#### 2 College Vote Bills Conflict

A Senate bill proposing at-large trustee elections for Schoolcraft College and a House bill giving community college districts a choice in having at-large or district elections were both reported out of committees last week.

Sen. Carl Pursell's (R-Plymouth) bill calling for at-large elections was narrowly reported out of the Senate Education Committee Thursday by a 3-2 vote. Co-sponsor Sen. William Faust (D-Westland) opposed it until possible amendments to the bill could be investigated.

Rep. Marvin Stempien (D-Livonia) won a compromise on his bill calling for trustee elections from single-member districts. The Stempien bill would affect nearly all community colleges in the state, including Oakland Community College. The House Committee on Colleges and Universities unanimously backed the compromise version, which would give each of the 20 college districts the option to have at-large or district elections.

#### Band Acclaimed

Words of high praise were showered upon the Plymouth High School band again recently, this time by the four college bandmasters who were judges at the state high school band festival. "Wonderful," "great," "sensitive," were among the descriptions of the Plymouth performance.

## Burroughs Not Closing Here, Says President

Ray W. MacDonald, president of the Burroughs Corp., has replied to persistent rumors and speculation that the company's Plymouth plant is being phased out of existence, and he has done it with an emphatic denial.

The MacDonald statement came in a letter to State Sen. Carl D. Pursell (R-Plymouth) after the latter had addressed an inquiry to the Burroughs president, expressing alarm in the wake of two large employe layoffs here.

"In response to your recent letter regarding employment levels at Burroughs' Plymouth plant, I would like to reassure you that we have no plans for closing the Plymouth facility," MacDonald told Pursell.

MacDonald continued: "As a resident of the Plymouth area, you are aware that Burroughs has been a major employer and community citizen in Plymouth for over 33 years.

"The data processing industry during this period has undergone tremendous change. From what was once a mechanical and electro-mechanical product orientation - with factory facilities designed accordingly - the industry now is primarily electronic in nature.

"As we re-design facilities to accommodate modern electronic manufacturing and engineering techniques, major changes in plant layout

and manpower skills are inevitable. These adjustments throughout our 48-plant worldwide complex are periodic requirements, and will continue so long as our industry's dynamic technology and market continue to grow."

**BURROUGHS EMPLOYS** about 45,000 persons in its worldwide complex, the force in the Detroit area being about 6,000. However, Plymouth's share of this has dropped substantially in recent months with successive layoffs, first of 500 employes and then of 700 more to be effective by June 1.

Pursell said he feels that Burroughs, "like many other American companies, is following the trend to concentrate more and more of their operations in foreign countries to take advantage of the chaper labor market."

Pursell pointed out, however, that Burroughs is spending \$35 million on its world headquarters complex in Detroit and quoted a statement from MacDonald that "this is clear evidence of our company's faith in and dedication to the continued growth of Detroit and the State of Michigan."

MacDonald invited the Plymouth senator to make a personal examination of Burroughs facilities in the Detroit area "to better acquaint you with our total philosophy with respect to worldwide employment in all areas."

MORE THAN 200 Plymouth service club members and their wives joined in an inter-club dinner this week in the cafeteria of the new high school and then toured the building. In the foreground, from the left, are Presidents Donald Tate of the Lions, Bob Taylor of Plymouth Kiwanis and Gene Overholt of Colonial Kiwanis. Rotary President James Thomas is not pictured, but that group also participated. (Observer Photo by Harry Mauth).

## Hospitality: Park Free For A Day

Hospitality Day during Plymouth's 1971 observance of Michigan Week will be given a new twist that will be just as appealing to hometown shoppers as strangers who may be visiting the community.

Fred Penar, who is chairman of the activities for that day - Friday, May 21, had the idea that perhaps the city government would be hospitable enough to allow free parking, and he found solid backing in Mayor James B. McKeon.

The result is full City Commission approval for eliminating all charges on the municipal parking lots that day, and that no police tickets be issued for parking meter violations on the streets.

In the hospitality vein, Penar also has arranged for women's groups to serve free coffee at tables in the business sections May 21.

The scope of activities for the entire eight-day period of Michigan Week from May 15 through May 22 has been widened over previous years and the complete schedule is being finalized in a meeting of all committeemen this weekend.

Paul W. Huyck is general chairman of the observance and one of the highlights arranged through City Manager Norman Gaffney for Government Day, Monday, May 17, is appointment of Plymouth High School leaders as honorary mayor and council for the day.

The students will have their own governmental meeting in City Hall and will join in welcoming Mayor Jule Famularo of Troy, the city with which Plymouth is paired in the annual exchange of mayors.

## Interest Conflict Is Possible Issue In Board Election

Plymouth's school administration this week sought legal advice relative to Michigan's conflict of interest law amid reports that at least one employe of the school system, and maybe more, may enter the Board of Education election race.

Supt. James Rossman consulted the attorney general's office and was told that the law's provisions on conflict of interest of public servants do not apply to employes - either teaching or non-teaching-whose work averages less than 25 hours a week.

Three openings on the board will be filled at the June 14 election, but the deadline for filing nominating petitions is only a week away - Monday, May 17.

At least four persons have taken out petitions, and several others are reported ready to do so in the next few days. So far, however, only one candidate has made a public announcement.

**HE IS Paul W. Huyck**, 31, of 1488 Sheridan, in the city, who is making his second bid after finishing among the also-rans in last year's 12-man field.

Huyck is a CPA who is vice president and controller of Arnold Drugs, Inc. He is treasurer of the Plymouth Jaycees, general chairman of the local Michigan Week program and co-chairman of a citizens study group called the Community School Council. In announcing his candidacy, he declared:

"The residents of the Plymouth school district can be proud of our school system. The system offers educational help for those children with special needs, as well as regular vocational skill programs and college preparatory courses.

"The future of our district will be determined by the foresight of its Board of Education, administrators, professional educators and citizens.

## Isbister Sets Kindergarten Registration

Registration for children who will be attending kindergarten next fall at Isbister School will be conducted Monday, May 10.

Parents are asked to bring birth certificates as evidence that age five will be reached prior to Dec. 1. The registration sessions will be at 9 a.m. and 1 p.m.

"Having four children to be educated in our system and having the necessary qualifications and business background, I wish to serve a full term on the board and participate in the growth of our school system.

"The problems which continuously face the board must be dealt with at arm's length and be in the best interest of the school district. All decisions should be available for public information.

PAUL W. HUYCK

"When elected, I plan to serve all the people in the district, with the primary objective of meeting the needs of our youth. The process

requires continuous valuation and re-estimation and must be accomplished as economically and effectively as possible."

**MEANWHILE, THE** present board met in special session this week to grant hearings to two teachers who sought reinstatement after being told their contracts would not be renewed.

These were Royal Gregory Fisher, an instructor in English and social studies at East Middle School, and LeRoy Lane, vocal and instrumental music instructor at Central and Pioneer.

After hearing from teachers, parents and the East principal, Carl Taylor, the board voted in Fisher's case to stick with its decision terminating his contract at the end of the present semester.

Lane's case was left in a more nebulous state. The stigma of dismissal was removed by adoption of a resolution stating that his contract had not been renewed "due to budgetary reasons" and that if an opening for a full-time instrumental teacher arises, Lane will be offered the position.

At this time, however, he has no assurance this need will arise. In any event, he will not continue in vocal music.

WAYNE DUNLAP is resigning as Schoolcraft College's director of music to head the music department of the young Grand Valley State College, west of Grand Rapids. However, he expects to commute to continue directing the Plymouth Symphony as he has done for the past 20 years. He will also remain at Schoolcraft this summer to run its highly-rated summer music school. Dunlap will be in Central School tonight (May 8) wielding the baton for the symphony's pops concert and 25th birthday celebration. (Story on Page 4A)

### Youngsters To Stage Old Drama

PLYMOUTH Students from the sixth through ninth grades who have been participating in a Saturday drama class for 10 weeks will climax the course with a production of Mark Twain's "A Connecticut Yankee in King Arthur's Court."

