Henry Fails in Bid for 2nd School Board Term

Scott, Tripp and Moehle Victors

Two newcomers to the Plymouth Community School District Board of Education and one incumbent were swept into office with sizable margins Monday in the annual school election.

But the election was decided by a skimpy 16 per cent of 1,230 votes—leading in all four precincts.

He will be joined on the board of John W. Moehle of 1269 West Ann Arbor Trail, Plymouth, who finished second in the balloting for the two four-year vacancies with 869 votes.

In the three-year race, a victor was hammered out by incumbent R. Bruce Scott, of 8950 Ann Arbor Road, who piled up 978 votes to opponent Richard Arlen's 635. Scott was appointed to the board early this year to replace Robert Jenkins who won a four-year slot just one year ago, but resigned to leave the area.

All three winners were editorially endorsed by The Plymouth Observer last week. See pictures below.

Incumbent Ernest L. Henry, who was running for re-election to a four-year post, ran third with 604 votes. He was followed by Gary E. Hall with 515 and Roscoe C. Walker who finished last with 170.

The defeat of Henry, a former Plymouth City Commission member who has always run well in local voting, is seen as a change in the complexion of district control—from longtime residents to the hands of newer, incoming homeowners in recently constructed subdivisions on the periphery of the City of Plymouth.

The other four-year opening was created by the expiration of board member Robert Soth's term. Soth did not run for re-election.

POINTING TO GOAL of 1966 Plymouth Community Fund Drive are President Dr. William Covington and Campaign General Manager Edward Schening. The goal of \$88,543 is the largest in the fund history.

PCF Sets \$88,543 For Goal in 1966

The Plymouth Community Fund has set a goal of \$88,543 for the 1966 fund raising drive—an increase of slightly more than two per cent over the \$86,083 of a year ago.

That was the announcement of President Dr. William Covington at a luncheon meeting where Fund General Chairman Edward Schening of Burroughs Corporation, made known his plans to go over the top in 1966, just as the campaign did last fall under the direction of John Kamego of Michigan Bell.

The purpose of the luncheon was to announce the goal and review the campaign organizational plan.

Schening expressed his gratitude to this year's group chairmen and directors for accepting the all-important task of leading the community-wide cause.

He commended those in attendance—members of the Fund Board of Directors and last year's chairmen for taking the time from busy schedules to offer their support and assistance.

In commenting on the goal, Dr. Covington expressed optimism that the newly formed Fund Drive team with the support of the community could reach the goal and perhaps go over the top with something to spare.

"You can be assured," Dr. Covington told Schening, "that the allocations to our health and welfare agencies, which make up this goal, are extremely necessary and reasonable. Each request was reviewed thoroughly by the Budget Committee and the Board of Directors before a final decision was made."

A year ago, the goal of \$86,083, largest in the history of the PCF, was exceeded when the total soared to \$86,315.

Schening reviewed the campaign plan with the Group

Boys!! Here's Chance to Join Junior League

Boys, if you are eight before Aug. 1 and not 13 before Sept. 1, then there is an opportunity to play baseball in the Plymouth Community Junior Baseball Minor League.

Boys interested are urged to report to the league fields next Monday, June 20, across from the Burroughs Corp. on Plymouth Road adjacent to the City of Plymouth Industrial Park.

The Minor League will play games on Monday, Tuesday, Wednesday and Thursdays at 1 p.m. Players must have their own gloves and tennis shoes but all will be covered by insurance.

There will be a \$3 registration fee to cover costs of insurance and equipment used at the games.

Teachers Back Negotiators In Rejecting Board Offer

Although negotiations between the team representing the Plymouth Board of Education and that from the Plymouth Education Association, which represents the teachers, have been progressing harmoniously and in good faith, the groups are far apart in the economic side of the issues.

That became apparent Monday night when Supt. Russell Isbister, who heads the Administration team, outlined the entire situation to the Board.

Tuesday morning, Ray Homer, a teacher at Plymouth High and chairman of the PEA negotiating team, issued a statement explaining the teachers' side of the issue.

The complete statement follows:

"Progress in negotiations have been harmonious and mutually cooperative.

"Tentative agreement has been reached in almost all areas of the master contract. Agreement has not been reached on contract limitations or class size, salary schedule for teachers, and related fringe benefits. Our positions have been defined clearly on these issues, and wide differences exist, however, negotiations are continuing in good faith on these points.

"On Monday, the negotiating team met with the Plymouth teachers and received the unanimous vote of confidence in their rejection of the Board's latest proposal. Then, the negotiating team outlined

City Commission Scuttles Urban Renewal Program After Lengthy Public Hearing

The people spoke—by voice, by the appearance of more than 350 in the City Commission chambers and by presentation of petitions bearing the names of more than 845 residents—and the Plymouth City Commission took heed by voting out the proposed Urban Renewal project in the southeast quadrant by a 7-0 tally.

The public hearing on the proposed project attracted the largest crowd ever to attend a session since the new City Hall was opened.

There wasn't any question in the minds of the Commissioners or the audience that most of those in attendance didn't want any part of the Urban Renewal.

Commissioner Arch Valier, who requested the Council to call the public hearing at a special meeting so that it could be voted on, made the motion that it be dropped and that the Commission order a study of a proposed Central district plan within the peripheral drive recommended by the Chamber of Commerce.

Former Municipal Judge Harry Deyo started the ball rolling against the Southeast quadrant plan when he made a short presentation in behalf of the residents of the area and turned the petitions with the signatures over to City Clerk Eugene Slider.

He read the seven points against the project that were presented in the petitions:

- 1—The project will destroy 36 homes, two buildings part residential, three apartments or multi-family and 10 commercial structures with no chance of replacing same in said city.
- 2—The project will displace and take the homes of residents of many years, people no longer young who can't replace their property, land or buildings for four, five or more times the price they may receive for same.
- 3—The property, if seized by the city and razed, will be off the tax rolls with tax loss to the entire city.
- 4—The said million dollar project Federal funds, \$412,000; city funds, \$137,000. The difference in cost and sale price goes to private purchasers. Citizens pay part of Federal costs in taxes and City taxpayers pay all of said \$137,000. Planning and administration costs are estimated at \$100,000.
- 5—Taking of private property for a "Senior Citizens" apartment, using taxpayers' money, is no solution, because dispossessed home owners can't pay exorbitant rent charges and based upon excessive cost of construction and bureaucratic red tape.
- 6—Exiling property owners will decrease customers for local merchants and establishing new business, if any, will decrease market for present merchants.
- 7—Present plans may imperil Kellogg Park and the City's use thereof.
- 8—The proposed project violates the Constitution of the United States and Michigan, statutes of Michigan and the Charter of the City of Plymouth.

"If the City of Plymouth goes forward with this plan," said Deyo, "Then this Commission could do the same thing to any other section in the city."

We feel that representing taking one's property to build up a tax base isn't rue, we can't see where it does."

Cal Strom, immediate past president of the Plymouth Jaycees, read a statement into the records that his group favored the recommendations of the Chamber of Commerce.

Edward Van Loo, 691 Wing Street, pointed out that he had a 25 year equity in his home and that no amount of money that was paid to him could ever substitute for the living equity in the home.

394 Receive Diplomas at PHS Program

Senior week at Plymouth High will reach a climax Thursday when the 394 members of the June 1966 graduating class parade across the stage on the athletic field to receive diplomas.

The activities started with the baccalaureate services Sunday in the school gym.

The diplomas will be awarded by Mrs. Esther Hulsing, longtime secretary of the Board of Education, and Trustee Ernest Henry.

Principal Carvel Bentley will present the class to the audience and James Doyle, senior class advisor, and Fred Nelson, vocal music director, will read the name of each graduate as they step forward for the presentation.

The program will open with the solemn procession march to music by the Plymouth High band under the direction of James Griffith. Rev. Elbert Henry, of the Church of Christ, will give the invocation.

Earl Hill, administrative assistant in public relations for Consumers Power in Jackson, will give the principal address.

Plymouth Told to Look For New Senior Housing Site

Look for another site for the senior citizens' housing project, because the first one is too expensive.

That, in effect, was the word from the Chicago office of the Public Housing Administration, to City of Plymouth Clerk Eugene Slider, director of the housing project.

Slider explained Monday that the Housing Commission would meet soon, and that the first order of business would be to discuss other sites.

The first site, a huge mansion converted to apartments by Jack Wilcox at 676 Penniman, was appraised "too high" according to reports from Chicago.

The site was estimated to be worth about \$70,000 by City officials. But, according to Slider and City administrative aide Kenneth Fisher, the appraisal was for \$100,000.

Wilcox, when he learned his property was being considered for the 60-unit apartment complex, said he would not sell, citing plans of his own for the land.

In November of 1965 he "wrapped in secrecy."

Wilcox further said he had retained lawyers to help him in the matter, that he had long range plans for the land and that other sites were available.

After Wilcox learned of the project and denounced it publicly, the City Commission met with the Housing Commission, and after a three-hour discussion, agreed to wait for an appraisal on Wilcox's property.

The site fronts on Penniman Ave. and apparently has caught the eye of the City Planning Commission and the professional planners, Vilcan-Leman Associates.

This group, which operates apart from both the City Commission and the Housing Commission, proposed a large department store for the site in a recent drawing for a proposed downtown mall and one-way traffic loop. Their proposal was unveiled several weeks ago before a meeting of com-

School Board OKs 18 New Teachers

The Plymouth Community Board of Education Monday approved contracts for 18 new teachers after the appointments were recommended by Supt. Russell Isbister.

Three of the newcomers were hired to teach at Elementary School 7 which will open its doors in September unless the lengthy labor strike delays construction.

Those appointed: Mrs. Doris Balconi, graduate of Wittenberg University in Ohio, no previous experience, for Bird School.

Gary Balconi, graduate of Wittenberg University, one year each at Springfield, O. and Sandusky, O., for sixth grade in Elementary School 7.

Ronald Beier, Wayne State University, no previous experience, sixth grade at Farrand School.

Mary Berres, Eastern Michigan University, no previous experience, second grade at Elementary School 7.

Jean Comstock, Michigan State University, no previous experience, second grade at Gallimore.

Mrs. Janice Elstom, Anderson College, nine years at Wilcox Run and five at Plymouth elementary library.

Thomas Fisher, Middle Tennessee State University and Toledo University, four years at Maumee, O., for mathematics at Plymouth High.

Richard Gretzinger, Michigan State University, no previous experience, Physical Education and American History at Plymouth High.

Mrs. Ellen Gross, Wayne State University, 3 1/2 years in South Redford and a half-year at Detroit, for half-day kindergarten at Gallimore.

Mrs. Janice Heerspink, Calvin College, half-year at Allen Park.

C & O Learns It's Costly To Tie Up City Traffic

A total of \$1455 in fines has been levied against the C&O Railroad for tying up traffic by the City of Plymouth's Municipal Court—all since January.

"We try to set the fine to match the length of time the train holds up motorists," Judge Edward Draugelis explained.

Court records show that fines have been levied as follows: January, \$55; April, \$100; May, \$200; and June, \$1,100.

The railroad thus far has pleaded guilty to the charges and paid the fines as set.

A City ordinance prohibits trains from blocking traffic for more than five minutes. Anyone can file a complaint with the City police at City Hall, provided they note how long the train took in crossing the intersection, and either the engine or caboose number.

Both citizens and policemen have filed complaints, according to the court clerk.

Head of Felician Sisters Receives Fidelitas Medal

Mother Mary Alexander, CSSF, superior general of the Felician Sisters, Rome, was the 1966 recipient of the Fidelitas Medal, awarded annually by Orchard Lake SS Cyril and Methodius Seminary, St. Mary's College, and St. Mary's Preparatory to an outstanding American Catholic of Polish origin.

The award took place at the 77th commencement exercises of St. Mary's College. Archbishop John F. Dearden placed the gold medal over the shoulders of Mother Alexander as the Rt. Rev. Msgr. Wallace Filipowicz, rector of SS Cyril and Methodius, read the citation, lauding the activities, loyalty, and the dedication of the religious superior.

Mother Alexander also delivered the commencement address. She reviewed briefly the history of Poland's Christian and cultural contributions in the last 1000 years. She noted the names of Poles who had made contributions known internationally, such as, the musicians: Chopin, Moniuszko, Paderewski, Malczuzynski; artists: Matejko, Kossak, Styka, Grottger; scientists, Kopernik, Sklodowska; statesmen, Pulaski, Kosciuszko, Poniatowski, Haller.

Mother Alexander was one of the few Americans who managed to visit in Poland during the Millennium celebrations. Her account of the ceremonies was perceptive and moving. "Despite the obstacles set up by the communistic government to prevent or curtail any religious manifestations, the ceremonies were impressive," said Mother Alexander. "People were unable to purchase train or bus tickets to bring them to Czestochowa,

Voters Approve Schoolcraft Millage

Schoolcraft College asked voters to approve 77/100ths of a mill increase for the general funds—and voters in the five-community college district approved it by the slender margin of 77 votes.

It took quite a bit of doing to get the millage passed since the electors in Livonia rejected it by a 2,060 to 1,221 count and that almost proved fatal to the college administration and board of trustees' hopes.

Matter of fact it wasn't until the Northville totals came into the college headquarters that the vote turned from a "No" to a "Yes". Northville made it possible with 899 in favor and 535 against—that provided the

majority of 77. Four of the five communities favored the millage but none was able to overcome the opposition in Livonia. Finally, the combination of four working against one passed the re-

quest. Livonia had considerable opposition against the college request due to the fact that members of the Livonia City Council had asked the City Attorney to get an opin-

ion whether the College Board could legally assess taxpayers without a vote. This came after the Trustees had taken action in December to add a half-mill to the millage without a vote. They made

the move after receiving an opinion from counsel in Lansing that under the present Constitution such action was legal. Then five weeks ago, the same counsel advised the Board that there was some

question about the legality of the move. With that hanging over their heads, the Trustees decided to take the matter to the electors and have them make the decision. And they did in an affirmative manner Monday by the slim margin.

There was considerable dismay in the ranks of the Administration and the Board when the first complete tally came in from Livonia and showed the huge vote in opposition. The next report filtered in from Plymouth and showed 1046 for and 650 against. That helped reduce the deficit. Then came heartening news from Garden City that voters there approved the issue, 607 to 479.

Bentley, Plymouth High Teams Win Troubleshooter Trophies

A team of two boys from Bentley High in Lovonia won a division championship by finding and fixing 14 mechanical malfunctions beneath the hood of a car in the annual Southeastern Michigan Plymouth Trouble Shooting Contest at Henry Ford Community College.

First place in the Industrial Arts division went to Marshall Belleperche, 18, and Bob Rockwell, 18, of Bentley High. They required only 35 minutes to locate and repair all the hidden problems.

Second place in the vocational Arts division went to Terry Whittaker, 17 and Mike Newport, 18, of Plymouth High.

It will be recalled that the Bentley High team won the national championship in the competition two years ago—first from the area to capture the coveted top award.

Top winners of the vocational Arts Division were Mike

Stamper, 17, and George Arning, 17, of Ypsilanti High.

Runnersup in the Industrial Arts Division were Bob Hornberger, 17, and Donald Patterson, 17, of Roseville High.

Working against the clock and other teams with a minimum of tools under the watchful eyes of trained technician observers, the contending teams competed simultaneously, analyzing, detecting and correcting the hidden "bugs" in a row of 33 new 1966 Plymouth cars provided for the

contest by Plymouth dealers throughout the area.

Identical problems were concealed in all the cars. The contest was one of 59 similar events being held across the country this Spring, sponsored by the Chrysler-Plymouth Division and sanctioned by vocational and high school educators in the contest areas.

Approximately 60,000 teenage mechanics students from more than 1,700 schools are taking part in the contest nationally.

Purpose of the Trouble Shooting Contest program is to bring recognition and honor to outstanding young auto mechanics students and encourage them to make a career as automobile technicians.

The local champion auto mechanics won for their school a handsome trophy. In addition, the boys were awarded individual prizes.

The champions will go to Michigan State Fairgrounds on June 21 to compete in the National Plymouth Trouble Shooting Contest finals to select the country's most talented schoolboy auto mechanics. In the finals they will have a chance at \$75,000 in scholarships, prizes, tools and equipment.

Det. Bank Introduces New Check

Detroit Bank & Trust announced that Bancardcheck—a new "universal" check—will be officially introduced in the metropolitan Detroit area during June.

Bancardcheck—which combines the advantages of a travelers check, cashiers check and credit card—is being introduced by more than 50 other banks in leading cities throughout the United States.

In making the announcement of Bancardcheck's local debut, President C. Boyd Stockmeyer reported that the Associated Food Dealers of Greater Detroit has already given its enthusiastic approval to the new service and that support from other retail associations is expected shortly.

He also noted that a number of national airlines, hotel and motel chains, restaurant systems and other travel-oriented firms will be participating in the Bancardcheck program and will soon be displaying the distinctive red, white and blue Bancardcheck decals and stickers.

Equally significant, Stockmeyer observed, is the interest of corporations which plan to furnish Bancardchecks and cards to their personnel whose duties require travel and entertainment.

Detroit Bank & Trust charges \$5 for the Bancardcheck identification card which is renewable annually. The first set of checks—worth up to \$500—is supplied without charge. Additional sets may be ordered at a cost of \$5 each.

Detroit Bank & Trust is also providing a special loan service to those Bancardcheck customers who request it. Under this plan, the bank will automatically credit money to the checking account of a Bancardcheck holder to cover any overdrafts which he may create through cashing Bancardchecks.

The funds lent in such a manner become a personal loan to be repaid in monthly installments with a nominal interest rate being charged for the outstanding balance.

Similar plans are offered by the other banks taking part in the Bancardcheck program although there is some variation in the fee for the Bancardcheck card, the interest rate for funds lent to the holder and service charges for processing the Bancardchecks.

Delay Action On PCHA Bill In Committee

Action on a legislative bill affecting the sale of the Peoples Community Hospital Authority to private interests was put off until next week.

Although action on the differing bills passed by the House and Senate within the past two weeks was expected Friday, no final action was taken since the legislature set a new adjournment time.

Rep. James Tierney, whose district includes Garden City and part of Westland, said Monday that the legislature will reconvene next Tuesday, Wednesday, and Thursday.

During that time, the bill concerning the PCHA will be reported out of the House-Senate committee which will resolve the differences between the bills voted on in the two chambers.

The House bill would prevent sale of the authority and its facilities to private interests. A bill passed in the Senate would allow such a sale, with certain conditions.

However, Tierney emphasized that the House bill would include the provisions as outlined by Attorney General Frank J. Kelley that the sale of the PCHA is illegal under the state constitution.

Clarenceville Incumbents Keep Seats

All three incumbents in Clarenceville retained their seats on the school board in Monday's election.

Norman L. Hunt polled 277 votes to 156 for Seymour R. Rosen for a three-year term. Richard J. Wood with 263 was followed by Dr. Herbert P. Kagen with 217, Harold M. Weiss, 180; and Marshall J. Fry, 121. Both Wood and Kagen were re-elected for four-year terms. Clarenceville voters favored an increase of 77/100 of one mill for Schoolcraft College by a vote of 229 to 201. It passed in the entire district 4,002 to 3,925.

Two Area Men Gain 'King of Patio' Finals

Ten finalists have been named in the second annual "King of the Patio" contest sponsored by The Detroit Edison Company. Two are from the area covered by The Observer Newspaper Group.

The finalists include a physician, a draftsman, a bank officer, three salesmen, two automotive company employees and an insurance company executive. They will compete in the cook-off today (Wednesday) in the Edison Sales Assembly Room, 3000 Third, which has been converted into an outdoor patio setting.

Marion Ryan, Edison electric living director, and her staff will provide the groceries and other needs for each of the finalists. An assortment of electric broilers, oven rotisseries and grills will be available.

More than 100 amateur chefs, representing a variety of trades and professions from milkmen to bank executives, submitted recipes. Judges selected the 10 most interesting and promising recipes for the cook-off.

The first prize is an Electric Char-Grill Porta-Kart, which can be used outdoors or indoors and includes all extensions and attachments. Second prize is a Patio Table complete with table service for eight and an Electric Rotisserie-Broiler. Third prize is an Open-Hearth Rotisserie complete with a shish-kebab attachment.

Prizes will also be given to the seven other finalists. The finalists and their recipe titles are: Dick Borth, 940 Beechmont Drive, Dearborn, salesman, "BELL BOTTOM SEA CHESTS."

Dr. Richard H. Borth, Jr., 29736 Hillbrook, Livonia, dentist, "SEAFOOD SAFARI—CHINESE STYLE." George Brigolin, 2595 Oxford, Troy, draftsman, "HUNGARIAN STYLE SWISS STEAK."

John S. Eden, 1901 Kimmore, Dearborn Heights, automobile salesman, "SEAFOOD SAFARI—CHINESE STYLE." Wayne State University's newly appointed basketball coach, Frank Gompert, captained the 1954 University of Colorado cage team.

Kearney Is Promoted To Post

The board of directors of Bank of the Commonwealth has elected Kevin J. Kearney vice president in charge of the newly formed customer services department, it has been announced by George W. Miller, president.

The Commonwealth offers to correspondent banks and businesses data processing and a wide range of other types of services. Kearney will be responsible for their coordination.

