus Christ through the use of films. Pastor David F. Romberg explains that the early hour, 45-minute service and use of films are designed to make the Lenten Season more meaningful, especially to children.  
First Methodist Church March 24, 6:30 p.m. Lenten Family Fellowship dinner. Speaker: Dr. Glenn Evans.  
March 31, 6:30 p.m. Lenten Family Fellowship dinner. Speaker: Dr. William E. Smith  
A parallel program for younger children will be provided. Sunday, April 3, Palm Sunday.

Two services at 9:30 and 11:00. Thursday, April 7, Manudy Thursday communion service, 8:00 p.m. Nursery care provided. Friday, April 8, 12:00 - 3:00 p.m. Community Good Friday service. Nursery care provided. Easter Sunday, April 10. Four services: 6:00, 8:00, 9:30 and 11:00. Easter Breakfast at 7:00 a.m.

The impact the arts have had on the Christian religion.  
"The Secular City" - A panel discussion of the provocative new book by Harvey Cox, The Secular City, which looks toward a new theological "break-through" in modern society. Panel members will comprise Mr. Gregory Dean, Mrs. Kathleen Dodds, Miss Doris Yocum and Dr. Robert Hubbard (moderator), church members.  
"The New Confession of Faith" - Discussion led by Mr. Thomas T. Adams assisted by Dr. John Waser, The Rev. William Whitledge, Dr. N. Patrick Murray and The Rev. Peter Lindell, ministers from the metropolitan Detroit area. In these classes the leaders will bring the thoughts of the ministry on the meaning of the Confession of Faith for church members.  
On the sixth Wednesday of the series, March 30, the church choir will present a special program of Lenten Music under the direction of Mr. Fred Nelson.

### Swim Club will open May 30

The Colony Swim Club, a privately owned organization, will open its pool May 30, according to a report recently released by the Club.  
Further memberships are still being taken, but Swim Club board of directors feel they will be gone soon after spring begins.  
New officers were elected at a recent meeting: nominating committee: John Wiltse, Tom Jones and Stephan Klepack; Board of directors, Paul Malboeuf, president, Jack Fleckenstein, vice-president, Arthur Larson, treasurer, Mrs. Ray Cusato, recording secretary, Edward Good, corresponding secretary.  
Harvey Cooper, Russell Koepke and Robert Carlson head the pool and grounds committee.  
Mrs. John Pulker chairs the membership committee.  
The pool is located on land on Beck Road south of Joy Rd. in Canton Township.

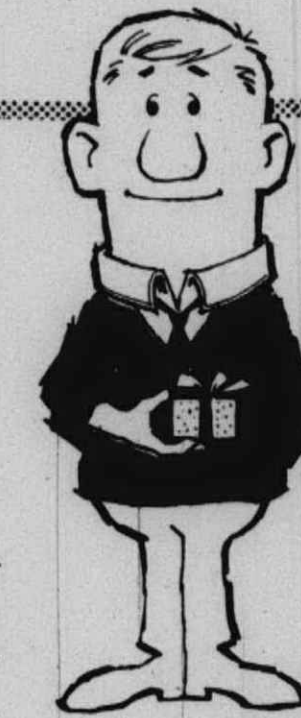

### OUTSTANDING BOSS

The president of the Daisy Manufacturing Company of Rogers, Arkansas, Cass S. Hough - a well-known former Plymouthite - was named the "Outstanding Boss of the Year" by the Arkansas State JayCees at a banquet in Pine Bluff, Ark. on Feb. 26. Daisy was located in Plymouth from the time of its founding until it left here for Arkansas in the late 1950's.

### American Legion Auxiliary

Over ninety attended the eighth birthday luncheon of the Northville State Hospital Auxiliary in the hospital's "A" Building Cafeteria, Tuesday noon, February 15. A Valentine motif lent color to the tables.  
Following the luncheon, members of a panel, moderated by Mrs. Ann Lang, N.S.H. Auxiliary president, discussed the possibility of an interdenominational Chapel being constructed on the grounds of the hospital. Not only were three of the present Chaplains of the hospital -- Rabbi Sol Gruskin (23500 Kenosha, Oak Park), Father Paul Lederman, and Rev. George Jerome (743 Horton, Northville) -- on the panel to lend their views. But, in addition, Rev. Malcolm Balenger, Chaplain of the University of Michigan Hospital, William Cook, Director of Community Relations at Ypsilanti State Hospital, which has had a chapel since the mid-Fifties, and Mrs. Eleanor Nelson, R.N. (3353 West Wind Drive, Rt. #4, Walled Lake) one of the N.S.H. nursing supervisors, offered their suggestions and comments.  
All agreed that such a project would constitute a major financial undertaking. Yet they were unanimous that such an edifice, with its availability for religious services and week-long use, well could stand as an important and central resource in a modern mental hospital. Already eighteen individuals and groups have

donated over \$1,400 into the hospital's Chapel Fund.  
Members of the hospital's Interdenominational Chapel Committee are, in addition to the hospital's three chaplains who were on the program, Mrs. Winifred Evans, 17191 Fielding, Detroit, Detroit Archdiocesan Council of Catholic Women Rev. David Romberg, the hospital's Chaplain for its Missouri Lutheran patients (Pastor, Lutheran Church of the Risen Christ, Plymouth) Mrs. Louis Pearlman, 29809 Hillbrook, Livonia, Northville State Hospital Auxiliary Mrs. Ann Lang, 105 Linden, Northville, Northville State Hospital Auxiliary president Mrs. Frances Walker, 15924 Fairfield Avenue, Detroit, New Providence Baptist Church Burt B. Wolf, 543 New Center Building, 7430 Second, Detroit, Christian Science Practitioner Louis J. Schuldt, 34035 Dorais, Livonia, Director of Community Relations, Northville State Hospital.

**Million Dollar Bonus**

This is the fourth in a series of articles written by George Lawton, General Manager of the Credit Union, about the advantages of Credit Union Services.

Last year the Plymouth Credit Union provided a million dollars in life insurance on its savings accounts.

Up to \$2,000.00, each dollar you deposit in the Credit Union prior to age 55 is matched with a dollar in life insurance; thus, at age 53, if you deposit \$2,000.00 in the Credit Union and die, let's say at age 77, your beneficiary will receive \$2,000.00 in insurance, in addition to the amount in the account.

In order to take maximum advantage of this extra dividend, many of our members open additional accounts for their wives, children, etc.

When you consider your net return on savings in the Credit Union, you may want to add a 57% Insurance Dividend, which brings your total return to 4.57%.

The Credit Union can do this because it is owned by the people it serves. If you would like more information on the Credit Union's life-insured savings, call GL 3-1200, or stop by.

