

More money or poorer schools, that's the choice

A substantial financial burden or deterioration of present educational levels in the Plymouth Community School District - those are the alternatives district parents and taxpayers will be faced with in the next decade.

The two directions were spelled out Monday evening by William Fronk, chairman of the school board-appointed Citizens' Facilities Study Committee, at a special meeting held in the Library of Junior High School West.

BY MEANS of a slide presentation, Fronk documented the painstaking research his committee has done since its appointment late last year; and he pointed to what he termed "a critical facilities problem in the next few years or in the 1970's."

The Monday evening report was just "Phase One" of the committee's recommendations. Phase Two, to be completed by May 31, will include detailed financial recommendations.

The committee, made up of a cross section of citizens from throughout the 45-plus square mile school district, arrived at its projections and conclusions by cross checking itself carefully through varying methods.

These are some of the things the committee believes will happen in the next few years:

(1) New home construction in the next few years will proceed at the rate of about 700 new homes per year. This is based on current rates and developments and does not rule out

new projects by subdividers and developers.

(2) Apparently, the committee feels the ratio of children per home will be about .67 preschoolers and 1.18 school children. These figures are averages taken from recently developed subdivisions.

(3) School enrollment will skyrocket from its present level of about 6,700 students to a projected student population of about 14,100 students in the 1971-72 school year.

(4) Given the present rate of planned school construction, with no additional facilities, the school district could look forward to a surplus of about 5,000 students within six years from now. According to Fronk, the com-

mittee looked long and hard at these figures, repeatedly questioning them and seeking other validating data. After satisfying themselves that their figures are as accurate as possible, the committee made these recommendations:

(1) Next year, if the projected 200 student surplus materializes, the school district is urged to investigate trailer facilities. The only other solution would be to go on half-day schedules in some areas.

(2) Another 300 student increase is expected in 1967-68. Based on this, a "crash program" to erect another elementary school is recommended. The alternative would be to construct elementary school

number eight larger than is presently planned.

(3) A third junior high school should be planned for the 1968-69 year to take care of excess sixth graders plus a 350 student surplus in grades seven through nine. Construction of the third junior high would not, Fronk emphasized, solve the problem of the 280 extra students anticipated in grades 10 through 12. Extra students mean those over and above classroom capacity in the school system.

(4) It was recommended by the committee that Elementary School No. 8 be built as planned; that Elementary No. 9 be readied by the 1967-68 school year; that a tenth elementary school be prepared for 1970-71 and an

eleventh for the 1971-72 school year.

(5) Junior High School No. Three, as mentioned above, would be built for the 1968-69 year; and a fourth Junior High, the committee said, should be ready by 1971-72.

(6) A second high school was recommended for the 1969-70 year, complete with athletic plant, auditorium, swimming pool and a normal high school curriculum. The committee will work closely with members of the previously appointed Citizens' Auditorium Committee, chaired by Sam Hudson of Plymouth Township, to determine the feasibility of including a community-type auditorium in the second high school project. Factors outlined that might

throw projections off and further increase the load on the school district included construction of the new Ford plant on Sheldon Road, completion of Interstate Highways I-96 and I-275 in the area and possible location of a large government atomic research facility in Northfield Township, west of Plymouth.

THE COMMITTEE chose not to recommend specific sites for school construction. But they did indicate general areas.

Also they recommended adoption of the "Ann Arbor plan" of site acquisition where a committee of local realtors is appointed to negotiate on behalf of the school district. They recommended immediate

"Where The Plymouth Community Comes First"

2 Sections, 18 Pages

10 Cents

Policeman, have you seen my dog 'Dum Dum'?

A man calls to say his wife is being followed by some men in a car.

A school principal phones about a young man who asked two girls to get into his car.

A sleepy resident grumbles over the phone about barking dogs.

An angry housewife reports boys shooting at her house with a B B gun.

A youth reports a bike stolen.

A City official reports a car weaving in the road, driver appears intoxicated.

These and endless other calls come into the City of Plymouth police department, and are recorded on a daily log sheet.

Despite the fact that few of the things that happen in the Plymouth police department make headlines, the daily routine reflects that Plymouth is neither crime-free, nor easy to police.

Plymouth City police, like many other small departments do much more than fight and investigate crimes.

Much of their time is spent on non-criminal complaints. Here's a sample taken from the daily log of the department.

Name 24 winners of hams

More than 20 local winners will sit down to tender, juicy Stop & Shop Supermarket hams Easter Sunday as their prize for participating in The Plymouth Mail's Easter Ham Contest.

A total of 24 local businesses participated in the promotion. Businesses and winners were: Kresge's; Mrs. Fay Williams, Sr. 49770 Am Arbor Rd., D & C Store; Evelyn Cash, 1007 Harding; Peterson Drug; W. L. Rathburn, 644 Jenner; Terry's Bakery; Mae Kisabeth, 9423 Oakview Dr.; and the Photographic Center, Lucille Schultz, 1101 S. Harvey.

Other winners included Bonnie Discount; Mrs. John J. Gilles, 399 Adams; Stop & Shop Supermarket; A. Szymiszewski, 14575 Shadywood; Fisher's Shoes; Russell Cunningham, 9025 Ball St.; Schrader's Furniture; Mrs. Stan-

★ Please turn to page 2

ment, bound in loose leaf, and kept current, from the beginning of each year.

Each call is logged on a sheet, with names, addresses and the nature of the complaint noted. One day in January, the department, handled these complaints.

Obscene phone call, early in the a.m.

Stray dog reported.

A minor accident.

Searched for a lost beagle named "Dum Dum"; he was tri-colored.

Called to quell a domestic battle.

Take home a senior citizen who felt weary downtown.

A second obscene phone call complaint.

A complaint of a car in the middle of the road.

A notice of a runaway boy.

A stolen battery reported.

Less than half of the complaints were criminal in nature. City of Plymouth assistant police chief Loren Johnson explained:

"We spend about 50 percent of our time on domestic trouble and family problems. We arrive on the scene as a peace officer, to see that no one gets hurt. And you stay until something is settled."

Johnson, on the Plymouth force since 1942, with a lapse for the service, explained that an officer will often arrive on the scene just to keep quarreling husbands and wives from hurting each other.

If an officer witnesses an actual beating, he may arrest the attacker. But the case more often than not can fall apart in court when the victim refuses to sign a complaint.

Domestic trouble has been known to turn into trouble for police as the fighting families turn on the officer. And Plymouth has its share of such family trouble.

Calls often reflect need, and fear. Another sample from the log:

Ambulance needed. Schraders called immediately.

Drunk at Church and Harvey. He was taken home.

Someone has fallen out of bed and help is needed to get

CONDUCTOR WAYNE DUNLAP of the Plymouth Symphony and his wife listen quietly to a standing ovation accorded them at the Mayflower Meeting House Symphony Afterglow Saturday night. It was the 20th anniversary of the Plymouth Symphony Orchestra.

Sentimental night honors love affair with Symphony

Saturday night's celebration of the 20th anniversary of the Plymouth Symphony Orchestra was not for newcomers to Plymouth.

They were there, but could not feel what the long time Symphony patrons felt on this, its twentieth birthday. It was the culmination of a long love affair.

Members of the orchestra and Symphony goers gathered, after the sixth concert of the current season, in the Mayflower Meeting House for a light dinner and for remembrances.

It marked the 20th anniversary of the founding of the Symphony, which began with ten members in 1946.

WAYNE DUNLAP, Symphony conductor for 16 years, spoke to the group with a notable catch in his voice:

"I guess we do things we shouldn't do. This Orchestra has tremendous pride,

a keen sense of winning tradition. And, we have a strong family feeling; we don't lose one of our number without diminishing ourselves."

It was an evening for Plymouth's oldtimers. Dunlap honored two of the original group who still play with the Symphony: Miss Daisy Barnes and Fred Beitner. And Harold Von Bergen and William Beitner also figured in the early history of the Symphony, as did David Matheson and Leo Kawalcik, as Dunlap noted.

Special honors were given to Mrs. Norma Cassidy and Miss Hanna Strasen for their lasting interest in the Symphony.

Those gathered heard Nat Sibbold's lusty voice sing "Old Man River," and they all joined in for a chorus of "Auld Lang Syne."

It was a sentimental evening, but it was also a meeting that looked to the future, as Dunlap outlined

GUESTS at the Afterglow were Mr. and Mrs. Nat Sibbold. Sibbold entertained the audience with songs during the evening; he is a programmer for WWJ-TV. About 300 were present to honor the Symphony's first 20 years, and to launch the next 20 years.

what he hoped the Symphony could do in the next 20 years.

"We need to engage a full-time conductor;

FREE PRESS STAFFER

Viet war writer to speak to Forum

A Detroit Free Press foreign correspondent, gaining recognition in Viet Nam and at home as this generation's Ernest Hemingway, will speak to the Businessmen's Forum Thursday noon.

wrote about civil rights in Detroit and the south for the Free Press, before turning to the war in Asia.

Recognized as an excellent speaker, Van Sauter will speak about one-half hour, then open the floor to questions.

The Forum also urged any parents who have boys in Viet Nam and, who have the time, to attend the luncheon.

The Forum brings topics of current interest before businessmen and the community once a month. The meetings are open to everyone, not just businessmen.

Van Sauter

Sponsored by the Chamber of Commerce, Van Sauter will speak to a luncheon gathering at the Mayflower Meeting House across from the Mayflower Hotel.

Van Sauter, who has been with the Free Press three years, has spent 10 months of the last two years in Viet Nam. He interviews the rank and file troops, takes his own pictures, then returns home to write individual stories about each one.

He is currently on a lecture tour, speaking to many parents groups about their boys in Viet Nam.

Prior to joining the Free Press he made television commercials for an advertising agency in New York. He then returned to the University of Missouri to get a Masters degree in journalism.

A native of Ohio, he first

Easter wonder comes to area church services

The First Methodist Church, 680 Church St., will host the annual community Tre-Ore services from 12 until 3 p.m. Good Friday, April 8.

Sponsored by the Plymouth Ministerial Association, the services will have six area ministers participating:

Rev. Ron Phelps, of the Wayne County Training School; Rev. David Strange, of the Evangelical Lutheran Church of the Epiphany; Rev. Peter D. Schweitzer, of the First Methodist Church; Rev. John Walasky of the Assembly of God Church; Rev. Dr. Henry J. Walch, of the First Presbyterian Church; and Rev. Don E. Williams of the First Baptist Church.

Rev. Hugh C. White, senior pastor at the Methodist Church, will act as host.

Special music has been planned, and nursery care will be provided.

Other Good Friday and Easter Sunday services are:

ST. JOHN'S EPISCOPAL CHURCH

Maudy Thursday will be observed in St. John's Episcopal Church, with celebrations of the Holy Communion at 6:30 and 10:00 a.m. and at 7:30 p.m.

On Good Friday beginning at 1 p.m. a Devotional Service entitled "The Way of the Cross" with appropriate hymns. The sermon will be delivered by the Rev. Peter H. Beckwith on the theme, "Our Good Friday Responsibility."

With the church decorated by the members of the Altar Guild, it will provide a very appropriate setting for joyous Easter services. In accordance with the tradition of the Episcopal Church,

Holy Communion will be celebrated at 6:30 a.m., 9 a.m. and 11 a.m. A special feature of the services will be the Festal Procession with the Youth and Adult Choirs participating under the direction of Knight Vernon, Organist and Choir Director.

FIRST UNITED PRESBYTERIAN CHURCH OF PLYMOUTH

Thursday, April 7, 7:45 p.m. - Maundy Thursday Communion.

Friday, April 8, 12 - 3 p.m. - Good Friday Union Tre-Ore Services - First Methodist Church.

Saturday, April 9, 4 p.m. - Easter Even Baptismal Service for Infants

Sunday, April 10 - 3 services: 8, 9:30 and 11 a.m. Church

★ Please turn to page 8

Schools close; Mail closes

Friday afternoon

Plymouth Community Schools will close for Easter Vacation after school April 7, and resume Monday morning, April 18.

Our Lady of Good Counsel will follow the same schedule.

St. Peter's Lutheran School will close April 7, and resume April 13.

The Plymouth Mail offices will close Good Friday afternoon, from noon until 3 p.m. And many of the stores uptown will follow a similar schedule.

God is not dead - an Easter Message

by Donald E. Williams, Pastor, First Baptist Church

Perhaps you have heard or read that some theologians have declared that God is dead, at least the traditional God of orthodox christianity.

It has been dinned into your mind that Christianity, especially as it is proclaimed by our churches, is irrelevant to 20th century, space-age man.

Easter, 1966, proclaims anew as it did that very first Easter that God is very much alive, that He is a Christ-like God who cares about you and me enough to have sent His own Son into human history to make possible and actual Life for us.

One Easter Sunday morning some years ago, a man who had been a top leader in the Czech resistance movement, greeted me with "Have you heard the news? He is risen! He really lives, you know." This man was no tremor nor was he psychotic. He was reporting to me a genuine experience in his life.

A tough appearing gorilla-like man rose to his feet in a gathering of some 200 men in Chicago and declared that he had been a personal body guard for one of the nation's biggest gangsters, but through the witness of his little daughter he had personally come to know the living Christ in his life. This experience transformed him.

There was a brilliant, attractive young coed who re-

lated to me how she had "tried everything" in her search for satisfaction, thrill, and meaning to life, but found only emptiness. Then she met and committed her life to the living Christ and life became Life! Life has direction, meaning, purpose for her now.

The president of a seminary had helped a multimillionaire, in his 80's, come to know this living Christ. A few years later he made a gift of a large tract of land to the school for a new campus. As he made the gift he told of the peace and joy that had now come into his life and voiced the regret that someone had not helped him to know Christ sooner.

Today as you read this, a young man who was voted one of the ten most successful young men of the United States in 1965 by the U.S. Jaycees, ministers in the name of this living Christ as a medical missionary in the Congo.

Christ, Himself, said, "I came that they may have life, and have it abundantly." He later affirmed, "Because I live, you will live also." The lives and experiences of these people as well as the witness of countless thousands testify to the truth that God certainly is alive that christianity is relevant to the 20th century man in all walks of life.

Easter, 1966, dramatically reminds us God lives. He cares. He can live in you in the living Christ of Easter.

Pay hikes, safety post figure in Twp. budget

Pay raises for Plymouth Township firemen, supervisor, and allocations for a public safety director, and a building inspector were among the key items in a record \$236,440 general fund Township budget released Monday.

The budget, for the fiscal year 1966-67, was up from last year's \$217,475 budget. Added revenues are expected from an increase in the tax assessments from new buildings, and fees and permits from new construction.

Supervisor John McEwen noted the bulk of the increases came for pay raises for Township employees, and for new personnel.

INCREASES in the fire department ran from \$940 a man up to \$1350, depending on the individual case. The new salary schedule is as follows:

Firemen: \$5700 to \$6700

Sgt.: \$5950 to \$7050

Lt.: \$6250 to \$7350

Captain: \$6600 to \$7700

The top salary is gained after five years. A six month increase of \$100 is planned, with other increases either at \$200 or \$250, each year.

And, the pay for the supervisor's job was raised to \$9800 per year, up \$500 from last year. The clerk's post re-

ENTRANTS IN the Optimists' oratorical contest were: George Hastings, 346 North Evergreen, Eric Smith, 15560 Robinwood, Dan Penrice (winner) 1432 Palmer, Tim Broderick, 199 Arthur, and Greg Beaver, 1096 Harding.

Optimists hold oratory contest

The annual Plymouth Optimist Boys' Oratorical Contest was held Monday evening, April 4th, at Lofy's. Each boy gave a five-minute talk based on the subject: "Optimism — Youths' Greatest Asset."

The winner was Daniel Penrice, 1432 Palmer. From here he will go to the zone contest at Ypsilanti; then possibly to the international contest at Baltimore, where he could win a \$1,000 scholarship.

Contest judges were Sanford Burr, Carl Schultze and James Close.

All the finalists were from Our Lady of Good Counsel, and were coached by Mrs. John Murawski.

PARTICIPATING in the three-day Model United Nations at the University of Detroit March 26, 27 and 28 was Paul Arigan of Plymouth High School, representing the nation of Denmark. More than 700 high school students from Greater Detroit and Windsor participated in intensive debate on subjects currently before the United Nations: Peaceful Use of Outer Space, the Financing of Peacekeeping Operations.

Credit Union elects officers in 3600-member organization

At the eighth annual meeting of Plymouth Community Federal Credit Union, members re-elected Margaret Dunning, Philip Johnson and Kenneth Way to the Board of Directors. Newly elected to the board was Dr. Donald Davies. Each Director will serve a two-year term. Other 1966 Board Members are Clarence Moore, Walter Hagen, George Lawton, Kal Jabara and David Wood.

That members received over \$17,000 in claims on the life insurance provided by the Credit Union on its savings and loans; That over 300 families have taken advantage of the "line of credit" offered by the Credit Union;

That the Credit Union now has the lowest interest rate on loans in the area.

Following the meeting, at a special meeting of the new board of directors, Miss Margaret Dunning was re-elected president, setting a precedent as the first president to serve two terms. Other officials elected were Philip Johnson, vice president; Kenneth Way, secretary; and George Lawton, treasurer.

District meeting at Redford Township at 8 p.m. All members are urged to attend.

Saturday, April 23 is the next "Why Are We" banquet with the Theatre Guild and Garden Club. Very interesting talk by Mr. Frank Sperti is planned.

Staff changes made at Hamilton

At its March 15 Board of Directors meeting, Alexander Hamilton Life Insurance Company of America announced a complete company realignment, involving a number of major officer and staff title changes. The new management plan categorizes the Plymouth-based firm into three distinct segments: corporate, marketing and administrative.

The corporate division, under Chairman of the Board, E. Keith Owens, will encompass: Rockwell T. Gust, Jr., the company's former legal counsel and secretary, as vice president-general counsel and secretary; James H. Milby, previously vice president-resident advisory board, as vice president-public relations; and Alyn L. Fletcher, former vice president-controller, as vice president-treasurer. A new position, director of corporate relations, will be filled by Donald D. Starr, Ph.D., former assistant to the chairman of the board. The balance of the company's operation, administrative and marketing, will be under the supervision of president Charles H. Bruce, with Robert O. Safford being named executive vice president in charge of marketing and G. Eugene Davidson appointed executive vice president of administrative division.

Under Safford, Jovite LaBonte, Jr., former 2nd vice president-marketing, will serve as vice president-marketing.