Kearney comes to the Commonwealth with nine years experience in the area of financial and industrial data processing systems. Since February, 1965, he was sales manager for southeastern Michigan for LeFebvre Corporation of Cedar Rapids, Pa. Prior to that he was with the National Cash Register Company, financial sales division, in Boston, since 1957.

He received his bachelor of arts degree from Boston University's College of Business Administration in 1957. He was president of his graduating class at that university, a member of the Scarlet Key Honor Society, and vice president of the Delta Sigma Pi fraternity. He presently is Michigan coordinator for alumni affairs for Boston University.

Mr. Kearney and his wife, Shirley, and their three children, live at 2323 North Pine Center Drive, West Bloomfield Township.

Finishes Marine's Course

Marine Warrant Officer Gerald L. Flick, son of Mr. George Flick, 32650 Pembroke St., Livonia, has been graduated from the Warrant Officer Basic course, held at the Basic School, Marine Corps Schools, Quantico, Va.

Brennan said that the state examiner had asked if the Township would consider rehiring Drury on a probationary basis for a specified time in the interest of "rehabilitating" him because of his years of "effective service" to the Township.

Trustee Earl Oppertbauer said that he would like to have the matter tabled to allow the Board time to think about the proposal.

Trustee Thomas Duke, who will not be present at the next Board meeting, pointed out that the decision was reached after careful study by the Trustees and that the question had been brought back to the Township Board at which time the Board voted to stand by its original decision.

"In my opinion the grounds for action were so complete," Duke said, "that I would oppose rehiring Mr. Drury. We have a responsibility to the taxpayer and to the other employees who perform their jobs to dismiss a person when he is not being effective."

Trustee Thomas Nolan stated that as it stood he would be opposed to rehiring Drury, but thought that perhaps if Drury wished to talk with the Board and defend himself some new evidence might come to light.

Demel, Livingston In Senate Race

Earl Demel, prominent Plymouth attorney and a member of the Democratic Party for more than 30 years, and Paul F. Livingston, of West Bloomfield, have filed for nomination for State Senator in the 14th District.

Demel filed at the Secretary of State's office in Lansing Friday by payment of the \$100 fee and Livingston, who had thought of entering the Governor's race found he didn't have enough signatures on petitions and decided to try his luck in the State Senatorial battle.

Up for grabs is the post held by Farrell Roberts (R), who didn't seek re-election but decided to run for a Circuit Court seat.

Demel, who resides on Beck Road with his wife Betty, has been a leader in Dem circles

in Plymouth for years. He served 27 years as Township Attorney during a time when the Board of Trustees was made up of nothing by Republicans.

A graduate of the University of Detroit, where he was a member of the basketball team, Demel started his law practice in Warren, and then shifted to Plymouth 30 years ago.

He was recently named the first lay member to the Madonna College Board of Trustees and was elected vice president of the all-powerful Titan Club of University of Detroit Alumni a month ago.

He is a member of Our Lady of Good Counsel Church, is active in the Knights of Columbus, member of the Wayne County and Michigan Bar Association and is generally considered one of the most astute lawyers in the area.

It will be his first appearance in the political wars. A 42 year old businessman, who heads a firm bearing his name that specializes in employee benefits, Livingston is seeking public office for the first time, although he has been active in many campaigns.

Livingston has lived in West Bloomfield for 11 years with his wife Rose and their five children.

He has served as Commander of American Legion Post 375, Chairman of the Labor Management Committee of the Detroit Council of Men, Secretary-Treasurer of the Michigan Council on Medical Costs, President of the Michigan Chapter of the St. John's University Alumni Association, as well as a host of other posts.

He has been an instructor in the Confraternity of Christian Doctrine program for four years, and is a member of St. Colman Church, Farmington.

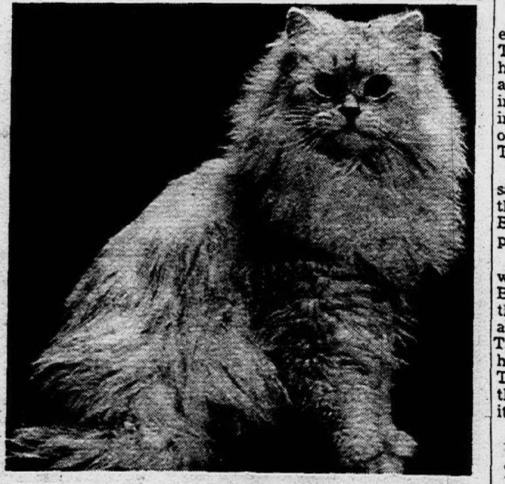

Observer Sets Up Editorial Deadlines

Effective immediately, the Observer Newspapers will operate with the following deadlines for stories, pictures and editorial for the women's, church, entertainment and sports pages.

For the Women's section, no announcements, or pictures of weddings or engagements will be accepted after noon on Friday. All other stories for the women's section must be in the hands of the editorial department by 5 p.m. Friday.

All Church copy must be in the hands of the Church Editor by 5 p.m. Friday to appear in the following issue. Stories and material for the entertainment pages must be turned in to the editor by 5 p.m. Friday.

No stories for the sports pages may be turned into Sports Editor George Maskin after 7 p.m. Sunday night. The Observer Newspaper editorial staff insists that these deadlines be met. Stories or material turned in after the deadlines will not be published in the issue of that week.

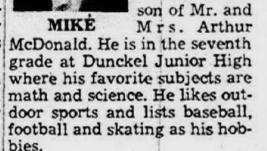

MOSE THAN 100 of the past, present and future from the United States, Mexico and Canada will be on display in the Concourse at Westland Center Thursday, Friday and Saturday June 16, 17 and 18 during store hours. Many of the 15 breeds on display are considered priceless because of their rare beauty and show value. The following breeds will be on display: Abyssinian, Spotted Mexican Cat, Classic Tabby, Mackerel Tabby, Burmese, Siamese, American Shorthair, Himalayan, Lavender, Havana Brown, Persian, Rex, Manx, Hybrid and Tonka. The show is presented by the Detroit Persian Society in cooperation with the Westland Center Merchants Association.

WEARING A VICTORY SMILE, Mrs. Ben Mills (right) prepares to tell committee members the good news that they have sold an unbelievable total of 5,000 season tickets in advance. Dr. W. Varner, president of Oakland University is on her right. The occasion was the luncheon celebration at Trumbull Terrace at Meadowbrook.

The Distaff Side...

By Jerry Wendt Women's Editor

Vacation time is upon us and if you want an absolutely fabulous spot, we will tell you about it. It has a theater, patterned directly after the ancient Greek amphitheater, one of the great music festivals of the world, a tour through the estate of the richest man in the world, and a shopping center complete with fountains and two comfortable heaters.

You know of course I am referring to our own suburbs. Wild horses couldn't drag me away from this area in the summertime. Of course it is wonderful to have the water spots, but if one took a trip to Atlantic Inc. and bought one of their backyard pools complete with a small deck and with all that privacy while you swim, what more in the world could anyone want in the line of a summer vacation, than we have right here? I much prefer to take a fall vacation when the weather is just right and I like to go to a big city then, like Montreal, or New York and live the hustle and bustle for a few days.

This year people will be coming from all over the world to this area for we have several outstanding attractions. Meadowbrook Festival is bringing people as far as Salzburg, Austria where they have held festivals for years.

Meadowbrook is absolutely tops in every department. Not only do they have the top musical artists

but the setting is on the magnificent Alfred Wilson estate and they have perfectly elegant arrangements for meals. Not only can you dine before the concerts, but we were given a prevue-Friday, June 3 of a summer attraction that is bound to be a hit.

The occasion was the luncheon for the committee members for the Meadowbrook Festival. Alighting from the car, you can look for miles over the rolling green countryside. There are loads of gaily striped umbrella table set out in the Trumbull Terrace. Luncheon is served buffet style. There were tomatoes stuffed with shrimp salad, corn muffins, date rolls, iced tea, and all the wonderful summer foods and a huge platter of home-made relishes that set everyone to oohing and aaahing. This will be a weekly occurrence. Luncheon will be served on Wednesdays and Thursdays, beginning at 12:30.

Friday, June 3 was the report for the committees and Mrs. Ben Mills, cool and crisp in a lavender linen sheath beamed happily as she gave the staggering total of season tickets sold in advance.

5,000 is almost unheard-of since 85 per cent of all sales of other festivals are done at the gate. You can imagine what this means with this number gone.

Her husband, Ben M. Mills, teased his wife by saying in his speech that he was going to ask Brazil for a large donation because we had consumed so much coffee. (Mrs. Mills and her committee have given a bumper share of coffees throughout the area during the ticket sales.)

Fair Lane begins its guided tours in July. The hours during July, August, and September are Sundays, 1 to 4 p.m., and Fridays, 10 a.m. to 2 p.m.

The Greek Theater at Ypsilanti, will have its first year and present some of the finest classical plays in the world. Dame Judith Anderson will open the season with her performance of "Oresteia." You may write the Ypsilanti Greek Theatre, Ypsilanti, 48197, or call (313) 483-7311 for tickets.

For shopping we have our own Livonia Mall. The fountains and the enclosed marble walls shut out completely the noise and heat. I love to go at least once a week and browse through the big department stores (and little shops, too) and come back laden with jewelry, perfume and the latest in records. There is always, too, the bakery and the candy stores, to bring home some luscious tidbit.

And then there are the theaters right there-no having to get back in the car and go someplace else. To say nothing of the exhibits-did you see the "Pick-a-Pearl one this year-or the iris? I never knew there were so many different varieties-some I can't tell from an orchid even on close scrutiny.

My personal opinion is that once your out of town friends find out what you have here YOU will be giving THEM a memorable vacation this year.

A PREVUE OF a gay summer was seen at the Trumbull Terrace of the Meadowbrook Festival at a luncheon June 3.

Rose Show This Weekend

Michigan's largest rose show will be this week end, Saturday, June 18, 3 p.m. to 8 p.m. and on Sunday, June 19, 11 a.m. to 8 p.m. when the Metropolitan Rose Society holds its annual Rose Show in the Community Arts Bldg. at the State Fair Grounds.

All rosarians from the Greater Detroit metropolitan area, plus the members of the American Rose Society will vie for honors in rose culture and exhibition. Rosarians from neighboring cities are expected to attend as usual.

Member of Buxom Belles

Livonia Woman Chosen To Serve in Honor Court

The Farmington Chapter of the Buxom Belles, International, have again been honored by having one of their girls chosen to serve in the court of honor for the year 1966-1967. Mrs. Harold (Elda) Compton, of Fairfield, Livonia, was the lucky winner.

Buxom Belles, International, is an organization which is concerned with the problems of overweight women, and the Farmington Chapter, the Thursday Night Trimmer's will be celebrating its 10th anniversary in July of this year.

The International organization held its 10th anniversary dinner at the Sheraton Cadillac Hotel Grand Ballroom in May, with approximately 500 women in attendance, representing 23 chapters. At that time, Dolores Ortiz, a member of an East side chapter, was chosen 'Belle of the Year' and Elda Compton is one of 4 members who will serve in her court. As a lucky winner she was given a monetary award, and many lovely gifts, including flowers, a cultured pearl drop necklace, and charm bracelet.

The Farmington Chapter is especially proud to have her as a winner and feel she is most deserving, since she has been an active member for almost ten years. She served as president for two years, treasurer several terms of office and is now ass't treasurer.

Elda joined the organization at a weight of 173 pounds and for several years now has maintained a weight below 140 pounds and at one time was as low as 127½ pounds. The night of the party her weight was 137 pounds.

This is the third time the local chapter has had a winner. Last year Agnes Blanchard of Gill Road, Farmington, an 80 pound loser won a place in the Court of Honor and in 1962 Mary Gregory of Dohany was chosen 'Belle of the Year'.

If anyone is interested in this type of organization, which meets weekly, you may call Mrs. Compton at 421-0515 or Mrs. Krings, 476-0441.

Mr. and Mrs. John Knapp

Carol Palm Weds John Knapp In Double Ring Ceremony

Carol Jane Palm became the bride of John Robert Knapp on June 4 at Our Lady of Loreto Church. Performing the double ring ceremony was Father Donohoe.

The bride is the daughter of Mr. and Mrs. Melvin Palm, 18417 Olympia Ave., Redford Township.

The bridegroom is the son of Mr. and Mrs. Everett Knapp of Wolverine Lake.

The bride was given in marriage by her father, Melvin Palm. She wore a gown of silk organza with a bodice of lace. The chapel train was bordered with lace and flowed from the shoulders. The shoulder length veil was held in place by a tiered crown of pearls and crystal beads. Her bouquet consisted of white carnations.

Erin McCarter served as Maid of Honor. Bridesmaids were Mrs. Linda Cassiau (sister of the bride) and Gail Stewart.

Their gowns were violet lace and crepe with empire waistlines, they carried a cascade of violet edged carnations.

Richard Knapp was best man, brother of the bridegroom. Ushers were Tony Cassie and Toney Thomas (brothers-in-laws of the bride).

A breakfast followed the ceremony at Uncle John's Pancake house for the immediate family.

A reception was held at 8 p.m. at the Metropolitan Hall on Plymouth Rd. for approximately 150 guests.

Following a honeymoon at Niagara Falls the couple will reside in Livonia. Out of town guests were Mr. and Mrs. Wendell Springer (aunt and uncle of the bride) of Alliance, Ohio. Grandfather of the bride, Don Vanetti came from Enterprise, Oregon. Also present were Mr. and Mrs. Charles Palm, Sr. West Branch, grandparents of the bride.

Our Queen of Hearts Salutes the Brand-New Brides

Editorial Note: June is the month for brides and Faith Gillespie is devoting a whole month of columns to teaching the brand-new bride some dishes that are delicious and not too difficult to prepare. Even the most experienced cook can learn something new from these columns! J. W. Endt

By FAITH GILLESPIE

Everybody said it was a beautiful wedding, but now it is over.

The cake is consumed, the flowers have faded, the rice has been swept up by the church custodian, and the gown is back from the cleaners and tucked away. The groom has had the car washed off...

And there he stands, your gorgeous new King of Hearts, hungry.

You can cook. Of course you can, even if you can't tell a griddle from a grater. Anyone who can read can cook, if she cares to... and especially if she cares for the person (or people) she cooks for. Right now, when "no two people have ever been so in love" (as the song says), now is the best possible time to begin. All it takes is practice.

Let me offer just two admonitions. First, don't fret for an instant about cooking like his mother used to cook, because you never will, for better or worse. Each cook has a different hand and a different inclination. Furthermore, you will be cooking for two, which is quite a different proposition from cooking for a whole family.

Second, if your cooking skills are relatively undeveloped, start easy. It is folly to wear yourself and your enthusiasm ragged with overly ambitious kitchen activity. Disappointment could defeat you, and that would be too bad. It could even be disastrous.

The Boned Stuffed Rock Cornish Game Hen with Sherried Orange Sauce can wait, and so can the Chestnut Purée in Meringue Nests, maybe forever. Your problem is to get things in hand so the vegetable won't be cooked to an unappetizing blob before the meat is done. If your stove doesn't have a timer, you can get a little one at the dime-store or somewhere.

In considering these things, there comes to mind the old question of which came first, the egg or the chicken. I have always been certain it was

the chicken; it seems logical. Let's start there. Chicken is economical, versatile, and tasty, and since you no longer have to be your own chicken-plucker, it is easy as can be.

Your best buy is a whole fryer, but if disjuncting a bird would exhaust your imagination and strength, buy it cut up. One day use the thighs, drumsticks, and breast (or fried or broiled chicken (see your cook book), and cook the other parts together to make a lovely soup for the next day.

CHICKEN SOUP FOR TWO: PLACE the bonny parts (Napoleon's chicken, my mother always said) into a 2 quart sauce pan with 1 quart of water. (Of course you can boil water.) Ad a small stick of celery with leaves, a small diced carrot, a small peeled onion, stuck with 2 or 3 cloves, a bay leaf, 5 or 6 peppercorns, and a teaspoon of salt. Bring to a boil, reduce heat, and simmer (see cook book) for a couple of hours. (It only takes a few minutes to get this underway when you are starting dinner, and about the time the dishes are done, this will be too.)

Let the soup cool. Then remove the bay leaf, onion, celery, and peppercorns (count 'em!). Take all the meat off the bones. Throw the bones away, and put the meat back in the soup. Refrigerate and use the next day, adding 3/4 cup of rice or noodles and cooking about 15 minutes before serving time. Don't keep chicken broth much more than a day without freezing it; it may sour.

If that sounds much too complicated, you may try this recipe, which is absolutely the easiest:

BAKED BUTTER BIRDS: Buy a 2 1/2-pound broiler-fryer chicken that is cut in two down the middle. Dry the halves with paper towel and heat your oven to 450 degrees. (uh huh, that hot.) Melt 4 tablespoons of butter in a 10-inch skillet or flat baking dish. Roll the halves over in the butter, to coat. Sprinkle with a teaspoon of paprika and about 2 tablespoons of lemon juice. Bake uncovered, skin side up, tucked close together, for 45 minutes, or a few minutes longer if you like them a darker brown. (Watch it!)

If you feel daring, the dish can be fancied up by gently frying a few sliced fresh mushrooms, or a couple of sliced green onions, or several sliced green or ripe olives. When the bird is done, stir the mushrooms or whatever into the drippings in the baking pan, and pour over the plattered chicken.

If it should be the luck of your partnership to both prefer the white meat (or the dark), which information should always be known before two people ever become engaged, then you will have to buy the chicken parts instead of the whole chicken. You can cook it the same way, but it is more expensive. If it keeps your marriage intact, it is worth it. Next week: The Egg.

Hill and Dale Garden Club Gives "Come as You Are" Tea

A casual, "come as you are" tea was held in the home of Co-Chairman, Mrs. W. Robert Wichman to honor the members of the Hill and Dale Garden Therapy Group.

A special "thank you" was in order for these members, who, every other Wednesday of the school semester put aside their own problems and activities to concentrate on the handicapped children in the Special Education Department held in Eagle, O. E. Dunkel, Gill and Larkshire Schools in Farmington with-out thought of reward, except to do what they could to enrich and brighten the lives of these special children and in so doing achieve a good inner feeling for themselves. Now that the semester is over for them the "Garden Ladies," as the children call them, are free to concentrate on the flowers in their own yards, altho most of them will be back when the first school bell rings in September.

The tea really proved to be an informal affair with most of the women sitting on the floor around Mrs. Wichman's large living room coffee table discussing the past season, the coming season and 100 or so various subjects that are only familiar to women.

Mrs. Vernon Vickland will be the Chairman for the group for the 1966-67 season and she was warmly received.

The members who attended the tea were Mrs. Godfrey Hopper, of Birmingham, Mrs. Donald Jewsbury, Mrs. Earl Johnston, Mrs. John King, Mrs. Clayton O'Dell, Mrs. Calvin Opperthausen, Mrs. William Spears, Mrs. Robert Stevenson, Mrs. Ruth Trombley, Mrs. Vernon Vickland and Mrs. Gerald Wroblewski.

Enrichment Courses Set

Classes in creative print-making and fashion illustration are among the many art courses offered to parochial and public students of high school age in Livonia this summer. Glenn McAdam, director of summer high school programs, announced additional courses in beginning art, jewelry making, ceramics, sculpture, drawing, painting, and commercial art.

According to McAdam, many young people who have heavy schedules of academic college preparatory courses during the school year take enrichment courses in cultural areas for summer diversion. Registrations for both public and non-public secondary school courses are being taken at Bentley and Franklin high schools in Livonia.

Behold American Textbook!

(With the thought in mind of sponsoring a public forum on the subject Alexander Hamilton Life Insurance Company of Plymouth will publish a series of several provocative articles on education of our children. If there is enough public interest, pro and con, the forum will be held to exchange ideas verbally on the subject.)

In many American school systems today it is possible, and indeed common, for a student to graduate from high school with above average grades and still be unable to read mature prose.

A large number of educators and critics agree that this is possible because of a reduction of emphasis on reading skills in our schools. As Charles C. Walcutt, Professor of English at Queens College and author of "Tomorrow's Illiterates," explains: "For the past thirty years standard textbooks that have gone through four or five editions have been revised each time to smaller vocabularies, simpler sentences, and fewer ideas."

Almost all of our children begin their formal reading instruction today with the typical "Dick and Jane" readiness primers. Proponents of this "look and say" method of reading believe that in order to derive meaning, children should be taught to read from wholes, not from parts.

In other words, instead of learning in parts as from alphabet, to phonetic sounds, to words, to sentences, children are taught to identify words by memorizing them as "wholes" or configurations. Pronunciation is supplanted by word recognition. Under the "Dick and Jane" system, they also learn to memorize by using picture and context clues.

American children in the first three grades prior to 1920 used such texts as the famous McGuffey Readers as early reading instruction tools. A typical selection began: "One cold night, after old Mr. Post had gone to bed, he heard a noise at the door. He went out to see what it was, and what do you think he found? He found a little babe on the doorstep, crying with the cold."

Such reading saved the child from the "See Puff play. See Spot and Puff play" repetition they memorize today. Children were interested and there was a reason to read on to see what happened. They also learned something of literature, history and moral instruction in the process. And, not by coincidence, the happy by-product of this method was that these children learned to read!

However, the passing of McGuffey brought not only Dick and Jane "non-literature," but also the new educational axiom of "the fitting and proper vocabulary."

Grade school readers now are typically ruled by the iron hand of "word counts"

Lana Wakenhut

and formulae. This computerizes readers so that there are no more than five new words introduced every five pages. Each word must then be repeated five times in the next five pages.