If you don't get all the hot water you need with an electric water heater,

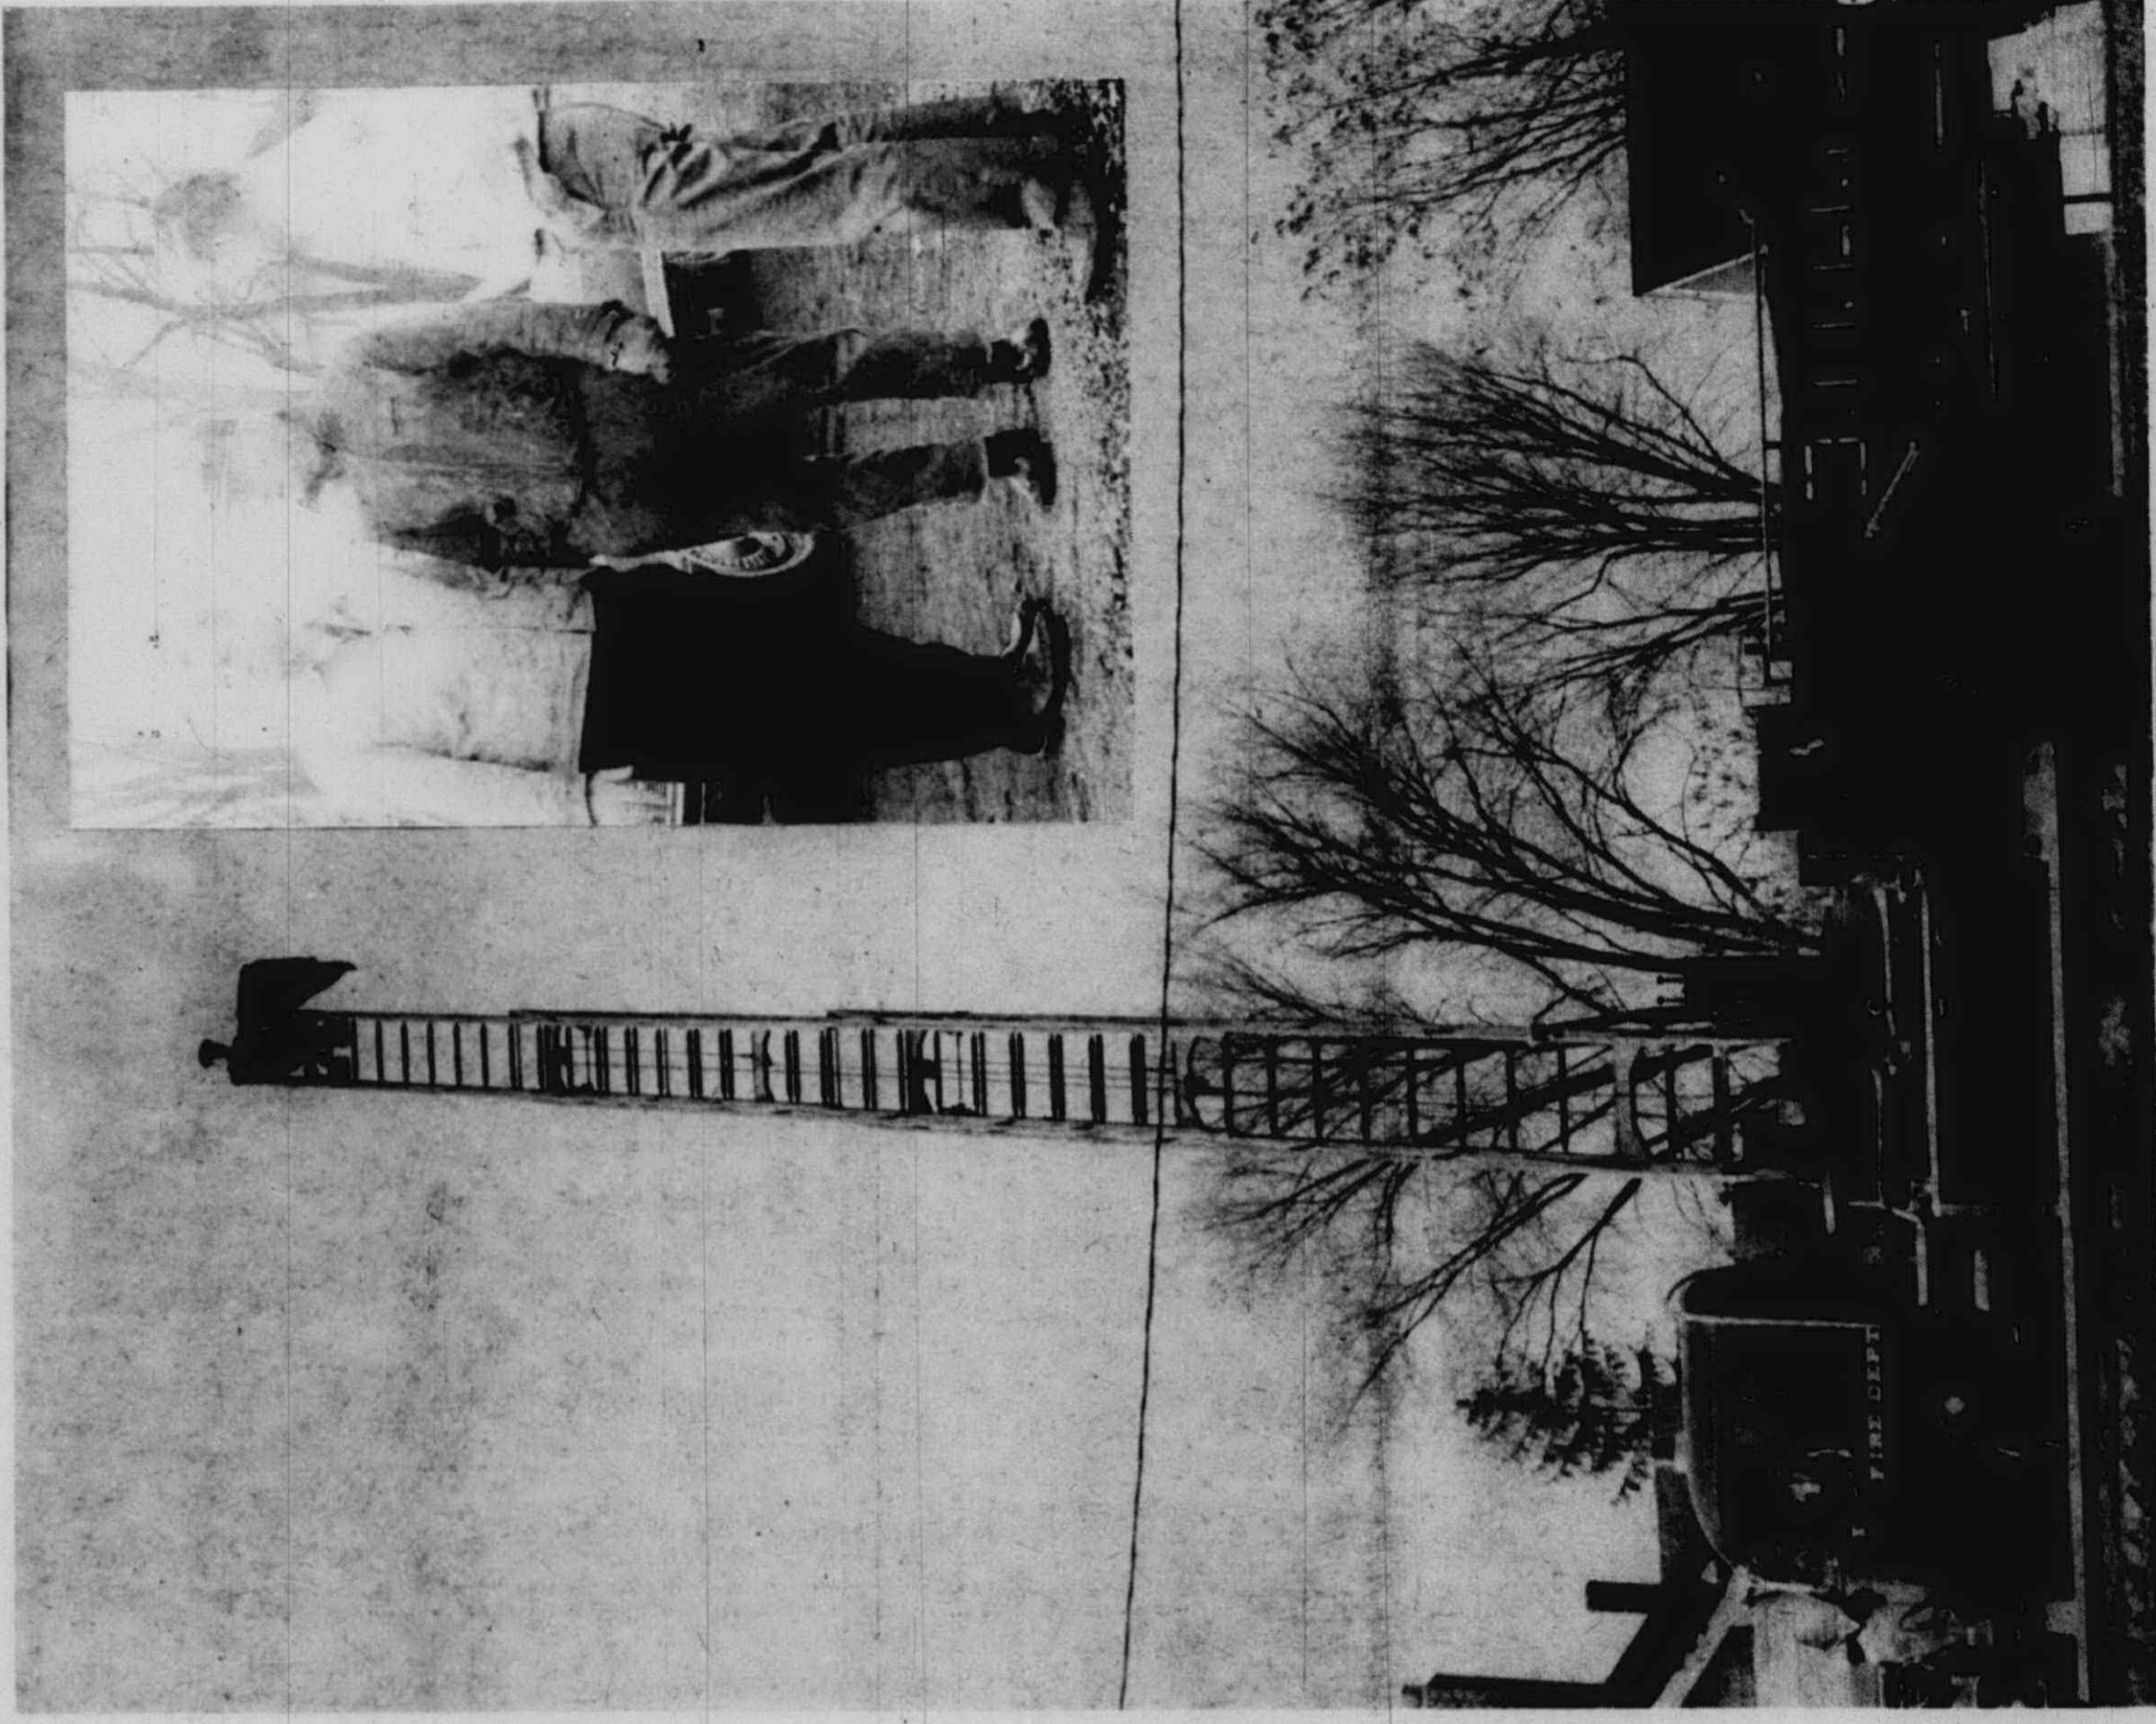

**SATISFACTION GUARANTEED BY DETROIT EDISON**

you get your money back!

Every cent! Including installation cost, if any! That's the kind of guarantee you get from Edison when you buy an approved electric water heater. It's good for a full year, and you don't have to buy your heater from Edison. If you'd like, we can have an Edison Specialist come out to your place to tell you what size tank you need, the price of the heater, and its surprisingly low operating cost. To get all the hot water you need—guaranteed—call your Edison Office or see the retailer who displays the Edison Satisfaction Guaranteed sign.

**EDISON**

**ANSWERING THE QUESTION:** City commissioners, wondering how a 50-foot building would look on the site of the proposed Finlan Apartments on South Main St., just north of Burroughs, late Saturday afternoon took the city's ladder truck and ran the ladder up to 50 feet to see. Fire Department Lieutenant Paul Sanders perched atop the ladder with a red flag so city fathers could see him from adjoining properties. Later, above, inset, Commissioners Jim Jabara, left, and Jim McKeon talked things over with Clarence E. Moore, center, of 738 Burroughs, whose land adjoins the site. Commissioners passed the first reading of an amendment to zoning in the area Monday evening. Please see story, Page One.

### VFW news

All past Commanders of the Mayflower Post are urged to attend a committee meeting at 8 p.m., March 2, to begin planning the Anniversary Dinner Dance, set for April 16.

Harvey Jones is chairman. Both he, and Ed Holdsworth have been released from the hospital after recent illnesses.

The Post membership continues to climb, with a current total of 222. New members Donald Council, John Garrison, and George Burrows are welcome.

Discussions are continuing on the subject of improvements to the Post Home. Air-conditioning and an exterior face-lifting are first on the agenda. Other projects to make the building more comfortable and enjoyable will follow.

The time for election of officers is near. All members are urged to attend the meetings; the next meeting is scheduled for March 8.

The Post recently voted to distribute Patriotism Kits to all the schools in the district. They illustrate the history of the flag, and includes copies of important historical documents.

Boy Scout Troop 862 will hold a pancake supper March 28, at the Post Home.

A St. Patrick's dance is the next big social event, planned for March 19. Tickets are \$1.25 per person, with music from the Al-Dons.

Gerry Olson is chairman of the project "Cookies for Viet Nam." He can be reached at 453-1339 for further details.

### Learn to be a toastmaster

A limited number of memberships are available in the Motor City Speakeasy Toastmasters Club, William Johnson, president announced today.

Johnson said men 18 years of age or older who are interested in public speaking are invited to visit the club which meets on alternate Mondays, 7 p.m. at Hillside Inn, 41661 Plymouth Rd. The next meeting will be held on Monday, March 14.

In addition to speech training, Johnson said the Motor City Speakeasy Toastmasters Club provides experience in the conduct of meetings and helps members improve their grammar.

### Blunk attends

Doug Blunk of Blunk's Inc., 640 Starkweather just attended a preview showing of the first completely new Maytag product line in history at Detroit and will soon have the new laundry appliances on his store floor.

In addition to seeing the new products, dealers are learning about a completely new advertising campaign, a new product warranty program and a new corporate identification program.

## YMCA shows way to high school diploma

The local YMCA Employment Office wishes to call attention to the present change in the Night School System that will become effective in the Fall.

This should be of special interest to any one who has dropped out of high school or young men who did not complete high school and are now back from service with the armed service.

The Fall term of night school will change its present schedule of three semesters to two semesters. The first semester will begin September and continue for 16 weeks, ending about the middle of January. The second semester will then continue until June of 1967.