Performances are scheduled for 7 p.m. Friday, May 14 and 1:30 p.m. Saturday, May 15 in the auditorium of Central Junior High School. Admission will be \$1 for adults and 50 cents for children.

John Elliott, who has been teaching the Youth Theatre classes under auspices of the Plymouth Community Arts Council, commented, "I think the community will be really surprised when they see what these kids have done."

Elliott, 19, moved to Plymouth last September from Ireland, where he was active in local theatre in the Dublin area.

He said he hopes the program here will grow to include all ages.

The cast for "A Connecticut Yankee in King Arthur's Court" includes John LaRiche as Hank Bennett, Paul Herb as King Arthur, Laurie Barnes as Queen Guinevere, Renee Shilcuskas as Merlin, Jim Feldcamp as Clarence and Jeannie Haar as Elaine.

Also, Scott LaRiche as Sir Lancelot, Rick Laibel as Sir Sagramor, Susie Wehmeier as Morgan LeFay, Janet Boyne as Mrs. Bennett, Missy Moon as Marion Bennett and Annette Mitchell as Sandy.

### Garden Club's New Officers To Be Elected

Officers for the coming year will be elected Monday, May 10 when the Plymouth branch of the National Farm and Garden Club holds its annual meeting.

It will take place at 1 p.m. in the home of Mrs. Bruce Richard, 9417 Ivanhoe, with Mrs. R. Bruce Scott as tea chairman.

Assisting Mrs. Scott will be Mrs. Homer Frisbie, Mrs. Robert Beyer, Mrs. Leo Kubik, Mrs. Roy Leeman, Mrs. William Von Glahn, Mrs. Jessie Tritten, Mrs. Ralph Lorenz and Mrs. Chester Teasel.

The program also will include a discussion of "Dish and Bottle Gardens" by Mrs. Louis Norman.

THROUGH BIFOCALS

By FRED DELANO / Editor: Mail & Observer

SO FAR, ONLY ONE person, Paul Huyck, has announced that he definitely is a candidate in the 1971 Plymouth school board race, which means that hopefully we will see a rash of nominating petition activity in the coming eight days. The filing deadline is Monday, May 17 and the election will be held June 14. Three seats are to be filled.

Those who are weighing the possibility of running—and last year we had 12 in the field for two seats—might do well to listen to a "one year later" analysis by the man who led the 1970 ticket, John Hanskat.

He wrote down some of his ideas to help a prospective candidate make up his mind, cautioning that "if you plan to be effective and of any value, you will devote a tremendous amount of time and energy."

"But if you will accept the challenge, then I urge you to do some homework," added Hanskat. "Read 'Crisis in the Classroom,' talk with students, teachers and school administrators and jump into the race with some real issues."

FOR THE MAN OR WOMAN who asks, "Why run?" Hanskat has several answers. First, however, he scoffs at such factors as using the board as a political stepping stone, gaining personal recognition, or piling up brownie points toward business promotion as worthy motives. But he does suggest these motives:

"Offer the kids an adult ear in times of frustration and violent change.

"Offer the community the time and intelligence to sort through and evaluate the myriad of new programs being proposed.

"Offer the colleges students who are prepared for the campus environment.

"Offer the business community citizens who are prepared to accept the responsibilities of working upon high school graduation.

"Offer the teachers an intelligent approach to their problems and remove roadblocks, allowing them to put their creativity to work.

"Offer yourself as an image of what an adult considers the responsibilities of citizenship. Show the kids we really believe in what we preach."

"IF YOU COME with this outlook," said Hanskat, "then your rewards are measurable indeed—an inescapable interest in the world around you, a new view and a new set of values in regarding these remarkable children of today, and most importantly a chance to listen to those who so vigorously command your attention."

He then added: "I urge you to observe our weaknesses as a board.

"There is no set image of a perfect board member. We can no longer afford merely to amplify one individual seven times. We need as diverse a board as the many individuals we serve.

"Public relations, the law, social services, psychology, vocational education and the public image occur to me as areas of concern. Certainly you can observe more.

"If you can fill these gaps, then we should have your talents whether you be conservative or liberal, young or old, male or female.

"With three out of seven seats to be contested, Plymouth is in position to elect a board qualified to cope with the educational challenges of the '70s. We need cool, intelligent, flexible thinking to control and direct the changes of this decade into positive channels."

### Plan Fun Fair At Gallimore

PLYMOUTH The Gallimore School Parent-Teachers Association has announced it will sponsor a fund raising "fun fair" at the school from 12 noon to 6 p.m. Saturday, May 15.

The fair will include games, pony rides, refreshments, a cake walk and hourly performances by a magician billed as Zaucha the Great. Gallimore is on Sheldon Rd., south of Joy.

PLYMOUTH Tickets for the spring smorgasbord being served from 5 p.m. to 7 p.m. today (Saturday) by the Plymouth Grange will be available at the door, officials have announced. The feast is being presented in Grange Hall, 273 Union.

## Hail PHS Band As 'Wonderful' In State Finals

PLYMOUTH The highest possible rating was gained by the Plymouth High School symphony band in the recent state band festival at Kalamazoo, the performance being summarized by one of the judges: "A wonderful way to help conclude a long day of listening."

All four judges gave the 96-member Plymouth band conducted by James Griffith a first division (superior) rating.

"The sensitivity of your bandmen reveals a good degree of maturity not always found in high school musicians," commented one judge. "Your band sounds great; it was a real sensitive performance," said another.

The judges included Carl Bjerregaard, of Western Michigan University; Norman Dietz, of Central Michigan; Dacho Dachoff, of Ferris State, and Jack Seidler, of the University of Michigan.

Bands competed in five classifications based upon school enrollment, Plymouth being in Class AA for schools

with 1,500 or more students. The music performed by the Plymouth band included "Black Horse Troop March," by Sousa, "Festive Overture," by Shostakovich and "Suite from Edward Munch," by Jager.

# Dunlap Accepts New College Job

Wayne Dunlap will leave Schoolcraft College in September to head the music department of the young Grand Valley State College west of Grand Rapids. He will remain at Schoolcraft this summer to run the summer music school for top-rated high school students, and he expects to commute to continue conducting the Plymouth Symphony.

"Grand Valley has just started a music degree," Dunlap said. "Before this, they've had only a few music courses—like music for elementary teachers.

WAYNE DUNLAP

"IT'S COMPARABLE to Oakland University, but the future of Grand Valley is greater, I think. There's no other state college within 50 miles, and they expect 15,000 students by 1980. Their arts center is completed and ready to open in fall.

"I'll be in charge of developing the department, the educational program and purchasing for the new fine arts center.

"It's a big opportunity for the future. This is an eight-year-old school, and the Legislature has shown it favors the smaller, newer schools.

"It took a good deal of soul-searching to make the decision. I've been deeply rooted in Plymouth," he said.

DUNLAP CAME from the University of Michigan to the Plymouth school system in 1956 as supervisor of music. He moved to the new Schoolcraft Community

College in 1964 and has built up its music program there.

He is in his 20th year as conductor of the Plymouth Symphony, which this year is celebrating its 25th anniversary. He has built a reputation as a programmer, balancing the tried-and-true with enough new music to keep experienced musicians satisfied and audiences interested.

A major contribution at Schoolcraft has been the summer program, consisting of a school for high school students with professional musicians and a series of chamber concerts. This will be its fifth season.

Another Dunlap strong point has been attracting bright,

young, articulate personnel to teach at Schoolcraft.