Red Cross has class for expectant moms

Because of the overwhelming response of expectant mothers (and fathers) to the recent free Mother and Baby Care Class scheduled for the Northwest area Red Cross office, 31228 Five Mile Livonia, a second class will begin on April 13, from 7 p.m. to 9 p.m. This six week class will be taught by Mrs. Howard Howison, 16545 Bramell, Detroit 19, who is an obstetrics nurse. A third class is also in the planning stages for early April. For further information or enrollment, call Red Cross, 422-2787.

The Talk of Plymouth

Miss Judy Burgett, a sophomore at Augustana College, Rock Island, Ill., is spending the Easter week with her parents, Mr. and Mrs. Floyd Burgett of Northville Road.

Mr. and Mrs. Robert Beyer honored their son, Michael, Sunday, at a family dinner, in their home on North Mill St., following his confirmation that morning in St. Peter's Lutheran church.

Mrs. Cass Fleszar entertained her card club Wednesday evening in her home on Irvin St.

Mr. and Mrs. William Michaels of Ann St., were pleasantly surprised last Wednesday evening when they arrived at Saratoga Farms for dinner, in celebration of their fiftieth wedding anniversary, to find all their children had arrived ahead of them to help them celebrate.

Mr. and Mrs. Michael Schuster have returned to their home on Sheridan Ave., after spending several months in Florida.

Mr. and Mrs. Herman Bakhaus of N. Territorial Rd., will entertain at a family dinner on Easter. Guests will include Mrs. Fritz Gale and daughter, Anita, of South Lyon, Mr. and Mrs. Robert Herron and family and Mr. and Mrs. William Milne and son, of Warren; Mr. and Mrs. Gordon Moe of Livonia, Mr. and Mrs. Michael Schuster and Mr. and Mrs. Robert Beyer and family of Plymouth.

Mr. and Mrs. William Krause, Miss Sarah Gayde, of N. Holbrook and Mrs. Lisle Alexander of N. Mill St., will be Easter Sunday dinner guests of Mr. and Mrs. John Conley in Birmingham.

Mr. and Mrs. Harold Jolliffe have returned to their home on south Holbrook after being called to California by the sudden death of Mr. Jolliffe's brother, Victor.

Name new manager at Jarvis Gift Shop

Hugh Jarvis has announced a local Plymouthite will be manager of his Ann Arbor Trail Gift Shop.

Mrs. Kay Krukltis, daughter of the Jack Selles, graduated from Plymouth High and then took her degree in retailing at Michigan State University.

Her brief but comprehensive career in retailing, which includes managerial positions at both Marshall Fields in Chicago and J. L. Hudson's in Detroit, have prepared her for this new position with the Jarvis Gift Shop.

Mrs. Krukltis and her husband an engineer at Chevrolet, Livonia, live in Plymouth.

VFW plans party for 20th anniversary

The Past Commanders of the Mayflower Post, VFW, are planning a gala 20th anniversary Dinner Dance at the post home Saturday, April 16.

Matt McLellan and Bob Burley, the first two commanders, are co-chairmen of this event, which will celebrate the founding of this active veterans' organization in April, 1946.

The program will include the presentation of pins to five, ten, 15 and 20 year members, and also will feature the burning of the mortgage in which all past commanders will participate.

The evening will open with a cocktail hour at 6 p.m. and a family style dinner will follow at 7 p.m. Dancign to the Aldoms orchestra will begin at 9:30 p.m.

All Post and Auxiliary members are invited to help the Mayflower Post celebrate this occasion.

Tickets are \$2.50 per person, with April 9 being the deadline, and can be obtained by calling Ed Olson at 453-2434 or Bud Luttermoser at 453-2417.

My Neighbors

"You don't like my new hair-do—I can tell!"

CUB PACK 1533 of Starkweather School changed Cub Scout Masters recently and the occasion marked a time for a skit from the Knights of the Round Table — the jailor and dragon. Cub master Larry Grimes ended his term, and new master, Roy Bennett began his. Here, members of Den 2 and 5 foray forth as a dragon — seven feet high and 15 feet long. Mrs. Bennett made the costume, and Mrs. Glenn Aldrich worked on the script of the skit. Each boy made suits of armor, and participated in a game of jousting.

Two things to Remember:
Plenty of eggs and a New Tie

Oh, yes... there's always the Easter bonnet to be considered but you won't find that at Carl Caplin's. No bonnets, but a good selection of debonair hats for men and young men. And the inevitable new Easter tie. The collection is truly elegant. This is the case with all of the other accessories he'll be wearing in the Easter Parade (or hoping to find in his Easter basket). So when you pick up the eggs and dye... stop at Caplin's and pick up the tie. And Happy Easter!

editorials

Thinking man's medium

NOTE: This the third of a three-part editorial series on freedom of information, a topic that is just as important at the Plymouth City, Township and School District level as it is in state and federal government. The editorials were prepared by the Newspaper Public Information committee. The Plymouth Mail subscribes wholeheartedly to their philosophy and intent.

Today isn't Johannes Gutenberg's birthday as far as we know, but it could be. With lawyers asking us to observe Law Day, pickle manufacturers making us aware of National Pickle Week, and merchants promoting Christmas buying throughout the whole year, we ask you now to pause briefly to think of Johannes Gutenberg, the father of modern printing.

Gutenberg wasn't a trouble-maker on purpose. He was an aristocrat and master craftsman. But it happened that he invented the type-mold, making movable type possible, and this opened up a real Pandora's box of problems which have bothered civilization ever since. For movable type vastly simplified the printing and dissemination of ideas.

Feudalism had already started to crumble in Gutenberg's time, but it was the hammerblows of ideas that brought the walls tumbling down. It was ideas printed on paper which proved valuable to trouble-makers everywhere. Voltaire, a trouble-maker par excellence, helped speed the French Revolution with thousands of pamphlets. English printers, in the late 17th and 18th centuries, spread ideas which liberalized their country. Ornerly men in the American colonies, such as Tom Paine, spread the gospel of liberty with news-sheets and pam-

phlets. Ideas printed on paper brought men new ways of thinking of themselves and their futures. Ideas made men dissatisfied with their lot, making them demand change.

The world hasn't been the same since men in large numbers started to read about public affairs. Government officials everywhere have never been altogether happy with men who print their ideas on paper and distribute these pieces of paper for other men to read. The air has always been full with gossip, rumor and chatter.

But thoughts on paper stay there. They can be read over and over again by many people, and the man who wrote the thoughts can be held to account for what he wrote. Printing is the thinking man's medium; print, the ideal way to put over complex ideas.

Bertrand Russell said in "Why Men Fight": "Thought is subversive and revolutionary, destructive and terrible; thought is merciless to privilege, established institutions and comfortable habits; thought is anarchic and lawless, indifferent to authority, careless of the well-tried wisdom of the ages."

We're in the business, and so is every newspaper, of putting thoughts down on paper. Nobody has put a laurel wreath on our editorial brow lately, nor given us a testimonial dinner. There are unquestionably some good citizens of our community who would stand in the street and cheer if our walls came tumbling down. That's par for the course.

We'll lay the blame to Johannes, and recommend that each year on this day we all stop to think what a happy, peaceful, controlled, feudal place this might be, if the man from Mainz hadn't started experimenting with that type-mold.

LETTERS

Danger at Haggerty-Ann Arbor brings pleas to County for help

Dear Editor:
Enclosed is a copy of a letter I am sending to Mr. Harrison, Safety and Traffic Engineer for the County of Wayne. People for years in our area have seemingly been bumping their heads against a cement wall of red tape and possibly just plain old lethargy in attempting to clear up a very bad situation. Do you suppose it would help if you printed a copy of the letter I'm sending to Mr. Harrison?

We've tried just about every approach, and have finally obtained some portable signs to place on the sides of the road, and yet we still feel this really isn't enough when one considers the hazard. Would you care to join our crusade and help us out by bringing our problem to the attention of the general public? Why must we always wait (like the TB problem in Garden City) until tragedy strikes before plain common sense safety precautions are the rule rather than the exception?

Thank you for your time and attention.

Mrs. H. G. Olson

Russel E. Harrison
Safety and Traffic Engineer
14380 Wyoming Ave.
Detroit, Michigan

Dear Mr. Harrison:
I have written letters before concerning my problem but possibly they have never reached the proper person. My concern is the joint concern of many, many other people in the Ann Arbor Rd. and Haggerty Rd. area.

Our little children must cross this very dangerous corner in order to attend the Allen Elementary School. Nine people and possibly more that I don't know of have been killed at this intersection. The posted speed limit is 45 miles an hour, but many cars are traveling at a much greater rate than this. We do have an elderly crossing guard who dearly loves our children, but in spite of this my little first grader and three others narrowly escaped being hit and possibly killed at this intersection just three days ago!

Why, oh why, must we wait until tragedy strikes before proper safety precautions are taken? They say that there is not enough traffic here to warrant a light or even a blinker, and yet the same traffic that passes the school on Ann Arbor Rd. at or near Hix Rd. (on the outskirts of Livonia) which is only about a mile and a half away must also pass our intersection.

At the Livonia school area there is a large curve in the traffic, and yet in our area it is a straight away, and people do speed at a terrific rate through

the area. Unless you are most familiar with the area you'd not even be aware that there is a school just a short ways down Haggerty Rd.

Just how did the Livonia School manage to get lights? Did they also have to wait until some little child was killed?

I've solved the problem for the time being by merely driving my child to school. As inconvenient as this is with two other infants at home, I feel I must do this to safeguard my child. Many other parents feel as I do, and this may answer our own immediate needs, but does not solve the hazardous corner situation, and we are merely adding to the traffic congestion at the corner.

Also with the weather breaking, we are depriving the children of the exercise they really should be obtaining from the walk to school.

My husband is finishing his Doctorate in Nuclear Physics and we shall be leaving the state of Michigan this summer, so why should I still be concerned? I AM CONCERNED, for I feel we should leave every area a better place in which others can reside.

I almost wish I could be so unconcerned as to say, "Oh well,

Reader suggest giving names to junior highs

Dear Editor:
Let's recognize and honor those who have and are serving their Community in the area of education - we have two Jr. High School buildings that have no name but a designation that only means direction.

I would like to propose that we honor our citizens who have worked long and hard for the Plymouth Community School District by naming the Jr. Highs.

For example - "Lovewell Jr. High" - this would recognize and honor Miss Neva Lovewell who was in the Plymouth School system longer than I can remember.

I think her history and achievements would surprise us all.

Another example - "Fischer Jr. High" - this could honor and recognize Harold and Gerald Fischer who have given and are giving tireless efforts in all phases of education and community functions.

If but for a name on a building how else can we reward these people for the services rendered

we'll soon be gone so let someone else worry about that problem!" But I could never be that lethargic and apathetic to care so little for my friends and neighbors I shall be leaving behind!

Please Mr. Harrison, can't you review this case again and think of it in terms that possibly your own child would be facing this dangerous crossing two times and possibly four times a day? I've spoken to several Wayne County Rd. Comm. men and they all agree that our particular crossing is even more dangerous than the school area just to the east of us, because there they have the curve that slows people down, and ours is a straight away where people seem to naturally speed.

Please don't make us wait until we've added another child and possibly more to the death statistics!

Thank you very much for your time, and I would appreciate greatly hearing from you in the very near future.

Sincerely,
Mrs. H. G. Olson
GL 3-1438

Police urge look-out for stolen wallet

City of Plymouth Police Department reports that money and a "driver's license" has been stolen from the following individual's pocketbook:

JUDITH LYNN DAMON
255 No. HARVEY STREET
PLYMOUTH, MICHIGAN

According to the Police Department, there is a possibility that this driver's license may be used for identification to cash checks.

The department further reports that a woman in her early 30's with dark brown, stringy hair was the only person present in the locality where Mrs. Damon was with her pocketbook.

Anyone having contact with this driver's license should notify the Police Department immediately.

That Reminds Me . . .

Plymouth Hi-Lites

By Judi King

If there's one thing PHS has, it's talent - as was well demonstrated by the performances at last Thursday's talent assembly.

Mary Ann Sincoc started off the show with a piano solo, "Pastiche Sonata", by Beethoven and was followed by Cornelia Delaney with a flute solo, "Second Movement of the Suite in A Minor" by Telemann.

The Madrigal Singers sang "Gay Little Nymphs" and "My Bonnie" Lass", followed by a piano solo, "Leibestraume" by Shiela May and a poetry reading from Dylan Thomas by Mary Jo Arnold.

The Triple Trios then sang "Try to Remember" and Karen Upton sang "Donne, Donne", an Italian folk song.

Cheryl Spence also performed a piano solo, "Have Thine Own Way", while Jack Dean sang "And You Know My Name" and Dennis McVittie did a tap dance routine to "Blue Skies".

"Oliver Cool and the Go Go Girls", Steve Dayton, Diane Young, Pat Janicki, Debbie Coolie and Phyllis Ackman, presented a humorous sketch to the song "Oliver Cool". Two bands, the Illusions and the Metros, and Mr. William Raisch, Chris Campbell and Darel Stevens as a piano, drum, and organ combo, also played. And - all three groups took part in a grand finale which really rocked the gym!

ALSO FEELING pretty "talented" are the 16 girls chosen to make up the cheerleading squad for 1966-67. The varsity squad will be Judi Utter, Peggy Clyde, Nancy Shutes, Eva Walaskay, Carol Engstrom, and Sue Camp. Making up the junior varsity squad will be Kathy Butler, Liana Wingerson, Patty Parmenter, Leslie Decker, Judy Allen, and Candy Nay. Diane Carey, Jan Sheedy, Janan Conn, and Linda Arnold will form the swimming-cross country cheerleaders.

Congratulations to all!

The rush of school elections has already gotten underway! Led by chairman Ginny Smith, the election board has been organized and started to work. Representatives to the board were chosen at Monday's homeroom meeting, and this group met with the Mayor, Mary Theeke, to nominate an all-school slate on Tuesday. Class slates were drawn up today at separate meetings after school. The class caucuses will be held on April 19.

THE FUTURE Teachers club visited the University of Michigan March 21 as a field day sponsored by the U of M Student Education Association. The group listened to a lecture, toured the campus, and ate lunch.

The "Pegasus" staff is glad to announce that their literary magazine has gone to press and will be available sometime in May!

THE LUCK of some people -

No doubt Joyce Soth is now the envy of almost every girl in school! Joyce is a member of the track team and the ONLY

GIRL to be so honored! She runs the 220, throws the shot put, and her ambition - to go to the '68 Olympics!

ATTENDING a Student Council Suburban Six Conference last week were Sue Beyer, Regan Fluckey, Darryl Dusbiber, Judi Utter, Linda Arnold, Steve Hulce, Jane Emerson, Tom Bender, Mary Theeke, and exchange student Marianne Tomisek. The conference offered several discussion groups and the members attending brought home lots of good ideas!

HAVE a nice Easter, everyone!

Starkweather presents spring "Story Book" program

Starkweather School presented their annual spring program entitled "Story Book Land" April 4 and 5 at 7:30 p.m. at the school.

The musical and dramatic production depicted characters from Chicken Licken, the Bremen Town Musicians, Three Billy Goats Gruff, Jack and the Beanstalk, Sleeping Beauty and Hansel and Gretel.

Mrs. Eleanor Burton directed the program assisted by Starkweather School faculty.

Stage scenery and properties were designed by Mrs. Beverly Graham with the help of Mrs. Dee Winter and their pupils.

THE ALTER Motor Car Company turned out twenty-five cars last week and will turn out as many again this week. This number will be increased as the season advances. The company has orders for 90 cars on their books - the best year so far.

Howard A. Brown is now Plymouth's new postmaster, having taken over the office Saturday. Mark Ladd, the retiring postmaster, has been in office a little more than eight years.

The Republicans made a clean sweep for everything but highway commissioner at Monday's election. Because of the muddy condition of the roads only 445 votes were cast with 144 straight Republican and 98 straight Democrat.

William Rice has purchased a lot at the corner of Williams and Ann St. from William Blunk and will erect a fine new home there.

Mr. and Mrs. William Kaiser, who moved to Ypsilanti a few months ago, have returned to Plymouth and Mr. Kaiser has again taken up his old position at the Central market. They will move their household belongings as soon as roads permit.

NOTE: The Plymouth Pilgrim is on vacation. His column will resume in the April 27 issue of The Plymouth Mail.

1966 Cancer Crusade head seeks volunteers

Announcement of the appointment of John L. Canfield, Mayor of Dearborn Heights as Chairman of the American Cancer Society's 1966 Crusade in Wayne County has been made by Robert E. Bylenga, Michigan Division President. The appointment was made at the organizational meeting of the Wayne County Unit Board held Monday night at Sinai Hospital.

The president said the Crusade Chairman's "long interest in the fight against cancer would add vigor and enthusiasm to the annual Crusade to help save lives from cancer and raise funds for research, education and service."

Cancer of the uterus, colon and rectum, breast, oral cavity, lung, and skin accounts for over 60 per cent of all cancer cases and almost 50 per cent of all deaths from cancer in the United States.

Here is an area in which major strides can be made now by present methods of detection and treatment.

Today there are 870,000 people in the United States under treatment for cancer. Taking into account population growth, the figure will be about 950,000 men, women and children by 1970 if present rates continue.

Also included in its stepped-up program is more funds for research - on which so many lives will depend in the future.

Mayor Canfield, a cured cancer patient himself, realizes the importance of early diagnosis. Canfield was operated on for lung cancer a few years ago.

Chairman Canfield said he was happy to undertake such a challenging and humanitarian assignment.

Herman Bakhaus to head state Angus Ass'n.

Elected president of the Michigan Angus Association at that organization's recent annual meeting was Herman Bakhaus. The meeting and banquet at the Jack Tarr Hotel, Lansing, were held in conjunction with the association's annual state futurity.

Fred Fletcher, Bay City, is the new vice president and Victor Cronk, Adrian, was retained as secretary-treasurer.

New directors are R. S. Underhill, Bath, and Jerry Haarer, Williamston. Retiring president is James H. Donahue, Okemos.

Detroit Bank and Trust unveils 'universal check'

Detroit Bank & Trust announced March 29 it will introduce June 1, 1966 a "universal check" which combines the advantages of a credit card, travelers check and cashier's check together with special customer loan privileges.

Announcement of the new service - called Bancardcheck - was made jointly by Raymond T. Perring, chairman and C. Boyd Stockmeyer, president of Detroit Bank & Trust.

Bancardcheck was introduced simultaneously by a nationwide network of commercial banks, but it will be offered in the Detroit area exclusively by Detroit Bank & Trust.

Perring and Stockmeyer cited these customer advantages of the new "universal check."

It is honored - each bank participating in the Bancardcheck program individually guarantees the checks just as it would a cashier's or certified check.