The new program will schedule two classes a night. One begins at 6:30 p.m. and runs until 8:30 p.m. The second class will be given at 8:30 and run until 10:30 p.m. At the present time the classes last for 3 hours a night. Under the new system it will be possible to take two classes per night, Monday and Wednesday, plus 2 classes per night on Tuesday and Thursday. These changes make it possible for a person to take double the number of subjects over the present system.

In other words, there will be four teaching hours a week and 8 teaching stations. It is possible for one to pick up as many as

5 credits per semester counting a credit for work experience. There are three ways to earn credits toward a high school diploma:

1. Credits may be accumulated by those who served with the armed service. They may earn up to 4 credits for service credit.
2. An individual may earn as many as four credits by taking an approved correspondence course, and these correspondence schools are determined by Plymouth High School authorities.
3. Through a working experience. The courses offered are required to have at least 10 students enrolled in each class. There is a great need for welders in this area and all those interested in

developing this skill are encouraged to take the night school welding course. This is just one example of the needs of business today. Other areas are drafting, business machine training, secretarial training, and bookkeeping, to name a few.

If you are interested in improving your present status and the above program appeals to you, call the High School Guidance Office at 453-3100 or the YMCA Office 453-2904.

If there is any problem that you have in connection with your present work and wish to find help in procuring a new job, the YMCA will be glad to help you discuss this matter and assist you in looking for something different.

## St. Peter's celebrates 110th anniversary

On March 6 St. Peter's Lutheran Church of Plymouth will celebrate the first one hundred and ten years of its existence as a congregation. The occasion will be marked by special services.

Pastor Norman Berg, Pastor of the Church since 1960, will deliver the sermon, "The Junior Choir will sing 'O, God Our Help In Ages Past,' and the Senior Choir will offer praise with 'The Lord God Hitherto Hath Helped Us.'"

There will be a display in the Narthex featuring pictures of Plymouth 110 years ago, as well as early church photos and documents.

The history of the St. Peter's Lutheran Church in Plymouth goes back to 1833, only 8 years after the founding of the City of Plymouth.

Rev. Friedrich Schmid, who established the first Lutheran Church in Michigan, near Ann Arbor, served the scattered settlers here with the Word of God three times a year.

The opportunity to organize was presented to the little group in 1856 when the local First Baptist Society put their small church up for sale. The 12 family heads, one of whom was Peter Gayde, father of the oldest member of the

church, Miss Amelia Gayde, met in Peter Gayde's store.

They adopted a constitution and decided to buy the Baptist Church for \$140. They had \$8 cash to pay on the building. Since they could not buy the site with the church, they were compelled to purchase lots at the east end of Spring Street. They paid \$25 for the lots and an additional \$18 for moving the building. Yet, the entire debt was retired by November, 1858 and the little church was dedicated at Christmas time, 1858.

Rev. Schmid continued to serve the congregation until the end of the Civil War and then, from 1865 to 1900, the church was served by 14 different pastors. In 1883 a new church was erected on Spring Street.

The Rev. George Ehnis served the congregation for almost 18 years, 1891 to 1909, the Rev. Oscar Peters until 1912, and Rev. John Roeckle until 1915, and the Rev. Charles Strasen to 1929. Pastor Edgar Hoenecke, now Chairman of the Synod's Board for World Missions, was pastor of the church from 1929 to 1960.

A major building, relocation and expansion program was begun in 1940. An eight grade Christian Day School was built on Penniman Avenue and dedicated September 7, 1947.

Richard Scharf heads a staff of four teachers at the Day School. The Early American style Church in which the congregation now worships at 1343 Penniman Ave., was dedicated in 1955.

All friends and neighbors in the community are invited to join in the Anniversary Celebration by attending the church services at 8 and 10:15 a.m. this Sunday, March 6.

The Plymouth Assembly for Equal Opportunity, chaired this year by Plymouth City Attorney Tom Healy, is one of seven charter members of the Associated Human Relations Councils of Wayne County. The Associated Councils is being temporarily chaired by Norman Thoburn, 1052 Harding.

