## Deadline 10 Days Away And Only One Petition Out

# No Takers Yet for 3 School Board Posts

Three board positions are up for grabs and the deadline for filing nominating petitions is only 10 days away on Saturday, May 13 at 4 p.m. Interest in the coming school board election on June 12 is colder than a zero day in mid-July.

Matter of fact, the school administration reports that as of Monday afternoon, no petitions had been taken out for any candidate by name. An unknown person did take out a petition but under School Board election rules, none is required to tell who the petitioner is for.

Only in the City of Plymouth, where the charter states that the person taking out a petition must say who it is for, is it necessary to make an identification. Thus with the terms of

Carl Schultheiss, John D. McLaren and Mrs. Jo Hulce expiring on July 1, not even the incumbents have taken out the nominating petitions.

Mrs. Hulce, who was appointed several weeks ago to fill the vacancy created by the resignation of Robert Tripp, is expected to make a bid for the remaining three years of the unexpired term.

Schultheiss, who is ending a four-year term, has made it known that he plans on filing his petition well ahead of the deadline.

However, it is believed that McLaren may call it quits at the end of his term on July 1. He hasn't stated publicly that he will not run for a second four-year term but those close to the situation feel that

he has had enough of public service. He may surprise and file a nominating petition but as of the moment, the word is that McLaren will not run.

## Plymouth High Girls Join In Annual Swim Show

With Nancy Spigarelli and Jean O'Donnell headlining the annual aquatic show with solo numbers, the top feminine swimmers of Plymouth High will demonstrate their skills in the annual presentation of the water extravaganza "Hats Asplash" Thursday, Friday and Saturday in the school pool at 8 p.m.

Due to the limited seating capacity, no more than 350 can be seated for any one of the performances and those desiring seats should contact the high school ticket office immediately.

The annual program by the outstanding girl-swimmers at the senior high is always one of the highspots of the late spring season. The cast is carefully selected from all of the feminine swimmers at the school and then trained under the supervision of Mrs. Barbara McDonald.

An international touch has been given to this year's presentation with the appearance of Gudrun Fjellman, a foreign exchange student from Sweden, in several of the numbers.

## Judy Ray Wins \$500 Award

Judy S. Ray, daughter of Mrs. Stella Ray, 2100 Morrison, Plymouth, has been named winner of an Alvin M. Bentley Foundation Scholarship Award for Excellence to Schoolcraft College for the academic year 1967-68.

## C&O Pays and Pays For Blocking Traffic

Stop blocking street crossings for more than the maximum legal time or pay the maximum fine of \$500 for each violation.

That in effect is the warning issued to officials of the C&O Railroad by Municipal Judge Edward Draugelis who fined the railroad \$1,500 a week ago for three violations reported to police.

The fines boosted the total to \$3,000 for 1967. "The city ordinance provides that the railroad cannot block a crossing for more than five minutes," said Judge Draugelis. "We are receiving more and more signed complaints from residents who know now that fines will be assessed in practically all cases."

## Unification Study Has Approval of City, Township

With approval of the Plymouth Township Board of Trustees and the Plymouth City Commission, for a study of unification of the Plymouth Community by the Michigan Citizens Research Council, work is expected to start within a few days with the belief the final report will be available within four to five months.

## Twp. Helps Keep Water Flowing

Thanks to assistance from the Plymouth Township Department of Public Works and the Plymouth Township Fire Department, water customers of the City in the area of Bradner Road, Lakeland and vicinity were provided service while the City DPW repaired a major break in the water mains on Northville Road.

## U-M Expert To Discuss Community Unification

"Unification of Communities" will be discussed, before members of the Plymouth Businessmen's Forum on Thursday at noon in the Mayflower Meeting House, by William Gable, assistant director of the Institute of Public Administration and Associate Professor of Political Science at the University of Michigan.

## Bird PTA Honors 3

Bird School P.T.A. will pay tribute to retiring School Supt. Russell Isbister, Mrs. Nancy Tanger and Mrs. Nellie Bird for their contributions to the Plymouth Community during long years of service to the Plymouth Community School system, on May 9 at 7:30 p.m.

## Name Six Chairmen For Week

Special chairmen for the daily programs during Plymouth's celebration of Michigan Week were announced Monday by General Chairman John Kamego. The celebration, from May 21 through May 27, opens with the traditional Mayor Exchange program in which Plymouth will exchange with the City of Beverly Hills.

## 150 From All Faiths Join In Annual Ecumenical Dinner

More than 150 people of all faiths attended the third ecumenical dinner at the Mayflower Meeting House on April 28. Plans were announced at the dinner, for a series of living room dialogues between small groups of Catholics and Protestants.

## School Board Faces Troubles At K and Senior High Levels

Although the opening of the 1967-68 school term is still months away—the first week in September—the administration already has started working on the problems that will have to be resolved prior to the start of classes.

## 150 From All Faiths Join In Annual Ecumenical Dinner

More than 150 people of all faiths attended the third ecumenical dinner at the Mayflower Meeting House on April 28. Plans were announced at the dinner, for a series of living room dialogues between small groups of Catholics and Protestants.

In their discussion of the ecumenical movement, Father Untener stated that Protestants and Catholics should be able to cooperate in everything except the official liturgical functions.

Both clergymen agreed that many people still have misgivings about the ecumenical movement. "Protestants think Catholics are trying to convert them," said Pastor Strang.

The City Commission approved the measure in a roll call vote with all voting "Yes." The Trustees approved by acclamation with Supervisor John McEwen not voting. McEwen, who apparently is opposed to any such studies, was absent from the original Hilldale College Conference a year ago and refused to attend this year's session at Schoolcraft College.

The two governmental units were asked by the Leadership Conference to engage the Research Council to make the study and report back. The City and Township agreed to share in the cost of the project which is estimated at \$500.

Since the Plymouth Township Board of Trustees and the Plymouth City Commission have approved a request for a study of unification of the Plymouth Community by the Michigan Research Council, the Forum meeting is one of the most important in recent months.

In view of the current presentation of a recommended unification study to the governmental units as a result of the recent Leadership Conference, sponsored by the Chamber of Commerce, the Forum Committee felt it would be appropriate to invite Gable.

The U.M. professor has been actively involved in research, consultation and teaching in the local and governmental field.

ents are urged to register youngsters on the proper dates at the various elementary schools.

total. It is more than 200 in excess of the 1,426 that started classes at PHS last fall. That total has grown to 1,496 at the moment and has the building bursting out of its seams.

**SCHOOL PRESS project winners for 1966**—Emerson Eagle, of Emerson Junior High School, Livonia, was one of eight junior and senior high school newspapers in Michigan to win state and national honors in the 30th annual School Press Project sponsored by the TB and Health Society and the Columbia Scholastic Press Association. Holding their Certificate of Honor are: (from left) Dan Vigliarolo, editor, and Kenneth Watson, advisor.

### Emerson Jr. High Editor Wins Honors

Dan Vigliarolo, editor of the Emerson Eagle, student newspaper at Emerson High School, Livonia, was among the school newspaper editors honored during a special recognition day in Lansing recently.

The school newspaper and editor were cited for winning national and state honors in the 1966 School Press Project which was conducted throughout the nation.

Dan and the other editors toured the State Journal, where they saw how a large daily newspaper is printed. During lunch at the Lansing Press Club they received

their winning certificates. Afterwards they were taken on a tour of the State Capitol where they were introduced in both the House of Representatives and the Senate.

Kenneth Watson, advisor, accompanied Dan on the trip. The School Press Project is sponsored annually by the Columbia Scholastic Press Association, the National Tuberculosis Association and its local affiliates including the TB and Health Society, Wayne County's Christmas Seal agency.

Purpose is to encourage young people to become interested in medical science reporting and to increase the knowledge of students of the threat of their health from tuberculosis and other respiratory diseases. The project is open to both senior and junior high school newspapers.

Other Wayne County student newspapers represented were: the Panther's Tale, Garden City High School, Garden City, and the Pilgrim Prints, Plymouth High School, Plymouth.

# Victims' Parents Well Known in Area

## Both Were Plymouth High Grads

Families in Westland, Livonia, Plymouth, and Garden City, were shattered Friday by the brutal rape murder of two small Westland girls on their way home from the Stottlemeyer Elementary School.

The victims of the double-murder, called "fiendish" by Westland Mayor Thomas Brown, were Deborah Louise Crowther, 8, and her sister, Kimberly Faith, 6, daughters of Mr. and Mrs. Joseph Crowther, of 1604 N. Wayne Road, Westland.

The parents are from Plymouth and were married by Dr. Henry Walch of the First United Presbyterian Church, Plymouth, who conducted the funeral services for the girls Tuesday afternoon at the Lane Funeral Home in Garden City.

Paternal grandparents are Mr. and Mrs. Brinton Crowther, of 16456 Bell Creek Court, Livonia. Maternal grandparents are Mr. and Mrs. Amos Taylor, of 566 Karmada, Plymouth.

Other survivors include great-grandmother, Mrs. Anna Sivey, of 7505 Gilman, Garden City, and the victims' four-month-old sister, Carrie Debbie, born July 29, 1958, and Kim, born Sept. 29, 1960, were buried in White Chapel Cemetery, Troy.

A 14-year-old Westland boy, who has been reported in prior beatings, was arrested for murder of the girls and is being held in the Wayne County Youth Home in Detroit.

The bodies were found by step brothers, Allan McAnally, 16, of 35281 Marquette, and Edward Robson, 15, of the same address.

They said that the 14-year-old boy arrested in the murder and themselves took part in a "glue-sniffing" session that Friday afternoon.

There were 18 empty glue containers about 300 feet from where the nude bodies of the girls were found.

Youngsters on the block said that the home where the two step-brothers lived "had a big party" going on Friday and that this was an "everyday thing." As recently as the previous week, the owner of the home was talked to in an effort to eliminate the problem.

The 14-year-old boy charged with the murder had run away from his own parents home two weeks before and was living with the McAnally and Robson youths.

Ironically, the crime came just after two expressions of warning came from local officials to Westland school children.

One came Friday afternoon after a man was seen approaching a child at noon time at the Cady Elementary School, Cherry Hill and Wayne Roads, less than a mile from the Stottlemeyer School.

Wayne Community School District Supervisor Harry Howard said that all teachers in the school system which covers most of Westland were alerted to warn their students and the police department was notified and they began their search of the man immediately.

The previous Tuesday, April 25, a film on child molesters was shown at the Tonquish Elementary School PTA in the Nankin Mills School District, Westland. If approved the film will be shown to the students.

## EMU President Delivers Principal Address to Graduates

# 152 Get Degrees from Schoolcraft

Schoolcraft College held its second formal graduation exercise Sunday as 152 area students received associate degrees and certificates of program completion.

Graduates, faculty and parents jammed into the Lois L. Waterman Campus Center at 2 p.m. to hear keynote speaker Dr. Harold Sponberg, president of Eastern Michigan University.

A reception for the graduates was held after the ceremony in the Campus Center.

This was only the second commencement exercise for the new college and graduates from other semesters were honored in the program.

Sponberg, who came to EMU in 1965, spoke of the philosophy of education in the United States. He recalled the days when local school districts first were formed, with citizens running the schools.

"The door of the little red school house was open to all and its job was to

raise children committed to the principles of a free society." Noting this guiding concept is still alive, Sponberg said:

"The very fact that the doors of this college are open where years ago there was none is testimony to our school philosophy."

He called on the graduates to take part in their world and concluded by commenting, "the spirit of the Sixties is to be motivated on one central issue—how can we

best develop our human resources."

Following the commencement address, John Brinn, the College's vice-president for instruction announced the honors for the graduates. The degrees and certificates were

conferred by the College president.

Dr. Eric Bradner, Robert Stenger, dean of academic instruction, and Jon P. Adams, dean of technical-vocational instruction.

SPRING GRADUATES stand as Schoolcraft College's second formal commencement exercise gets underway. Held Sunday in the Campus Center, the ceremony graduated 152 students.

## Meet Your Carrier

Randy MacIntosh, 14, son of Mrs. Irene MacIntosh, 29630 Morlock, Livonia, has been a carrier for the Observer Newspapers for the past four years. He delivers to homes in the area bounded by Middlebelt to Beatrice and from Eight Mile to Norfolk.

He has gained high praise from his customers for his reliable service over the years. They rate him as the most outstanding newsboy in the area.

Randy is a student in Clarenceville Junior High where he is a member of the football team and also of the senior high marching band. His sister carried newspapers before Randy.

His favorite subjects are mathematics, English and science and he hopes to go on to college and study automotive engineering. Randy's hobbies include stamp collecting and drawing. He's also better than an average hand at repairing lawn mower engines — it keeps him busy during most of his spare time in the early spring and summer.

## New Edition Brings Earlier Deadlines

The Observer Newspaper Group is adding a weekend edition to Livonia and bolstering the present weekend newspaper of the Farmington Enterprise and the Plymouth Mail. The new Livonia Observer Weekender will make its first appearance Sunday.

Thus with semi-weekly editions of the Livonia, Plymouth and Farmington newspapers, a new set of deadlines have been established and must be followed.

In the women's and church sections, news for the Wednesday edition must be submitted by the Friday before publication. For the Sunday editions, all items must be in the hands of the women's and church editors by noon on Tuesday. Pictures for the Sunday edition must be submitted by Wednesday noon.

Sports copy for the midweek editions must be submitted by 5 p.m. Sunday; for the weekender, by 3 p.m. Thursday.

General news items for the Sunday edition will be accepted up to Wednesday at 5 p.m.; for the Wednesday editions, up to 5 p.m. Sunday.

These deadlines must be met and stories submitted after the times listed above will not be published that week.

## Teen Club Party Friday

St. Dunstan's Teen Club of Garden City will hold its first millionaires party for young persons between 13 and 19 at 7 p.m. Friday in the parish hall, 1515 Belton Street, Garden City.

Chairman of the event, Karen Lanzon, may be contacted at GA. 7-6535 for more information. A church spokesman said that half of the proceeds will be given to the church and half will be used for the teen club's activities. Prizes will be awarded that night.

# Livonia Observer to Publish Semi-Weekly Starting Sunday

Semi-weekly publication of the Livonia Observer was the highlight of a series of changes and improvements announced today by Philip H. Power, Publisher of Observer Newspapers, Inc.

Starting the weekend of May 6, the Livonia Weekend Observer will appear on the doorsteps of 28,400 Livonia homes. This new paper represents a move to expand the Livonia Observer, presently published on Wednesday, into a twice-a-week newspaper.

Complementing this development will be sharp improvements in the format of both the Plymouth Mail and Farmington Enterprise, which are also published by Observer Newspapers, Inc. on the weekend.

Power explained that the new Livonia weekend paper would be linked to the Plymouth Mail and Farmington Enterprise to give Observer Newspapers, Inc. integrated semi-weekly publication in each of these cities, when combined with the Plymouth and Farmington Observers, presently published on Wednesday.

"These steps represent the first phase of our five-year development plan," Power said. "We feel that they will offer vastly improved services for both the reader and the advertiser."

The three weekend papers will have a combined circulation of 51,350, which makes them the largest group community weekend papers in the State of Michigan.

The new paper will feature full-size three-section format, with the second to region-wide news and advertising, and the third to classified want ads.

The new paper will be printed by offset, which gives the reader much clearer printing and sharper reproductions of photographs, Power explained.

The paper will be delivered on a saturation basis to the 28,400 homes in Livonia.

The two semi-weekly papers in Plymouth will be called The Plymouth Mail & Observer, while the two papers in Farmington will be titled The Farmington Enterprise & Observer.

Both weekend editions in Plymouth and Farmington will feature the same three section format planned for the Livonia Weekend Observer. The front sections of both will be devoted to Plymouth-only or Farmington-only news and advertising, while the second and third sections will parallel those in the Livonia Weekend Paper.

## PCHA Setting New Records

Peoples Community Hospital Authority reports for March continue to break records. Seaway Hospital in Trenton broke its own record and showed an occupancy of 97 per cent March.

Outer Drive Hospital in Lincoln Park had the highest number of patient days (over 9,000 for March) ever, and expects by the end of the year to have cared for 100,000 patients.

Annapolis Hospital in Wayne jumped from 91 per cent in February to 93 per

cent occupancy in March.

The year-to-date occupancy at Beyer Memorial Hospital in Ypsilanti has risen slightly.

PCHA members include Westland and Garden City.

More babies were born in PCHA hospitals in March than in February: 379 vs. 300.

A total of 23,514 patient days was logged at the four-unit hospitals last month.

PCHA hospitals employed a total of 1,813 employees, and last month had a payroll of over \$800,000.

# Mango's Restaurant Sues To Get Building Permit

A prolonged Plymouth Township dispute over a zoning issue reared its head again at the final April meeting of the sector's Board of Trustees. The seven members of the Board, plus Building Inspector Herbert Smith, were notified individually that a "show cause" action has been started against them in Wayne County Circuit Court

by Mango's Restaurant, 47660 Ann Arbor Rd. The restaurant has long sought to convince Township officials that the area it occupies at the juncture of Ann Arbor Road and Ann Arbor Trail should be rezoned to commercial classification. Plans for an addition and general remodeling have been blocked because of the

restaurant's non-conforming status in relation to existing zoning definition. The defendants have been ordered to show cause May 8 why a building permit should not be issued for the renovation sought by the restaurant, and at their April 25 session the trustees instructed Township Attorney Ralph W. Cole to take proper legal action in their behalf.

considerable conjecture as to the Township vote where Treasurer Mrs. Elizabeth Holmes, Trustee Ralph Garber and Township Engineer Herald Hamill abstained from voting for the resolution.

The resolution read: "We, the members of the Plymouth Community Leadership Conference, urge the governments of Plymouth and the City of Plymouth to engage the Citizens Research Council of Michigan to study unification of the Plymouth Community."

"We also urge that the Citizens Research Council be instructed to include as an appendix, all of those neighboring communities that wish to be included as a part of the study and pay their portion of the cost of including them

in the study." Carl Pursell, president of the Plymouth Chamber of Commerce, which sponsored the two conferences and has been a leader in the unification movement, made a presentation to the Commission, explaining the need for a unification study.

The resolution has the support of the Junior Chamber of Commerce, several neighborhood civic associations, the executive board of the Chamber and various other organizations.

Pursell indicated the report meeting will be the same as that following the Hillsdale conference—a session to which all of the interested parties will be invited to be held at noon so that it won't interfere with any other meetings.

# Troubles Beset School Bd. at K and Sr. High Levels

(Continued from Page 1)

Gorguza have been working overtime trying to arrange schedules that will take care of all.