It is safe - checks are not negotiable unless properly endorsed and accompanied by a numbered Bancardcheck identification card.

It is good anywhere - customers need not seek out specific merchants, restaurants or hotels where an individual credit card will be honored.

It provides customers with \$500 in travelers checks which are not paid for until they are used.

It furnishes customers with a "built-in" accounting system for more efficient control of expenses and income tax reporting, inasmuch as all Bancardchecks are processed through the customer's own checking account.

If the Bancardcheck customer does not have sufficient funds in his checking account to "cover" a Bancardcheck, the bank will pay the check and will automatically deposit additional funds in his account to "cover" the check. These additional funds will create an automatic loan for which a small interest charge will be made.

Perring and Stockmeyer also pointed out that the Bancardcheck program offers distinct advantages to business firms - especially those where executives, sales personnel and other employees incur expenses in entertainment and travel. The new service eliminates the necessity for substantial expense account advances, reduces the cost of expense account administration, provides closer expense account control and supplies records acceptable to the Internal Revenue Service.

Bancardcheck holders will be supplied with a checkbook containing \$500 worth of checks in \$25 and/or \$50 denominations. Unlike the conventional travelers check, these are not paid for in advance and an individual check may be filled out for any amount up to the maximum imprinted upon the check.

The cost to the cardholder will be \$5 annually for the Detroit Bank & Trust identification card. He will receive his first set of \$500 worth of checks free. A modest charge of \$5 is made for each additional set of checks ordered after the initial set.

In Michigan, Bancardcheck is being offered first to correspondent banks of Detroit Bank & Trust throughout the state. Old Kent Bank and Trust Company of Grand Rapids has already become a participant in the plan and an announcement regarding the participation of several other Michigan banks is expected soon.

Ink on my apron

Never a dull moment

with Yvonne Schmitz

There are a number of ways to meet one's neighbors here in Plymouth.

Sometimes a kind neighbor will have a morning coffee or afternoon tea to introduce a new person to the neighborhood.

Or neighbors will call on the new person individually to introduce themselves.

Or the Plymouth Mail will take a picture for the paper to tell "who's new" in our town.

I didn't wait for this. I chose a different method. It was a warm windy day in November several years ago. We had just moved into our present home in Parklane and were still in the throes of unpacking boxes, putting dishes in cupboards and burning the debris from the moving operation.

At that time our back yard and the vacant lot behind it was solid woods. It was a wonderful place for a game of cowboys and Indians for our two boys because it really looked like Indian country then.

Hair in rollers and wearing an old slacks outfit, I took another box of papers out to the trash burner. It was situated in an open space at the back of the lot.

The dry leaves made a crunchy sound under foot as I walked. I put the papers inside the wire burner, secured the top and lit the papers with a match.

Just as the flame took hold, I was horrified to see one of the small papers on top fly out through the burner and fall into the dry leaves on the ground. And the leaves caught fire.

I ran to the house, grabbed a shovel and ran back to combat the fire.

In those few seconds, I was terrified to realize that the fire was completely out of control.

The flames had spread wildly through the dry leaves and I knew that one shovel couldn't possibly fight the fire on the ground which was going rapidly into the trees beyond.

Terrible thoughts raced through my mind. What a catastrophe it would be to lose all those beautiful trees.

Racing back to the house, I called the fire department. Talking excitedly into the phone, I told the man at the other end to please hurry because Hough Woods was on fire!

It seemed that I had no sooner hung up the phone when the fire trucks began to arrive. Not one truck, BUT THREE, came rolling into our driveway with their sirens screeching full blast. Before the trucks even came to a stop, the men were racing toward the fire with equipment to fight the flames.

Then people began to converge on the scene. Women came from all around to watch the commotion. All were strangers to me.

I heaved a great sigh of relief as we watched the men put out the last spark of fire and I knew that the woods was safe after all.

By this time, we had quite a gathering in our back yard. People had come from blocks around and our new neighbors were there in full force.

As I stood there in curlers and old slacks with a smudge of soot on my white blouse and another on my face, I thought, "What a way to meet the neighbors!"

Just leave it to me to make a dramatic entrance.

Then about two weeks later, we had another catastrophe. My number one son was quite small at the time and had been building a hot-rod. You know, one of those little boxes on wheels that boys like to make with the help of their Dads.

He and his little friend had just completed it and were ever so proud of their creation.

They had been pushing each other up and down the sidewalk and having great fun till they came into the house eagerly and announced, "There's only one thing wrong with our hot-rod. It needs a coat of paint. Dad has some old paint in the basement, Mom, do you think we could use it?"

Somewhat apprehensively, I helped them set up their paint shop in the vacant lot next door to us. They were dressed in old clothes and had a good supply of rags on hand for cleaning up afterward.

Happily they began painting their pride and joy. As I walked back to the house they even promised me a ride in their creation when the paint was dry.

What can go wrong, I thought to myself. If the paint spills, it will only go into the ground. So they get a little messy. I'll clean them up when they are all finished.

The two boys had been busy painting for about an hour when they came inside to announce proudly that the hot-rod looked great with its coat of yellow paint.

"And guess what," said my little son. "We even cleaned the brushes."

"That's nice", I said. "How did you clean them?"

"Oh we just ran them over the side of the house and all the paint came right off", announced my little darling.

Oh no—our brand new brick!

I raced outside to survey the damage. And sure enough, there were wide streaks of yellow paint running all over our beautiful new red brick.

I ran to the basement to get some turpentine, stiff brushes and rags wondering to myself why these things always happen when good ole Dad is safe at work.

Scrubbing madly with the brushes doused in a gallon of turpentine, I soon realized that I was getting nowhere with it. The rough brick had adsorbed the paint and no amount of scrubbing was going to move it.

Then I looked down the street to where a new house was being built. And there on a ladder stood a man (bless his heart) cleaning bricks.

I hurried down the street to see what he was using and he informed me it was muriatic acid which is about the only thing that does an effective job of cleaning brick.

I hired him on the spot and he was kind enough to come right over. He cleaned the bricks on the whole side of the house and, after a couple of hours work, they looked like new once more.

Whoever said that the life of a housewife is dull? The dull moments are few and far between at our house.

"THE MIKADO," Gilbert and Sullivan's famous operetta, was presented by a sixth grade class at Junior High West last week to parents and faculty. Miss Ruth Heidorn's class formed the cast, part of

which is here: Donna Ferguson, Pamela Maxwell, Mickey Valenti, Steve Davio, Timothy Rybka, Jim Lee and Kenny Hill, and Jim Fronk and Stephanie Luce, in front.

Symphony plans

Pop's Concert

The annual Pop's Concert of the Plymouth Symphony will be held April 30 in the Plymouth High School gymnasium. The time is 8:30 p.m.

An "around the world" theme will set the decor for this year's concert. Tables for four will be set up cabaret style.

The concert is being sponsored by the "lost Chord group" of the Women's League of the Plymouth Symphony Society.

Co-chairmen for the event are Mrs. George Spaniel and Mrs. Robert Vareck.

Tickets are now available at the Melody House on Penniman. Admission is \$2 a couple and reservations may also be made by contacting the ticket chairman, Mrs. Leslie Gallagher at GL 3-7229.

Eastern Star news

The Order of the Eastern Star is planning a spring luncheon and card party April 26 at the Masonic Temple at 12:30 p.m.

Reservations may be made by calling Edith Merchant at GL 3-0673.

The Order of the Eastern Star is also trying to obtain a bus for the children of the Villa at Adrian. The bus would be used to transport the 30 children at the home to church, school and other functions as a group.

They are asking each member to donate one book toward the goal of 2,000 books.

Anyone interested in donating stamps to this cause may call GL 3-3656 or mail stamps to Alta Mai Jones, Worthy Matron, 775 Arthur, Plymouth.

Baby talk

Mr. and Mrs. Robert Goebel of Corrine St. have announced the birth of Gary Robert at St. Joseph Mercy Hospital in Ann Arbor March 25.

The baby weighed 5 lb. 12 oz.

Paternal grandparents are Mr. and Mrs. Paul Goebel of Northern St.

Maternal grandparents are Mr. and Mrs. Earl Stahl of Flint.

OPEN HOUSE

Mr. and Mrs. Delbert G. Piller of Hines Ct. have announced the birth of their second child, a 7 lb. 6 oz. baby girl, at St. Joseph Mercy Hospital in Ann Arbor.

Maternal grandparents are Mr. and Mrs. John D. Schaefer of Graymont, Ill.

Paternal grandparents are Mr. and Mrs. Oscar Stuber of Mendota, Ill.

How to choose a spring wardrobe

The Michigan State University Cooperative Extension Service has offered 10 shopping cues for buying spring clothing.

To create the costume effect you want at a price you can afford, observe the following rules:

1. Before you go shopping, have in mind exactly the items for which you are looking, says June L. Sears, Michigan State Cooperative Extension Home Economist. Buy only those included in your wardrobe plan, and do not spend more for them than you've estimated. Resist the temptation to make unplanned "impulse" purchases.
2. Examine garments closely for quality. Look for adequate seam and hem allowances, quality of workmanship and cut regularity of yams and evenness of weave, size of stitching on seams, finishing of buttonholes and trims, and zippers in good working order.
3. Always try on garments in the shop before purchasing, and always over the undergarments with which they will be worn. Try also to have with you the accessories and other items which complete the costume. Make sure the garment fits easily at all points of strain.
4. Always check the hang tags on garments before you buy to see what special finishes have been used, what claims the manufacturer makes, what care should

be given the garment after purchase.

5. For basic wardrobe items or those which will have the most wear, buy the finest in fabrics and workmanship you can afford. It is usually more economical and more satisfying over the long term to buy one good outfit than two inexpensive ones.

6. Spend most of your clothing budget on staple items rather than novelty styles of items worn infrequently. If you buy the luxury fabrics or finishes, accept them as such and do not invest too much in them. They are not intended to give the same performance and serviceability you expect from staple items.

7. Don't overbuy your needs. Be particularly careful if your activities have recently undergone a major change, as from college to career or career to homemaker.

8. Don't allow yourself to be distracted by the large array of merchandise nor hurried by the salesperson into an unwise decision you will regret later.

9. Use the same criteria in buying garments on sale that you would use if they were not. A dress on sale may be a bargain in someone else's closet but a skeleton in yours if it doesn't fit your overall wardrobe plan.

10. Finally, ask the advice of experts, but above all have confidence in your own decisions.

Ted Spragues host a

'come as you are party'

Most of the guests attended the party in pajamas and robes or housedresses and work clothes. It was a "come as you are party."

When they arrived at the home of Mr. and Mrs. Ted Sprague Saturday night, they were surprised to see their host and hostess in formal attire. Jean Sprague wore a formal gown and was puffing madly on a cigarette with a long holder. Ted Sprague wore a burgandy tuxedo.

Each guest had been given the name of another to call the week before the party. When the person received the call, he was to go to the party just as he was dressed at the time.

Mr. and Mrs. Berger Mathison, Mr. and Mrs. Ben Williams, Mrs. Ed Daro, and Mrs. Joseph George were called while wearing night clothes and arrived at the party the same way.

Mr. Joseph Voss was painting at the time and had to wear his

work clothes to the party. His wife, Marge, attended the party in a housedress and apron.

Mr. and Mrs. Norman Lyttle, Mr. Ed Daro, Mr. Joe George, and Mr. and Mrs. Bernard Schmitz had just returned home when called so they attended the party in street clothes.

To add to the hilarity of the evening, one of the games played by the eight couples was similar to musical chairs. When the music stopped, the person holding the bag which was passed around was to don a garment from inside the bag. Among the contents were a funny hat with a tall feather, a bathing cap, a pair of long underwear, a pair of red tights and various other items.

The resplendently dressed host and hostess had several other party games planned for the evening.

All agreed it had been an hilarious party.

Churches plan bake sale

A meeting of representatives of four local churches was held March 29 at the home of Mrs. David Schlick on Sheldon St.

The purpose of the meeting was to plan the bake sale to be held May 13 and 14 for the benefit of the Sheltered Workshop. The sale will take place simultaneously at Kroger's, A & P, Stop & Shop, and Food Fair.

Those attending the meeting were Mrs. Stanley Kane of the Episcopal Church, Mrs. Thomas Adams, Presbyterian Church, Mrs. Ralph Flucky, Methodist Church, Mrs. Bernard McMahon, and Mrs. Richard Doherty of Our Lady of Good Counsel Church.

Mrs. Doherty and Mrs. Schlick are co-chairmen of the bake sale.

Specialty of the house "The Scribbler" likes Pennsylvania Dutch food

"Spec und Bona and Shoofly Pie are as Pennsylvania Dutch as the name Abraham Stolz," says Mrs. Kenneth Holmes.

She is better known as Joyce Holmes and is the correspondent who writes a column each week for the Plymouth Mail. Mrs. Holmes and her husband, Ken, live in their home on Terry St. with their German Shepherd dog, Loki. Loki is four months old and is already huge. He will soon be enrolled in dog obedience school to teach him to behave, according to Mrs. Holmes. It was a share-the-ride-to-work plan that brought the couple together in Ann Arbor. They were married four years ago and have lived in Plymouth for the past year and a half. Mrs. Holmes is a chemist for Parke-Davis Co. Her husband is an electronics technician for the University of Michigan.

Kenneth Holmes is a do-it-yourself man and his current project is finishing a recrea-

tion room in the basement. A native of Pennsylvania, Mrs. Holmes has acquired many Pennsylvania Dutch recipes; but Speck Und Bona and Molasses Shoo-Fly Cake are two of her favorites because they are simple to prepare and delicious.

(Ham with Green Beans)
3 lbs. smoked ham
1 qt. beans, washed and broken into 1-in. pieces
6 med.-size potatoes, washed, pared and quartered
1 1/2 teaspoons salt
1/4 teaspoon pepper
Cover ham with cold water and simmer 2 1/2 hrs. If necessary, add water during cooking to keep at least 1 qt. of broth at all times. Add the beans and continue cooking about 25 min. Add the potatoes and cook about 25 min. or until the vegetables are tender. Season; serve hot, accompanying with cider vinegar for those who like the dish strongly flavored.
(Six servings.)

MOLASSES SHOO-FLY CAKE
(Molasses Crumb Pie)
3/4 cup flour
1/2 cup firmly packed brown sugar
1/2 teaspoon ground cinnamon
1/8 teaspoon ground cloves
1/8 teaspoon ground ginger
1/8 teaspoon ground nutmeg
1/4 teaspoon salt
2 tablespoons shortening
Pastry
1/2 cup molasses
3/4 cup boiling water
1 1/2 teaspoons baking soda
1 egg yolk, well beaten

Mix together the first seven ingredients. Cut in the shortening with pastry blender or two knives until mixture is crumbly. Set aside. Line a 9-in. pie pan with pastry. Combine four remaining ingredients. Alternate layers of crumbs and liquid mixture in the pastry shell, ending with crumbs. Bake at 450 F 10 min. Reduce heat to 350 F; bake about 20 min. longer, or until firm.
One 9-in. pie.

Mrs. Kenneth Holmes prepares Spec und Bona and Shoofly Pie in her kitchen on Terry St. The two Pennsylvania Dutch recipes are simple to prepare and delicious.

Can opener cooks find more convenience

The modern "can opener cook" is unashamedly — and continually — searching for faster working can openers.

Mrs. Margorie Gibbs, District Marketing Agent, Cooperative Extension Service, Michigan State University, says that 25 million women who work outside the home from 8 to 5, become efficient homemakers after 5:15 have no lack of money for foods. They have high standards of quality, and little precious time for preparation of family meals. These busy women don't want to spend their time at home working in a kitchen. Three out of five career women are married. It is no wonder then, that the typical week day dinner features many convenience foods.

Convenience foods are the regular foods with at least some of the kitchen work already done. Mrs. Gibbs says the cleaning, scraping, grating, peeling, squeezing, chopping, and measuring has been done for the modern cook. Mrs. Average American Homemaker votes for new convenience foods by buying them, Mrs. Gibbs notes. The growth in acceptance of frozen prepared dinners is an example. In one year she bought 30 per cent more frozen foods than in the previous year. This is a good example of her enthusiasm. And — she's continuing to buy convenience.

Most housewives use convenience foods to a great extent, however. The cello-pack of carrots is a convenience food. The cleaning, topping, sorting has already been done. The packaging makes a clean, uniform,

convenient and easy to use products.

Taking the hand-labor chores of food preparation out of the kitchen and putting them into food processing factories, is a relatively recent occurrence. Nicholas Appert invented the food canning method for Napoleon, in answer to the need for movable military foods. Only recently — actually 150 years ago — the tin can was invented.

Convenience foods really began to come into their own when processors gave Mrs. Homemaker an opportunity to serve fruits and vegetables when the fresh products were not in season. This created the opportunity for someone else to do some of the home cooking chores.

The modern housewife can prepare whole meals without long standing in front of heat. No scraping and slicing and pitting and washing foods through many waters. These modern foods reduce the housewife's chores and appeals to the "avoid work if possible" side of modern living.

Variety? Greater than ever before in history. Exotic, fancy cake mixes, salad dressing, and sauce mixes, dehydrated sweet potatoes, and fancy muffins need only a stir — and they're ready to use. The time consuming work is already done.

Much time and effort — as well as money — used to be spent shopping for many different ingredients, some of which were seldom used. In modern kitchens designed for efficiency, storage space may be a considerable problem, too. What of creativity? Mrs. Gibbs

notes that with the drudgery part of food preparation to vary combinations, arrangements, and service offers creative satisfactions. The really creative part of cookery can begin, because the housewife is assured of uniform results in the basic ingredients.

The combination of different foods, the additions of sauces and attractive serving displays give great individuality to today's modern cook.

And what of adventure? Experimenting with favorite foods from far away places becomes an adventure. Once foreign foods were a mystery to the average "practical" cook, but now Mrs. Gibbs notes that they come boxed and failure-proof. Some of the ingredients used in these exotic foods are by themselves unobtainable in local markets. Many foreign foods have become family favorites and have lost their mystery. Mexican enchiladas have gone to Maine and Maine lobsters to Mexico.

As our culture has changed, Mrs. Gibbs notes, it has brought broad, sweeping changes to our food buying practices. Convenience foods — labor saving and ready to use — have brought today's homemakers greater freedom while providing better eating than ever before.

Who's new in Plymouth?

MR. AND MRS. ROBERT BROCKHAUS and sons, Craig, 6, and Kirk, 4 came to Plymouth two months ago from Janesville, Wisconsin. Their new home is at 1642 Nantucket. Robert Brockhaus is superintendent of manufacturing at the Chevrolet Plant at Willow Run. The couple are ski and golf enthusiasts and also enjoy playing bridge. Young Craig is enrolled in kindergarten at Bird School.