The Association is being formed in order to coordinate projects on a countrywide basis so that they will have more effect than if they are carried out one by one. It will also afford a chance to make the experiences of each local group available to the other groups, so that each can profit from the successes and mistakes of the others.

Perhaps most important, it will give suburban groups a chance to work with, and to meet regularly with, people from core city groups, since communication between suburban citizen groups and their counterpart neighborhood associations in the core city of Detroit needs to be encouraged, assembly spokesmen say.

Membership is restricted to volunteer citizen groups, in Wayne County, which are formed for the purpose of promoting equal opportunity in housing, education, and employment for all people, regardless of race, creed, or color.

Official groups and local chapters of national organizations are not included, since it is felt that local action by volunteer local people is an important principle, and a traditionally American one, which should be preserved and strengthened whenever possible.

The Associated Councils first met as a group on Sunday, January 30, at the Central Methodist Church, Woodward at Adams, Detroit. Reports were heard from committees on organization and programs, and charter member groups formed the Associated Councils then and there. The next meeting will be at the same place on Sunday, March 20.

## Promote Gilmore, West to new jobs at B-G-R

Broader responsibilities for three men at the Plymouth plant of Associated Spring Corporation were announced by Lester F. Johns, general manager of the corporation's Midwest Region.

Robert C. Gilmore, who had been chief accountant for B-G-R Division, joins Johns' staff in control reporting and data processing.

Kenneth R. West, superintendent of the Spiral Department, assumes additional duties as chief engineer for the Plymouth plant.

John A. Redman will be in charge of the plant's accounting office. Gilmore, of 13861 Ridgewood Dr., joined ASC in 1956 as assistant to the comptroller at corporate headquarters in Bristol, Conn. He was named chief accountant to B-G-R in 1959. He is a graduate of Tufts University and the Wharton School of Finance and Commerce of the University of Pennsylvania, and is a member of the American Institute of Certified Public Accountants, and is president of the Detroit Chapter, Budget Executives Institute.

West, of Amherst Court, was graduated from the Lawrence Institute of Technology in 1950 and joined ASC the same year as

a quality control supervisor. He has served as assistant chief engineer, sales supervisor, and was placed in charge of the Spiral Department in 1965.

He is a member of the Society of Automotive Engineers, the American Society for Metals, and the Engineering Society of Detroit.

Redman, of Detroit, has held accounting posts with Associated Spring since 1927, most recently as accounting manager at Plymouth. He was graduated from Southwestern High School, Detroit, and is a member of the National Association of Accountants.

### DBT dividends

The Board of Directors of The Detroit Bank and Trust Company, at a meeting held Feb. 23, 1966, declared a quarterly dividend of sixty cents (60¢) a share on the \$10 par value Common Capital Stock of the bank, payable March 31, 1966, to or upon the order of shareholders of record March 15, 1966.

### Lt. Col. Coyle helps in test

Fort Benning, Ga. The U.S. Army Infantry Board at Fort Benning is testing a 20-mm cannon which may replace the .50 caliber machine gun on some tracked vehicles.

The 20-mm cannon is heavier and larger than the armament currently carried on the armored personnel carrier. A new tank commander's cupola (XM-27) has been produced to accommodate the new weapon. The cupola enables the gunner to hydraulically control the traverse and elevation mechanism for the gun.

Lt. Col. Marcus W. Coyle of 106 Burroughs St., a member of the Infantry Board, is project officer for the test. Personnel from the Infantry Board's Headquarters Company and the 197th Infantry Brigade are helping to conduct the field test.

# Harvey Ziel in "Outstanding Young Men" publication

Harvey L. Ziel, Chamber of Commerce treasurer, and local certified public accountant, has been selected for a place in a book titled "Outstanding Young Men of America."

The selection was announced recently by a thirteen man National Board of Editors.

Ziel was named Jaycee Man of the Year in January of 1965. Ziel, a graduate of Cleary College, has lived in the Plymouth Community since 1954. He is a partner in the Post, Smythe, Lutz and Ziel.

Doug Blankenship, Past U.S. Jaycee President (1962-63) who is serving as chairman of the Board stated that men were selected between the ages of twenty-one and thirty-six who "had distinguished themselves in one or more fields of endeavor to the point of being outstanding."

"Outstanding Young Men of America" is an annual biographical compilation of approximately 10,000 young men of outstanding rank throughout the country. Nominees for the book came from many sources.

However, the majority of the nominations are made by Junior Chamber of Commerce Chapters and College Alumni Associations.

"This book," states Henry Ford, II, "serves as more than a tribute to those it is meant to honor. It calls attention to the great capabilities of our young men and their capacity for getting things done."

The Junior Chamber of Commerce has long been active in the recognition of outstanding achievement among America's young men. Each year since 1938 the U.S. Jaycees have selected the Ten Outstanding Young Men of America.

## Carrier of the week

Jim Mills, 12, one of six children of Mr. and Mrs. James A. Mills, 1210 Junction, is this week's Carrier of the Week.

The Junior High West sixth grader enjoys baseball, basketball and ice skating.

Model building is his hobby, including planes, board and cars.

Young Jim wants to be a pilot, and likes to take trips.

His father works for Chrysler corporation, his mother is a housewife. He has two brothers, Mike and Kerry, and three sisters, Cheryl, Teresa and Beverly.

His family has lived in Plymouth for five years. Jim's route covers portions of Blunk, Irvin, Williams, Church and Junction.

## Heidt graduates

Purdue University announced a midyear graduation class of 1,252 Tuesday, qualifying to receive their degrees June 5. Among them was Larry A. Heidt 4101 Curtis Rd.

The midyear class compares with 1,145 graduates who completed their work for degrees a year ago.

## PHS singers win festival awards

Many student singers of Plymouth High School earned high ratings and praise at the Solo and Ensemble Festival held Saturday, Feb. 19, at Wayne State University in Detroit. The annual festival is sponsored by the Michigan School Vocal Association.

The highest ratings given "Superior" were earned by soprano soloist Linda Kissner accompanied by Mary Arnold and tenor soloist Ed McKelevy.

Also rated Superior were the Madrigal Singers including Mary Vallier, Judy Bennett, Karen Upton, Sue Lindquist, Ann Mills, Allison Burden, Jack Dean, Ed McKelevy, Mark Henry, Jim Nelson, and Jeff Gustafson.

The Triple Trios including Linda Kissner, Ann Van Ornum, Ruthie Fetner, Sue Baskins, Sue Hulce, Mary Arnold, Melinda Stevens, Joanna Firestone, Babe McClung and accompanist Mary Ann Sincoc.

Second division ratings of "Excellent" were earned by Cindy Hotchkin, Karen Upton, Judy Bennett, and Mary Mowen.

Judges were Robert Klepinger, Wilbur Peterson, and Harry Langford, professional and university musicians from Detroit.

# Plymouth Hi-Lites

By Judi King

They're off! The International Relations class held its last rummage sale, sold its last few boxes of candy, packed its bags and all 33 members of the class hopped on that chartered bus that left for New York yesterday!

The group will be staying in the Big City until Saturday, and will see not only the United Nations Building, but the Empire State Building, the Statue of Liberty, a Broadway play, and many of the sights of New York as well!

Ten PHS artists have had their art work accepted by the Scholastic Magazine Annual Art Competition. Special honors were received by Caroline Pagenkopf and Karen Smith for their hooked rugs. Their works will be sent to New York to compete in the national division.

Elizabeth Macer received a Gold Key award for one of her pencil drawings, which Nancy Kincaid, Margaret Rudloff, Torb Guenther, Katie Wall, Don Cowan, Sue Holland, and Don Robertson have exhibits of either drawings, woodcut prints, and weavings.

Congratulations are extended to all of these fine artists!

Heading the staff of the Plythean for next year will be newly-appointed editor-in-chief, Nancy Kincaid. Assisting her will be managing editor, Jane Emerson, and Sue Sloan, business manager.

The three were part of a group which attended a journalism and yearbook conference at Redford Union High School last Wednesday. Others attending were Plythean members Mary Ann Sincoc, Rhea Fluckey, Sherada Erdelyi, Pete Bender, Sheila May, Liisa Hanson, Kathy Beridge, and Kathy Sineveck and Pilgrim Prints staffers Judi King, Marg Rudloff, Mary Theeke, Jan Marshall, Dave Jones, Randy Williams, Ruth Sheldon, JoAnn Skeba, Pat Hart Ed Wendover, Craig Gaffield, Linda Harden, and Jerry Nor-

## Associated Spring directors plan 3-for-2 stock split

Directors of Associated Spring Corporation, Bristol, Conn., meeting in New York, proposed a 3-for-2 stock split, declared the usual cash dividend of 35 cents per share on the present shares and announced their intention to increase the dividend in the next quarter if the split is approved.