A national innovation was persuading Ford Foundation to give funds to a community college to maintain a composer-in-residence. Robert W. Jones is completing a two-year stint here.

THE DUNLAPS have a home on Burroughs Street in Plymouth that is, at least in part, a century old.

Dunlap first called Grand Valley to inquire about enrolling his daughter there. Said the college official, who knew him: "Oh, I thought you were applying for the job we have open."

After several conversations, Dunlap made his decision to move.

"I've conducted in the area, and I know a number of people there, so this isn't an entirely new area to me."

Dunlap has informed college officials of his decision but was unsure whether his successor as director of fine arts would be brought in from the outside or promoted from within.

## Botanical Club To Tour Woods

Members of the southeastern chapter of the Michigan Botanical Club will hold a field trip in the Hartland wooded areas to study wild flowers. Members and friends will meet at 2 p.m., Sunday, May 9, at Hartland Elementary School. Picnic lunches may be taken.

# Clark Suttle Will Give Recital May 11

Clark Suttle, a gifted young bassist from Livonia, will present a recital at Schoolcraft College Tuesday, May 11.

CLARK SUTTLE (Double Bassist)

The 17-year old Franklin High senior will play works by Telemann, Beethoven, Gliere and Paganini. Mrs. Joan Haggard, also of Livonia, will accompany Suttle.

The program is scheduled for 8 p.m. in the Liberal Arts Theater. Admission is free.

One of the winners at the recent Michigan Youth Arts Festival at Interlochen, Suttle has impressive performance credentials dating to 1966 when he first joined the Livonia Youth Symphony String Orchestra. He has played with the Plymouth Symphony, the Southfield Symphony, the World Youth Symphony and has appeared as soloist many times.

Suttle has earned first division ratings at district and state festivals throughout high school. He has studied at the

Schoolcraft College Summer Music School, last year being a concerto winner and conducting his own composition. He will attend the University of Michigan this fall.

# Guitarist To Give Schoolcraft Concert

Folk singer-guitarist Danny Cox will make his first appearance at Schoolcraft College Saturday, May 15, continuing a spring series of performances by the Student Activity Board.

Tickets to the 8 p.m. performance are \$2.50 and can be purchased from the student activities office in the Waterman Campus Center. They are for sale at the Village Green in Wonderland, Grinnell's at the Livonia Mall, and the Little Professor Stores at the Sheldon Center, in Plymouth.

Prior to Schoolcraft, Cox's current tour has taken him to

the University of Nebraska and Eastern Michigan University.

Much of his success may be due to his attitude toward music: "I present the things I feel concerned about: try to make the audience aware of what's happening and why. I don't really tell them, just try to show them things.

"It's hard to say what kind of singer I am," says Cox. "I've got this classical thing in my fingers which I have no control over...the treble lines are often blues, but the bass lines always end up being classical."

## The Gourmet Adventures of

### DICK BENSEK

The Swiss are great pie-eaters, and may have two pies in one meal. One is of fruit, of course, but the other may be made of cheese, or even spinach. To make spinach pie, take 3 pounds of raw spinach, or two packages of frozen spinach, thawed, finely chopped, and pile it into a nine-inch pie shell. Sprinkle on salt and pepper and top with about five bacon strips. Bake in a 400 degree oven for about 15 minutes, or until the crust is browned. But it may be a good idea to limit yourself to only one pie per meal. Unless, of course, you have mountains handy for climbing, as the Swiss do, to be rid of extra weight!

There's no limit to the amount of pleasure you receive from the delicious meals served at DANISH INN, 32305 Grand River Ave., 476-5320, "Farmington's Finest." Beautiful supper club atmosphere with a good wine selection and the great piano music of Pat Flowers. The Singletons is the only national service organization limited in membership to unmarried men and women between the ages of 25 and 45. Chapters engage in civic and welfare activities and have a well-rounded social program.

# Schoolcraft Sets Piano Workshop

Schoolcraft's music department has scheduled a day-long workshop for piano teachers Thursday, May 13. Morning and afternoon sessions will feature John O'Brien, chairman of the piano and piano pedagogy department at Goshen College, Goshen, Ind.

The topic of the workshop will be "Technique" with particular emphasis on teaching technique to the elementary student.

O'Brien is bringing several of his students, ages 7 to 18, to the workshop for demonstration purposes.

Workshop coordinator Donald Morelock, a piano teacher at Schoolcraft, is accepting reservations. A \$10 registration fee covers all expenses including lunch at the college.

# New Livonia AAUW Is Now Official Branch

A new Livonia branch of the American Association of University Women, just a dream three short months ago, now is fully organized with 33 charter members and a full board of officers. This branch came into existence officially when Mrs. John Lodge received a president's gavel during the recent Michigan AAUW Convention at Oakland University in Rochester. Serving with her on the first executive board will be Mrs.

John Van Wald, first vice president; Mrs. Norbert Laskowski, second vice president; Mrs. Robert Farmer, secretary, and Mrs. Thomas Marsh, treasurer. Installing the new officers at the state convention April 30 and May 1 was Mrs. George Timmons, president.

AN AAUW branch for Livonia has been a long-time hope of many women, though some residents of the big suburban city have joined branches in Plymouth and Farmington.

This first organizational meeting for a Livonia group was held in January, when 21 women met to explore possibilities.

Several were already members of the Farmington and Plymouth branches, and when the organization of the new group became official they held dual AAUW membership.

The new group, working with the experienced members, adopted a constitution and by-laws, appointed temporary officers and moved for state and national recognition.

DELEGATES to the state convention were Mrs. John van der Harst and Mrs. John Von Wald. Others in the branch who attended the convention were Mrs. R. M. Grinager of Farmington, Mrs. John Haas of Plymouth and Mrs. Arthur Medwedeff and Mrs. Owen Sudman of Livonia.

The next meeting of the new branch will be held in the home of Mrs. Gerald Burke, 15329 Richfield, Livonia, at 8 p.m. May 18.

Mrs. Alex Mergantime, Detroit resident who is area representative on community problems for the Detroit branch, will be the speaker.

The branch also is planning a tour of Detroit's inner city May 12. Those interested in attending may call Mrs. Arthur Medwedeff, 15555 Fairlane, Livonia.

All women who hold baccalaureate degrees or higher are eligible for membership. Those interested may call Mrs. Norbert Laskowski, 8045 Pere, Livonia.

THE AAUW was founded in 1882 to open the doors of education to women, and to unite alumnae of different institutions for "practical educational work."

A legislative program, voted by members in convention, is actively studied and supported by individual members.

## Sisterhood To Conduct Installation

New officers and board members will be installed at a meeting of Adas Shalom Sisterhood, Monday, May 10, in the synagogue social hall, 7045 Curtis Avenue, Detroit.

Mrs. Norman Allan, concert pianist and composer, will play some of her original works. The installation ceremony will be a symphonic one, from a script written by Mrs. George Liss, the installing officer.

Mrs. Isadore Goren will be the new president of the sisterhood.

Members and guests are invited to attend. Those needing transportation may call Mrs. Morris Posner, 25175 Biarritz Circle, Oak Park.

MRS. DAVID ALLAN MONTGOMERY (Sherry Lynn Steadman)

## Sherry Steadman Is New Bride

Sherry Lynn Steadman became the bride of David Allan Montgomery in a recent ceremony in Galilean Baptist Church, Livonia.

The bride is the daughter of Mr. and Mrs. Arthur Steadman of Inkster Road, Farmington.

Mrs. Lorraine Montgomery of Farmington and Leonard Montgomery of South Lyon are parents of the bridegroom. The Rev. Herbert Noe officiated for the double-ring ceremony.

GIVEN IN MARRIAGE by her father, the bride wore a gown of lace over silk with long sleeves and sequin trim at the waistline.

A lace headpiece held her bouffant veil.