The Scribbler Putting in the seed with Joyce Holmes

Those of you who have seen an episode or two of CBS's "Green Acres" will have an idea of the two conflicting ideologies that comprise our marriage.

I don't necessarily long for New York but nevertheless I do prefer the feel of concrete underfoot, a bus stop at the corner and the various other conveniences that urban living offers.

My husband, on the other hand, who was born in Detroit but who at a very impressionable age was moved to a farm for the major part of his childhood has this "grass roots" philosophy of the good life.

Miraculously we found a lovely duplex apartment on a centennial farm where we blissfully spent the first three years of wedded life. My husband was the "gentleman farmer" — attending to his business in the city during the week and overseeing his vegetable garden on the weekends.

Life on a farm is great if you discount things as mice in the winter, the bugs and mosquitoes in the summer, and mud in the spring for on long golden autumn afternoons you can survey your kingdom and reap the harvest of your \$10 worth of seeds and plants and \$25 worth of fertilizer and pesticides for \$15 worth of vegetables.

However, when it came to deciding where we would live permanently we had to seriously decide whether we would breath auto exhaust or cow manure, drink chlorinated and flourinated water or iron encrusted well water, have garbage pick up service or a chicken coop, among other things.

The acre of grass to mow and one hard winter of battling dirt roads helped my arguments for civilization and so we arrived at our compromise — suburban living in Plymouth Township.

Ken attacked our little square of earth with the fervor of a homesteader. Bravely he coaxed grass to grow in the Sahara like soil — the only clay he found was the broken bricks left by the builder. He absorbed volumes of books on "how to grow lawns" but still the weeds grew and the neighbors with beautiful Marion Blue sod smiled to themselves. But with all living things patience and loving care will bring about the desired results and so with the rebirth of another growing season we look forward to "the putting in the seed."

I say "we" because he is winning me over to the thrill of watching something you've planted grow and produce its fruit. Robert Frost has an uncanny knack of putting into beautiful words the simple facts of nature we take for granted. His poem "Putting in the Seed" is a favorite of ours because like all good poems it seems to apply just to us.

In the poem he tells his wife that when she comes out to call him for dinner, he will try to leave his planting before she too become like him, a "slave to a springtime passion for the earth."

"How Love burns through the Putting in the Seed On through the watching for that early birth When, just as the soil tarnishes with weed, The sturdy seedling with arched body comes Shouldering its way and shedding the earth crumbs."

Garden Club plans luncheon

The National Farm & Garden Association, Plymouth Branch, will host a noon luncheon April 12 at Lofy's with the Rosedale Garden Club and the Northville Garden Club as guests.

Professor Robert Iglehart will speak on "Garden in Art". Reservations may be made by calling 453-6228. All reservations must be made before April 8.

Answers to family chef's questions

Got a flair for gourmet cookery? Or nagging questions that have bothered you about problems that arise in the kitchen?

You might find the answer in Stop & Shop Supermarket's ad each week in The Plymouth Mail.

Tips from the Stop & Shop Chef, a regular feature of the ad, addresses itself to questions of interest to family cooks. Check it each week on the back page of the second section.

It may answer a question you've been asking yourself for years.

Plymouth Township Minutes

Supervisor, McEwen, called the meeting to order at 7:42 p.m. He commented on the efficient work accomplished by the Planning Consultant on the 701 Urban Planning Assistance Program.

He also informed the Planning Commission of the program now being implemented to bring the Zoning Ordinance #14 up to date by rephrasing several sections so that there would be more flexibility. The program is aided by a Federal Grant and the cost would be \$5,049.00. The Township would pay one-third (1/3) or \$1,683.00. This would cover a twelve (12) month period of zoning services. Considerable discussion of the 701 Program culminated in a general agreement that it was a guide to future planning in Plymouth Township.

At 10 p.m. the Township Board of Trustees retired to the office quarters to consider action on several important matters. They are listed as follows: Sheldon Road Industrial Park Sewers

It was moved by D. Lauterbach and supported by E. Holmes, that we add to the agenda of the February 23, 1966 Special Meeting (for further consideration) the decision that took place between the Plymouth Township Board members and officials of the Ford Motor Company on February 14, 1966. Carried unanimously.

On the motion of R. Garber, supported by G. Overholt, the resolutions pertaining to the sanitary sewer and storm sewer for the Sheldon Road Industrial Park (as proposed on February 14, 1966) were adopted as of the meeting of February 23, 1966.

Division of Voting Precincts
Authorization for the Election Commission to proceed with the division of voting precincts into a total of seven (7) precincts was granted.

Mr. L. Norman presented a sketch of a proposed addition to the present Township Hall by adding a second floor of approximately 50' by 70' in area. By making this structural change, more space would be provided for the various departments which are now overcrowded. The approximate cost of this change would be \$75,000.00.

Supervisor McEwen adjourned the meeting at 10:48 p.m. Approved, John D. McEwen - Supervisor
Respectfully submitted, C. Veach Sparks - Township Clerk
4/6/66

Supervisor, McEwen, called the meeting to order at 7:35 p.m. All members were present except Ralph Garber.

Discussion was held on the contract of S. Weissman Excavating Company for the Sheldon Road water line and the Haggerty Road and Ann Arbor Road water lines. Mr. Elmer L. Totten, 13740 Ridgewood, was present to inquire about the condition of the front of his lot. Mr. Hamill stated that this will definitely be taken care of as soon as weather conditions permit. A motion was made by D. Lauterbach, supported by E. Holmes, to pay the final payment of \$34,133.10 (as recommended by Engineer, H. Hamill) to S. Weissman Excavating Co. on the Sheldon Road water project. Carried unanimously. A motion was made by G. Overholt, supported by C. V. Sparks, that the recommendation of Engineer, Herald Hamill, for the payment of \$4,758.50 to S. Weissman Excavating Co. for the Haggerty Road - Ann Arbor Road water project be approved. Carried unanimously.

It was moved by L. Norman, supported by D. Lauterbach, that the engineering fees of Engineer, H. Hamill, in the amounts of \$7,500.83 for the Sheldon Road water project and \$3,483.00 for the Haggerty-Ann Arbor Road project, a total of \$10,983.83 be approved. Carried unanimously.

A request was received from E. Holmes, Treasurer, for the transfer of \$6,336.36 from the Water Receiving Fund to Sewer and Water Construction Fund to pay the difference between monies already allocated and the total of construction and engineering costs for the Sheldon Road and Haggerty - Ann Arbor Road projects. It was moved by D. Lauterbach, supported by L. Norman, that the request for transfer of funds for these projects be authorized. Carried unanimously.

The 1966-1967 proposed budget was discussed at length but not completed. The budget session will be continued on Tuesday, March 29, 1966.

The Supervisor gave a report on the meeting of Roads and Bridges of the Board of Supervisors, relative to upgrading Sheldon Road.

The Supervisor adjourned the meeting at 11:20 p.m. Approved, John D. McEwen - Supervisor
Respectfully submitted, C. Veach Sparks - Township Clerk
4/6/66

The meeting was called to order at 8:03 p.m. by the Supervisor, John D. McEwen. All members were present except Louis Norman. The minutes of the regular meeting of February 8, 1966 were called for reading by the Supervisor. It was moved by Dick Lauterbach, supported by Gene Overholt that the minutes be approved as distributed. Carried unanimously. On the motion of Gene Overholt, supported by Dick Lauterbach, the minutes of a Special Meeting of February 14, 1966 were approved as distributed. The minutes of a special meeting of February 17, 1966 were approved as distributed, on the motion of Gene Overholt, supported by Elizabeth Holmes. It was also moved by R. Garber, supported by G. Overholt, that the minutes of a special meeting of the Plymouth Township Board of Trustees and the Plymouth Township Planning Commission on February 23, 1966 be approved as distributed. Carried unanimously.

Supervisor, McEwen, read a resolution which was passed by the Michigan Township Association in Lansing at their January 12, 13 and 14, 1966 annual convention. A tape recording of the proceedings and a framed copy of the resolution was presented to Mrs. Roy Lindsay. Mrs. Lindsay was asked by Mr. McEwen, if she would represent Plymouth Township at the "Beautification Council of Southeastern Michigan", which will be held on Wednesday, March 16, 1966 from 9 a.m. to 2:30 p.m. at the Executive Inn, 29900 Van Dyke in Warren, Michigan. Mrs. Lindsay graciously accepted.

Mr. Lauterbach brought out the point that he had not received notification of the special meeting of February 14, 1966. It was moved by D. Lauterbach, supported by G. Overholt that at the meeting of February 14, 1966, that any action taken on this meeting be rescinded. Upon discussion of the motion, the minutes of February 14, 1966 and February 17 were read by Mr. Sparks, the clerk, after some inquiry was brought about by Mr. Lauterbach. He again questioned whether the meeting of February 14 was a reg-

ATTENTION: Residents Of Salem Township

The Salem Township Fire Ordinance requires that a fire permit be obtained before burning any grass or brush when ground is not snow-covered. Permits can be obtained without charge by calling your fire chief, Charles Raymor, at FI 9-1741, or if you are unable to reach him, by calling the fire department at FI 9-1155.

A fire permit is not required to burn trash in a container with a cover. However, if the fire is allowed to escape from the container all cost to the township for the suppression of said fire shall be billed to the party responsible.

A few safety rules to be followed if you have a permit are as follows:

1. Confine your burning to early morning or late evening
2. Never start a fire when the wind is blowing
3. Have enough help on hand to control the fire
4. Have water and brooms handy
5. NEVER LEAVE A FIRE UNTIL IT IS OUT!

SALEM TOWNSHIP FIRE CHIEF
CHARLES RAYMOR

(3-30 - 4-6-66)

ular meeting. The discussion further led to the reading of the minutes of the special meeting of February 23, 1966 of the Planning Commission and the Township Board of Trustees. The question still remained as to whether the special meeting of February 14, 1966 was considered a meeting. Mr. Garber suggested that the proposed resolutions and minutes of the February 14, 1966 meeting become a part of the records of the Board meeting on the 23rd of February, 1966 and that they be combined. At this point and upon this suggestion Mr. Overholt and Mr. Lauterbach withdrew their previous motion until such action could be accomplished. The motions of February 14, 1966 were as follows: 1. A motion was made by R. Garber, supported by E. Holmes, that Engineer, H. Hamill, be authorized to prepare the descriptions for the obtaining of easements for approximately 4400 feet of right-of-way - 86 feet in width - east of Sheldon Road to the Middle Rouge Interceptor; and also that Supervisor, McEwen, assist the engineer in obtaining the easements. Carried unanimously. 2. A motion was made by E. Holmes, supported by C. V. Sparks that the engineer, H. Hamill be authorized to draw plans and specifications for the construction of an 18" sanitary sewer and a storm sewer in the Tramp Hollow drain area and to present them for approval. Carried unanimously. E. Holmes then moved, supported by R. Garber, that the February 23, 1966 minutes be approved and amended in accordance with Mr. Garber's suggestion. Carried unanimously. Mr. Garber then restated his motion, and added that the minutes of February 14, 1966 be entirely rescinded. The motion was supported by Mrs. Holmes and carried unanimously.

The Supervisor gave a summary of the list of bills amounting to a grand total of \$20,482.82. A motion was made by Mr. Garber that the bills submitted be paid. The motion was supported by G. Overholt. Carried unanimously.

Mrs. Holmes read the report of attorney, R. Cole, regarding "Opinion on pertinent questions" proposed by E. Holmes, Water Dept. Mr. Ralph Cole suggested that we continue to negotiate. Mr. Garber suggested that the two lawyers, Mr. Cole, the City Attorney, the Township Water Dept. Mgr. and the City Mgr. get together to discuss the matters, rather than Board members, as a better agreement might be reached in this way. It was decided that R. Cole, atty., write a letter requesting a meeting with the City Atty., the City Mgr. and E. Holmes for further discussion. A motion was made by E. Holmes, supported by R. Garber, that the fees paid to the trustees in the amount of \$350.00 be reduced by \$75.00 making a new total of \$275.00 due to the February 14, 1966 meeting being declared "not a meeting". This makes a new "grand total" for March 8, 1966.

Liquor Control Commission - Re: Consideration of transfer of club license of Western Wayne County Conservation Association Three communications concerning this matter were read by Mr. Sparks. The first was from Attorney General's office stating that the present suit of the applicant against the Liquor Control Commission should, in no way, affect the approval of the transfer. The second communication was from the Liquor Control Commission requesting the Township Board to act upon the request. The third communication was from the clerk of Salem Township, voicing the objections to the liquor license. Mr. C. B. Stanbury of 6805 Napier Road, Plymouth, Mich., stated his objections to the liquor license. He feels the mixture of liquor and guns is not a good combination. Mr. Ronald Meloche, the President of the Western Wayne County Conservation Association stated his wishes that the Board approve the transfer of the license. Mr. Jerry Raymond, who was representing counsel for the Western Wayne County Association made a plea in behalf of the Western Wayne County Association for the approval of the resolution. Georgia Rowland of 13909 Gotschald Road stated her views, as a spokesman, to the objections of issuing or transferring a liquor license to the Western Wayne County Conservation Association. She stated that the Township people deserve some consideration in this matter. She also presented a petition of 74 names objecting to the license on the basis of the noise and the contention that liquor and guns do not mix. Mr. Garber asked Mr. J. Raymond when the litigation would be settled. Mr. Raymond stated that he didn't know. Ralph Garber made a motion to table this item for a month. The motion was supported by E. Holmes. Carried unanimously.

Mr. Richard Glyery discussed the Plymouth Estates Subdivision with the Township Board. Mr. H. Hamill, the engineer, said the improvement plans were not completed as yet. He recommended the Township obtain the rights-of-way for the construction of a sanitary sewer to accommodate the 5 homes existing on Lilley Road; not otherwise serviced. These homes include parcels 35-U5a, 35-U5b, 35-U7b, 35-U7a2c and 35-U1b1. Also a fence is to be constructed behind the 6 homes in Plymouth Estates, which includes Lots Number 56-57-58-59-60 and 61. The total footage for these lots is 413.84 feet. H. Hamill suggested the posting of a bond for the necessary improvements in the amount of \$41,020.00, which the Midwest Title Company, Inc. states is available for the improvements. Ralph Garber moved the Hard Backs be signed by the clerk, Mr. Sparks, and the monies be placed in escrow account for the underground installation and the fencing of the rear of said lots. The motion was supported by G. Overholt. Carried unanimously.

A motion was made by R. Garber, supported by G. Overholt that we adopt the resolution that the Township of Plymouth, Canton Township and the City of Plymouth pass similar resolutions requesting road improvements to Class A roads in the prime industrial area. The Resolution reads as follows: WHEREAS, Plymouth Township has gone to considerable effort and expense to implement the orderly development of its industrialized zones and WHEREAS, Plymouth Township recognizes the need for industrial expansion within the Plymouth Community School District and WHEREAS, the Township recognizes that development of this industrial area would substantially increase employment opportunities in Western Wayne County and WHEREAS, numerous industrial concerns have indicated a strong interest in this area until they found that there were no Class A roads leading to this area which would, therefore, prevent the use of large trucks. Now, therefore, on a motion by R. Garber and support by G. Overholt, it is resolved that the Plymouth Township Board urges the Board of Wayne County Road Commissioners to give favorable consideration to the construction of Class A roads on Haggerty Road from Ann Arbor to Warren Road and Joy Road from Haggerty Road to Lilley Road, which would be of immeasurable aid in the development of this prime industrial area abutting these roads.

Captain Mass of the Fire Department requests permission to attend the Fire Department Instructor's Conference at Memphis, Tennessee. R. Garber suggested that a brief resume should be presented as to what goes on at these conferences and that it should be filed in the clerk's office. Capt. Mass stated that he has done so in the past. A motion was made by R. Garber, supported by G. Overholt, that the Township Board approve a check for \$100.00 in advance, for expenses for the Conference in Memphis on March 25, 1966. Carried unanimously.

The Trustees agreed at the February meeting that they would recognize the International Association upon receipt of a letter from the International Headquarters that the five firemen were members in good standing. The letter was received in late February indicating that the International records as of February 1, 1966 showed all five members in good standing, giving the local a 100% membership. On that basis, Secretary, James Gignac of the Township Fire Department, wrote a communication to the Supervisor requesting the Board to recognize officers and members of Local 1496 as the official bargaining agent. Gignac also requested a special meeting with the Board during the week of March 7 and as many meetings as necessary to complete bargaining before April 1. The Supervisor then appointed G. Overholt, R. Garber and D. Lauterbach to represent the Plymouth Township Board in negotiations and bargaining in regards to the budget. The Supervisor questioned the right of the Local to use Station House No. 2 as headquarters for a union meeting. This came after he had been told that the letter from Gignac, as secretary of the Local, had used the fire hall as the union address.

It was moved by E. Holmes, supported by R. Garber that the sum of \$61.00 charged for recording of easements on the W-214 Water Project be paid from the water bond funds. Motion Carried. On the motion of E. Holmes, supported by D. Lauterbach, the following resolution was adopted. BE IT RESOLVED: THAT the contract date of completion of the Plymouth Township Section Sewer Facilities Project - No. S-216, \$850,000.00 Bond Issue, Series II, dated 8-1-64, be extended to June 1, 1966.

Elizabeth Holmes, Treasurer, recommended adoption of the following resolution: WHEREAS, Ordinance #21 of the Township of Plymouth permits overdue sewer debts to be placed on the tax roll of the Township of Plymouth and debts in the amount of \$206.80 had been placed on the 1965 tax roll and WHEREAS, \$56.10 of said debts are still uncollected. THEREFORE BE IT RESOLVED, THAT the tax levied sewer customer accounts be paid in full from the Tax Collection Account to be regained by the General Fund when this account is paid through the delinquent tax collections and WHEREAS it is further resolved that the following amounts also be paid in full from the tax collection account to be regained by the General Fund when this amount is paid through the delinquent tax collections. WATER RECEIVING - \$108,995.98 SEWER RECEIVING -

\$108,995.98. It was moved by D. Lauterbach that the resolution be adopted. The motion was supported by G. Overholt. A motion was made by R. Garber, supported by D. Lauterbach, that the balance of the collection over and above the principal and interest payments in the amount of \$46,104.29 be transferred from the tax collection account to the water and sewer construction fund. Motion Carried.