Asst. Principal Hoben has been working on schedules for the past three weeks and expects to have a report for the administration within a short time.

Meanwhile, the schedule for registration of new kindergarten children is as follows:

- Gallimore School, Friday, May 5.
- Farrand School, Thursday, May 11.
- Tanger School, Tuesday, May 16.
- Allen School, Thursday, May 18.

- Truesdell School, Friday, May 19.
- Starkweather School, Thursday, May 25.
- Bird School, Friday, May 26.
- Smith School, Thursday, June 1.

Parents of children to be registered for Kindergarten in the Salem and Superior Township areas, within the Plymouth Community School District are asked to call Mrs. Carolyn Zeman, teacher at the Salem School, at 453-

9173. Supt. Isbister issued the following notice to all parents of children enrolling in kindergarten: To register for kindergarten, a child must be five

years old on or before December 1. Parents should present a birth certificate at time of registration. In the event the birth certificate is not available at this time, parents are advised to take the child for registration and present the birth certificate before the opening day of school.

Any kindergarten student enrolling in the Plymouth Community Schools for the first time must, in accordance with Michigan law, submit a statement, on a school district form, from a physician verifying that he has received booster shots for smallpox, diphtheria, tetanus, pertussis, measles and poliomyelitis. Evidence of a negative tuberculin test is also required.

# Hart to Help Dems in Fund Raising Fete

Senator Phillip H. Hart will be the keynote speaker at a local Democratic fund raising dinner June 1.

According to Wayne Democratic chairman Robert Dwyer, the Senator has confirmed an invitation to come to a buffet supper at the Thunderbird Inn.

Money from the dinner will go to the Plymouth-North-

ville Democratic organization.

Besides Hart, the 1966 Congressional candidate from the Second Congressional District, Weston Vivian is expected to be on hand. Vivian was edged out last fall in a fight to keep a seat he won in the 1964 Johnson victory. While Vivian has indicated no plans to run again, many

Democrats in the area sport VIVIAN '68 bumper stickers or their cars.

Tickets are \$15 a couple, \$10 single, and may be reserved by calling Democratic headquarters, 455-0077.

Entertainment, in addition to the speeches and food, will be provided by the regular Thunderbird dance combo.

# None File for Board

(Continued from Page 1)

tions went down to the last minute two years ago before Mrs. Esther Hulsing and Gerald Fischer decided to seek an additional term.

It is believed that the Junior Chamber of Commerce is considering placing a name on the ballot and that the militant Lake Pointe Home Owners Association

may back a candidate.

Robert Tipp was a successful Lake Pointe candidate two years ago and was rapidly becoming one of the more valuable members of the Board when he was transferred to the Southland and forced to resign.

With 10 days remaining, it appears as if some groups will have to get busy and take out nominating petitions for capable candidates. Remember, you have until 4 p.m. on Saturday, May 13 to file a petition—after that it is too late.

## Leisure Is For The Unskilled

ANN ARBOR—Lack of education is today's guarantee of leisure, according to Norman C. Harris, University of Michigan professor of technical education.

"Today more than half the labor force 'works' at jobs whose intellectual content demands education and training which can best be offered in colleges, including community colleges," Harris says. "In a former day five per cent of Americans dealt with ideas, and the other 95 per cent worked!"

Continuing education is the key to economic productivity in the decades ahead, says the U-M educator.

He believes the educational programs of the future must seek new directions. "Emphasis must be put on education and training for middle-level youth and for the slow learner, as well as on education for academically superior youth."

Middle-level youth in junior colleges outnumber "superior" youth by three to one, Harris observes. "It is high time that we stopped neglecting their educational needs—high time that we stopped regarding occupational education as being somehow not respectable."

"Community college education for the 70's and beyond must respond to change. It must be recast in a form and substance which includes occupational education as a major function," says Harris. "All of the following factors must be dealt with as we plan anew for the permanency of change:

1—The increasing complexity of everyday life in all of its facets—cultural, intellectual, and occupational.

2—The explosion of scientific and technical knowledge, the scope of which nearly doubles every decade.

3—The hard fact that in our society education stands between man and his job.

4—The impact of automation on men and jobs.

5—The virtual disappearance of labor jobs, contrasted with a critical manpower shortage in semi-professional and technical (middle manpower) fields, and the continually changing requirements in the "manpower mix" of a nation facing up to the future.

6—The realization that a "disaster gap" is already opening up between those Americans with advanced education, and those with little education.

7—Recognition of the fact that much, if not nearly all, of the occupational education of the future will have to be conducted at post-high school levels.

8—Urgent need in our society for millions of well-trained people who can both think and do—and the gradual disappearance of the former bi-polar society in which the well-educated few did all the thinking and the poorly educated masses did all the work.

## AAUW Lauds M. S. Droege

The Farmington Branch of the American Association of University Women has announced a gift of \$500 to the Association Educational Foundation's Fellowship Program in the name of Mildred Stearns Droege.

Mrs. Droege, since 1959 the head librarian of the Farmington District Library, is a charter member of the Farmington AAUW.

Mrs. Droege has been honored many times for her services to the Farmington Community during her years as head librarian. She has seen the library change from a small room in the old City Hall to its present location.

Many of the new residents who have entered Farmington these last few years of rapid growth have come to think of Mrs. Droege as "Mrs. Library."

For her years of dedicated public service and her support of the ideals and purposes of AAUW, the Farmington Branch honors her.

# We'll help put your wife in a home

If your wife has been talking about a new home lately, maybe you'll want to know something about a mortgage. There's a lot more to it than the amount of money you borrow. Where the money comes from is just as important. And so are the things written into your mortgage.

At NBD, for example, we have the people and facilities to give you personal attention when you apply. And because we're a full-service

bank, we can keep on helping you with our range of financial services long after you move in.

Our 90 offices make NBD the most convenient place in town to apply for a mortgage. There's no application fee. Closings take only thirty to forty-five minutes and are often made at the same office. This saves you a special trip downtown. And closing costs are usually less than a hundred dollars, excluding insurance.

When we write your mortgage, we spell out exactly what rate you'll be paying, what you're paying for, and what you don't have to pay for. And we'll write in pre-payment privileges that can save you hundreds of dollars, if you sell your home.

Maybe you're thinking about a mortgage loan right now. If you are, be sure to think about this: we can help you.

### RU TOPS ROCKS IN TRACK

## Bentley Thinclad Might Prevails

There's might in the 1967 Bentley high school track team.

In charging into the lead in the Suburban Six League, Bentley added Belleville to its list of victims, 92-26, to remain unbeaten in three loop meets after battling Ypsilanti Central to a 59-59 tie in a non-leaguer.

But it also was a week of records for Bentley. Three school marks went by the boards, as follows:

220-yard dash: Doug Thomas roared the distance in 21.9 seconds against Ypsilanti to erase his own mark of 22.6 seconds established last season.

High Jump: Mark Formma cleared six feet, 1 1/4 inches, to eclipse by two inches a six-year-old record held by Ron Bogoyovac.

Pole Vault: Larry Grimm soared to 12 feet, 6 3/4 inches to knock out the 12 3/4 efforts chalked up last year by Ron Gloetzer. Gary Gilder, finishing second behind Grimm, also topped the old mark when he went 12 3/2. Third-place Bruce Plumley

hit an even 12 feet. It also was the week when Ken Jackson became a double winner in the hurdles for the seventh straight time this season while Thomas continued unbeaten in the 220.

Meantime, Redford Union remained right behind Bentley in the league by burying Plymouth, 85-33, after trouncing North Farmington, 74 1/2-43 1/2, in a non-leaguer.

Jack Shepherd, ace RU distance runner, flashed one of the best times in the state in the two-mile when he covered the ground in 9:57.1 against Plymouth, whose Steve Derr captured the only double for the losers by winning both hurdles.

Ross Smith, the young exchange student from Australia, was the scoring hero in the RU-North Farmington although he ran on the losing side.

Smith won the long jump then followed with victories in the 100 and 220-yard dashes.

In this meet Shepherd ran the mile and was clocked in the fine time of 4:29.9.

The summaries:

**BENTLEY 58, YPSILANTI CENT. 59** (Bentley winners)

## Plymouth's Don Alsbro Wins Vietnam Award

Army captain Donald E. Alsbro, 26, son of Mrs. Alice Alsbro, 1600 N. Territorial, Plymouth, received congratulations and a Vietnamese Certificate of Achievement from Lieutenant Colonel Tran Dinh Vong, chief of the Binh Dinh Province, during ceremonies near An Khe, Vietnam.

Capt. Alsbro was presented the award for outstanding service in leading a civil affairs team which helped a relocated Vietnamese village build a pig co-operative, two elementary schools, a village dispensary, and a playground.

Capt. Alsbro is assigned to Headquarters, 11th Aviation Group, 1st Air Cavalary. He entered the Army in June 1963 and was stationed in Germany before arriving in Vietnam.

The captain graduated in 1958 from Plymouth High School and received his B.S. degree in 1963 from Western Michigan University. He received his commission through the Reserve Officers' Training Corps program at the university.

### College Gets \$6,450 From Five Donors

Schoolcraft College Foundation has turned over to the Board of Trustees of Schoolcraft College a total of \$6,450 in gifts received from five individual donors.

Dr. Eric J. Bradner, president of the college, said the money will be used to help match an earlier grant made to provide financial aids for students at the college.

The total was comprised of individual gifts of \$1,000 from the Reef Manufacturing Co.; \$100 from Ralls-Hamill and Becker; \$250 from the Plymouth Lions Club; \$5,000 from the Plymouth Rotary Foundation; and \$100 from the Kiwanis Club of Garden City.

# Teens Will Compete in Westland JC Road-E-O

More than 75 teenagers are expected to compete in the local finals of the Westland Jaycee Safe Driving Auto Road-e-o, Saturday, May 20, to find the Westland area's safest and most skillful young drivers. The contest will be conducted by the Westland Jaycee's and Stu Evans Lincoln-Mercury at the parking lot of the Westland Shopping Center at Wayne and Cowan Roads. Competition will be

held from 10 A.M. to 3 P.M. The high scoring boy and girl drivers will have the right to compete against other local contest winners at the state Road-e-o finals in Livonia in June.

The state champion will represent Michigan at the National Safe Driving Auto Road-e-o in Ann Arbor in August. At stake will be \$14,000 in college scholarships and use of a 1967 Mercury intermediate model car for a year and the opportunity to tour the United States as a Youth Spokesman for Lincoln-Mercury Division of Ford Motor company.

Teenagers who wish to compete in the Road-e-o may obtain information by calling Phil Spada at 722-0263 or Jim Harlow at 722-0600 or any Lincoln-Mercury Dealership.

Any boy or girl who has a drivers license and will not have reached age 19 before August 1967 is eligible to participate. Contestants must have not committed a traffic violation within the last six months or have an offense pending.

The Road-e-o competition consists of comprehensive written examination on rules of the road and a series of behind-the-wheel tests

# New Edition Brings Earlier Deadlines

The Observer Newspaper Group is adding a weekend edition to Livonia and bolstering the present weekend ewspaper of the Farmington Enterprise and the Plymouth Mail. The new Livonia Observer Weekender will make its first appearance Sunday.

Thus with semi-weekly editions of the Livonia, Plymouth and Farmington newspapers, a new set of deadlines have been established and must be followed.

In the women's and church sections, news for the Wednesday edition must be submitted by the Friday before publication. For the Sunday editions, all items must be in the hands of the women's and church editors by noon on Tuesday. Pictures for the Sunday edition must be submitted by Wednesday noon.

Sports copy for the midweek editions must be submitted by 5 p.m. Sunday; for the weekender, by 3 p.m. Thursday.

General news items for the Sunday edition will be accepted up to Wednesday at 5 p.m.; for the Wednesday editions, up to 5 p.m. Sunday.

These deadlines must be met and stories submitted after the times listed above will not be published that week.

# Wonderland Center Opens Search For Talented-Teen Aged Artists

Just four days remain to enter Wonderland Center's Talented Teen Search.

Open to all youngsters 13 through 19, twin contests will be staged to select the best variety act and the top combo or dance band.

Ernie Epps, promotion director for the 57-store shopping center, said winners in each category will be awarded a trip to Chicago to compete in the national finals. Grand prize of the national contest is a three-weeks, expense-paid tour of Europe.

Sponsored by the National Teen Foundation, the June finals will be held at Chicago's Navy Pier in mid-June.

The grand winning combo and the best variety act will get a free three-week Europe tour with the "Talented Teens USA" troupe. They will leave O'Hare airport and fly direct to London, England on a BOAC jet, then travel to six countries where they will do good-will concerts. This is the 5th student study tour to Europe conducted

by the Talented Teen Foundation, an organization dedicated to helping the gifted youth of America.

Semi-finals will begin on May 13 at Wonderland. All

entries must be registered by May 6. Applications for auditions can be obtained from the center's administration office.

Competition is open to all

talented teens, including singers, dancers, solo musicians, magicians, combo and dance bands.

# Area Preps Star in Relay Carnivals

Area performers turned in some fine performances in track relay carnivals Saturday.

One of the best times was posted by sophomore Larry Williams of Farmington who was clocked in 9:57.2 in placing fourth in the Eagle Relays at Jackson. This was

rated an "exceptional" clocking for a first-year varsity performer.

Williams' time shattered by almost 26 seconds the Farmington varsity record for the event.

Meantime, North Farmington's John Mann soared to a new school record of 6 feet, 1 1/4 inches in the high jump during the Hart Relays in Dearborn. At the same meet, Franklin's distance medley relay of Bill Krause, Al Harper, Buddy Hallett and Rick Hansen raced to a new meet record of 11:21.

Sophomore Dave Collins of Franklin stepped a 4:31.5,

also outstanding, as he anchored the Franklin four-mile relay team to a third-place finish. However, Redford Union's Jack Shepherd

stepped a 4:27.4 mile in the Ecorse Relays.

Farmington, placing fifth with 25 1/2 points at Jackson, came up with a pair of winners in Mike Hines (440) and Gordon Thornber (shot put).

Chris Brown ran third in the 220 and fifth in the 100, while Bob Donovan was fourth in the mile, Dave Bush tied for fourth in the

pole vault and Fritz Simons took third in the shot put.

Franklin totaled 43 points to place behind winner Dearborn, Catholic Central and Highland Park.

North Farmington notched 12 points with a third in the shuttle-hurdle relay, a fourth in the 440 and 880-yard relays and a fifth in the four-mile relay in addition to

Mann's record leap.

Redford Union came up with an eighth-place finish in Ecorse relays. RU's shuttle-hurdle relay was third as John Morrison Art Louisignau, James Moore and Dennis Fifield carried the baton. RU was fifth in the mile and two mile relays.

With hurdler Tom Harbourne winning both the highs and lows, Clarenceville took third place in the Marysville relays as Cranbrook and Oxford placed one-two.

Dave Wilson, Charles Adams, Ray Wehner and Bryant Kent teamed up to run second for the Trojans in the mile relay and third in the two-mile. The Trojans also finished fifth in the 880-yard relay for a

total of 32 points.

Glenn High took fourth place among 15 teams with 38 points in the Waterford Township relays. The trio of Wayne Holman, Steve Decker and Dennis Jackson set a new record of 17 feet, 6 inches to win the high jump relay.

In the polo vault, Glenn took second with a trio of Holman, Paul Osborn and Bill Green. The distance medley relay ran third and the shuttle hurdle and long jump relays fifth each.

Jerry Wright took a third in the low hurdles as did Mike Phillips in the two mile.

## Schoolcraft Sends Five To Meeting

Four members of the Schoolcraft College Varsity Club, and Athletic Director Marvin Gans recently attended a one-day varsity club clinic at Ferris State College.

Clinic speakers included Jack Cotton, director of athletics for Farmington schools, and Charles Forsythe, head of the Michigan High School Athletic Assn.

Schoolcraft Varsity Club members attending were Don Cranford, Plymouth; Steve Moore, Farmington; Frank Smalley, Livonia; and Jim Lundstrom, Livonia.

## THE SUBURBAN SIX:

# 50-50 Week Marks Play

Call it a 50-50 week for the Redford Union, Bentley and Plymouth in Suburban Six League baseball action. Each won once and lost once.

Plymouth copped a 3-1 verdict from Bentley, but fell to Belleville, 5-4.

Bentley bounced back from the loss to Plymouth to rip Redford Union, 8-0, which in turn notched a 1-0 triumph over Allen Park.

Plymouth's Dan Camp turned in the best overall pitching job of the week. After stopping Bentley on three hits, he came back to work 4 1/2 innings of scoreless and hitless ball against Belleville. However, Camp's rescue

job came too late.

Dale Bjerke flipped a one-hit gem in Redford Union's 1-0 decision against Allen Park, while it was Bill McAlpine with a five-hitter who served up the shutout for Bentley at the expense of Redford Union.

In capsule form, here's how the Suburban Six League action went:

**Plymouth 3, Bentley 1**  
Camp mastered Bentley's Dave Gorton, who fanned eight. The lone Bentley run, scored by Ed Ryan in the third inning, was unearned.

**Red. Union 1, Allen Park 0.**  
Bjerke faced only 22 batters, being robbed of a no-hitter in the fifth inning. He walked one and fanned six.

Rod Ferguson's triple and Bill Fahey's sacrifice fly in the third inning accounted for the only run. Ferguson also lashed a double while Lee Bjerke and Kevin Fox

## Thurston Reign Due To End?

A new champion in the Northwest Suburban League's baseball wars?

Could be, because defending king Thurston got off in a rocky fashion by losing to North Farmington by a 2-1 score, and then to Franklin, 4-2.

Meantime, Franklin lost to Groves, 3-0; North Farmington played a 3-3 tie with Oak Park, which will have to be rescheduled, and John Glenn blanked Groves, 1-0, after falling to Oak Park, 5-1.

The net result: Only North Farmington has an unbeaten record after the first week of the campaign.

The game-by-game story:

**N. Farming. 2, Thurston 1**  
Mike McCoy with a four-hitter outduelled Tim Carr, who gave up six safeties.

"Doug Drapalski's double in the sixth after Rudy Kramer singled and Rick Knock walked decided the game. It was "turnabout" for Knock, who last season attended Thurston.

Reg Barringer counted the lone Thurston run on an error and a wild pitch.

**Franklin 4, Thurston 2**

Rick Mack, with final inning help from Fred Davies, picked up the victory as the loss was tagged on Bob Durand.