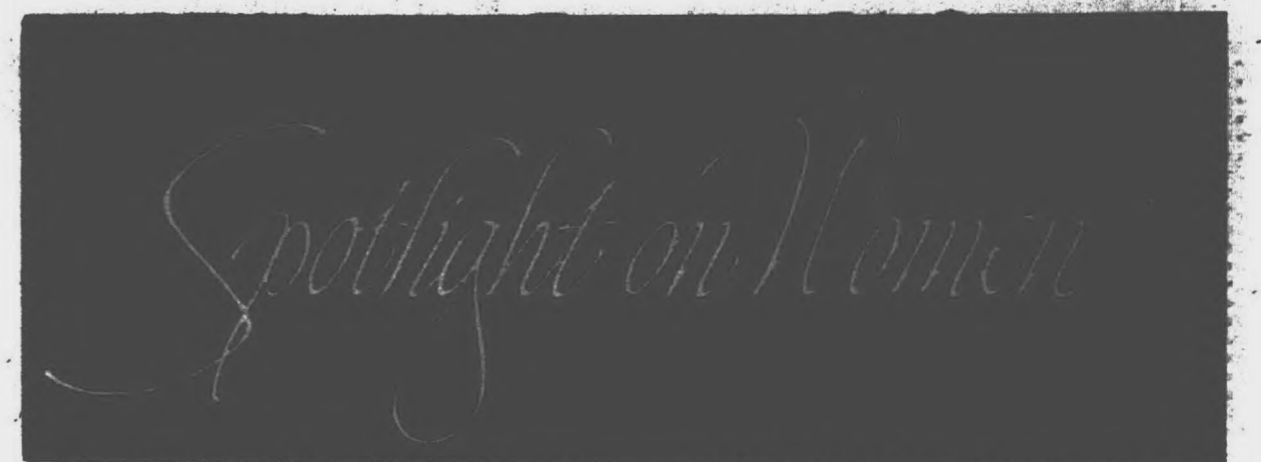

Her seven attendants wore mint green gowns of chiffon over silk. Their flowers were white daisies and green mums.

Neva Noe was maid of honor and Alice Hawkins, Stella Steadman, Kathy Koppela, Debra Moody and Helet Moody. Tammy Teadman was junior bridesmaid and Andrea Merwin was flower girl.

CLAYTON MONTGOMERY was best man for his brother. The guests were seated by Daniel Steadman, brother of the bride, William Montgomery, brother of the bridegroom, David and Larry Friar, cousins of the bride, and Orville Sutton.

Donnie Montgomery, brother of the bridegroom, was junior usher and Mark Steadman, brother of the bride, was ring-bearer.

The couple will live in Farmington.

## Co-ops' Conference This Week

The Michigan Council of Cooperative Nurseries will hold its annual conference Monday and Tuesday, May 10 and 11, in the Kellogg Center, East Lansing.

The theme will be "We Receive, We Give, We Grow."

The annual meeting gives members of cooperative nurseries in Observerland a chance to meet with their counterparts from all over Michigan to discuss the health, behavior, education and welfare of the pre-school child.

ALL OTHERS interested in young children also are in-

ited to attend the meetings. Reservations may be made by calling Mrs. Keith Westphal, 8066 E. Morow, Detroit. Workshops include art, music, rhythm, dramatics and books.

DEVELOPMENTAL areas of language, self-concept,

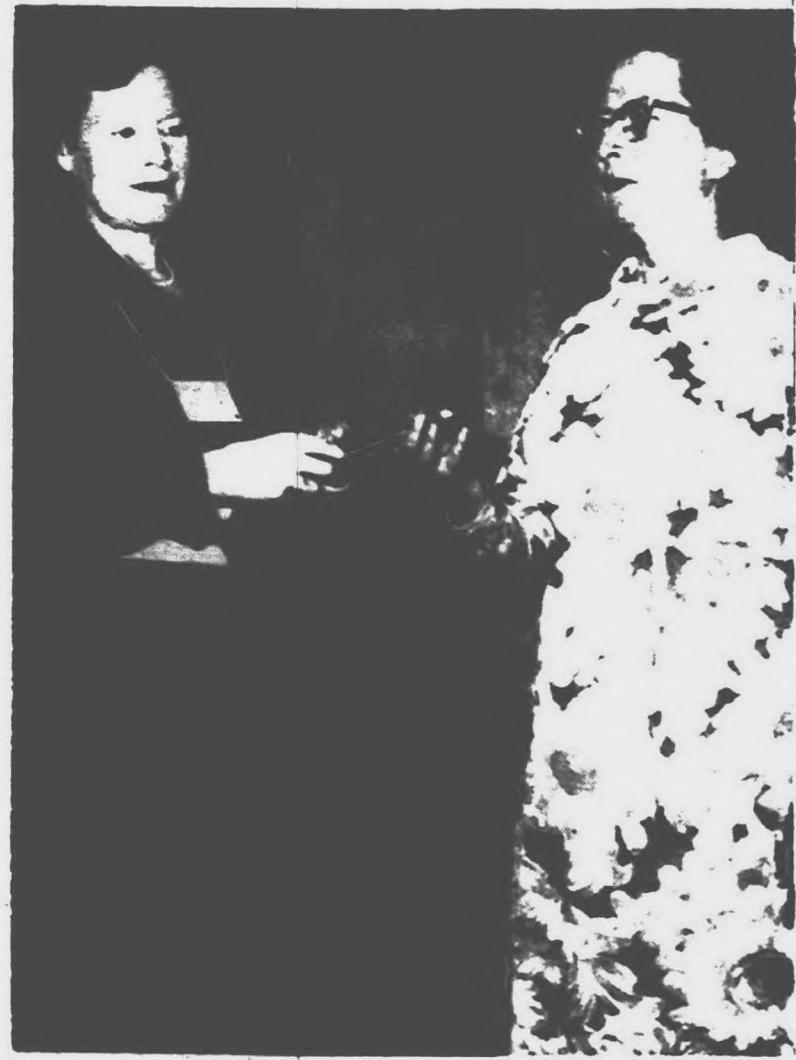

home relationships and sex attitudes will be explored.

Two keynote speakers will be Dr. Milton Young from the University of Connecticut and Dr. Vera Borasage of Michigan State University. Dr. Young's topic will be "We Want Creative Children Myth or Reality."

## Diabetes Is Lecture Topic

A public meeting on the "basics of diabetes" will be held on Monday, May 10 at 8 p.m. in the auditorium of Oakwood Hospital in Dearborn.

Persons with diabetes and their families and friends are invited to attend the lecture by Dr. Jack A. Litwin, a member of the Board of Directors of the Michigan Diabetes Association.

MRS. JOHN LODGE (right), first president of the new Livonia branch of American Association of University Women, received a gavel from Mrs. George Timmons, Michigan AAUW president, at a recent AAUW state convention.

# Redford Union Express Derailed

The Redford Union Express was derailed Thursday in baseball.

So was star RU pitcher Randy Ferguson.

After winning five straight in the Suburban Six League, RU was topped, 8-4, by Trenton, but still remained in first place by one game over Trenton and two ahead of Plymouth.

The loss was tagged on Ferguson who had won 15 in a row until running into Trenton.

**FERGUSON POSTED** seven straight last summer in Connie Mack play to finish the season and had an 8-0 mark, the best in the state, going into Thursday's game.

But the batting of Dave

Cline was too much for Ferguson and Redford Union.

Cline drilled a two run homer in the first inning and then, after Redford Union rallied for a 4-3 lead, he socked a three run double in the sixth. In all, Cline went four for five during the afternoon.

After falling behind, 2-0, in the first inning, Redford Union

quickly tied the game when Mark Durand singled. Bill Becker was safe on a fielder's choice, Bill Herbert singled, Tom Wysocki reached base on a fielder's choice and Becker and Wysocki pulled off a double steal.