Mr. Robert Wedler asked the Township Board to reconsider his previous denial to rezone a piece of property from R-1 to C-2 on the corner of Haggerty and Ann Arbor Road "on the basis of new evidence." A discussion followed concerning the matter. It was said that there was an excess of commercial zoning already in this quadrant. Another point was made that a great deal of this commercial zoning would be eliminated by the proposed freeway which would be coming through this area. R. Garber stated a legal opinion should be obtained as to the rights of the Planning Commission or the Township Board to change a rezoning on their own motion. R. Garber read Amendment No. 22.02 which reads as follows: A period of not less than one year is required between presentation of petitions for a change or amendment applying to a specific piece of property, where a prior petition was denied. G. Overholt made a resolution that the Board ask attorney, Ralph Cole, "Does the Planning Commission or the Township Board have the right to initiate a change in zoning on a specific piece of property after it has been previously denied in the previous year by the same Board?" The resolution was supported by D. Lauterbach. Carried unanimously.

This completed the regular agenda and the Supervisor asked if anyone in the audience had anything to bring up at this time. Mr. Harlan Hickerson wanted to know if the Board had taken any action on his proposal to change the name of several streets and the numbering in the Plymouth Community area. This item was tabled at the meeting of February 8, 1966 until further support from the community was expressed and the amount of money involved to complete such a project. There being no further expression, Mr. Hickerson requested permission to canvass the area and ascertain if this was wanted. On the motion of G. Overholt, supported by E. Holmes, it was said that Mr. H. Hickerson be permitted to conduct this survey. Carried unanimously.

The Supervisor presented the following resolution: WHEREAS, The Board of Wayne County Road Commissioners were most cooperative in providing funds for right-of-way acquisition on Sheldon Road, in Plymouth Township, north from the C & O railroad to Five Mile Road, in their 1965-1966 County Highway Program for the purpose of upgrading it to that of a Class A road and WHEREAS: it is assumed that this program will continue relative to new location of the new Ford Motor Company Plant along said road, THEREFORE BE IT RESOLVED: That the Plymouth Township Board of Trustees at its regular meeting held Tuesday, March 8, 1966, request that the Wayne County Road Commissioners include in this new construction a recommendation of a grade separation at the C & O railroad and Sheldon Road to alleviate the traffic congestion and make this area more accessible to public services if necessary. E. Holmes moved the resolution be forwarded to the Board of Wayne County Road Commissioners. G. Overholt supported the motion. Carried unanimously.

Supervisor McEwen adjourned the meeting at 12:05 A.M. Approved, John D. McEwen - Supervisor
Respectfully submitted, C. Veach Sparks, Clerk
4/6/66

School Bd. Minutes

The regular monthly meeting of the Board of Education of Plymouth Community School District, West and Washtenaw Counties, Michigan, was held Monday evening, February 14, 1966, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, at 8:00 o'clock. Vice President Schultheiss called the meeting to order at 8:00 o'clock.

Present: Members Henry, Hulsing, Schultheiss, Scott and Soth; Ass't Sup't Blunk and Ass't Sup't Harding.
Absent: Members Fischer and McLaren.
Also present: Mr. and Mrs. Homer C. Clark, Mrs. Judith Gunther, Mr. and Mrs. Lee Hellman, Mr. Julius Troky, Mr. and Mrs. Robert Wallace, Mr. Richard Weinberg, Attorney, Newsman Johnson and Thompson.
It was moved by Member Scott and seconded by Member Henry that the minutes of the January 10, 1966, regular meeting be approved. Ayes: Members Henry, Hulsing, Schultheiss, Scott and Soth.
Nays: None.
The motion was carried.

It was moved by Member Soth and seconded by Member Hulsing that the following bills be approved for payment:
Operating Fund:

Vouchers 8079 VOID	8080 VOID	8081 Pay Roll 1-14-66	\$ 97,725.11

Bldg. & Site Sinking Fund:	Vouchers 809 to 813, incl.		68,388.13

Ayes: Members Henry, Hulsing, Schultheiss, Scott and Soth.
Nays: None.
The motion was carried.
A group of interested and concerned citizens of the Farrand Elementary Area directed attention of the Board of Education to the need for a new classroom building in the area because of its size and proximity to the multi-purpose room. After discussion and in compliance with the request of Mrs. Gunther, Assistant Superintendent Blunk was requested to obtain costs and delivery time of portable school units for consideration.

COMMITTEE REPORTS:
Employee Relations: Chairman Schultheiss reported that \$9 of the 31 cafeteria employees employed by the Board of Education had signed affidavits requesting the Plymouth Community Cafeteria Workers to be stipulated as the sole bargaining unit for cafeteria personnel.

It was moved by Member Scott and seconded by Member Henry that the Plymouth Community Cafeteria Workers be stipulated as the sole bargaining unit for cafeteria personnel.
Nays: None.
The motion was carried.

Chairman Schultheiss presented the negotiations agreement between the Plymouth Community School District Board of Education and the Plymouth Education Association.

It was moved by Member Hulsing and seconded by Member Scott that the negotiations agreement in accordance with P. A. No. 338 of the Public Acts of 1947 up to and including P. A. No. 379 of 1966 be approved, subject to approval by the Plymouth Education Association.
Ayes: Members Henry, Hulsing, Schultheiss, Scott and Soth.
Nays: None.
The motion was carried.

Curriculum Planning: Chairman Hulsing and Assistant Superintendent Harding presented progress made in the implementation of Projects 1, 2 and 3 of Title I of the National Elementary and Secondary Education Act of 1965, and the report of minutes of the January 19, 1966, meeting of the Vocational Education Advisory Committee.

Finance: Assistant Superintendent Blunk, in the absence of Chairman McLaren, discussed the monthly budget report indicating that the operating fund expenditures through January 31, 1966, were within the budgeted expenditures for this date.

It was moved by Member Hulsing and seconded by Member Soth that the following teacher appointments be approved:
Margaret Carter English-Social Studies Junior High-W
Gloria Faust First Grade Farrand School
Susan Lowery First Grade Smith School
Sandra Wlasek First Grade Farrand School
Erika Wonn Fourth-Fifth Grade Bird School

Ayes: Members Henry, Hulsing, Schultheiss, Scott and Soth.
Nays: None.
The motion was carried.
Assistant Superintendent Harding presented data regarding the research project on community schools sponsored by Eastern Michigan University and the Federal Government.

It was moved by Member Henry and seconded by Member Scott that the request to have the Plymouth Community School District participate as one of the schools in the research project on community schools be tabled.
Ayes: Members Henry, Hulsing, Schultheiss, Scott and Soth.
Nays: None.
The motion was carried.

Assistant Superintendent Blunk was directed to obtain additional information for February 22, 1966, regarding the proposed school site. Assistant Superintendent Blunk presented the following bus bids:

CHASSIS BIDS (80 Passenger School Bus) (7):				
Company	Make	Delivered, Base Bid	*All. 1	†

It was moved by Member Scott and seconded by Member Soth that seven (7) 80 passenger and one (1) 36 passenger school bus chassis be purchased from the low bidder, Leo Calhoun Ford, for a total amount of \$23,354.
Ayes: Members Henry, Hulsing, Schultheiss, Scott and Soth.
Nays: None.
The motion was carried.

The meeting adjourned at 10:45 o'clock p.m. Respectfully submitted,
Esther L. Hulsing, Secretary
Board of Education

City of Plymouth minutes

A regular meeting of the City Commission was held in the Commission Chamber of the City Hall on Monday, March 21, 1966 at 7:30 p.m.

PRESENT: Comms. Hudson, Jabara, Lawton, McKeon, Smith, Vallier and Mayor Houk.
ABSENT: None.

Moved by Comm. Smith and supported by Comm. Lawton that the minutes of the regular meeting of March 7, 1966 be approved as written. Carried unanimously.

Moved by Comm. Vallier and supported by Comm. Lawton that the bills, in the amount of \$67,004.01, as audited by the auditing committee, be allowed and warrants drawn. Carried unanimously.

The Clerk presented the following reports for the month of February: Assessor-Treasurer, Building Safety, D.P.W., Fire, Health, Municipal Court, Police, Survey, Treasurer and Statement of Revenue and Expenditures.

Moved by Comm. Smith and supported by Comm. Jabara that the Departmental Monthly Reports be accepted and placed on file. Carried unanimously.

Mr. Stewart Dodge, 1327 S. Main Street, appeared inquiring as to possible solutions to the nuisance caused by Burger Chef with regard to debris and refuse and trespassing on his property. The City Manager advised that this was a policing problem and that the matter would be investigated.

Comm. Vallier requested that the City Manager submit a recommendation at the next regular meeting with regard to amending the Drive-in Ordinance with respect to erection of fences when the subject property abuts private property.

The Clerk presented a communication from the Plymouth Symphony Society requesting permission to erect a banner in Kellogg Park, for one week beginning March 28, and ending April 3, 1966, advertising its 20th anniversary concert to be held on April 2, 1966.

Moved by Comm. Lawton and supported by Comm. McKeon that the Plymouth Symphony Society be allowed to erect a banner in Kellogg Park, the cost to be borne by the Society. Carried unanimously.

The Clerk presented a communication from the Junior Chamber of Commerce requesting permission to hold its annual Fourth of July Parade, and the use of the Community Center building for changing uniforms.

Moved by Comm. Hudson and supported by Comm. Jabara that the Junior Chamber of Commerce be allowed to hold its annual Fourth of July Parade and the use of the Community Center, under the direction of the Chief of Police. Carried unanimously.

The Clerk presented a communication from the Michigan Jaycees advising that Service Opportunity Week will be held on April 17 to 23, 1966 and requesting that the leaders of the sponsoring organizations located in the community be called together to plan a unified effort in the promotion and execution of Service Opportunity Week. The communication was ordered received and placed on file, and the consensus was that the Commission would cooperate to make the Week a success.

The Clerk presented a resolution from the City of Lincoln Park opposing S.B. 285 creating the office of County Assessor and eliminating and abolishing all local Assessors and assessing procedures. The communication was ordered received and placed on file.

Moved by Comm. Hudson and supported by Comm. McKeon that the City of Plymouth approve the exchange of Mayors with North Branch on May 16, 1966. Carried unanimously.

The City Manager reported that the scheduled hearing with regard to sewage disposal charges was cancelled and re-scheduled for March 29, 1966 at 10 a.m.

The City Manager reported that investigations are in progress with regard to the school loading and unloading problem, but that further checking is needed and another report will be forthcoming.

The City Manager presented an opinion from City Attorney Healy with regard to occupancy permits and in particular with its application to 729 W. Ann Arbor Trail, advising that in his opinion, continued office use of the building without additional off-street parking is an insufficient basis for finding a violation of the zoning ordinance.

Moved by Comm. Lawton and supported by Comm. Vallier that the City Attorney be requested to check into and report with regard to attempting to clarify the parking provisions of the zoning ordinance with regard to change of use, occupancy or structure of exist-

Canton Twp. Minutes

A Special Meeting of the Board of the Charter Township of Canton, County of Wayne, State of Michigan, was held on March 15, 1966 at 8 p.m.

Meeting called to order by Supervisor Dingeldey.
Members present: Dingeldey, Flodin, Truesdell, Hix, Palmer and Holleyoak.
Members absent: Schultz.

Moved by Holleyoak and supported by Palmer and unanimously carried that on the recommendation of Edwin M. Orr, Inc., the Township Board declare J. Mancinelli Excavating Co. to be the successful bidder on the Michigan Avenue - Haggerty Road Sewer Extension in the amount of \$90,494.00.

Moved by Flodin and unanimously carried that Parkins, Rogers & Asso, be retained as Planning Consultants for the Township for the balance of 1966 at a fee of \$300.00 per month.
Moved by Hix and supported by Truesdell and unanimously carried to adjourn.
Philip Dingeldey, Supervisor
John W. Flodin, Clerk
4/6/66

NOTICE TO CONTRACTORS

Sealed proposals will be received at the Office of the City Clerk, 201 S. Main Street, Plymouth, Michigan until 3:00 p.m., E.S.T., Thursday, April 14, 1966, at which time the bids will be publicly opened and read aloud and the different items noted, for the construction of Toniquish Creek Sanitary Sewer, located in Plymouth, Michigan.

The quantities involved in this work consist principally of the following:

12" Sanitary Sewer	1405 L.F.
30" Sanitary Sewer	350 L.F.
Standard Manholes	6 Each

The contract documents including plans and specifications are on file at:

City Manager's Office 201 S. Main Street, Plymouth
Johnson & Anderson, Inc. 2300 Dixie Highway, Pontiac
Dodge Reports

Copies of the documents may be obtained by depositing Ten Dollars (\$10) with Johnson & Anderson, Inc. for each set of documents to be obtained. The amount of the deposit for documents will be refunded on return

City Minutes

Continued from page 6

ing buildings, and present possible alternatives which would eliminate parking problems in the future.

YES: Comms. Hudson, Jabara, Lawton, McKeon, Vallier and Mayor Houk.

NO: Comm. Smith. Motion carried.

The City Manager reported that a building cannot be condemned or any legal action taken against an owner of property that may be undesirable in appearance. Comm. Lawton suggested that the owners of the so-called Plymouth Men's Wear building be requested to give some consideration to the appearance of the building as related to the other buildings on the street.

Comm. McKeon requested that the City Manager report at the next regular meeting with regard to the building at the rear of the Food Fair property.

The City Manager presented a report with regard to a meeting with the Wayne County Health Department concerning Air Pollution and an opinion from City Attorney Healy advising that the County Health Department does have jurisdiction over a home rule city with regard to general health matters. The communication was ordered received and placed on file.

The City Manager advised that the City had recently been approached with regard to the erection of a hockey rink in the community.

Moved by Comm. Vallier and supported by Comm. Lawton that the matter be referred to the Community Recreation Committee for study. Carried unanimously.

Consideration was given to the matter of increasing taxi cab rates, as requested by the Suburban Checker Cab Co.

Moved by Comm. Vallier and supported by Comm. McKeon that since the Mayflower Cab Company did not request the increase also, the request be denied. Carried unanimously.

The City Manager advised that he had met with officials of surrounding cities with regard to a joint incinerator project.

Moved by Comm. Lawton and supported by Comm. Vallier that the City Manager and City Attorney be authorized to work with officials of other cities to explore the possibility of an incinerator Authority. Carried unanimously.

The City Manager advised that a compromise had been reached between the Preload Company, Johnson and Anderson, Inc. and the City whereby the charge for surcharging the reservoir to be borne by the City and the federal government will be \$5,000. He also presented Change Order No. 1 (revised final) in the amount of an increase of \$5,000 for the Preload Company, and a Mutual Release document.

Moved by Comm. Vallier and supported by Comm. Jabara that the City Commission approve Change Order No. 1 (revised final) for the Preload Company, in the amount of \$5,000, and that the Mayor and Clerk be authorized to execute the Mutual Release, upon approval of the federal government of Change Order No. 1. Carried unanimously.

The City Manager presented Change Order No. 6 (final) for the General Piping, Inc., in the amount of a decrease of \$5,850.95.

Moved by Comm. Vallier and supported by Comm. Hudson that Change Order No. 6 (final) for General Piping, Inc. be approved. Carried unanimously.

The Clerk presented Ordinance No. 317, an ordinance to amend Ordinance No. 182, Zoning Ordinance, with regard to text revisions on parking requirements and PR-2 Districts. It was requested that a typographical error in Section 7.53, Lot Coverage, be corrected by inserting the word "not" in the third line between the words "cover" and "more."

Moved by Comm. Lawton and supported by Comm. Smith that Ordinance No. 317, an ordinance to amend Ordinance No. 182, Zoning Ordinance, be passed its third and final reading, by title only, and that it be declared an emergency ordinance and become immediately effective. Carried unanimously.

The City Manager reported that the City had been served with a summons to appear in Circuit Court, the complainant being Thomas H. Cape and H. Phyllis Cape, his wife.

Moved by Comm. Lawton and supported by Comm. Vallier that the matter be referred to the City Attorney to defend the city in the case. Carried unanimously.

Moved by Comm. Smith and supported by Comm. Jabara that the matter of taxi cab rates be reconsidered.

YES: Comms. Hudson, Jabara, Smith and Mayor Houk.

NO: Comms. Lawton, McKeon, and Vallier. Motion carried.

Moved by Comm. Jabara and supported by Comm. Smith that in light of the fact that the Taxicab Ordinance only sets maximum rates, the requested taxi cab rate increases be approved, as follows:

50¢ Meter throw
10¢ each quarter mile thereafter
\$4.00 per hour waiting time.

Moved by Comm. Vallier and supported by Comm. Hudson that the matter of taxi cab rates be tabled to the next regular meeting.

YES: Comms. Hudson, Jabara, McKeon, Smith, Vallier and Mayor Houk.

NO: Comm. Lawton. Motion carried.

Moved by Comm. Smith and supported by Comm. Jabara that the meeting be adjourned. Carried unanimously.

Time of adjournment was 9:50 p.m.

James C. Houk - Mayor
Eugene S. Slider - Clerk

Lovely Irina Demick plays six roles in "Those Magnificent Men in their Flying Machines," the aeronautical comedy showing at the Penn Theatre for two weeks starting April 6.

Name Northville State medical superintendent

E. Gordon Yudashkin, M.D., from New York City will become medical superintendent of Northville State Hospital Monday, March 28. He was recently appointed to the post by Robert A. Kimnich, M.D., director, Michigan Department of Mental Health.

Dr. Yudashkin resigned his position as medical director of the Psychiatric Consultation Clinic, Nassau County, Long Island, to accept the Michigan appointment.

"Dr. Yudashkin brings to Michigan a background of excellent experience in the development and administration of community mental health programs as well as a rich experience in state hospital work," said Dr. Kimnich.

Pastor Romberg goes to patients

The Lutheran Communion Service was taken to the patients of Northville State Hospital on Tuesday, March 29. Rev. David F. Romberg, pastor of the Lutheran Church of the Risen Christ, and members of the congregation, including organist, Mrs. Aileen Stroebel, assembled with the Lutheran patients in an activities room in D Building for the complete service.

With an improvised altar and chapel-like seating arrangement plus piano accompaniment, hymns, sermon and communion provided these patients with the first Lutheran service after a year of private devotions with Pastor Romberg who serves as Lutheran Chaplain for the Hospital.

NORTHVILLE'S new superintendent received his medical degree from the University of Toronto in 1946 and completed his residency in psychiatry at Central Islip State Hospital, New York, in 1950.

Dr. E. Gordon Yudashkin

He has held positions as assistant director of the Queens Aftercare clinic; as assistant director of New York State Department of Mental Hygiene in charge of the Brooklyn Aftercare Clinic; and senior psychiatrist at Central Islip State Hospital.