The split proposal for ASC's common stock will be presented for shareholder approval at the annual meeting April 6. If approved, it will become effective April 7 and certificates for the additional shares will be distributed no later than April 29.

Associated Spring common currently has a \$10 par value. There are 2,500,000 shares authorized and 1,133,052 shares outstanding. Approval of the split will decrease par value by one-third and increase the number of authorized and issued shares by one-half.

A first quarter cash dividend of 35 cents per share was declared on the present stock, payable March 10 to shareholders of record March 1.

Directors announced their intention to declare a second quarter dividend of 25 cents on the split stock, a 7% increase in the present rate, if shareholders approve the split proposal. Nineteen sixty-five marked the fourth consecutive year in which ASC's dividend payout has risen.

quist. Both staffs attended meetings and picked up some interesting tips at this annual Suburban Six Conference.

Forty-four members of two special English classes for juniors slipped by the "Skin of Their Teeth" to Wayne State's Hilberry Theatre last Wednesday. Hilberry will also be the destination for 150 seniors on March 9 as they travel downtown to see Shakespeare's "The Tempest."

"Weddin' Shoes," a one-act comedy by Clarissa P. Schwetkert, was presented last Thursday in the auditorium by the play production class. The play was directed by Donna Cook and Sue Foote.

PHS commends the music department for a fine concert presented Saturday night. The band played selections from the Broadway hit musical "Funny Girl" while the choir sang a number of selected songs.

Students wishing to find out about scholarships offered by the Detroit Engineering Institute, the Plymouth Garden Club, the Soroptimists, or the March of

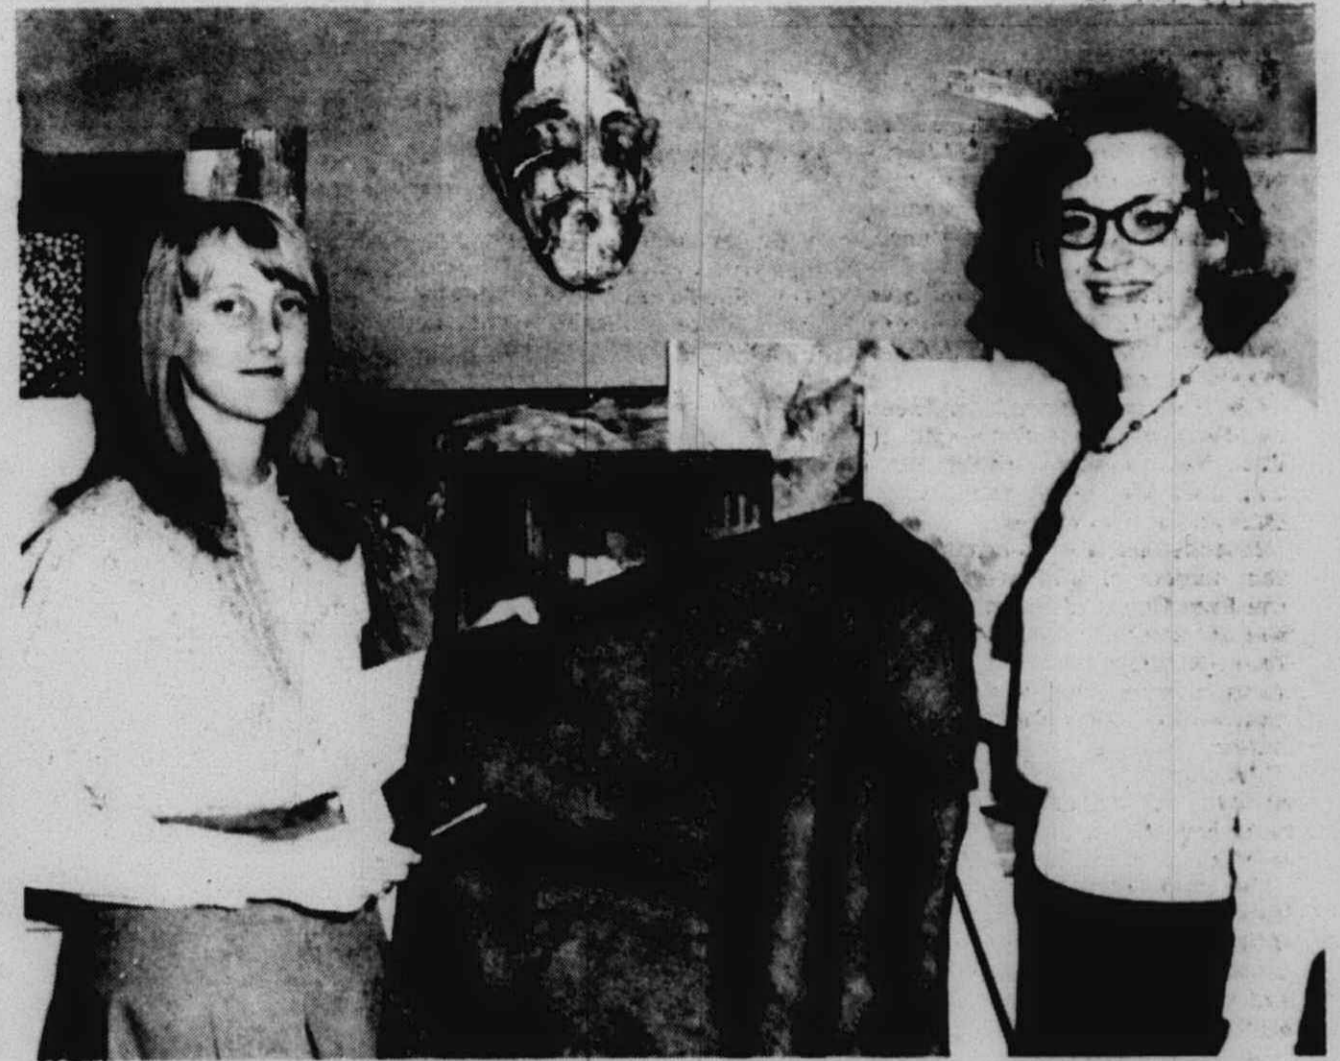

Dimes are asked to see their counselors or members of the guidance department.

Some "news adrift" about this year's water show, "News Adrift" - busy Water Waves and Ripples are getting set for a May 5, 6, and 7 deadline. Almost ready for the "presses to roll" is the "Chimney sweeps" number with members Pam Ciampa, Joanna Firestone, Faye Humphries, Pat Kelly, and Carole Overholt.

"Featured" in the cast will be soloist Kay Zoet and the duets of Sandy Rittenhouse and Nancy Spigarelli and Kay Zoet and Laura Raaflaub. And - the girls have added something new to the show this year! They will present the diving of Sue Camp, Kit Flora, Judi Utter, and Sandy Rittenhouse during intermission!

Things are looking up for all of us sad and lonely young maidens! Someone has finally come to rescue us "damsels in distress"! On March 11, the GAA will sponsor...

A Sadie Hawkins Dance. Chances like this come only once a year! Take advantage of it!

Two blue ribbon winners in the recent district high school art competition were Karen Smith and Carol Pagenkopf. Their originally designed hooked rugs were chosen to be sent to national division competition in New York.

# Don't Turn Your Back on the BARE FACTS!

### And What Are the Bare Facts... Who Can You Believe?

We claim to have the lowest prices in town on Health and Beauty Aids... and so do lots of other stores.

It is not necessarily the store that shouts the loudest about a few specials... that advertises the most... that has stamps... premiums... coupons... etc. that gives you the greatest total savings... although it might appear so.

The facts are... well, don't take our word for it, why don't you check & compare, item for item... price for price... brand for brand, and see for yourself.

## Name Demel to Madonna College Board of Trustees

Earl Demel long-time Plymouth Township legal counsel, has been appointed as the first layman to the Madonna College Board of Trustees in Livonia, announced Chairman of the Board, Mother Mary Alexander, CSSF.

At present he is a practicing lawyer with an office in Plymouth. He took his L.L.B. degree at the University of Detroit in 1932. Since that time he has held the

Earl Demel

positions of Village President of Center Line, Michigan (1934-1935); Justice of the Peace for Warren, Michigan (1934-1938); Public Administrator for Wayne County, (1941-1942); Attorney for the Township of Plymouth for some 25 years.

Demel is a member of the Detroit Bar Association; Suburban Bar Association, he is licensed to practice law in the State of Michigan, U.S. District Court and U.S. District Court of Appeals and U.S. Treasury Department.