Using one widely-used primer series as an example, let's take a look. The first primer offers 15 different words; the second has 26 additional words; next the primer adds 80 words; and the reader another 114. These have appeared in 7,257 words of text and every word has been repeated an average of 22 times. Thus the successful first grader recognizes 235 different words—no more and no less—at the end of one year.

The most unfortunate thing about this computerized method is that it locks the gate on real literature—on selections from Aesop, Dickens, Mark Twain and others because they are just full of "hard words." These are words that might not have three-to-five letters, little mountains in the middle, and monkey tails at the end!

The "mountains and monkey," or to be more technical, "look and say" method of teaching almost ignores the existence of phonics. Consonants and vowels are concepts too tricky for a child's mind it, seems. Why teach basic foundations and structures when repetition, repetition, repetition, will make almost any child realize that R-U-N spells "run"?

The fact that reading and spelling skills are pitifully low in our schools, that remedial reading programs are the rule rather than the exception in high school and even college curriculae might, it seems, be a reflection upon "look and say" vocabularies—no matter what the computer thinks!

The problem with such "programmed retardation," as Dr. Arthur S. Trace, associate professor of English at John Carroll, calls it, is not only that they deal with the do-nothing trivia of Dick and Jane, but that they have also reduced the essential reading skills to the level of finger painting.

Trace, one of the current spokesmen of educators who are raising their voices in protest, is the author of two critical studies on the subject. One, "What Ivan Knows That Johnny Doesn't," is a comparative study of basic readers in the U.S. and Soviet schools. The other, "Reading Without Dick and Jane," indicts nearly every major school system in the United States. Trace's total conclusion is a splendid, non-computerized curse—"To hell with Dick, and to hell with Jane too!"

Who invented this vocabulary restriction? Publishers refuse responsibility, authors are stifled by it, teachers are bored by it, and kids hate it. But the fact remains that somebody set up The Commandment that odd words, long words, interesting words, grown-up words just cannot belong to children trying to learn to read. The computer must have said so!

Make Haste Slowly

Although it is understandable that employee negotiations should be concluded as quickly as possible, it would still behoove the Livonia School District and others not to rush into signing master contracts until the tax-paying public has had a chance to grasp their full import.

Many of the contract terms are just now becoming known as everyone rushes to wrap them up before school finishes.

Let not the haste sweep us into some agreements which have not been carefully considered.

Livonia taxpayers have been promised that pay raises will not exceed income this year which has been increased by a voted five mills.

However, the district is confidently boosting costs in the second year by \$1,200,000 in anticipation of revised state taxation, improvements in state aid and larger local valuations.

Are we in a position to be sure this will happen?

There are a number of contract provisions which time and space do not permit us to examine but which should be explained to the public. As yet, citizens have not had a chance to study the contracts thoroughly.

The agreement with the non-teaching personnel provides that employees must either join the union or be fired. Employees who are now on the payroll, will not be required to join, but must pay an amount equal to the dues, or \$36 a year, for the administration of the contract.

Do we want to force school employees into this type of tribute payment?

Also called for is a cost-of-living adjustment tying pay hikes to increases in the Consumer Price Index.

How can a public agency agree to this type of practice?

It is not in a position to raise millage at will but must live on a fixed income.

And who knows what the income will be? Both of these agreements are expected to be considered tonight (Wednesday) by the Livonia School Board.

Taxpayers who are interested in where their dollars go should make every effort to get a copy of both agreements before the meeting and should be on hand to hear the discussions of these two pacts.

In other school districts, citizens should plan to do the same thing when negotiations have been completed.

Applauds Newspaper Cartoonist

Editor: Compliments on Frank McGuire's cartoon, "Will Killing Ever Go Out of Style?" in last week's Observer. It was more appropriate for Memorial Day, I think, than all the parades we can produce.

If the young men of each

of the generations depicted by the soldiers' hat in the cartoon died for anything it was in the hope that their supreme sacrifice would make it unnecessary that their sons would be asked to risk and sacrifice their lives in war.

Thank you for this provocative cartoon.

OBSERVING the Scene...

By MYRA CHANDLER

There is a nice chunk of money, \$600,000 to be exact, waiting to be returned to this area, to build a YMCA in Livonia.

No, for a change this is not Federal money. There are no matching funds to be imposed on one and all as more tax monies.

There are strings, of course, but they are on a voluntary basis. All United Foundation requires before it invests this money in the YMCA in Livonia is \$10,000 in memberships.

This is reasonable. If there is not enough interest in a community to have \$10,000 in memberships then those who felt a community building for youth as well as adult activities was the way to go, were dead wrong.

Actually this \$600,000 has one thing in common with Federal funds. We, in this area did contribute toward it.

And I can remember the day so well when the germ of this idea was planted, or exploded might be a better word.

It was during a U.F. campaign. Workers in the area were organized; ladies knocking on doors telling the United Foundation story; businessmen leading the way for their fellow workers with pledges under the "once for all" slogan.

Then two things happened. First a group of ladies came to see the late Paul Chandler, then publisher of The Observer Newspaper Group. They wanted to be included in the budget of the YWCA in Redford Township where they were active and that served the community with tween, teen and adult programs.

While they were served by the Redford YWCA, the United Foundation budgeted them and gave money to the Dearborn YWCA for Livonia, Dearborn did not want to give up the money they received but they did not offer the same conveniences of traffic pattern and accessibility as did the Redford Branch. The U.F. administration turned a deaf ear on the ladies, the Mayor of Livonia, the funds closer to home.

The second thing on the heels of the first, was a full page ad in every metro paper and many weeklies touting the United Foundation and their services. Said publisher inquired politely about the possibility of the same ad for The Observer Newspapers or at least The Livonia Observer. "Livonia, where's Livonia?" was the approximate answer.

It was far from the right answer. The next natural thought expressed and emphasized with sparks from the publisher was if you can find us to collect there had better be a show of faith you can find us to give — and to prove it we need a YMCA in Livonia and by golly that is as good a place as any for you to prove to us we exist.

There were more phone calls, letters, telegrams, personal appearances — but eventually there was real action. Through a grant of money from United Foundation funds a dedicated YMCA staff member by the name of Chuck Wise came to Livonia, began to call on civic leaders and finally turned in a report there was a need and a desire for a YMCA building and program in the City of Livonia and surrounding area.

Therein lies the complete tale, unabridged. Since then Dr. Don Freidricks and a Board of 49 solid citizens have carried the message to the community.

The goal is \$10,000 dollars worth of memberships. There is a Civic for \$100; a partnership for \$50; a family for \$15; adult for \$10; or a youth for \$5. If you want to be a part of realizing this wonderful community center building be built in Livonia — not a cracker box type building, but a carefully designed, well thought out addition to the community, please fill out the blank below accompanied by a check or money order and mail to Gene Harris, 19049 Farmington Road, Livonia, or the YMCA Office at 12330 Middlebelt Road, Livonia.

Where Do I Live?

Editor: Will you please print this article in your paper, so I can find out where I live? I am getting mail from Plymouth, Garden City, Wayne, Nankin, and Westland and my correspondents are going out of their minds trying to figure out where we live, and I'm going out of mine trying to tell them. I know I'm on the verge, because I live on Newburg Road, and I'm to the point where I'm telling them I live at 7241 Nankin, Newburg, Mich.

When I lived in Garden City, they switched my address around so often, I finally put a note in the mailbox asking the carrier if I had moved, and if so, would he tell me where? Now, I'm in the same predicament.

Good Training For Students

I would like to refer to an article in The Detroit News printed last Thursday. Would you answer a couple of questions for me either by mail or in the paper.

1. Why hasn't The Observer carried an article of this quality concerning this program?

Two articles appeared (sans picture) in The Livonia Observer—one on Page 1, June 8, another on page 12-A, May 25 with a six column head explaining the program.

2. When certain residents became disturbed by untrue and misleading statements in a rival paper, why didn't our school board answer in this vein rather than merely apologize for the program?

The School Board backed the program and Superintendent of Schools backed the program. He apologized only for not communicating the pre-plans to the press earlier. Mrs. Purvis if the School Board spent all the time it would require correcting misleading stories in the tabloid newspaper it would have no time for other pressing administrative matters.

My third grader took part in the program. As a parent I went with the students on

their Livonia visit. I also followed the program from the beginning. It has been a very fine and constructive community study for all concerned. The emphasis was on community differences (i.e. big city, suburbia, small town) not groups of people.

What a shame that adults must taint a healthy and wholesome meeting of children. Also, what a shame that the story of the program was not told proudly and truthfully from the beginning.

Thank you for your attention to this letter and any answer you care to extend will be appreciated.

MRS. S. R. PURVIS

Editors Note: The Observer agrees completely with the sentiment expressed in this letter.

And From the Young

Editor: JoAnn Hammerschmidt and I, Janet Muller are two students of Stark School who participated in the shared experience and neither of us agree with Mr. Tobis. Mrs. R. Neubert, our teacher told us that we were writing to Negroes as soon as we received their first letters, although most of us knew already.

Both of us are puzzled about why anyone is angry about keeping the matter a secret. Besides, it wasn't a secret to us.

We have nothing against Mr. Tobis, but we are puzzled about his actions. We only want you to know that JoAnne and I (and most of the other children) enjoyed the whole thing, no matter what other people say to disapprove.

Supports School Program

Open Letter to Sirelsa Schreiber, President, Livonia Board of Education

Editor: The Livonia Citizens for Better Human Relations wishes to advise that its members have formally adopted a position in support of the Livonia Board of Education's participation in the Wayne County Intermediate School District Desegregation Advisory Project.

We believe that the shared learning experiences of students from Stark School and students from Starkweather School in Plymouth and Patteville in Detroit has considerable educational value. We are pleased that the students and their parents were so enthusiastic about this educational experience, and it is gratifying that we have such dedicated educators as Mrs. Jane Boissineau and Mrs. Joan Messer in our school system.

We look forward to hearing about our school district's further participation in this program, and hope that greater numbers of children will have the opportunity to realize a similar experience.

Bentley Year in Review

By SUSAN DOWELL

Another school year has gone by and Bentley High still stands true and noble. This year will not be forgotten though for many things happened to make Bentley of 1965-66 memorable.

The Bulldogs made history this year. For the first time, since Bentley has been playing football, the team never lost a game. The AFS Car Wash raised almost twice as much money as last year. The GAA (Girls Athletic Association) will be wearing GAA Sweaters from now on.

Starting next year we will be having assemblies at Bentley. They will be both educational and entertaining. The fact that we will be having these assemblies is due to the hard efforts of students in this year's Student Council.

This last week of school is a most busy one for graduating Seniors. Sunday, Seniors participated in the Baccalaureate services. Traditionally all schools have this religious ceremony.

It is a serious gathering for all Seniors leaving high school. Tuesday, June 14, was a day of fun and laughter for Seniors. When you take over 600 students to Bob-Lo for a whole day the only word to explain this trip is fun.

They left for the island at 12:30 p.m. and returned around 11:30 p.m. One of the highlights of the afternoon was the Senior-Faculty baseball game played on the island. The serious part of this week and probably the most sentimental and memorable will be tomorrow evening.

June 16 will be the day Seniors say finish to high school days.

This event will be held at 8 p.m. on the football field, weather permitting. In case of inclement weather, the services will be held in the gymnasium. Any interested citizens are cordially invited to be present at Commencement. However, if the event must be held in the gymnasium, only ticket holders will be invited.

traveling abroad this year.

Two seniors, George Habicht and Karen Boise will visit Europe. George left two weeks ago with his cousin to attend the Goethe Institute in Munich, Germany. They will study German until mid-August when they will fly home.

Karen and her family will take a BOAC European tour. They will visit: England, Germany, Switzerland, Italy, and France during July on the 17-day tour.

Junior Craig Anderson will also tour Western Europe with a Redford friend. They will leave for Germany, where they will take the major portions of their stay, on June 19 and return in the middle of September. They plan on visiting neighboring countries in addition to living in Germany.

The Youth for Understanding Exchange Program will send another junior, Bob Miller, to the Netherlands. Bob will be staying with a Dutch family in Apeldoorn. The city is of moderate size and located about 90 miles from Amsterdam.

Madrid, Spain, is the destination of junior Chris McCracken. The object of Chris' trip is to improve his Spanish speaking ability and acquaint him with Spanish culture.

Honors Given at Assembly

By DEBBIE LUSKY

NF's 1966 Honors Assembly was held June 2.

First on the agenda was the presentation of the gavel to Greg Hendee, new Student Council president, by this year's president Steve Clogg.

Mr. Raymond McCreight presented the departmental math award to seniors Bruce Christ and Debbie Mann and announced that Bruce Christ, Jim Harris, Jan Maisel, Kicab Castened, Steve Gordon, Jim Falmer, Charles Valerius, and Jim Pospeshil were finalists in the Michigan Math Prize Competition.

Bob Kainz and Walter Bema were recognized by Mr. Larry Thompson for their outstanding work in the Industrial Arts.

The English Department, represented by Mr. Glenn Gearhart, presented its award to seniors Debbie Lusky and Dave Frank, Jim Schlesinger, Sue Cox, Theora Piech, Jim Pospeshil, Pete Dolan, Eren Ozker, were honored for their outstanding entries in the Scholastic Writing Competition.

Mr. Robert Finzel gave recognition to seniors Nancy Middlewood and Debbie Mann who were presented with the Co-operative Education Award.

Journalism and Yearbook students Carol Kadushin, Barb May, Debbie Lusky, Sue Swantek, Dick Streng, Donna Hug, Judy Walker, Brenda Dreyer, Harriet Davidson, and Theora Piech were given Quill and Scroll Awards by Mrs. Elinor Patouhas.

Graduates at WSU

Robert T. Fisher, of 32529 Maplewood, Garden City, was awarded a law degree at Wayne State University's spring commencement Thursday night at Cobo Hall.

Fisher, who received a juris doctorate, is a 1948 graduate of Wayne State. He is married and has two daughters, Laurali, 16, and Deborah, 13.

Thurston Concert Features Choir, Orchestra

By LYNN BARNETT

Thurston's Annual Spring Concert took place June 7. William Roth conducted the Varsity choir and the orchestra.

Selections from "Kiss Me Kate," "Gypsy," and other songs were sung by the Varsity choir.

The orchestra played selections from "Camelot."

Both groups combined presented "Gloria" by Vivaldi.

Solos were sung by Sharon Wagner, Pat Snover, Jerry Shaffer, Jim Parker, Rod Oviatt, Chris Newton, Nancy Netherton, Ken Meinschein, Nancy Greenburg, Sue Forester, and Barb DeLore. Johnni Gooden played a violin solo.

Western Culture students awarded the trophy for the presented three plays during most outstanding male athlete school in the little auditorium Senior Diane Carnes received the trophy for the outstanding female athlete.

The 1966 "Vita" yearbook drama: "Red Carnations," a burlesque with a gold seal comedy and "The Still went on sale June 3.

Some Enchanted Evening, the junior-senior prom, took place in the ballroom of the Sheraton Cadillac Hotel June 10. Baccalaureate took place Sunday for graduating seniors.

Mickey Mouse Arrives

By LOUISE GILLIS

The past week was devoted to commencement. The juniors began the week with their program centered around the Mickey Mouse Club theme.

There were Mouseketeers who danced and sang and introduced different days of the week as they did on the original Mouseketeers show. There was roundup day and skits were shown of the senior class trip. Then there was talent and the Mouseketeers presented different talent.

Agnes Polowski did a pantomime to one of the favorite songs from the "Sound of Music." Ronnie Moran sang "Marcy Niznik danced, and Candy Abbey recited a poem for the seniors.

The program ended as the junior choral members sang "Climb Every Mountain" and "You'll Never Walk Alone." A "fake" diploma and a white rose were tokens given to members of the senior class.

Tuesday the graduates presented their class program. Senior class treasurer Mary Anne Falvey, gave the last will and testament. She bequeathed the classrooms, tokens and activities most needed by the seniors to be.

Nancy Patenaud, senior vice-president, addressed the girls. The German exchange student, Eva Dietrick, gave a thank you talk and she was then presented with honorary membership in the National

Honor Society by Sister Mary Lilliose, principal.

Cynthia Koka, secretary of the senior class, read the roll call and the seniors assembled on the stage to sing four songs including "Halls of Ivy," "Climb Every Mountain," "Graduation Day," and the Ladywood fiely song.

The curtains closed and a composite picture of the senior class of 1966 was unveiled.

Tuesday new members of the Student Council were installed. Francine Stoklosa presided over the program.

Cathy Begnoche gave the invocation and the new Student Council members were presented. Sister Mary Lilliose administered the oaths of office to Veronica Moran, president; Pat Hodges, vice-president; Joanne Darnell, secretary; and Connie Foley, treasurer.

The retiring student council officer's presented the new council officers with symbols of their office. Veronica then gave her president's message to the assembly.

The graduation ceremonies were held Thursday, June 7 in the school gym. Rev. Kean Cronin, chaplain, acted as chairman during the ceremony.

Kathy Begnoche, Salutatorian, gave an introductory speech and the Assistant Chancellor to the Archdiocese, Fr. Untener gave a talk to the graduates.

The senior choral sang "Walk With God."

Socially Speaking Around Plymouth

By Dorothy Sincoc GL 3-0038
(Call to report social events in your family, neighborhood)

A beautifully decorated tea table ended the long reception line for Sister Christine, principal of Our Lady of Good Counsel when hundreds found time to bid adieu to Sister, who has served Our Lady of Good Counsel as principal since 1960.

Among those who attended were School administrators, Russell Isbister and William Harding.

Chairing the occasion was Mrs. L. Pulkownik assisted by Mrs. A. Halevan, Mrs. P. Kelly and Mrs. Charles Finlan.

During the pause for refreshments, guests were entertained with a skit presenting "A Day in the Life of Sister Christine" patterned after the book Madeline by Ludwig Bemmelens. Portraying the part of Sister was Mrs. Donald Skinner, with Mrs. Ben Visochie, Mrs. William Covington, Mrs. Louis Meek, Mrs. Paul Keller, Mrs. William Leonard, and Mrs. Ralph Heid and narrated by Mrs. John Broderick.

New to the staff of the Joe Merritt Insurance Agency is Mrs. Gerry Mogridge who has just completed an Insurance Institute course at Kellogg Center in Lansing. Gerry is well known in the area serving as a color consultant, and an active Beta Sigma Phi member.

Timothy Wayne Blackburn has been added to the family of the James Blackburns of South Harvey. He was born on May 4 in St. Mary Hospital and is a first for the Blackburns. His proud grandparents are Mr. and Mrs. Max Strohl of Plymouth and Mr. and Mrs. Willie Blackburn of Northville.

A Seminar for visual Technicians at Walden Woods in Hartland, was attended by Mrs. Marg Bever and Mrs. Lorraine Thuer, both well

known in the area for their field affiliation in the schools.

Honors for Jack E. Kopenski, son of Mr. and Mrs. Edward K. Kopenski of Sheridan who was selected as the Colonel's Orderly, at Fort Knox, Ky. The selection was made through knowledge of military subjects and soldierly appearance. He will be stationed at Fort Gordon, Ga. in the advanced radio and teletype division.

Kingswood School in Cranbrook announces that Mary K. Larsen, daughter of Mr. and Mrs. Harry Larsen, of 735 Burroughs, Plymouth will be a graduate on June 11 at Christ Church Cranbrook.

Mary was editor of the school's year book, "Woodwinds" and received a journalistic award from Michigan State University, at the Honors Convocation at Ford Auditorium.

She received a Phi Beta Kappa award from the Detroit Association. This award is given to less than three percent of the 30,000 graduates of the High Schools in the Detroit Metropolitan Area.

Open House at the Proctor residence on Shearer Drive when the weekend brought 38 guests to their home to welcome visitors the Eric Brash's daughter Kathy and Aunt Edna Williams visiting here from Marshalltown, Ia.

Mission Workers, returning from Saltillo, Mexico after a three-week stay are Dr. and Mrs. Gerald Fitch of Lakeside Drive. The Fitch's piloted their own plane to Saltillo, a town of 70,000 and from there went by jeep to Trinidad, a small village of 165 where he carried on a dental program.

He is a member of the Christian Dental Society.

Before leaving Dr. Fitch equipped a movable dental office at Saltillo at the Church Student Center for future use.

Compiling her slides from the Middle East in preparation for the Business and Professional Women's Club meeting on June 20 is Norma Cassidy. The group is in store for two surprises; Margaret Strenich promises a real special on this night.

Alvin Larsen Gets Degree From Yale

Alvin Larsen, 1461 Maple, Plymouth was one of the 19 students from Michigan among the 2350 candidates for degrees at Yale University's 265th Commencement.

The degree candidates come from 48 states, the District of Columbia, Puerto Rico and 52 foreign countries.

Larsen received a Bachelor's degree in arts.

The youngsters are: (from left) Matt Gates, Rick Davison, Don Cook, Eddie Mattson and Wyatt Gates.

Plymouth Jaycees Plan Net Tourney

With regional tournaments underway in all sections of the state, the Plymouth Junior Chamber of Commerce is making plans for the annual Michigan State Jaycee tennis tournaments during the period of June 23 through June 26.

As was the policy a year ago, the preliminary rounds of the state finals will be played on courts as three sites with the semi-finals and finals on the Plymouth High courts.