Franklin jumped off to a 3-0 lead in the first inning on hits by Bill Hellstein, Larry Prentiss, Dave Stott and Dave Paden. Errors let in the final Franklin run.

Bill Holmes ripped out a triple and single for two of the losers' three hits.

**Groves 3, Franklin 0**

An infield hit by Larry Prentice ruined Mike Rafferty's bid for a no-run, no-hit victory.

**N. Farmington 3, Oak Pk. 3**  
The records will stand, but the game will have to be replayed. Dan Litchman, Rick Scott and McCoy all shared in the pitching for the Farmington team.

The Raiders counted three in the fifth when Knock walked, McCoy walked, Gor-

## Redford Gals Start Softball Play May 8

The Redford Township Women's Softball League will start play on May 8 at Claude Allison and Beech Fields. The league still needs players to fill eight teams. If interested please call one of the officers.

The 1967 officers are: President June Marchione, KE 1-8139; Vice President Nancy Sharp, KE 5-6164; Secretary Betty Shellhorn, GA 2-3320; and Treasurer Fat Hill, KE 2-5147.

OVER TOGETHER they go in the high hurdles in Plymouth-Redford Union meet. From left: Mike Stakias (P), Dennis Fifield (RU), Dave Derr (P) and Monalson (RU). Derr won the race.

## I-Hitters Net G.C. East 2 Victories

Pitching is said to be 70, maybe 80 per cent of a high school game.

Garden City East enjoyed a pair of masterpieces last week and the result was two triumphs: 8-0 over Inkster and 3-1 over Franklin.

Marvin Martin and George Dobozy took turns in hurling one-hitters.

Martin's came against Inkster and he lost his bid for a no-hit in the sixth inning on a scratch single.

A single by Hopkins in the fifth frame cost Dobozy his no-hit try in the game with Franklin.

Martin whiffed six rivals and never was in trouble after his mates got him four runs in the fifth inning on hits by Kevin Wilkinson, Mike Sparkman and Larry Shanks, along with a walk and a muffed fly.

Four more runs in the sixth sealed matters when Martin, Rick Clack and John Chute singled along with two errors and a walk.

Franklin had ruined Dobozy's shutout in the fourth inning on a walk, stolen base and two infield outs.

But East rebounded with two runs in the fifth on hits

by Wilkinson, Sparkman and Huber's two-run single. Dobozy knocked in the final East run in the seventh.

Garden City West broke even in a pair of league verdicts. After falling, 6-4, to Lowrey in the ninth inning, West outbelted Crestwood, 10-8.

Three runs on two hits and two infield outs broke a 3-3 tie for Lowrey in the ninth. West managed to get a run back in the bottom of the frame on singles by Mike Guzowski and Gary Woodside.

Jim Furay had three hits for West as Bob Gamache suffered the loss, although he

fanned 12 men.

Chuck Evans with four hits in as many trips paced West's rampage against Crestwood. Larry Pierce knocked in two West runs in the third inning and Gamache another in the same frame.

In the fifth, hits by Bob Chidester, Ron Michaud, Guzowski and Woodside added three more runs. Then in the sixth West added three more runs on hits by Evans and Furay, plus two walks and two errors.

Gamache picked up the loss with 2 1/2 innings of fine relief work during which he fanned four.

# Sprinter's Twin Wins Pace Falcon Conquest

With Mike Hines blazing to victories in the two dashes, Farmington high's track team rolled past Stevenson, 84-34, in an Interlakes Conference meet.

Hines had to share honors with sophomore Tom Sacharski of Stevenson who came up with a pair of fine victories in the low and high hurdles.

Sacharski showed plenty of speed. He was timed in 15.2 seconds in the highs,

and 20.6 in the lows, fine efforts for any prep so early in the season.

Farmington was nipped by Redford High of Detroit, 61-56, in a non-leaguer when Redford won the mile relay, closing event of the meet.

Russ LaFevre with two wins in the two hurdles helped to keep Farmington in contention all the way.

The results:

READY TO TAKE OFF is Bob Charles of Farmington as he approaches the bar in meet with Stevenson.

HEADING HOME: Chuck Dickey rushes for the finish line as he anchors Stevenson High's 880-yard relay team in a dual meet with Farmington.

Wayne State University rower Dick Kuhn served as an interpreter in Viet Nam while fulfilling his service stint.

# Thurston Thinclads Breeze Home

Thurston high, always strong in track, continues to roll along—especially in the Northwest Suburban League.

The Townshippers made it 2-0 in the league by turning back Franklin, 67 2/3-50 1/3, thanks to some brilliant individual efforts by Chuck Nole, Ken Blaske and Jim McEwen.

Nole took individual honors in the meet with victories in the two dashes and the long jump.

Blaske broke the tape

first in the high and low hurdles.

Meantime, McEwen set a new varsity record for Thurston in the pole vault when he soared 13 feet, two inches, to crack the old standard by eight inches.

Elsewhere in the Northwest League, it was North Farmington over Oak Park, 81-37, while Groves drilled Glenn, 71-47.

Ross Smith triumphed in the long jump and low hurdles to top North Farmington. Smith also ran the anchor leg on the winning 880-yard relay team.

Jerry Wright stood out for Glenn by coping both the hurdles in the meet against Groves.

The same Wright won the long jump, the high hurdles and 100-yard dash in Glenn's 99-19 romp over Carlson in a non-leaguer.

The Results:

# Observing SPORTS

By George Maskin

The other afternoon, while umpiring behind the plate in a game involving two Catholic school teams in Detroit, four co-eds cornered us as we relaxed between innings.

Through the backstop screen, they let it be known: "We have a problem. Can you help us out?"

Always the accommodating type, especially when the females are concerned, we asked what was wrong.

"Our girls team is supposed to play over there (on an adjacent diamond.) The umpire hasn't shown up. Could you come over there after this game is completed?"

We told the young ladies that we had a dinner engagement that evening and much would depend on how long the game we now were handling, went.

A few minutes later, during another inning intermission, the same girls spoke up again: "We have a great team you know. We won the other day, 24-1. And we were the champs in basketball and swimming and did real well in volleyball last fall."

The girls, we should note, represented a Catholic high school.

Their teams perform as part of the vast Catholic Youth Organization program that includes youngsters in the greater Livonia area.

Girls prep teams!

They're something that not many high schools in Michigan can boast. Just why, is hard to understand.

It just seems that the administrators don't feel, in most cases, the girls should be competing in athletics like their male counterparts.

Nor do the Michigan High School Athletic Association do much to encourage prep sports—female style.

The association does sanction a ski tournament which is open for the beautiful ones. But you'll find no state, or even regional action for girls in activities like baseball, softball, golf, tennis, swimming or what have you.

All of which is a shame . . . because the day after the young ladies made their plea to us, we were sitting in at the weekly meeting of the Detroit Sportsbroadcasters Association.

The guest speaker was Bill Murray, one-time great football coach at Duke University and now a member of the President's committee for Physical Fitness in the United States.

The physical abilities of our youngsters in the U. S. has disturbed a great many people. For example, it was discovered that not too many years ago, youngsters in this country at age 11 or 12 couldn't match boys and girls of the same age class in Europe when it came to physical tests.

Something had to be done here. The big push came (Continued on Page 4-B)

# Stevenson Gets Stuck, Splits in 4-2 Contest

The Stevenson high baseball team found itself "stuck."

Livonia's newest prep nine played twice and each time got involved in a 4-2 decision in Interlakes Conference action.

First there was a happy result—over Pontiac Northern.

Next time, Stevenson ended up on the short end of the count against Farmington, which was restricted to a single game during the week because of ground conditions.

A nifty two-hitter by Paul Tonnemacher got the seniorless Stevenson team (the school has no 12th graders yet) off on the right foot in league action and matched last year's victory record for Stevenson in the conference in a hurry.

Tonnemacher came through with three strikeouts, but was super tough in the clinches.

Hits by Bob See and Chuck Sobczak gave Stevenson a quick lead against Pontiac Northern. Then three runs in the second helped to clinch matters.

Rich Horstman and Tonnemacher walked. Tim DeWitt, John Kladyk, and See followed with hits and Stevenson led by four runs.

Against Farmington, See's double got Stevenson off to a 1-0 lead in the fourth, but Farmington rebounded with four runs in the bottom of the fourth that did the job for the Falcons.

Mike Thompson singled, Price walked and Jim McFarland walked to load the bases. A fielder's choice and error brought in two runs and the final two cashed on Joe Himmelspach's single.

# All Even

(Continued from Page 2-B)

rapped out the only other RU hits.

**Belleville 5, Plymouth 4**  
A three-run triple by Gary Gentile proved the big blow for the winners off the delivery of Pat Williams.

Singles by Russ Carlson, Prochazka and Mike Cederberg netted Plymouth two runs. Two more came in on a double by Williams, single by Cederberg and triple by Gillis.

**Bentley 6, Red. Union 0**  
The Livonians picked on Fox to make things easy for McAlpine, who walked three and fanned eight.

McAlpine himself scored Bentley's first run following hits by Powers and Montroy. Greg Macy then knocked in another tally before hits by Powers, Montroy and Sorenson, along with a walk and two errors gave Bentley three more runs in the fourth.

Another Bentley run in the seventh inning also was unearned.

# One-Run Blues Sink Trojan '9'

The one-run blues sunk Clarenceville High's baseball team three straight times last week.

Steve Dettler fashioned two victories for Stevenson when he won the shot put and then came back to head the field in the high jump.

Twice the Trojans fell in overtime as they dropped a 3-2 verdict to Holly in eight innings and then were nipped, 8-7, by Bloomfield Hills in nine frames.

Another "double" was fashioned by Clarenceville's Brandimihl in the pole vault and long jump.

Five unearned runs helped West Bloomfield to edge Clarenceville, 5-4, for the first time in four years.

Mike Nye suffered the loss against Holly as none of the runs off him, including the winner, was earned. Tom Schlack had two hits to pace the Trojans.

Bloomfield came from behind to score twice in the seventh inning to tie the game and then won out in the ninth on a walk, sacrifice and hit.

Low Hurdles: Harbourne (C), Wendell (S), Pender (S). Time: 20.1 seconds.  
880-yard: Kent (C), Gores (S), Ochsala (S). Time: 2:01.1  
440-yard: Denny (S), Chope (S), Martin (C). Time: 52.9 seconds.  
100-yard dash: Ray (C), Dickey (S), Stearns (C). Time: 10.5 seconds.  
220-yard: Ray (C), Dickey (S), Freeman (S). Time: 23.1 seconds.  
Mile relay: Clarenceville. Time: 3:36.  
Pole Vault: Ray (C), Brandimihl (C), Avis (S). Height: 10 feet.  
Shot Put: Dettler (S), Amick (C), Kinnick (S). Distance: 45 feet, one inch.  
High Jump: Dettler (S), Reynolds (S), Magyar (S), Brandimihl (C) and Wilson (C) tied for second, 5 feet, 8 inches.  
Long Jump: Brandimihl (C), Mastny (S), Harbourne (C). Time: 19 feet, 9 1/2 inches.

Carl Watkins and Nye each pounded out a pair of hits for Clarenceville.

West Bloomfield broke loose for all its runs in the second inning. Clarenceville rebounded with three in the third and one in the fourth.

Schlack, Watkins and Gale Armstrong each rapped out two hits in a losing cause, while Watkins knocked in a pair of runs.

The one-two punch of Ron Ray and Tom Harbourne carried Clarenceville High's track team to a 66-52 victory over Stevenson.

Ray sprinted to victories in the 100- and 220-yard dashes and also copped the pole

vault. Harbourne added to his winning ways in both the hurdles.

# Dancer Dances Home By 9

Nevele Dancer, the three-year-old Muncy Hanover colt owned by Nevele Acres of Ellenville, N.J. and under the supervision of Stan Dancer, proved to the satisfaction of a crowd of 7,123 Friday at Wolverine Raceway that he'll be a contender for the 1967 renewal of the Little Brown Jug Classic next September in Delaware, O.

With Dancer in the sulky, Nevele Dancer turned the 47th revival of the Matron Pace into a one-horse show, winning by nine lengths and still pulling away at the wire.

It was an easy victory for Nevele who battled Bullet Star and Time Clock for the lead in the opening quarter before finally moving to the front just before hitting the quarter pole in 31 seconds.

For all intent and purposes, the race was over at that moment for Dancer kept Nevele Dancer in the lead spot for the remainder of the mile. He hit the half-way point in 1:03.1 and then cut out a sizzling pace in the final half in 1:01 with a closing quarter in 29 seconds and a clocking of 2:04.1.

There wasn't any question in the minds of any of those present that Nevele Dancer was capable of a better clocking. But the competition just wasn't in the field of six rivals and Driver Dancer wasn't about to go all out when he had lengths and lengths on the field and was still going away at the finish.

The victory was a gratifying one for Stan since it was the first time his name was entered in the Matron books as a winner of the ancient three-year-old pace.

It was a bit more gratifying since Nevele Dancer picked up \$14,651 of the \$29,302 purse which was the richest in Michigan annals for a single heat stake. That boosted Nevele's season earnings to \$44,678.

Meanwhile, a field of 16 of the nation's better trotters

will go postward in the \$22,000 Merchants and Manufacturers Trot Thursday. The large entry forced Racing Secretary Bill Connors to divide the stake into two elimination heats with the top five finishers in each coming back for the championship finale.

The stake will go as the fifth, sixth and ninth races. Heading the cast is Paper Boy, who was one of the top pacers in the area a year ago and then was converted to a trotter during the winter months, and Joe O'Brien Dew Drop.

Paper Boy has won six of eight starts as a trotter and figures to make a strong bid for the championship.

Dew Drop was just short of \$10,000 in earnings a year ago as a two and could give O'Brien his second victory. He won several years ago with Home Free when the stake went into an unprecedented four heats before the mare finally won.

# 3 Records For West In Track

They're re-writing the record book in track at Garden City West High School.

Three school standards went by the boards in West's 67-51 decision over Schafer which highlighted a big week for the West track.

They also knocked off Crestwood, 85-33, to make it a sweep in Tri Rivers League performances.

Bill Casper led the record-breaking party when he was timed in 10:17 in the two-mile relay, a second under his former mark.

Dan Bell followed with a record long jump of 22 feet, 2 1/4 inches, to shatter the mark of 21-6 1/2 set last year by Mike Raff.

Then in the high hurdles it was Dan Smith breaking his own standard by one-tenth of a second when he hit the wire in 16.3 seconds. Balance marked the twin victories for West. The team had no double winners.

The results:

GARDEN CITY WEST 67, SCHAFFER 51 (West winners)  
 Two-Mile: Casper. Time: 10:17. (New school record.)  
 Long Jump: Bell. (distance: 22 feet, 2 1/4 inches. (new school record.)

 High Hurdles: Smith. Time: 16.3 seconds. (new school record.)  
 80-yard: Sinta. Time: 2:04.9.  
 440-yard: Wilson. Time: 53.8 seconds.  
 100-yard: Alexander. Time: 10.6 seconds.  
 Mile relay: West (Sinta, Miller, Rhoades, Herrick). Time: 3:40.8.  
 West 85, Crestwood 33 (West winners)  
 Two-Mile: Casper. Time: 10:31.  
 Shot putt: Boliard. Distance: 42 feet, 4 1/2 inches.  
 80-yard relay: West (Fodor, Kennen, Herrick, Alexander). Time: 1:35.5.  
 Long Jump: Bell. Distance: 21 feet, 5 1/2 inches.  
 Mile: Rhoades. Time: 4:53.  
 80-yard: Sinta. Time: 2:09.  
 440-yard: Miller. Time: 55 seconds.  
 Mile relay: West (Wilson, Herrick, Miller, Sinta). Time: 3:41.8.  
 Pole Vault: Wittbrodt. Height: 10 feet, 6 inches.

TWISTING UPWARD is Plymouth High's Bruce Baughman as he seeks to clear the pole vault in meet with Redford Union.

# Sorrows Runs Into Troubles

Neither in baseball or track was it a week that Our Lady of Sorrows high school would like to remember.

The baseball forces lost two out of three while in track Sorrows had an unbeaten record in Catholic League action snapped.

Sorrows started the week with a 4-3 baseball decision over St. James as Greg Main fanned 14 and Jim McGrath drove in two runs and Tim LaFond knocked across Chuck Theissen with the winner in the sixth inning.

Then followed a heart-breaking loss to St. Gregory as Sorrows succumbed, 1-0, in a double one-hitter.

McGrath drilled the lone hit off winner John Turk while Main lost his no-hit in the second after St. Gregory had notched its only run in the first inning on a walk, stolen base, error and infield roller.

Main was back pitching on Saturday and fanned 15, but it did Sorrows no good as Orchard Lake St. Mary's emerged with a 4-2 victory. Walks and errors figured in all the St. Mary's runs.

Hits by Dave Hickey and Tom Webster accounted for Sorrows' first run while McAskin scored the other on a hit, sacrifice and an error.

The trackmen, following wins over St. Gregory and St. Francis de Sales, dropped a 66-52 decision to Ann Arbor St. Thomas.

The Christopher brothers again starred for Sorrows. Mike won the high jump and the low hurdles while Mark Christopher copped the 100-yard dash.

Other Sorrows winners were Valente in the high hurdles, Hprner in the 880-yard run and Hartscock in the quarter-mile.

# Brother Act Paces Rout For Franklin

The Rogalskis—Gary and Bob—turned their brilliance loose in leading Franklin high's track team to a 92-26 romp over Garden City East.

Gary, the senior, won the high and low hurdles, while his "little" brother, "Bob," a sophomore, rushed home a winner in the 100 and 220-yard dashes and also captured the long jump.

East then lost to Inkster, 66-54, in a Mid-Wayne League meet.

The results:

FRANKLIN 92, EAST 26  
 Shot Put: (E), Naal (F), Gadia (F). Distance: 44 feet, 4 1/2 inches.  
 Long Jump: B. Rogalski (F), Troia (F), Brown (F). Distance: 18 feet, 10 1/2 inches.

from the late President Kennedy. President Johnson has carried on.

"There has been improvement," Murray told the sports-casters. "Kids are making progress, physically speaking. But, we still have a long way to go, in certain sections of the country in particular."

Murray made one other important declaration: "Those who study such things have discovered that where there are weak and sluggish bodies, you'll also find weak and sluggish minds."

All of which gets us back to competitive sports in Michigan for the girls on a school level.

We're not advocating that the girls engage in grueling sports. But what's wrong with teams for softball, swimming and basketball following the female rules?