Dr. Yudashkin was trained in psychoanalysis at American Institute of Psychoanalysis in New York and was certified by the American Board of Psychiatry as a diplomate in 1957.

"We are looking forward to working with Dr. Yudashkin in development of Northville State Hospital as an effective psychiatric center to serve the community of Wayne County," said James A. Peal, M.D., director of the Department's services for the mentally ill.

ROBERT J. LILLY, M.D., who has been acting superintendent at Northville since retirement of Philip N. Brown, M.D., last July, will resume his position as assistant medical superintendent, said Dr. Peal.

Dr. Yudashkin has been on the faculty of Nassau County Academy of Medicine and the New York School of Psychiatry. He was also a continuing lecturer at Adelphi College graduate school of social work.

He assisted with development of community mental health plans in New York and served an interim appointment as medical director for the community mental health board.

Carrier of the week

Rick Jamison, 14333 Elm, is this week's Carrier of the Week.

Rick, 13, attends Junior High West in the sixth grade; he is the son of Mr. and Mrs. Bill E. Jamison.

He delivers 100 papers on his route, which covers Oak Haven Trailer Court.

Baseball is his favorite sport - and he likes it so well he says he wants to become a Major League baseball player. In his spare time he likes to race slot cars.

"Rick is one of my long-time carriers," said circulation manager Fred Wright. "He has learned to talk to people, run a small business and has developed a sense of responsibility."

His father is a foreman for Michigan Consolidated Gas, and his mother works for a packing company.

Obituaries

Mrs. Pearl Sawlseyer

Mrs. Pearl Sawlseyer, 11841 Russell St., died at Wayne County General Hospital April 3 after a long illness. She was 74.

She was born April 29, 1891 in Nankin Township.

Surviving are her husband, Samuel Elroy (Roy) Sawlseyer; three daughters, Mrs. Ruth Taylor of Wayne, Mrs. Doris Callan of Novi, Mrs. Jane Callan of Plymouth; a sister, Mrs. Ruth Rogers of Wheaton, Ill.; and 8 grandchildren.

She was a member of the Congregational Church and the Nankin Chapter of OES.

Services were held April 6 at 1 p.m. at Uth Memorial Funeral Home with Dr. Samuel Cassel officiating. Burial was in Oakland Hills Cemetery, Oakland County.

Judy A. Green holds office in Adrian sorority

Judy Anne Green, a Sophomore at Adrian College, Adrian, and the daughter of Mr. and Mrs. F. Harger Green of 595 Simpson, Plymouth, has been elected Treasurer of Sigma Sigma Sigma Sorority at Adrian.

Judy, a graduate of Plymouth High School, is majoring in Elementary Education. She is a member of the First Methodist Church in Plymouth.

60-plus Club to meet

The regular meeting of the 60-plus Club will be held Monday, April 11 at the First Methodist Church. A pot luck dinner will be served at noon, to be followed by a short business meeting.

Entertainment will be provided by a violin quartet composed of young men from the Symphony Orchestra and also by the 70-plus mixed quartet.

The doors will open at 10 a.m. as usual for those who wish to work on the various projects.

Professional planner

George Velican, recommended "consideration based on logic of the total plan, and the characteristics of the land," Mrs. Tegge said.

Several residents in the area have voiced objections to the proposed rezoning of about 12.5 acres of land. Greenspan is the developer and builder of the Lake Pointe area.

The spirit of triumphant good and the spirit of frustrated evil meet and compete in "The Great Race," Warner Bros.' new comedy in Technicolor-Panavision which opens April 6 at the Plymouth Art Theatre. Photo from the film shows the rivalry, as personified by stars Tony Curtis and Jack Lemmon. The other topline in the new film is Natalie Wood, who plays a cigar-smoking suffragette reporter. "The Great Race" was directed by Blake Edwards and produced by Martin Jurow. Henry Mancini wrote the music.

Jehovah's Witnesses host visiting education minister

Mr. T. L. Eleas, visiting circuit minister of Jehovah's Witnesses, and his wife, Nola, are visiting the local congregation of Jehovah's Witnesses this week. They will be house guests of C. Harold Coonce of Plymouth.

Mr. Eleas, area supervisor of 16 congregations, informed Carson Coonce, local minister, that his main concern is Christian Education. He will explain effective methods of teaching the Bible which were discussed at a recent two week lecture seminar which was held in Brooklyn, New York.

Saturday evening, April 9, there will be a discussion held at the local Kingdom Hall at 8 p.m. at which Mr. Eleas will discuss both Bible doctrine and educational methods.

Sunday at 4 p.m. Mr. Eleas will speak on the subject, "How Practical is the Search for Wealth?" The public is invited.

T. L. Eleas

New doctor takes over as Dr. Edwin Rice retires

Dr. Gary L. Krueger will take over Dr. Edwin Rice's practice after Dr. Rice announced his retirement recently after forty years in the profession.

Dr. Krueger has taken over Rice's offices at 747 W. Ann Arbor Trail; he is a chiropractic physician, as Dr. Rice was.

Born in Highland Park, Dr. Krueger practiced in Detroit before coming here last month. He is a graduate of the Lincoln Chiropractic College, Indianapolis, Ind., where he attended classes, and later interned.

He is a member of several professional organizations: The American Chiropractic Association, the Michigan State Chiropractic Association, and the Southeastern Michigan Chiropractic Association.

He is also a member of a national honorary fraternity—Delta Tau Alpha. He was president of a local chapter of the fraternity his senior year in college. A third generation doctor, Krueger is not married.

Five Mile apartments

Fred Greenspan's proposal for apartments on a site on Five Mile at Robinwood has been tabled by the Northville Township planning commission.

They will take further action at their April 13 meeting, according to Mrs. Margaret Tegge, deputy clerk. Their tabling action came at a meeting March 29.

Ralston graduates

James Ralston, Jr., 1961 graduate of Plymouth High, has completed his studies at Alma College for his Bachelor of Arts Degree.

He is presently enrolled at Wayne State University Graduate School.

Mr. and Mrs. James Ralston, Sr. are now residing in Holland and are former residents of Plymouth.

His brother-in-law and sister, Mr. and Mrs. Tony Monte live at 649 S. Harvey.

Obituaries

Anna Utter

Mrs. Anna Utter, 932 N. Haggerty Rd., died April 4 at the Dr. Martin Luther Memorial Home in South Lyons. She was 84.

She was a lifetime resident of the Plymouth community.

She was preceded in death in 1951 by her husband Henry.

She is survived by her daughter, Miss Elsa Utter of Haggerty Rd.; a brother; and a sister.

Funeral services will be held April 9 at St. John's Lutheran Church in Wayne at 3 p.m. with the Rev. G. L. Press officiating. Burial will be in Northview Cemetery in Dearborn.

Mrs. Minnie R. Sheppe

Mrs. Minnie R. Sheppe, 42505 Hammill Ave., died March 29 at Botsford General Hospital, Farmington Township after several weeks illness.

Born Oct. 3, 1882 in Canton Twp., she was the daughter of Mr. and Mrs. Daniel Zander.

Surviving are her son, Warren W. Sheppe, Southfield; daughters Mrs. Norman (Wilma M.) Kaiser of Stockbridge, Mrs. Don (Mildred F.) Dempsey of Plymouth; and her sister Mrs. Anna Bronson of Plymouth; 5 grandchildren and 4 great grandchildren.

She was born in this area and spent the greater part of her life here except for an interval when she lived in Northern Michigan.

Funeral services were held April 1 at the Schrader Funeral Home at 2 p.m. Interment is in Cadillac Memorial Gardens, West.

Kindergarten registration

Kindergarten children for the fall term beginning in September, 1966, will be registered at all Plymouth Elementary Schools within the coming weeks.

Registration will be scheduled from 9:00 to 11:15 a.m. and 12:15 to 3:00 p.m. according to the following dates:

April 28, 1966, Gallimore School; May 6, 1966, Farland School; May 11, 1966, Starkweather School; May 18, 1966, Bird School; May 19, 1966, Allen School; May 20, 1966, Truesdell School; June 2, 1966, Smith School. Geer and Stone School kindergarten registration will be arranged by the teachers in those schools.

To register for kindergarten a child must be five years old on or before December 1, 1966. He must present a birth certificate.

All students enrolling in the District for the first time and all students who will be in the fourth, seventh and tenth grades this September must submit signed statements, on School District forms, from physicians verifying that they have had physical examinations, that they have received either X-Rays or bonafide tuberculin tests reading negative and that they have been immunized against smallpox, diphtheria, tetanus, pertussis and poliomyelitis.

Symphony

Continued from page 1

whether it be me, or someone else, this Orchestra deserves it. Most of all we need a suitable home for our orchestra—an auditorium. I look to this group here tonight to take the leadership in making this possible. The money is here; we need it and we'll

have it—a home for the arts in Plymouth."

DUNLAP also said he felt the Orchestra should be shared with other communities, and that it should seek to become endowed.

"Each year our budget goes up, and each year we barely make it." Throughout the evening there were rounds of introductions, and a presentation of gifts to Wayne Dunlap and his wife.

And there were small conversations, and talk of the next twenty years.

And there were these words from Dunlap, said with emotion, that tell what the atmosphere at the Mayflower Meeting House after Saturday night's 20th Anniversary Concert was like:

"People never stop loving this Symphony Orchestra."

It was a night for Plymouth's long time residents, who have, indeed, grown to love the Symphony.

Mary I. Richwine

Continued from page 1

was a member of the Order of the Eastern Star, Plymouth Chapter, #115.

Surviving are her husband, three daughters, Mrs. Harland (Dorothy Jean) Smith of Plymouth; Mrs. Gerald (Betty Jane) Gondek of Northville and Miss Mary Louise Richwine of Petoskey, Mich.; and six grandchildren.

Funeral services were held Saturday, April 2 at 2 p.m. at Schrader Funeral Home, the Rev. Hugh C. White and the Rev. Peter Schweitzer officiating.

Interment was at Riverside Cemetery.

EGG HUNT: Packing candy for the annual Easter Day egg hunt behind Plymouth High School are JayCees Tom Lewis, Howard Oldford, Dick Reinhart, Barney Lary and Dick Brooks. A total of 800 kids are expected, with nearly 1000 bags of candy having been packaged. Some of the cost of the egg hunt has been defrayed by local businesses, and this week the JC's thanked Merritt's Standard Service, Wright's Texaco, Plymouth Sinclair and Krause Sinclair stations. The Egg Hunt begins at 1 p.m. behind the school, with an age limit of 12. Two sections of the hunt have been planned: one for the young set — six and under — and one for the seven to 12 age bracket. Many of the bags will have novelty items in them.

Build Cabinet To Store TV

A television set is nice to have — but they've never contributed much to the decor of a room.

Most people would like to have their TV and get rid of it, too. But building it in isn't the only answer.

The better idea is to mount the set on a roll-around stand, with good ball casters, then build a cabinet to accommodate it. This lets you hide it away during the day, but pull it out easily and position it anywhere in the room—or in the house—for viewing.

Be sure the cabinet is high, deep and wide enough for the set, and design it with double doors to facilitate moving the TV in and out.

Design-wise, the cabinet can be incorporated into a storage unit for folding tables and chairs, books, and what-have-you. Tailored in a prestige western softwood lumber.

HONESTY: Steven Glenn Aldrich, son of Mr. and Mrs. Glenn Aldrich, 751 Irvin, lost a wallet with \$7.66 in it and thought it was gone forever; he was saving for a camera. His mother called the City of Plymouth police and was told it had been turned in by Faye Humphries, a PHS student, money intact. The return of the lost wallet was re-inacted this week for the Plymouth Mail's camera.

THE NEWEST CHURCH in the Plymouth Community is the impressive Calvary Baptist Church on Joy Rd., now nearing completion. Area churches will

this week celebrate the death and resurrection of Christ, as Easter Sunday approaches.

Easter Services in Plymouth

Continued from page 1

FIRST METHODIST CHURCH

The First Methodist Church of Plymouth will celebrate its traditional Maundy Thursday Communion Service on Thursday evening, April 7 at 8.

On Good Friday The First Methodist Church will host the Community Tre-Ore Service from 12 noon to 3 p.m. in the Sanctuary.

On Easter Sunday morning the church will have four worship services at 6, 8, 9:30 and 11.

The Rev. Mr. Schweitzer, Associate Minister, will preach at 6 a.m. The Senior Pastor, The Rev. Mr. White will preach at 8, 9:30 and 11. A Fellowship

Breakfast will be served between each of the services.

THE LUTHERAN CHURCH OF THE RISEN CHRIST

Observances during Holy Week at the Lutheran Church of the Risen Christ include:

Maundy Thursday, April 7 — The confessional service with Communion will be conducted at 7:30 p.m.

Good Friday, April 8 — The Service of Tenebrae, ancient Holy Week devotion, will begin at 6:45 p.m. The name "Tenebrae" means darkness which is so named from the ceremony of extinguishing in succession, the candles in the chancel, gradually casting the church into complete darkness, as it so remains until Sunday, when the sorrow and solemnity of the occasion is ended with the joyful celebration of the resurrection.

Easter Sunday, April 10 — A sunrise service will be conducted at the Chapel at 6:30 a.m. The members of the youth group will serve a "Continental Breakfast" at 7:45 a.m. All (adults and children) are invited to join the Bible

class and Sunday school at Allen School at 9:45 a.m. for a special film on Easter — "The Resurrection" and "The Upper Room."

The festival Communion service will be celebrated in the Chapel at 11 a.m.

OUR LADY OF GOOD COUNSEL

Monday, Tuesday and Wednesday — Masses at 6:30 and 8 a.m. (No evening Mass on Wednesday).

Holy Thursday, April 7 — Low Masses at 8 a.m. and 5:30 p.m. (Holy Communion distributed at each Mass). High Mass and Sermon followed by Procession of the Blessed Sacrament, beginning at 7:30 p.m. Hours of Adoration begin at 9 p.m.

Good Friday, April 8 — Tre-Ore Service at 12:15 p.m., consisting of the Communion Service, Sermon (by Passionist Father) and Way of the Cross. Way of the Cross also in the evening at 7:30.

Holy Saturday, April 9 — Blessings, Renewal of Baptismal Vows, followed by Easter Vigil Mass, beginning at 11 p.m.

OLGC MISCELLANEOUS INFORMATION

Masses as usual on Easter Sunday morning. High Mass at 9:30 Holy Communion may be received at the Masses on Holy Thursday and at the Communion Service on Good Friday.

Important: Those who participate in the Easter Vigil Mass fulfill the requirement of Mass attendance on Sunday. If they do attend another Mass on Easter, they may receive Holy Communion.

Good Friday — is a day of fast and complete abstinence. There is neither fast nor abstinence on Saturday.

ST. PETER'S LUTHERAN Maundy Thursday Communion Service 7:30 p.m. The Senior Choir will sing "O Bread of Life."

Good Friday Worship Service at 1:30 p.m. The Junior Choir will sing "When I Survey the Wondrous Cross."

Easter Sunday Sunrise Communion Service at 7 a.m. The Senior Choir will sing "Ye Sons and Daughters of the King."

Easter Breakfast following the Sunrise Service, sponsored by the Youth Group at 9:15 a.m. Communion service at 10:45 a.m. and the senior and junior choirs will sing "Awake My Heart with Gladness."

SALEM FEDERATED CHURCH April 8 — 1 p.m. — Good Friday Pastor Speight will speak on "Golgatha."

April 10 — 6:30 a.m. Sunrise service and breakfast with Mrs. Dick Sheppard bringing the message. Morning service, 10 a.m., Sunday school 11 a.m. and Choir Cantata "No Greater Love" 7 p.m.

ASSEMBLY OF GOD CHURCH Sunday School 9:45 a.m., Easter service 11 a.m., and the youth of the church will dramatize the Easter story at 7 p.m.

CHURCH OF CHRIST, SCIENTIST Services Sunday morning as usual, with the weekly lesson with the Bible and passages from the "Science and Health with Key to the Scriptures," by Mary Baker Eddy.

NEWBURG METHODIST CHURCH Holy Communion at 7:30, Good Friday 1 to 2:30 services at Riverside Church of God; Easter morning, 7 a.m. Sunrise service 7:45 Easter breakfast; 9:15 and 11 a.m. worship services and Sunday school, with nursery.

EVANGELICAL LUTHERAN CHURCH OF THE EPIPHANY Easter Sunday Holy Communion: 6:30 a.m. Breakfast: 7:30 a.m. Church School: 9:45 a.m. Service of Worship: 11 a.m.

The Rev. Peter Schweitzer, First Methodist Church, will preach the next Sunday, April 17, while Rev. David Strang is on vacation.

FIRST BAPTIST CHURCH Maundy Thursday Candlelight communion 7:30 p.m. Youth breakfast 7:30 a.m. Easter Sunday, Regular services 11 a.m. and 7:30 a.m. Easter Sunday.

SALVATION ARMY Easter breakfast with Brig. and Mrs. Ernest Hammer, Sunday school: 10 a.m.; Service: 11 a.m. Evening service: 7 p.m.

Colors Conflict Highlight flower beds and climbers with screens and trellises stained a natural wood shade or allowed to weather to a soft silver. White paint is good, too, but color on garden structures conflicts with flower and foliage hues.

School system faces growth

Continued from page 1

steps to "land bank" sites required for school expansion in the next ten years, and the addition of manpower at the school district level to assist in facilities and financial planning.

Tied in closely with the group's proposals was the urged adoption of a kindergarten through fifth grade elementary school system, a sixth, seventh and eighth grade junior high school plan and ninth through twelfth grade high schools.

The group also called for serious consideration of the presently accepted 30-per-classroom student level and suggested a look at a lower ratio, perhaps

22 to 25 students, for the formative years of Kindergarten through the second grade.

General site areas recommended by the committee for future construction included:

(1) Elementary School No. 9: The area bounded by Joy Road, Warren, Haggerty and Lilley Road.

(2) Elementary School No. 10: To the west in an area bounded by N. Territorial Rd., Powell, Ridge and Beck.

(3) Elementary School No. 11: In Canton Township in an area enclosed by Joy Road, Warren Beck and Canton Center Road.

(4) Junior High No. 3: In the Holiday Park, Cambridge Village area south of Joy Road.

(5) Junior High No. 4: In the west or southwest part of the school district.

Location of high school number two was urged as close to the center of school district density as possible. Three possible areas mentioned were:

(1) East of South Main St., in an area bounded by Lilley Rd., Warren, Joy and Sheldon.

(2) A land area bordered by Sheldon Road, Joy, McClumpha and Ann Arbor Trail.