Howard Oldford is supervisor in charge of the tournament for the second straight year with Jim Stevens, Plymouth High varsity coach, serving as director. Stevens believes the re-entry will go past the more than 100 of a year ago since there is more interest in the state meet this year than in a long time.

The tourney will have two classifications, for boys and girls; 8 and under and 16 and under with champions to be decided in each. The 1965 Michigan tournament sent two girls to the national finals in Houston and each won her division.

The Jaycees are planning many activities for the visiting youngsters. A teen dance, free movies, a swim party and a banquet are just a few of the items.

Bill Murphy, University of Michigan tennis coach, will conduct a clinic on Thursday, June 23 between 10 and 11 a.m. on the Plymouth High courts.

The Plymouth Jaycees are making arrangements to have the finals taped for showing over Channel 50.

Wes Vivian Files for Second Term

Congressman Weston E. Vivian, Democrat from Ann Arbor, has filed his nominating petitions at the Lansing office of the Secretary of State.

Mrs. Edward Pierce, coordinator of Vivian's petition drive, reported that petitions containing the names of 2,689 voters had been filed. Signatures were collected from every area of the Second Congressional District which includes the Counties of Washtenaw, Monroe, Lenawee, and Livingston, as well as the city of Plymouth and Northville Townships in Wayne County.

In filing his petitions, Vivian said, "I am pleased with the widespread support for my candidacy for re-election shown by the large number of citizens who signed nominating petitions."

"I would like to take this opportunity to thank every person who circulated or signed a petition. To them and to the other residents of my district, I pledge a vigorous campaign and, if re-elected, continued attention to the pressing needs of our society in general and this district in particular."

Vivian was first elected to Congress in 1964. The only member of Congress with a scientific Ph.D., he has served as a member of the House Space and Aeronautics Committee. Prior to his election, he was vice president of Conductor Corporation of Ann Arbor.

DPW News And Notes

By Supl. Ken Vogras
Plymouth Dept. Public Works

Department of Public Works crews report many residents of the City have been placing leaves and grass trimmings in the streets. This washes down to the catch basins during rainstorms and plugs them.

During the past week, the Department handled three funerals at Riverside Cemetery. Mowing and trimming was continued at the cemetery. Sweeping was done in the downtown business section.

We recommend that the trimmings and leaves be placed in bushel baskets or tubs and the rubbish men will pick them up.

Cleaning, mowing, trimming and maintenance of the flower beds was continued in the city parks, at City Hall. New sod was laid on the lawn of Hough-Dunning Library.

Crews cleaned up the DPW garage and yard during the week. Catch basins were cleaned and a storm sewer on Burroughs was opened. The big grate on S. Harvey between Penniman and Burroughs was cleaned.

Work was done on various traffic control signals per requests by the Police Department.

Legion Hosts Newcomers Saturday

Passage-Gayde Post and its Auxiliary of the American Legion will close out the 1965-66 series of "Why Are We..." banquets and program Saturday, when they host the Newcomers Club of Plymouth at 6:30 P.M. in the hall on Sheldon Road.

Judith Lewis, newly elected president will be the speaker for the Newcomers. Mrs. Lewis is a member of the Panhellenic group and avidly interested in antiques.

Prior to her marriage, she was a dental hygienist and is the mother of a 14-month-old girl. Her husband, Thomas is a member of the Junior Chamber of Commerce. They have been residents of Plymouth for two years, coming here from Columbus, O.

James J. Leys, of Grand Rapids, will speak on behalf of the Legion. Leys has held practically all of the offices in his Post and his District, culminated by his service to the Legion as State Finance Officer a few years ago. He is affiliated with the Union Bank and Trust Company of Grand Rapids.

Mary Theeke and Tom Chandler winners of this year's American Legion School awards, will be present to receive their medals and citations.

Report From Washington Rep. Vivian Tells of Bill That Aids Self-Employed

By CONGRESSMAN VIVIAN

The 89th Congress will probably be remembered in the history books as the "Education Congress". This Congress has worked to assure that our unique system of universal education continues to equip our young people to meet the challenges of the decades ahead.

The 89th Congress also enacted Medicare and new laws in a number of other areas, to meet pressing need. The Economic Development Act and the Water Quality Act come immediately to mind.

Last week I was pleased that the House of Representatives passed a bill which will be of substantial help to the self-employed—the small businessmen, the farmers, insurance men, accountants, doctors and lawyers. H. R. 10 will enable the self-employed to better plan and prepare for their retirement years.

The self-employed have long been denied much of the favorable tax treatment accorded employees, corporate officers and managers. H. R. 10, when signed into law, will do a great deal to rectify some of the inequities in our Federal Income Tax treatment of the self-employed.

In 1962 Congress passed the Self-Employed Individuals Tax Retirement Act. This law attempted to give self-employed persons near-parity of tax treatment on retirement programs. For many years, employers had been allowed a full income tax reduction on contributions made to employees' retirement funds; but the self-employed individual was not allowed a tax reduction for contributions to his own retirement fund.

When Congress passed the Self-Employed Individual Tax Retirement Act, it was hoped the Act would stimulate the creation of retirement funds by the self-employed. But this has not proved to be the case. In 1964, for example, only about one-half of one percent of the self-employed took advantage of the provisions of the Act.

Under the Act of 1962, each employer can create a retirement plan for his employees and himself. However, while the contributions he makes to his employees' retirement benefits are 100 percent deductible, his contributions toward his own retirement are only 50 percent deductible. H. R. 10 will remove this limitation, making the contribution of the self-employed fully deductible, up to 10 percent of the income he earns, or a maximum of \$2,500.

In plain terms, this means that, for example, a self-employed individual who earns \$9,000 this year will be able to put \$900 aside for his retirement; and he will be allowed a \$900 deduction from his gross income, rather than a \$450 deduction as in years past.

H. R. 10 will also eliminate a glaring discrimination against the self-employed farmer and small businessman. Under the present law, self-employed persons whose income derives from both capital and labor are at a great disadvantage: They may count only 30 percent of their total income under the retirement law.

For example, family farmers earn their income both from their hard work and as a return on their investment in

Evans Opens New Plant In Virginia

Evans Products Company has broken ground for a \$4 million building materials plant in Chesapeake, Va. The plant, to be located on Atlantic Avenue will be the world's largest, most modern manufacturing center for fully-integrated hardwood paneling and rigid wall coverings, according to a company spokesman.

Evans Products is a diversified company, headquartered in Portland, Ore., which operates in the building materials, railway equipment, automotive and mobile home markets. Sales for 1966 are estimated at \$300 million.

The company's new Chesapeake plant, scheduled for completion at the end of this year, represents Evans' first manufacturing facility in Virginia.

Evans' first introduction to Virginia was in October, 1965, when it acquired Moore's Super Stores, Inc., headquartered in Roanoke. Moore's operates a group of 22 East Coast "cash and carry" building materials supermarkets, nine of which are located in Virginia.

Products manufactured at Evans' new Chesapeake plant will be distributed throughout the eastern United States. They will serve eastern customers of Evans' Building Materials Division headquartered in Portland, Ore. and Plywall Division, headquartered in Corona, Calif.

The new plant will produce prefabricated hardwood plywood paneling, grained hardboard and plywood paneling, moldings, vinyl-overlaid decorative paneling, cabinet-type laminates, and allied building materials. These products are marketed nationally through a network of over two hundred distributors, including Moore's Super Stores, a Division of Evans Products.

Brand-name products to be produced in the Chesapeake plant include Lustre-Sheen and Royal hardwood paneling, Diamondized Poly-Clad Plywall paneling, Panel-Mates prefabricated moldings, Poly-Clad Duro-Grain paneling, and Vintex vinyl laminates.

A game of Field Lacrosse will be included as part of this year's International Freedom Festival. Two teams of Canadian and U.S. players will compete for a Festival trophy at Belle Isle on Sunday morning, July 3.

Only Republicans File In Plymouth Primary

With a deadline of Tuesday afternoon at 4 p.m. for filing petitions, only Republicans had entered the primary in Plymouth Township and the proposed City of Plymouth Heights.

In the Township, Supervisor John McEwen, who plans to seek a second term, indicated he would not have his petitions in order until Tuesday afternoon. He will file for Supervisor and for Mayor of Plymouth Heights. He has held both jobs for the past two years.

With two Trusteeships up for grabs along with the three elected officers in the Township Hall, only Incumbents Ralph Garber and Gene Overbolt had shown any interest as the deadline neared.

There was a strong possibility that Rev. David Strang pastor of the Epiphany Lutheran Church, would file Tuesday for Trustee as a Democrat other than that there was no indication from Democratic Leader Robert Dwyer that the Dems would have anyone to go against the other candidates.

Other petitions on file in the office of Clerk Mrs. Helen were: Treasurer Mrs. Elizabeth Holmes, Clerk Mrs. Richardson and Constables Phil Truesdell and Donald King.

Ben Maibach Heads Unit In UF Drive

Robert B. Semple, 1966 Torch Drive co-chairman for chapter campaigns, today announced the appointment of Ben C. Maibach of Redford Township as chairman of the building and transportation unit.

Semple, president of the Wyandotte Chemical Corp., said Maibach would be in charge of volunteers who will solicit all elements of the construction supply field, property management, maintenance and janitorial services and transportation industries as well as the employees of international and local unions.

Maibach is president of the Barton-Malow Co., general contractors in Oak Park. This year's Torch Drive will be held from Oct. 13 through Nov. 10 and will seek operating funds for nearly 200 health and social services.

The goal for the 1966 Torch Drive has not yet been announced but last year more than \$25 million was raised during the "Give Once for All" campaign.

In 1964, direct aid was brought to 1,200,000 people in 113 communities of Wayne, Oakland and Macomb Counties through Torch Drive services. Included are 32 child care agencies which provide shelter, training and care for hundreds of homeless children; 25 health research centers fighting cancer, heart disease and other incurable diseases.

Also 54 health and medical agencies treating the sick and the handicapped; 32 services for the aging; 68 youth character-building agencies and 44 services for troubled families.

Maibach, who lives at 14726 Fox Boulevard, Redford Township, has played a leading role in the Torch Drive for many years. Last year he served as building trade group chairman.

A graduate of Redford High School, Maibach attended engineering school at the University of Detroit and the University of Michigan. He started with Barton-Malow in 1938 as a construction laborer and timekeeper and progressed to his present position as director and president, which he attained in 1960. He is also the director and president of Fern Realty Corp., and the Cloverdale Rental Co.

An ordained minister and auxiliary of the Apostolic Christian Church, he has served as treasurer of the Apostolic Christian Mission Fund; Director and assistant secretary of the church and a member of the executive committee, Apostolic Retarded Childrens Foundation.

He was appointed to observe mission activities in Japan in 1958. In 1965 he was appointed assistant bishop of Japan churches.

He is a director and past president of the Detroit Chapter, Association of General Contractors; a director of the Greater Detroit Safety Council; a Trustee of the Barton-Malow Co.; a member of the Engineering Society of Detroit and the Michigan Safety Conference and an arbitrator for the American Arbitration Association.

U-M Opens Telescope To Public

ANN ARBOR—One of the University of Michigan's key scientific research facilities for exploring the Universe, the 85-foot diameter radio telescope, will open its grounds to the public on the third Sunday of each month from June through September, starting this Sunday, June 19.

Staff members of the University's Radio Astronomy Observatory will describe the operation of the radio telescope and how it receives natural radio waves coming from the sun, moon and planets in our solar system, from distant exploding galaxies and quasi-stellar radio sources.

Located 15 miles northwest of Ann Arbor, the 11-story-high dish antenna can be seen by visitors between 2 and 4:30 p.m. June 19, July 17, Aug. 21 and Sept. 18.

The Radio Astronomy Observatory is located at 10280 North Territorial Road, 5 miles north of Ann Arbor and 10 miles west of U.S. 23.

The U. S. Navy through its Office of Naval Research has supported this facility since its inception in 1956.

350 Honor Clarenceville Superintendent at Reception

STATE TREASURER Allison Green pays tribute to Clarenceville Supt. of Schools Louis Schmidt for his 25 years of service to the district.

A community reception held May 23, Dr. Samuel J. Prisk, President of the Clarenceville Board of Education announced that the over 350 in attendance at the Senior High School would be named in the honor of Louis E. Schmidt, retiring Superintendent. It would be difficult to list all the people who were in attendance. Among governmental leaders were Allison Green, State Treasurer, who was in attendance at college with Superintendent Schmidt (Mr. Green brought greetings from Governor Romney who was unable to attend); Harvey Moeike, Mayor of the City of

Livonia was present. Some of the education leaders were Superintendent Benton Yates of Livonia representing the Michigan Association of School Administrators, Superintendent Gerald Harrison of Farmington representing the Oakland County Superintendents' Association and William Shunck representing the Wayne County Intermediate School District. Among the clubs and organizations with a large representation were the Clarenceville Band Boosters who recently celebrated its 25th Anniversary and the Clarenceville Optimist Club who recently celebrated their 14th

Anniversary. The reception was sponsored jointly by a

number of organizations spear-

headed by the Junior-Senior

High School Parent-Teacher

Association and the Board of Education in honor of Louis E. Schmidt who is completing 18 years as Superintendent of Clarenceville Schools.

FOR 'inspiring and unselfish leadership' while President of the Wayne County Municipal Judges Association, Judge George T. Martin was presented an award by his fellow judges. Present for the occasion were Municipal Judges from various cities in Wayne County. (Left to right) Judge Martin, Judge John Nidela, Judge Ray McInty, Judge Douglas Craig, Judge Jerry

DiAvanzo, Judge William Chapman, Judge Alexander Barbour, Judge John McCartney, Judge Richard Valois, Judge Frances Burger, Judge O. W. Johnson, Judge Robert Martin and Judge Joseph Lozo. Judge Martin has served as Municipal Judge for 23 years. He is a candidate for the six-year term in the Wayne County Court.

Local Women Invited

LWV to Hear Round-Up of Michigan Legislature

A Round-Up of the activities of the Michigan legislature will be presented to members of the League of Women Voters of Livonia at 8:15 p.m. tonight (Wednesday, June 15) at the home of Mrs. Myra Chandler, 15715 Southhampton.

Local women interested in knowing more about League activities are invited to attend this June general meeting, according to Mrs. John Feder-spill, Livonia LWV President.

The Legislative Round-Up, a traditional June activity for local LWV members, will be presented by Mrs. Milton Firestone, member of the Lansing League and formerly a director for the Livonia LWV. Following Mrs. Firestone's presentation, members of the City Charter Study committee, under the chairmanship of Mrs. William Carter, will discuss forms of local government and the history of city charters. Members of the Charter

committee include Mrs. Paul Miller, Mrs. Donald Murch, Mrs. Edward Milligan, Mrs. Dalton Cheaney, Mrs. John Lazar and Mrs. Gerald Greenwald.

As an added attraction for LWV members, Don Hull, Director of City Planning, will show the film, "No Place for Ugliness," concerning community beautification and city planning.

The League of Women Voters is a non-partisan, volunteer organization, open to all women citizens, 21 years of age or older. Women who would like to join the Livonia League or obtain additional information, may attend tonight's meeting or call the Membership Chairman, Mrs. William Taylor, GA 2-0933.

Plymouth Symphony To Benefit by Gold League

Beginners as well as experienced players in the area are invited to join the new Women's Golf League which will tee off at Hilltop Golf Club on Tuesday mornings at 9 o'clock.

The first session is scheduled for June 21, rain or shine. Hilltop is located on the northwest corner of Ann Arbor Trail and Beck Road, about two miles west of Plymouth.

The first meeting on June 21 will be preceded by brief statements at 8:30 a.m.

The new league includes at no extra cost; a free playing lesson and golf tips, a Doe Day with special prizes; a Dutch Treat luncheon at the Round Table Club, Plymouth

and a weekly contest for golf balls and other prizes.

Chairman Miss Helen Gilbert has assisting her Mrs. Shirley Spaniel, as executive secretary; Mrs. Charlotte Winterhalter, social committee; assisted by Mrs. Marian Sullivan and Mrs. Virginia Brennan; Mrs. Virginia Baldwin, treasurer; Mrs. Jane Watts, tournament manager.

Mrs. Watts, a physical education major and former high school teacher is a low-handicap golfer; Miss Gilbert is an experienced player with the Women's Metropolitan Golf Association for six years; as well as playing with the Women's Suburban Golf Assoc. and Fox Hills County Club. Handicaps will not be es-

'41 Fordson Class To Hold Reunion

A meeting is scheduled for Thursday, June 23 at 8 p.m. at the Dearborn youth center Michigan and Greenfield, for all January and June graduates of 1941 at Fordson High. For any further information call Beth Johnson at 565-319 or write to Ruth E. Taylor 21240 W. Outer Dr. in Dearborn.

Established until after five weeks of play, when USGA rules will be followed. Trophies will be awarded on a point system. The group will try to maintain a substitute list so that summer vacationers who can't participate in a full schedule will have free time.

For further information call Mrs. Spaniel at GL 3-8118 or Mrs. Winterhalter 453-2092 on evenings after five, Miss Gilbert at GL 3-2630.

Bloodmobile Lists Livonia Visit Thursday

Does your organization belong to a Red Cross Blood Group Account? If so, you know that blood will be available just in case you need it—because your organization set it up just that way.

Church groups, service and social clubs, industries and even families throughout the tri-county Southeastern Michigan Chapter have found this a valuable "club" to join. For further information, call Red Cross, 961-3900.

A Red Cross bloodmobile will visit the Northwest Service Office, ARC, 31228 Five Mile Rd. in Livonia on Thursday, June 16 between the hours of 3 and 9 p.m. For your appointment to give, telephone 422-2787.

Att.: Mothers!

Another Red Cross Mother & Baby Care class is scheduled for the Northwest Red Cross office, 31228 Five Mile, Livonia. The class will begin on Monday evening, June 20 and will run for six consecutive Mondays from 7:30 to 9:30 p.m. Teaching this course will be Mrs. Karen Rogers, 17429 Pershing, Livonia. To register, phone Red Cross 422-2787.

Ladies ... Here's Great News!

Now you can attend "Ladies Day" and not have to worry about the children

LIVONIA MALL

Shopping Center

ANNOUNCES

Something New for Ladies Day!

A SPECIAL MOVIE FOR YOUR CHILDREN WILL BE SHOWN EVERY TUESDAY AT 10 A.M. IN CINEMA II. PRICE, JUST 50c PER CHILD. STARTS JUNE 21

Yes, that's right ladies... All summer long you can come and enjoy Livonia Mall "Ladies Day" and not worry about your children. (You can bring them with you and for only 50c each child they can enjoy a movie of their own in the theater next to yours. You'll be in Cinema I and they'll be right next door in Cinema II, watching a movie specially selected for them.

We have made these special arrangements for the summer vacation season because we know you enjoy "Ladies Day" so much and it would be impossible for us to allow all the children that are out of school to attend "Ladies Day"... There wouldn't be any room left for the ladies now would there? So, bring the children and send them to their own movie, every Tuesday.

GRADE SCHOOL CHILDREN OR HIGH SCHOOL GIRLS WILL NOT BE ADMITTED TO "LADIES DAY" WITHOUT THEIR MOTHERS.

ALL MEMBERS OF Hill and Dale Garden Club who will be guests at Federated Garden Club of Michigan 35th annual meeting at Harbor Springs are shown wearing their chapeaux which they designed to bring out Michigan's "Bounty of Beauty" theme. Left to right: Mrs. Kenneth Trombley, Mrs. George Reimold, Mrs. Fred Bulman (president), Mrs. Joseph Ziska and Mrs. John King.

Hats Show Theme

"Beauty Is Our Bounty" Theme For Garden Club Convention

If you haven't yet purchased your new spring bonnet, don't be alarmed. These are not the latest fashions in headwear in this part of town. But, for these five belles it will be high fashion headgear for the Federated Garden Clubs of Michigan's 35th annual meeting at Harbor Springs. The convention will be held in Boyne Highlands Inn and is titled "Beauty Is Our Bounty."

"Michigan's beautiful bounties" are incorporated into these natural straw hats. Ruth Trombley is sporting a branch gently holding a bird nesting with another bird with outspread wings. Moss encircles the creation with a violet plant peeking out of the moss. We have advance news that the hat is not complete in this photo for a can of angle worms will be taken on this trip and the bird will have a fresh one in its beak every hour.

The peaked beret worn by Avaline Reimold is colorfully butterflyed while Grace Bulman's ruffly-edged straw hat is engulfed with pine cones and fresh pine sprigs. A squirrel figure is busily nestled amongst the pine cones.

A branch of perky red cherries is growing on the coolie straw donned by Kathy Ziska with clusters of cherries on either side. The yellow tissue rose stands high on a stem with a red and black focal center on Gladys King's chapeau.

If you are a Garden Club Member and have never been to an Annual State Meeting, plan on attending one in the near future. They are well planned functions, educational, interesting and much fun.

Children's Entertainment Guild Gives Check to New Livonia Library

Members of the Children's Entertainment Guild of Livonia met at the site of the new Livonia library to present to Skip Rosenthal, City Librarian, a check for \$100. The money, from the proceeds of the Guild's programs over the past year, was given in support of the Livonia Libraries' efforts on behalf of our children.

The Children's Entertainment Guild has recently completed a highly successful season during which it presented the Wayne State University Children's Theatre in "Aladdin and His Wonderful Lamp" in March, The Detroit Severo Ballet Company in "The Nutcracker" in December, and The Reed Marionettes in "The Wizard of Oz" in November.