We stopped by to see the girls play the other afternoon. We had only a few minutes and our umpiring colleague cheerfully took over calling the balls and strikes.

What we found was interesting and exciting. It also had to be very wholesome for the girls playing in the game.

## Realty Board Selects Judges for DCSA Contest

A college president, Detroit's leading philanthropist and a sociology professor who gave up teaching to become a civic servant will judge the nominations submitted by the public for what is coming to be recognized as one of the area's outstanding honors.

This is the Distinguished Community Service Award sponsored by the United Northwestern Realty Association — Western Wayne-Oakland County Board of Realtors. Inaugurated in 1964, the award, consisting of a plaque, is conferred annually during Realtor Week.

As in previous years, the recipient of 1967 honor will be one of the community's "unsung heroes" — an individual who, quietly and without thought of special recompense, has performed some outstanding service for other human beings or for the betterment of his or her community.

The panel of judges who will select the winner consists of: Sister Mary Emil, president of Marygrove College; Walter C. Laidlaw, executive vice-president of the United Foundation of Metropolitan Detroit; and Mel Ravitz, Detroit city councilman and chairman of the Wayne County Board of Supervisors.

The three judges themselves have outstanding records of public service, Rich-

ard S. Elsea, president of the United Northwestern Realty Association — Western Wayne-Oakland Board of Realtors, pointed out.

The public is urged to submit the names of persons to be considered by the panel. It will be the duty of the three judges to pick the nominee who in their opinion has done the most outstanding job of personal or community service.

Nominees may be men or women, young or old, Elsea said. The service may have been of long or short dura-

tion, but should include work done in the last year.

Elsea said the only requirement is that the recipient must live in the area served by UNRA-WWOCBR — the northwestern section of Detroit and the western parts of Wayne and Oakland counties.

"The board also insists that the recipient shall not have previously received any award for his work," Elsea said. "Our effort is to reach and honor a person who has dedicatedly and consistently done what he saw needed to be done while the light of public acclaim was shining elsewhere."

Nominations may be sent directly to the Western Wayne-Oakland County Board of Realtors — United Northwestern Realty Association, 11677 Beech Daly Road, Detroit (48239).

All nominations must reach the board by not later than Monday, May 15.

## Michigan Leads U.S. In Sod Productions

Michigan leads the nation in sod production.

In 1966, the state's sod producers grew 20,000 acres of sod valued at \$27 million, according to James Beard, Michigan State University turfgrass researcher.

The total sod industry, including growing, harvesting, shipping and laying, is valued at \$72 million, he said.

Michigan has been experiencing a "boom" in sod production during the last decade. Less than 1,000 acres were grown in the state in 1955. Excellent climate and soil conditions for growing good bluegrass sod are the chief reasons for this "boom," commented Beard. And he said that sod acreage will continue to increase in the future as growers meet the demands of an expanding Michigan population interested in "instant lawns."

Plymouth Coed Honored At Valparaiso University

VALPARAISO, Ind. — Miss Eileen Marie Ash, daughter of Mr. and Mrs. Edwin W. Ash, 333 Pacific, Plymouth, was one of 301 Valparaiso University students given recognition for a academic achievement at the annual Spring Honors Convocation. The program honored those students who earned a grade of 2.5 points or better under a 3.0 system during fall semester, 1966-67. Miss Ash is a senior in the College of Art and Sciences.

Secretary of the state Tax Commission since 1949, Kane served for 13 years on the Wayne County Board of Supervisors and was assessor of Wyandotte from 1936 to 1949.

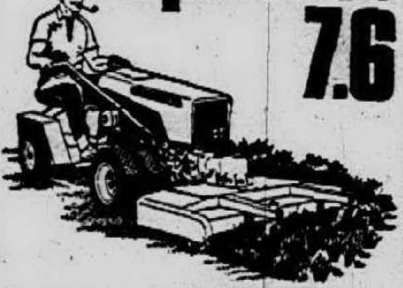

Some homeowners have been disturbed at having their property assessed at 50 per cent of its true value," Kane said. "As a result, their taxes have gone up."

"What they don't realize—or just don't want to admit is that for many, many years, their assessments have been much too low. They simply were not carrying their fair share of the tax burden."

"At one time your degree of wealth was represented by what you owned in property, and was the sole means of taxation. But times have changed. Wealth is now an intangible thing—the state is supported by excise taxes and the property tax is only for the maintenance of local county government," Kane concluded.

# Buying a Home? Be Sure To Look for "Hidden Hazards"

There are many "hidden hazards" to home buying and real estate titles, according to a new, nation-wide survey by the American Land Title Association.

Fraud and forgery have invaded a comparatively new field—real estate—and "lively corpses," (missing persons long legally presumed dead), missing heirs, overlooked tax liens, marital mix-ups, faulty surveys, similarities in names that cause trouble in legal documents—these and many others can snarl the title to land.

There are scores of true

## Lawn Needs More Seed

Fertilization and bolster seeding are essential to any good lawn, reports a Michigan State University crop scientist.

C. M. Harrison points out that fertilizers comparatively rich in nitrogen are recommended for grass. And he offers some tips for applying this lawn food effectively.

"Granular or pelleted types of fertilizers apply neatly with spreaders and roll from foliage so that there's no danger of burn," he explains.

"Recommended rates are about one pound of nitrogen for every 1,000 square feet of lawn. That would be about three pounds of a fertilizer containing 35 per cent nitrogen or five pounds of one containing 20 per cent nitrogen. The percentage will be listed somewhere on the bag."

To bolster seeding, Harrison recommends top quality seed such as bluegrass fine fescue mixtures.

"These are usually sown about two pounds to every 1,000 square feet, but half this rate should be enough for bolstering. Highland bluegrass can be sown even more lightly since there are about seven million seeds to the pound. To do this conveniently, however, may require diluting the seed with some extender such as corn meal."

As for getting lawn programs started, Harrison advises "the earlier the better." But he points out that new seeding does not sprout immediately in cold weather; weeks are needed when the soil is not much above freezing.

"But it's still good to get the seed into the ground early," he says. "It works nicely into the frost pits if the soil freezes at night."

cases reported that could have come straight from an Alfred Hitchcock thriller, reports James Robinson, Secretary of ALTA.

Take as an example last year's most spectacular series of forgeries. A \$3-million empire was built in Texas by a series of forged mortgage "releases" by a large real estate operator who suddenly developed a passion for gambling trips to Las Vegas, fast women and slow horses.

The forger had duplicates of the corporate seals of lending companies prepared, copies of the proper mortgage release forms used by lenders printed, and carefully practiced the signatures of the corporate officers authorized to release mortgages—whose names he knew.

In one example of surpassing boldness, the forger mortgaged, "released" and remortgaged the same piece of property no less than seven times.

The forged documents were recorded by public officials to whom they looked perfectly genuine and in correct form.

The pyramid of forgery did

## On the Lawn

With Larry Lawrence

Was life so much easier in the old days? Maybe yes. Maybe no. It all depends on what you have in mind. If you're thinking about fixing up the lawn, no.

I remember, and it wasn't so long ago at that, when there were three things we had to do every Spring no matter what.

First we had to fill the big heavy roller with water and trundle it over every inch of lawn. Then we had to spread lime, a nasty, messy job if ever there was one. And then we had to get down on hands and knees and grub out old crabgrass plants. How we kids hated that.

Well, today, you don't do a single one of those chores. Rolling went out of fashion when we realized that it simply compacted the soil and did more harm than good.

We quit liming when we discovered that it didn't really neutralize an acid soil. And we no longer pull out crabgrass. We know that new plants can come only from seed in the soil. And we can prevent them sprouting with a pre-emergence control.

Today, even Junior can feed an average lawn in a half hour. The same length of time to put down crabgrass controls. Both jobs in our hour. And not even get his hands and knees dirty.

not come to light for months—because the forger kept up payments on the bewildering array of mortgages himself.

Finally, a disastrous gambling trip to Las Vegas ran him out of money and the whole pyramid collapsed—into the laps of title insurance companies.

Michigan had several spectacular real estate forgeries last year, Robinson reports.

In one case, over 50 forged deeds came to light—all signed by various owners' names

to a series of deeds by a dishonest salesman.

Even the "witnesses" names were fictitious or signed by derelicts. The notaries' acknowledgments were also forged.

Another Michigan forgery case involved a \$155,000 loss to title insurance companies on a tract of land being assembled for a shopping center.

An essential parcel of land, title to which was seemingly clear, was purchased. Then, from out of

the blue, came word that a mortgage "release" was a forgery.

"Lively corpse" cases arose in Georgia and Chicago. The Georgia case was typical. Years ago, a salesman, in a hotel that caught fire, was missing and presumed dead in the disaster. Then his wife died and he returned. Meanwhile, his property had been sold and he sought to reclaim it.

His wife "nagged" him, the man said, and he had simply walked away from the fire. He lost in his efforts to recover his property.

"John's Other Wife" cases arise frequently. Typical was a New Jersey case in which home buyers purchased a house from a supposedly happily-married "Mr. and Mrs. John Doe."

Later, the real wife, estranged from her husband, and living in California, threatened suit against the new owners for her dower rights in the property.

The title insurance company paid the loss. The deed from the woman posing as the "wife" could not dispose

of the real wife's interest in the property.

Missing heirs, deeds from persons declared mentally incompetent, overlooked liens and easement, incorrect surveys, and missed provisions of divorce decrees, judgments

and wills are among other frequent causes of title snarls, Robinson said.

"In many cases, such as fraud, forgery, marital irregularities and so forth, these "hidden hazards" cannot be uncovered by a search of the

land records," Robinson notes, "for the simple reason that such things are not on the records."

"Title insurance is really the only protection against scores of hidden hazards when buying real estate."

## See Doctor Before Starting Long Trip

A good place to start your vacation planning is in your dentist's chair or your doctor's office.

This isn't because they know about better places to go. It's because it is wise to have any family medical or dental problems taken care of before setting off on a vacation trip. There isn't much you can do about a toothache on a trip to the mountains.

This advice comes from the editors of one of the country's largest-selling travel handbooks.

Other advice on advance vacation planning from these travel experts includes:

•Write for information. State fish and game commissions and parks departments can supply a wealth of material on recreation possibilities in their areas.

•Make reservations early. Many even remote places are getting more crowded these days as urban and suburban growth forces vacationers to travel farther afield in search of nature.

•Work up a family-oriented itinerary. Dad may want to go fishing and boating, but Mom and the kids may want to sightsee as well. Books such as the Mobil Travel Guides are valuable in itinerary planning because they list sightseeing possibilities and other tourist attractions along almost any route you will take.

•Budget your trip. Travel Guides are helpful here as well. You can figure in advance how much you'll have

to pay for motels and other travel facilities along the way.

•Check your outdoor gear. It's bad enough to sleep on an air mattress with a leak, but it's worse when you realize you could have taken care of the repair weeks before. The same general rule applies to boats, outboard motors and, of course, your automobile.

# Build a Patio and Enjoy Year 'Round Vacation

Why restrict your vacation to two weeks a year? With proper house planning, the fun and relaxation of out-door living—which personifies most vacations—can be enjoyed all year long.

The key to year-round out-door living is a glass-enclosed patio. During the warm weather, it's a sun deck, an outdoor dining room, and the perfect place for a barbecue. During the winter, it keeps the family from being cooped up indoors, and lets them enjoy the beauties of the snow season from the comfort of the house.

To get the most in convenience and year-round pleasure from a patio, it must have a good location and proper windows and doors.

A southern exposure is best, because it affords plenty of sunlight but doesn't bring excessive heat. A western exposure is less desirable, because the afternoon sun can make the room uncomfortably hot in the sum-

mer. The patio can be protected from the wind, by locating it on the lee side and letting the house act as a wind shield.

To make the patio a natural extension of the house, link it to an indoor room with a new sliding door. A stock ponderosa pine door with insulating glass in a weatherstripped wood sash is

a practical choice. Tests show that the combination of insulating glass, weatherstripping and wood sash affords the best protection against heat loss in winter, heat gain in summer, drafts and condensation (moisture that can form on glass surfaces and sash during cold weather).

Similar care should be

taken in choosing the right doors and windows for the patio enclosure.

The wide visibility essential to a patio can be ob-

tained by stacking a series of awning windows, which open out, or hopper windows, which open in. They give the effect of glass walls, and since they open at a 90-degree angle, give maximum ventilation. Sliding windows in wood frames, which give picture-window visibility in an operating unit, are another excellent possibility. A sliding glass door is usually used as a patio entrance.

All patio windows and doors need insulating glass and effective factory-applied weatherstripping. The insulating glass, now obtainable in all stock units of ponderosa pine, assures year-round comfort and eliminates the need for storm sash. The weatherstripping seals out air infiltration and the tiny insects that can come right through screens. Wood sash on the windows and doors

adds a decorating bonus—it can be painted different colors inside and out to blend with the interior and exterior color scheme of the house.

Other assets that a patio should have are a good view, privacy (this can be achieved with a good fence or high hedge), good lighting and some storage space for recreational equipment.

The proximity to nature and the opportunities for outdoor living that a patio affords gives a pleasant "vacation" atmosphere to your house all year long. It helps stretch these meager two weeks to an enjoyable 12 months.

## Record Summer Fun In Photos

Summer holidays deserve to be recorded on film. And, of course, they should feature the small fry of the family. Photos of them each summer provide a permanent pictorial record of their growing up... and a record of family fun over the years.

All pictures should be meaningful—and especially those of children. In order to get those very-special, never-to-be-duplicated shots, here are a few tips from the Argus camera people:

1. Let the children get acquainted with the camera. Have them look it over. 'Shoot' a lot of pictures without film. They'll get used to the camera and eventually ignore it—and you.
2. When you do put the film in, expect to waste some of it. Youngsters move about quickly, and you cannot get two seconds later what you had two seconds before. Be patient.
3. Provide a diversion for a child. For example, give a toy to a baby or suggest a shell-collecting or tree-climbing adventure to an older one. Get set yourself, and wait for the child to 'come' to the camera. Children are not professional models, and it is always an error to expect them to strike the right poses at the right moment. If they do, all the charming natural feeling disappears!
4. Set your background carefully. You want it to show—at least in part—your vacation spot. So pick a background that has importance, that symbolizes your holiday. This might be one giant tree, a view of sand dunes, a skyline, or a boatyard. Whatever it is, let your young subject play around for a few minutes and relax.
5. Remember that the most perfect background—to your eye—can be a cluttered, busy one to the camera's eye. Your eye discards all the unimportant, distracting elements—without your eyes realizing it. The camera records everything faithfully. So try to remove unimportant details or concentrate on a small significant area. With an easy-to-use Instamatic camera (such as the Argus 284), you can focus and shoot so quickly that it is practical to take several almost-the-same versions of the same scene. You'll be amazed at the difference in the final results. And you'll learn as you go.

## Don't Make Mistakes In Appraising Home

Too many people are today making the mistake of appraising the value of their homes themselves when selling them. This can result in a loss in either of two ways: they may appraise too high and not be able to sell their home, or they may set the price too low and thereby lose money.

"The average layman, when he puts his house up for sale, doesn't have the proper information to evaluate the selling price. Too high and you can't sell it, and the longer it's on the seller's market the harder it is to dispose of it. Too low and you stand to lose hundreds, even thousands, of dollars," Roe advised.

Long-time real estate appraiser Harold E. Roe voiced this warning in speaking to the luncheon meeting of the United Northwestern Realty Association.

Roe explained that a competent appraiser gets his price information from the realty market by putting a mirror to it—but sometimes personal prejudices can distort that image.

To assure accuracy the appraiser uses a three-step approach to pricing a home. "First you check comparable homes to see what their sales price was," Roe said. "Then you check current listings of homes for sale in the immediate vicinity to see what they're selling for. Finally you check on expired listings—homes that didn't sell."

"These three criteria form a pretty reliable picture of a home's worth," Roe continued. "A competent Realtor or appraiser can do the job—the importance of the appraisal is to have the fair market value and consequently being able to sell quickly," he concluded.

Additional performances are scheduled for May 5, 6, 7, 12 and 13. The Livonia-Redford Theatre Guild production of the same comedy opens Friday for a three night stand at Stevenson High School in Livonia.

Aristophanes "Lysistrata" as translated by Douglass Parker retains all the ancient bawdiness that accompanied old Greek classics. By present standards of our New Morality "Lysistrata" should be a hilarious howl from beginning to end.

Yet the sexy situations and the constant rowdy references do not send the audiences at the Hilberry Classic into paroxysms of laughter. Rather a nervous laughter seems prevalent to hide the embarrassment of the audience members.

The Greeks liked their sex served open and straight-forward. Over the years the gloss of sophistication has been interwoven with a bit of Puritanism. As a result, many of the lines spoken in this steamy version of "Lysistrata" hit a 1967 audience a little off-balance.

When the Douglass Parker version of "Lysistrata" was performed on a nationwide tour in the late 1920's, it was done in modern dress. Perhaps the change of costume had a quieting effect on the raucous dialogue. The Hilberry Classic version with the female members gambling about the stage in flesh-colored, one-piece tights only heightened the already ear-searching effect of the dialogue.

Old Wally is no prude. Far from it. He enjoys a suggestive line or a spicy situation when it is cleverly done. To overdo the situation only makes the entire concept drown in its own sensational stew and be guilty of poor taste.

**Harmonicist Sets Date At Mercy**

One of America's masters of the harmonica, Richard Bain, will appear as soloist as well as program commentator when the United States Navy Band, conducted by Lieutenant Commander Anthony A. Mitchell, USN, performs at Our Lady of Mercy High School auditorium in Farmington on Saturday, May 13.

No other service band features a harmonicist as a musical star. But Richard Bain has made his little mouth organ as important as any of the 125 other parts of the famous Navy ensemble.

An alumnus of the famed Borrah Minevitch Harmonica Rascals, Bain has demonstrated the harmonica's potential as an instrument for serious music. A leading critic recently labeled him "the Heifetz of the Harmonica."

Bain's connection with the Navy began when he was called from his career with the Rascals to serve a two-year term. After his discharge, he began a concert career as a harmonica soloist, appearing with Fred Waring, the Boston Symphony Orchestra, and on the Ed Sullivan TV show. He was recalled to the Navy during the Korean conflict, and since then has performed as guest soloist with the Army and Air Force Bands as well as in his Navy capacity.

# Schoolcraft Slates Summer Music School & Festival

A four-week Summer Music School and Festival from July 3 through 28 has been announced by Wayne Dunlap, director of music at Schoolcraft College.