(3) The area enclosed by Sheldon Road, Ann Arbor Trail, Beck and the C & O railroad.

Following the presentation, School Board President Gerald Fischer and Superintendent Russell Isbister complimented Fronk and his committee on their obvious attention to detail and thoroughness.

No statements were made regarding possible school board action on the recommendations.

Township Budget

Continued from page 1

maintained at \$8800 and the treasurer's at \$8300.

A total of \$8500 was budgeted for a public safety director. He is expected to be hired as soon as possible, with his first duty being the leadership of the fire department.

New salaries totaled nearly \$25,000, mostly for the public safety director, an added fireman (required by law), a new secretary, and a building inspector.

MATT McLELLAN will now be called Director of Buildings and Department of Public Works. The new man will assist McLELLAN in the expected inspections arising from the vast new home construction taking place in the Township.

The pay boosts will cost about \$7,000. Other increases come from expected election costs, \$4700 and added library expense of \$2,000.

The net change upward is about \$37,500. Legal fees will be up an estimated \$1,000.

McEwen said Monday the entire budget had been completed, and even the contract with the firemen had been ratified, after a three-man committee had bargained with the local firemen's union, as now required by state law.

Budgets for the sewer and water department of the Township were also released Monday, by treasurer, Mrs. Elizabeth Holmes.

A total budget of \$130,000 for the sewer department is planned, an estimated \$10,000 increase over last year. Added revenues are expected to come from the added usage.

The water budget totaled \$143,200, up slightly from last year. Gross water sales will account for a portion of the increase, as many new homes are added to the system next year.

Alter Rooms With Seasons

Would you like to be able to switch room decor with the seasons?

It's easy to do, and not particularly expensive. The trick is accomplished with two color schemes, one in cool sea blues and mint greens for spring and summer. The other color scheme revolves around warm winter shades like deep red, antique gold, olive and shades of brown.

The furniture isn't changed when the color scheme is switched from winter to summer. Instead, chairs and sofas are slip-covered in the summer shades and accents are added with small rugs and accessories.

It's amazing what a change this little trick makes—and how much wear is saved on the original upholstery.

The key to success is in having walls that let you make the color switch. Decorators suggest wood paneling, particularly softwoods like Idaho white pine, western red cedar and western hemlock which complement virtually any color scheme, yet remain important and handsome in themselves. These woods have wonderfully rich coloring, yet they're light in tone.

Policeman, have you seen

Continued from page 1

her back to bed. An officer went, and helped.

Thirty kids getting ready to fight. They were gone when the police arrived moments later.

Someone home alone and outside she hears banging on the window. All well when police arrive split seconds later.

Got water in your basement? The police department often handles these calls. A man doesn't like his neighbor's messy garbage cans. The police are called.

The log items will run the gamut — from the ridiculous to life-and-death seriousness.

Some reveal a drama more real than television could make it: A man's wife has left home in a rage with a car and is going to kill herself.

Other show age-old struggles between parents and their children: a woman's son is out with the car, and she wants him, and the car, brought home.

Humor, too, can find its way into the log. When City Manager Richard Blodgett's wife had a baby in February, a log entry read: "Name of Mr. Blodgett's daughter: Michelle Dianne;" and "Officer Ferguson's dog gone, (11:37); officer Ferguson's dog found (11:47); or "Car 54, disabled at Daly's. Call wrecker."

Some things in the log show impending tragedy: impersonal, the little notes reveal a heart may soon be broken: "elderly man w/stroke up-town, call rescue."

Some can reveal a desperate life situation: man passed out drunk on steps of rooming house. Or, husband drinking, has taken car out and she's

worried he may hurt himself. Please find him.

They try. Sometimes, lots of times, nothing turns up. But these are things that happen in Plymouth, not a lot, but more than enough to keep the patrolmen busy.

City policemen spend a lot of time patrolling, Johnson notes, and also, they spend considerable time at night checking doors.

"I see this as a very necessary part of police work, and one of our best preventatives. We make sure a door is secure, then check later. If it isn't still secure, we know we've got a problem."

Time goes by fast. An accident report, if it's simple takes thirty minutes.

Tickets are issued by patrolmen too. For instance, in March, 22 speeding tickets, one reckless driving ticket, and three failure to stop tickets were issued.

The log that is kept is a bare sketch of what happens in the Plymouth police department. It gives Johnson an idea of what's happened; he is familiar with crimes and complaints that are serious.

Plymouth police last year received praise from the Automobile Club of America for the excellent and complete nature of their records. And several patrolmen have been on the force many years, a fact administrators feel gives Plymouth a strong department.

The log doesn't show whether or not Plymouth has a good force. But it does reveal that police spend long hours on life's little problems, in a job that to them often seems so hum-drum but to the outsider seems so exciting.

As Nationally Advertised on Television and in Sunday Newspapers.

A WHIFF OF SMOKE is all that can be seen from the road, but this ancient shack is used for one of the oldest processes in American farming — making maple syrup. Located in a woods well back from Tower Rd., nine miles west of Plymouth, the shack contains an evaporator, or long, flat trough that boils the water out of the clear white sap taken from Maple trees in springtime. Located at 5495 Tower Rd., just south of N. Territorial Rd., the woods is worked each spring by a man from Ann Arbor, and a man from Plymouth. War, union contract will boost cost of new homes

"New-home prices will continue to rise for at least the rest of 1966, and probably longer." This prediction was made to the United Northwestern Realty Association - Western Wayne-Oakland County Board of Realtors, at their weekly luncheon meeting at Cregar's restaurant by guest speaker Robert Zisette.

Zisette explained that the automotive industry of Detroit had siphoned off much of the skilled labor, thus depleting the

man and Broad Homes, Inc., Zisette said that the continuing price rise is due to present labor conditions, rising labor wages, a shortage of materials and increased costs of financing.

Zisette explained that the automotive industry of Detroit had siphoned off much of the skilled labor, thus depleting the

labor market of skilled tradesmen to a certain degree. "Also many of the trades suffer a seasonal shortage, especially during the summer when building is at its peak," he told the Realtors.

The present union contract calls for an increase on May 1, 1966, which will raise the carpenters' hourly wage approximately 25 cents, and this will add to building costs, Zisette pointed out. He also mentioned that the government has been buying large quantities of lumber to meet the demands of the Vietnam conflict, and a shortage of materials has resulted.

"All these factors lead to increased costs for the home building and also lengthen the period of time needed to build a home. Zisette amplified by saying that whereas in 1963-64 it took from 45 to 60 days to build a new home once the basement was in, today it takes from 120 to 150 days.

He concluded by pointing out that "since Jan. 1, 1965, the prices of homes built by my firm have gone up as much as \$3,000."

Also speaking before the Realtor group was Jack Wood, executive secretary of the Detroit Building and Construction Trades Council.

Teeter totter record may topple at Schoolcraft

Schoolcraft Community College is striving for its first world's record. The relatively new school, located at Seven Mile and Haggerty Roads, Livonia, is seeking to smash the world's endurance record of three hundred hours on the teeter-totter.

The assault on the record, currently held by a school in Hayward, Calif., is being led by seventeen members of Schoolcraft's Circle K service club. The Club wanted to publicize their blood drive and kick off the school-sponsored "Mud Festival".

The boys, who are at a distinct disadvantage climate-wise to the California team, have tottered through rain, snow, sleet, and wind. Their sturdy metal craft has been in continuous motion, day and night, since noon, Friday, March 25. Someone estimated that they will travel close to one thousand miles . . . up and down.

During the first weekend of their stationary junket, an estimated one thousand persons showed up to lend moral support, hot chocolate, and cookies. "We had kids showing up at 2, 3, and 4 in the morning," said Jerry Beam, a veteran of more than thirty hours. He added, "It gets awful cold and desolate out here at those hours." Several members of the team reported being visited by U.F.O.'s on one of the nights.

The Club has been working in

teams of six with two sleeping, two studying, and two tottering. Their outpost, in the center of the campus, is a small trailer donated by Shirey's Trailer Sales of Plymouth. Their outdoor equipment began as only one small blackboard to record the hours. They now have radio, T.V., blankets, pillows, magazines, and scores of other donated items.

The team has no immediate plans for after they break the record. Perhaps they might tour the country as "The Lever Brothers".

Serving our Country

Larry R. Smith Marine Private Larry R. Smith, son of Mr. and Mrs. Richard Smith of 745 Adams St., recently completed the Personnel Administration course at the Marine Corps Base, Camp Pendleton, Calif.

The course teaches the techniques of office administration. Typing, filing, use and handling of government forms, data processing and data control systems are stressed, as well as operation of modern office equipment.

Mackie D. Golden Walter A. Tracy Jr. Fireman apprentice Mackie D. Golden, USN, son of Mr. and Mrs. Wade L. Golden of 354 N. Main St., and damage controlman Second Class Walter A. Tracy Jr., USN, son of Mrs. Ruth H. Tracy of 353 Starkweather, both of Plymouth were awarded the Vietnam Service Medal while serving off the coast of Vietnam aboard the attack aircraft carrier USS Ranger, currently on her second combat cruise to the Vietnam war zone. Servicemen stationed in Vietnam or aboard Seventh Fleet ships in the South China Sea for 30 or more consecutive days are eligible to receive the new campaign medal. Prior to last July, the Armed Forces Expeditionary Medal was awarded.

With the aircraft of Carrier Air Wing 14 aboard the Ranger, the ship is a mobile landing field for air strikes against communist targets. Ranger carries fighters, attack bombers and reconnaissance aircraft.

DALE B. COWAN Marine Staff Sergeant Dale B. Cowan, son of Mrs. Alma Cowan of 305 Roe St., was awarded a Good Conduct Medal while serving in the DaNang area of Vietnam with Headquarters Company, Headquarters Battalion, 3rd Marine Division.

This medal is awarded for demonstrating high achievement in conduct and proficiency in rank during three years of continuous active service.

Members of the unit participate in patrols and ambushes against insurgent communists, and also man positions on the defense perimeter around the vital air base near the port city of Da Nang.

A graduate of Plymouth High School, Sgt. Cowan entered the Marines in June 1954.

WILLIAM STULTS Marine Lance Corporal William J. L. Stults, son of Mr. and Mrs. William H. Stults of 9275 Marlowe St., was promoted to his present rank while serving in the Da Nang area of Vietnam as a member of Company "A", 7th Engineer Battalion, 3rd Marine Division.

His promotion was based on time in service and rank, military appearance, and his knowledge of selected military subjects.

Members of the unit are now engaged in constructing roads and bridges, and erecting housing for Armed Forces personnel serving in Vietnam.

In addition to construction duties, the engineers also disarm and destroy booby traps and mines, and participate in patrols and ambushes against insurgent Viet Cong.

They also man positions in the defense perimeter around the vital air base near the port city of Da Nang.

Before entering the Marines in September 1964, LCpl. Stults attended Plymouth High School.

'Sugar bush' draws Plymouthite each spring to make Maple syrup the old way

OLD FASHIONED way is still used in part of the woods. A tap is made with a drill, and a spile or spout put in to collect the sap. The sap is clear white, mostly water; sometimes it will take up to fifty gallons of sap to make one gallon of syrup. The sap will return to the winter-dormant trees in the spring; it runs particularly well if a cold night of about 25 degrees is followed by several days of 40-degree weather. It will merely trickle out at other times. The sap season is from March 1 until the middle of April in a normal year. A special paraformaldehyde, a component of the preservative formaldehyde, is used to keep the sap running. This is the only maple tree farm or 'sugar bush' around for many miles.

MODERN methods have replaced the old fashioned tap and spile, or spout pounded into the Maple tree. Now, part of the woods is tapped with plastic spouts, and tubing, which leads to a huge barrel many feet away. The tube has an air vent to aid the flow of sap.

A NETWORK OF TUBES is used to gather sap in part of the woods, estimated to cover 20 acres. Lawrence Zeigler, who owns the farm, shows how the tubes connect and lead from the tree to a tank, which is taken to the evaporator shack by tractor. Zeigler and Merrit Rorabacher, 854 Church, co-operate the woods.

STOKING the old evaporator is a constant process for Zeigler. The fire run beneath runs the entire length of a trough about 20 feet long, seven feet wide and a foot deep. The sap is boiled until it is a dark brown liquid. No one knows why the sap turns brown, according to Merrit Rorabacher.

PLYMOUTHITE Merrit Rorabacher keeps a close eye on the sap level as it is pumped inside from a storage tank outside of the shanty. The sap control, like a float in a carburetor, keeps the liquid at an even level. Steam from the evaporator fills the shanty despite a hood and vent at the top; the fire must be kept going to keep the final chambers of the evaporator at 220 degrees. The syrup must make a certain weight per gallon, measured by a hydrometer, before it can be siphoned off. The syrup is sold, much of it on the Ann Arbor farmer's market. Rorabacher gathers up a few neighborhood kids on non-school days, and they collect sap and drive the tractor. The entire woods is a mass of muddy, rutted trails that by May 1 cannot be seen. In their place are green moss, wild flowers and grass, shaded by some of the prettiest trees in Michigan — trees that each year yield up vast quantities of their life's blood for man, but never suffer permanent damage.

Many summer camp jobs open to college students

House Republican Leader Robert E. Waldron is alerting college students and teachers to the many employment opportunities that exist at summer camps throughout the state.

Michigan State Employment Service is now assisting this recruitment in cooperation with the Michigan Camping Association. "This year," Waldron said, "Camp Placement Day will be Saturday, April 9 at the Detroit office, 7310 Woodward. Interviews will be conducted between 9:30 a.m. and 3:30 p.m. At that time some 25 camp directors will be on hand to interview persons, over 19 years of age, for positions including general and specific counselors,

program and athletic directors, and both registered and licensed practical nurses. No appointment is needed." Waldron urged interested persons to attend the Camp Placement Day, "to investigate various opportunities of spending a pleasant vacation with pay while gaining valuable experience at the same time." For further information write or phone any one of the branch offices of the Michigan Employment Security Commission

WALDRON pointed out that the

JayCees, Plymouth family 'adopt' Columbian boy, Vietnamese girl by PLAN

The Plymouth Junior Chamber of Commerce has financially "adopted" Jose Duqueiro Moreno, an 11-year-old Columbian boy, through Foster Parents, Plan, Inc., 352 Park Ave., South, New York, N. Y. 10010.

And Eric P. McCuaig, 42035 Chenond Drive, has "adopted" Nguyen Thi Cho, a 10-year-old Vietnamese girl.

The "adoption" is financial not legal and costs \$15 a month for a minimum of one year. The Foster Parent receives a photograph and case history of his child. Through a monthly exchange of letters (original and translation are transmitted by PLAN) Foster Parent and Foster Child get to know one another.

The \$15 a month support is one of the biggest bargains in happiness an individual or group can buy. It provides a child with a monthly cash grant of more than half the amount, new clothing, household equipment, complete medical care, and education. Every Foster Child must attend school and education is seldom free in the impoverished countries where PLAN maintains Headquarters.

During its 28 years of existence, Foster Parents' Plan has graduated 76,000 children of 28 nationalities, a valuable nucleus of educated, independent people. Currently 39,000 Foster Children in Greece, Hong Kong, Korea, the Philippines, Viet Nam, Colombia and Ecuador are eating nourishing food regularly, sleeping on beds instead of the floor, getting medical checkups as well as care in sickness, and the clothing, education and other benefits already mentioned.

Foster Parents' Plan is a non-sectarian, non-profit, non-propaganda, independent, government-approved organization. PLAN has no professional fundraisers and its financial statements are mailed with pride to anyone who asks for it. Children may be selected according to age, sex and nationality. For information write to Foster Parents' Plan, Inc., 352 Park Avenue South, New York, N.Y. 10010.

send her because there is no money for tuition or suitable clothing. She appears a little frightened at the strangeness of the "picture-taking" ceremony.

Cho lives with her mother, step-father, brothers, Lutan (13), Si (6) and sisters, Duoc (11) and Nam (4), in a refugee camp at Binh Tuy. The family fled their native village when the communists invaded it, about a year ago. The Government furnished the material with which to build a pal-leaf house measuring 15' x 15'. Their only possessions are 2 bamboo beds and a cot.

Four years ago, her father was involved in an accident which left him completely paralyzed. The mother must now earn their living by selling native medicines in the village. In this way she is able to eke out 41¢ a day.

generous interest. Also, PLAN helps him to meet his present school needs by providing supplies and decent clothing for class.

Both parents are literate, but they are among the poorly educated and unskilled of their country. Jose Duqueiro's father works as an untrained construction assistant and manages to earn about \$28 monthly. He suffers from kidney troubles. His wife remains at home to care for the needs of her children and to maintain her household. The oldest boy, Jose Gonzalo (15), also works as an unskilled construction helper, but his wages are too meager to be of any assistance to his impoverished family.

Besides Jose Duqueiro, one other child in our family is able to go to school. Alba Gloria (14) is attending classes. The youngest child, Carlos Julio (7), is an invalid suffering from a cerebral lesion.

Wayne County offers books for the blind

The Wayne County Library for the Blind, 33030 Van Born Rd., Wayne, is one of thirty-two regional libraries for blind residents of the United States and its insular possessions. Administered locally, these regional libraries provide books in braille, on records and on tape; all supplied by the Division for the Blind, of the Library of Congress.

Reading materials are provided free of charge for persons whose visual acuity is 20/200 or less, in the better eye, with correcting lenses, or whose vision subtends an angular distance no greater than twenty degrees. Any legally blind person can obtain library service by applying to the library and furnishing a statement of legal blindness from his physician, ophthalmologist or optometrist.

To meet the needs of blind readers, whose reading tastes are no different than those of sighted readers, the library carries a wide variety of books. The talking book records can be played on any record player that has the 16 2/3 and 33 1/3 speeds. The library will furnish players to readers who do not own them. The player and records are mailed to and from the library postage free. For further information contact the Wayne County Library for the blind. Library hours are 8:30 to 4:30, Monday through Friday. Phone 274-2600, (no toll charge from Detroit) and 722-8000, (local calls).

Edward Rowe, professor A Plymouthite, Edward J. Rowe, was named an assistant professor at the University of Connecticut recently. He was one of 100 staff members receiving promotions from president Homer D. Babbidge.

Another step taken in Schoolcraft accreditation

Officials of the North Central Association of Colleges and Secondary Schools announced Wednesday evening, March 30, that Schoolcraft College has been admitted to candidacy for membership in the association. This action took place at the 71st Annual Meeting of the Association in Chicago, March 28-31,

after President Eric J. Bradner and Vice President John H. Brinn had appeared before the Commission on Colleges and Universities to present the Schoolcraft case. Following this approval, Dr. Bradner stated, "Now we are looking to 1968 at which time our final accreditation and admittance to the Association should become available." Dr. Bradner indicated that college officials are already organizing for the intensive self study which the College must make prior to final accreditation.