The Livonia Children's Entertainment Guild is a non-profit volunteer organization formed six years ago by a group of civic-minded women working in cooperation with the Livonia Public Library.

While the group's aim is to vice rather than profit, any proceeds not needed to finance future programs are donated to the library for the purchase of children's books or for use in the story hour program. At the present time, the Guild is contemplating an adult series for the coming year which will bring outstanding cultural entertainment to Livonia.

All members of the Children's Entertainment Guild work hard throughout the year and particularly the Committee Chairmen whose names are: General Chairman, Mrs. Oliver H. Wagner; Secretary, Mrs. Richard Rion; Treasurer, Mrs. Arthur Morrill; Program Chairmen, Mrs. Francis Hand, Mrs. Sheridan Holzman, Mrs. Conrad Gniewek, and Mrs. Jack Gordon; Ticket Chairmen, Mrs. Christopher Sieh and Mrs. James R. McCann; Children's Program Chairman, Mrs. Arthur Morrill; Adult Study Chairman, Mrs. Avram Rosenthal; and Publicity Chairman, Mrs. Robert D. Bennett.

The Guild welcomes to its membership adults interested in its aims. Inquiries may be directed to the General Chairman, Mrs. Oliver H. Wagner, Mrs. Oliver H. Wagner, 427-1186.

AFS CANDIDATE SCOTT WATKINS of Franklin High weighing 'what goes' and 'what stays' to meet the 44 pound maximum for his June 20 departure to Germany.

Scott Watkins Chosen

Livonia Boy is Emissary To Germany for A.F.S.

After the first few minutes of conversation with flame-haired Franklinit Scott Watkins, we heartily added our endorsement of him as emissary of American goodwill and ideals in his venture to Germany for the American Field Service.

Interviewed by a Selection Committee in Livonia, and finally approved by the American Field Service in New York, Scott rates as the only Livonia student chosen to travel as an American abroad this summer.

Living as one of the family Scott shall call Anneliese Roder, Mother; Hermann Roder, Father; and Michael Roder, brother. The Roder Family live in a ribbon house of three floors in the industrial city of Wuppertal, northern Germany. "Ribbon house" refers to the connecting of houses side-to-side — space-saving.

Thus Scott shall live from July 1 to September 1, sharing ideas, opinions, dreams and humor, in a give-and-take situation that is unsurpassable for developing positive human understanding between countries.

Already part of the family plans Scott has received a letter from Michael with the exciting news that the family will vacation for three weeks in August in Bardolina, Italy at Lake Gardasee, a favorite German vacation spot.

AFS allows \$5 a week spending money for Scott, which gives him about 20 Deutsche marks, or 20 German dollars. And so armed with a color slide camera and the beginning knowledge of the German language, Scott and his 44 pounds of essentials, shall plane June 19 to New York and embark June 20 on the Seven Seas with 900 AFS students for Rotterdam — a 10-day story in itself. The other students shall go from there to Italy, Greece, Turkey, and dream on.

While there, Scott shall celebrate his seventeenth birthday on July 8 — so we shall say a very Happy Birthday to him now and auf Wiedersehen till September 10.

Mr. and Mrs. Tony Kolodzyczak

Farmington Couple Celebrate Silver Wedding Anniversary

Silver leaves were pinned on the guests as they arrived to help celebrate the Silver Wedding Anniversary of Tony and Dorothy Kolodzyczak. The party was attended by over 90 guests, consisting of their family, friends and neighbors. The party was held at Tony and Dorothy's home, 21166 Osmus, Farmington.

Tony and Dorothy have seven children, ranging from age six to 23 years. They have three grandchildren, Debbie, Kim, and Georgie Jr. The party was given by their three oldest children, Tony, Ramona and Tom and their two in-laws, George and Sharon. The four younger children, Mike, Pat, Betty and Chuck helped. The decorations were white and silver and every table was decorated with white and silver table cloths and a dark red rose in the center of each brightened the scheme of things. The cake, made by their sister-in-law was four tiers, and decorated with red roses and green leaves. A surprise treat was the appearance of Nick and Grace Campbell of Livonia. The Campbells had "stood up" for them 25 years ago. Tony and Dorothy were married in Bowling Green, O. on May 31, 1941. They have lived most of their 25 years of married life in Farmington. Tony is presently employed at the Curcio Oil Co. A highlight of the party was that five generations of Dorothy's family were present. They are Kate Waterman, Camilla Jayska, Dorothy Kolodzyczak, Tony Kolodzyczak and Debbie Kolodzyczak.

Lutheran Church Breaks Ground

On Sunday, June 12, the most 500 baptized members representing more than 125 homes, making necessary this second unit in a "master-plan" which includes an eventual complex of four or five units.

Participating in the ground-breaking ceremonies were James Coquillard of The Architects Collective, Inc., Detroit; Maurice E. Kitchen, Kitchen Builders, Inc., Farmington; Lee Carlson, Lutheran Brotherhood Life Insurance Co., Minneapolis, Minn.; Gerald Grosh, President of Ascension Lutheran Church; Dee Knudsen, Chairman of The Planning and Building Committee of the congregation and Rev. Arnold H. Jahr.

This marked the beginning of construction for an Education Unit adjoining the present church structure. It doubles the space now available for classroom purposes. This unit also provided for a spacious church office. Less than three years ago the first unit, a two-level structure, was completed for a congregation, not yet existent. In a little over two years' time the congregation has grown to a membership of al-

CANDIDATES FOR the Republican nomination for the 19th Congressional Seat spoke at last week's meeting of the Livonia-Redford Young Republican Club. Seated in the front row prior to the program are Larry VanderMolen and Jack McDonald. The third candidate, Dick Kuhn, is seated in the second row. The program drew a crowd that filled the 19th Wayne Republican Headquarters on Middlebelt Rd. in Livonia to capacity.

Congregational Church To Dedicate New Chapel

Services in the new Chapel of Mt. Hope Congregational Church, 30330 Schoolcraft, will be Sunday, June 19, 1966, at 10:30 a.m. The minister, Rev. Robert F. Simpson, will officiate. Graduates from High Schools in Redford, Livonia and Dearborn Heights and Colleges of Hillsdale and Olivet will be honored at the service. Church School classes for the Elementary, Jr. and Sr. High, will not meet during the summer. Facilities will be available for the care of babies, pre-schoolers, kindergarten and primary, thus enabling their parents to attend services. The new building will not be completely finished nor furnished, but suitable seating and parking will be available. The organist, Mrs. Jack Trudgeon, will play the organ purchased for the chapel by the Senior Pilgrim Fellowship group. Mr. Jack Trudgeon is the choir director. In the afternoon (June 19) the Doubles Club is sponsoring a Strawberry Ice Cream Social from 3:30 p.m. to 5:00 p.m. in the backyard of Mr. and Mrs. James Hutchinson, 29733 Jacqueline Drive, Livonia.

Lutheran Church Breaks Ground

On Sunday, June 12, the most 500 baptized members representing more than 125 homes, making necessary this second unit in a "masterplan" which includes an eventual complex of four or five units. Participating in the ground-breaking ceremonies were James Coquillard of The Architects Collective, Inc., Detroit; Maurice E. Kitchen, Kitchen Builders, Inc., Farmington; Lee Carlson, Lutheran Brotherhood Life Insurance Co., Minneapolis, Minn.; Gerald Grosh, President of Ascension Lutheran Church; Lee Knudsen, Chairman of the Planning and Building Committee of the congregation and Rev. Arnold H. Jahr.

LEE KNUDSEN, Chairman of the Building Committee, turns a spadeful of earth in Livonia, on Sunday as construction begins on the Education Unit.

Atomic Versus Spiritual Force Science Lesson For June 19

"Is the Universe, including Man, Evolved by Atomic Force?"—this is the question explored in the Bible Lesson to be presented at all Christian Science churches Sunday.

The Golden Text is from I Samuel: "The pillars of the earth are the Lord's, and he hath set the world upon them."

Opening the Lesson-Sermon will be Paul's statement in Hebrews: "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things

which do appear." The theme is explained further in references from the Christian Science textbook, including these: "The true theory of the universe, including man, is not in material history but in spiritual development. . . . Through many generations human beliefs will be attaining diviner conceptions, and the immortal and perfect model of God's creation will finally be seen as the only true conception of being" (Science and Health with Key to the Scriptures) by Mary Baker Eddy.

Temple Beth Am Honors 85th Birthday of Noted Jewish Leader

Friday evening, June 10, Temple Beth Am joined over 500 other Jewish congregations throughout the United States and Canada in honoring Rabbi Mordecai M. Kaplan, noted Jewish scholar and author, on the occasion of his 85th birthday.

Rabbi Jessel's comments and sermon formed an appraisal of the life and teachings of Rabbi Kaplan as seen through the Reconstructionist movement, the fourth of the so-called denominations of Judaism.

Rabbi Kaplan is the founder of this movement, which is dedicated to the advancement of all aspects of Judaism, including the reaffirmation of Jewish peoplehood, the creative expansion of Torah, and the revitalization of Jewish religion in our time.

Rabbi Kaplan served for over 50 years as a member of the faculty of the Jewish Theological Seminary of America and on the faculties of other institutions of higher learning in the United States and Israel. He is also the author of many important books including "Judaism As A Civilization," and "The Future of the American Jew."

RELIGION IS A FAMILY affair for Jehovah's Witnesses. J. Hazen Karp reads the word to his son, Timothy, age 7.

Will Be In Our Time

"End of Satan's Rule" Says Jehovah Witness

By JERRY WENDT CHURCH EDITOR

Do you sometimes wonder how you can keep a Christian sense of values in this world? Or why it is that people who appear to try the hardest to live decent lives have such a miserable time?

Jehovah's Witnesses have an answer to this question. They believe that Lucifer (Satan) is in charge of this world. Lucifer was the most beautiful of God's angels but fell heir to the besetting sin of pride and was therefore "cast into outer darkness." Jehovah's Witnesses believe that this is the world that is under his rule. They believe that we shall see the end of Satan's rule in our lifetime and that true to the Biblical promise "the meek shall inherit the earth."

The Witnesses are a congregation of ministers and they preach from house to house. The Bible is their text book and their role for this is found in the 20th chapter of Acts, 20th verse:

"And how I kept back nothing that was profitable unto you but have shewed you and taught you publicly from house to house."

The Gospel of St. Matthew 28 chapters 19 and 20 urge them to "Go therefore and make disciples of all nations."

The J. Hazen Karp family of Farmington are an excellent example of how the Jehovah's Witnesses make their religion an integral part of their life. True to the Bible (ed. note: if you will recall, Christ supported his widowed mother by his carpentry work—

he was a top carver of the vokes that oxen wore around their neck). J. Hazen Karp works elsewhere to support his family for the Witnesses do not support a minister. Karp's wife, Carol is also a minister for their belief is that every Christian should be a minister regardless of sex.

Nazareth College Alumnae Elects New Officers

On June 6, The Nazareth College Alumnae Association, Detroit Chapter, elected as its President Audrey M. Schorr of Delaware Avenue in Redford Township.

Her two-year office will encompass directing approximately 250 women in the metropolitan Detroit area. Mrs. Schorr, who graduated from Nazareth College of Kalamazoo in 1959, attended Wayne State University School of Social Work, and is now married, the mother of one youngster.

Active in the Alumnae Association since graduation, she has held the office of Treasurer, Membership Chairwoman, and is presently Corresponding Secretary. Besides this interest she is now a Democratic Precinct Delegate and, along with her husband Jerry, active in the Redford Jaycees.

Other Alumnae officers elected were Bernyce Edwards, Vice-President, Margaret Wygant Corresponding Secretary, Yvonne Allen Recording Secretary, and Sue Barrett Treasurer.

"In the Garden"

Women of Emmanuel Baptist Church, Livonia ended the program year June 14. A Garden Pilgrimage was featured. The ladies met at the home of Sallie Nelson for luncheon. They also attended the Baptist Children's home annual clothing shower. The season ended on a note of food, fellowship and opportunity for service.

"God Lives Today"

A pre-registration of all those who plan to attend the Vacation Memorial Church of Christ Bible School will be made June 19 and 26. Vacation Bible School is July 25-29, Monday through Friday, 7 to 9 p.m. There will be a class for all ages from babies through adults. The theme is "God Lives Today." The study course for youth and adults is "Two Worlds — Christianity and Communism," by James D. Bales.

MARY SUE BEDWELL

Mr. and Mrs. Bedwell, of Livonia, wish to announce the engagement of their daughter, Mary Sue to Thomas Sankowski, son of Mr. and Mrs. Phillip Sletten, Garden City. The bride-elect is formerly from Dearborn Heights where she attended Haslon High School, and is presently employed at Wells Personnel Agency in Redford. Her fiance is presently attending Wayne State University and is employed at Evans Products in Plymouth. A Nov. 19 wedding is planned at St. Linus Parish in Dearborn Heights.

Erwin Canham Elevated to Head Of Christian Science Movement

Erwin D. Canham became the new President of the Christian Science Church, as members from around the world convened in Boston for their Centennial-Year annual meeting.

Simultaneously, construction workers one block away were beginning land clearance for the religion's dramatic new expansion of its headquarters area, known as The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

These were the climatic events in this year's observance of the 100th anniversary of the beginnings of Christian Science under the leadership of Mary Baker Eddy in 1866.

To the annual meeting, it brought the biggest attendance in the Church's history, flowing over into the adjacent Civic Auditorium and a nearby theater, where the proceedings were carried on closed-

Erwin D. Canham

Two important innovations mentioned at the meeting were a new International Department and a new Youth Division for better coordination of

the Church's growing operations in these areas.

Similar changes have already added four stories to the proposed height of the new Church Administration Building announced last year as part of the expanded 15-acre "Church Center" now under construction.

The detailed plans call for a 26-story building and other facilities at a cost of more than \$8,000,000, with extensive private development on surrounding church-owned land.

Other events in connection with the Centennial this year included the publication a few weeks ago of a 100-year report on the Church's spiritual healing experience, titled "A Century of Christian Science Healing"; and a recent ceremony at the Smithsonian Institution accepting a privately-donated marble bust of Mary Baker Eddy into the National Portrait Gallery.

Lutheran Church Celebrates 10th Year

Hosanna-Tabor Lutheran Church will give glory to God for his many blessings during the past 10 years. The Tenth Anniversary Sunday has been designated as September, 1966. Although Tabor and Hosanna amalgamated in the summer of 1955, the dedication of the present church was September 12, 1956.

Rev. Emil Voss, pastor emeritus of Holy Cross, Saginaw, has been invited to preach the 8:30 and 11 a.m. services and former pastor, Rev. George R. Hildner to preach in the after-

noon at 4 p.m. Harlan Heide, organist, formerly teacher and organist, presently at Holy Cross, Saginaw, will be at the organ in the 4 p.m. service.

An anniversary Dinner is scheduled for the first 450 to register at 6 p.m. at Thurston High School. A 45 minute program with pictures of high lights of these 10 years is planned after the dinner.

If you know of someone who would like information on this Anniversary, please give the office (KE. 3-0318) the name and current address.

To Use Live Models

Bloomfield Art Association Summer Program

Live models will be used for the first time this summer in the young people's classes at the Bloomfield Art Association. The summer program begins July 5 for six weeks. Most classes are scheduled for twice a week.

Always a popular feature of the summer session, the young people's program starts with introduction to art for ages 6 and up, and goes on to include pottery, sculpture, portraiture, watercolor, oil painting, drawing and oil painting, and a new class in hooked rug techniques.

Kingswood weaving instructor Robert L. Kidd is presenting the hooked rug class. Charles Schmidt, a calligrapher on the social staff of White House under former

President John F. Kennedy, is teaching watercolor. He will also repeat his successful drawing and perspective course. Both classes are for 10 to 18-year-olds.

Jay Jodway, former art teacher at East Hills Junior High School, is instructing two introduction to art classes plus a portraiture class for 10 to 18-year-olds. Portraiture is set up to meet once a week. Pottery for all ages will be taught by Anita Seynovec, who is also teaching oil painting for ages 13 to 18. Miss

The Detroit Symphony Orchestra will perform a special musical salute to the friendship of Canada and the United States on Saturday, July 2 as part of the 1966 International Freedom Festival.

Seynovec just received her M.F.A. degree from Cranbrook.

Sergio DiGiusti, assistant instructor at Wayne State University, will instruct the sculpture class as well as an art introduction course. Jeanne Yeak, former director of the Romaine Gallery, and Nancy Schmidt will also return to the BAA to handle introduction to art classes.

Another oil painting class will be conducted by Aris Koutrilas. Koutrilas is an assistant professor at Wayne.

Registration is open for the summer term. Further information about classes may be obtained by calling the Bloomfield Art Association, 1516 South Cranbrook Road, Birmingham.

GOING CURTAIN

Livonia's Musical Comedy Workshop at Franklin High gets underway on June 22. After last year's highly successful "Music Man" production, it was inevitable that a second musical comedy workshop be held the summer of '66.

The Ernst-Hirvela combination for fast-paced, flawless musical comedy entertainment has already become a Livonia legend. Students have been auditioning during the past four weeks. They eagerly await the opening sessions of the workshop on Wednesday, June 22.

The six week workshop culminates in a charming, wild-wonderful version of that tune-laden favorite "South Pacific." This Rodgers and Hammerstein musical has those memorable tunes: "Some Enchanted Evening," "I'm Gonna Wash That Man Right Out of My Hair," and "I'm In Love With a Wonderful Guy." "South Pacific" will be seen late in July at the air-conditioned Franklin High School auditorium.

As an added feature for the second workshop—Ernst and Hirvela, the dramatic duo, have asked Bob Wall, veteran director and publicity agent, to conduct a special Publicity Workshop as a part of the Summer Workshop. The Publicity sessions will be held at Franklin High in Livonia June 22 to July 1, from 8:30 a.m. to 10 a.m.

Here's a real chance for many of the community theater folks. Ernst and Hirvela have informed old Wally that all interested citizens in the surrounding Observer circulation area are welcome to attend this Publicity Workshop. A low registration fee of \$10 for the 10 day workshop has been set.

Interested citizens may register for the Publicity workshop by submitting their name at either Bentley, Stevenson, or Franklin High schools. The offices at any of the three high schools will accept your registration. Glenn McAdam, Summer School Principal, has indicated that you may call him at GA 5-1900 if you still need registration information.

The Summer Publicity Workshop sounds so interesting you might find old Wally attending. They say you can't

Weekend Trips Set For Stratford

A choice of Stratford Festival week-ends is being offered by the YWCA of Metropolitan Detroit in either two or three-day trip packages. They are open to families and single men as well as women.

All tours include two Shakespearean plays but the three-day trips allow time for shopping in the china, woolen and other English import specialty shops. Stratford features period restaurants, and affords many picturesque opportunities for the photographer as well as sightseeing in the museums. Sunday afternoon concerts are also scheduled and tickets are an optional item.

The three-day excursions depart on Friday at 6 p.m. on July 22 and Aug. 12 for performances of "Henry V" and "Henry VI." Saturday mornings at 7 a.m. is departure time for the two-day trips on July 9 and Aug. 27.

"Twelfth Night" will be presented during both these trips with "Henry V" on July 9 and "Henry VI" on Aug. 27. A feature of the YW staff escorted trips is the pre-trip meetings which may be attended at the YW, 2230 Withcreek, for viewing a film on Stratford, choosing room mates and making final plans.

Transportation is by charter bus and the fee includes two tickets, main meals and YWCA dormitory lodging (in the case of couples or single men, accommodations are in private homes at \$1.50 per person nightly additional charge).

"teach an old dog any new tricks," but I'm willing and that's half the battle.

Summer workshops may come and go, but there is still only one George Bernard Shaw. The U of M Players gave Shaw's "Misalliance" a superb showcasing and once again proved that all the plays performed do not have to be contemporary. The old classics can still stand on their own two tottering legs.

"Daddy, buy the brute for me!" gleefully cajoles Hyapatia. Her father, Mr. Tarleton does just that in Act III of "Misalliance." Of course, there has been two hours of witty dialogue that precedes this rather mercenary line. Such a bold statement merely caps the comic climax and an appreciative audience left Ann Arbor's Lydia Mendelssohn Theater convinced that G. B. Shaw is a delightful, urbane, elegant comic writer who will live forever.

"Misalliance" under the direction of William B. McGraw was a mirthful spree from beginning to end. Fred Coffin (a somber name for one so expert in the field of comedy), Eric Brown, Susan Reynolds, Keith Jochim, John Allan, Beth Rankin, Mark Metcalf, Margaret Allbright, and Robert Einkenel were at their devilish best. Each had a glint in their eye as they performed this Shaw satiric literary tornado and yet they all pulled together to give the production real comic impact.

Scene designer Dan Lomax provided a rather gaudy but effective setting. Mary Alice Doyle's costumes reflected the turn-of-the-century sedateness quite accurately. "Misalliance," the 1966 Summer Season opener at the U of M, was a witty, wonderful winner. "The Winter's Tale," a Shakespearean blockbuster, is next on the production schedule for a June 29 opening.

Nationalities Concert Set At Masonic

The Baltic Nations and the Captive Nations Committees are co-sponsoring a Nationalities Concert Saturday, June 18, 8:30 p.m., at the Masonic Temple. A cross section of Michigan's leading citizens, representing education, law, city officials, both political parties and religious organizations are serving as honorary members of the concert committee.