Redford Union went ahead, 4-3, in the second inning on a walk to Rob Campbell, R.J. LeRoux's single, a hit bats-

man which put Durand aboard and a single by Brown.

Trenton then scored once in the fourth, three in the sixth and two more in the seventh.

**MEANTIME, BOTH** Plymouth and Bentley were beaten in league play.

Belleville dropped Plymouth, 3-2, while Allen

Park shut out Bentley, 4-0.

Brad Truax, pitching for Plymouth, allowed only six hits, but four of them came in the fourth inning when Belleville put together three singles and a double for its four runs.

Truax fanned six and walked only two.

Plymouth scored once in the third when Lou Hurtik, Steve Straley and Ken Rocco singled in order. In the seventh Hurtik parked a homer over the fence.

The rocks had other good chances in the fourth and sixth innings.

ALL GOOD THINGS have to end sometime and that was the story for Redford Union's Randy Ferguson who had a string of eight straight victories this season snapped by Trenton, 8-4. It was RU's second loss in Suburban Six play. (Observer photo by Tom Donoghue).

# Franklin Ready For Groves

Franklin High's track team is set for its showdown Thursday with Birmingham Groves.

By beating John Glenn, 72½-45½, Franklin made it 4-0 in Northwest Suburban League action and now awaits the collision with Groves, which also is unbeaten in the league but has a meet with Glenn Monday.

Ken Yuhasz won the 100 and 220 yard dashes and ran on the winning 880 yard relay to lead

Franklin's romp past Glenn. It was Franklin's seventh win overall without a loss this season.

Thurston, meantime, won again since the return of star Tom Shaheen from an injury, by whipping Oak Park, 73-45, as Shaheen won the long jump, placed second in both the dashes and ran on the victorious 880-yard relay team.

# Falcons Roar Past Lathrup For 8th Win

There appears to be no stopping the Farmington High track team.

The Falcons made it eight straight without a loss as they roared past Southfield Lathrup, 86-32, in an Inter-Lakes League dual meet.

Randy Pender in the hurdles and Mark Timmons in the dashes paced the Farmington surge.

The Falcons swept the 800 yard run and the two mile.

Mike McGlothlin continued his great performances in winning the mile for Farmington in 4:23.7. It was the best time turned in by an Observer area prep this season.

Southfield Lathrup managed only two victories,

staggered three hits in four trips to the plate and drove in two runs. Jim Harte had two hits and Bob Holton a two-run homer to pace Sorrows.

The Farmington team settled things quickly by scoring five times in the first inning.

Walesky and Centers singled and when Newt Hurst was safe on an error, Walesky scored. Jim Harte drove in Centers and Hurst and Holton followed with his homer.

# Sorrows, St. James Set For Showdown

The showdown comes Monday for Our Lady of Sorrows' baseball team.

With a 4-1 record, Sorrows invades St. James of Ferndale with victory a must since St. James has been setting the pace in the league with an unbeaten record.

Sorrows rolled past St. Florian, 10-6, to stay in contention as Tom Centers won the route for the winners.

Meantime, Bill Walesky

slugged three hits in four trips to the plate and drove in two runs. Jim Harte had two hits and Bob Holton a two-run homer to pace Sorrows.

The Farmington team settled things quickly by scoring five times in the first inning.

# RU Nears Suburban Six Title; Whips Plymouth For No. 4

Only Bentley stands between Redford Union and a perfect campaign in Suburban Six League track competition. Redford Union made it four straight without a loss by downing Plymouth, 75½-42½.

Dave Schoof led the way for RU which has clinched a share of the dual meet title. Allen Park stands second in the league with a 3-1 record.

For the second time in a week Schoof won three events. He took the high jump, the two hurdles and also placed third in the long jump.

Tom Tullock was a double winner for Redford Union when he captured the shot put and then led the field in the 220-yard dash.

Bentley, meantime, dropped a 60-62 decision at Trenton when Randy Marks

led the way for the winning team with victories in three events — the high jump, low hurdles and the high hurdles.

**RU 75½, PLYMOUTH 42½**  
**SHOT PUT:** 1--Tullock (RU), 2--Merrill (P), 3--Campbell (P). Distance: 46 feet, 6 inches.

led the way for the winning team with victories in three events — the high jump, low hurdles and the high hurdles.

**TRANTON 68, BENTLEY 62**  
**HIGH JUMP:** 2--Ragnell, 3--Ziel.  
**SHOT PUT:** 3--Romano.  
**LONG JUMP:** 1--Johnson, 3--Patterson. Distance: 19 feet, 3 1/2 inches.

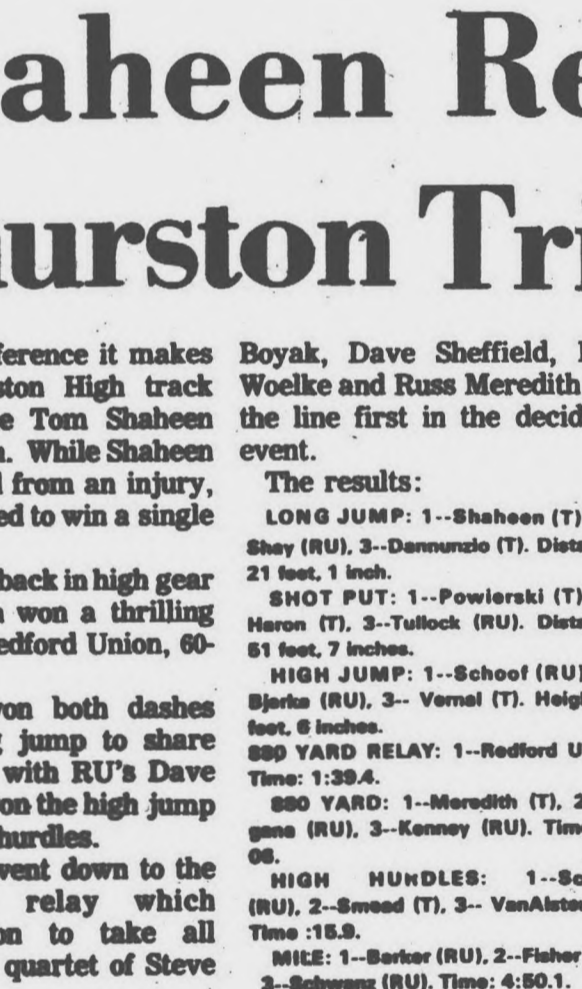

**Farmington Ups Lead**

Farmington High's baseball team has moved a step nearer the Inter-Lakes Conference title.

A 9-4 romp over Southfield Lathrup upped the Falcons' record to 6-1 in the league and to a two game lead over Pontiac Northern and Waterford.

THREE FORMER stars of the Suburban Six League are standout members of the Michigan State University track team this spring. John Morrison (left above) led his Redford Union team to the state championship in 1969 when he was king of the nation's prep hurdlers. Dave Martin (right above), of Plymouth, was an all-league choice and starred for the Rocks when they won the conference crown. Tom Spuller (left below) was Bentley High's top performers for three years and is one of the fastest men on the Spartan squad.

# Shaheen Returns; Thurston Triumphs

What a difference it makes to the Thurston High track team to have Tom Shaheen back in action. While Shaheen was sidelined from an injury, Thurston failed to win a single dual meet.

But he was back in high gear and Thurston won a thrilling meet from Redford Union, 60-58.

Shaheen won both dashes and the long jump to share meet honors with RU's Dave Schoof who won the high jump and the two hurdles.

The meet went down to the final mile relay which Thurston won to take all honors. The quartet of Steve

Boyak, Dave Sheffield, Pat Woelke and Russ Meredith hit the line first in the deciding event.