The school will provide instruction in chamber music and orchestral literature to advanced high school and early college students, Dunlap said. College credit is available to those who wish it.

The Festival will provide a series of weekly concerts on Wednesday and Friday nights. The Wednesday evening Court Concerts will be performed by the Court Orchestra composed of faculty members augmented by other professional musicians. Friday night concerts will be performed by the student orchestra. Music of

Haydn and Hindemith will be featured.

Soloists for the Court Concerts will be William Doppman, pianist, July 5; Leslie Eitzen, mezzo-soprano, July 12; the Kenneth Jewell Chorale, July 19; and Paul Doktor, violinist, July 26.

The school faculty includes a number of members of the Detroit Symphony. Faculty members are:

Emily Mutter Austin, violin, member of the Detroit Symphony, and concert master of the Plymouth Symphony and the Community Center Symphony; Inez Hurlinger Redman, violin, concert master of the Grosse Pointe Symphony;

David Ireland, viola, member of the Detroit Symphony since 1952; Barbara Fickett, cello, former member of the Rochester Philharmonic, and

a graduate of the Eastman School of Music; Marilyn Jones, flute and woodwinds, music instructor at Cass Tech, Detroit; Robert Cowert, oboe and woodwinds, member of the Detroit Symphony, and former principal oboe with the Atlanta Symphony;

James Tamburini, trumpet and brass, first trumpet with the Detroit Symphony for 22 years, and a music faculty member at Wayne State University and Oakland University; Allen Shafer, piano and music theory, member of the Schoolcraft College music faculty; and Dunlap.

The school is designed for advanced musicians of high school and early college age who are performers on strings, woodwinds, brass and piano, Dunlap explained.

"Particular attention will be given to contemporary music idioms and techniques of ensemble playing," the director said. "In addition to instrumental work, all students will participate in musicianship classes design-

ed for performing musicians. "All students applying for the school must have the recommendation of a music teacher. Maximum participation and instructional attention will be assured each student," Dunlap said.

Registration for the school is scheduled for June 26 and 27, from 9 a.m. to noon in the college library, but students must indicate by June 15 their intention to enroll, Dunlap said. Tuition is \$40 for the four-week school.

## Two Gilbert and Sullivan Satiric Productions Set

A combined twin bill of Gilbert and Sullivan will open May 12 at the Southfield High School. The plays are "Trial by Jury" and "H.M.S. Pinafore."

Players in the production are members of the St. Bede Players of Southfield. Additional performances are scheduled for May 13 and 14. Curtain time is 8 p.m. Friday and Saturday and 7 p.m. Sunday.

## Meadowbrook Sets 1967 Concert Season

Oakland University's sparkling hit, the Meadow Brook Music Festival, bears real promise of topping its own remarkable record for quality and excitement in the summer ahead.

Plans of the 1967 event, June through August 20, call for a "new look" eight-week season available to subscribers in two four-week programs, a roster of soloists, guest conductors, and repertoire of a stature presented on one series.

Sixteen Ehrling will conduct the Detroit Symphony Orchestra in 22 of the 32 scheduled concerts. Four concerts each will be conducted by Charles Munch, former Boston Symphony director, and Hiroyuki Iwaki, noted Japanese conductor appearing for the first time in the United States in a guest role. Robert Shaw, head of the Meadow Brook School of Music choral and orchestral programs, will appear on the series for two performances.

All performances will be in the Howard C. Baldwin Memorial Pavilion. Concerts will be presented Thursdays,

Fridays, and Saturdays at 8:30 p.m., Sundays at 6:30 p.m. Festival subscribers will be admitted free to five student orchestra concerts conducted by Robert Shaw the Wednesday evenings July 5 through August 2.

Instrumental soloists will include pianists Valdmir Ashkenazy, Van Cliburn, Misha Dichter, and Nicole Henriot-Schweitzer; violinists James Oliver Buswell IV, Itzhak Perlman, and Gordon Staples; Allen Chase, trombone; and Arthur Krehbiel, French horn.

Vocal soloists will include Jane Marsh, soprano, and Jan Peerce, tenor. Choral soloists include Janice Harsanyi, soprano; Florence Kopleff, contralto; John McCollum, soprano; and Jon Humphrey, tenors; Yi-Kwei Sze and Thomas Paul, basses.

The Festival committee has commissioned Ernst Krenek to write a major orchestral work tentatively titled "Horizon Circled" for premiere Aug. 12-13. Eugene Zador's Trombone Concerto will be premiered July 20-21 with Allen Chase the soloist.

A CHINESE STYLE birthday party, complete with hats, chop sticks, and fortune cookies, was held April 15 to mark the 10th birthday of Kathleen Milczak, daughter of Mr. and Mrs. Stanley Milczak, of 30495 Elmwood, Garden City. The parents posted Chinese signs throughout the basement to round out the Oriental setting.

## Teenager to Solo At Concert May 7

The Sunday, May 7 concert of Southfield Junior Symphony will feature LeAnn Toth, 15, violinist, playing the first and second movements of the Bruch Concerto in G Minor. The 3 p.m. concert will be held in the auditorium of Southfield high school.

Peter and the Wolf, with narration by Mrs. Virginia Borts of the high school staff, will also be presented, as well as the Water Music by Handel and the Dierdre Overture by Whitney.

This is the second concert presented this year by the Southfield Junior Symphony, a group of 70 teenagers from throughout Wayne and Oakland Counties.

Tickets will be available at the door or from student members.

## Slides To Be Shown

Slides of "Famous Women on Coins and Medals" will be shown at the May 14 meeting of the Livonia Riverside Coin Club. The session will begin at 2 p.m. at the Livonia Police Station.

## 'Thurber Carnival' Closes WSU Season

"A Thurber Carnival," revue of sketches of American life created by America's leading humorist, will close the 16th season of Wayne State University's Bonstelle Theatre with seven performances starting Friday, May 12, at 8:30 p.m.

The sketches by James Thurber include "The Fable of the Unicorn in the Garden," "Mr. Preble Gets Rid of His Wife," and the famous "The Secret Life of Walter Mitty."

Additional performances

will be given Saturday, May 13, and Sunday, May 14, and Thursday through Sunday of the second week, May 18-21. Curtain time will be at 8:30 p.m. with the exception of the Sunday matinees which will begin at 2:30 p.m.

Tickets for all regular Bonstelle productions are available at the WSU Ticket Office, Cass and Putnam, or by calling 833-1400, extension 265. Tickets may also be obtained at all Hudson's and Grinnell's stores.

# Mission Doctor Will Address Church Group

Dr. Bethel Fleming, Methodist medical missionary currently on a year's furlough from duties in Nepal, will tell some of her experiences at the May 10 meeting of the Women's Society of Plymouth Methodist Church.

Dr. Fleming and her husband, staying this year in Albion, have served with United Medical Mission in Kathmandu, Nepal.

The Flemings were the first missionaries allowed into the country of Nepal, in 1954. Five mission-supported maternal and child health centers have been established and Dr. Fleming's husband, who is superintendent of the United Medical Mission, provides much needed surgical services.

Dr. Fleming is a native of Elysburg, Pa., a graduate of Lambertville High School, Lambertville, N. J., graduated from Wilson College, Chambersburg, Pa. with an A. B. Degree; and from Woman's Medical College of Pennsylvania.

Luncheon will be served at 12:15 p.m. by Mary Circle, and the Executive Board will meet at 10:30 a.m.

# Nativity Dinner Offers Special Entertainment

The second annual Mother-Daughter banquet of the Nativity United Church of Christ, Livonia, will be held May 16, at 6:30 p.m. at the church, sponsored by the Women's Fellowship.

Each of the fellowship circles is participating in the planning. The Rebecca Circle, with Helen Folk as chairman, is in charge of the program.

The Rhapsody of The Arts, will be chosen by Rosalind Heitzman, who has also presented the program professionally in both the Chicago and New York City areas for the past 15 years. She is an artist who illustrates classical music by drawing large colored chalk illustrations with both hands in time with music.

The dinner will be cooked by Robert Diesing, whose hobby is being chef for large groups.

The Nativity United Church of Christ is located at 9435 Henry Ruff Road. The two Sunday services are held at 9:30 a.m. (in conjunction with church school), and 11 a.m. The Rev. Edward Reinhardt is the new pastor.

# Viet Panel Discussion Set By Temple

"A Vietnam — Are There Alternatives?" is the subject of a panel discussion at a town hall meeting to be conducted by Birmingham Temple Wednesday, May 10, at 8:30 p.m. at the Robert Frost Junior High School, Oak Park.

The viewpoints of labor, religion and the academic community will be represented on the panel, and Rabbi Sherwin T. Wine will moderate.

Participants will be Emil Mazey, secretary-treasurer of the United Auto Workers; Dr. Otto Feinstein, associate professor of international relations in Montclair college of Wayne State University; and Ralph Kerman, program secretary of the American Friends Service Committee.

Rabbi Wine will discuss "The New Morality" at Birmingham Temple's regular Sabbath service Friday, May 5, at the junior high.

# 'Creative Dissent' Round Table Topic

The Rev. Robert E. Willoughby, pastor of the Mount Olivet Methodist Church, Dearborn, will be the principal speaker at the season's final meeting of the Women's Division of the Detroit Round Table to be held at 1 p.m. Wednesday, May 10, at Temple Israel.

"Creative Dissent" will be his topic. A social hour and refreshments will be enjoyed prior to the program.

The Rev. Willoughby has been called "the minister who moves from the pulpit to the picket line." He has been a leader in his church for civil rights and took an active part in the Southern

FASHIONS FROM HOOPS TO MINIS will come front and center at a style show to be staged at St. Matthew Methodist Church, Livonia, at 7:30 Friday, May 12. The church women have collected dresses, wedding gowns and children's clothes from many periods in American history for the show. A sampling here includes Marilee Sheber, in a taffeta gown of post Civil War days; Betsy Wackenfuss, showing a flapper dress of the twenties; Jeanne Lefstead, in a granny nightgown and Mary Beth Roberts in today's mini-skirt.

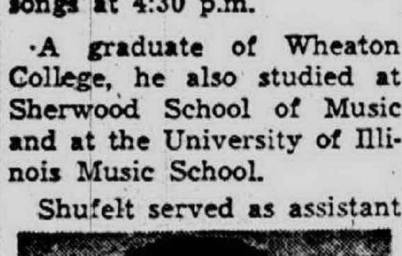

# Gospel Singer Will Perform At Calvary

J. Stratton Shufelt, internationally-known gospel song leader and soloist, will appear Sunday, May 7, at Calvary Baptist Church, 43065 Joy Road, Plymouth.

He will sing at all the morning services and present a concert of sacred songs at 4:30 p.m.

A graduate of Wheaton College, he also studied at Sherwood School of Music and at the University of Illinois Music School.

Shufelt served as assistant

J. STRATTON SHUFELT

to the late Dr. A. W. Tozer of Chicago's South Side Alliance Church for a number of years; and was associated with the late Dr. H. A. Ironside for nine years as minister of music and youth director at Moody Memorial Church.

He has made several trips abroad. These include the Moody Centenary meetings held throughout the British Isles with Dr. Ironside; the rallies to establish Youth for Christ in Europe with Torrey Johnson and Billy Graham; campaigns throughout the major cities of Europe with Spencer DeYoung,

# Augsburg Secret Pals Hold Meet

Mary Lou Rupp and Esther Engel were named to head the Augsburg Lutheran Church Secret Pal group for the next 18 months when the group held its annual banquet recently. Secret Pal names and gifts were exchanged, and the group decided to change its banquet month from April to October.

# New Plan to Aid Lutheran High Schools Announced

Lutherans in this area and throughout metropolitan Detroit are being asked to aid their church's high schools in a new way.

The campaign by the Lutheran High School Association of Greater Detroit is for one dollar a month—or more if possible—for new facilities for Lutheran West and Lutheran East.

First aim will be an auditorium-gymnasium addition for each school so that they can qualify for accreditation by the North Central Association.

With 1,250 students now enrolled and many more wanting to enter the two Lutheran High Schools an expansion program has become vital.

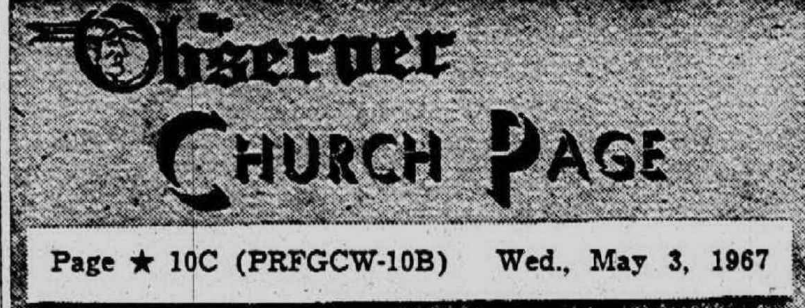

Delegates have been appointed from each of the 62 congregations that belong to the association and other congregations will be approached to appoint delegates. These people who have been appointed will be responsible for seeing that every member of their congregation is given an opportunity to join the "Dollar-A-Month Club."

The students from the two high schools will also work on the campaign.

John Korff and Larry Harabadian are co-chairmen for the program.

Dr. John Choitz, superintendent, announced that as soon as pledges totaling \$15,000 per month are in, the association will hire the architect for the additions.

The program will be a continuous one over the years to help meet the ever-demanding needs for expansion of the schools.

Drama in Church

Cyrano de Bergerac Comes to Livonia

... and tonight, when I enter before God, one thing shall be without stain, unspotted from the world, and that is ... my white plume."

This famous death speech of Cyrano de Bergerac climaxes a life of self-sacrifice and ridicule, yet colored with excitement, humor, beauty and poetry.

The sanctuary of St. Paul's Presbyterian Church in Livonia will become the stage for a unique theatrical experience on Wednesday evening, May 10, as Edmond Rostand's tragic comedy comes to life.

The Inspiration Players, a touring repertory company, use professional actors of all races and denominations who are willing to take time out from their careers and devote several months to the work.

Professional theatre, and to provoke thought, to provide controversy, to cheer, to entertain, and in the last analysis to praise and worship God through the medium of drama.

The staging of the play is open and free, using whatever facilities are offered. En-

trances and exits are made not only from the chancel but from the audience and the rear of the church. There are no sets used, for the chancel lends itself as a set and creates a mood and atmosphere far better than any set designer could envision.

The costumes are colorful

and authentically reproduced. The classics, when performed in the chancel, seem to ring with a truth and validity which would be difficult to reproduce in any theatre.

The annual Ladies' Night Dinner of the Men's Council precedes the performance of "Cyrano" by the Players, to which the congregation and the community are invited, at a cost of \$1.50 per person.

The performance, for which there is no charge, is scheduled to begin at 7:45 p.m. For 6:30 dinner reservations, please contact St. Paul's Presbyterian Church office, 27475 Five Mile Road, GA 2-1470.

Organist Pipok Gives Concert

Arthur E. Pipok, organist who has served churches in Livonia and Northville, will join mezzo-soprano Donia Demray in a concert of sacred and secular music at St. Andrew Methodist Church, 18700 Joy Road, Detroit at 4:30 p.m. Sunday, May 7.

Pipok currently is organist and music director at St. Andrew's.

He has been director of music at St. Matthew's Methodist-EBU Church in Livonia and organist and children's choir director at Northville Methodist.

A graduate of the Detroit Conservatory of Music, Pipok has served on the executive board of the Detroit Guild of Church Musicians of the Metropolitan Detroit Council of Churches and is a member of the National Fellowship of Methodist Musicians and the Chorister's Guild.

Pipok will play several organ selections and accompany Mrs. Demray, who has made radio appearances singing Ukrainian music.

THE FOUR QUESTIONS were asked to begin the second day of Passover in the Robert Fox household in Livonia by their two sons Jeff and Paul. Thus the Seder began. The Jewish youth asked the traditional questions in Hebrew and their Uncle Lou Pearlman carried on the rest of the traditional Seder service in Hebrew. The head of house gives the blessing and the traditional food is served recalling Israelite suffering in Egypt symbolized by the Matzah, bitter herbs, egg and dried meat with the cup of wine.

Bethany Baptist Sunday School Gets 'New Look'

A "new look" is developing at the Sunday school of Bethany Baptist Church, 34541 Five Mile, Livonia.

And in keeping with the trend of change — both in physical facilities and organizationally — the church launched an intensive drive Sunday to bring the attendance level to 250 a Sunday by June 4.

New department superintendents have been appointed which have permitted a complete age level breakdown in the Sunday School. The basement has been reworked to permit the Sunday School to have all separated departments.

Plans to add a young married couples class, plus a career class for those out of high school, are in the making. Teacher training classes

will begin in May for the teaching staff.

The church offers a well rounded program for the youth of this area. Regularly girls meet for activities on Tuesday evenings. Christian Service Brigade for boys convenes every Thursday evening.

The Pastor, Dr. Bert C. Kreller, comes from a teaching position at Baptist Bible Seminary, Johnson City, N.Y. Dr. Kreller is a graduate of Dallas Theological Seminary, and a teacher at Detroit Bible College.

Bethany Baptist Church invites the community to see the "new look" in the Sunday School and to meet the staff.

REV. WAYNE W. KOENIG

Rev. Koenig To Leave Holy Trinity

The Rev. Wayne W. Koenig, pastor of Holy Trinity Lutheran Church, 39020 Five Mile Road, Livonia, has accepted a call to be pastor of Christ Lutheran Church in Hickory, N.C.

He has served in his present post nearly six years.

Pastor Koenig graduated from Concordia Seminary in St. Louis in June of 1961 and arrived in Livonia in August.

His church's first service was held Nov. 5 of that year in the Lincoln School, and the congregation continued to meet there until its building was dedicated May 19, 1963.

In that time, the original 25 families had increased to 350 communicant members.

Pastor Koenig was elected Circuit Counselor by the Michigan District in 1966, and is secretary of the Detroit Pastoral Conference. For the last three years he has been serving Lutheran children in the Wayne County Home and Training School.

The Rev. Ronald Starenko of Faith Lutheran Church will be interim pastor until the congregation can meet with district officials in calling the next pastor.

The farewell sermon and services will be held on Holy Trinity Sunday, May 21, with communion celebrated in both the 8 and 11 a.m. services. Pastor Koenig, his wife, Ruth, and their son, Jeffrey, will leave for North Carolina shortly after that.

The music room in the Gunzaga University faculty residence is dedicated to Bing Crosby.

Tickets for 'Messiah' Now

The Livonia Youth Symphony Society announces an advance ticket sale for its performance of Handel's "Messiah" at 8 p.m. May 14 at Franklin High School in Livonia.