The concert will feature a Lithuanian Mixed Chorus, Ukrainian Bandurists, A Ukrainian Bandura Chorus, Lithuanian Folk Dancers, Michigan Opera Company soloist Astra Kalnins, well-known Polish violinist No-reen Smialek, and Emilie Kuusk at the organ.

The concert will commemorate the mass deportations of the Baltic people and the enslavement of the Captive Nations of Eastern Europe. Following the concert, greetings will be extended by Governor Romney and a representative of the Mayor's office. Both Governor Romney and Mayor Cavanagh are acting as honorary co-chairmen of the concert.

Tickets will be available at the door.

The band has played at numerous teen age dances and future bookings include performances at the Wayne and Algiers Drive In Theatres.

Local B'nai B'rith Sponsors Benefit Evening of Film

Emotionally disturbed children, youth, the sick, the college student who is away from home for the first time, and those who encounter prejudice and discrimination are all helped.

In more than 100 years of service the national organization of B'nai B'rith has aided hundreds of thousands of such individuals through their charitable endeavors servicing all of the above activities.

The Livonia Lodge of B'nai B'rith during its seven years of existence has spearheaded

MAO TSE TUNG, who is really Pat Ahola, of 28875 Broadmoor, Livonia, meets Alexsia Kosygin who in her Livonia Riley Junior high classes is Cindy Hodges, of 29223 Lyndon Rd., Livonia as they played roles in a year-end satire on the United Nations called "East Side Story."

Beechview Sixth Graders To Be Honored by PTA

The sixth graders at Beechview School in Farmington will be honored at the annual Moving Up Program on June 15. The evening will begin with a dinner served at 6:30 p.m.

A roll call by teachers Judy Anderson, Charles O'Neil and Richard Ruitter will give recognition to each class member as he stands to be honored.

Following performances by the school orchestra, band and choir under the direction of James Pappas, Donald Ross and Mildred Bennett the following awards and recognitions will be presented:

Token of appreciation for student librarian services to: Mary Baum, Marianne Crain, Angelika Dahm, Patrick Dygert, Sandra Gould, Robert Green and Wendy Smith.

Gerald V. Harrison, Farmington Superintendent of Schools, will present the Honor Award for excellence in safety activities. The plaque will be accepted for the school by Captains Cheryl Bowlick and Michael Davis who will give recognition to the Service Squad and Safety Patrol.

Beechview Principal Kenneth Lachmann will present awards and certificates to the following Service Squad and Safety Patrol members: Captain Cheryl Bowlick, Lt. Laura Eckel, Lt. Nancy Vagnoni, Lynn Bernadett, Gail Bowerman, Carol Gully, Loretta Henry, Ann Lensen, Suzanne Ouellette, Karen

Teen Dances Set

The Redford Jaycees will be sponsoring teen dances again this year. The dances will be held in the Thurston High School gym every Thursday evening from June 28 through Sept. 1. Disc Jockeys from WKNR will host the dances and provide the music. Local bands will make guest appearances. Dancing will begin at 8 p.m. and continue until 11:30.

Cemetery Trip Is Scheduled

Under the chairmanship of Reuben Ryding, Trustee, members and guests of the Detroit Historical Society will have an opportunity to tour Historic Elmwood Cemetery and to visit the graves of General Lewis Cass and his contemporaries on Saturday, June 18.

The tour will be directed by Henry Ledyard and has been established to commemorate the 100th Anniversary of the death of Lewis Cass. Tour buses will leave the Kirby Avenue entrance of the Detroit Historical Museum, promptly at 1:30 p.m. and return to the Museum at approximately 4:00 p.m.

Reservations must be made in advance by mail to the Detroit Historical Society, 5401 Woodward, Detroit, attention: Mrs. Barbara Nolan. Reservations will not be accepted after June 15.

Over 200,000 persons have enrolled in correspondence courses at Penn State in 73 years since they were first offered.

Senior Housing

(Continued from Page 1) complete, and that 60 units had been proposed. Architects Harley, Ellington, Cowin and Sturton, Inc. had been commissioned to draft plans.

(3) During the ensuing months, the site location was kept secret, despite rumors that it was going on the Wilcox property.

Plans for the building were revised in Chicago, with the first set being discarded because of the way the building was placed on the Wilcox site.

(4) Then on November 15, Wilcox charged secrecy in the matter, and said he would not sell the site.

(5) In December, the joint City Commission-Housing Commission meeting was held, with Commissioners George Lawton, James McKeon and Arch Vallier all urging a look at other sites.

The appraisal came in several weeks ago, and was questioned by the Housing Commission. Kenneth Fisher noted that at that time the entire matter was in the hands of the Public Housing Administration in Chicago.

Then, last week, word was received from Chicago that another search for a site was in order, due to the high appraisal.

Edna MacKenzie, Alma College, no previous experience, for second grade at Bird School.

Mrs. Barbara Masters, University of Michigan, five years at Walled Lake and two years at Howell, for English at Plymouth High and Junior High East.

Mrs. Marion Mathews, University of Michigan, four years at St. Clair Shores and 14 at Plymouth, for third grade at Smith School.

Sue Ann Mocco, Eastern Michigan University, no previous experience, for sixth grade at Elementary School 7.

Susan Oswald, Albion College, one year at Jackson, for first and second grades at Gallimore.

Mrs. Patricia Reis, University of Illinois, three years at LaGrange, Ill., for journalism at Plymouth High.

Teacher Negotiations Far Apart

(Continued from Page 1) a serious impasse develops.

Through the metropolitan area, teachers are represented in large measure by Michigan Education Association affiliated local teacher Associations.

In some areas, however, the American Federation of Teachers (AFL-CIO) has won bargaining rights for teachers.

Plymouth teachers are represented at the bargaining table by the Plymouth Education Association — affiliated with MEA and NEA, the National Education Association.

In other matters at the regular monthly meeting, held Monday evening at school district offices, board members heard regular committee reports and approved reimbursement requests for Federal Funds—available on a matching basis for vocational education equipment purchased and education materials in use under the National Defense Education Act.

They heard a plea from Northwest Wayne County Child Guidance Clinic board president John Boyle for funds to help the clinic meet its \$10,000 budget for next year.

Mrs. Frances DeMott is the Plymouth representative on the Clinic's board.

The clinic, which is devoted to helping emotionally disturbed children referred to it, has

Renewal Nixed

(Continued from Page 1) he said. "We like it here. That's why we lived in the same home so many years. If we had wanted to move, we would have done it a long time ago."

A.K. Brocklehurst, 657 Wing Street, brought down the house when he said he represented a neighborhood SPUR Association.

"That means," he said, "Society for the Prevention of Urban Renewal in the southeast quadrant. Our membership may not be large outside of the area but there certainly are a lot of people to back our thinking."

"We believe we could have had signatures of 90 per cent of the eligible voters in the city if we had made a house to house canvass. As it is we have more than 800 names and that was without too much effort. People just don't want this thing in the City of Plymouth."

Carl Pursell, president of the Chamber of Commerce, and Harold Fischer, director of the Area Planning Commission, made the presentation on behalf of the Chamber for the Central Business District study.

Their joint presentation included the following recommendations:

1—That the City Commission adopt the general concept of the CBD as bounded within the peripheral drive. That the Commission vote on this recommendation within the next 30 days.

2—That a means be explored to have all non-conforming properties within the CBD area (about 41) be put to its best C-2 use.

3—That the proposed SE Quadrant Urban Renewal Plan be rejected. That a comprehensive study, namely a marketability study be done for the entire CBD area within the peripheral drive including abutting property.

4—A step by step method of capital improvement be carried out so that when the ultimate CBD plan is accomplished, there will have been capital improvements ahead of the actual need. Establish a priority list and time-table for completion.

5—The creation of a Plymouth Parking Authority.

6—The establishment of a one-way traffic patterns as recommended by the City Planning Commission but on an experimental basis. The Chamber suggests that a traffic expert be consulted.

The Chamber went on to recommend that businesses in the CBD area form a non-profit Downtown Business Corporation. A complete study and its effectiveness should be completed by a special task force before its formation.

It also recommended that the Downtown Businessmen establish uniform store hours in competition with other nearby communities and shopping centers. Pursell indicated that meetings are now under-

Teacher Negotiations Far Apart

(Continued from Page 1) The teacher's Association proposal ranged from an increase of \$400 at the lowest level of the schedule to more than 29 per cent over the present 10 year maximum of \$8,525 per year.

The administration bargaining countered with a proposal that included an across-the-board five percent increase with the addition of five professional days to the present 188 day school year.

Their proposal, which was refused by PEA negotiators, ranged from \$5,704.13 to start to \$9,175.03 at the 10-year level with a M.A. degree plus 30 hours. It progressed to \$10,708.65 maximum after 12 years with the same degree requirements.

It provided for payment of \$10 an hour per year up to a maximum of 20 hours for each hour of college or university graduate credit earned beyond 10 hours.

Teachers with master's degrees would earn the same amount per hour of credit up to a maximum of 30.

The administration proposal would have provided for increased insurance payments from the present level of 50 percent to 70 percent.

In the statement given to board members and the press, Superintendent Isbister noted: "Many strong points of disagreement were resolved on a give and take basis and for the most part the master contract for 1966-67 has been negotiated."

"Your team took the position that teachers were entitled to and should receive a cost of living increase commensurate with the rising costs in Metropolitan Detroit. This was established at a five percent level to include an increase from 50 percent to 70 percent of the Blue Cross Hospital-Surgical Insurance subsidy. Later the insurance subsidy was offered outside the five percent cost of living.

"From that point on your team took the position that added dollars to teachers would come from added days of professional service over and above the 188 days in the 1965-66 school calendar. With these guidelines the attached schedule based on 193 days of professional service was developed and offered at the bargaining table. It was rejected by the other (PEA) team.

"The proposed salary schedule of the Plymouth Education Association offered at the bargaining table is attached. It is based on the 188 days of professional service. This schedule was rejected by your negotiating team."

The two teams are expected to continue negotiations sessions on a regular basis, unless

Mrs. Kaiser Is President of Historical Club

Mrs. William Kaiser was elected president of the Plymouth Historical Society at the 19th annual meeting in the Credit Union building.

Other officers are: Mrs. Louis Norman, first vice president; Frank Henderson, second vice president; Sidney Strong, third vice president; Mrs. Romeo Wood, corresponding secretary; Mrs. Claude Gebhart, recording secretary; and Mrs. Herald Hamill, treasurer.

Board members are: Harry Brown, Harold Jolliffe and Maurice Woodworth with Mrs. Hamill as historian, Karl Starkweather, biographer; Mr. and Mrs. George Burr, curators; Laverne Sly, assistant curator; and Grace Stowe, flower and memorial chairman.

More than 60 attended the meeting including a pre-teenager, Jill Bassett, and Clarence Stevens, who is nearing his 101st birthday.

School Board Winners

(Continued from Page 1) The three winners bring impressive educational credentials to the post.

Moehle's degrees include a B.S. in mechanical engineering from Northwestern University, and a M.B.A. from Wayne State University in management.

Tripp holds a B.A. in industrial relations from the University of Detroit and a M.B.A. from Wayne State University in management.

Scott was graduated from the Detroit Institute of Technology with a B.S. degree in chemical engineering and holds a M.S. in chemistry from the University of Detroit.

Both Tripp and Moehle have vocational backgrounds that tie in closely with the problems that confront the school district in the years ahead.

Moehle's field is construction supervision and cost control. The Plymouth District is faced with construction of seven new schools in the next six years, including a new high school.

Tripp has extensive industrial relations experience, useful in negotiations with teacher and other school personnel representative groups.

The election tabulation by precincts appears below:

Thousands to See June 18 Exhibition

Army Sky-Divers To Perform Twice

One of the largest crowds ever to assemble for a shopping center promotion is expected to watch a U.S. Army sky-diving exhibition June 18, at Wonderland.

The demonstration, one of 22 to be staged in the nation this year, is presented in conjunction with Livonia Boy Scout Day.

From a height of 13,500 feet (almost seven miles) nine members of the "Golden Knights" parachute team

will aim for a 100-square-foot target area in the large field adjacent to Wonderland.

Flown to Livonia by the 403rd Troop Carrier Wing of the Michigan Air Force Reserve, the chutists will "free-fall" to an altitude of 2,500 feet before opening their parachutes. They will leave the aircraft, a giant C-119 troop carrier, in teams of two, three and four.

During the "free-fall," the

chutists will perform a series of acrobatic maneuvers high over the center.

Two performances will be presented; one at 11 a.m. and another at 3 p.m.

Following the first exhibition, all of the chutists will be hustled to Selfridge Air Base where they'll prepare for the 3 o'clock jump.

All members will be introduced to the audience at the conclusion of each performance. An Army spokesman will

narrate the entire jump procedure and, conditions permitting, spectators will be able to hear radio transmissions between the place crew and ground observers.

Local and state government officials, along with U.S. Army staff members, are expected to watch the shows.

Mike Reamer set a Wayne State University school record in the three-mile run at the Drake Relays with a time of

Three Earn 18 Grads Added to Auxiliary Policemen Law Degrees

Three Redford area students, awarded law degrees at Wayne State University's spring commencement June 9, at Cobo Hall, were:

John Stanley Ecclestone II, J.D., 16905 Hubbell, a 1963 B.A. graduate of the University of Michigan.

James Nelson Fanzini, J.D., 19429 Blackstone, a B.S. graduate of Wayne State University.

W. A. "Webb" Cooper, Director of Civil Defense, presented the Livonia Auxiliary Police graduates with their certificates and badges at their graduation in the Livonia Police station.

He was assisted by Harrison M. Mercer, Assistant Deputy Director; Francis Davey, Chief of Auxiliary Police and Vernon DeBusk, Auxiliary Police Captain.

Joel F. LaBo, Director of Public Safety was the graduation speaker. He congratulated the class for its efforts and interest in receiving this training and also praised the Auxiliary Police as a whole for their fine assistance to the regular Police Department.

William Hirzel. Others were John Irvine, Ronald Kremkow, Jean-Pierre Monari, Stephen Perkins, Lowell Slater, Henry Stauffenberg, George Trout, Herman Tate.

This graduating class brings the total of Auxiliary Police to 115 including nine policemen. Training of Auxiliary Police is constant and another class is currently in session.

Co-captains of Wayne State University's 1966 crew team are Warren Appleton and Bob Dinneweth, both senior lettermen.

Observer Honors Prep Stars in Baseball and Track

Name Pilar 'Player of Year'

Introducing the 1966 Observer Newspaper All-Area high school baseball team. It comes as no surprise that the selections — three pitchers, a catcher, four infielders and three outfielders — are headed by Thurston high which placed three players on the Dream Team.

Thurston emerged as the area's baseball powerhouse. The Townshippers won 18 while losing two.

They reigned as champs of the Northwest Suburban League with a 9-1 record and capped their campaign by rolling home as titlists in the Greater Livonia-Les

Anders Memorial Invitational tournament. Picked off Thurston's great team are Pitcher Vic Pilar, one and allowing only two Shortstop Bob Holmes and Outfielder Reg Barringer. Pilar also has been crowned as the Area's "Player of the Year" for his brilliance in winning nine while losing only one and allowing only two earned runs in 70 1/3 innings of pitching.

The senior southpaw was drafted by the Detroit Tigers last week and either will sign a bonus contract with the Detroit club or enroll at Michigan State University in the fall.

Garden City East and John Glenn each earned two spots on this year's All-Area team while the remaining selections came from Garden City West, Franklin, Farmington and Bentley which each produced one all-star.

Here's a player-by-player list of stars:

PITCHERS

VIC PILAR, Thurston: A three-year standout at Thurston. Pitches left-handed. Won nine, lost one this past season. Hurling total of 70 1/3 innings, allowed only two earned runs and 24 hits. Totalled 121 strikeouts for the season, almost two per inning. Scored three victories in the Anders Invitational tournament and got the final out for Thurston with the tying and winning runs aboard in the team's other tourney victory. In the meet, Pilar fanned 40 batters. Also a better-than-average hitter for a pitcher, clubbing the ball at a .270 clip. Rapped a grand-slam home to gain one victory for Thurston. Drafted by Detroit Tigers.

NELSON ELLISON, John Glenn: Chalked up seven victories while losing only once during the 1966 season. Fashioned an earned run average of 2.61. Struck out almost one man in every inning he pitched. When not on the mound, Ellison played first base. Finished the season with a .298 average. Had strong arm, good fielder.

LARRY RUSZAS, Franklin: Pitched far better than his three wins-five losses record would indicate. Fashioned a 0.84 earned run average, one of the best in the state by a prep pitcher. Inability of his mates to get a few hits for him cost him a chance for a better record. As a junior in 1965, Ruszas chalked up five victories without a setback. Landed on league's all-star team as junior and senior.

CATCHER

MIKE SNEARLY, Farmington: A solid performer behind the plate who wound up the season with a .405 batting average. Clubbed in 13 runs to lead his team in RBI department. His clouts included two triples and three dou-

RECORD HOLDER: Ron Shortt of Farmington high, the first Michigan schoolboy to vault over 14 feet, has been named "track athlete of the year" by the Observer Newspapers. Shortt won the state Class A title with a record of 14 feet, 5 inches.

Mile relay	Thurston (Jerry Butlin, Dick Touchette, Tom Adamson and Larry Grimm.)	

Shortt Rated 'Finest Among The Finest'

It's with great pride, the Observer Newspapers present their 1966 All-Area High School track team. Two of the '66 selections are automatic — Pole Vault Ron Shortt of Farmington and quarter-miler Steve Duhe of North Farmington.

Each emerged as a state Class A champion in his respective event.

Shortt in addition, has been crowned as the Area's "No. 1 track athlete of the year."

That's because the Farmington senior not only won the state crown, but he also became a Michigan's first schoolboy to vault over 14 feet.

He first achieved the "break-through" when he vaulted 14 feet, three inches in the Central State relay Carnival. Eight times thereafter Shortt shot off 14 feet, hitting his high point of 14 feet 5 inches, when he set a new meet win over Case Tech by winning the half-mile, mile and two-mile.

He had Ron started vaulting earlier and if he were in a part of the country where the weather is better in the early spring," he easily might have gone 15 feet as a schoolboy," says Farmington High Coach Doug Race.

Duhe, who was clocked in 49.3 in winning the state meet, landed on two spots on the Observer's All-Area team. He's also the 220-yard selection, thanks to his brilliant time of 21.7 seconds.

Duhe might have made the team at 100 yards had he raced in the event more, but he did lead North Farmington's all-area 880-yard relay combine which also includes Bruce Whetter, Tom Ware and Larry August. They had a time of 1:30.8.

Thurston's Al Phillips and Ken Jackson of Bentley are two other "two eventers." Phillips headed the area in the high jump with an effort of 6 feet, two inches, and was tops in the long jump with a leap of 21 feet, 8 inches.

Jackson, unbeaten in dual meets all season and the Suburban Six League champ, was picked unanimously as the foremost high hurdler in the area and shared honors in the low hurdles with Thurston's Leonard Cyr.

Here are the other All-Area selections: 100-yard dash: Doug Thomas (Bentley). Shot Put: Frank Miller (Bentley). 880-yard run: Bob Grimm (Thurston). Mile run: Dan Ryan (Franklin).

Mile Relay: Thurston (Jerry Butlin, Dick Touchette, Tom Adamson and Larry Grimm.)

2 Top Drivers Resume Duel At Motor City

Don Nicholson, of Atlanta, one of the hardest men to catch on any of the nation's drag strips, will meet Arnie Beswick, the "Flying Farmer" from Morrison, Ill., in a best in three match race at Motor City Dragway Saturday night.

Nicholson will be at the wheel of a Mercury Caliente, a new prototype which boasts a tubular chassis with a fiber glass shell. Already, the creation has been voted "performance car of the year" by leading automotive publications.

Beswick is another title winner. He won his class in the World Series drag racing ever since the events were started in 1954. His biggest prize was at the Drag News Invitational at West Salem, O., in 1963 when he won A/FX and B/FX classes, FX eliminator and Mr. Stock Eliminator.

There will be competition in all classes with trials at 6 p.m. and racing underway at 8 p.m. Motor City Dragway is on 26 Mile Road, three miles east of Edsel Ford Freeway.

UMPS GOOF:

Redford Victor in Re-Play

It's not very often that an umpire is proven wrong. The men-in-blue have been known to miss 'em, but usually they wind up winning the argument.

Not so as far as Al Turner and his Redford Township Class A baseball team is concerned.

Turner insisted after his team lost to Livonia No. 1, 5-4, ten days ago that the umpires had goofed. The umpires stopped play after seven innings, despite Turner's pleas that all Sunday games in the Greater Livonia-Dearborn "A" circuit are supposed to go nine innings, weather permitting.

Loop officials upheld Turner's protest.

The game was replayed last Sunday evening at Livonia's Ford Field with Redford out-clubbing, 10-4. The winners made 14 hits to 13 for the losers.

Ron Hellier with eighth and ninth-inning relief help from Eric Peterson picked up the victory.

Jim Pobursky led the Redford assault with a homer, double and a single. He drove

BASEBALL STANDOUT: Pitcher Vic Pilar (right), outstanding diamond performer in the Observer area in 1966 with Emil Majeski, coach. Pilar posted a 9-1 record in leading Thurston high, won the Northwest League title and also the Les Anders Invitational tournament championship.