The results:

**LONG JUMP:** 1--Shaheen (T), 2--Shay (RU), 3--Dammund (T). Distance: 21 feet, 1 inch.  
**SHOT PUT:** 1--Powierski (T), 2--Heron (T), 3--Tullock (RU). Distance: 51 feet, 7 inches.  
**HIGH JUMP:** 1--Schoof (RU), 2--Bjorko (RU), 3--Vornel (T). Height: 5 feet, 6 inches.  
**880 YARD RELAY:** 1--Redford Union. Time: 1:39.4.  
**880 YARD:** 1--Meredith (T), 2--Legano (RU), 3--Kenney (RU). Time: 2:06.  
**HIGH HURDLES:** 1--Schoof (RU), 2--Sneed (T), 3--Van Alsten (T). Time: 18.5.  
**MILE:** 1--Barker (RU), 2--Fisher (RU), 3--Schwartz (RU). Time: 4:50.1.  
**100 YARD:** 1--Shaheen (T), 2--Meredith (T), 3--Tullock (RU). Time: 10.1.  
**440 YARD:** 1--Woelke (T), 2--S. Boyak (T), 3--Rodgers (RU). Time: 53.7.

# Belleville Title Won By Franklin

Franklin High's track team, tuning up for next Saturday's regionals, carried away team honors in the annual Belleville Relays.

Franklin scored 40 points while Belleville was second with 25, Livonia Bentley with 18½ and Garden City West 17. West 17.

The winning team captured three of the relay events.

**FRANKLIN'S TRIO** of Mike Feister, Paul and Pete DeNapoli combined for a winning height of 34 feet in the pole vault relay.

In the 440 yard relay, it was Franklin the winner in the time of 44.6 with a quartet of Mike McKindles, Joe Jinnet,

Ken Yuhasz and Mike Jinnet.

McKindles, Mark Newman, Yuhasz, Joe and Mike Jinnet hit a time of 3:23.2, only to be nipped by Cherry Hill in the mile relay in 1:03.8 in the

Bentley, won both the shuttle hurdle relays. The same quartets of John Ratz, Bob Boyd, Jack Scott and Mark Johnson won each time - being timed in 1:03.8 in the

high hurdles and :59.06 in the lows.

Although Franklin's shot put relay was fourth, Jim Craig's toss of 51 feet, 4 inches took individual honors.

# Suicide — Who Tries? When? What Methods?

By W.W. EDGAR

Suicide attempts in Wayne County are more prevalent in the 20-39 age group than any other.

When it comes to trying to take one's own life, women outnumber the men almost three to one.

The first five months of the year are the prime target dates for the suicide attempts. Whites outnumbered blacks, 1,514 to 388, during 1970.

THESE statistics are revealed in a recent report of the Suicide Prevention Center that has been keeping a close watch on the emergency rooms of hospitals in the county for the past two years.

Surprisingly, the second most common group was the 6-19 category and, according to Dr. Bruce L. Danto, M.D., director of the Suicide Prevention Center, the younger people — up to 39 years of age — are having a difficult time coping with life.

All told, there were 1,600 instances of attempted suicides in these combined groups in 1970. Of this number, 1,186 were in the 20-39 category.

Regarding this age, the report states another area of concern would seem to be that the over-50 group utilizes the hospital with less frequency as a resource to deal with the problems of living as well as to promote the idea of living.

WHILE THE report shows that whites greatly outnumbered blacks in suicide attempts, only one oriental was listed during the year. The incidence of attempted

suicide among married people was higher in 1970 than the previous year with 1,006 cases listed. This compares with 105 listed as separated, 104 divorced, 744 single and 56 widows.

Over the past two years, the most popular method chosen for suicide attempts was drug overdose, a method which accounted for 1,882 cases.

Second most popular was cutting with 122, followed by poison and then gas. One of the surprising features was that shooting was listed fifth in all cases uncovered in the hospitals. In 1969 suicide attempts by shooting ranked third.

The decrease in shooting

attempts, Dr. Danto's report stated, is significant in light of the rising incidence of violence associated with the use of fire arms.

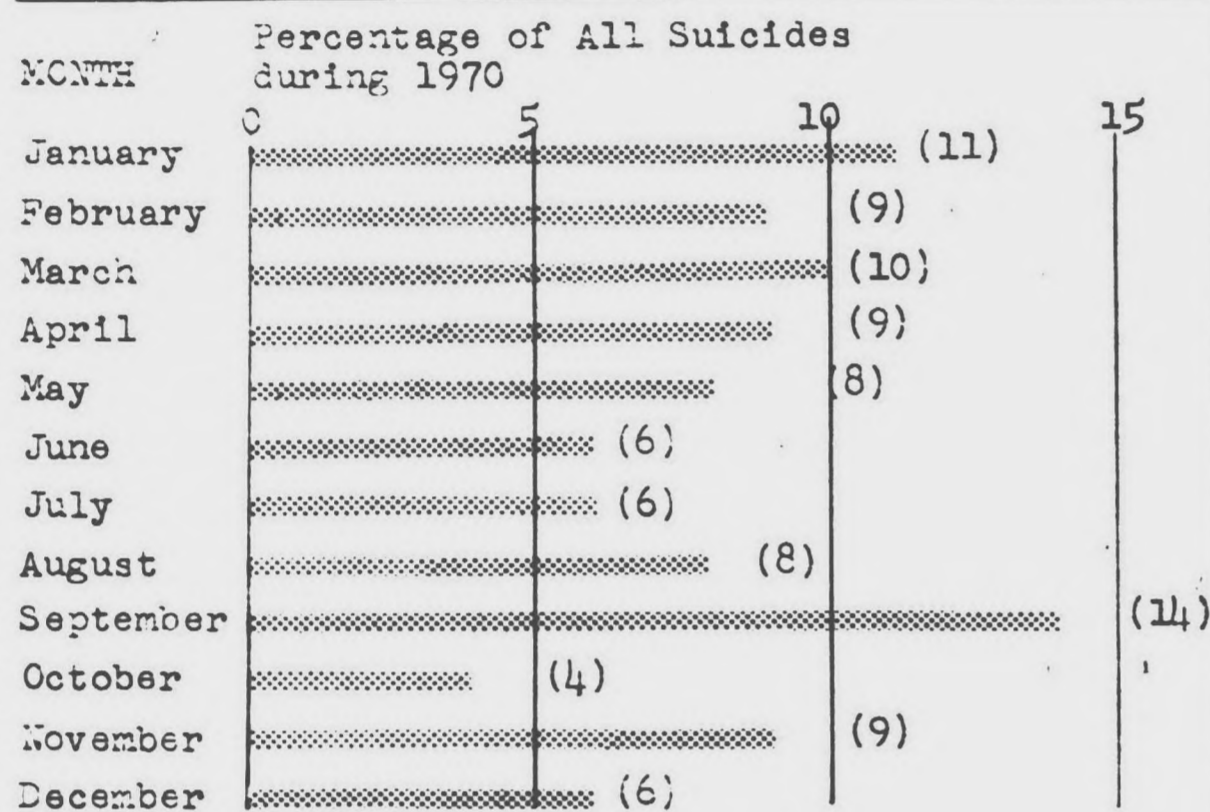

ANOTHER interesting factor in the report is that the referral source by which the patient arrived at the hospital was the family in 983 cases.

"This would seem to indicate," Dr. Danto states, "that the high level of family resources as a potential rescuer offers the possibility that this is why the statistics reveal more attempts than successful suicides.

During the year, 1,345 cases were returned to their homes, with 319 returned to other medical institutions.