He is a member of the Knights of Columbus, life-time member of the Detroit General Assembly and Council 3292, Plymouth; University of Detroit "Titan Club." He has served on the Madonna College Advisory Board since 1959, and has been chairman of the board from 1963-1964.

Demel was chosen as the first layman to the board of trustees because of his interest and willingness to serve the college.

"In appointing Demel," Mother Alexander said, "we hope to increase the competence of overseeing the operation of running a college. With his experience he may also provide stimulating ideas to further the continuous fundraising activities which are now one of the ordinary functions of college administration."

Demel, in accepting the appointment, said that it was his sincere desire "to assist the Board of Trustees of Madonna College in the attainment of its goals."

Kathleen McIntyre, 15512 Lake Side Drive, has earned academic distinction at DePauw University by qualifying for membership in Alpha Lambda Delta, scholastic honorary for freshman women. Miss McIntyre is the daughter of Mrs. Ruth McIntyre. She plans to major in French at DePauw. Eligibility for the honorary is based on the attainment of at least a 3.5 (B+ or better) grade average during the first semester of the freshman year.

# Rocks hosts league swimmers this weekend

Plymouth will host the Suburban Six swimming meet this weekend. Preliminaries for the 400 free-

style and diving events will begin at 3 p.m. on Friday, March 4. Saturday, March 5, preliminaries for other events will begin at 1 p.m. Finals for the meet start at 7:30 p.m.

The meet determines the League championship. In the past dual meet records during the season, and the League meet performance were combined to determine League standings. This year, the League meet will be the sole basis

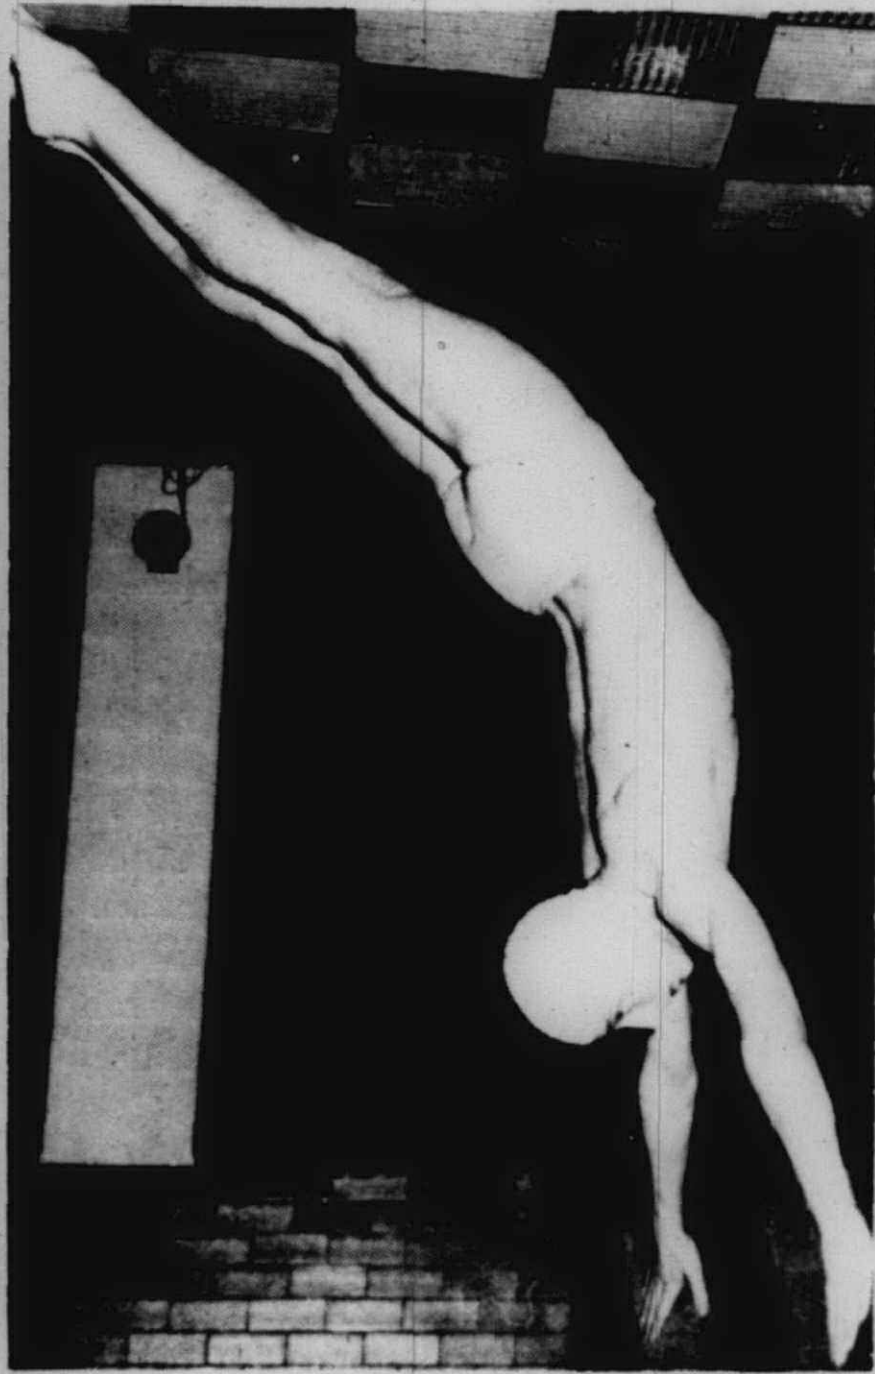

for determining League championships. Trenton, swimming with one of the best squads in the state, is a heavy favorite to win. There will be no advance sale of tickets. Admission to Friday's prelims cost 25 cents; to Saturday's prelims, 25 cents for students, 50 cents for adults; and to the finals 50 cents for students and \$1 for adults.

Plymouth swimmers lost both relays and thus the meet last week against Allen Park, 60-43. The meet was the last of the dual meet season, with the League meet set for this week end.

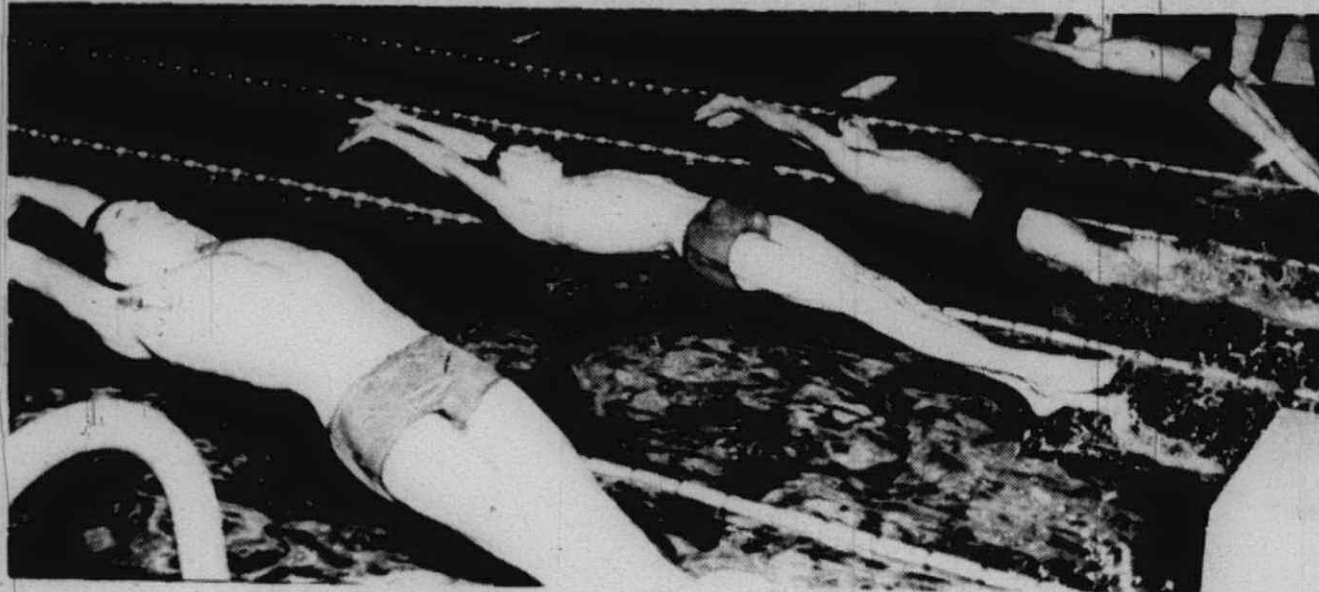

**VARSITY RESULTS**  
Medley relay: second.  
200 Freestyle: John Skinner, first, Bill Wolfe, second.  
50 Freestyle: Pat Brady, second.  
Individual medley: Bob Rienas, first.