AT THE NATION'S marketplace: International Relations group, seniors of Plymouth High School, on a recent visit to the New York Stock Exchange watch the bustling activity on the huge trading floor. In charge of the group was Ray Homer. One of New York's great tourist attractions, the Exchange, located at Broad and Wall Street in the heart of the city's financial district, draws more than half a million visitors a year. Guided tours are conducted from 10 a.m. to 3:30 p.m. Monday through Friday. Admission is free. Special arrangements for group visits may be made by writing Miss Jean Geiger, New York Stock Exchange, 11 Wall Street, New York 5, New York. The group includes: Sue Hulce, Ralph Heid, Cynthia Eley, Tom Chandler, and Sherada Erdelyi and NYSE guide on left, Jean Geiger.

New Books

"After Julius",
English novel
—At Dunning Hough

"After Julius," by Elizabeth Howard, is a novel set in rural England. A woman and her two daughters must face life after the death of their husband and father. "Ali, a Persian Yankee," by Maxine Miller, as told by Ali Azazi, is an account of the adventures and impressions of a foreign student in the U.S. "Dangerous to Man," wild animals: a definitive study of their reputed dangers to man, by Roger Caras, dispels many old theories about animal ferocity and danger to man. "Roman Art," a modern survey of art of imperial Rome, by George Hanfmann, is a book of illustrations with commentary. "H.M.S. Saracen," by Douglas Reeman, is the story of a young British naval officer who served on the same ship in World Wars I and II. "This is Ohio"; Ohio's 88 counties in words and pictures, by Grace Goulder, gives sketches of history from early settlements to the present, as well as descriptions of the areas.

Health Dept. offers diabetic class

The Wayne County Department of Health is pleased to announce that another series of classes for diabetics and their families will be starting on April 18. The series includes presentations by a physician, a public health nurse, and a nutritionist. They will discuss the importance of the patient's cooperation with

his physician and help the patient understand how he can lead a normal and healthy existence. The classes are open to all diabetics regardless of age with written approval from their physicians. Children under 14 years of age should be accompanied by their parents. Class sessions are held at the

Wayne County Health Center, Merriman Rd., Eloise, Mich., from 7 p.m. to 9 p.m. on five consecutive Monday evenings. Persons wishing to attend the series starting April 18 should register by calling the Wayne County Department of Health, PA 1-0200 or CR 4-2800, Extension 6901.

DIVERS, left to right, Pat McCord, Plymouth, 1st; Hassen Hamoud, Wayne County, 2nd; James McCullough, Wayne County, 3rd; and John Skinner, Plymouth, 4th, display their diving awards and other ribbons won during the meet.

W.C. Training Swim Club posts School, swim club meet

The Plymouth Swim Club, coached by Ed Kleinsmith swam the Wayne County Training School team, coached by Mike Komieny, at the Plymouth High pool, last Saturday.

The meet ended with a lopsided score - Plymouth 72, Wayne County 23.

During the meet, the following times were recorded:

100 medley relay - Foust, Campeau, Stone, Jewkes, Plymouth 1:05.7; Howie, Dufour, Beaton, Washington, Wayne Co. 1:20.8.

200 yard freestyle - J. Skinner, 2:24.4; D. Skinner, P., 3:13.7; J. Dufour, W.C., 3:28.4.

50 yard freestyle - Pugsley, P., :27.7; Hopkins, W.C., :31.8; Washington, W.C., :31.9.

100 yard individual medley - McCord, P., 1:04.3; Jewkes, P., 1:23.7; Dufour, W.C., 1:44.0.

Diving - McCord, P., 28; Hamoud, W.C., 22; McCullough, P., 20.

50 yard butterfly - McCord, P., :27.3; J. Skinner, P., :30.0; Schweigert, W.C., :39.0.

50 yard breaststroke - Nelson, P., :36.5; Stone, P., :40.1; Washington, W.C., :46.8.

50 yard backstroke - 1st-Foust, P., :30.2; 2nd Cavell, P., :41.8; 3rd Howie, W.C., :41.7.

100 yd. freestyle - Wolfe, P., 57.4; Campeau, P., 1:11.6; Cooney P., 1:43.1.

200 yard freestyle relay - Chisholm, Malboeuf, Jewkes, Pugsley, P., 1:48.6; Washington, Barney, D. Barritt, Hopkins, W.C., 2:09.4.

Spectators were 30 from Wayne County Training School and 15 from Plymouth.

The swimmers enjoyed the meet very much especially the 6 week old Wayne County team.

The Plymouth Swim Club entertained South Livonia on Tuesday, March 29, in their first dual meet of the spring season.

Individual results for Plymouth swimmers are listed below:

Girls 10 and under 100 yd. medley relay: Derr, Troutman, Hale, Merriam 1:29.

Boys 10 and under 100 yd. medley relay: Sullivan, McKinley, Kloote, Malboeuf 1:21.

Girls 11 and 12 100 yd. medley relay: Silber, Foster, Joiner, Elcher 1:11.

Boys 11 and 12 100 yd. medley relay: Chisholm, Stone, Malboeuf, McKeon 1:07.

Girls 13 and 14 200 yd. medley relay: Todd, Camp, Zoet, McKinley 2:32.

Boys 13 and 14 200 yd. medley relay: Aubrey, Cavell, Jewkes, Campeau 2:28.

Girls 10 and under 25 yd. freestyle: Kloote 15.8; Coleman 17.3.

Boys 15 and over 200 yd. medley relay: Foust, Leonard, McCord, Pugsley 1:51.

Girls 10 and under breaststroke-butterfly relay: Cavell, Broome, Troutman, Merriam 1:50.

Boys 10 and under 100 yd. breaststroke-butterfly relay:

Troyky, Sullivan, Malboeuf, McKinley 1:27; Coleman, Petersen, Burke, Jabara 1:31.

Girls 11 and 12 100 yd. breaststroke-butterfly relay: Boyne, Joiner, Foster, Rienas 1:15; McKinley, Silber, LeBlanc, Fuelling 1:33.

Boys 11 and 12 100 yd. breaststroke-butterfly relay: McKeon, Chisholm, McCord, Malboeuf 1:19; Wales, Finley, Deetz, Skinner 1:27.

Girls 13 and 14 200 yd. breaststroke-butterfly relay: McKinley, Todd, Camp, Zoet 2:40; Finlan, Foster, Pulfer, Hodson 3:13.

Boys 13 and 14 200 yd. breaststroke-butterfly relay: Cavell, Campeau, Hindman, Jewkes 2:54; Aubrey, Cavell, Jabara, Silber 3:45.

Girls 10 and under 25 yd. freestyle: Hale 16.5, Conway 27.2.

Boys 15 and over 200 yd. breaststroke-butterfly relay: Skinner, Witthoff, Leonard, McCord 2:03.

Girls 13 and 14 100 yd. freestyle: Todd 1:12; McKinley 1:53.

Boys 13 and 14 100 yd. freestyle: Campeau 1:15; Silber 1:33.

HOTPOINT

The clean-wipe control panel has tough, baked-on porcelain finish; control knobs detach to make cleaning even easier!

Recessed Spill-proof top puts cooking surface below countertop, protects range and floor from those messy spill-overs.

The self-cleaning surface units are hinged, lift out of the way for easy cleaning of cooktop and removable drip pans!

The removable oven door lifts up and off with one easy motion. Helps make oven interior easy to reach, easy to clean.

Teflon-coated oven walls slide out and sponge clean. Burnt-on grease and spatter wipe off. No more scouring ever!

Removable storage drawer detaches completely. Cleaning under range is easier because there's no floor-level brace!

Call meeting for summer baseball

Managers for the recreation baseball teams are being sought by the Plymouth High School recreation office.

A special managers meeting was held Tuesday night to start work on the season which begins June 13.

"F" league boys cannot be 14 before Sept. 1.

"E" league boys cannot be 16 before Sept. 1.

"D" league boys cannot be 19 before Sept. 1.

According to Plymouth recreation director Herb Woolweaver: "We are in need of team sponsors for both 'E' and 'F', and for managers for all three."

Woolweaver also announced a men's softball organizational meeting for April 7, at 7:30, at room 110; the season begins about May 9. All teams should have a representative at the meeting; for further information call Earl Gray, 453-0477.

Boys 15 and over 200 yd. backstroke-freestyle relay: Foust, Skinner, Withhoff, McCord 1:48.

AWARDED FOR PARTICIPATION in GAA were 27 Plymouth High School girls. The awards and letters were handed out recently for the first time this year to the girls of the Girl's Athletic Association. The organization is under Miss Jan Pierce, PHS physical education teacher. Pins were awarded for a first season in a sport, letters for a second season and plaques for a third. Those receiving awards were:

front, left to right, Judy Ing, Mary Fink, Lynn Folino, Debbie Sand, Nanette Muzzy, Sue Eckles; second row, Miss Jan Pierce, Bev Dundon, Sally Childs, Sally Post, Helen Gottschalk, Nancy Esch, Kathy Rehner; third row, Lynda Bassett, Raina Smith, Barb Rickard, Gloria Price, Marilyn Schryer, Patrice Fox, and Diane Wheeler.

PHS, junior highs begin two months of spring sports

If the weather is kind, most spring sports for Plymouth High School athletes will begin next week, with activities for junior high teams to begin the next week.

The varsity diamond-men have the first outing as they open April 13 with Ypsilanti.

New head baseball coach Frank Fisher has been cautious about predictions with pitching remaining a key question. Despite the fact that many of the ball players on the team have played together three years, the pitching gap may leave Plymouth with only a mediocre team.

Jim Arnold is this year's captain. Paul Cummings will coach the reserve baseball team.

VARSITY AND RESERVE BASEBALL SCHEDULE

April 13	Ypsilanti, (1:30 p.m.)	A
April 15	Walled Lake	H
April 18	Dearborn	A
April 20	Northville	H
April 25	Belleville	A
April 28	Trenton	H
May 2	Allen Park	A
May 5	Redford Union	H
May 9	Bentley	A
May 12	Belleville	H
May 16	Trenton	A
May 19	Allen Park	H
May 23	Redford Union	A
May 26	Bentley	H
June 1	Northville	A

Reserve games begin April 20 and are held with the same teams, the same day at the opposite place. If the varsity is home, the JV's will be away.

Track will begin April 22 with a meet at Allen Park after several weeks of practice, much of it indoors in the PHS gym. Coach Keith Baughman will rely on a thin return of lettermen — nine — including Pat Brady, and Bill Clyde, co-captains, and Jim Scharmen, Larry Warnemuende, Jerry Warnemuende, Bob Kreitch, Dave Dirlam, Howard Studeman and Don Burleson. Baughman is also expected to rely on some help from last year's reserves. The thinclads opened the last week in March with some of the team participating in the Huron Relays.

VARSITY AND RESERVE TRACK SCHEDULE

April 22	Allen Park	A
April 26	Northville	A
April 28	Redford Union	H
May 3	Walled Lake	H
May 5	Belleville	A
May 12	Bentley	H
May 18	Trenton	A
May 21	State Finals	
May 24 and 26	League preliminaries and finals at Redford Union	
June 4	Snarey Relays 5 p.m.	

RESERVE TRACK

April 21	Bentley	H
April 29	Trenton	H
May 5	Redford Union	A
May 11	Belleville	H
May 19	Allen Park	A
May 27	League reserve meet	

Golf will see the return of four lettermen — Bob McCall, Tom Janicki, captain, Dave Dunlap and Jeff Scott, and five others: Dave Jones, Dick Wolfram, Dave Meridith, Neal Goodman and Jeff Jacobs. Coached by athletic director John Sandmann, the team's home course is at Braeburn Golf Club.

GOLF SCHEDULE

April 18	Bentley	A
April 21	Edsel Ford	H
April 22	Walled Lake	A
April 25	Trenton	H
April 26	Ypsilanti	A
April 29	Allen Park	H
May 2	Dearborn Invitational	
May 3	Belleville	A
May 5	Walled Lake	H
May 9	Redford Union	H
May 13	Regionals	
May 16	Redford Union and Bentley	
May 20	Bentley and Belleville	H
May 23 and 24	Regionals, here in Plymouth	
May 26	Dearborn	H

The tennis team this year will feel the loss of one-time Regional champ Dave Tidwell, but will be bolstered by several returning lettermen: Robin Wideman, captain, Rick Jones, Tom Chandler, Steve Hulce, Bill Wolfe, Dave Sibbold, Bob Stover and Steve Mogle. The big threat for the Rocks defending league champs, will be this year's powerhouse, Trenton.

Coach Jim Stevens and his assistant, Claude Wilbanks, run the tennis program for spring, and during the summer. Last year, Stevens and the Plymouth JayCees hosted the State JC tennis tournament, and they expect to get it again this year.

VARSITY TENNIS SCHEDULE

April 19	Trenton	H
April 21	N. Farmington	H
April 22	Ypsilanti	H
April 26	Allen Park	A
April 28	Thurston	H
May 3	Bentley	A
May 6	Northville	A
May 10	Trenton	A
May 17	Allen Park	H
May 20-21-22	Regionals	
May 24	Bentley	H
May 27	League at Bentley	
May 31	Edsel Ford	H
June 3	Finals	

Junior High teams will compete in tennis, track and baseball. Junior High baseball coach will be Carl Cotton, who has about 30 boys out for practice. Track will be run by Casey Cavell, who reports 50 boys out. The track teams from the eighth and ninth grades run at the same time, but just with teams in their bracket — such as ninth against ninth.

This is the first year Plymouth has entered a Junior High team in the junior high league.

Sign up for Jr. baseball

Details of registration and try-outs for the 1966 Plymouth Community Junior Baseball League were announced last week.

Eligibility is limited to all boys who will be 8 prior to Aug. 1, or not have reached 13 before Sept. 1, 1966. In addition all boys (regardless of past participation) must be present at registration with a parent or guardian and a \$3.00 registration fee. Boys who have not previously registered or played in the Major leagues must also bring a birth certificate and shirt.

Registration will be held at the Elk's Club on Ann Arbor Road from 10 a.m. to 1 p.m. on April 16 and 23. Players will be advised of time and place of try-outs when they sign up. A new rule was adopted limiting 8 and 9 year olds to Minor League competition.

The League is comprised of 12 Major and 12 Minor League teams. Last year approximately 400 boys participated in the program which is supervised by adult members of the community on a voluntary — non paying basis.

FROM WASHINGTON:

Congressman Vivian reports to Plymouth

Excerpts of speech delivered Friday evening, April 1, in Chelsea (public lecture, sponsored by the Key Club of Chelsea High School) concerning the proposed A.E.C. accelerator laboratory: "Southeastern Michigan stands at the threshold of becoming one of the three or four leading scientific research centers in the entire nation," U.S. Representative Weston E. Vivian said. "The research potential of the area already has been recognized by a number of U.S. firms who have located new laboratories here in recent years. But, now, with the selection of a site in Northfield Township, north of Ann Arbor, as one of six sites which were selected for final review as possible locations for a proposed \$375 million atomic particle accelerator laboratory, the promise of this area will become very widely known. "Having survived the rigorous screening procedures of the National Academy of Sciences Site Evaluation Committee, I believe that the Northfield site now stands an excellent chance of becoming the final choice, by the Atomic Energy Commission. We probably will not receive a final decision, however, until late in 1966 or early 1967." Vivian, the only Ph. D. scientist ever to serve in the U.S. Congress, explained the operation of a proton accelerator, and its importance in gaining insights into the nature of matter. "Basically, the accelerator is simply a three-mile long vacuum tube, bent around into a circle a mile in diameter. We can think of it as a perfectly circular 'atomic race track' with the ability to speed up atomic particles injected into it. These particles, guided by huge magnets located around the circle, are gradually accelerated by powerful radio waves to a speed very nearly the speed of light. Then, they are directed against small samples of target materials, and the 'nuclear debris' from the impact of these high-speed particles with the target is then observed and recorded by complex instruments," Vivian explained. "There is virtually no distant external radiation associated with the accelerator, and what little there is, is screened from the working staff by a twenty-five foot layer of earth above the entire accelerator ring." "The economic gain to the area fortunate enough to be selected as the final location of the accelerator lab will be tremendous," Vivian said. "The annual payroll for the laboratory is estimated at sixty million dollars. Such a payroll generates additional local economic activity which is estimated to reach almost half a billion dollars annually. In addition, such facilities tend to generate greatly expanded research activity in their vicinity,

as personnel from the lab "spin-off" to set up their own enterprises, and new firms and personnel are attracted into the area. "As one who helped found one of the successful scientific research and development companies in this area, I can tell you that Southeastern Michigan has already reached the threshold of a science and research 'take-off'." If the Atomic Energy Commission locates its new accelerator in Northfield Township, the future of our area, as one of the three or four leading research communities in the nation, is assured," Representative Vivian concluded.

"There are quite a few cuckoos among both the doves and the hawks."—Olin Miller, Duncannon (Penna.) Record.

"The world's sharpest trader is a lad with five cents to spend for candy."—Dan Tabler, The Queen Annes (Maryland) Record-Observer.

"The trouble with Russian Roulette is that not enough Russians are playing it."—George J. Melvin, Claysville (Penna.) Recorder.

Hamilton licensed in Illinois

Alexander Hamilton Life Insurance Company of America has been granted a license to do business in the state of Illinois, E. Keith Owens, Chairman of the Board, announced last week. The license, issued by Illinois State Insurance Commissioner, John F. Bolton Jr., marks the seventh out-of-state charter granted to the 22 month old company since November, 1965. The other licenses have been issued in Indiana, Maine, Alabama, Minnesota, Louisiana, and Rhode Island. As part of the company's scheduled expansion program, applications for licenses are pending in 22 additional states, Owens said. Hamilton currently ranks in the top 25% of the country's 1600 life insurance companies and, operating from 15 Regional Offices throughout Michigan and 5 Indiana Offices, is the state's third largest ordinary life firm.

The Old Timer

"What a blessing it would be if we could open and shut our ears as easily as we do our eyes."

Hard work is the yeast that raises dough.

It's no wonder women live longer than men. Just look at how long they were girls.

A neurotic is a person in a clash by himself.

Tips from the STOP & SHOP CHEF

Questions & Answers

How can you make sure that fresh pineapple used in gelatin desserts and salads will jell?

Fresh pineapple contains a certain enzyme that is completely antagonistic to gelatin. But heating the pineapple to a simmer destroys the enzyme, and the fruit and the gelatin then become firm friends.