The hospitals that participated in the study included:

Alexander Blain, Bon Secours, Children's Hospital, Cottage Hospital, Evangelical Deaconess, Delray General, Detroit General, Detroit Memorial, Detroit Osteopathic, Doctor's Hospital, Garden City Osteopathic, Grace Central, Grace Northwest, Harper, Henry Ford, Holy Cross, Jennings Memorial, Lakeside General, Lynn, Martin Place, Metropolitan, Mt. Carmel Mercy, North Detroit General, Oakwood, Plymouth General, Redford Community, Riverside Osteopathic, St. John, St. Mary of Livonia, Seaway, Sinai and Straith Memorial.

P.O. BOX — Drugs

### Can Drugs Aid Your Driving?

Questions should be sent to the Community Commission on Drug Abuse, P.O. Box Drugs, Livonia, Mich. 48151.

Q. In one of your columns you talked about the possible dangers of driving under the influence of drugs. But isn't it true that some drugs like dexedrine help to keep you alert and make you drive better?

A. Dexedrine and other amphetamines (known variously as "uppers," speed, crystal, meth, etc.) are well recognized for their ability to keep one awake. However, they scarcely qualify as driver aids. To the contrary, a study was done in Toronto in 1969 on the crash rates per 10,000 miles of drug users:

"The psychoactive drug abusers had accident rates about twice as high as expected for their age, sex, and driving exposure. Most of the excess was contributed by those addicted to amphetamines (alone or in combination).

"(Amphetamine users) often claimed to have used amphetamines prior to their accident. Large doses of amphetamines may...create irritability, impatience and aggressiveness, together with delusions of persecutions and hallucinations. Of course, any of these effects could make the amphetamine user dangerous on the road."

The authors of this article point out that whereas users of depressant drugs and marijuana are apt to become inactive and just sit around, the users of amphetamines have higher activity levels and are much more likely to engage in activities such as driving.

One should remember also that use of stimulants such as amphetamines may be an indication of rebelliousness or aggressiveness that can also be expressed by driving dangerously. There may be underlying psychological causes that compel both the use of drugs and reckless driving.

In any event, it's becoming more and more clear that "speed" and driving are a dangerous combination in more than one sense.

Q. I heard from a very good source that I could get treated by a doctor for a drug problem without my parents finding out. So far I've called three different doctors and none of them will handle my case. What's the deal?

A. M.M., Livonia We'll go into the details in a later column) is that if you as a minor so request, a physician may treat you for a drug problem and not advise your parents. What the law does not say is that any physician must accept you on this basis as a patient. There are several reasons for which a physician may choose not to accept such a case.

## Low Bids Told For I-96 Interchange In Livonia

Jay-Dee Contractors, Inc., of Livonia was the lowest of five bidders for the construction of tunnel storm sewers for the interchange of I-96 and the proposed I-275 in Livonia.

The company's bid of \$2.3 million must be approved by the state administrative board before a contract is awarded.

Bids for construction of the interchange itself and associated projects were taken last month. The project, scheduled for completion in July 1972, will be a major interchange between the proposed I-275 freeway, running north and south through Oakland and Wayne Counties, and the junction of the planned M-14 and the Jeffries Freeway (I-96), running east and west.

The combined 50-mile I-275 and M-275 freeways, connected at both ends to I-75, will provide a westerly by-pass of Detroit. The entire route should be open to traffic in 1977.

THE JEFFREIS Freeway, when completed, will follow the present Grand River in the center of Detroit, continue along the route of Schoolcraft Rd. through western Detroit, Redford and Livonia, then turn north and follow the Haggerty Rd. corridor to the existing I-96 freeway, on the Farmington-Novi border.

The 1.9 mile section of land will be the major intersection for traffic bypassing the city from either direction. The bid from Jay-Dee Contractors

was the lowest of five bids for the sewer system.

The highway commission also took bids last week for construction of a 1.3 mile section of the Jeffries Freeway between Shirley Street and Wyoming in Detroit. The project also includes construction of four bridges and a pedestrian overpass.

C.A. Hull Co. of Livonia submitted the lowest bid for the project jointly with Greenfield Construction Co. At \$7.5 million, it was the largest bid accepted by the

Highway Commission in one of the largest bid-taking sessions in department history. Bids were accepted on 44 projects last week.

AMONG OTHER projects was a bid from the Ministrelli Construction Co. of Livonia for modernizing and widening a section of Eight Mile Rd. from the west Ferndale limits east to Dequindre.

The 3.6 mile section lies in Detroit, Ferndale, Hazel Park, and Warren. The Livonia company's bid was the lowest of six at \$3.1 million.

## Madonna Sets Summer Session

A short summer session consisting of evening and Saturday classes will be offered at Madonna College, Livonia, throughout the month of July.

The Saturday courses are two or three semester hour courses. Classes will meet on the five Saturdays of July, 9 a.m. to 12 noon and 1 to 4 p.m. Courses offered on Saturdays are the following: Innovative issues in education (for principals and teachers of grades 1-8); diagnosis and remedial reading; seminar on aging; and contemporary catechetics.

Evening classes, beginning July 1, include rhetoric and composition (three semester

hours, Mondays, Wednesdays, Fridays 7-9 p.m.).

A reading practicum will be offered by arrangement, extending through six weeks, June 21 to July 30, Monday through Friday, carrying two to four semester hours. The practicum will consist of supervised clinical teaching in the college psycho-educational center.

Three courses—catechetics, English rhetoric and developmental reading—are open to high school juniors and seniors, and may be used toward college credit.

Tuition fee for each of the courses is \$32 per semester hour, credit or audit. Registration is currently open until June 7.

# Don't Count North Out Of Loop Baseball Race

Watch out for North Farmington's baseball express. With three staright victories, the Raiders have kicked their Northwest Suburban League record to 4-2, just a game behind front-running John Glenn.

North Farmington added to its streak by routing Oak Park, 13-4, while Glenn turned back Birmingham Groves, 6-3.

GARY GASPAS coasted along to win for North Farmington. He gave up five hits and struck out 10. Marty Raymond led the Raiders' assault with three hits in four trips to the plate while Dave Nauman slapped a solo homer.

The Raiders wasted no time getting on the scoreboard. Three walks, followed by a single by John Haine, a sacrifice fly by Rick Garneau and a single by Raymond produced four runs.

Then Nauman started a six-run explosion in the second inning which put the game out of reach. Raymond and John Combes each blasted into runs in the second while Dan Delling and Doug Moher responded with one-run hits.

Glenn Osborn with seventh inning relief help from Mark Cahill, who cut off Groves with the bases loaded, was the winning pitcher for Glenn.

Dave Barrows tripled in two runs in the first inning and scored on Jim Laughren's single. In the third, Barrows singled after Daryl Demaray tripled. Then Dave Koloczaj singled in McBride who had walked.

A SUPER pitching effort by Tony Kaseta enabled Franklin High to down Thurston, 3-0, and square its Northwest Suburban League record at 3-3—the same mark at Thurston.

Kaseta fanned six and didn't walk a batter in besting Steve Kreager of Thurston, who struck out two and walked seven.

Gar Frantz provided Franklin with the only run Kaseta actually needed when he parked a home run in the first inning.

That's the way the game stood until the sixth inning when Don Opland slugged a double for Franklin and came around on a triple by John Grills.

Randy Taylor then dropped a perfect bunt sending in Grills with Franklin's third and final run.

The best chance Thurston had came when Bob Graustein doubled, but was thrown out trying to stretch the blow into a three-bagger.

## Harrison Crushed By Rocks

With Russ Morrell winning two events to lead the way, Plymouth High's track team had little trouble downing Farmington Harrison, 74 1/2-43 1/2, in a non-league meet.

Morrell won the 100 yard dash and also the shot put. Dave McConeghy led Harrison with a pair of victories. He captured both the hurdles.

The results:

MILE RELAY: 1--Harrison.