DETROIT RACE COURSE
SCHOOLCRAFT AT MIDDLEBELT

Observing SPORTS

By George Maskin

The thought forces a chill to run down our spine. Here we are wrapping up 35 years of covering the schoolboy sports scene in Greater Detroit and in Michigan. Three decades, plus five years!

It all began when as a kid in knickers we made the "long" trip of a mile and a half to cover Hutchins Intermediate against Sherrard Intermediate in — of all sports — soccer.

At the contest's conclusion we rode downtown in an item of the past — a street car — and wrote a paragraph which we slipped to the late Bud Shaver, then sports editor of the now deceased Detroit Times.

The next day . . . there it was . . . as gigantic a story as our typewriter has produced.

The whole article covered five lines of type and a single-line, 14-point headline: "Hutchins wins, 2-0."

But no article ever brought us a greater thrill as has any pay check topped the excitement produced by the first one The Times issued in our name for the vast sum of \$1.50.

For a kid in his early teens, a buck and a half really was something in the '30's.

In the days, the weeks, the years that have followed, the sports parade of preps never has ceased.

The competitors always have remained in the same age bracket . . . from 16-18 years . . . with a few minor exceptions.

Their hairdos have changed . . . how they've worn their clothes has undergone quite a shift, too.

Kids in high school didn't smoke as much then. And that went for the boys as well as the girls.

Most students walked to and from school. Very few drove their own cars.

We thought then that our school facilities were great. But really they couldn't carry a candle to what we have now in any of the communities serviced by the Observer Newspapers . . . or, for that matter any other district.

This is particularly true in the field of sports and physical education. In the '30's there were no high schools with a field-like, type gymnasium with seats for 1,000 or 3,000 for basketball.

Few schools had adjacent football stadiums — with lights. The school with the decent outdoor track was a rarity. A few had swimming pools.

As for the coaches in those days, we had some dandies. And the athletes were standouts, too.

But we dare say that none could match their successors of the '60's.

The coaches today are better prepared to handle their jobs. They have had to clear tougher obstacles in college to make it through to a degree.

The men, who presently lead our kids, have more coaching schools and more clinics at their disposal in order to sharpen their talents . . . in order to learn from the experts how better to perform their jobs.

As for the student athletes, the best measuring sticks come in track and in swimming where actual records of achievements are maintained.

Carry Man, Bonus Boy Top Wolverine Performances

Carry Man, a three-year-old Tar Heel colt who has never tasted defeat, and Bonus Boy, a three-year-old son of Florican, stole the show during the Grand Circuit week program at Wolverine Raceway.

Bonus Boy, winner of \$72,378 a year ago, clearly showed he will have to be considered one of the early contenders for this year's Hambletonian classic with an impressive victory in the \$24,680 Matron Stake.

Carry Man, who isn't eligible for any of the major three-year-old stakes, stretched his unbeaten string — all as a three — to six in a row with a neck victory over Song Cycle in the \$22,747 Matron Pace.

Floral Hanover, a two-year-old Star's Pride Filly, made it a wire to victory in the \$12,150 Tompkins Memorial Trot in 2:10.4.

The Ed Geers Memorial stake, with a value of \$11,357, was divided into two divisions due to the 15-horse entry with Billy Haughton winning the first heat and the trophy behind Berry Hill, a Shadow Wave two-year-old, in 2:06.4.

His clocking was a fifth of a second faster than that recorded by Blaze Pick, the two-year-old Gene Abbe colt who took the second division in 2:07 with Jack Williams Jr. in the sulky.

But it was the two Matron stakes that attracted the most interest, principally because each was an early season preview of the rich three-year-old classics scheduled later in the year.

Bonus Boy, handled by Del Cameron and owned by Mr. and Mrs. Morris Gastwirth of New Hope, Pa., was held in the third spot most of the first three-quarters while Polaris, driven by George Sholty, and Carlisle, piloted by Haughton, staged a neck and neck duel for the lead.

Polaris set a sizzling pace for the first half and then was challenged by Carlisle on the backstretch when Haughton took his colt to the outside and had just moved to the lead when he broke stride and was out of it.

Polaris trotted back into the lead with Bonus Boy coming up fast on the outside, going around the final turn. Bonus Boy was five lengths back in second place at the head of the stretch.

Then the colt really showed his speed. Cameron let him go and he had two lengths midway through the stretch and hit the wire a length and a half in front of Polaris who had seven and a half lengths on third place Careless Vlado in the time of 2:07, on a good track.

It was his second victory in three 1966 starts and boosted his season earnings past the \$15,000 mark.

Carry Man's sixth victory wasn't quite as easy as the five previous ones at Santa Anita and Washington Park in Chicago. The colt never got to the races until this year for Owners Robert Mann of Elkhorn, Wisc. and Wayne and John Carey of Mineral Point, Wisc.

Chris Time, with George Sholty at the reins, and Silent Byrd, guided by Murel Walters, fought for the lead throughout the first half with Chris Time on top in 1:02 after a .30.1 first quarter.

That's when Driver Phil Corley decided this thing has gone far enough and sent Carlisle to the outside.

ry Man to the outside and into the lead. He stayed there for the remainder of the mile.

Carry Man had a half-length on Chris Time at the three-quarter pole with Song Cycle third. He was still a half-length in front turning into the stretch where Chris Time wilted under the pressure and Song Cycle and Meadow Lenco came up to challenge Carry Man.

Song Cycle, who won a heat of the Motor City Pace a week earlier and paid \$17,540, was a sentimental favorite of area fans. He had been sold over the weekend for a reported \$35,000 to the Varnado Stable of Chicago but most of those in the crowd were rooting for him to catch Carry Man.

As it was, he missed by a long head of taking it all. Carry Man just did hold on in the closing strides to win in 2:03.1. Song Cycle was second and Meadow Lenco came on fast to take third money.

Observing Sports

(Continued from Page 2C.)

Every year sees new marks being set. All of which has to prove that the calibre of athlete keeps on improving.

If it's true in swimming and track, it has to be the same in football, basketball and baseball. That of geometric expression hasn't changed: "Things equal to the same thing are equal to each other."

Another thing we know is that college coaches of Michigan and elsewhere are in agreement that our state preps never have been so brilliant in sports.

Talk to Duffy Daugherty or Bump Elliott in football . . . or Dave Straack and Bob Calihan in basketball . . . or Mobey Benedict or even the Tigers in baseball. . . . All simply rave about the excellence of the schoolboy sports performer in the Wolverine state.

This is reflected in the numbers who have gone on to All America fame in college . . . and later to stardom in the professional ranks.

Just consider some of the homegrown products who have made it big in football . . . Earl Morrill, Ron Kramer, Terry Barr, Gary Lowe, Norm Masters, Jim Ninowski, etc.

In basketball, there's Dave DeBusschere and Chet Walker with Cazzie Russell a cinch to follow suit.

Hall of famers Charlie Gehring and Hal Newhouse came off Michigan prep diamonds . . . So did Ray Herbert, Bill Pierce, Tom Tresh, Bill Freehan, Reno Bertoia, Ted Gray, and a flock of others.

Just last week, the Tigers made a Detroit schoolboy their No. 1 draft pick and followed up by bagging Vic Pilar from Thurston and Ron Goulet, a star last year at Garden City East.

Michigan high schools have produced Olympic stars in swimming and track . . . its champions in tennis and golf. One of them — Farmington's Rex Cawley.

It's inevitable as time goes on, the number of standouts will improve and with it the overall standard of play. These 35 years have furnished for us an endless number of thrills. We're rather hoping that we'll be around for 35 years.

Sticking close to the schoolboy sports scene helps to keep one young . . . at least in mind and spirits. If you don't think so . . . try it.

STARTS IN HIGH:

Farmington Sweeps Legion Twin Bill

Farmington's American Legion Junior Baseball team is off-and-running—in its quest for honors in the 18th District League.

An array of talent from players, past and present, from Farmington, North Farmington and Our Lady of Sorrows highs makes up the Farmington entry under the management of Wally Christiansen.

In their 1966 debut last Sunday, the Farmington proteges scored a double sweep against Southfield by score of 5-4 and 2-1.

North Farmington high's Chuck Viane not only was the winning pitcher in the opener, but he also scored the deciding run in the last of the seventh inning.

With the score tied at 4-4 after Southfield had rallied with three runs in the top of the seventh, Viane slapped a double. He took third when pinch-hitter Fritz Simons beat out an infield hit.

Here Southfield changed pitchers and the reliever promptly delivered a wild pitch on which Viane home with the game-ending run.

Viane gave up six hits and escaped trouble until the seventh when Southfield broke loose to tie the game.

Earlier Farmington had scored three times in the fourth on walks to Jerry Tinkle and Wayne Johnston, a single by Viane, a fielder's choice by Tom Webster and a

two-run single by Mike Sneath.

Rich Krumm, an Eastern Michigan University freshman who now makes his home in Farmington after starring in high school at Berkley, pitched a two-hitter against Southfield in the nightcap.

He fanned 14 batters and was touched for the one Southfield run in the fifth on a double, a walk and double steal.

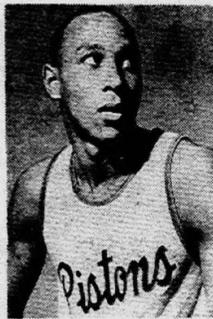

Farmington counted once in the fourth when Wayne Johnston singled, stole second and scored on a single by Sneath.

The winning run again came in the last of the seventh. This time Chris Norton tripled and scored when Miles Kearney, a former Sorrows star who now attends Michigan State, singled.

Farmington entertained Walled Lake this Wednesday evening and Berkley Friday with both games at 6 p.m. at Sorrows field.

On Sunday, Farmington goes to Waterford for a doubleheader before returning home next Wednesday against Milford and then entertaining Clarkston on the following Friday evening.

IN FOLD: Dave Bing of Syracuse University, the Detroit Pistons No. 1 draft choice, has signed his 1966-67 professional contract. Bing gained All America acclaim during the past season as he ranked among the nation's top scoring players. He'll move his wife and two children to Detroit on Aug. 1 after finishing his work toward a degree in economics at Syracuse.

Don Tobias to Boss Alma Student Center

ALMA — Don Tobias, an Alma College junior from Livonia, has been named business manager at Tyler Student Center on the college campus for the 1966-67 academic year.

A graduate of Bentley High School, he is the son of Mr. and Mrs. Donald J. Tobias of 9317 Montana in Livonia.

Warning Issued To Preps During Summer Season

A warning has gone out to all non-graduating high school athletes in Michigan: "Guard your eligibility during the summer months."

The preps are reminded that they may participate on baseball and other teams while the schools are closed for vacation. But the preps under no consideration may accept a reward which will violate the State Association's amateur practices code.

If, for his services on a team or in a golf or tennis match, a schoolboy takes money or any gift other than a trophy or the like worth more than \$3 he stands to be suspended from school sports next fall.

State Director Charles E. Forsythe says the rulings don't bar a schoolboy from working as a caddy or at a recreation facility as a life guard, etc.

"But you can't receive pay for direct sports competition and still be eligible to play in a prep event next year," Forsythe declared.

Forsythe also urged all non-graduating preps who engage in sports play this summer to check with their coaches before they accept any type of gift either during or after the

season. "If your coach or athletic director isn't around, call us in Lansing," said Forsythe. "Somebody will be in our office all summer to provide an answer."

"Just in case you can't locate anybody, play it safe . . . by telling the would-be gift giver that you're sorry . . . that you'll have to say no to taking the prize until you have checked with your coach."

Forsythe noted that there have been instances where a boy was discovered to have received an illegal reward after the football season begun and his team was forced to forfeit several games and even a championship.

The State Director also encouraged all adults who sponsor summer sports to take time to check with this office before giving any awards to schoolboys—be they in grade school, junior high or high school.

"Many adults think they are being nice to give awards," added Forsythe. "What they don't realize sometimes is that they are jeopardizing a boy's career . . . and even an entire school."

Such items as golf clubs, baseball jackets, bats, gloves and even fishing poles are listed as "illegal" under the state rules.

Tigers Pick Area Aces In Draft

The Detroit Tigers this past week drafted two of the area's finest, young baseball players.

Their selections included Vic Pilar of Thurston high, a pitcher, and Ron Goulet, a third baseman, who starred last season at Garden City East High and attended Flint Junior College during 1965-66.

It's understood the Tigers will make their bid to land Pilar, who won nine and lost one at Thurston this year, as soon as he's graduated this week from high school.

Reports are that Pilar will turn professional at this time only if presented a worthwhile bonus. Otherwise he'll attend Michigan State University.

In the meantime, both Pilar and Goulet are playing in Detroit's strong Class L league.

Three-Way Tie In Women's Golf Matches

A three-way tie marked the championship flight of the Livonia Department of Parks and Recreation Women's Golf League at Idyl Wyld golf course.

Theresa Courtney, Madeline Denbo and Grace Stalling fired low nets of 40 to gain the tie. Mrs. Courtney won the draw for the flight prize.

Other flight winners were: Class A—Kay Leslie, 37; Class B—Darlene Gaymer, 33; Class C—Joan Hatfield, 34; and Class D—Adeline Spiker, 29.

Madeline Denbo had one of the prize shots of the day when she holed out with a long chip shot on No. 2.

bles. Few rivals took advantage of Sneath's arm. In one game against Pontiac Northern, he tossed out four men in a row trying to steal second base.

FIRST BASE
JOE HUBER, Garden City East: He could do everything on the East team which wound up sharing the championship in the Mid-Wayne League. Besides starting at first base, he also was a standout pitcher and was used in the outfield. Could catch in a jam. Hit at a .355 clip during the league season, collecting 11 hits in 31 times at bat.

SECOND BASE
DON SAYLOR, Garden City East: Acclaimed by his coach, John Kulazenska, as "the finest fielding infielder I have seen on the high school diamonds in a long time. Don had his hand in the making of 14 double plays. Batted .305 for the season, made the all league team. Praised by his coach for "the excellent leadership" Saylor provided East. Also a very able punter.

SHORTSTOP
BOB HOLMES, Thurston: A junior who led his team in hitting with a .375 mark. Rapped out 23 hits, including two triples and four doubles. Gathered in nine walks as Thurston's lead-off man. Paced team in stolen bases. All around standout on defense with his fielding and throwing. Tabbed by several major league scouts as "a very excellent professional prospect."

THIRD BASE
ED RYAN, Bentley: Another junior who made it big on the prep diamond. Hit the ball at a .333 clip with nine runs batted in. Had three doubles and a single. Made only three errors all season. Possesses excellent arm. Very adept at scooping up bunt attempts and getting his man at first base.

OUTFIELDERS
PAUL SANTANGELO, Thurston: Acclaimed on all Northwest League team after hitting .351. Batted in 12 runs with 21 hits. Extra-base production included a homer and four doubles. Steady fielder who didn't commit a miscue all season. Boasts a strong arm. Made the all-league team as a halfback last fall in football.

TOM STAFFORD, John Glenn: Powerful hitter he fashioned a .352 mark during the 1966 season. Knocked in 12 runs with his 19 hits. Smooth fielder who showed a strong arm to keep opposing runners from running too much. A major reason in best season Glenn has posted in his young, baseball history.

BO ARDELL, Garden City West: The big man with the bat and the big man on the mound for Ardell. So versatile was Ardell. Compiled a .466 average by collecting 34 hits in 73 trips to the plate. Poked home 17 runs. His swats included a grand-slam homer and five triples.

Garage Liner Ends That Unsightly Look

If, when you open your garage door, you're greeted by a pile of assorted odds and ends, you've got a problem shared by numerous other home owners.

Most people take great pride in the neatness of their homes, both inside and outside. But the attractive appearance is often marred by the clutter inside their garages.

Since most garages face the street, the clutter is the first thing your neighbors notice when you open the garage door. Many garages are so crowded there's no room for the car.

The problem is caused by the fact that the garage is used for storing many things besides the car. Unless provision is made for them, they monopolize the floor space.

The solution is to remove as many items as possible from the floor and utilize the wasted space on the walls.

A good way to do this, and beautify the inside of the garage at the same time, is with pre-finished garage liner of perforated hardboard.

The hardboard used for garage liner is specially designed for rugged outdoor use.

When equipped with heavy-duty fittings and brackets, the liner is ideal for hanging ladders, lawn mowers, lawn furniture, garden tools, hoses, tires and all the other heavy equipment normally found in garages.

The perforated hardboard will also accept brackets to support shelves, which can be used for storing paints and other small items.

Since all the fittings are interchangeable, the liner is completely flexible.

The liner will also give your garage an attractive "finished" look.

It can be obtained from building supply dealers in pre-finished form for installation "as is," or in unfinished form, ready to paint.

Soil Is Vital Resource Of Farms, Gardens

UNIVERSITY PARK, Pa.—Soil, deep, fertile and well-drained is needed for profitable farming and productive gardens.

Flowing water following rains carries away soil, forming ditches in fields and garden plots. At homesites, even when you start with good soil, bulldozers push it ruthlessly aside, or bury it deeply under construction debris.

Regardless of what you have or started with, you can do much to improve soil fertility. Add ground limestone as a conditioner. Increase water-holding capacity by mixing in organic materials.

Keep sloping land in sod to prevent soil erosion. Feed your crops commercial fertilizers. In late summer, plant green manure crops, like domestic ryegrass, for winter cover.

Follow these practices a few years and you'll get rich, friable soil in fields and gardens. To teach you more about soil care, The Pennsylvania State University offers a correspondence course called Soil Fertility and Management. The entire course will be sent by mail.

Feminine Track Stars At Franklin

Area sports fans will have an opportunity to see many of the top feminine track stars of Michigan and the midwest in competition on Saturday, June 25, when the Mic Mac A.C. Sponsors a Michigan AAU sanctioned meet at Franklin High.

Highlighting the affair will be the appearance of Louise Gerrish, a member of the June graduating class of Franklin, who is one of the nation's outstanding javelin throwers in the junior division.

Competition will range from 9 and under to the open division which has a minimum age of 14.

The meet is open only to AAU members. Entries must be postmarked no later than June 15 and must be in the hands of Meet Directors Art Ketelhut, 29594 Maplewood, Garden City.

There is an entry fee of 35 cents per event with a limit of three events for a fee of \$1.

True Yellow In Petunias

If you've been disappointed with yellow petunias being a pale ivory rather than a true yellow, you will be pleased with the new Sunburst petunia.

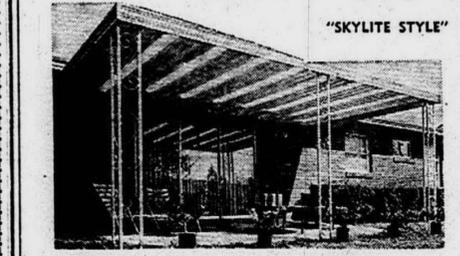

Introduced by George J. Ball, Inc. and Pan-American Seed Co., the Flybrid grandiflora, is a light but true yellow.

The floriferous plant of upright habit ranges between 14-17" tall. Like most petunias, the lily shaped, lightly fringed flowers prefer full sun.

Massing Sunburst petunias and another Ball introduction, Orange Glow geraniums, creates a colorful and complementary flower bed.

Flowers on the Orange Glow geranium are large, semidouble and of a salmon-scarlet color.

Tips on Ways To Control Kitchen Pests

Been bothered by the kitchen pests lately? They're the insects and mites that infest your cereals, spices, and dog food.

Of these pests, probably the cockroaches are hardest to control, according to Extension specialists at Michigan State University. They are found in basements and bathrooms as well as kitchens where they feed on a wide variety of foods.

These include meats, cheese, in addition to cereals. They are most active at night and run away from light. Cockroaches also give off an offensive odor and are suspected of being disease carriers.

Since cockroaches live best in dirt and moisture, the best method of controlling them is to keep your kitchen immaculately clean and free of dampness. Eliminate all cracks behind baseboards by caulking them with plastic wood or putty or other suitable materials.

If cleanliness isn't sufficient for keeping the cockroaches out, use chlordane, dieldrin, or diazinon, to dust the places where they hide or have their runways.

A new household insect control publication of the Cooperative Extension Service at Michigan State University gives detailed information about insect control and using insecticides.

The bulletin is titled "Kitchen Pests," (528) and lists control measures for beetles, mites, moths, silverfish, and book lice in addition to cockroaches. Copies of this bulletin are available at your county extension office.

Gehrke Sees More Money For Homes

Prospective home buyers, presently unable to get home mortgages due to the tight money market, were given reason for optimism by Hans Gehrke, president of First Federal Savings of Detroit, in recently made statements.

Speaking before the United Northwestern Realty Association — Western Wayne-Oakland County Board of Realtors Gehrke said "I personally feel the majority of Savings and Loan Associations will be back in the home mortgage market by this summer."

Gehrke, addressing the Realtor group on "The Mortgage Market," reviewed the reasons for the present tight money market.

He explained that income after taxes is up, with people consequently spending more and saving less. Money is thus diverted from savings institutions.

Money is a commodity and there is more demand for it than credit can supply," he said. "The result is that savings and loan associations, in an effort to keep a balance between their savings and loans ratio, had to pull out of the home mortgage market."

balance seems to be coming about," he said. Gehrke concluded that he foresees no liberalization in rates or terms of credit, but that he expects them to hold at the present level.

"But Savings and Loan Associations are doing all in their power to get back into the home mortgage field, and a

Home Heat Plant Requires Check-up

With warmer weather coming your heating plant deserves more than just a good rest—it should receive a thorough inspection and needed maintenance, as well.