Performing will be the Bentley Concert Choir, the Livonia Youth Symphony Orchestra and the professional soloists, Dorisene McNally Davis, soprano, Alice Riley, contralto, George W. MacDonald, tenor, and Duncan Sells, bass.

A limited number of seats are still available. Reservations for tickets may be made by calling 427-4416.

Garden Club to Install Officers

Mrs. Arthur Jerolman will be installed as president of the Rosedale Gardens branch of the Women's National Farm and Garden Association at the group's meeting at 11:30 a.m. at the clubhouse.

A luncheon is planned with Mrs. Everett Given as chairman. Members are asked to bring a May basket with a house plant to exchange.

Other officers to be installed are Mrs. William Balg, first vice president; Mrs. Jack Roe, second vice president; Mrs. Leslie Daniel, recording secretary; Mrs. James Lynch, corresponding secretary and Mrs. Van D. Barns, treasurer.

Hats and History Form Topic for Mt. Hope Meeting

"Hats and History" will be the topic of the Women's Fellowship of Mount Hope Congregational Church, Thursday, May 4, in the chapel, 30330 Schoolcraft, Livonia.

Brunch will be served at 12:30 p.m. by the Miriam Circle.

Guest speaker is Jane G. Winther, who is associated with Sperry and Hutchinson. She will talk on hats dating from 1896 to the present. Modeling the hats will be

Mrs. Richard Argyelean, Mrs. Richard Nott, Mrs. Raymond Popp, and Mrs. Carl Ufferman, Livonia; Mrs. Harold Butler and Mrs. Keith Knapp, Detroit, and Mrs. Thomas Chenot of Farmington.

Mrs. Charles R. Kerruish, president of the Women's Fellowship, will preside and devotions will be given by Mrs. Ruth Saunders. Information about the Women's Fellowship may be obtained from the church office, 425-7280 or Mrs. Kerruish, 837-6070.

Detroit Bible College Plans Ladies Day

Detroit Bible College plans a "Ladies Day" program at the school May 8. On this special day all ladies in the Detroit area are invited to join the tours, programs, and luncheon that will highlight the day. It offers an opportunity for those not familiar with the school to visit classes and inspect campus facilities.

Mrs. Henry Holloman, wife of one of DBC's faculty members, will be the featured speaker. She will talk on "Serving Christ in the Home."

The visitors to the campus will start the day off by registering at 10 a.m., after which they attend a special service in Walker Chapel at 10:45 a.m. Following this there will be a tour of campus facilities, including a visit to classes.

At 12:15 p.m. there will be a brief program and luncheon in the cafeteria. Reservations should be made by calling UN 4-8400.

Corenstone Set By Faith Lutheran Church

Faith Lutheran Church, 30000 Five Mile Road, Livonia, laid the cornerstone for its new sanctuary and school addition Sunday, April 30.

The afternoon ceremony marked the third cornerstone-laying by the church during its 14 years in Livonia. The first came April 12, 1953, in its original building, and the second Feb. 26, 1956, in the present parish hall where the congregation has been worshipping since then.

The new sanctuary is expected to be completed by October this year. Taking part in the ceremony Sunday were the two pastors who have served Faith Lutheran, The Rev. Ronald C. Starenko, present pastor, and his predecessor, the Rev. Fred W. Balke.

After the laying of the cornerstone, members and guests were invited to tour the construction and remain for a pancake supper and entertainment.

# Citizens' Committee Tells Board of High School Plans

A presentation was made recently by members of the High School Planning Committee to the Board of Education. The purpose was to present the Committee's position on the kind of high school being planned. This was to serve as a guideline for future planning by individual committee members.

After a careful review, the Board of Education approved planning and directed that individual departmental planning begin.

Meanwhile, departmental teachers were meeting with consultants in their fields, visiting other schools, meeting with fellow teachers, and research in professional literature.

After accumulating facts and opinions each departmental member of the Staff Steering Committee put in writing the kind of facilities they felt were needed for the new school. They presented these to the committee as a whole who gave opinions and made suggestions for possible improvement.

Final departmental specifications were developed after the review with the Citizens' Committee.

The following describes briefly the kinds of facilities now described in detail in the educational specifications.

The science department will be set up in two clusters of four rooms each. One cluster will be made up of biological science, and the

other of physical science.

Between these two will be the preparation-storage area. Part of this area will include a small animal and plant laboratory for biology. Four seminar rooms for small group discussions and four small labs where individual student experiments may be conducted and left without being in the way of regular work, are part of the departmental request.

The science department is also requesting that a small greenhouse, less than 500 square feet, be provided in the science complex. It was the committee's opinion that such a facility could help the students' curriculum because of every five students in the Plymouth schools take

biology.

There will be eight regular math rooms. Two additional rooms will have movable partitions that will be pulled across the room dividing it into three small rooms or when drawn back could be used as a full size room.

These rooms divided by partitions can be used as one of 720 square feet; two rooms one of 240 square feet and one of 480 square feet; or three small rooms of 240 square feet each.

Besides being small seminar stations, small classes of advanced placement could use such facilities and not take full size rooms for 12-15 students.

The English department will be made up of 13 stand-

ard size classrooms. Four of the rooms will have movable walls. When the room is not in regular use the partitions can be closed.

This way several different types of classes can make use of one room during any given period of the day. Two of the 13 will have adjacent sub-spaces of 400 square feet for the purpose of supporting activities such as the school's yearbook, newspaper, etc.

There will be 10 social studies rooms and adjacent to each will be a small conference work room large enough for a group of 8 to 10 students to work together. Two pairs of rooms of the 10 will have partitions dividing them to be opened for team teaching. This arrangement

will provide for team teaching in areas of American history, government, etc.

There will be a large social studies laboratory centrally located in the department. This room will house social studies materials used by the students. It will have work areas for student projects, space for tapes, records, maps, globes, etc.

It will be large enough to pool all social studies resources for student and teacher use. The lab should create an atmosphere that will encourage interest in the social studies area.

There will be seven foreign language classrooms. Electrical connections will be embedded in the floor of each room so that if desired they might be equipped with individual headphones for each desk.

At the present time only one of three rooms will be equipped with basic listening-response equipment, although it will be possible to use "headsets" in all seven classrooms, if needed.

This recommendation of using less expensive equipment in more than one room is being used in the newer high schools today. The reason for a change from a sophisticated language laboratory to headsets in regular classrooms is that it is cheaper and offers more scheduling advantages for students each day.

Following articles will discuss other facilities being planned for physical education, industrial education, home economics, business education, fine arts, etc.

## Praise Two Companies For Clearing The Air

Mrs. Frederick Davids, wife of Col. Davids, head of the Michigan State Police, who fought for more than 10 years to get rid of the air pollution problem presented by the Burroughs Corp. and Evans Products plants, recently presented a resolution to the Plymouth Township Board thanking the two

companies for their fine cooperation.

The resolution was approved unanimously by the Trustees and reads as follows:

"WHEREAS, we, the citizens of Plymouth Township and the Plymouth Township Board of Trustees have requested cooperation with Plymouth Township Industry in the matter of the unwanted drama of air pollution.

WHEREAS, it is usually impossible and uneconomic for a small unit of government to solve such problems independently.

WHEREAS, those companies in our industrial area, namely Burroughs Corporation and Evans Products, who, at great expense, at the request of this Board and our citizens have attempted and did eliminate excessive air contaminants.

WHEREAS, it is proven that industry can and will pitch in to demonstrate to the public that this problem of pollution can be solved if we all coordinate our efforts.

Therefore be it RESOLVED, that the Plymouth Town-

ship Board of Trustees, acknowledge with thanks, the excellent community spirit and cooperation given by Burroughs Corp. and Evans Products, in controlling emissions from their respective plants which will benefit our entire area."

Rep. Schmidt Tells of Job Opportunities

The Michigan Civil Service Commission is now accepting applications for several state jobs, according to Republican State Representative Louis E. Schmidt of Livonia.

Representative Schmidt announced this week that a May 8 deadline has been set for submission of applications for various positions as Education Technical, Civil Engineer, Custodian, Motor Vehicle Operator and Crime Laboratory Scientist.

There are five openings for Crime Lab Scientists, with salaries ranging from \$7,000 to \$19,000. Three custodial positions have a pay range of \$4,950 to \$7,000, and two openings for Motor Vehicle Operators have a pay scale of \$4,950 to \$6,040. The Educational Technical position salary ranges from \$6,500 to \$8,200 and the pay scale for the Civil Engineer opening is \$9,200 to \$10,200.

Open competitive and promotional examinations, if required, will be administered June 10. Oral appraisals may be required for some of the positions; and applicants will be notified in such cases by the department.

Representative Schmidt suggested that anyone interested in more complete information about the qualifications and salaries of these and other state employment opportunities should contact their local state employment office or write to the Michigan Civil Service Commission in the Lewis Cass Building in Lansing.

Brinn. Breithaupt joined the college staff last fall and has been in charge of the culinary arts instruction program since it began in August.

## Modern-Day Jill Takes Up Hammer

"Do it yourself" could make a fast revival in home modernization and building if more high school girls would learn skills to enable them to help a future "hubby" beat some of the mortgage rap.

At least, this would seem to be warranted if Jill White, Thurston junior, is a sample of a new generation of "turned-on" girls who can use tools because they learned the skill in high school shop courses.

"Girls have taken shop many times in the past," Ron Knittle, Thurston teacher pointed out, "but Jill expresses a growing interest of the fair sex in using tools for the fun of it."

Proud of the cedar chest she just completed, Jill maintains that girls can get as much satisfaction out of working with wood as boys. There is no reason why the basement shop should not be used by girls to develop hobby interests.

"The double standard in what boys do and girls do for recreation is for the old days," she declares.

Latest item on her work agenda is an intricate piece of cabinet building for her government teacher, Lee Alpern. "Poor Alpern had no place to keep his films so I decided to make a cabinet for him," she related.

Jill knew she was curious about making saws bite into wood, but she got her first real enthusiasm for carpentry when she found that she could do just as good as any of her male classmates

## Observer WORLD of WOMEN

Wednesday, May 3, 1967 Page ★ 1C

### Note to Our Readers

Addition of a weekend edition to three of The Observer newspapers means that deadlines for submission of news from clubs and churches must be observed strictly.

News for the Wednesday editions must be submitted by the Friday before publication, and for the Sunday editions by 12 noon of the Tuesday before publications.

With the extra editions, we will be able to accept two-column pictures of brides in the area. The charge for a two-column picture will be \$5, and brides preferring a one-column picture will be charged \$2.50. All engagement pictures will continue to be one-column and cost \$2.50. This fee is payable when the picture and information is submitted.

The Observer reserves the right to decide in which edition each picture will be used, and they will be published generally in the order received. Our general policy of publishing only pictures of brides will be continued.

MISS HOLLIDAY PARK is Linda Lippert, Little (left) and Shirley Newlove. All three girls are students at Stevenson High School in Livonia. The Trio were among the seven contestants among girls who live in the townhouse complex on Wayne Road near Joy.

## Crown Miss Holliday Park

A Westland girl received a title, crown and bouquet of roses Sunday as a belated birthday gift.

The girl, Linda Lippert, marked her 17th birthday last Thursday, just three days before winning the first annual Miss Holliday Park title.

Linda, an 11th grader at Stevenson High School in the Livonia School District, will represent the Holliday Park (also known as Three Fountains) Townhouse complex in the May 14 parade to be held as part of the week-long celebration to mark Westland's first anniversary as a city.

The queen and her court will ride in a decorated float in the Sunday parade.

In the court are Stevenson High School 10th graders Deborah Ann Little, who will be 16 the day before the parade, and Shirley Ann Newlove, who passed her 16th birthday April 19.

The Holliday Park queen, picked over six other contestants in judging ceremonies held in the Three Fountains Clubhouse, is the

daughter of Mr. and Mrs. Charles G. Lippert, of 34579 Fountain Blvd.

She will travel to Europe this summer as part of the Foreign Exchange Student program. The blue eyed, brown hair girl plans to become an occupational therapist following graduation.

Deborah, who plans to become a physical therapist, is the daughter of Mr. and Mrs. Donald Little, of 34486 Fountain Blvd. She has brown hair and hazel eyes.

Her co-runner up, Shirley Newlove, lives across the street at 34541 Fountain Blvd. She is the daughter of Mr. and Mrs. George Newlove.

Shirley, a strawberry blonde with blue eyes, hopes to become an artist following graduation.

The three were picked by a panel of six judges on the basis of beauty, poise and personality.

The other four contestants were Pat Wilson, 19, Adrienne Olweean, 19, Debbie Landry, 18, and Cynthia Allen, 17.

The queen commented after her selection that she did not plan to enter the competition, open to single girls in the townhouse complex, but was convinced to become a contestant by a mother who calls upon Linda as a baby-sitter for her children.

Four well-known personalities are announced as speakers for the 1967-68 Farmington Town Hall Series.

They are actor Walter Slezak, fashion designer Genevieve Antoine Dariaux, television star Bess Myerson and correspondent and commentator Alistair Cooke.

The series, new in Farmington next year and the third Town Hall program in the area, is sponsored by the Soroptimist Club of Farmington, and the lectures will take place at 11 a.m. on Thursdays at Northland Theater in the Northland Shopping Center.

Proceeds will be given the first season to the capital building fund of the Farmington YMCA.

Tickets will be \$10 for the four lectures, and may be purchased from Soroptimist members by calling GR 4-6479 or MA 6-3642, or by mail by sending a check to P.O. Box 504, Farmington.

Celebrity luncheons will be held following each talk at the Glen Oaks Golf and Country Club, 30500 Thirteen Mile Road.

Curtain-raiser for the series will be Slezak's talk on "Show Business Is No Business" on Thursday, Oct. 26. The actor has starred on stage, screen, radio and television and is author of "What Time's the Next Swan?"

Mme. Dariaux will speak Thursday, Nov. 16, and her talk will be titled "Tips from a Paris Fashion Expert." She is director of a top Paris fashion house, Nina Ricci.

"Woman's Place in a Changing World" will be the title of the March lecture by Miss Myerson on Thursday, March 21.

Cooke, who has won the Peabody, Sylvania and Look awards for his television commentaries with the British Broadcasting System, will speak on "What Has the United Nations Done?"

The University of Detroit is located on the site of the old Hofkney Farm Onion Patch.

## Conservation Professor to Talk to Nursery

Dr. William B. Stapp, associate professor in the department of conservation, University of Michigan, will speak on "A Walk Through the Woods," at the next regular monthly meeting of Redford Township Cooperative Nursery School.

The meeting will be held Tuesday, May 9, at 8 p.m. at the Parkway Heights Free Methodist Church located at 23705 Plymouth Road, just east of Telegraph Road. Anyone interested in attending this meeting is welcome.

For further information about the nursery school, call Pat Higgins at 534-8707 or Joanne Warren at 427-1294.

Flamenco Guitarist Jean Agopian

## Flamenco Guitarist Joins Choral-Airs' Latin Show

The Choral-Airs will feature flamenco guitarist Jean Agopian in their forthcoming

show, "Goin' Latin," May 5 and 6 at Franklin High School.

Agopian, a member of the Classical Guitar Society of Michigan, provides the traditional Spanish gypsy music in the Choral-Airs program of Latin rhythms.

Although he is a relative newcomer to the area of flamenco styling, Agopian has studied classical guitar for five years.

He performs regularly for the Classical Guitar Society and for private parties. He also teaches beginning classical guitar.

"Goin' Latin" also features a jazz dance routine by the Robert Lee Dancers of Garden City and special rhythm accompaniment by Art Wiard and Lance Richards.

The Choral-Airs, a women's singing group sponsored by the Livonia recreation department, will perform the annual show in two sections, a formal series of musical selections and a lighter part featuring south-of-the-border numbers. William Roth directs the group.

## Two Area Toastmistress Clubs Meet

The Redford and Greater Detroit Toastmistress Clubs held a joint meeting on Tuesday, April 25, at 6:30 p.m.

Directors of the event were program chairmen, Saimi Backonen of the Greater Detroit club, and Mrs. W. White of the Redford group.

The theme of the meeting was "Harmony—Key to Achievement" and featured an Oral Reading Workshop under the supervision of Mrs. F. Reinhart, a member of the Pleasant Ridge Players and the Detroit Club.

Staging the evening's activities was Redford Toastmistress Mrs. John Grab.

Heading the Greater Detroit contingent was President Mabel Courtney, accompanied by Mrs. Margaret Hart and Mrs. Lilian Pfeiffer who presented the Closing, Invocation and General Evaluation report respectively.

**Women on the GO!**

By Margaret Miller

"I haven't done anything really outstanding — I'm too busy," insists Livonia's dark-haired Mrs. Daniel Reddington.

That may be. But the list of un-outstanding things Mrs. Reddington has accomplished is rather staggering.

For instance, she's a regular blue ribbon winner with her paintings in art shows, her garden products in horticulture exhibits, her arrangements in flower shows.

She's studying art and French at Madonna College, taking a couple of courses a semester and setting her sights on some sort of teaching career.

She's an avid recipe collector; one of her recipes won a "Better Homes and Gardens" magazine contest and another was used a few weeks ago by Detroit television personality Carol Duval on the TV "Living" program.

She appeared several years ago on the television show "The Price Is Right" and won a wig "long before they were popular" and about \$200 worth of clothing and jewelry.

She's treasurer of her husband's Livonia firm, Michigan Partition Co., and has taken an active part in his business.

Once, while living in Marietta, Ohio, she was runner-up in the local Mrs. America competition.

For a time she led a Girl Scout troop in an Ohio orphanage.

Last summer, she and Mrs. John McKenna, a fellow member in the Livonia Branch of the Woman's National Farm and Garden Association, taught flower arranging to between 30 and 40 Livonia youngsters in varying age groups.

And, the most recent honor, Mrs. Reddington and Mrs. McKenna joined forces with Mrs. Joseph Nagy to create a flower arrangement called "Moonlight Sonata" and displayed in the Wright-Kay Co. invitational "Treasures of the World" show in its downtown Detroit store last week.

The flower arrangement used a lovely little bust of Beethoven as its focal point and was one of the exhibits from the show chosen for a telecast.

"It was only half finished when we took this picture," said Mrs. Reddington, "but working on it was a wonderful experience."

That probably would be Eileen Reddington's description of just about all the activities that fill her busy days.

She loves the gardening hobby she shares with her husband and their two daughters, 13-year-old Mary Eileen and Ladonna Marie, 10. She encourages the girls in their interests in Girl Scouts and school activities.