Diving: Rick Lorenz, second, John Larson, third.  
Butterfly: Malbouef, third.  
100 Freestyle: Wolfe, second.  
Backstroke: Ron Withhoff, first.  
Breaststroke: Biff Leonard, second.

200 Freestyle relay: second.  
400 Freestyle: Rienas, second.

Plymouth's divers look like they are nearly hitting the ceiling because of the camera angle. Rick Lorenz, left, and John Larson right, show their form during a meet two weeks ago.

THEY'RE OFF. The backstroke event at a recent PHS meet gets underway with perfect timing.

## sports

in The Plymouth Community

### Become a water safety instructor at PHS class

There is great need for qualified life guards and aquatic specialists in our "Water Wonderland" state of Michigan during the coming summer months. In

order to fill the need, however, these specialists must be trained...qualified instructors are needed! Red Cross volunteer instructor trainers Arnie Pykas, 45560 W. Ann Arbor Trail, Plymouth Willet Herrington, 30420 Rush, Garden City; and Hugh Laird, 17302 Wakendon, Detroit, plan to do something about it.

In cooperation with the Plymouth Board of Education and the Southeastern Michigan Chapter of Red Cross, they will be teaching a free Water Safety Instructors course beginning Friday, March 4, 7 p.m., at the Plymouth High School, 650 Church Street. The three hour a night course will be conducted each consecutive Friday for ten weeks, ending on May 6.

To enroll, or for further information, call Red Cross, 961-3900, ext. 254.

### NEED MORE HELP

## Jr. League Baseball set March 8 meeting

Although the 1966 Plymouth Community Baseball Junior League program is several months away, league officials believe in planning ahead. At a preliminary meeting recently it was agreed that, while last year's program was successful, the shortage of volunteers created several problems.

League officials urge that anyone who is interested in helping in such areas as league officials, umpires, managers and coaching, contact Ken Vogras (GL 3-8186).

At a league meeting held recently it was decided that a \$3 fee would be charged all boys in order to maintain insurance coverage and purchase balls, bats, uniforms and other necessary equipment.

Other decisions were: Registrations will be held April 16 and 23 at the American Legion Hall on Sheldon Road. Specific details of the registration will be announced at a later date.

Tryouts will be held April 25, 26 and 27, with a player auction being held on April 29.

The regular season will start on Saturday, June 4. Plans for opening ceremonies are being worked out.

An umpire school will be conducted prior to the season's start. It is hoped that enough interested adults will volunteer to eliminate last year's critical shortage in this area.

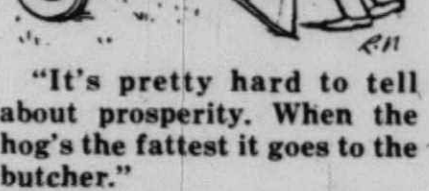

Eligibility will be limited to boys who have not reached their 13th birthday prior to July 31, 1966.

A meeting of the league will be held at 8 p.m. on March 8 at the American Legion Hall on Sheldon Road. Interested members of the community are invited to attend this meeting.

To acquaint new members of the community, John Schmidt, publicity director, explains that the league is open to all boys 8 through 12 within the Plymouth Community district, and consists of twelve Major and twelve Minor league teams.

Adult participation is on a voluntary non-paying basis. Last year about 400 youngsters actively participated in the program, which is completely independent of the Plymouth school system recreation program and the nationwide Little League Program.

"It's pretty hard to tell about the prosperity. When the hog's the fattest it goes to the butcher."

## Junior League Basketball

The Celtics still lead the way in both classes of the Junior Basketball League—the Class "B" Celtics are all alone, and the "A" Celtics are tied 4-0 with the Warriors.

The Badgers lost their first game of the season in "AA" Saturday, dropping a game 40-25 to the Wolverines. Earlier they beat the Buckeyes 43-26.

## JV tankers nip AP in last meet

The JV swimmers ended the season with a 55-50 hard-earned victory over Allen Park, giving them a 5-6 mark overall last week.

**JV RESULTS**  
Medley relay: Brian Foust, Pat Gallagher, Mike Malbouef and Bruce Gould, first.

200 Freestyle: Rienas, first, Paul Pugsley, second.  
50 Freestyle: John Norman, second, Doug Bates, third.

Individual medley: Mark Newman, second, Dave Derr, third.  
Diving: John Larson, first.

Butterfly: Malbouef, first, Gallagher, third.  
100 Freestyle: Mark Whittaker, second, Norman, third.

Backstroke: Brian Foust, first.  
**Serving Our Country**

**Arthur Fulton**  
Army Pvt. Arthur V. Fulton Jr., whose parents live at 15601 Park Lane, completed the Infantry School's three-week airborne course at Fort Benning, Ga., Feb. 12.

The training, which included five jumps from a C-130 airplane flying at more than 170 miles per hour at an altitude of 1,250 feet, qualified Fulton as a parachutist.

The 20-year-old soldier entered the Army in September 1965, received basic training at Fort Knox, Ky. and was last stationed at Fort Leonard Wood, Mo.

He is a 1964 graduate of Plymouth High School.

Don Goerlitz, second.  
Breaststroke: Ed Sanocki, third.  
200 Freestyle Relay: second.  
400 Freestyle: Gould, second.

JV swim coach Tom Workman said many members of his squad showed "tremendous improvement". He cited the improvements in times made by Bates, Rod Ready, Derr, Goerlitz, Mark Williams, Craig Notebaert, Jim Gilbert and Don Allen.

"We just finished three months of hard work, and they all experienced improvement," Workman said.

# Plymouth whips Allen Park with free throws, 4th quarter shoot-out

The Rock cagers dumped Allen Park 68-52 Friday avenging an earlier 74-65 loss, and ending a drab season on a winning note.

The victory was the second straight win for Plymouth, who last week edged Redford Union in a 61-60 thriller.

The win left Plymouth in a tie with the Park, both with 4-6 records. Plymouth beat Belleville in their two encounters for the other two wins.

### Suburban Six Final Standings

Team	W	L
Trenton	9	1
Bentley	8	2
Redford Union	5	5
Allen Park	4	6
Plymouth	4	6
Belleville	0	10

The Rocks tangled with Walled Lake at N. Farmington in the district tournament Tuesday night, but the results of that game came in too late to make this week's Mail.

In the Allen Park tilt, Plymouth poured in 25 points in their best quarter of the season, with sophomore forward Mike Stakias leading the way. Four players were in the double figures. Stakias hit for 19 points, and was helped with 12 from Chuck Catlett, 15 from Bob McCall and 14 from Nate Luibrand.

Plymouth led 11-9 at the end of the first quarter, and

held a slim 29-23 margin at the half.

Taking advantage of free throws, Plymouth hit for 30 of 39 charity tosses for a sizzling 79%.

Allen Park cut the lead to three points at the end of the third quarter, then the Rocks exploded with its 25-point final frame.

Jim Fanto scored 12 to lead the Park.

Plymouth 11 18 14 25 68

Allen Park 9 14 17 12 52

### Jr. High swimmers post 6-3 record; win last meet

Paul Cummings Junior High swimmers drubbed John Glenn 52-44 Wednesday, ending with the best record this year for Plymouth inter-school teams - six wins, three losses.

Jack Smith, Ralph Collins, Randy Keeth, first. 200 Freestyle: Steve Malbouef, second, Ed Norman, third. 50 Freestyle: Bill Kloote, second.

Butterfly: Jewkes, first. 100 Freestyle: Len Wendel, second, Beglinger, third.

Backstroke: Bob Andes, first, White, second.

Breaststroke: Smith, first, Riley Hopson, third. 200 Freestyle relay: second.

### JUNIOR HIGH RESULTS

Medley relay: CRAIG White,

## Hockey Association teams out of playoffs

Plymouth Hockey Association teams were pushed out of the

### 8th clobbered 50-12; 9th wins easily

The ninth graders handed Farmington a 42-25 defeat last Thursday utilizing balanced scoring.

The ninth graders held a 10-2 edge at the end of the first quarter, and had expanded that to a 21-9 bulge by the half.

Farmington's meager offense could do little, with nine points in the last frame their highest point production for a quarter.

Scoring honors were split between Bruce Edwards and Bruce Bauman with 10 points each; Bob Kellman netted seven, and LaFry Wasalaski nine.

In the eighth grade game, the hapless Plymouth squad was topped 50-12 in a runaway victory for Farmington.

Farmington scored 21 points in the second quarter, and led 32 to 6 at the half.

The Junior High teams play Dunkel here next week, at Jr. High East.