The metropolitan Detroit contingent, lead by Helen Weston, lost its fight for a change in the Women's International Bowling Congress rules on the convention floor last week in Atlanta, Ga.

The Detroit group wanted to cast aside the rule that now permits pickup teams from all parts of the country, claiming that these "stacked" teams would eventually harm the tournament.

As a substitute the Detroit group asked that the "pickups" be limited to bowlers from any one state.

After her presentation Helen Weston was told by Mrs. Alberta Crowe, WIBC president, that the rules committee had been studying some rules modifications for sometime, but was not yet ready to report.

To combat the present rule many of the Detroit teams are shuffling their lineups and now competing in Division One instead of the "open" class.

IT'S BANQUET time for many of the leagues, but no group will have more fun than the Plymouth Senior Citizens had last week at Plymouth Bowl.

Following the Luncheon they waged a tournament in which Lyle Gibbs, secretary of the group, won high series with a 587. Andy Hipp had high game with a 230.

In the women's division Mamie Monaghan was high

with 556 and Marie Moore had a 234 for high game.

Other winners included Dot McClain, Sally Schulte, Bob Oswald, Bob Steich and Maris Johnson.

The prizes included \$100 in cash from A&A Gulf Service; a ham from Old Village Sausage Shop; motor tuneup from Lou LaRiche; bowling ball, Plymouth Bowl; oil change and filter from J&L Gulf Service.

IT SEEMED LIKE 700 or no count in the Classic leagues around Observerland as the season nears its close.

Three counts above the magic mark were registered at Westland Bowl and four more were put on the board in the Bel-Aire Classic.

Jerry Bingham set the pace at Westland with a 736 on

games of 215, 298 and 223. In his big middle game he left up the 4-7.

Dick Lang, who is leading the averages with a 208, took runnerup honors for the week with a 706 that included a 269 opener and Dick Preston landed third with a closing 269 for 704.

Ed Meir showed the way at Bel-Aire with a 720 gained on games of 267, 141 and 210. Next in line came Joe Silagy with 714, while Bill Benjamin had a 702 and Tom Mailberger closed with a 268 for 700.

Ken Haviland, who has been bowling for more than a few seasons barely missed the magic mark when he opened with a 246 and added games of 233 and 215 for a 694.

With two more weeks to go the Bel-Aire Classic is boasting the closest race for team honors in the entire area.

Only eight points separate the top nine teams and the way the scores have been going anything can happen and possibly will.

Tom Schebel added his name to those who have converted the "double pinochle" during the season. Bowling in the Twin Parish league at Westland he knocked over the 4-6-7-10.

At Farmington Lanes, Gary Grimes paced the Junior High boys with a 203. He finished with a 503 series and yielded the three game honor to Steve Hillelt who had a 184 in 534.

## Churchill Wins Over Western

With Mark Maloney winning two events and anchoring the victorious 880-yard relay, Dennis Kurtis setting a school mark in the mile and Kevin Arnold equalling the pole vault mark, Churchill High's track team dominated Walled Lake Western, 66-52.

The win gave Churchill a 1-1 record in the Western Six League.

Maloney won the 100 and 220 yard dashes.

Kurtis' time in the mile was 4:31.7, topping his former school mark of 4:37.5. Arnold soared 11 feet to tie his varsity mark in the pole vault.

## Spartans Win 3rd Straight

Livonia Stevenson netters continued their unbeaten string in the Inter-Lakes Conference with a 7-0 victory over Pontiac Northern. The Spartans have met and whipped three league foes without the loss of a single set.

The day of reckoning comes Monday when they clash with undefeated Southfield Lathrup on the latter's courts. The Chargers also have won three straight without losing a set.

## Turf Tips, Quips

By Doc Minard

This will be a big week for harness and thoroughbred racing enthusiasts.

Hazel Park will present one of the biggest events of the year Tuesday when it brings the world's top sulky drivers in for one of the world's championship series.

Then on Friday night, Windsor Raceway will move into competition in the running races with its initial program starting at 8 p.m.

The second annual World Driving Championships, sponsored by the Harness Tracks of America, is a spectacular addition to the North American sports calendar.

The eight reinsmen will handle all types of horses, from the cheaper claimers to top-flight performers, on half-mile, five-eighths and three-quarter mile tracks.

They will make a blind draw for their horses each night in the series, which opened at Roosevelt Raceway on May 3 and ends after nine racing nights at Liberty Bell Park in Philadelphia.

The series glitters with the names of the foremost international champions (in alphabetical order): Karsten Buer, of Norway; Herve

Fillon, Canada; Jean Rene Gougeon, France; William Haughton, the U.S.; Gioacchino (Cencio) Ossani, Italy; Gordon Rothacker, Australia; Adolf Ubleis, Austria; and Peter Wolfenden, New Zealand.

BILLY HAUGHTON

Each won recognition as the top driver in his native land in 1970. The European pilots were also the leaders in the 1971 European championships in Recklinghausen, Germany, early in April.

The champions will meet in about 30 races in the 1971 series. Each winner will

receive 50 points. Second place in each race is worth 25 points, third 12, fourth 8 and fifth 5 points. Point total will be cumulative through the nine-stop series. The driver with the highest point total after the final race will be crowned as the new world champ.

MARKING THE RESUMPTION of running races in Windsor after a lapse of 35 years, the upcoming session will provide Detroit Windsor railbirds with their first opportunity to enjoy the following "firsts" —

- Thoroughbred events under the floodlights,
  - Sunday matinee programs, and
  - Running races on an all-weather synthetic track.
- The inaugural thoroughbred meet which extends through Sunday, July 11, lists 46 programs, including nine Sundays when post time is set for 2:30 p.m., Detroit time (3:30 p.m., Windsor time). Evening cards—Wednesday through Saturday—will start at 8 p.m., Detroit time (9 p.m., Windsor time) with no racing scheduled on Mondays and Tuesdays.
- The track's record crowd of 9,562 which wagered \$642,756 on Saturday, Jan. 2, 1971, will be the No. 1 goal of the new meeting. Other big objectives will be the record Sunday matinee on Feb. 1, 1970 which drew 7,575 who bet \$511,619 and the most successful meeting opener, Dec. 31, 1970, when the holiday gathering totalled 7,912 and wagered \$484,459.
- A major stake event, possibly tied to the Freedom Festival July 1-5 is being planned to match Windsor's premier harness race, the Provincial Cup, which started as a \$15,000 invitational in 1966 and has grown to one of Canada's richest, boasting a \$40,000 payoff.

THE STAGE IS set for a real "Action at Jackson" showdown race Saturday night at Jackson Harness Raceway. The race is the featured invitational pace, seventh on the 10-race program, and carries a purse of \$1,500.

Among the entries in the six horse field are the three fastest pacers of the meet.

Vetas Boy Len, holder of the season's fastest clocking over the all-weather limestone track, a speedy 2:05 4/5, has the outside post positions for the race. Elizabeth Gallon, whose strength seems to be the come-from-behind race, was assigned the rail post by race secretary, Tom Smith.

Completing the field are Worthy Reward, Chief Okemos, and Born Yesterday. Each has the credentials to go with the meet's fastest winners.

WATCH THESE HORSES in their next races at the Detroit Race Course. The word is that each is fit and ready and when the track conditions suit the horse—then beware.

Contrell, Al's Jo Jo, Toolin Around, Formality, Luger 2nd, Fountain's Girl, Seventh Ark, Duke of Savoy, Swift Destiny, Amberbee, Above The Circle, Billto, Double Wink, Our Citation, Touchie Ric and Ethete.

## Wins In Russia

Former Michigan State wrestler Don Behm won a gold medal in the 1971 international freestyle tournament in Moscow. He wrestled at 125.5 pounds and was the only U.S. performer to gain a first place.