She finds her college work fascinating, and has learned that interest in one art form leads to knowing more about others. "You know," she said, "we have to write a paper for our final exam in art."

Mrs. Reddington thinks she would like to work with senior citizens when she finishes school and gets around to teaching.

"My mother is a widow," she explained, "and knowing her friends I've learned their need for creative outlets as they have more time. And they have so much wisdom to share!"

The flower arranging for youngsters last summer was a delight to both teachers and participants, and in a wealth of entries for the Association's September exhibition.

"Some of the teen-agers showed lots of talent," their teacher said, "and we even had little boys displaying their bug collections. The kids are asking now when we're going to have classes this year. We'll do it if we can find the time."

That's really Eileen Reddington's biggest problem — to find days long enough for all the non-outstanding things she'd like to do.

Alpha X Delta To Hear 75th Birthday Plans

I don't know who first said that a rose by any other name would smell as sweet, but he could also have said that a daffodil by any other name would look as sweet.

These Spring favorites are known as daffodils, narcissus, and jonquils. The terms can be used interchangeably, but narcissus is the real botanical name. Daffodil is the popular name for all types of narcissus (narsissi is really the correct plural), but daffodil is sometimes used to designate just the kind with the central part of the flower formed into a large trumpet.

Jonquil, too, is often used in a broad sense, but is sometimes used to designate the type with slender rush-like leaves.

There are many lovely types available and by carefully selecting the proper types, you can have daffodils in bloom from early April until the end of May.

The miniature daffodil "February Gold" is one of the very first to bloom. Next comes the type known as "Lent Lily," and after that the beloved "King Alfred" and other trumpet types.

The trumpet daffodils are the most popular. In addition to the golden yellow "King Alfred," white "Beersheba" and pink "Mrs. R. O. Backhouse" are frequently planted in local gardens.

The Pheasant's Eye is a striking example of the type known as poets daffodils. The petals are white and the short flaring cup is yellow edged with deep scarlet.

Other daffodils include the poetaz with clusters of small flowers on each stem, double flowered forms, the tiny hoop skirt daffodil and types with flared or with pendant flowers.

Daffodils can be grouped in beds for a formal effect in the garden or they can be naturalized in an open woodland or sunny meadow. Clumps can be planted in a perennial border, in a rock garden, or in front of shrubs. They can even be grown in planters or pots.

They are easy to grow and will thrive in any well drained soil. It is important to leave the leaves after the flowers fade so that food can be stored in the bulb for next year's flowers.

# Mr. Lutz and Miss Eddolls Are Married

Mary Joanne Eddolls, daughter of Mr. and Mrs. Leslie Eddolls of Dearborn, became the bride of Theodore John Lutz, son of Mr. and Mrs. Theodore H. Lutz of Livonia, April 19 in the Rosedale Gardens Presbyterian Church. Dr. Richard C. Dunkelberger performed the ceremony which was followed by a reception in the social hall of the church.

The bride, escorted to the altar by her father, wore a white linen sheath gown with a scoop neckline accented with pearls. The crown of her veil fanned out in petals with a pearl in the center. She carried a bouquet of white carnations.

Her matron of honor, Mrs. Judith Fresard, sister of the groom, wore a floor length aqua gown and carried a bouquet of aqua carnations.

John Hasselbach was the best man, and ushers were Lawrence Osiecki, and Joseph Fresard, brother-in-law of the bridegroom.

The bride was graduated from Edsel Ford High School and is employed by Burroughs Corp. in Dearborn. Her husband was graduated from Bentley High School and Western Michigan University and is serving with the U. S. Navy aboard the U. S. S. Polk County.

The couple honeymooned in northern Michigan before the bridegroom resumed his duties with the Navy.

In some portions of the country the Christmas Poinsettia is regarded as a weed.

MARILYN GIBSON

Mr. and Mrs. Maurice Gibson, of Butternut Avenue, Plymouth, announce the engagement of their daughter, Marilyn Ruth, to Spec. 4/c James Robert Lee, son of Mr. and Mrs. J. C. Lee, of Burroughs Avenue, Plymouth. Both are graduates of Plymouth High School. The bride-elect is a student at Schoolcraft Community College and her fiance is stationed with the U.S. Army at Fort Bliss, Texas.

KATHLEEN WHYTE

Mr. and Mrs. George Whyte, of Livonia, announce the engagement of their daughter, Kathleen Janice, to Airman 3/c James Nelson Gray Jr., son of Mr. and Mrs. James Nelson Gray, of Ludington, Mich. The bride-elect is to graduate from Bentley High School in June and her fiance is a graduate of Ludington High School and stationed with the Royal Air Force in Lakenheath, England. No date has been set.

SUSAN SMITH

Mr. and Mrs. William C. Smith, of Westland, announce the engagement of their daughter, Susan, to James C. Tuttle, son of Mr. and Mrs. Stewart Firestone, of Port Huron. The bride-elect is a graduate of Franklin High School. Her fiance, a graduate of Garden City High School, attends Eastern Michigan University. The couple plans to marry June 17.

PENNY DECKER

Mr. and Mrs. Arnold W. Decker, of Wentworth Avenue, Livonia, announce the engagement of their daughter, Penny Rene, to Stanley Igielski, son of Mr. and Mrs. Joseph A. Igielski, of Parkdale Avenue, Livonia. The bride-elect will graduate from Bentley High School in June, and her fiance is a graduate of Franklin High School. No wedding date has been set.

# Achille-Appleberry Wedding Held in St. Bernadine Church

Louis Frank Achille claimed Noel Ann Appleberry as his bride in a double-ring ceremony April 7 at St. Bernadine of Sienna Church, Westland.

The bride is the daughter of Mrs. Howard E. Appleberry, of Joy Road, Westland, and the bridegroom's parents are Mr. and Mrs. Peter J. Achille, of Grove Drive in Livonia.

William H. Appleberry gave his sister in marriage,

and the Rev. Father Joseph Kress heard the couple's vows.

Seed pearls and crystal beads, all hand sewn by the bridegroom's grandmother, Mrs. Anne Caruso, trimmed the bride's gown and veil. White rice-paper silk and chantilly lace were used for the bouffant gown, fashioned with basque bodice and cathedral train.

The bride wore an illusion veil held in place by a tiny lace pillbox, and carried white carnations and stephanotis with an orchid in the center.

The bridegroom's sister, Patricia Achille, was maid of honor, and the bridesmaids included two other sisters, Paula and Mrs. Kenneth Daniels, along with Patricia Letteroff, Patricia Creede and Mrs. Kenneth Miller, cousin of the bride.

All wore pale turquoise crepe gowns with lace bolero jackets and carried white carnations.

Kenneth Daniels was best man, and the ushers were Roy Barton, Kenneth Miller, and three cousins of the bridegroom, James Gambino, Louis B. Achille and Louis J. Achille.

A reception at Roma Hall followed the wedding. The

couple is living on Hillcrest Avenue, Livonia, following a Florida honeymoon.

The new Mrs. Achille is a graduate of Franklin High School and employed by Alexander Hamilton Life Insurance Co. in Plymouth. Her husband, a Bentley High graduate, is employed by Madison Tool Co., Ferndale.

# 20th International Ball Set for Cobo Hall May 6

All of the elegance of a 17th century court ball will be reflected in the Grande Polonoise which will launch the program for the 20th International Ball at Cobo Hall Arena Saturday evening, May 6.

The International Institute is staging the ball from 9 p.m. to 1 a.m., with music during the evening by Al Navarro and his orchestra.

Pageantry of nationality costumes from all over the world will be observed against a backdrop of the more formal dress of patrons and other guests.

Everyone in the Detroit

area is invited to attend by Mr. and Mrs. Kenneth R. Yager, general chairman, and Mrs. Frederick J. Schumann.

Dance groups to perform will include American Indian, Hungarian, Korean, Ukrainian, Lithuanian, Israeli, Hindu, and African, all in authentic nationality dress.

Each season the International Ball serves a double-barreled purpose: an evening of pleasure for those attending and the plus feature, the gesture of hospitality extended to foreign students, who attend free of charge, because someone purchased a patron's ticket for \$10. More than 200 foreign students attended the Ball in 1966. General admission is \$3.

THE 20th ANNUAL International Ball, to be held at Cobo Hall Saturday, May 6, has these two Farmington gentlemen among its hard-working supporters. I. Paul Tesoro, 33125 Maplenut, is chairman of the committee on arrangements, and Walter T. Frontczak is executive director of the International Institute, sponsoring the ball.

## Teamsters Winners In DPW Voting

With 10 of the 11 eligible workers voting "Yes," the Teamsters Union won the right to represent the Plymouth Department of Public Works in bargaining with the City Commission on future contracts.

The vote, conducted by the State Mediation Board, was held last Thursday and found only one dissenting ballot.

All DPW workers with the exception of Supt. Kenneth Vogras, Assistant Al Dietrich and a probationary worker were declared eligible for the election.

And that means City Manager Richard Blodgett and members of the employee relations committee of the City Commission will start dealing at once with the Teamsters representatives on a contract and working conditions for the DPW workers.

### Senior Citizens Plan Trip to Ann Arbor

Plymouth's Senior Citizens will attend the annual May party of the Ann Arbor Club Thursday evening in the Ann Arbor High auditorium. The bus will leave the City Hall at 6:45 p.m. in order to get to Ann Arbor in time for the start of the festivities at 7:30 p.m.

Those interested in making the trip should make reservations with Mrs. Dorothy Wilhelm before noon on May 4.

The Plymouth club will hold its regular monthly meeting at 1 p.m. Thursday in the Masonic Temple.

The club entertained members of the Soroptimist Club in April at which Robert Green, of the Adult Education Department, was the principal speaker.

## Rights Group Raises \$630 For Scholarship

The Plymouth Assembly for Equal Opportunity has raised \$630 of the \$800 needed for the scholarship for a Negro student to Schoolcraft College. That was the announcement at the April meeting when it was decided to continue the award to Brenda Parker.

Students are chosen on the basis of ability and need. The scholarship, by the rules of the Assembly, must go to a Negro student.

Donations have been received from individuals, civic and church groups.

Richard McGhee, community relations specialist from the Community Services division of the Michigan Civil Rights Commission, was the principal speaker at the April meeting.

Persons desiring to make contributions to the scholarship fund may send checks to Schoolcraft College, Plymouth Assembly for Equal Opportunity Scholarship Fund, and mail directly to the college.

# Evans Reports 1st Quarter Profit Drop

PORTLAND, Ore.—Evans Products Company announced that sales and rentals for the first quarter of 1967 were \$65,512,000 compared with \$66,440,000 for the same period of 1966, and net earnings were \$925,000 compared with \$2,169,000 for the first quarter of 1966.

The company reports that although revenues and net earnings in the first quarter were lower than those of last year, results for the entire year should be substantially better than those for last year.

Sales and rentals of the Transportation Equipment Group were up from the very good first quarter of 1966 as

a result of increased production of railcars. However, earnings for the Group were down slightly as a result of a decline in shipments of a maintenance-prevention equipment.

The company predicted that speedy restoration of the 7 per cent investment tax credit should stimulate orders for both railcars and railcar equipment, which have lagged generally in

the last six months since the investment tax credit was suspended.

The Capp-Homes Division enjoyed a substantial increase in orders for future deliveries

compared to the first quarter of last year.

The company further stated that the tight money situation which prevailed through most of 1966 continued to make itself felt, particularly in the residential construction and the mobile home markets.

As a result, first quarter sales and earnings in the Building Group were off substantially from the very strong first quarter of 1966.

However, the company notes that the availability of funds for residential and mobile home financing is definitely improving, which should stimulate housing starts and mobile home sales later in the year.

## Census Takers Start Work on School Lists

Plymouth's annual school census began Monday with crews starting the task of getting a count of all children from birth through 19-year-olds.

The census will include all children born on or after June 1, 1947.

Supt. Russell Isbister indicated this is the first year the school census has started on May 1. New legislation extended the period throughout

the month of May instead of the final 20 days as in the past.

A total of 11 enumerators have been assigned an area within the school district and will call at each home within that specific area. The enumerators include:

Mrs. Kathleen Allison, Mrs. Dorothy Archer, Mrs. Elma Banta, Mrs. Betty DeKarske, Mrs. Esther Foreman, Mrs.

Judy Minote, Mrs. Mary Kasbohm, Judy Kisabeth, Mrs. Olive Olson, Joyce Rafe and Mrs. Margie Swan.

The purpose of the census is to secure certain statistical data regarding pre-school children and children of school age up to and including 19-year-olds. Census data assists in planning the physical, instructional and financial needs of the district.

### OBSERVATION POINT

By Philip H. Power

All in all, I guess it was a pretty lonely Love-In.

Sad, too, like love is sometimes. And it all started so well.

Lotsa people got together down at Belle Isle on Sunday afternoon. Maybe 3,000; maybe 6,000. Depends on which cop you talk to.

Some were hippies, whatever that means. "They sure dress funny," I heard one guy say.

Some were high school kids, from places like Grosse Pointe High. Out for a laugh, but drawn by something more appealing than just a joke. Something like personal freedom, maybe.

Some were people living out on E. Jefferson, who just happened to wander over to the island. They were pretty quiet.

Not as many Negroes as you would have thought. Perhaps they weren't hip to that particular scene. More like they expected trouble.

Then there were the motorcycle boys, with a scattering of urban hoods. Some wine. More beer.

The motorcycle crowd looked as though they felt a little out of place. No one wanted much to give them flowers.

All these people, together with the agents of society (policemen, reporters, gutsy sociologists), coming together beneath the trees, tramping the soft soil into mud.

It was all pretty hairy.

Some people stood around, listening to the bongos and guitars, feeling a little embarrassed that we were fighting in Viet Nam.

"Man, I always sing," said one beard to a long hair. But mostly people just wandered around, looking.

Some were loving.

A blond walked over to a mounted policeman's horse and kissed it gently on the soft nose.

The cop smiled.

Families were sprawled out under the trees, drinking wine. Kids, mostly babies. Dogs. No cats.

Some weren't loving so much.

Men (hippies and non-hippies) were wandering around with that darting restless look they get when there are loose chicks around and there's a chance of some action.

Some guy, wearing a blue nylon jacket with "Hamtramck Water Polo Club" written on the back, tried a line and was told to get lost.

The hoods stood around, looking taut and aggressive. And a little bit scared.

The motorcycle gangs mostly were given a wide berth.

And in the background, the ruuum, ruuumuuuum of cycles being kicked over. A funny kind of thunder before the rumble.

It all had a kind of bittersweet quality, even the riot at the end. Somehow, a lot of flowers the girls were wearing got squished in the mud.

As we left, a girl walked up to us and said, "Would you like some candy?" "Sure."

As I took it, the suspicion we all learn from childhood came back. "Never take candy from strangers," say the mothers. I wondered briefly if it were poisoned. Then I ate it.

It tasted good.

The girl smiled.

I felt good.

Maybe love-ins don't work. Maybe hippies are queer and dress funny and don't wash. Maybe hoods start rumbles just for kicks.

But still I wonder.

Out here in the suburbs, things are reasonable and adult. No hippies. Few beads.

But has a stranger ever offered you a piece of candy, in all innocence and candor, just because you were another human being?

## LETTERS TO EDITOR:

### No Discrimination at College

Editor:

In a story carried on page 16A of the April 26, 1967 Observer, it was reported that the following charges were made against Schoolcraft College by Marvin Gibson: (1) The school discriminates against Jews and Negroes (Mr. Gibson is Jewish and his charges imply that this is why his contract was not renewed), (2) the administration, faculty, and school paper boycotted a speaking engagement which he had arranged, (3) The school questioned his use of audio visual and programmed learning methods. It was further stated that Mr. Gibson has written letters to the Civil Rights Commission, The Civil Liberties Union, and the North Central Association requesting that action be taken against the school.

I am not in a position to speak for the school as I do not know exactly what the administration policies are. However, as a student at the college I was in a position to make observations from a student level.

I am an adult (mother of five school-age children) and I have taken nine courses for a total of 31 credits at Schoolcraft College in the past 20 months. Most of my teachers were excellent, a couple satisfactory and one seemed incompetent as a teacher. This one was the Mr. Gibson mentioned in the article. I had signed up for his evening class because I would not need a sitter at that time. However, after attending two sessions (three hours each) it was apparent that it would be a waste of time to continue the class under such a poor teacher. I told the counselor at the school why I wanted to drop the class and was transferred to a daytime class.

As far as Mr. Gibson's charges are concerned:

(1) If there has been any discrimination, it has not been apparent to me. True, the number of Negro students is small but the percentage of Negroes living in the Schoolcraft district is small. Those who do attend are — to the best of my knowledge — treated no differently than any other student.

(2) I assume Mr. Gibson is referring to the speaking engagement of Mr. Boyce, a Negro professor from Wayne University. I was told of the event several times in my classes and it was also in the daily bulletin more than a few times. The basis for this charge, like the first, was not apparent to the students. I personally missed the speaker because it conflicted (time-basis) with my other classes.

(3) This third charge concerning instructional tools is hard to believe since almost

every teacher I had made use of some type of teaching aid. They have used overhead projectors, movies, records, and programmed learning. It seems that the teachers are free to use that which they feel is beneficial to the class and some of that which was presented might even be classified as controversial.

As I said, I am not speaking for the college... only my own observations. I do not know why Mr. Gibson's contract was not renewed by the administration. However, it seems that Mr. Gibson has been offended and is seeking a very childish means of retaliation.

Human rights and civil rights must be observed — but the rights of those who wish to learn must not be sacrificed solely to keep the incompetent employed.

Redford Township

Second: The Livonia Family "Y" Building program received tremendous support from the citizens and leaders of our community. Many of the men treasure memories of their boyhood association with the YMCA — and they have been and still are active members, regardless of the innovations prompted by the progress of the 20th century. If you had kept up your membership in the YMCA, George, instead of your other memberships, you might have retained the Christian attitudes of your youth.

Third: All parents of the children involved in the Sex Educational Program at the school in our area were invited to attend a meeting prior to the start of the program. We, as interested and concerned parents, were there to offer suggestions and review the outline to be followed. Where were you? Your wife was there and publicly praised you for helping to instigate this program in the Livonia Schools while you were serving on the School Board Advisory Council. You seem to follow the same monotonous pattern — after any progressive program is introduced, you start "spouting off" — but you're too busy reading your dictionaries to offer any constructive advice at the start of the program. The real merit is not in the success, but in the endeavor.