Many plants now need attention ranging from cleaning and adjustment to overhaul or replacement. This is the best time to make arrangements with a qualified heating contractor for such a checkup.

By calling for inspection now, you will be included on the contractor's spring service schedule. This means that he will reserve time to work on your plant soon and have ample time to order repair parts, if needed.

Cleaning the heating plant is particularly important—a boiler can be efficient only when it is free of dirt. A layer of soot on the boiler tubes creates an undesirable insulating effect.

Also, the boiler should be cleaned soon to prevent corrosion from hot weather condensation and soot. Included in your spring heating checkup will be an inspection of the controls, including thermostats and safety devices.

At the same time, the contractor will check piping, radiators or baseboards, and determine the overall efficiency of the system.

While some heating plants may need only a thorough cleaning and minor adjustment, others may need major repairs in order to assure safety, fuel economy and proper heat distribution for next winter.

Now is the time to find out what is needed. Your heating contractor will check your heating plant, repair it, and arrange a financing plan for the improvements.

Homeowners can carry President Johnson's "Beautiful America" campaign indoors with the aid of the U.S. Department of Agriculture.

The Department is offering beginners a useful new booklet entitled "Indoor Gardening."

It illustrates several attractive indoor planters, offers tips on what plants will grow well indoors and advises that all plants for interior beautification be kept in clay pots, under suitable lighting arrangements.

Flowers Have Good Ear For Fine Music

Does music have any effect on plant growth?

A botany professor in India grows plants in the sound of quaint Indian melodies and he says the results are noticeable. At San Quentin Prison, Hal Ramsey, instructor in horticulture, had inmates wire greenhouses with night-long music to better chrysanthemum growth.

Officials of the 32nd annual California Spring Garden Show compared results at the prison with growth of greenhouse mums at San Francisco City College without music.

The prison music-grown plants averaged six inches taller and had more color. A farmer who wired his corn fields to music reported an improved field.

The corn, you might say, had a good ear for music.

U of D Slates Summer Season With Drama and Music

Three plays and two musicals will highlight the seventh summer season of the University of Detroit Theatre Memorial Building. "Converting the 8,500-seat arena into an 'intimate' theatre is our big problem," says the Rev. James Caine, S.J., chairman of the U. of D. theatre faculty. "Bert Ronke, our designer, and Alan Jorgensen, the director, have a solution which, I think, satisfy our patrons."

The schedule includes: "Dark of the Moon," a folk musical by Howard Richardson and William Berney, opening Thursday, July 7. "Oh Dad, Poor Dad,"

Mama's Hung You in the Closet and I'm Feelin' So Sad," the Arthur Kopit theatre of the absurd play, reopening Saturday, July 9. It ran for a successful three week engagement at U. of D. last Fall.

"Don Juan in Hell," the G. B. Shaw middle act of "Man and Superman," opening Friday, July 15.

Plays will be performed on a varied schedule Wednesdays through Sundays. Tuesday evening will be concert night. The Cantata Academy will present vocal arrangements from pre-Renaissance through Elizabethan periods on July 12 and 26.

The Rosemarie Floyd School of Ballet and the Jeanne Marie Noso School of Music will offer a joint program July 19. All performances begin at 8:30 p.m. Tickets are on sale at the U. of D. Memorial Building box office. There are special reduced price season tickets covering all five events.

"Dark of the Moon" tells of the love of a witch boy for a lass of the hills, Barbara Allen. Songs, square dances, a revival meeting and other folk activities are woven into a plot embellished with rural humor provided by a collection of characters which director Alan Jorgensen says are "as fresh and spirited, as the juice they brew in their stills."

The production will be staged on a multi-level unit set which doubles for interiors and exteriors, a church, a porch and a boardwalk. While the U. of D. productions draw actors for on and off the campus, from alumni and students, the "Don Juan in Hell" show is all professional actor, and Betty Wright. "Don Juan in Hell" was written by Shaw as an act of "Man and Superman." Because of its length it is usually presented as a separate play. No scenery is used and the actors perform from stools with scripts before them on music stands.

The Kopit play, "Oh Dad, Poor Dad, etc.," was a sell-out attraction on last Fall's schedule at U. of D. Alice Broder appears as the possessive mother; Chris Bury is her son; Chris Fox, his girl friend; and Lee Slazinski, the Commodore.

The cast also includes a group of bell hops referred to as "Alan Jorgensen's Ballet Company" since he uses them as sort of a visual Greek chorus throughout the play. The large wall-to-wall curtain used for the Town and Gown performances will cut off one third of the arena for various exhibits and art shows continuing throughout the month in another portion of the lobby. A sidewalk cafe will be installed in the front lobby.

Can Enroll in CYO Program

Applications can be secured now for the CYO Camp for Boys on the shores of Lake Huron. Limited opportunities to enroll are available to boys who act now. They can enjoy two weeks of ideal camp life, with the added dimension of spiritual refreshment too. The camp has a resident chaplain and the boys have an opportunity to attend daily Mass and receive the sacraments.

Eligible for enrollment in the camp are boys from eight and a half years of age through 13. The fee is \$60 for a two-week period including transportation and insurance. Registration is limited to one period. Camp Department, Archdiocese of Detroit, 9th floor, Gabriel Richard Building, 305 Michigan Avenue, 48226. Call 963-7172.

Top Teens Coming To Olympia

Two of England's top teen singing groups, Herman's Hermits and The Animals, have signed to appear at Olympia Stadium July 28.

The groups are making a joint tour of the country, hitting 32 cities in a little better than a month and a half.

This will mark the first Detroit appearance for The Animals, who skyrocketed to fame in 1964 with their hit record, "House of the Rising Sun," currently have one of the best-selling albums in the United States in "The Best of the Animals."

Making the tour with The Animals is Barry Jenkins, 22-year-old drummer who three months ago replaced John Steel. Steel dropped out of the group after his marriage.

Other members of The Animals are vocalist Eric Burdon, lead guitarist Hilton Valentine, organist Dave Rowberry and bass guitarist Chas Chandler.

For the Hermits, this will be their first trip into Detroit since the release of their latest movie, "Hold On." Their album from the movie is on the best seller list as is one of the songs from the album, "Leaning on the Lamp Post."

The youthful Hermits have several American television appearances and two movies to their credit. Led by 18-year-old Peter Noone as "Herman," vocalist, the Hermits have Karl Green, Keith Hopwood and Derek Leckenby on guitars and Barry Whitman on drums.

Tickets for the show, at 8 p.m., are now on sale at Olympia. The box office is open from 10 a.m. to 6 p.m. Monday thru Friday.

Youth Chorale To Present Final Concert Before Tour

The 1966 Michigan Youth Chorale will present its last concert prior to leaving on a South American Tour, at Southfield Senior High School, Sunday, June 19 beginning at 2 p.m.

Made up of 59 young people representing 32 different high schools in lower Michigan, the Chorale includes among its number Karen Upton, a student at Plymouth High School.

Mr. and Mrs. Charles Fensch of 29799 Linden, Farmington, are members of the Chorale's staff. The group practices weekly in Ann Arbor under the direction of Robert Pratt, chairman of the Vocal Music Department at Ann Arbor High School.

The Chorale is part of the Youth for Understanding Teenage Exchange Program headquartered in Ann Arbor. The group interprets America to the people of other countries through music and it is a program designed to develop understanding friendship between countries using one of the oldest arts in the world.

It gives talented musicians an opportunity to sing with an excellent ensemble, gaining valuable training and experience. It focuses attention on American composers and the quality of performance for which our public school music programs prepare young people.

This summer the group will sing in Brazil, Chile and Uruguay during their eight week tour. Their repertoire includes Negro spirituals, classical numbers, contemporary choral works, American folk songs, and selections from musical comedies. Concerts will be given in opera houses, concert halls, city parks, churches, schools, factories, and radio and TV stations.

Art Competition Open To Youngsters in Area

The Central Business District Association today announced the beginning of an annual "Children's Art Competition." Entries will be accepted during the period of June 15 through July 15. The prime reason of introducing the program is to stimulate the imaginations of children even further into the world of art. So many world art educators today firmly believe that a child's search for self-affirmation lies through this culture. And—CBDA is interested in the concept and hopes to encourage wide participation and interest!

This competition is offered to children between the ages of five and 10 years, and the size of the art entries cannot exceed 18 by 24 inches in proportion and should be mounted on cardboard. A choice of Crayon, Paint, and or Collage will be accepted—and the theme of "Love"—whether it be love of a bird, tree, flower, the sky, friends, a pet, or Mom and Dad, must be used in the official entry. The child's name, age, address, phone number, and school must be printed on the back of the entry.

Entries can be deposited at the CBDA office, 227 Penobscot Building; at The J. L. Hudson Company (Children's Department 4th floor)—downtown store only; Grinnell Brothers downtown store (Main Lobby); and at the Detroit Bank & Trust Company, downtown at Fort & Washington (Main Lobby).

American Drama Festival Announces 1966 Schedule

The American Drama Festival summer theater season opens on Friday, July 1, at Greenfield Village with night-time performances, except Sunday, through Sept. 10.

"The Scarecrow," by Percy MacKaye, will be the opening production. It's a comic fantasy with its basis in American history in the year 1890. The story was suggested by Nathaniel Hawthorne's "Feathertop," published originally in 1852. This play was first produced in Cambridge, Mass., on Dec. 7, 1909.

"Shenandoah" will be the second production and opens on July 11. Written by Bronson Howard, a native of Detroit, and one-time drama

critic for one of the daily papers. "Shenandoah" includes a heart-tearing romance of a gallant Union officer and a glamorous southern spy. A comic satire helps to stir the excitement of the production.

"Our American Cousin," produced by the Henry Ford Museum and Greenfield Village during the 1964 Drama Festival, will hit the stage on July 25. Known as Abraham Lincoln's favorite comedy, it is the play he was watching at Ford's theater in Washington when assassinated by John Wilkes Booth.

America's great children's classic, "Rip Van Winkle," opens in the theater on Aug. 8. Joseph Jefferson wrote the immortal comedy, based on Washington Irving's tale of the man who slept for twenty years. Jefferson himself star- in the play for 30 years.

Completes Screening

Marne Pvt. Danny R. Brock, son of Mr. and Mrs. Lynwood Brock of 33013 Hees, Livonia, has completed a week of testing and screening at the Naval Air Technical Training Center, Memphis, Tenn. During the week he received a battery of aptitude tests and was interviewed by a senior staff non-commissioned officer to determine his eligibility for technical training with the Aviation Branch of the U.S. Marine Corps.

Dewline

By JOHN DEW

The Dew Line got taken to the cleaners last week. Would you believe that the reason this column was not fit to print was because it was neatly tucked in the pocket of a suit sent to the presser rather than the press?

There is much talk in, on and about the air this week regarding rumored changes at several stations in the area. Much of the news may be fact by the time you read this but the best bet seems to be that CKLW is about to undergo a change of face, but not of pace.

Look for Clark Reid to join the air-staff in a mid-day slot. Clark is an old (in terms of experience) pro. He formerly was doing a similar time and type show at WJBK when they were creating excitement. Dave Shafer moves up to the segment currently being named by Tom Shannon in the afternoon and Shannon goes back to the night-time bit.

Dean McCarthy, very talented and capable program director at WJBK-TV, has been lured to a similar position at WXYZ-TV. The announcement was made by Channel 7 Vice-President and General Manager, John Campbell. McCarthy and his family are residents of Farmington. He was graduated from Catholic University of America, Magna Cum Laude and Phi Beta Kappa, in June of 1950. J. P. isn't the only McCarthy in the business who knows what he's doing. WXYZ-TV also announced completion of a half-million dollar installation which makes it the first fully-equipped color television operation in Michigan. With the new equipment local shows may now be broadcast in color. Previously all area stations could only air color shows from the network or on film.

In answer to many inquiries, yes the Rolling Stones are scheduled for an appearance in Detroit. And while they may not gather any moss, they are expected nevertheless to take home considerable green stuff for the July 8 show at Cobo Hall.

Dick Clark's next telementure will be with NBC and with a country and western show. It's scheduled to begin July 4, weekdays and the title listed as "Swingin' Country Show".

With virtually all shows on the three major networks in color next year, ABC has decided to drop the long announcement at the beginning of color-casts which simply says that the show is being brought to you in color.

Bentley High Staff Member Given Grant

Kenneth G. Timmons, 27409 from throughout the United States, a teacher at Bentley High School is among 42 high school history teachers' second 20th Century American

History Institute this summer. The institute, directed by Prof. Paul E. Millon Jr. of the Purdue Department of History, is scheduled for June 20 through Aug. 12.

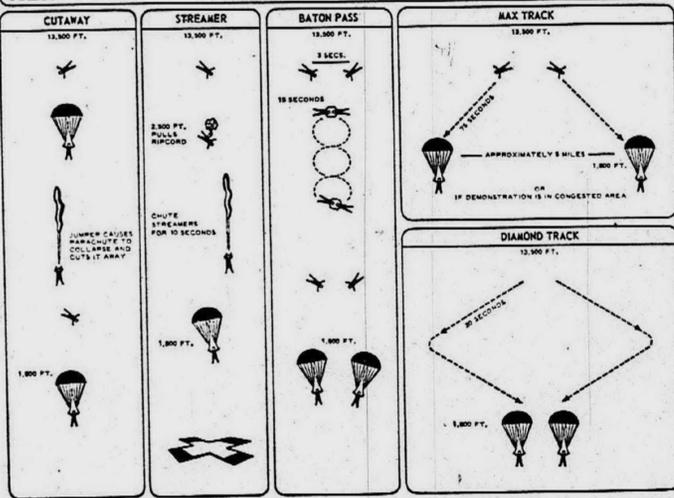

It will emphasize the historical perspective of America in the world since 1900. General treatment of American history "frequently leave a large, expanding blank area where recent history ought to be covered," says Millon.

"Too often, both college and high school courses finish the New Deal only in time to make some summary remarks during the last sessions of the semester."

Thus, he explains, everything of historical significance "blurs together in vague generalizations that lose completely that very sense of perspective which the study of history is intended to provide."

Teachers receive undisclosed stipends paid by local taxpayers, National Defense Education Act contract, and will spend about 15 hours weekly in intensive classwork and heavy additional reading concentrating on American government and economy, U.S. foreign policy and national defense, the Supreme Court and constitutionalism, and social and intellectual development in the 20th Century.

AEROBATIC MANEUVERS OF THE GOLDEN KNIGHTS

MANEUVERS LIKE these will take place high over Wonderland Center Saturday as the Golden Knights army parachute team presents two sky-diving exhibitions at 11 a.m. and 3 p.m.

Scouts to Show Skills Saturday at Wonderland Exposition

Some 400 youngsters, representing the Sunset District of the Boy Scouts of America, will pack Wonderland Center for a June 18 exhibit of scouting activities.

The boys, from Livonia, Garden City, Farmington, Redford, and other nearby communities, will demonstrate jewelry making, plastic moulding, Indian dancing, and a host of other talents.

Scheduled to appear at Wonderland for the day-long exposition are the following Cub packs: 861, 892, 271, 881, 279, 737, 880, 785. Also appearing are troops 1533, 288, 897, 882, 880, 795, 888 and Honor Campers of the Order of the Arrow.

The program is under the direction of Robert Bakewell.

Shutterbugs Can Win Cash

A fabulous first prize of \$5,000 is being offered in the 32nd National Children's Photograph Contest, which is giving a total of \$25,000 in cash, awards and gifts. The Montgomery Ward Photo Studio will present an award plaque to the local winner.

The contest begins on Monday, June 20. Any child, 14 years old or younger, is eligible to enter. The National Board of final judges consists of such notables as Dr. Joyce Brothers, Ginger Rogers and Skitch Henderson.

All judging for the contest will be based on the personality and character shown in the photograph, not on beauty alone. Sponsoring the contest is the National Association of Department Store Photograph Studios, who established the event in 1933. It is represented locally by Ward's Wonderland store.

In addition to the award plaque for Ward's winner, the national cash awards are as follows: First Prize — \$5,000; Second Prizes \$2,500; Third Prize \$1,000; three Fourth Prizes of \$500 each, and ten Fifth Prizes of \$100 each. Entrants' photographs can be taken anytime in a participating studio before July 30, the closing date of the contest. For more information, visit Ward's Portrait Studio on the 2nd floor, Wonderland Center, Plymouth at Middlebelt.

Brownies Spend Day at Pow-Wow

The sun was shining bright on the Proud Lake State Recreation Area in Wixom on May 21 when about 100 Brownie Scouts, 19 assorted leaders and mothers and Jayne (Mrs. John) Beiseigel and her Cadettes gathered there for the annual Brownie Pow Wow.

Theme for the day's outing was "Be Friendmakers." Barbara (Mrs. Gerald) Hivley and Gerda (Mrs. David) Treghown are to be congratulated on the success of their planning of the event—they were keeping fingers crossed, since neither of them had ever helped plan or even attended a pow wow before!

After the ceremony, Mrs. Beiseigel awarded five-year membership pins to Laurie Opeerthauer, Marsha Bolin, Barbara Beiseigel, Lois Carrievau and Susan Rickert of Cadette Troop 174, Dunkel Jr. High.

Troop 261 of Bond School, 116 and 681 from Woodale, 115 and 111 from Highmeadow and 83 from Eagle, were then arranged in groups of two troops each to form three hiking groups. Each group had troops from two different schools, so the girls would have an opportunity to make new friends.

The plan was for each group to follow a marked hiking trail, and at the end of the trail they would enjoy a nature talk by the park ranger. However, the second group was mischievous and twisted the yellow flags around that marked the trail — which turned a one-hour hike into about a five-mile hike, and the third group got back so late they missed hearing the ranger.

Livonia Board Will Air Integration Issue

A smoldering issue, involving a federally-financed, school integration program will probably produce some fireworks tonight, Wednesday, at the Livonia School Board meeting where a group of incensed citizens are expected to present their views.

School board members got a sample of things to come June 2 when Robert Tobis of 29031 Westfield berated the board for the "secrecy surrounding the project" which involved 90 third and fifth grade students in Livonia and a similar number in Plymouth and Detroit.

"They never told our children they were writing to Negroes," Tobis declared. "If we are so interested in Negroes, why not Poles, Germans, Italians, etc.? I don't like this pushing."

Board president Strela Schreiber stopped the ranting monologue after a few moments and explained it was her understanding Tobis and other parents present Thursday night had asked to appear at the next meeting to confer about the matter.

She said that because of the press of negotiations with school personnel the board could not consider it at a previous meeting but would be glad to do so if Tobis would submit a written request to have the subject placed on the agenda.

Several persons present were wearing American flag lapel buttons. The program in contention involves, school officials have stated, a cultural exchange among students at Stark School in Livonia, Starkweather School in Plymouth, and Pattengill School in Detroit.

They study the same units at the three schools and then field trips are arranged so that pupils can share views and learn how other groups evaluate what has been learned.

Parents are saying they object because the children in Livonia did not know their pen pals were Negroes.

Mrs. Clare Broadhead, former Livonia School principal, heads the Wayne County desegregation program, administering the funds received from the federal government.

To Become Radar Expert

Airman James T. Miller, son of Mrs. Margaret M. Miller, 4610 Westmore, Livonia, has been selected for technical training at Keesler AFB, Miss., as a U.S. Air Force radar operator. Airman Miller was graduated from Franklin High school in 1964 and attended Eastern Michigan University.

Dartmouth Man Wins Cash Prize

Paul R. Pillar, a Dartmouth College freshman from Livonia, has been unanimously awarded the Chase Peace Prize here recently.

The Chase Peace Prize is awarded each year to the student at the College submitting the best essay on the subject of world peace.

The selection of the winner is based on a vote of a special committee of professors headed by Howard Erdman, professor of government.

Pillar, son of Mr. and Mrs. Gene Pillar of 28612 Ave., received the award of \$150 for his essay, "The United Nations' Decision to Intervene in the Congo."

Democrats Slate Annual Dinner

The Farmington Democratic Club will hold its third annual dinner starting at 6:45 p.m. Monday, June 27. The dinner is scheduled for McInerney's Dining Room, 29501 Northwestern Highway, between 12 and 13 Mile Road.

Principal speaker for the event is Detroit Mayor Jerome P. Cavanagh, according to Harold Shipce, 25708 Westmoreland, who is chairman of the dinner committee.

The family style chicken dinner has become one of the major events in the Farmington community since it was started in 1964. Tickets for the dinner can be purchased by calling GR 4-2252 or GR 4-3655.

General Electric announces Portable Color TV.

Starting now, color television is for everybody. It's the new GE Color TV (15 lbs. net weight, including screen) and weighs only 25 pounds. It's not hard to tune. Magic Memory tuning makes G-E the easiest color set to tune! (All you do is turn the pre-tuned color dials until they point straight up.) It doesn't need an outside antenna—(if your black and white set doesn't need one). It has its own set of rabbit ears so you can have color wherever you have an outlet.

So starting now, there's nothing in the world between you and a color television set.

STOP IN AND SEE IT TODAY!

The General Electric Company warrants to the purchaser of this television set (including labor and vision receiver) a free repair (including labor and parts) in the event of manufacturing defects occurring within one year from the date of purchase, including travel. This warranty is void if the television set is used in any location other than the U.S.A. or is repaired by anyone other than a General Electric Authorized Service Center.