Garden City playoffs last week, thus ending ice play for nearly 100 Plymouth youngsters. The Trading Post lost 5-0 to Garden City; Wilson's Engineering was nipped 2-1 by Dearborn Heights, with Pat Williams getting the one goal.

University Litho lost to Nankin, 4-0 and the Garden City team whipped the VFW squad 4-1 with Don Chisholm getting the only Plymouth goal.

A special banquet is planned for the near future, with details to be announced soon.

### Sign up now for spring swim club

Once again the Plymouth Swim Club will begin a new session for the spring season.

Newcomers as well as former members are invited to join beginning Saturday, Feb. 26 from 11:30 a.m. to 1 p.m. in the high school pool.

All other Saturday practices will be held from 9 to 10:30 a.m. Evening weekly practices will be on Tuesdays and Wednesdays from 6 to 7:30 p.m.

### My Neighbors

The Plymouth Swim Club has been established for the purpose of bringing together children of elementary through high school ages for competition with others in speed swimming.

The fee for one session, which includes about 30 meetings of practice, instruction and meets is \$10 for the first child and \$5 for each additional child of one family.

This fee may be paid in advance to the Plymouth Recreation Office in the high school. Newcomers will be supplied with sweatshirts and suit patches. The coach again this session will be Ed Kleinsmith.

### JV's end with 7-7 mark after loss to AP

Plymouth's JV quint folded in the fourth quarter after a neck-and-neck race with Allen Park, and lost 62-58 Friday.

The loss evened the season out for Pat Montagan's squad at 7-7, one of the better PHS sports records this year.

Key player Mike Kubik fouled out late in the fourth quarter, and hit only nine points, somewhat below his normal point production.

Jeff Adams hit for 14, and Jaye Hayes topped Rock scorers with 17.

Plymouth led 17-16 at the end of the first quarter of the hard fought contest, and held a 38-37 edge at the half.

The JV moved ahead two more points by the end of the third frame, and led 51-48.

But the loss of Kubik, and a cold spell left the Rocks with only seven points in the final quarter.

Allen Park hit six free throws in the closing minutes, and had three men in double figures, including J. Cabautin with 22.

# How Senior Citizens Homestead Tax Exemptions obtained

**From the Attorney General's Office**  
 Last year the Michigan legislature enacted a Senior Citizens Homestead Tax Exemption law which exempts from taxation up to \$2,500 of the state equalized value of a home. A home would be subject to this exemption if:  
 • It is owned and used as a home by a person over the age of 65 years;  
 • The owner has been a Michigan resident for the last seven years;  
 • The owner has an income which, together with that of other owners of the homestead and his co-occupying spouse, is not more than \$5,000; and  
 • Does not own in excess of \$10,000 of state equalized value of real property located within the state of Michigan.

**Post office has forms for summer job openings**  
 A nationwide competitive examination has just been announced for temporary summer employment in a number of larger post offices throughout the country, it was stated jointly today by Postmaster General Lawrence F. O'Brien and Civil Service Commission Chairman John W. Macy, Jr. The new examination was developed as part of the previously announced plan to assure that selections for summer jobs are made on the basis of merit.  
 The examination will be used to select the best qualified applicants for employment as seasonal assistants between May 1 and September 30, 1966. Applications for the positions, which pay \$2.37 an hour, will be accepted through February 24. A written test taking less than one hour will be held in March in over 1,000 cities.  
 Applicants must be at least 19 years old at time of appointment; however, this minimum age is waived for high school graduates who will be at least 16 years old at the time they enter on duty.  
 Copies of the examination announcement and application forms (Form 5000AB) may be obtained at the Plymouth Post Office.

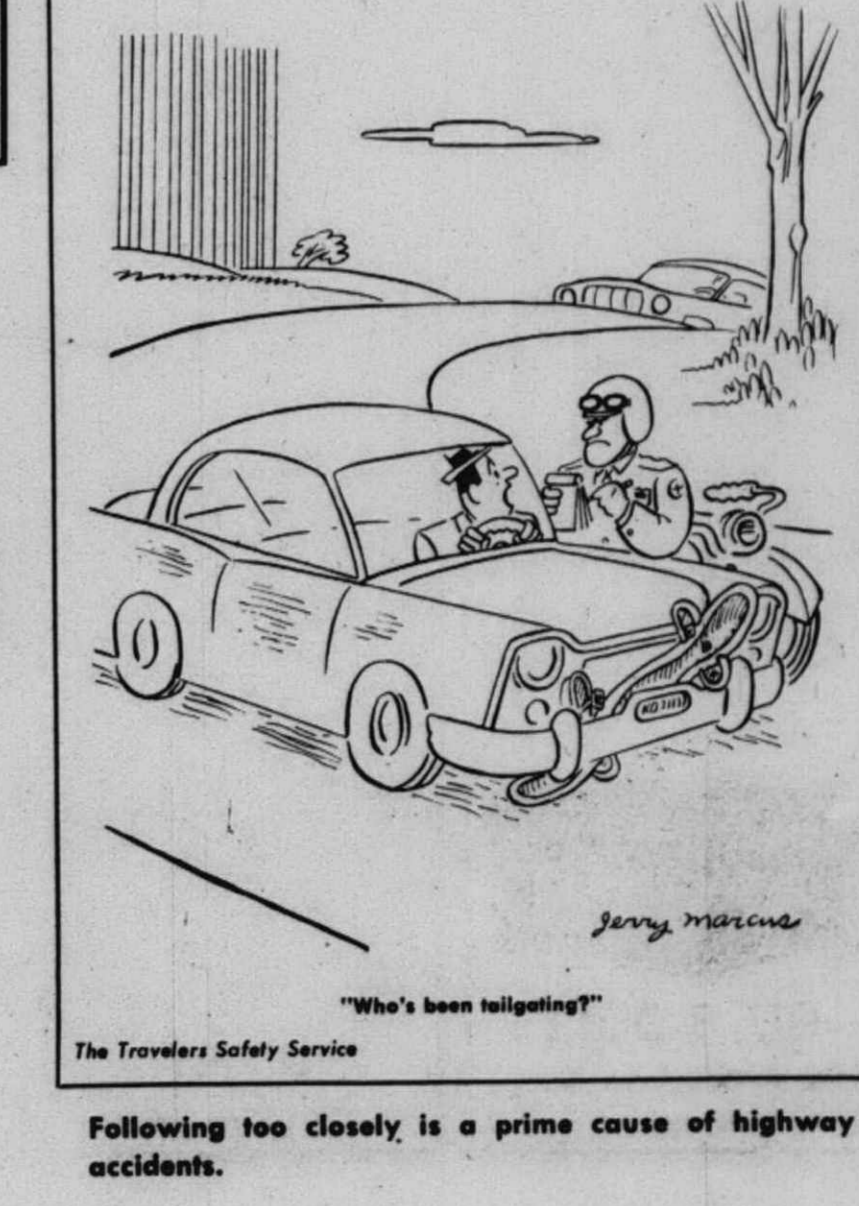

# Gold Seal holds sales clinics

A series of regional "photo clinics" for drug store personnel has been undertaken by Gold Seal Photo Service, Inc. of Plymouth to help show drug store owners and their clerks how to boost camera counter profits and provide better service to customers.  
 The clinics, offering the latest information on new cameras and photo equipment, are designed to train personnel in photo department counseling. Store owners and their clerks are brought up to date on the capabilities of new photographic accessories, the kinds and uses of film available, and the best methods of handling over-the-counter photofinishing orders.  
 Harold Head, president, indicated that drug store personnel attending the clinics are thus able to answer customer questions dealing with non-professional photo problems, suggest the right products for ordinary "snap-shooting", and, in effect, help to improve photo department services.  
 Many of the clinics held thus far have been late evening sessions led by Frank Kierdorf, Gold Seal Sales Manager, assisted by William Luke.  
 A new series of photo clinics at Gold Seal's new processing facility in Plymouth is being planned for the coming months. These are to feature in-plant tours as well as the regular instruction sessions, according to Head.  
 For information on dates and location of future photo clinics, inquiries should be addressed to Frank Kierdorf, Sales Manager, Gold Seal Photo Service, Inc., 775 Davis St.

# Schoolcraft to send four to convention

Dr. Eric J. Bradner, President; Dr. Dell Reed, Dean of Academic Instruction; Mrs. Harriet Sattig, Director of Nursing; and Robert Stenger, Faculty Forum President, attended the 46th Annual Convention of the American Association of Junior Colleges in St. Louis, Missouri, March 1 through March 4, representing Schoolcraft College.  
 Among topics to be considered by administrators will be the use of computers in colleges, student personnel services, transfer of junior college students, new curricula, and the evaluation of teaching.