The outlines followed by the school were given to every parent whose child was involved. You say that the outline, entitled "Human Growth and Development" is inappropiate since human growth and development is what our children are experiencing now — not "marriage."

We use this "pollyannaish" signature only in the hopes of avoiding any further confusion and embarrassment for your children and ours.

Your "mentally jaundiced" neighbors

### ANSWER TO JAMES F. O'NEIL, STATE BOARD OF EDUCATION

Editor:

So we citizens are just "wringing our hands and cursing the darkness" about fiscal reform. Well, answer a question then, Mr. O'Neil.

I thought fiscal reform meant just what the words imply. REFORM. Not necessarily an income tax, or an additional sales tax, or a new corporation tax, or a city income tax but REFORM OF THE EXISTING TAXES which would make them more equitable to us (as you call us) Mr. and Mrs. Individual Citizen.

We have been up to Lansing on several occasions doing our level best to understand the workings of the legislature. I visited your department and was treated with the utmost respect, everyone went way out of their way to make we citizens at home BUT they never intended to listen to anything we might have to say to

them. As far as your department is concerned, it was quite evident that the State Board of Education decided the Community College issue without any regard for what Mr. and Mrs. Citizen wanted, needed or were willing to pay for. To pacify a powerful political bloc (Detroit) the State Board sold the 28 Western Wayne County and Downriver School Districts' graduating students "Down the river". If and when the issue ever gets on the ballot, prove me wrong if you can.

As far as we citizens of the Wayne-Westland area are concerned (and your letter appeared in our paper so I presume you were directing it to us), our legislators, namely, Senator Faust and Reps. Tierney, Petipren and Young have displayed over and over again their deep concern for our problem, their compassion for our impossible position (school aid) and their willingness to work with us towards an equitable solution. Can you say as much? You definitely voted against

us time and time again. Against the higher education opportunities of our students as well. Disappointed in our State Board of Education? You bet I am!

I can hear you asking what are my humble ideas on Tax Reform? Glad you asked. Being Mrs. Individual Citizen, owing no allegiance to anyone but myself, I would go after the all-powerful "sacred cows" of this state. The liquor discounts, the drug lobbyists, the outmoded Conservation bureaucracy and most especially the untaxed advertising industry, newspapers, radio, television and magazines. I would attempt more than lip service and "passing the buck" but, fortunately for you men in Lansing, I'm just Mrs. Individual Citizen who can't possibly know what she is talking about.

I'll tell you this, if you in Lansing hold that candle high enough, we'll light it with a blaze seen from one end of this state to the other.

Disagrees With Letter Writer

Editor:

After reading Mr. Kindred's letter, I feel obligated to defend the YMCA and its concept. I believe the object of the YMCA is fellowship regardless of race, color or creed. As to a meditation room being devoid of religious symbols or texts, people can worship God in an empty room because it is a spiritual matter. How many religious services have been held on a battlefield with the people still feeling the same as being in a Church or Temple.

In regards to the word marriage being left out of the Sex Educational Program in Livonia called "Human Growth and Development," I disagree. Both my children have just completed Sex Education programs. My son had the Human Growth and Development Program in the elementary school and my daughter in Junior High had a course offered by the YMCA. Both were excellent and both mentioned marriage. I know this for a fact because I questioned them both on this. Also, it was stated at the beginning of this program that the moral, religious and social aspects were to be taught in the home which my husband and I hope to accomplish.

Enough of Kindred

Open Letter to George:

Considering the fact that we have been friends and neighbors for several years, the following is written with much reluctance:

First: We are fed up with your "spouting off" in the local newspapers, our Civic Association publications, on TV and radio programs, at meetings in our schools and City Hall, and of having your radical newspapers delivered throughout our neighborhood. As conscientious and, we hope, fairly intelligent adults, we are aware of the fact that you seem to be unhappy with the community in which you live. We are aware of your "jaundiced mentality!" Entitled, though you may be, to your own opinions, your controversial attitudes are not appreciated since they only hinder — do

Holmes Thanks Us

Editor:

On behalf of the staff, I wish to extend my thanks for the front page publicity we received and the extensive coverage that you gave to us concerning the opening of Holmes and the listing of the bus schedules.

As you recall, Friday, Jan. 27, schools were closed because of the snow. Since we had planned to issue bus schedules to students on that date, we were left holding our shovels and the students' copy of their new bus schedule. What to do? We thought of the paper. That we received very few calls indicates not only the extent of your coverage but also the effectiveness in reaching our school community.

We hope that some time this spring we can invite you to see the building with its new features. The modifications made will help us to design curriculum and schedules which reflect the best in education.

# SENSE and NONSENSE

Wayne County Prosecutor William Cahalan came up with an interesting statistic Thursday while addressing four service clubs in Westland. He pointed out that Detroit recorded 148 murders within one year. Of those, 130 were committed by relatives or friends of the victims and only 18 by total

strangers.

Which goes to prove that with friends like that, who needs enemies.

It seems like the thousands who flocked to Belle Isle for Sunday's celebrated "love-in" have love for everyone but the Detroit police department.

Like we say The Observer Want Ads is the market place of Western Wayne, the suburban area—the most effective place to buy and sell. We believe it—and it warms us to realize a competitive paper recognizes this. Thank you, Mr. MacGriff, for believing it too and placing your help wanted ads in The Observer.

### Do You Suffer From Vitamin E Deficiency?

From a leading magazine — Dr. Shute of London, Ontario, expert in the use of Vitamin E, says:

"Virtually everyone in the western industrialized countries is deficient in Vitamin E. This is because the foods we eat have the vitamins processed right out of them until there is nothing left but a stomach filling nutritionless blob!"

Nina Parker

In a study conducted by experts and supported by U.S. Public Health Service Grant No. 30-05. It is shown that many men and women are actually suffering Vitamin E deficiency and that such deficiency may have serious deleterious effects on the enzyme processes of the body that affect the total metabolism.

Sight of Custard Pie Revives An Old Quandary

By W. W. EDGAR

EVERY time I walk into a restaurant and cast my eyes on big, creamy pies with coconut covering and egg white I am in a quandary.

It isn't that I don't know which choice of these delicious pies I want. My quandary goes much, much deeper than that.

Just the sight of the delicacy causes me to wonder, "Did they use my Mother's recipe—or did they 'steal' my Mother's instructions for baking outstanding pies and custards?"

There's good reason for the quandary, too, and it has gripped me in my travels north, south, east and west.

You see, back in the days of my youth, my folks operated what was called a "lunch counter" in our little town in Eastern Pennsylvania. It was in reality a six-stool counter in the days before our modern hamburger houses.

The one big feature of our lunch counter was that we served "home made" pies, that actually were made at home. In those days, Mother would slave for hours to bake a sufficient number of pies to satisfy the customers including the many, many traveling salesmen that made it a regular stop-over for lunch.

ASIDE from spending most of the day baking, Mother had to take time to raise a large family and providing dessert was not the least of her tasks.

On baking day, though, we always looked forward to a treat—known only to my Mother and her Pennsylvania Dutch instincts and sayings. On these days, when she finished with the baking for the "shop" as we called it, she would gather all the scraps of pie crust, mould them into one and then gather the scraps of the ingredients of all varieties she had baked, place them in the crust and bake what she affectionately called a "slop pie."

We kids were raised on "slop pie." One day, in looking over her scraps, Mother noticed that she had some vanilla pudding. There was only one thing to do with it—put it in the pie crust for our "slop pie." She spread egg white over the top, then, for a nice touch, she added a bit of coconut and browned it in the oven.

AT dinner that evening, my Dad asked what it was and how she had baked it. She was lead to wander because all custard-pies in those days were watery affairs and looked anything but appetizing. Strawberry and cherry were particularly watery. The same wasn't true of apple, because she baked what was known as a tart and which, today, is known simply as an "open face" apple pie.

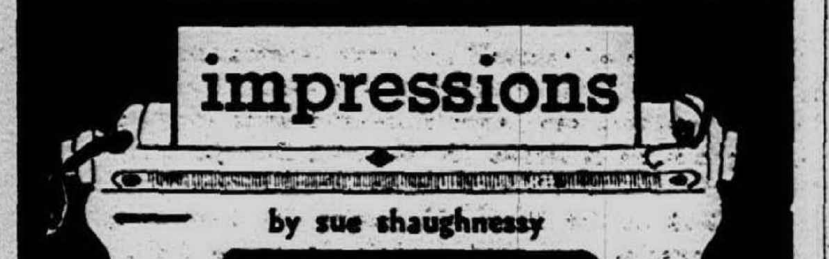

"Why don't you bake one of this new type custard for the shop" Dad asked. "At least we could try them."

Next day Mother met the challenge. She baked about a half dozen of these "new fangled" custards. It so happened that it was the peak day for traveling salesmen to call. What they didn't do to the new pies—or custards was something.

Dad frantically sent word "we are out of custard" and Mother had to bake on into the evening.

Within the next week folks were coming from all sections to try this "new" custard pie, as the Dutch called it. And the more they came the scantier became the supply of the old watery type custard.

Now, the trend among all pie bakers, is to use the custard type my Mother started with as "slop" pie for her youngsters. That's why I am in a quandary as to how they got her recipe.

A raft of press releases arrive in each morning's mail. Most of them are promptly filed in the circular file that stands next to the desk, but one arrived this week that was saved from that fate simply by its content.

The handout asserts: "A new hobby—fascinating—exciting—challenging—unique—An outlet for those with an urge to talk. A chance to express your own opinions. A chance to learn the thoughts and feelings of others on a variety of subjects. You can take part in lively discussion, air your own views, learn the views of others and never reveal your identity as a member of the intellectual club."

It seems that this "intellectual club" publishes some sort of monthly bulletin and members (the fee is \$2 a month) can expound on favorite topics without having their names released.

The money-making schemes to fill people's leisure hours have hit a new low.

Intellectuals aren't afraid of expressing their opinions and being known for them. This should be true for everyone. If you have an opinion and want to express it then people have the right to know who is responsible for the idea.

I say the stand SHOULD BE TRUE for everyone. Unfortunately, it isn't.

Letters-to-the-editor often arrive unsigned. They land in the circular file without a second thought.

This is unfortunate because sometimes they have a point. (A general rule of thumb, however, is that unsigned letters to the editor are either character assassination or entirely incorrect as to the facts.)

The Observer tries to print all the letters it receives. Its policy will withhold the name of the sender if requested, but demands that the people have enough gumption to sign their name so that we know who's writing. This is a necessary rule for the paper's protection.

Whether or not it is completely proper or just to withhold the names at all is a subject of debate among the editorial staff, but that's the rule.

However, enough of the tangent. The Intellectual Club idea is about the silliest project ever devised by mankind.

If the club does provide an outlet for those who must mail unsigned letters and those who use Alexander Graham Bell's invention to berate, but won't identify themselves, then maybe it will serve a useful purpose.

As the circus man said "there's a sucker born every minute."

Hey Baby, Where's The Love-In?

The Observer will pay \$5 for any picture used on their Feature page. The above was taken by an alert Observer staffer snaphooter of an alert (?).

Laws Do Not Make People

By DR. A. E. KATZ  
Dr. Katz is a Child Psychologist and Research Director at Hawthorn Center in Northville. He is a member of the Livonia School Board and was a founding member of the Livonia Citizens for Better Human Relations.

"YOU CAN'T LEGISLATE LOVE"

This has been the cry of the bigot down through the ages. It has increasingly become the cry of the moderate, particularly here in the North, as the pressure by Negroes for equality of opportunity in jobs, education and housing has continued to mount.

They are right, the bigots and the others. You can't legislate love—or any other emotion; you can only make laws governing the limits and patterns of acceptable behavior. Through such laws a society may protect itself from the up-

heavals which would result if each of its citizens were free to pursue his own personal goals without regard to the needs and rights of others.

There have been a wide variety of approaches to the governing of behavior recorded in history. Some have granted different rights to different classes, in monarchies for example. The approach taken by our society has been based on the premise of equality before the law for all of its citizens.

We have moved, through the years, from a form of democracy in which the franchise was quite limited to almost universal franchise.

Many among us do not remember how recently women

were granted the right to vote.

But equality before the law means that those laws which limit your behavior must also limit mine, and that those rights which are approved for you must also be approved for me.

Thus, for example neither you nor I may use our property in such a way as to present a hazard or substantial nuisance to each other.

Nor do we have any legal say as to who will purchase the property next door to ours or even down the street.

We cannot legally impose restrictions on others which are not imposed equally on ourselves, nor can we be granted privileges which are withheld from others.

This is one of the beauties of our democratic system—the protection of the rights of others is always in our own long-term interests.

Under these circumstances, the cry that you can't legislate love is totally irrelevant.

Our system of government can demand only that we respect the rights of others; only our religious and philosophical systems can demand that we love our neighbor.

Investing Inquiries Keogh Plan A Possibility

(Mr. Wysong, stockbroker for Paine, Webber, Jackson & Curtis, welcomes all inquiries on investing. Send your questions to THE OBSERVER, "Investing Inquiries," 33050 Five Mile Road, Livonia. The answers are the opinion of Laurence A. Wysong who is considered highly qualified on the subject.)

Q—Sometime ago you discussed the Keogh Plan, I in turn talked with my accountant about it. He said that the plan would no doubt benefit me but that he is a little hesitant about it because of the size of my income, my earnings vary from \$7,000 to \$10,000 a year from my shop.

A—I wouldn't let the size of your business or your income affect your thinking about the Keogh plan. The main reason for the creation of the Self Employed Individual Retirement Act (Keogh) was to give small business people like yourself a break. The plan provides you an opportunity to develop your own personal retirement plan plus complete for employees near the same level as the larger corporations. I would recommend you call a local investment firm to gather more information.

Faculty Aides Approved by Wayne Board

Elementary school teachers at the Schweitzer and Washington kindergarten classes will get some help in the form of teacher aides.

The Wayne Community Board of Education, whose district includes most of Westland, approved last week the hiring of three teacher aides following a grievance by the local teachers' organization. In a report to the school board, Superintendent Harry Howard said that the grievance, filed in February, concerned the overloaded classes, including the kindergarten rooms.

"In settling the grievance, we were not able to provide additional teachers because of no available classrooms in one instance and adding a teacher would bring the pupil-teacher ratio down below acceptable level," Howard said.

"As an alternative, we offered to put in three teacher aides to assist these teachers with heavy loads. Since this time, we have worked with office personnel, curriculum department and teachers involved to develop criteria and job descriptions for this program.

"Prospective candidates have been interviewed and screened by the principals and teachers involved." The cost of the program for the April 10-June 16 period would be \$1,863, Howard reported recommending the program to the school board.

BUSINESSMEN

Income tax season makes us all too conscious. If you are not using FARMINGTON SECRETARIAL AND TELEPHONE ANSWERING SERVICE, its time to investigate. A full time telephone secretary that takes your calls, types your letters, quotes, etc., makes photocopies, mimeographs, sympathetically apologizes for late deliveries or service calls, handles your in-out mail, using the Business Center Building address, and generally works as YOUR secretary. All of this on a "job basis." You eliminate unemployment taxes, rent or salary-pay for services rendered at a sensible rate, and totally deductible. 32500 GRAND RIVER GR 4-0727

# Tricks With Veal And Pork

It was back in January that The Observer's "Queen of Hearts," Faith Gillespie, wrote her recipe for curing winter doldrums.

"Find a new friend," she suggested. "Donate blood. Learn to tolerate something that has been intolerable. Write a book. Have a baby." Now, the Queen of Hearts has always been one to believe that advice worth giving is also worth taking. And last week she decided to halt her recipe dispensing to prepare for another small Gillespie in October.

This space will continue to be filled with good recipes our readers will enjoy trying. Here, for a start, are a couple of ways to cook good meat dishes.

Thick, juicy veal chops browned to a golden turn, baked in onions and wine, and topped with tangy American blue cheese is a new entree that will soon become a favorite with your family.

### BLUE CHEESE VEAL CHOPS

- 4 veal chops, 1-inch thick
- 2 large onions, sliced salt pepper
- 1/4 cup American blue cheese (about 1 1/4 ounces, crumbled)
- 2 tablespoons parsley, finely chopped
- 4 strips bacon, uncooked
- 1/2 cup dry white wine.

Lightly brown veal chops. Place onion slices in bottom of 9x9 inch pan. Arrange veal chops on top. Salt and pepper chops. Crumble 1 tablespoon American blue cheese on top of each chop. Sprinkle parsley over all. Cut bacon strips in half and place 2 pieces on each chop. Pour wine over all. Bake at 350° for 45 minutes. Add more wine or water if pan becomes too dry.

Here's a hearty meat and vegetable platter your family should love, "Pork Chops Blue Lake." For a change from the usual gravy, these chops have a wine sauce seasoned with mustard and dill. The green beans atop the pork keep their color and texture—so important to the appeal of vegetables!

### PORK CHOPS BLUE LAKE

- 1 can (1 lb.) Blue Lake green beans
- 6 large loin pork chops
- Salt and pepper
- 1/2 cup chopped onion
- 1/2 cup white dinner wine or chicken broth
- 2 teaspoons prepared mustard
- 1/2 teaspoon dill weed
- 2 tablespoons cornstarch
- 1/4 cup grated Parmesan cheese

Drain beans, saving liquid. Trim excess fat from chops and rub hot skillet with it. Brown chops slowly. Season with salt and pepper. Add onion and saute until golden. Add 1/2 cup bean liquid; cover and simmer 20 minutes, or until meat is tender. Mix wine, mustard, dill and cornstarch until smooth. Remove chops to oven-proof platter. Stir wine mixture into drippings; cook and stir until thickened. Add drained beans and heat thoroughly. Lift beans out with slotted spoon and place atop chops. Pour sauce over all; sprinkle with cheese. Broil until cheese is browned and sauce is bubbly. Serve at once. Makes 6 servings.

### Sorority Sets Book Fair

Donations of books, paper back and hard cover, are being sought by members of Theta Sigma Phi, national professional society for women in communications.

The books will be sold at the society's annual Book Fair to be held May 16 at the Detroit Press Club, First and Howard.

Proceeds of the fair are earmarked for the Lucy Corbett Scholarship Fund to assist deserving young women journalists to complete their education.

General Chairman of the day-long event, Dorothy Cloudman Oldham, and Co-Chairman, Marie Margaret Winthrop, report this year's fair will follow a "Print, Pop and Op" theme.

Books may be left at the home of Mrs. Julian Komar, of 29490 Robert Drive, or at the Detroit Press Club.
